RESOLUTION FOR SEVEN DISTRICTS

WHEREAS, There has been for several years a significant shifting of population in the North Texas Conference toward Dallas and other urban centers with a consequent diminution of population in small towns and rural areas, and

WHEREAS, The North Texas Conference in called session on September 16, 1964, adopted a resolution requesting Bishop W. Kenneth Pope to appoint a special committee to study the matter of charge arrangements with particular attention to the very small membership churches and

WHEREAS, Bishop Pope has named such a committee and has asked this committee to make a study also of the number of districts necessary for best service in the conference and to offer recommendations resulting from their findings, the personnel of the committee being: Leslie W. Seymour, chairman, Tom Weaver, Bob Middlebrooks, Boyd I. DeVore, J. Daniel Barron, W. R. Corrigan, Glendall A. Jones, Sr., Don Youngblood, and as advisory members, O. B. Rogers, Sr., and Marvin T. Judy, and

WHEREAS, This committee after due study, investigation and consideration of relevant statistics and other pertinent factors as set forth in a supplementary report attached hereto, in a meeting held at First Methodist Church in Dallas January 12, 1965, with all members present, voted unanimously to recommend seven districts for the North Texas Conference instead of eight as presently established; therefore,

Be it resolved, that the North Texas Conference of the Methodist Church approve and accept the recommendation of the special committee and establish the conference on the basis of seven districts, effective with the ensuing conference year, and request Bishop Pope to determine district lines on this basis, the special committee to be continued for further study of charge arrangements.

Leslie W. Seymour, Chairman
Boyd I. DeVore, Secretary

SUPPLEMENTARY REPORT

Some factors pertinent to the proposed change in number of districts.

Approximately two thirds of the membership of the conferences is within a radius of some 40 miles of Dallas.

Outside of Dallas and the other urban centers only 90 churches have more than 100 members.

There are 166 churches in the conference with less than 100 members.

There is a disproportionate distribution of charges, churches and membership in the present arrangement of the eight districts:

a. The Dallas Northeast District has 49 charges; the Sulphur Springs District has 21 with the other districts in between these extremes.

b. The Dallas Northeast District has 50 churches, the Wichita Falls District has 33, the Denton District 60, with the other districts in between.

c. The Dallas Northeast District has over 60,000 members, the Dallas Southwest 27,000 and the Sulphur Springs District 6,900.

d. The disparity is indicated very clearly in the decimal used for allocating the financial askings of the conference to the various districts; 4.15 for the Sulphur Springs District and 44.11 for the Dallas Northeast with the other districts in between these extremes.

Some districts can very well be enlarged to include more of the sparsely populated areas; other districts can be concentrated in heavy populated areas.

A recent study by Dr. Murray H. Leiffer involving 374 districts of the Methodist Church revealed these figures:

average number of charges per district	44.6
average number of churches per district	70.0
average number of members per district	17,035

At present in the North Texas Conference:

average number charges per district	34.25
average number of churches per district	47.77
average number of members per district	18,512

The Leiffer report showed size of districts in terms of miles from the district parsonage to farthest point as follows:

for all of the 374 districts the median distance was	79.0 miles
for chiefly rural districts the median distance was	87.1 miles
for largely rural districts the median distance was	84.2 miles

In the North Texas Conference it seems apparent that at least three and possibly four districts could be set up centering in the Dallas area, each one of them including sections of rural areas.

It seems apparent also that there are practical ways of setting up seven districts for the Conference without in any sense sacrificing efficiency of supervision and at the same time affording a more equitable distribution of responsibilities, membership and financial strength.

STATEMENT AND RECOMMENDATIONS FROM CONFERENCE CENTER COMMITTEE TO THE NORTH TEXAS ANNUAL CONFERENCE

MARCH 15, 1965

I. The North Texas Annual Conference asked Bishop William C. Martin, in 1963, to appoint a committee to explore the feasibility of a conference center to house the various officers and programs of the conference. This committee was appointed in the spring of 1964 and was not able to make anything more than an organizational report to the North Texas Conference in session in May, 1964.

At the direction of the 1964 Annual Conference, this committee was continued and was requested to present at the earliest possible time its findings and recommendations.

The members of this committee are: Dr. Alsie Carleton, Dr. Joe Connally, Dr. Wm. H. Dickinson, Mr. Dutch Fielder, Mr. Jack Folsom, Reverend Bob Middlebrooks, Dr. T. Lee Miller, Bishop Kenneth Pope, (ex-Officio). Reverend Tom Shipp, Mr. R. L. Thornton, Jr., Reverend Walter Underwood, and R. B. Brawner, Chairman. The committee has been working as three sub-committees: (a) Site or location; (b) Facilities required for housing conference offices; (3) Finance.

The committee unanimously agrees that the North Texas Annual Conference should proceed as expeditiously as possible to erect a conference center to house all conference officers and programs.

II. We recommend that the conference center committee as appointed by this conference be herewith given the authority to take an option or options on possible sites, to secure professional services necessary for preliminary planning, and to expend for such options and professional services allocations, to the extent necessary, but not exceeding the amount apportioned under the conference advance program currently in effect.

III. It is understood that these recommendations contemplate only options on sites which may be available and only professional services necessary for preliminary planning. Until possible sites are definitely under option, and until considerable preliminary planning is done, it would not be possible for the committee to bring to the conference a definite statement as to cost, location, facilities to be provided, etc.

Let it be further understood that when recommendations are available that, in the judgment of the committee, are economically feasible and possible and specific estimates as to cost of construction can be made, this committee proposes to present such recommendations to this conference for any further direction and/or authorization it deems best. No contract, aside from options relating to site and for professional services required for preliminary planning, are contemplated or can be made by this committee.

R. B. BRAWNER
Chairman

To the Special Session of the North Texas Annual Conference of The Methodist Church, assembled in First Methodist Church, Dallas Texas, 15 March 1965

In order that Conference Boards, Commissions and Committees may more effectively coordinate, correlate, unify, implement, interpret and administer the programs of the several Boards, Commissions, and Committees of the Conference, it is hereby resolved

1. That the North Texas Annual Conference authorize the position of Executive Secretary for the North Texas Annual Conference and/or also for the Dallas-Fort Worth Area of The Methodist Church,

2. That the Cabinet and the Executive Committee of the Administrative Council be authorized to draw up a job-analysis for the position of the Executive Secretary, together with the positions of other Conference staff members, the possible number of such Conference Staff positions to be determined by the Cabinet and the Executive Committee of the Administrative Council, under the direction of the Bishop, after consultation with Officers of the Major Boards, and confirmation by the Annual Conference.

3. The Bishop shall be responsible for the appointment of the Area or Conference Executive Secretary in the same manner he is responsible for the appointment of the district superintendents of the conference.

W. B. Slack,
under the direction of
Bishop Pope

REPORTS

COMPOSITE REPORT OF DISTRICT SUPERINTENDENTS CONFERENCE YEAR 1964-1965

First, we wish to express our appreciation of, and to, Bishop W. Kenneth Pope. This is the report of all the pastors, the District Superintendents, and Bishop Pope. Bishop Pope has very warmly involved himself with everything the Conference is doing and is planning to do. He is not only our wise leader, but also our inspiration for our labors.

We believe there is a growing sense of brotherhood among our pastors; there is a strong spirit of mutual helpfulness. It appears that there is a fertile soil for much success in the new N-1 (Neighborhood) program and the ONE WITNESS IN ONE WORLD. THE ADMINISTRATIVE COUNCIL

Meeting at Lovers Lane Methodist Church, 10:00 a.m., April 29, 1965

The meeting opened with a devotion by Rev. Bob Middlebrooks. Attendance sheets were signed by those present. Tom Shipp made preliminary statements in regard to the agenda for the day.

A motion was made by Ira Gallaway that all pre-conference reports be in the hand of Henry Mood by May 3. Motion carried.

Bishop Kenneth Pope presented the proposed changes in the structure of the Annual Conference. Bishop Pope announced that Leslie Seymour, Tom Shipp, W. B. Slack, Bob Middlebrooks and Bryan Brawner were appointed to a committee for Job Analysis for the area secretary and relationship of conference staff.

Conference will probably be concluded by Wednesday night or Thursday at least. Conference will begin on Monday, May 24, at 4:30 with Holy Communion. Bishop Gerald Kennedy will preach twice on Tuesday and twice on Wednesday. Bishop Pope made a special plea for ministers to have their best laymen in attendance at all sessions of the Annual Conference.

Bishop Pope reported on the new district boundaries which will follow the free-ways: Thornton, Stemmons and Central Freeways wll be the general dividing lines. There will be four Dallas districts and three outlying districts.

Henry Lawson, James Swafford, Tom Shipp, Ira Gallaway, Gordon Casad and Bill Stephenson were appointed by Bishop Pope as the committee to report on the proposed Conference on Area Counseling Ministry.

Bishop Pope also proposed allocating funds to send the Texas Methodist to at least the officials of each local church in the conference. 5000 subscriptions are the needed minimum, with $5000 coming from the conference budget and the remaining $2,500 from district subscriptions for a total of $7,500.

T. Lee Miller reported, on behalf of the World Service and Finance Commission, the financing of the new area secretary in the amount of $13,000 and also on the $15,000 minimum needed to entertain the General Conference in 1968. He predicted that all District Superintendents salaries would be equalized, the two Dallas D.S.'s now receiving $600.00 per annum additional. He spoke on the request for additional support of the Texas Methodist and the additional secretary of Missions and Evangelism. He called on Julian Thomas to explain the request for an additional $10,000 from the Board of Pensions.

Full discussion followed regarding the above mentioned items. A request was made for Lee Miller to read the Conference Advance allocations. The items were approved as follows: Pensions $25,000; Methodist Hospital Building Fund $25,000; Camping $10,000; Wesley Foundation Building, North Texas $10,000; Perkins Scholarship Fund $10,000; Counseling Program and other items $10,000; Conference Center $10,000; for a total of $100,000. An additional $10,000 contingency was put in Conference Advance for a total of $110,000 for next year. It was passed unanimously.

A motion was made that the Conference program for the next two years be referred to the World Service and Finance Commission for recommended action and that it report to the Administrative Council at 10:00 a.m. Monday, May 24. The motion passed.

A motion was made that the Committee on Job Analysis be authorized to also study the make-up of the Administrative Council, its duties, responsibilities, membership, etc. The motion carried.

Reports were received from the conference boards.

The council voted to send greetings to Erwin Bohmfalk in Baylor Hospital with a broken leg.

The motion was made that funds be advanced for payment of Wesley Foundation budgets in anticipation of receipts. The motion carried.

