REPORT OF DISTRICT SUPERINTENDENTS

(Read by Gerald P. McCollom)

We are happy to submit this composite report for the Bishop, the eight District Superintendents, the Pastors, and the Members of the Methodist Churches of the Conference. We are a part of the great Methodist fellowship throughout the world. This report represents the achievements, faith, hope and devotion of all to the Church we love so much. As we make this report we are thinking of individuals; their loyalty and often sacrifices for the Kingdom of God.

Evangelism

Methodism was born of an evangelistic passion. God has prospered the Churches of the North Texas Conference because of the continued evangelistic fervor of our pastors and people. The UNITED EVANGELISTIC MISSION in co-operation with the Houston Area was a great success. Many thousands of our people attended the mass meetings which climaxed the Mission.

There have been received into the churches of the North Texas Conference 12,393 by confession of faith; 8,986 by certificate; and 1,433 from other churches. These additions portray thousands of visitors going out two by two into homes with an invitation to "come with us to Christ."

Three new congregations have been, or, are now in the process of being organized.

Methodist Youth Fellowship

Youth work is growing in the Conference and is becoming better organized. Splendid leadership has been given by Neal Heidrick, the Conference Youth Director, district, sub-district, and local church leaders. More than 5,000 youth gathered in District Rallies during the "All Texas Revival." Out of these rallies 187 young people came to the altar and said, "I am committing my life to Christ and to the Church for full-time service." These young people are sincere, efficient, and consecrated to Christ. The "Boys Conference" and the North Texas Youth Conference at Sherman were well attended. The Youth Camps, District, Sub-District Meetings and Wesley Foundation have had large attendance during the year. The programs were well planned and effectively given.

We extend to you the right hand of fellowship and pray that God will grant you "courage for the living of these days."

Woman's Society of Christian Service

The Woman's Society of Christian Service reports twelve new Societies and nine new Wesleyan Service Guilds, making a total of 238 Societies and 75 Guilds: a grand total of 313.

There are 16,197 members; an increase of 1,054. Total number of Special Membership, 698. Amount realized from this source, $10,650. The W.S.C.S. of the North Texas Conference has raised this year for all purposes, $206,314.

Rural Work

The work in the small town and country, headed by Dr. William B. Slack, President, and Rev. O. B. Rogers, Executive Secretary, continue in developing the life of the rural churches in the Conference. They have assisted in rural seminars, aided in County Men Organizations, and have promoted the program of the Lord's Acre.

Finance

Amount raised for all purposes	$ 4,717,584
Support of the Ministry	924,342
World Service	146,356
Advance	72,463

Other benevolent causes, such as: Methodist Home, Texas Home and Mission Training School, Golden Cross, Race Relations Day, Church Schol Day, Student Day, Wesley Foundation Day, College Day, Week of Dedication, and other benevolent interest of the church, $406,707.

The above amounts expresses the belief and faith of our people in the value of the Church.

Building and Improvements

The Churches of the Conference continues to make progress in the improvement of church and parsonage property, and in the building of new churches. Twelve churches have been built; 11 new educational buildings; and 16 new parsonages. One new chapel, Cole Chapel, Denton. Churches have been redecorated and made more attractive for worship and other church activities. Parsonages have been redecorated and refinished. We rejoice in these marks of progress.

Lay Activities

The roll of the Laymen in the work of the Church is increasing in volume and importance. J. V. Folsom, Conference Lay Leader, his associates, district and district associate lay leaders, have contributed much to our progress. The Methodist Men's Clubs, the participation in visitation evangelism, the district planning conferences, Laymen's Day, the Laymen's Retreat at Lake Bridgeport, Leadership Training in Boy Scout Work, teaching in Gospel Institutes, and serving as lay Pastors in the rural churches, are helping to enlarge the vision of the church membership as to their responsibility to world wide service.

Christian Education

There has been an increase in our Church School Enrollment of 4,313. This increase was accomplished because of the untiring effort of great numbers of men and women who serve on the Boards of Christian Education. There is no more loyal group than the staff of workers and teachers in the local church schools. Ooe thousand seven hundred and fifty have taken courses in leadership training. Ten training schools have been conducted. There is a growing interest on the part of the pastors and members alike in promoting Vacation Church Schools and the record enrollment continues to rise in the Conference.

Our Parsonage Families

The New Quadrennium

Since the days of John Wesley, Methodism has been in the mainstream of the life of succeedings generations with its message of Christian power and salvation.

As never before the recent General Conference at San Francisco lifted its eyes to the horizons of world hope and need. It offers Methodist and each church within the connection the supreme challenge to help the Advance for Christ made in the past quadrennium To surrender our Advance Specials under the pressure of the other activities of the Quadrennium would mean defeat of the spirit of the Advance. The fact that we have no quotas is a challenge to our devotion and loyalty. If the Methodist of the North Texas Conference will walk with Him, and in the light shed upon our day as given to us by the General Conference, then our future will be bright with promise and God will crown our Churches with the seal of His favor.

Respectfully submitted,

W.S.C.S. REPORT

Report of Work

Bishop Martin, and Members of the Annual Conference and Visitors. The W. S. C. S. of North Texas Conference appreciate this opportunity of reporting the work that has been done for the year 1951-52:

Every department of our organization is functioning well. The Program of Advance for this last Quadrennium has been a time of marvelous growth, spiritually and physically. We now have 238 societies, an increase of nine over last year. Seventy five W. S. G. a total membership of more than 16,000 women, a net increase of 1,054 members over last year. Yet we are far short of reaching our goal, that every Methodist woman a member of the Woman's Society of Christian Service and Wesleyan Service Guild: but we will keep this goal before us. We hope that every Methodist Woman will be told of the plan her church has for her and if at all possible her talents, her prayers, and her gifts, be enlisted in service. We want a society or at least a district member in every church in our Conference.

