THE NORTH TEXAS CONFERENCE

At the Uniting Conference in Dallas, Texas, April 1968, a new Annual Conference was formed in North Texas including members, congregations, and ministers of the North Texas Conference of the former Methodist Episcopal Church, South (1867-1939) and the former Methodist Church (1939-1968) of the South Central Jurisdiction; with certain members, congregations, and ministers of the West Texas Conference (1874-1939) organized out of the former Methodist Episcopal Church (1867-1939); and the former Methodist Church, Central Jurisdiction (1939-1968); and certain members, congregations, and ministers of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (1886-1968).

At a merger conference held in Dallas, Texas, in May, 1970, members, congregations, and ministers of the North Texas Conference; and members, congregations, and ministers of the West Texas Conference located within the geographical boundaries of the North Texas Conference became the North Texas Conference of The United Methodist Church.

A list of the Conference Sessions of these separate conferences is printed in:

(1) the 1939 Journal of the North Texas Conference, South Central Jurisdiction, (P. 28-29) and the 1967 Journal of the North Texas Conference, South Central Jurisdiction (P. 140);
(2) the 1967 Journal of the West Texas Conference of the Central Jurisdiction (P. 88);
(3) the 1967 Official Record of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (P. 17); and
(4) other histories of Methodism in North Texas.

The current conference is numbered from the earliest date, being that of the North Texas Conference of The Methodist Episcopal Church, South; and the Texas Mission, Methodist Episcopal Church; both established in 1867.

Conference Genealogy

United Methodism in North Texas began in 1816-17 as part of Arkansas Methodism in the Missouri Conference of the Methodist Episcopal Church. When the denomination divided in 1844-45, Methodists of this area became a part of the East Texas Conference of the Methodist Episcopal Church, South. In 1867, the approximate area of what is now this conference, was set apart as the Trinity Conference, and later (1874) renamed the North Texas Conference.

The Methodist Episcopal Church had little organized work in Texas after 1845, until 1867 when a Texas Mission was formed. Out of that Mission came the West Texas Conference (primarily Black). In 1939 the Methodist Episcopal Church, the Methodist Episcopal Church, South, and the Methodist Protestant Church united to form The Methodist Church. The West Texas Conference, while a part of The Methodist Church, was in the Central Jurisdiction (all Black). The North Texas Conference was part of the South Central Jurisdiction, which was one of the geographical jurisdictions.

The merger of The Methodist Church and The Evangelical United Brethern Church was effected in 1968. That same year the process of dissolution of the Central Jurisdiction began, with the West Texas and North Texas conferences merging in 1970.

XI. DAILY PROCEEDINGS

SUNDAY, MAY 29, 1983
EVENING WORSHIP SERVICE

The one hundred and seventeenth session of the North Texas Conference began with the worship of God in the sanctuary of the First United Methodist Church of Wichita Falls. The service opened with the congregation singing "And We Are Yet Alive."

Bishop John Russell, the Bishop in Charge, greeted the conference and led the opening section of the service. DeForrest Wiksten, pastor of the First United Methodist Church, welcomed the Conference to Wichita Falls, and William T. Stephenson, chairperson of the Agenda Committee, made opening announcements.

The call to worship was led by DeForrest Wiksten, and following the congregational singing of "O For a Thousand Tongues to Sing," the service continued. The chancel choir, under the direction of Ray Davidson, presented an anthem by Lloyd Pfautsch, "O Be Joyful in the Lord." Scripture lessons were read: Charles Harper, Conference Lay Leader, Matthew 21; Mona Kandeler, chairperson of the Commission on Status and Role of Women, I Corinthians 12:1-6. After an introduction by Bishop Russell, Dr. Fred B. Craddock presented the opening sermon of the Conference, dealing with "Understanding Charisma."

William Joseph Washington, Director of the Conference Council on Ministries, led the congregation in prayer, following which, the choir presented the offertory anthem, "Shall We Gather at the River." During the congregational hymn, "What Shall I Render to My God," the offering was dedicated to the work of the Lydia Patterson Institute, and the elements for the Lord's Supper were presented.

Bishop Russell then presided over the Eucharist, which was distributed to the congregation. The prayer after communion and the sending forth was led by J. D. Mooring, Superintendent of the Dallas South District. The congregation closed the service by singing "God of Grace and God of Glory." As the choral benediction, the chancel choir sang "I Love Thy Church, O God."

Bishop's Call to Evangelism

Bishop John Russell addressed the Annual Conference, calling for response to today's need for evangelism to see that the hungry are fed and that the oppressed are set free. Using Acts 3 and 4 as a model for ministry in evangelism, Bishop Russell pointed out that evangelism takes place through the caring presence of a community of faith; that proclamation must take place in this context of a caring presence; and that the proper response is to take up the task of discipleship. Bishop Russell called on members of a special committee studying how we as a conference may respond to this evangelical challenge today.

Gordon Casad, chairperson of this committee, spoke of the excitement and enthusiasm present in the work of the committee and of the development and deepening of faith in the midst of the transforming power present in this task. Casad presented the booklet, "Preparing Disciples for the Third Century, 1784-1984" prepared by the committee for use in district meetings, workshops, the local church, small groups, and others places for the strengthening of evangelism and to meet the challenge issued by the Bishop. and study made the decision to retire. Their plans are to work on the staff of one of the Ft. Worth churches. Bernice compared their forty years in the ministry to golf in that most of the time they had been in the fairway where they hooked a few, sliced a few, boggied a few, had a lot of pars, but with friends and families in both conferences, had many birdies. Their three big eagles are their daughter, son, and daughter-in-law. The ace, hole-in-one, was their grandson.

Leighton Farrell introduced Floyd and Netta Patterson. Farrell stated that Floyd will continue to work on the staff of Highland Park United Methodist Church following retirement. Farrell remarked that Floyd Patterson was a person of integrity, compassion, courage, and conviction. Netta expressed how much the Methodist churches have meant to her with their wonderful people and friends. Floyd expressed his personal appreciation for sharing in the church through the years but especially for his varied ministry in different churches. Floyd urged the Conference to continue to express love and concern for those involved in the service for others.

Georgia stated it was truly a memorable day with the birth of Bishop Russell's new grandbaby and their retirement! Earl stated he took an Apptitude Test, and it found he was best suited to retire. Earl urged his fellow ministers not to take this exam! He said he knew it was time to retire when he attended a whole lot of meetings whether he knew it or not. He said he had been to some meetings that drove the shut-ins outside! He thanked the laity for their support and for the freedom to preach and witness.

Gordon Casad introduced Wilson and Elizabeth Shelley, who were retiring after twelve years. Wilson expressed his appreciation for the help and encouragement of the Casads in their beginning ministry. Elizabeth said they were not quitting, but just slowing down. They remarked that the last twelve years were worth all if just one person had come to know God through their efforts.

In V. STAFF APPOINTMENT POLICIES, para. A3: delete the last sentence, beginning "It is appropriate . . . " and ending, ". . . for the appointment." The paragraph would then read as follows:

> All persons appointed to the staff of a cooperative parish ministry need to be apprised in detail of the parish, its work, his/her responsibility within the parish, job description, staff relationship, lines of authority, and express a commitment to the cooperative parish ministry. Such information needs to be provided by the district superintendent and the coordinator or director of the parish.

In V. STAFF APPOINTMENT POLICIES, para. B3: delete the phrase reading: ". . . Commission on Equitable Salaries and . . . ," making the sentence now read:

> Salaries for staff need consideration by the Division of Transitional Communities and Division of Town and Country Ministries through the VISIONARIES budgets,

These recommendations were approved as read.

Spurgeon Dunnam was asked the following question by Cleve Chandler: "What is the relationship of Item 3j (p. 2D) of the report from the CFA and the Conference Advance Specials on page 2I of the same report? Dunnam answered that apportioned fund monies pay administration costs for the four divisions of the Board of Church Development, and Visionaries funds are kept separately and are similar to Advance Specials in that they go 100% to designated tasks.

Cleve Chandler made the following recommendation:

> To reflect in one page the apportionments and Visionaries shares and how it is used — a "pie", for instance — so that one is able to see "at-a-glance" what the basic status of Church Development is.

Don Barnes moved the inclusion of an additional statement to Standing Rule number 3. This would result in the Rule reading as follows (with the proposed portion in bold type):

> A person shall not be elected to serve as a chairperson in the annual conference for more than four years in any consecutive six years **of an agency whose membership is elected or confirmed by the annual conference, excluding those committees listed in Standing Rule 3 as Annual Conference Committees.**

Waddell celebrated the work being done in the area of missions by the United Methodist

Women as well as by the local churches. Board of Laity

Charles Harper presented a report on the work of L. G. Cook (**Report VD**), past president of United Methodist Men, who died very recently as he approached his 90th year. Mrs. Cook expressed her gratitude for this recognition of her husband's work.

Charles Harper presented the goals of the Board during the coming year (**Report VA-1 and VA-2**). Harper then set before the conference a proposal (**Report VA-3**) regarding pornography in the mails and the media. The resolution read:

That the Conference go on record supporting the National Federation of Decency in its campaign.

Bill Crouch moved that this proposal be submitted to the Board of Church and Society, which would investigate and then report back to the Annual Conference at next year's session. Prior to a vote on the referral, Joan Swanson spoke against the motion to refer. Bill Crouch spoke again indicating that his motives were directed by the desire to avoid placing a United Mthodist blessing on another agency unknown to the conference. Tate moved the adoption of the report (**Report IVB1-1**) on page 13 of the pre-conference packet regarding the designation of McKenzie College as a conference historical site. It was adopted. Tate introduced Bishop W. Kenneth Pope. Pope expressed great delight to be at the conference and stressed the importance of the conference to Methodists. Bishop Pope announced the upcoming release of *The Methodist Excitement In Texas: A History*, in January, 1984. Bishop Pope proposed that each church and each pastor see that a copy of this book be in the hands of every Administrative Board member. Bishop Pope stated it would be a tremendous asset to the Church's renewal. Cards were filled out by those interested in purchasing this volume for their personal use or for their church. Tate emphasized the significance of Methodism's Bicentennial and introduced Don Barnes of Arapaho United Methodist Church, who chairs the Bicentennial Celebration Committee for the North Texas Conference. Barnes presented Bishop Russell with a framed print of the Christian Tree of the Church's history. Barnes also presented a report (**Report IVB1-2**) on the Bicentennial. Barnes moved the adoption of the legislative proposal on page 23 of the pre-conference packet regarding local church involvement in celebrating the Bicentennial. It was adopted. Barnes recommended the adoption of the legislative proposal on page 22 of the pre-conference packet regarding funding for the Bicentennial celebration in the annual conference. It was adopted. A brief drama was presented depicting Susannah and Charles Wesley which dealt with Methodism's movement into the third century of its history. The real challenge of Methodism, it was stated, is effectively dealing with the past and preparing for the future. Tate moved that the entire report be adopted. It was adopted.

Bishop Russell introduced David Shawver who addressed the conference regarding the preparation of a collection of arrangements of Wesleyan hymns for the Bicentennial celebration. Board of Diaconal Ministry

Lillian Sills referred the conference to (**Report VIBI-1**) pages 18 and 18A of the pre-conference packet and called for acceptance of the formation policies that would bring the Board of Diaconal Ministry into compliance with the *Discipline*. Sills called for the diaconal ministers on the Conference floor to stand and be recognized.

Diaconal Division of Consecration, Certification, and Conference Relations

Paul Sackett was introduced to report (**Report VIB1-2**) on the status of the Division of Consecration, Certification, and Conference Relations of the North Texas Conference Board of Diaconal Ministry. Sackett reported that ninety-eight persons within the conference are responsible to the Board of Diaconal Ministry, thirty-eight of whom are in the process of certification, consecration, or both. Ten Diaconal Ministers are certified in Church Music, twenty-nine in Christian Education, and four in Church Business Administration.

Paul Sackett introduced Eva Sue Crutchfield, a Certified Associate in Christian Education to be consecrated as a Diaconal Minister. Crutchfield was presented to the conference by Bishop Russell and received the approval of the conference for consecration.

Paul Sackett recommended that:

Patricia Wheaton and Barbara Hill be Certified as Associates in Christian Education;

Charles Harris be Certified as Director of Music;

Doris Manning, a Diaconal Minister, be officially transferred to the North Texas Conference from the Central Texas Conference;

Rose Watson, a Certified Associate in Church Music, be transferred in from the Illinois Conference;

Jane Bach and Forster L. Day be granted leave of absence for the second year;

Thomas R. Britt be granted personal leave of absence as of this annual conference session; and be granted Voluntary Termination of the Diaconal status;

Jo Ann Bray Blount has asked for Special Assignment Beyond the Local Church. She is taking voluntary termination of her Diaconal status until the Board can rule on her request for Special Assignment Beyond the Local Church.

Diaconal Division of Salaries, Insurance, and Pensions

Royce Hardaway, Chairperson of the Division of Salaries, Insurance, and Pensions, reported (**Report VIB1-3**) on its work. Hardaway called for acceptance of the reports on page 20 and 20A of the pre-conference packet which would correct the language of the 1981 legislation to reflect the present status of pension benefits. Bill Glass questioned whether all local churches would eventually be required to hire Diaconal Ministers. Bishop Russell clarified the issue by indicating that Diaconals are not under the appointive system and are therefore hired by those congregations which desire a Diaconal on the staff. After brief discussion, the proposal was adopted.

Royce Hardaway presented the proposal regarding major medical and hospitalization insurance coverage for retired Diaconal Ministers (**Report VIB1-4**). After brief discussion this proposal was adopted by vote of the conference.

Royce Hardaway presented an insurance policy affirmation submitted to the Conference Commission on Insurance as specifically regards the Diaconal Ministers (**Report VIB1-5**). Al Jackson requested an explanation of the difference between clergy and diaconal as well as whether Diaconals could be considered clergy. Bishop Russell indicated that Diaconal Ministers are not ordained, though this is an over-simplification; therefore, they need to be considered as lay. However, Bishop Russell added that Diaconal Ministers need to receive professional benefits. Bill Crouch questioned whether the Commission on Insurance had seen this affirmation and whether they have any recommendations, particularly as regards personal leave (#5). Randy James, who administers the conference insurance program for clergy, indicated that the Commission had indeed seen the affirmation but felt the decision for or against acceptance needed to come from the Annual Conference. Pete Robertson

indicated that he felt it was a case of who would be making the payments. Randy James said that this really involved three areas: the local church hiring the diaconal, the Conference Insurance Apportionment, and the Diaconal. James Hares, Conference Treasurer, noted that Diaconal Ministers are serving in the larger churches and that apportionments for the larger churches for health insurance are sometimes two to three times the actual insurance program costs for a given church. At the same time, churches probably pay smaller premiums than that required by their own minister. The vote was called, and the affirmation was accepted as presented.

Diaconal Division of Professional Growth

Esther Zimmerman spoke of the purpose of the Division of Professional Growth of the Board of Diaconal Ministers as one which provides support services for career development, continuing education, assistance in preparation for retirement, and matters pertaining to morale. Zimmerman spoke of future plans (**Report VIB1-6**) that would broaden the horizon for the Diaconal Minister.

Lillian Sills expressed appreciation to the conference for its support of the work of the Board of Diaconal Ministry. At Sill's request the report of the Board of Diaconal Ministry was adopted by vote of the conference members.

Credit Union

Lillian Sills called attention to the display booth of the North Texas Conference Credit Union and introduced the conference members to the benefits of this institution.

Ethnic Minority Local Church

Henry Masters presented the brochure "Our One Priority" (**Report IVB2-1**) and urged Conference members to read and use the information therein. Masters pointed out that 30% of the apportionments for this purpose are retained by the *local* annual conference. Henry Masters lifted up the purposes of the Ethnic Minority Local Church Missional Priority including the desire to increase visibility and representation of ethnic minority persons in church boards, agencies, commissions, and committees in all levels of the church's life and to encourage participation of United Methodist local churches in payment of the Missional Priority apportioned benevolence. Masters also stressed the importance of study in order to understand and share the richness of ethnic heritages. Then Masters called for the local churches to encourage pastors to preach one or more sermons on the need for inclusiveness over the year and to create openness for having dialogue with ethnic minority persons in other churches. The EMLC report shared an excitement for new churches, both black and Filipino through the conference and for the growth training that is taking place for ethnic minority churches. Master's report on EMLC was received by vote of the conference.

Bill Matthews and John Peel presented another vignette from the ACCOM: This spot announcement dealt with Community Ministries. The work of this area of ministry in rural or outlying districts was emphasized.

Conference Statistician's Report

Walter Zimmerman called attention to the brief statistical report (**Report IIE and Section on XVIII**) and shared the good news that the "people figures" show an increase. Total membership is up; attendance at worship and church school is also up. The bad news is that 91 churches did not receive even one new member, 138 churches received no members by profession of faith. Zimmerman made corrections in the computer-figures numbers which were published in the pre-conference packet.

Clergy Ballot number 9 was presented and the following report was read by Bishop Russell.

Total votes cast	235
Number of invalid ballots	15
Number of valid ballots	220
Number of votes necessary to elect	111
Number of delegates elected	1

Board of Trustees

Cunningham rejoiced in the merger of St. Andrews United Methodist Church and Polk Street Regional United Methodist Church now to be known as the Camp Wisdom United Methodist Church and announced that the deed from the Glendale United Methodist Church property has been transferred to the First Filipino/American United Methodist Church. Clare Cunningham called for the adoption by the conference of three recommendations:

1. That the Conference Board of Trustees concur with the Clearview United Methodist Church Charge Conference to cease functioning as a church as of the 1983 Annual Conference and recommended abandonment. Lynn Mims questioned what would happen to the Korean congregation meeting at Clearview. Don Waddell reported that they will continue to function at that church, working toward chartering a Korean Church. The property will be maintained by the Trustees for the Korean congregation. Recommendation Number One was approved by vote of the conference.
2. The Conference Board of Trustees recommends the abandonment of the Bluegrove United Methodist Church in the Wichita Falls District. Recommendation was adopted.
3. The Conference Board of Trustees recommends that the proceeds of $2,864 from the sale of the Gordonville United Methodist Church be used for repairs to the Sherman-McKinney District parsonage. This recommendation was adopted by vote of the conference.

Mary Ryan made an amendment to this amendment, calling for the name of the homes to read "United Methodist Retirement Homes of North Texas, Inc." The Amendment to the amendment was accepted by the maker of the original amendment and the original amendment was approved by the members of the Annual Conference.

Dillard then presented a third amendment:

> Amend Article 6.01 of the By-Laws to read in the second sentence "The Board of Directors of the corporation shall determine and fix the size of the Board of Trustees of each System Institution, appoint the members of such Board of Trustees from the District in which the System Institution is located and designate one of the members of such Board of Trustees as its chairperson, all after considering suggestions and recommendations from persons associated with such institution and members of the community in which it is located.

This amendment was approved as presented by the vote of the Annual Conference. All of the amendments will be added to the By-Laws by Robert Dillard.

Robertson also announced that Robert K. Feaster was the new President and Publisher of the United Methodist Publishing House. Robertson then presented Bishop Russell a check for $7,523.61 for clergy pensions.

Board of Church and Society

Martha Boyd Watson, Chairperson of the Board of Church and Society, states that five proposals were coming before the conference from the Board.

Community Based Corrections Facility

Watson referred to page 4 of the pre-conference packet regarding Community Based Corrections Facilities (i.e. Halfway Houses) (**Report IVA2-1**) and moved for the adoption of this proposal. It was adopted.

> *"Therefore be it resolved:*
> THAT the North Texas Annual Conference, desirous of generating informed citizen involvement in the interest of justice and believing that a voice of loving concern can be provided by people of faith contributing to public debate, calls upon local churches, United Methodist Women, agencies and institutions in the North Texas Annual Conference to engage in a serious discussion of the following points that might become, in some form, a part of a de-politicized solution to a serious problem between the USA and Mexico"

Grimes asked that the Annual Conference request that reports on the discussions outlines in the Resolution come in through the offices of the District Superintendents, to the Board of Church and Society by December 31, 1983. Karl S. Klaus called for an amendment to this motion which was defeated. The migrant labor proposal of the Board of Church and Society was adopted.

Michael Nichols announced that Mr. and Mrs. Larry Kissell, lay members of the conference from First UMC, Quinlan, were called away from the conference to respond to the death of Mrs. Adda Kissell, Mr. Kissell's mother. The prayers of the conference are requested as the Kissell's journey to Colorado.

The Courtesy and Resolutions Committee announced the wedding anniversary of Rev. and Mrs. I. B. Loud on June 1.

Lay Ballot number 9 was brought to the desk of Bishop Russell who reported as follows:

Total votes cast	323
Number of invalid ballots	7
Number of valid ballots	316
Number of votes necessary to elect	159
Number of delegates elected	0

Bishop John Russell called for Lay Ballot number 9, indicating that lay members to annual conference were to vote for five persons to serve as lay delegates to Jurisdictional Conference. The Ballot was received and taken by the tellers to the counting room.

Clergy Ballot number 12 was placed on the desk, and the Bishop reported the following:

Total votes cast	227
Number of invalid ballots	0
Number of valid ballots	227
Number of votes necessary to elect	114
Number of delegates elected	2

The delegates elected on this ballot were: Joe Washington and Ann Cardwell. With this ballot all clergy delegates were elected. Fred Durham moved that three delegates be selected as reserves (or alternates) by selecting the three who received the highest number of votes on Ballot number 12, taking them in order of number of votes (highest to lowest). When Bishop Russell indicated that this could not be done to the previously cast ballot, Fred Durham altered his motion to read as follows:

> That we elect as our alternates the three persons receiving the highest vote on the next ballot and that they be seated in the order of the votes they receive—highest to lowest.

The motion was seconded and carried.

Bishop John Russell called for clergy to submit their selection of three names to fill the reserve seats on the delegation to the Jurisdictional Conference. The ballots were received by the tellers and taken to the counting room.

Bishop Russell spoke to an issue previously raised regarding the placement of documents on members' tables. The item in question, one on disarmament, is actually part of a minority report to be submitted later in response to a Board of Church and Society proposal. Bishop Russell reported that any member of the conference may bring a proposal, but it must be on the tables of the conference members on the morning of the day in which it is to be brought to the floor (or earlier). It must be in mimeographed or reproduced form and signed by a member of the conference or a group of the conference.

Michael Nichols reminded the members of the conference that motions and resolutions need to be put on the forms available and submitted to the Secretary of the conference either before or immediately after presentation.

Jackie Ponder asked for a personal privilege. Ponder thanked the conference, Jim Garrett, and Bill Stephenson in particular, for their assistance to a young girl doing undergraduate work in a nearby university. The money that they have supplied will allow the girl to stay at the university for summer classes.

Board Of Church And Society
Peace

Martha Boyd Watson, chairperson of the Board of Church and Society, directed the attention of the conference members to reports 7, 7A and 7B in the pre-conference packet (**Report IVA2-4**). Watson reported on the diligent work of the Board of Church and Society during the year, and the responsible spending of the $10,000 authorized at last year's conference to uphold the peace and justice issues within the conference. Watson read the rationale of the proposal on page 7 of the report, calling it the most significant portion of the report.

Vivian Dennis, a member of the Board of Church and Society, was given time at this point to speak as a member of a minority group within the Board of Church and Society. Dennis called for voting yes to the rationale of the proposal, but no to the resolution and to the implementation. Dennis presented the following resolution:

> Be it resolved that members of the North Texas Conference of The United Methodist Church study the information available, pray for guidance, and work as one body, under God, for Peace and Justice in the world. Each working individually as their (sic) heart dictates.

Martha Boyd Watson continued her rationale and explanation of the issue, noting that the Board wished to delete paragraph "d" of the desired implementation on page 7A. Watson moved the adoption of the resolution as revised.

Ralph Smith, Jr., brought an amendment to the resolution that was discussed and defeated.

Rusty Hedges submitted an amendment that would delete the first sentence of the resolution. This amendment was also defeated.

An amendment submitted by Joan Swanson making a change in rationale was defeated.

Rusty Hedges submitted another amendment, altering the last paragraph of the implementation, now to read as follows:

> f) that a petition be made available in each local church for support of a *multilateral and verifiable* nuclear freeze on production, testing and deployment of nuclear weapons and that these petitions be mailed no later than September 1, 1983, to the President and the U.S. Senators from Texas.

The actual amendment is:

> Substitute "multilateral and verifiable" for "unilateral" in the second line of section (f) of the desired implementation section of the Board of Church and Society report titled "Continuing the Work that Makes for Peace."

Henry Masters called for limitation of debate on the whole issue of the resolution to five minutes. Bruce Weaver moved for calling the previous question. Weaver's motion was approved by vote of the conference.