BOARD OF EDUCATION

Report No. 1

CAMPS AND TRAINING CENTERS—The three-year campaign to raise $300,000 for improvements of camp and training center facilities has now completed its second year with almost two-thirds of the total amount yet to be raised. The first year receipts totaled $55,000 with the second year about the same. Sally Martin Hall was begun in faith that the money would be available. $82,000 was borrowed to complete the building.

Sally Martin Hall was completed in February and is now serving our conference in its beautiful dining hall/auditorium and five classrooms. The

four cottages in the Martin Training Center, with a total of 64 beds, are being well used, but more cottages are urgently needed to meet the demands. Thus far the Training Center and our two camp sites have served 8,184 person-days this year.

Facilities have been improved: 18,000 pine seedlings planted at Texoma an ice maker and deep freeze added at Texoma gas tanks and lines added to each cottage at Texoma making them usable for the year around more new shutters added to summer cottages at Bridgeport. Yet many needs remain: a covered slab at Texoma for recreation-study-worship; water facilities, electricity and a shower house in the family tent camping area at Texoma; additional bath facilities and repairs to cottages at Texoma new roofs, new shutters, and other cottage repairs at Lake Bridgeport camp.

CHILDREN

During this conference year our major emphasis in children's work has been in helping local church leaders to use more effectively **Christian Studies for Methodist Children.** Training enterprises were held in every district in North Texas immediately after these teaching materials were released. Attendance and interest ran high in all of these sessions. In the fall and winter months many laboratory schools have been available for further training in these studies.

We have several new persons certified to teach courses for workers with children in both Laboratory and Christian Workers Schools.

Curriculum Workshops and Institutes have recently been held throughout the conference, using Vacation Church School units in **Christian Studies for Methodist Children.**

A Seminar on Through-the-Week Church Kindergartens will be held at Perkins School of Theology, June 7-25, 1965.

We will participate in a Southwestern Regional Leadership School at Wiley College, July 26-31.

We have had the privilege of showing "Great Religious Art of the Masters" in a number of the churches. Much appreciation has been manifested in this exhibit.

YOUTH—The 17,000 youth of North Texas have a variety of opportunities beyond the local church designed to enable them to make a response to the call of Christ in the midst of today's world. The BLC activities attempt to meet the real needs of youth and to cover the major concerns of the Christian Faith. The focus is upon the individual youth and his role in the local church community. To reach towards our purpose we offer experiences in small group camping, trailer trip camping, training for responsible leadership and churchmanship, study of Christian citizenship on national, international, and local levels with definite plans for redemptive, moral action, and study of the Christian Faith. This year a total of 1,298 young people participated in these experiences (144 in Sixth Grade Camps, 563 in Junior High Camps, and 591 in senior high activities) wth an adult counselor force of 197 persons. Added to this corps of adults are the 38 men and women serving the youth ministry in the districts and subdistricts. This summer all youth activities BLC will be open to all Methodists within the bounds of our conference regardless of race. A highpoint of the summer will be the Youth Travel Seminar in Europe, June 7-28, in which 97 youth and adult counselors from across Texas are participating. We are concerned over the trend towards a decrease in average attendance at MYF meetings in the local church and a decrease in the amount given to Methodist Youth Fund. We are impressed with the trend towards a more serious study of the Christian faith in the MYF, along with a flexibility and originality of grouping, scheduling, setting, and organizing to achieve the purposes of Christian growth.

OLDER YOUTH/YOUNG ADULTS—The search for an effective ministry to single young adults continues through research, study, experi-

mentation, and action. We continue to share in the Dallas Apartment House Ministry Project and attempt to interpret findings from the Project to our local churches. Two helpful experiences for this age group are the week-end workcamp and two-week trail hike in Colorado offered each summer by the conference.

ADULT—With the advent of new literature for children during the year now closing, great emphasis was placed on the training of workers to properly use the materials. Because of the approaching release date of new curriculum for adults, a similar emphasis will be placed on training workers with adults for an adequate use of the new helps.

LEADERSHIP EDUCATION—Forty-seven certified schools have been conducted this year with 3,032 persons enrolled. There are 238 persons in North Texas certified by the General Board of Education to teach a total of 1001 courses. We urge all pastors and well qualified lay persons to seriously consider becoming certified to teach one or more courses as a means of personal growth and service to the church. We urge our certified teachers to continue their growth by participation in the Regional Schools.

CHRISTIAN HIGHER EDUCATION—Encouraging reports of the campus ministry have been received from all of our Wesley Foundations. We recommend that our conference move the financial support of Wesley Foundation from an asking to an apportionment, and that 80 per cent of one-twelfth of the total Wesley Foundation budget be sent to each Wesley Foundation each month, instead of sending the money as it comes in.

We recommend the continued support of our Methodist Colleges on the same basis but striving towards the goal of $150,000 in 1966-67, and $200,000 in 1967-68.

We urge a vigorous support of Huston-Tillotson College with a generous offering on Race Relations Day, February 13.

MISCELLANEOUS—Since the church school year begins with the first Sunday of September, we ask that September 12 be designated Christian Education Sunday (formerly Church School Rally Day) with an offering goal of twelve cents per enrolled member of the church school.

We ask that the North Texas Conference join in the Movement initiated by the General Board of Education, "A New Day in Christian Teaching," with a new depth in biblical and theological foundations, a new recognition of the findings of psychology and the socal sciences, a new relevance to world culture, and above all, a new dedication to Christ and His gospel, the nature and meaning of the church, and its ministry in the world.

COMMISSION ON CHRISTIAN VOCATIONS

The Conference Commission on Christian Vocations for the North Texas Conference during the 1964-65 year has been involved in numerous and various activities, with much success and accomplishment. The Commission has attempted in every way possible to challenge youth, students, and adults to a greater call to church related vocations. Following is a resume of the year's activities and opportunities:

1. The Conference on Church Related Vocations was held on January 29-30, 1965, at First Methodist Church in Gainesville, Texas. This conference again was a fine success with a very large attendance. Two hundred and twenty persons shared in the occasion.
2. For a second time, the North Texas Conference and the Commission on Christian Vocations shared in a General Board project for the use of the material "You and Your Life Work" in a laboratory school. This was held in First Methodist Church of Richardson, Texas, on February 25 to March 7, 1965. Emphasis in this second venture was placed on Leaders in Training. Several from our Conference were involved in this training enterprise.
3. The Commission shared, with other Conference Boards and Commissions, in a Workshop-Seminar for Supply and Student Pastors in the North Texas Conference. This was held at Lake Sharon Camp on September 1, 2 and 3, 1964.
4. The Commission shared with the Board of Ministerial Training and Qualifications in a Conference on the Preaching Ministry held at First Methodist Church of Denton, Texas, on March 19, 1965. One hundred and ten young men plus many of the pastors of the conference shared in this experience.
5. Special emphasis has been given through all youth programs of the Conference. Pamphlets and other resource materials have been made available to local churches.

Plans and proposals for the coming year will include:

1. We will propose to carry on the fine work through the several conferences, workshops and seminars and to enlarge the effectiveness and influence of each of these.
2. We propose to enlarge and activate more fully the work of the important post of District Secretary on Christian Vocations, and ask for District Committee to be organized.
3. We will urge that every church follow the guidance of the 1964 General Conference authorization that a Secretary of Christian Vocations shall be elected in every pastoral charge of The Methodist Church. We will also urge the naming of a local Church Committee on Christian Vocations.
4. Special emphasis will be given to further training and help for District Secretaries on Christian Vocations.
5. We desire to assist local churches in the use of the material "You and Your Life Work", and urge the churches to make use of the persons in our conference that have had special training in this materials use. They are: Wesley Kendel, Mrs. Florence Tooley, Ben Marshall, Thomas Peel, Clay Yeager, Gerald Gear as well as Bill Weir and Wm. T. Stephenson.

Additional proposals for Conference Commission on Christian Vocations.

1. Date for 1966 Church-Related Vocations Conference has been set for January 28-29 (Place: First Methodist Church, Grand Prairie)
2. Suggested date for the Workshop for Supply and Student Pastors is September 7, 8 and 9, 1965.

3. The Commission suggests that there would be value in having a Conference on the Preaching Ministry as close to October 17, 1965, (the date set for Ministerial Education Sunday Offering), as possible.

It is the continued desire of this Commission to use its efforts, blessed of God, to help rise up the spiritually alert, mentally keen, and creatively imaginative persons needed to minister within and through a growing Church in a new society.

Respectively submitted,
Wm. T. Stephenson, Chairman
Bill H. Weir, Secretary

BOARD OF MISSIONS

As we come to the close of the first year in this quadrennium, we know what our advance emphasis will be. This means we need to complete these projects in the next three years. It is very important that each Pastor and church consider taking their proportionate share. Here are the projects and the needed monies.

1. The Protestant Hospital in HongKong	$25,000.00	
2. Parker Intermediate College in India	10,000.00	
3. Bishop W. C. Martin Memorial in Kyungjce, Korea	3,500.00	
Total		$38,500.00

In addition to these, we have our Jurisdictional Projects. Here are our portions of these for the next three years.

1. Work with American Indians	$27,000.00	
2. Work with the Spanish Speaking People	15,000.00	
3. Our Negro Work	9,000.00	
Total for three years		$51,000.00

This is a real challenge to us but can be done if each church will seriously consider the needs of others. There will be a brochure printed and distributed to you for your promotional needs.

Because there was a very fine spirit of cooperation and dedication shown by other Boards, Agencies and Ministers of the conference, your Board was able to give help to churches within six of our Districts. In addition we were able to meet emergencies in several situations.

We were happy to have a part in keeping our conference paper clear of indebtedness. We know that you understand the very fine job our paper is doing. We were glad to make a $1,000.00 gift to our Lydia Patterson Institute in El Paso.

We have requests for the new year for help for new churches and rebuilding other churches from five of our Districts. We shall endeavor to look seriously at every emergency and be as much help as possible.

We wish to commend Bishop Pope for his very able direction on Educational Sunday. It was a joy to see the results.

Due to the many increases we wish to encourage every church to continue every individual Advance Special and search for means to do more.

We express our very deep appreciation for our District Missionary Secretary and hope they will make every effort to promote Missions in churches within their Districts.

We encourage them to attend our School of Missions at Mt. Sequoyah. The dates will be announced at a later time.

Respectively submitted,
Tom Shipp, Chairman
R. C. Calvert, Secretary

TELEVISION, RADIO AND FILM COMMISSION

The Television, Radio and Film Commission has concerned itself this year in planning for more effective uses of the resources available from both the General Boards and from the communications industry. In addition to participating in the Communications Workshop in New York City, the commission has sought better ways of coordinating the mutual concerns of the Television, Radio and Film Commission and that of Methodist Information.

