I. CONFERENCE HISTORY

United Methodism in North Texas began in 1816-17 as part of Arkansas Methodism in the Missouri Conference of the Methodist Episcopal Church. When the denomination divided in 1844-45, Methodists of this area became a part of the East Texas Conference of the Methodist Episcopal Church, South. In 1867, the approximate area of what is now this conference, was set apart as the Trinity Conference, and later (1874) renamed the North Texas Conference.

The Methodist Episcopal Church had little organized work in Texas after 1845, until 1867 when a Texas Mission was formed. Out of that Mission came the West Texas Conference (primarily Black). In 1939, the Methodist Episcopal Church, the Methodist Episcopal Church, South, and The Methodist Protestant Church united to form The Methodist Church. The West Texas Conference, while a part of The Methodist Church, was in the Central Jurisdiction (all Black). The North Texas Conference was a part of the South Central Jurisdiction, which was one of the geographical jurisdictions.

At the Uniting Conference to form the United Methodist Church held in Dallas, Texas, April 1968, a new Annual Conference was formed in North Texas including members, congregations, and ministers of the North Texas Conference of The Methodist Church of the South Central Jurisdiction (1939-1968), and members, one congregation, and one minister of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (1886-1968).

At a merger conference held in Dallas, Texas, in May, 1970, members, congregations, and ministers of the North Texas Conference; and members, congregations, and ministers of the West Texas Conference located within the geographical boundaries of the North Texas Conference became the North Texas Conference of The United Methodist Church.

The sessions of the current North Texas Conference are numbered first from 1867, the organizational date for the North Texas Conference of the Methodist Episcopal Church, South, and the Texas Mission of the Methodist Episcopal Church and secondly from 1970, the date of merger of the former North Texas and West Texas Conference.

A list of the Conference Sessions of these separate conferences is printed in:

(1) the 1939 Journal of the North Texas Conference, South Central Jurisdiction, (P.28-29) and the 1967 Journal of the North Texas Conference, South Central Jurisdiction (P.140);
(2) the 1967 Journal of the West Texas Conference of the Central Jurisdiction(P.88);
(3) the 1967 Official Record of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (P.17); and
(4) other histories of Methodism in North Texas.

Walter N. Vernon, Jr. (1907-1993)
Conference Historian

IX. DAILY PROCEEDINGS

SUNDAY EVENING OPENING SERVICE OF WORSHIP
May 31, 1998

At 7 p.m. First United Methodist Church, Dallas, hosted a Festival of Pentecost. The Chancel Choir of Highland Park United Methodist Church provided special music, and the evening's offering was received for scholarships to Summer Events for children and youth. Bishop Woodie White's sermon, "Our Common Ground," based on Acts 2:1-21, challenged those present to "transcend our particularity" that "we may enrich each other with our diversity." The service concluded with Bishop William B. Oden leading the commissioning of some 200 Volunteers-in-Mission team leaders.

Conference preacher Bishop Woodie White proclaims" Our Common Ground."

Volunteers-in-Mission team leaders are commissioned.

MONDAY MORNING BUSINESS SESSION
June 1, 1998

Organization of the Conference

Following services of Holy Communion and a time of worship and Bible study, Bishop William B. Oden convened the business session of the 1998 North Texas Annual Conference in the Plano Centre, Plano, Texas, at 8:45 a.m. and invited Bishop John Wesley Hart to offer the invocation. Larry George, Conference Secretary, made organizational motions by nominating the following persons to serve during the conference session:

Asst. Secretaries: Ben Shinn, Carroll Caddell, Ouidga Meyers, Mary Cantrell, Michael Nichols
Head Teller: Burt Palmer, Jr.
Committee on Courtesy and Resolutions: Judy Gilreath, Claire Cunningham, John Rosenburg, Claude Williams.

All were elected. George then presented the 1998 Lay/Clergy Equalization as printed in the Conference Workbook and moved its adoption; it was approved **[LA1]**. George also instructed that all lay and clergy members of the annual conference should register their attendance with the District Secretaries.

Conference Statistician

Roy Spore, Conference Statistician, reported that in 1997 the churches of the North Texas Conference reported an increase in membership of 1.1 percent, which is the largest membership since 1987 (151,114) and the most new members received in a single year in the last decade (11,523). Spore also reported an average worship attendance of 57,574, the largest ever recorded, reflecting the attendance of 38.1 percent of the churches' members, also the largest percentage ever reported and five percentage points above the national average. An increase of 1.7 percent was reported in Sunday school membership and an increase of 2.4 percent in Sunday school attendance. Spore expressed appreciation for the work of the District Auditors and District Secretaries, as well as members of the conference staff.

Laity Address

Alys Richards, Conference Lay Leader, described a trip to a lighthouse in Nova Scotia and the hearing of "Amazing Grace" being played by a young woman standing on the granite rocks as an analogy for the mission of the church: (1) The lighthouse is a tower of strength. Our strength comes from the Lord who gives us the spiritual and physical strength to do what we need to do. (2) The lighthouse has a flashing, rotating light. We, too, have the opportunity to let our light shine as we address the changing needs of our conference and a new structure for mission and ministry; we are called to be instigators of change, not passive by-standers. (3) The lighthouse has a firm foundation. As United Methodists, our foundation is firm in the gospel of Jesus Christ and the teachings of John Wesley. "What do we do now?" Richards asked. "We work together; we join together with a shared vision and a shared mission to continue to make disciples of Jesus Christ. We let our light shine; we live the lighthouse of faith."

Bishop William B. Oden offers the Episcopal Address.

Conference Lay Leader Alys Richards presents Laity Address.

Episcopal Address

Following a faith story by Tim Parish, Bishop William B. Oden began his Episcopal Address by describing the urgency and energy he had experienced as he visited congregations across the conference to consecrate or dedicate new buildings, to participate in groundbreakings or to share anniversaries of years of ministry — signs of a church ready to move forward into the third millennium. "What, then, is the agenda for the United Methodist Church in the North Texas Conference," Bishop Oden asked. (1) First, our mission is to do God's mission, and God's mission is to reconcile the whole world through Jesus Christ. (2) Second, our mission is to translate God's mission into our own vision of God's preferred future, God's reconciliation, to be open to the Holy

Spirit working through us to announce the good news of love and justice and to create within us focused and faithful missional activity for the years ahead. (3) Third, our mission is to move from imagination to implementation: to provide spiritual leadership among lay and clergy, to be the instruments of implementing this vision of God's mission.

Bishop Oden described spiritual leadership as growing out of the mind and heart and work of Christ, continually being formed through the community of faith, and growing out of our baptism. The Bishop described the 1998 conference session as a "conference of new beginnings" in the way we do ministry and implement shared imagination. Bishop Oden also noted the significant shift taking place in The United Methodist Church, reflected in the North Texas Annual Conference — "a transformation from maintenance to mission." To set a framework through which to address difficult issues, Bishop Oden quoted the words of Abraham Lincoln in his Second Inaugural Address, described by Reinhold Neibuhr as the finest expression of American theology. Referring to the Civil War, Lincoln said, "Both sides read the same Bible and pray to the same God, and each invokes His aid against the other. The prayers of both could not be answered, and that of neither has been answered fully." "This is truly a time of kairos in the North Texas Conference," concluded Bishop Oden. "It is an exciting journey that we are on together. The baton of apostolic faithfulness has been passed to us. It is our moment in God's arena. My prayer is that we will run the race, that we will finish the work we have been assigned."

Committee on Episcopacy

Jim Dorff, Chair of the Committee on Episcopacy, invited members of the conference to greet Marilyn Oden, who expressed her joy in being part of the North Texas Conference. Dorff explained the committee's work by drawing a parallel with the Pastor-Parish Relations Committee in the local church and by describing ways in which the committee strives to be supportive of our Bishop and the episcopal family and to find new ways in which the entire annual conference can continue to fulfill God's mission. Dorff expressed gratitude for Bishop Oden's proactive, inclusive, tireless leadership.

Conference "First Lady" Marilyn Oden thanks conference members.

Marcia McFee, Worship & the Arts Consultant, leads morning worship.

Following a faith story by Tom Locke of The Texas Methodist Foundation, Bishop Oden called for announcements. Walter Zimmerman reminded members of the conference that photographs were being taken only on Monday for inclusion in the pictorial directory in the Journal. Carol Woods voiced two prayer requests: David Rucker's father, recovering from a heart attack; and Harold Dangerfield, who had three family members killed in an automobile accident. Bishop Oden then adjourned the clergy to continue in session at First United Methodist Church, Plano; and the laity, at Plano Centre.

Clergy Session

Bishop William B. Oden called the Clergy Session to order at 10:40 a.m. at First United Methodist Church, Plano, expressed appreciation to the church for hosting the session, and invited Phil Mercer to offer the opening prayer. Pat Beghtel-Mahle, Chair of the Board of Ordained Ministry, emphasized Part I of the board's report as "the way we do our work" and urged clergy to study the information and to direct any questions to members of the board.

Beghtel-Mahle began consideration of Part II of the Business of the Annual Conference ("Pertaining to Ordained Ministers and Local Pastors") by affirming that all the clergy members of the conference are blameless in their life and official administration, Question 17.

Dennis Wilkinson, Candidacy Registrar, described the current candidacy process and noted that there were no changes to the list of certified candidates, Question 19.

Keith Payne Boone, Chair of the Committee on Local Pastors, announced that there are nearly 100 persons serving as local pastors in the North Texas Annual Conference. Boone presented Questions 20, 21, 22, and 23. Following corrections from the floor, Boone moved approval of the questions related to local pastors; they were approved by voice vote.

Retiree Bob Bryan addresses the conference.

Retiree Ann Cardwell reflects on her ministry.

Stan Seat, Chair of the Committee on Conference Relations, introduced those persons who have been received by transfer from other annual conferences (Question 39); Stanley Copeland, John Grigsby, and Todd Harris were greeted by applause. Seat also read the names of those members in full connection and local pastors who have died during the year (Question 51); Leighton Farrell offered a prayer of thanksgiving. Members in full connection, associate members, and probationary members who are retiring were also introduced by Seat (Questions 58, 59, 60); their ministry and the retirement status were confirmed by applause.

Doug Miller, Chair of the Committee on Preparation and Qualifications for Elders, expressed appreciation to those who serve as mentor pastors. Miller then presented Elwin (Sam) Campbell for election as associate member (Question 27); he was approved. Miller next introduced those to be elected as probationary members and ordained as deacons under the 1992 Discipline (Questions 29 and 41): Joyce Cravens, Mary Elizabeth Crouch, Jennifer Rebecca Goodrich, Edward Francis Lantz, Martin David McLee, Judith Anderson Reedy, Martha Anne Soper, David Barry Weber. They were approved by voice vote. Miller corrected the printed response to Question 41 by adding the name of Elwin (Sam) Campbell to Section a.

Persons elected and ordained as elders in full connection under the 1992 Discipline (Questions 35 and 42) were introduced by Miller: Jill Ann Jackson, Andrew Bernard James, John Frederick Kay, Ouida Fae Lee, Susanne Hott Orman, Allen Wesley Snider, Mark Lynn Vowell, John P. Wallace. Following Bishop Oden's examination of the candidates using the historic questions, vote was taken individually; all were elected by a show of hands.

Sarah Squires, Chair of the Committee on Preparation and Qualifications for Deacons, presented Betty Crowell, Doug Meyer, and Jayne Wolfe for election and ordination as deacons in full connection under the transitional provisions for diaconal ministers (Question 33). Bishop Oden explained the addition of historic questions for this order, noting particularly the "ministry of compassion" to recognize the servant role of the deacon. Following examination by the bishop, vote was taken by show of hands; each was individually elected. Squires also noted that Linda Zastovnik would be presented to members of the annual conference for consecration as a diaconal minister.

Gary Mueller, Chair of the Committee on Probationary Membership (Residency), reported that the program is now in its second year as a process of spiritual growth and formation which enriches the entire connection. John Taylor, Chair of the Committee on Continuing Formation, reminded the clergy of the availability of grants for continuing formation enterprises. Bob Davis, Chair of the Committee on Chaplains/Related Ministries, offered a reminder of the breakfast gathering for those in specialized ministries and reported on their good meeting with Bishop Oden. Daniel Humbert, Chair of the Committee on Recruitment, reminded clergy of the application procedures for scholarships for certified candidates in seminary and in undergraduate school. Humbert further encouraged participation in Exploration '98, noting that scholarship money was available to help defray travel expenses for the November 11-13, 1998, event.

Retiree Jeanne Davis reflects on her ministry.

Retiree Dudley & Elaine Dancer speak to the conference.

Pat Beghtel-Mahle expressed thanks to Bill Crouch for his assistance to the Board of Ordained Ministry and his help with the Disciplinary Questions. Beghtel-Mahle also expressed appreciation to Bishop Oden for his willingness to dialogue and to answer questions as he offered care and support to the board. Beghtel-Mahle moved approval of the full report of the Board of Ordained Ministry; it was approved.

Bishop Oden announced that the clergy retreat will be held Thursday morning through Saturday noon, October 22-24, 1998, in Wichita Falls. Janet Bell Odom requested prayers for Marshall Hodge who was hospitalized in Dallas. Richard Dunagin appealed to clergy members of the conference to offer their personal commitment in support of the Vision 2020 comprehensive plan. Bishop Oden invited Stanley Copeland to offer the benediction.

Laity Session

The lay members' business session began at 10:30 a.m. in the Plano Centre, with a majority of the lay members present. Alys Richards, Conference Lay Leader, opened the meeting with introductions, including members of the Board of Laity. Singing was led by Gary McCain, Lay Leader of the Paris-Sulphur Springs District. Since over one-third of those in attendance indicated that they were new to annual conference, Richards invited them to be greeted individually by other members of the conference. The remainder of the Laity Session was given over to a presentation by Richard Stanford, Lay Leader of the Dallas South District, of the 25 legislative issues that would be voted upon during the conference session. There were extensive questions and discussion from the floor. The meeting was adjourned with prayer by Joan Douglass, Lay Leader of the Sherman-McKinney District.

MONDAY AFTERNOON BUSINESS SESSION

Children and Poverty Task Force

Bishop Oden convened the afternoon business session and called upon Don Barnes for the report of the North Texas Conference Task Force on the Council of Bishops Children and Poverty Initiative. Some 200 children led the conference in a litany of concern and the song "Star Child." Don Barnes reported that the task force had been awed by the challenge of confronting the issues of children and poverty. The monumental task had been organized around a theme ("Becoming a church for All God's Children") and a song ("Star Child"). Two goals have been set: (1) that each local church begin one new ministry for children and/or improve a present ministry for children, and (2) that each local church double the number of members doing mentoring. Barnes announced that two posters for each church were available at the task force's book table in the Cokesbury display; the posters were designed to encourage local churches to participate in the Children and Poverty Initiative. Bishop Oden responded to the report by noting that the primary goal of the Children and Poverty Initiative is to proclaim in word and deed the gospel of Jesus Christ, the gospel of God's reconciling and transforming grace.

Council on Ministries

Don Renshaw, Chair of the Council on Ministries, referred to the two-year journey toward restructuring of the Council on Ministries as a collaborative effort toward a "ministry delivery system" since the 1996 General Conference empowered each annual conference to restructure itself in order to do the best work of ministry. The process involved looking at what other annual conferences were doing, looking at what the business community and other organizations were doing, and listening to what the churches of our annual conference were saying. Responses from the churches indicated that (1) the mission of the Council on Ministries was not clear, (b) that it had little significant impact on the life of the local church or the annual conference, (c) that it was too cumbersome. The churches also identified several strengths of the Council on Ministries: (1) Bring-a-Friend ministry, (2) training events close to home, (3) Volunteers-in-Mission, and (4) "My Church" publication.

"Operation Classroom" is sponsored by Volunteers in Mission.

Children lead the conference in litany and song.

Renshaw explained that the resulting redesign called for the Council on Ministries to be replaced with three 12-member programing areas linked to a leadership team. The 12 persons in each program area (Creating Congregations, Equipping Disciples, Sending Servants) would be responsible for planning and coordination but would also involve innumerable persons in task forces (or "energy loops") for implementation. The design also called for the creation of an Accountability Group to ensure inclusiveness of personnel, issues, and communications, and a Review Team to examine the effectiveness of the new structure, and a Commission on Communications. Renshaw moved the adoption of Items 2 through 5 in the Conference Workbook.

Questions from the floor concerned such issues as the continuation of age-level programs (e.g., youth, young adults), ecumenicity, human sexuality training, lay speaking, budgeting, nominating, and listening to the needs of the local churches. Sara Hardaway moved "that Single Adult Ministries be added to the goals or tasks of the Equipping Disciples Team." Renshaw accepted the motion as a friendly amendment. Rene Lawson moved that the General Guidelines be amended to instruct that "task force members will be selected by the Teams and Group through the Nominating Committee pool and/or upon recommendation of the District Superintendent, with attention being given to inclusiveness issues." Renshaw accepted the motion as a friendly amendment. Jack Wallace called the question, and the motion passed by the required two-thirds margin. Vote was taken on the restructuring legislation; all items were adopted **[LA2]**.

1999 Conference Mission Budget

Joe Twellman, Chair of the Council on Ministries Budget Committee, presented the proposed 1999 budget, reconfigured in the Conference Workbook to reflect the new structure for mission and ministry which had just been approved. Twellman noted that the Grand Total for Conference Mission reflected a nine-percent increase over 1998, including significant amounts applied to the annual conference priorities of new church starts, Hispanic ministries, and other concerns. Twellman moved adoption of the budget legislation; it was approved **[LA2]**.

Board of Global Ministries

Don Renshaw called the attention of the conference to Items 23, 24, and 25 in the Conference Workbook: 1998-99 Conference Special Days with Offering, Special Emphases without Offering, and Advance Specials. Two editorial changes were noted in the legislation as printed (Peace with Justice

Sunday, June 7, 1998, and Scout Sunday moved from Special Days with Offering to Special Emphases without Offering). Renshaw moved approval of the legislation; all were adopted **[LA3]**.

Vision 2020 Priorities Committee

Kay Croft, Chair of the Vision 2020 Priorities Committee, reminded the annual conference of the three major consultations which were called by Bishop Oden during the 1997 conference year. A separate task force organized each consultation: (1) Church Planting, (2) Ministry in an Urbanizing Society, (3) Camping and Retreat Centers. Following the consultations, each task force worked to create a vision for ministry and a plan for action; the Priorities Committee then developed a comprehensive plan — Vision 2020.

Croft described Vision 2020 as a bold plan, containing specific goals and recommendations and calling for new approaches to ministry and a capital campaign to fulfill the vision. A video has been produced to explain some of the key points of Vision 2020.

Mary Brooke Casad and Richard Dunagin presented the Church Planting priority, noting that we live in one of the most fertile mission fields on the planet with more than 3,500,000 persons living within the 20 counties we call the North Texas Conference, a population projected to increase by 7 ½ percent over just the next five years. Such numbers represent souls, God's precious children, for whom Vision 2020 calls for us to plan boldly with the creation of 100 new congregations. New models will be employed for the new church starts, including the partnering of existing churches with new congregations.

Henry Masters and Kathleen Baskin presented the Ministry in an Urbanizing Society priority, reminding the conference that we are under a biblical admonition to seek the welfare of the city, that it is the business of the Church "to cross the railroad tracks" faithfully to fulfill God's mission. The priority includes (1) strengthening present leadership and empowering new leadership, (2) developing strong, vital urban congregations by providing resources, training, and support, (3) connecting congregations and developing mutual ministries across racial and economic lines, and (4) giving more attention and support to Shalom Zone ministries.

Barbara Mason and Marvin Guier presented the Camping and Retreat Centers priority. Goals include both the improvement of programing and management of the centers, as well as the development of each site to fulfill a specific mission: Bridgeport — a year-round camp and conference center for all ages with the capacity to accommodate up to 300 persons in a single group or several smaller groups simultaneously; Texoma — a retreat center primarily for youth, adults, and families. An overview of plans for the development of specific facilities at each site was presented.

Kay Croft moved approval of the action motion regarding The Comprehensive Plan for the North Texas Annual Conference. An amendment to disallow designated giving was defeated. The proposal was adopted **[LA4]**.

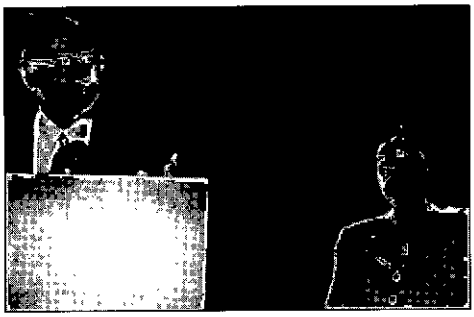
Board of Pensions

Merwin Turner, Chair, offered the report of the Board of Pensions and reported that the liability for pre-1982 ministerial pensions should be fully funded by the year 2011, perhaps earlier. Turner reported the establishment of a network of retiree representatives in district and cluster groups and the distribution of Christmas checks to retirees and surviving spouses from the Joe and Lois Perkins Fund.

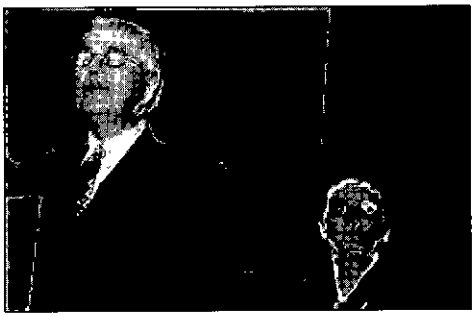
Walter Zimmerman moved "that in accordance with provisions in the pension plan [E.02.b(2)] presented by the General Board of Pensions, the North Texas Annual Conference designate the date of the first payment to be the first day of the month in which the retirement takes place." The motion was seconded and approved.

Merwin Turner presented three legislative items from the Board of Pensions: Retirees' Rental/Housing-Related Expenses, Pre-1982 Service Year Rate for 1999, and the 1999 Board of Pensions Budget. All were approved **[LA5]**.

Don Underwood expressed concern that accounting errors made with regard to Special Fund II due to a computer error will not be explained to pension fund participants until the next statement (June or July). The Conference Board of Pensions has received no notification of this computer error, but the chair accepted Underwood's advisement and will follow through on the matter.



Retiree Kenneth & Mary Jane Dickson speak of retirement.



Retiree Gaither & Faye Day address the conference.

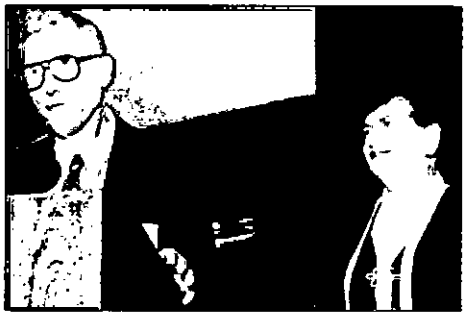
United Methodist Publishing House

Thalia Matherson gave the report from the United Methodist Publishing House, citing examples of the agency's ministry through its publications and encouraging use of its services by individuals and congregations. Matherson presented Sam Albright, manager of the Cokesbury Bookstore in Plano who highlighted several publications by or of particular interest to conference members. Matherson presented Bishop Oden with a check, representing the conference's share of the Publishing House proceeds dedicated to ministerial pensions.

Adjournment

A faith story arising from Bring-a-Friend Sunday concluded the afternoon agenda. Bishop Oden reminded conference members that the evening meal and celebration of the ministry of those retiring were part of the conference session. Following announcements by the Conference Secretary, Leighton Farrell gave instructions for the evening meal; Gene Gordon offered concern for the family of conference lay member Mickey George whose mother would be buried the next day, and the session was adjourned with prayer.

Retiree Richard & Judy Flach speak of mission and ministry.



Retiree Larry & Patricia Meredith speak to the conference.

A Celebration of Ministry

Immediately upon adjournment of the afternoon session, dinner was served at the Plano Centre, in honor of those retiring at the 1998 annual conference. Following the meal, those retirees who were able to attend addressed the conference by reflecting upon their ministry: Bob Bryan, Eduardo & Amy Cajiuat, Ann Cardwell, Dudley & Elaine Dancer, Jeanne Davis, Gaither & Faye Day, Kenneth & Mary Jane Dickson, Richard and Judy Flach, Larry & Patricia Meredith, Philip & Espie del Rosario, John Earl & Virginia Taylor, Walter & Joan Zimmerman.

Special music for the evening service of worship, also held at the Plano Centre, was offered by the Asian Women's Choir and the Mondo Drummers of Fort Worth. The scripture text for Bishop Woodie White's sermon, "Tell the Story," was Matthew 28:16-20. The evening's offering was designated for expenses of the annual conference session. The chairs of the Orders of Elders and of Deacons and chairs of the Fellowships of Diaconal Ministers and of Local Pastors led the liturgy for the establishing of the orders and fellowships.

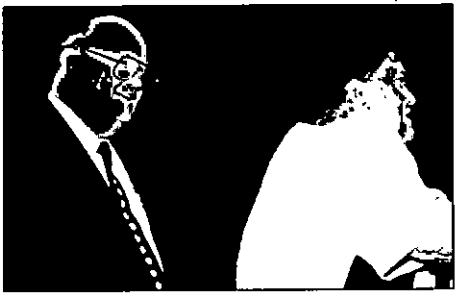
TUESDAY MORNING BUSINESS SESSION
June 2, 1998

Board of Ordained Ministry
Report 1

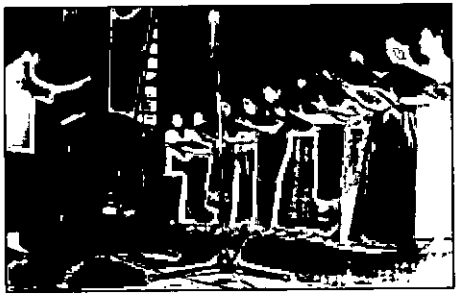
Following services of Holy Communion and a time of worship and Bible study, Bishop William B. Oden convened the conference session by calling on Pat Beghtel-Mahle, Chair, to present the report of the Board of Ordained Ministry. Beghtel-Mahle invited members of the Executive Committee and members of the Conference Board of Ordained Ministry, District Committees on Board of Ordained Ministry, and mentor pastors to stand in order that the conference might see how many persons it takes to do the work of the Board of Ordained Ministry.

Doug Miller, Chair of the Division of Preparation and Qualifications for Elders, presented the eight candidates for ordination: Jill Jackson, Andrew James, John Kay, Ouida Fae Lee, Susan Hott Orman, Allen Snider, Mark Vowell, John P. (Jack) Wallace.

Jill Jackson, who was born in Wichita Falls, earned a BA at the University of Texas at Austin and a Master of Divinity from Duke University, and is currently serving First United Methodist Church, Lewisville, shared her faith story.



Retiree Walter & Joan Zimmerman reflect on ministry.



Asian Women's Choir leads in worship.

Council on Finance and Administration
Report 1

Donna Whitehead, Chair of the Council on Finance and Administration, directed attention to Pages 12-18 of the Conference Workbook. Whitehead reported that the 1997 payout rate by churches in the North Texas Conference was 96.4 percent, the highest rate among all conferences of the South Central Jurisdiction. Whitehead expressed appreciation for the leadership of Conference Treasurer Marvin Guier and recognized all members of the Council on Finance and Administration.

Whitehead noted that the proposed 1999 budget is really a mission statement and reflects a 2.4 percent increase over the 1998 budget, that increase coming primarily in two areas — (1) priorities established by the adoption of the Vision 2020 Comprehensive Plan and (2) areas which were

underfunded in the 1998 budget (e.g., annual conference expenses). Whitehead further reported that the council has voted an apportionment shortfall fund to be made up of the investment earnings of the conference.

Whitehead moved the legislation action items arising from the Council on Finance and Administration: (1) the naming of McGee, Haza & Co. as the auditing firm for the Conference Treasury in 1998, (2) Salary, Benefits and Expenses for Superintendents and Directors, and (3) Resolution to General Council on Finance and Administration regarding fund balances of general boards and agencies. Don Underwood explained the background of the proposed resolution to GCFA, and Scott Jones offered an amendment "that the resolution also be sent to all members of the Council of Bishops." Underwood accepted the friendly amendment. It was further noted that some of the fund balances to which the resolution referred were designated, restricted funds. There being no further questions, vote was taken, and all three were approved [LA6].

New elder Jill Jackson shares her faith story.

New elder Andy James speaks of his call to ministry.

Commission on Insurance

Following the sharing of a faith story by Socorro de Anda of the Lydia Patterson Institute, Julie Gould, Chair, presented the report of the Commission on Insurance. Gould described the state of flux in the health insurance industry, citing mergers and increasing premiums as examples. In responding to and researching the concern of retirees, the commission has prepared a recommendation for a Medicare HMO with United Health Care for retirees living in Dallas, Rockwall, Kaufman, Denton, Collin, Grayson, Tarrant, and Ellis counties. In an effort to equalize the benefit to those living outside the HMO service area, the conference share of the premium costs will be increased from 50 percent to 65 percent.

Gould noted that in studying the insurance supplements for appointees whose compensation is below the DAC (Denomination Average Compensation), the commission has recommended that total compensation be used as the base for evaluating the need for such supplements. Gould also explained that, beginning January 1, 1999, the insurance plan for active appointees will move from United Health Care to Cigna.

Gould moved approval of the legislative item, "Medicare HMO Plan for Retirees." Concerns were raised regarding whether additional physicians could be added to the plan, whether Methodist Hospitals are part of the plan, whether persons could remain with the current PPO United Health Care plan at a higher premium cost, and whether those living outside the service area could travel for medical treatment into the counties served. Vote was taken, and the proposal carried [LA7].

Gould moved approval of the legislative item, "Insurance Supplements for Appointees and Dependents." Marsha Engle proposed an amendment to address concern over whether the accountable reimbursement plan for travel at many town and country churches would prevent their applying for insurance subsidies if that amount were calculated as part of total compensation. Gould responded that such churches would not receive automatic subsidies but could apply for a subsidy, noting the expense reimbursement as justification. The amendment was defeated. Vote was taken on the original legislation; it was approved **[LA7]**.

Joe Hale offers the Memorial Service sermon.

Faith stories were shared throughout the sessions.

A Celebration of Life and Ministry

The North Texas Conference honored its deceased clergy and spouses of clergy members with "A Celebration of Life and Ministry." Joe Hale, General Secretary of the World Methodist Council, brought the memorial sermon; Tim McLemore, Mark Thurman, and Steve Chapman provided special music. The saints who were remembered with gratitude for their having "told the stories of Jesus" were

> A. D. Campbell, Jr.; Elden H. Cole; W. S. Collins; Helen Connally; Marion Johnson; Daniel Leander; Kenneth McKenzie; Gladys Minga; Marjorie Neeley; Roscoe Nunley; Barbara Hart Siekman; Jane Smith; Leora Trice; James Leon Turner; Lola Westbrook; and Esther Margaret Zimmerman.

Following the clergy memorial service, members of the Committee on Courtesy and Resolutions named those lay members of the annual conference who had died since the 1997 conference session.

Jim Norsworthy of the General Board of Higher Education and Campus Ministry made a special presentation of the Francis Asbury Award to William T. (Bill) Stephenson.

Commission on Communications

Jim Bowden, Chair of the Commission on Communications, directed attention to the legislative item, "Relationship Change Between the North Texas Conference and the United Methodist Communications Council of Texas and New Mexico, Inc." Bowden explained that the two actions being recommended by the trustees would (1) transfer ownership of The United Methodist Reporter from the Communications Council to an autonomous, nonprofit corporation, affiliated by covenant with the seven annual conferences of Texas and New Mexico, and (2) the council itself would be dissolved. The proposal was approved **[LA8]**.

Methodist Children's Home

Robert Allen, Coordinator of Health and Welfare Ministries, presented the legislation, "Statement of Covenant Relationship Between North Texas Conference of the United Methodist Church and the Methodist Children's Home," noting that it was simply a periodic review of the relationship already in place. Vote was taken; the proposal carried **[LA8]**.

New elder Susanne Orman shares her faith story.

New elder Allen Snider addresses the conference.

Clergy Housing Committee

Gifford Long, Chair of the Clergy Housing Committee, reported that a detailed listing of conference housing will be printed in Section 4 of "Conference Policies" in the 1998 Journal and that only 14 percent of conference parsonages do not meet the conference standards. Long noted that moving procedures will also be printed in the Journal.

