VI. Reports

COMPOSITE REPORT OF THE DISTRICT SUPERINTENDENTS

There is much for which to be thankful as we consider our life and work together.

In the report of the Cabinet, we seek to highlight some of the significant events, accomplishments, and indications of the direction and effectiveness of our mission and ministry together.

We are a connectional church. We belong to each other, and as St. Paul writes, "If one member suffers, all suffer together; If one member is honored, all rejoice together." (I Cor. 12:26)

Thanks to dedicated Pastors and Laity, our Conference paid all apportionments, 100% or more this year.

We are one of the select few in this accomplishment, this indicates the loyalty and pride which our Conference takes in fulfilling its support for the church and its mission and ministry at large.

As we review some of the highlights of the year, we discover a series of "Firsts."

This is the first year for our new Bishop as our Episcopal leader.

Bishop John Russell, Mary Jean, and family are one of the great blessings that has come our way.

I believe all who have come to know Bishop Russell would agree he has the heart and touch of a shepherd.

The Russell's are a welcome addition to this Episcopal area.

This is the first full year after General Conference in which we seek to implement a number of its challenges, directives, and mandates.

Suffice here to say, the single number one priority for our church is the Ethnic Minority Local Church Development. Our Conference paid its apportionment on E.M.L.C. in full. We did well on the E.M.L.C. advance, but did not reach our goal.

In addition, the General Conference has designated five special concerns: Africa, Peace with Justice, Strengthening the Local Church for its Evangelistic Mission in the World, Church and Campus — an Essential Evangelism, and World Hunger.

Our progress on these will be reflected in the respective reports of the Conference Boards and Agencies.

We have a mandate from General Conference to initate an adequate pension program, long over due for our retirees.

Your Cabinet is in full support of the pension program and with the help of you Pastors and Laity, as always, we will accomplish this task.

Continuing education and evaluation are now requirements for all ministers in active relationship. Your Cabinet supports these fully and offers whole hearted cooperation to churches, ministers, and the Board of Ministry in accomplishing these goals.

Every church is asked to include an amount in their budget for the ministers continuing education.

Of special concern to the Cabinet, is the itinerate ministry.

As United Methodist ministers, we are committed, with consultation, to go where we are sent.

Another concern is open itineracy. There are increasing numbers of ethnic and women ministers in our Conference.

We hope, that churches and institutions will begin to prepare our people for the acceptance and appointment of these fine persons as pastors.

We have completed the first year of the decade, for us a "Decade of Decision."

Your committee on agenda seeking to continue in the spirit of last year's beginning, has chosen the theme for this Conference, "Vision — Decision — Mission."

The committee's explanation, "The gospel of Jesus Christ and Christian faith create in us a vision of God. This vision calls people of God to decisions which demand commitment to mission in the world."

This is the first full year of the Conference five year strategic plan.

In addition to all else we do, there is evidence of positive results in all the statistical data from the Districts and Churches of the Conference. In membership, worship attendance, and Sunday Church School enrollment and attendance; we show a net increase for the Conference. This is especially significant for the Sunday school since there has been a decline for the last decade. Membership increased by 1,006; worship attendance by 1,040; Sunday school attendance by 457; and Sunday school membership by 1,646.

These give us hope for the present and future, for as someone has well said, "as goes the Sunday School, so goes the Church."

This is the first year for the Commission on Church Growth and Development.

The work of this commission can be one of the greatest advances for our Conference and Churches in a generation.

The response across the Conference to this program thus far has been very promising. In order to implement the full program, we must have adequate share support. I am confident we will reach our goals as more churches and people understand what the work of this commission can mean in church extension and renewal across this Conference.

This is the first year for our new director of "Finance and Administration."

It is not a new office, as most of you know, our Conference has been well served for a number of years by our Conference Secretary-Treasurer. We have simply changed the name and expanded the office to more nearly fit the job and Conference needs.

Happenings within our parsonage families are of real concern to the members of Conference; among these are births, marriages, and deaths.

The births include:

Tamara Ruth to Gary and Carol Turner
Brian Douglas to Larry and Vickey Jones
Colin Pennington to James and Stephanie Porter
Peter Wallace, Jr. to Peter and Lois Agnew
Christopher Davis to Scott and Kathy Youngblood
David Weston to John and Ann Loggins
Michael Taylor to Mike and Margaret Young
James Christopher to Jim and Linda Abel
James Galand to Robert and Patricia Warden
Kelly Wynona to Rev. and Mrs. Michael Ramsdale
Mary Ruth to Rick and Jeri Reed
James Joshua to James and Mary Lou Van Rite
Margaret Ann to John and Linda Miller

The marriage vows exchanged include:

Bobby Baggett to Teresa Smith
Bayard Pratt to Louann Teel
Ted Frost to Carol Foley
Stephen Schmidt to Karen Walker
Stephen Ramsdale to Susan Oakes
Lynn Daniels to Don White
S. W. Curtis to Mamie Jones
Jana Johnson to Richard Grube
Karen Freeman to David Cook
Gerry Paul Glazener to Donna Cook
Janis Gathings to John Owens
David Leach to Anna Dunton

We also extend our sincere sympathy to all those families touched by the experience of death whose names have been listed elsewhere in the memorial service.