In the Dallas area, the commission continues to cooperate with the Greater Dallas Council of Churches in using available service time for the airing of quality radio and television productions. Although not produced by our commission, we are gratified by the enthusiastic reception of the series, **The Life and Teachings of Jesus**, by Dr. Edward Bauman now pastor of the Foundry Methodist Church in Washington, D.C. Recent surveys indicate that the series had an audience of approximately 150,000 viewers per week. Methodists, as well as many others, are grateful to Mrs. W. H. Francis of Dallas who made the film available.

In order to implement an effective program for the coming year, we recommend the following:

1. Participation in the Audio-Visual Workshop at Mt. Sequoia by representatives of various boards and agencies of the North Texas Conference.
2. The conducting of a Television, Radio and Film Workshop for the North Texas Conference in the late summer or early fall.
3. The compilation and mailing of a list of audio-visual material available to the churches of the North Texas Conference.
4. The surveying of all radio and television stations throughout the conference to ascertain what can be done to utilize public service time for Methodist programming.
5. Full cooperation with the general and jurisdictional agencies of the Television, Radio and Film Commission with special reference to promotion of the Methodist Service of the Protestant Hour to begin in October.

We are grateful for the support of the Conference in the Television Ministry Fund and respectfully request its continued interest and support of this means of using the mass communication media of our nation for the proclamation of the gospel.

Respectfully submitted,

Kenneth Dickson, Chairman

REPORT OF THE BOARD OF HOSPITALS & HOMES

The Board of Hospitals and Homes believes that one way we are challenged to proclaim the Gospel is through our health and welfare ministries. It is our responsibility to help our people to know about the ministries of our institutions. It is also our task to interpret the needs of our people to our institutional representatives, and encourage them in ways and means to meet these needs. The continued change and inceasing demand upon our health and welfare ministries necessitates expanded facilities and increased budgets, and thus increases in our financial support.

The work in our conference is related specifically to the following Methodist Homes and agencies, each of which is in the process of increasing and enlarging its facilities and service.

The C. C. Young Home—Dallas
The Methodist Home—Waco
The Methodist Hospital—Dallas
The Methodist Mission Home—San Antonio

THE C. C. YOUNG HOME

We call to your attention the fact that this home for our aging citizens is operated as one institution from two different locations. Blanton Gardens at 4829 Lawther Drive provides multipurpose living facilities for ambulatory residents. The unit at 1431 Stemmons is for residents who require nursing care. Our loss of Rev. Howard W. Washburn as Administrator is certainly the gain of the church at large as he becomes a staff member of the General Board of Hospitals and Homes of the Methodist Church. We comment the Board of the Home in the selection of Rev. Merle Weaver as the new Administrator and feel confident of his capable leadership.

We note with interest that plans are almost complete for the remodeling and adding to of the nursing facilities at 1431 Stemmons at a cost of about $425,000, which will double our nursing facilities and give us a total capacity of 96 beds.

We are proud to report that Blanton Gardens is recognized as one of the finest facilities of its kind in the nation and received a national award for its design. This is the only institution of its kind supported by our conference. The increased need for this type home is appalling. Study and thought is being given to satellite units across the conference. We must do our best to increase our support for this type of ministry.

We recommend:

1. That all pastors and laymen work toward an increase giving for C.C. Young Home this conference year and that a minimum of 50¢ per member be our goal.
2. That following this conference year the Bishop and Cabinet consider a better date for an offering to be taken for the Home than the second Sunday of May.
3. That Rev. Merle Weaver be appointed as Administrator and Rev. Happy Long as Assistant Administrator.
4. The election of the following trustees for a three year term (Class of 68)

Mrs. Tom Archer	Mr. Harold Hunsaker	Rev. Paul Morrell
Rev. Noel Bryant	Rev. Felix Kindel	Mr. George Rooker
Rev. Fred Edgar	Mr. M. E. Lee	Mr. Bernard Whitten
Mr. J. V. Folsom	Rev. Lee Miller	Rev. W. L. Underwood
		Rev. Harold Raines

For a two year term: (Class of 67)

Mr. Jesse DeShong
Mr. Paul O. Corley

For a one year term: (Class of 66)

Rev. Erwin Bohmfalk
Rev. Gordon Casad
Rev. James Garrett

THE METHODIST HOME—WACO

This year of 1965 marks the 75th anniversary of the Methodist Home. We join with Methodists across the state of Texas and New Mexico in giving thanks unto God for the Home and its ministry to thousands of children in urgent need of help through the years. Time has brought about many changes in the need and services to children. Today the Home is providing a multiple service program: group care program on the campus in Waco, and the foster home and adoption programs. We note with interest and appreciation that recommendations of the study committee are being put into effect. The committee recommended that an assistant administrator be employed with the responsibility for the day to day operation of the Home. We are pleased to report Mr. Bill Copeland, an active

layman and able administrator from this Conference, was selected and assumed his duties October 1, 1964. A Study Committee under the chairmanship of Dr. Charles Allen has been given the responsibility of some long range program planning and to assist the Home in developing new types of programs to help children who are not being adequately cared for in other ways.

A much needed new student center building will be ready for use this summer. Religious and educational facilities are included along with a new library. A formal dedication of the Student Center is set for November 12, 1965 as part of the 75th Anniversary celebration. A new swimming pool is also under construction and will be ready for use this summer.

We recommend:

The election of Mr. J. S. Bridwell as a Director-at-Large for a three year term.

METHODIST HOSPITAL

We note with interest and appreciation the enormous ministry and service made available through the Methodist Hospital. The proposed operating budget for next year is more than six million dollars. With an eye toward the future to meet the increasing demand for medical services of an expanding population, a failure to expand would be an abrogation of our moral responsibility.

Construction should begin in the immediate future on plans designed to more than double our school of nursing facilities. One-half of the funds for this $600,000 project was made available from Weiss Foundation Fund, and matching funds have been provided under a Hill-Burton Grant.

The Board of Trustees recently approved and laid plans to launch a four million dollar program for the expansion of methodist Hospital facilities. This plan proposes to increase our present facilities by approximately 130 beds, plus the construction of a 150 bed satellite unit located on an eleven acre triangular tract bounded by Ledbetter Drive, Hwy 67, and Polk Street. This plan was approved after an intensive and detailed study by hospital consultants, Hamilton Associates. This financial campaign has the full approval of the City of Dallas. We commend the leadership of our Hospital Board and the Administrator for this forward step.

We note with appreciation that more than $300,000 was given by the Hospital for Golden Cross patients. We also appreciate the fine work and cooperation of Chaplain James Swafford. We congratulate the administration on the selection of Bill Wolfard as development director. One of his primary responsibilities will be directing the activities of the Golden Cross Foundation.

We recommend:

1. That the Annual Conference approve the hospital expansion program of $7,000,000, as adopted by the Board of Trustees. This program to be financed by a public subscription campaign for $4,000,000, Hill-Burton Funds and borrowing of new funds by the Hospital.
2. That Dr. Bolton Boone be appointed as Administrator and James N. Swafford as Chaplain of the Hospital.
3. That the following trustees be elected for another three-year Term:

Ministerial:	**Lay:**
Rev. Boyd I. DeVore	Charles G. Cullum
Dr. Howard H. Hollowell	Avery Mays
Bishop W. Kenneth Pope	DeWitt T. Ray
Rev. Henry Mood	Russell Smith
	C. A. Tatum

4. That the Hospital Bylaws, as amended by the Board of Trustees on March 29, 1965, be ratified by the Annual Conference.

THE METHODIST MISSION HOME

When this Home was established, the Methodist Church pioneered into a new and virtually unexplored area of human need and has continued to operate this Home through these nearly 70 years, proclaiming the "good news" of Jesus Christ to persons, who in a critical hour, needed to know the redemptive love of God.

The Building Campaign, approved at the last session of each of the six participating Annual Conferences of Texas, is estimated to be approximately $1,250,000. Of this amount, the churches will undertake to raise the first $700,000 on a fair-share basis, distributed equitable to the churches over the Quadrennium. The balance of $550,000 will be raised through a Special Gifts Campaign in the North Texas Conference, and is being assisted by Rev. Bob Middlebrooks.

The North Texas Conference share of $143,515 to be raised by the Churches was accepted by the Conference in its regular session in June 1964. The plan was that this money would be raised over a two year period, beginning in June, 1966.

We invite the attention of all pastors and laymen to the fact that the Texas Methodist Planning Commission has approved 50¢ per member as the Goal in Giving for the Methodist Mission Home. We suggest that churches undertake to increase their giving until this goal is reached.

We recommend:

1. That each District and Church be prepared to accept and raise their "fair share goal" of $143,515 which is to be apportioned on an equitable formula by the World Service and Finance Commission for a two year period beginning June 1, 1966.

2. To each Church, the use of an excellent color filmstrip telling the story of The Methodist Mission Home. The film is available through the office of your District Superintendent.

3. That the following trustees representing the North Texas Conference be re-elected:
   Dr. Howard H. Hollowell
   Rev. Bob Middlebrooks
   Mr. Russell Smith
   Mrs. E. L. Turbeville, Jr.

4. That the following Trustees-at-Large be approved:
   Dr. Ennis B. Hill, San Antonio
   Dr. J. Walter Browers, San Antonio
   Dr. Ted Richardson, San Antonio
   Mr. Joe Frazier Brown, San Antonio
   Mr. Thalbert R. Thomas, Austin
   Rev. Larry M. Stokes, Houston

We recommend the following time be set aside for special emphasis on our ministry through the institutions related to our Board and an offering be taken:

1. September 19, 1965—The Methodist Mission Home
2. Month of November—Golden Cross
3. Month of December—Methodist Mission Home-Waco
4. May 8, 1966—C. C. Young Home

We request that these institutions refrain from soliciting funds from the churches except during the month set aside for them, or such special campaigns as the Conference may authorize.

We call to your attention that an audit of all funds from the above institutions has been received.

We note with appreciation that the Chairman of the Conference Board of Hospitals and Homes is included as an ex-officio member on the Board of Trustees of each related institution and that the administrator is an ex-officio member of the Conference Board of Hospitals and Homes.

We commend Bishop Pope for his interest in setting up an area or conference counseling program and the appointment of a special study committee to further pursue this special need.

We note with interest that the National Board of Hospitals and Homes will meet in Dallas in January of 1966.

