I. CONFERENCE HISTORY

United Methodism in North Texas began in 1816-17 as part of Arkansas Methodism in the Missouri Conference of the Methodist Episcopal Church. When the denomination divided in 1844-45, Methodists of this area became a part of the East Texas Conference of the Methodist Episcopal Church, South. In 1867, the approximate area of what is now this conference was set apart as the Trinity Conference, and later (1874) renamed the North Texas Conference.

The Methodist Episcopal Church had little organized work in Texas after 1845, until 1867 when a Texas Mission was formed. Out of that Mission came the West Texas Conference (primarily Black). In 1939, the Methodist Episcopal Church, the Methodist Episcopal Church, South, and The Methodist Protestant Church united to form The Methodist Church. The West Texas Conference, while a part of The Methodist Church, was in the Central Jurisdiction (all Black). The North Texas Conference was a part of the South Central Jurisdiction, which was one of the geographical jurisdictions.

At the Uniting Conference to form the United Methodist Church held in Dallas, Texas, April 1968, a new Annual Conference was formed in North Texas including members, congregations, and ministers of the North Texas Conference of The Methodist Church of the South Central Jurisdiction (1939-1968), and members, one congregation, and one minister of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (1886-1968).

At a merger conference held in Dallas, Texas, in May, 1970, members, congregations, and ministers of the North Texas Conference; and members, congregations, and ministers of the West Texas Conference located within the geographical boundaries of the North Texas Conference became the North Texas Conference of The United Methodist Church.

In 1988, the South Central Jurisdictional Conference, meeting in New Orleans, created two episcopacies from what had been the single Dallas-Fort Worth Episcopal Area. This action resulted in the geographical region encompassed by the North Texas Conference being designated the Dallas Episcopal Area, while the Central Texas Conference became the Ft. Worth Area. Since that time, the North Texas Conference has been served by its own bishop.

The sessions of the current North Texas Conference are numbered first from 1867, the organizational date for the North Texas Conference of the Methodist Episcopal Church, South, and the Texas Mission of the Methodist Episcopal Church and secondly from 1970, the date of merger of the former North Texas and West Texas Conferences.

A list of the Conference Sessions of these separate conferences is printed in:

(1) the 1939 Journal of the North Texas Conference, South Central Jurisdiction, (P.28-29) and the 1967 Journal of the North Texas Conference, South Central Jurisdiction (P.140);
(2) the 1967 Journal of the West Texas Conference of the Central Jurisdiction (P.88);
(3) the 1967 Official Record of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (P.17); and
(4) other histories of Methodism in North Texas.

Conference Sessions since 1968 are listed inside the back cover of this Journal.

VIII. DAILY PROCEEDINGS

SUNDAY AFTERNOON AND EVENING
June 8, 2008

Laity Session and Dinner
Christ United Methodist Church, Plano, Texas, 3:30 p.m.

The laity session of The North Texas Conference was held at Christ United Methodist Church of Plano. Conference Lay Leader, Billy Ratcliff, greeted the lay members of annual conference and Todd Bristow opened the session in prayer. Billy introduced Richard Hearne, in-coming Lay Leader for the conference, and Linda Parks, Lay Leader-elect for the conference. Their terms will be from 2008-2012. Billy Ratcliff then invited Richard Hearne to preside over the laity session.

Richard Hearne recognized all the lay members of annual conference based on the number of times they had attended. One was attending for the 39th year but almost one-third of the members were attending for the first time.

Richard Stanford and Jerry Pinkerton were asked to explain the legislative items that were to be voted upon at the conference. The lay delegates to General Conference, Mary Brooke Casad, Todd Bristow, Arthur Jones, Amy Forbus, Billy Ratcliff and Richard Hearne, reported on each one's committee assignment; their impressions of General Conference; and their vision and hopes for our conference.

Richard Hearne introduced the District Lay Leaders and Board of Laity.

St. Luke "Community" United Methodist Church's Chorale choir sang songs of African heritage followed by a memorial service for members of Annual Conference who had passed away in the last year.

The laity session was closed with a prayer by Mary Brooke Casad and the members proceeded to the Christian Life Center for a meal served by the laity of Christ United Methodist Church.

Clergy Session
First United Methodist Church, Plano, Texas, 3:30 p.m.

The North Texas Conference clergy gathered at First United Methodist Church of Plano and Bishop Norris called the meeting to order at 3:32 p.m. Host pastor, Gary Mueller, gave the opening prayer and the pastors sang the hymn, "And Are We Yet Alive."

Bishop Norris called on Kathleen Baskin-Ball, chair of the Board of Ordained Ministry, for the Board's report. (Note: The details of the complete report can be found in Section X. BUSINESS OF THE ANNUAL CONFERENCE.)

The chairperson stated that the Board found all members blameless in their lives and official administration. She then read the names of the persons being nominated for the Committee on Investigation and the Administrative Review Committee under question 18 of the printed report. These persons were elected.

Baskin-Ball, along with the committee heads of the Board of Ordained Ministry, walked the session through the reporting structure having to do with all matters of the clergy, as prescribed by the General Conference.

Edlen Cowley, candidacy registrar of the Board of Ordained Ministry, noted that the names of those who were certified candidates for ministry, question 19, were printed in the handout document and asked that any corrections to the list be submitted in writing.

Susan Bryan, chair of the Committee on Certifications, presented the following to be certified in specialized ministry: Debra Gray in Christian Education.

Roy Spore, chair of the Local Pastors Division presented the names of local pastors in answer to questions 20 – 23.

Ben Shinn, chair of Conference Relations Committee, reported on all changes in clergy persons' relationships to the conference. The names of the clergy members who had died since the last conference session were read and Bishop Norris spoke of those who had joined the church triumphant. He asked Will Finnin to lead a memorial prayer. (See also Memorial Service in Section VIII. DAILY PROCEEDINGS for Tuesday June 10, and Section XIV. MEMORIALS.)

Shinn read the names of the clergy retiring this year. Bishop Norris asked the retiring members to stand and they were honored with applause. Keith Payne Boone led a prayer in thankfulness for the dedication to ministry demonstrated by those persons retiring.

Lisa Greenwood Wolcott, chair of the Committee on Preparations and Qualifications, presented to the clergy session the candidates for probationary membership and commissioning. They came and stood before the Bishop and each received a favorable vote by the membership.

Shawn Bakker and Stacy Pell were presented for probationary membership and commissioning for the ministry of deacon in preparation for ordination.

The following were presented for preparatory membership and commissioning in preparation for ordination on the elder track: Jay Cousino, Annelda Crawford, Wendy Curran, Dyan Dietz, Chris Everson, Aleze Fulbright, Holly Gotelli, David Lessner, and Stacey Piyakhun.

Jerico Pagdilao was received as a probationary member upon transfer from another Christian denomination.

The following persons were presented for election into full membership and ordination: As a deacon: Lydia Pellikan; As elders: Brian Bosworth, Leroy Elder, Beatriz Estela Pacheco, Elizabeth Talbert, Christine Thomas, and Anne Willet. Bishop Norris asked these persons the historical questions originating with John Wesley and then the votes were taken on each person individually. All were approved and greeted with an extended standing ovation by the pastors.

Roy Spore, chair of the Local Pastors Division, reported on the improvements made to the Local Pastors Licensing School and the Extension Course of Study School. It was announced that as Spore finishes his term as chair of the division he will assume the newly created position of Director of Local Pastor Education and Dean of both the licensing and course of study schools and be the liaison to the General Board of Ministry.

Gary Mueller announced that the clergy retreat will be October 13-15 at Tanglewood Resort at which time the clergy will be welcoming a new bishop into their midst.

Tyrone Gordon's written report as the chair of the Order of Elders was read by Kathleen Baskin-Ball, and Jo Biggerstaff, chair of the Order of Deacons, gave her report by way of a video presentation.

The nominees to chair the Orders were presented, voted on and approved – Order of Elders, Lisa Greenwood Wolcott; Order of Deacons, Debbie Chapman; and Order of Local Pastors, Maxie Moore.

Kathleen Baskin-Ball moved passage of the entire report of the Board of Ordained Ministry and it was approved.

To conclude the meeting the pastors were led in a song and Bishop Norris asked Dean William Lawrence to offer the closing prayer.

The full reports of the divisions of the Board of Ordained Ministry are printed in this journal in Section XIII. AGENCY REPORTS under the heading, Board of Ordained Ministry.

Worship Service
First United Methodist Church, Richardson, Texas, 7:00 p.m.

The praise band from Wellspring United Methodist Church of McKinney entertained as the congregation gathered and provided the worship music during the service. Host pastor Clayton Oliphint offered a welcome and introduced Dr. Mackie Norris, Bishop Alfred Norris' wife and partner in ministry. Oliphint noted that the leadership in worship was being provided by youth choirs and younger pastors in keeping with the theme of "Our Hope is built on the Future".

Reverend Felicia Hopkins, Associate Pastor at St. Mark's United Methodist Church in El Paso, challenged the conference members with a sermon based on the story in John's gospel of the lame man being healed by Jesus. She said that if we have become United Methodist couch potatoes we may need to change our surroundings (don't surround ourselves with the spiritually sick); change our strategies (put on the whole armor of God and get a "can do" attitude); and change ourselves (believe in God enough to do what he says to do). Her purpose, she said, was to issue a call to action because "The United Methodist Church is not dead yet!"

The anthem was performed by the combined youth choirs of First United Methodist Church Rockwall and Holy Covenant United Methodist Church in Carrollton along with the Project Transformation summer interns and the Connect to the Kingdom (C2K) interns.

Bishop Norris gave the commissioning charge to the interns from Project Transformation and Connect to the Kingdom and following their commissioning, the interns assisted in serving communion to the conference members.

A reception following the service honored Bishop and Dr. Norris.

MONDAY MORNING SESSION
June 9, 2008
The Plano Centre, Plano, Texas

Service of Commissioning

The Spring Valley United Methodist Church youth choir provided selections from *Godspell* as the prelude and choral call to worship for the Service of Commissioning.

The liturgy for the service was led by a combination of retiring clergy, clergy being commissioned and laity.

Kathleen Baskin-Ball, chair of the Board of Ordained Ministry, described the history of commissioning persons for ministry including scriptural references from the Book of Acts. The candidates were then presented and Bishop Alfred L. Norris examined the candidates with questions before the whole assembly. Bishop Norris then prayed that those being commissioned would "deepen their sense of purpose as they exercise commissioned ministry." He then commissioned each candidate by the laying on of hands as they knelt.

Shawn Bakker and Stacy Pell were commissioned on the deacon track. Those being commissioned on the elder track were: Jay Cousino, Annelda Crawford, Wendy Curran, Dyan Dietz, Chris Everson, Aleze Fulbright, Holly Gotelli, David Lessner, and Stacey Piyakhun. Presented for probationary membership was Jerico Pagdilao.

A scripture of encouragement from Matthew 28:16-20 was read followed by a Litany to the Social Creed. The closing hymn was "God the Spirit, Guide and Guardian." Bishop Norris gave the benediction.

Organization of the Conference

The business session of the conference began with Perry Crenshaw and Tim McLemore leading the hymn "On Christ the Solid Rock I Stand" and then Bishop Norris gaveled to order the 38th session of the North Texas Annual Conference.

Bishop Norris called upon the conference secretary, Leighton Bearden, for the organizational motions. Bearden moved that the bar of the conference be the sections of seats in front of the platform and the visitors' section to be the seats to the sides of the stage. The motion was approved. Bearden moved the election of persons to serve the 2008 business sessions as assistant secretaries: Todd Bristow, Kenny Dickson, and Judith Reedy; head teller, Pete Adrian; and the teller group as appointed by each of the district superintendents. They were elected.

Bearden moved the approval of legislative item number one in the conference workbook, **[LA 1]**, for the equalization of clergy and lay members. The motion was approved.

Episcopacy Committee

Joe Pool, chair of the committee, was accompanied on the platform by the committee members as he spoke of the leadership of Bishop Alfred L. Norris. Pool said that Bishop Norris brought to the North Texas Annual Conference pastoral initiative, passion and vision in coming out of a well-deserved retirement to fill the two years remaining on the term of the late Bishop Moncure.

Bishop Norris' wife, Dr. Mackie Norris, was introduced and presented with a bouquet of roses. She addressed the conference and said she was thankful to be allowed to join in the journey of the conference and said that she knew the conference would embrace the new bishop in the same way that she and Bishop Norris had been embraced.

Pool then presented the Norrises with a love gift in the form of a check and suggested it might be used for a cruise or a trip to Africa University or some other way to celebrate the Bishop's second retirement.

Laity Address

Conference Lay Leader Billy Ratcliff said that as he closes out his four years in the office he wanted to thank his pastors who over the years encouraged him to take a role in the local church and subsequently in the conference and beyond. He thanked the conference members for their prayers over the last two years for his wife Cynthia in her recovery from a stroke.

Ratcliff introduced Richard Hearne who will be the lay leader for the next four years and Linda Parks who will serve as lay leader elect.

Based on John 10:10 Ratcliff spoke to the conference on the topic "Abundant Life – What Does It Mean To You?" He contrasted the Biblical standard with the standard of greed that is typical of much of our society. He suggested that the three points of Rueben Job's recently released book are the way to that abundant life. First – do no harm, but be sure you don't just do nothing. Second – do good like the good that this conference has done with the Africa Initiative and the response to Katrina/Rita. Third – work at staying in love with God and sharing with others.

The last official action by Ratcliff as lay leader was to propose that there be created a "Methodist Charities" much like Catholic Charities as an umbrella for doing all the good we can do. He closed his report by leading the song, "I need you. You need me. We're all a part of God's body."

Statistician's Report

Marvin Guier said that this year's report was the loudest wake-up call yet as four key indicators all declined -- total conference membership (-778), new members received (-872), average worship attendance (-270), and average Sunday School attendance (-409).

Guier commented that the reason we count people is because people count and he gave thanks for the 3,253 persons who came to know Christ and joined by professions of faith.

The best news came in the form of the financial report. The grand total paid for all causes was up 3.6 percent over 2007 giving. (See the full report in Section XVI. STATISTICIAN'S REPORT).

Bishop Norris responded to the report by reminding the conference that every Christian is an evangelist. It's not just the job of the preacher. He said it just does not take much effort to invite someone to church.

Creating Congregations

Matt Gaston reported that when it comes to creating new churches a three-braided rope could not be easily broken. The strands of that braid are the Holy Spirit, the local churches and the conference structure.

He said there is a new paradigm being employed in congregational development that involves using the leverage of pastors that have been trained in the Church Planters Institute paired with churches who are willing to help birth new congregations and/or partnership with existing churches for renewal. Some examples cited were the new congregation, The Woods, which was formed from the Inglewood and Trailwood United Methodist Churches in Grand Prairie; and the major renovation being done to St. Paul United Methodist Church with a grant from Highland Park United Methodist Church.

Gaston introduced Dallas council member, Angela Hunt, who said that the restored historic St. Paul's would be a polished ring in the heart of Dallas' Arts District. She then read a proclamation on behalf of Mayor Tom Leppert naming June 9, 2008 as St. Paul United Methodist Church Day in Dallas.

Jim Ozier who is the New Church Development Officer for the North Texas Annual Conference said that congregational development is a big part of the hope we have for the future of the church. He pointed out that the 61 churches formed since 1968 represent 14 percent of the churches in the conference but account for a larger share in two categories – 24 percent of the members of the conference and 27 percent of the average worship attendance. One of those new churches is the Creekwood United Methodist Church in Fairview.

Ozier introduced Steve and Glenda Howard who were charter members of Creekwood and asked Steve to tell their story. Steve said that he and Glenda were just anonymous members hidden in the crowd at Custer Road United Methodist Church when they heard that one of the associate pastors was going to be starting a new church close to where they lived. They were intrigued with the idea and became one of twelve families who launched the start up church. Since that time, he has been anonymous no longer. He has served in many leadership capacities. The congregation repaid him for his efforts when they surrounded him with love and support in the recent loss of his father.

Ozier said that this type of story is what builds hope for the building of new churches.

Fred Durham, Director of Connectional Ministries, told of the initiative of the conference six years ago to create a ministry in the heart of a poor neighborhood. What came out of that was the Christ Foundry church served by Owen Ross as founding pastor. Ross told of the cramped meeting place above a laundry room in a rundown apartment building but shared the hope of soon being able to build the first unit of the church. He said the goal of selling 1000 bells for $500 each to fund the first building is now in sight. One year ago, he said, only 52 bells had been sold, but as of this report 763 had been purchased. He urged the members to buy a bell or buy an additional bell.

As Ross was leaving the stage, Bishop Norris called him back and presented him with a check for a bell from the Norrises.

Edgar Bazan of the Hispanic Ministries Task Force showed a PowerPoint presentation of the Hispanic population statistics for the area and said that the conference must be smart and quick to address the need for Hispanic ministries because we are already behind. He said we need pastors that are able to work in multi-cultural settings.

Cokesbury and United Methodist Publishing House

Whit Whittington, manager of the Dallas Cokesbury store, mentioned several new books from the publishing house especially ones written by persons associated with the North Texas Annual Conference.

Whittington then presented the rebate check to the conference for purchases made through Cokesbury. The check amounted to $7,495. This rebate was just part of the $1 million given by Cokesbury for the clergy pension fund.

Lydia Patterson Institute

John Rosenburg the current chairperson of the Lydia Patterson Institute Board and Stan Copeland the incoming chairperson joined in introducing Dr. Socorro de Anda, president of LPI. She said

that 92 seniors graduated high school this year and 90 of them have been admitted to colleges and universities and $1.3 million in scholarships for them have been secured from United Methodist schools. She reported several success stories of former students serving the world with their gifts and talents. The report concluded with a video showing the history and mission of LPI.

Report from General Conference Delegation

The North Texas Annual Conference delegation to General Conference assembled on stage while Kathleen Baskin-Ball and Mary Brooke Casad, coached the conference members to respond on cue with these words, "North Texas Rocks!" They said that the North Carolina delegation seated in front of ours kept making that remark when it became evident how involved our conference is in matters of the general church.

Some examples of that involvement are the election of two North Texans to head legislative committees (Kathleen Baskin-Ball and Tyrone Gordon) and Todd Bristow to chair a subcommittee. Our Bishop Norris was chosen to help lead worship in one of the services and Perkins School of Theology's dean, Bill Lawrence, was elected to the Judicial Council. Our Africa University Initiative was touted to the General Conference and the many volunteers from North Texas who served as volunteers and on prayer teams for the conference were indispensable. "North Texas Rocks!"

A video sharing the General Conference theme, "A Future with Hope" was shown highlighting the legislative actions of the conference. The delegation was pleased to remind the conference that the North Texas Annual Conference will be hosting the South Central Jurisdictional Conference in Dallas, July 16-19.

At that conference bishops will be elected to fill the vacancies in the jurisdiction. For several months our delegation has endorsed North Texas Annual Conference Provost Jim Dorff for election to the episcopacy. The delegation asked that Dorff be endorsed by the whole conference and that was done by a rousing standing ovation.

Dorff then addressed the conference and said that this endorsement was indeed an honor, and, if it should happen, election and serving as a bishop would be an honor, but the most basic honors for any clergy person are those that come when baptizing an infant, sharing in the celebration of life at a funeral, or leading people in the membership vows as they unite with a local church to be disciples. He thanked the conference and his wife Barbara for the support he is receiving.

MONDAY AFTERNOON BUSINESS SESSION

Bridgeport Camp and Conference Center

Vic Casad, chair of the Bridgeport board, announced that Lance Hicks, the facility's executive director is resigning but is still on board until a new director is found. A nation-wide search has been in process for several weeks. Everything is ready for the summer camping program with all staff and directors in place.

Casad concluded the report (See Section XIII. AGENCY REPORTS) by introducing Cammy Gaston, director of the Denton Wesley Foundation, to tell of an event where the campus ministry and the retreat center ministry came together in a healing way.

Gaston said that last fall the student ministry in Denton was really going well. There was energy from a choir tour and students were eagerly getting back into the ministry activities after the summer break. Then on September 25 tragedy struck. The young woman who was the music leader and prayer leader for the group was abducted and murdered. The group was devastated yet they reached out to the student's family and to one another. They asked, "How could this happen?"

The group seemed to sort of stumble through the semester and they were hesitant to go ahead with plans at the beginning of the spring semester for a retreat at Bridgeport. Gaston decided to go ahead with the event and scheduled a team-building consultant to come and lead them through the ropes challenge course at the Bridgeport facility. The consultant who had led many such challenge courses said she watched with amazement at how well the group conducted the exercise. She said, "I have never seen a group go though this so seamlessly".

Gaston said it became clear to her that over the weeks following the tragedy, the body of Christ really came together in these students. Gaston said that hope prevailed and Bridgeport played a role in that for it is a place where we can see ourselves and see God in new ways.

Prothro Center at Lake Texoma

Paul Goodrich, chair of the Prothro Center board announced that Cliff Dyer is the new executive director at the center. Goodrich said there is every reason to be enthusiastic about the center – everything from the food to the facilities.

He said three words sum it up.

- "Gorgeous" – the natural beauty and the upgrades to the facilities.
- "Growing" – more that 2200 guests came to Prothro this year over last year and more North Texas Annual Conference programs are being held there.
- "Great" – it is simply a great place for personal retreats, church groups, or gatherings for other organizations (See Section XIII. AGENCY REPORTS).

Young Person's Address

Mike Wright-Chapman introduced Brian Tan, the president of the Conference Council on Youth Ministries. Tan said he gives glory to God for the gifts given him including the things that he learns from his mistakes. He said that he was especially inspired by the young woman pastor from Russia who gave the young person's address at General Conference. He said that she and others around the world are oppressed for their beliefs and we in the United States take all we have for granted. Tan said we need to do more. Go beyond ourselves and give God more than just what we are willing to settle for. Tan said that we need to make room for everyone in the church. If there are truly open doors, open minds and open hearts then there is no room for hatred.

Tan said that six years ago his dad committed suicide and he is able to admit that to the conference and talk about it now without tears only because God had picked him up and he knows that God will always do that for him.

Next to speak was the incoming president of the Conference Council on Youth Ministry, Chidi Anyadike. She thanked Bishop Norris for carrying forward the Young Person's address begun under Bishop Moncure. She also thanked all youth workers who influence and guide young people in the church. Anyadike said she wanted the conference to know that, "You can count on us! We want to carry on the Wesleyan tradition." She also said that the diversity on the Conference Council on Youth Ministry has only brought them closer.

C.C. Young Retirement Community

Don Benton reported that C.C. Young's executive director, Ken Durand, has been to China to consult with the government there on planning for the care and housing of the growing number of senior citizens. Benton said that C.C. Young is recognized in other ways as well and cited two university research projects with which the community is involved.

Benton spoke of the opening of the Umphress Terrace project and the anticipated construction in the near future of a new high-rise facility at the C.C. Young campus.

The residents at the community have three worship services available to them on Sundays and one on Wednesdays.

Benton concluded by saying that growth was needed in the C.C. Young Foundation to make sure that many people in the future who will need a retirement community can be served.

Anti-Racism Team

James Minor and Reid Fade, co-chairs of the team, shared the reporting on the team's work (See Section XIII. AGENCY REPORTS). Fade said that the words of Brian Tan and Chida Anyadike in the Young Person's address said it all with regard to the appreciation of diversity among us and points to why it is so important for us to do away with racism in the church.

Minor said that the time is now for United Methodists to stand up and show the world who we are when it comes to valuing all persons.

The Anti-Racism team moved the passage of a legislative item which would resolve that the North Texas Annual Conference affirms and supports the ideals and sentiments expressed in the open letter dated February 1, 2008 from the group known as MARCHA (Methodists Associated Representing the Cause of Hispanic Americans). The resolution passed as presented with only one amendment which struck the reference to two specific cities in Texas and substituted the wording that "some Texas cities" are enacting laws and practices which had a severe impact on Hispanic/Latino Americans. (See Section IX. LEGISLATIVE ITEMS **[LA 2]** for the full document.)

The conference secretary was instructed to notify MARCHA representatives, Bishop Elias Galvan and Dr. David Maldonado, Jr. by June 30, 2008 of the passage of the resolution.

Council on Finance and Administration – Report 1

Doug Miller, chair of the council, said that 2007 was an outstanding financial year for the North Texas Conference. Payout in apportionments came to 97.5 percent; with 287 of the 309 churches paying 100 percent and 35 churches made second mile contributions of $49,779 to help other churches. The three northern districts continued strong traditions of 100 percent payouts. Wichita Falls paid out for the 16th consecutive year, Paris-Sulphur Springs for the 13th year, and Sherman-McKinney for the 2nd year. All 67 of the Paris-Sulphur Springs district churches achieved full pay out with no need for second-mile assistance. Miller said this is probably a record in the conference.

Miller said that perhaps the best news of all was that the apportionments for 2009 will be lower. This is a result of a $2.6 million gift from the Pierce M. Williamson and Jeanette G. Williamson Trust given in memory of Regina K. Nadolny, mother of Jeanette G. Williamson. This unexpected

gift allowed the conference to move more rapidly toward complete funding of the unfunded liability for clergy pensions and the unfunded retiree medical liability. Miller called upon Jerry Pinkerton to explain how paying ahead on the funding plan resulted in a net decrease in apportionments of $961,895, a percentage decrease of 7.7 percent.

Miller offered two legislative items: **[LA 3-I]** to elect L. Marvin Guier III as the Conference Treasurer for the 2009-2012 quadrennium. **[LA 3-II]** to name Thomas Stephen & Company, LLP as the auditing firm for the conference treasury in 2008. (Both motions were approved. See Section IX. LEGISLATIVE ITEMS)

Equipping Disciples

Bishop Norris called the session back to order following a short break and called upon Tom Talbert for the Equipping Disciples report (See Section XIII. AGENCY REPORTS). Talbert in turn introduced Andy Lewis as the new chair of the Evangelism Team. Lewis displayed on the screen the names of the members of the team and said they were intending to reclaim the "E" word for churches in the North Texas Annual Conference. He said that evangelism can bring to mind coercive words and methods. But, keeping in mind that every member is an evangelist, evangelism is simply defined as those things we do to invite a person to move closer to a relationship with God through Jesus Christ.

Lewis said that some analysis had been done of the membership reports and the committee wanted to recognize the churches that had the highest ratios of professions of faith to the size of the church. The names of the churches were read and displayed on the screen.

John Peel, chair of the Higher Education and Campus Ministry division, introduced a video presentation about campus ministries prepared by Radio, Television and Film students who are active in the Denton Wesley Foundation.

Peel then presented the annual Merit Scholarship in the amount of $1,500 to Polly Henderson of First United Methodist Church Paris. She is very active in choir, mission work, and the Chrysalis community. She will be attending Centenary College in the fall.

The Francis Asbury award given annually to a person who supports student ministry had to be kept under wraps this year said Chairman Peel because it was to be presented to Dr. Tom Talbert, who as chairman of the Equipping Disciples Ministries oversees the committee on Higher Education and Campus Ministry. Talbert, said Peel, is a long-time proponent of campus ministries and a tireless advocate for the faith development experiences college students can have through campus ministries.

"Nothing but Nets" for Jurisdictional Conference Delegations

Mary Brooke Casad announced that as the host conference for the July Jurisdictional Conference one of the welcome gifts that we would like to present to the 300 delegates would be a certificate stating that a bed net to protect a child from malaria had been purchased in the delegate's name by a member of the North Texas Annual Conference. She urged members to purchase a net and fill out the form before the end of conference. NOTE: By the time of adjournment all 300 had been purchased.

Christ Foundry Bell Appeal

Richard Hearne noted that only 260 of the 1000 bells remained to be purchased for the Christ Foundry church to begin construction. He said he believed that we could complete this campaign by the end of conference. He said that he and his wife will purchase an additional bell in honor of their grandchildren. He asked those persons or groups of persons who were willing to join him in buying a bell or an additional bell to stand up and several members did. NOTE: As a result of this appeal, 62 more bells were purchased at $500 each, moving the campaign to more than 80 percent complete.

Sending Servants

Don Lee, chair of the team, presented a PowerPoint presentation showing the many faces of the work being done locally and globally to promote and oversee conference level missions and outreach. At intervals in the PowerPoint David and Kaleb Rangel from Casa Linda United Methodist Church led the conference in singing "When the Poor Ones". (See also Section XIII. AGENCY REPORTS). Some of the areas of involvement are: ministry to the deaf; Volunteers In Mission; Justice for our Neighbors; Communities of Shalom; Cameroon Initiative; UMCOR Disaster Recovery; Ecumenical programs; CHIP; CROP; Global AIDS awareness; Nothing but Nets; and our missionary personnel. A new area in the North Texas Annual Conference is the Disability Concerns committee dedicated to the full inclusion of all God's children.

Following the video, Lee moved the adoption of three legislative items (see Section IX. LEGISLATIVE ITEMS **[LA 4, 5 and 6]**) which establish the conference special days with offering, the conference special emphases without offering, and the Advance specials. These were approved.

Lee also brought forth two pieces of legislation -- Legislative Item 7 **[LA 7]** a resolution in support of increasing chaplaincy in Texas prisons and Legislative Item 8 **[LA 8]** a resolution in support of abolishing the death penalty in Texas. The resolutions passed and the conference secretary will notify the Governor, Lt. Governor and all members of the state legislature regarding the passage of these resolutions

Lee concluded his report by urging all churches to fulfill a conference mandate approved last year to fund the Global AIDS Awareness fund in an amount equal to one dollar per member.

Black College Fund

Eboni Lemon, a rising junior at Clark Atlanta University, addressed the conference on behalf of Dr. Cynthia Bond Hopson, the Assistant General Secretary of the Black College Fund and the eleven historically black colleges related to the United Methodist Church and their student bodies.

In telling the story of Jeremiah being rescued from a dungeon by a rope woven together from old clothes and rags Lemon said that God can use bits and pieces to do the needed work. Many of the historic black colleges got their starts with rags and old rope contributions and they have lifted many a student from the dungeons of the mind and spirit. North Texas paid 98 percent of its apportionment to the Black College fund and Lemon said that the fund helps lift students out of the dungeon of debt and student loans. She thanked the conference for the support that helps students like her fulfill their dreams.

Board of Trustees

Bill Avera presented two legislative items and pulled a third item from the agenda. A legislative item having to do with the merger of Crest-Moore-King United Methodist Church, Lambuth United Methodist Church, and Glen Oaks United Methodist Church, was removed from consideration.

Legislative Item 15 **[LA 15]** called for the discontinuance of Brandon Avenue United Methodist Church . It was approved.

Legislative Item 16 **[LA 16]** allowed for the merger of Casa View United Methodist Church with the Emmanuel United Methodist Church of the Rio Grande Conference. The new church would be a member of the Rio Grande Conference. This action is subject also to the approval of the Rio Grande Conference. The resolution was approved.

UMPACT Report

Scott Smith reported that all churches and ministries of the conference are now covered by the United Methodist Property and Casualty Trust. He said this is comprehensive coverage including the following: property, general liability, umbrella liability, automobile, directors and officers liability, employment practices liability and workers compensation. Smith reported that Tom Christian, Associate Director of Administration for Property and Ministry Protection is visiting churches for the purpose of making sure their appraised values are up to date and that they have adequate coverage. Smith also reported on the representation this conference has on the UMPACT board with Bill Baxley from Christ United Methodist Church in Plano as a member and Dr. Marvin Guier as the president and chairman of the board.

Equitable Compensation

David Rucker moved the approval of the apportionment and schedule for equitable compensation for 2009. There was no increase in this apportionment amount due to a significant beginning balance in the fund. This legislative item **[LA 18]** was approved.

Courtesies and Resolutions

Shante Buckley reported for the courtesies and resolutions committee saying that Charlie Emerson from Gainesville had to leave conference because of a death. Noel Bryant and Francis Marie Bryant are celebrating their 70th anniversary. Roy Spore is celebrating his birthday today. Lovers Lane United Methodist Church is honoring the legacy of Tom Shipp by breaking ground for the Tom Shipp building on Sunday, June 15 after services.

Bishop Norris called upon Thalia Matherson to close the session with prayer.

MONDAY EVENING

Evening Worship
Hamilton Park United Methodist Church, Dallas, Texas

The evening was Africa-themed and celebrated the ties of the annual conference to Africa University. There were dancers and drums and portrayals of the scripture text. Before the

evening was out the co-chairs of the Africa University Initiative, Lisa Tichnor and Tyrone Gordon, presented a check for $500,000 to Jim Salley the development officer for Africa University. Salley said that with this gift, construction would begin immediately on a new health center. The center will be dedicated to Bishop Alfred L. Norris and his wife Dr. Mackie Norris and to the late Bishop Rhymes H. Moncure, Jr. and his wife Jewel.

The initiative which began in Lent and was the dream of Bishop Norris had two $500,000 goals – one for the health center and another for health-related scholarships. So far $300,000 has been raised for the scholarship fund.

Bishop Norris preached from Isaiah 35:1-2 under the title "Blooming in the Desert." He spoke not only of physical deserts that can bloom when the rains come but of spiritual dryness as well. He said Africa University's attitude toward its students from countries all over Africa is that "deserts can bloom and we think you can too. We'll give you a chance."

Pointing to the improbable victorious life of the peasant boy Jesus, Bishop Norris said that nobody can stop God's people. "Your life might be dry tonight", he concluded, "but God can stir up good gifts in you. You can bloom!"

The Hamilton Park United Methodist Church congregation hosted a reception for Bishop and Dr. Norris following the service.

TUESDAY MORNING BUSINESS SESSION
June 10, 2008

Opening Song

Perry Crenshaw and Tim McLemore called the conference members together to begin the day by singing the hymn "Do Not Pass Me By."

Board of Ordained Ministry

Kathleen Baskin-Ball, chair of the board, thanked all members of the board and asked them to stand and be recognized. The chairs of the committees of the board are completing their four-year terms and she thanked them for their service. The out-going chairs of the ministry orders were also recognized and thanked and the newly elected chairs of the orders were announced to be Lisa Greenwood Wolcott for the Order of Elders, Debbie Chapman for the Order of Deacons, and Maxie Moore for the Order of Local Pastors.

Baskin-Ball reviewed several actions of General Conference which affect the work of the board.

- The time from entry into candidacy to ordination has been reduced by two years.
- A person may apply for candidacy with one year of membership and service in a United Methodist church or other ministry setting including campus ministry.
- The length of the probationary period between commissioning and ordination was reduced from three years to two years.
- The term "probationary member" will be replaced with the term "provisional member".
- Steps were taken to make the candidacy process more accessible to the global church.
- The Candidacy Guidebook is no longer the required textbook. It is the recommended text but others are optional with guidance from the Board of Ministry.

- Cultural barriers are to be taken into account in the application of psychological tests and background checks.
- Deacons may be granted sacramental authority under certain conditions.
- Licensed pastors may vote on clergy delegates to General Conference and Jurisdictional Conference.

Baskin-Ball said that the Board of Ministry would be diligent in working toward clergy effectiveness and maintaining a culture of excellence in its mission. She introduced Conference Provost Jim Dorff to report on the status of the Clergy Effectiveness Task Force.

Dorff said that four years ago Clergy Effectiveness was an initiative of Bishop Moncure and that he was asked to head the task force. The task force has done its work and will be turning over its duties to a new division within the Board of Ministry to support the ongoing growth of clergy in faithfulness and effectiveness.

The task force concluded that there were four things essential to pastoral effectiveness:

- Pastors need a method for assessing their strengths and growth areas.
- Wholeness of relationships is a critical area of effectiveness.
- Holiness of heart and life is critical for effectiveness.
- Every pastor must develop appropriate skills and competencies.

So far, 138 pastors have taken the PRISM assessment and by this time next year every full-time pastor under appointment will have taken it and be involved in developing and implementing a specific growth plan for ministry.

Marsha Middleton, Dan Hoke and Holly Bandel rose to witness to the helpfulness for them of the assessment and growth plan.

Following their remarks, Dorff said that the Board of Ministry will be slightly reorganized to include a Committee on Clergy Effectiveness which will have four subcommittees. Kathryn Ransdell will serve as chair of the committee and also chair the subcommittee on assessment. Georjean Blanton will chair the subcommittee on holiness of heart, Shannon Hamrick will chair the subcommittee on wholeness of relationships, and Billy Echols-Richter will chair the one on skills and competencies for ministry. Anyone wishing to serve on one of these subcommittees may call the appropriate chairperson.

Susan Bryan was called upon to present the certificate of specialized ministry to Debra Gray in the area of Christian Education. Gray works in Children's ministry with Highland Park United Methodist Church.

Each year, persons being ordained deacon or elder briefly address the conference. Baskin-Ball asked Lisa Greenwood Wolcott, chair of the Division on Preparations and Qualifications to introduce the candidates. Wolcott said that the Division on Preparations and Qualifications examines each candidate thoroughly on the basis of his or her theology, proclamation, effectiveness, call to ministry, service and disciplined life. She said she was pleased to present the seven persons who have been elected by the clergy of the conference for full membership in the conference and for ordination.

Deacon Candidate:

Lydia Pellikan is married to Don Pellikan who is an elder in the conference and they have three children. Lydia earned a bachelors degree from Midwestern University and

holds an M.Div. degree from Perkins. Her home church was First United Methodist Church in Archer City and her current appointment is with the Pastoral Counseling and Education Center.

Lydia said that she first felt a call when she was in high school. She pursued that by enrolling at Perkins in 1990 but when she met and married Don she felt that maybe one ordained person in the household was enough so she did not pursue ordination. She said that she served as a pastor's spouse and she asked all spouses of clergy to stand and be recognized for that calling.

After several years and with a whole cloud of witnesses assisting her she began to reconnect with her call to ordained ministry. She said that her personal proclamation is that God liberates us from our own fears and obstacles that bind us.

Elder Candidates:

Brian Bosworth, grew up in Greenville, TX and his home church is First United Methodist Church, Heath. His degrees include a BBA from Texas A&M University and an M.Div. from Perkins. Brian is married to Melissa and they have a daughter and a son. His current appointment is Westview United Methodist Church, Greenville.

Brian's remarks were the shortest of the morning. Brian, who pursued ordination while holding down a full-time job in another career field, said he was grateful to the conference for their patience with him and for the gift of time granted him in the process. "So", he said, "I'm going to give you back these few minutes as a sign of my thankfulness."

Leroy "Lee" Elder is a native of Belzoni, Mississippi and his home church is St. Luke "Community" United Methodist Church in Dallas. He holds a BA degree from Jackson State University, an MA from Webster University and a M.Div. from Saint Paul School of Theology. Lee is married to Chanda and they have two daughters. His current appointment is Daybreak United Methodist Church in Houston.

Lee said that he was very grateful to pastor Tyrone Gordon who, when he was a pastor in Kansas, saw potential in Lee and even before he became a church member began to give Lee responsibilities in the life of the church. Through those experiences he began to feel the call to ordained ministry. When he decided to tell his mother of his plan to enter the ministry he was thinking that she might say that he was throwing away a great career he had begun with Boeing Aircraft. But what she did say was, "Son, I've known that you were called for years but I've just been waiting for you to know it."

Beatriz Estela Pacheco, currently serves as an Associate Pastor at Pleasant Mound United Methodist Church, Dallas. She grew up in El Salvador and calls Trinity United Methodist Church in Duncanville her home church. Her degrees are from Universidad Biblica Latinoamericana and Perkins School of Theology. Her husband is Armando and they have two sons.

Beatriz said that she loved the church when growing up in El Salvador but it was not until writing her credo that she fully understood the role that God's grace played in her life. She fled from her civil-war-torn country to preserve her family but it led to a time of depression that was ministered to by God's faithfulness and the fellowship of the church.

Nueva Esperanza church and Pastor Kathleen Baskin welcomed her family with open arms. There she began a long process toward ordination. On top of her six years of seminary in El Salvador she took the course of study program here and then, when more confident of her English ability, she enrolled in Perkins. She also had two years of CPE training.

She said that ordination was the end of one long journey but the beginning of a new endeavor in ministry and she thanked God for her determination to persist against prejudice and discrimination and thanked her mentors and brothers and sisters in the conference for their encouragement and prayers.

Elizabeth "Liz" Talbert grew up in the Wichita Falls district where her father was a pastor. Floral Heights United Methodist Church in Wichita Falls is her home congregation. She and her husband Tom have two sons and a daughter. She holds a BS from Southwestern University and an MA from the University of Houston – Clear Lake and an M.Div. from Perkins. Her current appointment is Floral Heights United Methodist Church.

Liz began by confessing to the Bishop that she lied in answer to the historic question about indebtedness. She said she is indeed indebted. First of all to God's grace, to the Holy Spirit and to the usual suspects – her parents, her family, her home church and to the congregation of her first appointment, to her mentors and to the Board of Ministry.

She said that she is also heavily indebted to a host of unusual suspects - the angels unaware in her life like Luke – the outcast youth who showed me what evangelism really looks like. Case and Callie – the troubled teens who showed me what Kairos is about while they were in juvenile detention and on suicide watch. Bonnie – the homebound saint who showed me forgiveness and grace for not being as diligent to the sick as God called me to be. Communion never tasted sweeter! The Larrys, Michaels, and Joes – my homeless and poor neighbors who are rich in spirit and who teach me faith in the midst of suffering and addiction, abundance in the midst of poverty, joy and hope in the midst of dire circumstances. They taught me what it means to tithe and to give sacrificially. For the unusual, unlikely suspects in your lives and ministries, let the Conference, say, "AMEN!"

Liz said that she has incurred debt but, by the grace of God, she is also debt free and she hopes to "pay it forward".

Mary Christine "Christy" Thomas is currently serving at Krum United Methodist Church. She grew up in Dallas and her first membership in the United Methodist Church was at Custer Road. She holds a BA from Rice University, an MTh from Dallas Theological Seminary and a D. Min. from Perkins. She is married to Keith Cupples who is an elder in the conference. They have one daughter and four sons and three grandchildren.

Christy recalled a scene from a favorite novel where a middle-aged woman who had gone through the long and arduous process of becoming a choir nun in a Benedictine monastery was asked by a skeptical friend, "What now?" Her response was, "As far as anyone in the world will know, nothing. No one will hear any more of me; six hours a day in my stall in choir; two perhaps in manual labor in the garden; some time for study, silence, singing, prayer..."

To Christy this was reminiscent of Wesley's covenant prayer, so in answer to any who would ask about her ordination she would say in Wesley's words:

> *I am no longer my own, but yours, O God. Put me to what you will, rank me with whom you will; put me to doing, put me to suffering; let me be employed for you or laid aside for you, exalted for you or brought low for you; let me be full, let me be empty; let me have all things, let me have nothing; I freely and whole-heartedly yield all things to your pleasure and disposal.*
>
> *And now, glorious and blessed God, Father, Son and Holy Spirit, you are mine and I am yours. So be it. And the covenant now made on earth, let it be ratified in heaven. Amen.*

Ann Carol Willet grew up in Pineville, LA and calls First United Methodist Church Rockwall her home church. She currently serves as an associate pastor at First United Methodist Church Richardson. She and husband Loren have three daughters. Her degrees are a BA from Baylor, an MBA from Texas A&M and an M.Div. from Perkins.

