Called Executive Session – September 19, 2006

Called Executive Session
Central Texas Conference
September 19, 2006

Central United Methodist Church Waco, Texas

Bishop Ben Chamness called the Executive Session to order at 10:45 a.m. The Reverend David Atkins offered the Invocation, Reverend Connally Dugger led the singing of "Holy, Holy, Holy", and Bishop Chamness shared the opening devotional.

The Bishop called on Reverend Harvey Ozmer, Conference Secretary, who announced that registration had been accomplished. He named Reverend Steve Nance as Assistant Secretary for the called session and Reverend Sally Fleming as Head Teller.

The stated purpose of the meeting was "to deal with unfinished business of the Board of Ordained Ministry from the June 2006 Executive Session". Reverend Don Scott, Chair of the Conference Board of Ordained Ministry, stated that an Administrative complaint had been brought against Reverend Jerden Davis, and that Reverend Jerry Chism, chair of the Administrative Review Committee, certified the validity and correctness of the Board's procedures. Reverend Scott then clarified that no immoral act had been alleged against Reverend Davis. Reverend Scott then introduced Reverend Carol Woods, Chair of the Conference Relations Committee. Reverend Woods then shared a timeline of details leading to the complaint.

She then stated the following as the recommendations of the Board of Ordained Ministry:

> The Board of Ordained Ministry of the Central Texas Conference met April 18th regarding the matter of the complaint mailed to the Bishop on December 23, 2005 against Reverend Jerden Davis. The Board's recommendation to the Clergy Session of Annual Conference of the Central Texas Conference is as follows:
>
> 1. That Reverend Davis be placed on Administrative Location (paragraph 362.4 (11) of The Book of Discipline.)
> 2. That counseling be afforded to the complainant (until 30 years of age) and her family up to a total of $8,000. (Reimbursed by or billed directly to the Central Texas Conference).
> 3. That Counseling be afforded to Rev. Jerden Davis and his family with conference counselors up to a total of $8,000. (Reimbursed by or billed directly to the Central Texas Conference).
> 4. That after criminal trial concludes, the Bishop and District Superintendent work with complainant, her advocate, and her parents toward finding reconciliation with the River Oaks United Methodist Church.

Reverend Glenda Whitehead who served as the complainant's Advocate then read the complainant's statement. Reverend Charles McClure serving as Jerden Davis's advocate then read his statement. Following a time for questions and statements, Reverend Charles McClure gave a closing statement. Reverend Carol Woods then gave her closing statement. Reverend Michael Patison made a motion that the vote on the recommendations be taken by secret ballot. It was seconded and approved. It was noted that Recommendations 2 and 3 were approved at the June 2006 session.

The vote on Recommendation 1 was taken:

Total Ballots 215
Invalid – 3
Yes – 94
No – 117
Abstain – 1

Recommendation 1 failed.

Recommendation 4 was before the body. The vote was taken by a show of hands and Recommendation 4 was approved unanimously.

Bishop Chamness adjourned the session with the closing prayer given by Reverend John Robbins.

IN SUPPORT OF
THE NATIONAL PLAN FOR HISPANIC/LATINO MINISTRY

Whereas, the Hispanic-American population continues to increase at an annual rate of 3.3% to a total now of over 43 million persons and by 2005 it accounted for half of all the annual population growth in the United States; and

Whereas, the Hispanic American population is not only the fastest growing segment of the population but also the youngest with an average age of 27 compared to the national average of 36 years of age; and

Whereas the latest Bureau of the Census figures show that Hispanic/Latino population growth can be accounted equally from natural growth and immigration, and is found in urban, suburban, and rural sectors of the country as well as spreading across all regions of the country; and

Whereas, God and our Wesleyan heritage calls United Methodists as part of the Church of Jesus Christ to be in ministry with people of all races, nationalities, ethnic groups and social classes, and reach out to them with open doors, open minds, and open hearts; and

Whereas, many United Methodist annual conferences are working toward fulfillment of the National Plan for Hispanic Ministry's goals, including the development of faith communities and community ministries, new church starts and revitalization of established congregations, and the development of lay and clergy leadership to support and expand those ministries; and

Whereas, the Central Texas Conference annual conference have partnered with the National Plan to work together toward those goals through mission initiative grants, and the development of strategic implementation plans; and

Whereas, the general Council of Finance and Administration has reported a Hispanic/Latino United Methodist membership growth of 6% last year, the sixth consecutive year of such grow; and

Whereas, the National Plan is ready to respond to this fast growth of the Hispanic/Latino population through the resources, learnings and experience accumulated to date, and is proposing a renewed emphasis on resourcing annual conferences in the areas of new church starts, Non-Hispanic congregations reaching out to Hispanics, and assisting the United Methodist Church in addressing critical issues such as immigration and lay and clergy leadership development; and

Whereas, the South Central Jurisdiction has one of the fastest-growing Hispanic populations in the United States with more than 9,600,000, and one of the most culturally diverse Hispanic constituencies; and

Whereas, the Central Texas Conference area has over 600,000 Hispanics within its borders; and

Whereas, the National Plan for Hispanic/Latino Ministry continues to provide resources, facilitators, expertise and training for the Central Texas Conference Hispanic/Latino Ministries and local churches;

Therefore, let it be resolved that at the Central Texas Annual Conference, June 5th 2007, the Central Texas Conference affirms the continuation of the National Plan for Hispanic Ministry for the 2009-2012 quadrennium; and

Furthermore, let it be resolved that the Central Texas Annual Conference requests the 2008 General Conference to approve the continuation of the plan and provide sufficient funds to fulfill its goals.

The report was approved. Sam asked Jeff May to come forward from St Luke, Fort Worth, to share information about the church's Hispanic ministries' staffing. All those churches with some form of Hispanic Ministry were asked to stand. Sam stated that the large percentage of people standing represented the degree to which we are prepared for Hispanic Ministries in the future.

Jane called attention to the share program and encouraged members to participate fully. Rankin then

recognized Sharon Conger as she prepares to retire in September.
The report was approved.

Following announcements, prayer was offered by Annett Vanzant Williams, the Bishop adjourned the conference.

"Yoked" in Matthew's Gospel changed from a form of forced labor to that of freedom. He linked it to Paul's usage as a "yoke of grace." Task Force on Health and Welfare-Mona Bailey and Dr. Mark DeHaven

Mona Bailey referenced the "Stewards of Mind, Body and Spirit" program and reported on the progress of the task force in achieving their goals. She introduced Dr. Mark DeHaven of the UT Southwestern Medical Center, Dallas, who has worked with the conference the past two years with conference Health and Welfare concerns with a program referred to as GoodNEWS: Genes, Nutrition, Exercise, Wellness, and Spiritual Growth. He related that about 50% of health concerns are due to conditions more in our control such as choices and environment. This ties directly into the local church as we act as the educating agent from a biblical standard of behavior spiritually and physically.

Celia Esparza's report began with a video highlighting activities the centers provide. Celia reported on the great mission work done in our "own backyard," Fort Worth, and stated the Centers are owned by the Women's Division of the UMC. She stated their preliminary report was on page 45 of the reports and it told their story. A special song, "Thank You For Giving to the Lord," was dedicated to Mike Pinson to thank him for all the work he has done for the center. Ken Smith accepted an award for Mike Pinson.

Resolution on Proposed Revision to Articles of Incorporation, Wesleyan Homes, Inc. – Chris Spence

Proposed Revision to Articles of Incorporation
Wesleyan Homes, Inc.

Whereas, the Board of Trustees of Wesleyan Homes deemed that 4 year terms for its members would lead to better governance than the current one year terms, and

Whereas, 4 year terms are already the norm for certain of the ex-officio trustees who hold their conference office for the quadrenium, and

Whereas, the Wesleyan Board has been advised that there is an unnecessary section, (section 6 of Article VII,) stating, "The names and address of the persons composing the Board of Trustees are those listed below or their successors:" and which lists members at a given time, but which soon becomes outdated, and

Whereas, on February 27, 2007 the Board of Trustees of Wesleyan Homes approved amendments to Article VII of its Articles of Incorporation, and

Whereas, Article X of the Articles of Incorporation of Wesleyan Homes state in part, "provided that amendments to Article VII shall be effective with the approval of the Annual Conference of the Central Texas Conference of the United Methodist Church," which provision is intended to give the Central Texas Conference control over the election of Wesleyan Homes' trustees and requires Conference approval of any amendment to Article VII,

Now therefore, it is hereby resolved by The Central Texas Conference of The United Methodist Church to approve the addition and deletions to Wesleyan Homes, Inc, Articles of Incorporation, Article VII as follows:

THE CENTRAL TEXAS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

CONGREGATIONAL EFFECTIVENESS TASK FORCE - 2007

"A CALL TO CONGREGATIONAL EXCELLENCE"

Congregational effectiveness is a shared responsibility of the congregations, local pastors and the Cabinet. This model was developed by the Congregational Effectiveness Task Force composed of representatives of clergy, laity and the cabinet. This document is to be used by local churches, administrative councils, boards and clergy as a tool for enhancing congregational effectiveness.

An effective congregation shall:

-Make disciples of Jesus Christ through emphasis on profession of faith, baptism and confirmation classes.

-Transform lives through mission and ministries.

-Nurture growth and effectiveness by affirming, teaching and practicing United Methodist doctrine based on John Wesley's quadrilateral of scripture, reason, tradition, and experience.

-Live the following seven-point agenda:

1. Provide intentional hospitality.
2. Take risks in ministries, missions and service.
3. Engage in passionate worship.
4. Practice extravagant generosity.
5. Provide the structure for the development of faith-forming relationships.
6. Stimulate prayer activity and Bible study.
7. Participate in the United Methodist connection.

(I) INTENT OF THIS MODEL OF CONGREGATIONAL EFFECTIVENESS

The intent of this model is to document and illustrate the basic profile of effectiveness expected of the congregations within The Central Texas Annual Conference. The principles and elements of this model are grounded in scripture, our polity, history, tradition and in *The Book of Discipline*. The expectations of this model reflect what the charged task force members recognize as valid for a United Methodist congregation. This model is not intended to reflect:

-What is easy to do and maintain.
-What we or some might want to do.
-What some might find convenient to do.

(II) FOCUS ON LAY LEADERSHIP FRAMEWORK FOR EFFECTIVENESS

Excellence in leadership is essential for effectiveness in any organization...a fact that is especially true for a congregation. Leadership envisions, leads, mediates, guides, collaborates, facilitates, motivates, mitigates and serves. Consultation with every church in the Central Texas Conference will be based on this model of effectiveness. While all congregations vary in size, scope, challenges and opportunities, they share in common the mission and ministry of the United Methodist Church to make disciples of Jesus Christ for the transformation of the world. Therefore, leadership should implement the model in ways appropriate to their situation.

While recognizing the importance of the appointive process, this model addresses only congregational effectiveness. It is understood that the senior pastor is the primary administrative and spiritual leader of the local congregation.

(III) EXPECTED ELEMENTS OF EFFECTIVE CONGREGATIONS

It is vital that each congregation develop/renew a sense of identity and purpose. Clarity of the church's vision is demonstrated through practicing the elements explained in more detail below.

1. Provide intentional hospitality:
   -Strive to develop a membership profile that reflects the demographic and ethnic profiles of the geographical area/footprint of local ministry.
   -Provide education classes for prospective and new members on United Methodist doctrine, polity, history and tradition, and the role of scripture in the Christian life.
   -Maintain excellent facilities for babies, children and youth.
   -Provide safe, positive, and nurturing environments for babies, children, youth, and vulnerable adults consistent with "Safe Sanctuaries" policies.
   -Deploy and maintain visitor recognition and contact – intentionally hospitable, clearly visible, obvious and energetic.

2. Take risks in ministries, missions and service:
   -Maintain a physical plant adequate for the needs of the congregation and its demands for effectiveness. (Plant should be not only functional, adequate, and well-maintained, it should be open and available to the community.)
   -Start and/or sponsor chartered and viable units of:
      -United Methodist Women
      -United Methodist Men
   -Support and participate in outreach ministry that includes local, regional and global efforts.
   -Be in collaborative ministry with others and other groups:
      Other: Congregations, Denominations, Faith groups, Agencies, Individuals Groups Entities, public and private
3. Engage in passionate worship:
   -Offer worship opportunities authentic to the Wesleyan tradition and conducted in a creative and spirit filled environment.
   -Monitor and review the worship life of the church in a number of ways to determine effectiveness.
4. Practice extravagant generosity:
   -Conduct annual pledge, finance or stewardship programs that are appropriate to

congregation membership and effective in results.

-Maintain a high relationship between pledging units and total giving units – striving for 75% – and emphasize tithing (at least moving towards the tithe) and ever-increasing generosity.

-Grow annually the levels of total giving and Stewardship of time and resources.

-Develop a high ratio of individuals involved in mission and ministry to average worship attendance (at least 75%-80%).

-Share information about ways in which ministries are made possible through extravagant generosity.

5. Provide the structure for the development of faith-forming relationships:

-Maintain a high ratio (at least 75%-80%) of class and small group membership to average worship attendance.

NOTE:

-An individual can be counted only one time regardless of the number of classes she/he attends.

-Small group membership is vital to faith formation and continuous spiritual growth and service.

-Develop and maintain in collaborative partnership an active and viable UMYF.

-Provide groups and classes for all age groups represented within the geography of the local outreach of the church.

-Practice obvious ministry to congregation members, friends and associates:

-Homebound visitation and communion,

-Hospital ministry, and

-All the nurturing ministries expected of a congregation.

6. Stimulate prayer activity and Bible study:

-Offer the structured Bible and theology study packages of the United Methodist Church on a regular basis.

-Use United Methodist study and educational materials as the baseline for study of the Bible, theological reflection, study of United Methodist doctrine, polity, tradition and history.

-Offer adequate and appropriate training and supervision for lay and staff teaching/education cadre.

-Provide a broad and rich variety of spiritual formation venues and offerings: prayer, meditation, study, reflection, fasting, etc.

7. Participate in the United Methodist connection:

-Pay out at least 100% of annual missional giving (apportionments).

-Have all financial accounts reviewed in a manner consistent with the Book of Discipline.

-Adopt and follow all the appropriate financial controls suggested by conference officials.

-Elect/appoint lay leadership that is competent, caring and inclusive in age, sex, ethnicity, etc., and that will be obvious in its involvement, evolvement and revolvement."

-Identify and participate in lay leadership training offered at local church, district, and conference levels.

-Have a governing body, board or council that meets at least quarterly and meets all the organizational requirements of The Book of Discipline.

-Maintain all official records required by The Book of Discipline, the conference and district in current, usable and orderly fashion.

-Display 'United Methodist Church' prominently in congregation signs, web sites, printed material, business cards, stationery, etc.

-Be appropriately represented within the connection by urging members to serve beyond the local church on agency boards, task force groups committees, study/reflecting groups, etc.

(IV) AN EFFECTIVE CONGREGATION'S SUPPORT FOR PASTOR AND STAFF

-Recognize and support the Senior Pastor as the chief operating officer and the primary spiritual leader of the congregation.

-Recognize all appointed staff as spiritual leaders of the congregation and leaders within

the connection and the community.

-Maintain obvious support of continuing education for pastor and staff:

-Adequate funds and designated time

-Proper topics of education to meet needs and opportunities

-Provide appropriate benefits and above minimum wage pay for all staff.

-Document the congregation's position concerning non-appointive employees and employment:

-Established personnel policies and job descriptions

-Established benefits, working conditions and expectations

-Established performance evaluation instruments and processes

-Handle conflict and grievances through clearly stated protocols and procedures.

(V) MEASURABLE OUTCOMES

Although many aspects of the practice of ministry are intangible, effective congregations will demonstrate certain measurable outcomes as a result of their ministry. These outcomes then can be evaluated by the District Superintendent, Church Councils, and S/PPRC according to expectations appropriate to the congregation's local ministry context. The following evaluation document can be used further for the core of communications: district trainings, self-evaluation, charge conferences, S/PPRC training, and pastoral conversations. This does not imply, however, that such outcomes are the responsibility of the church alone.

The Congregational Effectiveness Task Force realizes the importance of clergy effectiveness as the other side of a healthy partnership in accomplishing the mission of the church. The CTC has created a Clergy Effectiveness document which is to be used in each congregation with the clergy and S/PPRC. The Clergy Effectiveness document is to be completed in June and July and submitted to the District Superintendent by August 1. The Congregational Effectiveness document is intended to be completed before the Clergy Effectiveness document and before the annual charge conference in the fall.

In completing the following self-evaluation document, specific, quantifiable answers will prove beneficial to the church's leadership team. Even in a narrative answer, supplying details of how the church is/or will be effective at "making disciples in order to transform the world" will prove very helpful to members of the congregation as well as to others in the connection.

In:	5 years ago	Last year	Current year
Total membership			
Professions of faith			
Baptisms			
Confirmands

#2 Take risks in ministries, missions & service:

In each area, what has changed (be specific) and what is planned? Give timeline.

Physical plant
Chartered/sponsored programs
Outreach ministries
Collaborative ministries

How does your church work to be inclusive to all demographic groups through classes and small groups? If this area needs improvement, what is the first step you will take toward becoming more inclusive?

#6 Stimulate prayer activity & Bible Study:
What practical things have been done and will be done to organize, plan, and set goals for the prayer and Bible study dimension of our church?

COUNCIL ON FINANCE AND ADMINISTRATION

Budgeted 2007: $2,750 Requested 2008: $2,750

Report No. 1

1. The Council on Finance and Administration expresses it's thanks to the churches of our Central Texas Conference for their wonderful support of the mission partnership of the United Methodist Church through the benevolence program. Our overall percentage receipts in 2006 totaled 95.99%. Our churches/special gifts contributed $10,065,506. Two hundred ninety one of our Conference churches paid 100% of the apportionment share in full. We are also pleased to report that our Conference is one of seventeen Annual Conferences that paid its general church apportionments in full. (This was accomplished because of the faithfulness of our churches, clergy, and a one-time grant from Homes for Retired Ministers.)
2. In 2002 a new formula for determining the salaries of District Superintendents and Directors was put into place. The new formula is that the increase in DS and other Cabinet level positions support be the same percentage increase as is reflected in the salaries of those Elders in Full Membership of the Conference who serve as Senior Pastors of Churches within the Central Texas Conference. This figure for 2007 is 3.2%. Applying this formula, the compensation and support for the District Superintendents and the Directors of Stewardship Finance and Administration, Church Growth and Development, and Mission Ministries for 2008 will be $106,929.
3. This amount is to provide for the district superintendents' and Directors' expense for conference meetings and additional ministerial expenses in an accountable reimbursement plan, the district superintendent's portion of the conference health benefits plan premium, for an amount requested by each district superintendent or Director to be excluded from salary and added to the district (or conference) contribution toward housing allowance, and each district superintendent and director's salary. The line item amount for each of these is to be determined in consultation with and approved by the Council on Finance and Administration. It is required that the accountable reimbursement plan for the district superintendent and director's expense for conference meetings and additional ministerial expenses be established in accordance with Sec. 62 of the Internal Revenue Code (IRC). Also, any Housing Expense Set-aside, as desired by each district superintendent or Director shall be established in accordance with Sec. 107 of the IRC in like manner. Further, the cost of the Clergy Retirement Security Program, billed directly to the conference, will be an apportionment to the districts. An additional amount for voucher, reimbursed expenses related to each director's office is also a part of the respective council's or commission's budget.
4. The district committees on finance are authorized to prepare budgets for presentation to the district stewards. An amount up to 10% of the support and compensation for the district superintendent may be included in the district budget to defray the utility costs of the district parsonage. In addition, an amount up to 10% of the support and compensation may be included in the district budget for the purpose of voucher reimbursement of travel and business-related expenses. District budgets shall not include a discretionary fund, but may include a District Operations Expense item. The district budget shall be submitted to the Annual Conference Council on Finance and Administration for approval each year. The district stewards are authorized to apportion a Connectional Contingency Fund to be used for paying in full at the district level apportioned items, which may fall short within the respective district. The Connectional Contingency Fund will be administered at the district level in the same manner as the District Work Fund. It is understood that if a portion of the Connectional Contingency Fund is not used in any given year, it will remain in the fund and future apportionment funds will be reduced. Any adjustments for unusual local church situations will be made in the apportionment of the Connectional Contingency Fund only. All other apportionments will be distributed to every local church on the basis of the decimal.
5. It is the recommendation of the Council that we keep the 2008 apportionment for the Texas Methodist College Association at its current level which is $176,702. While it is still the desire of the Council to restore the funding to TUMCA to its previous level of $1.50 per member, we recommend waiting another year before moving to the second step of that

restoration. The Council also recommends that the amount for the Wesley Foundation Fund be equal to $2.10 per member based on the total conference membership, and apportioned to the churches on the decimal formula.

6. At the end of each fiscal year unexpended unrestricted operation funds, less the amount needed to cover deficits in conference budget accounts, shall be transferred into the operating reserve and an accounting of all operating reserve funds shall be made at each Annual Conference.
7. Each year the use of the unspent Contingency Fund shall be reviewed by the Council on Finance and Administration and the Bishop to decide if any amount should be used for Conference, Jurisdictional and General Church apportionments before going into the Operating Reserve.

This procedure is recommended with the understanding that the director of Stewardship, Finance and Administration will honor the requisitions for all necessary expenses of the new fiscal year within the limits of the appropriations.

d) Invest the funds of the conference in government securities and federally insured depositories up to and not exceeding insurability, and/or with the Texas Methodist Foundation, and/or Central Texas Methodist Foundation and to borrow on and dispose of investments at, or prior to, maturity, and to deposit the proceeds from these investments in accounts of the conference under the guidance of the Council on Finance and Administration.

e) Deposit funds for specifically designated purposes in federally insured depositories up to and not exceeding insurability, and/or with the Texas Methodist Foundation and/or Central Texas Methodist Foundation under the joint control of the Central Treasury (Conference Council on Finance and Administration) and the agency concerned, with the approval of the Executive Committee of the Conference Council on Finance and Administration.

Report No. 3
Reserve Funds

In order to establish a better system of accountability, the Council on Finance and Administration, following action of the 1991 Annual Conference, implemented the following management procedures for reserve funds beginning 1/1/92: (See 1993 Journal, page 145)

a) The operating reserve is no longer treated as a contingency fund but as a cash flow fund.

b) A separate contingency fund has been set up to cover unbudgeted expenses with accounting of these expenditures to be made to the Annual Conference.

c) A contingency fund of $50,000.

d) The goal is a permanent operating reserve fund of 10% of the current budget to be used strictly for cash flow.

e) The operating reserve will be replenished by funds unused by the conference at the end of the year.

f) The authority for the administration of these funds rests with the Council on Finance and Administration pursuant to the Book of Discipline of The United Methodist Church and the Standing Rules of the Central Texas Conference.

Contingency Fund Policy

1. Expenditures will be made from the Contingency Fund under one of two circumstances:
   a) Unforeseen circumstances, unpredicted, unplanned for, emergency situations that could not have been foreseen by reasonable people and reasonable committees.
   b) Failure of expected income to support a budgeted expenditure

2. The conference treasurer may authorize up to $250; the CFA executive committee may authorize up to $5,000 either in meeting or by phone; those over $5,000 must be authorized by the full board either in meeting or by phone.

3. No disbursement will be made without the authorization signature of either the conference treasurer or the chair of CFA.

Report No. 4
Mileage Reimbursement

The accountable mileage reimbursement for conference staff shall be the IRS rate. All others shall be reimbursed at 25 cents per mile for one to six persons in a car, and 35 cents per mile when seven or more members ride in the same car for necessary travel on conference business. Due to the

fluctuation of gasoline prices, the CFA is authorized to change the mileage rate between sessions of the Annual Conference if deemed necessary. This reimbursement rate will be effective at the close of this Annual Conference.

Report No. 5
Procedure for Monitoring Expenses

The Council on Finance and Administration, through its Director, shall monitor monies received through the apportioned funds, and keep those Boards and Agencies receiving funds from the conference advised of possible shortfalls to enable them to adjust their expenses where at all possible in order for expenditures not to exceed actual income for the year. CFA will seek to work with Boards and Agencies to allow the maximum funding of ministries and programs without creating a deficit situation in the Conference Budget.

Report No. 6

At Annual Conference CFA will present a budget in which the bold type represents the totals of projected expenditures for each standing body of the Conference.
(NOTE: *The supporting line items that comprise the total will be shown in lightface-italicized type.* **When the Conference approves the budget, it will be voting on the bold face figures only**, with the supporting figures given for informational purposes.)
If occasion arises to meet unforeseen and unusual expenses, or to provide for emerging ministries that could not be known at the time of budget requests, a board or agency may seek CFA approval to shift monies from one line item to another in the light face italicized portion of their budget. In faithfulness to Standing Rule V.10 this procedure will not be used simply because a board anticipates some funds will not be spent.

Report No. 7

In these days when churches are more vulnerable to being sued than they were in the past, and for a far wider list of causes, it is imperative that each local church be incorporated. Failing to be incorporated puts each of the members of the church in jeopardy. In addition to being incorporated each church must review its property and liability insurance coverage with consideration for areas of liability not only between church staff and members or guests, and not only between the church as an entity and whomever might happen upon the premises, but also for the area of liability of employer versus employee.

Report No. 8

By action of the 1999 Annual Conference, each new church start shall be apportioned 25% of what would be its apportionment, under Standing Rule, V, 4.0, for its first year after records are available, 50% its second year, 75% its third year and 100% its fourth year and thereafter.

Report No. 9
Fair Share Asking

We recommend the following as Fair Share goals for 2008:

Aldersgate Enrichment Center:	$50,000— (3rd year of five years)
United Methodist Global Aids Fund	$80,060— (2nd year of two years)
Justice for Our Neighbors	$38,000— (1st year of five years)

(**REMINDER:** *The Annual Conference no longer has a surety bond to cover laity who handle church finances. A letter was sent to all churches notifying them of this change. Once again we urge every church to review their current general liability insurance to ascertain whether this issue is addressed.*)

ANNUAL CONFERENCE EXECUTIVE MINISTRY TEAM

The Executive Ministry Team continues to give coordination to the various facets of the conference structure that come through the Administrative Leadership Team and the Mission Leadership Team. It also considers significant matters related to the Annual Conference between

sessions of conference. It becomes the clearing house for setting of the theme for Annual Conference and the coordination of efforts related to that theme.

Currently we are in the middle of a three-year emphasis called, "Follow Me-NOW." The sub-topic of that theme for the 2006 Annual Conference was "Witnessing to our Faith." In addition to the emphasis given at the conference session, churches were invited to place a similar emphasis in their own settings during September. Also, mystery guests visited a number of congregations and evaluated how effectively the worshiping community was open, inviting, and witnessing to their faith. Regular articles have appeared in the Central Link in recent months allowing individuals—clergy and laity alike—to tell about their Christian journey and thereby witness to their faith. It is anticipated that this theme will continue to impact what we do in the Central Texas Conference.

For 2007 the sub-topic of the overall theme will be "Nurturing Disciples." Plans will be forthcoming at conference and beyond as points of emphasis are developed. To complete the three-year emphasis on "Follow Me—NOW" the 2008 sub-topic will focus on "Reaching out to Others."

The Executive Ministry Team also heard a presentation on the Glen Lake proposal to acquire the Stillwater Retirement Home in Glen Rose. It considered some proposed rule changes which were referred to the Rules Committee. This body continues to function bi-annually on behalf of the Central Texas Conference.

MISSION MINISTRIES

Report of the Mission Ministries Associate Director

This past conference year we have continued to focus our work on making disciples of Jesus Christ. In keeping with the conference main theme for the 2004 quadrennium, "Follow Me: Nurturing Our Faith; Reaching Out to Others and Witnessing to our Faith," we have organized our ministries to follow Christ by providing opportunities for learning more about being true disciples.

Our main focus this past year was on "Witnessing to Our Faith." We have forged forward toward becoming more effective in telling our faith stories to one another and to those outside the Christian faith. Several planned programs were conducted throughout this past year. Congregations were asked to plan and conduct worship services and Sunday school classes around the conference theme. Sermons and church school classes were planned around "Witnessing to Our Faith, Nurturing Disciples and Reaching Out to Others" for the full month of September this past year.

The 2007 session of Annual Conference will highlight that portion of our theme that will guide us in the Nurturing of Our Faith. The conference Nurture Mission Council will lead the conference in planned programs designed to strengthen the Church's efforts to care for the Church, one another and nurturing of the Body of Christ.

This has been an exceptionally productive year for the conference Mission Ministries. Refer to all the individual reports from the councils, coordinators and various task forces of the Mission Ministries Leadership Team.

We will continue to work toward our goal of creating a full connection between the local church, districts, the annual conference and the general church. "Making Disciples of Jesus Christ" is the work of the whole Church at every level. Therefore we continue to strive to use our full collective strength to promote and live our Christian faith.

I commend the staff and elected leadership of Mission Ministries for their faithful commitment to the work of Christ through the Central Texas Conference of The United Methodist Church.

Report of the Mission Ministries Associate Director

The year 2006 was one of great challenge physically for me. I am so grateful for the support and encouragement of persons throughout the conference during my illness. My friends and colleagues at the Conference Office and on the Nurture Council enabled me to focus all my energy on my treatment and recovery. They all pitched in to take care of pieces of my job and

did everything necessary to keep the work going. It made such a difference to know that they were covering my responsibilities so that the ministries would not be left without resources.

It feels really good to be getting back to work and being productive again. There are some very exciting plans for work in the Nurture Council. I will be working with the District Nurture Councils to help them get connected to the Conference's goals and plans, so that we can all be on the same page.

One of the most inspiring challenges for me this year will be the "incubator" I am a part of at the General Board of Discipleship. There are six persons from around the country working with two persons at the General Board on the question of how persons are formed and transformed into disciples. We will meet monthly in a process to identify the experiences and learning that helps to move one from the pew into discipleship. I have invited six people in the Central Texas Conference to be a part of a CTC incubator to address the same question for our conference and local churches. My goal through this process is to produce some very specific and measurable steps to offer to our local churches for "growing disciples."

Report of the Student Leadership Team Coordinator

Ministry with Students is in a good, biblical place; we are "between the times" right now, waiting the hiring of a new Associate Director.

Being "between the times" is a good place because this is where one cannot count on either the way things have always been done or on the fresh exciting plans of the new leader. There is a sense in which one learns to trust God when one is "between the times."

Student Ministries has had a good year! We began with a leadership training retreat held last June at Acton UMC. The new officers took lead the following week at Annual Conference in Waco. In July we were well represented by more than 30 people at the Jurisdictional Youth Ministry Organization held at Centenary College.

Following Doug Vaughn's resignation from the position of Associate Director at the beginning of September, the Student Leadership Team met to plan the Fall Junior High event, 68° and the Midwinter retreats. We had good attendance at each of these events, with numbers at or above last year.

The Youth of the Central Texas Conference have stepped up remarkably to do things and take on responsibility they had previously been able to trust to a staff person. In addition, Youth Ministers and Youth Directors from across the Central Texas Conference have put in many extra hours and joined in a collaborative effort not simply to maintain, but to grow student ministries within our Conference.

As Conference Youth Coordinator, the main responsibility for Student Ministries fell to me beginning in September. Perhaps more than anyone else I have been looking forward to welcoming a new staff person. In the mean time, though, it has been a great joy and privilege to be part of this "between the times" in student ministries within the Central Texas Conference. We have seen God at work in our lives, in our relationships, and in our work.

Steve Heyduck – sheyduck@mchwaco.org

Report of the Mission Ministries Associate Director

With the focus on "Witness" at the 2006 Annual Conference, several ministry projects were launched and have since given birth to additional projects. It's been a joy to watch the "Witnessing to Our Faith" advances our mission to make disciples of Jesus Christ. This has been a major focus for me in 2006 and will continue in 2007 along with work on the 2008 General Conference.

The conference wide Mystery Guest project in 2006 pointed to several areas that need our attention. If the 34 churches visited are any indication, we need to be more intentional in welcoming the stranger, connecting with their spiritual and relationship needs, and inviting people into a personal relationship with Jesus Christ. I will be working on these areas in 2007-08. We trained two Lay Speakers in each district and provided them with a bounty of resources to assist churches in addressing these needs. One way is to work toward becoming a Certified Welcoming Congregation (see www.IgnitingMinistry.org/ "Certification"). Our churches are

encouraged to begin the journey of fulfilling the CWC ministry criteria, calling on their trained district resource people for assistance. Churches that have achieved this status will be recognized at Annual Conference.