Ralph Smith explains a resolution to conference members

Infant Formula

Watson referred to the proposal (**Report IVA2-5**) on page 8 of the pre-conference packet on infant formula and the continued boycott of Nestles. Watson moved for the adoption of this resolution:

> "Be it further resolved that the boycott of the Nestle Company continue with our prayer that the ethical direction of the Nestle Company will further move toward upholding the welfare of God's children everywhere.
>
> Be it further resolved that the Conference Board of Church and Society appoint a task force to study current marketing practices of American based manufacturers of infant formula, to determine whether they are adhering to the WHO code of marketing.
>
> Be it further resolved that a copy of this resolution be sent to the director of the General Board of Church and Society's Department of Peace and World Order for communication to key leaders in the United Nations."

Jo Blount, Dallas South, questioned if the three resolutions could be voted on individually rather than together. Bishop Russell agreed this could be done.

Florence Tooley, FUMC Richardson, and a member of the General Council on Ministries moved a substitute motion which she later withdrew.

Don Hammer, First UMC, Dallas, moved the following amendment:

"Amend second *be it resolved* paragraph to provide: Be it further resolved that the boycott of the Nestle Company be suspended with our prayer and expectation that the ethical direction of the Nestle Company will further move toward upholding the welfare of God's children everywhere.

Insert the following after the words *task force* in the next paragraph: *to monitor the compliance of Nestle's with the WHO code of conduct; and*"

Jack Soper of Holy Covenant UMC, spoke against Hammer's amendment.

Joe Washington amended Hammer's amendment to say "end" instead of "suspended". Hammer accepted this amendment in wording. Millard Fairchild moved that the amendment be voted on, and it carried as amended. Watson then moved the adoption of the whole report. It was adopted.

Robert Dillard moved that debate on any issue be limited to two minutes total for both sides. It was seconded. The Bishop ruled that the motion carried. Question was raised regarding the passage of this motion by 2/3 majority. A count was taken by the pages, and Bishop Russell reported 279 for; 242 against. It was defeated. Debate was not limited.

It carried with a 2/3 majority.

Council on Ministries

John Beall recognized the members of the Annual Conference Council on Ministries. Beall introduced Henry Masters who reported on the work of the Commission on the Black Church. Raymond Williams asked for further explanation of the intent of the proposal regarding the responsibility for the missional priority, strengthening, and developing the ethnic minority local church. Masters stated the thrust was for all minority churches, not just black churches, and that the program should be under the direction of Annual Conference Council on Ministries and not the Commission on Black Church. The black churches will not be diminished in any way by this change of responsibility. Espie del Rosario stated her full support for this change. Ken McKenzie questioned if this was a change of the members on the committee. Masters told him it was a reporting process change, not a change of the committee members. The proposal was adopted.

Commission on Religion and Race

Zan Holmes, Jr., chairperson of the Commission on Religion and Race, spoke on ethnic pluralism and announced two ethnic caucuses which are the eyes and ears of this Commission in their efforts to insure that the ethnic pluralism of Methodism is a working goal of the conference. Holmes introduced Stanley Mayes, chairperson of the Black Methodist Church Renewal, and Merlyn Salapong, vice-chairperson of the Asian American Caucus who each spoke on the work of their caucus. Holmes then shared with the conference his concerns that many churches did not have chairpersons for the Commission on Religion and Race and that many churches have an inactive commission. Holmes announced that on November 5, 1983, a training session for all local church chairpersons of the Commission on Religion and Race will be held to enable this commission to become an active part of the local churches. Holmes urged those churches without a chairperson to elect one and for all churches to send their chairpersons to this November 5th session.

Beall introduced DeForrest Wiksten who urged all persons to prepare for and attend the World Council of Churches meeting to be held July 24 through August 10. Wiksten is one of the credited visitors and will report on this conference August 28 at First United Methodist Church, Wichita Falls.

Hunger in Kenya

Beall introduced Jack Gibson, chairperson of the Board of Global Ministries, who reported (**Report IVA4-3**) on the Kenya Hunger project to raise $60,000 for two years to help the nomadic persons in Kenya establish water supply, crops, etc. Gibson stated that only $50,000 was raised during the last conference year but that this effort was extremely good for the first year. Gibson explained that the goal for the coming year was $70,000 and that the money is to be raised from conference to conference, not during the calendar year.

Missions

Beall introduced Ken McIntosh of the General Board who spoke on missions. McIntosh stated this conference gave $216,000 to missions ranking eighth in the whole jurisdiction. McIntosh reported on evangelism in the Communist countries and presented Bishop Russell with a piece of Christian art from China—one of the first to come out of China in more than thirty years.

SEEK camp for handicapped of all ages uses the facilities at Texoma. This event has proved meaningful to the campers and their families.

John Peel, also from the Commission on Camping and Retreat Centers, told of the development program at Bridgeport and Texoma Conference Centers, particularly as regards remodeling at Bridgeport and sidewalks and wheelchair facilities at Texoma.

Esther Zimmerman, who is the founder, developer, and director of the SEEK program (Summer Events for Exceptional Kampers), told of the event's beginning in 1980 with twenty-nine children and youth at one camp through this summer when there are three events planned, one for children (20 applications to date), one for youth (37 to date), and one for adults (30 applications to date). These three events will each have two co-directors and staff, including medical leaders. Zimmerman spoke of how lives change at the SEEK events—those of the counselors and those of the campers.

XIV. REPORTS

BOARD OF CHURCH DEVELOPMENT

Report IA

I am grateful for the opportunity during the past four years to have a part in the development of the Board of Church Development. It has been inspirational to witness previously disparate groups related to inner city ministries, town and country ministries, church extension, and church assistance come together into a multi-faceted whole.

The heads of the Board's four divisions are to be commended for their forward-looking and cooperative leadership.

Special commendation is in order for the creative and energetic leadership provided by our Director of Church Growth and Development, Phil Mercer. Under his leadership our number of Visionary shares has more than doubled, our Visionary income has more than tripled, and the Board's work has become effectively rooted in every section of the North Texas Annual Conference.

The many and varied facets of the Board's work are evidenced by the reports which follows.

Respectfully submitted,
Spurgeon M. Dunnam III, Chairman

BOARD OF CHURCH DEVELOPMENT DIRECTOR'S REPORT

Spurgeon Dunnam III has led the Board of Church Development with unparalleled distinction. Through his insight, guidance, and devotion the Board has *caught* and *shared* the vision of conference-wide involvement in congregational development.

Since we are conference-wide, I want to thank the total membership of the Conference and all professionals and clergy for your involvement and support! There are 230 clergy and professional share participants. The objective for Church Development is to strengthen and assist local congregations in mission . . . that of visioning disciples.

Three congregations came into existence this year. The Hopkins County Larger Parish in the Paris-Sulphur Springs District; the Camp Wisdom UMC in the Dallas-South District; and the Trietsch Memorial UMC in the Dallas-Denton District. Permit me to say just a few words about each of these:

The Division of Town and Country is assisting in the establishing of the Hopkins County Parish in the amount of $10,000 from Town and Country shares. The Appointive Cabinet and, especially, Dr. Don Renshaw, are to be complemented for their insight into this renewed type ministry and for their acceptance of *Policies Relating to Cooperative Parish Ministries,* which will be printed in the 1983 Journal.

Thanks to Bishop Russell, J. D. Mooring, the District Superintendent, Rev. Doyle Allen, the pastor, and Rev. John Rentfro, who acted as an independent negotiator for enabling the merger of St. Andrews and Polk Street Regional to take place. Of course, the greatest appreciation goes to the faithful members who caught the vision of uniting in *strength* enabling them to serve their community more effectively.

The Trietsch Memorial UMC was chartered May 22, 1983. Dr. Gordon Casad officiated at the Chartering Service where 118 persons became Charter members.

Another creative venture is under way. The Buckingham United Methodist Church in Garland has accepted an innovative use of one and one-half acres of the five acres of land that was granted to them 12 years ago by the Board of Church Extension. The Trustees, with concurrence from the Church Conference agreed to enter into a long-term land use agreement with the Wesley Korean United Methodist Church. This will allow the Wesley Korean Congregation to build their new facility on this site.

Rev. Won Kie Kim, Pastor of First Korean United Methodist Church is zeroing in on a possible location to build. He and his congregation are most appreciative of the Preston Hollow United Methodist Church for permitting them to use their facilities. Rev. Charles Neal, senior pastor, and Rev. Walter Purkey are to be commended for their leadership in this situation.

This year much time and effort have gone into future planning. Long-range study and recommendations have been determined by a study team within each district. Each team was asked to list the needs within its district. A summary of this report has been printed for your information. The Board of Church Development is seriously considering all recommendations. The projections over the next ten years include 19 new churches, nine cooperative parishes, four extended ministries, five research projects, three revitalization/congregational development and four special projects. The challenge of the future is upon us and simply means the enlargement of VISIONARIES and the absolute necessity of seeking large gifts to fulfill these expectations. The response to Church Development and, specifically to VISIONARIES, is encouraging. There were 1,100 persons who attended the four Church

Development Banquets in 1983. Next year there will be five banquets. The total number of shares as of May 18, 1983 is 4,221: Church Extension - 2,475, an increase of 9.3% over last year; Town and Country - 779, an increase of 63%; Transitional Communities - 390, an increase of 3.2%; and Church Development - 577, an increase of 1,442%. This represents 58% of the Conference goal of 5% of the total membership of each congregation participating in the VISIONARIES program. Seventy-nine churches have met or surpassed this goal of 5%.

The Sherman-McKinney District, under the leadership of Dr. Noel Bryant, has attained 87% of the goal. The Paris-Sulphur Springs District had the greatest percent of increase which was 39%.

Respectfully submitted, Philip D. Mercer, Director
Church Growth and Development

DISTRICT STUDY TEAMS' FINDINGS AND REPORT

Background

Since 1953 The North Texas Conference has been engaged in a program of Church Extension. Designed to secure funds through a "share" program of $10 three times per year when a church site was to be purchased, it was originally centered in the Dallas area. In 30 years, as the program expanded to include strengthening existing congregations by financial aid and new congregations beyond the Dallas area, 36 new churches have been started and 37 churches have received major aid in building expansion. Most of these congregations have become strong and have shared their strength in the expansion and assistance of other congregations.

In 1979 the Centurion Program was established giving new strength to the extension work already established in the conference. In 1980 the Annual Conference established The Board of Church Development in its present form with a *mandate* to include redevelopment of inner-city congregations which have experienced major transitons such as population shifts.

A *second mandate* was to strengthen congregations in the town and country sections of the Conference. Affected by declining population since the beginning of the century, these same congregations are faced with an increasing population around them which is more urban than rural in nature. Since 1970 every section of the conference has gained population.

A *third mandate* was to strengthen existing black congregations and to establish new black congregations where needed. Increasing Asian and Hispanic populations have also created a need for developing a variety of appropriate ministries.

Meanwhile, the rapid expansion of population within and around the cities of the Conference reminds us of *our continuing mandate* to establish new congregations.

To meet all these needs in a comprehensive fashion, The Board of Church Development was established with four divisions: The Division of Church Extension; The Division of Transitional Communities; The Division of Town and Country Churches; and The Division of Church Assistance.

Our "shares" program was expanded under the name of VISIONARIES to $15 per share three times each year. Shares may be designated by the donor for one of these Divisions or to Church Development, undesignated. A close working relationship was established with the Commission on the Black Church and The Ethnic Minority Local Church Committee.

When it became apparent that immediate and long-term goals for the Board of Church Development needed to be defined, the resources of the Office of Church Extension in the National Division of the General Board of Global Ministries responded. Dr. Russell Harris, an executive of the Board, presented a program for self-analysis on a district basis.

Through the guidance and assistance of Dr. Harris and Dr. Sarla Lall, a population specialist, District Study Teams were selected. *The District Study Manual Church Extension Survey* manual, supplied by Dr. Harris, provided a step-by-step process for data gathering and information on local churches, population analysis, zoning regulations, community analysis, and a final statement of needs within the district. Each district study team was asked to list in priority order: their needs, target dates, and approximate costs. After several sessions led by Dr. Harris and Dr. Lall, the District Superintendents and their respective study teams presented their reports for analysis in a series of district study team meetings the week of March 7, 1983.

Objectives of the Analysis

At the beginning of the study six basic objectives were outlined, and members of each district study team were asked to keep their analysis within the limits of these objectives:

1. To determine and identify congregations in transitional communities and to design a program to assist their restoration.
2. To identify potential cooperative parish ministries in both urban and town and country areas.
3. To identify predominently black congregations, assist with strengthening their ministry, and to determine where new black congregations should be established.

4. To identify areas where there is a concentration of Asian population, and to determine where churches should be located.
5. To identify areas of concentration of Hispanic population and determine where ministry is needed.
6. To identify areas where new church sites should be purchased and congregations established.

In keeping with the basic objectives of the study, the full report lists the needs projected by each of the district study teams in order of targeted date.

The Board of Church Development will seriously consider all requests, and attempt to meet prioritized needs, target dates, and costs. The financial askings are far greater than the resources of the Conference at this time providing a challenge to each layperson and clergy in the North Texas Conference to enlarge the VISIONARIES program and to seek major gifts to meet these visions. On the basis of past experience it is estimated that it costs $225,000 to start a new church. This is not a commitment from Conference resources for much of the cost must be the responsibility of the new congregation.

DISTRICT STUDY TEAMS

A total of 39 needs for congregational development were identified as being probable within the next four years. These projects are charted according to category and district on the following page.

PROJECTED NORTH TEXAS CONFERENCE CONGREGATIONAL DEVELOPMENT NEEDS

As submitted by the District Study Teams, Spring, 1983

A total of 39 congregational development projects were identified as likely to be needed during the next four years by the district study teams. Their combined cost is likely to exceed $4 million. The involved local congregations will raise the bulk of these funds. The Conference Board of Church Development will need to raise increasingly larger sums, however, through VISIONARIES shares if it is to provide the strategic leadership and encouragement needed to fulfill its mandate from the Conference.

THE DIVISION OF CHURCH ASSISTANCE REPORT

This division, chaired by the Rev. Kerby Edwards, serves a decidedly different function from the board's other three divisions.

It is a traditional grant-making entity which provides assistance for local churches within the conference which face financial needs beyond the limits of their resources.

Hence, emergency needs are given first priority in the division's consideration of applications. The degree to which a given grant will assist the congregation in becoming self-supporting is another high- priority consideration.

At present, the division's grants are being allocated for capital improvements and repairs by local churches.

Applications are channelled to the Division during October. They are considered and prioritized and churches whose applications are approved are notified. Although most of the year's funds are allocated, a limited supply of funds is maintained in reserve to deal with emergencies during the remainder of the year.

During 1981, Church Assistance made a total of 27 grants to churches in a total of 7 districts. These grants totaled $65,883.00.

During 1982, 20 grants to churches in 6 districts totalling $56,800.00 were made.

During 1983, 17 grants to churches in 5 districts totalling $45,700.00 have been made.

All funds come from apportionments rather than the VISIONARIES Program.

Church Assistance grant guidelines and procedures for submitting applications are included as an appendix to this report.

Respectfully submitted, Kerby Edwards, Chairperson
Division of Church Assistance

THE DIVISION OF CHURCH EXTENSION REPORT

The Division of Church Extension is continuing to be faithful to its task which is primarily to start new congregations. This year one new congregation was chartered — the Trietsch Memorial United Methodist Church received 118 charter members on May 22, 1983.

The Division has been most effective in continuing to support "Church Extension" congregations.

The Trinity United Methodist Church, Denton has purchased a new parsonage and is expecting to move into its new facilities in October.

First UMC in Coppell has sold its old location and is anticipating relocating to its new facilities in 1984.

Other congregations assisted in 1982-83 are: New Covenant, Sunnyvale; The Colony; Polk Street Regional; First Korean; Wesley Korean, Garland; Heath UMC; and Trinity UMC, Denton.

Respectfully submitted,
Clayton Sanders, Chairperson,
Division of Church Extension

THE DIVISION OF TOWN AND COUNTRY REPORT

In addition to its regular function of supporting the ministry of town and rural congregations throughout our Conference, in 1982, the Division of Town and Country Churches has been working toward the establishment of a new cooperative parish. This work has been made possible through the tremendous response to the VISIONARIES program, specifically the more than 760 Town and Country shares purchased.

The Division determined that all of the share money will be used for cooperative ministry projects, and it has been working closely with Bishop Russell and the Extended Cabinet, Dr. Marvin Judy, and members of various local churches to establish a new cooperative parish.

We are delighted to announce that a new cooperative parish has been duly constituted, and that two ministers have been appointed to serve the parish at this year's session of Annual Conference. The parish is to be made up of five churches in the Paris-Sulphur Springs District: Arbala, Como, Gafford Chapel, Pickton, and Reilly Springs. They have chosen to be known as the Hopkins County Larger Parish.

The Division of Town and Country Churches rejoices in this new cooperative project, and we are eagerly anticipating the formation of additional parishes in the coming year.

Respectfully submitted,
Paul Goodrich, Chairperson
Division of Town and Country

POLICIES RELATED TO COOPERATIVE PARISH MINISTRIES, THE NORTH TEXAS CONFERENCE

I. Disciplinary Requirements

The *1980 Discipline* , paragraph 721 states, "The Annual Conference shall establish a Committee on Parish and Community Development or assign this responsibility to an existing agency of the Annual Conference that will fulfill these responsibilites as related to the objectives and scope of the National Division, Board of Global Ministries (paragraph 1529). The committee shall initiate and develop programs with: agencies related to the National Division, church and community ministries, congregational development, town and country ministries, urban ministries, and other concerns as desired."

The paragraph describes the work of the committee and responsibilites primarily as initiating, developing and sustaining various types of cooperative parish ministries within both urban and town and rural areas. This responsibility in the North Texas Conference has been assigned to The Board of Church Development with its two sub-sections, Division of Transitional Communities and Division of Town and Country Ministries.

Paragraph 206.2 of the *1980 Discipline* states, "Annual Conferences shall consider a process of cooperative parish development through which cooperative parish ministries are initiated and developed. Parish development is an intentional plan of enabling congregations, church-related agencies, and pastors in a defined geographic area to develop a relationship of trust and mutuality which results in coordinated programs and ministries supported by appropriate organizational structures and policy. A superintendent or director of parish development may be appointed to work with the cabinet(s) in the implementation of these ministries in a conference or area."

Seven types of cooperative parish ministries are briefly defined: (1) the larger parish, (2) multiple charge parish, (3) group ministry, (4) enlarged charge, (5) extended or shared ministry, (6) cluster group, (7) probe staff (see paragraph 206.3 for details).

II. Objectives of Cooperative Parish Ministries

A. To provide an effective ministry and program for congregations in cooperation with each other within a given geographic area.

B. To provide a strategy for increased opportunities for involvement of congregations in an expanded ministry with increased opportunities for mission, evangelism and to strengthen the witness of the church to its members and to the community by an efficient use of its leaders, both lay and clergy.

C. To assist congregations, both large and small, in a given geographic area to have an efficient ministry. To provide services and resources to the small congregations through pooling of equipment, leadership, and facilities.

D. To take advantage of skills of trained ministers and to make an effective use of lay-pastors—full-time and part-time, and students—college and seminary, and seminary interns.

E. To assist with reversing the trend of some local congregations in decreasing membership to new life. To assist in changing the attitude of one of defeat to optimism.

F. To assist ministers to perform more significantly in mission with a sense of built-in support from colleagues, congregations and Annual Conference leadership and agencies.

III. Procedures for Establishing a Cooperative Parish Ministry

A. A theological axiom undergirding cooperative parish ministry is: professionally-employed staff (ministers, associates, educators, interns, etc.), organization, building and equipment are for the purpose of assisting the laity to be the church in worship, nurture, and at work in the world.

B. Leadership principles undergirding cooperative parish ministry development are as follows: (1) Persons will accept new ideas if they feel they are to their advantage. (2) Persons tend to support ideas they have had a share in formulating. (3) Persons who are affected by a decision need to have a voice in making the decision.

IV. With these two basic principles in mind the following procedure is suggested:

A. Initiation. Basic responsibility for initiating cooperative parish ministry development is with the district superintendent. Suggestions may be made by laity in local congregations, pastors, or denominational executives.

B. A given geographic area needs to be defined. This is based upon natural trade area communities with definable boundaries. All congregations within the area are to be considered for potential cooperative parish ministries. In some cases the interdenomination aspects should be explored.

C. Pastors (and church staffs) of all the pastoral charges in the area should be brought together to discuss the potential parish. This discussion should be initiated by the district

superintendent. Sufficient time and number of meetings need to be given to create a spirit of cooperation, support and commitment to the idea of a cooperative parish ministry.

D. The district superintendent shall initiate a meeting of laity from the congregations involved in the potential cooperative parish ministry. At the initial meeting there is need to explain what cooperative parish ministries are, some advantages, hopes, dreams. Assurance needs to be given that no decision will be made by the superintendent, pastors, or conference executives. Final decision will be made by the laity in each local congregation. The group in session can make a tentative commitment to begin discussions with representatives from each church.

E. Each congregation elects two or three persons to be their representatives in a series of discussions. Persons elected are to attend a series of meetings with the objective of discussing the various aspects of a potential cooperative parish ministry, and to convey back to their respective congregations the essence of the discussions and to secure continued support for further discussions.

F. Over a period of three to six months and longer, if necessary, discussions include: (1) Demographic studies of population, history of each congregation regarding membership, church school, current situation, geographic distribution of members, etc. (2) Forms of cooperative parish ministries. (3) Advantages and disadvantages of cooperative parish ministries. (4) Autonomy of each congregation. (5) Joint boards and committees in cooperative parish ministries. (6) Employed staff. (7) Program. (8) Budget. (9) A regulative document such as a constitution.

G. Approval of the cooperative parish ministry plan by each church.

H. The district superintendent and cabinet will consider staff and other budget items and make appointments accordingly.

V. Staff Appointment Policies

A. The staff of a cooperative parish ministry

1. The coordinator or director of a cooperative parish ministry should be appointed by the Bishop and cabinet to the position.
2. The coordinator or director should be a full member of the Annual Conference with a working knowledge of cooperative parish ministries. He/she should have the ability to provide leadership to other staff persons while allowing them to be creative in their respective fields of responsibility, and arrange full utilization of their specific skills. (He/she is a leader among leaders.) He/she needs to possess a strong sense of mission, be not easily discouraged, and have a strong commitment to the cooperative parish ministry.
3. All persons appointed to the staff of a cooperative parish ministry need to be apprised in detail of the parish, its work, his/her responsibility within the parish, job description, staff relationship, lines of authority, and express a commitment to the cooperative parish ministry. Such information needs to be provided by the district superintendent and the coordinator or director of the parish.

B. Annual Conference commitments

1. The Bishop and cabinet will give careful consideration to the appointment of staff. The cooperative parish ministry appointments must have equal validity with other multiple staff appointments.
2. Training for staff positions needs to be considered by the Board of Ordained Ministry and other agencies of the conference. This can be done with on-the-ground training, annual conference events in conjunction with the continuing education program in seminaries, or other places in the nation.
3. Salaries for staff need consideration by the Division of Transitional Communities and Division of Town and Country Ministries through the VISIONARIES budgets.
4. It is desirable that the cabinet develop a list of perspective staff for cooperative parish ministries, and conduct a series of discussions with such persons on the meaning of this type of ministry.
5. As funds become available it is advisable that a position on the Conference level be established in the Board of Church Development in the field of parish formation. The director or staff person in such a position would be amenable to the Board of Church Development, Division of Transitional Communities and Division of Town and Country Ministries.

   The job description for such a position could include:

   a. Research in the conference in regard to potential cooperative parish ministries.

b. Assist district superintendents in defining potential cooperative parish ministries.
c. Assist local congregations in the process of forming cooperative parish ministries.
d. Assist with maintaining cooperative parish ministries.
e. Assist with training or providing for training of cooperative parish ministries staffs. (See *Discipline*, paragraph 721.5(a).

The director will be in a position to consult with the cabinet in regard to appointments to staffs of cooperative ministries.

DIVISION OF TRANSITIONAL COMMUNITIES REPORT

Committed to finding ways to build bridges of support and continuity between the past and the present in order to strengthen inner city churches, the Division of Transitional Communities continued to concentrate its major efforts in the areas of East Dallas and Northwest Oak Cliff during the past year.

Little more than a year ago the East Dallas Cooperative Parish (EDCP) was formally organized and included four aging congregations — Grace, Memorial, Munger Place, and St. John's. By August 1, when the congregations came together for "A Service of Beginnings," two other churches — Greenland Hills and Lakewood — had made commitments to link up, with a seventh — St. Luke's Community — announcing a similar decision that night. George Holcomb had been engaged as a Community Consultant and the stage was set for the unfolding of an unprecedented drama in the months ahead. A virtual marathon of in-depth planning sessions, penetration workshops, and volunteer orientations resulted in a renewed vision of the churches' mission and an excitement and expectation about ministry within each responsibility parish (a carefully defined geographical area surrounding the church.)

