MINUTES OF DAILY PROCEEDINGS NORTH TEXAS ANNUAL CONFERENCE THE UNITED METHODIST CHURCH May 28-30, 1972

FIRST DAY—FIRST SESSION

The one hundred fifth session of the North Texas Conference was opened by Bishop W. Kenneth Pope at First United Methodist Church, Dallas, Texas at 7:30 P.M., Sunday, May 28, 1972. The Conference opened by singing "Crown Him with Many Crowns."

Bishop Pope expressed appreciation for the youth who were present, and thanked them for their participation in the Annual Conference services. Young people from around the conference had entertained the congregation prior to the opening of the Conference by singing songs such as "Michael," "Lord of the Dance," and "Jacobs Ladder."

Bishop Pope mentioned the other choirs from the churches of the Conference and expressed his appreciation to them for their services.

The Service of Holy Communion was then begun. Following the Prayer for the Church Universal, the secretary of the Conference, Bill Morgan Smith, read the Roll of Honor, (see In Memoriam).

A service of candles and roses accompanied the reading of the roll of our beloved dead.

The Scriptures were read by Cameron Shaw, one of the youth of the Conference. He read Acts 1:1-14.

Robert E. Goodrich welcomed the Conference to First United Methodist, and led the Apostle's Creed. He then directed the Conference in taking the offering. The Offertory Anthem was "The Beatitudes," sung by the choir of First United Methodist Church, Dallas, directed by Mr. Robert Wortley, accompanied by Mrs. Elizabeth Soderstrom and Miss Florence Simons.

Bishop Pope introduced the speaker for the Conference, Dr. Albert C. Outler, Professor at Perkins School of Theology.

Dr. Outler spoke on the general theme, "The Church," using three texts: (1) The hymn, "For All the Saints," sung by the members of the Conference; (2) "Drink ye all of this;" (3) "As often as you eat this bread and drink this cup you show forth the Lord's death until He comes."

The youth choir sang a "new sound" interpretation of "Amazing Grace," accompanied by guitars.

The hymn no. 330, "Let Us Break Bread Together," was sung, and the Ritual for Holy Communion was continued. During the partaking of the elements, the choir of First United Methodist Church sang some familiar hymns. The congregation was invited to sing with them.

Bishop Pope dispensed with singing the final hymn. He announced that copies of the appointments were available at the front of the sanctuary, and asked the delegates to pick up their copies. He then read some changes that had to be made due to typographical errors.

Bishop Pope closed the service with the benediction.

SECOND DAY–THIRD SESSION

Bishop Pope called the Conference to order at 2:00 P.M.

Copies of the Perkins Report to the Annual Conference were on the tables when delegates returned to the session.

Bishop Pope called for the report from the Conference Program Council. J. D. Mooring, chairman, expressed his appreciation to the members of the program council for their diligent work.

The composite report was given by Ervin Gathings and James Hares, in the form of a dialogue, discussing accomplishments of the conference year: the study of COCU; better understanding with one another; progress in racial and cultural mix; day care centers; Maple Lawn Apartments; "Breadbasket." Others: Youth ministries projects, such as

Appalachia and Bolivia work groups; a "Rock" festival at Bridgeport; camping and ski trips; a seminar to the UN, and Washington, D. C.

In looking at the Sunday School statistics, it was discovered that, in 1971 there were 44,590 in Sunday School. Ten years ago there were 52,755. This represents a 15% decrease over the 10-year period.

The changing structure of the church helps in dealing with and determining the forms the local church can take in meeting the needs of the Conference. A new plan cannot succeed without training. We need new kinds of people with training in different fields. There are several things the Conference is doing to help the conference members prepare for their roles: local churches council on ministries are having retreats to work our their own program; workshops for teachers of elementary students, etc., Vacation Church School Institutes; Spring training sessions; schools of missions; etc.

Additional investigations of the statistics revealed: $15,000,000.00 was raised for all causes last year.

Building	4,700,000.00	(30%)
Local Ch.	5,800,000.00	(38%)
Ministerial Support	2,300,000.00	(16%)
Connectional	600,000.00	(4%)
Benevolences	1,900,000.00	(12%)

The value of churches increased $11,000,000.00; so our present value of churches is $170,000,000.00.

Dr. Hares asked the delegates to refer to Pending Reports, Pp. 8-19, which includes the reports. He moved that the reports on these projects be received. Voted: to accept all of section 4. (F)

Dr. Mooring presented W. E. Trice, who spoke about the section on Structure and Planning, P. 20. (G) Change: Under I.B., should read . . . "That a special adjourned session . . . "

Regarding Section C: a question was raised regarding finances. It was stated that there would be an increase in the cost, mainly in travel involved. Trice spoke on the necessity for having two different conference sessions.

COMMISSION ON ENLISTMENT FOR CHURCH OCCUPATIONS

Minutes Report
B

The Commission has made plans to sponsor the Care Coffee Hour in December of both 1972 and 1973. It is our opinion that a continued concern for those who have indicated an interest in a church occupation is important for the future of the church. The Commission is also making plans to continue the training offered for local church secretaries of enlistment in January. We are interested in continuing our relationship to the Bishop's Conference on the Ministry and will continue to examine ways in which the Conference can serve its purpose better.

The Commission is presently making plans with the Board of the Ministry to sponsor a dinner for North Texas Conference students at Perkins School of Theology who are not yet related to the Board of the Ministry. Its purpose will be to remind these students that they are a continuing part of our concern and to inform them about the procedures for coming under the care of one of the agencies of the Conference.

William Crouch, chairman

CLERICAL RECRUITMENT: WE CAN BE SELECTIVE

Minutes Report
B-1

Not too many years ago Annual Conference Commissions on Enlistment had to work hard to fill every opening; the church seemed to face a chronic shortage in ministerial manpower. It appears now that the reverse may be true: our church is approaching a time when we may have a surplus of ministers!

The North Texas Annual Conference has traditionally had more than enough ministerial candidates because of S.M.U. and because of the attractiveness of the area. Now it appears that such a condition is prevalent throughout the country. Researcher Dr. Robert L. Wilson of The Duke Divinity School has shown through analysis of current data that the trend toward an oversupply of ordained clergy is already under way. According to Dr. Wilson the number of United Methodist ministers rose 9.5% during the 1960s to 34,651 in 1970, while available pastoral appointments dropped 8.3%. Reasons for these trends include the fact that many small charges have been combined into extended ministries, the Methodist-EUB merger which closed some duplication churches, and the pressures of an inflationary economy. While a considerable number of clergy have become drop-outs, the number of new applicants continues to increase faster, and the number of positions available continues to decline.

These facts are important to the Annual Conference because of results that may be expected to follow. With the awareness that there is a surplus of ministers, local churches may become more selective in the pastor they accept. There may be increased competition between pastors. Some will inevitably experience frustration at not securing an appointment for which they may be well qualified.

Annual Conferences, Boards of Ministry and Commissions on Recruitment may tighten their admission procedures. They will likely be less willing to admit marginal candidates, and expect more specific abilities and professional skills from their applicants.

The attitude of some toward the parish ministry may change: the perceived value of the position of pastor will greatly increase. The idea that some have held in the past, that one can always get an appointment to a local church if a more desirable position is unavailable, may no longer be true.

The number of special appointments may increase to use some manpower. The role of pastor-worker may become a more important and more prevalent possibility. There may be other pressures to increase the number of pastoral appointments for conference members: One may be an attempt to reduce the number of charges served by lay pastors. Another may be pressure on man to retire at the earliest possible time. A third possibility might be less emphasis on merging congregations so readily as in the past.

For more information or statistical support of these claims, or for futher discussion, see your Committee on Recruitment. An abstract of Dr. Wilson's research is available from Norman Bouffard.

COMMITTEE ON THE LAY WORKER

Minutes Report C

At the 1971 Annual Conference this committee requested authorization for a feasibility study in regard to the provision of an adequate pension plan for consecrated lay workers. This request was granted.

The committee since has held several meetings and interviewed a number of persons in position to advise as to proper and effective procedure. Also the committee has contacted the churches employing consecrated lay workers to find that very few have pension plans in effect.

The committee now requests an extension of time for completion of this study under the guidance of the General Board of Pensions.

The committee suggests that it would be helpful and symbolic if the listing of consecrated lay workers in the Annual Conference Journal might be placed in a section adjacent to other such listings, with addresses, and that these names be handled in the same way as other listings. It is suggested also that this listing be included in district rosters and in the rosters of District Superintendents.

It is further suggested by the committee, and requested, that the Area Counseling Ministry of The United Methodist Church be made available to consecrated lay workers.

CONFERENCE PROGRAM AGENCIES REPORTS FOR 1971

COMMISSION ON ECUMENICAL AFFAIRS

Minutes Report
F

During 1971 we have continued our representation for the Conference with the Texas Conference of Churches. We also have representation on the Texas Self Development Fund, a non-profit corporation established by the TCC to raise $1,000,000 in the next three years for minority enablement through loans and grants.

We have continued our COCU research and evaluation and have attempted to encourage a process of study throughout the Conference in relation to COCU.

Our 1972 program will be essentially the same including a May meeting in which, with the help of Dr. Albert C. Outler, we hope to evaluate General Conference legislation on ecumenical issues.

Wm. K. McElvaney, chairman

BOARD OF EDUCATION

Basic Skills Project—This experimental venture has been completed with the final evaluation being held in February, 1972. Special appreciation is expressed to project director, Charles Allen, and all persons who shared leadership. Participants in the project and members of this committee encourage further use of basic skills training for churchmen.

Conference Events Design Workshop—It was carried out in conjunction with the Program Council. This event was conducted on a "look-see" basis. In evaluating the session, feedback was very positive, and further opportunities for this type of planning experience is encouraged.

W. E. Trice, chairman

BOARD OF EVANGELISM

Your Conference Board of Evangelism is charged with the responsibility of giving guidance and assistance to local churches as they endeavor "to bring all persons into living, active, fellowship with God through Jesus Christ as divine Savior and Lord, and through the regenerating power of the Holy Spirit to gather them into the fellowship of the church and lead them to express their Christian discipleship in every area of human life that the kingdom of God may be realized." Evangelism is, "the winning of persons to Jesus Christ as Savior and Lord. It is an attitude, a spirit, and a living faith that finds expression in a continuous cooperative effort on the part of the Holy Spirit and man to bring the individual into vital relationship with God and his fellowmen through faith in Jesus Christ, God's Son. It results in a definite personal experience of salvation, a growing sensitivity to the social relevance of the gospel, and progressive building of Christlike character. It seeks to bring men into complete harmony with the will of God, into the fellowship of the church, and into involvement in the world to be God's servant of reconciliation. It helps him to grow spiritually through the means of grace and to serve God in daily living."

We wish to express our sincere thanks to our District Superintendents and our District Secretaries of Evangelism for their efforts in accomplishing this most

important responsibility. We want also to express our appreciation to our chairman, Rev. Chief Warden, and to our Executive Secretary, Rev. Kenneth Carter, to the members of our executive committee, and to the committee chairmen in our four major areas of emphasis and concern for their excellent leadership during the past year.

Our Conference Board accomplishes its work through committees and their individual reports of the past year's work are as follows:

Committee on New Forms of Evangelism–S. V. McCarley, chairman

This past year, we were able to hold our first special ministry in a booth at the State Fair. Our booth was well located in the World Exhibits Building. The theme of the booth was "Jesus Christ–The Superstar." This program idea was worked out through a committee headed by Rev. Stephen Love. The booth was constructed as a walk-through exhibit helping to relate people to a deeper understanding of the gospel and its implications both personal and social for our world today. The booth was manned by a task force of ministers and laymen who were very carefully organized and supervised by Rev. Bill Upchurch. This exhibit attracted a great deal of attention, and we feel it made a positive witness for Christ at the State Fair. We want to extend our thanks to Rev. Robert E. Young who served as our State Fair task force chairman and to Mr. S. V. McCarley, who has worked for the past several years to see this idea become a reality. We are presently studying a similar venture for the coming year.