The 2006 Spring and Fall Leadership Summits included programs led by evangelism consultant Dr. Woody Davis. He laid out a systematic way for lay and clergy to adopt an intentional lifestyle of sharing their faith — recognizing needs in people and filling them with God's love and our invitations. We are carrying that forward in 2007 with the Spring Summit, exploring our faith stories with international evangelist Joy Griffin. This compliments the "Faith Stories" we are sharing in the *Central Link* newspaper. When people share their faith stories, they build stronger spiritual bonds with each other and become more comfortable in sharing them with others. At the Fall Summit, Bishop Richard Looney, director of the UMC's Foundation on Evangelism, will give pastors and evangelism chairs creative examples of how we can invite people into personal relationships with Jesus Christ.

Conference communications has made giant technological steps — due mostly to Information Technology director Bobby Cullen who serves on the Commission on Communications and website host Brickriver. Our weekly electronic newsletter (*E-Link*) and every-other-week newspaper (*Central Link*) continue to serve the needs of our conference. Several churches have adopted new local church *Reporter* editions and others are exploring this route so their people will have convenient access to conference and denomination news.

A program created for a district training event in early 2007 proved so well received by participants that I hope to see it repeated in other districts as a partnership of Witness ministries and Church Growth & Development. The program marries resources from Church Growth with communication and marketing tools to expand a church's targeted reach in meaningful ways.

With our denomination's increasing need to encourage more young people to listen for God's call to ministry, we must not ignore their college years. So often, campus ministries provide that nurturing environment and campus ministers build on the mentoring process begun in their home churches. I am working with the Campus Ministry Task Force to examine our conference's campus ministry program this year so that campus units and campus ministers will be sufficient for this important task.

In other areas, I am staff liaison to two of our districts — Brownwood and Weatherford — and serve as director for several areas for the 2008 General Conference Host Team. Those areas focus on public/media relations and the Pre-General Conference Briefing. This involves several coordinators for website development; conference spokesperson preparedness; briefing local secular press; providing worship experiences and trained volunteers for the pre-GC event; recruiting skilled volunteers for the GC press room; and working with UMCom on a "Welcome to Fort Worth" DVD for delegations and online video clip news features.

Report of Humanitarian Director

The year 2006 brought a variety of opportunities for Central Texas Conference churches to serve their local and global communities in powerful ways, and 2007 promises to bring even more meaningful opportunities to serve.

The number of churches recognized at the 2006 Annual Conference for their participation in the CTC Five Star Program increased to 34 congregations, 20 of which were first-time recipients of the award. Nineteen congregations formed or renewed Covenant Relationships with GBGM missionaries. And seven CTC churches were recognized by the General Board of Global Ministries as Global Mission Partner congregations.

The United Methodist Volunteers in Mission (UMVIM) task force continued to train new team leaders to help expand the UMVIM program. In the hopes of promoting opportunities for medical mission teams, we added a Health Care Representative to our conference UMVIM task force. The number of UMVIM teams has increased as congregations gain awareness of the connectional opportunities available. Three conference-wide projects are scheduled for 2007 to the UMCOR Sager Brown Depot; Lake Charles, Louisiana, and Zimbabwe.

Last year was also very busy for ministries related to the United Methodist Committee on Relief (UMCOR). The Central Texas Conference established a partnership with UMCOR's Lake

Charles Work Station in southwest Louisiana. Our goal is to work with CTC congregations to form local church partnerships with churches in the Lake Charles area and send volunteer teams to help with recovery efforts from Hurricane Rita. The CTC Disaster Response Task Force provided training for Early Response Teams as well as important resources to help congregations prepare for emergencies at their churches or in their local areas. In 2007 we will be training volunteers in Spiritual and Emotional Care after a disaster.

In the area of Refugee & Immigration Ministries, the newly expanded conference task force provided financial assistance for Somalian refugees and promoted ways for local congregations to get involved in refugee resettlement. We also continue to promote the support of Justice For Our Neighbors, an UMCOR-related immigration legal services organization that serves our conference area. In collaboration with the North Texas Conference UMC, our local JFON clinic hosted a nationwide JFON conference to discuss advocacy for welcoming the sojourner into our communities.

The newly expanded CTC Task Force on Hunger successfully promoted the Thanksliving Offering, which went to Feed My Starving Children, and began to assess hunger-related needs in our conference area. We seek to provide opportunities for churches to participate in hunger-related education, advocacy, and mission projects. In June of 2007 the task force will organize a Potato Drop, where volunteers will bag 45,000 lbs. of potatoes for distribution to a variety of ministries that provide food assistance to their communities in the conference area.

Many sincere thanks to all who are living out the gospel message by serving those in need.

Report of the Archivist-Resource Director

69 linear feet of records were delivered to the archives depository during this past year the result of church mergers and closings. A great many additional contributions were made to the archives by supportive individuals. Scholar's, clergy, layperson's, author's, conference personnel, historian's, student's, and genealogist's depository usage has remained steady, many of them having been referred to the archives by other institutions and persons. Approximately 176 research requests have been received during the past year. I am part of a committee that is writing the history of the Central Texas Conference with the publication goal as the centennial of the current conference which is 2010. Archival/records management, local church historian training, and consultation continue to be provided to local churches and at district training sessions. I still serve as a member of the executive board of the Texas United Methodist Historical Society and the editor of the Historians Digest. I was a participant at the South Central Jurisdiction Convocation of Archivists at Baker University last year and continue as a member of the Executive Board of the Historical Society of the United Methodist Church. Looking forward, I plan to begin building a web presence online for the archives depository. I will begin a campaign encouraging each of our local churches to write their history as best they are able, a copy of which will be housed in the depository. As a reminder, the majority of the records housed at the archives are primary, non-published records, which reinforces the need for our churches to locate and protect their records. All closing churches and those that are merging into or with another church must send their records to the archives for protection and availability as mandated by the Standing Rules.

"History, although sometimes made up of the few acts of the great, is more often shaped by the many acts of the small."

Mark Yost

Thank you for allowing me to serve God and the Central Texas Conference in this ministry of memory.

Report of Central Texas Conference Youth in Mission (CTCYM) Coordinator

There has yet to be a year that I could not say that CTCYM was successful, this year is no exception. In 2006, CTCYM experienced a record summer. We had some 2,600 participants and four different trips, a record summer. In June, the summer started with 1,275

participants at 14 different churches throughout Oklahoma, servicing some 200 homes. That same week we launched a new combined trip with both senior and junior high youth, ideal for smaller congregations that do not split up activities. This trip consisted of 120 participants staying at FUMC Beaumont. Then in July we had a new trip to Colorado with 480 participants at 7 churches. Finally, the summer ended with our junior high trip to south Texas with 745 participants at 11 churches. These trips proved again that our church is wonderfully connectional and immensely transformational for both participants and churches.

The summer of 2007 brings excitement with the increase in churches that will be attending. Due to the need for volunteers in the Louisiana and Mississippi areas to help with the devastation of both Katrina and Rita, we will be working with UMCOR to bring our masses to make a difference. We have over 75 churches that will be attending, including two new church starts, and an estimated 2,700 participants. We will again be offering the combined junior high and senior high trips, with an increase from the one center last year, to three. This group will be returning to the Beaumont area. Junior High will be staying in conference this summer to remind ourselves that we do not need to look very far to find persons in need.

Each summer we plan to celebrate God's love by selflessly giving our time, and efforts to others. Join us as we discover the joy of giving, and empowering youth to make the world a better place.

Report of the Director of Glen Lake Camp and Retreat Center

2006 brought many exciting opportunities for the ministry of Glen Lake Camp and Retreat Center. Your ministry continues to grow to meet the needs of guests from throughout the Central Texas area and beyond. Please enjoy this look back at this past year and the bold vision for the future of Glen Lake.

The **W.C. Taylor Jr. Silent Trail** has been completely paved with blank and engraved bricks from the beginning of the trail's entrance gate to the steps of Vesper Point. Guests can now leisurely walk along the trail and view all the dedication bricks that have been purchased in honor or memory of a loved one or a special event in their lives. There are still ample opportunities to purchase engraved bricks which can be placed within in the trail. The completion of the trail was made possible through the generous gifts of the Fred Taylor Family, Herb Taylor Family and members of First United Methodist Granbury and Meadowbrook United Methodist.

Glen Lake is offering a new way to honor a loved one, celebrate a special event, or remember your time here at Glen Lake by purchasing a **rocking chair** to be placed around the camp for all to enjoy. Your charitable donation of $350 per chair will be used to enhance the landscape of Glen Lake, improve facilities and develop new program opportunities. A plaque is also provided on the chair to commemorate your request.

Through the generous donations of Dr. Norman and Mary Ellis and many others, Glen Lake moved from conception of the **Ellis Education Center** in 2005 to construction in 2006. This building accommodates an ever increasing demand for meeting space with high quality audio/video equipment and flexible room arrangements. We are extremely excited about the future use of this building and its ability to meet the needs of our guests.

A Glen Lake Christmas, long talked about and finally acted on! We are excited to offer a way to say thank you to all of our friends & alumni who have so generously supported Glen Lake over the years. The Christmas story is the reason why this ministry exists and we wanted to share some of the joy and excitement that you have made possible to many people over the years. Make plans to attend A Glen Lake Christmas in the coming year!

Our Guest Services department is receiving an increasing number of requests for facilities that can accommodate **Large Group Worship Space** (300-500). We are seeing this especially with youth groups. Our normal worship space (Siceloff and Ogle Chapel) are barely adequate to meet this demand and future bookings could be in jeopardy. If we wish to meet this new opportunity, a new large capacity building is needed. We have located the materials for a 10,000 square-foot metal building that could be purchased and constructed for ~ $35/square foot ($350,000). This is an incredible opportunity to address this worship space need. However, we need your help NOW to secure this building and have it ready for our upcoming 2007 summer

camp and retreat seasons. Please contact the Office of Development if you, or someone you know, might be interested in this project.

Summer camp youth and adults will be given the opportunity to donate any unused money placed on their GL Cash Card toward the **Scholarship Fund**. This fund is for kids who would like to attend camp but are financially unable to do so. This fund has been completely depleted by requests for scholarships and a lack of funding for this specific ministry area. Please help us build this fund back to our goal of $15,000 so that we are able to aid kids that wish to attend camp.

Thank you! Thank you! Thank you!!! We exceeded our 2006 **Annual Fund** goal of $30,000 by $54.62. Monies given to the Annual Fund allow us the ability to meet needs as they occur and we can't always predict what those needs will be from year to year. The Annual Fund is the "life blood" of any organization because it provides the greatest degree of flexibility to operate. Our 2006 goal was part of a three-year plan to achieve an Annual Fund budget of $50,000 by the end of 2007. When asked, our friends have continued to meet our needs. Therefore, we are again appealing to you, GLEN LAKE SUPPORTERS, to help us reach this 2007 goal. Your contribution toward the Glen Lake Annual Fund is crucial for this ministry.

Who needs an Endowment Program? Well, frankly, we do! Although Glen Lake has operated for 68 years without an Endowment Program, all long-term organizations ultimately need three separate and distinct sources of funding if they want to stay viable and healthy. For many years, Glen Lake has had two of the three sources (Annual Fund and Capital Funding), what has been missing is an Endowment Program. Many successful Methodist organizations have remained stable through the interest income-generating ability of their Endowment Program. However, these programs take time to grow to a point that they can make a substantial difference in the life of an organization.

Recent federal legislation is providing people an opportunity to make charitable donations to qualifying charities. The Pension Protection Act of 2006 (PPA 2006) created a new charitable planning opportunity for persons 70 ½ years and older and who have an Individual Retirement Account (IRA). Briefly, the PPA 2006 requires that beginning at age 71, a person begin taking an annual Required Minimum Distribution (RMD) from their IRA. Distributions generally commence at 3.8% with increasing percentages each subsequent year based on the IRA owner's age. The RMD must be taken by December 31 of each year. There are giving restrictions regarding the amount and type of charities that qualify.

You can give at any age! You can contact the Texas Methodist Foundation (www.tmf-fnd.org) or Central Texas Methodist Foundation (www.ctmf.org) for additional information to assist you in your estate planning. It is our hope you will consider the Glen Lake Endowment Fund.

Camp on the Road was a great success in 2006. In its 2nd year, we added an additional site by taking the program to Aldersgate UMC in Arlington and Faith UMC in Ft. Worth. For 2007 we have expanded again, to include 3 sites. The goal is for Camp on the Road to be in each district by 2010!

We have already scheduled times for this summer. Join us at Arlington FUMC, St. Stephens UMC, and Coolridge FUMC. For more information please visit our website **www.glenlake.org** or contact the Program Department.

IGNITING MINISTRY SPECIAL INITIATIVE

Budgeted 2007: $50,000 Requested 2008: $50,000

Once again the successful Igniting Ministry multi-media evangelism campaign recognized the potential of the Central Texas Conference as a dominant market area and for its collaboration with other bordering annual conferences by awarding a matching fund grant for television advertising each year since the campaign's inception in 2000. This matching grant doubled a large portion of the conference's designated fund in 2006, with the remaining portion used for training two Lay Speakers in each district who would then provide training and assistance to local churches in their districts to

become a Certified Welcoming Congregation. (See www.IgnnitingMinistry.org click on "Certification") This is a program offered through the Igniting Ministry Team that establishes the criteria for what churches need to be doing in order to be at their "welcoming" best and to continue to grow in evangelism.

The focus on funds in 2007 moves away from major television advertising buys to supporting local church promotional efforts with collaborative buys in radio, television, billboards, movie theater screen advertising, etc. The change in strategy is due to the North Texas Conference's pull out of the matched television buys for a one-year period and some changes in the matching funds strategies of the Igniting Ministry campaign. Given continuing financial support, both the Central and North Texas conferences plan to resume the major collaborative network television buys in 2008.

ANNUAL CONFERENCE MISSION LEADERSHIP TEAM

Budgeted 2007: $12,850 Requested 2008: $13,050

The Mission Leadership Team met on March 3, 2007, to celebrate the many and varied ministries of our annual conference during the past year. The MTL received exciting and upbeat reports from the Nurture Mission Council, the Outreach Mission Council, the Witness Mission Council, Communications, Student Ministries, Glen Lake Retreat and Conference Center, the Conference Resource Center, United Methodist Women, the Commission on Christian Unity and Interreligious Concerns, and members of the Mission Ministries staff. It was especially good to see Karen Granderson back with us after her illness. Doyle Allen complimented the MTL staff for their good work during the year.

The Mission Leadership Team took the following actions:

- Approved the emphasis of Nurturing Disciples for the coming year of the Annual Conference theme of "Follow Me."
- Adopted the "Nothing But Nets" malaria eradication program as the recipient of the annual conference offering.
- Approved the appointment of a Financial Responsibility and Funding Consistency Study task force to evaluate Campus Ministry funding across the annual conference.
- Recommended a "fair share" funding of $50,000 for United Community Centers for 2008.
- Recommended a "fair share" funding of $38,000 for Justice for Our Neighbors for 2008.
- Recommended the following mileage rates for 2008: $0.25 per mile when 1-6 ride in the same vehicle and $0.35 per mile when 7 or more ride in the same vehicle. (No change from 2007 rates.)
- Requested reappointment of Doyle Allen, Karen Granderson, and Rachel Heyduck as clergy Mission Ministries staff.
- Adopted Mission Ministries budgets for 2008.

The N.O.W. structure with smaller, more active committees, commissions, and councils is working well. Conference staff and volunteers are developing and implementing effective programs and ministries to "make disciples of Christ for the transformation of the world."

George Brightwell, Vice-Chair -- george@wellspringgeorgetown.org

TASK FORCE ON EVALUATION AND BUDGET

The Conference Task Force on Evaluation and Budget met on January 31, 2007, to review funding requests for the year 2008 from the various mission ministry teams of the Conference: Nurture, Outreach, Witness, Glen Lake, Communications, and Conference Office Mission Ministries expenses. The Evaluation and Budget Task Force charge is to carefully study the funding requests and make note of redundancy, imbalance, prior effectiveness, inclusiveness, and the like to ensure that the overall Mission Ministries budget best meets the goals of the Annual Conference.

Each chairperson of the various ministry areas listed above presented the initial funding requests from their ministry teams. In discussion with the Task Force members, adjustments were made to reduce certain line items where feasible. As a result, the total Mission Leadership Team budget for 2008 was reduced from an initial increase over 2007 of 9.89% to an increase of 2.72%.

The 2008 proposed budget totaling $602,360 was then sent to CF&A and the full Mission Leadership Team for final adoption.

NURTURE MISSION COUNCIL

Budgeted 2007: $97,360 Requested 2008: $97,760

Nurture Council had a busy, productive year in 2006. All task forces and committees were up and running and working in every area to enable churches to make disciples of Jesus Christ.

As always, our Children's Ministries Council is conducting VBS workshops to help our churches prepare for Vacation Bible School this summer. We hosted LeAnn Hadley for a March 12th 5-day workshop on Spirituality with Children. Projects in the works for 2008 include an emphasis on Safe Sanctuaries, nurseries and a program to provide small group Christian education training for smaller churches.

Our Student Leadership Team will be making plans with the new Conference Youth Leader for several opportunities in the coming year. Please see their report for the fun things they are planning.

College students are always in the uppermost of our minds as they tend to drift away from church when they head off to college and go off on their own. To counter this trend, the College Age Ministries Task Force is planning a retreat entitled, "The Café" – a retreat for conference wide college students to attend a Faith Experience Retreat at Glen Lake Camp. They are also planning two mission opportunities entitled "The Call." One experience takes place in Mexico, and one in the United States. Leaders have not been chosen yet, but will be leaders with much to offer this age group.

Our Young Adult Ministries council is planning a training session to educate local churches on all areas of Young Adult Ministries as well as planning a Young Adult Retreat which will offer one main speaker with several breakout sessions.

The Singles Task Force continues to expand its ministry to the singles in our area. These people include those never married as well as those who are single again due to divorce or being widowed. There is a huge opportunity to minister to this group, and that opportunity is growing every year. The Singles Task Force is organizing leadership groups in the districts of the conference in an effort to serve as many people as they can. The Task Force is making contacts with clergy and single individuals throughout the conference.

On March 24, the Singles held an activity called, "Ongrowing Singles." Charles Gaby led the Opening and Closing Plenary Sessions as well as conducting two workshops on "Power of Rituals." Other workshops were held as well on such topics as Boundaries, Single Parenting, Labyrinth, Financial Planning, Spiritual Gifts, and Depression Connection. Many more such activities are planned for 2008 – such things will create networking opportunities for CTC singles, and to attend the Mount Sequoyah Jurisdictional Singles Retreat.

Older Adult Ministries will partner with Wesleyan Homes to provide a major program with a speaker to educate and motivate our churches on opportunities of ministry to aging adults. This is a new liaison. We are hoping that this connection will add much to our Older Adult Ministry.

The Marriage Ministries Advisory Council sponsored a successful Marriage Retreat in January of 2007 and has another one scheduled for January of 2008. They also sponsored Roberta Gilbert, MC as the plenary and keynote speaker at the Spring Summit. Their goal for 2008 is to provide varied programming in locations throughout the conference to address identified needs.

Our Spiritual Growth Task Force worked hard to provide a wonderful 5-Day Academy for Spiritual Formation in March. They will plan and present the Academy again in 2008. To promote their goal of providing a resource for the annual conference for spiritual growth opportunities, they will compile and collate packets to be distributed at Annual Conference and made available in the conference and district offices and on the conference website.

The Stewardship Task Force continues to provide our local churches with quality leadership in the areas of stewardship, providing financial stability to improve apportionment payments, and the successful way to recruit and train volunteers.

Other areas that report to the Nurture Council will provide their own reports – Ethnic Local Church Concerns, Glen Lake Camp and Retreat Center and the Resource Center. All areas of the Nurture Council are working hard to ensure that the local churches have the resources they need to do the work of the Conference – to make disciples. We are proud to be a part of this conference and to be privileged to work with the churches in it.

Proposed Program:

Meeting expenses, travel and administration

CONFERENCE STUDENT LEADERSHIP TEAM

Another successful year was accomplished by the Central Texas Conference Student Leadership Team. Spiritual growth of the conference's youth, one of the most important goals for the Student Leadership Team, was accomplished and exceeded for the 2006-2007 year.

In May of 2006 the Student Leadership Team started off well with orientation and planning their events for the upcoming year.

The Student Leadership Team went to JYMO, a jurisdictional event, at Centenary College in Louisiana where the Team learned valuable leadership skills. The theme, "It Starts Now", helped the Student Leadership Team realize that spreading the word of God is not based on age, but we as youth still have a powerful ministry. Not only are the youth represented well at the conference level, but at the jurisdiction level as well! While at JYMO, Katie Thompson, a jurisdictional youth team member from the Central Texas Conference, was elected youth president of the South Central Jurisdiction. Also, Steve Heyduck, Central Texas Conference's youth coordinator, was elected as the Jurisdiction's Youth Coordinator.

The Student Leadership Team used these acquired leadership skills at their conference event, 68 Degrees. This is a workshop-based youth retreat for junior high students. The focus this year was "Faith Factor", where the youth learned how their faith can be put to the test. From there, the Student Leadership Team focused on the upcoming Mid-Winters. This small group based retreat for all youth, concentrated on "iPraise". The youth learned how to incorporate their faith into their daily lives.

At both of the conference events, the youth raised money for the Youth Service Fund. All together the youth raised approximately $2,000 for YSF.

I feel that the experience handed down to them from this year's graduating class, will enable next year's Student Leadership Team to reach further heights for the benefit of the youth of this conference. The Student Leadership Team will never cease in providing opportunity after opportunity for those of the Central Texas Conference to develop their faith and grow deeper in their spiritual journey.

WALK TO EMMAUS

The Walk to Emmaus program is one of God's instruments for knowing who we are in the Body of Christ. The Walk to Emmaus is a three-day weekend event which invites people to spend the rest of their lives walking in a daily relationship with the risen Christ. The purpose of the Walk is to develop leaders and disciples who go home from the weekend to become more active in their church. The weekend experience includes learning about grace freely given from God and our response to it. The Walk invites participants to live a life according to the example of Jesus from an attitude of gratitude for the grace we have received rather than from an attitude of compliance or living within a set of constricting rules.

This is what the Walk experience meant to Wanda Ivey of Southlake. "In the first six months following my Walk to Emmaus (April 2002) - I enrolled in seminary, dropped our country club membership, started tithing and asked our church administrator to put me to work. I am now active in our church hospitality ministry, lead Crown Financial classes, work in our Women's mentoring ministry, mentoring an International student, and have served on the finance committee. Most important, my family and friends see a different person - one they like better than the "stiff necked corporate executive" they dragged to a walk. On February 9, 2007 I will leave the career track and move to the kingdom track. I will spend 2007 finishing my seminary degree, doing local mission work, making agape and working as many walks as they will let me. After that, it is up to God. Emmaus changed my life and I will be forever grateful to all who made it possible."

The Walk to Emmaus is a program of Upper Room Ministries under the auspices of the United Methodist Church. It is an ecumenical program open to all Christian denominations. In 2006 there were 516 Pilgrims who participated in the sixteen Walks in the Central Texas Conference representing some 26 Protestant denominations and the Catholic Church. The Chrysalis program, the youth and young adult evangelical portion of the Walk to Emmaus, held two Flights in 2006, with 47 young men and women representing eight denominations. The initial schedule for 2007 plans sixteen Walks and five Flights.

Fifteen talks over the three days, given by both clergy and laity, remind Pilgrims of the presence of Jesus which we often overlook because of the distractions of everyday life and/or catastrophic events. Like Cleopas and his friend on the road to Emmaus that long ago Sunday afternoon in the story related in Luke 24, we get disillusioned by the events of life and are unable to recognize Jesus as He walks beside us. The Walk events of Friday focus on the Father, reminding us of God's gracious offer of a relationship and a new life centered on Jesus Christ. Saturday focuses on the Son, Christ as the model for our response to God's gracious offer. Sunday focuses on the Holy Spirit, bringing transformation to our world through us and our participation in the mission of the church.

Jim Cooney of Copperas Cove answers the question, "What has the Walk to Emmaus meant to me?" as follows. "There is no doubt that my Walk to Emmaus was, or rather is, the second most significant event in my life with Christ. The first is my decision to accept Him as my Savior, which was made at a very early age. My Walk renewed a relationship with Him that had become very routine, perhaps even mundane in many ways. It opened my eyes to new experiences, even crying from joy in public without being ashamed! The Walk experience has also challenged me in regards to my Christian life, my relationship with fellow Christians, and my participation in the church.

NATIONAL UNITED METHODIST CAMPERS
Central Texas Sojourners, Chapter 16

National United Methodist Campers, Inc. (NUMC) is a Recreational Vehicle (RV) camping group with members in over 16 states in 22 Chapters in the eastern and southern United States. There are now 5 chapters in Texas. NUMC is an affiliate organization of the General Board of Discipleship.

Chapter 16 continues to be one of the fastest growing chapters in NUMC, and gives major leadership to the National organization with 4 National Officers. Chapter 16 hosted the 2007 National Rally April 18-22, 2007 at Glen Rose, TX with over 250 people represented.

We look forward to continued ministry to that portion of the Central Texas Conference who are commonly known as Rivers. While a majority of our members are retired, many are not. Our membership comes from all walks of life and all areas of the Central Texas Conference. The common factor is a love for camping and sharing with others.

During 2006 we had 9 major campouts and/or work trips with an average of 30-50 people in attendance. Aldersgate Enrichment Center continues to be the major focus of our mission efforts. We have contributed over 300 hours of volunteer labor, assisting in many and varied jobs.

We look forward to continued service in the Name of Christ to the RV community in the Central Texas Conference. For more information, please contact:

OUTREACH MISSION COUNCIL

Budgeted 2007: $215,775 Requested 2008: $220,450

The focal point of "Our open heart, open doors, and open minds" should be our ministry through mission and outreach.

As United Methodists, we have an obligation to bear a faithful Christian witness of Jesus Christ to others. Mission and Outreach is the core of our denomination by which we are involved with changing people's lives in the name of Christ. We work in our communities and around the world helping the poor, the orphaned, the aging, the hungry, the sick, the imprisoned, and the oppressed.

The truth is that as a United Methodist people, as individuals, we cannot be neutral or indifferent toward evil in the world. Our responsibility is to speak on social and moral issues for the

encouragement and instruction of the Church. As its members we should be seeking earnestly both to know the will of Christ and to serve in humility and love in the name of Christ.

The Central Texas Conference is committed to the programs assisting those in need and turning mere statistics into persons that we can help. In South East Asia the Tsunami took 150, 000 lives. The lives lost were to the misnomer of "mother nature". In Africa, 150,000 lives are lost *every month* to AIDS -- a tsunami every month -- another 6,000 are lost to preventable diseases. The church hears the call and responds with help to those oppressed.

The United Methodist Church and the NBA have teamed up to provide mosquito netting to help alleviate the malaria epidemic in Africa. "Nothing But Nets" has provided over 850,000 bedding mosquito nets to families in Africa.

In Texas this year, an estimated 70,000 inmates will have served their time and be released. It is expected that nearly 14,000 of these people will return to live in the counties served by the Central Texas Conference United Methodist Church. The church hears the call and responds through restorative justice programs

We think about hunger being in third world countries. However, in America today 16% of the population has food insecurities, which means that they do not know where the next meal is coming from. The church hears the call and responds through UMCOR and food ministries.

The United Methodist people hear that call to help even more powerfully today. The local churches reported to the conference that 4409 mission team members were in service and outreach for 2006. They were in mission to 6 international countries on 30 international projects. While here at home, we provided outreach programs in 5 states by assisting 269 projects. This was equal to 23,469 workdays and over 1.5 million dollars of financial contributions toward these mission efforts.

EDUCATION AND THE ADVANCE

From the Advance website (www.umcgiving.org or http://gbgm-umc.org/advance):

"Since 1948 millions of gifts through The Advance for Christ and His Church have supported thousands of ministries in more than 100 countries. The Advance is voluntary "second-mile" giving because, in The United Methodist Church, the first mile (priority) is for local churches to pay their World Service and other apportioned funds and conference benevolence commitments. The Advance was launched after World War II. Although the guns were silenced, the war's suffering and devastation continued. Christians everywhere were called to help rebuild a physically and spiritually broken world. Delegates to the 1948 General Conference of the Methodist Church adopted a "Quadrennial Plan for Christ and His Church" and called for a voluntary "Worldwide Advance" stewardship drive. The Advance for Christ and His Church became a regular program of the Methodist Church in 1952 and of The United Methodist Church in 1968, with the merger of the Methodist and the Evangelical United Brethren churches. Today more than 17,000 United Methodist congregations, organizations, districts, conferences and individuals collectively send more than 100,000 General Advance gifts every year. *One hundred percent of every gift reaches the ministry designated by the giver. Advance administrative and promotional costs are borne by other funds.* **More than 2,000 projects in more than 100 countries are supported by the Advance.** The Advance is important because it supports special ministries that might not be possible otherwise. Your gift makes a difference. It will print a Bible, vaccinate a child, buy a bicycle for a pastor, dig a well or do whatever specific ministry you choose to support. When the One Great Hour of Sharing offering plate comes to you, please give generously so UMCOR can continue to be there and to be hope in America and 80 other countries. Thank you. "

Many paragraphs in the Book of Discipline of the UMC direct us to support others through the Advance for Christ. Each year we have opportunities to support 6 specific Advance specials: Human Relations Day in January, One Great Hour of Sharing in March (UMCOR), Native American Ministries Sunday in April, Peace with Justice Sunday in June, World Communion Sunday in October, and United Methodist Student Day in November. But our giving does not end there as special needs arise throughout the year.

One UMCOR opportunity happened with the wildfire at Cross Plains, Texas, in December, 2005. Since then many of you have physically helped rebuild that community while others utilize other talents – prayers, presences, gifts, service. Thanks to all of you.

WE are also called to be educated members of our society. This is accomplished in the 21st century by internet education. These are a few UM websites that may be helpful to you and many have links to other helpful areas:

GLOBAL MISSION PARTNERS-5 STAR PROGRAM

Our highlights include an increasing number of churches participating in the 5 Star/Global Mission Partners program and an increased number of churches that support UM missionaries. Progress is being made to strengthen the relationship between the 5 Star/Global Mission Partner programs with the Covenant Partners program. Our goal is to encourage all 5 Star churches to become Covenant Partners with a missionary.

Proposed Program:

Recognition and Promotion of Programs

Goals: To recognize 80% of our annual conference churches as 5 Star churches.
To promote financial and prayer support for our missionaries in every congregation
To add 5 new churches to our list of Global Mission Partners

THE GLOBAL MISSION PARTNER PROGRAM recognizes churches that accomplish the following requirements:

Give 100% of apportionments
Have an ongoing program of mission education
Serve the local community through outreach
Establish a Covenant Relationship in support of a GBGM-trained missionary with $2,500 or $5 per church member per year
Pledge support for a Person in Mission sent by a partner church in another country at $1,000 or more per year (or $2 per church member per year)
Share your experience with two neighboring congregations

The FIVE STAR PROGRAM of the Central Texas Conference recognizes churches that accomplish the following requirements:

Give 100% of assigned apportionments
Have an ongoing program of mission education
Serve the local community through outreach
Contribute to a conference, national, international or UMCOR Advance Special
As a step toward becoming a Global Mission Partner, make a financial contribution of any size to a United Methodist missionary

HEALTH AND WELFARE

In 2006, the GoodNEWS program trained 32 Lay Health Promoters from 20 congregations in the Fort Worth and Mid-Cities Districts. Led by Dr. Mark J. DeHaven of UT Southwestern Medical Center, Dallas, the GoodNEWS program is a faith-based wellness program and stands for Genes, Nutrition, Exercise, Wellness and Spiritual growth. The Lay Health Promoters are trained, and they in turn promote healthful living in their local congregations. This program will be continued in 2007 and 2008 in the other CTC Districts.

Utilizing a portion of the Golden Cross offering for the purpose of preventive medicine, we offered local churches an opportunity to have a nurse from their congregation trained as a Certified Parish or Congregational Nurse, through one of several programs offered in the area. In 2006, at Annual Conference, we announced 9 scholarship winners, for our first annual presentation.

Proposed Programs:

Committee Training

Goal: To grow in knowledge of the needs and resources available

Administration

Goal: Travel to board meetings, which will occasionally include hotels and meals

Clinical Pastoral Training

God has blessed Aldersgate this last year with so many gifts. The staff has been amazed at bow He has caused things to happen just when they were needed. When we needed money to pay our bills, it showed up. When we needed a staff person to fill a particularly need, they were there. When we needed a bus for the group homes, the money was there to purchase it. God is good, all the time...