The following churches have provided new and improved facilities.

Your Cabinet commends you in your many accomplishments, some of which are presented in this report.

All of us know, however, that we have just begun.

Our United Methodist Church has the theology; structure; personnel, both lay and clerical; and the plans. We need spiritual vision and motivation.

So, as we view the future, your Cabinet invites you to join with us in the spirit of our Conference theme, "Vision — Decision — Mission." As we read from the Scriptures, "Where there is no vision the people perish!" (Pr. 29:18)

We are a people called "Methodists!"

We try to translate our Christly visions into methods of ministry to meet human need.

Together, as the people of God and community of faith, let us seek new understanding of the gospel as it relates to life in this decade. May it give us new vision for good decisions that will end in new modules and methods for mission.

In the reports to the Conference we have many dreams, plans, methods, and strategies laid before us. Every District, Church, and person is a needed part of these hopes and plans. Our challenge, by God's grace, is to bring them to fulfillment.

As someone has said, "Before us lie shoals and tremendous goals!" The hope is that we will move out of the shoals and reach for the goals.

Paul writes, "If God is for us, who is against us?" (Ro. 8:31)

Respectfully submitted on behalf of the Cabinet
James H. Campbell, Chairman

Council On Finance And Administration
Report No. 1

1. The Council on Finance and Administration commends the members of the Annual Conference, the churches and the membership of the churches for their financial response and responsibility in 1980. The Central Texas Conference was one of seven annual conferences which paid 100% of their apportionments in 1980. Our conference has a long tradition of such financial responsibility and the Council on Finance and Administration looks forward to continuing that tradition.
2. The salary for the District Superintendents shall be an amount equal to 110% of the average of the salary and allowances paid to pastors of the top twenty (20) churches of the Conference. It shall be computed on the basis of salaries approved by the Charge Conferences which appear on the Episcopal work sheets as of April 1 prior to the meeting of the Annual Conference. The figures will be compiled by the Director of Professional Ministries and sent to the President of the Council on Finance and Administration and the Conference Director of Finance and Administration within five days. (The 1982 salary for a District Superintendent will be $34,691.00). The Ministerial Pension Plan Current Service amount of 12% of the Denominational Average Compensation, billed directly to the Conference, will be added to the above salary for apportionment to the districts. An allowance of 3,600 for travel outside the bounds of the district is included in the salary for the District Supt.
3. The Conference offices of Director of Finance and Administration, Director of the Council on Ministries, and Director of Church Growth and Development will receive a salary equal to that of the District Superintendents. For 1982 that salary will be $34,691.00. This amount includes an allowance for utilities of $3,000 for the above named three offices. Travel allowances may be part of the respective Council's or Commission's budget.
4. The District committees on finance are authorized to prepare district budgets for presentation to the District Stewards. An amount equal to 10% of the salary for the District Superintendent may be included in the district budget to defray the utility costs of the district parsonage. In addition an amount equal to 10% of the salary may be included in the district budget for travel expenses of the District Superintendent.

   District budgets shall not include a discretionary fund, but may include a District Operation Expense item with a parenthetical explanation of its intent. The district budget shall be submitted to the Annual Conference Council on Finance and Administration for approval each year.

   The District Stewards are authorized to apportion a Connectional Contingency Fund to be used for paying in full apportionment items which may fall short within the respective district. The apportionments will not include the traditional cushion. The Connectional Contingency Fund will be administered at the district level in the same means as the District Work fund. It is understood that if a portion of the Connectional Contingency Fund is not used in any given year, it will remain in the fund and future apportionments to the fund will be reduced. Any adjustments for unusual local church situations will be made in the apportionment of the Connectional Contingency Fund only. All other apportionments will be distributed to every local church on the basis of the decimal.
5. In 1982 the Conference Claimants Fund will include the Ministerial Pension Plan Past Service amount of $684,150.00 and the Comprehensive Protection Plan amount of $158,400.00.
6. The Connectional Ministry amount will be $320,560. Included in this amount is the Episcopal Fund $63,443.00, and the District Superintendent's Fund $257,117.00. The District Superintendent's Fund includes the salaries and the Ministerial Pension Plan Current Service amount.
7. The Council recommends the request from the Board of Higher Education and Ministry that the Texas Methodist College Association apportionment remain at $1.50 per

member. The Council recommends the Wesley Foundation Fund remain at 93¢ per member. These funds to be apportioned to districts and local churches on the decimal authorized by the conference.

8. The Council on Finance and Administration requests the following for 1981:
   1. Conference Insurance Program $175,000
   2. Texas Methodist College Association 185,082
   3. Wesley Foundation 114,750
   4. Ministerial Education Fund 165,096
   5. Black Methodist Colleges 77,330
   6. Missional Priority 57,366
   7. Commission on Ch. Growth and Dev. 200,000
   8. Lydia Patterson Institute 19,435
   9. Southern Methodist University 30,000
9. The Council recommends that the Equitable Salary Fund be drawn from monies deposited with the Texas Methodist Foundation.
10. We recommend that the funds distributed to the Board of Global Ministries from the Central Texas Foundation be retained in the Foundation in order to build up the corpus.
11. We recommend the appointment of Dr. Wm. Greenwaldt as Director of Finance and Administration of the Central Texas Conference.