Board of Ordained Ministry
Report 2

Pat Beghtel-Mahle, Chair of the Board of Ordained Ministry, continued the report by focusing on those to be ordained deacons in full connection and consecrated as diaconal ministers. Sarah Squires, Chair of the Committee on Preparation and Qualification for Deacons, presented Linda Zastovnik for election by the full conference to this lay office; she was approved and shared her faith story. Doug Miller, Chair of the Committee on Preparation and Qualification for Elders, introduced probationary deacons: Joyce Elaine Cravens, Mary Elizabeth Crouch, Jennifer Rebecca Goodrich, Edward Francis Lantz, Martin David McLee, Judith Anderson Reedy, Martha Anne Soper, and David Barry Weber. Bishop Oden explained that these are among the last of the classes that will, under the 1992 Discipline, be ordained deacon before they are ordained elder. Miller also introduced Elwin (Sam) Campbell, a deacon being brought into the conference as an associate member.

New elders continued the sharing of their faith stories: Andrew Bernard James, who was born in Dallas, earned a BBA from Southern Methodist University and a Master of Divinity from Perkins School of Theology, is married to Christy, and currently serves Custer Road United Methodist Church. John Frederick Key, who was born in Atlanta, Georgia, earned a BBA at Baylor University and a Master of Divinity at Brite Divinity School, Texas Christian University, is married to Nicole and currently serves the Avery-Williams Chapel Charge. Ouida Fae Lee, who was born in Henderson County, Texas, earned a BCA at Dallas Baptist University and a Master of Divinity at Perkins School of Theology, Southern Methodist University, is married to John and currently serves St. James/Haven

Chapel. Susanne Hott Orman, who was born in Dallas, earned a BBA from Southern Methodist University and a Master of Divinity from Perkins School of Theology, is married to Don and currently serves First United Methodist Church, Mesquite.

Following presentations by the Methodist Children's Home and the Methodist Mission Home (Methodist Family and Rehabilitation Services), the sharing of faith stories by new elders continued: Allen Wesley Snider, who was born in Helena, Arkansas, earned a BA from Austin College and a Master of Divinity from Perkins School of Theology, Southern Methodist University, is married to Lisa and currently serves Krum United Methodist Church. Mark Lynn Vowell, who was born in Agana, Guam, earned a BBA from the University of Oklahoma and a Master of Divinity from Perkins School of Theology, Southern Methodist University, is married to Debbie and currently serves Westview United Methodist Church in Greenville. John P. (Jack) Wallace, who was born in Philadelphia, PA, earned a BA from Dallas Baptist University and a Master of Divinity from Brite Divinity School, Texas Christian University, is married to Marlane and currently serves Waples United Methodist Church in Denison.

New elder Mark Vowell shares his faith story.

New elder Jack Wallace speaks to the conference.

Committee on Nominations

Judy Gilreath, Chair of the Committee on Nominations, reminded the conference of the names of persons presently serving on the committee and the conference rules for eligibility. The first ballot was then taken to elect one lay person and three clergy persons to fill vacancies and new terms on the Nominating Committee, clergy voting for clergy, and laity, for laity. Gilreath also encouraged conference members to complete the Nominating Committee Interest Inventory and to encourage local church members to do the same. Gilreath called attention to the Nominating Committee addendum which had been distributed to conference members and which replaced the preliminary report found in the Conference Workbook. Corrections and additions to the addendum were received from the floor, resulting in the taking of a written ballot for the position of Leader of the African American Community to serve on the Conference Leadership Team. Gilreath then moved adoption of the report of the Committee on Nominations, with the understanding that an additional name would be added as the African American member of the Conference Leadership Team; the motion carried. The Conference Secretary announced that Shirley Shead had been elected to the Leadership Team, receiving 59 percent of the valid votes cast.

Adjournment

Following the sharing of faith stories by Scott Smith (representing Mt. Sequoyah), Joseph Washington (representing C. C. Young Memorial Home), and John Lancaster, Birdie Carstarphen,

and Hazel Higgins (representing Wesley Village), Mike Miller, Volunteers in Mission Coordinator, reported that over 300 boxes had been received for Operation Classroom. Bishop Oden adjourned the afternoon session.

TUESDAY EVENING WORSHIP
A Service of Ordination and Consecration and of Word and Table

The powerful command to "take authority" sounded repeatedly through Custer Road United Methodist Church when the North Texas Conference gathered at 7 p.m. to celebrate Ordination, Consecration, and Holy Communion. Special music was provided by the Chancel Choir of Waples Memorial United Methodist Church, Denison, and by soloist Janette Kotey of St. Paul United Methodist Church, Dallas. Bishop Woodie White delivered the sermon, "Ministry in Times Like These," referring to Paul's Second Letter to the Church in Corinth about the ambiguities and challenges of that day and Charles Dickens' famous opening of A Tale of Two Cities. Bishop William B. Oden called the name of each candidate and celebrated the Liturgy of Consecration and Ordination.

Services of Holy Communion were offered each day.

The conference gathers for ordination and consecration.

WEDNESDAY MORNING BUSINESS SESSION
June 3, 1998

Nominating Committee Ballot

Following services of Holy Communion and a time of worship and Bible study, Conference Secretary Larry George reported the results of the first ballot for elections to the Committee on Nominations. None were elected; a second lay ballot and a second clergy ballot were taken.

Board of Trustees

Richard Dunagin, Chair of the Board of Trustees, referred to four legislative items in the Conference Workbook. Dunagin explained that three of the items regarding discontinuance (Southwood, Urban park, Nueva Esperanza) did not involve transfer of property since the congregations would continue to be in mission and ministry but were moving from a constituted to a fellowship status. The motions were approved **[LA9]**. The fourth legislative item to convey the Gibtown property to the Gibtown Cemetery Association was moved and also approved **[LA9]**.

Standing Rules

Gary Mueller moved that "the Standing Rules Committee of the North Texas Conference will undertake a comprehensive study of our Standing Rules, make recommendations for appropriate changes, and present these recommendations to the 1999 Session of Annual Conference for action so that all of our Standing Rules are supportive of our new structure and our conference priority *Vision 2020.*" The motion was seconded. Jean Wood moved to amend the motion "to direct the Standing Rules Committee not only to attend to 'cleaning up' and rewriting relevant sections of Standing Rule 2 for structure matters, but also to pay particular attention to Section 4 (p. 256, 1997 Journal) concerning membership on more than one category at a time and language regarding terms of office." Mueller accepted the friendly amendment. Vote was taken, and the motion carried as amended.

Leighton Farrell moved "that debate on all legislative items that come before this session be limited to two speeches in favor and two speeches against, that the speeches be limited to two minutes each, that no person speak more than once, and that the question be called immediately following the speeches." Conference members were reminded that a two-thirds majority would be necessary to pass the motion. Vote was taken; the motion carried.

Board of Church and Society

Thalia Matherson, Chair of the Board of Church and Society, reported that "When the Church Speaks" packets had been provided for a representative from each local church to pick up in order that congregations might have the resources to undertake a study of the Social Principles in whatever way or ways would be helpful to them. The packets also contained a congressional directory and action guide. Matherson further reported that the video, "Protecting Our Youth -- A Faith Response to the Tobacco Crisis" was available in the Conference Resource Center.

Matherson moved approval of the "Mental Illness Resolution," as printed in the Conference Workbook. Tim McLemore moved an amendment "that wherever the words 'mental illness' occur, the words 'and brain disorders' be added with parentheses or commas." Matherson accepted the friendly amendment; the amended motion was then approved **[LA10]**.

Matherson next moved adoption of the legislative item regarding "The School of the Americas," also printed in the Conference Workbook. In introducing the legislation, Matherson noted that both the General Board of Church and Society and the Council of Bishops have gone on record as recommending that the School of the Americas be closed. Concerns were voiced from the floor: that information was available regarding only one side of the issue, that to delay passage of the resolution was to continue to participate in the shedding of innocent blood, currency of the data presented, and human rights content within the School's curriculum. Rene Lawson moved an amendment to the "Resolution" section of the legislation: "The North Texas Conference of The United Methodist Church would like to express its strong concern about the number of School of the Americas graduates who have committed crimes against persons. We recommend that the United States government and its leadership closely monitor the election process by U. S. embassy officials of candidates for the School and that all necessary adjustments be made to continually promote its original intention of establishing stability and democracy in Latin America." The amendment was seconded. A motion to amend the amendment by deleting the word "stability" from the last line was accepted by Lawson. Vote was taken on the amendment; it carried. Vote was then taken on the amended resolution; it was approved by a standing vote **[LA10]**.

Nominating Committee Ballot

Motion was made and seconded to suspend the Standing Rules. Bishop Oden reminded the conference that such action required a two-thirds vote. The motion carried. Motion was then made and seconded "that on the next ballot for the lay member of the Nominating Committee, the persons receiving greatest number of votes be considered elected." Bishop Oden reminded the conference that the motion required the division of the house, since only laity could vote for laity. The motion carried. There having been no elections, a third lay ballot and a third clergy ballot were taken. Judy Gilreath, Chair of the Committee on Nominations, clarified the order of clergy elections: the first to be elected would be for a four-year term; the rest, in descending length-of-term order.

Commission on Equitable Compensation

Jimmie Mobley, Chair of the Commission on Equitable Compensation, introduced the legislation on "Equitable Compensation Annual Determination" and noted that the apportioned request was being reduced from $47,500 to $45,000, while the minimum equitable salary was being raised to $26,600. Mobley moved approval of the report; the motion carried **[LA11]**.

Daily Bible study involved work in small groups.

Ken McIntosh presents Hong Kong banner to Bishop Oden.

Council on Finance and Administration
Report 2

Donna Whitehead, Chair of the Council on Finance and Administration, moved approval of the "Recommended Apportionments," as printed in the Conference Workbook. Bishop Oden noted that the budget is actually a statement of our mission and faithfulness. There were no questions; the vote was taken, and the budget was approved **[LA6]**. Whitehead expressed particular appreciation to the three outlying districts who paid 100 percent of their apportionments in 1997.

Resolution to Encourage the Study of Homosexuality

Charles E. Cox moved approval of the "Resolution to Encourage the Study of Homosexuality in the Churches of the North Texas Conference," signed by 14 persons, and distributed Monday morning. Chris Allen moved to amend the "Action" section of the resolution by deleting the following portion: "Further, each pastor and/or Lay Leader shall report at the 1998 Charge Conference as to how their church is fulfilling this challenge in the 1998-99 conference year. It is requested that the Bishop report to the 1999 Annual Conference on the churches' acceptance of this challenge, based upon the

reports received from the district superintendents." The amendment to delete was seconded and carried.

John Thornburg moved a substitute motion, "Resolution on Mutual Concerns Regarding Present Tensions in the Church." The motion was seconded. A motion was made and seconded to amend the substitute resolution to include the "Action" section of the original (Cox) resolution, as amended. Walter Zimmerman moved the question "on all that is before us;" the calling of the question carried by a two-thirds vote. The amendment to the substitute motion was defeated. Vote was then taken on the substitute motion; it carried. The substitute motion (Thornburg) became the main motion; it was approved:

"BECAUSE the Apostle Paul urges us to 'have this mind among yourselves, which is yours in Christ Jesus,' and
BECAUSE we are people who are called, like our movement's founder, John Wesley, to be people of one book, the Holy Bible, and
BECAUSE we are called in our being as United Methodist Christians to an ordered life, that order being defined by The Book of Discipline, and
BECAUSE the assumption that we make about how to be biblical Christians living an ordered life are different, and
BECAUSE there are widespread tensions in the connection regarding the Jimmy Creech trial and the issues surrounding it,

THEREFORE, BE IT RESOLVED that the members of the North Texas Conference, lay and clergy, gather on a voluntary basis within two to three weeks of the August 8 meeting of the church's Judicial Council. The meeting would be in a location as central as possible in the annual conference. The event would be planned by the Bishop and a task group of five persons appointed by him.

THE PURPOSES of the meeting would be:

— to have our bishop acquaint us with the latest developments in regard to the church's disciplinary stances on homosexuality, particularly as affected by any rulings of the Judicial Council;

— to hear from various perspectives in the conference concerning the implications of recent actions and statements regarding homosexuality and The United Methodist Church;

— to interact with one another in small group settings to hear one another and to seek to understand how we can act together as a biblically faithful and ordered community."

Procedures Regarding Sexual Misconduct

Lisa Wolcott presented the legislation in the Conference Workbook on "Procedures Regarding Sexual Misconduct." Eric Folkerth moved amendments to the resolution: under "Standards of Pastoral Conduct," to replace "misconduct of" with "allegations against;" under "Confidentiality and Reporting," to add "allegations of" to "when clergy sexual misconduct occurs," to replace "misconduct" with "allegations," to replace "offending" with "accused," to add "allegations of" to "reporting information about sexual misconduct," and to replace "judge" with "prejudge." Jim Bell moved to amend the motion by making district superintendents responsible for planning and organizing the training of clergy; the amendment was seconded but defeated. Vote was taken; and the resolution, adopted (for inclusion in the "Conference Policies" section of the Journal) **[LA12]**.

Nominating Committee Ballot

Conference Secretary Larry George reported the results of the clergy ballot for the Nominating Committee: Ouida Fae Lee and Clayton Oliphint were elected. Motion was made and seconded to

suspend the rules; motion carried by the required two-thirds vote. Motion was made and seconded to allow the clergy person receiving the highest number of votes on the next ballot to be considered elected; motion carried. George further announced that the laity had elected Tom Gulick.

Vision 2020 Comprehensive Plan is presented.

Theme and Logo: ***"Tell Me the Stories of Jesus"***

This design represents the image a child might create of Jesus or of him/herself as the child is told the stories of Jesus. That child is the child in all of us.

The different parts of the body are taken from different types of material, representing the church's being made up of many different types and colors of people all working together to make one body. It is not specifically male or female. The parts are irregular and rough around the edges ... much like us. The character is active, bright, freeform, and most importantly ... happy!

Episcopal Ruling

In accordance with ¶49 of the *1996 Book of Discipline* being Article VII of The Constitution of The United Methodist Church, Bishop Willilam B. Oden was requested in writing by a member of the annual conference during the regular conference business session to make a ruling on a question of law.

Question:

Does the definition, "*A self-avowed practicing homosexual is a person who engages in, and openly acknowledges, genital sexual behavior with another of the same sex*," adopted by the North Texas Conference in a special called Clergy Session on March 26, 1994 at Denton, Texas, meet the guidelines set by the Judicial Council of the United Methodist Church in Decision 722; and is it, therefore, legal?

Ruling:

The definition of a "self-avowed practicing homosexual" passed by the Clergy Session of the March 26, 1994 Special Session of the North Texas Conference, while helpful and instructive, is insufficient and does not meet Disciplinary guidelines.

Rationale:

While it is true that the footnote in ¶304.3 is editorial, and while it is clearly stated by Judicial Council Decision 480 that footnotes in the *Discipline* have the status or effect of law only to the extent that they cite law, there is another overriding consideration in this ruling.

While footnotes do not carry the force of law, Judicial Council decisions do carry such weight.

Decision 722 is the precedent ruling in which the Judicial Council said that the identity of the acknowledgment is very important. The ruling indicated that acknowledgment cannot be by hearsay or second person, but must be made directly to a bishop, district superintendent, member of the Board of Ordained Ministry, or clergy session. (Also see ruling 764.)

The North Texas definition does not in any way identify the persons or groups before whom the acknowledgment would take place.

NEW STRUCTURE FOR MISSION AND MINISTRY

FROM: CONFERENCE COUNCIL ON MINISTRIES

BACKGROUND: During the 1996-1997 conference year, the North Texas Annual Conference was engaged in a consultation process which led to recommendations to restructure the Annual Conference. As a part of this process, the Annual Conference Council on Ministries has spent 1997-1998 considering the best way to configure itself for effective mission and ministry within the new overall conference structure plan. The following legislation represents the results of that process:

LEGISLATION:

1. Add the following sections to Standing Rule 2:

Accountability Group

There shall be a standing committee known as the Accountability Group, whose purpose is to hold the conference accountable to being "the church which Christ has opened to people of all ages, nations, and races" and to ensure inclusive participation in the mission and ministry of the North Texas Conference. To this end, it shall advise the Conference Leadership Team on issues relating to their area of responsibility. The Accountability Group will be composed of a chair and twelve members, six of whom will be selected from the membership of the Conference Leadership Team, and six at-large members and a chair, nominated by the Conference Nominations Committee and elected by the Annual Conference. The chair will serve on the Conference Leadership Team but will not be selected from the membership of the Conference Leadership Team. Members of the Accountability Group shall serve the following advocacy roles and represent these issues before the Conference Leadership Team: Religion and Race, Status and Role of Women, Asian Ministries, Black Church, Native American Ministries, and Hispanic Ministries.

The responsibilities of the Accountability Group will include monitoring, education and advocacy roles as described in *BOD* ¶ 640, 641, 649 and 650. It will work with the Conference Leadership Team to ensure participation of a diversity of persons in the mission and ministry of the North Texas Conference. It will also work with the boards, task forces and programming teams to ensure the full and equal participation of a diversity of persons in the ministry and programs of the conference. It shall be able to form short-term task forces as needed to do the work of the group (i.e. monitoring, education, etc.). The Accountability Group will relate to the General Commission on Religion and Race and the General Commission on Status and Role of Women.

Creating Congregations Team

There shall be a Creating Congregations Team, whose purpose is to assist congregations, districts, and the annual conference in the ministry of establishing new groups, fellowships, and congregations in which persons may experience the grace of Jesus Christ, move toward membership in the United Methodist Church, and potentially constitute a United Methodist congregation.

The Creating Congregations Team shall be composed of a Chair (who shall serve as a member of the Conference Leadership Team) and twelve members, six of whom will be appointed by respective district superintendents. Six members and the Chair shall be nominated by the Conference Nominating

Committee and elected by the Annual Conference. One of the six will serve as the Chair of the Committee on New Church Properties.

The Creating Congregations Team will work with the Bishop and Cabinet who are responsible for starting new churches. The Team will be attentive to and address issues of ethnicity. The Team will be responsible for raising money for new congregations including, but not limited to, revising the current Visionary program and recommending appropriate monies from apportionments. Other responsibilities will include consulting with the Cabinet to provide conference resources for training, demographic data, consultants, salaries, and ministry monies.

The Committee on New Church Properties will be created as a standing task force of the Creating Congregations Team to advise local churches and the Creating Congregations Team with regard to property matters.

Equipping Disciples Team

There shall be an Equipping Disciples Team, whose purpose is to assist congregations, districts, and the annual conference in ministries of evangelism and discipleship growth through worship, education, children's ministries, youth ministries, young adult ministries, and all other ministries which seek to equip disciples for spiritual growth in the Christian life.

The Equipping Disciples Team will be composed of a Chair (who shall serve as a member of the Conference Leadership Team) and twelve members, nominated by the Conference Nominating Committee and elected by the Annual Conference. Standing Task Forces amenable to the Equipping Disciples Team shall include Summer Events and Campus Ministry. The members shall represent the following areas of ministry: 1) Summer Events Task Force Chair, 2) Family Ministries 3) Worship 4) Stewardship, 5) Evangelism, 6) Youth Ministries, 7) Young Adult Ministries, 8)Higher Education and Campus Ministry Task Force Chair, 9) Senior Adult Ministries, 10) Children's Ministries, 11) Spiritual Formation, and 12) Conference Lay Leader.

The responsibilities of the Equipping Disciples Team will be 1) to increase the numbers of persons engaged in worship, Bible study, spiritual formation, campus ministry, summer camps, human sexuality training events, small group ministries, and retreats as places where the nurturing part of the Church's mission best happens; 2) to increase the evangelistic passion and effectiveness of all our congregations toward the goal of every United Methodist being an evangelist for Christ; 3) to address the concerns of the small membership church as specified in ***BOD*** ¶ 642; 4) to address the concerns of persons of ethnic minority pursuant to the ***BOD*** ¶ 640.3 (d); and 5) to address the concerns of single adults. The Equipping Disciples Team will relate to the General Board of Discipleship and General Board of Higher Education and Ministry.

Sending Servants Team

There shall be a Sending Servants Team, whose purpose is to assist congregations, districts, and the annual conference in developing ministries that will allow us to serve God by serving others.

The Sending Servants team will be composed of a Chair (who shall serve as a member of the Conference Leadership Team) and eleven members, nominated by the Conference Nominating Committee and elected by the Annual Conference. Standing Task Forces amenable to the Sending Servants Team shall include: Volunteers in Mission, Global Ministries (the chair of which shall serve as Global Ministries Secretary, elected annually, ***BOD*** ¶631.3), Town and Country Churches Task Force, and Urban and Ethnic Churches Task Force. The members shall represent the following areas of ministry: 1) Health and Welfare R-epresentative; 2) Volunteers in Mission Task Force Chair; 3) Global Ministries Task Force Chair;

Grants shall be made by two entities: Town and Country Churches Task Force and The Urban and Ethnic Churches Task Force. Six district representatives shall assist in collecting applications, visiting applicant sites and representing these applications before the Task Force.

Goals and guidelines for grants will be submitted by the Town and Country Churches Task Force and Urban and Ethnic Churches Task Force to the Sending Servants Team for review, recommendations, and approval. After guidelines are established, grants will be approved by their respective Task Force. Twice each year each Task Force will submit reports of grants and how goals are being accomplished to the Sending Servants Team for further review and recommendations.

General Guidelines

Where required by the Discipline, a Standing Task Force may be established within a Team. Unless otherwise required, membership on a Standing Task Force shall be limited to a number appropriately necessary to carry out the ministry--conference staff will serve ex officio, without vote. Other short-term Task Forces may be established by Teams when need, crisis, or opportunity deem it advantageous and shall be representative of the diversity of the conference. Such task forces will require approval of the Conference Leadership Team to exist for more than 12 months. Task force members will be selected by the Teams and Group through the Nominations Committee pool, and/or upon recommendation of the District Superintendents, with attention being given to inclusiveness issues.

Budget recommendations to the Conference Leadership Team and oversight of approved budget expenditures for the various Task Forces shall be the responsibility of each Team. Task Forces shall be accountable to their assigned Team for expenditures and may make budget recommendations when appropriate.

VISION 2020

FROM: THE CONFERENCE COORDINATING COMMITTEE

LEGISLATION: The Conference Coordinating Committee of the North Texas Annual Conference moves that the Comprehensive Plan as approved become the missional priority for the North Texas Conference to the year 2020.

Further, that a Vision 2020 Committee be appointed by the bishop in consultation with the Conference Leadership Team and the Cabinet to plan and implement a capital funds drive in order to fulfill the vision of the Comprehensive Plan. The Vision 2020 Committee shall be empowered to set campaign goals, employ appropriate consultants, and give direction and set policy for the campaign. This committee shall be representative in matters of race, gender, lay-clergy balance, and age of its members.

ADDENDUM to VISION 2020: Guidelines for Proposed Capital Funds Campaign as requested by the Council on Finance and Administration

1. The Capital Funds Drive will not be done through apportionments.

2. The campaign will not publish "fair share" goals to be imposed on local churches.

3. The campaign will include solicitation of major gifts from individuals and foundations.

4. Individuals and congregations will be allowed to designate their contributions for a specific part of the campaign. However, the overall success of the campaign will depend on a balance of gifts and this will be aided by "undesignated" giving.

5. Local churches will be asked to study the *VISION 2020* plan and to develop their own goals with the assistance of campaign consultants, as well as a concrete plan for raising funds.

6. The *VISION 2020* video will be available for local church use through the Conference Resource Center and the district offices. A team of speakers will also be available to help interpret the plan to local church groups.

7. The disbursal of funds raised, as elaborated in the plan, will be the responsibility of the Conference Leadership Team, in consultation with the Creating Congregations Team, the Equipping Disciples Team, the Sending Servants Team or the Committee on Camp and Retreat Ministries as appropriate.

The complete plan is printed in Agency Reports, Section XIV.

FINANCE AND ADMINISTRATION

FROM: COUNCIL ON FINANCE AND ADMINISTRATION

BACKGROUND:

PREFACE

1997 was another very good year financially in the North Texas Conference! As a conference our apportionment payout was 96.4%. 285 out of 322 churches paid 100% and 54 churches made contributions to their district's Second Mile Fund to help others. The Paris-Sulphur Springs district, the Sherman-McKinney district, and the Wichita Falls district are especially to be commended for 100% payouts!

Total dollars received for apportionments in 1997 was $7,544,295.21, which was a 5.1% increase over 1996. Receipts for non-apportioned causes totaled $1,028,896.78, an increase of .04% over 1996. Our giving to all connectional causes was $8,573,191.99, an increase of $365,331.06 and 4.5% over 1996.

1997 saw an unprecedented financial action in the annual conference. All of the churches in the conference received a refund due to an oversight in computing the apportionments for the year! In 1996 the Council on Finance and Administration recommended and the annual conference approved a 1997 budget which included a credit of $106,000 from interest earnings on conference reserves and apportioned fund balances (*1996 Journal, p. 125*). However, the credit was not included when the apportionments were calculated and mailed to the churches. The Conference Treasurer and the Council believed this was a matter of integrity and trust, so the mistake was corrected.

The Council and the Conference Treasurer have worked hard to maintain an open and straightforward operating style. Great efforts have been made to provide clear and understandable financial reports. Monthly disbursements reports have been provided to other agencies of the conference. The Council takes seriously its fiduciary responsibility and is working with the agencies to insure faithful and effective stewardship of conference funds.

Again in 1998 the Council urges every church to take seriously its connectional responsibility to pay 100% of all apportionments, with 10% of the annual amount remitted monthly. Without doubt, monthly payment beginning in January or February is an important step in paying apportionments in full.

The *Discipline* states that Conference Claimants, the Episcopal Fund, the District Superintendents Fund, and equitable Compensation are apportioned funds which are to be paid on the same schedule as the pastor's salary is paid. The Cabinet joins the Council in urging each church to adhere to this mandate monthly.

All churches are also encouraged to make contributions to their District Second Mile Fund. This is a way to assist churches having difficulty paying their apportionments in full, thereby enabling 100% payment of the District's total apportionments. Our excellent record of apportionment payments in 1997 was achieved in part because of these funds.

INFORMATION

A. Fidelity Bond for Local Churches

Since 1985 the Council on Finance and Administration has purchased a fidelity bond policy to cover all persons authorized to handle local church funds in every church in the Annual Conference. In the unlikely event that a responsible person takes the church's money, the policy covers up to a $25,000 loss.

B. Ten-Year Profile of Apportionments vs. Local Church Expenditures

An analysis of apportionments in the North Texas Conference between 1987-1996 reveals that apportionments increased at a much slower pace than local church expenditures. During that time total apportionments increased 23.45% (General Conference = 47.20%, Jurisdictional Conference = 53.20%, Annual Conference = 13.92%, District Funds = 36.93%) , while local church operating expenditures on the decimal increased 39.88%. Total local church operating expenses increased 43.25% during the decade. Also noteworthy is the fact that the percentage of local church expenditures paid toward apportionments decreased from 12.64% in 1987 to 10.90% in 1996.

C. 1997 Profile of Apportionments vs. Local Church Expenditures

In 1997 the pattern of the previous decade continued dramatically. Total apportionments increased 2.99%, while local church operating expenditures on the decimal increased 8.42%. Total local church operating expenses increased 12.14%. The percentage of local church expenditures paid toward apportionments decreased to 10.01% in 1997.

D. 1999 Budget Recommendation

For many years the Council on Finance and Administration has considered the most recent statistics for local church operating expenses in determining the percentage of increase or decrease in the recommended apportionments that the Annual Conference sets for the upcoming fiscal year. In 1997 the local church operating expenses used in calculating each congregation's apportionments increased 8.42%.

Nevertheless, in a continuing effort to hold down apportionments and maximize the funds available for use in the local churches, the Council's recommendation for the 1999 conference budget is a 2.4% increase over the 1998 budget.

This budget does not include approximately $440,000 which will be apportioned for district budgets. The exact amount of these budgets will be voted on in District Conferences in May, 1998. 1997 District

financial statements and 1999 District budgets will be included in the 1998 Conference Journal.

E. Fund Balances

In its ongoing effort to be responsible in budgeting, the Council has considered balances in the various apportioned funds at the end of 1997. In addition to a designated "Conference Reserve Fund" of $486,054.66, apportioned funds carried forward from 1997 to 1998 totaled $572,227.23. This is a decrease from $790,265.38 at the end of 1996. It should be noted that this reflects an intentional "spending down" of the fund balances by some conference agencies at the request of CF&A. In addition, $2,124,701.44 of non-apportioned funds were also carried forward from 1997 to 1998.

F. Apportionment Shortfall

Although the North Texas Conference should celebrate consistently finishing in the top 10 of all annual conferences in the denomination in apportionment payout, the Council realizes the difficulty caused to conference and agency budgets because we have not yet reached 100% payout. While continuing to encourage local churches to participate in their district's Second Mile Fund, the Council has begun to consider other ways of addressing the discrepancy between expense budgets and apportionment receipts.

Although some conference agencies have intentionally "spent down" beginning fund balances at the request of CF&A, it must be noted that conference expenses have exceeded income the last two years. In 1997 total apportioned fund expenses exceeded apportionment receipts by almost $220,000. Clearly, such a practice of deficit spending cannot continue. The Council believes that fund balances should not be further reduced.

In 1999 the Council will discontinue the practice of the last two years of crediting conference investment earnings to the local churches and hold these funds as an Apportionment Shortfall Fund. This is a first step toward addressing this issue and the Council will continue to monitor it carefully.

G. Insurance Subsidies

The Council joins the Commission on Insurance in recommending (1) that beginning in 1999 the Total Compensation figure instead of the Pension Plan Compensation figure be used as the basis for eligibility for appointees and dependents to receive insurance subsidies and (2) that the conference begin a Medicare HMO plan as the base plan for our retirees effective July 1, 1998. (See Legislative Action in Commission on Insurance report.)

H. Unfunded Pension Liability

The Council on Finance and Administration and the Board of Pensions are pleased to report that a plan is now in place to complete the funding of our unfunded pension liability for pre-1982 service by 2011. This plan should not require any further increases beyond the current $1.7 million annual payment level. In fact, as a result of the strong stock market and exceptional growth in our deposit account, this obligation could be fulfilled even sooner.

RECOMMENDATIONS FOR LEGISLATIVE ACTION

I. AUDITOR FOR THE CONFERENCE TREASURY

The council recommends McGee, Haza & Co. as the auditing firm for the Conference Treasury in 1998.

II. SALARY, BENEFITS AND EXPENSES FOR SUPERINTENDENTS AND DIRECTORS

In keeping with the conference's desire to address the pre-1982 pension liability, the compensation for district superintendents and directors has remained the same for the last 3 years. The Council on Finance and Administration recommends that the salaries for superintendents and directors (Director of Administration & Treasurer and Director of Professional Ministries) be increased in 1999 to $66,257 from $63,102, an increase of 5.0%

Parsonages are provided in the six districts. Utilities, travel, and expenses are to be reimbursed by voucher. The housing allowance for the Director of Administration & Treasurer and the Director of Professional Ministries in 1999 is recommended to be $17, 226, an increase of 5.0% from $16,406.

NOTES TO RECOMMENDED APPORTIONMENTS

(1) The 1998 budget adopted by the 1997 annual conference has been adjusted to the categories being proposed for 1999 for comparative purposes. The total amount remains the same as approved

(2) This includes $83,600 of former Council on Ministries funds and $98,767 of former Church Extension funds for "New Church Starts".

(3) This increase includes an additional $38,175 to enable expansion of Hispanic Ministries requested by COM and $66,233 to return "New Church Starts" from Church Extension to its 1997 level. This is one of the three priorities being proposed for the annual conference.

(4) The Equipping Disciples Team will also have responsibility for the Texas Methodist Colleges apportionment and the Campus Ministries apportionment.

(5) This includes $15,000 additional for maintaining the conference web page requested by the Commission on Communications.

(6) This increase reflects a 6% increase in salaries for campus ministers.

(7) This is contingent upon the annual conference adopting the recommendations from the Commission on Insurance to begin a Medicare HMO plan as the base plan for retirees and to use the Total Compensation figure instead of the Pension Plan Compensation figure as the basis for eligibility for appointees and dependents to receive subsidies.

(8) The increase will fund the completion of the much-needed heating/air conditioning unit in Martin Hall at Bridgeport. (The A/C will be done this spring and the heating and computerized control system completed in early 1999.) This is also one of the priorities being proposed for the annual conference.

(9) GCFA contributes an additional $19,000 out of the Episcopal Fund.

(10) The addition is to budget the expenses of the Conference Secretary and the Conference Statistician, which were previously paid out of investment earnings.

(11) The actual cost of the 1997 annual conference session was $30,268.42. The projected cost of the 1998 session is $28,200.

(12) This represents a 5% increase in 1999 over actual expenditures in 1997.

(13) The Board of Trustees requests this amount be set aside in a major maintenance fund because the Trust Fund which they had been using for this purpose is expected to be depleted by 1999.

(14) The Journal was previously paid out of investment earnings and must be included in the expense budget if we are to continue including the investment earnings in the anticipated income budget.

