THE NORTH TEXAS CONFERENCE

At the Uniting Conference in Dallas, Texas, April, 1968, a new Annual Conference was formed in North Texas including members, congregations, and ministers of the North Texas Conference of the former Methodist Episcopal Church, South (1867-1939) and the former Methodist Church (1939-1968) of the South Central Jurisdiction; with certain members, congregations, and ministers of the West Texas Conference (1874-1939) organized out of the former Methodist Episcopal Church (1867-1939) and the former Methodist Church, Central Jurisdiction (1939-1968); and certain members, congregations, and ministers of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (1886-1968).

At a merger conference held in Dallas, Texas, in May, 1970, members, congregations, and ministers of the North Texas Conference; and members, congregations, and ministers of the West Texas Conference located within the geographical boundaries of the North Texas Conference became the North Texas Conference of The United Methodist Church.

A list of the Conference Sessions of these separate conferences is printed in:

(1) the 1939 Journal of the North Texas Conference, South Central Jurisdiction, (P. 28-29) and the 1967 Journal of the North Texas Conference, of the North Texas Conference, South Central Jurisdiction (P. 140);

(2) the 1967 Journal of the West Texas Conference of the Central Jurisdiction (P. 88);

(3) the 1967 Official Record of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (P. 17); and

(4) other histories of Methodism in North Texas.

The current conference is numbered from the earliest date, being that of the North Texas Conference of The Methodist Episcopal Church, South; and the Texas Mission, Methodist Episcopal Church; both established in 1867.

Conference Genealogy

United Methodism in North Texas began in 1816-17 as part of Arkansas Methodism in the Missouri Conference of the Methodist Episcopal Church. When the denomination divided, in 1844-45 Methodists of this area became a part of the East Texas Conference in the Methodist Episcopal Church, South. In 1867 the approximate area now in the conference was set apart as the Trinity Conference, later (1874) renamed North Texas Conference.

The Methodist Episcopal Church had little organized work in Texas after 1845 until 1867 when a Texas Mission was formed. Out of it later came the West Texas (primarily Negro) Conference. In 1939 Methodist Episcopal, Methodist Episcopal, South, and Methodist Protestant Churches united to form The Methodist Church. West Texas Conference, while a part of The Methodist Church, was in the Central (all-Negro) Jurisdiction, while the new North Texas Conference was in the South Central (all-white) Jurisdiction. The Central Jurisdiction was eliminated in 1968 with the merger of The Methodist Church and The Evangelical United Brethren Church into The United Methodist Church, but the West Texas Conference continued a separate unit until 1970 when its members and ministers became an integral part of an enlarged North Texas Conference.

The recommendations were approved.

The Conference Board of Pensions recommends that an amount of $500,000 be apportioned on the decimal system to the local churches for the past service unfunded liability of the North Texas Annual Conference. The recommendation was approved.

The Conference Board of Pensions recommends that $180,000 be apportioned on the decimal system to the local churches for the Comprehensive Protection Plan of the new pension plan. The recommendation was approved.

The Conference Board of Pensions recommends that on Retired Ministers' Sunday (November 1, 1981) local churches may, if they choose, take a special offering to be used for ministers' pensions. The recommendation was approved.

The Conference Board of Pensions recommends that an amount equal to 100% of the pension paid to a retired, ordained ministerial member of the North Texas Annual Conference be designated as "rental allowance." The amount excludable as "rental allowance" must be the amount that is actually used for

rent or the provision of a home (including furnishing and appurtenances) plus the cost of utilities. The recommendation was approved. This proposal is applicable to clergy only, not widows.

The Conference Board of Pensions recommends that the annuity rate for retired ministers be set at $145.00 per service year. This amount could change with the change in annuity rate. The recommendation was approved.

The Conference Board of Pensions recommends that a special vote of appreciation be given to Reverend Julian Thomas for his untold hours, months, and years of unselfish service as treasurer of the Conference Board of Pensions. He has always performed with dignity, integrity, and loyalty. Our heartfelt thanks go to him, along with our deepest appreciation.

Pursuant to paragraph 1706.13 of **The Book of Discipline**, 1980 edition, the Board of Pensions recommends that the following grants be paid in 1982:

Fred McGee — $1,232.50	H. P. Williams — $3,097.00 (6-1-1981 to 12-31-1982)
David Milam — $1,595.00	Cecil Greenhaw — $ 435.00

The recommendation was approved.

Dr. Alan Mays, from the General Board of Pensions, was introduced to the Annual Conference.

An addendum was submitted to the report of the Board of Pensions (Report 4-B).

Equitable Salaries

Carl Keightley presented the report of the Commission on Equitable Salaries (Report 7), prepared for the Conference by Keightley as Chairperson, Jerry Robinson, and Steve Matthew. This report was distributed to the Conference by the tellers and takes the place of the report previously presented in the pre-conference packet. He moved adoption of the report. The motion carried.

Insurance

Chaplain James Swafford presented the report of the Commission on Insurance. He outlined the following changes in the Conference Insurance:

1. Those ministers over age 65 would have hospitalization coverage from this policy on any expenses not covered by Medicare. Ministers not covered by Medicare would receive benefits only on that amount above what Medicare would have paid. The effective date is July 1, 1981.
2. Ministers not participating in Social Security could purchase Medicare, parts A and B, for $89.00 per month. This amount is subject to increase.
3. Life insurance will decrease to $10,000 for ministers, with spouse's amount remaining at $2,500 and dependent children at $1,000. The effective date is January 1, 1982.
4. Disability insurance with Ministers Life is to be canceled on January 1, 1982.
5. All insurance for both active and retired ministers is to be handled by the Commission on Insurance.
6. All enrolling, canceling, changes, billing, etc., are to be handled by the Area Director of Professional Ministry.
7. Disability and additional life insurance will be provided through the General Board of Pensions.

Pete Robertson questioned whether consideration had been made to change to another insurance carrier that would make it unnecessary to have several agencies involved. Chaplain Swafford indicated the Commission considered this but decided it was more economical to stay with Ministers' Life. This was reinforced by Robert Dillard along with the fact that control would be more in our hands with the present system.

Adoption of the recommendation by the Commission was requested. The recommendation was adopted.

Courtesy And Resolutions

The Secretary announced the members of the Courtesy and Resolutions Committee: Ken Dickson, Chairperson, Lee Bedford, Fred Edgar, and Robert Young.

The chairperson of the committee, Ken Dickson, introduced George Boswell, Chairperson of the Conference Board of the Laity. Boswell presented Mrs. Mary Jean Russell to the Conference, and the members responded with a standing ovation. Mrs. Russell was given three red roses, representative of a dozen, the other nine of which had been presented in her name to the Ethnic

Minority Local Church missional priority. Mrs. Russell expressed her gratitude to the Conference.

Jon Fleming, representing Texas Wesleyan College, was presented to the Conference. Fleming expressed gratitude for support given the Texas Methodist centers of higher education and asked for the Conference to send them students.

H. Sharon Howell, Field Representative of St. Paul School of Theology, expressed her gratitude at being at the Conference.

Announcements about meetings and luncheons were made.

Conference Statistician

Walter Zimmerman, Conference Statistician, presented this year's report (Report 29 and Section XIV). Zimmerman pointed out that this year shows an increase in membership, worship attendance, church school membership, and church school attendance. Zimmerman called for Conference members to set as a goal a minimal increase in each of these categories.

Mary Jean Russell receives roses from Ken Dickson

Age Level Ministries

Ramon Womack presented a proposal from the Board of Age Level Ministries, asking that "raw" costs of summer camp be defined as room, board, and insurance (Report 13B). This would separate the insurance costs from programming. Sharon Adair asked if this would mean an increased cost to the camper by 50¢. The recommendation was approved.

Don Renshaw presented a proposal from the Division on Older Adult Ministries, regarding the study of extending housing facilities at C. C. Young/Blanton Gardens (Report 13C). The proposal was approved. For other information on Age Level Ministries see Reports 13 and 13A.

Credit Union

Wm. T. Stephenson, immediate past president of the Credit Union Board, reported the status of the Credit Union at present. Stephenson indicated a membership of 900, and indicated that they are attempting to act as good stewards in the Conference.

Headquarters Committee

William C. Crouch presented a proposal from the Conference Headquarters Committee (Report 26), recommending that there be no change in housing of the Conference Headquarters at this time. The proposal was approved.

The conference was adjourned.

WORSHIP SESSION
MEMORIAL SERVICE

The Memorial Service for ministers of the Conference and spouses of the ministers was conducted at 11:00 a.m. Monday, May 25, 1981, at Highland Park United Methodist Church, Dallas, Texas.

Participating in the service were William J. Washington, Dean Joseph Quillian, and Mike Nichols. The conference sang the hymn: "Come, Let Us Join Our Friends Above."

Dr. Quillian's message was, "The Succession of Witnesses." The names of the deceased were read: Ministers — Leslie William Seymour, Albert Fulton Tucker; Ministers' spouses — Mrs. W. L. Aiken, Mrs. Raymond A. Brooks, Mrs. J. P. Fleming, Mrs. John S. Rice, Mrs. Philip W. Walker. As their names were read, roses were placed on the altar in their memory.

The congregation sang, "For All the Saints," as the service closed.

MONDAY, MAY 25, 1981
AFTERNOON BUSINESS SESSION

The Conference reconvened at 2:00 p.m. Bishop Russell asked the members to sing, "O For a Thousand Tongues To Sing."

District Superintendents

William T. Stephenson made the Report of the District Superintendents (Report 28). He reported increases in the Conference in the categories of church members received, enrollment in church school, average attendance at worship, and average attendance in church school. Stephenson expressed sincere thanks to all the churches that are 100% churches in payments of apportionments and askings. Support was sought for the new pension program. Support was also requested for the Methodist Hospitals of Dallas and strengthening the relationship between the Hospital Board and the Conference. The Cabinet affirms the program of evangelism and local church growth recommended by the four Texas Bishops through the Texas Methodist Planning Commission.

We need to do all we can in strengthening and supporting the United Methodist Missional Priority of the Ethnic Minority Local Church.

This marks the 25th anniversary of full conference membership for women in the former Methodist Church. The cabinet affirms the strength of women in ministry.

One real challenge is the enlarging emphasis upon consultation, evaluation, and continuing education among our clergy.

Appreciation was expressed for the outstanding lay leadership that we have across our conference.

New adult Bible curriculum materials are to be available soon while new Bible study curriculum for children and youth will be completed later. Let us heed the challenge of our bishops to become a more biblically knowledgeable people. Bill Stephenson closed with a challenge, as in Ephesians 5:4, "Stand up, o sleeper, and arise from the dead, and Christ will give you a light." This is the church's call to its people! Ours is not to begin — but to begin again!

Lay/Clergy Equalization

Mike Nichols reported on the Lay/Clergy Equalization Proposal (Report 10). At the 1980 Annual Conference Bishop Stowe named a committee to review the manner of determining the lay/clergy equalization. The committee met, and this proposal has been prepared.

George Boswell proposed an amendment to Item 3 of the report, that the lay members required by the *Discipline* be made to coordinate with the *Discipline*. Nichols accepted the amendment as a part of the proposal.

George Boswell presents an amendment.

Boswell also proposed an amendment to Item 6 of the report that deleted "District Superintendent" and inserted "District Lay Leader." In Item 6, the amendment deleted "Cabinet" and inserted "Board of Laity" and also deleted "among the District Superintendents." In Item 8 delete "Cabinet" and insert "Board of Laity." These amendments were approved by vote of the Conference.

An amendment was made that the last words in each paragraph in Item 2 be changed from "percentage" to "fraction." The amendment was approved.

Jan Wiksten asked if Diaconals are considered for equalization. Nichols said that the proposal presupposes that Diaconal Ministers are eligible for election as equalizing members of the Conference.

Leo Baker moved to amend the last paragraph of the report, adding after "self-succession" the phrase, "particularly considering Diaconal Ministers in a local church." A point of order was taken, and the amendment was withdrawn.

Johnnie Marie Grimes stated that deciding the status of Diaconals is too complex a problem to handle on such short notice. She suggested a committee be formed by Bishop Russell regarding the relationship of the Diaconal with the Annual Conference and that the report be given at the 1982 Annual Conference.

George Boswell made the motion to accept the report of the Lay/Clergy Equalization Committee. The motion carried.

David Rucker moved that the Annual Conference direct Bishop Russell to appoint a committee to

study the Diaconal Ministers and their relationship to the Annual Conference. The motion carried.

Joe Florence suggested that the Committee be instructed to consider ways in which the North Texas Conference might impact the General Conference with regard to the status of Diaconal Ministers (i.e., whether they are to be considered as lay or clergy).

Charles Laing presented the report of the Texas Methodist Foundation.

Lydia Patterson Institute

Noé Gonzales from Lydia Patterson Institute called attention to the report from Lydia Patterson in the pre-conference packet. There were various changes in personnel at the Institute. The 1980 graduating class saw eighty five persons receive high school diplomas. The relationship of Lydia Patterson Institute to the church is highly valued and enables the Institute to address the task of education in a holistic way.

Ethnic Minority Local Church

Jack Gibson, Chairperson of the Board of Global Ministries, made a report on the Ethnic Minority Local Church (Report 14A). Jack stated that missional priority is defined as a response to a critical need in God's world. The United Methodist Church is called to give primary attention to this mission of the church. The thrust is one of developing and strengthening the ethnic minority churches. We need to share in a common ministry, and through our connectionalism we can make ministry possible in our world. The main emphasis of the Board of Global Ministries' Division of Community Ministries is to strengthen the Ethnic Minority Local Church.

Commission On Religion And Race

Zan Holmes presents a proposal from the Commission on Religion and Race.

Zan Holmes presented the proposal from the Commission on Religion and Race. It was pointed out that the North Texas Annual Conference has not done an effective job in implementing the work of Ethnic Minority Local Church missional priority. It was suggested that a coordinated plan is needed.

An amendment was made in the proposal of the Commission. In the second sentence after "purpose" add, "of reprioritizing Conference resources and . . ." Several other amendments were made to the proposal, and Zan Holmes read the proposal with the suggested amendments:

> That the Council on Ministries design its 1981 retreat solely for the purpose of reprioritizing Conference resources and developing a coordinated plan of action to implement fully the Missional Priority of the Ethnic Minority Local Church. Participants shall include Chairpersons of all Board, Divisions, Agencies and Commissions of the Conference.

Walter Zimmerman asked, "Does this mean that the retreat will be solely for this purpose since there are many other issues that need to be dealt with?" The answer was that the 1981 fall retreat be held solely for developing a plan of action to implement fully the missional priority.

Espie del Rosario pointed out that the Ethnic Minority Local Church Committee is now working under the Commission on the Black Church and should be under the Council on Ministries, thus making this a total Conference concern. Bishop Russell stated that this issue should be brought up at a later time.

Don Barnes pointed out that there is no Ethnic Minority Local Church Committee. This was deleted from the rationale and "all committees that have reference to Ethnic Minority in their title" added. The rationale for this proposal therefore reads:

> This is the General Church's one priority for 1981-84. One year is almost behind us. It is felt by the Commission that this should be a project of the entire Annual Conference Council on Ministries and not just the Commission on Religion and Race, the Commission on the Black Church, and all committees that have reference to Ethnic Minority in their title.

The proposal of the Commission on Religion and Race was passed.

Commission On The Black Church

Wil Bailey, Henry Masters, and John Peel presented the proposals dealing with the Ethnic Minority Local Church. Henry Masters reported that Ethnic Minority items 7 and 21 in the pre-conference packet are to be withdrawn. Wil Bailey spoke to Proposal 9 in the packet (Report 12). This proposal involves no new monies to be raised but is an acceptance of the General Conference mandate for the Ethnic Minority Local Church. It was pointed out that the 25% of the board and agency funds expended would be close to the $50,000 originally requested in Proposal 21.

Bob Johnston asked if there was a time limit for these funds. This proposal is for the duration of the quadrennium.

Al Ruschhaupt spoke against the proposal as not being properly thought through and not being financially sound.

DeForrest Wiksten spoke strongly in support of the proposal. This proposal intends to raise our consciousness and needs to be adopted.

Walter Zimmerman questioned the means of obtaining the 25% from the boards and agencies. The answer given indicated that 25% will not be "taken off the top" of each budget. Each board and agency will be responsible to see that this percentage of their budget is prioritized for EMLC.

Mike Walker asked for clarification as to what constitutes an ethnic minority local church. Will these funds be restricted to use in churches which are predominately or solely ethnic minority, or will they also be available for ministry through any other minority program in a local church? Will Bailey said that the funds would not be restricted to ethnic minority local churches but would be available for use in ministry to ethnic minorities by any local church.

Al Ruschhaupt states his position on a proposal.

Johnnie Marie Grimes stated that the Council on Ministries needs to get down to the work of the Ethnic Minority Local Church missional priority.

Raymond Williams urges the passage of a proposal.

Ramon Womack expressed the hope that the Council on Ministries will be given good advice on how properly to spend this money.

Mike Jackson asked if it was known what amount was spent for EMLC last year. Those figures have not been tabulated.

Sharon Adair expressed concern that we look at the needs that we have and come up with a total figure rather than taking 25% "off the top" of the budgets.

Raymond Williams urged the passage of this proposal as the Christian perspective of shared ministry.

Ken McIntosh spoke in favor of the proposal and outlined the support the Board of Global Ministries had given over the year 1980 through Advance Specials. One thousand seven hundred and sixty-four dollars went to the EMLC cause while at the same time $25,000-plus went to the missional priority of World Hunger.

The Conference called for the question, and the proposal was approved by vote.

EMLC Conference Staff Person

Henry Masters, representing the Commission on the Black Church, presented a proposal regarding a new Conference staff person for Ethnic Minority Local Church. Responsibilities of that person are fully outlined within the reports (Reports 31 and 31A). Masters spoke of the advantage to local churches in

terms of providing a resource person for staffing and programming, support, and training.

Phil McLarty amended the proposal causing it to read as follows:

That an existing Conference Program Staff position be designated to administer the Ethnic Minority Local Church Program. This person would be amenable to the Conference Personnel Committee. Proposed responsibilities are listed on attached sheet A (Reports 31 and 31A).

Pete Robertson spoke in support of the proposal. Ira Thompson questioned whether the responsibilities of the position are to be part of the above amended motion. The answer was yes. Marshall Hodge spoke against the proposal, questioning whether there is a person available to fill this position. Michael Haynes questioned whether the proposal indicated the use of a presently appointed staff member.

Phil McLarty sought to answer the question, indicating that the key to the success is the person appointed to the position. The proposal designates that one of the positions on the council staff be given this responsibility and that a person be hired to fill the EMLC position.

Don Benton called for clarification since this new position has not been considered by CFA.

Masters indicated that the McLarty amendment would be accepted as a part of the proposal, making it unnecessary to vote on the amendment.

Don Barnes asked if the person filling this position would work exclusively for EMLC with no other staff person being involved in that area and with no other responsibilities. Masters indicated that this would be the case.

Milton Guitterez called for the question. Two-thirds of the Conference voted to call the proposal to vote.

The proposal was adopted.

Bishop Russell called for William E. Trice to introduce the Order of the Day, the honoring of the retiring ministers.

John Taylor presented Jim and Linda Dean, who both spoke to the Conference.

Noel Bryant introduced John and Eula B. Roberson.

Charles Cook introduced Noah W. and Thelma McCain.

Noel Bryant introduced Homer H. and Edna Caldwell.

W. E. Trice introduced Fred Edgar, Sr., who was accompanied by his daughter.

Carl and Julie Dell Keightley spoke to the Conference during their retirement remarks.

Merwin Turner introduced Carl and Julia Dell Keightley.

James Shuler introduced his brother and sister-in-law, John and Skip Shuler.

John Allen introduced Raymond and Julia Trompler.

Earl Kifer told the Conference of Don Youngblood and his wife, Doris, who were unable to be present due to illness.

Bill Crouch introduced Joe and Vernice Funk.

Each retiring minister was honored with the applause of the Conference. Bishop Russell presented each of the families with a certificate of recognition and appreciation.

Ken McIntosh offered the benediction as the session was adjourned for the day.

MONDAY EVENING WORSHIP

The members of the Annual Conference gathered in the sanctuary of Highland Park United Methodist Church at 7:30 p.m. for worship. Bishop Roy C. Nichols preached on the subject "Handles of Power" based on a text from Luke 17 in which Jesus teaches us "to seek the Kingdom of God."

The Lambuth United Methodist Church choir presented the American Folk Song, "I Want Jesus to Walk with Me," and the choir of Highland Hills United Methodist Church offered another American Folk Song entitled "Going Up Yonder." The Combined Choirs presented the offertory anthem, "Praise Ye the Father," by Gounod. Ramona Jackson, Renee Jackson, and Rhonda Waterman interpreted through dance the text of Ecclesiastes 3:1-18.

The Reverend Bruce Theunissen, Executive Director, Greater Dallas Community of Churches; Mr. Charles Harper, Chairperson, North Texas Conference Council on Ministries; Mrs. Jo Biggerstaff, Secretary, Board of Diaconal Ministries; Dr. Grady Hardin, Professor of Preaching and Worship, Perkins School of Theology; the Reverend Elizabeth Turecky, Campus Minister, Dallas Community

College; Ms. Sheila Walker, Church Organist, Oak Lawn United Methodist Church; Allen Brandon, Director of Music, Highland Hills United Methodist Church; James McKinney, Director of Music, Lambuth United Methodist Church; and organists A. L. Hilliard and Philip Baker led the service.

TUESDAY, MAY 26, 1981
MORNING WORSHIP SESSION

Bishop Russell opened the morning session and recognized Ann Cardwell who delivered the morning message. The Conference stood and united in singing "O Day of God, Draw Nigh." Cardwell used as her Scripture Lesson, II Kings 10:15-17. She spoke of the subtle violence in which we all take part in our world and called for us to act out of our United Methodist heritage as we hear the call of humanity, which in reality is the call of God. We are to be open to hearing new ideas in ministering to those with special needs.

MORNING BUSINESS SESSION

Bishop Russell called the business session to order at 9:00 a.m. and directed the reading of the morning announcements by the Secretary, Mike Nichols.

Ordained Ministry

Bishop Russell reminded members of the Conference that only ordained ministers could vote on the reports of the Board of Ordained Ministry. Bishop Russell then called on Dudley Dancer for the presentation of these reports (Report 6, see also Report 6A on amenability to Annual Conference).

Dudley Dancer presented Ben Feemster who reported on the work of his office as Assistant to Bishop Russell and Director of Professional Ministries Office.

Walker Railey, Chairperson of the Division of Preparation and Qualifications, called attention to dates for interviews of those seeking membership in the Conference as Deacons or Elders. Railey expressed the hope that the work of this Board would produce the best persons possible to minister to the community and that it would give proper support to those persons.

Bishop Russell listens carefully to the discussion on the Conference floor.

Ben Shinn, Registrar, recommended the following for the order of Elder: Ronny Dean Adams, David Ray Blackmon, Carroll Alvis Caddell, Joseph Dee Faram, Joseph Shelton Florence, Paul Warren Jackson, Frank Gifford Long, Barbara Weems Marcum, Walter Neil Weems Marcum, Randy Gene Newkirk, Richard Paul Stark, Gary Ellis Stowe-Mueller, Robert Morgan Walker, Claude Patrick Whittemore, Jerald Clay Womack.

As each person came forward he/she was approved by vote to serve as an Elder in the United Methodist Church. They were congratulated by the Bishop, and then with the applause of the Conference members.

W. E. Trice, Chairperson of the Division on Conference Relations, recommended the Leave of Absence be granted to: Charles H. Allen (3 years), James Beyer PM (2), Carroll S. Brown (4), William A. Byas PM (2), Ray H. Denton (2), Mark Guthrie PM (1), William R. Johnson (3), Terry Parsons (2), Clarence Snodgrass (5), Allison Snyder (1), Charles Standifer (2), Henry F. Stevenson (2). Trice moved the recommendation for Leave of Absence be approved. It was approved.

Trice recommended the following for voluntary termination from Honorable Location: Richard Cromwell, Russell Moxley, Fletcher Ownbey, Dale Swain. Trice then called for approval of this recommendation. It was approved.

Trice recommended the voluntary termination by withdrawal to unite with another denomination: Stanley Schrag and called for approval of this recommendation. It was approved.

Trice recommended the re-instatement of Presley Hutchins, subject to the approval of the Conference. It was approved.

John Lancaster, Chairperson of the Division of Local Pastors, recommended the following to serve as Local Pastors, full time: Robert Ashley Bales, A. D. Campbell, Al L. Ellingburg, John James Gaunce, G. W. Hoff, Woodrow W. Kirby, Francis Sale, J. Lynn Vowell. Lancaster asked for approval of this recommendation. It was approved.

Lancaster recommended the following to serve as as part time Local Pastors: Billy E. Brown, Joseph Rowe Gardiner, Ralph D. Maddison, Katy L. Mackenzie, Bob Northcut, David E. Riley, Billy Wayne Wilder, Charles William Winchester. Lancaster asked for approval of this recommendation. It was approved.

Lynn Mims, Chairperson of the Division of Career Planning and Counseling, spoke of areas of concern including undergraduate scholarships, recruitment of young people into the ministry and related professions, and support of these young people.

Herman Cook, Chairperson of the Division of Professional Growth, spoke of the need to continue development of our professional ministers by continuing education, under the leadership of Phil McLarty, by continuing evaluation of professional ministers, under the leadership of Wally Chappel, and by participating in study at the Southwest Career Development Center in Arlington, Texas.

Visiting Chaplains were called to the front to introduce themselves to the Conference. They were: Mather P. Owen, Psychiatric Hospital in Vernon, Texas; Charles R. Posey, Air Force Chaplain at the U.S.A.F. Medical Center, Lackland A.F.B., Texas; John Frazier, Chaplain, Ft. McPherson, Atlanta, Georgia.

Wilma Corse emphasizes the 25th Anniversary of Full Clergy Rights for Women.

Wilma Corse was presented to the Conference in celebration of the 25th anniversary of full clergy rights for women. Corse spoke of her very meaningful ministry to the United Methodist Church across thirty-six years.

Ron Henderson told the Conference of the significance of counseling help given ministers serving in their first year in the ministry without having had the advantage of serving in the Internship Program. Henderson recommended that the program be continued.

Dudley Dancer asked that members of the Board of Ordained Ministry stand and be recognized. The Conference expressed its appreciation for their work with applause.

Dancer then presented to the Conference a proposal regarding the clarification of the relationship of the Board of Ordained Ministry to the North Texas Annual Conference (Report 6A). The proposal stated that the Board is directly amenable to the North Texas Conference. W. E. Trice seconded the motion, and the motion carried. This action concluded the report of the Board of Ordained Ministry.

Diaconal Ministry

Lillian Sills was introduced to present the report from the Board of Diaconal Ministry (Report 5). Sills moved that the following be approved as consecrated Diaconal Ministers: Lila Coffey, Forster Day, John Yarrington. The Conference voted its approval.

Sills moved that the following be approved for certification by the Board of Diaconal Ministry: Sue Crutchfield and Melvin Kirkum. The Conference voted its approval.

Sills announced the following as discontinued as a Diaconal Minister, by her own request: Patricia M. Quested.

Sills announced the transfer of Sidney Haygood from the North Texas Conference to the Texas Conference.

Lillian Sills then moved that the Conference approve the legislation regarding clarification of the relationship of the Board of Diaconal Ministry to the North Texas Conference (Report 5). The Conference voted its approval of this legislation.

Sills moved that the legislative proposal regarding Diaconal Ministers' pensions be approved, with the following addition: and that the salary-paying units pay both the 12% of the Denominational Average

Compensation and the 4.4% for the Comprehensive Protection Plan. The proposal would then read:

That the North Texas Annual Conference mandate all salary-paying units employing diaconal ministers to provide those diaconal ministers the same pension benefits as provided for the ordained ministers of the Conference by the Ministerial Pension Plan of the UMC, and that the salary-paying units pay both the 12% of the Denominational Average Compensation and the 4.4% for the Comprehensive Protection Plan, and that this program begin in January, 1982.