The first two years of the Quadrennium we met our 33⅓% increase in giving, and last year our 15% increase, a goal set by the Division. This year we have paid on Pledge to Division Treasurer $96,438.47. The total for the Weeks of Prayer was $8,211.12 paid. Dallas Board of Missions $8,978.48. This year we had 698 special Memberships from which the Conference received $10,650.00. Disbursement for Conference and District Cultivation and other expenses $5,789.04—a grand total of $102,227.51. The eight districts in our Conference have given an estimated amount of $104,086.66 for C. S. R. and L. C. A. making a grand total from all departments of $206,314.17.

Our special Missionary Projects are 11 Bible Women in India, China, Korea. Five Scholarships, three in Mexico, one in China, one in Mexco. Our newest missionary is Mary Lou Santillian, a Dallas girl, who is now working in Cartazar, Mexico. In North Texas Conference we have five active Deaconesses. We are especially proud of the work of our North Texas Rural Worker Estelle McIntosh, deaconess, whose salary is paid jointly by the Board of Missions and W. S. C. S. It would take too long to tell of the many things Miss McIntosh has done. In her report she says "We are beginning to see growth in the organization of the churches, in the lives of the people, and growth in evangelism." There is a growing awareness of the need of the church in the communities. The people are thinking more about their churches in a financial way and looking for better leadership from their ministers. "The Lords Acre is beginning to take hold in several of the churches." Miss McIntosh is Vice President of Deaconess Bureau and attended meeting at Buck Hill Falls and presided at Deaconess Association at Jurisdiction meeting in Omaha.

We have done an intensive cultivation work this year, by sending women to the following outstanding meetings. Mrs. Grover Johnson attended the Denver Institute on Alcohol Education, put on by the Board of Temperance. Mrs. Johnson has visited all districts, many churches and schools, and we feel that she has done a wonderful work for our girls and boys. Many of you heard her fine report last Wednesday.

Mrs. Jack Simms attended the Seminar in New York and Washington on "Issues of Peace" and is bringing information to the Districts. Mrs. John Braman, Secretary of W. S. G. was also selected to represent not only North Texas but all of Texas at Buffalo New York.

National Conference of churches of Christ in America's Seminar on "The Christian and His Daily work."

We have secretaries of Student Work. Youth work and children work in practically every society. The Student Secretaries keep in touch with students that go to college, and co-operate with director of the Wesley Foundation. Many local societies are taking part in placing a Mission Library on each Campus in our Conference, where there is a Wesley

Foundation or Methodist Student Movement. Missionary Education is stressed in our youth work. "Additional Sessions" are heid to promote interest in Missions in the children work and the secretaries encourage use of Methodist Literature in church schools.

Our Conference School of Missions was organized four years ago, we have had an increase in number and in interest each year. Every society in North Texas Conference had the opportunity of attending a Missionary Education Seminar last fall. Our goal is, every Methodist Woman studying, praying, and building a christian community. In our Speritual life work more Prayer Groups have been organized, more study classes formed, and more service rendered to shut ins.

Our Missionary Personnel Committee has one prospective candidate for full time christian work and has sent three names to National College, Kansas City for girls interested in becoming full time christian workers. In many district a great number of youth have volunteered for christian service. Our Personnel Committee will cultivate and help these girls as they continue their studies.

I think the preachers will bear me out that all this is in addition to what these women are doing as devoted members of the churches throughout the conference; therefore we make an appeal again to the Pastors and District Superintendents to help us get a society in every church.

Bishop Martin, we pledge our continued allegiance and support to our pastors, to our churches and to the on going program of the Conference.

Respectfully submitted,
MRS. L. R. MITCHELL, Pres., North Texas Conf. W.S.C.S.

The Town and Country Commission Reports

The Town and Country Commission, an inner board composed of the Bishop and the Cabinet; the Conference Executive Secretary, a representative from the various Boards and Commissions; one Rural Pastor from each District; one Layman from each District; the Conference President of the Women's Society of Christian Service and other agencies and groups as required in Paragraph 1232 in the Methodist Discipline, brings the following report for this conference year.

The highlights of the year in special conferences begins with the National Conference on Town and Country Work at Sioux City, Iowa on July 21-24, 1951. The North Texas Conference was well represented. This was a great inspiration to all who were privileged to attend. Here was gathered representatives from all over the United States bringing the information and testimony of workable plans. And when it was brought from all over the country it was made to fit together in a wonderfully coordinated movement and plan. Out of this conference came inspiration that made into a greater and more effective Town and Country Conference at Lake Bridgeport in August of 1951. Here again we were inspired as District Superintendents and Pastors, layman, and government and county officials applied themselves to the task of seeking greater ways and means of meeting the immediate needs of the Town and Country Church and offering a challenge to arise to higher planes of service through Christian Stewardship.

The Town and Country Commission has moved toward the fulfillment of its purpose in "Developing a cooperative procedure between the church and social and government agencies throughout the conference" as these various groups have been brought together to make their contribution in a cooperative movement. It has been that which gladdens the heart of those promoting this cause as District Superintendents, District Secretaries, District Lay Leaders and Associates, Women's Workers, Methodit Men's Groups, Youth Leader, and County Agencies have applied themselves to meeting the needs of the Town and Country Church. County wide Institutes, Charge Institutes, Sub-District Area meetings, Lord's Acre Conferences, and other phases of stewardship have been put into practice. At the close of this conference year we can report some 30 churches participating in the Lord's Acre Plan. It has proved the solution to financial problems in many of the churches in helping to build new sanctuaries, educational facilities and toward assuming greater responsibilities in pastoral work.