(15) This is a 6% increase, which is intended to allow 1% for "catch-up" in previously formulated benefits increases and to make available a total of 5% for staff salary increases. No increases were granted in 1998.

(16) These figures are based on actual expense figures and calculated future costs.

(17) This is a 5% increase.

(18) This is in response to the priority of urban ministry being proposed for the annual conference. The plan is expected to call for the use of additional Equitable Compensation funds in this area.

IV. RESOLUTION TO GENERAL COUNCIL ON FINANCE AND ADMINISTRATION

FROM: COUNCIL ON FINANCE AND ADMINISTRATION

BACKGROUND: The 1995 audits of Boards and Agencies of the United Methodist Church reveal an increase of over $142 million in church fund balances, including reserves, from the end of the previous quadrennium. The 1996 audits reveal yet more increases in fund balances. Some Boards and Agencies have tremendous financial resources while others do not.

LEGISLATION: The North Texas Conference will send the following resolution to the General Council on Finance and Administration and to all members of the Council of Bishops:

"The North Texas Conference affirms and supports the work being done by the General Council on

Finance and Administration in studying the fund balances of all United Methodist Boards and Agencies, and their intention to take such fund balances into account in the budgeting and apportionment process for the next quadrennium. The Conference also affirms the efforts of the Council to provide fiscal accountability to the entire church, and encourages the Council to make a report on such balances both to the Financial Administration Legislative Committee and to the Plenary Session of the next General Conference so that voting delegates may have a better understanding of the finances of the UMC."

GUIDELINES FOR COMPUTATION OF 1999 APPORTIONMENTS FOR LOCAL CHURCHES

A. Formula for Two-Part Decimal:

1/3 membership and 2/3 finance

B. Procedure for Computation of Decimal for Each Church:

The membership part is computed by dividing the total 1997 church membership of the Annual Conference (less discontinued churches and fellowships = 150,935) into the 1997 membership of each church. This becomes the church's membership decimal.

The finance part is computed by adding the amounts of the operating expenses reported paid by each church in columns 61b, 62b, 63a, 63c, 64a-d, 65a-b and 66-69 of the 1997 Statistician's Report. (No funds reported in other statistical columns are included in this computation.) This total is then divided by the Conference total of these same columns (less discontinued churches and fellowships = $41,727,536). This becomes the local church's finance decimal.

The finance decimal is doubled. The membership decimal is added to the doubled finance decimal. This total is divided by three to become the apportionment decimal.

C. Procedure for Computation of Apportionments for Each Church:

The apportionment decimal for each church is multiplied by the Conference total of each apportionment to determine the amount that church is asked to pay toward the apportionment. The only exception is the District Administration Fund Apportionment which is at the present time computed on the basis of the district decimal.

D. Margin for Correction:

To assure that 100% of the amount of each apportionment will be distributed to the churches, no more than one quarter of one percent may be added to each apportionment when needed.

RECOMMENDED GOALS TO LOCAL CHURCHES

A. That local churches accept the challenge to grow in spiritual strength by designating no less than 25% of their total annual budgets for causes beyond their local churches.

B. That local churches plan to remit at least 10% of their annual apportionments before the 15th of each month beginning in January or February.

C. That apportionments be given first claim by local churches in their beyond-the-local-church payments with advance specials and other benevolences viewed as second-mile giving.

D. That local churches assist in achieving 100% payment of all apportionments for connectional ministries and missions in every district through voluntary contributions to the District Second-Mile Apportionment Fund.

MEDICARE HMO PLAN FOR RETIREES

FROM: COMMISSION ON INSURANCE

BACKGROUND: Health insurance for retired ministers and spouses of the North Texas Conference continues to be provided through the HealthFlex program of the General Board of Pension and Health Benefits of The United Methodist Church. The conference currently pays 50% of the cost of a Medicare Supplement plan for our retirees and their spouses.

The health insurance industry continues to change. The cost of health care continues to rise. Our society is moving more and more toward managed care.

The cost of our current Medicare Supplement plan has continued to rise. In 1997 the premium was $135 per person per month, in 1998 the premium is $185 per person per month, and the premium for this program will be $202 per person per month in 1999. This year the additional insurance premium withheld from the pension checks of our retirees exceeded the amount of increase in their pensions. These escalating costs are also having a substantial impact on the conference budget. In 1997 the annual conference paid $260,801 for retirees' insurance premium supplements against a budget of $230,000 and apportionment receipts of $225,792. In 1998 the 37% increase in premiums mentioned above resulted in an increase in the conference budget for this item to $347,000. If the current plan is continued, the retirees will have to bear another 9.2% increase in 1999 and the conference budget for 1999 will have to be increased to $382,000.

Leaders of the Retired Ministers Group asked the Commission on Insurance to consider the possibility of a Medicare HMO like those advertised in the newspapers and on television because of their escalating premium costs. CF&A urged the Commission to explore all options to bring the escalating costs to the conference for this benefit under control. The Commission has worked closely with the General Board of Pension and Health Benefits, as well as with leaders from the Retired Ministers Group, to consider all possible plan designs and vendors. United HealthCare's Medicare Complete HMO has been selected to become the base plan for retirees and spouses living in the Medicare Complete service area, which includes the counties of Dallas, Rockwall, Kaufman, Denton, Collin, Grayson, Tarrant and Ellis.

In addition to substantial cost savings to both individual participants and the conference, benefits of the Medicare Complete HMO plan design include:

- $5 office copay - no paperwork
- freedom of choice of doctors in the network - do not need a referral to see a specialist
- doctors make the decisions regarding care of the participant
- freedom to move back to the Supplement plan at any time
- unlimited retail and mail order prescriptions for all medications approved by FDA - no deductible and lower prescription copay than with current plan
- same health care provider (United HealthCare) that currently covers the retirees and spouses

The Commission and staff have worked hard to communicate with our retirees and spouses about this proposed change. A series of workshops were held for those in the network service area. An Information

Center staffed by representatives of the conference Office of Administration, the General Board of Pension and Health Benefits, and United HealthCare will be available at annual conference.

Rates for this proposal are as follows:

CURRENT PLAN (January -June 1998):

Medicare Supplement premium	=	$185.00 per person per month
50% paid by retiree	=	$ 92.50
50% paid by conference	=	$ 92.50

PROPOSAL:

Live in service area: (Dallas, Rockwall, Kaufman, Denton, Collin, Grayson, Tarrant, and Ellis counties)

Medicare Complete HMO premium		
July 1998 - 1999	=	$ 50.00 per person per month
50% paid by retiree	=	$ 25.00
50% paid by conference	=	$ 25.00
"Buy up" Medicare Supplement premium		
July - December 1998	=	$185.00 per person per month
Paid by retiree	=	$160.00**
Paid by conference	=	$ 25.00
January - Dec. 1999	=	$202.00 per person per month
Paid by retiree	=	$177.00**
Paid by conference	=	$ 25.00

**It is an underwriting requirement of the HealthFlex plan that the cost differential paid by retirees for the Medicare Supplement plan when the Medicare Complete HMO plan is available to them be structured to avoid adverse selection (i.e., participants who are ill choose the supplement and participants who are healthy choose the HMO). If adverse selection in the network service area occurs, the premium cost for retirees who live out of the network area (and do not have access to the Medicare HMO) will escalate unbearably.

Live out of service area:

Medicare Supplement premium		
Currently (Jan. - June 1998)	=	$185.00 per person per month
50% paid by retiree	=	$ 92.50
50% paid by conference	=	$ 92.50
July - Dec. 1998	=	$185.00 per person per month
35% paid by retiree	=	$ 65.00
65% paid by conference	=	$120.00
January - Dec. 1999	=	$202.00 per person per month
35% paid by retiree	=	$ 71.00
65% paid by conference	=	$131.00

If this proposal is adopted, the 1999 Insurance Subsidies Budget will be:
Retirees = $230,000

If it is not adopted, the 1999 Insurance Subsidies Budget will be:
Retirees = $382,000

LEGISLATION: The conference will begin the United HealthCare Medicare Complete HMO plan as the base plan for retirees and spouses effective July 1, 1998.

INSURANCE SUPPLEMENTS FOR APPOINTEES AND DEPENDENTS

FROM: COMMISSION ON INSURANCE

BACKGROUND: In 1990 when the annual conference shifted the responsibility for funding our clergy's health insurance from the apportionments to the salary paying units, a policy was adopted to provide supplements to those pastors whose compensation was below the Denominational Average Compensation. This was understood to be a "safety net" for those pastors and churches where this change would create a situation of need. Some remember this as being a three year policy, although written records to that effect have not been found.

The policy is still in effect in 1998, in spite of the fact that some churches and pastors do not realize that they are receiving such a supplement. Moreover, a situation has arisen which has increased the amount paid for this subsidy. In 1997 $73,206 was paid for appointee supplements against a budget of $50,000 and apportionment receipts of $47,091 and $55,631 was paid for dependents supplements against a budget of $25,000 and apportionment receipts of $24,743.

Following the appeals court ruling in the Weber case in 1995 in which United Methodist clergy were ruled to be employees rather than self-employed for federal income tax purposes, it became advantageous for our clergy to have Accountable Reimbursement Plans for business expenses. While the creation of this legal tax-saving vehicle is to be encouraged, when combined with the other appropriate ways clergy break down their compensation packages, it often has had the effect of causing a substantial difference between the figures for Pension Plan Compensation and Total Compensation. Pension Plan Compensation (base compensation + housing factor) is the figure on which our current insurance supplement policy for actives is based. If a pastor's Pension Plan Compensation is below the Denominational Average Compensation, the church that person serves is subsidized by the conference for the appointee's premiums and the pastor is subsidized for dependents' premiums.

At least two things are apparent: (1) In 1997 the conference subsidized 104 of 325 churches and fellowships. Subsidizing nearly 1/3 of the churches in the conference would seem to be beyond the scope intended in the original legislation. (2) One can't help but be surprised by some of the churches on the list. This appears to be due to the above-mentioned gap that has developed between the Pension Plan Compensation figure and the Total Compensation figure.

The Commission on Insurance and the Council on Finance & Administration believe that the time has come to change to a policy based on need and requiring a personal application for any insurance supplement. At present the Office of Administration is simply carrying out the formula and not making any decisions as to the presence of need. The Commission recommends that the application be made to the district superintendent who would apply a set of guidelines provided by the Commission on Insurance and make a personal decision as to whether a supplement is appropriate.

The Commission on Insurance recommends changing to using the Total Compensation figure (base

compensation + utilities, travel, accountable reimbursement plan, other + housing factor) as the basis for determining any subsidy instead of the Pension Plan Compensation figure (base compensation + housing factor). This change will more accurately reflect the true need of our participants. Our desire is to continue to provide the "safety net" for those in need.

In 1998 this change, without personal considerations, would have resulted in appointee supplements for 46 churches ($47,016) and dependents supplements for 21 pastors ($26,888). This may be compared with supplements awarded to date in 1998 for appointee supplements for 89 churches ($66,348) and dependents supplements for 52 pastors ($43,928). (It is anticipated that additional 1998 supplements will be awarded after pastoral changes occur in June.)

If this proposal is adopted, the 1999 Insurance Subsidies Budget will be:

Appointees = $52,000
Dependents = $30,000
$82,000

If it is not adopted, the 1999 Insurance Subsidies Budget will be:

Appointees = $77,000
Dependents = $60,500
$137,500

LEGISLATION: Health insurance supplements for appointees and dependents whose compensation is below the Denominational Average Compensation will be based on Total Compensation beginning in 1999 (instead of Pension Plan compensation). Additionally, for 1999 and thereafter local churches must submit an annual application signed by the Pastor (Staff)-Parish Relations Committee chairperson and the Administrative Council/Board chairperson for appointees supplements and pastors must submit an annual application for dependents supplements to their district superintendent. Superintendents will be provided a list of guidelines for approving these applications by the Commission on Insurance.

RELATIONSHIP CHANGE BETWEEN THE NORTH TEXAS CONFERENCE AND THE UNITED METHODIST COMMUNICATIONS COUNCIL OF TEXAS AND NEW MEXICO INC.

FROM: TRUSTEES OF THE UNITED METHODIST COMMUNICATION COUNCIL OF TEXAS AND NEW MEXICO, INC.

BACKGROUND: Trustees of the United Methodist Communications Council of Texas and New Mexico Inc. approved the following actions in February and submitted them to the **North Texas Conference** for ratification. Article V of the corporate constitution says the council and its subsidiary parts may not be sold, transferred or terminated except by vote of two-thirds of the seven annual conferences that own the corporation.

- **Action 1** authorizes transfer of ownership of ***The United Methodist Reporter*** from the United Methodist Communications Council of Texas and New Mexico Inc. to an autonomous non-profit corporation affiliated by covenant with the seven annual conferences of Texas and New Mexico. The covenant will provide for representation from the seven conferences on the new corporate board. No funds will be exchanged in this transfer.

- Action 2 allows the current United Methodist Communications Council, a non-profit Texas corporation wholly owned by the seven United Methodist annual conferences of Texas and New Mexico, to be dissolved following the transfer of ownership of ***The United Methodist Reporter*** to another body.

Discussion of Action 1

Transferring ownership of ***The United Methodist Reporter*** from the Communications Council to an autonomous, church-related corporation wouldn't change the day-to-day working relationships between the newspaper and its customers. The transfer would eliminate any **North Texas Conference** liability for UMR actions or debts. At present the newspaper is published by the Communications Council. The council is "wholly owned by the seven annual conferences of Texas and New Mexico." Consequently, each owner conference could be party to any lawsuit involving the newspaper operation. In addition, each conference could be ordered to pay judgments against the newspaper under the principle of ascending liability.

Most church-related institutions, such as the Methodist Children's Home in Waco and the Methodist Mission Home in San Antonio, are already autonomous corporations affiliated by covenants. The covenant being developed for the newspaper would give current owner conferences representatives on the new corporate board. That board would protect the integrity of the newspaper ministry.

Discussion of Action 2

Dissolving the Communications Council would eliminate a corporate entity no longer needed to advance the ministries of the seven conferences. The council now has only one operating unit, ***The United Methodist Reporter***. From 1969 to 1984, council subsidiaries handled media relations for the church in Texas, produced special publications and fund-raising materials for church agencies, sold audiovisual equipment to congregations and operated a satellite TV service as well as published a weekly newspaper. Since 1984 the council has discontinued all operating units but ***The United Methodist Reporter***. The last to close was the Office of Conference Services in 1995. Council trustees have determined that the seven conferences can handle the cooperative services done by that office--including legislative liaison in Austin for the five bishops of Texas--through informal networking rather than a formal corporate structure.

LEGISLATION: Approval by the North Texas Conference of Actions (1) and (2).

Provided further, that all retired Bishops who presided over such patronizing Annual Conference and all former presidents of Methodist Children's Home Board shall serve as members, ex-officio, of the Board of Directors of Methodist Children's Home with full privilege of attendance and debate at all meetings, but without vote. Provided also, that any former Director or Director At-Large may be elected by action of the Board of Directors to either an honorary or advisory membership upon the Board or to membership upon any standing committee of the Board without tenure limitations.

III. RELATIONSHIP

Methodist Children's Home is related through a common religious heritage and a common commitment to Christian service to the North Texas Conference. The Conference, recognizing this shared commitment, annually authorizes and promotes a special offering in each local church for the support of Methodist Children's Home. The Conference assumes no other financial responsibility for Methodist Childrens Home. In return for the encouragement of financial support for Methodist Children's Home by the Conferences, the Home submits an annual audit to the Conference. Any time a gift is given directly to Methodist Children's Home and the gift is designated for credit to a local church, Methodist Children's Home shall forward notices to the Conference treasurer's office to ensure proper recording of the gift.

The Conference supports the mission of Methodist Children's Home by designating and electing directors to Methodist Children's Home Board of Directors. The Board governs and manages Methodist Children's

Home on the basis of Methodist Children's Home's best interest. The Conference does not exercise any ownership or control over Methodist Children's Home and does not accept any legal or financial responsibility, other than the above-mentioned special offering, for Methodist Children's Home.

To keep the Conference informed about the Methodist Children's Home activities, Methodist Children's Home presents an annual report at the Annual Conference to be published in the Conference Journal, provides updates and presentations at conference and district meetings, prepares appropriate news releases, publishes the Sunshine Monthly magazine, and encourages tours of Methodist Children's Home facilities by local church groups and appearances in local churches by Methodist Children's Home staff members and residents.

Methodist Children's Home seeks accreditation of its program by outside accrediting bodies in order to assure the Conference of the quality of its program. Should Methodist Children's Home be dissolved, the assets would be distributed as set forth in the Distribution of Assets on Dissolution in **ARTICLE TWELVE** of the By-laws of Methodist Children's Home, revised, April 1998, as follows:

> In conformity with the provision of **ARTICLE NINE** of the Articles of Incorporation of Methodist Children's Home, all assets of the corporation are pledged for use in performing the corporations's charitable functions, and upon discontinuance of the corporation by dissolution or otherwise, the assets that remain after the satisfaction of all liabilities and obligations shall be divided proportionately among the Annual Conferences of the United Methodist Church that are patronizing Annual Conferences of Methodist Children's Home as the time such distribution is made, and are also recognized as charitable organizations under Section 501(C) (3), Internal Revenue Code of 1986, as amended, such distribution to be based upon the membership of each conference at the last annual report preceding the dissolution. Any assets so distributed shall be dedicated for use by each patronizing Annual Conference for the charitable care and ministration for children. Provided, however, that if any patronizing Annual Conference is not, at the time of such distribution, an organization that is qualified as a charitable organization under Section 501(C) (3), Internal Revenue Code of 1986, as amended, then its share of such assets shall be distributed to one or more charitable organizations recognized under Section 901(c)(3), Internal Revenue Code of 1986, engaged in child care or ministration and affiliated with the United Methodist Church.

THE SCHOOL OF THE AMERICAS -AMERICAN TRAGEDY

FROM: BOARD OF CHURCH AND SOCIETY

BACKGROUND: At the 1997 North Texas Annual Conference, the Board of Church and Society was asked to address this matter through study and action and bring a progress report to the next session of annual conference.

HISTORICAL PERSPECTIVE: The School of the Americas, established in 1946 under the guise of promoting stability in Latin America and the Caribbean, was originally based in Panama. With the renegotiation of the Panama Canal Treaty in 1977, the School of the Americas moved to Fort Benning, Georgia where it currently operates with the financial support of the United States government. The school trains nationals from Latin and South America and the Caribbean in military operations. Colonel Stephen E. Keeling, in charge of instruction at the School of the Americas and a member of St. Luke's UMC in Columbus, stated that "We teach basic soldier skills, humanitarian operations such as destroying land mines, civil affairs, training management, border observations and medical courses". However, not everyone agrees with this statement.

While the United States government insists that the School of the Americas is essential to training foreign nationals in military operations the North Texas Conference Board of Church and Society is asking delegates to the 1998 Annual Conference to consider the following points and subsequently approve the board's resolution to close the School of the Americas. Graduates of the School of the Americas have been heavily involved in atrocities, assassinations, and torture. Specifically,

1. Two of the three officers cited in the assassination of Archbishop Ocar Romera are school of the Americas graduates, including death squad founder and leader Roberto E'Aubuisson.

2. Three of five officers cited in the rape and murder of four U.S. churchwomen are School of the Americas graduates.

3. Ten of twelve officers cited as responsible for the massacre of nine hundred civilians at El Mozoto, are School of the Americas graduates.

4. Nineteen of twenty-six officers cited in the November, 1989 murder of six Jesuit priests, their housekeeper, and her daughter are School of the Americas graduates.

5. The top three Peruvian officers convicted in February, 1994 of murdering nine university students and a professor are all School of the Americas graduates.

6. Former dictator General Manual Noriega, currently serving forty years in a U.S. prison for drug trafficking is a School of the Americas graduate.

7. School of the Americas graduate Leopoldo Galtieri headed Argentina's military junta during a period in which thirty thousand people were killed or disappeared.

8. More than 100 of the 246 Colombian officers cited for war crimes by the international human rights tribunal in 1993 are graduates of the School of the Americas.

The North Texas Conference Board of Church and Society presents the following to the general membership of the North Texas Conference of the United Methodist Church for their consideration and adoption.

RESOLUTION: The North Texas Conference of the United Methodist Church affirms that all humanity is entitled to a peaceful and harmonious existence with all peoples of the world and that any entity or organization formed for the purpose of denying these rights shall be condemned by the North Texas Conference of the United Methodist Church. The North Texas Conference of the United Methodist Church recommends that the United States government assume a leadership role in providing military training to the civilized societies of the world by demonstrating that militaries exist to protect and serve citizens, not to destroy and terrorize them. The North Texas Conference of The United Methodist Church would like to express its strong concern about the number of School of the Americas graduates who have committed crimes against persons. We recommend that the United States government and its leadership closely monitor the election process by U. S. Embassy officials of candidates for the School and that all necessary adjustments be made to continually promote its original intention of establishing democracy in Latin America.

EQUITABLE COMPENSATION ANNUAL DETERMINATION

FROM: COMMISSION ON EQUITABLE COMPENSATION

BACKGROUND: Annual determination of Equitable Compensation Fund

LEGISLATION: The budget for the Commission on Equitable Compensationfor Conference Members and Full Time Local Pastors: The Commission on Equitable Compensation requests that minimum equitable compensation support and administrative expenses be apportioned at $45,000 for 1999.

I. Guidelines for Conference Members and Full-time Local Pastors.

A. Commission on Equitable Compensation requests that $26,600 be set for the minimum equitable compensation for 1999.

1. Minimum equitable salary (including base, utilities, amount for vouchered travel reimbursement, dependent premium payments made on behalf of the local church, dependent premium supplemental payments made at the discretion of the District Superintendent, and other subsidies received) for active members of the North Texas Conference serving full time is $26,600.

2. Adjustments for years of service:

Years of Service	Equitable Compensation Amounts
0-5	$26,600
6	26,700
7	26,800

8	26,900
9	27,000
10	27,100

3. Compensation for additional churches on a charge:

   Each charge with more than one church shall receive $200 additional for the second church and $100 each for third through fifth additional churches.

4. Recommendation for housing, utilities, travel and pension expenses:
   (1) Housing - Housing shall be provided in a church owned parsonage or provided for with a monthly allowance.
   (2) Utilities shall be provided with payments made by the local church or reimbursed when paid by the pastor.

   (3) Travel shall be reimbursed at the IRS rate with appropriate records and documentation provided to the church. The local church may opt to provide a monthly travel expense allowance.

5. Local Pastors serving full time:
   Five years or less $20,600
   Six years or more 22,300

   Expense recommendations same as above.

B. The following policies are proposed to the North Texas Annual Conference for the distribution of equitable compensation assistance in 1999:

1. A local church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches whose pastors receive salary subsidy should be open to linkage with other churches in order to efficiently utilize the service of full time conference members to reduce the need for subsidy.

2. Equitable Compensation levels can best be met when appointments are open to all ministerial members without regard to race or gender. We continue to urge every conference member to make the subject of a fully open Conference and adequately supported ministry at the local church level a matter of daily personal prayer. Only as the love of Christ dwells in us can an Annual conference be a communion of caring persons.

3. Growth in stewardship should be achieved by all below-minimum remuneration churches. In making application for salary supplement, District Superintendents are to provide evidence of stewardship education and growth to the Commission on Equitable Compensation.

4. Tenure payments are designed to honor the years of service of pastors who continue for more than five years in ministry to below minimum compensation charges because of the needs of the Conference. The Bishop and the Cabinet are urged to make every effort to move pastors to above-minimum compensation charges within five years after they begin full-time service.

5. Applications for salary subsidy to the Commission on Equitable Compensation are to be made by the District Superintendent of forms provide by the Commission, and completed applications must be approved by the Commission in session or by no less than two of the three members of the Executive Committee on the Commission.

6. The Charge conference of any charge unable to pay the minimum salary set by the conference shall be informed by the District Superintendent of the guidelines for receiving equitable compensation assistance. The Charge shall be informed of the amount required to bring the compensation level up to minimum and shall be challenged to move toward the goal of full self-support at the earliest possible time. On a form which shall accompany the applications for salary assistance, the District Superintendent shall certify to the Commission that the charge has been duly notified. The amount of subsidy granted to a pastor shall be acknowledged annually at the Charge Conference.

7. Equitable compensation assistance is not available to pastors serving as associate pastors or in staff positions other than pastor-in-charge. In order that such person receive an equitable wage, however, the Commission recommends that local churches use Conference minimum standards as minimum guidelines to setting associate and staff salaries.

8. The Commission on Equitable Compensation will not consider requests for salary supplement where housing allowance exceed $7,200.

9. Pastors who decline an appointment which would reduce or eliminate compensation support are ineligible for equitable compensation supplement given for years of service.

10. Equitable compensation assistance is not available for a North Texas Conference member appointed to serve in another Annual Conference, nor is it available to members of other Annual Conferences serving under appointment in the North Texas Conference.

11. There shall be no lump sum payments to persons receiving equitable compensation assistance unless such sums are too small for monthly payments to be made.

12. It shall be the responsibility of the pastor receiving equitable compensation subsidy to inform the Commission of any increase in remuneration or any changes in eligibility which occur after an application for equitable compensation has been approved.

EXCEPTIONAL REQUESTS BY CABINET

All request for exceptional support (assistance requested by the Cabinet in excess of 25% maximum) shall be submitted in writing. The request shall include the amount of assistance requested, length of time for assistance and reason(s) for exceptional request. Such a request shall be submitted (on a form prescribed by) to the Commission and signed by the Chair of Cabinet.

XII. CONFERENCE POLICIES

The following conference policies, instituted in previous years, are reprinted for the convenience of conference members. Dates and page numbers found in the brackets [ ] reflect the *North Texas Conference Journal* in which the original policies were last updated. (*Certain minor editorial changes have been made to make the guidelines stylistically consistent.*)

LEGISLATION

The following items were implemented by the vote of the conference members present and voting in the year when each was adopted.

1. LAY-CLERGY EQUALIZATION

[1984, p. 222]

The following formula is the procedure used to determine the number of lay and clergy members of the Annual Conference.

FORMULA

1. Subtract the total number of lay members prior to equalization from the total number of clergy members. The remainder is the Lay Equalization Factor (LEF).

2. Compute the District Membership Percentage (DMP). If a district has more lay members than clergy members prior to equalization, subtract the number of local church members in this district from the total of local church members for the Annual Conference. Such a district will not enter into the computation of the District Membership Fraction.

Next, for districts that have fewer lay than clergy members, divide the total number of local church members in each district by the adjusted total number of local church members in the Annual Conference (as determined above). This quotient is the District Membership Percentage.

3. Subtract the number of lay members of the Annual Conference required by *The Book of Discipline* (1980 edition, paragraph 36) from the Lay Equalization Factor.* The remainder is the Adjusted Lay Equalization Factor (ALEF).

* Lay members required by the *Book of Discipline*:

+ Conference President of United Methodist Men
+ Conference President of United Methodist Women
+ President of Conference Youth Organization
+ Two young persons under twenty-five years of age from each district
+ Conference Lay Leader
+ District Lay Leaders

These persons shall be elected to the lay membership of the Annual Conference by the District Section.

4. Multiply the Adjusted Lay Equalization Factor by the District Membership Percentage. The product is the District Adjusted Lay Equalization Factor (DALEF), (i.e., the number of additional lay members to be elected by the District Sections to effect lay/clergy equalization.) If a district already had more lay members than clergy members, it will not be included in calculating the District Adjusted Lay Equalization Factor.

5. The date for computing the Lay/Clergy Equalization shall be January 1. The number of additional lay

members to be elected for equalization will be promptly forwarded to the Board of the Laity to allow it to prepare a list of possible additional lay members to be presented to the first District Section meetings.

6. If the actual number of clergy in the Conference increases after January 1, the Lay Leader of a district in which the imbalance occurs shall select a lay member(s) from within the district to equalize the increase of clergy members.

7. If this formula fails to compute the exact number of additional lay persons per district to offset the clergy of the Conference due to calculations made using fractions of a per cent, the Board of the Laity shall be authorized to correct the imbalance through negotiation.

8. So that a district that has more lay members than clergy prior to equalization may elect additional lay members in its District Section, a courtesy rearrangement of the number of lay members to be elected may be made by the Board of the Laity after the District Adjusted Lay Equalization Factor has been determined.

2. CLERGY VACATION STANDARDS

[1974, p. 105]

Minimum Vacation Standards for the Professional Ministries Personnel of the North Texas Annual Conference:

Method of Calculation

The vacation due is calculated according to the number of years of service using the following formula:

1 - 4 years of service --- two weeks	(two Sundays)
5 - 9 years of service --- three weeks	(three Sundays)
10+ years of service --- four weeks	(four Sundays)

Further Guidelines

The following points are made in explanation of the above:

1. "Years of Service" shall be determined by years served as a full-time, ordained United Methodist minister or as a full-time, consecrated lay worker [*Editor's note: consecrated lay worker = diaconal minister*].

2. The length of vacation is set by the Annual Conference, but the most suitable time for both the local church and the ministerial family must be determined by consultation between the pastor and the Pastor-Parish Relations Committee.

3. POLICIES CONCERNING CLERGY DIVORCE

[1987, pp. 141-142]

"Where marriage partners, even after thoughtful consideration and counsel, are estranged beyond reconciliation, we recognize divorce as regrettable, but recognize the right of divorced persons to remarry. We express our deep concern for the care and nurture of the children of divorced and/or remarried persons. We encourage that either or both of the divorced parents be considered for custody of minor children of the marriage. We encourage an active, accepting, and enabling commitment of the church and our society to minister to the members of divorced families," (The *Book of Discipline of the United Methodist Church*, 1984)

The *Discipline* rightly makes no distinction between divorce occurring among the laity or clergy. We recognize the possibility of congregations being nurturing communities, and, thus for Christian love to grow in the midst of the painful circumstances surrounding a clergy or layperson's divorce.

The North Texas Conference also can be a caring and nurturing community for the clergy at divorce. The conference recognizes its responsibility to respond to divorcing clergy in as pastoral a manner as possible. To this end, the North Texas Conference of the United Methodist Church suggests the following for our members as well as their spouses in the event of divorce.

1. The conference member will have taken every action possible toward reconciliation within the marriage. This shall include extensive counseling with a reputable marriage counselor, preferably with both partners to the marriage participating but, where impossible, with at least the clergy member's participation.

2. In consultation with the District Superintendent, the divorcing clergy and/or spouse may request a meeting of the following persons:
   a. The Chairperson of the Division of Conference Relations, presider.
   b. The District Superintendent of the conference member's district.
   c. The district member of the Division of Conference Relations.
   d. Two peers chosen by the conference member involved.

3. This meeting will:
   a. Pastorally respond to the divorce
   b. Offer help/guidance, if requested, to:
      1) The conference member
      2) The divorcing spouse
      3) The conference member's peers, and/or
      4) The respective Pastor-Parish Committee
   c. Refer divorcing persons to special seminars and workshops on divorce which are available periodically in the community.

4. CLERGY HOUSING STANDARDS [1995]

I. Housing Allowances (See 1997 Journal, pp. 167-168)

II. Parsonages (See 1997 Journal, pp. 168-169, A. - H.)

I. Compliance with Guidelines

The following report shows how each charge in our Annual Conference houses clergy. Those charges that are not listed are those without a parsonage or housing allowance. Please note that only charges served by full-time, ordained members of the Annual Conference are asked to meet the conference standards or have a plan for meeting conference standards in the future. For those charges that have no plan, please look into your parsonage situation. A plan can be that you will meet conference standards the next time a parsonage is bought or built.

Although our report is not complete, there are only 42 (14%) parsonages that do not meet conference standards and of those 11 have a plan for bringing their parsonage into compliance. There are another 24 (8%) parsonages that would not meet conference standards if they were served by an elder in full connection. It is our hope that many of our churches served by bi-vocational pastors, retired clergy, student local pastors, and local pastors will grow to the point of being served by a full-time, ordained member of the Annual Conference. This would mean a change in many of their parsonages in order for them to come into compliance with the conference standard.

We have noted that 28% of churches provide housing allowances. We understand that this may be the only practical way for a church to provide housing for its pastor, but we also understand that it is not cost effective for the church and may become a hardship for the pastor.

One part of our purpose for listing this information is to make the information available to our clergy, and the other part is to help churches become aware of their parsonage's size and/or furnishings. In either case,

this information is vailable to all for the first time. Each District Superintendent will be given a folder with full descriptions of all the parsonages and housing allowances in the Annual Conference.

III. Annual Conference Moving Fund

A. Funding

1. The North Texas Conference shall establish a "Moving Fund" to be assessed through a Conference apportionment. This fund shall be of sufficient amount to pay for the number of qualifying moves in any given year.