Lillian Sills asked that members of the Board of Diaconal Ministry stand and be recognized by the conference. Appreciation for their work was shown by the applause of the conference.

Finance And Administration

Don Benton of the Council on Finance and Administration was presented. Benton called for the following to come forward and stand with him in recognition of their work on the Council during the past year: John Beall, chairperson of the General Church Committee; Pete Robertson, North Texas Conference Programming; Fred Kandeler, Local Church Concerns; Alex Bickley, Audit and Continuing Analysis; Bruce Weaver, Investments and Administration.

Benton presented the reports of the Council on Finance and Administration for the consideration of the Conference (Reports 1 and 2). Benton urged acceptance of the report and specifically 100% support of the apportionments. Benton outlined changes in the original report, as indicated in the supplementary document and recommended elimination of the "askings" category, making all categories fall within the listings of apportionments. Benton brought to the attention of the Conference the request from Pacific Southwest Conference regarding Pacific Homes. Other conferences have pledged support of some $2 million. Every Conference is being asked to give 8% of their budget to World Service Apportionment. This would be an amount of $35,902 for the North Texas Conference to be loaned to the Pacific Southwest Conference.

Benton moved the acceptance of the recommendations on Special Days with Offering (Report 1). The Conference voted to accept the recommendation.

Espie del Rosario questioned where the Committee on Asian Ministries would get their funds. This group has been operating without a budget for a year.

Benton responded that it is the responsibility of the Council on Ministries to oversee this group, and funding would come through them.

Ken McIntosh asked for clarification. The Committee on Asian Ministries had no funding during this past year. Would this committee come under the Council on Ministries finance umbrella?

William J. Washington responded that while the Committee on Asian Ministries is not a separate line item, they can receive funds through the Council on Ministries financing system.

Benton advised the Committee to deal directly with the Council on Ministries.

Lynn Mims brought a question regarding the proposed budget. On report V does item C9 (Report 2) include pension money for Campus Ministers?

Espie del Rosario asks where the Committee on Asian Ministries will get funds.

Benton responded by saying that the pension funds are taken care of in Conference Area Staff line item.

Laity

George Boswell presented the report of the Board of the Laity and asked that the Conference greet his father, George Boswell, Sr. Boswell expressed joy and gratitude for the privilege of serving as the Conference Lay Leader and is committed to do whatever he can to enhance the work of the Conference. Appreciation was expressed for the level of commitment of the laity of the North Texas Annual Conference. The Lay Speakers are enabling God's word to be preached throughout our Conference. Also, recognition was given to E. E. Ransom, who as the past Conference Lay Leader, created a sensitivity among the laity of this Conference. Ransom died this past year and will be sorely missed by the Conference.

In contrast to the positive side, a concern was expressed over the apathy seen among laity and an attitude to "let the clergy do the work of the church." Such an attitude demeans the ordained ministry. Ministry is for lay and clergy alike. It is Boswell's prayer that both clergy and laity will accept a mandate of service to the church.

The District Lay Leaders were introduced: C. D. Williams, Dallas Central; L. Eugene Thomas, Dallas-Denton; Robert Dillard, Dallas Northeast; Wynn Stanton, Dallas South; Robert Newsom, Paris-Sulphur Springs; Al Ruschhaupt, Sherman-McKinney, and Charles Harper, Wichita Falls.

Robert Dillard reported for the District Lay Leaders. Dillard expressed appreciation for the fine leadership of George Boswell. Suggestions from the laity is encouraged to help give direction for the planning of programs and serving the needs of the conference.

United Methodist Women

Bobbie Mankey reported for the United Methodist Women and introduced the members of the Mission Team (Report 21).

United Methodist Women are found in all walks of life and are active and vital members of local United Methodist Churches. Last year the United Methodist Women celebrated 100 years in the North Texas Conference. A great hope for the future has come from this rich heritage.

The United Methodist Women honored Mrs. Myrtle L. Beard for her dedicated work in compiling a history. A missional gift of $1,000 is to be given in her name to mission work. A fund of $500 was established to produce this 100-year book.

The Annual Meeting of the UMW will be held on September 26, 1981, at First United Methodist Church in Richardson. The guest speaker will be Marilyn Williams.

The undesignated pledge to mission was $131,000. The General Board of Global Ministries faces a serious drain on World Service money resulting from the court accepted Pacific Homes settlement of $21,000,000. The obligation of the General Board to fulfill this settlement jeopardizes current and future mission efforts. At a plenary session in April, the Women's Division voted a $500,000 grant to the General Board of Global Ministries to help sustain current programs. The source of this grant will be income from investments — not undesignated giving.

United Methodist Men

L. G. Cook reported for the United Methodist Men (Report 20). Several new units have been formed over the past year. There will be a national conference in July at Purdue University. United Methodist Men are encouraged to attend. The Men's Retreat was held this past spring and appreciation was expressed for the participation of Lynn Simpson; Tom Christian; William J. Washington; Bruce Weaver; Roger Deschner, who led the music; and the guest speaker, Judge Barefoot Sanders. Appreciation was expressed to Dr. George Boswell and Tom Christian for their support. A special request was made that all United Methodist Men's groups identify themselves to Tom Christian of the Conference Council's staff. L. G. Cook confirmed the pledge of the United Methodist Men to continue their work with the United Methodist Church.

Youth Council

Carolyn Denham reported for the Conference Youth Council (Report 13A). She expressed appreciation for the opportunity to serve in this capacity. This experience has been one of growth and rewards as local church groups have also grown and shared together. Without the support of the Conference, the Council could not have grown to its present level.

Lay Speakers

Jerry Chapman reported for the Conference Lay Speakers. Lay speakers are local United Methodist Church members that have received specialized training in witnessing to the world. The Lay Speakers' School teaches United Methodist heritage and traditions, how to verbalize your faith, interpretation of the Bible, understanding public worship, and many other ways to witness. The activities of lay speakers involve working with youth, teaching Sunday School, assisting pastors with the worship service, and visiting rest homes and hospitals.

Board Of The Laity

Dr. Boswell presented a proposal from the Board of the Laity regarding "Time of Meeting of Structures in the North Texas Annual Conference" (Report 8). The proposal states that all units of Conference structure, which have any lay members, schedule meetings only after 6:00 p.m. Monday through Friday or on Saturday or Sunday. Roger Anderson asked to have the proposal amended by adding after "Sunday" . . . "unless all lay members are amenable to meeting prior to 6:00 p.m., Monday through Friday." This amendment was accepted as part of the proposal.

Bishop Russell pointed out that this will also amend the Standing Rules and will need to pass by a two-thirds vote.

Lillian Sills said that people from out of town, such as from Wichita Falls, may want to meet in the daytime. It was felt this was taken care of in the proposal and amendment.

Jack Busby asked if this proposal will relate to the Annual Conference session as well. Bishop Russell replied it would not since the proposal refers to units of the Annual Conference rather than to the Annual Conference as a whole.

Dorlis Glass asked if task forces would be included under this proposal. They would be included, Boswell explained.

B. C. Robertson pointed out that this mandate should be recognized by the Annual Conference.

Robert Young asked about meetings called during Annual Conference. They would not be included in the proposal, according to Boswell.

Wilson Canafax asked should a particular committee decide to meet in the daytime, could they do this. The answer was yes, this is cared for in the proposal and amendment.

The proposal was voted on verbally and then by a show of hands. The motion was passed.

Don Barnes asked where in the Standing Rules would this be placed. Dr. Boswell suggested that a proper place be found by the Committee on Standing Rules.

Boswell presented another proposal by the Board of the Laity regarding "Clarification of Relationship of the Board of the Laity to the North Texas Annual Conference" (Report 8A).

Don Barnes suggested that the Board of the Laity is a decision-making and programming body and that the Board of the Laity should be kept as a part of the Council on Ministries since the Council on Ministries is a programming Council.

Jan Wiksten pointed out that while the Chairpersons of the other two boards do not serve on the Council on Ministries Executive Committee, the Chairperson of the Board of the Laity does. If the proposal is passed, would the chairperson still serve on the Executive Committee? Boswell explained that he is a part of the Council of Ministries Executive Committee by virtue of his office as Conference Lay Leader, not Chairperson of the Board of the Laity.

Fred Kandeler spoke in favor of the proposal. Kandeler said that this Board has a special task and should have another function besides being a programming unit. They need to bring a renewed commitment within the laity to witness to Christ.

The vote was called for, and Bishop Russell reminded the Conference that this would be a change in the Standing Rules and would require adoption by a two-thirds vote. The proposal passed by two-thirds of the members.

Mr. Leo Baker was recognized as one of the outstanding lay leaders in our Conference. Mr. Baker called the Conference to prayer:

"God, Our Father, we pause again to praise your name. You have meant so much to us who have been called to be yours. Hallowed be thy name throughout all the world. We express our gratitude for all the blessings you have bestowed upon us. For the gift of a good earth that supports us. For the gifts of sight, sound, and feel]sic]. We are grateful to you, Our Father, for the gifts of fellowship with each other in this Annual Conference. We are especially mindful of the one who was our brother in Christ for many years, Mr. E. C. Ransom. In his commitment to you he exhibited many of the ideals to which we aspire but fall far short. E. C. was always doing good in Your name, Lord. He shared Your word through the gift of scripture to others. He gave witness to Your love in teaching and preaching in services. He gave of his material possessions for your work in the world. He had sympathetic ears for those in need. He cared for boys as a Big Brother. E. C. felt responsible in the various offices of the organized church to which he was elected; his conduct as Conference Lay Leader was exemplary. He expressed his concerns that laity realize full potential as ministers of the Gospel of Jesus Christ. E. C. Ransom was our friend indeed and we say Hallelujah that God sent him into our midst to minister unto us. Thank you, Lord, for this wonderful life. To the only God, our Savior, through Jesus Christ our Lord be glory, majesty, might and authority, from all ages past and now and forever ever. AMEN."

Nominating Committee

William J. Washington reported for the Nominating Committee (Report 25). Corrections were called for: Henry Masters' name was omitted as part of the Nominating Committee, Frank Yeager's name should be withdrawn from the Conference Board of Pensions as he is on the Council on Finance and Administration (CFA), Ira Thompson's name should be added to Commission on Archives and History, Milton Guttierrez's name should be withdrawn from Commission on the Black Church since he is on the Board of Ordained Ministry. A spelling correction is needed on the name of Donny Collins who serves on the Council on Youth Ministries.

Additions were made: a United Methodist Women's representative needs to be added to the Board of Church and Society. A recommendation for the Paris-Sulphur Springs representative on the Commission on Archives and History was called for, and Ken Hildebrand was added to this Commission as an at-large member from Sherman-McKinney. Don Shaw was added to the Committee on Disaster Preparedness.

Ken McIntosh pointed out that Iweeta McIntosh was not listed for renomination to the Board of the Methodist Mission Home. Don Benton asked to defer action on this so that Dr. Marion Greve could make this nomination.

In the event that the proposal from the Commission on Higher Education is passed, the name will be changed to the Board of Higher Education and Campus Ministry. The nominee for Chairperson will be William "Bill" Strange, and William J. Bryan III will be a member of the Division of Ministry to UMC related Colleges and Universities.

The Nominating Committee report was accepted by vote.

Special Study Committee On Number Of Districts

James Garrett reported on the Special Study Committee on Number of Districts. This committee was introduced. This committee was formed due to a self-study of the Dallas Central District regarding concerns of that district. Also, it was felt that with an episcopal change this would be an appropriate time to make such a change in the districts.

Many people were consulted and many questions asked: What is the purpose of a district? What is the role of the District Superintendent? What are the needs of the inner city? How can the church most effectively minister to these needs? Geographic concerns, as well as a strategy for missions, were considered. It was felt the role of the District Superintendent is to enable the local church to be about ministry. Bishop Russell had expressed that a district superintendent needs to be a district superintendent and not a conference superintendent. The superintendent should provide leadership to the local church and pastoral care for ministers and their families.

The Committee felt that the work of the church could be done more effectively by dividing the Conference into six districts.

Bill Crouch spoke in opposition to the motion. Crouch said there was no good reason for this proposal and if changes were made, a district should be added instead of deleted.

Lynn Mims speaks in opposition to the proposal to reduce the number of districts.

Wallace Chappell spoke in opposition to the proposal stating that there was an emerging new role for District Superintendents relating to the role of evaluating, which will demand much time and skill on their part.

L. E. Philbrook expressed concern for the urban churches and the fact that there is a population shift to the urban areas. The district could play a vital role in the life of the urban community. Philbrook would support the proposal so that we would be sure to realign churches to support each other and re-emphasize our connectionalism.

Lynn Mims would like to see our Conference continue to study this problem and expressed opposition to the proposal. There is a need for the availability of District Superintendents at the local church level, Mims said. Originally one district had a strong missional purpose and eliminating one district might damage this purpose.

Ed Blythe asked if there was a consensus from the District Superintendents. There was a variety of opinions on this proposal.

Phil McLarty pointed out that by eliminating one district, this would free a great deal of money. What would happen to this money? This question has not been dealt with, Garrett explained.

Since this proposal has been debated pro and con, the Chairperson made a final statement. James Garrett suggested that the financial situation of the churches in the city needs to be considered, and perhaps realignment is in order.

The proposal was voted upon and defeated.

Status And Role Of Women

Jan Wiksten reported for the Commission on the Status and Role of Women on the proposal entitled, "The Composition of Agenda Committee." Wiksten expressed concern that Annual Conference is a very important time for all United Methodists, and that women should be a part of the planning of this event. The Commission is proposing that the Agenda Committee be expanded to include three women.

Carl Wise requested that part B of the proposal be amended to read, after "proposed" that "equal representation exists between clergy and lay members as to provide equitable balance." This was accepted as part of the proposal.

W. E. Trice asked if the Bishop appoints the Chairperson, and the answer was affirmative.

Don Culbertson asked if this would result in equal representation. It would not provide equal representation, but would be a step in that direction by adding the three women to the agenda committe, according to Wiksten.

The amended proposal reads:

A) Whereas the present Agenda Committee is composed of persons by virtue of their position in the North Texas Annual Conference, and there are presently no specific provisions for women to serve on the Agenda Committee, it is proposed that the permanent composition of the Committee be expanded to include at least three (3) women.

Furthermore:

B) Whereas clergy members are in disproportionate numbers with lay members in the composition of the Agenda Commitee, it is proposed equal representation exists between clergy and lay members as to provide equitable balance. It is also proposed that immediate and appropriate action be taken to provide this balance.

The proposal was voted on and passed.

Jan Wiksten also presented the proposal regarding "Lay Members to Annual Conference." The proposal asks that all churches in the North Texas Conference comply with Para. 257 of the 1980 **Book of Discipline**, which states that the basic membership of the local church Council on Ministries include a lay member of Annual Conference. It was felt that the local church lay members of Annual Conference are vital links between the Annual Conference and the local church.

David Rucker stated this proposal would be impractical for the small membership church.

The proposal was voted on and passed.

Courtesy And Resolution

Robert Young, of the Courtesy Committee, extended a welcome to Daniel Arjuillo from Immanuel UMC of the Rio Grande Conference; to Francisco Estrada from Mary King Memorial; and to Chaplain William Finnin, Chaplain at SMU. Chaplain Finnin extended a welcome to the members of the conference to SMU.

Zan Holmes, Jr. closed the morning session with the benediction.

AFTERNOON BUSINESS SESSION

The afternoon session for May 26, 1981, opened with a hymn sung by the congregation, "God of Love and God of Power."

Margaret Tarr, of Walnut Hill United Methodist Church moved that we encourage the Bishop and the Cabinet to consider realigning the districts of the North Texas Conference. The motion was seconded.

Jack Gibson spoke in support of the motion, stating that the reason for realignment of districts is mainly the fact that some districts do not have the support financially necessary for their survival. The realignment of the districts would spread this support more equally.

The Bishop called for the vote, and the motion carried.

Baxton Bryant expressed the hope that any realignment would not change the out-lying districts any more than necessary.

Gary Kincaid was granted the right to address the Conference and expressed his gratitude to Larry

Ravert, to Gordon Casad, to the churches and congregations of the Conference, and to the people of his own church for the success of his rebuilding made necessary by the condemnation of the Northgate United Methodist Church's building. Kincaid announced that financial support had come from the Conference in the total of $96,000 to date.

Status And Role Of Women

Jan Wiksten reported there are now 489 women in full connection with the Conferences of the United Methodist Church and one female Bishop, now serving in Wisconsin (Report 17). Wiksten asked that a woman serve in the pulpit of each local church at least once during 1981 in celebration of the work of women in the church. In this effort she urged use of the two handouts, one listing lay women qualified to speak and assist in worship, one listing ordained clergywomen willing and eager to serve as resource persons.

Jan Wiksten moved that the following recommendation be accepted by the Conference:

> In commemoration of the twenty-fifth (25th) anniversary of full clergy rights for women in the United Methodist Church, we propse that each church in the North Texas Annual Conference dedicate a Sunday during the 1981 year to recognize the role of women in the heritage of the United Methodist Church and in its life today.

The recommendation was amended, with the following statement being added to the original recommendation:

> We propose that each local church in the North Texas Annual Conference celebrate the contribution of women at a service of worship during the 1981 year. The Conference Commission on the Status and Role of Women and the Conference Division of Worship will collaborate with local churches in the planning of such a service if desired.

Motion as proposed and amended was approved by the Conference.

Courtesy And Resolutions

Carol Robertson of Cokesbury spoke of the success of this center over the past year and presented Bishop Russell with the following: a new copy of "Guidelines for Leadership in the Local Church, 1981-1984"; a copy of new study material recommended by the Bishops, "A Survey of the Old and New Testaments"; a t-shirt for the next baby baptized by the Bishop, with the printing, "I am a little United Methodist"; a check in the amount of $7,887.74 to be entered into the Pension Fund of the North Texas Conference.

Bishop Russell presented the check from Cokesbury to Leighton Farrell for entry into the funds of the Board of Pensions.

Montie Stewart moved that the Bishop direct the Secretary of the Conference to send an expression of concern and love to Ed Hayes and his family, as he is in the hospital. The motion seconded and carried.

Presentation of visiting dignitaries:

R. R. Holton, executive director of TANE (Texas Alcohol and Narcotics Education) asked for prayers for him and his work as he seeks to turn around the problems of alcohol and drugs.

Penny Spear, a U.S.2 working at Wesley Rankin Center, addressed the Conference and asked that they make their youth aware of this program and encourage their participation. Spear is assigned here from her home in New York.

Jack Kyle Daniels, administrator of the Methodist Home in Waco, issued an invitation to the Bishop and the Conference to attend the Health and Welfare Luncheon on Wednesday.

Constitutional Amendments

The Bishop called Don Waddell to report on the amendments to the **Discipline**. These amendments are being voted on by each conference, and a ⅔ vote of the entire denomination is required to approve the changes. The vote was taken by asking the members to stand. All amendments passed. The tally of votes will be sent by our Conference Secretary to J. B. Holt, Secretary of the General Conference (Report 33).

Milton Guitterez spoke of his concern for the nonchalance with which some issues are treated and called for the Conference to be more intent in their purpose and to take seriously the work laid before it.

Church Development

Bishop Russell called on Bill Stephenson to report for the Task Force on Staff for Church Development.

Bill Stephenson told of the group's striving to fulfill their task and of its realization that a church development staff position was one of leadership significant to the growth of the United Methodist Church in the North Texas Conference. Since the resignation of Larry Ravert, consideration had been given to changing the status of this position, and that is reflected in the proposal brought before the Conference. If this proposal is affirmed by the Annual Conference, a committee will be appointed by Bishop Russell to develop the job description and seek the best possible person to fill such a position — either lay or clergy. The Task Force feels this position should provide leadership for growth and development of new churches and support of specific needs for existing churches. It would also hope that the staff of Church Development could eventually become self-supporting. The proposal states specifically:

> That the Conference Council on Ministries staff person assigned to the Board of Church Development be removed from the Council on Ministries staffing pattern and that a new position — **CONFERENCE DIRECTOR FOR CHURCH GROWTH AND DEVELOPMENT** — be established to provide staffing functions for the Board of Church Development.

This staff position would be amenable directly to the Board of Church Development with sole duties in this area.

Bill Stephenson called for the approval of this recommendation.

Carlton Weis of St. Paul's Church in Garland asked how much was spent last year to fund this area and how the Task Force justified such monumental expectations on such limited resources.

Bill Stephenson indicated that the cost of this area for the past year was a matter of public record, and though he did not have it at hand, funding for this next year is a matter of moving and adjusting line items with some additional funding necessary, possibly $12,00-$14,000. As far as the possibility of finding a person to fill the position as outlined with the funding available, the Task Force feels it can be done. Howard Taylor had come out of retirement to fulfill this obligation since Larry Ravert's resignation, and others were certainly available.

Spurgeon Dunnam, president of the Board of Church Development, expressed concern that members were having difficulty sorting out the plan for financing this new area, since funding and staffing were tied so closely together. In order to clarify this he would propose that we agree that the difference in funding be taken from program funds and be transferred to staff funds, whether or not we receive support from the Conference. Dunnam stated that the questions are: (1) Do we need a position as staff director of Church Development, and (2) Are we willing to fund it? Dunnam asked that the Conference support this proposal.

Fred Kandeler expressed concern about the interaction between two directors: one of the Council Ministries and one of the Board of Church Development. Bill Stephenson responded that should the proposal be approved, the two positions would be on a level, and no interaction would be necessary.

Phil McLarty asked whether the proposal had been presented to the Council on Finance and Administration (CFA) and what their position was.

Don Benton of the CFA indicated that the Council had been apprised of the proposal, had discussed it, had dealt with what might be necessary should it pass, but had neither endorsed nor refused to endorse it. The CFA feels the need to delay its action until after the Conference decides on the issue.

Phil McLarty asked if this proposal had been before the Council on Ministries and whether they would endorse it.

Charles Harper responded that the Council on Ministries had discussed the proposal but had vacillated in its opinions as to the merit of it.

Fred Kandeler indicated that as a member of the CFA he felt that though the issue had been discussed, no decisions had been made and no endorsement had been entered into the minutes.

Ken Carter spoke for the proposal, indicating that this is not a new position, only a new realignment of that position. Carter urged the members of the Conference to be aware that this design of concerted energy is needed to make the growth of the church of primary importance.

David Blackmon asked what would happen if this proposal were not approved. Bill Stephenson responded that it would remain as it has been, within the umbrella of the Conference Council's office.

W. E. Trice asked for clarification on the point of additional money involved.

Spurgeon Dunnam responded that the proposal asks for no additional money. As chairman of the Board of Church Development, Dunnam will petition for $35,700 above what is shown in the budget report but will need to ask for additional funds for the program whether or not the issue at hand is passed.

Bert Jarvis questioned whether or not the proposal increases the job, therefore creating more staff and thereby defeating the work of the Conference Councils office or Council on Ministries.

Charles Harper indicated that he had discussed the matter with the Conference and the Council on Ministries for two years, and he would rather propose setting up a church development office within the Council on Ministries.

Ron Adams questioned whether we are seeking funds immediately in order to set up this position. Bill Stephenson responded that we are not. Ron Adams then spoke for the issue as a pastor who had used the funds from that office to support and aid his local church. Adams said aid of this kind was necessary to help congregations of all sizes to continue. He sees the position as necessary to make things work.

Gary Kincaid spoke for the issue indicating that he feels the point seems to be whether the job will remain as an associate in the Conference Council's office, or be an independent office. Kincaid thinks the job needs the authority of a director to be able to finish the job already started.

Bob Walker spoke against the proposal, indicating that it would only expand the bureaucracy already existing beyond what it needs to be.

Ken Shamblin spoke for the issue saying that we probably need two persons rather than one — one to deal with new churches and one to relate to country churches.

Larry Ravert spoke for the proposal, as the former director of the Board of Church Development. Ravert noted the tension between his role as a member of the Conference Councils staff responsible for programming and his role as facilitator for the Board of Church Development. Ravert urged support of the proposal in order to free the person in that position to work in the one primary area of church growth.

Bourdon Smith spoke against the proposal indicating that we would not be voting down the position; it already exists and would remain. Smith voiced his unwillingness to support this kind of bureaucracy in the name of the church.

Mark Craig spoke in support of the measure as a pastor of one of the new churches started by the program. Craig felt this proposal would insure more new churches in the future.

Clayton Lewis spoke in favor of the proposal in the name of doing the work of the church by bringing the Word to the world.

Phil McLarty spoke against the measure indicating that what is needed is not another executive in the conference, but someone willing to do the job already done over the past years. McLarty urged using the resources we have rather than creating new ones.

Norman Hudson spoke in support of the establishment of this position in the Conference. Hudson felt we need new models of ministry, particularly within the inner city.

Millard Fairchild moved to call the question. The motion was seconded. The motion passed by a ⅔ vote.

Bill Stephenson urged support of the issue. Looking at the past and at the possibilities for the future, the job will best be done through this kind of council director.

The vote was counted by clergy tellers as the Bishop asked members of the Conference to stand to indicate their aye or no vote. The final count was 300 yes, 132 no, passing the proposal.

B. C. Robertson moved that the Council on Finance and Administration make the necessary transfer of funds from the line item of Church Development to Conference and Area Staff to create funding so that the revised budget can be brought before the Conference on Wednesday.

Phil McLarty asked if this would be in accordance with the Standing Rules. The response indicated that if the transfer is acted upon before the budget is approved, it will be in accordance with the Standing Rules.

Spurgeon Dunnam asked when would be an appropriate time to make a motion for the increase in funding. Bishop Russell responded that this would be presented at the time of the presentation of the report of the Council on Finance and Administration.

B. C. Robertson asked how the office will be funded for the remainder of 1981. Robertson moved that the Council on Finance and Administration be authorized to negotiate with Church Development office to fund this for the remainder of the year.

Gary Kincaid asked if the money was not already designated for this office for 1981. The response was that Church Development is funded at the level it was previously, but there is not enough money to fund this office at the level just approved for June, 1981, through December, 1981.

The motion was voted on and approved.

Baxton Bryant asked that the Conference recognize Charles Harper, the Chairperson of the Council on Ministries, for the dedicated job that he has done in that office. Charles Harper has resigned this position.

Church And Society

William Crouch presented the report from the Board of Church and Society. The issues that the Board of Church and Society dealt with this past year are issues that were mandated to the Board from the 1979 Annual Conference, and it has concentrated on these areas even though there are many timely issues that have emerged, e.g., gun control, El Salvador, crime, and violence.

Nuclear Power

Bill Crouch then presented the resolution on the resource paper for use by local churches in studying the nuclear power issue (Report 11) and moved passage of the resource paper.

Bob Cooper commended the Board on the report. Cooper felt this paper is a good starting point in dealing with this issue but expressed concern over the casual acceptance of nuclear war, the fact that the report did not deal with the issue of "mothball" equipment and alternate sources of energy.

Bob Campbell from Texas Power & Light commended the Board on the resource paper and stated he felt that the resource material covered most items very clearly.

Ed Sargeant expressed concern over the increase in coal and oil consumption.

Frank Miller spoke to the issue of waste storage and requested the conference to deal with this issue.

The vote was taken and the motion to accept the resource paper carried.

Infant Formula Boycott

William Crouch moved adoption of the resolution on infant formula boycott. Richard Smith then reported on the issue. Smith expressed a desire that the Conference at this time not endorse the boycott but continue to monitor Nestle's practices and policies. Nestle should be discouraged from engaging in inappropriate marketing practices which have caused problems in the underdeveloped countries. It was suggested that dialogue with Nestle as well as other formula companies is needed. The boycott is seen as punitive and not appropriate for United Methodists at this time in light of the improvements that have been made in the practices of the Nestle Company.