The Town and Country Commission become more and more effective as it brings the program of the church to be applied to the actual needs and problems of local church. However well planned a program may be in the sense of theorozing it does not become effective until it is made applicable to the smallest church.

The population may be decreasing in the town and country, but methodism is on the increase. And its aims and goals are toward a greater and more effective church program for every church large or small, by the help of God.

W. B. SLACK, Chairman.

METHODIST HOME

The emphasis at the Methodist Home continues to be on the development of a child-centered institution which tries to apply the best knowledge of happy child growth and development with warm, human consecration and scnentific purpose and work.

Institutions, such as the Methodist Home, were, at one time, considered chiefly as a place for orphaned and homeless children to live, providing little more than shelter and custody. Later, school and education were included. However, present planning by institutions which are thoughtful and serious about their responsibilities is thinking increasingly in terms of treatment—help with the problem of children. Children who live in institutions need the same things that all children need, plus help with the problems which bring them to institutions.

In an effort to provide group-care, which is built upon the individualization of every child in the group, the home-unit or cottage plan for housing the children has proven very helpful. We are now near the goal of providing for every child in this manner.

The attention of the Conference is especially called to the fact that on October 2, the six new home-units, which are now nearing completion, will be dedicated. A great day is anticipated and a cordial invitation is extended to all friends of the Home to attend.

This conference will be particularly interested in the Dorothy DeShong Building which was given by Mr. and Mrs. J. C. DeShong, Paris and the Cora DeShong Building which was given by Mr. and Mrs. Lloyd DeShong and Mr. and Mrs. J. C. DeShong, both of Paris.

During the past year there were under care 448 children. There were 21 students who finished Junior High, 11 boys and girls finished Senior High School, and 4 graduated from College and received bachelors degrees.

We recommend the following commissioners for the Methodist Home for the ensuing year: (See Committees)

We recommend that each pastor, during the month of December, inform his members of the work of the Methodist Home and take a "free will" offering for its support.

Respectfully submitted,

THE COMMISSION OF CHRISTIAN VOCATIONS

We call attention to the fact that several changes were made by the General Conference concerning the Christian Vocations Commission in the Annual Conference. Therein, there shall be a Commission on Christian Vocations, with personnel somewhat changed from the previous Committee on Christian Vocations. **We wish especially to call attention to General Conference action concerning a Committee on Christian Vocations in the local church, which reads as follows:**

In each Local Church, there shall be a Committee on Christian Vocations, which shall be composed of the pastor, a layman elected by the quarterly conference, a representative of the Woman's Society of Christian Service, the superintendent of church school and the superintendent of the youth division in the church school. It shall cooperate with the Annual Conference Commission on Christian Vocations in discharge of ts responsibilities.

The following suggestons and recommendatons are made to the Commission of the coming year:

I. The Commission on Christian Vocations should work through the following media:
   1. Conference, District, and Sub-District youth rallies.
   2. Conference and District youth camps and assemblies.
   3. The Older Boys' Conference(sponsored by cooperating Board of Ministerial Training and Qualifications and the Commission on Christian Vocations).
   4. An Older Girls' Conference(sponsored by cooperating Conference WSCS and the Commission on Christian Vocations).
   5. Keep close contact with the Committee on Christian Vocations in the local churches.
   6. That a period at Annual Conference, possibly Saturday night, be devoted to the presentation of Christian Vocations and recognition service of those moving toward full-time Christian service.

II. The Commission on Christian Vocations makes the following recommendations to Local Church Committees on Christian Vocations:
1. Use of films and filmstrips such as:
"South of the Clouds"
"Crossroads"
"Again Pioneers"
"We Would Be Building"
"Where Are You Going"
2. Ask ministers to preach at least annually on "The Call to the Ministry" and "Christian Vocations."

III. It was felt that with the Commission on Christian Vocations coming into larges responsibility for recruitment of Christian full-time workers, there should be funds available for promotion for its work.

The Commission on Christian Vocations therefore requests the World Service and Finance Committee to appropriate the sum of $500.00 for promotional and enlistment work.

THE MINIMUM SALARY COMMISSION

Our work has been made easier by the general raise in salaries over the Conference. We have received from all sources this year $38,523.20, and have spent in maintaining the minimum salary schedule for the Conference $27,944.10.

We recommend the following schedule of minimum salaries:
1. $2,100 for the conference man who gives full time to his work.
3. $1,600 for the conference man who is also a student.
3. $1,800 for the supply pastor who has served 5 years or more in the North Texas Conference.
4. $1,500 for the supply who has served less than 5 years.
5. Student ministers to fall under the following classifications:
(a) $1,200 for the non-resident student who goes out on Sunday to his charge.
(b) $1,400 for the non-resident student who gives 3 days and 3 nights a week to his charge.
(c) $1,600 for the resident student pastor who lives on his charges and whose wife does not work outside of the charge.
(d) $100 shall be deducted from each of the above should the student not spend three full months on his charge.
6. Before a charge becomes eligible for help under this program, it must pay $1,000.00.
7. The scale of giving to this fund by both pastor and charge shall be the same as last year.
8. Expense accounts given to the pastors by churches receiving help from this fund shall be reported to the commission and added to the salary in determining the amount of help to be given by this fund.

