I. CONFERENCE HISTORY

United Methodism in North Texas began in 1816-17 as part of Arkansas Methodism in the Missouri Conference of the Methodist Episcopal Church. When the denomination divided in 1844-45, Methodists of this area became a part of the East Texas Conference of the Methodist Episcopal Church, South. In 1867, the approximate area of what is now this conference was set apart as the Trinity Conference, and later (1874) renamed the North Texas Conference.

The Methodist Episcopal Church had little organized work in Texas after 1845, until 1867 when a Texas Mission was formed. Out of that Mission came the West Texas Conference (primarily Black). In 1939, the Methodist Episcopal Church, the Methodist Episcopal Church, South, and The Methodist Protestant Church united to form The Methodist Church. The West Texas Conference, while a part of The Methodist Church, was in the Central Jurisdiction (all Black). The North Texas Conference was a part of the South Central Jurisdiction, which was one of the geographical jurisdictions.

At the Uniting Conference to form the United Methodist Church held in Dallas, Texas, April 1968, a new Annual Conference was formed in North Texas including members, congregations, and ministers of the North Texas Conference of The Methodist Church of the South Central Jurisdiction (1939-1968), and members, one congregation, and one minister of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (1886-1968).

At a merger conference held in Dallas, Texas, in May, 1970, members, congregations, and ministers of the North Texas Conference; and members, congregations, and ministers of the West Texas Conference located within the geographical boundaries of the North Texas Conference became the North Texas Conference of The United Methodist Church.

In 1988, the South Central Jurisdictional Conference, meeting in New Orleans, created two episcopacies from what had been the single Dallas-Fort Worth Episcopal Area. This action resulted in the geographical region encompassed by the North Texas Conference being designated the Dallas Episcopal Area, while the Central Texas Conference became the Ft. Worth Area. Since that time, the North Texas Conference has been served by its own bishop.

The sessions of the current North Texas Conference are numbered first from 1867, the organizational date for the North Texas Conference of the Methodist Episcopal Church, South, and the Texas Mission of the Methodist Episcopal Church and secondly from 1970, the date of merger of the former North Texas and West Texas Conferences.

A list of the Conference Sessions of these separate conferences is printed in:

(1) the 1939 Journal of the North Texas Conference, South Central Jurisdiction, (P.28-29) and the 1967 Journal of the North Texas Conference, South Central Jurisdiction (P.140);
(2) the 1967 Journal of the West Texas Conference of the Central Jurisdiction (P.88);
(3) the 1967 Official Record of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (P.17); and
(4) other histories of Methodism in North Texas.

Conference Sessions since 1968 are listed inside the back cover of this Journal.

VIII. DAILY PROCEEDINGS

SUNDAY AFTERNOON AND EVENING
June 7, 2009

Laity Session and Dinner
St. Andrew United Methodist Church, Plano, Texas, 3:30 p.m.

The laity session of The North Texas Conference was held at St. Andrew United Methodist Church of Plano. Conference Lay Leader, Richard Hearne, welcomed the lay members of annual conference and Doug Meyer opened the session in prayer.

Bishop W. Earl Bledsoe spoke to the laity session via DVD, saying that the laity will be a key part in the strategic planning. Bishop Bledsoe's wife Leslie was recognized as a special guest.

Hearne noted the provision for annual conference sessions divided half and half laity and clergy. He asked all first-time lay members to stand. They represented approximately one-third of the gathering.

Ben Bennett, lay leader for Paris/Sulphur Springs District, led the memorial service for lay members of conference who have died within the past year. Linda Parks, conference lay-leader elect, reported on the Bishop's Strategic Plan Team, legislative item #22, reminding laity that the Strategic Planning Team consists of twenty clergy and nine laity. She reminded everyone that Hopes and Dreams cards are available and may be turned in at the opening worship or any time until July 31 at www.holyconferencing.com website.

Richard Stanford briefed lay members on constitutional amendments being offered for vote.

The closing prayer also served as a blessing, and the members had dinner at St. Andrew United Methodist Church.

Clergy Session
First United Methodist Church, Plano, Texas, 3:30 p.m.

The North Texas Conference clergy gathered at First United Methodist Church, Plano and Bishop Bledsoe called the meeting to order at 3:33 p.m. Holly Bandel gave the opening prayer and the pastors sang the hymn, "And Are We Yet Alive."

Bishop Bledsoe called on Gary Mueller, chair of the Board of Ordained Ministry, for the Board's report. (Note: The details of the complete report can be found in Section X. BUSINESS OF THE ANNUAL CONFERENCE.)

The chairperson called for a moment of silent prayer in memory of Kathleen Baskin-Ball, previous Board of Ordained Ministry chair. Mueller stated that the Board found all members blameless in their lives and official administration. He then referred clergy to the names of persons being nominated for the Committee on Investigation and the Administrative Review Committee under question 18 of the printed report. These persons were elected. Mueller, along with the committee heads of the Board of Ordained Ministry, walked the session through the reporting structure having to do with all matters of the clergy, as prescribed by the General Conference.

Edlen Cowley, candidacy registrar of the Board of Ordained Ministry, noted that the names of those who were certified candidates for ministry, question 19, were printed in the handout document and asked that any corrections to the list be submitted in writing.

James Minor, chair of the Committee on Certification, presented those in specialized ministry.

Mike Miller, chair of the Local Pastors Division, presented the names of local pastors in answer to questions 20 – 23. The names, part-time and full-time, were approved unanimously.

Fred Durham, Assistant to the Bishop, presented the names of those appointed from other conferences and other Christian denominations as well as associate members and elders serving less than ¾ time.

Dennis Wilkinson, chair of Conference Relations Committee, reported on all changes in clergy persons' relationships to the conference. The names of the clergy members who had died since the last conference session were read and Bishop Bledsoe asked Janet Bell Odom to lead a memorial prayer. (See also Memorial Service in Section VIII. DAILY PROCEEDINGS for Tuesday, June 10, and Section XIV. MEMORIALS.)

Wilkinson read the names of the clergy retiring this year, and each came forward. They were honored with applause and Bishop Bledsoe shook the hand of each retiree.

Mike Miller read the names of all local pastors retiring this year, and each came forward. They were honored with applause and Bishop Bledsoe shook the hand of each.

Todd Harris, chair of the Committee on Preparation and Qualifications, informed the clergy that six hours of Systematic Theology would be required for both deacons and elders beginning 2010 and that deacons would have an added requirement to complete a project called "Making Disciples," which would take the place of a second Bible Study. Harris then presented to the clergy session the candidates for probationary membership and commissioning. They came and stood before the Bishop and each received a favorable vote by the membership.

Janet Collinsworth, Paul Maletic, and Susan Robb were presented for probationary membership and commissioning for the ministry of deacon in preparation for ordination.

The following were presented for preparatory membership and commissioning in preparation for ordination on the elder track: John Baldwin, Abril Goforth, Alan Hitt, Arthur Jones, Elizabeth LaBella, Walt Lunde, Scott Melton, Monty Moore, Cheryl Murphy, Nancy Sherman, Ed Volfe, Preston Weaver, and Jessica Wright.

The following persons were presented for election into full membership and ordination: As a deacon: Paul McKay and Caroline Noll; as elders: Judith Brandt, Veronica Lynn Greanead, Leslie Herrscher, Ashleigh Joyner, Sandi Minor, Frank Edward Rahm, Paul Rasmussen, James Abe Smith, Jodi Sellars Smith, Carol Sparks, DonnaLea Sutton, Terri Swan, and Chris Yost. Bishop Bledsoe asked these persons the historical questions originating with John Wesley and then the votes were taken on each person individually. All were approved and greeted with an extended standing ovation by the pastors.

Mueller moved passage of the entire report of the Board of Ordained Ministry and it was approved. Kathryn Ransdell reported on Clergy Effectiveness. Maxie Moore, Fellowship of Local Pastors, spoke of "watching over one another in love." Debbie Chapman, Order of Deacons, encouraged clergy to find more ways of holding each other accountable. Lisa Greenwood, Order of Elders,

announced the Clergy Retreat as October 19-21 and encouraged all to attend. She reminded the clergy that the early disciples gathered and that small groups are part of the Wesleyan heritage.

Gary Mueller thanked the Bishop for carrying the session through in such a timely manner. To conclude the meeting Bishop Bledsoe asked Willie Johnson to offer the closing prayer.

The full reports of the divisions of the Board of Ordained Ministry are printed in this journal in Section XIII. AGENCY REPORTS under the heading, Board of Ordained Ministry.

Worship Service
First United Methodist Church, Richardson, Texas, 7:00 p.m.

Caleb Rangel, Pianist, Casa Linda United Methodist Church, Dallas, provided the gathering music. Host pastor Clayton Oliphint offered a welcome and introduced Mrs. Leslie Bledsoe, Bishop Bledsoe's wife and partner in ministry and their daughter Letitia. Bishop Bledsoe then introduced and welcomed Bishop Janice Riggle Huie, on whose cabinet he served as a district superintendent, and her spouse, Rev. Robert Huie.

The anthem was a rousing "Clap Praise," sung by the St. Luke "Community" United Methodist Church choir. Director Monya Logan led the congregation in rhythmic praise claps by sections as the choir continued.

The theme for the evening was the theme for the conference: "Let Every Soul Be Jesus' Guest," chosen to inspire focus on hospitality and invite every soul to be Jesus' guest, even those who are on the margins of society. Bishop Huie emphasized the theme by focusing on the large open Eucharist table, walking around it, talking about a table that is open to all and provides an abundance of grace and love beyond our imagining. She called up other tables, from rusting TV trays to tables open to friends and strangers alike. She noted that John Wesley encouraged his followers to compel all people to come to the table. She finished with a command to "Go! Christ awaits at the table, arms wide open, even for us poor sinners."

Interns from Project Transformation assisted in serving communion to the conference members. Separate blessings were offered for Hopes and Dreams cards and for Project Transformation interns. These interns were commissioned to their work at the end of the service.

A reception following the service honored Bishop and Mrs. Bledsoe.

MONDAY MORNING SESSION
June 8, 2009
The Plano Centre, Plano, Texas

Organization of the Conference

The business session of the conference began with Perry Crenshaw and Tim McLemore leading the hymn "I Woke Up This Morning with My Mind Stayed on Jesus" and "Lord, You are More Precious than Silver." Bishop Bledsoe gaveled to order the 39th session of the North Texas Annual Conference and called on Julie Macpherson for the opening prayer.

Bishop Bledsoe then called upon Marvin Guier who moved that Judith Reedy be elected as conference secretary for the 2009-2012 Quadrennium. The motion was seconded and carried.

Bishop Bledsoe called upon the conference secretary for the organizational motions. Reedy moved that the bar of the conference be the sections of seats in front of the platform and the visitors' section to be the seats to the sides of the stage. The motion was approved. Reedy moved the election of persons to serve the 2009 business sessions as assistant secretaries: Todd Bristow, Kenny Dickson, and Marsha Middleton; head teller, Pete Adrian; and the teller group as appointed by each of the district superintendents. They were elected.

Reedy moved the approval of legislative item number one in the conference workbook, **[LA 1]**, for the equalization of clergy and lay members. The motion was approved.

Episcopacy Committee

James R. Adams, chair of the committee, was accompanied on the platform by the committee members. Bishop and Mrs. Bledsoe were escorted to the podium. In gratitude for their leadership and ministry, they were presented gifts. Mrs. Bledsoe received a "Moses Stick" – a walking stick with Ten Commandments carved into it, and a bouquet of yellow roses. Mrs. Bledsoe offered a gracious thank-you to the conference for the welcome the couple has received. Her customary humor and good will was accepted by the conference with a standing ovation. Bishop Bledsoe was presented a chef's hat and a bass fishing hat, both of which he tried on for the conference to great applause. The committee then presented him a gift certificate for a bass fishing tour. Bishop Bledsoe offered a warm response for the welcome he and Mrs. Bledsoe have received.

Episcopacy Address

Bishop Bledsoe began his address by quoting Charles Dickens' antithetical opening lines from A Tale of Two Cities. "It was the best of times; it was the worst of times……" He paused to observe, "Sounds like today – a growing population, but a declining church." He went on to say that to be a great conference, God is calling us into something much greater than yesterday or today.

Bishop Bledsoe paused for a clip of Trietsch Memorial from Fox News showing Twittering in worship. He observed that North Texas has much opportunity. He talked about the questions people have asked him since his arrival: What are you passionate about? How will you spend your time? He stated that the question is not "What is your vision?" but "What is God's vision?"

Bishop Bledsoe was clear about four grassroots foci: developing leaders, creating new places for new people, engaging in ministry with the poor and improving global health. When he spoke of creating new places for new people, he stopped for a clip of Christ's Foundry Fellowship. Bishop Bledsoe encouraged more members to learn to speak Spanish. He concluded with a challenge to clergy and laity alike to make the necessary changes to close the door to past hurts, disappointments, and failures; to face current and future challenges; to stay with it through the "messiness of change." The conference responded with a standing ovation.

Statistician's Report

Marvin Guier reported that in spite of some bright spots in some of our churches in 2008, for the third time in the last four years, the total membership, the average worship attendance, the number of new members received, the number of professions of faith, and the average Sunday School attendance of the churches of the North Texas conference all declined. Total conference membership decreased for the fourth year in a row to 158,606 in 2008, and the number of new members received was the lowest in more than a decade.

The best news came in the form of the financial report. The grand total paid for all causes, in a year which ended with great economic challenge and uncertainty, increased by 4.9% to $148,423,935. (See the full report in Section XVI. STATISTICIAN'S REPORT).

Guier concluded by thanking Bishop Bledsoe for initiating a Strategic Planning Process to help the conference get clear about priorities and the concrete steps needed to increased effectiveness in making disciples of Jesus Christ for the transformation of the world in the years ahead.

Creating Congregations

Richard Dunagin called those involved in church starts to the platform. He emphasized five of the new projects begun by Creating Congregations during the last year. Dunagin then lifted up the committee's hopes of starting three new churches out of the closing of three struggling congregations, each re-emerging as a part of "Rethink Church." He explained the idea behind "Rethink Church," and the Bishop greeted launch team members. Jim Ozier offered prayer for those in launch team process.

Ozier, whose job description now includes Congregational Transformation, explained that Bishop Bledsoe, as a district superintendent, had great success in congregational transformation and that he was carrying the banner for Church Transformation in this conference. Ozier then explained Congregational Transformation and the resources that will be provided for congregations who participate. He reported that 271 of 300 churches given the survey had responded. Of the 271 churches, 6% were Transforming, 84% were Maintaining, and 10% were Declining. He explained that after conference, letters of invitation will be sent to some churches to participate officially with a coach for three years and that churches not participating officially will still receive the workbook, website, and training events.

As an analogy for churches who cannot see clearly, Ozier talked about the blind person that Jesus healed. He could not see people clearly. Rather the people looked like trees walking and, Ozier exclaimed, "Everyone knows that trees don't walk!" At that moment the tree behind Ozier began to walk around onstage as Ozier continued to speak of not wanting to go out on a limb but to branch out, and not wanting to sound like a sap, but, he asked, "How can we be more fruitful? How do we get to the root of our problem?" Ozier concluded by saying that it was not trees but people he was talking about – people Jesus called to serve in His name.

Africa University Initiative

Tyrone Gordon announced that 1 million dollars had been raised for a health clinic and scholarships. Lisa Tichenor presented James Salley from Africa University with a check for $500,000 for scholarships. Salley reported that Africa University has grown and become increasingly academic and fiscally strong. This year there were 361 graduates, and there are now more than 3,000 Africa University alumni. He gave North Texas Annual Conference great thanks and said that on July 16th, at 10 AM, the health clinic will be dedicated. The Minister of Health has declared that it will be the top health facility in the nation of Zimbabwe.

Chancellor's Report

John Croft, Conference Chancellor, greeted the Conference in Spanish and then explained the role of Conference Chancellor, of how the Chancellor relates to the Conference and to local churches. He stated that the North Texas Conference has a good legal reputation and hopes to keep it that way. His best advice was this: If you would not want your actions displayed on the front page of

your local newspaper – don't do it! Croft reminded the Conference that it is easier to stay out of legal trouble than to get out of it.

Methodist Hospital

Carole Somers-Clark presented persons who serve on the board of the Methodist Health System: Clayton Oliphint, who serves on the board of Methodist Richardson Medical Center; John Mollet, Methodist Hospital, McKinney; Robert Hasley, Methodist Hospital for Special Surgery, Addison; Sheron Patterson, Methodist Health Center, Oak Cliff, Midlothian, and Mansfield.

Lydia Patterson Institute

Dr. Socorro de Anda, president of LPI, spoke of the tragic violence occurring at the Texas-Mexico border - now on both sides. She said, nevertheless, that they would not give up hope for educating new principled Christian leaders, because Lydia Patterson does not build fences; it builds bridges.

Laity Address

Conference Lay Leader Richard Hearne delivered his first laity address to the Conference, telling the members how indebted he and his family are to them for their outpouring of support and prayers in his recent illness. "I think the Body of Christ is at its best when supporting each other." Hearne lifted up the places where the Conference has continued to be active in mission – the Africa University initiative and Christ Foundry's *O For A Thousand Bells to Ring* campaign. He then observed that the laity often wait until a pastor or a group comes to them with an idea for mission. He encouraged all members to believe that one person, one small church, can make a difference. Hearne gave examples of such actions, one of which was Robert Rhoads, member of First United Methodist Church of Bogata, who to date has picked up in his own truck and trailer 45,800 pounds of food for the Bogata Food Bank. "Don't tell me that one person cannot make a difference!"

Hearne also celebrated accomplishments of large churches such as Highland Park United Methodist Church who builds more Habitat for Humanity Homes than any church in America and Lovers Lane United Methodist Church who has a broad range of prison ministries.

Hearne said there is so much more that still needs to be done. He said that, in response to the downward trend of the denomination, the laity should not look to the clergy to reverse the trends but to themselves. He issued a challenge: "Get involved in mission with the poor in your community." He expressed a particular concern about the children. "Imagine the impact if all 309 United Methodist congregations in the North Texas conference adopted at least one low income/high risk elementary school in their community. Lives would be changed physically, mentally and spiritually with the schools and the churches."

Hearne promised to detail specifics of his challenge over the coming months.

Cokesbury and United Methodist Publishing House

Whit Whittington addressed the Conference and mentioned books written by persons associated with the North Texas Conference, programs, and website opportunities from the publishing house. Whittington then explained that for six decades Cokesbury has made annual contributions to clergy pensions amounting to about $50 million; however, this year, because the United Methodist Publishing House has been adversely affected by the downturn in the economy, Cokesbury did not have a check for the conference. It is their hope, however, that they can rebuild their capacity.

Bishop Bledsoe requested prayer for the United Methodist Publishing House that it might recover from the negative economic impact.

Anti-Racism Team

James Minor and Reid Fade, co-chairs of the team, shared the reporting on the team's work (See Section XIII. AGENCY REPORTS). Fade defined racism as race prejudice plus abuse of power. Referring to Acts 9:17-18, she said that with a lot of work, the scales will fall from our eyes. Minor encouraged anti-racist identity as a potential hope and dream for the strategic plan.

Fade and Minor asked the conference to please invite them to their churches for anti-racism presentations. They lifted up and encouraged participation in a new initiative – an Anti-Racism caucus which will meet on the second Thursday of each month at Casa Linda United Methodist Church.

Mt. Sequoyah Assembly

John and Sheri Altland provided a clip on Mt. Sequoyah, showing how the mountain has been rebuilt after a storm. The Altlands announced upcoming initiatives and conferences to meet at Mt. Sequoyah, the "heartbeat of leadership and ministry training for the 15 conferences of the South Central Jurisdiction. They presented a new initiative to assist new war veterans in conjunction with service organizations to rebuild the mountain and to rebuild their lives. They gave a special word of thanks to First United Methodist Church, Richardson, for their support.

Nominations Committee

Vivian Crowson presented the revised list of nominations as a legislative item (see Section XII. ROSTER OF CONFERENCE AGENCIES – Green pages). Crowson asked that any corrections to the report be written out and taken to the conference secretary's table. The amended report was approved by acclamation. **[LA 24]**

Standing Rules

Ann Todd moved the approval of legislative item number two in the conference workbook, **[LA 2]**, to reflect that when a pastoral change comes at Annual Conference, the new appointment shall begin July 1. Motion was approved.

Courtesies and Resolutions

Javier Escalera, member of the Higher Education and Campus Ministry Task Force, announced that the GBHEM scholarship for $1,500 was awarded this year to Sara Croissant, First United Methodist Church, Denton. Sara is active in youth council, youth choir, and mission trips. Sara is headed for Hendrix College in Conway, Arkansas, where she will major in environmental science, minor in religion, and be a part of the tennis team.

The Frances Asbury Award was awarded to University United Methodist Church, Wichita Falls and pastor Dean Libby, for providing a place for the Wesley Foundation of Midwestern University to office so that campus ministry can continue while the Foundation is without a building.

MONDAY AFTERNOON BUSINESS SESSION

Tim McLemore and Perry Crenshaw began by leading the conference in "Lord, I Lift Your Name on High" and "Change My Heart, O God." Jessica Wright offered the opening prayer.

Young Person's Address

Looking back on her thirteen years in the local church and this conference, Chidi Anyadike, president of the Conference Council on Youth Ministry, said she felt so blessed to have been surrounded by such a strong and steadfast community of faith. This past year's midwinter camps had almost 530 youth in attendance, and she has been able to see how God works through some wonderful people. Her exposure as a leader, however, has also showed her the "dark side" of ministry, the hypocrisy, gossip, and power struggles, all leading to lack of efficiency, gridlock, and financial worries. Anyadike implored the conference to believe what the youth believe: God has no limits. Do not minimize God's power to transform. God is the God of all people – poor and rich, gay and straight, citizens and immigrants, liberals and conservatives, lay and clergy, Methodists and nonbelievers. We must trust each other and stop limiting God.

Anyadike introduced her friend Ricky Harrison, the incoming president of the Conference Council on Youth Ministry. Harrison spoke of the hope he was given as he saw over 700 confirmands come together with their leaders and Bishop Bledsoe, the worship service led by eight confirmands, the graduating seniors who have spent the last seven years of their lives growing up surrounded by a community of faith, the mission work that youth are called to do. The challenge, he said, is at the district level, where he hopes to start building active youth districts. Then Harrison echoed Anyadike, by seeing the future of the church as a place that is all-inclusive and that we must not be a silent church to a hurting world. We must be the church of Jesus Christ in a world that desperately needs to hear His voice and see His hands.

Wesley Village

Kathy Busby introduced Joan Douglass, Grace United Methodist Church, Sherman. Douglass, volunteer and vice-president of the Board of Directors of Wesley Village in its twenty-second year of service, gave some of the history of the Village where her mother moved fifteen years ago. She highlighted the benefits of privacy, security, and good food.

Gulfside Association

Mollie Stewart, president and CEO of Gulfside United Methodist Association, in Waveland, Mississippi, introduced Wilma Dunbar, operator of the Association. She told of the Association's restoration ministry of the gulfside and the transformation of the church and the world. Steward acknowledged Bishop Bledsoe as the long-range planning chairperson who had challenged Gulfside to a period of prayer and meditation upon the sacred land where buildings once stood before Katrina. It was during that time that God got in the midst of their hearts to guide and empower their planning.

Board of Pension and Health Benefits

John Fiedler introduced the committee and directed the conference members to their workbooks, for the presentation of four resolutions (See Section IX. LEGISLATIVE ACTIONS)

The motion to keep pension benefits designated as housing allowances for retired or disabled clergypersons **[LA 3]** was approved by the body. **[LA 4]** to establish the pre-1982 service annuity rate was approved. **[LA 5]** the pre-1982 pensions liability funding plan was submitted and approved. **[LA 6]** the budget for the Board of Pension and Health Benefits was approved. Fiedler reminded the members that while no further contributions would be required for the coming budget year, next year, given the decrease in assets resulting from the market decline, there would be both an additional amount needed for pensions liability funding and the budget would have to increase.

Fiedler reminded members that the best way to manage health care costs and provide for the Conference's collective health is to practice wellness. The latest incentive, in addition to the rebate for annual health assessments, is the official pension and health benefits pedometer, which allows us to walk our way to wellness and earn cash rebates.

Board of Trustees

Bill Avera presented two supplemental legislative items, numbers one and two, and directed the conference members to their workbooks for the presentation of six resolutions.

Supplemental Legislative Item 1 **[LA 25]** called for the discontinuance of Seven Hills United Methodist Church. Paul Lewellen from Chinn's Chapel spoke about the experience of his congregation which became revitalized after almost closing. Avera said the property will be held for a potential new church start site if deemed appropriate. The legislation was adopted.

Supplemental Legislative Item 2 **[LA 26]** called for the discontinuance of Spring Creek United Methodist Church. The legislation was adopted.

Legislative Item 7 **[LA 7]** allowed for the discontinuance of Joy United Methodist Church. The resolution was approved.

Legislative Item 8 **[LA 8]** called for the discontinuance of Slidell United Methodist Church. The resolution was approved.

Legislative Item 9 **[LA 9]** called for the discontinuance of Grant Street United Methodist Church. The resolution was approved.

Legislative Item 10 **[LA 10]** called for the discontinuance of Merit United Methodist Church. The resolution was approved.

Legislative Item 11 **[LA 11]** called for the discontinuance of Munger Place United Methodist Church and the transfer of title to Highland Park United Methodist Church for the beginning of new ministry. Charles Stovall, current pastor of Munger Place United Methodist Church, recognized the need for discontinuance but spoke of the diversity present in the congregation. He encouraged new efforts to be made building churches on diversity. Motion carried.

Legislative Item 12 **[LA 12]** allowed for the merger of Lambuth United Methodist Church and Crest-Moore-King United Methodist Church. Motion carried.

Equitable Compensation

David Rucker moved the approval of the apportionment and schedule for equitable compensation for 2010. Rucker noted that in eight years, the budget had never been raised, but equitable salary

level had always increased. The percentage increase for this year is 1.8%, with guidelines remaining the same as in recent years. This legislative item **[LA 13]** was approved.

Methodist Children's Home

Trey Oakley brought greetings from Methodist Children's Home, reported on the opening of their Waxahachie facility, and challenged the conference to open their doors.

Sending Servants

Mel Caraway, representing Jan Davis, presented seven legislative items and called members' attention to the workbook. Caraway moved the adoption of three legislative items (see Section IX. LEGISLATIVE ITEMS **[LA 14, 15, and 16]** which establish the conference special days with offering, the conference special emphases without offering, and the Advance specials. These were approved. (See also Section XIII. AGENCY REPORTS).

Caraway brought forth four additional pieces of legislation - Legislative Item 17 **[LA 17]** a resolution in support of the United Methodist Global AIDS Fund, Legislative Item 18 **[LA 18]** a resolution to establish a "green team" in North Texas, Legislative Item 19 **[LA 19]** calling for the continued support of *Justice For Our Neighbors,* and Legislative Item 20 **[LA 20]** in support of expanding chaplaincy and prison ministry in Texas. The resolutions passed.

Caraway concluded his report by presenting Bishop Bledsoe with a "Green Bible," on behalf of the Sending Servants Team.

Strategic Planning Team

Paul Rasmussen came forth to speak of the role of Holy Conferencing in strengthening our conference. He said that Bishop Bledsoe has reminded us to seize a bright future and reclaim the best parts of our past and to exercise Holy Conferencing. Rasmussen stopped for a DVD, which was received with applause. Bishop Bledsoe encouraged full participation in the twenty-six breakout groups throughout the Convention Center, an unprecedented move and the order of the day. Rasmussen explained logistics of small group participation. Members broke into their discussion groups as indicated by the number on their badge, and they adjourned at 4:30 to prepare for ordination.

MONDAY EVENING

Service of Ordination
Custer Road United Methodist Church, Plano

Reverend Ron Henderson welcomed the conference to Custer Road United Methodist Church for the service of ordination. Following the processional hymn, Bishop W. Earl Bledsoe led the congregation in a remembrance of our baptism and a reaffirmation of the ministry entrusted to all God's people.

Bishop Bledsoe preached from John 15 under the title "Stay Connected." He asked the ordinands, "Can you hear me now? How well connected are you?" He noted that Jesus thought it important to communicate to his disciples what it meant to be in relationship with God, with one another, and

with the community at large; he did this by using metaphors and imagery. Using the metaphor of the vine and the branches, Bishop Bledsoe counseled the ordinands to stay connected with Jesus, the True Vine; to stay connected with others; and to stay connected with the connection in order to produce the best fruit.

After the offering plate was passed throughout the congregation in support of Africa University and Christ's Foundry Fellowship, Bishop Bledsoe asked, "What happened to the offering plate? I wouldn't ask you to do something I wouldn't ask these up here to do." The offering plates were extended to the chancel area.

Bishop Bledsoe presided in the commissioning and ordination rituals. A host of other worship leaders were involved in this special service, including Kansas Bishop Scott Jones, on hand to be involved in the commissioning of his son, Arthur Jones. Three deacons and thirteen elders were commissioned. Those commissioned as deacon were Janet Lynn Collinsworth, Paul Robert Maletic, and Susan Elaine Gorham Robb. Those commissioned for the work of an elder were John Dixon Baldwin, Abril Celeste Goforth, Alan Edward Hitt, Arthur Dyatt Jones, Elizabeth Linnea Kolander LaBella, Walter Arne Lunde, Jr., John Scott Melton, Monty Lyn Moore, Cheryl Bromwich Murphy, Nancy Ann Wilson Sherman, Edilson De Assis Volfe, Preston Wayne Weaver, and Jessica Kay Wright.

Two deacons and thirteen elders were received into membership in full connection. Paul David McKay and Caroline Elizabeth Noll were ordained deacons. Christinah Kwaramba was ordained deacon as a courtesy for The United Methodist Church in Zimbabwe. Judith Sarkozy Brandt, Veronica Lynn Greanead, Leslie Ann Herrscher, Ashleigh Metta Joyner, Sandra Annette Minor, Frank Edward Rahm, Paul Leinhardt Rasmussen, James Abram Smith, Jodi Sellars Smith, Carol Diane Sparks, DonnaLea Braun Sutton, Terri Sue Swan, and Christopher Neil Yost were ordained as elders.

Custer Road United Methodist Church hosted a reception following the service.

TUESDAY MORNING BUSINESS SESSION
June 9, 2009

Opening Song

John Thornburg led the members in "We Have Come Again" and "Big, Big Thing Jesus Doin' for Me," both from the Cameroon tradition.

Texas United Methodist College Association

Bishop Dan Solomon referred the conference to the workbook, to a list of students who have received Texas United Methodist College Association scholarships, and he brought greetings to the conference.

Board of Ordained Ministry

As Gary Mueller came to present the report of the Board of Ordained Ministry, Bishop Bledsoe commended him, thanked all members of the board, the district committees on ordained ministry

and asked all churches with someone who was commissioned or ordained the night before to stand. They were applauded for their work and time.

James Minor was called upon to present the certificate of specialized ministry to Rick Ostroski for specialized ministry with youth. Rick works with youth at First United Methodist Church, Allen.

Mueller then called upon Todd Harris, chair of the Division on Preparation and Qualifications. Harris brought on stage and honored the newly commissioned: deacon track, Janet Collinsworth, Paul Meletic, Susan Robb; elder track, John Baldwin, Abril Goforth, Alan Hitt, Arthur Jones, Elizabeth LaBella, Walt Lunde, Scott Melton, Monty Moore, Sheryl Murphy, Nancy Sherman, Ed Volfe, Preston Weaver, and Jessica Wright.

Each year, persons being ordained deacon or elder briefly address the conference. Harris said that the Division on Preparation and Qualifications examines each candidate thoroughly on the basis of his or her theology, proclamation, effectiveness, call to ministry, service and disciplined life. Harris called upon Debbie Chapman, vice-chair of the Division on Preparation and Qualifications to introduce those persons elected by the clergy of the conference for full membership in the conference and for ordination as deacon:

> **Caroline Noll** is a graduate of Texas A&M University with a Bachelor of Science degree, and holds a Master of Divinity degree from Perkins. She presently serves as an associate pastor at First United Methodist Church, Garland. She and husband Patrick are parents of a one-year-old son Bennett.
>
> Noll talked about the word grace, wondering what it meant as a child, knowing it must be good, coming to understand grace as the unmerited, unconditional love of God that comes before and that is for all of creation. She said that she had experienced grace and seen the face of Jesus through the people, that she serves as a deacon called to children's ministry so that the children today and tomorrow may come to claim that grace of God for themselves.
>
> **Paul D. McKay** is a graduate of the University of North Texas, with a Bachelor of Arts degree in journalism, and holds a Master of Divinity degree from Perkins. He presently serves in extension ministry in the Pastoral Care Department of Baylor Medical Center, Garland. He is married to Margo McKay and has four young adult children: Courtney, Megan, Amy and Adam.
>
> Accompanied onstage by his daughter Megan, McKay said that the conference could know him by logging on to Jitterbuggingforjesus.com. McKay expressed his thanks to Methodists everywhere for meaningful landmarks in his life. He brought with him his certificate of baptism, his prayer book he had received as a child, and a picture of his son Adam who is serving the country.

Todd Harris introduced those elected by the clergy of the conference for full membership in the conference and for ordination as elder:

> **Judith Sarkozy Brandt** graduate of Sul Ross University, Alpine, with a Bachelor of Arts degree in English, and a 2005 graduate of Perkins School of Theology with a Master of Divinity degree. She is a veteran of the United States Air Force, and is currently serving as pastor of Oak Grove United Methodist Church in Denton County. Judith is married to Kurt Martin Brandt, and they are the parents of Amy, Andrea and Anna, and the grandparents of one-year-old Jason.

Brandt began by saying, "Wow! This is so awesome!" It is awesome, she said, to know that so many have been on this journey, praying for her, encouraging her, sharing their experience, shaping her. She thanked God, her husband, her three daughters and her new grandson, repeating, "Wow! God is so awesome!"

Veronica Lynn Greanead is a graduate of Texas Women's University, Denton, with a Bachelor of Science degree and a 2002 graduate of Perkins School of Theology with a Master of Divinity degree. She presently serves as associate pastor at First United Methodist Church, Nocona. She is the mother of a teenage son Philip.

Greanead said that she was not trying to become the next conference statistician, but she praised God for the eight years of ministry and the five congregations she has served, the three districts and the four District Superintendents, and the seven mentor pastors who helped her along the journey.

She said that even if all of our hopes and dreams do not come true as we envision them, she believes that God has a great plan in store for the church and for faithful disciples, a plan greater than any we could ever hope or dream. She knows because she is a living witness of what God can do.

Leslie Ann Herrscher is a graduate of Dickinson University, Carlisle, Pennsylvania, with a Bachelor of Arts in Spanish and Latin American Studies, and a 2004 graduate of Perkins School of Theology with a Master of Divinity degree and certificate in Hispanic Ministries. She presently serves as an associate pastor at Custer Road United Methodist Church, Plano. She is married to William Thomas Herrscher. He brought to their marriage two young sons, William Otto and Jacob Thomas.

Speaking in support of the initiative to develop new and young leaders, Herrscher said that when she was a college freshman, the Rev. Dr. Karen Layman, senior pastor of the United Methodist church on her college campus, discerned her call; sponsored her to attend the United Methodist National Student Movement Forum; made arrangements with Dr. Socorro De Anda during Herrscher's senior year for her to experience Juarez, Mexican Methodism, and the Lydia Patterson Institute; and connected her with Perkins School of Theology.

She expressed gratitude for those who trust that God will complete the work and are willing to invest unconditionally in leadership develop and the promise of ministry. She invited members to pour themselves in others before they ask and thereby open doors for others to enter, follow, and claim how God is calling them.

Ashleigh Metta Joyner is a graduate of Texas A&M University, with a Bachelor of Arts degree and a 2005 graduate of Duke Divinity School, Durham, North Carolina, with a Master of Divinity degree. She is presently an associate pastor on the staff of First United Methodist Church, Coppell. Joyner previously served as a project manager in the business world and is single.

Joyner talked how humble some of the giants in preaching are. She learned that when she heard Archbishop Desmond Tutu tell the story about his daughter picking up her three-year-old son from school, only to find him signing autographs, like his grandfather. When she reminded him that his grandfather was famous, he asked, "What has he done?" Joyner thanked the Trinity – the Creator, Redeemer, and Sustainer; her family, and many others, including the three rural churches she served in North Carolina.

Sandra Annette Minor is a graduate of Triune Biblical University, Kelso, Washington, with a Bachelor of Arts degree in business administration, and a 2006 graduate of Perkins School of Theology, with a Master of Divinity degree. Minor is presently an associate pastor at Vista Ridge United Methodist Church, Lewisville. She is married to Rev. James Minor, an elder in the North Texas Conference. They are the parents of three adult children, Scott, Jackii and James, and proud grandparents of Darius, Shanice, Redmon, Haley and Nicholas.

Minor said that she has learned to trust in God's Word, to move with the Spirit of God, and to walk by faith and not so much by sight. She promised to stay before the throne of grace and mercy, listening to the heart of God, caring for the souls of God's people, holding them close to her heart while equipping them for discipleship.

Frank Edward Rahm is a graduate of the University of Texas, Austin, with a Bachelor of Arts degree in mathematics, and a 2005 graduate of Perkins School of theology with a Master of Divinity degree. He presently serves as an associate pastor at First United Methodist Church, Rockwall, as he works in partnership with that congregation to plant a new church in the area. He and wife Tracy Wilson Rahm are the parents of Emily and Caroline.

Rahm shared a seminary experience when he was to preach before a congregation of peers and professors and found that he was getting nervous. His friend counseled him to just preach the word, man! He said he could definitely do that. He could tell the story of what a difference Jesus has made in his life, on church members in times of joy and sorrow, and he could tell the story of the effect of the love of Jesus that he has seen on the faces of the people whose lives have been changed by Jesus. He advised everyone in the room to just preach the word, and sometimes, if necessary, even use words.

Paul Leinhardt Rasmussen is a graduate of Centenary College, Shreveport, Louisiana, with a Bachelor of Arts degree in history, a graduate of the University of Richmond, Richmond, Virginia, with a Master of Arts degree in sports marketing, and a graduate of Perkins School of Theology, with a Master of Divinity degree. He presently serves as an associate pastor on the staff of Highland Park United Methodist Church, Dallas. He and his wife Ashley Joel are parents of three young children, Paul, Jr., Arden, and Luke.

Rasmussen gave thanks for the grace he received from Bishop Moncure when he missed showing up for the vote at the clergy session to be commissioned. He remembered the hug that Bishop Rhymes Moncure gave him when he asked to meet with him after the clergy session, squeezing the life out of him and, at the same time, putting all the life back in him.

Rasmussen learned from Mark Craig that, in ministry, you have a choice – to be married to the model or married to the mission, and that you should choose the mission and never abandon the mission even if that means you must retool the model.

James Abram (Abe) Smith is a graduate of Baylor University, Waco, with a Bachelor of Science degree with study concentration in education and science, and a 2005 graduate of Perkins School of Theology with a Master of Divinity degree. He presently serves as an associate pastor on the staff of Christ United Methodist Church, Plano. James is married to Amy, and the couple has four young children, Abigail, Anna Beth, Addison, and James Abram.

Smith talked about the hours he spent commuting in traffic jams from home to school and back while he was attending seminary. When the traffic jams happened, he would try to find something to listen to on the radio. One day, on a Sunday, he realized there was no traffic jam. As he was thanking God for this, God spoke to him with a punch. He was to be the creator of traffic jams, people lined up on Sundays anxious to get to church. Now, in traffic jams, Smith prays for everyone to be creators of traffic jams.

Jodi Kay Sellars Smith is a graduate of the University of Texas, Austin, with a Bachelor of Arts degree and a Bachelor of Business Administration degree in government and accounting, and a 2004 graduate of Perkins School of Theology, with a Master of Divinity degree. She is presently pastor of First United Methodist Church, Celina. Jodi and husband Steven are parents of three young adult children, Ryan, Clayton, and Jessica.

Smith recalled a recent Sunday when she was confirming five youth in her congregation, thinking that this was the beginning for them. She said that same thought was with her the previous night as Bishop Bledsoe ordained her to go forth and take authority. She felt like this was really the beginning for her. She referenced Hebrews 12, saying that she was surrounded by so great a cloud of witnesses and prayed that all would run with perseverance the race that is set before them.

Carol Diane Sparks is a graduate of Northeast Louisiana State University (now the University of Louisiana at Monroe), Monroe, Louisiana, with a Bachelor of Arts degree in general studies, and a 2004 graduate of Perkins School of Theology, with a Master of Divinity degree. She presently serves as an associate pastor at Flower Mound United Methodist Church, Flower Mound. She is the mother of two children, Chelsea and Shelbey.

Sparks said she would like to apologize in advance for the moments when she forgets a name, steamrolls with her zeal, and becomes impatient with timelines and committees. She said she did not apologize for sharing in authentic relationships. She said that she was no more nor more less than anyone else in the conference or in her church. Rather she stands ready to join arms with everyone so that together they can change the world in the name of Christ.

DonnaLea Braun Sutton is a graduate of Dallas Christian College, with a Bachelor of Science degree in ministry and leadership, and a 2003 graduate of Perkins School of Theology, with a Master of Divinity degree. She presently serves as an associate at Wylie United Methodist Church, Wylie. She and her husband, Steven, are parents of three children, Jacob, Camille and Andrew.

Sutton told of the little boy who prayed, "Our father, who art in heaven, how did you know my name?" She wondered how God knew her name, and she thanked the clergy for their help and the laity for listening to bad sermons, fumbled liturgy, and awkward questions during Bible studies. She thanked God for knowing her name and calling her into service, and trusting her to preach the Good News, visit the sick, and walk in love each day. Her greatest hope is that the most powerful sermon she will ever preach will be the life she lives and the love she shows for Christ.

