I. CONFERENCE HISTORY

United Methodism in North Texas began in 1816-17 as part of Arkansas Methodism in the Missouri Conference of the Methodist Episcopal Church. When the denomination divided in 1844-45, Methodists of this area became a part of the East Texas Conference of the Methodist Episcopal Church, South. In 1867, the approximate area of what is now this conference, was set apart as the Trinity Conference, and later (1874) renamed the North Texas Conference.

The Methodist Episcopal Church had little organized work in Texas after 1845, until 1867 when a Texas Mission was formed. Out of that Mission came the West Texas Conference (primarily Black). In 1939, the Methodist Episcopal Church, the Methodist Episcopal Church, South, and The Methodist Protestant Church united to form The Methodist Church. The West Texas Conference, while a part of The Methodist Church, was in the Central Jurisdiction (all Black). The North Texas Conference was a part of the South Central Jurisdiction, which was one of the geographical jurisdictions.

At the Uniting Conference to form the United Methodist Church held in Dallas, Texas, April 1968, a new Annual Conference was formed in North Texas including members, congregations, and ministers of the North Texas Conference of The Methodist Church of the South Central Jurisdiction (1939-1968), and members, one congregation, and one minister of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (1886-1968).

At a merger conference held in Dallas, Texas, in May, 1970, members, congregations, and ministers of the North Texas Conference; and members, congregations, and ministers of the West Texas Conference located within the geographical boundaries of the North Texas Conference became the North Texas Conference of The United Methodist Church.

In 1988, the South Central Jurisdictional Conference, meeting in New Orleans, created two episcopacies from what had been the single Dallas-Fort Worth Episcopal Area. This action resulted in the geographical region encompassed by the North Texas Conference being designated the Dallas Episcopal Area, while the Central Texas Conference became the Ft. Worth Area. Since that time, the North Texas Conference has been served by its own bishop.

The sessions of the current North Texas Conference are numbered first from 1867, the organizational date for the North Texas Conference of the Methodist Episcopal Church, South, and the Texas Mission of the Methodist Episcopal Church and secondly from 1970, the date of merger of the former North Texas and West Texas Conferences.

A list of the Conference Sessions of these separate conferences is printed in:

(1) the 1939 Journal of the North Texas Conference, South Central Jurisdiction, (P.28-29) and the 1967 Journal of the North Texas Conference, South Central Jurisdiction (P.140);
(2) the 1967 Journal of the West Texas Conference of the Central Jurisdiction(P.88);
(3) the 1967 Official Record of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (P.17); and
(4) other histories of Methodism in North Texas.

Conference Sessions since 1968 are listed inside the back cover of this Journal.

VIII. DAILY PROCEEDINGS

SUNDAY AFTERNOON AND EVENING
June 2, 2002

YouthFest - First United Methodist Church, Plano

Over 450 youth gathered Sunday at 3:00 p.m. for worship, celebration and fellowship. Led first by praise leaders, Jeb Honeyman, and Xavier Lazo, from Highland Park United Methodist Church, the crowd enjoyed familiar choruses. Conference Council on Youth Ministries officers, Chairperson, Pavielle Chriss, and Chaplain, Ginny Applegate, welcomed the group and prayed for God's "presence and power" to be felt.

A step routine, described as "heart-pounding, spirit-stirring, and scripture-inspired" was performed by the Step Team from St. Luke "Community" United Methodist Church. Cutting Edge, praise band from the host church, also brought the crowd to its feet.

Rebecca Frank, ending four years on the conference staff as Youth Coordinator, challenged those present, saying, "You are the church. You are the church, now. We need you. We need your passion, we need your vision, we need you to be the church. Go from this place and lead us. Be the witnesses, show us what God is doing."

Laity Dinner – Custer Road United Methodist Church, Plano, 5:30 p.m.

The focus of the Laity Dinner was on youth, now and in the future. The entertainers were young persons including soloist, Catie Talbert, from Floral Heights United Methodist Church in Wichita Falls and the 101-voice youth choir, Revelations, from the host church. Revelations shared with the group some of the numbers from their upcoming tour to Washington D.C. and New York City.

Conference Lay Leader, Dr. Tom Talbert, introduced a program called, "When Grace Is The Chauffer: A Wesleyan Model for Youth Ministry." Once again, the presenters and designers of this youth ministry model were themselves, young adults involved in youth ministry. They were Andy Lewis and Charles Harrison from First United Methodist Church, Richardson, and Andy Stoker from First United Methodist Church, Denton.

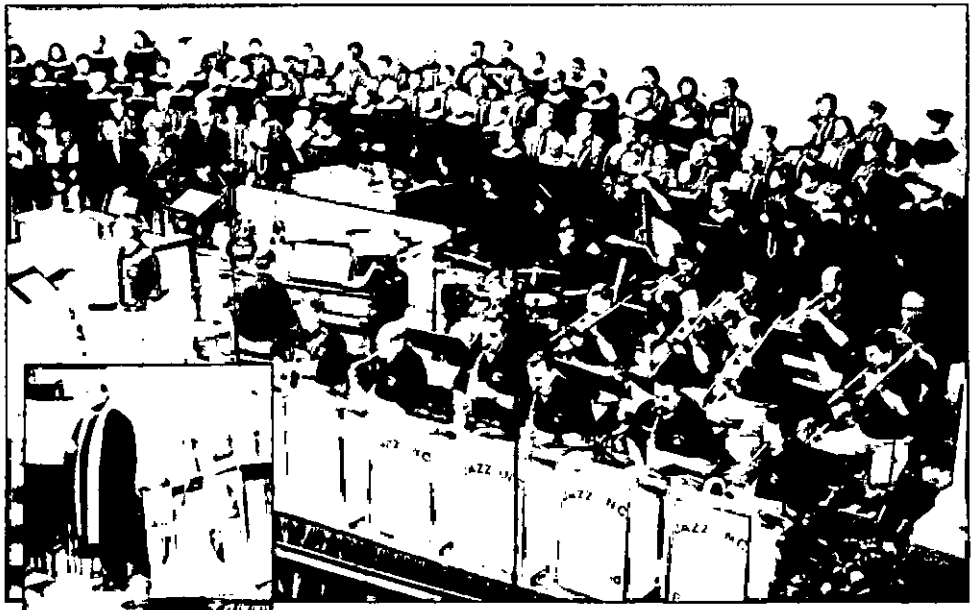
Opening Worship – Custer Road United Methodist Church, Plano, 7:00 p.m.

United Methodists from North Texas, over 1100 strong, filled the Custer Road sanctuary for opening worship. Custer Road pastor, Paul Goodrich, said the church is not accustomed to hosting the opening service of Conference, but it was accustomed to sharing the love of Christ to all in its midst.

As always, music was integral to the worship – hymns, anthems, spirituals and especially the selections played by Custer Road's band, Jazz INC (In The Name of Christ) stirred hearts in good Wesleyan fashion. Symbolism was employed in an act of remembrance and prayer. Construction rocks, wheeled in by summer mission interns from Project Transformation, symbolized the tragedy of September 11 and the rubble that exists in the world. As the congregation filed forward for each to take away a piece of that rubble, we were reminded that if we do not shout out the Lord's name, those stones will.

Mark Craig, pastor of Highland Park United Methodist Church, and founding pastor at Custer Road, preached a sermon entitled, "Pain, Patience and Power", proclaiming that Christ will respond to our pain and brokenness regardless of what it might be, and that we should claim the healing power of Jesus Christ by admitting our needs and submitting to God's direction. From the text, 2nd Kings 5, Craig reminded us of how the Syrian General Naaman was led by a captive girl to Elisha for healing of his leprosy. But he felt affronted by Elisha's methods and at first refused to bathe in the Jordan. Only when the pain of not being healed became greater than the pain of submission and shame did Naaman submit to the authority of God through Elisha.



Combined choirs from First Church Garland and First Church Duncanville join with Custer Road's Jazz INC to provide worship music.

MONDAY MORNING BUSINESS SESSION
June 3, 2002

Clergy Session

Bishop William B. Oden opened the session at 8:35 a.m. in the Sanctuary of First United Methodist Church, Plano, and called on Clayton Oliphint, Chair of the Board of Ordained Ministry, to review Part II of the Board's printed Report To The Clergy Executive Session pertaining to ordained ministers and local pastors. He dealt with questions 17, 18, and 63. Following editorial changes, they were approved. (Note: The detail of all Part II questions are contained in the Annual Conference Journal in the section entitled Business Of The Annual Conference.)

Candidacy Registrar, Clara Reed, continued by reviewing Question 19 listing the persons approved as candidates for ordained ministry. The list was perfected and approved.

Marsha Middleton, Chair of the Committee on Local Pastors, presented questions 20-23 which were approved following corrections submitted from the floor.

Larry George, Chair of the Committee on Conference Relations, presented the pertinent sections of questions, 24, 25, 32, 41, 45, 46, 47, 50, 52, 77, 53-58, 60 and 81 having to do with transfers, and changes of ministerial status. Some corrections were made to the printed report. Bishop Oden remarked about Tyrone Gordon, incoming pastor to St. Luke "Community" United Methodist Church and how one of the television stations mistakenly said that a search was ongoing for a new pastor there. The Bishop also introduced Bill Lawrence, incoming Dean of Perkins School of Theology, at SMU.

The names were read of the ordained and licensed pastors and diaconal ministers of the conference who had died during the year. (see Daily Proceedings Section, Tuesday Morning, Memorial Service.) Bishop Oden asked Phil Mercer, pastor of the host church, to lead the session in a prayer of thanksgiving for the ministry of these persons.

The names of those retiring at this session of annual conference were read.

Karen Chraska, Chair of the Committee on Preparations and Qualifications for Deacons, presented those listed in Question 28a to be commissioned as Probationary members and licensed for the ministry of a Deacon in preparation for ordination. Katherine Scheer Betz, John Wallace Cole III, and Michael Greene were presented and individually voted into probationary membership.

Chraska also read the names of those in candidacy for diaconal ministry and those diaconals continuing on extended leave.

Paul Goodrich, Chair of the Committee on Preparations and Qualifications for Elders, presented the names of those to be commissioned as Probationary Members and licensed for pastoral ministry in preparation for ordination (Question 28b): Vivian Joyce Crowson, Clifford George Egner, Javier Q. Escalera, Katherine Margie Steele-Fuller, Kory Knott, Andrew Joseph Lewis, JoNell Lindh, Cheryl Kaye Murray, Christopher Lee Schoolcraft, Alexandra Robinson, Kerry Sumpter-Smith and Andrew Craig Stoker. Each was voted upon individually and elected for probationary membership and commissioning.

Karen Chraska presented the eight persons to be received into full connection and to be ordained Deacon. Each of the following came and stood before the Bishop. Jerry Jones, Susan Burrows Bryan, Russell H. King, Nicki T. Lyford, Deborah A. Chapman, Barbara Jean H. Edwards, Leslie J. Stephens and Natalie I. Woods.

While these remained standing, Paul Goodrich invited the persons being received into full connection and ordained Elder to come and stand before the Bishop also: Janette Reid B. Fade, Joan E. Hawthorne Humphries, Charles N. Pierce, Judith A. Reedy, Kathryn R. Self Magee and Dorothy J. Smith.

Bishop Oden asked the historic questions from the *Book of Discipline* to these persons as a group and then the body voted on each individually in a combined vote that received them into full conference membership and approved them for ordination. Following the vote, the clergy members of the conference rose to applaud these newly elected colleagues in full connection.

Two names were read as persons seeking approval for appointment to less than full-time service. These requests were approved.

Marsha Middleton, Chair of the Committee on Local Pastors, proposed amending the policy regarding licensing seminary students to read that "a student must either attend Licensing School or have completed one-half of their work for a Master of Divinity degree at a school of theology listed by the University Senate, including at least one course in homiletics." If amended, the conference policy would require more than the minimum called for in the *Discipline*. The proposal was approved by a voice vote.

Burt Palmer moved that the Executive Committee of the Board of Ministry work with the Cabinet and develop a uniform way for all appointed clergy to undergo criminal background checks. It was approved.

Gary Mueller who chairs the Committee on Probationary Membership gave that report, and saluted the work of Pat Beghtel-Mahle in working with those in residency. He also announced that with Beghtel-Mahle's becoming a District Superintendent, Cammy Gaston would be assisting the Covenant Groups in her stead.

Rebecca Frank gave the Committee on Recruitment report, and spoke of an informal mentoring program to be known as the Timothy Project that originated with high school students in the conference who are exploring their call to ministry. Ordained members of the conference would be paired with persons who are not yet in the candidacy program but who would like assistance in exploring their call.

Frank reviewed the requirements for scholarship assistance to certified candidates. She also announced the Exploration Event to be held in Chicago in November for persons interested in ministry. The only cost to the student or local church for Exploration is the $65 registration fee. The Annual Conference will pay transportation, and the General Board will cover the rest of the expenses.

Gifford Long, reporting for the Order of Elders, said that a United Methodist flag will be presented to the family when an Elder dies. Death notification should be made to the appropriate district office which will notify the Order of Elders.

Flyers were distributed about the Annual Clergy Retreat to be held at Tanglewood Resort in October.

Each committee report was approved individually following additions, deletions and corrections, and the perfected report of the Board of Ordained Ministry was approved as a whole.

Laity Session

The Laity Session convened at 8:30 a.m. in the Plano Center. Linda Parks, Wichita Falls District Lay Leader, led the opening prayer. Following the introduction of the District Lay Leaders, a moment of silence was called to remember the lay members of conference who have gone on before. A time of making new members feel welcomed began with a reading of the Ten Ways To Recognize a New Member. This was followed by a mixer activity for veteran members to interact with rookie members.

A review of the legislative items scheduled to come before the conference was led by Richard Stanford, Lay Leader of the Dallas South District; Tom Gullick, lay member from Sherman-McKinney District; Jerry Pinkerton, Chair of Finance and Administration; and Mary Brooke Casad; Conference Director of Mission.

Conference Lay Leader, Tom Talbert, briefed the members on things to be watching for in the coming year, and then opened the microphones for questions. The meeting was closed with a prayer given by Talbert.

Organization of the Conference

At 10:20 a.m., Bishop Oden called the business session to order and received the organizational motions by Leighton Bearden, Conference Secretary. Bearden moved that the following persons be elected to serve the conference during the 2002 session:

Assistant Secretaries – Kara Stalcup, Kenny Dickson, and Judith Reedy.
Head Teller – Van Lazaroff

All were elected. The second organizational motion was to establish the bar of the conference as the entire seating area with the exception of the visitor sections on either side of the stage. This was approved. Bearden then moved approval of the Clergy and Lay Equalization legislation for 2002 [LA1]. It was approved.

Renewal of Baptism

Bishop Oden moved directly into the Renewal of Baptism Service. Dancers from Preston Hollow's Koinonia Ministry re-enacted taking the 12 stones from the River Jordan (Isaiah 4:3) as a sign of God's deliverance through water. The dancers placed the stones in bowls of water throughout the room. Once the conference members had renewed their baptismal vows, they proceeded to one of the twelve bowls and touched the stones and the water and remembered their baptism and gave thanks. In addition to Bishop Oden, Georjean Blanton, Perry Crenshaw, Don Lee and Gifford Long led the service.

Episcopal Address

Bishop Oden began his address by saying that the combination of staff, laity and clergy of this conference make it one of the strongest in the connection. He thanked the District Superintendents in this difficult and unusual appointment-making year for their diligence and creativity.

Bishop Oden begins conference with a Renewal of Baptism service.

Dancers prepare symbols used in Renewal service.

In his weekly visits to churches around the conference, Bishop Oden observed that it is always the case that connectional ministries are mentioned in the announcements. These conference-wide and denominational-wide programs are glued together with many local church programs and ministries.

Through this and the great statistical report for the conference he sees that, "Our 325 churches – large and small – are alive! Our clergy are competent and committed. Our laity are truly the people of God serving their neighborhoods, communities, and who see the world as their parish. What a gift to be a part of this alive and vital Annual Conference."

To set the tone for the work of the conference, Bishop Oden said he wanted to share four items:

Vision 2020 The successful completion of Vision 2020 now depends on our congregational pledges. Well over half of the $12.5 million has come in, and what a difference it has made:

- 18 new churches, 13 of which are ethnic
- Renovations and new facilities at Bridgeport and Texoma
- The creation of our Foundry Churches and other urban ministry projects
- Shalom Zones across the Conference

Bishop Oden encouraged us to get the job done! "Let's complete Vision 2020 with 100% payout."

Background Checks The church should be more vigilant than any other institution in regard to prevention of sexually-related abuse, therefore, said Bishop Oden, a new background service which is inexpensive is being provided to our churches and should be used for staff and volunteers who work extensively with children and youth. Training workshops will be held in each district August 21, 22, 28, and 29. The Bishop strongly urged that every church have someone trained at one of these meetings.

Retired Clergy Health Insurance Bishop Oden said a word of appreciation to Mike Nichols, who chaired a task force on this issue, and to Jerry Pinkerton, Chair of Conference CFA, and Marvin Guier, Director of Administration, for their competent and thorough guidance in this area. The Bishop said that the proposal coming before Annual Conference is fair, comprehensive, and affordable and will assure that our retired clergy have insurance for the foreseeable future.

New Visionaries Bishop Oden gave a history of the Visionaries program which was begun twenty years ago to buy land for new churches; later the mission was expanded to include Town and Country ministries and Urban and Ethnic ministries. About a quarter of a million dollars a year was pledged in the early years but responses now are less than half of the original numbers.

So the lay and clergy leadership of the Conference began asking: Could Visionaries be transformed by Vision 2020 and be resurrected for the future? Could it revitalize new church starts, ethnic and urban ministries, our camp and conference centers? Bishop Oden challenged the conference by saying that the answer depended on the action of the Conference.

In closing, the Bishop said, "Remember: for John Wesley, 'conference' was a verb, not a noun. Through the grace of God, let us 'conference' together".

Lay Leader, Dr. Tom Talbert, addresses conference.

Laity Address

Dr. Tom Talbert, North Texas Conference Lay Leader from Wichita Falls, addressed the conference with a call for peacemakers among the laity and the clergy. He said that there are three types of people, peacemakers, troublemakers and those who just need to get out of the way, but as Christians we are challenged to live our lives as peacemakers (Matthew 5:9). Peacemaking is an action item not just the avoidance of conflict. Talbert said that we are to live in right relationship with God and seek to restore relationships between others. The source of power to live in that way comes from the self-sacrificing Christ.

Talbert said that sometimes it appears that good relationships between clergy and laity in the annual conference are difficult to maintain. But it helps when we as Methodists affirm the priesthood of all believers and remember that the clergy come from the laity not to the laity. It also helps, he said, to remember that we do not own the church, Christ does.

The Apostle Paul in Philippians 4:5 instructed Christians to let all men know of their forbearance. Talbert said that he liked the definition of forbearance as being willing to meet another halfway. Now is the time, said Talbert, to begin thinking of who we will want to represent us at General Conference, who will be the peacemakers willing to meet another halfway?

Introductions

Three people transferring into the Conference were introduced to the members. Robin Lovin, outgoing Dean of Perkins School of Theology, presented William (Bill) Lawrence who briefly addressed the body and vowed that there would be a partnership between the school and the conference. Invoking the image of circuit preachers from a past era, he said, "We will ride together."

Bishop Oden introduced Tyrone Gordon. He had intended to have Zan Holmes, Jr. do the introduction of his successor, but Holmes was in Waco for a funeral.

Rebecca Frank introduced Michael Wright-Chapman as the person following her in the position of Conference Youth Coordinator. Wright-Chapman comes from the Central Texas Conference. On behalf of the Conference Council on Youth Ministries, Frank also presented Bishop Oden with a T-shirt carrying the phrase that has been her theme in the past four years of youth ministry, "Grow Godward."

Tyrone Gordon, Bill Lawrence, and Mike Wright-Chapman transferring into conference.

Cokesbury Report

Whit Whittington presented the traditional rebate check from the United Methodist Publishing House to the Conference. The check to the North Texas Conference was for $8,122, all of which goes to clergy pensions.

Courtesy and Resolutions

Prior to breaking for lunch, Nan Davis brought greetings from Kenya and Bishop Alfred Ndorichimpa of the East Africa Annual Conference. Charles Stovall asked for a moment of silence in memory of Albert Pitts, the pastor for whom Zan Holmes was holding a funeral. Stovall then led a prayer closing the morning session.

MONDAY AFTERNOON BUSINESS SESSION

Following the noon break, Perry Crenshaw began leading songs that the Bishop called "rousements" and the members of the conference were soon gathered and ready for the afternoon reports.

Committee on Episcopacy

Alys Richards, Chair of the committee and backed by members thereof, remarked that the function of the committee at the conference level is similar to that of the Staff-Parish Relations Committee of the local church. The committee is to support the Bishop in the spiritual and temporal affairs of the Church, be available for counsel, assist in the determination of Episcopal needs and advise the Bishop concerning conditions within the area.

Richards pointed out the many areas of service and responsibility Bishop Oden has which extend beyond his duties specifically associated with this Annual Conference. She expressed appreciation for Bishop Oden with a poem, "Thank Heaven For Bishop Oden, Without Him What Would The Conference Do?"

Richards introduced Marilyn Oden and reminded the conference of her works as an author, and then continued the poem begun for Bishop Oden to express thanks to heaven for Marilyn, for without her what would we do? Vice-Chair of the committee, Paul Escamilla, presented to Bishop and Marilyn Oden, a mosaic Eucharistic cross, created by Linda McLemore from fragments of communion ware from churches representing all six districts.

Statistics

Marvin Guier reported that both membership (160,029) (+ 1.4%) and average worship attendance (64,015) (+ 3.2%) increased for the sixth straight year and are the highest totals in the history of the conference in both categories. Sunday School attendance of (35,914) (0.14%) represents a decline for the third straight year from a high of over 37,000 in 1998. Professions of faith totaled 3,973 and that is the second highest over a decade.

Conference Leadership Team

The Conference Leadership Team is chaired by Bishop Oden. The Bishop said that the presentation from that team will consist of the reports from three task forces which report to the Leadership Team.

New Visionaries

Frank Roby chaired the New Visionaries Task Force and presented the proposals from that group as approved by the Conference Leadership Team on April 24. New Visionaries funds will go for Congregational Development (50%), Community Development (25%), and Camp and Retreat Centers (25%). Roby said that the New Visionaries was intended to energize and modify the focus of the original Visionaries Program begun in 1982 and build on the success of the $12 million Vision 2020 Capital Program, of which half has been collected to date.

It was reported that Visionaries started strong 20 years ago, but annual collections have dropped from a high of near $250,000 to $121,303 in 2001. The proposal establishes New Visionaries

shares at $100 per year for 5 years in comparison to the $45 or $60 original shares. Roby said that the goal is to have 16,000 shareholders compared to the 2,381 Visionaries Shares paid in 2001. The conference communications staff will prepare New Visionaries promotional materials for use in local churches.

Three friendly amendments were accepted: one adding specific additional members to the Funding Task Force and ensuring that all districts will be represented; one calling for the Nominating Committee to propose the members for the Community Development Task Force consisting of a chair and twelve members and ensuring that all districts are represented; and one clarifying the reporting duties of the task forces that distribute the funds.

The proposal was passed as amended. **[LA 17]**

Sunday School Task Force

Jim Pledger chairs this task force and said the decline in Sunday School attendance makes the need for this task force self-evident. The group has a Rally scheduled for the weekend before annual conference 2003 to display a "cookbook" of ideas for enhancement of Sunday School programs. Pledger called upon Thomas Q. Robbins to tell about the impact a Sunday School teacher had on his life and eventually his calling to the ministry. His story served as a reminder of how important the calling of those in Sunday School ministry is to the life of the church. The report of the Task Force was approved.

Dismantling Racism Team

Sally Vonner reported that the work of the design task force resulted in the selection and commissioning of 38 people to a permanent Dismantling Racism Team. She described the demographic profile of the team and said that they lacked a representative from the Sherman-McKinney district and also someone of Asian descent. The Bishop commissioned the team in February. The next step is to have the team trained by representatives from the Crossroads Ministry in Chicago, the consultants hired by the conference. The report was approved.

Golden Cross – Methodist Hospital

Eighty years ago, the Golden Cross program for medical assistance to those in need began with the concern and action of seven individuals in a Sunday School class at First Methodist Church, Dallas. The origin, current status and mission of Golden Cross were shown in a video presented by Howard Chase, President and CEO of Methodist Hospitals of Dallas, and Michael Hutton, Chairman of the Golden Cross Board. In Dallas, this program, now adopted in Methodist hospitals nationwide, served 65 patients referred by 61 Methodist churches who received $265,179 in hospital services plus a similar amount in donated physicians' services.

The funding goal is $1 per member from conference churches. In 2001, twenty-three churches met this goal. Additional funds coming from bequests strengthen this endowed program.

General Council on Finance and Administration

Representing GCFA, Byrd Bonner, saluted the North Texas Conference for being one of only 16 Annual Conferences to pay 100% of General Conference apportioned funds. He said that the combined efforts of all conferences resulted in a 2.1% increase in receipts for connectional mission

and ministry. For the conference, Bonner presented Bishop Oden with a certificate of thanks from GCFA.

Communications

Highlighting Sammy Hargrove's report was a presentation to Bob Robertson who is retiring as Director of Communications and as the Editor of the North Texas Conference edition of the *Reporter*. Robertson was presented a plaque naming him, "Editor Emeritus For Life." Hargrove said the commission has established a scholarship fund honoring Robertson, with $8,000 already collected. Joan Gray LaBarr was introduced as the new Director of Communications for the North Texas Conference.

Council on Finance and Administration Report Number 1

Jerry Pinkerton, Chair of the Council on Finance and Administration, moved that McGee, Haza and Co. be approved as the auditing firm for the Conference Treasury in 2002. Also moved was the recommendation that District Superintendent salaries be set at $85,000 for 2003, an increase of 6.25% over the current salary of $80,000.

Bill Gavitt of Casa View United Methodist Church, moved to amend the salary figure to be computed at 2.6 times the base amount for Equitable Compensation. The amendment was seconded, and discussed, but defeated when the Bishop called for a show of hands. The naming of the auditor and setting of the District Superintendents' salaries along with the informational reports were then approved by a vote of the conference. **[LA3]**

provided by Virgie Holbrook. Jack Soper spoke of how the conference is generally involved in ecumenical matters and gave a specific example of interfaith dialogue following September 11.

Barbara Wiggans spoke of the exceptional response to United Methodist Committee on Relief (UMCOR) following the September tragedies. Ouida Lee described our work through Volunteers In Mission. Valerie Mireb reminded the conference of the partnership we have with the church in the Czech Republic and spoke of educational opportunities available to our churches to learn of the plight of Palestinian Christians.

Sally Vonner gave an update on the Communities of Shalom and announced that three new sites have been developed in Greenville, Paris and Ferris. The goals of Shalom ministries are to promote spiritual and economic development, strengthen multi-cultural relationships and provide greater access to health care in those communities.

The legislative items [LA 13,14,15] establishing the approved Advance Specials and setting the Special Days, with and without offering, were presented by Lee. Two editorial changes were made, and the items approved by the conference.

Billy Ratliff reported on the progress of finding a new General Secretary of the Board Of Global Ministries. Nominations should go to the Board in October and a new Secretary in place by January 2003.

MONDAY EVENING WORSHIP
Stonebridge United Methodist Church, McKinney

Some 500 conference members gathered for a worship service filled with praise choruses and the stories of four new churches. Led in music by the Highland Park contemporary worship band and challenged by host pastor Don Smith with ten top reasons for starting new churches, those attending experienced first-hand the excitement of growth taking place in the conference.

Conference Director of Mission, Mary Brooke Casad said that churches today face sins of commission, omission and no mission. She then introduced video presentations detailing the start up of Seven Hills church in Wise County, a new foundry church in East Dallas, and Creekwood church at Fairview in Collin County. Sarah Wilke challenged the conference to dream big.

Following Pete Robertson's sending forth, the United Methodist Men served refreshments. Many seemed reluctant to leave this time of fellowship following an uplifting service.

TUESDAY MORNING BUSINESS SESSION
June 4, 2002

Gathering

The second morning of the 136th session of the North Texas Conference began with music led by a trio from Floral Heights United Methodist Church of Wichita Falls. Singing were Karen Lamberth, Kendra Martin, and Debbie Renton and Chiemi Watanabe was the pianist. Retired clergy member, Jack Gibson led the opening prayer.

Wesley Rankin Center

To mark the centennial year of the center, Wesley Rankin Executive Director, Yesenia Reyes, said the annual celebration and fund raiser will be held November 22, 2002, in Market Hall with Nolan and Ruth Ryan as honorary Chairpersons, Gloria Campos of Channel 8 as Mistress of Ceremonies, and entertainment by Jimmy LaFave and Ray Wiley Hubbard.

Reyes said that those who participate in the programs of the center, from children to senior citizens, experience it as a place of love and hopefulness. Reyes concluded by urging each church in the conference to purchase at least one brick at $100 for the Sarah Wilke building.

First Lady, Laura Bush, sent video taped greetings to the conference and spoke of the soft spot she has in her heart for the work of Wesley Rankin Center.

Board of Ordained Ministry

Clayton Oliphint, Chair of the Board, introduced Paul Goodrich, Chair of the Committee for Preparations and Qualifications for Elders, who, in turn, introduced the persons who would be ordained Elder. Each ordinand gave a brief testimony.

The following are the candidates for ordination as Elder and a highlight from their speeches:

- **Reid Fade** (Pastor, First United Methodist Church, Heath) said that she has enjoyed the ride of faith that has been her life in the church and in candidacy. She likened it to a Tilt-A-Whirl where the car surrounding her was like the arms of God, the safety bar, was Jesus, and the spinning mechanism, was the Holy Spirit. She expressed appreciation to Sunday school teachers, Methodist schools, churches, camps, and all the persons who have nurtured her. She referenced the *Hymn of Promise* and thanked God for bringing this bulb to flower.
- **Joan Humphries** (Pastor, Bells United Methodist Church) said in a reference to Sunday's sermon, that she had never been in jail, but once was a prisoner freed by the love and grace of God in Christ. Her appreciation went out to the congregations where she first saw women pastoral role models and to other congregations who taught her and forgave her. She thanked the people of Bells United Methodist Church for their acceptance. She has come home and gladly shouts to the Lord.
- **Charles Pierce** (Pastor, Honey Grove-McKenzie Charge) cited the Lord in II Corinthians 12:9 saying "My grace is sufficient for you, for my power is made perfect in weakness". He expressed gratitude to the Church universal, to Baptists, Methodists, Disciples, and Church of Christ folks who have and do pray for his ministry. Charles also thanked his mentors, his residency covenant group, his Walk to Emmaus reunion group, and Diane, his wife. He concluded that "It takes an Annual Conference to raise a preacher".
- **Judith Reedy** (Associate Pastor, First United Methodist Church, Plano) described the gracious treatment of Dr. Zan Holmes toward Judith's mother when he was introduced to her four years ago and how he took both her mother's hands in his. In a similar way, many others had taken Judith's hands and held them and encouraged her even before she began her candidacy for ordained ministry. With their help she shouts to the Lord for the faithfulness of the Lord.
- **Kathryn Self MaGee** (Associate Pastor, St. Andrews United Methodist Church, Plano) remembered as a third grader having a recurring fear that her pastor, Gene Gordon, would call her up to the pulpit to finish his sermon. She expressed thanks to all ministers who have taught her by example. Methodist and Baptist pastors guided and called her to learn

and helped her hear the call to preach. Kathryn concluded with a fitting reminder to the conference, "You never know when another young girl might be watching you, taking notes in her heart."