We call attention to the fact that the General Conference of 1964 recommended "that each Annual Conference request the General Board to make a total survey of its hospitals and homes at least once every two quadrennia with appropriate reports of such survey being presented to the resident Bishop and the Annual Conference Board of Hospitals and Homes as well as to the institutions and agencies." We recommend these services of the General Board for our Conference as a means of discovering the unmet needs among children, aged, sick, and chronically ill. And for exploring the possibility of new facilities needed to meet the demands.

We recommend that each church elect a Steward of Hospitals and Homes and that thought and care be given to the selection of this person and that the District Superintendent include these stewards in any District, sub-District or cluster training programs held for the purpose of training local church officers.

Please note that your Conference Board seeks to be a working board and is organized into five areas of concern in order to more effectively serve.

Respectfully submitted,

Buist B. Wilson, Chairman
Julian D. Thomas, Secretary

COMMISSION ON WORSHIP

The strong emphasis that the church is experiencing toward moving outside its gathered life and into the secular structures is not one that negates the importance of its corporate life, but rather puts new demands on the urgency of its gathered life. "Going out into the world" as witnesses of Christ must take into account the need of constant reminders of who we are before God. Common worship of a congregation is not primarily a subjective experience of a collection of individuals, even though subjective experience of a collection of individuals, even though subjective experiences are always involved. It is a reminder to us of the Christ Event. We can participate through hymns, scripture reading, prayers, sermons, etc. in what God has done for us in Jesus Christ. It is that which keeps us from being carried away with fads and whims that come along, and it calls us to celebrate that we are a particular people with a particular mission.

Our new **Book of Worship** provides a much improved help to the local church. The quality of work that is given here can assist any church, through proper leadership, in knowing the meaning of being the Body of Christ in worship. There is every indication that the **Methodist Hymnal** will also be a most valuable aid.

Local churches are encouraged to call on the Conference Worship Commission for help, whether it be concerned with Sunday morning worship, funerals, weddings, or any other area of worship.

BOARD OF PENSIONS

REPORT NO. 1

To provide for our retired ministers, their wives, ministers' widows and their children, the Conference Board of Pensions recommends that the annuity rate be set at $61.00 per service year. At the 1964 session of the General Conference, paragraph 1620 of the Discipline, which deals with the claim of a widow, was revised. This revision resulted in increased pension responsibility being added to the pension load of the Annual Conference because of the application of the "fifteen-year rule", which provides that, "if the total years of service on which her annuity claim is based are fifteen or more, the pension shall be based on the total of her husband's years of approved service." In view of the $61.00 rate and the increased responsibility, as a result of the "fifteen-year rule", we recommend that the Annual Conference appropriate $240,000.00 to the Board for its work.

As part of the Conference Advance, we recommend that the Annual Conference appropriate $25,000.00 to the North Texas Annual Conference Superannuate Endowment program for the coming year, 1965-66.

James Samuel Barcus, invalid son of Rev. J. Sam Barcus, qualifies for a dependent child's annuity under the provisions of paragraph 1621.2 of the Discipline. We, therefore, recommend that the Annual Conference approve the claim.

Julian D. Thomas, Secretary-Treasurer

REPORT NO. 2

The Board of Pensions has received one thousand dollars ($1,000.00) from the sale of the house located at 702 No. Grand Ave., Gainesville.

The income from the Joe and Lois Perkins Fund amounted to $21,057.97. This earned income was distributed among the annuitants on the basis of need.

BOARD OF PENSIONS

REPORT NO. 3

The Conference Board of Pensions in conjunction with the Committee on Conference Relations directs the payment of any pension benefits derived to the wife of Virgil Harper Fisher who served with him during all the years he served as a Methodist minister; namely, Mrs. Jewell Ollie Durham Fisher of 729 South Storey in Dallas, Texas.

The Conference Board of Pensions in review of the conditions of voluntary location, and in review of the divorce he initiated in Las Vegas, Nevada and other circumstances involving his family of that time, directs payment to his wife of service during his years of service in the Methodist ministry. Paragraphs 1616 and 1618.2g of the 1964 DISCIPLINE.

Further relevance may be found in 1627.1, 1627.1d, and 1627.1e paragraph of the 1964 DISCIPLINE OF THE METHODIST CHURCH.

The Board of Pensions of the North Texas Conference approved this resolution unanimously.

COMMISSION ON THE WORK OF THE CHURCH IN TOWN AND COUNTRY IN ITS QUADRENNIAL EMPHASIS

1964-1968

The Commission on the Work of the Church in Town and Country is living evidence of the concern of the Methodist Church on behalf of the church congregations in areas with less than 10,000 population.

Much progress is being made in providing a constant and sustained ministry equally for all churches. Great encouragement is being provided as churches learn to work together on the county-wide level, in smaller natural areas, and in 'cluster groups of planning and sharing together.

The District Superintendents are offering larger and stronger ministry to many of the small member churches through the "Extended" ministry of large and small station churches.

At the present time there are (25) active extended ministries, and (6) active "Associate Church" ministries. THE GOAL IS "NO INDIVIDUAL SMALL STATION CHURCHES", but every station sharing its ministry with others.

Trends that Effect the Church in Town and Country Now and for the Future:

1. Migration of population from urban areas to town and country especially along the Interstate and State Highways, in small town in and near the areas of Industrial growth, and in and about Lake Resorts.
2. The formation of "Strip Cities" along Super-highways and Interstate highways between cities and principal towns, the increasing number of rural non-farm commuters, resident and weekend dwellers on Lake Resorts.
3. The changing economic status of people in town and country as they become more and more industrialized.
4. The necessity of helping the church in town and country to be ready, and prepared to receive new people, and to welcome them into places of leadership.

Present and Future Needs in Ministering to All People in Town and Country:

1. Securing factual data as to present and possible future potential population, and other resources in the bounds of the responsible service area of each local church.
2. Seek to determine where is evidence of present and possible future concentration of populations to the end of beginning to establish strong ministries with greater outreach.
3. Make special studies, and provide special training in how to minister to the growing population on Lake Resorts adjacent to many of our churches.
4. Regular and consistent training opportunities for the total leadership of churches in town and country.
5. A comprehensive study of present charge arrangements as to their effectiveness in providing adequate programming and oversight, and to being conducive to creating a stronger tie of connectional relationship.
6. Present the larger concept of the total ministry and mission of the Church in town and country.
7. Continued emphasis upon the Lord's Acre-Hour Plan as a means of teaching Christian Stewardship of Life, and as a means of assisting the local church in raising supplementary funds for the building of church plants, parsonages, remodelling, and maintenance of buildings, and for equal support of Missions.

Ways and Means of Expediting Program Activities To Meet These Needs:

1. The establishing of "Church Clusters" by the district superintendents whereby one or more strong churches plan and share together with a number of smaller member churches adjacent to natural trade centers.

   For the purpose of:

   A. Assembling leadership and the membership in a united effort for planning, sharing, study, training, the determining potential of the entire cluster area, and the enlisting men, women, youth and children in sufficient numbers to challenge inactive and unchurched people to become a part of the different age brackets.

   B. To provide opportunities for conference and district resource persons to provide resource materials, and other aids, information, inspiration, guidance for a more total ministry to all people.

2. The larger use of the "Extended", and the "Associate Church" ministries as a means of including more of the small member churches in the total ministry of the Methodist Church, and to provide opportunity for large and small station churches to exercise connectional outreach.

3. The continued use of the cooperative type Group Ministry, and the Larger Parish Plan in areas where other ministries are not practical.

This commission does not consider itself as being responsible for programming, but rather to undergird the total program of the church as channeled through the various Boards, Agencies, Commissions, and Committees.

The Commission on Town and Country Work seeks to point out specific needs, and to assist in opening doors whereby district and conference leadership may make vital contributions in strengthening the ministry of each local church.

Future Dates For Activities Related To Town and Country Work:

A meeting of all appointed members of the Commission on June 7, 1965.

A quarterly meeting of all district secretaries beginning September 13, 1965, Royse City at 9:30 a.m.

Respectfully submitted,

Rev. Fred Adams, Chairman

Mr. A. S. Milikien, Vice Chairman

BOARD OF EVANGELISM

During the past Conference year the Board of Evangelism of the North Texas Conference, through study, research, and participation in various convocations, councils, and workshops, has attempted to develop a theological foundation and an understanding of the "what and why" of evangelism.

Most of our District Secretaries and the Executive Committee of the Board attended the National Council on Evangelism in Chicago, January 4-7. Several of these key personnel also participated in the Workshops on Evangelism held at Mt. Sequoyah. On April 22, 23, and 24 the Board met at Lake Sharon to seek, through serious dialogue and discussion, a deeper understanding of the problems with which the contemporary Church is faced. In the North Texas Conference we must find together, under the leadership of the Holy Spirit, the way to be more deeply committed Disciples within the Church in order that our witness and outreach in the community might be winsome and effective for our God.

In September of 1964 the Rev. Lee A. Bedford, Jr. was appointed as Pastor of Glen Oaks Methodist Church, and since that time we have not had a full-time Director of Evangelism. The Board, in response to the leadership of our Bishop and others in the Conference, did not recommend an immediate replacement for Rev. Bedford. It was the desire of the Board to cooperate in the proposed reorganization of the Conference. In light of these decisions by your Board of Evangelism, we are returning to the Conference Treasury some $7,000, which has not been expended this Conference year.

We look forward to the new Conference year and the appointment again of a full-time Conference man to help lead us in more effectively witnessing for Christ in our Conference. The detailed planning of our Conference program for the next year will be held in abeyance until this man is appointed.

The Board has arrived at these general conclusions. Since the local Church community is the place where the work of Evangelism must occur, the Board hopes to help devise a program of renewal and outreach within the local Church. We feel that laymen must be given further opportunity to develop a deeper understanding of the work of Evangelism today. Through whatever program or medium we may find necessary, ministers and laymen alike must become a more vital witnessing community so that the Gospel of Jesus Christ will be heard in our time.

We recognize that there are at least three distinct and different areas in our Conference in which the problems of Evangelism are vastly different. We speak of the suburbs, the inner city, and the small town or community. It is our hope that we can in some way meet the specific needs of each of these.

The Board of Evangelism wishes to re-affirm to the North Texas Conference its faith in the Church of Jesus Christ, and its trust that through a deeper commitment to, and a greater understanding of, the Gospel, we shall truly become the Church—and be the leaven, the salt, and the light of the world.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

The members of the North Texas Conference Woman's Society of Christian Service have been challenged this year to learn new structure, new purpose, and new terminology. For the first time the Woman's Society of Christian Service and the Wesleyan Service Guild have the same stated purpose.