We have opened the second group home and it is nearly full. We have expanded the new home to house twelve which is up from nine in the first home. This allows us to come nearer breaking even in the home and holding the line on cost. We now are planning a third group home so we can provide even more help to those who need us. Our five year plan has a third group home, a multipurpose building with exercise facilities and offices, a chapel and a larger dining facility. We have expanded the clean-room by moving it to one of the old warehouses and that has opened up the old building for use as a kitchen.

Our campus is getting a real face lift and is looking more like a park than a former farm. There are plans to put in a RV park with rally facilities which will be a good source of income to help fund the scholarships at the group home. We presently have eleven full hookups for RV's and various groups bring their RV's and stay a week to help us with various projects during the year. Your group would certainly be welcome to come visit and if you wanted to do some work I'm sure that we could find something.

Aldersgate is going into its Sixteenth year serving God's special people. It has grown from six. Associates to eighty three and from two staff to more than thirty. We have twenty one living on campus and will soon begin to expand that number to thirty three. Many of our associates have no one to help them. They will live out their lives with the Aldersgate Family and will be called home by God, all from God's special place. Many of our people would have no place to go if it were not for the dedicated staff and friend of Aldersgate that are always looking for ways we can better serve them. Each of us thank those that have "been there" when we needed them and most of all thank God for his continual support of "1-us Place" If you have not been to see us iii a while, please plan a visit so we can show you the special people of Aldersgate. They make all that happens worthwhile. As we say in Texas, Y'all come.

Report No. 3
Building on a faith-based mission that is responsive to communities' physical, psychological, cultural and spiritual health needs

Fast Fact: THR employees raised $1,058,426 for the United Way in 2006.

Founded in the healing ministries of the United Methodist Church, Harris Methodist Hospitals' values are rooted in God's Spirit and reflected in the human spirit. THR defines health broadly to include body, mind and spirit.

The system's core values of Respect, Integrity, Compassion and Excellence guide all decisions, policies and practices. Caregivers are familiar with cultural nuances and provide culturally competent care with respect for diversity of spiritual understanding. The Department of Pastoral Care has a pastoral presence in each hospital as well as at THR headquarters. In addition, the Faith Community Nursing Program works with nurses within faith communities to support outreach through community religious organizations.

Nonprofit hospitals are the foundation of health care in North Texas, serving two out of three people,

and are critical to ensuring access to care. As part of our mission to improve the health of the community, THR reinvests excess revenue back into the community and exceeds state-mandated charity care and community benefit requirements.

The organization's people work outside the hospital walls, confronting health problems at their source with a commitment to primary prevention and early treatment. THR's community health professionals survey community needs and develop programs accordingly, with appropriate measurement of outcomes.

Report I.

Methodist Children's Home offers hope to children, youth and families through a nurturing, Christian community. This mission statement is the foundation on which we build the Christ-centered program at Methodist Children's Home. Twelve principles that guide the work of this ministry are supported by this foundation. The Methodist Children's Home principles are:

1. Greatness is expected of youth, but we recognize it may occur in their future.
2. Youth should have a sense of hope for the future, and feelings of joy every day.
3. Youth have a need for growth. They want to succeed, and they have the power to change and take positive control of their lives.
4. Seeking a higher purpose in our lives is ingrained in everyone. Religious and spiritual expressions are natural parts of our existence.
5. Youth are valued as individuals and accepted where they are in their lives. They should be empowered to participate in decisions that affect their lives. The decisions should be individualized, developmentally appropriate, and made in their best interests.
6. Transformation is accomplished through intentional, meaningful healing relationships that connect us to others.
7. Youth learn values and moral courage by interacting with and observing staff they respect and admire, and who are kind, nurturing, and caringly set limits and boundaries.
8. Our community helps youth identify and nurture their individual strengths and assets. Involvement in our community is an essential element for positive growth.
9. Achievement based on real accomplishments is necessary for development. Our community should provide a variety of opportunities for youth to develop and utilize their strengths.
10. Crisis is viewed as a normal part of growth. Crisis provides opportunities to mentor, teach, coach, guide, and empower, as well as to learn.
11. Serving others is essential in helping youth heal the pain in their lives.
12. We should be committed to each other and to each other's success. We should demonstrate responsibility and accountability in all of our decisions and actions.

Methodist Children's Home is nearing completion of its Strategic Plan. We are ahead of schedule on reaching our goal of doubling the number of children we serve from 500 to 1,000. We ended the year with over 4,000 additional days of care from the previous year. The need for services for at-risk children continues to be at an all-time high, and Methodist Children's Home is seeking to close that gap as much as possible. We have opened outreach offices in Corpus Christi and El Paso, and we continue to evaluate the scope of the specific services offered through our eight outreach offices in Texas and New Mexico.

With the support of the annual conferences, we downsized the Board of Directors to make it a more efficient and effective board. We have been blessed with the number of people who have helped lead Methodist Children's Home for the past several years and for the current Board of

Directors, which provides leadership for the Home.

We are visited frequently by representatives from child care agencies who want to learn more about the way we perform our duties. It is our goal to continue to provide leadership in the field of child care at Methodist Children's Home and in Texas and New Mexico.

Our Strategic Plan calls us to develop a program of support that assists high school graduates as they make the transition to college or the workforce. As a result, we implemented a transition services program last fall that enables our staff to provide support for former residents until the age of 25. The Home is also addressing an important need through a new Grandparents As Parents Program, which offers services for the increased number of grandparents who are serving as primary caregivers for their grandchildren.

Methodist Children's Home appreciates the support of United Methodists in Texas and New Mexico, which enables us to provide the highest quality of care and services for at-risk children, youth and families.

We thank you, the Central Texas Annual Conference, for your partnership in this ministry we call Methodist Mission Home. "Partnership" truly means serving our neighbors together. Working as a resource to your churches and congregations, MMH brings hope and joy to the children, youth and families we serve.

One by one, thousands have been welcomed faithfully by Methodist Mission Home. For 112 years we have sheltered and empowered God's children, from the vulnerable and confused pregnant teen who wants a loving home for her unborn child, to the youth with disabilities seeking to learn how to make their own home in the world. With your help, our work has given God's Children a Faith, a Family, a Future.

MMH Ministry

Today, the mission of Methodist Mission Home is to serve people who are experiencing major life transitions so they may reach their goals and realize their dreams. MMH fulfills this mission through the following programs:

- **Family Services** has placed 5,652 children into loving homes through domestic, older child, and international adoptions. We provide counseling for birth parents and adoptive families throughout the adoption process. Our maternity services include campus housing for pregnant teens and young women considering adoption. Post-adoption counseling is available for birth parents, adoptive families, and adoptive children. "Is Parenting Harder Than You Thought?" provides training through our Parenting Alternatives curriculum to teach teens and the professionals who work with at-risk youth about the alternatives to parenting – adoption and voluntary foster care.
- **The Southwest Center for Higher Independence (SCHI)** For many teens, graduation from high school means moving on to college. For students with multiple disabilities, college is not always the next step. For these young adults, ages 18 and older, SCHI is the next step. Established in 1974, SCHI was founded as a transitional education center for people who were deaf and hard of hearing. Today, our services have expanded to accommodate more diverse disabilities. SCHI has assisted hundreds of young adults with disabilities in learning the vocational and life skills to achieve their personal best.

- **The Genesis Cooperative** is a self-supporting collaboration of five nonprofit agencies on the MMH campus serving youth and young adults with disabilities, pregnant teens and young women, women recovering from substance abuse and their children, and adults who are deaf/blind.

2006 Year in Review

- Family Services served 67 pregnant teens and young women considering adoption, 20 resided in our 13-bed Maternity Center. 35 babies and children were placed with loving adoptive families. 60 adoptive families were served.
- The "Is Parenting Harder Than You Thought?" initiative connected with 89 professionals who work with at-risk youth, trained 7 professionals in the Parenting Alternatives curriculum, received 5 intake calls and placed 4 children in voluntary foster care. Next year, this initiative expects to increase the impact on reducing child abuse and the number of children in state foster care through education and resource referrals to at-risk teens.
- SCHI, Southwest Center for Higher Independence, enrolled 36 new students and increased our monthly average students from 26 to 34 young adults with disabilities from across Texas and the U.S. The customized transitional education for young people with multiple disabilities, such as hearing impairment, learning disorders and physical disabilities helps them to overcome barriers and achieve their personal best through vocational and life skills training.
- The Genesis Cooperative welcomed our newest non-profit partner, San Antonio Food Bank. In collaboration with the San Antonio Food Bank, we provided a basic culinary training program for our SCHI students that opens the door for job placement in a commercial kitchen.

The past 5 years, Methodist Mission Home has intentionally extended radical hospitality to accomplish our mission. Many of our residents emerge from the isolation of being considered "different" within their families, neighborhoods and communities. Our MMH community welcomes them as one who has unfulfilled potential. As a result, Methodist Mission Home has been transformed into a vibrant, interactive community – a place where our neighbors are empowered and enriched in their spiritual and physical lives.

WESLEYAN HOMES, INC.
1105 Church Street
Georgetown, Texas 78626 (512) 863-2528

The Restated Articles of Incorporation of Wesleyan Homes, Inc. appear on pages 147 of the 1993 *Journal* with Amendments on page 153 of the 1997 *Journal,* page 157 of the 1998 *Journal* and page 155 of the 2002 *Journal.* The By-Laws of Wesleyan Homes, Inc. appear on pages 173-178 of the 1991 *Journal.* The Relationship Statement between the Central Texas Conference and Wesleyan Homes, Inc. is found on pages 178-179 of the 1986 *Journal.*

The Central Texas Conference created Wesleyan Homes 52 years ago and the Wesleyan Retirement Home opened its doors in 1962. The Wesleyan Nursing Home opened in 1978 and was expanded in 1986 and 2000. The Central Texas Conference elects Wesleyan's Board and our charitable support for resident care comes from the churches of the Central Texas Conference as well as from individual donors. We give thanks to God for the faithfulness of the Church as it supports Wesleyan Homes through the Mother's Day Offering and through volunteers serving the Wesleyan residents in a myriad of ways.

Benevolence

In 2006, Wesleyan Homes was home to 525 older adults and gave $1,410,623 in charitable care. Wesleyan received $14,863 from the Mother's Day Offering and other giving through the churches in the Conference.

Two Major Expansions of Wesleyan Homes in Georgetown

Wesleyan completed a one and a half million dollar capital fundraising campaign at the end of 2005. This strong community support enabled us to begin construction in Spring 2006 on a new 124 apartment independent living retirement facility.

A. New Independent Living on Williams Drive

Our new continuum of care campus will be located on a wooded 30 acres site on Williams Drive, between IH-35 and Sun City. This new setting for our independent living ministry will be accessible at a monthly cost *most* elders can afford and *all* can access when our Benevolent Program assistance is discretely needed. Future phases include independent cottages, assisted living, skilled nursing, and Alzheimer's care.

B: Complete Renovation of our University Avenue Campus to Affordable Apartments for Active Elders

Wesleyan Homes is planning to transform the current Retirement Home on University Avenue into affordable apartments for the elderly; a new phase of our continuum of care in Georgetown. We have been awarded Affordable Housing Federal Tax Credits from the Texas Department of Housing and Community Affairs. These tax credits will allow us to completely rehabilitate the living quarters in this solid four-story structure in the heart of Georgetown into 51 fully equipped modern apartments for persons sixty-two and older. Best of all, this method of financing makes the apartments available to the many elders in our community who live on limited incomes. The new Retirement Apartments will be managed and operated by Wesleyan Homes.

Elsewhere in the Conference

Wesleyan is also looking for locations in the northern part of the conference where a market need can be demonstrated and where local United Methodists are willing to work and pray and give so that a new ministry can be developed and nurtured. Regretfully, Wesleyan cannot come into your community and do it for you. But working together, we can do it with you. The new campus in Georgetown took the price of 30 acres of land as well as charitable giving in the amount of $1.5

million. A similar project would require a similar commitment by a local community. Is it worth it? A whole lot of folks in Georgetown think so, especially when they see a responsive organization putting elders ahead of profits, providing innovative and high quality gracious living environments, and taking in people who cannot afford the full cost of housing and services. Georgetown thought so in 1960 when they voted to give their city park to the Central Texas Conference's Wesleyan Homes. We hope your community can some day know the difference a church related not for profit ministry for its elders can make. If you are interested in learning more, please give us a call.

Wesleyan Values

- We believe God calls Wesleyan Homes to provide elder communities which promote spiritual, emotional, intellectual, and relational well-being for our residents, their families, and our staff.
- We value excellence in aging and believe all elders are entitled to dignity, respect, independence, self determined choice, and active days, based on their physical and emotional abilities, needs, and potentials.
- We believe the church expects that all elders will enjoy a decent standard of living in which safety and well-being are assured and that Wesleyan Homes is called to advocate for this standard.
- We develop all aspects of our ministry to demonstrate Christ's commitment to provide communities of hope for all elders among us, including those on life's lonely economic and social margins.
- We embrace all elders, regardless of their culture, religion, or family status, as persons of worth and dignity and as invaluable spiritual resources for God's community.

We are very grateful that the Central Texas Conference has created and nurtured the ministry of Wesleyan Homes.

WITNESS MISSION COUNCIL

Budgeted 2007: $15,900 Requested 2008:$17,100

This year the Witness Council has continued the formation of two of its component Task Forces, Evangelism and Campus Ministry. Leaders are in place, and the two Task Forces have been accomplishing their work while also spending considerable time discussing and studying how best to move into God's future in these two crucial areas. Strategies are underway to help each church and each campus ministry unit in the Central Texas Conference enhance its effectiveness and sharpen its witness for Jesus Christ.

We appreciate the Annual Conference focus on Witness this year. The initiative taken by Bishop Chamness and the Cabinet, encouraging and resourcing each local church for a September emphasis on Witness, Nurture and Outreach during Open House month was a tremendous boost. Each local church that followed through by using the teaching and preaching resources has played a critical role. Only the witness of the local churches and individual Christians will accomplish the mission of "making disciples."

At the conference level, we continue to seek the best ways to train and inspire all of us to take up the charge and act on the mission of the Church. At the Conference Leadership Summits, the Evangelism Task Force has sponsored parts one and two of training by Dr. Woody Davis in faith sharing. At this year's Spring Leadership Summit, the Witness Council brought Joy Griffin, co-founder and international director of the International Leadership Institute, to present "The Power of Personal Testimony."

Since the beginning of 2007 each edition of The Central Link has included the personal faith testimony of a clergyperson or layperson from our Conference. The collection of those stories will be available from the Conference website, and a printed edition of those stories will be distributed at Annual Conference in June. We thank each one who has contributed a witness to faith. We pray that this tool will be used to encourage each Central Texas United Methodist Christian to formulate his or her own faith story and be ready to share it when opportunities are opened by the Holy Spirit.

We celebrate the congregations in our Conference who have been recognized as "Welcoming Congregations" by the Ingiting Ministry Campaign of the UMC. We encourage all churches to seek that certification, and to continue to improve that welcome each year.

Mary Gean Cope, Chair –RevMGC@sbcglobal.net

Proposed Program:

Meeting Expenses and Travel

Goal: Meet at least quarterly to plan and evaluate

EVANGELISM

This last year, the Evangelism Task Force focused on the Great Commission given by Christ to his disciples "to go make disciples of all peoples." This past year excitement for faith sharing has grown. We sought to empower and educate pastors and laity in the Central Texas Conference to share their faith in natural ways.

This next year, the Task Force will provide educational opportunities; empower faith sharing opportunities; and encourage laity and clergy alike to share their faith with people who are looking for answers to their deepest needs.

Proposed Program:

Education and Promotion

Goal: Foster energy and excitement about reaching people for Jesus Christ

Jan Baldwin, Chair – fhumc@sbcglobal.net

CAMPUS MINISTRY

The Campus Ministry Task Force is completing the first year in its new structure which brings together an officer group, a representative from each of the seven campus units' student participants and boards of directors, and the seven campus ministers who serve as ex- officio members. The year-long process calls for three phases: (1) report and evaluation of ministries, (2) review of unit

budgets, and (3) visioning for ministry.

In response to findings in this process, the Task Force gained approval of the Mission Leadership Team for an independent "Financial Responsibility and Funding Consistency Study" to be conducted over the next year and reported at the 2008 Annual Conference.

In 2006 we welcomed the addition of the Wesley Foundation at Weatherford College. We appreciate the nurturing ministries that are taking place in all of our campus units, and look forward to supporting this vital ministry to students on collages/university campuses in our area.

Proposed Programs:

Meeting, Travel and Administration

Goal: Provide coordination and strategic planning for campus ministry

Local Church Campus Ministry

Goal: Encourage support of campus ministry starts and develop new opportunities for ministry

Campus Ministry Events

Goal: Foster cooperation and interaction among students, campus ministers and chaplains by encouraging them to attend regional/national events as well as establish such programs within the conference

Transitional Unit Development

Goal: Continue support of developing campus ministries

CANDLER SCHOOL OF THEOLOGY

www.candler.emory.edu

Report to the Central Texas Annual Conference

Candler School of Theology is grounded in the Christian faith and shaped by the Wesleyan tradition of evangelical piety, ecumenical openness, and social concerns. Its mission is *to educate—through scholarship, teaching and service—faithful and creative leaders for the church's ministries in the world*. These purposes define Candler's role as a school of Emory University and of the United Methodist Church and point to the unique challenges and opportunities we face in leading a national research university in re-discovering what it might mean to relate to a major denomination.

Our school, unique in its placement within a top twenty research university and its commitment to educate pastoral and academic leadership, is poised to play an active role in the positive transformation of the church and the world. Religion has bound and divided communities since the beginning of time and now is no different. When polled about their research, over three hundred Emory professors named "religion" as a theme in their work. Ethically aware, theologically profound voices are desperately needed in our society, and Emory draws on its Methodist heritage and looks to Candler to bring wisdom, clarity, compassion, and tolerance to the conversation. For example, Mary Elizabeth Moore, professor of religion and education, is co-chairing one of our university strategic initiatives, "Understanding Religions and the Human Spirit."

Candler's faculty continues to be among the most distinctive in theological education. Forty-six members hold full-time appointments, and six hold part-time appointments. An additional fifteen serve in an adjunct capacity. Woodie White and Jack Meadors serve as the United Methodist bishops in residence. Bishop L. Bevel Jones III remains at Candler working with the Development Office.

In our commitment to the practice of ministry, we partner with eighty churches to ensure that ministerial preparation takes place in both the local church and on the campus. Candler's Contextual Education program intentionally pairs a faculty member with supervisors from church and community ministries so that teaching teams represent the church and the academy. Twenty-nine teaching supervisors support our Contextual Education and Teaching Parish (student pastor) programs. Dr. Alice Rogers has broadened the Teaching Parish program, and it now includes students appointed to churches in the Alabama-West Florida, North Alabama, North Georgia, South Georgia, and South Carolina Annual Conferences.

This year, enrollment was 510, with 396 in the Master of Divinity program, 59 in the Master of Theological Studies program, 20 in the Master of Theology program, 9 in the Doctor of Theology program and 26 enrolled as Special, Non-Degree students. Eighty-three percent of students are enrolled full-time. The student population is 23% US ethnic minority, 10% international, and 51% women. More than 50 denominations are represented with 56% of MDiv students being United Methodist from 34 Annual Conferences. Other denominations of the Methodist family represented at Candler include African Methodist Episcopal, Free Methodist, Wesleyan Methodist and the Methodist Church of Korea.

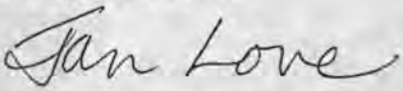
Good things are happening as we develop and put into action a plan for the life-long learning of church leaders. A group of leaders in life-long learning, including a number of United Methodists, have given advice on enhancing our programs. Our Institute of Preaching and Pastoral Renewal led a group to the Holy Land after having taken a course in continuing education and funding for this program has been renewed for 2007. Information on upcoming events is available at www.candler.emory.edu.

Groundbreaking on Phase I of our new building is planned for spring 2007. Our full project—two buildings—will provide faculty and administrative offices, state-of-the-art classrooms, new library facilities, a teaching chapel, and space for the University's Ethics Center. The University plans to gather its rich religious resources within and near the Candler facilities to create a "religious complex" centered around Candler.

The faculty has begun to implement an inspiring strategic plan that calls for the facilities noted above, new faculty chairs, program support, and increases to our scholarship endowment. This year, 77% of eligible students received scholarship support from Candler with an average scholarship covering 78% of tuition. Gifts from the Methodist Education Fund (MEF) have played a large role in this support. However, so much more still needs to be done. More than 60% of Candler's MDiv graduates leave school with educational debt. This burden undermines their effectiveness in ministry, such that some seek alternative employment. Your continued support, gifts, and prayers mean a great deal as we work to provide a strong educational program as well as support for the courageous and committed students who choose to undertake the challenge of theological education.

I am honored to be Candler's dean as of January 2007. I am deeply grateful for the leadership of Russell Richey in the previous six years and for his help in ensuring a smooth transition. I look forward to his continued, powerful presence at Candler as a leading scholar of Methodism, as a teacher, and as one who makes significant contributions to the life of the church. Thank you for your many expressions of welcome and for your support of Candler. I very much look forward to getting to know you all better in the months and years ahead.

Sincerely and with thanks,



Jan Love, Dean and Professor of Christianity and World Politics

HUSTON-TILLOTSON UNIVERSITY MISSION

Huston-Tillotson University helps the Central Texas Conference achieve its mission and vision through our own mission to provide the University's diverse student body with an exemplary

education that is grounded in the liberal arts and sciences, balanced with professional development, and directed to public service and leadership.

The University prepares students with the integrity and civility to thrive in a diverse society, fosters spiritual development, preserves and promotes interest in the accomplishments and experiences of the University's historic constituents and evolving populations, and creates and sustains supportive relationships that advance the Huston-Tillotson University community. We achieve our mission through the diversity of our student body, the global perspective of our educational programs, and the defined opportunities for spiritual growth and civic engagement.

UNIVERSITY PROFILE

Enrollment

Huston-Tillotson University reached a twenty-five year enrollment high with 742 students enrolling in the fall of 2006. Segmentation of our student population by gender reveals an important factor regarding male enrollment. Our student population consisted of 337 males (45%) and 405 females (55%); this is significant because many universities report decreases in male student enrollment.

The racial/ethnic composition of our student population is as follows: Hispanic – 12%; White, non-Hispanic – 8%; Asian/Pacific Islander – 1%; Nonresident Alien – 2%; and Black, non-Hispanic – 77%.

Faculty

In the fall of 2006, the University employed 37 full-time faculty members. The race/ethnic composition of the faculty is as follows: Hispanic – 7%; White, non-Hispanic – 32%; Asian/Pacific Islander – 11%; Black, non-Hispanic – 51%. Twenty-eight members of our faculty (76%) have the terminal degree in their teaching field.

PRESIDENTIAL AND INSTITUTIONAL ADVANCEMENT ACTIVITIES

On October 27, 2006, the Old Administration Building, which was vacant for 37 years, was reopened and renamed the Anthony and Louise Viaer–Alumni Hall. Once described as "statuesque but dilapidated," "abandoned but not forgotten," the Old Administration Building now has a new name and a new life.

The 92-year old, three-story building is listed in the National Register of Historic Places and carries a Texas Historical Marker as a Texas Historical Site. Housed in the building along with the Heritage Wall of Investors are: the Bertha Sadler Means African American Heritage Resource Center, Wachovia Business Resource and Training Center, Dell Computer Laboratory, Coe-Robinson Alumni Conference Center, and the Austin Community Foundation Conference Room. Huston-Tillotson is expanding to meet campus and community needs.

ACADEMIC PROGRAM HIGHLIGHTS

College of Arts and Sciences (CAS)

Student Development

The College of Arts and Sciences is strengthening the academic preparation of its students through the revitalization of honor societies and student clubs in all degree areas. Currently the following honor societies exist on campus: **Department of Natural Sciences and Mathematics** - Beta Kappa Chi Honor Society and National Science Institute – 23 students; **Department of Humanities and Fine Arts** - Alpha Kappa Mu – 12 Students and Sigma Tau Delta - 4 students; **Department of Social and Behavioral Sciences** - Pi Gamma Mu – 15 students; **Department of Teacher Education and Kinesiology** - Education Club - 20 students.

Student Research Initiatives

Departments in the College of Arts and Sciences are focusing on activities that aid student learning through inquiry and discovery. A major activity derived from this is the annual Research Day Program that culminated in 16 student research projects and the publication of HT's first student Research Day journal. Papers in the journal ranged from an article about an HT alumnus who

worked in the atomic fission project at Los Alamos to the work of HT students in health projects focusing on HIV-AID education for residents in East Austin communities. Student research activities were documented in each department and included the work of three biology majors who studied the ecology of the tropical rain forest in Costa Rico.

HT students are also encouraged to pursue Foreign Service careers with the US Department of State, US AID, Peace Corps and through other agencies. Ambassador Greg Engle a Diplomat In-Residence at the University of Texas at Austin visited HT and provided information about careers in the Foreign Service. The University will host a seminar in March 2007 to highlight Foreign Service opportunities. HT students have also applied for the Charles Rangel Summer Foreign Service Internship Program which provides for interns to work in congressional offices and State Department bureaus during the summer months.

Faculty Development

HT faculty members have been actively involved in faculty development programs.

Six HT faculty members attended New York University Faculty Development summer workshops in 2006. Others participated in workshops in Hawaii and Puerto Rico. The University's environmental education, safety and health program for employees and students is being strengthened by workshops attended by HT officials who will offer mini-seminars on campus for HT faculty and staff. Faculty members have made significant strides in grant writing.

School of Business and Technology (SBT)

2006 NBMBAA Annual Conference

Four HT business students attended the 2006 NBMBAA Annual Conference in Atlanta, Georgia. This conference was promoted as the country's "largest professional recruiting and networking event". Living up to that billing, there were almost 15,000 in attendance representing business professionals, corporate and graduate school recruiters, executives, entrepreneurs and students. This annual conference delivers critical resources which help students gain valuable insights toward achieving leadership success. One of several seminars that the HT students attended was *Leadership Out of the Box*. At this seminar, leadership was taken beyond the norm by studying the lives of extraordinary leaders and engaging in self-analysis. In addition to the professional development seminars, the students were presented with the opportunity to visit with over 300 college and university representatives who were recruiting for their respective graduate business programs. This conference proved to be very successful for the HT students as each student was offered a graduate school scholarship.

Fulbright Language Teacher

In August 2006, Xuefeng (Sam) Bai began his year-long tenure as a Fulbright Scholar In-Residence at Huston-Tillotson University. He commenced his instruction of a small class of students studying Mandarin Chinese Language I. In spring 2007, Professor Bai will teach Mandarin Chinese II as well as a Chinese History/Culture course. Professor Bai earned his Bachelor of Arts degree in English in 1997 from Northwest Normal University. He also holds the Master of Arts degree in English from Xiamen University. He earned the Masters degree in 2000. Currently, he is pursing graduate studies as a doctoral candidate in International Relations at Xiamen University. He expects to graduate in 2008.

Youth Entrepreneurial Institute

Last summer, nineteen high school students from throughout metro Austin graduated from the NAACP Reginald F. Lewis Youth Entrepreneurial Institute (YEI) at Huston-Tillotson University. YEI is a 5-week summer program designed to provide middle school youth with an opportunity to learn how to develop a business plan and turn it into a successful business venture. The overall goal of the program is to inspire minority youth to view entrepreneurship as an option for success and to teach them the skills required to become successful business owners.

Texas Association of Developing Colleges (TADC) Ethical Student Leadership Conference

Five students recently represented Huston-Tillotson at the TADC Ethical Student Leadership Conference held at Wiley College on February 1-4, 2007. Awards were given to students based on demonstrated leadership on their respective campuses and participation at the conference. Three students were recognized: Mr. Damian Spencer, New Emerging Student Leader Award, Ms. Brittany Thomas, Presidential Ethical Student Award, and Mr. Matthew Morris, Outstanding Student Leader Award. HT also received an overall award for the institution's stellar participation at the conference.

PASS Program

The Division of Student Affairs continues to develop the Pathways to Academic Socialization and Success (PASS) program. The goals of the Huston-Tillotson (HT) Pathways to Academic Socialization and Success (PASS) program is to ensure the design and implementation of an effective intervention system to develop first generation college students' academic and social skills in order to increase the rate of persistence and graduation. Initiated in August 2005, the PASS summer program included sessions on adjusting to college life, preparation for college level work, and special assistance with core subjects such as writing. This same cohort of students participated in the PASSAGES Learning Community where they attended various academic, leadership and career development seminars. In October 2006, Student Affairs collaborated with Institutional Advancement to secure $100,000 in funding from the Texas Guaranteed Student Loan Corporation to continue the program. Planning is underway for the PASS/PASSAGES Program 2007.

PASSAGES Program

The PASSAGES Learning Experience is designed as a continuation of the PASS summer program. Its goals are to ensure the design and implementation of an effective intervention system to develop first generation college students' academic and social skills in order to increase the rate of persistence and graduation. The PASSAGES Learning Experience is a thematic learning community which integrates the academic curriculum and co-curricular programs with special emphasis on critical thinking, writing, technology, and ethical leadership. Students have opportunities to interact with faculty in formal and informal settings as well as discuss academic progress, current events, and participate in various programs and cultural activities.

Honda Campus All-Star Challenge (HCASC)

In 1989, the American Honda Foundation established the Honda Campus All-Star Challenge (HCASC) to provide college bowl competitions at America's Historically Black Colleges and Universities (HBCUs). HCASC provides opportunities for leadership development and professional networking as well as a platform to showcase students' academic talents at HBCUs. Each year, the top 64 institutions compete in the National Campus Tournament (NCT) held in Orlando, Florida. This year, more stringent criteria were used to increase the level of competitiveness. Huston-Tillotson qualified as one of the Strong 64 institutions to attend the NCT to be held on April 11-16, 2007.

Student Health Services

The HT Health Connection e-health community empowerment program collaborates with other community based organizations to empower our campus and underserved populations in our community with health information from the National Library of Medicine. Our objective is to provide participants with the basic background knowledge and information about racial disparities in health. We train participants to conduct informational sessions that enhance consumer awareness. Our consumers are informed about the following through online health access: HIV/AIDS, Heart Disease, Cancer, Mental Health and Diabetes. Informed consumers can benefit by having a better quality of life.

Athletics

The mission of Huston-Tillotson University Athletics is to provide opportunities for competition in intercollegiate athletics while ensuring an atmosphere that emphasizes academic and athletic excellence. We strive to ensure that all of our student-athletes are "Champions of Character" and model the values of Respect, Responsibility, Integrity, Sportsmanship, and Servant Leadership. The Athletic Department is committed to the principle that participation in athletics is integral to the total educational process, as well as to the personal growth of each student-athlete. HT is a member of the NAIA (National Association of Intercollegiate Athletics) and the Red River Athletic Conference (RRAC).

The Department of Intercollegiate Athletics is composed of 13 intercollegiate sports (men's and women's indoor and outdoor track, women's cross country, volleyball, baseball, men's and women's basketball, men's and women's soccer, and men's and women's golf – the last three sports were launched within the last year.) Intercollegiate Athletics currently serves 150 student-athletes, approximately 20% of the student body. Last spring, their combined GPA was 2.78. In the Fall of 2006, men's soccer took home a first-ever RRAC Post-Season Tournament Championship, and men's and women's golf teed off for the first time in 25 years.

Huston-Tillotson University is proud of its United Methodist heritage and affiliation and strives to provide a wholesome and open learning environment that encourages recognition of individual worth and merit.

The Kresge Foundation issued a Challenge Grant of $450,000 for the completion of the renovation and expansion of the Holter Center for Renewal. The expansion project added 20,000 square feet to the existing building, incorporating a 90-seat video conferencing classroom, meeting rooms, a new kitchen, computer lab, bookstore, exercise room, and student lounge area. Prosser-Wilbert Construction received an Excellence in Construction Award for their work.

The seminary was awarded a grant from Arthur Vining Davis Foundations after graduates gave significantly to meet the foundation's challenge. The grant of $150,000 enables Saint Paul School of Theology to purchase technology equipment for the Holter Center video conference classroom.