Terri Sue Swan is a graduate of Texas A&M University, Commerce, with a Bachelor of Science degree in counseling, and a 2006 graduate of Perkins School of Theology with a Master of Divinity degree. She presently serves as an associate pastor at Stonebridge

United Methodist Church, McKinney. Terri and her husband Joe have two daughters, Holly and Laura.

Swan talked about the advantages of her long journey and the many people who have supported and encouraged her as well as the church family of Stonebridge United Methodist Church who raised her up as a pastor. She closed with the words of the apostle Paul. "I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy…" She is taking a new turn in her journey and serving in St. Louis, Missouri, but reminded her partners in Christ that "Swannie will be praying for you."

Christopher Neil Yost is a graduate of Dallas Baptist University with a Bachelor of Arts and Science degree in Christian ministry and nuclear engineering, and a 2005 graduate of Perkins School of Theology, with a Master of Divinity. He presently serves as pastor of First United Methodist Church, Henrietta. Christopher and his wife Melissa are the parents of three young children, Emma, Caleb and Heidi.

Yost said that he switched off nuclear power for eternal power. He said that he felt like the least of the apostles. He was grateful to many, and to Joerg Rieger, for spending time with him on the streets of Germany and making his call into ministry make sense.

After hearing from all the newly ordained, Gary Mueller said that he had a few words for them. "You have done good!"

Southern Methodist University and Perkins School of Theology

Dr. William B. Lawrence, Dean of Perkins School of Theology, reported that Dr. Steve Rankin has been assigned as the new chaplain of Perkins. Lawrence said that not everyone who answers the call to ordained ministry is summoned to the office of the President to defend a sermon. Christinah Kwarambah, a Perkins student, ordained deacon last evening as a courtesy to Zimbabwe East, was summoned to defend her sermon, to which she responded, "I don't defend sermons. I just preach them." She did just that.

Lawrence reported that of the 400 students enrolled at Perkins, 70% are United Methodist, 54% are women, and 26% are ethnic minority. He highlighted future opportunities, such as Exploration 2009 on November 13-14, in Dallas, with an emphasis on identifying, recruiting, and inviting high school youth and college-age young adults to explore their calls. He reminded the conference that babies baptized this spring and summer would be entering seminary in 2030.

Lawrence announced that the scholarship budget is up 12%, and he invited all to join him on September 11 at the dedication of the renovated Kirby and Selecman buildings which now have elevators and an adequate number of restrooms. Lawrence said that two weeks ago, he sat in a pew with Bishop Bledsoe, celebrating the life of Elizabeth Perkins Prothro, benefactor of Perkins, former trustee of SMU, disciple of Jesus Christ who did all that she could to transform the world. The new building that is dedicated on September 11 will be in honor of Prothro whose parents spearheaded desegregation of SMU with the admittance of five Perkins African-American students. One of those first five, Rev. Cecil Williams, will be honored as the SMU Distinguished Alumni this year.

Methodist Mission Home

Jennifer Sample from the Methodist Mission Home showed a brief DVD presentation on Methodist Mission Home. She thanked the North Texas Conference and reminded them that the Methodist

Mission Home does not receive money from apportionments; rather, they rely on offerings taken to support the Home. Her report was received by acclamation.

Council on Finance and Administration

Bill Baxley presented the CF&A report including the 2010 apportionment budget. The vote was then taken on the three parts of the legislative item as presented and each was approved. (See Section IX. LEGISLATIVE ITEMS **[LA 21]**).

Courtesies and Resolutions

Shante Buckley reported for the courtesies and resolutions committee, requesting prayer for Libby Inglis, who fell on Monday at the conference center. Trevor Swearingen, First United Methodist Church, Rowlett, was recognized as having received his Eagle Scout Award, which included building an altar for the Deaf Fellowship of Lovers Lane United Methodist Church. Trevor, a young deaf man, serves on the United Methodist Committee on Ministries with Deaf, Late-Deafed, Hard of Hearing and Deaf-Blind People. He is eighteen-years-old.

Bishop Bledsoe called upon Paul Goodrich to close in prayer.

Memorial Service

The 2009 Annual Conference memorial service honored the memories of five clergy and twelve clergy spouses. Bishop Bledsoe led the Call to Worship and family members of those being honored processed to the hymn, "Shall We Gather at the River" and took seats reserved for them in the front rows. A litany was led by Allika Williams and Syan Hinnant.

Scriptures were read by Reverend Beverly Olsen and Reverend Seong Joon Park, and then as conference secretary, Judith Reedy, read each of the names as an ordinand brought a white rose and placed it in the vase on the altar. With the reading of each name, persons in the congregation whose lives were touched by that minister or spouse stood in tribute. The persons being remembered were:

Clergy – John W. Morphis, Jr., Russell Noland, Kathleen Baskin-Ball, DeForrest Wiksten, and John Van Zant

Clergy Spouses – Clara Reese Topper, Barbara Beights, Elvesta Staats, Florence Campbell, Tru Dianne Finnin, Ruth Cooper, Thelma Goodrich, Nancy Oliphint, Mary Stell Chappell, Sibyl Penn, Amy Cajiuat, and Barbara Scott Hares

Reverend Dr. Larry George's memorial sermon, "It Ends in Joy," focused on Micah 6:8 – "…and what does the Lord require of you, but to do justice, to love kindness, and to walk humbly with your God." Quoting from Barbara Brown Taylor's *Bread for Angels*, Dr. George said, "It is our life together that makes us Christ's Body – a mysterious organism that is much more than a collection of individuals." He said that Rev. Taylor's words were for those gathered today in the solitariness of their sorrow, held in one another's arms, glimpsing the light of eternity as the very Body of Christ and that because this good life begins, is sustained by and ultimately returns to God, we can in faith proclaim: It ends in joy!

Dr. George eulogized by name each of the departed, saying that they were ones who understood that the world is changed, lives are saved, and hope is born through the consistent witness of those disciples who do justice, and love kindness, and walk humbly with their God.

The service concluded with a memorial prayer led by Reverend Vivian Crowson. Following the closing hymn, "For All the Saints," Bishop Bledsoe pronounced the benediction.

TUESDAY AFTERNOON BUSINESS SESSION

Bishop Bledsoe invited Bishop Monk Bryan to address the Annual Conference. Bishop Bryan said that his father who was a pastor taught him always to keep your love for the Annual Conference strong. He shared his love and thanks for the North Texas Annual Conference from him and his wife Twila.

Bishop Bledsoe invited Steve Rankin, new chaplain at Perkins, to share a word of greeting with the conference. Paul Gould offered the prayer for the afternoon session.

Board of Ministry Report - Retiring Clergy

Dennis Wilkinson, chair of the Conference Relations Committee, reminded us that we are beneficiaries of those who have gone before us. Today we are especially reminded of that as we hear from our retiring clergy. Wilkinson stated that members of the committee – Donna Whitehead, Jill Jackson-Sears, Dick Wilson, and Sally Vonner - would share in the introductions of the thirteen clergy persons who were retiring. Those are Keith Cupples, Craig Emerick, Doyle Henderson, Dwight Judy, Susanne Orman, Walt Purkey, Duane VanGiesen, Bob Walker, Phyllis Wilson, Jayne Coffman Wolfe, Paul Bailey, Charles Hahn, and Bob Sivils.

James Keith Cupples served 36 years He grew up in this conference, was well known as an athlete, attended SMU, went to the Oklahoma conference but returned to serve in the North Texas Conference. Cupples is retiring to become involved in another calling. He is married to Christy Thomas, and they are a clergy couple.

Cupples said the retirees had received their instructions to limit their talks to three minutes but that they had taken a vote and decided each to give the full twenty-minute sermon! Always give thanks, he said, referencing Colossians 3:15b. He gave thanks for his parents Jim and Billie Fred, standing in that great cloud of witnesses today. His dad found a place for him to get involved in church as a young adult. He gave thanks for his colleagues, Goody and Donnie, and those like W. Richie Hogg who have given him God's grace. He thanked his wife Christy and the churches where he has served. He closed by singing his childhood favorite Roy Rogers and Dale Evans' closing song, "Happy Trails."

Craig Lewis Emerick has served 42 years. Emerick received his Master of Divinity and Doctorate of Divinity from Perkins. He has served for 39 years in extension ministry as faculty of Course of Study at Perkins and associate director of the intern program at Perkins. Emerick is married to Trudy, and they have two children and a grandson.

Emerick said that he and Trudy have discovered over the years, in good times and in hard times, especially in the hard times, that gratitude is their deepest response – for the way God's unbounded Grace keeps showing up in their lives and for the presence of the Risen Lord in their lives. He said that he has team-taught a Doctorate of Ministry course at Garrett Seminary over the years and will continue coaching and consulting for what he has come to call his work – "The Deeper Work of Leaders," the work of helping leaders

re-connect their outward role with their soul and draw from the deep springs of Christian spirituality.

Emerick said his deepest gratitude is to be a part of the Body of Christ with his friends and colleagues in this Annual Conference. "Praise God from whom all blessings flow!"

Doyle Henderson has served 40 years. He was born in Muenster, Texas. Doyle received his Master of Divinity at Brite Seminary and has served in both the Central Conference and the North Texas Conference. Doyle is married to Lisa. They will live in Whitesboro after retirement and will be helping at the Sadler church as well as enjoying their family.

Henderson spoke of having served in parts of five different decades, meeting his wife during those first years. He mentioned many of the influential factors on their lives, and said that he was probably more of the Forrest Gump type, knowing when to take a break at Annual Conference and who the interesting speakers are.

He said as his farewell reception was happening, and he heard all the wonderful things they said about him, he got to thinking about one of those Saturday Night Live sayings, "Well, isn't that special?" He said not to let ego get in the way of ministry. He said he was greatly honored to have served all the churches in both conferences; he has had a great ministry and career.

Dwight Judy is married to Ruth. He received his Ph.D. from Institute of Transpersonal Psychology and has led numerous leadership and spiritual retreats. He is presently serving at Garrett Theological Seminary in Illinois and plans to continue for a few years.

He said that he once thought to himself in the mid-70's that he would not be in extension ministry, but he wrote and wondered in his journal if he could be a contemplative and a United Methodist minister. He has been working in the area of spiritual formation. The great occasion that occurred in his career was working with colleagues at Garrett toward developing the program of spiritual formation at Garrett where he will continue to serve.

He spoke highly of extension ministry and his delight to be able to celebrate forty-one years of ministry.

Susanne Orman served for 13 years. Susanne is a doer and a contributor. She and her husband Don were recently recognized for their volunteer service in both Forney and Mesquite. She and her husband are traveling and spending time with their son, daughter-in-law and two-year-old granddaughter.

Orman said that she had just been given her marching orders to stay at three minutes and be funny. She then proceeded to tell about the time she found a squirrel in the toilet at Wolfe City and had to call the veterinarian who showed up to fish the squirrel out of the toilet. When Orman asked him not to let the squirrel go since it was cold, but two blocks down the street, the squirrel got active, so the veterinarian let him out in front of the Baptist church!

She then spoke of what has become dear to her heart – the Brickyard Cemetery Restoration Project, a project restoring desecrated gravesites at an old Dallas brickyard where black folks were buried. She invited those who were interested to participate. She said it was not an issue of guilt; it was a matter of justice, and we are called to do justice.

Walter Purkey, with 35 years of service, was recognized by Dick Wilson. He was on a trip with his family and unable to attend, but Purkey said that he was grateful for his years in ministry.

Duane VanGiesen, with 43 years of service, is married to Lana. VanGiesen has served in the Missouri East Annual Conference, served as district superintendent and in many leadership roles. He and Lana moved to Dallas to be with their daughter and granddaughter. Sadly, their daughter died seven years ago, but they still celebrate her life through their granddaughter. Duane currently serves at the Conference Ministry Center and will continue working part-time to help the Board of Ordained Ministry.

"Inside any older person is a younger person wondering what the heck happened." VanGiesen said he knew what happened, because he took his first appointment as a sophomore in college 48 years ago. At Hendrix College, the tenor next to him was Justin Tull, and the alto who was singing with him at the 1964 General Conference in Pittsburgh, Pennsylvania, became his wife.

He talked about his wonderful marriage and said that Lana had always spoken the truth to him in love. He cited several examples, including the sermon on radio which he had considered powerful, only to be told by Lana that he had continued to announce that "God had rolled the tomb away from the stone."

VanGiesen thanked the Missouri East Conference as well as the North Texas Conference and the Conference staff with whom he has worked the last five years. He concluded by saying, he was thankful to be needed still. "Keep the notes coming. I will be there to help. God bless."

Bob Walker, with 31 years of service, was unable to be present, but Donna Whitehead shared his thanks to the conference for their love and support over the years.

Phyllis Wilson has eleven years of service as a deacon and eighteen years of service as a diaconal. She is looking forward to spending more time with her grandchildren.

She began by taking a survey of those who have been to Alaska and those who have driven to Alaska. Some people do not know you can drive to Alaska because when they look on the weather map, Alaska is down at the bottom, and people think it is an island. She has just driven to Alaska – 10,453 miles, 100 of those without seeing another car or person.

She said a big "thank you" to the conference for the years that she has served at St. Marks and at Lovers Lane and at First United Methodist in Cedar Hill. She especially thanked all the children and young people she has had a chance to work with and who now are going on to serve. She expressed gratitude to the nine senior pastors with whom she has served. She has enjoyed visiting many of the churches in the conference this last year, seeing the many exciting things that are happening. She said she would be happy to fill in between traveling and taking care of her three wonderful grandchildren.

Jayne Coffman Wolfe, with 11 years of service, and 17 years as a diaconal, has had a ministry called REACH, a ministry with adults living with disabilities. Before that, she was a teacher of Special Education. She has three children, five grandchildren and three great-grandchildren.

She said she did not get the memo about telling jokes and being funny. Instead, she said the conference would hear about how sacred the work with which she has been blessed has been. Her ministry has been with all ages of persons living with disabilities. She told the conference how "sacred" it has been to work in extension ministry. Each day, she said, has its sacredness. Her grandson's call this morning was her most sacred moment of the day. God's plans for her life have blessed her. Given little hope that Jayne would live as a baby, her mother and aunt took her home, fed and cared for her twenty-four hours a day and then insisted she go out and do things.

Wolfe gave credit to her sister in ministry who has helped her care for so many different persons living with disabilities. She said they would continue to do that for Chad, an adult with disabilities, who was present as a guest as Wolfe spoke. Wolfe said that she and her sister take care of Chad every day and that tomorrow, when the conference is over, they will continue to take care of Chad and she would continue to give thanks for her mother every day of her life.

Paul Bailey, with three years of service, has served in many churches in the Paris-Sulphur Springs District. Bailey said that he felt a bit like George Strait in his recent appearance. He said it feels like you think I am leaving, but I am not leaving. He said he truly enjoys serving in the ministry. He said that before he came to conference, he was with his grandson Jackson who said, "Don't say too many words, because they may not like it, like I sometimes don't." He said he was going to take his grandson's advice and just leave everyone with a word from Jesus: "Freely you have received. Freely give." Bailey said he planned to continue doing just that.

Charles Hahn, with 11 years of service, had a first career in the military for 29 years. He met his wife on a Walk to Emmaus. She was the piano player. He said that God has done a great thing for them. Together they have eight children.

Hahn said that he was looking forward to this being his last move. He said that the church is a work place and not a place of rest and that we all have talents that we need to use to make the church better. He thought of the time when a member of his church asked if her daughter could sign the next Sunday service. He said that would be good, because the congregation could see just what signing was all about. That was the only time in six years they ever did the signing. That Sunday they had an out-of-town visitor who came to church with her family. She was deaf. That was just one example of being shown who is really in charge.

Hahn and his wife Joyce wished God's love and grace for everyone in the conference.

Bob Sivils, with six years of service, is married to Dr. Linda Sivils. Sivils plans to spend more time with his wife in Colorado, snow skiing, boating, and going to musicals. He has most recently served Poetry United Methodist Church.

Sivils said that he was a Baptist minister who realized that he was in the wrong church and had been to the wrong seminary. He said that was difficult to explain to a District Committee on Ordained Ministry. Sivils said he was surprised that he was supposed to limit his speech to two minutes because that was twice as long as his average sermon. He closed by asking everyone to turn to the gospel of Paul, paused, and then quoted from Timothy and thanked everyone for their support.

Bishop Bledsoe called for a standing ovation for the retiring clergy.

Strategic Planning Team

John Fiedler, member of the Strategic Planning Team, invited the members of the team to join him behind the podium, and he referred the conference to legislative item number twenty-two **[LA 22]**, "Affirming the Work of the Strategic Planning Team." Fiedler said that because Bishop Bledsoe believes that God does have a vision for the churches of the North Texas Conference, he created a Strategic Planning Team to listen to the hopes, dreams and ideas of the people of the North Texas Conference and to shape those thoughts into a strategic plan for the conference.

It is clear that the church's mission is to make disciples of Jesus Christ for the transformation of the world, and it is clear on the grassroots priorities that are laid out in four focus areas as we seek to be fruitful in making disciples. These four areas are:

Developing principled Christian leaders for the church and the world.
Creating new places for new people and transforming existing congregations.
Engaging in ministry with the poor.
Combating the disease of poverty by improving health globally.

Statements from Hopes and Dreams cards already completed were then read by various members of the Strategic Planning Team, in answer to the statement, "I believe that God is leading us to be a church that….." The Strategic Planning Team will continue to meet throughout the next year with the charge of bringing to the 2010 Annual Conference its recommendations. The motion was seconded and approved.

Constitutional Amendments

Gary Mueller, on behalf of the General Conference delegation, explained the process for voting, those eligible to vote, and offered a motion to structure debate concerning constitutional amendments. That structure would include voting on the amendments in sections that are almost identical in intent and limiting the number of speeches "for" and "against" as well as a limit of two minutes per speech. Motion carried.

Mark Craig moved for a reconsideration of the motion so that the conference could bypass debates and go directly to a vote. Motion was seconded but failed.

Results of the voting were reported after close of conference and were posted on the conference website. Those results were reported to the Council of Bishops: Amendment 1 (295 for, 385 against, 12 abstained); Amendment II (117 for, 570 against, 15 abstained); Amendment III (290 for, 392 against, 15 abstained); Amendment IV (238 for, 456 against, 10 abstained); Amendment V (317 for, 367 against, 15 abstained); Amendment VI (406 for, 271 against, 29 abstained); Amendment VII (318 for, 367 against, 14 abstained); Amendment VIII (572 for, 123 against, 9 abstained); Amendment IX (538 for, 131 against, 35 abstained); Amendment X (252 for, 442 against, 10 abstained); Amendment XI (317 for, 370 against, 13 abstained); Amendment XII (319 for, 366 against, 14 abstained); Amendment XIII (251 for, 442 against, 12 abstained); Amendment XIV (319 for, 368 against, 14 abstained); Amendment XV (298 for, 410 against, 7 abstained); Amendment XVI (320 for, 366 against, 14 abstained); Amendment XVII (506 for, 180 against, 16 abstained); Amendment XVIII (319 for, 367 against, 14 abstained); Amendment XIX (552 for, 141 against, 7 abstained); Amendment XX (317 for, 366 against, 15 abstained); Amendment XXI (318 for, 366 against, 16 abstained); Amendment XXII (643 for, 44 against, 16 abstained); Amendment XXIII (246 for, 447 against, 12 abstained); Amendment XXIV (318 for, 367 against, 15 abstained); Amendment XXV (320 for, 358 against, 14 abstained); Amendment XXVI (249 for, 443 against, 12 abstained) Amendment XXVII (320 for, 358 against, 14 abstained); Amendment XXVIII (321

The deciding factor will be which amendments achieve a 2/3 majority affirmative vote of the aggregate number of members of the several annual conferences present and voting. (United Methodist Discipline, Paragraph 59, Article I.)

PROPOSED AMENDMENT TO THE STANDING RULES OF THE NORTH TEXAS CONFERENCE

FROM: Standing Rules Committee, NTC Extended Cabinet, Board of Pension and Health Benefits and Board of Ordained Ministry

BACKGROUND: It became clear that we need to change the effective date for Annual Conference moves and clergy retirements from June 1 to July 1 after we changed the beginning date of Annual Conference to the second week in June to accommodate the change in the Texas school calendar in 2008.

Our longstanding policy has been for a moving pastor to return to the church s/he is leaving for one Sunday following the completion of Annual Conference. With the official moving day being the Thursday following that Sunday after Annual Conference and the first Sunday at the new appointment being the next Sunday, it was obvious that the current effective date of June 1 was too far in advance of the actual time of moving. Because the effective date determines when the receiving church begins paying the salary, pension and health insurance for the new pastor (and stops paying them for the previous pastor), confusion and difficulties resulted both for the churches and for those moving. In 2008 the receiving church was instructed to pay the salary, pension and health insurance for their new pastor effective June 1 although the first Sunday in that appointment was not until June 22. Reimbursement accounts were to change on June 16. Housing allowances for June were to be negotiated between the pastors and the churches by the District Superintendents. June compensation for those clergy retiring also had to be negotiated (even though they received their pension checks for June on June 1).

Changing the effective date for Annual Conference moves and clergy retirements from June 1 to July 1 and changing the official moving day to the Thursday after the last Sunday in June, with the first Sunday at the new appointment being the first Sunday in July, will resolve these issues.

RELATED ACTIONS AND RELEVANT CITATIONS:

1. The Extended Cabinet at their meeting on September 15, 2008 changed the official moving day for Annual Conference moves to the Thursday after the last Sunday in June and the first Sunday at the new appointment for Annual Conference moves to the first Sunday in July.

2. The Extended Cabinet instructed the Director of Administration/Treasurer/Benefits Officer to notify the GBOPHB, as required, that the North Texas Conference will change to a July 1 effective date for Annual Conference moves and clergy retirements beginning in 2009, with the understanding that Board of Ministry and Committee on Standing Rules approval would be sought and appropriate legislation would be presented to the 2009 Annual Conference session for 2009 implementation.

3. The 2008 *Book of Discipline* ¶358.2 (e), p. 278f. states: "The annual conference, at its discretion, upon joint recommendation of the board of ordained ministry and the conference board of pensions, may designate any time within the ensuing conference year as the effective date of retirement of a clergy member. . ."

4. The conference Board of Pension and Health Benefits approved the change to a July 1 effective date for Annual Conference moves and clergy retirements at their meeting on September 8, 2008.

5. The Board of Ordained Ministry approved the change to a July 1 effective date for Annual Conference moves and clergy retirements at their meeting on January 12, 2009.

6. The NTC Standing Rules, 2008 *Journal*, II.A.2, p. 262 state: "When a pastoral change comes at Annual Conference, the salary of the previous appointment shall be paid through May 31, and the salary in the new appointment shall begin June 1." Therefore, the Standing Rules Committee presents the following proposed legislation to the 2009 Annual Conference.

LEGISLATION: Amend section II (A) [POLICIES OF THE ANNUAL CONFERENCE, FINANCIAL PRACTICES], p. 262, *2008 Journal*, as follows:

Delete the last two sentences of II (A) 2 which read: "The only exception to this shall be the salaries of the clergy serving as pastors or District Superintendents. When a pastoral change comes at Annual Conference, the salary of the previous appointment shall be paid through May 31, and the salary in the new appointment shall begin June 1." (These two sentences are out of order and do not fit with the subject of the paragraph, "Apportionments to be made based on Conference Fiscal Year.")

Add a new II (A) 11 which would read as follows: "The effective date for Annual Conference moves and clergy retirements is July 1. Thus when a pastoral change comes at Annual Conference, the salary of the previous appointment shall be paid through June 30, and the salary in the new appointment shall begin July 1."

RESOLUTION TO DESIGNATE RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED CLERGYPERSONS OF THE NORTH TEXAS CONFERENCE

FROM: Board of Pension and Health Benefits

BACKGROUND: To be in compliance with Internal Revenue Service Revenue Ruling 75-22, 1975-1,49, as it relates to clergy housing, the North Texas Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference:

LEGISLATION: **Whereas**, the religious denomination known as The United Methodist Church (the "Church"), of which the North Texas Conference is a part, has in the past functioned and continues to function through Ministers of the Gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned or licensed ministers of the Church ("Clergypersons"); and

Whereas, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation; and

Whereas, pensions or other amounts paid to active, retired and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired and disabled Clergypersons in consideration of previous active service; and

Whereas, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation:

Now, Therefore, Be It Resolved:

That an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during the year 2010 by each active, retired, or disabled Clergyperson who is or was a member of the Conference or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

That the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired or disabled Clergyperson's pension or disability as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107 (2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the Clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

PRE-1982 SERVICE YEAR RATE FOR 2010

FROM: Board of Pension and Health Benefits

BACKGROUND: Paragraph 1506.7 of the *2008 Discipline* recommends that the past service annuity rate for ministerial service rendered before 1982 be not less than 1% of the Conference Average Compensation (CAC) as calculated by the General Board of Pension and Health Benefits. In 1999 the North Texas Conference adopted 1% of the Conference Average Compensation as its policy for setting the annual pre-1982 service year rate. For 2010 the CAC is $69,370. Thus, the Board of Pension and Health Benefits recommends that 1% of that or $694 be the past service rate for 2010.

LEGISLATION: That the pre-1982 Service Year Rate for 2010 be established at $694 for approved service of clergy members in full connection, probationary members, associate members and local pastors of the conference.

2009 FORMAL PRE-82 PENSION LIABILITY FUNDING PLAN

FROM: Board of Pension and Health Benefits

BACKGROUND: Paragraph 1506.8 of the 2008 *Discipline* requires the updating of a formal annual funding plan which has been approved by the Annual Conference and the General Board of Pension and Health Benefits (GBOPHB) for the conference's pre-82 pension liability.

The funding plan below is an update of the funding plan which has been in place since 1995 and was incorporated into the legislation adopted by the 2002, 2006 and 2008 Annual Conference sessions as part of our Retiree Medical Liability Funding Plan. It has been approved by GBOPHB.

The valuation of this funding plan will fluctuate each year. In addition to increases or decreases in assets due to stock market fluctuation, GBOPHB actuarial changes also increase or decrease the present value of benefits due.

NOTE: The funding plan below does not take into account the decrease of assets resulting from the market decline which began in fall 2008. While no contribution will be required in 2009 or 2010, we have been notified by the General Board of Pension and Health Benefits that an additional annual contribution initially estimated as $1,069,000 for the Pre-82 Plan may be required beginning in 2011 due to the decrease of the assets in the plan due to the market decline. Discussion is continuing throughout the denomination and various ways of addressing the shortfalls are being considered. The plan below also makes use of previous assumptions. When this plan is next considered, the decrease of assets will be reflected and all assumptions will be examined for future viability and sustainability.

LEGISLATION: North Texas Annual Conference Funding Plan for Supplement One to the Clergy Retirement Security Program as of January 1, 2009

The 2009 Past Service Rate (PSR) is $683, or 1.0% of Conference Average Compensation (CAC). The present assumption is that the Conference intends to maintain the PSR at 1.0% of CAC. For the past several years, CAC has increased by an average of 4.5% per year, and it is assumed in this plan that future PSRs will increase by an average of about 4.5% per year.

The conference will fund the benefits through annual contributions as needed from the Conference Deposit Accounts at the General Board of Pension and Health Benefits and apportionments to be designated for Supplement One (Annual Past Service Deposit) through 2021. No contribution is anticipated for 2009.

Believing in the spring of 2008 that the Pre-1982 Pension Liability was funded to a sufficient level to protect against the necessity of unexpected future contributions, which could be required because of market and/or demographic fluctuations, it was decided to transfer $4.3 million from the conference's Pre-82 Pensions Deposit Account at GBOPHB to the conference's Retiree Medical Deposit Account at GBOPHB on December 31, 2008 and the Past Service Funding apportionment was switched from Pre-82 Pensions to Retiree Medical Liability in 2009 and reduced from $1,717,649 to $784,000. As a safeguard in the event of the need for additional funding of pre-82 pensions or for MPP annuities or for the required CRSP Defined Benefit contributions, the two previous apportionments to fund the NTC BOPHB (Board of Pensions and Insurance Subsidies) were combined beginning in 2009 to recognize that they are closely related and allow for transferring funds between the pension liability and the retiree medical liability if needed.

The funding plan as of January 1, 2009 is summarized below.

	Present Value of Benefits*	Funding: Current Assets**	Funding: Present Value of Future Contributions
Supplement One (4.5% COL)	$32,624,122	$28,214,623	
Funded Status as of 1/1/07	($4,409,499)		
Contribution Basis as of 1/1/09	($3,626,439)		
Conference Deposit Account		$2,865,555	
Transfers or Apportionments***			$760,884
Subtotal	($3,626,439)	$2,865,555	$760,884
TOTAL	($3,626,439)	$3,626,439	

*Assuming 7.0% interest and the RP 2000 Mortality Table
**This funding plan does not take into account the decrease of assets resulting from the market decline which began in fall 2008. That will be addressed in the 2010 funding plan.
***The conference may transfer Past Service funds now in a Retiree Medical Deposit Account at GBOPHB back to the Pre-82 Pension Liability and/or transfer future Past Service funding apportionments back to the Pre-82 Pension Liability and/or begin an additional apportionment to meet future contribution requirements.

2010 BOPHB BUDGET

FROM: Board of Pension and Health Benefits

BACKGROUND: The two previous apportionments to fund the work of the Board of Pension and Health Benefits (Insurance Subsidies and Board of Pensions) were combined beginning in 2009 to recognize that they are closely related and allow for transferring funds between the two areas as needed. The proposed 2010 apportionment budget request reflects the plans included in previous legislation regarding Clergy Retirement Security Plan (CRSP) funding, Pre-1982 Service Year Rate for 2010 and the 2009 Pre-82 Pension Liability and Retiree Medical Liability Funding Plans. The notes following each of the two apportionments offer further explanation.

LEGISLATION:

PENSIONS

Pre-1982 Years Service (Unfunded Liability) 0 (1)

Comprehensive Protection Plan (CPP)	618,000 (2)
CRSP Supplement	0 (3)
Operating Expenses	12,000
Sub-Total	$630,000 (4)

(1) While nothing will be required in 2010, we have been notified that an additional contribution initially estimated as $1,069,000 may be required in 2011 due to the decline of the assets in the plan.

(2) CPP provides life insurance and long-term incapacity insurance for those clergy participating in the pension program. This is a decrease of $12,000 or 1.9% over the amount budgeted for 2009 ($630,000). It is based on an expenditure of $591,322 in 2008, an anticipated expenditure of $600,000 in 2009 (actual pastoral salaries received X the 3% CPP charge), and an anticipated 3% increase in 2010. The apportionment payout in 2009 will determine if there is a beginning balance remaining which can be applied to this amount.

(3) The CRSP Supplement provides supplements for churches under the Denominational Average Compensation and covers pastors on incapacity leave and provides a small amount for uncollectable premiums. Nothing was budgeted for this in 2009 due to a large beginning balance to spend down. The expenditure in 2008 was $98,964 and the anticipated cost in 2009 is approximately $115,000. It is anticipated that the 2010 cost will be approximately the same. As stated in the 2009 budget request, we will continue to spend down the beginning balance in 2010 and nothing additional is requested in this budget.

(4) The Sub-Total is a decrease of $12,000 or approximately 1.9% from the 2009 amount budgeted of $642,000.

HEALTH INSURANCE SUBSIDIES

Appointees Subsidies	$ 0 (1)
Dependents Subsidies	$ 0 (2)
Retirees Medical Benefits	
Current Year Cash Basis Premium Benefits	$ 517,800 (3)
Past Service Funding	$ 784,000 (4)
Retiree Medical Liability for Current Retirees & Actives and Spouses	$ 0 (5)
Retiree Medical for New Entrants	$ 213,000 (6)
Sub-Total	$1,514,800 (7)
TOTAL	$2,144,800 (8)

(1) $61,155 was expended on this in 2008. $75,000 was budgeted for 2009. The preliminary premium increases for 2010 are 12%. However, it is proposed to spend down available health insurance reserves for this item.

(2) $6,302 was expended on this in 2008. $10,000 is budgeted in 2009. The preliminary premium increases for 2010 are 12%. However, it is proposed to spend down available health insurance reserves for this item.

(3) $590,455 was expended on this in 2008. The anticipated cost in 2009 was estimated to be $667,800, which was reduced in the 2009 apportionment budget by the use of $75,000 in Medicare Part D subsidy and $75,000 in health insurance reserves resulting in the 2009 budget of $517,800. The preliminary premium increases for 2010 are 8.8%. This request is for no increase and assumes that beginning balance or health insurance reserves will be used in 2010.

(4) The Retiree Medical Liability funding plan updated by the 2008 Annual Conference session shifted the Past Service Funding apportionment at this level from Pre-82 Pensions to the Retiree Medical Liability beginning in 2009 and continuing until that liability is fully funded.

(5) The Retiree Medical Liability funding plan updated by the 2008 Annual Conference session called for this item which was budgeted at $120,000 in 2008 to be eliminated when the Past Service Funding apportionment was shifted from Pre-82 Pensions to the Retiree Medical Liability, which occurred in 2009.

(6) The Retiree Medical Liability funding plan updated by the 2008 Annual Conference session calls for this item to be frozen at $213,000 until the Pre-82 Pension Plan and the Retiree Medical Liability are fully funded and the Past Service Funding apportionment is eliminated.

(7) The Sub-Total is a decrease of $85,000 or 5.3%.

(8) The TOTAL is a decrease of $97,000 or 4.3%.

LEGISLATION: The North Texas Conference Board of Trustees recommends the discontinuance of the Munger Place UMC. The Conference Board of Trustees will transfer title to the property to Highland Park UMC for a new ministry.

EQUITABLE COMPENSATION ANNUAL DETERMINATION

FROM: Commission on Equitable Compensation

BACKGROUND: The Commission on Equitable Compensation and the Cabinet of the North Texas Conference have for many years understood the primary purpose of Equitable Compensation Pastors Subsidies funds to be to assist local churches in moving from part-time pastoral positions to full-time pastoral positions. Thus, these funds are meant to be transitional funds and not long-term subsidies. In making its recommendation for the minimum Equitable Compensation each year, the Commission takes into consideration not only the appropriate minimum level compensation for the full-time clergy of the conference but also the needs of the churches that are determining whether they can afford a full-time pastor or not.

LEGISLATION: The Commission on Equitable Compensation requests that Pastors Subsidies Equitable Compensation support and administrative expenses be apportioned at $85,000 for 2010.

(NOTE: The total apportionment request has not changed since a significant beginning balance is anticipated for 2010 and the Commission is in the process of spending that down. The reason for the accumulation of the balance is that the Appointive Cabinet has worked hard in recent years to limit Equitable Compensation grants to churches in the process of moving from part-time to full-time, which is the stated policy of the Commission. The Cabinet has also used a pattern of declining grants over the period of time taken to accomplish that transition.)

A. Guidelines for Conference Members and Full-Time Local Pastors

1. The Commission on Equitable Compensation requests that $41,951 be set for the minimum equitable compensation (including base salary, utilities, amount for vouchered travel reimbursement, dependent premium payments made by the local church, dependent premium supplemental payments paid by the conference at the discretion of the District Superintendent, and other conference subsidies received, but excluding any reimbursement for Annual Conference expenses or grants to assist with the expenses to attend expected spiritual formation or continuing education events for all of the clergy members of the conference (e.g., the Clergy Retreat) for conference members in full connection, associate members and probationary members of the North Texas Conference serving full time for 2010.

   For the third year the Commission decided to use the same policy the 2006 Annual Conference adopted at the recommendation of CF&A for changes to the District Superintendent level compensation. As now stated in the conference's Standing Rules, "beginning in 2008 the salary of a district superintendent shall be adjusted annually by the average percentage change in the base compensation of all full-time pastors appointed to serve local churches or appointments for which the conference is responsible." The Commission also decided to apply the percent change to the travel & utilities amount, which is included in the total. The amount of change for 2010 is an increase of 1.8% from $41,209 in 2009.

2. Adjustments for years of service:

Years of Service	Equitable Compensation Amounts
0-5	$41,951
6	42,051
7	42,151
8	42,251
9	42,351
10	42,451

3. Compensation for additional churches on a charge:

   Each charge with more than one church shall receive $200 additional for the second church and $100 each for the third through the fifth additional churches.

4. Recommendation for housing, utilities and travel expenses:

   a. Housing shall be provided in a church-owned parsonage or provided for with a monthly allowance.
   b. Utilities shall be provided with payments made by the local church or reimbursed when paid by the pastor.
   c. Travel shall be reimbursed at the IRS rate with appropriate records and documentation provided to the church.

5. Local Pastors serving full time:

Five years or less	$36,951
Six years or more	$37,051

Expense recommendations same as above.

6. Deacons serving under salaried appointments in a local church:

   a. Are not eligible to receive Equitable Compensation support from the Annual Conference.
   b. Shall be granted the same minimum salary as an elder in full connection when their primary appointment is within a local church. * **

   *(Judicial Council decision #807)
   **(2008 *Book of Discipline*, Paragraphs 331.14,625.4)

B. The following policies are proposed to the North Texas Annual Conference for the distribution of equitable compensation assistance in 2010:

1. A local church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches whose pastors receive salary subsidy should be open to linkage with other churches in order to utilize efficiently the service of full-time conference members to reduce the need for subsidy.

2. Equitable Compensation levels can best be met when appointments are open to all ministerial members without regard to race or gender. We continue to urge every conference member to make the subject of a fully open Conference and adequately supported ministry at the local church level a matter of daily personal prayer. Only as the love of Christ dwells in us can an Annual Conference be a communion of caring persons.

3. Growth in stewardship should be achieved by all below-minimum remuneration churches. In making application for salary subsidy, District Superintendents are to provide evidence of stewardship education and growth to the Commission on Equitable Compensation.

4. Tenure payments are designed to honor the years of service of pastors who continue for more than five years in ministry to below minimum compensation charges because of the needs of the Conference. The Bishop and the Cabinet are urged to make every effort to move pastors to above-minimum compensation charges within five years after they begin full-time service.

5. Applications for salary subsidy to the Commission on Equitable Compensation are to be made by the District Superintendent on forms provided by the Commission, and completed applications must be approved by the Commission in session or by no less than two of the three members of the Executive Committee of the Commission.

6. The Charge Conference of any charge unable to pay the minimum salary set by the Conference shall be informed by the District Superintendent of the guidelines for receiving equitable compensation assistance. The Charge shall be informed of the amount required to bring the compensation level up to the minimum and shall be challenged to move toward the goal of full self-support at the earliest possible time. On the application for salary assistance, the District Superintendent shall certify to the Commission that the charge has been duly notified. The amount of subsidy granted to a pastor shall be acknowledged annually at the Charge Conference.

7. Equitable Compensation assistance is not available to pastors serving as associate pastors or in staff positions other than pastor-in-charge. In order that such persons receive an equitable wage, however, the Commission recommends that local churches use Conference minimum standards as minimum guidelines to setting associate and staff salaries.

8. It is expected that the minimum housing allowance that will be paid by those churches or charges that do not provide a parsonage for their pastor will be $12,000 per year, and the Commission on Equitable Compensation will not consider requests for salary supplements where housing allowances exceed $12,000.

9. Pastors who decline an appointment which would reduce or eliminate compensation support are ineligible for the Equitable Compensation tenure payment given for years of service.

10. Equitable Compensation assistance is not available for a North Texas Conference member appointed to serve in another Annual Conference, nor is it available to members of other Annual Conferences serving under appointment in the North Texas Conference.

11. There shall be no lump sum payments to persons receiving Equitable Compensation assistance unless such sums are too small for monthly payments to be made.

12. It shall be the responsibility of the pastor receiving Equitable Compensation subsidy to inform the Commission of any increase in remuneration or any changes in eligibility which occur after an application for Equitable Compensation has been approved.

EXCEPTIONAL REQUESTS BY THE CABINET:

All requests for exceptional support (assistance requested by the Cabinet in excess of the Commission's 25% maximum standard) shall be submitted in writing. The requests shall include the amount of assistance requested, length of time for assistance and reason(s) for exceptional request. Such a request shall be submitted to the Commission on a form prescribed by the Commission and signed by the Cabinet Representative to the Commission.

NORTH TEXAS CONFERENCE ADVANCE SPECIAL PROGRAM 2009-2010

FROM: Sending Servants Team

LEGISLATION: The Sending Servants Team recommends that the following General Advance Specials, Conference Advance Specials, and Jurisdictional Fair Share Goals be approved for the year 2009-2010.

GENERAL ADVANCE SPECIALS

We recommend that each local church spend some time exploring Advance projects available on the Internet at www.advancinghope.org and selecting at least one General Advance Special that would reflect your local church's interest.

We especially invite churches to support our conference's special partnership with the Cameroon Initiative (NTC Fund #313) because it meets one of the Four Areas of Focus of the UMC by creating new places for new people by starting new congregations and renewing existing ones.

Finally, we urge that all churches consider entering into a Covenant Church Relationship by sponsoring a full share of a Global Ministries missionary's salary @ $3, $4, $5 per member or a minimum of $2,500 per congregation.