Ann said that on this occasion her heart was full of gratitude to so many but rather than take this time to thank individuals she will do that in personal conversations. She chose to address the members of conference about the people in their local churches who may be called to ordained ministry. She said that part of how one hears the call to ministry is through the affirmation of a community of faith. So she urged clergy and laity alike to look for those with the gifts and graces for ministry and invite them to consider walking the path to ordination and full-time service to God in the church.

She said that when she began the ordination process she considered her age and the fact that she would have only 15 to 20 years left to serve after ordination as an obstacle. But now, at the end of the ordination process, she sees the 15 to 20 years she will have left to serve as a gift and pure joy.

Accountability Group

Mavis Knight reported that the Accountability Group's mission is to hold the annual conference accountable to being "the church which Christ has opened to people of all ages, nations, and races." She presented two charts that were projected showing the ethnic make up of the boards and agencies of the conference and of the Board of Ministry and asked the members to draw their own conclusions from the data.

Ouida Lee rose to comment that there was no racial diversity among the committee heads of the Board of Ministry for the next four years.

Knight moved the adoption of a resolution which called for establishing a goal that 20 percent of the active clergy be literate in conversational Spanish by the year 2020. Several amendments were offered to this legislation before it was referred by vote of the conference to the Board of Ministry's Committee on Clergy Effectiveness, subcommittee on Competencies and Skills.

Southern Methodist University and Perkins School of Theology

Perkins School of Theology's dean, Bill Lawrence, made the report for both the University and the School of Theology. He said the most controversial subject this year was the George Bush Library. Lawrence said with a smile that all questions about that should be directed to SMU president

Dr. Gerald Turner. He spoke of the changes in the athletics programs especially football under new coach June Jones. In the area of scholastics, Dean Lawrence reported on help for those who are going to SMU whether for undergraduate or graduate studies if they are children of Methodist clergy. The people called Methodists determined early in the 20th century that education, formation of knowledge is essential to the human community. He expressed his appreciation to Dr. Will Finnin for his almost 30 years of service as Chaplain to the University. A video of Perkins School of Theology and its building expansion program was presented and Lawrence said that more details would be in the report to be printed in the journal (See Section XIII. AGENCY REPORTS). He said the total cost of improvements will be $14 million, much of which comes from the Prothro foundation, along with 1.5 million from Highland Park United Methodist Church, and other gifts from the Texas Methodist Foundation.

Lawrence said that two Perkins faculty members have been received by transfer into the North Texas Annual Conference. They are Rev. Mark Stamm (Highland Park United Methodist Church is his charge conference) and Rev. Allison McKenzie (First United Methodist Church Allen is her charge conference). Perkins established a $2 million scholarship endowment for North Texas Conference students. These grants are over and above the basic grants that all students receive. This year there are twenty-eight North Texas Annual Conference students.

Lawrence concluded his report by thanking the conference for the support given him and for the opportunities to serve. He also thanked God for his healing from cancer over the last two and a half years.

Rev. Kevin Strempke, Perkins alumni council member, requested a moment of personal privilege to thank Dean Lawrence and to encourage the clergy of the North Texas Annual Conference to match what the clergy of the Southwest Texas Annual Conference did in pledging $30,000 to furnish a faculty office in the new buildings at Perkins.

Courtesies and Resolutions

Rev. Jackie Walters-Lee reported the following items for the courtesies and resolutions committee:

- Prayers are requested for Martha Jacobsen of Spring Valley United Methodist Church who is undergoing surgery.
- Celebration of the birth of Xavier Conner Renquist North, grandson of Georjean Blanton and Mike Renquist, born June 8.
- Thanks to the members and clergy of Hamilton Park United Methodist Church for the beautiful farewell reception for Bishop and Dr. Norris, and to the conference worship committee for the inspiring worship service on Monday evening.

Bishop Norris called upon Steven Swisher to close the morning business session with prayer.

Memorial Service

The traditional memorial service honored the memories of fourteen clergy and five clergy spouses. Bishop Norris led the Call to Worship and family members of those being honored processed to the hymn, "I'll Praise My Maker While I've Breath" and took seats reserved for them in the front rows.

Reverend Gloria Fowler read from Psalm 145 and then as conference secretary, Leighton Bearden, read each of the names, an ordinand brought a rose and placed it in the vase on the altar. With the reading of each name, persons in the congregation whose lives were touched by that minister or spouse stood in tribute. The persons being remembered were:

Clergy – Martha Louise Gilmore, John W. McGee, William T. Stephenson, Benjamin R. Oliphint, Charles William Cook, William D. Swift, Gene Cloise Welborn, Charles H. Standifer, Myrtis Nanette Davis, Philip del Rosario, Hansel V. Caraway, John M. Shuler, William C. Crouch, and Marshall Hodge.
Clergy Spouses – Joan McPherson, Clotilda Elizabeth Shelley, Patty Bell, Arveline Standifer, Joyce Crelia Nelson

Reverend John Rosenburg delivered the memorial message entitled "Who Touched Me?" based on Mark 5:24b-33.

During a pictorial tribute to the ones being remembered Reverend Perry Crenshaw sang "Blest Are They". The service concluded with a memorial prayer led by Reverend Vicki Davidson and her daughter, Reverend Valarie Englert. Following the closing hymn, "How Blest Are They Who Trust In Christ", Bishop Norris pronounced the benediction.

TUESDAY AFTERNOON BUSINESS SESSION

60th Anniversary - The Advance for Christ and His Church

Shawn Bakker, the director of the Advance for the General Board of Global Ministries, said that her job with the Advance is to build connections between local congregations and projects in over 100 countries. This year is the 60th anniversary of the Advance that was begun to help restore a physically and spiritually devastated world after World War II. "There is strength in numbers and there is strength in the gifts given to the Advance", said Bakker. She said that scripture boasts of strength in numbers like the feeding of the 5,000 in the Gospel of John. The most powerful number in this narrative is not the 5,000 people, or the twelve disciples, or the five loaves or the two fish it is the number one – one boy, one boy who was willing to share. We always need to be reminded of the difference that one individual's sharing can mean to so many, she said.

Today Methodists can designate gifts to specific projects and 100 percent of the gift goes to that project whether that is in response to natural disasters, new church plantings, support of missionaries or something else. The administrative costs of the program are borne by World Service apportionments. Bakker said that, over the years, over three million gifts totaling $1.5 billion have been made to the Advance. Countless lives have been transformed as a result of these designated gifts.

Bakker, a newly commissioned deacon in the conference, also expressed thanks for the grass-roots training she received here in the North Texas Annual Conference to prepare her for her current ministry. She concluded by urging that the conference members pray for the work of the Advance and find ways to participate financially as United Methodists advance hope in the name of Christ.

Board of Ministry Report - Retiring Clergy

Kathleen Baskin-Ball, chair of the Board of Ministry, took a moment to acknowledge the historical nature of one of the ordinations scheduled for the evening. Beatriz Pacheco will be the first Hispanic woman ordained in the North Texas Annual Conference.

Baskin-Ball then called upon Ben Shinn, chairperson of the Conference Relations Committee, who indicated that he and other members of that committee would share in the introductions of the six clergy persons who were retiring and will address the conference. Shinn said there were four other

elders and one deacon who are retiring but were not able to be present for the conference session. The elders are Richard Kuhlbars, Ed Millican, Thomas Q. Robbins, and Jerry Simmons. The deacon is Rita Yoes. It was noted that the eleven retirees had served a total of 250 years in active ministry.

Charles "Chuck" Cox served 33 years in appointments to Highland Park, Trailwood, Pleasant Mound, First Allen and Grace churches. Cox said he read one time that the most satisfying vocation is that of the clergy and he agreed with that. He expressed thanks to his parents. His father was a pastor and after his father's early death his mother continued to provide encouragement toward his calling. He attended SMU and remained in Dallas.

Cox was thankful for his late wife Marsha's help in his discerning his call and he was very grateful for the support of his colleagues and his congregation in 1988 when on Tuesday of annual conference Marsha died.

Cox went on to recount some humorous experiences in his ministry and said that he has become passionate about ending discrimination in the United Methodist Church.

Daniel Dalton was introduced by Sally Vonner who had been a congregational member in one of Dalton's churches many years ago. She also recalled the influence of Dalton's late wife, Lucille. Dalton who has six children and six grandchildren thanked his church members over the 18 years of his service in the United Methodist Church and was especially thankful for the support he received at the time of Lucille's death. In addition to local churches he also served chaplaincies at C.C. Young home and Parkland Hospital. Now at the close of his career, Dalton said that he just trusts that he helped somebody to have the strength to go on.

Dan Hoke, and his wife Myrna said what an honor it has been to serve God alongside the conference members. Dan and Myrna shared their top ten list of practical things they learned in 30 plus years of ministry.

Number 10 – The one who laughs, will last. Laugh together a lot. Remember after all is said and done, more will be said than done. Never worry alone. God gave us committees – those groups take minutes but spend hours. The devil may be in the details but God is in the laughter.
Number 9 – When presenting a financial plan, always offer a sacrificial lamb. Finance committees are always hungry to kill something, so give them something to kill and get it over with.
Number 8 – In fishing for people, the trot-line method works best. Bait a lot of hooks and mobilize the laity. Recruit new leaders. Even the geese know to rotate the front row.
Number 7 – Know your limitations. God only parted the waters twice so know that sometime in the rivers you cross, the water will be one inch deeper than your waders.
Number 6 – Before you move, there can be signs that the new church is going to be a tough church. It's a sign if the pastor's name is written on the sign in chalk. It's a sign if the Superintendent talks only about the "great potential" of the church. It's a sign if the church members have to pray with their eyes open.
Number 5 – Pray for vision. You can't build what you don't see. Without vision some churches and pastors start out slow and taper off.
Number 4 – There are three kinds of decisions every pastor faces. The decisions the pastor makes alone without the members. The decisions the pastor makes with the members and the decisions the members make alone without the pastor. Much of the trouble for pastors lies in confusing the kind of decision we actually have before us.

Number 3 – God answers prayers with people. Some people arrive O-D-D, odd. Others arrive E.G.R., extra grace required. But somehow people are the answers. The church must figure out how the answers fit.
Number 2 – What hits the fan isn't evenly distributed.
Number 1 – The most powerful way and hope God has created is Jesus Christ!

Brothers and sisters in the faith, amen and blessings!

Ouidga Meyers has served as a licensed local pastor and is retiring from the Southwood congregation in the Dallas South district. She has previously served Scotland in the Wichita Falls district, and Skyline. Meyers said that it was 50 years ago at an E. Stanley Jones youth rally that she felt called to ministry while listening to the sermon. She was thankful that the conference has allowed her to serve that call. She was particularly grateful to Bishop Bruce Blake for championing the bi-vocational ministry program. She thanked her husband, retired pastor, Jack Meyers and their children for their support. To close her farewell to the conference she asked John Thornburg to sing the Hymn of Recommitment which she wrote and which is sung to the tune of the Doxology. The first verse of the hymn is fitting for the new chapter of retirement. "God's voice still calls and we respond to serve the church and yet beyond. We share God's love, the story tell. Though struggles come, God makes all well".

Leslie Stephens was accompanied by her husband Don. She thanked Don and their two children for the support they have given her. She also thanked several mentors who opened up the joys of ministry in Christian Education. The call to ministry was at first troubling to her but she is now very glad to have followed the call.

In her time before the conference members she chose to say a word about Sunday School. She encouraged everyone to invite others into the circle of fellowship and growth in the church and especially into Sunday School.

Linn Caraway Zink is a third generation pastor out of the Louisiana conference and Donna Whitehead said in introducing her that she is indeed a pioneer among women clergy. She served in local churches and as Associate Dean of Community Life and Admissions Officer at Perkins School of Theology. Zink said she was grateful for the connection to the North Texas Annual Conference and plans to serve in volunteer capacities at First United Methodist Church in Plano. Her mother planted in her a keen interest in scripture and she closed with one of her mother's favorite passages from Proverbs. "In all thy ways acknowledge God and God will guide thy paths."

Greetings from the Rio Grande Conference

Bishop Norris welcomed to the platform Tim Gonzales a district superintendent of the Rio Grande conference. Gonzales brought greetings from Bishop Joel Martinez on the occasion of the merger of the Casa View United Methodist Church with the Emmanuel United Methodist Church into the Rio Grande conference and he thanked God for this new sharing in ministry and mission here in Dallas through this newly merged congregation.

Board of Pension and Health Benefits

John Fiedler introduced the committee and directed the conference members to their workbooks, for the presentation of six resolutions (See Section IX. LEGISLATIVE ACTIONS).

The motion to keep pension benefits designated as housing allowances for retired pastors and disabled clergypersons **[LA 9]** was approved by the body. **[LA 10]** to establish the pre-1982 service year annuity rate was approved. **[LA 11]** the pre-1982 pensions liability funding plan was submitted and approved. **[LA 12]** the update to the retiree medical liability funding plan was approved. **[LA 13]** the budget for the Board of Pension and Health Benefits was approved. **[LA 14]** a resolution directing that the North Texas conference donate the 2008 Cokesbury check to the Central Conferences Pension Initiative to fund pastor pensions for ministers beyond the United States was approved.

Fiedler reminded members that the Wellness Initiative of the North Texas Conference has a built-in financial incentive for taking care of one's self and encouraged members to avail themselves of the wellness programs. In 2007 the 70 percent participation goal in the Wellness Initiative was achieved resulting in substantial rebates to the conference, which were distributed to the churches and participants. Fiedler urged the conference members to meet that goal again and if persons on the health insurance program take the health assessment by June 30 they will receive a $100 gift card.

Disability Concerns Committee

Liz Moen asked the conference members to look over the handout on their tables which introduces the newly formed Disability Concerns Committee. Being aware of how we all can be the church for everyone including those with disabilities should be a priority if we are to be radically hospitable. She and committee member Kenny Dickson presented Bishop Norris with a T-shirt, which he modeled.

Archives and History

Bill Bryan, commission chair, in his report last year challenged the churches to research and write because is was time once again for a church from the North Texas Conference to win the Kate Warnick award for the best Methodist church history in the state. The challenge was met by at least three churches that were finalists for the award this year. Bryan shared a story or two from each of the three histories and said that church histories are much more than lists of buildings and pastors they also contain the stories of life together. The winning history was that of First United Methodist Church Denton. The other two finalists were First United Methodist Church Mesquite and First United Methodist Church Allen.

The Bishop's Committee on Sexual Ethics

Committee chair Alice Zaccarello recounted the history and purpose of the committee that began in the early 90's through the work of the Commission on the Status and Role of Women and the development of a policy statement for defining sexual misconduct. Overtime, a bigger role was defined so the Bishop's committee was formed for the purpose of preventing the tragic occurrence of clergy sexual misconduct and promoting healing if it has occurred, she said.

Zaccarello said that the committee works in four areas – educational, advocacy, healing and ensuring the conference churches and ministries are safe places.

Lisa Greenwood Wolcott reported on the role of advocacy. For a person making an allegation of sexual misconduct it is a vulnerable time. Therefore, the committee has a trained group of resource persons to walk beside the aggrieved person during the process of making the complaint. These persons are well-versed in the Disciplinary procedures and can assist the aggrieved in navigating the process and help them deal with the emotions.

Carol Carsey said that the committee has expanded the role of support by forming a Response Team to assist healing in congregations when clergy persons leave a church due to charges of sexual misconduct. The congregation is encouraged to explore and express their feelings about the charges of sexual misconduct. The response team also offers support for each of the parties in the painful situation.

Andy Stoker said that it is time for our churches to move quickly to ensure safe sanctuaries for all children and adults. He introduced legislative item 17 (see **[LA 17]** in Section IX. LEGISLATIVE ACTIONS) to set a time table for each local church to develop and implement a Safe Sanctuary Policy. The motion was approved.

Commission on Communications

Joe Dan Boyd, chair of Communications, came to the podium following the projection of Google Earth clips on the screen to simulate a view from space. Boyd said he was trying to make contact with the earthlings at Plano Centre. He said that he and the rest of the communications team come in peace and come to communicate the old story in new ways. He said that the space theme for his report came as the team was thinking out of the box on ways to promote subscriptions to the North Texas United Methodist Reporter.

Boyd reported on the user-friendliness of the conference website that allows each individual church to manage the content of their pages on the site. He also said that the media center located in the new conference ministry center is available for churches to send persons for training on the equipment so that they can use the facility for producing videos.

The communications team also assists the Sending Servants team in producing the Igniting Ministry campaign materials for Christmas, Lent/Easter and Back to School emphases.

Boyd concluded his report by thanking Milse Furtado who is completing her year as the United Methodist Communications Racial Ethnic Minority Fellow. He also introduced the incoming chairperson, Betsy Schenck.

Methodism's Breadbasket

Cynthia Martin reported on Methodism's Breadbasket. She is the executive director and she thanked Volunteers In Mission for selecting the Breadbasket as a mission project. She thanked those instrumental in the 38 years of Breadbasket ministry.

A video was shown entitled; "We Are You" and it showed the work of Breadbasket and listed the participating churches that support it. Anna Blake the president of Methodism's Breadbasket said that there is a new face to poverty. It is the face of the elderly. At Thanksgiving 80-85 percent of those standing in line for a food basket were the elderly. She said that if that doesn't touch your heart something is wrong with you. Many of those being served have reared or are rearing their grandchildren and the fixed incomes do not stretch far enough to cover shelter, prescription drugs and food. Methodism's Breadbasket is here to help, Blake said, and she urged all conference churches to be a part of this work.

Methodist Children's Home

Bobby Gilliam, MCH president, proposed a covenant relationship between the North Texas Annual Conference and the Methodist Children's Home. The covenant was approved. (See **[LA 22]** in Section IX. LEGISLATIVE ACTIONS).

Courtesies and Resolutions

The conference was asked to pray for Charles Engle, Marsha Middleton's father and for Rhonda, a grandmother who is dying of cancer.

Birthday greetings were extended to Harold Dangerfield.

The Wellspring United Methodist Church Praise Band will be holding recording sessions this summer and a CD will be available by September 1.

Tom Hudspeth announced that Lovers Lane United Methodist Church will establish an academy for the deaf to develop their mental, physical, spiritual abilities. He asked the help of conference members in identifying deaf teenagers that could benefit from the academy. For more information go to www.academy.com. The academy will open August 25, 2008.

TUESDAY EVENING WORSHIP

Service of Ordination
Custer Road United Methodist Church, Plano

Reverend Ron Henderson welcomed the conference to Custer Road United Methodist Church for the service of ordination. Following the processional hymn, Bishop Alfred Norris led the congregation in a remembrance of our baptism and a reaffirmation of the ministry entrusted to all God's people.

"Introducing Scott Jones to members of North Texas United Methodism is like introducing a son to his mother and father," quipped Bishop Norris. "He is Bishop of the Kansas Area, elected to the Episcopacy in 2004, is an academician, a scholar, a great teacher, a preacher of the Word who believes in evangelism and is one of the bright stars of our Episcopal Family."

In his sermon Bishop Jones spoke of the difference vision makes in how people serve the Lord and the church. He used the metaphors of having either a Settler's Theology or a Pioneer's theology and he said we are called to both/and. Every pioneering wagon train, he said, is headed somewhere to settle. And every wagon train has a settlement behind it that is supplying it with provisions. In the church, Jones said, we need both. We need to honor the traditions and also start new ministries. We need to be high tech and high touch.

Bishop Norris presided in the ordination rituals as the North Texas Annual Conference received one deacon and seven elders into membership in full connection. Lydia Pellikan was ordained deacon. Brian Bosworth, Leroy Elder, Beatriz Pacheco, Elizabeth Talbert, Christine Thomas, and Ann Willet were ordained elders. Albano Tayengo was ordained as a courtesy for the West Angola Annual Conference.

WEDNESDAY MORNING BUSINESS SESSION
June 11, 2008

Nominations for the Jurisdictional Pool

Mary Brooke Casad said that every fourth year, just prior to Jurisdictional Conference, each annual conference is to submit up to 45 names to be in the jurisdictional pool for possible selection to serve on one of the general boards or agencies of the church. The delegates to General and

Jurisdictional Conference are automatically on this list unless one or more of those delegates have served the maximum allowable years on a general board or agency. United Methodist Men

Todd Bristow, president of the United Methodist Men, said that he relied on the passage in John 5:19 that says, "So Jesus answered them....The son can do nothing on his own. He does only what he sees his father doing."

He said the role of United Methodist Men was to be the local organization for men to find centrality in Christ. United Methodist Men has been a ministry of the church for 100 years and Bristow said that he was pleased to introduce David Adams, the general secretary for United Methodist Men, to speak to the conference in this anniversary year.

Adams said he was dedicated to a mission of raising men up to partner with women in building up the kingdom of God. The challenge, he said, was to meet the crisis of the fact that men are not in the church and are not growing spiritually.

Adams had another purpose in coming to the conference and that was to present to United Methodist Men president Todd Bristow the highest award granted by the United Methodist Men on

a national level and that was to name Bristow a John Wesley Fellow. In presenting Bristow with the plaque he said that Bristow was passionate about all that he does to serve the Lord.

United Methodist Women

Ruth Robinson greeted the conference and said United Methodist Women embrace the theme of the mission programming for 2008 which is "Publish Glad Tidings" and that is what will be done in this report. She reported that General Conference left the structure of United Methodist Women unchanged and for that they rejoice.

United Methodist Women representatives from across the state of Texas convene each year in Austin to meet with lawmakers and to advocate for laws and services for marginalized women and children. This year marked the 20th anniversary of this UMW service.

Spiritual growth is fostered at the annual retreat. This year the speaker was Dr. Mackie Norris who led the retreat based on the theme, "It is well with body and soul." United Methodist Women also observe days apart for spiritual renewal and the Call to Prayer and the World Day of Prayer.

Robinson also highlighted the mission education events scheduled for the year and announced that the mission project is the Wesley-Rankin Community Center.

Council on Finance and Administration – Report 2

Doug Miller presented the budget, as contained in the workbook, for approval. The vote was then taken on the budget as presented and it was approved. (See Section IX. LEGISLATIVE ACTIONS **[LA 3]**).

Elder Opportunities in the South Central Jurisdiction

A resolution was submitted by the Dallas-Denton District Committee on Ministry calling for the North Texas Annual Conference delegation to present a resolution to the Jurisdictional Conference calling for a central on-line clearinghouse for information on available positions for elders in the conferences of the jurisdiction. The resolution was approved. (See Section IX. LEGISLATIVE ACTIONS **[LA 20]**).

Church and Society Task Force

Nelda Reid submitted a resolution from the task force that called for a response by the North Texas Annual Conference to Immigration and Customs (ICE) Raids and Detention. This multi-faceted resolution was passed. (See Section IX. LEGISLATIVE ACTIONS **[LA 21]**).

Bishop Norris' Farewell Comments

Nearing the close of his last session to preside over the North Texas Annual Conference, Bishop Norris took the opportunity to thank the leadership of the conference for their support and assistance to him as he filled the term of Bishop Moncure. He was grateful especially for the way that the churches of the conference responded to the initiatives he championed in his two years with the conference. He assured the conference members that he would continue to hold the churches and members of the conference in his prayers as they seek to make disciples of Jesus Christ for the transformation of the world.

Reading of Appointments

Bishop Norris called for the reading of the appointments by announcing the names of the persons appointed to serve as District Superintendents: Larry George, for the Dallas-Denton district; Pat Beghtel-Mahle; for the Dallas Northeast district; Milton Guttierrez for the Dallas South district; Keith Boone, for the Paris-Sulphur Springs district; Clara Reed, for the Sherman-McKinney district; and John Rosenburg, for the Wichita Falls District. Each of these persons then read the pastoral appointments for his or her district.

Following the reading, Bishop Norris, by the authority vested in him by the United Methodist Church, fixed the appointments of all pastors.

Closing Hymn and Benediction

After the appointments were read, the conference sang two verses of the traditional conferencing hymn, *And Are We Yet Alive*, and then Bishop Norris gave the benediction that ended the 2008 session of the North Texas Conference of the United Methodist Church.

AFFIRMS AND SUPPORTS AN OPEN LETTER FROM MARCHA (METHODISTS ASSOCIATED REPRESENTING THE CAUSE OF HISPANIC AMERICANS)

FROM: North Texas Conference Accountability Group, Anti-Racism Team and Hispanic/Latino Ministry Task Force

BACKGROUND: On February 1, 2008, "Faith in Action: News and Views from the United Methodist Board of Church and Society," printed an Open Letter from Bishop Elias Galvan, Interim Executive Director and Dr. David Maldonado, Jr., President of MARCHA (Methodists Associated Representing the Cause of Hispanic Americans) criticizing current legislative efforts and laws passed across the country that harm and hinder the daily lives of immigrant Hispanic/Latino families. This letter is a direct result of the MARCHA stance taken during the 34th Annual Assembly of MARCHA in San Juan, Puerto Rico during which the assembly "...focused on issues such as the emerging needs of Hispanic/Latino in the United States, particularly immigration. Participants discussed how MARCHA, as an advocacy organization, can request justice and fair treatment for immigrant workers through legislation and encourage concerned church members, caucuses and other groups to make their voices heard by lawmakers." Participants at this assembly were United Methodist Bishops from across the Americas as well as staff from United Methodist agencies and seminaries.

Whereas, [1]The United Methodist Church in the Book of Discipline states, "The rights and privileges a society bestows upon or withholds from those who comprise it indicates the relative esteem in which that society holds particular persons and groups of persons. We affirm all persons as equally valuable in the sight of God. We therefore work toward societies in which each person's value is recognized, maintained, and strengthened. We support the basic rights of all persons to equal access to housing, education, communication, employment, medical care, legal redress for grievances, and physical protection. We deplore acts of hate or violence against groups or persons based on race, ethnicity, gender, sexual orientation, religion affiliation, or economic status." and,

Whereas, according to the U.S. Census Bureau, Hispanic/Latino is the biggest ethnic group in Texas and throughout the nation, and

Whereas, some cities in Texas are enacting laws and practices that are having a severe impact on the daily lives of the Hispanic/Latino Americans and immigrant families, and

Whereas, Hispanic/Latino faces daily suspicion of non-citizenship, denial of residents rights, employment bias, housing discrimination, and racial profiling of drivers are common practices not applied to the general population that deny the Constitution rights to life, liberty, and the pursuit of happiness.

Now, Therefore, Be It Resolved: That the North Texas Conference of the United Methodist Church affirms and supports the MARCHA Open Letter from Bishop Elias Galvan and Dr. David Maldonado, Jr., whereby they highlighted the harmful nature of the current hostile environment against Hispanic/Latino Americans and other immigrant groups.

Be It Further Resolved:
That the North Texas Conference of the United Methodist Church affirms and supports the sentiments and ideals expressed within the February 1, 2008 Open Letter from MARCHA.

Finally Be It Resolved:
That the Conference Secretary by June 30, 2008 send a letter to notify Bishop Elias Galvan and Dr. David Maldonado, Jr., of MARCHA that the North Texas Conference of the United Methodist Church approved a resolution affirming and supporting the MARCHA Open Letter and the sentiments and ideals expressed in the MARCHA Open Letter.

Attachment:
An Open Letter by Bishop Elias Galvan, Interim Executive Director, and Dr. David Maldonado Jr., President, MARCHA (Methodists Associated Representing the Cause of the Hispanic Americans) (February 1, 2008)

"We write to you on behalf of millions of Latinos and Latinas living in fear, threat and intimidation due to the hostile climate generated by the political and social attitudes towards immigrants and Latinos in particular. Latinos face daily suspicion of their citizenship and rights as resident of their communities. They are subjected to racial profiling and suspicion as they seek employment, housing, or simply driving down the street. Latinos are forced to prove their citizenship and prove that they have a right to live in their communities like any other citizen or resident.

Communities and states across the country are enacting laws and practices that are having a severe impact on the daily lives of our families and neighbors. Children born in this country are increasingly treated as persons without rights. Latino families have to prove their citizenship in order to rent a house, to be employed, or enroll their children in school. These are harsh practices that are not applied to the general population. Because of our color, culture and language, Latinos are singled out for suspicion and unfair treatment. This is legalized racism.

Latino immigrants are receiving the harshest treatment in recent history in the long procession of ethnic immigration. The issue of undocumentation has released a flood of racial negativity, harsh treatment, and more alarming, a marked increase of hate crimes against Hispanic/Latino people. Undocumented immigrants are treated as criminals and public enemies. They are defined as a threat to our nation when, in fact, they simply come with an urgent desire to work in order for their families to survive. They are the vulnerable sojourners in our midst. Yet, for political benefit and other agendas, Latino immigrants are denied their humanity.

The United Methodist Church has a proud and faithful history of standing with those who are oppressed and subject to such racist practices and attitudes. MARCHA calls upon The United Methodist Church to challenge and oppose the current wave of anti-Latino demagoguery, treatment and public ordinances intended to suppress a people.

We invite you to stand with those who are subjected to such senseless and unjust treatment.

The United Methodist Church needs to oppose city ordinances and state laws that are grounded on anti-immigrant and anti-Latino attitudes intended to frighten and intimidate Latinos and force them to live in fear or leave these communities.

As we gather at the (United Methodist) General Conference to address opportunities, to provide witness, and be in ministry to all peoples, we invite the General Conference delegates and every United Methodist across our church to join MARCHA in standing against the negative and anti-Latino forces and voices around us.

Let us be The United Methodist Church known for its prophetic voice and caring spirit."

FINANCE AND ADMINISTRATION

FROM: Council on Finance and Administration

BACKGROUND: Again in 2007 the churches of the North Texas Conference continued our tradition of excellent apportionment payment. The total payout of 97.5% was a wonderful indication of the faithfulness of North Texas United Methodists and the strength, vitality and pride of the churches of the North Texas Conference!

287 out of 309 churches with apportionments paid 100%, and 35 churches made Second Mile contributions of $49,779 to help others. We especially commend the Wichita Falls District (16 years in a row), the Paris-Sulphur Springs District (13 years in a row), and the Sherman-McKinney District (2 years in a row) for 100% payment. It should also be noted that all 67 churches in the Paris-Sulphur Springs District paid 100% in 2007, with no help from Second-Mile Giving. (And the entire district paid out two days early!) We are deeply grateful to all who made truly extraordinary efforts.

Total dollars received for apportionments in 2007 was $12,174,396, which was an increase of $372,148 and 3.2% over 2006. The total paid for all benevolent causes in 2007 was $13,790,201, an increase of $749,137 and 5.7% over 2006. That included $197,578 for the *VISION 2020* capital campaign, $22,645 for original *VISIONARIES*, and $171,669 for *NEW VISIONARIES.*

We have also started 2008 strong and are on our way toward 100% payment of our connectional responsibilities this year. The Council urges every church to take seriously the recommended ten-month payout plan in which 10% of the annual apportionment amount is remitted monthly. Without doubt, making monthly payments beginning in January or February is an important step in paying apportionments in full.

Paragraph 621 of the 2004 *Discipline* states that the Board of Pension and Health Benefits apportionment, the Episcopal Fund, the District Superintendents Fund, and Equitable Compensation are apportioned funds which are to be paid on the same schedule as the pastor's salary is paid. The Cabinet joins the Council in urging each church to adhere to this mandate monthly.

All churches are also encouraged to make contributions to their District Second Mile Fund. This is an important way to assist districts and the conference as a whole to achieve 100% payment of our total apportionments.

The Council and the Conference Treasurer continue to work hard to maintain an open and straightforward operating style. Great efforts have been made to provide clear and understandable financial reports. Monthly disbursements reports have been provided to other agencies of the conference. The Council takes seriously its fiduciary responsibility and is working with the agencies to insure faithful and effective stewardship of conference funds.

INFORMATION

A. Fidelity Bond for Local Churches

Beginning in 2007, with the establishment of our Conference-Wide Property & Liability Insurance Program through PACT, a $100,000 Employee Dishonesty (Crime) Bond is provided to cover those persons authorized to handle funds in every church in the Annual Conference.

B. VISION 2020

December 31, 2007 marked the formal conclusion of the ten-year VISION 2020 campaign period. As has been celebrated many times, VISION 2020 was an extraordinarily successful capital campaign. The campaign to raise $12 million resulted in receipts of $12,278,780, which funded many exciting and significant ministries in Creating Congregations, Urban Ministries and our Camp & Retreat Centers. In keeping with the original agreement that the three major areas of ministry funded would receive as close as possible to an equal amount of the receipts, $3,922,130 was distributed to Creating Congregations, $3,976,783 to Urban Ministries including $977,822 paid to Urban Ministry scholarships at Perkins School of Theology, and $3,882,601 to our Camp and Retreat Centers, in addition to the expenses of the campaign which were funded by a special designated gift. Any future VISION 2020 contributions received after the formal conclusion of the campaign period are expected to be designated and will be disbursed to the designated causes.

C. Electric Aggregation Program

Electric utilities in the state of Texas were deregulated effective January 1, 2002. Deregulation offered the opportunity for the churches of the North Texas Conference to join together to purchase electricity. With the encouragement of CF&A, a group of large churches in the conference initiated an effort to secure a group contract for the purchase of electricity. All of the churches of the conference have been invited to participate in this effort. The program is now in its fourth aggregate contract and continues to be beneficial to the 180 participating churches with the benefits of achieving scale, the ability to anticipate costs in budgeting, and protection against the volatility of natural gas prices and future cost increases.

An additional feature of the present contract is the inclusion of 10% renewable or "green" energy for every church, which was secured at no additional cost to the group contract. Churches may choose to increase the percentage of renewable energy for a small additional cost. As reported in a December 22, 2007 feature article in the *Dallas Morning News*: "In an apparently unprecedented move for a large religious group, United Methodist churches of North Texas have joined forces to buy 'green' electricity generated by windmills in the western part of the state." Staff writer Sam Hodges went on to say, "Environmentalists say they're unaware of another conference, diocese, synod or any other body of churches that has used its economic clout to spur nonpolluting electricity production." This is a significant step as we try to live out our concern for the environment.

D. Conference-Wide Property & Liability Insurance Program

In response to requests for help from several local churches and after a great deal of study and discussion over many years, the 2006 Annual Conference session voted to establish a conference-wide property and liability insurance program through UM PACT, in which all of our churches, fellowships, camp and retreat centers, and other conference ministries purchase property and liability insurance through PACT effective January 1, 2007. This program is now fully deployed across all the churches and agencies of the conference.

Because of increasing concern over the vulnerability of our churches in today's litigious society and realizing that all of the other churches are at risk when some are without adequate coverage or limits, the Council is convinced that this program is the best way to protect all North Texas Conference churches in case of property losses or issues leading to liability claims. The Council desires to do everything possible to keep our churches out of harm's way and to enhance our protection of ministry and mission.

E. Pre-1982 Pension Liability

The *2004 Discipline* requires the submission of an annual formal funding plan for our pre-1982 pension liability. We believe we have now completed the funding of our pension liability for pre-1982 service. (See Board of Pension and Health Benefits legislative items and 2009 Apportionment Budget discussion).

F. Retiree Medical Liability

An Update to the Retiree Medical Liability Funding Plan is included in this year's Board of Pension and Health Benefits legislative items. CF&A has worked with the Board in preparing this update. (See BOPHB legislative items and 2009 Apportionment Budget discussion.)

G. Salary, Benefits and Expenses for District Superintendents

As stated in the conference's Standing Rules, "beginning in 2008 the salary of a district superintendent shall be adjusted annually by the average percentage change in the base compensation of all full-time pastors appointed to serve local churches or appointments for which the conference is responsible." The amount of change called for in accordance with this policy for 2009 is a 4.1% increase, which brings the salary to $102,632. Parsonages are provided by the districts. Utilities, travel and expenses are reimbursed by voucher.

H. 2007 Profile of Apportionments vs. Local Church Expenditures

Total apportionments accounted for 8.8% of total local church expenditures in the North Texas Conference in 2007, compared to 8.8% in 2006 and 10.0% in 1997. Total apportionments increased 3.5%, while local church operating expenses on the decimal increased 9.9%. Total local church expenditures increased 3.7%.

I. Ten-Year Profile of Apportionments vs. Local Church Expenditures

An analysis of apportionments in the North Texas Conference between 1998-2007 reveals that apportionments increased at a slower pace than local church expenditures. During that time total apportionments increased 49.4%, while local church operating expenses on the decimal increased 63.7%. Total local church expenditures increased 64.6% during the decade.

J. Fund Balances

In its ongoing effort to be responsible in budgeting, the Council under the leadership of President Doug Miller has spent considerable time and effort examining balances in both apportioned and non-apportioned funds at the end of 2007. In addition to a designated "Conference Reserve Fund" of $922,251, apportioned funds carried forward from 2007 to 2008 totaled $806,640. $5,762,095 of other funds was carried forward from 2007 to 2008. The total fund balances increased $641,951 from the beginning of 2007 to the beginning of 2008.

CF&A believes there is a need to spend down an appropriate amount of these fund balances and has begun discussions with the groups holding the balances to do so. The 2009 Apportionment Budget recommendation reflects an anticipated spending down of reserves of $364,960, with an additional matching $150,000 that will be applied to the portion of health insurance premiums paid by the retirees. The Council is also aware of $318,271.16 of reserves that was already scheduled to be spent in 2008, bringing the total reduction of fund balances planned to $833,231.

Because of the additional work related to the Pre-82 Pension Liability and Retiree Medical Liability funding plans which resulted in the significant reduction being recommended for the 2009 Apportionments (see discussion below) and the 2008 General Conference, CF&A was simply not able to address the question of reserve levels further this year. Thus, the current council requests and recommends that the next CF&A consider developing a formal reserves policy as soon as practical after beginning the next quadrennium's work.

2009 BUDGET RECOMMENDATION

The 2009 apportionment budget presented CF&A with a rare opportunity – to lower the apportionments! This opportunity was primarily due to the receipt of an unexpected gift for NTC clergy pensions in the amount of $2,633,529. This wonderful gift was given in memory of Regina K. Nadolny, the mother of Jeanette G. Williamson, by the Pierce M. Williamson and Jeanette G. Williamson Trust. Mr. and Mrs. Williamson were members of Highland Park United Methodist Church, who many years ago prepared to make a planned gift out of their estate to provide funding for the conference's pension liability. That gift has now been made and will benefit clergy as well as the churches of the conference.

Because of the receipt of this major gift, a joint task force comprised of members of the conference Board of Pension and Health Benefits and the Council on Finance and Administration was convened to evaluate and update the funding plans for both our Pre-1982 Pension Liability and our Retiree Medical Liability. Jerry Pinkerton, former President of CF&A and current member of BOPHB, chaired the task force. The task force considered new valuations of both liabilities and affirmed the general approach of the current funding plans.

It was determined that in addition to shifting the annual Past Service Funding apportionment from the Pre-82 Pension Liability to the Retiree Medical Liability as the plans indicated, $4.3 million could now be declared overfunded pension liability and applied to funding the retiree medical liability. Furthermore, in recognition of the challenges our churches face as the frontline of the church's mission and with the desire to hold the amount apportioned as low as possible, the task force, the Board and the Council recommend that the period of the previous amortization be maintained with a corresponding decrease in the amount to be apportioned each year. This will allow for the retirement of the unfunded liability in approximately ten years along with a significant reduction of the annual Past Service Funding apportionment. The annual apportionment reduction from this item to be realized is $1,053,649 (decreasing the Past Service Funding line from $1,717,649 to $784,000 and eliminating the Retiree Medical Liability for Current Group line which is $120,000 in 2008 as called for in the funding plans when the Past Service Funding apportionment is shifted from Pre-82 Pensions to Retiree Medical Liability). (See Board of Pension and Health Benefits legislative items.)

Two other decreases which total $414,278 are recommended to the 2009 apportionments. (1) An additional $399,278 from the Board of Pension and Health Benefits apportionment achieved primarily by spending down beginning fund balances; and (2) $15,000 from the Prothro Center, which is the third of three planned steps in the elimination of the previous Transition Subsidy which helped with the VISION 2020 transition from a camp to an adult and family retreat center. (See Footnotes to the Recommended Apportionments below.)

As demonstrated above, CF&A recognizes the churches' need to hold down apportionments and maximize the funds available for use in the local congregations. Nonetheless, the council feels strongly that continued increases in General Conference apportionments ($93,141 in 2009 from the proposed General Conference budget) and other "fixed" costs must not be allowed to "squeeze out" the missional needs of the Annual Conference. We believe that the local churches are the front line

of mission and ministry and that the annual conference is the basic body of the connection. Thus, the largest increases proposed for 2009 are related to the Creating Congregations Team (specifically new church starts) and the other NTC Connectional Ministries groups. The total increases recommended are $524,143.

The proposed 2009 Apportionment Budget reflects an overall decrease of $961,895 or 7.7%. Without the $1,053,649 decrease in Pre-82 Pension and Retiree Medical Liabilities funding, there would have been a total increase of $91,754 or 0.73%.

This budget does not include approximately $750,000, which will be apportioned for district budgets. The exact amount of these budgets was voted on in District Conferences in May 2008. 2007 District financial reports and 2009 District budgets will be included in the 2008 *Conference Journal.*

NOTES TO RECOMMENDED APPORTIONMENTS

(1) 25% of this amount ($159,594 for 2009) stays in the annual conference for use by the NTC Board of Ministry. It has been the policy of the BOM for many years that prior year receipts would fund current year expenses in order to fund college and seminary scholarships for candidates for ministry. It should be noted that the 2008 annual conference share is $151,263, while the 2009 MEF expense budget submitted by the BOM is $174,200.

(2) This reflects the latest anticipated Jurisdictional Conference budget. The actual amount will not be determined until Jurisdictional Conference meets in July.

(3) CF&A added $38,000 to the Creating Congregations Team request for the purpose of funding the Office of New Church Development's projected deficit through 2010, with anticipation of the possible infusion of capital funds for new church starts beginning in 2011.

(4) This increase provides a 3% aggregate increase for Connectional Ministries and Communications Staff salaries as well as increased benefit and expense costs.

(5) This is the third of three planned steps in the elimination of the previous Transition Subsidy which helped with the VISION 2020 transition from a camp to an adult and family retreat center. The separate listing of the SEEK Program amount is an effort to be clearer in what is funded.

(6) The additional amount was planned to come out of Creating Congregations Team funds in 2008 with the understanding that it would be requested out of the Area Office budget beginning in 2009. The total includes the officer compensation, support staff and operating expenses.

(7) This figure is based on experience and recognizes that we will have had three move-ins in four years.

(8) The Board of Ministry has reorganized its budget in an effort to more closely align it with its sub-committees.