Extensive statistical research and visitation in the area revealed two ethnic groups needing immediate intensive attention. The Division has approved a $10,000 grant for ministry to Hispanics and Asians (especially Cambodians). Other North Texas Conference churches provided start-up funds toward this effort and the Reverend Noe' Montez and Pa Pan have given the needed staff assistance with survival English classes, job training, job hunting, vocational workshops, legal aid services, and a health clinic as well as teaching Sunday School classes and leading worship services.

Some eighty volunteers are currently working with EDCP in areas ranging from clerical help in the office to matching prospective employers with employees to stocking food shelves in the emergency pantries to teaching English classes. For instance, an average of twenty persons are placed in jobs through the EDCP job bank and a hundred families assisted through the emergency aid center at Munger Place alone each week.

As the year ends, overall the East Dallas churches have ceased sliding in membership and are showing increases in attendance and participation.

A bi-lingual seminary intern was assigned August 1, to Brandon Avenue to work in relationship with seven churches in the Northwest Oak Cliff Cluster — Brandon, Brooklyn, Clearview, Cockrell Hill, Irwindell, Stevens Park, Arcadia Park with Oak Cliff joining the group later. A major goal was to enable the Cluster churches to work together in a closer relationship and to support one another whenever possible. The intern, Helen Bowen, provided the connecting link.

A stronger sense of community has developed over the year as lay and clergy have participated in planning, study, worship and fellowship together. In April a step toward a more formalized structure was tken when each church agreed to send two designated lay representatives to Cluster meetings in addition to the pastor and others who wish to attend. The Division has approved a $5,000 grant toward a multi-pronged approach this coming year. Those churches in the Cluster who have been in the combined youth program with other Central District churches will concentrate on a Cluster program. Spanish classes will continue for better communication with and understanding of those in the neighborhood, and each church will have an intensive workshop such as those held in the East Dallas churches to set directions for the future.

The potential and opportunity in these and other areas is tremendous. In the year ahead we will be using the District Study Team reports as a road map for studying possibilities and encouraging church development in other neighborhoods. The Division looks to the future with anticipation.

Respectfully submitted,
Joyce Merz, Chairperson
Division of Transitional Communities

The "Conditional Grant" is to be paid back by the local church over a period of 15 years, without interest, through participation in the SHARE PROGRAM, with all Share Funds being applied against the balance of the grant.

II. New Churches
   A. Church Extension will provide the site as an initial grant (to be deeded over to the church prior to first unit construction).
   B. The Division of Church Extension provides a $60,000 missional start-up grant payable directly to the church to help supplement its total budget during the first five years of development. B. No action of the Board of Directors will be considered as establishing a precedent with regard to future assistance to churches. Each request will be considered on its own merits and acted on in the best judgment of the Board of Directors. In each case, the Board of Directors will determine the amount of assistance and decide whether the assistance will be in the form of an outright grant or a loan to be repaid.

C. It is the intention that all Church Extension VISIONARIES Share monies will be expended toward the purchase of new church sites.

2. Specific, written, plans for ministry must be submitted and should include:
   —goals
   —geographical area

BOARD OF TRUSTEES

Report IB-1

The Board of Trustees would like to express its appreciation to the District Superintendents for their support and willingness to follow the approved process for Merger, Abandonment, Transfer and/or Sale of Church Property which requires the signature and date of the Charge Conference; District Board of Church Location and Building; Extended Cabinet; Board of Church Development; Conference Board of Turstees and finally, the recorded action taken by the North Texas Conference.

In an effort to be faithful to its task, the Board has made the following statement as a matter of policy:

> When the Conference Board of Trustees recommends to the Annual Conference the abandonment of a church property, prior to decision on its disposition, the Board of Church Development shall be asked to make a study of the potential use of the property. This study is to determine if it shall be held for further use based upon potential population expansion or such shifts in population such as Black, Asian, Native American, or other ethnic or racial groups.
>
> The Board of Church Development will then submit its recommendation to the Conference Board of Trustees.

The Financial Report as of April 29, 1983 shows a balance of $47,881.88. This comes from reserve funds from prior years, payments from the Westerfeld property, and small oil and gas income leases, and includes year-end distribution. The Hughey Estate balance of obligated funds is $76,615.84. As instructed by prior Conference action, we are holding $1,634.85 for the Trinity United Methodist Church in Denton, $20,000 for the Camp Wisdom United Methodist Church, and $10,000 for the First Korean United Methodist Church from the sale of the Trinity United Methodist Church in Dallas.

The Conference Board of Trustees rejoices in the merger of St. Andrews and Polk St. Regional to be known as the Camp Wisdom United Methodist Church.

The deed from the Glendale United Methodist Church property has been transferred to the First Filipino/American United Methodist Church.

Items that call for Conference action are the following recommendations from the Board of Trustees.

COMMITTEE ON EPISCOPACY

Report IIC

This year the Committee on Episcopacy met in December of 1982. We reviewed the activities, functions, and concerns of Bishop John Russell. He reported on the Mission Trip to Burma, Indonesia and other places he and Mrs. Russell (Mary Jean) had traveled to in October. The members of this committee have a fine relationship with our Bishop and feel he is responsive to our comments, concerns and suggestions.

An Ad Hoc committee has drawn up a format to use as our proceedure in the evaluation process for the Office of Episcopacy in North Texas Conference. This Review System should better enable the Committee on Episcopacy to be of help to the Bishop and the Conference as we seek to continue being the outstanding Area in United Methodism.

The Episcopacy Committee of Central Texas hosted a dinner meeting at First United Methodist Church, Arlington in April of 1983. We and our spouses enjoyed an evening of musical entertainment, as well as another opportunity to continue the process of getting better acquainted across conference lines, thus enabling the Bishop to serve the Dallas-Fort Worth Area as a whole.

The three years Bishop Russell has served our Conference has truly been a blessing and his conscientious efforts, his kind methodical way of work, and his sincere dedication to his responsibilities reflect throughout the Area for positive growth and cooperation.

Margaret Tarr, Chairperson
Committee on Episcopacy

COMMITTEE TO STUDY NOMINATING PROCEDURES

Report II J-1

The Committee to Study Nominating Procedures was appointed by Bishop Russell in response to the request of the Chairperson of the Standing Rules Committee. At issue was the statement in Standing Rule Three which states:

> A person shall not be elected to serve as a chairperson in the Annual Conference for more than four years in any consecutive six years.

Inasmuch as this portion of Standing Rule Three has not been uniformly followed since the inception of the Standing Rules in 1979, a review of the viability of the provision was called for. A ten-member committee worked for several months examining options to the rule with the conclusion that, in order to provide diverse leadership for the Annual Conference and to be free to enlist creative new persons of competence for leadership positions, the rule should remain as it is and be meticulously followed.

Therefore, this committee recommends no change in the above provision of Standing Rule Three, but does recommend further study on the overall process of nominating and electing leadership of the Annual Conference, with an appropriate Conference Agency to be charged with this responsibility at the discretion of the Bishop.

Don F. Renshaw, D. Min., Chairperson
Committee to Study Nominating Procedures

LEGISLATIVE PROPOSAL

Report II J-2

FROM: Standing Rules Committee

SUBJECT: Additional statement to the current sentence in Standing Rule 3 — "A person shall not be elected to serve as a chairperson in the annual conference for more than four years in any consecutive six years" — to clarify and exempt certain chairperson positions.

PROPOSAL: At the end of the sentence to add — *of an agency whose membership is elected or confirmed by the annual conference, excluding those committees listed in Standing Rule 3 as Annual Conference Committees.*

RATIONALE: See the organizational chart on page 244 of the *1982 Journal.* The intent is that

a. presidents or chairpersons of organizations who are elected by their organization and not elected or confirmed by the Annual Conference should not have the rule applied to them. (specifically, the United Methodist Women, United Methodist Men, and the Council on Youth Ministries).

b. Among the eight committees listed in the Annual Conference Committees category —
   - Nominations Committee is chaired by the Bishop.
   - Investigation does not have an elected chairperson.
   - Episcopacy elects its own and meets very rarely.
   - Conference Offices Housing only meets when there is a need — with no need having come up in two years.
   - Agenda is named by the Bishop from the Cabinet.
   - Memoirs, Journal and Courtesy & Resolutions are committees that only function during annual conference with very few responsibilities.

DESIRED IMPLEMENTATION: Approval by the Annual Conference.

COUNCIL ON FINANCE AND ADMINISTRATION

SECTION I. PREFACE

Report III-2

The Council on Finance and Administration has continued to feel a sense of responsibility of being good stewards of the monies of this Annual Conference. We are grateful for the high percentage of payments on Conference Apportionments once again and feel a sense of accomplishment in administering these with openness and availability to the members of the Conference.

We are pleased that our computer service to local churches has developed and that more of you are availing yourselves of this opportunity for data maintenance.

Jim Hares has been a vital and key link in keeping us informed as to our responsibilities and in administering the affairs of the office. The staff still answers a considerable numer of questions concerning finances, as well as doing the detailed work with him. We are very fortunate and deeply grateful for these committed people.

Each year, we have tried to be more sensitive to the kind of information you would like to have concerning our work and responsibility in trying to meet your needs. If you have further questions, please feel free at any time to call on any member of the Council or the Council Staff.

SECTION II. RECOMMENDED GOALS TO LOCAL CHURCHES

A. That a minimum of 25% of the total annual budgets of the local churches be designated for causes beyond the local church.

B. That local churches consider the challenge to advance in spiritual strength toward the long-term goal of "one dollar for us and one dollar for others" in establishing the operating and the beyond-the-local-church portions of their annual budgets.

C. That local churches plan to remit at least 10% of their annual apportionments before the 15th of each month beginning in February.

D. That apportionments be given first claim by local churches in their beyond-the-local-church payments with advance specials and other benevolences viewed as second-mile giving.

E. That local churches assist in achieving 100% payment of all apportionments in every district through voluntary contributions to the District Second-Mile Apportionment Fund.

2. Jurisdictional Conference
The SMU apportionment is being dropped as planned at the end of five years.

3. Annual Conference
The unfunded liability portion of Conference Claimants remains the same. The increase in the comprehensive protection portion is indexed to the denominational average compensation. The item for Operating Expenses has been added to care for administrative expenditures.

b. District Superintendents
The recommended salary increase for district superintendents in 1984 is 6%. The item for contingency has been added to assure sufficient funding when the apportionment is not paid 100%.

c. Equitable Salaries
A slight decrease in recommended for 1984 because of surpluses accumulated in previous years.

d. Conference Insurance
The 12% increase in needed to meet rising health costs.

e. Conference and Area Staff
No increase is recommended for 1984. The 6% salary increases will be possible from accumulated surpluses.

f. Conference Programs
The total increase of only 6.9% has resulted from careful examination of all aspects of Conference Program costs with increases closely scrutinized.

g. Camping and Retreat
No increase has been requested for 1984.

h. Texas Methodist Colleges
No increase has been requested for 1984.

i. Campus Ministries
Only a slight increase is recommended.

j. Church Development
The 6.5% increase will provide additional funds for church extension, town and rural, and transitional communities congregations.

k. Community Ministries
A large increase is recommended for 1984 in response to changing needs in community ministries resulting from adjusted support from government funds.

4. District Sections
Each of the seven district sections is authorized to set the amount as needed for each District Fund apportionment. The information is included to provide a total figure for all apportionments to local churches.

SECTION VI. GUIDELINES FOR COMPUTATION OF 1984 APPORTIONMENTS FOR LOCAL CHURCHES

A. Formula for Two-Part Decimal:
1/3 membership and 2/3 financial

B. Procedure for Computation of Decimal for Each Church:
The membership part is computed by dividing the total 1982 church membership of the Annual Conference (150,642) into the 1982 membership of each church. This becomes the church's membership decimal.

The financial part is computed by adding the amounts of the operating expenses reported by each church in columns 35, 36a, 38b, 39b, 40a and b, 41a and b of the 1982 Statistician's Report. This total is then divided by the Conference total of these same columns ($19,213,728). This becomes the local church's financial decimal. (Funds reported on building and indebtedness in columns 33 and 34 are not included in the computation of the decimal.)

The finance decimal is doubled. The membership decimal is added to the doubled finance decimal. This total is divided by three to become the apportionment decimal.

C. Procedure for Computation of Apportionments for Each Church:
The apportionment decimal for each church is multiplied by the Conference total of each apportionment to determine the amount that church is asked to pay toward the apportionment.

D. Margin for Correction:
To assure that 100% of the amount of each apportionment will be distributed to the churches, no more than one quarter of one percent may be added to each apportionment when needed.

DIVISION OF OLDER ADULTS

Report IVA-1

The Older Adult Division of the Board of Age Level Ministries is in the process of assessing the needs of local churches in order to better serve their needs for specific resources. In order to accomplish this goal we conducted a survey of local church programming in the area of older adult ministries. The Board is putting together a team of resource leaders, who will be available to assist churches as they identify their own needs. Some of the possible areas of concern identified in this survey were adults and their aging parents, creative ministries with older adults, and leadership training for local churches.

During the past year, the Division has supported training events for division members including attendance by one member of Shepherds Center in Kansas City, Missouri. The purpose of this session was to develop a comprehensive model for a community center for older adults. Already the results of our participation have been positive.

Scholarships have been offered to persons throughout the North Texas Conference wishing to participate in Dogwood Times at Mount Sequoyah, Arkansas.

Plans are in the works to compile a resource packet with information on books, films, and speakers available in the Conference with expertise on issues in aging. The Division has determined that instead of planning a conference-wide event for the new year, it will concentrate on networking districts and local churches.

COMMUNITY BASED CORRECTIONS FACILITIES

Report IVA2-1

FROM: Martha Boyd Watson, Chairperson
Board of Church and Society

SUBJECT: Community Based Corrections Facilities
(Halfway Houses)

RESOLUTION: That United Methodist Christians in North Texas continue to support the establishment and maintenance of halfway houses as an expression of care for ex-offenders and an expression of hope for the good of our society.

RATIONALE: Halfway houses serve an invaluable role in the criminal justice system, in assisting ex-offenders to make the transition from sheltered and restrictive prison environment to a complex and difficult urban society. They provide ex-offenders with shelter, assistance and encouragement in an effective residential setting.

A disproportionate number of prisoners released from Texas prisons return to Dallas and other large Texas cities, and halfway houses serve our community as they help the ex-offender to find employment and a stable productive life.

The resolution urges United Methodists to accept ex-offenders and to help them to adjust to society, and not to join in the public resistance of the establishment of halfway houses throughout our communities.

The next two years will be crucial for the success of community-based corrections in the state of Texas. Legislation has been passed providing more structural incentives and more funds for enriching the field of community based corrections. Halfway houses must be given every chance to succeed so that we will not return to a state corrections policy based solely on building more prisons.

DESIRED IMPLEMENTATION:

1. United Methodists are urged to reflect theologically on how God's forgiveness and compassion can be made real in our communities as we welcome ex-offenders.
2. United Methodists are urged to support *existing* halfway houses, such as the ones sponsored by the Division of Community Ministries, (The Way Back House, 4038 Lemmon Avenue, Dallas and the Women's Way Back, 1015 Browder), not only through contributing but also through volunteer hours.
3. United Methodists are further urged to advocate the establishment of *new* halfway houses and to welcome their establishment in *all* neighborhoods.

DRUG AND ALCOHOL CONCERNS

Report IVA2-2

FROM: Martha Boyd Watson, Chairperson
Board of Church and Society

SUBJECT: Drug and Alcohol Concerns

RESOLUTION: That a Task Force on Drug and Alcohol Abuse be appointed by the Bishop in cooperation with the Conference Board of Church and Society.

RATIONALE: As Christians, we know that we are dependent on God alone for the strength and courage to live and love in our complex world. Yet we also know that we often fall short of keeping God at the center of our lives.

We come to depend on many things other than God to bring meaning to our lives. The collection of material possessions and the drive to attain social position are only two examples.

Millions of people suffer from another tragic form of dependency; dependency on alcohol and other drugs. Chemical dependency victimizes not only the user, but also his or her family, community, work-place, and church.

The church, as the body of Christ, must (1) respond with compassion to the suffering which results from dependence on alcohol and other drugs and (2) speak prophetically about the personal and societal dangers of such dependence.

By responding this way, we re-affirm principles deeply rooted in our Wesleyan heritage, and now contained in our Social Principles:

We affirm our long-standing support of abstinence from alcohol as a faithful witness to God's liberating and redeeming love for persons. We also recommend abstinence from the use of marihuana and any illegal drugs. As the use of alcohol or tobacco is a major factor in both disease and death, we support educational programs encouraging abstinence from such use.

DESIRED IMPLEMENTATION:

Purposes of the task force:

1. To solicit and gather educational materials which offer the most up-to-date information on the use and abuse of alcohol and other drugs and their effect on society, and to distribute them broadly through our churches.
2. To recommend audio-visual materials to supplement existing resources in the Conference Center.
3. To develop a list of speakers.
4. To recommend and help implement programming at local church, district or conference levels.
5. To be in contact with local rehabilitation agencies to offer advocacy assistance.

THE UNITED STATES — MEXICO
THE CHALLENGE OF MIGRANT LABOR

Report IVA 2-3

FROM: Board of Church and Society
Martha Boyd Watson, Chairperson

SUBJECT: The United States — Mexico: The Challenge of Migrant Labor — An Issue Laden with Human Tears.

RESOLUTION: **Whereas** the North Texas Annual Conference has, for three annual sessions, passed resolutions designed to influence the United States Congress in establishing just and humane control of the borders between the U.S. and Mexico;

Whereas the lack of such just and humane controls continues to cause undue fear and uncertainties for the families of immigrants, legal or illegal;

Whereas the issues of immigration are complex and controversial; they are ruled by postponement, evasion and expediency and are often beset by fear and mis-information;

Therefore be it resolved:
That the North Texas Annual Conference, desirous of generating informed citizen involvement in the interest of justice and believing that a voice of loving concern can be provided by people of faith contributing to public debate, calls upon local churches, United Methodist Women, agencies and institutions in the North Texas Annual Conference to engage in a serious discussion of the following points that might become, in some form, a part of a de-politicized solution to a serious problem between the USA and Mexico:

(See following pages for list of **possible action, alternative suggestions, rationale and report page.**)

DESIRED IMPLEMENTATION:

1. That the Annual Conference request that reports on the discussions outlined in the resolution come in through the offices of the District Superintendents, to the Board of Church and Society by December 31, 1983.

2. That the North Texas Annual Conference request a report on these discussions at its 1984 Session.

POSSIBLE ACTION: (a) **ALTERNATIVE ACTION:**

(In considering each of the following, be especially aware of any possible discrimination against U.S. citizens with Hispanic surnames.)

1. Accept defacto needs for workers in the U.S., the exact number to be determined by regional and functional surveys.

1. Alternative:

2. Negotiate some type of agreement with Mexico for a limited number of legal workers to enter the U.S. temporarily for a limited time. By this action we would:
   a. offer inducements for Mexicans to wait their burn at home;
   b. offer incentives for them to return home;
   c. place a limit on those who could enter; and
   d. justify the enforcement of sanctions on users of undocumented workers.

2. Alternative:

3. Set humanitarian standards for employment of certified workers in the USA that would assure equal, fair and just treatment.

3. Alternative:

4. Adjustment of Status (not amnesty) for those undocumented aliens in the USA who have been here at least 5 years and who have acceptable records.	4. Alternative:
5. Provide *all* workers (of all races, nationalities, alien status, etc.) with a non-counterfeitable social security card or other means of identification on a non-discriminatory basis.	5. Alternative:
6. Propose the establishment along with Mexico of a joint U.S.-Mexico Migrant Labor Commission similar to the Joint Commission dealing with Boundary and Water. This was very political for many years but has eventually been de-politicized as a way of handling conflicts that are mutually satisfying — no winners, no losers.	6. Alternative:
7. Or some combination of the above	7. Alternative:

(a) Source: Ambassador R. Richard Rubottom

RATIONALE: It is time for more than "Resolutions" passed by this Body and mailed to government officials. The North Texas Annual Conference has sent the following resolutions:

1980: A Resolution related to access to free public education for children of undocumented workers.

1981: A Resolution calling on the Congress to establish effective, human, just immigration laws.

1982: A Resolution deploring lack of action and calling again on the Congress to act, stressing the bilaterial nature of the problem between US and Mexico.

What do we say now? What do we do now?

There are many conpeting interests. To meet them all creates contradictions unacceptable to thinking, caring persons. The Immigration and Naturalization Service raids continue. In many cases they disrupt family life and the education of children. The U. S. and Mexico face a joint destiny. Each nation has a high stake in the abiding prosperity and progress of the other. Ambassador R. Richard Rubottom, chairman of the Good Neighbor Commission of Texas and a prominent Methodist layman, has expressed the situation as follows:

"The U. S. has reached a major threshold in its attempt to deal with the problem of undocumented aliens. Either it takes the initiative to analyze the problem, divide it into its component parts, subject those parts to critical analysis, and channel them into the political process *or* the nation will continue to drift on this issue, condoning the already institutionalized illegality of an uncontrolled border and thereby breeding disrespect for all laws on the part of U.S. citizens and aliens alike, putting an additional strain on U.S.-Mexico relations and postponing the inevitable judgment day when the solution, whatever it is, will be more difficult than now." (January 1983)

Discrimination Watch: In any consideration of immigration policies and border control, it is very important to be sensitive to points of concern by Hispanics and U.S. citizens with Hispanic sur-names. For example:

1) The issue of sanctions on employers who employ undocumented workers. Will this cause employers to discriminate in employing workers with Hispanic sur-names who are U.S. citizens?

2) Identification requirements: Will this cause harrassment of U.S. citizens of Hispanic sur-names?

Discussion of these points will no doubt raise other issues of concern.

Legislative Watch: The U.S. Congress — It is very important to keep up-to-date on the progress of the Simpson-Mazzoli bills in the U.S. Congress. SB 529 (Senator Simpson) was originally passed in the Senate but failed in the House. This bill included the following:

1) Amnesty: for those aliens before 1980: from 1977-80, temporary amnesty; no federal benefits for 3 years; others: permanent residents eligible for citizenship in five years and proof of fluency in English.
(Note: some prefer the term "Adjustment of Status" rather than the term "Amnesty")

2) Fines for employers who employ illegal aliens

3) Cap on legal immigration of 425,000

When this bill was not passed as of December 1982, this turned the Immigration and Naturalization Service loose to round up the 100,000 who had been granted a moratorium on deportation pending the outcome of the legislation.

The new bills (SB 529 in the Senate and HB 1510 in the House) have been re-introduced in the 1983 session of the Congress. To keep up-to-date on the progress of these bills call:

CONTINUING WORK FOR PEACE

Report IVA2-4

FROM: Martha Boyd Watson, Chairperson
Board of Church and Society

SUBJECT: Continuing the Work That Makes for Peace

RATIONALE: Whereas God was incarnate, lives among us to reconcile us to Himself and wills us to be reconciled to one another, and
Whereas we learn very little about our faith until we take the risks of loving even those it seems most natural to hate, and
Whereas we are given the awesome task of maintaining and preserving the wonder of creation, and
Whereas (life, as) the most basic of human rights is a gift which God gives to all, in present and future generations, Christian and non-Christian,
We, the United Methodist Christians of North Texas, pray for God's guidance to more diligently pursue the things that make for peace and world order. We seek to put the ministry of reconciliation into the center of our life and work, seeking to heal the hurts of conflict in our marriages, our families, our workplaces, our churches, our nation and our world.
We further seek God's guidance in prayer, private and corporate study, and conversation so that as Christians we may speak with a clearer and more unified voice.

RESOLUTION: Because of the theology expressed in the rationale:
1. We oppose the testing, production and deployment of nuclear weapons since they so immediately threaten the creation itself and all future generations.
Though we recognize the obvious need for the security and integrity of all nations in a world as complex and fraught with evil as ours, we must never allow the rhetoric of fear and hatred to keep us from the hope that new and enduring relationships can be created among the super-powers. The church, as Christ's ministers of reconciliation, can and must be a "forum of hope" for the creation of these relationships.
We, therefore, affirm the process of arms limitation talks and the role of the church in advocating them. As difficult as it may be to find the incentives that will keep the super-powers from stockpiling weapons of mass destruction, we must never stop advocating the creation of those incentives.
We urge United Methodist Christians to witness their faith in a God of hope and reconciliation.
2. We oppose the testing, production and deployment of chemical and biological weapons and deplore recent uses of chemical weapons by the Soviet Union in Southeast Asia and Afghanistan. Such flagrant hatred for God's creation and fellow human beings is utterly sinful. Even American use of chemical defoliants in the Vietnam War was deplorable. Any future use of chemical or biological weapons must be opposed.
We urge United Methodist Christians to support arms limitation agreements aimed at the elimination of all such weapons. The United States unilaterally destroyed its biological weapons stockpile in 1969, and we hope and pray for a similar courageous action as it regards chemical weapons.
3. We urge local churches to create and maintain a vital theology of peacemaking and reconciliation by creating program ministries which ask what Christian faith has to say about national security issues, militarism, relational conflict, parenting problems and conflict within the church.