Henry Luce Foundation awarded Saint Paul School of Theology a one-year grant of $125,000 to support an interfaith academy for emerging religious leaders and religious education professionals. The Interfaith Academy for Emerging Religious Leaders is a two-week course for people in training for leadership in their respective traditions. The Interfaith Academy for Religious Professionals is a week-long course for people already active in religious leadership. The Academy is made possible by a partnership between Saint Paul, Religions for Peace-USA, The Pluralism Project at Harvard University, and the Greater Kansas City Interfaith Council.

Saint Paul works cooperatively with several other institutions in developing distinctive programs for ministerial leadership. Centenary College of Louisiana has one of the largest undergraduate programs in church careers. The partnership between Garrett-Evangelical and Saint Paul School of Theology offers a cooperative set of courses via video classroom at Centenary to allow students in the Louisiana area to begin studying for a master's degree.

Saint Paul School of Theology will partner with Hyupsung University in Hwa-Seong, South Korea to offer a Korean Doctor of Ministry track in "Wesleyan Spirituality and Congregational Renewal" beginning June 2007. Offered to both Korean and Korean American students, the track will consist of 30 semester credit hours over a 3.5-4.5 year period.

Oklahoma City University and Saint Paul School of Theology are in a year of study to determine the feasibility of establishing an extension Saint Paul site at Oklahoma City University. A plan will be presented to the board of trustees of both institutions at their respective meetings in spring 2007.

New faculty books include *John: Storyteller, Interpreter, Evangelist* by Warren Carter (Hendrickson Publishers, 2006), *Negotiating Rome's Empire and the New Testament: An Essential Guide* by Warren Carter (Abingdon Press, 2006), *The Fully Alive Preacher: Recovering from Homiletical Burnout* by Mike Graves (Westminster John Knox Press, 2006), *Sharing Food: Christian Practices for Enjoyment* by L. Shannon Jung (Fortress Press, 2006), and *Transforming Evangelism: The Wesleyan Way of Sharing Faith* by Henry H. Knight III and F. Douglas Powe, Jr. (Discipleship Resources, 2006).

The trustees, faculty, staff, and students of Saint Paul thank you for your interest, prayers and support.

PERKINS SCHOOL OF THEOLOGY

Southern Methodist University, Dallas, TX 75275
214-768-2138

Our work at Southern Methodist University's Perkins School of Theology, one of the thirteen theological schools of the denomination, shapes leaders who know that conventional wisdom is not the final word of God, for God has been made fully known in Jesus Christ. Such preparation requires dedicated study, scholarly research, and a passionate commitment to teaching. And those qualities are the strength of the United Methodist educational mission at Perkins School of Theology.

To be true to this mission, we have continued to strengthen our faculty and encourage its members to research, write and speak to help shape the life of our church. Last year we welcomed three outstanding new professors: Dr. Ted A. Campbell, a renowned Wesley scholar, as associate professor of Church History; Dr. Christopher Anderson, organist and scholar of church music, as associate professor of Sacred Music; and Dr. Jessica Boon as assistant professor of Church History, with work focusing on medieval and early modern Christian mystical texts.

Additionally, Roberta A. Schaafsma, formerly of Duke Divinity School Library, has been appointed as the J.S. Bridwell Foundation Endowed Librarian at Bridwell Library; and Dr. Barry E. Hughes, an ordained elder in the Louisiana Annual Conference, joined Perkins as associate director of the Intern Program.

Our faculty continues to serve the church and the academy in their publications. Among the recent works are the following that have written to and for the church:

- *Crossing the Threshold of Divine Revelation* by William J. Abraham, Albert Cook Outler Professor of Wesley Studies
- *Los doce profetas menores* by Alejandro F. Botta, assistant professor of Hebrew Bible
- *From Eden to Babel* by Richard D. Nelson, W.J.A. Professor of Biblical Hebrew and Old Testament Interpretation
- *The Sacred Selves of Adolescent Girls* by Evelyn L. Parker, associate professor of Christian Education
- *Let Every Soul Be Jesus' Guest* by Mark W. Stamm, assistant professor of Worship
-

The past year also saw the establishment of a Center for the Study of Latino/Christianity and Religions. The mission of the Center is to promote a deeper understanding of the varieties of religious life and expression within the Latino communities in the United States and in Latin America. Already known for its Mexican American Program, Perkins seeks to strengthen and deepen its engagement with Latino/a reality through educational programs, the generation and promotion of research and the dissemination of knowledge. The Center will address topics and issues related to the Latino/a religious experience within a broader ecumenical and religious context, as well as attention to international dynamics and realities. The Center is directed by Dr. David Maldonado, president *emeritus* of Iliff School of Theology and former associate dean for Academic Affairs at Perkins.

Within this realm of challenge and change, we work not only to prepare our students in the classrooms, we are also looking forward to future generations of students and to providing them with the facilities they will need to prepare for ministry. The Perkins-Prothro family of Wichita Falls, whose financial support of the School spans three generations, has given an additional $6 million to the school. This donation will provide approximately half of the funds required to renovate the two early 1950s classroom and office buildings, Kirby Hall and Selecman Hall, and to build a 28,000-square-foot building to be named in honor of Elizabeth Perkins Prothro. The $6 million constitutes a combined gift from the Perkins-Prothro Foundation and Mrs. Prothro, daughter of the late Joe J. and Lois Perkins, who endowed the SMU Theology School in the early 1940s. The school was named in their honor in 1945.

A challenge grant established by the Texas Methodist Foundation through the generosity of an anonymous donor will match all gifts, up to a total of $1 million, for the new building program. The partnership among the Texas Methodist Foundation, the anonymous donor and Perkins is a strong indicator of the vital relationship that links the mission of the theological school and the mission of the church.

All of this–a strong, faithful, active, and productive faculty, along with the visionary thinking building for the future–shows that we at Perkins are dedicated to preparing women and men for faithful leadership in Christian ministry. That is our mission. We prepare people to lead in the public arena. We are rooted in a tradition that does not keep the world out, but goes out into the world as faithful disciples of Jesus Christ. It is the tradition expressed by Charles Wesley, whose 300th birthday we mark this year, when he invited the church to sing about the importance of uniting "Knowledge and Vital piety." That is what we do at Perkins in preparing women and men for ministry, our commitment continues to both. Higher learning. Real Experience.

SMU continues to advance among the nation's major private universities as it moves toward the Centennial celebration of the University's founding in 1911 by the Methodist Episcopal Church. Listed below are some highlights of the past year:

- SMU's total fall 2006 enrollment was 10,941, including 6,296 undergraduates and 4,645 graduate and professional students. The minority enrollment, excluding international students, makes up 21 percent of the student body. The fall enrollment included 746 international students from 86 countries. The average SAT score of the first-year class rose nearly 80 points in the last seven years.
- National searches are underway for successors to two SMU vice presidents. Thomas W. Tunks is serving as interim provost and vice president for academic affairs during 2006-07, following the resignation of Robert Blocker. James E. Caswell, vice president for student affairs, will retire in May 2007 after 40 years of service to SMU. William B. Lawrence, dean of Perkins School of Theology, will assume his responsibilities for church relations. The University hopes to fill both vice presidencies by summer.
- José Bowen, distinguished musician, scholar, and educator, became dean of Meadows School of the Arts upon the retirement of Carole Brandt. Bowen previously was the fine arts dean at Miami University in Ohio.
- The George W. Bush Presidential Library Site Selection Committee announced that it would enter into further discussions with SMU as the next phase of its process to choose a site for the library.
- A gift of $6 million from the Perkins-Prothro family of Wichita Falls will launch a building program for Perkins School of Theology. Plans include extensive renovation of Kirby and Selecman Halls and construction of a new building for education and community uses. A challenge grant, established by the Texas Methodist Foundation through the generosity of an anonymous donor, will match all gifts up to $1 million for the Perkins building program.
- The Meadows Foundation pledged $33 million to Meadows School of the Arts and its Meadows Museum. The gift included $25 million for museum acquisitions, exhibitions, and education programs; and $8 million to the school for faculty and student recruitment and enrichment, as well as facilities maintenance.
- The campus has added 17 new or renovated facilities since 1998, most of them funded by The Campaign for SMU. The latest are the J. Lindsay Embrey Engineering Building, built to gold-level environmental standards; and the expanded Dedman Center for Lifetime Sports, providing state-of-the-art fitness and recreation facilities.
- A new Family Research Center opened as part of SMU's Department of Psychology. The center received a federal grant for a project that provides follow-up visits to women and

children who have left women's shelters. The project addresses mental health problems of children who are victims of family violence.

- A group of 20 Perkins School of Theology students explored Christianity in Palestine and Israel as part of a new program in global theological education. Other Perkins students studied the culture of Mexican Methodism, with a focus on ministry to the aging, in Mexico City.
- Under interim director Joy Roberson, the SMU Wesley Foundation ministry continues to thrive. Small-group student activities have increased in number and size. Through a successful capital campaign, the Foundation completed payments on the Wesley House property, which was acquired from SMU.

We are pleased to have Bishop Alfred L. Norris on the SMU Board of Trustees as the successor to Bishop Rhymes H. Moncure Jr., following his untimely death. SMU treasures its Methodist heritage and maintains a particularly close relationship with Highland Park United Methodist Church and its senior minister, the Rev. Mark Craig, an SMU trustee. I enjoy serving as guest preacher at that church each fall. We ask your continued prayers and support as SMU moves forward in the coming year.

SOUTHWESTERN UNIVERSITY

www.southwestern.edu

Founded by Methodist leaders as Texas's first institution of higher learning, Southwestern University continues to value honesty, integrity, and high ethical principles within a community that welcomes and respects different ideas, perspectives, cultures, and beliefs. Remembering this as we assess our recent progress, 2007 marked the completion of two major projects at Southwestern University. One was the publication of a new comprehensive history of the University written by University Historian Bill Jones. *To Survive and Excel: The History of Southwestern 1840-2000* is the first major history of Southwestern published since 1973.

At the same, the University also completed its first major market research project in more than 15 years. This project, which was done with the assistance of an outside research firm, involved surveying both alumni and prospective students to determine Southwestern's key strengths and how we are perceived in the marketplace.

This research – particularly the alumni component – documented what we have suspected for a long time: that Southwestern University is a place that engages minds and transforms lives. As a result of this research, we have decided to adopt "Engaging Minds, Transforming Lives" as the new "theme" for Southwestern. This theme – and stories that underscore what it means – will start appearing soon on Southwestern's Web site and on printed materials produced by the University.

The full descriptive statement we have embraced is as follows:

Southwestern University transforms lives. The University engages students in challenging intellectual, social, and cultural experiences that profoundly affect their ideas and values. When they leave this campus, students are prepared to transform their communities, families, and careers—to make a better world. Founded by Methodist leaders as Texas's first institution of higher learning, Southwestern continues to value honesty, integrity, and high ethical principles within a community that welcomes and respects different ideas, perspectives, cultures, and beliefs.

The four years that students spend at Southwestern are defined by three major interrelated experiences. Through their courses, interactions with faculty, independent study and research projects, and other social and service activities on and off the campus students are:

Immersed in the ideas, issues, and experiences they will encounter as professionals, leaders, and citizens.

Challenged to think about their own ideas and beliefs and prepared to be a force for change and progress in their communities and professions.

Engaged in actual experiences in other countries as well as community service projects that enlighten students about many different ideas, values, and cultures and prepares them to be effective leaders of change.

Students are personally guided through these experiences by Southwestern's extraordinary faculty. In fact, virtually every Southwestern student develops close intellectual partnerships with one or more professors. These experiences, and the close guidance and collaboration with faculty, are part of every student's education at Southwestern, but these are provided at an extraordinary level of quality and depth through the University's unique Paideia (Pie-day-uh) Program, open to every student who is committed to an enhanced liberal arts experience and is in good academic and disciplinary standing.

In the first year, students participate in a small group seminar led by faculty on questions facing our society and the world. Mentored by faculty, students also pursue research and creative projects that integrate the knowledge skills and insights gained from their many experiences inside and outside the classroom.

In Paideia, each student pursues a personal journey involving study in another country or culture, leadership experiences, service to community organizations around Texas and across the country, and opportunities for research and creative projects under the mentorship of Southwestern faculty. Under the guidance of a professor, students meet in small groups over three years to share what they have studied and observed and to consider together the meaning of these experiences in their own lives.

Southwestern's location in Georgetown, Texas, a college town just 30 minutes from Austin, provides an ideal setting for a college experience of quality and rigor. Southwestern students are near the heart of one of American's most dynamic cities but at the same time enjoy the tranquility of a beautiful campus that makes the University a great place to be a college student.

Another major finding of the research was that prospective students don't always understand that the actual cost of attending Southwestern is far less than the "sticker price." As a result, many don't even consider applying to the University. We are working to change this perception by implementing new tools such as an online "cost estimator" for prospective students and their families.

Enrollment – Fall 2006

This August, Southwestern enrolled 1,270 students from an applicant pool that was the largest in the University's history. We had 348 first-year students and 28 transfer students. Nearly half our first-year students were in the top 10 percent of their high school class, and the average SAT score for incoming students was 1225. Twenty-three percent of our incoming class was minority students, and we enrolled twice as many African-American first-year students as we did last year. This fall, Southwestern also welcomed its first student from the Lydia Patterson Institute in El Paso, a private United Methodist high school that is dedicated to improving the future of Hispanic students living along the Texas-Mexico border. First United Methodist Church in Georgetown is paying for his room, board and books, and Southwestern is paying for his tuition.

Almost 150 first-year students participated in Living-Learning Communities this fall – an increase of 50 students from last year. This initiative, which we began in 2005 to further strengthen our First-Year Seminar program, is part of the continuum of powerful connections in the Southwestern experience – connections between students and faculty, and between in-class and out-of-class experiences. During the first year of the Living-Learning Communities, both retention and GPAs were higher than in traditional first-year residence halls.

New Faculty

Southwestern also welcomed 10 new full-time faculty members this fall. Among them was Michael Cooper, who joined us as an associate professor of music and holder of the Margarett Root Brown Chair.

Paideia

The first students to participate in Southwestern's Paideia Program graduated in May. Funded by the Robert and Ruby Priddy Charitable Trust of Wichita Falls, Texas, this program is designed to help students connect out-of-class experiences with the rigorous curriculum inside the classroom. During the summer, we experienced a transition in leadership of the program. Stephanie Fabritius, who played a key role in starting the program and who served as the first director of the program, left Southwestern to become chief academic officer for Centre College in Danville, Kentucky. She has been replaced by David Gaines, an associate professor of English and one of Southwestern's first Paideia professors. Under David's leadership, we have been re-evaluating the program in response to student feedback. As part of our larger integrated marketing initiative, we developed the following new positioning statement for the Paideia program:

Paideia sets Southwestern University apart from nearly every other liberal arts college in Texas and the nation. Southwestern's Paideia Program enables students to synthesize and connect their educational experiences so that the whole adds up to something much greater than the sum of its parts. The effect on a student's life is transformational.

Every student who is committed to an enhanced liberal arts experience and is in good academic and disciplinary standing has the opportunity to apply to the Paideia Program. What is required is curiosity, creativity, and an enthusiasm for making connections about what one learns.

Paideia Scholars become part of a ten-person group of students led by an experienced member of the faculty. Together they explore issues that encourage lively debate and discussion and inform them about critical public issues important for the future of society. For example, they might consider the ethical and biomedical questions surrounding stem cell research or the legal and political issues related to the prosecution of terrorists. The group meets frequently over the years and develops many close intellectual and personal bonds.

Paideia Scholars also have structured learning experiences that help them develop their intellectual, ethical, social, and civic awareness and responsibilities. These include cross-cultural, community service, and leadership experiences as well as research and creative works in collaboration with faculty.

Any of a number of activities could be part of your personal Paideia experience. You might spend a semester in China studying its problems with environmental protection, tutor the children of migrant farmers in California, study access to public services for people with disabilities, or develop a business plan for an Austin-based high-tech start-up. Paideia gives students the flexibility to tailor these experiences to their own interests and goals.

These accomplishments are featured on the transcript of each Paideia Scholar, demonstrating to graduate schools and employers the student's depth of experience, knowledge, and understanding. Equally important, these achievements add up to something profound: Southwestern graduates are willing and prepared to be bright, courageous, and moral leaders in their professions, careers, and communities.

Sixty students graduated from Southwestern's Paideia program in May 2006 and 208 students are currently participating in the program.

Student Life Initiatives

Several new student life initiatives were implemented in 2006. Friday Night Live, Cinematic Saturday and Late Night Robertson Center are among the new programs that offer students more diverse and exciting social outlets on campus. Southwestern also started a Large Act Concert program to bring nationally known musicians to campus. The program debuted in April 2006 with the band New Found Glory. Students turned this event into a fundraiser for victims of Hurricane Katrina. In September 2006, Southwestern brought Grammy Award-winning singer/songwriter Wyclef Jean to campus for a concert that drew 850 students, faculty, staff, townspeople and even a few alumni.

The Office of Student Life also implemented a new wellness initiative that gives students on-campus access to a physician and physician assistant for several hours each week. The initiative also created a wellness educator/counselor position, which enables the University to provide programming for students in such areas as alcohol and drug education, eating disorder prevention, and sexual assault risk reduction.

A chapter of Omicron Delta Kappa, the national leadership honor society, was chartered at Southwestern in April 2006. Omicron Delta Kappa was started at Washington and Lee University in 1914. To qualify for the organization, students must be juniors or seniors in the top 35 percent of their class and demonstrate distinction in one of five areas of campus life: scholarship, athletics, student government, media, or creative and performing arts. Forty-eight students and three faculty/staff members were inducted into the new chapter at Southwestern. An additional six faculty/staff members who are already members of the organization were added to the Southwestern charter. Two retired faculty members also were named charter members of the organization.

Southwestern's Student Life staff is currently helping a group of African-American students start a chapter of Alpha Kappa Alpha (AKA) – a predominately black sorority – on campus. AKA will have its first recruitment in January 2007.

Construction began in November 2006 on a new residential center that will enable Southwestern to move toward its strategic goal of having 95 percent of its students live on campus. The new residential center, which is expected to be open for the fall 2007 semester, will house 64 students plus a residence life professional. It will consist of three buildings with two-bedroom apartments. Each student will have a private bedroom and bath, and each apartment will have its own kitchen. All the units will be fully furnished.

The new apartments will be reserved for students who are either juniors or seniors. The new housing area will enable Southwestern to convert some of its other residence halls to special interest housing. For example, one of the buildings in the McCombs Residential Center might be reserved for a living/learning community for sophomores participating in Southwestern's Paideia® Program.

Total cost of the project is estimated to be $5.8 million. Southwestern raised $1 million for the project from private donors and the remainder will be financed by revenue bonds. Donors to the project include the Grogan Lord Foundation of Georgetown, Jack Blanton of Houston, Frank and Louise Carvey of Fort Worth, and Red and Genevieve Caldwell of Amarillo.

With the new residential complex, 88 percent of Southwestern students will be able to live on campus. Currently, 82 percent of students live on campus. In conjunction with the new construction, the university's Board of Trustees voted to require all first-year and second-year students to live on campus beginning in 2007.

Community Engagement

Southwestern students continue to be actively involved in the community. In 2006, more than 60 percent of Southwestern students reported doing volunteer work – twice the national average of about 30 percent. In 2005-2006, 751 students contributed an estimated 22,500 hours of service to the community. Examples of community involvement include the following:

Southwestern students are volunteering for the Williamson County Crisis Center, The Caring Place, The Salvation Army, Caritas of Austin, hospice agencies, as well as several child and youth advocacy programs like the After-School Action Program, Boys & Girls Club, Extended School Enrichment, and Partners In Education. They are tutors and mentors, advocates for victims of domestic violence, case managers for community members in financial crisis, and much more.

Many Southwestern sororities and fraternities are involved with volunteering and fundraising for a variety of organizations. As part of Rush Week in September, Sigma Phi Lambda, a Christian women's sorority, worked with Georgetown Housing Authority to do yard work, landscaping and cleaning for senior adult residents at Stonehaven. Alpha Phi Omega, SU's co-ed service fraternity, provides tremendous support to The Georgetown Project and Georgetown Parks & Recreation by helping to chaperone dances and social events for Georgetown youth at the Recreation Center. These events typically have approximately 300 students in attendance. Other sororities and fraternities raise money for St. Jude's and Children's Cancer Charities, the American Cancer Society, and Ronald McDonald House.

Community engagement also is incorporated into academic coursework at Southwestern. A few examples:

- *Students in Abby Dings' Spanish "Intermediate Oral & Written Expression" course are required to spend a minimum of 10 hours in the community using Spanish. Students in this class have tutored students in GISD's Migrant Education Program, taught adult ESL classes at The Caring Place, and served as translators for several events held at the Dell Diamond.*
- *Education students in Sherry Adrian's "Survey of Exceptionalities" class and Alicia Moore's "Schools, Society and Diversity" class are required to volunteer with agencies that serve children with special needs.*
- *Students in Richard Osbaldiston's Psychology "Research Methods I" class have conducted studies for several local agencies, including Mothers Milk Bank of Austin and the Williamson County Coalition on Underage Drinking.*

A major new community project undertaken by the Southwestern community in 2006 was the construction of a Habitat for Humanity House in Georgetown. Southwestern students took the lead in raising funds for the project, which required a contribution of $50,000. Construction began in the fall of 2006.

Southwestern's active engagement with the community earned it the honor of being one of the first 76 colleges and universities in the country to be named to a new elective classification by the Carnegie Foundation for the Advancement of Teaching. The new elective classification recognizes institutions that collaborate with their larger communities, whether these be local, state/regional, national or global. College and universities were invited to apply for the new classification and to provide evidence of their community engagement. Within the new category, schools could be recognized for curricular engagement, outreach and partnerships, or both. Southwestern was recognized for both. Southwestern was one of only three universities in Texas to be named to the new classification, and the only private university.

Outstanding work in the community also earned three Southwestern students awards from Texas Campus Compact in 2006. Texas Campus Compact is a statewide organization that promotes community service, service learning and civic engagement among college students. The Southwestern students were selected for the awards from nominations submitted by nearly 50 Campus Compact-affiliated institutions throughout Texas. Psychology major Lauren Sekel '07 received the Unsung Hero Award, and psychology major Kathryn ("Kat") Haskin '08 was the first runner-up for the award. Philosophy major Ansa Copeland '07 was the first runner-up for the Leadership in Action Award.

Copeland helped organize Southwestern's first Peace Conference in 2006. The conference was attended by more than 200 persons and featured a keynote address by Arun Gandhi, grandson of Mahatma Gandhi. Panelists and workshop leaders at the conference included Rev. Clayton Childers from the United Methodist Board of Church and Society; Marc Ellis, director of the Center for Jewish Studies at Baylor University; Mohamed-Umer Esmail, imam and educational director for the North Austin Muslim Community Center; Nelin Hudani, host of Soul Talk, a weekly radio show on KOOP 91.7 FM in Austin; and divinity school students Ray Altman and Matthew Gates, both of whom are Southwestern graduates.

The title of the conference was "Making Multi-faith Connections in the Practice of Peace and Non-Violence."

The peace conference coincided with Southwestern's acquisition of the Engleman World Peace and Nonviolence Collection, which includes the 100-volume Collected Works of Mahatma Gandhi as well as more than 100 additional printed and audiovisual works about Gandhi's life and nonviolent practices.

2006 Distinguished Alumnus

Southwestern's 2006 Distinguished Alumna/Alumnus Award went to Sherra Babcock, a former Vice President for Student Life at Southwestern and staff member of Georgetown's First United Methodist Church. Babcock typifies Southwestern graduates who are successful in their careers and still find time to serve their church and the community.

Thinking Ahead Campaign

On March 31, 2006, Southwestern launched the public phase of its "Thinking Ahead" comprehensive campaign to raise $125 million. Funds are being sought for initiatives in four areas: Students, Faculty, Diversity Enrichment, and the Living-Learning Environment. As of November 2006, the campaign total had reached $57,439,393. In 2006, regional campaign events were held in San Antonio, Houston and Belton. Regional events are scheduled for Dallas, Fort Worth and Amarillo in 2007.

Endowment and the Economy

The robust stock market helped drive Southwestern's endowment back over $300 million in 2006 for the first time since 2001. In 2005-2006, the University had a balanced budget for the 29th consecutive year. The University had an estimated economic on the Georgetown-Williamson County area of nearly $94 million.

Major Speakers

Southwestern continues to attract prominent speakers for its major lecture series. The 2007 Roy and Margaret Shilling Lecture will be given by Harold Kushner, author of the international bestseller *When Bad Things Happen to Good People*. Kushner will be at Southwestern March 29, 2007.

The Shilling Lecture Series at Southwestern University was established in 1999 by The Brown Foundation Inc. of Houston to honor Southwestern's 13th president, Roy B. Shilling, Jr. and his wife, Margaret. The series brings internationally prominent speakers on topics relating to ethics, public service and public policy to campus.

The 2007 Writer's Voice speaker will be Amy Tan, author of the 1989 bestseller *The Joy Luck Club*. Tan will be at Southwestern Oct. 23, 2007. Tan has written several other novels since *The Joy Luck Club*, including *The Kitchen God's Wife* (1991), *The Hundred Secret Senses* (1995), *The Bonesetter's Daughter* (2001) and Saving Fish from Drowning (2005). Her first work of non-fiction, *The Opposite of Fate*, was published in 2003.

The Writer's Voice series is sponsored by Southwestern's A. Frank Smith, Jr. Library Center.

Symposia and Conferences

The 2007 Brown Symposium will be held March 5-6 and will focus on the relationship human beings have with the many animals with whom we share the earth. Speakers will include Alice Walker, author of *The Color Purple*.

Southwestern received $50,000 from the James S. Kemper Foundation to host a national conference in November 2006 that focused on ways to improve the business programs offered at liberal arts colleges. Nearly 30 business leaders and business faculty members from leading liberal arts colleges came to Southwestern to discuss the best ways to teach business within the liberal arts environment. A final report from the conference, titled "Envisioning Business Programs in Liberal Arts Worlds," is expected to be available in early 2007.

CLOSING THOUGHTS

Bill Jones' new book, *To Survive and Excel: The History of Southwestern 1840-2000*, tells the compelling saga of how a struggling Methodist-related college on the Texas frontier became one of the top 100 liberal arts colleges in America.

To the Bishops, the Boards of Education, and the Committees of Higher Education of the Patronizing Annual Conferences who have played a key part in this accomplishment, I extend my greatest appreciation. Your commitment and support is helping us continue to build an institution that engages minds and transforms lives.

"THE TIPPING POINT"

Because of the strong and faithful apportionment payout of our member conferences, TUMCA has concluded one of its strongest financial years. Thanks belong to all of you who are making Christian higher education a possibility for so many of our United Methodist students from our United Methodist churches across Texas.

The Texas United Methodist College Association (TUMCA) awarded scholarships to 33 students from the Central Texas Conference during the 2006/07 school year. Students from the conference attended all five of the United Methodist schools in Texas that receive TUMCA funds.

TUMCA's mission statement, "Helping Texas United Methodist students attend Texas United Methodist colleges and universities," expresses a deep commitment to faith-based Christian education. A partnership, which begins with local churches paying their apportionments, also includes the conferences, TUMCA, and the five colleges and universities. This partnership and the resulting distribution of funds, which are used solely for student scholarships, demonstrate to our youth that we care about their educational journeys. These youth are thereby enabled to continue being nurtured within a Christian community while securing an excellent education.

Students from the Central Texas Conference, the schools they attend, and their home churches are given below.

Our United Methodist students have discovered in special ways their church's support for their growth in faith and in preparedness for life. Many of the students listed above are first-generation college students.

United Methodist higher education is a continuing testimony to the Wesley vision of "uniting knowledge and vital piety." As surely as John Wesley's heart was burdened by the number of youth he encountered who had no "faith-based" education, resulting in the founding of Kingswood School, so also United Methodist higher education provides young people with a unique experience wherein faith is formed and the mind is informed.

When congregations contribute their funds to TUMCA, they are providing direct and decisive support for the development of lay and clergy leadership for growing and effective congregations!

TEXAS WESLEYAN UNIVERSITY
1201 Wesleyan, Fort Worth, TX 76105
817-531-4444

It is an exciting time at Texas Wesleyan University! We are delighted with the results of Wesleyan's student recruitment and enrollment efforts as we continue to grow toward our optimum enrollment of 3,000 students.

Wesleyan has changed a great deal in recent years, as we have worked to keep up with student expectations and needs. Two new buildings were completed in January of 2007. The Ed and Rae Schollmaier Science and Technology Center will support science and math programs, in particular an enhanced curriculum with bioinformatics technology. The Louella Baker Martin Pavilion will be a wonderful gathering place for University functions and receptions.

Likewise, Wesleyan's academic programs have also been expanded. The Sacred Music concentration began in the fall of 2006, as well as a Second Language Education and Culture concentration in the graduate education program. Furthermore, our first class of Professional Counseling students graduated last August.

Productivity in other areas, as well, is strong. Our endowment earned a return of more than 13 percent last year. Our faculty increased productivity in their scholarly activities, publishing and winning new contracts and grants like we have never done before. Wesleyan's student-athletes do a wonderful job, both in the classroom and on the field of play. In fact, the Men's Basketball team won the 2006 NAIA National Championship and our Table Tennis team won the national championship for the second year in a row! We look forward to the University's continued success in the years ahead.

COMMISSION ON COMMUNICATIONS

Budgeted 2007: $87,100 Requested 2008: $91,200

Communications remains a critical function for our conference as we continue to provide an every-other-week newspaper (*Central Link*) that conveniently combines conference, denomination and spiritual-building resources to our readers. Two local churches have adopted new local church editions of the newspaper while several others are contemplating a move in this directing. What's driving this is the need to keep members fully informed on issues of concern to United Methodists as we go into the 2008 General Conference. Many more churches are taking advantage of the low cost "bundles" that provide 50 copies of each issue to local church for distribution at the church.

The electronic newsletter (E-Link) continues to provide weekly news briefs and resources to church, district and conference leaders, but it is also available without charge to anyone who wants to know what's going on conference wide. To get on the e-list, contact susan@ctcumc.org.

Great strides have been made in the area of communication technology, primarily due to the

efforts of Bobby Cullen (director of information technology) and the move to Brickriver for web hosting. The website has become more user friendly, plus the record reporting process and access to information significantly improved.

Frank Hilton, Chair - hilton17@web-access.net

GLEN LAKE BOARD OF DIRECTORS

Budgeted 2007: $117,200 Requested 2008: $120,200

What has come to distinguish Glen Lake Camp & Retreat Center as a great place of ministry over the past years has been its vision. When any of us who have been a part of this annual conference reflect back on the past 20 years of vibrant ministry at Glen Lake Camp we come to recognize a place that has been inspired and directed by powerful vision. Once again the Glen Lake Board of Directors brings to the awareness of the Central Texas Conference another piece to the ongoing vision of camping ministry to the conference and beyond. We are very excited about the possibilities that this vision affords us as it specifically relates to camping ministry to adults. We believe that this part of the camps ongoing vision fits with our great heritage as well as our future as we seek to expand our ministry and the continuum of services we seek to provide.

Certainly we have had a powerful year of ministry at the camp this past year. A complete and thorough report as to this past year of ministry will be focus of our camp director, Grant Harris' report. He will share with you as a part of that report a year that has been very good to the camping ministry of Glen Lake Camp & Retreat Center. Suffice it to say that as your Board chair I am grateful for the many ways in which each of you as members of the Central Texas Annual Conference have continued to support this great ministry in the variety of ways you do. Without you and your support this vision would not be possible.

My report seeks to focus on a new addition to this great vision of ministry for the camp. As most of you know an area of concern for the camp for some years now has been our limited ability to serve the needs of our adult ministry constituents. The type of overnight facilities the camp now provides do not meet the needs of what adults demand in terms of an overnight accommodation. Sleeping in a room with 15 other adults with two showers and one bathroom has not served the camp well in terms of drawing adults to our site. Our own minister's time apart is a prime example. This year's clergy time a part was hosted by Summer's Mill, a resort facility in Salado instead of Glen Lake. We do not point this out in any way to be critical of the clergy time apart but to offer as an example the problem area we currently have at our ministry in Glen Rose, Texas.