   "Once a budget line-item has been approved by a regular or called session of the Annual Conference, the line-item amounts cannot be changed, re-allocated, or exceeded without approval from the Council on Finance and Administration."

8. The Director of Finance and Administration is authorized to pay from the Operating Reserve the following items:

   b. Expenses of the Conference Session Secretarial Staff.
   c. Expense of Fidelity Bonds for the Director of Finance and Administration and others who handle Conference Funds, as determined by CFA.
   d. Expenses of auditing the books of the Director of Finance and Administration, the treasurers of Boards, commissions and other agencies of the Conference as may be ordered by CFA. Such audits are to be made by the auditors, selected by CF&A.
   e. The moving expense of ministers of the Conference as described in the 1979 minutes of the Conference Journal, Page 129. When the next Annual Budget is prepared the CFA is authorized to place the total amount in the budget to repay the Operating Reserve for past year spending.
   f. Other expenditures as may be authorized by CFA. Expenditures not to exceed $500 may be authorized by the Executive Committee of the Council.

Resolutions

1. The Council on Finance and Administration recommends that the Central Texas Annual Conference authorize the Director of Finance and Administration to make a loan from the Operating Reserve Funds to the Pacific and Southwest Annual Conference in the amount of $26,115. Repayment of the loan by Pacific and Southwest Annual Conference will begin January 1, 1990. On that same date, January 1, 1990, an interest charge of 12% per year on the remaining balance will begin. No interest will be charged prior to that date.
2. The Council on Finance and Administration recommends that the remaining deficit in the Insurance Fund created in the settlement of claims under the Ministers Benefit Trust administered by the Browning Company be an authorized expenditure from the Operating Reserve funds, thus clearing the deficit. The Insurance Apportionment for 1982 would be reduced and would be for current premium only.

Respectfully submitted,
J. Charles Shelley, Chairman

Council On Finance And Administration
Report No. 4

The Council on Finance and Administration has made a thorough study of the needs of the various offices of the Annual Conference in the light of the use of in-house data processing equipment. The study has involved the investigation of the offerings of five or six vendors and their respective adaptability to these needs.

After weighing all these factors it has been determined that Basic Four Information Systems, a division of Management Assistance, Inc., is best suited to our needs. A primary reason for this recommendation is that the General Council on Finance and Administration of the United Methodist Church uses this equipment and offers its soft ware and many support services free of charge to an Annual Conference electing to use Basic Four. In addition to this advantage, Basic Four and General Council on Finance and Administration

have an agreement that Annual Conferences who purchase Basic Four equipment can do so at a 10% discount on the original purchase contract.

The Council on Finance recommends, therefore, that equipment be purchased with the present capacity to care for the needs of the Finance and Administration and Church Growth and development offices with the understanding that the equipment purchased is capable of being expanded to include the other offices of the Conference Council on Ministries.

The net cost of the equipment is $49,077.00 and is to be paid for out of reserve funds.

Respectfully submitted,
Bill Palm, Chairman,
Special Committee of Council

Annual Conference Council On Ministries Recommendations To Annual Conference

Adopted 6-2-81

1. That each district send four to ten delegates to Lakeview, March 16-18, 1982 to the Convocation for Adult Ministries. Cost — approximately $75.00 per person, room and board.
2. That the Annual Conference approve the name change of "Texas Methodist/United Methodist Reporter" to "United Methodist Reporter" and such editorial changes reflecting the change in name.
3. That our Conference participate with the other Annual Conferences of Texas in adopting Evangelism and Local Church Growth as major emphasis for the Conference years 1982-83 and 1983-84 as adopted by the Texas Methodist Planning Commission on recommendation of the four Bishops of Texas by electing two members from our Conference by the Board of Discipleship to serve on a state-wide committee to develop and coordinate such program subject to the implementing of such plan in accordance with the Strategic Planning Committee's Five-Year Plan previously adopted by the Annual Conference.
4. That the Conference approve a change in the charter of the Texas Methodist Planning Commission that will enable officers of the Commission whose appointments change during the quadrennium to complete their terms of office.
5. That the Conference approve the recommendation of the Texas Methodist Planning Commission to establish an Inter-Conference Committee for Mexican-American Affairs to work with the Rio Grande Annual Conference with the understanding such Committee is already established and at work in our Conference under the name "Inter-Conference Task Force on Mexican-American Affairs" and that such approval will require a name change only.
6. That 30% of the funds raised for EMLC be retained for use in the Annual Conference as provided by action of the General Conference.
7. To change the Conference rules pertaining to Conference Program Boards to:
   a) Permit the district representatives and at-large members of the program boards to be eligible for re-election for an additional three-year term with a maximum of six years.
   b) Change the term for officers of the Conference Program Boards from two to four years to coincide with the quadrennium. (If adopted, officers elected in this year 1981 will serve three years only and thereafter such terms will be four years.)
   c) Establish an Executive Committee for each Program Board composed of the officers and at least two additional members elected by the Board from its district representatives.
8. That the Annual Conference establish a task force to study the operational needs and cooperation possibilities of all conference offices and others who might wish to be a part of a conference office complex.
9. That the Conference adopt the calendar of recommended dates for the year 1981-82.
10. That September 12, 1982 be designated Christian Education Sunday and thereafter that the second Sunday in September in the years 1983 through 1986 be so designated.
11. That mileage allowance for Conference travel be increased to 18¢ per mile for one passenger and 21¢ per mile for two or more passengers.