DESIRED IMPLEMENTATION:
1. That each charge conference select a representative to coordinate peacemaking information and activity in each local church, and that the Board of Church and Society conduct district training for these representatives.
2. That Sunday, August 7, 1983, be declared Peace With Justice Sunday in the North Texas Annual Conference and that churches be urged to:
   a. Read this resolution from the pulpit as part of the worship service.
   b. Receive an offering for the Peace With Justice Program of the United Methodist Church.

3. That copies of this resolution be sent to the President of the United States, the U.S. senators from Texas, and the U.S. representatives serving the North Texas area.
4. That the Board of Church and Society research and report to the 1984 Annual Conference on the church's role towards persons who have left their jobs in defense related industries as a matter of conscience.
5. That a petition be made available in each local church for support of a multilateral and verifiable nuclear freeze on production, testing and deployment of nuclear weapons and that these petitions be mailed no later than September 1, 1983, to the President and the U.S. Senators from Texas.

CONTINUING CONCERNS ON INFANT FORMULA

Report IVA2-5

FROM: Martha Boyd Watson, Chairperson
Board of Church and Society
SUBJECT: Continuing Concerns on Infant Formula
RESOLUTION: Whereas we, the Christians of the North Texas Conference of the United Methodist Church continue to uphold our theological mandate to be advocates of Christ by being advocates of the "least", and
Whereas we acted out of that faith in 1981 by calling for a boycott of the Nestle Company whose marketing of breastmilk substitutes jeopardized the health and lives of many children, and
Whereas significant changes have been initiated and implemented by the Nestle Company in the marketing of infant formula in Third World Countries since the beginning of the boycott and the negotiations of the Nestle Monitoring Committee, *but*
Whereas violations of Nestle's commitment to uphold the World Health Organization's Code of Conduct are still being observed and reported,
Be it therefore resolved that we continue to accept our primary responsibility to cry justice for the needy, and
Be it further resolved that the boycott of the Nestle Company be suspended with our prayer and expectation that the ethical direction of the Nestle Company will further move toward upholding the welfare of God's children everywhere.
Be it further resolved that the Conference Board of Church and Society appoint a task force to monitor the compliance of Nestle's with the WHO code of conduct and to study current marketing practices of American based manufacturers of infant formula, to determine whether they are adhering to the WHO code of marketing.
Be it further resolved that a copy of this resolution be sent to the director of the General Board of Church and Society's Department of Peace and World Order for Communication to key leaders in the United Nations.

RESPONSE TO THE BISHOP'S CALL TO EVANGELISM

Report IVA3-1

As we move into the centennial era of United Methodist Women and the bicentennial of The United Methodist Church, we pause to reflect upon the spread of Methodism throughout the nation. This is the time to look at our future carefully and to assess ourselves seriously.

In the North Texas Conference we have the rich heritage of our black congregations; Methodists from other parts of the world, and more expected; people joining our churches who have never before been Methodists. What a challenge! What an exciting time to be a Methodist! What an opportunity to serve in the name of Christ! Now is the time for new birth of the original spirit of Methodism; for new birth of personal obedience to Christ; for new birth of creative local congregations; for new birth of evangelical zeal; and for new birth of our vital commitment to peace and social justice.

We, as ministers for Christ, both clergy and lay, have significant roles in the search for, and the making possible of that new birth in our denomination. We must reestablish our identity and purpose and enfuse the church with the excitement and commitment to bring its mission into fruition. Through the examination of who we are, what we wish to accomplish, and how we choose to pursue our goals — THROUGH THE BISHOP'S CALL TO EVANGELISM — we will find the renewed purpose and vision to accomplish our task in the name of Christ.

REVISION OF BY-LAWS OF C.C. YOUNG MEMORIAL HOME A SYNOPSIS

Report IVA4-1

The Division of Health and Welfare of the National Board of Global Ministries asked C.C. Young, and similar institutions of the United Methodist Church, to examine and propose any changes in their relationship with the Church. One reason in asking this was the Pacific Homes bankruptcy and consequent court action against the Pacific Conference.

It is also timely for C.C. Young to review and update its Articles of Incorporation and By-Laws to reflect changing conditions and to prepare for the development and operation of retirement facilities in cities other than Dallas, within the Conference.

An Ad Hoc Study Committee was formed to initiate this study. Its work was reviewed and guided by the Executive Committee of the Board, including Bishop John Russell and Dallas Northeast District Superintendent, Dr. William T. Stephenson.

Mr. Robert Dillard, Jr., an attorney and member of the C.C. Young Board and Chairman of its Legal Committee, drafted these documents and counseled with those involved in the study. He also consulted with the attorneys who developed the new By-Laws, where applicable to C.C. Young.

The document which was approved by the Ad Hoc Committee and the Executive Committee, was mailed to each Board member for study in preparation for a Special Board Meeting, held on February 15, 1983. At this meeting, after thorough discussion, the revised Articles of Incorporation and By-Laws were approved and are now recommended to the Annual Conference for adoption.

Dr. Marion Greve presented the documents to the Conference Committee on Health and Welfare and, in turn, to the Conference Board of Global Ministries chaired by Reverend Jack Gibson. This material is being included in the pre-conference packets for each district section meeting in the North Texas Conference. All this in preparation for presentation to the Annual Conference in May of this year for final approval.

Highlights of the significant changes proposed in these new Articles and By-Laws are:

1. C.C. Young is now and will remain an institution owned by, and a ministry of, the North Texas Conference of the United Methodist Church.
2. The Name will be changed to Methodist Retirement Homes of North Texas, Inc. This title indicates the purpose of this institution (retirement living and health care) and the geographical area, while being relatively easy to remember.
3. Provision is made for the establishment, and operation, of new campuses (called system institutions) anywhere in the Conference where a need exists and a will and the wherewithal to develop and maintain such campuses is created. This is in response to Division of Health and Welfare and the Conference requests.
4. The present campus in Dallas will continue to be known as C.C. Young Memorial Home (with its present retirement units known as Blanton Gardens and its health care units as the Dearing, Miller and Young buildings). The size of the corporate board will be reduced over a three-year period from 50 to a minimum of 26 members. A separate Board of Trustees will be created for the operation of the present C.C. Young Memorial Home campus, under the jurisdiction of this corporate Board of Directors. This is designed to allow maximum local autonomy to that board, consistent with prudent management and control, mainly at the policy level, but the corporate board and its president who will be the chief administrative officer of the institutions.
5. System institutions as developed in other cities will operate in the same manner as the C.C. Young campus, with their own Board of Trustees and Administrator, and sensitive to the local community, their desires, needs and problems.
6. The North Texas Conference will continue to elect the Board of Directors nominated by the Methodist Retirement Homes of North Texas, Inc. The By-Laws provide an opportunity for non-Methodists to serve on the corporate board and on the system institution boards, but in each case Methodists will remain in the majority. Each system institution chairperson will serve on the corporate board.
7. The corporate Board of Directors will consist of:
   15 members elected by the North Texas Conference;
   11 (minimum) designated members:
   Bishop or his designee,
   District Superintendents or their designees (7),
   Conference Lay Leader,
   Chairperson - Division of Health and Welfare,
   President and Chief Administrative Officer of the corporation,

Additionally, the Board Chairperson of each system institution, or designee.
The corporate Board may also appoint any number of other persons to serve as non-voting members.

8. Standing Committees will be Executive, Finance, Personnel, Facilities, and Endowment and Gifts. The Board may establish additional committees as the need arises.
9. Principal officers will be: Chairperson, a Vice Chairperson - Finance (and other Vice Chairpersons, as the Board shall determine), and a President. Other officers will be Secretary, Treasurer and any Vice Presidents, Assistant Secretaries and Assistant Treasurers or other officers the Board may deem necessary, all of whom shall be elected by the Board.

HUNGER IN KENYA

Report IVA4-3

FROM: Jack Gibson, Chairperson
Division of National and World Outreach
Board of Global Ministries

SUBJECT: Root Causes of Hunger in Kenya

PROPOSAL: To continue a Conference-wide effort between June 1, 1982, and May 31, 1984, to promote, interpret and raise money to enable food production and agricultural resettlement for the nomadic of Kenya. Goal $60,000 each year.

RATIONALE: Believing that all persons are of equal value in the sight of God, it is our task to work with renewed determination to eradicate the root causes of hunger. If the causes of hunger are not removed, the millions who are presently starving will continue to suffer needlessly or they will die. In order to be Christ's disciples, we must stand squarely with the Old Testament prophets and with our Savior in our compassion for the hungry and the helpless. We choose to focus our support on Kenya. Despite being one of the most stable African nations politically and economically, economic stagnation in the rural areas has caused a tremendous migration to the cities, where unemployment becomes a tremendous problem. The United Methodist Church has concentrated its work in the rural areas, working in such areas as relief and rehabilitation of drought areas, seed multiplication, irrigation, reforestation and water development. We affirm this work and seek to enhance it by this Conference-wide missional priority.

DESIRED IMPLEMENTATION:

The diligent promotion and interpretati of this special Conference-wide program through all communications channels, and the setting of fair-share goals for each local church based on the church's decimal.

LYDIA PATTERSON INSTITUTE
El Paso, Texas

Report IVA4-4

It is our great privilege to present this report on the church's educational mission at Lydia Patterson Institute: the final third of 1982 saw Lydia Patterson Institute experience one of the most difficult periods in its history. The spring semester had been a normal and exciting one for over 500 students and the summer session had enrolled a record number of eager young people, primarily in the ESL department. Continued growth was being projected by the administration. The drastic devaluation of the peso which occured in August was unforeseen and its negative effect on the LPI, student body unexpected. Enrollment fell to 335, with 88% of this drop experienced by the English as a Second Language Department.

Although the financial difficulties which set in last fall because of the loss in tuition income are receiving much of our attention, some very notable and positive programs were developed during 1982:

The day school served 511 students in curriculum ranging from English as a Second Language (ESL) through high school.

The night school attracted 25 factory and garment workers to its ESL classes.

Our two summer schools were attended by 415 students a record in the history of LPI. Since these students came from all over Mexico including Guanajuato, Puebla and Mexico City, the vital significance of the international outreach ministry of LPI was made clearly evident.

The barrio project served 60 youth, ages 8 to 13, who live in tenement houses neighboring the school, by providing them with recreational, devotional and tutorial programs after school hours. Both faculty and students at LPI are active in implementing this project.

Conversational Spanish classes were initiated in the fall, primarily for professional persons from our United Methodist Churches.

Over 110 high school and college youth work campers visited our campus in the summer, doing maintenance work assisting in chapel and recreational programs, and serving as language informants to the ESL summer classes. Participating students came from Nebraska, Washington State, Kansas and Oklahoma, as well as Texas.

Aggressive attempts to recruit students from Juarez and El Paso for the school's various programs were made and will continue to be made in the future. The school will continue to serve students through an enriched Language Arts Department having Spanish as well as English language studies; a High School which is fully accredited and provides value-centered education and prepares students for vocational or higher education goals in the U.S. and Mexico; and a Bible and Religion department which provides a strong program of Religious Education.

We ask for your continued prayers and support as we seek to be faithful to this educational mission of the church as Lydia Patterson Institute.

REPORT OF MINISTRY TO THE UNITED METHODIST CHURCH RELATED COLLEGES AND UNIVERSITIES

Report IVA5

Two successful rallys were held this year on the "Church Related College and University". Over 500 persons attended the events at Dallas, Lovers Lane United Methodist Church, and in First United Methodist Church, in Wichita Falls. College Presidents, Trustees, Students and Bishop Russell spoke to the groups. Special music was presented by college choirs. Two evenings — that held high the banner for the church related college.

We were able this year to give a conference merit scholarship. Merit Scholarships are annual conference administered awards to United Methodist students attending United Methodist Colleges. The awards are funded by a rebate to the annual conference board of higher education and campus Ministry from the General Board and Ministry through the office of Loans and Scholarships. Joy Elaine Phelps is the winner this year.

SOME THINGS LOCAL CHURCHES CAN DO

Have an Ethnic Minority Local Church observance during a sunday worship.

Plan a study session or workshop on the Developing and Strengthening of the EMLC as a Missional Priority.

Ask your district superintendent about the ethnic minority churches in your area.

Seek advice from interethnic churches on how they are making it work.

Explore possibilities for joint worship services in one church.

Have the pastor preach one or more sermons on the concept of ethnic pluralism, giving biblical and theological rationale and Christian perspective.

Schedule events highlighting specific ethnic traditions.

Train senior high and college-age people to work with ethnic minority children and youth in your community.

Have dialogue with ethnic minority persons on social, economic and political issues that impact their lives in church and society.

Involve ethnic minority leaders of your local church, district and annual conference in programs that affect ethnic minorities.

Initiate study groups to examine the nature of participants' prejudices and to support one another in changing attitudes.

Examine your church's evangelism program. Do you have opportunities to share the gospel with people who are different from you?

Participate in recruiting and educating ethnic minority ministers.

Encourage ethnic minority persons to join your local church.

PROPOSAL: Text: (altering only the last paragraph)
The Commission on the Black Church

REPORT OF THE CAMPING AND RETREAT CENTERS COMMISSION

Report IVB3

The Camping and Retreat Centers Commission began receiving the first year's funding for the major capital improvements program. Income from conference apportionments was $87,000 or 87% of the $100,000 budget item.

Projects that received funding in 1982 include:

BRIDGEPORT:

KIKER HALL: Received tile flooring, the rest rooms were remodeled, partition wall, and classroom furnishings.

CARDWELL LODGE: Continued with the remodeling process to convert the unit from a residence to a lodge to accomodate 18 persons for meeting and food service. Additional bedrooms will bring lodging capacity to 18. Present lodging capacity is six.

SOUTH VILLAGE: Sixty-four single bed units were purchased for South Village. This puts all of the beds at Bridgeport in good shape for the first time in a long time.

SATELLITE DISH: A family from the First United Methodist Church in Richardson gave as a gift a nine foot down-link dish with a 25 inch monitor to the Bridgeport Camp. Plans for intergrating programming available through WESNET and other sources into the youth ministries activities are underway.

TEXOMA:

DINING HALL: The classrooms in the dining hall were finished with floor covering, lighting, air conditioning, and classroom furnishings.

A NEW 16-BED Was constructed with a gift from a United Methodist family. The cabin is complete with classroom and furnishings. This brings the total lodging capacity for the resident camp at Texoma to 92 beds.

CLASSROOM FURNISHING: New tables and chairs to accomodate 66 people was purchased for meeting rooms in the dining hall and the cabins.

ROAD PAVING: Also with a gift the entrance road and a major part of the roads in the cabin area of the camp was paved. This improvement not only adds to the aesthetic value of the facilities but will eliminate the severe dust problem that resulted from the gravel road.

FAMILY CAMPING: The commission is convinced that family camping is here to stay and has continued to pledge funds to the continued development of the camping area. This past year roads were improved, retainer walls were constructed to deter erosion and improvements to the boat launch area were accomplished.

Projections for the next three years include new lodging facilities for 32 beds expanding the camping area, a shelter area for rustic camping, and a new home for the manager at the Texoma Camp.

Projections slated for Bridgeport include closing in the slab at Kiker Hall, constructing six bedrooms on to Cardwell Lodge, new beds for North Village, and new dining furniture for Martin Hall.

The commission extends a word of appreciation to Lance Hicks, manager of the Bridgeport Conference Center; Gary Atkinsons, manager of the Texoma Conference Center; and Harvey Jennings, who is responsible for carrying out the development program.

REPORT OF THE BOARD OF THE LAITY TO ANNUAL CONFERENCE IN SESSION AT WICHITA FALLS, MAY 1983

Report VA-1

Conference Lay Leader: Charles Harper

The Board of the Laity has submitted a report of the year's activities to the Conference Secretary for inclusion in the Conference Journal. We have met on a regular basis with minutes of each meeting available for anyone who might wish to read them.

The membership of the Board of the Laity are the District Lay Leaders of the seven Districts, the Chairpersons of the United Methodist Men, the United Methodist Women, the Commision of Religion and Race, the Conference Lay Speakers and the United Methodist Youth Council.

Brought forward: Lay Speakers, United Methodist Women, United Methodist Men, and Youth Representatives.

The District Lay Leaders are:

DC District: C. D. Williams
DD District: Eugene Thomas
DN District: Bob Dillard
DS District: Wynn Stanton
PS District: Robert Newsome, recently newly elected Chris Skaggs
SM District: Gene Cantrell
WF District: Jim Richards

The Goals of the Board of the Laity for the next year are:

1. The Board will meet with the Bishop and extended Cabinet before September 15, 1983, for discussing these Goals and the Programs of the Conference.
2. The Board of the Laity of the North Texas Conference will have a joint meeting in the Fall with the Central Texas Conference Board of the Laity and Bishop Russell at Lake Bridgeport. It is hoped the meeting can start at 9:00 a.m. and adjourn after dinner.
3. The Board will take an active participation in the Bishop's Call to Evangelism and the Bicentennial programs. The Board will discuss with Bishop Russell a Laity Call to Evangelism as per the recent call to the Clergy.
4 To hold workshops in various parts of the Conference to inform the Laity about the issues to be presented at the 1984 General and Jurisdictional Conferences and to instruct the Laity Delegates to these Conferences regarding the issues, concerns, frustrations, dreams and hopes of lay people in the local churches of each District.
5. Each of the seven (7) Districts shall have District Board of the Laity to work in conjunction with the District Lay Leader and to meet on a regularly scheduled meeting time. One of the regular meeting shalls include a meeting with the Conference Lay Leader to start an "enthusiasm" campaign.

The Reports of Members of the Division of Lay Concerns will follows:

1. United Methodist Men: L. G. Cook Ph.D. President
   Dr. Cook died last week as he approached his 90th year. He has been President of the Conference Methodist Men for eight years. The Board of the Laity has prepared a plaque that we had intended to present to Dr. Cook at this meeting. Instead, we will ask Dallas Central District Leader C. D. Williams to take this back to the District and in appropriate manner, present it to his family. Gene Thomas, Dallas/Denton District Lay Leader was going to read an appropriate listing of the accomplishments of L.G., our friend, here today. Because it would sound too much like an eulogy, it will suffice to say we will all miss him as he has made all meetings of the Board this year. Gene Thomas had gone to school in Young County, near Graham, when Dr. Cook was the County Superintendent of Schools. Other than his long tenure as teacher of our youth, Dr. Cook was most proud of his Ph.D. Degree he had worked on so long.He reported to us at our last Board of the Laity Meeting just two days before his death that he had been awarded his Doctorate and we could now properly address him as "Doctor" which we were most pleased to do. Please pause with the Board as we bow our heads in a moment of silence to show our respect for this good brother.
2. Report: Bill Ball, Chairperson, United Methodist Youth Council
3. Report: Jerry Chapman, Chairperson, Conference Lay Speakers
4. Report: Bobbie Mankey, President, United Methodist Women, which will close the 1983 Report of the Board of the Laity.

BOARD OF THE LAITY

Report VA-2

In a general brainstorming session in Sherman early last Fall, the Board of Laity met and established some goals for the year. A Task Force made up of three District Lay Leaders, James Richards, Gene Thomas and C. D. Williams, was appointed by the Chairman to "Cause the Entire Congregation of Methodist Laity to Become Enthused and Active". This Task Force met and came up with many observations for the Laity of North Texas Conference congregations. One of the recommendations was that the Laity tie into the Bishop's theme for this year which is "Evangelism". The Board of Laity has been most involved with the Bishop's Task Force preparing the presentations at this Conference.

The large part of the Board's work for this year in addition to the above has been selecting nominees for lay delegates to General and Jurisdictional Conferences. Reports of the Conference Lay Leaders' attendance at the National Conference of Annual Conference Lay Leaders at National in February and the Lay Leadership Workshop of the South Central Jurisdiction was given so that all members of the Board might realize the national scope of the Laity. All of this is the Board's way of "Reviving" the Laity through Evangelism and Awarism. As the year wore on it became obvious to the Board and to the Conference Lay Leaders that the demands for their time needed to be spread over other members and the Board made a recommendation that the Conference allow the Conference Lay Leader to appoint Associate Lay Leaders to help. The Board also recommended that we honor Dr. L. G. Cook for his long tenure as a Conference President of United Methodist Men. Unfortunately Dr. Cook's death just prior to Conference didn't let us make the presentation to him in person but the presentation was made to his family instead. The goals for the coming year were adopted as follows:

1. To meet with the Bishop and the Extended Cabinet before 15 September of this year for discussing the goals and programs for the Conference.
2. To have a Fall joint meeting with the Central Texas Conference Board of Laity at Lake Bridgeport. The joint meeting shall consist of the two Boards and the Bishop meeting from about 9:00 a.m. until after dinner in the evening.
3. Participate in the Bishop's Call to Evangelism with an emphasis on the Bi-Centennial. Perhaps the Bishop's Call to Evangelism for the Laity could be appropriate as per the recent call to the clergy.
4. To responsibly inform lay members about all of the parts of the Conference and the General and Jurisdictional Conferences to follow in 1984. This will be done by various workshops in various parts of the Conference.
5. Each of the seven districts to have a Board of Laity to work in conjunction with the District Lay Leader and to have a scheduled meeting time. One of these meetings would include a meeting with the Conference Lay Leader to start an "Enthusiasm Campaign".

PORNOGRAPHY IN THE MAILS AND THE MEDIA

Report VA3

FROM: Charles Harper, Chairman
The Board of the Laity

SUBJECT: Pornography in the Mails and the Media

RESOLUTION: That this Conference send a letter to the President asking him to appoint a Federal Coordinator to enforce the existing obscenity laws as they now exist(sic).

RATIONALE: As Christians, we should join our Christian Brothers and Sisters in seeing that the existing laws about obscenity be enforced as upheld by the Supreme Court. The laws enable the Customs Service, Postal Service, and the Justice Department to take action against those who broadcast pornography, import obscene materials or transport those materials across State lines.

DESIRED IMPLEMENTATION:
The Conference pass this resolution instructing the Board of the Laity to draft such a letter to be sent to the President over the signature of the Bishop and the Conference Lay Leader.

SUPPORT OF THE NATIONAL FEDERATION FOR DECENCY

Report VA4

FROM: Charles Harper, Chairman
The Board of the Laity

SUBJECT: Support of the National Federal for Decency in its campaign against the anti-Christian and obsecene media presentations.

RESOLUTION: That the Conference go on record supporting the National Federation of Decency in its campaign.

RATIONALE: As Christians, we should be aware of the anti-Christian statements, displays and caricatures against our basic Christian beliefs. The National Federation for Decency in its nearly two years of existence has shown a moderate Christian approach in this direction and North Texas United Methodist should join in making its moves more widely felt. The NFD will soon start a concentrated effort in the Dallas/Fort Worth area where each Christian will get a chance to examine the NFD and make their own choice. The Board of the Laity supports this action and feels the Conference should openly support the NFD in its actions.

DESIRED IMPLEMENTATION:
Pass this resolution asking the people called United Methodist to consider supporting individually, the National Federation of Decency in its campaign to stop all media in its anti-Christian statements, displays and caricatures against our basic Christian beliefs.

REPORT OF THE CONFERENCE LAY SPEAKERS

With resources made available by the General Board of Discipleship as the supporting agency specified in the Discipline, training of committed lay persons to become Certified Lay Speakers has been conducted throughout most of the North Texas Conference either by district leadership or when necessary by leadership from the Conference Lay Speakers.

Certified Lay Speakers have continued to use their talents in serving the Church through the witness of the spoken word, endeavoring to inspire the laity to deeper commitment to Christ and more effective churchmanship. They are continuing to develop skills in interpreting and explaining the Scriptures and in acquiring knowledge and understanding of the doctrine, organization, and life of the Church.

They are committed to assist and support the program emphases of the Church and to assist in giving vital leadership to the total work of the Church. They also assist in the conduct of worship services and in leading meetings for prayer, study, and discussion, and in presenting sermons and addresses as requested or recommended by the pastor or district superintendent.