(9) This does not include a request from the Board of Ministry for the installation cost and the annual maintenance cost of the DOVE system (a software program that enables tracking of candidates for ministry, clergy record keeping, etc.). However, CF&A encouraged the BOM leadership in their continued exploration of the system and expressed a willingness to make available reserve funds for it if they are convinced of the need prior to the 2010 apportionment budget process.

(10) This is actually a new request for $25,000 for the Clergy Effectiveness Program, since an additional $13,000 is included in the MEF budget for 2009.

(11) Although the 2007 cost was $51,706 and the 2009 estimate is $56,877, no increase is requested and operating reserves will be spent down to cover the difference.

(12) Although the 2007 cost was $28,210 and the 2009 estimate is $31,269, no increase is requested and operating reserves will be spent down to cover the difference.

(13) No increase is requested and operating reserves will be spent down to cover any routine operating increases.

(14) This reflects a 3% aggregate increase for Area and Conference Administration Staff salaries plus an amount for increased benefit and expense costs.

(15) The two previous apportionments to fund the work of the Board of Pension and Health Benefits (Insurance Subsidies and Board of Pensions) are combined beginning in 2009 to recognize that they are closely related and allow for transferring funds between the two areas as needed.

(16) This is the recommendation from the joint task force to update the Pre-82 Pension and Retiree Medical Liabilities funding plans and the Board of Pension and Health Benefits, which includes shifting this apportionment to the Retiree Medical Liability at this time.

(17) This is based on an expenditure of $567,174 in 2007, an anticipated expenditure of $600,000 in 2008, and an anticipated 5% increase in 2009. The actual cost is based on the actual pastoral salaries received x the 3% CPP charge.

(18) The anticipated cost in 2009 is approximately $115,000. Because of a surplus of $124,978 in 2007 ($160,507 less $35,529 to be paid in 2008 for 2007), nothing is being requested. More surplus anticipated in 2008 will be used to smooth the increase required in 2010 and beyond.

(19) $593,099 was expended on this in 2007, and the anticipated cost in 2009 is $667,800. This cost is reduced in the budget request by the use of $75,000 in Medicare Part D subsidy (half of what has been received to date) and $75,000 in health insurance reserves. (The other $75,000 from the Medicare Part D subsidy received and an additional $75,000 from health insurance reserves will be applied

to the portion paid by the retirees.) Additional health insurance reserves will be used to smooth the increase required in 2010 and beyond.

(20) The Retiree Medical Liability funding plan calls for this item to be eliminated when the Past Service Funding apportionment is shifted from Pre-82 Pensions to the Retiree Medical Liability.

(21) This is the recommendation from the joint task force to update the Pre-82 Pension and Retiree Medical Liabilities funding plans and the Board of Pension and Health Benefits.

(22) This reflects an increase of 4.1% in DS salaries. The amount of change was determined in accordance with the policy stated in the conference's Standing Rules.

(23) This is based upon a 4.1% salary increase and the anticipated 12% increase in the CRSP Defined Benefit cost for the NTC in 2009.

(24) This amount is intended to provide a 4.1% increase in the conference minimum compensation to $41,209. It reflects a spending down of the beginning balance of approximately $30,000 in 2008 and $35,000 in 2009.

(25) Without the $1,053,649 decrease in Pre-82 Pension and Retiree Medical Liabilities funding, there would have been a total increase of $91,754 or +0.73%.

GUIDELINES FOR APPORTIONMENTS FOR LOCAL CHURCHES

A. Formula for Two-Part Decimal:

1/3 membership and 2/3 finance

B. Procedure for Computation of Decimal for Each Church:

The membership part is computed by dividing the total 2007 church membership of the Annual Conference (less discontinued churches and fellowships = 158,149) into the 2007 membership of each church. This becomes the church's membership decimal.

The finance part is computed by adding the amounts of the operating expenses reported paid by each church in columns 64b, 65b, 66a, 66c, 67a-d, 68a-b and 69-72 of the 2007 Statistician's Report. (No funds reported in other statistical columns are included in this computation.) This total is then divided by the Conference total of these same columns (less discontinued churches and fellowships = $76,991,099). This becomes the local church's finance decimal.

The finance decimal is doubled. The membership decimal is added to the doubled finance decimal. This total is divided by three to become the apportionment decimal.

C. Procedure for Computation of Apportionments for Each Church:

The apportionment decimal for each church is multiplied by the Conference total of each apportionment to determine the amount that each church is asked to pay toward the apportionment. The only exception is the District Administration Fund Apportionment, which is at the present time computed on the basis of the district decimal.

D. Margin for Correction:

To assure that 100% of the amount of each apportionment will be distributed to the churches, no more than one quarter of one percent may be added to each apportionment when needed.

RECOMMENDED GOALS TO LOCAL CHURCHES

A. That local churches accept the challenge to grow in spiritual strength by designating no less than 25% of their total annual budgets for causes beyond their local churches.

B. That local churches plan to remit at least 10% of their annual apportionments before the 15th of each month beginning in January or February.

C. That apportionments be given first claim by local churches in their beyond-the-local church payments with advance specials and other benevolences viewed as second-mile giving.

D. That local churches assist in achieving 100% payment of all apportionments for connectional ministries and missions in every district through voluntary contributions to the District Second- Mile Apportionment Fund.

A RESOLUTION TO INCREASE THE CHAPLAINCY IN TEXAS PRISONS

FROM: Sending Servants Team

Whereas The United Methodist Church in the *Social Principles* has stated: "We hold governments responsible for the protection of the rights of the people to free and fair elections and to the freedoms of speech, religion ..."[1] and

Whereas Studies show that the inmates who attend religious activities have a disciplinary rate one-third to one-fourth that of those that attend no religious activities. One such study reports that "More Chaplains could very well be an integral element to solving the behavioral problems at institutions;"[2] and

Whereas In 2003 the Texas legislature reduced the number of Chaplains ministering to those incarcerated in Texas prisons by forty percent resulting in some Chaplains with responsibilities in more than one prison and others with 3,500 inmates in their care; and

Whereas The current national chaplain staffing standard established by the American Correctional Association (ACA) calls for a ratio of 500 inmates to one chaplain;[3] and

Whereas The mission of the Chaplaincy Department of the Texas Department of Criminal Justice is to positively impact public safety and the reduction of recidivism through the rehabilitation and re-integration of adult felons into society. ... It is the purpose of Chaplaincy to provide guidance and nurture to those searching for meaning in life. A variety of programs, activities and community participation are prudently managed wherein an individual is able to pursue their faith, reconcile relationships and strengthen their families.[4]

Whereas The *Social Principles* of the United Methodist Church further states, "We believe we have a responsibility to innovate, sponsor, and evaluate new forms of community that will encourage development of the fullest potential in individuals. Primary for us is the gospel understanding that all persons are important – because they are human beings created by God and loved through and by Jesus Christ and not because they have merited significance. We therefore support social climates in which human communities are maintained and strengthened for the sake of all persons and their growth."[5]

Now, Therefore, Be It Resolved that the North Texas Annual Conference of the United Methodist Church notify the Governor, Lieutenant Governor, and members of the Texas Legislature, both House and Senate, that we are in favor of legislation that will immediately increase the funding for the Texas Department of Criminal Justice Chaplaincy Department to enable them to meet National levels of one Chaplain per 500 inmates.

A RESOLUTION TO ABOLISH THE DEATH PENALTY IN TEXAS

FROM: Sending Servants Team

Whereas The *Social Principles* of the United Methodist Church states: "We believe all human life is sacred and created by God and therefore, we must see all human life as significant and valuable. When governments implement the death penalty (capital punishment), then the life of the convicted person is devalued and all possibility of change in that person's life ends. We believe in the resurrection of Jesus Christ and that the possibility of reconciliation with Christ comes through repentance. This gift of reconciliation is offered to all individuals without exception and gives all life new dignity and sacredness."[1] and

Whereas The church is further convinced that capital punishment neither results in the net reduction of crime or in the number of homicides; and

Whereas The *Dallas Morning News* concluded that a capital punishment case costs an average of $2.3 million, about three times the cost of imprisoning someone in a single cell at the highest security level for 40 years;[2] and

Whereas on June 17, 2005 Gov. Rick Perry signed into law Senate Bill 60 which gives juries in Texas capital murder cases the option of sentencing a defendant to life without the possibility of parole; and

Whereas Many major newspapers, including the *Dallas Morning News*, have reversed long-standing editorial positions and now call for the repeal of capital punishment. They state in part, "Our standards of punishment have evolved over time, from the gallows to firing squads, from the electric chair to lethal injection. Life without parole, essentially death by prison, should be the new standard."[3] and

Whereas; The *Social Principles* of the United Methodist Church further declares, "We oppose capital punishment and urge its elimination from all criminal codes."[4]

Now, Therefore, Be It Resolved that the North Texas Annual Conference of the United Methodist Church notify the Governor, Lieutenant Governor, and members of the Texas Legislature, both House and Senate, that we support the enactment of legislation which leads to the immediate abolishment of the Death Penalty in the State of Texas.

RESOLUTION TO DESIGNATE RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED CLERGY PERSONS OF THE NORTH TEXAS CONFERENCE

FROM: Board of Pension and Health Benefits

BACKGROUND: To be in compliance with Internal Revenue Service Revenue Ruling 75-22, 1975-1,49, as it relates to clergy housing, the North Texas Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference:

LEGISLATION: **Whereas**, the religious denomination known as The United Methodist Church (the "Church"), of which the North Texas Conference is a part, has in the past functioned and continues to function through Ministers of the Gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned or licensed ministers of the Church ("Clergypersons"); and

Whereas, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation; and

Whereas, pensions or other amounts paid to active, retired and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired and disabled Clergypersons in consideration of previous active service; and

Whereas, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation:

Now, Therefore, Be It Resolved:

That an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during the year 2009 by each active, retired, or disabled Clergyperson who is or was a member of

the Conference or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

That the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired or disabled Clergyperson's pension or disability as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107 (2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the Clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

PRE-1982 SERVICE YEAR RATE FOR 2009

FROM: Board of Pension and Health Benefits

BACKGROUND: ¶1506.7 of the *2004 Discipline* recommends that the past service annuity rate for ministerial service rendered before 1982 be not less than 1% of the Conference Average Compensation (CAC) as calculated by the General Board of Pension and Health Benefits. In 1999 the North Texas Conference adopted 1% of the Conference Average Compensation as its policy for setting the annual pre-1982 service year rate. For 2009 the CAC is $68,280. Thus, the Board of Pension and Health Benefits recommends that 1% of that or $683 be the past service rate for 2009.

LEGISLATION: That the pre-1982 Service Year Rate for 2009 be established at $683 for approved service of clergy members in full connection, probationary members, associate members and local pastors of the conference.

LA 11

2008 FORMAL PRE-82 PENSION LIABILITY FUNDING PLAN

FROM: Board of Pension and Health Benefits

BACKGROUND: The 2004 *Discipline* requires the updating of a formal annual funding plan which has been approved by the Annual Conference and the General Board of Pension and Health Benefits (GBOPHB) for the conference's pre-82 pension liability.

The funding plan below is an update of the funding plan which has been in place since 1995 and was incorporated into the legislation adopted by the 2002 and 2006 Annual Conference sessions and updated at this Annual Conference Session as part of our Retiree Medical Liability Funding Plan. It has been approved by GBOPHB.

The valuation of this funding plan will fluctuate each year. In addition to increases or decreases in assets due to stock market fluctuation, GBOPHB actuarial changes also increase or decrease the present value of benefits due.

LEGISLATION: North Texas Annual Conference Funding Plan For Supplement One to the Clergy Retirement Security Program As of January 1, 2008

The 2008 Past Service Rate (PSR) is $647, or 1.0% of Conference Average Compensation (CAC). The Conference intends to maintain the PSR at 1.0% of CAC. For the past several years, CAC has increased by an average of 4.5% per year, and we expect that pattern to continue. Therefore, we expect future PSRs to increase by an average of about 4.5% per year.

The conference will fund the benefits through annual contributions as needed from the Conference Deposit Account at the General Board of Pension and Health Benefits to be designated for Supplement One (Annual Past Service Deposit) through 2021. No contribution is anticipated for 2008.

The conference believes the Pre-1982 Pension Liability is now funded to a sufficient level to protect against the necessity of unexpected future contributions, which could be required because of market and/or demographic fluctuations. Thus, the Past Service Funding apportionment is being switched from Pre-82 Pensions to Retiree Medical Liability in 2009 and is being reduced from $1,717,649 to $784,000. As a safeguard in the event of the need for additional funding of pre-82 pensions or for MPP annuities or for the required CRSP Defined Benefit contributions, the two previous apportionments to fund the NTC BOPHB (Board of Pensions and Insurance Subsidies) are to be combined beginning in 2009 to recognize that they are closely related and allow for transferring funds between the pension liability and the retiree medical liability if needed.
The funding plan as of January 1, 2008 is summarized below.

UPDATE TO RETIREE MEDICAL LIABILITY FUNDING PLAN

FROM: Board of Pension and Health Benefits and Council on Finance and Administration

BACKGROUND: In late 1998 the Commission on Insurance was made aware of a significant retiree medical liability of the conference. This liability was not new; however, it had only recently begun to be recognized by the church in general. Retiree medical benefit liabilities are financial obligations that arise from expected future medical benefits. These benefits are provided to clergy (and potentially lay employees) for previous service.

During the past two to three decades the business community has become aware of the magnitude and importance of retiree health liabilities. The accounting rule makers implemented the rule that defined how retiree health obligations and costs were to be recorded in corporate financial statements in December 1990. It is known as "Financial Accounting Standards Board Statement Number 106" or FAS 106. As a result, many businesses had substantial reductions in reported earnings in the last decade and responded by introducing programs to manage these benefit costs. Some companies dropped retiree health benefits altogether.

The United Methodist Church has been insulated from this accounting issue since our benefits are provided through a multi-employer plan. Multi-employer plans have been exempt from FAS 106

reporting, so annual conferences have not been required to measure the obligations or report the long-term costs on their financial statements. Each year's health benefit costs have been paid and accounted for as a current year operating cost for that year ("Pay-As-You-Go"). With this method of financing, the cost of retiree medical benefits is borne by the conference after active clergy retire. (The alternative method of financing is "Pre-Funding," which involves timely contributions being made on behalf of the active workforce while they are working to an interest-bearing fund to be used to purchase medical coverage at retirement. The conversion to "Pre-Funding" also includes addressing the liability incurred to date.)

A number of other factors have caused denominational leaders to think that these costs must be reported and addressed. As a denomination, the average age of our active clergy is 52 and the average age of those entering seminary is 41. In the foreseeable future there will be more retired participants covered by our health insurance plans than participants in active ministry. Other factors include scientific advances, which are enabling ministers and their spouses to live longer, and the fact that the technology which is enabling us to live longer is dramatically increasing medical costs, particularly for the elderly. These and other factors make "Pre-Funding" for retiree medical benefits vs. "Pay-As-You-Go" critical.

In September 2000 a Conference-Wide Task Force to Address the Retiree Medical Liability was formed under the leadership of Jerry Pinkerton, President of CF&A at the time. The Task Force worked for two conference years to study the matter and develop a plan to fund the liability. In addition to seeking to learn more about this issue from the staff of the General Board of Pension and Health Benefits, the Task Force consulted with the conference Commission on Insurance and Board of Pensions (later merged), the Council on Finance and Administration, the Cabinet and the Conference Leadership Team. A series of informational meetings were held in the districts to present the proposals fully and respond to questions. The plan developed was adopted by the 2002 session of the Annual Conference, and then in 2003 the conference began small steps to fund the liability in addition to funding the conference's current year retiree medical premium payments.

ELEMENTS OF THE 2002 FUNDING PLAN

The first learning of the 2000-2002 Task Force was that the Pre-82 Pension Liability and the Retiree Medical Liability should be considered together. The Pre-82 Pension Liability is the amount that will be required to pay the pension benefits of North Texas Conference clergy for their service prior to 1982, when The United Methodist Church changed from a defined-benefit pension plan to a defined-contribution plan (MPP). The Retiree Medical Liability is the amount that will be required to pay the health insurance benefits of North Texas Conference clergy during retirement.

PRE-82 PENSION LIABILITY

As of January 1, 2002, the total Pre-82 Pension Liability of the North Texas Conference was valued by the Actuarial Department of the General Board of Pension and Health Benefits at $35,474,000. Of that amount, $13,944,000 had been funded (i.e., that amount had already been paid into the plan). Thus, the unfunded liability then was $21,530,000.

As of January 1, 2006, the total Pre-82 Pension Liability of the North Texas Conference was valued by the Actuarial Department of the General Board of Pension and Health Benefits at $32,059,261. Of that amount, $12,047,136 was funded. Thus, the unfunded liability at that time was $20,012,125. The conference had accumulated assets designated for pre-1982 pensions in a Deposit Account at the General Board of Pension and Health Benefits in the amount of $15,465,727, partially offsetting that unfunded liability.

The current plan, which was put in place at the beginning of 1995 to fund that liability, calls for the conference to make an annual contribution as required from the Deposit Account to the Pre-82 Pension Plan through 2021. This contribution is funded by an annual Past Service Funding apportionment of $1,717,649 and from the funds deposited with the General Board of Pension and Health Benefits. The plan as begun in 1995 is that the conference will apportion $1,717,649 annually until the Pre-82 Pension Liability is fully funded. Assuming an earnings rate of 7.0 % and a Conference Average Compensation (CAC) increase of 4.5 % (and therefore a Past Service Rate (PSR) increase of 4.5 %, since the conference policy is that the PSR will be 1 % of the CAC), the pre-82 Pension Liability will be fully funded by the end of 2008.

It is important to note that for pension benefits through 2008, the churches of the conference are paying (1) the pension cost of current service for the active clergy (i.e., making the employer contributions for their pastors), and (2) the apportionment to fund the balance of the pre-82 pension liability. When the pre-82 liability is funded, the only payment needed thereafter from the churches for this pension benefit will be the cost of current service for their pastors.

POST-RETIREMENT MEDICAL LIABILITY

With regard to the Retiree Medical Liability, the conference's foundational assumption is that, unlike some companies and some Annual Conferences, the North Texas Conference will continue to provide a health insurance benefit for eligible retirees. We believe that this is a part of the covenant relationship between the conference and its clergy. The issue is how will we be able to do so.

The December 31, 2000 valuation provided by the General Board of Pension and Health Benefits indicated that the retiree medical liability for the current clergy population of the North Texas Conference was $39,444,000. Further scrutinizing revealed that the liability for our plan's clergy participants only (those for whom the conference is responsible) was $27,906,000. Taking into consideration the current level of cost sharing by our retirees, the valuation brought the liability down to $19,972,000. The plan design changes adopted in 2002 brought the amount of the liability for current clergy down to $13,708,000. In addition, the conference began to fund the cost of retiree medical benefits for new clergy and spouses during their active service period.

An approach similar to that for Pre-82 pension benefits was put in place by the 2002 session of the Annual Conference for retiree medical benefits to fund (1) the unfunded liability for the existing active and retired clergy and spouses, and (2) the cost of retiree medical benefits for new clergy and spouses over the clergy's active service period.

Elements of the Retiree Medical Funding plan adopted in 2002 included creating a designated Retiree Medical Fund with the $1.5 million in the Deposit Account at the General Board of Pension and Health Benefits which was the remainder from the pre-1995 self-funded health insurance plan and, most importantly, deciding that after the Pre-82 Pension Liability was funded the $1,717,649 currently being apportioned for it would then be apportioned for the Retiree Medical Liability for the existing active and retired clergy and spouses until that liability is funded. It was also decided to continue to fund through apportionment the current year's retiree medical premium payments until the liability is fully funded (now estimated to be 2019) and to begin two additional moderate steps: (1) Fund through apportionment the retiree medical liability for existing active and retired clergy and their spouses at $20,000 in 2003 and increasing by $20,000 per year until the $1,717,649 begins to be apportioned annually for the Retiree Medical Fund (then projected to be 2010); and (2) Fund through apportionment the retiree medical benefit for new entrants as of January 1, 2003 over their estimated average service life in perpetuity at $43,000 in 2003 and increasing by approximately $50,000 per year (according to the schedule then developed).

PLAN DESIGN POLICIES ADOPTED IN 2002

The following plan design policies were also adopted at the 2002 session of the Annual Conference as an integral part of the plan:

(1) For those eligible clergypersons enrolled in the conference health insurance plan who retire after January 1, 2003, and their eligible spouses, the conference will pay from 15 - 50 % of the HealthFlex Medicare Supplement Plan 2 premium for those retiring at age 65 (or full retirement age) based on their years of ministerial service (which qualify for retirement credit) in The United Methodist Church in which they were appointed to a local church or within the connectional structure as defined in the 2000 *Discipline* Paragraphs 335.1(a)(1) and (2), or partial years of like service for less than full-time appointments, as follows.

Years of Service (full time equivalent)	% of Med. Supp. 2 Premium Paid
0 – 4	0
5	15 %
6	16 %
7	17 %
8	18 %
9	19 %
10	20 %
11	22 %
12	24 %
13	26 %
14	28 %
15	30 %
16	32 %
17	34 %
18	36 %
19	38 %
20	40 %
21	42 %
22	44 %
23	46 %
24	48 %
25 or more	50 %

For those eligible clergypersons enrolled in the conference health insurance plan who had retired before January 1, 2003, and their eligible spouses, the North Texas Conference will continue to pay 50 % of the HealthFlex Medicare Supplement Plan 2 premium.

(2) For those clergy who retire who are at least 62 years of age (but not 65) or have 35 years of service, the conference will pay the same benefit as for those in the Regular Retirement category above (15 - 50 % of the Medicare Supplement Plan 2 premium). These participants will pay the remainder of the Medicare Supplement Plan 2 premium (50 - 85 %) plus the difference between the active plan (which they must be on until they are eligible for Medicare) and the Medicare Supplement plan. Those retiring under the twenty year rule (i.e., are not 62 and have at least 20 years but not 35 years of service) are eligible to remain on the conference insurance plan. These participants must pay the entire active premium until they reach 65. At that time the conference will pay the same level of benefits as for those in the Regular Retirement category above.

(3) For retirees who continue to serve local churches in the North Texas Conference the conference will pay the same benefit as for those in the Regular Retirement category above (15 - 50 % of the Medicare Supplement Plan 2 premium for both retiree and spouse) and the retiree will be responsible for the balance of the premium (50 - 85 % of the Medicare Supplement Plan 2 premium for retiree and spouse). The retiree will be required to pay any additional cost due to the employment (i.e., the difference between the active plan which the working retiree might have to be on according to the anti-discrimination laws and the retiree plan) for the spouse. (A local church or other salary paying unit can opt to pay the participant and spouse's cost.) The local church employing a retired participant will be required to pay any additional cost due to the employment (i.e., the difference between the active plan which the working retiree might have to be on according to the anti-discrimination laws and the retiree plan) for the retiree.

NEED FOR REGULAR UPDATING

The 2002 legislation concluded by noting that the financial information presented then was based on the assumptions that were believed to be conservative. However, it also was clear that to the extent that actual experience differs from the assumptions, the actual results will vary. Therefore, an updated study should be undertaken at least every five years until both the Pre-82 Pension Liability and the Retiree Medical Liability are funded and appropriate modifications made as needed. Another study was done in the 2005-2006 conference year and made use of a January 1, 2005 valuation. The current study was done in the 2007-2008 conference year and made use of a January 1, 2007 valuation.

2006 UPDATE

The General Board of Pension and Health Benefits provided in November 2005 an updated valuation of the North Texas Conference Retiree Medical Liability as of January 1, 2005, which indicated that the net expected postretirement benefit obligation for the current clergy population of the conference was $28,395,949. After reconciling this valuation with that provided as of December 31, 2000, scrutiny revealed that the liability for our plan's clergy participants only (those for whom the conference is responsible) was $19,345,000, up from $13,708,000 four years ago. The unfunded liability rose from $12,208,000 to $17,218,000. The primary reasons for the increase were that the 2000 amount was for existing clergy and dependents at that time while the 2005 calculation included new clergy received since then, and a lower assumed earnings rate was used in the 2005 calculation.

Once again a joint task force from the conference Board of Pension and Health Benefits and the Council on Finance and Administration, under the leadership of Jerry Pinkerton, was formed to update the previous funding plan. The task force, along with the Board and the Council, affirmed the approach of the 2002 plan and agreed that it should be continued. The only modification recommended, aside from the changes in the actuarial projections themselves, was to freeze the amount to be apportioned for new entrants at the 2006 level of $213,000 until the Pre-82 Pension Liability is fully funded and the $1,717,649 apportionment is changed to the Retiree Medical Liability. This change was in recognition of the challenge our churches faced with the added costs of the new pension plan (Clergy Retirement Security Plan) which began in 2007, as well as the desire to hold the amount apportioned down as low as possible.

2008 UPDATE

The current update is the result of two occurrences. First, the conference received the Regina K. Nadolny Memorial Fund, an unexpected gift for NTC clergy pensions in the amount of $2,633,529. This wonderful gift was given in memory of the mother of Jeanette G. Williamson from the Pierce

M. Williamson and Jeanette G. Williamson Trust. Mr. and Mrs. Williamson were members of Highland Park United Methodist Church.

Second, the General Board of Pension and Health Benefits provided in November 2007 an updated valuation of the North Texas Conference Retiree Medical Liability as of January 1, 2007, which indicated that the net expected postretirement benefit obligation for the current clergy population of the conference is $25,236,966. After reconciling this valuation with that provided as of December 31, 2004, scrutiny revealed that the liability for those for whom the conference is responsible is $21,810,000, up from $19,345,000 two years ago. However, when our total available assets were determined, the unfunded liability decreased from $17,218,000 to $14,414,000.

Once again a joint task force from the conference Board of Pension and Health Benefits and the Council on Finance and Administration, under the leadership of Jerry Pinkerton, was formed to update the previous funding plan. The task force, along with the Board and the Council, affirmed the general approach of the 2002 plan updated in 2006.

However, it was determined that $4.3 million could now be declared overfunded pension liability and applied to funding the retiree medical liability resulting in the decrease of the unfunded liability noted above. In recognition of the challenges our churches face as the frontline of the church's mission and with the desire to hold the amount apportioned down as low as possible, the task force, the Board and the Council recommend that the period of the previous amortization be maintained with a corresponding decrease in the amount to be apportioned each year. This will allow for the retirement of the unfunded liability in approximately ten years along with a significant reduction of the annual Past Service Funding apportionment.

The schedules which follow provide details of the funding plan to retire this obligation.

There is light at the end of this tunnel! No capital campaign or other dramatic measure will be needed to address the Retiree Medical Liability of the North Texas Conference. Even with the significant reduction of the amount to be apportioned beginning in 2009, this obligation will be fully funded in the foreseeable future. Although there will continue to be premium changes as needed and occasional plan design changes, the North Texas Conference – unlike many corporations and some annual conferences - should be able to continue to provide health insurance benefits for our eligible retired clergy and spouses. Furthermore, while results will vary to the extent that actual experience differs from the assumptions, in approximately ten years the conference will no longer have an unfunded pension or medical liability and will be able to terminate the apportionment for those liabilities altogether.

2009 BOPHB BUDGET

FROM: Board of Pension and Health Benefits

BACKGROUND: The two previous apportionments to fund the work of the Board of Pension and Health Benefits (Insurance Subsidies and Board of Pensions) are combined beginning in 2009 to recognize that they are closely related and allow for transferring funds between the two areas as needed. The proposed 2009 apportionment budget request reflects the plans included in previous legislation regarding Clergy Retirement Security Plan (CRSP) funding, Pre-1982 Service Year Rate for 2009 and the 2008 Pre-82 Pension Liability and Retiree Medical Liability Funding Plans.

LEGISLATION:

PENSIONS			
Past Service Funding		0	(1)
Comprehensive Protection Plan (CPP)		630,000	(2)
CRSP Supplement		0	(3)
Operating Expenses		12,000	(4)
	Sub-Total	642,000	
HEALTH INSURANCE SUBSIDIES			
Appointees		75,000	(5)
Dependents		10,000	(6)
Retirees			
	Current Year Cash Basis Premium Benefits	517,800	(7)
	Past Service Funding	784,000	(1)
	Retiree Medical Liability for Current Retirees & Actives and Spouses	0	(8)
	Retiree Medical for New Entrants	213,000	(1)
	Sub-Total	1,599,800	
TOTAL		$2,241,800	(9)

(1) These are items scheduled in the Retiree Medical Liability Funding Plan to be presented to the 2008 Annual Conference session and include shifting the Past Service Funding apportionment to the Retiree Medical Liability at this time.

(2) CPP provides life insurance and long-term incapacity insurance for those clergy participating in the pension program. This is an increase of $59,729 or 10.5% over the amount budgeted for 2008 ($570,271). It is based on an expenditure of $567,174 in 2007, an anticipated expenditure of $600,000 in 2008, and an anticipated 5% increase in 2009. The actual cost is based on the actual pastoral salaries received x the 3% CPP charge.

(3) The CRSP Supplement provides supplements for churches under the Denominational Average Compensation and covers pastors on incapacity leave and provides a small amount for uncollectable premiums. The anticipated cost in 2009 is approximately $115,000. Because of a surplus of $124,978 in 2007 ($160,507 less $35,529 paid in 2008 for 2007), nothing is being requested. More surplus anticipated in 2008 will be used to smooth the increase required in 2010 and beyond.

(4) This is an increase of $500 and is based on the increased cost of providing the retirees luncheons at Christmas and at Annual Conference.

(5) $68,136 was expended on this in 2007. As there was no premium increase in 2008, the anticipated amount to be expended in 2008 is approximately the same. Although an increase is anticipated in 2009 premiums, the request for 2009 is a decrease of $6,600 or 8.1% because of a beginning balance in 2008.

(6) Only $7,113 was expended on this in 2007. As there was no premium increase in 2008, the amount to be expended in 2008 is approximately the same. Although an increase is anticipated in 2009 premiums, the request for 2009 is a decrease of $16,852 or 62.8% because of a beginning balance in 2008.

(7) $593,099 was expended on this in 2007. Due to a 6.1% actual increase for 2008, the projected cost for 2008 is approximately $630,000. An increase of approximately 6% is anticipated for 2009. Thus the actual cost is estimated to be $667,800. This cost is reduced in the budget request by the use of $75,000 in Medicare Part D subsidy (half of what has been received to date) and $75,000 in health insurance reserves. (The other $75,000 from the Medicare Part D subsidy received and an additional $75,000 from health insurance reserves will be applied to the portion paid by the retirees.) Thus, the request is a decrease of $169,939 or 24.7%. Additional health insurance reserves will be used to smooth the increase required in 2010 and beyond.

(8) The Retiree Medical Liability funding plan calls for this item which was budgeted at $120,000 in 2008 to be eliminated when the Past Service Funding apportionment is shifted from Pre-82 Pensions to the Retiree Medical Liability.

(9) The Total is a decrease of $1,452,927 or 39.3%.

RESOLUTION TO CONTRIBUTE ANNUAL COKESBURY CHECK TO CENTRAL CONFERENCES PENSION INITIATIVE

FROM: Board of Pension and Health Benefits

BACKGROUND: Pastors serving in the Central Conferences outside of the United States do not yet have decent pension plans to provide livable pensions in retirement. Most come to retirement with no more than a fraction of the income needed to support themselves in even

the most modest circumstances. General Conference has established the Central Conferences Pension Initiative to begin to address this need. Most annual conferences in the U.S. are already contributing their annual checks from the United Methodist Publishing House to this initiative. All conferences are asked to consider this action.

LEGISLATION: That the North Texas Conference contribute its Cokesbury check received in 2008 to the Central Conferences Pension Initiative.

DISCONTINUANCE OF BRANDON AVENUE UMC

FROM: North Texas Conference Board of Trustees

BACKGROUND: Because only a small number of members remained and they could not continue to support the church financially and physically, members of the Brandon Avenue UMC, Dallas South District, concluded that it was time to disband as a church and sell the property.

LEGISLATION: The North Texas Conference Board of Trustees recommends the discontinuance of the Brandon Avenue UMC. The Conference Board of Trustees will sell the property and place the proceeds and any current assets with the Dallas South District for new or existing ministries.

SAFE SANCTUARY: POLICY AND PROCEDURES FOR REDUCING THE RISK OF CHILD ABUSE IN THE CHURCH

FROM: Safe Sanctuaries Task Force

BACKGROUND: North Texas Conference adopted the following three resolutions (North Texas Conference Journal 2007, LA 17, pp. 228-234):

1) The establishment of a Safe Sanctuary Policy for all Conference and District Events effective January 1, 2008,
2) The appointment of a Safe Sanctuary Task Force by the Bishop and Cabinet and the Bishop's Committee on Sexual Ethics for the purpose of establishing procedures for Safe Sanctuary Training and Certification for all staff and volunteer adult leaders of children and youth, and
3) Legislation brought to the 2008 session of the North Texas Annual Conference requiring every local church to develop and implement a Safe Sanctuary Policy.

LEGISLATION:

Whereas, the North Texas Annual Conference has established a conference and district level Safe Sanctuaries policy for events with young people implemented within the Conference year. The Safe Sanctuaries Policy has served to sustain environments of North Texas district and conference events; and

Whereas, local churches have an opportunity to replicate the progress of the Safe Sanctuary policy in conference and district children and youth events. However, the rapidity of the implementation will be significantly slower in order to ensure the necessity of wholeness within the theological and church plant needs of individual churches; and

Whereas, the North Texas Annual Conference Safe Sanctuaries proposes a three-year plan for all local churches to fully activate training and certification for all staff and volunteer adult leaders of children and youth. The Safe Sanctuaries Task Force has approved a training program to be implemented on both the local church and district level; and

Whereas, the North Texas Annual Conference *connexion* is based on accountability within the General Rules of the United Methodist Church, which state: First, do no harm, Second, do all the good you can, and Third, Attend the ordinances of God. According to Bishop Reuben P. Job in his book, *Three Simple Rules: A Wesleyan Way of Living*, these rules have been the foundation on which the United Methodist Church has grown and thrived. In addition, these "simple" rules will lead the Church to a transformed sense of doing the work of the gospel; and

Whereas, these "simple" rules are agreed on and approved as part of a wider United Methodist Bishop's Initiative. The North Texas Annual Conference Safe Sanctuaries Task Force approved a plan to follow the General Rules of the United Methodist Church to enact a "simple" way of making disciples of Jesus Christ in a safe and empowering environment by "doing no harm, doing good, and attend upon all the ordinances of God"; and

Whereas, the Safe Sanctuaries Task Force has drafted a preliminary training curricula for church staffs, clergy and lay volunteers to implement for the purpose of shaping a holistic ministry to children and youth practicing ministry in churches, camps and other events; and

Whereas, the Safe Sanctuaries Task Force has established a three-year plan for local churches to establish, implement and align with the districts and conference policy for Safe Sanctuaries:
Year One: "First, do no harm…"
The first requirement in establishing policy for the local church is four-fold:

1) Be familiar with annual conference and other church policies regarding clergy sexual misconduct,
2) Carry liability insurance that includes sexual abuse coverage,
3) Adopt a screening procedure (use of application forms, interviews, reference checks, background clearance, and the like) for workers (paid and unpaid) directly or indirectly involved in the care of children and youth, and
4) Develop and implement safety procedures for church activities; for example where feasible:
   a. Having two or more nonrelated adults present in a classroom or activity,
   b. Leaving doors open and installing half-doors or windows in doors or halls,
   c. Providing hall monitors,
   d. Installing sign-in and sign-out procedures for children ages ten or younger.

Year Two: "Second, do good…"
The second requirement in implementing policy for the local church is to:

5) Develop and implement an ongoing education plan for the congregation and its leaders on the reality of child abuse, risk factors leading to child abuse, and strategies for prevention.

Year Three: "Third, attend upon all the ordinances of God…"
The third requirement in aligning policy for the local church is two-fold:

6) Assist the development of awareness and self-protection skills for children and youth through special curriculum and activities, and
7) Advise children and young persons of an agency or a person outside as well as within the local church whom they can contact for advice and help if they have suffered abuse; and

Whereas, the time table for completion of the plan in its entirety is three years for each local church in the North Texas Annual Conference. The plan may unfold sequentially or non-sequentially for each local church. According to the Safe Sanctuaries Task Force of the North Texas Annual Conference, the Safe Sanctuaries local church policy would follow this time table is suggested best by:

Year One: "First, do no harm…"
The first requirement in establishing policy for the local church is to be completed by **November 2008**.

Year Two: "Second, do good..."
The second requirement in implementing policy for the local church is to be competed by **November 2009**.

Year Three: "Third, attend upon all the ordinances of God..."
The third requirement in aligning policy for the local church is to be completed by **November 2010**.

Now, Therefore, Be It Resolved: by North Texas Annual Conference 2011, all local churches should have established, implemented and aligned Safe Sanctuaries policy within the framework of their specific church programming needs as the specific local church strives to make disciples of Jesus Christ, in a safe, loving environment.

EQUITABLE COMPENSATION ANNUAL DETERMINATION

FROM: Commission on Equitable Compensation

BACKGROUND The Commission on Equitable Compensation and the Cabinet of the North Texas Conference have for many years understood the primary purpose of Equitable Compensation Pastors Subsidies funds to be to assist local churches in moving from part-time pastoral positions to full-time pastoral positions. Thus, these funds are meant to be transitional funds and not long-term subsidies. In making its recommendation for the minimum Equitable Compensation each year, the Commission takes into consideration not only the appropriate minimum level compensation for the full-time clergy of the conference but also the needs of the churches that are determining whether they can afford a full-time pastor or not.

LEGISLATION: The Commission on Equitable Compensation requests that Pastors Subsidies Equitable Compensation support and administrative expenses be apportioned at $85,000 for 2009.

(NOTE: The total apportionment request has not changed since a significant beginning balance is anticipated for 2009 and the Commission is in the process of spending that down. The reason for the accumulation of the balance is that the Appointive Cabinet has worked hard in recent years to limit Equitable Compensation grants to churches in the process of moving from part-time to full-time, which is the stated policy of the Commission. The Cabinet has also used a pattern of declining grants over the period of time taken to accomplish that transition.)

A. Guidelines for Conference Members and Full-Time Local Pastors

1. The Commission on Equitable Compensation requests that $41,209 be set for the minimum equitable compensation (including base salary, utilities, amount for vouchered travel reimbursement, dependent premium payments made by the local church, dependent premium supplemental payments paid by the conference at the discretion of the District Superintendent, and other conference subsidies received, but excluding any reimbursement for Annual Conference expenses or grants to assist with the expenses to attend expected spiritual formation or continuing education events for all of the clergy members of the conference (e.g., the Clergy Retreat)) for conference members in full

connection, associate members and probationary members of the North Texas Conference serving full time for 2009. For the second year the Commission decided to use the same policy the 2006 Annual Conference adopted at the recommendation of CF&A for changes to the District Superintendent level compensation. As now stated in the conference's Standing Rules, "beginning in 2008 the salary of a district superintendent shall be adjusted annually by the average percentage change in the base compensation of all full-time pastors appointed to serve local churches or appointments for which the conference is responsible." The Commission also decided to apply the percent change to the travel & utilities amount, which is included in the total. The amount of change for 2009 is an increase of 4.1% from $39,586 in 2008.

2. Adjustments for years of service:

Years of Service	Equitable Compensation Amounts
0-5	$41,209
6	41,309
7	41,409
8	41,509
9	41,609
10	41,709

3. Compensation for additional churches on a charge:

   Each charge with more than one church shall receive $200 additional for the second church and $100 each for the third through the fifth additional churches.

4. Recommendation for housing, utilities and travel expenses:

   a. Housing shall be provided in a church-owned parsonage or provided for with a monthly allowance.
   b. Utilities shall be provided with payments made by the local church or reimbursed when paid by the pastor.
   c. Travel shall be reimbursed at the IRS rate with appropriate records and documentation provided to the church.

5. Local Pastors serving full time:

Five years or less	$36,209
Six years or more	$36,309
Expense recommendations same as above.	

6. Deacons serving under salaried appointments in a local church:

   a. Are not eligible to receive Equitable Compensation support from the Annual Conference.

b. Shall be granted the same minimum salary as an elder in full connection when their primary appointment is within a local church. * **

*(Judicial Council decision #807)
**(2004 *Book of Discipline*, ¶ 331.14,624.4)

B. The following policies are proposed to the North Texas Annual Conference for the distribution of equitable compensation assistance in 2009:

1. A local church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches whose pastors receive salary subsidy should be open to linkage with other churches in order to utilize efficiently the service of full-time conference members to reduce the need for subsidy.

2. Equitable Compensation levels can best be met when appointments are open to all ministerial members without regard to race or gender. We continue to urge every conference member to make the subject of a fully open Conference and adequately supported ministry at the local church level a matter of daily personal prayer. Only as the love of Christ dwells in us can an Annual Conference be a communion of caring persons.

3. Growth in stewardship should be achieved by all below-minimum remuneration churches. In making application for salary subsidy, District Superintendents are to provide evidence of stewardship education and growth to the Commission on Equitable Compensation.

4. Tenure payments are designed to honor the years of service of pastors who continue for more than five years in ministry to below minimum compensation charges because of the needs of the Conference. The Bishop and the Cabinet are urged to make every effort to move pastors to above-minimum compensation charges within five years after they begin full-time service.

5. Applications for salary subsidy to the Commission on Equitable Compensation are to be made by the District Superintendent on forms provided by the Commission, and completed applications must be approved by the Commission in session or by no less than two of the three members of the Executive Committee of the Commission.

6. The Charge Conference of any charge unable to pay the minimum salary set by the Conference shall be informed by the District Superintendent of the guidelines for receiving equitable compensation assistance. The Charge shall be informed of the amount required to bring the compensation level up to the minimum and shall be challenged to move toward the goal of full self-support at the earliest possible time. On the application for salary assistance, the District Superintendent shall certify to the Commission that the

charge has been duly notified. The amount of subsidy granted to a pastor shall be acknowledged annually at the Charge Conference.

7. Equitable Compensation assistance is not available to pastors serving as associate pastors or in staff positions other than pastor-in-charge. In order that such persons receive an equitable wage, however, the Commission recommends that local churches use Conference minimum standards as minimum guidelines to setting associate and staff salaries.

8. It is expected that the minimum housing allowance that will be paid by those churches or charges that do not provide a parsonage for their pastor will be $12,000 per year, and the Commission on Equitable Compensation will not consider requests for salary supplements where housing allowances exceed $12,000.

9. Pastors who decline an appointment which would reduce or eliminate compensation support are ineligible for the Equitable Compensation tenure payment given for years of service.

10. Equitable Compensation assistance is not available for a North Texas Conference member appointed to serve in another Annual Conference, nor is it available to members of other Annual Conferences serving under appointment in the North Texas Conference.