Roy Grogan, Chairman

Board Of Church And Society

A "Convocation on Ministries with the Family" was held in October, 1980 at the First United Methodist Church in Cleburne. In October, 1981 a workshop for teaching retarded children in the Church School will be conducted. In 1982 the family ministry project for the Board is to conduct a seminar in the Central Texas Conference concerning Prayer and

Spiritual Formation. Without a firm spiritual foundation, the translation of the Gospel into the world wherein families must function soon loses its vitality and reality. To strengthen the bond within the family, assistance and guidance in spiritual disciplines must be offered to family members.

The Board continues to wrestle with ways to be in effective ministry to prisoners and their families within the Central Texas Conference. Ways are being explored to assist released prisoners in finding jobs and becoming assimilated into society.

Because there is a large percentage of the population not related in an active way to any organized Church, the Board is investigating ways that the Church through volunteer chaplains can reach out to people employed in industry and the business world.

In 1982, the world expects the church to address social issues that are relevant locally as well as internationally. A seminar for clergy and laity is planned for the Spring of 1982 dealing with methodology and models for dealing with social issues.

One of the primary missions of your Board of Church and Society is to help educate and raise consciousness levels concerning ways that the Gospel can be translated into the world where people live and have their being. To do this the Board plans to have a comprehensive display at Annual Conference in 1982, showing ways that the United Methodist Church is involved with the pain and suffering and triumphants of God's children everywhere.

The Board supports the Conference Task Force Inter-Conference Mexican American Relations. Partial support for a Spanish speaking worker at the Wesley Foundation at the University of Texas at El Paso is provided by the Board.

To further Peace with Justice for all, the Board will continue to provide information to local churches concerning the work of the General Church in this area.

The Central Texas Conference Board of Church and Society supports an open itineracy where preachers are sent to pulpits without regard to age, sex, race, or language of origin. In 1980 a letter was sent to every PPR Committee in the Conference urging a new openness in our appointment system.

Thomas Q. Robbins, Chairperson
Georgia Allen, Secretary

Board Of Discipleship
Committee On Camps And Assemblies

Goals for 1982:

1. Continue work toward a master plan as a result of the work of the Site Assessment Committee. The work of this committee should be accomplished in 1982. If the work toward a master plan for camping in the Central Texas Conference is to continue, help of consultants will need to be sought during 1982.

2. Continue to emphasize ethnic minority participation in the Conference camping program by recruitment of ethnic minority leadership, both volunteer and staff. If the church is to teach the Christian principle of brotherhood among all peoples, we must encourage opportunities where relationships with ethnic minorities can be experienced.

3. Develop recreational facilities in coalition with the master plan and the work of the Site Assessment Committee. There is a need for an outdoor recreation slab which can be used for numerous outdoor recreational activities.

4. Improve existing cabins and dining hall. In cabins, bunks need to be anchored to the floor; showers need remodeling including improvements such as racks on which clothing can be put, towel racks, soap dishes and shower curtains. Floor coverings need to be laid to prevent accidents on slippery concrete or tile. In the dining hall, carpet will need to be replaced in 1982.

Board Of Discipleship
Conference Council On Youth Ministry 1982 Goals

1. To develop models for district Councils on Youth Ministry to use and to enable local churches in the area of resourcing and planning.

2. Continue 1980-81 goals.

3. To upgrade publicity and communication between local churches, districts and conference.

4. To include spiritual emphasis (i.e., Bible study, prayer, tools for sharing faith) in Conference CCYM-sponsored events.

5. Every CCYM member will be enabled to be a resource person (i.e., skills, materials, tools, etc.) to the districts and local churches and will be given opportunity to provide leadership in a given area at CCYM meetings.

Board Of Discipleship
Committee On Education In The Local Church
And Leadership Development 1982 Goals And Rationale

1. By January 15, have summer curricula for elementary, junior and senior high camping events available for distribution.

Rationale: The Committee will continue to provide cyclical curriculum materials for elementary, junior and senior high summer camp programs. This task involves securing and paying writers as well as publishing the materials. The elementary and junior high three-year cycle will be completed in 1982, and the senior high four-year cycle will be completed in 1983.

2. By February 1, complete the scheduling and planning of conference-wide training events for teachers of children, youth, and adults, and workers and administrators in the Church School.

Rationale: The Strategic Plan calls for training of teachers, workers and administrators in the Church School on the conference level each year.