- **Dorothy Smith** (Chaplain, Children's Medical Center) said that it has been a long journey to this day, 27 years. Dorothy passed on the story of Emma Wheeler who had a near-death experience during a heart procedure and remembered Jesus telling her "one more chance Emma, one more chance." She had been a horrible person but meeting Jesus changed her life. Emma said to Dorothy, "tell them that Jesus is real and how we live our lives makes a difference." Dorothy ended by paraphrasing a saint, saying, "Preach all the time, sometimes use words. Love your people. Praise the Lord and Halleluiah!"

Kathryn Self-MaGee talks about dreams of ministry.

Elders class presented to clergy session.

Rebecca Frank, chair of the Division on Recruitment, spoke of the Exploration event for young people exploring a call to ministry. She also told of an informal support group that arose among pre-ministerial young people who had attended the spiritual retreat last year in Taize, France. From this group, the Conference Council on Youth Ministries representatives took the initiative to propose to the Board of Ordained Ministry a process for informal mentoring called Project Timothy. Two of these pre-ministerial students who had just graduated high school, Arthur Jones and Mitchell Boone, addressed the conference about Project Timothy.

Bishop Oden took a moment to commend Becky Frank for her four years as Conference Youth Coordinator. The conference members rose to honor her with applause.

Residency Committee chair, Gary Mueller, described the growth in the program that began 12 years ago. To demonstrate the reach of the program he asked all who had gone through the residency program and all who had acted as mentors or covenant group facilitators to stand. Approximately half of the clergy members of conference stood.

Marsha Middleton, reported on the Division of Local Pastors and described the popularity of the weekend licensing school. Folks from around the jurisdiction were coming because it served those who had scheduling conflicts with non-weekend schools.

Susan Bryan said that four people have met the requirements to be certified in a specialized ministry. She asked Dale Daniels from the Certification Committee to introduce them. The following were called up and given their certificates: Catherine Meyenberg, Youth Ministry; Terri Swan, Christian Education; Michelle Gerry Thoma, Youth Ministry; and John Mark Thrash, Youth Ministry.

Karen Chraska called forward for recognition those who are to be commissioned as Deacons with probationary membership in the conference: Katharine Betz, Michael Greene, and John W. Cole III. She then introduced the eight candidates for Ordination as Deacon with full membership in the conference. These addressed the session:

- **Terry Jones** (Chaplain, C. C. Young Retirement Community) said that the 15 years he has been in the process of ordination prompted his wife to ask if he was going to be speaking about ordination today or give his retirement speech. He said that a sermon on Ezekiel 37 had always influenced him and he affirms that God can take that which is dried up and make it valuable. Jones thanked many people and told of the ministry of a laywoman in his local church that bought all his seminary books.
- **Susan Burrows Bryan** (Conference Coordinator for Equipping Disciples) kept it short and sweet saying that God had not called her to preach but to serve. She thanked her mentors, family and friends and God for pulling, nudging and stretching her and assuring her that it all will be alright. "Thanks be to God," she said, "who makes all things possible."
- **Debbie Chapman** (Music Minister, Holy Covenant, Carrollton) reflected on what the transition from diaconal to deacon might mean. Most of the things that she currently does won't change, but she is aware that she is now being given new authority by this conference and joining an order of persons who will uphold her, and nurture her as she does that which God has called her to do. After thanking many who have encouraged her along the way, she closed with this line from a hymn, "I will go Lord, if you lead me, I will hold your people in my heart."
- **Barbara Jean Edwards,** (Christian Educator, Walnut Hill, Dallas) who has been serving at Walnut Hill for 20 years, said that her first calling came at a Senior High camp but pushed it aside when she got married and had kids. As her last child entered school, she again felt that call and began 23 years as a diaconal. Later, she said, she heard that call again to become a Deacon in full connection. She recounted the encouragement and prayers she received from her son, James, who died three days after she turned in her paperwork. She closed by saying to James, "I made it!"
- **Russell H. King** (Music Minister, Spring Valley, Dallas) said that God had blessed him in spite of sins of omission, commission and no mission. As he began to contemplate how God might use him, he said that he was comforted to remember that God used Jacob who also had flaws. Rusty thanked his mentors, pastors, wife and members of the conference, especially the Order of Deacons for their confidence, nurture and support.
- **Nicki T. Lyford** (Music Minister, Ridgewood Park, Dallas) recalled seeing Middle Eastern People with guns crying "ale ale ale ale" which could be a cry of joy or a cry of war. She said that we know this traditional cry to be the root of "Alleluia". Our calling is to take the violence out of that cry. Her prayer is that we will have the passion of God to find God's way for us and for all God's people in the world.
- **Leslie J. Stevens** (Minister of Education, University Park) recalled that from her home church seven people in the last few years have entered the ministry. She said that all churches have the calling of nurturing and encouraging and challenging each person until they find what God wants them to do, whether that is some form of lay ministry or the ordained ministry. Leslie gave thanks to God for the call to ministry and prayed that she would be a credit to that calling.

- **Natalie I. Woods** (Youth Director, New Covenant, Sunnyvale) said that God called and she finally answered, noting that she would have been the last person chosen for ministry if it were up to her because she is by nature quiet, retiring and sedentary. She understands her calling to be with, to, and for youth. She said she continues to experience that when she steps out in faith, God uses her in ways she would never imagine.

Bethlehem Center

Prior to a video depicting the mission of Bethlehem Center, it's director, Ernestine Simms-Kigh and Rhett Miller, President-elect of the Board of Directors, told of an exciting 15 months in which the 55 year old agency in South Dallas saw renovation of its classrooms and playground, added new furniture and received over 2000 books for the children. A gym is to be built with a $750,000 grant from the Dallas Crystal Ball Foundation, said Miller. Simms-Kigh said that the center directly serves 130 children. Food voucher and health fair services reach many additional families and individuals.

Equipping Disciples

Tom Palmer, leader of the Team, and Susan Bryan, staff coordinator, led off the report by telling of the *Safe Churches Project* training in August that will allow local churches to do background checks on-line of employees and volunteers.

Gifford Long presented the national Denman Evangelism Award to Bob Robertson. The award recognized Robertson for his pioneering efforts in media use for evangelism. He is the first person from this annual conference to receive this award.

Palmer and Bryan continued their report by using eye-opening statements about the trends in church life that show the need for the disciple-building programs offered by this team. These statements also served to show the breadth of this team's mission.

Some examples of the trend statements are listed below along with the Equipping Disciples division taking responsibility for a response:

- Seven out of ten adults have no clue what "John 3:16" means. (Evangelism) (Igniting Ministry)
- Children between the ages of 5 and 13 have a much greater probability of accepting Christ than older persons. (Children's Ministries)
- Between 1997 and 1999, the percentage of American teens who say they are Christian dropped 6 percent. (Youth Ministries)
- Young Adults ages 18 – 30 are more likely to be searching for meaning and purpose in life, but are the least likely generation to attend church. (Young Adult Ministry)
- During the 1990's the number of seniors 75 and older living alone increased by 21 percent. (Older Adult Ministries)
- If you gathered all the unmarried adults in the United States (4 of 10) and made a nation of them it would be the 11th largest in the world. (Single Ministries)
- Thirty-three percent of Christian adults claim to tithe; only 12 percent do. If we do nothing different, studies suggest that giving to The United Methodist Church will decrease by 25 percent in just 8 years. (Stewardship)
- Nearly two-thirds of people who attend church regularly say they have never experienced God's presence at a church service. (Worship)

The Equipping Disciples report concluded with John Mollet presenting two scholarships. Chris Johnson who will be attending Perkins, and T.J. Renshaw who will be attending McMurry were the recipients.

Courtesy and Resolutions

John Rosenberg announced that greetings from the annual conference would be sent to Bart and Ann Smith. He announced that April Bristow, Associate Pastor at St. Luke "Community" Church, had given birth at 7:31 a.m. to a son, Bryce Jordan Bristow, and that mother, baby and father, Todd, are all doing well. Jennifer Sample, new President of Methodist Mission Home, was introduced as was Jack Kyle Daniels from the Methodist Home in Waco. Bishop Oden asked Daniels to lead in prayer.

Memorial Service

Following a welcome from Carole Somers-Clark, the family members of the clergy and spouses whose memories were being honored, processed to *For All The Saints* and placed candles in a wrought iron candle holder in the shape of the United Methodist cross and flame. This was the second year that the candle cross was used.

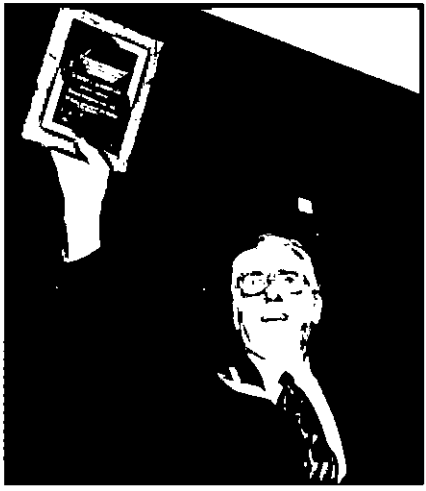
As Leighton Bearden, Conference Secretary, read the name of each of the deceased clergy or spouse, a member of the incoming class of Elders placed a flower in a vase on the altar. Each family got to choose the type of flower to honor their loved one; this resulted in a multi-colored bouquet.

The preacher for the service was Leighton Farrell who used the text Hebrews 12:1-2 and preached a memorial sermon entitled, "People of the Resurrection Faith". He said that faith was so evident in the lives of those being remembered – "they possessed it and projected it." The eight clergy being remembered were: Raymond Butts, Carrol Copeland, Wayne Dunson, Pauline Ellis, George Harris, John Hawkins, Bill May, and Dick Murray.

Clergy spouses being remembered were: Vestal Lorene Arnold, Jewel Frances Bevan, Amelia Fielder, Linda Graves, Thella Fowler Jackson, Carla Grace Outler, Aline Smith, Shirley Swafford, Sally Miller Weaver, Dorothy Jeane Wheeler, Patricia Wilder, Anna Jane Yoder. During a solo by Karen Chraska, a photographic tribute for each person was projected on the large screen. Participants in the service not previously mentioned were: Harold Dangerfield and Tim McLemore.

TUESDAY AFTERNOON BUSINESS SESSION

Music from the Floral Heights trio signaled that it was time for the members to prepare for the afternoon session. In calling the session back to order, Bishop Oden asked Don Benton, a conference member since 1952, to lead the opening prayer.



Bob Robertson named "Editor Emeritus for Life."

Retiring Clergy

Larry George, Chair of the Committee on Conference Relations, introduced the retiring clergy. Each of those present gave brief farewell remarks.

- **Paul C. Sackett** retires after 42 years of service to the church, 5 as a Deacon, 19 as a diaconal, and 18 as a full-time lay employee. His wife of 39 years is Martha. Paul said that he first felt the call when in high school and leaned toward music and education all the while trusting God to lead him. He read the words of the hymn, *My Tribute* and then sang them giving God the glory. Then he said thanks for the 33 years with the conference.
- **Ray D. Hennigh** and his wife, Edna, will live in Dallas after retirement. Ray served churches from Boyd to Denison, Richardson to Greenville, Wichita Falls to Dallas. Ray said that it was a joy to be before the conference on the threshold of retirement. He recalled when he was in high school in Hereford, Texas, he felt called to the ministry and went to the altar to tell the pastor who responded that he wasn't so sure that Ray was being called. After going to college and pursuing another career, Ray heard the call once again and this time there was no stopping him. Each church he served shared a bit of themselves with him and that has made all the difference. He concluded with, "thanks for the memories".
- **Zan W. Holmes, Jr.** retiring after 45 years in ministry, the last 28 at St. Luke "Community". Also a civic leader, seminary professor, and state legislator, Zan and his wife Carrie will split time between Dallas and Los Angeles. Zan said that if you see a turtle on a fence you can be sure he didn't get there by himself. Humbly he said, "I never got anywhere in my ministry by myself and I just want to thank you for helping me climb fences." Holmes plans to be a good steward of the ministry of retirement.
- **L. Charles (Larry) Krohn** and his wife Mary Jo plan to enjoy the rural beauty of their new home, Athens, Texas. Larry served as a pastor for 17 years and will continue to serve two local churches in retirement. His role model in the call to ministry was Jacob, because, he said, like Jacob, he struggled and bargained with God. Larry thought he would buy off God by becoming the best Sunday School teacher and he grew a large class but that wasn't the answer God had in mind. Larry went on to thank the late Joe

Washington, Jim Brown and Byron Myrick for their guidance. He finished by thanking each of the conference members for their faithfulness to their churches and for the shared memories.

- **Kwame O. Lartey** came to the conference in 1963 from Ghana, West Africa. He was ordained deacon in 1977 and elder in 1979. His wife is Tijuana they have served in the Paris-Sulphur Springs district for the last five years. Kwame said that just as he felt called to ministry when he was young, he also is aware that as he neared retirement age he has been called now to leave it behind and move on. He recounted an incident with a troubled young woman in which God used him to help her find hope and peace. "What a wonderful time it has been in the Lord, and God has blessed me," said Kwame, "now I need your prayers as I move on".
- **Margorie E. McNeir** and her husband Ridge plan to enjoy their new home in Fairview. Margie served at Christ Church, Plano for the last 20 years. She and her daughter have co-authored a book. Margie said that no one comes into ministry alone. She said you come with that darn burning bush, the one she tried to ignore for such a long time, then you come with lay people and churches that nuture you along the way, and then encouraging colleagues in ministry. She thanked everyone and said she plans to move on toward perfection in retirement.
- **Philip D. Mercer** served Christ and the church for 39 years with the support and encouragement of his wife Mary. The last nine years he led First Church, Plano, as they grew in numbers and in spirit. He guided them into the construction phase of their soon-to-be completed relocation. Phil said he had intended to retire in 3 years but his stroke caused him to move that up a little bit. He said that in his opinion the ministry is not a difficult task. If a pastor motivates the laity, and then steps out of the way, the laity will get it done; they are the heart and soul of the church. Phil also recounted the joy of having had some influence on many whom he listed that are now serving the conference in professional capacities. He concluded by inviting everyone to travel .8 miles east and see the construction going on at the new site of First, Plano.
- **Robert L. Robertson** leaves active ministry after 51years in the Central and North Texas Conferences. Bob edited the *North Texas United Methodist Reporter* and created the campaigns for Bring A Friend Sunday and Home For Christmas. His wife is Carol. Bob mentioned the influence that his Elementary Sunday School teacher from Graham, Texas had on his life and said that God calls people to all kinds of ministry, not just pulpit ministry and he was thankful for the opportunity to serve two conferences and assist many churches with his call to media ministry. He told the conference that he is halfway through his chemotherapy for cancer and thanked everyone for prayers, cards and visits. His plans in retirement are to "kick this cancer".
- **R. David Shawver** took retired status in October from First Church, Richardson. He retires after 40 years of pastoral ministry, all within this conference. He and Sandra live in Richardson. Having been in retirement for seven months, David humorously said he could tell these others that their churches are not going to miss them near as much as they might think. Also, he told the others that they will have time with their spouses; he and Sandra just didn't know it would be so much time. He concluded with a word about grace; getting something wonderful that you don't deserve. David mentioned the grace of his wife and kids, his parents, the past Bishops and current Bishop, his district superintendents, special friends, and the churches he has served and more than all, the grace of our Lord who has given boundless mercy.
- **Michael W. Walker** and Marty live in Dallas following his retirement in February. The last of his pastorates was First Church, Irving. Mike served the Lord's church for 38 years. Mike said he stood before the conference with a sense of wonder; wonder that the gospel of Christ came to his town, to his home, and into his heart. He continued with wonder at how God calls folk to announce the Good News; wonder at how the United

Methodist church could have appointed him to serve three churches at age 17. Mike said that he also has a sense of hope, because God is good and plans great things for us. Marty Walker added a word of surprise at how quickly the 41 years had passed and couldn't believe that she belonged at the retired clergy luncheon. She also spoke of the great transition of leaving a loving congregation for the last time; hugging 600 people one Sunday and none the next.

- **Robert W. Lee** was not present to address the conference. Bob served for 29 years and retires from Munger Place. His service record includes Waples in Denison, Electra, Burkburnett, Key Memorial in Sherman as well as the Wesley Foundation and University Church in Wichita Falls.
- **James Ken Hamric** was not present to address the conference. Ken is a probationary deacon completing 12 years of service. Ken will run his ranch in retirement after having shepherded five different flocks. His latest church was St. Mark's in Mesquite. Ken is married to Jo An.

Camp and Retreat Ministries

Chairperson Dennis Wilkinson comes as the outgoing leader of this committee which will be dissolved after this conference. He said this was a good news report about the $4 million investment from Vision 2020 being made at the two camp and retreat centers. He asked David Franck, the construction manager for these improvements and additions, to make the presentation. With pictures, Franck told the story of Bridgeport Camp and Conference Center where the list of new things starts with its logo. Add to that the outdoor, year-round heated swimming pool with handicapped access; bathhouse and concession stand; 108 beds in three new lodges for a total of 253 beds; ropes course with high and low elements; 3 sand volleyball courts; new water system; better handicapped access all round; and energy efficiencies that already meet the 2006 standards.

The story at Texoma is equally exciting. Texoma will be designated the Adult Retreat Center. Franck said that when work is completed in Spring of 2003, Texoma will have a new 48 bed lodge with lake-view patios; a conference center for 140; a dining facility for 150 overlooking the lake; remodeled existing cabins and the Boyd cabin completed in 2001; a wilderness prayer walk; a Celtic primitive labyrinth; improved handicapped access; a new water system; and energy efficiencies that will meet the 2006 federal standards.

It was announced that the two centers will now be under site-based management with Executive Directors reporting to Boards of Directors. The director at Texoma will be Kathy McLean-Davis and the director at Bridgeport will be Alan Hamilton.

It was also announced that registration for camps is now available on-line and that a unified curriculum will be used at the camps. Each age group will have a three-year curriculum that will help assure a comprehensive telling of the Gospel. The elementary curriculum will be Trinitarian dealing with God the creator; God the savior; and God the holy spirit. The mid-high camps will cycle through Walking with God; Praying to God; and Seeing God. The senior-high campers will explore deepening relationships with God through heart, head, and hands.

Board of Pension and Health Benefits

John Beall presented four legislative items: The Rental/Housing Allowance for Retired or Disabled Clergy; the Pre-1982 Service Year Rate for 2003; the Budget for the Conference Board of Pensions; and the Pre-1982 Pension Liability Funding Plan **[LA8] [LA9] [LA10] AND [LA11].**

These were approved by voice vote following agreement to a request that the Board consider giving pension service credit to deacons and elders for previous service as diaconal ministers.

Retiree Medical Liability Task Force

Mike Nichols introduced the report from the Task Force and asked Jerry Pinkerton summarized the proposals included in the report.

A supplement coming from the Task Force amended the proposed legislation so that a no-longer-needed employee benefit trust would be terminated upon passage of the legislation. The corpus of that trust would be directed by the legislation **[LA 12]** to the Retiree Medical Fund.

Several questions were asked, but no further amendments were offered and Legislative Item 12 passed.

Accountability Group

Pat Thresher said that the Accountability group is to hold the conference accountable to the task of being the church which Christ has opened to people of all ages, nations and races. Group members were introduced by way of a power point presentation. Thresher highlighted some of the ministries of the group as follows:

A task force on the status of clergywomen was formed in response to concern about equitability. A report will come to the next regular session of annual conference.

Jim Porter welcomed by Bishop Oden.

Honorees, Peggy Larney and Ken McIntosh, with Pat Thresher.

The Resource Person Oversight Committee sees to it that, in cases of alleged clergy sexual misconduct, a trained resource person actively assists and supports the victim through the Conference's complaint process to the end that the victim may reclaim his or her voice and the church may once again be a place of sanctuary.

The Accountability Group sponsors the Religion and Race luncheon and three persons were honored there this year for their role in ensuring inclusive participation in the ministry of the conference. They were: Peggy Larney, a voice for Native Americans; Kenneth McIntosh, an

advocate for Asian ministries; and Zan Holmes, Jr. with special recognition for a life of service seeking justice for all people.

The Native American Ministries section distributes the funds from Native American Awareness Sunday and this year used them to assist a family and to purchase a piano for the Dallas Indian Church.

In conclusion, Thresher asked the conference to pause in recognition of the life and ministry of Thomas Roughface, District Superintendent of the Oklahoma Indian Missionary Conference, who died recently. Bishop Oden voiced his great admiration and love for Rev. Roughface.

Standing Rules

A series of amendments to the Standing Rules [LA2] was presented by Chair, Clair Cunningham. She accepted three amendments from the floor that clarified the structure of the Community Development Task Force established by the New Visionaries legislation passed on Monday. [See LA 17]. The friendly amendments were added to the report and the whole of the report was passed.

Tuesday Evening Worship
First United Methodist Church, Dallas

Service of Ordination

John Fiedler, Pastor of First United Methodist Church, Dallas, welcomed the members and friends of the 2002 Annual Conference who gathered to praise God in worship and celebrate a coming in and a going out. Twenty-eight persons being ordained or commissioned began new levels of their ministries while the preacher who challenged and encouraged them, Zan Holmes, Jr., preached his final sermon before the North Texas Conference.

Both the crowd and the spirit of worship spilled out of the sanctuary. Many could only find seats in overflow rooms. The joy of the singing and dancing led by voices and dancers from St. Luke "Community" United Methodist Church was surely carried out into the world at the end of the evening.

Dr. Holmes' suggested that the disciples missed the significance of the last supper, and missed what Jesus was trying to tell them, because their egos got in the way. He asked, "Have we checked our egos at the door?" Saying that the United Methodist Church had missed an opportunity to be a truly inclusive church, Holmes wondered if it was not because we had failed to check our egos at the door. "We have missed the opportunity of having a church where there are no issues about sexual orientation, racism, or classes", he said.

In his word to those coming into active ministry and who will be growing into roles of leadership Holmes said we must worship God, more than our structures, agencies and individual mission.

Bishop Oden presided over the commissioning and ordination of the following: Ordained Elders in Full Connection; Reid Fade, Joan Humphries, Charles Pierce, Judith Reedy, Kathryn Self MaGee, and Dorothy Smith. Commissioned Elders with Probationary Membership; Vivian Crowson, Clifford Egner, JoNell Lindh, Cheryl Murray, Javier Escalera, Margie Steele-Fuller, Christopher Schoolcraft, Kerry Smith, Andrew Lewis, Alexandra Smith, and Andrew Stoker. WEDNESDAY MORNING BUSINESS SESSION
June 5, 2002

The last day of conference began with worship music provided by Tim McLemore, and the exclamation from Bishop Oden, "What a night!" referring to the worship at the Service of Ordination, Tuesday evening.

Nominations

Mike House directed attention to the report in the workbook and to the two supplement pages that had been distributed. House listed some additions to the Church Revitalization Task Force and accepted the suggestion from Arthur Jones that a youth representative be added to the Board of the Bridgeport Camp and Conference Center. House asked that editorial corrections such as the spelling of names be reported to the appropriate District Administrative Assistant. The final report of the Nominations Committee was approved **[LA 16].**

Trustees

Three items were scheduled to come to the Conference from the Trustees. The first **[LA 4]** called for the discontinuance of Reilly Springs United Methodist Church. The second **[LA5]** recommended merger of Dodd City United Methodist Church with Windom United Methodist Church. Both actions were approved. Trustees Chair Rusty Hedges withdrew the third item **[LA 6]** calling for the discontinuance of Southwood Fellowship.

Hedges reported that it is not feasible to go forward with plans for pooling the property insurance of conference local churches due to the insurance climate in the state at this time. He also reported that the Wesley Foundation building at Paris Junior College has become property of the North Texas Conference.

Equitable Compensation

When Bob Bush presented the report as printed in the workbook [LA7], there were no questions and the schedule and budget of Equitable Compensation was approved.

Creating Congregations

Bill Hunter said he is looking forward to a long tradition of reporting new church starts under Vision 2020. Before presenting certificates to the newest congregations he reviewed the progress of other startup congregations. The following list of actions will show the name of the church or fellowship and the pastors who serve them followed by the sponsoring congregations in parentheses.

- Tanglaw Filipino Fellowship, Ephraim and Omega Ramos, (First UMC, Irving) began services
- Central Korean-American Fellowship, Paul Kong, (Korean Central UMC, Irving) began services
- Good Seed Korean-American UMC, Daniel Chang, (First UMC, Allen) up to 300 members, negotiating for facility in Allen
- New Jerusalem Fellowship, Janet Bell Odom and Elzie Odom, (Lovers Lane and St. Luke "Community" UMC's) obtained facility in Lewisville
- South Wise County Fellowship, Jim Spencer, (Churches of Wichita Falls District and Christ UMC, Plano) began construction of facility
- Grace Avenue UMC of Frisco, Billy and Laura Echols-Richter, (St. Andrews UMC , Plano) acquired 19.4 acres in West Frisco
- Creekwood Fellowship, Andy and Christy James, (Custer Road UMC, Plano) began services in elementary school.
- Wise County Hispanic Fellowship, Julia Sherer, (First UMC's of Decatur, Bridgeport, and Boyd) planning Bible studies in a mobile home park.

Hunter then called the names of the following new churches and fellowships and asked either the pastor or a representative to come forward and receive the certificate and the congratulations of the conference:

- Lewisville Vietnamese Fellowship, Son To, (First UMC, Lewisville)
- Hickory Creek/Corinth Fellowship, John McLarty, (Trietsch Memorial UMC, Flower Mound)
- Carrollton Cambodian Fellowship, Meng Top, (First UMC, Carrollton)
- Carrollton Hispanic Fellowship, Allan Alvarez, (First UMC, Carrollton)

In picking locations for new congregations, the committee relies on demographic data from WWW.LINK2LEAD.COM and Hunter urged all churches to use this resource to discover more about the communities they serve. Before yielding the floor, Hunter commended Elzie Odom for being the first member of the conference to be appointed Executive Director of the Greater Dallas Community of Churches.

Sarah Wilke began the report on Urban Ministries and asked the pastors of the Foundry churches to tell what has been happening. Owen Ross from the Bachman Lake church said that they were

building a church out of living stones in the community through small groups. He told of the commitment from Big Brothers and Sisters to assign kids in the Bachman Lake area to United Methodist sponsors.

Javier Escalera pastors in the East Dallas Foundry church which, he said, sits right in the crossroads where Hispanic and African American and Anglos meet, and is called to be a multi-ethnic congregation. He invited everyone to come experience a multi-ethnic, bilingual worship service filled with lots of joyful music.

Edlen Cowley who also pastors in the East Dallas Foundry church invited everyone to join in on September 28 for "A Day to Face The City". This is a neighborhood-canvassing event to meet, greet and glean information from the neighbors in the East Dallas community. Cowley said it is an opportunity for the entire conference to take a hand in implementing the Foundry vision.

Wilke concluded by talking about the challenge to redirect the ministry of declining urban churches, to get them out from the burden of property upkeep and back to active mission. She said this will take the ideas of the entrepreneurs in the conference and invited everyone's input.

Texas United Methodist College Association

Bishop Ben Oliphint greeted the conference and urged local congregations to raise funds for the United Methodist College Foundation that provides scholarships for United Methodist students. He said that there are more Methodist students attending the 79 Methodist colleges and universities than ever before.

Oliphint introduced Will Finnin, Chaplain at SMU, who, in turn, introduced Jonathan Childers who is preparing at SMU Law School for a career in human rights advocacy. After Childers spoke, Finnin said that we should feel confident of the future under this type of young leadership being prepared in our colleges and universities.

United Methodist Women

The focus of UMW programs in 2001, said Lu Hester, was "Seeking Shalom" defined as the wholeness bestowed by God on all that know God. UMW's two annual events, the School of Christian Mission (at Hamilton Park) and the Weekend Cooperative Mission Event (at Austin College, Sherman) included studies on *Jesus And The Courageous Women of The Bible; Vietnam, Cambodia and Laos; Global Health Care and Christian Response.*

The 28th Annual meeting of UMW was held in Richardson where 1300 health kits for UMCOR were assembled as a mission project. A new tradition was begun with the naming of the Woman Minister of the Year -- Lois Cooper from Conerstone UMC, in Garland. Hester said that the new facilities at Texoma made for the perfect Spiritual Growth retreat in January. She also reviewed the Legislative Briefing on Social issues in Austin and the quadrennial assembly in Philadelphia.

Hester concluded the report, inviting participation in the upcoming UMW events and the mission projects – the Campaign for Children 2003 and the recycling of ink-jet and laser-jet cartridges. All UMW members were asked to stand and they represented approximately one-fifth of the audience.

United Methodist Men

Tom Hull said the challenge is great because out of the 330 church units in the North Texas Conference there are only 43 officially chartered UMM groups. The video shown spoke of men not needing to run the race alone when they have available to them a relationship with God and with other men of faith. A small group program called *tquest for men* was introduced. The scripture-based study guides men on a journey of personal transformation and faith.

Resolution on Conference Scheduling

Don Wiley, lay member from Cochran Chapel, presented a resolution which, following amendments, read as follows: Be it resolved that Bishop Oden immediately appoint, as a Task Force of the Conference Leadership Team, a group chaired by a lay member and composed of ½ laity and ½ clergy to study and make recommendations to the 2003 Annual Conference for implementation at the 2005 Annual Conference, more appropriate scheduling for full laity participation. It was suggested that the report include the extra cost, if any, of holding a weekend meeting. The resolution was passed.

Council on Finance and Administration Report Number 2

Jerry Pinkerton presented Item III in [LA3] the proposed apportionments. The total of Apportionments equals $9,953,991, up 7.75 percent. Pinkerton moved and received approval of the apportionments and approval of the entire report.

10-10-10 Missionaries

Bishop Oden invited Mary Brooke Casad, Conference Mission Director, to introduce our 10-10-10 Missionaries. Those introduced were: Gretchen Combs, Paris-Sulphur Springs District Missionary; Albert Fisher, Sherman-McKinney District Missionary; Mary Elizabeth Pearce, Wichita Falls District Missionary; Shawn Jucht, Project Transformation; Diana Holbert, Artspirit; Sally Vonner, Communities of Shalom; Diane Presley, Urban Missionary; Roger Woods, Restorative Justice; Javier Escalera, Hispanic Ministries; Ken McIntosh, Project Pentecost.