The 25th Anniversary Goals of a 25 per cent increase in membership, 25 per cent increase in giving; the recruitment of one regular foreign missionary, one short term missionary for work overseas, one deaconess, one US2 for work in home fields by June 1, 1966 have been kept before us. Some Districts have had visiting teams to go to the locals and explain the purpose, the structure, and the new materials to the membership.

There are 232 societies in the Conference. There are 14,440 members at the end of the year.

The pledge to missions this year has been $129,665.00 (both Woman's Society and Guild). We have been increasing our giving each year.

434 attended the Conference School of Christian Mission at Southern Methodist University and the Highland Park Methodist Church last summer. District Workshops were held in each District following the Conference School.

752 attended the Annual Meeting at Key Memorial Methodist Church, Sherman, March 17 and 18. Mrs. Wayne Harrington, member of The Board of Missions, The Methodist Church, was our guest speaker. She challenged us to more study, more dedication, an increase in membership, increase in giving, an increase in recruitment, a richer spiritual life in order to serve right gloriously. The Charter of Racial Policies was ratified by the body.

We had a 25th Anniversary Dinner on Wednesday evening, March 17, at the Annual Meeting, and honored the past presidents. The Wesleyan Service Guild members were honored at the evening meeting. Bishop Pope spoke to us on The Task Of The New Church. A reception followed honoring the Bishop and and Mrs. Pope, the District Superintendents and wives.

The Love Offering brought to the altar by the local presidents from their societies was almost $34,000.00. This goes towards the support of our missionary, Miss Barbara Ann Bryant, who is serving in Lahore, Pakistan.

Mrs. C. C. Coffee, President of the South Central Jurisdiction Woman's Society of Christian Service, was the guest speaker in each of the District Annual Meetings and three Wesleyan Service Guild Annual meetings. We feel indeed fortunate to have had her, and people have been very complimentary of the messages and inspiration to serve that she brought us.

Mrs. Coffee complimented the work that is being done in the districts, and noted that practically every officer in her report stated that she received joy from serving. The District Annual Meetings were strengthened by the attendance of the District Superintendents and most of their wives were present too.

The Conference Officers' Training Day was well attended at Lakewood Methodist Church, April 29.

All Conference Officers and Secretaries are registered to attend the Gulf Region School of Christian Mission at Southern Methodist University and the Highland Park Methodist Church, June 7-11. The Conference School of Christian Mission will be the same place, July 12-16. It will be preceded with a time apart for depth study on membership. The District Workshops will follow the Conference School of Christian Mission. Each District is to have a time apart for depth study on membership.

This year we are inviting the Chairman of the Conference Board of Missions, and the Secretaries of the District Board of Missions or alternates to attend the Conference School of Christian Mission. We are also inviting two fraternal delegates from each of the other Conferences within our Conference.

The Annual Meeting in 1966 will be March 24-25 at First Methodist Church, Wichita Falls. The Division President, Mrs. Glen E. Laskey will be our guest speaker.

May we pray that each woman in the Conference be ever mindful of the opportunities of service that she has, be more aware of the needs of the world, have new enthusiasm for the task before her, and accept the call of stewardship for all of life, in order that she may serve right gloriously.

Mrs. J. L. Beard, President

WESLEYAN SERVICE GUILD

The North Texas Conference Wesleyan Service Guild is pleased to report a net increase of 41 members and that we have paid $240.87 more than we pledged. The joint membership drive, coaching conference, and dedication of leaders may be credited with this increase. Letters from Guild presidents indicate that figures do not tell the complete story of our accomplishments. Souls have been nourished from well-planned spiritual activities, minds have been enriched from guided studies, interest in the total program has been roused by informative mission sessions, fellowship has been enjoyed through activities varying from "after meeting refreshments" to planned teas and receptions. Guilders are participating fully in local church activities, and are sharing responsibilities with the Woman's Society of Christian Service.

The Conference Guild Weekend in July, the Conference Coaching conference in September, and the Conference Annual Meeting were well attended with everyone participating. Much information was disseminated, and reports reveal that it was carried to the local Guilds effectively. The Conference Guild ratified the Charter of Racial Policies by an overwhelming majority, and we are trying to implement its preceipts.

Five new Guilds were organized: Glen Oaks in Dallas Southwest, Walnut Hill and Plymouth Park in Dallas Northeast, and Alvord in Denton District.

Our official news media **THE LINK** took pertinent information to Guilds and to individuals who subscribed, and was exchanged for news sheets from other conferences.

We feel that accomplishments of 1964-1965 are satisfactory, but pray

Respectfully submitted,
Lillian B. Bayles
Conference Guild Secretary

REPORT ON CLOSING ST. MARKS CHURCH

The St. Mark's Methodist Church, of the Dallas Southwest District, was closed during the recent annual Conference year of necessity. The closing of the Church was approved by Bishop W. Kenneth Pope and by vote of the Cabinet. St. Mark's had held on so long as it did because of the loyalty and love of a small but very fine group of members, whose names we will not attempt to give. Fortunately, it was possible to sell the property and to remove all indebtedness on the property and all the current bills. St. Mark's was sold to the Church Extension Department of the African Methodist Episcopal Zion Denomination. The membership remaining on the St. Mark's register was transferred to the Lancaster Avenue Church, with the approval and leadership of Rev. Raymond A. Trompler, pastor of Lancaster Avenue Church.

REPORT OF THE CONFERENCE RELATIONS COMMITTEE

Report No. 1

The office of the Methodist minister in today's world demands men of spiritual discernment, intellectual acumen and physical stamina. We, together with fellow-ministers and priests of other denominations and churches, represent the thin red line of the battlefront between materialism and spiritual values, between the Satanic forces of evil and the power of God.

As Chairman of the Conference Relations Committee, I am delighted to affirm that all the members of this Conference are blameless in their life and official administration and committed to pursue their calling this coming Conference year with devotion and loyalty to God, Jesus Christ and our Church.

We move that Virgil Hanks be discontinued from the medical retirement roll and be placed on the Supernumerary list.

We move that the conference place on the medical retirement list Fred McGee and Cecil B. Greenhaw.

Report No. 3 — Conference Relations

The Conference Relations Committee moves that Virgil Harper Fisher be conditionally restored under paragraph 379 and paragraph 1630.8, 1964 Discipline, to the North Texas Conference in order that his divorced wife may be eligible to receive any pension claims which may be due for his years of service in the North Texas Conference. This resolution is offered in conjunction with the Conference Board of Pensions which assures the Conference that pension payments will be made to Mrs. Jewell Ollie Durham Fisher only.

BOARD OF LAY ACTIVITIES

We have had a good year in the Board of Lay Activities. Of course, we are never satisfied and we are looking to the future for more and greater accomplishments.

The work of the Board of Lay Activities is still to help in every way where our services can be used or is needed and we are trying to do just that. Most of all, we want to help deepen the spiritual life of our Church and assist it in growing into greater deeds for our Lord.

Mr. Leo Baker, our Associate Conference Lay Leader in charge of our "Stewardship of Life" program, has done and is doing an excellent piece of work in this connection. He has made some 50 contacts over our entire conference this year, speaking to lay groups, preachers and lay groups, workshops, laymen's meetings and has made a real impact in the North Texas Conference on the Stewardship program.

Our Methodist Men's activity, under the very fine direction of Mr. R. M. Lines has made great strides and our goal is a Methodist Men's Organization in every church. We have reinstated and reorganized some 15 men's clubs throughout the conference. Some 14 new clubs have been chartered, including Stevens Park, Royce City, Denton County, Arcadia Park, Brooklyn Ave., St. Phillips, St. Pauls and others. Speakers have appeared before churches in Garland, Duncanville, Sherman, Denton, Royce City, McKinney, Hurst, Dallas, Irving, Arcadia Park and programs have been almost weekly. We have a full compliment of district directors with one director active in each district. Six representatives were in attendance at the General Lay Board Workshop held in Austin in December 1964; the largest group of Methodist men in attendance. We held the first annual Methodist Men's Retreat at Lake Bridgeport May 15th and 16th. We had three outstanding speakers, namely Roy Grogan, Texas Conference Lay Leader, Vernon Sidler, National Director of Methodist Men, Dr. Carl Keightley, editor of The Texas Methodist magazine. We now have many people active in our program and feel Methodist Men is one of the most important fields of lay service.

Russell Smith is still doing an outstanding job on our program of Social Concern and I know you are going to see great things come as the years go by.

Under Mr. Ben Spurgin's leadership, we are doing everything we know to help in our mission program and we want to express again, as we have so many times the depth of our caring can be expressed in what we give and do for others. We will continually strive to bring special emphasis on missions.

I am still stressing the need for our lay delegates attending all of the meetings of the Annual Conference and give to this organization your whole hearted support.

We are now back at our old home for our retreat; that is Southern Methodist University, who is cooperating with us 100% in the expansion of this program.

The Conference, as usual, has been most cooperative with us in our Lay programs and we appreciate it very much. We want to rededicate ourselves, to a more thorough job of helping in every way possible to make our conference a better one for the Lord.

Our new Bishop Pope and his cabinet has been most cooperative with us and we want to extend our grateful thanks to all of the members of this cabinet, for their help.

J. V. Folsom
Conference Lay Leader

BOARD OF CHRISTIAN SOCIAL CONCERNS

Report No. 1

Report of the Division on Peace and World Order:

This division has emphasized three things in the educational process for world peace in the local church

1. Study of the theological basis for the church's concern and action for world peace.
2. Joint effort with the Woman's Society of Christian Service and the Commission on Missions in the study of Vera Dean's book, "The United States and the New Nations".
3. The development of a program of peace action within the local church.

Literature relative to peace education was made available at the called session of the North Texas Annual Conference September 16, 1964, and special leaflets were mailed to all pastors in the Conference for use in observing World Order Sunday in October. The Division sent the Reverend Jack McGee as its representative to the National Convocation on Christian Social Concerns held in Washington, D. C. in October and to the U. N. Seminar in New York following the National Convocation. Dr. Erwin F. Bohmfalk, William Arthur Cox, Jack McGee, and Mrs. Harvey J. Piercy of our Conference Board attended the Foreign Policy Conference held at S.M.U. February 27, 1965, which was sponsored by S.M.U. and the Dallas Council on World Affairs in cooperation with the U. S. Department of State.

This division recommends for the Conference Year 1965-66 that:

1. Each District Secretary on Christian Social Concerns, in consultation with the District Superintendent, form a District Committee for developing and executing of a district program on Christian Social Concerns, and that the Conference Board appropriate $100.00 from its budget to each District for the promotion of the district program.
2. The Conference Board provide one print of the movie film entitled "The Case History of a Rumor" for use in the local churches.
3. We call attention to, and re-affirm, the statement of the 1964 Discipline of The Methodist Church relative to the United Nations as "the most hopeful avenue leading to peace and world order."