B. Eligibility for Funding

1. Those ordained clergy or full-time local pastors, who are appointed to a local church in the North Texas Conference, and other ordained clergy for whom the North Texas Conference is the salary paying unit (such as District Superintendents, Conference Council Directors, Wesley Foundation Directors, etc.) shall be eligible to receive funds.

2. Retiring ordained clergy or full-time local pastors shall be eligible to receive funds for their initial move into housing not already owned or supported by a local church upon retirement, up to the maximum amount allowable. In circumstances in which a clergy member planning to retire moves prior to the retirement date, reimbursement for a move made within one year prior to the retirement date shall be made upon retirement contingent upon the presentation of documentation of costs incurred.

3. Less than full-time appointments to local churches with parsonages will be allocated up to the $500 per move.

4. If an ordained clergy member or a full-time local pastor from another Conference is to be appointed to a local church in the North Texas Conference, the North Texas Conference will pay the cost of the move from the border of the North Texas Conference, up to the maximum amount allowed.

5. If an ordained clergy member or a full-time local pastor of the North Texas Conference transfers to another Conference, and the receiving Conference does not pay the full cost of the move, the North Texas Conference will pay the cost of the move up to the border of the North Texas Conference, up to the maximum amount allowed.

6. Those ordained clergy who go on Leave of Absence, or who surrender their credentials, either voluntarily or involuntarily, will not be eligible to receive any North Texas Conference moving funds, except in the case of those going on disability leave who shall be eligible to receive funds for the initial move into housing not already owned or supported by a local church, up to the maximum amount allowable.

7. Those persons who change or move houses, but who do not change appointments, will not be eligible to receive any North Texas Conference moving funds.

8. Those persons who change appointments, but who do not change houses, will not be eligible to receive any North Texas Conference moving funds.

9. If either or both clergy or a clergy couple living in one house change appointments, and move to one house, they will be eligible to receive funds for only the cost of the one move, up to the maximum amount allowable. If two houses are involved, at either the beginning point or ending point, they will be eligible to receive funds for both moves, each up to the maximum amount allowable.

10. In no case shall the Conference pay more than the actual documented expense of any eligible move.

C. Method of Payment

1. All moves will be paid as stated in the "Moving Allowance Chart" and Replacement Cost Insurance will be provided for all full time moves with a $300 stipend to be used for any other documented moving expenses the clergy family chooses.

2. A list of movers that will bill the Annual Conference directly will be provided by the receiving District Superintendent. All expenses that are within the Annual Conference Allowance will be billed directly to the Annual Conference by those moving companies. The receiving church and moving clergy/family will not be responsible for any part of the expense that is within the Annual Conference Allowance. If a moving company is used that will not bill the Annual Conference directly, then the moving clergy/family is responsible for the bill and will be reimbursed by the Annual Conference for all documented expenses that are within the Annual Conference Allowance. Any documented expenses paid by the moving clergy/family are to be submitted to the receiving District Superintendent. The receiving District Superintendent shall then submit these documented expenses to the Annual Conference Treasurer. The Annual Conference Treasurer will be the final arbitrator concerning any question about moving costs, documentation, or payments. The Conference Treasurer shall issue payment to the moving company or the entity that incurred the expense.

3. A written estimate must be submitted to the receiving District Superintendent by May 15 for moves in June, and within one week of the announcement of a midyear move. The District Superintendent will then give approval to the moving company or the entity incurring the expense for the move. Arrangements for payment of any expenses in excess of the Annual Conference Allowance will be made prior to the move.

D. Moving Procedures

1. **Receiving** DS gives to the clergy the Moving Packet which includes Moving Procedures, moving companies that will bill the Annual Conference, and the Moving Allowance sheet from the 1998 Conference Journal.

2. **Clergy gets estimates from <u>two</u> moving companies** of their choice and chooses the one they wish to use. They can work out payment with the Annual Conference, if the company is not on the list, by having the mover call the conference Treasurer at 972-490-1719.

3. **Clergy submits the estimates** (including their choice) to the **receiving DS** for approval with an estimate of any other expenses that may be incurred.

4. **Receiving DS approves the move and <u>calls</u> the moving company** with that approval by **May 15** or as soon as the clergy gets the estimate with a mid-year move.

5. **Receiving DS mails** copies of chosen estimate and check sheet to Conference Treasurer.

6. **Receiving DS mails** Conference Treasurer copies of any expenses incurred by clergy or receiving charge.

7. **Conference Treasurer** reimburses those expenses and pays moving companies.

E. Committee Report

1. There were an abnormal number of moves in 1997 for our Annual Conference, which totaled 82 moves costing $139,450.88 ($1,700.62 per move); therefore, we went way over budget. The good news is that we would have stayed inside our budget asking for 1999 ($105,000), if we had had an average moving year (60 moves). The smaller

number of moves expected at this Annual Conference will bring us closer to that average. We have done all we can to make moving easier, more professional, less expensive, and fair to all our clergy, students, local pastors, and retiring ministers. We believe our average year will have less that 60 moves which will cost about $102,037.22 or less. Our deep gratitude goes out to the District Superintendents and their secretaries for getting information to moving clergy, and to Marvin Guier and his staff for compiling statistics, answering questions, and paying the bills. Without their hard work this plan would never work.

2. With the completion of the setting of housing standards, and the report on each parsonage and housing allowance in the conference this portion of the purpose for this committee is finished. Seeing that these duties are complete we would hope that the Annual Conference would see fit to assign the oversight of parsonage standards to another committee within the Annual Conference who could assign a task force no more than once every four years to see that these standards are being met. It is also plain that the moving part of the Committee's responsibilities are complete. The instructions given to the Committee were to have this information complete by Annual Conference 2001. The maintaining of the contracts and information on moving is now covered by the North Texas Conference office. Distribution of this information is done by the district offices. We would hope that by the year 2000 this Committee would be disbanded, and the responsibilities be assigned to the Committee on Finance and Administration, and the Conference Treasurer.

5. POLICY STATEMENT ON SEXUAL MISCONDUCT

The North Texas Annual Conference of the United Methodist Church affirms the *1996 Book of Resolutions,* Sexual Abuse Within the Ministerial Relationship and Sexual Harassment Within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the Church are incompatible with biblical teachings of hospitality, justice and healing. In accordance with the *1996 Book of Discipline,* ¶ 65.F, we affirm that all human beings, both male and female, are created in the image of God, and thus have been made equal in Christ. As the promise of Galatians 3:26-26 states all are one in Christ, we support equity among all persons without regard to ethnicity, situation or gender.

Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker or volunteer.

Sexual harassment is any unwelcome sexual advance or demand, either verbal or physical, that is reasonably perceived by the recipient as demeaning, intimidating or coercive. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender (*Book of Discipline* ¶ 65.I).

Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue.

Misconduct of a sexual nature within the life of the Church interferes with its moral mission. The North Texas Annual Conference stands in opposition to the sin of misconduct of a sexual nature in the Church and society at large and commits itself to fair and expedient investigation of any charge of sexual misconduct within the Church and to take action deemed appropriate and in compliance with the *Book of Discipline.* Further, the Conference bears affirmative responsibility to create an environment of hospitality for all persons, male or female, which is free of misconduct of a sexual nature and encourages respect, equality and kinship in Christ.

Because experiencing sexual abuse or harassment, and reporting such misconduct, can be difficult and frightening, we believe that the availability of trained advocates or support teams to assist victims of sexual misconduct is important, and we are committed to continuing support for the training and availability of such advocates or support teams.

We recognize that in any incident of sexual misconduct there may be many victims, including the family, friends, and congregation of the direct victim and of the person who has engaged in the misconduct. We therefore affirm as continuing goals for the Conference not only the resolution of complaints and the reconciliation of persons directly involved, but also the healing of all such indirect victims of the misconduct.

Sexual misconduct involving a clergy person should be reported to the clergy person's district superintendent or the presiding bishop. Misconduct involving paid staff, volunteers or other nonclergy persons should be reported to the pastor-in-charge, if any, or to other appropriate persons in accordance with guidelines and procedures that may be adopted by the Conference, by local churches or by other appropriate bodies within the Church.

The North Texas Annual Conference is committed to the continuing, broad dissemination of this Policy Statement and of any guidelines and procedures adopted by the Conference, and to the continuing education of clergy and lay persons within the Conference for the purpose of preventing sexual misconduct and increasing awareness and understanding of the Conference's relevant policies and procedures.

1) PROCEDURES FOR REPORTING CLERGY SEXUAL MISCONDUCT

INTRODUCTION

The North Texas Annual Conference will not tolerate and is committed to the eradication of sexual misconduct by its clergy. The ministerial office is a position of great trust, power and responsibility, offering the opportunity for unique relationships of grace and caring. Sexual misconduct is one of the gravest violations of this trust.

These Procedures are intended to provide a process for reporting incidents of clergy sexual misconduct within the North Texas Annual Conference. They seek to create a safe, non-threatening environment in which aggrieved persons will feel comfortable revealing allegations of sexual misconduct. It is a continuing goal of these Procedures to provide an opportunity for a reconciliation and resolution that respects and protects the rights of all parties and that acknowledges the sacred trust between clergy and the persons they serve. They are not intended to supplant or substitute for the formal complaint process set forth in the 1996 *Book of Discipline*. The use of these Procedures is voluntary, and the failure to utilize or follow them is not a chargeable offense nor can it be used as grounds for an appeal of the result of any formal complaint, review, investigation or trial process.

The implementation of these Procedures shall be under the supervision and control of the Bishop and District Superintendents, who shall have the authority to interpret and apply the Procedures.

POLICY

The North Texas Annual Conference's position regarding sexual misconduct is expressed in the Policy Statement on Sexual Misconduct approved and adopted at the 1997 general session of the Annual Conference. These Procedures should be read in conjunction with that Policy Statement and are intended to serve as an aid to the full implementation of the principles underlying the Policy Statement, as they relate to sexual misconduct by clergy within the Annual Conference.

STANDARDS OF PASTORAL CONDUCT

Pastors are accountable for their behavior with respect to the emotional, spiritual and physical well-being of persons who come to them for help or over whom they have any kind of authority. Breach of this pastoral relationship through sexual misconduct is unethical and abusive, even when sexual activity is initiated by the person to whom the pastor is ministering. Because of the trust and imbalance of power in such relationships, the person being ministered to must be presumed to be unable to give meaningful consent to any sexual activity with the pastor.

Because pastors often deal with individuals who are emotionally fragile and vulnerable, it is imperative that pastors:

(a) be healthy psychologically, emotionally and spiritually themselves;
(b) have adequate preparation and education for helping individuals under their care;
(c) have continued supervision in dealing with the inherent risks caused by dependency and/or transference; and
(d) have the information necessary to make appropriate referrals.

Pastoral self-discipline requires self-awareness and takes the Christian standards and ordination vows seriously. Personal integrity and mature professional conduct must be brought to all relationships by every pastor in the Annual Conference. The highest ethic of the pastor similarly prohibits any sexual behavior with a parishioner entrusted to his or her sacred care.

All clergy, single or married, have the responsibility of developing healthy personal relationships. Married clergy have covenanted to nurture and maintain their marriage relationship. When relational or sexual difficulties are present in a pastor's life, appropriate measures to address the difficulties should be taken.

Pastors who are appointed to parishes where there has been alleged sexual misconduct of their predecessor find themselves burdened with the inevitable consequences arising from the allegations against a colleague. There is a tension between caring for a colleague and caring for the covenant of the pastoral ministry. By "protecting" a colleague, we risk perpetuating a relationship or pattern of abuse and victimization. This compromises the credibility and practice of Christian faith and ministry. Thus the present pastor should take immediate steps, consistent with these Procedures, to address the alleged misconduct.

The procedures for dealing with clergy sexual misconduct place an unfair and unavoidable burden on the victim of such misconduct. It is in the best interest of the church to empower the laity through education and open discussion about what standards of conduct they may expect from their pastors.

DEFINITIONS

For purposes of these Procedures, the following definitions shall apply:

"Sexual misconduct" includes sexual abuse and sexual harassment, as such terms are defined in the Policy Statement. Sexual misconduct may include inappropriate physical contact or verbal behavior, including, for example, behavior that creates a hostile or intimidating environment and the explicit or implicit use of power or authority to coerce someone into sexual contact. Because of the imbalance of power inherent in ministerial relationships, sexual contact between a pastor and someone with whom he or she has a ministerial relationship constitutes sexual abuse even if the other person consents to or initiates the contact. More subtle behavior not involving physical contact may also constitute sexual misconduct. Further discussion and examples of sexual misconduct are included in the brochure entitled "Maintaining healthy relationships: What you should know about clergy sexual misconduct," prepared and distributed by the Division of Conference Relations of the Board of Ordained Ministry of the North Texas Annual Conference.

An "allegation" is an initial report, either verbal or written, of an alleged incident of clergy sexual misconduct.

A "complaint" is a written and signed statement claiming misconduct, as set forth in Paragraph 358.1(a) of the 1996 *Book of Discipline*.

An "aggrieved person" is a person who has experienced sexual misconduct by a pastor.

The terms "clergy" and "pastor" shall refer to all persons described in Paragraph 358.1 of the 1996 *Book of Discipline*, which includes "local pastors, associate members, probationary members, and full members" of the Annual Conference, "including those on leaves of all types, honorable or administrative location, or retirement."

A "Resource Person" is a trained person made available by the Annual Conference to assist and support aggrieved persons in bringing an allegation or complaint of sexual misconduct, as more fully described below.

CONFIDENTIALITY AND REPORTING

Allegations of sexual misconduct should be kept in the strictest of confidence and disclosed only at the times and under the circumstances specifically provided in these Procedures. The spread of such allegations or accusations between colleagues in ministry or within congregations is harmful to the victim, the accused and to the integrity of the processes outlined in these Procedures and in the 1996 *Book of Discipline*.

However, when allegations of clergy sexual misconduct occurs, the protection of victims, both past, present, and potential, requires that the allegations be reported. Because of the covenant with the church which is an integral part of the pastoral office, it is a pastor's responsibility to call an accused pastor into account by immediately reporting information about allegations of sexual misconduct to his or her District Superintendent, the District Superintendent of the accused or the Bishop.

Pastors who become aware of an alleged incident of sexual misconduct by another pastor are to do their utmost to encourage and support aggrieved persons and to assist in the initiation of an allegation as provided in these Procedures. Every allegation of sexual misconduct must be taken seriously, and in no case should a pastor prejudge the validity of the allegation.

The requirement of confidentiality shall not prevent the Bishop or the District Superintendents from discussing allegations and related information with affected congregations, staff/pastor-parish relations committees or others to whom it is necessary to make such disclosure, in accordance with the 1996 *Book of Discipline*.

Although truth-telling is essential, respect must also be given to the role of pastors in receiving confessions and the sanctity of confidential relations. Nothing in these Procedures shall be deemed to require or permit a pastor to report or reveal information received in confidence as contemplated by Paragraph 332.5 of the 1996 *Book of Discipline* and relevant decisions of the Judicial Council.

PROCEDURES

When sexual misconduct is alleged against a pastor, persons bringing allegations will be received in a respectful and caring manner. All allegations will be considered worthy of full investigation, with due respect for the presumption of innocence. Care will be taken to deal fairly and promptly with all those involved. This includes the aggrieved and his/her family, the accused and his/her family and the congregation or other institution.

The following procedures are established to facilitate the reporting of allegations of clergy sexual misconduct:

1. Aggrieved persons are encouraged to contact one of the Resource Persons, a District Superintendent or the Bishop. An allegation may be brought by the aggrieved person or by anyone who has verifiable knowledge or reasonable indication of sexual misconduct and is willing to pursue a resolution. This may include, for example, a pastor or lay person in whom the aggrieved person has confided or who has reliable information from other sources about the misconduct.

2. The Resource Person, District Superintendent or the Bishop to whom the allegation is brought shall explain these Procedures to the aggrieved person or other person bringing the allegation and advise them that use of the Procedures is not a prerequisite to an aggrieved person's ability to bring a formal complaint.

3. If an allegation is brought initially to a District Superintendent, the District Superintendent shall advise the Bishop that the allegation has been received. If the aggrieved person has not selected a Resource Person, the Bishop may assign one to assist and support the aggrieved person.

4. The Resource Person selected or assigned shall provide full assistance to the aggrieved person throughout the process, including the following:

   (a) confirming that the aggrieved person understands these Procedures and the procedures contained in the 1996 *Book of Discipline*;
   (b) verifying and clarifying the allegation with the aggrieved person; and
   (c) requesting the aggrieved person to prepare, with the assistance of the Resource Person as needed, a written statement of the allegation, which shall include a description, in reasonable detail, of the alleged sexual misconduct and related events, circumstances, and dates.

5. If a complaint is forwarded to the Bishop or a District Superintendent, Paragraph 358 of the 1996 *Book of Discipline* shall determine the process to be followed. These Procedures are not intended to limit in any way the actions the Bishop or District Superintendents may take in connection with their supervisory response to a complaint of sexual misconduct or to impose any duties on them inconsistent with the 1996 *Book of Discipline* or relevant decisions of the Judicial Council. The Resource Person may continue to assist and support the aggrieved person throughout the complaint process and may attend all meetings held in connection with the process.

6. Strict confidentiality shall be maintained before, during and after the conduct of the process outlined in these Procedures, and information regarding allegations shall be disclosed only in such manner and to such persons as specifically provided herein.

7. Because of the pain and disruption that necessarily accompany sexual misconduct, it may be necessary for certain actions to be taken following the conclusion of the processes outlined in these Procedures and in the 1996 *Book of Discipline*. The Bishop and District Superintendents are encouraged to take or require such actions as they deem necessary and appropriate in their best judgment, which actions may include, for example, processes for healing within the affected congregation or institution, further resolution of unresolved conflicts and support or counseling for aggrieved persons or accused pastors.

These Procedures establish a process for reporting incidents of sexual misconduct by any pastor (as defined above). They are not designed to address allegations or complaints of sexual misconduct by the Bishop or a District Superintendent. Persons who believe they have been affected by sexual misconduct by the Bishop or a District Superintendent may contact one of the Resource Persons for information and assistance in bringing a complaint in accordance with procedures contained in the 1996 *Book of Discipline*.

RESOURCE PERSONS ON THE ISSUE OF SEXUAL MISCONDUCT

Resource Persons are volunteers available to assist persons who believe they may have been the victims of clergy sexual misconduct. Resource Persons are lay persons who have been trained to provide such assistance. The Bishop, or persons acting at the Bishop's direction, shall have the authority and responsibility for administering the sexual misconduct Resource Person program, recruiting volunteers to serve as Resource Persons and ensuring that necessary resources are available and properly utilized. However, Resource Persons shall be independent and shall not be employed by the Annual Conference or any related church body.

The Annual Conference is committed to the continuing education and proper training of Resource Persons. Resource Persons shall attend training recommended or approved by the General Commission on the Status and Role of Women or another body of the General Church provided for the purpose of training volunteers to assist victims of sexual misconduct.

Resource Persons are expected to work cooperatively with the Bishop, the District Superintendents and others involved in the process, but shall at all times represent the interests of the aggrieved person. A Resource Person shall actively assist and support the aggrieved person throughout the process, to the end that the aggrieved person is empowered to reclaim his or her voice and that the churches within the Annual Conference may once again be a place of sanctuary.

It is intended that the Resource Persons shall be the initial point of contact with these Procedures for any person who desires to use them for that purpose. A person who believes that he or she may have been the victim of clergy sexual misconduct need not register an allegation or complaint, formally or informally, before calling a Resource Person, nor does any person need permission from any level of the United Methodist Church to contact a Resource Person. An aggrieved person does not have to identify himself or herself to make an initial contact with a Resource Person.

Functions performed by the Resource Persons shall include:

(a) explaining the church's processes and procedures;
(b) providing resources and referrals;
(c) helping the aggrieved person prepare a written summary of the allegation and, if necessary, a formal complaint when requested to do so;
(d) accompanying the aggrieved person to meetings held in connection with these Procedures, or in connection with the complaint process as allowed by the 1996 *Book of Discipline*; and
(e) calling to the attention of the Bishop and those administering the Resource Person Program any hostile, vindictive or insensitive situations that arise during the process outlined in these Procedures or the complaint process, or any failure properly to follow these Procedures or the complaint process outlined in the 1996 *Book of Discipline*.

(f) giving feedback to those administering the Resource Person program regarding observations of helpful and hurtful situations arising during the process.

The Bishop and the District Superintendents or the persons administering the Resource Person program are encouraged to ensure that information about the Resource Persons, including telephone numbers at which they may be contacted, is broadly disseminated and readily available to interested persons throughout the Annual Conference.

PRIORITY OF THE BOOK OF DISCIPLINE

If any provision of these Procedures is in conflict with the 1996 *Book of Discipline*, or any subsequent *Book of Discipline*, the *Book of Discipline* shall prevail and the conflicting provision shall be deemed automatically deleted from these Procedures. Such conflict shall not be grounds for invalidating these Procedures as a whole or any nonconflicting provisions.

2) PROCEDURES FOR REPORTING AND ADDRESSING SEXUAL MISCONDUCT BY PERSONS OTHER THAN CLERGY

Each local church shall establish its own policy statement on sexual misconduct, consistent with the *Book of Discipline* and the policy statement of the North Texas Annual Conference, and shall establish guidelines and procedures for reporting and resolving incidents of sexual misconduct by persons other than clergy, including paid staff, counselors, lay volunteers or others. In furtherance of this objective, the District Superintendents shall distribute to all local churches a copy of the Memorandum dated December 9, 1996, and its enclosures, on this topic prepared by the General Commission on the Status and Role of Women and the General Council on Finance and Administration.

3) EDUCATION WITHIN THE CONFERENCE RELATING TO SEXUAL MISCONDUCT

DISSEMINATION OF POLICIES AND PROCEDURES

The Bishop, District Superintendents, and Resource Person(s) shall each have a copy of and thoroughly know the Policy Statement on Sexual Misconduct, Procedures for Reporting Clergy Sexual Misconduct in the North Texas Conference and be responsible for distributing such Policy and Procedures to clergy and local church chairs of Staff Parish Relations Committees, Administrative Councils, United Methodist Men, and United Methodist Women annually as these persons are elected. The clergy and the chair of the Staff Parish Relations Committee of every local church in the North Texas Conference shall have a copy of and be familiar with the Policy Statement on Sexual Misconduct, Procedures for Reporting Clergy Sexual Misconduct in the North Texas Conference and the complaint process outlined in the 1996 *Book of Discipline*.

The Policy and Procedures of the North Texas Conference will be available to anyone who requests a copy.

Local churches will make available to their congregations copies of the brochure entitled "Maintaining healthy relationships: What you should know about clergy sexual misconduct" and publish the name and telephone numbers of the Resource Person (s). Throughout the year, copies of the brochure will be placed in accessible locations within local churches.

TRAINING AND EDUCATION

The North Texas Conference shall provide annual training to educate the clergy and laity about the complaint process in the event of allegations of sexual misconduct and to heighten awareness of the clergy and laity about the seriousness of the problem of sexual misconduct, thereby aiding in the prevention of this problem in our local churches.

The goals of the training include the following:

- to explain the abuse of power and dynamics of trust in abusive relationships;
- to provide behavioral definitions of sexual abuse and sexual harassment;
- to describe the impact on the victim, the perpetrator, the families, and the church;

- to explain the Policy and Procedures of the North Texas Conference and the United Methodist Church regarding sexual misconduct;
- to explain legal responsibilities regarding minors;
- to introduce the Resource Person(s) and clarify their role;
- to define the risk to church vitality, attendance and giving, liability to individuals, congregations, and the annual conference;
- to discuss the importance of healing and how the church is an agent in the healing process;
- to explain the need for preventative measures;
- to discuss the importance of local church policies and procedures addressing issues of sexual misconduct;
- to distribute copies of the brochure entitled "Maintaining healthy relationships: What you should know about clergy sexual misconduct," and to explain its purpose and educational use; and
- to provide resources for local churches

Training will be provided separately for clergy and laity. Professionals from the General Commission on the Status and Role of Women and/or others trained and knowledgeable about the issues of sexual misconduct will conduct the training. There will be a nominal cost to participants to help defray the training expense.

The chairs of the Order of Deacons, Order of Elders, Fellowship of Local Pastors, and Fellowship of Diaconal Ministers, in conjunction with the Cabinet and Board of Ordained Ministry, will be responsible for planning and organizing the training for clergy and diaconal ministers. Pastors and diaconal ministers from every local church or charge in the North Texas Conference and those in extension ministries and the District Superintendents will receive an announcement regarding the clergy training. Clergy and diaconal ministers will be expected to attend training a minimum of once every three years.

The Board of Laity, United Methodist Women and the United Methodist Men jointly will plan and coordinate training for the laity. The laity training will be held during the first quarter of each year in at least four different locations around the conference. Persons in the following leadership positions, or their equivalent, in local churches in the North Texas Conference will be notified about the laity training: Lay Leader, Administrative Board/Council Chair, Council on Ministries Chair, Staff Parish Relations Committee Chair, United Methodist Women President, United Methodist Men President, Trustees Chair, Commission on the Status and Role of Women Chair, and the pastor(s) who will distribute the information to any other lay staff or leaders in the church who might need to attend the training. The lay leaders and lay staff will be strongly encouraged to attend training the first year of their leadership.

Upon return to their local churches clergy and laity will be urged to share the information they learned, place brochures entitled "Maintaining healthy relationships: What you should know about clergy sexual misconduct" with the name and phone number of the Resource Person(s) in a visible place in the church, and adopt local church policies and procedures on reporting and addressing sexual misconduct. In addition, clergy and laity will be encouraged to seek ways to educate, inform, and sensitize their congregation about the issues surrounding sexual misconduct, the violation of trust and Christian covenant involved, and the resources available for healing.

4) TRAINING OF THE RESOURCE PERSON(S)

A "Resource Person" is a trained person made available by the Annual Conference to assist and support aggrieved persons in bringing an allegation or complaint of sexual misconduct, as more fully described in the North Texas Conference Procedures for Reporting Incidents of Clergy Sexual Misconduct.

The Annual Conference is committed to the continuing education and proper training of Resource Persons. Resource Persons shall attend training recommended or approved by the General Commission on the Status and Role of Women or another body of the General Church provided for the purpose of training volunteers to assist victims of sexual misconduct.

As it is the Bishop's, or persons acting at the Bishop's direction, responsibility for administering the sexual misconduct resource person(s) program, it is, along with the Conference Commission on the Status and Role of Women, the Bishop's, or persons acting at the Bishop's direction, responsibility to insure the Resource Person(s) is trained in the following areas:

- roles and expectations of the Resource Person(s);
- local organization of the United Methodist Church;
- leaders and their leadership positions in the North Texas Conference;
- church resources such as the General Commission on the Status and Role of Women;
- the North Texas Conference Policy Statement on Sexual Misconduct and Procedures for Reporting Incidents of Clergy Sexual Misconduct; and
- the *Book of Discipline* and relevant Judicial Council rulings.

To obtain the latest information available and to upgrade skills, once a year the Resource Person(s) will attend continuing education training.

5) PROCEDURES FOR THE SCREENING OF APPLICANTS

The North Texas Conference currently utilizes screening procedures for volunteers at the conference level and offers the service to local churches. We encourage all local churches to employ these procedures or comparable ones to screen volunteers and staff, particularly those volunteers and staff who work with children and youth.

THE COMPREHENSIVE PLAN

VISION 2020

INTRODUCTION

Following is a Comprehensive Plan with clear and bold recommendations for the missional priorities of the North Texas Conference for the next 20 years.

This vision evolved within a broad-based process of conferencing in the Wesley meaning: three major consultations, three hardworking task forces, Cabinet, Conference Council on Ministries and Council on Finance and Administration involvement, and finally, a visionary Priorities Task Force with final recommendation from the Conference Coordinating Committee, the body that set the process in motion.

As you read these three parts of the Comprehensive Plan, keep in mind several realities:

1. These priorities have been on the table, with affirmation, of our Annual Conference for several years.

2. These are three parts of a whole. Creating Congregations intersects with Urban Ministry as many of the new church starts will be in urban areas. One hundred new church starts over 20 years will direct the Conference to have diverse strategies in all places. As John Wesley affirmed, new disciples must be nurtured, and our Camping and Retreat Centers are primary settings of nurture.

This is an Annual Conference of vital congregations - large and small - and strong leadership - lay and clergy, though it does not have a history of joining together in a sustained vision. That is the challenge of this Comprehensive Plan.

While some of the details are yet to be worked out, especially in funding, the vision is clear and compelling. Let every member of the Annual Conference study *Vision 2020* and participate in the district dialogue sessions.

The Book of Discipline defines connectionalism in our tradition as multi-leveled, global in scope, and local in thrust... It reflects the inclusive and missional character of our fellowship... (¶ 109).

Local thrust. That is the key. May we have the will and resolve to work together and bring into focus a vision of faithfulness for the North Texas Conference as we move into a new century and a new millennium.

CREATING CONGREGATIONS
Section I of "Vision 2020"

VISION

The mission of the Church is to make disciples of Jesus Christ. As an annual conference we do this by equipping local churches for ministry and by providing a connection for ministry beyond the local church, all to the glory of God (¶¶200,601, *The Book of Discipline, 1996).*

We seek to make this a priority in our connectional ministry for God, with new ways of participating by every local church. We seek a new beginning in the way we approach the task and teamwork as never before. Our intention is to use multiple models to create congregations. Specific attention will be given to reaching the growing numbers of ethnic minority persons in the North Texas region in these efforts.

While we celebrate the creation of 25 new congregations in the last 20 years, it has not been enough to keep up with population growth and significant demographic changes. We want to be more faithful to our mission in the next twenty years!

GOAL

With God's help we seek to start 100 new congregations between 1998 and 2020, of which a significant number will be established in predominantly ethnic minority contexts.

With 100 new congregations, we expect to see an increase of 50,000 persons serving Christ as faithful disciples. We expect new churches in inner cities, rural areas and suburbs. We expect greater racial diversity. We expect increasingly strong witness for the transforming love and power of God in our world.

STRATEGIES

1. The Bishop and cabinet will identify sites for new congregations using demographic data and such consultants as needed.

2. A variety of models will be used in starting new churches, including suburban, rural, inner city, ethnic and multi-cultural churches. (See Appendix)

3. African-American, Hispanic and Asian faith communities will be called upon to provide input for the various models needed to reach these growing populations.

IMPLEMENTATION

1. The Bishop and cabinet will be responsible for starting new churches, (¶263, *The Book of Discipline)* in consultation with the Creating Congregations team. The Director of Mission and the Director of Administration & Treasurer will be present when creating new congregations is on the cabinet agenda.

2. The Creating Congregations Team will be a 12-member body composed of representative clergy and laity from the annual conference. Six of the members will be appointed by their respective district superintendents. The other six members, including the chair of the Committee on New Church Properties who will serve as a member, will be nominated by the Conference Nominating Committee and elected by the Annual Conference. Additional task forces may be formed as needed.

3. The Director of Mission will staff the Creating Congregations Team and work with the district superintendents to provide conference resources for training, demographic data, consultants,

salary support and program funds.

4. The Director of Mission will assist the cabinet in partnering local churches for the purpose of beginning new churches. Such ventures may include monetary, staff and volunteer support, use of facilities, gifts of items such as hymnals, choir robes, Sunday School literature, etc. The partner church concept will signal a shift in Annual Conference thinking as churches experience more "hands on" involvement with beginning new congregations.

5. Expenditures for new church start-ups will be requested by the cabinet and approved by the Creating Congregations Team.

PROPERTY

1. In the future new churches will be expected to select and purchase their own property, in consultation with their District Superintendent, the District Board of Church Location and Building, the Committee on New Church Properties, and the Creating Congregations Team. Instead of the conference purchasing property for new churches in advance, in most cases a package of real estate, architectural, financial, and building oversight services will be made available to new churches upon request. The cabinet and Creating Congregations Team will determine how much conference money, if any, will be given or loaned to new churches to assist with land acquisition we will set new guidelines.

2. The Creating Congregations Team will explore new funding models for land purchase, including the possibility of having existing local churches guarantee the first mortgage for churches they help start.

3. The role of District Boards of Church Location and Building will be emphasized and strengthened as needed.

4. A Committee on New Church Properties will be created as a standing task force of the Creating Congregations Team to advise local churches and the Creating Congregations Team with regard to property matters. The Committee on New Church Properties will replace the current Board of Church Extension.

5. The Committee on New Church Properties will be composed primarily of persons with expertise in real estate and property management. This committee will advise new churches in property matters as requested, making available real estate, architectural, financial, and building oversight services. It will also serve in a consultative relationship to the Creating Congregations Team and make recommendations for acquiring property for new church sites as requested.