CONFERENCE ADVANCE SPECIALS

As recommended by the Book of Discipline (¶ 655) the North Texas Conference has established a conference Advance program which has been carried out in the same spirit of partnership as the General Advance program. These projects have been recommended by the conference board of global ministries. RESOLUTION IN SUPPORT OF THE UNITED METHODIST GLOBAL AIDS FUND (ADVANCE SPECIAL #982345)

FROM: Sending Servants Team

WHEREAS, for over twenty-two years the General Conference of the United Methodist Church has spoken with prophetic compassion to the global issue of HIV/AIDS; and

WHEREAS, according to the Joint United Nations Program on HIV/AIDS (UNAIDS), at the end of 2007 there were 33.2 million persons living with AIDS worldwide: 30.7 million adults and 2.5 million children under age 15. During 2007, an estimated 2.5 million people became newly infected with HIV, including 420,000 children. Approximately one half of all new HIV infections are women. In the United States, approximately 984,000 people have been diagnosed with AIDS. During 2007, 2.1 million people died of AIDS of which 330,000 were children under age 15. By the end of 2005, the epidemic had left behind 15.2 million AIDS orphans and the United Nations estimates that by 2010 there will be 25 million AIDS orphans due to the pandemic; and

WHEREAS, the United Nations has declared the pandemic a global emergency, saying human life is threatened everywhere and world security is at risk as the world faces the worst health crisis in 700 years. Each year, World AIDS Day is observed on December 1; and

WHEREAS, the 2004 General Conference (A Covenant to Care: Recognizing and Responding to the Many Faces of AIDS in the U.S.A. (#152, 2004 Book of Resolutions) committed itself to establishing the United Methodist Global AIDS Fund (Advance Special #982345) and established a goal of raising $8 million during the 2009-12 quadrennial—representing a $1 commitment of every United Methodist in the U.S; and

WHEREAS, the Global AIDS Fund supports education, prevention, care, and treatment programs for people living with HIV/AIDS around the globe; and

WHEREAS, the United Methodist Global AIDS Fund does not overlook the crisis in the U.S. The Global AIDS Fund Plan specifies that 25 percent of what each annual conference raises should be used in that conference for AIDS work, either locally or in global projects; and

WHEREAS, the North Texas Conference since the 2007 inception of its goal to raise $160,000 has collected just over $28,000 to date. We are still on the journey to meeting our goal.

THEREFORE BE IT RESOLVED, the North Texas Conference will continue its commitment to raise $160,000 (160,000 adult members plus children) by the time General Conference of 2012 is assembled. We encourage congregations to continue reaching towards their goal of $1 per adult member throughout the year. Of the dollars raised, 75% will be remitted by the conference treasurer to the treasurer of the General Council of Finance and Administration for the UMC Global AIDS Fund and 25% will be retained for programs combating HIV/AIDS in the annual conference and in other global connectional projects.

BE IT FURTHER RESOLVED, that the North Texas Conference establishes the First Sunday of December as HIV/AIDS Awareness Sunday to coincide with World AIDS Day on December 1.

IMPLEMENTATION:
The Sending Servants Team of the North Texas Conference is charged with the responsibility to continue promotion of our $160,000 (plus a dollar for each child) goal for the UMC Global AIDS Fund. Valuable information is available at the following links:

A RESOLUTION TO ESTABLISH A "GREEN TEAM" IN NORTH TEXAS

FROM: Sending Servants Team

WHEREAS, the Social Principles state that "All creation is the Lord's, and we are responsible for the ways in which we use and abuse it. Water, air, soil, minerals, energy resources, plants, animal life, and space are to be valued and conserved because they are God's creation and not solely because they are useful to human beings. God has granted us stewardship of creation. We should meet these stewardship duties through acts of loving care and respect. Therefore, let us recognize the responsibility of the church and its members to place a high priority on changes in economic, political, social, and technological lifestyles to support a more ecologically equitable and sustainable world leading to a higher quality of life for all of God's creation; (¶160, "The Natural World," "Book of Discipline of The United Methodist Church, 2008") and

WHEREAS, this world is God's creation, a sacred gift to be received and nurtured with respect. We find promoting clean, renewable resources is a key component to promoting global health; and

WHEREAS, several churches within the North Texas Conference have embarked on environmentally friendly building practices; and

WHEREAS, a need exists for a formalized, central resource to which all local churches can draw upon for advice on being better stewards of God's creation with their facilities.

THEREFORE BE IT RESOLVED, that the Church and Society Task Force within the Sending Servants Team establish a team of well-informed experts in Caring for Creation issues to be a resource to the churches within the North Texas Conference.

A RESOLUTION CALLING FOR THE CONTINUED SUPPORT OF *JUSTICE FOR OUR NEIGHBORS*

FROM: Sending Servants Team

WHEREAS, throughout Scripture the people of God are called to love sojourners in our midst, treating them "as the citizen among you" and loving them as we do ourselves (Leviticus 19:33-34). "In the New Testament, Jesus' life begins as a refugee to Africa when he and his family flee to Egypt to escape Herod's infanticide (Matthew 2:13-18). Jesus fully identifies with the sojourner to the point that to welcome the sojourner is to welcome Jesus himself (Matthew 25:35). Jesus teaches us to show special concern for the poor and oppressed who come to our land seeking survival and peace;" (See Resolution #3281, 2008 *Book of Resolutions)* and

WHEREAS, our biblical and theological understanding reminds us that welcoming sojourners is a response to our belief that God is present with those who seek our hospitality. "Regardless of legal status or nationality, we are all connected through Christ to one another. The solidarity we share through Christ eliminates the boundaries and barriers which exclude and isolate. Therefore, the sojourners we are called to love are our brothers and sisters, our mothers and fathers, our sons and daughters; indeed, they are us;" (See Resolution #3281, 2008 *Book of Resolutions)* and

WHEREAS, Justice For Our Neighbors (JFON) is a faith-driven ministry, welcoming immigrants into churches and communities by providing free, high-quality immigration legal services, education and advocacy, and is part of a missional network of the United Methodist Committee on Relief (UMCOR); and

WHEREAS, of the 20 JFON clinics in nine Annual Conferences, one is in the North Texas Annual Conference; and

WHEREAS, the JFON clinic in Dallas has had a presence in this community for ten years and has provided free consultations and assistance to over 3,000 persons with legal issues regarding immigration, work permits, permanent residency (green cards), and citizenship.

THEREFORE BE IT RESOLVED, that the North Texas Annual Conference continue the support and presence of a JFON clinic in Dallas; and commit to advocating on behalf of immigrants without regard to race, gender or religion.

BE IT FURTHER RESOLVED, that we continue to explore avenues of increased funding, growth, support and maintenance of the JFON clinic in our Annual Conference. Members are encouraged to share their time, talents, gifts, service, and witness by engaging in JFON services, education and advocacy opportunities.

RESOLUTION CALLING FOR EXPANDING CHAPLAINCY AND PRISON MINISTRY IN NORTH TEXAS

FROM: Sending Servants Team

WHEREAS, the work of Chaplains and faith based ministry in our prisons has been shown to lower the incidents of violence in correctional institutions often by as much as thirty-three percent compared with those who do not attend religious activities; and

WHEREAS, this not only helps to solve the behavioral problems at institutions, (Florida Department of Corrections *Impact of Inmate Participation In Chaplaincy Programs)* but also can make the critical difference in inmates becoming productive citizens (¶161, "The Nurturing Community," Book of Discipline of The United Methodist Church, 2008) and

WHEREAS, In 2003 the Texas legislature reduced the number of Chaplains ministering to those incarcerated in Texas prisons by forty percent. And although all prisons in the geographical area of the North Texas Conference have at least one state funded chaplain, they are asked to serve more than the American Correctional Association (ACA) recommended ratio of 500 inmates to one chaplain (American Correctional Association Rule Number ACF 3-4455). For example, at the Dawson State Jail in Dallas, one chaplain serves 2216 inmates; and

WHEREAS, meeting the spiritual needs of inmates has been a priority of Methodists since the days of John Wesley. The Kairos statement of faith reminds us that faith based "programs offer to prison residents, their families, and those who work with them, the opportunity to receive God's forgiveness through faith in Jesus Christ, and to grow in their faith and servanthood in Christian community." (Kairos Statement of Faith, www.kairosprisonministry.org).

THEREFORE BE IT RESOLVED, that churches in the North Texas Conference be encouraged to meet a real need in our State and Federal correctional institutions by expanding their prison ministry. These institutions are located within the boundaries or are served by churches in the North Texas Conference. These expanded ministries will have a particular emphasis on providing assistant chaplains and volunteer ministry such as Kairos and Alpha to prison facilities that are understaffed. These facilities include, but are not limited to, Federal Prisons (e.g., Seagoville), State Prisons (e.g., C. Moore Transfer Facility, Cole, Allred, Beto I, Coffield, Michael, Gurney Transfer Facility, Powledge, Hilltop, Mountain View), State Jails (e.g., Dawson State Jail, Hutchins State Jail), County jails and city jails (e.g., Lew Sterrett).

IMPLEMENTATION:
The Sending Servants and Equipping Disciples Teams of the North Texas Conference are charged with providing resources to the churches as they explore the possibilities of their expanded ministry.

FINANCE AND ADMINISTRATION

FROM: Council on Finance and Administration

BACKGROUND:

REVIEW OF 2008

In spite of the challenges and uncertainties of our nation's economy, the churches of the North Texas Conference continued our tradition of excellent apportionment payment in 2008. Although less than our usual very high level of payment, the churches exceeded projections with a total 2008 payout of 93.0%. That was a wonderful indication in an extraordinary time of the faithfulness of North Texas United Methodists and the strength, vitality and pride of the churches of the North Texas Conference!

274 out of 309 churches with apportionments paid 100%, and 32 churches made Second Mile contributions of $38,976 to help others. We especially commend the Wichita Falls District (17 years in a row) and the Paris-Sulphur Springs District (14 years in a row) for 100% payment. All 66 churches in the Paris-Sulphur Springs District paid 100% in 2008, with no help from Second-Mile Giving. We are very aware that several pastors and churches truly went the extra mile to achieve these results and we are deeply grateful to all who made extraordinary efforts.

Total dollars received for apportionments in 2008 was $12,341,742, which was an increase of $167,346 and 1.4% over 2007. The total paid for all benevolent causes in 2008 was $13,982,633, an increase of $192,432 and 1.4% over 2007.

2009: THE CURRENT SITUATION

CF&A is aware of the financial struggles that many families are facing today and the impact that the economic condition of our world is having on our churches. Thus, it cannot be a time for "business as usual" in the annual conference. This year's apportionments were reduced by 7.7%. We had planned previously to begin spending down reserve funds. One conference staff position has been eliminated and another will be eliminated in June. The council has asked all groups to reduce their spending plans for non-fixed items to 85% of this year's budget until it is known that receipts exceed that figure. We are closely monitoring conference expenses and will make further adjustments if needed.

Most importantly, we have begun a strategic planning process to make clear our conference priorities and align our resources accordingly. This will help insure the future of our conference as well as keep us strong financially.

The Council continues to expect 100% payout of our connectional obligations and urges every church to take seriously the recommended ten-month payout plan in which 10% of the annual apportionment amount is remitted monthly. Without doubt, making monthly payments beginning in January or February is an important step in paying apportionments in full.

Paragraph 622 of the 2008 *Discipline* states that the Board of Pension and Health Benefits apportionment, the Episcopal Fund, the District Superintendents Fund, and Equitable Compensation are apportioned funds which are to be paid on the same schedule as the pastor's salary is paid. The Cabinet joins the Council in urging each church to adhere to this mandate monthly.

All churches are also encouraged to make contributions to their District Second Mile Fund. This is an important way to assist districts and the conference as a whole to achieve 100% payment of our total apportionments.

The Council and the Conference Treasurer continue to work hard to maintain an open and straightforward operating style. Great efforts have been made to provide clear and understandable financial reports. Monthly disbursements reports have been provided to other agencies of the conference. The Council takes seriously its fiduciary responsibility and is working with the agencies to insure faithful and effective stewardship of conference funds.

INFORMATION

A. Fidelity Bond for Local Churches

Beginning in 2007, with the establishment of our Conference-Wide Property & Liability Insurance Program through PACT, a $100,000 Employee Dishonesty (Crime) Bond is provided to cover those persons authorized to handle funds in every church in the Annual Conference.

B. Electric Aggregation Program

Electric utilities in the state of Texas were deregulated effective January 1, 2002. Deregulation offered the opportunity for the churches of the North Texas Conference to join together to purchase electricity. With the encouragement of CF&A, a group of large churches in the conference initiated an effort to secure a group contract for the purchase of electricity. All of the churches of the conference have been invited to participate in this effort. The program is now in its fourth aggregate contract and continues to be beneficial to the 180 participating churches with the benefits of achieving scale, the ability to anticipate costs in budgeting, and protection against the volatility of natural gas prices and future cost increases.

An additional feature of the present contract is the inclusion of 10% renewable or "green" energy for every church, which was secured at no additional cost to the group contract. Churches may choose to increase the percentage of renewable energy for an additional cost. As reported in a December 22, 2007 feature article in the *Dallas Morning News*: "In an apparently unprecedented move for a large religious group, United Methodist churches of North Texas have joined forces to buy 'green' electricity generated by windmills in the western part of the state." Staff writer Sam Hodges went on to say, "Environmentalists say they're unaware of another conference, diocese, synod or any other body of churches that has used its economic clout to spur nonpolluting electricity production." This is a significant step as we try to live out our concern for the environment.

C. Conference-Wide Property & Liability Insurance Program

In response to requests for help from several local churches and after a great deal of study and discussion over many years, the 2006 Annual Conference session voted to establish a conference-wide property and liability insurance program through UM PACT, in which all of our churches, fellowships, camp and retreat centers, and other conference ministries purchase property and liability insurance through PACT effective January 1, 2007. This program is now fully deployed across all the churches and agencies of the conference.

Because of continuing concern over the vulnerability of our churches in today's litigious society and realizing that all of the other churches are at risk when some are without adequate coverage or limits, the Council is convinced that this program is the best way to protect all North Texas Conference

churches in case of property losses or issues leading to liability claims. The Council desires to do everything possible to keep our churches out of harm's way and to enhance our protection of ministry and mission.

D. Pre-1982 Pension Liability

The *2008 Discipline* requires the submission of an annual formal funding plan for our pre-1982 pension liability. (See Board of Pension and Health Benefits legislative items.) Further discussion of this item may be found in this report in the section "Looking Ahead to 2011 and Beyond."

E. Retiree Medical Liability

A plan to address the conference's Retiree Medical Liability was adopted by the 2002 Annual Conference session and updated by the 2006 and 2008 Annual Conference sessions. CF&A will continue to work with the conference Board of Pension and Health Benefits to prepare regular updates to this plan. Further discussion of this item may be found in this report in the section "Looking Ahead to 2011 and Beyond."

F. Salary, Benefits and Expenses for District Superintendents

As stated in the conference's Standing Rules and begun in 2008, "the salary of a district superintendent shall be adjusted annually by the average percentage change in the base compensation of all full-time pastors appointed to serve local churches or appointments for which the conference is responsible. . ." The amount of change called for in accordance with this policy for 2010 is a 1.8% increase.

However, because of the current economic climate, the council proposes suspension of the Standing Rule for the 2010 DS salary and recommends no change. (See Recommendation for Legislative Action #2 later in this report.)

Parsonages are provided by the districts. Utilities, travel and expenses are reimbursed by voucher.

G. 2008 Profile of Apportionments vs. Local Church Expenditures

Total apportionments accounted for 9.0% of total local church expenditures in the North Texas Conference in 2008, compared to 8.8% in 2007 and 9.3% in 1998. Total apportionments increased 6.3% in 2008, while local church operating expenses on the decimal increased 5.3%. Total local church expenditures in 2008 increased 4.7%.

H. Ten-Year Profile of Apportionments vs. Local Church Expenditures

An analysis of apportionments in the North Texas Conference between 1999-2008 reveals that apportionments increased at a slower pace than local church expenditures. During that time total apportionments increased 53.4%, while local church operating expenses on the decimal increased 61.0%. Total local church expenditures increased 59.2% during the decade.

I. Fund Balances

In its ongoing effort to be responsible in budgeting, the Council continues to examine balances in both apportioned and non-apportioned funds. At the end of 2008, in addition to a designated "Conference Reserve Fund" of $1,010,780, apportioned funds carried forward from 2008 to 2009 totaled $881,954. $6,027,973 of other designated funds was carried forward from 2008 to 2009.

In keeping with CF&A's belief during the 2007 - 2008 conference year that there was a need to spend down an appropriate amount of these fund balances, the 2009 Apportionment Budget reflects an anticipated spending down of reserves of $364,960, with an additional matching $150,000 that is being applied this year to the portion of health insurance premiums paid by the retirees. (This does not include any amount to cover a shortfall in receipts.) The 2010 apportionment budget recommendation includes an anticipated spending down of at least $432,000 of fund balances (in addition to a yet-to-be-determined amount to be applied to active and retiree health insurance premiums), bringing the total reduction of fund balances planned to more than $1,000,000.

The Council now believes that any further spending down of fund balances would be unwise until more can be known about the length of the recovery from the current economic situation in our country.

2010 BUDGET RECOMMENDATION

Following the extraordinary opportunity to reduce the 2009 apportionment budget, CF&A would normally have anticipated an increase in the 2010 apportionment budget. However, recognizing that these are far from normal times, the council has "held the line" and is recommending an additional small decrease for 2010.

The council feels strongly that continued increases in General Conference apportionments ($43,812 in 2010) and other "fixed" costs must not be allowed to "squeeze out" the missional needs of the Annual Conference. Thus, a 10% increase in actual funds for new church starts and $125,000 for congregational transformation are proposed for 2010. The only other increases proposed are the amounts required for anticipated staff pension and health insurance increases. No staff salary increases are proposed.

The proposed 2010 Apportionment Budget reflects an overall decrease of $103,768 or 0.9%, which includes a decrease in Annual Conference apportionments of $147,580 or 1.9%. The two-year overall decrease from 2008 is $1,047,602 or 8.4%, which includes a decrease in Annual Conference apportionments of $1,199,826 or 13.4%.

This budget does not include approximately $800,000, which will be apportioned for district budgets. The exact amount of these budgets will be voted on in District Conferences in May 2009. 2008 District financial reports and 2010 District budgets will be included in the 2009 *Conference Journal.*

LOOKING AHEAD TO 2011 AND BEYOND

We anticipate two major areas of financial challenge in 2011 and beyond. (1) The first challenge will be to realign our resources according to the priorities of our mission. CF&A affirms a theology of abundance and approaches the future with the perspective that we will have enough to do what God calls us to do in the coming years. However, that is not to say that we can continue to use our resources as in the past and be faithful in the future. The conference is beginning a strategic planning process to make clear our priorities. Our challenge will be to align our resources accordingly. To do so will not only keep us strong financially, but more importantly it will insure the future of our conference as we are more effective and faithful to our mission of making disciples of Jesus Christ for the transformation of the world.

(2) The second financial challenge we will face in 2011 and beyond relates to the impact of the current market decline on our benefits liabilities. The General Board of Pension and Health Benefits has notified us of preliminary increased minimum requirements necessary for funding all of our pension plans (Pre-82 Pension Liability, MPP Annuities, and the CRSP – Defined Benefit Plan) due to the

decreased value of our assets designated for these plans. This will also likely impact our Retiree Medical Liability funding plan. The latest estimate of the amount of additional annual funding requirements beginning in 2011 is $1,167,000 in apportionments and $345,000 in CRSP-DB bills to the churches. These are not final figures. We will receive updated valuations next year. There will also be further consideration of alternative ways to address these needs throughout the denomination, as well as consideration of options for the North Texas Conference after the minimum requirements are finalized.

RECOMMENDATIONS FOR LEGISLATIVE ACTION

I. AUDITOR FOR THE CONFERENCE TREASURY

The Council recommends Thomas Stephen & Company, LLP as the auditing firm for the Conference Treasury in 2009.

II. PROPOSAL TO SUSPEND STANDING RULE ON 2010 DS SALARY

As stated in Paragraph II.A.10 of the North Texas Conference Standing Rules (page 263, 2008 *Journal*) and begun in 2008, "the salary of a district superintendent shall be adjusted annually by the average percentage change in the base compensation of all full-time pastors appointed to serve local churches or appointments for which the conference is responsible as calculated by the conference treasurer." The amount of change called for in accordance with this policy for 2010 is a 1.8% increase.

However, because of the current economic climate, the council proposes suspension of the Standing Rule for the 2010 DS salary and recommends no change.

Parsonages are provided by the districts. Utilities, travel and expenses are reimbursed by voucher.

NOTES TO RECOMMENDED APPORTIONMENTS

(1) 25% of this amount ($160,345 for 2010) stays in the annual conference for use by the NTC Board of Ministry. It has been the policy of the BOM for many years that prior year receipts would fund current year expenses in order to fund college and seminary scholarships for candidates for ministry. It should be noted that the 2009 annual conference share is $159,594, while the 2009 MEF expense budget submitted by the BOM is $174,200. Thus, spending down the beginning balance may be required.

(2) Since $100,000 for Hispanic Ministries and $75,000 for Ethnic Local Churches (1/3 each for African-American, Hispanic and Asian ministries) are being moved from Creating Congregations to Equipping Disciples in 2010, the budgets for 2008 and 2009 have been adjusted to reflect these changes so comparisons may be made.

(3) This reflects a 10% increase in actual funds for New Church Starts (not including team expenses, demographics, consultants and the New Church Leadership Institute).

(4) $15,000 for Board of Ministry administrative services is being moved from Conference Administration staff to Connectional Ministries staff. No staff salary increases are included, but $16,000 in anticipated additional benefits costs are included.

(5) $2,500 that was previously budgeted in Conference Administration Agencies is being moved to the Area Office to consolidate budgeted funds for the Episcopacy Committee in 2010. Thus, there is no actual change.

(6) This includes the compensation, benefits, travel and expenses of the Director of New Church Starts and Transformation and a support staff position.

(7) The full cost of the Provost position has been eliminated and $15,000 for BOM administrative services have been moved to Connectional Ministries staff in 2010. There are no staff salary increases included.

(8) The anticipated shortage from increased benefits costs ($11,000) and additional expenses will be paid from beginning balances.

(9) Beginning balances will be used to fund these items in 2010.

(10) These amounts are scheduled in the Retiree Medical Liability update approved at the 2008 Annual Conference.

(11) This reflects no increase in DS salaries. Suspension of the conference's Standing Rules will be required to implement this, as the policy stated there would result in a 1.8% increase.

(12) This is based upon no salary increase and the anticipated 9.5% increase in the CRSP Defined Benefit cost for the NTC in 2010.

(13) This amount is intended to provide a 1.8% increase in the conference minimum compensation to $41,951 in line with the NTC Standing Rules policy for changes to the salaries of District Superintendents. It reflects a spending down of the beginning balance of approximately $25,000 in 2010.

(14) The moving fund was established with the intent that prior years receipts would fund current year expenses. This was done so as not to impede the needs of the appointment process. The amount expended may vary considerably from year to year. For example, the amount expended in 2006 was $152,554, while in 2008 only $88,607 was expended. It is on the basis of the last 3-year average of $111,353 that the decrease is recommended.

GUIDELINES FOR APPORTIONMENTS FOR LOCAL CHURCHES

A. Formula for Two-Part Decimal:

1/3 membership and 2/3 finance

B. Procedure for Computation of Decimal for Each Church:

The membership part is computed by dividing the total 2008 church membership of the Annual Conference (less discontinued churches and fellowships = 157,779) into the 2008 membership of each church. This becomes the church's membership decimal.

The finance part is computed by adding the amounts of the operating expenses reported paid by each church in columns 64b, 65b, 66a, 66c, 67a-d, 68a-b and 69-72 of the 2008 Statistician's Report. (No funds reported in other statistical columns are included in this computation.) This total is then divided by the Conference total of these same columns (less discontinued churches and fellowships = $80,584,357). This becomes the local church's finance decimal.

The finance decimal is doubled. The membership decimal is added to the doubled finance decimal. This total is divided by three to become the apportionment decimal.

C. Procedure for Computation of Apportionments for Each Church:

The apportionment decimal for each church is multiplied by the Conference total of each apportionment to determine the amount that each church is asked to pay toward the apportionment. The only exception is the District Administration Fund Apportionment, which is at the present time computed on the basis of the district decimal.

D. Margin for Correction:

To assure that 100% of the amount of each apportionment will be distributed to the churches, no more than one quarter of one percent may be added to each apportionment when needed.

RECOMMENDED GOALS TO LOCAL CHURCHES

A. That local churches accept the challenge to grow in spiritual strength by designating no less than 25% of their total annual budgets for causes beyond their local churches

B. That local churches plan to remit at least 10% of their annual apportionments before the 15th of each month beginning in January or February.

C. That apportionments be given first claim by local churches in their beyond-the-local church payments with advance specials and other benevolences viewed as second-mile giving.

D. That local churches assist in achieving 100% payment of all apportionments for connectional ministries and missions in every district through voluntary contributions to the District Second- Mile Apportionment Fund.

AFFIRMING THE WORK OF THE STRATEGIC PLANNING TEAM

FROM: Strategic Planning Team

BACKGROUND:

Bishop Bledsoe reports that since he has arrived in North Texas his most frequently asked question is, "What is your vision for the churches of the NTC?" His reply is consistent wherever he is. First, he says that God does indeed have a vision for churches to reach the mission field in the NTC, and we are on a journey *together* to discover that vision. To that end, our bishop has created a Strategic Planning Team (SPT) to listen to the hopes, dreams and ideas of the people of the North Texas Conference and to shape those thoughts into a strategic plan for our conference. The SPT has met 3 times before the 2009 Annual Conference to prepare to listen to the input of the Conference.

The second part of the Bishop's answer to the question about vision is that The United Methodist Church is clear about its mission to make disciples of Jesus Christ for the transformation of the world *and* clear on the priorities which are laid out in the four focus areas. These are not simply the priorities of the General Church; they are the priorities for every United Methodist Church as we seek to be fruitful in making disciples. The four focus areas are:

1. **Developing principled Christian leaders for the church and the world.**
2. **Creating new places for new people and transforming existing congregations.**
3. **Engaging in ministry with the poor.**
4. **Combating the diseases of poverty by improving health globally.**

<u>2009 Annual Conference Listening</u>

The work of making disciples most effectively occurs in the local churches. The Annual Conference's role is to resource local churches so that they can best reach their mission field. The SPT seeks to gather hopes, dreams and ideas for fruitful ministry in local settings and then develop a plan for the NTC to help churches, pastors and lay leaders be successful in making disciples of Jesus Christ for the transformation of the world. The SPT needs your help to do the work that is set before us. There are 2 specific ways at this Annual Conference that you can give input to the process:

1) **You will be given a card** (available at the District Conference and the Clergy & Laity Sessions). Please pray about how you see God leading your church, and then on the card, write your *hopes and dreams* for how the transforming of lives might occur through your

local church. At the opening worship service on Sunday night, you will be invited to bring your card forward and place it on the altar during Communion. These cards will be prayed over as we ask God's blessing in this process of listening to each other and to God's vision for our conference.

2) On Monday of Annual Conference, the entire membership of the Conference will **divide into small groups** to give input into the strategic planning process. The SPT wants you to have the discussion questions ahead of time so that you can be thinking and praying about concrete ideas *and* noticing where God is already at work in these areas so you can share these with the group. The four discussion questions are:
    - What idea or action can help us better identify, develop and support principled Christian leaders?
    - What idea or action can help us plant new places for new people and transform existing congregations?
    - What idea or action can help us be more effective in ministry with the poor?
    - What idea or action can help us stamp out killer diseases and improve global health?

LEGISLATION: Recognizing the importance of a Strategic Plan for unifying, focusing, aligning and energizing the North Texas Annual Conference in its mission to make disciples of Jesus Christ for the transformation of the world, we, the members of the North Texas Annual Conference, affirm the leadership of Bishop W. Earl Bledsoe in calling for such a plan and forming a Strategic Planning Team, funded by monies previously budgeted and reallocated by the Council on Finance and Administration. This team will continue to meet throughout the next year with the charge of bringing to the 2010 Annual Conference its recommendations. The team will cease to exist after the 2010 conference, unless its life and work are specifically extended by vote of that conference.

We pledge to the Strategic Planning Team our prayers and support throughout the year and look forward in faith and hope to their report.

PROPOSED CONSTITUTIONAL AMENDMENTS

FROM: General Conference Delegation

Introduction
The North Texas Conference Delegation has prepared this material related to the proposed thirty two (32) Amendments to the Constitution of the United Methodist Church approved by the 2008 General Conference. The intent is to provide information that will allow those voting at this year's North Texas Conference Annual Conference to make faithful and informed decisions.

The Delegation has created descriptive names for the amendments and grouped them into the following three major categories for ease of understanding:

1. **Five (5) Amendments that establish Regional Conference(s) in the United States**
   IV, X, XIII, XXIII, XXVI

2. Eighteen (18) Amendments that change the name of Central Conferences outside the United States to Regional Conferences
III, V, VII, XI, XII, XIV, XVI, XVIII, XX, XXI, XXIV, XXV, XXVII, XXVIII, XXIX, XXX, XXXI, XXXII

3. Nine (9) Other Amendments
I Provides for Membership without Limits

II Mandates Creation of Ethics and Conflict of Interests Standards

VI Allows Limited Less than Proportional General Conference Representation

VIII Adds Gender to Categories of Persons Protected By General Conference

IX Ensures That No Jurisdictional Conference Will Have Fewer Than 100 Members

XV Reduces Length of Mandated Membership prior to Election as Lay Member of Annual Conference

XVII Permits Lay Members of the Committee on Investigation to Vote on Matters of Clergy Ordination, Character and Conference Relations

XIX Allows Certain Associate Members and Provisional Members to Vote in Clergy Elections for General, Jurisdictional or Central Conferences

XXII Adds Bermuda to the Northeastern Jurisdiction

Where appropriate because of the substantive nature of the proposed amendment, additional "Information", as well as "Reasons to Vote for the Amendment" and "Reasons to Vote against the Amendment", also have been included. This information is not intended to influence, but to provide ways to think about the intent and consequences of the amendments. A worksheet for notes is found at the end of this material.

Constitutional Amendment Approval Process
A proposed amendment to the United Methodist Church's Constitution must be adopted by a two-thirds vote of General Conference.

In order for the Council of Bishops to declare that a proposed amendment has been validly adopted, it must be ratified by a two-thirds affirmative vote of the aggregate number of voting members of all the annual conferences. The amendment becomes effective upon the Council's announcement that the amendment has received the required approval.

Voting Eligibility
Lay members of the annual conference and clergy members in full connection are eligible to vote on proposed constitutional amendments. Provisional deacons and elders, associate and affiliate clergy members, and full-time and part-time local pastors are not eligible to vote.

1. Five (5) amendments that establish Regional Conference(s) in the United States (part of "The Global Nature of Church Task Force" report)

Information concerning the five (5) amendments that establish Regional Conference(s) in the United States

A total of twenty three (23) proposed Constitutional Amendments are part of the "Task Force on the Global Nature of the Church" proposal. Each amendment includes the following language: *The change in name from □central□ to □regional□ takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.*

All twenty three (23) amendments delete the term "Central Conference" and replace it with the new term "Regional Conference." Note that the rationale for all twenty three amendments is the same.

These five (5) amendments address the creation of Regional Conference(s) in the United States. Three (3) amendments (IV, X, and XIII) delete constitutional specifications that Regional Conferences must be outside the United States. Two (2) amendments (VII and XXV) clarify that Episcopal elections will in those Regional Conferences with Jurisdictional Conferences (i.e. the United States), Episcopal elections be held in jurisdictions.

The report of the Task Force frames the proposed amendments as necessary constitutional changes for all future legislation to be enacted by General Conference if it is to develop a new way of organizing the church on a worldwide basis. It further indicates that the United States would only become a Regional Conference if and when General Conference decides to take such action.

However, Judicial Council Decision 1100 "Re.: Request from the 2008 General Conference of The United Methodist Church with Respect to the Meaning, Application and Effect of Legislative Calendar Item 742 Regarding the Creation of a U.S. Regional Conference" indicates that Amendment IV mandates the creation of Regional Conferences everywhere and that the 2012 General Conference must pass legislation establishing a regional conference (or conferences) within the United States if proposed amendment IV passes changing ¶ 10.

"Reasons to Vote For" the Five (5) Proposed Amendments

1. Of the 23 proposed amendments dealing with the worldwide nature of the church, 18 amendments simply substitute the word "Regional" for "Central" in reference to conferences. The intent of these amendments is to provide similar nomenclature and structure for the United Methodist Church around the world.
2. It is reported that members of the Central Conferences (those United Methodists outside the United States) feel marginalized by the distinctions in structure and terminology applied only to the United Methodist Church outside the United States. By deleting the term "Central Conference" and substituting "Regional Conference," both within the United States and around the world, then all Regional Conferences would be on an equal footing as part of a worldwide Church, not as a 'sub-set' of the United States Church.
3. The creation of a Regional Conference for the United States would allow concerns that deal only with the Church in the United States to be considered at the regional level. At the present time much of the business of the General Conference deals strictly with business pertinent only to the United States. Such a change would enable General Conference to truly deal with worldwide, General Church issues.

"Reasons to Vote Against" the Five (5) Proposed Amendments

1. Passage of these amendments means decisions about restructure will be made without any detailed information. A main concern is the anticipated cost that could be extremely expensive given the addition of a Regional Conference prior to General Conference that members of the Regions would have to attend in addition to General Conference. A concern would be that delegates from the Regions could not afford the additional expense or time to perform their duties. The Task Force on Worldwide Ministry through The United Methodist Church, created by the Council of Bishops and The Connectional Table, stated in its report to the 2008 General Conference that *much work is still to be*

done around the issue of restructure.
2. Passage of these amendments shifts the decision-making away from the grass-roots level (the Annual Conferences) to the General Conference level. This is a historic shift. Currently a 2/3 majority of all Annual Conference members must approve a Constitutional Amendment. If these amendments are passed, whatever plan is presented and passed at the 2012 General Conference will be implemented. At General Conference passage requires only a simple majority vote.
3. Passage of the five substantive amendments (related to BOD ¶ 10, 28, 31, 38 and 48) may open the door for fracturing the connectional nature of The United Methodist Church due to the potential power available to the new Regional Conferences. Judicial Council Ruling #1100 (in regard to ¶ 10 said: "The proposed amendment does nothing to harmonize its content with the remaining provisions of the *Discipline*. Clarity is needed about the impact such structural change may have on the denomination.

Proposed Constitutional Amendment – IV

Establishes Regional Conference(s) in the United States

Rationale: The proposed amendment allows the General Conference to create similar structures for all of our world-wide church. Each Annual Conference would belong to a Regional Conference which would be able to organize sub-units called Jurisdictional Conferences.

On May 1, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 593 Yes, 295 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division Two, Section I, ¶ 10, *Article III,* (2008 *Book of Discipline*, Division Two, Section I, ¶ 10, *Article III)* amend by deletion and addition, as follows

Delete "central" before "conferences" and add "regional", and delete "for the church outside the United States of America" before "and" and add "(The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)" at end of the paragraph.

If voted and so declared by the Council of Bishops, ¶ 10 (¶ 10) would read:

There shall be regional conferences and, if necessary, provisional regional conferences, all with such powers, duties and privileges as are hereinafter set forth. (The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)

Proposed Constitutional Amendment – X

Establishes Regional Conference(s) in the United States

If voted and so declared by the Council of Bishops, ¶ 49 (¶ 49) would read:

The bishops shall have residential and presidential supervision in the jurisdictional and regional conferences in which they are elected or to which they are transferred. Bishops may be transferred from one jurisdiction to another jurisdiction for presidential and residential supervision under the following conditions: (1) The transfer of bishops may be on either of two bases: *(a)* a jurisdiction that receives a bishop by transfer from another jurisdiction may transfer to that jurisdiction or to a third jurisdiction one of its own bishops eligible for transfer, so that the number transferred in by each jurisdiction shall be balanced by the number transferred out; or *(b)* a jurisdiction may receive a bishop from another jurisdiction and not transfer out a member of its own College of Bishops. (2) No bishop shall be transferred unless that bishop shall have specifically consented. (3) No bishop shall be eligible for transfer unless the bishop shall have served one quadrennium in the jurisdiction that elected the bishop to the episcopacy. (4) All such transfers shall require the approval by a majority vote of the members present and voting of the jurisdictional committees on episcopacy of the jurisdictions that are involved. After the above procedures have been followed, the transferring bishop shall become a member of the receiving College of Bishops and shall be subject to residential assignment by that jurisdictional conference. A bishop may be assigned by the Council of Bishops for presidential service or other temporary service in another jurisdiction than that which elected the bishop; *provided* that the request is made by a majority of the bishops in the jurisdiction of the proposed service. In the case of an emergency in any jurisdiction or regional conference through the death or disability of a bishop or

other cause, the Council of Bishops may assign a bishop from another jurisdiction or regional conference to the work of the said jurisdiction or regional conference, with the consent of a majority of the bishops of that jurisdiction or regional conference. (The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)

Proposed Constitutional Amendment – XXVIII

Changes the Name of Central Conferences to Regional Conferences

Rationale: The proposed amendment allows the General Conference to create similar structures for all of our world-wide church. Each Annual Conference would belong to a Regional Conference which would be able to organize sub-units called Jurisdictional Conferences.

On May 1, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 629 Yes, 248 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division Three, ¶ 50, *Article VI*, (2008 *Book of Discipline,* Division Three, ¶ 50, *Article VI)* amend by deletion and addition, as follows:

In the third sentence, delete "central" before "conference" and add "regional" before "conference" and add "(The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)" at end of the paragraph.

If voted and so declared by the Council of Bishops, ¶ 50 (¶ 50) would read:

The bishops, both active and retired, of The Evangelical United Brethren Church and of The Methodist Church at the time union is consummated shall be bishops of The United Methodist Church. The bishops of The Methodist Church elected by the jurisdictions, the active bishops of The Evangelical United Brethren Church at the time of union, and bishops elected by the jurisdictions of The United Methodist Church shall have life tenure. Each bishop elected by a regional conference of The Methodist Church shall have such tenure as the regional conference electing him shall have determined. The jurisdictional conference shall elect a standing committee on episcopacy to consist of one clergy and one lay delegate from each annual conference, on nomination of the annual conference delegation. The committee shall review the work of the bishops, pass on their character and official administration, and report to the jurisdictional conference its findings for such action as the conference may deem appropriate within its constitutional warrant of power. The committee shall recommend the assignments of the bishops to their respective residences for final action by the jurisdictional conference. (The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)

Proposed Constitutional Amendment – XXIX

Changes the Name of Central Conferences to Regional Conferences

If voted and so declared by the Council of Bishops, ¶ 51 (¶ 51) would read:

A bishop presiding over an annual, regional, or jurisdictional conference shall decide all questions of law coming before the bishop in the regular business of a session; *provided* that such questions be presented in writing and that the decisions be recorded in the journal of the conference. Such an episcopal decision shall not be authoritative except for the pending case until it shall have been passed upon by the Judicial Council. All decisions of law made by each bishop shall be reported in writing annually, with a syllabus of the same, to the Judicial Council, which shall affirm, modify, or reverse them. (The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)

Proposed Constitutional Amendment – XXX

Changes the Name of Central Conferences to Regional Conferences

Proposed Constitutional Amendment – XXXI

Changes the Name of Central Conferences to Regional Conferences

of our world-wide church. Each Annual Conference would belong to a Regional Conference which would be able to organize sub-units called Jurisdictional Conferences.

On May 1, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 629 Yes, 248 No. It is now presented to the Annual Conferences for vote.

Proposed Constitutional Amendment – XXXII

Changes the Name of Central Conferences to Regional Conferences

Rationale: The proposed amendment allows the General Conference to create similar structures for all of our world-wide church. Each Annual Conference would belong to a Regional Conference which would be able to organize sub-units called Jurisdictional Conferences.

On May 1, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 629 Yes, 248 No. It is now presented to the Annual Conferences for vote.

If voted and so declared by the Council of Bishops, ¶ 61 (¶ 61) would read:

A jurisdictional or regional conference may by a majority vote propose changes in the Constitution of the Church, and such proposed changes shall be submitted to the next General Conference. If the General Conference adopts the measure by a two-thirds vote, it shall be submitted to the annual conferences according to the provision for amendments. (The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)

3. Nine (9) Other Amendments

Proposed Constitutional Amendment – I

Provides for Membership without Limits

Information

Amendment I was offered in response to Judicial Council Decision 1032, which addresses the issue of whether a pastor has the right to determine whether a person who expresses a desire to join a United Methodist Congregation, in this case a gay individual, must be allowed to join. The Judicial Council has ruled that pastors have the disciplinary right to determine readiness for membership.

The issues addressed in this amendment are complex and include the meaning of church membership, the rights and responsibilities of pastors, the church's stance towards homosexuality and inclusiveness.

"Reasons to Vote for" the Amendment

1. The amendment emphasizes the wideness of God's mercy and the availability of the ministry of the church to all.
2. Many United Methodists desire that the church be open and welcoming to all people. This amendment offers an unfettered protection to the achievement of this value.
3. Historically, some United Methodist pastors have used language in *The Book of Discipline* to exclude persons from membership in the church. This amendment will not allow this to happen in the future.

"Reasons to Vote Against" the Amendment

1. Methodist pastors from the days of Wesley have exercised spiritual discretion in determining who is ready for church membership. This legislation negates the need for pastors in the discernment process since eligibility is assured.
2. This amendment removes all standards or expectations for church membership other than the desire to join. With "high expectation churches" growing and "low expectation" churches declining, this is hardly the time to lower standards.
3. The language of the amendment could be construed as being so broad that it would take precedence over all other disciplinary language regarding qualifications for ministry and membership in any body within the United Methodist Church.

Rationale: The proposed amendment emphasizes the wideness of God's mercy and the availability of the ministry of the church to all.

On May 1, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 558 Yes, 276 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division One, ¶ 4, *Article IV*, (2008 *Book of Discipline,* Division One, ¶ 4*, Article IV))* amend by deletion and addition as follows

After "worth" add "and that we are in ministry to all" and after "persons" delete "without regard to race, color, national origin, status or economic condition" and after "sacraments," add "and" and after "members" delete ", and" and insert a period and add "All persons," and after "faith" add "and relationship in Jesus Christ, shall be eligible to" and after "body" delete "of the Church because of race, color, national origin, status or economic condition".