Jack Soper pointed out that regarding differences on social issues ours is not a faith of agreement but a faith of concern. Nestle does sell more than any other company to underdeveloped countries, and the only way to be firm in our disapproval is to boycott their products.

Don Hanmer amended the proposal to delete "not" (first sentence) and change the word "but" to "and" (second sentence):

> That the Annual Conference, at this time, (not) endorse the boycott, (but) and that it continue to monitor Nestle's practices and policies, other international developments and the activities of the infant formula task force of the General Conference; and that the Board express to Nestle the concern of the Annual Conference.

Hanmer said he hoped Nestle will indeed change: however, now seems to be the wrong time to make this statement to Nestle. We need to keep the pressure on the company.

Bishop Russell ruled that since this amendment would change the original intention of the proposal that it would be a substitute motion.

Jo Blount questioned the documentation referred to in the rationale since she has figures and documentation to the contrary. It was reported that various statistics were computed and evidence shows that Nestle has changed their policies since the 1978 United Nations Conference.

Ed Sargeant expressed the feeling that Nestle needs to be censured and that pressure needs to be kept on the company.

William Finnin stated that dialogue is a most appropriate way to deal with the issue. However, as the church, our obligation is to stand with the poor and underprivileged in our world.

Robert Turnipseed stated we need to be doing something to affect Nestle, and the boycott would seem appropriate.

Jim Ozier reported that evidence shows that Nestle would not be willing to comply with the guidelines agreed upon by every country at the World Health Organization. The company has not shown proof that it wants to engage in dialogue. It is urgent that we vote for the substitute motion.

A member of the Conference called for the question. The motion carried. The substitute motion then became the main motion. The main motion was voted upon and carried.

DeForest Wiksten moved that the Annual Conference authorize the sending of the following telegram message to President Ronald Reagan at the White House, Washington, D.C., to be sent immediately upon a favorable majority vote: "The members of the North Texas Annual Conference of the United Methodist Church, meeting this day of May 26, 1981, wish to express their profound disapproval, regret and embarrassment that the United States voted 'no' to the proposal of the World Health Organization to formulate and adopt a code of conduct which would guide and govern the marketing and sale of infant formula throughout the world." The motion was seconded.

William J. Washington moved that the motion be amended to read "and the two United States Senators" (inserted after Washington, D.C.). The amendment was accepted by Wiksten.

James William Morgan stated that the vote on the World Health Organization infant formula guidelines issue was 118 to 1, with the United States being the only negative vote. The motion carried.

Border Control

Johnnie Marie Grimes presented the resolution on Border Control (immigration) (Report 11A). At the last Annual Conference we approved a resolution to educate alien children. This resolution was given to the Division of Social Alienation to deal with and monitor. The free education of these children was granted by a federal judge. House Bill 467 regarding this issue has passed the Texas House of Representatives and is now in a Senate committee. It is anticipated that this will pass.

Grimes said that border control is a larger issue relating to the alien children concern. There is no pattern of enforcing laws regarding immigration. The Division of Social Alienation finds this situation intolerable. The spirit of this proposal is that we stop our grumbling about the problem and assume responsibility for dealing with the problem of the border between the United States and Mexico. We want the United States government to be responsible in dealing with this issue.

The question was called for and a point of order recognized. The discussion continued.

Leo Baker moved that the proposal be amended to add "immigration with" just and human control of the borders . . . Grimes accepted the amendment.

Hugh Sparks reminded the Conference that illegal aliens are to be reported according to the law.

Joyce Merz asked if work permits could be added to the proposal. Grimes stated that this could not be added and that it was not the intention of this proposal to deal with "how" to handle this problem only that the problem be addressed.

The question was called for, and the resolution on border control was passed.

Bilingual Education

Johnie Marie Grimes then presented the proposal on Bilingual Education (Report 11B). There are approximately thirty-one different languages being spoken in Dallas schools. Bilingual education is taking the children or youth wherever they are and teaching them English in school. The church needs to be concerned with this problem because we care about the quality of life in the communities in which we live.

L. G. Cook expressed concern that bilingual education is good only up to a point, and he felt bilingual education was not now working in the Dallas Independent School District.

Al Jackson asked what was meant by bilingual and expressed the importance of being able to communicate with people who are able to speak more than one language.

Joan Swanson was against the proposal because it was too vague.

The question was called for, and the motion to accept the proposal was passed.

Bishop Russell greeted Bishop W. McFerrin Stowe and welcomed him to the Conference. Bishop Stowe pronounced the benediction. The afternoon session was adjourned.

EVENING WORSHIP SERVICE

The Annual Conference conducted the Service of Consecration and Ordination on Tuesday, May 26, 1981, at 7:30 p.m. at Highland Park United Methodist Church with Bishop John Russell presiding.

Bishop Roy C. Nichols, the conference preacher, addressed the ordinands and others in attendance. The scripture readings were from Isaiah 40:27-31, Ephesians 4:1-7, 11-16, and Romans 10:14-17. The text of the sermon was Acts 20:20.

Lillian Sills, chairperson of the Board of Diaconal Ministry, presented Lila Coffey, Forster L. Day, and John Yarrington for consecration as Diaconal Ministers. Following the examination by Bishop John Russell, these persons were consecrated.

Following the benediction the congregation was dismissed to the Great Hall of Highland Park United Methodist Church for a reception honoring those newly consecrated and ordained.

WEDNESDAY, MAY 27, 1981
MORNING WORSHIP SESSION

Bishop John Russell opened the morning session of the Annual Conference. Bishop Russell called for Don Waddell to begin the morning worship. Waddell introduced Norman Hudson, who brought the morning message. Hudson talked of the use and misuse of power in his home country of South Africa and indicated that the people of this country (i.e. the United States) are on a world scale, the holders of the power, as is the white race in South Africa. Hudson compared the use of power by the whites of South Africa with that of the people of the United States. The congregation read responsively the 98th Psalm, and sang the Gloria Patri. After being led in prayer by Norman Hudson, the worship was closed with the singing of "When Morning Gilds the Skies."

MORNING BUSINESS SESSION

Morning announcements were made by Michael Nichols.

Board Of Church And Society

Bishop Russell called on Bill Crouch, who moved the adoption of the report of the Board of Church and Society.

Ed Sargeant asked that a statement in response to inflation be included in the report. This was moved, seconded, and defeated.

Registration For The Draft

David Carr proposed an amendment to the report regarding registration for the draft.

> We of the North Texas Conference of the United Methodist Church do hereby resolve that we go on record by way of correspondence with President Ronald Reagan, reminding him of his stand taken during his Presidential campaign against peacetime registration for the draft; and also that letters of concern be sent to the two United States Senators from Texas and every U.S. Representative from Texas; and that the North Texas Conference of the United Methodist Church require each district to offer draft counseling workshops to clergy and interested laypersons, to be sponsored by the Conference Board of Church and Society.

Carr spoke in support of this amendment, emphasizing the need for the North Texas Conference to require draft counseling rather than just recommending it.

Ira Thompson asked who would be responsible for the necessary correspondence. When informed that this would be the job of the Conference Secretary, Thompson asked who would supply the names and addresses of those involved. Carr indicated that the maker of the amendment would supply the names and addresses to the Secretary.

Bedford Morrison, lay member from Kirkwood United Methodist asked whether the purpose of this amendment was to go on record as a conference being opposed to a peace-time draft. Carr said that as United Methodists we are opposed to peace-time draft, and the amendment supports this position. Morrison than spoke in opposition to the amendment on the basis that a peace-time draft is necessary in order to have forces on hand when needed.

Milton Guitterez spoke for the amendment on the basis that this statement is an indication of the support of peace by the church and is a stand against war.

Wynn Stanton proposed an amendment to the amendment; that the first paragraph be deleted, regarding the writing of letters to the President and other officials. His motion was seconded.

Bob Cooper spoke against the amendment to the amendment on the basis that writing these letters is a valid way of expressing concerns.

The amendment to the amendment was defeated by a vote of 102 to 184.

Ethel White of the First United Methodist Church of Winnsboro spoke against the original amendment

on the basis of a need for a peace-time draft.

The amendment as proposed by David Carr was approved by a vote of 183 to 124.

El Salvador

Wil Bailey moved that an amendment be made to the report of the Board of Church and Society:

> Because of a firm commitment to the self-determination of peoples in every nation, we URGE the government of the United States to call a halt to all military aid to the military junta in the Republic of El Salvador.

Bob Dillard spoke against the amendment based on what he considers to be authoritative information on the political issues and the people of El Salvador. This information would seem to indicate that the defeat of the present government would only lead to more violence from the new government.

Leo Baker proposed that an amendment be made to the amendment proposed by Wil Bailey. This would make the amendment read:

> Because of a firm commitment to the self-determination of peoples in every nation, we URGE all governments outside El Salvador to call a halt to all military aid in the Republic of El Salvador

Wil Bailey accepted this change in his amendment.

Bourdon Smith spoke in support of the amendment on the basis that we need to be reminded that we live by the creed that he who lives by the sword shall die by the sword. Smith urged the Conference to pass this amendment on the basis that it has Biblical foundation.

Ira Thompson posed the question of who would implement the correspondence and where would the addresses originate. Bailey assured the Conference that he would supply names and addresses to the Conference Secretary.

Bob Dillard spoke in support of the resolution as amended since the phrase "to the military junta" had been omitted and since aid to any power in El Salvador was discouraged.

The amendment was voted upon and approved by the Conference.

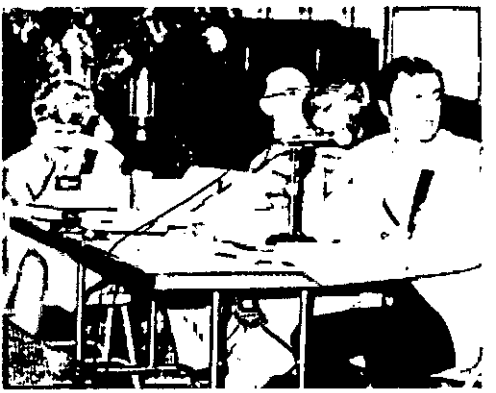
Robert Dillard, Dallas Northeast District Lay Leader, speaks in support of an amended resolution regarding El Salvador.

Bill Crouch moved that the report of the Board of Church and Society be accepted as amended. The motion was passed by the conference.

Bob Dillard called for support of the work of Bill Crouch and his Board and asked the Conference to applaud this group as an indication of its appreciation.

Trustees

Howard Taylor presented the report of the Board of Trustees (Reports 3 and 3A). Taylor told of the request of the Wichita Falls District that the Greenwood United Methodist Church in Wise County be sold due to the fact that it has been abandoned. The request was moved, seconded, and carried.



Sharon Adair, George Topper, Lois Cooper, and Mike Nichols record the actions of the Conference.

Taylor moved that $70,000 now being held by the Trustees (resulting from the sale of properties) be distributed to four new churches in the North Texas Conference under the guidelines of the Board of Church Development.

Lynn Mims spoke in favor of the recommendation, and affirmed the validity of the distribution of funds.

Spurgeon Dunnam posed the question regarding whether these funds would be allocated to these

churches "in addition" to monies already designated for them. Taylor indicated that these funds would be an additional sum for their use.

Joe Washington asked for clarification of the motion by requesting that Don Waddell (who posed the motion at the meeting of the Board of Trustees) report the motion as originally intended.

Don Waddell reported that the motion intended that this money would be supplied to four churches "in addition" to monies already allocated to them. The recommended distribution would be as follows:

$20,000 Polk Street Regional Church
$20,000 New Covenant Church
$20,000 Trinity Church in Denton
$10,000 the Korean Church

Fred Kandeler questioned the propriety of voting on this issue since information was not in the pre-conference packet. Based on Standing Rule No. 25, this cannot be done, Kandeler stated.

Bishop Russell agreed but indicated that the decision needed to be made at this Conference.

Wil Bailey moved that the Standing Rules be suspended to allow this decision to come before the Conference. Motion was seconded and carried.

Spurgeon Dunnam questioned why the responsibility for distribution of money should come to the Board of Church Development at all.

Don Waddell responded that the Board of Trustees realized they were tying the hands of the Board of Church Development but felt it important that the money be distributed under its guidelines.

Joe Washington, as a point of information, asked that the following be included in the motion: The money involved would be "in addition" to money previously assigned under the guidelines of Church Development. This recommendation was accepted by the maker of the motion.

Won Kie Kim recommended that the money be distributed equally among the churches involved. Bishop Russell asked whether he wanted to make this recommendation into a motion. His reply was "no."

Bishop Russell called for a vote on the original motion for amendment. The motion carried.

Howard Taylor moved the adoption of a proposal from the Board of Trustees: That the North Texas Conference of the United Methodist Church be incorporated. Taylor reported that though page 3 of the pre-conference packet indicated that the Board of Trustees was not incorporated and was going to seek incorporation, information had since emerged proving that the Board was indeed incorporated.

Leo Baker questioned some of the language of the proposal on page 3 of the packet, and Taylor indicated that he may be wrong in some of his terms of incorporation, but the intent was the same.

The vote on the recommendation was called for and carried.

Richard Flach moved the recommendation by the Board of Trustees regarding distribution of $70,000 be reconsidered. The motion was seconded and defeated.

Methodist Hospitals Of Dallas

Leighton Farrell presented the report of the Methodist Hospitals, reporting the progress of the reorganization of the corporate structure of the facilities as an attempt to meet the growing needs of health care in the most efficient manner and at the lowest cost possible. Farrell said that there are now four Methodist Hospitals: Methodist Central in Oak Cliff; Methodist Charlton, built in 1975; and two recently purchased hospitals, Southeast Methodist Hospital (formerly Pleasant Grove), and the City Hospital in McAllen. Other subsidiaries owned by the Methodist Hospital Corporation include parking garages for the hospitals, a laundry which serves the three Dallas hospitals, a pharmacy company, a communications company which produces all in-house documents and does some outside work, a construction company which does all remodeling for the hospitals outside of major construction, and ambulance companies. Money from the subsidiary companies goes to support the work of the hospitals and to reduce basic costs.

Plans are being made for the possible establishment of a retirement village on the grounds of Charlton Hospital and for construction of a new bed tower at Methodist Central.

There is a need to reorganize the hospital's operational structure through new bylaws. There needs to be a strong positive working relationship between all agencies involved, especially between the hospital and the Conference. The bylaws should foster a working relationship that would be a model for all the institutions with which we as a Conference relate.

To this end, Leighton Farrell moved that this resolution be adopted:

> That Bishop Russell be authorized to appoint a Committee of five persons from the North Texas Annual Conference, one from the Cabinet, one minister-at-large, and one lay person-at-large, to work with a Committee of five persons from Methodist Hospitals of

Dallas to develop a new set of Bylaws under which the new corporate structure of Methodist Hospitals of Dallas would operate. Bishop Russell or his designee would serve as Chairman of this Committee. This committee would work closely with the Methodist Hospitals of Dallas Board of Directors during the Conference Year 1981-82, to assure that the interest of the Conference in Methodist Hospitals of Dallas is fulfilled while the new Bylaws are being developed. The new Bylaws would be presented to the Annual Conference of 1982 for action.

The motion was seconded.

Farrell spoke in support of the resolution by outlining the reasons: (1) to allow time to work on the bylaws; (2) to allow the Conference to participate in the development of the bylaws; (3) to allow time to receive reports from other agencies involved; (4) to allow time to discuss the bylaws during the coming year and to be prepared by next Annual Conference; (5) to allow time to study the relationship between the agencies.

Gordon Casad expressed deep appreciation for the Conference leadership given by Leighton Farrell, but he also voiced two areas of concern. Casad is concerned by the procedure that has been followed in recent revisions in the organization policy and methods by which the hospital has been operated. When the Conference granted "in principle" authority to reorganize the hospital corporation, did it in fact mean "in faith"?

Casad is also concerned with the great diversity in communication and sharing of knowledge about what has been accomplished. Casad feels we need an even fuller explanation of further expansion and further plans in order to make this a wise decision. In addition, Casad suggests that the hospital administrator needs to be more a part of the conference to increase the willingness for communication and support. The Conference needs to know the risks involved for the Conference in the proprietary position in which it finds itself.

Bourdon Smith spoke in support of the resolution, sharing his concern that this Conference needs to have some measure of meaningful influence on the work of the hospital in the community.

Jack McNabb questioned if the reorganizing of the hospital means the North Texas Conference has ownership of the hospital.

Leighton Farrell responded that he could not really answer that question and that this issue does not have anything really to do with the resolution at hand.

Jan Wiksten spoke in support of the resolution but did ask that a woman be on the five-person committee. Wiksten emphasized that women do have a great deal of valuable information and in-put and should be included on the committee.

Bishop Russell called for the vote on the resolution. The resolution carried.

Council On Ministries

Charles Harper reported on behalf of the Council on Ministries. Harper read the purpose of the Council on Ministries from the 1980 **Book of Discipline**, para. 717.1, pg. 312. About two years ago the Standing Rules were rewritten, Harper stated, and the North Texas Conference decided to adopt the Council on Ministries concept. The Council on Ministries had five meetings this past year, and the Executive Committee met ten times. Harper expressed appreciation to the Conference staff for their help and support and recognized the staff. According to Harper, some of the goals of the Council are: to implement the Ethnic Minority Local Church (EMLC) concern, to bring professional assistance to small membership churches, to personalize and humanize missions, and to be responsible to the local churches in financial matters. These are but a few of the eighteen goals established by the Council on Ministries. Harper indicated that the Council has sought to open avenues for suggestions and ideas from local churches. Florence Tooley has kept the Council informed on matters from the General Council on Ministries. The biggest weakness, Harper said, is the lack of full coordination of programming. Harper hopes that decisions made at this Conference are not the beginning of the dismantling of the Council on Ministries. The Council needs to be a positive and active force in the Conference. The campus ministers and Executive Committee of the Council on Ministries were introdui ed.

Age Level Ministries

Ramon Womack reported for the Board of Age Level Ministries (Reports 13-13C).

Esther Zimmerman reported on the SEEK (Summer Events for Exceptional Kids) Camp. Last year was the first year for the SEEK camp. There were eighteen campers and thirty-two counselors. There are

a variety of activities for the campers as well as community worship experiences. Matthew Morrison, a former SEEK camper, told of his experience at the SEEK camp. Of the twenty-eight campers that attended last year twenty-two will be returning this summer. The July camp is completely filled, and the August camp is nearly filled. Some of the leaders of the SEEK camp were introduced and recognized. The Advance Special is one way of supporting this camp. Jim Newton and Paul Hill wrote a song that tells about the camp, and Sally Ruggia accompanied Jim Newton as he sang the song for the Conference.

As Jim Newton sings about the SEEK Camp experience, Sally Ruggia signs the song.

Carolyn Dunnam reported on the activities of the Conference Youth Council. They are planning three Mid-Winter events; one for Junior High, one for Senior High, and a mixed retreat. The Council also sponsors three major trips: canoeing, backpacking, and a skiing trip. Last summer over 1,300 youth attended summer camp. This summer there will be a Jurisdictional United Methodist Youth Experience at Georgetown.

Bert Jarvis issued a plea for counselors for the Elementary 3-4 camp. Three male, three female plus an arts and crafts person are still needed to staff the camp. If these counselors are not obtained, some of the children already registered will not be allowed to attend.

A written report on the Asian Ministry was accepted (Report 27).

Bert Jarvis appeals for counselors for the Elementary 3-4 Camp.

Archives And History

Walter Vernon reported for the Commission on Archives and History. Vernon urged churches to keep their historical records in a fire-proof place. The project of printing a history of Texas Methodism is underway and should be ready for the Conferences in 1984, Vernon reported. Appreciation was expressed to Lewis Blaylock and his descendants who made available a collection of copies of the **Texas Christian Advocate**, 1850-1917, of which microfilm has been produced. The microfilm copies are kept at Bridwell Library.

Global Ministries

Jack Gibson reported for the Board of Global Ministry (Report 14 and 14B). Gibson said the Board hopes to help churches be in mission beyond the local church.

Refugee Resettlement

Phil McLarty reported on the Task Force on Refugee Resettlement (Report 36). McLarty expressed appreciation to those who helped carry on this work and to the local churches which have responded to this need for refugee resettlement. The Task Force will continue as a committee of the Division of National and World Outreach. One of the greatest needs of this Task Force is for a co-ordinator of refugee work, McLarty reported. The Task Force just learned that Church World Service has appointed a full time co-ordinator to the Dallas/Fort Worth area. This is indeed an answer to prayer.

Disaster Committee

Jim Palmer reported for the Disaster Committee (Report 35). The Committee recognizes that there are many kinds of disasters. The churches need to be able to respond appropriately and to be prepared for such events. The churches need to know what facilities for disaster relief are available in their communities. Attention was called to the article in the Council on Ministries tabloid.

Health And Welfare

Marion Greve reported for the Division on Health & Welfare (Report 34). Greve indicated that the main report will be given at the Health and Welfare Ministries Luncheon, which is an integral part of the

Conference. The Methodist Mission Home wishes to renominate the trustees that have served, re-elect Iweeta McIntosh for a four year term, and add the name of Mrs. Ray Hunt as an at-large member. William J. Washington requested that these nominations be acted upon at this time. This request was granted, and the nominees were approved by the Conference.

National And World Outreach

Richard Flach gave the report for the National and World Outreach Division (Report 38). The Division will again sponsor the Co-operative School of Christian Mission to be held at Bridgeport on September 18-20, 1981. The three areas of study will be Isaiah, Mission in Europe, and Pluralism. Other goals of the Division are that each district resettle two refugee families, that conferences on missions be held, and that assistance be given to churches in missional outreach. It was pointed out that there has been a 400% increase in churches adopting missionaries, writing letters, financial support, etc. Some specific financial goals are found in Report 38.

Community Ministries

John Tatum reported for the Division of Community Ministries. Tatum said there is one major question: Do we save souls or do we change structures that damage persons? Obviously, we need to be responsive to the whole person. We need to show by our deeds and actions that we are responsive to the needs of persons. If each member of the Conference gave 50¢ there would be ample funds to underwrite the tasks that are before us, Tatum emphasized. The real issue is our willingness to share what God gave to us. Funding needs to be continued for Community Ministries so that new projects can be started as well as maintenance of established programs. An evaluation of all programs will be made, and this will be available. District Mission Festivals will be held to help interpret Community Ministries, Tatum said. It was pointed out that all the projects listed on Page 15 and 15A of the pre-conference packet have been helped by Community Ministries. Tatum urged the Conference to be aware continually of sharing the ministry of God.

Health And Welfare Luncheon
Wednesday — May 27, 1981
SMU Student Union

Jack Gibson led the Conference in prayer before the meal.

Following the meal, the program portion of the luncheon was opened by Dr. Marion Greve. Greve introduced the following: Ted Richardson, vice-president for development at San Antonio; Gaither Day, Chairperson, National Health & Welfare; Ray Hennigh, Conference Health & Welfare representative.

Representatives of the Health & Welfare agencies reported on their work. They were: Mr. Wm. Pirisi, Administrator of Methodist Hospitals of Dallas; James Swafford, Chaplain, Methodist Hospital; Gene Browder, Chaplain, Charlton Methodist Hospital; Herman Cook, Program Director for Clinical Pastoral Education; Rev. Julian Thomas, Administrator Blanton Gardens/C. C. Young Home; Jack Daniels, Daniels, Administrator of Methodist Home, Waco; Dr. Harold Burkhardt, President, Methodist Home, San Antonio.

Bishop Russell pronounced the benediction.

A Care Flight nurse measures Larry Ravert's blood pressure.

AFTERNOON SESSION

The afternoon session opened with the singing of "Come Ye That Love the Lord."

Council On Ministries (Continued)

Bob Walker proposed that the balance of the Council on Ministries report be approved by an omnibus motion that would allow all to be voted upon at once. The motion was seconded. After discussion and an attempt at a vote, Walker withdrew the motion in the interest of saving the time it would take to receive a counted vote.

Baxton Bryant called for the affirmation of applause from the Conference to show approval of the work of Bishop Russell during this Conference.

Bishop Russell shared the words of greeting received from his son today:

Too hot? Worry not. Don't unravel; just slam the gavel.

We are proud of you. Love, John and Debbie

Global Ministries

Jack Gibson moved that the Conference Advance Specials be approved (Report 40). A member of the Custer Road United Methodist Church asked that his church be removed from the list of Advance Specials due to the fact that they do not feel the need of this assistance.

The list as proposed (less Custer Road Church) was approved by vote of the Conference.

Jack Gibson spoke of the UMCOR emphasis as a chance to be a part of a world mission (Report 39). Ken McIntosh stated that this Conference during the past year had sent more than $51,000 above what the statistician reported to UMCOR projects. This means a total of $244,000 went toward the Advance program. This amount has exactly doubled since 1973.

Jack Gibson then presented a Special Report (Report 14) to the Conference which called attention to the desire of the Council on Ministries to make missions a high priority during this quadrennium. According to Gibson, the Council suggests that the Annual Conference select one or more missions projects to which United Methodists in North Texas could commit people, money, and resources.

For the Board of Global Ministries, Gibson presented the following motion:

> The Board of Global Ministries of the North Texas Conference, therefore, moves that we proceed in this direction and that during this year, a study be made to decide which projects would be recommended and the extent of the funding which would be required and that this be presented at the next Annual Conference for final approval.
>
> It is further moved that permission be given for a special offering at some time during the next Conference year to implement this mission project.

Bishop Russell called for the approval of the Conference. The proposal was approved.

Jack Gibson moved that the Division of Ecumenical Relations be deleted from the Board of Global Ministries and that a new commission be created: The Commission on Christian Unity and Inter-religious Concerns.

The Conference voted its approval of this motion.

Christian Unity And Inter-religious Concerns

DeForest Wiksten, chairperson of the Commission on Christian Unity and Inter-religious Concerns, reported on the progress of the Commission (Report 16) that has been operating under its former title for this past year. Wiksten feels this new Commission will be successful and shared a concern that ministers be aware of what the Commission needs from them and can do for them.

Higher Education And Campus Ministry

James Garrett of the Commission on Higher Education and Campus Ministries (Report 18) asked Bill Bryan to share news of a new design team which will be sponsoring events during the coming year to enhance the communication between colleges and the members of the North Texas Conference. Bryan asked that ministers, leadership persons, and lay members be aware of this opportunity to share with the trustees of universities at workshop settings.

Discipleship

Wil Bailey of the Board of Discipleship (Report 37) referred to its report in the pre-conference packet but indicated there was only one issue he wished to share on the floor at this time. Bailey asked that the boards or agencies making reports be sure to ask themselves if the proposals or recommendations they were making did indeed proclaim the gospel of Jesus Christ. The Board of Discipleship would urge that at the next Conference all those making reports include in those reports a theological statement to undergird the issue.

Linden Bates of First Church, Richardson, stated that he had been waiting all conference to hear that statement.

Status And Role Of Women

Charles Harper introduced Jan Wiksten, chairperson of the Commission on the Status and Role of Women, for her report (Report 17).

Wiksten asked the Conference members to see the display of the Commission if they had not already and asked members of the Commission to stand and be recognized. Wiksten shared that at the last Conference she had expressed a dream . . . that men would be asking to be members of this Commission. That dream had come true in part since one lay man and one male pastor had asked to be a part of the Commission. A goal of the Commission was, according to Wiksten, that the number of women in leadership positions in the Conference be substantially increased. The Commission will sponsor another day-long conference in the spring of 1982, a conference on the role of women in the church, and hopes many men and women will attend. Wiksten emphasized that women, both clergy and lay, are not competing for men's places but are eager to take their place alongside men and work together in the church.

Higher Education And Campus Ministry

Charles Harper called on James Garrett, chairperson of the Commission on Higher Education and Campus Ministries.