11. There shall be no lump sum payments to persons receiving Equitable Compensation assistance unless such sums are too small for monthly payments to be made.

12. It shall be the responsibility of the pastor receiving Equitable Compensation subsidy to inform the Commission of any increase in remuneration or any changes in eligibility which occur after an application for Equitable Compensation has been approved.

EXCEPTIONAL REQUESTS BY THE CABINET:

All requests for exceptional support (assistance requested by the Cabinet in excess of the Commission's 25% maximum standard) shall be submitted in writing. The requests shall include the amount of assistance requested, length of time for assistance and reason(s) for exceptional request. Such a request shall be submitted to the Commission on a form prescribed by the Commission and signed by the Cabinet Representative to the Commission.

RESOLUTION REGARDING ELDER OPPORTUNITIES WITHIN THE SOUTH CENTRAL JURISDICTION

FROM: Dallas-Denton District Committee on Ministry

Whereas, North Texas Annual Conference is one of the few "elder affluent" conferences in United States United Methodism – i.e., not enough fulltime appointments for all eligible elders and more certified candidates in the process of ordination than there are retirees; and

Whereas, extensions of retirement ages (such as that enacted for bishops at GC 2008) will only exacerbate this situation, frustrating persons called to ordained ministry to fulfill God's call on their life; and

Whereas, based on committee testimony and legislation offered at General Conference, the majority of other annual conferences, including many within the South Central Jurisdiction are seeking ordained elders for fulltime positions because they do not have enough for the position available; and

Whereas, any candidate looking for opportunities outside of his or her home conference must contact individual bishops or district superintendents on their own to discover possibilities because there is no central source of information; and

Whereas, the bishops have the best ability to communicate among each other regarding the pastoral needs of their annual conferences and to share information regarding available positions for elders who would be interested in looking at cross-conference opportunities for ministry:

Now, Therefore, Be It Resolved that the North Texas Annual Conference calls on the South Central Jurisdiction College of Bishops to establish an online clearinghouse for information regarding available positions for elders in the conferences of the South Central Jurisdiction with the following goals:

1. Giving candidates for Order of Elder and elders a central information site for cross-conference opportunities for ministry;
2. Giving bishops and district superintendents access to a ready source of elders and candidates for Order of Elder who would be interested in looking at cross-conference opportunities for ministry;
3. Allowing such persons called to ordained ministry to fulfill their call whether in their home conference or a different location if they so choose;

Be It Further Resolved that the North Texas Annual Conference delegation shall present an appropriate resolution or legislation at the 2008 South Central Jurisdictional Conference.

RESPONSE TO IMMIGRATION AND CUSTOMS ENFORCEMENT (ICE) RAIDS AND DETENTION

FROM: Church and Society Task Force

Whereas, Jesus called his disciples and followers to "strive first for the kingdom of God and his righteousness," and we, as disciples, are called to embody a new order of love and justice; and

Whereas, raids on undocumented immigrants in the United States and indefinite detention represent governmental failure in addressing complex national and international economic and political dynamics, which close legal avenues and force immigrants into the shadows, where they are subject to exploitation and virtual servitude; and

Whereas, indefinite detention, and deportation tear families apart and create anguish, economic hardship and terror that is contrary to the Kingdom that Jesus describes; and

Whereas, in a new 2008 General Conference Resolution, The United Methodist Church affirms that "regardless of legal status or nationality, we are all connected through Christ to one another...The solidarity we share through Christ eliminates the boundaries and barriers which exclude and isolate. Therefore, the sojourners we are called to love are our brothers and sisters, our mothers and fathers, our sons and daughters; indeed, they are us." (Welcoming the Migrant to the US)

Now, Therefore, Be It Resolved that the North Texas Annual Conference (1) pledges to create a task force to address immigration concerns within our jurisdiction and develop plans for emergency responses to ICE raids, which might include providing material aid, legal services, childcare, interpretation, and spiritual support, and taking part in vigils and public witness pointing toward justice and humane treatment of immigrants. (Such a task force may include conference representatives from units dealing with global ministries, church and society, religion and race, and racial/ethnic caucuses, as well as organizations such as United Methodist Women and United Methodist Men and programs such as Justice for Our Neighbors.); (2) investigate the locations of ICE detention centers within the conference boundaries and consider how to provide ministries, legal support, and other services that will serve the objectives of Christian hospitality and civil and human rights;

Be It Further Resolved that this resolution will be sent within thirty days of the end of this conference to the Governor, Lieutenant Governor, and members of the Texas Legislature, both House and Senate, that we are in favor of legislation that will fund services at ICE Detention Centers;

Be It Also Resolved that the North Texas Annual Conference (1) will engage in study of new General Conference resolutions on migration and immigration and other resources that explore the biblical and theological bases for the church's positions and responses on these pressing issues; (2) participate in connectional education and training on immigration and collaborate as occasion provides with the United Methodist Task Force on Immigration (an interagency and inter-organizational body mandated by the 2008 General Conference);

Finally, Be It Resolved that the North Texas Annual Conference urge all its congregations and their members to pray for the people whose lives are torn apart by ICE raids and detention, and will, as appropriate, provide denominational and ecumenical ministries to assist families affected by raids and detention.

LEGISLATION: This is a statement of the relationship between Methodist Children's Home and the North Texas Conference.

I. PURPOSE, MISSION, AND GOALS OF METHODIST CHILDREN'S HOME

The purpose of Methodist Children's Home is the charitable care and ministration for children residing within the bounds of the patronizing Annual Conferences of the United Methodist Church. To carry out this purpose the Board of Directors shall have the authority and responsibility to develop and direct a program of child care which shall effectively meet the needs of the children served. This program may include institutional care, foster home care, group home services, residential treatment for emotionally disturbed children and youth, social services for children in their homes, and any other services which the Board of Directors shall deem appropriate in meeting the needs of children and youth.

METHODIST CHILDREN'S HOME MISSION STATEMENT

Methodist Children's Home offers hope to children, youth, and families through a nurturing, Christian community.

METHODIST CHILDREN'S HOME GOALS

In order to accomplish the above stated mission, Methodist Children's Home has an obligation to recognize and share the spiritual values that make Christian child care unique. Therefore, Methodist Children's Home shall strive to develop the following:

1. A professional staff that is supportive of and dedicated to Christian values,
2. Children, youth, and families who sincerely feel that Methodist Children's Home has their best interest at heart,
3. An atmosphere of caring,
4. A spirit of unity and purpose,
5. An understanding of the need for responsibility and accountability, and
6. The sharing of God's grace through acceptance and affirmation that allows children and their families to build on existing strengths.

II. BOARD OF DIRECTORS AND MANAGEMENT

Methodist Children's Home shall be governed and managed by a Board of Directors selected from members of the United Methodist Church in the following patronizing Conferences of the United Methodist Church, to wit: Texas Conference, North Texas Conference, Northwest Texas Conference, Central Texas Conference, Southwest Texas Conference, Rio Grande Conference, and New Mexico Conference. All references herein to "patronizing Annual Conferences" shall be to those seven Conferences, and such Annual Conferences as may hereafter become patronizing Annual Conferences. The Board of Directors shall govern and manage the Methodist Children's Home on the basis of the Methodist Children's Home's best interest.

Should any of the patronizing Conferences at any time desire to withdraw as such, then such patronizing Conferences shall cease to elect representatives as members of the Board of Directors and shall no longer be included in the definition of "patronizing annual conference" for purpose of he Statement of Covenant Relationship. Should any additional Conferences desire to become patronizing Conferences, they may become such by making application, in the manner prescribed by the Board of Directors, providing a majority of the Board of Directors shall vote to accept such Conferences.

The Board of Directors of the corporation shall be constituted or elected as prescribed in the Bylaws. The Bylaws presently provide as follows:

"Tenure and Qualifications." The Board of Directors of the corporation (each member of which shall be entitled to vote) shall consist of twenty members (unless changed by reason of a change in the number of patronizing Annual Conferences) and shall be appointed, elected, or determined as follows:

A. One representative, either a minister or a layperson, from each patronizing Annual Conference, shall be nominated by the Bishop of such patronizing Annual Conference and approved by such patronizing Annual Conference. Any vacancy occurring on the Board of Directors with respect to such a member shall be filled for the unexpired portion of the term by nomination by the Bishop of such patronizing Annual Conference and approval by such patronizing Annual Conference.

B. One active Bishop from among the patronizing Annual Conferences shall be elected by a majority vote of the Bishops of the patronizing Annual Conferences. Any vacancy occurring on the Board of Directors with respect to such position shall be filled for the unexpired portion of the term by a majority vote of the Bishops of the patronizing Annual Conferences.

C. The serving chairperson of the Methodist Children's Home Commissioners, or any successor to such body, shall automatically serve. Any vacancy occurring on the Board of Directors by virtue of a vacancy in such position shall not be filled, but shall remain vacant until the successor to such vacant position is duly qualified, at which time such successor shall become a member of the Board of Directors.

D. Eleven Directors at Large from the territory of the patronizing Annual Conferences, either ministers or lay members of the United Methodist Church, shall be elected by the Board of Directors of Methodist Children's Home after considering the nominations proposed by the Nominating Committee hereinafter described; provided that the election of each Director at Large shall be effective only after approval or confirmation by the patronizing Annual Conference of the location in which such Director at Large resides. Such nominations and Board election with respect to expiring terms shall take place at the regular meeting of the Board of Directors of Methodist Children's Home held in the spring of the calendar year in which the terms of the Directors at Large which are to be filled expire. Any vacancy occurring on the Board of Directors with respect to one or more of the members elected at large whose term has not yet expired shall be filled for the remainder of the unexpired term by the Board of Directors at any regular meeting after considering nominations proposed by the Nominating Committee.

E. Each Director shall be appointed or elected for a term of three years and shall hold office until his or her successor has been elected and qualified, or until his or her earlier death, resignation, or removal from office by the Board of Directors.

F. No Director shall be eligible to serve more than three consecutive three-year terms as a Director. Following a period of maximum service under this provision, the duration of that former Director's ineligibility shall last for three years. Provided, that any former Director may retain or be elected to membership on any one (but not more than one) committee of the Board without tenure limitations.

G. Should any patronizing Annual Conference cease to be such, then the representative from such patronizing Annual Conference appointed in accordance with paragraph A above shall

immediately cease to be a Director, the total number of Directors shall decrease accordingly and the affairs of Methodist Children's Home shall be governed and managed by the remaining members of the Board.

H. Special Transitional Provisions. Prior to the adoption of the preceding portions of this Section 2, the Board of Directors of Methodist Children's Home consisted of a substantially larger number of directors. In order to accomplish the transition of the number of Board members from its previous number to the twenty members described above, no new Board members shall be elected to fill vacancies on the Board while the number of members is greater than twenty, although the re-election of existing members whose terms expire shall be permitted. Only after the total number of directors is reduced to twenty or less through a combination of resignations, removals, and expirations of terms (without re-election) shall the method of selecting directors set forth above become effective. For the years immediately after the total number of directors is reduced to twenty or less, the manner in which new members are selected may utilize any of the methods provided in subsections A, B, C and D above as the Executive Committee, with the approval of the Board, may determine best, provided that within three years after the number of members of the Board has been reduced to twenty members or less the manner of selection set forth above shall be fully phased in and effective. While the exact method of such transition shall be determined by the Executive Committee, subject to the approval of the Board, all members of the Board of Directors selected prior to the full implementation of the above selection procedure shall be selected either by re-election by the Board or by one or more of the methods set forth in subsections A, B, C or D above.

III. RELATIONSHIP

Methodist Children's Home is related through a common religious heritage and a common commitment to Christian service to the North Texas Conference. The Conference, recognizing this shared commitment, annually authorizes and promotes a special offering in each local church for the support of Methodist Children's Home. The Conference assumes no other financial responsibility for Methodist Children's Home. In return for the encouragement of financial support for Methodist Children's Home by the Conferences, the Home submits an annual audit to the Conference. Any time a gift is given directly to Methodist Children's Home and the gift is designated for credit to a local church, Methodist Children's Home shall forward notice to the Conference treasurer's office to ensure proper recording of the gift.

The Conference supports the mission of Methodist Children's Home by approving directors to serve on the Methodist Children's Home Board of Directors. The Board governs and manages Methodist Children's Home on the basis of Methodist Children's Home's best interest. The Conference does not exercise any ownership or control over Methodist Children's Home and does not accept any legal or financial responsibility, other than the above-mentioned special offering, for Methodist Children's Home.

To keep the Conference informed about Methodist Children's Home's activities, Methodist Children's Home presents an annual report at the Annual Conference to be published in the Conference Journal, provides updates and presentations at conference and district meetings, prepares appropriate news releases, publishes the Sunshine Monthly magazine, and encourages tours of Methodist Children's Home facilities by local church groups and appearances in local churches by Methodist Children's Home staff members and residents.

Methodist Children's Home seeks accreditation of its program by outside accrediting bodies in order to assure the Conference of the quality of its program. Currently the Home is accredited by

the Council on Accreditation of Services for Families and Children, Inc. and licensed by the Texas Department of Family and Protective Services.

Should Methodist Children's Home be dissolved, the assets would be distributed as set forth in the Distribution of Assets on Dissolution in ARTICLE XII of the Bylaws of Methodist Children's Home, revised, April, 2006, as follows:

> In conformity with the provisions of ARTICLE NINE of the Second Restated Articles of Incorporation of Methodist Children's Home, all assets of the corporation are pledged for use in performing the corporation's charitable functions, and upon discontinuance of the corporation by dissolution or otherwise, the assets that remain after the satisfaction of all liabilities and obligations shall be divided proportionately among the Annual Conferences of the United Methodist Church that are patronizing Annual Conferences of Methodist Children's Home at the time such distribution is made, and are also recognized as charitable organizations under Section 501(c)(3), Internal Revenue Code of 1986, as amended, such distribution to be based upon the membership of each conference at the last annual report preceding the dissolution. Any assets so distributed shall be dedicated for use by each patronizing Annual Conference for the charitable care and ministration for children. Provided, however, that if any patronizing Annual Conference is not, at the time of such distribution, an organization that is qualified as a charitable organization under Section 501(c)(3), Internal Revenue Code of 1986, as amended, then its share of such assets shall be distributed to one or more charitable organizations, recognized under Section 501(c)(3), Internal Revenue Code of 1986, engaged in child care or ministration and affiliated with the United Methodist Church.

STANDING RULES OF THE NORTH TEXAS ANNUAL CONFERENCE

These standing rules are composed of three parts: 1) structure of the North Texas Annual Conference ("Annual Conference"); 2) policies of the Annual Conference; and 3) rules of procedure for the conduct of Annual Conference sessions.

I. STRUCTURE OF THE ANNUAL CONFERENCE

A. GENERAL PROVISIONS

1. *Primacy of Book of Discipline and Standing Rules.* These General Provisions apply to all Agencies except where the current version of *The Book of Discipline of the United Methodist Church ("Book of Discipline")* or specific Standing Rules otherwise provide.

2. *"Agency."* In these Standing Rules, the word "Agency"means a conference-level group that performs the work of the North Texas Annual Conference, whether that group is called a Council, Board, Division, Commission, Committee, Team, Group or Task Force. It does not include boards of trustees or boards of directors of Annual Conference related institutions.

3. *"Conference Year; Conference Fiscal Year."* "Conference year" means the period from the close of one regularly scheduled session of the Annual Conference through the close of the following year's regularly scheduled session of the Annual Conference. "Conference Fiscal Year" means January 1 through December 31.

4. *Election of Members.* Members and Chairs of the Agencies shall be nominated by the Committee on Nominations and elected by the Annual Conference. There shall be an opportunity for additional nominations from the floor.

5. *Task Forces.* The Creating Congregations Team, Equipping Disciples Team, and Sending Servants Team may establish Standing Task Forces when required by the *Book of Discipline* or these Standing Rules. Members of the conference staff will serve as ex officio members of these Standing Task Forces, without vote. Unless otherwise required, membership on a Standing Task Force shall be limited to a number necessary to carry out the ministry. These Teams and the Accountability Group may establish short-term Task Forces when the need or opportunity arises. Such task forces will require approval of the Conference Leadership Team to exist for more than twelve months. The membership of the Task Forces shall be representative of the diversity of the conference, with power-sharing and inclusive decision-making in all its deliberations and deliverables. Task force members will be selected by the Teams and Group through the Nominations Committee pool and/or upon recommendation of the District Superintendents, with attention being given to inclusiveness issues in power-making and decision-sharing. When a Team or Group has established a short-term Task Force, the Chair of the Task force may be designated to serve as a member of the Team or Group for the duration of the short-term Task Force, with or without vote.

Budget recommendations to the Conference Leadership Team and oversight of approved budget expenditures for the various Task Forces are the responsibility of each Team. Task Forces are accountable to their assigned Team for expenditures and may make budget recommendations when appropriate.

6. *Membership Diversity.* Except where the *Book of Discipline* or these Standing Rules otherwise provide, membership on all Agencies shall include one third clergy, one third laywomen, and one third laymen insofar as possible. In addition, special attention shall be given to inclusive representation from the ethnic churches, districts, small membership churches, and town and country churches.

7. *Terms.* Persons shall be nominated to serve a four year term on an Agency. No person shall be nominated for a position without previously agreeing to serve if elected. Persons elected shall begin their terms of office at the close of the Annual Conference session at which they are elected.

8. *Failure to Attend Meetings.* Persons who are absent without cause for half or more of an Agency's meetings during the Conference Year will thereby automatically remove themselves from the membership of the Agency and shall be replaced by the Committee on Nominations.

9. *Vacancies.* The Committee on Nominations is authorized to fill any Agency vacancies between sessions of the Annual Conference, unless the *Book of Discipline* otherwise provides. Persons appointed to fill vacancies shall serve only the remainder of the Conference year in which they are appointed. They may be elected to that position at the first regularly scheduled Annual Conference session following their appointment, in which case they will serve the remainder of the term of the person they replace. If the term of the person they replace would normally expire at the Annual Conference, then they may be elected to a full term either as member or chair without the partial year they served filling the vacancy counting toward the term limit as covered in Provision 10 and Provision 11 below.

10. *Term Limits for Members.* No elected person may serve more than eight successive years on any one Agency. A person may, however, be re-elected to an Agency on which that person has previously served his or her term limit after non-membership for four years.

11. *Term Limits for Agency Chairs and Team Representatives.* No person may serve as Chair or Team Representative of any Agency for more than four consecutive years, nor may any person chair or be a team representative on any combination of Agencies for a total of more than six years in any eight year period.

12. *Limits on Multiple Agency Membership.* No person shall serve on more than two Agencies at the same time, except as an ex officio member. In computing these limits, membership which occurs by virtue of holding some other Agency position shall not be counted. In applying these limits, the nominators shall be guided by the policies of diffusing power throughout the Annual Conference and limiting the agency workload required of any particular individual. Therefore, both the responsibilities and the workload of the various Agencies shall be taken into consideration in making Nominations.

13. *Coordination of Nominations.* All nominations of persons to Agencies shall be reported to the Chair of the Committee on Nominations, the Conference Director of Mission, the Chair of the Accountability Group, the Chair of the Review Team (so long as it exists), and the District Superintendents in order to promote inclusivity and compliance with the Standing Rules on Limits on Multiple Agency Membership.

14. *Record Keeping.* In order to assist the Annual Conference in enforcing these General Provisions, each Annual Conference Journal shall indicate after the name of each Agency member the year in which the person's current term expires and whether it is the person's first or second consecutive term with that Agency. Each Annual Conference Journal shall also indicate

member ethnicity after the name of each Agency member. The report of the Annual conference Nominations Committee shall indicate member ethnicity after the name of each person in its report.

15. *General Agencies.* Members of the general agencies of the United Methodist Church from the Annual Conference will be ex officio members of the corresponding Agency.

16. *Appeals.* Any Agency has the right to appeal to the Annual Conference regarding a decision affecting its work made by any other Agency, except where otherwise provided in the *Book of Discipline.*

17. *Clergy.* In these Standing Rules, the word "clergy" refers to the following members of the North Texas Annual Conference unless some specific Standing Rule otherwise provides: (1) elders in full connection; (2) deacons in full connection; (3) probationary members; (4) commissioned ministers; (5) associate members; and (6) local pastors under full-time and part-time appointment to a pastoral charge.

II. POLICIES OF THE ANNUAL CONFERENCE

A. FINANCIAL PRACTICES

1. *Conference Fiscal Year.* The fiscal year of the Annual Conference is January 1 through December 31.

2. *Apportionments to be made based on Conference Fiscal Year.* The apportionments to the local churches shall be made on the basis of the Conference Fiscal Year. The only exception to this shall be the salaries of the clergy serving as pastors or District Superintendents. When a pastoral change comes at Annual Conference, the salary of the previous appointment shall be paid hrough May 31, and the salary in the new appointment shall begin June 1.

3. *Conference Books.* The Conference Treasurer's books shall be closed annually at 12:00 noon on January 11 (or the next working day, if January 11 falls on a weekend or holiday), and no funds received by the Conference Treasurer after that time shall apply toward Conference Apportionments of the year just completed.

4. *Disposition of Interest.* Interest earned on any funds (excluding designated trusts) managed by the Conference Treasurer shall be declared general funds of the North Texas Annual Conference and administered by the Conference Council on Finance and Administration.

5. *Agency Spending.* No Agency shall incur financial obligations that exceed current appropriations, and beginning balances where applicable, for any reason except by specific approval of the Conference Leadership Team and the Council on Finance and Administration. New items must be submitted first to the Conference Leadership Team and, if approved, must also be submitted to the Council on Finance and Administration for appraisal and consideration for the current year. No Agency shall include requests for funds other than those required for its own operation or program, except that Teams and Groups may request funds for the benefit of their own Task Forces. Requests for funds for the same cause or concern shall be granted to only one Agency.

6. *Conference-Wide Appeals.* When application is made to the Annual Conference for the privilege of special conference-wide financial appeal, whether by special collection, campaigns, or otherwise, the application shall be referred to the Council on Finance and Administration before final action is taken thereon. The Council on Finance and Administration shall investigate the application and its possible relation to other obligations of the conference, and in light of the facts make recommendations to the Annual Conference.

7. *Auditing.* The Council on Finance and Administration shall nominate to the Annual Conference an auditing firm which shall audit the Conference Treasurer's books annually. All institutions receiving financial support from the Annual Conference, either by direct

apportionment or by special offerings, shall, if requested, submit an annual auditor's report acceptable to the Council on Finance and Administration reflecting the receipt and disbursement of the financial support received from the Annual Conference. Such reports shall be provided to the Council on Finance and Administration by October 1 of each year for the previous fiscal year. Each District shall retain an auditing firm to audit the District books annually, and shall submit such annual auditor's report to the Council on Finance and Administration by October 1 of each year for the previous fiscal year.

8. *Apportionments.* The Conference Treasurer, with the assistance of the District Superintendents, shall annually compute the apportionment decimal for each church. By September 1, the Conference Treasurer shall provide the amounts for each church's apportionments for the following year.

9. *Ethical Fiscal Principles.* The following ethical principles apply to the appropriation and disbursement of funds by the Annual Conference:

a. Funds contributed for a designated purpose should be used strictly for the purpose designated, and administered efficiently, without waste or duplication, in order to obtain maximum effect from the use of available funds.

b. Net proceeds from the sale of Annual Conference property are capital funds and should be appropriated to the use which the property was intended to serve. If this is not feasible, priority should be given to the most similar purpose for which the funds can be used effectively, or to capital improvements within reasonable geographical proximity; but district lines should not be controlling and the entire community or metropolitan area should be considered. Likewise, funds received by way of indemnity for loss or destruction of any capital assets of the Annual Conference should be treated as capital assets and should be used for similar purposes if restoration of the property is feasible.

10. The salary of a district superintendent shall be adjusted annually by the average percentage change in the base compensation of all full-time pastors appointed to serve local churches or appointments for which the conference is responsible as calculated by the conference treasurer. This adjustment shall begin in 2008, using the 2007 base compensation level as the initial base. In addition, the compensation level is to be evaluated by the Council on Finance and Administration every five years in relationship to North Texas Conference pastoral salaries and other annual conferences.

B. REPORTING REQUIREMENTS

1. *Death Records.* The minister who is in charge of the funeral services of any clergy member of the Annual Conference, or the spouse, widow, or widower of a clergy member of the Annual Conference, will supply the Conference Secretary with a memoir containing the date of birth, date of death, date of final rites, and place of burial of the deceased. To the extent possible, the minister will also supply a recent photograph of the deceased and date of entrance into the Annual Conference. For clergy members who transferred into the Annual Conference, the minister will, if possible, inform the Conference Secretary the deceased's date of transfer into the Annual Conference, the conference from which transferred, and appointments in other conferences. If the minister in charge of the funeral cannot supply this information, the Conference Secretary will use his or her best efforts to supply the missing information. All of this information should be sent to the Conference Secretary immediately following the funeral.

2. *Biographical Information.* Each member of the clergy and each diaconal minister shall file with the Conference Secretary a historical sketch of his or her life on a form to be furnished by the Conference Secretary. This document will become that person's record.

3. *Legal Descriptions of Conference Property.* Each District Superintendent shall furnish to the Secretary of the Board of Trustees a legal description of each piece of property in his or her District on or before December 1 of each year. The District Superintendents shall also provide a statement as to where the deeds evidencing ownership of these properties are kept. The information provided annually shall be accurate as of December 1.

4. *Statistics.* Each District Superintendent shall furnish the required district statistics to the Conference Statistician. In order to facilitate these reports, the following procedures will be followed:

a. Each church and pastor shall submit the Annual Conference report for auditing on the Check-Out Day specified by the Cabinet. Check-Out Day is the date when local churches turn in statistical information for the preceding year on forms provided by the Conference Statistician. The Annual Conference report shall be submitted to the District Statistician (see below).

b. Each District Superintendent shall appoint a District Statistician. The District Statistician shall check each Annual Conference report for accuracy, consistency, and completeness. The District Statistician then forwards the Annual Conference reports to the District Secretary, who in turn forwards them to the Conference Statistician.

c. Each pastor in charge shall also report to his or her District Superintendent on Check-Out Day any money borrowed necessary to pay current church obligations for the Conference Fiscal Year, or any delinquent church bills which have not been paid by the close of the Conference Fiscal Year.

C. VACATION STANDARDS

The following are minimum vacation standards for clergy and diaconal ministers of the North Texas Annual Conference.

1. Method of Calculation

The vacation is calculated according to the number of years of service, using the following formula:

1 - 4 years of service --- two weeks (two Sundays)
5 - 9 years of service --- three weeks (three Sundays)
10+ years of service --- four weeks (four Sundays)

2. Further Guidelines

In applying the standards:

a. "years of service" shall be determined by years served as a full-time United Methodist commissioned minister, probationary member, diaconal minister, local pastor, associate member, deacon in full connection, or elder in full connection. In computing a person's

"years of service," time spent in all categories shall be cumulated and all shall count toward the person's total "years of service."

b. The length of vacation is set by the Annual Conference, but the most suitable time for both the employing entity and the clergy or diaconal ministers and their families must be determined by consultation between the clergy or diaconal minister and the employing entity.

D. CLERGY DIVORCE

"Where marriage partners, even after thoughtful consideration and counsel, are estranged beyond reconciliation, we recognize divorce as regrettable, but recognize the right of divorced persons to remarry. We express our deep concern for the care and nurture of the children of divorced and/or remarried persons. We encourage that either or both of the divorced parents be considered for custody of minor children of the marriage. We encourage an active, accepting, and enabling commitment of the church and our society to minister to the members of divorced families," (The *Book of Discipline of the United Methodist Church*, 1984)

The *Discipline* rightly makes no distinction between divorce occurring among the laity or clergy. We recognize the possibility of congregations being nurturing communities, and, thus for Christian love to grow in the midst of the painful circumstances surrounding a clergy or layperson's divorce.

The North Texas Conference also can be a caring and nurturing community for the clergy at divorce. The conference recognizes its responsibility to respond to divorcing clergy in as pastoral a manner as possible. To this end, the North Texas Conference of the United Methodist Church suggests the following for our clergy as well as their spouses in the event of divorce.

1. The clergy member will have taken every action possible toward reconciliation within the marriage. This shall include extensive counseling with a reputable marriage counselor, preferably with both partners to the marriage participating but, where impossible, with at least the clergy member's participation.

2. In consultation with the District Superintendent, the divorcing clergy and/or spouse may request a meeting of the following persons:
   a. The Chairperson of the Division of Conference Relations, presider.
   b. The District Superintendent of the clergy member's district.
   c. The district member of the Division of Conference Relations.
   d. Two peers chosen by the clergy member involved.

3. This meeting will:
   a. Pastorally respond to the divorce
   b. Offer help/guidance, if requested, to:
      1) The clergy member
      2) The divorcing spouse
      3) The clergy member's peers, and/or
      4) The respective Pastor-Parish Committee
   c. Refer divorcing persons to special seminars and workshops on divorce which are available periodically in the community.

E. CLERGY HOUSING

1. In the event of the death of a member of the clergy occupying a parsonage, the surviving spouse and family shall be granted the privilege of using the parsonage for a period of time not to exceed sixty (60) days.

2. Housing Standards for Elders in Full Connection.

In this section on Housing Standards for Elders in Full Connection, including Housing Allowances and Parsonage standards, the word "clergy" means "elders in full connection." The standards on Housing Allowances and parsonages apply to those churches that have elders in full connection and that are not receiving an equitable salary support.

The size and make-up of clergy families, and the size, location, and type of housing provided for clergy families by local churches is a major factor in the well-being of clergy families. As such, it has an impact on the effectiveness of clergy.

Although it is clear that no one single provision for housing will completely satisfy all the needs of every clergy family and every local church, the goal is to best satisfy the needs of all.

Housing Allowances

While parsonages have been the traditional means of providing housing for clergy families, there are those local church settings and situations where a housing allowance can be an effective and efficient means of providing housing for clergy families.

However, it must be understood that if a house is purchased by a clergy family, there is the potential for financial hardship and difficulties related to the sale of a house when an appointment change is made.
It must also be understood that a housing allowance will have no effect on the tenure of a pastor, neither increasing nor decreasing the potential length of a pastorate.

1. If a housing allowance is provided by a local church, the amount shall be sufficient to allow for the rental\lease\purchase of housing that meets the parsonage standards of the annual conference.

2. A utility allowance shall be paid in addition to the housing allowance.

3. The amount of the housing allowance and of the utility allowance shall be reviewed on an annual basis to ensure that the amount is adequate.

4. The District Superintendent, in consultation with the pastor and the Pastor-Parish Relations Committee, shall be responsible for ensuring that these standards are met.

Parsonages

1. Size

a. In order to accommodate all family sizes as reasonably as possible, and to allow for the greatest flexibility in meeting the needs of clergy families, the parsonage shall contain at least three bedrooms, with four recommended.

b. There shall be at least two full baths.

c. There shall be at least one large living area, with two living areas recommended.

d. There shall be at least one dining area.

e. There shall be a garage or covered carport adjacent to the house.

f. The total area of living space shall be approximately 2,000 sq. ft. or more.

2. Location

a. The parsonage shall be located in a residential neighborhood. (It should not be on a major thoroughfare, nor adjacent to commercial businesses.)

b. The parsonage shall be located where it will allow for adequate privacy for the clergy family.

3. Interior

a. The kitchen shall include all standard modern appliances (oven, cooktop, dishwasher, disposal, and refrigerator).

b. There shall be a washer and dryer for laundry.

c. There shall be adequate heating and cooling, with central air and heat whenever possible.

d. The parsonage shall have window treatments in every room (e.g., blinds, drapes, or shutters).

e. The clergy family shall be responsible for all other furnishings.

f. All interiors of newly built parsonages shall be accessible for persons with disabilities, including a minimum of (1) one bathroom that has an accessible shower, commode, and lavatory, (2) passageways, garage, rooms, and entrances that are accessible, and (3) consideration is given to the landscaping of the yard.

g. When an appointment is made in which a member of the parsonage family has a disability, the District Superintendent shall see that the existing parsonage be fitted with aids that will enable it to be suitable for persons with disabilities to the extent that the structure of the existing parsonage can be renovated. Consideration for grant moneys from conference agencies shall be given to these churches.

4. Exterior

a. The outside of the parsonage shall be landscaped to complement the house, with adequate shrubs, bushes, and trees.

b. A safe, fenced area shall be provided in the backyard for children and/or pets.

c. The mowing and the upkeep of the yard are to be negotiated between the pastor and the Board of Trustees.

5. Utilities

a. The local church shall pay for the cost of all utilities, including basic television access, except for personal long distance phone calls.

b. In order to minimize fees and deposits, the utilities, including the telephone, shall be in the name of the local church, unless this results in a higher rate schedule.

6. Maintenance

a. The local church Board of Trustees is responsible for the upkeep and repair of the parsonage, including the appliances, and there shall be an annual inspection of the parsonage and property by the Trustees, with a written report made at the local church's annual Charge Conference. It is suggested that all parsonages have an inspection by an engineering or contracting inspector every five years, starting ten years after they have been purchased or built.

b. The clergy family is responsible for minor upkeep and repairs, and for any damage done to the parsonage by a member or pet of the clergy family, including that caused by smoking.

7. Change of Pastors

a. When there is an impending change of pastors, the pastor shall notify the local church Board of Trustees, and the clergy family and Trustees shall ensure that the parsonage is as clean as possible. Major repairs should be made before the new clergy family arrives.

b. The Trustees shall contact the new clergy family before any painting or refurbishing is done, in order to have their preferences, needs, and suggestions incorporated into any work done on the parsonage.

8. Disposition of Church Owned Furniture

a. Following the 1994 Annual Conference, churches will begin the process of providing unfurnished parsonages, except for the items listed above in C.

9. Compliance

a. The Board of Trustees of each local church shall make a written report on or before its Charge Conference in 1996, demonstrating either compliance with these standards or specific plans to come into compliance with these standards.

   a. The North Texas Conference shall establish a "Moving Fund" to be assessed through a Conference apportionment. This fund shall be of sufficient amount to pay for the number of qualifying moves in any given year. In this section on Annual Conference Moving Fund, "clergy" refers to those entitled to funding from the moving fund, as described more specifically in section 2 below.

   b. For eligible full-time moves, payment will be made as follows:
      (1) for the actual cost up to 45% of the Texas Max 3 Tariff as stated in the "Moving Allowance Chart" (which shall automatically reflect any changes in the Texas Max 3 Tariff);
      (2) Replacement Cost Insurance for an estimated value of the shipment up to $50,000 will be provided for all full-time moves. (The additional cost of a shipment value of $50,001-100,000 may be taken out of the stipend);
      (3) A $300 stipend is also available which may be used for other documented moving expenses the clergy family incurs.

   c. For eligible part-time moves, payment up to a total of $500 will be made for a moving company and personal expenses.

2. Eligibility for Funding

   a. Those elders in full connection, probationary members, commissioned ministers preparing for ordination as elders in full connection, associate members, or full-time local pastors, who are appointed to a local church in the North Texas Annual Conference, and other elders in full connection, probationary members, commissioned ministers preparing for ordination as elders in full connection, associate members, or full-time local pastors for whom the North Texas Annual Conference is the salary paying unit (such as District Superintendents, Conference Council Directors, Wesley Foundation Directors, etc.) shall be eligible to receive funds.

Retired elders in full connection, probationary members, commissioned ministers preparing for ordination as elders in full connection, associate members, and local pastors who are appointed by the Bishop to serve active, full-time appointments shall be eligible for moves up to the maximum amount allowed. In circumstances in which a clergy member planning to retire moves prior to the retirement date, reimbursement for a move made within one year prior to the retirement date shall be made upon retirement, contingent upon the presentation of documentation of costs incurred.

   c. Less than full-time appointments to local churches with parsonages will be allocated up to the $500 per move.

   d. If an elder in full connection, probationary member, commissioned minister preparing for ordination as elder in full connection, associate member, or full-time local pastor from another Conference is to be appointed to a local church in the North Texas Annual

Conference, the North Texas Annual Conference will pay the cost of the move from the border of the North Texas Conference, up to the maximum amount allowed.

e. If an elder in full connection, probationary member, commissioned minister preparing for ordination as elder in full connection, associate member, or full-time local pastor of the North Texas Annual Conference transfers to another Conference, and the receiving Conference does not pay the full cost of the move, the North Texas Conference will pay the cost of the move up to the border of the North Texas Conference, up to the maximum amount allowed.

f. Those elders in full connection, probationary members, commissioned ministers preparing for ordination as elders in full connection, and associate members, or full-time local pastors who go on Leave of Absence, or who surrender their credentials, either voluntarily or involuntarily, will not be eligible to receive any North Texas Annual Conference moving funds, except in the case of those going on disability leave or the family of an elder in full connection, a probationary member, a commissioned minister preparing for ordination as an elder in full connection, an associate member, or a full-time local pastor who dies while under appointment who shall be eligible to receive funds for the initial move into housing not already owned or supported by a local church, up to the maximum amount allowable.

If two houses are involved, at either the beginning point or ending point, they will be eligible to receive funds for both moves, each up to the maximum amount allowable.

j. In no case shall the Conference pay more than the actual documented expense of any eligible move.

3. Method of Payment

a. A list of movers that will bill the Annual Conference directly will be provided by the receiving District Superintendent. All expenses that are within the Annual Conference Allowance will be billed directly to the Annual Conference by those moving companies. The receiving church and moving clergy/family will not be responsible for any part of the expense that is within the Annual Conference Allowance. If a moving company is used that will not bill the Annual Conference directly, then the moving clergy/family is responsible for the bill and will be reimbursed by the Annual Conference for all documented expenses that are within the Annual Conference Allowance. Any documented expenses paid by the moving clergy/family are to be submitted to the receiving District Superintendent. The receiving District Superintendent shall then submit these documented expenses to the Annual Conference Treasurer. The Annual Conference Treasurer will be the final arbitrator concerning any question about moving costs, documentation, or payments. The Conference Treasurer shall issue payment to the moving company or the entity that incurred the expense.

b. A written estimate must be submitted to the receiving District Superintendent by May 15 for moves in June, and within one week of the announcement of a midyear move. The District Superintendent will then give approval to the moving company or the entity incurring the expense for the move. Arrangements for payment of any expenses in excess of the Annual Conference Allowance must be made prior to the move.

4. Moving Procedures

a. **Receiving** DS gives to the clergy the Moving Packet which includes Moving Procedures, moving companies that will bill the Annual Conference, and the current Moving Allowance sheet

F. SEXUAL MISCONDUCT

1. POLICY STATEMENT FOR DEFINING SEXUAL MISCONDUCT

The North Texas Conference of the United Methodist Church affirms the *2000 Book of Resolutions,* Sexual Abuse Within the Ministerial Relationship and Sexual Harassment Within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the Church are incompatible with biblical teachings of hospitality, justice and healing. In accordance with the current *Book of Discipline,* ¶ 161(F), we affirm that all human beings, both male and female, are created in the image of God, and thus have been made equal in Christ. As the promise of Galatians 3:26 states all are one in Christ, we support equity among all persons without regard to ethnicity, situation or gender.

Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker or volunteer.

Sexual harassment is any unwelcome sexual advance or demand, either verbal or physical, that is reasonably perceived by the recipient as demeaning, intimidating or coercive. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender (2004 *Book of Discipline* ¶161(I)).

Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue.

Misconduct of a sexual nature within the life of the Church interferes with its moral mission. The North Texas Conference stands in opposition to the sin of misconduct of a sexual nature in the Church and society at large and commits itself to fair and expedient investigation of any charge of sexual misconduct within the Church and to take action deemed appropriate and in compliance with the *Book of Discipline.* Further, the Conference bears affirmative responsibility to create an environment of hospitality for all persons, male or female, which is free of misconduct of a sexual nature and encourages respect, equality and kinship in Christ.

Because experiencing sexual abuse or harassment, and reporting such misconduct, can be difficult and frightening, we believe that the availability of trained advocates or support teams to assist victims

of sexual misconduct is important, and we are committed to continuing support for the training and availability of such advocates or support teams.

We recognize that in any incident of sexual misconduct there may be many victims, including the family, friends, and congregation of the direct victim and of the person who has engaged in the misconduct. We therefore affirm as continuing goals for the Conference not only the resolution of complaints and the reconciliation of persons directly involved, but also the healing of all such indirect victims of the misconduct.

Sexual misconduct involving a clergy person should be reported to the clergy person's district superintendent or the presiding bishop. Misconduct involving paid staff, volunteers or other nonclergy persons should be reported to the pastor-in-charge, if any, or to other appropriate persons in accordance with guidelines and procedures that may be adopted by the Conference, by local churches or by other appropriate bodies within the Church.

The North Texas Conference is committed to the continuing, broad dissemination of this Policy Statement and of any guidelines and procedures adopted by the Conference, and to the continuing education of clergy and lay persons within the Conference for the purpose of preventing sexual misconduct and increasing awareness and understanding of the Conference's relevant policies and procedures.

2. PROCEDURES FOR REPORTING CLERGY SEXUAL MISCONDUCT

INTRODUCTION

The North Texas Conference will not tolerate and is committed to the eradication of sexual misconduct by its clergy. The ministerial office is a position of great trust, power and responsibility, offering the opportunity for unique relationships of grace and caring. Sexual misconduct is one of the gravest violations of this trust.

These Procedures provide a process for reporting incidents of clergy sexual misconduct within the North Texas Conference. They seek to create a safe, non-threatening environment in which aggrieved persons will feel comfortable revealing allegations of sexual misconduct. It is a continuing goal of these Procedures to provide an opportunity for a reconciliation and resolution that respects and protects the rights of all parties and that acknowledges the sacred trust between clergy and the persons they serve. They are not intended to supplant or substitute for the formal complaint process set forth in the 2004 *Book of Discipline*. The use of these Procedures is voluntary, and the failure to utilize or follow them is not a chargeable offense nor can it be used as grounds for an appeal of the result of any formal complaint, review, investigation, or trial process.

The implementation of these Procedures shall be under the supervision and control of the Bishop and District Superintendents, who shall have the authority to interpret and apply the Procedures.

STANDARDS OF PASTORAL CONDUCT

Pastors are accountable for their behavior with respect to the emotional, spiritual and physical well-being of persons who come to them for help or over whom they have any kind of authority. Breach of this pastoral relationship through sexual misconduct is unethical and abusive, even when sexual activity is initiated by the person to whom the pastor is ministering. Because of the trust and imbalance of power in such relationships, the person being ministered to must be presumed to be unable to give meaningful consent to any sexual activity with the pastor.

Because pastors often deal with individuals who are emotionally fragile and vulnerable, it is imperative that pastors:

1. be healthy psychologically, emotionally, and spiritually themselves;
2. have adequate preparation and education for helping individuals under their care;
3. have continued supervision in dealing with the inherent risks caused by dependency and/or transference; and
4. have the information necessary to make appropriate referrals.