Therefore, it with great excitement and joy that the Board of Directors recommend to the Central Texas Conference of the United Methodist Church a proposal to purchase the Stillwater Retirement Center located in Glen Rose, Texas. This facility was built as a retirement center and currently has 28 private units each with its own private bath. It is located on 7.1 acres of manicured lawn on the banks of the Paluxy River less than a mile from the camp just 3 blocks west of the downtown square of Glen Rose. We would purchase this site with the idea of using it almost immediately as a site for ministry for the camp. We would hope to have the site up and running with 22 rooms in two months from the purchase date. We would immediately begin a re-modeling plan that would begin with 6 rooms. We would phase in each quadrant of the facility over time until eventually we would expand the occupancy to 46 units. The purchase price for the facility will be $2.8 million dollars borrowing an additional $300.000.00 to help us with some start up costs making the total loan amount, $3.1 millions

dollars. This would be a stand-alone debt not in any way connected to the camp. This project would also not include any monies to be used from the Central Texas Annual Conference. A complete and thorough presentation of the site will be presented at Annual Conference in hopes of answering any and all questions anyone in the Annual Conference might have regarding this purchase.

The Board of Directors believes that this new site fits very well with the ongoing vision of the ministry of Glen Lake Camp & Retreat Center. The purchase of this site would fulfill the final piece of our master plan. We also believe that this site would eventually come to serve the camp financially with many capital improvements related to our vision for a bright and vibrant future in camping ministry. It is with much hard work and due diligence that we bring this project before you. It is our fervent hope and prayer that you will become as excited as we are as to the hopes and dreams that such a facility can seek to fulfill for us as an Annual Conference as we seek to expand this ministry. Thank you as always for your prayers, your support, and you great love and vision for Glen Lake. It is an honor for me to serve as your Board Chair. It is a privilege to work with Grant Harris and a dedicated staff that has certainly gone above and beyond in bringing the reality of this vision to you today. I am indebted to them and Grant's bold leadership as we all contemplate a great step forward in ministry to the world for the cause of our Lord and Savior Jesus Christ!

Proposed Programs:

Camp Curriculum

Summer Program Support: Deans/Directors/CIT Training; Summer Events Evaluation: Resident Camps/Specialty Camps; Summer Staff Salaries; Glen Lake Operation Subsidy; Camp Publicity and Promotion; Glen Lake Maintenance & Equipment

COMMITTEE ON THE AGENDA

Today the Central Texas Conference of the United Methodist Church gathers for the one hundred and forty-first time and the thirty-eighth time as the New Central Texas Conference since the merger with a group of churches of the previous West Texas Conference. This year we come to renew our mission to nurture one another so that we will increase our effectiveness in making disciples of Jesus the Christ for the transformation of the world. It is our prayer and hope that this session of our Annual Conference will give each of us a renewed focus and enthusiasm for the mission and ministry of our churches. Together, we will accomplish great things in the name of our Lord Jesus the Christ.

We offer special thanks to Bishop Ben Chamness, Doyle Allen, Harvey Ozmer and all of their staff members for their dedication and hard work in preparing for this session of Annual Conference. Likewise, we are grateful to all boards, agencies, committees, commissions and task forces who have worked with great commitment to offer effective and life giving ministry in our churches, communities and around the world. And we offer special thanks to each local church for the significance of your ministries each day of the year. You are the heart and soul of our ministries.

The Agenda Committee recommends:

1. That the 2007 Per Diem Allowance granted each day in actual attendance at the conference for retired clergy, retired diaconal ministers, retired deaconesses, ministers' surviving spouses, pastors receiving total salary of or less than the minimum compensation of the conference, students appointed to attend school and ministers on disability leave be $35 for those who reside in Tarrant County and $70 for those who reside outside Tarrant County. (See Per Diem Form in back of the Preliminary Reports.)

That the procedure for receiving the Per Diem Allowance be changed so that, beginning in 2008, those who qualify will complete the request form after annual conference and submit the request for the days in attendance only. Persons who qualify will receive the Per Diem as reimbursement for expenses paid. It is further recommended that any person whose expenses to annual conference are being paid by a church or other organization not complete a Per Diem request.

2. That the budget line item for the expenses of 2008 be set at $51,800.

The Agenda Committee continues to carefully monitor your evaluations of our Annual Conference sessions. We have an evaluation document for your use again this year. Please, please, locate it now and make notes as we move through our conference this year so that you will be prepared to offer us your very best observations. We do appreciate your help. We continue to make changes based upon your suggestions and observations.

The Agenda Committee has established future locations of the meeting of Annual Conference as follows: Fort Worth: 2009 and 2011; and Waco: 2008 and 2010.

As a reminder, we restate our policy governing the use of display tables in the display area/s at annual conference. We will provide this policy annually for your convenience.

Display tables will be reserved in a timely fashion through the individual designated annually by the Conference Agenda Committee. Any institution, agency, or any group affiliated with the Central Texas Annual Conference, as well as general boards or agencies, or any entity that receives financial support through the Conference, may reserve a table. It is the responsibility of the requesting group to set up the display at the beginning of Annual Conference and take down the display at the conclusion of Annual Conference. Display tables will not be used for commercial purposes, but to promote, the ministry of that conference institution, agency, or group affiliated with a conference or general board agency. Final decision/interpretation on any request that does not fall into the above-mentioned categories/guidelines will be made by the Executive Director of Connectional Ministries in consultation with the Executive Agenda Committee

I express my gratitude to those who have given so much time and effort in serving on the Agenda Committee this year. Your leadership is greatly appreciated.

COMMISSION ON ARCHIVES AND HISTORY

Budgeted 2007: $5,000 Requested 2008: $12,000

Report No. 1

The Central Texas Conference Commission on Archives and History accepts its responsibility "to encourage and assist the local churches in preserving their records, compiling their histories, and celebrating their heritage" (para 640 1, the 2004 Book of Discipline). The commission is comprised of one lay and one clergy representative from each District plus six at large members. The Commission meets each November to hear reports, discuss our mission and make plans for its implementation.

At its 2005 meeting the commission voted to recommend that the Rev. Michael Patison be approved as the Conference Historian which was done at the 2006 Conference. Rev. Patison now has a History Committee in place which is committed to research, compile and write a comprehensive history of the Central Texas Conference.

The Commission has challenged the district representatives to cooperate with the District Superintendents and to urge local church historians to learn and take their responsibilities seriously. Carol Roszell, Conference Archivist, is available to conduct training sessions for the historians.

The Commission maintains relationships with and supports the state-wide Texas United Methodist Historical Society (TUMHS) with the purpose of collecting, preserving, and recording the Story of Methodism in Texas. Local churches that write and publish their history are recognized by TUMHS. Membership, open to both lay and clergy persons, is highly recommended. Contact the office of the Archivist for membership information.

The Commission commends the Conference Archivist, Carol Roszell, for efficiently maintaining historic records.

The Archives and History Commission is dedicated to fulfilling the requirement of the Discipline and, in so doing, be of service to the churches of the Central Texas Conference.

Report No. 2
ARCHIVIST REPORT

69 linear feet of records were delivered to the archives depository during this past year the result of church mergers and closings. A great many additional contributions were made to the archives by supportive individuals. Scholar's, clergy, layperson's, author's, conference personnel, historian's, student's, and genealogist's depository usage has remained steady, many of them having been referred to the archives by other institutions and persons. Approximately 176 research requests have been received during the past year. I am part of a committee that is writing the history of the Central Texas Conference with the publication goal as the centennial of the current conference which is 2010. Archival/records management, local church historian training, and consultation continue to be provided to local churches and at district training sessions. I still serve as a member of the executive board of the Texas United Methodist Historical Society and the editor of the Historians Digest. I was a participant at the South Central Jurisdiction Convocation of Archivists at Baker University last year and continue as a member of the Executive Board of the Historical Society of the United Methodist Church. Looking forward, I plan to begin building a web presence online for the archives depository. I will begin a campaign encouraging each of our local churches to write their history as best they are able, a copy of which will be housed in the depository. As a reminder, the majority of the records housed at the archives are primary, non-published records, which reinforces the need for our churches to locate and protect their records. All closing churches and those that are merging into or with another church must send their records to the archives for protection and availability as mandated by the Standing Rules.

"History, although sometimes made up of the few acts of the great, is more often shaped by the many acts of the small."
Mark Yost

Thank you for allowing me to serve God and the Central Texas Conference in this ministry of memory.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

Budgeted 2007: $17,200 Requested 2008: $17,200

The purpose of the Commission on Christian Unity and Interreligious Concerns is two fold:

1) To advocate and work toward the full reception of the gift of Christian unity in every aspect of the Church's life and to foster approaches to ministry and mission that more fully reflect the oneness of Christ's church in the human community.

2) To advocate and work for the establishment and strengthening of relationships with other living faith communities, and to further dialogue with persons of other denominations, faiths, cultures and ideologies.

The Commission is honored to continue the Bishop's Award for Exemplary Service in the field of Ecumenism at Annual Conference. Recognizing persons who are active in the ecumenical arena is a way of showing the importance of Christian Unity.

As efforts are made to embrace ecumenism, the Commission strives to develop not only understanding of other faith communions but ways in which local churches can be in dialogue in their own communities. Participating in the Texas Conference of Churches is a major work of the Commission. Identifying groups that foster action to influence public policy in the light of the Gospel of Jesus Christ and the Social Gospel of the United Methodist Church is another way to broaden our influence and strengthen relationships. Claiming the promise of Matthew 18:20 "Where two or more are gathered in my name, there I will be also", the spirit of the Living Christ will guide the people of God in the work of unity for all God's children.

Ultimately, ecumenical ministry is about forging relationships—relationships that help us understand we are all children of God-that our diversity is our gift to one another, that what we have in common far outweighs what divides us and that together we can accomplish much more than we could separately.

We are once again grateful to you, the Annual Conference, for your vision and encouragement of this important work and ask your support for future endeavors.

COMMISSION ON CHURCH GROWTH AND DEVELOPMENT

Budgeted 2007: $277,273 Requested 2008: $273,860

The mission of the Commission on Church Growth and Development is clear and compelling: TO GROW AND DEVELOP CHURCHES THAT OFFER CHRIST, MAKE DISCIPLES AND TRANSFORM THE WORLD.

We seek to fulfill our mission by:

Developing new congregations to reach new generations
Providing consultation and demographics to help existing churches grow
Increasing financial support through the SHARES program and other sources
Enlisting PRAYER supporters for new churches
Initiating Hispanic ministries

Report No. 1
Ministries Currently Funded

The Central Texas Conference Commission on Church Growth and Development continues to invest conference and SHARES funds in the new churches started within the last few years. The churches and ministries currently being funded are:

El Buen Samaritano United Methodist Mission of Southeast Fort Worth (June 2002) This congregation worships in the former Englewood United Methodist Church located just south of the Polytechnic area of Fort Worth. El Buen Samaritano averages 80-100 in worship and has very successful ESL programs, children's reading programs, children's retreats, an immigration clinic, as well as weekday Bible Study and Prayer Meetings. In June of 2003 **Mi Casa, Su Casa United Methodist Church** (June 1994) became the second church on the charge making it a two point Spanish speaking charge. This congregation worships in the Vandergriff Chapel of First United Methodist Church of Arlington. First Arlington continues to be a vital partner in the ministry. The future vision involves a financially self-sustaining church for Hispanics in Tarrant County.

Journey of Faith United Methodist Mission of Round Rock (June 2002) Journey of Faith celebrated their first worship service January 18, 2004. This new start, supported by First United Methodist Church in Round Rock and by the Commission on CG&D, gathered a group whose majority was not currently involved in any church. Their vision statement is to create a diverse community of faith that is scripturally based, mission oriented, socially conscious, and life giving; a place where persons at varying stages of their faith journey can grow in their relationship with God through Christ by drawing on the theology and traditions of John Wesley and the United Methodist Church.

The financial support of First UMC of Round Rock was completed at the end of 2004. . Early in 2005 they moved to Gattis Road Elementary School and this was a positive experience with more first time visitors than at their old location. Later in 2005 they had to move again due to a change in policy of the Round Rock Independent School District. They are now located in rented facilities on SH 79 east of Round Rock and this gives them a permanent location for worship, education and children's programming. This new location enables them to provide week day programming and events for the area and is helping them to grow. At the beginning of 2007 they were able to add additional lease space for children's programs, nursery and fellowship space. They were also able to expand their worship space for additional seating and this has helped with their growth. They will eventually locate in the Northeast area of Round Rock when suitable land and financing are available.

Bluff Dale United Methodist Church/Mountain Lakes Development (June 2003) In partnership with Church Growth and Development the revisioning of the Bluff Dale United Methodist Church to reach the new Mountain Lakes Development began with the appointment of a three quarter time pastor. The church has a new sense of hope and a new vision to reach out to the new persons moving into the area. Almost all of the lots in the Mountain Lakes area have been sold and new homes are being built daily. More persons from the Mountain Lakes area are now attending and the possibilities for growth are more visible. The church is seeking a grant for the construction of a Family Life Center which would be used by the community as well as the church. The church was realigned to include the Morgan Mill UMC and is now a full time appointment.

Light of the World United Methodist Mission (December 2003) The fast growing area between Aledo and Weatherford, known as Hudson Oaks, is a prime location for another large regional church. In December of 2003 a pastor was appointed to the area to start the process of establishing a new worshipping community. In June of 2004 a change of pastors brought new leadership to this new start. A "Grand Opening" at Tison Middle School was held in September of 2005. They continue to have new visitors each Sunday and are now located in a rental site near the intersection of I 20 and Hiway 180. The permanent location enables them to offer week day programming and space for congregational meetings.

LifePoint United Methodist Mission (June 2005) The growing area near Central High School in Keller is fast becoming home to thousands of persons. Through mass mailings and creative advertising this new start worshiped for the first time on Christmas Eve 2005 at an area school. The response continues to grow as more people become aware of this new ministry and the date of the Grand Opening and the launch of every Sunday public worship was on Palm Sunday of 2006. Believing that we are all connected within the Conference and that the rising tide lifts all the boats, this new start intentionally encourages visitors to try one of the other area United Methodist Churches listed in the bulletin. One couple that visited LifePoint was looking for a more traditional service and was recommended to another United Methodist Church in Keller and joined. At the end of 2006, after only nine months of public worship, the average attendance was 80. They continue to do mass marketing through mailings, newspaper ads and a large billboard along old Highway 377.

New Start in March of 2006 – Alliance of Faith United Methodist Church – The African American church formerly known as Northside UMC in Ennis has been a worshiping congregation for over 100 years. This dwindling congregation received a new infusion of life in 2006. This new venture was given a new name, Alliance of Faith UMC, a name that reflects the cooperative spirit of the Waxahachie District, First UMC of Ennis, St. James UMC of Temple and Church Growth and Development. With only a handful of persons attending last year, this restart is now averaging 25-30 in worship on most Sundays and there is new hope, new optimism and new life.

New Start May of 2006 – Korean Central United Methodist Mission – This new venture reflects a new spirit of cooperation and support of United Methodists in two Conferences and the National Plan for Korean Ministries. The National Plan provides financial support and the Korean Central UMC of Dallas, which is in the North Texas Conference, provides financial support and also sent several families who live in the area. The St. Luke Korean UMC in Killeen provides financial support and the Richland Hills UMC provides the facilities for worship as part of their local outreach in missions. Financial support through Church Growth and Development has helped this new start to average between 40 and 50 in worship.

Report No. 2
Models for Ministry

The vision of Bishop Chamness for the conference is clear and compelling: plant twenty new churches in eight years. Turning this vision into reality is the task of Church Growth and Development. In Report No. 1 you can see the new church starts currently being funded through the SHARES program and the Conference Budget.

NEW CHURCH START – ROUND ROCK, TX – JUNE 2007

Bishop Chamness and the Cabinet have selected Rev. Wade Killough as the founding pastor for the June 2007 new church start in Round Rock, TX. The new church start target area was announced at Annual Conference in June of 2006. Pastors wishing to be considered for this new church start submitted applications to Church Growth and Development by September 1, 2006. These pastors were interviewed by the Director of Church Growth and information, benchmarks, expectations and training opportunities were shared with each pastor. The Bishop and Cabinet received the applications and information about the new church start and the selection was made at the Cabinet Inventory Retreat in February.

Every church in the Temple District will be asked to help sponsor this new Temple District Mission Project. Other churches in the Conference may also become sponsors for this newest mission station. Churches may contact Rev. Wade Killough at revwade@sbcglobal.net; the Temple District office at temple@ctcumc.org or Church Growth and Development at allen@ctcumc.org for more information on how to become a sponsor.

Various models have been used since our beginning in 1980:

1) Parachute Drop – A full time pastor is appointed to an area with no land or members.
2) Modified Parachute Drop – A pastor is appointed to an area at less than full time with no land and members.
3) Parent Church Model or Mother Daughter Model – A large regional church partners with Church Growth and the Associate Pastor works to establish a new congregation nearby.
4) Restart Model – A small church in a growing area partners with Church Growth to form a new vision for the area, often with a new name and a new location.
5) Waco Korean Model – A pastor is appointed to start a new church and a local church shares facilities with a new group to offer ministry to the needs of the area. The existing church transitions out over 10-15 years and the new church group assumes ownership of the existing facilities.
6) Shared Facilities Model – An ethnic pastor is appointed to start a new church in an area. One of the local United Methodist churches would offer to share their facilities for a given period of time until the new church could afford their own place.
7) Church within a Church Model – An ethnic pastor is appointed as an Associate to an existing church with the intention of starting a new faith community in the same building. The church partners with Church Growth in funding the new ministry.
8) Expansion Campus Model – Satellite Model or Second Campus Model – An existing healthy congregation intentionally decides to begin a second campus in a growing area. The existing church may want help from Church Growth with funding, but not always.

Other creative models that could be used:

1) Variation of the Waco Korean Model – An Associate Pastor would be placed on staff of an existing church to reach the people who have moved into the area. Over time the existing church would transition out and the new people would assume ownership of the existing facilities.
2) Alliance Restart Model – An existing small church would be assisted by the District, other interested churches in the District and Conference as well as Church Growth to create a new vision for a new day. An alliance of entities and resources would enable a pastor to be appointed.
3) Churches Starting Churches Model – Church Growth would announce a targeted area a year in advance. Churches who wish to be Sponsoring Churches would apply to Church Growth. Pastors interested in becoming the founding pastor would also apply to Church Growth. Churches and potential pastors would receive information about the requirements in the year prior to the new start.

Every church starting a new church every year might not be possible. Churches starting new churches, churches partnering with each other to start new churches, and churches becoming sponsors of new churches is possible.

Report No. 3
Report of the Missionary for Hispanic Ministry

The word that would best describe Hispanic Ministry for 2006 is: Transition. Why? First, we inaugurated the Bridges of the Spirit Institute for Hispanic Ministries in February. We created an advisory board for Bridges comprised of scholars and conference committee leadership in October. This board includes the following people: Dr. Elaine Robinson, Dr. Mark Hanshaw, Dr. Dan Flores, Rev. Jeannie Trevino Teddlie, Rev. Chuck Graff, and Rev. Linda Freeto. And we hired an intern, Ms. Katie Meek, seminarian at Brite Divinity School. Katie has been providing outstanding administrative assistance since mid August.

Most importantly, we have slowly been focusing on ministry to the second and third generation Hispanic. Although not a new idea, however, based on the fact that one hundred and sixty-three churches in our conference have members who identify themselves as Hispanic, this is obviously an area of great growth potential. Presently the church with the most Hispanics/Latino members is FUMC, Mansfield, with one hundred and forty members.

Lastly, if we consider that Hispanic Ministries is not only about outreach or missions, but about "Making disciples of Jesus Christ" as is evident in the incorporation of Hispanics into over fifty percent of our annual conference churches, it would appear that God is at work in this particular ministry. Consequently, we are in a position to grow this segment of our membership if we intentionally focus and purposefully take steps that serve to extend a wider invitation to more Hispanics in our communities.

Report No. 4
Shares Goals and Achievements

Thanks to our Partners in Ministry contributions to the SHARES program we are able to continue the wonderful and vitally important ministry of starting new churches. We currently have more than 2,700 SHAREHOLDERS who are faithful partners in supporting our new church starts through their financial gifts and through their prayers. The reality is: Without the SHAREHOLDERS starting new congregations to reach new generations would not be possible.

The SHARES program remains our main source of financial income and is essential to our future growth. Every church is asked to present the program in February each year and invite members to become a SHAREHOLDER. In 2006 our faithful and committed SHAREHOLDERS contributed over $210,000 for support of the ministries listed above in report number one. The conference goal of one Share for every fifteen members of each local church is listed in the 2005 edition of the Conference Journal. Each year we lose approximately 200 SHAREHOLDERS through death, cancellations due to life changes (such as retirement), and non-payment after 1 ½ years. New SHAREHOLDERS each year are essential to maintain our current level of financial support.

Thanks to the successful OFFER THEM CHRIST Capital Funds Campaign, churches and individuals continue to fulfill their pledges and funds become available to purchase land and help with the cost of first units for new church starts. With many segments of the Conference showing increases in population, the opportunity for new church starts is increasing.

A Task Force on Finance received approval from the Conference on Finance and Administration to implement other programs for financial support. One idea under consideration is a Bicycle Fun Run/Event that would coincide with Annual Conference. Offering Bank Draft privileges with different levels of giving and being able to contribute on line are other ways to increase funding opportunities.

REMEMBER CHURCH GROWTH IN YOUR WILL. As more persons include Church Growth and Development in their overall financial planning and include Church Growth and Development in their will through the years, funding will increase. For those who have already remembered us in their stewardship plans for the future we say Thank You!

Every person in the conference can become a supporter of new church starts by participating in the PRAYER SUPPORTERS program. PRAYER SUPPORTERS agree to pray for a particular new church start each Sunday and send the new start a letter or card of encouragement each month. They agree to visit the new church once during the year and invite someone from the new church to come to their church once during the year. See the details on a Church Growth brochure or visit the website at WWW.ctxumc.org.

Report No. 5
Research and Development for Congregations

The mission of the Commission on Church Growth and Development is clear and compelling: TO GROW AND DEVELOP CHURCHES THAT OFFER CHRIST, MAKE DISCIPLES AND TRANSFORM THE WORLD.

Church Growth continues to provide demographic resources to every local church in the Conference through its contract with the national demographic provider known as PERCEPT. Every local church can go to www.link2lead.com and look at current demographics available for their area. Individuals can take the ichange survey and see if they tend toward being a leader for change or one who is not open to new possibilities. Every pastor is encouraged by the Bishop and Cabinet to take the ilead survey to understand their particular leadership style. This survey is proving helpful to pastors in understanding how their gifts and graces can be best used for their local church. There are other helpful facts and figures available to our 300 plus individual congregations every day. Besides the pastor, up to 20 individuals in every church may have access to the program. This is another way in which Church Growth and Development can help resource the local church to meet the growing spiritual needs of their community. The PERCEPT program can assist each local church in becoming a mission station.

The PERCEPT program is part of the research and development section of Church Growth and Development. Because Church Growth and Development subscribes as a client, every local church can benefit from our financial investment.

A new part of the research and development section of Church Growth and Development is the contract with CLARITAS. Through CLARITAS the Church Growth Office is able to provide demographic information on a 1 mile, 3 mile or 5 mile radius around each local church or from a specific address or street intersection. Sometimes this information is more helpful than demographic information by Zip Code. Churches are encouraged to use both PERCEPT and CLARITAS to help clarify the demographics that impact their mission field.

Church Growth and Development continues to seek new ways to resource the local church for mission and ministry.

Report No. 6
District Days and Workshops

During 2006 Church Growth and Development implemented District Days with training and information workshops presented in each District. In the Spring of 2006 Models of Ministry for New Church Starts was presented and in the Fall of 2006 Life Cycle of a Church – Times of Transition was presented. The workshops were well attended by pastors, staff and laity. During the Spring of 2007 the District Days focused on Hispanic Ministry and Cultural Diversity. At each District Day opportunities are available for individual consultations with each church and pastor about their mission field and the growth possibilities in their area. The Fall 2007 District Days topic has not yet been selected.

Church Consultant and Congregational Developer, Rev. Paul Nixon was brought to the Conference for two Workshops. One workshop focused on helping local churches transition to the next level of mission and ministry and the other workshop was on Multi-site, Satellite and Second Campus options for church growth. The workshops were attended by pastors, staff and laity across the Conference.

Church Growth and Development continues to look for ways to bring new resources for mission and ministry closer to each District and each local church.

COMMITTEE ON COUNSELING

Budgeted 2007: $18,000 Requested 2008: $21,000

Report No. 1

The Committee on Counseling continues its effort to provide a comprehensive and effective program of services and resources to individual members and families of the conference. This year the Committee is expanding the list of approved counselors to provide greater accessibility in meeting the counseling needs of our members and their families throughout the geographical bounds of the Annual Conference. We are appreciative of the valuable service and support our recommended counselors provide to our conference members. In addition to providing confidential counseling, they are also available for seminars and workshops upon request.

Report No. 2

1. This service is available to ordained conference members, diaconal, and retired ministers, and persons serving in full-time conference appointments, plus their spouses and dependent family members. In addition, ordained members and families of the Rio Grande Conference serving within the geographical boundaries of the Episcopal area are eligible.
2. Complete confidentiality and respect for privacy will be maintained. As a client, only your counselor will know your name, and no information about you will go to any other person without your written consent. It is understood by the committee, and should be by the client, that where the professional counselor is bound by the mandatory reporting requirements by the state in areas of sexual misconduct, sexual abuse, and harm to others or self, the counselor's duty to report shall not be negated. In such cases, the client shall be so informed, and such mandatory reporting shall be made to the appropriate authorities and agencies. Trust will be vested in the integrity of the counselors, both to keep confidences with clients and to keep faith with the program by submitting accurate bills of service for payment. Such bills will list hours of service, a client code, but no name. (Only the counselor will be able to connect the client code with a name, and thus preserve the confidentiality of the client.)
3. The counseling Service will be limited to six visits to a counselor in any one year.
   a. The first two visits the counselor's contractual fee will be paid in full by the program.
   b. Thereafter, participants will be asked to pay a portion of the cost of the counselor's contractual fee scaled to income, as follows:

Family Income*	Program will pay	Client will pay
1.Under $20,000	90%	10%
2.$20,000-28,596*	75%	25%
(*Includes Full-time clergy receiving equitable compensation)		
3.Over $28,596	50%	50%

   *Family Income includes combined income of spouses, excluding housing or parsonage allowance.
4. Thereafter, if counseling is still needed after six visits in a calendar year, an application may be made to the Health Benefits program for possible payment. At that time, the symptoms must clearly indicate the need for therapy, and any such payments will then be made in accord with the Health Benefits Program, and not the contractual fees of the Conference Counseling Program.
5. During the first six visits to the counselor, payments from the Conference Counseling Program and the Health Benefits Program simultaneously will not be allowed.
6. Payments for the program will be made only to those counselors who have been approved as participants in the program. There will be no exceptions.

COMMITTEE ON THE EPISCOPACY

Budgeted 2007: $500 Requested 2008: $500

The Central Texas Annual Conference Committee on the Episcopacy met at 2:30 p.m. at the Conference office on Wednesday, February 15, 2007.

The Committee participated in a discussion about the ministries of the Annual Conference and our progress toward meeting the goals Bishop Chamness has outlined for the Annual Conference.

Bishop Chamness stated that 96% of our annual conference's apportionments were received in 2006—an increase of 4.5% over last year. The Conference paid our General Church apportionments in full. We also enjoyed net growth as a conference for the 33rd straight year. This year's net growth was 1,580, slightly higher than in the previous year.

Bishop Chamness continues providing leadership to gauge and increase clergy effectiveness in the Annual Conference, having appointed a task force on clergy effectiveness in 2005. Last year he appointed a task force on *church* effectiveness aimed at strengthening the

churches of the conference. Both of these task forces, along with the Cabinet, the Board of Ordained ministry and the Board of the Laity are working on these important issues.

The episcopal residence and conference office update and upgrades in preparation for General Conference 2008 are nearly complete.

The Discipline requires that Bishops take a renewal leave every four years. Bishop Chamness gave an overview of his month-long renewal leave taken last summer. It was a time of refreshment and reenergizing that has benefited both the bishop and the conference. He also gave a report on his many duties at the General, Jurisdictional and Annual Conference levels. The committee also spent some time talking about General Conference and the role of the host bishop.

Bishop Chamness continues to lead us in focusing on our mission of making disciples for Jesus Christ for the transformation of the world. We continue our special three-year emphasis with each year focusing on one aspect of the NOW model. The three-year theme is "Follow Me NOW" and each year has a sub-theme that focuses on a particular aspect of the NOW model. Bishop Chamness related that many churches in the conference emphasized "Witnessing to our Faith" last Fall. This year the theme is, "Follow Me NOW: Nurturing Disciples." The final aspect of the NOW model, Outreach, will be emphasized in 2008. Once again the bishop and cabinet will ask churches to emphasize the theme in the local church this year.

Margie Cullum—who served this Conference with great faithfulness, competence and generosity of spirit as Administrative Assistant to three bishops—retired in January after eighteen years of service. The bishop commended her for her very fine service and the committee joins him and the whole conference in deep appreciation for Margie. We welcome Pattie Wood as the new Administrative Assistant to the bishop.

We commend the fine work and leadership of our bishop in making disciples for Jesus Christ for the transformation of the world. We celebrate Bishop Chamness' ministry with us and are grateful for his commitment, his pastoral heart, the gifts and graces God has given him and the generous way in which he employs those gifts in leading our Conference.

COMMISSION ON EQUITABLE COMPENSATION AND CLERGY BENEFITS

Budgeted 2007: $1,000 Requested 2008: $1,000

Report No. 1

The commission has met as needed and has carried out its responsibilities of overseeing the Minimum Compensation program for the Annual Conference. Because of the changes in appointments from time to time which often changes the number of persons and the amount needed for supplements, it is extremely difficult to project the financial needs as far in advance as required. The Commission seeks to be responsible to the churches of the Annual Conference in not requesting more than is needed in Apportionments and at the same time provide adequately for the program. The commission is also very much aware of the financial constraints that produce the need for equitable compensation in some appointments. The commission is therefore willing to not only provide financial assistance, but also provide educational assistance to help all equitable compensation entities with the tools and help to rise above the minimum compensation levels for their clergy.

We are recommending that Equitable Compensation levels for all categories of supplements be increased by 3.2% for the 2008 Conference financial year. Additionally, we recommend that the 2008 budget for Equitable Compensation be $57,000.00 in Salary Compensation and that the Committee's budget be $1,000.00 for Committee expenses.

The Equitable Compensation Committee of the Central Texas Conference will offer to participate with those churches receiving equitable compensation in obtaining workers' compensation insurance for lay and clergy employees through the Conference-wide insurance program, up to $250.00 per policy.

Report No. 2

Equitable Compensation Fund

There shall be a program of equitable compensation support in the Central Texas Conference under the management of the Commission on Equitable Compensation and Clergy Benefits. This program shall be patterned after ¶ 624 of the 2004 Discipline. Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Compensation Program.

1. A prerequisite for consideration of salary supplements from the Equitable Compensation Fund shall be the filing with the Commission of a written application (Form EQ1/1999) by the District Superintendent each January 1 or anytime an appointment change occurs in an Equitable Compensation appointment. The District Superintendent shall certify classification of the clergy and the salary (using Pastoral Compensation and Support Worksheet figures) set by the charge.
2. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro-rata basis for the part of the year actually served.
3. The following conditions must be met by the pastoral charge before it can become eligible for consideration to receive supplements from the Equitable Compensation Fund:
    a) The pastoral charge shall have conducted a stewardship campaign for the local budget of each of its churches during the previous calendar year. The Commission will assist in such a campaign upon written request from the charge pastor or district superintendent.
    b) All apportioned items shall have been paid in full by the local church for the previous calendar year.
    c) The charge must have at least 100 members.

In unusual situations the Commission on Equitable Compensation and Clergy Benefits may waive any or all of these conditions.

4. The Commission on Equitable Compensation and Clergy Benefits will pay any amount up to 1/3 of the minimum salary set by the Annual Conference for each applicant according to his/her ministerial classification. If any exception under paragraph 3 or 4 is sought, the request must be endorsed by a 2/3 vote of the Cabinet before it can be considered by the Commission.
5. Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 2006. Rates for adjustment will be considered annually by the commission, but no less than the same percentage increase as that computed for the District Superintendents. The increase for 2008 will be 3.2%. The amounts reflected include the pastor's support and compensation amounts according to the cabinet worksheet, exclusive of parsonage considerations or a housing allowance. In calculating equitable compensation payments, no more than 25% may be deducted from total compensation as a housing allowance (even if the housing allowance actually constitutes more than 25% of the total compensation). Exception to this rule may be made for missional considerations.