Sarah Wilke said that the pay for these positions is such that it requires a sacrifice and for many of them it was stressful getting a handle on a new kind of ministry. She said the Board of Global Ministry members, when we made a presentation to them, were intrigued by all that we are doing here in North Texas.

Annual Conference Site 2003

Marvin Guier, on behalf of the Annual Conference Planning Committee, moved that the Plano Centre be the site for Annual Conference, June 1-4, 2003. The motion was approved.

Bishop's Closing Remarks

Bishop Oden extended his thanks to the worship committee for all their preparations for the conference session. He also thanked Scott Smith, Chair of the Agenda Committee who acts as a gatekeeper and encourager to keep the agenda on schedule as much as possible. The Bishop said that, following the report of Courtesy and Resolutions, there would be a break followed by the Service of Communion and the reading of the appointments and that the 136th Session of the North Texas Annual Conference would be adjourned with the conclusion of that service.

Courtesy and Resolutions

John Rosenburg, Chair of the Committee on Courtesy and Resolutions, expressed thanks to the many people who offered skills and talents to the conference session including those who produced the displays, the conference logo and workbook art, worship bulletins, and Power Point presentations, as well as to those providing the video images for the conference and the taping of the worship services, the sound and lighting, photography and publicity, including the in-house publications and the releases to news sources and web sites. Rosenburg then offered the closing resolution:

WHEREAS: The North Texas Annual Conference held its annual session June 2-5, 2002, at the Plano Centre; First United Methodist Church of Plano; Custer Road United Methodist Church of Plano; Stonebridge United Methodist Church, McKinney; and the First United Methodist Church of Dallas; with the theme, "Shout to the Lord," and

WHEREAS: In Sunday evening's opening celebration we were inspired by the music provided by the combined choirs of First Garland and First Duncanville. We heard the word proclaimed in a powerful way by Rev. Mark Craig of the Highland Park Church. With Rev. Craig we explored the inevitable pain of life, the need for patience, and the power that we have to do the will of God. We remembered the events of 9/11 by taking rocks to remind us of the rubble not only of the event, but the rubble that it caused in our lives. Monday evening we celebrated new faith communities and the wonderful work they have accomplished. It was impossible to keep still listening to the music of the Contemporary Worship Ensemble from Highland Park Church, and the fellowship and ice cream provided by the United Methodist Men was great. Tuesday morning, Rev. Leighton K. Farrell preached a marvelous and very moving sermon to celebrate the lives of the brothers and sisters that were lost to us this past year. Tuesday evening's service was an historical event. The voices of St. Luke "Community" United Methodist Church and their dancers provided the backdrop for the magnificent sermon by our own first, and then the world's Dr. Zan Holmes. He told those being ordained and commissioned to "Check your egos at the door". "It is amazing what can be accomplished if you don't care who gets the credit. We are to help each other for the glory of the Church of Jesus Christ". "Mr. North Texas Conference", the one who has enriched our lives – Dr. Zan Holmes. He will always be a part of our history; and

WHEREAS: The ministries of the North Texas Conference were shared with many outstanding presentations including a thrilling statistical report. The use of video and other methods created an excitement about our ministries. The inspirational testimonies of the ordinands and the retiring members always remind us all that it is a privilege to serve God. Therefore

BE IT RESOLVED: That expressions of appreciation be extended to Bishop Oden for his leadership of the North Texas Conference. He skillfully officiated with fairness and kindness at all sessions. He guided and empowered us all with his address. And along with Conference Lay Leader, Dr. Tom Talbert's timely and well done Laity Address we are ready to return to our places and go back to work with enthusiasm. Our thanks to the Cabinet; the Conference Council Staff; Scott Smith and the Annual Conference Planning Committee; Conference Secretary, Leighton Bearden and his Assistant Secretaries; the Journal Committee; the Committee on Worship, led by Mary Beth Hardesty; all Conference agencies and their elected leadership; the Commission on Communications for big-screen video and Power Point reporting systems; and northtexas.com, and it's staff of professionals and volunteers who added so much to the quality of presentations and our knowledge; and

BE IT FURTHER RESOLVED: That a special word of gratitude be extended for the life work of Dr. Bob Robertson who has, with his gifts and grace, enriched the life and work of the United Methodist Church. May his retirement bring peace, rest and an absence of strife.

BE IT ALSO FURTHER RESOLVED: That gratitude be extended to all participants in worship services including choirs, ensembles, and soloists that provided music; the staff of the Plano Centre; the churches of Dallas, Plano, McKinney, and Allen who hosted events beyond the Centre and child care facilities for the four days; and

BE IT ALSO FURTHER RESOLVED: That the North Texas Conference rejoice in the conference statistics and the 100 percent payout of apportionments, and that we North Texas Methodists SHOUT TO THE LORD!

Holy Communion and Appointments

Beginning at 11:00 a.m., within the liturgy for Holy Communion, Bishop Oden called for the reading of the appointments by the District Superintendents – Dallas Denton by Jim Dorff; Dallas Northeast by Ron Henderson; Dallas South by Mike Nichols; Paris-Sulphur Springs by Pat Beghtel-Mahle; Sherman-McKinney by Fred Durham; and Wichita Falls by Gene Gordon. As each church's name was read, the clergy, staff and lay delegation stood and remained standing until the appointment for each church in the district had been read.

Following the reading of appointments, Bishop Oden continued with the liturgy and gave the bread and cup to the District Superintendents and the District Lay Leaders who then served the members from their respective districts. The Lord's Prayer was sung responsively and Bishop Oden pronounced the benediction.

The Board will oversee all aspects of the Bridgeport operation including programming, facilities management, office administration and event registration, marketing and resource development of the center.

The Board of Directors consists of thirteen members comprised of the following: a Chairperson, a representative of each of the six districts, the Conference Director of Administration, a representative of the Appointive Cabinet, a member of the Conference Mission staff as designated by the Director of Mission, two persons chosen for their expertise and/or experience, and a representative of the Conference Council on Youth Ministry. One of the members will be chosen to serve ex-officio on the Equipping Disciples Team.

d. Board of Directors, Texoma Retreat Center

The Board of Directors of the Texoma Retreat Center will oversee the program of ministry with adults, families and others at the center. The Board will oversee all aspects of the Texoma operation including programming, facilities management, office administration and event registration, marketing and resource development of the center.

RATIONALE:

1-2 This gives clarification to terms of service for agency members, chairs and team representatives.

3-4 This legislation enables the *New Visionaries* plan by creating appropriate agencies for strategic planning and setting the criterion for grants made available through the *New Visionaries* shares.

5. Responsibilities currently covered by the Urban and Ethnic Task Force and Town and Country Task Force will now be handled through the work of the Community Development Task Force of the Conference Leadership Team and the three Church Revitalization Task Forces of the Creating Congregations Team. The Shalom Zone Review Team and Conference Committee on Mission Personnel need to become standing task forces to be in compliance with these General Board of Global Ministries programs.

6-7. One of the key learnings from the *Vision 2020* planning process in regard to camp and retreat centers is the importance of site-based management, in which all aspects of the operation of the camp and retreat centers including program coordination, facilities oversight, office administration and event registration, marketing of the center and development are coordinated from the facility itself. The creation of a separate Board of Directors for each of our camp and retreat centers along with the employment of an Executive Director at each site are the needed implementation steps. The current Committee on Camp and Retreat Ministries supports this change.

FINANCE AND ADMINISTRATION

FROM: COUNCIL ON FINANCE AND ADMINISTRATION

BACKGROUND: 2001 was another extraordinary year financially for the local churches of the North Texas Conference! Total local Church expenditures increased from $107,693,160 to $122,511,709, an increase of 13.8% over 2000. This was the 5th consecutive year of double digit increases in local church spending and was especially striking since it followed a 15.1% increase from 1999 to 2000.

In addition to remarkable support of the UMCOR "Love In The Midst Of Tragedy" Offering ($473,628 received in 2001) and many other additional benevolent causes, 2001 was also another banner year for apportionment payout. **Because of the continuing commitment of congregations and members to connectional causes, for the second time in three years and the second time in the known history of the conference, the churches of the North Texas Conference paid 100% of our 2001 apportionments!!!** In such a difficult time for our nation, this was truly a magnificent accomplishment and we are deeply grateful to all who made extraordinary efforts to make it happen.

287 out of 314 churches with apportionments paid 100% (including all 43 churches in the Wichita Falls District), and Second Mile gifts paid the balance. We are especially grateful to Highland Park United Methodist Church and Rev. Mark Craig, as well as the 44 other churches which made Second Mile gifts to help others. The Wichita Falls District (10 years in a row), the Sherman-McKinney District (7 years in a row), the Paris-Sulphur Springs District (7 years in a row) and the Dallas South District led the way with 100% payouts and the conference as a whole paid 100%!

Total dollars received for apportionments in 2001 was $9,099,378, which was an increase of $687,412 and 8.2% over 2000. Receipts for the *VISION 2020* capital campaign were $2,666,562 in 2001 (an increase of $479,537 and 22.0% over 2000), which brought the campaign-to-date receipts to $5,817,666. Other non-apportioned causes received $1,902,885 in 2001 (an increase of $825,957 and 76.7% over 2000). Thus, the total received for all connectional causes in 2001 was $13,668,825, an increase of $1,992,907 and 17.1% over 2000.

CF&A would like to underscore the importance of the *VISION 2020* campaign this year. During the first quarter of 2002, campaign-to-date receipts passed the halfway point ($6,491,502 received out of $12,657,987 in pledges as of March 31, 2002). Many exciting and significant new ministries in Creating Congregations, Urban Ministries and our Camp & Retreat Centers are being funded by these "above and beyond" gifts. The Council urges all congregations to complete the payment of their *VISION 2020* pledges during the remainder of 2002 and 2003. The District Superintendents will be reviewing the status of these pledges and the plans to fulfill them with the churches during 2002 Charge Conferences this fall.

The Council and the Conference Treasurer continue to work hard to maintain an open and straightforward operating style. Great efforts have been made to provide clear and understandable financial reports. Monthly disbursements reports have been provided to other agencies of the conference. The Council takes seriously its fiduciary responsibility and is working with the agencies to insure faithful and effective stewardship of conference funds.

Again in 2002 the Council urges every church to take seriously its connectional responsibility to pay 100% of all apportionments, with 10% of the annual amount remitted monthly. Without doubt,

making monthly payments beginning in January or February is an important step in paying apportionments in full.

The *Discipline* states that the Board of Pensions, the Episcopal Fund, the District Superintendents Fund, and Equitable Compensation are apportioned funds which are to be paid on the same schedule as the pastor's salary is paid. The Cabinet joins the Council in urging each church to adhere to this mandate monthly.

All churches are also encouraged to make contributions to their District Second Mile Fund. This is a way to assist districts and the conference as a whole to achieve 100% payment of our total apportionments.

INFORMATION

A. Fidelity Bond for Local Churches

Since 1985 the Council on Finance and Administration has purchased a fidelity bond policy to cover all persons authorized to handle local church funds in every church in the Annual Conference. In the unlikely event that a bonded person takes the church's money, the policy covers up to a $25,000 loss.

B. Ten-Year Profile of Apportionments vs. Local Church Expenditures

An analysis of apportionments in the North Texas Conference between 1992-2001 reveals that apportionments continued to increase at a much slower pace than local church expenditures. During that time total apportionments increased 30.98%, while local church operating expenses on the decimal increased 63.26%. Total local church expenditures increased 80.76% during the decade.

C. 2001 Profile of Apportionments vs. Local Church Expenditures

Total apportionments accounted for 7.43% of total local church expenditures in the North Texas Conference in 2001, compared to 7.93% in 2000 and 12.51% in 1990. Total apportionments increased 6.51%, while local church operating expenses on the decimal increased 7.79%. Total local church expenditures increased 13.76%.

D. 2003 Budget Recommendation

For many years the Council on Finance and Administration has considered the most recent statistics for local church operating expenses in determining the percentage of increase or decrease in the recommended apportionments that the Annual Conference sets for the upcoming fiscal year. In 2001 the local church operating expenses used in calculating each congregation's apportionments increased 7.79%.

The 2003 apportionment budget presented CF&A with an especially challenging situation. The following increases in "fixed costs" lead to an overall increase of 4.8 % before the agencies of the conference and the Council even started to work:

(1) General Church Apportionments = + $236,946 (+9.0 % and +2.6% of 2002 NTC Total)
(2) Current Year's Retiree Health Insurance Benefits = + $91,051 (+20.4%)
(3) Health Insurance Subsidies for Appointees & Dependents = + $16,158 (+23.0%)
(4) Retiree Medical Liability (New Item) = + $63,000
(5) Comprehensive Protection Plan (CPP) = + $38,054 (+ 6.8%)

When the Operations Transition Subsidy necessary to implement the *VISION 2020* construction of the Adult Lodge at the Texoma Retreat Center is included, the increase reaches 5.9 % before any budget requests from the agencies of the conference were considered.

CF&A recognizes the need many churches in the conference have to build or remodel facilities, as well as the need of many churches to employ additional staff in order to continue to minister effectively in their communities – especially with young families. The Council affirms the churches' desire to hold down apportionments and maximize the funds available for use in the local congregations. The members of CF&A also feel strongly that the increases from the General Church and other "fixed" costs must not be allowed to "squeeze out" the missional needs of the Annual Conference. Thus, the Council's recommendation for the 2003 apportionment budget is a 7.75% increase over the 2002 budget.

This budget does not include approximately $600,000 which will be apportioned for district budgets. The exact amount of these budgets will be voted on in District Conferences in May, 2002. 2001 District financial statements and 2003 District budgets will be included in the 2002 *Conference Journal.*

E. Fund Balances

In its ongoing effort to be responsible in budgeting, the Council has considered balances in the various apportioned funds at the end of 2001. In addition to a designated "Conference Reserve Fund" of $486,055, apportioned funds carried forward from 2001 to 2002 totaled $676,843. At the request of CF&A, some conference agencies are intentionally "spending down" their fund balances. $6,802,040 of other funds were carried forward from 2001 to 2002, including $3,486,450 of *VISION 2020* funds.

F. Unfunded Pension Liability

A plan is in place to complete the funding of our unfunded pension liability for pre-1982 service. The *2000 Discipline* requires the submission of a formal funding plan for our pre-1982 pension liability (see Board of Pension and Health Benefits legislative items), as well as a Retiree Medical Valuation, to the General Board of Pension and Health Benefits by July 15, 2002. The funding to retire the pension liability must be completed by December 31, 2021. The pension funding plan has been reviewed along with the retiree medical liability by the conference Board of Pension and Health Benefits, the Conference-Wide Task Force to Address the Retiree Medical Liability and CF&A during the past year. (See the report of the Conference-Wide Task Force to Address the Retiree Medical Liability.)

G. Retiree Medical Liability

CF&A has been working with the Conference-Wide Task Force to Address the Retiree Medical Liability and the Board of Pension and Health Benefits to address this issue during the past two years. The Council supports the proposals from the Task Force which will be presented to this Annual Conference session. (See the report of the Conference-Wide Task Force to Address the Retiree Medical Liability.)

H. Electric Aggregation Program

Electric utilities in the state of Texas were deregulated effective January 1, 2002. Deregulation offered the opportunity for the churches of the North Texas Conference to join together to purchase electricity. With the encouragement of CF&A, a group of large churches in the conference initiated an effort to secure a contract from TXU Energy Services, which allows their purchase of electricity as a part of a group. All of the churches of the conference were invited to participate in this effort. Although a

number of administrative start-up difficulties have been experienced, the program is now underway and should prove beneficial to participating churches for years to come with the benefits of achieving scale, the ability to anticipate costs in budgeting, and protection against the volatility of natural gas prices and future cost increases. Contact the conference Office of Administration for more information.

RECOMMENDATIONS FOR LEGISLATIVE ACTION

I. AUDITOR FOR THE CONFERENCE TREASURY

The Council recommends McGee, Haza & Co. as the auditing firm for the Conference Treasury in 2002.

II. SALARY, BENEFITS AND EXPENSES FOR SUPERINTENDENTS AND DIRECTORS

After consideration of local church pastoral salaries and comparable positions in other conferences, CF&A recommends that the salaries for district superintendents be increased in 2003 to $85,000, an increase of 6.25 %. Parsonages are provided by the districts. Utilities, travel and expenses are reimbursed by voucher.

CF&A determines the compensation for the Director of Administration/Treasurer/Benefits Officer and the Conference Personnel Committee sets the compensation levels for other conference Directors.

NOTES TO RECOMMENDED APPORTIONMENTS

(1) This includes $26,000 to fund the Dismantling Racism initiative which is new to the Accountability Group budget, as well as additional items for training two persons to lead Sexual Misconduct training, the Task Force on the Status of Clergywomen, and the conference review by the General Commission on Religion and Race.

(2) Effective in June 2002, the Communications Office will become part of the Missions Office and the staff budgets will be combined. The increase includes assuming the full cost of one of the ten current GBGM missionaries (Shalom Zones Coordinator) plus routine salary increases and the increased cost of benefits for other positions.

(3) This is based on an anticipated 23% increase in active health insurance premium rates over 2001 rates.

(4) The amount for current year health insurance benefits for retirees is based on a 25.6% increase in Medicare Supplement rates over 2001, with an aggregate reduction based on the previous year's actual expenses.

(5) The amount for the Retiree Medical Liability for the current group of retirees and spouses and the amount for the Retiree Medical Liability for new entrants is from the proposal to address the Retiree Medical Liability issue.

(6) This amount is necessary as an operations transition subsidy for the Vision 2020 construction of the Adult Lodge at the Texoma Retreat Center.

(7) GCFA will contribute up to an additional $20,000 out of the Episcopal Fund.

(8) This includes some delegation expenses and the accrual of alternate delegate costs to the 2004 General Conference.

(9) The increase includes the additional cost of electronic scanning of ballots at the 2003 Annual Conference.

(10) This increase consists primarily of an increase for property and liability insurance.

(11) This reflects the elimination of the Director of Ministry Formation position plus routine salary increases and the increased cost of benefits for other positions.

(12) This is based on an increase of 6.8% in the NT Conference Average Compensation for 2003, as determined by the General Board of Pension and Health Benefits in 2001.

(13) Pastors Subsidies increase of 20% since 2002 includes the spending down of a large beginning balance.

(14) This increase is based on experience figures from recent years.

GUIDELINES FOR COMPUTATION OF 2003 APPORTIONMENTS FOR LOCAL CHURCHES

A. Formula for Two-Part Decimal:

1/3 membership and 2/3 finance

B. Procedure for Computation of Decimal for Each Church:

The membership part is computed by dividing the total 2001 church membership of the Annual Conference (less discontinued churches and fellowships = 159,652) into the 2001 membership of each church. This becomes the church's membership decimal.

The finance part is computed by adding the amounts of the operating expenses reported paid by each church in columns 63b, 64b, 65a, 65c, 66a-d, 67a-b and 68-71 of the 2001 Statistician's Report. (No funds reported in other statistical columns are included in this computation.) This total is then divided by the Conference total of these same columns (less discontinued churches and fellowships = $58,728,630). This becomes the local church's finance decimal.

The finance decimal is doubled. The membership decimal is added to the doubled finance decimal. This total is divided by three to become the apportionment decimal.

C. Procedure for Computation of Apportionments for Each Church:

The apportionment decimal for each church is multiplied by the Conference total of each apportionment to determine the amount that each church is asked to pay toward the apportionment. The only exception is the District Administration Fund Apportionment, which is at the present time computed on the basis of the district decimal.

D. Margin for Correction:

To assure that 100% of the amount of each apportionment will be distributed to the churches, no more than one quarter of one percent may be added to each apportionment when needed.

RECOMMENDED GOALS TO LOCAL CHURCHES

A. That local churches accept the challenge to grow in spiritual strength by designating no less than 25% of their total annual budgets for causes beyond their local churches.

B. That local churches plan to remit at least 10% of their annual apportionments before the 15th of each month beginning in January or February.

C. That apportionments be given first claim by local churches in their beyond-the-local-church payments with advance specials and other benevolences viewed as second-mile giving.

D. That local churches assist in achieving 100% payment of all apportionments for connectional ministries and missions in every district through voluntary contributions to the District Second- Mile Apportionment Fund.

DISCONTINUANCE OF REILLY SPRINGS UMC

FROM: NORTH TEXAS CONFERENCE BOARD OF TRUSTEES

BACKGROUND: Because only a small number of members remained and they could not continue to support the church financially and physically, members of the Reilly Springs UMC of the Hopkins County Parish, Paris-Sulphur Springs District, concluded that it was time to disband as a church and sell the property.

LEGISLATION: The North Texas Conference Board of Trustees recommends the discontinuance of the Reilly Springs UMC. The Conference Board of Trustees will sell the property and place the proceeds with the Conference Treasurer.

MERGER OF DODD CITY UMC WITH WINDOM UMC

BACKGROUND: Because only a small number of members remained and they could not continue to support the church financially and physically, members of the Dodd City UMC of the Windom Charge, Sherman-McKinney District, concluded that it was time to disband as a church and merge the membership and the assets of the church with the Windom UMC.

LEGISLATION: The North Texas Conference Board of Trustees recommends the merger of the Dodd City UMC with the Windom UMC. The Conference Board of Trustees will sell the property and the proceeds and any current assets will be transferred to the Windom UMC.

WITHDRAWN

DISCONTINUANCE OF SOUTHWOOD FELLOWSHIP

FROM: NORTH TEXAS CONFERENCE BOARD OF TRUSTEES

BACKGROUND: In 1998 the Southwood UMC was duly discontinued as a constituted Church. At that time the membership was listed as the Southwood Fellowship and allowed to continue meeting in the same buildings at the same location. The property was deeded to the Dallas South District for management until such time as there was other need for the

property or no need for the property. It was stated that if the property was ever not needed for ministry in the community where it is located, it would be deeded to the North Texas Conference Board of Trustees for disposition. The Dallas South District Superintendent and the Cabinet have determined that the time has come to discontinue the fellowship and dispose of the property.

LEGISLATION: The North Texas Conference Board of Trustees recommends the discontinuance of the Southwood Fellowship. The Conference Board of Trustees will sell the property and place the proceeds with the Conference Treasurer. Such proceeds shall be used for maintenance, upkeep and remodeling of other existing local church facilities in the Dallas South District upon recommendation of the district superintendent and the district Board of Trustees and concurrence of the Conference Board of Trustees.

EQUITABLE COMPENSATION ANNUAL DETERMINATION

FROM: COMMISSION ON EQUITABLE COMPENSATION

BACKGROUND: The Commission on Equitable Compensation and the Cabinet of the North Texas Conference have for many years understood the primary purpose of Equitable Compensation Pastors Subsidies funds to be to assist local churches in moving from part-time pastoral positions to full-time pastoral positions. Thus, these funds are meant to be transitional funds and not long-term subsidies. In making its recommendation for the minimum Equitable Compensation each year, the Commission takes into consideration not only the appropriate minimum level compensation for the full-time clergy of the conference but also the needs of the churches that are determining whether they can afford a full-time pastor or not.

LEGISLATION: The Commission on Equitable Compensation requests that Pastors Subsidies Equitable Compensation support and administrative expenses be apportioned at $76,800 for 2003.

A. Guidelines for Conference Members and Full-Time Local Pastors

1. The Commission on Equitable Compensation requests that $31,700 be set for the minimum equitable compensation (including base salary, utilities, amount for vouchered travel reimbursement, dependent premium payments made by the local church, dependent premium supplemental payments paid by the conference at the discretion of the District Superintendent, and other conference subsidies received) for conference members in full connection, associate members and probationary members of the North Texas Conference serving full time for 2003. The amount of increase for 2003 is 3.5%. After completing a 10-year study of the equitable compensation amount in the conference in 1999-2000, the Commission resumed using the formula based on the Conference Average Compensation (CAC) which had been used in previous quadrennia. The formula adds $6,000 for travel and utilities to 60% of the North Texas CAC figure as defined by the General Board of Pension and Health Benefits less the housing factor.

2. Adjustments for years of service:

Years of Service	Equitable Compensation
6	31,800
7	31,900
8	32,000
9	32,100
10	32,200

3. Compensation for additional churches on a charge:

Each charge with more than one church shall receive $200 additional for the second church and $100 each for the third through the fifth additional churches.

4. Recommendation for housing, utilities and travel expenses:

(1) Housing shall be provided in a church-owned parsonage or provided for with a monthly allowance.
(2) Utilities shall be provided with payments made by the local church or reimbursed when paid by the pastor.
(3) Travel shall be reimbursed at the IRS rate with appropriate records and documentation provided to the church.

5. Local Pastors serving full time:

Five years or less $26,700
Six years or more $26,800

Expense recommendations same as above.

B. The following policies are proposed to the North Texas Annual Conference for the distribution of equitable compensation assistance in 2003:

1. A local church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches whose pastors receive salary subsidy should be open to linkage with other churches in order to efficiently utilize the service of full-time conference members to reduce the need for subsidy.

2. Equitable Compensation levels can best be met when appointments are open to all ministerial members without regard to race or gender. We continue to urge every conference member to make the subject of a fully open Conference and adequately supported ministry at the local church level a matter of daily personal prayer. Only as the love of Christ dwells in us can an Annual Conference be a communion of caring persons.

3. Growth in stewardship should be achieved by all below-minimum remuneration churches. In making application for salary subsidy, District Superintendents are to provide evidence of stewardship education and growth to the Commission on Equitable Compensation.

4. Tenure payments are designed to honor the years of service of pastors who continue for more than five years in ministry to below minimum compensation charges because of the needs of the Conference. The Bishop and the Cabinet are urged to make every effort to move pastors to above-minimum compensation charges within five years after they begin full-time service.

5. Applications for salary subsidy to the Commission on Equitable Compensation are to be made by the District Superintendent on forms provided by the Commission, and completed applications must be approved by the Commission in session or by no less than two of the three members of the Executive Committee of the Commission.

6. The Charge Conference of any charge unable to pay the minimum salary set by the Conference shall be informed by the District Superintendent of the guidelines for receiving equitable compensation assistance. The Charge shall be informed of the amount required to bring the compensation level up to the minimum and shall be challenged to move toward the goal of full self-support at the earliest possible time. On the application for salary assistance, the District Superintendent shall certify to the Commission that the charge has been duly notified. The amount of subsidy granted to a pastor shall be acknowledged annually at the Charge Conference.

7. Equitable Compensation assistance is not available to pastors serving as associate pastors or in staff positions other than pastor-in-charge. In order that such persons receive an equitable wage, however, the Commission recommends that local churches use Conference minimum standards as minimum guidelines to setting associate and staff salaries.

8. The Commission on Equitable Compensation will not consider requests for salary supplements where housing allowances exceed $7,200.

9. Pastors who decline an appointment which would reduce or eliminate compensation support are ineligible for the Equitable Compensation tenure payment given for years of service.

10. Equitable Compensation assistance is not available for a North Texas Conference member appointed to serve in another Annual Conference, nor is it available to members of other Annual Conferences serving under appointment in the North Texas Conference.

11. There shall be no lump sum payments to persons receiving Equitable Compensation assistance unless such sums are too small for monthly payments to be made.

12. It shall be the responsibility of the pastor receiving Equitable Compensation subsidy to inform the Commission of any increase in remuneration or any changes in eligibility which occur after an application for Equitable Compensation has been approved.

EXCEPTIONAL REQUESTS BY THE CABINET:

All requests for exceptional support (assistance requested by the Cabinet in excess of the 25% maximum) shall be submitted in writing. The requests shall include the amount of assistance requested, length of time for assistance and reason(s) for exceptional request. Such a request shall be submitted to the Commission on a form prescribed by the Commission and signed by the Cabinet Representative to the Commission.

RESOLUTION TO DESIGNATE RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THE CONFERENCE

FROM: CONFERENCE BOARD OF PENSION AND HEALTH BENEFITS

BACKGROUND: To be in compliance with Internal Revenue Service Revenue Ruling 75-22, 1975-1,49, as it relates to clergy housing and secondarily as to how that affects retired clergy.

LEGISLATION:

Whereas, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained, commissioned or licensed; and

Whereas, the practice of The United Methodist Church is to provide a parsonage or a rental/housing allowance as part of the gross compensation for each of its active ordained, commissioned or licensed ministers; and

Whereas, pension and disability payments to retired and disabled ordained, commissioned or licensed ministers of The United Methodist Church are considered deferred compensation and are paid to said retired and disabled ordained, commissioned or licensed ministers in consideration of previous, active service; and

Whereas, the Internal Revenue Service has recognized that the North Texas Conference is the appropriate organization to designate a rental/housing allowance for retired and disabled ordained, commissioned or licensed ministers who are members of this conference:

Now Therefore Be It Resolved:

1. An amount equal to 100% of the pension and disability payments received during 2003 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained, commissioned or licensed minister of The United Methodist Church who is or was a member of the North Texas Conference at the time of his or her retirement or disability.

2. This rental/housing allowance shall apply to each retired and disabled ordained, commissioned or licensed minister who has been granted the retired relation or placed on disability leave by the North Texas Conference and in other appropriate records maintained by the conference.

3. The pension or disability payment to which this rental/housing allowance applies shall be the

pension or disability payment resulting from all service of such retired or disabled ordained, commissioned or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired or disabled minister's pension.

PRE-1982 SERVICE YEAR RATE FOR 2003

FROM: CONFERENCE BOARD OF PENSION AND HEALTH BENEFITS

BACKGROUND: Paragraph 1506.7 of the *2000 Discipline* recommends that the past service annuity rate for ministerial service rendered before 1982 be not less than 1% of the Conference Average Compensation (CAC) as calculated by the General Board of Pension and Health Benefits. In 1999 the North Texas Conference adopted 1% of the Conference Average Compensation as its policy for setting the annual pre-1982 service year rate. For 2003 the CAC is $53,541. Thus, the Board of Pension and Health Benefits recommends that 1% of that or $535 be the past service rate for 2003.

LEGISLATION: That the pre-1982 Service Year Rate for 2003 be established at $535 for approved service of clergy members in full connection, probationary members, associate members and local pastors of the conference.

FORMAL PRE-82 PENSION LIABILITY FUNDING PLAN

FROM: CONFERENCE BOARD OF PENSION AND HEALTH BENEFITS

BACKGROUND: The 2000 *Discipline* requires the submission of a formal funding plan which has been approved by the Annual Conference and the General Board of Pension and Health Benefits (GBOPHB) for the conference's pre-82 pension liability to GBOPHB by July 15, 2002. The information from this document, along with the Retiree Medical Valuation prepared for us by the GBOPHB since we are a HealthFlex conference, will then be submitted to the 2004 General Conference.