In addition to this special booth, we employed many different singing groups from local United Methodist churches at specified points on the Fair grounds. This too met with a high degree of success. We want to express our thanks to Mr. Joseph Abston of the Tyler Street United Methodist Church who coordinated this phase of the State Fair project. This is also under consideration for continuation at the State Fair next year.

Committee on Special Services–William E. Howell, chairman

Our Conference Board sponsored a Marriage Enrichment Weekend training experience in Arlington this past Feb. 12-14, 1971. The Marriage Enrichment program is one of the most exciting and meaningful breakthroughs in dealing with husband-wife relationships to come along in a long time. Through this experience many couples in our Conference were personally helped to strengthen their marriages and several couples were given training to prepare them to lead Marriage Enrichment weekends for local churches. At this time we have several couples who are certified and available to lead such experiences for local churches. Their names can be secured through the Conference Board.

The operational phase of a special Lenten Emphasis was carried out in the Spring of 1971. The training for this event was held in Oct. 1970 at Highland Park United Methodist Church. Each church in our conference selected from among the four different program areas–Lay Witness Mission, New Life Mission, Marriage Enrichment Weekend, and Reconciliation Evangelism project–that particular area of emphasis which they then put into action. This was a most meaningful emphasis in the life of our Conference.

Other Significant Emphases:

Our Board was pleased to present the noted Black evangelist Rev. Tom Skinner in place of our normal report to the Annual Conference last year. Rev. Skinner brought an outstanding message challenging us personally and socially to take the gospel seriously. His address was truly a high point in the Conference.

Convocation on the Holy Spirit–The Board participated in a task force which sponsored a Convocation on the Holy Spirit featuring Dr. Albert Outler of the Perkins School of Theology, Dr. Samuel Kamalesan of Madras, India, and Dr. John Staggers of Indianapolis, Indiana. It was a most meaningful convocation.

Chief Warden, chairman

BOARD OF HEALTH & WELFARE MINISTRIES

The claim of the Gospel to us as Christians is to be concerned for the sick, the needy, the outcast, and the underprivileged. Your Conference Board of Health & Welfare sees its role as:

–An **Interpreter** and ambassador for the Health & Welfare Agencies related and serving our Conference. They are: Methodist Hospital of Dallas, C. C. Young-Blanton Gardens of Dallas, Methodist Home for Children, Waco, and Methodist Mission Home of Texas (for unwed mothers at San Antonio.)
–A **Sensitizer** of concern among United Methodists for ministries wherever they find people in need.
–An **Activator** of programs of involvement which provide Health & Welfare services.
–A **Trainer** through workshops for persons interested and working in Health & Welfare services.

Our four Agencies continue to up-grade their services and make them relevant to today's social needs. We have competent Boards of Trustees and Administrators that merit our utmost confidence and support. A full and detailed report is made to the respective Boards concerning programs, policies, and finances. We are pleased to report that all our Agencies are desegregated and open regardless of race or color.

We are grateful for the financial support from our churches to the Agencies this year at a total of $171,445. (Methodist Hospital-Golden Cross $30,306; C. C. Young-Blanton Gardens $30,202; Methodist Home $72,631; Methodist Mission Home $38,488) This is $19,000 less than our total for 1970 and the cost for services continue to increase.

However, we are encouraged that much more help and concern was given to people in the local communities which did not require institutional and custodial care. Many churches are becoming aware and offering more care and services for our older citizens. Also, churches are providing meeting places and leadership for the mentally retarded, food for the poor, better housing for senior citizens, and other care programs in their own communities. Our Board has encouraged this work through training on the Conference level for local church Health & Welfare Representatives and in cooperation with the Metropolitan Planning Commission Task Force on Senior Citizens.

We also cooperated with other Boards of the Conference and the Program Council in sponsoring a Conference Workshop with specific help for ministers and other staff people in the area of Medicine and Theology.

Every need and problem is an opportunity for service. We urge our pastors and laymen to give more attention to our Health & Welfare Ministries. Our Board will do its best to be of service to you.

Buist B. Wilson, chairman

BOARD OF THE LAITY

The year, 1971 was an exciting year for the lay work of the Conference. Many of the goals were brought to fruition. The 1970 Session of the Annual Conference adopted the Board of the Laity's guidelines and recommendations for the presentation of lay delegates to the General and Jurisdictional Conferences. These guidelines were followed during 1971.

In January, 1971, there were 38 lay people from the North Texas Conference to attend the Jurisdictional Laymen's Spiritual Life Retreat at Lake Murray, Oklahoma. The Board underwrote the cost of sending a minister from each of the districts to this retreat.

Methodist Laymen taught classes, served on the Council of Laymen, and served as leaders in the Greater Southwest Billy Graham Crusade from January, 1971, and were very active with the Crusade held in Texas Stadium, September 17-26.

The Wichita Falls District had its first Annual Lay–Clergy Dinner meeting at First United Methodist Church in Wichita Falls, on February 22 with 360 in attendance. This district, under the leadership of Judge Arthur Tipps, District Lay Leader, had its first district-wide lay speakers training course in March, with the Dallas–Southwest District providing the teachers. Classes were held in Bowie, Texas.

The Dallas–Southwest District has taken the lead in training lay speakers in their district. An appreciation dinner for their lay speakers was held on March 29th.

Dr. Wil Roper, District Lay Leader of the Dallas–Southwest District, represented the Conference Board of the Laity by serving on the program of the Small Group Seminar, held in Oklahoma City, February 18, 19, and 20. Dr. Roper is Chairman, Commission on Leadership Development for Local Church Leaders Training for Skills in Problem Solving and Goal Setting. The date of the weekend event is January 29-30, 1972, at Bridgeport Methodist Assembly.

The Board was represented at the Texas Planning Commission in March at Palestine.

On May 14, the Rio Grande Conference held their Scholarship Fund Banquet at University Park United Methodist Church. The North Texas Conference Board of the Laity gave its support to this effort by purchasing tickets. The Board participated in the Conference Seminar on Evangelism held at S.M.U., May 14,15.

The District Lay Leaders and the District Superintendents continue to work together in setting up the orientations programs for lay members to the Annual Conference.

A booth was set up at Annual Conference displaying material on Stewardship, Men's Work, Lay Speaking, and Wills. During the Annual Conference, on May 31, there was a joint dinner meeting of the Board of the Laity and the Board of the Ministry. This continues to be very helpful for both groups.

The entire Board of the Laity met June 21 to set goals, and make plans for the annual Conference Lay Retreat to be held at Lake Bridgeport, August 27,28. Mr. R. H. Bond, layman from Dyersburg, Tennessee was the lay speaker, and Bishop Alsie H. Carleton, Resident Bishop, Northwest Texas–New Mexico Area, Albuquerque, New Mexico, delivered the sermon. Art Greenhaw and Darrlye Dering were the musicians for the retreat. Others on the program were Mr. James Cupples, Dr. W. E. Trice, Dr. Gordon Casad, Mr. Herschel Fisher, Judge Arthur Tipps, Dr. Zan W. Holmes, Jr., Dr. Wil Roper, Rev. Bill Stephenson, and Mr. Avery Mays. The theme of the retreat was "The Church, the Body of Christ."

Some key issues at General and Jurisdictional Conference, 1972 were presented and discussed during the weekend.

The World Methodist Council, in August, 1971, in Denver, had many laymen from all parts of the world and representation from the North Texas Conference.

Laymen's Day was observed in many churches during October, with laymen bringing the morning messages, and leading the worship services.

The Conference Lay Leader is serving on the Metropolitan Dallas Area Planning Commission, the Board of Church Extension, the North Texas Conference Federal Credit Union, the Texas Methodist Foundation Board of Directors, the Texas Planning Commission, the Research and Planning Committee, the C. C. Young Board of Directors, Task Force with the Central Texas Conference on Seminar of the Future, the Program Council, Conference Program Workshops, and Co-Chairman with Conference Lay Leader from Central Texas Conference for Appreciation Dinner honoring Bishop and Mrs. Pope.

During 1971, the Conference Lay Leader participated in meetings with the National Association of Conference Lay Leaders, with representatives of the General Board of Missions and the General Board of the Laity, Paris–Sulphur Springs District Conference, Intern Program at Perkins, Laymen's Appreciation Dinner in Rockwall, Lay–Clergy rally in Wichita Falls, programs at Duncanville, Garland, Greenville, Warren United Methodist, Preston Hollow United Methodist, St. Lukes United Methodist, and visited General Boards Headquarters in Nashville, Tenn. in July.

On December 3,4, Howard E. Taylor represented the Board in Austin for a state wide meeting on Stewardship.

The Board recommended to the Conference Program Council, a change in the scheduling of the 1972 Annual Conference, in order to give an opportunity for more laymen and laywomen to attend.

Frank Greenhaw, chairman

BOARD OF MISSIONS

Missionary Education and Cultivation

Missionary Education during 1971 included the itineration of Rev. H. T. Maclin of Nairobi, Kenya in the months of October and November. We are grateful to the Woman's Society of Christian Service for their itineration of Rev. Fred O'Dama-Larty of Ghana during the same period.

The District Missionary Secretaries have, on a District level, in cooperation with the District Superintendents sponsored Mission Study Conferences and Work Shops. Our Board of Missions shared with the other Boards of our Conference in the weekend training workshop, January 22 and 23.

BOARD OF SOCIAL CONCERNS

This report marks the end of the second quadrennial of service on this Board for a number of its members including the chairman. It has been an interesting though turbulent eight years in the history of the world especially in the areas dealt with by this Board. Although many people have disagreed with the position taken by this Board we believe all would concede that the Board has not avoided the issues. It has been a satisfying experience to serve on the Board and hopefully this service has been helpful to the Methodist people in the North Texas Conference as they have met the burning issues of the day.

Division of General Welfare, R. D. Atkinson, chairman

The Division on General Welfare has had as its major focus this past year the concerns of abortion and related problems. It has attempted to study the many facets of the problem in hopes of aiding churches who wish to deal with the issue in a responsible way.

Division of Human Relations, Clarence Guittard, chairman

This Board has maintained a continuing interest in race relations within the church and for problems of culturally and economically disadvantaged persons within the North Texas Conference Area. However, no effective programs have been developed to engage North Texas Methodists in a common consideration of these problems, or to make any concerted effort to deal with them, except to support existing programs, such as those carried on by Block Partnership and the Dallas Inner City Parish. The community tensions seminars and inter-cultural dialogues sponsored by this Board in previous years have been discontinued because of lack of interest.

The Board's principal concerns within this division have been the following:

(1)**Block Partnership.** The Board reaffirmed its support for this program designed to overcome cultural isolation and urged additional support of it by local churches within the Conference. On the Board's recommendation, Don Johnson, Director of Block Partnership in the Dallas area, was invited to address the Conference at its 1971 meeting. An appropriation of $300 was made to help Block Partnership work in the Wichita Falls area.

(2) "**Methodist's Breadbasket.**" The Board endorsed this project operated by the Dallas Inner City Parish as a cooperative effort across racial and denominational lines to relieve hunger and meet immediate human needs in an emergency basis. Local churches within the Dallas metropolitan area were encouraged to make continuing commitments for contributions of food and money on a weekly or monthly basis to provide long-range support. The Board recommended development of similar projects in other areas of the North Texas Conference wherever the need exists.

Hard Core Employment Service Ministry. The Board endorsed this proposed project of the Dallas Inner City Parish to provide assistance not otherwise available to persons with special employment problems and help them become self-supporting. An appropriation of $500 was made to get this work under way, and Methodist churches within the Dallas metropolitan area were encouraged to provide sustaining support.