If voted and so declared by the Council of Bishops, ¶ 4 (¶ 4) would read

Inclusiveness of the Church — The United Methodist Church is a part of the church universal, which is one Body in Christ. The United Methodist Church acknowledges that all persons are of sacred worth and that we are in ministry to all. All persons shall be eligible to attend its worship services, participate in its programs, receive the sacraments, and upon baptism be admitted as baptized members. All persons, upon taking vows declaring the Christian faith and relationship in Jesus Christ, shall be eligible to become professing members in any local church in the connection. In the United Methodist Church no conference or other organizational unit of the Church shall be structured so as to exclude any member or any constituent body.

Proposed Constitutional Amendment – II

Mandates Creation of Ethics and Conflict of Interests Standards

Rationale: The proposed amendment requires the adoption of ethics and conflict of interest policies to ensure accountability and fiduciary integrity.

On May 1, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 744 Yes, 86 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division One, following ¶ 5, *Article V*, (2008 *Book of Discipline,* Division One, following ¶ 5*, Article V))* amend by addition as follows

Add a new paragraph "All official organizations, groups, committees, councils, boards, and agencies of The United Methodist Church shall adopt ethics and conflict of interest policies, applicable to both members and employees, which embody and live out our Christian values."

If voted and so declared by the Council of Bishops, the new paragraph would read

All official organizations, groups, committees, councils, boards, and agencies of The United Methodist Church shall adopt ethics and conflict of interest policies, applicable to both members and employees, which embody and live out our Christian values.

Proposed Constitutional Amendment – VI

Allows Limited Less than Proportional General Conference Representation

Rationale: The proposed amendment allows for representation in the General Conference at other than

proportional levels during a transitional period for the admission of an annual conference into the United Methodist Church.

On May 1, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 690 Yes, 165 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division Two, Section II, ¶ 15, *Article III*, (2008 *Book of Discipline,* Division Two, Section IV, ¶ 15, *Article III)* amend by addition, as follows

Add at the end of the paragraph, "Any other provision of the Constitution notwithstanding, General Conference may provide for a transitional period for newly created annual, missionary, or provisional annual conferences, not to exceed two quadrennia, during which time such a conference may be represented at General, jurisdictional, and regional conferences on other than a proportional basis. (The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)"

If voted and so declared by the Council of Bishops, ¶ 15 (¶ 15) would read

The General Conference shall fix the ratio of representation in the General, jurisdictional, and central conferences from the annual conferences, missionary conferences, and the provisional annual conferences, computed on a two-factor basis: (1) the number of clergy members of the annual conference and the missionary conference, and (2) the number of professing members in the annual conference and the missionary conference; *provided* that each annual conference, missionary conference, or provisional annual conference shall be entitled to at least one clergy and one lay delegate in the General Conference and also in the jurisdictional or central conference. Any other provision of the Constitution notwithstanding, General Conference may provide for a transitional period for newly created annual, missionary, or provisional annual conferences, not to exceed two quadrennia, during which time such a conference may be represented at General, jurisdictional, and regional conferences on other than a proportional basis. (The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)

AND

If both Amendments V and VI are adopted, the resulting paragraph would read

The General Conference shall fix the ratio of representation in the General, regional and jurisdictional conferences from the annual conferences, missionary conferences, and the provisional annual conferences, computed on a two-factor basis: (1) the number of clergy members of the annual conference and the missionary conference, and (2) the number of professing members in the annual conference, and the missionary conference, *provided* that each annual conference, missionary conference, or provisional annual conference shall be entitled to at least one clergy and one lay delegate in the General Conference and also in the jurisdictional or regional conference. Any other provision of the Constitution notwithstanding, General Conference may provide for a transitional period for newly created annual, missionary, or provisional annual conferences, not to exceed two quadrennia, during which time such a conference may be represented at General, jurisdictional, and regional conferences on other than a proportional basis. (The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)

Proposed Constitutional Amendment – VIII

Adds Gender to Categories of Persons Protected By General Conference

Rationale: The proposed amendment would add "gender" to those categories of persons protected in this list of duties of General Conference.

On April 29, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 804 Yes, 39 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division Two, Section II, ¶ 16, *Article IV*, (2008 *Book of Discipline,* Division Two, Section II, ¶ 16, *Article IV)* amend by deletion and addition, as follows

In ¶ 16.1 and .14 add ", gender" after "race".

If voted and so declared by the Council of Bishops, ¶ 16.1 and .14 (¶ 16.1 and .14) would read:

1. To define and fix the conditions, privileges, and duties of Church membership, which shall in every case be without reference to race, gender or status.
14. To secure the rights and privileges of membership in all agencies, programs, and institutions in The United Methodist Church regardless of race, gender or status.

Proposed Constitutional Amendment – IX

Ensures That No Jurisdictional Conference Will Have Fewer Than 100 Members

Information
This amendment does not impact General Conference representation because ¶ 15, which allocates lay and clergy delegates to General Conference, remains unchanged.

Rationale: The proposed amendment would ensure a minimum basis of support for the election of bishops at jurisdictional conferences.

On April 29, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 821 Yes, 50 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division Two, Section IV, ¶ 23, *Article I*, (2008 *Book of Discipline,* Division Two, Section IV, ¶ 23, *Article I)* amend by addition, as follows:

Add ", provided that no jurisdictional conference shall have fewer than 100 delegates" before the period at the end of the first sentence.

If voted and so declared by the Council of Bishops, ¶ 23 (¶ 23) would read

The jurisdictional conferences shall be composed of as many representatives from the annual conferences and missionary conferences as shall be determined by a uniform basis established by the General Conference, provided that no jurisdictional conference shall have fewer than 100 delegates. The missionary conferences shall be considered as annual conferences for the purpose of this article.

Proposed Constitutional Amendment – XV

Reduces Length of Membership prior to Election as Lay Member of Annual Conference

Information
This amendment decreases from two (2) years to one (1) year the length of time a lay person must be a professing member of the United Methodist Church before being elected as a lay member of Annual Conference.

Rationale: The proposed amendment allows definition of the lay and clergy membership of the annual conference by the General Conference without going through the constitutional amendment.

On May 1, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 718 Yes, 117 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division Two, Section VI, ¶ 32, *Article I*, (2008 *Book of Discipline,* Division Two, Section VI, ¶ 32, *Article I)* amend by deletion and addition, as follows:

Delete everything in the first paragraph following "shall be composed of" and add "professing lay and clergy members as defined by the General Conference. Lay members shall have been members of The United Methodist Church for one year preceding their election."

If voted and so declared by the Council of Bishops, ¶ 32 (¶ 32) would read:

The annual conference shall be composed of lay and clergy members as defined by the General Conference. Lay members shall have been professing members of The United Methodist Church for one year preceding their election. If the lay membership should number less than the clergy members of the Annual Conference, the Annual Conference shall by its own formula, provide for the election of additional lay members to equalize lay and clergy membership of the Annual Conference.

AND

If both Amendments XIV and XV are adopted, the resulting paragraph would read:

The annual conference shall be composed of lay and clergy members as defined by the General Conference. Lay members shall have been professing members of The United Methodist Church for one year preceding their election. If the lay membership should number less than the clergy members of the Annual Conference, the Annual Conference shall by its own formula, provide for the election of additional lay members to equalize lay and clergy membership of the Annual Conference.

Proposed Constitutional Amendment – XVII

(Permits Lay Members of the Committee on Investigation to Vote on Matters of Clergy Ordination, Character and Conference Relations)

Rationale: The proposed amendment would make supporting constitutional changes to allow reinstatement of legislation adopted by the 2004 General Conference and subsequently declared unconstitutional by the Judicial Council to allow lay persons on the committee on investigation to vote on matters of ordination, character, and conference relations of clergy.

On May 1, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of

812 Yes, 49 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division Two, Section VI, ¶ 33, *Article II*, (2008 *Book of Discipline,* Division Two, Section VI, ¶ 33, *Article II)* amend by addition, as follows:

Add "and the committee on investigation" following "ministry."

If voted and so declared by the Council of Bishops, ¶ 33 (¶ 33) would read:

The annual conference is the basic body in the Church and as such shall have reserved to it the right to vote on all constitutional amendments, on the election of clergy and lay delegates to the General and the jurisdictional or central conferences, on all matters relating to the character and conference relations of its clergy members, and on the ordination of clergy and such other rights as have not been delegated to the General Conference under the Constitution, with the exception that the lay members may not vote on matters of ordination, character, and conference relations of clergy except that the lay members of the conference board of ordained ministry and the committee on investigation may vote on matters of ordination, character, and conference relations of clergy, with the further exception that lay members of the district committee on ordained ministry be full participating members of the district committee on ordained ministry with vote. It shall discharge such duties and exercise such powers as the General Conference under the Constitution may determine.

AND

If both Amendments XVI and XVII are adopted, the resulting paragraph would read:

The annual conference is the basic body in the Church and as such shall have reserved to it the right to vote on all constitutional amendments, on the election of clergy and lay delegates to the General, regional, and jurisdictional conferences, on all matters relating to the character and conference relations of its clergy members, and on the ordination of clergy and such other rights as have not been delegated to the General Conference under the Constitution, with the exception that the lay members may not vote on matters of ordination, character, and conference relations of clergy except that the lay members of the conference board of ordained ministry and the committee on investigation may vote on matters of ordination, character, and conference relations of clergy, with the further exception that lay members of the district committee on ordained ministry be full participating members of the district committee on ordained ministry with vote. It shall discharge such duties and exercise such powers as the General Conference under the Constitution may determine. (The change in name from "central" to "regional" takes effect January 1, 2013 at which time this parenthetical procedural note will be removed from the Constitution.)

Proposed Constitutional Amendment – XIX

(Allows certain Associate Members and Provisional Members to Vote in Clergy Elections for General, Jurisdictional or Central Conferences)

Information
This amendment does not affect the total number of clergy and lay members of Annual Conference, only who votes for clergy delegates to General and Jurisdictional Conference. If this amendment was already in effect, approximately ten (10) local pastors and forty (40) provisional members currently would be eligible to vote for clergy members to General and Jurisdictional Conference.

Rationale: The proposed amendment would allow additional clergy members to participate in the election of clergy delegates to general, jurisdictional or central conferences.

On May 1, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 696 Yes, 135 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division Two, Section VI, ¶ 35, *Article IV*, (2008 *Book of Discipline,* Division Two, Section VI, ¶ 35, *Article IV)* amend by deletion and addition, as follows:

Before "clergy" delete "ordained ministerial" and before "from" delete "by and" and before "members" delete "ordained ministerial" and before "members" add "clergy" and before "the annual" delete "with" and before "the annual" add "of" and after "the annual conference" add "who are deacons and elders in full connection, associate members, and those provisional members who have completed all of their educational requirements and local pastors who have completed course of study or an M. Div. degree and have served a minimum of two consecutive years under appointment immediately preceding the election."

If voted and so declared by the Council of Bishops, ¶ 35 (¶ 35) would read:

The clergy delegates to the General Conference and to the jurisdictional or central conference shall be elected from the clergy members in full connection and shall be elected by the clergy members of the annual conference who are deacons and elders in full connection, associate members, and those provisional members who have completed all of their educational requirements and local pastors who have completed course of study or an M. Div. degree and have served a minimum of two consecutive years under appointment immediately preceding the election.

Proposed Constitutional Amendment – XXII

Adds Bermuda to the Northeastern Jurisdiction

Rationale: The proposed amendment formally recognizes that the Baltimore-Washington Conference has been appointing pastors, superintending the congregations and integrating the congregations of Bermuda into the life of the Baltimore-Washington Conference. The General Board of Global Ministries and the Baltimore-Washington Conference recognize these churches as United Methodist congregations.

On April 29, 2008, at a session of the General Conference of The United Methodist Church held in Fort Worth, Texas, the following Constitutional Amendment was made by a recorded vote of 757 Yes, 27 No. It is now presented to the Annual Conferences for vote.

In the 2004 *Book of Discipline,* Division Two, Section VII, ¶ 37, *Article I*, (2008 *Book of Discipline,* Division Two, Section VII, ¶ 37, *Article I)* amend by addition, as follows:
Before "Connecticut" add "Bermuda".

If voted and so declared by the Council of Bishops, ¶ 37 (¶ 37) would read:

STANDING RULES
OF THE
NORTH TEXAS ANNUAL CONFERENCE

These standing rules are composed of three parts: 1) structure of the North Texas Annual Conference ("Annual Conference"); 2) policies of the Annual Conference; and 3) rules of procedure for the conduct of Annual Conference sessions.

I. STRUCTURE OF THE ANNUAL CONFERENCE

A. GENERAL PROVISIONS

1. *Primacy of Book of Discipline and Standing Rules*. These General Provisions apply to all Agencies except where the current version of *The Book of Discipline of the United Methodist Church* ("*Book of Discipline*") or specific Standing Rules otherwise provide.

2. *"Agency."* In these Standing Rules, the word "Agency" means a conference-level group that performs the work of the North Texas Annual Conference, whether that group is called a Council, Board, Division, Commission, Committee, Team, Group or Task Force. It does not include boards of trustees or boards of directors of Annual Conference related institutions.

3. *"Conference Year; Conference Fiscal Year."* "Conference year" means the period from the close of one regularly scheduled session of the Annual Conference through the close of the following year's regularly scheduled session of the Annual Conference. "Conference Fiscal Year" means January 1 through December 31.

4. *Election of Members*. Members and Chairs of the Agencies shall be nominated by the Committee on Nominations and elected by the Annual Conference. There shall be an opportunity for additional nominations from the floor.

5. *Task Forces.* The Creating Congregations Team, Equipping Disciples Team, and Sending Servants Team may establish Standing Task Forces when required by the *Book of Discipline* or these Standing Rules. Members of the conference staff will serve as ex officio members of these Standing Task Forces, without vote. Unless otherwise required, membership on a Standing Task Force shall be limited to a number necessary to carry out the ministry. These Teams and the Accountability Group may establish short-term Task Forces when the need or opportunity arises. Such task forces will require approval of the Conference Leadership Team to exist for more than twelve months. The membership of the Task Forces shall be representative of the diversity of the conference, with power-sharing and inclusive decision-making in all its deliberations and deliverables. Task force members will be selected by the Teams and Group through the Nominations Committee pool and/or upon recommendation of the District Superintendents, with attention being given to inclusiveness issues in power-making and decision-sharing. When a Team or Group has established a short-term Task Force, the Chair of the Task force may be designated to serve as a member of the Team or Group for the duration of the short-term Task Force, with or without vote.

Budget recommendations to the Conference Leadership Team and oversight of approved budget expenditures for the various Task Forces are the responsibility of each Team. Task Forces are accountable to their assigned Team for expenditures and may make budget recommendations when appropriate.

6. *Membership Diversity.* Except where the *Book of Discipline* or these Standing Rules otherwise provide, membership on all Agencies shall include one third clergy, one third laywomen, and one third laymen insofar as possible. In addition, special attention shall be given to inclusive representation from the ethnic churches, districts, small membership churches, and town and country churches.

7. *Terms.* Persons shall be nominated to serve a four year term on an Agency. No person shall be nominated for a position without previously agreeing to serve if elected. Persons elected shall begin their terms of office at the close of the Annual Conference session at which they are elected.

8. *Failure to Attend Meetings.* Persons who are absent without cause for half or more of an Agency's meetings during the Conference Year will thereby automatically remove themselves from the membership of the Agency and shall be replaced by the Committee on Nominations.

9. *Vacancies*. The Committee on Nominations is authorized to fill any Agency vacancies between sessions of the Annual Conference, unless the *Book of Discipline* otherwise provides. Persons appointed to fill vacancies shall serve only the remainder of the Conference year in which they are appointed. They may be elected to that position at the first regularly scheduled Annual Conference session following their appointment, in which case they will serve the remainder of the term of the person they replace. If the term of the person they replace would normally expire at the Annual Conference, then they may be elected to a full term either as member or chair without the partial year they served filling the vacancy counting toward the term limit as covered in Provision 10 and Provision 11 below.

10. *Term Limits for Members.* No elected person may serve more than eight successive years on any one Agency. A person may, however, be re-elected to an Agency on which that person has previously served his or her term limit after non-membership for four years.

11. *Term Limits for Agency Chairs and Team Representatives.* No person may serve as Chair or Team Representative of any Agency for more than four consecutive years, nor may any person chair or be a team representative on any combination of Agencies for a total of more than six years in any eight year period.

12. *Limits on Multiple Agency Membership.* No person shall serve on more than two Agencies at the same time, except as an *ex officio* member. In computing these limits, membership which occurs by virtue of holding some other Agency position shall not be counted. In applying these limits, the nominators shall be guided by the policies of diffusing power throughout the Annual Conference and limiting the agency workload required of any particular individual. Therefore, both the responsibilities and the workload of the various Agencies shall be taken into consideration in making Nominations.

13. *Coordination of Nominations*. All nominations of persons to Agencies shall be reported to the Chair of the Committee on Nominations, the Conference Director of Mission, the Chair of the Accountability Group, the Chair of the Review Team (so long as it exists), and the District Superintendents in order to promote inclusivity and compliance with the Standing Rules on Limits on Multiple Agency Membership.

14. *Record Keeping.* In order to assist the Annual Conference in enforcing these General Provisions, each Annual Conference *Journal* shall indicate after the name of each Agency member the year in which the person's current term expires and whether it is the person's first or second consecutive term with that Agency. Each Annual Conference Journal shall also indicate

member ethnicity after the name of each Agency member. The report of the Annual conference Nominations Committee shall indicate member ethnicity after the name of each person in its report.

15. *General Agencies.* Members of the general agencies of the United Methodist Church from the Annual Conference will be ex officio members of the corresponding Agency.

16. *Appeals.* Any Agency has the right to appeal to the Annual Conference regarding a decision affecting its work made by any other Agency, except where otherwise provided in the *Book of Discipline*.

17. *Clergy.* In these Standing Rules, the word "clergy" refers to the following members of the North Texas Annual Conference unless some specific Standing Rule otherwise provides: (1) elders in full connection; (2) deacons in full connection; (3) probationary members; (4) commissioned ministers; (5) associate members; and (6) local pastors under full-time and part-time appointment to a pastoral charge.

2. *Apportionments to be made based on Conference Fiscal Year*. The apportionments to the local churches shall be made on the basis of the Conference Fiscal Year.

3. *Conference Books*. The Conference Treasurer's books shall be closed annually at 12:00 noon on January 11 (or the next working day, if January 11 falls on a weekend or holiday), and no funds received by the Conference Treasurer after that time shall apply toward Conference Apportionments of the year just completed.

4. *Disposition of Interest*. Interest earned on any funds (excluding designated trusts) managed by the Conference Treasurer shall be declared general funds of the North Texas Annual Conference and administered by the Conference Council on Finance and Administration.

5. *Agency Spending*. No Agency shall incur financial obligations that exceed current appropriations, and beginning balances where applicable, for any reason except by specific approval of the Conference Leadership Team and the Council on Finance and Administration. New items must be submitted first to the Conference Leadership Team and, if approved, must also be submitted to the Council on Finance and Administration for appraisal and consideration for the current year. No Agency shall include requests for funds other than those required for its own operation or program, except that Teams and Groups may request funds for the benefit of their own Task Forces. Requests for funds for the same cause or concern shall be granted to only one Agency.

6. *Conference-Wide Appeals*. When application is made to the Annual Conference for the privilege of special conference-wide financial appeal, whether by special collection, campaigns, or otherwise, the application shall be referred to the Council on Finance and Administration before final action is taken thereon. The Council on Finance and Administration shall investigate the application and its possible relation to other obligations of the conference, and in light of the facts make recommendations to the Annual Conference.

7. *Auditing*. The Council on Finance and Administration shall nominate to the Annual Conference an auditing firm which shall audit the Conference Treasurer's books annually. All institutions receiving financial support from the Annual Conference, either by direct apportionment or by special offerings, shall, if requested, submit an annual auditor's report acceptable to the Council on Finance and Administration reflecting the receipt and disbursement of the financial support received from the Annual Conference. Such reports shall be provided to the Council on Finance and Administration by October 1 of each year for the previous fiscal year. Each District shall retain an auditing firm to audit the District books annually, and shall submit such annual auditor's report to the Council on Finance and Administration by October 1 of each year for the previous fiscal year.

8. *Apportionments*. The Conference Treasurer, with the assistance of the District Superintendents, shall annually compute the apportionment decimal for each church. By September 1, the Conference Treasurer shall provide the amounts for each church's apportionments for the following year.

9. *Ethical Fiscal Principles*. The following ethical principles apply to the appropriation and disbursement of funds by the Annual Conference:

a. Funds contributed for a designated purpose should be used strictly for the purpose designated, and administered efficiently, without waste or duplication, in order to obtain maximum effect from the use of available funds.

b. Net proceeds from the sale of Annual Conference property are capital funds and should be appropriated to the use which the property was intended to serve. If this is not feasible, priority should be given to the most similar purpose for which the funds can be used effectively, or to capital improvements within reasonable geographical proximity; but district lines should not be controlling and the entire community or metropolitan area should be considered. Likewise, funds received by way of indemnity for loss or destruction of any capital assets of the Annual Conference should be treated as capital assets and should be used for similar purposes if restoration of the property is feasible.

10. The salary of a district superintendent shall be adjusted annually by the average percentage change in the base compensation of all full-time pastors appointed to serve local churches or appointments for which the conference is responsible as calculated by the conference treasurer. This adjustment shall begin in 2008, using the 2007 base compensation level as the initial base. In addition, the compensation level is to be evaluated by the Council on Finance and Administration every five years in relationship to North Texas Conference pastoral salaries and other annual conferences.

11. The effective date for Annual Conference moves and clergy retirements is July 1. Thus when a pastoral change comes at Annual Conference, the salary of the previous appointment shall be paid through June 30, and the salary in the new appointment shall begin July 1.

B. REPORTING REQUIREMENTS

1. *Death Records*. The minister who is in charge of the funeral services of any clergy member of the Annual Conference, or the spouse, widow, or widower of a clergy member of the Annual Conference, will supply the Conference Secretary with a memoir containing the date of birth, date of death, date of final rites, and place of burial of the deceased. To the extent possible, the minister will also supply a recent photograph of the deceased and date of entrance into the Annual Conference. For clergy members who transferred into the Annual Conference, the minister will, if possible, inform the Conference Secretary the deceased's date of transfer into the Annual Conference, the conference from which transferred, and appointments in other conferences. If the minister in charge of the funeral cannot supply this information, the Conference Secretary will use his or her best efforts to supply the missing information. All of this information should be sent to the Conference Secretary immediately following the funeral.

2. *Biographical Information*. Each member of the clergy and each diaconal minister shall file with the Conference Secretary a historical sketch of his or her life on a form to be furnished by the Conference Secretary. This document will become that person's record.

3. *Legal Descriptions of Conference Property*. Each District Superintendent shall furnish to the Secretary of the Board of Trustees a legal description of each piece of property in his or her District on or before December 1 of each year. The District Superintendents shall also provide a statement as to where the deeds evidencing ownership of these properties are kept. The information provided annually shall be accurate as of December 1.

4. *Statistics*. Each District Superintendent shall furnish the required district statistics to the Conference Statistician. In order to facilitate these reports, the following procedures will be followed:

a. Each church and pastor shall submit the Annual Conference report for auditing on the Check-Out Day specified by the Cabinet. Check-Out Day is the date when local churches

turn in statistical information for the preceding year on forms provided by the Conference Statistician. The Annual Conference report shall be submitted to the District Statistician (see below).

b. Each District Superintendent shall appoint a District Statistician. The District Statistician shall check each Annual Conference report for accuracy, consistency, and completeness. The District Statistician then forwards the Annual Conference reports to the District Secretary, who in turn forwards them to the Conference Statistician.

c. Each pastor in charge shall also report to his or her District Superintendent on Check-Out Day any money borrowed necessary to pay current church obligations for the Conference Fiscal Year, or any delinquent church bills which have not been paid by the close of the Conference Fiscal Year.

C. VACATION STANDARDS

The following are minimum vacation standards for clergy and diaconal ministers of the North Texas Annual Conference.

1. Method of Calculation

The vacation is calculated according to the number of years of service, using the following formula:

1 - 4 years of service --- two weeks (two Sundays)
5 - 9 years of service --- three weeks (three Sundays)
10+ years of service --- four weeks (four Sundays)

2. Further Guidelines

In applying the standards:

a. "years of service" shall be determined by years served as a full-time United Methodist commissioned minister, probationary member, diaconal minister, local pastor, associate member, deacon in full connection, or elder in full connection. In computing a person's "years of service," time spent in all categories shall be cumulated and all shall count toward the person's total "years of service."

b. The length of vacation is set by the Annual Conference, but the most suitable time for both the employing entity and the clergy or diaconal ministers and their families must be determined by consultation between the clergy or diaconal minister and the employing entity.

D. CLERGY DIVORCE

"Where marriage partners, even after thoughtful consideration and counsel, are estranged beyond reconciliation, we recognize divorce as regrettable, but recognize the right of divorced persons to remarry. We express our deep concern for the care and nurture of the children of divorced and/or remarried persons. We encourage that either or both of the divorced parents be considered for custody of minor children of the marriage. We encourage an active, accepting, and enabling commitment of the church and our society to minister to the members of divorced families," (The *Book of Discipline of the*

United Methodist Church, 1984)

The *Discipline* rightly makes no distinction between divorce occurring among the laity or clergy. We recognize the possibility of congregations being nurturing communities, and, thus for Christian love to grow in the midst of the painful circumstances surrounding a clergy or layperson's divorce.

The North Texas Conference also can be a caring and nurturing community for the clergy at divorce. The conference recognizes its responsibility to respond to divorcing clergy in as pastoral a manner as possible. To this end, the North Texas Conference of the United Methodist Church suggests the following for our clergy as well as their spouses in the event of divorce.

1. The clergy member will have taken every action possible toward reconciliation within the marriage. This shall include extensive counseling with a reputable marriage counselor, preferably with both partners to the marriage participating but, where impossible, with at least the clergy member's participation.

2. In consultation with the District Superintendent, the divorcing clergy and/or spouse may request a meeting of the following persons:
   a. The Chairperson of the Division of Conference Relations, presider.
   b. The District Superintendent of the clergy member's district.
   c. The district member of the Division of Conference Relations.
   d. Two peers chosen by the clergy member involved.

3. This meeting will:
   a. Pastorally respond to the divorce
   b. Offer help/guidance, if requested, to:
      1) The clergy member
      2) The divorcing spouse
      3) The clergy member's peers, and/or
      4) The respective Pastor-Parish Committee
   c. Refer divorcing persons to special seminars and workshops on divorce which are available periodically in the community.

E. CLERGY HOUSING

1. In the event of the death of a member of the clergy occupying a parsonage, the surviving spouse and family shall be granted the privilege of using the parsonage for a period of time not to exceed sixty (60) days.

2. Housing Standards for Elders in Full Connection.

In this section on Housing Standards for Elders in Full Connection, including Housing Allowances and Parsonage standards, the word "clergy" means "elders in full connection." The standards on Housing Allowances and parsonages apply to those churches that have elders in full connection and that are not receiving an equitable salary support.

The size and make-up of clergy families, and the size, location, and type of housing provided for clergy families by local churches is a major factor in the well-being of clergy families. As such, it has an impact on the effectiveness of clergy.

Although it is clear that no one single provision for housing will completely satisfy all the needs of every clergy family and every local church, the goal is to best satisfy the needs of all.

Housing Allowances

While parsonages have been the traditional means of providing housing for clergy families, there are those local church settings and situations where a housing allowance can be an effective and efficient means of providing housing for clergy families.

However, it must be understood that if a house is purchased by a clergy family, there is the potential for financial hardship and difficulties related to the sale of a house when an appointment change is made.
It must also be understood that a housing allowance will have no effect on the tenure of a pastor, neither increasing nor decreasing the potential length of a pastorate.

1. If a housing allowance is provided by a local church, the amount shall be sufficient to allow for the rental\lease\purchase of housing that meets the parsonage standards of the annual conference.

2. A utility allowance shall be paid in addition to the housing allowance.

3. The amount of the housing allowance and of the utility allowance shall be reviewed on an annual basis to ensure that the amount is adequate.

4. The District Superintendent, in consultation with the pastor and the Pastor-Parish Relations Committee, shall be responsible for ensuring that these standards are met.

Parsonages

1. Size

   a. In order to accommodate all family sizes as reasonably as possible, and to allow for the greatest flexibility in meeting the needs of clergy families, the parsonage shall contain at least three bedrooms, with four recommended.

   b. There shall be at least two full baths.

   c. There shall be at least one large living area, with two living areas recommended.

   d. There shall be at least one dining area.

   e. There shall be a garage or covered carport adjacent to the house.

   f. The total area of living space shall be approximately 2,000 sq. ft. or more.

2. Location

   a. The parsonage shall be located in a residential neighborhood. (It should not be on a major thoroughfare, nor adjacent to commercial businesses.)

   b. The parsonage shall be located where it will allow for adequate privacy for the clergy family.

3. Interior

   a. The kitchen shall include all standard modern appliances (oven, cooktop, dishwasher, disposal, and refrigerator).

b. There shall be a washer and dryer for laundry.

c. There shall be adequate heating and cooling, with central air and heat whenever possible.

d. The parsonage shall have window treatments in every room (e.g., blinds, drapes, or shutters).

e. The clergy family shall be responsible for all other furnishings.

f. All interiors of newly built parsonages shall be accessible for persons with disabilities, including a minimum of (1) one bathroom that has an accessible shower, commode, and lavatory, (2) passageways, garage, rooms, and entrances that are accessible, and (3) consideration is given to the landscaping of the yard.

g. When an appointment is made in which a member of the parsonage family has a disability, the District Superintendent shall see that the existing parsonage be fitted with aids that will enable it to be suitable for persons with disabilities to the extent that the structure of the existing parsonage can be renovated. Consideration for grant moneys from conference agencies shall be given to these churches.

4. Exterior

a. The outside of the parsonage shall be landscaped to complement the house, with adequate shrubs, bushes, and trees.

b. A safe, fenced area shall be provided in the backyard for children and/or pets.

c. The mowing and the upkeep of the yard are to be negotiated between the pastor and the Board of Trustees.

5. Utilities

a. The local church shall pay for the cost of all utilities, including basic television access, except for personal long distance phone calls.

b. In order to minimize fees and deposits, the utilities, including the telephone, shall be in the name of the local church, unless this results in a higher rate schedule.

6. Maintenance

a. The local church Board of Trustees is responsible for the upkeep and repair of the parsonage, including the appliances, and there shall be an annual inspection of the parsonage and property by the Trustees, with a written report made at the local church's annual Charge Conference. It is suggested that all parsonages have an inspection by an engineering or contracting inspector every five years, starting ten years after they have been purchased or built.

b. The clergy family is responsible for minor upkeep and repairs, and for any damage done to the parsonage by a member or pet of the clergy family, including that caused by smoking.

7. Change of Pastors

a. When there is an impending change of pastors, the pastor shall notify the local church Board of Trustees, and the clergy family and Trustees shall ensure that the parsonage is as clean as possible. Major repairs should be made before the new clergy family arrives.

b. The Trustees shall contact the new clergy family before any painting or refurbishing is done, in order to have their preferences, needs, and suggestions incorporated into any work done on the parsonage.

8. Disposition of Church Owned Furniture

a. Following the 1994 Annual Conference, churches will begin the process of providing unfurnished parsonages, except for the items listed above in C.

9. Compliance

      (3) A $300 stipend is also available which may be used for other documented moving expenses the clergy family incurs.

   c. For eligible part-time moves, payment up to a total of $500 will be made for a moving company and personal expenses.

2. Eligibility for Funding

The receiving church and moving clergy/family will not be responsible for any part of the expense that is within the Annual Conference Allowance. If a moving company is used that will not bill the Annual Conference directly, then the moving clergy/family is responsible for the bill and will be reimbursed by the Annual Conference for all documented expenses that are within the Annual Conference Allowance. Any documented expenses paid by the moving clergy/family are to be submitted to the receiving District Superintendent. The receiving District Superintendent shall then submit these documented expenses to the Annual Conference Treasurer. F. SEXUAL MISCONDUCT

1. POLICY STATEMENT FOR DEFINING SEXUAL MISCONDUCT

The North Texas Conference of the United Methodist Church affirms the *2000 Book of Resolutions,* Sexual Abuse Within the Ministerial Relationship and Sexual Harassment Within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the Church are incompatible with biblical teachings of hospitality, justice and healing. In accordance with the current *Book of Discipline,* ¶161(F), we affirm that all human beings, both male and female, are created in the image of God, and thus have been made equal in Christ. As the promise of Galatians

3:26 states all are one in Christ, we support equity among all persons without regard to ethnicity, situation or gender.

Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker or volunteer.

Sexual harassment is any unwelcome sexual advance or demand, either verbal or physical, that is reasonably perceived by the recipient as demeaning, intimidating or coercive. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender (2008 *Book of Discipline* ¶161(I)).

Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue.

Misconduct of a sexual nature within the life of the Church interferes with its moral mission. The North Texas Conference stands in opposition to the sin of misconduct of a sexual nature in the Church and society at large and commits itself to fair and expedient investigation of any charge of sexual misconduct within the Church and to take action deemed appropriate and in compliance with the *Book of Discipline*. Further, the Conference bears affirmative responsibility to create an environment of hospitality for all persons, male or female, which is free of misconduct of a sexual nature and encourages respect, equality and kinship in Christ.

Because experiencing sexual abuse or harassment, and reporting such misconduct, can be difficult and frightening, we believe that the availability of trained advocates or support teams to assist victims of sexual misconduct is important, and we are committed to continuing support for the training and availability of such advocates or support teams.

We recognize that in any incident of sexual misconduct there may be many victims, including the family, friends, and congregation of the direct victim and of the person who has engaged in the misconduct. We therefore affirm as continuing goals for the Conference not only the resolution of complaints and the reconciliation of persons directly involved, but also the healing of all such indirect victims of the misconduct.

Sexual misconduct involving a clergy person should be reported to the clergy person's district superintendent or the presiding bishop. Misconduct involving paid staff, volunteers or other nonclergy persons should be reported to the pastor-in-charge, if any, or to other appropriate persons in accordance with guidelines and procedures that may be adopted by the Conference, by local churches or by other appropriate bodies within the Church.

The North Texas Conference is committed to the continuing, broad dissemination of this Policy Statement and of any guidelines and procedures adopted by the Conference, and to the continuing education of clergy and lay persons within the Conference for the purpose of preventing sexual misconduct and increasing awareness and understanding of the Conference's relevant policies and procedures.

2. PROCEDURES FOR REPORTING CLERGY SEXUAL MISCONDUCT

INTRODUCTION

The North Texas Conference will not tolerate and is committed to the eradication of sexual misconduct by its clergy. The ministerial office is a position of great trust, power and responsibility, offering the opportunity for unique relationships of grace and caring. Sexual misconduct is one of the gravest violations of this trust.

These Procedures provide a process for reporting incidents of clergy sexual misconduct within the North Texas Conference. They seek to create a safe, non-threatening environment in which aggrieved persons will feel comfortable revealing allegations of sexual misconduct. It is a continuing goal of these Procedures to provide an opportunity for a reconciliation and resolution that respects and protects the rights of all parties and that acknowledges the sacred trust between clergy and the persons they serve. They are not intended to supplant or substitute for the formal complaint process set forth in the 2008 *Book of Discipline*. The use of these Procedures is voluntary, and the failure to utilize or follow them is not a chargeable offense nor can it be used as grounds for an appeal of the result of any formal complaint, review, investigation, or trial process.

The implementation of these Procedures shall be under the supervision and control of the Bishop and District Superintendents, who shall have the authority to interpret and apply the Procedures.

STANDARDS OF PASTORAL CONDUCT

Pastors are accountable for their behavior with respect to the emotional, spiritual and physical well-being of persons who come to them for help or over whom they have any kind of authority. Breach of this pastoral relationship through sexual misconduct is unethical and abusive, even when sexual activity is initiated by the person to whom the pastor is ministering. Because of the trust and imbalance of power in such relationships, the person being ministered to must be presumed to be unable to give meaningful consent to any sexual activity with the pastor.

Because pastors often deal with individuals who are emotionally fragile and vulnerable, it is imperative that pastors:

1. be healthy psychologically, emotionally, and spiritually themselves;
2. have adequate preparation and education for helping individuals under their care;
3. have continued supervision in dealing with the inherent risks caused by dependency and/or transference; and
4. have the information necessary to make appropriate referrals.

Pastoral self-discipline requires self-awareness and takes the Christian standards and ordination vows seriously. Personal integrity and mature professional conduct must be brought to all relationships by every pastor in the North Texas Conference. The highest ethic of the pastor similarly prohibits any sexual behavior with a parishioner entrusted to his or her sacred care.

All clergy, single or married, have the responsibility of developing healthy personal relationships. Married clergy have covenanted to nurture and maintain their marriage relationship. When relational or sexual difficulties are present in a pastor's life, appropriate measures to address the difficulties should be taken.

Pastors who are appointed to parishes where there has been alleged sexual misconduct of their predecessor find themselves burdened with the inevitable consequences arising from the misconduct of

a colleague. There is a tension between caring for a colleague and caring for the covenant of the pastoral ministry. By "protecting" a colleague, we risk perpetuating a relationship or pattern of abuse and victimization. This compromises the credibility and practice of Christian faith and ministry. Thus the present pastor should take immediate steps, consistent with these Procedures, to address the alleged misconduct.

The procedures for dealing with clergy sexual misconduct place an unfair and unavoidable burden on the victim of such misconduct. It is in the best interest of the church to empower the laity through education and open discussion about what standards of conduct they may expect from their pastors.

DEFINITIONS

For purposes of these Procedures, the following definitions shall apply:

"Sexual misconduct" includes sexual abuse and sexual harassment, as such terms are defined in the Policy Statement. Sexual misconduct may include inappropriate physical contact or verbal behavior, including, for example, behavior that creates a hostile or intimidating environment and the explicit or implicit use of power or authority to coerce someone into sexual contact. Because of the imbalance of power inherent in ministerial relationships, sexual contact between a pastor and someone with whom he or she has a ministerial relationship constitutes sexual abuse even if the other person consents to or initiates the contact. More subtle behavior not involving physical contact may also constitute sexual misconduct. Further discussion and examples of sexual misconduct are included in the brochure entitled *"Maintaining Healthy Relationships: What You Should Know About Clergy Sexual Misconduct,"* prepared and distributed by the Division of Conference Relations of the Board of Ordained Ministry of the North Texas Conference.

An "allegation" is an initial report, either verbal or written, of an alleged incident of clergy sexual misconduct.

A "complaint" is a written and signed statement claiming misconduct, as set forth in ¶361.1(a) of the 2008 *Book of Discipline*.

An "aggrieved person" is a person who has experienced sexual misconduct by a pastor.

The terms "clergy" and "pastor" shall refer to all persons described in ¶361.1(a) of the 2008 *Book of Discipline*, which includes "local pastors, associate members, probationary members, and full members" of the North Texas Conference, "including those on leaves of all types, honorable or administrative location, or retirement."

A "Resource Person" is a trained lay volunteer person made available by the North Texas Conference to assist and support aggrieved persons in bringing an allegation or complaint of sexual misconduct, as more fully described in the North Texas Conference Procedure for Reporting Incidents of Clergy Sexual Misconduct.

The "Bishop's Committee on Sexual Ethics" (BCOSE) is the group given responsibility by the bishop to maintain the Resource Person program and lend guidance and accountability to the North Texas Conference in regards to abiding by the Sexual Misconduct Policies and Procedures.

CONFIDENTIALITY AND REPORTING

Allegations of sexual misconduct should be kept in the strictest of confidence and disclosed only at the times and under the circumstances specifically provided in these Procedures. The spread of such

allegations or accusations between colleagues in ministry or within congregations is harmful to the aggrieved person, the accused and to the integrity of the processes outlined in these Procedures and in the current *Book of Discipline*.

However, when clergy sexual misconduct occurs, the protection of victims, both past, present, and potential, requires that the misconduct be reported. Because of the covenant with the church which is an integral part of the pastoral office, it is a pastor's responsibility to call an offending pastor into account by immediately reporting information about sexual misconduct to his or her District Superintendent, the District Superintendent of the accused or the Bishop.

Pastors who become aware of an alleged incident of sexual misconduct by another pastor are to do their utmost to encourage and support aggrieved persons and to assist in the initiation of an allegation as provided in these Procedures. Every allegation of sexual misconduct must be taken seriously, and in no case should a pastor judge the validity of the allegation.

The requirement of confidentiality shall not prevent the Bishop or the District Superintendents from discussing allegations and related information with affected congregations, Staff Pastor-Parish Relations committees or others to whom it is necessary to make such disclosure, in accordance with the *Book of Discipline*, in order to protect actual or potential victims, to promote healing or for other appropriate purposes.

Although truth-telling is essential, respect must also be given to the role of pastors in receiving confessions and the sanctity of confidential relations. Nothing in these Procedures shall be deemed to require or permit a pastor to report or reveal information received in confidence as contemplated by ¶341.5 of the 2008 *Book of Discipline* and relevant decisions of the Judicial Council.

PROCEDURES

When sexual misconduct is alleged against a pastor, persons bringing allegations will be received in a respectful and caring manner. All allegations will be considered worthy of full investigation, with due respect for the presumption of innocence. Care will be taken to deal fairly and promptly with all those involved. This includes the aggrieved and his/her family, the accused and his/her family and the congregation or other institution.

The following procedures are established to facilitate the reporting of allegations of clergy sexual misconduct:

1. Aggrieved persons are encouraged to contact a District Superintendent, the Bishop or the designated representative of the Bishop's Committee on Sexual Ethics. Any of these contacts may refer the aggrieved to a Resource Person. An allegation may be brought by the aggrieved person or by anyone who has verifiable knowledge or reasonable indication of sexual misconduct and is willing to pursue a resolution. This may include, for example, a pastor or lay person in whom the aggrieved person has confided or who has reliable information from other sources about the misconduct.