The funding plan below is a re-statement of the plan which has been in place since 1995 and is also incorporated into the legislative items proposed by the Conference-Wide Task Force to Address the Retiree Medical Liability which was appointed by the Conference Leadership Team. It has been approved by GBOPHB.

LEGISLATION:

North Texas Annual Conference Funding Plan
For Supplement One to the Ministerial Pension Plan
As of January 1, 2002

The 2002 Past Service Rate (PSR) is $501, or 1.0% of Conference Average Compensation (CAC). The Conference intends to maintain the PSR at 1.0% of CAC. For the past several years, CAC has increased by an average of 4.5% per year, and we expect that pattern to continue. Therefore, we expect future PSRs to increase by an average of about 4.5% per year.

The conference will fund the benefits as follows.

(1) Annual contributions from the Conference Deposit Account at the General Board of Pension and Health Benefits to be designated for Supplement One (Annual Past Service Deposit) in the amount of $2,193,000 through 2021.

(2) The above contributions will be funded through two sources:

A. An annual apportionment of $1,717,649, with receipts to be paid to the Conference Deposit Account. The Conference will apportion this amount until the Pre-82 pension liability is fully funded (estimated to be 2010).

B. Investment earnings and principal on the approximately $11.7 million designated for pensions currently on deposit in the Conference Deposit Account.

The funding plan as of January 1, 2002 is summarized below.

		FUNDING	
	Present Value of Benefits*	Current Assets	Present Value of Future Contributions**
Supplement One (4.5% COL)	$35,474.000	$13,944,000	
Conference Deposit Account Apportionments		$11,700,000	$10,954,000

TOTAL	$35,474,000	$36,598,000

RETIREE MEDICAL LIABILITY

FROM: CONFERENCE-WIDE TASK FORCE TO ADDRESS THE RETIREE MEDICAL LIABILITY

BACKGROUND: In late 1998 the Commission on Insurance was made aware of a significant retiree medical liability of the conference. This liability was not new; however, it had only recently begun to be recognized by the church in general. In addition to seeking to learn more about this issue from the staff of the General Board of Pension and Health Benefits, the Commission began conversations on the matter with the conference Board of Pensions, the Council on Finance and Administration, the Cabinet and the newly-created Conference Leadership Team. It quickly became apparent that the cost of providing retiree health benefits would be the most significant benefits issue facing the conference in the coming years.

In September 2000 the Conference Leadership Team appointed a Conference-Wide Task Force to Address the Retiree Medical Liability. Members of the Task Force included the following:

Mike Nichols - Chairperson; Chr., Commission on Insurance (Cabinet Representative)
John Tatum - Member, Commission on Insurance (Member, Board of Pension & Health Benefits)
John Beall - Chairperson, Board of Pensions (Chairperson, BOPHB)
Michon Fulgham - Member, Board of Pensions (Member, BOPHB)
Jerry Pinkerton - President, CF&A
Stan Copeland - Member, CF&A
Gene Gordon - Cabinet Representative
Jim K. Brown - Cabinet Representative (Member, CF&A)
Marvin Guier - Director of Administration/Treasurer/Benefits Officer
Karen Karch - Health Insurance Administrative Assistant
Julie Gould - named by the Bishop for expertise, former Chairperson, Commission on Insurance
Necia Dexter - named by the Bishop for expertise, Member of CF&A
Bill Crouch - representative, NTC Retirees Fellowship
Jack Gibson - representative, NTC Retirees Fellowship

(The parentheses indicate a change in position between the first and second year in the life of the Task Force.)

The Task Force worked for two conference years to study the matter and develop the proposals included herein. Multiple progress reports were made to the Conference Leadership Team, the Board of Pension and Health Benefits, the Council on Finance and Administration and the Cabinet. All of those groups support the proposals. A series of informational meetings were held in the districts in April to present the proposals fully and respond to questions.

The first learning of the Task Force was that the Pre-82 Pension Liability and the Retiree Medical Liability should be considered together.

The Pre-82 Pension Liability is the balance of funds that will be required to pay the pension benefits of North Texas Conference clergy for their service prior to 1982, when The United Methodist Church changed from a defined-benefit pension plan to the current defined-contribution plan.

The Retiree Medical Liability is the balance of funds that will be required to pay the health insurance benefits of North Texas Conference clergy during retirement. The cost of the conference's share of retiree health insurance benefits is currently being paid on a "pay as you go" basis; i.e., this year's apportionment pays the conference's share of premiums for current eligible retirees for this year. Unless we take action on the retiree medical obligation for both existing and new clergy, we risk the ability to be able to provide a post-retirement medical benefit to clergy in the future due to dramatically increasing costs for this benefit, and we are passing on to future generations the obligations for past service that we should face during the working life of clergy.

Fortunately, the conference already has assets from which to draw in beginning to address these liabilities. As of January 1, 2002, the North Texas Conference has $13.2 million in our Deposit Account at the General Board of Pension and Health Benefits, with $11.7 million designated for pre-1982 pensions and $1.5 million remaining from the pre-1995 self-funded health insurance plan and designated for health insurance needs.

PRE-82 PENSION LIABILITY

As of January 1, 2002, the total Pre-82 Pension Liability of the North Texas Conference is valued by the Actuarial Department of the General Board of Pension and Health Benefits at $35,474,000. Of that amount, $13,944,000 has been funded (i.e., that amount has already been paid into the plan). Thus, the current unfunded liability is $21,530,000.

The current plan which was put in place at the beginning of 1995 to fund that liability calls for the conference to make an annual contribution of approximately $2,193,000 to the pre-82 pension plan through 2021. This contribution is funded by an annual apportionment of $1,717,649 and from the funds deposited with the General Board of Pension and Health Benefits. The plan as begun in 1995 is that the conference will apportion $1,717,649 annually until the Pre-82 Pension Liability is fully funded.

The Task Force has chosen to use conservative assumptions in determining the length of time required to fund this liability. Assumptions include an earnings rate of 3.0 % for two years and 8.0 % for other years and a Conference Average Compensation (CAC) increase of 4.5 % (and therefore a Past Service Rate (PSR) increase of 4.5 %, since the conference policy is that the PSR will be 1 % of the CAC). An apportionment of $1.7 million annually through 2010 produces a present value of $10,620,000 which when added to the $11,700,000 in assets on hand will fund the liability by the end of that year.

It is important to note that for pension benefits, the churches of the conference are now paying (1) the cost of current service for the active clergy (i.e., making the employer contributions into the Ministerial Pension Plan (MPP) for their pastors), and (2) the apportionment to fund the balance of the pre-82 liability. When the pre-82 liability is funded, the only payment needed thereafter from the churches for this benefit will be the cost of current service for their pastors.

POST-RETIREMENT MEDICAL LIABILITY

The issue of providing health insurance benefits to retired clergy is being faced by all Annual Conferences (like all companies). The Task Force's foundational assumption is that, unlike some companies and some Annual Conferences, the North Texas Conference will continue to provide a health insurance benefit for eligible retirees. We believe that this is a part of the covenant relationship between the conference and its clergy. The issue is how will we be able to do so.

An approach similar to that for pension benefits needs to be put in place for retiree medical benefits to fund (1) the unfunded liability for the existing active and retired clergy and spouses, and (2) the cost of

retiree medical benefits for new clergy and spouses over the clergy's active service period.

In calculating the amount of the conference's post-retirement medical liability, the Task Force used the recommended actuarial assumptions of a fund earnings rate of 7.25 % and a medical cost trend rate of 10 % graded ratable to 5 % over ten years. The December 31, 2000 valuation provided by the General Board of Pension and Health Benefits indicates that the retiree medical liability for the current clergy population of the North Texas Conference is $39,444,000. Further scrutiny revealed that the liability for our plan's clergy participants only (those for whom the conference is responsible) is $27,906,000. Taking into consideration the current level of cost sharing done by our retirees and the loss of the Medicare HMO as our base retiree plan brought the liability down to $19,972,000.

In addition, the conference must begin to fund the cost of retiree medical benefits for new clergy and spouses during their active service period. The Task Force assumed growth in the number of active North Texas Conference clergy and spouses of 1 % per year.

LEGISLATION:

(A) The Task Force proposes the following plan design changes:

(1) For those eligible clergypersons enrolled in the conference health insurance plan who retire after January 1, 2003, and their eligible spouses, the conference will pay from 15 - 50 % of the HealthFlex Medicare Supplement Plan 2 premium for those retiring at age 65 (or full retirement age) based on their years of ministerial service (which qualify for retirement credit) in The United Methodist Church in which they were appointed to a local church or within the connectional structure as defined in the 2000 *Discipline* Paragraphs 335.1(a)(1) and (2), or partial years of like service for less than full-time appointments, as follows.

Years of Service (full time equivalent)	% of Med. Supp. 2 Premium Paid
0 - 4	0
5	15 %
6	16 %
7	17 %
8	18 %
9	19 %
10	20 %
11	22 %
12	24 %
13	26 %
14	28 %
15	30 %
16	32 %
17	34 %
18	36 %
19	38 %
20	40 %
21	42 %
22	44 %
23	46 %
24	48 %
25 or more	50 %

For those eligible clergypersons enrolled in the conference health insurance plan who retire before January 1, 2003, and their eligible spouses, the North Texas Conference will continue to pay 50 % of the HealthFlex Medicare Supplement Plan 2 premium.

(2) For those clergy who retire who are at least 62 years of age (but not 65) or have 35 years of service, the conference will pay the same benefit as for those in the Regular Retirement category above (15 - 50 % of the Medicare Supplement Plan 2 premium). These participants will pay the remainder of the Medicare Supplement Plan 2 premium (50 - 85 %) plus the difference between the active plan (which they must be on until they are eligible for Medicare) and the Medicare Supplement plan. Those retiring under "the twenty year rule" (i.e., are not 62 and have at least 20 years but not 35 years of service) are eligible to remain on the conference insurance plan. These participants must pay the entire active premium plus an additional 10% surcharge (as required by HealthFlex) until they reach 65. At that time the conference will pay the same level of benefits as for those in the Regular Retirement category above. (No change)

(3) For retirees who continue to serve local churches in the North Texas Conference the conference will pay the same benefit as for those in the Regular Retirement category above (15 - 50 % of the Medicare Supplement Plan 2 premium for both retiree and spouse) and the retiree will be responsible for the balance of the premium (50 - 85 % of the Medicare Supplement Plan 2 premium for retiree and spouse.) The retiree will be required to pay any additional cost due to the employment (i.e., the difference between the active plan which the working retiree might have to be on according to the anti-discrimination laws and the retiree plan) for the spouse. (A local church or other salary paying unit can opt to pay the participant and spouse's cost.) The local church employing a retired participant will be required to pay any additional cost due to the employment (i.e., the difference between the active plan which the working retiree might have to be on according to the anti-discrimination laws and the retiree plan) for the retiree.

NOTE: THE FUNDING PROPOSALS WHICH FOLLOW ASSUME THAT THE ABOVE PLAN DESIGN CHANGES ARE APPROVED.

(B) The Task Force proposes the following funding proposals:

(1) Continue to apportion $1,717,649 annually for the Pre-82 Pension Liability until that liability is fully funded (estimated 2010).

(2) Terminate the pre-1995 Employee Benefit Trust (see Supplement to Legislative Item #12), separate the $1.5 million in the Deposit Account at the General Board of Pension and Health Benefits which is the remainder from the Employee Benefit Trust (pre-1995 self-funded health insurance plan) and designate it for the Retiree Medical Fund.

(3) After the Pre-82 Pension Liability is funded, apportion $1,717,649 annually for the Retiree Medical Liability for the existing active and retired clergy and spouses until the liability is fully funded (projected 2011 through 2017).

(4) Continue to fund through apportionment the current year's retiree medical premium payments until the liability is fully funded (estimated 2017).

(5) Begin to fund through apportionment the retiree medical liability for existing active and retired clergy and their spouses at $20,000 in 2003 and increasing by $20,000 per year until the Pre-82 Pension Liability is fully funded and the $1,717,649 begins to be apportioned annually for the Retiree Medical Fund (projected 2010).

(6) Begin to fund through apportionment the retiree medical benefit for new entrants as of January 1, 2003 over their estimated average service life in perpetuity at $43,000 in 2003 and increasing by approximately $50,000 per year.

In conclusion it must be noted that the financial information presented herein is based on the assumptions previously outlined that are believed to be conservative. However, to the extent that actual experience differs from the assumptions, the results will vary. Therefore, an updated study should be undertaken every two years until both the Pre-82 Pension Liability and the Retiree Medical Liability are funded and appropriate modifications made as needed.

SUPPLEMENT TO LEGISLATIVE ITEM # 12: RETIREE MEDICAL LIABILITY

FROM: CONFERENCE-WIDE TASK FORCE TO ADDRESS THE RETIREE MEDICAL LIABILITY

RE: FUNDING PROPOSAL (2), P. 31, CONFERENCE WORKBOOK

BACKGROUND: The North Texas Conference changed from a self-funded health insurance program (Employee Benefit Trust) to HealthFlex, the denominational health insurance program provided through the General Board of Pension and Health Benefits, effective January 1, 1995. $1.5 million from this pre-1995 self-funded program remains in our Deposit Account at the General Board of Pension and Health Benefits. It was the desire of the Commission on Insurance when the Conference voted to move to HealthFlex that the remaining corpus of the Employee Benefit Trust be held for future beginning reserves of a new self insured medical plan or to fund the unfunded liability of the pre-1982 pension program. If it is the will of the Conference to use the corpus of the trust for a different purpose (i.e., the Retiree Medical Fund as per funding proposal (2) in Legislative Item #12), by matter of law, the trust should be terminated and the trustees should be relieved of their fiduciary duties of such corpus.

LEGISLATION: Be it resolved that the North Texas Conference Employee Benefit Trust be terminated as of the day this legislation is approved by the annual session of the North Texas Conference and that the Trustees - Bishop William B. Oden, Beverly Brooks and Stanley F. Seat - be relieved of their fiduciary duties related to the overall corpus of such trust. Be it further resolved that the original designation of the corpus of the trust which was to fund the reserves of another self-insured medical plan or to fund additionally the unfunded pre-1982 pension liability be re-designated to the Conference Retiree Medical Fund for the purpose of addressing the retiree medical liability of the North Texas Conference.

NEW VISIONARIES PROPOSAL

FROM: CONFERENCE LEADERSHIP TEAM

BACKGROUND Since 1982, North Texas Conference United Methodists have participated in a shareholders program known as "Visionaries." Participants were asked to purchase an annual share of $45 or $60, to be paid in three installments. Shareholders designated these shares in one of the following categories: church extension, congregational development, urban ministries, and town and country ministries. The Visionaries program was overseen by the Office of Church Extension, which was discontinued in 1994.

Since that time, Visionaries "calls" have continued to be sent to shareholders. Loyal supporters have faithfully paid their shares, enabling the creation and re-vitalization of various local church ministries and programs. However, participation in the Visionaries program has dwindled. The total amount of Visionaries share monies received has gone from $172,853 in 1996 to $121,303 in 2001.

In 1998, the Annual Conference adopted a new strategic plan, "Vision 2020". This plan created a vision for the Annual Conference in three areas: creating new congregations, revitalizing urban ministries, refurbishing our camp and retreat centers. A total of $12 million, $4 million in each area, was pledged to the Vision 2020 capital campaign. The Vision 2020 plan called for a "new, improved Visionaries," and was assigned to the Creating Congregations Team for revision following the Vision 2020 campaign. The team began an information-gathering process, headed by team member Eric Rothe, which invited key leaders involved in Visionaries programs to share their input.

In his address to the Annual Conference following his re-assignment to the Dallas area for the 2000-2004 quadrennium, Bishop William B. Oden highlighted the Visionaries program as a priority. The Creating Congregations Team shared its findings with the Conference Leadership Team in spring, 2001. The Conference Leadership Team appointed a Visionaries Task Force in the fall of 2001, chaired by Frank Roby. The following proposal is a result of their work, approved by the Conference Leadership Team on April 24, 2002.

LEGISLATION:

Therefore, be it resolved that the 2002 Annual Conference adopt this proposal for *New Visionaries* shares:

Name: *New Visionaries* $100 per year shares for five years. These new $100 shares to be divided according to the following percentages:

Community Development (Foundry Churches, Shalom Zones, Ethnic Ministries)	25%
Congregational Development New Church Starts Church Revitalizations	50%
Camp and Retreat Centers	25%
Total	100%

A CONFERENCE-WIDE GOAL: 16,000 shares based on a tithe of NTC membership (160,000 members)

Current shareholders will be given an opportunity to convert shares to *New Visionaries*, but will be given the option of keeping their existing $45-$60 shares that will continue to fund the designations of Town & Country, Urban Ministries and Church Extension. Continuing shareholders will be recognized as Founder Shareholders.

During the transition time between the current Visionaries shares and the *New Visionaries* shares, the current Visionaries monies will continue to be dispersed as designated by the Urban and Ethnic Task Force, the Town and Country Task Force and the Creating Congregations Team through December 31, 2002. The new Community Development and Church Revitalization Task Forces will become effective January 1, 2003.

Founder shares (original Visionaries shares) will continue to be distributed as designated to the appropriate task forces and will be overseen by the Vision 2020/*New Visionaries Funding* Task Force. This Task Force shall be appointed by the Conference Leadership Team and shall include the Chairs of the Community Development Task Force and the three Church Revitalization Task Forces being sure that all districts are represented. Additionally, $45,000 for Ethnic Local Church Concerns, a line-item in the Sending Servants Team budget, will continue to be available for this purpose in 2003. Under the auspices of the Conference Leadership Team, the Community Development Task Forces, Church Revitalization Task Forces and Sending Servants Team will make recommendations concerning this budget line-item for the 2004 apportionment budget.

The communications staff in the Mission Office will create interpretative and promotional materials for *New Visionaries*, to be adapted for use by each local church. Local churches will have flexibility in methods used for participating in the *New Visionaries* share program. Local churches may choose to complete their Vision 2020 pledges before initiating the *New Visionaries* program.

Proposals for expenditures of *New Visionaries* monies will be submitted to the Vision 2020/*New Visionaries* Funding Task Force and approved by the Conference Leadership Team. The following groups will initiate these proposals:

Community Development *New Visionaries* Shares

A Community Development Task Force shall be formed consisting of Chair and twelve members which will include representatives from the current Urban and Ethnic Task Force and Town & Country Task Force as well as representatives from Shalom Review Task, Foundry Church, Amigos Days and Project Transformation being sure that all districts are represented. Task Force members will be nominated by the Conference Nominating Committee and elected by the Annual Conference. The Community Development Task Force will be responsible for visioning and planning for community development efforts within the Annual Conference, and will make recommendations to the CLT for funding various community development ministries with *New Visionaries* share monies.

Congregational Development *New Visionaries* Shares

New church starts – Creating Congregations Team

Church revitalization-three task forces will be formed based on church membership size:

0-249 membership churches

250-749 membership churches
750+ membership churches

Members of the three Church Revitalization Task Forces will include members of the current Urban and Ethnic Task Force and Town and Country Task Force and will be nominated from the Annual Conference Nominations Committee and elected by Annual Conference. Each task force shall have a chair and six members, one from each district, and will be divided equally between lay and clergy.

Representatives of the Creating Congregations Team and the Church Revitalization Task Forces will meet as needed to create a strategic plan regarding new church starts and church revitalization that will be presented to the Vision 2020/*New Visionaries* Funding Task Force and approved by the Conference Leadership Team. A report of funds requested and funds granted will be provided to the 2003-2007 Annual Conference sessions.

Camp and Retreat Centers *New Visionaries* Shares

Members of the Boards of Directors of Bridgeport and Texoma will meet periodically to prioritize long range plans for the camp and retreat centers and will recommend expenditures of *New Visionaries* monies to the Vision 2020/ *New Visionaries* Funding Task Force, approved by the Conference Leadership Team.

STANDING RULES OF THE NORTH TEXAS ANNUAL CONFERENCE

These standing rules are composed of three parts: 1) structure of the North Texas Annual Conference ("Annual Conference"); 2) policies of the Annual Conference; and 3) rules of procedure for the conduct of Annual Conference sessions.

I. STRUCTURE OF THE ANNUAL CONFERENCE

A. GENERAL PROVISIONS

1. *Primacy of Book of Discipline and Standing Rules.* These General Provisions apply to all Agencies except where the current version of *The Book of Discipline of the United Methodist Church* ("*Book of Discipline*") or specific Standing Rules otherwise provide.

2. *"Agency."* In these Standing Rules, the word "Agency" means a conference-level group that performs the work of the North Texas Annual Conference, whether that group is called a Council, Board, Division, Commission, Committee, Team, Group or Task Force. It does not include boards of trustees or boards of directors of Annual Conference related institutions.

3. *"Conference Year; Conference Fiscal Year."* "Conference year" means the period from the close of one regularly scheduled session of the Annual Conference through the close of the following year's regularly scheduled session of the Annual Conference. "Conference Fiscal Year" means January 1 through December 31.

4. *Election of Members.* Members and Chairs of the Agencies shall be nominated by the Committee on Nominations and elected by the Annual Conference. There shall be an opportunity for additional nominations from the floor.

5. *Task Forces.* The Creating Congregations Team, Equipping Disciples Team, and Sending Servants Team may establish Standing Task Forces when required by the *Book of Discipline* or these Standing Rules. Members of the conference staff will serve as ex officio members of these Standing Task Forces, without vote. Unless otherwise required, membership on a Standing Task Force shall be limited to a number necessary to carry out the ministry. These Teams and the Accountability Group may establish short-term Task Forces when the need or opportunity arises. Such task forces will require approval of the Conference Leadership Team to exist for more than twelve months. The membership of the Task Forces shall be representative of the diversity of the conference. Task force members will be selected by the Teams and Group through the Nominations Committee pool and/or upon recommendation of the District Superintendents, with attention being given to inclusiveness issues. When a Team or Group has established a short-term Task Force, the Chair of the Task force may be designated to serve as a member of the Team or Group for the duration of the short-term Task Force, with or without vote.

Budget recommendations to the Conference Leadership Team and oversight of approved budget expenditures for the various Task Forces are the responsibility of each Team. Task Forces are accountable to their assigned Team for expenditures and may make budget recommendations when appropriate.

6. *Membership Diversity.* Except where the *Book of Discipline* or these Standing Rules otherwise provide, membership on all Agencies shall include one third clergy, one third laywomen, and one third laymen insofar as possible. In addition, special attention shall be given to inclusive representation from the districts, small membership churches, town and country churches, and ethnic churches.

7. *Terms.* Persons shall be nominated to serve a four year term on an Agency. No person shall be nominated for a position without previously agreeing to serve if elected. Persons elected shall begin their terms of office at the close of the Annual Conference session at which they are elected.

8. *Failure to Attend Meetings.* Persons who are absent without cause for half or more of an Agency's meetings during the Conference Year will thereby automatically remove themselves from the membership of the Agency and shall be replaced by the Committee on Nominations.

9. *Vacancies.* The Committee on Nominations is authorized to fill any Agency vacancies between sessions of the Annual Conference, unless the *Book of Discipline* otherwise provides. Persons appointed to fill vacancies shall serve only the remainder of the Conference year in which they are appointed. They may be elected to that position at the first regularly scheduled Annual Conference session following their appointment, in which case they will serve the remainder of the term of the person they replace. If the term of the person they replace would normally expire at the Annual Conference, then they may be elected to a full term either as member or chair without the partial year they served filling the vacancy counting toward the term limit as covered in Provision 10 and Provision 11 below.

10. *Term Limits for Members.* No elected person may serve more than eight successive years on any one Agency. A person may, however, be re-elected to an Agency on which that person has previously served his or her term limit after non-membership for four years.

11. *Term Limits for Agency Chairs and Team Representatives.* No person may serve as Chair or Team Representative of any Agency for more than four consecutive years, nor may any person chair or be a team representative on any combination of Agencies for a total of more than six years in any eight year period.

12. *Limits on Multiple Agency Membership.* No person shall serve on more than two Agencies at the same time, except as an *ex officio* member. In computing these limits, membership which occurs by virtue of holding some other Agency position shall not be counted. In applying these limits, the nominators shall be guided by the policies of diffusing power throughout the Annual Conference and limiting the agency workload required of any particular individual. Therefore, both the responsibilities and the workload of the various Agencies shall be taken into consideration in making Nominations.

13. *Coordination of Nominations.* All nominations of persons to Agencies shall be reported to the Chair of the Committee on Nominations, the Conference Director of Mission, the Chair of the Accountability Group, the Chair of the Review Team (so long as it exists), and the District Superintendents in order to promote inclusivity and compliance with the Standing Rules on Limits on Multiple Agency Membership.

14. *Record Keeping.* In order to assist the Annual Conference in enforcing these General Provisions, each Annual Conference *Journal* shall indicate after the name of each Agency member the year in which the person's current term expires and whether it is the person's first or second consecutive term with that Agency.

15. *General Agencies.* Members of the general agencies of the United Methodist Church from the Annual Conference will be ex officio members of the corresponding Agency.

16. *Appeals.* Any Agency has the right to appeal to the Annual Conference regarding a decision affecting its work made by any other Agency, except where otherwise provided in the *Book of Discipline.*

17. *Clergy.* In these Standing Rules, the word "clergy" refers to the following members of the North Texas Annual Conference unless some specific Standing Rule otherwise provides: (1) elders in full connection; (2) deacons in full connection; (3) probationary members; (4) commissioned ministers; (5) associate members; and (6) local pastors under full-time and part-time appointment to a pastoral charge.

B. SPECIFIC AGENCIES

1. Mission of the Annual Conference

a. Conference Leadership Team

The Conference Leadership team supervises the programming and missional life of the Annual Conference. It will also work with the Accountability Group to ensure that the conference will be "the church which Christ has opened to people of all ages, nations, and races" and to ensure inclusive participation in the mission and ministry of the North Texas Annual Conference.

The Conference Leadership Team is responsible for presenting to the Council on Finance and Administration a proposed budget incorporating program and administrative items for the Agencies under its supervision and related District committees. This proposed budget must be submitted by a date to be set annually by the Council on Finance and Administration.

The Conference Leadership team is chaired by the Bishop and will meet as determined by the Bishop. If this is not feasible, priority should be given to the most similar purpose for which the funds can be used effectively, or to capital improvements within reasonable geographical proximity; but district lines should not be controlling and the entire community or metropolitan area should be considered. Likewise, funds received by way of indemnity for loss or destruction of any capital assets of the Annual Conference should be treated as capital assets and should be used for similar purposes if restoration of the property is feasible.

c. Each pastor in charge shall also report to his or her District Superintendent on Check-Out Day any money borrowed necessary to pay current church obligations for the Conference Fiscal Year, or any delinquent church bills which have not been paid by the close of the Conference Fiscal Year.

C. VACATION STANDARDS

The following are minimum vacation standards for clergy and diaconal ministers of the North Texas Annual Conference.

1. Method of Calculation

The vacation is calculated according to the number of years of service, using the following formula:

1 - 4 years of service --- two weeks (two Sundays)
5 - 9 years of service --- three weeks (three Sundays)
10+ years of service --- four weeks (four Sundays)

2. Further Guidelines

In applying the standards:

a. "years of service" shall be determined by years served as a full-time United Methodist commissioned minister, probationary member, diaconal minister, local pastor, associate member, deacon in full connection, or elder in full connection. In computing a person's "years of service," time spent in all categories shall be cumulated and all shall count toward the person's total "years of service."

b. The length of vacation is set by the Annual Conference, but the most suitable time for both the employing entity and the clergy or diaconal ministers and their families must be

determined by consultation between the clergy or diaconal minister and the employing entity.

D. CLERGY DIVORCE

"Where marriage partners, even after thoughtful consideration and counsel, are estranged beyond reconciliation, we recognize divorce as regrettable, but recognize the right of divorced persons to remarry. We express our deep concern for the care and nurture of the children of divorced and/or remarried persons. We encourage that either or both of the divorced parents be considered for custody of minor children of the marriage. We encourage an active, accepting, and enabling commitment of the church and our society to minister to the members of divorced families," (The *Book of Discipline of the United Methodist Church*, 1984)

The *Discipline* rightly makes no distinction between divorce occurring among the laity or clergy. We recognize the possibility of congregations being nurturing communities, and, thus for Christian love to grow in the midst of the painful circumstances surrounding a clergy or layperson's divorce.

The North Texas Conference also can be a caring and nurturing community for the clergy at divorce. The conference recognizes its responsibility to respond to divorcing clergy in as pastoral a manner as possible. To this end, the North Texas Conference of the United Methodist Church suggests the following for our clergy as well as their spouses in the event of divorce.

1. The clergy member will have taken every action possible toward reconciliation within the marriage. This shall include extensive counseling with a reputable marriage counselor, preferably with both partners to the marriage participating but, where impossible, with at least the clergy member's participation.

2. In consultation with the District Superintendent, the divorcing clergy and/or spouse may request a meeting of the following persons:
   a. The Chairperson of the Division of Conference Relations, presider.
   b. The District Superintendent of the clergy member's district.
   c. The district member of the Division of Conference Relations.
   d. Two peers chosen by the clergy member involved.

3. This meeting will:
   a. Pastorally respond to the divorce
   b. Offer help/guidance, if requested, to:
      1) The clergy member
      2) The divorcing spouse
      3) The clergy member's peers, and/or
      4) The respective Pastor-Parish Committee
   c. Refer divorcing persons to special seminars and workshops on divorce which are available periodically in the community.

E. CLERGY HOUSING

1. In the event of the death of a member of the clergy occupying a parsonage, the surviving spouse and family shall be granted the privilege of using the parsonage for a period of time not to exceed sixty (60) days.

2. Housing Standards for Elders in Full Connection.

In this section on Housing Standards for Elders in Full Connection, including Housing Allowances and Parsonage standards, the word "clergy" means "elders in full connection." The standards on Housing Allowances and parsonages apply to those churches that have elders in full connection and that are not receiving an equitable salary support.

The size and make-up of clergy families, and the size, location, and type of housing provided for clergy families by local churches is a major factor in the well-being of clergy families. As such, it has an impact on the effectiveness of clergy.

Although it is clear that no one single provision for housing will completely satisfy all the needs of every clergy family and every local church, the goal is to best satisfy the needs of all.

Housing Allowances

While parsonages have been the traditional means of providing housing for clergy families, there are those local church settings and situations where a housing allowance can be an effective and efficient means of providing housing for clergy families.

However, it must be understood that if a house is purchased by a clergy family, there is the potential for financial hardship and difficulties related to the sale of a house when an appointment change is made.

It must also be understood that a housing allowance will have no effect on the tenure of a pastor, neither increasing nor decreasing the potential length of a pastorate.

1. If a housing allowance is provided by a local church, the amount shall be sufficient to allow for the rental\lease\purchase of housing that meets the parsonage standards of the annual conference.