6. When deemed appropriate by the cabinet and the Creating Congregations Team, the Creating Congregations Team will purchase and hold property intended for new church sites in the name of the annual conference. The Creating Congregations Team will have responsibility for the former Board of Church Extension assets and liabilities.

7. The chairperson of the Committee on New Church Properties will serve as a member of the Creating Congregations Team.

8. The Director of Administration & Treasurer will have staff responsibility for the Committee on New Church Properties. The former Office of Church Extension will become a part of the Office of Administration.

FUNDING: Raise $4,000,000 for the fulfillment of the Creating Congregations Priority

1. Significant new funds are needed to plant the new congregations to be proposed between now and 2020 in this annual conference.

2. The first level of funding for new church starts will continue to be through the apportionments. It is understood that substantial funds from the former Conference Council on Ministries budget, as well as the former Board of Church Extension "new church starts" budget will be available for this purpose. These apportionments will be used to help fund salary support and other start-up costs.

3. The current VISIONARIES program will be reintroduced to districts and local churches after re-evaluation and reshaping. It will be called VISIONARIES 2020. The present division into Urban Ministries, Town and Country, and Church Extension shares will continue, with the former Church Extension shares being re-labeled "Creating Congregations" shares.

4. The "Creating Congregations" shares might be used to fund current and future land loan payments. Since current obligations for land loan payments now require approximately twice the current level of Church Extension share income (about $90,000) annually, our goal should be to triple or quadruple share income for this purpose. One strategy might be to increase the cost of a share from the current $60 per share to $100 per share (divided into 3 calls and paid annually).

5. A Capital Funds Campaign to raise $4,000,000 for the fulfillment of the Creating Congregations priority is needed. Funds raised from the capital campaign will be used to provide additional start-up funds and to purchase new church sites when deemed appropriate.

6. A planned giving program might also be created to encourage planned gifts of wills, estates, insurance policies, bequests, etc. for the purpose of funding the planting of new churches.

7. The Creating Congregations Team, staffed by the Director of Mission, will be responsible for promoting all areas of funding for Creating Congregations. The Office of Administration will provide administrative services for the funding efforts.

8. The Creating Congregations Team will plan special ways of recognizing the contribution of "parenting" churches.

APPENDIX

THREE MODELS OF NEW CONGREGATIONS

1. STRATEGIC MISSION MINISTRIES

A. In these places of ministry, there is no expectation of rapid economic self-sufficiency. The long-term expectation is that the conference, along with its congregations and churches, will need to help fund this work. (Large churches, clusters of churches, districts, etc. could partner together to begin and provide long-term support.) These "mission ministries" will be planted for strategic missional purposes in either town and country or urban settings.

B. Pastoral leadership may be filled in a variety of ways.

C. Land is not necessary, but a common location to meet is necessary.

D. A long-range plan of development will be created in each congregation in consultation with the district superintendent.

E. A 5-year plan of financial commitment will be arranged with an annual evaluation.

Specific goals will be set and, if met or exceeded, this ministry will receive support on a declining percentage basis until it becomes self-supporting.

F. General church programs such as *the National Hispanic Plan, Strengthening the Black Church*, and other plans for ministry with Asians and other ethnic minority persons will be reviewed and utilized on an ongoing basis.

2. SELF-SUPPORTING COMMUNITY CONGREGATIONS

A. These are settings of ministry in which a community of people are identified by a common factor who gather in a particular location, which will most likely be outside a church setting (unless an existing congregation chooses to branch across socio-economic racial barriers) and whose gathering time may be non-traditional.

B. The setting will determine the economic self-sufficiency of the congregation, but the gathered community should assume some degree of responsibility. The conference may agree to pay salary and building rent for a specific period of time, possibly using a declining percentage basis until it becomes self-supporting at either a full-time or part-time basis.

C. In this place of ministry, there would most likely need to be a partnership between the conference, cabinet and local churches to provide pastoral leadership which reflects the identity of the people. This may be Local Pastor, Certified Lay Speaker, Student Local Pastor, Retired Pastor, or shared clergy from an existing Church.

D. Land may not be required, but a location to meet is required. An abandoned store, storefront, existing church building or other facility might be used.

3. NEIGHBORHOOD AND REGIONAL CHURCHES

A. These are the settings of ministry in which there is great potential and expectation for a United Methodist Church to be established over a certain period of years. In this setting of ministry there is a high degree of expectation that the congregation become economically self-sufficient.

B. Pastoral leadership will generally be by an ordained elder.

C. The Conference may purchase property and/or help pay rent for a specific time period. The Conference may provide services through the Committee on New Church Properties to aid the church in the search for property to purchase.

D. If the Conference purchases property, there is an expectation that the church will pay the Conference back for the property. Repayment may be accomplished by:

1. Direct payment to the Creating Congregations Team.
2. Sponsor a new church start.
3. Partner with an inner-city church.

E. This church is expected to be self-sufficient, and in its own building in three to five years from start-up.

EMBRACING THE CITY: MINISTRY IN AN URBANIZING SOCIETY
Section II of "Vision 2020"

"Seek the welfare of the city where I have sent you...and pray to the Lord on its behalf, for in its welfare you will find your welfare"---Jeremiah 29:7

VISION

Our biblical story, since its inception, has constantly pointed to God's concern for and interest in the city. Abraham was called from a city. Jonah was sent to the city of Ninevah that was so big it took three days to walk it. Jesus wept over the city of Jerusalem. Paul wrote letters to cities

of Rome, Corinth and Ephesus. The Psalter is filled with what was one author calls "city Psalms." The prophets railed against city leaders for neglecting the poor.

The Bible leaves no doubt that God calls us to embrace the city. To be faithful means that our mission is shaped by the fact that the world we live in is even more urban and urbanizing than in the past. We all draw in some way from the city, whether it is income, jobs, commerce, theater, the arts, sports or entertainment.

Our vision for the church's ministry in urban and urbanizing areas is to witness to the transforming love of Christ, thereby making disciples who embrace the city, while continuing to emphasize our town and country ministries. In this way we enable the city to be a more exciting, vibrant, spiritual, moral and healthy place to live. It was Martin Luther King, Jr. who said "I can't be what I ought to be until you are what you ought to be, and you can't be what you ought to be until I am what I ought to be." We are bound with a common destiny, and we are all in this thing together. We are inextricably bound by our urbanizing centers. Therefore we must make the churches in our cities vibrant and alive. Our future depends on it, for, as Jeremiah reminds us, in the welfare of our cities we find our own welfare.

CELEBRATION, CONFESSION AND REPENTANCE

We celebrate and are thankful to God for the enduring witness of many United Methodist clergy and laity who have served so faithfully in the cities of our North Texas Conference, carrying out the Church's mission "to make disciples of Jesus Christ" under very difficult conditions. We praise God for new life, undying hope, and the courage to do justice when urban ministers of the gospel have embodied the risen Christ again and again among the people of our cities.

WE PRAISE GOD for committed Christians who offered a second chance through counseling, prayerful support, and love to a 14-year-old gang member who recently suffered the loss of his mother in a drive-by shooting!

WE PRAISE GOD for church volunteers who built a wheelchair ramp for two elderly sisters, enabling them to move from the confines of their small wood-frame home and into the sunshine of God's world!

WE PRAISE GOD for church volunteers who share weekly 300 pounds of food with those who hunger and live in poverty, food otherwise dumped as unusable by local grocery stores!

WE PRAISE GOD for churches who offer safe havens and educational and recreational opportunities for inner-city children!

WE PRAISE GOD for church members who confronted a tragedy and discovered new life when a local businessman took his own life on the front steps of the church!

WE PRAISE GOD for homeless persons who, encouraged by the love of a local congregation, formed a choir and now serve as ambassadors of love through their music.

WE PRAISE GOD for volunteers from larger churches who mentor in after-school programs, counsel at summer camps, share much-needed financial resources and supply hands that labor with love in our inner-city neighborhoods!

WE PRAISE GOD for church members who transformed a boarded-up church building into a beautiful glass-laden reflection of hope!

WE PRAISE GOD for church members who welcomed a 14-year-old run-away into its Vacation Bible School program, only later to find itself welcoming the entire family into its membership!

WE PRAISE GOD for church members everywhere who proclaim with passion the inclusive, peace-giving, courageous love of Jesus Christ in our cities.

We celebrate! And yet we are all too aware that there is still much saving work to be done in the name of Christ in our cities.

And so, **WE CONFESS** that as a North Texas Conference our witness of love in the cities and to those who minister in the cities has not been enough. **WE CONFESS** our inability to

understand fully and embrace the beauty of the dynamic of the city. **WE CONFESS** our fear to encounter the city's people as brothers and sisters. **WE CONFESS** our racism and our negative stereotypes that keep us from serving humbly alongside of one another. **WE CONFESS** our missed opportunities to witness to the power of God that can transform the most burdened, the most stubborn, and the most ungodly among us. **WE CONFESS** our apathy about the "welfare of the city" and thus the welfare of our entire Conference.

LET US REPENT! Let us pray! Let us change our ways! Let us turn in a new direction and go a different way! For we are called by God to be transformed, not merely reformed, by the love of Jesus. Let us reclaim what it means for us to be truly connectional. Together let us **EMBRACE THE CITY!**

GOALS

1. Leadership Development: To develop, deploy and nurture spiritual and visionary leadership for urbanizing churches.

Rationale: We need spiritually mature, culturally aware and visionary lay and clergy leadership in the city. Both immediate and long-term strategies are called for. The annual conference and other connectional systems, like our seminaries, play crucial roles in educating laity and clergy and helping them develop the personal resources needed for effective ministry in an urbanizing society.

Strategies:

a. In cooperation with all six districts, develop and offer to pastors of urbanizing congregations different opportunities for continuing formation and the pursuit of excellence in urban ministry. Offer funds for speakers, books and conferences through the Board of Ordained Ministry continuing formation funds. In addition, work with Perkins to support and encourage ministers in continuing education, particularly Doctor of Ministry programs, to develop professional competencies in urban ministry. Responsibility for implementation resides with the cabinet, Board of Ordained Ministry and the Equipping Disciples Team.

b. Provide an annual retreat for lay and clergy leadership teams of urbanizing congregations for spiritual renewal, visioning and focusing of the mission of the church. Responsibility for implementation resides with the Equipping Disciples Team.

c. Provide pastoral salary support at strategic churches in the inner city. Such support should be carefully reviewed on a regular basis, with the goal of self-sufficiency.
Responsibility for implementation resides with the cabinet.

d. In partnership with Perkins School of Theology, place at least ten interns each year in strategically located urban churches. This will develop future leaders as well as strengthen the ministries of those churches. Selection of local churches to receive interns will be done in partnership between the cabinet and Perkins, seeking to implement the missional goals of the Annual Conference. As always, congregational agreement is essential. Seminary students who are certified candidates for ministry within the North Texas Annual Conference will be given preference in the selection process. Responsibility for implementation resides with the cabinet and Perkins School of Theology.

e. Develop strategies to make a greater impact in our ethnic communities through reviewing and utilizing general church programs such as the *National Plan for Hispanic Ministries, Strengthening the Black Church*, and other plans to be in ministry with Asians and other ethnic minority persons. Responsibility for implementation resides with the cabinet.

f. Recruit seminary graduates for specifically urban ministry appointments, including persons not from our annual conference. Responsibility for implementation resides with the cabinet and the Board of Ordained Ministry.

2. **Congregational Development: To provide resources to help local churches determine their ministry within their communities and develop into vital congregations that invite, nurture and send disciples.**

Rationale: Local congregations are systems working in particular contexts. The development of strong congregations often needs strategic assistance from annual conference resources to start them on a pattern of growth in spirit, numbers and service.

Strategies:

a. Develop one to three urban mission teaching congregations which would become centers for developing innovative ministries in the urban context and then teach others how to implement these ministries elsewhere. Such congregations would be named by the cabinet with the agreement of the congregations. It might involve the use of interns, additional funding from the Annual Conference, and resources from Perkins School of Theology, Methodist Hospital and other institutions. Models for teaching congregations are being developed in some places in our denomination, and we could adopt them for use here and develop new ones. Responsibility for implementation resides with the cabinet.

b. Provide training and support for urban models of youth ministry and children's ministry. Responsibility for implementation resides with the Equipping Disciples Team.

c. Provide training and support for urban evangelism, including methods of cross-cultural and multi cultural models. Responsibility for implementation resides with the Equipping Disciples Team.

d. Provide options for on-site consultations to help churches that desire transformation. Responsibility for implementation resides with the Equipping Disciples Team.

e. Provide resources for interested local churches to establish English as a Second Language programs to reach immigrant populations in their neighborhoods. Responsibility for implementation resides with the Equipping Disciples Team.

f. Provide each local church in the annual conference the opportunity of demographic study of their parish area for a minimal fee. Responsibility for implementation resides with the Creating Congregations Team.

3. **Connecting Congregations: To connect groups of congregations that are located in or serve different contexts for shared mission, thereby strengthening the vision, mission and outreach of all participants.**

Rationale: All of our churches possess strengths that can enrich the ministries of other churches. Strategic partnerships between different churches can combine differing levels of cultural awareness, missional enthusiasm, and financial resources to strengthen all the congregations in the partnership. Examples include connections between suburban churches and urban churches, between rural churches and those in large county-seat urban areas, between urban churches and those in urbanizing suburban areas.

Strategies:

a. Establish procedures for connecting congregations in mutual ministries, building on the model already started in the Dallas Northeast District. In this model, partnerships for ministry are voluntarily established whereby two or more churches share cultural, financial, and personal resources for shared mission, thereby building relationships across the Conference that cross boundaries of geography, race, and economic status. Responsibility for implementation resides with the cabinet. The goal is to involve at least sixty congregations in significant partnerships by 2002.

b. Create new worshiping congregations. Responsibility for implementation resides with the cabinet and the Creating Congregation Team.

c. Equip diverse congregations to establish mutual ministries that promote cultural sharing, understanding and shared servanthood. Such connections can help congregations overcome racism

and other barriers that separate groups of people. Responsibility for implementation resides with the Equipping Disciples Team. The goal is to involve at least thirty congregations in such ministries by 2002.

4. Justice and Servant Ministries: To create, empower and continually evaluate ministries of justice and service.

Rationale: Our faith requires a witness that demonstrates the love of God and the demands for a more just society.

Strategies:

a. Evaluate and strengthen existing Shalom Zones. Responsibility for implementation resides with the Sending Servants Team.

b. Identify current urban outreach programs and learn from their experience. For those sponsored by The United Methodist Church, develop ways to strengthen their ministry. Responsibility for implementation resides with the Sending Servants Team.

c. Offer "hands on" mission opportunities for individuals and groups. Responsibility for implementation resides with the Sending Servants Team.

d. Partner with other community agencies, businesses, foundations and ecumenical organizations which seek neighborhood involvement and support. Responsibility for implementation resides with the Sending Servants Team.

5. Operation Jumpstart: To provide immediate assistance and guidance to churches in urban situations.

Rationale: The inner-city neighborhood churches of our area often face great need and great opportunity. Many of our congregations in transition are calling for immediate assistance and guidance.

Strategy: Create a fund called "Operation Jumpstart" for urban areas. To initiate this fund, a special gift of $50,000 has already been given from outside the Annual Conference budget. It is hoped that this amount will be matched by gifts from individuals and congregations, and would begin to be used at the points of greatest need. This fund would generally not be used for salary support except for critical situations, and then only temporarily.

Implementation: Operation Jumpstart would be administered by a committee composed of the three metropolitan superintendents, one lay and one clergy from each of the three metropolitan districts, the Director of Administration & Treasurer, the Director of Mission, and one additional district superintendent. This committee would also be responsible for setting policy and guidelines for the use of funds.

FUNDING: Raise $4,000,000 for the fulfillment of the Urban Ministry priority.

A. Raise at least $50,000 for Operation Jumpstart for immediate use.

B. Raise $3,000,000 for the Urban Ministry priority to be allocated by the Conference Leadership Team in consultation with the Cabinet.

C. Raise $1,000,000 for the endowment of the Perkins School of Theology intern program to fund urban ministry internships (see Goal 1, Strategy d). (A challenge grant already given to Perkins will match each dollar of our contribution to provide a total endowment of $2,000,000 for urban ministry internships,)

D. Funds for connecting congregations and other efforts may also be raised as part of the partnerships.

CAMPING AND RETREAT CENTERS
Section III of "Vision 2020"

INTRODUCTION

The focus on the camping and retreat centers of the North Texas Conference as one of the priority areas for ministry in the coming years is based on a combination of factors. The Retreat Centers Commission has been engaged over the last decade in extensive evaluation and planning for its sites at Lake Bridgeport and Lake Texoma. The Commission developed and presented to the 1995 Annual Conference "the vision" for the retreat centers for the next 50 years. That report was adopted but has not been implemented. Included in that vision was identification of the need and corresponding plans for retreat facilities for adult guests.

Then, during an extensive listening process after his arrival in 1996, Bishop William B. Oden heard from many persons and groups in the conference that our camp and retreat ministry should be a priority in the coming years. Bishop Oden knows from other experiences the value in bringing adults together in retreat settings and has shared his enthusiasm for developing an adult retreat center in the North Texas Conference.

Finally, many of the current facilities at the Bridgeport and Texoma centers are showing their advancing age and the fact that they were built in an era of different interests and expectations.

Kathleen Trotter, president and principal consultant for KALEIDOSCOPE, Inc., was invited to facilitate the Camping and Retreat Centers Consultation process for the following reasons:

1. To assess from an outside and experienced perspective the planning already completed by the Retreat Centers Commission.

2. To dialogue with persons outside of the Retreat Centers Commission in order to incorporate a broader understanding of the need for this ministry.

3. To prepare a comprehensive written report of the need and recommendations for action, which has been used as a basis for this plan.

4. To facilitate the Consultation Day dialogue in which the recommendations to be passed on to the Annual Conference were considered.

Ms. Trotter undertook a thorough review of both sites, the program and the organization as a basis for the comprehensive written report which she gave to the Retreat Centers Commission and which served as the beginning point of her presentations at the Consultation on Camp and Retreat Ministries.

THE VALUE AND IMPACT OF CAMP AND RETREAT MINISTRY

1. The most frequently used words describing a camp or retreat experience are..... *"a life changing experience."*

2. Camping and retreating is as integral to our on-going Christian development as worship and Christian education. It does not replace either – it is another very effective medium for doing evangelism, discipleship and living out the mandate to be the Body of Christ.

3. The testimonials and formal research provide concrete evidence that camps and retreats

help local churches accomplish their mission of making disciples of Jesus Christ. These are settings which.....

- Solicit commitment to Christ and a Christian life.
- Motivate a response to the call to Christian service and ministry.
- Support effective Christian education, free from distractions, with a concentrated time frame, facilitated by trained leaders, in the context of Christian community.
- Build lasting relationships – within congregations, between youth and adults, across the annual conference, within families.

CAMPS AND RETREATS ARE NOT A "THING OF THE PAST", BUT THEY ARE CHANGING

1. This ministry is subject to the same changes as worship and Christian education – if you're doing it like you did 10 years ago, your participation is probably declining.

2. Things that work to build a vital camp and retreat ministry in the 1990s:

   - Active programs with lots of exciting options, offering new experiences and ways to learn new skills.
   - Shorter programs, offered throughout the year.
   - Higher level of comfort and convenience in facilities FOR ALL AGES.
   - An intentional outreach ("marketing") plan to reach ALL potential participants. We cannot rely on the loyalty factor to motivate campers.
   - Integration of program and operation with many more site-based program experiences.
   - Well trained leaders.
   - Events for ALL AGES with appropriate program style and facilities.

3. A major AND EXCITING change is that ADULTS are seeking out resident learning experiences for spiritual growth or planning WHEN.....

   - The facilities provide adequate comfort and privacy.
   - The hospitality and setting makes the event a respite (leisure activities at the site, natural beauty, good food, childcare available).
   - The event is timed right (probably shorter than in the past).
   - The event is within a reasonable distance (1 ½ hours for a weekend).

VISION

We will develop our camp and retreat ministries, as well as our camp and retreat sites, in such a way that the following outcomes may be anticipated as a result of our investment:

- The local churches of the conference will be renewed by the infusion of children, youth and adults who have a fresh commitment to the Christian faith and The United Methodist Church.
- The relationships in the annual conference will be revitalized through the fellowship that takes place in the camp and retreat programs.
- The United Methodist Church will continue to have committed and skilled leaders who respond to God's call to ministry.
- The ministries of the church will be made more effective through the leadership development that happens in the volunteers and campers who participate.

;OALS AND STRATEGIES

I. MAKE THE OPERATIONAL CHANGES NEEDED TO REMAIN VITAL AND VIABLE

- Unify the program and operation in a new Committee on Camp and Retreat Ministries, which will relate to the Conference Leadership Team. This is one ministry and it needs a governing body responsible for the total scope.
- Broaden the understanding of program ministry to include the ministry of hospitality.
- Add program resources to the sites (and resourcing responsibilities to the site managers).
- Introduce more exciting program themes, more challenging activities.
- Develop compelling promotional materials and a comprehensive marketing program.
- Embrace the opportunity for touching ADULTS AND FAMILIES through retreat and conference events – create and fund a plan to build these programs.

II. DEVELOP EACH SITE TO FULFILL A UNIQUE NICHE

The following program style definitions provide important background to this proposal:

CAMP (as defined by the American Camping Association): *A sustained experience (four days or longer) which provides a creative, recreational and educational opportunity in group living in the outdoors. It utilizes trained leadership and the resources of the natural surroundings to contribute to each camper's mental, physical, social, and spiritual growth.*

RETREAT (as defined by Kathleen Trotter, consultant): *Generally a group of 10-75 persons, engaged in an experience led by a primary charismatic leader. Usually all parts of the program are integrated, flowing smoothly through a structured sequence of experiences with all members participating in the same set of activities, offering a relatively small amount of optional time. It is most effective to have facilities "under one roof" to enhance the continuity and the building of relationships.*

CONFERENCE (as defined by Kathleen Trotter, consultant): *Commonly a group of 50-300 persons (or more), organized by a director or steering committee, and led by a variety of people. The program is focused around a common theme but allows participants to choose the specific activities. The schedule of options is coordinated but participants are not expected to function as a total group except for major plenary/worship sessions or keynotes, and probably meals. Often conference centers are designed as campuses with a variety of housing and recreation options.*

PROPOSAL

A. Develop **BRIDGEPORT** as a multi-style year-round **CAMP and CONFERENCE CENTER** for all ages.

Facilities and resources for traditional "camping" programs (updated).

Enhanced use of the outdoors and natural amenities with supporting indoor program areas.

Intermediate group retreat facilities (dormitory and semi-dormitory, Levels I and II) with "adult friendly" enhancements.

B. Develop **TEXOMA** as a medium-sized year-round **RETREAT CENTER** for youth, adults and families.

Group (semi-dormitory, Level II) and individual (private and semi-private, Level III) accommodations, designed for adult needs.

Indoor meeting facilities with outdoor relaxation opportunities.

PHYSICAL REQUIREMENTS TO FULFILL MINISTRY NICHES

To create a VITAL and VIABLE camp and retreat ministry for the North Texas Conference, these design characteristics apply to both sites:

- Accommodate multiple groups simultaneously
- Bathrooms adjacent to all bedrooms, separate vanities
- Quality finishes and furnishings
- Handicapped accessible
- Year round, for multiple ages

Bridgeport Camp and Conference Center
Capacity 300

- **Casual, natural environment**
- **Rustic to intermediate level of comfort and privacy (Levels I & II)**
- **Designed fdor children and youth with "adult friendly" modifications**
- **Multi-style, for several small groups or one large group**

- **With these facilities:**
  Dormitory lodges (8-10 persons per room)
  for children and youth
  Semi-dorm lodges (4-5 persons per room)
  for youth and adults
  Outdoor recreation and learning experiences
  Multi-use meeting/activity hall
  "Mix and match" meeting areas of various
  sizes throughout the campus.

Texoma Retreat Center
Capacity 100

- **Groomed, park-like environment**
- **Intermediate to refined level of comfort and privacy (Levels II and III)**
- **Designed for adults with "kid friendly" modifications**
- **Homogenous setting; strong sense of community; intimate settings, indoors and outdoors**

- **With these facilities:**
  Semi-dorm lodges (4-6 persons) for youth and adults
  Semi-private lodges (2-5 persons) for adults and families
  Specialized indoor program areas-conference room, chapel lounge, dining room
  Outdoor leisure areas, self-directed recreation

III. DEVELOP THE FOLLOWING FACILITIES
The following projects are recommended in order to begin to enable the centers to carry out their ministry niches.

The projects are listed in the sequence recommended, based on a continuing commitment to children's and youth programming, the desire to begin new retreat ministries with adults and families, conditions of existing facilities, and the relationship of the projects to each other.

PHASE 1:

- **Construct a new accessible lodge with 2-4 beds per room, bath adjacent (Level II) at Texoma. (Gift of $100,000 already received for this project.)**
- **Construct a new swimming pool to replace the deteriorating facility and develop waterfront recreation area at Bridgeport.**
- **Construct a new Lakeshore Village at Bridgeport which will replace the current North Village–designed for elementary campers and group retreats. Capacity of 96 persons in three units of 32 beds each. Each unit to be configured in pods of eight beds. Facilities to represent Level I accomodations, with adjacent meeting and leisure gathering space. To be connected to the campus core. To have its own developed waterfront area if possible.**
- **Develop necessary infrastructure at Bridgeport required by the upgrades; design and construct roads and paths to make the site as accessible as possible. Make other "reasonable accomodations" where necessary (van to dining center).**

PHASE 2:

- **Construct two new retreat lodges at Texoma with semi-private rooms for 24 persons (2 per room) each, bath with every room (Level III). Consider these general characteristics in the design:**
  - **appointed with quality furnishings and comfortable mattresses**
  - **a decor pleasing to adults**
  - **a separate vanity from the toilet/shower facilities**
  - **a study area (table or desk)**
  - **good ventilation, self-controlled heating and cooling**
  - **constructed with sound privacy**
  - **interior access to the primary meeting areas**
  - **in-room telephones**
- **Construct a dining center for 120 persons at Texoma within easy waling distance of the lodges, able to provide flexible meal times and style of service. The dining center must provide a pleasant atmosphere which encourages conversation and leisure fellowship, also able to accomodate banquets and special programs.**
- **Renovate the Assembly Hall at Texoma to improve accoustics, upgrade finishes and furnishings to be comparable to other adult facilities.**
- **Develop infrastructure necessary at Texoma to support additions; finish hard-surfaced roads and paths for handicapped accessibility, ease of use by adults.**

Future needs include the construction of a new Creekside Village at Bridgeport to replace the current South Village, the renovation of Hilltop Village at Bridgeport, the renovation of Cabins 2 and 4 at Texoma, the relocation of the dining hall at Bridgeport, the construction of a chapel at both sites, and additional recreational facilities at both sites.

IV. FUNDING: Raise $4,000,000 for the Fulfillment of the Camping and Retreat Centers Priority

All projects must have further planning to verify location, design and cost.

CONFERENCE ADMINISTRATION

BOARD OF CHURCH EXTENSION

Annual Report
1998

In what may be the last year of the Board of Church Extension, as we know it, we have continued with our mission of supporting new church starts. The following is a report of our accomplishments this year.

Flower Mound U.M.C., in Flower Mound, broke ground and started the building of their first phase unit. Church Extension conveyed 2.5 acres, of the 8.1 acre site, to them for this purpose. We were also able to work out a payment request to help with their building finances in conjunction with Texas Methodist Foundation, who supplied the building loan. Two portable buildings were also made available to the church to help with their spatial needs.

Suncreek U.M.C., located in Allen, with the help and expertise of some of our board members was able to work out a property trade for 1.76 acres. This helped to square up their property site. Suncreek will begin the enlargement of the house on their property into their first phase unit this year. Church Extension conveyed 2.223 acres, of their 12 acre site, to them for this purpose. Church Extension continues to own the parsonage for this church.

Stonebridge U.M.C., located in McKinney, is growing so quickly that an additional 4.3 acres was purchased for them this past year. The total debt was rolled into one note at Texas Methodist Foundation and this purchase gives the church a total of almost 15 acres. A total of 5 - 6 acres will be conveyed to the Stonebridge church and they will begin their first phase unit this year. They are also involved in a property swap with the Assisted Living Center located next to them.

Church of the Disciple U.M.C., located in DeSoto, has purchased their eight acre site from Church Extension and will begin their first phase unit this year. This site had been purchased several years ago and the church has been making pre-payments on the land debt to Church Extension for the last two years.

The property site on Garden Ridge Road in Flower Mound was sold to another denomination, who paid off the note held by Church Extension for their purchase. In turn, Church Extension was able to pay off the note at Texas Methodist Foundation for the original purchase of this property. This helped somewhat to reduce our debt at TMF.

The merger of Richland U.M.C. and St. Paul U.M.C., Garland created the Cornerstone U.M.C. This church was able to sell both of the facilities owned by the churches involved in the merger. Church Extension conveyed a 5 acre site to them in North Garland upon which they have plans to build.

Several years ago Church Extension acquired a site for the relocation of the Quinlan U.M.C. The church has built upon this property and Church Extension has granted Quinlan U.M.C. a four year payout for their part in the payment of this property site.

A demographic study of South Wise County in the Wichita Falls District was conducted this past year and Church Extension participated in the partial funding of that study.

Church Extension continues to support with funding the following fellowships: San Juan Fellowship, Jubilee Fellowship, and the Pleasant Grove Fellowship.

Church Extension also contributes salary support to Flower Mound U.M.C., Suncreek U.M.C. and Stonebridge U.M.C.

There are currently 16 portable buildings that Church Extension maintains and provides for churches within the Conference. All are currently in use, but there is a waiting list maintained for these buildings.

The Church Extension Shares of the Visionaries Program continue to fund the land debt retirement at Texas Methodist Foundation for our current site purchases. However, because of the reduction of income more of our reserve funds are being used in this debt retirement.

In the re-structuring of the conference Church Extension will no longer be a working body. Parts of the work it has done in the past will be renamed and worked by other groups. We are proud of the work that Church Extension has done and feel that we leave the "game" while still in our prime. Many of the new startups over the past years that Church Extension has assisted the Bishop and Cabinet in starting have gone on to be large, viable churches. We are pleased that we have been part of this process and look happily backward to many positive experiences. To all of those who have been board members, directors, and staff people a very "big thank you".

1998 CONFERENCE BOARD OF TRUSTEES
ANNUAL REPORT

The North Texas Conference Board of Trustees began the year believing that a new Denton Wesley Foundation facility at the University of North Texas was imminent. However, in the midst of deliberations, apparently the deal with the University has fallen apart.

Over the course of the year, the Board of Trustees has:

- declined the donation of a house in Dallas that was in bad repair
- completed renovations to the conference office building
- conveyed the property to the former Messenger Chapel site via a Quitclaim Deed to the original heirs due to a "reverter" clause in the deed
- received an offer for the sale of mineral rights to the Sandflat property (no sale as yet)
- negotiated a contract for the sale of the former Westview property (Sherman-McKinney District) for $6,700 (not yet closed)

In January, we met with Dr. Leighton Farrell, superintendent of the Dallas South District, to discuss the future disposition of the Southwood Church property. The proposal that is coming before the conference for a vote represents the final outcome of that discussion.

Heretofore, the Board of Trustees has not required an apportionment in order to fund its work. However, with the decline in the reserves dedicated to the maintenance of the conference center, the Board respectfully requests that a new apportionment in the amount of $20,000 be dedicated for future major maintenance.

Further, the Board recommends the following actions to the conference:

(1) Discontinuance of Southwood with the property being used by the Dallas South District for a retreat center.
(2) Discontinuance of Urban Park with the property being used by the Dallas South District.
(3) Discontinuance of Nueva Esperanza of the Dallas South District (no property).
(4) Conveyance of the Gibtown property (Wichita Falls District) to the Gibtown Cemetery Association via a Quitclaim Deed.

CONFERENCE COUNCIL ON MINISTRIES
TELLING THE STORIES OF JESUS

With devotion and energy, the Annual Conference Council on Ministries has labored faithfully to "tell the stories of Jesus" since we last met. As the program arm of our Conference, the Council has sought to keep faith with its mandate to minister in the "gaps" which tie our churches together and to undergird and support each local church in ministry and mission. To that end, the Council has provided significant camping programs at our Bridgeport and Texoma Conference centers, for persons of all ages. Most notable have been our camping ministries for children and youth, but young adults, local church planning events, ministry conferences and many other activities have been made available through our conference camping facilities.