Respectfully submitted,

John Hawkins, Secretary
William Arthur Cox, Chairman

Report No. 2

Report of Division of Alcohol and General Welfare:

This Division was organized on June 29, 1964, with the election of a Chairman, Vice-Chairman and Secretary. Members were urged to attend the Briefing Conference at Mt. Sequoyah, Arkansas, on July 24-26, 1964. Two members of the Division attended the conference. Copies of the notes taken at the conference were distributed to each member of the Conference Board. The Division met on September 16, 1964. A delegate was authorized from this division to attend the General Board Conference of Social Concerns in Washington, and subsequently, Elden Traster was designated and attended. Legislation with reference to race track gambling and the sale of liquor by the drink was discussed. A summary of the work of the last quadrennium was filed in the minutes of the division.

During the year, the Chairman has had correspondence with the Chairman of the Texas Conference Board of Christian Social Concerns with

reference to coordinating opposition to the above mentioned legislation. The Division met on March 15, 1965, and authorized the sending of telegrams to members of the Legislature opposing Senate Bill 8, commonly known as the "small bottle" bill. Telegrams were sent. Instructions were given to communicate to the members of the Legislature opposition to all bills permitting pari-mutuel betting or liquor by the drink, including Senate Bill 8, H. B. 65 and H. B. 49. The Division cooperated with TANE in the preparation of four-minute tapes for radio stations to combat the legislation for liquor by the drink. The Division submitted a budget request to the Executive Committee of this Board.

We hereby recommend and ask the churches of the North Texas Conference to strive to put into their budgets $ .25 per member during this next conference year for the support of the Texas Alcohol Narcotics Education organization.

Respectfully submitted,

Elden Traster, Jr., Secretary
R. L. Dillard, Jr., Chairman

Report No. 3

DIVISION OF HUMAN RELATIONS AND ECONOMIC AFFAIRS

The Human Relations and Economic Affairs Section of the North Texas Conference Board of Christian Social Concerns, begs leave to submit the following report:

Our work for the year closing has been primarily in the areas of orienting ourselves to the Discipline's requirements in this area of emphasis, analysis of the step-by-step four year program as outlined, acquiring of literature available for information and use in the Conference, the development of resource persons and suggested plans for Conference use, relate itself as effectively as possible with other sections of the Social Concerns Board, to the legal phase of human welfare, both by protests to the legislature and through specific recommendations. It has studied its relation to the proposed new relationship to the Central Jurisdiction and stands to aid therein in any possible way. Its chairman attended the National Social Concerns Work Shop in Washington, D. C., and also the United Nations Seminar in New York.

For the new Conference year, the Human Relations and Economic Affairs section, proposes that:

1. District Secretaries plan and cooperate with and through the Conference Board ways and means of making effective the Church's entire program of thought and action; it is hoped that funds to encourage this action will be supplemented by the Conference.
2. That resource materials accumulated by the Division be studied and used in the local churches, including the showing of the film "Case History of a Rumor" as a means of tempering the moods and judgments of our people, and other helpful pictures and films.
3. That these agencies in our church cooperate fully with relevant Community agencies in furthering social justice and welfare.
4. In the matter of Race Relations, we urge that careful study be made in local churches on the idea of Race and the Bible, that local churches face-up-to and work to bring their own attitudes up to the level of the Methodist Church's officially stated position; that each local church make explicit wherever possible any fact or line of progress in its fellowship and that especially we work to create the climate favorable to absorption of the Central Jurisdiction into the total fellowship of the Methodist Church as a part of this preparation. We suggest that study groups, prayer groups, and carefully planned sharing relationships between individuals of the races be used in each local church.

5. We urge constant and thoughtful vigil regarding any issues before either the legislatures of our land or the public surrounding us, wherein a positive voice and action might affect for betterment the lives of our citizens.
6. Our report closes with the proposals contained in two resolutions now to be offered.

Respectfully submitted,
Philip W. Walker, Chairman
Mrs. Harvey Piercy, Secretary

Report No. 4

Statement Concerning a Ministry to the City and County Jails:

To be the Church of Jesus Christ is to take seriously the statement Jesus made to his disciples, "As The Father has sent me, so send I you." This statement is amplified in one fashion or another throughout the New Testament—that whatever else our New Testament Fathers saw as the church it was a mission to the cry of humanity in the midst of the world. The picture of the Last Judgment which is recorded in Matthew 25 makes us aware that to minister to the neighbor is a ministry to The Christ.

If the Church is to be a ministry to Christ then it must be concerned with whatever structures may exist in the society in a given time. This means to be the Church we must have concern for every thing that exists in the world as these structures touch the life of people.

One of the structures which has been too long ignored by The Methodist Church in particular, and the Christian Church in general, is the City and County Jails. Every city and county has such an institution, and yet we as a Board are disturbed that little, if any ministry is being carried on there.

The Board of Christian Social Concerns of The North Texas Conference of the Methodist Church wants to hold before this Annual Conference the program of ministry to the County Jail that is carried on in Dallas County. Although it is directed and sponsored by The Greater Dallas Council of Churches we feel every Methodist Church in this Annual Conference should know about its work with the thought that perhaps it will serve as an inspiration to go and do likewise. Local ministers give one afternoon a week to go to the County Jail to talk and counsel with those prisoners who desire to see the Chaplain. The ministers do not conduct preaching services, but instead provide Pastoral Counseling with the prisoner who often has no outside contact with society. It is always difficult to measure effectiveness, but at least this much is being said to the inmates—The Church is here and it cares.

The Human Relations Committee of The Board of Social Concerns of The North Texas Annual Conference heartily recommends this ministry, and encourages County Seat ministers throughout the Conference to formulate a ministry of this type to the County Jails.

Report No. 5

Resolution Concerning Non-Violent Demonstrations:

Whereas the question of non-violent demonstration has been publicly raised anew for us in the past few months

And whereas 100 years have passed since freedom of opportunity and equality was promised to all citizens of the United States of America, and since our New Testament fathers clearly proclaimed that in Jesus Christ all men are Sons of God through faith;

The Board of Christian Social Concerns of the North Texas Annual Conference feels compelled to re-affirm the following statement taken from the Discipline of the Methodist Church, 1964, (Par. 1824, C-8):

"We affirm the legality and right of those minorities who are oppressed, anywhere in the world, to protest, to assemble in public, and to agitate 'for redress of grievances', provided this is done in an orderly way." (Council of Bishops, Detroit, Michigan, November 13, 1963.) A public march or other demonstration as a dramatic petition for attention and justice is in line with the principles and practices of a free society. When such orderly protests are undertaken, the goal should be clearly identifiable.

Amendment: At the same time, Christians should always be especially careful to preserve within our nation that respect for law which is necessary to an orderly and democratic society.

We call all Methodists, individually and collectively, to take the lead in promoting social justices among all peoples.

Report No. 6

PARI-MUTUEL BETTING

WHEREAS, the Texas Horse Racing Association is still determined to inflict Pari-Mutuel on the State of Texas, and,

Whereas, the Texas Horse Racing Association by its own statement is expecting to win more sentiment in its favor during the next biennium, with the hope of ultimately getting a majority.

THEREFORE, BE IT RESOLVED: that the North Texas Conference go on record as being unalterably opposed to Pari-Mutuel betting in any form, and,

FURTHERMORE, that Methodists throughout the Conference, exercise wise judgement in the selection of representatives to the next legislature who will hold the lines against any effort to legalize gambling through Pari-Mutuel betting or in any other form.

REPORT OF THE COMMISSION ON WORLD SERVICE AND FINANCE

Report No. 1

In submitting the report of the Commission on World Service and Finance, the members of the Commission desire to express their gratitude and appreciation for the wonderful cooperation that they have had from all boards, commissions and committees of the Conference during the past year. This cooperation has been invaluable in our service to the Conference.

We would also express our very sincere appreciation of the efficient and dedicated services of the Conference Treasurer, Mr. Dutch Fielder. His patience, kindness and Christian forbearance has been of inestimable value in keeping the financial program of the Conference in excellent condition. He serves the North Texas Conference with exceptional loyalty, dedication and ability.

We are happy to report that audited reports have been received from all institutions receiving Conference funds. We appreciate the splendid cooperation of these institutions.

We appreciate the services of the Conference Audit Committee. This Committee has been most helpful during the past year.

In submitting our report we are offering several resolutions intended to clarify policies and procedures. We hope that you will consider these recommendations prayerfully for they represent a sincere effort to establish the fiscal affairs of this Conference on a sound basis.

Finally, we would express our gratitude for the leadership of our presiding Bishop, Dr. Kenneth Pope, and to all the officers of the North Texas Conference who have worked tirelessly with us to serve Christ and His church in our respective areas of responsibility.

Sincerely,

Report No. 2

Pursuant to a request from the Administrative Council, your Commission on World Service and Finance has prepared a projection of the Conference financial program for 1965-66 and 1966-67. This information was presented to the Administrative Council on May 24, 1965. In some areas we now have more specific information relating to the status of various funds that suggest some modification of the report presented to the Administrative Council.

Because we think that this information is of real significance to every pastor and lay delegate, we present herewith the information presented to the Administrative Council on May 24th with such modifications as are valid in view of additional information now available.

1. This projection presumes that the askings for World Service, the General Administration Fund, the Interdenominational Cooperation Fund, and Temporary General Aid will remain the same for the remainder of the quadrennium.
2. There is no provision for any salary increases for Conference personnel or additional Conference employees.
3. As of the close of business for the Conference year 1964-65, the balance in the District Superintendent's Fund is $28,910. We will spend annually from this fund $7,000 more than will be apportioned. We believe that it should not be necessary to increase this apportionment during the remaining three years of the quadrennium.
4. Boards, commissions and committees determine programs — not the Commission on World Service and Finance. We have no way of knowing what may be proposed in future years. Our projection for 1966-67 contemplates that no increase will be proposed or approved by the Annual Conference.
5. The Contingency Fund was overdrawn during the current Conference year and reinbursed from refunds returned by boards and commissions. These refunds were in the amount of $21,307. We have directed the Treasurer to deposit these refunds to the credit of the Contingency Fund for 1965-66:
6. We recommend that the following charges to the Contingency Fund be approved for 1965-66:

Board of Publications (Area Office)	$ 782.
Texas Methodist	$5,000.
Television Ministry Commitment	$4,000.
Committee on Conference Relations	Actual Exp. Incurred

7. A summary of budget recommendations, herewith attached, aggregates $572,780. Of this amount $88,200 is to be paid from the District Superintendent's Fund and $10,000 from unused funds transferred from Conference Advance. The net to be apportioned is $474,580. This is an increase of $30,580 in the amount to be apportioned—or an increase of

6.89%. Because of change in District boundaries we have not been able to compute district allocations. This will be accomplished promptly and given to each District Superintendent.