2. A utility allowance shall be paid in addition to the housing allowance.

3. The amount of the housing allowance and of the utility allowance shall be reviewed on an annual basis to ensure that the amount is adequate.

4. The District Superintendent, in consultation with the pastor and the Pastor-Parish Relations Committee, shall be responsible for ensuring that these standards are met.

Parsonages

1. Size

a. In order to accommodate all family sizes as reasonably as possible, and to allow for the greatest flexibility in meeting the needs of clergy families, the parsonage shall contain at least three bedrooms, with four recommended.

b. There shall be at least two full baths.

c. There shall be at least one large living area, with two living areas recommended.

d. There shall be at least one dining area.

e. There shall be a garage or covered carport adjacent to the house.

f. The total area of living space shall be approximately 2,000 sq. ft. or more.

2. Location

a. The parsonage shall be located in a residential neighborhood. (It should not be on a major thoroughfare, nor adjacent to commercial businesses.)

b. The parsonage shall be located where it will allow for adequate privacy for the clergy family.

3. Interior

a. The kitchen shall include all standard modern appliances (oven, cooktop, dishwasher, disposal, and refrigerator).

b. There shall be a washer and dryer for laundry.

c. There shall be adequate heating and cooling, with central air and heat whenever possible.

d. The parsonage shall have window treatments in every room (e.g., blinds, drapes, or shutters).

e. The clergy family shall be responsible for all other furnishings.

f. All interiors of newly built parsonages shall be accessible for persons with disabilities, including a minimum of (1) one bathroom that has an accessible shower, commode, and lavatory, (2) passageways, garage, rooms, and entrances that are accessible, and (3) consideration is given to the landscaping of the yard.

g. When an appointment is made in which a member of the parsonage family has a disability, the District Superintendent shall see that the existing parsonage be fitted with aids that will enable it to be suitable for persons with disabilities to the extent that the structure of the existing parsonage can be renovated. Consideration for grant moneys from conference agencies shall be given to these churches.

4. Exterior

a. The outside of the parsonage shall be landscaped to complement the house, with adequate shrubs, bushes, and trees.

b. A safe, fenced area shall be provided in the backyard for children and/or pets.

c. The mowing and the upkeep of the yard are to be negotiated between the pastor and the Board of Trustees.

5. Utilities

a. The local church shall pay for the cost of all utilities, including basic television access,

except for personal long distance phone calls.

b. In order to minimize fees and deposits, the utilities, including the telephone, shall be in the name of the local church, unless this results in a higher rate schedule.

6. Maintenance

a. The local church Board of Trustees is responsible for the upkeep and repair of the parsonage, including the appliances, and there shall be an annual inspection of the parsonage and property by the Trustees, with a written report made at the local church's annual Charge Conference. It is suggested that all parsonages have an inspection by an engineering or contracting inspector every five years, starting ten years afer they have been purchased or built.

b. The clergy family is responsible for minor upkeep and repairs, and for any damage done to the parsonage by a member or pet of the clergy family, including that caused by smoking.

7. Change of Pastors

a. When there is an impending change of pastors, the pastor shall notify the local church Board of Trustees, and the clergy family and Trustees shall ensure that the parsonage is as clean as possible. Major repairs should be made before the new clergy family arrives.

b. The Trustees shall contact the new clergy family before any painting or refurbishing is done, in order to have their preferences, needs, and suggestions incorporated into any work done on the parsonage.

8. Disposition of Church Owned Furniture

a. Following the 1994 Annual Conference, churches will begin the process of providing unfurnished parsonages, except for the items listed above in C.

9. Compliance

a. The Board of Trustees of each local church shall make a written report on or before its Charge Conference in 1996, demonstrating either compliance with these standards or specific plans to come into compliance with these standards.

b. The District Superintendent, in consultation with the pastor, the Board of Trustees, and the Pastor-Parish Relations Committee shall be responsible for ensuring that these standards are met.

c. Lay member(s) of Annual Conference is(are) responsible for taking these standards back to every local church Board of Trustees.

Annual Conference Moving Fund

1. Funding

a. The North Texas Conference shall establish a "Moving Fund" to be assessed through a Conference apportionment. This fund shall be of sufficient amount to pay for the number of qualifying moves in any given year. In this section on Annual Conference Moving Fund,

"clergy" refers to those entitled to funding from the moving fund, as described more specifically in section 2 below.

2. Eligibility for Funding

a. Those elders in full connection, probationary members, commissioned ministers preparing for ordination as elders in full connection, associate members, or full-time local pastors, who are appointed to a local church in the North Texas Annual Conference, and other elders in full connection, probationary members, commissioned ministers preparing for ordination as elders in full connection, associate members, or full-time local pastors for whom the North Texas Annual Conference is the salary paying unit (such as District Superintendents, Conference Council Directors, Wesley Foundation Directors, etc.) shall be eligible to receive funds.

b. Retiring elders in full connection, probationary members, commissioned ministers preparing for ordination as elders in full connection, associate members, or full-time local pastors shall be eligible to receive funds for one move into housing not already owned or supported by a local church after retirement, up to the maximum amount allowable. Retired elders in full connection, probationary members, commissioned ministers preparing for ordination as elders in full connection, associate members, and local pastors who are appointed by the Bishop to serve active, full-time appointments shall be eligible for moves up to the maximum amount allowed. In circumstances in which a clergy member planning to retire moves prior to the retirement date, reimbursement for a move made within one year prior to the retirement date shall be made upon retirement, contingent upon the presentation of documentation of costs incurred.

c. Less than full-time appointments to local churches with parsonages will be allocated up to the $500 per move.

d. If an elder in full connection, probationary member, commissioned minister preparing for ordination as elder in full connection, associate member, or full-time local pastor form another Conference is to be appointed to a local church in the North Texas Annual Conference, the North Texas Annual Conference will pay the cost of the move from the border of the North Texas Conference, up to the maximum amount allowed.

e. If an elder in full connection, probationary member, commissioned minister preparing for ordination as elder in full connection, associate member, or full-time local pastor of the North Texas Annual Conference transfers to another Conference, and the receiving Conference does not pay the full cost of the move, the North Texas Conference will pay the cost of the move up to the border of the North Texas Conference, up to the maximum amount allowed.

f. Those elders in full connection, probationary members, commissioned ministers preparing for ordination as elders in full connection, and associate members, or full-time local pastors who go on Leave of Absence, or who surrender their credentials, either voluntarily or involuntarily, will not be eligible to receive any North Texas Annual Conference moving funds, except in the case of those going on disability leave or the family of an elder in full connection, a probationary member, a commissioned minister preparing for ordination as an elder in full connection, an associate member, or a full-time local pastor who dies while under appointment who shall be eligible to receive funds for the initial move into housing not already owned or supported by a local church, up to the maximum amount allowable.

g. Those persons who change or move houses, but who do not change appointments, will not be eligible to receive any North Texas Conference moving funds.

h. Those persons who change appointments, but who do not change houses, will not be eligible to receive any North Texas Conference moving funds.

i. If either or both clergy or a clergy couple living in one house change appointments, and move to one house, they will be eligible to receive funds for only the cost of the one move, up to the maximum amount allowable. If two houses are involved, at either the beginning point or ending point, they will be eligible to receive funds for both moves, each up to the maximum amount allowable.

j. In no case shall the Conference pay more than the actual documented expense of any eligible move.

3. Method of Payment

a. All moves will be paid (at 45% of Texas Max 3 Tariff) as stated in the "Moving Allowance Chart," which shall automatically reflect any changes in the Texas Max 3 Tariff; and Replacement Cost Insurance will be provided for all full-time moves, with a $300 stipend to be used for any other documented moving expenses the clergy family chooses.

b. A list of movers that will bill the Annual Conference directly will be provided by the receiving District Superintendent. All expenses that are within the Annual Conference Allowance will be billed directly to the Annual Conference by those moving companies. The receiving church and moving clergy/family will not be responsible for any part of the expense that is within the Annual Conference Allowance. If a moving company is used that will not bill the Annual Conference directly, then the moving clergy/family is responsible for the bill and will be reimbursed by the Annual Conference for all documented expenses that are within the Annual Conference Allowance. Any documented expenses paid by the moving clergy/family are to be submitted to the receiving District Superintendent. The receiving District Superintendent shall then submit these documented expenses to the Annual Conference Treasurer. The Annual Conference Treasurer will be the final arbitrator concerning any question about moving costs, documentation, or payments. The Conference Treasurer shall issue payment to the moving company or the entity that incurred the expense.

c. A written estimate must be submitted to the receiving District Superintendent by May 15 for moves in June, and within one week of the announcement of a midyear move. The District Superintendent will then give approval to the moving company or the entity incurring the expense for the move. Arrangements for payment of any expenses in excess of the Annual Conference Allowance will be made prior to the move.

4. Moving Procedures

a. **Receiving** DS gives to the clergy the Moving Packet which includes Moving Procedures, moving companies that will bill the Annual Conference, and the Moving Allowance sheet from the 1998 Conference Journal.

b. **Clergy gets estimates from two moving companies** of their choice and chooses the one they wish to use. They can work out payment with the Annual Conference, if the company is not on the list, by having the mover call the conference Treasurer at 972-490-1719.

c. **Clergy submits the estimates** (including their choice) to the **receiving DS** for approval with an estimate of any other expenses that may be incurred.

d. **Receiving DS approves the move and calls the moving company** with that approval by **May 15** or as soon as the clergy gets the estimate with a mid-year move.

e. **Receiving DS mails** copies of chosen estimate and check sheet to Conference Treasurer.

f. **Receiving DS mails** Conference Treasurer copies of any expenses incurred by clergy or receiving charge.

g. **Conference Treasurer** reimburses those expenses and pays moving companies.

F. SEXUAL MISCONDUCT

The North Texas Annual Conference of the United Methodist Church affirms the *1996 Book of Resolutions,* Sexual Abuse Within the Ministerial Relationship and Sexual Harassment Within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the Church are incompatible with biblical teachings of hospitality, justice and healing. In accordance with the 2000 *Book of Discipline,* ¶ 161(F), we affirm that all human beings, both male and female, are created in the image of God, and thus have been made equal in Christ. As the promise of Galatians

3:26 states all are one in Christ, we support equity among all persons without regard to ethnicity, situation or gender.

Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker or volunteer.

Sexual harassment is any unwelcome sexual advance or demand, either verbal or physical, that is reasonably perceived by the recipient as demeaning, intimidating or coercive. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender (2000 *Book of Discipline* ¶161(I)).

Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue.

Misconduct of a sexual nature within the life of the Church interferes with its moral mission. The North Texas Annual Conference stands in opposition to the sin of misconduct of a sexual nature in the Church and society at large and commits itself to fair and expedient investigation of any charge of sexual misconduct within the Church and to take action deemed appropriate and in compliance with the *Book of Discipline*. Further, the Conference bears affirmative responsibility to create an environment of hospitality for all persons, male or female, which is free of misconduct of a sexual nature and encourages respect, equality and kinship in Christ.

Because experiencing sexual abuse or harassment, and reporting such misconduct, can be difficult and frightening, we believe that the availability of trained advocates or support teams to assist victims of sexual misconduct is important, and we are committed to continuing support for the training and availability of such advocates or support teams.

We recognize that in any incident of sexual misconduct there may be many victims, including the family, friends, and congregation of the direct victim and of the person who has engaged in the misconduct. We therefore affirm as continuing goals for the Conference not only the resolution of complaints and the reconciliation of persons directly involved, but also the healing of all such indirect victims of the misconduct.

Sexual misconduct involving a clergy person should be reported to the clergy person's district superintendent or the presiding bishop. Misconduct involving paid staff, volunteers or other nonclergy persons should be reported to the pastor-in-charge, if any, or to other appropriate persons in accordance with guidelines and procedures that may be adopted by the Conference, by local churches or by other appropriate bodies within the Church.

The North Texas Annual Conference is committed to the continuing, broad dissemination of this Policy Statement and of any guidelines and procedures adopted by the Conference, and to the continuing education of clergy and lay persons within the Conference for the purpose of preventing sexual misconduct and increasing awareness and understanding of the Conference's relevant policies and procedures.

1. PROCEDURES FOR REPORTING CLERGY SEXUAL MISCONDUCT
INTRODUCTION

The North Texas Annual Conference will not tolerate and is committed to the eradication of

sexual misconduct by its clergy. The ministerial office is a position of great trust, power and responsibility, offering the opportunity for unique relationships of grace and caring. Sexual misconduct is one of the gravest violations of this trust.

These Procedures are intended to provide a process for reporting incidents of clergy sexual misconduct within the North Texas Annual Conference. They seek to create a safe, non-threatening environment in which aggrieved persons will feel comfortable revealing allegations of sexual misconduct. It is a continuing goal of these Procedures to provide an opportunity for a reconciliation and resolution that respects and protects the rights of all parties and that acknowledges the sacred trust between clergy and the persons they serve. They are not intended to supplant or substitute for the formal complaint process set forth in the 2000 *Book of Discipline*. The use of these Procedures is voluntary, and the failure to utilize or follow them is not a chargeable offense nor can it be used as grounds for an appeal of the result of any formal complaint, review, investigation, or trial process.

The implementation of these Procedures shall be under the supervision and control of the Bishop and District Superintendents, who shall have the authority to interpret and apply the Procedures.

POLICY

The North Texas Annual Conference's position regarding sexual misconduct is expressed in the Policy Statement on Sexual Misconduct approved and adopted at the 1997 general session of the Annual Conference. These Procedures should be read in conjunction with that Policy Statement and are intended to serve as an aid to the full implementation of the principles underlying the Policy Statement, as they relate to sexual misconduct by clergy within the Annual Conference.

STANDARDS OF PASTORAL CONDUCT

Pastors are accountable for their behavior with respect to the emotional, spiritual and physical well-being of persons who come to them for help or over whom they have any kind of authority. Breach of this pastoral relationship through sexual misconduct is unethical and abusive, even when sexual activity is initiated by the person to whom the pastor is ministering. Because of the trust and imbalance of power in such relationships, the person being ministered to must be presumed to be unable to give meaningful consent to any sexual activity with the pastor.

Because pastors often deal with individuals who are emotionally fragile and vulnerable, it is imperative that pastors:

a. be healthy psychologically, emotionally, and spiritually themselves;

b. have adequate preparation and education for helping individuals under their care;

c. have continued supervision in dealing with the inherent risks caused by dependency and/or transference; and

d. have the information necessary to make appropriate referrals.

Pastoral self-discipline requires self-awareness and takes the Christian standards and ordination vows seriously. Personal integrity and mature professional conduct must be brought to all relationships by every pastor in the Annual Conference. The highest ethic of the pastor similarly prohibits any sexual behavior with a parishioner entrusted to his or her sacred care.

All clergy, single or married, have the responsibility of developing healthy personal relationships. Married clergy have covenanted to nurture and maintain their marriage relationship. When relational or sexual difficulties are present in a pastor's life, appropriate measures to address the difficulties should be taken.

Pastors who are appointed to parishes where there has been alleged sexual misconduct of their predecessor find themselves burdened with the inevitable consequences arising from the misconduct of a colleague. There is a tension between caring for a colleague and caring for the covenant of the pastoral ministry. By "protecting" a colleague, we risk perpetuating a relationship or pattern of abuse and victimization. This compromises the credibility and practice of Christian faith and ministry. Thus the present pastor should take immediate steps, consistent with these Procedures, to address the alleged misconduct.

The procedures for dealing with clergy sexual misconduct place an unfair and unavoidable burden on the victim of such misconduct. It is in the best interest of the church to empower the laity through education and open discussion about what standards of conduct they may expect from their pastors.

DEFINITIONS

For purposes of these Procedures, the following definitions shall apply:

"Sexual misconduct" includes sexual abuse and sexual harassment, as such terms are defined in the Policy Statement. Sexual misconduct may include inappropriate physical contact or verbal behavior, including, for example, behavior that creates a hostile or intimidating environment and the explicit or implicit use of power or authority to coerce someone into sexual contact. Because of the imbalance of power inherent in ministerial relationships, sexual contact between a pastor and someone with whom he or she has a ministerial relationship constitutes sexual abuse even if the other person consents to or initiates the contact. More subtle behavior not involving physical contact may also constitute sexual misconduct. Further discussion and examples of sexual misconduct are included in the brochure entitled "Maintaining healthy relationships: What you should know about clergy sexual misconduct," prepared and distributed by the Division of Conference Relations of the Board of Ordained Ministry of the North Texas Annual Conference.

An "allegation" is an initial report, either verbal or written, of an alleged incident of clergy sexual misconduct.

A "complaint" is a written and signed statement claiming misconduct, as set forth in Paragraph 359.1(a) of the 2000 *Book of Discipline*.

An "aggrieved person" is a person who has experienced sexual misconduct by a pastor.

The terms "clergy" and "pastor" shall refer to all persons described in Paragraph 359.1(a) of the 2000 *Book of Discipline*, which includes "local pastors, associate members, probationary members, and full members" of the Annual Conference, "including those on leaves of all types, honorable or administrative location, or retirement."

A "Resource Person" is a trained person made available by the Annual Conference to assist and support aggrieved persons in bringing an allegation or complaint of sexual misconduct, as more fully described below.

CONFIDENTIALITY AND REPORTING

Allegations of sexual misconduct should be kept in the strictest of confidence and disclosed only

at the times and under the circumstances specifically provided in these Procedures. The spread of such allegations or accusations between colleagues in ministry or within congregations is harmful to the victim, the accused and to the integrity of the processes outlined in these Procedures and in the 2000 *Book of Discipline.*

However, when clergy sexual misconduct occurs, the protection of victims, both past, present, and potential, requires that the misconduct be reported. Because of the covenant with the church which is an integral part of the pastoral office, it is a pastor's responsibility to call an offending pastor into account by immediately reporting information about sexual misconduct to his or her District Superintendent, the District Superintendent of the accused or the Bishop.

Pastors who become aware of an alleged incident of sexual misconduct by another pastor are to do their utmost to encourage and support aggrieved persons and to assist in the initiation of an allegation as provided in these Procedures. Every allegation of sexual misconduct must be taken seriously, and in no case should a pastor judge the validity of the allegation.

The requirement of confidentiality shall not prevent the Bishop or the District Superintendents from discussing allegations and related information with affected congregations, staff/pastor-parish relations committees or others to whom it is necessary to make such disclosure, in accordance with the *Book of Discipline*, in order to protect actual or potential victims, to promote healing or for other appropriate purposes.

Although truth-telling is essential, respect must also be given to the role of pastors in receiving confessions and the sanctity of confidential relations. Nothing in these Procedures shall be deemed to require or permit a pastor to report or reveal information received in confidence as contemplated by Paragraph 332.5 of the 2000 *Book of Discipline* and relevant decisions of the Judicial Council.

PROCEDURES

When sexual misconduct is alleged against a pastor, persons bringing allegations will be received in a respectful and caring manner. All allegations will be considered worthy of full investigation, with due respect for the presumption of innocence. Care will be taken to deal fairly and promptly with all those involved. This includes the aggrieved and his/her family, the accused and his/her family and the congregation or other institution.

The following procedures are established to facilitate the reporting of allegations of clergy sexual misconduct:

1. Aggrieved persons are encouraged to contact one of the Resource Persons, a District Superintendent, or the Bishop. An allegation may be brought by the aggrieved person or by anyone who has verifiable knowledge or reasonable indication of sexual misconduct and is willing to pursue a resolution. This may include, for example, a pastor or lay person in whom the aggrieved person has confided or who has reliable information from other sources about the misconduct.

2. The Resource Person, District Superintendent, or the Bishop to whom the allegation is brought shall explain these Procedures to the aggrieved person or other person bringing the allegation and advise them that use of the Procedures is not a prerequisite to an aggrieved person's ability to bring a formal complaint.

3. If an allegation is brought initially to a District Superintendent, the District Superintendent shall advise the Bishop that the allegation has been received. If the aggrieved person has not

selected a Resource Person, the Bishop may assign one to assist and support the aggrieved person.

4. The Resource Person selected or assigned shall provide full assistance to the aggrieved person throughout the process, including the following:

a. confirming that the aggrieved person understands these Procedures and the procedures contained in the *Book of Discipline*;

b. verifying and clarifying the allegation with the aggrieved person; and

c. requesting the aggrieved person to prepare, with the assistance of the Resource Person as needed, a written statement of the allegation, which shall include a description, in reasonable detail, of the alleged sexual misconduct and related events, circumstances, and dates.

5. If a complaint is forwarded to the Bishop or a District Superintendent, Paragraph 359 of the 2000 *Book of Discipline* shall determine the process to be followed. These Procedures are not intended to limit in any way the actions the Bishop or District Superintendents may take in connection with their supervisory response to a complaint of sexual misconduct or to impose any duties on them inconsistent with the 2000 *Book of Discipline* or relevant decisions of the Judicial Council. The Resource Person may continue to assist and support the aggrieved person throughout the complaint process and may attend all meetings held in connection with the process.

6. Strict confidentiality shall be maintained before, during and after the conduct of the process outlined in these Procedures, and information regarding allegations shall be disclosed only in such manner and to such persons as specifically provided herein.

7. Because of the pain and disruption that necessarily accompany sexual misconduct, it may be necessary for certain actions to be taken following the conclusion of the processes outlined in these Procedures and in the 2000 *Book of Discipline*. The Bishop and District Superintendents are encouraged to take or require such actions as they deem necessary and appropriate in their best judgment, which actions may include, for example, processes for healing within the affected congregation or institution, further resolution of unresolved conflicts and support or counseling for aggrieved persons or accused pastors.

These Procedures establish a process for reporting incidents of sexual misconduct by any pastor (as defined above). They are not designed to address allegations or complaints of sexual misconduct by the Bishop or a District Superintendent. Persons who believe they have been affected by sexual misconduct by the Bishop or a District Superintendent may contact one of the Resource Persons for information and assistance in bringing a complaint in accordance with procedures contained in the 2000 *Book of Discipline*.

RESOURCE PERSONS ON THE ISSUE OF SEXUAL MISCONDUCT

Resource Persons are volunteers available to assist persons who believe they may have been the victims of clergy sexual misconduct. Resource Persons are lay persons who have been trained to provide such assistance. The Bishop, or persons acting at the Bishop's direction, shall have the authority and responsibility for administering the sexual misconduct Resource Person program, recruiting volunteers to serve as Resource Persons and ensuring that necessary resources are available and properly utilized. However, Resource Persons shall be independent and shall not be employed by the Annual Conference or any related church body.

The Annual Conference is committed to the continuing education and proper training of Resource Persons. Resource Persons shall attend training recommended or approved by the General Commission on the Status and Role of Women or another body of the General Church provided for the purpose of training volunteers to assist victims of sexual misconduct.

Resource Persons are expected to work cooperatively with the Bishop, the District Superintendents and others involved in the process, but shall at all times represent the interests of the aggrieved person. A Resource Person shall actively assist and support the aggrieved person throughout the process, to the end that the aggrieved person is empowered to reclaim his or her voice and that the churches within the Annual Conference may once again be a place of sanctuary.

It is intended that the Resource Persons shall be the initial point of contact with these Procedures for any person who desires to use them for that purpose. A person who believes that he or she may have been the victim of clergy sexual misconduct need not register an allegation or complaint, formally or informally, before calling a Resource Person, nor does any person need permission from any level of the United Methodist Church to contact a Resource Person. An aggrieved person does not have to identify himself or herself to make an initial contact with a Resource Person.

Functions performed by the Resource Persons shall include:

1. explaining the church's processes and procedures;

2. providing resources and referrals;

3. helping the aggrieved person prepare a written summary of the allegation and, if necessary, a formal complaint when requested to do so;

4. accompanying the aggrieved person to meetings held in connection with these Procedures, or in connection with the complaint process as allowed by the 2000 *Book of Discipline*; and

5. calling to the attention of the Bishop and those administering the Resource Person Program any hostile, vindictive or insensitive situations that arise during the process outlined in these Procedures or the complaint process, or any failure properly to follow these Procedures or the complaint process outlined in the 2000 *Book of Discipline.*

6. giving feedback to those administering the Resource Person program regarding observations of helpful and hurtful situations arising during the process.

The Bishop and the District Superintendents or the persons administering the Resource Person program are encouraged to ensure that information about the Resource Persons, including telephone numbers at which they may be contacted, is broadly disseminated and readily available to interested persons throughout the Annual Conference.

PRIORITY OF THE BOOK OF DISCIPLINE

If any provision of these Procedures is in conflict with the 2000 *Book of Discipline*, or any subsequent *Book of Discipline*, the *Book of Discipline* shall prevail and the conflicting provision shall be deemed automatically deleted from these Procedures. Such conflict shall not be grounds for invalidating these Procedures as a whole or any nonconflicting provisions.

2. PROCEDURES FOR REPORTING AND ADDRESSING SEXUAL MISCONDUCT BY PERSONS OTHER THAN CLERGY

Each local church shall establish its own policy statement on sexual misconduct, consistent with the *Book of Discipline* and the policy statement of the North Texas Annual Conference, and shall establish guidelines and procedures for reporting and resolving incidents of sexual misconduct by persons other than clergy, including paid staff, counselors, lay volunteers or others. In furtherance of this objective, the District Superintendents shall distribute to all local churches a copy of the Memorandum dated December 9, 1996, and its enclosures, on this topic prepared by the General Commission on the Status and Role of Women and the General Council on Finance and Administration.

3. EDUCATION WITHIN THE CONFERENCE RELATING TO SEXUAL MISCONDUCT

DISSEMINATION OF POLICIES AND PROCEDURES

The Bishop, District Superintendents, and Resource Person(s) shall each have a copy of and thoroughly know the Policy Statement on Sexual Misconduct, Procedures for Reporting Clergy Sexual Misconduct in the North Texas Conference and be responsible for distributing such Policy and Procedures to clergy and local church chairs of Staff Parish Relations Committees, Administrative Councils, United Methodist Men, and United Methodist Women annually as these persons are elected. The clergy and the chair of the Staff Parish Relations Committee of every local church in the North Texas Conference shall have a copy of and be familiar with the Policy Statement on Sexual Misconduct, Procedures for Reporting Clergy Sexual Misconduct in the North Texas Conference and the complaint process outlined in the 2000 *Book of Discipline.*

The Policy and Procedures of the North Texas Conference will be available to anyone who requests a copy.

Local churches will make available to their congregations copies of the brochure entitled "Maintaining healthy relationships: What you should know about clergy sexual misconduct" and publish the name and telephone numbers of the Resource Person (s). Throughout the year, copies of the brochure will be placed in accessible locations within local churches.

TRAINING AND EDUCATION

The North Texas Conference shall provide annual training to educate the clergy and laity about the complaint process in the event of allegations of sexual misconduct and to heighten awareness of the clergy and laity about the seriousness of the problem of sexual misconduct, thereby aiding in the prevention of this problem in our local churches.

The goals of the training include the following:

- to explain the abuse of power and dynamics of trust in abusive relationships;
- to provide behavioral definitions of sexual abuse and sexual harassment;
- to describe the impact on the victim, the perpetrator, the families, and the church;
- to explain the Policy and Procedures of the North Texas Conference and the United Methodist Church regarding sexual misconduct;
- to explain legal responsibilities regarding minors;
- to introduce the Resource Person(s) and clarify their role;
- to define the risk to church vitality, attendance and giving, liability to individuals, congregations, and the annual conference;

- to discuss the importance of healing and how the church is an agent in the healing process;
- to explain the need for preventative measures;
- to discuss the importance of local church policies and procedures addressing issues of sexual misconduct;
- to distribute copies of the brochure entitled "Maintaining healthy relationships: What you should know about clergy sexual misconduct," and to explain its purpose and educational use; and
- to provide resources for local churches

Training will be provided separately for clergy and laity. Professionals from the General Commission on the Status and Role of Women and/or others trained and knowledgeable about the issues of sexual misconduct will conduct the training. There will be a nominal cost to participants to help defray the training expense.

The chairs of the Order of Deacons, Order of Elders, Fellowship of Local Pastors, and Fellowship of Diaconal Ministers, in conjunction with the Cabinet and Board of Ordained Ministry, will be responsible for planning and organizing the training for clergy and diaconal ministers. Pastors and diaconal ministers from every local church or charge in the North Texas Conference and those in extension ministries and the District Superintendents will receive an announcement regarding the clergy training. Clergy and diaconal ministers will be expected to attend training a minimum of once every three years.

The Board of Laity, United Methodist Women and the United Methodist Men jointly will plan and coordinate training for the laity. The laity training will be held during the first quarter of each year in at least four different locations around the conference. Persons in the following leadership positions, or their equivalent, in local churches in the North Texas Conference will be notified about the laity training: Lay Leader, Administrative Board/Council Chair, Council on Ministries Chair, Staff Parish Relations Committee Chair, United Methodist Women President, United Methodist Men President, Trustees Chair, Commission on the Status and Role of Women Chair, and the pastor(s) who will distribute the information to any other lay staff or leaders in the church who might need to attend the training. The lay leaders and lay staff will be strongly encouraged to attend training the first year of their leadership.

Upon return to their local churches clergy and laity will be urged to share the information they learned, place brochures entitled "Maintaining healthy relationships: What you should know about clergy sexual misconduct"with the name and phone number of the Resource Person(s) in a visible place in the church, and adopt local church policies and procedures on reporting and addressing sexual misconduct. In addition, clergy and laity will be encouraged to seek ways to educate, inform, and sensitize their congregation about the issues surrounding sexual misconduct, the violation of trust and Christian covenant involved, and the resources available for healing.

4. TRAINING OF THE RESOURCE PERSON(S)

A "Resource Person" is a trained person made available by the Annual Conference to assist and support aggrieved persons in bringing an allegation or complaint of sexual misconduct, as more fully described in the North Texas Conference Procedures for Reporting Incidents of Clergy Sexual Misconduct.

The Annual Conference is committed to the continuing education and proper training of Resource Persons. Resource Persons shall attend training recommended or approved by the General Commission on the Status and Role of Women or another body of the General Church provided for the purpose of training volunteers to assist victims of sexual misconduct.

As it is the Bishop's, or persons acting at the Bishop's direction, responsibility for administering

the sexual misconduct resource person(s) program, it is, along with the Conference Commission on the Status and Role of Women, the Bishop's, or persons acting at the Bishop's direction, responsibility to insure the Resource Person(s) is trained in the following areas:

- roles and expectations of the Resource Person(s);
- local organization of the United Methodist Church;
- leaders and their leadership positions in the North Texas Conference;
- church resources such as the General Commission on the Status and Role of Women;
- the North Texas Conference Policy Statement on Sexual Misconduct and Procedures for Reporting Incidents of Clergy Sexual Misconduct; and
- the *Book of Discipline* and relevant Judicial Council rulings.

To obtain the latest information available and to upgrade skills, once a year the Resource Person(s) will attend continuing education training.