James Garrett moved for the adoption of the proposal: That there be within the structure of the Council on Ministries a Board of Higher Education and Campus Ministry in compliance with the disciplinary provision in Para. 722.2, **Book of Discipline**. The Bishop called for the adoption of this proposal. Approval was given by vote of the Conference.

James Garrett moved the adoption of the proposal: That the per member contribution to Texas Methodist Colleges Association for 1982 be $1.35 per member or $200,000.00. Bishop Russell called for the approval of the Conference. Approval was given by vote.

Council On Ministries

Charles Harper asked that the members of the Conference read the news leaflet handed out as part of the report of the Council on Ministries and urged incorporation of this communication tool into the Council on Ministries reports of the future.

Charles Harper moved the following: Matters requiring action by the Annual Conference shall be submitted to District Section meetings for review and included in the pre-conference packets that are to be available by May 1. Other matters coming before the Conference shall be permitted on the Conference floor with a two-thirds vote of approval. Upon discussion and request by the Bishop, Harper clarified that he meant this to be under consideration and then acted upon at the next Conference.

Leo Baker proposed the following amendment to the motion made by Charles Harper: All proposals coming to the attention of this Conference be duly labeled as to the person or organization presenting the proposal. Charles Harper accepted that addition to his motion. Bishop Russell called for the vote of the Conference. The motion carried.

Charles Harper moved adoption of the Council on Ministries report.

Annual Conference Task Force On Administrative Evaluation

Fred Kandeler proposed the following amendment in accordance with remarks he heard regarding communication between the Council on Ministries and staff persons within the Council itself.

> In light of this report's identification of the ACCOM's experience of inadequate communications and budgeting processes, and of tunnel vision of Council members (as identified by Charles Harper, chairperson), that the Annual Conference ask Bishop Russell to establish an Annual Conference Task Force on Administrative Evaluation to identify blocking forces in ACCOM's administrative structuring processes and lay and professional personnel, and to recommend any changes to the 1982 Annual Conference, making interim recommendations to ACCOM and Bishop Russell.

This motion was seconded.

Don Renshaw spoke against the motion in that a committee to study a committee is doubling the work. The purpose of the Council on Ministries is to do this itself.

Charles Harper spoke in support of the amendment pointing out that he wants to see someone else evaluate the process since evaluations of self are not valid.

Joe Washington spoke against the amendment, since it seems that what is being questioned involves more than just the Council on Ministries.

Fred Kandeler spoke for his amendment, stating that it relates to statements made by the chairperson of the Council itself as he spoke about Council staff in particular. Kandeler thinks it is not programming

that was involved but leadership.

Baxton Bryant spoke for the motion in support of the chairperson of the Council on Ministries who should know best what is needed.

Bishop Russell called for the vote of the Conference. Approval was granted to the motion.

Charles Harper again moved that the report of the Council on Ministries be adopted. The motion carried.

Appreciation for the work of Charles Harper and his fellow workers on the Council on Ministries was expressed with applause from the Conference floor and Bishop Russell.

Methodist Hospitals

Leighton Farrell was called forward to present changes in the bylaws of the Methodist Hospitals. Farrell expressed the concern that these will be needed in order to operate efficiently from now to next Conference when completely new bylaws will be presented by the previously approved task force.

Farrell called for the adoption of the following change: In the event the Corporation is dissolved, all of its liabilities and obligations shall be paid, satisfied and discharged, and all of its assets and properties then remaining shall be distributed to the North Texas Annual Conference of The United Methodist Church or, if such organization shall no longer exist or shall be disqualified from receiving such assets and properties, to its successor, if any, in the State of Texas, and if neither such organization nor any successor shall exist and be qualified to receive such assets and properties, then to such organization or organizations in the State of Texas which are entitled to hold property for the benefit of The United Methodist Church as the Board of Directors of the Corporation shall select, in such proportions as the Board of Directors shall determine and pursuant to a plan of distribution adopted in accordance with the provisions of the Texas Non-Profit Corporation Act; provided, however, that no organization shall be qualified to receive such assets and properties unless it shall be organized and operated exclusively for charitable, religious and/or educational purposes and shall be qualified as an organization which is both exempt from federal income tax under the provisions of section 501(c)(3) of the Internal Revenue Code of 1954, as amended, or a successor provision thereto, and exempt from Texas ad valorem taxation under the Texas Property Tax Code or any law which is a successor thereto. No director or officer of the Corporation nor any other private individual shall be entitled to share in the distribution of any of the assets or properties of the Corporation in the event of its dissolution.

Margaret Tarr asked who would assume the indebtedness in such a case. Leighton Farrell's response was that the Corporation itself would assume the liabilities.

Margaret Tarr expressed the concern that the Conference needs a sense of security so that it would not need to assume problems left behind if the hospital could not assume its debts.

Leighton Farrell responded that he was not certain we could solve that problem with this legislation. This bylaw change does follow Internal Revenue Code.

Albert Morse of Irving indicated that it is his opinion that if the North Texas Conference is the proprietor of the Methodist Hospitals, then the North Texas Conference would have to assume liability for the hospital.

Bishop Russell called for a vote. The Conference voted approval of the bylaw change as presented.

Leighton Farrell called for the substitution of the following proposal rather than vote at the present time on Sections 1 and 2 of Article 13 as outlined in his report.

> Be it resolved that the committee authorized by this Annual Conference to write the bylaws for Methodist Hospitals of Dallas be authorized to approve any changes in the existing bylaws which may be necessary for the operation of Methodist Hospitals of Dallas during the conference year 1981-1982.

The substitute proposal was seconded, and it carried.

Evangelism And Local Church Growth

Bill Stephenson presented the proposal on program priority for 1982-83, Evangelism and Local Church Growth. The proposal calls for the programs to be developed and coordinated by a committee composed of two representatives from each Annual Conference. Stephenson proposed that these two representatives be the Chairperson of the Division of Evangelism of the Board of Discipleship and a Conference Council staff person or another member of the Division. The proposal was accepted.

Adult Ministries

Wayne Odom presented a proposal on the Regional Conference on Adult Ministries to be held March 16, 17, 18, 1982 at Lakeview. The proposal was accepted.

Older Adult Ministry

Robert Young presented a proposal for an Older Adult Ministry Conference to be held October 19 through 22. The proposal was approved.

Mexican-American Ministries

Donald Waddell presented a proposal which is a name change from a Commission to a Committee (Report 41). The subject material will be intact as was previously approved. The motion to accept the proposal carried.

Conference Personnel Committee

Charles Harper presented a proposal which calls for the dissolution of the Conference Personnel Committee since this Committee now relates only to personnel who are associated with the Council on Ministries. The proposal calls for the Council on Ministries to organize its own Personnel Committee. The proposal was adopted.

Communications And Resources

Ed Deane submitted the proposal from the Commission on Communications and Resources (Report 19, see also the additional item, Report 19A). This proposal is a name change so that the bylaws reflect the changing situation with the expansion of the **Texas Methodist** to areas outside of Texas. The proposal was accepted.

Standing Rules

Don Barnes reported that one of the proposals had been approved on Monday (i.e. recommendation on housing conference offices) and that he is now presenting a proposal, which suggests naming a committee, "Conference Offices Housing Committee" and recommends that it be placed in the official structure of the Annual Conference. The proposal was accepted.

Don Barnes presented another proposal dealing with the description of the organizational structure and the Standing Rules (Report 23). Barnes pointed out the changes in the **Discipline** and other changes in the Standing Rules that were necessary. The proposal was accepted.

Claire Cunningham, secretary for the Trustees, asked that the names of the Trustees listed in the 1980 **Journal** under "Trustees whose terms expire in 1981" be elected for the next year's term. The motion passed.

Dean Joe Quillian addresses the Perkins Alumni Luncheon.

Charles Harper presented a proposal which would expand the membership of the Council on Ministries to include the Chairperson of the Conference Committee on the Episcopacy. Bill Stephenson amended the motion to include the name of the nominee for the Chairperson of the Council on Ministries, John Beall. The amendment was accepted. The proposal was approved.

Dr. Joseph Quillian of Perkins School of Theology was recognized by Bishop Russell. Dr. Quillian was not present at the Conference at this time.

Wallace Chappell spoke in commendation of the faculty of Southern Methodist University and their fine relationship to the student body. Chappell stated there would be a drastic revision in curriculum coming up soon.

Leo Baker of the Trustee Committee at Perkins School of Theology stated that the finances of the seminary have been improving over the past years, but the Dean has not had enough time to devote to the funding as there is much work to be done. Baker reported there has been a change in the name of the degree from Master of Theology to Master of Divinity.

Courtesy And Resolutions

Robert Young spoke on behalf of the Courtesy and Resolutions Committee. Mildred Martin and Twila Stowe were at the Annual Conference on Tuesday but were not recognized. Young asked that it be acknowledged that they were guests of the Conference.

Issue Of Confidentiality

Dudley Dancer requested a vote to suspend the Standing Rules. The motion was made, seconded, and carried. Dancer requested that in light of recent events which challenge the special relationship that exists between ministers and persons as exhibited in pastoral counseling and personal confessionals: Be it resolved:

1. THAT we affirm the clear directive made in the 1980 **Discipline**, paragraph 440.4, which states: "Ministers of the United Methodist Church are **charged** to maintain all confidences inviolate, including confessional confidences."
2. THAT all ministers of this Conference uphold and protect this sacred trust with the unanimous support of the Bishop, the Cabinet, and all the members of the North Texas Annual Conference.
3. THAT we convey the action of this Conference to the appropriate offices of the State of Texas **through** the office of the Bishop.

Don Shaw asked that the motion be amended to read: to the appropriate offices of the State of Texas. The amendment was accepted. (The resolution above appears as amended.)

Bill Crouch asked that the Conference communicate the support of the North Texas Conference clergy to Ronald Salfen. This was not accepted as a part of the original proposal.

The motion to accept the resolution was seconded and passed.

Bill Crouch moved that the Annual Conference communicate to Ron Salfen the concern and support of the North Texas Conference clergy. The motion was seconded and approved.

District Resolutions

Richard Dunnagin presented a resolution from the Paris-Sulphur Springs District:

> That the Bishop be requested to appoint a Charge Conference Task Force composed of the District Superintendents and others to study and report back to the Annual Conference next year on the feasibility of either: 1) Holding Charge Conferences after the first of January each year, or 2) Amending the current procedure to allow the filing of financial and membership reports after January 1 each year, even though the Charge Conference itself still be held in the fall.

The resolution was passed.

Richard Dunnagin presented a second resolution from the Paris-Sulphur Springs District:

> That the Conference Statistician be instructed to create a new category in the 1982 Conference Journal entitled "Average Attendance in Sunday Evening Worship Service(s)."

Walter Zimmerman spoke against the proposal stating that he felt there would be no use for information of this type and that it has never come to his attention that churches were not correctly reporting attendance. The proposal was defeated.

George Topper moved that the minutes of the Conference for the first two days be approved since the Journal Committee had reviewed them and that the Conference Secretary and assistants be empowered to reproduce the minutes from Wednesday for inclusion in the **Journal**. The motion was seconded and carried.

It was reported to the Conference that there would be a meeting of the Old West Texas Conference Fellowship on June 20, 1981 in Austin.

The Conference recognized all those who are participants in the Contact program.

Robert Dillard expressed appreciation to James Swafford for all his work on the Insurance Committee.

Invitations were called for from churches willing to host the Annual Conference in 1982.

Walker Railey of First UMC, Dallas extended an invitation for the 1982 Conference to be held at that church. Even though parking is sometimes a problem it was felt that this could be worked out. Should the Conference want to hold the evening worship services only at First UMC, this invitation is also extended.

Leighton Farrell of Highland Park UMC extended an invitation for the 1982 Conference to be held at Highland Park UMC.

Don Benton of Lovers Lane UMC would be willing to work with the Agenda Committee and do whatever Lovers Lane can to assist with the next session of the Annual Conference.

Bill Stephenson acknowledged the invitations with gratitude and stated that he would relay this information to the Agenda Committee for its consideration. A motion was presented to give the information regarding host churches for the Conference to the Agenda Committee. The motion was accepted.

Council On Finance And Administration

Donald Benton, chairperson of the Council on Finance and Administration, expressed appreciation to Dr. James Hares for the work that he is doing for the North Texas Annual Conference.

Fred Kandler, reporting for the Division of the Local Church concerns of the Council on Finance and Administration, stated that this Division is the advocate for local church concerns to CFA. Division members have been in district meetings and have tried to distribute the decimals for apportionment computation to churches at an early date. A task force has been formed regarding local church use of computer services. The expertise of Richard Hunt of SMU will be considered for use by local churches.

B. C. Robertson presented the report from the Council on Finance and Administration (Reports 1 and 2). Robertson asked that Report V be changed as follows: line item C4 should have an addition of $12,690, which makes the total $430,015.00. The amount of $12,690 is to be deducted from line item 10. Line item C6 would have an addition of $8,899 for a total of $432,044.00. The new subtotal which was $3,129,926 would be changed to $3,138,825.

James Garrett asked that the report be amended by increasing line item 9 for Campus Ministry by $3,800 or to a total of $105,000. The motion was made and seconded.

DeForest Wiksten spoke for the amendment expressing the need for the expansion of the program at the Dallas Community College campuses and recognized the improvements that have been made.

The amendment was voted on and carried.

Spurgeon Dunnam proposed an amendment to Item 10. Proposal was that this amount be changed to $227,310.00. The motion was seconded. Dunnam expressed appreciation to the Conference for their vote in the acceptance of the position of Director of Church Development. The increase requested for Church Assistance is an inflationary figure; the increase for Town and Country Ministries is to be used for seed money. The increase requested is still less than the amount needed to do its work; however, Dunnam assured the members that the Board of Church Development would do the best job possible with the funds alloted to it.

Charles Harper asked where the money was listed for office expenses. Dunnam explained that this expense has not been listed separately but will need to come from the total reserves. Dunnam reported that for the last year more money has been spent than received; however, additional funds should be available through the Centurion Program.

Bill Stephenson stated that funds that already exist will be used for office expenses.

W. E. Trice spoke against the amendment. The churches are near the crisis point now with the increases in apportionments. The Centurion program had a great start but then leveled out. Trice thought that through aggressive work, the new staff person should be able to generate adequate funds.

Phil Mercer spoke for the amendment stating that he felt Church Development was the core of our work as the Church. The apportionments are not too high but too low; churches have not adopted the concept of tithing. Churches need to be very supportive of this new position, Mercer said.

Walker Railey spoke against the amendment emphasizing that we need to re-assess and reprioritize our programming. To make such a drastic increase for one program is not sound.

Bill Stephenson spoke for the amendment. This new position will enable us to be more fully about the work that is to be done. Stephenson said that we need to begin our work at once.

Robert Dillard spoke against the amendment. The Conference, Dillard stated, needs to be fiscally responsible and needs to consider the work and planning by CFA that has produced the budget.

Wilson Canafax spoke for the amendment. When requests came to reduce the budget, Canafax said, program is the first place to get cut. This should not be done.

Wilford Bailey spoke against the amendment. We need an aggressive program of church assistance since between ten and fifteen new churches have been created. The new staff person should continue to help with these needs in our Conference.

Gifford Long spoke for the amendment. Long explained that Town & Country Ministries and Transitional Communities will be getting an increase in funding if the amendment passes, and it is important that the small member congregations in this Conference receive some assistance.

Robert Walker spoke against the amendment. Funds are needed, but this should not come through apportionments. It should be financed through the Share Program. One of the tasks of the new Director will be to obtain funding.

Don Hamner spoke for the amendment. The existing churches need to assume the responsibility for building new churches, Hamner stated. Increased commitments need to be made.

I. B. Loud asked for the previous question. The motion was seconded and passed.

Spurgeon Dunnam stated that the issue was clearly before the Conference and should be judged on its own merit, without prejudice from CFA, who has expressed neither a pro or con on the issue.

The vote was called for, and the amendment was defeated.

A motion was made to adopt the report of the Council on Finance and Administration. The motion was seconded.

Espie del Rosario asked about the amount listed for Missional Priorities in Report 5, item A, #3. Del Rosario wanted to make clear to the conference that only $23,659.00 will be retained by the Conference, since 70% is sent to national causes.

Milton Guttierrez explained to the Conference that the request for capital improvements for camping and retreat centers is $100,000.

Phil McLarty moved an amendment to Report V, line item C7, Camping and Retreat. McLarty's amendment called for reducing the total amount for this item from $150,000 to $75,000. The motion was seconded.

Pete Robertson reported that the asking for capital improvements within this total had originally been $125,000 but had been reduced to $100,000.

Joe Florence spoke against the amendment on the basis that he thinks it is the responsibility of CFA to analyze and plan the budget and recommend apportionments based on their studies. Florence stated that by the time the budget comes to Conference, it has been studied responsibly, and the Conference would do well to accept the logic of the recommendation of CFA.

Bourdon Smith spoke against the motion for amendment, expressing his feeling that we need to keep Bridgeport and Texoma in good repair but we do not really need the "frills."

Ron Adams asked for what those dollars would actually be spent.

Tom Christian responded at the request of Pete Robertson that the capital improvements money was ear-marked for two projects at Bridgeport, the refurbishing of Martin Hall and Kiker Hall; and two projects at Lake Texoma, the paving of the main road and refurbishing the dining facilities.

Ron Adams asked whether these projects were not already started.

Christian replied that they were indeed underway, but each year's plans for improvements are independent of each other. The request for 1982 stands alone since the projects are in a series.

Bob Bush spoke for the amendment stating that though camping is certainly a just cause, there are more serious needs.

Bruce Weaver spoke against the amendment since he sees this as an opportunity to carry out an obligation we made in previous years.

Gary Kincaid spoke against the amendment believing CFA has done its job and the issue had been properly reviewed by them. Kincaid noted that Camping and Retreats had already received one cut in its budget before it was presented to Conference and that to reduce it this drastically might detrimentally affect the program of the camp. The program should not be limited in this way, according to Kincaid.

W. E. Trice called for the question. The motion was seconded and carried by over two-thirds of those voting.

Phil McLarty spoke for the amendment. McLarty indicated that Tom Christian would no doubt continue his good job of maintaining the centers adequately and stated that we needed to reduce the amount for Camping and Retreats capital improvements in order to focus elsewhere. McLarty noted that the $75,000 that would remain was still an increase over the amount recommended for 1981.

Bishop Russell called for a vote. The amendment was defeated by a vote of 143 for to 173 against.

Bishop Russell called for a vote on the motion to approve the total requested budget, Report V, item C. The Conference approved the budget.

Don Benton moved that the Conference grant the request of the Pacific Southwest Conference for a loan to the Pacific Homes cause in the amount of $35,902.00 (i.e. 8% of our budgeted amount for World Service apportionments in 1981). This would be loaned at no interest for the first ten years, and would accrue 12% interest beginning in 1990 until paid. The motion was seconded.

Leo Baker asked for the stipulation of repayment. Don Benton responded that plans were to try to pay it back at no interest before 1990 but that 12% interest would be paid on the balance due after 1990 and would continue on that basis until paid in full.

Balfourd Morrison shared the concern that a certain deadline should be stipulated for complete repayment.

Bishop Russell called for a vote on the motion. The motion carried.

Milton Guttierrez expressed thanks for the clear and complete report submitted by CFA, indicating that it was the most concise and helpful report he had seen. Members of the Conference responded with applause.

Bishop Russell called for a vote of accolades to the CFA for their work. This was done.

Bishop Russell commended the Conference on their openness and willingness to discuss all issues.

Committee On The Episcopacy

Bishop Russell called on a report from the Committee on the Episcopacy (Report 22). Margaret Tarr asked for the Committee to stand. Tarr commended Bishop Russell on behalf of the Conference for the way he had presided during the sessions.

Courtesy And Resolutions

Ken Dickson presented Dean Joe Quillian to the Conference. Dean Quillian expressed his thanks for the twenty years of support, asked that the same support be given the new Dean, Jim Kirby . . . and said "God Bless."

Ken Dickson read a resolution expressing gratitude to all who led and assisted with the worship, business, and fellowship of the Conference (Report 24).

Holy Communion And Sending Forth

Following a brief recess from the business session, the members of the North Texas Annual Conference gathered in the sanctuary of Highland Park United Methodist Church for a Service of Holy Communion and Sending Forth. Bishop John Russell presided at the service and was assisted by the District Superintendents of the Conference; by Charles Neal, Chairperson of the Division of Worship; and by Barbara Marcum. The organist for the service was Philip Baker, Director of Music, Highland Park United Methodist Church. The choir for the service consisted of members of the Fellowship of United Methodists in Worship, Music and Other Arts, as well as members of the Conference.

During the service of worship the Conference sang the hymns, "O For a Thousand Tongues to Sing," "Come, Let Us Use the Grace Divine," "What Shall I Do My God to Love," and "Forth in Thy Name." The choir, under the direction of Jane Marshall, sang the Austin Lovelace arrangement of "What Shall I Render to My God."

Bishop Russell delivered the Communion Meditation dealing with the place of servanthood in our work and ministry as the church.

The service concluded with the sending forth of the ministers and laity. The Bishop read the appointments of the Conference and sent both ministers and laity to do the work of Christ. The Conference was adjourned.

COUNCIL ON FINANCE AND ADMINISTRATION

Report 2

Report I. **Preface**

The Council on Finance and Administration began the new quadrennium by seeking to organize itself not simply to be responsible for the financial aspects of our Conference business, but to be responsive to the people whom we represent and serve. For this reason, we organized ourselves into five standing committees:

1) The General Church
2) North Texas Annual Conference Program
3) Local Church Concerns
4) Audit and Continuing Analysis
5) Investments & Administration

These are basically the umbrellas under which our work is accomplished. There is an Executive Committee formed of the officers and chairpersons of the various committees.

We continue to keep a close watch on the apportionments as they are being paid and encourage all local churches to strive for 100% payment. We continue to strive for good stewardship of the funds as they are received. We invest them for short-term gain until they are needed, thus increasing the amount of available cash for the conference program.

Dr. James Hares has been and continues to be of inestimable value to our work in the faithful discharge of his ministry as our Executive. If at any time he or any one of the members of the Council can be helpful to you, we do feel accountable to you and will seek to respond to your call.

Report II. **Recommended Goals to Local Churches**

A. That a minimum of 25% of the total annual budgets of the local churches be designated for causes beyond the local church.
B. That local churches consider the challenge to advance in spiritual strength toward the long-term goal of "one dollar for us and one dollar for others" in establishing the operating and the beyond-the-local-church portions of their annual budgets.
C. That local churches plan to remit at least 10% of their annual apportionments before the 15th of each month beginning in February.
D. That apportionments be given first claim by local churches in their beyond-the-local-church payments with advance specials and other benevolences viewed as second-mile giving.

- A. General Apportionments 5.22%
- B. Jurisdictional Apportionments 0.00%
- C. Annual Conference Apportionments 5.83%
- All Causes 5.54%

E. Explanations of Proposed Increases

A. General Conference
In 1980 the General Conference voted to spread smaller increases each year across the quadrennium for certain general funds rather than one larger increase the first year of the quadrennium.

B. Jurisdictional Conference
The amounts requested are to remain constant for the quadrennium.

C. Annual Conference

1. Conference Claimants
The new pension program beginning in 1982, as mandated by the General Conference, includes the funding of liabilities from prior years as well as a current comprehensive protection plan.
2. District Superintendents
The proposed increase for salary and travel is 10.5%. In addition the salary paying unit provides the 12% amount for pensions.
3. Equitable Salaries
A part of the proposed increase is for salary, travel and utilities supplements. The 12% amount for pensions must be added to cover the supplement.
4. Conference and Area Staff
The proposed increase for salary, travel, utilities and housing is 10.5% plus the 12% amount for pensions. A contingency item again is included to assure adequate funding for staff remuneration.
5. Conference Insurance
Because of premium increases exceeding those projected for 1981, the 1982 increase will underwrite the 1981 probable deficit as well as the 1982 premium increases.
6. Conference Programs
For details see Report VI.
7. Camping and Retreat
A five-year capital improvements project (reported originally three years ago) of $100,000 annually is recommended as an addition to the $50,000 for recurring expenses.
8. Texas Methodist Colleges
To bring the North Texas rate of giving closer in line with other conferences in Texas, a $25,000 increase is recommended, the first increase in more than a decade.
9. Campus Ministries
Although the projected needs for campus ministries programs and facilities is even greater, a 10% increase is recommended for these ministries.
10. Church Development
The many faceted work of church development requires more financial support than the amount apportioned, including the 10% increase.
11. Community Ministries
The financial support for designated community ministries units across the conference is recommended to be increased by 10%.
12. Ministers Reserve Pension
This item is to be deleted in keeping with the five-year campaign approved in 1976.

F. Elimination of Asking Category
It is recommended that the designation of "asking" be eliminated as a category and that all items be listed as apportionments.

Report VI. Recommended Guidelines For Computation Of Apportionments

A. Formula for Two-Part Decimal:
1/3 membership and 2/3 financial

B. Procedure for Computation of Decimal for Each Church:
The membership part is computed by dividing the total church membership of the Annual Conference (148,233) into the membership of each church. This becomes the church's membership decimal.
The financial part is computed by adding the amounts of the operating expenses reported by each church in columns 35, 36, 39b, 40b, 41a and b, 42a and b of the Statistician's Report. This total is then divided by the Conference total of these same columns ($14,972,054). This becomes the local church's financial decimal. (Funds reported on building and indebtedness in columns 33 and 34 are **not** included in the computation of the decimal).
The finance decimal is doubled. The membership decimal is added to the doubled finance decimal. This total is divided by three to become the apportionment decimal.

C. Procedure for Computation of Apportionments for Each Church:
The apportionment decimal for each church is multiplied by the Conference total of each apportionment to determine the amount that church is asked to pay toward the apportionment.

D. Margin for Correction
To assure that 100% of the amount of each apportionment will be distributed to the churches, no more than one quarter of one percent may be added to each apportionment when needed.

BOARD OF TRUSTEES

Report 3

SUBJECT: Resolution on incorporation with accompanying statement

PROPOSAL: That the Annual Conference concur with the Board in this resolution, that the Board of Trustees of the North Texas Conference of the United Methodist Church be incorporated.

RATIONALE: Paragraph 2510 of the 1980 Discipline says, "Each Annual Conference shall have a **Board of Trustees**, which shall be incorporated unless the Conference is incorporated in its own name." After diligent investigation, it does not appear that the Conference is incorporated. Therefore, we submit the following:

Resolved that the Board of Trustees of the North Texas Annual Conference proceed at once to petition the office of the Secretary of State of the State of Texas to become a non-profit Corporation.

Annual Report

Report 3A

In June 1980, the Chairman and Secretary of the Conference Board of Trustees executed a deed whereby the abandoned Church property located at Clinton, TX (Hunt County) was sold for the amount of $133.20 and the proceeds invested and held in trust by the Trustees in compliance with Standing Rule 26B, pp 270 of the 1980 Conference Journal.

In 1978, the abandoned property of the Trinity Church, Dallas, was sold by the Trustees of the North Texas Conference to American Institute of Musical Studies, Richard Owens, Executive Director, for $50,000 cash. Early in November 1980, the American Institute of Musical Studies offered the property for sale. Through negotiations by the Trustees, an additional $20,000 was realized for the Conference. This was added to the original $50,000 received making a total of $70,000 that has been invested with the earnings being used for work in the central city under the supervision of the Division of Church Assistance.

At the request of the Conference Board of Pensions, the Conference Board of Trustees authorized its chairman and secretary to sign a deed conveying a residence located at 3115 Ivandell, Dallas, Texas, to James I. Sanders and wife for the net amount of $13,813.77. The proceeds were delivered to the Conference Board of Pensions.