8. We recommend that you approve the transfer of $10,000 from unused Conference Advance funds originally earmarked for a counseling program to World Service and Conference Benevolences.

9. Conference Advance lacked $970 for paying out this year. A small surplus from excess contributions of past years is available to pay this deficit. We have asked the Conference Treasurer to transfer $970 to the account of causes in the 1964-65 advance program so that each may receive allocations in full. We request your approval of this action.

10. We ask you to take special note of the status of the Camp Development Fund. During the past two years on an asking of $200,000, receipts have been approximately $130,000—$70,000 short of the goal established. Substantial commitments are outstanding now against this fund.

11. We recommend the adoption of the following budget for Conference operations for 1965-66:

A. GENERAL BUDGET	65-66
1. World Service	$246,701

12. In order to more clearly establish operating policies and procedures we recommend the adoption of the following recommendations:

A. In computing travel to be paid by any board, commission or committee, the basis shall be 5¢ per mile based upon published Texas Highway maps.

B. That no conference board, commission or committee shall expend Conference funds for meals for the members thereof while in attendance at Conference and Board Meetings.

C. That in order to stimulate receipts to the Camp Improvement Fund for the Conference year 1965-66, the approved total be distributed to districts and local churches on an apportionment basis.

D. That the status of our annual commitment to the Wesley Foundation be changed from 'asking" to "apportionment" in order that personnel may receive their salaries on a regular basis and that charges as may be appropriately made to Conference allocations be paid promptly. The Conference Treasurer is hereby instructed to send to each participant unit on a monthly basis 80% of 8½% of annual allocations as approved by the North Texas Annual Conference.

E. That budgets of all boards, commissions and committees, as recommended by the World Service Commission and approved by the Annual Conference, shall be expended on a line item basis and that any necessary adjustment among separate items within an approved budget must be made with the Chairman of the Commission on World Service and Finance and the Conference Treasurer.

F. That it shall become a standing rule of the Conference that no board, commission or committee shall include requests for funds other than those required for its own operation or program; and that requests for funds for the same cause or concern shall be made only by one board, commission or committee.

G. That interest earned on any funds administered by the Conference Treasurer for any board, commission or committee be declared general funds of the North Texas Annual Conference and be appropriated by the Annual Conference on recommendation of the Commission on World Service and Finance and that this action become a standing rule of the North Texas Annual Conference.

H. That no board, commission or committee of the North Texas Annual Conference shall incur financial obligations for any reason that exceeds current appropriations except by specific approval of the Administrative Council, the presiding Bishop, and the Commission on World Service and Finance. Further, that the action shall become a standing rule of the Conference.

I. In order that the Conference may receive an all inclusive report on its fiscal program, we request that the Commission on World Service and Finance be directed to receive from the Administrative Council the Advance Program as adopted and report this program without change in the report of the Commission on World Service and Finance to the Annual Conference. We recommend further, that in receiving the report of the Administrative Council all requests for allocations of funds not a part of the Advance Program be considered as "approved" or "not approved" only after the Conference has received the recommendations of the Commission on World Service and Finance pertaining thereto.

THE TEXAS METHODIST

To The Members of The North Texas Conference:

My father has been seriously ill for several days, but I have been trying to take care of responsibilities here before going to his bedside on the week-end. He has taken a critical turn for the worse, and I have asked Jack McGee to read this statement for me.

Yesterday, I had an interesting experience in Lubbock. At the retired ministers dinner, a lady presented an unusual program entitled "My Mother's Magazines". She told how these had affected the life of the children in the family. Among the magazines was The Christian Advocate. It recalled to me again the breadth and impact of this witness and ministry of the church.

A few days ago, I heard a college president tell how he raises money. He said, "I tell people who are not familiar with our work; If you could know my work as I do, you would want to have a part in it."

If you knew the wide reach and strong impact of your state and conference paper of which I am almost daily reminded, you would take great pride in this ministry of communication and witness.

We ask for paltry sums compared to what is asked for by hospitals, homes, schools, and the like, but nothing you support has a wider and more daily witness for Christ and His Church. We rejoice anew in this ministry which we undertake for you.

Two new developments are worthy of special attention. The Rio Grande edition of THE TEXAS METHODIST was published for the first time the week before Easter and is being received with gladness by that conference. It was begun at the request of the conference after long searching for a way to do it. Individual laymen and churches have made contributions, and will need to make more to continue the paper, for the Rio Grande conference. We are sending a mailing, with a letter about the opportunities and a joint statement from the bishops inviting our current subscribers to give gift subscriptions to further circulate the paper in this most important and near at hand mission field. (The Rio Grande Conference.

The need for breaking through into the world beyond the church is also important. A new program of perpetual subscriptions which can be given in memory of someone is headed up by Addition Cutter. Mr. Jack Folsom has bought the first two. You will be hearing more about this opportunity to make a perpetual witness and honor a loved one or friend, or servant of the church.)

It has been a good year. At year's end we were confronted with an increase for printing the conference editions in their present form of over $13,000. After much searching, the Joint Board of Publications has changed printers, but it has also made arrangements to continue to circulate the Texas Methodist with local church papers in either the present form or a new tab form. The local church may have its choice. If seeking the guidance of the Holy Spirit is consulting together in mutual concern in a Christian community of love, no action ever taken by the board has sought more earnestly the guidance of the Holy Spirit.

We urge all pastors to continue their every family circulation with THE TEXAS METHODIST, or at the very least to circulate the paper to their top leaders, including official board and Sunday School workers.

And we urge all who do not circulate the conference and state paper to do so that their people may be informed, the church's witness strengthened, and the Methodist families may have the presence of THE TEXAS METHODIST in their homes as a part of their rich, religious heritage.

DEACONESS BOARD

A survey of Methodist deaconesses reveals a net loss of 56 in the number of active deaconesses during the past five years. This loss was sustained even though the number of deaconesses commissioned has been increasing each year.

The number of deaconesses on active service in 1964 was 358, while in 1959 it was 414. The decline is because of the increased number of retirements.

Figures for four years show an increase in recruitment: 1960, 7 deaconesses commissioned; 1961, 11 commissioned; 1963, 25 commissioned. The 1963 figure reflects the large increase realized from the recruitment emphasis in the observance that year of the 75th anniversary of deaconess work in the Methodist Church.

"Every effort must be made to meet the goal of one new deaconess to be recruited for every Annual Conference."

"This means about 100 new deaconesses by the end of May, 1966. This is needed to keep all of our present work going."

We, of the Deaconess Board, are much concerned with the shortage of workers. Right now there are two deaconesses in the North Texas Conference. Miss Mary Cameron has transferred to the Florida Conference and Mrs. George D. Council was discharged to join her husband in Virginia.

This year, both Miss Mabel Whited and Miss Darla Brown, our two deaconesses, had the privilege of attending the annual meeting of the Commission on Deaconess Work in Cincinnati, Ohio in March.

On February 28 and 29, we cooperated with the Commission on Christian Vocations in planning and carrying out the plans for the Workshop on Church Vocations.

To acquaint the conference with the work of the deaconesses, the Deaconess Board has had 1500 brochures printed to be distributed at the Annual Conference. Miss Brown and Miss Whited have made picture posters of their work and have a table of free material that they hope people will pick up to help in the field of recruitment.

REPORT OF THE AUDITING COMMITTEE

Your Auditing committee has carefully scrutinized the audit made by the Certified Accounting Firm of Nelson and Nelson and has made recommendations to the World Service and Finance Commission about the better handling of accounts. Many of these recommendations were reported by your World Service and Finance Commission.

Audited reports have been received from Methodist Hospital, Waco Home, Methodist Mission Home of Texas, C. C. Young Home, Southern Methodist University Scholarship Funds, Board of Publications, Texas Council of Churches, Texas Alcohol Narcotics Education, Lydia Patterson, Wesley Foundations at—Denton, Commerce, Wichita Falls and the general audit of the Texas Methodist Student Movement in Austin, Texas, and the Methodist College Association. The audit report from the Texas Methodist Stewardship Movement promised last year was forthcoming and their 1965 audit will be sent upon completion.

The Audit Committee believes that good business practice for protection of everyone requires that all funds be audited. Therefore, we respectfully request the conference to direct the District Superintendents to submit their books on District Work to the conference auditors for audit so that these records might become a part of the published audit of the North Texas Conference.

Respectfully submitted,
Elden Traster, Jr., Chairman

REPORT OF THE BOARD OF TRUSTEES

The Board of Trustees has been organized with the new Quadrennium that it might better serve the Annual Conference, namely; the presiding Bishop, District Superintendents and District Boards of church locations and building with respect to the transfer or disposition of property, real or personal, as the local laws and the Discipline may require.

The Board of Trustees was notified that Charter No. 91233 had been forfeited for failure to file the report requested of September 1, 1963. The Board completed the form 9.01, paid the penalty for late filing of $15.00 and $5.00 filing fee for the report. These monies were created through the World Service Finance. The Board of Trustees will now have the continued right to conduct affairs under the Texas Non-Profit Corporation Act when so directed by the Conference.

The Board wishes to go on record in expressing its complete willingness to facilitate its responsibilities.

Respectfully submitted,
Earl E. Kifer, Chairman

HISTORICAL SOCIETY

Your Historical Society recommends:

The North Texas Conference join with all conferences in the observance of the Bicentenary of American Methodism during, 1966, in these ways:

1. Invite the pastors to preach an appropriate sermon on American Heritage Day, January 2, 1966.
2. Arrange for a Methodist historical address or paper at the session of the conference in 1966.
3. Study groups in local churches study the History of American Methodism.
4. Join with all the other Annual Conferences in Texas in joint sessions of the conferences in 1966.

We further recommend that:

1. The 1966-1967 North Texas Conference Journal carry the pictures of all the members of this conference.

2. The Bridwell Library be designated as the historical depository for this conference.
3. A suitable marker be placed at old Pecan Point designating it as the place where the first Methodist preacher in Texas, William Stevenson, preached.
4. Encourage local churches to put their histories in some written form.
5. Arrange an historical display at the conference session of 1967.
6. Circulate North Texas Conference History at the session of the centenary conference in 1967 (the session that marks the end of 100 years and the beginning of the second century of the conference.)
7. Provide $5,000.00 for the publication and distribution of the North Texas Conference History by Walter N. Vernon.
8. Set a quota for local churches to take of the Conference History.