	1 - 1 - 2008
a. Elder in Full Connection	$34,849
b. Probationary member (1992 Disc.) or Probationary Elder (2000 Disc.)	
1) Non-student	$30,253
2) Student	$27,959
c. Associate Member	$30,253
d. Local Pastor	
1) Full-time Local Pastor	$27,959
2) Student Local Pastor	$22,962

6. Pastors who are appointed to less than full-time service as addressed in the 2004 *Discipline*, (¶ 338.2) shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in serving the charge. For example, if the pastor is deemed as serving 1/4 of full time, his/her minimum salary eligibility would be 1/4 of the minimum of his/her conference relationship classification. The categories of 1/4, 1/2, and 3/4 will be followed in determining less than full-time eligibility for salary supplements from the Equitable Salary Fund.
7. Ministers who are not eligible for salary supplements are:
    d. Those whose appointment is other than pastor of a charge.
    e. Those classified as part-time local pastor.
    f. Retired ministers.
    g. No pastor shall be eligible to receive salary supplements from this fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in a present appointment.
    h. Associate Pastors
8. The Commission is studying ways in which Equitable Salary funds may be used to supplement unusual situations beyond the Conference minimum scale to provide assistance for pastors who remain in churches for missional purposes at the request of the Cabinet. We continue in dialogue with the Cabinet about such a policy.

Report No. 3

II. **Moving Allowance**

We recommend the following two options as our Conference Moving Policy effective January 1, 2008. These options are: Self-Move and Commercial Move. The total expense of a Self-Move will not exceed $1000 to the Conference, and the total expense of a Commercial Move will not exceed $1500 to the Conference.

1. Self Move – The Self Move plan consists of the total receipts plus a maximum $300 bonus with the grand total compensation not to exceed $1000. Proper documentation of receipts for the cost of van rental, gasoline, and $2.00 per mile must be submitted to the Conference Secretary Treasurer before receiving reimbursement.

2. Commercial Move – Upon receiving proper documentation of receipts by the Conference Secretary Treasurer, the Conference will pay a maximum of $1500 of actual moving expense. Report No. 4

The Commission, upon referral from the Cabinet, has undertaken a review of the Conference parsonage Furnishings Policy. ~~See III D.5 for the initial step in revising the requirements for parsonage furnishings.~~ Additional adjustments will be presented at forthcoming Annual Conference sessions. (See III D.6)

Housing/Parsonage Standard

The church today demands the clergy to be not only a preacher, as was the early circuit rider, but a resident pastor and responsible citizen in the community. In order to meet these felt needs, and to call men and women to a dedicated ministry, the church must provide living conditions that will establish an adequate base from which to operate. It is the privilege and responsibility of the members of each congregation to provide the physical setting which will give the parsonage family the maximum comfort and convenience that the energies of the pastor may be more concentrated on his/her task and willing service in the Church of God. Because the parsonage, like the church building, reflects upon the congregation and the pastor, it should be in such condition that all concerned can be justifiably proud of it. The Parsonage Standards for this Annual Conference follow:

I. Location—The location of a new parsonage is a matter of extreme importance. It should provide for the safety, convenience and privacy of the parsonage family. For this reason, we recommend that a new parsonage not be located adjacent to the church facilities.

II. Size of building and living areas—The new or remodeled parsonage should be large enough to accommodate the pastor's family. It should provide adequate space for the entertainment of guests. It should be remembered in selecting a parsonage that the present parsonage family is not the only one who will live in that parsonage and that the house should be adaptable for a variety of family sizes and situations. Also care should be given that facilities should be fully accessible for those with handicapping conditions meeting standards of the 2004 Discipline ¶2543.

We therefore recommend the following:

An 1800 square feet minimum living space.

At least 3 bedrooms, preferable 4.

At least 2 bath, preferable 2 ½ with adequate linen closet.

Living and dining areas adequate for entertaining.

A family room

Adequate closet and storage space. Closet space in each bedroom and other storage space well distributed throughout the house.

Laundry area (see III.C.8)

Adequate garage or carport space (preferable 2-car garage)

Adequate outside living area with fenced yard.

III. Required Equipment

A. Health

1. Adequate supply of hot and cold water in bathrooms, kitchen and laundry

2. Proper sewage disposal according to the stands of local and/or State Department of Health.

B. Safety

1. Fire extinguisher in kitchen with yearly inspection.

2. Automatic central heating and air conditioning
3. Any bathroom heating should be protected and if not electric should be vented.
4. Provide smoke detectors for kitchen, living, laundry, and bedroom areas.
5. Provide carbon monoxide detectors, unless parsonage is completely electric.

C. Kitchen with well-planned work area.
1. Cooking area complete with range or built-in cooking units, counter space, hood and exhaust fan.
2. Sink area complete with modern double bowl sink with disposal and drain space.
3. Large automatic refrigerator with freezer unit.
4. Required code electrical outlets for every room.
5. A well-equipped kitchen with adequate storage for dishes and utensils.
6. Built-in dishwasher.
7. Laundry room with washer/dryer.

D. Furnishings
1. House adequately furnished with main items in living room, family room, dining room, and kitchen. (Discarded or worn out furnishings should not be used to furnish the parsonage. A Gift/Donation Policy by the Trustees of each church should be in place to prevent such an occurrence.)
2. Window coverings, drapes, curtains, and blinds.
3. Television antenna or cable service to parsonage.
4. Lawn tools, mower (self-propelled or riding as appropriate for size of yard) hoses, ladder, garbage receptacles.
5. All bedroom furnishings shall be the responsibility of the parsonage family.
6. **At the 2009 Annual Conference session the Commission on Equitable Compensation and Clergy Benefits will recommend that the formal dining room furnishings become the responsibility of the resident parsonage clergy.**

IV. Maintenance

a. Decoration—both the interior and exterior of the parsonage should be kept in such a state of decoration as to preserve not only its physical condition but its aesthetic value as well. Decorating and/or any remodeling should be done in consultation with the parsonage family.

b. Repair and replacement—

1. An annual budget item will enable the Trustees and Parsonage Committee to have a consistent, rather than haphazard program of maintenance and improvement that will be less costly in the long run.
2. An annual budget item for repair and replacement of furniture and equipment.

V. Miscellaneous

a. Parsonage Book—It is recommended that the parsonage committee prepare and keep up-to-date a record in which are placed all guarantees, repair parts lists, and the instructions for use of equipment belonging in the parsonage. The record should also indicate when and from whom purchased and whom to call for service. Also this book may well contain a list of whom to call for various reasons, where to find various items, when and by whom various improvements were made, and other information helpful to an incoming minister.

b. Insurance—The trustees should be certain that the church-owned house and contents are insured for at least 80% of replacement cost against fire, wind, and other hazards. Public liability insurance should be carried on parsonage property. Tenant Homeowners insurance is available for all ministers who desire to cover personal

possessions and liability. IT IS THE RESPONSIBILITY OF THE PASTOR TO INSURE PERSONAL PROPERTY BELONGING TO THE PASTOR AND FAMILY.

c. Utility Deposits—Should be made in the name of the church.

d. Gifts to Parsonage—When a gift of furniture or furnishings is presented, it should be designated specifically if it is to remain in the parsonage or is to be the personal gift for the pastor/family. In the event it is to remain in the parsonage, the parsonage committee must approve it.

e. Pastor's Office/Study—The Office/Study should be located in the Church Building and adequately furnished and equipped. Some pastors may choose to also maintain an office in the parsonage and be responsible for its furnishings in addition to the official church Office/Study.

Adequate parsonage facilities, based on the above standards insure that a pastoral appointment can be made on the basis of the needs of the charge, rather than the ability of the parsonage to receive the family assigned.

An annual review of the church-owned parsonage, to ensure proper maintenance, will be conducted by the chair of the board of trustees or the chair of the parsonage committee, if one exists, the chair of the committee on pastor-parish relations, and the pastor (¶ 2532.4, 2004 Discipline).

Report No. 5
Vacation Policy

United Methodist ministers are in a unique position in their role as pastors of a local church. Their membership and relationship is primarily to the Annual Conference as they serve under the appointment of the Bishop. At the same time their salary-paying unit is the local church. They are called to accountability for effective ministry both by the Bishop through the appointive system and by the local church through the Pastor-Parish Relations (PPR) Committee. In vacation policy and similar matters it should be remembered by all that a pastor is not the employee of the local church. On the other hand, the Discipline (2004) ¶259.2 gives to the PPR Committee a consultative role in such matters.

Conference Relationship	Time of Service	Vacation Time
Student Local Pastors, Probationary Members serving student appointments, Full Time Local pastors in process of four-week Course of Study	Minimum six months (after consultation with district superintendent and PPR Committee)	Two Weeks Paid
Full Time Local Pastors who have completed Course of Study, Associate Members, Probationary Members serving full time appointments, and Full Conference members	Less than five years	Two Weeks Paid
	5-9 years	Three Weeks Paid
	10 or more years	Four Weeks Paid

NOTE: Years of service refer to years under appointment in an Annual Conference, not to years of service in the local church to which a pastor is appointed.

NOTE: In addition to the above guidelines, the PPR Committee should be sensitive to a pastor's need for time off from the pastor's duties, and should encourage the pastor to take regular days off each week."

HOMES FOR RETIRED MINISTERS

Budgeted 2007: $0.00 Requested 2008: $0.00

It is a tremendous privilege to be a part of the Homes for Retired Ministers (HRM) program of the Central Texas Conference. In 1906 the Conference began to accept the gift of homes to house its retired ministers and/or their widows who could not provide a home of their own. Since then, there have been as many as 38 retirement homes at one time. Hundreds of retired ministers and their spouses have been residents in the homes. Over the years, salary and retirement benefits for our clergy have improved and the majority of retiring clergy are able to provide housing on their own. As this trend continues, the need for homes decreases.

It is the policy of the HRM Board of Trustees to sell homes as they become vacant and hold the funds in reserve to purchase a home as the need arises. If you know of a retied clergy or surviving spouse that might be in need, please have them contact me.

There are 9 homes in our ministry as of March 14, 2007. Thank you for your faithful support of this wonderful ministry of the Conference. Houses and their residents are as follows:

Burleson	1009 Stockton	Rev. & Mrs. Ellis Holden
Burleson	521 Pleasant Valley	Rev. Bob Messer
Burleson	544 Arbor	Mrs. Nancy Lindsey
Burleson	333 Alsbury Blvd.	Rev. & Mrs. Robert Haynes

LAY SPEAKING MINISTRIES

The Conference Committee on Lay Speaker Ministries is Howard Hagood, Brownwood; Terry Meyer, Fort Worth; Richard Pullen, Mid-cities; Sandra Oliver Temple; Ramona Curtis, Waco District; Joe Paxton, Waxahachie; Luelda Robichaux, Weatherford.

Bishop Chamness' 2004-2008 Goals focus our ministries.

1. The mission of The United Methodist Church is "to make disciples of Jesus Christ." Lay speakers from each district were invited to Igniting Ministries training where we

received excellent tools to welcome and grow disciples for Jesus Christ. In turn each district offered an Evangelism-Witness Lay Speaking course. Melissa Osborne (Brownwood) taught the course at the Central Texas Conference Annual Lay Speaking Ministries event to members across the conference.

2. Another very important goal is to enable every church in the Central Texas Conference to be a mission station. The "request for continued recognition as lay speaker" forms are filled with examples of Christians reaching out to a hurting world. Lay speakers are leaders in showing Christ to the world through their daily lives.

3. We will focus on improving and growing the Sunday Schools in our churches. A new lay speaking course, Teach Adults, and Leading Small Groups, help our members learn how to successfully bring adults back to Adult Church School. Each district offered a minimum of 4 courses in 2006-2007. We open all courses to any laity – one does not have to be a lay speaker to take advantage of lay speaking courses.

4. Since The United Methodist Church is a connectional church, it is important that we foster that connection, build upon it, and find ways to improve it. Lay speaking ministry is a shared conference-wide ministry. Lay speakers crisscross our conference in training experiences and serving the needs of congregations. This year we expanded the connection to neighboring conferences, North Texas, Texas and South Texas conference lay speakers participated with Central Texas Conference in laity training. Scheduled lay speaker courses are posted on the conference and district websites. Lay speakers are encouraged to attend courses in any district in the conference and neighboring conferences.

5. Another goal is to complete the undertaking of the Central Texas Conference to start 20 new churches by the year 2008. Lay speakers served as mystery guests who assessed the openness of our churches as they grow and plant new churches. We are growing and will continue to grow by the way we reach out in love to others. The mystery guest program helped every congregation be sensitive to the needs of new members.

6. We will continue to empower laity to be engaged in ministry with the clergy. Lay speaking minister, Joe Paxton (Waxahachie) in cooperation with Rev. Doug Blackford (Temple) offered the first certified lay ministry program in Central Texas at the Annual Lay Speaking Ministries event. Eleven laity were guided in discernment of their call.

7. The fine clergy pool that we have will continue to be strengthened. Lay speaking ministries serve as a primary venue for laity to answer God's call to full time ministry. In the past year every district has lay speakers who have answered to call to attend seminary, local pastor school or course of study.

8. The need for ministry to, for, and with the Hispanic/Latino people is vital. Rio Grande Conference sent laity to the Annual Lay Speaking Ministries event for training. Lay Speakers in Central Texas Conference provided pulpit relief to churches in the Rio Grande conference. Lay Speakers are leading outreach for Hispanic ministries in our local congregations.

9. Inclusiveness for women and ethnic minorities must not be overlooked. St. James UMC (Temple) has taken the lead in the Conference in providing financial resources to train lay speakers and certified lay ministers. Usually rural and small churches lead in growing lay speakers for leadership positions but this year medium sized churches encouraged lay speakers to pursue certified lay ministry and to help pastors fill unique ministry needs.

10. To be complete in our discipleship we need to maintain the Wesleyan tradition of holding together personal faith and social justice. Our heritage is rich and provides the good soil for our future growth. The charge to lay speakers who have taken the

UM Heritage course is to go and teach others who we are. In deed, many pastors have asked lay speakers to regularly offer UM Heritage to new members.

UNITED METHODIST WOMEN

"Moving and Grooving with UMW"

United Methodist Women in the Central Texas Conference are in the Groove as we are on the move!

The Purpose for the organization of UMW is to help the church in its support for ministries for women and their children.

Our more than 6,000 women and youth, who are members in 176 units, are choosing to "move" our world in many ways.

We are moving in our conference by engaging women as well as our entire church in opportunities for spiritual growth and Social Justice. Our first event of this year focused on the Charter for Racial Justice Policy, as we explored the subject of immigration. Our Bible Study challenged us as we used Matthew 20: 1-16 as the foundation for our understanding. We experienced information on the legal, medical and educational areas of immigration. While this event is designed to help us to think how we interpret the Charter for Racial Justice Policy, it also helps us to celebrate some of our cultural identities - especially food. We have traditionally ended with a love feast to help in the healing of wounded spirits.

Over 25 ladies attended the Texas Legislative Event, in Austin, where United Methodist Women, from all 7 Texas conferences, heard about Methodism and Public Policy Advocacy, The Texas Transportation Policy, Texas and the Immigration Policy, Children's Health Insurance Program, Coal Power plants, Criminal Justice, and, we lobbied the offices of our senators and representatives.

90 ladies were Moving and Grooving to their personal stories during our annual spiritual growth retreat which was held in Waxahachie, Texas. This year, the theme, "This is My Story", challenged us to focus on who we are as Christian women. We were reminded that we, as women, have an important story to tell which can be told through journaling, movement and perspective. Our retreat was led by 3 clergy women: Brenda Weir, Phyllis McDougal and Melinda Vetch. We discovered that growing spiritually can be exciting!

United Methodist Women believe in a joyful supportive fellowship which we experience during our Annual Conference Luncheon. Last year, around 315 people were entertained by the Laura Edward's 3 and 4 year olds who were a delight.

Our Annual Autumn Gathering provided over 225 women a time to celebrate all goals stated in our Purpose, as we focused our gathering around "Movin and Groovin with UMW". It was a joy to have the cabinet in attendance along with their spouses. In celebration of Women Clergy, our female district superintendents were leaders in our celebration. It was also a joy to have experienced our first ever, College Women's Summit, with over 15 participants. We are planning to continue this event.

UMW falls under the umbrella of the Board of Global Ministries of the church. In our conference we work to be in partnership with the Outreach Council. This partnership inspired our 2006 conference project in which we collected over 15,600 books, 900 tapes and $1,430 which we distributed as far as Mexico and to the TIFA Story Book Project.

Together, with the Outreach Council, we provide the only mission education school in our conference. Our 2006 Cooperative School of Christian Missions educated around 225 students around the theme "Harvesting Peace".

The General Board of Global Ministries has over 100 national mission institutions in our country. Central Texas takes pride in the fact that one is located right here in our conference. It's called United Community Centers. We own the property for 3 of its four buildings. Our support for national mission ministries begins right here in our conference. UMW includes UCC as part of our mission focus by asking each local unit to provide 1 item of Mission Sparks for our centers and bring

them to a conference event. Each district has a different assignment such as Panting for Missions, Soapy Missions, Undy Missions, Mission Briefs, Sock it to Missions, Socker Missions, and Missions are Tops.

This year our conference project is "Stock the Shelves" for UMCOR including 2 mission trips to Sager Brown.

Our conference pledge to Missions for 2006 was $190,000. Like you, the church, we too, are having difficulty in meeting this missional priority of our global ministries.

United Methodist Women in Central Texas are Moving and Grooving.

LYDIA PATTERSON INSTITUTE
P. O. Box 11, El Paso, TX 79940
915-533-8286

Lydia Patterson Institute in El Paso, Texas (LPI), is the true image of the face of Methodism. Lydia Patterson is United Methodists at work. It is the only institution of the United Methodist Church on the US-Mexico border that serves predominately Hispanics. A small school with a big heart, it is continuously adding new stories and new faces to its history of successes. Here, lives are being changed every day.

We began our school year with 467 students, grades 9-12, and English-as-a-Second-Language Program. We are at capacity for the size of our facilities. This year, we have added diversity to an all-Hispanic student body. We added two Germans, one Vietnamese, two Lebanese, and two beautiful girls from Malaysia. Next year, we hope to bring three students from Columbia. Their presence has enriched the culture of our campus and provided a new experience to all the students.

At mid-year, we graduated 9 students, and 60 seniors will receive their diploma in May. Of last year's graduating class, 95% are attending college today. We are looking toward 100% for the 2006-07, school year. Our students are presently attending 21 of our United Methodist colleges and universities throughout the country. We expect to add two more this year. Lydia Patterson, with its close relationship with the institutions, agencies and local churches of the UMC, is a genuine example of connectionalism.

We are very grateful to the institutions of the church that continue our work in ministry with our students. For example, Luis and Carolina are brother and sister. They came to us from an orphanage in Juarez, Chih., Mexico, and they graduated from Lydia Patterson last year. Carolina is attending McMurray University. Luis was a member of our student lay ministry program. He is attending Nebraska Wesleyan University and serving an internship at St. Paul's UMC in Lincoln. These are two students who grew up with no parents and only an orphanage and Lydia Patterson for a home. They both wish to pursue medical degrees. Arely graduated from SMU last May after serving an internship at Lovers Lane UMC in Dallas. She now attends Harvard University in the field of Christian Education. Eduardo attended Lon Morris College and Ferrum College in Virginia. He is now a student at Wesley Seminary in Washington, D. C., preparing for the ordained ministry.

The student lay ministry program continues to grow. At present, we have 15 students in 10 different states serving local churches while they attend college. These students assist local churches in their Hispanic ministries by serving as tutors, English and/or Spanish teachers, Bible school teachers, youth leaders, interpreters, translators, etc.

We pride in the fact that we have been operating in the black for several years, a milestone from the institution of years past. The presence of our supporters on our campus is indicative of the love and respect for this ministry. This past year, we hosted meetings for the Jurisdictional Mission Council, the General Board of Global Ministries, the University Senate, and the College of Bishops.

You need to feel proud of your work here. You are as much a part of this story as we are. Our work would not be possible without your financial support and your daily prayers. Thank you for following the teachings of John Wesley to love the children and provide educational opportunities so that they may achieve a better life in body and spirit, all in the love of Jesus.

GOD continues to bless Methodist clergy and laity leadership in visible ways through 85 years of Christian ministry, hospitality and service at the jurisdictional Mount Sequoyah Conference and Retreat Center. Borrowing from the words of Jesus, in His response to the two first disciples that Jesus called into His ministry, "Come and see, where I am staying" (John 1: 38-39). We hope that you will "come and see", and in doing so, be one of the many lives transformed at this holy place where the word of God can be heard by the people of God, and in response, God's people embrace a call to action.

The primary purpose of Mount Sequoyah is to offer ongoing training, retreat and renewal experiences so that people will leave the Mountain with a sense of purpose and commitment to better serve the Church and others in need of the Christian spirit of service. Our active Board of Trustees and staff will continue to focus on four key initiatives. First, we believe that there is a strong commitment to the historic mission of growing Christians, with a strong commitment to service. ***Almost 12,000 individuals used the meeting and lodging facilities at Mount Sequoyah in 2006 compared to the 2,200 registered guests in 2004.*** Second, there continues to be a high interest in ongoing programs and services that strongly link United Methodist churches, districts, and conferences of the South Central Jurisdiction. Historic Mount Sequoyah stands as a testimony for renewing the body, the mind, and the spirit of clergy and lay leaders empowering them to be the dynamic and active disciples of Jesus Christ as God intends. ***Mount Sequoyah achieved success in 2006 and 2007 building a collaborative partnership with South Central Jurisdiction, fifteen Conferences, several UMC agencies, and many other groups hosting 46 jurisdictional and national UMC leadership training events, planning seminars, workshops, and conferences compared to four such gatherings in 2003.*** Third, there has always been an openness to create and seize opportunities to serve multiple constituencies, in the name and spirit of Jesus Christ. We welcome the opportunity to minister to and connect with other denominations of faith and with the leadership of community non-profit organizations sharing with them our Christian hospitality services. Fourth and finally, our greatest need at Mount Sequoyah continues to be the upgrading, renewing and restoring of our historic facilities to more fully create a setting for tranquility and simplicity so that program participants need only concentrate on spiritual renewal, awareness, and God's presence in their lives. ***From March, 2005 through December 2006, almost 500 skilled volunteers have come to the Mountain from all eight states of the Jurisdiction to upgrade and repair lodging and meeting spaces and to beautify the grounds. Also, we thank you and this Conference for participating in this historic accomplishment: Mount Sequoyah received 100% of budgeted apportionments dollars for 2006; these funds were used for repair and to revitalize our campus facilities.*** With a viable Master Plan, approved by our Board of Trustees, the best is yet to come in this ninth decade of ministry at Mount Sequoyah. Our priority for future years is to

secure private funding to continue to upgrade our historic facilities and to endow ongoing ministry and other special programs.

BISHOP'S TASK FORCE ON CLERGY EFFECTIVENESS

In August of 2005, Bishop Chamness appointed a Task Force to "formalize a conference policy that would define clergy effectiveness, enhance effectiveness in every way possible, and determine the course to deal with ineffectiveness." This is in accordance with Par. 350 of *The Book of Discipline 2004*.

A "Ministry Assessment Guide" has been developed in conjunction with this policy to be used by Staff/Pastor-Parish Relations Committees and clergy to fulfill the annual evaluation requirement as specified in *The Book of Discipline*.

The Clergy Effectiveness Task Force recommends the following policy to be adopted by the Central Texas Conference.

Clergy Effectiveness:
A Definition and Plan of Accountability

In Ephesians 4:1 and following, Paul urges all Christians to "lead a life worthy of the calling to which you have been called..." For clergy, the sense of inward calling from God is affirmed outwardly by the church through the qualifying processes outlined in *The Book of Discipline*. Although clergy must have met the qualifications of their status in ministry (local pastor, elder, deacon, etc.), successful completion of the qualifying process is only the beginning of a life-long journey of growth and development toward greater effectiveness as clergy and Christian disciples.

Clergy effectiveness is a shared interest and responsibility of clergy themselves, the Cabinet, Board of Ordained Ministry, and the laity. The Clergy Effectiveness Task Force appointed by Bishop Ben Chamness developed the following Definition and Plan of Accountability. The Task Force is composed of representatives from the Cabinet, Board of Ordained Ministry, and the Board of Laity. This document is intended to be a tool for enhancing clergy effectiveness in the Central Texas Annual Conference to be used by the Cabinet, Board of Ordained Ministry, clergy and Staff/Pastor-Parish Relations Committees.

References are to paragraphs in *The Book of Discipline 2004*. This document does not add to or detract from the *Book of Discipline*, but intends to provide clarity and consistency of expectations and common measures of effectiveness across the Central Texas Conference. Although the following encompasses a wide range of qualities and skills, the focus and purpose of effectiveness in ministry in the Central Texas Conference of the United Methodist Church is making disciples of Jesus Christ for the transformation of the world.

Clergy effectiveness encompasses all aspects of a clergy person's life and can be demonstrated by integrity of heart and life, wholeness in building and maintaining relationships, and competence in skills necessary for ministry.

I. Integrity of Heart and Life

Clergy effectiveness is grounded in one's faith response and commitment to live a life of Christian discipleship.

Effective clergy will:

+ demonstrate personal faith in Jesus Christ that exhibits love of God in their daily activities
+ follow spiritual disciplines (prayer, bible study, Sabbath rest, participation in the sacramental life of the church) necessary for personal spiritual formation
+ live balanced lives, which demonstrate an appropriate work ethic regarding time and attention spent in work for the congregation or agency where appointed as well as appropriate time for family and recreation
+ make lifestyle choices that lead to physical and emotional health
+ be honest and forthright in all verbal and written communication
+ demonstrate the highest integrity in financial matters both within and outside congregational or agency life
+ practice principles of Christian stewardship through regular financial giving and management of time, talents and other resources
+ be self reflective regarding all aspects of spiritual formation, ministry, and personal life

II. Wholeness of Relationships

Clergy within the UMC exercise their ministry within covenant relationships with God, other ordained clergy, members of the congregation or agency to which they are appointed, spouse, family, and friends. (303.2,3,4; 304.2; 328) Effective clergy demonstrate skills necessary to create and maintain healthy and nurturing relationships in all aspects of life.

Effective clergy will:

+ dedicate themselves to the highest ideals of the Christian life, holy living, and moral responsibility in all relationships and personal conduct (304.2,3)
+ *exercise leadership in such a way that ministry is the work of the entire congregation and gifts of ministry among the laity are recognized and nurtured (303.4; 319). In appointments to extension ministry, gifts for ministry among laity serving in conjunction with ordained clergy will be nurtured and affirmed.*
+ demonstrate communication skills that include effective listening and authentic relating
+ respond appropriately when either praise or criticism is offered
+ seek out needed help when any relationship is strained or broken
+ hold themselves accountable to a group of peers for growth in discipleship and the exercise of ministry. It is expected that this group will meet regularly and deal with issues relevant to spiritual formation and growth in ministry.
+ respect fellow clergy by refraining from gossip or other interference with another clergy's ministry, especially one's successor in an appointment
+ exercise their ministry under supervision of the UMC through the office of the bishop, district superintendent and others to whom they are accountable.
+ meet regularly with the P/SPRC and participate openly and honestly with the P/SPRC in the process of evaluation (334.2c) In appointments to extension ministry, clergy will engage in appropriate supervisory sessions with those to whom the clergy is accountable.
+ participate in annual evaluation with the district superintendent (334.2d).
+ set appropriate boundaries in contacts with others so that issues of sexual misconduct or harassment are never in question.
+ set appropriate boundaries as single persons so that dating relationships do not become a detriment to ministry and that the covenant of celibacy in singleness is upheld
+ exercise fidelity in their marriage covenants and give appropriate attention to nurturing their families
+ demonstrate appropriate sensitivity to cultural diversity.

III. Competence in Skills Necessary for Ministry

A. Skills necessary for pastoral ministry (elders, local pastors)

Effective clergy demonstrate gifts for ministry that allow them to oversee the total ministry of the local church or the ministry setting in which they serve. (340)

Effective pastors will demonstrate skill in:

+ inviting all people into a relationship with Jesus Christ and equipping the laity for evangelistic outreach (340)
+ guiding, supporting, training, and equipping laity for ministry in the world
+ proclamation of the Word through preaching and teaching
+ pastoral care in times of illness, crisis, or death
+ priestly leadership of worship and administration of the sacraments
+ prophetic leadership that calls the congregation to mission beyond its walls and justice in society
+ administrative leadership in: implementing the vision and purpose of the denomination and local congregation, time and work management, supervision of staff and volunteers, and financial oversight
+ use of modern technology to enhance aspects of church programming and congregational life
+ the intentional development of a program of continuing education

B. Skills necessary for the ministry of deacons

Effective deacons will demonstrate gifts for servant ministry in the world and leadership with the church that calls the church to ministry in the world. (328)

Effective deacons will demonstrate skill in:

+ teaching and proclamation of the Word of God
+ leadership in worship and assisting elders in the administration of the sacraments
+ forming and nurturing disciples of Jesus Christ
+ conducting marriages and burying the dead
+ leading the congregation in its servant outreach to the world

IV. Measurable Outcomes

Although many aspects of the practice of ministry are intangible, effective clergy will demonstrate certain measurable outcomes in their ministry. These outcomes are to be evaluated by the District Superintendent and S/PPRC according to expectations **appropriate to the clergy's local ministry context.** This does not imply, however, that such outcomes are the responsibility of the clergy alone.

Effective clergy will:

+demonstrate growth in worship attendance and professing membership
+demonstrate growth in numbers of participants and opportunities for discipleship growth outside of worship and ministry in the world
+lead the congregation to fulfill its financial responsibilities – both local responsibilities and United Methodist connectional responsibilities (apportionments),

as these are appropriate to the clergy's local ministry context.

Additional outcomes to monitor may be agreed upon by the clergy, Superintendent, and Staff/Pastor-Parish Relations Committee.

Associate Pastors and those in extension ministries will be evaluated by those to whom they are accountable according to measurable outcomes that are consistent with the mission and goals of the agency/institution to which they are appointed.

Plan of Accountability

In cases where effective ministry is not evident and no chargeable offense is involved (2702), the following plan will be followed.

1) The District Superintendent will confer with the clergy regarding matters of concern and needed changes in performance. This may include a recommended plan of continuing education and/or other appropriate strategies.
2) The Cabinet will have a supervisory consultation with clergy who have two successive appointments that are less than effective, or at other times that the Cabinet believes such a

consultation is advisable. The goal of this meeting is to restore the clergy to effectiveness. Specific requirements may be made that the clergy is expected to fulfill.

3) If the clergy does not demonstrate sufficient improvement, the Cabinet will, in consultation with the Annual Conference Board of Ordained Ministry, seek steps for the clergy to exit ordained ministry where possible or advisable by:
   a) voluntary leave of absence (354a)
   b) voluntary retirement (359.2)
   c) honorable location (360)
   d) withdrawal (361)
4) When the above (section 3) is not possible or advisable, the Cabinet will, in consultation with the Annual Conference Board of Ordained Ministry, seek steps for the clergy to exit ordained ministry by means of:
   a) involuntary leave of absence while the clergy works to improve defined issues (354.1b)
   b) involuntary retirement (359.3)
   c) administrative complaint (362.1d(3) & 362.2)
   d) administrative location (362.4c)
   e) discontinuation of Probationary Membership (362.4d &327.6)
5) Fair process shall be followed carefully (362.3).
6) The Administrative Review Committee will review each case to determine if Fair Process was followed.
7) The Annual Conference Board of Ordained Ministry will be asked to take appropriate action and make a recommendation to the Clergy Session of the Annual Conference.
8) If a written and signed complaint (362.1a) is filed against a clergy, the Complaint *Procedures* outlined in 362 will be followed.

Sustentation Fund

In order to provide needed resources and transitional support for clergy and congregations in need of intervention, the Clergy Effectiveness Task Force supports the establishment of a Sustentation Fund through the Annual Conference Board of Pensions and Health Benefits. In order to maintain confidentiality, resources from the Sustentation Fund may be used with the recommendation of the Cabinet for:

1) Vocational counseling for clergy exiting ordained ministry
2) Temporary salary and/or benefit support for clergy under suspension or exiting ministry
3) Special assessment and intervention strategies to restore clergy to effectiveness
4) Provision of interim ministry supply
5) Support of a crisis response team for congregations/church staffs in times of crisis
6) Other unique needs to support clergy effectiveness/clergy families

In the case of clergy going on Leave of Absence, the Cabinet, Executive Committee of the Board of Ordained Ministry and/or the clergy session of members in full connection in accordance with 354.1 may approve resources from the Sustentation Fund for use.