2. The District Superintendent, the Bishop to whom the allegation is brought or the Resource Person to whom the aggrieved has been referred shall explain these Procedures to the aggrieved person or other person bringing the allegation and advise them that use of the Procedures is not a prerequisite to an aggrieved person's ability to bring a formal complaint.

3. If an allegation is brought initially to a District Superintendent, the District Superintendent

shall advise the Bishop that the allegation has been received. If the aggrieved person has not requested a Resource Person and desires one, the Bishop may assign one to assist and support the aggrieved person.

4. The Resource Person assigned shall provide full assistance to the aggrieved person throughout the process, including the following:

a. confirming that the aggrieved person understands these Procedures and the procedures contained in the *Book of Discipline*;

b. verifying and clarifying the allegation with the aggrieved person; and

c. requesting the aggrieved person to prepare, with the assistance of the Resource Person as needed, a written statement of the allegation, which shall include a description, in reasonable detail, of the alleged sexual misconduct and related events, circumstances, and dates.

5. If a complaint is forwarded to the Bishop or a District Superintendent, ¶361 of the 2008 *Book of Discipline* shall determine the process to be followed. These Procedures are not intended to limit in any way the actions the Bishop or District Superintendents may take in connection with their supervisory response to a complaint of sexual misconduct or to impose any duties on them inconsistent with the 2008 *Book of Discipline* or relevant decisions of the Judicial Council. The Resource Person may continue to assist and support the aggrieved person throughout the complaint process and may attend all meetings held in connection with the process.

6. Strict confidentiality shall be maintained before, during and after the conduct of the process outlined in these Procedures, and information regarding allegations shall be disclosed only in such manner and to such persons as specifically provided herein.

7. Because of the pain and disruption that necessarily accompany sexual misconduct, it may be necessary for certain actions to be taken following the conclusion of the processes outlined in these Procedures and in the 2008 *Book of Discipline*. The Bishop and District Superintendents are encouraged to take or require such actions as they deem necessary and appropriate in their best judgment, which actions may include, for example, processes for healing within the affected congregation or institution, further resolution of unresolved conflicts and support or counseling for aggrieved persons or accused pastors.

These Procedures establish a process for reporting incidents of sexual misconduct by any pastor (as defined above). They are not designed to address allegations or complaints of sexual misconduct by the Bishop or a District Superintendent. Persons who believe they have been affected by sexual misconduct by the Bishop or a District Superintendent may contact one of the Resource Persons for information and assistance in bringing a complaint in accordance with procedures contained in the current *Book of Discipline*.

RESOURCE PERSONS ON THE ISSUE OF SEXUAL MISCONDUCT

Resource Persons are volunteer laypersons who have been trained to provide assistance to persons who believe they have been victims of clergy sexual misconduct. Resource Persons represent the interest of aggrieved persons at all times and shall support the aggrieved persons throughout the process. Resource Persons are expected to work cooperatively with the Bishop, the district superintendents and the Bishop's Committee on Sexual Ethics.

Resource Persons shall be the initial point of contact with those procedures for any persons who desire to use them. A Person who believes that s/he may have been the victim of clergy sexual misconduct need not register an allegation or complaint and does not have to identify her/himself when requesting a Resource Person and making an initial contact.

Functions performed by Resource Persons shall include:

1. Explaining the church's processes and procedures
2. Providing resources and referrals
3. Helping the aggrieved person prepare a written summary of the allegation and if necessary, a formal complaint when requested by the aggrieved person.
4. Accompany the aggrieved person to meetings held in connection with the Procedures or in connection with the complaint process as allowed in the current *Book of Discipline.*
5. Calling to attention of the Bishop and the Bishop's Committee on Sexual Ethics any hostile, vindictive, or insensitive situations that arise during the process, or any failure to properly follow the Procedures or the complaint process outlined in the current *Book of Discipline.*
6. Giving feedback to the Bishop's Committee on Sexual Ethics regarding the process.

BISHOP'S COMMITTEE ON SEXUAL ETHICS

Under the direction of the Bishop or persons acting at the Bishop's direction, the Bishop's Committee on Sexual Ethics shall have the authority and responsibility for administering the Resource Person Program, to recruit volunteers to serve as Resource Persons, to provide training and continuing education for Resource Persons, to provide annual training for the chairpersons of Staff Parish Relations Committees of the North Texas Annual Conference, and to broadly disseminate and make readily available information about the Resource Person Program.

RECRUITING AND TRAINING OF RESOURCE PERSONS

The Bishop's Committee on Sexual Ethics recruits individuals to become Resource Persons who are known to have the qualities needed for this sensitive volunteer role. The BCOSE delegates one of its members to speak with the district Superintendent of the applicant's home church prior to discussing the invitation with the individual. Then the BCOSE invites the individual to complete an application form, which includes education, work history and an authorization for a criminal background check. All applicants are interviewed by a subcommittee of the BCOSE prior to being recommended to the Bishop, who writes a letter appointing the Resource Person.

The North Texas Conference is committed to the continuing education and proper training of Resource Persons. Initially, Resource Persons shall attend training recommended and planned by the Bishop's Committee on Sexual Ethics, which will include the following areas:

1. roles and expectations of the Resource Person(s);
2. local organization of the United Methodist Church;
3. leaders and their leadership positions in the North Texas Conference;
4. church and community resources;
5. the North Texas Conference Policy Statement on Sexual Misconduct and Procedures for Reporting Incidents of Clergy Sexual Misconduct; and
6. The *Book of Discipline* and relevant Judicial Council rulings.

The Bishop's Committee on Sexual Ethics will maintain contact with the Resource Persons and offer periodic education and training.

3. EDUCATION WITHIN THE CONFERENCE RELATING TO SEXUAL MISCONDUCT

DISSEMINATION OF POLICIES AND PROCEDURES

The Bishop, District Superintendents, and Resource Person(s) shall each have a copy of and thoroughly know the Policy Statement on Sexual Misconduct, Procedures for Reporting Clergy Sexual Misconduct in the North Texas Conference and be responsible for distributing such Policy and Procedures to clergy and local church chairs of Staff Parish Relations Committees, Administrative Councils, United Methodist Men, and United Methodist Women annually as these persons are elected. The clergy and the chair of the Staff Parish Relations Committee of every local church in the North Texas Conference shall have a copy of and be familiar with the Policy Statement on Sexual Misconduct, Procedures for Reporting Clergy Sexual Misconduct in the North Texas Conference and the complaint process outlined in the current *Book of Discipline*.

The Policy and Procedures of the North Texas Conference will be available to anyone who requests a copy.

Local churches will make available to their congregations copies of the brochure entitled "Maintaining Healthy Relationships: What You Should Know About Clergy Sexual Misconduct" and publish the name and telephone numbers of the District Superintendents and BCOSE contact (s). Throughout the year, copies of the brochure will be placed in accessible locations within local churches. (An electronic copy of the brochure can be found on the North Texas Conference website at http://www.ntcumc.org under Clergy Ethics.)

TRAINING AND EDUCATION

The North Texas Conference shall provide annual training to educate the clergy and laity about the complaint process in the event of allegations of sexual misconduct and to heighten awareness of the clergy and laity about the seriousness of the problem of sexual misconduct, thereby aiding in the prevention of this problem in our local churches.

The goals of the training include the following:

1. to explain the abuse of power and dynamics of trust in abusive relationships;
2. to provide behavioral definitions of sexual abuse and sexual harassment;
3. to describe the impact on the victim, the perpetrator, the families, and the church;
4. to explain the Policy and Procedures of the North Texas Conference and the United Methodist Church regarding sexual misconduct;
5. to explain legal responsibilities regarding minors;
6. to introduce the Resource Person(s) and clarify their role;
7. to define the risk to church vitality, attendance and giving, liability to individuals, congregations, and the annual conference;
8. to discuss the importance of healing and how the church is an agent in the healing process;
9. to explain the need for preventative measures;
10. to discuss the importance of local church policies and procedures addressing issues of sexual misconduct;
11. to distribute copies of the brochure entitled "Maintaining Healthy Relationships: What You

Should Know About Clergy Sexual Misconduct," and to explain its purpose and educational use; and

12. to provide resources for local churches

Training will be provided separately for clergy and laity. Professionals from the General Commission on the Status and Role of Women and/or others trained and knowledgeable about the issues of sexual misconduct will conduct the training.

The Board of Ordained Ministry, specifically the Committee on Conference Relations and the Residency Committee (who may choose to seek help from the chairs of the Order of Deacons, Order of Elders, Fellowship of Local Pastors, Fellowship of Diaconal Ministers, the Bishop's Committee on Sexual Ethics and/or the Cabinet), will be responsible for planning and organizing the training for clergy and diaconal ministers. Pastors and diaconal ministers from every local church or charge in the North Texas Conference and those in extension ministries and the District Superintendents will receive an announcement regarding the clergy training. Clergy and diaconal ministers will be expected to attend training a minimum of once every four years. Particular attention will be given to insuring the training of new pastors in the conference (through the residency program and district training events).

With the help of the Board of Laity, and the District Superintendents, the Bishop's Committee on Sexual Ethics will offer training to the laity through the District Training events in January.

4. RESPONSIBILITY OF THE LOCAL CHURCH

Each local church shall establish its own policy statement on sexual misconduct, consistent with the *Book of Discipline* and the policy statement of the North Texas Annual Conference, and shall establish guidelines and procedures for resolving incidents of sexual misconduct by persons other than clergy, including paid staff, counselors, lay volunteers and others.

5. PRIORITY OF THE BOOK OF DISCIPLINE

If any provision of these Procedures is in conflict with the 2008 *Book of Discipline*, the current *Book of Discipline* shall prevail.

G. MISCELLANEOUS

1. *Conflict of Interests.* In order to avoid conflicts of interest, the following rules shall apply:
   a. No one shall be a voting member of an Agency who is in the salaried employment of an institution that receives support from that Agency.

   b. No member of an Agency shall participate in that Agency's deliberation of or vote on a proposed grant to his or her local church.

   c. Each member of an Agency shall disclose to all other members of that Agency all potential conflicts of interest in which they find themselves placed because of church, business, or personal relationships with persons affected by the decisions of the Agency.

   d. No clergy member or diaconal minister member of this Annual Conference who is a salaried employee of any institution to which this conference contributes shall be a member of the board of trustees of the institution by which that person is employed.

2. *Local Church Officers*. The term of office of local church officials elected by the Fall

Charge Conference shall begin on January 1 and run for the length of their term.

3. *Amending or Suspending Standing Rules*. It shall require a two-thirds vote of all lay and clergy members present and voting to suspend or to amend any of these Standing Rules.

III. PROCEDURES FOR MEETINGS OF THE ANNUAL CONFERENCE

A. PRE-CONFERENCE PROCEDURES

1. *Lay-Clergy Equalization*. The following formula is the procedure used to determine the number of lay and clergy members of the Annual Conference.

a. Subtract the total number of lay members prior to equalization from the total number of clergy members. In making this calculation, the lay members required by section III(A)(1)(c) below shall be included. These people are described in section (c) below. The remainder is the Lay Equalization Factor (LEF).

b. Compute the District Membership Percentage (DMP) for each district as follows. If a district has *more* lay members than clergy members prior to equalization, subtract the number of local church members in this district from the total of local church members for the Annual Conference. Such districts will not compute a DMP. The resulting number is the Adjusted Lay Membership (ALM). Next, for each district that has *fewer* lay than clergy members, divide the total number of local church members in each district by the ALM. The resulting quotient is the DMP for that district.

c. The *Book of Discipline* provides that certain persons shall be lay members to Annual Conference. According to ¶32 of the 2008 *Book of Discipline*, these are: President of United Methodist Women; President of United Methodist Men; Lay Leader; District Lay Leaders; President of the Council on Youth Ministries; and two young persons under twenty-five years of age from each district. In addition, all Diaconal Ministers who are in full-time service appointment, all members of the Conference Leadership Team not otherwise provided for, and all elected Chairs of Agencies of the Annual Conference not otherwise provided for are lay members of the Annual Conference with voice and vote. These persons shall be elected to the lay membership of the Annual Conference by the District Section.

d. For each district with fewer lay than clergy members, multiply the LEF by the DMP. The product is the District Adjusted Lay Equalization Factor (DALEF). The DALEF is the number of additional lay members to be elected by the District Section to achieve lay/clergy equalization. Districts with more lay than clergy members do not calculate a DALEF.

e. The DALEF shall be computed as of January 1. The equalization lay members shall be elected by the lay members present at the District Conference from nominations made by the District Lay Leader, the District Superintendent, and the Lay members of the District Nominating Committee. Nominations may also be made from the floor of the District Section.

f. If the actual number of clergy in the Annual Conference increases after January 1, the

District Lay Leader of a district in which the imbalance occurs shall select lay member(s) from within the district to equalize the increase of clergy members.

g. If the formula fails to compute the exact number of additional lay persons per district to equalize lay and clergy numbers (due to the use of fractions in calculations), the Board of Laity shall be authorized to correct the imbalance through negotiation.

h. After the DALEF has been determined, the Board of Laity as a courtesy may rearrange among districts the number of lay members to be elected, in order that a district that has more lay members than clergy prior to equalization may elect additional lay members in its District Section.

i. Lay members elected under an equalization process by the District Section shall take office immediately and shall serve until the District Section elects lay members for the succeeding year.

2. *Election of Local Church Lay Members to Annual Conference*. The lay members to the Annual Conference may be elected annually or quadrennially at the Charge Conference preceding the regular quadrennial meeting of the General Conference. The term of office of lay members to Annual Conference shall begin on January 1 after their election at the Fall Charge Conference. If, for any reason, the Charge Conference is delayed until after January 1, their term of office shall begin immediately upon election.

3. *Notice of Legislative Items*. Agencies shall submit reports and legislation to the conference office in the form requested no later than April 1 for inclusion in the *Conference Workbook.* Any Annual Conference member or Agency may initiate legislative items at Annual Conference concerning matters which are not part of the *Conference Workbook* only if they are duplicated and distributed to Annual Conference members by the beginning of the day they are to be considered. This rule shall not be construed so as to preclude proper subsidiary motions or privileged motions.

4. *Proposed Amendments to Standing Rules*. In order that the Standing Rules Committee have time to consider proposals and forward them to the conference office by the April 1 deadline, proposed new standing rules and proposed changes in existing standing rules shall be submitted to the Standing Rules Committee no later than March 1.

5. *Notice of Procedural Rules*. Each year, the charts entitled "Common Motions: Ranking and Requirements (by function)" and "Motions: Ranking and Requirements (by rank)" shall be included in the Pre-Conference Workbook.

B. RULES OF ORDER FOR ANNUAL CONFERENCE SESSIONS

1. *Purpose of Rules of Order*. These rules of order are intended to allow the orderly consideration of the business of the Annual Conference, extend courtesy and fairness to all, ensure the right of the majority, protect the rights of the minority, and defend the rights of individual members.

2. *Definitions*. As used in these Standing Rules, the following definitions shall apply.

a. Adjourn. End a meeting officially. Adjournment is accomplished either by direct majority vote or by unanimous consent.

b. Agenda. List of items of business that the members of Annual Conference will

consider. An agenda has a specific arrangement and content.

c. Amend. Change a resolution or motion by adding, striking out, or substituting a word or phrase.

d. Appeal. A question that occurs when a member of Annual Conference questions (appeals) a decision by the presiding bishop because the member believes that an error in procedure has occurred. An appeal must have a second. The decision of the presiding bishop is sustained by a majority vote or a tie vote.

e. Call for orders of the day. A motion that brings to the presiding bishop's attention the fact that a specific item of business was due to come up in the meeting at a specified time.

f. Dividing the question. Separation of the parts of a motion to be considered and voted on as if they were separate motions.

g. Floor. The right of a person to address the Annual Conference and have the members' undivided attention.

h. Main motion. Method of introducing new business to the Annual Conference session. Only one main motion can be under consideration at a time.

i. Majority. More than half of the members present and voting on an issue. Those who do not vote are not counted in the final tally.

j. Motion. Proposal for action by the Annual Conference. A motion is introduced with the words, "I move that _____," (with the wording intended to become the Annual Conference's official statement of action taken if the motion is passed).

k. Parliamentary inquiry. A request for an immediate answer to a question concerning the rules of procedure. It is directed to the presiding bishop.

l. Point of information. A request directed to the presiding bishop for an immediate answer to a question concerning the background or content of a motion or resolution. The information requested does not pertain to procedure.

m. Point of order. A point raised against any proceeding or motion that the member believes is a violation of the rules. It must be raised at the time of the alleged infraction. The presiding bishop rules on the validity of the point of order. This ruling can be appealed.

n. Precedence of motion. Claim of a motion to the "right of way" over another motion. The attached charts summarize the precedence of various motions.

o. Presiding bishop. The Bishop of the North Texas Annual Conference, or another bishop designated by that Bishop, shall preside over sessions of the Annual Conference.

p. Previous question. Motion to close debate and vote immediately on a motion. Moving the previous question requires a second, is not debatable or amendable, and needs a two-thirds vote for adoption.

q. Question of privilege. If there is something wrong with the physical surroundings or a

situation arises that affects the rights of the entire assembly, any individual member can interrupt the motion under consideration to bring the matter to the attention of the presiding bishop. If the situation cannot be resolved informally, then the presiding bishop rules on whether the matter is a question of privilege and should be considered before business is resumed.

r. Reconsider. Motion to review a previous decision and vote on it again. It must be made by a person who voted on the prevailing (winning) side, and it requires a majority vote. Reconsideration may not be moved more than once on the same motion.

s. Second. Indication that a member wants a motion discussed by the members. The member says, "I second the motion" or "Second."

t. Table. Motion to place a main motion and all pending amendments aside temporarily, with the intention of bringing them back at a later time for action. Tabling a motion requires a second, is not debatable, cannot be amended, and requires a majority vote.

u. Take from the table. Motion to bring a previously tabled motion back before the Annual Conference. It requires a second, is not debatable, cannot be amended, and requires a majority vote.

v. Two-thirds vote. This occurs when there are twice as many people voting "Yes" as those who are voting "No."

w. Withdraw a motion. Take back a motion one has made. A person may withdraw a motion by merely requesting to do so up until the time it is stated by the presiding bishop.

After the presiding bishop has stated the motion, the person who made it can withdraw it only by the consent of the members.

3. *Order of Business*. The order of business of the meeting of Annual Conference shall be determined by the Annual Conference Planning Committee, which shall set an Agenda. The session shall open with a period of devotion, followed by a call of the roll, including the roll of the local pastors.

4. *Authority of the Presiding Bishop*.
Calling the Conference to order. When the presiding bishop stands in his or her place and calls the Annual Conference session to order, no member shall speak, address the chair, or stand while the presiding bishop stands.

Raising points of order. Any member of Annual Conference may raise a point of order. In order to do so, the member must cite specifically the rule he or she judges to have been violated.

Ruling on points of order. The presiding bishop shall decide points of order, whether raised by a member or by the presiding bishop, as necessary to conform to these Standing Rules.

Appealing a ruling on a point of order. Any member may appeal a decision on a point of order to the Annual Conference. In the event of such an appeal, there shall be no debate. However, the presiding bishop shall have five minutes to make a statement in support of his or her position, and then the person appealing shall have five minutes to make a statement in support of his or her position. Following the statements, the Annual Conference shall vote on the appeal; a tie vote

shall sustain the presiding bishop.

Recessing the session. The presiding bishop shall have the right to recess a session of the Annual Conference at any time at his or her discretion and to reconvene at such times as he or she shall announce.

5. *Opening a Question for Debate*. Before any subject is open to debate, three things must happen. First, a member must actually make a motion that the Annual Conference consider a particular issue. Second, in most instances, the motion must also be seconded. (Calls for orders of the day, calling a member to order, Agency recommendations, nominations, parliamentary inquiries, points of information, and withdrawal of motions do not require a second.) Third, the presiding bishop must restate the motion. For example, the presiding bishop may say, "A motion has been made and seconded that _____. The motion is open to debate."

6. *Obtaining the Floor*. When a member desires the floor, he or she shall proceed to a microphone and wait to be recognized by the presiding bishop. Each speaker should begin by stating his or her name and the church, charge, or other entity he or she represents. A member with the floor may be interrupted only to call for orders of the day, a point of order, a point of information, a parliamentary inquiry, or an appeal of the decision of the chair. A person who cuts off another speaker must state the reasons for the interruption. It is the sense of the Annual Conference that a speaker with the floor should not be interrupted, even for these listed reasons, unless the issue cannot wait until the speaker yields the floor.

7. *Limits on Speakers*. A member may speak for up to five minutes at one time on any question under discussion and only twice on the same question. No member shall speak for the second time until all members seeking recognition have had the opportunity to speak. The Annual Conference, by two-thirds vote, may change the rules about how often and how long members can speak during a debate.

8. *Types and Precedence of Motions*. There are four main types of motions: (1) main motions; (2) subsidiary motions; (3) incidental motions; and (4) privileged motions. Each type of motion accomplishes a different purpose and is treated differently.

a. *Main motions.* A main motion introduces a new item of business. Only one main motion can be considered at a time. Generally, main motions are secondable, debatable, amendable, require a majority vote, and can be reconsidered.

b. *Subsidiary Motions*. Subsidiary motions are motions applied to other motions to help the members dispose of the main motion. Here are the five subsidiary motions: table; previous question; postpone to a certain time; refer to Agency or committee; amend. These subsidiary motions fit into an order of precedence. This means that some subsidiary motions take precedence over others, and all subsidiary motions must be decided before the members can act on the main motion. This is the order of precedence for the subsidiary motions: 1) to table; 2) to move the previous question; 3) to postpone to a certain time; 4) to refer to committee; and 5) to amend. You can make any of these subsidiary motions when a lower order motion is on the floor, but you cannot make a subsidiary motion if a higher order one is being considered.

c. *Incidental Motions and Inquiries*. Incidental motions must relate directly to the business on the floor. Incidental motions take precedence over all other motions except privileged ones. They are: appeals; divisions of the question; and suspending the rules. In addition,

incidental inquiries are proper and have precedence over main and subsidiary motions. Parliamentary inquiries, points of order, and points of information fall into this category. All three are answered by the presiding bishop.

d. *Privileged Motions*. Privileged motions are different from subsidiary and incidental motions, because they do not deal with business on the floor. Rather, they deal with special matters of pressing importance. The three privileged motions (in order of precedence) are: adjourning, questions of privilege, and orders of the day.

The attached charts set out the precedence of motions and specify which motions need a second, which can be debated, which can be amended, and what vote is necessary for passage.

9. *Tabling Related Motions*. No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

10. *Referring Matters to Agency*. It shall be proper for the Annual Conference to refer to an Agency or specially created committee a motion, resolution, report, or a part of a motion, resolution, or report which is before the Annual Conference for consideration, or any amendment offered thereto.

11. *Substitutes*. When a motion, resolution or Agency report is properly before the Annual Conference for consideration and action, even if amendments have been proposed, a substitute motion, resolution, or report may be offered by any member moving that the same be substituted for the report or resolution under consideration. The Annual Conference shall then proceed first to perfect the original motion, resolution or report, including consideration and action upon any amendments which may be offered to it. The same perfecting process shall then be followed with respect to the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the motion, resolution, or report. However, a motion for the previous question shall not be in order on the adoption of the report or recommendation or on making the proposed substitution until opportunity has been given for at least two members to speak on each side of the question of substitution or adoption.

12. *Moving for a Vote on the Previous Question*. No member may call for a vote on the previous question until at least three members have been given the opportunity to speak on each side of a question. When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), that member shall indicate the question to which they intend it to apply. If the movant does not so indicate, the motion shall apply only to the immediately pending question. A motion for a vote on the previous question is not debatable. It requires a vote of two-thirds of those present and voting for its adoption. If the motion for a vote on the previous question passes, the vote shall be taken on the previous question without further debate.

13. *No Motion After Speech*. It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

14. *Reconsideration*. A motion to reconsider an action of the Annual Conference shall be in order at any time, but only if offered by a member who voted with the prevailing side. If the motion proposed for reconsideration is non-debatable, the motion to reconsider may not be debated.

15. *Voting Generally*. Voting rights shall be governed by the *Book of Discipline*. Voting procedures shall be determined by the Annual Conference Planning Committee, depending on the technology available at the site of the Annual Conference session. If the method generally used is not already secret, a vote by secret ballot may be ordered on call of any member, supported by one-third of the members present and voting. No other business shall be in order when a vote is being taken or when the previous question has been called until the voting process is completed, except such as relates to the vote itself, or business that can be appropriately fitted into the time while waiting for the report on the vote.

16. *Dividing the Question*. Before a vote is taken, any member shall have the right to call for a division of any question, if it is subject to such division as they indicate. If no member objects, the division shall be made. If any member objects and is seconded, the presiding bishop shall put the question of division to vote.

17. *Robert's Rules of Order*. Questions of procedure not answered by these Standing Rules shall be determined in accordance with *Robert's Rules of Order Newly Revised (2000)*, except when they are inconsistent with these Standing Rules or the *Book of Discipline*.

CONFERENCE LEADERSHIP TEAM

The Conference Leadership Team is composed of representatives from all conference agencies. Charged with the missional and programmatic oversight of the Annual Conference, the team appoints task forces to address priorities and needs as they arise, as well as following up on legislative items assigned to the team by Annual Conference.

Meeting on a quarterly basis, the team focuses on one or two agenda items that are in need of special attention. Written reports of the work of agencies are distributed at each meeting.

Within this journal are reports of the various activities of conference agencies charged with the responsibility of conference mission and ministry. These reports are testimony to what we are able to do when we are connected through a common mission. We are grateful to the many servant leaders who give of their time and talents in service to our annual conference and to Christ's Church.

ACCOUNTABILITY GROUP

With the beginning of a new quadrennium also has come a change in leadership for the Accountability Group. With diligent efforts on the part of many, there is now a full placement of officers for every ministry group under the auspices of the Accountability Group. We are continuing with priorities and goals set by North Texas Conference (NTC) leadership during the General Commission of Religion and Race site visit in February, 2003.

Assessing our priorities for beginning our work together as a new team, we found agreement on one of the Four Foci for the new quadrennium, that of *leadership development.* This is an area that needs our full attention across all ministries. It is vital that our clergy and laity groups develop plans and programs to identify, equip and nurture a diverse pool of leaders to move our church and congregations to the levels that we envision.

The **Committee on Religion and Race**, chaired by Dee Weaver, hosted its annual Ethnic/Racial Dialogue in February that proved to be a dynamic, inspiring event that allowed for open dialogue, new insights for ministry in ethnic communities, and opportunities for new voices to be heard. A remarkable step forward was taken by the **Anti-Racism Team** with the first ever Residents Training under the leadership of Rev. James Minor and Rev. Reid Fade assisted by laity representatives, Vicki Washington-Nance and Joe Nash. We welcome the new addition of Rev. Liz Moen who provides leadership for the NTC **Disability Concerns Committee** presently housed under the Health and Welfare Ministry of the Sending Servants Team**.** The committee has already hosted a Disability Ministry Symposium with other activities to follow. We are also fortunate to have Eliza Davis serve as the chair of **Commission on the Status and Role of Women (COSROW).**

Gratefully, many of our new leaders have had the privilege of attending many of the comprehensive training opportunities offered by the United Methodist Church. Now, we will pursue the work of moving the conference to embrace models of inclusive ministry and living in every community and every parish. We will work until we reach the height of our promise…**Open Hearts, Open Minds, Open Doors….no exceptions**!!

Anti-Racism Team: Building Hope Dismantling Racism

Without counsel purposes are disappointed: but in the multitude of counselors they are established. Proverbs 15:22, KJV

In light of the many changes happening in and around the Conference and the Team we sought to use this year to spend more time in review of our strategies and in counsel with others in the Conference and outside the Connection. We sought to keep the Conference's vision before us even as we keep it here before you.

This is the vision that we work under:

> **Through the power of the Holy Spirit, the people of the North Texas Conference of the United Methodist Church seek to fulfill the word of God by committing to the full participation of people of all racial identities including their gifts, their worldviews and their cultures.**
>
> **Being restored into the image of Christ, we claim our identity as an anti-racist, multi-cultural church where power sharing and inclusive decision making are practiced through clear lines of accountability to racially oppressed people; redefining and rebuilding relationships; and working to dismantle racism in the entire community wherein individuals, congregations, communities and society are transformed toward God's design for creation.**

We recognize that it is notable that we have made marginal progress toward our goal of gaining ownership of the fore mentioned vision in four of our six districts but we still have many miles to go. It was a major event to complete our first Residency Anti-Racism Class this year. The number of persons in the Conference who know and can identify our definition of "racism" and have some knowledge of our analysis of racism grows. That said we still recognized the need for us to better organize to find the churches that are moved and willing to commit to making a difference working to dismantle racism in our Conference. The task of the Team is to organize such churches and members and committees to own the definition and analysis and begin the real work of dismantling racism.

This year we spent time with clergy leadership in the Conference on a one on one basis. In the coming year we will seek to spend time with lay leadership in the Conference on a one on one basis. Both efforts have the goal of further clarifying our collective understanding of how and why dismantling racism directly impacts the success of our efforts to make disciples for Jesus Christ for the transformation of the world. Without a clear understanding of the grip racism has on us we cannot provide radical hospitality nor be effective in risk-taking mission and extravagant generosity. All that we do we do amiss. Recognizing the hold this enemy has we have sought counsel from a broad base. By hearing a multitude of voices we hope to assure we are not simply about completing tasks while producing no change; for, we are all about change. Change, radical change is what we were commissioned to facilitate in the North Texas Conference.

The Team partnered with the Dallas Peace Center 12/2006

Bishop's Committee On Sexual Ethics – Alice Zaccarello, Chair

BCOSE meetings

- Met monthly at noon, in 2008 having 10 meetings.
- Three members of the committee met with Bishop Bledsoe to acquaint him with the committee's work.

BCOSE has three areas of responsibility – Education, Advocacy, and Healing.
A summary of activities in each area follows:

Education Work

- Provided a speaker at seven District Lay Training meetings.
- Planned and provided clergy sexual misconduct training for Residents.
- Planned clergy sexual misconduct training for all clergy in the North Texas Conference, in early 2009, offering a choice of three dates in three locations, utilizing nationally known expert, Joy Melton. The theme of the training was Covenantal Integrity. A time for small group discussion of boundary and power issues was an important part of the training.

Healing Work

- Planned and held two half-day training sessions (led by the Response Team Coordinator) for the Response Team, which resulted in helpful guidelines for its work.
- Planned an all-day training for the Response Team, utilizing Jim Poling and Sara Rieth of FaithTrust Institute. The training had to be canceled and was rescheduled for April 2009.
- Responded to a request for a Response Team from a church where the pastor had been removed due to sexual misconduct. This intervention involved multiple visits to the church, as well as briefing and debriefing meetings. This, the first intervention by the Response Team, was gratifying because the committee saw that the Response Team was well trained and that the church to which the team was sent was very appreciative of the support.

Advocacy Work

- Maintained a readiness of Resource Persons to be of support to someone alleging an incident of clergy sexual misconduct.
- Assigned no Resource Persons during 2008.

We pray and hope that sexual abuse and sexual harassment will not occur in the North Texas Conference. We work to make this hope a reality.

Commission On Religion And Race – Dee Weaver, Chair

While the North Texas Conference Commission on Religion and Race continues as part of the Accountability Group, the Commission recognizes the vital role it can independently play in a

ministry that includes inclusiveness and mindfulness to concerns of laity and clergy around racial and ethnic issues.

As cited in the Conference Journal of 2007, there are various Asian, Hispanic, African American, Native American and African churches or fellowships in the conference. As part of its mission, CORR has continued to support and uphold the ministry of these churches/fellowships through providing minor budgetary support, providing "a listening ear" or through prayer dedications. Efforts such as the Ethnic/Racial Dialogue traditionally held in February and the Religion and Race Luncheon held in June at Annual Conference continue to provide opportunities for conversation and brainstorming around issues of concern to racial and ethnic minorities. Inclusiveness Awards presented to clergy and laity from throughout the conference continue to be a further outreach of the Commission. In conjunction with COSROW, monitoring of conference events, sessions and meetings continue to bring forward an awareness of God's diverse and beautiful human creation present throughout the North Texas Conference.

Commission On The Status And Role Of Women – Eliza Davis, Chair

The North Texas Conference Commission on Status and Role of Women (COSROW) continued to refine the monitoring process and the monitoring tool that is utilized during the Annual Conference Sessions to obtain data regarding the inclusiveness level of the conference during its proceedings. Greater effort will be made to provide daily reporting during the 2009 Annual Conference.

There was leadership present at the General Commission on Status and Role of Women quadrennial training in Florida in January and in Chicago in March. The Conference COSROW will focus on expanding the Commission membership to be inclusive and assess and prioritize areas of focus for the coming year.

CREATING CONGREGATIONS TEAM

“What is a healthy, vital church? It is a faith community dedicated to helping people meet, know and serve God through a Holy Spirit empowered relationship with Jesus. It is a congregation that expresses care and compassion for both its members and its community. It has leaders that know, own and live out the clearly-stated mission, vision and values of the church. It experiences numerical and spiritual growth. It has worship services that both inspire long-term members and are meaningful to first-time guests. It has a warm, welcoming environment and numerous opportunities for people to develop deep personal friendships. The ministry of the church leads to new people coming into a personal relationship with Jesus. It is both rooted in the historic theology of the Church and willing to try new ways to share the good news of Jesus with those not involved in a church.

What is a healthy, vital church? It is your church – or at least it can be! God calls every church to be a healthy, vital church. Small, large or mid-size, every church can be filled with spiritual energy and life. New or celebrating its 100th birthday, every church can reach new people with the life-changing message of Jesus. Rural, suburban or urban, every church can be filled with joy, hope and peace.

What is a healthy, vital church? It is the destiny desired by God for every church. Being one should be the goal of every church. Anything less and the church is trading the power of the Spirit for mere existence."

The above quote comes from the "Congregational Transformation Survey" prepared by Don Nations of DNA Coaching … the organization guiding the North Texas Conference's efforts at strengthening our local churches.

"Congregational Transformation" has become a vital part of the Creating Congregations Team during this year. One of the key goals of this new 3-year intentional process is to help us grow existing churches with the potential to become mother churches of new congregations.

We now have over 25 pastors who have completed the New Church Leadership Institute training as they discern where God may be calling them regarding planting a new church. With this many outstanding potential new-church pastors, we need to develop more mother churches capable of giving birth to new congregations -- one of the goals of Congregational Transformation.

In addition to the 4 new church starts of last year, Creating Congregations has worked to bring about:

a. The Munger Place Campus, an extension site of Highland Park
b. Provide interns for 3 'emerging church' worshipping communities
c. Falls Chapel, a new start in Wichita Falls
d. 1st UMC, Krum (re-location & addition of contemporary worship venue)

Discussion and planning is under way for at least three additional new church starts in the coming 12 months.

Respectfully submitted,

Richard Dunagin, Chair

EQUIPPING DISCIPLES TEAM

The purpose of the Equipping Disciples Team is to encourage and assist churches in their ministries. Within that large purpose, we organize in areas of ministry by age levels such as

children, youth, senior adults, college age or focus areas such as evangelism, spiritual formation, or stewardship.

Inspired by the evangelism task force, we chose to emphasize the evangelistic opportunity of any of these areas. Together, we read *Unbinding the Gospel,* which we recommend to any church seeking to move out of maintenance mode into a growing, joy-spreading culture. And we are trying to figure out new ways to challenge churches to think evangelistically in all programming. We are proud to highlight some of the work we have done this year and invite you to share with us your achievements as you have served in your local churches.

- Support of the Five Day Academy for Spiritual Formation.
- Stewards of Children seminars across the Conference.
- Children & Youth Ministries (See below).
- Continued support of four Campus Ministries (See below).
- Continued support of TUMCA (Texas United Methodist College Association).

Katherine Lyle, Chairperson

Life Stage Ministries

Children's Ministries. As United Methodists, persons in the Wesleyan family, we are living out of a legacy of focus on children and their discipleship. The Wesleys saw the need in the 18th century to educate the children of then urbanizing England. "Sunday School" was born! The focus on children and education should be our continual focus as well in the North Texas Conference. Children's ministers have gathered for networking sessions every month of 2009 and have participated in several events in 2009.

Youth Ministries. Today's adolescents are in need of good leadership, excellent ministry and a new & visionary theology. The picture of Jesus as an adolescent in the gospel of Luke gives the Church the example of pausing long enough to listen to today's generation to remember that the young people of today are *the present and future Church*. This communication is a representation of an inviting, nurturing and sustaining ministry with today's youth and those who work with them of The North Texas Conference of The United Methodist Church.

Family Ministries. One family theorist described families today as "brave new families." We are living in a rapidly changing world and the world is desperately grabbing at traditions for comfort. The Psalmist asks, "From whence does our help come?" Our help comes from the God who promised to be with the families of the Exodus, the families in exile, the families of nomadic traditions and the families of change. Life Stage Ministries endeavors to help churches understand the families in North Texas as they covenant together, encourage children together and grow together in love.

Camping Ministries. The North Texas Conference has been blessed by our camping and retreat ministries. Each of the program areas in Life Stage Ministries benefits from this great relationship. In the conference year, we have embraced a new Executive Director of Bridgeport, Trueman Hoffmeister. As children's Bible retreats, youth midwinter camps and many churches in the North Texas Conference participate at Bridgeport and Prothro, we give God thanks for the blessing our camps give to people of the North Texas Conference.

Here are the programs and events that nurtured and sustained Life Stage Ministries:

- Confirmation Celebration with the Bishop was hosted by First United Methodist Church in Denton. The lay people, adults and youth included, of FUMC-Denton created a space for the celebration that was open and inclusive. There were 1250 confirmation students and their leaders who sang, played and worshipped. In 2010, the Confirmation Celebration with the Bishop will be held on February 7 from 2 p.m. to 5 p.m. back at FUMC-Denton.
- The Conference Council on Youth Ministries provided leadership for three Youth Midwinter Spiritual Life Retreats in January and February with the theme, "Christian Re-Defined." Attendance for the three retreats was 523. Three midwinter retreats will be held at Bridgeport Camp in 2010: January 29-31, February 5-7 and February 19-21.
- Youth Annual Conference 2009 was held at the beginning of March 2009. The theme for the event was advocacy. Youth were empowered to understand and grow in their knowledge of the United Methodist Church and the helping agencies within its bounds. Also, the Conference Council on Youth Ministries held elections for four new members to the team. Youth Annual Conference 2010 will be held March 5-7.
- Children's Ministries sponsored a Bible Retreat for 3rd, 4th, and 5th graders at Bridgeport in Fall 2008. 180 participated in the event. The event covered the New Testament of the Bible through experiential activities. The Bible Retreat will be at Bridgeport on September 18-19.
- Summer Camps 2008 were a huge success. Over 2500 persons participated in the summer activities. We are looking forward to another great summer 2009. The Children's Camps theme is "iPray," modeled after teaching children different ways to pray and introducing "apps" for prayer. Youth Camps theme is "Unity," modeled to encourage identity in the United Methodist Church as well as nurturing a unity of God's will with our own. Register for camp at www.bridgeportcamp.com. SEEK (Summer Events for Exceptional Kampers) Camps for children, youth, young adults and adults continue to flourish. This is a ministry all persons can feel called to. If you would like to serve at a SEEK Camp contact the Life Stage Ministries Office.
- C2K (Connect to the Kingdom) had a very successful summer 2008, as well as a strong fall hosting teams and groups for growth and team building. Summer 2008 was one of our largest summers in the eight year history of C2K, with over 500 participants. Special thanks to Charles Harrison for his diligence in maintaining the building and his visionary leadership for this growing program. Register your team at www.c2kdallas.org.
- Family Ministries hosts two visions for our conference. The first vision is family life education. Family Ministries hosted a "Stewards of Children" event in the spring and are looking forward to more opportunities for service at the Ministry Center and in local churches. The second vision is marriage education and enrichment. As part of a wider vision for family life in North Texas, Family Ministries will be encouraging churches to participate in the state's "Twogether in Texas" program. This program educates and helps engaged couples learn about married life. The North Texas Conference will be hearing much more about this in the coming annual conference year.

Higher Education And Campus Ministry

After an absence of over five years, a 'Blue Ribbon Higher Education and Campus Ministry' task force has been recruited. These are persons with a passion for HECM and persons who have the skills and abilities to advance HECM in the North Texas Conference: Judith Reedy (Chr.), Javier Escalera, Billy Ratcliff, Andy Stoker, Tom Talbert, Christy Thomas, Duane VanGiesen, Carole Walker (Commerce), Brady Waters.

The task force is just beginning its work in understanding the scope of all their responsibilities, which can found in ¶634 of the 2008 Discipline (pages 419-427).

Texas A& M, Commerce Texas Aleze Fulbright, Campus Minister

Invigoration and transformation are being experienced at this campus ministry, all based on the foundational principles of: Connection, Growth, and Service. All the programs and activities are aligned using these principles. Participation has doubled during the Fall 2008 and Spring 2009 semesters, and new student leaders are being developed. The annual FUN-raiser helped expand the computer lab, as it was determined that many students don't have ready access to a computer.

University of North Texas & Texas Woman's University Cammy Gaston, Campus Minister

This is a 'model' campus ministry, offering weekly worship, mission opportunities, small group Bible studies, hospitality meals, fellowship events, and activities for social justice. Three outstanding music groups are at the core of this ministry: Seraphim Choir, Chi Rho band, and Illuminare. An impressive outdoor amphitheater has been built in front of the Wesley Foundation in memory of Melanie Goodwin, an active leader whose life was tragically taken. The next building project is to somehow enlarge the very inadequate kitchen from which 125 students are fed weekly. Visions of a 2nd floor which would make possible a much larger worship/activity space have been developed. While this proposed addition is impressive, so is the cost. With it, this campus ministry could very well average 200 in worship.