On May 19, 1981, Dr. Lynn Mims, pastor of Polk Street Regional United Methodist Church, appeared before the Conference Board of Trustees and requested that the Trustees recommend to the Conference that the $70,000 realized from the sale of the Trinity Church, Dallas, Texas, be granted to the Polk Street Regional Church to be used in the construction of additional facilities. After discussion this request was denied by unanimous vote of the Trustees, and the following recommendation was passed unanimously: That the $70,000 now held in Trust by the Trustees for the Conference be given to the Conference Board of Church Development to be distributed in the following manner: $20,000 each to Polk Street Regional Church, Dallas; New Covenant Church, Sunnyvale; Trinity Church, Denton, and $10,000 to the Korean Church now meeting at Preston Hollow Church to be used for building facilities under the guidelines of the Division of Church Extension.

Soon after the Annual Conference met in 1980, the Conference Board of Trustees became concerned about whether the Conference itself or the Board of Trustees was incorporated. Section 5, Chapter 2510, page 586 of the 1980 *Book of Discipline* states that The Board of Trustees shall be incorporated unless the Conference is incorporated in its own name. After diligent search, it was found that the Trustees were incorporated on June 2, 1947 under the corporate name of "The Trustees, North Texas Conference of the Methodist Church," charter #91233.

In a meeting of the Trustees on May 19, 1981, it was agreed that the Conference should be incorporated, and the corporate name of the Trustees be updated and changed to "The Trustees, North Texas Conference of the United Methodist Church."

In the same meeting of May 19, 1981 a motion was passed recommending that the Conference apply to the Internal Revenue for Tax Exempt Status.

Respectfully submitted,
Howard Taylor, Chairman
Claire Cunningham, Secretary

BOARD OF PENSIONS

Report 4

FROM: Board Of Pensions
Leighton Farrell, Chairperson

SUBJECT: Ministers Pension Plan (MPP) and
Comprehensive Protection Plan (CPP)

PROPOSAL: The Conference Board of Pensions recommends the following regarding MPP and CPP:

A) That the Contribution Rate be 12% (Mandatory for the North Texas Conference);
B) That the Salary Paying Unit contribute the 12% rate;
C) That the Contribution Base be limited to the Denominational Average Compensation (DAC);
D) That the CPP rate be 4.4% (Mandatory when the MPP contribution base is limited to the DAC);
E) That the CPP Contribution Rate of 4.4% be apportioned to the churches on the Conference Decimal System;
F) That the Conference Board of Pensions, through a system it will devise, will act as the authoritative collecting agent for all contributions and will forward same to the General Board of Pensions.

The Conference Board of Pensions recommends that an amount of $500,000 be apportioned on the decimal system to the local church for the past service unfunded liability of the North Texas Annual Conference.

The Conference Board of Pensions recommends that $180,000 be apportioned on the decimal system to the local churches for the Comprehensive Protection Plan of the new pension plan.

The Conference Board of Pensions recommends that on Retired Ministers' Sunday (November 1, 1981) local churches may, if they choose, take a special offering to be used for ministers' pensions.

The Conference Board of Pensions recommends that an amount equal to 100% of the pension paid to a retired, ordained ministerial member of the North Texas Annual Conference be designated as "rental allowance." The amount excludable as "rental allowance" must be the amount that is actually used for rent or provide a home (including furnishing and appurtenances) plus the cost of utilities. This has been approved on a ruling in our files from the Internal Revenue Service.

DESIRED IMPLEMENTATION — (THE FUTURE):

The General Conference of 1980 authorized a denomination-wide pension program to go into effect January 1, 1982. This is a mandatory program, and there are three parts to it:

1. **PAST SERVICE LIABILITY:**
   Our first responsibility is to fund our unfunded past service liability. On January 1, 1981, our unfunded liability, based on $140 per service year for our retirees, was $10.9 million. Since we do not have $10.9 million, we can enter the program with a down payment and finance the balance over 40 years with the General Board of Pensions. As with any installment purchase, the larger the down payment, the less the yearly installment payments. The rule of thumb is that for every $1 million down payment, the yearly installment payment is $65,000 less.
   Assuming that we have $4.9 million on January 1, 1982, we could pay that amount as a down payment and finance the approximate $6 million balance over a 40 year period with payments of $450,000 per year. This repayment schedule of past liability is based on $140 per service year, and if that figure is raised, the $450,000 unfunded liability payment would be raised also. There will be no more unfunded liability.

2. CURRENT SERVICE FUNDING:

Our second responsibility is to provide for the current service pension funding. The base used for current funding is what is called Denominational Average Compensation or DAC. This base is arrived at by determining the average cash salary of our entire denomination and then by adding 20% to that figure for the parsonage. The minister's cash salary plus the 20% for parsonage is referred to in the pension program as actual compensation.

The pension plan anticipates that each paying unit would consider the pension contribution as part of its salary compensation program. Typically, into each individual minister's pension account would be contributed 12% of actual compensation or the Denomination Average Compensation, whichever is the lower amount. If a minister receives less than the DAC, that minister will have additional funds placed in his or her account to bring the amount up to 12% of DAC. It is important to note in the program that no minister receives less than the DAC as a base for his or her pension contribution.

For example, a minister whose cash salary was $10,000 would have 12% of $12,000 ($10,000 cash salary plus 20% for parsonage) contributed into his or her pension account by the paying unit, or a contribution of $1,440. If the DAC were $16,000, the minister would be entitled 12% of $16,000 or $1,920. The difference between the $1,440 paid by the paying unit and the $1,920 due the minister would be paid by the third part of this program, the Comprehensive Protection Plan.

The Conference Board of Pensions recommends that a special vote of appreciation be given to Rev. Julian Thomas for his untold hours, months, and years of unselfish service as treasurer of the Conference Board of Pensions. He has always performed with dignity, integrity, and loyalty. Our heartfelt thanks go to him, along with our deepest appreciation and respect.

The Conference Board of Pensions recommends that the annuity rate for retired ministers be set at $145.00 per service year.

RATIONALE: (THE PAST) In 1976, the North Texas Annual Conference voted to enter the Ministers' Reserve Pension Fund of the United Methodist Church by raising $7.7 million to fund the unfunded liability of the Conference for the years of accumulated service of its ministers. At that time the pension was $100 per service year for each retired minister. The estimate, as of January 1, 1977, of past service unfunded liability was $7.7 million . . . remember these figures — Jan. 1, 1977 — $100 per service year — $7.7 million unfunded liability.

The plan was set up over a five-year period, 1977-81, in three phases:

Phase I — Ministers' Reserve Pension Fund (MRPF) Asking — $1.7 million. This amount was to be apportioned on the decimal system annually.

Phase II — Special Gifts — a church's "fair share" was equal to its 1976 Conference Claimants apportionment and each church was asked to raise this amount each year for five years. This total was $2.0 million.

Phase III — Large Personal Gifts — $3.0 million was to be sought from large donors under the direction of the Pension Fund Capital Committee.

These amounts, together with $1.0 million reserve, were to have been the sources of the needed $7.7 million to fund the campaign as of January 1, 1977.

(THE PRESENT) **After four years of our campaign we have in hand only $3.9 million of the total $7.7 million needed. Since we already had one million, that means we have only raised $2.9 million. Our weak spots have been our Phase II, "Special Gifts," where only 20% of the money has been raised and Phase III, "Large Gifts," where only 33% has been raised.**

What this means is that we are short at the beginning of our last year of the campaign, January 1, 1981, $3.8 million toward what was needed to fund the campaign January 1, 1977. Since 4 years of unfunded liability have been added to our total and our annuity rate has risen to $140 per service year, our total need today is approximately $10.9 million rather than $7.7 million. Each year the cost accelerates.

3. COMPREHENSIVE PROTECTION PLAN:

Our third responsibility is called the Comprehensive Protection Plan or CPP. A contribution on behalf of each full-time minister of 4.4% of the plan compensation will be made by the Annual Conference. This CPP provides:

a) that the pension for ministers below the DAC be brought up to the amount of 12% of DAC;

b) the disability for a participant will be 40% of the DAC;
c) death benefits of 150% of DAC up to age 47 and then declining to a minimum of 38% at age 70 and 20% of DAC for every retiree.

BOARD OF ORDAINED MINISTRY

Report

Division Of Professional Growth

Professional development involves study and skill development in the form of Continuing Educatio (CE), Professional Evaluation (PE), and periodic career assessment. These three resources ar available to us in the North Texas Conference.

Continuing Education

A brochure describing CE opportunities is available from the conference office. Funds are availabl to help defray costs of individual learning programs which are approved by the Committee on CE chaired by Philip McLarty.

A School of Ministry will be conducted for ministers on September 15-17 at Bridgeport. This will be a opportunity for acquiring as many as 1½ CEU's (15 contact hours) in learning experiences. Included i the program will be a workshop on preaching. Also, six other seminars will be offered on a range c topics, including: Curriculum Writing, The Good News Platform, The Theology of Divorce, Children an Worship, Bible Study in the Local Church, and Financing the Local Church.

A CE planning and report sheet is also available as a useful means of implementing CE. This repor can be added to the annual pastor's report. The suggested minimum for CE is the achievement of thre CEU's (30 contact hours) annually.

Professional Evaluation

Resource materials will soon be available in the conference office for implementing the Gener Conference decision that annual professional evaluations be conducted at the local level. Our committe on Professional Evaluation, under the leadership of Wally Chappell, has developed materials which ca be used by the pastor and the PPRC in reviewing one's ministry and identifying useful goals for ski refinement and CE.

Career Development

Our conference is affiliated with the Southwest Career Development Center at Arlington (817-26 5541). This program offers opportunity to:

— assess one's abilities, interests, values, experience
— establish long-range career goals
— establish relevant CE goals
— deal with career crises

Scheduling requires one to two months advance notice. Spouses are welcome to participate in th program.

Because our conference helps sponsor this program, the fee for a minister in the conference is $150.

Requirements for the program include:

— completing a questionnaire, an inventory and tests at home prior to the appointment
— supply a report on a recent physical examination
— commit a block of time to doing intensive career planning

Division Of Career Planning And Counseling

The Division is in a rethinking stage as it relates to the General Conference's understanding of al vocations as opportunities for Christian ministry. Crucial to this understanding is the process of guidin persons in making career decisions at the local church level. Just how the Division can be active in thi capacity of sensitizing districts and local churches is uncertain but discussion is underway. As it ha done in the past, the Division continues to be involved in two major areas of concern:

1. The Undergraduate Scholarship Program
   Undergraduate students who have made a commitment for professional ministry in the Nort Texas Conference have been given assistance in the amount of $175.00 per semester (depending o establishing eligibility) during the past year. Because of the high cost of a college education and fo the critical need of the church's affirmation of those who have made a commitment to her, we fee that this use of Ministerial Education Fund monies is justified. (Guidelines for receiving this ai are attached.)
2. The Conference on Ministry
   The Conference on Ministry has been a tradition for both making the Bishop available to youn persons of the North Texas Conference and recruiting persons for church related occupations. new way of doing this is underway. A combined conference with the Central Texas Conference, t be held in Arlington later next spring, is being planned. Charles Cox furnishes the leadership fo this. This promises to be a very significant event in that many young persons from the tw conferences will join together in a common experience. We feel because of the increasing number of persons entering ministry in the North Texas Conference that discretion must be used in bot recruiting and in counseling in order to insure that there will be places and opportunities fo professional ministry for them.

We appreciate the great leadership that has been provided by the District Representatives and th way they have worked with pastors and persons as it relates to the work of the Division. There exists great need to continue to recruit persons to ministry in the North Texas Conference and keep ther informed concerning the limited scholarship help the Division makes available.

Report 6

FROM: The Board of Ordained Ministry
Dudley Dancer, Chairperson

SUBJECT: Clarification of Relationship of the Board of Ordained Ministry to the North Texa Annual Conference.

PROPOSAL: That the relationship of the Board of Ordained Ministry to the North Texas Annu Conference be clarified to reflect that the Board is directly amenable to the Annu

Conference. That open lines of communication with the Conference Council on Ministries and other Conference structures shall be maintained. This clarification shall be reflected in the Standing Rules and the Conference Structure Schematic.

RATIONALE: That the Board of Ordained Ministry of the Annual Conference is not amenable to the Conference Council on Ministries (paragraph 723.a, 1980 Discipline) but is directly amenable to the Annual Conference and should maintain important lines of communication with the Council on Ministries and other Conference structures.

DESIRED IMPLEMENTATION:

That the appropriate Standing Rules reflecting Conference structure and the Conference Structure Schematic accurately reflect these lines of responsibility and accountability.

COMMISSION ON EQUITABLE SALARIES

Report 7

Preface

The Council on Finance and Administration, in analyzing salaries for persons paid by the Conference, determined a new formula to be presented for District Superintendent, Conference staff, etc. salaries. They completed their study after the Equitable Salary Commission had worked out its budget. They thoughtfully notified the Commission of the percentage raises being recommended. The Commission reconsidered the formula on which it had been operating for several years, adjusted the raise for minimum salary to the same percentage as other raises. It presents the attached report in place of the one published in the pre-Conference resource packet.

The Commission On Equitable Salary Report 1981

A United Methodist Conference is a two-fold fellowship of the people of God in Christ made up of ministers who have a continuing membership and lay persons who have an annual membership. These persons gather annually to strengthen the local church and strengthen each other as persons in their ministry. Because of this caring relationship, the Conference Commission seeks to facilitate the purposes set forth in Paragraph 935 of the 1980 Discipline.

In our Conference we think of base salary plus car expense and utilities as the basic remuneration of all pastors. Compensation should, of course, be made for out-of-pocket expenses of the pastor in connection with his work, such as, continuing education courses, attendance at Conference, seminars, etc. However, this report will be talking in terms of basic remuneration, which includes car expense, utilities and base salary.

I. A Local Church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches on salary subsidy should be encouraged to feel an obligation to be linked with other churches in order to provide full-time ministers with a work-load of a minimum of 250 members, the number believed by the commission to be necessary to support a pastor. Larger churches should be encouraged to accept couplings with smaller, nearby churches to reduce the need for subsidy. Smaller churches should be encouraged to accept couplings with each other and with larger churches to reduce the need for subsidy.
Exceptions to the 250 member work-load guideline are stated in item V.

II. Growth in stewardship should be achieved by all below minimum remuneration churches.
In making application for salary supplement, District Superintendents are to provide evidence of stewardship education and growth on forms provided by the Equitable Salary Commission.

III. Tenure payments are designed to honor the years of service of pastors who continue for more than five years in ministry in below minimum salary churches because of the needs of the Conference. The Bishop and his cabinet are urged to make every effort to move pastors to above minimum churches within five years after they begin full-time service.
All ministers should engage in continuous training and education. Requests for subsidy for ministers serving more than five years in below minimum remuneration churches must be accompanied by evidences of additional training on the forms provided by the Commission on Equitable Salary.

IV. We affirm the decision this Conference made some years ago to relate minimum remuneration to the remuneration of others in the Conference. We recommend the average increase for Pastors for the past 10 years as the formula for 1982. The average increase was figured by the Council on Finance and Administration at 10.5%. Therefore the minimum salary for 1982, which includes base salary, utilities and travel is 1981 minimum ($12,695), plus 10.5% or $14,028.
Attention is called to the fact that $2500 of the $14,028 is considered as the minimum car expense, making the real income of the pastor serving below minimum remuneration charges only $11,528, except for such meager additions for tenure as are granted to persons with over 5 years service in below minimum remuneration churches.

Although minimum car expense is set at $2500 for below minimum churches, we recommend tha all churches pay the full cost of the minister's car expense. We urge all ministers to keep carefu and accurate expense records. The schedule for 1982 is as follows:

1. Schedule including car expense, utilities, and tenure:
   A. Members of the Annual Conference serving charge full time.

Years of Service Completed	Total Remuneration
0-5	$14,028
6	14,328
7	14,378
8	14,428
9	14,478
10	14,528
11	14,578
12	14,628
13	14,678
14	14,728
15	14,778
16	14,828
17	14,878
18	14,928
19	14,978
20 and over	15,028

   B. When recommended in writing by the Cabinet, Associate and Co-Pastors serving i Larger Parishes, Cooperatives or Extended Ministries or other special situations are to b compensated according to the category in which they fall in the Equitable Salar Structure, provided funds are available. Such payments are to be approved by a vote o the officers of the Equitable Salaries Commission.
   C. Lay Pastors Full Time
      i. 5 or more years (85% of base salary) $11,924
      ii. Less than 5 years (75% of base salary) 10,521
   D. Student Pastors
      i. Resident (65% of base salary) 9,118
      ii. Non resident — 3 or more nights a week (50% of base salary) 7,014
      iii. Non resident — less than 3 nights a week (40% of base salary) 5,611
      iv. A reduction of $300 in each of the above student categories will be made in the event th student does not give full time during the summer months.
      v. A student receiving Equitable Salary support may receive a travel allowance of $2 per mile, per annum, one way from his school to his charge.
2. Assistance beyond the Equitable Salary Structure
   A. Emergency Aid will be considered on an individual basis and approved or disapproved o individual basis after consultation with the Bishop and/or Cabinet, if funds are available Application is to be made on forms provided by the Equitable Salary Commission an must be approved by the Commission in session or by two officers.
3. Any provisions contrary to the provisions of this report are hereby rescinded or adjusted to fi the present report.

Amount requested for basic salaries, tenure, dependent support, emergency aid and expenses i $134,000.

V. It is understood by the Commission that special conditions exist which make it necessary fo assistance to be given to churches that cannot meet all the requirements for subsidy. Thes special situations are provided for as follows:
   A. Through consultation with the District Superintendent, Commission on the Black Church Board of Church Development, and upon recommendation by the Cabinet, a church o charge may be declared "Missional" by the Commission on Equitable Salary. Thes churches shall not be subject to the 250 minimum membership goal:
      1. A new congregation with potential growth.
      2. A church in a changing community either urban or rural, which has the potential o making the transition from a declining situation to stability to growth.
      3. A predominantly Black or other ethnic minority church in an isolated situation.

B. Missional needs will be cared for when funds are available upon approval of the Cabinet and the Chairperson of the Equitable Salary Commission and the District Superintendent involved.

VI. Minimum salary levels can best be met when appointments are open to all persons without regard to race and sex. We continue to urge every delegate to make the subject of a fully open Conference and adequately supported ministry at the local church level a matter of daily personal prayer. Only as the love of Christ dwells in us can an Annual Conference be a fellowship of caring persons.

VII. To alleviate some of the disparity caused by the lack of open itinerancy, we propose the conference designate a Sustentation Fund be approved as a Conference Advance Special to provide funds over and above apportionments to be used by the Commission on Equitable Salaries to alleviate the most serious disparities and to encourage stronger leadership in Black churches. The fund is to be promoted by the Equitable Salaries Commission.

VIII. Applications for subsidy are to be signed by the District Superintendent and the Recording Secretary of the Charge Conference.

IX. All special grants must be approved by the Commission in session or two of its three officers.

X. Pastors who decline an appointment by the Bishop are ineligible for Equitable Salary support.

BOARD OF THE LAITY

Report 8

Legislation

FROM: The Board of the Laity
George M. Boswell, Jr., Chairperson

SUBJECT: Time of Meeting of Structures in the North Texas Annual Conference

PROPOSAL: That the North Texas Annual Conference instruct all units of Conference structures which have any lay members, to schedule meetings of the individual units only after 6:00 p.m. Monday through Friday, or on Saturday or Sunday, unless all lay members are amenable to meeting prior to 6:00 p.m., Monday through Friday. This mandated schedule of meetings should be incorporated in the Standing Rules of the North Texas Annual Conference.

RATIONALE: In order for the concerned and dedicated laity of the North Texas Annual Conference to participate in the work of the Conference boards, divisions, commissions, committees, and agencies, it is mandatory that all meetings be held at such a time as the working or professional person of the laity can be reasonably free to attend meetings and to be involved in the work of the Conference.

DESIRED IMPLEMENTATION:
That the North Texas Annual Conference affirm this proposal and that such scheduling begin immediately.

COMMITTEE ON EQUALIZATION ON LAY AND CLERGY

Report 10

SUBJECT: Formula for the Equalization of Lay and Clergy Members of the Annual Conference

PROPOSAL: That the following formula be adopted as the procedure used to determine the number of lay and clergy members of the Annual Conference

Formula:

1. Subtract the total number of lay members prior to equalization from the total number of clergy members. The remainder is the Lay Equalization Factor (LEF).
2. Compute the District Membership Percentage (DMP).
   If a district has more lay members than clergy members prior to equalization, subtract the number of local church members in this district from the total of local church members for the Annual Conference. Such a district will not enter into the computation of the District Membership Fraction.
   Next, for districts that have fewer lay than clergy members, divide the total number of local church members in each district by the adjusted total number of local church members in the Annual Conference (as determined above). This quotient is the District Membership Percentage.
3. Subtract the number of lay members of the Annual Conference required by **The Book of Discipline** (1980 edition, para. 36) from the Lay Equalization Factor.* The remainder is the Adjusted Lay Equalization Factor (ALEF).
   * Lay members required by the **Discipline**:
     - Conference President of United Methodist Women
     - Conference President of United Methodist Men
     - President of Conference Youth Organization
     - Two young persons under twenty-five years of age from each district
     - Conference Lay Leader
     - District Lay Leaders

   These persons shall be elected to the lay membership of the Annual Conference by the District Section.
4. Multiply the Adjusted Lay Equalization Factor by the District Membership Percentage. The product is the District Adjusted Lay Equalization Factor (DALEF), (i.e. the number of additional lay members to be elected by the District Sections to effect lay/clergy equalization.) If a district already had more lay members than clergy members, it will not be included in calculating the District Adjusted Lay Equalization Factor.
5. The date for calculating the number of clergy members of the Annual Conference shall be January 1. This will allow the District Sections sufficient time to elect additional lay members.
6. If the actual number of clergy in the Conference increases after January 1, the Lay Leader of a district in which the imbalance occurs shall select a lay member(s) from within the district to equalize the increase of clergy members.
7. If this formula fails to compute the exact number of additional lay persons per district to offset the clergy of the Conference due to calculations made using fractions of a per cent, the Board of the Laity shall be authorized to correct the imbalance through negotiation.
8. So that a district that has more lay members than clergy prior to equalization may elect additional lay members in its District Section, a courtesy rearrangement of the number of lay members to be elected may be made by the Board of the Laity after the District Adjusted Lay Equalization Factor has been determined.

RATIONALE: The formula outline above is offered for action because the present formula that is used to equalize the number of clergy and lay members of the Annual Conference is difficult to understand and, as far as the Committee can determine, is not preserved in a concise printed form.

The formula suggested here should solve both of these problems as well as provide the Annual Conference with a workable equalization process.

DESIRED IMPLEMENTATION:

If adopted by the Annual Conference, the Conference Councils Office will apply the formula in preparation for each meeting of the Annual Conference.

OTHER CONCERNS:

The Committee realizes that this formula addresses the concern of equalization and not that of representation. It believes the issue of representation should also be studied.

The Committee also thinks that the Conference would be well-served if guidelines for the

selection of lay members in the local church were developed and used by the Committees on Nomination and Personnel and the Charge/Church Conferences.

Finally, the Committee suggests that local churches consider the election of lay members for service during a complete quadrennium with the possibility of self-succession.

BOARD OF CHURCH AND SOCIETY

Nuclear Power

Report 11

FROM: The Board of Church and Society
Rev. William C. Crouch, Chairperson

SUBJECT: Resource Paper: Nuclear Power Issues

PROPOSAL: That the Annual Conference receive the resource paper, which the Board of Church and Society was asked to prepare by the 1980 Annual Conference, for use by local churches in studying the nuclear power issues further in order to arrive at their own reflective conclusions.

RATIONALE: The issues involved in the nuclear power questions are complex and have far-reaching impact. The total energy predicament must be addressed in the process of analyzing the issues. Herein is the purpose of this resource paper — to briefly provide a background on the energy situation and the major issues involved in the nuclear question in the time frame of 1985-2010.

DESIRED IMPLEMENTATION:

That the churches of the North Texas Annual Conference study the nuclear power question further, in light of the issues presented in the resource paper and other resources from various points of view. Inherent in the purpose of this paper is the fact that some readers may question the absolute validity of some of the data presented, particularly in the pro and con sections. It is beyond the scope of this effort to scientifically prove or disprove all data presented in this paper. The reader is encouraged to use this paper as a starting point in a process of self-education on the issues involved in nuclear power and utilize the bibliography of other resource materials provided in the paper.

Border Control

Report 11A

FROM: The Board of Church and Society
William C. Crouch, Chairperson

SUBJECT: Resolution on Border Control (Immigration)

PROPOSAL: THAT the Annual Conference concur with the Board of Church and Society in the resolution:

— that the United States Congress be petitioned to establish effective immigration with just and humane control of the borders between the United States and Mexico.

RATIONALE: At the 1980 North Texas Annual Conference, the Conference passed a resolution to allow the children of undocumented workers access to the Texas public education system.

(The thrust of this resolution is interpreted to mean that the public school districts where these children are enrolled receive the benefits of the State's Available School Fund for the education of these children. This requires a change in Section 21.031, Texas Education Code, now being considered by the Texas Legislature.)

Children do not come to this state by themselves. They are brought by their illegal alien parents who come seeking jobs. Many are finding employment. According to the **Wall Street Journal** August 26, 1980, ". . . without illegal aliens, industries in some states could not survive."

The Department of Immigration and Naturalization Service has followed a checkered pattern of enforcement of present immigration laws, at times deporting illegal workers, at other times taking no action. This uncertainty adds to the problems of the families involved. A regularization of policy and action is called for.

That policy, however, should be just and humane, and should recognize that the question of migration between Mexico and the United States is a matter of bilateral concern and should not be addressed solely as a domestic issue in the United States.

DESIRED IMPLEMENTATION:

1) That the Congress of the United States be promptly informed of the intent of this resolution.

2) That the Board of Church and Society continue to monitor the developments in the area of immigration and border control and related issues, including the concerns and recommendations from the Consultations between the United Methodist Church's Annual Conferences and the Methodist Churches in Mexico along the southwestern border, (1) reporting to the 1982 Annual Conference..
3) That local United Methodist Churches in the North Texas Annual Conference:
   a. be aware of the presence in their own communities of undocumented workers and their families;
   b. help dispel fears; help meet needs which grow out of present uncertain immigration situation, and disseminate information about local public schools available to their children;
   c. press the Congress of the United States, through their elected representatives, to deal promptly, justly and humanely with the issue of immigration and border control over which the Federal Government has total control.

Bilingual Education

Report 11B

FROM: The Board of Church and Society
William C. Crouch, Chairperson

SUBJECT: Resolution on Bilingual Education

PROPOSAL: That the Annual Conference concur with the Board of Church and Society in the resolution:
—that bilingual education be supported in public and private schools, in local churches and church agencies.

RATIONALE: Bilingual education is a method of instruction, not a curriculum element. The ultimate purpose of bilingual education is to assist a student with no or limited English proficiency to successfully participate in English at some grade level in the regular school program.
Not all methods of instruction in bilingual education are the same, nor are they equally successful. The need for special instructional help in some language other than English as the student moves toward proficiency in English has been compounded with the influx of persons of Oriental and Hispanic national origins.
The community becomes and remains a viable community, in part, as it maximizes language communication. This is also essential to the functioning of a democratic society.
The Church must always be alert to finding ways of upholding the bonds of community.

DESIRED IMPLEMENTATION:
1) That this resolution be communicated to local churches and church agencies in the North Texas Annual Conference.
2) That this action be publicly announced through both the church and the secular press.

BOARD OF DISCIPLESHIP

Report 12

FROM: The Board of Discipleship
Rev. Wilfred Bailey, Chairperson

SUBJECT: Annual Conference Accountability To The Ethnic Minority Local Church (EMLC) Priority

PROPOSAL: Whereas the 1980 General Conference of the United Methodist Church has designated the Ethnic Minority Local Church as the single priority of the church and whereas the strengthening of each local church strengthens the whole Church: Be it resolved that each board and agency of the Council on Ministries of the North Texas Annual Conference designate at least 25% of the funds expended for support of the EMLC priority beginning in the 1982 budget year.