Additionally, the Council has sought to tell the story through the various boards and agencies, so that the redemptive message of Jesus Christ might offer its life transforming power to the broad constituency of the "people called Methodists" in North Texas. Following are some of the highlights of the Council's work, all of which in various ways have told the story "we like to hear."

The Children's Division held various teacher training events for Sunday School and Vacation Bible School throughout the Conference. The Celebration of Confirmation with Bishop William B. Oden was a Conference wide event for confirmation classes which proved to be most meaningful. The Faith Home training event provided training to encourage churches to empower parents to teach faith in the family.

Youth Ministry has been carried on in broad and meaningful ways, from the deepening of spiritual understanding through camping and retreat programs, to special days for youth at Six Flags and Southern Methodist University, which enable our youth to see the richness of the Christian Fellowship, to mission and "hands-on" service projects which inspire and motivate young people to serve the Lord. All of these have told our Lord's story with the strength and fervor of Christian young people in the North Texas Conference.

Our Board of Church and Society, in the spirit of the ancient story has offered information and clarity on some of the most important issues of our time. At the request of the 1997 Annual Conference, the Board this year formed a task force to address the resolution regarding closing the School of the Americas and will present a response resolution to the 1998 session of the Conference. The Board has published a website with information on drug abuse, including agency contacts where assistance is available, and encouraging local church and pastoral attention to this most important issue. Further, the Board has voted to place one copy of "A Congressional Directory and Action Guide" in each local church. This resource lists names and addresses of all Congresspersons, and legislative guidelines on how to submit opinions and suggestions on topics relevant to Christian concern. Finally, the Board is placing one copy of "When the Church Speaks: A Guide to the Social Principles" in each congregation. The Board is encouraging each local church to utilize the booklet in study groups, confirmation classes and other appropriate settings.

The Commission on Native American Ministry, likewise has supported the 35,000 American Indians in North Texas, by providing a strong message of intentional ministry in offering Christ to Native Americans. The Commission offers thanks to the many local congregations that celebrate Native American Awareness Sunday, receive an offering in behalf of Native American ministry, and sponsor mission trips to American Indian populations. Additionally, the telling of the story among Native Americans is carried on by local church support of the Oklahoma Indian Missionary Conference and by conducting ministries and programs which are geared toward ministering to the unchurched or non-Christian Native-American population. Among the myriad of ministries carried on by the Commission this year have been the distribution of over 300 dictionaries to Native American children

in North Texas, and participation in the Dallas Indian Caucus, the American Indian Chamber of Commerce, the Dallas Indian Education Program, The American Indian Cultural and Business Council, and the Dallas Task Force for American Indian Higher Education.

The Board of Discipleship has offered opportunity to "tell the story" through training and equipping opportunities to deepen spiritual life, broaden skills in reaching the unchurched, and training in Christian stewardship. The Stewardship Division, as an example, sponsored a seminar in local church stewardship development for financial and stewardship officials which hosted Herb Mather of the General Board of Discipleship, and provided multiple ideas for enhancing stewardship understanding in our churches.

Much energy of the Council on Ministries for the past year has been spent in response to the mandate of the 1997 Annual Conference, charging the Council with re-structuring itself to be more efficient and effective as a ministry delivery system. Through a program of listening, interviewing, debating, and praying, a new structure has been conceived and is being presented to this session of Annual Conference. While we recognize that structure will not rénew the church, we believe as a Council that the new proposed structure will enable us more directly to accomplish the ministries and tasks of "telling the stories of Jesus" and to resource and equip our churches more effectively at the point of their need. While much more prayer is needed, and effort expended, we believe God is using us significantly to bring a new day to the "people called Methodists" as we prepare to enter a new millennium.

DIVISION OF HEALTH AND WELFARE

METHODIST CHILDREN'S HOME

Mission Statement: To express God's love by providing superior services that protect, support and enhance the lives of children, youth and their families.

REPORT I A relationship that has been nurtured across 108 years, a relationship that has been "preached, prayed, and sang up" through good times and bad, and a relationship that is deserving of

a covenant for the sake of the children and families served by Methodist Children's Home on behalf of the North Texas Conference. Now, comes the Covenant Relationship Statement.

This year the North Texas Annual Conference and the Home revisit and reassess the covenant relationship statement that binds us in ministry. The Methodist Children's Home Board of Directors unanimously reaffirmed the Covenant Relationship Statement November 14, 1997.
The Relationship Statement is now respectfully submitted to the North Texas Annual Conference for review and action.

This past year was a pivotal one as we continued to expand our program in the Dallas area with the family preservation effort called Partnership in Parenting and the Foster Care Program without any state reimbursement revenue. The Parents in Partnership Program is an effort to hold the family unit together without having to remove the children from their home. The mother-infant program called Families First is underway on the Waco campus. This six-month program will place the mother and her children in the Howard home unit along with other one-parent families for rehabilitation and independence.

Now, with that next telephone call from a pastor about a hurting family, that inquiry from a school counselor about a troubled student, or the referral from the social worker, we are committed to continue making a difference with children and families. Your prayers, interest and financial support are essential. We are grateful that you help make our ministry possible. Please continue to remember the children, youth and families of the Methodist Children's Home-from the sacred ground of our covenant relationship.

REPORT II. HOW YOU CAN HELP
-Pastors are encouraged to contact Methodist Children's Home Services, located in Dallas at 13140 Coit Road, Suite 401, Dallas, Texas 75240, Telephone (972) 480-8772, regarding child placement needs.
-Promote Methodist Children's Home December Christmas Offering in each local church.
-Reaffirm the defense and protection of rights and privileges of children needing care by someone other than their parents, and uphold the principle of licensing agencies, for purposes of caring for or placing children, to protect minimum standards of care for every child in the care of other persons.
-Contact Ty Herring, Vice President for Development of Methodist Children's Home, when individuals indicate consideration of the Home in making their long-range giving and charitable estate planning.

METHODIST MISSION HOME
1997 IN REVIEW

Methodist Mission Home (MMH) placed 55 babies and served 150 deaf students in 1997. Babies were placed in adoptive homes, birth parents received the support they needed and young people who are deaf are well on their way to becoming independent, self-sufficient adults. Over 4,700 people were served by MMH in 1997.

As we enter 1998, we are continually developing new programs and approaches to better serve our clients and the community. Some of the highlights of 1997 are:

- Contacts were established in 16 countries to launch MMH's International Adoption program.
- MMH initiated a national coalition of agencies providing services for people who are deaf.
- Sixty deaf students were placed in jobs in the community during the year.
- A new long-term apartment living program was developed for rehabilitation clients.
- The Campus Ministry Program developed a spiritual retreat for deaf clients called, "A Walk With Jesus." Sixteen clients attended the first retreat.
- New telephones and an interactive computer network were successfully installed.

- A grant from the Myra Stafford Pryor Charitable Trust made it possible to replace all client beds in the dorms. Several local churches joined in by redecorating 10 client rooms.

- MMH's Board of Trustees achieved a 100% participation rate in contributions.

- The Santa Fe Branch Office had its official Grand Opening in April, and the Houston Branch Office was dedicated by Bishop J. Woodrow Hearn in February. In addition, an Arlington Community Advisory Committee is working with local staff to develop the Arlington Branch Office.

- A Public Information Office was established.

- More than 11 youth groups from Texas and New Mexico contributed thousands of volunteer hours through mission projects on campus this past year. The NOMADS (UM Volunteers in Mission) made a return visit and spent three (3) weeks doing campus improvement and clerical projects.

- Twenty-five MMH staff members have attended Walks to Emmaus and we recently hosted the 3rd annual Northwest Emmaus Community gathering

Methodist Mission Home continues to participate with the UT/Austin Department of Psychology in the largest adoption study ever undertaken in the U.S.

C. C. YOUNG

Mission

C. C. Young is dedicated to the elderly, their families and the community, providing programs and facilities in a continuum of care extending from home and community based services to residential housing and full time nursing care. Reflecting the Christian traditions of love and service, we strive to enhance the physical, mental, social and spiritual well being of the elderly.

1998 marks C. C. Young's 76th year of continuous care and service to the seniors of North Texas. Consistent with its mission, C. C. Young is able to provide its almost 600 residents a full continuum of care and support. This continuum allows residents to choose the level of care best suited to their needs.

- Independent living accommodations afford residents the benefits of living on their own without the worry of keeping up with household duties and responsibilities while allowing easy access to services in the community.
- Personal care units provide residents with the type of support they require, while allowing them to maintain a more nearly independent level that is comfortable for them.
- The skilled nursing center and staff provide 24-hour care in a setting that offers residents dignity and respect.

C.C. Young's new Adult Day Center, which opened in March 1998, offers a choice for at-home caregivers. The purpose of the Adult Day Center is to provide programs and services, which allow

individuals to stay at home longer and prevent or postpone the need for nursing home care. The Adult Day Center is the first phase of C.C. Young's new community and home-based services program.

Plans for the future include construction of a new assisted living facility, scheduled to open in July 1999 and major renovations and remodeling of current structures. In addition, these plans include the construction of a new senior center facility for residents and community.

In the judgement of the Board of Directors, these plans require that a large Capital Campaign be conducted to fully implement the plan while continuing to fulfill C.C. Young's mission. This campaign is in the initial phase and is progressing well. Nevertheless, achieving the campaign's goals will require broad-based participation from individual United Methodist.

Situated on a beautiful 22-acre campus setting, C.C. Young is able to offer its residents a country-like setting with large trees and lovely landscaped grounds. Overlooking White Rock Lake, C.C. Young is only minutes away from major Dallas attractions and shopping centers. North Park Mall, the Dallas Arboretum, Dallas Museum of Art and The Meyerson Symphony Center are all within easy driving distance. For residents who prefer not to drive, scheduled bus trips to these and other locations are provided by C.C. Young.

In keeping with its mission C.C. Young provides benevolent care for more than one out of three Health Center residents and over $36,000 a month in benevolence campus wide.
C.C. Young has a modest waiting list in some areas for admittance. Usually one may gain admission soon after applying. However, we recommend planning several months or more in advance, as the move to any retirement setting is a most important decision.

Since 1922, C.C. Young has been a leader in the field of long-term health care and today is regarded as one of Texas' premier facilities for providing retirement living for older adults. C.C. Young is a non-profit organization and is proud to offer its services to everyone through its non-sectarian, equal housing admittance policy.

For more information on how you can become a member of C.C. Young's family or become a volunteer, please call 214/827-8080. Kenneth T. Durand, President

WESLEY VILLAGE

On December 7, 1997, Wesley Village, along with 250 guests and residents, celebrated its tenth birthday. Among those in attendance was resident Grace Cardwell, widow of Rev. Paul Cardwell. They were the first residents to move to Wesley Village in December, 1987.

The past twelve months have been marked by looking to the future by Administration and the Directors. Driven by our mission and ministry as the only "not-for-profit" senior-care institution in the Texoma area, efforts are being directed toward increasing the scope and variety of our services. Possibilities under study for implementation in the near future include such services as a new and larger Assisted Living unit, a Home Health Care group, and low income housing. The foresight of those who started Wesley Village has given us a distinct advantage for the future. The 60+ acres of land that are available offer a beautiful campus suited to a wide range of
needed services and facilities for those who represent the fastest growing segment of our population.

At present all avenues for financing are being examined, including linking in some fashion with other community agencies and organizations who are also seeking to answer the needs of our aging low and moderate income population. From the debt service standpoint, we have improved our position markedly with the pay off of our Texas Methodist Foundation loan in February of 1997 and our C. C. Young loan in December. We are actively investigating all possibilities as we learn of them for regular

loans, grants, subsidies, etc.. By linking ourselves with other community groups having like-minded goals, we can look forward to broadening our base, and developing new opportunities for growth in ministry and mission. THE NEEDS ARE HERE. THE POTENTIAL IS HERE. THE WESLEY VILLAGE OF THE YEAR 2000 IS JUST OVER THAT NEXT HILL!

METHODIST HOSPITALS OF DALLAS

It began in 1920 when a group of Dallas Civic Leaders and Methodist clergy addressed the need for a new hospital to serve a growing city. This hospital would uphold the Christian principles of life, learning and compassion, and be supported by the people and spirit of the United Methodist Church. More than 75 years later, this purpose has never wavered. For patients from every walk of life, from every neighborhood, and from around the world, a tradition of personal concern and innovative medicine is upheld by the health care professionals of Methodist Hospitals of Dallas.

Located just southwest of downtown Dallas, Methodist Medical Center, with 463 beds, serves as the teaching and referral hospital for the Methodist Hospitals of Dallas system. In recent years, more than $100 million in new facilities has transformed the Medical Center, creating a home for some of the most sophisticated health care available anywhere and making it the largest hospital in Texas with all private patient rooms. Charlton Methodist Hospital (191 beds) has also grown since it opened in 1975, consistently expanding its capabilities to serve the residents of Dallas and some of the fastest growing suburban communities in southwest Dallas County.

In the Summer of 1997, a $30 million expansion project was begun at Charlton Methodist Hospital. When completed, the project will result in a new Cancer Center and medical office building, as well as expanded hospital and outpatient care facilities. A new Emergency Department and Heart Center are part of a $19 million expansion project started in the Fall of 1997 at Methodist Medical Center.

With a deep commitment to and focus on its service area, Methodist Hospitals of Dallas extends a comprehensive approach to health care across North Texas. In fiscal year 1997, Methodist Hospitals of Dallas:

- **treated 22,299 adult and pediatric inpatients,**
- **delivered 3,950 babies,**
- **performed 5,878 inpatient and 7,772 day surgeries,**
- **completed 532,676 outpatient tests, treatments and procedures,**
- **treated 75,975 trauma and emergency room patients,**
- **recorded 24,786 visits in the teaching clinics.**

The relationship between the North Texas Conference and Methodist Hospitals of Dallas is established by a Covenant agreement through which United Methodist clergy and laypersons are afforded many opportunities to express their faith through Christian service. Methodist clergy and laypersons are representatives on the Board of Directors and Boards of Trustees of the respective hospitals. Every United Methodist congregation is urged to designate a representative to the Medical Center Auxiliary. Other persons from each church are encouraged to participate in Auxiliary activities. The Volunteer Program offers additional opportunities for service in many vital areas of hospital operations. Volunteers are needed and interested persons are encouraged to call Methodist Medical Center (214/947-2975) and Charlton Methodist Hospital (214/947-7676) to learn of the many volunteer opportunities which are available.

Dallas Methodist Hospitals Foundation is another arm of mission that helps to support Methodist Hospitals of Dallas. Christian persons who wish to extend their stewardship over future generations for the benefit of Methodist Hospitals of Dallas are given the opportunity to do so through the

Foundation. The Foundation can also provide special programs on health issues, screenings, estate planning, and referral services. Your support is encouraged and greatly appreciated.

Service to the community as a not-for-profit, church-related institution is at the heart of Methodist Hospitals of Dallas' mission. The commitment shown by these hospitals is more than a matter of new buildings and services. It is a commitment of philosophy and practice, of technology and training. It is a commitment to a history and future of caring for others. We value our heritage and our continuing strong relationship with the United Methodist Church. The cross atop Methodist Medical Center symbolizes the caring and concern that are the daily standard of service for Methodist Hospitals of Dallas.

GOLDEN CROSS

The call of our Lord to bring healing to the poor is profoundly answered through the Golden Cross ministry. For over 70 years Methodists of North Texas have said to those, at a time of perhaps their greatest need, "In the name of Christ, we are here for you".

The Golden Cross program serves those who are without funds, who are ill and who are referred for care at Methodist Medical Center or Charlton Methodist Hospital by a minister in the North Texas Conference. The program is directed by Chaplain Carole Somers-Clark at the Medical Center, and referrals may be directed to her attention at 214/947-2470.

The Golden Cross program is supervised by the Golden Cross Division Board of the Dallas Methodist Hospitals Foundation. The following are members of the Golden Cross Board, which establishes policies and oversees the administration of the program:

Michael L. Hutton, Chairman
Rev. James B. Bowden
Rita Clinton
T.R. "Russ" Delatour
John W. Evans
Mary Ruth Leavell
William H. Pierce
Alys Richards
James Stansell
Richard Steele
Darrell Thigpen, M.D.
William E. Weatherford

During 1997, 47 persons received services through Golden Cross. These patients represented referrals from 27 churches in the North Texas Conference and reflected an expenditure of $205,309 from the Golden Cross Fund. The actual value of these services however is substantially greater, since physicians at Methodist Hospitals of Dallas provide their services without charge. Forty-four percent of patients receiving care were referred by ministers from churches in the Dallas-South District. Nineteen percent were referred by ministers in the Dallas-Denton District, nineteen percent from the Dallas-Northeast District, fifteen percent from the Paris-Sulphur Springs District and three percent from the Wichita Falls District.

This past year a total of $57,855 was contributed by churches in the conference. We are particularly thankful for those churches which met the Conference goal by contributing $1 per member. These 100% churches were:

Axe Memorial UMC
Ben Franklin UMC
Birthright UMC
Brooklyn Avenue UMC
Button Memorial UMC
Chambersville UMC
Hopewell UMC
Inglewood UMC
Lake Highlands UMC
Nelta UMC
Northaven UMC
Oak Cliff UMC

Church of Disciple UMC
Cumby UMC
Dike UMC
Elmwood UMC
First Garland UMC
Filipino American Centenary UMC
Floyd UMC
Forestburg UMC
Greenland Hills UMC
Highland Park UMC
Oak Lawn UMC
Paradise UMC
Pecan Gap UMC
Saltillo UMC
Shooks Chapel UMC
Southwood UMC
Sulphur Bluff UMC
Tira UMC
Vista Ridge UMC
Williams Chapel UMC

Special appreciation is extended to Highland Park United Methodist Church. Highland Park not only met the $1 per member goal, but contributed an additional $10,000 to the program this year on behalf of patients referred from the Dallas-South District.

A total of 83 churches made contributions to Golden Cross during 1997. The remainder of funds utilized by Golden Cross represented earnings from the Golden Cross Endowment Fund, the Nelle Norrell Foundation, the Noland Estate of the Texas Methodist Foundation and from miscellaneous memorials and contributions.

The Golden Cross Division Board continues to encourage individuals to remember Golden Cross in their wills and to provide gifts to the Golden Cross Endowment Fund through their estates. In this manner, the Golden Cross program can continue to provide care and services in future years.

We thank those who have made contributions to the Golden Cross Fund this past year, as well as the Golden Cross Advocates who represent the Golden Cross ministry in their church. We also thank the physicians and staff of Methodist Hospitals of Dallas who continue to provide their services in such a capable and compassionate manner.

Please join in helping to extend the Golden Cross ministry through your prayers and your support in the years ahead.

DIVISION OF NATIONAL & WORLD OUTREACH

National and World Outreach has been an active and involved Committee in Mission in the local church, the district, the conference and the world. We emphasize the use of the Prayer Calendar, and all share Mission involvements.

Linda Hair, General Board of Global Ministries, met with us and stressed that 1998 is the 50th Anniversary of ADVANCE. Videos called, "A Day of New Beginnings," have been sent to all churches. They are very good educational tools for mission.

Much emphasis throughout the year was made by Esther Segler, chair of the Wichita Falls District Mission Event, which was held April 24-26, 1998. All churches participated, and over 50 invitations were sent to prospective speakers. Because so many were involved, it was very successful!

Budget money ($700) was used for the North Texas Refugee Center to purchase materials for 20 tables made by Volunteers-In-Mission for immediate family needs for Refugees. Ann Johnson is the liaison.

$300 gifts were sent to each of the following missionaries from our Conference: Rev. and Mrs. Alex Awad, Rev. and Mrs. Roger Hudson, Rev. and Mrs. George Holcomb, Rev. and Mrs. Kenneth

McIntosh, and Jerri and Bill Savuto. Of course, we are all happy with the wonderful work they are doing.

Bobbye Chester is the Dean and Nan Davis is Assistant Dean of the Cooperative School of Christian Mission, July 24-26, at Austin College in Sherman, Texas. Brochures are available with all details and information concerning the school and scholarships.

THIS SCHOOL IS FOR ALL IN THE CONFERENCE!! PLEASE URGE THOSE IN YOUR CHURCHES TO COME TO AUSTIN, COLLEGE, JULY 24-26!! THE TEACHERS AND LEADERS ARE OUTSTANDING!!

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

TEXAS UNITED METHODIST COLLEGE ASSOCIATION

Under Tom Locke's leadership, the Texas Methodist Foundation has brought together, for the first time, representatives of more than fifty institutions and agencies related to the United Methodist Church in Texas. In two meetings of the group we have seen an exciting and productive gathering of a wide variety of organizations that serve the mission of United Methodism in Texas.

Their combined services tell a wonderful story. It is the story of homes for children, centers for young people with special needs, retirement and nursing homes, hospitals, community centers, theological training, communications, low cost housing, colleges and universities - the list goes on and on! It is the story of 28,707 employees, 439,967 hours given last year by volunteers, all working to change lives and build a better society.

In our own field of higher education it is the story of 92,544 living graduates of our schools and thousands of young people receiving scholarships and financial aid.

It is the combined story of obstacles overcome and achievements reached. It is adherence to a common mission, support for shared goals, working together to fulfill the mission and ministry of our Lord Jesus Christ.

Our church itself was created out of John Wesley's bidding to his followers to "do good." All of us working together can strive to make our own unique and full contributions to the common good.

The seven colleges and universities that belong to the United Methodist Church in Texas are proud to be a part of this record of making a positive difference in the lives of people.

In 1997, through the giving of local churches in Texas, we gave to five of our institutions for scholarship and financial aid support. It was distributed as follows:

Lon Morris College	$	127,132
McMurry University		149,254
Southern Methodist University		202,646
Southwestern University		147,698
Texas Wesleyan University		176,320

Huston-Tillotson College and Wiley College receive scholarship and financial aid support through the Black College Fund - an equally important way to help young people.

Isn't it marvelous that John Wesley's words to "do good" can be expressed in so many diverse and creative ways? Our call to all members of United Methodist churches in Texas is to be a community of mission and ministry that is real, understood by all to be vital, mutually supported, widely shared, and cared for by each other.

Ben Oliphint, President

BOARD OF LAITY

The Board of Laity of the North Texas Conference is organized and functions in accordance with *The Book of Discipline.*

The 1997-98 Board of Laity recognizes that our purpose is to heighten an awareness of the role of the laity within the local congregation and through their ministries in the home, work place, community, and world in achieving the mission of the Church to "make disciples of Jesus Christ."

The Board has met on a regular basis through the year to plan, to promote programs, and to share information from each individual area of responsibility. The Board planned the training of Lay members (NAACLL) in San Antonio. Fifty-three of the sixty-five annual conferences were represented at the meeting. Carolyn Johnson and Lovett Weems led us in marvelous, inspirational and informative sessions. The theme selected for 2000 General Conference Laity Address will be: "Partners in Ministry: Making Disciples of Jesus Christ." The emphasis and theme for Laity Sunday (3rd Sunday in October) for 1998 will be "Partners in Ministry-Making Disciples of Jesus Christ in daily life."

The Board of Laity will continue serving its role of the ministry of Laity. All God's people in all places, and in all times, are called to love and to serve.

Alys Richards, Chair

ARCHIVES AND HISTORY

During the current Conference year, the Commission on Archives and History has met monthly to prepare Conference archival materials for microfilming. Among the thirty-some boxes of records processed are: the papers of Walter Vernon; the sermons of Bob Middlebrooks; the Leora Trice collection; and assorted pre-1900 charge conference minutes.

Other projects initiated in '97-'98 are: inventory local congregation files in the Conference Office; expand the *METHODISM MOVES ACROSS NORTH TEXAS* index; and will institute proceedings to update the conference history.

The Commission expects to bring these projects to fruition in the coming year, and to start others, such as: offer Archives & History workshops to ethnic churches; investigate new technologies for record keeping; create a book of photos and biographies of N.T.C. ministers; develop guidelines to Archives & History resources in the North Texas Conference; and begin the updating of the Conference History.

J. Bruce Moseley, Chair

COMMISSION ON ASIAN MINISTRIES

The Commission is deeply aware of the fast growing Asian population in the Dallas Metroplex and has been discussing strategies to meet the challenge and opportunities for ministry. Their vision is a conference-wide ministry to Asians wherever these may have found residence. The Commission is

proposing that the conference adopt the vision for itself and appoint a person to facilitate the realization of the vision.

To make this vision become a reality, the Commission developed programs that foster closer working relations between the present Asian ministers and churches. Some of these programs are the youth retreat, the Asian Forum, lay training event, church inter-visitation, and the creation of the Asian Women's Fellowship. The Asian Women's Fellowship holds three gatherings in the year during which they learn from each other and plan ways they can support each other and the ministry of their respective churches. Their most recent achievement is the creation of a Choir which sings in the five Asian languages represented in our conference area: Cambodian, Chinese, Korean, Indian and Filipino.

One area of great concern to the Commission is the difficulty on the part of the Conference structure to include Asian ethnic ministers who are still learning the English language. As things stand now, the Asian ethnic minister is expected to speak English as proficiently as other ministers, because "he or she might be appointed to an English-speaking congregation." The Asian ethnic minister's language is his basic tool and his greatest asset for ministry for inclusion in the structure of our conference! If our conference insists on this "English rule," the Commission thinks we will lose the great opportunity open to us, at this time, to be a truly inclusive church. Other denominations are opening the doors to them.

As we move with the restructuring process, the Commission fervently prays that the commitment of the conference to minister to all peoples, which is its obedience to Christ's Great Commission, will be even more strengthened.

Philip del Rosario, Chair

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

The *Commission on Christian Unity and Interreligious Concerns* (CUIC) continues to actively represent United Methodism and the North Texas Conference in ecumenical ministry at local, state, and national levels.

In our own Annual Conference worship each year, in cooperation with our Bishop, CUIC encourages ecumenical representation at ordination services. The ecumenical representative in 1998 is Larry James, the new Executive Director of the *Greater Dallas Community of Churches* (GDCC). CUIC has also worked extensively in other capacities with GDCC, particularly in planning GDCC's Annual Assembly each November and in coordinating efforts to promote the National Week of Prayer for Christian Unity each January. In addition, many other individuals and local congregations in the North Texas Conference apart from CUIC continue in a wide variety of significant ministries with GDCC.

An especially exciting ministry associated with GDCC is the *Ecumenical Jubilee Project*, which invites Christians to gather in worship, dialogue and service. This ministry gained significant momentum in 1997 when a member of the North Texas Conference, William K. McElvaney, agreed to serve as Jubilee Project Coordinator. Responding to Jesus' prayer in John 17 for the unity of his followers, the Jubilee Project officially began on the afternoon of March 2, 1997, at Thanksgiving Square in Dallas, with representatives from eleven different denominations signing a covenant pledging greater cooperation, fellowship, prayer, and dialogue as members together of Christ's body on earth, the church. The signing of this covenant was followed by an ecumenical dialogue event on October 9, 1997, involving more than fifty Judicatory leaders and clergy. A similar dialogue event with lay involvement is set for October 28, 1998. Future Christian Service ministries related to the Jubilee Project and GDCC will involve teens and adults through Summer Reading programs in the larger Dallas area. These and other events are just the beginning in a great series of ecumenical celebrations designed to lead us into the new millennium together.

CUIC involvement at the state level continues to expand through our ministries with the *Texas Conference of Churches* (TCC). On February 22-23, 1998, six lay and clergy delegates attended the TCC Annual Assembly in Austin. The leadership of the North Texas Conference was highlighted by the election of our CUIC Chairperson as Moderator of the TCC Commission on Christian Unity and Interfaith Relations, one of the two program bodies in the TCC. In addition, members of the Vista Ridge United Methodist Church Spirit of Jazz Singers were welcomed as an innovative expression of Christian worship at the TCC's Annual Faith and Order Conference in November 1997.

On the national level, the North Texas Conference was represented by two delegates attending the *National Workshop on Christian Unity* in April 1998, at St. Paul, Minnesota.

United Methodists have always been leaders in fulfilling the Biblical and Disciplinary mandates to embrace ministries with the church universal. CUIC covets the prayers and continued support of each North Texas Conference member as these vital ministries continue to grow to the glory of God in the coming years.

Timothy McLemore, Chair

ETHNIC LOCAL CHURCH CONCERNS COMMISSION

The Ethnic Local Church Concerns Commission has been involved in the development of clergy and lay members of the annual conference. Within the budget for the 1998 Conference year were on-going programs within the Districts which supported salary and program ministries of small ethnic churches. ELCCC provided support for the Chair of the Commission, and several other pastors and lay persons who are currently working in Urban Ministries, to attend Holy Boldness Conference held in San Francisco, California.

Holy Boldness is an initiative of the Church which embraces Urban Ministries and prepares clergy and staff for the successful development and implementation of Shalom and other Urban Ministry programs. The Holy Boldness Conference offered conference attendees the opportunity to share in the preview of on-going outreach community ministries.

The ELCCC also provided funding support for two African American pastors to attend the Robert Schuller Institute for Church Development. The Schuller Institute provided leadership models and practical ideas for the renewal and development of local congregations which were both informational and inspirational. The African-American pastors are in process of developing a leadership seminar to facilitate the sharing of ideas gained through attendance of the Schuller Institute with churches throughout the conference.

UNITED METHODIST MEN

There is a great potential in discipleship building through a local unit of the United Methodist Men. Every Church should take advantage of the opportunity to mobilize the resources of a group of men who seek daily God's will.

The men of the Conference have successfully completed the first phase of a project to assist Promise House in funding and operating a shelter for homeless teen-age girls and their children. Girls are assisted in education, job training, housing, self-development, health care, and family relationships. $50,000.00 was raised to renovate the building and help fund the program for pregnant teen-age girls. This on-going program continues with a goal of $50,000.00 this year.

Our first annual conference retreat was held at Camp Bridgeport in February. Dale Waymire and Dr. Bruce Weaver were the leaders.

Scheduled work days at both Camp Texoma and Camp Bridgeport have helped prepare the camps for summer youth activities.

UMM groups take turns providing Sunday breakfast for about 300 men, women and children at the Austin Street Shelter.

The purpose of the United Methodist Men is to encourage Christian men's leadership in the United Methodist Church to promote better understanding of men's Christian service responsibility through study, worship, commitment, dedication and participation.

UNITED METHODIST WOMEN

United Methodist Women is an integral part of the United Methodist Church. "In every local church there shall be an organized unit of United Methodist Women." (*The Book of Discipline* 1996, ¶p 258.3)

"The Lord gives the command; great is the company of the women who bore the tiding," Psalms 88:11.

Vision and Change are key words for our world as we wind up this century and plan for the next. Change is not limited to observing trends nor even doing solid planning. Change is about growth; it comes from finding the possible in the impossibilities of an organizations's life. Change is **about surprise**; it comes from pushing, pulling and whispers of the **Holy Spirit in our midst**!

Greetings in the name of our Lord, Jesus Christ! 1997 was a year of new beginnings, with the new structure implemented throughout the organization. 1998 the United Methodist Women of the North Texas Conference continues to rebuild and charge local units to be a stronger role model in God's mission throughout the church and community.

November 15, 1997, our elected officers (district and conference) completed training for the "District Visitation Program" that will enable us to reach out to the local units with programs to better interpret our **PURPOSE**. Several districts are already into implementing their visitation with local units and planning cluster events.

February 21, 1998, both Mission Team (district and conference) trained for "**The Mission Today Event**" which presented new ideas and opportunities to interpret our **PURPOSE** and ways in which to bring alive the vision of United Methodist Women for **all age levels**. We must continue to stir into flame "the gift of God" which God has given to us with a Purpose to act.

United Methodist Women celebrated "**25 years in mission.**" Each district within the North Texas Conference participated in this event and presented a "25 year - Silver Anniversary Pin" to past presidents serving in office during 1972. We begin our second century in

mission by renewing our minds, that we may discern what is the will of God. As United Methodist Women we must keep the vision alive by acting out our conversion and be willing to accept change.

The North Texas Conference of United Methodist women is 7800 + strong in membership - with 171 local unites reported for 1997. Five units were chartered for the first time in 1997. "**Congratulation** " to the pastors and new unit members of Rhome UMC, First UMC, Frisco, First UMC, Callisburg, Lakeway UMC, and Haven's Chapel UMC.

Mission in the 21st Century will not be the same as mission in the 20th and 19th Centuries.

In 1997 the North Texas Conference UMW pledged $190,000.00 to Missions, our total remittance to the Women's Division was $185,000.00 falling short of our pledge. We express our thankfulness to God for your continued faithfulness and generosity in meeting the call to meet the need of others throughout our world.

We continue to participate and take an active role in **Church Women United and World Federation of Methodist Women.**

As we venture to form a new vision for growing during our **Membership Campaign**, to year 2002, we will continue to invite and involve our **Teen Women, College/University Women, Young Women, Newly Retired Women, Korean and Hispanic Women**. Meeting the special needs of **Single Women, Working** Women, and Mothers.