Paris Junior College, Paris, Texas Ed Dodd, Campus Minister

You have to see it to believe it, 80-100 students squeezing into our small Wesley Foundation cottage for lunch, which is located across the street from the college. Also impressive is how the students respect the times of prayer and meditation. The Board is actively working on ways to expand this valuable ministry. A large property behind the Wesley Foundation has been purchased and the aging house on the property was removed. Visions of a much larger and more adequate facility are on the drawing board, and a capital campaign committee is being formed.

Midwestern University, Wichita Falls, Texas Cheryl Murray, Campus Minister

This campus ministry also includes students from Vernon College and Wayland Baptist University. The Wesley Foundation building had to be demolished in April 2007. Since then, University UMC has been most gracious in hosting our campus ministry in Wichita Falls. Local churches help make possible a weekly luncheon which is getting close to hosting 100 students. The Thanksgiving meal attracted 120 students. The community continues to support the Pumpkin Patch, which had a profit of over $6,000 in 2008. Bible Studies are held several times a week, both off site and on campus, one beginning at 10:10 PM to accommodate students who work in retail stores. Several students will attend the General Board of Higher Education and Ministry Student Forum in May in Shreveport, LA. It is the hope to replace the building which had to be demolished, and the Board and Building Committee have been diligently working on this for several years.

Many of our young pastors and church leaders are formed in our campus ministries, so thank you for your continued support of this critical ministry.

Judith Reedy, Chairperson

SENDING SERVANTS TEAM

The Sending Servants Team has the specific responsibility of promoting and overseeing Conference level missions and outreach. The Gospel of Jesus Christ is a transformational message of hope. This message desperately needs to be heard and experienced by the world. Each of the work areas represented on Sending Servants is oriented toward this goal. United Methodists in the North Texas Conference unite to transform the world and offer hope in the name of Jesus Christ, and we ourselves are transformed in the process. We encourage local churches to practice balanced ministry. We believe that worship and discipleship need to be balanced with a commitment to global justice, compassionate outreach, and concern for the creation. I commend to you this report on the ministry of Sending Servants during 2008/09.

Church And Society – Robert Diggs, Chair

Stamping out killer diseases by improving health globally – Our efforts have centered on Caring for Creation and supporting efforts to improve health insurance for children.

- We continue to encourage sustainable environmental efforts, green building programs and creation care ministries in local churches. Rev. Mel Caraway led a team of five from the North Texas Conference at the recent Caring For Creation Conference in March.
- We ask each local church to join with us by supporting the resolution to Annual Conference 2009 to formalize the "Green Team" efforts begun in 2008. This team will be a resource to all churches in the North Texas Conference as they seek to Care for Creation.
- We continue endorsement of the "Breath of Life" program from Texas Impact, a program designed to "clear Texas air one congregation at a time." All North Texas Congregations are encouraged to participate by becoming members of Texas Impact and Texas Interfaith Power and Light.
- We presented four special programs on Ensuring Environmental Sustainability. Audiences included 200 at the UN Day event in November and the Conference of United Methodist and Uniting Churches Women in September, 2008.
- We continue to join with United Methodist Women, Texas Impact and other organizations to support efforts to improve health care for children throughout the state.
- We endorse awareness programs for HIV/AIDS locally and internationally. We ask each local church to join us by supporting the resolution to set the first Sunday in December as HIV/AIDS Awareness Sunday. We further ask for support in reaching our commitment of raising $160,000 for the UMC Global AIDS Fund.

Engaging in ministry with the poor – We support efforts in the areas of Peace with Justice and Restorative Justice.

- We continue to support restorative justice ministries in North Texas. We ask each local church to join with us by supporting the resolution to Annual Conference 2009 recognizing the understaffed Chaplaincy in Texas prisons. We are encouraging every local church to engage in some form of Prison Ministry to alleviate that shortfall.

- Task Force leadership attended the National Restorative Justice Conference in May
- We support Justice for our Neighbors immigration clinics and efforts to broaden their impact. We ask each local church to join with us by supporting the resolution to Annual Conference 2009 calling for continued support of the JFON clinic in our Annual Conference. Church members are encouraged to share their time, talents, gifts, service, and witness by engaging in JFON services, education and advocacy opportunities.
- A Peace with Justice Coordinator continues to be a member of the Task Force. Promoted Peace with Justice Sunday, June 7.
- We supported the Interfaith Immigration Prayer Vigil in February in conjunction with United Methodist Women and the General Board of Church and Society. This event was one of 170 Prayer Vigils nationwide.
- We supported the Genocide in Darfur awareness event in April in conjunction with United Methodist Women and the General Board of Church and Society.

Developing principled Christian leaders – We promote Leadership Development through the formation and sustaining of partnerships with Community, National, and International organizations:

- We continue to support the work of the Dallas Peace Center and their annual awards banquet and summer lecture series.
- We are actively engaged with Texas Impact. Rev. Mel Caraway represents the North Texas Annual Conference and continues to serve as President of that board.
- Rev. Bill Matthews currently serves as President of the Texas Division of UNA USA. We supported the UNA-USA national gathering in Washington, D.C.
- In January, Church and Society leadership attended the *Living the United Methodist Way: Turning Worlds Upside Down* Quadrennial Training.
- Several members attended the Welcoming the Sojourner Event September 11-13, at Hendrix College in Arkansas.
- Organized and staffed an exhibit at the WorldFest of DFW International Community Alliance in October. Rev. Bill Matthews serves as Vice Chair of that Board.
- Several members attended the UMW Legislative Event in Austin in January.
- We hosted Janet Lahr Lewis, a missionary of the General Board of Global Ministries of the United Methodist Church serving in Jerusalem, Palestine, as she spoke to NTC congregations on the situation in that region.

Creating new places for new people by starting new congregations and renewing existing ones – Church and Society supported a grant request by Church of the Disciple DeSoto to the General Board of Church and Society to develop new outreach programs to the neighborhood.

Communities Of Shalom – Rick Hawkins, Chair

The eight NTC Shalom Communities have been God's hands and feet in many ways. We gathered in December for the annual end of year celebration to acknowledge our accomplishments and disappointments during the previous year. There were 30 representatives from the eight sites in attendance. Plans are underway to develop training for retooling representatives from all sites in 2009 and participating in the National Shalom Summit in Columbia, SC in October.
Highlights from each site:

Ferris continued their participation in local events, i.e., National Night Out, Brickfest, Juneteenth and Fall Festival as a mean of community-building. The Juneteenth parade had 175 attendees. They honor their senior citizens at Thanksgiving by preparing, serving and delivering meals with all the

Thanksgiving trimmings. Their annual Sweet Potato Drop and Fourth of July flag distribution(1000) with the Boy Scouts continue to give them visibility and presence in the community. They also began providing assistance to community residents having to travel long distances for medical treatment and established a scholarship to support seniors and existing college students from Ferris.

The ***Peniel*** community of Greenville continues to face an ever-growing diverse population with concerns of poverty, education, housing and crime. Partnerships with other community organizations and churches allowed them to meet needs and address concerns they could not have done alone. They have created economic development by hiring residents in need of work to provide skills to Peniel's elderly and disabled home repair project. Working at Salem-Kinser they saw the need for a new ministry, providing Memorial Services for indigent persons of the community.

Lambuth community of Dallas is now **Community UMC Shalom** of Dallas. In their new location, they have continued to engage in the crime watch program, and outreach. They offered weekly computer classes and explored the possibility of offering the L'Arts Academy, an after-school home work and tutoring program for students of community schools. Through community walks and meetings they are working to establish successful partnerships in their new location between the church, schools and community.

Eastside community of Wichita Falls has gone through transition. The Power Meal on Wednesdays with support of our UMCs and others, continue to be foundational to the ministry to the Eastside community. They participated in the Harvest of Hope, a back to school event and carnival to provide school uniforms (700), school supplies and personal toiletries to families. They have plans for refurbishing their Shalom House (parsonage) and starting a college tour to encourage pursuit of higher education by youth.

Highland Hills community of Dallas continued its Summer Music Camp for community children and youth, ages 6-14, offering music, dance and art. The program creates jobs and offers scholarships. Their support of the church's Hearts and Hands Ministry continues to meet the needs of the hungry through the food pantry and provide clothes, coats and meals to area homeless. Their health initiatives this year focused on screenings throughout the year. They have plans to continue expanding their resources for assisting the homeless and begin focus on restorative justice ministry to assist the incarcerated with transitioning back into society.

North Town community of Denison sponsored SWAP (Seniors with a Purpose), taking two busses of high school seniors (80) on a visit to Prairie View A&M University. Their community-wide Vacation Bible School served over 100 children and adults. The annual Back to School Festival had approximately 200 persons of all ages. They offered a basketball competition, health screenings, games and great food. They have completed renovation on their Shalom House (parsonage) so that new ministries and community resourcing can begin. They hosted a Health Fair as well.

SE Dallas Cooperative Parish of Dallas while restructuring their Shalom Team and focus have continued offering its "Justice For Our Neighbors" immigration clinic which served 572 neighbors (clients) from 30 different countries. Other ministries also continued: The Caring Services ministry serving senior citizens, after school tutoring for community children, Project Transformation, Amigos Days, ministry to youth, affordable housing for persons over 62 years, ESL classes and Angel Food program.

Community Development – Jack Soper, Chair

Throughout this Conference Year many United Methodist Churches have been creating exciting ministries that have provided relief during difficult times. Through the generosity of those who give to *New Visionaries*, grants are awarded to congregations to support their work. The Community Development Task Force has the responsibility for distributing those funds to churches that qualify.

The Community Development Task Force receives 25% of the funds collected through *New Visionaries*. The stated purpose of the task force is, "To provide funding for the development of Foundry Churches, Communities of Shalom, Ethnic Ministries and…new programs that improve directly the communities surrounding North Texas Conference United Methodist Churches." Grants up to $10,000 are given. The following is a sample of the ministries that have been supported by your generosity in the past Conference Year:

- Mt. Calvary United Methodist Church in Wichita Falls has plans to renovate an old parsonage to further the ministries of a Shalom Zone so that the church will be better equipped to meet the needs of the homeless, those out of work and students.
- For decades Warren United Methodist Church has been a place of refuge for those who struggle. With help from Community Development the congregation has been able to serve meals to those in their community year-round. They needed tables and chairs to provide hospitality in Christ's name.
- Christ Foundry of the United Methodist Church is a beacon for all to see so Community Development funded a leadership training retreat to equip a new generation of leaders in ministry at that site.
- Camp Wisdom United Methodist Church in Dallas, also a Community of Shalom, has established a covenant relationship with a DISD elementary school in their parish where 89% of the students are identified as economically disadvantaged. The children will be tutored, fed nutritious food and loved.
- Oak Cliff United Methodist Church was provided a grant to help renovate a room for community youth ministry. Residents in the parish are low-income and Hispanic. They have been drawn into the church through the work of Project Transformation.

Those are only a few of the projects that have received grants. There are many others that could not be assisted due to the unavailability of funds. The only source of Community Development money is *New Visionaries* so all local congregations are asked to advance the *New Visionaries* program to insure the continued creativity of dedicated United Methodists who know the needs of the people who live in their communities.

Applications are considered three times each year.

The Community Development Task Force includes members nominated by the Conference nominating committee. They are charged with visioning and planning various community development ministries. Rev. Jack Soper is the chairperson of the task force.

You can find more information and a grant application on the Conference website: www.ntcumc.org. Below the banner click on "Mission/Outreach" and then in the right hand column click on "Community Development."

Ecumenical Ministry Team – Sam Martin, Chair

2008 has been a transitional year with the start of the new quadrennium. New leadership was appointed in October and the Ecumenical Ministry Team (EMT) has been assembled. NTC members have continued to play a role in the restructuring of the Texas Conference of Churches (TCC). TCC had a combined Annual Assembly and a Faith and Order Conference in November and seven EMT members were in attendance. TCC is targeting November 2009 for emerging from reorganization. There is a critical need for a statewide ecumenical presence and we are hopeful that TCC can continue to fill that need.

EMT was strongly represented at the Week of Prayer for Christian Unity in January of 2008. Bishop Norris was a principal speaker at the Thursday evening worship service.

The team was present at General Conference in Fort Worth for the Bridges of Unity Endowment Fund Banquet where the first Bishop James K. and Eunice Matthews Bridge Builder Award was presented to The Honorable Ellen Johnson-Surleaf, President of the Republic of Liberia. President Johnson-Surleaf is a graduate of Africa University. The banquet is a program of the General Commission on Christian Unity and Interreligious Concerns.

EMT rolled out its two hour workshop on ecumenism for local churches and made its first presentation in May 2008. The workshop is called "Bound by Love" and is available to all local churches in the Conference. We also added our webpage to the NTC website. We can be found in the Ministries section under the Sending Servants Team. We have useful information and links for those who need assistance with ecumenical and interfaith issues.

The Ecumenical Ministries Team continues to support the Conference by serving as the eyes and ears for ecumenical and interfaith issues and advocacy. Feel free to contact us with questions or concerns. The team includes Sam Martin- chair, Jennifer Akins, Carol Berglund, Judith Brandt, Nancy DeStefano, Terry Heislen, Irene Jackson, Bill Matthews, Greg Neal, Judith Reedy, Troy Sims, Leo Tipay Jr. and Dave Yunker with Conference support from Fred Durham and Sally Vonner.

Global Ministries – Chris Allen, Chair

The key measurable objectives achieved in 2008 and in the first quarter of 2009 by the North Texas Annual Conference Board of Global Ministries are as follows:

- The Conference Board of Global Ministries continued its support of the United Methodist Women's Cooperative Mission Event with a donation of $2,000.
- In addition, the Board of Global Ministries held its annual Mission Forum in cooperation with the Volunteers in Mission or (VIM) Task Force. There were approximately 100 persons in attendance. There was a good response to our General Board of Global Ministries representative, Fred Price, who spoke on the ongoing need for mission and ministry, both home and abroad. Fred presented the need for each Annual Conference to support its assigned missionaries through the establishing of covenant partnerships where a church gives a minimum of $2,500 per year toward missionary support. Smaller churches can establish a covenant partnership by giving $5 per member per year. At present, the North Texas Annual Conference has seven covenant partnerships, which account for approximately two percent of our churches. We, the North Texas Annual Conference, gave $57,000 in covenant and noncovenant mission support for our missionaries in 2008. The General Board of Global Ministries has challenged us to

increase our covenant partnerships by at least ten. We were told that several new partnerships were established at the Mission Forum. Our keynote speaker was Don Richter who is with Valparaiso University. Don wrote a must read book, "Mission Trips That Matter," for all interested in sending people on mission trips. Other speakers and exhibits were also featured.

- At the 2005 North Texas Annual Conference, Cameroon was voted as an official North Texas Conference mission initiative. The goal of the Cameroon initiative is to start new churches, build health care clinics, establish youth centers and develop pastoral leadership. In October of 2008, a fund raising dinner, "Wheels for Cameroon," was held at Lovers Lane United Methodist Church in order to raise money for the purchase of transportation to be used for missional purposes in Cameroon. The dinner was successful, raising over $28,000 toward the purchase of a van. The Board of Global Ministries Task Force for the North Texas Annual Conference donated $4,000 toward the purchase.

Other noteworthy mission activities in the North Texas Annual Conference were:

1. A luncheon, "Rwanda, a land of beauty…and heartbreak," was held at the conference office to promote awareness of the needs of the ravaged nation of Rwanda. The focus was upon a particular aspect of mission in Rwanda, "The Zoe Ministries Giving Hope Program." The purpose of the program is to provide an innovative solution to the crisis of orphans and vulnerable children in Africa. The Board of Global Ministries Task Force gave $541 for the purpose of supporting the event.
2. "The Transforming Power of Mission" was a response by the North Texas Connectional Ministries team to Bishop Schnase's book, "The Five Practices of Fruitful Congregations." Fred Durham and Marji Bishir coordinated the event, which was held in five locations across the conference. A strong response was given to support mission by those attending.

Health And Welfare – Ann Barton, Chair

Health and Welfare Ministries organized itself for the new quadrenium seeking to build an inclusive membership of ethnically diverse lay and clergy, women and men from each of the districts. The mission of our group was established to 1) promote increased awareness of and support to institutions of health and welfare that relate to the North Texas Conference; and 2) assist local churches in identifying needs and developing health and welfare ministries in their communities. To this end, at the conference Mission Forum in March, we provided leadership for a workshop for identifying and developing local congregational health and welfare ministries. Further, members of our committee from Methodist Hospital who serve as resource people for congregational health led a district day on Clergy Wellness in the Paris-Sulphur Springs District in February. The other districts have been made aware of the availability of this program resource.

An active subcommittee of Health and Welfare Ministries, the Disability Concerns Committee was formed in January 2008. We began by brainstorming ideas and setting goals. One of our first goals was to increase conference-wide awareness of the committee's availability as a resource and of the need for accessibility, evangelism, and ministry growth in this area. We began our awareness campaign with the creation of a logo for branding, which was then used in print publicity, on t-shirts, and on a banner. We then staffed a booth at Annual Conference 2008 where we distributed information about Special Needs Ministries to churches and gathered information about current ministries around the conference. In January 2009, we took our awareness message to the Paris-Sulphur Springs District as the plenary presentation for District Training Day.

A second goal for the committee is to support local churches in their efforts to improve accessibility, evangelism and ministry with persons with disabilities. Following Annual Conference 2008, the committee provided consultation to four churches regarding physical accessibility, starting new ministries, and meeting needs of deaf children in a church preschool. In order to reach more churches, the committee held its first Disabilities Ministry Symposium in February 2009. Representatives from 18 churches participated in Disabilities Awareness Worship, with breakout sessions focusing on evangelism, accessibility, and ministry planning. Mrs. Leslie Bledsoe was the keynote speaker for this event.

Mission Personnel – Preston W. Weaver, Chair

The Conference Committee on Mission Personnel (CCMP) has, in collaboration with the General Board of Global Ministries, reorganized and established some objectives addressing the need for commissioned missionaries from the North Texas Conference. Currently, only two full time commissioned missionaries call the North Texas Conference their home. Three new individuals have inquired about mission service. There should be more!

In March, 2009, the CCMP contacted Senior Pastors and Mission Chairpersons soliciting their help in recruiting persons within their congregations who have an interest or have discerned a call to mission service. By March 2010, we plan to have visited with 25% of the congregations in the North Texas Conference (via Mission Meetings, Administrative Council, Leadership Training Events, Worship, et al) or insert information in their Church Bulletin or Newsletter publicizing this most important ministry area.

The CCMP, a committee of local clergy and laity within the North Texas Conference, is intent on meeting this need. We are committed to mission service and we are responsible for recruiting, guiding and mentoring interested persons through the application and discernment process for mission service.

United Methodist Committee On Relief, Part I – Clay Womack, Chair

During this past "Methodist year" of 2008/09, our United Methodist Committee on Relief (UMCOR) has continued to faithfully serve our Lord Jesus Christ by effectively serving his sisters & brothers - globally and close-to-home. UMCOR remains on the front line of care and brings hope through its six venues of activity: Emergency Response, Health, Refugees & Immigration, World Hunger & Poverty, Relief Supplies, and on-the-ground integrated solutions through the dedicated activity of staff persons in the UMCOR Field Offices around the world. Visit the UMCOR website and explore the full range of your agency's response to human need: www.new.gbgm-umc.org/umcor.

North Texas United Methodists continue to keep UMCOR close to their hearts … and very much in their actions. In the past conference year you have generously offered financial resources through the Advance, donated relief-commodities to Sager Brown Depot, stepped up with your Volunteers-in-Mission energies, rallied treasure – service – and prayer toward our neighbors impacted by Hurricane Ike, and equally important, supported the **One Great Hour Of Sharing** offering.

PLEASE continue to respond with a One Great Hour Of Sharing offering at your church. If One Great Hour Of Sharing is not, at present, on your congregation's radar screen, suggest OGHS's value: the One Great Hour Of Sharing is the sole source of support for "keeping the lights on" at UMCOR (ie - the daily costs of being open for business & initially assisting serious needs not yet fully funded through designated Advance gifts). UMCOR receives no World Service support or any other apportioned monies. Commitment to the One Great Hour of Sharing Offering allows

UMCOR to take your designated gifts and devote 100% of those gifts to the specific need targeted by you. Lent's season is the traditional time for receiving the OGHS, but your congregation can claim this opportunity anytime during the year. Please do so!

Kudos to the following congregations who have been One Great Hour Of Sharing participants since June of last year, to-date: Argyle, Wichita Falls St. Marks, Plano Christ, Dallas Walnut Hill, Iowa Park, Plano First, Whitesboro, Denton First, Kessler Park, Van Alstyne, Flower Mound, DeSoto First, Sherman Grace, Vista Ridge, Ducanville Trinity, Gainesville First, Kaufman, Sanger, Salem-Kinser, and Bonham Wesley. Great thanks to these congregations, their lay leadership, and pastors!

These twenty congregations mark a good start for OGHS in 2008/09 -- but we pray, only a good start: may the North Texas Conference come on strong for One Great Hour Of Sharing as we enter the second half of 2009.

United Methodist Committee On Relief, Part II –

Two subcommittees of UMCOR, Disaster Response and Justice For Our Neighbors share their journey over the past year:

Disaster Response – Marji Bishir

The Disaster Response task force spent a large part of 2008 continuing to support the Cooke County, Grayson County, and Wichita County disaster relief committees with financial assistance related to the 2007 floods. All 2007 flood money has been disbursed to help those in need to recover from these widespread floods.

Disaster Chaplaincy training was hosted by the NTC in March 2008. Several UMC pastors were trained and certified to serve as Chaplains during disasters by Victim Relief Ministries.

During the summer of 2008 Hurricanes Gustav and Ike hit the Texas coast and we responded by sending health kits and flood buckets from our Sigler Depot in Bellevue Texas to the Texas Conference at their request. We replenished our supply of bucket and kits with donations from the various churches and are now ready to respond again as needed.

Our largest growth area for 2008 was in Early Response teams. Our conference now has one fully certified UMCOR trainer and four partially certified trainers. Any church wanting to start an Early Response team is urged to contact the conference office to set it up. Trainings were held at Stonebridge UMC in November 2008, with many more planned for 2009.

Justice For Our Neighbors – Dawn McMullan, Dallas

JFON Task Force Chair and NTC Refugee and Immigration Ministry Coordinator

Justice For Our Neighbors (JFON) was blessed in 2008 with the continued support of the North Texas Conference and its churches. In its ninth year of ministry, JFON served over 750 low-income immigrants in our communities, receiving them in Christian hospitality and providing them with free, high-quality immigration legal services. In addition, Justice For Our Neighbors continued to offer citizenship preparation classes through the help of dedicated volunteers. On May 3, JFON celebrated its 10th Anniversary on the grounds of Pleasant Mound-Urban Park UMC in Dallas.

In 2008, the staff of Justice For Our Neighbors was joined by a commissioned missionary of the General Board of Global Ministries serving through the Church and Community Worker Program.

In her role as volunteer and outreach coordinator, she will continue to build bridges between the church and the immigrant community, as well as promote education and advocacy relating to immigration and faith.

Volunteers In Mission – Dana Coker, Chair

The Volunteers in Mission (VIM) Task Force has new leadership and several new members to the committee this year, so we have spent some time intentionally clarifying our purpose and goals as a committee. The VIM Task Force is charged with the work of giving leadership to the conference in matters pertaining to the General Board of Global Ministries Mission Volunteers program by raising awareness, increasing participation, and increasing support within the conference for VIM projects and for local programs and events related to mission volunteers.

We believe our work relates to all four focus areas of the General church, and is therefore vital. Therefore, we have renewed our efforts to equip the conference through 1) Grants meant to encourage first time projects, 2) Training events to equip leaders throughout the conference to lead effective mission projects, 3) Intentional mentoring to help churches not currently active in VIM projects to become involved, and 4) Project suggestions that will give our conference opportunities for a common missional focus.

During last year's Annual Conference Project, we collected senior care kits for Methodism's Breadbasket and raised approximately $25,000 for the cause.

On March 7, 2009, a mission training event called Mission Forum was held at Northhaven UMC. A VIM Team Leader Training workshop was offered, and the workshop was full to capacity. In addition 8 other workshops offered a variety of ways for participants to increase their skills in mission and justice ministries. A similar event will take place next year.

Teams from Greenland Hills, Holy Covenant, and Labors for Neighbors were given financial assistance with first-time mission trips to national and international destinations.

Based on information that was provided to us from some of our churches, we know that for the year 2008 we had the following participation:

- 5 teams had a medical component
- 55 Construction, Educational, or Evangelical Teams
- Over 685 people went on mission trips
- Volunteers donated over 315 days of work on mission trips
- At least $682,987.60 was spent in 2008 on Mission Trips, including team costs and financial contributions towards projects and supplies
    - Mission Teams went to countries all over the world
    - 6 to Africa
    - 16 Domestic
    - 18 to Latin America / Caribbean
    - 14 Disaster Recovery
    - 2 to Europe

If your church's trips were not included in these numbers, please fill out the end of year VIM mission project form you will receive by email.

Reverend Jan Davis, Chair

LAY SPEAKING MINISTRIES

The North Texas Conference Lay Speaking Ministries program has made tremendous strides this conference year by focusing on enhancing our training. We have promoted empowering laypeople by offering a class on "The Organization and Polity of The United Methodist Church." For laypeople who occasionally preach, we offered an advanced course, "Five Alive: Encountering the Bible with All Five Senses!" facilitated by the Rev. Dr. Alyce McKenzie of Perkins School of Theology. Both courses were highly commended by their participants.

We also have improved our primary goal, training laity, with the assistance of active North Texas Lay Speakers who have professional credentials in teaching adults. The emphasis here has been to elevate the quality of Lay Speaking Ministries instruction to consistent proficiency. Lay Speakers with computer skills also have assisted with maintaining Lay Speaking Ministry records, thus providing churches and districts with a database of qualified Lay Speakers from which to draw leaders as needed.

We are engaged actively in a program of "Taking Lay Speaking to the People," which has two goals:

- Send instructors to the people who need training rather than having the people who want training to come to the instructor, and
- Augment structured classes with e-learning, i.e., using the Internet to facilitate Lay Speaking courses.

This program is proving extremely successful in providing Lay Speaking Ministries with timely, convenient and affordable training.

We believe that North Texas Conference Lay Speaking Ministries has proven to be a promising channel to further training for laity. The General Board of Discipleship recently introduced a new Basic Lay Speaking course and has endorsed eighteen advanced courses. While these courses are primarily for Lay Speakers, they are also open to any layperson. The intent is to provide opportunities for the laity to develop first as spiritual leaders and then advance to developing leadership abilities in specific ministries such as teaching, worship, preaching, etc.

In addition to these GBOD courses, the North Texas Conference has commissioned the development of three Conference-level courses. They are

- Caring for individuals in hospice care;
- Understanding the Mystery of Holy Communion; and
- Preparing to Teach Adults.

The Conference Lay Speaking Ministries Committee has received excellent counsel from its three clergy coordinators. They observe and help guide the direction of the Lay Speaking Ministries program, which centers on working as partners with clergy to prepare Christian disciples for skilled service, "for building up the body of Christ, the church" (Ephesians 4:12).

COMMUNICATIONS COMMISSION

Before you read more of our report, take a moment to mark an important date on the calendar. The Commission on Communications will host the Sept. 12 United Methodist Communications

"Weaving a Web of Connections" training, offering a day-long experience on how to launch or improve websites and other internet-based communications. Watch for registration information on the www.ntcumc.org website.

The 2008-2009 year has been a very busy and productive time for Communications Ministry. We had major responsibilities for press coverage and media coordination for the United Methodist General Conference in Fort Worth, where Director Joan G. LaBarr served on the local media relations team, and the South Central Jurisdictional Conference in Dallas, where our Communications team played a key role in all media-related areas. It was also the first time that the general church and conference provided real time coverage through web streaming and e-mail distributions. As always, we provided the communication structure and support for Annual Conference, primarily through our volunteer electronic media and writing teams.

A highlight of the year has been the long-awaited completion of the NTC Media Center, located on the west wing of the second floor of the Ministry Center. We can now offer training to local church and agency volunteers in a well-equipped studio and post-production editing area. The plan is to set up small group-based training sessions as the need arises. Contact the communications office to inquire. We have also shifted to a new web streaming provider, Our Church Video, and now offer the possibility for local churches and conference agencies to post highlight videos of up to 15 minutes on the www.ntcumc.org website.

Another highlight of the year was the conference's most ambitious "Home for Christmas/Watch Night" marketing campaign, which utilized radio, print, internet and outdoor advertising to reach an estimated 3 million individuals, a large number of which would have experienced multiple exposures to our advertising.

The commission is also exploring the various internet-based media opportunities known popularly as "new media" and how these can be best utilized to benefit our churches and their efforts to make disciples of Jesus Christ for the transformation of the world. Another new effort is the exploration of practical ways our conference and churches can come into full compliance with copyright laws in the increasingly complex world of internet and digital distribution of music and other copyrighted material.

We now post all of our publications, including archives, on the www.ntcumc.org website. Look for the convenient menu on the left side of the home page to find the NT UMR and CONNECTION issues and archives. MY CHURCH, the bi-monthly distribution of promotional flyers from agencies and churches, is now entirely web-based, with distribution to subscribers through e-mail distributions. Anyone can sign up to be on the distribution list, or simply click on the MY CHURCH link on the right menu of the homepage to access the latest edition.

Mindful that we serve a large constituency who continues to receive most of their information in print, we continue to improve the quality of our print publications, including: the flagship NT UM Reporter, the CONNECTION digest of the previous month's news in both copy-ready and document formats, and specialty publications, such as the "Insighter," New Visionaries newsletter.

One of the ways that we lift up the importance of local church communications and educate communicators is through the annual Robert L. Robertson Excellence in Communications Awards, presented at the Communications Luncheon on Monday of Annual Conference. Many thanks to Bill Ball for his years of faithful leadership for the awards.

A goal for the coming year is to increase subscriptions to the NT UM Reporter. Every effort has been made to keep the subscription cost the same as in recent years, $25 for an individual

subscription and $20 per subscription if the church signs up the individuals and sends the list with all needed information to the Communications Office. Check out subscription on the website, or call the Communications Office at 972-526-5000 for more information.

BRIDGEPORT CAMP AND CONFERENCE CENTER

This past year the Bridgeport Camp and Conference Center Board of Directors was very pleased to announce the selection of Trueman Hoffmeister as our new executive director. After a yearlong process, Trueman was selected from an applicant pool of over 20 camping professionals. He and his family moved to Bridgeport from North Carolina last November after serving many years leading camping programs for the YMCA in various parts of the country.

Since Trueman's arrival he has been busy restructuring the administrative operation of the camp as well as making needed maintenance and program upgrades to the camp. The Ropes Course, both high and low elements, has received a long needed restoration. The pool area has received needed maintenance, as well as a major sprucing up of South Village. The Cardwell House has been upgraded with wireless internet access.

As of this report the camp is ready for a great summer program with many of the camps already full with extensive waiting lists.

Trueman and Andy Stoker, the Conference Director of Life Stage Ministries, are developing long range goals for the facilities and programming for Bridgeport.

It was important to the Board and for the ongoing security of the Bridgeport complex that our new executive director and his family live on the property. Trueman, his wife Wendy and their two children, Emily and Kenny, moved into their new home on the Bridgeport property in April.

The Board is very pleased with the improvements and future plans that will take place under the leadership of Trueman Hoffmeister.

THE PROTHRO CENTER AT LAKE TEXOMA

The year 2008 marked our 5th year of operation for the Prothro Center. Its outreach has been on a steady incline since its grand opening in 2003, as it continues to expand its number of clientele, as well as sustain a tremendous amount of repeat bookings from previous retreats.

Groups from the local churches of the North Texas Conference make up the largest share of our business. In addition, the Prothro Center hosts many North Texas Conference groups such as the annual Young Adult and Adult S.E.EK. Camps, Rural Ministry Workshop, Clergy Spouses Retreat, NTC Licensing School, Clergy Women Retreat, District Committee, the Extended Cabinet, and The Board of Ordained Ministry.

The feedback from each group in attendance during 2008 has been overwhelmingly positive, as it has become one of the nation's most desired Conference and Retreat Centers. Our great staff is

extremely proud of everything that this beautiful place has become, and we look forward to hosting your next event or personal retreat.

COMMITTEE ON EPISCOPACY

The mission of the Episcopacy Committee is to support the bishop in spiritual and temporal affairs, to be available for counsel, assist in the determination of Episcopal needs and keep the bishop informed concerning conditions within the area. The committee also performs other functions as directed.

James R. Adams, Chair of the Episcopacy Committee described this year as a year of transition. The new appointees were welcomed, members who transitioned off were lauded for their conscientious service, and the remaining members were applauded for their continued efforts. The members of the Committee said good-bye to and applauded Bishop Alfred L. and Dr. Mackie Norris for coming out of retirement and satisfying the two remaining years on the term of the late Bishop Rhymes H. Moncure, Jr.

The Committee also laid out the welcome mat for Bishop W. Earl Bledsoe, wife Leslie and family. Members of the North Texas Conference Staff and members of the Episcopacy Committee met and greeted the First Family of the North Texas Conference shortly after their arrival. They provided the First Family with the necessary supplies and sustenance for the first few days in their new home.

The prime activity of the Episcopacy Committee was to develop, coordinate and participate in the Service of Celebration for the assignment of Bishop W. Earl Bledsoe to the North Texas Annual Conference. This service was held at First United Methodist Church, Richardson, Texas on Sunday, September 28, 2008 at 3:00 PM. Bishop Bledsoe preached for the Worship Service that included special participations by choirs and ensembles made up of children and youth from throughout the Conference. Following the Service, all persons were invited to a Reception honoring Bishop and Mrs. Bledsoe and their family.

Bishop and Mrs. Bledsoe invited the Episcopacy Committee to join them for a Covered Dish Dinner at their new residence on Friday, October 17, 2008 at 6:30 PM. Those members who were able to attend took various dishes from egg rolls to pecan pie while the Bledsoes supplied the meat (Texas-style barbeque). It was a joyous time of "Getting to Know You" and praising the Lord for His goodness.

The members of Episcopacy Committee and others of the North Texas Conference participated in a General Conference Listening Session on Sunday, March 29, 2009 (3:00 PM – 5:00 PM). The Session convened at St. Andrew UMC, 5801 W. Plano Parkway, Plano, Texas. Bishop Max Whitfield was the facilitator. The General Conference ascribes the formula that governs the number of bishops in the United Methodist Church. Last year General Conference voted to reduce by one the number of Episcopal Leadership (bishops) in each Jurisdiction. The South Central Jurisdiction currently has 11 Episcopal leaders; and in 2012, that number will reduce to 10. The

grouping of annual conferences into Episcopal areas is determined by the College of Bishops. The College of Bishops is soliciting as much information as possible to help in making this important decision. During this meeting, select members of the Episcopacy Committee and the North Texas Conference provided feedback from surveys received online and at the recent Jurisdictional Conference.

The remaining year's activities will focus on helping Bishop Bledsoe in any way possible to become acclimated to the "spiritual and temporal affairs" of the North Texas Conference as he determines its "Episcopal needs."

Overview
The Provisional Residency Program is a dual track process (a pre-2009 process and a post-2009 process) which fulfills the Disciplinary requirements of ¶325-327 of The Book of Discipline 2008.

Purpose
The purpose of the North Texas Conference Provisional Residency Program is:

1. To help provisional members make a successful transition from seminary or ministry in another denomination into full-time ministry, membership in an order and life in the connection of the United Methodist Church.
2. To enable probationary members to grow as disciples of Jesus Christ and leaders in the church.
3. To facilitate development in the three areas of clergy effectiveness: Holiness of Heart and Life, Wholeness of Relationships, and Skills and Competencies for Ministry.

4. To mature provisional members in their understanding and ability to fulfill the mission of the United Methodist Church.
5. To provide the Division of Preparation and Qualifications as complete as a picture as possible over the course of two years of those moving toward ordination and to provide feedback from this division to those participating in the Provisional Residency Program.
6. To model for the entire North Texas Conference what it means to live in covenant together.

Participation in the Provisional Residency Program

Persons seeking ordination in the North Texas conference are required to participate in the Provisional Residency Program. Successful completion of this program is a requirement for ordination as a deacon or elder in full connection in the North Texas Conference. The program must be accomplished in consecutive years of participation.

Requirements of Participation

One of the following two requirements must be met in order to participate in the Provisional Residency Program during each year of involvement:

1. A full-time appointment.
2. A less-than-full-time appointment (at least 30 hours a week) that has been designated a missional appointment by the Cabinet.

Annual Review

1. The Committee on Provisional Residency will annually review the progress of each resident to make sure that their participation adequately fulfills that year's requirements of the Residency Program.
2. If the Committee determines that the Resident has not successfully fulfilled the requirements of that year it will meet with the Resident as quickly as possible to review and assess the situation.
3. Depending on the results of that consultation the Residency Committee may require the resident to repeat that year in the program so that the requirements of that year are successfully fulfilled. In this case the Residency Process will be lengthened to account for the remediation.

2009-2010 First Year Provisional Residency Program

There will be a required orientation meeting in **March** for all first year Residents at First UMC in Richardson.

   It is assumed that the Covenant Group and Covenant Group Facilitator will be able to successfully address any significant issues of the concern involving Residents. 4. A mutually trusting and supportive relationship is a necessary ingredient in the mentoring relationship. Both the Resident and the Mentor Pastor are expected to respect what takes place within the relationship.

   It is assumed that the Mentor Pastor and Resident will be able to successfully address any significant issues of concern involving the Resident. If an issue remains unresolved, the Mentor Pastor will contact the chair of the Committee on Provisional Residency to determine how best to address the situation.

REPORT VI: COMMITTEE ON LOCAL PASTORS

Committee Chair (2004-2008): Mike Miller, P.O. Box 237, Bridgeport, TX 76427, 940-683-2780, E-mail: mike@trinityunitedmethodist.org

Local Pastor Registrar: Linda Marcum, 813 N. Beverly, Wichita Falls, TX 76306, 940-761-5937, E-mail: beverlydrive@netzero.net

The Committee on Local Pastors of the Division of Elders gives thanks to God for those who are called to ministry and committed to serve the Church of Jesus Christ as Local Pastors within the North Texas Conference of the United Methodist Church.

A. Licensing School:

2010 - Licensing School will continue in the same format of five Saturday sessions, to be held at the Conference Ministry Center, and a week of residential learning at Prothro Center. The dates set for these sessions are: Saturday, April 17, April 24, May 1, May 8 and May 15 and Tuesday thru Saturday, May 25-29.

General Guidelines - Students MUST be certified candidates for ministry, and MUST be recommended to attend Licensing School by their respective District Committees on Ordained Ministry. District Superintendents and District Committees on Ordained Ministry need to identify, recommend and submit the names, addresses and telephone numbers of persons to attend the 2010 NTC Licensing School to the Registrar of the Committee on Local Pastors on or before February 10, 2010. Upon receipt of the names, each student will receive a date for an interview with the Committee on Local Pastors and specific information as to the time and location of classes. A License for Pastoral Ministry is granted upon a candidate's appointment to a local church. Approval to serve as a Local Pastor in the North Texas Conference is contingent upon successful completion of Licensing School.

Persons needing to attend a Summer Licensing School may attend the Central Texas Conference Licensing School as space is available. No North Texas Conference funding is available to cover this cost. District Superintendents and District Committees on Ministry should contact the Chair of the Committee on Local Pastors, and the Central Texas Conference Office, as soon as the need arises.

B. Interviews of Those Eligible to be Appointed as Local Pastor for the First Time: All persons wishing to be eligible to receive an initial appointment as a Local Pastor must first be recommended by their District Committee on Ordained Ministry. They must then participate in an interview with the Committee on Local Pastors. The purpose of the interview is to determine the candidate's readiness for Licensing School and appointment as a local pastor in ministry through the North Texas Annual Conference. To that end, the candidate must be prepared to speak openly, honestly and effectively with regard to his or her readiness for ministry. It is the responsibility of the prospective Local Pastor to contact the Registrar of the Committee on Local Pastors to set up the interview. The dates scheduled for these interviews in 2010 are: March 2, 9, and 16. If needed, additional interviews may be held on March 23.

In order to assist the candidate in preparation for the interview and to provide a beginning point of conversation, each candidate is required to submit written answers to the following questions. This written work must be submitted to the registrar *no less than* ten days prior to the scheduled interview. Responses to the questions should be thorough, but should not exceed one page for each question.

1) Describe your call to ministry and how this call has led you to seek to be a local pastor in the North Texas Conference.

2) Explain your understanding of the itinerant system and your willingness to accept this system in your own ministry.
3) Discuss your understanding of the sacraments and how your understanding leads you to administer the sacraments in the local church.
4) What is your understanding of the service of a local pastor in ministry?
5) Do you know God as a pardoning God? Have you the love of God abiding in you? Do you desire nothing but God? Are you holy in all manner of conversation?*
6) Have you gifts, as well as evidence of God's grace, for the work of ministry? Have you a clear, sound understanding; a right judgment in the things of God; a just conception of salvation by faith? Do you speak justly, readily, clearly?*
7) Have you fruit? Have you been truly convinced of sin and converted to God and are you a believer edified by your service?*

** These three questions are taken from the Discipline, ¶303 and are historic questions regarding fitness for ministry. Responses to these questions should include both an understanding of what these questions mean and how the candidate answers the question.*

C. Interviews of Continuing Local Pastors: All continuing Local Pastors must meet with their District Committee on Ordained Ministry for an annual review. Generally, it is not necessary for continuing Local Pastors to meet with the Committee on Local Pastors on an annual basis; however, such interviews may be required as determined by the DCOM, the District Superintendent, or by the Committee on Local Pastors itself or requested by the Local Pastor. The Committee requires all Local Pastors to meet with it five years following their initial approval in order to maintain a healthy working relationship and to ensure continued professional development (progress in seminary or the Course of Study program). These interviews are scheduled at the convenience of the committee in consultation with the Local Pastor. Continuing in 2010, the Committee on Local Pastors will be cooperating with the District Committees on Ministry to interview candidates in their third year of service as a Local Pastor.