Pastoral self-discipline requires self-awareness and takes the Christian standards and ordination vows seriously. Personal integrity and mature professional conduct must be brought to all relationships by every pastor in the North Texas Conference. The highest ethic of the pastor similarly prohibits any sexual behavior with a parishioner entrusted to his or her sacred care.

All clergy, single or married, have the responsibility of developing healthy personal relationships. Married clergy have covenanted to nurture and maintain their marriage relationship. When relational or sexual difficulties are present in a pastor's life, appropriate measures to address the difficulties should be taken.

Pastors who are appointed to parishes where there has been alleged sexual misconduct of their predecessor find themselves burdened with the inevitable consequences arising from the misconduct of a colleague. There is a tension between caring for a colleague and caring for the covenant of the pastoral ministry. By "protecting" a colleague, we risk perpetuating a relationship or pattern of abuse and victimization. This compromises the credibility and practice of Christian faith and ministry. Thus the present pastor should take immediate steps, consistent with these Procedures, to address the alleged misconduct.

The procedures for dealing with clergy sexual misconduct place an unfair and unavoidable burden on the victim of such misconduct. It is in the best interest of the church to empower the laity through education and open discussion about what standards of conduct they may expect from their pastors.

DEFINITIONS

For purposes of these Procedures, the following definitions shall apply:

"Sexual misconduct" includes sexual abuse and sexual harassment, as such terms are defined in the Policy Statement. Sexual misconduct may include inappropriate physical contact or verbal behavior, including, for example, behavior that creates a hostile or intimidating environment and the explicit or implicit use of power or authority to coerce someone into sexual contact. Because of the imbalance of power inherent in ministerial relationships, sexual contact between a pastor and someone with whom he or she has a ministerial relationship constitutes sexual abuse even if the other person consents to or initiates the contact. More subtle behavior not involving physical contact may also constitute sexual misconduct. Further discussion and examples of sexual misconduct are included in the brochure entitled *"Maintaining Healthy Relationships: What You Should Know About Clergy Sexual Misconduct,"* prepared and distributed by the Division of Conference Relations of the Board of Ordained Ministry of the North Texas Conference.

An "allegation" is an initial report, either verbal or written, of an alleged incident of clergy sexual misconduct.

" Acomplaint" is a written and signed statement claiming misconduct, as set forth in Paragraph 362.1(a) of the 2004 *Book of Discipline.*

An "aggrieved person" is a person who has experienced sexual misconduct by a pastor.

The terms "clergy" and "pastor" shall refer to all persons described in Paragraph 362.1(a) of the 2004 *Book of Discipline*, which includes "local pastors, associate members, probationary members, and full members" of the North Texas Conference, "including those on leaves of all types, honorable or administrative location, or retirement."

A "Resource Person" is a trained lay volunteer person made available by the North Texas Conference to assist and support aggrieved persons in bringing an allegation or complaint of sexual misconduct, as more fully described in the North Texas Conference Procedure for Reporting Incidents of Clergy Sexual Misconduct.

The "Bishop's Committee on Sexual Ethics" (BCOSE) is the group given responsibility by the bishop to maintain the Resource Person program and lend guidance and accountability to the North Texas Conference in regards to abiding by the Sexual Misconduct Policies and Procedures.

CONFIDENTIALITY AND REPORTING

Allegations of sexual misconduct should be kept in the strictest of confidence and disclosed only at the times and under the circumstances specifically provided in these Procedures. The spread of such allegations or accusations between colleagues in ministry or within congregations is harmful to the aggrieved person, the accused and to the integrity of the processes outlined in these Procedures and in the current *Book of Discipline.*

However, when clergy sexual misconduct occurs, the protection of victims, both past, present, and potential, requires that the misconduct be reported. Because of the covenant with the church which is an integral part of the pastoral office, it is a pastor's responsibility to call an offending pastor into account by immediately reporting information about sexual misconduct to his or her District Superintendent, the District Superintendent of the accused or the Bishop.

Pastors who become aware of an alleged incident of sexual misconduct by another pastor are to do their utmost to encourage and support aggrieved persons and to assist in the initiation of an allegation as provided in these Procedures. Every allegation of sexual misconduct must be taken seriously, and in no case should a pastor judge the validity of the allegation.

The requirement of confidentiality shall not prevent the Bishop or the District Superintendents from discussing allegations and related information with affected congregations, Staff Pastor-Parish Relations committees or others to whom it is necessary to make such disclosure, in accordance with the *Book of Discipline*, in order to protect actual or potential victims, to promote healing or for other appropriate purposes.

Although truth-telling is essential, respect must also be given to the role of pastors in receiving confessions and the sanctity of confidential relations. Nothing in these Procedures shall be deemed to require or permit a pastor to report or reveal information received in confidence as contemplated by Paragraph 341.5 of the 2004 *Book of Discipline* and relevant decisions of the Judicial Council.

PROCEDURES

When sexual misconduct is alleged against a pastor, persons bringing allegations will be received in a respectful and caring manner. All allegations will be considered worthy of full investigation, with due respect for the presumption of innocence. Care will be taken to deal fairly and promptly with all

those involved. This includes the aggrieved and his/her family, the accused and his/her family and the congregation or other institution.

The following procedures are established to facilitate the reporting of allegations of clergy sexual misconduct:

1. Aggrieved persons are encouraged to contact a District Superintendent, the Bishop or the designated representative of the Bishop's Committee on Sexual Ethics. Any of these contacts may refer the aggrieved to a Resource Person. An allegation may be brought by the aggrieved person or by anyone who has verifiable knowledge or reasonable indication of sexual misconduct and is willing to pursue a resolution. This may include, for example, a pastor or lay person in whom the aggrieved person has confided or who has reliable information from other sources about the misconduct.

2. The District Superintendent, the Bishop to whom the allegation is brought or the Resource Person to whom the aggrieved has been referred shall explain these Procedures to the aggrieved person or other person bringing the allegation and advise them that use of the Procedures is not a prerequisite to an aggrieved person's ability to bring a formal complaint.

3. If an allegation is brought initially to a District Superintendent, the District Superintendent shall advise the Bishop that the allegation has been received. If the aggrieved person has not requested a Resource Person and desires one, the Bishop may assign one to assist and support the aggrieved person.

4. The Resource Person assigned shall provide full assistance to the aggrieved person throughout the process, including the following:

a. confirming that the aggrieved person understands these Procedures and the procedures contained in the *Book of Discipline*;

b. verifying and clarifying the allegation with the aggrieved person; and

c. requesting the aggrieved person to prepare, with the assistance of the Resource Person as needed, a written statement of the allegation, which shall include a description, in reasonable detail, of the alleged sexual misconduct and related events, circumstances, and dates.

5. If a complaint is forwarded to the Bishop or a District Superintendent, Paragraph 362 of the 2004 *Book of Discipline* shall determine the process to be followed. These Procedures are not intended to limit in any way the actions the Bishop or District Superintendents may take in connection with their supervisory response to a complaint of sexual misconduct or to impose any duties on them inconsistent with the 2004 *Book of Discipline* or relevant decisions of the Judicial Council. The Resource Person may continue to assist and support the aggrieved person throughout the complaint process and may attend all meetings held in connection with the process.

6. Strict confidentiality shall be maintained before, during and after the conduct of the process outlined in these Procedures, and information regarding allegations shall be disclosed only in such manner and to such persons as specifically provided herein.

7. Because of the pain and disruption that necessarily accompany sexual misconduct, it maybe necessary for certain actions to be taken following the conclusion of the processes outlined in these Procedures and in the 2004 *Book of Discipline*. The Bishop and District Superintendents are encouraged to take or require such actions as they deem necessary and appropriate in their best judgment, which actions may include, for example, processes for healing within the affected congregation or institution, further resolution of unresolved conflicts and support or counseling for aggrieved persons or accused pastors.

These Procedures establish a process for reporting incidents of sexual misconduct by any pastor (as defined above). They are not designed to address allegations or complaints of sexual misconduct by the Bishop or a District Superintendent. Persons who believe they have been affected by sexual misconduct by the Bishop or a District Superintendent may contact one of the Resource Persons for information and assistance in bringing a complaint in accordance with procedures contained in the current *Book of Discipline*.

RESOURCE PERSONS ON THE ISSUE OF SEXUAL MISCONDUCT

Resource Persons are volunteer laypersons who have been trained to provide assistance to persons who believe they have been victims of clergy sexual misconduct. Resource Persons represent the interest of aggrieved persons at all times and shall support the aggrieved persons throughout the process. Resource Persons are expected to work cooperatively with the Bishop, the district superintendents and the Bishop's Committee on Sexual Ethics.

Resource Persons shall be the initial point of contact with those procedures for any persons who desire to use them. A Person who believes that s/he may have been the victim of clergy sexual misconduct need not register an allegation or complaint and does not have to identify her/himself when requesting a Resource Person and making an initial contact.

Functions performed by Resource Persons shall include:

1. Explaining the church's processes and procedures
2. Providing resources and referrals
3. Helping the aggrieved person prepare a written summary of the allegation and if necessary, a formal complaint when requested by the aggrieved person.
4. Accompany the aggrieved person to meetings held in connection with the Procedures or in connection with the complaint process as allowed in the current *Book of Discipline*.
5. Calling to attention of the Bishop and the Bishop's Committee on Sexual Ethics any hostile, vindictive, or insensitive situations that arise during the process, or any failure to properly follow the Procedures or the complaint process outlined in the current *Book of Discipline*.
6. Giving feedback to the Bishop's Committee on Sexual Ethics regarding the process.

BISHOP'S COMMITTEE ON SEXUAL ETHICS

Under the direction of the Bishop or persons acting at the Bishop's direction, the Bishop's Committee on Sexual Ethics shall have the authority and responsibility for administering the Resource Person Program, to recruit volunteers to serve as Resource Persons, to provide training and continuing education for Resource Persons, to provide annual training for the chairpersons of Staff Parish Relations Committees of the North Texas Annual Conference, and to broadly disseminate and make readily available information about the Resource Person Program.

RECRUITING AND TRAINING OF RESOURCE PERSONS

The Bishop's Committee on Sexual Ethics recruits individuals to become Resource Persons who are known to have the qualities needed for this sensitive volunteer role. The BCOSE delegates one of its members to speak with the district Superintendent of the applicant's home church prior to discussing the invitation with the individual. Then the BCOSE invites the individual to complete an application form, which includes education, work history and an authorization for a criminal background check. All applicants are interviewed by a subcommittee of the BCOSE prior to being recommended to the Bishop, who writes a letter appointing the Resource Person.

The North Texas Conference is committed to the continuing education and proper training of Resource Persons. Initially, Resource Persons shall attend training recommended and planned by the Bishop's Committee on Sexual Ethics, which will include the following areas:

1. roles and expectations of the Resource Person(s);
2. local organization of the United Methodist Church;
3. leaders and their leadership positions in the North Texas Conference;
4. church and community resources;
5. the North Texas Conference Policy Statement on Sexual Misconduct and Procedures for Reporting Incidents of Clergy Sexual Misconduct; and
6. The *Book of Discipline* and relevant Judicial Council rulings.

The Bishop's Committee on Sexual Ethics will maintain contact with the Resource Persons and offer periodic education and training.

3. EDUCATION WITHIN THE CONFERENCE RELATING TO SEXUAL MISCONDUCT

DISSEMINATION OF POLICIES AND PROCEDURES

The Bishop, District Superintendents, and Resource Person(s) shall each have a copy of and thoroughly know the Policy Statement on Sexual Misconduct, Procedures for Reporting Clergy Sexual Misconduct in the North Texas Conference and be responsible for distributing such Policy and Procedures to clergy and local church chairs of Staff Parish Relations Committees, Administrative Councils, United Methodist Men, and United Methodist Women annually as these persons are elected. The clergy and the chair of the Staff Parish Relations Committee of every local church in the North Texas Conference shall have a copy of and be familiar with the Policy Statement on Sexual Misconduct, Procedures for Reporting Clergy Sexual Misconduct in the North Texas Conference and the complaint process outlined in the current *Book of Discipline.*

The Policy and Procedures of the North Texas Conference will be available to anyone who requests a copy.

Local churches will make available to their congregations copies of the brochure entitled "Maintaining Healthy Relationships: What You Should Know About Clergy Sexual Misconduct" and publish the name and telephone numbers of the District Superintendents and BCOSE contact(s). Throughout the year, copies of the brochure will be placed in accessible locations within local churches. (An electronic copy of the brochure can be found on the North Texas Conference website at http://www.ntcumc.org under Clergy Ethics.)

TRAINING AND EDUCATION

The North Texas Conference shall provide annual training to educate the clergy and laity about the complaint process in the event of allegations of sexual misconduct and to heighten awareness of the clergy and laity about the seriousness of the problem of sexual misconduct, thereby aiding in the prevention of this problem in our local churches.

The goals of the training include the following:

1. to explain the abuse of power and dynamics of trust in abusive relationships;
2. to provide behavioral definitions of sexual abuse and sexual harassment;
3. to describe the impact on the victim, the perpetrator, the families, and the church;
4. to explain the Policy and Procedures of the North Texas Conference and the United Methodist Church regarding sexual misconduct;
5. to explain legal responsibilities regarding minors;
6. to introduce the Resource Person(s) and clarify their role;
7. to define the risk to church vitality, attendance and giving, liability to individuals, congregations, and the annual conference;
8. to discuss the importance of healing and how the church is an agent in the healing process;
9. to explain the need for preventative measures;
10. to discuss the importance of local church policies and procedures addressing issues of sexual misconduct;
11. to distribute copies of the brochure entitled "Maintaining Healthy Relationships: What You Should Know About Clergy Sexual Misconduct," and to explain its purpose and educational use; and
12. to provide resources for local churches

Training will be provided separately for clergy and laity. Professionals from the General Commission on the Status and Role of Women and/or others trained and knowledgeable about the issues of sexual misconduct will conduct the training.

The Board of Ordained Ministry, specifically the Committee on Conference Relations and the Residency Committee (who may choose to seek help from the chairs of the Order of Deacons, Order of lders, Fellowship of Local Pastors, Fellowship of Diaconal Ministers, the Bishop's Committee on Sexual Ethics and/or the Cabinet), will be responsible for planning and organizing the training for clergy and diaconal ministers. Pastors and diaconal ministers from every local church or charge in the North Texas Conference and those in extension ministries and the District Superintendents will receive an announcement regarding the clergy training. Clergy and diaconal ministers will be expected to attend training a minimum of once every four years. Particular attention will be given to insuring the training of new pastors in the conference (through the residency program and district training events).

With the help of the Board of Laity, and the District Superintendents, the Bishop's Committee on Sexual Ethics will offer training to the laity through the District Training events in January.

4. RESPONSIBILITY OF THE LOCAL CHURCH

Each local church shall establish its own policy statement on sexual misconduct, consistent with the *Book of Discipline* and the policy statement of the North Texas Annual Conference, and shall establish guidelines and procedures for resolving incidents of sexual misconduct by persons other than clergy, including paid staff, counselors, lay volunteers and others.

5. PRIORITY OF THE BOOK OF DISCIPLINE

If any provision of these Procedures is in conflict with the 2004 *Book of Discipline,* the current *Book of Discipline* shall prevail.

G. MISCELLANEOUS

1. *Conflict of Interests.* In order to avoid conflicts of interest, the following rules shall apply:

   a. No one shall be a voting member of an Agency who is in the salaried employment of an institution that receives support from that Agency.

   b. No member of an Agency shall participate in that Agency's deliberation of or vote on a proposed grant to his or her local church.

   c. Each member of an Agency shall disclose to all other members of that Agency all potential conflicts of interest in which they find themselves placed because of church, business, or personal relationships with persons affected by the decisions of the Agency.

   d. No clergy member or diaconal minister member of this Annual Conference who is a salaried employee of any institution to which this conference contributes shall be a member of the board of trustees of the institution by which that person is employed.

2. *Local Church Officers.* The term of office of local church officials elected by the Fall Charge Conference shall begin on January 1 and run for the length of their term.

3. *Amending or Suspending Standing Rules.* It shall require a two-thirds vote of all lay and clergy members present and voting to suspend or to amend any of these Standing Rules.

III. PROCEDURES FOR MEETINGS OF THE ANNUAL CONFERENCE

A. PRE-CONFERENCE PROCEDURES

1. *Lay-Clergy Equalization.* The following formula is the procedure used to determine the number of lay and clergy members of the Annual Conference.

   a. Subtract the total number of lay members prior to equalization from the total number of clergy members. In making this calculation, the lay members required by section III(A)(1)(c) below shall be included. These people are described in section (c) below. The remainder is the Lay Equalization Factor (LEF).

   b. Compute the District Membership Percentage (DMP) for each district as follows. If a district has *more* lay members than clergy members prior to equalization, subtract the number of local church members in this district from the total of local church members for the Annual Conference. Such districts will not compute a DMP. The resulting number is the Adjusted Lay Membership (ALM). Next, for each district that has *fewer* lay than clergy members, divide the total number of local church members in each district by the ALM. The resulting quotient is the DMP for that district.

c. The *Book of Discipline* provides that certain persons shall be lay members to Annual Conference. According to ¶ 32 of the 2004 *Book of Discipline*, these are: President of United Methodist Women; President of United Methodist Men; Lay Leader; District Lay Leaders; President of the Council on Youth Ministries; and two young persons under twenty-five years of age from each district. In addition, all Diaconal Ministers who are in full-time service appointment, all members of the Conference Leadership Team not otherwise provided for, and all elected Chairs of Agencies of the Annual Conference not otherwise provided for are lay members of the Annual Conference with voice and vote. These persons shall be elected to the lay membership of the Annual Conference by the District Section.

d. For each district with fewer lay than clergy members, multiply the LEF by the DMP. The product is the District Adjusted Lay Equalization Factor (DALEF). The DALEF is the number of additional lay members to be elected by the District Section to achieve lay/clergy equalization. Districts with more lay than clergy members do not calculate a DALEF.

e. The DALEF shall be computed as of January 1. The equalization lay members shall be elected by the lay members present at the District Conference from nominations made by the District Lay Leader, the District Superintendent, and the Lay members of the District Nominating Committee. Nominations may also be made from the floor of the District Section.

f. If the actual number of clergy in the Annual Conference increases after January 1, the District Lay Leader of a district in which the imbalance occurs shall select lay member(s) from within the district to equalize the increase of clergy members.

g. If the formula fails to compute the exact number of additional lay persons per district to equalize lay and clergy numbers (due to the use of fractions in calculations), the Board of Laity shall be authorized to correct the imbalance through negotiation.

h. After the DALEF has been determined, the Board of Laity as a courtesy may rearrange among districts the number of lay members to be elected, in order that a district that has more lay members than clergy prior to equalization may elect additional lay members in its District Section.

i. Lay members elected under an equalization process by the District Section shall take office immediately and shall serve until the District Section elects lay members for the succeeding year.

2. *Election of Local Church Lay Members to Annual Conference.* The lay members to the Annual Conference may be elected annually or quadrennially at the Charge Conference preceding the regular quadrennial meeting of the General Conference. The term of office of lay members to Annual Conference shall begin on January 1 after their election at the Fall Charge Conference. If, for any reason, the Charge Conference is delayed until after January 1, their term of office shall begin immediately upon election.

3. *Notice of Legislative Items.* Agencies shall submit reports and legislation to the conference office in the form requested no later than April 1 for inclusion in the *Conference Workbook.* Any Annual Conference member or Agency may initiate legislative items at Annual Conference concerning matters which are not part of the *Conference Workbook* only if they are duplicated and

distributed to Annual Conference members by the beginning of the day they are to be considered. This rule shall not be construed so as to preclude proper subsidiary motions or privileged motions.

4. *Proposed Amendments to Standing Rules.* In order that the Standing Rules Committee have time to consider proposals and forward them to the conference office by the April 1 deadline, proposed new standing rules and proposed changes in existing standing rules shall be submitted to the Standing Rules Committee no later than March 1.

5. *Notice of Procedural Rules.* Each year, the charts entitled "Common Motions: Ranking and Requirements (by function)" and "Motions: Ranking and Requirements (by rank)" shall be included in the Pre-Conference Workbook.

B. RULES OF ORDER FOR ANNUAL CONFERENCE SESSIONS

1. *Purpose of Rules of Order.* These rules of order are intended to allow the orderly consideration of the business of the Annual Conference, extend courtesy and fairness to all, ensure the right of the majority, protect the rights of the minority, and defend the rights of individual members.

2. *Definitions.* As used in these Standing Rules, the following definitions shall apply.

a. Adjourn. End a meeting officially. Adjournment is accomplished either by direct majority vote or by unanimous consent.

b. Agenda. List of items of business that the members of Annual Conference will consider. An agenda has a specific arrangement and content.

c. Amend. Change a resolution or motion by adding, striking out, or substituting a word or phrase.

d. Appeal. A question that occurs when a member of Annual Conference questions (appeals) a decision by the presiding bishop because the member believes that an error in procedure has occurred. An appeal must have a second. The decision of the presiding bishop is sustained by a majority vote or a tie vote.

e. Call for orders of the day. A motion that brings to the presiding bishop's attention the fact that a specific item of business was due to come up in the meeting at a specified time.

f. Dividing the question. Separation of the parts of a motion to be considered and voted on as if they were separate motions.

g. Floor. The right of a person to address the Annual Conference and have the members' undivided attention.

h. Main motion. Method of introducing new business to the Annual Conference session. Only one main motion can be under consideration at a time.

i. Majority. More than half of the members present and voting on an issue. Those who do not vote are not counted in the final tally.

j. Motion. Proposal for action by the Annual Conference. A motion is introduced with the words, "I move that _____," (with the wording intended to become the Annual

Conference's official statement of action taken if the motion is passed).

k. Parliamentary inquiry. A request for an immediate answer to a question concerning the rules of procedure. It is directed to the presiding bishop.

l. Point of information. A request directed to the presiding bishop for an immediate answer to a question concerning the background or content of a motion or resolution. The information requested does not pertain to procedure.

m. Point of order. A point raised against any proceeding or motion that the member believes is a violation of the rules. It must be raised at the time of the alleged infraction. The presiding bishop rules on the validity of the point of order. This ruling can be appealed.

n. Precedence of motion. Claim of a motion to the "right of way" over another motion. The attached charts summarize the precedence of various motions.

o. Presiding bishop. The Bishop of the North Texas Annual Conference, or another bishop designated by that Bishop, shall preside over sessions of the Annual Conference.

p. Previous question. Motion to close debate and vote immediately on a motion. Moving the previous question requires a second, is not debatable or amendable, and needs a two-thirds vote for adoption.

q. Question of privilege. If there is something wrong with the physical surroundings or a situation arises that affects the rights of the entire assembly, any individual member can interrupt the motion under consideration to bring the matter to the attention of the presiding bishop. If the situation cannot be resolved informally, then the presiding bishop rules on whether the matter is a question of privilege and should be considered before business is resumed.

r. Reconsider. Motion to review a previous decision and vote on it again. It must be made by a person who voted on the prevailing (winning) side, and it requires a majority vote. Reconsideration may not be moved more than once on the same motion.

s. Second. Indication that a member wants a motion discussed by the members. The member says, "I second the motion" or "Second."

t. Table. Motion to place a main motion and all pending amendments aside temporarily, with the intention of bringing them back at a later time for action. Tabling a motion requires a second, is not debatable, cannot be amended, and requires a majority vote.

u. Take from the table. Motion to bring a previously tabled motion back before the Annual Conference. It requires a second, is not debatable, cannot be amended, and requires a majority vote.

v. Two-thirds vote. This occurs when there are twice as many people voting "Yes" as those who are voting "No."

w. Withdraw a motion. Take back a motion one has made. A person may withdraw a motion by merely requesting to do so up until the time it is stated by the presiding bishop.

After the presiding bishop has stated the motion, the person who made it can withdraw it only by the consent of the members.

3. *Order of Business.* The order of business of the meeting of Annual Conference shall be determined by the Annual Conference Planning Committee, which shall set an Agenda. The session shall open with a period of devotion, followed by a call of the roll, including the roll of the local pastors.

4. *Authority of the Presiding Bishop.*
Calling the Conference to order. When the presiding bishop stands in his or her place and calls the Annual Conference session to order, no member shall speak, address the chair, or stand while the presiding bishop stands.

Raising points of order. Any member of Annual Conference may raise a point of order. In order to do so, the member must cite specifically the rule he or she judges to have been violated.

Ruling on points of order. The presiding bishop shall decide points of order, whether raised by a member or by the presiding bishop, as necessary to conform to these Standing Rules.

Appealing a ruling on a point of order. Any member may appeal a decision on a point of order to the Annual Conference. In the event of such an appeal, there shall be no debate. However, the presiding bishop shall have five minutes to make a statement in support of his or her position, and then the person appealing shall have five minutes to make a statement in support of his or her position. Following the statements, the Annual Conference shall vote on the appeal; a tie vote shall sustain the presiding bishop.

Recessing the session. The presiding bishop shall have the right to recess a session of the Annual Conference at any time at his or her discretion and to reconvene at such times as he or she shall announce.

5. *Opening a Question for Debate.* Before any subject is open to debate, three things must happen. First, a member must actually make a motion that the Annual Conference consider a particular issue. Second, in most instances, the motion must also be seconded. (Calls for orders of the day, calling a member to order, Agency recommendations, nominations, parliamentary inquiries, points of information, and withdrawal of motions do not require a second.) Third, the presiding bishop must restate the motion. For example, the presiding bishop may say, "A motion has been made and seconded that _____. The motion is open to debate."

6. *Obtaining the Floor.* When a member desires the floor, he or she shall proceed to a microphone and wait to be recognized by the presiding bishop. Each speaker should begin by stating his or her name and the church, charge, or other entity he or she represents. A member with the floor may be interrupted only to call for orders of the day, a point of order, a point of information, a parliamentary inquiry, or an appeal of the decision of the chair. A person who cuts off another speaker must state the reasons for the interruption. It is the sense of the Annual Conference that a speaker with the floor should not be interrupted, even for these listed reasons, unless the issue cannot wait until the speaker yields the floor.

7. *Limits on Speakers.* A member may speak for up to five minutes at one time on any question under discussion and only twice on the same question. No member shall speak for the second time until all members seeking recognition have had the opportunity to speak. The

Annual Conference, by two-thirds vote, may change the rules about how often and how long members can speak during a debate.

8. *Types and Precedence of Motions.* There are four main types of motions: (1) main motions; (2) subsidiary motions; (3) incidental motions; and (4) privileged motions. Each type of motion accomplishes a different purpose and is treated differently.

a. *Main motions.* A main motion introduces a new item of business. Only one main motion can be considered at a time. Generally, main motions are secondable, debatable, amendable, require a majority vote, and can be reconsidered.

b. *Subsidiary Motions.* Subsidiary motions are motions applied to other motions to help the members dispose of the main motion. Here are the five subsidiary motions: table; previous question; postpone to a certain time; refer to Agency or committee; amend. These subsidiary motions fit into an order of precedence. This means that some subsidiary motions take precedence over others, and all subsidiary motions must be decided before the members can act on the main motion. This is the order of precedence for the subsidiary motions: 1) to table; 2) to move the previous question; 3) to postpone to a certain time; 4) to refer to committee; and 5) to amend. You can make any of these subsidiary motions when a lower order motion is on the floor, but you cannot make a subsidiary motion if a higher order one is being considered.

c. *Incidental Motions and Inquiries.* Incidental motions must relate directly to the business on the floor. Incidental motions take precedence over all other motions except privileged ones. They are: appeals; divisions of the question; and suspending the rules. In addition, incidental inquiries are proper and have precedence over main and subsidiary motions. Parliamentary inquiries, points of order, and points of information fall into this category. All three are answered by the presiding bishop.

d. *Privileged Motions.* Privileged motions are different from subsidiary and incidental motions, because they do not deal with business on the floor. Rather, they deal with special matters of pressing importance. The three privileged motions (in order of precedence) are: adjourning, questions of privilege, and orders of the day.

The attached charts set out the precedence of motions and specify which motions need a second, which can be debated, which can be amended, and what vote is necessary for passage.

9. *Tabling Related Motions.* No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

10. *Referring Matters to Agency.* It shall be proper for the Annual Conference to refer to an Agency or specially created committee a motion, resolution, report, or a part of a motion, resolution, or report which is before the Annual Conference for consideration, or any amendment offered thereto.

11. *Substitutes.* When a motion, resolution or Agency report is properly before the Annual Conference for consideration and action, even if amendments have been proposed, a substitute motion, resolution, or report may be offered by any member moving that the same be substituted for the report or resolution under consideration. The Annual Conference shall then proceed first to perfect the original motion, resolution or report, including consideration and action upon any

amendments which may be offered to it. The same perfecting process shall then be followed with respect to the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the motion, resolution, or report. However, a motion for the previous question shall not be in order on the adoption of the report or recommendation or on making the proposed substitution until opportunity has been given for at least two members to speak on each side of the question of substitution or adoption.

12. *Moving for a Vote on the Previous Question.* No member may call for a vote on the previous question until at least three members have been given the opportunity to speak on each side of a question. When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), that member shall indicate the question to which they intend it to apply. If the movant does not so indicate, the motion shall apply only to the immediately pending question. A motion for a vote on the previous question is not debatable. It requires a vote of two-thirds of those present and voting for its adoption. If the motion for a vote on the previous question passes, the vote shall be taken on the previous question without further debate.

13. *No Motion After Speech.* It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

14. *Reconsideration.* A motion to reconsider an action of the Annual Conference shall be in order at any time, but only if offered by a member who voted with the prevailing side. If the motion proposed for reconsideration is non-debatable, the motion to reconsider may not be debated.

15. *Voting Generally.* Voting rights shall be governed by the *Book of Discipline.* Voting procedures shall be determined by the Annual Conference Planning Committee, depending on the technology available at the site of the Annual Conference session. If the method generally used is not already secret, a vote by secret ballot may be ordered on call of any member, supported by one-third of the members present and voting. No other business shall be in order when a vote is being taken or when the previous question has been called until the voting process is completed, except such as relates to the vote itself, or business that can be appropriately fitted into the time while waiting for the report on the vote.

16. *Dividing the Question.* Before a vote is taken, any member shall have the right to call for a division of any question, if it is subject to such division as they indicate. If no member objects, the division shall be made. If any member objects and is seconded, the presiding bishop shall put the question of division to vote.

17. *Robert's Rules of Order.* Questions of procedure not answered by these Standing Rules shall be determined in accordance with *Robert's Rules of Order Newly Revised (2000)*, except when they are inconsistent with these Standing Rules or the *Book of Discipline.*

CONFERENCE LEADERSHIP TEAM

The Conference Leadership Team is composed of representatives from all conference agencies. Charged with the missional and programmatic oversight of the Annual Conference, the team appoints task forces to address priorities and needs as they arise, as well as following up on legislative items assigned to the team by Annual Conference.

Meeting on a quarterly basis, the team focuses on one or two agenda items that are in need of special attention. Written reports of the work of agencies are distributed at each meeting.

Within this workbook are reports of the various activities of conference agencies charged with the responsibility of conference mission and ministry. These reports are testimony to what we are able to do when we are connected through a common mission. We are grateful to the many servant leaders who give of their time and talents in service to our annual conference and to Christ's Church.

ACCOUNTABILITY GROUP

Through the work of the Commission on Religion and Race, the Commission on the Status and Role of Women, the Bishop's Committee on Sexual Ethics and a partnership with the Anti-Racism team, the Accountability Group continues to fulfill its mission of holding the Annual Conference accountable to being "the church which Christ has opened to people of all ages, nations, and races." We are also working to ensure that all ethnicities have the opportunity to participate in the mission and ministry of the Annual Conference. Our goal is to have the Annual Conference lead by example as it models inclusiveness.

Conference Commission on Religion and Race–Vivian Crowson, Chair–The Conference Commission on Religion and Race (CORR) hosted the annual Racial Ethnic Dialogue to discuss the nature of the progress of the North Texas Conference as an inclusive and diverse body reflective of the church as Christ's body in the world. CORR also co-hosted along with the Sending Servants team an Annual Conference Luncheon. The speaker, Rev. Randy Day, GBGM, brought his message: *Mission is the Heartbeat of the Church* from the standpoint of inclusiveness in mission and outreach. During the luncheon, the Inclusiveness Awards were made to those who had exemplified inclusiveness and diversity that has made a difference in the Annual Conference. The 2007 awardees were: Ron Hall, Denver Moore, Richard Hearne, Mary Beth Garcia, Rev. April Bristow, and Rev. Diana Holbert. CORR also works with the Conference Nominating Committee to ensure racial and ethnic diversity on Conference committees and agencies by identifying areas where more diversity is needed. CORR also continued to assist COSROW with monitoring at Annual Conference. Ongoing activities include the annual Racial Ethnic Dialogue and Annual Conference Luncheon and monitoring and implementing the NTC Priorities developed at the General Commission on Religion and Race Site Review February 2003 and approved at the 2004 Annual Conference.

Conference Commission on Status and Role of Women–Thalia Matherson, Chair–The Commission on the Status and Role of Women (COSROW) continued to refine the monitoring process and the monitoring tool that is utilized during the Annual Conference Sessions to obtain data regarding the inclusiveness level of the conference during its proceedings. The analysis of the 2007 data indicated that the continued predominance of the conference presenters and speakers from the floor are older, white males. Efforts were made by most, if not all, presenters and

speakers from the floor to utilize inclusive language. The participation of youth as presenters and/or speakers from the floor was very limited.

Bishop's Committee on Sexual Ethics (BCOSE)–Alice Zaccarello, Chair–A day long training by Dr. Marie Fortune and Dr. William Sapp from Faith Trust Institute on clergy sexual misconduct was held for Response Team members, Resource Persons, BCOSE members and the Cabinet. Two education workshops were held for the Response Team. Three BCOSE members met with the Cabinet to discuss recommendations for the Response Team program. Ongoing activities include continuing education for Residents. In addition, BCOSE supported the work of Safe Sanctuaries to establish procedures to recommend to the Annual Conference. Safe Sanctuaries and BCOSE continue to coordinate their work to ensure the safety and healing of our congregations. Throughout the year there are ten Resource Persons available to respond to persons in need of support. Twenty-three Response Team persons are available throughout the year to congregations in need of healing. BCOSE meets monthly.

Anti-Racism Team: Building Hope Dismantling Racism

Reid Fade and J. I. Minor, Co-chairs

"For although we walk in the flesh, we do not war after the flesh: (For the weapons of our warfare *are* not carnal, but mighty through God to the pulling down of strong holds;) Casting down imaginations, and every high thing that exalts itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;"

2 Corinthians 10:3-5, KJV

This past year has been one of transition for advancing the work of dismantling racism in the North Texas Conference. It was in 2002, that the Conference Leadership Team made the bold step to acknowledge that both personally and institutionally the sin of racism had a hold on us and our Conference. That year the Conference Leadership Team approved a Planning and Design Task Force for Dismantling Racism with the stated purpose to recruit a team that will be trained to engage us all in a long-term process to better understand and dismantle racism within our conference and our congregations. The following year the Annual Conference approved and adopted a vision statement to set our course.

This is the vision that we work under:

> Through the power of the Holy Spirit, the people of the North Texas Conference of the United Methodist Church seek to fulfill the word of God by committing to the full participation of people of all racial identities including their gifts, their worldviews and their cultures.
>
> Being restored into the image of Christ, we claim our identity as an anti-racist, multi-cultural church where power sharing and inclusive decision making are practiced through clear lines of accountability to racially oppressed people; redefining and rebuilding relationships; and working to dismantle racism in the entire community wherein individuals, congregations, communities and society are transformed toward God's design for creation.

Initially thirty-three persons were trained to serve on this Team. Three years later in 2005 fifteen additional persons were trained to strengthen the Team for this work. This year we began training ten additional persons for the third wave of persons trained to expand this work of moving the Conference toward embracing the analysis of racism that the Team has developed and taking ownership of an anti-racist identity. The North Texas Conference Anti-Racism Team is encouraged to be able to report the following progress on the stated Five Year Goals of our Twenty-Year Vision.

As the number of persons who have been trained in the analysis of systemic racism has grown we have seen a corresponding increase in the number of churches requesting information about presentations. This is not to imply that we have seen a significant increase in the number of presentations actually being done, but more churches are seeking information on how we may assist them in raising the awareness level of their membership. (Refer to the list of churches in Goal 5 to see how the organizing component of our work is progressing.) What this has brought to our awareness is the need to give more attention to building bridges of communication throughout the Conference and organizing to better assist churches in their efforts to become more faithful agents of change in the world.

GOAL 1: Pertaining to **IDENTITY CHANGE** of a critical mass understanding, owning, and affirming an analysis of systemic racism the following individuals have completed a 2 ½ day Training:

Progress toward this goal has been realized as we:

CONNECTIONAL MINISTRIES OFFICE

CREATING CONGREGATIONS TEAM

Last year was a transition year for the Creating Congregations Team as we welcomed Jim Ozier as our Conference's "New Church Development Officer," and Fred Durham as our new "Connectional Ministries Director." We also had the sadness of saying 'goodbye' to Mary Brooke Casad as she went on to become the Executive Director of the Connectional Table after many years of great service in our Annual Conference.

This has also been a watershed year for Creating Congregations. We continued to work successfully toward seeing four new church start initiatives in 2008:

- St. Luke's South Extension Campus began preparations last year for the launch of their satellite campus that began meeting in January, 2008;
- "The Woods" in Grand Prairie, birthed from the successful merger of Inglewood and Trailwood. This vision emerged from both congregations over a couple of years and the two began meeting as one as a new church in the spring of 2008 with plans to move into their new campus in 09.
- A new "mother/daughter" church plant being birthed by 1st UMC, Rockwall. This new congregation will carry the DNA of one of our strongest churches, as it reaches out into new territory.
- A new Church targeting the fast growing African American population around the Interstate 20 corridor in South Grand Prairie.

In addition to these new church initiatives in progress, the Creating Congregations Team highlighted these accomplishments in 2007:

- Funded a part-time position at Pleasant Mound UMC for the sake of forging a new African-American Congregation in that area using existing church facilities.
- Funded growing Hispanic congregations located in Kirkwood UMC and Spring Valley UMC in addition to the several ongoing Hispanic ministries.

- Continued to fund the growing Hispanic ministry of Christ Foundry now worshipping also at a second site - Walnut Hill UMC.
- Thanks to Ken McIntosh, we now have more "language churches" than any other conference in our jurisdiction.
- Successfully sold the Edmonds Lane property, net proceeds of which will help future new church starts.
- Authorized $150,000 grant to Wellspring UMC for property purchase.
- In keeping with the Council of Bishop's "Path1" initiative, approved funding of $80-90K for the Episcopal initiative to create the position of "New Church Development Officer" to facilitate starting at least 3-6 new churches or worshipping communities per year.
- Subsidized the start of St. Luke "Community" UMC's second campus in the Cedar Hill-DeSoto-Lancaster area.
- Held a November 3 "Fishing Expedition" led by consultant Don Smith for pastors and churches interested in birthing a new church.
- Continued to support a third class of participants in our New Church Leaders Institute, raising the total to over 25 persons from our Conference who have been through this training for starting a new church.

Respectfully submitted,

Matthew B. Gaston, Chair

The Hispanic Ministries Task Force of the North Texas Conference

In 2007 the Hispanic Ministries Task Force accomplished several important goals. Our primary focus this year was promoting Hispanic Ministries around the Conference. We reached churches, pastors, and laypersons in the Conference regarding this area of ministry. In May, 2007, we hosted a consultation on The Pentecostal Journey with the help of Sam Rodriguez, the GBGM National Hispanic Plan missionary in the Central Texas Conference. In September we hosted "Catch the Flame for Hispanic Ministries" seminar led by Jeannie Treviño-Teddlie, Director of the Mexican American Program at Perkins School of Theology at Southern Methodist University. Then in November we hosted the Bishop's Consultation on Hispanic Ministries, with more than 80 clergy and lay members of the Rio Grande Conference and the North Texas Conference attending. It is very clear to me that every year we continue to move forward in this area, but we still have a long way to go in our ability to effectively minister in the Hispanic Community.

The Task Force for the Five-Year Plan for African American Churches

The Five-Year Plan for African American Churches Task Force has been involved in self-assessment this year. We have met with Pastors across the connection to discuss their needs and those of individual congregations. It is the goal of the Task Force to complete the assessment of all African American Pastors-in-charge by Annual Conference 2008.

At the time of this report, thirteen Pastors have participated in one-on-one interviews with the Chair of the Task Force and the Conference Staff Liaison. The interviews were summarized for review and identified needs prioritized according to the responses ascertained from participating clergy. Of primary importance was Human Resources/Staff, followed in equal numbers were Evangelism,

Economic Development, Community Development, Stewardship and Strategic Plan Implementation.

The entire Task Force was convened in order to review results and determine the process by which these identified needs and priorities will be addressed. The Task Force, after much brainstorming identified three potential training models to review: Sacred Places, Communities of Shalom and the Institute for Church Development. We gleaned ideas from these resources on how to develop a specific approach for strengthening African American Pastors and lay persons in the North Texas Conference.

Based on the identified needs and ideas from the models, the ultimate goal for the 5-year Task Force is to develop an Institute for African American Church Growth. The Institute will engage clergy and lay in ongoing full-day seminars focusing on topics related to the identified needs and three strategies of the 5-Year Plan (New Church Development, African American Clergy Development and Assessment and Strategic Planning). An additional component is to identify and assign a Mentor for the Pastor and church to provide companionship and accountability.

Upon development of the Institute model, the findings and recommendations will be presented to the Conference Leadership Team.

The children's camp curriculum is "Three Simple Rules," based on The General Rules and Bishop Rueben Job's book of the same title. As always, camp is centered on young people meeting and renewing their relationships with Christ through Bible study, Worship, small groups, interest groups, and a whole lot of fun!

- SEEK (Summer Events for Exceptional Kampers) Camps for Children, Youth, Young Adults and Adults continue to grow and thrive. We are running out of room and anticipate additional SEEK camps to accommodate our Special Campers.

SENDING SERVANTS TEAM

While all the work of the Conference can be described as "missional" in nature, Sending Servants has the specific responsibility of both promoting and overseeing Conference level missions and outreach. We believe that the Gospel is a transformational message of hope; a message that desperately needs to be heard by the world. Each of our work areas represented on Sending Servants is oriented toward this goal. We continue in our support of the global health initiatives of *Nothing But Nets* and the Global AIDS Awareness Fund. In addition, we encourage the local churches of the North Texas Conference to balanced ministry; believing that worship and discipleship need to be balanced with a commitment to global justice, compassionate outreach, and concern for the creation.

It is with the deepest gratitude to my colleagues in ministry, both lay and clergy, that I commend to you this report on the ministry of Sending Servants during 2007.