RATIONALE: This proposal calls for agencies of the North Texas Annual Conference to take seriously the action of the 1980 General Conference. It is not an appeal for a legalistic accounting

of how funds are spent. Rather, it is calling the Annual Conference to accountability as to how it will support Ethnic Minority churches in the Conference. Each agency will decide how it will support the EMLC and how its funds will be spent.

DESIRED IMPLEMENTATION:

That the Conference Council on Ministries require each agency of the Annual Conference to show how it complied with this legislation at its final meeting of 1982.

BOARD OF AGE LEVEL MINISTRIES

Report 13

The Board of Age Level Ministries continues its effort to fulfill the responsibilities assigned to it. We assume both an advocacy role and a programming role in order to enhance and enrich the church's ministries to persons of differing ages in the home, the local church, the community, and the conference.

Children's Division

1980 saw an expansion of the Camping program to include the SEEK Camp, a ministry to handicapped persons in our communities. The Conference Elementary 3-4 camp has now been expanded to include a second week of camp using Texoma Conference Center. Training for Church School and Weekday teachers has doubled in attendance. Lab schools, demonstration labs, and coaching conferences are included in our continuing efforts to train leadership for Children's Ministry.

Youth Division

Nine events have been sponsored this year with ever-increasing attendance. Through these events it has been demonstrated that we have excellent youth and adult leadership in the North Texas Conference.

Adult Division

The Division on Adult Ministries began the year with a brainstorming session, seeking, as we did last year, to be clear about our task in this Division. Our major focus for the year has been the process of preparation for the Regional Conference on Adult Ministries, scheduled for March 16, 17, and 18, 1982.

The preparation for the Regional Conference (to be held at Lakeview Methodist Assembly near Palestine, Texas) involved some representatives from our Division in a planning session in Austin, Texas in September, 1980. Royce Hardaway, from our Division, was selected to be our North Texas Conference representative to further planning sessions involving five annual conferences of the United Methodist Church. Through these additional planning sessions, the format for the Regional Conference has now been developed, along with clear ideas of the funding procedures and our conference's representatives at the event.

Other events of this year for our Division include arriving at a teaching model for helping adults explore the changes of the adult life cycle (a model which was carried out in one local church in September and October of 1980). In the spring, there was a training event for adult teachers with Dr. John Holbert, professor of Old Testament at Perkins School of Theology, serving as the resource person for the event.

Older Adult Division

During 1980-81 the Division on Older Adult Ministry has been active in seeking to provide resources for local churches in strengthening ministry to their older members and to impact the lives of older persons in a direct way by providing spiritual and recreational opportunities for them. Each church in the Dallas Metroplex, through local pastors, has been provided with a resource handbook entitled **Community Advocacy Retired Elderly/Senior Texans Info-Referral Directory**. This handbook lists all agencies in the Dallas area which provide services to older persons, including counseling, nutrition, housing, transportation and many others. It is designed to be a fingertip reference for professionals to use in aiding older persons to receive necessary services to enhance their style of life.

The Division has also sponsored three major program sources for Older Adults in 1980-81. In the fall of 1980 at Bridgeport Methodist Assembly a clinic on Ministry to Older Persons was conducted featuring Dr. Barbara Gallatin Anderson, author of **The Aging Game**. Professionals who work with older adults, as well as members of the peer group, were offered resources in ministry from the leadership of skilled gerontologists and experts in the aging field. In the spring of 1981 the Division sponsored a spiritual life retreat for older adults, again at Bridgeport, with retired ministers of our conference teaching courses in prayer and Bible study.

The other event of the year was sponsorship of a bus to Mt. Sequoyah to the Fall Jurisdictional Retreat, "The Best Is Yet To Be." The bus was filled with happy travelers to this meaningful event. The Division has also purchased a 16mm film for the conference film library on work with older adults at the Shepherd's Center in Kansas City, which is an excellent aid to local churches in planning their own ministry with older persons.

Conference Youth Council

Report 13A

This has been a good year for Youth Ministry in our Conference. The Youth Division and Conference Youth Council have sponsored nine events ranging from a canoe trip to a training event for local church leaders. Our Youth Council has taken an active role in planning and carrying out all the Conference events. It has been demonstrated that we have excellent youth and adult leadership in our Conference that has helped to strengthen our ministry to this group of people. We are continually looking for ways as a Conference agency to make the work of the local church easier.

PROPOSAL: The "raw" costs of summer camp, which each camper pays, shall be defined as room, board and insurance.

Report 13C

FROM: Division On Older Adult Ministries
SUBJECT: Housing For Older Adults
PROPOSAL: Be it resolved that the Board of Trustees of the C. C. Young Home/Blanton Gardens be directed to study the need and feasibility of extending housing facilities for the elderly of the North Texas Conference into areas of the Annual Conference other than the Dallas metropolitan area.
Be it further resolved that the Board of Trustees of C. C. Young Home/Blanton Gardens report to the Annual Conference of 1982 on this feasibility study and, if potential of adjunct housing is positive, present a plan of action to proceed with such development.
RATIONALE: A waiting list in excess of five years exists at our excellent facility for the elderly in Dallas. Many persons in the Paris/Sulphur Springs or Wichita Falls Districts could effectively be served by facilities in those areas. Additional relief for the crowding of applicants at the Dallas facility would be provided by development of adjunct facilities outside the Dallas metroplex.
DESIRED IMPLEMENTATION:

THE BOARD OF GLOBAL MINISTRIES

Special Report

Report 14

In its planning meeting last fall, the Council on Ministries of the North Texas Conference voted to make missions a high priority during this quadrennium. In particular, it was decided that this Conference should be encouraged to select a project or projects in one or more areas of the world which we would claim specifically as our own. It is intended that these projects would allow for the possibility of not only sending money but people and other resources to see to their accomplishment.

To this end, a meeting was held with Dr. Harry Haines of The United Methodist Committee on Relief, who has presented us a sample list of possibilities of projects we might undertake. Furthermore, UMCOR would be happy to work with the Bishop and a designated team from our Conference to go and examine these projects before they are finally accepted.

The Board of Global Ministries of the North Texas Conference, therefore, moves that we proceed in this direction and that during this year, a study be made to decide which projects would be recommended and the extent of the funding which would be required and that this be presented at the next Annual Conference for final approval.

It is further moved that permission be given for a special offering at some time during the next conference year to implement this mission project.

The Ethnic Minority Local Church

Report 14A

Today, our Annual Conference will be considering several pieces of legislation dealing with the Ethnic Minority Local Church. I am privileged to have this opportunity to share with you some thoughts concerning this which is the Missional Priority of our church for the quadrennium. Perhaps it would be helpful for us to know that a missional priority is defined as a response to a critical need in God's world. It calls for the United Methodist Churches to give massive and sustained effort, through primary attention and ordering or re-ordering of program and budget at every level of the church as adopted by the General Conference. This need is evidenced by research or other supporting data and the required response is beyond the capacity of any single agency or Annual Conference. In other words it takes all of us working together.

This critical need (the E.M.L.C. which includes The American Indian, Asian, Blacks and Mexican Americans) reminds us that we are speaking of persons of a history of being exploited, oppressed and neglected, but who have a rich heritage of culture, lifestyle, and theological insight. These churches historically have not been accepted as a full part of the United Methodist Church and therefore the denomination has not benefited from the rich heritage represented in these churches.

The thrust of this missional priority is one of developing and strengthening the ethnic minority local church. By developing, we have in mind the starting of new churches; by strengthening, we have in mind those ingredients which will enable new and existing churches to fulfill their ministry.

I remind all of us that there is a critical need to be met in all of the ethnic minority churches. I have seen the need and share with you what I have seen. In the little town of Arthur City, Texas, just north of Paris where many of the residents are aged and without transportation and with no opportunity for many to have good wholesome meals, the St. Marks UMC (a black church) became concerned and consequently involved in alleviating this problem within that community. It was through their efforts that transportation was obtained and hot meals were made available to people of all races. The pastor and the people working together within the community made it possible that persons being neglected, persons who normally would not have opportunity for nutritious meals were not only fed but had opportunity to dispel the loneliness experienced by many. It was through this involvement which expresses concern and love for persons of all races, that this ethnic minority local church found itself in ministry in a new and exciting way.

Another example I share is found in the life and the fellowship of the St. Paul UMC in Clarksville. St. Paul Church is a proud and committed part of this body of Christ. You will be interested to know that St. Paul Church, Clarksville is one of the oldest, if not the oldest black church in Texas. It is located in a community of approximately 3,000. More than 50% of that population is of the black race. Indeed this local church has a great responsibility and a great opportunity to be in ministry where they are. However, for a number of years it has been necessary for them to work out of an aged, crumbling, inefficient, dilapidated building. Nevertheless, despite these facts, this congregation is very much aware of their opportunity for service in the name of Christ. Their willingness to do the best that they could with what they had is indeed worthy of applause. This church, however, out of a deep, personal commitment of their own and under the leadership of their pastor, will soon be building a facility that will adequately serve the needs of the people in that community. Not only are they preparing themselves with facilities, but they are attempting to strengthen their own structural organization and helping to qualify their leaders to be better equipped for ministry in the place where God has called them to ministry. It is at this point that I would also remind us as United Methodist Ministers, 97% of whom live in very lovely parsonages, well furnished, adequately maintained, that the parsonage at St. Paul is one that not any one of us should be expected to live in. They will soon have a new church building, but they also need desperately adequate housing for their minister. We can strengthen the ministry of our ethnic churches, we can make the facilities more adequate, we can give of ourselves, through our financial aid. We share a common ministry in the name of Christ. We have through our connectionalism, opportunity to make ministry possible in all of the places of our world. Let us not overlook that which is closest at hand. Let us share our skills, our resources and our commitment for Christian work among our ethnic churches. I can further emphasize the importance of the ethnic minority local church as it is reflected through the work in ministry carried on by The Board of Global Ministry, especially in the area of community ministries. More than 60% of the work that is carried on through community ministries, is in an effort to strengthen and expand the ministries of our ethnic minority local church. We believe in what they are doing. We support their every effort. We want them to know that what they are about is indeed ministry in the name of Christ to all people, and we as a Board shall give all of our efforts and help in reaching out with Christ's love to the people wherever they are.

Once again, the definition of a missional priority is: Response to a critical need in God's world. The EMLC is such a need and is worthy of our support.

Annual Report

Report 14B

The Board of Global Ministries began 1980 with four divisions, National and World Outreach, Health and Welfare, Community Ministries, and Ecumenical Relations. At mid-year, the Ecumenical Relations was changed to the temporary status of a Commission and began to function as the Commission on Christian Unity and Inter-Religious Concerns.

The remaining three divisions fulfilled their disciplinary responsibilities in faithfulness and with creative programming. Individual reports of some of these divisions are seen elsewhere on this page.

National and World Outreach has adopted some goals to encourage local churches to adopt missionaries. At the authorization of the 1980 Annual Conference, a Task Force on Refugee Resettlement was established under the leadership of Phil McLarty. A Disaster Relief Task Force also authorized at the last Annual Conference is functioning and finding ways to be of quick service in times of emergency and need. Jim Palmer is its leader.

Other accomplishments of the National and World Outreach Division are the Conference Cooperative School of Missions; the Advance Special list continues to grow as projects are finished through this method of giving. Education programs for pastors and laypersons within the District about better mission involvement are being developed.

The Division of Health and Welfare continues to emphasize the ministry to persons in homes and hospitals. This group has taken responsibility for making recommendations concerning Methodist Hospital's relationship to the Annual Conference. Various hospitals and homes within the state and conference will make presentations at Annual Conference to give insight and understanding about these institutions.

The Community Ministries Division uses available money to fund projects within both rural and urban communities. New programs are added each year as some become self-supporting. All programs are encouraged to become self-sustaining.

The work of the Board of Global Ministries is to reach out in ministry in at least three ways; through its institutions, through persons who have committed themselves in the field of missions, and through those who make themselves available as study leaders. This program is to help the Annual Conference through its individual churches to be more involved with people where there is need.

DIVISION OF TOWN AND COUNTRY

Report 15

The division of Town and Country Churches has the responsibility for the development, support, and nurture of congregations in non-urban areas (20,000 pop. or less) of our Conference. As such, the division also has the inherent role of being an advocate for the concerns and needs of these congregations to other divisions of the Board of Church Development, the Bishop and members of the cabinet, and the other agencies and boards of the conference whose support is necessary for the well-being of the ministry of these congregations.

In October of 1980, the Conference Council on Ministries developed a programmatic mandate calling for "bold new proposals for congregational development" in the area of town and country churches. This mandate was later affirmed by the Board of Church Development and accepted by this division.

In fulfilling its responsibilities, the division will continue to support the development of self-sustaining ministries in local churches, and beginning in 1982, the number one priority will be the consideration of and the establishment of cooperative parishes among the town and country churches.

The division will concentrate its work in three areas. 1. The exploration of various possibilities and models for cooperative parishes, through such means as consultations involving the division, members of the cabinet and conference staff, and experts in the field of cooperative parish formation. 2. Providing professional guidance for churches of our conference which exhibit a desire and potential for cooperative ministries. 3. The granting of financial support for the formation and maintenance of cooperative parishes. Such a grant will be viewed as a stimulus for the growth of a cooperative parish with the goal being self-sufficiency. This last area is of most importance, for one of the historical roadblocks to the formation of cooperative parishes has been the financial commitment required of these churches.

The purpose of cooperative parish is to increase the opportunities for programming, ministry, and fellowship among United Methodists of 2 or more churches located in the same geographical area. Cooperatively, the churches will have the opportunity to make various ministries possible, that would be improbable, if not impossible, on an individual church basis. The primary objective of a cooperative parish is the strengthening of each local church involved.

A cooperative parish is not an absorption of churches, but rather an enhancement of each local church. Basically, a cooperative parish involves cooperative planning and staffing by 2 or more churches. It may take the form of 1 of the 3 following traditional models.

1. Extended Ministries —a larger church extends its ministry to a smaller church in its geographical area.
2. Group Ministries — 2 or more independent pastoral charges cooperating for ministry in a larger area.
3. Larger Parish — 2 or more congregations doing joint planning and served by a staff of 2 or more people paid from a common budget.

These are in contrast to a circuit, which has one pastor for 2 or more congregations which are independent of each other with the exception of a common charge conference and common parsonage.

Guidelines for the Formation of a Cooperative Parish

I. Initiative from either pastor, layperson, or denominational executive to study the idea, with the defining of the temporary geographic area.
II. Discussion with District Superintendent(s) and pastors involved.
III. Formation of committees in each local church to consider the potential for the project.
IV. A thorough information process be carried out for the congregations.
V. The defining and detailing of the type and form of cooperative ministry, including the proposal for staff and budget.
VI. Approval/Rejection by congregations involved.

Guidelines for Funding

1. The Church Development executive will provide staff time for responding to the initiative, and other necessary efforts to facilitate the process.
2. If needed, the Town and Country Division will provide limited funds on a diminishing basis for up to 3 years to stimulate the formation and nurture of a cooperative parish, with the expectations that the cooperative parish will become self-supporting.
3. For funds to be expended, the appropriate steps for forming a cooperative parish must first be followed by each local church involved. Applications for funding should then be sent by a responsible person from the parish, carrying the endorsement of the District Superintendent and staff executive for Town and Country Ministries.
4. In order to be considered, each application must be accompanied by the following:
   a. Statement of need.
   b. Developmental objectives and proposed method of attaining them.
   c. Copy of previous year's income and expenditures, and the budget for the current year.
5. Completed applications should be sent to the staff executive of Town and Country Ministries, 1928 Ross Avenue, Dallas, Texas 75201.
6. Requests for Parish Development funds, whether new or renewal, will be considered on an annual basis. All requests for the ensuing year must be received by October 1, to be considered for inclusion in the annual budget.
7. Applications will be considered and prioritized in relation to available funds. Allocation decisions for the following year's budget will be made known, via the U.S. Mail, by December 1, to District Superintendents, Town and Country Representatives, and Pastors of local churches which have submitted requests.
8. Approved Town and Country funds will not be released to a local church until a documented statement of immediate need is received for those funds in the offices of the Staff Executive of Town and Country Ministries, 1928 Ross Avenue, Dallas, Texas 75201.
9. Town and Country funds may not be used for any purpose other than the specific project for which they were allocated.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS CUIC

Report 16

The General Conferdnce of 1980 provided that each Annual Conference would create a Commission on Christian Unity and Interreligious Concerns. This commission is to work with the General Commission, receiving and interpreting to the local unit what is happening and the goal directions of Methodism in ecumenical missions.

The membership of this organization has been composed of one person from each district and some at large members. This newly formed commission has met four times during the year.

United Methodists are members of the Consultation On Church Union and the commission seeks to strengthen awareness and participation in the work of COCU. **In Quest of a Church of Christ Uniting** is a booklet report of the study of COCU which addresses the major issues confronting effective union of various denominations of the Christian faith. It is a study book which enables Christians to grapple with the issues and respond in a formal way. It is a goal of this commission to secure just ten congregations in the annual conference who will commit to this study and formulate their response in written form and send it to the COCU office by November 1, 1981. Prior to Annual Conference there were four congregations so committed.

It is recognized that "Christian Unity" is not a reality that will be sought and some day realized. It is a matter that already exists in some form and fashion. There are effective instances of ecumenical cooperation and collaboration going on all the time at the local level. These take the form of ecumenical worship services on special occasions, such as Thanksgiving, Easter, Pentecost, World Communion Sunday, and Prayer for Christian Unity. Many locales report ecumenical cooperation in the offering of social services to people in special need, both on a chronic level and in times of crisis.

In places such as Dallas (of which there is only one) where there is an interdenominational organization, the Greater Dallas Community of Churches, there is supporting membership by many United Methodist congregations. Similar organization in other locales is encouraged.

This commission wants to know of ecumenical efforts at the local level so that they may be publicized and used to raise the public profile of the ways in which the unity of the Church is actualized and dramatized.

This commission will promote participation in the Texas Conference of Churches which is a well organized and potent force of the cause of Church unity in the state. There is an annual meeting of Faith and Order of the TCC which was attended this year by five people from the North Texas Conference. The annual meeting of TCC in Austin was attended by 10 persons from this Conference.

IMPACT is a national organization of ecumenical structure which does an excellent job of informing about current and relevant legislative issues in Washington D.C. and the state legislatures. This commission seeks also to promote membership and participation in the work of IMPACT.

This commission caused there to be present in annual conference worship services this year, people from other denominations, which was a reminder to us all that we are Christians together; this is a priority matter and our work as United Methodists is a means to that effective reality. We will continue throughout the year to raise the consciousness of us all that we are united and can be effectively yoked with others of Christian faith in the mission of the Church and in communion with all people of faith in the sovereignty of God.

COMMISSION ON THE STATUS AND ROLE OF WOMEN: THE DOUBLE-EDGED SWORD

Report 17

> The primary purpose of the . . . Commission on the Status and Role of Women shall be to challenge The United Methodist Church . . . to a continuing commitment to the full and equal responsibility and participation of women in the total life and mission of the Church, sharing fully in the power and in the policy making at all levels of the Church's life. (1980 Discipline, para. 220)

The North Texas Annual Conference Commission on the Status and Role of Women (CSRW) concurs wholeheartedly with the need to challenge or "afflict" the United Methodist Church, but at the same time our Commission strives to comfort, for we take seriously the call to "comfort the afflicted and afflict the comfortable." We feel that our task, paradoxically, is to provide support for those afflicted by existing systems, as well as afflict those who are comfortable with the inequities that exist within our Church. The double-edged sword seems the best metaphor for what we see as our mission.

Our world is in the midst of dramatic social crises — one of which is the new attitude toward rigid sex roles. Change isn't easy for any of us, for we often fear we will lose something that is vital to our very souls. At the same time we know that change can be exhilarating and full of hope. The church is involved in change as it pursues newness — striving ever to be new and relevant — while holding on firmly to its history, tradition, and what is best about its past.

We have heard much about Future Shock, but columnist Ellen Goodman refers to our time as one of Present Shock when people feel stunned by social change. Women are interested in change and yet we don't want to ride a crest of rhetoric and excitement so far from our origins that we lose connection with our past. Rather, we want to reconstruct and celebrate an until now buried past of rich history of women in Methodism as we move into the future as equal participants in the life and work of the Church.

Concern about the history of women in the Methodist Church produced a national Conference in Cincinnati last year, which was attended by two members of North Texas CSRW. Essays selected from papers presented at the Conference will be published by Abingdon in a forthcoming book entitled **Women in New Worlds: Women in the United Methodist Tradition** (Sept. 1981).

— This same concern prompted the North Texas Conference CSRW to sponsor a one-day Conference "Her Story — History — Our Story: Side by Side in the Journey Toward Faith" at SMU in November. This was well attended by the women of our Conference, but attendance by men was disappointingly weak.

— CSRW published a brochure which describes a brief history of our Commission as well as listing some of our actions, goals, and suggestions for local churches.

— We sponsored our 3rd annual dinner honoring women in ministry — clergy, diaconal, and Perkins students — which was attended by nearly fifty persons.

— A member of our Commission participated in the South Central Jurisdictional Cooperative Training Event for Conference Leadership.

— Representatives will be attending the North American Consultation on Christian Women in Media to be held later this week at SMU.

— In monitoring needs within our own Conference, we have authored three pieces of legislation to be presented to this Annual Conference.

— We have worked to compile lists of clergywomen and laywomen who are willing to serve as preachers and liturgists in churches around the Conference.

— We have met monthly and are greatly encouraged with the consistently large attendance of both men and women at all meetings.

In the Districts of our Conference, CSRW coordinators have:

— conducted training events in 5 districts during the annual District Training Events for church leaders;

— compiled and distributed informative packets about the work of CSRW;

— written informative letters to pastors and local church representatives of CSRW;

— circulated Talent Bank forms so that we may be better informed of the talents of women within our Conference.

At the local church level, CSRW is involved in a variety of ways:

One church has established a Women's Resource and Counseling Center which includes an Arts Ministry, Counseling phone service, and life relevancy classes. Other churches are sponsoring seminars on Grief, Stress Management and Anxiety, Rape Crisis and Prevention, Relationships, American Foremothers, Prescription Drug Abuse, Nutrition, Women and Money Management, Women in Politics, Women and the Draft, and Dual Career Marriage. Another church had a day-long informative workshop planned to help women explore their own personal view of ministry, which featured a drama written by a local woman about women. Other local commissions have written letters urging the use of inclusive language in worship services; while others are studying the multi-faceted issues involved in the status and role of women, and assessing the needs in their churches.

Future goals of the Conference Commission:

1) Our first goal echoes a goal adopted by the General CSRW for this quadrennium — increasing substantially the number of women in church leadership positions. The phrase, "We couldn't find a qualified woman," is outdated, for we have many qualified and committed women willing to serve, yet at the present time women comprise only 18.6% of Conference leadership. We intend to compile information concerning capabilities of women through widespread circulation of Talent Bank forms.

2) To help raise sensitivity and awareness enough concerning inclusiveness of women that churches and Conference agencies will act naturally rather than because of legislation.

3) Sponsor another day-long Conference in the Spring of 1982.

4) Send at least two members of CSRW to Regional Training sponsored by the General Commission.

5) Follow-up on past and current legislation — reevaluating and monitoring where we are as a Conference and as a Commission.

6) Develop a Conference or Workshop to be held in the outlying Districts.

7) Do more networking of women's events and concerns.

8) Work on some guidelines concerning inclusive language.

9) Most of all, we will strive to remain sensitive to the needs of all women and men, continuing to work within the structure of the United Methodist Church where our heritage is strong and our roots are deep.

REPORT FROM COMMISSION ON HIGHER EDUCATION

Report 18

We began this year's work by setting goals which we felt important to our work.
These goals are enclosed as a part of this report:

1) To comply with General Conference Legislation that there shall be a Board of Higher Education and Campus Ministry. This to be recommended to the 1981 Annual Conference.
2) Put Annual Conference in Dialogue with institutions of Higher Learning within the Conference. We would also include in this discussion the unique place of the church related colleges and our relationship with the Texas Methodist College Association.
3) Interpret and Promote Special Days, Loans and Scholarship possibilities to students (includes Ethnic Minority students).
   a) H.A.N.A. Hispanic, Asian and Native American Scholarships. A part of World Service.
   b) Methodist Student Day — Second Sunday in June. The offering to be for Methodist Student Loans.
   c) World Communion Sunday. The Offering to provide Ethnic Minority Scholarships.
   d) Student Recognition Day to be the last Sunday in December.
   e) **Black College Day.**
   f) Promote 100% Pay Out of Texas Methodist College Apportionment.

The rest of the report will be a response to these goals.

1) The Commissions on Higher Education and Campus Ministry will become the Board of Higher Education and Campus Ministry at the Conference.
   The plan for merger is:
   a) **The Board of Higher Education and Campus Ministry**
      The Board of Higher Education and Campus Ministry shall promote the cause of ministry on campus to the Annual Conference; initiate needed campus ministry projects; evaluate the effectiveness of campus ministry units; support campus ministries and their Boards and participate in their work; project long-range trends; encourage adequate funding for campus ministry; coordinate events and programs which involve both divisions. It shall be constituted and function in accordance with para. 722 of the 1980 Book of Discipline. Its membership shall be comprised of those members of the two divisions named below plus the chairperson of the Board to be nominated by the Conference Nominating Committee and elected by the Annual Conference, with opportunity for additional nominations from the floor.
   b) **The Division of Ministry to United Methodist Church-Related Colleges and Universities**
      The Division of Ministry to United Methodist Church-Related Colleges and Universities shall be constituted and function in accordance with para. 722 of the 1980 Book of Discipline. It shall be composed of the following persons: a chairperson, a district representative from each district in the North Texas Conference; and a representative of the trustees or someone who shall be appointed by them, of the following institutions: Huston-Tillotson College, Lon Morris College, McMurry College, Scarritt College, Southern Methodist University, Southwestern University, Texas Wesleyan College and Wiley College. No more than four (4) additional at-large memberships may be elected to the membership of the division. The division chairperson shall be nominated by the Conference Nominating Committee and elected by the Annual Conference, with opportunity for additional nominations from the floor.
   c) **The Division of Ministry to State and Community-Related Colleges and Universities**
      The Division of Ministry to State and Community-Related Colleges and Universities shall be constituted and function according to para. 722 of the 1980 Book of Discipline. The Division shall be composed of the following persons: a chairperson; the district representative of each district in the North Texas Conference; the chairperson or representative of each local campus ministry unit board and a student or faculty representative of each conference appointed campus minister. The campus ministers shall be ex-officio members without vote. The division chairperson shall be nominated by the Conference Nominating Committee and elected by the Annual Conference, with opportunity for additional nominations from the floor.
2) A Task Force has been selected and begun work on a major event for the Conference sometime in 1982. We will be addressing the question of the unique place of the church related college in the 1980's. Rev. William J. Bryan III is chairing the design team. Members of this team are: Dr. W. J. Washington, Dr. George Boswell, Dr. William T. Stephenson, Mr. Charles Harper, Rev. W. M. Finnin, Jr., Dr. Zan Holmes, Jr., Rev. Betsy Turecky, Mrs. Jan Wiksten, Dr. Ben Feemster, Mrs. Mattie Tanner, Mr. Charles Musgrove, Rev. Ray Hennigh and Rev. James Garrett.
   We are excited about the prospects for this event. Details will be presented later.

3) We continue to be interested in interpreting and promoting Special Days, Loans and Scholarships possibilities to students. We encourage the support of all of our churches for these special days.

Chairman, Higher Education

COMMISSION ON COMMUNICATIONS AND RESOURCES

Report 19

FROM: Commission On Communications And Resources
Ed Deane, Chairperson

SUBJECT: Amendments to the "Constitution and By-Laws of the United Methodist Communications Council"

PROPOSAL: That the following changes be made in the Constitution and By-Laws of the United Methodist Communications Council:

SECTION II-A-1: "One objective of The United Methodist Communications Council shall be to oversee, through its Newspaper Division, the editing and publication of THE UNITED METHODIST REPORTER, a weekly newspaper."