D. District Committees on Ministry: District Committees on Ministry are required by Discipline to hold continuing interviews for all Local Pastors each year. Each District Committee on Ministry Chairperson and/or Registrar must complete the Checklist for Continuing Interviews of Local Pastors for each continuing Local Pastor, and then send the checklist to Duane VanGiesen at the Conference Office on or before February 12, 2010. This list should include the recommended status of each Local Pastor (i.e., as Student, Part-time, or Full-time Local Pastor) as well as their location of appointment as of February 12, 2010. A list of all Local Pastors being discontinued must be included as well. Please note that, at any time during the year, a District Committee on Ministry must notify the Chair of Local Pastors immediately upon discontinuance or change of status of a Local Pastor.

E. Mentor Pastors: Local Pastors under appointment will be held accountable for regular and meaningful meetings with their Mentor Pastors. The Committee on Local Pastors requires that Local Pastors meet with their mentors a minimum of four (4) times per year.

F. Educational Requirements and the Statute of Limitations: As required by the Book of Discipline, Full-time Local Pastors must complete four courses per year in a Course of Study school or the correspondence curriculum prescribed by the General Board of Higher Education and Ministry, and Part-Time Local Pastors must complete two courses

per year (see ¶318.1 and 318.2 in the 2008 BOD). If for some reason a Local Pastor is unable to complete the prescribed number of courses annually, he or she must secure permission in writing from both the District Committee on Ordained Ministry as well as the Committee on Local Pastors. However, it is the responsibility of the Committee on Local Pastors to enforce the statute of limitations, allowing eight years for full-time Local Pastors to complete the Basic Course of Study, and twelve years for Part-time Local Pastors. The procedure for extension is explained in ¶319.3 of the 2008 Book of Discipline.

G. Basic Course of Study School at a United Methodist Seminary or School of Theology: It is the policy of the North Texas Conference Committee on Local Pastors to cover tuition, room, and board expenses for Local Pastors to attend Basic Course of Study School as long as those Local Pastors are under appointment within the boundaries of the North Texas Conference. Students must pay the registration fee to hold their place in each class, as well as any required "community life" fees. Tuition, room and board expenses will be paid directly to the Course of Study School by the North Texas Conference. Reimbursement for books required for Course of Study courses will be available by providing receipts and itemized book lists to the Chair of the Committee on Local Pastors within three months of the completion of the course. Students making a "D" or lower on their grade report will be billed by the North Texas Conference for the cost of the course in question, including any book reimbursement and room/board expenses related to that course. Failure to pay the North Texas Conference for the cost of these failed courses will result in the student forfeiting conference support for future Course of Study or seminary work, until such date as the outstanding balance is paid. The Committee on Local Pastors will determine exceptions on a case-by-case basis.

H. NTC Weekend Extension Course of Study School (COSS): The North Texas Extension Course of Study School continues to be a convenient way in which Part Time Local Pastors can fulfill a portion of their required Course of Study work. The school continues to experience growth during each year, and the Committee wishes to thank all instructors for their participation. A special thanks goes to Duane VanGiesen, registrar for the school. By action of the North Texas Conference Board of Ordained Ministry, in 2008 management of the Extension Course of Study became the responsibility of the Director of Local Pastor Education, who will work to ensure that the school presents a thorough program of training for ministry and adheres to the standards and policies established by the General Board of Higher Education and Ministry. Roy Spore is the Director of Local Pastor Education.

The academic calendar for the extension school runs from September through August. A list of courses for the 2009-2010 year and application forms are available on the North Texas Conference website. The NTC Extension Course of Study School intends to offer courses which will enable the Part Time Local Pastor to fulfill the major portion of his/her basic Course of Study requirements in a manner that maximizes opportunity for secular employment during summer months. The Course of Study curriculum consists of twenty classes that prepare Local Pastors for service in the local church: eighteen of these classes will be offered on a two year rotation in the North Texas Extension Course of Study (see "8" below). Classes meet from 9 a.m. to 4 p.m. one Saturday per month for three consecutive months.

1. Students interested in participating in the NTC Extension Course of Study School are to contact Duane VanGiesen, Associate Director of Administration, at PO Box 866128, Plano, TX 75086-6128, 972-526-5000. A non-refundable

fee of $100.00 is required for each course from students within the North Texas Conference. Upon receipt of the registration form and fee, course assignments and other materials will be mailed to the student. No registrations will be accepted later than 30 days prior to the first class session.

2. Students are welcome from outside the North Texas Conference. Such students must pursue payment methods from within their own conference to attend the NTC Extension Course of Study School. North Texas Conference funding is not available.

3. Reimbursement for books required for Course of Study courses will be available by providing receipts and itemized book lists to the Chair of the Committee on Local Pastors within three months of the completion of the course.

4. The instructors set locations for the classes, with consideration being given to both student and instructor travel distances.

5. Each course meets one Saturday each month for three consecutive months. Sessions begin by 9:00 AM and conclude by 4:00 PM. Attendance at all three sessions is required.

6. The General Board of Higher Education and Ministry authorizes the North Texas Extension Course of Study School to provide instruction for courses included in the basic Course of Study of the United Methodist Church as an extension of the Regional Course of Study program at Perkins School of Theology. All curricula and assignments meet the General Board's criteria for Extension Course of Study programs. Grades will be issued, recorded and forwarded to the General Board of Higher Education and Ministry for inclusion in the Local Pastor's official transcript.

7. Students making a "D" or lower on their grade report will be billed by the Conference for the cost of the course in question, including any book reimbursement related to that course. Failure to pay the Conference for the cost of the failed course will result in the student forfeiting conference support for future Course of Study or seminary work, until such date as the outstanding balance is paid. The Committee on Local Pastors will determine exceptions on a case-by-case basis.

8. Additional courses may be added at the discretion of the Committee on Local Pastors. In order to encourage participation in a regional school, the North Texas Conference will not offer the following courses: 512 – "Contemporary Theology" and 513 – "Our Mission from God: Transforming Agent."

9. The NTC Weekend Extension Course of Study School is intended for Part-time Local Pastors who hold secular employment, and are therefore better served by a weekend format rather than the standard on-campus seminary format**.** Part-time Local Pastors enrolled in the Basic Course of Study are required to complete a minimum of two out of the twenty courses as part of an on-campus Course of Study program such as the Perkins Course of Study. Full-time Local Pastors are required by the General Board of Higher Education to complete all of the Basic Course at a Regional Course of Study. Exceptions to this policy

can only be granted by the General Board. Requests for this permission should be made to the DCoM registrar in writing. A copy of the request, accompanied by the decision of the DCoM shall be forwarded to the District Superintendent and registrar of the Conference Committee on Local Pastors for recommendation to the General Board.

I. North Texas Conference Policy Regarding ¶315 of the 2000 Book of Discipline:

1. Commissioned Persons and Licensing School:
When candidates for ordination are commissioned as probationary members of the North Texas Conference, their appointments include the issuance of a license for pastoral ministry, allowing them to perform the duties of pastor during their probationary/residency period. Attendance at Licensing School is not generally required as a prerequisite for commissioning; however, the Committee on Preparation and Qualifications of the Board of Ordained Ministry may request that an individual attend Licensing School as a prerequisite for commissioning.

2. Certified Candidates and Licensing School:
All persons attending Licensing School who will serve within the North Texas Conference must be certified candidates prior to the beginning of Licensing School. In addition, each Licensing School student shall be explicitly recommended to attend Licensing School by his or her respective District Committee on Ordained Ministry.

3. Seminary Students and Licensing School:
To receive a License for Pastoral Ministry in the North Texas Conference, students must either attend Licensing School or have completed one third of their work for a Master of Divinity degree at a school of theology listed by the University Senate, including at least one course in homiletics. If deemed necessary and/or beneficial, the District Committees on Ministry reserve the right to require attendance at Licensing School for any or all candidates.

4. Course of Study Students and Licensing School:
In the North Texas Conference, all students enrolled in Course of Study School must have previously completed Licensing School successfully.

J. Psychological Testing and the License for Pastoral Ministry: Because all certified candidates in the North Texas Conference have undergone psychological testing, all persons seeking a License for Pastoral Ministry will have necessarily undergone this testing. Under no circumstance will a License for Pastoral Ministry be issued without the licensee having been previously tested.

K. Background Checks: All persons becoming eligible to serve as a Local Pastor in the North Texas Conference must clear a criminal background check, initiated by their respective DCoM.

L. Exceptions to Policy: The District Superintendent, the District Committee on Ordained Ministry, and the North Texas Conference Committee on Local Pastors shall jointly consider any exceptions to the conference policies on a case-by-case basis. Their decision is final. Exceptions to the policies of the General Board of Higher Education and Ministry can only be made by that board. Any request for an exception to existing

policies shall be made in writing to the DCoM and forwarded with the recommended action to the Chair of the Committee on Local Pastors for appropriate referral and/or action.

REPORT OF COMMITTEE ON TRANSFER REVIEW

Chairperson: Rev. Dennis Wilkinson, P. O. Box 1729, Coppell, TX 75019.
Phone: 972-462-0471. E-Mail: dwilkinson@fumccoppell.org.

The Committee on Transfer Review shall be composed of the chairpersons from the following committees: 1) The Committee on Conference Relations; 2) the Committee on Preparation and Qualifications; 3) the Committee on Probationary Membership (Residency); and 4) the District Superintendent serving as the Cabinet representative to the Board of Ordained Ministry.

The Committee on Transfer Review shall interview persons transferring into the North Texas Conference in order to obtain all pertinent information necessary to enable the Board of Ordained Ministry to fulfill its responsibilities to provide support services for the minister's career development.

REPORT OF THE ORDER OF DEACONS

Deacons are persons called by God, authorized by the church and ordained by a bishop to a lifetime of ministry of Word and Service to both the community and the congregation in a ministry that connects the two. Deacons devote themselves to the ministry of the Word, which includes sharing, teaching, and modeling the word of God. Deacons in the North Texas Conference are educators, musicians, chaplains, spiritual guides, counselors, leaders in social justice, missions, older adult ministries, pastoral care, youth ministry, in appointments within and outside of the church. We are indeed living out our call to servant leadership, serving both the congregation and the world.

There were two changes that effected deacons at the 2008 General Conference. Deacons were given very limited sacramental authority, only to be granted by the bishop in extreme circumstances. Because deacons are not guaranteed an appointment, the 2008 Discipline now states that no deacon shall be dismissed from a local church appointment without the deacon's prior consultation with and full knowledge of the SPPR Committee, the district superintendent and the presiding bishop.

At our Deacon lunch at Annual Conference 2008, we collected and donated $200.00 to AID's Project Tariro in honor of Rev. Jo Biggerstaff's leadership over the previous six years. On September 18, 2008, Rev. Terry Jones coordinated a program facilitated by Dr. Mark Stamm on the Deacon's role in the sacraments and Rev. Brian McPherson on systematic theology. Rev. Kathy Betz hosted deacons on February 5th at C.C. Young where Rev. Nicki Lyford presented a program on T*raditional Worship for Contemporary People*. On April 30, Deacons gathered in the Biggerstaff prayer garden at FUMC Coppell where Rev. Joe Stobaugh led us in worship and Rev. Jennifer Scott and Rev. Susan Bryan led us in a time of peace and healing.

As chair of the order, I had the privilege of attending with Rev. Lisa Greenwood Wolcott and Rev. Maxie Moore, a gathering of chairs of orders from around the United States held in Atlanta, Georgia. There we learned more about what it means to be in covenant with our clergy sisters and

brothers. I look forward to attending the 20th World Assembly of the Diakonia World Federation in July.

When we gather on June 9 during Annual Conference, we will celebrate with Susan Robb, Janet Collinsworth and Paul Maletic as they are Commissioned and Paul McKay and Caroline Noll as they are Ordained. We also celebrate the retirement of Jayne Wolfe and Phyllis Wilson.

As chair of the Order of Deacons, I represent the order on the Clergy Effectiveness Committee and the Clergy Retreat Committee. I also serve as Vice Chair of the Preparation and Qualifications Committee of the Board of Ministry. It is in this role that I am committed to encouraging and equipping those persons that are inquiring and in the process of becoming ordained as Deacons in the North Texas Conference.

Deacons of the North Texas Conference are committed to being in covenant with one another and are intentional about gathering for enrichment, continuing education and spiritual formation. It is an honor to represent the Deacons of our Annual Conference and to work alongside them to represent our distinct calling to serve God in our very special and unique ways.

Respectfully submitted,
Deborah A. Chapman
Chair, North Texas Conference Order of Deacons

THE CLERGY EFFECTIVENESS COMMITTEE

The Clergy Effectiveness Committee seeks to create processes and tools within the life of the North Texas Annual Conference that allow clergy the opportunity for assessment and development for the purpose of equipping and empowering our clergy to thrive over the lifespan of their ministries.

The Committee came into being after a 3-year task force completed its work in 2008. This task force, first appointed by Bishop Rhymes Moncure and led by the now Bishop Jim Dorff, began their work by asking questions of how the Annual Conference can increase clergy effectiveness with the overall vision of increasing kingdom effectiveness.
The Clergy Effectiveness committee does not seek to add "one more thing" for our clergy to do; we seek to establish helpful tools for a ministry toolbox. The first initiative of Clergy Effectiveness was to implement an assessment process for ministers. The committee has worked the past four years with the National Association of Church Business Administrators (NACBA) to make available the PRISM 360-feedback tool to our conference clergy. To date, almost 200 of our clergy—elders, deacons, and local pastors—have taken this assessment tool. Of course, the assessment tool is only the beginning. How clergy choose to employ what they learn from the tool determines the effectiveness of the tool. It is the on-going goal of Clergy Effectiveness to better enable our clergy to translate their assessment report into an effective 3-year development plan.

In 2009, the Clergy Effectiveness committee is developing a Coaching Initiative that will allow clergy access to executive coaches. These coaches are current lay members in United Methodist churches in this annual conference who have a calling to help develop clergy. Clergy Effectiveness expects to expand this Coaching Initiative in 2010.

Clergy Effectiveness is also developing an initiative for Young Adult Clergy Leadership called "Best Practices." Led by Rev. Jill Jackson-Sears, Rev. Jan Davis and Rev. Kathryn Ransdell, this initiative will connect young clergy (under 35) with established United Methodist leaders in

informal conversations about the practice and theology of ministry. The goal of this program is to build bridges and develop relationships between those who are leaders in our denomination with those who are developing their ministerial lives. This initiative will begin in Fall 2009. Interested clergy should contact Rev. Kathryn Ransdell for more information.

In addition to these activities, Clergy Effectiveness is working on the Clergy Retreat**.** The Clergy Retreat will be held October 19-21 with lodging at both the Tanglewood Conference Center and the Prothro Center near Pottsboro, TX. The retreat will feature time for recreation, relaxation, reflection and renewal with an emphasis on building relationships as a covenant community. Partial scholarships will be available for this year's Clergy Retreat.

BOARD OF PENSION AND HEALTH BENEFITS

HEALTH BENEFITS POLICIES
June 2009

INTRODUCTION

The North Texas Conference provides a conference health insurance program designed to provide its eligible employees (defined herein) with a comprehensive plan for major medical insurance. The program is administered through a group plan overseen by the conference Board of Pension and Health Benefits. The North Texas Annual Conference participates in HealthFlex, the health benefits program of the General Board of Pension and Health Benefits of The United Methodist Church.

All full-time clergy appointed to local churches within the conference or as District Superintendents or to the conference staff (ordained elders, deacons in full connection, deacons on track to become elders, commissioned persons on track to become elders or deacons, full-time local pastors, members of other conferences or denominations appointed according to ¶346.1 or 346.2) **are required** to be enrolled in the conference health insurance plan and their respective church or salary-paying unit is responsible for the premium for the appointee. Coverage for spouses and dependents is optional, and the premium for an appointee's spouse and dependents is the responsibility of the appointee.

ELIGIBILITY

The following are eligible for coverage under the program and in accordance with the adoption agreement between the North Texas Conference and The General Board of Pension and Health Benefits:

1. Ordained elders and deacons and commissioned persons on track to become elders or deacons (including those with full conference membership, probationary membership and associate membership), and full-time local pastors appointed full-time to local churches within the conference and their eligible dependents.

2. Clergy serving as district superintendents and conference staff.

3. Clergy from other United Methodist annual conferences and ordained ministers from other denominations employed full-time and under episcopal appointment to a local church or charge of the North Texas Annual Conference under the provisions of ¶346.1 or 346.2 of the 2004 *Book of Discipline.*

4. Clergy appointed beyond the local church within the connectional structure to a General Agency, to other than a unit of a conference or other than a General Agency, an ecumenical agency and extension ministry endorsed by the General Board of Higher Education and Ministry under the provisions of ¶344.1a(2), 344.1a(3), 344.1a(4) and 344.1b, only if they are listed specifically in the annual GBOPHB adoption agreement.

5. Clergy appointed to Leave of Absence or Sabbatical (eligible for one year only).

6. Diaconal ministers appointed full-time to local churches within the conference.

7. Lay persons who are full-time (at least 30 hours per week) employees of the annual conference and their eligible dependents.

8. Full-time (at least 30 hours per week) lay employees and their eligible dependents of local churches or connectional agencies in the North Texas Annual Conference which offer the conference group insurance program to all of their full-time lay employees, if the church has a sub-adoption agreement with the General Board of Pension and Health Benefits and meets the 75% participation rule.

9. Retired clergy members of the conference immediately eligible to receive pension from the General Board of Pension and Health Benefits at the beginning of the month following the month in which the retired relation takes place, and who had a minimum of five (5) continuous and consecutive years of active participation in the North Texas Annual Conference group health program at the time of retirement, and their respective dependents. Retired Clergy can retain future rights to HealthFlex coverage if at the time of retirement coverage was declined because the clergy had other employer-sponsored group health insurance.

10. Disabled clergy members of the conference (who were enrolled in HealthFlex at the time of their disability) immediately eligible to receive disability benefits from the General Board of Pension and Health Benefits at the beginning of the month following the month in which the disability leave with disability benefits takes place, as granted by the Division of Conference Relations, and their respective dependents.

11. Retired lay employees of the conference or a local church within the conference at the beginning of the month following the month in which the retired relation takes place, and who had a minimum of five (5) continuous and consecutive years of active participation in the North Texas Annual Conference group health plan at the time of retirement, and their respective dependents, if the church selects that category in the sub-adoption agreement with GBOPHB.

12. Disabled lay employees of the conference or a local church within the conference (who were enrolled in HealthFlex at the time of their disability) at the beginning of the month following the month in which the disability leave takes place as granted by the General Board of Pension and Health Benefits, and their respective dependents.

13. Surviving dependents of a deceased active participant as long as the participant and dependent were covered participants at the time of death.

14. Surviving dependents of a deceased retired participant as long as the participant and dependent were covered participants at the time of death. If the surviving dependents declined coverage at the time of the participant's retirement due to having other **employer-sponsored group health insurance,** that dependent retains future rights to coverage as long as the other employer-sponsored group health remains in effect.

15. Eligible dependent children include any unmarried child under the age of 19, unmarried full-time students under the age of 25, including all natural, legally adopted and step-children for whom the participant has court ordered legal guardianship. Children who do not live with the participant can be eligible as long as the participant is responsible by legal decree for the majority of financial support.

16. A divorced spouse of an active participant is eligible provided the participant is responsible by legal decree for the majority of financial support of the former spouse or specifically responsible for the medical or other health care expenses of the former spouse.

17. Continuation health benefits are available for a period of nine months for any participant who becomes ineligible providing they have been on the plan for at least three months. The plan and premium is the same and is billed directly to the participant. Notification of ineligibility must occur within 30 days and application for continuation benefits must occur within 60 days of becoming

ineligible and the continuation benefits begin the day after the participant became ineligible.

Eligible persons must complete a HealthFlex enrollment form and return it to the conference Office of Administration within 30 days of their date of hire, date of newly acquired eligibility or family status change. Family status changes which allow late enrollment are: birth, death, marriage, divorce, or loss of other coverage. There is also an open enrollment period every year in November for coverage to begin in January of the following year.

MEDICAL BENEFITS PROGRAM FOR ACTIVE PARTICIPANTS

A Preferred Provider Organization (PPO) plan is the base plan for active participants and their dependents. This plan is currently administered by Blue Cross/Blue Shield of Illinois. The lifetime maximum coverage for each eligible insured and eligible dependent shall be limited to $3,000,000. Prescription drugs are covered for active participants through Medco and the prescription plan has an annual deductible and co-pay amounts for three tiers of drugs. A mail order program is also available to obtain 90-day supplies of maintenance drugs at a lesser cost and is required for all maintenance prescriptions.

Mental health and chemical dependency benefits are provided through United Behavioral Health (UBH). A participant must call UBH at 1-800-788-5614 before receiving inpatient or outpatient treatment either in-network or out-of-network. There is also a Pastoral Consultation Hotline for clergy available for both active and retired clergy at no charge. The number is 800-842-2869.

Vision benefits are available through VSP. A basic vision examination is provided and discounts for eyeglasses and contact lenses are available.

Term life insurance is provided through Hartford Life and Accident Insurance Company as a part of the health benefit. The amount of insurance is as follows: $5,000 for lay employees; $10,000 for all other clergy to age 65; $5,000 for clergy age 65 to 70; $1,000 for clergy over age 70. This benefit is for both life insurance and accidental death, dismemberment and loss of sight. Dependent insurance is provided in the following amounts for covered dependents: $2,000 for spouses; $1,000 for children ages 6 months to 25; $100 for children ages 14 days to 6 months.

Medical Reimbursement Accounts (MRA) and Dependent Care Accounts (DCA) are also available to active participants through Ceridian. A participant may select annual MRA/DCA amounts between $300 and $5000 to be deducted by the salary paying unit on a monthly basis as a salary reduction. This money may be used for medical expenses which are not covered by the plan such as deductibles, co-pays, dental, vision and other qualified costs. The DCA may be used to pay for qualified child or parent daycare expenses. Forms to be used to submit claims are available at www.gbophb.org or in the conference Office of Administration.

CONFERENCE FUNDING POLICIES FOR ACTIVE HEALTH BENEFITS

1. The entire premium for full-time clergy appointed to local churches within the conference or as district superintendents or to the conference staff (ordained elders, deacons in full connection, deacons on track to become elders, commissioned persons on track to become elders or deacons, full-time local pastors, members of other conferences or denominations appointed according to ¶346.1 or 346.2) is to be paid by the local church or salary paying unit.

2. The premium for the appointee's spouse and dependents is the responsibility of the appointee. An optional agreement may be made between the church or salary paying unit and the appointee for the church or salary paying unit to pay the family premium.

3. The Conference will pay the premium for lay employees of the annual conference. The premium for dependents is the responsibility of the employee.

4. Responsibility for the premium for eligible lay employees of local churches or institutions within the connectional structure will be determined by the employer and the employee.

5. The Conference pays the active premium for disabled clergy members of the conference who were appointed to a local church or as district superintendent or to the conference staff and were enrolled in HealthFlex at the time of disability. Approval by the Division of Conference Relations and eligibility to receive disability benefits from the General Board of Pension and Health Benefits is also required. Payment begins the month following the month in which the disability leave with disability benefits takes place. The premium for dependents is the responsibility of the clergyperson.

6. Subsidies are available on a sliding scale for those churches whose pastor's Total Compensation is below the Denominational Average Compensation for the appointee's premium and those pastors whose compensation is below the DAC for their dependents. A written application must be submitted to and approved by the appropriate District Superintendent. Only those appointed full-time as "pastor-in-charge" are eligible for this supplement. The guidelines for application are as follows:

Guidelines for 2009 Health Insurance Supplement Applications

1. Local churches must submit to their district superintendent a written application signed by the Pastor (Staff) - Parish Relations Committee chairperson and the Administrative Council/Board chairperson for appointee supplements.

2. Pastors must submit to their district superintendent a written application for dependent supplements.

3. The pastor's Total Compensation for Insurance Supplement Eligibility (line IX from the 2009 Ministerial Compensation Report turned in at Charge Conference) must be below $58,226 (the 2009 Denominational Average Compensation).

4. If the need exists in the judgment of the district superintendent and funds are available, appointee supplements may be awarded to churches on the following scale (annual amount shown - paid monthly):

Pastor's Total Compensation	% DAC	Church Pays	Amount of Supplement
$58,226 and above	100%	$7,872	$ 0
$58,225 - 55,315	95%	7,478	394
$55,314 - 52,403	90%	7,085	787
$52,402 - 49,492	85%	6,691	1,181
$49,491 - 46,581	80%	6,298	1,574
$46,580 - 43,670	75%	5,904	1,968
$43,669 - 40,758	70%	5,510	2,362
$40,757 - 37,847	65%	5,117	2,755
$37,846 - 34,936	60%	4,723	3,149
$34,935 and below		4,723	3,149

5. If the need exists in the judgment of the district superintendent and the funds are available,

dependent supplements may be awarded to pastors on the following scale (annual amount shown - paid monthly):

Pastor's Total Compensation	% DAC	One Dependent		Two or More Dependents	
		Pastor Pays	Amount of Supplement	Pastor Pays	Amount of Supplement
$58,226 and above	100%	$7,032	$ 0	$10,920	$ 0
$58,225 - 55,315	95%	6,680	352	10,374	546
$55,314 - 52,403	90%	6,329	703	9,828	1,092
$52,402 - 49,492	85%	5,977	1,055	9,282	1,638
$49,491 - 46,581	80%	5,626	1,406	8,736	2,184
$46,580 - 43,670	75%	5,274	1,758	8,190	2,730
$43,669 - 40,758	70%	4,922	2,110	7,644	3,276
$40,757 - 37,847	65%	4,571	2,461	7,098	3,822
$37,846 - 34,936	60%	4,219	2,813	6,552	4,368
$34,935 and below		4,219	2,813	6,552	4,368

6. If the pastor's Total Compensation for Health Insurance Supplement Eligibility is above $58,266 but extraordinary circumstances exist in the judgment of the district superintendent, an appointee supplement may be awarded to the church and/or a dependent supplement may be awarded to the pastor at the lowest level on the scales above if funds are available. Likewise, superintendents are not obligated to award any supplements even though an applicant may be eligible, if they determine that no need exists.

7. District superintendents are asked to distribute these Guidelines and the supplement application forms to churches and pastors who may be eligible as soon as possible. Additional application forms will be available in the District and Conference Offices.

8. District Superintendents are asked to fax or mail the approved Health Insurance Supplement Application Forms to the Office of Administration by December 1 of each year. No supplements will be processed until the approved Application Forms are received in the Office of Administration. Forms received after the deadline will be processed for the following month's billing and they will not be done retroactively.

9. All supplements cease when a pastoral change occurs. New applications are to be submitted to the Office of Administration by the 5th day of the month following the move. A supplement may be processed one month retroactively only in the event of a move.

MEDICAL BENEFITS PROGRAM FOR RETIRED PARTICIPANTS

The conference medical benefits program for retired participants, dependents and surviving spouses assumes participation in Medicare Parts A and B. The program is designed to extend certain benefits beyond what Medicare pays and, in addition, provide a pharmacy benefit and other additional benefits not covered under Medicare. It is assumed that all retired participants shall enroll in Medicare Parts A and B at their own expense. The amount of conference funding available to clergy that opted out of Social Security and consequently are not eligible for Medicare, and their dependents and surviving spouses, will not exceed that of those who have Medicare benefits.

Clergy in the retired relationship with the annual conference who continue to work full time continue in the active plan. Retired clergy who opted out of Social Security and their dependents and surviving spouses continue in the active plan if they continue working.

A dependent spouse may be eligible for HealthFlex retiree benefits even if not a covered dependent at the time of the participant's retirement. If the spouse is covered by another **employer-sponsored group health insurance plan,** he/she may decline HealthFlex coverage while still maintaining future rights to coverage. The retiring participant may also decline HealthFlex coverage at the time of his/her retirement while maintaining future rights to coverage if he/she can be covered under a spouse's **employer-sponsored group health insurance plan.** Future coverage rights can be exercised at any open enrollment opportunity or within thirty days of losing the other employer--sponsored group health coverage as long as the other coverage was maintained up to the day the HealthFlex coverage is to begin.

The divorced spouse of a retiree may retain coverage or future rights to coverage as described above if it is declared in the divorce decree that the participant is responsible for health coverage or is responsible for a majority of the financial support of the divorced spouse. Future rights to coverage will end when the specified period in the legal decree has expired or upon the death of the participant (providing the decree provides for termination of the participant's responsibility at that time).

A new spouse or dependent acquired by a retiree after retirement is not an eligible dependent with the exception of a dependent child gained through court ordered legal guardianship.

After retirement, if a retiree, dependent or surviving spouse terminates HealthFlex coverage, they will no longer retain any future rights to coverage.

CONFERENCE FUNDING POLICIES FOR RETIREE HEALTH BENEFITS

The North Texas Annual Conference through its Insurance Subsidies apportionment shares the funding of the health benefit for eligible retired clergy participants, dependents and surviving spouses with the retirees and spouses.

1. For those eligible clergypersons enrolled in the conference health insurance plan who retire after January 1, 2003, and their eligible spouses, the conference will pay from 15 - 50 % of the HealthFlex Medicare Supplement Plan 2 premium for those retiring at age 65 (or full retirement age) based on their years of ministerial service (which qualify for retirement credit) in The United Methodist Church in which they were appointed to a local church or within the connectional structure as defined in the 2008 *Discipline* ¶344.1(a)(1) and (2), or partial years of like service for less than full-time appointments, as follows.

Years of Service (full time equivalent)	% of Med. Supp. 2 Premium Paid
0 - 4	0
5	15 %
6	16 %
7	17 %
8	18 %
9	19 %
10	20 %
11	22 %
12	24 %
13	26 %
14	28 %
15	30 %
16	32 %
17	34 %

18	36 %
19	38 %
20	40 %
21	42 %
22	44 %
23	46 %
24	48 %
25 or more	50 %

For those eligible clergypersons enrolled in the conference health insurance plan who retired before January 1, 2003, and their eligible spouses, the North Texas Conference will continue to pay 50 % of the HealthFlex Medicare Supplement Plan 2 premium.

2. For those clergy who retire who are at least 62 years of age (but not 65) or have 35 years of service, and their eligible spouses, the conference will pay the same benefit as for those in the Regular Retirement category above (15 - 50 % of the Medicare Supplement Plan 2 premium). These participants will pay the remainder of the Medicare Supplement Plan 2 premium (50 - 85 %) plus the difference between the active plan (which they must be on until they are eligible for Medicare) and the Medicare Supplement plan. Those retiring under "the twenty year rule" (i.e., are not 62 and have at least 20 years but not 35 years of service) are eligible to remain on the conference insurance plan. These participants must pay the entire active premium until they reach 65 (or full retirement age). At that time the conference will pay the same level of benefits as for those in the Regular Retirement category above.

3. For retirees who continue to serve local churches in the North Texas Conference the conference will pay the same benefit as for those in the Regular Retirement category above (15 - 50 % of the Medicare Supplement Plan 2 premium for both retiree and spouse) and the retiree will be responsible for the balance of the premium (50 - 85 % of the Medicare Supplement Plan 2 premium) for retiree and spouse. The retiree will be required to pay any additional cost due to the employment (i.e., the difference between the active plan which the working retiree might have to be on according to the anti-discrimination laws and the retiree plan) for the spouse. (A local church or other salary paying unit can opt to pay the participant and spouse's cost.) The local church employing a retired participant will be required to pay any additional cost due to the employment (i.e., the difference between the active plan which the working retiree might have to be on according to the anti-discrimination laws and the retiree plan) for the retiree.

4. Surviving spouses of deceased retired clergy are eligible for coverage as long as the participant was a covered participant at the time of death. The health plans available to surviving spouses are the same as those available to retiree participants and conference funding is the same as for the retiree.

5. The health plans available to retired Diaconal Ministers are the same as for retired clergy and the conference funding is the same as for retired clergy.

6. The health plans available for retired lay employees of the annual conference are the same as for retired clergy. Conference funding for the retired lay employee of the annual conference with 10 or more years of service (not including spouse or dependents) is based on the same scale of service as that for retired clergy beginning at the 10 years of service level.

7. Retired lay employees of a local church or qualified agency within the conference are eligible to participate in any of the health insurance plans available to retired clergy, if the church or agency has a sub-adoption agreement with the GBOPHB. The premiums are the same as for the retired clergy, but the responsibility for payment remains entirely with the retired lay participant.

ADMINISTRATIVE PROCEDURES

Enrollment material can be obtained from the conference Office of Administration. Enrollment forms must be completed, signed and returned to that office within 30 days of the employee's date of hire or family status change. If the 30-day time period is not met, an election of "No Coverage" is assigned **(although the salary paying unit is still responsible for payment of the appointee's premium in the case of mandatory categories of participants)** and the employee would be eligible for coverage at the next open enrollment opportunity. Upon receipt of enrollment forms, the General Board of Pension and Health Benefits will inform the insurance provider and the participant should receive election material and appropriate insurance cards within a reasonable period of time.

The monthly health insurance billing is mailed to the appropriate local church, agency, or individual on the 1st of each month and the payment is due in the conference office by the 20th of that month. Premiums not received by the next billing period are considered "past due"and so marked on the next month's bill. Termination procedures begin for any accounts more than 60 days in arrears. District Superintendents are informed each month of those churches with past due balances.

Participants will receive annual election materials each fall prior to the Open Enrollment period from the General Board of Pension and Health Benefits with instructions for changing or maintaining health coverage for the next calendar year. GBOPHB will also provide claim forms, MRA and DCA forms at the beginning of each calendar year. Additional forms may be obtained at www.gbophb.org or from the conference Office of Administration.

Denial of benefits policies and appeals procedures are those of the HealthFlex insurance carrier and GBOPHB.

HEALTH BENEFITS POLICY STATEMENT FOR INDIVIDUALS COVERED THROUGH 20-YEAR RULE RETIREMENT, EXTENSION MINISTRY APPOINTMENTS, CONTINUATION INSURANCE, AND RETIREES AND SURVIVING SPOUSES PAYING PREMIUMS DIRECTLY TO THE NORTH TEXAS CONFERENCE

The North Texas Conference makes health insurance available to clergy who have retired under the 20-year rule and to some clergy who are appointed to extension ministry positions. (Special arrangements for health coverage can be made in some cases for those appointed under ¶344.1b, and ¶344.1d.) The premiums must be paid by the individual one month in advance and are due on the 20th of every month. Accounts are past due if not received by the 20th and if two payments are due on the 20th of any month, a letter will be sent to the individual with notification of insurance cancellation. In addition, an attempt will be made to schedule a meeting with the participant and a member of the conference staff to explain the termination of coverage. Any account that is two payments past due will be terminated if payment has not been received in the conference office by the end of the month. The termination date will be retroactive to the first of the month of unpaid premium. (For example: The premium for February is billed on January 1 and is due by January 20. The premium for March is billed on February 1 and is due by February 20. If neither February nor March premium is paid by February 20, the insurance will be terminated retroactive to February 1.) The North Texas Conference offers continuation health insurance to participants who have been terminated or have lost eligibility if they have been covered for at least three consecutive months prior to loss of eligibility. The continuation coverage can extend up to nine months following the loss of coverage date. The first month’s premium is due with the application for coverage and

future premiums are due one month in advance on the 20th of every month. Accounts are past due if not received by the 20th and if two payments are due on the 20th of any month, a letter will be sent to the individual with notification of insurance cancellation. In addition, an attempt will be made to schedule a meeting with the participant and a member of the conference staff to explain the termination of coverage. Any account that is two payments past due will be terminated if payment has not been received in the conference office by the end of the month. The termination date will be retroactive to the first of the month of unpaid premium.

The North Texas Conference offers a Medicare supplement health insurance plan to retirees (who have been enrolled in the active health plan the five years immediately preceding retirement), their spouses and surviving spouses of eligible clergy. The conference pays a portion of the premium based on years of service and the scale which appears in the report section of the North Texas Conference Journal each year. The remainder of the premium is the responsibility of the retiree or spouse and is usually paid by pension deduction. Those retirees or spouses who pay their portion of the premium by check directly to the conference must remit the payment one month in advance by the 20th of every month. Accounts are past due if not received by the 20th and if two payments are due on the 20th of any month, a letter will be sent to the individual with notification of insurance cancellation. In addition, an attempt will be made to schedule a meeting with the participant and a member of the conference staff to explain the termination of coverage. Any account that is two payments past due will be terminated if payment has not been received in the conference office by the end of the month. The termination date will be retroactive to the first of the month of unpaid premium.

If anyone in the above categories has extenuating circumstances which prevent them from making timely payments, a hearing may be scheduled with the conference Board of Pension and Health Benefits to appeal the scheduled termination and request a payment plan.

This policy will be effective July 1, 2009.

RETIREE MEDICAL LIABILITY

In 2002 the North Texas Conference took initial steps to establish a plan to fund our liability for promised retiree health insurance benefits. An update to the Retiree Medical Liability Funding Plan may be found in Section IX., LA 16 (2008 *Journal*). We continue to be confident that we will be able to provide the benefits promised to our retirees and spouses as well as our active participants.

PROPERTY AND LIABILITY INSURANCE COMMITTEE

We are now in the third year of our conference-wide Property and Liability Insurance program through UM PACT. All of our churches, fellowships, campus ministries, camp and retreat centers, and other ministries are enrolled.

This conference-wide insurance program is a Property and Liability All-Lines program. Our churches are getting their Property Insurance, General Liability, Umbrella Liability, Auto, Hired and Non-Owned Auto, Directors & Officers Liability Insurance including Employment Practices Liability, and Workers Compensation coverage in this way. Our Total Insured Property Value is just over $1,044,000,000 and our total annual premium is $5.2 million.

The conference Property & Liability Insurance Committee, which was created three years ago, meets regularly and periodically reports to CF&A and our conference Board of Trustees.

The Committee continues to review our claims data and consider where we need to increase our Ministry Protection efforts. Claims are being handled professionally by Zurich North America, with assistance as needed from the PACT Service Center and the conference office. We have already experienced the benefits of working together on liability claims.

We are working to increase our ministry protection efforts. We have begun distributing Ministry Protection Memos from PACT, as well as encouraging our church leaders to participate in PACT Ministry Protection webinars. Tom Christian, our Associate Director of Administration for Property & Ministry Protection, has made a significant beginning in the important work of visiting our churches for this purpose. In addition, professional appraisers will be visiting some of our churches this year and others in future years. It is our goal to have updated appraisals for all of our churches at least every five years.

Conference staff continue to do the things necessary for the program to function: maintaining all of the churches' data in CONNECT (PACT's online data storehouse which the churches themselves can keep up-to-date if they wish), distributing Summary of Coverage booklets, issuing proof of insurance cards for church vehicles and for other needs, making the necessary updates to the Statements of Value for the churches, etc. Tom Christian and Carolyn Bryels, our Administrative Assistant for PACT, are working closely with our churches and the PACT Service Center on your behalf. We want to thank them for all of their hard work.

The North Texas Conference is well-represented on UM PACT's Board of Directors. Bill Baxley, a lay member from Christ UMC, Plano, serves as the independent director on the Board, and Dr. Marvin Guier serves as the President and Chairman of the Board of UM PACT.

We reiterate what we said previously about how important this conference-wide property and liability insurance program is not only to the annual conference, but most importantly to all of our churches. Each one of our churches needs to be concerned about the adequacy of coverage, as well as the ministry protection efforts, of every other church in the conference. This is how we can do that. We've seen it work the way it is supposed to and are experiencing the benefits of doing this together as the church.

NOTES TO 2008 SUMMARY REPORT OF FUNDS ADMINISTERED BY CONFERENCE TREASURER

(1) In order to fund college and seminary scholarships for candidates for ministry, it has been the policy of the Board of Ordained Ministry for many years that prior year receipts would fund current year expenses. The Board has been working toward returning to that position.

(2) It has already been planned to spend down this balance in 2009 and 2010.

(3) This balance was due to spending less than anticipated on CRSP supplements during the first two years of the new pension program, even though the budget for CPP ran a deficit both years. It has already been planned to spend down this balance in 2009 and 2010.

(4) This is a combination of the Salary Supplements Fund administered by the Commission on Equitable Compensation and the Missional Grants Fund administered by the Appointive Cabinet.

(5) The Moving Fund was established with the intent that prior years receipts would fund current year expenses so as not to impede the clergy appointment process.

(6) The difference in receipts in this report compared to the Remittance Report is due to the inclusion of interest earnings in this report.

(7) The target for this reserve fund is between $1,000,000 and $1,500,000 in order to preserve the conference's future health insurance options. It increased last year due largely to Medicare Part D refunds to the retiree plan. The BOPHB has already begun spending down this balance and plans to continue to do so by lessening future premium increases.

(8) The increase in 2008 included $56,976.19 of undistributed 2007 investment earnings and $88,528.56 of undistributed 2008 earnings. The current target for this fund is 10% of the annual apportionment budget (approx. $1.2 million).

METHODIST CHILDREN'S HOME

Methodist Children's Home reached the goal set four years ago to expand and serve more than 1,000 at-risk children and youth. This was the culmination of our strategic plan. The Home now looks forward for innovative ways to become the most redeeming, faith-based childcare organization in the nation. In order to do so, we must continue to challenge ourselves and rely on the generosity of our friends in the North Texas Annual Conference.

Methodist Children's Home is closely monitoring the ongoing economic situation. Thanks to our faithful benefactors, a 119-year history of excellent stewardship, and a belief that, now more than ever, hurting young people need the Home, we have not wavered from our plan to continue seeking new ways to serve at-risk children, youth and their families from Texas and New Mexico.