CERTIFIED COPY OF RESOLUTION OF THE ANNUAL NORTH TEXAS CONFERENCE OF THE METHODIST CHURCH AT DALLAS, TEXAS, this day of 1965

The undersigned Secretary of the North Texas Conference of the Methodist Church certifies that the following is a true and correct copy of a Resolution adopted in accordance with the Discipline by the Annual Conference of the North Texas Conference of the Methodist Church meeting at the First Methodist Church in Dallas, beginning on May 24, 1965, such Resolution adopted May 24, 1965.

RESOLUTION

"WHEREAS, on or about the 21st day of February, 1952, CARRIE MOWERY, a widow, executed a General Warranty Deed to J. E. Collins, L. C. Harlow and George Witt, Trustees of Rankin Chapel Methodist Church, conveying Lot 1 in Block 11 of Edgefield Addition to the City of Dallas, or West Dallas, according to the Map thereof, recorded in Volume 1, page 128 of the Map Records of Dallas County, Texas; And

WHEREAS, said Deed was in error in that the Grantee therein should have been the West Side Methodist Church and its Trustees, rather than Rankin Chapel Methodist Church and its Trustees, J. E. Collins, L. C. Harlow and George Witt, the said West Side Methodist Church having paid the consideration of $3,000.00 recited in said Deed for said Lot, recorded in Volume 3633, page 284, Deed Records, Dallas County, Texas; and

WHEREAS, In connection with the building of the West Side Methodist Church, University Park Methodist Church advanced and guaranteed certain funds to the West Side Methodist Church with the understanding that the said Lot 1, in Block 11 of Edgefield Addition to the City of Dallas would be sold and the proceeds applied on the indebtedness; and

WHEREAS, due to the erroneous Deed naming the Rankin Chapel Methodist Church instead of the West Side Methodist Church as Grantee, it has been impossible to grant good and record title to the property; And

WHEREAS, it is now desired to convey the property to the University Park Methodist Church, and the only means of effectively conveying said property is by the adoption of a Resolution by this Conference authorizing the Trustees of said North Texas Conference to execute a conveyance to University Park Methodist Church of said property, the title to which was formerly inadvertently or mistakenly vested in Rankin Chapel Methodist Church and upon its dissolution, disbanding and ceasing to exist, the title became vested in this Annual Conference.

NOW, THEREFORE, BE IT RESOLVED, that the Trustees of the North Texas Annual Conference of the Methodist Church, duly constituted and duly authorized so to do, does hereby authorize the Board of Trustees of said Annual Conference to execute a Warranty Deed to the University Park Methodist Church (but without trust clauses, it being the intention of said University Park Methodist Church to proceed to sell such property for reimbursement of the sums paid by it to the National Board of Missions of the Methodist Church on behalf of West Side Methodist Church) and to furnish said University Park Methodist Church with a certified copy of this Resolution hereby intending, as conclusively as may be done, to vest title to said Lot 1 in Block 11 of the Edgefield Addition to West Dallas or to the City of Dallas in said University Park Methodist Church."

The above and foregoing Resolution was duly and regularly adopted by the North Texas Annual Conference of the Methodist Church and continues in full force and effect.

That we extend gratitude and appreciation to all who have contributed to this conference:

To Dr. Robert E. Goodrich, Jr. and his staff for being gracious hosts throughout this conference, and the First Methodist Church for extending its facilities and courtesies.

To the Reverend Philip Walker for his helpful and encouraging message in the Memorial Service.

To those responsible for the worship in music; Bill Mann; the Chancel Choir of First Methodist Church conducted by Robert Wortley; and the combined choirs of the Methodist churches of the conference, conducted by Roy Johnson.

To Bishop Gerald Kennedy for his excellent preaching which has been both lucid and helpful.

To Mrs. J. L. Beard who serves faithfully as the President of the Womans' Society of Christian Service.

To Jack Folsom, retiring after nineteen years of outstanding service as Conference Lay Leader and to Leo Baker, our new Conference Lay Leader.

To the Trinity Universal Insurance Company for the courtesy of allowing us the use of their parking facilities.

To Bishop Ralph Dodge for calling us to take seriously the mission of the church in Africa and to D. Jack Waldrep for sharing with us his keen the church in Africa and to D. Jack Waldrop for sharing with us his keen insights into the nature of town and country work.

To Bishop W. Kenneth Pope for his dynamic leadership in conducting the intracacies of conference business, through which we have been challenged to take seriously the total program of the Methodist Church. Brother Slagle received his education at Emerson College, Campbell Texas, Southwestern University, Georgetown, Texas; and Southern Methodist University, Dallas, Texas. He was licensed to preach on April 29, 1905 at Lone Oak, Texas, and was admitted on trial into the North Texas Conference in 1907. He served 35 years in the North Texas Conference, retiring in 1942. REV. BERT BASCOM HALL

Bert Bascom Hall was born in Madison County, Mississippi, December 3, 1874. He was baptized in infancy and when he was 11 years old was converted and united with the Methodist Church in Bay St. Louis, Mississippi. In 1893 he moved to Santa Anna, Texas. He entered public school at Santa Anna, September 1896, serving as janitor to pay his way, and finished the school in the Spring of 1899. That Fall (1899) he entered Southwestern University where he remained until the Spring of 1902. This was followed by 4 years (1902-06) when he served as a school teacher. He re-entered Southwestern University in the Fall of 1906, where he remained until 1909, when he received his B.A. Degree.

His license to preach came through the Brownwood District Conference, which was then a part of the Northwest Texas Annual Conference. He was ordained Deacon by Bishop E. E. Hoss at Brownwood in November 1906. He was admitted on trial in the North Texas Annual Conference at Paris in the fall of 1909, and was ordained Elder in November 1910 at Wichita Falls by Bishop W. W. Murrah.

He served as supply pastor for the Dodd City-Windom Charge from July to November, 1909. From 1909-11, he served Randolph Mission in the Bonham District, which was followed by a longer pastorate (1911-15) on the Windom Circuit. He was married to Miss Iona Latta of Dodd City, on February 19, 1913. Other pastorates have been Lone Oak, Caddo Mills-Floyd, Detroit, Archer City, Decatur, Trinity-Denison, Lancaster, Bowie, Honey Grove, Clarksville, and Bonham First Church 1942-45. Brother Hall was an excellent pastor, visiting and keeping in touch with the members of his flock. He was, also, a fine preacher. He made careful preparation for preaching and enjoyed proclaiming the Christian Gospel which he did winsomely and helpfully. He was loved and honored by the people in every pastorate which he served.

Brother and Mrs. Hall were a very devoted couple. He frequently referred to her as "the boss". She was attentive to his every need and sought his welfare always. They were together in their devotion to Christ and His church. Their home had numerous visitors. It was my privilege to know their hospitality, especially because of serving as their District Superintendent the last two years of his regular pastorate, which was at Bonham First Church. Following his voluntary retirement, Brother and Mrs. Hall lived in their own home (where she still resides) in Bonham. When Brother Hall became less active and could no longer be taken care of by Mrs. Hall, he was taken to a rest home. Death came on July 16, 1964. The funeral service was held on July 18, 1964, at First Methodist Church, Bonham. The service was conducted by Dr. Bolton Boone (a beloved nephew), Rev. Fitzhugh Talbot, his pastor; and by the writer, who had the privilege of his friendship for many years.

MRS. FRED R. EDGAR

Mrs. Fred Edgar, whose maiden name was Lera Brown, was born April 11, 1916, the daughter of Mr. and Mrs. W. L. Brown. She became the wife of Fred Edgar June 5, 1937, and to this union were born three children — Fred, Jr., Janis Kaye, and Nancy Lee.

Lera Edgar was in every sense of the word a dedicated Christian, a loyal and devoted wife, a marvelous mother, and a most talented and effective person in meeting her responsibilities as the wife of a Methodist preacher. One of the most beautiful tributes paid to Lera is a prayer written by Mr. Robert Stotts. This prayer expresses the thoughts and feelings of all who knew Lera Edgar.

THANKS, DEAR LORD

We thank Thee, Lord, for permitting us to know Lera Edgar. We thank thee for her life, and for the indelible imprint, for everything good and clean and Christian she made on every life with whom she came in contact.

We thank Thee, Lord, for all the lessons in Christian living she taught us . . . not in words . . . but by her every act and attitude.

We thank thee for the lesson in Faith through her own unshakeable faith and trust in thee, even in spite of adversity, frustration, and pain; for her husband and their ministry together, for her faith in their children to maintain the high standard of christian principles exemplified by her life and Dr. Edgar's; for her faith in her friends, and all peoples, that they could be better and do more than even they thought they could, and because of her faith they usually did . . . .

Then, Father, we thank thee for her lesson in courage and patience. When in health she met each day as a new challenge to accomplish more than she did the day before, and when in sickness a bulldog determination that if she was going down, she was going to be fighting all the way — and she did!

Her patience and understanding knew no bounds. She was patient with everyone, understanding the uncertainties, the irregular hours, the interruptions and intrusions on the privacy of a minister's family. She had to have the patience of Job . . . And she did!

And, Father, thank thee most of all for the lessons in Love. Lera's great love made all these other things possible. Someone has said that to be loved one must love. We loved Jesus because he first loved us. Lera loved thee, Lord, and she loved her church, her husband, her children, her friends. She also loved and had compassion for the sick, the poor, and the helpless. She worked endless hours in the hospitals and brought sunshine into many darkened lives.

Dear Lord, we can't help but feel that even heaven is a little bit better now that Lera Edgar is there. And, we are going to strive harder to be worthy when our time comes, to be united with her again, and all our loved ones that preceded us. So even in her going she will remain with us in a way through these lessons she has taught us in Faith, Courage, Patience and Love. Thanks, Dear Lord. Amen!

WILMA JEAN SWAIN

Wilma Jean Swain was born on January 25, 1931 in Amarillo, Texas. She was the daughter of Mr. and Mrs. W. H. Thrasher. She was married to Dale Swain on August 25, 1952, and to this union were born three children: Cynthia Marie, David William, and Wilma Dale. David William preceded his mother in death.

Jean joined the Polk Street Methodist Church in early childhood and she was a faithful member of the Methodist Church all of her life. She was a good preacher's wife and she graced the parsonage home wherever she and her husband were called to serve. Through long periods of sickness she maintained patience, poise and a sweet spirit. Her life was a benediction to all those who were privileged to know her.