REPORT NO. 3

John Wesley took the church to the people where they were. We face a similar challenge in the North Texas Conference today. Large numbers of our people have moved from the rural areas to the cities and industrial centers of our Conference. The Methodist church must follow them, and establish churches to serve them. Your Board of Missions is trying to assist the District Superintendents in establishing new churches in these new centers to which our people are moving. The past year we have assisted in establishing seven new churches, and will assist in tarting five more this next year. Most of our assistance has been in providing salaries for pastors assigned to these new church projects. We have also assisted several small churches in repair and building programs. There are many areas in our Conference where new churches ought to be started right now, bu tyour Board of Missions is limited by the funds at its disposal. We are anxious to assist the church in entering these new fields just as rapidly as our funds will permit.

Your Board of Missions hopes to be able this next year to carry out, throughout the North Texas Conference, a comprehensive program of Missionary education and promotion, t the end that our people might be helped to see the pressing challenges that we face both at home and abroad. That we might be able to do this, we urge the District Superintendents to work with the Conference Secretary, and their District Missionary Secretaries in working out in every district, District Missionary institutes.

In order to implement the all Texas Stewardship Campaign in the purpose to promote a vigorous program of Missionary education and and cultivation, through our Conference Missionary Secretary and his corps of District Missionary Secretaries.

We recommend the election of W. R. Corrigan as Conference Missionary Secretary.

JOHN S. RICE, Chairman; M. C. Smith, Secretary

COMMISSION ON WORLD SERVICE AND FINANCE

Your Commission on World Service and Finance has faced a more difficult task than usual in setting up a budget for the Annual for the coming year. With $35,000 in increased askings from Conference Boards and Agencies, with the need for increasing our general World Service giving by at least 15%, and in order to stay within the 25% over all increase recommended by the cabinet, we were faced with the necessity of cutting drastically several of the askings. While it is the regular duty of our Commission to examine in detail the financial program and needs of each Board and Agency of the Conference, we are grateful for the understanding and support of the Planning Commission in requesting an even more detailed study this year. This we have done. We believe the following allocations to be as fair to the total program of our Conference as we are able to make it. We regret that some items had to be reduced or eliminated altogether, and we appreciate the cooperative spirit of the members of the various boards and committees before us.

We desire to commend the District Superintendents, pastors and laymen for their wholehearted cooperation in making our Conference a 100% Conference for the fourth year.

ALLOCATIONS TO THE DISTRICTS

World Service and Conference Benevolences

The total budget of $168,144.00 is being allocated to the districts to be raised June 1, 1952-June 1, 1953 on the same percentages used for the past year. These percentages are based on membership and ability for the Dallas and the Wichita Falls districts and on membership and ministerial support for the other districts. It is recommended that the General Administra-

tion and Jurisdictional Conference funds be added to the total in each district, with the understanding that the Conference Treasurer will make appropriate division of the Funds.

(2) Not later than one week prior to the opening of the Annual Conference each Board and Agency receiving money from the World Service and Finance Commission shall submit a report to the Conference Treasurer, and to the Secretary of the Commission on World Service and Finance. This report is necessary for the central audit by the Certified Public Accountant who audits the Conference Books and must contain an itemized statement of receipts and disbursements. To this report they shall attach all cancelled checks, a list of checks not at that date returned by the bank and a cashier's check payable to the North Texas Conference Treasurer for the unused balance of funds.

(3) All Boards and Agencies receiving funds from the Commission on World Service and Finance shall place in the hands of the Secretary of the Commission a written statement of their askings for the coming year. We suggest this be done not later than 30 days prior to the opening of Annual Conference. (see change in standing, Rule 26)

BUDGET FOR 1952-53

The following items compose the budget which is being allocated to the districts to be raised June 1, 1952-June 1, 1953 and represents the amounts available to the various causes, as indicated, by June 1, 1953.

(A) WORLD SERVICE ..... $ 75,134.00
(This represents a 15% increase over last year's giving and a 5% increase over the amount asked by the General Conference. We are still paying the penalty for a mistake in bookkeeping made in 1940 which caused the North Texas Conference to be considerably under its proportionate share in line with other Conferences in Texas. While we have voluntarily paid more than the askings each year, we are still behind what we ought to be doing. Hence the 5% increase over the askings of the General Conference. We recommend additional increases in the proportion of World Service and Conference Benevolences during the quadrennium. The ratio between the two for this year is: 45% General World Service and 55% Conference Benevolences.

(B) CONFERENCE BENEVOLENCES		
1. Board of Education	$30,844.00	
(This includes $1,000 for Executive Secretary's car and $1,000 for Bridgeport Camp Insurance)

OTHER CLAIMS

The EPISCOPAL FUND is another claim which must be handled as a separate item and remitted accordingly. The new law provides that this shall now be based upon 2% of the cash salaries paid to ministers assigned by the Conference.

THE CONFERENCE CLAIMANTS FUND is another separate item. An amount equal to 15% of the pastor's salary is to be collected in each church and remitted to the Conference Treasurer as such.

CONTINGENCY FUNDS

In order that an accurate accounting of contingency funds of the Conference is made, it is the policy of this Commission to request that individual boards and agencies hold only an emergency reserve at the close of each year and that the Contingency Fund for all Boards and Agencies be held as a common fund by the Commission on World Service and Finance. At the present time this fund is $37,000.00 (see Treasurer's report); which amount is held to be sufficient as a reserve for this Conference to contingencies that might arise.

CONCERNING SPECIAL DAYS

We approve the following special days:
The Methodist Home at Waco
The Texas Mission Home and Training School at San Antonio

The Methodist Hospital at Dallas for Golden Cross
The Wesley Foundation $5.00 Plan
The C. C. Young Memorial Home at Dallas

We recommend the following change in the standing rules in regard to request for funds from the Commission on World Service and Finance:

Change the Standing Rule Number 26 to read as follows:

"All requests for Conference funds which by law are required to be presented to the Commission on World Service and Finance, shall be in the hands of the secretary of "The Commission, in writing, not later than thirty days prior to the opening of the session of the Annual Conference."