5. PROCEDURES FOR THE SCREENING OF APPLICANTS

The North Texas Conference currently utilizes screening procedures for volunteers at the conference level and offers the service to local churches. We encourage all local churches to employ these procedures or comparable ones to screen volunteers and staff, particularly those volunteers and staff who work with children and youth.

G. MISCELLANEOUS

1. *Conflict of Interests.* In order to avoid conflicts of interest, the following rules shall apply:

   a. No one shall be a voting member of an Agency who is in the salaried employment of an institution that receives support from that Agency.

   b. No member of an Agency shall participate in that Agency's deliberation of or vote on a proposed grant to his or her local church.

   c. Each member of an Agency shall disclose to all other members of that Agency all potential conflicts of interest in which they find themselves placed because of church, business, or personal relationships with persons affected by the decisions of the Agency.

   d. No clergy member or diaconal minister member of this Annual Conference who is a salaried employee of any institution to which this conference contributes shall be a member of the board of trustees of the institution by which that person is employed.

2. *Local Church Officers.* The term of office of local church officials elected by the Fall Charge Conference shall begin on January 1 and run for the length of their term.

3. *Amending or Suspending Standing Rules.* It shall require a two-thirds vote of all lay and clergy members present and voting to suspend or to amend any of these Standing Rules.

III. PROCEDURES FOR MEETINGS OF THE ANNUAL CONFERENCE

A. PRE-CONFERENCE PROCEDURES

1. *Lay-Clergy Equalization.* The following formula is the procedure used to determine the number of lay and clergy members of the Annual Conference.

a. Subtract the total number of lay members prior to equalization from the total number of clergy members. In making this calculation, the lay members required by section III(A)(1)(c) below shall be included. These people are described in section (c) below. The remainder is the Lay Equalization Factor (LEF).

b. Compute the District Membership Percentage (DMP) for each district as follows. If a district has *more* lay members than clergy members prior to equalization, subtract the number of local church members in this district from the total of local church members for the Annual Conference. Such districts will not compute a DMP. The resulting number is the Adjusted Lay Membership (ALM). Next, for each district that has *fewer* lay than clergy members, divide the total number of local church members in each district by the ALM. The resulting quotient is the DMP for that district.

c. The *Book of Discipline* provides that certain persons shall be lay members to Annual Conference. According to ¶ 30 of the 2000 *Book of Discipline*, these are: President of United Methodist Women; President of United Methodist Men; Lay Leader; District Lay Leaders; President of the Council on Youth Ministries; and two young persons under twenty-five years of age from each district. In addition, all Diaconal Ministers who are in full-time service appointment, all members of the Conference Leadership Team not otherwise provided for, and all elected Chairs of Agencies of the Annual Conference not otherwise provided for are lay members of the Annual Conference with voice and vote. These persons shall be elected to the lay membership of the Annual Conference by the District Section.

d. For each district with fewer lay than clergy members, multiply the LEF by the DMP. The product is the District Adjusted Lay Equalization Factor (DALEF). The DALEF is the number of additional lay members to be elected by the District Section to achieve lay/clergy equalization. Districts with more lay than clergy members do not calculate a DALEF.

e. The DALEF shall be computed as of January 1. The equalization lay members shall be elected by the lay members present at the District Conference from nominations made by the District Lay Leader, the District Superintendent, and the Lay members of the District Nominating Committee. Nominations may also be made from the floor of the District Section.

f. If the actual number of clergy in the Annual Conference increases after January 1, the District Lay Leader of a district in which the imbalance occurs shall select lay member(s) from within the district to equalize the increase of clergy members.

g. If the formula fails to compute the exact number of additional lay persons per district to equalize lay and clergy numbers (due to the use of fractions in calculations), the Board of Laity shall be authorized to correct the imbalance through negotiation.

h. After the DALEF has been determined, the Board of Laity as a courtesy may rearrange

among districts the number of lay members to be elected, in order that a district that has more lay members than clergy prior to equalization may elect additional lay members in its District Section.

i. Lay members elected under an equalization process by the District Section shall take office immediately and shall serve until the District Section elects lay members for the succeeding year.

2. *Election of Local Church Lay Members to Annual Conference.* The lay members to the Annual Conference may be elected annually or quadrennially at the Charge Conference preceding the regular quadrennial meeting of the General Conference. The term of office of lay members to Annual Conference shall begin on January 1 after their election at the Fall Charge Conference.

If, for any reason, the Charge Conference is delayed until after January 1, their term of office shall begin immediately upon election.

3. *Notice of Legislative Items.* Agencies shall submit reports and legislation to the conference office in the form requested no later than April 1 for inclusion in the *Conference Workbook.* Any Annual Conference member or Agency may initiate legislative items at Annual Conference concerning matters which are not part of the *Conference Workbook* only if they are duplicated and distributed to Annual Conference members by the beginning of the day they are to be considered. This rule shall not be construed so as to preclude proper subsidiary motions or privileged motions.

4. *Proposed Amendments to Standing Rules.* In order that the Standing Rules Committee have time to consider proposals and forward them to the conference office by the April 1 deadline, proposed new standing rules and proposed changes in existing standing rules shall be submitted to the Standing Rules Committee no later than March 1.

5. *Notice of Procedural Rules.* Each year, the charts entitled "Common Motions: Ranking and Requirements (by function)" and "Motions: Ranking and Requirements (by rank)" shall be included in the Pre-Conference Workbook.

B. RULES OF ORDER FOR ANNUAL CONFERENCE SESSIONS

1. *Purpose of Rules of Order.* These rules of order are intended to allow the orderly consideration of the business of the Annual Conference, extend courtesy and fairness to all, ensure the right of the majority, protect the rights of the minority, and defend the rights of individual members.

2. *Definitions.* As used in these Standing Rules, the following definitions shall apply.

a. Adjourn. End a meeting officially. Adjournment is accomplished either by direct majority vote or by unanimous consent.

b. Agenda. List of items of business that the members of Annual Conference will consider. An agenda has a specific arrangement and content.

c. Amend. Change a resolution or motion by adding, striking out, or substituting a word or phrase.

d. Appeal. A question that occurs when a member of Annual Conference questions (appeals) a decision by the presiding bishop because the member believes that an error in

procedure has occurred. An appeal must have a second. The decision of the presiding bishop is sustained by a majority vote or a tie vote.

e. Call for orders of the day. A motion that brings to the presiding bishop's attention the fact that a specific item of business was due to come up in the meeting at a specified time.

f. Dividing the question. Separation of the parts of a motion to be considered and voted on as if they were separate motions.

g. Floor. The right of a person to address the Annual Conference and have the members' undivided attention.

h. Main motion. Method of introducing new business to the Annual Conference session. Only one main motion can be under consideration at a time.

i. Majority. More than half of the members present and voting on an issue. Those who do not vote are not counted in the final tally.

j. Motion. Proposal for action by the Annual Conference. A motion is introduced with the words, "I move that _____," (with the wording intended to become the Annual Conference's official statement of action taken if the motion is passed).

k. Parliamentary inquiry. A request for an immediate answer to a question concerning the rules of procedure. It is directed to the presiding bishop.

l. Point of information. A request directed to the presiding bishop for an immediate answer to a question concerning the background or content of a motion or resolution. The information requested does not pertain to procedure.

m. Point of order. A point raised against any proceeding or motion that the member believes is a violation of the rules. It must be raised at the time of the alleged infraction. The presiding bishop rules on the validity of the point of order. This ruling can be appealed.

n. Precedence of motion. Claim of a motion to the "right of way" over another motion. The attached charts summarize the precedence of various motions.

o. Presiding bishop. The Bishop of the North Texas Annual Conference, or a another bishop designated by that Bishop, shall preside over sessions of the Annual Conference.

p. Previous question. Motion to close debate and vote immediately on a motion. Moving the previous question requires a second, is not debatable or amendable, and needs a two-thirds vote for adoption.

q. Question of privilege. If there is something wrong with the physical surroundings or a situation arises that affects the rights of the entire assembly, any individual member can interrupt the motion under consideration to bring the matter to the attention of the presiding bishop. If the situation cannot be resolved informally, then the presiding bishop rules on whether the matter is a question of privilege and should be considered before business is resumed.

r. Reconsider. Motion to review a previous decision and vote on it again. It must be made by a person who voted on the prevailing (winning) side, and it requires a majority vote.

Reconsideration may not be moved more than once on the same motion.

s. Second. Indication that a member wants a motion discussed by the members. The member says, "I second the motion" or "Second."

t. Table. Motion to place a main motion and all pending amendments aside temporarily, with the intention of bringing them back at a later time for action. Tabling a motion requires a second, is not debatable, cannot be amended, and requires a majority vote.

u. Take from the table. Motion to bring a previously tabled motion back before the Annual Conference. It requires a second, is not debatable, cannot be amended, and requires a majority vote.

v. Two-thirds vote. This occurs when there are twice as many people voting "Yes" as those who are voting "No."

w. Withdraw a motion. Take back a motion one has made. A person may withdraw a motion by merely requesting to do so up until the time it is stated by the presiding bishop. After the presiding bishop has stated the motion, the person who made it can withdraw it only by the consent of the members.

3. *Order of Business.* The order of business of the meeting of Annual Conference shall be determined by the Annual Conference Planning Committee, which shall set an Agenda. The session shall open with a period of devotion, followed by a call of the roll, including the roll of the local pastors.

4. *Authority of the Presiding Bishop.*
Calling the Conference to order. When the presiding bishop stands in his or her place and calls the Annual Conference session to order, no member shall speak, address the chair, or stand while the presiding bishop stands.

Raising points of order. Any member of Annual Conference may raise a point of order. In order to do so, the member must cite specifically the rule he or she judges to have been violated.

Ruling on points of order. The presiding bishop shall decide points of order, whether raised by a member or by the presiding bishop, as necessary to conform to these Standing Rules.

Appealing a ruling on a point of order. Any member may appeal a decision on a point of order to the Annual Conference. In the event of such an appeal, there shall be no debate. However, the presiding bishop shall have five minutes to make a statement in support of his or her position, and then the person appealing shall have five minutes to make a statement in support of his or her position. Following the statements, the Annual Conference shall vote on the appeal; a tie vote shall sustain the presiding bishop.

Recessing the session. The presiding bishop shall have the right to recess a session of the Annual Conference at any time at his or her discretion and to reconvene at such times as he or she shall announce.

5. *Opening a Question for Debate.* Before any subject is open to debate, three things must happen. First, a member must actually make a motion that the Annual Conference consider a particular issue. Second, in most instances, the motion must also be seconded. (Calls for orders of the day, calling a member to order, Agency recommendations, nominations, parliamentary

inquiries, points of information, and withdrawal of motions do not require a second.) Third, the presiding bishop must restate the motion. For example, the presiding bishop may say, "A motion has been made and seconded that _____. The motion is open to debate."

6. *Obtaining the Floor.* When a member desires the floor, he or she shall proceed to a microphone and wait to be recognized by the presiding bishop. Each speaker should begin by stating his or her name and the church, charge, or other entity he or she represents. A member with the floor may be interrupted only to call for orders of the day, a point of order, a point of information, a parliamentary inquiry, or an appeal of the decision of the chair. A person who cuts off another speaker must state the reasons for the interruption. It is the sense of the Annual Conference that a speaker with the floor should not be interrupted, even for these listed reasons, unless the issue cannot wait until the speaker yields the floor.

7. *Limits on Speakers.* A member may speak for up to five minutes at one time on any question under discussion and only twice on the same question. No member shall speak for the second time until all members seeking recognition have had the opportunity to speak. The Annual Conference, by two-thirds vote, may change the rules about how often and how long members can speak during a debate.

8. *Types and Precedence of Motions.* There are four main types of motions: (1) main motions; (2) subsidiary motions; (3) incidental motions; and (4) privileged motions. Each type of motion accomplishes a different purpose and is treated differently.

a. *Main motions.* A main motion introduces a new item of business. Only one main motion can be considered at a time. Generally, main motions are secondable, debatable, amendable, require a majority vote, and can be reconsidered.

b. *Subsidiary Motions.* Subsidiary motions are motions applied to other motions to help the members dispose of the main motion. Here are the five subsidiary motions: table; previous question; postpone to a certain time; refer to Agency or committee; amend. These subsidiary motions fit into an order of precedence. This means that some subsidiary motions take precedence over others, and all subsidiary motions must be decided before the members can act on the main motion. This is the order of precedence for the subsidiary motions: 1) to table; 2) to move the previous question; 3) to postpone to a certain time; 4) to refer to committee; and 5) to amend. You can make any of these subsidiary motions when a lower order motion is on the floor, but you cannot make a subsidiary motion if a higher order one is being considered.

c. *Incidental Motions and Inquiries.* Incidental motions must relate directly to the business on the floor. Incidental motions take precedence over all other motions except privileged ones. They are: appeals; divisions of the question; and suspending the rules. In addition, incidental inquiries are proper and have precedence over main and subsidiary motions. Parliamentary inquiries, points of order, and points of information fall into this category. All three are answered by the presiding bishop.

d. *Privileged Motions.* Privileged motions are different from subsidiary and incidental motions, because they do not deal with business on the floor. Rather, they deal with special matters of pressing importance. The three privileged motions (in order of precedence) are: adjourning; questions of privilege, and orders of the day.

The attached charts set out the precedence of motions and specify which motions need a second, which can be debated, which can be amended, and what vote is necessary for passage.

9. *Tabling Related Motions.* No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

10. *Referring Matters to Agency.* It shall be proper for the Annual Conference to refer to an Agency or specially created committee a motion, resolution, report, or a part of a motion, resolution, or report which is before the Annual Conference for consideration, or any amendment offered thereto.

11. *Substitutes.* When a motion, resolution or Agency report is properly before the Annual Conference for consideration and action, even if amendments have been proposed, a substitute motion, resolution, or report may be offered by any member moving that the same be substituted for the report or resolution under consideration. The Annual Conference shall then proceed first to perfect the original motion, resolution or report, including consideration and action upon any amendments which may be offered to it. The same perfecting process shall then be followed with respect to the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the motion, resolution, or report. However, a motion for the previous question shall not be in order on the adoption of the report or recommendation or on making the proposed substitution until opportunity has been given for at least two members to speak on each side of the question of substitution or adoption.

12. *Moving for a Vote on the Previous Question.* No member may call for a vote on the previous question until at least three members have been given the opportunity to speak on each side of a question. When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), that member shall indicate the question to which they intend it to apply. If the movant does not so indicate, the motion shall apply only to the immediately pending question. A motion for a vote on the previous question is not debatable. It requires a vote of two-thirds of those present and voting for its adoption. If the motion for a vote on the previous question passes, the vote shall be taken on the previous question without further debate.

13. *No Motion After Speech.* It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

14. *Reconsideration.* A motion to reconsider an action of the Annual Conference shall be in order at any time, but only if offered by a member who voted with the prevailing side. If the motion proposed for reconsideration is non-debatable, the motion to reconsider may not be debated.

15. *Voting Generally.* Voting rights shall be governed by the *Book of Discipline.* Voting procedures shall be determined by the Annual Conference Planning Committee, depending on the technology available at the site of the Annual Conference session. If the method generally used is not already secret, a vote by secret ballot may be ordered on call of any member, supported by one-third of the members present and voting. No other business shall be in order when a vote is being taken or when the previous question has been called until the voting process is completed, except such as relates to the vote itself, or business that can be appropriately fitted into the time while waiting for the report on the vote.

16. *Dividing the Question.* Before a vote is taken, any member shall have the right to call for a division of any question, if it is subject to such division as they indicate. If no member objects, the division shall be made. If any member objects and is seconded, the presiding bishop shall put

the question of division to vote.

17. *Robert's Rules of Order.* Questions of procedure not answered by these Standing Rules shall be determined in accordance with *Robert's Rules of Order Newly Revised (2000)*, except when they are inconsistent with these Standing Rules or the *Book of Discipline.*

CONFERENCE LEADERSHIP TEAM

Charged with the missional and programmatic oversight of the Annual Conference, the Conference Leadership Team appointed special task forces to address the following areas:

Task Force to Address Retiree Medical Liability, Mike Nichols, Chair
(see Legislative Item # 12)

Visionaries Task Force, Frank Roby, Chair
(see Legislative Item # 17)

Anti-Racism Initiative, Sally Vonner, Chair

The Anti-Racism Initiative since last Annual Conference has progressed on schedule with the recruiting and selecting of a 40-member Anti-Racism Team. Over 60 applications were received, leaving approximately 24 persons as Team Alternates. The Team and Team Alternates were commissioned in February. The Team is presently undergoing training for team formation and analysis, and will be introduced at Annual Conference.

Task Force on the Sunday School, Jim Pledger, Chair

This task force created a mechanism for gathering input from Sunday School teachers and students, and is planning a major event in conjunction with the 2003 Annual Conference to promote various Sunday School models.

Making Disciples Task Force, Gifford Long, Chair

Members of the Commission on Communications, Igniting Ministry Team, Equipping Disciples Team and Sending Servants Team were appointed to take a fresh look at the Making Disciples 2000 program and its future. The Making Disciples 2000 program was created by Dr. Bob Robertson, Area Director of Communications, who will retire at the 2002 Annual Conference.

The following pages will report on the various activities of conference agencies, all of whom have representatives who sit on the Conference Leadership Team. We look forward to hearing more about the work of these various agencies at Annual Conference and celebrating the mission and ministry of the United Methodist Church in the north Texas area.

MISSION OFFICE

"Collaboration" has been the key word as the various agencies related to the Mission Office worked together to resource our local churches and connect them together in common ministry. New partnerships made possible through strengthened relationships with our general boards and agencies, as well as our Vision 2020 plans and pledges, have sparked new enthusiasm and commitment to mission and ministry across the conference.

The reports below reflect a collaborative effort among staff and volunteers as together we seek to be faithful to the mission of making disciples of Jesus Christ. As our north Texas area continues to grow in both numbers and diversity, may God bless our efforts to reach others with the good news of the Gospel, both at home and throughout the world!

Mary Brooke Casad, Director of Mission

Accountability Group

The following is a list of celebrations for the Accountability Group for 2001:

- Task Force on The Status of Clergywomen formed
- Training for Resource Persons for the Sexual Misconduct Oversight Committee
- Disbursement of funds from the Native American Sunday Offering –purchasing a piano for the Dallas Indian Church, and assisting a family in need
- Continued support for the Dismantling Racism Task Force and formation of the Anti-Racism Team

Pat Thresher, Chair

Urban Strategies

We are excited about the initial steps we have taken to implement the vision for the Foundry Church of the North Texas Conference. Community listening is vital to building the foundational relationships it will take for us to get to know the people in the communities we seek to serve, so our primary work has been relationship building with schools, neighborhood associations, community interest groups and individuals.

Team-building and partnering with churches in our conference is also the key, so much of our time has been spent visiting churches on Sunday mornings, speaking to Sunday school classes, and interested church groups, laying out the Foundry vision and developing ways that we can work together. We have given major time and consideration to these two vitally important activities, as well as, the creation of The Foundry Community Development Corporation that will help us raise additional funds for the implementation of Foundry Church ministries.

We are looking forward to several primary actions before the end of the calendar year:

- "A Day to Face the City" a community of canvassing event. Clergy and laity of the conference will be invited to help visit the neighborhood. This will create an opportunity to listen, learn, and build relationships.
- We have entered into partnership with the Intern Department of Perkins School of Theology, which will provide interns in the East Grand/Frazier, and Bachman areas.
- Prayer groups that will join us at the Bachman Lake and East Dallas locations as we continue to seek God's guidance for the coming worship, work, and ministry in the communities.

We invite your prayers and will continue to pray for you as together we step forward in the implementation of the vision of the Foundry Church of the North Texas Conference.

Edlen Cowley, Javier Escalera, Owen Ross, Foundry Pastors
Sarah Wilke, Director of Urban Strategies
Frank Jackson, Chair, Urban Strategies Task Force

NORTH TEXAS CONFERENCE BOARD OF LAITY

The Board of Laity of the North Texas Conference (NTC) is organized and functions in accordance with the *Book of Discipline*. In the NTC, the Board of Laity functions under the Equipping Disciples team. It is made up by the Chair, Tom Talbert, who is the conference lay leader. In addition, the lay leaders for each district are members along with the chair of the committee on Lay Speaking. Ex-Officio membership includes the president of UMW, United Methodist Men, CCYM, and Religion and Race.

The Board of Laity serves to increase an awareness of the role of laity within local congregations along with the annual conference. This includes responsibilities of equipping laity at all levels of the annual conference.

The North Texas annual conference lay leaders actively participate with most functions of the annual conference. This includes membership on the extended cabinet, which acts as the senior management team for the annual conference. In addition, members of the Board of Laity are by office members of the Conference Leadership team which meets regularly to review programs and activities of the annual conference.

Members of the Board of Laity meet with each district and district training events. In addition the board has convened regularly through the year to consider matters of the laity before the annual conference, including revision of the visionary program.

The 2002 Laity dinner focused on the role of youth and young adults in the life of the Annual Conference. The dinner, held at Custer Road United Methodist Church of Plano, included a presentation by Andy Lewis and Charles Harrison from First United Methodist Church of Richardson. Opportunities were presented for additional training for other churches within the Annual Conference as it relates to the youth and young adult ministry.

NORTH TEXAS CONFERENCE LAY SPEAKING MINISTRIES

The Conference Committee on Lay Speaking Ministries has met many challenges this year. Our greatest challenge has been change. We define change as moving from one level of ministry to a multitude of ministries. We set and met goals that reached beyond the walls of the local church into our communities.

Some of our activities are as following:

- Scholarship Fund for youth lay speakers.

- Truck Stop Ministry.
- Minister to inmates through the Kairos Ministry.
- Lead classes at the youth Prison Boot Camp.
- Provide Sunday worship services at retirement and nursing facilities.
- Take communion to the sick and shut-in.
- Developed a Christian Education course designed for church growth.
- Seminars and training on spiritual development (open to anyone).
- Paint and repair churches.
- Assist churches (other than our own) in Sunday School and Bible Study.
- Lead two to four revivals per year.
- Newsletters/ Web sites.
- Lead in Walk to Emmaus Weekends.
- Helped to raise money to build a house for Compass Ministries.
- Talent Bank (singers, liturgical dancers, prayer leaders, speakers, drama coaches, and readers).
- Care Ministry (cards, telegrams, notes of love and concern, flowers, giving, prayers, donating food and clothing, toiletries, and providing assistance in contacting the different social agencies).

One of our district presidents, Mrs. Celeste Fulbright, made this comment. "Those of us who have been involved will willingly testify to the long hours, hard work, and struggles linked with dedication and love that have held this district together. The joy is in the fulfillment and assurance of following through and achieving many great works for the Lord."

Mr. Olen Evans, District Director reported, "We respond to any church that needs our help in whatever way is needed."

Mr. John Bodnar, District Director shared, "District lay speakers are in the process of developing a course that will provide information on church outreach activities. We intend to provide the information necessary for churches that want to increase their service efforts in areas from simple food pantry to fully independent mission trips."

We have had a great year and are looking forward to a more bountiful year during 2002-2003.

Robbie Odame–Lartey, Director

SCOUTING MINISTRIES

Did you know that the United Methodist Church charters more Boy Scout Troops than any other organization in the United States? Did you know that Campfire is working with the United Methodist Church on a pilot program to provide for family ministries in inner city churches and that Dallas is one of the cities chosen? Did you know that in the United Methodist Church Scouting Ministries includes Boy Scouts, Girl Scouts, Campfire, and 4-H? Did you know that these programs reach more unchurched children and youth than most church programs? Getting trapped in old ways of thinking about Scouting is easy enough for those who have not been directly involved with Scouting, but Scouting has evolved. The programs that we include in Scouting Ministries have traditionally encouraged and nurtured leadership and responsibility. If your church does not have children and youth outreach programs, consider Scouting. They already have tried and proven programs. You can find information at http://www.umcscouting.org. Contact your local Scouting Executive, Campfire Council, County Extension Agent, or Girl Scout Council.

UNITED METHODIST WOMEN

The year 2001 was a year to dare to dream dreams for United Methodist Women. We dared to dream that new ideas could be brought to fruition. Knowing that dreams cannot come true without the help of the Master, in January we began our year with a Spiritual Growth Retreat at Lake Texoma for a time of renewal and rejuvenation.

Goals were set to increase communication between local, district, and conference officers, to reach out and nurture the membership. Prayer chains were organized to include telephone calls and email.

Mission Education was stressed by encouraging the use of the Prayer Calendar, to continue a presence in the Seminary and promote mission projects listed in the Material Resources for Mission Catalog.

To broaden our awareness of issues affecting our world, we are to be active in Social Action issues, i.e. attending the Legislative Event in Austin. Ten women from the Conference attended the Legislative Event in Austin January 28-30. The Event was very informative and prompted Amy Cajiuat, Mission Coordinator for Social Action to organize a similar event for the Dallas-Northeast district. Education on environmental issues is being encouraged. The criteria for the Charter for Racial Justice was updated to provide less confusing guidelines to promote greater participation. The "Mission Today" program is still in progress and our goal is to have all units fulfilling their obligations by 2004.

A new goal for 2001 was to elect a "Woman Minister of the Year". Nominees were submitted by each district, some nominating more than one minister, following guidelines given by an appointed committee from the mission team.

The 29th Annual School of Christian Mission was held at Hamilton Park United Methodist Church in Dallas with the theme being "Seeking Shalom". Attendance remained the same as in 2000; however, an additional class was formed for the Korean women. Gale Ragland of First UMC in Plano composed a theme song for the School entitled "Isn't that Just Like a Woman". Studies and leaders were:

"Jesus and Courageous Women of the Bible" - Rev. Nan Davis, Rev. Leta Gorham, Rev. Ouida Lee and Rev. Daniel Chang(in Korean)
Leaders for the Week End Event were Rev. David Weber and Rev. Lois Cooper
"Vietnam, Cambodia, and Laos" - Bruce Hearn and Esther Segler. Esther also taught at the Week End event.
"Global Health Care and Christian *Response*-Ability" - Rev. Steve Campbell and Dr. Ellen Palmer
Rev. Campbell also taught at the Week End event

The Week End Cooperative Mission Event was held at Austin College in Sherman with 82 in attendance. Almost half of those attending were first timers.

The 28th Annual Meeting was held at First United Methodist Church in Richardson on October 6 under the theme of "Courageous Women of God: Reach Out!" With approximately 300 in attendance, focus groups covering various topics relating to women, children, and youth were offered after the business meeting. During the worship service, the Woman Minister of the Year award was presented to Rev. Lois Cooper, Associate Pastor of Cornerstone United Methodist Church in Garland. The project for the meeting yielded 1300 Health Kits for UMCOR.

Jane Morris, Historian, prepared a display about Ruby Kendrick, an early 20th century missionary from First UMC, Plano. UMW'ers from First UMC in Plano also brought items for the display and Ginny Perinne, president of the unit, was dressed in attire as of Ruby Kendrick's time.

The mission work of each district reflects that United Methodist Women are courageous women as they reach out to nurture and encourage those around them. The district mission teams are to be applauded for their excellent leadership. We praise God for all they do.

COMMITTEE ON CAMP AND RETREAT MINISTRIES

The Conference year, 2001/2002, has been an exciting time for our Camping and Retreat Centers. It has been many years since we have had much new construction at our camps.

Vision 2020 has given us monies to construct projects at both the Texoma and Bridgeport sites. We began construction of a new pool at Bridgeport, which will be completed in time for the 2002 summer camp season. During December construction was begun on three lakeshore lodges that will house 36 persons each. These are being constructed in what used to be the North Village and will be ready for summer camp, 2002. The month of January saw a ropes course completed at Bridgeport. Also at Bridgeport we have given Folsom Center and Cardwell Lodge a face-lift. Many of you have had experiences at Bridgeport and we would welcome a visit from you to see the improvements and new construction.

All children and youth camps, with the exception of SEEK and Music Camps, will be at Bridgeport beginning with summer camp, 2002. The SEEK and Music Camps will be moved to Bridgeport in 2003. The Texoma Retreat Center will begin year-round programming for adults in April 2003.

At Texoma construction began on a new adult lodge (24 rooms) and a new dining hall/retreat center in May to be completed in the spring of 2003. The cost of these projects at Texoma will be $2,500,000. The work at Bridgeport, which also includes a new water system, is being constructed at a cost of $1,600,000. By summer of 2002 we will employ site-based Executive Directors at each of the centers. At the 2002 Annual Conference there will be a proposed change from one Conference Committee on Camp & Retreat Ministries to a Board of Directors for the Bridgeport Camp and Conference Center and a Board of Directors for the Texoma Retreat Center.

This is indeed an exciting time for our Camping and Retreat Centers.

Ray Hennigh, Director of Camp and Retreat Centers

THE COMMISSION ON COMMUNICATIONS

The Commission on Communications continues to:
I) operate the Dallas Area Communications News Office
2) edit and publish the *North Texas United Methodist Reporter* each week
3) edit and publish *the North Texas Conference CONNECTION* each month
4) edit and publish *My Church* every-other month
5) administer and publish the conference website, *North Texas Conference Interactive*
6) produce a dozen media services and the BIG SCREEN for annual conference sessions
7) provide media training and consultation to local churches and conference agencies
8) produce electronic and print resources for local churches and conference agencies

9) jointly coordinate Making Disciples with the Equipping Disciples and Sending Servants Teams

This is a year of transition for the Commission on Communications. Our director, Dr. Robert L. Robertson, is retiring at this session of the Annual Conference. We are thankful for the exemplary leadership that Dr. Robertson has provided to us during his tenure of service, and we were honored this year when he received the "Communicator of the Year" award at the annual meeting of the United Methodist Association of Communicators. This recognition by his peers affirms our experience that Bob has offered cutting edge leadership in the area of church communication ministry and technology. We offer Bob and Carol our prayers and support during his illness.

Last August our Conference conducted the largest Igniting Ministry Regional Training Seminars in the nation with 1,000 people in attendance at two simultaneous locations: Hamilton Park UMC and Lake Highlands UMC. With the partnership of Central Texas Conference and grants for both Conferences from Igniting Ministry, we were able to have a significant media presence during the September "Open House" event. Yard signs, banners, billboards, along with radio and newspaper ads helped convey the message that was beamed over the television: "Open Hearts, Open Minds, Open Doors." "Home for Christmas" and "Bring A Friend Sunday" continue to be vital components of our joint effort with the Equipping Disciples Team to fulfill our mission of making disciples for Jesus Christ.

We celebrate the success of this year's newsletter workshop under the leadership of one of our commission members: Rev. John McKay. We continue to support and encourage the use of media and technology in our churches so that the ageless message of the gospel will be communicated in ways that members of the "digital culture" will respond to and embrace the claims of Jesus Christ.

We are thankful to receive word that Bishop Oden has appointed Rev. Joan Gray LaBarr as the North Texas Conference Director of Communications. Although there has been some change in the job description of the Director, we are confident that Dr. LaBarr's knowledge of communications and her demonstrated leadership in the North Texas Conference will equip her to give the guidance we need to provide the Conference with decisive leadership in the area of communications ministry.