3. By February 1, make recommendations to the Board of Discipleship regarding monetary resources to be included in the Board's budget for the purpose of training persons willing to work on conference and district levels.

Rationale: This is one of the recommendations of the Strategic Plan.

4. By March 1, sponsor Camp Dean-Director training, and hold a summer events evaluation by October 1.

Rationale: The Committee has sponsored the Camp Dean-Director training for summer camp leaders and will continue the program in 1982. The training insures camp leaders understand their roles, the resources available, and the mechanics of recruiting and training volunteer camp counselors. At the request of the Committee on Camps and Assemblies we will take charge of the summer events evaluation.

5. By May 1, update the existing list of persons qualified to provide teaching in every age-level who are available to teach in district and/or local church training events.

Rationale: The list was part of the 1981 segment of the Strategic Plan and needs to be updated annually.

6. By May 15, a workshop on the new United Methodist curriculum materials shall have been conducted in our conference with national staff persons providing leadership.

Rationale: New curriculum resources will be available for all age-levels between 1981-82. The national office desires an opportunity to conduct one workshop in each conference for the purpose of training district teams. Each team is to conduct a similar workshop in its own district. District team members are to be selected by the district superintendent with the assistance of the district committee on education.

7. By June 1, complete the scheduling of a conference-wide lab school with training for teachers and workers of all age-levels. The school will be held in the spring of 1983.

Rationale: The Committee believes that effective training for teachers and workers in the Church School is essential. A lab school in 1983 would provide the comprehensive training many persons are requesting.

8. By December 1, make teams available to each district for the purpose of providing training in the areas of curriculum, resources and available teaching expertise.

Rationale: The Strategic Plan calls for workshops to occur in each district to equip teachers and others in connection with Christian education. This Committee has the

responsibility of enabling the districts to plan and execute such workshops.

9. Develop and implement special events for families, single adults, and older adults, and continue to provide program subsidy for district camps, special trip camps, United Community Centers, and the conference elementary camp.

Rationale: The Committee has the responsibility of planning and implementing conference-wide camping experiences and special events for all age levels. We will continue to provide program subsidy for the events to insure that each event has adequate program monies.

10. Continue to publish Church School reporting forms and make them available to each local church and district in our conference.

Rationale: The Strategic Plan calls for a reporting process whereby the local churches and districts submit information to the Conference Office quarterly regarding Church School attendance and membership. The purpose of the reporting process is to keep persons in our conference aware of our Church School growth, and to encourage the promotion of sound ways to enhancing Church School growth. This Committee supplies the districts and local churches with the necessary forms to enable them to participate in this reporting process.

11. We request that the Annual Conference approve September 12, 1982, as the day to receive the Christian Education Sunday offering in our conference.

Rationale: The offering received on Christian Education Sunday provides additional funds for many of the training events held in districts and local churches.

JAMES R. OLNEY, Chairperson
RAYDEAN DAMON, Secretary

Board Of Discipleship
Committee On Evangelism, Stewardship And Worship 1982 Goals

I. Worship
   A. Conduct in a district or a district cluster a workshop on preaching to deal with "how to preach evangelistically."
   B. Publicize the United Methodist Fellowship of Music, Worship and Art and encourage pastors to become members in order to receive their worship packet.

II. Stewardship and Spiritual Enrichment
   A. To add to the planning task force of the "Time of Growth and Reflection," a professor of worship and preaching to be used as a resource to help develop corporate worship experiences which reflect creative and exciting forms of worship. It is recommended that workshops on "how to do creative worship and how to challenge laypersons to be open to new forms of worship" be included in the "Time of Growth and Reflection" event.
   B. By spring, 1982, a workshop on budget and giving will be conducted. Target audience — ministers, finance committee chairs, chair of budget campaigns, local church stewardship leadership.

III. Evangelism
   A. Plan, implement and evaluate a minimum of two LEAD workshops.
   B. Complete research of program which addresses reactivation of church members (other than LEAD) and conduct one training event using the new information.
   C. Host a conference-wide School of Evangelism.
   D. Provide to local churches a listing of resources and resource personnel who could lead the local church in the study of the theology and Biblical roots of evangelism.
   E. Encourage district superintendents to host a district training retreat for pastors which could include training of ministers in the area of evangelism and visitation. Attention would be given to "how to recruit and develop a program of lay participation in a local church evangelism program."
   F. The Board of Discipleship will have as its goal the involvement of every local parish in the "doing" of evangelism which includes evangelistic visitation, special services and events, an emphasis on Christian doctrine and church membership, and an invitation regularly extended for commitment to Jesus Christ.

G. An evangelism week will be established in which local churches will be encouraged to strengthen evangelistic activities (which could include the items listed in "F" above).
H. Develop a system of accountability of local pastors to and with the district superintendents and the bishop. (This system will be incorporated into the local church school reporting forms.)
I. Complete development of a talent bank of persons with interest and expertise in evangelism and make this list available to local churches through the district offices.