Church and Society—Nelda Reid--The Church and Society Task Force worked on several issues this year:

Environment—We continue to encourage sustainable environmental efforts, green building programs, and creation care ministries in local churches. We encourage local churches to join with 180 other churches who are buying green electricity generated by windmills in the western part of the state.

We are working to establish a Conference Green Team.

- Rev. Mel Caraway attended "Caring for Creation Conference" at Mt. Sequoyah, March 7-9, 2008 and has taken leadership on moving us toward becoming more Green.
- We continue to endorse the **"Breath of Life"** program from Texas Impact, a program designed to *"clear Texas air one congregation at a time."* All North Texas Congregations are encouraged to participate.

Hunger—First UMC, DeSoto, hosted a Bread for the World "Offering of Letters" workshop on March 1, 2008. We continue to increase focus on Bread for the World and will encourage more churches to participate in an offering of letters.

Restorative Justice—We continue to support restorative justice ministries in North Texas and throughout the state. We offer two resolutions to Annual Conference 2008: 1) a resolution to increase the chaplaincy in Texas and 2) a second resolution to abolish the death penalty in Texas.

Peace with Justice— Promoted Peace with Justice Sunday, May 18, 2008. We financially

supported sending local NTC church members to Jena, LA as civil rights advocates. We also promote the General Board of Church and Society Peace with Justice grants to support local projects. Lastly, Nelda Reid attended the Hope for Peace and Justice Conference in Dallas in Feb. 2008 and the third annual Teaching Peace in Texas Schools Conference in Oct. 2007 focused on finding new ways to building more peaceful and violence-free Texas schools.

Others—Our Drug and Alcohol Concern support network continues to encourage churches to adopt ministries in this area. We plan to educate at district level on Social Principles after General Conference with a focus on issues before the public in the 2008 political elections, specifically immigration.

Partnerships—We continue to support the work of the Dallas Peace Center and their annual awards banquet and summer lecture series.

- We continue to work with NAMI (National Association of Mental Illness) and support their educational efforts on behalf of the mentally ill.
- We are actively involved with the work of Texas Impact. Mike Renquist and Rev. Mel Caraway represent the North Texas Annual Conference on that board; Rev. Caraway continues to serve as board president.
- We continue to support the work of the United Nations Association-Dallas Chapter.
- We support Justice for Our Neighbors immigration clinic and efforts to broaden impact.
- In November, several Church and Society team members provided administrative leadership and assistance at the GBCS sponsored *Living Faith, Seeking Justice* conference in Ft. Worth, November 1-4, 2007.
- We continue to join with United Methodist Women, Texas Impact and other organizations statewide in continued efforts to totally restore CHIP funding.
- In April, Rev. Mel Caraway presented at United Methodist Women's Social Action Meeting, a combined meeting with 3 districts; and taught the Social Principles at Lay Speakers training.

Communities of Shalom—Rick Hawkins

The eight NTC Shalom Communities have been God's hands and feet in many ways during the previous year:

Ferris continued their participation in local events, i.e., National Night Out, Brickfest, Juneteenth, and fall festival as a mean of community-building. They honor their senior citizens at Thanksgiving by preparing, serving and delivering meals with all the Thanksgiving trimmings. Their annual Sweet Potato Drop and Fourth of July flag distribution with the Boy Scouts continue to give them visibility and presence in the community. Next year they hope to explore community gardening.

The ***Peniel*** community of Greenville continues to face an ever-growing diverse population with concerns of poverty, education, housing, and crime. Partnerships with other community organizations allowed them to meet needs and address concerns they could not have met alone. One surprise project to raise funds was the Penny Jar, which invited members to donate their pennies; over $1000 netted. They have created economic development by hiring residents in need of work to provide skills to Peniel's elderly and disabled home repair project.

Lambuth community of Dallas continued its crime watch program, and offered holiday baskets to senior citizens. They supported a new project, L'Arts Academy, an after-school home work and tutoring program for students of community schools. The program has been very successful in bringing partnerships between the church, schools and community.

Eastside community of Wichita Falls was busy with the aftermath of floods in helping to secure clothing and school supplies for children affected. They worked with a graduate student from Texas Women's University in Denton to identify community health concerns and possible strategies. The Power Meal on Wednesdays and Power Breakfast every second and fourth Saturday continue to be foundational to the ministry to the Eastside community.

Highland Hills community of Dallas continued its Summer Music Camp for community children and youth, ages 6-14, offering music, dance and art. The program creates jobs and offers scholarships. Their support of the church's Hearts and Hands Ministry continues to meet the needs of the hungry through the food pantry and provide clothes, coats and meals to area homeless. Their health initiatives this year focused on screenings throughout the year. Lastly by expanding their audio/visual communications and computer lab they were able to make their worship services more "user friendly" for their homeless guests and provide access to job searches and education.

North Town community of Denison sponsored SWAP (Seniors with a Purpose), taking over 50 high school seniors on a visit to Prairie View A&M University. Their community-wide Vacation Bible School served over 100 children and adults and left the children asking for a second week next year. The annual Back to School Festival had approximately 250 persons of all ages. They offered a basketball competition, health screenings, a spelling bee and great food. Their greatest joy is securing funding to finally start renovation on their Shalom House (parsonage) so that new ministries and community resourcing can begin.

SE Dallas Cooperative Parish of Dallas continued offering its "Justice for Our Neighbors" immigration clinic to 181 new neighbors (clients). Other ministries also continued: The Emergency Food Center providing food and clothing assistance, The Caring Services ministry serving senior citizens, after school tutoring for community children, Project Transformation, Amigos Days and ministry to youth. New ministries: affordable housing for persons over 62 years, ESL classes, Angel Food program and Justice For Our Neighbors On-the-Road clinics.

Community Development—Jack Soper

Churches across the North Texas Conference have been creating exciting ministries that are changing the lives of many who face tormenting problems. Through the generosity of those who give to *New Visionaries*, grants are awarded to congregations that create innovative ministries. The Community Development Task Force has the responsibility for distributing those funds to churches that qualify. The task force includes members nominated by the Conference nominating committee.

The stated purpose of the task force is, "To provide funding for the development of Foundry Churches, Communities of Shalom, Ethnic Ministries and...new programs that improve directly the communities surrounding North Texas Conference United Methodist Churches." Grants up to $10,000 are given. Some recent awardees are noted below.

Justice For Our Neighbors, recently received a grant for $9,500. JFON is a ministry of the North Texas Conference offering free immigration legal services, advocacy, and education to low income immigrants in the Dallas Metro area. The Dallas clinic is located in the Pleasant Mound-Urban Park United Methodist Church. In 2007 the Dallas clinic served 750+ clients. The funds provided through Community Development will allow JFON to receive a Church and Community Worker/Missionary through the General Board of Global Ministries. This action will allow the vital work of JFON to continue uninterrupted during a time of elevated tension in the immigrant community.

Argyle United Methodist Church with the leadership of their Pastor, Kory Knott has received a grant for $2,700. That congregation has become aware of a special need in their community. Persons who have HIV/AIDS and are taking retroviral drugs to control their disease need a higher than normal amount of protein in their diet to promote the effectiveness of the drugs. The Argyle Church is reaching out by opening a food pantry that will provide a high protein diet. The Task Force encourages churches to work in concert with other organizations and the Argyle Church has done that by joining with Heath Services of North Texas. Together with help from Community Development they are getting that mission up and running.

The parsonage at Haven Chapel United Methodist Church in Denison has been empty for years. With a grant of $7,000 along with the generosity of others, the people of the St. James/Haven Chapel UMC Charge will transform that vacant parsonage into Shalom House which will house programs like Worship on Wednesday (WOW-Children), Safe Haven for Youth Activities, Senior

Adult Programs, Employment Seminars, Parenting Classes, Counseling, and a Computer Lab, to name a few. These ministries will be a gift to the many of that parish who struggle and look to the church for help.

Applications are considered three times each year. The application deadlines are: May 31, September 30 and Dec. 31.

Ecumenical Ministries—Mike Renquist

This past year has seen some reversals and some gains, enough to justify our continued hope that God would have us also dwell in unity.

Most disappointing has been the demise of the state-wide organization **Texas Conference of Churches.** A remnant board is hopeful about a re-staging of purpose, organization and activities and NTC representatives are and will be active in the discussion. The NTC is strongly represented and supports the significant programs and outreach of peace, justice, health and environment issues of **Texas Impact**. Conversation continues among judicatory representatives for a Dallas-area intra-faith connection. **Churches Uniting in Christ (CUIC)** is very viable, despite some setbacks regarding a prioritization of issues of racism and the knobby problem of episcopacy. Look forward (as of this writing) to the General Conference of the UMC meeting in our area this year, as we are mindful, prayerful and hopeful of decisions, matched by other denominations, that will continue to move us all toward the unity we share in Christ.

The EMT in 2007-08 expanded its membership, spent several hours in preparation training, and now has available, for local churches, at no cost, a very fine two-hour interactive workshop on Christian ecumenism. That workshop, entitled "Bound In Love" will both confirm your church's historical Methodist position, challenge you with Scripture and develop at least two new ideas for ministry with a bent toward unity, all in two hours! Plan on providing your people with these insights this summer or fall. Write me mgrenquist@sbcglobal.net or Alice Coder acoder@firstmethodistplano.org about arranging a workshop in your church.

Your **Ecumenical Ministry team** continues as ears and eyes for Christian unity events and concerns and issues and advocacy here in NTC. Feel free to contact these people with what your congregation is doing for the unity of God's Reign and/or for the furthering of dialogue between the faiths: Mike Renquist, lead (ending June, 2008), Jennifer Akins, Carol Berglund, Alice Coder, Nancy DeStefano, Terry Heislen, Sam Martin, Greg Neal, Judith Reedy, Troy Sims, Leo Tipay, Jr., Dave Yunker, Bill Matthews, Irene Jackson, with conference staff support from Jim Dorff, and Sally Vonner.

Global Ministries—Ron Koo

Key measurable objectives achieved in 2007, and part of 2008:

- Continued on-going support for UMW Weekend Cooperative Mission Event, with a donation of $2000.00. In addition, Global Ministries provided Ron Koo (on Globalization study), and Terry Heislen (on Mission and Music study) as study leaders, resulting in a closer cooperative event between UMW and Global Ministries Task Force in financial support and in participation.
- Ron Koo spoke to Spring Valley UMC Sunday School class on current situations of Chinese Christians on the Mainland of China and Hong Kong. He also spoke to Arapaho UMM on 2006 World Methodist Conference in Seoul, Korea, and World Methodism.
- As of 12/31/07, there was a total of 29 churches supporting the GBGM missionaries, representing a total Missionary Support of $88,878.00 (covenant relationship and non-covenant relationship program). GBGM has a total of close to 1000 missionaries. 15 of those are assigned to NTC for support, including our own Lea and Wes Magruder. However, the total General Advance gifts was $378,088.00, representing 121 churches, and over 400 gifts (36% of church giving), which was higher than typical of NTC

contributions to the "Second Mile" giving over the last few years, with the exceptional extra-ordinary giving for 2005 UMCOR disaster support.

- Reviewed, assessed and recommended to NTC a total of 18 Conference Advance Specials. New additions for 2008-2009 are: First UMC Dallas Cross Road Community Services; Project Transformation; A Man's Treasure Closet; Horizon Communities in Prison; North Texas Food Bank. Total conference advance special gifts totaled over $64,000.
- Cooperated on UMC/NTC Global Health Initiatives in "Nothing But Nets" partners program, and Global Aids Fund.
- Held a successful Mission Forum on February 2, at St. Luke "Community" UMC, with about 100 attending workshops on global health, mission fund-raising, covenant relationship for missionary support and Advance, integrating spiritual with mission experience, VIM leader trainings, mission possible kids, crossing the border, and seeking justice ministries. Speakers include experienced mission experts from NTC churches and GBGM, New York.
- Continued financial and spiritual support program of "In Mission Together" with over a dozen partner churches in Czech Republic, and other UMC Mission Initiatives: Cameroon, and Russia. Rusty Hedges, Terry Heislen, and Nancy Moore attended the Mission Initiatives Summit at St. Andrew UMC, Plano, TX.

Health and Welfare Ministries--Elizabeth Talbert

Health and Welfare Ministries welcomes a new subcommittee: The Committee on Disability Concerns and co-chairs Liz Moen and Kenneth Dickson. The Committee functions include awareness programs and advocacy for persons with disabilities in ministry and in our congregations. They will provide resources and promote inclusion for persons with disabilities and for the development of ministries in the local church that are attitudinally and architecturally accessible (¶649, from *The Book of Discipline*).

Health and Welfare Ministries is promoting Parish Nursing programs in our local churches. Parish Nurse Basic Preparation Courses are being offered by Methodist Health System (MHS) to NTC congregations and MHS partner congregations. This class is appropriate for registered nurses looking for a way to integrate healing of body, mind, spirit, and community into their nursing practice, or faith community leaders looking for a way to get involved in this exciting new outreach to members and neighbors. We invite you to take a closer look at parish nursing by visiting UMCOR's website at http://new.gbgm-umc.org/umcor/work/health/parish-nurse/ and to view two new DVD's from the International Parish Nurse Resource Center: *A Look at Parish Nursing* and *The Spirit of Healing*, available for checkout from the NTC Resource Center.

The General Board of Global Ministries Executive Secretary, Dr. Cherian Thomas, spoke at a Global Health Workshop at St. Luke's UMC on February 2, 2008. Dr. Thomas draws from his medical experience to direct the domestic and international programs of Health and Welfare. His work includes coordinating the hospital revitalization program which strengthens the outreach of UMC hospitals in Africa and Asia, and congregational health ministries. A new approach for GBGM global ministries is community-based health care programs.

Health and Welfare Ministries continue to:

- Encourage local church and conference support of Golden Cross, the Methodist Children's Home, The Methodist Mission Home, and the Lydia Patterson Institute.
- Gather and disseminate resource data on Health and Welfare Ministries among the local churches in our annual conference.
- Investigate, implement, and augment programs that focus on wholeness of mind, body, and mutual accountability in the area of healthy lifestyles and life choices.

Mission Personnel—Edlen Cowley

I am happy to report that we have had a successful year in Mission Personnel. This past year, we hosted two breakfasts with the aim of supporting our quadrennial effort, **The Cameroon Initiative** led by Wes and Leah Magruder. Wes and Leah traveled from Cameroon to be with us for the second breakfast, and it was a success with many of the churches from the conference attending. New partnership agreements were solicited and two: St. Andrew and Triestch Memorial were among the new partners added to the initiative. We continue to support Wes and Leah as their work continues.

Secondly, we are happy to have had the opportunity to play a role in hosting the **Global Mission Initiative Summit** which was held at St. Andrew April 17th and 18th. This Mission Summit was brokered through a partnership with **In Mission Together**, a division of the **General Board of Global Ministries**, the St. Andrew Mission Department, and the Connectional Ministries Office of the conference. Missionaries from all of the initiatives: Cameroon, Cambodia, Laos, Thailand, Kenya, Senegal, Vietnam, Nepal, Russia, Lithuania, Latvia, Mongolia, Honduras, and Central Asia attended, along with jurisdictions, churches, and persons who have interest in connecting with these missionaries. This event is significant in that this is the first time all the initiatives have met together.

Lastly, we reviewed and approved an application to the **Church and Community Worker** program of the General Board of Global Ministries on behalf of Justice For Our Neighbors (JFON), an initiative of the United Methodist Committee on Relief (UMCOR). If approved, the present Young Adult Missioner, Amy Spaur, will become a Church and Community Worker and continue her ministry with JFON. Please read UMCOR's report for an update on JFON.

United Methodist Committee on Relief – UMCOR Part I– Clay Womack

Your United Methodist Committee on Relief (UMCOR) has continued to faithfully and effectively serve Jesus Christ by faithfully and effectively serving our neighbors – globally and close-to-home – during this past conference year. UMCOR remains on the front line of care through its six venues of activity: *Emergency Response, Health, Refugees & Immigration, World Hunger & Poverty, Relief Supplies, and on-the-ground integrated solutions through the dedicated activity of staff persons in the UMCOR Field Offices around the world.* Please visit the UMCOR website to explore the full range and scope of this your agency's response to human need: www.new.gbgm-umc.org/umcor.

North Texas United Methodists strongly support UMCOR. In the past conference year you have significantly offered financial and material resources through Advance special giving, donated commodities to Sager Brown Depot, specific gifts & bequests, your Volunteers-in-Mission energies, and – particularly important – the One Great Hour Of Sharing offering. Let us celebrate the fact that – in 2007 – fifty one (51) congregations of the conference contributed to the One Great Hour of Sharing offering. Kudos to this inspiring honor roll of local churches:

Argyle	First Carrollton	Holy Covenant	University Park
Walnut Hill	First Denton	Trinity Denton	Webb Chapel
Oak Haven	Lake Cities	Vista Ridge	Fellowship
First Sanger	Blue Mound	Grace Dallas	Preston Hollow
Ridgewood Park	White Rock Dallas	Axe Memorial	Christ Plano
Custer Road	First Rockwall	First Rowlett	Pleasant Valley
New Covenant	First Dallas	Umphress Road	First DeSoto
First Duncanville	Kaufman	First Lancaster	Mabank
Martin Memorial	Salem-Kinser	Lone Oak	First Paris
Wolfe City	Bells	First Bonham	Trinity Denison
Waples Memorial	First Gainesville	Whaley Gainesville	First McKinney

Grace Sherman	Whitewright	Bowie	Morris Memorial
Iowa Park	St. Marks Wichita Falls	University	

Their contributions provided $31,631.90 for UMCOR's basic needs of "keeping the lights on" (the daily costs of being open for business) & assistance for programs not fully funded through designated Advance gifts. As you may know, UMCOR receives no World Service funds or any other apportionments. Basic needs relative to operational costs are provided for only through the One Great Hour of Sharing Offering. Commitment to the One Great Hour of Sharing Offering allows UMCOR to take our need-specific gifts and devote 100% of those gifts directly to the need or project.

Please: whether during the traditional Lenten Season for the taking of the OGHS offering, or anytime selected by you during the year – *determine to take a One Great Hour of Sharing offering in 2008-2009.*

Thirteen (13) North Texas congregations are setting an inspiring example for the remainder of us by having already taken their One Great Hour of Sharing offering for the 2008 year: First Carrollton, Northgate, Sanger, Grace Dallas, Custer Road, Kaufman, First Lancaster, McKenzie Memorial, Deport, Martin Memorial, Waples Memorial, Ector, and Iowa Park. May the rest of us go and do likewise!

As always, North Texas Conference, thank you for your big hearts, generous spirit, and hands-on faith.

UMCOR Part II – Justice For Our Neighbors—Connie Millsap

Justice For Our Neighbors is a monthly clinic providing legal consultation to immigrants in the North Texas Conference (NTC) and beyond. The office and clinic are housed at Pleasant Mound-Urban Park UMC in Dallas. For more information, go to www.ntcumc.org.

- We served over 800 clients last year (includes new clients and follow up clients) at the Dallas JFON site.
- Our Young Adult Missioner, Amy Spaur continues to be a great asset. She has helped to increase our clinic volunteer base 50% and increase our overall volunteer hours. She was instrumental in spreading the good news of JFON by speaking at events and churches. Plans are being made to keep Amy on board as a Church and Community Worker when her term as Young Adult Missioner ends.
- Two "traveling clinics" were held at Casa Linda UMC and Christ Foundry UMC. Both were very successful and supported by church volunteers. These clinics were held in addition to the monthly JFON clinic at the Pleasant Mound-Urban Park UMC in Dallas where the JFON Dallas office is located.
- We sponsored a six-week Citizenship class with 15 participants and aided them in completing their application upon completion of the class.
- We did one "Know Your Rights" presentation in the Christ Foundry UMC community.
- We also spoke to a gathering of English-speaking U.S. born citizens to educate them about immigration law and immigrants.
- In October, we hosted a regional symposium on immigration at FUMC Grand Prairie to educate and advocate on issues facing communities regarding immigration law and immigrants. Approximately 90 persons participated in this day-long symposium featuring worship, plenary and workshop sessions. We continue to provide information and resources to participants through an email network.

COMMUNICATIONS COMMISSION

The past year has been a busy time for the Commission on Communications as staff and volunteers moved into the new space in the NTC Ministry Center. In addition to offices and print and website production space, the new facilities include a control room and studio for the NTC Media Center.

A major highlight of 2007-2008 has been the joy of working with Milse Furtado, the United Methodist Communications Judith Weidman Racial Ethnic Minority Fellow. Milse has been involved in numerous aspects of Communication Ministry. She has been a special gift who will leave a lasting legacy with the Conference when her fellowship ends in June 2008.

Among the Communication Ministry goals achieved in the past year are:

- Planned and executed largest-ever Home for Christmas/Watch Night Media campaign.
- Upgraded to INDesign desktop publishing software and conducted training for communications and other potential users.

BRIDGEPORT CAMP AND CONFERENCE CENTER

At the time of this report, the Bridgeport Camp and Conference Center Board of Directors is looking to secure a new executive director for the camp. We are greatly saddened that Lance Hicks

has chosen to resign as Bridgeport's Executive Director. Lance has spent most of his life working at the camp. The Board is very appreciative of Lance's contribution to the success of the Bridgeport camp over the years and regrets Lance's personal decision to seek other employment.

The Bridgeport Camp and Conference Center continues to thrive with our summer camp operation at full capacity and most of the weekends booked with children, youth, and adult programming. We continue to seek funding to renovate the camp and to begin construction of the Creekside Village that will replace the current South Village.

We know that with Lance's departure the future operation of the Bridgeport CCC is open to new possibilities of leadership and direction. We ask for your prayers as the Board seeks new executive leadership that honors the grand tradition of one of the most cherished places in the North Texas Conference.

Bridgeport Camp & Conference Center Board of Directors

THE PROTHRO CENTER AT LAKE TEXOMA

2007 proved to be the Prothro Center's most efficient year. The great word continues to spread about the center's wonderful facilities, setting, and overall hospitality, as we have posted a record number of person days in each year of its existence. (2,200 more guests in 2007 than 2006.) 2008 is already shaping up to surpass all previous marks.

As the Prothro Center continues to grow from an internal standpoint, we also understand that it's the serenity which makes it such a memorable experience. With breathtaking views which overlook Lake Texoma, we have designed, developed, and improved numerous areas along the shorelines. Cross Point was given a major face-lift with a newly constructed natural stone patio which allows you to take full advantage of nature at its finest.

The Prothro Center continued to host numerous North Texas Conference programs such as the annual Young Adult and Adult S.E.E.K. Camps, Clergy Spouses Retreat, Clergy Women's Retreat, the Extended Cabinet, and the Board of Ordained Ministry. Seventy-Six of our NTC Churches found their way to the Prothro Center, along with a great number of pastors who participated in our "Wellness Initiative.

Our staff and food service continue to flourish, as we added many smiling professionals with a deep love for every aspect of this ministry. It's extremely exciting and rewarding to see how the Prothro Center has steadily progressed. We are truly blessed to work in such an amazing setting and for such wonderful people.

REPORT V

NORTH TEXAS CONFERENCE OF THE UNITED METHODIST CHURCH 2008-2009 PROBATIONARY RESIDENCY PROGRAM OVERVIEW

Chairperson of the Committee on Probationary Residency: Rev. Paul A. Gould, PO Box 864, Greenville, TX 75403; 903-455-1594, FAX 903—454-3646 E-mail:pgould@wesley-umc.net

Purpose

The purpose of the North Texas Conference Probationary Residency Program is:

1. To help probationary members make a successful transition from seminary or ministry in another denomination into full-time ministry, membership in an order and life in the connection of the United Methodist Church.

2. To enable probationary members to grow as disciples of Jesus Christ and in ministry effectiveness.

3. To provide the Divisions of Preparation and Qualification for Deacons and Elders as complete a picture as possible over the course of three years of those moving toward ordination as deacons or elders and to provide feedback from these divisions to those participating in the Probationary Residency Program.

4. To model for the entire North Texas Conference what it means to live in covenant together.

Participation

All commissioned ministers who are probationary members of the North Texas Conference shall participate in the Probationary Residency Program while under full-time appointment for a minimum of three consecutive years.

When deemed appropriate and initiated by the cabinet for mission reasons, persons may participate in the Probationary Residency Program under less than full-time appointment. For purposes of Residency, less than full-time appointments will be a minimum of thirty hours a week. These individuals will fulfill all requirements of the program during the first three years of the program, and then participate in a minimum of one additional year of Residency.

Completion

The Committee on Probationary Residency will determine whether Residents have successfully completed the Probationary Residency Program or need additional time in the program. Successful completion of the program is a requirement for ordination and full membership in the North Texas Conference.

Program Design

The design of the Probationary Residency Program assumes that those participating will be serving local congregations within the North Texas Conference. Individuals appointed to extension ministries or to ministries within another conference will work with the Committee on Probationary Residency to design appropriate modifications to the program.

Program Components

1) The Covenant Group: This component is designed to provide dialogue, support, and spiritual formation under the guidance of an effective facilitator. The covenant group models Christian community while also focusing on important issues of ministry and spiritual growth. The covenant group offers a place for further biblical and theological reflection and for its integration into the practice of ministry. It also provides the possibility of forming positive relationships that may offer support throughout the years of ministry.

2) Mentor Relationship: The mentor/probationer relationship is an essential part of the Residency program. It is not simply a peer relationship since the mentor has supervisory responsibilities and the advantage of many years of experience in ministry. However, the relationship is to be marked by mutual respect. Both the mentor and the probationer should expect to learn from each other. While the focus is primarily on the ministry of the probationer, the mentor should be equally willing to share his or her own struggles and weaknesses. The mentor relationship is to explore together the nuts and bolts of ministry while engaging in a dialogue in matters of theology and the role of the Church. The relationship must be based on mutual trust, openness and respect. It is hoped that the mentor/probationer relationship may be on-going following the completion of the program and that its helpfulness will encourage the formation of many other supportive relationships, so essential for ministerial health and effectiveness.

The Covenant Group Facilitator, in consultation with the Committee on Probationary Residency, will assign mentors to Residents.

3) Lay Ministry Committee: This component offers opportunities for learning for both the probationer and members of the probationer's ministry setting. Regular sessions are essential in order to give consistency in feedback and support while allowing time for the exploration of the many required areas of discussion. It is important that the laity understand the complexities and demands of ministry and probationers understand and accept the ways in which laity can teach them.

4) Continuing Education:

Ministry Forum: Residents will participate in a required Ministry Forum presented in September of each year by the Probationary Residency Committee. This event is designed to help Residents explore issues related to ministry and to grow in their ministry effectiveness.

Sexual Misconduct Seminar: A mandatory day long Covenant Group meeting focusing on "Clergy Sexual Misconduct Training" will be held in February in lieu of the regularly scheduled meeting for all first year Residents.

5) Reports Third year Residents and their respective Mentor Pastors, Chairs of Lay Ministry Committees, and Supervising Pastors/Administrators, and the Covenant Group Facilitator will fill out and turn in forms reviewing the Resident's growth by December 1, 2008.

First and Second year Residents and their respective Mentor Pastors, Chairs of Lay Ministry Committees, and Supervising Pastors/Administrators, and the Covenant Group Facilitator will fill out and turn in forms reviewing the Resident's growth by February 1, 2009.

All residents will fill out and turn in a program evaluation form by May 1, 2009.

All forms are provided by the Committee on Probationary Residency in hard copy at the orientation/initial meeting and electronically communicated following the meeting. All forms are turned into the Chair of the Committee.

6) Successful Completion of the Program: The Committee on Probationary Residency will review the participation and work of the Residents and pass along recommendations to the respective divisions of Preparations and Qualifications. Those seeking ordination and full membership in the North Texas Conference must first successfully complete the Probationary Residency Program.

7) Time Line: The Probationary Residency Program begins with a mandatory orientation meeting for First Year Residents immediately following Annual Conference and continues up until Annual conference of the third year unless residency is otherwise extended.

REPORT VI: COMMITTEE ON LOCAL PASTORS

Committee Chair (2004-2008): Mike Miller, P.O. Box 237, Bridgeport, TX 76427, 940-683-2780, E-mail: mike@trinityunitedmethodist.org

Local Pastor Registrar: Linda Marcum, 813 N. Beverly, Wichita Falls, TX 76306, 940-761-5937, E-mail: beverlydrive@netzero.net

The Committee on Local Pastors of the Division of Elders gives thanks to God for those who are called to ministry and committed to serve the Church of Jesus Christ as Local Pastors within the North Texas Conference of the United Methodist Church.

A. Licensing School:

2008 – After nearly two decades of holding Licensing School over several Saturdays, the Committee on Local Pastors expanded this school in 2008 to comply with the standards established by the General Board of Higher Education and Ministry. The 2008 Licensing School was held on five Saturdays (March 29, April 5, April 12, April 19 and May 17) plus one five day week (May 27-31). Saturday classes were held at the Conference Ministry Center, while the week of classes were conducted at Prothro Center with the students staying on campus for the five days. Special thanks go to David Rucker for chairing the task force that provided the new format for Licensing School. To accommodate the expanded curriculum, an exceptional team of teachers, facilitators and instructors were assembled. The Committee offers a special thanks to Duane Van Geisen Roy Spore, Paul Escamilla, Paul Gould, Jim Dorff, Kathleen Baskin-Ball, Marsha Engle Middleton and Susan Bryan for their continuing leadership as faculty and administrators of the Licensing School. Special thanks also go to new faculty members Richard Dunagin, Dana Norton, Gene Wisdom, Diana Holbert, Debra Hobbs Mason, Karen Chraska, Ron Henderson, Andy Stoker, Jim Bowden, John McLarty and Keith Head.

2009 - Licensing School will continue in the same format of five Saturday sessions, to be held at the Conference Ministry Center, and a week of residential learning at Prothro Center. The dates set for these sessions are: Saturday, April 18, April 25, May 2, May 9 and May 16 and Tuesday thru Saturday, May 26-30.

General Guidelines - Students MUST be certified candidates for ministry, and MUST be recommended to attend Licensing School by their respective District Committees on Ordained Ministry. District Superintendents and District Committees on Ordained Ministry need to identify, recommend and submit the names, addresses and telephone numbers of persons to attend the 2009 NTC Licensing School to the Registrar of the Committee on Local Pastors on or before February 8, 2009. Upon receipt of the names, each student will receive a date for an interview with the Committee on Local Pastors and specific information as to the time and location of classes. A License for Pastoral Ministry is granted upon a candidate's appointment to a local church. Approval to serve as a Local Pastor in the North Texas Conference is contingent upon successful completion of Licensing School.

Persons needing to attend a Summer Licensing School may attend the Central Texas Conference Licensing School as space is available. No North Texas Conference funding is available to cover this cost. District Superintendents and District Committees on Ministry should contact the Chair of the Committee on Local Pastors, and the Central Texas Conference Office, as soon as the need arises.

B. **Interviews of Those Eligible to be Appointed as Local Pastor for the First Time:** All persons wishing to be eligible to receive an initial appointment as a Local Pastor must first be recommended by their District Committee on Ordained Ministry. They must then participate in an interview with the Committee on Local Pastors. The purpose of the interview is to determine the candidate's readiness for Licensing School and appointment as a local pastor in ministry through the North Texas Annual Conference. To that end, the candidate must be prepared to speak openly, honestly and effectively with regard to his or her readiness for ministry. It is the responsibility of the prospective Local Pastor to contact the Registrar of the Committee on Local Pastors to set up the interview. **The dates scheduled for these interviews in 2009 are: March 3, 10, and 17. If needed, additional interviews may be held on March 24.**

In order to assist the candidate in preparation for the interview and to provide a beginning point of conversation, each candidate is required to submit written answers to the following questions. This written work must be submitted to the registrar ***no less than*** **ten days prior to the scheduled interview**. Responses to the questions should be thorough, but should not exceed one page for each question.

1) Describe your call to ministry and how this call has led you to seek to be a local pastor in the North Texas Conference.
2) Explain your understanding of the itinerant system and your willingness to accept this system in your own ministry.
3) Discuss your understanding of the sacraments and how your understanding leads you to administer the sacraments in the local church.
4) What is your understanding of the service of a local pastor in ministry?
5) Do you know God as a pardoning God? Have you the love of God abiding in you? Do you desire nothing but God? Are you holy in all manner of conversation? *
6) Have you gifts, as well as evidence of God's grace, for the work of ministry? Have you a clear, sound understanding; a right judgment in the things of God; a just conception of salvation by faith? Do you speak justly, readily, clearly? *
7) Have you fruit? Have you been truly convinced of sin and converted to God and are you a believer edified by your service? *

** These three questions are taken from the Discipline, ¶303 and are historic questions regarding fitness for ministry. Responses to these questions should include both an understanding of what these questions mean and how the candidate answers the question.*

C. **Interviews of Continuing Local Pastors:** All continuing Local Pastors must meet with their District Committee on Ordained Ministry for an annual review. Generally, it is not necessary for continuing Local Pastors to meet with the Committee on Local Pastors on a annual basis; however, such interviews may be required as determined by the DCOM, the District Superintendent, or by the Committee on Local Pastors itself or requested by the Local Pastor. The Committee requires all Local Pastors to meet with it five years following their initial approval in order to maintain a healthy working relationship and to ensure continued professional development (progress in seminary or the Course of Study program). These interviews are scheduled at the convenience of the committee in consultation with the Local Pastor. **Beginning in 2008, the Committee on Local Pastors will be cooperating with the District Committees on Ministry to interview candidates in their third year of service as a Local Pastor.**

D. **District Committees on Ministry:** District Committees on Ministry are required by Discipline to hold continuing interviews for all Local Pastors each year. Each District Committee on Ministry Chairperson and/or Registrar must complete the Checklist for Continuing Interviews of Local Pastors for each continuing Local Pastor, and then send the checklist to Duane VanGiesen at the Conference Office on or before **February 8, 2009**. This list should include the recommended status of each Local Pastor (i.e., as Student, part-time, or Full-time Local Pastor) as well as their location of appointment as of **February 8, 2009**. A list of all Local Pastors being discontinued must be included as well. Please note that, at any time during the year, a District Committee on Ministry must notify the Chair of Local Pastors immediately upon discontinuance or change of status of a Local Pastor.

E. **Mentor Pastors:** Local Pastors under appointment will be held accountable for regular and meaningful meetings with their Mentor Pastors. The Committee on Local Pastors requires that Local Pastors meet with their mentors a minimum of four (4) times per year.

F. **Educational Requirements and the Statute of Limitations:** As required by the Book of Discipline, Full-time Local Pastors must complete four courses per year in a Course of Study school or the correspondence curriculum prescribed by the General Board of Higher Education and Ministry, and Part-Time Local Pastors must complete two courses per year (see ¶318.1 and 318.2 in the 2004 BOD). If for some reason a Local Pastor is unable to complete the prescribed number of courses annually, he or she must secure permission in writing from both the District Committee on Ordained Ministry as well as the Committee on Local Pastors. However, it is the responsibility of the Committee on Local Pastors to enforce the statute of limitations, allowing eight years for full-time Local Pastors to complete the Basic Course of Study, and twelve years for Part-Time Local Pastors. The procedure for extension is explained in ¶319.3 of the 2004 Book of Discipline.

G. **Basic Course of Study School at a United Methodist Seminary or School of Theology**: It is the policy of the North Texas Conference Committee on Local Pastors

to cover tuition, room, and board expenses for Local Pastors to attend Basic Course of Study School as long as those Local Pastors are under appointment within the boundaries of the North Texas Conference. Students must pay the registration fee to hold their place in each class, as well as any required "community life" fees. Tuition, room and board expenses will be paid directly to the Course of Study School by the North Texas Conference. Reimbursement for books required for Course of Study courses will be available by providing receipts and itemized book lists to the Chair of the Committee on Local Pastors within three months of the completion of the course. Students making a "D" or lower on their grade report will be billed by the North Texas Conference for the cost of the course in question, including any book reimbursement and room/board expenses related to that course. Failure to pay the North Texas Conference for the cost of these failed courses will result in the student forfeiting conference support for future Course of Study or seminary work, until such date as the outstanding balance is paid. The Committee on Local Pastors will determine exceptions on a case-by-case basis.

H. **NTC Weekend Extension Course of Study School (COSS):** The North Texas Extension Course of Study School continues to be a convenient way in which **Part Time Local Pastors** can fulfill a portion of their required Course of Study work. The school continues to experience growth during each year, and the Committee wishes to thank all instructors for their participation. A special thanks goes to Duane VanGeisen, registrar for the school. **By action of the North Texas Conference Board of Ordained Ministry, in 2008 management of the Extension Course of Study will become the responsibility of the Director of Local Pastor Education, who will work to ensure that the school presents a thorough program of training for ministry and adheres to the standards and policies established by the General Board of Higher Education and Ministry. Roy Spore will assume this responsibility for the quadrennium beginning in 2008.**

The academic calendar for the extension school runs from September through August. A list of courses for the 2008-2009 year and application forms are available on the North Texas Conference website. The NTC Extension Course of Study School intends to offer courses which will enable the **Part Time Local Pastor** to fulfill **the major** portion of his/her basic Course of Study requirements in a manner that maximizes opportunity for secular employment during summer months. **The Course of Study curriculum consists of twenty classes that prepare Local Pastors for service in the local church: eighteen of these classes will be offered on a two year rotation in the North Texas Extension Course of Study (see "8" below).** Classes meet from 9 a.m. to 4 p.m. one Saturday per month for three consecutive months.

1. Students interested in participating in the NTC Extension Course of Study School are to contact Duane VanGiesen, Associate Director of Administration, at PO Box 866128, Plano, TX 75086-6128, 972-526-5000. A non-refundable fee of $50.00 is required for each course from students within the North Texas Conference. Upon receipt of the registration form and fee, course assignments and other materials will be mailed to the student. **No registrations will be accepted later than 30 days prior to the first class session.**

2. Students are welcome from outside the North Texas Conference. Such

students must pursue payment methods from within their own conference to attend the NTC Extension Course of Study School. North Texas Conference funding is not available.

3. Reimbursement for books required for Course of Study courses will be available by providing receipts and itemized book lists to the Chair of the Committee on Local Pastors within three months of the completion of the course.

4. The instructors set locations for the classes, with consideration being given to both student and instructor travel distances.

5. Each course meets one Saturday each month for three consecutive months. Sessions begin by 9:00 AM and conclude by 4:00 PM. Attendance at all three sessions is required.

6. The General Board of Higher Education and Ministry authorizes the North Texas Extension Course of Study School to provide instruction for courses included in the basic Course of Study of the United Methodist Church **as an extension of the Regional Course of Study program at Perkins School of Theology. All curricula and assignments meet the General Board's criteria for Extension Course of Study programs.** Grades will be issued, recorded and forwarded to the General Board of Higher Education and Ministry for inclusion in the Local Pastor's official transcript.

7. Students making a "D" or lower on their grade report will be billed by the Conference for the cost of the course in question, including any book reimbursement related to that course. Failure to pay the Conference for the cost of the failed course will result in the student forfeiting conference support for future Course of Study or seminary work, until such date as the outstanding balance is paid. The Committee on Local Pastors will determine exceptions on a case-by-case basis.

8. Additional courses may be added at the discretion of the Committee on Local Pastors. **In order to encourage participation in a regional school, the North Texas Conference will not offer the following courses: 512 – "Contemporary Theology" and 513 – "Our Mission from God: Transforming Agent."**

9. **The NTC Weekend Extension Course of Study School is intended for Part-Time Local Pastors who hold secular employment**, and are therefore better served by a weekend format rather than the standard on-campus seminary format. Part-Time Local Pastors enrolled in the Basic Course of Study are required to complete a minimum of two out of the twenty courses as part of an on-campus Course of Study program such as the Perkins Course of Study. **Full-time Local Pastors are required by the General Board of Higher Education to complete all of the Basic Course at a Regional Course of Study. Exceptions to this policy can only be granted by the General Board. Requests for this permission should be made to the DCoM registrar in writing. A copy of the request, accompanied by the decision of the DCoM shall be forwarded to the**

District Superintendent and registrar of the Conference Committee on Local Pastors for recommendation to the General Board.

I. North Texas Conference Policy Regarding ¶315 of the 2000 Book of Discipline:

1. Commissioned Persons and Licensing School:
When candidates for ordination are commissioned as probationary members of the North Texas Conference, their appointments include the issuance of a license for pastoral ministry, allowing them to perform the duties of pastor during their probationary/residency period. Attendance at Licensing School is not generally required as a prerequisite for commissioning; however, the Committee on Preparation and Qualification of the Board of Ordained Ministry may request that an individual attend Licensing School as a prerequisite for commissioning.

2. Certified Candidates and Licensing School:
All persons attending Licensing School who will serve within the North Texas Conference must be certified candidates prior to the beginning of Licensing School. In addition, each Licensing School student shall be explicitly recommended to attend Licensing School by his or her respective District Committee on Ordained Ministry.

3. Seminary Students and Licensing School:
To receive a License for Pastoral Ministry in the North Texas Conference, students must either attend Licensing School or have completed one third of their work for a Master of Divinity degree at a school of theology listed by the University Senate, including at least one course in homiletics. If deemed necessary and/or beneficial, the District Committees on Ministry reserve the right to require attendance at Licensing School for any or all candidates.

4. Course of Study Students and Licensing School:
In the North Texas Conference, all students enrolled in Course of Study School must have previously completed Licensing School successfully.

J. Psychological Testing and the License for Pastoral Ministry: Because all certified candidates in the North Texas Conference have undergone psychological testing, all persons seeking a License for Pastoral Ministry will have necessarily undergone this testing. Under no circumstance will a License for Pastoral Ministry be issued without the licensee having been previously tested.

K. Background Checks: All persons becoming eligible to serve as a Local Pastor in the North Texas Conference must clear a criminal background check, initiated by their respective DCoM.

L. Exceptions to Policy: The District Superintendent, the District Committee on Ordained Ministry, and the North Texas Conference Committee on Local Pastors shall jointly consider any exceptions to the **conference policies** on a case-by-case basis. Their decision is final. Exceptions to the policies of the General Board of Higher Education and Ministry can only be made by that board. Any request for an exception to existing policies shall be made in writing to the DCoM and forwarded with the

recommended action to the Chair of the Committee on Local Pastors for appropriate referral and/or action.

REPORT VII: DIVISION OF CONTINUING FORMATION

North Texas Annual Conference – Board of Ordained Ministry – Division on Continuing Formation.