REPORT VI

Committee on Probationary Membership

2002-2003 Probationary Residency Program

Purpose
The purpose of the North Texas Conference Probationary Residency Program is:

1. to help probationary members make a successful transition from seminary or ministry in another denomination into full-time ministry, membership in an order and life in the connection of the United Methodist Church.

2. to enable probationary members to grow as disciples of Jesus Christ and in ministry effectiveness.

3. to provide the Divisions of Preparation and Qualification for Deacons and Elders as complete a picture as possible over the course of three years of those moving toward

ordination as deacons or elders and to provide feedback from these divisions to those participating in the Probationary Residency Program.

4. to model for the entire North Texas Conference what it means to live in covenant together.

Participation

All commissioned ministers who are probationary members of the North Texas Conference shall participate in the Probationary Residency Program while under full-time appointment for a minimum of three consecutive years.

When deemed appropriate and initiated by the cabinet for missional reasons, persons may participate in the Probationary Residency Program under less than full-time appointment. For purposes of Residency, less than full-time appointments will be a minimum of thirty hours a week. These individuals will fulfill all requirements of the program during the first three years of the program and, then, participate in a minimum of one additional year of Residency.

Completion

The Committee on Probationary Residency, in consultation with the Board of Ministry, will determine whether Residents have successfully completed the Probationary Residency Program or need additional time in the program.

Successful completion of the program is a requirement for ordination and full membership in the North Texas Conference.

Program Design

The design of the Probationary Residency Program assumes that those participating will be serving local congregations. Those individuals appointed to extension ministries will work with the Committee on Probationary Residency to design appropriate modifications to the program.

If, for some reason, the Resident believes the uniqueness of his or her situation necessitates a change in the program design, he or she can ask the Committee on Probationary Residency to make those appropriate modifications.

Program Highlights

1. **The Covenant Group** This component is designed to provide dialogue and support under the guidance of effective facilitators. The covenant group models Christian community while also focusing on important issues of ministry. The covenant group offers a place for further biblical and theological reflection and for its integration into the practice of ministry. It also provides the possibility of forming positive relationships that may offer support throughout the years of ministry.

2. **Mentor Relationship** The mentor/probationer relationship is an essential part of the Residency program. It is not simply a peer relationship since the mentor has supervisory responsibilities and the advantage of many years of experience in ministry. However, the relationship is to be marked by mutual respect. Both the mentor and the probationer should expect to learn from each other. While the focus is primarily on the ministry of the probationer, the mentor should be equally willing to share his or her own struggles and weaknesses. The mentor relationship is to explore together the nuts and bolts of ministry while engaging in a dialogue in matters of theology and the role of the Church. The relationship must be based on mutual trust, openness and respect. It is hoped that the mentor/probationer relationship may be on-going following the completion of the

program and that its helpfulness will encourage the formation of many other supportive relationships, so essential for ministerial health and effectiveness.

In consultation with the Resident, the Committee on Probationary Residency will assign mentors to Residents.

3. **Meetings with the Ministry Committee** This component offers opportunities for learning for both the probationer and members of the probationer's ministry setting. Regular sessions are essential in order to give consistency in feedback and support while allowing time for the exploration of the many required areas of discussion. It is important that the laity understand the complexities and demands of ministry and that probationers understand and accept the ways in which laity can teach them.

4. **Ministry Forum** Residents will participate in a Ministry Forum during the fall of 2002 offered by the Probationary Residency Committee. This event is designed to help Residents explore issues related to ministry and to grow in their ministry effectiveness.

5. **Reports** Third year Residents, Mentor Pastors, Chairs of Ministry Committees, Peer Group Facilitators, and District Superintendents will fill out and turn in a form provided by the Committee on Probationary Residency reviewing the Resident's growth by December 1, 2002. First and Second year Residents, Mentor Pastors, Chairs of Ministry Committees, Covenant Group Facilitators, and District Superintendents will fill out and turn in a form provided by the Committee on Probationary Residency reviewing the Resident's growth by February 1, 2003.

Costs
The North Texas Conference Board of Ordained Ministry will pay for required books, meals, and lodging incurred as a result of participating in the Probationary Residency Program.

Time Line
The Probationary Residency Program begins with a mandatory orientation meeting on Friday, May 31, 2002 and continues until the next orientation meeting.

REPORT VII:COMMITTEE ON LOCAL PASTORS

Marsha Engle Middleton, Chair (2001-2004), 1520 Blackburn Rd. Sachse, TX 75048, 972-530-1005

The Committee on Local Pastors of the Division of Elders gives thanks to God for those who are called to ministry and committed to serve the Church of Jesus Christ as Local Pastors within the North Texas Conference of the United Methodist Church.

A. **2002 Local Pastor Licensing School:** For the eighth consecutive year, a springtime Saturday Licensing School was held at FUMC of Richardson. The dates were April 6,

April 13, April 20, April 27, May 6, and May 11. Twenty-three students from the North Texas Conference and three other annual conferences participated. An exceptional team of teachers, facilitators and instructors provided leadership. The Committee offers a special thanks to Tom Christian, Roy Spore, Earnest Walt, , Paul Gould, Bill Crouch, Jim Dorff, Kathleen Baskin-Ball, Paul Escamilla, Stan Seat and Gloria Thomas, as well as to First United Methodist Church, Richardson.

B. **2003 Local Pastor Licensing School:** The 2003 school is scheduled for the Saturdays of March 22, March 29, April 5, April 12, April 26, May 3 and May 10. Students MUST be certified candidates for ministry, and MUST be recommended to attend Licensing School by their respective District Committees on Ordained Ministry. Students available to serve under appointment within the North Texas Conference may attend the school at no cost to them. District Superintendents and District Committees on Ordained Ministry need to identify, recommend and submit the names, addresses and telephone numbers of persons to attend the 2003 NTC Licensing School to Marsha Engle Middleton on or before March 3, 2003. Upon receipt of the names, each student will receive specific information as to the time and location of classes.

Persons needing to attend a Summer Licensing School may attend the Central Texas Conference Licensing School. No North Texas Conference funding is available to cover this cost. District Superintendents and District Committees on Ministry should contact Marsha Engle Middleton, and the Central Texas Conference Office, as soon as the need arises.

C. **2002 Local Pastors Information:** All Local Pastors serving under appointment are to complete an information sheet and return it to the Chair of the Committee for inclusion in their permanent file. The information sheet will be mailed to all Local Pastors under appointment by September 2, 2002, and should be received back by October 3, 2002. If for some reason a Local Pastor does not receive a form, it is his/her responsibility to request one from the Chair of the Committee.

D. **2002 Local Pastors Interviews:** At the discretion of the Committee on Local Pastors, or on request from District Committees on Ministry or District Superintendents, continuance interviews may be held for student, part-time and full-time local pastors.

E. **District Committees on Ministry:** Are required by Discipline to hold continuing interviews for all local pastors each year. Each District Committee on Ministry Chairperson and/or Registrar must submit the names, addresses, phone numbers and action/decision summaries of all new or continuing local pastors to Tom Christian at the Conference Office on or before March 3, 2003. This list should include the recommended status of each local pastor (i.e., as student, part-time, or full-time local pastor) as well as their location of appointment as of March 1, 2003. A list of all local pastors being discontinued must be included as well. Please note that, at any time during the year, a District Committee on Ministry must notify the Chair of Local Pastors immediately upon discontinuance of a Local Pastor.

F. **Basic Course of Study School at a United Methodist Seminary or School of Theology:** It is the policy of the North Texas Conference Committee on Local Pastors to cover tuition, room, and board expenses for Local Pastors to attend Basic Course of Study, as long as those Local Pastors are under appointment within the boundaries of the North Texas Conference, student must pay the registration fee (of $100) to Perkins. These expenses will be paid directly to the Course of Study School. Reimbursement for books required for Course of Study courses will be available by providing receipts and

itemized book lists to the Chair of the Committee on Local Pastors within three months of the completion of the course. Students making a "D" or lower on their grade report will be billed by the North Texas Conference for the cost of the course in question, including any book reimbursement and room/board expenses related to that course. Failure to pay the North Texas Conference for the cost of these failed courses will result in the student forfeiting conference support for future Course of Study or seminary work, until such date as the outstanding balance is paid. The Committee on Local Pastors will determine exceptions on a case-by-case basis.

G. **NTC Weekend Extension Course of Study School (COSS):** The North Texas Extension Course of Study School continues to be a convenient way in which Part-time Local Pastors can fulfill a portion of their required Course of Study work. The school experienced considerable growth during 2001-2002, and the Committee wishes to thank all instructors for their participation. A special thanks goes to Tom Christian, registrar for the school.

For the 2002-2003 year, the NTC Extension Course of Study School intends to offer courses which will enable the Part-time Local Pastor to fulfill a portion of his/her basic Course of Study requirements in a manner that maximizes opportunity for secular employment during summer months. Focus will be placed on first, second, and third year courses, with a full Saturday class once per month for three consecutive months.

1. Students interested in participating in the NTC Extension Course of Study School are to contact Tom Christian, Associate Director of Administration, at PO Box 516069, Dallas, TX 75251, 972.490-3438. A non-refundable fee of $50.00 is required for each course from students serving as Part-time Local Pastors within the North Texas Conference. Upon receipt of the registration form and fee, course assignments and other materials will be mailed to the student.

2. Students are welcome from outside the North Texas Conference. Such students must pursue payment methods from within their own conference to attend the NTC Extension Course of Study School. North Texas Conference funding is not available.

3. Reimbursement for books required for Course of Study courses will be available by providing receipts and itemized booklists to the Chair of the Committee on Local Pastors within three months of the completion of the course.

4. The instructors set locations for the classes, with consideration being given to both student and instructor travel distances.

5. Each course meets on the third Saturday of each month for three consecutive months. Sessions begin by 8:00 AM and conclude by 6:00 PM. Attendance is required.

6. The General Board of Higher Education and Ministry authorizes the North Texas Extension Course of Study School to provide instruction for courses included in the basic Course of Study of the United Methodist Church. Curricula and assignments must meet the General Board's criteria in order for those completing the course to receive credit. Grades will be issued and

recorded.

7. *Students making a "D" or lower on their grade report will be billed by the Conference for the cost of the course in question, including any book reimbursement related to that course. Failure to pay the Conference for the cost of the failed course will result in the student forfeiting conference support for future Course of Study or seminary work, until such date as the outstanding balance is paid. The Committee on Local Pastors will determine exceptions on a case-by-case basis.*

8. Prior to the conclusion of the course, each student must provide the instructor with the name and mailing address of both their District Committee on Ministry Registrar, and their Conference Committee on Local Pastor Registrar or Chair.

9. Additional courses may be added at the discretion of the Committee on Local Pastors.

10. The NTC Weekend Extension Course of Study School is intended for Part-time Local Pastors who hold secular employment, and are therefore better served by a weekend format rather than the standard on-campus seminary format. Part-time Local Pastors enrolled in the Basic Course of Study are required to complete a minimum of two out of the twenty courses as part of an on-campus Course of Study program such as the Perkins Course of Study. Full-time Local Pastors are required to complete all of the Basic Course of Study on campus. The Committee on Local Pastors will determine exceptions on a case-by-case basis.

Respectfully Submitted,

Rev. Marsha Engle Middleton

Board of Ordained Ministry, North Texas Conference

PROPOSED NORTH TEXAS CONFERENCE POLICY REGARDING PARAGRAPH 340 OF THE *2000 BOOK OF DISCIPLINE*

Background:

Information regarding the issuance of a License for Pastoral Ministry is addressed in Paragraph 340 of the *2000 Book of Discipline* of the United Methodist Church. In the North Texas Conference, interpretation and implementation of this paragraph has varied over time, as well as by District.

Disciplinary statements regarding Licensing School attendance seem particularly ambiguous in the cases of persons being commissioned and persons enrolled in seminary. In response to common questions regarding this issue, the Board of Ordained Ministry of the North Texas Conference offers the following:

What does Paragraph 340 actually say?

Par. 340. License for Pastoral Ministry — All persons not ordained as elders who are appointed to preach and conduct divine worship and perform the duties of a pastor shall have a license for pastoral ministry. The Board of Ordained Ministry (Par. 632.2g) may recommend to the executive session of the annual conference the licensing of those persons who are:

1. Probationary members commissioned by the annual conference, or
2. Local pastors who have completed the following:
   a) The conditions for candidacy certification in Paragraphs 3 06.2-4;
   b) The studies for the license as a local pastor as prescribed and supervised by the General Board of Higher Education and Ministry or one-third of their work for a Master of Divinity degree at a school of theology listed by the University Senate;
   c) Been examined and recommended by the district committee on ordained ministry;
   d) Been approved by the board of ordained ministry (Paragraph 632.2g); and
   e) Provided the board with a satisfactory certificate of good health on a prescribed form from a physician approved by that board if being appointed as a full-time local pastor. This process shall be in accordance with the guidelines provided through the General Board of Higher Education and Ministry, Division of Ordained Ministry. The conference may require psychological and/or psychiatric tests and evaluations to provide additional information to qualify for such coverage.

Are commissioned persons required to attend Licensing School prior to serving during their residency period?

When candidates for ordination are commissioned as probationary members of the North Texas Conference, their commissioning includes the issuance of a license for pastoral ministry, allowing them to perform the duties of pastor during their probationary/residency period. Attendance at Licensing School is not generally required as a prerequisite for commissioning; however, the Committee on Preparation and Qualification of the Board of Ordained Ministry may request that an individual attend Licensing School as a prerequisite for commissioning.

May persons attend Licensing School who have not completed their certification for ordination?

No. All persons attending Licensing School who will serve within the North Texas Conference must be **certified** candidates prior to the beginning of Licensing School. In addition, each Licensing School student shall be explicitly recommended to attend Licensing School by his or her respective District Committee on Ordained Ministry

If a seminary student seeks a License for Pastoral Ministry, must she or he attend Licensing School?

To receive a License for Pastoral Ministry in the North Texas Conference, a student must either attend Licensing School or have completed ***one half*** of their work for a Master of Divinity degree at a school of theology listed by the University Senate, including at ***least one course in homiletics.***

Must a student in the Course of Study School have attended licensing school prior to beginning the Course of Study?

Yes, in the North Texas Conference, all students enrolled in Course of Study School must previously have attended Licensing School.

Is it necessary for a person seeking a License for Pastoral Ministry to undergo psychological testing?

Because all certified candidates in the North Texas Conference have undergone psychological testing, all persons seeking a License for Pastoral Ministry will have necessarily undergone this testing. Under no circumstance will a License for Pastoral Ministry be issued without the licensee having been previously tested.

Are there exceptions to these policies ?

The District Superintendent, the District Committee on Ordained Ministry, and the North

Texas Conference Committee on Local Pastors shall jointly consider any exception on a case-by-case basis. Their decision is final.

Respectfully Submitted,
Rev. Marsha Engle Middleton

C.C. YOUNG RETIREMENT CENTER

As the only accredited continuing care retirement community in north Texas, C. C. Young is unique in providing long-term care services and programs to the community. C. C. Young is proud of the multi-levels of care from independent living housing to skilled nursing care.

For over 80 years, we have met the challenge of providing faith-based quality care to older people in our community through construction, renovation and program development. We will continue fulfilling our Mission by providing a place and a program where older adults can grow and flourish both mentally and spiritually while receiving the quality of care and security they need and deserve.

This year we will revisit our covenant with the conference and keep showing our commitment to it. We are forging ahead to work with up to 10 churches in our primary service area to develop models for improving the local church and C. C. Young's response to our seniors.

DALLAS BETHLEHEM CENTER, INC.

Dallas Bethlehem Center is a 56-year-old agency serving the children and families of the South Dallas Community. We are located at 4410 Leland Avenue in the heart of South Dallas. Our mission statement is as follows:

> "*Dallas Bethlehem center is dedicated to improving the quality of life for the children of the South Dallas Community. We work to strengthen the entire family structure by providing the holistic services for each child's educational, physical, emotional, social moral and spiritual needs.*"

How do we go about implementing our mission statement? Our programs for the children in South Dallas include the following:

- A licensed *Day Care Program* serving children from ages 1 to 5 years. This program includes a national accredited curriculum
- A *Pre-K Program* serving children from ages 4 ½ to 5 years. This program is operated in conjunction with DISD
- An *After School Tutorial Program* serving children from ages 6-12 years. This program offers tutoring, computer science learning skills in our computer lab, life skills training, moral development, ethical growth, and educational & recreational field trips
- A *Summer Enrichment Program* for ages 6-12 years. This program includes exciting learning and recreational experiences, and
- A *Children's Community Choir* composed of approximately 40 children from local elementary schools. To participate the children must maintain a B average and have some musical aptitude

Our Day Care and Pre-K programs are licensed for a capacity of 50 children, with an additional 34 licensed capacity for the school age programs. These programs alone impact the lives of *over 130 children,* ages 12 months – 12 years of age, in the South Dallas community on an annual basis.

In addition to this programming, we also provide the following services which also impact the

children and the members of the South Dallas community;

- A *Food Voucher Program* through which Dallas Bethlehem center distributes food vouchers, redeemable at a local supermarket, to women with children and the elderly, who are in acute and emergency need of food
- An *Annual Health Fair,* which is co-sponsored by the Dallas County Medical Society Alliance and promotes healthy life styles and preventive medicine for over 600 people in the community
- An *Annual Thanksgiving Dinner* that serves over 430 complimentary dinners to families in the community, and
- A *Christmas Outreach Program* that matches low-income families with those of adequate means. This program assures that over 450 families have food, clothing and toys during the Christmas season

These outreach programs, in addition to those previously mentioned touch the lives of *over 1,900 residents* of which we conservatively estimate to positively impact the lives of *over 300 children* in the South Dallas Community.

Dallas Bethlehem Center has had a high impact on pre-elementary and elementary aged children in the South Dallas community. Our focus for 2002-2003 will be to incorporate programming to meet the needs of pre-teen and teenagers 13-19 years of age. We know the middle school andhigh school years are challenging for children even in the most positive environments.

Dallas Bethlehem Center will continue to strive to meet the needs of our children and families inthe South Dallas community.

LYDIA PATTERSON INSTITUTE

The beginning of a new year is always a time of reflection. We think back on the past, consider the present and give serious thought to what the future might bring. It is with these thoughts in mind that I submit this report to the Bishop and members of this conference in appreciation for your financial and moral support, as well as your prayers. The events of September 11 have awakened so many of our senses, and at Lydia Patterson our faith and strength was strongly tested. Our students, the majority of whom commute daily from Cd. Juarez, Mexico, were faced with a 3-4 hour wait at the border. The time zone in Mexico was one hour behind ours, so this meant that they had to start their day at 3 o'clock in the morning if they were to make it to school on time. For the first few days, most of our students were late. We rotated our classes in order that they would not be late to the same class everyday. We contemplated starting school one hour later, but it was not necessary because very quickly our students adapted to this harsh schedule and were on time and ready to start their school day. As I battled with the grief and anger brought on by terrorist actions which had demolished buildings and destroyed lives, I looked around our campus and saw the determination of our students to overcome any obstacles brought about by this horrifying experience. To see the faith and courage in our students spoke for the work of Lydia Patterson Institute. There is no doubt that while terrorists destroy buildings, we build towers of love, conviction, and hope.

In the midst of all, blessings continue to flow our way. We have experienced a 35% increase in enrollment in the past two years bringing our total student body to 440. It is the result of an

increased number of people joining us in our work and providing scholarships so that more students may have the opportunity to receive an education. I wish to thank all those within this conference who have generously adopted a student, or students, to support.

We are fast outgrowing our facilities and in the process of master planning for expansion and re-building of our campus. This is part of a strategic plan which calls for academic excellence and growth of our ministry. We received our 10-year review from Southern Association and were found in total compliance and approved without qualifications. Furthermore, we were presented with an award for improvement, institutional effectiveness, and student achievement.

During the past year, we have served the church in many ways. We hosted the annual meeting of the United Methodist Women of the New Mexico Conference. We also served as the host for the National Conference of Methodist Institutions in Mexico. It is our hope that Lydia Patterson will serve as a bridge between our institutions in the United States and Mexico.

We continue to hold a 90% experience of our graduating seniors attending college. At present, our students are attending fourteen different United Methodist colleges and universities throughout the country. We hope to add three more to the list this year. The first two graduates of the Student Lay Ministry Training Program are serving in their internships. One is in the Little Rock area and attending Hendrix College, and the other is at McMurry University. Our students continue to excel in many ways. Our soccer and basketball teams advanced to state finals. Our literacy magazine, published by the graphic arts class, received the national award for the best publication in the country for schools of our size.

None of this would be possible were it not for your financial support. I regret that apportionments were down 10% last year, for that highly affects our entire program. One-third of our annual budget is funded through your apportionments; one-third comes from tuition and one-third is raised from other sources. Lydia Patterson Institute and its students are indebted to this conference and the entire jurisdiction for its real life-story successes in the past 89 years. There is no doubt that Lydia Patterson is a model ministry on the border that has changed thousands of lives, removed families from poverty, formed leaders for the church and brought faith and hope where there was none. In times of severe poverty in our neighboring Mexico and painful destruction in our own country, those of us associated with Lydia Patterson can attest with confidence that we are building castles in the name of Jesus Christ.

METHODISM'S BREADBASKET

Missions statement: "SHARING OUR BLESSINGS WITH THOSE IN NEED IS THE KEY WHICH OPENS THE DOOR TO HOPE."

Founded in 1970 we are well into our 32nd year of providing services to the indigent families and individuals in the City of Dallas. We serve the elderly, mentally, and physically challenged, the unemployed and underemployed who humbly seek our help. Through the years we have been impacting families who don't have enough money to pay for their basic living expenses. We coordinate our services with referrals to other area agencies to better serve our clients.

We have been serving over 3,000 families every year or 12,000 people. With the generous help of

other United Methodist churches we have food drives throughout the year and special events during the holidays. Our mission is supported financially from a variety of sources such as United Methodist churches, The North Texas Conference of UMC, private foundations and individuals.

In these hard times it is critical that agencies such as Methodism Breadbasket be there when the need arises to help feed the hungry and help families keep a roof over their heads. We are on an ongoing fundraising campaign and welcome any and all donations to help our cause. Our Tel.# is 214-887-3926 - Or e-mail us (breadbasket@slcumc.org).

Mission Statement: "To express God's love by providing superior services that protect, support and enhance the lives of children, youth and their families."

Report I.

It has been another good year for the Methodist Children's Home and its ministry of providing quality care for children, youth and their families. The North Texas Annual Conference has continued its support and we are grateful that you have helped us provide our services.

Our ministry has served the Church for one hundred and eleven years now. The needs of society have changed and so to have the programs of the Home. During these changes, the support of local United Methodist congregations and individuals has been the foundation of our program of care and compassion.

Our ministry today consists of residential group care, structured group care, Boys Ranch, foster families, partnership in parenting and college and vocational education. We feel these programs are the most needed today to serve the children and families being referred to us. Our structured program has been very successful in helping us to serve the more disturbed young person who is coming to us for care. We have remodeled facilities to care for the educational program connected with the structured program. Integrated into all our programs is our deep religious conviction that all of life must be centered around God's love and care.

Special programs and skills are needed to care for our residents today. It takes a competent and caring professional staff to provide these programs and skills. At the same time, we have increased our services to the family while their children are in our care. We provide these services in a

caring atmosphere based on our Christian convictions and our United Methodist heritage.

Our services are more expensive today and we are mindful of our stewardship responsibilities as we represent you in this ministry. We urge you to continue to make your congregations aware of their ministry at the Methodist Children's Home. We are confident that we can render superior services and maintain our reputation as the premier child-care agency of the United Methodist Church.

Report II. How You Can Help

METHODIST HOSPITALS OF DALLAS

The covenant relationship which exists between the North Texas Conference and Methodist Hospitals of Dallas (MHD) proudly reaffirms that the care of the sick and injured as well as the education of persons to care for them are important ministries for our community.

Beyond that, the Church and MHD influence each other in many areas. Central to the values and mission of MHD is the commitment to provide direct services on behalf of the Conference, such as pastoral care and educational opportunities, and to render charity services including those provided through the Golden Cross program. These activities are designed to reflect a continuing commitment to Christian life and learning. The Bishop, Methodist ministers and laypersons carry out leadership roles on MHD's governing boards and advisory committees. Methodist Hospitals of Dallas treats all persons with respect and dignity. It strives to conduct its ministry of caring and healing in a compassionate way that brings recognition and credit to The United Methodist Church.

Methodist Medical Center is a 478-bed hospital located just southwest of downtown Dallas. It is ranked as one of America's Best Hospitals by *U.S. News & World Report* and serves as the teaching and referral hospital for the Methodist Hospitals of Dallas system. Among the Medical Center's many areas of expertise are cardiology, maternity, neuroscience, cancer, and transplant services. The Transplant Center has performed more than 1,800 transplants since it's founding in 1981, including single kidney, pancreas and heart transplants. The Medical Center made medical history in 1992 when it performed the world's first successful simultaneous heart-kidney-pancreas transplant. Charlton Methodist Hospital, with its 191 beds, serves the residents of some of the fastest growing suburban communities in southwest Dallas County. Charlton provides a variety of exceptional programs, including general medical and surgical care, maternity, physical medicine, family practice, sports medicine, and outpatient services. Four Family Health Centers extend essential medical services into the surrounding communities.

Together in fiscal year 2001, Methodist Hospitals of Dallas:

- Treated 27,850 adult and pediatric inpatients
- Delivered 5,019 babies
- Performed 6,884 inpatient and 12,928 day surgeries
- Completed 713,909 outpatient tests, treatments and procedures
- Treated 102,049 trauma and emergency room patients
- Recorded 26,196 visits in the teaching clinics.

The Cross on top of Methodist Medical Center, as well as that on Charlton Methodist Hospital, symbolizes the caring and concern that are the daily standard of service for Methodist Hospitals of Dallas. Methodist laypersons are encouraged to become active participants in the programs and services provided by the hospitals through Auxiliary activities, participation in the Volunteer Services programs or through service as a Golden Cross Advocate. Every United Methodist congregation is also urged to become an active participant in the Golden Cross Program by contributing one dollar per member annually and referring those in need for medical care through the program. Together, with the North Texas Conference, Methodist Hospitals of Dallas will continue to serve as a beacon of Christian caring throughout the region.

Howard M. Chase, President and CEO

GOLDEN CROSS

The year was 1922, Dallas, Texas. Seven men in a Sunday School Class at First Methodist Church in Dallas, worried about medical care services for the poor people of North Texas. Their compassion and concern shaped the vision and mission of the Golden Cross Society. Membership in the Golden Cross Society was initiated at that time by asking for $1.00 per member from Methodist churches throughout the Annual Conference. Today, the Golden Cross Program at Methodist Hospitals of Dallas is a living testament to the compassion of those seven men.

The North Texas Golden Cross program grew through the original $1 per person concept with the addition of bequests into an endowed program for the sick and medically indigent who are referred by United Methodist ministers. Rev. Carole Somers-Clark and Kathy Gray in the Chaplain's Office at Methodist Hospitals of Dallas, 214/947-2470, accept referrals for those in need.

The Golden Cross Division Board of Dallas Methodist Hospitals Foundation helps continue the vision of that 1922 Sunday School Class. During the year 2001, 65 persons received services through Golden Cross. These patients represented referrals from 61 churches in the North Texas Conference and reflected an expenditure of $265,179 from the Golden Cross Fund. Physicians at Methodist Hospitals of Dallas contribute their services without charge.

Fulfillment of the vision of the seven men in a Sunday School Class in 1922 would not be possible without the gifts from estates, bequests and memorials in addition to annual offerings of the North Texas Conference churches. We are particularly thankful for those churches, which met the original goal of $1 per member in 2001. Those churches were:

Axe Memorial	Forestburg	Sunset

Birthright
Brandon Avenue
Button Memorial
Callisburg
College Mound
Copeville
Elmwood
Highland Park
Justin
Kessler Park
Lone Star
Oak Lawn
Old Saltillo
Southwood Fellowship
Tira
Umphress Road
Urban Park Mission
Valley View
Vista Ridge
Williams Chapel

Special appreciation is extended to Highland Park United Methodist Church. Highland Park not only meets the $1 per member goal, but also contributes additional monies to the program on behalf of patients referred from the Dallas-South District.

The Golden Cross Division Board continues to encourage individuals to remember Golden Cross in their wills and to provide gifts to the Golden Cross Endowment Fund through their estates. In this manner, the Golden Cross program can continue to provide care and services in future years. Recently, we were blessed to be named a legatee in the Will of Rev. Addison W. Cutter. The use of these avenues to further the mission of Golden Cross is greatly appreciated.

Again, we thank those churches and individuals who have made contributions to the Golden Cross Fund this past year, as well as the Golden Cross Advocates who represent the Golden Cross ministry in their church. We also thank the physicians and staff of Methodist Medical Center and Charlton Methodist Hospital who continue to provide their services in such a capable and compassionate manner.

The call of our Lord to bring healing to the poor is profoundly answered through the Golden Cross ministry. Please join in helping to extend the Golden Cross ministry through your prayers and your support.

MOUNT SEQUOYAH

Mount Sequoyah is a unique program center. A ministry of The South Central Jurisdiction, The Mountain is an institution where all persons are welcomed and encouraged to learn, to discover meaning and hope and to develop skills for effective Christian living and witness.

The Mountain is the ***Older Adult Program Center*** for the jurisdiction. Each year persons who work with older adults along with hundreds of persons who are over fifty come from literally all over the world to learn together and to grow intellectually and spiritually. This service to the largest population group of our church is built around a philosophy of positive aging influenced by God's gift of increasingly longer life.

Along with the older adult ministry, Mount Sequoyah is a partner with The College of Bishops to produce the annual Bishops and Laity Weekend. In addition, The Jurisdictional Singles annual event, Jurisdictional Youth Ministry Organization (JYMO) and organizational gatherings of

Volunteers in Mission (VIM) call The Mountain home.

Mount Sequoyah is also a place of hospitality offering a quality learning environment for the resident programs of groups within and beyond the United Methodist denomination. All together, during the past year, some 4,510 persons involved in 242 programs contributed to the rich life at The Mountain. About 63 percent of the participants in events during the past year were United Methodists. The remainder represented other denominations, schools and community organizations.

The past year (2001) was a time of difficulty for The Mountain. While considerable progress is being made, challenges of self-support, considerable debt and recovery from deferred maintenance created a situation of financial vulnerability. The events of September 11 brought about a considerable decline to participation in older adult programs and, to some degree, other events. The present year (2002) brings new hope and some indication that both individual and group participation is again on the increase.