DISTRICT SUPERINTENDENT'S FUND

We recommend that the District Superintendent's salaries be paid, according to the plan adopted last year, from a common fund raised by an assessment of 10% on the salaries of all pastors appointed by the Conference. The salary for each district superintendent for the quadrennium shall be $7,200.00 per year with an annual expense account of $1,200.00 for each superintendent with the exception of the Dallas District Superintendent, which shall receive $1,800.00. (See 1951 Conference Journal for details of plan.) Should an emergency arise requiring a reconsideration of the amounts of salary and expense, the Commission on World Service and Finance will recommend adjustments.

CONFERENCE TREASURER

We wish to express our appreciation for the efficient and faithful work of our Conference Treasurer, B. C. Fielder and wish to nominate him as Conference Treasurer for the coming Quadrennium. We call the attention of the Conference to the fact that for the first time in recent history the books of the Treasurer and the District Auditor's reports from the pastors balance. This has been made possible by the efficiency of our Conference Treasurer and the cooperation of the district auditors and the pastors in the application of standing rule Number 28.

TEXAS COMMISSION ON WORLD SERVICE AND FINANCE

We heartily endorse the recommendation of the Texas Planning Commission that the five conferences of Texas establish a Texas Commission on World Service and Finance to be composed of the Bishops and Chairmen and one layman from the various Conference Commissions and one cabinet member from each Annual Conference of the state. The Texas Commission would receive from all causes and institutions supported by two or more annual conferences annual reports of budgets, incomes, askings and other pertinent data for the purpose of study and guidance in making recommendations to the Annual Conferences.

COMMISSION ON WORLD SERVICE
LANCE WEBB, Chairman
FLOYD A. BOULWARE, Secretary

COMMISSION ON WORLD PEACE

We your commission on World Peace present the following report.

Our nation and our world continues to be on trial before God. In the midst of blessings uncounted we are living constantly in the presence and fear of war. We are convinced that our world needs aggressive spiritual leadership in every council and authoritative body. Only as we lead our world in a great crusade for Godly living can we hope for peace that is permanent.

Christians must sieze upon every possible help to make God's Will and Way known within our nation and our world. May we bind ourselves together in prayer for guidance and courage in living His way of World Brotherhood.

We recommend the full co-operation with the new Commission on Economic and Social Relationships which will be the successor to the World Peace Commission.

Faithfully yours,

UMPHREY LEE, Chairman
BOYD I. DeVORE, Secretary

BOARD OF EDUCATION

REPORT NO. 1

The annual conference year now closing has been a fruitful one in the educational work of our church. The year began with conference and local church workers aware of the emphasis of the closing year of the Advance for Christ and His Church. During the year, as throughout the quadrennium, your Board of Education endeavored to cooperate to the fullest extent in accomplishing the goals of the Advance.

Summer Activities and Leadership Education

Following a series of workshops for training adult workers, 144 vacation church schools, planned for the new year, eleven workshops were held with more than a thousand adult workers in attendance. We wish to commend all conference and district voluntary workers for this excellent program of preparation, and district superintendents and pastors for encouragement and cooperation.

The North Texas Conference met its full quota of leaders and workers at Mt. Sequoyah Leadership School and Youth Workshop. Interest in the 1952 jurisdiction enterprises indicates that our conference will be fully represented. Our conference met its quota of attendants at the National Conference of Methodist Youth which met at Purdue University last August.

Christian Workers Schools and Classes

The Board of Education cooperated with the conference Womans Society of Christian Service in a school at First Methodist Church, Sulphur Springs. The Conference WSCS schol is set-up for July 21-25, 1952, at First Methodist Church, Denton. A district youth workshop was held at First Methodist Church, Dallas, last September with 131 persons enrolled. A total of 22 schools and classes were held with 2,204 enrolled for class work.

Bridgeport Camps, Retreats, and Conferences

Fourteen hundred or more persons attended the 21 enterprises planned for the Lake Bridgeport Methodist Camp. There were 783 youth, and 621 adults who had the privilege of a camping experience. Programs have been planned for the season which opens on June 14.

Church School Literature

From a statement to the Annual Conference by the editors of Church-school literature, the following quotations are given:

"In a sense the editors have felt that our staffs extend out over the church and might be numbered by the thousands. It is not easy in agreat church to keep in close contact with the needs and interests of those whouse the church-school literature. However, we are able to keep in contact with the "grass roots" as counsel is given us by fellow workers just as fully committed to Christian education as those of us in the editorial offices.

"Recent developments in literature. The new **Learning of Life** quarterly for adults has reached a circulation of 20,000. This is most gratifying. **Sourcebook for the Methodist Sunday Evening Fellowship** is being well received. This quarterly is being revised in the light of suggestions coming to us from the field.

"The editors depend on co-workers in conferences, local churches, and homes to help us to make the material what it should be and what Methodists expect it to be."

Methodist Schools and Colleges

Personal representatives were before the Board of Education from Southern Methodist University and Perkins School of Theology, Southwestern University, and Texas Wesleyan College. The North Texas Conference is represented on the oBard of Trustees of each of these institutions. Financial appropriations as indicated in the treasurer's statement are made to these educational institutions. We believe that our schools and colleges should receive the patronage and financial support of all Methodists within our local churches. The Board of Education recommends continuation of cooperation with offices of the Texas Methodist College Association. Special days which have to do with Methodist schools and student work as provided in the Discipline or authorized and ordered by annual conference action, will be found listed in the report of the Committee on Special Days and Offerings.