Board Of Discipleship
Task Force On Human Sexuality

1981 Revised Goals:

1. To reorganize the Task Force to consist of: Chairperson of the Task Force; three persons certified or working on certification for leading labs on human sexuality; one ACCOM staff person; chairperson and vice chairperson of the Board of Discipleship.

1982 Goals:

1. To implement new structure and approach designed by the new Task Force on Human Sexuality and approved by the Board of Discipleship.
2. To support the ethnic minority and small churches in their attempts to have labs on human sexuality.
3. To continue to certify lab instructors for the Central Texas Conference.
4. To be a resource for all churches seeking to have a lab on human sexuality.

Glen Lake/Rainbow Camps Trustee Report
Report No. 1

Received June 3, 1981

MAINTENANCE AND IMPROVEMENTS

Under the capable leadership of Camp Director Maurice Wise and his very dedicated staff and assistants, the camps have been not only well maintained but also vastly improved. During the past year, much has been accomplished. Let me elaborate just a few of the major improvements.

(1) Bathrooms, complete with showers, have been added to all cabins.
(2) New sound system installed in Siceloff Auditorium.
(3) Remodeled Education Building — inner walls removed, vaulted ceiling added, paneling added, new lights, carpet installed, central heat & air conditioning, 2 bedrooms and full bathroom to accommodate handicapped persons. Fireplace will be added soon.
(4) Installed solar film on the dining hall windows and storm windows also to conserve energy.
(5) Installed new drapes and carpet on the stage and repainted the interior of Siceloff Auditorium.
(6) Installed outdoor carpet on the swimming pool deck to prevent accidents and provide a cooler surface to walk and sunbathe on.

The Trustees are glad to report that our properties are adequately insured by L. T. Barton Insurance in the name of Commonwealth Lloyd's Co. of Ft. Worth.

We intend in the future to be more energy efficient and ecologically conscious.

Many of our beautiful Live Oak Trees have been hit by a disease commonly known as Live Oak Decline. Measures are currently being taken to save these invaluable assets to our campgrounds. This is involving some expensive chemical treatment and we would encourage church school classes or youth groups who might be interested in helping us "SAVE OUR TREES," doing so by various fund-raising projects and sending the proceeds to "SAVE OUR TREES," c/o the Conference Secretary/Treasurer.

We also hope to plant replacement trees for those that we have already lost.

STATUS OF TAX SUIT

On the advice of counsel, Attorney Doren Eskew, 208 W. 14th, Austin, Texas 78701, this case is dormant and we want it to remain so. The latest tax statements were sent to our attorney on 5/12/80. Mr. Eskew has hopes that the Statute of Limitations will soon expire on this case and the matter dismissed.

STATUS OF ENCROACHMENT ON GLEN LAKE PROPERTY

We have "glorious" news to report this year. On May 29, 1981, our very able and patient attorney, William R. Anderson, Jr., called the Chairman of Trustees to report that a settlement had been tentatively reached pending approval by the Camp Trustees and the Central Texas Annual Conference. We have been seeking to resolve this issue for fourteen years. With your approval, we will do so for an amount of $750.00

The property in question involves 1.828 acres bound by Wheeler Branch, old Highway 67 and the Paluxy River. It is on the extreme Northeast corner of Glen Lake Camp.

Mr. Roy Parnell of Glen Rose, Texas, has agreed to pay Glen Lake Camp and the Central Texas Annual Conference the amount of $750 for the property in question.

At the time of final settlement with Mr. Parnell, a complete legal description of the new property lines will be duly filed with Sommerville County and copies of the agreement will be filed with the Annual Conference, Secretary/Treasurer and Camp Manager. Completed copies of our registered surveys regarding both Glen Lake (57.344 acres) and Rainbow Camp (171 acres) will be filed with the Annual Conference Secretary/Treasurer, the Camp Manager, the Chairperson of Camp Trustees and copies kept in the Camp Safety Deposit Box #699 of the First National Bank of Glen Rose, Texas.

Those currently authorized to access of the Safety Deposit Box are Chairperson of Camp Trustees, the Conference Director of the Council on Ministries and the Camp Manager. It is our recommendation that the Annual Conference Secretary/Treasurer also be added to this list of authorized persons.

It should further be noted that the settlement of this encroachment question is largely due to several things: (a) a strong sense of cooperation and without any relinquishment to the original claim by Mr. Roy Parnell, (b) the diplomacy and aplomb used by Mr. Bill Anderson, our legal counsel in the final handling of this matter and (c) the dedicated services of Mr. C. E. Recer, Registered Public Surveyor #1334 and his staff.

To these and others who have dealt so long and patiently with this matter, the current Trustees of Glen Lake/Rainbow Camps give our deepest thanks and appreciation.

SURVEY OF CAMP PROPERTIES

Complete surveys of both Glen Lake and Rainbow Camps have been completed and paid for. The Camp Trustees feel that due to all that has preceded and been precipitated by the encroachment question, we will have no further encroachment problems. Furthermore, the Trustee Chairman along with the Camp Manager and the C. E. Recer Survey Team have walked the survey lines of Rainbow Camp, have located the major corner pins, and corner posts are in process of being set and a twelve-foot fire lane cut by a bulldozer around the perimeter of Rainbow Camp.