School Desegregation. The Board endorsed and distributed to local church commissions for study the statement of September 1, 1971, by Bishop W. Kenneth Pope and the church leaders in the Dallas metropolitan area. The statement, issued in the light of the desegregation ruling by Judge William M. Taylor, Jr., covenants that the signing individual clergy or laity of the Judaeo-Christian traditions will: "(1) comply with the implementation of the present court decision as a first step toward a responsible solution of the school crisis; (2) do all we can to maintain peace and order; (3) work now for reconciliation between people; (4) cooperate with the administrators and Board of the Dallas Independent School District in their efforts to heal the divisions of the community; (5) work to help parents, children, teachers and administrators to solve the problems and discover the opportunities at hand."

Project Equality. The Board has kept this project under continued study and review, but has made no further recommendation.

Division of World Peace, John W. McGee, chairman

The Division of World Peace has examined in its meetings during the Conference year 1971 the progress that has been made on a world and national level toward the objective of world peace. It has found that the desire for peace and the causes which hinder and help are complex and unsettled in thought and approach by the Church, other institutions and the individual.

The Division of World Peace sees as its purpose and task, co-ordinating and providing help that will move our world toward eliminating causes of violence which separate men from God and from each other, whether the cause be racial, economic, political, theological or in other forms.

It is the thought of the Division that for it to meet this responsibility to the Church, the task is one of bringing about a presentation of the most reliable information available through printed materials and human resources which can provide an interpretation of the views that separate a unity of thought on reaching the objective.

We commend the Texas Conference of Churches for its statement in February, 1972 on World Peace.

Robert L. Dillard, chairman

WOMEN'S SOCIETY OF CHRISTIAN SERVICE

The North Texas Conference Women's Society of Christian Service is charged with the responsibility of "helping women grow in the knowledge and experience as revealed in Jesus Christ" and to challenge, unite and develop them

in the total program of the church. Toward the accomplishment of this purpose every society has been encouraged to participate in a renewal program. Many of our societies are involved in programs that are helpful to minority groups and people in neglected areas. Others have adopted nursing homes, childrens nurseries or hospitals as their projects. More and more the local society is feeling the necessity of reaching out beyond the walls of the church to lend a helping hand.

To further the out-reach of the Women's Society and to enhance our knowledge of the needs as well as the possible solutions to the problems facing us today we have sent delegates to several workshops on programming at Bridgeport Methodist Assembly, a Design Events Workshop at Mt. Sequoyah, the Seminar held in Lincoln, Nebraska, The Board of Missions Annual Meeting in Minneapolis, Minnesota, The National Legislative Training Event in Washington, D. C., and the Texas Planning Commission held at Lakeview. Four of our women attended the seminar on "A Biblical Faith and Today's Woman." From these training events we have had 'spin-offs' so that the local woman may benefit from them.

As a result we are seeing an awakening of interest, a new realization of the scope of our work, and an increasing awareness of the many opportunities open to the women of the church through such an organization as the Women's Society. Our goal is to see that every Methodist woman is informed of these opportunities, and hopefully she will realize the joy that comes from serving with others in the work of the kingdom of God.

Mrs. Guy L. Tanner, president

WESLEYAN SERVICE GUILD

As members of the Wesleyan Service Guild we are a part of the United Methodist Church. We have made an effort to be participants as well as observers in God's Mission.

After evaluating the year's work, we set goals for 1972. These goals were set in an effort to fulfill the needs expressed on local guilds 1971 evaluations.

The change in district geographic lines in June 1971 eliminated one district. The guilder once again met the challenge to be transferred which necessitated many changes in a responsible way.

In most areas effort has been made to involve more women in leadership. Events have been planned to inform, challenge and assist women in an effort to prepare them for understanding their purpose for being a guilder. Many guilders have participated in various programs (e.g.) Contact, Bread Basket, helping at Bethleham Center, Child Development Center, State Hospital, sponsoring a child from Waco Home, assisting in planning telephone contact, working in Day Nursery, helping underprivileged families, donating through the pledge to mission to home and foreign mission work.

A number of women attended VIEW an Enrichment Weekend in June, 1971, at Mt. Sequoyah. Six of these guilders remained for the Gulf Region School of Mission which followed.

In an effort to get young women interested in the Woman's Society-Guild work, young women were invited to attend the Guild Mission Weekend at Bridgeport Assembly in July, 1971. We had fourteen in attendance. We found meeting at Bridgeport to be a very relaxing and stimulating setting under the able leadership of Mrs. Carol Buchanan, Rev. Gilbert Fleer, and Dr. Lamar Smith. They challenged us to see our responsibility to others. We were led in

discussion making to help us see the importance of being able to make the right decision in time and to have a faith which will enable us to make decisions in today's world, today, tomorrow and in the future.

At our Annual Meeting in November, 1971, we focused on the individual's job, as officers and individual guilders responsibility, Rev. James Scott led us in a study on service (to others), and Rev. Wilfred Bailey led us in a study on Worship.

Mrs. Harry E. Steincamp, chairman

COMMISSION ON ARCHIVES AND HISTORY

During the past fall several of our members attended a jurisdictional workshop on archives and history at Mount Sequoyah. These were the Rev. and Mrs. Bill Morgan Smith, Mrs. Richard T. Howell, and Dr. Walter N. Vernon. It was helpful and will likely result in the initiation of several enterprises in our work in the next few years.

We commend the church at Cooper for issuing a 200-page centennial history that contains much excellent material, including many fine pictures. It was compiled by Quentin Miller and is a workmanlike achievement, well researched, and organized, and with many authenticating footnotes. Would that all churches would do likewise!

We have secured a typed account of part of the ministry of the Rev. C. W. Glanville, prepared by his wife under the title "Journeys With a Methodist Minister," and plan to place it in Bridwell Library. We are anticipating a copy of an autobiography of the Rev. C. A. Tower, once a member of this conference.

Our chairman has been instrumental in helping to arrange for getting on microfilm the records of the Indian Mission Conference, through the Oklahoma Historical Society, in cooperation with Oklahoma City University.

Walter N. Vernon, chairman

COMMISSION ON ASSEMBLY FACILITIES

"It's what you do with what you've got" that rather determines what the future offers. This Commission has been thankful for what it had in terms of sites and facilities and for the limited economic resources it has had to work with. Because of our opportunities and faith, we have moved beyond our limitations to improve the conference facilities and sites in a most impressive way. Due to the dedicated staff, the creative dreaming of a few, the willingness to make what we have go a long way, the conviction that the conference assembly facilities can be utilized to provide a more effective development source for persons, we can look back on the improvements and increased use of the facilities and rejoice.

Improvements at Texoma took on the form of landscaping, the completion of the family bathhouse, enlarging the family camping area and increasing the beach area. Bridgeport saw the completion of the North and South Village cabins being remodeled, the continued remodeling of Kiker Hall, the addition of a small kitchen for group use in Kiker Hall, the change in curtains, bedspreads and linen service, the opening of a new entrance, the changes in Martin Hall and the landscaping that has helped to improve the beauty of the site, especially the lake front.

The Commission held the first of several meetings with representatives of

conference boards and agencies to explore ideas for future development possibilities. This information will help guide the Commission as it develops the master plans for Texoma, Bridgeport and other sites. Two persons were sent as a part of a conference team in October to a Consultation on Camping at Mount Sequoyah. This provided another source for ideas for future development.

The Commission on Assembly Facilities has a wealth of ideas and hopes for the next few years. Much depends on how much it has to do with as to how much can be done. We have faith that it can be done. We trust the conference affirms and supports this Commission in the fulfilling of its concern and responsibility.

This report cannot be closed without a genuine expression of love and appreciation to Tommy and Linda Christian, Gyp and Era Rader, James Hares and Royce Hardaway for their service that makes this report possible.

Don Barnes, chairman

METROPOLITAN DALLAS AREA PLANNING COMMISSION

The Metropolitan Dallas Area Planning Commission is facing its responsibilities through five divisions, plus a standing Committee on Research and Evaluation.

Division of Church Extension

In April of 1971, the purchase of a church site on Highway 407, northwest of Lewisville, was announced. This site is ideally located just inside of Flower Mound city limits and about a mile from the proposed "New Town" development.

A church site in northeast Garland on Pleasant Valley Road was purchased in October. Other sites are under study which should reach negotiation stage shortly.

Construction has started on the first unit of the new Buckingham Church in Garland. This unit has been financed with Church Extension funds and will be rented to the congregation for three years, after which they will assume the mortgage payments and responsibility.

The Division continues its involvement with other denominations in a New Church Development Coalition studying a concept of cooperative ministries in the "New Town" development in Flower Mound.

Division of Inner City Ministries

There is a continuing expansion of services through the two existing Inner City Parishes in South Dallas and North Dallas under the direction of John Tatum and Charles Denman, respectively.

The **South Dallas Parish** continues to expand its outreach through the parish offices at Warren Church, through St. Luke Church, Bethlehem Center, El Buen Pastore Church and Westerfeld Center, and includes Day Care, Pre-school Kindergartens, Youth Programs, Tutoring, Halfway House, case work and emergency aid. During 1971 more than 1600 emergency family situations were helped through relocation of families, emergency loans, job referrals, emergency clothing and food. The Breadbasket Program is now experiencing support across many social and denominational lines, with participating units exceeding 75 in number.

In the **North Dallas Parish** the Horas Alegres Kindergarten moved to a new location in the fall with 38 children enrolled and 37 volunteer teachers from Chapel Hill, Schreiber Memorial and Lovers Lane Churches. A Senior Citizens group has been organized at St. Luke's Church called the XYZ (Extra Years of Zest) with a membership of 60 from across the entire area.

Division of Specialized Ministries

Contact Board is now under the leadership of a new chairman, Rev. Charles Cook of Lovers Lane Methodist Church. Plans for the Contact Teleministries Conference, to be held at S.M.U. on May 26, 27 and 28, 1972, are progressing satisfactorily.

With working drawings nearly complete, the **Maple Lawn Foundation** Board is seeking a permanent funding commitment that should make it possible to let a building contract early in 1972. The worship and child care facilities will be named **The W. Kenneth Pope Chapel and Service Center.** This project will provide a ministry to widowed, working women with children that will live in the complex as well as in other apartments in the community.

The **Senior Citizens Task Force** made a mailing to all ministers in the four Dallas districts, encouraging senior citizen involvement and suggesting programs.

Mrs. Lillian Sills was named chairman of the **Day Care Task Force.** A questionnaire is in preparation to be sent to all churches seeking information at an early date.

Division of Local Church Projects

This division continues to urge churches to seek out and find areas of human need in which they can have a witness and undertake projects to minister to these needs. Two good examples of such ministries are Tyler Street Manor, a project of Tyler Street Church, and Dorchester Place, a ministry of Highland Park Church.

The division is seeking a purchaser for the Lancaster Avenue property and is encouraged by the possibilities. This property is now rented on a month-to-month basis.

Intercultural Division

The **Committee on Mexican-American Ministries** was set up in June as an outgrowth of the **Task Force for Mexican-American Ministries** following approval of a grant from the Commission on Religion and Race, and Rev. Ruben Salcido of the Rio Grande Conference was appointed Associate Executive Secretary of the Planning Commission to direct this work. As a result of several months of study by the Committee, a report on Mexican-Americans in Dallas was completed in October. This report set ten priority needs, three of which were for immediate attention as follows:

1. Development of a closer, cooperative and more relevant ministry in West Dallas through Rankin Center and El Buen Samaritano Church.
2. More meaningful and more substantial representation on the Metropolitan Commission.
3. New ministries with Mexican-Americans through North Texas Conference churches.

The Committee meets once per month to discuss its work. It has been divided into task groups of three to aid implementation of its objectives.

The **Task Force on Black Needs** has been meeting in various Black churches

trying to learn the needs of these churches. The main focus of the work of this task force is on the local church in the Black community.

The **Task Force on Indian Needs** does its work through two committees, namely:

Indian Church Assistance Committee which provided funds for a telephone answering service, part-time office help and a van (small bus).

Research Committee which focused on 1) attitude on cooperative efforts with other Indian organizations, 2) needs for legal services for Indians, and 3) need to encourage Indians in use of time and efforts, particularly youth in Junior Achievement Programs.