The Board of Education has been asked to request increased appropriations for the Wesley Foundation, Commerce Student Work and Denton Student Work. These appropriations are for budget for employed personnel and program expense.

REPORT NO. 5

Program

Seeking God's guidance, we propose that as the guiding purpose of the North Texas Conference in the coming quardennium, we confidently undertake four basic goals, each of which is imperatively necessary:

1. Win souls for Christ as never before in our history.
2. Bring people into our church schools in unprecedented numbers
3. Deepen our concern and increase our activities for all the peoples of the earth
4. Lay upon the altars of our churches for Christian causes no less than a tithe of our incomes.

These four great expectations embrace concerns of other Boards as well as of your Board of Education. In a spirit of brotherhood we offer our cooperation and the full power of our church schools and other organizations and programs related to this Board, in bringing these goals to satisfactory realization. To this end, we propose that at the special session of our conference on October plans be developed representing the combined efforts of the Boards of Education, Evangelism, Missions and Lay Activities.

LAYMEN REPORT

All in all, this has been a good year and as in the past, I would say that it has not been anything like what it should be but more of our district organizations are active today than they have ever been.

We have been pressing forward with our Methodist Men organizations and will continue to do so with the thought in mind that the more of these active organizations we can start, the more men we will bring into the work of our church. We believe that this is a program we can all get behind as the results wherever we have had an active organization has been splendid.

We are strengthening our district organizations in every way possible and will constantly strive to perfect the entire organization to the point that every group will be most active.

Some of our district groups have rendered outstanding service and we are very proud of them. We feel that they have been inspirations to some of the other groups that will give a good account of themselves during the new conference year.

We are laying plans for our Stewardship program and I feel sure that every group will enthusiastically support this program.

We are continually working for better youth conditions and for youth organizations such as Boy Scouts, Y.M.C.A. and all other programs that have to do with the spiritual life of our boys and girls.

I feel sure that the support the Laymen in the North Texas Conference give our Evangelistic program had a lot to do with its success.

We are striving to build our Lake Bridgeport Retreat to capacity and we have plans well underway to accomplish this in September.

We are still continuing the program of district wide meetings to better inform our Lay Leaders about the program of the church.

For the wonderful cooperation, the encouragement and the spiritual leadership of our District Superintendents, we are deeply appreciative. A finer group of Christian men, I have never seen.

Providence does some wonderful things and we thoroughly believe that Providence had a hand in bringing to us Bishop Martin. For his courageous leadership, his sympathetic understanding, his wholehearted support and his very fine Christian Life, we are grateful. We pledge to him and his program our wholehearted support.

Respectfully submitted,
J. V. FOLSOM, Conference Lay Leader

CONFERENCE ACTION FOR EXPENSE ACCOUNT

Since the question of allowing expense accounts for ministers has arisen to our attention is called, in Paragraph 264, 1948 Discipline, to the necessity for a vote by the Annual Conference.

Paragraph 264 reads as follows: "To the Official Board of Boards of Stewards is committed the responsibility of setting up a budget in each local church and making provision for meeting the same. The Finance Committee, prior to the close of each fiscal year, shall:

1. In collaboration with the financial secretary or treasurer, and with the pastor and other proper officials, prepare a budget for the ensuing year in the following form or some adaptation thereof as the committee may determine: a) Ministerial support and connectional and local expense, which shall include respectively pastor's salary and suitable provision for a dwelling, and apportionments for district superintendents, bishops, conference claimants, and the minimum salary fund; the General Administration Fund, and Jurisdictional Conference apportionment; and all current expense items such as employed helpers, supplies of all kinds, repairs and other items that properly belong to local current expense; provided that, when an Annual Conference so directs, local expense shall include necessary actual travel incurred in the work of the parish as well as office expense."

Be it resolved that the North Texas Conference approve the allowance of expense accounts for ministers wherever churches may so desire.

REPORT OF THE AUDITING COMMITTEE

North Texas Conference—June 7, 1952

TO THE MEMBERS OF THE NORTH TEXAS CONFERENCE
Dear Brethren:

We have examined the records of the following Boards and Commissions of the Conference and have found them to be faithfully kept. In auditing these books we have checked the Receipts, Disbursements and the Balance of the Treasurer's records with that given by bank statements.

Several of the Treasurers turned their books over to B. C. Fielder to go into the central audit with his books. These books were in the hands of Nelson and Nelson, Certified Public Accountants at the time of Conference and therefore not available to the Conference Auditing Committee.

Your Auditing Committee recommends for the next year that those Treasurers whose books will go through the Central Audit to please secure a letter from the office of the C.P.A. and place it in the hand of the Conference Auditing Committee as early in the Conference period as possible.

Those Treasurers whose books have been audited by Nelson and Nelson, C.P.Accountants, Republic Bank Building, Dallas, Texas are indicated by the asterisk.

1. *The Minute Fund, Cicero B. Fielder, Treasurer.
2. Board of Evangelism, W. Raymond Corrigan, Treasurer.
3. *Board of Missions and Churdch Extension, Thos. E. Hardy, Treasurer.
4. The United Methodist Brotherhood, T. H. Browning, Treasurer.
5. Group Insurance of North Texas Conference. Bolton Boone, Treasurer.

REPORT OF BOARD OF CONFERENCE CLAIMANTS

REPORT NO. 1

The income from the Joe and Lois Perkins Fund again showed an increase over any previous distribution. The amount was $10,870.69. This fund means much to many of our retired ministers and widows of ministers. We wish again to express our genuine appreciation of the very material aid the Perkins Fund renders to its recipients.