The process of certification of lay speakers and of renewal of certification is set forth in the 1980 Discipline at paragraphs 274 and 275. Applications for certification or renewal are reviewed not only by the pastor and the Administrative Board of Charge Conference, but also by the district or conference group carrying out the function of the Committee on Lay Speaking specified in the *Discipline* . In performing this function, the conference and district directors of lay speaking within the North Texas Conference are being assisted by members at large, elected either within the district structure or informally by the Certified Lay Speakers themselves in accordance with a long-standing custom. This tradition of providing informal input to the conference and district nominating committees is one which the Certified Lay Speakers strongly desire to continue.

In this same vein, the Certified Lay Speakers of several districts have organized an informal Lay Speakers Fellowship as an adjunct to the official structure. These organizations have provided continuing education and training at covered dish dinners and other scheduled events as a means of strengthening the commitment to the cause of Christ for each one who is willing to study to show himself or herself "approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth" as Paul the Apostle instructed Timothy. (II Tim. 2:15).

SUGGESTED AMENDMENTS TO LEGISLATIVE PROPOSAL #17 AS TO THE STRUCTURE OF THE CONFERENCE LAY SPEAKERS (FROM CONFERENCE BOARD OF THE LAITY

Upon review, the Conference Lay Speakers appear to be in basic agreement with Legislative Proposal #17 to implement Standing Rule #3 by enlarging the structure of the Conference Lay Speakers to include one lay man, one lay woman, and one clergy person from each district, one of whom shall be the District Director of Lay Speaking. However, the following two amendments are recommended:

AMENDMENT #1:
Insert the word "who" after the words "the Conference Director of Lay Speaking," and before the words "is nominated". (Purpose: to clarify that only the Conference Directory of Lay Speaking will be nominated by the Conference Nominating Committee and that district representatives will be selected within each district, rather than by the Conference Nominating Committee. This change is consistent with the existing language concerning the Conference Lay Speakers struct.)

AMENDMENT #2:
Insert an additional sentence at the end of Legislative Proposal #17 to read as follows: "he Conference Director of Lay Speaking, the District Directors of Lay Speaking, and each lay member of the Conference Lay Speakers must be currently Certified Lay Speakers." (urposeebrul: to ensure that persons with appropriate qualifications, training, and credentials are selected to serve the conference and the respective districts in the official structure of the Conference Lay Speakers.)

If these amendments are adopted, the text of Legislative Proposal #17, as thus amended, would read as follows:

CONFERENCE LAY SPEAKERS — (LAST PARAGRAPH ONLY) —
This structure shall be chaired by the Conference Director of Lay Speaking, who is nominated by the Annual Conference Nominating Committee. It shall be composed of three persons from each district - a lay man, a lay woman, and a clergy person, one of whom shall be the District Director of Lay Speaking. The Conference Director of Lay Speaking, the District Directors of Lay Speaking, and each lay member of the Conference Lay Speakers, must be currently Certified Lay Speakers.

REPORT OF THE CONFERENCE PRESIDENT THE UNITED METHODIST MEN

Report VD

The president of the United Methodist Men for the North Texas Conference respectfully submits the following report:

As president of the Conference United Methodist Men, I have made an effort to contact as many churches as possible either to help in the organization of the United Methodist Men's group or to help strengthen the United Methodist Men in that church. The Conference president helped organize five different United Methodist Men's groups and visited numerous others. He has talked to a number of the groups in the Conference, offered material that was designed to help them, and secured information on helps for the groups.

Tom Christian and I conducted two seminars for the United Methodist Men at the South Central Jurisdiction meeting at Norman, Oklahoma, while the Conference president also secured the United Methodist Men from Kirkwood United Methodist Church at Irving to give the dramatic showing of their "The Last Supper" at the South Central Jurisdiction meeting.

As Conference president for the past several years, I have made every effort to assist the United Methodist Men wherever I could. The work has been quite rewarding and I leave the office with some strong feelings for the work. I pledge my help to the next president in trying to get him integrated into the work.

Respectfully submitted,

The 1978 Journals of the North Texas and Central Texas Conference contain reports adopted by both Annual Conferences indicating the need for a new direction for the Counseling Program available for ministers and their families, and the need for a "systems facilitator, coordinating and expediting the present network of support services in the conferences, in matters of recruitment, admissions, evaluation, insurance and pensions programs, retirement, continuing education and other concerns of professional ministries." It was recommended and adopted by the conferences that the office of Administrative Assistant to the Bishop would be expanded to meet the above described needs and that the title would be Area Director of Professional Ministries and Administrative Assistant to the Bishop.

With the inception of the Ministerial Pension Plan on January 1, 1982, and the change to a self insurance hospitalization program in the North Texas Conference, the actual daily operation and administration of the pension and insurance programs were brought into the office of the Director of Professional Ministries. At this point the office began to take on a staff relationship to the various Boards and Agencies rather than a systems facilitator. After some experience it became apparent that if this direction continued the Office of Professional Ministries would increasingly become the Office of Pensions and Insurance; and the experiences of being forced into other staff responsibilities to the related Boards and Agencies and Annual Conferences would be such that the original intent of "counselor," "Facilitator," and "coordinator" would be lost or neglected.

The scope and the functions of the office have expanded beyond all expectations of the original Study Committee and the Area Committee on Professional Ministries. Specifically in the area of pensions and insurance, the functions which must be done both to manage the programs and administrate them on a day-to-day basis were unknown factors. Experience and careful study have proven that in order for the jobs to be done effectively and efficiently to meet the needs of the persons involved, one individual could not accomplish the tasks.

Therefore, in order to clarify the original intent of the Office of Area Director of Professional Ministries and Administrative Assistant to the Bishop, the Area Committee on Professional Ministries recommends:

1. The name shall be changed from Area Director of Professional Ministries to Area Assistant to the Bishop.
2. The Area Assistant to the Bishop shall not serve as a staff member of either Annual Conference but as a resource person and facilitator designated to administer episcopal matters under the supervision and direction of the Bishop and the Area Committee on Professional Ministries.

   The Bishop is vitally interested and concerned with all of the areas related to the professional ministry from candidacy through retirement and death. Practically, his presence can only be felt through representation—thus, the Area Assistant to the Bishop. This clarification of the office would make it more related to the office of the Bishop and less related to either annual conference as a staff position.

DIACONAL DIVISION OF PROFESSIONAL GROWTH

Report VIB1-6

The purpose of the Division of Professional Growth of the Board of Diaconal Ministry is to provide support services for career development, including personal and career counseling, continuing education, assistance in preparation for retirement, and all matters pertaining to morale.

Because of our appreciation for the importance of all church professionals to maintain a high level

of expertise and qualifications, this division has surveyed the desires and needs of the professionals in this conference and have responded in these ways:

1. Encouraged participation in a church professionals workshop offered by the Christian Educators Fellowship.
2. Supported the annual filing of continuing education progress reports to the district superintendents.
3. Established an annual reporting form for musicians and educators which states minimum requirements for renewal of certification.

Future plans call for participation in the School of Ministry in September, facilitating the organization of a conference fellowship of church musicians, sponsoring continuing education events to meet needs expressed by the church professionals, redesigning of reporting instruments to simplify record-keeping, and offering our assistance to local churches in matters relating to church professionals.

Our Division of Professional Growth have enjoyed this year of working together and feel that the time has been well spent in identifying needs in order to proceed in directions beneficial to the church professionals.

Respectfully submitted,
Esther M. Zimmerman, Chairperson
Division of Professional Growth
Board of Diaconal Ministry

THE DIVISION OF CAREER PLANNING AND COUNSELING

Report VIB2-1

The Division of Career Planning and Counseling during the 1982-83 year has focused its work around one basic area. We have notified churches about our scholarship program for pre-ministerial college students and provided scholarships to students who are attending college and are in the candidacy program. The scholarship aid given has been in the amount of $275.00 per semester. We have aided about ten students.

For the year 1983-84, the Division has increased scholarship aid from $275.00 to $300.00 per semester per student. Potential students will be notified twice per year in the United Methodist *Reporter* about the availability of aid. One change from previous years is that the Division will hold an annual meeting in late summer or early fall with students who apply for scholarship aid. This will enable the Division an oportunity to begin to keep closer contact with students as they progress toward ordination.

An important event in the life of the North Texas Conference has been the annual Bishop's Conference sponsored by the Division of Career Planning and Counseling. It is hoped that the Division will continue this very important event for high school students, but in a different form and with a different intent. Bi-district gatherings, target group convocations, and the planned annual meeting will enable the Division to provide potential ministerial candidates an opportunity to enter the ministry of the United Methodist Church. Jerry Delleney and Charles Cox will coordinate this event for Spring 1984 in conjunction with the Youth Division.

The Division submitted to the Board of Ordained Ministry—and this was approved—a plan to establish an Undergraduate Parish Practicum Program. This program is needed because of the necessity of pre-seminary local church experience for undergraduate students contemplating full-time professional Christian service in order to confirm their call and to provide an arena for career counseling. The Division of Career Planning and Counseling will launch this as a one-year pilot program involving those students who apply for scholarships for the Fall of 1983. Funding for this pilot program will be provided from surplus scholarship funds from 1983. James Pledger and Elwood Poore will provide leadership for the Practicum Project. This work will be done in conjunction with the Office of Professional Ministries.

The Division of Career Planning and Counseling seeks to serve the United Methodist Church by being a mechanism through which persons interested in professional Christian service can begin entrance into the ministry.

Lynn R. Mims, Chairperson

DIVISION OF PROFESSIONAL GROWTH

Report VIB2-2

The division met as part of the spring meeting of the Board of Ministries. Persons attending included: Philip McLarty, Wallace E. Chappell, John M. Thornton, Leonard Tomlinson, Herman Cook, Bertrand F. Jarvis, Lane Tunnell, and Esther Zimmerman. Herman Cook called the meeting to order to hear reports from the three committees, and then to deal with general business.

COMMITTEE ON EVALUATION:

Wallace Chappell reported that the District Superintendents are now responsible for taking the next step in implementing the evaluation process. Evaluation materials are in their hands.

Local pastors can request that an evaluation of their work be conducted. The full package for evaluation need not be used all at once. Different parts of the package could be used over a period of several years.

The Division of Professional Growth needs to ask the Bishop and the Cabinet if we can be of service in the further implementation of the disciplinary requirement that evaluations be conducted.

SOUTHWEST CAREER DEVELOPMENT CENTER:

Only two persons from our conference used the service of the SWCDC this past year. We need to encourage more use of this resource. Persons who could benefit from the program include ministers who are experiencing burnout, those contemplating retirement and persons who wish to evaluate their careers.

The cost to the person using this service is $175. This low cost is possible because our conference is participating in a fair share membership and support of the center. In 1983 our fair share contribution is $2,515. In 1984 the cost will be $2,925. If an individual were to pay the total cost for the service it would amount to $750.

We need to encourage more use of this service through both personal contact and written announcements.

Members of the Cabinet could encourage more use. District Superintendents could benefit from personally experiencing the program, thereby learning firsthand what a unique resource it is.

CONTINUING EDUCATION:

The committee was commended for its excellent work in providing opportunities for continuing education. Philip McLarty reported that the committee has been very active and well attended. The committee includes clergy and diaconal members.

The School of Ministry has been conducted for two years.

An all-day retreat was held in February to review the CE process and policies. The current program was affirmed, which defines CE as those enterprises which lead one to greater growth and competence in ministry.

The CE Committee supports such enterprises which meet this definition of CE. It offers the Fall School of Ministry. It advocates district CE retreats. It also makes individual CE grants available.

Satellite centers for CE are now being developed in university and college campus settings, such as NTSU, TWU, ETSU, and Midwestern Unversity at Wichita Falls. Campus ministers will offer opportunities for CE to ministers in their area.

The CE Committee resists defining CE too narrowly, or programming CE events - apart from the School of Ministry. It does not monitor CE projects either. It does not approve or disapprove CE proposals.

BUSINESS:

Wallace Chappell moved that Philip McLarty be re-assigned from the Committee on CE to the Committee on Evaluation as Chairperson. This motion carried.

John Thornton moved that Leonard Tomlinson be appointed Chairperson of the Committee on CE. This motion carried.

Herman Cook, Chairperson

DIVISION OF LOCAL PASTORS

Report VIB2-3

The Local Pastor's Division has several basic functions: the examination of the candidates seeking Local Pastor status to evaluate their suitability, to oversee and assist them in qualifying for their License, and to assist Local Pastors to advance in their studies and, for some, into Conference Membership. We uphold the integrity of the Local Pastor category of ministry and the role they fill in the ministry of the United Methodist Church. It is the purpose of this division to provide fully qualified candidates for appointment within our conference

structure, and to see that the rights of these persons are fully protected, and that they are accorded all the benefits entitled them under the *Discipline* and rules of the North Texas Conference.

Attached is a list of Approved Local Pastors. The Local Pastor's Division recommends that only those names appearing on this list be appointed under Episcopal appointment for the second or subsequent year in accordance with paragraphs 406-409 of *The Book of Discipline 1980*. Those who will be selected to serve their first year as Local Pastors during the Conference year 1983-84 will be interviewed during the spring of 1984 and may serve the first year without appearing before the Local Pastor's Division. All persons presently serving as Local Pastors were duly notified as to the need to meet with the Local Pastor's Division and their respective district superintendents have been notified as to whether these have appeared for examination before the Local Pastor's Division.

For those who will be appointed but have not qualified for their license as a local pastor, there will be a Licensing School held at Texoma Conference Center, the week of August 14-19, 1983, in conjunction with the Central Texas Conference. Additional required seminars will be held during the year. Our educational program for licensing is in agreement with the guidelines published by the Division of Ordained Ministry in Nashville.

BOARD OF PENSIONS

Report VIB3-1

This year we have been trying to understand and implement the actions which General Conference set into effect for all Conference Boards of Pensions, beginning January 1, 1982. Each month brings new revelations concerning the effect that the General Conference legislation had on Annual Conferences. We are continuing to work to upgrade our pension program to the standard set by the 1980 General Conference and also to determine ways to fund the program. It now appears obvious that the $500,000 per year we have been apportioning for our unfunded liability will have to be increased annually to meet the service year annuity rate which is a percentage of the average salaries in the North Texas Annual Conference.

We would like to make the following recommendations:

1. Due to the increasing complexities of the new pension plan adopted by the General Conference of 1980, and the fact that each individual pension record must constantly be corrected and updated, the Conference Board of Pensions joined with the Conference Commission on Insurance in August 1982 to contract the work of pensions and insurance to Agency Services. Jack McGee, Director of Agency Services, appointed Randy James to administer both pensions and insurance for the Annual Conference. Randy has done an excellent job, and the Board of Pensions and the Commission on Insurance recommend this contract with Agency Services be renewed for the Conference Year 1983-84.
2. We recommend that the service year annuity rate for 1984 be set at $183 for Full Members of the Annual Conference and $137 for Local Pastors.
3. We recommend:
   $500,000 for Unfunded Liability
   $230,000 for Comprehensive Protection Plan
   $ 29,253 for Board of Pension Operating Expenses, Conference Year 1984.
4. We recommend special grants:
   $151.25 per month for David Milam
   $172.06 per month for H. P. Williamson
   $ 3.23 per month for Shirley Johnson
5. We recommend a ten-month pension credit for Earl Kifer for service in the Wichita Falls District from January 1, 1946, to October 31, 1946. This service was not recorded in the Journal since it started after the date of Annual Conference (November 1, 1945), but it has been verified as correct service.

COMMISSION ON EQUITABLE SALARIES 1983

Report VIC-1

I. PURPOSE

The stated purpose of the Commission on Equitable Salaries, according to the *1980 United Methodist Discipline* paragraph 935, is:

A. Recommending conference standards for ministerial compensation
B. Administering funds to be used in salary supplementation
C. Providing counsel and advisory material on ministerial compensation to district superintendents and staff-parish relations committees.

II. POLICIES RELATING TO THE COMMISSION ON EQUITABLE SALARIES

A. A local church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches on salary subsidy should be encouraged to feel an obligation to be linked with other churches in order to provide full-time ministers with work load of a minimum of 250 members, the number believed by the commission to be necessary to support a pastor. Larger churches should be encouraged to accept couplings with each other and with larger churches to reduce the need for subsidy.

B. Growth in stewardship should be achieved by all below minimum remuneration churches. In making application for salary supplement, District Superintendents are to provide evidence of stewardship, education, and growth on forms provided by the Commission on Equitable Salary.

C. Tenure payments are designed to honor the years of service of pastors who continue for more than five years in ministry in below-salary churches because of the needs of the conference. The Bishop and the Cabinet are urged to make every effort to move pastors to above minimum churches within five years after they begin full-time service. All ministers should engage in continuous training and education. Requests for subsidy for ministers serving more than five years in below minimum remuneration churches must be accompanied by evidences of additional training on the forms provided by the Commission on Equitable Salaries.

D. All applications to the commission on equitable salary are to be made on forms provided by the commission, and must be approved by the commission in session or by no less than two of the members of the executive committee of the Commission on Equitable Salaries.

E. Minimum salary levels can best be met when appointments are open to all persons without regard to race and sex. We continue to urge every delegate to make the subject of a fully open conference and adequately supported ministry at the local church level a matter of daily personal prayer. Only as the love of Christ dwells in us can an Annual Conference be a fellowship of caring persons.

F. Applications for subsidy are to be signed by the District Superintendent and the Recording Secretary of the Charge Conference.

G. Pastors who decline an appointment by the Bishop are ineligible for Equitable Salary support.

H. The Director of Finance and Administration should inform the Commission of any grants for salaries by any other conference or general church agency so that it may coordinate salary grants with other agencies.

I. The Commission on Equitable Salaries shall notify annually the Administrative Board Chairperson, the Council on Ministries Chairperson, the Treasurer, and the Chairperson of the Staff-Parish Relations Committee of each local church of the goal of the conference for every full-time Pastor to have a work load of 250 members in order to get all pastors above the minimum. The amount of subsidy granted to a local church shall be acknowledged annually at the charge conference wherein commission on equitable salary subsidy was received in the year prior. As well, key local church leaders will be informed by the printed report of the commission on equitable salaries, of other commission on equitable salaries, policies, and recommendations.

J. All charges unable to pay the minimum set by the conference shall make a formal request for salary supplement at a Charge Conference at which the District Superintendent shall call attention to the fact that the conference expects each church to aim toward the goals of full self-support at the earliest time possible. This action shall be reflected in the minutes of the Charge Conference, a copy of which should accompany the request for subsidy.

K. All requests are to be made by the District Superintendent to the Chairperson of the Commission on Equitable Salaries on forms which will be provided by the Commission on Equitable Salaries.

L. Aid to families will be made at the end of the year if funds are available. An amount of up to $100 per dependent (as defined by the IRS) will be made at the end of the year, the exact amount depending on the availability of funds.
M. With the exception of aid to families, there shall be no lump sum payments to persons receiving equitable salary assistance.
N. The commission on equitable salaries will not consider requests for salary supplement where housing allowances exceed $7,200.

III. EQUITABLE SALARY COMPENSATION FOR 1984

A. For 1984 the Commission on Equitable Salary has re-affirmed the percentage increase method of establishing minimum equitable salary amount. However, in light of the projections of the U.S. Labor Dept. as of Nov. 24th for projected inflation rate of 1982 being at an annual rate of between 6% and 7%, as reported from the Bureau of Labor Statistics, we feel that to continue the 10.5% would be inflated. Consequently we are suggesting the amount of increase for 1984 be 6.5%. Therefore the minimum equitable salary amount for a member of the conference serving full time for 1984 with no (0) years of service by $16,507.

MINIMUM EQUITABLE SALARY

1982	+10.5	1983	+6.5%	1984
14,028	1,472	15,500	1,007	16,507

B. The Years of Service allowance shall be $100.00 per service year after 5 years, up to 20 years.
C. 1984 Equitable Salary Scale includes base salary, utilities, travel allowance and years of service.
1. Minimum equitable salary for 1984: $16,507
2. Member of the Conference serving full time.

Resident $ 9,730
Non-Resident 3+ $ 7,254
Non-Resident 2 $ 5,603

6. All students serving student appointments receive the annual $20.00/one-way auto allowance.

IV. CURRENT POLICIES OF INTEREST TO STAFF-PARISH RELATIONS COMMITTEES

The conference has voted several policies covering ministerial compensation. Staff-Parish Relations Committees will want to review all of these policies when determining the equitable salary for its minister.

A. SALARY PACKAGE. The minimum equitable salary will be figured by using the base salary, utilities, and car, and travel expense.

2. BASE SALARY. In arriving at base salary, the Staff-Parish Relations Committee will want to take into consideration:
   a. The median income of a community
   b. Cost of living increases
   c. Size of congregation/number of churches
   d. All-round pastoral effectiveness—merit
   e. Experience
   f. Complexity of job situation

2. UTILITIES. Each charge shall pay the actual utility bills of the pastor, escluding personal long distance calls, based on bills submitted to the church treasurer. *(1974 Journal*, p. 108, and *1980 Journal*, p. 209)

3. CAR and TRAVEL ALLOWANCE. The conference voted in 1983 to recommend to all churches that they pay all car expenses of their pastors who carry major pastoral visitation responsibilities and that no church pay less than $4,000.00/year car expense.

B. MOVING EXPENSES. For many years it has been the custom in the North Texas Conference for the receiving church to pay the moving expenses.

C. PENSION. The salary paying unit makes the payments on the Ministerial Pension Plan. (1981 North Texas Conference)

D. INSURANCE. The Annual Conference provides medical and life insurance for all pastors and diaconal ministers.

E. HOUSING. Each local church shall provide housing for its minister with a church-owned parsonage or a monetary housing allowance. The following parsonage goals are found in the *1974 Conference Journal*, p. 107:

1. SIZE.
   The parsonage should have three bedrooms and a guest room. There should be at least two bathrooms. There should be one large living area.

2. INSIDE.
   The parsonage should be completely furnished. This will include all furniture, kitchen equipment, floor coverings, lamps, tables, window curtains, etc.
   a. Kitchen should include all standard, modern appliances such as dishwasher and garbage disposal.
   b. Washer and dryer for laundry.
   c. Adequate heating and cooling facilities (preferably central).

3. OUTSIDE.
   The outside of the parsonage should complement the inside; therefore, the following things need to be considered:
   a. Landscaping where it is necessary.
   b. Safe play area for children.
   c. Garage in good condition and convenient to parsonage.

4. MAINTENANCE.
   a. Utilities.
      1. The local church should pay for the cost of all utilities (except personal long distance telephone calls).
      2. All utilities should be checked and adjusted regularly.
   b. Upkeep and repair is a church responsibility.
      1. An amount from 2% for 2 1/2% of the parsonage value should be provided in the church budget for repair and refurbishing. (This should be adequate once the building and furnishings are in excellent condition.)
      2. Painting of inside and outside of parsonage should be done as often as necessary.

c. Parsonage families' responsibilities
2. Minor upkeep and repairs (e.g., leaky faucets).
3. "White-glove" clean-up prior to leaving appointment. (Parsonage family may want to have tenant insurance.)

5. IF HOUSING ALLOWANCE is provided instead of church-owned parsonage, the amount should be adequate for the minister to live in the area near the church.

F. VACATION. The 1974 North Texas Conference voted the following recommendations for minimum vacation standards:
1. YEARS OF SERVICE (see F. 2)
1-4 years—two weeks (two Sundays)
5-9 years—three weeks (three Sundays)
1- year plus—four weeks (four Sundays)
2. THE FOLLOWING POINTS ARE MADE IN EXPLANATION OF THE ABOVE
a. "Years of service" shall be determined by years served as a full-time, ordained United Methodist minister or as a full-time diaconal minister.
b. The length of vacation is set by the Annual Conference, but the most suitable time for both the local church and the ministerial family will need to be determined by the Staff-Parish Relations Committee.

G. SOCIAL SECURITY. By law, ministers pay their own Social Security. Base salary, housing, car, and utility items should be considered by the minister and the church as income for Social Security purposes. An amount for housing, even if the church owns the parsonage, must be included in reporting income to Social Security. Other expenses such as continuing education and reimbursed program expenses are not included in computation of minimum equitable salary.

H. OTHER SERVICES and GUIDELINES.
1. COUNSELING SERVICE. A program of pastoral care and counseling for ordained conference members (including diaconal and retired members) and persons serving full-time conference appointments, plus their spouses and dependent family members is available. For details see the *1979 North Texas Conference Journal* , p. 187, or contact the office of the Director of Professional Ministeries.
2. GUIDELINES CONCERNING CLERGY DIVORCE are found in the North Texas Conference *Journal* for 1974, p. 105 ff.
3. CONTINUING EDUCATION. The Continuing Education Program of the North Texas Confereence is a comprehensive program designed to provide stimulation and opportunities for increasing the skills and competency of ministry in the local church. For more information, contact a member of the Continuing Education Committee of the annual conference.