The **Intercultural Events Task Force,** made up of two Blacks, two Indians, two Mexican-Americans and two Anglos, has its first cooperative event planned for January, 1972.

Committee on Research and Evaluation

This standing Committee is in the process of making a study of the structure of the Metropolitan Dallas Area Planning Commission and will make needed recommendations for structure and function changes to comply with the issues before the United Methodist Church, with particular concern to the North Texas Conference. Final recommendations will not be made until after the General Conference in April. Indications now are that the Commission will phase out of existence on December 31, 1972 and the work continued through a Greater Dallas Program Council and a Methodist Board of Urban Ministries of Greater Dallas.

THE COMMITTEE ON COMMUNICATIONS

Minutes Report J

The Committee on Communications is seeking to fulfill its role as a channel through which the "Message of Methodism" for the Boards, Agencies and Churches of the North Texas Conference can be marketed effectively through public and church media. The committee is composed of 26 lay and clerical members capable of bringing together the professional expertise of volunteer and professional staff persons and capable of making available the best use of print, sound and film for those programs the Conference chooses to initiate, alter, or continue on a non-profit cost basis for its services.

Those services include: studies, surveys, analyses, counseling and planning for the most effective use of direct mail, film, sound, print and personal contact as media.

The committee chairman is Rev. John W. McGee; Vice-Chairman, Rev. Edward Deane; Secretary, Mr. William Woffard; Treasurer, Dr. James Hares.

Division chairmen are: Rev. Robert Pinckney, Informational Services; Sound and Film, Rev. John W. McGee; Board of Publications, Rev. Kirby Edwards.

The Executive Committee includes Committee Officers, Division Chairmen, plus Dr. Sidney Roberts, Rev. Spurgeon Dunnam, III, and Rev. Robert L. Robertson.

To update, train and interpret to the Conference the entire field of church communications, a member of the executive committee and a member of each division of the committee attended an intensive three day national training program on Church Communications in Fort Worth in April of this year.

Informational Services Division, Robert Pinckney, Chm.

There is a Director of Information in each District in the Conference. As

members of the Conference Committee on Communications, District Directors provide information of events in their districts for the Conference page of **The Texas Methodist.** They also are liaison persons for all forms of public and church media for the Communications Committee.

In 1973, to more adequately inform the leadership of the local church of events and programs projected and in progress, we recommend, through the Conference Committee on Communications, that the Key Official Plan begin in January of 1973. This would include all members of the Council on Ministries in all local churches. We believe the Key Official Plan can aid the laity and clergy of the conference to evaluate and contribute more effectively their resources and skill in defining, understanding, and carrying out the mission of the church at every level of every conference action.

Board of Publications Division, Kerby Edwards, Chm.

The members of the Division, as Conference representatives of the Board of Publications of The Methodist Publishing House, Dallas, have studied, surveyed and discussed the needs of the local churches in their relationship to it. To help meet the needs of the local churches more adequately and to expand the services provided, a meeting with the management was held.

To further assist in meeting this need a meeting with a representative from the General Board of Publications has been scheduled during the Annual Conference. Local Publishing House management and members of the Executive Committee will be present. In this meeting it is the plan of this Division to further interpret the needs of local churches, agencies and boards and to offer the services of this Division as a resource through which this can be achieved.

This Division will also serve as an interpreter for any structural changes that are made in the status of the Board of Publications, United Methodist Information, and the Television, Radio and Film Commission by the 1972 General Conference.

Film and Sound Division (TRAFCO), John W. McGee, Chm.

This Division of the Communications Committee has worked closely with the Electronic Division of the United Methodist Communications Council of Texas in developing its program of services to the Conference. It has explored the possibilities for development of radio, film, television and recorded sound as an educational tool as well as an informational service for local churches, boards and agencies of the Conference.

It provided the service with the UMCC to produce for the Conference Program Council Office, the Family and Faith dialogue cassette series this year. Through the three Divisions of the Committee it has made available to all members of the committee the ten NEWSBRIEFS cassette tapes, preceding and summarizing the 1972 General Conference. Plans are underway to expand its services in 1973 for Boards, Agencies and Local Churches for programs and special days adopted by the Annual Conference.

John W. McGee, chairman

REPORT FROM THE STUDY COMMITTEE ON THE ETHICAL USE OF MONEY

Minutes Report N

The Conference Study Committee on the Ethical Use of Money was appointed and organized for the purpose of taking an objective look at the moral issues involved in the way the church spends its money, especially in the North Texas Conference.

While this is a task which could be very broad and require much more time than the limit of one year's research, we would like to make the following observations and recommendations.

I. An analysis of the Annual Audit of the Conference indicates a high degree of the use of money for maintaining institutions and a relatively low degree of concern for proclaiming the Gospel itself; that is to developing emphases which call attention to the content of the Gospel and to how it can change the lives of individuals who are not now committed to being Christian.

While we affirm the validity and necessity of most of the various institutional expressions of the Gospel, we recognize that institutions—even the Church itself—can unintentionally become ends in itself with no visible continuing evaluation of how they are or are not related to our task of proclaiming the Gospel; to the end that all people may know Christ and be challenged to become His followers.

We believe that even so mundane a thing as the Conference Budget should somehow reflect the Church's priority of proclaiming Christ.

II. We, also, believe that the Audit should spell out more clearly and completely how the money is spent instead of having such large amounts listed as miscellaneous.

III. We believe and recommend that the budget of local churches ought to reflect the Church's concern for ALL who work on its staff, as well as for the pastor; that it ought, also, to reflect whether the Church is interested in mission as well as its maintenance.

IV. We, also, make the following recommendations that:

A. Our Annual Conference Program Council engage in a more diligent and intensive effort to devise and fund programs which will more directly reflect our deep desire to carry out the Great Commission of Jesus Christ.

B. The heads of all institutions funded by our Annual Conference be asked to submit a brief statement outlining how their institution may be seen as a visible expression of the Christian faith, as might be distinguished from a secular institution performing a similar task; and that this be distributed in a form and a language understandable to all.

C. The Commission on World Service and Finance ask for re-evaluations of all funding requests each year and that they be granted not only on the basis of the past but upon how effectively the institution is involved in expressing the faith in our present situation.

D. The amount of Conference Apportionments should be set at the beginning of the quadrennium on as fair and equitable a basis as possible and that subsequent increases during the next four years be kept to a minimum to encourage local initiative in mission and ministry.

A possible example would be something similar to the action of the Pacific Northwest Conference where a maximum percentage of increase per year is approved in advance. (World Service, of course, would be the agency to recommend the percentage.)

We suggest to World Service that all apportionments to the districts be figured annually.

The annual increase in the total apportionments to local churches within the North Texas Conference shall not exceed the percentage of increase in all monies raised by the local churches for those categories which presently determine apportionments, based on the two immediately preceding comparable budget years. This rule shall be effective for the conference budget year of 1974, with the percentage increase figured on the comparative giving in the conference years of 1971 and 1972.

The Program Council shall develop a priority listing for program expenditures by the Annual Conference. This listing shall be presented to the Annual Conference for its recommendation prior to the beginning of each budget year. The first budget year to be affected shall be 1974. (N2)

V. We recommend the following ethical guideline for the solicitation and use of church funds:

Church agencies responsible for appropriation of funds are ethically in the position of trustees for the members who have contributed such funds, and, therefore, under obligation to use them for the purposes for which they were given. This principle is based on two considerations:

A. The Church's devotion to high ethical standards require church leaders and church agencies to act in complete good faith with its members by using their funds in accordance with their expectations, and to avoid any suspicion of deception by soliciting funds for one purpose and using them for another.

B. Diversion of funds from uses intended by the contributor discourage further giving and impairs confidence in church leadership.

In accordance with this principle, the following guidelines are recommended for adoption for the appropriation of funds by the North Texas Annual Conference, its agencies, and its local churches:

1. All solicitations should be accompanied by full disclosure to the extent reasonably possible of the purposes for which the funds will be used, and the agencies which will make the appropriations, and any substantial uncertainties or contingencies should be fairly stated.
2. Funds contributed for a designated purpose should be used strictly for the purpose designated.
3. When funds cannot feasibly be used for the purpose intended by the contributors, they should be applied to a similar purpose, such as the contributors might reasonably have been expected to contribute to if they had known the original purpose was not feasible.
4. Funds contributed without specific designation should be treated as intended for normal church-related uses, including such benevolences as churches normally provide, as distinguished from general philanthropic and humanitarian uses.
5. When funds are solicited for purposes other than normal church-related uses, the purpose should be clearly stated to the contributors.
6. No gift should be accepted if it cannot be used for the purpose for which it is given, or if it is conditioned upon any action contrary to the teachings of the church or upon any improper restriction upon the ministry of the church or any church agency.
7. All expenditures should be made economically, and administered efficiently, without waste of duplication, in order to obtain maximum effect from use of available funds.
8. Church expenditures should be accounted for and audited according to accepted accounting practices, and audit reports should be made available so that church officials and members can be assured that all

funds are being used for the purposes to which they were appropriated.

9. In order to secure maximum involvements and responsibility of church members, as well as sensitivity of church leaders and agencies to members, concerns, current operations and ministries should be financed out of current contributions rather than from endowment or capital funds.
10. Income from endowment funds should be used only for purposes which church members cannot reasonably be expected to support by current contributions.
11. Funds contributed for capital purposes, such as building and endowments, should be preserved as capital assets, even when the original purpose is no longer feasible.
12. Proceeds from sale of church property are capital funds and should be appropriated to uses similar to those to which the property was devoted, so far as feasible.
13. Funds received by way of indemnity for loss or destruction of capital assets, such as proceeds of property insurance, should be treated as capital assets, and should be used for similar purposes if restoration of the property is not feasible.
14. In appropriating proceeds from sale of abandoned property, priority should be given to the most nearly similar purpose for which the funds can be used effectively, and to capital improvements within reasonable geographical proximity, but district lines should not be controlling and the entire community or metropolitan area should be considered.
15. Funds and property bequeathed to churches and church-related institutions by will should be treated as capital assets unless the will indicates a contrary intent.

Finally, we know that we have only begun. We, therefore, recommend that a similar committee be appointed to continue this important task including the formulations of a set of theological principles keeping in mind the new theological statement passed at General Conference in Atlanta.

RECOMMENDATIONS FROM CONFERENCE PROGRAM AGENCIES

BOARD OF EDUCATION — Minutes Report P

Leadership Development Committee, Barbara Siekman, chairman

1. This Committee is working on more specific standards for recertification of professional directors and ministers of education and music than are presently stated in the requirements set by the General Board of Education. The Conference Board of Education will be asked to act on such standards prior to Annual Conference.
2. Also, this Committee is presently working on standards for certification and re-certification of instructors for general leadership courses. These standards will be presented to the Board of Education for approval.
3. This year we shall work with the Conference Resource Library in re-organizing and up-dating resources which pertain to the work of the Board of Education.

Research and Innovation Committee, Gilbert Fleer, chairman

Learning resource centers--The committee plans to ask the Christian Educators Fellowship to design a workshop that will offer maximum exposure to and training in the use of learning resource centers. Further plans will be announced.

Local Church Nurture Committee, Mrs. M. L. Hines, chairman

The committee upon examination of the "Key '73" project recommends that each local church carefully consider how they can best implement the project into their program.
The "Living Bible Study" is also a program that can be wholeheartedly commended to each local congregation as a means to make the scripture "come alive" in the experience of its people.

Higher Education Committee, William Strange, chairman

Recommendations:

1. That the 1973 apportionment for Texas Methodist Colleges remain at $210,000 with $35,000 of the apportionment allocated for Huston-Tillotson College (i.e., that of all monies received Huston-Tillotson's share will be one-sixth of the total with the other institutions receiving their proportionate shares) $95,000 apportionment for Wesley Foundations for 1973.
2. That the Denton Wesley Foundation Board of Directors seriously consider the possibility of selling the unused land which adjoins their facility in order to retire their present debt.
3. That the following special "days" be observed by our churches in appropriate ways:

June 11	United Methodist Student
September 24	Christian Education
December 31	Student Recognition

5. That a Convocation on Campus Ministries be held at North Texas State University Methodist Center with the purpose of increasing the concern for, understanding of, and commitment to the work of our Wesley Foundations
6. That the constituting of a Commission on Campus Ministries of the Program Council be approved and that $300 be approved for its operating expenses.