Instead of the $30 we recommended as the rate for 1952-53 we are glad to report that we are paying $32 per service year. We wish to recommend an apportionment for Conference Claimants an amount equal to 15% of the pastors' salaries, the same as last year. We think this will enable us to pay about the same rate in 1953-54.

First Methodist Church of Sulphur Springs owns a duplex, one side of which is rented in keeping with conditions of the bequest, rental maintains insurance and upkeep. The other side occupied by J. P. Luton and wife. Also there is a some owned by Wesley Methodist Church in Greenville which is occupied by Mrs. W. T. Whiteside.

By order of the Conference Board of Trustees and approval of the Board of Conference Claimants the homes at Enloe, Bells and Sherman were sold during the year for a total of $7,010. We also hold the sales price of a home sold at Paris, Texas, two years ago for $1,942.25, and $2,400 in Government bonds from sale of home at Nocona, Texas. Accrued interest on these bonds amounts to $270.

We have spent for repairs, maintenance and in insurance during the past year $5,786.62. Our homes are in much better condition now. But we still own a few which are sub-standard.

Since our conference seems established in its purpose to maintain homes for retired ministers, we believe that all of our active pastors should give this matter more thought and aid. There are doubtless several people within the bounds of our North Texas conference who would be glad to give a home for this purpose now, or in a will. Since we are doing something about this for our retired ministers and widows, let's do more.

The Board of Conference Claimants recommends the appointment of W. H. Vail as agent for homes.

PLANNING COMMISSION FOR PENSION ENDOWMENT

Your Pension Plan Board has no plan to present at this session of our conference, though we do refer you to the resolution of last year for further study, which sets forth four plans, any one of which may be used to more adequately meet the needs of our retired members.

However, after consultation with Bishop Martin and Dr. J. Wilson Crichlow, of the Missouri Corporation, a joint meeting of the Pension Plan Board and the District Superintendents will be held in early September.

Bishop Martin and Dr. Crichlow will be present with the joint groups, at which time, a suitable plan will be formulated for presentation at the October Called Session of the North Texas Conference.

This is of such paramount importance, it merits the fullest and most prayerful study of all concerned.

JOHN WESLEY POLK, Secretary

REPORT OF BOARD OF EVANGELISM

We, your Conference Board of Evangelism, present the following report:

At its organizational meeting the Board of Evangelism elected the following officers for the new quadrennium:

Chairman, Robert E. Goodrich; Vice-Chairman, H. C. Henderson; Secretary, Earl Hravey.

Walter Zimmerman was elected to serve as the Board Representative on the Town and Country Commission.

In the light of the unbelievably vast needs of our people for a major emphasis in evangelism, we present the following items for the quadmennium 1952-56:

A. For the local Church
   1. Every local church sharing the world-wide mission of evangelism.
   2. Every local church organizing its commission on evangelism at once, and through its commission setting up at least one mission of evangelism and one spiritual life mission a year.
   3: Every local church conducting a revival with preaching and visitation.

B. For the District
   1. A united evangelistic mission conducted on a district or inter-district level.
   2. Spiritual life mission for preachers and laymen in every district.

C. For the Conference
   1. A goal of at least ten per cent net gain in membership during the quadrennium.
   2. A youth work camp in evangelism in cooperation with the Board of Education.

The attention of the District Superintendents and preachers is called to the requirement of the DISCIPLINE with reference to the employment of evangelists:

"No pastor shall engage for an evangelist any person who is not a conference evangelist a regular member of the annual conference, nor an accepted supply in good standing without first obtaining the written consent of his District Superintendent."

We request Bishop Martin to appoint H. C. Henderson as Conference Secretary of Evangelism.

Respectfully submitted,
ROBERT E. GOODRICH, Chairman
EARL HARVEY, Secretary

REPORT OF COMMITTEE ON RESOLUTIONS

RESOLUTION NO. 1

WHEREAS Bishop William C. Martin has served with dignity, distinction and devotion as Bishop of this Area; and the Church and all its fields of service has advanced under his leadership;

BE IT THEREFORE RESOLVED, that this Conference go on record, requesting the Jurisdictional Conference to return Bishop Martin to our Area for the coming Quadrennium.

J. DANIEL BARRON, Chairman
JOHN DVORAK, Secretary

RESOLUTION NO. 2

Bishop Martin, members of the conference and friends, the Committee on Resolutions presents the following report:

With an air of expectancy and enthusiasm, the 87th session of the North Texas Annual Conference convened Wednesday, June 4th, in the very adequate and wholesome setting of First Methodist Church, Dallas, Texas, in which Dr. Robert E. Goodrich Jr., host-pastor, his staff and church were ever-responsive to the needs of the Conference.

President and Presiding Bishop, William C. Martin, the District Superintendents and the Planning Commission, the Conference Secretary, C. B. Fielder, his staff and other officials, developed and followed an effective schedule of Conference proceedings. Committees, Boards and Commissions labored late and long for the good of the Conference.

Evangelism and Stewardship, stewardship of the total life of the individual, were Conference keynotes.

Through the stirring messages of Bishop Lloyd Wicke of the Pittsburg Area, the Conference preacher, our lives were committed and re-committed to the service of others. His messages were supplemented by the soul inspiring devotionals of our own Bishop Martin.

Mr. Ray Nichols, a great lay-leader of the Northwest Texas Conference, presented the All-Texas Stewardship program, giving emphasis to the Stewardship of Life. Dr. Harry Denman of Nashville and the General Board of Evangelism thrilled our hearts with the ever-new yet ever constant challenge of the program of Evangelism in all its many aspects. Dr. Oscar Machado of Brazil's "Little SMU" gave us a version for our missionary task, as in the new Quadrennium we seek to continue the great advances made for Christ and His Church.