V. A SUGGESTED PROCESS FOR ESTABLISHING A LOCAL CHURCH PASTOR'S SALARY.

If the objective of salary setting by the local church were to be — to provide a salary level for the pastor that will permit the pastor and the pastor's family to live as well as the average family in the church and community — a starting point would be:

1. Start with the family median income of the community in which the charge is located. The family median is that point where half earn more than the median and half earn less than the median. This figure is readily available in the July issue each year "Sales and Marketing Management" magazine. (Most any library would have it, or a Chamber of Commerce.)
2. This magazine contains the estimated median household Effective Buying Income for the previous year for every county and for cities over 40,000. Median household EBI refers to disposable income after Federal, State, and Local taxes, etc.
3. In order to find the median family income, you multiply the median household EBI figure by an adjustment factor of 1.15 to convert it into an estimate of current year median family income. (For more complete details on this process, write to Harold Sedrel, 3401 36th Street, Rock Island, Illinois 61201.)
4. The resultant figure would be the "base point" in setting a cash salary range for a full-time experienced pastor, (one with three or more years of experience since ordination) serving congregation or congregations up to 400 members. A pastor right out of seminary or with limited experience might start at the hase salary set by the Conference.

5. With the "base point" established, set a cash salary range by multiplying the base point by 1 1/4 (1.25) and use that figure as the *normal* maximum for cash salary: i.e., a $19,000 av. (based on the approx. DAC) would establish a salary range of $19,000 to $23,750.
6. Variations to basic approach:
   a. Size of congregation
      400-650 members - an additional $500
      650-1,000 members - an additional $1,000
      1,000-1,500 members - an additional $1,500
      Over 1,500 - an additional $2,000
   b. Complexity of situation — it might be appropriate to raise the range of cash salary in situations such as:
      Multi-church rural parishes
      Complex inner-city churches
      New church organization

   Note: the setting of the base point and salary ranges relates strictly to the job and in no way to the pastor. Another way of stating this would be — if the job were vacant, in relationship to the community and the complexity of the job, this would be a "fair" salary offering a standard of living equal to the majority of families in the community.
7. Two other criteria will also want to be considered before the specific salary is set from the base salary range:
   a. The effective skill of the pastor.
   b. Experience - length of service

      These are merit factors that give encouragement to pastors.

      On the question of what to pay for experience, this suggestion from Lyle B. Schaller suggests a rule of thumb: "That each year's experience for the highly competent pastor is worth approximately $500. In other words, the very able and highly competent pastor with 20 years of experience will receive a cash salary of approximately $10,000 higher than the very competent but inexperienced young seminary graduate. For the pastor of average competence, experience is turning out to be worth, in fact, about $200 per year and in some cases only $100 or less a year." (1977 Parish Paper by Lyle Schaller)
8. Total Compensation

   Thus far we have been dealing with cash salary of the pastor. In order to determine total compensation, you will add the benefits — housing, utilities, health insurance, etc.

   In addition to the above, you will need to consider reimbursable expenses, such as travel and other "out of pocket" expenses incurred in carrying out the ministry.

   Summary: The net result of this process is that you will arrive at a salary figure around 30% higher than the median family income of the community (when value of housing is taken into consideration). This is a reasonable place to be if you understand that the average professional (age 25-64 working in areas needing five or more years of college) earns more than twice the median family income.

NORTH TEXAS CONFERENCE COMMISSION ON INSURANCE

Report VIC-2

1982 marked the first year of our new self-insured health insurance program for clergy, diaconal ministers, and qualified lay employees. The transition from Minister's Life was relatively smooth. We had a favorable year, with our income slightly exceeding our claims and other expenses. We will continue to monitor our income and expenses to assure that our future years will also be favorable. Further, the Commission will make every effort to see that you receive the best possible service.

In keeping with that service, the Commission is planning to publish a new Benefit Booklet this summer. Our goal is to make it easier to read and understand through a new design. There will be different books for the clergy and lay employees to prevent the two programs from being confused. It is anticipated that the clergy booklet will be more comprehensive than the current one.

To go into effect with the publication of the new booklets are several refinements of existing policies which will bring our program into line with the standards of the insurance industry. These refinements are:

1. New lay employees will have a 30-day waiting period following the effective date of their enrollment before health services will be considered to be covered by the insurance program.
2. Within the guidelines of the plan, new lay employees will be reimbursed up to $1,000 for pre-existing conditions until certain qualifications are met. These qualifications relate to length of time of employment.

The Annual Conference will receive from the Commission through the report of the Council on Finance and Administration a recommendation for a 12% apportionment and premium increase beginning January 1, 1984. The Commission carefully considered this increase before requesting it. For 1983, health care costs are going up an average of 32%. In addition, the Conference will have increased re-insurance premiums. We, therefore, believe the 12% is a minimum and reasonable request and urge your approval when the matter is before the Conference.

Lastly, with the Annual Conference of 1981 voting to enter into a self-insured health program, and due to the complex requirements for administering such a program, the Commission on Insurance joined with the Conference Board of Pensions in August of 1982 to contract the work of insurance and pensions to Agency Service, a division of the United Methodist Communications Council. Rev. Jack McGee, the Director of Agency Service, appointed Rev. Randy James, his Associate Director, to administer both insurance and pensions for the Annual Conference. The Commission on Insurance and the Board of Pensions recommend that this contract be renewed for the Conference year 1983-1984.

FORMULA FOR THE EQUALIZATION OF LAY AND CLERGY MEMBERS

Report VIIB

That the following formula be adopted as the procedure used to determine the number of lay and clergy members of the Annual Conference.

Formula:

1. Subtract the total number of lay members prior to equalization from the total number of clergy members. The remainder is the Lay Equalization Factor (LEF).
2. Compute the District Membership Percentage (DMP).
   If a district has more lay members than clergy members prior to equalization, subtract the number of local church members in this district from the total of local church members for the Annual Conference. Such a district will not enter into the computation of the District Membership Fraction.
   Next, for districts that have fewer lay than clergy members, divide the total number of local church members in each district by the adjusted total number of local church members in the Annual Conference (as determined above). This quotient is the District Membership Percentage.
3. Subtract the number of lay members of the Annual Conference required by *The Book of Discipline (1980 edition, paragraph 36) from the Lay Equalization Factor.* The remainder is the Adjusted Lay Equalization Factor (ALEF).*
   **Lay members required by the Discipline:*
   - Conference President of United Methodist Men
   - Conference President of United Methodist Women
   - President of Conference Youth Organization
   - Two young persons under twenty-five years of age from each district
   - Conference Lay Leader
   - District Lay Leaders

   These persons shall be elected to the lay membership of the Annual Conference by the District Section.
4. Multiply the Adjusted Lay Equalization Factor by the District Membership Percentage. The product is the District Adjusted Lay Equalization Factor (DALEF),(i.e. the number of additional lay members to be elected by the District Sections to effect lay/clergy equalization.) If a district already had more lay members than clergy members, it will not be included in calculating the District Adjusted Lay Equalization Factor.
5. The date for computing the Lay/Clergy equalization shall be January 1. The number of additional lay members to be elected for equalization will be promptly forwarded to the Board of the Laity to allow it to prepare a list of possible additional lay members to be presented to the first District Section meetings.
6. If the actual number of clergy in the Conference increases after January 1, the Lay Leader of a district in which the imbalance occurs shall select a lay member(s) from within the district to equalize the increase of clergy members.
7. If this formula fails to compute the exact number of additional lay persons per district to offset the clergy of the Conference due to calculations made using fractions of a per cent, the Board of the Laity shall be authorized to correct the imbalance through negotiation.
8. So that a district that has more lay members than clergy prior to equalization may elect additional lay members in its District Section, a courtesy rearrangement of the number of lay members to be elected may be made by the Board of the Laity after the District Adjusted Lay Equalization Factor has been determined.

CABINET REPORT TO THE ANNUAL CONFERENCE 1983

Report VIIC

Bishop Russell, fellow cabinet members, members of this Annual Conference, and friends.

"The Cabinet...is expected to speak to the conference and for the conference to the spiritual and temporal issues that exist within the region encompassed by the conference."526.2

You have come to expect each year that the Chairman of the Cabinet make a report to you. The Discipline, however, gives to the Cabinet the responsiblity and opportunity to speak for the Annual Conference as well as to it. I would ask you to then hear a report of your own work. For you have

been at work during these past twelve months and it seems appropriate that we celebrate and take responsibility for our labors in the vineyard.

Bishop Russell, I want to report to you that 150,642 United Methodist lay persons and 330 clergy have been hard at work this year in the 363 churches of the North Texas Annual Conference. This work has been done in diverse ways as many thousands of lay persons have been active teaching in the church school, conducting stewardship campaigns, serving in leadership of organizations, doing visitation which would encourage the weak and weary, and gaining new members for the local churches. Ministers of local churches, associates as well as pastors in charge, have given untold hours of service, teaching the Bible, preaching the Word, conducting worship, visiting the home-bound and those who are ill, administering the church, and serving in the community. Some ministers have come late into the ministry, as a second vocation, and have undergone hardships traveling long distances to school and serving small churches with low salaries seeking to become prepared to serve. Growing numbers of women are being ordained and are doing pioneering work in ministry. Diversity is noted in the ministry even as we gather here this week: Korean, Filipino, Black, Anglo, and even Hispanic lay and clergy members of this Annual Conference.

The people of the churches in the North Texas Annual Conference are IN MISSION. The United Methodist Women give strong leadership with an outstanding program of mission study. In the year 1982 these women of our churches gave $222,811 to mission causes. Local churches gave $4.6 million to more than 220 identifiable causes here locally, within the nation, and in more than 26 countries around the world. Through the payment of $4.2 million in apportionments we were in mission to an additional 32 causes such as day care centers, food assistance programs, and half-way houses; we have paid pensions of 495 retired persons and their dependents who have performed ministry; we have been enabled to carry on a vital ministry on seven college campuses; we have supported new congregations in formation and also those which have need of some form of salary assistance or emergency aid. The conference churches reported a total of more than $35 million spent for all purposes. Surely this is a report of a considerable magnitude as the churches of the North Texas Conference have been in ministry and mission in many and varied ways.

Lay persons and ministers have gone on mission work camps from the local churches of this conference to such places as Appalachia, the Rio Grande Valley, Fort Worth, the Oklahoma Indian Mission, Alaska, and Haiti. Others, such as physicians and dentists, have gone as individuals to serve for a few days or a few weeks, using specialized skills to bring assistance to very needy people. A new program called VOLUNTEERS IN MISSIONS has begun to function under the auspices of the South Central Jurisdiction, with the apointment of Hans L. Aurbakken, to assist in the recruitment, training, and placement of such lay volunteer missionaries.

The congregations of our Annual Conference have been in mission to the community through day care, English classes, job placement, food assistance, emergency aid for disaster victims, as well as economic aid to those who have been feeling the brunt of the recession.

Outstanding lay persons, together with clergy who are increasingly well-trained, are moving in new directions of ministry. Cooperative parishes are being developed in both the urban and the rural areas, creating a whole new environment in the congregations. This has enabled several of the rural churches, as well as the city churches located in transitional neighborhoods, to take a new lease on life. New buildings have been built where only a few years ago we thought of closing churches. A "congregational redevelopment" program has given the inner-city churches a new sense of ownership of the communities in which they are located. A large youth group has been developed among several urban churches where no youth group existed a short time ago. Planning and strategizing has been made possible through the training of leadership on a cooperative basis.

We seem to be entering into a new day in the churches of the ethnic communities. Large numbers of persons from Southeast Asia, from Korea and from the Philippines have moved to Dallas. Surprising numbers of these persons have had strong church experiences in their land of origin. Others have experienced the helping hand of the churches and are responding to the love which has been shown to them. These new Christians are joining our local churches as well as forming churches of their own language. Many of the black churches of our conference are being recognized as strong and vital congregations. The depth of churchmanship which exists in the black congregations of this Annual Conference is quite evident, having among the highest per-capita giving records in the conference. Small ethnic minority churches may need to be assisted to overcome basic problems such as that of inadequate physical plants, but we all have much to learn from the genuine commitment found in these churches. Through the Ethnic Minority Local Church missional priority and the Commission on the black church we have made some strides. In the near future we may need to expand this outreach to include other ethnic groups. This will require money and leadership, but much more. It will require that the North Texas Annual Conference evidence a genuine openness to the diversity which this amalgamation of ethnic groups will produce.

Evangelism has been and continues to be a primary concern for the very committed lay persons of the churches of the North Texas Annual Conference. A few new congregations in this conference have shown phenomenal growth. Even under the most ideal circumstances this has happened only through the persistent and committed witnessing of lay persons to their experience of the saving love of God. Under less ideal circumstances other churches were able to make a good response to the Biblical imperative to "go and tell." Churches which have spent the energy necessary to train and send out the persons who have that personal experience to share are not only growing in numbers but also experiencing new congregational vigor. The Bishop's Call to Evangelism and our own discipleship programs are but attempts to equip and to enable ministerial and lay leadership to fulfill the responsibility to make new disciples.

There are times when we must divert our attention from the *ordinary* and *expected* to the *urgent and the unexpected* . Such has been the emergency of the Lydia Patterson Institute. You made a special offering Sunday night for this institution which serves our Hispanic community. I would ask that you continue to hold these people in your prayers as they undergo hardship, together with the people of Mexico, brought about by the devaluation of the peso. The economic crisis in Mexico has affected us also in the increased migration of persons across the border.

There is as a consequence, a new urgency that we grapple with the problems which are being created by the erratic treatment of alien persons by our state and federal governments. During these economically troubled times we must also be aware of the growing need within each of our communities for the funding of local community services. It is urgent that each local church gear up to meet the crisis needs of the distressed peoples who are flooding into our area from all parts of the nation seeking employment and new opportunity. There is growing awareness that we must witness to our faith among the many thousands of new faces who appear in our towns and cities each year, not only the Anglo-white, but also the Black, Hispanic, Native American, Korean, Filipino, Chinese, Cambodian, and others. Some congregations have successfully begun to assimilate new groups of persons into the life of the faith community. Already a church has almost one hundred Cambodian members. Another church has a Filipino fellowship group and another group from South India meeting in its building. Several churches house Korean fellowship groups. Churches of the North Texas Annual Conference are sharing their facilities with congregations of the Rio Grande Conference. Native Americans have a community center in yet another church.

The laity and clergy of the churches in this Annual Conference have devised a scheme by which we can be at the task of church development. Shares have been bought by 2,897 persons across the Annual Conference in the amount sufficient to produce an expected annual income of $118,000 for church extension, $40,000 for town and rural work and $24,000 for the churches in the transitional situations of the cities. As other persons are able to gain the vision and to witness the growing strength of the local churches thus assisted, we should begin to note a rising excitement in this Annual Conference.

Bishop Russell, you have instructed the district superintendents to be about the task of evaluation of ministry. The idea which the Cabinet and the Board of Ordained Ministry have developed includes the evaluation not only of the ministry of the clergy but also that of the laity of the local churches. I respectfully submit to you that, based upon the analysis of the work of the laity and clergy as found in this report, the churches of the North Texas Annual Conference are seriously engaged in ministry. Together we have turned in the record of a net gain in the aggregate membership of the local churches; we have developed new sources of income and have strengthened our accounting of existing resources through the effective work of the Council on Finance and Administration; we have begun to rise to the ever changing needs of ethnic minorities in our area and we have created new and exciting programs to equip the laity through the Council on Ministries; and we have entered into the renewal of our older congregations using strategies developed through the Board of Church Development.

It is my conviction, Bishop, that with the strong team of persons soon to be elected to conference leadership together with the very effective conference council staff personnel, this Annual Conference is prepared for a redoubled effort to be in ministry during the coming year. You have challenged us during these sessions to a deeper commitment to Evangelism. I believe that we will want to make this challenge a cornerstone to the work of each local church, making disciples and reaching out in ministry and witness across the North Texas area.

In closing I want to take this opportunity to recognize the work which is being done beyond the local church by many persons who have gone out from our midst to serve in the larger arena of the mission of the church: missionaries, professors of theology, staff persons of General and Jurisdictional agencies, chaplains in the military as well as agencies of social service. In addition to our campus ministers there are sixty-nine sons and daughters of the churches of this Annual Conference who are

making a sacrificial witness in far- flung places and through diverse activities. We must not forget that they too are in ministry, representing all of us wherever need exists.

"Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom."..."Therefore, having this ministry by the mercy of God, we do not lose heart."..."For what we preach is not ourselves, but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake." II Corinthians 3:17, 4:1,5

Bishop Russell, you have given us a clear direction for the coming year. The inspiration which you have given through your thoughtful leadership will surely be reflected in our efforts. Please receive our sincere expression of gratitude to both you and to Mrs. Russell, our gracious first lady of the North Texas Annual Conference, for your presence in our midst.

CLERGYWOMEN OF THE NORTH TEXAS CONFERENCE

Report VIID

The Clergywomen of the North Texas Conference have been growing in numbers and in effective service. As of this week, we have thirteen women elders and thirteen deacons, and an increasing number of women are in the candidacy process. This year one of our goals has been to increase our service on boards, agencies, and administrative structures at all levels of church life. We believe that the increased number of clergywomen serving capably in these responsible positions is an indication of both our intentionality and of the willingness of our ministerial and lay colleagues to include clergywomen as full partners.

It has been a busy year for our members. Many of us attended the quadrennial Clergywomen's Consultation at Glorieta, New Mexico, in February, and a significant number of clergywomen participated in the April retreat with Bishop Marjorie Matthews. The presence of the cabinet at the Bridgeport retreat was noted and appreciated.

Amid the growing responsibilities and activities which claim our time and energy, we have also sought to be a pastoral, nurturing community for each other and for those whose lives we touch. We are committed to increased opportunities to nurture and to grow spiritually, emotionally, and intellectually. We are increasingly aware of our personal need for corporate worship and will include more worship together in future plans.

In the coming year, clergywomen will focus energy on the local church ministry. We will cooperate with the Commission on the Status and Role of Women and its goals by launching a project to give local churches the opportunity to experience a team of women leading worship and offering a chance for dialogue afterward. Women are now volunteering to be a part of this effort to expose all churches in our Conference to the ministry of clergywomen.

We will increase our efforts to study the issue of just and fair compensation for clergywomen. As we do this, we reaffirm our commitment to continuing education and to high standards of excellence in ministerial performance. New models of ministry and collegiality continue to be priorities as the clergywomen of this Conference reaffirm our efforts to conscientious, effective ministers of the Gospel and true colleagues to all our sisters and brothers who join us in the one ministry of Jesus the Christ.

REPORT OF THE COMMITTEE ON CONSULTATION (See Report 47, pg. 211, 1982 Journal)

Report VIIE

1. The committee has examined paragraph 528 of the 1980 *Discipline* as well as paragraphs 527, 529, and 530, and has concluded that it is not necessary to change the *Discipline* to insure equal treatment of all congregations in the matter of consultation.
2. Instead the committee has recommended that the present process of consultation be made known to pastors and congregations of the North Texas Conference, except that most communications are not written.
3. The Committee has considered the several items recommended to it.
   a. **Uniform consultation process.** The process for consultation outlined is in fact the uniform process now followed in the North Texas Conference in consultation.
   b. **Documentation.** A check list has been created for the benefit of the District Superintendents so that they may document the process. This check list will be kept on file in the District Office.
   c. **Providing options to churches and pastors.** A uniform process for providing options to the churches and pastors is included as part of the process. It is not our Methodist custom to provide a list of churches from which pastors choose or a list of pastors from which churches choose. Instead the process provides for the Bishop to make an appointment for both pastor and church to respond.
   d. **Length of appointment and church growth.** This is a matter for considerable speculation, but it is probably not possible for it to be the subject of legislation.
   e. **Accountability.** The Bishop and District Superintendents are accountable to the provisions of the *Discipline* for consultation as outlined in the *Discipline* and the District Superintendents are responsible to the Bishop for their separate administration.
4. Consultation is not intended as a means of making appointments. The Bishop is still charged with that responsibility. That historic fact is reaffirmed in paragraph 527. Consultation is a process whereby the pastors and churches have opportunity to give information that will enable the Bishop to give due regard to needs and concerns of both pastors and churches.
5. We have worked at our task with the intention of making the appointment process visible to all concerned. We set out not to make the work of the appointment more difficult, but more accessible. We believe that the only new thing in our report is the checklist. The District Superintendents already operate out of this uniform procedure.
6. The Bishop and the District Superintendents are responsible for consultation and these suggestions come only as recommendations from the committee.

REPORT OF THE COMMITTEE ON CONSULTATION

The responsibility assigned the committee by the Conference resolution (1982 *Journal*, Report 47, p. 211) was to specifiy and define procedures which will insure equal treatment of all congregations in the matter of consultation. After careful examination of paragraph 528 of the 1980 *Discipline* as recommended in the resolution, along with paragraphs 527, 529, and 530, the committee wishes to report that it recommends no petition to be sent to the General Conference. The above paragraphs already provide a framework in which consultation is to be carried out in a manner equal for all.

The Ccommittee has instead drawn up two documents and recommended their use to the cabinet. One of these is a checklist. Its use would provide the documentation of the consultation process asked for in the 1982 resolution. The process outlined there is the one already followed by the Cabinet. The Committee's intention is to provide a framework which makes the process open, visible, and therefore, fair to all.

Consultation is not a means through which pastors or Pastor Parish Relations Committees make appointments. That responsibility belongs to the Bishop. Consultation is a means through which pastors and committees give information that will assist the Bishop as he carries out his appointive responsibility.

OUTLINE OF PROCESS FOR CONSULTATION

1. Criteria for appointment developed.
2. Formal notice of the beginning of the annual appointment process is made to each Pastor Parish Relations Committee.
3. District Superintendent meets with the PPRC where a change in pastors is desired. At this time the District Superintendent will hear from the PPRC the kind of person they would like for the cabinet to consider.
4. District Superintendent secures in writing a statement from the pastor whether the pastor desires to remain, move, retire or otherwise change status.
5. District Superintendent communicates to pastors in writing the Superintendent's recommendation for the worksheets for pastors where a move is contemplated.
6. District Superintendent meets with pastors where a change is contemplated.
7. Cabinet meets to make an appointment.
8. District Superintendent contacts pastor to see if any valid impediment exists to the appointment.
9. District Superintendent contacts PPRC of receiving church to arrange a meeting with the designated appointee. This meeting may be waived with the written consent of the PPRC and the appointee.
10. District Superintendent presides at the meeting between PPRC of receiving church and designated appointee to discover if any valid impediment exists to the appointment. If none is discovered, the appointment is agreed to and forwarded to the Cabinet. If an impediment is discovered, the impediment will be forwarded to the Cabinet, which may recommend another appointment. Action on an impediment will be considered binding and subsequent recommendations will negate consideration of a previously considered appointment.
11. District Superintendent results of the meeting to the Cabinet.
12. In case the Cabinet concludes that a valid impediment exists the process is repeated beginning at number 7 until an appointment is agreed to.
13. The announcement of the appointment shall be made to all parties directly involved in the process, Cabinet, appointee, and PPRC, before a public announcement is made. (Disc. par. 529.6).
14. Appointments become official when announced by the Bishop.
15. The completed checklist will be kept on file in the District office.

NORTH TEXAS CONFERENCE MINISTERS' WIVES CLUB 1983 Minutes

Report VIIF

Wesley United Methodist Church of Wichita Falls was the site of the forty-fifth annual Ministers' Wives Club luncheon on Tuesday, May 31, 1983, at 12:00 noon. One hundred fifty-five ladies attended the luncheon, the theme of which was "A Special Person", provided by Wesley UMC in appreciation for the help given by the Conference following the tornado in 1979 which destroyed the building.

President Kathy Brown welcomed guests and thanked the ladies of Wesley UMC and Mary Ann Peel for their work.

Ethel Rentfro introduced Pat Crenshaw who provided the delightful musical program entitled "Comedy Today."

Special guests, Mary Jean Russell and Elizabeth Webb, were welcomed. President Brown announced that a gift had been given in honor of Mrs. Russell to the Methodist English Medical Mission in Burma in lieu of the flowers usually presented to the Bishop's wife. Mrs. Russell told of the work done by the doctors of this mission with the very limited supplies they have.

Those in attendance for the first time were asked to stand and were given a special welcome. Each of the District Superintendents' wives were asked to stand and introduce their District Presidents and those present from their districts.

A motion was made and seconded that the minutes and the Treasurer's Reports be accepted as written.

Norma Ruth Myrick, Co-Chairperson of the 1983 Retreat, invited those present to plan to attend the retreat to be held October 14-15 at Bridgeport. Dwight Judy will lead the seminar entitled "Christian Meditation As a Path of Transforming Union."