SECTION VII-A-1: "NEWSPAPER DIVISION — This Division shall be composed of a Chairperson elected by the Communications Council, a Vice-Chairperson and Secretary elected by the Division and other members as designated by their respective annual conferences. Each annual conference outside of Texas and New Mexico which utilizes the services of THE UNITED METHODIST REPORTER shall be entitled to designate one voting representative to the Newspaper Division."

SECTION VII-A-2: "This Division shall be empowered to conduct the business of THE UNITED METHODIST REPORTER and related activities."

RATIONALE: The above amendments to the United Methodist Communications Council Constitution and By-Laws will have the effect of changing the name of THE TEXAS METHODIST/UNITED METHODIST REPORTER to "THE UNITED METHODIST REPORTER." The United Methodist Reporter has grown in the past ten years from a regional newspaper for Texas and New Mexico into a national newspaper which serves over one-half of the annual conferences in the United Methodist Church. This proposed name change is an acknowledgment of this fact. The name change in no way alters the legal ownership of the newspaper (it is owned by the seven annual conferences of Texas and New Mexico).

Each annual conference edition of the United Methodist Reporter will maintain its local identity (e.g. our annual conference edition is titled the North Texas Methodist).

This proposal was unanimously voted at the 1980 meeting of the Newspaper Division and was overwhelmingly passed at the 1980 Communications Council Meeting.

IMPLEMENTATION: Approval by the 1980 North Texas Annual Conference.

Annual Report

Report 19A

A conference-wide video network is among the future plans for the Commission on Communications and Resources for 1981-82. This network would place a video recorder/player within access of every local church in the Conference and produce video-cassettes to be distributed for use by local churches and districts.

In addition to the above plans, the Commission also continues to upgrade the two major communication tools of the conference: the Conference Resource Center and the NORTH TEXAS METHODIST.

The CRC continues to be used widely by churches of the Conference for films, filmstrips, video-cassettes, and equipment. This past year has been the busiest in the CRC's history as in excess of 3,500 items were checked out by churches. Plans are for the CRC to continue to expand and upgrade its film library, with an increasing emphasis upon its video-cassette library.

Over the past year, the NORTH TEXAS METHODIST, the Conference's weekly newspaper, reached over 40,000 families in the North Texas area. A highlight of the paper was its coverage of the 1980 General and Jurisdictional Conferences. The editor was present at both these events, sending stories about the participation of the North Texas Conference members in these Conferences.

Through United Methodist Communications the Commission sponsored a number of leadership training workshops in the area of communications.

The Commission will continue to seek ways to communicate the gospel in the North Texas Conference. It will also continue to be a resource to local churches of the Annual Conference through the CRC and the NORTH TEXAS METHODIST.

UNITED METHODIST MEN

Report 20

Considerable activity has been taking place with the United Methodist Men in the Conference. Many of the groups have registered with the Central Office and other groups have been organized. Continued interest has been shown by some of the groups.

The Conference president has assisted some of the men's organizations and has visited others. Plans are underway and registration has already been made for the Conference President to attend the National Conference of United Methodist Men at Purdue in July.

The United Methodist Men's Retreat at the Conference Center at Lake Bridgeport was again quite successful. Many reported one of the most interesting programs. Federal District Judge Barefoot Sanders was the Friday night speaker, while Roger Deschner, of Perkins School of Theology, led the music program. Jimmie Davis, of Oak Lawn in Dallas, led the early morning devotional on Saturday. Tom Christian, of the Conference Office, Dr. Joe Washington, Director of the Conference Office, and Glenn Simpson, of First UMC in Grand Prairie, conducted a panel discussion on organization of the United Methodist Men and programming the organization. This was followed by a message from Dr. Bruce Weaver, Spring Valley UMC.

Much credit must be given to Glenn Simpson and Tom Christian for the planning and conducting of the retreat.

In behalf of these ladies and the remaining 13,000 in the North Texas Conference, Bishop Russell, we welcome you to the North Texas Conference and the Conference Mission Team!

A United Methodist Woman today is a church secretary, a director of R.S.V.P., a laboratory technician, a director of Head Start, an office manager for a construction firm, a secretary-treasurer for a self-owned company, a records supervisor for a city parks and recreation department, a housewife, an executive director of Inter-Faith Disaster Task Force, a professional volunteer, a wife using her professional training to assist her husband who is a dentist or an obstetrician, and she is also an ACTIVE member of a local church.

I have just described to you the North Texas Conference United Methodist Women's Mission Team, but it could be any of the 13,000 local United Methodist Women in the North Texas Conference. We find ourselves in different surroundings — yet, OUR WORK GOES ON!

Last year we celebrated 100 years of service in North Texas. A research committee on our 100-year history worked faithfully and enthusiastically. New and precious material was found. As a result of becoming more knowledgeable of our past, we have developed a feeling of deeper pride and appreciation for those who have carried out the PURPOSE of women in mission in whatever part of the century and we feel even more committed to continue our work in local churches, in districts, in Conference and in the world.

The United Methodist Women in the North Texas Conference have honored Mrs. John L. Beard (Myrtle) for her dedicated work in researching and compiling this history by presenting her with a sustaining membership which represents over $1,000 being given in her name as an undesignated gift to missions. Thank you, Myrtle, for all you do — not only for United Methodist Women but for the entire North Texas Conference!

A $500 fund has been designated to begin the writing of our 100-year history which will be published. Myrtle is responsible for this. OUR WORK GOES ON!

The Conference Mission Team has been busy preparing for work ahead. Our PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church. This group of women is dedicated to this PURPOSE and I'm sure you will be seeing the results.

One new officer attended training in Cincinnati and became familiar with the facilities at the Service Center; five others went to New York for their training and were fortunate enough to be able to tour the facilities at 475 Riverside Drive and also the United Nations; eleven attended a 5-day World Development Workshop in San Antonio in February; others attended a 3-day Legislative Procedure Workshop in Argyle last March; a Corporate Responsibility Seminar in New York this month and two of our District Officers attended a Women as Consumers Consultation in Fort Worth.

Information from these workshops, consultations and seminars will be passed on through the Schools of Christian Mission, the Cooperative Schools, Annual Meetings, Officer Training and specially designed workshops. Our World Development Workshop is planned for March of 1982. In February, 1982, a team from the Women's Division will be here to train Conference and District Officers in Financial Promotion.

Marilyn Winters, Vice President and Chairperson, Section of Christian Social Relations of the Women's Division will be our special speaker at Annual Conference September 26th at First United Methodist Church in Richardson. Consider this a special invitation to each of you here to share the day with us. I promise you an exceptional day. SATURDAY, SEPTEMBER 26, FIRST UNITED METHODIST CHURCH IN RICHARDSON.

Spiritual Renewal Retreats designed by several of our District Mission Teams have been receiving a great deal of response from our women. These District Teams continue to offer creative, inspirational and informative functions which is resulting in increased membership and participation in United Methodist Women. OUR WORK GOES ON!

Our Pledge to Women's Division for 1981 is $131,000 which is our share of the $15,234,237 for the mission of the church through undesignated giving, primarily through the local unit Pledge to Mission. Other undesignated gifts come through the World Thank Offering, Special Mission Recognitions, such as the one given to Myrtle Beard; gifts on behalf of persons in mission and In Remembrance and Memorial Gifts.

The Women's Division is the single largest source of appropriations income for the General Board of Global Ministries. Since 1974, Women's Division's yearly appropriations to World and National Divisions have averaged $4,560,315 to each Division. Annual expenditures have averaged $5.7 million to World Division and $6 million to National Division. In other words, we have given each Division over a million dollars a year in addition to the budgeted amounts. At no time since 1974 have administrative costs for Women's Division been more than 6.1%.

The General Board of Global Ministries faces a serious drain on World Service money resulting from the court accepted Pacific Homes settlement of $21,000,000. The obligation of the General Board to fulfill

this settlement jeopardizes current and future mission efforts. At a plenary session April 6th, the Women's Division voted a $500,000 grant to the General Board of Global Ministries to help sustain the current program. The source of this grant will be Income from Investments — not undesignated giving. OUR WORK GOES ON!

COMMITTEE ON EPISCOPACY

Report 22

The COMMITTEE ON EPISCOPACY of North Texas Conference has met in accordance with the Book of Discipline and has kept in touch with Bishop John Russell throughout the year. The fact that we received a new Bishop following the Jurisdictional Conference in July gave us the opportunity to work with the Committee on Episcopacy of Central Texas Conference to plan and carry out the Investiture Service that was held on September 21, 1980. The two Committees met, appointed committees with membership from each Conference, and considered this event a great opportunity to have our Conferences work together in a meaningful way.

Accurate records of the committee's proceedings and finances have been kept and are filed in the office of Bishop Russell. This Investiture was held at the Tarrant County Convention Center, Ft. Worth, Texas, with over 2,500 persons in attendance. The Bishop's message was meaningful and well received.

The Committee on Episcopacy of North Texas Conference met with Bishop Russell in November 1980. Members of the Committee told the Bishop about themselves and expressed their expectations for the North Texas Conference. Bishop Russell shared his personal concerns and hopes for his administration and his family.

Bishop John Russell and his wife, Mary Jean, have endeared themselves to many persons in the North Texas Conference and we look forward to working with him during the coming years.

STANDING RULES

Report 23

FROM: Standing Rules Committee
Don Barnes, Chairperson

SUBJECT: Organizational Structure description and Standing Rules

PROPOSAL:

A. Delete all paragraph and year references to the Book of Discipline from the Organizational Structure description and the Standing Rules and, where necessary, replace the reference with an appropriate phrase, such as — "the current Book of Discipline," "the current disciplinary provisions," or "Section I of the Social Creed."

B. To take care of the above, add this paragraph as paragraph six to Standing Rule 3:

"All agencies will fulfill the functions and responsibilities as described in the Organizational Structure description and the applicable legislative paragraphs in the current edition of the Book of Discipline."

C. Place the Organizational Structure description and chart to Standing Rule 3 and delete from Standing Rule 3 the listing of the Component Parts of the Annual Conference and the following paragraph (which is paragraph four of the Council on Ministries description).

D. With the Organizational Structure description becoming a part of Standing Rules, Standing Rules 10 and 29 can be deleted as the committees they describe are part of Standing Rule 3. Also Standing Rule 27 is no longer necessary as the Organizational Structure will be printed along with the Standing Rules each year in the Journal.

E. With the above deletions, it will be necessary to re-number the affected Standing Rules.

RATIONALE: Proposals A and B are recommended in order to remove the necessity of making a large number of changes in the structure every four years. Each agency should be able to function by the disciplinary paragraphs that are their responsibilities.

Proposal C is to place the Organizational Structure within the Standing Rules so that the Standing Rules Committee will be responsible for keeping them updated.

Proposals D and E are necessary because of Proposal C.

DESIRED IMPLEMENTATION:

Standing Rules Committee will make the changes as voted by the Annual Conference.

COURTESY AND RESOLUTIONS

Report 24

Be it resolved that the North Texas Annual Conference recognize its gratitude to God for the enabling leadership of our new chief pastor, Bishop John Russell, not only in this 1981 session, but for the substance he gives to the phrase "Episcopal Leadership" through his keen eye for the business of the Conference and his warm heart for its people and mission. Along with his gracious wife, Mary Jean, and their family, the Russells have brought a sense of joyful expectation for their tenure with us.

In addition to the Area Director of Professional Ministries, the Cabinet, the Conference Staff, and the Conference Secretaries, this Conference is indebted:

To Dr. Walker Railey and his staff, along with the congregation of First Church, Dallas, for hosting the opening services of the Conference.

To Dr. Leighton Farrell and the lay and professional leadership of Highland Park Church who have hosted us.

To those who sponsored, organized and hosted the many meals during the conference.

To The Reverend Charles A. Neal and the members of the Division of Worship for their guidance in the worship life of the Conference.

To the lay and professional leaders of Worship in Word and Sacrament, Music and the Arts, especially those at:

First Church, Dallas, and Highland Park
Oak Lawn
Perkins School of Theology
Highland Hills
Lambuth
Northaven, and
The Fellowship of United Methodists in Worship, Music and the Other Arts

To the Reverend Ann Cardwell, the Reverend Walter Marcum, and Dr. Norman Hudson for their pulpit leadership in our morning worship.

To Dean Joseph Quillian for his sermon at the Memorial Service.

To Bishop Roy C. Nichols, our Conference preacher, for his contribution to our sense of calling as Christians.

To George Boswell, M.D., our Conference Lay Leader.

To the Reverend Don Waddell and the other members of the Agenda Committee.

To the Christian community at large and most especially the People United in Methodism in the North Texas Annual Conference who give us the hope and courage to begin again.

CONFERENCE HEADQUARTERS COMMITTEE

Report 26

ROM: The Conference Headquarters Committee
William C. Crouch, Chairperson

BJECT: Recommendation on Housing Conference Offices

ROPOSAL: That the Annual Conference concur with the Conference Headquarters Committee that there be no change in the housing of Conference offices at this time, but that a Committee on the Housing of Conference Offices be appointed by the Bishop.

.TIONALE: The Committee recognizes that there are some problems with the present arrangement of Conference offices. These problems include the fact that parking is not always adequate, that our offices are scattered, that they are not as readily accessible or central as might be wished. The churches which presently house the Conference offices are satisfied with the present lease arrangement and have no plans to request a change. A continuing committee is needed to have continuing responsibility to monitor the

changing situation in office housing. Changing conditions in the churches where offices are housed, changing needs of the Conference and changing conditions in real estate bear watching closely in the future.

For the information of the Conference, the money received from the sale of the Selecman property and the money received on the apportionment for Conference Headquarters has been invested along with other Conference funds. Money from this fund was used to remodel the offices for the Council on Ministries and the Council on Finance and Administration. At the present time the fund amounts to $129,088.

DESIRED IMPLEMENTATION:

That the Bishop appoint a standing Conference Offices Housing Committee and that the Committee on Standing Rules be asked to recommend changes in the Standing Rules to make this committee a permanent part of the Conference Structure.

ASIAN MINISTRIES COMMITTEE

Report 2

This Committee evolved from the Asian Church Task Force, and has as a primary concern that of helping to develop Asian United Methodist Congregations. Committee members have represented the various Asian groups now meeting in the bounds of the Conference. Those groups include: Korean congregations at Preston Hollow and Axe Memorial United Methodist Churches; Filipino Ecumenical Fellowship (at Cochran Chapel); the Filipino Church at Munger Place; and the Taiwanese Christian Church (Formosan) at University Park. In addition there are other Fellowships formed or forming at First UMC, Richardson (Korean); a Korean group in Oak Cliff; and one very new group of Chinese in Oak Cliff who have been meeting for worship.

This Committee, in eight meetings during the year, has received Project Requests for possible programs from the representative Asian groups; is planning an Asian Youth/Young Adult Rally for the summer of 1981; has had assistance from Conference Council Staff in planning for future work especially in training programs for leaders; is receiving information from the Commission on the Black Church (in relationship to EMLC funding); is aiding church fellowships to move toward becoming churches; and has worked to locate Asians in our communities who need to find places to worship. A recent D.I.S.D. report indicates that there are more than 2,700 Asian-American children in the District (Kindergarten-High School) which means that there are several thousands of Asians in our midst. The future is bright for growth. We wish to thank the Cabinet of the Conference and the Conference Council Staff for assistance in this year, as this Committee has sought to begin a viable ministry in several language groups. The task before us is to continue to work at defining the shape of Asian Ministries in the North Texas Conference and to aid in mutual ministry to all of us in the name of Christ.

REPORT FROM THE DISTRICT SUPERINTENDENTS

Report 2

Bishop Russell, fellow cabinet members, lay and clergy members and guests of this 115th annual session of the North Texas Annual Conference of The United Methodist Church, greetings and every good wish as we join and share in these days together.

We rejoice in the coming of Bishop John Russell to be our presiding Bishop. Those of us who have the honor and privilege of working with him and sharing in responsibilities together would want him to know of our very sincere gratitude and appreciation in his coming. While with us only a brief time, he has truly become one of us and has exhibited a genuine pastoral spirit. We join with our fellow Conference members and friends in saying to Bishop and Mrs. Russell and family — welcome among us, and we are glad you have come as our episcopal leader. We look forward to our mission and ministry together.

— An Upward Turn —

How good it is that we can report an upward turn as we look at the past year among the church in the Conference. For the first time since 1958 we have shown an increase in church members received, enrollment in church school, average attendance at worship and average attendance in Sunday school. Although numbers are not always indicative of success, we fully believe this statistic to be a good sign among us. Another hopeful and helpful indicator is the increased percentage of payment for a apportionments and askings. We would want to express a word of sincere thanks to all churches that are 100% churches and urge those few not quite at that level to attain 100% category at the earliest possible time. One of the best ways for this to be done is to set goals and plans annually for a 10-month pay-out program.

— New Pension Program —

You have heard, and will hear much more, about the new comprehensive Pension Plan for the North Texas Conference, joining with other conferences across United Methodism. This is an excellent and expanded pension coverage for the clergy of our denomination. It is a big hill to climb, but one that is certainly attainable, as all share in this move forward. Your fullest support is asked for.

— Methodist Hospitals —

At our last session of Conference you charged the cabinet, along with other resource people, to study the relationship of Methodist Hospitals of Dallas, Inc. and the North Texas Conference. We have taken this responsibility seriously and much time and effort has been given to the matter. We in this Conference are not alone in such a study. The Division of Health and Welfare of The Board of Global Ministries is in the midst of intensive study on behalf of all of us and our kindred institutions. It has not been completed as yet. We, therefore, are asking a continuance of our study through a special committee that will be asked for through other reports to you.

The cabinet concurs with the need to clarify and strengthen the relationship of the Hospital Board and the Conference. We feel we are in the process of complete clarification of ownership through our studies, and will, without doubt, find the Conference as the proprietor of properties while the Board of Directors (Trustees) hold the hospitals in trust. They are our hospitals and thus our healing ministry in many ways and places. We urge your support for the proposals to be placed before you on this matter.

— Statewide Program Of Evangelism —

As a cabinet we affirm the program of evangelism and local church growth recommended by the four Texas Bishops through the Texas Methodist Planning Commission. This proposal will allow each Annual Conference to plan, set goals, schedule events that will fill peculiar needs and challenges unique to us. We must be flexible from Conference to Conference, but this does not minimize the tremendous call upon us as an Annual Conference to reach out and touch lives in a variety of ways and bring people to a new discipleship through The Church of Jesus Christ.

—United Methodism's Missional Priority —

Needless to say, we did not do very well last quadrennium on strengthening Ethnic Minority Local Churches through the one-of-three priorities. We have a second chance on this one. "What is it?" people have asked and continue to ask. Too often we seem to have settled on the easy answer. We pay our apportionments and pray that God will take care of the rest. Some of us have been lulled into thinking that maintenance issues such as equitable salaries and salary supplements for ethnic minority clergy, church extension and scholarships for ministerial education are the heart of the missional priority. These items, though urgent, are symptomatic not systemic. God requires that we share our resources and care for one another, particularly the poor and oppressed. But God requires much more than sharing. What, then, is our call? We are called to look inward to rediscover God's purpose. As the Pharisee in Luke 18:9-14, we get comfortable and self-contented and thus our response to God is legalistic, and we deliberately avoid God. We choose not to become involved or fully engaged with God.

In the midst of the North Texas Conference we are greatly challenged by increasing numbers of Asians, such as the Koreans, Chinese, Filipinos; by the tremendous opportunity among the Spanish-speaking people; the Native Americans; and certainly, the increasing need to strengthen our Black Churches.

Perhaps God has chosen this time and place to wrestle with us, just as He wrestled with Jacob (Deut. 10:12-22), until we are wounded and visibly changed. Isn't God offering us an opportunity to be strengthened and transformed into a new church? The days before us must be times of reflection, study, and action. This is the challenge of our faith together — a second chance that we dare not fail to accept and fulfill.

— Women In Ministry —

This year marks the 25th anniversary of full Conference membership for women in the former Methodist Church. This came about by action of General Conference in 1956. This anniversary provides an opportunity for the Annual Conference to recognize and celebrate the ministries of women in the various traditions that are continued in the United Methodist Church. We as a cabinet affirm the strength of women in ministry among us, and call upon the local churches to be knowledgeable and helpful in the utilization of this tremendous talent and leadership available in our Annual Conference. It is in local churches that persons are nurtured in the Christian faith. Some respond with a desire to serve the church as clergy. We can rejoice that increasingly women respond to that call and join a long tradition of God's faithful servants. It is in the local church that they desire to serve and our churches must become open to this fine leadership available.

— An Enlarging Challenge —

One of the real challenges, to the cabinet as well as all clergy members and local churches, is the enlarging emphasis upon consultation, evaluation and continuing education among our clergy. In cooperation with the Board of Ordained Ministry and all local churches, we have a very great responsibility in this work and as a cabinet have a commitment to excellence in these matters.

—A Real Blessing In Leadership —

What a blessing we have in the outstanding lay leadership all across this Conference — in the local church, in our districts, in the Conference, in the jurisdiction and the general church they serve and serve well. We have the quality and quantity as well to lead in so many ways. How grateful we are for this committed lay leadership, and seek to find them in ever increasing roles of service for Christ and the Church.

— Our Bishops Challenge Us —

The Bishops of United Methodism give such dedicated leadership and often challenge us to specific matters. One such challenge in this quadrennium is a call to greater Bible study for our people. The new and excellent adult Bible curriculum materials are to be available soon, while new Bible study curriculum for children and youth will be coming a bit later. I have seen the preview materials for adults and find them to be just what many have been asking for. It seems to me that the Curriculum Resources folk of our denomination have heard the voice of our people and are responding in a very fine manner. We must also respond through the use of our fine United Methodist curriculum resources made available to our churches.

Let us heed the challenge of our bishops to become a more biblically knowledgeable people called United Methodists.

There are many other things that could be shared with you today, but that would require more time than I should take. We do ask that you keep us in your prayerful thoughts, and we sincerely seek your help and guidance that we might do a better work for you and our Lord.

Let me close with these words. We are called to be people of love and with that love we must have the knowledge of faith. To that end we are further called to "live in the light" to "learn Christ," and to "walk in the spirit" (Ephesians). There is no part of the Word in the New Testament more relevant to our day and generation than this. It holds before Christian people the vision of The Church as the working Body of Christ, and of its mission to bind all peoples in a unity of worship and love. In this faith, Christians can stand firm and can grow together.

What a challenge is before us. As in Ephesians 5:4, "Stand up, O sleeper, and arise from the dead, and Christ will give you a light."

This is the church's call to its people! Ours is not to begin — but to begin again!

REPORT OF THE CONFERENCE STATISTICIAN

Report 2-

On December 31, 1979, The United Methodist Church had 9,548,488 lay members in the 38,539 local churches.

Out of the top seven churches by membership in all the United Methodist Church, all seven of them ar in Texas, and three of these are in the North Texas Annual Conference. Highland Park UMC is second largest, Lovers Lane UMC is third largest, and First UMC in Richardson is seventh largest. Also First UMC in Dallas is the eleventh largest local church.

The Median Church size in Methodism is 139 members. Median is NOT the average size of the church but the middle church with 50% being larger and 50% being smaller. The Median Church size in th North Texas Annual Conference is 129.

For the first time in 22 years, since 1958, the North Texas Annual Conference has shown an increase i all four person categories of Church Membership

— Church Membership
— Morning Worship Attendance
— Church School Membership
— Church School Attendance

We have finally turned the corner. I am happy to make this report of the work done in and by you in the ocal churches. Three of the seven Districts showed an increase in all four of these categories, and two ther Districts showed an increase in three of the four categories.

I believe the General Church is not far behind. The decline is rapidly slowing, and in fact, the Morning Worship Attendance showed an increase during the last reporting year.

I urge each local congregation to set as their personal goal to show an increase of at least one person in ll of these person related categories.

NORTH TEXAS CONFERENCE MINISTERS' WIVES CLUB

Report 30

The forty-third annual Ministers' Wives Club luncheon of the North Texas Conference convened in the reat Hall of Highland Park United Methodist Church on Tuesday, May 26, 1981, at 12:15 using the heme "Things Chinese." One hundred seventy-six people were present.

ETHNIC MINORITY LOCAL CHURCH CONCERNS

Responsibilities Of Facilitator

Report 31

. Field involvement — working with local churches in developing concepts of ministry, pulling together statements of ministry and how these might be made practical.

2. Developing — with local church direction — proposals to fund ministry needs. This task includes working with District Superintendents, Conference staff, and other necessary officials in order to process proposals.
3. Developing communication and funding processes to both publicize and stimulate funds both at a national and conference level.
4. Administer Conference EMLC funds, including Advance Specials, and assist in fund raising.
5. Staff responsibilities to the Conference Council on Ministries would be primarily working with the newly created EMLC committee presently structured under the Commission on the Black Church.
6. Working in developing models of ethnic ministries, i.e., parish development, inner-city ministries, youth ministries, cluster groups, etc.
7. Being available to the Cabinet for consultation concerning ethnic ministry needs.
8. Being a representative for ethnics as both a symbol and a voice for their self-determination.
9. Assist with evaluation functions at all church levels (District, Conference, Jurisdictional and National).
10. Developing sensitivity/awareness training and resources for white churches.

Rationale For EMLC Staff Person

Report 31A

I. **RATIONALE:**

A) **Lack of Attention:**
The magnitude of the work to be done to strengthen and develop ethnic churches (i.e., coordinating, researching, communicating, resourcing, proposal writing, etc.) in the North Texas Conference merits considerably more attention and expertise.

B) **Lack of Resources:**
The amount of resources available to the Annual Conference (30% of EMLC apportionments) is grossly inadequate to deal with the enormity and severity of need of the ethnic churches in the Conference.

C) **New Staff Needed:**
The establishment of a staff person will greatly facilitate the work of the Commission on the Black Church and EMLC Committee. Such a person would be expected to generate and coordinate resources from general, jurisdictional, Annual Conference and district boards and agencies for ethnic churches in the Conference.
Inasmuch as this is a quadrennial emphasis program, the investment of such a staff person would make this an appropriate and serious effort to impact our Conference ethnic churches.

II. **EXISTING MODELS:**
There are several conferences that have similar models of Ethnic Minority Local Church staff persons that have proved to be very effective:
A) Kansas City — Preston Jones
B) New Orleans — Jimmy Walker
C) Fort Worth — Nelda Barrett
D) Chicago — Marc Dean

CAMPING AND RETREAT CENTERS COMMISSION

Report 32

The Commission is excited about the progress that has been made to update the facilities at Bridgeport and Texoma. Three projects stand out on the list of accomplishments. A new 24 bed dormitory was constructed by the Julien C. Hyers Committee Lion Youth Camp that sponsors the annual Lions International Youth Camp Event. This dormitory was financed by the Lions Organizations in the 2-E2 and 2-XI districts in North Texas. The building will be named the Julien C. Hyer Dormitory in memory of the late Judge Julien C. Hyer, president of Lions International 1931-32.

The dining hall at Texoma has undergone major remodeling with the addition of a new food service facility, new restrooms, and central heat and air conditioning.

The Folsom Activity Center was begun at Bridgeport in January 1981. Completion is due in June 1981. This project is a memorial to the late Jack V. Folsom. Mr. Folsom served as the North Texas Conference Lay Leader for 19 years.

Texoma

A major addition to the Texoma dining hall was completed in May 1981. The original hall will serve as the primary dining and meeting facilities for the camp. The new addition houses the food service, restrooms and staff lounge. The SEEK Camp requested that modifications such as hand rails in bath

rooms, wide doorways and sidewalks be made available to allow the handicapped to use the camp with more comfort. Many of the changes have been made and others are due to be made in the coming year. The family camping area continued to be a major addition at Texoma. Due to the many improvements in the resident camp attendance is also increasing.