Supporters, like those we have in the North Texas Annual Conference, help the Home do great things. Guided by our core values of Christian Principles, Relationships, Responsibility, Growth, Service and Hope, the Home has recently accomplished the following for the glory of God:

- Provided services for nearly 1,600 children during the year.
- Reached the second of three annual matching gift campaigns to provide resources for expansion opportunities.
- Offered emergency services on our Waco campus for evacuees of Hurricane Ike. This included a group from a residential care facility for at-risk girls who were forced to flee the path of the storm.
- Assisted the State of Texas in housing 47 children, ages 3 to 10, removed from the Yearning for Zion compound in Eldorado, TX.
- Started construction of a Recreation and Activities Center at our Boys Ranch.
- Increased the services offered through our Sulphur Springs Outreach Office.

The future will provide the Home with as many, if not more, opportunities to positively impact the lives of children, youth and families. Our staff remains passionate about our work with young people. We will be ready to meet these new challenges in order to help change lives and, in the process, empower our children to one day be productive members of society and this faith community.

We are grateful for the leadership and support of the North Texas Annual Conference. Our achievements in the past, and those yet to come, are directly related to the men and women who give their time, talents and resources to bless our children. We are grateful to the following individuals for their service on the Home's Board of Directors:

Dr. J. Clayton Oliphint, Chairman, Richardson, TX
Mrs. Patsy Johnson, Sulphur Springs, TX
Rev. Ouida Lee, Dallas, TX
Mrs. Betty Vilven, Allen, TX
Mr. Scott Wallace, Dallas, TX

These individuals, along with the Home's Commissioners and benefactors, enable our ministry to daily achieve our mission of offering hope to children, youth and families through a nurturing, Christian community. As a result, the Home is helping transform our world, one child at a time.

You can help Methodist Children's Home impact the lives of at-risk young people by contacting our central offices at 1111 Herring Avenue, Waco, Texas 76708 or by phone at (254) 753-0181 or (800) 853-1272.

Churches and individuals are encouraged to visit our web site at www.methodistchildrenshome.org to download stories and resources to help educate your congregation on the Home's ministry.

If you would like to schedule a speaker, arrange a tour or need resources to designate a Methodist Children's Home offering, contact Trey Oakley, Vice President for Development, at the phone numbers listed above or by e-mail at toakley@mchwaco.org.

Please do not hesitate to call Mr. Bobby Gilliam, MCH President, if you have questions about the Home's mission, endowment, fundraising or future expansion.

We encourage pastors and lay leaders to provide feedback on ways we can better align our services with the needs facing the churches in this annual conference. While we cannot serve every child in need, the Home will continue to partner with you as we work together to offer hope to hurting children, youth and families.

MMH Ministry

Today, the mission of Methodist Mission Home is to offer hope to individuals facing spiritually, emotionally and physically challenging circumstances, so they may lead enriched, rewarding and satisfying lives. Through professional guidance and compassionate support, teens and young women facing unplanned pregnancy and families considering adoption make mutually beneficial decisions. Through transitional education including life skills and vocational training, young adults with disabilities and those who are deaf develop confidence and competence to reach their personal level of independent living. MMH fulfills this mission through the following programs:

- **Family Services** has placed 5,716 children into loving homes through domestic, older child, and international adoptions. We provide counseling for birth parents and adoptive families throughout the adoption process. Our maternity services include campus housing for pregnant teens and young women considering adoption. Post-adoption counseling is available for birth parents, adoptive families, and adoptive children. "Is Parenting Harder Than You Thought?" provides education to teach teens and the professionals who work with at-risk youth about the alternatives to parenting – adoption and voluntary foster care.
- **The Southwest Center for Higher Independence (SCHI)** For many teens, graduation from high school means moving on to college. For students with multiple disabilities, college is not always the next step. For these young adults, ages 18 and older, SCHI is the next step. Established in 1974, SCHI was founded as a transitional education center for people who were deaf and hard of hearing. Today, our services have expanded to accommodate more diverse disabilities, including high functioning MR, autism, Aspergers, cerebral palsy, and learning disorders. SCHI has assisted hundreds of young adults with disabilities in learning the vocational and life skills to achieve their personal best.
- **The Genesis Cooperative** is a self-supporting collaboration of five nonprofit agencies on the MMH campus serving youth and young adults with disabilities, pregnant teens and young women, women recovering from substance abuse and their children, and adults who are deaf/blind.

How We Can Help YOU Serve Your Neighbors?

- Adoption counseling for birth parents
- Counseling for adoptive families considering domestic, international or older child adoptions
- Post Adoption Services – Search/Reunion, Medical Information
- Guidance in developing a Walk With Jesus (an Emmaus-like experience for adults with special needs)
- Transition planning for families and youth with special needs ages 16 and older
- Training for teens and professionals who work with at-risk teens on Parenting Alternatives

METHODIST HEALTH SYSTEM

The covenant relationship that exists between the North Texas Conference and Methodist Health System (Methodist) proudly reaffirms that the care of the sick and injured as well as the education of people to care for them are important ministries for our community.

Beyond that, the Church and Methodist influence each other in many areas. Central to the values and mission of Methodist is the commitment to provide direct services on behalf of the Conference, such as pastoral care and educational opportunities, and to render charity services including those provided through the Golden Cross Program. These activities are designed to reflect a continuing commitment to Christian life and learning. The bishop, Methodist ministers, and laypersons carry out leadership roles on Methodist's governing and advisory committees. Methodist Health System treats people from all walks of life with respect and dignity. It strives to conduct its ministry of caring and healing in a compassionate way that brings recognition and credit to the United Methodist Church.

Methodist Dallas Medical Center is a 525-bed hospital located just southwest of downtown Dallas. It serves as the teaching and referral hospital of Methodist Health System. Among Methodist Dallas Medical Center's many areas of expertise are cancer treatment, cardiology, day surgery, emergency/trauma care, gastroenterology, intensive care, maternity, neonatal intensive care, neurosciences, orthopedics, outpatient services, radiology, transplantation, and urology. The Methodist Dallas Transplant Institute has performed almost 2500 procedures since its founding in 1981, including adult kidney, pancreas, and liver transplants. Methodist Dallas Medical Center made medical history in 1992 when it performed the world's first successful simultaneous heart-kidney-pancreas transplant.

Methodist Charlton Medical Center, with 254 beds, serves the residents of the suburban communities in southwest Dallas County. Methodist Charlton provides a variety of exceptional programs, including cancer treatment, cardiology, day surgery, emergency care, general medicine and surgical care, radiology, and women's services. Methodist Charlton is currently undergoing a $116 million renovation, adding a new patient bed tower, additional surgical services, and physician offices. The renovation will be complete by fall 2009.

The 124 bed Methodist Mansfield Medical Center opened in December 2006 and offers high-quality care to the growing areas of Mansfield and the surrounding communities. The hospital recently completed an expansion including a 36-bed medical-surgical unit, additional operating suites, and an expanded emergency department. Services include cancer treatment, cardiology, emergency care, gastroenterology, general surgery, intensive care, maternity, neurology, nephrology, obstetrics and gynecology, orthopedics, pulmonology, and radiology.

Methodist Family Health Centers extend family health care and general medical services in eight locations in the Methodist service area. Additional family health centers are planned to open over the next several years. Methodist Midlothian Health Center offers diagnostic imaging to serve the needs of the growing Ellis County community. The 40-bed Methodist Rehabilitation Hospital, in affiliation with Centerre Healthcare, provides inpatient and outpatient physical rehabilitations

services for patients recovering from traumatic brain injury, trauma, stroke, orthopedic surgery, and other conditions. A partnership between Methodist and area physicians, the 16-bed Methodist McKinney Hospital is currently under construction and is planned to open in 2010.

In the fiscal year 2008, Methodist Health System:

- Treated **35,291** adult and pediatric inpatients
- Delivered **6,622** babies
- Performed **8,582** inpatient and **7,795** day surgeries
- Treated **159,165** trauma and emergency room patients
- Recorded **31,277** visits in the teaching clinics

Our commitment to the people in our community is represented by the number of activities and services we provide. The beautifully renovated Methodist Dallas Medical Center Golden Cross Academic Clinic trains medical residents in obstetrics and gynecology, internal medicine, and general surgery, while providing quality care for disadvantaged families. Other important programs include: Senior Access which provides health-related services and information to over 37,000 area seniors; Methodist's Mobile Mammography program which provides early detection and treatment for breast cancer to underserved women; The Methodist Prostate Cancer Screening and Awareness Program which provides education and early detection for prostate cancer for minority men. The program has screened over 50,000 men since 2000, more than any other hospital-based program in the US; and Methodist's Congregational Health Ministry which provides health resources to churches in our community. Methodist is also one of the founding members of CareFlite air and ground ambulance. Methodist annually exceeds the 5 percent charity care ratio required by the state for non-profit organizations. Our hospitals provided $81.6 million in uncompensated charity care in 2008.

The crosses that are featured as part of the architecture of each Methodist hospital symbolize the caring and concern that are the daily standard of service for Methodist Health System. Methodist laypersons are encouraged to become active participants in the programs and services provided by the hospitals through auxiliary activities, participation in the volunteer services programs, or through service as a Golden Cross Advocate. Every United Methodist congregation is also urged to become an active participant in the Golden Cross Program by contributing one dollar per member annually. Together, with the North Texas Conference, Methodist Health System will continue to serve as a beacon of Christian caring throughout the region.

GOLDEN CROSS

"*Golden Cross is a faith-based program of Methodist Health System and the North Texas Conference of the United Methodist Church. Its purpose is to provide health care to persons who cannot afford it.*" Golden Cross Program Mission Statement, revised, November 2005

Background. For over 80 years, the Golden Cross Program at Methodist Dallas Medical Center has been a powerful ministry of the entire North Texas Conference. The program brings together Methodist congregations, dedicated physicians, and caring individuals to provide medical care for those in need.

At its inception, the Golden Cross ministry founders sought to revolutionize the delivery of health care for the people of North Texas. Guided by that original vision and mission, board members of

the Golden Cross Division of Methodist Health System Foundation are charged with governing and directing the Golden Cross ministry. The Golden Cross Board is comprised of dedicated men and women from Methodist congregations throughout the North Texas Conference. Over the years, as the needs of our community have changed, so too has the Golden Cross ministry. Through resourceful initiatives such as the Golden Cross Academic Clinic of Methodist Dallas Medical Center, the program has served thousands of North Texas residents and will continue to serve thousands more.

Expansion of Benefits for North Texas Conference. In 2005 the Golden Cross Board voted to align the Golden Cross ministry with changing community needs, and to broaden the reach of the ministry within the North Texas Conference. The board recognized that changes in the government funding of healthcare for poor and elderly, and the recent utilization trends for Golden Cross funds, necessitated a change in the ministry policies in order to address the increasing crisis of uninsured residents.

MedAssist. As its first program intended to expand the ministry's reach and better leverage the funds available, the board considered two major health challenges in the North Texas Conference for its uninsured residents: high prescription drug prices and the challenges of chronic disease management. The unanimous recommendation of the board was to allocate available Golden Cross funds in 2006 for the development of a prescription medication program. Called MedAssist, the program serves patients of the Methodist Dallas Medical Center Golden Cross Academic Clinic. Through this innovative program, qualifying patients receive medications at no cost, and the program provides social services, nutrition services, and education programs to help patients remain well and active at their workplaces and in their communities. Short-term counseling services are provided when needed to help patients learn better ways to cope with chronic illness. Over 1,857 patients have received free services and medication through MedAssist since its inception, and the program has had a very positive impact on the quality of life of each patient.

Congregational Nurses. The board has also voted to provide funding to the Golden Cross Academic Clinic for its Congregational Health Ministry. This ministry forms partnerships with churches within the North Texas Conference as well as other area churches in an effort to improve the physical and spiritual health of the congregation. This ministry provides guidance, shares resources, and assists church leaders in meeting the wellness needs of these communities of faith.

Prenatal Program. An exciting new program will be introduced in October 2009. The Life Shines Bright Pregnancy Program will provide comprehensive care and support to patients at risk for pre-term delivery. The program will refer and recruit patients entering the Golden Cross Academic Clinic and through community outreach seminars to be held monthly at area churches. These patients will be recruited through community outreach, physician referral via the OB teaching program, and private physicians. High-risk patients from the Los Barrios Clinic will also be eligible for the program. A bilingual nurse practitioner and prenatal health care educator will administer the program.

Call for More Information. The Golden Cross Board reviews the programs each year to determine the benefits and the appropriateness of continued support with these funds. To learn how to access these services, you may call the Golden Cross Academic Clinic at 214-947-6700.

The Golden Cross Board takes seriously its responsibility to continuously improve, as well as manage, the sacred trust that donors throughout the past 85 years have come to expect. Golden Cross must have your support to carry on its mission. Each church is encouraged to commit to or maintain the pledge of one dollar per member. Our goal is to strengthen this ministry so that the next 85 years will continue to be marked by the revolutionary spirit of our founders.

North Texas Conference Commitments. The following list indicates churches of the North Texas Conference that contributed to Golden Cross. These 39 churches gave a total of $41,929.00. Those marked with an asterisk (*) signify the churches which met the original goal of $1 per member in 2008:

MOUNT SEQUOYAH CONFERENCE AND RETREAT CENTER

Dozens of recent events, planned and hosted by Mount Sequoyah occurred during the past 12 months. These conference, training, and retreat sessions provide young and seasoned clergy the tools, models, and experiences to effectively lead their congregations. In 2009, Mount Sequoyah provided a second successful jurisdictional faith-based environmental conference to "Care for our Creation"; coordinated a partnership with national and regional Methodist agencies to initiate jurisdiction-wide training for addiction issues within local congregations and communities for congregational, district, and conference teams; and hosted the charter conference for the Small Church Leadership Institute for laity and clergy. Dozens more laity and clergy workshops, seminars, and meetings were hosted for effective leadership and discipleship training addressing specific ministry needs for congregations, districts, and conferences. A new initiative is to offer hospitality to returning soldiers, and their family members, in partnership with Veterans Health Care System of the Ozarks, the local VA medical center in Fayetteville.

Mount Sequoyah hosted disaster training through UMCOR just days after being a recipient of early response chainsaw and debris ministry teams from six states. In the 87 years of ministry and service to generations of Methodist clergy and laity, Mount Sequoyah has never experienced such physical devastation as happened during the January 27-28, 2009 Ice Storm. Described as an "arctic tornado" at the end of four days, the physical beauty of Mount Sequoyah lay in a pile of tree rubble which will cause clean up and building repair efforts to continue through the first and second quarters of this year. The rubble is temporary; however, the purpose is not interrupted for this unique and significant ministry of sacred service to Methodist clergy and laity from 6,400 congregations across 15 conferences in the South Central Jurisdiction.

In a critical year for balancing budgets, end of year revenue income for Mount Sequoyah facility use was the highest ever at $750k, following a challenging year with significant loss in contracted revenue, due to group cancellations. Total revenue, as compared with previous years, has also increased from private contributions. Apportionment assistance given by the North Texas Conference, and financial and volunteer support from members of North Texas congregations, are vital to the continued transition for this connectional ministry.

Mount Sequoyah continues to be a leading and active partner for laity and clergy throughout the South Central Jurisdiction. Mount Sequoyah provides initiatives to develop effective leadership for our church; provides training for starting new faith communities and for renewing existing congregations; provides best practices for establishing "ministries in hard places" with the poor, the homeless, those in prison; and, it provides leadership for developing ministry strategies for addressing global health issues. Mount Sequoyah joins our collective UMC mission to make disciples of Jesus Christ for the transformation of our world.

PERKINS SCHOOL OF THEOLOGY

The mission of Perkins School of Theology at Southern Methodist University is to prepare women and men for faithful leadership in Christian ministry. As an official school of theology within The United Methodist Church, it is part of our goal to continue to prepare leaders for ministry in the church by focusing on four key areas – formation, faculty, finances, and facilities.

One essential step in forming faithful leadership for the church of Jesus Christ is to partner with the annual conferences of the South Central Jurisdiction and beyond to identify those called to ministry, both the ordained and the lay ministry. One outstanding expression of this partnership is Exploration 2009, meeting in Dallas in November of this year. Sponsored by the General Board of Higher Education and Ministry, Exploration is a three-day event for committed youth and young adults (high school seniors through age 24) to hear, discern, and respond to God's call to ministry and to explore their gifts for ordained ministry as deacon or elder in The United Methodist Church. Perkins is pleased to be involved in planning as well as assisting to host that fall gathering. Our own Tracy Anne Allred, director of Student Services, is chair of the Exploration 2009 Design Team, and Herbert Coleman, director of Recruitment and Admissions, is a member of that team as well. The work of forming our youth and young adults in faith and vocation is a high calling of its own, and Perkins is honored to share that task with the clergy and laity of the North Texas Annual Conference.

Formation for faithful leadership not only requires attention to identifying those called to the ministries of deacons and elders, along with other pastoral ministries, but to preparing the next

generation of Biblical scholars, theologians, ethicists, church historians, and practical theologians, such as teachers of preaching and pastoral care. Perkins has taken steps to increase financial and faculty support for its Graduate Program in Religious Studies, and has partnered with other schools of theology to support the Hispanic Theological Initiative to fund Latino and Latina students, both at the Ph.D. and master's level.

Regarding our own teachers, our graduates tell us that the quality and diversity of our 35-plus member faculty is one of the most valuable assets which students encounter here at Perkins. Every time we conduct a search for a new faculty member, it is our goal to enhance the quality of teaching and research for the good of the church and its mission. This year we welcomed assistant professor of Old Testament Dr. Susanne Scholz to the Perkins faculty. We appointed Dr. Richard D. Nelson, W.J.A. Power Professor of Biblical Hebrew and Old Testament Interpretation, to the office of Associate Dean for Academic Affairs. We are fortunate to have Dr. David Maldonado, Jr. among us for his second tenure at Perkins; he serves as the director of the newly established Center for the Study of Latino/a Christianity and Religions at Perkins. In January, Dr. Joerg Rieger was appointed by the Provost of Southern Methodist University to the newly endowed Wendland-Cook Professorship in Constructive Theology. We were also pleased to welcome Rev. Susan Buchanan as director of Recruitment and Student Services for the Houston-Galveston Extension Program. And we have named as associate director of Public Affairs and adjunct professor of Preaching, Dr. Paul Escamilla, who brings both pastoral and administrative experience to his work at Perkins. We said farewell to Dr. Edwin E. Sylvest, Jr., who retired as Professor *Emeritus* of Church History after 38 years at Perkins. On a personal note, I was elected by the General Conference in May 2008 to a position on the Judicial Council, a responsibility I feel deeply privileged to hold.

Rev. Todd Rasberry, Director of Development, continues working to raise funds necessary for the scholarship support of our students and the endowment of our programs. Only 50 percent of our needed revenue is generated by tuition. The other half is derived from our endowment earnings and support from congregations across the connection through the United Methodist Ministerial Education Fund.

On September 11 of this year, Perkins will dedicate three buildings for its work, including the new LEED Certified Elizabeth Perkins Prothro Hall and the renovated Kirby and Selecman Halls. (LEED certification is the recognized standard for measuring building sustainability in terms of environmental responsibility.) We are pleased that one of the inaugural public events in our new Prothro Hall will be the Hispanic Summer Program. Scheduled for mid-June, the program will bring together an international group of students and scholars for theological study and discourse across their disciplines within a Hispanic context. Dr. James T. Laney, the former President of Emory University and former U.S. Ambassador to South Korea, once said that "every new building is a declaration." At Perkins, these new and renewed buildings are our declaration that God is leading us into the new millennium with boldness and vision for leading the wider church toward its mission of making disciples of Jesus Christ for the transformation of the world.

Grace and Peace,

William B. Lawrence,
Dean and Professor of American Church History

Kansas City Campus
5123 East Truman Road
Kansas City, MO 64127

Saint Paul School of Theology is a seminary of the United Methodist Church that educates leaders to make disciples for Jesus Christ, renew the Church, and transform the world. We are one institution with two campuses, as our campus at Oklahoma City University welcomed its first class in fall 2008.

This academic year, 267 students from 17 states and 5 continents were enrolled in degree programs at Saint Paul School of Theology. Twenty-two Master of Divinity students enrolled at the Saint Paul campus at Oklahoma City University. The Course of Study School at Saint Paul served 277 students from 23 annual conferences.

The seminary gathered in September to celebrate its 50th Opening Convocation in Kansas City. One week later Bishop Robert Hayes, President Tom McDaniel, and President Myron McCoy signed a unity document during the inaugural Opening Convocation ceremony for the Oklahoma City University campus of Saint Paul School of Theology at Oklahoma City University. Dr. Elaine Robinson was installed in April as Academic Dean for the SPST at OCU campus.

It was the fifth year for the Saint Paul youTheology program. Twenty high school youth from the Midwest were selected to form a group that explored their faith through worship, service, study, travel, and a mentoring relationship. The program culminated with a Pan Methodist Pilgrimage in historic East Coast locations fundamental to the roots of Methodism.

The Saint Paul Institute began a weekend program to enrich the learning of laity in the area. Each Laity School of Theology Saturday Session was taught by Saint Paul faculty and presented in an accessible manner for persons with a variety of educational backgrounds. Topics included worship, Bible, ethics, church history, and theology. In fall 2009, the Laity School will begin to offer sessions in Oklahoma City.

Saint Paul announced two new Doctor of Ministry degree tracks in Children and Poverty (2010) and Global Health and Wholeness (2011). Both tracks relate directly to the United Methodist Council of Bishops initiatives (the “Four Foci”) for the Church.

Dr. Israel Kumudzandu, Assistant Professor of New Testament Studies and Dr. Patricia Beattie Jung, Professor of Christian Ethics and the Oubri A. Poppele Professor of Health and Welfare Ministries, were new faculty hires, along with Dr. Elaine Robinson at our Oklahoma City University campus. She is the Academic Dean and Associate Professor of United Methodist Studies and Theology.

The seminary received a $248,771 grant from the General Board of Higher Education and Ministry of the United Methodist Church for technology and focused recruitment activities targeting Native Americans, individuals of various ethnic groups and young adults.

The Kansas City campus will celebrate its 50th Anniversary September 28-29, 2009. The festivities will be a time to celebrate the seminary's tradition and history, reunite graduates and friends of the seminary, look toward the seminary's future, and share the seminary's story with the larger Kansas City Community.

Like all educational institutions Saint Paul finds itself navigating through the economic recession, making the necessary adjustments but continuing to plan for a strong future.

The trustees, faculty, staff, and students of Saint Paul thank you for your interest, prayers and support.

SOUTHERN METHODIST UNIVERSITY

As SMU approaches the centennial of its founding in 1911 by the Methodist Episcopal Church, South, and its opening in 1915, the University continues to rise in national prominence. Some highlights of the past year follow:

- SMU's total fall 2008 enrollment was 10,965, including 6,240 undergraduates, 3,521 graduate students and 1,204 professional (theology and law) students. Minority students make up 20.6 percent of the student body. Applications for the first-year class have more than doubled in just eight years, and the average SAT score of the first-year class has risen 97 points in the past 10 years. International student enrollment is at an all-time high, with 958 students from 97 countries.

Those re-elected to an additional term include the Rev. Kirbyjon Caldwell, Windsor Village United Methodist Church, Houston; the Rev. W. Mark Craig, Highland Park United Methodist Church, Dallas; Bishop Scott J. Jones, Kansas Area; and Bishop Ann B. Sherer, Nebraska Area.

- A national search is currently in progress for a successor to SMU Chaplain Will Finnin, who retired in December. The search committee, headed by SMU Vice President for Student Affairs Lori White, hopes to name a chaplain this spring.

- SMU broke ground in May for a new Caruth Hall for the School of Engineering; in October the school was named in honor of Dallas leader Bobby B. Lyle.

- A new low-cost Center for Family Counseling opened in October at SMU-in-Legacy, the University's campus in Plano, and in central Dallas.

- SMU-in-Taos broke ground in July for facilities and improvements that will allow fall semester classes to be added to the summer programs offered since 1973.

- In February 2008 the George W. Bush Foundation announced that SMU had been chosen as the site of the George W. Bush Presidential Center, which will be a rich source of research materials for scholars and others.

News of Perkins School of Theology:

- Perkins Dean William B. Lawrence was elected to the nine-member Judicial Council of The United Methodist Church during the quadrennial meeting of the General Conference.

- David Maldonado Jr. received the 2009 Perkins Distinguished Alumnus/a Award. He is current director of Perkins' Center for Latino/a Christianity and Religions.

- As part of Perkins' Global Theological Education Program, students took cross-cultural immersion courses taught by Perkins faculty and others on-site in South Africa, the Palestinian Territories, Israel and Mexico. The two-week courses include interaction with local pastors, laypeople and theology students.

News of the Wesley Foundation:

- Under the leadership of the Rev. Andy Roberts, the SMU Wesley Foundation continues its active campus ministry. New programs include "The Well," a weekly worship service in Perkins Chapel featuring music, teaching, prayer and Holy Communion; and weekly sessions of fellowship, Bible study and prayer for first-year students. SMU Wesley sent a student team to New Orleans in May 2008 to assist with continued disaster relief.

SMU treasures its Methodist heritage and maintains a particularly close relationship with Highland Park United Methodist Church and its senior minister, the Rev. Mark Craig. I enjoy serving as guest preacher at that church each fall. We ask your continued prayers and support as SMU moves forward in the coming year.

TEXAS UNITED METHODIST COLLEGE ASSOCIATION

The importance of the Texas United Methodist College Association only increases with the challenging economic news buffeting our schools. As students and their families are hard pressed to meet college expenses and our institutions work diligently to provide financial aid, TUMCA dollars often represent the critical difference in student enrollment and retention.

Over $500,000 was distributed to our TUMCA schools for fiscal year 2008/2009. The TUMCA mission remains strong and essential. The effort is noble, the cause is worthy, and our scholarship recipients are deserving.

Here are some testimonies coming from some of our students' home churches in response to student "thank you" witnesses:

"Articulate, thoughtful, and helpful in the always necessary task of educating through witness the stories/fruit of our connectional giving."

"A shining witness. He spoke of his appreciation to the congregation for their support of TUMCA which allows him to continue his education."

"She is truly a blessing to our congregation and the world. And we thank TUMCA for sending her to college."

TUMCA staff visits include Conference Boards of Higher Education, the five Annual Conference meetings, local church and district interpretation, and encouragement "stories" shared in as many settings as possible.

Each of our TUMCA schools is making a heroic effort to fund student scholarships in these challenging times. The TUMCA partnership with each school furthers the success of this worthy effort.

Our United Methodist students continue to be "our students!" Their desire to continue their education in a United Methodist school reflects a fulfilling journey begun in our congregations. We must stand with them to achieve their dreams.

The TUMCA funds distributed to our United Methodist schools in Texas are used entirely for direct scholarship aid for United Methodist students. These funds are never used for administrative or capital expenditures.

"Thank you" from every TUMCA scholarship student for your financial support. Your TUMCA dollars are educating Christian young men and women to be "difference-making" leaders!

TEXAS METHODIST FOUNDATION

The Texas Methodist Foundation's commitment "to empower the Church in the achievement of her God-appointed missions" continues to be reaffirmed, especially during this year of economic uncertainty. The Foundation was founded in 1938 during another challenging economic time for United Methodist churches and institutions in Texas. Our founders were a group of forward-thinking United Methodist clergy and laity who gathered to strengthen the long-term financial stability and effectiveness of their Church. We consider it our calling and our privilege to continue to carry out their vision through our services.

We ended 2008 with $316.5 million in assets under management. Our Investment Services area saw an increase in funds among the strong pool of church and institutional accounts they serve. A number of our existing investors moved additional funds to the Foundation from bank accounts in 2008. These transfers were often precipitated by the confidence investors have in the transparency and integrity of our financial operations and our commitment to serving the needs of United Methodists rather than shareholders. Many of these investors found a safe haven in the Methodist Loan Fund where they know their investments will earn competitive rates while building and strengthening other United Methodist agencies with loans for new construction, capital improvements and expanded facilities to better serve their communities through ministry.

The Texas Methodist Foundation, located in Austin, serves United Methodist individuals, churches and agencies within the five annual conferences in Texas and the Rio Grande Conference of Texas and New Mexico. We appreciate the opportunity to report some of the ways we assisted United Methodists last year.

How can we help you to help others?

We are pleased to report to you the assistance we provided in 2008:

Within the North Texas Annual Conference:

- Loans from the Foundation to churches in the North Texas Annual Conference totaled $60.4 million.
- Churches and related agencies within the North Texas Annual Conference had $47.9 million invested with the Foundation's Methodist Loan Fund.

Throughout the state:

- As of December 31, 2008, total assets under management by the Foundation were approximately $316.5 million.
- Methodist Loan Fund investments grew overall, including new Individual Fund accounts of $3.1 million. Methodist Loan Fund investments support the Foundation's loan program which currently funds 429 loans to United Methodist churches and agencies. Our loan balance ended 2008 at $267.7 million.
- The TMF Institute for Clergy and Congregational Excellence ministry (formerly the Clergy Leadership Initiative) supported 87 pastors from the Texas annual conferences participating in 10 Clergy Development Groups. The Institute also welcomed 25 District Superintendents from around the state and across the South Central Jurisdiction, and the 11 active Bishops serving in the South Central Jurisdiction who were involved in group processes. The Institute conducted three special educational events, attended by 33 pastors from the Texas annual conferences, focusing on ways to create congregational cultures of generosity.

- During 2008, the Foundation funded grants in excess of $1.4 million including several from donor-advised funds. These grants benefited a variety of programs managed by local churches, community outreach centers, and conference ministries. The Foundation's Grants Ministry gives priority to programs that address the root causes of poverty as it affects children.
- The Foundation distributed $495,000 from permanent endowments, predominantly to United Methodist causes in Texas.
- Our Stewardship staff consulted on 19 capital campaigns, resulting in pledges totaling more than $11.4 million. They made more than 252 consultation visits to churches offering counsel and guidance in areas of specific need related to funding ministry. Stewardship staff also conducted 14 annual stewardship workshops in local churches and several district and conference level workshops.
- Our Development staff worked with more than 75 churches to help them initiate or revive Permanent Endowment Fund programs. Additionally, they worked with individual donors on planned gifts totaling more than $1.1 million to benefit United Methodist churches and agencies.

The following people residing in the North Texas Annual Conference serve as board members to the Texas Methodist Foundation in either an elected or advisory capacity:

Kathleen Baskin-Ball

Following a two-year battle with cancer, Rev. Kathleen Baskin-Ball died on December 2, 2008 encircled by family and friends. Just two days earlier, she lovingly cupped water in her hands as she baptized three-dozen persons. In her last days, she opened her home to over a thousand persons who came to her home to share hugs, tears, laughter, and abundant love.

Kathleen's early positions in ministry included serving as an Associate Pastor at Holy Covenant UMC in Carrollton, First UMC in Wichita Falls, and First UMC in Denton. In these settings, she worked extensively with youth and their families. Kathleen was appointed as the founding Pastor of a new Hispanic ministry in West Dallas in 1989. She took an intensive 5-week Spanish course in Cuernavaca, Mexico and moved into the neighborhood to offer sincere, generous, and transforming love. A predominately Hispanic and African-American community of faith formed in this lower income and inner-city neighborhood. They grew to a membership of 130 and were constituted as Nueva Esperanza (New Hope) United Methodist Church in April of 2004. Kathleen was Senior Pastor at Greenland Hills United Methodist Church from 1994 to 2001. She led the church through a remarkable transformation. It was a faithful aging congregation with considerable membership loss due to death and only 3 persons joining in a year by profession of faith. During her final year at the church, more than 40 person joined by profession of faith. Worship attendance and membership increased dramatically, children and youth ministries flourished, and the church became very active in hands-on mission work.

Kathleen was appointed Senior Pastor of Suncreek UMC in 2001, a church with 469 adult/youth members. The church grew to over 1600 members with weekly worship attendance of about 650 during her tenure. Kathleen was a truly dynamic preacher and worship leader. Faithful energy flowed from her every Sunday morning. In her final years, she became a nationally known preacher for youth, preaching at many major conference and jurisdictional events. She preached with extraordinary power and passion on the final evening of Youth 07, a national United Methodist youth event attended by about 7,500 persons.

Despite never being appointed to a large church and having her life cut short, she achieved growth in profession of faith relative to worship attendance and membership that reached the highest levels ever recorded in the United Methodist Church for a woman serving as senior pastor. At the conclusion of 2004, she became the first woman serving as Senior Pastor of a Christian Church in the Dallas area to reach the 500 person average annual worship attendance mark.

Kathleen was a vital leader at all levels of the church, including serving on and chairing many North Texas Conference committees. There was no one more passionate about mentoring clergy through the ordination process. She recently served as Chairperson of the North Texas Conference Board of Ordained Ministry. Her election in June 2003 as a clergy delegate to General Conference marked the first time a woman serving a local church appointment was elected by the North Texas Conference. She led the Conference's Clergy delegation to 2008 General Conference in Ft. Worth where she was selected to chair the Ministry and Higher Education Legislative Committee. It was a weighty year for this vital committee as they dealt with volumes of legislation that led to significant changes in the ordained ministry process.

She held many youth ministry leadership positions including District Youth Coordinator, Conference Youth Coordinator, and Co-Director and Camp Pastor for SEEK Camp. She was also a founder, teacher, and worship leader for the Annual Perkins School of Youth Ministry. Kathleen's

mission activities included leading many mission trips in the U.S. and around the world. She participated in continuing education seminars and mission activities in Mexico, El Salvador, South Africa, and Czech and Slovak Republics. She led many mission teams to Mexico where she was a key early supporter of the home construction ministries of Proyecto Abrigo.

Kathleen was married to Bill D. Ball, Jr. They celebrated the birth of their son, Skyler, in 2003. In her final year, she made a point of asking two things. She requested that all who love her take care of her young son, Skyler. She intensely grieved that there would be a day soon when she would not be there to hold him, giggle with him, and share with him the beauty of life and discovery. She also shared with others that cancer had cut short her dream of seeking commitments of prayers, presence, and financial resources to fund the reestablishment of a church serving impoverished persons in West Dallas.

Kathleen was an extraordinary woman and person of faith. Her preaching moved our minds and hearts. She had an infectious loving spirit that permeated the church. Her wisdom and attentive listening offered comfort during times of pain and loss. Her strong faith helped move us to take bold action to live out our faith in the world. GLORY BE!

Russell Eugene Noland

Russell E. Noland was born April 19, 1955 and died August 15, 2008. He was an elder in the North Texas Conference rendering twelve years of service in the ministry.

A tribute to the life of a servant of God:

God gives us each a gift of life
To cherish from our birth
He gives us friends and those we love
To share our days on earth,
He watches us with loving care
And takes us by the hand.
He blesses us with countless joys
And guides the lives we've planned.
Then, when our work on Earth is done
He calls us to his side,
To live with him in happiness
Where peace and love abide.

In Tribute to the life of Sybil Penn

11-30-1914 to 4-7-2009

In our end is our beginning,
In our time, infinity;
In our doubt there is believing
In our life, eternity.
In our death, a resurrection;
At the last, a victory,
Unrevealed until its season,
Something God alone can see.

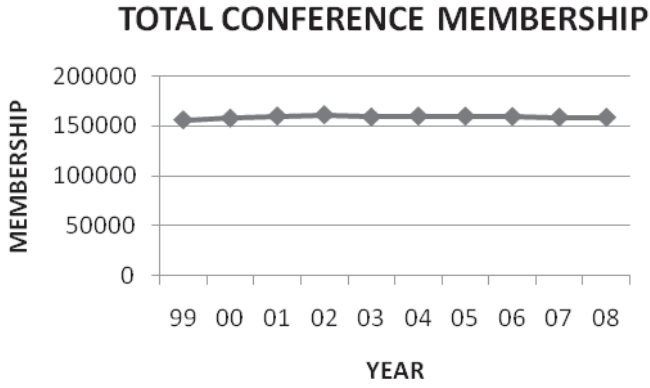
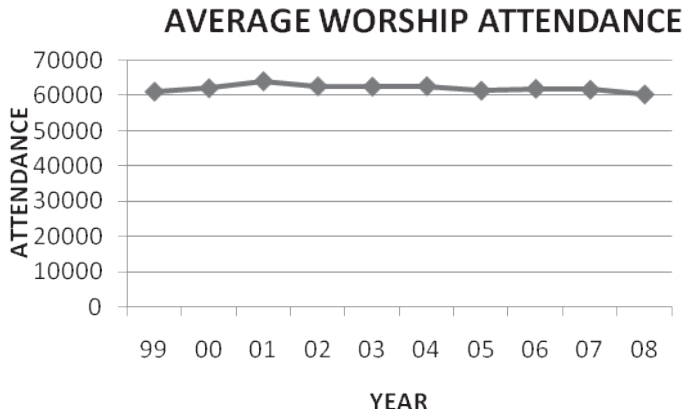
XVI. REPORT OF CONFERENCE STATISTICIAN

In 2008, for the third time in the last four years, the total membership, the average worship attendance, the number of new members received, the number of professions of faith, and the average Sunday School attendance of the churches of the North Texas Conference all declined.

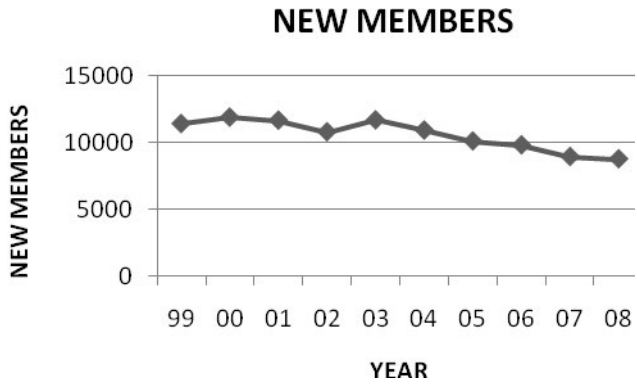
The total conference membership at the close of 2008 was 158,606, a decrease of 106 persons from 2007 and the fourth year of decline in a row. Although apparently only a small decrease, it could be asserted that the actual membership decline is more troubling because the number of persons removed from church rolls by Charge Conference action was 932 or 23.4% less in 2008 than the previous year.



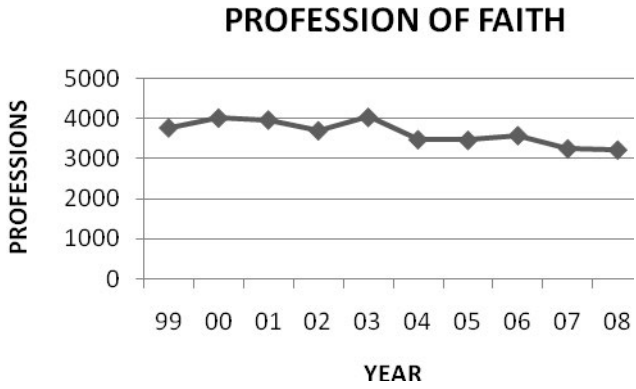
Average worship attendance declined in 2008 to 60,626, decreasing by 1,325 persons or 2.2%. The ratio between worship attendance and membership declined slightly from 38.8% in 2007 to 38.0% in 2008.



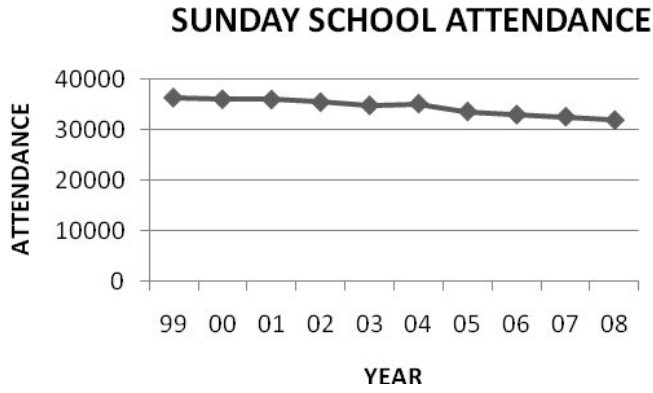
The number of new members received by our churches decreased to 8,742 in 2008, a drop of 174 persons or 2.0% from 2007. This was the lowest number of new members received in more than a decade.



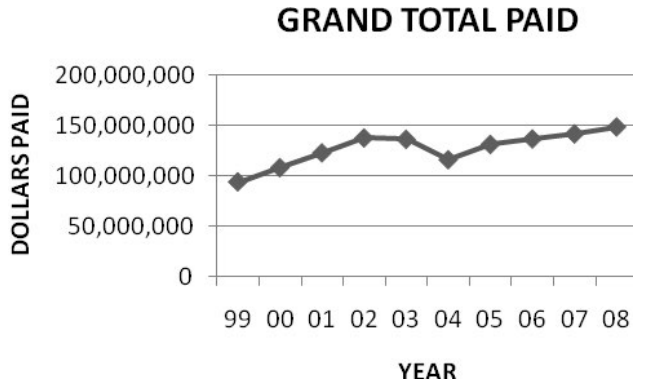
Nonetheless, we give thanks for the 3,224 persons who came to know Christ and joined our churches by profession of faith in 2008, although that too represented the lowest number in a decade.



The average Sunday School attendance decreased for the fourth year in a row and the ninth time in the past decade to 31,861. This was a decrease of 676 persons or 2.1% from 2007 and a decline of 5,596 or 15.0% in the last ten years.



The last major statistic we will report from 2008 is that the grand total paid to all causes, in a year which ended with great economic challenge and uncertainty, increased by 4.9% to $148,423,935. We continue to be thankful for the faithful generosity of United Methodists in North Texas.



While we have unwavering confidence in the strength and vitality of the churches of the North Texas Conference, this statistical report clearly calls us all to take notice of the situation, to be clear about our priorities, and to take concrete steps to increase our effectiveness in making disciples of Jesus Christ for the transformation of the world in the years ahead.