This report would be incomplete without an expression of appreciation for the contribution of work by United Methodist Volunteers in Mission. Several teams of volunteers made significant contributions of labor and other gifts, which enhance the ministry of Mount Sequoyah.

In this new year, the trustees, volunteers and staff of The Mountain continue to fulfill the tasks of a "learning place" ministry. With strong faith in the work God has given us we continue to serve with enthusiasm and optimism. We are deeply thankful to the churches of this conference for their continued support.

PERKINS SCHOOL OF THEOLOGY

During the past year, Perkins School of Theology has continued to strengthen its resources to meet its mission to prepare men and women for faithful leadership in Christian Ministry. The school is preparing for a transition in leadership, as I move toward full-time teaching duties as the SMU Cary M. Maguire University Professor of Ethics this summer. This position will allow me to teach, write and lecture across many disciplines, including work with Perkins students, law and business students, and other graduate and undergraduate students. My eight years as Dean of Perkins School of Theology at Southern Methodist University have been among the best of my ministry, and I look forward to continuing at the University.

During my time at Perkins, I have been privileged to work with the veteran faculty to build what is one of the strongest theological school faculties in the country, diverse in theological perspective, as well as gender, race and ethnicity. Students who study at Perkins are able to work with leaders in theological scholarship and ministry from across the theological spectrum and are able to watch the faculty model what it means to be faithful in the face of difference.

In the last year we have completed all of our searches and welcomed several new faces to Perkins. Dr. Karen Baker-Fletcher joins us as associate professor of Theology. Her most recent writing includes the book *Sisters of Dust, Sisters of Spirit*. Alejandro F. Botta, assistant professor of Hebrew Bible, is completing his doctorate from Hebrew University in Jerusalem. Dr. Roy L. Heller, assistant professor of Old Testament, comes to us after earning his doctorate in Hebrew Bible and Old Testament at Yale. Dr. Bruce Marshall, who is receiving great attention for his recent book *Trinity and Truth*, joined us as professor of Historical Theology. Dr. Richard Nelson holds the W.J.A. Power Chair of Old Testament at Perkins. His most recent book is *The Historical Books* in Abingdon's Interpreting Biblical Texts series. Dr. Harold J. Recinos, author of *Jesus Weeps* and known for his work in Latino and urban ministry, is Perkins' professor of Church and Society. And Dr. Abraham Smith, who recently wrote several entries for the third edition of the *Oxford Annotated Bible*, is our new associate professor of New Testament.

The faculty and staff were saddened by the news this year of the death Dick Murray, who was Seneker Professor Emeritus of Christian Education and a collaborator in the development of the popular Disciple Bible Study curriculum. We also mourned the loss of A. Lamar Cooper, who was a professor of Christian Social Ethics and Methodist Studies at Perkins; Kenneth Black, who retired as financial officer at Perkins, and Carlotta Grace Smith Outler, retired SMU librarian and the widow of theologian Albert Outler.

In addition to change and growth in our faculty, Perkins added two new graduate certificate programs for degree students. The graduate certificate in Urban Ministry is intended for theology students interested in ministry in urban areas. The graduate certificate in Women's Studies, offered jointly with SMU's Dedman College of Humanities and Sciences, is designed to provide an understanding of the roles and achievements of women in a global society. This fall, Perkins will launch a new program offering courses for degree students in the San Antonio Area. This program, along with our program in Houston/Galveston and our cooperative effort with Saint Paul School of Theology and Oklahoma City University, will utilize our faculty resources to equip more people throughout the region for leadership in Christian ministry, providing a quality theological education that is flexible and convenient for students who want to begin their studies with minimal disruption to their home life and work.

We also work to make theological education not only accessible, but also affordable. We are especially grateful for the cooperation of the North Texas Annual Conference, with their $1,000,000 pledge for the Prothro Matching Gift Scholarship Program. When this effort is complete, the generosity of churches and individuals in the South Central Jurisdiction, matched by the generosity of the Prothro family, will provide more than $13 million in new endowments for United Methodist theological students at Perkins.

Robin W. Lovin, Dean

SAINT PAUL SCHOOL OF THEOLOGY

Enrollment of degree students continues to be strong, with students from forty states and four countries. Course of Study School enrollment continues to grow.

Saint Paul is working with conference leaders to lift up the call to ordained ministry for a new generation. In November approximately 300 young people gathered in Kansas City to explore ministry and Christian service for their lives at ***I Want to Know: Exploring Ministry.*** The participants struggled honestly to discern God's call for their lives, and learned more about the varied avenues for ministry in the United Methodist Church.

A **new faculty member** is Jeanne M. Hoeft in pastoral care. She is an elder in the Rocky Mountain Annual Conference with significant pastoral experience. **Visiting faculty** this year include Dr. Kelvin T. Calloway and Dr. Stephen W. Rankin. Calloway, visiting assistant professor of preaching, is pastor of St. Paul A.M.E. Church in Olathe, Kansas. Rankin, visiting associate professor of church history, is on leave from his faculty and chaplain duties at Southwestern College in Winfield, Kansas. He is an elder in the Kansas West Conference.

New faculty books include: *Eight Life-Enriching Practices of United Methodists* by Hal Knight, associate professor of evangelism; *Matthew and Empire: Initial Explorations* by Warren Carter, Pherigo professor of New Testament; and *All Things New: Reform of Church and Society in Schleiermacher's Christian Ethics* by Jim Brandt, assistant professor of church history.

What Saint Paul is most about are our students. Andy Bryan, upon completion of his first year of seminary at Saint Paul, reflected on his new experience of theological education in a message sent to family and friends. With his permission, his observations are shared.

> I now have a year of seminary to my credit. Seminary life is incredible. This year has confirmed my acceptance of God's call upon me into ministry. I have a greater appreciation of the 4,000 years of tradition and history that have led our faith to this very moment. I have been guided into a deeper understanding of our miraculous, inspired, and mysterious Holy Bible. I have grown in my understanding of what ministry is, and what it can be if and when it is enacted with an attitude of love, joy, and unconditional acceptance as modeled by Jesus. In the instruction, the fellowship, the worship, and the communion of the seminary community, I have come to know more clearly my role in ministry, but more importantly, I have come to accept that all that I have been, all that I am, and all that I will be (whatever form that takes) is thanks to our loving, steadfast, and life-giving God.

Your interest, prayers, and support mean much to our students and to our mission of preparing students with the **calling, character, and competence** to be exemplary spiritual leaders.

Lovett H. Weems, Jr., President

SOUTH CENTRAL JURISDICTION

The North Texas Conference is critical to the mission efforts of the South Central Jurisdiction. The individuals from your conference that serve on the jurisdictional networks, the payment of your

apportionments, and your dedication and commitment to the work of Jesus Christ help all of us to be able to meet the challenges that lie before us as missioners.

The areas of **United Methodist Volunteers In Mission** and **Korean Ministries** are the mission emphases set by the South Central Jurisdiction/UMC Mission Council, in addition to the other areas that are normally addressed. Through our partnership with the General Board of Global Ministries, our jurisdiction has a full time Korean Ministries Director. He has made significant progress, (in the four months that he has been in the office) in assisting with providing ministries to the Korean population of our jurisdiction. He assists in providing opportunities for professional growth for Korean pastors, fellowship for pastors and their families, and consults at the invitation of bishops within our jurisdictions on Korean matters that will enhance the viability and growth of the churches and congregations.

The part-time UMVIM coordinator has increased the number of mission trips and persons participating in trips in our jurisdiction by approximately two to one this last year. After much negotiation, one of our conferences enthusiastically accepted the challenge to take over the Operacion Hogar Mission Project in Mexico, and we applaud them for taking on this mission project. The project, itself, has been expanded to include a clinic, orphanage and other ministries for and with the people of the *colonias*. In order to address the needs and provide for genuine inclusion of the Native American population of the South Central Jurisdiction/UMC, we have recently organized the ***American Indian Ministry***.

The apportionment figure established by the 2000 Jurisdictional Conference for each year of the 2000-2004 quadrennium for your conference, and the percentage paid in 2001 follow:

Mission & Administration Fund	$34,260	100.01%	Mt. Sequoyah	$4,283	100.05%
Lydia Patterson Institute	$51,390	106.54%	SMU Wesley	$6,424	100.00%

Percentages for all conferences in the jurisdiction are:

Mission & Administration Fund	88.51%	Mt. Sequoyah	104.79%
Lydia Patterson Institute	87.61%	SMU Wesley Foundation	85.61%

We are always pleased to have constituents call or come by the office, and request that you contact our office at any time if you desire information. This brief report gives you a tiny part of the puzzle; if you want to see the complete picture, let us hear from you.

SOUTHERN METHODIST UNIVERSITY

The year 2001 was marked by significant progress at Southern Methodist University, and new developments hold the promise of unprecedented advancement in the future. Listed below are some of the past year's highlights:

The Campaign for SMU

- Launched in April 1997, the Campaign for SMU is the most successful fund-raising effort in the University's history. Although commitments to the campaign exceed the $400 million goal, the five-year campaign will continue to its official conclusion on

May 31, 2002. A community celebration of the campaign's success will be held on April 19. To date, campaign commitments have resulted in 63 new endowments for academic programs, 125 new student scholarships and awards, 23 new campus life initiatives, 15 new academic positions, and 13 new and/or renovated facilities.

- Completed construction and renovation projects funded through campaign gifts include Perkins Chapel renovation; the new Foundren Library Center; and the Gerald J. Ford Stadium and adjoining Paul B. Loyd Jr. All Sports Center, including the Altshuler Learning Enhancement Center and Blanton Academic Development Complex. The new Meadows Museum opened in March 2001, and the Dedman Life Sciences Building, including the Bob Smith, M.D. Foundation pre-Medical Studies Center, was dedicated in December 2001. Construction is underway on the Jerry R. Junkins Electrical Engineering Building. Groundbreaking ceremonies for the Laura Lee Blanton Student Services Building are scheduled February 21, 2002, and plans are being developed for the James M. Collins Executive Education Center of the Cox School of Business.
- Perkins School of Theology is continuing to assist the annual conferences of the South Central Jurisdiction in raising the funds pledged in the campaign for Perkins scholarships, which are being matched by the Perkins Foundation of Wichita Falls. Including the Perkins Foundation matching funds, nearly $14 million has been pledged. Although the Campaign for SMU officially ends in May 2002, the Perkins scholarship campaign will continue through the quadrennium ending in May 2004.

Other developments

- In February 2001, SMU renamed its 75-year-old School of Law the Dedman School of Law in honor of law school alumnus Robert H. Dedman, Sr. and his family. Together the Dedman family and foundation have committed $20 million to the school's endowment. This commitment includes a new $5 million challenge grant to be matched by other new gifts to the law school, with the goal of adding $25 million to the school's endowment, which will bring its total to more than 490 million.
- The opening of SMU's new Meadows Museum attracted international attention. King Juan Carlos I and Queen Sofia of Spain participated in the opening festival. The new museum is six times larger than the 35-year-old campus facility previously housing the Meadows Collection, one of the finest collections of Spanish art outside of Spain.
- SMU has received $800,000 from the federal government to launch a national Institute for Engineering Education to promote engineering education from kindergarten through graduate school.
- Robin W. Lovin, dean of Perkins School of Theology and professor of ethics at SMU since 1994, was named in May 2001 to SMU's Cary M. Maguire University Chair in ethics, succeeding William F. May upon his retirement. The university-wide appointment affords Lovin, an internationally renowned scholar of Christian ethics, wide opportunities to teach, write and lecture in the field of ethics. Lovin also is continuing his duties at Perkins until a new dean is named. The search committee expects to forward the results of its search to the SMU Provost's Office before the end of the spring term with the hope that a new dean will be in place by the beginning of fall 2002 classes.
- Beginning in August 2002, Perkins will serve San Antonio through classes leading to master's degrees and professional certification offered at University United Methodist Church. Similar programs are offered by Perkins in Houston/Galveston and in Oklahoma

City. Perkins, Saint Paul School of Theology and Oklahoma City University's Wimberly School of Religion sponsor the Oklahoma City program jointly.

- SMU's Wesley Foundation continues to provide a vibrant and inclusive United Methodist campus ministry program, which actively involves more than 200 students through weekly activities including small group Bible studies and Wednesday night worship services in Perkins Chapel. A study will begin this spring to determine the feasibility of building a United Methodist ministry center on campus and endowing the SMU Wesley Foundation.

SMU treasures its Methodist heritage, and we ask your continued prayers and support as we move forward in the coming year.

TEXAS METHODIST FOUNDATION

At the Texas Methodist Foundation, we are continually looking for ways to provide churches, institutions and individuals with resources that assist them in carrying out their God-appointed missions. In 2001, the Foundation further developed its partnership with the Alban Institute, a nationally-known premier resource for congregations, by providing United Methodist clergy and lay leaders with several opportunities for continuing education. Sessions of the seminar *Senior Pastors: Leading Multiple Staff Teams* were led in February and July by Dr. Roy Oswald from Alban. Another Alban instructor, the Rev. Dr. Gil Rendle, conducted *Leading Change in the Congregation* in October and again in January 2002.

Favorable feedback regarding the quality content and networking opportunities afforded attendees through these events has led the Foundation to explore additional topics. Three sessions focusing on congregational development, which includes managing church growth and encouraging stewardship, have been planned for 2002 in an effort to provide our constituents with innovative and effective ways to help them as they work to bring the message of Christ's love to their communities.

The Foundation, located in Austin, provides assistance through investments, loans, grants, stewardship services and guidance on endowments. We serve United Methodist churches, institutions and individuals within all six of the Annual Conferences in Texas.

We are pleased to report to you the assistance we provided in 2001:

Within the North Texas Annual Conference:

- Loans from the Foundation to churches in the North Texas Annual Conference totaled $44 million.
- Churches and related agencies within the North Texas Annual Conference had $45.5 million invested with the Texas Methodist Foundation.

Throughout the state:

- As of December 2001, total assets under management by the Foundation stood at $226 million, up from $206 million at the beginning of that year. This represents a growth rate of

9.5 percent for the year. The Texas Methodist Foundation continues as the largest United Methodist Foundation in the United States.

- In 2001, the Foundation funded grants totaling $508,118. The Foundation's Grants Committee, in support of the Bishops' Initiative, gave priority to funding programs that address the needs of children in crisis and poverty.
- Foundation Stewardship staff made more than 100 consultation visits to churches and offered counsel and guidance in areas of specific interest and need related to funding ministry. Stewardship staff also conducted 36 annual stewardship workshops in local churches along with 13 district and conference level workshops. The Foundation was chosen to consult on 20 capital campaigns with more than $22 million pledged.
- The development staff assisted churches and institutions in the establishment of permanent endowment funds and worked with individuals on planned gifts. Along with these activities, development staff explained the other services offered by the Foundation. More than 650 consultations were made during the year.
- The Foundation served 421 United Methodist churches and institutions through loans. During the year, loans increased by 19.2 percent to more than $182 million.
- In 2001, the Foundation saw a growth in our investment deposits of nearly $20 million.

The following people residing in the North Texas Annual Conference serve as board members to the Texas Methodist Foundation in either an elected or Advisory Capacity:

Tom Locke, President

TEXAS UNITED METHODIST COLLEGE ASSOCIATION

A pastor asked me recently, "How goes it with the church and colleges?" I answered, "There is a very good relationship between us." Then because this was a preacher, I decided to give three reasons, hoping they might end up in a sermon.

"First," I said, "in a time of crisis and changes I believe that both realize the benefits of our Methodist tradition with its call by Wesley to serve both knowledge and vital piety. The church appreciates an education in the arts and sciences, which also includes engaging our religious quests, as the best education for life. Our Methodist-related colleges and universities, instead of trying to be all things to all people, affirm the value of a rich Christian tradition. This gives them a witness to coherence, a concern for wholeness. Our schools pre-suppose the unity of truth, that ultimately all things hold together and make sense, that there is meaning in life, and a sensitivity to the value of life!!"

Suddenly I saw that my friend's eyes were glazing over, but in my enthusiasm I pressed on. "The second point," I said, "is that there is a renewed feeling in the church that the special role of our

schools provides unique and valuable options in higher education." I could see that there was a new interest now. "In our Texas schools and churches we are seeing a new partnership. This is shown by growing numbers of United Methodist students, wonderful financial support for long term needs by our members, a dramatic rise in scholarships given to students, and a new commitment to higher education as a central ministry of the church. In our organization we are grateful to our churches for their support for scholarships and financial help for United Methodist Students in our colleges and universities."

Here I have to confess that I felt that I probably should not go on to the third point! Besides, I had forgotten it. Sometimes I even forget the third point when I hear others preach.

My friend remembered another appointment and left quickly. I forgot to talk about the Black College Fund that supports scholarships at Wiley and Huston-Tillotson. And to share the generosity of the churches' giving for scholarships for United Methodist Students in 2001, which made it possible for us to give the other colleges a total of $775,468, distributed as follows:

Lon Morris College	123,240
McMurry University	144,166
Southern Methodist University	196, 873
Southwestern University	139, 516
Texas Wesleyan University	171, 673

WESLEY-RANKIN COMMUNITY CENTER

In 2002, Wesley-Rankin Community Center celebrates 100 years of service! Most certainly this is a privilege, furthermore a testament to the commitment of our United Methodist congregations to work in solidarity with our neighbors in the Los Altos community and across Dallas to make this century possible. From our humble beginnings in the two wood-frame houses on Crossman, to our expansion, Wesley-Rankin Community Center has continued to be "a safe place to be, a safe place to become.

In its continued mission to serve our West Dallas residents, Wesley-Rankin provides programming and activity geared at making strong connections between individuals and education, recreation, and spiritual growth. Our programs for children, youth, families, and senior adults includes: day camp for children and youth, GED preparation classes, senior adult computer education, parenting skills, community leadership, and youth mentoring. These services are made possible through support form our nonprofit organizations such as Project Transformation, Head Start of Greater Dallas, Dallas Healthy Start, North Texas Food Bank, Catholic Charities of Dallas, among others.

On behalf of the Board of Directors, the staff, volunteers, and community we serve, we extend an invitation to come visit Wesley-Rankin and tour our programs and facilities. Contact us at 214-742-6674 or on the web at www.wesleyrankin.org. You are also invited to celebrate our Centennial year at the 2002 annual benefit, to be held on Friday, November 22, 2002 at the Dallas Apparel Mart.

WESLEY VILLAGE

Everything worth accomplishing takes time, and the greatest characteristic of success is the power to believe in our ability to succeed. However to truly achieve our goals, we must also possess the passion, belief and desire to go the distance in making them happen. The Board and Staff of Wesley Village have shared that vision of success in the birth and maturation of the Meadows of Wesley Village, and our continued ministry in serving older persons throughout Texas and the surrounding areas.

Wesley Village has been providing Independent and Assisted Living opportunities for seniors since 1987. Over the years it has become obvious that there is a real need for more low-income housing for older persons in our communities. The Meadows has 39 one-bedroom apartments available for independent persons, who are 62 years of age and older, and meet income guidelines as set by the department of Housing and Urban Development. Each unit carries with it rental assistance, so that tenants will pay no more than 30% of their adjusted income for rent. Amenities of the Meadows include a community building with laundry area, space for community gatherings and fellowship, and an onsite office for the occupancy manager. Each apartment also has an emergency call system, major kitchen appliances, central air/heat, and wiring for telephone and cable. By the time you read this, The Meadows will have already begun to qualify eligible seniors, and hopefully will be nearing 100% occupancy.

In the meantime, while working towards completion of the Meadows, we have also made many improvements within Wesley Village. We have recently upgraded our fire-alarm system, and are planning to begin renovations in our food service department soon. Through the efforts of our primary food vendor, we are benefiting greatly from a chef, who is serving in an advisory capacity. Our food service staff's knowledge has been greatly enhanced in the areas of menu planning, food preparation and presentation. We all, residents and staff alike, are enjoying the fruits of his labor! Those who attended the Ribbon Cutting Ceremony for the Meadows will certainly agree.

We are dedicated in efforts to strive in making changes to make our fourteen-year-old facility more attractive, usable, safe, and home-like for those in need of our ministry. This year has been a big milestone for Wesley Village in growth and purpose. We thank the North Texas Conference for your continued prayer and support, and invite you to visit us soon.

WESLEY FOUNDATION
SMU

This year has been one of the most exciting for the SMU Wesley Foundation. When we began the academic year last August, we had no idea what God had in store for us. At our first Wednesday night Chapel, we nearly filled Perkins' Chapel. 75 students actively participate in our Discipleship Groups that provide a safe space for accountability, prayer, bible study, and spiritual growth. Over Spring Break, we sent out two SMU-RAW (Reaching Around the World) teams on mission trips: one to Juarez, Mexico to work with Amor Ministries and the other team to Denver, CO to work with an inner-city network of ministries called the DOOR Program. The Wesley hasn't forgotten the needs of the people right here in Dallas either. Every month our RAD (Reaching Around Dallas) Ministry organizes events for the Wesley to serve the communities around the campus.

Finally, this summer will find a group of students back at Kenya Methodist University for the 7th year to participate in weekend crusades, minister to the street children of Me and work with an orphanage. No matter where we are or what we are doing, we are making disciples of Jesus Christ.

The SMU Wesley Foundation is not just a ministry to students, but also a ministry of students to students. Our mission continues to be one of raising up the next generation of Christian leaders by equipping our students for the work of ministry. Our Leadership Team of 30 + students continue to impact our campus with their faith, their talents, and their passion to share the love of Christ to their peers.

Representatives of the SMU Wesley Foundation will be at your annual conference to share about our program and present the latest painting by Dr. Kenneth Wyatt, "Coming Home". Taken from the story of the Prodigal Son in Luke 15, the painting depicts the joy of our heavenly Father when His children come back home. The proceeds from the painting will go toward our campaign to strengthen the ministry of the SMU Wesley Foundation and build a United Methodist Student Center on campus.

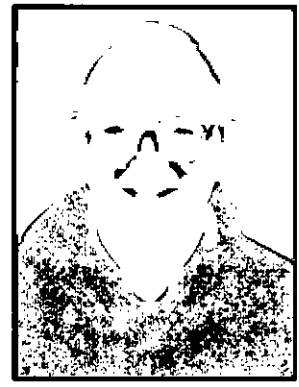
Raymond Franklin Butts



Raymond F. Butts, 68, died September 11, 2001, at his home in Farmers Branch, Texas of a massive heart attack. He was born December 24, 1932 in Altus, Oklahoma, to Esta and Arch Butts. His parents, one sister and three brothers preceded him in death.

He graduated from East Texas State in 1952 with a bachelor's degree in math and received a bachelor of divinity degree from Perkins School of Theology in 1955 having completed his education at the age of 22. He married Nancy Boehmer May 5, 1960, at Cochran Chapel United Methodist Church where he was the associate pastor and she was the church secretary.

He served various churches across the North Texas conference either as senior pastor or associate pastor for 38 years. XVI. STATISTICIAN'S REPORT

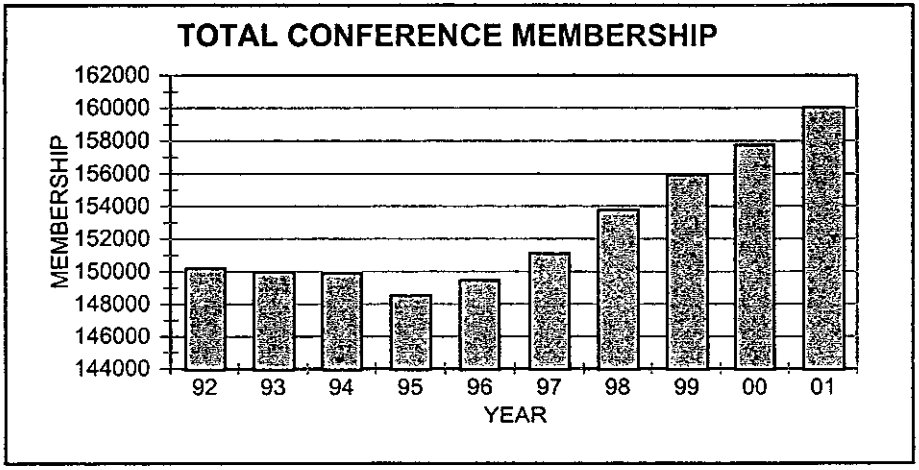
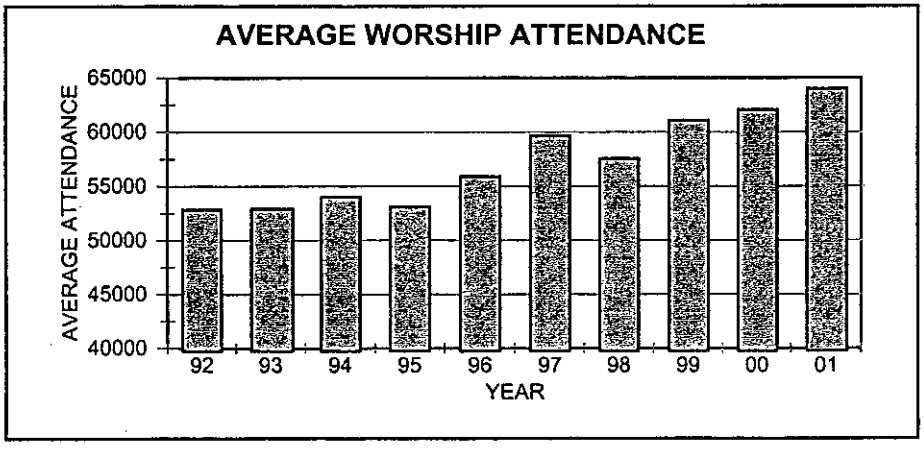
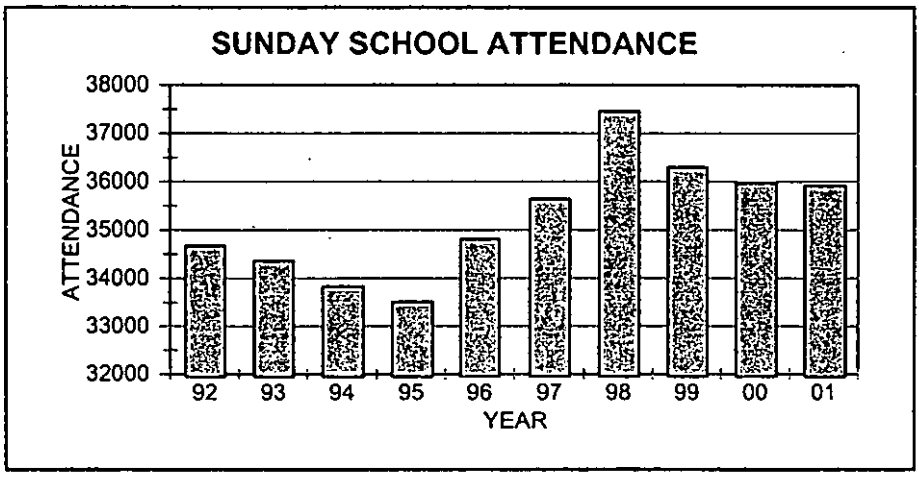
For the sixth straight year, the membership of the churches of the North Texas Conference increased. The total conference membership at the close of 2001 was 160,029, representing a net growth of 2,266 members or 1.4% over 2000 and the highest membership total in the history of the conference.



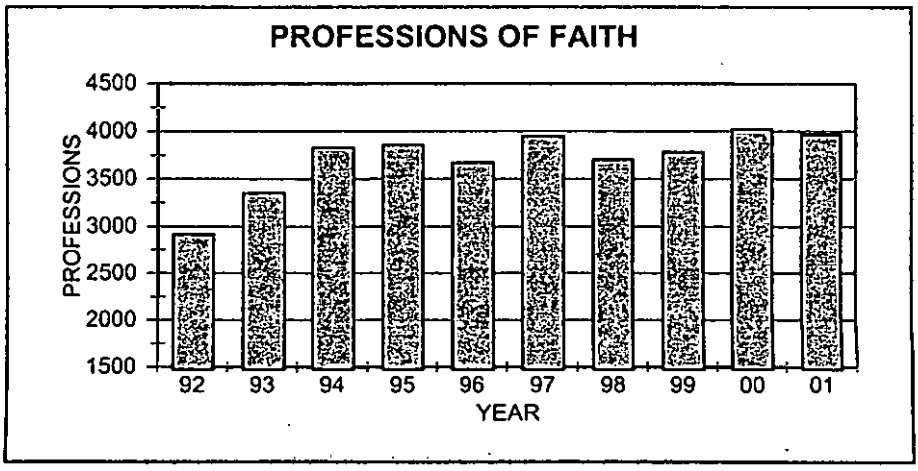
Average worship attendance also increased in 2001 by 1,955 persons or 3.2%. At 64,015 this average attendance was also the largest ever recorded for the conference. The ratio between worship attendance and membership increased from 39.4% in 2000 to 40.0% in 2001.



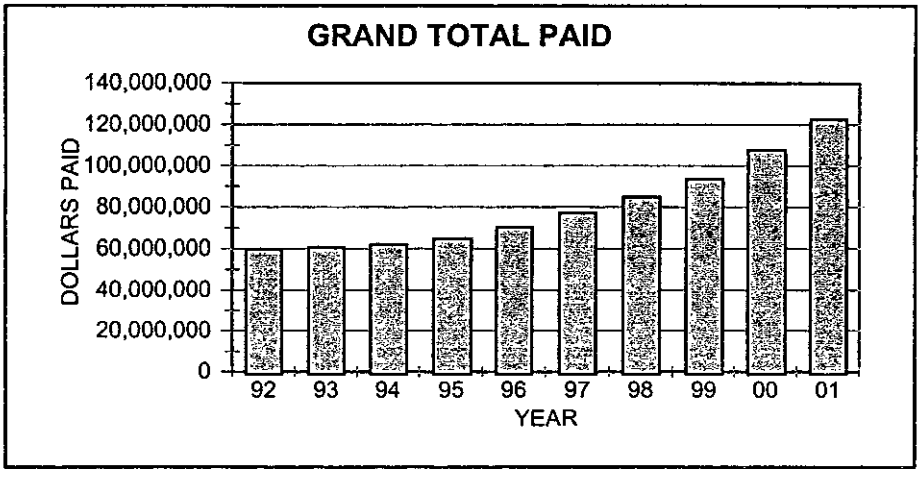
Unfortunately, the average Sunday School attendance declined for the third consecutive year, from 35,966 in 2000 to 35,914 in 2001. This was a decrease of 52 persons or 0.14%.



Over the past ten years the number of professions of faith has varied between 2,920 in 1992 and 4,021in 2000. The 2001 total of 3,973 was the second highest of the decade.



Another noteworthy statistic from 2001 was the large increase in total expenditures by the churches of the conference. The grand total paid to all causes increased from $107,693,160 in 2000 to $122,511,709 in 2001, an increase of $14,818,549 or 13.7%.



Clearly, the churches of the North Texas Conference are alive and well and moving forward with strength and vitality!