There are 66 beds in cabins with heat and air conditioning.

Bridgeport

After 5 years of fund raising and planning the Folsom Center is a reality. Completion is due in June 1981. The Center will be used primarily for informal activities. A celebration is planned for late September, 1981.

With the addition of Folsom Center the Bridgeport Facilities now has three primary buildings providing services other than lodging. Martin Hall will serve as the dining hall and secondary meeting space. Martin Hall also houses the business office.

Kiker Hall is being remodeled to serve as the primary meeting hall. The covered slab will be enclosed to serve as the auditorium. Folsom Center will be for recreation and informal activities.

The facilities at Bridgeport and Texoma are used almost every week of the year by groups from conference agencies and local churches.

The Commission submitted a long range development plan for both camp sites to the 1980 Annual Conference. A request is going to the 1981 Annual Conference to begin funding that program which will take about five years to complete.

DIVISION OF HEALTH AND WELFARE

Report 34

The Health and Welfare Division members began the year in the fall of 1980 getting acquainted with one another and relating to on-going activities. Reverend Ray Hennigh, staff person assigned to Health and Welfare, attended the fall Board of Directors meetings at Methodist Home and Methodist Mission Home.

This year the Methodist Home marked its 90th year of service to children. One division member, Pat Greenhaw, representing the Dallas-South District, was elected Chairperson of the Commissioners.

The reorganization plans of Methodist Hospital were presented to and studied by the Division. Much of the meeting time was spent on this subject. It is hoped that, by the time of Annual Conference, a mutually acceptable resolution may be ready to be presented.

The National Association of Health and Welfare Ministries met in San Antonio in March 1981, and this meeting was attended by three members: Katherine Reaves, Ellen Palmer, and Gaither Day. Day is chairperson of the Section on Conference Leadership of the National Association.

Plans for the future include a display and materials at the 1981 Annual Conference for emphasis on "Enabling Ministry With and By Persons with Handicapping Conditions in the Local Church." Local churches will be given an opportunity to identify areas where a need for additional resources is felt.

The National Emphasis for 1982 will be "Global Implications in Aging." In 1982 the Division hopes to recognize the most appropriate local church program designed to meet a local need in the area of Health and Welfare.

Marion Greve, Chairperson

DISASTER TASK FORCE

Report 35

Disaster is most important to those who are directly affected. From the single family devastation to natural disaster disrupting life for many thousands, disaster requires response. The church has responded and is learning to be prepared.

The Task Force on Disaster Preparedness was envisioned to help every local church survey its resources for response, organize for implementation of that response and practical training of at least a corps of volunteers to be familiar with disaster response and agencies available for coordinated help.

1980-81 is a year of organizing the task force and launching the effort. 1981-82 will see the following efforts:

1) A survey proposed for every local church to assess the physical resources and equipment along with personnel with special talent for assisting in disaster response.

2) Urging for each local church to elect at least a chairperson for a Committee on Disaster Preparedness.

3) A fall training event for the persons involved in local church disaster preparedness.

4) Publication of a small handbook on local church disaster preparedness.

Every church is urged to complete the survey which was circulated in the April mid-month mailing and return it to the Conference Council Office. The effectiveness of the task force lies in the foresight of each local church in electing a responsible person to head the committee in the local church.

TASK FORCE ON REFUGEE RESETTLEMENT

Report 36

The Task Force on Refugee Resettlement was established by action of the 1980 North Texas Annual Conference. The task force was organized in July, 1980, and has functioned under the Division of National and World Outreach of the Board of Global Ministries.

The Task Force has worked closely with Lillia Fernandez of UMCOR, Peggy Cox of the Texas Conference of Churches, and Bill Stephenson who has previously been concerned with this area.

The work of the Task Force has been to assess the need for refugee resettlement, identify churches of the North Texas Conference who have sponsored refugees, gather resources to support future sponsors, and advocate for the sponsoring of additional refugee families.

In October the Task Force conducted a fact-finding tour of the Cuban Refugee Resettlement Center at Fort Chaffee, Arkansas. And in March the task force conducted a conference-wide emphasis on refugee resettlement, distributing information through the mid-monthly mailing, mailing a letter from Bishop Russell to all ministers, and sponsoring a feature page of the **North Texas Methodist.**

At this point the Task Force recognizes that the need for the sponsoring of refugees to this country will be an urgent, but continuing need for at least the foreseeable future. It is therefore the recommendation of the Task Force that the ministry of refugee resettlement be continued through a standing committee of the Division of National and World Outreach and established as a high priority of this division and the Board of Global Ministries.

It is further recommended that the Board of Global Ministries request of the conference Personnel Committee that a member of the Conference Councils Program staff be assigned to be Conference Refugee Resettlement Coordinator, devoting at least half time to the recruiting of sponsoring churches and the effective placement and indoctrination of refugee families.

Phil McLarty, Chairman

BOARD OF DISCIPLESHIP

Report 37

A Festival of Songs Workshop and an Evangelism Conference are in the 1981-82 plans for the Board of Discipleship. These are two examples of the Board's attempt to enable ministry to occur in the North Texas Annual Conference in the areas of evangelism, worship, education, and stewardship.

The Festival of Songs Workshop will be on Saturday, October 3, 1981 at St. Paul UMC, Dallas. This day-long event will focus on the new Supplement to the Hymnal and the Songs of Zion songbook.

Dr. Glen Olds, president of Alaska Pacific University, will be the keynote speaker of a February 27, 1982 Evangelism Conference. The theme of the conference will be, "evangelism as lifestyle."

Other events in the planning for the Board are: a computerized conference-wide talent bank, a workshop on short-term education courses, and a sacraments workshop.

During this past year, the BOD has sought ways to train local church leadership through two major workshops. An "Evangelism through the Church School" workshop featured Dick Murray of Perkins School of Theology. Another workshop, "Strengthening the Church School," centered upon ways the church can be uplifted through recruitment of teachers, teaching methods, and membership recruitment.

Each year, the BOD's worship division plans the worship services of annual conference. These services have drawn on the creativity and time of the persons involved.

Throughout this past year, the BOD has attempted to hold itself and the Council on Ministries accountable to the demands of the gospel. A large part of its 1981 funds have gone to support projects in the Ethnic Minority Local Church area.

The Board has also enabled persons in the Conference to participate in workshops in Nashville, Philadelphia, and Dallas, thus better equipping itself to do the work of discipleship in the North Texas area.

In the coming year, the members of the BOD will continue to enable ministry to happen in local churches in the Annual Conference and will continue to seek to be a faithful witness to the gospel of Jesus Christ.

DIVISION OF NATIONAL AND WORLD OUTREACH

Report 38

Across the past four years the Division members have pooled their ideas, personal time, and talents to reach every local church with practical possibilities for active participation in national and world mission. With every idea and activity the local church chairperson for missions has been contacted, as well as the Pastor.

Some strategies were successful and continue today. Other experiments, such as a quarterly newsletter for mission resources and small informal meetings for local church leaders, were excellently done but short lived.

Enrollment at the Cooperative School of Mission at Lake Bridgeport has increased 50%. The attendance of men and teenagers and local church leaders enrolling for the first time has been particularly gratifying. The Division will again be joint sponsor of the Coop School the weekend of September 18-20, 1981.

The three mission studies will include Isaiah, Europe and Pluralism.

Two exceptional "Alive in Missions" booklets have been prepared by the Division and received by each local church pastor and missions chairperson. The booklets detail in picture and story what we in our conference are doing in support of mission people and mission projects all over the world.

Three of the Division's goals have been for:

- Each district to resettle a minimum of two refugee families — and a report of the work of that task force is submitted separately.
- Each district to hold conferences on "The Pastor and Layman as Mission Educators" — and four districts have held workshops.
- Each church to adopt a missionary, writing letters and underwriting financial support — Conference Staff reports a 400% increase in the number of churches "adopting" a missionary.

Finally, to assist churches not yet involved in mission outreach more personally than World Service only, the Division has selected for 1981 a variety of Conference Advance Specials that we hope will catch the imagination of a first-time giver:

XI. STANDING RULES

RULE 1.

The Rules of Order adopted by the General Conference of the United Methodist Church shall prevail at all business sessions of the conference.

RULE 2.

The Conference Council on Ministries is constituted to execute the functions detailed in the current Book of Discipline in addition to the coordinating functions in relation to the Conference Council on Finance and Administration.

RULE 3.

The bishop, the district superintendents, the conference lay leader, the district lay leaders and six additional persons — taking into account the need for age, sex and ethnic representation — shall constitute the annual conference nominating committee.

Nominations for persons to serve for a four-year term on the conference's various councils, boards, commissions and committees shall be made by the conference nominating committee. The nominating committee shall seek to nominate persons who are qualified for and interested in the work to be addressed. No person shall be nominated for a position without previously agreeing to serve if elected. Persons who are absent without cause from half or more of an agency's meetings during the conference year have thereby automatically removed themselves from the membership roll of that agency and shall be replaced by the conference nominating committee.

The North Texas Annual Conference shall make it a policy to rotate membership on conference agencies, limiting any person to eight (8) successive years on any one agency. However, a person may be re-elected to that conference agency after non-membership for four (4) years. The number of years of each person's term shall be listed after his name in the annual conference journal where the membership of the agencies is listed. Membership, except ex-officio, shall not be held at the same time on more than one quadrennial council, board or division. This rule shall not be construed to apply to trustees of institutions.

The chairpersons of the annual conference's councils, boards, board divisions, commissions and committees shall be nominated by the conference nominating committee and elected by the annual conference, with opportunity for additional nominations from the floor, except in cases where specific alternative provisions are made by the Discipline. Such persons shall be elected for a four-year term with this term beginning at the annual conference session of their election. A person shall not be elected to serve as a chairperson in the annual conference for more than four years in any consecutive six years. Persons nominated and elected to be chairpersons shall be in addition to the stated number of members for each conference agency, unless prohibited by the Discipline.

Each district shall be represented by at least one person on each council, board, board division, commission and committee unless the Discipline specifically precludes this possibility. Should a district cease to be represented on a given structural unit by virtue of a person moving, that person shall remain on the said structural unit and an additional member shall be added to that unit to represent that district. District representatives on each structural unit shall be responsible for conveying information from the district to the agency on which they serve and from the agency to any equivalent structural units at the district level.

All agencies will fulfill the functions and responsibilities as described in the organizational structure descriptions and the applicable legislative paragraphs in the current edition of the Book of Discipline.

All agencies with any lay persons serving as members of the agency, will schedule meetings only after 6:00 p.m. Monday through Friday, or on Saturday or Sunday, unless all lay members are amenable to meeting prior to 6:00 p.m.

Each conference agency is granted the option to define appropriate categories of additional members for said agency and to request the annual conference to approve these categories.

Members of the general agencies from the North Texas Conference will be members of the corresponding conference agency.

THE ANNUAL CONFERENCE

The Annual Conference is defined and constituted according to the current Book of Discipline.

Constitutionally, "the Annual Conference is the basic body of the church." As such, the Annual Conference is not understood as an end in itself but as a means to enable United Methodists to serve God effectively and faithfully. The Annual Conference's actions, programs and ministries are intended to reflect the UMC's Theological and Social Principles.

The presiding bishop is the spiritual and temporal leader of the Annual Conference. In addition to presiding over Annual Conference sessions and the appointment-making cabinet, the bishop should also play an active role in the determination and implentation of Annual Conference priorities and programs.

All proposals related to the conference program shall be submitted to the Council on Ministries for discussion prior to their submission to the Annual Conference. (This is not in conflict with standing rule #27.) The Council on Ministries may choose to endorse, oppose or take no position regarding such proposals. Lack of endorsement by the Council on Ministries does not prohibit a conference agency from submitting a proposal to the Annual Conference.

The Council on Ministries shall not assume for itself responsibilities which belong to the Annual Conference. In cases of urgent necessity, the Council on Ministries may approve, by 2/3 vote, changes, additions or deletions from the conference program between sessions of the Annual Conference provided that, if funding is involved, prior approval shall also be received from the Council on Finance and Administration. Such actions shall be reviewed by the next session of the Annual Conference.

The Council on Ministries shall be composed of the presiding bishop, the District Superintendents, the chairpersons of each board and each board division, the chairperson of each conference commission and committee, the conference secretary, two representatives each of the conference youth organization, United Methodist Women and United Methodist Men. LESLIE W. SEYMOUR

This photograph of Leslie Seymour was chosen with extra thought. A few days before his physical death, Les Seymour expressed some concern about the photograph for the Journal's obituary section: "I'm not sure I like the last picture they took at Annual Conference. I just can't identify with that old man." Without denying the reality of his own mortality, Les consistently worked to identify with the "New Man" he felt called to be in Christ Jesus. Within that broader calling, he pursued his vocation as a clergy minister with distinction, integrity, skill, good humor, and deep satisfaction in the service of people. Family and friends testify to the extra degree of maturity he brought to his earlier appointments listed below. The rest of us witness to the vigor and expertise that energized his later appointments in the Central Texas Conference and, finally, as brother and friend in Highland Park Church. We miss him, but we are not without his spirit.

Leslie William Seymour was born in Angus in Navarro County October 8, 1896. He graduated from Jacksonville High School and went on to receive B. A. and B. D. degrees from SMU. He was admitted to Full Membership in the Central Texas Conference in 1927. In the Central Texas Conference he served the following appointments: Joshua Circuit, Caddo, Associate Pastor at Austin Avenue in Waco, Grapevine, Winters, Herring Avenue in Waco, Gatesville, Georgetown, Cisco, Ennis, Hillsboro, St. Johns in Waco and Superintendent of the Cisco District. In 1959 he transferred to the North Texas Conference, serving Grand Prairie First, Wesley Church in Greenville, Superintendent of the Sulphur Springs District, and in 1966 he came to Highland Park United Methodist Church in Dallas as an associate, retiring at the end of 1980.

Brother Les' immediate family is his wife, Lillian; his daughter, Mrs. Lillian Sills; and two grandsons, Jon and Steve Sills.

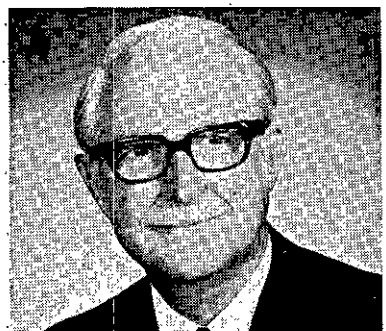
ALBERT FULTON TUCKER



The words of the Apostle Paul to Timothy, "I have fought a good fight, I have finished my course, I have kept the faith henceforth . . ." rang clear in my mind as I visited our brother in Christ, Albert Fulton Tucker, in the hospital on Sunday afternoon prior to his entering into his "Father's house" on Thursday, July 17, 1980.

A native of Alabama, Albert was born November 18, 1906 on a farm near the town of Oplika, into a Methodist family of strong Christian faith. It was here that the seeds of the good news of the gospel of Jesus Christ were sown into good ground — into the heart and mind and soul of Albert Tucker — that later led him to respond to the call of the Christian ministry.

As a boy and young man, Albert loved the soil and all that sprang from it. As a Boy Scout and later as scoutmaster he learned to call many birds, animals, trees and shrubs by their names and taught others to know them.

In high school he fell in love with a young lady by the name of Kathryn Williams who moved to New Mexico with her parents. Upon graduation from high school this special incentive led Albert to New Mexico where he and Kathryn were married August 9, 1925.

Albert attended the University of New Mexico in Albuquerque, McMurry College in Abilene, S.M.U. in Dallas, and the Yale School on Alcohol in New Haven, Connecticut. His first pastoral charge was Vaughn-Encino after joining the New Mexico Conference in 1930. He later served Grady-Bellview, Clovis, Ysleta, Pecos, Hobbs and Albuquerque Trinity before being appointed to head the New Mexico Temperance League in 1951. His able leadership in this Christian work led the administrative board of the Texas Alcohol Narcotics Education (TANE) organization to call him to Dallas in 1953 to be the Executive Director where he served until his retirement in 1972.

Through his leadership TANE became the ranking organization of its kind in the United States developing graphically illustrated books and studies on the debilitating effects of alcohol and other narcotics, tobacco, gambling and venereal diseases. Many of these books and studies were adopted, not only by other state units, but by schools across the United States and the military services.

Albert continued in an advisory capacity with TANE for some five years following his retirement, and erved as secretary and vice-president of the American Council on Alcohol Problems (ACAP). He was sked to serve as president of the organization but he declined because of his involvement with the total rogram of TANE. It is probable that during his 24 years with TANE that he preached in more churches n Texas (Methodist, Baptist, Presbyterian, Disciples of Christ, Assembly of God, Pentecostal, etc.) ian any other man in history, because he was invited into a church pulpit almost every Sunday and on ccasions in more than one church the same day.

Brother Tucker is survived by his wife, Kathryn; a daughter, Shirley Ann (Mrs. Jim) McKnight; a on, William F. Tucker, five grandsons, two granddaughters, and one great-grandson.

Albert truly "kept the faith" during his 42 years of his active ministry, preaching the good news of the ospel of Jesus Christ and the cause of total abstinence from the use of tobacco, alcohol and other arcotics to thousands of young people and adults in every part of Texas and in several other states.

Mrs. Julia Marguerite (Bailey) Brooks was born in immswick, Missouri on July 31, 1907. She met Raymond lexander Brooks when she was just a teenager and later iarried Raymond, who was destined to be a Methodist inister. Raymond and Julia had a very beautiful life gether, caring and sharing their love with each other and eople both in Missouri, Texas, and other parts of the country. hen you think of Julia and her ministry, you would have to ink and talk about Raymond, and when you thought of aymond, Julia was always in your mind also. They omplemented each other fifty-two years of marriage. The rooks attended college at Missouri State College, receiving wo degrees, and then came to Perkins to receive their raduate degree.

The Brooks have three daughters, Helen Witt of Dallas, uanita Hogue of Dallas, and Rose Alyce Beasley of Dallas. Two sisters: Mabel McCullough and Ethel hillips of Imperial, Missouri, and one brother, George Bailey, Sr., of Chicago. Ten grandchildren and welve great-grandchildren.

Julia and Raymond loved the church and as they struggled through college during the depression with their very young family, the story they would share about the goodness of God and his people was always enjoyable to hear.

Their years of service included: Whitewater, Mo., Oak Ridge, Mo., Bosqueville, Texas, Forreston Tx., and New Madrid, Mo. They served First Methodist Church in Garland, Tx., and served in Mabank Tx., Wilmer-Hutchins, Bellevue, Skyline in Dallas, and St. Matthews in Dallas. They enjoyed their years of teaching at U.T. Arlington as Associate Professor of Education and Psychology. Raymond served as U.S. Army chaplain during the Second World War, and the Korean War.

Raymond died on December 17, 1975, and Julia, after four years of illness with cancer, seemed very pleased to close a beautiful chapter in the "book of life" of the Brooks family . . . Two gentle people devoted to each other, help-mates in all endeavors, believing in the goodness of God and mankind, stable and steadfast in life to its end.

Memorial services were conducted December 17, 1980 by the Reverend Gaither L. Day. Julia's two favorite hymns were sung; "How Great Thou Art" and "The Beautiful Garden of Prayer."

MRS. J. P. FLEMING

Lucile Rash Fleming was born at Cumby, Texas on 29 September, 1894 and was claimed by death in Dallas on 10 January, 1981. Last rites were read at Munger Place United Methodist Church in Dallas on 12 January, 1981 by Dr. Barry Bailey, Dr. T. Herbert Minga and Rev. Clayton Lewis. Interment was at Forest Park Cemetery, Greenville, Texas.

On 19 October, 1913 Lucile Rash and John Payne Fleming were married. Mr. Fleming was granted a license to preach on 23 October, 1920 at First Methodist Church in Sulphur Springs. Lucile worked by the side of her husband who became a member of the North Texas Conference and their appointments included the Sulphur Springs Circuit, Enloe, Klondike, College Mound, Poetry, Elmo, Ben Franklin, Pecan Gap, Lee Street in Greenville, Garland, Whaley Memorial in Gainesville, Terrell, McKinney, Owenwood in Dallas and District Superintendent of the Sherman District.

To this union were born three sons and three daughters, the sons and two of the daughters surviving Dr. Durwood Fleming, Georgetown, Texas; J. Edwin Fleming, Dallas; Dr. Douglas Fleming, Tulsa Oklahoma; Mrs. Alice Stultz, Dallas; and Mrs. Nell Boone, Dallas. Other direct descendents include 1 grandchildren and 20 great-grandchildren.

Retirement came in 1957 after which the Rev. Mr. Fleming served as minister of visitation for Munge Place Church until just before his death on 23 May, 1967. Lucile continued her membership at Munge Place until the end of her life, her support and work and love for that church being characterized by th devotion and spirit with which she and her husband had served together.

Lucile was a woman with a great amount of spirit and determination. Possessed by a strong sense her own personhood, she left this kind of legacy to her remarkable family. Though not privileged wit the many advantages of formal training which are so common today, she was an educated and culture person because of a lifetime investment in reading and study. Her husband had her encouragement an support in pursuit of his educational training made necessary by the work of ministry to which he wa called. And together they instilled a love for learning and the instincts for culture in their sons an daughters, each of whom acquired one or more college degrees. Indeed, at the time of Lucile's death a 16 grandchildren had either acquired college degrees (some more than one), or were in the process doing so!

Lucile Fleming will be sorely missed but she cannot be forgotten. She left a legacy that can only gro and increase; it cannot die!

MRS. JOHN S. RICE

Mrs. Geneva (Hamric) Rice was born February 11, 1897 at and Mountain, DeKalb County, Alabama. After her formal ducation she became a teacher in DeKalb County Schools.

On November 20, 1919, Rev. John S. Rice and Miss Geneva Hamric were united in marriage. Since Rev. Rice was pastor of the Methodist Church in Odessa, Texas they immediately moved to their first parsonage. This was the beginning of a long rich life in the Methodist Parsonage and Church. Their home was blessed by the coming of three children, Louise, John Jr. and Ruth.

Mrs. Rice shared leadership with her husband in the New Mexico Conference at Odessa, Hagerman, Melrose, Lordsburg, Deming, Tucumcari, and Artesia. They transferred to North Texas Conference in 1944 and served at Whaley Memorial, Gainesville; Terrell, First; Sulphur Springs, First; District Superintendent of Greenville District and Rockwall, First. After retirement in 1963 Mrs. Rice and her husband moved into their own home. Now she was to have a new experience of living in her new home in Garland, Texas while they came out of retirement to help establish St. Phillips Church in Garland.

In 1969 John and Geneva moved to Blanton Gardens, Dallas. While there, a different association with the church awaited them. John was to become an associate pastor with Lake Highlands in Dallas.

Mrs. Rice took a leadership part in the youth work (Epworth League), the Sunday School, and the "Women's Missionary Society." During her parsonage life she prepared many meals for people in need as well as for visiting friends. She lived quietly and never pushed herself forward. She labored faithfully and never shirked any duty. Her faith was strong and enabled her to face many crises. Her love was sincere and enabled her to make life meaningful for countless numbers of people.

Mrs. Rice was preceded in death by her husband Rev. John S. Rice on May 2, 1980. Mrs. Rice passed away on February 16, 1981. Services were held at Garland, Texas on February 17, 1981. Rev. William F. Upchurch and the writer shared in the service.

MARGARET PHILLIPS WALKER

Margaret Phillips Walker was born July 29, 1905 at Blooming Grove, Texas. She became teacher, mother of two daughters. It was almost a second career when she moved to Denton and became the wife of a Methodist preacher in 1950. Philip Walker was pastor at First United Methodist Church, Denton, when Margaret and the girls moved to Denton. The confirmed bachelor was so captivated on that first morning when he received this family into the church, that it was a foregone conclusion that they would be married.

Margaret was not through with her teaching career, however, and she continued her teaching at the Texas Woman's University Lab School until 1955. She also taught at North Texas State University in 1950 and 1951 and returned to NTSU in 1965 where she retired as Assistant Professor of Education in 1973. She had begun her teaching career in the Marshall Public Schools in 1943. She taught in Sherman schools for six years as teacher and counselor, in Dallas Public Schools for four years and at Sul Ross State College. She held memberships in many teaching organizations and was greatly honored in her profession.

It was as a Methodist preacher's wife that she was best known in the North Texas Conference. She moved with her husband from Denton to Sherman in 1955 where she was wife of the District Superintendent. She always graced any parsonage well and served as encourager to pastors and pastors' families alike.

She was a person of unlimited interests. She seemed always to have read the latest book and to have attended the latest lecture or seminar. To be in her home was to be surrounded by the ideas that lined her book shelves. To be near her person was to be in the presence of ideas that lined the corners of her

mind. She was a warm human being who could not do enough for people, she could not say enough encouraging words.

Her life was cut short by a tragic automobile accident December 2, 1980. She was mourned by grea numbers of friends from Denton, from across the Conference, and from many scattered places. Whil her death was a tragedy her life was a victory that refused to bow to death.

In her later years she had said to friends, "If I never get to heaven, I'll not worry; I've had min here." Philip held the same view about his life with Margaret as is evidenced by these words: "I'm writing Margaret's life story; it is a great story, from birth to death. I must write it because she did nc get to finish it, because it is a deserved story of great worth, and because I knew her best and loved he most." The dedication for the book reads: "Dedicated to my wife Margaret. This book is written tha loved-ones, friends and others may know in some perspective the true grandeur of mind and spirit tha moved among us in full mastery of the art of living and of loving."

MRS. HUGH (GRACE) PORTER

Mrs. Hugh Porter (Grace) was born July 4, 1894 in Wellington, Texas, daughter of Mr. and Mrs. J. W. Koons. Her first schooling was in Gainesville, Texas. She later moved with her parents to Sanger, Texas, where she lived when she met her future husband. Her husband, to whom she was married January 8, 1922, preceded her in death August 21, 1946.

Grace's death occurred April 19, 1980 in a hospital in Baytown, Texas where she had gone the latter part of 1979 to live with her granddaughter, Cissy Gudgel. Previous to that time she had lived at Blanton Gardens from the date of its opening.

Funeral services were conducted by Rev. Julian Thomas April 22 in Hillcrest Memorial Chapel, Dallas and she was buried beside her husband in Hillcrest Memorial Park. She is survived by daughters Margaret Yeargan and Nancy Warner of California; six grandchildren; ten great-grandchildren; one brother, Marshall Koons of Dallas, and number of nieces and nephews.

Following her graduation as an art major from the College of Industrial Arts — (now Texas Woman' University) in Denton — Grace attended the Chicago Art Institute. While there she assisted in the studi of one of the foremost China painters in the United States. She became a fine China Painter in her ow right and was offered a permanent position with the studio. At this time, however, she chose to com back to Texas and become the bride of Rev. Hugh S. Porter.

After her marriage she became an integral part of her husband's ministry, as he pastored Methodi Churches in Garland, Whitesboro, Denison, Richardson, McKinney, Bridgeport, Jacksboro, and othe churches in the Central Texas Conference. One of the most important phases of their ministry was th development of youth programs, not only in their local church but throughout the districts an Conferences, particularly in summer camps.

While her husband directed the camps she did the cooking and mothered the youth who wer attending. They were very active in helping to get Lake Bridgeport established as a camp site for th North Texas Conference.

In the early 50's an outdoor chapel was built on the lake shore at Lake Bridgeport, with woode benches and with pulpit and altar built of native stone. It was named "The Green Cathedral." When was finished, Bishop William C. Martin dedicated it to the memory of her husband and in her honor. I later years a winter storm uprooted the trees and destroyed the cathedral. Expanded waters of the lak now cover the site, but the Cathedral still lives in the memories of many people. Broken fragments of th pulpit stones and the stone tablet that bore their names and the inscription "Friends of Youth" are sti in possession of some of the family members.