The survey of Glen Lake Camp was completed several years ago and with the property encroachment question settled, we foresee no further problems.

LAKE BROWNWOOD PROPERTY

It has been called to the attention of the Trustees that there are three acres of land on or near Lake Brownwood that became property of the Central Texas Annual Conference when we merged with the former West Texas Conference. Mrs. George Crayton of Brownwood, a former member of the West Texas Conference, has contacted Brownwood District Superintendent Bob Weathers regarding this property and its possible use for a recreation area for the Central Texas Conference. The Trustees will be handling this matter in cooperation with the Brownwood District.

Report No. 2

FUTURE WORK AND GOALS FOR THE GLEN LAKE/RAINBOW TRUSTEES

The year 1981-82 will involve your Trustees evaluating the work of the Site Assessment

Committee that has recently been completed. We will then work closely with the Committee on Camps and Assemblies in the development of long-range plans and goals for camping in the Central Texas Annual Conference. In doing this, we will work in cooperation with the Council on Finance and Administration in the development of a financial plan that will assist us in making many needed capital improvements and the best usage of our current property as well as the need for possible future expansion.

CONCLUSION

Bradford G. Sears, a United Methodist layman and nationally known architect has written, "The Church has really only two directions between which to choose in the use and development of its properties historically used for camp, conference and retreat programs. It must either decide that the spiral of evolution due to inflation is going to lead to the dissolution of these types of church activities and phase out all such programs and sites, or . . . it must take a bold look at innovative, exciting, new programs, and facilities that speak to today's and tomorrow's world and make a major investment gamble that these programs, if staffed with first rate professional leadership, and operated in facilities that are models for others to follow, will have something to offer in the work of the church."

It is our purpose to take the bold look at new and innovative ways for our Conference to be involved in camping and outdoor education for the future of the Central Texas Annual Conference and to prepare facilities and models that will aid others in finding spiritual enrichment and pleasurable inspiration amid the clutter and clatter of our world.

Respectfully submitted,
Richard W. Jenkins, Jr., D. Min., Chairman

Board Of Global Ministries
1982 Goals
Committee On Church Extension

1. To continue support of Southeast Fort Worth Quadrant/Black Church Development and Southwest Fort Worth New Church/Genesis United Methodist Church.

Rationale: These projects are ongoing — already approved and receiving support.

2. To be prepared to respond to the need for ethnic language church development in the Central Texas Conference; i.e., Native American, Hispanic and Asian groups.

Rationale: This goal represents our continuing response to the rising population of ethnic groups in the Central Texas Conference, such as the Korean congregation in Killeen, the large group of Native Americans coming into the Tarrant Metroplex and the increasing need among Hispanics conference-wide.

3. To support the new conference-wide share program goal of at least one share per twelve members at $45.00 per share. The share program has been initiated by the new Commission on Church Growth and Development.

Rationale: This goal represents the expansion of the former Metropolitan Board Share program that now includes the entire conference in terms of need.

4. To be open to any and all loan requests for monies available through the Central Texas Conference Foundation.

Rationale: This goal represents the continued responsibility to screen and recommend loan applications for Central Texas Conference Foundation monies.

Timeline

1. The support of Genesis United Methodist Church will conclude at the end of fiscal 1982 and support of Black Church Development in the Southeast Quadrant of Fort Worth should continue as needed subject to recommendation by the Commission on Church Growth and Development.

2. This should be for an indefinite period of time with a timeline arrived at by the cooperative efforts of the Commission, the district and other groups, such as the Rio Grande Conference.

3. For an organized, ongoing program of church growth and development to continue, a program of financial support is a necessity.

4. To receive, consider and recommend loan request is the responsibility of the Committee on Church Extension.

CHARLES RICE, Chairperson

Committee On Ecumenical Affairs

1. To continue to support the Texas Conference of Churches and Texas Impact.

2. To identify existing ecumenical organizations in each of the districts of the Conference through a questionnaire to be prepared and sent to the district superintendents to obtain the necessary information.

Rationale: The Committee believes it is important to identify and maintain communications with other ecumenical organizations and that this can be promoted through goals 1 and 2.

3. To continue to monitor the South Arlington area keeping in mind the possibility of a congregation similar to the St. Barnabas church with a pastor from the Presbyterian church.

Rationale: Because of St. Barnabas Church's success, it is believed that St. Barnabas can serve as a role model at a future time. The South Arlington area is a feasible prospect.

4. To request that the Central Texas Conference continue to have the sum of $20,000 available from the Conference Operating Reserve Fund to be used to oppose any effort to legalize gambling in the State of Texas.

Rationale: The United Methodist Church opposes legalized gambling thus we need to be prepared to oppose it if the proposal comes before the Legislature.

5. To present a report of the issues and decisions of the Texas Conference of Churches to each local congregation through the Texas Methodist.

6. To participate in the Mt. Sequoyah School of Ecumenical Ministries.

Rationale: The churches in our Conference need to be aware of the goals and activities of ecumenical groups, such as the Texas Conference of Churches. Our committee needs also to keep up to date with the ecumenical training available in our own Conference. Goals five and six are to allow us to learn and to pass on to our conference churches the information we obtain.