"Throughout their careers, clergy shall engage in continuing education for ministry, professional development, and spiritual formation and growth in order to lead the church in fulfilling the mission of making disciples for Jesus Christ. This shall include carefully developed personal program of study augmented periodically by involvement in organized educational and spiritual growth activities." (*2004 Discipline*, ¶351)

The Division on Continuing Formation is responsible for setting minimal standards and specific guidelines for continuing formation (education) for members of the conference and insuring the availability of such programs. **Thirty contact hours/ (30 c.e.u.'s) are required per year.**

The following persons are eligible for continuing formation funds:

1. Clergy members in full connection and under appointment by the NTC.
2. Diaconal ministers employed full-time in a local church or agency of the NTC.
3. Full time local pastors under appointment in the NTC.
4. Commissioned ministers under appointment in the NTC.

All continuing formation events shall first be approved by the applicant's PPR or equivalent Committee, and the district superintendent will send an approval form to the division chair (attached, email "signature" acceptable). Continuing formation events shall fit into the applicant's goals for continuing formation as stated in the Charge Conference report.

Funds are made available to the Division through the Ministerial Education Fund apportionment, 25% of which is returned to the conference for use by the Board of Ordained Ministry. *Funds for continuing formation are **not** an entitlement.*

The Division will give scholarship/grant priority to group events sponsored by/in the NTC. These events may be planned by a district or a cluster of professionals or be events designed by a UM agency in the bounds of the Conference. To receive funding, events must be approved by the Division at least 6 months prior.

Continuing formation grants for individuals attending programs of study outside NTC are made as funds are available. The Division recommends that each local church or agency provide a continuing formation allowance of not less than 3% of the conference equitable salary.

Continuing formation grants *may* be approved for up to 1/3 the total cost of an event. It is recommended that the applicant pay 1/3 and the local church or agency pay 1/3. Exceptions to this guideline will be based on need and available funds. Priority consideration will be given to applicants who have not previously received grants. Individual grants will not exceed $1000 over a three-year period. Continuing formation grants are not available for aid in any degree programs (i.e. DMin, MDiv).

Applications are available online on the North Texas website, from the district offices, and the chair of the Division.

The Committee on Transfer Review shall be composed of the chairpersons from the following committees: 1) The Committee on Conference Relations; 2) the Committee on Preparations and Qualifications; 3) the Committee on Probationary Membership (Residency); and 4) the District Superintendent serving as the Cabinet representative to the Board of Ordained Ministry.

REPORT OF THE ORDER OF ELDERS

"As members of the Order of Elder, all elders are in covenant with all other elders in the annual conference and shall participate in the life of their Order." ***The Book of Discipline.***

As Elders in the United Methodist Church we are members of the Annual Conference and are in a covenantal relationship with one another! I hold before us again the words of ¶333.1 of The *Book of Discipline:* ***Elders in full connection with an annual conference by virtue of their election and ordination are bound in special covenant with all the ordained elders of the annual conference...They live with all other ordained ministers in mutual trust and concern and seek with them the sanctification of the fellowship."***

It has been my honor and pleasure to serve as the Chair of the Order of Elders, this past Quadrennium. I have been humbled that my colleagues placed this sacred trust with me to represent them throughout the North Texas Conference. I have tried to represent the concerns of the Elders of our Annual Conference to the best of my abilities in the areas of planning and executing the various activities and opportunities for our growth and development. Being a part of the planning team for the Bishop's Retreat helps to ensure that there is a venue for growing, resting, bonding and regrouping as we come together with all of our clergy sisters and brothers in our Annual Conference. Also serving on the Clergy Excellence Team helped to provide a voice and champion of effective pastoral ministry in the North Texas Conference. This enabled us to seek ways to under gird one another in our covenantal relationship as we support each other in ministry as well as holding one another accountable in our calling.

In these past few years, we have seen the interview process by our Board of Ministry become more hospitable and welcoming for our candidates as a result of our suggestions four years ago. It warms my heart to hear from candidates about how disarming and relaxing the atmosphere is as they move through our process of interviews. On that note, I would like to take this time to welcome into the Order of Elders all those who are being ordained this Annual Conference Session and pray that we will grow together in love, support and in ministry!

Let me say thanks for your support during these past four years. I am so grateful! You have been awesome and one could not ask for a better group of elders with which to serve. As we continue to live out our covenantal relationship within our Annual Conference, please keep one another in prayer! Now, may the grace of God continue to bless our covenantal life together as Elders in the North Texas Conference.

May God bless you and your ministries **REAL** good!!!

Humbly submitted,
Tyrone D. Gordon, Chair
The Order of Elders (2004-2008)

2008 REPORT OF THE ORDER OF DEACONS

In the 2007-2008 Annual Conference Year the Order of Deacons of the North Texas Conference has met four times. In October Rev. Georgjean Blanton led us in a workshop focusing on Spiritual Disciplines, providing renewal and refreshment of soul to all who participated.

In January the Order gathered at the North Texas Food Bank for a day spent packing food boxes to be sent to area food pantries, and putting together food kits to be sent home in backpacks with school children who are participants in free school lunch programs. We discovered that these backpacks of juice, trail mix, fruit strips, pudding cups and milk boxes may be the only sustenance many of these children will receive over a weekend. It was an important time for us, as an Order, to extend our service to others, living out our covenant vow to serve those in need.

On April 14th the Order met for a fellowship lunch followed by a Service of Prayer for The United Methodist Church, for the General Conference, for all of its delegates, and also for our Board of Ministry as it entered into a time of discernment about those whose names would be put forward as new chairs of the Orders of Deacons and Elders for the new quadrennium. We give thanks to our Provost, Jim Dorff, for serving as celebrant in that Service of Prayer, so that we might participate in the sacrament of Holy Communion.

On April 25 the North Texas Order of Deacons joined hands with the Central Texas Order of Deacons and the General Board of Higher Education and Ministry to sponsor a luncheon for all the Deacons and Diaconal ministers who were delegates and attendees at General Conference. Our Order provided wonderful "goody-bags" filled with chocolate and sticky notes, and numerous other items to provide a small lift for our Deacon delegates to General Conference. And each bag had been created with words and drawings by young children in the North Texas Conference!

When I first entered ministry as a Diaconal Minister in 1979, I yearned for ordination, for the validation of the Church for my ministry. I never thought I'd live to see that possibility. Then, in 1997, our Conference ordained 14 of us into this new thing called "the Order of Deacons." At General Conference 2008 I experienced something else I thought would never happen in my lifetime. The General Conference granted limited sacramental authority to Deacons for the mission of the Church, with very specific guidelines. Now, following the guidelines laid out for us, a Deacon serving as a hospital chaplain will be able to offer the sacraments to patients in their care. A Deacon serving in a homeless shelter, under the proper circumstances, can baptize the children of a homeless woman. A Deacon leading a mission trip in a far-away place may

celebrate Holy Communion with those in service and those being served. The mission of the Church, to make disciples for Jesus Christ, for the transformation of the world, may be enhanced through the ministry of Deacons. Please don't let anyone tell you that this is a means of "cheap grace," a way to have sacramental authority without itineracy. It is not. This authority is not primary among the responsibilities of the Deacon. It is *truly* for limited use, for the missional purpose of the Church! But it makes it easier for Deacons to be "bridge-walkers," extending the Table and the Font to places where they might otherwise be inaccessible.

North Texas Deacons will gather as an Order again on Tuesday, June 10, over lunch, to celebrate the commissioning of Shawn Bakker and Stacey Pell, the retirement of Leslie Stephens and Rita Yoes, and the ordination of Lydia Pellikan. At that time the Order will also elect a new Chair of the Order for the next quadrennium. (Debbie Chapman)

I have served as the Chair of the North Texas Order for six years, and it is now time to pass the mantle on to new leadership. Over these years our Order has grown in numbers, in spirit, and in purpose. The Order itself is now eleven years old. We're in our second decade. Just as one moves from childhood into adolescence, headed for maturity as an adult, so the Order of Deacons in North Texas is growing into its self-understanding. We're learning to recognize and articulate our calling to ministry as *distinct* from that of the Elder. We know we are called to serve God in par*ticular* ways, both within and outside the Church. We know we are to be "bridge-walkers," walking from church into world and back again, developing leadership within the Church, leading the way into the world, offering Christ at every turn.

It has been my privilege to serve as Chair of the North Texas Order of Deacons for this season. It is now with gratitude for the opportunity to serve that I pass this mantle on. It is with a prayerful and hopeful heart that I look forward to a continuing "Future With Hope" for the Order of Deacons in ministry in North Texas.

Respectfully submitted,

Josephine (Jo) M. Biggerstaff
Chair, North Texas Conference Order of Deacons May 14, 2008

BOARD OF PENSION AND HEALTH BENEFITS

HEALTH BENEFITS POLICIES

June 2008

INTRODUCTION

The North Texas Conference provides a conference health insurance program designed to provide its eligible employees (defined herein) with a comprehensive plan for major medical insurance. The program is administered through a group plan overseen by the conference Board of Pension and Health Benefits. The North Texas Annual Conference participates in HealthFlex, the health benefits program of the General Board of Pension and Health Benefits of The United Methodist Church.

All full-time clergy appointed to local churches within the conference or as District Superintendents or to the conference staff (ordained elders, deacons in full connection, deacons on track to become elders, commissioned persons on track to become elders or deacons, full-time local pastors, members of other conferences or denominations appointed according to Paragraphs 346.1 or 346.2) **are required** to be enrolled in the conference health insurance plan and their respective church or salary-paying unit is responsible for the premium for the appointee. Coverage for spouses and dependents is optional, and the premium for an appointee's spouse and dependents is the responsibility of the appointee.

ELIGIBILITY

The following are eligible for coverage under the program and in accordance with the adoption agreement between the North Texas Conference and The General Board of Pension and Health Benefits:

1. Ordained elders and deacons and commissioned persons on track to become elders or deacons (including those with full conference membership, probationary membership and associate membership), and full-time local pastors appointed full-time to local churches within the conference and their eligible dependents.

2. Clergy serving as district superintendents and conference staff.

3. Clergy from other United Methodist annual conferences and ordained ministers from other denominations employed full-time and under episcopal appointment to a local church or charge of the North Texas Annual Conference under the provisions of Paragraphs 346.1 or 346.2 of the 2004 *Book of Discipline.*

4. Clergy appointed beyond the local church within the connectional structure to a General Agency, to other than a unit of a conference or other than a General Agency, an ecumenical agency and extension ministry endorsed by the General Board of Higher Education and Ministry under the provisions of Paragraph 344.1a(2), 344.1a(3), 344.1a(4) and 344.1b, only if they are listed specifically in the annual GBOPHB adoption agreement.

5. Clergy appointed to Leave of Absence or Sabbatical (eligible for one year only).

6. Diaconal ministers appointed full-time to local churches within the conference.

7. Lay persons who are full-time (at least 30 hours per week) employees of the annual conference and their eligible dependents.

8. Full-time (at least 30 hours per week) lay employees and their eligible dependents of local churches or connectional agencies in the North Texas Annual Conference which offer the conference group insurance program to all of their full-time lay employees, if the church has a sub-adoption agreement with the General Board of Pension and Health Benefits and meets the 75% participation rule.

9. Retired clergy members of the conference immediately eligible to receive pension from the General Board of Pension and Health Benefits at the beginning of the month following the month in which the retired relation takes place, and who had a minimum of five (5) continuous and consecutive years of active participation in the North Texas Annual Conference group health program at the time of retirement, and their respective dependents. Retired Clergy can retain future rights to HealthFlex coverage if at the time of retirement coverage was declined because the clergy had other employersponsored group health insurance.

10. Disabled clergy members of the conference (who were enrolled in HealthFlex at the time of their disability) immediately eligible to receive disability benefits from the General Board of Pension and Health Benefits at the beginning of the month following the month in which the disability leave with disability benefits takes place, as granted by the Division of Conference Relations, and their respective dependents.

11. Retired lay employees of the conference or a local church within the conference at the beginning of the month following the month in which the retired relation takes place, and who had a minimum of five (5) continuous and consecutive years of active participation in the North Texas Annual Conference group health plan at the time of retirement, and their respective dependents, if the church selects that category in the sub-adoption agreement with GBOPHB.

12. Disabled lay employees of the conference or a local church within the conference (who were enrolled in HealthFlex at the time of their disability) at the beginning of the month following the month in which the disability leave takes place as granted by the General Board of Pension and Health Benefits, and their respective dependents.

13. Surviving dependents of a deceased active participant as long as the participant and dependent were covered participants at the time of death.

14. Surviving dependents of a deceased retired participant as long as the participant and dependent were covered participants at the time of death. If the surviving dependents declined coverage at the time of the participant's retirement due to having other **employer-sponsored group health insurance,** that dependent retains future rights to coverage as long as the other employer-sponsored group health remains in effect.

15. Eligible dependent children include any unmarried child under the age of 19, unmarried full-time students under the age of 25, including all natural, legally adopted and step-children for whom the participant has court ordered legal guardianship. Children who do not live with the participant can be eligible as long as the participant is responsible by legal decree for the majority of financial support.

16. A divorced spouse of an active participant is eligible provided the participant is responsible by legal decree for the majority of financial support of the former spouse or specifically responsible for the medical or other health care expenses of the former spouse.

17. Continuation health benefits are available for a period of nine months for any participant who becomes ineligible. The plan and premium is the same and is billed directly to the participant. Notification of ineligibility must occur within 30 days and application for continuation benefits must occur within 60 days of becoming ineligible and the continuation benefits begin the day after the participant became ineligible.

Eligible persons must complete a HealthFlex enrollment form and return it to the conference Office of Administration within 30 days of their date of hire, date of newly acquired eligibility or family status change. Family status changes which allow late enrollment are: birth, death, marriage, divorce, or loss of other coverage. There is also an open enrollment period every year in November for coverage to begin in January of the following year.

MEDICAL BENEFITS PROGRAM FOR ACTIVE PARTICIPANTS

A Preferred Provider Organization (PPO) plan is the base plan for active participants and their dependents. This plan is currently administered by Blue Cross/Blue Shield of Illinois. The lifetime maximum coverage for each eligible insured and eligible dependent shall be limited to $3,000,000. Prescription drugs are covered for active participants through Medco and the prescription plan has an annual deductible and co-pay amounts for three tiers of drugs. A mail order program is also available to obtain 90-day supplies of maintenance drugs at a lesser cost and is required for all maintenance prescriptions.

Mental health and chemical dependency benefits are provided through United Behavioral Health (UBH). A participant must call UBH at 1-800-788-5614 before receiving inpatient or outpatient treatment either in-network or out-of-network. There is also a Pastoral Consultation Hotline for clergy available for both active and retired clergy at no charge. The number is 800-842-2869.

Vision benefits are available through VSP. A basic vision examination is provided and discounts for eyeglasses and contact lenses are available.

Term life insurance is provided through Hartford Life and Accident Insurance Company as a part of the health benefit. The amount of insurance is as follows: $5,000 for lay employees; $10,000 for all other clergy to age 65; $5,000 for clergy age 65 to 70; $1,000 for clergy over age 70. This benefit is for both life insurance and accidental death, dismemberment and loss of sight. Dependent insurance is provided in the following amounts for covered dependents: $2,000 for spouses; $1,000 for children ages 6 months to 25; $100 for children ages 14 days to 6 months.

Medical Reimbursement Accounts (MRA) and Dependent Care Accounts (DCA) are also available to active participants through Ceridian. A participant may select annual MRA/DCA amounts between $300 and $5000 to be deducted by the salary paying unit on a monthly basis as a salary reduction. This money may be used for medical expenses which are not covered by the plan such as deductibles, co-pays, dental, vision and other qualified costs. The DCA may be used to pay for qualified child or parent daycare expenses. Forms to be used to submit claims are available at www.gbophb.org or in the conference Office of Administration.

CONFERENCE FUNDING POLICIES FOR ACTIVE HEALTH BENEFITS

1. The entire premium for full-time clergy appointed to local churches within the conference or as district superintendents or to the conference staff (ordained elders, deacons in full connection, deacons on track to become elders, commissioned persons on track to become elders or deacons, full-time local pastors, members of other conferences or denominations appointed according to Paragraphs 346.1 or 346.2) is to be paid by the local church or salary paying unit.

2. The premium for the appointee's spouse and dependents is the responsibility of the appointee. An optional agreement may be made between the church or salary paying unit and the appointee for the church or salary paying unit to pay the family premium.

3. The Conference will pay the premium for lay employees of the annual conference. The premium for dependents is the responsibility of the employee.

4. Responsibility for the premium for eligible lay employees of local churches or institutions within the connectional structure will be determined by the employer and the employee.

5. The Conference pays the active premium for disabled clergy members of the conference who were appointed to a local church or as district superintendent or to the conference staff and were enrolled in HealthFlex at the time of disability. Approval by the Division of Conference Relations and eligibility to receive disability benefits from the General Board of Pension and Health Benefits is also required. Payment begins the month following the month in which the disability leave with disability benefits takes place. The premium for dependents is the responsibility of the clergyperson.

6. Subsidies are available on a sliding scale for those churches whose pastor's Total Compensation is below the Denominational Average Compensation for the appointee's premium and those pastors whose compensation is below the DAC for their dependents. A written application must be submitted to and approved by the appropriate District Superintendent. Only those appointed full-time as "pastor-in-charge" are eligible for this supplement. The guidelines for application are as follows:

Guidelines for 2008 Health Insurance Supplement Applications

1. Local churches must submit to their district superintendent a written application signed by the Pastor (Staff) - Parish Relations Committee chairperson and the Administrative Council/Board chairperson for appointee supplements.

2. Pastors must submit to their district superintendent a written application for dependent supplements.

3. The pastor's Total Compensation for Insurance Supplement Eligibility (line IX from the 2008 Ministerial Compensation Report turned in at Charge Conference) must be below $56,044 (the 2008 Denominational Average Compensation).

4. If the need exists in the judgment of the district superintendent and funds are available, appointee supplements may be awarded to churches on the following scale (annual amount shown - paid monthly):

Pastor's Total Compensation	% DAC	Church Pays	Amount of Supplement
$56,044 and above	100%	$7,656	$0
$56,043 - 53,242	95%	7,273	383
$53,241 - 50,440	90%	6,890	766
$50,439 - 47,637	85%	6,508	1,148
$47,636 - 44,835	0%	6,125	1,531
$44,834 - 42,033	75%	5,742	1,914
$42,032 - 39,231	70%	5,359	2,297
$39,230 - 36,429	65%	4,976	2,680
$36,428 - 33,626	60%	4,594	3,062
$33,626 and below		4,594	3,062

5. If the need exists in the judgment of the district superintendent and the funds are available, dependent supplements may be awarded to pastors on the following scale (annual amount shown - paid monthly):

Pastor's Total Compensation	% DAC	One Dependent		Two or More Dependents	
		Pastor Pays	Amount of Supplement	Pastor Pays	Amount of Supplement
$56,044 and above	100%	$6,816	$ 0	$10,608	$ 0
$56,043 - 53,242	95%	6,475	341	10,078	530
$53,241 - 50,440	90%	6,134	682	9,547	1,061
$50,439 - 47,637	85%	5,794	1,022	9,017	1,591
$47,636 - 44,835	80%	5,453	1,363	8,486	2,122
$44,834 - 42,033	75%	5,112	1,704	7,956	2,652
$42,032 - 39,231	70%	4,771	2,045	7,426	3,182
$39,230 - 36,429	65%	4,430	2,386	6,895	3,713
$36,428 - 33,626	60%	4,090	2,726	6,365	4,243
$33,626 and below		4,090	2,726	6,365	4,243

6. If the pastor's Total Compensation for Health Insurance Supplement Eligibility is above $56,044, but extraordinary circumstances exist in the judgment of the district superintendent, an appointee supplement may be awarded to the church and/or a dependent supplement may be awarded to the pastor at the lowest level on the scales above if funds are available. Likewise, superintendents are not obligated to award any supplements even though an applicant may be eligible, if they determine that no need exists.

7. District superintendents are asked to distribute these Guidelines and the supplement application forms to churches and pastors who may be eligible as soon as possible. Additional application forms will be available in the District and Conference Offices.

8. District Superintendents are asked to fax or mail the approved Health Insurance Supplement Application Forms to the Office of Administration by December 1 of each year. No supplements will be processed until the approved Application Forms are received in the Office of Administration. Forms received after the deadline will be processed for the following month's billing and they will not be done retroactively.

9. All supplements cease when a pastoral change occurs. New applications are to be submitted to the Office of Administration by the 5th day of the month following the move. A supplement may be processed one month retroactively only in the event of a move.

MEDICAL BENEFITS PROGRAM FOR RETIRED PARTICIPANTS

The conference medical benefits program for retired participants, dependents and surviving spouses assumes participation in Medicare Parts A and B. The program is designed to extend certain benefits beyond what Medicare pays and, in addition, provide a pharmacy benefit and other additional benefits not covered under Medicare. It is assumed that all retired participants shall enroll in Medicare Parts A and B at their own expense. The amount of conference funding available to clergy that opted out of Social Security and consequently are not eligible for Medicare, and their dependents and surviving spouses, will not exceed that of those who have Medicare benefits.

Clergy in the retired relationship with the annual conference who continue to work full time continue in the active plan. Retired clergy who opted out of Social Security and their dependents and surviving spouses continue in the active plan if they continue working.

A dependent spouse may be eligible for HealthFlex retiree benefits even if not a covered dependent at the time of the participant's retirement. If the spouse is covered by another **employer-sponsored group health insurance plan,** he/she may decline HealthFlex coverage while still maintaining future rights to coverage. The retiring participant may also decline HealthFlex coverage at the time of his/her retirement while maintaining future rights to coverage if he/she can be covered under a spouse's **employer-sponsored group health insurance plan.** Future coverage rights can be exercised at any open enrollment opportunity or within thirty days of losing the other employer-sponsored group health coverage as long as the other coverage was maintained up to the day the HealthFlex coverage is to begin.

The divorced spouse of a retiree may retain coverage or future rights to coverage as described above if it is declared in the divorce decree that the participant is responsible for health coverage or is responsible for a majority of the financial support of the divorced spouse. Future rights to coverage will end when the specified period in the legal decree has expired or upon the death of the participant (providing the decree provides for termination of the participant's responsibility at that time).

A new spouse or dependent acquired by a retiree after retirement is not an eligible dependent with the exception of a dependent child gained through court ordered legal guardianship.

After retirement, if a retiree, dependent or surviving spouse terminates HealthFlex coverage, they will no longer retain any future rights to coverage.

CONFERENCE FUNDING POLICIES FOR RETIREE HEALTH BENEFITS

The North Texas Annual Conference through its Insurance Subsidies apportionment shares the funding of the health benefit for eligible retired clergy participants, dependents and surviving spouses with the retirees and spouses.

(1) For those eligible clergypersons enrolled in the conference health insurance plan who retire after January 1, 2003, and their eligible spouses, the conference will pay from 15 - 50 % of the HealthFlex Medicare Supplement Plan 2 premium for those retiring at age 65 (or full retirement age) based on their years of ministerial service (which qualify for retirement credit) in The United Methodist Church in which they were appointed to a local church or within the connectional structure as defined in the 2004 *Discipline* Paragraphs 344.1(a)(1) and (2), or partial years of like service for less than full-time appointments, as follows.

Years of Service (full time equivalent)	% of Med. Supp. 2 Premium Paid
0 - 4	0
5	15 %
6	16 %
7	17 %
8	18 %
9	19 %
10	20 %
11	22 %
12	24 %
13	26 %

14	28 %
15	30 %
16	32 %
17	34 %
18	36 %
19	38 %
20	40 %
21	42 %
22	44 %
23	46 %
24	48 %
25 or more	50 %

For those eligible clergypersons enrolled in the conference health insurance plan who retired before January 1, 2003, and their eligible spouses, the North Texas Conference will continue to pay 50 % of the HealthFlex Medicare Supplement Plan 2 premium.

(2) For those clergy who retire who are at least 62 years of age (but not 65) or have 35 years of service, and their eligible spouses, the conference will pay the same benefit as for those in the Regular Retirement category above (15 - 50 % of the Medicare Supplement Plan 2 premium). These participants will pay the remainder of the Medicare Supplement Plan 2 premium (50 - 85 %) plus the difference between the active plan (which they must be on until they are eligible for Medicare) and the Medicare Supplement plan. Those retiring under "the twenty year rule" (i.e., are not 62 and have at least 20 years but not 35 years of service) are eligible to remain on the conference insurance plan. These participants must pay the entire active premium until they reach 65 (or full retirement age). At that time the conference will pay the same level of benefits as for those in the Regular Retirement category above.

(3) For retirees who continue to serve local churches in the North Texas Conference the conference will pay the same benefit as for those in the Regular Retirement category above (15 - 50 % of the Medicare Supplement Plan 2 premium for both retiree and spouse) and the retiree will be responsible for the balance of the premium (50 - 85 % of the Medicare Supplement Plan 2 premium) for retiree and spouse. The retiree will be required to pay any additional cost due to the employment (i.e., the difference between the active plan which the working retiree might have to be on according to the anti-discrimination laws and the retiree plan) for the spouse. (A local church or other salary paying unit can opt to pay the participant and spouse's cost.) The local church employing a retired participant will be required to pay any additional cost due to the employment (i.e., the difference between the active plan which the working retiree might have to be on according to the anti-discrimination laws and the retiree plan) for the retiree.

(4) Surviving spouses of deceased retired clergy are eligible for coverage as long as the participant was a covered participant at the time of death. The health plans available to surviving spouses are the same as those available to retiree participants and conference funding is the same as for the retiree.

(5) The health plans available to retired Diaconal Ministers are the same as for retired clergy and the conference funding is the same as for retired clergy.

(6) The health plans available for retired lay employees of the annual conference are the same as for retired clergy. Conference funding for the retired lay employee of the annual conference with 10 or more years of service (not including spouse or dependents) is based on the same scale of service as that for retired clergy beginning at the 10 years of service level.

(7) Retired lay employees of a local church or qualified agency within the conference are eligible to participate in any of the health insurance plans available to retired clergy, if the church or agency has a sub-adoption agreement with the GBOPHB. The premiums are the same as for the retired clergy, but the responsibility for payment remains entirely with the retired lay participant.

ADMINISTRATIVE PROCEDURES

Enrollment material can be obtained from the conference Office of Administration. Enrollment forms must be completed, signed and returned to that office within 30 days of the employee's date of hire or family status change. If the 30-day time period is not met, an election of "No Coverage" is assigned **(although the salary paying unit is still responsible for payment of the appointee's premium in the case of mandatory categories of participants)** and the employee would be eligible for coverage at the next open enrollment opportunity. Upon receipt of enrollment forms, the General Board of Pension and Health Benefits will inform the insurance provider and the participant should receive election material and appropriate insurance cards within a reasonable period of time.

The monthly health insurance billing is mailed to the appropriate local church, agency, or individual on the 1st of each month and the payment is due in the conference office by the 20th of that month. Premiums not received by the next billing period are considered "past due"and so marked on the next month's bill. Termination procedures begin for any accounts more than 60 days in arrears. District Superintendents are informed each month of those churches with past due balances.

Participants will receive annual election materials each fall prior to the Open Enrollment period from the General Board of Pension and Health Benefits with instructions for changing or maintaining health coverage for the next calendar year. GBOPHB will also provide claim forms, MRA and DCA forms at the beginning of each calendar year. Additional forms may be obtained at www.gbophb.org or from the conference Office of Administration.

Denial of benefits policies and appeals procedures are those of the HealthFlex insurance carrier and GBOPHB.

RETIREE MEDICAL LIABILITY

In 2002 the North Texas Conference took initial steps to establish a plan to fund our liability for promised retiree health insurance benefits. An update to the Retiree Medical Liability Funding Plan may be found in Section IX., LA 16. We continue to be confident that we will be able to provide the benefits promised to our retirees and spouses as well as our active participants.

PROPERTY AND LIABILITY INSURANCE COMMITTEE

We are now in the second year of our conference-wide Property and Liability Insurance program through UM PACT. All of our churches, fellowships, campus ministries, camp and retreat centers, and other ministries are enrolled.

This conference-wide insurance program is a Property and Liability All-Lines program. Our churches are getting their Property Insurance, General Liability, Umbrella Liability, Auto, Hired and Non-Owned Auto, Directors & Officers Liability Insurance including Employment Practices Liability, and Workers Compensation coverage in this way. Our Total Insured Property Value is just over $965,000,000 and our total annual premium is $4.9 million.

The conference Property & Liability Insurance Committee, which was created two years ago, meets regularly and is functioning well. We report periodically to CF&A and our conference Board of Trustees.

The Committee has begun to review our claims data and consider where we need to increase our Ministry Protection efforts. Claims are being handled professionally by Zurich North America, with assistance as needed from the PACT Service Center and the conference office. We have already experienced the benefits of working together on liability claims.

We are working to increase our ministry protection efforts. We have begun distributing Ministry Protection Memos from PACT, as well as encouraging our church leaders to participate in PACT Ministry Protection webinars. Tom Christian, our Associate Director of Administration for Property & Ministry Protection, has made a significant beginning in the important work of visiting our churches for this purpose. In addition, professional appraisers will be visiting some of our churches this year and others in future years. It is our goal to have updated appraisals for all of our churches at least every five years.

Conference staff continue to do the things necessary for the program to function: maintaining all of the churches' data in CONNECT (PACT's online data storehouse which the churches themselves can keep up-to-date if they wish), distributing Summary of Coverage booklets, issuing proof of insurance cards for church vehicles and for other needs, making the necessary updates to the Statements of Value for the churches, etc. Tom Christian and Carolyn Bryels, our Administrative Assistant for PACT, are working closely with our churches and the PACT Service Center on your behalf. We want to thank them for all of their hard work.

The North Texas Conference is well-represented on UM PACT's Board of Directors. Bill Baxley, a lay member from Christ UMC, Plano, serves as the independent director on the Board, and Dr. Marvin Guier serves as the President and Chairman of the Board of UM PACT.

We reiterate what we said previously about how important this conference-wide property and liability insurance program is not only to the annual conference, but most importantly to all of our churches. Each one of our churches needs to be concerned about the adequacy of coverage, as well as the ministry protection efforts, of every other church in the conference. This is how we can do that. We've seen it work the way it is supposed to and are already experiencing the benefits of doing this together as the church.

Property & Liability Insurance Committee

METHODISM'S BREADBASKET

Mission: Methodism's Breadbasket shares Christ's blessing with those in need of food, clothing and resources to help our neighbor.

Sharing the Bread of Life

Methodism's Breadbasket began in 1970 as a response of the North Texas Conference of United Methodist Churches to address the issue of hunger in the community. We thank God that the vision became a reality! In 2008 Breadbasket continues to provide emergency services to those in need. Throughout the years we have been blessed to receive contributions from different resources and we are so very grateful to those who continue to support our mission. With this support, we are now able to have two part-time employees who provide case management for families. We also continue to work with other community service agencies to provide assistance in areas such as literacy programs, legal aid, and health services. Having access to these resources is beneficial to our clients and their need to improve their quality of life. Over the past years, we have experienced a growth in volunteerism, funding support, and food drives from various churches within the conference.

Methodism's Breadbasket is housed in southeast Dallas, in the Zan W. Holmes Community Life Center of St. Luke *"Community"* UMC. In 2007 we provided service for over 4,000 people. This total includes our daily food and clothes pantry services; Back to School Backpack & School Supply Drive, sponsored and supported by Highland Park UMC, Cornerstone ministry; Thanksgiving Food Baskets, sponsored and supported by University Park United Methodist Church, outreach ministry; and our *Christmas Giveaway.*

We are proud to be **Methodism's** Breadbasket, a mission of the North Texas Conference and we are especially grateful to have been chosen as the 2008 VIM recipient. We would like to acknowledge those who have been instrumental in helping Breadbasket feed & clothe our neighbors in need:

METHODIST CHILDREN'S HOME

Methodist Children's Home is nearing our goal of serving 1,000 at-risk children and youth. This will be the culmination of our strategic plan and provide an opportunity to establish a new goal. If

we are to become the most redeeming, faith-based childcare organization in the nation, we must continue to challenge ourselves. The at-risk children in our society need us to remain vigilant and not become complacent. Supporters like those we have in the North Texas Conference will help the Home do even greater things for our children.

The Home benefits from the hard work of our staff, the faithfulness of our benefactors, and partnerships with churches committed to the vision and mission of the North Texas Conference. The Home invites congregations and individuals within the conference to align with our ministry as we seek to change the lives of at-risk children. Guided by our core values of Christian Principles, Relationships, Responsibility, Growth, Service, and Hope, the Home has recently accomplished the following for the glory of God:

- Provided services for nearly 1,600 children during the year.
- Expanded to meet the needs of more than 800 young people in daily care.
- Successfully reached the first of three annual matching gift campaigns to provide resources for expansion opportunities as they become available.
- Expanded the services offered through our Dallas Outreach Office.
- Explored opportunities to provide services in Sulphur Springs.

The future will provide the Home with as many, if not more, opportunities to positively impact the lives of children, youth, and families in Texas and New Mexico. For example, during the spring of 2008, the Home served 51 high school seniors. Each student worked with the staff in our Transition Services Program to develop plans to pursue advanced education or employment. Some of these graduates will attend college on MCH scholarships, while others will benefit from our resources to enter a trade program or obtain a career certificate. All will have opportunities to continue their growth and success.

Our staff remains passionate about our work with young people. We will be ready to meet these new challenges in order to help change lives and, in the process, empower our children to one day be productive members of society and this faith community.

We are grateful for the leadership and support of the North Texas Conference. Our achievements in the past, and those yet to come, are directly related to the men and women who give their time, talents, and resources to bless our children. We are grateful to the following individuals for their service on the Home's Board of Directors:

Dr. J. Clayton Oliphint, Board Chair, Richardson, TX
Mrs. Patsy Johnson, Sulphur Springs, TX
Dr. Ouida Lee, DeSoto, TX
Mr. Blake Moore, Plano, TX
Mr. Scott Wallace, Dallas, TX

Our strong relationships and common goals help us do great work for God's glory. At least every four years, Methodist Children's Home asks the annual conference to affirm our statement of covenant relationship. The Home is grateful for the faithful and ongoing support provided by the North Texas Conference.

MMH Ministry

Today, the mission of Methodist Mission Home is to serve people who are experiencing major life transitions so they may reach their goals and realize their dreams. MMH fulfills this mission through the following programs:

- **Family Services** has placed 5,680 children into loving homes through domestic, older child, and international adoptions. We provide counseling for birth parents and adoptive families throughout the adoption process. Our maternity services include campus housing for pregnant teens and young women considering adoption. Post-adoption counseling is available for birth parents, adoptive families, and adoptive children. "Is Parenting Harder Than You Thought?" provides training through our Parenting Alternatives curriculum to teach teens and the professionals who work with at-risk youth about the alternatives to parenting – adoption and voluntary foster care.
- **The Southwest Center for Higher Independence (SCHI)** For many teens, graduation from high school means moving on to college. For students with multiple disabilities, college is not always the next step. For these young adults, ages 18 and older, SCHI is the next step. Established in 1974, SCHI was founded as a transitional education center for people who were deaf and hard of hearing. Today, our services have expanded to accommodate more diverse disabilities, including high functioning MR, autism, Aspergers, cerebral palsy, and learning disorders. SCHI has assisted hundreds of young adults with disabilities in learning the vocational and life skills to achieve their personal best.
- **The Genesis Cooperative** is a self-supporting collaboration of five nonprofit agencies on the MMH campus serving youth and young adults with disabilities, pregnant teens and young women, women recovering from substance abuse and their children, and adults who are deaf/blind.

2007 Year in Review

- Family Services served 70 pregnant teens and young women considering adoption, 21 resided in our 13-bed Maternity Center. 28 babies and children were placed with loving adoptive families. 60 adoptive families were served.
- The "Is Parenting Harder Than You Thought?" initiative trained 97 professionals who work with at-risk youth, trained 22 teens in the Parenting Alternatives curriculum, and received 7 intake calls. Next year, this initiative expects to increase the impact on reducing child abuse and the number of children in state foster care through education and resource referrals to at-risk teens.
- SCHI, Southwest Center for Higher Independence, served 63 students with a monthly average enrollment of 35 young adults with disabilities from across Texas and the U.S. The customized transitional education for young people with multiple disabilities, such as hearing impairment, learning disorders and physical disabilities helps them to overcome barriers and achieve their personal best through vocational and life skills training.
- The Genesis Cooperative partners participated in campus community activities and events, such as Easter & Thanksgiving church services, Las Posadas, and Fall Festival. In collaboration with the San Antonio Food Bank, we have provided a basic culinary training program for 22 SCHI students that opens the door for job placement in a commercial kitchen.
- The past 6 years, Methodist Mission Home has extended hospitality to our neighbors, both near and far, to accomplish our mission. Many of our residents emerge from the isolation of being considered "different" within their families, neighborhoods, and communities. Our MMH community welcomes them as one who has unfulfilled potential. As a result, Methodist Mission Home has been transformed into a vibrant, interactive community – a place where our neighbors are empowered and enriched in their spiritual and physical lives.

METHODIST HEALTH SYSTEM

The covenant relationship that exists between the North Texas Conference and Methodist Health System (Methodist) proudly reaffirms that the care of the sick and injured as well as the education of people to care for them are important ministries for our community.

Beyond that, the Church and Methodist influence each other in many areas. Central to the values and mission of Methodist is the commitment to provide direct services on behalf of the Conference, such as pastoral care and educational opportunities, and to render charity services including those provided through the Golden Cross Program. These activities are designed to reflect a continuing commitment to Christian life and learning. The bishop, Methodist ministers, and laypersons carry out leadership roles on Methodist's governing and advisory committees. Methodist Health System treats all people with respect and dignity. It strives to conduct its ministry of caring and healing in a compassionate way that brings recognition and credit to the United Methodist Church.

Methodist Dallas Medical Center is a 525-bed hospital located just southwest of downtown Dallas. It serves as the teaching and referral hospital of Methodist Health System. Among Methodist Dallas Medical Center's many areas of expertise are cancer treatment, cardiology, day surgery, emergency/trauma care, gastroenterology, intensive care, maternity, neonatal intensive care, neurosciences, orthopedics, outpatient services, radiology, transplantation, and urology. The Methodist Dallas Transplant Institute has performed almost 2500 procedures since its founding in 1981, including adult kidney, pancreas, and liver transplants. Methodist Dallas Medical Center made medical history in 1992 when it performed the world's first successful simultaneous heart-kidney-pancreas transplant.

Methodist Charlton Medical Center, with 254 beds, serves the residents of the suburban communities in southwest Dallas County. Methodist Charlton provides a variety of exceptional programs, including cancer treatment, cardiology, day surgery, emergency care, general medicine and surgical care, radiology, fertility, and women's services. Methodist Charlton is currently undergoing a $116 million renovation, adding a new patient bed tower, additional surgical services, and physician offices. The renovation will be complete by summer 2009.

Methodist Mansfield Medical Center opened in December 2006 and offers high-quality care to the growing areas of Mansfield and the surrounding communities. The hospital features 80 private rooms and offers services including cardiology, women's services, dialysis, full service radiology, sleep studies, and advanced ER and surgery facilities.

Methodist Family Health Centers extend family health care and general medical services into the surrounding communities of Cedar Hill, Mansfield, and Grand Prairie. Methodist Midlothian Health Center offers diagnostic imaging to serve the needs of the growing Ellis County community. The newly opened 40-bed Methodist Rehabilitation Hospital, in affiliation with Centerre Healthcare, provides inpatient and outpatient physical rehabilitations services for patients recovering from traumatic brain injury, trauma, stroke, orthopedic surgery, and other conditions. A partnership between Methodist and area physicians, the 16-bed Methodist McKinney Hospital is currently under construction planned for completion in Fall 2009.

Together in fiscal year 2007, Methodist Health System:

- Treated 37,902 adult and pediatric inpatients
- Delivered 6,311 babies
- Performed 14,882 inpatient and day surgeries
- Treated 140,571 trauma and emergency room patients
- Recorded 30,340 visits in the teaching clinics

Our commitment to the people in our community is represented by the number of activities and services we provide. The beautifully renovated Methodist Dallas Medical Center Golden Cross Academic Clinic trains medical residents in obstetrics and gynecology, internal medicine, and general surgery, while providing quality care for disadvantaged families. Other important programs include: Senior Access which provides health-related services and information to over 37,000 area seniors; Methodist's Mobile Mammography program which provides early detection and treatment for breast cancer to underserved women; The Methodist Prostate Cancer Screening and Awareness Program which provides education and early detection for prostate cancer for minority men. The program has screened over 49,000 men since 2000, more than any other hospital-based program in the US; and Methodist's Congregational Health Ministry which provides health resources to churches in our community. Methodist is also one of the founding members of CareFlite air and ground ambulance. Methodist annually exceeds the 5 percent charity care ratio

required by the state for non-profit organizations. Our hospitals provided $68.9 million in uncompensated charity care in 2007, or 12.7 percent of net revenue.

The crosses that are featured as part of the architecture of each Methodist hospital symbolize the caring and concern that are the daily standard of service for Methodist Health System. Methodist laypersons are encouraged to become active participants in the programs and services provided by the hospitals through auxiliary activities, participation in the volunteer services programs, or through service as a Golden Cross Advocate. Every United Methodist congregation is also urged to become an active participant in the Golden Cross Program by contributing one dollar per member annually. Together, with the North Texas Conference, Methodist Health System will continue to serve as a beacon of Christian caring throughout the region.

GOLDEN CROSS

"Golden Cross is a faith-based program of Methodist Health System and the North Texas Conference of the United Methodist Church. Its purpose is to provide health care to persons who cannot afford it."

Golden Cross Program Mission Statement, revised, November 2005

For over 80 years, the Golden Cross Program at Methodist Dallas Medical Center has been a powerful ministry of the entire North Texas Conference. The program brings together Methodist congregations, dedicated physicians, and caring individuals to provide medical care for those in need.

At its inception, the Golden Cross ministry founders sought to revolutionize the delivery of health care for the people of North Texas. Guided by that original vision and mission, board members of the Golden Cross Division of Methodist Health System Foundation are charged with governing and directing the Golden Cross ministry. The Golden Cross Board is comprised of dedicated men and women from Methodist congregations throughout the North Texas Conference. Over the years, as the needs of our community have changed, so too has the Golden Cross ministry. Through resourceful initiatives such as the Methodist Dallas Medical Center Golden Cross Academic Clinic, the program has served thousands of North Texas residents and will continue to serve thousands more.

In 2005 the Golden Cross Board voted to align the Golden Cross ministry with changing community need. Based on the increasing crisis of uninsured residents, high prescription drug prices, and the challenges of chronic disease management, the unanimous recommendation of the board was to allocate available Golden Cross funds in 2006 for the development of a prescription medication program. Called MedAssist, the program will serve patients of the Methodist Dallas Medical Center Golden Cross Academic Clinic.

Through this innovative program, patients who qualify will receive medications at no cost. Social services, nutrition services, and education programs will also be funded to help patients remain well and active at their workplaces and in their communities. Short-term counseling services will be provided when needed to help patients learn better ways to cope with chronic illness. The Golden Cross Board will review the program each year to determine the benefits and the appropriateness

of continued support with these funds. To learn how to access these services, you may call the Golden Cross Academic Clinic at 214-947-6700.