In the case of clergy taking Honorable Location or Administrative Location, resources from the Sustentation Fund may be used upon recommendation of the Board of Ordained Ministry in accordance with 360.1 and 362.4 c)(4), respectively.

The Board of Ordained Ministry or its Executive Committee may also make a request to the Cabinet for the use of Sustentation Fund resources in other situations to provide resources or transitional support for clergy.

Congregational Effectiveness

The Clergy Effectiveness Task Force realizes the importance of congregational effectiveness as the other side of a healthy partnership with effective clergy in order to carry out the mission and ministry of the Church as a whole. Therefore, the development of strategies to enhance congregational effectiveness is recommended.

The Clergy Effectiveness Task Force encourages the further development of strategies and programs to enhance clergy effectiveness. The work of organizations already involved in such efforts is deeply appreciated. These include, but are not limited to:

Central Texas Methodist Foundation – Clergy Enrichment & Renewal Fund
Harris Methodist Hospital Clinical Pastoral Education Program – Clergy Leadership and Ministry Enhancement Program
Texas Methodist Foundation – Clergy Leadership Initiative

Clergy Effectiveness Task Force:
Shelly Brooks, Chair, David Adkins, Ed Komandosky, Jay Beavers, Steve McIver, Travis Franklin, Mike Ramsdell, Clifton Howard, Kim Simpson

TASK FORCE ON CONGREGATIONAL EFFECTIVENESS

In the fall of 2006 Bishop Ben Chamness appointed a 15-member Task Force on Congregational Effectiveness. This task force was a companion to the earlier Task Force on Clergy Effectiveness whose report was presented to the Annual Conference last year and which is up for adoption this year.

Members of the Task Force on Congregational Effectiveness are Conference Lay Leader Ed Komandosky, chair; Steve McIver, Dr. Edie Jones, Dianne Griffin, Dick Swain, Dr. Connally Dugger, Dr. Georgia Adamson, Rev. Lara Whitley, Johnel Louie, Rev. Ken Diehm, Ken Smith, Rev. David Adkins, Buddy Teague, Donald George, and Cynthia Rives.

In an effort to produce a complete and acceptable report/ recommendation, the Task Force on Congregational Effectiveness will meet several more times in the coming year and present its report to the Annual Conference in 2008.

Report No. 2
PRE-82 PENSION FUNDING PLAN

The 2000 General Conference mandated that every conference have in place a funding plan to insure that monies will be in place no later than the year 2021 to cover any unfunded liability for those pastors with pre-82 years of service. Below you will find the proposed funding plan for the Central Texas Conference.

The funding plan as of January 1, 2007 is summarized below:

--Supplement One Liability Assuming A PSR $569.00	$(30,479,771)
Current Plan Funding	28,704,677
Unfunded Plan Liability	$(1,775,094)

(These numbers were projected from the 2007 actuarial valuation as of January 1, 2005 using 7% interest at 3% P.S.R increases. While the CAC in pat years has increased approximately 4%, we do not expect that trend to continue. We anticipate increases closer to 3%. We intend to keep the P.S.R. at .9 of 1% of the CAC)

--Additional Plan Assets: Capital Funds Account, GBOP	$1,723,678
Needed from apportionments	51,416

Note: We are thrilled to report that great strides have been achieved this year in funding the Pre-82 Retirement Program for our clergy. Reaching the 100% funding mark will be great; but, it is not the end goal. The final goal for insuring the financial stability of the Pre-82 Pension Plan must be to reach the 120% funding mark!

As your Conference Board of Pensions has been in consultation with the actuarial department of the General Board of Pensions, we understand and agree with the assessment of a continuing rise of cost in the program. Those rising costs will include increases in Past Service Rates, greater number of Retirees, and variables in interest rates. In order to prepare for those inevitable increases we must reach 120% funding.

Therefore, we request the continuation of the $700,000 Conference Claimants Apportionment and anticipate doing so until Pre-82 funding is secured.

Report No. 3
PENSIONS:

1. In accordance with Conference action, which requires that the Past Service Rate (PSR) be at least 9/10 of 1% of the Conference Average Compensation (CAC for 2008 this is $62,111), for those clergy with pre-1982 service years who qualify for annuity), the Conference Board of Pensions recommends that the PSR for 2008 be $586. This meets the minimum requirement.
2. Based on our Funding Plan, and the CPP requirements, we request the following amounts be apportioned to our churches in 2008::

a) Conference Claimants requirement (Pre-82 funding)	$700,000
b) CPP	560,000
c) Total 2008 Request	$1,260,000

d) In the case of Family Leave or Leave of Absence appointed after January 1, 2004, the board recommends that the conference make CPP contributions of 3.4% of the Denominational Average for Full Members, Associate Members, and Probationary Members for the period of one year.

Report No. 4

Clergy Retirement Security Program (CRSP)

On January 1, 2007, the Clergy Retirement Security Program (CRSP) became effective as the new Pension program for all eligible United Methodist Clergy. The transition from M.P.P. to C.R.S.P. has not been without questions, but has overall gone smoothly.

CRSP offers a two component benefit design:

a) Defined Benefit – promises a specific dollar amount at retirement regardless of market conditions or investment performance. The amount is based on a formula that specifies a monthly retirement benefit to eligible clergy for the remainder of their lives.

b) Core Defined Contribution – promises a defined amount that is deposited into an active clergyperson's account with monthly deposits. This benefit distributed at retirement is the accumulated amount plus earnings (losses) in the individual's account.

The 2008 financial obligation C.R.S.P. requires of the Central Texas Conference is:

a) Core Defined Benefit - $1,635,431.00
b) Core Defined Contribution – 3% of each eligible clergyperson's plan compensation.

2008 Funding Plan:

The cost of participation in C.R.S.P. will continue to be direct billed to the local church for the two core components (Defined Benefit and Defined Contribution).

a) Defined Benefit – 12% of plan compensation capped at the 2008 DAC ($56,044)
b) Defined Contribution – 3% of participant plan compensation

We are pleased to report that the combined 2% C.R.S.P. reserve and Sustentation Funds will not be billed in 2008.

Report No. 5

The board recommends that it continue to actively pursue the issue of pension arrearage utilizing a very fair but stringent examination of each situation to determine what steps need to be taken to assure the integrity of the affected minister's future pension benefits.

The board recommends the following procedure for dealing with current and future pension contributions:

Letters will be sent to the following lay leaders of the churches involved: Administrative Board/ Council Chair, Pastor/Staff Relations Committee Chair, Finance Committee Chair, and Treasurer. The pastor and the district superintendent will also receive the letter. The letter will emphasize the importance of this issue and urge them to bring their contributions current by sending their check to Central Texas Conference, PO Box 99387, Fort Worth, TX 76199-0387

Each church which does not meet its obligation will report this fact to its Charge Conference and give an explanation. The district superintendent will keep a record of this action.

Report No. 7
CONFERENCE GROUP HEALTH INSURANCE PROGRAM

We are now in our fourth year of providing medical and pharmacy benefits through HealthFlex and we continue to be quite pleased with the program. There were no changes in our EPO and PPO plan structures from 2006 to 2007.

Our health insurance plan will continue to be a mandatory program administered according to the HealthFlex rules for mandatory conference programs. Those for whom the program is mandatory are Elders, Probationary Elders, Associate members, and Full-time Local Pastors appointed to local churches in the Conference, as well as those for whom the Conference is the Plan sponsor for the Pension program such as District Superintendents, Conference staff appointees, and Campus Ministers. In addition elders appointed at least one-half time and Student Local Pastors will be included. Not included in the plan (and thus not allowed insurance through the conference) will be Elders serving less than one-half time, ministers of other denominations, those appointed to Extension ministries other than those named above, and Part-time Local Pastors. The Conference Board reserves the right each year to choose the optional categories of appointments to be selected to best serve the needs of the Conference. Where a clergyperson in a mandatory category chooses to waive the program, the church served by that clergyperson will be assessed a minimum contribution equal to the single clergy PPO rate for the year, which is the default plan for the Conference, to be paid monthly. This is to insure the stability of the program so it will be in place for other clergy who will serve that church. We further recommend that churches begin to think of health insurance coverage as a benefit provided to a pastor rather than as a part of that pastor's salary, and we encourage them to make it a separate item in their budget apart from salary considerations.

In 2006, The General Board of Pension and Health Benefits began a multi-year HealthFlex Plan Sponsor Incentive Program which is designed to provide the conferences in HealthFlex with the opportunity to earn a rebate on their total active plan premium. In year 1, which began January 1, 2006, the rebate was based upon the active insured's and enrolled spouse's (lay and clergy) participation rate in the HealthQuotient health assessment on WebMD. With 30% participation we would receive a 1% rebate in 2007 and with 60% we would receive a 2% rebate. Our Conference did very well and we received a 1% rebate from The General Board of Pension and Health Benefits in February 2007 with 57% participation, which was very close to the 2% level. This 1% premium savings was passed on to those enrollees/enrolled spouses who participated in the incentive program and was applied on a one time basis to their March 2007 HealthFlex invoice.

In year 2 which began January 1, 2007, the incentive will involve an additional activity, a wellness exam. In addition, the goal will be three tiered. In 2007, to meet our 1st tier goal we will have to have 40% participation in the HealthQuotient (HQ), tier 2 will require 50% participation and tier 3 will require 60% participation. To meet our 1st tier goal for the wellness exam, it will require 50% participation, tier 2 will require 60% participation and to meet the tier 3 goal we must have 70% participation in taking a wellness exam. The incentives will be divided so that we can meet one of the activities and still receive part of the rebate as follows:

2007 Incentives		Tier 1	Tier 2	Tier 3
HQ	Goal	40%	50%	60%
	Incentive	1%	1.50%	2%
Wellness Exam	Goal	50%	60%	70%
	Incentive	2%	2.50%	3%

Should we again reach our goal, we will again pass the percentage of premium savings received by the Conference on to those enrollees/enrolled spouses who successfully complete the required activities in 2007 when we receive our rebate in 2008.

Our claims funding ratio percentage showed a significant increase in 2006 and our projected 2008 premiums reflect that increase. The following are the preliminary premium rates for 2008 from HealthFlex.

We remind churches and pastors of the urgency to pay health insurance premiums monthly in a timely fashion. To fail to do so, as in any insurance program, will result in cancellation of insurance benefits. If at any time the premium due becomes more than 90 days delinquent, the coverage for that/those participant(s) will be cancelled retroactively to the first of the month where the delinquency began and will not be available for reinstatement until the next plan year.

Report No. 8
RETIREE HEALTH BENEFITS and
Service Requirements for Funding Retiree Health Benefits

The Central Texas Conference (Conference) currently offers the AARP Medicare Supplement Plans D, F, I and J to eligible retired clergy and eligible spouses at least 65 years of age. The Conference

shares the funding of the Retiree Health Benefit Program for eligible retired participants with the retired clergy and spouses. The Conference Retiree Health Benefit Program assumes participation in Medicare Parts A and B and is designed to extend certain benefits beyond what Medicare pays. With the onset of Medicare Part D (Prescription Drugs), Medicare supplements do not offer a drug benefit to new enrollees. New retirees will need to enroll in the Medicare Part D Prescription Drug Program (PDP) of their choice to receive prescription benefits. Enrollment in Medicare Parts A, B and D will be at the retired participant's expense.

The Conference will subsidize the premium for the retiree and his/her eligible spouse if the following service requirements have been met (these rules are in effect for any clergyperson, who retires after Annual Conference in June, 2002): **Service Requirements for Funding Retiree Health Benefits:** At the time of retirement, the clergyperson must have been working in at least a ¾ time appointment as a Full Member of the Central Texas Conference or as a Full Time Local Pastor eligible for retirement per the Discipline and the rules of the Annual Conference. At the time of retirement, the clergyperson must be a member of the Central Texas Conference, serving in a local church or one of its "Conference Responsible" agencies, and they must have at least five (5) years of ministerial service in the Central Texas Conference and ten (10) years of service in the United Methodist Church. A waiver of the five (5) year requirement for service in the Central Texas Conference may be considered by the Central Texas Conference Board of Pension and Health Benefits upon recommendation of the Cabinet.

For those eligible clergypersons and their eligible spouses enrolled in the AARP plans offered by the Conference who retire January 1, 2008 or after, the Conference will pay from 15 – 50% of the premium for those retiring at age 65 (or full retirement age) based on their years of ministerial service in the United Methodist Church.

Years of Service	Subsidy Percentage
0 – 9	0
10	15%

24	38%
25	40%
26	42%
27	44%
28	46%

30 or more	50%

For those eligible clergypersons and their eligible spouses enrolled in the AARP plans offered by the Conference who retired before January 1, 2008, the Conference will continue to subsidize the AARP Medicare Supplement premium at 50%.

Surviving spouses of deceased retired clergy are eligible for the subsidy as long as they are a covered participant at the time of death. A new spouse acquired by a retiree or surviving spouse after retirement is not eligible for the subsidy.

If, at the time of retirement, the clergyperson is less than 65 years of age and has been covered for five consecutive years under HealthFlex (or, covered by HealthFlex consecutively since 2004 since the Central Texas Conference has not participated in HealthFlex for five years), then the Conference will partially fund participation in the Conference's plan for active clergy only if the same service requirements are met as those who are 65 years of age. If the service requirements listed above have not been met, then the clergyperson and his or her spouse are responsible for providing for his or her own healthcare from that point forward.

If at the time of retirement, a retiree has Other Employer-sponsored Group Health Coverage (e.g. through a spouse's employer), he/she may decline retiree coverage and retain the ability to enroll for coverage at a future date. If the retiree loses his or her coverage, it is the retiree's responsibility to notify the Conference and enroll in the retiree coverage within 30 calendar days of loss of other coverage. If this 30-day requirement is not met, the retiree will forfeit the ability to enroll for retiree coverage/subsidy through the Conference at a future date.

If an eligible retiree without Other Employer-sponsored Group Health Coverage declines coverage at the time of retirement, the retiree will forfeit the ability to enroll for retiree coverage/subsidy through the Conference at a future date.

We continue to have a concern for clergy who may have opted out of the Social Security system. It is imperative that those persons be Medicare eligible when they turn 65, or they likely will not be able to obtain any medical insurance. Some who have opted out may have this eligibility through a spouse, or through enough previous employment. However it should also be noted that eligibility for Social Security disability payments differs from the requirements for retirement and Medicare benefits. If a new pastor is considering this course, they should investigate these matters very carefully.

Report No. 9
RESOLUTION RELATING TO RENTAL-HOUSING ALLOWANCES FOR RETIRED OR MINISTERS ON INCAPACITY LEAVE OF THIS CONFERENCE

The Central Texas Conference (the "Conference") adopts the following resolutions relating to rental-housing allowances for active, retired or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the "Church"), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church ("Clergypersons");

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental-housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to retired and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental-housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during

the year 2008 by each active, retired or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental-housing allowance for each such Clergyperson; and

THAT the pension or disability payments to which this rental-housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, retired or disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired or disabled Clergyperson's pension or disability as part of his or her gross compensation.

NOTE: The rental-housing allowance that may be excluded from a Clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations there under to the least of: (1) the amount of the rental-housing allowance designated by the Clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

Report No. 10
Section 125 Cafeteria Plan

For the purpose of paying for health care without having to pay taxes on the money which one spends, the conference established a Cafeteria plan under Section 125 of the Internal Revenue Code for all lay and clergy employees working 1040 hours per year (20 hours per week), who work in our churches, as Conference staff, in the CTC Foundation, at Glen Lake Camp and Retreat Center, or who are appointed to Conference-responsible extension ministries within the bounds of the Conference.

The Cafeteria Plan has an automatic feature and four optional features. The automatic feature, for which one does not need to fill out an enrollment form, is the exclusion from one's wages, on a pre-tax basis, one's medical insurance coverage premium. One needs only to indicate the yearly premium amount on one's Pastoral Support and Compensation Form and tell one's treasurer to exclude each month's premium and send it to the proper address. The four optional features require filling out an enrollment form and paying the proper administrative and posting charges which apply. These are also paid with pre-tax dollars. The optional features one may select to exclude from wages include:

1. Un-reimbursed Medical (URM) Flexible Spending Account up to $5,000 (on a use-it-or-lose-it basis) through Aflac's FlexOne.
2. Dependent Day Care (DDC) Flexible Spending Account up to $5,000 (for care of dependents under 13 years of age or dependents mentally or physically incapable of self-care, also on a use-it-or-lose-it basis) through Aflac's FlexOne.
3. Supplemental Medical Insurance from Aflac.
4. Dental Policy from Aflac.

Enrollment occurs within 30 days of employment and then is offered yearly to all eligible employees. It is important to note that re-enrollment in the Flexible Spending Accounts do not automatically occur or "roll over" into the following year. Each participant must re-enroll in the fall of the

previous year for the next year's participation. The Supplemental Medical and Dental policies will remain in place in subsequent years unless a cancellation form is submitted to the Conference Office during the open enrollment period requesting the same. New materials for enrollment are available on the Conference website in October of each year for re-enrollment for the following year.

As with the health insurance plan, the premiums for the optional features should be paid monthly in a timely fashion. To fail to do so will result in the cancellation of the policy/policies. If at any time the premium due becomes more than 90 days delinquent, the coverage for that/those participant(s) will be cancelled retroactively to the first of the month where the delinquency began and will not be available for reinstatement until the next plan year.

TEXAS METHODIST FOUNDATION

The Texas Methodist Foundation's purpose "to empower the Church in the achievement of her God-appointed missions" was strengthened last year as our total assets under management grew to $318.1 million. The real significance of this figure is what it enables us to do – help build strong congregations, both financially and spiritually, so they can reach out in God's name to love their neighbor.

The Foundation's Clergy Leadership Initiative, which encourages leadership, self-care and spiritual formation as well as opportunities for sustained friendships and peer support as a "ministry for ministers," hosted *Holy Conversations: Leadership, Money, and Ministry* in the first quarter of 2006. This inspirational event was attended by 150 leaders of United Methodist churches and institutions for the purpose of strengthening connections and exploring how our community of faith might more effectively fulfill its mission. Additionally, eight new Clergy Development Groups were formed in 2006. We also had 17 District Superintendents from around the state and the 11 Bishops serving in the South Central Jurisdiction involved in group processes last year. Plans were also laid to transition CLI into the Texas Methodist Foundation Institute for Clergy and Congregational Excellence in early 2007.

Our Investment Services area began offering Individual Retirement Accounts through the Individual Fund in early 2006. Continued growth in this area is expected in 2007 as more and more conscientious investors learn about the benefits of investing in Individual Fund IRAs. Overall, the Individual Fund grew by $8.5 million during 2006. Individual Fund investments help fund loans to United Methodist churches and agencies considering new construction, capital improvements and expansion of existing facilities to further grow ministries in their communities.

The Foundation's Loan Services department currently funds 451 loans to United Methodist churches in Texas, with a loan balance of $242.7 million at year's end. This service area updated and distributed *The District Board of Church Location and Building: A Resource Guide* to District Superintendents and others who work to support pastors throughout Texas. This publication is designed to successfully guide churches through the building process as outlined by The United Methodist Church.

The Texas Methodist Foundation, located in Austin, serves United Methodist individuals, churches and agencies within the five annual conferences in Texas and the Rio Grande Conference of Texas and New Mexico. We appreciate the opportunity to report the numerous ways we assisted United Methodists last year.

How can we help you to help others?

We are pleased to report the assistance we provided in 2006:

Within the Central Texas Annual Conference:

- Loans from the Foundation to churches in the Central Texas Annual Conference totaled $60.6 million.
- Churches and related agencies within the Central Texas Annual Conference had $19.1 million invested with the Foundation's Methodist Loan Fund.

Throughout the state:

- As of December 31, 2006, total assets under management by the Foundation were approximately $318.1 million, up from $292.5 million at the beginning of the year.
- New Individual Fund investments of $8.5 million helped support the Foundation's loan program. The Methodist Loan Fund currently funds 451 loans to United Methodist churches and agencies. Our loan balance ended 2006 at $242.7 million.
- Our Clergy Leadership Initiative (CLI) ministry had 65 pastors from the Texas annual conferences participating in eight Clergy Development Groups. We also had 17 District Superintendents from around the state and the 11 Bishops serving in the South Central Jurisdiction involved in group processes. CLI conducted four one-day "Think Tanks," attended by 35 pastors from five Texas annual conferences, focusing on new paradigms for stewardship in the 21st century. CLI also sponsored *Holy Conversations: Leadership, Money, and Ministry* attended by more than 150 United Methodist leaders.
- During 2006, the Foundation funded grants totaling $723,637.38, including several from donor-advised funds. Grants benefited a variety of programs such as community outreach centers, including border ministries to low-income families, childcare programs and assistance to the homeless and near homeless. The Foundation's Grants Ministry gives priority to the needs of children in poverty and crisis situations.
- The Foundation Stewardship staff consulted on 16 capital campaigns, resulting in pledges totaling more than $14.5 million. They also made more than 300 consultation visits to churches offering counsel and guidance in areas of specific need related to funding ministry. Stewardship staff also conducted 53 annual stewardship workshops in local churches and several district and conference level workshops.
- Our Development staff worked with more than 88 churches to help them initiate or revive Permanent Endowment Fund programs. Additionally, they worked with individual donors to

complete planned gifts totaling $3.1 million to benefit United Methodist churches and agencies.

The following people residing in the Central Texas Annual Conference serve as board members to the Texas Methodist Foundation in either an elected or advisory capacity:

Bishop Ben R. Chamness, Ms. Bliss Dodd, Mr. Tom Harkrider, Rev. L. Michael McKee, Dr. J. Eric McKinney, Dr. Sidney Roberts, Mr. Jerry Secrest, Mr. Hiram Smith

The Conference Board of Trustees continues as the custodian for a nonperforming promissory note received from the sale of the Fort Worth Trinity property and is pursuing an offer to dispose of the note.

A review of the insurance of the Conference was completed and an additional $5,000,000 umbrella liability policy was purchased.

The Conference continues to offer to churches the opportunity to participate in a group policy for Worker's Comp, Employee Liability, and Directors, Officers and Trustees Insurance. This coverage is available through Roach, Howard, Smith and Barton in Fort Worth. Some 96 churches are enrolled in this program.

Conference policy requires that each church in the charge carry Workers' Compensation Insurance on pastors and other employees. If a pastor (or other worker) receives a work-related injury, health insurance will not pay on what should be a worker's compensation claim. In addition, regular liability insurance will not pay or protect a church against such a gap in coverage. Please, if you do not have workers' compensation coverage, check with our Conference agent, Roach, Howard, Smith and Barton (817-332-1313) in Fort Worth, or any agent of your choosing.

We encourage churches to survey the insurance coverage that they now have and compare it with new policies and new carriers. We remind churches that a required part of Charge Conference reporting is a report from the Trustees, which lists insurance coverage and deed recordings.

About 245 local church properties have chosen to participate in the group program for purchase of electricity. We encourage churches to contact us to see if they can be included in the long-term contract the Conference has with Reliant Energy Co.

William Moody
October 30, 1925 – June 9, 2006

Chaplain William "Bill" Moody, 80, of Hewitt, passed away Friday, June 9, 2006 and certainly heard the words, "Well done thou good and faithful servant" from the Lord Christ he followed into many fields of ministry for so many years. Services were at 10:30 a.m. Friday at First United Methodist Church of Waco, 4901 Cobbs Drive, with Pastor Stephen Ramsdell officiating. Military graveside services followed at Rosemound Cemetery.

Bill was born on Oct. 30, 1925, in Laurel, Miss., to Arthur Byron and Helen (Smith) Moody. He was united in marriage to Bobbie Christine Brim. They had 56 wonderful years together and have left a marvelous legacy of family and team ministry. Bill was a retired and much loved minister.

He served in Baptist churches and United Methodist churches in Central Texas; among them were Woodway Baptist church, Oakdale United Methodist Church in Stephenville and as an associate pastor at the First United Methodist Church of Waco. Bill served in the Marine Corps during WWII on Okinawa, Iwo Jima and Saipan. Bill returned to Baylor University and received his bachelor's degree. When the Viet Nam war started, he went back into the Navy as a Chaplain, (he retired from the Navy) and he asked to be assigned to the Marine Corps. He served as their chaplain providing religious services eight times a day, seven days a week for 13 months in combat zones, often risking his life, for which service he was awarded the Silver Star. Bill Moody suffered from his exposure to Agent Orange poisoning obtained during the Viet Nam War and always attempted to minister to soldiers who suffered from the lingering illnesses associated with the toxic effects of agent orange exposure. After the War he served as a National Chaplain for the Veterans of Foreign Wars.

He was named Chaplain Emeritus of the Texas Veterans of Foreign Wars. He was elected to the Chapel of Four Chaplains. Commander Moody founded the Good Soldier Foundation in 1986 and presented the Spirit of America Medal to 56 distinguished veterans and the Spirit of America Award to 463 high school students of high integrity. For the past 10 years he drove to Fort Hood twice a week to tell solders how much they were appreciated and gave them over five thousand books. Bill is survived by his wife, Bobbie of Hewitt; son, Alan Byron Moody of Marlin; daughter, Robin Luree

Moody of Plano; grandsons, Matthew Byron Moody of Grapevine and Alexander Edward Moody-Wolski of Plano; granddaughters, Christen Diane Holcombe of North Richland Hills, Grace Elizabeth Moody-Wolski of Plano and Hope Jaqueline Moody-Zimmerman of Plano; great-grandsons, Corbin Byron Moody of Grapevine, Nathan Holcombe of North Richland Hills and Nicholas Robert Holcombe of North Richland Hills; great-granddaughter, Taylor Diane Gallegos of North Richland Hills; sister, Helen Gay Ethridge and husband, the Rev. Bill of San Antonio; and a host of nieces, nephews, cousins and friends.

Rev. Stephen Ramsdell

Albert Jessie "Pat" Wormwood
September 19, 1914 – July 9, 2006

Albert Jessie "Pat" Wormwood was a consummate pastor/preacher who was blessed in marriage to Eloise Welty Wormwood, children, Kay Mayfield, Patrick and Richard (deceased). Pat served churches in the Central Texas Conference from 1958 to June 1980; serving in the Corsicana, Brownwood, Cleburne and Weatherford districts, his last appointment was FUMC Dublin. He was ordained a deacon in 1960, an elder in 1962 and admitted into full connection in 1966. The ministry was Pat's second career, working first as a machinist, then experiencing the Call to ministry, he lay down his tools to pick up his books to prepare to care for souls. The journey was long through the conference course of study route, but Pat never wavered until full membership was experienced. As a timeless pastor, he loved the pastoring of his flock. Out of his earlier years he knew the experience of being "lost" which drew him with pastorate zeal to bring Christ to every lost soul. His retirement did not change his focus, the same passion was central to him. Measured in time, Pat had a long life, measured in effectiveness; Pat was faithful to his Lord to his last day.

Robert H. Briles

Glenn Carroll Bowman
December 7, 1916 – September 5, 2006

Glenn C. Bowman was born December 7, 1916 in Comanche county, one of 7 children of Lonnie and Opha Richardson Bowman. He was a graduate of Comanche High School and Daniel Baker College in Brownwood, Texas. He received his Bachelor of Theology from Perkins School of Theology in 1949.

Glenn was ordained Deacon and elected to probationary membership in the Central Texas Annual Conference in 1940, and ordained elder and elected to full membership in 1944. He retired in 1982 after 41.5 years of ministerial service in the conference

Glenn also served as conference statistician (a volunteer position) for 31 years. This included the time when the conference fiscal year was June-May. The statistical year-end reports had to be compiled at annual conference, by hand and adding machine, by Glenn and his assistants. He also served as one of the Central Texas Conference members on the committee that helped prepare for a smooth transition for the merger of the old Central Texas Conference and the West Texas Conference into the present Central Texas Conference. He served on numerous committees, both local and national, including Harris Methodist Hospital Board, Board of Church Growth and Development, Homes for Retired Ministers, and Board of Ordained Ministry. He also served on the General Church Committee on Forms and Records as the current General Church local church reporting forms were being developed. His ministry was to persons of all ages in every church and community where he served. He gave attention to children, youth, and adults, the homebound as well as treating all people equally as God's children, from the church and community leaders to the custodians. He worked to help grow people, churches, and young ministers as well as flowers and gardens. Glenn was always busy and active, one of the first to show up mornings in God's vineyard and one of the last to leave after dark.

In retirement, Glenn served Memorial UMC Walnut Springs (1982-1986) and then affiliated with First UMC in Joshua. He was also a member of the Joshua Caddo Grove Masonic Lodge #352, the Fort Worth Shriner Moslah Temple, Good Sam Campers, Central Texas Sojourners chapter # 16 of

the United Methodist Campers, the conference ministers Sunshine Gang, and as President of the Joshua Lions Club.

He was preceded in death by his first wife of 56 years, Vera Moore Bowman, on October 13, 1995. He is held in loving memory by his second wife of 10 years, Ida McAfee Bowman of Joshua; daughter Carol Williams and husband Bob of Cleburne; granddaughters Cherie Oehler and husband Paul of Arlington, and Christy Gentry of Nashville, Tenn.; great grandchildren Patrick and Parker Oehler and Catherine Gentry; Stepdaughters Zelma Bielat and husband Martin of Covington, and Jan Rogan of Mesquite; five step grandchildren; ten stepgreat-grandchildren; brothers LB Bowman and wife Margaret, Weldon Bowman and wife Susan and Preston Bowman and wife Betty; sisters LaVelle Parsons and LaVerne Dillashaw; and many nieces, nephews and cousins and their families.
2 Timothy 4:7-9.

John Edward Dowd
July 9, 1922 – September 8, 2006

John Edward Dowd began his earthly life in Spokane, Washington. He was called to his eternal home on September 8, 2006. In between was a lifetime of victory over what sometimes can be described as less than ideal circumstances. This included poverty, time in an orphanage and struggles to obtain an education.

After service in the US Navy in WWII, John ended up in Dallas, Texas. In April 1951, while attending Stephens Park Methodist Church in Dallas, he felt the hand of God upon him, and said yes to the call to ministry. He received his education at East Texas State University and TCU. Shortly after, he was appointed to his first church which in reality was a circuit of four churches in the Paris District of the North Texas Conference.

In 1953 he was admitted On Trial and ordained Deacon in the Central Texas Conference. He was received into Full Connection and ordained Elder in 1955. His appointments in the Central Texas Conference include: Rockwood Circuit, Talpa-Crews, Burleson, Gorman, Brookview Waco, Couts Weatherford, First Ennis, First Brownwood, Richland Hills Fort Worth, and Waxahachie First. He retired in June 1991 and became a faithful part of First UMC, Burleson.

"Praise The Lord", a word often on John's lips was not just a saying; it was a way of life for him. He faced the difficulties of life with a firm conviction that he was called to be a servant, and he was faithful to that calling. His life and ministry were marked by a love for people wherever he was. Maybe no pastor has ever been more faithful to visit among the flock, both inside and outside the membership. Where there was need, John was there, sharing a word of hope and compassion, mirroring the Savior's compassionate love and concern. As a preacher of the Word, he excelled. The result wherever he served: there was growth in membership and attendance. He was a good and faithful servant!

A service of worship celebrating the life and ministry of John E. Dowd was held on September 13, 2006 at First UMC, Burleson conducted by Dr. Leonard Radde and his pastor Dr. Mike Marshall. At John's request, his body was donated to medical science.

Ernestine "Dolly" Scott
May 27, 1937 – February 5, 2007

Memorializing a loved one is a time to honor the person, and give family and friends an opportunity to celebrate her life. This memorial is to honor the life of a woman truly after God's own heart.

The Reverend Ernestine Scott was born on May 27, 1937 in Riesel, Texas to James and Maggie Henderson. She graduated from A. J. Moore High School in Waco, Texas. Dolly also attended McLennan Community College, Baylor University, Southern Methodist, and Perkins School of Theology. She was the recipient of the Pathfinder Award in Religion from McLennan Community College. Her love of helping people, along with God's calling, helped verify her ministry.

During her twenty-eight years of ordained ministry, Dolly served many congregations within the Central Texas Conference of the United Methodist Church, culminating with her position as the Executive Director of the Laura Edward Christian Learning Center in Waco, Texas. She loved people and had a thirst and hunger to "save souls", which was her passion in the ministry. She was an inspirational minister throughout Central Texas. Her love for children led her to ministry as a counselor, and then as a vice dean at Glen Lake Methodist Youth Camp.