W. E. Trice, chairman

BOARD OF EVANGELISM

Key '73--Our Board has been cooperating with the General Board with plans for Key '73. This is an evangelistic thrust of such major proportions that we are recommending it as a Conference wide emphasis relating to several boards and agencies. It is a cooperative venture involving more than 100 denominations and Christian groups. It is interdenominational and

continent wide. Properly employed it could produce a great revival and renewal throughout the church.

Conference Evangelist—Our Board unanimously recommends the reappointment of the Rev. Jack Gray as a Conference Evangelist. Our Executive Committee has discussed Jack's work at length, and they have unanimously recommended to the Board that he be continued as a Conference Evangelist. Jack has submitted a full report to our Board according to the form prescribed by the General Board of Evangelism for this purpose. Due to the length of the report, it is not being published in the Journal, but copies are available upon request from the office of the Executive Secretary.

We are pleased with the progress of Jack's work, and we especially appreciate the creative insights and the expanded concepts of ministry which he is providing.

Chief Warden, chairman

BOARD OF SOCIAL CONCERNS

Looking to the months ahead, the Division of General Welfare will center its interests on several of the continuing problems relating to the general welfare of human beings—the misuse of Drugs—Alcoholism—Highway Safety—Abortion. The basic approach to these problems in relationship to local congregations will be the dissemination of responsible information which hopefully will result in an informed laity motivated to action on the local level.

In August, 1972, the division recommends an Abortion Seminar for District Directors of Social Concerns and lay representatives from each District. The Seminar will deal with the theological-denominational, medical, and legal aspects of abortion and will utilize competent resource persons in each field. Following the Seminar the District Directors will be encouraged to hold similar seminars in their Districts.

The Division strongly urges all churches to observe Drug and Alcohol Concerns Sunday on November 12 and to make full use of pertinent materials which are available from the General Board of Social Concerns, TANE, U. S. Government Printing Office, The AMA, The American Safety Council and other responsible agencies.

The Division strongly urges the Conference (during the next quadrennium) to look seriously at the problems of senior citizens and address itself to the matter of developing ministries to the aging.

The Division of World Peace recognizes that the national political process has much to do with the achieving of the objective of world peace. To offer help to all who are concerned with understanding and shaping an approach to the objective of world peace, a symposium in which the causes and approaches to world peace may be examined and studied by the Church, the Division has the approval of the Board of Christian Social Concerns and recommends a symposium at the Conference level. It would be held in the fall of 1972, preceding the General Elections.

It is further recommended by the Division that program planning for the January through May period of 1973 for this Division be based upon those needs which emerge following the symposium which are still relevant to achieving the objectives of world peace.

Such programs for the 1973 period and its presentation is to be implemented with the total program of the Conference by and with the assistance of the Conference Program Council.
The Division further recommends that the Board of Christian Social Concerns begin a study of the Amnesty question and provide such information for the Conference as available.

Robert L. Dillard, Jr., chairman

BOARD OF MISSION

Your Conference Board of Missions has been concerned that so much time and energy has been given in the area of church assistance and development, that is the appropriation of funds to meet the needs of new congregations and emergency situations in existing churches. This work is to be continued. But the Board is interested in making a new emphasis. We see the need to promote missionary giving to overseas, national and local projects. We see a need to recruit personnel in our rural and inner-city churches in the missionary task to which they are appointed. We see the need to inform our churches of the changing role of "Missions" in our time.

Thomas J. Shipp, chairman

WOMEN'S SOCIETY OF CHRISTIAN SERVICE

Plans are underway now for our School of Christian Mission, July 17-20, 1972, at Highland Park United Methodist Church, Dallas, Texas. Mrs. Robert May will again serve as Dean of the school. She has secured the finest teachers available for our studies. Mrs. J. Boyd Tyrrell will come to us again for our Conference Annual Meeting September 27, 1972, at Sulphur Springs, Texas. Peg says this will be an Annual Meeting "unlike any other Annual Meeting." She is planning a workshop type format and will speak on the One New Inclusive Organization. Since the invitation was issued to her by popular demand we anticipate a record crowd.

Mrs. Guy L. Tanner, president

WESLEYAN SERVICE GUILD

February, 1972, we met at Bridgeport Assembly for a time of probing in depth our Christian Faith as we followed the theme, This Mind in You with Mrs. Robert May as leader.
Each of the districts had the privilege of having Mission Interpreters, Rev. and Mrs. Kenneth McIntosh in their district in April, 1972. The Wesleyan Service Guild membership has decreased slightly, three guilds have transferred to Women's Society. Small guilds finding it difficult to enlist new members and finding it more convenient to meet in the day time. However, some guilds have had an increase in membership. The Wesleyan Service

Guild will be having our Annual Meeting November 9-10, 1972, at Southern Methodist University.

Mrs. Harry E. Steincamp, chairman

CHILDREN'S MINISTRIES DEPARTMENT

The Children's Ministries Department in 1972 will continue to provide leadership training for summer events leaders. Recognizing these weeks in the summer as tremendous opportunities for growth in character and faith, we will strive to strengthen these events in every way possible.
Using TAR's (Teens Aid the Retarded) or some similar program the department will explore opportunities for ministry with the mentally retarded.
We will continue to provide leadership and programming for the following events:

Local Church Leaders Training in January, 1973
Workshop for Teachers of Young Children
Spring Curriculum Workshop using Vacation
Church School literature plus offering day camp training
Summer Events for older elementary boys and girls
Workshop for Teachers and Workers of Elementary
Boys and Girls

In cooperation with other agencies, the department is studying recreational development for the Conference Assemblies to submit to the Assemblies Facilities Commission.

Lillian Sills, chairman

FAMILY MINISTRIES DEPARTMENT

The Families Ministries Department of the Annual Conference will continue to explore how it can be a meaningful change agent for the local church and community.
Using the data gathered from our "Survey of Family Needs," we will introduce, when requested, resources into the local church and community to help them minister to such groups as: families with drug abuse problems, parents in one parent families, boys without fathers, children in one parent families, and retired persons.
We will continue to support and encourage a family camping program recognizing this as an effective vehicle for ministry to the entire family. Also plans for family canoeing and trail hikes will continue to be used in ministry with families.
If adopted by the Annual Conference as a program emphasis, the Family Ministries Department will participate in Key '73 by promoting and encouraging appropriate programs for the family.

Ralph Nathan, chairman

YOUTH MINISTRIES DEPARTMENT

Leadership training and program development will continue to be an important emphasis for the Youth Ministries Department in 1972. Of special concern will be an effort to further up-grade the quality of our Summer Events in all districts of the Conference. This will be done through securing the best resources and trainers possible for directors and counselors in the events.

Conference-wide events scheduled for the fall include:

August 12-13—Youth Ministries Exposure
November 18-19—Youth Ministries Fall Round-Up
December 26-30—Youth Ministries Ski Trip

Education and participation in the Youth Service Fund will be an important channel for the department to finance programs of mission and leadership in 1972. We are reducing our budget requests to the conference, as we said we would, using YSF monies for departmental expenses.

The Assemblies Facilities Commission has asked that the Youth Ministries Department along with the Children's Ministries Department, make recommendations for the development of recreational facilities at the assembly sites. We are now in the process of doing this.

The Department is continually trying to find new ways to involve youth in ministry and to bring quality training to those who work with them. Thus, we have several new areas we are going to explore in '73:

A Christian Band Camp
Ministry with the mentally retarded (possibly thru TARs—Teens Aid the Retarded)
A curriculum Workshop for Teachers
A Jr. Hi. Camping Trip

Because of the attendance of more than 300 at Youth Midwinter in 1972, the Department recommends that two weekends be scheduled for Midwinter in 1973 at Bridgeport Assembly.

Gary Regan, chairman

COMMISSION ON ARCHIVES AND HISTORY

Our Commission has joined with the Central Texas Conference in sponsoring a Methodist Heritage Tour to England next October 2-11. A few persons from our conference have made this tour already and report that it provides a worthwhile experience combining cultural, travel, and historical significance. We hope we may find a large number of persons who will make this tour.

We plan to have available a paper at the conference session in May on the history of youth work in the conference, written by the Rev. Paul O. Cardwell.

We hope to be able soon to announce a time for the dedication of the William Stevenson marker on Interstate 30 near Sulphur River.

Walter N. Vernon, chairman

COMMISSION ON ASSEMBLY FACILITIES

With a high degree of anticipation and excitement, this commission looks forward to the first year of the new quadrennium. We have felt the concern of the conference for the condition of our two conference sites. We have surveyed and discovered that a few have an idea of what to do in the development of leadership development facilities and sites. We have worked at improving what we have. We have dared to trust our own hunches, creativity and ideas. We have responded with confidence that the directions we have taken are sound and necessary.

Therefore, during 1973, the Commission on Assembly Facilities will:

1. Continue to develop the master site plans for Bridgeport and Texoma Assemblies. The principle of multiple use will guide this development. Also the principle of flexibility in order that the on-going and emerging program needs of the conference, new ideas and concepts can be considered and appropriated, and available funds can influence the planning and development. Each developing stage will be specifically drawn and planned as it is reached rather than completing the master plan for all facilities now.
2. Continue to seek counsel from the conference program agencies to explore together the needs that will serve as development guidelines for the sites and facilities.
3. Continue to seek support from groups and individuals for the donation of time, energies and skills through work projects; and from individuals, families, groups and churches for contributions of financial resources.
4. Accept responsibility for mobile equipment to be used on and beyond the conference sites. As soon as possible a task force will study the need and make recommendations as to types of equipment, priority list for purchasing, purchasing procedures, storage and maintenance.

We express appreciation to the conference for its enthusiastic response to the improvements that have been made and request your continued support and backing for the quadrennium ahead.

Don Barnes, chairman

COMMISSION ON LEADERSHIP DEVELOPMENT

The Commission on Leadership Development of the Conference Program Council was authorized by the 1971 session of the North Texas Annual Conference. The Commission is composed of one representative from each of the Conference Program Agencies, Program Council Departments, the Cabinet, the Conference Staff, and the Chairman. The Commission was charged with the responsibility for coordinating those leadership development activities at the Conference level which are not already delegated to other agencies. A further responsibility is the coordination of multi-agency and overlapping training events at the Conference level.

The Commission has given brief attention and will give much more effort to the development of an overall system of leadership development for the Conference. Most of the work of the Commission has been directed to the following specific items:

1. Recommend that training events for local church leaders be scheduled in January, 1973. It is further recommended that these events be organized and administered at the district or sub-district level. This plan will require a

leader's training workshop in the fall of 1972 in preparation for training local church leaders in January, 1973.
2. Recommend a Training Time for Pastors and Professional Staff in late summer of 1972.
3. Recommend that a consultant service for local churches be made available beginning, if possible, in January, 1973. This is a service by which a local church, upon inquiry to the Conference office, would be given the names of persons who have been certified as Conference Consultants in the particular area of interest. Certification by an appropriate credentials committee would require expertise in the subject as recommended by the appropriate Conference agency and expertise in consultant skills as recommended by the Commission on Leadership Development. A jurisdictional workshop on consultant skills is scheduled for October, 1972 in Abilene, Texas. A task force on consultant services is developing a detailed proposal for the Commission.
4. A task group on the Conference Resource Center has been formed to design a long range plan for the development of the resource center. This proposal will be reported to the Program Council early in 1973.