The Golden Cross Board takes seriously its responsibility to continuously improve, as well as manage the sacred trust that donors throughout the past 85 years have come to expect. Golden Cross must have your support to carry on its mission. Each church is encouraged to commit to or maintain the pledge of one dollar per member. Our goal is to strengthen this ministry so that the next 85 years will continue to be marked by the revolutionary spirit of our founders.

The following list indicates churches of the North Texas Conference that contributed to Golden Cross. Those marked with an *asterisk signify the churches which met the original goal of $1 per member in 2007:

MOUNT SEQUOYAH CONFERENCE AND RETREAT CENTER

"Celebrating, serving, preparing...we invite you to be open with us, to what God can do."

This heartfelt and challenging statement ended the jurisdictional institution report delivered to delegates and attendees during the 2004 South Central Jurisdictional Quadrennial Conference. The actions taken by the Mount Sequoyah Board of Trustees, and the support and increased attendance of Methodists from all Conferences across the Jurisdiction show a renewed commitment to revitalize the nine-decade mission and the programs of ministry of the Mount Sequoyah Conference and Retreat Center. Our continued purpose of eighty-six years is to partner in fulfilling our church's mission to make disciples of Jesus Christ for the transformation of our world.

In 2008, we report the response to program changes made during the past 36 months. During 2003, three jurisdiction-wide Methodist training events were held at the campus of Mount Sequoyah. Beginning in July 2006 and extending through December 2007, fifty-eight jurisdictional and national events for Methodist laity and clergy leadership met at Mount Sequoyah. When

comparing the number of guests using the facilities at Mount Sequoyah, we see that 2,200 guests registered to use Mount Sequoyah for meetings and training events or for retreats in 2004. During each of the past two years, Mount Sequoyah hosted just fewer than 12,000 individuals registering for events and programs, and personal retreats. Methodist laity and clergy gather at Mount Sequoyah for discipleship training; for renewing their soul, and for energizing their focus for being a disciple of Jesus Christ actively participating in transforming our world.

Significant increase in leadership training programs saw a surge in attendance from laity leadership and clergy from the North Texas Conference and from other conferences across the South Central Jurisdiction. Some of these programs are: a first annual conference for young UM clergy; on-going New Church Leadership Institute for new church development; clergy for interim training conferences; Jurisdictional Song Writers Workshop Weekend; Senior Adult Leadership Training; Jurisdictional Singles Retreat; Bishop led United Methodist studies training for persons entering United Methodist ministry; Laity initiatives included Lay Speaking Ministry Conferences; a healthy lifestyles "train the trainers" seminar for leadership from each of the fifteen SCJ conferences; marriage retreats; youth ministry training; the environmental Caring for Creation Conference with national recognized leadership. In early 2007, Mount Sequoyah hosted the first meeting between national VIM Conference coordinators and the Disaster Relief Coordinators. This meeting was planned and sponsored by the GBOGM.

Meetings, training sessions, and ministry partnerships held at Mount Sequoyah in past months have reintroduced the Mount Sequoyah mission of service and hospitality to the national training and executive staff members of the general boards and agencies of the United Methodist Church. Mount Sequoyah has recently hosted international meetings for The Middle East and Islamic Studies International Symposium; Vision Conquista, Partners of the Americas; Leadership for college and university student leaders; and regional Emmaus walks.

Physical renovations to the campus facilities and grounds continue to be a priority. The Martin Building interior meeting and classrooms rooms have been renovated with new ceilings, better lighting, and furnishings. Forty-six buildings have new exterior paint and most building interiors have received a fresh refurbishing. Several hundred volunteers gave their time and skills for thousands of hours of labor to include the renovation of the eleven lodging units in the New Mexico and Sequoyah Cottages. The Nebraska Conference has begun to renovate the four-unit facility named for that Conference. Lodging facilities that once "sank hearts" are now show-piece renovations. We offer a special thank you to the volunteers from the many conferences who worked on these important Mount Sequoyah projects.
A significant recent gift, by a local hotel developer, benefits Mount Sequoyah with new furnishings to complete each sleeping room. New bed linens and drapes are also in every room. This gift of hotel room furnishings is valued at over $300,000.

The serenity and beauty of this historic campus continue to provide our South Central Jurisdiction with a very unique urban training and meeting facility. A new facilities master plan has been approved by the Trustees and provides leadership with a vision for what this ministry at Mount Sequoyah can offer to United Methodists across the Jurisdiction and around the world.

Mount Sequoyah will heed the call to action and partner in the new and exciting direction for our Church. Mount Sequoyah will continue to provide a place to help disciples of Jesus Christ to understand and to act on God's call for transformational ministry.

Respectfully submitted,

PERKINS SCHOOL OF THEOLOGY

The mission of Perkins School of Theology at Southern Methodist University is to prepare women and men for faithful leadership in Christian ministry. As an official school of theology within the South Central Jurisdiction, it is part of our strategy to continue to prepare leaders for the North Texas Annual Conference by focusing this year on four key areas – formation, faculty, finances and facilities.

The first step in forming faithful leadership for the church of Jesus Christ is to partner with the church to identify those called to ministry, particularly the ordained and pastoral ministry. To this end Perkins welcomed persons dedicated to this task, including Herbert Coleman, who joined us as our new director of Recruitment.

Formation for faithful leadership not only requires attention to identifying those called to the pulpit and other pastoral ministries, but to preparing the next generation of Biblical scholars, theologians, ethicists, church historians and practical theologians, such as teachers of preaching and pastoral care. Perkins has taken steps to increase financial and faculty support for its Graduate Program in Religious Studies, and has partnered with other schools of theology to support the Hispanic Theological Initiative to fund Latino and Latina students, both at the Ph.D. and master's level.

Regarding our own teachers, our graduates tell us that the quality of our 35-plus member faculty is one of the most valuable assets which students encounter here at Perkins. Every time we conduct a search for a new faculty member, it is our goal to enhance the quality of teaching and research for the good of the church and its mission. This past year we welcomed Professor of New Testament, Sze-Kar Wan; Associate Professor of Christianity and Cultures, Hugo Magallanes; Assistant Professor of Church History, Jessica Boon; Associate Director of the Intern Program, Barry Hughes; and Director of Bridwell Library, Roberta Schaafsma. We said farewell to Professor of New Testament Jouette Bassler, who retired last summer, and will soon bid *adios* to Edwin Sylvest, Associate Professor of History of Christianity and director of Extension Learning, who will retire after 38 years at Perkins.

We were also pleased to welcome as director of Development Rev. Todd Rasberry, who is working to raise the necessary funds for the scholarship support of our students, the operation of our programs and the maintenance and improvement of our facilities. Only 50 percent of our needed revenue is generated by tuition, the other half is generated by our endowment earnings and the support of local congregations through the United Methodist Ministerial Education Fund. The support of the North Texas Annual Conference has helped fund for conference students the Perkins Annual Conference Endowment Grants, which in this past academic year provided on average an additional $1200 per student from the North Texas Annual Conference beyond the general aid and scholarship awards.

Finally, to prepare leaders for the church requires appropriate facilities in which to teach. To those ends on September 7, 2007 we broke ground on a building and renovation project that will increase the number of classrooms, add a dedicated preaching laboratory, and provide state-of-the-art educational technology, as well as address accessibility and environmental needs and concerns. We look forward to the opening of the new Elizabeth Perkins Prothro Hall next year, with all renovations in our existing buildings on the SMU campus completed in time for Fall 2009 classes.

With this focus on formation, faculty, finance and facilities, we are confident that Perkins will continue to form leaders for the North Texas Annual Conference and The United Methodist Church who will have the theological, spiritual, and practical preparation to move the church toward its

mission of proclaiming the Gospel, and welcoming and gathering persons into the body of Christ, that the church may be one, and the world might be transformed.

Grace and Peace,
William B. Lawrence
Dean and Professor of American Church History

SOUTHERN METHODIST UNIVERSITY
PRESIDENT'S REPORT TO THE ANNUAL CONFERENCES
THE UNITED METHODIST CHURCH
February 2008

SMU continues to advance among the nation's major private universities as it moves toward the Centennial celebration of the University's founding in 1911 by the Methodist Episcopal Church. Listed below are some highlights of the past year:

- SMU's total fall 2007 enrollment was 10,829, including 6,176 undergraduates and 4,653 graduate and professional students. The minority enrollment is 21 percent of the student body. The average SAT score of the first-year class rose nearly 80 points in the last seven years.

- The campus community gained strong new leadership in the past year. New administrators include Paul W. Ludden, provost and vice president for academic affairs, previously at the University of California, Berkeley; Lori S. White, vice president for student affairs, coming from the University of Southern California; Christine Casey, vice president for business and finance, from the University of California; James E. Quick, associate vice president for research and dean of graduate studies, from the U.S. Geological Survey; and David Chard, dean of the School of Education and Human Development, from the University of Oregon. Roberta A. Schaafsma, formerly at Duke Divinity School Library, is the new director of Bridwell Library at Perkins School of Theology.

- Perkins School of Theology broke ground in September for a major expansion of its facilities. The building program includes extensive renovation of two classroom and office buildings and construction of a new building to be named in honor of Elizabeth Perkins Prothro. The Perkins-Prothro family of Wichita Falls, Texas, provided the lead gift of $6 million for the project. The Texas Methodist Foundation, through anonymous donors, has committed $1.4 million toward the $13.1 million project, which to date has received gifts and pledges of approximately $11.1 million from nearly 300 donors.

- A $20 million gift from Harold C. and Annette C. Simmons of Dallas provided endowment for SMU's School of Education and Human Development and the lead gift for a new building to house the School. The School was renamed the Annette Caldwell Simmons School of Education and Human Development.

- A $10.1 million gift from the W.W. Caruth Jr. Foundation at Communities Foundation of Texas endowed the Caruth Institute for Engineering Education at SMU and provided the lead gift toward a new engineering building.

- Other recent major gifts include $5 million from Dallas business leader Edwin L. Cox to support merit-based undergraduate scholarships in the school that bears his name — the

Edwin L. Cox School of Business; a $3.3 million bequest from the estate of Catherine Perrine to fund scholarships and an endowed chair in the Department of English; and $3.6 million from Caren Prothro and the Perkins-Prothro Foundation to support teaching and research in the Department of Biological Sciences.

- SMU has added new Ph.D. programs in English, emphasizing English and American literature; and in Education, focusing on literacy, language and learning. This brings to 25 the number of fields offering doctorates at SMU.

- David J. Weber, the Robert and Nancy Dedman Professor of History at SMU, was inducted into the prestigious American Academy of Arts and Sciences last fall. SMU Statistical Science Professor Wayne Woodward received the United Methodist Church University Scholar/Teacher of the Year Award for 2007.

- Perkins School of Theology conducted a conference for scholars and pastors on *Albert Outler and the Wesleyan Spirit* in conjunction with SMU's annual Ministers' Week in January 2008. The conference examined contributions of the late Perkins professor, who influenced countless pastors and academicians worldwide during his more than 25 years at SMU.

- Andy Roberts, formerly associate pastor in Georgia, became director of the SMU Wesley Foundation in July. The Foundation's ministry includes Wednesday night services of contemporary worship, teaching and prayer in Perkins Chapel; weekly small group gatherings for Bible study, fellowship and prayer in student residence halls and apartments; and weekly community lunches. Plans are underway for a mission trip to Ghana in summer 2008.

- In accordance with *The Book of Discipline of The United Methodist Church*, one-half of the members of SMU's Board of Trustees are United Methodists, including three bishops of the South Central Jurisdiction (currently Bishop Scott Jones, Kansas Area; Bishop Alfred Norris, North Texas Conference; and Bishop Ann Sherer, Nebraska Area). Current trustees include pastors Kirbyjon Caldwell of Houston and Mark Craig of Dallas, as well as laity of the denomination.

- SMU's Board of Trustees benefits from the diverse voices of *ex officio* members representing faculty, students and alumni, who rotate annually. This year's *ex officio* members are Gary Evans, Faculty Senate president; Andrew Galloway, student representative; and Connie O'Neill, Alumni Association president.

SMU treasures its Methodist heritage and its ongoing relationship with The United Methodist Church. We ask your continued prayers and support as SMU moves forward in the coming year.

Kansas City, Missouri 64127
www.spst.edu

Saint Paul School of Theology is a seminary of the United Methodist Church that educates persons for leadership in the ministry of the church, which is called to be the continuing incarnation of Jesus Christ. In the fall of 2007, 303 students from 22 states, Korea, and the United Kingdom were enrolled in degree programs at Saint Paul School of Theology. The Course of Study School at Saint Paul served 277 students from 23 annual conferences.

Saint Paul was awarded a $70,000 grant from the Wabash Center to fund faculty development in pedagogy for the next three years. The project will specifically address teaching three distinct groups of students: digital natives and distance learners, students with diverse learning styles and abilities, and diverse racial/ethnic generations.

Dr. Nancy Howell, Professor of Theology and Philosophy of Religion, and Dr. F. Douglas Powe, Jr., Assistant Professor of Evangelism, received the Faith as a Way of Life Award focusing on pastoral excellence from Yale Divinity School for their Advanced Praxis Seminar, *Theology in Black and White.*

The seminary's partnership with Hyupsung University in Hwa-Seong, South Korea to offer a Korean Doctor of Ministry track in "Wesleyan Spirituality and Congregational Renewal" began June 2007 at Hyupsung University. In January 2008, the students met for classes at the Saint Paul campus in Kansas City.

Saint Paul announces a new Doctor of Ministry degree track in Wesleyan Spirituality, Leadership, and Congregational Renewal to begin January 2009. Students will work as a cohort, combining academic study, practice of spiritual disciplines, and communal collaboration.

A diverse coalition of organizations came together to provide $14 million in medicines to the Democratic Republic of Congo. The efforts of Saint Paul School of Theology, Kansas City, Mo.; The United Methodist Church of North Katanga; United Methodist Committee on Relief (UMCOR) and others brought the shipment February 2 to Kinshasa. The airlift is the culmination o f the efforts of Rev. Jim Glass, Vice President for Development and Dr. Pamela Couture, Vice President and Dean at Saint Paul School of Theology. Dr. Couture has been working in the North Katanga area to document oral history surrounding the peace building efforts following the Congolese War.

The Boards of Trustees at both Oklahoma City University and Saint Paul School of Theology approved the plan to establish an extension Saint Paul site at Oklahoma City University. The first phase of the accreditation is complete.

New faculty books include *Child Poverty: Love, Justice, and Social Responsibility* by Pamela Couture (Chalice Press, 2007), *What's the Shape of Narrative Preaching? Essays in Honor of Eugene L. Lowry* edited by Mike Graves and David J. Schlafer (Chalice Press, 2008), *Preaching Matthew: Interpretation and Proclamation* by Mike Graves and David May (Chalice Press, 2007), and *Formation in Faith: The Congregational Ministry of Making Disciples* by Sondra Matthaei (Abingdon Press, 2008).

The trustees, faculty, staff, and students of Saint Paul thank you for your interest, prayers and support.

SOUTH CENTRAL JURISDICTION

This is the year of Jurisdictional Conference and representatives will gather at the Hilton Anatole in Dallas, July 16-19, 2008. During this time four new bishops will be elected and assigned across the Jurisdiction. Hopefully a number who live within easy driving distance will visit the Conference and view the process of electing a bishop.

We are grateful for the contributions given to the Apportionments during 2007. The total payout was 92%, which was about the same as 2006.

Hope to see you in Dallas.

TEXAS UNITED METHODIST COLLEGE ASSOCIATION OPENS DOORS FOR FIRST GENERATION STUDENTS

A large number of students attending one of The United Methodist Colleges and Universities in Texas are first generation college students. As scholarship recipients, under the auspices of the Texas United Methodist College Association, these students are furthering their Christian higher education because of the generosity of United Methodist congregations across Texas.

Through the apportionment in the Annual Conferences in Texas, each local congregation is asked to support TUMCA Scholarships. Scholarship recipients are United Methodist students from Texas congregations. Every TUMCA scholar personifies United Methodism's historic commitment to "knowledge and vital piety."

When TUMCA scholars share their "thank you" witness in their home congregations, a common testimony emerges. "I could have never attended a United Methodist School if it were not for United Methodist scholarship assistance!" These students are depending upon, and thriving, because of the church's commitment, "We will be there for you in every stage of your life."

TUMCA scholars, for over fifty years, have gone on to become the leadership core of congregations and conferences as pastors, laity, youth ministers and community leaders. Generous giving for scholarships for these committed students continues to open doors of achievement for over 100 TUMCA scholars each year. IN REPRODUCING ITS LEADERSHIP, THE CHURCH IS UNDERGIRDING ITS MISSION!

The North Texas Conference can be quite proud of the following TUMCA scholarship recipients:
Nicholas Altimier, Wylie UMC, Wylie, Lon Morris College

TEXAS METHODIST FOUNDATION

Report to 2008 North Texas Annual Conference
Tom Locke, President

The Texas Methodist Foundation's purpose "to empower the Church in the achievement of her God-appointed missions" was strengthened last year as our total assets under management grew to $330 million. The real significance of this figure is what it enables us to do – help build strong congregations, both financially and spiritually, so they can reach out in God's name to love their neighbor.

During 2007, the TMF Institute for Clergy and Congregational Excellence (formerly the Clergy Leadership Initiative) continued to provide a "safe" place for pastors to develop a community of mutually sustaining relationships and learn the skills required for self-care and competent, creative leadership in today's church with 83 pastors participating in nine Clergy Development Groups. Eight District Superintendents from around Texas and the 11 active Bishops serving in the South Central Jurisdiction were also involved in group processes. A critical need for strategic planning was addressed as well with support for teams of clergy and laity to focus on congregational discernment of God's purpose by developing Holy Conversations Communities of Learning.

Our Investment Services area continued to serve an increasing pool of individual investors with overall growth in the Individual Fund of $9.9 million during 2007. Individual Fund investments helped fund our current $259.7 million loan portfolio consisting of 430 loans to United Methodist churches and agencies for new construction, capital improvements, and expanded facilities to better serve their communities through ministry.

Our Grants Ministry refined its focus to give priority to programs that address the root causes of poverty. Grants totaling more than $2.2 million, including several significant gifts from donor advised funds to support the Perkins School of Theology building program, were funded in 2007. Other grant recipients include programs managed by local churches, community outreach centers, and conference ministries.

The Texas Methodist Foundation, located in Austin, serves United Methodist individuals, churches, and agencies within the five annual conferences in Texas and the Rio Grande Conference of Texas and New Mexico. We appreciate the opportunity to report the numerous ways we assisted United Methodists last year.

How can we help you to help others?

We are pleased to report to you the assistance we provided in 2007:

Within the North Texas Annual Conference:

- Loans from the Foundation to churches in the North Texas Annual Conference totaled $53.7 million.
- Churches and related agencies within the North Texas Annual Conference had $44.8 million invested with the Foundation's Methodist Loan Fund.

Throughout the state:

- As of December 31, 2007, total assets under management by the Foundation were approximately $330 million, up from $318.1 million at the beginning of the year.
- New Individual Fund investments of $9.9 million helped support the Foundation's loan program. The Methodist Loan Fund currently funds 430 loans to United Methodist churches and agencies. Our balance ended 2007 at $259.7 million.
- The TMF Institute for Clergy and Congregational Excellence ministry (formerly the Clergy Leadership Initiative) supported 83 pastors from the Texas annual conferences participating in nine Clergy Development Groups. Eight District Superintendents from around the state and the 11 active Bishops serving in the South Central Jurisdiction were also involved in group processes. The Institute conducted four special educational events attended by 63 pastors from the Texas annual conferences, focusing on ways to foster excellence in ministry.
- During 2007, the Foundation funded grants in excess of $2.2 million including several from donor-advised funds. These grants benefited a variety of programs managed by local churches, community outreach centers, and conference ministries. The Foundation's Grants Ministry gives priority to programs that address the root causes of poverty.
- Our Stewardship staff consulted on six capital campaigns, resulting in pledges totaling more than $6.5 million. They made more than 304 consultation visits to churches offering counsel and guidance in areas of specific need related to funding ministry. Stewardship staff also conducted 21 annual stewardship workshops in local churches and several district and conference level workshops.
- Our Development staff worked with more than 80 churches to help them initiate or revive Permanent Endowment Fund programs. Additionally, they worked with individual donors on planned gifts totaling more than $3 million to benefit United Methodist churches and agencies. Just over $1 million closed in 2007.

He had a deep and abiding faith in God, and his understanding that God loves all people drove everything he did. His ife's work included support of the civil rights movement, women in ministry and higher education. The General Board of Higher Education and Ministry established the Benjamin R. Oliphint Scholarship Fund of The Methodist Global Education Fund for Leadership Development to memorialize his "outstanding contributions in fulfillment of the education mission of The United Methodist Church."

The Scripture he selected for his memorial service perfectly summarizes his life and the faith he preached: "If we live, we live to God; and if we die, we die to God. So then, whether we live or whether we die, we are God's." Romans 14:8

Charles H. Standifer

The Rev. Charles H. Standifer, born February 17, 1917, passed away on November 18, 2007. Charlie was born during the time of World War I and his father, Dr. Charles H. Standifer, serving in that war sent him letters and cards from France. Charlie, as a young man, served in World War II and sent his son, Chuck, letters and cards where he served in England.

When Charlie returned to Texas after his time of service, he began working for Humble Oil Company in Dallas. After a short time, he began his own business of running a service station at the corner of Marsh and Walnut Hill Lanes. It was indeed, a "back to the future" service station where the windshield and windows were cleaned, the oil was checked and the mats were vacuumed as part of the service. It was a family business where Arveline, his wife, was the bookkeeper and son, Chuck washed cars and changed tires.

Charlie left the business world in his mid-fifties when he felt a call to become a minister. He attended Perkins School of Theology at Southern Methodist University when encouraged to do so by Rev. Tom Shipp, his pastor at Lovers Lane UMC. Upon graduation, he began in ministry as associate pastor at Lovers Lane. Later he was appointed to churches in Avery, Wilmer, Hutchins, Mabank, and finally at Southwood UMC. He and Arveline made many close friends at the various churches he served. Charlie was a "people" person; he always was interested in learning about and helping others.

After he retired from the ministry, he was an active volunteer with his wife, Arveline, at Seton Hospital, Westbank Library and in his neighborhood association. Charlie had a great sense of humor and enjoyed the fun time of his life. He will be greatly missed by his family and friends.

Left to cherish his memory is Arveline, his wife of 65 years, their son, Charles Thomas and wife, Margaret; two granddaughters, Elizabeth Aileen and Natalie Sloan Sayers and husband, Jay Sayer all of Austin, TX; one sister Margaret Fox and husband, Hewitt of Corpus Christi, TX and a host of nieces and nephews.

William Thomas "Bill" Stephenson

Rev. Bill Stephenson was born October 17, 1922. A native of Mt. Pleasant, TX, Rev Stephenson earned an Associate of Arts degree from Lon Morris College, a Bachelor of Arts degree from Southwestern University, a Master of Theology degree from Southern Methodist University's Perkins School of Theology and was awarded an Honorary Doctor of Divinity degree from Texas Wesleyan University. He received the Distinguished Alumni Award from Lon Morris College in 2003.

His love for and talents in music and theatre were nurtured during his youth, and he considered pursuing a career in the performing arts, yet changed course when called to the ministry during a church revival. Rev. Stephenson served 47 years in active ministry for the United Methodist Church. Licensed to preach in 1940, he was admitted in full connection to the Texas Conference in 1948, and transferred to the North Texas Conference in 1950. In 2007, he was honored to claim his 63rd seating at an Annual Conference.

Appointments included: Associate Pastor, University Park UMC, Dallas; organizing Pastor, Ridgewood Park UMC, Dallas; Pastor, First UMC Bonham, TX; Pastor, Oak Cliff UMC, Dallas; District Superintendent for Dallas-Greenville, Dallas Southwest and Dallas Northeast Districts; Administrative Assistant to Bishop; and Director of NTC Council on Ministries. He also served as Vice President of the Dallas Methodist Hospitals Foundation. Rev. Stephenson retired in 1993 and soon joined the staff of Highland Park United Methodist Church, serving as a member of the Pastoral Care staff until the time of his death. Bill was a charter member (1956) of the Wesley Study Group, a small group of NYT clergy who joined together to continue their desire to read and think beyond the seminary experience.

Bill served on many Boards including Methodist Hospitals of Dallas, C.C. Young Memorial Home, Wesley-Rankin Community Center, Interfaith Council of Thanksgiving Square, Greater Dallas Community of Churches, Mt. Sequoyah Assembly, and Lon Morris College Ex-Students Association. He was a Governor Appointed Public member of the State Board of Morticians, serving as president. When renamed the Texas Funeral Service Commission, he became chairman, the only person in the 85-year history of the agency to serve both as President and Chairman. A recipient of Boy Scouts of America Silver Beaver Award, he was also a member of Phi Delta Theta Fraternity and Life Member of Kiwanis International, serving as past President of two Dallas area Clubs, as well as Lt. Governor (Division 2).

During his years of ministry, Bill was selected for special service including Member of General Board of Higher Education and Ministry; Chair of South Central Jurisdiction Council on Ministries; and delegate to multiple Jurisdictional, General and World Methodist Conferences. His longtime support for the church's ministries in higher education led him to serve as member and chair of the Wesley Foundation Board for several area universities. Bill chaired the NTC Commission of Christian Vocations and served as member of the Conference Board of Ordained Ministry, chairing the Division of Chaplains and Related Ministries. As part of the Conference Board of Higher Education and Campus Ministry, he chaired the Community College Campus Ministry Committee. He served on the Board of Trustees of Saint Paul School of Theology in Kansas City, MO. In 1998, he was awarded the Francis Asbury Award for outstanding leadership in supporting, strengthening and promoting the Church's Higher Education Ministries by the General Board of Higher Education and Ministry.

Rev. Stephenson passed away July 1, 2007. He was preceded in death by his parents, two brothers and infant daughter, Dana Lynn. He is survived by his wife of 53 years, Alyce Blair Stephenson; daughters, Jill Stephenson of Dallas; Laurie Stephenson Caliguire and husband, Todd of Ridgewood, NJ and Sharon Boeye of San Antonio, TX; grandchildren, Sarah Kate Caliguire, Phillip, Jennifer and Chris Boeye. His lifelong ministry of love and compassion touched and influenced many. A service of celebration and thanksgiving was held July 13, 2007 at the Highland Park United Methodist Church, Dallas, TX.

Jill Stephenson, daughter

William D. "Bill" Swift

With his death on October 30, 2007, the story of Dean Bill Swift's life is writ. He was raised on a small tobacco farm in northern Tennessee without the benefit of indoor plumbing or running water. William D. Swift was known to his family by his middle name, Dewey. The sixth of eight children, he knew the "joys" of life behind a mule-drawn plow. As "High Point Man", he once led the Southside High School Dairy Cattle Judging Team to first place honors at the Tennessee State Fair.

During the Great Depression, Dewey watched his father walk three miles with a Red Cross issued bag of flour on his back, swallowing his pride so his family could eat. It was an odd background, perhaps, for a man who would finally retire in 1988 after a lifetime of helping young college students find their footing on the uneasy road to meaningful life.

Along the way, Dewey began to identify himself as Bill. He married, raised two children and carried his family on his own back, protecting it from illness, fear, and all the vicissitudes of this life on earth. He was the kind of husband who nurtured his marriage to the best of his ability for more than half a century. He was the kind of father who enjoyed the rapturous embrace of two little boys who raced into his arms at the end of every work day. He was simply, without exception, always there for us.

He was also always there for students from around the world who sought out higher education at the University of Kentucky, Southern Methodist University and Southwestern University. As Dean of Students at Southwestern, he earned the affection, admiration and respect of the administration, the faculty and the student body for almost a quarter of a century. According to Professor Bill Jones' *To Survive and Excel:* The Story of Southwestern University, 1840-2000, "Dean Swift was the first person employed at the senior staff level to handle student affairs. He more than any other person, was responsible for the development of a professional student life program with an underlying philosophy that continues to the present. A major premise of that philosophy was to involve young people in the decisions that govern their community life as students."

Bill steered student life on campus through the turbulent 1960's and 70's and he presided over the racial and cultural integration of the university, the fulfillment of federal equality requirements for women's athletics and the implementation of policies that prohibited discrimination against people with physical or mental disabilities. His success in the field of student life led to additional duties directing the university's admissions office and its athletic department.

In addition to his work in the field of student life, Bill obtained a Bachelor of Science degree in Naval Sciences and served four years in the United States Navy. Later he earned a Bachelor of Arts in Sociology and a Master of Divinity degree. He was an ordained Methodist minister and officiated at many marriages.

William Swift was preceded in death by his first wife, Elizabeth F. (Betty) Swift. Those who survive him include his second wife, Charlotte Taylor Swift, son Jim Swift and wife Kathy; son Tom Swift; grandchild Nathan Swift and wife, Katie; grand children Shayla, Elizabeth and Taylor Swift, along with "once-and-forever" step-grandchildren, Jessica McDavid-McCormick and Catherine McCormick.

His life was honored at a Memorial Service of Thanksgiving and Celebration on November 18, 2007 at Lois Perkins Chapel on the Southwestern University Campus, Georgetown, TX.

Joyce C. Nelson left our presence on earth peacefully on February 19, 2008 in Celina, TX. She led a full 84 years of life, mostly in Texas as a devoted sibling, daughter, wife, aunt, rancher, nurse and friend to many. Joyce was born on March 26, 1925 in Tioga, TX to Wallace Leslie and Lillian Maye Crelia. She was raised in Greenville, TX amongst three brothers and two sisters and attended Greenville High School. She then went on to Texas Tech to acquire a nursing degree. She used her nursing skills in the war years, where she met her husband, Lt. Col. M.L. Nelson, U.S. Air Force, who was a Methodist chaplain, and they enjoyed 51 years of marriage together.

She was an athlete as she competed in golf and bowling tournaments in Europe and the United States during their tour of duty with the Air Force. She also competed and won numerous horse barrel racing events after returning to Texas.

She and her husband brought the first Charlais cattle to the state of Texas from France, and ran a prosperous ranching operation, Tres Jolie Farms, in Celina for thirty- five years. Joyce enjoyed working at Texas Instruments as a head nurse for many years. She often hosted her nieces and nephews at her ranch in the summers, teaching them horse back riding, cattle ranching and how to drive a car. Arveline Standifer

Arveline Standifer, born August 29, 1919 passed away on January 10, 2008. She is preceded in death by her parents and her husband, Rev. Charles H. Standifer.

She graduated from Sunset High School in Dallas and attended the University of Texas in Austin where she was pursuing a degree in Journalism. During this time, she met her soon-to-be husband, Charlie Standifer. He proposed to her at the Castle House in Austin. Shortly after their marriage, Charlie was dispatched to England where he served in World War II. Their son, Chuck, was born while he was there. Charlie returned to Austin after the war and met his son for the first time who was two years old by that time. They settled in Dallas and started a family service station business

where Arveline worked as the bookkeeper. During this busy time, Arveline was the Cub Scout den mother and encouraged her son in all his other sports activities.

Charlie left the business world to become a minister. During the time her husband attended SMU Theology School, Arveline worked in the mail room there supporting her husband in his new endeavor as always. When Charlie was appointed to churches in Avery, Wilmer, Hutchins, Mabank and finally at Southwood UMC, Arveline was in her own mode of ministry as well serving in the churches and communities. She hosted open houses and ladies' circles, serving numerous meals, and participating in many Methodist "pot-luck" dinners. She was an active and attentive listener and helped as many people as she could with her kind and loving manner. She made many close friends in the churches and communities that they served.

After Charlie retired from the ministry, she was a volunteer with her husband at Seton Hospital, Westbank Library and in their neighborhood association. Arveline spent many hours with her grandchildren, Elizabeth and Natalie who she dearly loved. They enjoyed many "patio parties" with her, visits to the park to feed the ducks, and many trips to various theme parks and other children's events. She took care of other family members when the need arose without hesitation with her calm and gracious manner. She will be greatly missed by her family and numerous friends and lovingly remembered.

Arveline Standifer is survived by her son, Charles Thomas and his wife, Margaret; two granddaughters, Elizabeth Standifer and Natalie Sloan Sayer and husband, Jay Sayers all of Austin, TX; one brother, Tom Billings and wife, Marilyn of Houston; two sisters, Mary Ruth Robinson of Ft. Worth and Betty May and husband, Rollo of Dallas.

A Memorial Service to celebrate her life was held January 19, 2008 at Westlake United Methodist Church, Austin, TX. The Rev. Lynn Barton serves as Senior Pastor and Rev. Jim Austin is the Associate Pastor.

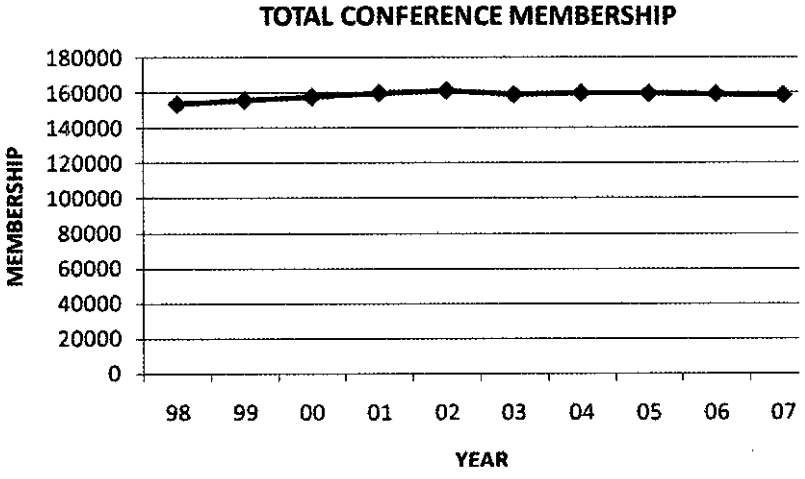
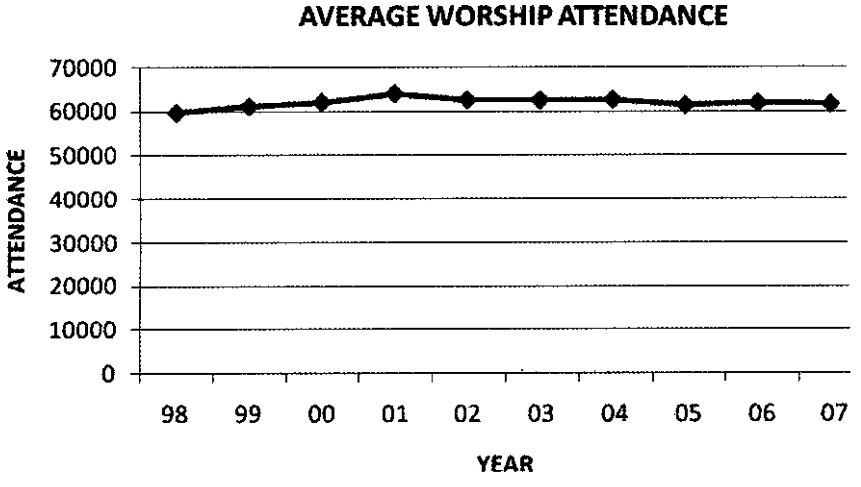
XVI. REPORT OF CONFERENCE STATISTICIAN

This year's statistical report must serve as a loud "wake-up call" for us. For the second time in the last three years, in 2007 the total conference membership, the average worship attendance and the average Sunday School attendance all declined.

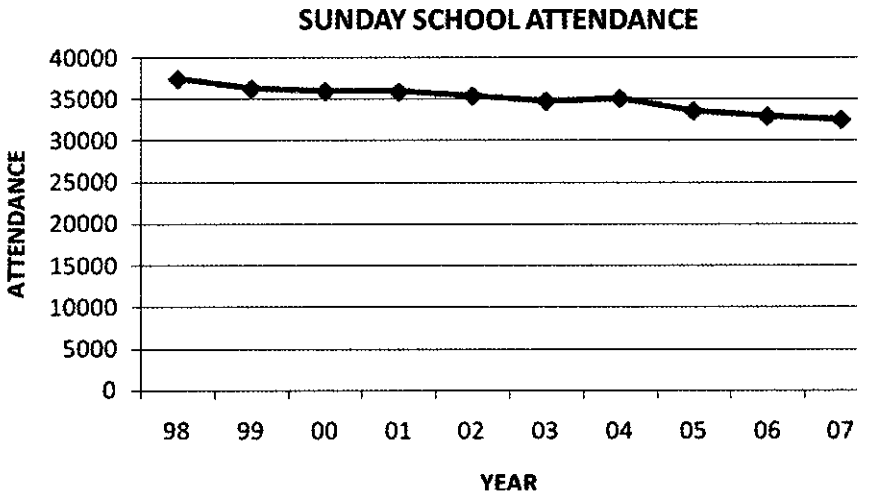
The total conference membership at the close of 2007 was 158,712, a decrease of 778 persons or 0.5% from 2006 and the third year of decline in a row. This decrease included a relatively high number of persons removed from church rolls by Charge Conference action again in 2007, although that number was less than the past two years.



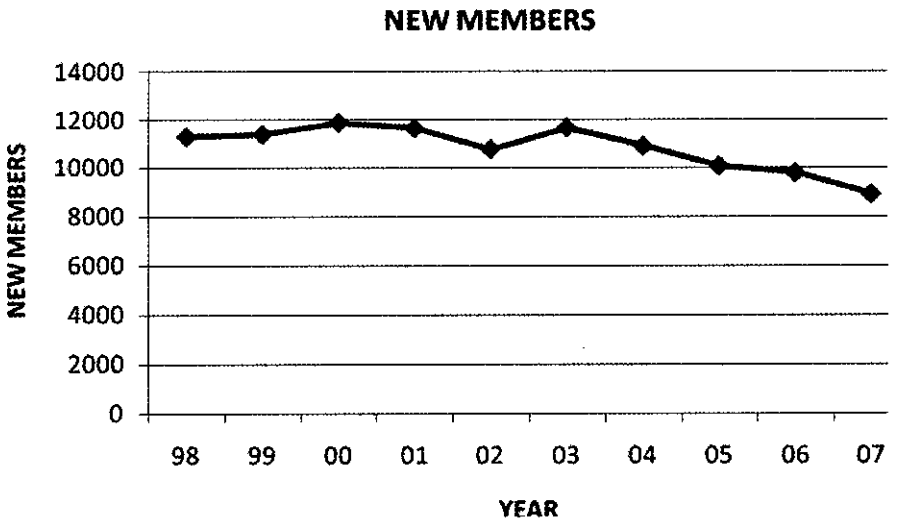
Average worship attendance also declined in 2007, decreasing by 270 persons or 0.4% to 61,626. The ratio between worship attendance and membership remained steady at 38.8%.



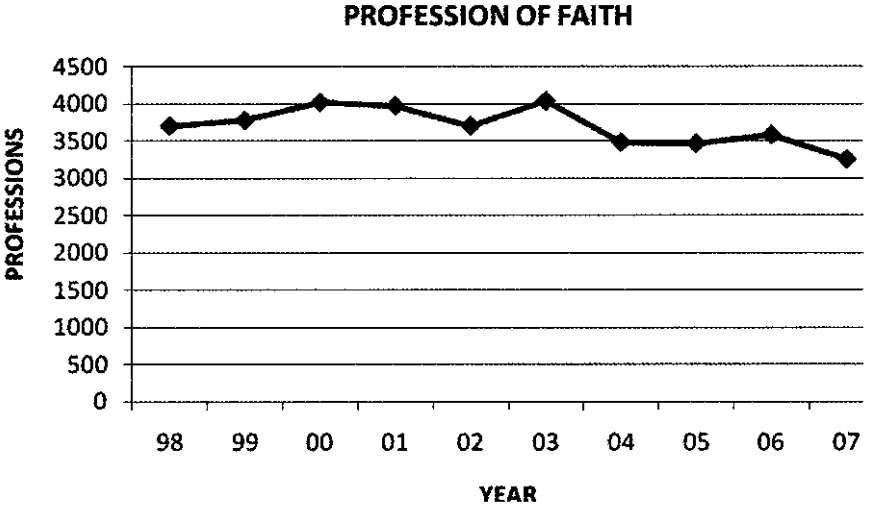
The average Sunday School attendance decreased for the third year in a row and the eighth time in the past decade to 32,537. This was a decrease of 409 persons or 1.2% from 2006 and a decline of 4,920 persons or 13.1% in the last ten years.



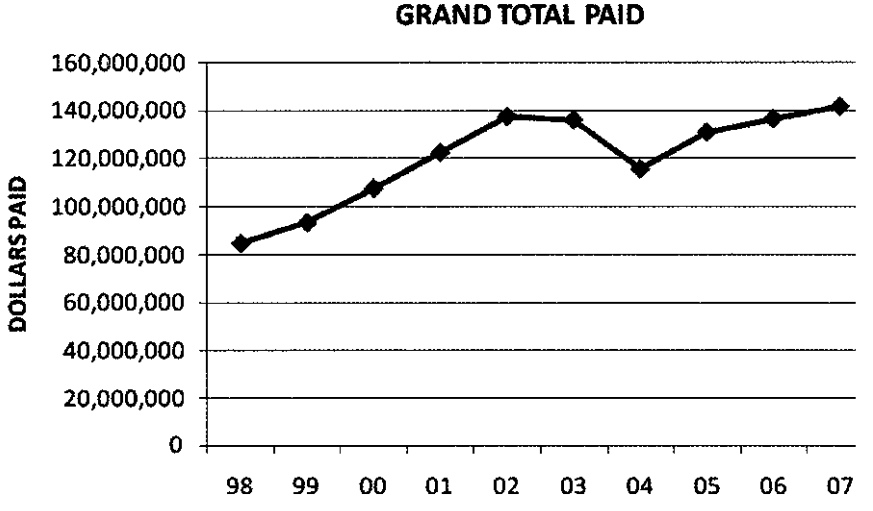
The number of new members received by our churches also showed a large decrease from 9,788 in 2006 to 8,916 in 2007, a drop of 8.9%. This was the lowest number of new members received in more than a decade.



Nonetheless, we give thanks for the 3,253 persons who came to know Christ and joined our churches by profession of faith in 2007, although that too represented the lowest number in a decade.



The last major statistic we will report from 2007 is that the grand total paid to all causes increased by 3.6% to $141,536,935. We continue to be thankful for the faithful generosity of United Methodists in North Texas.



While we have confidence in the strength and vitality of the churches of the North Texas Conference, this statistical report – more than ever before - calls us all to take notice of our situation, to be clear about our mission, and to redouble our efforts to make disciples of Jesus Christ for the transformation of the world.