Lynn Tull presented the following Nominating Committee Report:

President - Pat Feemster
Vice-President - Karen Marshall
Secretary - Sue Hildebrand
Treasurer - Sandra McNabb
Historian - Mary Jarvis
Retreat Chairperson - Mary Ann Peel

The report was accepted by acclamation and these ladies will be the officers for the Wives Club for the coming year.

Ellen Palmer gave the benediction.

Respectfully submitted,
Kay Pledger, Secretary

RESOLUTION ON HOMOSEXUALITY

Report VIIH

The First United Methodist Church of Farmersville, Texas, met with District Superintendent Noel Bryant for its annual Charge Conference on November 28, 1982. At that meeting the following resolution was adopted by the church body:

Whereas, Bishop Melvin Wheatley, a United Methodist bishop, has recently made an appointment for Julian Rush, a self-avowed, practicing homosexual;

Whereas, this action damages both the unity and the witness of the Church;

Whereas, the 1980 Book of Discipline for the Church states that "we do not condone the practice of homosexuality and consider this practice incompatible with Christian teaching";

Whereas, the Bible through numerous scriptures re-enforces the position that the practice of homosexuality is incompatible with Christian teaching;

Be it therefore resolved, that The United Methodist Church enforce the 1980 Book of Discipline and acknowledge the scriptural teaching that the practice of homosexuality shall not be condoned and shall be considered incompatible with Christian teaching.

The resolution was recommended by Joe Aston, III, and was seconded by M. R. Reavis. The church then voted to adopt the resolution.

LICENSED CHILD PLACEMENT PETITION TO THE GENERAL CONFERENCE OF 1984 Baltimore, Maryland

Report VIIL

To be included in the 1984 *Discipline* in the Health and Welfare Section, (or other suitable section) and is suggested to follow (1980) Pargraph 1519.4:

"All those concerned with the placement of a child for a (non-relative) adoption shall abide by the laws of their state in using only licensed child placing agencies.

Re: Election of Delegates to General and Jurisdictional Conferences

In order to assure a wider representation of the total Annual Conference to be effected, I recommend that General Conference enact the following for General and Jurisdictional election of delegates:

1. That at least one layperson and one clergy person be elected from each district within the Annual Conference.
2. In the event that the number of delegates is greater than the number of districts, the extra persons shall be elected on the floor of the Annual Conference as at-large members.
3. In the event that the number of delegates is less than the number of districts, it is recommended that metropolitan districts combine their delegation so that the conference can establish a wider geographical representation.

Be it so moved that the North Texas Conference express to our delegation to the General Conference our support of the recommendation of the General Board of Higher Education and Ministry that the words "fidelity in marriage and celibacy in singleness" be inserted at the appropriate points in the *Discipline* which address the qualifications for ordination, consecration, and conference membership.

Report VII0

Greetings from the Perkins Dean

Dear Friends:

As we begin this new year, I am pleased to have an opportunity to acquaint you with some of the background of Perkins School of Theology and to udate you on our current situation.

The School of Theology came into being with the founding of the university in 1915. It occupies eight attractive buildings located on the southwest corner of the SMU campus. Since its founding, Perkins has grown steadily in statue and in service to the Church, the region, and the nation. Its graduates now number 3,556, and the faculty has been ranked by its peers as being among the top six seminary faculties in the United States. Operating expenditures for 1981-82 were nearly $5,000,000.

Last fall 437 degree students were enrolled from 35 states and 12 foreign countries, representing 17 religous denominations. Most of our students are preparing for the pastoral ministry, though some are following courses of study which will lead to work as missionaries, directors of religous education, directors of church music, chaplains, and workers and minsters in other specialized fields. Today's Perkins students are more diverse than ever before; they are older, and many have had other careers. There is more to learn than ever before and there are higher expectations of the clergy than ever before. Yet the students of today are persons of ability and maturity who bring enthusiasm and optimism to their demanding tasks.

A seminary is no less subject to economic pressures than any other educational enterprise. Theological education is expensive. Moreover, students preparing to enter the ministry often have fewer personal financial resources with which to cover the cost of the education than those students planning to enter other professions. That is certainly the case with students at Perkins. This year, tuition and fees at Perkins School of Theology are $3,600 for two semesters. The added cost of room and board brings this amount to $7,361. On the average, every Perkins student will need approximately $1,740 in financial aid to meet the cost of tuition and fees alone.

Priority Need For Scholarship Support

As one of the 13 United Methodist seminaries, we are grateful for the generous support of United Methodists through the Ministerial Education Fund, which provided $823,955 to Perkins last year. While this money accounted for three-fourths of our annual giving in 1981-82, the funds from the Ministerial Education Fund are for current operating support only, and may not be used for scholarship aid. As a result, a top priority during the coming five years is to do all possible to secure funding for scholarship aid and to underwrite fully the general scholarship program at Perkins. This would require an endowment of 7 million dollars.

Perkins School of Theology is proud of its long standing relations with the North Texas Annual Conference. Among its clergy members are 290 Perkins alumni/ae.

We need your support, and hope you will consider a gift to Perkins. Your contribution to the scholarship program may be given in a variety of ways, including memorial funds, and will go a long way to help maintain the quality education that has become synonymous with the Perkins School of Theology.

When you are in the Dallas area, please come by for a visit to our campus. Or, should you have any questions regarding the Perkins School of Theology, don't hesitate to contact me at:

SAINT PAUL SCHOOL OF THEOLOGY
Annual Conference Report

Report VIIP

The purpose of the learning at Saint Paul is to bring the knowledge of theological scholarship to bear on the practice of ministry. Our real concern is that people learn to see life theologically, and interpret the meaning of what is going on in ways that are faithful to the gospel.

This statement by a Saint Paul faculty member provides the focus and motivation for all of our efforts and activities.

The Fall 1982 enrollment of 216 students was the largest in the history of the seminary. Both the Master of Divinity and the Doctor of Ministry programs experienced considerable growth, with the greatest increase among women students. The 1982 Summer Conference Course of Study School was also the largest in its history, composed of 127 students from 20 Annual Conferences.

A number of personnel changes have occurred since the previous Annual Report. These include a faculty appointment in Church History, a Vice-President for Student and Alumni/ae Development, a new Director of Development, and the seminary's first full-time Director of Publicity and Public Relations.

With a 14% increase in income, the seminary managed a balanced budget for the 1981-82 fiscal year. The Alumni/ae of Saint Paul completed a remarkable accomplishment by raising more than $40,000 and thus securing a $20,000 grant from the Kerr Foundation. In February 1983, the seminary made its final payment on our campus note, thus bringing to an end a 180-month obligation dating back to 1968.

Currently we are in process with Emphasis 25, a $2 million three-year Major Funds Campaign. This campaign celebrates 25 years of service and launches our next quarter century. Strong lay leadership undergirds the effort, with more than $800,000 in committments as of the January public kick-off. A Phase II is designed to raise capital funds through the support of Annual Conferences. This phase is in process of conversation and exploration, dependent of course on Annual Conference affirmation.

The life of the seminary is enriched by a marvelous variety of groups and conferences throughout the year. Among these are the Lay Consultation Council which held its Tenth Annual meeting in April, and the Ethnic Minority Student Coalition's worship services.

The ministerial Education Fund provides the largest single income item in our budget year after year, currently about 25% of our $2,196,000 1982-83 budget. Saint Paul School of Theology offers gratitude and appreciation for your indispensable support. More importantly, we offer in response our very best efforts to be a faithful and effective instrument of the Church in the preparation of men and women for the ministry to which they have been called.

Grace and Peace,
Wm. K. McElvaney
President

Ecumenical Missions Event
Others

All of these training events were designed to give help to Annual Conference leadership.

Long-range planning has been done by the Jurisdictional Council on Ministries, projecting programs for the 1980s.

Work has been done in designing a Volunteers in Mission program for the South Central Jurisdiction. This would call for a Jurisdiction director to coordinate and give guidance to individuals and groups desiring to do short term mission work within the jurisdiction and beyond.

The Jurisdictional Council on Ministries has authorized the purchase of a computer for the office. The use of this machine will facilitate communication with Annual Conference and general personnel.

Plans have begun for the 1984 Jurisdictional Conference to be held July 16-19, 1984, the Convention Center, Lubbock, Texas. The Northwest Texas-New Mexico Area along with the Rio Grande Annual Conference will be hosting this Conference.

A quarterly communication paper has been inaugurated, "S.C.J. Mix," and is being distributed to approximately 1000 persons across the Jurisdiction. This edition will include brief stories of "good things" happening in the various Conferences of the Jurisdiction, models of which can be made available.

Individual convocations of the four ethnic minority groups in the South Central Jurisdiction were held during 1982 and plans were made for an Inter-Ethnic Convocation to be held February 17-19, 1983. At the writing of this report, approximately 250 people attended a very successful event.

The committee on Inter-Ethnic Concerns, administered a scholarship fund through the Jurisdictional office. These funds were made available by the Division of the Ordained Ministry.

Approximately 93% of the apportioned items for Jurisdiction Administration was paid by the respective Annual Conferences.

The South Central Jurisdiction office, located at 8035 East R.L. Thornton Freeway, Suite 408, Dallas, Texas 75228, telephone (214) 321-7007, serves as a communication center for concerns of the Jurisdiction and relationships to general agencies. Reports from the three institutions owned by the South Central Jurisdiction: Mt. Sequoyah, Southern Methodist University, and Lydia Patterson Institute, will be made by each of these institutions.

We express our appreciation to the Bishops, the Council Directors and staffs, the District Superintendents, and the following persons who serve from your Conference:

ANNUAL CONFERENCE REPORT

During 1982, the Methodist Mission Home served 647 persons in a direct way: 102 maternity clients, 86 putative fathers, 96 infants, 172 adoptive parents, and 167 hearing impaired adults, with a total of 24,559 resident days on campus. Under contract with the **Texas Department of Human Resources**, we also placed 15 older children into 7 homes.

The Mission Home is owned by a Board of Trustees selected from the seven United Methoidst Annual Conferences of Texas and New Mexico and its San Antonio property consists of 30 acres of land, with buildings valued at $1,300,000. at construction in 1968.

The Mission Home is the corporate umbrella for its two ministries: The Southwest Center for the Hearing Impaired (since 1974) and the Southwest Maternity Center, our historic maternity and adoption program since 1895.

SOUTHWEST MATERNITY CENTER

The Center gives option counseling for the pregnant, unwed young lady in both residential and non-resident settings; and for those who choose to release their child for adoption, we keep a reserve of some 60 couples approved, who are ready to be chosen by our licensed agency as "the home a child needs."

For maternity service, call toll free - 1-800-292-5103 (Texas) and 1-800-255-9612 (other states).

For adoption inquiry, call (512) 696-7021

Outpost offices with part-time counselors are located in Dallas, Lubbock, Midland, Odessa, Longview, Houston, Nacogdoches, Port Neches, Brownsville, McAllen, and Denver, Colorado.

Two maternity clients came from the North Texas Conference, and 19 infants were placed for adoption in this Conference.

SOUTHWEST CENTER FOR THE HEARING IMPAIRED

This residential rehabilitation program, organized in 1974, serves some 150 residents a year, maintaining about 65 on campus at one time. Services for young adults (16 years and older) include evaluation of work abilities and aptitudes, personal social adjustment counseling, structured residential living, Life Skills training, work adjustment training, independent living skills and on-the-job training. Ten deaf clients were served from the North Texas Conference.

CHANGES FOR THE 80s

The November 1982 Board of Trustees meeting voted to embark upon a limited re-arrangement of our campus. It will include changing one of the three wings of the woman's dormitory into apartments for clients that are in independent living training, a family counseling center, and improvement and organization of drives and parking. During 1983, the Department of Finance and Fields Services of the United Methodist Church has been engaged to assist in the raising of funds for this $325,000 project from individuals and foundations. (This is a reduction of the amount reported in the 1979 Conference Journals.)

GENERAL CONFERENCE PETITION

We especially urge the passage of two petitions to the General Conference of 1984 which will be presented separately, one regarding the use of only licensed agencies for placing children into adoption, and the other to help defray the adoptive expenses to couples, lay and clergy, who are covered by the Conference Health insurance program in the amount of the average medical expenses for a normal newborn delivery.

THANKS TO THE NORTH TEXAS CONFERENCE

Lay persons, pastors, and others from the North Texas Conference have been very supportive of the ministries of the Mission Home. We are especially grateful to the Board members who have served from within the bounds of the North Texas Conference, and for the support of concern and gifts which has enabled the ministry to continue.

The total operating budget for the HOME in 1982 amounted to $1,761,133. The total Conference giving (seven Conferences) for the year was $266,387, and of this amount the North Texas Conference contributed $35,770.69 through the Conference Treasurer. We commend all churches that participated in giving to the Methodist Mission Home this past year, and we urge all others to include this vital ministry in their giving during the remainder of this Conference year.

ASIAN MINISTRIES COMMITTEE OF THE NORTH TEXAS COUNCIL

Report VIIU

REPORT - 1983

Kenneth B. McIntosh, Chairperson

In the regular meetings during this past year, The Asian Ministries Committee has continued to work with both fully constituted Asian Congregations, as well as a number of Fellowship groups. The Asian Community is a very fast-growing group in the midst of this Conference, and members of this Committee have been active in leadership in such ministries.

Members of The Asian Ministries Committee have participated in meetings and activities of: The Asian-American Caucus in the South Central Jurisdiction; the Korean-American Caucus in the Jurisdiction; the South Central Jurisdiction Inter-Ethnic Minority Consultation; and the National Convocation of Asian-American United Methodists (Washington, D.C.). There are also members of this Committee who serve on the Dallas Independent School District Asian-American Advisory Committee.

Progress continues in the establishment of meeting places for the two Constituted Korean Churches: First Korean, UMC, and Wesley Korean UMC. First Filipino UMC is improving its facilities and expanding its ministry. In addition to these constituted congregations there are Fellowship groups meeting at: Plymouth Park UMC (Korean Fellowship); Christ UMC (Korean Fellowship); Clearview UMC (Korean Fellowship); and a Chinese Fellowship meeting in Oak Cliff. We Sincerely appreciate all assistance from these ministries and for the work of the Committee from the Conference EMLC Staff member, the Conference EMLC Committee, the Conference Commission on Religion and Race, and from the Annual Conference Council on Ministries. Discussion is continuing on the establishment of an "Asian Ministries office" in the Conference.

The Asian Ministries Committee asks that it become a Commission of the Annual Conference, in order to enlarge its ministry to Asians. The present Chairperson also recommends that an Asian now be considered as the Chairperson of this Committee for this next period of growth. The future of Asian ministry is bright as we look forward in hope and faith.

XV. STANDING RULES

RULE 1.

The Rules of Order adopted by the General Conference of the United Methodist Church shall prevail at all business sessions of the conference.

RULE 2.

The Conference Council on Ministries is constituted to execute the functions detailed in the current **Book of Discipline** in addition to the coordinating functions in relation to the Conference Council on Finance and Administration.

RULE 3.

The bishop, the district superintendents, the conference lay leader, the district lay leaders and six additional persons — taking into account the need for age, sex and ethnic representation — shall constitute the annual conference nominating committee.

Nominations for persons to serve for a four-year term on the conference's various councils, boards, commissions and committees shall be made by the conference nominating committee. The nominating committee shall seek to nominate persons who are qualified for and interested in the work to be addressed. No person shall be nominated for a position without previously agreeing to serve if elected. Persons who are absent without cause from half or more of an agency's meetings during the conference year have thereby automatically removed themselves from the membership roll of that agency and shall be replaced by the conference nominating committee.

The North Texas Annual Conference shall make it a policy to rotate membership on conference agencies, limiting any person to eight (8) successive years on any one agency. However, a person may be re-elected to that conference agency after non-membership for four (4) years. The number of years of each person's term shall be listed after his name in the annual conference journal where the membership of the agencies is listed. Membership, except ex-officio, shall not be held at the same time on more than one quadrennial council, board or division. This rule shall not be construed to apply to trustees of institutions.

The chairpersons of the annual conference's councils, boards, board divisions, commissions and committees shall be nominated by the conference nominating committee and elected by the annual conference, with opportunity for additional nominations from the floor, except in cases where specific alternative provisions are made by the Discipline. Such persons shall be elected for a four-year term with this term beginning at the annual conference session of their election. A person shall not be elected to serve as a chairperson in the annual conference for more than four years in any consecutive six years of any agency whose membership is elected or confirmed by the annual conference, excluding those committees listed in Standing Rule 3 as Annual Conference Committees. Persons nominated and elected to be chairpersons shall be in addition to the stated number of members for each conference agency, unless prohibited by the *Discipline.*

Persons nominated and elected to be chairpersons shall be in addition to the stated number of members for each conference agency, unless prohibited by the Discipline.

Each district shall be represented by at least one person on each council, board, board division, commission and committee unless the Discipline specifically precludes this possibility. Should a district cease to be represented on a given structural unit by virtue of a person moving, that person shall remain on the said structural unit and an additional member shall be added to that unit to represent that district. District representatives on each structural unit shall be responsible for conveying information from the district to the agency on which they serve and from the agency to any equivalent structural units at the district level.

Membership on all agencies (councils, boards, divisions, commissions, committees) shall include one-third clergy, one-third laywomen, and one-third laymen, except for the Board of Ordained Ministry. Special attention shall be given to the inclusion of clergywomen. The following agencies should also be considered as exceptions:

- COMMITTEE ON INVESTIGATION (**1980 Book of Discipline**, para. 2623.3 calls for 7 elders, 3 alternates-elders);
- COMMISSION ON EQUITABLE SALARIES (**1980 Book of Discipline**, para. 935, calls for equal number of lay and clergy members; Standing Rule, page 202, also calls for equal number of lay and clergy);
- JOINT REVIEW COMMITTEE (**1980 Book of Discipline**, para. 449.1c calls for equal number of District Superintendents and Board of Ordained Ministry members);
- BOARD OF LAITY (**1980 Book of Discipline**, para. 720.8b lists specific lay leadership);

- UNITED METHODIST WOMEN — due to the nature of group;
- UNITED METHODIST MEN — due to the nature of the group;
- COUNCIL ON YOUTH MINISTRIES — due to the nature of the group.

All agencies with any lay persons serving as members of the agency, will schedule meetings only after 6:00 p.m. Monday through Friday, or on Saturday or Sunday, unless all lay members are amenable to meeting prior to 6:00 p.m.

Each conference agency is granted the option to define appropriate categories of additional members for said agency and to request the annual conference to approve these categories.

Members of the general agencies from the North Texas Conference will be members of the corresponding conference agency.

THE ANNUAL CONFERENCE

The Annual Conference is defined and constituted according to the current **Book of Discipline.**

Constitutionally, "the Annual Conference is the basic body of the church." As such, the Annual Conference is not understood as an end in itself but as a means to enable United Methodists to serve God effectively and faithfully. The Annual Conference's actions, programs and ministries are intended to reflect the UMC's Theological and Social Principles.

The presiding bishop is the spiritual and temporal leader of the Annual Conference. In addition to presiding over Annual Conference sessions and the appointment-making cabinet, the bishop should also play an active role in the determination and implementation of Annual Conference priorities and programs.

THE COUNCIL ON MINISTRIES

The Conference Council on Ministries shall be organized in accordance with the current Book of Discipline. It shall oversee and coordinate the implementation of decisions made by the Annual Conference through the Annual Conference's various boards, commissions and committees. It shall also serve as a forum where conference program needs and concerns may be discussed.

All proposals related to the conference program shall be submitted to the Council on Ministries for discussion prior to their submission to the Annual Conference. (This is not in conflict with standing rule #27.) The Council on Ministries may choose to endorse, oppose or take no position regarding such proposals. Lack of endorsement by the Council on Ministries does not prohibit a conference agency from submitting a proposal to the Annual Conference.

The Council on Ministries shall not assume for itself responsibilities which belong to the Annual Conference. In cases of urgent necessity, the Council on Ministries may approve, by 2/3 vote, changes, additions or deletions from the conference program between sessions of the Annual Conference provided that, if funding is involved, prior approval shall also be received from the Council on Finance and Administration. Such actions shall be reviewed by the next session of the Annual Conference.

The Council on Ministries shall be composed of the presiding bishop, the District Superintendents, the chairpersons of each board and each board division, the chairperson of each conference commission and committee, the conference secretary, two representatives each of the conference youth organization, United Methodist Women and United Methodist Men. (If not already included in the composition of the Council on Ministries, the following at-large members shall be added: two young adults and the lay leaders of each district, and the person(s) serving on the General Council on Ministries.) The following shall be members of the council with voice and not vote: Conference Council on Ministries staff, Director of Professional Ministries, the Conference Director of Finance and Administration/Treasurer, the chairperson of the Council on Finance and Administration, the Conference Director of Church Growth and Development and the Conference Statistician.

The chairperson, vice-chairperson and secretary of the Council on Ministries shall be nominated by the conference nominating committee and elected by the Council on Ministries. Other officers shall be elected as needed by the council.

There shall be an executive committee created consistent with the current Book of Discipline.

THE COUNCIL ON FINANCE AND ADMINISTRATION

The Annual Conference Council on Finance and Administration shall be constituted and shall function in accordance with the current Book of Discipline. The Conference Director of Finance and Administration/Treasurer shall be accountable to the Annual Conference through the Council on Finance and Administration and shall have the responsibilities and rights accorded by the Discipline to the conference treasurer.

THE BOARD OF THE LAITY

The Board of the Laity shall fulfill the functions as described in the current Book of Discipline. It shall foster an awareness of the role of the laity in the ministry and mission of the church by participation in the planning and decision-making processes of the Annual Conference. In order to provide input for such participation, and to provide the laity a sense of ownership and accountability, the board shall interface between the grass-roots laity and the leadership of the Annual Conference.

The Board of the Laity shall consist of no fewer than 12 members. The chairperson of the board shall be the conference lay leader, who is nominated by the conference nominating committee and elected by the Annual Conference, with the opportunity for additional nominations from the floor.

The board shall have the following divisions:

1. **The Division of Lay Leadership** shall be chaired by the conference lay leader, and shall be composed of the district lay leaders, who are nominated and elected by each district. This division, through its district lay leaders, shall become informed regarding the issues, concerns, frustrations, dreams and hopes of lay people in the local churches of each district. It shall interpret these concerns to the Bishop and his extended cabinet by meeting with the Bishop and extended cabinet at least twice annually. It shall also, through its district lay leaders, interpret to the local churches of each district the programmatic and missional goals of the Annual Conference.

When application is made to the conference for the privilege of a special conference-wide financial appeal, whether by special collection, campaigns, or otherwise, the application shall be referred to the Council on Finance and Administration before final action is taken thereon. The Council shall investigate the application and its possible relation to other obligations of the conference, and in light of the facts make recommendations to the Annual Conference.

RULE 21.

Section A: The Council on Finance and Administration shall nominate to the Annual Conference an auditing firm which shall audit the Conference Treasurer's books, and the books of all Annual Conference agencies which receive their support from the Council.

Section B: Each institution receiving financial support from the conference, either by direct apportionment or by special offerings, shall submit an annual auditor's report made by a certified accountant to the Council on Finance and Administration.

RULE 22.

Annually the Conference Treasurer with the assistance of the District Superintendents shall compute the apportionment decimal for each church and by September 1 provide the amounts for each church's apportionments and askings for the following year.

RULE 23.

Each pastor in charge shall be required to report to his district superintendent on District Check-Out Day any money borrowed necessary to pay current church obligations for the Conference fiscal year, or any delinquent church bills which have not been paid by the close of the Conference fiscal year.

RULE 24.

Matters which are not a part of the Pre-conference Report of a particular agency of the Annual Conference may come before the conference only after they have been mimeographed or printed and laid on the desk of the members at the beginning of the day they are to be considered. This Rule shall not be so construed as to preclude proper amendments to reports or matters of privilege.

RULE 25.

The following ethical principles for the appropriation and disbursement of funds by the North Texas Annual Conference shall be observed:

A. Funds contributed for a designated purpose should be used strictly for the purpose designated, and administered efficiently, without waste or duplication, in order to obtain maximum effect from the use of available funds.

B. Net proceeds from the sale of Annual Conference property are capital funds, and should be appropriated to the use which the property was intended to serve. If this is not feasible, priority should be given to the most similar purpose for which the funds can be used effectively, or to capital improvements within reasonable geographical proximity; but district lines should not be controlling and the entire community or metropolitan area should be considered. Likewise, funds received by way of indemnity for loss or destruction of any capital assets of the Annual Conference should be treated as capital assets and should be used for similar purposes if restoration of the property is feasible.

RULE 26.

In the event of the death of an active minister occupying a parsonage, the surviving spouse and family shall be granted the privilege of using the parsonage for a period of time not to exceed sixty (60) days.

RULE 27.

It shall require a two-thirds (⅔) vote of all lay and clerical members present and voting to suspend or to amend any of these standing rules.