II. The General Church Apportionments assigned our Conference are as follows:

A. Ministerial Education Fund	181,585
B. General Administration Fund	24,151
C. Interdenominational Cooperation Fund	16,100
D. Temporary General Aid Fund	25,617
E. Jurisdictional Administration Fund	11,397
F. Black Colleges	61,462

III. We concur with the recommendations from the Program Council that Conference Projects be set at a total of $40,000.

IV. The Episcopal Fund for 1973 shall be an amount equal to 1¾% of the pastor's salary for each local charge.

V. Our recommendation concerning the Conference Pension Foundation is the same as for 1972; that is: That we seek to raise $1 per member for the Foundation. It is our feeling that this should be a voluntary contribution by the churches and not an apportionment.

VI. The Commission on World Service and Finance requests that each district superintendent use a standard system in making apportionments to the churches in his district. We request that each district superintendent list the separate apportionments as they are presented on the Apportionments for 1973 in this report.

NORTH TEXAS CONFERENCE BOARD OF PENSIONS

The North Texas Conference Board of Pensions is making pension payments to 477 claimants. There are 66 ministers, 78 widows, and 15 children, a total of 159 claimants directly related to our board. In addition, we are responsible for 150 ministers, 151 widows, and 17 children, a total of 318, who retired in other conferences. The North Texas Conference will be responsible for 4,396 net years of service in 1973.

To provide a more adequate pension for our retired people, we recommend that the annuity rate for the calendar year of 1973 be set at $85.00 per service year. In view of this rate, we recommend that the annual conference appropriate $310,000.00 to the Board of Pensions for its work in 1973.

We are grateful for the support the local churches gave the North Texas Conference Pension Foundation through the one dollar per member plan. A total of $14,333.75 was received from this source in 1972. We recommend that an amount equal to $1.00 per member be set as the goal for each local church in the conference for the Pension Foundation in 1973 and that all funds received as

a result of this apportionment be placed in a permanent endowment fund by the Foundation.

The 1971 income from the Joe and Lois Perkins Fund was $19,680.55. This income is being distributed among our claimants on the basis of their need.

REPORT NO. 2

Pursuant to paragraph 363.1 of the Book of Discipline, 1968, we recommend that annuity be granted the following ministers for 1973: Velma P. Franklin, Cecil Greenhaw, and Fred McGee.

Pursuant to paragraph 1379.4 (4) of the Book of the Discipline, 1968, we recommend that annuity credit be granted the following persons as full-time lay pastors for the 1971-72 conference year: Bobby B. Bryant, Alfred A. Butler, William S. Collins, Joe Funk, Woodrow Kirby, W. F. Sale, Grady Wyatt, and James Unangst.

Pursuant to Division II, Section IV, Paragraph B.6 (a) of the Pension Manual of the United Methodist Church, we recommend the payment of five hundred dollars ($500.00) to Mrs. Jewell Ollie Durham Fisher as necessitous relief for the calendar year of 1973.

CONFERENCE INSURANCE COMMITTEE

"The Conference Insurance Committee is happy to report that we have 299 of the men under appointment, insured in our Hospitalization and Disability Program and 295 insured in the Life Insurance Program. This is as near 100% as it is physically possible to attain in that some few men did not wish to participate under any circumstances. In addition we have 64 retired men insured in our life program and 127 family units consisting of retired minister, wife, or widow insured in the hospitalization program.
The active men have $1,816,000 life insurance in force."

The Insurance Committee wishes to propose two additional benefits to The Annual Conference.

First, we wish to take from our investment program $5,550.96 and buy $1000 life insurance for each person in our Insurance Group. This is especially needed by our retired men in that 39 of the 63 men have $1000 Life Insurance only. This money would come from our Investment Account which guarantees payment of the retired men's insurance if the Conference Group should cease to exist.

Second, we want to make it possible for retired ministers who are seriously ill and have an extremely poor prognosis to be able to assign their conference insurance to The Annual Conference and receive full value in cash. This would assist him in receiving adequate nursing home care. This insurance would be paid in 12 equal payments to the minister or his beneficiary.

The Insurance Committee welcomes suggestions from anyone.

James N. Swafford, chairman

BOARD OF TRUSTEES

Minutes Report
W

Your Board of Trustees is amenable to the Annual Conference and it is our desire to carry out the wishes of this Annual Conference in all matters pertaining to property held in trust by us.

We would remind the members of this Annual Conference that we can act only (1) as we are directed to act by action of the Annual Conference, or (2) as we are authorized to act in emergency situations by the Discipline, or (3) as we are directed by terms of a legacy, bequest, or device. The final decision is never what we as a Board or as individuals think or want but what action has been properly authorized.

In accordance with your vote by mail last September authorizing the sale of the Quadrangle property at La Clede and Vine (422 FOR, 21 AGAINST), your Board of Trustees sold the property to F. M. Poole Jr. for the sum of $20,000. The net return–after selling costs–was $19,761.06 and the check for this amount was endorsed and delivered to Earl Harvey as Treasurer of the Maple Lawn Foundation on September 28, 1971.

In October of 1971 acting under the authority of Paragraph 1550, subsection 4, of the 1968 Discipline, your Board of Trustees assumed control

of the East Post Oak property in the Paris-Sulphur Springs District and sold the Methodist share of jointly owned property to the Baptist Church, who were the other joint owners, for $1500. This $1500 has been invested in a 90 day renewable C. D. bearing 5% interest. This C.D. is being held in Safety Deposit Box No.9192 in The State National Bank, Denison, Texas. In accordance with Paragraph 1550, subsection 4, of the Discipline, we are at this time recommending that the proceeds of this sale be given to the Paris-Sulphur Springs District for the development of the Pat Mayse Camp site.

Acting at the direction of the Annual Conference we have sold the Addison property for $30,000 with the cash and first lien note resulting from the sale turned over to the trustees of the Dallas-McKinney District. (See page 136 of the 1970 Journal.)

The 1971 Annual Conference authorized the sale of the Park Springs property in the Wichita Falls District. (See page 148 of the 1971 Journal.) This property was sold in February, 1972, to W. W. Younger for $1500. This money is being held along with the money derived from the sale of the East Post Oak property. We are recommending at this time that one half of this money be returned to the District Trustees of the Wichita Falls District to be used on the District parsonage; and that the other half be deposited in the Contingency Fund of the Annual Conference.

At the time of the writing of this report, certain other negotiations concerning property are being made. Recommendations will be made at Annual Conference on these and any other matters that arise prior to sessions of the Annual Conference.

Earl Kifer, Chairman
John W. Morphis, Secretary

SUPPLEMENT REPORT of the BOARD OF TRUSTEES of the NORTH TEXAS ANNUAL CONFERENCE

The Board of Trustees of the North Texas Annual Conference recommends the former Hensley Chapel property, without any improvements, be declared abandoned.

A firm bid of $500 for less than half an acre of land has been offered. We recommend the sale of this property and that the money resolving from the sale be used within the District.

The Board of Trustees of the North Texas Annual Conference recommends the Heming Lane-Calley View Methodist Church, Cooke County, Texas, be declared abandoned, and sold, and the money used at the direction of the officials of the Valley View Methodist Church, as this peice of property was attached in many years past by Quarterly Conference action of the Valley View Methodist Church and its members received into the Valley View Methodist Church.

The House and lot located at Winnsboro, Texas, which has been abandoned for years, is being recommended to the Annual Conference for sale and the proceeds from the transaction directed to the Conference Permanent Pension Fund.

The Board of Trustees recommend the sale of the former Dallas-Greenville District parsonage and the money be dispersed according to the direction of *The Discipline.*

We recommend that the former Sunnyside Heights property in Wichita Falls be transferred to the El Buen Pastor congregation of the Rio Grande Conference and that the El Buen Pastor property be transferred to the North Texas Conference for sale.

THE NORTH TEXAS CONFERENCE FEDERAL CREDIT UNION

Minutes Report
X

The North Texas Conference Federal Credit Union continues to grow. From April 30, 1971, through April 30, 1972, membership increased to 447. During the same period assets increased from $282,575 to $312,729. Loans to members since organization total $1,745,584. Its growth comes because people save systematically and keep their savings at work for themselves and for others. A 5¼% dividend was paid to members on shares held as of December 31, 1971.

Members' share accounts are insured up to $20,000. each by the National Credit Union Administration, an independent agency of the Federal Government. The Credit Union operates under a Federal Charter with regular examinations by Federal Examiners.

Your Credit Union matches dollar for dollar in automatic paid up insurance up to $2,000. for eligible members as well as loan protection on the insurance balance of a member's loan in case of death. On July 1, 1972, insurance will be made available to insure Monthly Payments being made on loans in case of illness.

Regular savings deposits can benefit you personally and help the Credit Union help others. Ministers and Church related employees serving churches in the North Texas Conference are eligible for membership.

MINIMUM SALARY COMMISSION

Minutes Report
Y

We recommend:

I. GUIDELINE SCHEDULE OF MINIMUM SALARIES:
   1. Members of the North Texas Conference $6,600-$6,900
   2. Lay Pastors in the North Texas Conference $5,000-$5,800.
   3. Student Pastors in the North Texas Conference $2,450-$4,600.

II. RULES FOR ADMINISTRATION OF MSC FUNDS:
   1. All requests for MSC funds shall be made in writing by the District Superintendents. Unusual requests, or requests outside the "Guideline Schedule" shall be made in writing and in person to MSC by the District Superintendents.
   2. All income received by the pastor himself shall be considered in a report to MSC.
   3. Churches participating in MSC shall present an annual budget to their membership and shall seek to subscribe the budget by a pledge campaign. Churches shall submit an annual financial statement to MSC through their District Superintendent in support of their request for MSC funds.
   4. The names of charges receiving MSC funds, and the amounts received, shall be published in the Conference Journal.

5. Where MSC grants are made, the District Superintendent is requested to arrange a meeting of the Committee on Pastor-Parish Relations (or other appropriate lay leadership) with a representative(s) of MSC.

INTERPRETATION

We understand "guideline" to mean the **appropriate median minimum salary.** It does not mean either a **minimum** or a **maximum.** We recognize that situations vary from church to church and from open country to city, so that there can be different minimum salary requests and grants from pastor to pastor and situation to situation.

We also understand that we feel MSC's responsibility to include consultation and negotiation with District Superintendents, local church officials, pastors, and also with other Boards and agencies. Fortunately we know MSC is much better equipped to be a responsible part of such consultation and negotiation having visited this year with most of our churches and pastors receiving MSC funds.

NORTH TEXAS ANNUAL CONFERENCE GOALS FOR THE SEVENTIES

Minutes Report Z

The following goals are recommended for adoption by the Annual Conference as a statement of what the people called Methodists intend to accomplish by 1980 as the expression of their discipleship of our Lord Jesus Christ. The basic assumption of these goals is that the good news the Church offers to the world is that Jesus Christ has set men free to enjoy their lives in service to him. The mission of the Church is to make this good news known to men. The Annual Conference Goals will be a way of making the Church's mission concrete.

The goals have been distilled from a two-year process to which United Methodists at many levels, Conference, District, Local Church and individuals have contributed. These goals are the goals of the people called Methodists. Let them be accomplished to the glory of God.

Section I. **Annual Conference Goals**

1. The Annual Conference will be able to write a statement describing the purpose of the church capable of achieving consensus agreement among Annual Conference members, and will have utilized the differences of culture, politics, theology, and life styles existent among lay persons and clergy to actualize the church as described in the statement of purpose.
2. Racial, cultural, sexual, and age barriers to the expression of and witness to God's love for all persons will have been identified in Annual Conference structures, local churches, and in local communities. To work toward the elimination of these barriers:
   A. The scriptural basis for the dignity of all persons will have been delineated in such a way that discrimination based on these barriers will have been identified and substantially eliminated.
   B. The criteria for making pastoral appointments will have been described in such a way that discrimination based on these barriers within the appointive system will have been identified and eliminated.
   C. Local churches will have studied their own community's practices of discrimination in education, housing, employment, legal justice, and public services, and will have taken steps to effectively reduce the incidence of discrimination in those areas.