The Atmosphere of the General Conference was brought to those of us who could not attend in the brief but vital and vivid accounts of Dr. Harrison Baker, Dr. Willis Tate and Dr. Mhrshall Steel.

The causes of the Church and church institutions were presented for our consideration; and our complacent attitudes in so many areas of life were shattered by the call of things undone, that need doing.

The music for the Conference was under the direction of Dr. F. Lee Whittlesey, Minister of Music at Highland Park Methodist Church. Choirs of Dallas churches give heart-touching beauty to the heart-warming power of Bishop Wicke's messages.

Our Co nference owes a special thanks to all these and many others who labored in various capacities and fields of service. It is because of their self-less devotion that the Conference has been such an inspiration and challenge. It has been a great conference session, The various factors and elements have blended to form an effective combine, providing the needed stimulus for a quadrennium of cooperative accomplishments. It has been more than a business session or a routline review of the past year's work. It has been more than a time when old friends and new friends meet and experiences are re-lived. It has been more than a

stirring in memories; IT HAS BEEN AN INSPIRATIONAL CHALLENGE FOR THE FUTURE YEAR. It is our confident conviction that here, these past days, we have been very close to the Compelling Christ of the Centuries; and we shall look out through the coming year, in old and new fields of service, with faith, that as He walked with the disciples of old, He still walks with us, not merely with us . . . but out ahead of us . . . calling as of old . . . "Follow Me."

THEREFORE, BE IT RESOLVED that this Conference record not only thanks for the efficiency of the planning and promoting of this conference, but that there be recorded upon the heart of each one of us, a prayer for even greater spiritual effectiveness in the year to come.

REVEREND CHARLIE PINER COMBS

Charlie Piner Combs, son of William and Mary Combs, was born January 9, 1873, near Paris, Texas, and passed to his reward on February 26, 1952, at Terrell, Texas. He was married to Ida May Miller at Lake Creek, Texas, October 29, 1896, and to this union four children were born: Loyd M.,. Robert Maurice, Annie Mae, and Thelma. He was converted and joined the Methodist Church in 1887 at Pontotoc, Mississippi. He graduated from East Texas Normal College in 1907. He was licensed to preach in June of 1902 at Winnsboro, Texas; admitted on trial in the North Texas Conference, November of 1902, at Terrell, Texas; admitted into full connection in 1904 at Bonham, Texas; ordained a deacon in 1904 by Bishop Hoss; and ordained an elder in 1908 by Bishop Hoss.

Brother Combs served the following appointments: Maxey Mission, Greenwood Circuit, Yowell Circuit, Bailey and Hickory Creek, Duncanville and Wheatland, Ladonia Station, Deport Station, Jones Bethel-Wesley Chapel, Windom, Quinlan, and then returned to Bailey Circuit where he served a second time, making a total of 11 years served on this charge. He retired in 1940, making his home in Cooper.

Funeral services were held in the First Methodist Church at Cooper, February 28, with the services being conducted by the writer, assisted by W. H. Vail, M. G. Smith, J. P. Fleming and James E. Jones. Burial was at Cooper.

Charlie Piner Combs was one of the best men I ever knew. Few equaled him in character. I never heard him say a damaging word about anybody. If he had an enemy, I never knew it. He was one of the most youthful and progressive persons I ever saw. Hit talents made him versatile. He possessed excellent books. He kept himself abreast of the times. When he went to a charge his people so loved him that he stayed for long pastorates. He was unique in everything he did. His thoughts were clean, his motives were pure, his desires were holy. Like Nathaniel, he was a believer "in whom is no guile."

"Servant of God, well done!
Thy glorious warfare's past;
The battle's fought, the race is won,
And thou art crowned at last."

—TIMOTHY W. GUTHRIE.

REVEREND ALBERT LOUIS SCALES

Dr. Albert L. Scales was born in Lewisburg, Arkansas on August 2nd, 1869.

He fell on sleep in Dallas, Texas, December, 1951, at the ripe age of 82 years.

These were well spent years devoted to preparation for the ministry and later to the life of an active and successful pastor in three states, Missouri, Oklahoma and Texas. Most of his active years were spent in three Texas conferences, North Texas, Northwest Texas and Central Texas.

He was a modest, amiable, scholarly man, not given to conference debates, nor was he eager for leadership or recognition. He was profoundly interested in Theological education and took keen interest in the problems of young preachers. He earned two degrees, A.B. and M.A. at Southwestern University, Georgetown, Texas, and later went to Yale University where he was awarded a Master of Arts degree in 1915 and a Ph. D. in 1917.

He was a helpful preacher, a faithful pastor and a good upright, noble Christian gentleman.

—CHAS. C. SELECMAN.

REVEREND WILLIAM EDMUND WILLIAMS

William Edmund Williams was born Sept. 24, 1874, in West Frankford, Illinois. He came in 1939 in Church Union with other Methodist into the present Methodist Church, and was assigned to the retired relation. His home was in Denison, where he had lived since retirement.

It was my happy privilege to be Bro. Williams' pastor from the fall of 1939 to 1941. He had retired from his active ministry because of failing health but was active, as much as he was able, in the church. He loved the church and the ministry and was always eager to serve in any way he had opportunity.

He was a man of strong convictions and always stood for what he thought to be right and against what he thought to be wrong. Yet he loved people and loved to help people in any way he could. He was very evangelistic in his preaching and rarely ever preached without making an appeal for the Christian way of life.

We are sure that when the call came for him to move into his eternal home the gospel he had preached through the years was sufficient for him, and his faith became a reality when he heard the words, "Well done, good and faithful servant; you have been faithful over a little, I will set you over much; enter into the joy of your Master."