WILLIAM ARTHUR COX

Born to a Methodist family on October 15, 1904, in Nolanville, Texas, Reverend Arthur Cox experienced a great deal of encouragement to become a Methodist minister. Before it was over, out of a family of nine brothers and sisters, five of the brothers would have entered the Methodist clergy and one sister would have been married to a Methodist preacher.

Arthur Cox attended Southwestern University in Georgetown, receiving his Bachelor's degree in 1928. After graduation, he was appointed to Maysfield, Texas to fill a vacancy created by a death. From there, he attended Southern Methodist University School of Theology, where he graduated in 1930. In an age of short tenures of service, Reverend Arthur Cox served many pastorates: Bardwell, Crane, Tatum, Loving, Garden City, Vernon, Gruver, Lytle, Peary Place in Corpus Christi, Ketchikan in Alaska, Falfurrias, Texas, Hondo, Shettle Memorial in Austin, Gonzales, Richardson First, Grant Oak Haven in Irving, Mary King/Maple Lawn, and Mansfield. After retirement, he served Bryson and then, when health demanded, he retired in Irving.

On December 27, 1933, Arthur married Mardilla, and they worked together in ministry over many years. Reverend Cox died on September 28, 1982, and leaves a rich heritage not only in faithful ministry but in the persons of: his wife Mardilla Cox, of Irving; Ainslee Cox, symphonic conductor in New York; Sara Mahaffy, organist in St. Joseph, Mo.; Dottie Dunnam, mother and housewife in Dallas; Vick Cox, engineer for Electronic Communications System in Dallas, who resides in Irving; and six grandchildren.

TIMOTHY BERTRAM ECHOLS

Timothy Bertram Echols wrote in the introduction to his book, *Pioneers in Religious* Education, published in 1964: "My invisible twin is 'adventure.' He has been my daily companion, he has never left me alone." On the night of February 18, 1983, he embarked upon a voyage with death, declared by James Elroy Flecker to be the "great adventure still".

"T.B.," as he was called by many friends, was indeed an optimistic traveler on the road of life. He was one of twins, destined for success by a mother who vowed that her sons would have every available opportunitv, and an unshakeable faith in God.

Timothy Echols, like the title of his book, was himself a pioneer in religious education. His life was dedicated to the betterment of mankind. His work as a pioneer opened many doors that had not been previously opened to black people. He was Executive Secretary of Christian Education for twenty-five years in the Texas and West Texas Conferences, and had been a field representative for another sixteen years on the Board of Pensions when he retired in 1964. As part of his work in religious education, his most rewarding project was the Central Jurisdictional Leadership Training School. At the beginning of this project in 1944, there were only three full-time executive secretaries in nineteen conferences of the Jurisdiction. During the four years he was Dean of Leadership School and Chairman of its Board of Managers, the number increased to twelve full-time secretaries in fourteen conferences, with the other five being served by part-time or volunteer workers.

T.B. Echols was a man of strong convictions. He was a man who had the profound capacity to stimulate an awareness of the working of God's spirit in the lives of young men and women. There are quite a number of great Christian warriors who entered the Christian ministry because of Rev. Echols' ability to recognize and develop a sensitivity in them to understand and recognize the call of God upon their lives.

He had a sense of comfort about who he was, and was able to make people feel good about themselves and who they were. He had occasion to work with people from all walks of life. There was no one too successful or too lowly, too old or too young, to be encompassed in the warm glow of his friendship.

He was a sharing person. In spite of the fact that with a wife and young child he accepted an appointment without salary and existed on offerings and donations for a year, he still gave donations to support children in Liberia. One of these, Arthur F. Kulah, matured and came to this country, earned a degree in theology and returned to his country. Later, he returned to America to earn his Ph.D., and be appointed a bishop of the Methodist Church in his country.

In 1964, Rev. Echols asked his bishop to appoint him as pastor of St. Luke Church, a church with five adult members and heavy indebtedness. The alternative was to sell the site and have the five members go to other churches. Dr. Echols influenced the decision to maintain the church; and when he again retired in 1974, the church had over 100 adult members, a substantial savings account, and additional church property. Many beneficial programs for children and adults were implemented and established during his tenure.

Rev. Echols is survived by his wife, Frances, two daughters, Renette and Jo, a brother and a granddaughter.

HARGROVE GROUNDS

Hargrove Grounds was born March 5, 1893, in Collin County, Texas. After answering the call to the ministry he was admitted to the North Texas Conference in 1918. He delivered his first sermon at the Methodist Church in Sadler, Texas. Fifty years later he returned there to preach the same message again. There were several friends present who had been there fifty years before. On April 23, 1917, he married Ombra Boswell Grounds in Tioga, Texas.

During his forty-three years in the service of our Lord, he served churches at Petrolia, Antelope, Wizzard Wells, Perrin, Alvord, Nevada, Valley View, Holliday, Celeste, Wichita Falls, Cochran Chapel, Wilson, Richardson, Henrietta, Trinity and Harless in Denison, Grace, Brandon Avenue, Clarksville, Key Memorial Sherman and Owenwood in Dallas.

He was a great and a good man. Greatness is not measured by power, prestige, wealth or education. Yet he possessed all these, evidenced by the power of God in his life, the host of friends whose lives he touched during his years of ministry, and those he helped as he pressed forward toward the high calling of his ministry in the Methodist Church. Greatness is measured by what a man leaves that his fellow man wants to possess or cultivate in his own life. Hargrove left many such qualities, some given by St. Paul in his writings: "Whatsoever things are true, honest, just, pure, lovely and of good report think on these things." Hargrove left us such a list.

For a portrait of this man of God we turn to Psalms 1: "Blessed is the man that walketh not in the council of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in this law doeth he meditate day and night. He shall be like a tree planted by the rivers of water, that bringeth forth fruit in his season; his leaf also shall not wither, and whatsoever he doeth shall prosper."

Hargrove and Ombra were parents of two daughters: Marion Grounds Park, who survives, and Mary Helen Grounds Coleman, who preceded her parents in death. After ending his active ministry at Owenwood, Dallas, Ombra and Hargrove retired to their East Texas farm near Atlanta, Texas, where they shared many happy hours with their children and grandchildren. Ombra preceded Hargrove in death in November, 1979. Hargrove departed this life January 5, 1983. Memorial services were held at Atlanta, Texas, January 7, 1983.

WESLEY V. HITE

Wesley V. Hite was born February 25, 1896, in Lorena, Texas. Most of us called him Dr. Hite. He was married to Inda McTeer, February 22, 1924, and together they served the North Texas Conference in pastoral appointments and superintendencies for many years. Dr. Hite died in Dallas, August 16, 1982. The funeral service was held at the First United Methodist Church, Denton, August 18, with Noel Bryant, Gordon Casad, and William C. Crouch officiating.

Wesley Hite was ordained in the Methodist Episcopal Church, South, when he began his ministry. It was fitting that his ordination was in the southern church since he himself was the prototype of the southern gentleman. Many years ago Nolan Harmon, then with the Methodist Publishing House, later elected to the episcopacy, published a book about people like Wesley Hite. It concerned, among other things, appropriate ministerial attire. His advice to the minister was that he not sit, even in his own home, in his shirt sleeves. Someone might come to call. Did anyone ever see Wesley Hite without a coat and tie? After he and Inda moved to their retirement home in Denton, he was frequently seen taking his afternoon walk, but never without his three piece suit, tie, and hat.

Dr. and Mrs. Hite came to Denton in 1936 to begin their forty-six year love affair with the Denton church and the Denton people. A personal memory reaches back even further. He was my pastor when I was born into the Owenwood Church. It was a young church of young families in those days. He was fond of telling in my presence that he was my pastor once and now I was his. The stories that come out of those days are the stories of a gentleman. Did anyone ever hear him raise his voice to anyone?

He came to Denton as a young man. It was clear that he was destined to a successful career in the church, but he was an humble man. Did anyone ever hear him say anything bad about anybody? He was always concerned about the feelings and convenience of others. If he had enemies, no one knew. In private conversations he was a man of strong convictions, but he was always gentle with people.

He served in Denton three times; once as pastor, once as District Superintendent, finally as a member of the staff. There are many people in Denton who tell that he was the first person to visit them after they became residents. Did anyone ever know him to neglect any visit that needed to be made?

He loved the church and Denton, but he loved the Methodist Church more. His associations in the Conference were dear to him. When he and Inda moved to Blanton Gardens, there were many who encouraged him to stay in Denton where he had so many friends. His reply was that they would be among friends there, too. Did anyone ever know Wesley Hite not to be among friends?

If he loved Denton and the Methodist Church; however, he loved his lovely Inda even more. It was no surprise that he followed her so closely in death. When she was in the hospital shortly before her death, he was asked the question whether he was taking care of himself and preserving his own meager strength. His reply was, "How can I? She needs me." When Inda needed him no more there was nothing left for him to do. They are buried side by side in the Roselawn Cemetery here in Denton.

Perhaps the words that celebrate his life and death best of all are those words that Jesus spoke in the parable of the talents, "Well done, thou good and faithful servant, enter into the joy of your master." Well done, Wesley Hite, well done.

GEORGE T. WILCOXSON

Reverend George T. Wilcoxson was born in Farmersville, Texas, April 27, 1906. He spent his life in Collin County. He married Rolene Cantrell, on April 24, 1927, in Greenville, Texas. They raised two children; Mrs. Patsy Johnson, Director, North Texas Conference Credit Union, who lives in Farmersville; one son, Jerry, who lives in Edgewood, Texas. George died July 18, 1982.

George and Rolene had fifty-five wonderful years together. George graduated from school in Farmersville, Texas; served churches Blanton Chapel and Verona; and operated the Wilcoxson Insurance Company in Farmersville. George always started each day at his office with prayer and Bible reading. George was truly a man of God. His life was a witness to those wherever he went. He enjoyed people and his good humor and spirited conversation made countless friends across the North Texas Conference. He always had a smile along with an amusing story to cheer you up. "The Lord was his light and salvation." "The Lord was the strength of his life."

Funeral services were conducted at First United Methodist Church in Farmersville, July 19, 1982. Reverend Homer Pittsinger, Reverend Gene Gordon and his pastor, Reverend Terry Atkinson led the service. Burial was in IOOF Cemetery, Farmersville.

MINNIE ADA BRANCH

They never had the station church, but their lives were lived in happiness and joy as they served the rural people of East Texas. Minnie and J. C. Branch started their young lives in farming and later made the ministry of the Methodist Protestant Church their commitment.

Reverend J. C. Branch was a native of Tennessee, and came to Texas and met his wife-to-be near the present town of Ladonia. She was born August 18, 1883, and their marriage was March 13, 1898. He preceded her in death in 1956. His work, both before and after unification in 1939, was with the smaller congregations.

His ability to read was quite limited, but his wife was faithful in reading to him. His ministry was with conviction and faithfulness to his task.

Her life span lacked a few months of being 100 years, and her later days were under the care of a son, Clifton Branch, in Commerce. She died on December 5, 1982.

INDA MCTEER HITE

Inda McTeer Hite was a Tennessean by birth, but a Texan by choice. She was born November 8, 1898. She died August 12, 1982. Following the memorial service at the First United Methodist Church, Denton, which was led by the Reverend N. C. Thomas, the Reverend Dr. P. W. Walker, the Reverend John Mollet, and the Reverend Noel Bryant, the interment service was conducted in the Roselawn Memorial Park, Denton.

Inda came to Texas to live with her brother and his wife, Mr. and Mrs. J. M. McTeer. It was while living in the McTeer home in the Oak Cliff area of Dallas that she met Wesley Hite. Wesley, a student in the School of Theology at Southern Methodist University, was working in the Oak Cliff Church. Wesley and Inda were married in 1924 by the late Dr. Robert Goodloe, Professor of Church History in the School of Theology.

Inda was a faithful and devout companion to Wesley. She loved the church and the privileges afforded her as a minister's wife. She was active in the program of each church and district to which Wesley was assigned. Wesley said of Inda,"She was more than a wife to me, for she was by my side as a helper in everything I undertook".

Dr. William Barclay reminds us that revelation comes to us, not from any book or creed, or printed word. "Revelation comes to us from a living person." Inda revealed so much to each of us about life, faith in God, and service to others.

JESSIE STELL JONES

Mrs. Lloyd H. Jones (Jessie) was born November 14, 1902, in Colorado City, Texas. Jessie was reared in a family that was not church oriented, even though they were solid Christian people. Her father, who died when Jessie was fourteen years of age, served as Colorado City Town Marshal, and worked at other trades from time to time. Despite the absence of active church participation by the family, Jessie was exceptionally religious and had a keen interest in religion and the church. As a pre-teen child, she constantly walked from home to church, a mile and one-half, alone.

After the death of Jessie's father, Mrs. Stell moved her family to a farm in an attempt to make a living. This necessitated Jessie's losing one year of high school, which she later made up and graduated with honors. She was attracted to McMurry College through the influence of its founder, Dr. J. W. Hunt. Upon presenting herself for admission, the dean looked over her transcript and asked her if any of the other students made "A's." She largely worked her way through college doing dormitory custodial work, with some help from church friends in Colorado City, Texas. In a campus evangelistic crusade conducted by Evangelist Will Hogg, she was voted by the student body as the most religious girl on the campus. It was here that she and Lloyd, both of whom were involved in the organized Christian activities on the campus, became attracted to one another. This relationship led to eventual marriage, which took place on November 11, 1928, in which Reverend Elmer D. Landreth officiated, having been a close friend of both.

Lloyd was accepted into the Northwest Texas Conference that fall and assigned to an eight-point circuit near Muleshoe, Texas, which covered a portion of four counties and where they spent two years. In the fall of 1930, this couple moved to Dallas, where both became students in the School of Theology at Southern Methodist University. They graduated in the summer of 1933, Jessie with a Master's Degree and Lloyd with a Bachelor of Divinity Degree. Returning to Northwest Texas, they were, for the balance of that summer, serving the Muleshoe circuit. At the Annual Conference following, they were assigned to the Lakeview Charge in the Plainview District. After a few months, they were transferred to Turkey, Texas, from which the pastor had moved in the interim between Annual Conferences. At the conference following, they were sent to LeFors, Texas, where they spent four years and their first child, a son named Bobby Lloyd, was born. From here they were moved to Groom, Texas, for two years, during which time a daughter, Marilyn, was born. Their following appointment was to the Buchanan Street Methodist Church in Amarillo, Texas. There they spent five years. From here they were sent to Floydada, Texas, for four years following which they served in Perryton, Texas, for three years. Then they were assigned to the Greenland Hills Methodist Church in Dallas, transferring their conference membership to the North Texas Conference. They served this church for six years after which Lloyd retired from the active pastoral ministry with a serious heart condition. After a brief period of time, this couple established a professional marriage counseling service in which both participated as counselors, having opened an office in a strategic location in the city.

Through their student days in Southern Methodist University, and in later years, this couple did evangelistic work in various churches in the Conference. When called upon, Jessie worked with the youth and Lloyd directed the music and did solo work. Both taught in Epworth League Assemblies and also in youth camps and conferences. Jessie's specialty in pastoral situations was working with children, especially those of junior age. In her character, interests and preparation, Jessie was as near to being the ideal pastor's wife as one could hope for.

She is survived by her husband, Lloyd H. Jones of Seymour, Texas; one son, Bobby Lloyd Jones of Dallas; one daughter, Marilyn J. Neie of West Lafayette, Indiana; and one brother, Robert Stell of Hobbs, New Mexico; one sister, Evelyn Loving of Boulder City, Nevada; and two grandchildren.

CARRIE OLIVIA MAY

Mrs. Carrie Olivia May, 93, passed away January 11, 1982, in Celina, Texas. Services were held January 13, 1982, at Harrington-Bratcher-Dickey Chapel, Celina, with Reverend Jack May, Jr., officiating. Assisting him were Reverend J. T. Bledsoe and Reverend Jack Meyers. Burial was at Belew Cemetery, near Pilot Point, Texas, with Harrington-Bratcher-Dickey Funeral Home in charge of her arrangements.

Mrs. May, a housewife, was born January 23, 1888, in Alabama, and married John Sanders May (1884-1940) of Arkansas on June 26, 1904. Mr. May was an itinerant Methodist preacher and served in several conferences, one of which became the North Texas United Methodist Conference.

Surviving her are one daughter, Mrs. Ola Davis, of Denton, Texas; four sons, James S. May, Carrollton, Texas; Johnny F. and Willie D. May, of Celina, Texas; and Earl L. May of Yucarita, California; 22 grandchildren; 49 great-grandchildren; 3 great-great grandchildren; and 5 great-great-great grandchildren.

Pallbearers were grandsons.

WILLIE COX MORGAN

Willie Cox Morgan was born on April 18, 1895, to Thomas and Mary Cox in Williamson County, Texas. She died on April 3, 1983, in Paris, Texas. Raymond Morgan preceded her in death on December 6, 1963.

Mrs. Morgan attended East Texas State Teachers College in Commerce and taught school for many years in the Bonham area before marrying Reverend Morgan in 1928. The Morgans had no children of their own, but were parents to many, especially young ministers. To these and many others of their "children" they gave great encouragement and inspiration.

After the death of Reverend Morgan, Willie made her home in Paris. She remained a faithful member of the last church her husband served as pastor. Here her interest in children was felt as she continued to work to insure that each child was given an opportunity to explore life. When her physical condition became such that she could no longer take a leadership position in her church, she continued by telephone. Regularly, the elderly and shut-ins could expect a call of encouragement.

During the ministry of Reverend Morgan, he served the following appointments: Telephone, Southmayd, Dodd City, Sadler, Era, Saint Jo, Talco, Holliday, Leonard, Mabank, Roxton and Sumner.

Her funeral service was conducted by the Reverend Jimmie Yarbrough in Paris, with burial in Willow Wild Cemetery in Bonham. Mrs. Morgan was survived by two sisters, Mrs. Catherine Collins of Honey Grove and Mrs. M. O. Stephens of Sumner, and one brother, James Cox of Ector, and a host of beloved nieces and nephews.

MARTHA ELIZABETH RAMSEY

Memorial Services for Mrs. Martha Elizabeth Ramsey were conducted July 31, 1982, at University Park United Methodist Church in Dallas. Reverend Frank Yates, her nephew, Dr. Lamar Cooper, and Reverend Ramon Womack officiated. Burial was in Restland Memorial Park.

Martha had a rich Methodist heritage. Her father, Reverend D. W. Grounds; husband, Reverend J. D. Ramsey; and brother-in-law, Reverend J. D. Major, all preceding her in death; and her brother, Reverend Hargrove Grounds, who has since passed away, were all Methodist preachers, as is her nephew, Frank Yates.

She and her husband, the late J. D. Ramsey, served together in the ministry for over thirty years. Most of that time was in the Central Texas Conference, with the last several years at University Park United Methodist Church in Dallas. Then after her husband's death, she worked in the nursery at University Park for several years until her health failed and she was unable to do that.

Martha's whole life was lived in the service of her Lord. She was born October 20, 1888, in a Methodist preacher's home, then served 93 years as a daughter, wife and worker in the Methodist Church. She then lived her remaining years in the C.C. Young Home in Dallas.

Thank God for her life and the faith she affirmed.

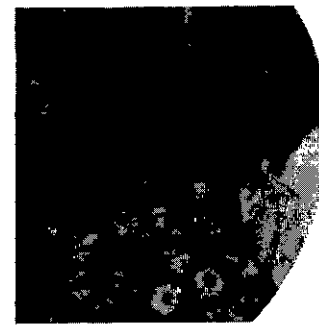
KATHRYN WILLIAMS TUCKER



For two young people who were in love, after first meeting in a Methodist Youth Camp, it was a long way from Lafayette, Alabama, to Albuquerque, New Mexico, where Kathryn Williams was moving with her family because of health problems of two sisters.

The young man was Albert Fulton Tucker, who had not yet finished high school, and these two young lovers did not want those many miles to separate them without the "...bond which unites two loyal hearts in endless love", so they were secretly married on August 9, 1925, with the written consent of Albert's father because Albert was only 18 years of age.

The marriage was to be kept a secret until Albert finished high school and joined her in Albuquerque, but her youngest sister, Virginia, found her wedding band and let the secret out. In 1926, Albert traveled by train to Albuqueruque, where he and Kathryn began their life together which lasted almost fifty-five years until his death, July 17, 1980, in Dallas.

Born on a farm in Chambers County, Alabama, October 16, 1902, near the town of Lafayette, Kathryn Williams was one of a family of nine children born to Joseph Harvey Williams and Sara Rebecca Edwards Williams. The family moved to Lafayette following the death of Mr. Williams, and it was there that Kathryn and Albert met. After moving to Albuquerque, Kathryn and three sisters became telephone operators, an occupation that she followed at various times in later years.

Albert responded to his call to the ministry, but his education was before him, and Kathryn, in her love and devotion, was just the kind of companion and helper he needed. First he attended the University of New Mexico in Albuquerque and joined the New Mexico Conference in 1930. Then across the years, he attended McMurry College in Abilene, Southern Methodist University in Dallas, and the Yale School on Alcohol in New Haven, Connecticut.

Kathryn and Albert served Methodist churches in Vaughn-Encino, Grady-Bellview, Clovis, Ysleta, Pecos, Hobbs, and Albuquerque Trinity, before Albert was appointed to lead the New Mexico Temperance League in 1951. They moved to Dallas in 1953, when the Texas Alcohol-Narcotics Education organization called Albert to Dallas to become the executive director, where he served until retirement in 1972.

Following his retirement, Albert and Kathryn purchased a motor home which they used to the fullest, traveling and camping with their seven grandchildren and many friends. They spent countless days and hours with their grandchildren as they took them on a number of long trips, and several

days at a time during summer vacation to Tyler State Park and other places in Texas, Oklahoma, and Arkansas. Kathryn always had plenty of good food prepared; and they swam, boated, skied, fished, hiked, biked, motorbiked and played quiet games together.

Love for each other, their children, grandchildren, fellow workers, friends in the churches they served, their Lord and Saviour, and their God who destined them for their service in the ministry, was exemplified in everything they did.

Kathryn entered into her "Father's house", following a short illness, on February 5, 1983, leaving behind a son, William F. Tucker, an attorney of Dallas; a daughter, Shirley Ann (Mrs. Jim) McKnight, a nurse, of Rockwall; five grandsons, two granddaughters; two great-grandchildren; a brother, a sister, and many friends.

She was active in her church, First United Methodist, Dallas, where she and Albert had worked faithfully in many activities since they moved to Dallas in 1953. She was a dedicated Christian, a truly beautiful lady, a devoted wife and mother, the perfect companion for a Methodist minister serving in the itinerant ministry.

Kathryn's story is a beautiful love story, a happy life, a memorial of love.

Her funeral service was held September 29 at the First United Methodist Church, with the pastor, the Reverend Homer Kluck, and the writer officiating. Interment was in the Hillcrest Cemetery in Temple.

Mrs. Williams was born July 21, 1894, at Decatur, the daughter of Joanne Reese and Fred O. Shanks. She graduated from the old "Normal" school in Denton, which is now North Texas State University. She taught school in Chillicothe before marrying Dr. Walter L. Barr on January 1, 1916. He was then the pastor of the First Methodist Church in Laredo. Other pastorates were Woodlawn in San Antonio, First Church in Corpus Christi, Presiding Elder of the Llano District, First Church in Phoenix, Arizona, and Travis Street Church in Sherman, during which pastorate Dr. Barr died February 1, 1939.

Mrs. Williams reared two step-children, Mabel Barr and T. Gordon Barr, and had twins, Allene

and Allen W. Barr, and a daughter, Genevieve Barr, by this union.

In 1942, she accepted a position as Assistant Dean of Women at Southwestern University. She married Professor M. L. Williams on October 27, 1945. He preceded her in death in 1970.

Mrs. Williams is survived by one son, Gordon Barr of Phoenix, Arizona; three daughters, Mrs. Raleigh R. (Allene) White, III, of Temple, Mrs. Robert T. (Genevieve) Daniel of Bloomington, Indiana, and Mrs. M. C. (Mabel) Dalchau of Llano; two sisters, Mrs. H. H. (Ruth) Halsell of Fort Worth and Mrs. Henry (Florence) Riemenschneider of Austin; nine grandchildren; seventeen great-grandchildren; and two great-great-grandchildren. One son, Dr. A. W. Barr, preceded his mother in death.

Mrs. Williams, a life-long Methodist, was an exemplary Christian lady. She lived her entire life in quiet commitment to Christ and in self-giving service to the Church. God gifted her with a bright mind, a beautiful, pristine spirit, and an uncommon strength of love and faith that left an indelible influence on all of us who have known her. She now "lives evermore with Thee, and Thy mercy endureth forever!"