D. Local churches will have included the participation of lay persons (men, women, and youth) in the membership of all decision-making groups as permitted by **The Book of Discipline.**

3. The organizational structure of the Annual Conference will have been designed so that it can function with increased efficiency and effectiveness, the functions of various sub-groups of the Annual Conference will have been so defined that overlapping and duplications can be identified and eliminated, and local church leaders will be able to describe the function of the Annual Conference structure and its various parts so as to use it as a resource for the implementation of their local church mission.
4. The Annual Conference will be able to describe:
   A. the appointive system, and delineate its strengths and weaknesses;
   B. the function of connectionalism, and delineate its productivity, efficiency, and cost;
   C. the objective, rationale, and amount of financial support for institutions of higher education and other conference institutions;
   D. the criteria to be used in the selection and training of the clergy.

Section II. **Local Church and Individual Goals**

1. Each local church will be able to write a description of the tradition of the church which will reflect the norms of biblical faith and church history. In the light of that description:
   A. Local church leaders will have evaluated alternative educational methodologies, and selected the most effective methods for communicating the faith in their own locality.
   B. Local church leaders will have evaluated alternative expressions of worship and selected the most effective expressions for celebrating the faith in their own locality.
   C. Stewardship of time and money will have been increased in each local church.
   D. Each local church will have adopted annually at least one mission project in each of the following categories: world missions, national missions, and local community missions.
   E. Each local church will have set goals for membership growth among the persons for whom they are responsible and will be able to provide evidence they are meeting their goal expectations.
2. Each local church will be more effective in its ministry to the community. To enable this increase in effective ministry:
   A. Local church leaders will have increased their skills of team building, problem identification, goal setting, strategy formation, strategy implementation, and evaluation.
   B. Local church leaders will have available for their use resource materials as prepared by the Annual Conference.
   C. Local church leaders will have increased their skill in one-to-one communication of the Christian Gospel.
   D. Local church leaders will have used more effective means of enabling youth who are alienated from the church to establish contact with it.
3. Each local church will have written a statement on "The Theological and Structural Basis for Ecumenism." In the light of that statement:
   A. Each will have evaluated COCU,
   B. will have carried out at least one ecumenical experience annually,
   C. and will have reported findings and recommendations to the Conference Commission on Ecumenical Affairs.

4. Each local church will be able to identify all known alternatives for family living styles, list the positive and negative effects of each alternative, and be able to identify those alternatives which meet the human needs of persons in them. Each local church will have developed a ministry designed to enable and support persons who are experiencing a change in their family living style.
5. Members of local churches will have increased their skill and discipline in personal worship and devotions.
6. Members of local churches will be able to describe the criteria for membership in the United Methodist Church as found in **The Book of Discipline.** Members will be able to compare what their church is prepared to give to them and what it expects from them; with what they are prepared to give to the church and what they expect to receive from the church.

SHEPHARD RAINEY COBURN

Shephard Rainey Coburn was born April 13, 1878, in the State of Tennessee. He passed from this life on April 7, 1972, at the age of 93. Services for this servant of God were held at Restland Chapel with Bill Morgan Smith serving as the officiating minister.

Prior to his retirement in the late 1940s, he had served as a lay pastor in Oklahoma, Arkansas, and in Como, Hopkins County, and Brady, McCulloch County. He was a member of the Trinity United Methodist Church at the time of his death. Brother Coburn was an outstanding leader of song, having spent a good part of his ministry in this manner.

His survivors include four sons: Bernarr, Anderson, Kenneth and Eugene Coburn, also seven grandchildren and five great grandchildren.

May our memory be tempered with a hope of the life everlasting about which he sang so many times.

REVEREND R. E. PARKER

The Reverend R. E. Parker, a minister of the North Texas Conference, died January 1, 1972 in McKinney, Texas. He was a native of Tennessee.

Reverend Parker received his college education at Hiwassee College in Tennessee. The last two years of college work he taught school to help in his expense.

In 1911, Reverend Parker joined the Southwest Texas Conference which convened in San Marcos, Texas that year. At this conference Rev. Parker met his wife Ethel Parks.

Reverend Parker served as an active minister in the Southwest Texas Conference until 1924 when he joined the North Texas Conference, coming from Junction to Bryson.

Reverend Parker served 29 years in the North Texas Conference, retiring in 1952 while serving the Prosper Methodist Church. 41¾ years.

One ambition of this loyal, dedicated servant of God was . . . "Grace to perceive, and strength to pursue". Rev. Parker believed in a combination that will outlast time–"God and the Church." And only Eternity will reveal the eloquent work of this man of God.

I have never met a man who seemed more worthy of those words . . . "Well done, thou good and faithful servant" than Rev. R. E. Parker.

He is survived by one daughter–Eugenia Parker of Frisco, Texas–one son, Robert Parker, Frisco, Texas–two grandsons of Albuquerque, N. M.

HENRY GRADY MAY

Rev. Henry Grady May, son of Dr. and Mrs. Reynolds May, was born in Whitewright, Texas, July 6, 1890. He departed this life on May 2, 1972.

He married Edith L. Little, March 28, 1917. To this union four children were born, (one died in infancy). Along with Mrs. May are the survivors within the immediate family. They are: H. Grady May, Jr., Mrs. Novetta May Ahearne, and Dr. James L. May all of Irving, Texas.

Bro. May was 14 years of age when he was first confirmed in the Methodist Church in Whitewright, Texas. Bro. May attended the Grayson College of Whitewright, received his B.A. Degree; attended the University of Texas 2 years and then Southern Methodist University, Dallas where he was in the first graduating class at S.M.U. 1915. Bro. May was licensed to preach in Tioga, Texas, May 29, 1915 and joined the North Texas Conference on trial Nov. 3, 1916. Later he came into Full Connection Nov, 13, 1921. Ordained for Deacon Nov. 9, 1910 and was ordained for Elder, Oct. 13, 1921. His appointments include: College Mound & Poetry, Caddo Mills & Floyd, Lane & White Rock, Bellevue, Celina, Lambuth Memorial, Brooklyn Ave., Grant Street, Bonham, Irving First Church, Winnsboro, Cockrell Hill, and Farmersville. After 41 years of service he retired in 1957. He and Mrs. May made their home in Irving, Texas. Here they became members of Kirkwood United Methodist Church where he was made Minister of Lay Visitation. A new Fellowship Hall was built at Kirkwood and named H. GRADY MAY HALL after Bro. May.

He was a member of the Retired Ministers' Club of the North Texas Conference, a member of the Irving Masonic Lodge, and Irving Rotary Club.

He departed this life on May 2, 1972. Funeral services were conducted in the Kirkwood United Methodist Church, Irving, Texas with Rev. Linwood John Roberson, Rev. Bruce Compton and Rev. Eugene McLaurin conducting the service. He is entombed at the Oak Grove Mausoleum, Irving, Texas, where his body lied at rest.

Bro. H. Grady May was a teacher of God's Church, he was a consecrated pastor and preacher, and leaves a host of friends. He was a true shepherd who loved and cared for his flocks faithfully in each pastorate in our conference.

BLANTIE L. SMITH
(Supply)

Blantie L. Smith was born to A. T. and Emma White Smith in Haliday, Tennessee on April 10, 1895 and came to Hopkins County, Texas, while a small boy.

He married Miss Nell Garnett at Emblem Community, Hopkins County on August 15, 1915.

He was converted and joined the Methodist Church at an early age. He was licensed to preach May 2, 1929 and served thirty-four years as a Supply Pastor at various churches in the North Texas, Texas, Southwest Texas, Northwest Texas, New Mexico, Oklahoma and Arkansas Conferences. He was serving at Coppell in the North Texas Conference when he retired in 1963 and was living at Sulphur Springs when he passed away October 28, 1970, after a short illness.

Funeral services were conducted in the Mahoney United Methodist Church where he had previously served as pastor. The services were conducted by Rev. Julian Thomas, Rev. Henry Mood, and Rev. Bayless Evans.

Survivors are his wife and four daughters, Mrs. Hazel Keelin of Hillsboro, Mrs. Helen Green of Arlington, Mrs. Audrey Rozelle and Mrs. Mildred Schaerdel, both of Dallas. In addition one brother, two sisters, six grandchildren, and five great grandchildren. A grandson preceded him in death in 1967.

Those who knew Blantie Smith as members of his family, members of his various congregations, and the host of friends he made across the years recognized him as a truly dedicated man who had surrendered his life to Christ. The church is more meaningful today to large numbers of people because Blantie Smith passed this way.

MRS. W. H. BROWN

Mrs. Brown was a lovely lady. After the death of her husband, who was a devoted minister of the gospel, she made her home in Bonham, and the First Methodist Church became her parish.

Her service to and concern for the ministry of the church endeared her to all who knew her. She was the cherished friend of all who were pastors in her church, and her counsel and friendship were held dear by all of these men.

As declining health more and more confined her to her home, she continued to keep her interest in the church and community. To the very last days she always expressed her gratitude for all who showed interest in her, and thanked God continually for His many blessings.

There is no way of calculating how many lives she touched with the love of the God who taught her love's true meaning. We salute her precious memory, and thank God for blessing us, her friends, with her contribution to our lives.

MRS. MARGARET WHITE CLICK

Mrs. Margaret White Click, R.N., the eldest of four daughters, was born to Mr. and Mrs. Robert Newton White of Kaufman, Texas, October 4, 1902 and died at Mt. Vernon, Texas, December 6, 1971. She married the Reverend Albert F. Click on May 9, 1928 at Dallas, Texas with Dr. Wallace Bassett, pastor of Oak Cliff Baptist Temple and an old friend, officiating. To this union one son, Albert Wayne, was born March 14, 1919 and died July 13, 1970 at the height of a successful business career in Dallas, Texas.

Services were held for Mrs. Click at Greenville, Texas by the Reverend Carl E. Keightley, Reverend Bill Morgan Smith and Reverend C. C. Sessions, with the Reverend Wm. T. Stephenson as the soloist. She is survived by her husband, one grandchild, Pamela Walden, and three sisters: Mrs. Ralph Fulkerson and Mrs. Kelly Gilbreath, both of Wichita Falls, Texas, and Mrs. Pauline Day of Phoenix, Arizona and hosts of friends on army bases and in local churches.

The Reverend Mr. Click entered the Northwest Conference in 1933. Together they served in the pastorate until they left the Texhoma, Oklahoma Church following a three year pastorate to answer the call to the army chaplaincy March 1941, beginning their army career at Ford Ord, California and remaining in the service until 1953. Their tour included duty at Honolulu, Hawaii and the chief of chaplains at Letterman General Hospital near San Francisco.

Most of the Click's post-army years were spent at Celeste, Texas where they together led the congregation in building and paying for a new church and a new parsonage. Before Mrs. Click's death, they also served at Howe and Sanger. After these appointments they retired to their home at 1425 O'Neal, Greenville, Texas. Beginning in 1969 they served the Shady Grove Church, East of Greenville.

The Reverend Mr. Click often spoke of Mrs. Click as the "Star of the Show." She did have leadership capacities that were an asset as they worked together as a team. She studied music, painting, flower arrangements and various crafts. In 1952 she completed requirements as a Registered Nurse and maintained this status until her death. Well versed in the Scriptures and the work of the W.S.C.S., she was a popular Sunday School teacher and an active participant in the women's work. She enjoyed visiting among the members and often joined her husband in his pastoral visitations.

Mrs. Click was a comfortable person to know and fit well into her role as pastor's wife. She not only loved Christ, she loved his church. She loved its people and had a personal interest in them—in their problems, their sicknesses, their hopes, their dreams. She enjoyed visiting among the members and often joined her husband in his pastoral visitations. The people loved her, not because they felt they ought to love the minister's wife, but because she loved them first.

We cannot think of her in any way than as one who at the time of her death, and for all these years has lived the resurrected life in Jesus Christ. Death has no dominion over her.

Carl E. Keightley

MRS. BERT B. HALL

Iona L. Latta was born at Dodd City, Texas, on July 24, 1882, the daughter of Thomas J. and Isabella Smith Latta. She was married to the Rev. Bert B. Hall at Dodd City on February 19, 1913.