As United Methodist Women in 1998, we are invited to share, informed to search, and involved to serve. Our mission is a dynamic gift from God given each generation of believers. **We are empowered by the Holy Spirit and kept by God's grace. We can do great things with our hands in God's hands.** We will continue **to tell the story of Jesus and interpret God's Mission to the church and community by sharing our great heritage of our organization.**

MISSION TODAY IS "OUR CALL TO RESPOND TO GOD'S GRACE"

REPORT VII: DIVISION OF LOCAL PASTORS

The Committee on Local Pastors of the Division of Elders gives thanks to God for those who are called to ministry and committed to serve the Church of Jesus Christ as local pastors within the North Texas Conference of The United Methodist Church.

A: 1998 Licensing School: For the fifth consecutive year a springtime Saturday Licensing School was held at March through May. Eighteen NTC students took part in the school. Leadership FUMC-McKinney was provided by the Dean of Licensing School, Rev. Larry Ravert, and an exceptional team of teachers/facilitators.

B: The 1999 Licensing School will continue to use a Saturday springtime format. Tentative dates are April 10, 17, 24, and May 1, 8, 15, 22. Site will be announced at a later time. Rev. Larry Ravert will serve as the 1999 Dean of the NTC Licensing School. District Superintendents and District Committees on Ministry need to identify, recommend, and submit the names, addresses and telephone numbers of persons to attend the 1998 NTC Licensing School to Rev. Boone on or before March 1, 1999.

Persons needing to attend a Summer Licensing School may attend the Central Texas Conference Licensing School in August 9-14, 1998. Partial scholarships are available by written request to defray the cost of receiving a Local Pastor License by attending Licensing School through another conference. District Superintendents and District Committees on Ministry who need persons to attend a Summer Licensing School must contact Rev. Keith Payne Boone, PO Box 158, Rockwall, Texas, 75087, 972/771-5500 as soon as possible.

C: 1999 Local Pastor Interviews: At the discretion of the NTC Committee on Local Pastors or requests from District Committees on Ministry or District Superintendents continuance interviews may be held for student, part-time and full-time local pastors.

ON OR BEFORE FEBRUARY 3, 1999 each District Committee on Ministry Chairpersons and/or Registrars must submit the names, addresses, phone numbers and action/decision summaries of all new or continuing local pastors to Rev. Boone. This list should also include all who are being discontinued as student, part-time or full-time local pastors.

D: NTC Weekend Extension Course of Study School (COSS). The 1998-99 NTC Weekend Extension COSS Board consists of Chairperson, Billy Wilder, vice-chairperson, Ray Hennigh, secretary, Clay Womack, school director. And committee members Tom Graves, Gifford Long, Keith Payne Boone and Pat Beghtel-Mahle. Our appreciation and thanks is extended to Clay who has served as the NTC Extension COSS School Director since its inception. Rev. Womack will step down as of August 1998 and Bill Crouch will then assume responsibility along with the NTC Committee on Local Pastors, the NTC Weekend Extension COSS Board, and Perkins School of Theology.

E. NTC Weekend Extension Course of Study School Schedule
The weekend Extension COSS Board proposes for the 1998-99 year to offer all courses in Year One, Year Two and Year Three, to do so according to a schedule of one Friday evening and Saturday a month, for three consecutive months. Targeted weekends would be the second Friday/Saturday in September, October, November 1998; December, 1998, January, February, 1999; March, April May, 1999; and June, July and August, 1999.

NTC COS SCHOOL

A. $250 per course: $150 tuition
$ 95 lodging, meals, facilities fee
$ 5 communication to student & materials printing

B. Non-refundable registration fee of $35 per course required when application is submitted; this fee is applied to tuition.

C. Students will need to pursue payment methods set by their conference Boards of Ordained Ministry; the student will be the primary facilitator of prompt payment between their BOM and/or themselves, and the school.

D. Billing may be done either before or after the course has occurred. Students and/or Boards of Ministry can give one check for payment made to the North Texas Conference, or a breakout of the bill can be done so that tuition is paid to The Friday/Saturday COS School and the remainder of the balance to The North Texas Conference.

E. Location of the school: Texoma Conference Center on Lake Texoma, Pottsboro, TX.

F. General schedule: a course meets for one Friday evening/Saturday session once a month for three months; Friday sessions begin at 7:00 ;.m.; Saturday sessions run from 8:30 a.m. to 3/3:30 p.m.

G. Upon receipt of the registration form, course assignments and other materials will be mailed to the student. Cost for textbooks is the responsibility of the student and/or the student's Board of Ordained Ministry.

H. Prior to the conclusion of the course the student should provide the instructor or director with the name, and mailing address of the appropriate person in their Board of Ordained Ministry who would receive the course grade report once processed by Nashville.

I. Any particular or specific needs had by the student relative to diet, health, or any other concern should be communicated to the director when returning the course registrations form.

J. The North Texas Friday/Saturday COS Extension school is intended for those Part-time Pastors better served by being able to attend a weekend format rather than the standard COSS at a seminary, Jumping back and forth between a school such as this and a residential summer school at a seminary is strongly discouraged. If possible, students should attend the summer-seminary based school. A letter by the student's District Superintendent stating the need to attend this weekend school over the summer school is asked for. That letter can accompany the course registration form or be sent prior to the commencing of the course.

K. School Director: Rev. Clay Womack, 801 W. Ave. B, Garland, TX 75040; 972-272-3471. (After August 31, 1998, Bill Crouch, P. O. Box 516069, Dallas TX 75251, 972-490-9200.

NTC Local Pastor Formation Weekend: January 10-11, 1998 was the date of the first NTC Local Pastor Formation Weekend at the Texoma Conference Center. Over thirty local pastors attended part or all of this formation weekend. Bishop Oden addressed the local pastors on Saturday afternoon. Several of the District Superintendents were present to support the work of the local pastors in the Annual Conference. An afternoon session led by Joe and Suzanne Stabile focused on the core Spiritual Disciplines necessary for ministry and ministers. The event also served as the primary date for updating files, interviews and other administrative matters.

COMMISSION ON INSURANCE

The healthcare industry continues to be in a state of flux with movement toward more managed care. The North Texas Conference continues to provide health insurance to our constituents through the HealthFlex program of the General Board of Pension & Health Benefits of the United Methodist Church.

As of January 1, 1998, HealthFlex required the dental plan to become mandatory for all participants, if made available in a conference. At the same time the benefits were significantly reduced and the premiums increased. With only 37% participation in 1997, the Commission was left with no choice but to discontinue the dental plan. As other dental options become available they will be considered.

Last year the Commission on Insurance had to request from the conference an additional $167,000 (from $305,000 to $472,000, an increase of 54.8%) to pay for subsidies in 1998. CFA requested the commission to address these increases. The first area of substantial increase was for the Medicare Supplement plan for retirees. Leaders of the retired ministers group requested the Commission to investigate the possibility of offering a Medicare HMO because premiums for 1998 increased 37%, causing a financial burden on both retirees and the conference. After more than a year of work with leaders of the retiree group and HealthFlex, we are pleased to recommend Legislative item #15:

> The conference will begin the United Healthcare Medicare Complete HMO as the base plan for retirees and spouses effective July 1, 1998. This change will reduce the monthly premium in 1998 from $185 to $50. The conference will pay 50%. A strict "buy up" will be required for those in the network service area opting not to be in the HMO.

The Medicare HMO will be available to retirees and their spouses living in Dallas, Rockwall, Kaufman, Denton, Collin, Grayson, Tarrant and Ellis counties. To assist those not living in the service area, the conference will pay 65% of the Medicare Supplement premium. (Please see the background information in Legislative item #15 for more detail.)

The second area of concentration for the Commission was on the subsidies for appointees whose compensation is below the Denomination Average Compensation and their dependents. The intent of the subsidy was and is to provide a safety net for those pastors and their dependents who are in need. In recent years a substantial gap has developed for many between the pension plan compensation figure and the total compensation figure, resulting in 1/3 of our churches being subsidized. The Commission, after careful consideration, recommends using the total compensation as the base for subsidy. This change will more accurately reflect the true need of our participants. The Commission recommends Legislative item #16:

> Health insurance supplements for appointees and dependents whose compensation is below the Denominational Average Compensation will be based on Total Compensation beginning in 1999 (instead of Pension Plan compensation). Additionally, for 1999 and thereafter local churches must submit an annual application signed by the Pastor (Staff)-Parish Relations Committee chairperson and the Administrative Council/Board chairperson for appointees supplements and pastors must submit an annual application for dependents supplements to their district superintendent. Superintendents will be provided a list of guidelines for approving these applications by the Commission on Insurance.

Work will continue next year on policies regarding those retirees who are in special situations.

On January 1, 1999, the active health plan will change from United HealthCare to Cigna HealthCare. Workshops will be held in the fall to discuss specific benefits.

THE SOUTH CENTRAL JURISDICTION

The South Central Jurisdiction has a new Executive Director! Dr. Thalia Matherson will begin her work on June 1, 1998. Dr. Matherson is a veteran educator in the Dallas Independent School District and a long-time leader in the church at the local, annual conference and general church levels. She was elected by the Mission Council of the Jurisdiction at its meeting in November of 1997. Officers of the Mission Council for this quadrennium are Don Pike, Chairperson, Cindy Watson, Vice-Chairperson and Judy Benson, Secretary.

In July of 1997, the Jurisdiction sponsored SpiLiRa (Spiritual Life Rally) in Little Rock, Arkansas, under the direction of the Jurisdictional Youth Team. More than 650 youth attended this inspirational rally which featured contemporary Christian music, Bible study and workshops.

Events to lift up the call to ministry (primarily pastoral ministry) to persons over the age of 25 were initiated by the Jurisdiction and held in the fall of 1997. There were jointly sponsored with the participating annual conferences. Events in Dallas, Kerrville and Lubbock, Texas, and in Kansas City, Missouri attracted a total of more than 350 participants. These events were part of a more proactive approach by the annual conferences to seeking effective persons for our ministry.

The Jurisdiction began a home page on the Internet this year. Check out the latest at http://gbgm-umc.org/conferences/index.htm.

An Academy for Spiritual Formation will be co-sponsored by the Jurisdiction at Mount Sequoyah in the Fall of 1998. Participating annual conferences will also be sponsors. The Academy is the church's most effective current approach for teaching spiritual formation to pastors and laity.

Both Volunteers in Mission and the Korean Mission made significant progress in this year. More than two hundred homes have been completed in the Operacion Hogar ministry in Juarez, Mexico. Phone our office for information about VIM mission opportunities in the U.S. and around the world. Our special thanks to Rev. Chung Keun Kim, Korean Mission Director for the Jurisdiction, for the many ways he serves the Korean Mission.

I thank all persons in the Jurisdiction who have been helpful to me during my six years in this office. I am grateful for the opportunities I have had to serve you.

HUSTON-TILLOTSON COLLEGE

Huston-Tillotson College carries out its church-college relations program in a number of unique ways. This report shares with you items of particular significance during 1997 and early 1998.

The campus ministry office organized weekly chapel services, Sunday morning services, and Bible studies, regular participation in area Wesley Foundation activities and the South Texas Methodist Student Movement, and occasional retreats and special programs. The office hosted the national annual conference of United Methodists in Campus Ministry in July 1997 when the group met in Austin. In an effort to help campus ministry become truly interfaith, the campus ministry office created a worship center for Islamic students and plans to organize an Islamic student center. The Campus Minister, Rev. Donald Brewington, taught in the Religious Studies Certificate Program organized by Huston-Tillotson, assisted by the Rev. Valerie Bridgeman Davis, Assistant Professor of Religion. The Certificate Program offers professional certification to local lay persons after they complete a series of evening courses taught by area pastors and professionals.

Other campus offices were also involved, both formally and informally, in church-college relations. The student activities office helped coordinate participation in the annual "Huston-Tillotson College Day" organized by Wesley UMC in Austin which, for a short time during the 1870s, housed Methodist-founded Samuel Huston College when it moved from Dallas to Austin. The public relations office prepared and staffed College displays at church professionals meetings and Annual Conference sessions and coordinated itineration of a Black College Fund intern. The Huston-

Tillotson Concert Choir traveled to sing in United Methodist churches around the state, increasing visibility of and support for the College. The choir also provided music during the dedication ceremony for the new headquarters building of the Texas Methodist Foundation in Austin. The College president, Dr. Joseph T. McMillan, Jr., was a frequent guest preacher at United Methodist Churches throughout the state.

Additionally, the College's core curriculum requires that each student take three hours of philosophy and ethics and three hours of comparative religion. Volunteer community service is also required.

At Huston-Tillotson College, we recognize that our church relationship and heritage are absolutely essential to who we are. On behalf of the approximately 30 Huston-Tillotson College students who come from the North Texas Conference area, we are grateful for our partnership with you.

LYDIA PATTERSON INSTITUTE

Eighty-five years ago, a good woman and committed Methodist rode a horse and buggy to the "barrio" of South El Paso to respond to the needs of displaced children of Mexican immigrants fleeing from a revolution and looking for a safe place to live. Mrs. Patterson believed that justice and fairness were the ways of the Lord, and she brought light and hope to the lives of these children. Her legacy remains in the heart of the ministry of Lydia Patterson Institute today. The year 1998 marks the 85th anniversary of the founding of our school. We join thousands of people who have been touched, either by being a recipient or a participant in the work of this great ministry. Together, we offer reverence and appreciation to God for "La Lydia". On behalf of the administration, faculty, staff and student body, past and present, I wish to express my deepest appreciation to every member of the South Central Jurisdiction for being the foundation of our celebration today. Without you, brothers and sisters, there would be no Lydia Patterson. To every Bishop, every church leader, and every member of the United Methodist Church we render respect and appreciation for every young student whose life has been touched.

The best measure of our work is the finished product. Last year we graduated 52 seniors of which 49 are attending college. Among these are students attending United Methodist Institutions such as McMurry University, Oklahoma City University, Texas Wesleyan University, Lon Morris College, Southern Methodist University, Central Methodist University, and Southwestern College in Kansas. Others are enrolled at the University of Texas in El Paso, New Mexico State University, Southwest Texas State University, Texas Tech University, University of Texas at Austin, El Paso Community College and many others. Several students made the Dean's list at the end of their first semester. To mind comes one very special student. Through her determination and the support and love of many caring people, she overcame the many obstacles that she faced. Her father is a fisherman in Mazatlan, Mexico. Iran had given up hope of going to college when she had to return to Mexico to work and help with the family. A caring United Methodist provided for a full scholarship for Iran, and a kind teacher and his wife provided her with a place to live. Iran returned and she graduated salutatorian. Dr. Gerald Walker, then President of Oklahoma City University, provided financial support so that she could attend OCU. Iran made the Dean's list at the end of her first semester, and she is on her way to obtaining a degree in special education. Her plan is to work with handicapped children. Iran was featured in the Lydia Patterson story published in the annual report of the Texas Methodist Foundation. Our appreciation to the leaders of our UM institutions who continue this ministry by providing opportunities for our students beyond our means.

We wish to express appreciation to the church and everyone who has contributed to the endowment campaign which has been in progress for the last six years. A total of $2.3 million has been raised and our goal of $4 million remains in place until the year 2000. At the time of this report, plans are underway for an event in El Paso to announce the campaign in our local area. With the help of community leaders such as the mayor of El Paso and others, 700 people will come together in a formal setting to celebrate the 85th Anniversary of Lydia Patterson Institute and initiate the campaign in the El Paso-Juarez area. First Lady of Texas, Laura Bush, will honor us with a visit to our campus as guest speaker at this memorable occasion.

Our appreciation goes out to the church leaders who have brought greater recognition to our ministry by visiting or meeting on our campus. The General Council of Ministries visited early this year. The University Senate will meet on our campus this summer and the College of Bishops will be with us in 1999.

Our daily blessings provide for the energy to overcome the many challenges that as a ministry we face. More students need financial help, our buildings are growing old, and the demands on our budget are constantly increasing. Nevertheless, we touch the lives of 300 students daily in an educational and spiritual manner, and our ministry continues to reach beyond the boundaries of our campus and into the lives of the church and our community at large. With the prayers and support of our brothers and sisters of the South Central Jurisdiction and beyond, Lydia Patterson continues to be an illuminated beacon within the ministries of the United Methodist Church. The endowment campaign and strategic plan in progress, the renewed support of our community and the excellent leadership of our Board of Trustees will lead us into greater things in the next century. Thank you for being on board with us.

MOUNT SEQUOYAH

This year we celebrate 75 years of ministry. During 1998, a major anniversary year, we are remembering our past, living in the present and creating the future. Following the vision of our trustees we are moving toward the new century by developing a vital learning center which will make a major contribution to the ministry of The United Methodist Church.

The past year, 1997, has been a challenging and exciting time:

- While we serve a wide range of programs, **our special ministry is to serve as the Center for Older Adult Programming for The South Central Jurisdiction**. The past year has seen increased attendance, new programs and substantial improvement. In 1999, "The Year of the Older Person" we will meet the challenge of providing jurisdiction wide training for persons responsible for older adult programming beginning with the Senior Summit April 15-18. We are also developing "Senior Net", a computer based lab which will provide modern interactive education using the best in information highway technology.

- During the past year we presented the first Mount Sequoyah Seminar providing **practical training for clergy**. Our "Planning for Advent" brought Professor Eugene Lowry to the mountain to join Bishop Janice Riggle Huie in the presentation of an outstanding learning event.

- We have continued our role as a training center for laity. Working with our Jurisdictional Lay Leader, Martha Etter, we presented the Partners in Ministry program, the first of a slate of seminars planned for laity and clergy. Mount Sequoyah will be making a significant contribution to **lay education and lay-clergy partnerships** in the future.

- We have continued our practice of Christian **hospitality** by improving and sustaining a learning environment that enhances intellectual and spiritual growth. Programs from churches, schools and community organizations are increasing and expanding and early in 1998 we already have advance reservations that exceed the 1997 number of participants.

- During 1997 we were successful in reaching our first financial challenge: **Operational self support**. By generating revenue sufficient to pay our basic operating costs we are now able to use contributed funds for programs and capital improvements.

- We can report strong progress toward **improving our facilities** with quality repair and renovation. Through the generosity of conferences and individuals and utilizing the UM VIM program we are making steady progress in our program to remodel our sleeping accommodations to first class conference center standards. We look forward to more conferences becoming involved in this exciting process of renewal.

This is a year to celebrate! There will be anniversary celebrations on the mountain, in all the conferences and in local churches throughout the jurisdiction. Please celebrate with us. God has

blessed us with 75 years of effective ministry and we are moving toward the new century confident that we are called to service as a major contributor to the ministry of The United Methodist Church.

PERKINS SCHOOL OF THEOLOGY

From the beginning I decided that I wanted to select a seminary education that would equip me in the most excellent way possible. Pastors who have received excellent training will pass that on to their congregations, in the form of lay empowerment, professional leadership, and vision for the future.

Cathleen Alexander, M.Div. candidate, Perkins

Excellence in education. In 1997-98 Perkins School of Theology extended its efforts to make theological education accessible to all persons called to ministry. The Houston-Galveston program was approved by the Association of Theological Schools, our accrediting agency, and plans are well underway for the launch of a new program in Oklahoma City in fall 1998. The Oklahoma City program, a cooperative venture with St. Paul School of Theology and Oklahoma City University, will provide the 24 hours of basic theological study needed for ordination as a deacon and will serve as a point of entry for Oklahoma students seeking the Master of Divinity or other degrees. Perkins School of Youth Ministry celebrated 10 years of leadership in training of youth ministers and offered its first program for adult volunteers in youth work. Laity Week celebrated its 25th anniversary of opening the doors of the seminary to the laity and launched a new program of study in Anchorage, Alaska.

Excellence in teaching. Throughout the year members of the Perkins faculty have been listening to alumni/ae, district superintendents, bishops and laity as they discuss what they believe future church leaders need to learn. These conversations will help shape the future requirements of our degree programs and will allow us to insure that the church's needs are reflected in our teaching. In the past year we have added several faculty members who are already making a substantial impact in the classroom. Scott Jones, a clergy member from North Texas, is the new McCreeless Assistant Professor of Evangelism. Bill Bryan, also a clergy member of the North Texas conference, joins us as the Director of the Intern Program and Professional Formation. Isabel Docampo, an ordained American Baptist minister, joins us in our intern program.

Excellence in development. "A Time to Lead: The Campaign for SMU" has already resulted in significant gifts to Perkins School of Theology. Perkins Chapel will be closed for several months in the coming year as we renovate both the chapel and the chapel organ. The first Charles and Elizabeth Prothro Fellowships and Prothro Promise for Ministry scholarships will be awarded for fall 1998, reflecting a generous gift of scholarship support. Additional support for student scholarship funds and intern placement funds is being sought.

We are pleased that students like Cathleen Alexander choose Perkins because they desire excellence in education. All of us at Perkins, from the faculty to the administrators and to the staff, are committed to making that excellence happen. We give thanks to our friends across the jurisdiction who grant us support and encouragement in that endeavor.

Robin W. Lovin, Dean

SAINT PAUL SCHOOL OF THEOLOGY

Last year we had the largest enrollment of degree students in history. They came from thirty-five states and five countries. The Course of Study program continues to expand as more lay preachers serve within the United Methodist Church.

Last May we had the largest graduating class in the history of the seminary. Dr. Rebecca Chopp, M.Div., '77, spoke to the graduates. She spoke of her own experience as a student at Saint Paul, including her graduation day. Dr. Chopp, a faculty member at Candler School of Theology, is serving this year as Acting Provost of Emory University.

On September 4, we began our thirty-ninth academic year. Students, faculty, and staff came together in Kresge Chapel for the Opening Convocation. This time of worship, including the Lord's Supper, has marked the beginning of each school year at Saint Paul.

This year the first Fall Symposium was held for clergy and laity featuring lectures, workshops, and worship.

The new main entrance to our renovated campus was named Bishop Matthew W. Clair, Jr., Drive. Integration of theory with the practice of ministry is a mainstay of the Saint Paul education philosophy. One example is that in the past year Saint Paul students served in over 200 ministry settings in the region.

New faculty books in 1997 include: A Future for Truth: Evangelical Theology in a Postmodern World by Hal Knight, Assistant Professor of Evangelism; The Sermon: Dancing the Edge of Mystery and a Korean edition of The Homiletical Plot by Eugene L. Lowry, William K. McElvaney Professor of Preaching; Embracing the Spirit: Womanist Perspectives on Hope, Salvation and Transformation by Emilie M. Townes, Associate Professor of Christian Social Ethics and Black Church Ministries.

Please know how much your interest, prayers, and support mean to our students and to our mission of preparing reforming leaders for a new century. We seek to prepare leaders who, faithful to the Wesleyan spirit, know God, proclaim Christ, and seek justice. Let us all hope, pray, and work for renewal and revitalization in all of our churches.

SOUTHERN METHODIST UNIVERSITY

I am pleased to share with you a number of exciting developments at SMU during the past year. The state of the University is very good and the anticipated future is even brighter.

When businesses or institutions adopt strategic plans, it's sometimes difficult to envision the results in ways that are real and measurable. The assumption is that if the plan is "strategic" its impact will be far in the future, removed even from those who have played a role in the planning.

At SMU, one of the ways we're translating our Strategic Plan for 1996-2000 into action is to make ourselves accountable on a yearly basis for tangible progress. Each September, I report to the Board of Trustees the status of the plan's six goals and 25 objectives, and then articulate the action that will occur in the coming year. This is our second year of annual reporting, and I am happy to say that we're seeing exciting results.

One example is the opening this fall of SMU-in-Legacy, which supports our strategic Plan goal to enhance institutional partnerships.

Legacy is a master-planned business community in Plano, one of the fastest-growing areas of North Dallas. It is home of the world headquarters of such corporations as EDS, J.C. Penney, Dr. Pepper/Seven Up, FINA Inc., and Frito-Lay Company. In fact, SMU-in-Legacy was made possible by the generous donation of a building to SMU from EDS, an indication of the importance that such corporations place upon continued education and training for their employees and for residents of surrounding communities as well. The 48,000-square-foot building has been renovated to provide the latest in voice, data, and video-conferencing technologies.

SMU-in-Legacy is a vivid expression of the University's commitment to serve the changing educational needs of the Metroplex, and to provide the intellectual resources for companies and individuals to compete in a global environment. Programs range from advanced computer training to M.B.A. classes and continuing studies in the humanities.

As I reported to the Board of Trustees at its September meeting, numerous other areas of the Strategic Plan have been put into action. For example, additional classrooms have been renovated to facilitate faculty use of instructional technology.

The Cary M. Maguire Center for Ethics and Public Responsibility sponsored conferences and lectures and developed courses. More professors added service learning to their courses. SMU students performed nearly 21,000 hours of community service last year.

In other areas, SMU began student recruitment efforts in the Pacific Rim, and added Chinese to the curriculum for the first time. The Law School created the NAFTA and Latin American Legal Center to offer conferences and publications. And all schools, ranging from Perkins School of Theology to Meadows School of the Arts, made progress to strengthen research, enhance community and corporate partnerships, and add global dimensions to their offerings.

The future for SMU, as seen through its Strategic Plan and yearly progress reports, combines a commitment to progress both in traditional ways and through innovations that transcend current ways of thinking to provide educational services for a changing society.

The Capital Campaign has reached $215 million toward the goal of $350 million. A gift this spring of $5 million was received from Mr. and Mrs. Jack Blanton of Houston toward a $10 million Student Services building which will house Admissions, Financial Aid, the Registrar and cashiers office. The ground-breaking ceremony is scheduled for February 19 for the new entrance connecting Fondren Library and the Science and Engineering Library.

In addition, we have appointed two new academic deans, Dr. Al Neimi to the Cox School of Business and Dr. Jasper Neel to Dedman College, as well as a new Dean of Student Life, Dr. Gage E. Paine. We anticipate a new dean for the Law School this spring.

Our United Campus Ministry Program received Reverend Greg Ligon's resignation this summer. Reverend Fred Durham of Tyler Street United Methodist Church is chairing the Search Committee. The new Campus Minister will be in place by June 1, 1998.

SMU continues to need and appreciate your interest, prayers, leadership and gifts as we affirm our United Methodist heritage.

SOUTHWESTERN UNIVERSITY

Having a Vision and a Plan

"Where there is no vision, the people perish," says Proverbs 29:18. And just as it is true for a people, it is, also, true for a University. For vision produces hope, hope produces expectation, expectation produces excitement, and excitement produces higher purpose. It was the vision they had of an educated citizenry which caused pioneer Texas Methodists to establish four institutions of higher learning between 1840 and 1856 in a frontier state. It was the vision in the mind of Francis Asbury Mood of a strong central institution, later called Southwestern University, which caused that institution to be established in Georgetown in 1872. And it has been the vision of countless presidents, professors, alumni, trustees, students, and friends which has brought Southwestern to the place where it is today.

But a vision without a plan may fail to achieve concrete results. It is the joining of vision, planning, and implementation that brings vision to reality, and it is that combination, in the past, which has been so successful for Southwestern. Witness to this fact is the success of the consecutive master plans which have guided us through the 1980s and 1990s. We feel that we are close to achieving the objectives of our most recent master plan, which includes an almost completed $75,500,000 capital funds campaign, and, consequently, we have begun planning for 2010.

Beyond the Numbers

The statistics for Southwestern University were very good in the Fall of 1997. We enrolled 333 new students in the first-year entering class and had a headcount enrollment of 1215. In addition, almost 50 of our students were studying overseas and will return to complete their work at Southwestern. About 30% of our students study overseas during their academic career here. The SAT average of the Fall, 1997, entering class was 1217, equal to our previous high established in 1995. The student-to-faculty ratio is currently 11.3 to 1, and faculty salary levels are at the 90th percentile (AAUP figures) of equivalent institutions. The already solid student internship program is being improved. Without strong academic and student life programs, and without corollary administrative support, we could not possibly have become a national liberal arts institution with a Phi Beta Kappa chapter.

The academic program at Southwestern rests upon an endowment of $276 million as of the annual audit on June 30, 1997. Educational expenditures last year, excluding room and board, were $23,461 per student, however, our tuition charge to the student is $14,000. Almost the entire campus has been redesigned, new buildings continue to go up, the size of the faculty has been increased by 50%, new services and programs have been instituted, and the latest in electronic technology now links the campus, from faculty offices and classrooms to student residence halls. All of this has been done while budgets have remained balanced and tuition has been maintained at reasonable levels. The annual audit resulted in an unqualified opinion for the sixteenth consecutive year.

We have not, however, let our fascination with favorable statistics in most areas cause us to overlook areas which need improvement. We are trying to avoid this trap and are making concentrated efforts to improve in the following ways: 1) maintaining and increasing minority enrollment;
2) pricing and financing a Southwestern education; 3) stabilizing student enrollment by improving retention; 4) creating more full-time teaching positions by reducing the number of part-time appointments; and 5) focusing our attention concretely on what it means to be a Church-related university.

As we seek solutions to these pressing issues, we draw inspiration and strength from our belief in self-examination. This year, we have engaged the entire Southwestern community in an on-going discussion about the core values we share as a University community, and a religious life task force appointed by the President has led in our reflections upon what it means to be a Church-related university in a new century.

Maintaining the Character of the University

We are not building just any kind of university. It is an institution established by The Methodist Church on the frontier of the American West which, 158 years later, finds itself confronting the complexity of an emerging 21st Century. Within this historical context, Southwestern seeks to develop its own distinctiveness rather than to emulate other institutions of higher learning. It looks for ways of evolving as a Church-related institution of the Southwest but, also, one of recognized national quality. The vision of our predecessors was a large vision, as stunning in their times as what we envision for ourselves today. They acted wisely and courageously. They stayed the course, through good times and bad. We seek to refurbish their vision for our generation -- and not let it fade. Our vision for Southwestern is one in which this historic institution is known increasingly as a top-tier, national liberal arts college devoted to improving the human condition through the education of each new generation of leaders.

TEXAS WESLEYAN UNIVERSITY

Texas Wesleyan, a New Urban University, embraces its responsibility to make a difference in our urban neighborhood as well as in the metropolis which surrounds us. Our partnerships with the local neighborhood and schools, the legal, business, and arts communities, and the United Methodist Church evidence the power of collaboration to meet and to overcome challenges.

- The Church Internship Program places pre-ministerial students in area churches to be exposed to and gain experience in ministry
- We are proud to host the School of Christian Missions, as well as Chrysalis and Emmaus events
- Wesleyan houses the archives of the Central Texas Conference
- We have an articulation agreement with Lon Morris College
- We maintain partnerships with Methodist Colleges and Universities in Brazil
- Our annual Spring Break work trip involves students, staff, and alumni in building and revitalizing homes and neighborhoods
- Through our partnership with the Poly Network Collaborative we are helping to establish neighborhood resource houses in support of the community revitalization through youth education community education, links to neighborhood business, and links to social service agencies
- Our law school is located in downtown Fort Worth and we are developing collaborative projects with various departments and services within the legal community
- The MBA program began in the fall of 1996 and our students are already making a name for the Wesleyan MBA in the community
- On the campus, the Chaplaincy program, which is being endowed by Dr. Evie Jo Wilson, provides guidance for campus and community service
- Weekly chapel service is held on both the main campus and the law school campus
- The Willson Lecture Series featured Dr. Bobby Richardson, former Yankee baseball second baseman, who spoke on the topics of positive role models, stability of the home, and on philosophy and faith in his lecture entitled "More than Winning"
- Our spring enrollment is up for the sixth year in a row, 5.2% over last spring
- Our student body reflects that we actively seek to increase campus diversity. Our freshmen population represents 19% African American and 20% Hispanic students. In addition, through our international student programs and our Intensive English Institute, the students on our campus represent countries around the world. New initiatives in Russia and Ireland have been added to our traditional programs in England
- Larger numbers of students, faculty and staff continue to strain our physical plant but the participation in campus activities and in community volunteer efforts such as Habitat for Humanity, Meals on Wheels, Cowtown Brush-Up, Poly-Helping-Poly, and tutoring students at William James Middle School make facilities challenges worth the effort.
- A planned 200-student housing village on campus will greatly increase the level of campus and community activity
- The Baker-Martin Welcome Center, housing the Freshman Admission center, opened in February of this year

Embracing the educational mission of the United Methodist Church, colleges and universities play a vital role in encouraging commitment to family, community, and church. Through your gifts to the Texas United Methodist College Association, we are able to support this mission. Your funds enable us to grant additional financial aid to the United Methodist students and to provide additional grants for dependents of United Methodist ministers and for United Methodist students preparing for the ministry. Thank you for your continued support of Wesleyan higher education.