Reverend Ernestine "Dolly" Scott was well loved by her family before giving her spirit back to God for eternity. Her service of celebration was held at St. James United Methodist Church of Waco with a plethora of friends and family. She is survived by her loving husband of over 50 years; Harold Scott, five children; Jennifer D. Dorsey, Harolyn K. Brooks, Harold S. Scott, Jr., Audrey G. Williamson and Rhonda D. Anderson, her grandchildren; Nickolas Dorsey, Steven Scott, Teddie Williamson III, Anthony Williamson, Candis Williamson, and a son-in-law Teddie Williamson. Dolly had the heart of the church in the depths of her soul. Through her ministry of spirituality, creativity, and compassion, Reverend Scott exemplifies the gentle strength of radiant and joy-filled love. She truly loved and exemplified the Lord's ministry and shared it freely with all humanity.

Bobby Dean Baggett
December 16, 1954 – April 13, 2007

The Reverend Bobby Dean Baggett was born on December 16, 1954 in Ranger, Texas to parents, Munroe and Holly Baggett. The second of three sons, Bobby grew up enjoying all the friendship, fun, and mischief that three brothers could possibly have. After moving to the city, Bobby graduated from Trinity High School and Texas Wesleyan University. During those years he committed his life to Christ and began his journey into ministry.

While attending Perkins School of Theology at SMU Bobby received his first appointment in the Central Texas Conference to Richland Hills UMC as an associate pastor. After serving congregations in Wortham, Kirvin, Richland, King Memorial, Whitney, Coon Creek, Benbrook, Ballinger, Gatesville, Stephenville and Belton, Bobby returned to Richland Hills as the senior pastor. Bobby married Terri Smith in 1980 while he was serving Richland Hills, and she faithfully served with him through each appointment and move. Their children, Melissa, Holly, and Jonathan grew up in parsonages across the conference and shared Bobby's love of Glen Lake Camp, participating as campers, volunteers, and summer staff.

When Bobby was appointed to Richland Hills UMC he said it was "like coming home." On April 13, 2007 Bobby's true homecoming was accomplished when he left this earthly life. For over a year while continuing to serve his church, Bobby courageously struggled with the affects of an inoperable brain tumor. Nothing deterred his commitment to serving. Bobby's calm and accepting presence amidst the struggle was an example for all who encountered him. He died as he lived, always the listener, the one who connected heart-to-hear with others, a gentle spirit who was thoughtful and caring, a true friend to many.

One of the biblical texts that guided and directed Bobby's life from the formative years until his death was 1 John 4:9-11 (*This is how God showed his love among us: He sent his one and only Son into the world that we might live through him. This is love: not that we loved God, but that God loved us and sent his Son as an atoning sacrifice for our sins. Dear friends, since God so loved us, we also ought to love one another.)* Any one who knew Bobby understood that he not only gave himself to this idea, but he lived it. Bobby's life truly proclaimed the Gospel.

Len Layne
April 19, 1913 – May 8, 2007

I'm here to help you in any way you need." Those were Len Layne's first words to each new pastor at First UMC, Mineral Wells. "Len was the ideal retired pastor," said Connally Dugger, who followed him in 1978, "He could have taught people how to retire gracefully."

He told Georgia Adamson when she came, "How about I take you around to meet all the shut-ins? I've never had a woman pastor before, but I'll do everything I can to make sure you have a good ministry." And he did.

Born in China Springs and raised in Waco, he started the Brookview church there and grew it to 600 members. Len pastored churches from 1946-1978 when he retired from First UMC, Mineral Well after serving there for 6 years. He is remembered as a strong evangelistic preacher and a very dedicated pastor. It is said, "When his people needed him, he went."

Rev. Carol Woods

James B. Ansley
August 8, 1912 – May 27, 2007

When James Ansley passed away he was (at 94 years) the oldest minister in the Central Texas Conference. He was also one of the most beloved. He served four years in the Army as a chaplain during WWII. He returned home to Fort Worth to his young bride, Lorraine, where they would eventually raise two children (Frank and Camille). After serving as pastor of several churches in the conference, James became associate minister at First UMC, Ft. Worth (where he is still remembered with great love by its members). James' last appointment was as Chaplain at Harris-Methodist Hospital in Ft. Worth (where he served for 25 years). He originated and developed the CPE program and pioneered many of the aspects of hospital chaplaincy in use today. Though highly professional, James is most remembered for his pastoral skills. He was a rare person who could meet someone and, within a few minutes, create a significant bond. He truly embodied the presence of Christ. His longtime friend, Rev. Lamar Smith, said it best: "James Ansley was the single most sincere and truly Christian man I have ever known."

1.0 The Central Texas Conference shall be organized according to the Book of Discipline (2004 ¶¶ 32, 33) and shall meet annually at the time appointed by the Bishop (2004 ¶ 603.2) and the place chosen by the Conference (2004 ¶603.3).

1.1 Adjourned or special sessions shall be called in the manner set forth in the Book of Discipline (2004 ¶603.5). The business of the Annual Conference shall be conducted according to the current edition of Roberts Rules of Order. There shall be a Preliminary Report that shall include all matters for consideration by a session of Annual Conference received in accordance with the Conference Calendar. The Preliminary Report shall be mailed to the members of the Annual Conference at least one month prior to the session of the Annual Conference.

1.3 Lay members and alternate lay members of the Annual Conference shall be elected at the Charge Conference for a one-year term to begin on January 1, following their election, subject however, to the Book of Discipline (2004 ¶602.4).

1.3.1 To equalize the number of lay and clergy members of the Annual Conference, the following will be members by virtue of the offices held: each District Lay Leader, each District United Methodist Women's President, each District United Methodist Men's President, each District Student Leadership Team President or designee and one additional youth officer appointed by the District Student Leadership Team, any chair of any Annual Conference board, council, commission or committee, the Directors of the Stewardship, Finance and Administration and Commission on Church Growth and Development (CG&D), and the Director and associate Directors of the Annual Conference Mission Ministries who is a lay not otherwise a member, the Conference archivist/historian who is not otherwise a member, and Jurisdictional Council on Ministries, General Council on Ministries and General Church board and agency representatives not otherwise members of the Annual Conference; and one additional lay member from the charges of the Conference whose membership is above the number, set annually by the Conference secretary required to equalize the ratio between clergy and lay members. This figure will be revised annually. The Conference secretary will notify each District Superintendent by September 1 as to the churches that will elect additional members preceding the next Annual Conference. Each charge of the Annual Conference is responsible for defraying expenses of its lay and clergy members while in attendance at the Conference. All resolutions and petitions for consideration of Annual Conference shall be submitted to the Conference Secretary by 30 days prior to the deadline set for inclusion in the Preliminary Report prior to regular session of Annual Conference. These resolutions and petitions shall then be sent by the Conference Secretary to the appropriate standing body. The appropriate standing body shall then report a recommendation of concurrence or non-concurrence and/or any revisions to the Annual Conference.

1.4.1 All matters to be presented to the Annual Conference in session which pertain to the work of one of its standing bodies, and which were not received and duly processed so as to be printed in the Preliminary Report, shall be referred to the Conference Secretary and then to a Legislative Committee of the corresponding standing body consisting of its members present at the Conference, chaired by its chair or designee, and shall be reported back to the Conference with recommendation for concurrence or non-concurrence and/or any revisions prior to the close of the Conference session, unless otherwise directed by the Annual Conference.

1.4.2 All other papers, resolutions or reports presented to Annual Conference which may not pertain directly to the work of one of its standing bodies must also be referred to the Conference Secretary and then to a study committee nominated by the Bishop and elected by the Annual Conference and shall be reported back to the Conference with recommendation for concurrence or non-concurrence and/or any revisions prior to the close of the Conference session, unless otherwise directed by the Annual Conference.

1.5 All papers, resolutions, obituaries and reports coming to the Conference, not included in the preliminary report, must be typewritten in triplicate and two copies of said report must be in the hands of the secretary before they are presented to the Conference. Any reports requiring approval of the Annual Conference, not in the preliminary report, shall be reproduced for members of the Conference

by the proponent so that all may follow the report as it is being presented.

1.6 Per diem allowance for each day in actual attendance at Annual Conference will be granted, according to their status when they arrive at Annual Conference, to retired clergy, retired diaconal ministers, retired deaconesses, ministers' surviving spouses, pastors receiving a total compensation of, or less than the minimum compensation of the Conference, students appointed to attend school, and ministers on disability leave.

1.7 There shall be a Committee on Memoirs composed of the secretary of the Conference and the secretary of the Board of Pensions to insure suitable memoirs of the deceased clergy, widows or widowers of clergy. The clergy in charge of the funeral of such persons shall be responsible for preparing the memoir and filing it with the committee immediately after the funeral.

1.8 Any of the standing rules may be amended or suspended by a two-thirds vote of those present and voting at a session of Annual Conference, provided that any motion to amend the Conference standing rules must lie on the table at least one day before the Conference can vote to amend.

1.9 Vacancies on all Conference boards, councils, commissions, teams, and committees shall be filled by nominations and selected by the appropriate body. Those persons elected to fill vacancies shall serve the remainder of the tenure of the original member. A person who has been elected to fill an unexpired term of four years or less may be nominated to serve an additional four year term, provided the total tenure does not extend beyond eight consecutive years. However, when the chair of the committee is a district representative who has been transferred to another district and, in the opinion of the appropriate body, unusual circumstances require the continued services of such chair, the body shall have the right to retain that person in its membership for the remainder of that person's tenure. Such persons shall not be counted as district representatives.

1.9.1 Any member of the Conference boards, councils, commissions, teams, and committees who is absent without excuse from any two consecutive meetings of the board, council, commission, team, or committee shall thereby forfeit membership on the agency and their vacancy shall be filled in accordance with 1.9 above.

1.9.2 Vacancies, that require Annual Conference Committee on Nominations action to fill, which occur between the sessions of Annual Conference, may be selected by the related body, must be approved by the Conference Executive Ministry Team, and ratified by the Conference Committee on Nominations. All persons being nominated shall be contacted by the selecting body prior to nomination to determine their willingness to serve.

1.10 Members of General and Jurisdictional boards, councils, commissions, or committees within the Annual Conference shall be ex officio members of corresponding Conference agencies. Boards, councils, commissions, committees, teams, and other groups formed by Annual Conference must organize within 21 days of the closing session of Annual Conference, and report their officers to the Office of Stewardship, Finance and Administration by July 1 of that year. 3.0 After careful consideration of all financial responsibilities of the Annual Conference, the Council on Finance and Administration, with three liaison representatives selected by the Annual Conference Mission Ministries, meeting with the Council on Finance and Administration in all budget discussions, shall recommend all allocations for the major categories in the total Conference financial program: clergy and diaconal support, Conference claimants fund, administration, World Service, Conference benevolences, and capital funding. The Annual Conference Mission Ministries, being charged by the Discipline to study and coordinate the budget request of the several Conference agencies as they relate to the Conference program, shall formulate and present an itemized Conference benevolence budget providing for the support of these agencies to the Council on Finance and Administration. If, for any reason, the Council on Finance and Administration decides that the total of the requests for the Conference benevolence budget needs to be changed, it shall adjust the allocation and refer it back to the Annual Conference Council on Ministries for adjustments of the itemized appropriations in the Conference benevolence budget.

3.1 If any Conference agency feels its cause has been neglected, jeopardized, or excluded, it shall have the opportunity to represent its cause before the Council on Finance and Administration as provided in the Book of Discipline (2004 ¶612).

3.2 The Council on Finance and Administration shall present the proposed budget, for the purpose of

clarification and correction only, at the first business session of the Annual Conference each year. Changes in the proposed budget shall be reported by the committee, board, and/or council making the request at the time they report to the Annual Conference. Approval or disapproval of the financial request shall be voted as an amendment to the proposed budget at the final presentation of the budget by CFA at the last session of the Annual Conference.

3.3 Any proposal to create a new apportionment, or to change the purpose for an existing apportionment shall be presented during a regular or called session of the Annual Conference, and shall not be voted on until the next session of the Annual Conference.

4.0 All budget items allocated to the Districts and local churches of the Conference shall be based on the decimal arrived at by the following formula: Determine the base amount for each District or church by taking the total of the following items: (58) pension & benefit funds (MPP) paid directly to the General Board of Pensions, (64) Pastor's base compensation, (65) Associate(s) base compensation, (66a) Utilities and housing paid to/for pastor, (66b) Utilities and housing paid to/for associate(s), (67a) Travel paid to/for pastor, (67b) Travel paid to/for associate(s), (68a) Other allowances paid to/for pastor, (68b) Other allowances paid to/for associate(s), (69) Diaconal minister(s) compensation, (70) Other staff compensation, (71) Current expenses for program, (72) Other current operating expenses. Add the above thirteen (13) expenditures for each District to get the "District total expenditure". Divide each "District total expenditure" by the "Conference total expenditure" to get the District decimal. (Each decimal is rounded off to four places.) Multiply the District decimal by each Conference Apportionment to get the District Apportionment. Add the above thirteen (13) expenditures for each local church to get their "local total expenditure". Divide each "local total expenditure" by the "District total expenditure" to arrive at the local church decimal. (Each decimal is rounded off to four places.) Multiply the local church decimal by each District Apportionment allocation to get the Local Church Apportionment. (Each apportionment is rounded off to the nearest dollar.)

5.0 It shall be the duty of the Conference Council on Finance and Administration to compute the decimal annually, using the latest statistics (corrected, if necessary) and furnish the table of apportionments to the Districts. The District Superintendent and the District stewards shall distribute the askings to the local church on the same basis.

6.0 Items to be distributed under the formula are the Episcopal Fund, District Superintendent Salaries & Pension, Conference Claimants and C.P.P., Clergy Health Insurance, Equitable Compensation, Other Clergy Benefits, Property and Administration, World Service/Conference Benevolences, Interdenominational Cooperation, Ministerial Education, Black Colleges, Africa University, Mission Initiatives, Mount Sequoyah, Lydia Patterson Institute, SMU Campus Ministry, Texas Methodist College Association, Wesley Foundations, and Glen Lake Camp Improvements. Others may be added by the action of the Annual Conference.

7.0 The auditing firm appointed by the Conference Council on Finance and Administration shall audit all books of treasurers of boards whose auditing is not provided for in the Book of Discipline, and report the results to the Conference Council on Finance and Administration, which council will send a statement of these audits to the Conference secretary for inclusion in the minutes.

8.0 Annually each board, commission, agency, or special interest, shall make requests to the Council on Finance and Administration through the Annual Conference Mission Ministries for any special day offering, except where set by the Book of Discipline. No such day shall be recommended to the Annual Conference for any agency, cause, or institution, nor shall such a day be listed on the printed Conference calendar, unless such agency, cause or institution has presented a full financial statement and audit, including current annual income and expense, together with its report to the appropriate board.

9.0 The Council on Finance and Administration shall recommend the mileage reimbursement for necessary travel to Conference meetings for all members of boards, commissions, committees and council of the Conference and, upon recommendation of the Personnel Committee, also recommend mileage for Annual Conference staff.

10. The Conference treasurer, after the close of the fiscal year, shall transfer from the accounts of all boards, commissions and other agencies of the Conference into the Operating Reserve all unexpended balances of the annual appropriations for the year just closed (excepting only items specifically exempt by CFA) making allowances for all outstanding checks. This procedure is recommended with the understanding that the Conference treasurer will honor the requisitions for all necessary expenses of the new fiscal year within the limits of the appropriations.

I have reviewed financial records of Brownwood District, Central Texas Conference of the United Methodist Church for the year ended December 31, 2006. My review included bank statements and reconciliations, financial statements, receipts and disbursements records, payroll tax reports, budget comparisons, and a sampling of paid invoices.

In my opinion, these records present fairly the financial position of the District at December 31, 2006, and the activity for the year then ended.

Respectfully submitted,

Re: Audit of 2006 District Financial Records

Dear Rev. Dugger:

We have reviewed the 2006 financial records of the Mid-Cities District of the United Methodist Church of the Central Texas Conference during the period of April 1 – 17, 2007. The review included verification of the bank statements and reconciliation reports for both the operating and designated accounts; reports generated from the Intuit Quicken accounting software, original receipts, federal tax forms and reports (941's w-2's and I-9's) and verbal explanations provided by staff members Dana Rocha and Nancy Schusler. No discrepancies were found that would cause us to question the accuracy and integrity of the reporting of the district's finances for 2006. It is evident that there is a strong system of accountability in place.

DESIGNATED ACCOUNT: all statements and reports were examined. Great documentation of receipts and expenses. No discrepancies found.

OPERATING ACCOUNT: all statements and reports were examined. Clear recordkeeping and recording of income and disbursements. No discrepancies found.

As indicated by our signatures, we find that the records and data are in proper order for the calendar year 2006.

Re: Audit of 2006 year end District Financial Records

Dear Rev. Lindley:

I have examined the financial records of the District, since the commencement of Lynn Carter taking over as District Secretary. This covers the last four months of the year 2006: September – December. The review included verification of the bank statements and reconciliation reports for both the operating and designated accounts; reports generated from the Intuit Quicken accounting software, original receipts, federal tax forms (941's, w-2's and w-4's) and reports, and verbal explanations provided by staff member, Lynn Carter. No discrepancies were found that would cause me to question the accuracy of the reporting of the district's finances.

All data for both the Designated and the Operating accounts were examined. No discrepancies were found.

The District's books are in a great financial state, and easily reflect the income and expenses of the District. Reports can be easily interpreted, and provide necessary data for leaders in the District. Suggestions made reflect an effort to increase the easy interpretation of data.

It is my finding, and indicated by my signature, that the records and data are in proper order for the final four months of 2006.

Bishop Chamness,

I have been asked by Rankin Koch of the Temple District to look over the financial records of the Temple District for the period January 1, 2006 through December 31, 2006.

The Temple District Administrative Budget for this period was $105,627 based on the copy of the financial statements I received.

During this period the Temple District received $144,637 from all sources and expended $126,030. The ending reconciled cash balance was $96,590. I was provided monthly financial statements, check stubs, paid invoices and bank statements for the Districts checking account. The review focused on a cash basis and no information was provided, nor did I perform any procedures to ascertain amounts, if any, owed to or by the District on December 31, 2006.

During this review nothing came to my attention which would indicate that amounts received were not properly reflected in the Districts records. Additionally, it would appear that funds expended were reflected on the Districts Financial statements. During my review I noted certain "non-budget" receipts and disbursements which amounted to $38,928 and $30,305 respectively. When these amounts are subtracted from total revenues and expenditures, the net budget revenues and expenditures total $105,709 and $95,725 and compares to the budget of $105,627.

This review should not be considered to have been performed in accordance with generally accepted auditing standards. The procedures performed were those I considered necessary in the circumstances and do not include available audit procedures. Therefore, I make no representations regarding the receipts and expenditures of the District other than those noted above which were limited to the information provided. Accordingly, I cannot comment of the inclusiveness of the records provided. I used only those receipts and paid invoices provided to me as a basis for the review.

It should also be noted that I am not currently engaged in the practice of public accounting. I have significant internal audit experience but currently serve as Chief Financial Officer for Central Texas College in Killeen, Texas and did not ask for any fee for this review.

If you need additional information, please call me at (254)865-5809.

Thank You,

Robert C. Farrell

To Whom It May Concern:

I have reviewed the balance sheet of the Waco District, Central Texas conference of the United Methodist as of December 2006, and the cash disbursement journals and the revenue/expense detail fund ledgers for the year then ended. All information utilized for the review was provided by personnel of the Waco District and therefore as the representation of the personnel for the Waco District of the United Methodist Church.

The review consisted principally of analytical procedures applied to represented financial data. The review was performed in accordance with generally accepted auditing standard. However, the view did not encompass an evaluation of the internal control structure for the organization. No material exceptions were identified in the review.

Based on my review, I am not aware of any material modifications that should be made to the financial statement. It is my opinion that the financial statement fairly represents the financial condition of the Waco District, Central Texas Conference of the United Methodist church as of the audit date.

THE CENTRAL TEXAS METHODIST FOUNDATION

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2006 AND 2005

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Central Texas Methodist Foundation (the "Foundation"), a Texas non-profit corporation, was organized to make loans to local churches and agencies of the Central Texas Conference ("CTC") for the acquisition and improvement of properties and facilities, to agencies and boards of the Central Texas Conference, and to be donee and manager for gifts and endowments.

The Foundation receives unrestricted gifts from donors to help cover the cost of providing services and to enable the Foundation to fulfill their program objectives. Unrestricted gifts, grants, and bequests are reported as income in the operating fund. Additionally, the Foundation may be designated as a charitable beneficiary of wills, trusts, annuities and other unrestricted gifts which will be reflected as revenue and support in the statement of activity in the year realized.

No part of the assets of the Foundation can be used by or subjected to the obligations of the Central Texas Conference or any of its local churches or agencies, except in connection with and to the extent of the CTC's agencies or local church's deposits or other funds held by the Foundation on its behalf.

Basis of Presentation

The Foundation's financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted Operating Net Assets - Represents the portion of expendable funds that is available for support of Foundation operation. This includes outstanding loans to local churches and conference agencies. The interest earnings and principal receipts are available for support of foundation operations.

THE CENTRAL TEXAS METHODIST FOUNDATION

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2006 AND 2005

Temporarily Restricted Net Assets:

Managed Investment Funds

Managed Funds - Represent funds invested for a temporary or indefinite period for the benefit of the depositors. The Foundation makes all investment decisions related to these deposits and pays interest at rates established on a monthly basis.

Charitable Gift Annuities

Annuity funds represent a gift of money or other property given to the Foundation on the condition that the Foundation bind itself to make periodic stipulated payments, that terminate at a specified time, to the donor or other designated individuals.

Certificates of Participation

In January of 1997, the Foundation initiated a $1,000,000 offering of sale of Certificates of Participation to members and friends of United Methodist Churches and Agencies within the State of Texas. Effective July 1, 1998 the foundation modified this offering to unlimited principal. The Certificates of Participation are issued as general debt obligations of the Central Texas Methodist Foundation in minimum amounts of $1,000, and the 2006 and 2005 rates of annual interest paid to investors ranged from 3.05% to 5.60%.

Proceeds from the sale of Certificates of Participation are used to make loans to United Methodist Churches, Agencies or Institutions within the Central Texas Conference area. These securities are not registered with the Securities and Exchange Commission or the Texas Securities Commission, being exempt under Paragraph (4) Section 3(a) of the Securities Act of 1933, as amended, and Section 6-J of the Texas Securities Act.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, the Foundation considers all unrestricted highly liquid investments with an original maturity of three months or less to be cash and cash equivalents. At December 31, 2006, the Foundation had no such investments included in cash and cash equivalents.

Permanently Restricted Net Assets:

Endowment and Life Estate Funds

Endowment and other life estate funds represent funds which are either currently restricted or funds that are subject to restrictions of gift instruments requiring in perpetuity that the principal be invested. Certain endowment funds allow the Foundation to determine the ultimate use of life estate property upon the death of the donor. The property is valued at $1.00 until the Foundation obtains ultimate use of the corpus upon the death of the donor. At December 31, 2006 there were four Life Estate Funds included in temporarily restricted funds in net assets.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principals requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fixed Assets

Fixed assets are stated at cost. The Foundation has a policy whereby property additions below a minimum amount are expensed as incurred. Depreciation is computed using the straight-line method. The annual depreciation rates for buildings and furniture and equipment are based on 30, 7 and 5 year useful lives.

Interfund Revenue And Expenses

The Foundation generally receives a fund management fee of .50% to 1.00% of invested assets from each managed account. The management fee is recorded as an expense in each fund and as revenue in the operating fund.

Federal Income Taxes

The foundation is exempt from federal income taxes, under Section 501(c)(3) of the Internal Revenue Code.

Financial Statement Presentation

In 1995, the Central Texas Methodist Foundation adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the Central Texas Methodist Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, and temporarily restricted net assets and permanently restricted net assets. In addition, the Central Texas Methodist Foundation is required to present a statement of cash flows. As permitted by SFAS No. 117, the Foundation has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present classes of net assets. In accordance with SFAS No. 116, contributions received are recorded to the three classes of net assets depending on the existence and nature of any donor restrictions. Under SFAS No. 116, contributions with donor restrictions are required to be reported as temporarily restricted support and are then reclassified to unrestricted net assets upon expiration of the time restriction.

Compensated absences

Compensated absences have not been accrued because the amount cannot be reasonably estimated.

Concentration of credit risk

The Organization maintains a bank account at two banks. Accounts at an institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to $100,000. Cash in the bank account at each bank exceeded federally insured limits.

NOTE 2 - INVESTMENTS

The Foundation currently utilizes one investment manager. At December 31, 2006, $3,628,959 was under management. The Foundation paid approximately $13,170 and $2,250 in investment fees for the year ended December 31, 2006 and 2005, respectively, which are reflected as expense in the accompanying financial statements. Life estate property represents real estate conveyed to the Foundation with the donor reserving a life estate in the property. Each property is valued at $1.00 until the Foundation obtains ultimate use of the corpus upon the death of the donor. During 2006 and 2005, included in the capital gains are $588,286 and $(47,436) of unrealized gains/ (losses) and $139,177 and $256,032 of realized (losses), respectively.

Glen Lake United Methodist Camp, Inc.
Notes to the Financial Statements
December 31, 2006

Organization
Glen Lake United Methodist Camp, Inc.(the Organization), was incorporated in the State of Texas, as a nonprofit corporation. The Organization is a division of the Central Texas conference of the United Methodist Church (the Conference). The Organization is dedicated to promoting the Gospel by establishing, developing and promoting all aspects of Conference ministry as it relates to Christian camping and outdoor activities. The Organization is supported primarily through user fees but receives substantial support from the Conference and public donations.

Note 1 - Summary of Significant Accounting Policies

Financial Statement Presentation
Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets (unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets) based upon the existence or absence of donor-imposed restrictions.

In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Basis of Accounting
The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments
The Organization has adopted SFAS No. 124, "Accounting for Certain Investments Held by Not-for-Profit Organizations " Under SFAS No. 124, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met in the reporting period in which the income and gains are recognized.

Taxes
The Organization is exempt from federal taxes under the Internal Revenue Code Section 501(c)(3), and is not considered a private foundation. There is no unrelated business income for the year ended December 31, 2006.

Contributions
All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, temporarily restricted net

assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents
For purposes of the statement of cash flows, the Organization considers all highly liquid investments with an initial maturity of ninety days or less to be cash equivalents.

Donated Materials and Services
Contributions of donated noncash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance non financial assets or that require specialized skills, or provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

The Organization receives a significant amount of donated services from unpaid volunteers who assist in the day to day activities. No amounts have been recognized in the statements of activities because the criteria for recognition under SFAS No. 116 have not been satisfied.

Functional Expenses
Functional expenses have been allocated among Administration, Program, Food Service, Development, and Facility Support based on an analysis of personnel time and space utilized for the related activities.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fundraising
Fundraising expenses are included within Program and Development expense and amount to $14,634 for the year. There are no material joint costs associated with fundraising.

Inventory
Inventory consists of food items for the dining room and camp-related items such as clothing and books for resale in the camp store. All items are valued at cost on the first-in, first-out method.

Note 2 - Concentration of Credit Risk
Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash investments on deposit with the Texas Methodist Foundation. None of these investments are considered marketable securities or are used for trading purposes. The Organization's management estimates that the fair value of these investments do not differ from the carrying value in the accompanying statement of financial position.

Glen Lake United Methodist Camp, Inc.

INDEPENDENT AUDITOR'S REPORT

To the Council on Finance and Administration
Central Texas Conference of the United Methodist Church
Fort Worth, Texas

We have audited the accompanying statement of cash and cash equivalents and investments of Central Texas Conference of the United Methodist Church as of December 31, 2006, and the related statement of cash receipts and disbursements for the year then ended. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, and exclude the accounts of Glen Lake United Methodist Camp, Inc. (the "Camp"), a division of the Conference.

In our opinion, except for the effect of excluding the accounts of the Camp in the financial statements, the financial statements referred to above present fairly, in all material respects, the cash and cash equivalents and investments of Central Texas Conference of the United Methodist Church as of December 31, 2006, and its cash receipts and disbursements for the year then ended, on the basis of accounting described in Note 1.

NOTE 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities
Central Texas Conference of the United Methodist Church (the "Conference") is a state-level agency of the United Methodist Church. The primary financial responsibility of the Conference is to serve as a conduit for monies contributed by individual church members through their local churches for the programs of the United Methodist Church at district, conference, jurisdictional and national levels.

Basis of Accounting
The Conference's accounts are maintained on the cash basis of accounting, and the statement of cash and cash equivalents and investments and statement of cash receipts and disbursements recognizes only cash received and disbursed. Therefore, receivables and payables, long-lived assets, accrued income and expenses, and depreciation and amortization, which would normally be recognized under accounting principles generally accepted in the United States of America, and which may be material in amount, are not recognized in the accompanying financial statements. Accordingly, the accompanying financial statements are not intended to present financial position and revenues and expenses in conformity with accounting principles generally accepted in the United States of America. The effects of this departure from generally accepted accounting principles have not been determined.

The accompanying financial statements do not include the accounts of Glen Lake United Methodist Camp, Inc. (the "Camp"), a division of the Conference. The effects of this departure from accounting principles generally accepted in the United States of America have not been determined. During 2006, the Conference remitted $83,610 and $117,200 for debt retirement and camp operations assistance, respectively.

Cash Equivalents
The Conference considers all highly-liquid investments with an initial maturity of three months or less to be cash equivalents.

Concentration of Credit Risk
The Conference maintains cash balances at a bank which periodically exceed federally insured limits. At December 31, 2006, the Conference had approximately $1,796,000 of uninsured cash based on actual bank balances. The Conference has not historically experienced any losses in such accounts, and management does not believe there is significant credit risk associated with these balances.

Investments
Investments represent funds on deposit with Texas Methodist Foundation ("TMF") and Central Texas Methodist Foundation ("CTMF"). The deposits have been borrowed from TMF and CTMF by the Conference to finance the purchases of church and church-related properties. The investments bear interest at rates ranging from 3.5% to 5.0% and are repaid as the related notes payable to TMF and CTMF are retired. These balances are not insured by the Federal Deposit Insurance Corporation. At December 31, 2006, the Conference has uninsured cash of approximately $1,395,000 and $412,000 on deposit at TMF and CTMF, respectively, based on actual cash balances.

CENTRAL TEXAS CONFERENCE OF THE
UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS

NOTE 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Services
No amounts have been reflected in the financial statements for donated services since no objective basis is available to measure the value of such services. However, a number of volunteers donated significant amounts of their time to the Conference during the year.

Income Taxes
The Conference is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is not considered a private foundation within the meaning of Section 509(a) of the Code.

NOTE 2. RETIREMENT PLANS

The Conference maintains a defined contribution benefit plan for substantially all ministers. As approved by the General Board of Pension and Health Benefits, the Conference is obligated to make contributions to the Plan equal to 12% of the denominational average compensation as calculated by the Conference Pension Officer. The contribution to the plan is billed directly to the churches by the Conference and remitted to the General Board of Pensions and Health Benefits.

The Conference offers its employees the opportunity to participate in a defined contribution retirement plan under IRS code section 403(b), administered by the General Board of Health and Pension Benefits of the United Methodist Church. To participate in the plan, employees must work a minimum of 1,040 hours each year. Under the plan guidelines, the Conference contributes 9% of each participant's compensation annually, regardless of whether the participant contributes to the plan.

For the year ended December 31, 2006, the Conference's total contribution to both plans was $147,207.

Note:

- Data collected for the year 2006 had changes mandated from General Conference. Due to the addition of some new categories and/or changes in previous categories, comparative current year totals to last year's totals were not possible. These are noted with columns showing N/A in the "Change" row at the end of these specific columns.

- The 2006 statistics reflect the Central Texas Conference realignment of churches within certain districts. Please remember this when comparing these statistics to previous years.

FAITH AT WORK.
There is a special quality to caregiving at this family of hospitals that sets Harris Methodist Hospitals apart. That quality is faith. Here, there is a recognition that caring for people is a calling from a higher power. Here, chaplains are a part of the caregiving team and chapels are a part of the foundation that gives Harris Methodist Hospitals strength. For care that includes the body, mind and spirit, visit one of our faith-based hospitals.