She died in the Biggers-Cochran Nursing Home, Bonham, on July 22, 1971. The funeral service was held in First United Methodist Church, Bonham, on July 24, with the Rev. Paul O. Cardwell conducting the service. Burial followed in the Willow Wild Cemetery, at Bonham, beside the body of her husband.

Mrs. Hall took seriously her responsibilities as a pastor's wife. Her husband usually referred to her as "the Boss," but the twinkle in his eyes denied the seriousness of the term. She was always a helpmate.

When the Halls retired from the itinerent ministry, they chose Bonham as their residence. It was here that they had formed many cherished friendships while Brother Hall was pastor of the First Methodist Church. In their retirement in a city of a former pastorate, they were always helpful to the pastor and never a hindrance.

At the death of Brother Hall on July 16, 1964, Mrs. Hall continued to live at the retirement home they had chosen at 320 W. 6th Street, Bonham. In the closing years of her life, her hearing and seeing disabilities prevented her serving her church as she formerly did, but they never stopped her loving her church and her friends.

Often, in the nursing home, she would plaintively say, "I want to go home." I do not think it would misinterpret her genuine meaning to believe she meant the home where Bert was waiting as well as the residence in Bonham.

MRS. EARLE G. (KATE) HAMILTON

Mrs. Earle Grady Hamilton, widow of the late Reverend Earle G. Hamilton, of Greenville, Texas, passed away Friday afternoon, August 27, 1971 in a Greenville hospital. Funeral services were held at 2:30 in the Coker Matthews Peters Funeral Home Chapel, with the Reverend James Gatlin officiating. Burial was in Sulphur Springs.

Mrs. Hamilton was born Kate Aline Arnold on February 12, 1894, in Greenville, the daughter of Nancy Byrd Lytton and Manzy Arnold. She was married in 1917 in Greenville to Earle Grady Hamilton who preceded her in death on March 26, 1971. She was a member of Wesley Methodist Church.

Survivors are one son, E. G. Hamilton, Jr. of Dallas, two daughters, Mrs. Richard L. Bliss of Kirkwood, Missouri and Miss Ann Hamilton of Greenville, Texas.

Despite the after effects of a paralyzing stroke in 1943, she continued a fairly active life. All who knew her admired her cheerfulness, courage and kindly spirit. She was an inspiration to many.

James Gatlin

MRS. EVELYN M. HILL

Mrs. Evelyn M. Hill was born November 24, 1911 at Hillsboro, Texas. She was the daughter of Robert Lee and Rebecca Plunkett. It was in 1932 that she was married to Rev. Luther A. Hill. Death came to Mrs. Hill on June 19, 1971 following an eight month illness.

Funeral services were held in The First United Methodist Church of Rockwall, Texas on June 21, 1971. Rev. Gordon Casad was in charge of the service with Rev. Bill Stephenson bringing the message. Others assisting in the service were Rev. John Poe Hensley, Mrs. Hensley, and Rev. Gary Regan. Mrs. Hill was buried in Hillcrest Garden of Memories in Hillsboro, Texas.

Evelyn M. Hill served the church well. In a wonderful, quiet, efficient manner she graced the parsonage in each charge to which she and her husband were appointed. She always joined her husband in giving the best service possible to the church. Hers was a life of radiance and sincerity.

Mrs. Hill is survived by her husband, Rev. Luther A. Hill, four children: Joyce L. Cocanower of Lancaster, Texas; Betty L. Gray of Pecos, Texas; Ronald G. Hill of Irving, Texas; and Rebecca L. Cameron of Austin, Texas. She is survived also by two grandsons: Allen Cocanower and Robert Ray Cameron. Other survivors include six brothers: Tom, Walter and A. B. Plunkett of Abbott, Texas; Olin Plunkett of Athens, Texas; Roy Plunkett of Alvarado, Texas; and Murry Plunkett of Whitney, Texas. Two sisters also survive: Mrs. Fred Young of Abbott and Mrs. Alston Lee Williams of Hillsboro.

The life of Evelyn Hill was one filled with a beautiful faith and in that faith she entered the life that is eternal.

Wm. T. Stephenson

MATTIE ESTELLA KIKER

Mattie Estella Kiker was born in Athens, Tenn., on the 27th of June, 1875, the daughter of Dr. and Mrs. Jim Kelley.

Mrs. Kiker was proud of her ancestral heritage which was composed of many outstanding ministers and doctors.

In 1901, she married Rev. O. P. Kiker who served as pastor of many of the larger Methodist churches and at one time was Presiding Elder of the Amarillo District, which at that time was composed of sixteen counties.

Mrs. Kiker was a devoted Christian who was dedicated to the work of the church, but her special love was the work with the children in the Primary Department of the church school. Her parsonage home was always the Fellowship Hall of the church where her good food spiced with her Irish wit and her natural sense of humor added to any occasion. She was courageous and enthusiastic and a wise counselor to her many friends who often turned to her for guidance.

Mrs. Kiker reared five children, two of whom survive her, Mrs. T. J. Pace of Iowa Park, Texas and Orville Kiker of New Orleans, La. Rev. Kiker preceded her in death in 1957.

She had a long and fruitful life and was mentally alert and interested in her family, her church, friends and world affairs until her death in Wichita Falls, May 29, 1971, following a broken hip on March 27th.

Funeral services were conducted by Rev. Don Youngblood in the Floral Heights United Methodist Church and she was laid to rest in Crestview Memorial Park, Wichita Falls, Texas, June 1, 1971.

JUNE BALCH McFARLAND

Forty-six and a half years is much too short a time, from our limited point of view, for one to live who had so much to contribute to her family and her friends as had June McFarland. In keeping with the spirit of uncomplaining courage and of buoyant hope in which she lived and with which she encountered the final ordeal, this brief tribute, instead of lamenting the brevity of her earthly journey, will give thanks to God for the full measure of varied achievements which she crowded into the fleeting years. June would want it that way.

The experience to which she gave highest priority was her share in creating and maintaining a home for her husband, Dr. Neill McFarland, Vice-president and Provost of Southern Methodist University, and three gifted daughters, Sharon (Mrs. Dan Groves), Anna Lynette, and Marsha Lea. It was the kind of home in which each member of the family gave his or her best for the welfare of all.

The achievements for which she was most widely known was her proficiency as a practitioner and teacher of Ikebana, the Japenese floral art. While her husband was on leaves for teaching and research in Japan, she pursued this avocation at the Ohara School and was one of a limited number of Americans to be given the rank of Professor in that art center. This expression of her love for beauty was a source of delight to her and to many others but she pursued it in the wider perspective as one of the channels of acquaintance and fellowship between the peoples of Japan and of America.

Impressive evidence of the affectionate esteem in which she was held by the people of Dallas and, particularly, the University community was given by the throng of friends who filled the sanctuary of the Highland Park Methodist Church for the memorial service. Associate Pastor Kenneth Dickson and the writer of this memoir conducted the service and spoke for the people of our Christian assurance of life unending and of our gratitude to God for the person she was and for the blessings she had brought to each one of us and to the far wider circle of persons whose lives she had touched and influenced for good.

June McFarland's life, in all of its demensions, was an eloquent testimony to the fact that the true worth of this swift-moving pilgrimage is not to be measured by length of days but by the quality of ideals to which one has given supreme devotion.

"Thanks be to God who gives us the victory through our Lord Jesus Christ."

William C. Martin

MRS. TOM W. RIDLEHUBER

Mary Emma Ridlehuber, daughter of Laurence and Elma Donnelly, was born January 22, 1921, at Toledo, Ohio. She passed away on October 16, 1971, at Gainesville Memorial Hospital.

She was married to Tom W. Ridlehuber on February 14, 1946. Three children were born to this union: Tommy Ridlehuber, Gainesville; Mrs. Roslyn Eugster, Gainesville; Mrs. Marye Cheney, Wichita Falls, Texas. She is also survived by her husband, Rev. Tom Ridlehuber, pastor of the Gainesville Mission United Methodist Church, her mother, Mrs. Elma Donnelly of Gainesville, and one grandson.

Mary had a keen interest in the underprivileged. She taught in the State School of Girls at Gainesville. She was greatly loved by all who were privileged to know her.

Funeral services were held in the Vernie Keel Chapel in Gainesville at 10:00 a.m. on October 18, 1971, with Rev. Carrol Copeland and Dr. J. B. Holt officiating.

Mrs. Slagle is survived by three children, thirteen grandchildren, and three great grandchildren, one brother, David Richard Gwin, two sisters, Mrs. Eva Manning and Mrs. Minnie Rich.

Mrs. Slagle passed away March 11, 1972. The service was conducted by Dr. T. Herbert Minga at Wildwood Chapel, Restland Memorial Park, Dallas.

RULE 9. A quadrennial committee on memoirs composed of a chairman and the secretary of the conference shall insure suitable memorials of deceased brethren. Every clerical member of the conference shall file with the secretary of the conference an historical sketch of his life on the registration blank to be furnished by the secretary. RULE 25. A Standing Rules Committee shall be elected quadrennially. It shall be the responsibility of this committee to oversee structural changes in the standing rules. All standing rule changes and new standing rules shall be submitted to the Standing Rules Committee at least two weeks prior to the spring meeting of the Conference Program Council. All standing rule changes must be submitted to the rules committee before they shall be considered for Annual Conference action.

RULE 26. It shall require a two-thirds (2/3) vote of all lay and clerical delegates present and voting, to suspend or to amend any of these standing rules.

RULE 27. Matters which are not a part of the Pre-conference Report of a particular board, commission, or committee of the Annual Conference may come before the conference only after they have been mimeographed or printed and laid on the desk of the delegates at the beginning of the day they are to be considered. This Rule shall not be so construed as to preclude proper amendments to reports or matters of privilege.

CONFERENCE STATICIAN'S REPORT

Here is the statistical report for the year 1971. Since our Conference went from eight to seven Districts this year, we will not show a comparison with the 1970 figures on a district basis, but there is a comparison shown on the Conference Totals. Please remember the totals for 1970 which are used in the comparison are made up of the 12 month report from the Churches in the former North Texas Annual Conference and the 7 month report from the 20 Churches in the former West Texas Annual Conference now included in the new North Texas Annual Conference.

TWO FOOTNOTES: *(1) Lines 1 and 9 of last years report had a typographical error of 100 too many that was inadvertantly included in the report from the merger of the two Conferences. Figures used in this report showing last year's totals are corrected.

**(2) Last year's statistical report listed "Conference Administration Fund" in column 46 along with District Fund, Jurisdictional Administration Fund, and Mt. Sequoyah, when it should have been considered "Conference Administration and Benevolences" and should have been listed on Column 50 along with "World Service and Conference Benevolences". It is listed in column this year. Therefore, a correct comparison with last year's total on column 46 and column 50 is impossible separately. Combined total for columns 46 and 50 apportioned for 1971 is $726,378. The amount paid (combined total) for 1971 is $647,126. This is an increase of $32,512 over the combined total of columns 46 and 50 from the 1970 report.

Total membership at the end of 1971 is 152,634 which is a decrease of 300. Average attendance at the principal weekly worship service is 45,297; a decrease of 547. Church School membership is 87,478; a decrease of 2,560. Women's Society of Christian Service membership is 14,485; a decrease of 518. Value of Church buildings and land is $170,879,553; an increase of $10,912,517. $2,020,846 was paid on indebtedness, an increase of $121,306. $2,708,619 was paid on building and improvements; an increase of $1,915,418. World Service and Conference Benevolences received $561,552. Ministerial Education Fund received $87,906; an increase of $24,313. General Advance Specials received $171,718; a decrease of $35,237. Race Relations Sunday received $25,628; an increase of $5,017. The Conference Pension Foundation received $14,337. THE GRAND TOTAL paid for the entire Conference in 1971 was $15,466,133; an increase of $2,331,830 over 1970.