OTHER REPORTS

COUNCIL OF BISHOPS CHILDREN & POVERTY INITIATIVE
North Texas Conference

The Children and Poverty Initiative came into being out of the belief of the Council of Bishops that God is calling this Church to a new level of dedication and commitment on behalf of children and the impoverished. The Children and Poverty Task Force in the North Texas Conference was created by Bishop William Oden at the 1997 Annual Conference to "become the visible translation of this task."

At the first meeting of the task force Bishop Oden shared five major concerns:

1. The need to find out what is now being done - existing programs in local churches;
2. To identify the gaps where nothing is being done;
3. To discover and develop resources that can help the church make a difference;
4. Not to forget the children in the United Methodist Church;
5. To decide how we set our course with concern that we not become just another organization and encouraging us to determine the future of this task force.

And so we began responding to our call to confront the issue of children and poverty, awed with the challenge, facing it from our meager knowledge of the problems and effective solutions, prayerfully needing the guidance of The Holy Spirit.

Over the months and meetings we have viewed the monumental task and have made these decisions:

1. Our task is to help the local churches do their own ministry with children and the impoverished in their communities.
2. Provide resources that will enable them to discover the needs where they live, do ministry, and respond with wisdom and hospitality;
3. Identify ways we can enable local churches to respond with vision, compassion and commitment.

We have also chosen:

+ a theme - "Becoming a Church for All God's Children"
+ a song - "Star Child"

We have also set two goals:

+ That each local church begin one new ministry for children and/or improve a present ministry for children
+ That each local church will double the number of members doing mentoring.

Actions we have taken:

- Made a survey of ministries/programs/services that local church currently offer children and youth - within and/or beyond their facilities. Responses came from 100 churches and 10 agencies, ministries and individuals
  They reported some 239 ways they minister to children and the impoverished.
- Mailed the "A Church For All God's Children" packets to each local church, hoping this attractive resource would encourage and clarify a procedure to truly become a church for all God's children - especially those children they can identify and name right where they live.
- Encourage local churches to create a "Gathering Board" at a strategic place in their church. In 1998-1999 to invite members to bring articles, photos, and other materials that describe the plight of children and the impoverished today. Then in 1999-2000 to invite members to bring materials that describe success stories - of how ministry and mentoring in the church, the community, the state and nation are providing a better future for children and the impoverished.
- Encourage local churches to send members to the CONNECT V Conference for leaders in issues dealing with children in the North Texas area. The Task Force is one of the

sponsors because it has some 27 workshops offering information from persons doing ministry with impoverished children.

Resources coming:

- Two posters available at Annual Conference:
  ..An Argus poster entitled "101 Ways to Praise A Child"
  ..A poster designed to encourage local churches to participate in the "100 Ways to Help Children"
- In October training events at which both an orientation and two resources - "100 Ways To Help Children Workbook" and "Guidelines For Mentoring" will be distributed
- In 1999 we will be offering resources to encourage local churches to become key leaders in helping bring together churches, agencies, programs businesses, and interested persons for a collaborative/partnership effort to meet locally identified needs of children and the impoverished.
- Encourage local churches to start latchkey/after school programs for children and youth. (A quote from Martha Stowe: Research shows that mentors, parents anonymous and after school programs are the most important in reducing violence. Job readiness, day care and transportation are the most important for shifting out of poverty.)
  (Other information: 80% of youth pregnancies happen in the hours between leaving school and parents coming home from work. The police will tell you that crime rates escalate during this same block of time.)

A concern: One of the first concerns identified in the task force for the local church to help children and the impoverished was the need for an attitude adjustment in many local churches and staffs. I invite you to prayerfully ponder this issue as it relates to you and your congregation.

A special thank you to Bishop Oden for the opportunity to be a part of this Initiative. It brings us to a realization of our shortcomings as a church that really cares for God's children and the impoverished, as well as another opportunity to more personally be Christ's loving and caring Church to those in need of a viable life, faith, and future.

And thanks goes to those who serve on this task force: Ann Boehmer from First, Bonham, Sheryl Burleson from Floral Heights, Wichita Falls, Janis Dumas from Spring Valley, Dallas, Frank Estrada from Agape, Dallas, Larry George from University, Wichita Falls, Anthony Harris from First, Commerce, Sandra Hitz from First, Dallas, Patsy Johnson from First, Sulphur Springs, Levy Laguardia, Filipino American Centenary, Dallas, Dale McEowen from Grace, Dallas, David McLaurin from Lovers Lane, Dallas, Marilyn Oden from First, Dallas, Joe Pool from First, Gainesville, Martha Stowe from Northaven, Dallas, Georjean Blanton from New World, Garland, Pavlon Everett form St. Luke Community, Dallas, Thalia Matherson from Warren, Dallas and Bishop William Oden from the Council of Bishop's and the Dallas Area.

Let me share with you these prayers and words from Marian Wright Edelman's book GUIDE MY FEET:

"God, help us to remember that every child is a gift from You for whom You have a special and unwavering love. Just as You can love the hell out of us, help us to love the hell out of children many of us are eager to write off as lost and to give up as hopeless."

"God, help us to remember that there are no illegitimate children in your sight."

"So much of America's tragic and costly failure to care for all its children stems from our tendency to distinguish between our own children and other people's children--as if justice were divisible. The pervasive breakdown of moral, family, and community values, and the widespread presence of drugs,violence, teen pregnancy, and abuse in every race and income group should help us realize our common interest in investing in and protecting all children--other people's as well as our own."

TEXAS METHODIST FOUNDATION
Report to 1998 North Texas Annual Conference

Aiding Methodist institutions in the achievement of their God-appointed missions

This year marks the special anniversary for the Texas Methodist Foundation and those whom we serve in the North Texas Conference. Sixty years ago, the North Texas Annual Conference, in a cooperative effort with the other annual conferences of Texas, approved a report presented by the Reverend William C. Martin that resolved to form a Methodist Foundation for Texas. The joint Committee of Future Work for Texas Methodism submitted the report after declaring that the growing financial concerns and needs of Methodist churches and institutions must be addressed. Their solution was to "*propose the establishment of a Methodist Foundation in Texas to aid our Methodist institutions in the achievement of their God-appointed mission.*"

Sixty years later, the Texas Methodist Foundation remains true to our inceptive purpose of promoting faithful stewardship and helping United Methodist churches and institutions with their financial needs so that they can minister in their community. We are pleased to report to you the assistance we provided in 1997.

Within the North Texas Annual Conference...

- Churches and related agencies within the Annual Conference had more than $24.2 million invested with the Texas Methodist Foundation, an increase of $5 million over the previous year.
- Loans from the Foundation to growing North Texas Annual Conference churches totaled nearly $23.3 million.

Throughout the State...

- Total assets under management reached $149 million. The Foundation continues to be the largest United Methodist Foundation in the United States.
- Loans to United Methodists churches increased to nearly $95 million.
- The Foundation continued to help local churches generate permanent gifts to build their own endowments and to assist individuals in making those gifts. Through these efforts, 25 new permanent gifts were established and additional contributions were made to 26 existing permanent funds.
- The Foundation awarded $452,266 in total grants to various human service projects such as community outreach centers, inner-city childcare programs and campus ministries.
- The Grants Committee, in conjunction with the Bishops' Initiative, gave priority to funding programs that address the needs of children in poverty and crisis by directing approximately $120,000 in grant money to these causes.
- Stewardship Services provided training, consultation or other assistance to 78 local United Methodist churches and hosted a statewide Stewardship Symposium, which was attended by more than 150 clergy and laypersons.
- Texas Methodist Foundation continued to provide financial and construction consultation to churches on their building needs.

The following people residing in the North Texas Annual Conference serve as board members to the Texas Methodist Foundation in either an elected or advisory capacity:

Mrs. Eunice J. Beene
Mrs. Mary Brooke Casad
Mrs. Patricia M. Deal
Mr. Robert L. Dillard, Jr.
Dr. Leighton K. Farrell
Dr. J. Thomas Graves
Reverend C. Michael Haynes
Mr. James H. Merritt
Bishop William B. Oden

In our ongoing effort to aid United Methodist churches and institutions in the achievement of their God-appointed missions, the Foundation provides services which include making loans, managing investments, helping create and build permanent endowments, awarding grants, and conducting stewardship programs. The Reverend R. Gary Regan primarily represents the Foundation

in the North Texas Conference. Whether he, other Foundation staff, or I can help you with these matters, other financial matters, or simply provide guidance on your long-range plans, we offer our assistance.

DALLAS BETHLEHEM CENTER

Dallas Bethlehem Center, founded in 1946 as an interracial project of the Women's Society of Christian Service, is a United Methodist community outreach ministry serving people with limited resources in South Dallas. Four basic programs focus on children, ages 18 months to 12 years. Working parents in this low-income neighborhood, many of them single mothers, depend on DBC for quality, Christian-based child care and early education in a nationally accredited program. The Day Care Center, the half-day Pre-K program and after-school program providing tutoring, computer lab instruction and recreational experiences, and a summer program provide enrichment in a safe, loving environment for about 120 children. Also, the DBC staff works closely with teachers and counselors in area schools to keep school-age children solidly grounded when educational, family or personal problems arise.

Bethlehem Center sponsors several other programs touching the lives of people. The food voucher program provides emergency food assistance to women with children, and the elderly. Free bread is distributed to the community every Friday. The Adopt-a-family-for-Christmas Program benefited over 200 needy families with gifts and other assistance in 1997. An annual Health Fair held with the Dallas County Medical Society Alliance reached over 200 neighborhood people. An annual Thanksgiving Dinner provided over 450 free meals. The DBC Community Children's's Choir builds self-esteem in the children as well as being a source of neighborhood pride. DBC participates in a Scouting program.

In recent years, much of the funding for the Center has been through reimbursement by Childcare Management Services, a state managed, federally funded program for qualifying parents of children in Day Care. However, the 45% of the DBC student population previously reimbursed by Childcare Management Services was cut to 22% in the 1997-98 school year, cutting this government funding by half. The remaining 78% of students are charged one-half of the actual cost of providing for one student in the Day Care Program. This is a difficult burden for many of our families. Therefore, the Canady Scholarship Program, named in memory of a beloved Dallas Bethlehem Center counselor, was established and publicized. The response of the churches in the North Texas Conference has been encouraging and is appreciated, but the Center is still in a financial crisis. The staff, board and volunteers are working hard to secure additional funds through grant writing, benefits and contributions--corporate, institutional, and church-related. Reliable, sustaining support is vital to the continuing of the program in place and further, to realizing the plans initiated in 1993 to enlarge the present Center in order to serve youth during the crucial teen-age years. Dallas Bethlehem Center offers an exciting opportunity to work through the power of God's love to meet the challenges of raising "at risk" children and youth in today's society.

WESLEY-RANKIN COMMUNITY CENTER

For decades the North Texas Conference has charged Wesley-Rankin Community Center with the responsibility and privilege of bringing the hands and face of Christ into our West Dallas community. Our community and our Wesley-Rankin ministry are experiencing challenge, growth, and renewal.

More than 75 North Texas Conference Churches are providing volunteers, leadership, and financial support. Through your support we are realizing miracles in the lives of those we touch.

Celebration

Wesley-Rankin Community Center is reaching out to more than 300 children and youth. Thanks to wonderful donors and volunteers we have been able to purchase an abandoned church just three blocks from the main campus, strategically located on the corner of our new city park. Our goal is to anchor the park with outreach ministries. United Methodists and corporate friends have given their time and talents to remodel the building. On June 6, 1998, we will open the doors of our new youth fellowship center.

In June of 1997, we began an intensive community development effort. We have felt a great surge of momentum in the ministry thanks to the work and wisdom of this small group of neighborhood leaders. Plans are underway for after-school programs, a congregational/community nursing initiative, sports leagues for adults and children, and diabetes prevention programs.

Bridge-to-College: With financial scholarships, guidance, love, support and a little pizza money from sponsoring church groups two students graduated in May 1998. Dina Suarez earned a business degree from Southwestern College in Winfield. Kansas. Rufus Coleman earned a journalism degree from the University of Kansas. Eleven students continue to seek the goal of a college degree.

We continue to develop our endowment fund through the Century Club. We are asking for 2000 friends to give $100 a year for five years.

Our annual benefit is scheduled for November 20, 1998. Mark your calendars and join us for this evening of fun and fellowship.

Please celebrate with us the hope Wesley-Rankin Community Center is offering to our neighbors in West Dallas.

B. Net proceeds from the sale of Annual Conference property are capital funds and should be appropriated to the use which the property was intended to serve. If this is not feasible, priority should be given to the most similar purpose for which the funds can be used effectively, or to capital improvements within reasonable geographical proximity; but district lines should not be controlling and the entire community or metropolitan area should be considered. Likewise, funds received by way of indemnity for loss or destruction of any capital assets of the Annual Conference should be treated as capital assets and should be used for similar purposes if restoration of the property is feasible.

ELDEN H. COLE

Elden H. Cole was born in Sanger, Texas, May 7, 1910. He died in Azle, Texas, July 11, 1997. He was 87 years old. His funeral service was conducted in Colleyville, Texas, by Michael Daves, assisted by Pastor Ollin Collins and Patti Jean King on July 15, 1997. Burial followed at Bluebonnet Hills Memorial Park.

Elden married Maidie Glass January 4, 1936, in Vernon, Texas. She died in 1994. They had three children, who survive him: Robert Edward Cole of Muskogee, Oklahoma; Elizabeth Ann Pyles of Bedford, Texas; and Nancy Lynn Harper of Azle, Texas. He was also survived by a goddaughter, Patti Jean King of Bridgeport, Texas, and by nine grandchildren and eighteen great-grandchildren.

Elden attended Weatherford Junior College, then transferred to Asbury College in Kentucky, graduating in 1944. He graduated from Perkins School of Theology in 1948.

He was admitted on trial in 1941, ordained deacon in 1945 and elder in 1947. Elden retired in 1971 with 30 years of service. He pastored churches in West Texas Conference and Kentucky before transferring to the North Texas Conference. In this conference, he served Justin, Wylie, Archer City, Iowa Park, Greenland Hills, Bowie, Aldersgate, St. Luke's and Kaufman.

When my wife Patty and I were growing up in Wichita Falls, Elden was active in District and Conference Youth Events. We remember his skating, for the first time at age forty, at a District Youth Rally. For several years, he was director of Mid-High Camps at Bridgeport. His ready wit, personal warmth, and obvious love of his Lord and His people, led may campers to a closer relationship with Christ. And such was the case in the churches he pastored faithfully over the years.

Johnson was born July 2, 1924, in Fort Wayne, Indiana, the son of James and Bertha Johnson. He served in the U.S. Navy during World War II. He entered the ministry in 1962 in the Central Texas Conference and was ordained elder in 1970. In Central Texas Conference, he served Ash Crescent, Fort Worth; Richland-Streetman; Handley, Fort Worth (Associate); Saginaw; and West-Leroy. He transferred to North Texas Conference in 1968

Johnson was active in the conference camping program for several years, including working with the handicapped camps.

In mid-1996 Paris-Sulphur Springs District adopted as a mission project Eighth Street United Methodist Church, Honey Grove. It was decided to raze the old building and build a new sanctuary, classrooms, and kitchen. A coordinator was needed, and Johnson was the only volunteer, even though he had been diagnosed with cancer and had undergone radiation treatments. He spent countless hours recruiting and coordinating volunteer workers, purchasing supplies, and seeking cash for materials. North Texas Conference Volunteers in Mission (VIM) supported this project with money and volunteer workers. The Eighth Street Church now worships in a beautiful new building. Because of Johnson's efforts the VIM Committee has established the North Texas Conference Johnny Johnson VIM Memorial Fund which is to be used for town and country churches.

Survivors include his wife of 37 years, Hazel Weir Johnson; two sons, Jim Johnson and Jim Garner; a daughter, Jan Dugger; two brothers, George Johnson and O. E. Johnson; two sisters, Irene Hess and Agnes Scully; 13 grandchildren and 13 great-grandchildren.

ESTHER MARGARET ZIMMERMAN

Esther Margaret Zimmerman was born in Dallas, Texas, on April 20, 1923, and passed away on July 30, 1997 in Dallas, Texas at the age of 74. A memorial service was held for Esther on Sunday, August 3, 1997, at Christ United Methodist Church in Plano, Texas with Reverend Donald W. Underwood officiating. She is buried at Restland Memorial Park Cemetary in Dallas, Texas and survived by three children and five grandchildren.

Raised Methodist, Esther worked in the Methodist church all of her life - in an official capacity beginning in 1972 as a certified Educational Assistant, then consecrated as a diaconal minister in May, 1977, into the North Texas Conference.

As a Christian educator, Esther's devotion to the education of children stemmed from "her gift of being able to see the child in each of us." Anyone who ever worked with Esther knew she could put you to work. "You never said 'yes' to Esther if you were not prepared to work!" Esther's strong faith always shone through her joy, sense of humor and optimism about life. Even after her retirement in 1994, followed by a stroke later that year, Esther continued her ministry. "Her last major production, while still in a wheelchair at C.C. Young, was planned where her granddaughter would push her down 'memory lane' and she would recall certain things... Wherever she is now, I am sure that she is helping to plan and orchestrate God's NEXT BIG PRODUCTION."

HELEN KATHLEEN TITTERINGTON CONNALLY

Helen Kathleen was born to George Alfred and Lena Morris Titterington of Oak Cliff in Dallas on September 3, 1901. Her father, a lawyer, was the third generation Titterington to choose Dallas as home. Helen's great-grandfather, Adam Titterington, was one of the first settlers in Dallas.

The fourth of five children, Helen as a girl was most interested in art; for a time, she studied under Frank Reaugh, a well-known Texas artist. Musically talented as well, she played the piano, but took to the violin in her teens. For two years she attended Texas Women's College (now Texas Wesleyan University) in Fort Worth, and studied violin with Carl Venth. After those two years, Helen entered S.M.U. and majored in the philosophy of religion. After graduation, she accepted the position of director of religious education at Travis Park Methodist Church in San Antonio.

In 1930, Helen married Joseph McClain Connally, a graduate of both Southern Methodist University's undergraduate program and School of Theology. The two then went to Paine College in Augusta, Georgia, where Joe Connally was teaching. When they returned to Texas, Joe Connally became a member of the North Texas Conference of the Methodist Church. His pastorates included Blossom, Wolfe City, Whitewright, Decatur, Commerce, McKinney, and Munger Place Methodist Church in Dallas. He also was a superintendent of the Paris, Greenville, and Dallas Southwest districts.

Helen Connally, during these many years, served churches in various ways; she played the organ when needed, performed with the violin, taught Sunday School, participated in the Women's Society of Christian Service, and championed the need for better parsonages. She and her husband also raised four children: Elaine, Joel, Carolyn, and Stanley.

In her late 40s, Helen was struck with a brain tumor, which was removed when she was 50 years old. The operation left her without the ability to speak or write, both which she loved to do. Over a period of years, she partially regained these abilities, but instead of returning to music and writing, she returned to her first love - art. From then on, Helen concentrated on painting, and put down her paintbrush only about a month before her death on November 14, 1997, in Dallas at the age of 96.

A multi-talented woman with an intense love of life, music, art, poetry, ideas, and people, Helen nurtured an early and abiding faith in Christ and a love for the church. She leaves behind many works of art, a collection of poems and other writings, four children, eight grandchildren, and two great-grandchildren.

KENNETH JOHN HOUSTON MACKENZIE, SR.

Kenneth J. Mackenzie was born in Edinburgh, Scotland on December 8, 1918, and died on November 28, 1997, in Barberton, Ohio. His funeral was December 1 at Columbia Church in Barberton, with Reverend Ralph Young officiating.

Ken arrived in Bayoune, New Jersey, with his parents in 1924. In 1930 they were transferred to Barberton, Ohio. In 1942 Ken married Kathryn (Katy) Walter in Fort Wayne, Indiana. Within three months, Ken became First Lieutenant Mackenzie in World War II.

Two daughters, Rebecca and Jane, along with two sons, Ken, Jr., and Peter, were born to Ken and Katy, followed by eight grandchildren and three great-grandchildren.

In 1968, the B&W Company relocated Ken and Katy to Paris, Texas. Shortly thereafter, Katy enrolled in the Course of Study School at Perkins School of

Theology at Southern Methodist University. She was later ordained as an associate member of the North Texas Conference of the United Methodist Church.

Ken became very active in the United Methodist Church, accompanying Katy in the pulpit each Sabbath, and serving as her litugist. He also was an organizer of the United Methodist Men's Club in the Paris area, and later became a certified Lay Speaker.

In 1983, Ken retired and became a full-time assistant to his ministerial wife. In 1987, Katy retired, and Ken and Katy returned to Ohio to be near their children and grandchildren. Once again, Ken was active in church. Before long, Ken's health began to fail, and after two years of illness, he went on to be with his Lord and Saviour.

Reverend Young's last statement as he concluded Ken's service was, "Ken Mackenzie was a ***Good Man***! His answer was always "**YES**" to all who asked for his services, for he not only loved God, but all of mankind."

Reverend Katy Mackenzie

GLADYS FASON MINGA

Lewis Mumford once said, "Life is the only art we are expected to practice without any previous experience." There is an everlasting truth about that observation, but it fails to consider the strength and wisdom that is passed down through the ages in Holy Scripture. Gladys Fason Minga's life centered on the church and her Lord Jesus Christ. When she sang with her family "Tell Me the Stories of Jesus," she was learning over and over again how to live life in terms of Christian faith, "without any previous experience."

Perhaps the most notable thing she learned about her faith is that the only thing we have that truly belongs to us - that we can give to God - is our gratitude, our thanksgiving. I am sure that is why her daughter, Helen, asked me to be sure to include a special word of thanks to all of her friends for making her life so fulfilling, especially Milton Justice, who promised Floyd Fason that he would take care of Gladys and Helen. And thank-you to Marshall and Frances Fagin and the entire Busy Mrs. Sunday School Class at White Rock United Methodist Church, and, of course, to Gladys' caretakers at what she referred to as her Residence Hotel, where she was honored to be the January Resident of the month - Jo and Chris. And there was Ernestine, who died last year.

Helen said it the other day and I had heard it more than once before: "Gladys had two of the most incredible husbands a woman could possible dream of in Floyd Fason and Herb Minga." The Coffee Cuppers will remember Floyd, the member of that class who first started what still thrives as a fund raising project - the pecan sale.

Oh, how she cared for Floyd those last three difficult years he suffered with an extremely rare form of cancer. Yet she never complained and she was always faithful in her care for him.

Floyd died and later, following a trip to the Holy Land, Gladys married Herb, around whom a great oral tradition has grown and thrived at White Rock. Certain radio personalities, especially sportscasters, are said to have a "signature" - that is to say a certain word or phrase that identifies them. Herb had his signature, too, and everybody here knows what it was: "Well, bless your heart."

Gladys earned her way into our hearts, as well, and she, too, had a signature, her own expression that identified her, and it was another expression of her gratitude: "All of this and heaven, too."

Yes, Gladys, "all of this and heaven, too."

MARJORIE ALICE WYSONG NEELLEY

Marjorie Alice Wysong Neelley passed away September 20, 1997, in the Rolling Meadows Retirement Community, Wichita Falls, Texas. Her services were held at Floral Heights United Methodist Church, September 24, 1997, with the Reverend Dennis Wilkinson and the Reverend Merwin Turner officiating. Also assisting in the service were Nancy Joliff, Bob Hampton, and Merle Anthony, each presenting personal remembrances of her life.

Marjorie was born August 23, 1906, in Portland Mills, Indiana. She attended Terre Haute College and DePauw University in Indiana and was a graduate of West Texas State University in Canyon, Texas. She took graduate work there and also at Midwestern University of Wichita Falls.

She married R. Lloyd Neelley, a Methodist minister in Farwell, Texas, on May 19, 1928. He preceeded her in death on October 27, 1979.

Marjorie loved children and young people intensely, and taught in public schools for 60 years in Indiana, New Mexico, and Texas. She received many awards and honors, one being elected as the first woman teacher to lead the Wichita Falls Teachers' Association. Formerly a Presbyterian, she became a Methodist after her marriage, and was always devoted to the Methodist Church wherever she lived. She always taught 5th and 6th graders in Sunday School and worked extensively with the MYF, participating in YOUTH Caravan Teams, and with the youth of the North Texas Conference, Wichita Falls District and Sub-district and in Floral Heights United Methodist Church. She was very active in all churches wherever they lived, particularly St. John's United Methodist in Lubbock, Texas.

She was very much a loving and dedicated member of the Wesleyan Service Guild, the WSCS, the UMW, and at Floral Heights United Methodist Church was in Keenagers, The Wednesday Morning Bible Study Group and the Business and Professional Women's Sunday School Class. Her legacy of faith was a blessing and influential in countless ways to all who knew her.

Although she was in failing health the last seven years, she continued to hear from her former students and young people and the many friends of both she and her husband, because of their servant hearts and dedicated hours of serving love to everyone God placed in their lives.

She is survived by one daughter, Marilyn Chandler, and son-in-law, Joe Chandler of Wichita Falls; two grandchildren, Darrell Chandler of Amarillo, and Dawn Chandler Morrison of Lakeside City, Texas. And three great-grandchildren, Joshua, Kyle, and Kayla Morrison.

Mrs. Smith had been a resident of Longview since 1977, coming from Dallas. She was a charter member of Trinity United Methodist Church of Longview, and a member of the Pythian Sisters of Longview.

The funeral service for Jane L. Smith was in the Chapel of Rader Funderal Home of Longview with the Reverend Jerry Turner officiating. Interment was in Laurel Land Cemetery of Dallas.

LEORA ELIZABETH (MRS. W. E.) TRICE

Leora Trice died July 20, 1997, at her home in Dallas at the age of 81. Until three months prior to her death, she was active in her church (Walnut Hill), United Methodist Women (president of her local unit), and across the North Texas Conference. Teased often about her short stature, Leora stood tall among United Methodists in her devotion to the church and to her Lord.

A native of Dallas, Leora graduated from Forest Avenue High School and earned her bachelor's degree in journalism from S.M.U. Following her marriage to William E. Trice, she served with him in pastorates in the Louisiana and North Texas Conferences. Dr. Trice preceded her in death in 1981.

Two daughters were born to the couple and survive them. Elizabeth Trice is the holder of the Victor White Teacher Chair at St. Mark's School of Dallas. Mary Jo McCurley is a partner in the law firm of McCurley, Kinser, McCurley, and Nelson of Dallas. There is one granddaughter, Mellisa Rockenbach, of Dallas.

In addition to serving as president of the local unit of UMW, Leora was the Lay Leader of Walnut Hill, and had served as the lay member of that church to the annual conference. She had also served as a district and conference officer of UMW. She was active in many phases of the life of the church, taking each responsibility with great seriousness laced with an abundance of good humor. She was a voracious reader.

In 1982, Leora assumed the position of director of the North Texas Conference Resource Center where she remained until 1990. She led the change from 8mm filmstrips and 16mm films to a library of more than 1500 videos. The Center was a source of pride to her and is a backbone of educational ministries in the conference.

Leora and W.E. collected memorabilia of the Wesleyan Revival in Great Britain. This led her to a study of Susanna Wesley and the portrayal of Mrs. Wesley in a monologue done before countless groups in churches of the conference and beyond.

A memorial worship was held July 22, 1997, at Walnut Hill UMC with Bishop Benjamin P. Oliphint, the Reverend John Earl Taylor, pastor of the church, and the Reverend James E. Reaves officiating.

LOLA WESTBROOK

On October 12, 1997, Lola Westbrook passed from death to life, from the struggles of prolonged illness to the peace of God's eternal kingdom.

Lola was indeed a person of many loves. At the very top of the list was her love of the church--and the United Methodist Church in particular. Lola adapted well to being a minister's wife and faithfully and joyfully served in that role. Though James, her husband, has been gone many years now, Lola died while still revering the title "wife of a United Methodist minister." Ministry was always her calling as well as his.

At the top of her list of loves was her family and favorite ministers. They all received her interest, affection, and concern. She was proud of every accomplishment and always expectant of even greater things. Lola had the knack of being able to speak of one's promising future without making one feel a failure for not having already fufilled her expectations.

Lola was a person of great enthusiasm. She was enthusiastic about all of life. Whatever she did -- ministry, fishing, drama, traveling – she did with zest. And she kept always a very positive attitude. Earlier she was told that her illness would take her life before ten years – but it was 21 years before death finally came to her.

Lola called Cooper, Texas, her home until her final residence in C.C. Young Home in Dallas. As a full-fledged, unapologetic, loyal Methodist it was fitting that Lola would spend her final years in a United Methodist institution.

Services were held on October 15, 1997, in First United Methodist Church in Cooper, Texas, with Dr. Tom Peel and Dr. Justin Tull presiding. Interment was at Oaklawn Cemetery in Cooper.

Lola is survived by her daughter, Lucy Westbrook, of Dallas and her sister, Wilma Goolsby of Cooper.

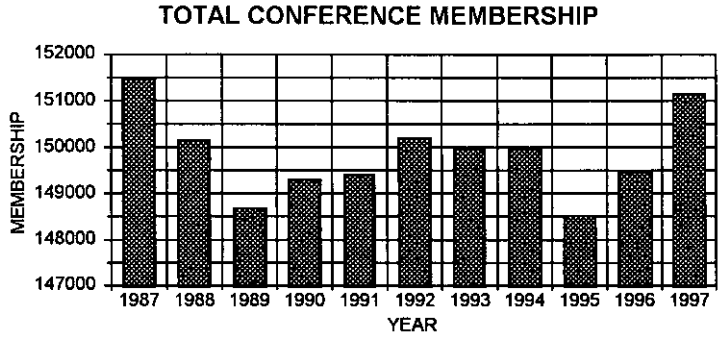
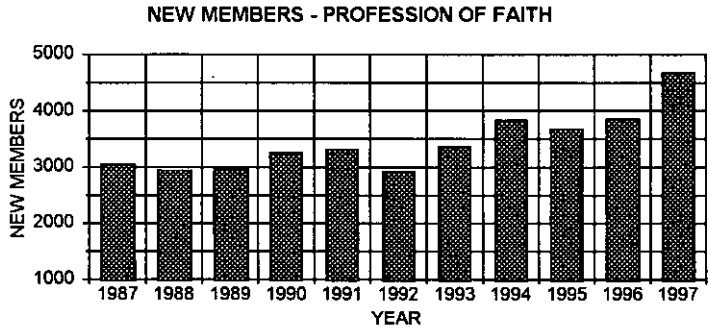
XVIII. STATISTICIAN'S REPORT

The North Texas Conference is alive and growing. Nineteen ninety seven will be entered into the journal as a great year for the conference, with increases being shown in all the major categories that are used to determine the health of the conference.

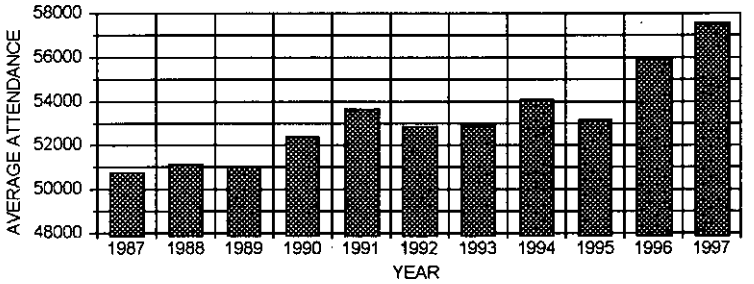


In 1997, the total membership of the Conference was reported to be 151,114 which was a net gain of 1,649 members. This 1.1% increase is the largest increase in membership this decade. This membership was the result of a record setting addition of new members, 11,523, up 1.2% from 1996 and the largest increase in new members reported in the last ten years. Of special note is the fact that the number of new members received by Profession of Faith (and Restored) was 4,687, up 21.5% from the previous year, also the highest number reported since 1987.



In addition to the members received, the churches experienced an increase in attendance at worship. The average worship attendance was 57,574 an increase of 2.9% over 1996. This figure indicates that the ratio of attendance to membership rose to a record level of 38.1%. This is also the highest figure in the last decade.

AVERAGE WORSHIP ATTENDANCE



The Sunday School also experienced growth in membership and attendance. Membership increased to 83,954, an increase of 1.7%, while attendance increased to 35,646, up 2.4%.

All of these increases were reflected in the giving of the Conference. The total amount reported by the churches of the North Texas Conference in 1997 was $77,216,629 which represents an increase of 9.7% over the amount reported in 1996.

While the Conference has not totally recovered the number of members lost in the late 1980's, the recent increases in membership show a trend in this direction. More importantly, the increases in new members, especially those received by Profession of Faith, and the unprecedented growth in worship attendance indicate that the North Texas Conference is vitally involved in nurturing spiritual growth and is moving toward new records by the end of the century.