FRED WOERNER, Chairperson

Committee On Education And The Advance

1. To promote Advance Specials.

2. To work with United Methodist Women in a cooperative School of Christian Mission by: a) an allocation to the budget of the school, b) planning for the school, c) requesting that all district mission secretaries attend the School of Christian Mission at district expense.

Rationale: The School of Christian Missions is currently the major tool we have for the education of the laity in missions. Therefore, the Committee makes allocation of funds from its budget for the School of Missions.

3. To continue the Mission Resource Center by sending a questionnaire to local United Methodist Women through each district president.

Rationale: This goal was begun in 1981. It needs to be kept current to give the local church Missions Chairperson a resource bank for programs. The center is located in the Conference Office.

4. To encourage all districts to have a "Mission Saturation" event by May, 1982.

Rationale: To help the local church become more mission conscious and to become aware of the labor of our missionaries.

5. To encourage all districts to recruit seven persons to become enablers to local churches in their districts in doing more in missions. All seven to attend 1982 School of Christian Missions at district expense.

Rationale: To become available to work with local church Mission Work Area chairpersons and Council on Ministries to help them become more mission minded and more involved in mission programs and activities.

6. To promote local churches to become full supporting members of missionaries in the field by contributing $3.00 per member.

Rationale: Local churches with memberships less than 750 may become full supporting congregations of a missionary by contributing $1.00 to $3.00 per member, thus entitling them to schedule that missionary (on furlough) to speak in the local church. They would also receive periodic updates as to the work in the field. Large churches are requested to contribute $1,000 or more.

GARY WHITBECK, Chairperson

Committee On Health And Welfare

1. To make each church aware of the need to minister to the handicapped through

intensive education and to provide information regarding the use of adaptive facilities and curriculum materials designed for the handicapped.

Rationale: Opportunities for active church participation by handicapped members may be provided through adaptive facilities or specially designed curriculum materials.

2. To encourage each local church to designate a chairperson for Health and Welfare and each district to have such a person and to send a new list to the agencies related to the committee.

Rationale: Direct agency contact with local health and welfare chairpersons is important to motivate local committee action.

3. To encourage the largest church in each district to sponsor a Health and Welfare Festival in which church agency representatives may inform our people about their ministries and to invite smaller churches to participate.

Rationale: Local education regarding the ministry of our agencies is a necessary "first step" toward personal response to our agency needs.

4. To continue to publicize the work of the agencies related to our Committee through the Texas Methodist, especially to call attention to the times when special offerings are to be received for their support and to lift the level of giving to these agencies to more than offset the problem of inflation.

Rationale: The quality of service provided by the agencies is dependent on financial support. Since the agencies may experience greater requests for services during times of financial stress, it is critical that the level of giving offsets the problem of inflation.

5. To encourage the inclusion of the agencies in personal estate planning.

Rationale: Financial stability for the agencies is dependent on sound long range planning and commitments.

6. To encourage all local churches to observe these special dates in telling the story of our institutions and to receive special offerings for them — April for Golden Cross; May for Wesleyan Home; November for Methodist Mission Home of Texas; December for Methodist Home in Waco.

Rationale: Traditional annual offerings to the agencies affords the opportunity for local membership education and personal financial commitment.

7. To continue to support contributions to alleviate world hunger through UMCOR.

Rationale: As long as world hunger exists, Christian commitment to its alleviation must be renewed.

Timeline

1. Ministry to Handicapped: Mail out by July. Features submitted to conference edition of the Texas Methodist spotlighting outstanding local church ministries to handicapped as identified.

2. Lists to agencies: By January, 1982

3. Encourage large church festivals: Through mail-outs by April, 1982.

4. Publicize work agencies in the Texas Methodist: late March, Golden Cross; late April, Wesleyan Home; late October, Methodist Mission Home; late November, Methodist Home in Waco.

5. Encourage estate planning: ongoing through local churches. Mail-out by April.

6. Encourage Special Offerings: April, Golden Cross; May, Wesleyan Home; November, Methodist Mission Home of Texas; December, Methodist Homes in Waco.

7. Support World Hunger contributions: Through mail-outs by April.

BLISS DODD, Chairperson

Committee On Parish Development

1. To continue the small church achievement awards and involve more churches in the program.

Rationale: To support the small church congregations and make them aware of how involved they really are in the life of their church.

2. To provide a seminar on "Ministry to Mobile Homes" at two locations in the Annual Conference in the spring.

Rationale: It is increasingly difficult to reach people who reside in mobile homes for the church. Through a seminar, we hope to provide some tools and insights into ministering more effectively to this segment of society.

B. C. DUGGER, Chairperson

Committee On Urban Ministries — Review Of 1981

It is a great disappointment to report no white congregation is known to have developed a cooperative program of exchanging members, on a short term basis, with any black congregation, in 1980. There were three inquiries concerning this exchange and discovery program, referred to as IC-1 and SC-1 Programs, (Innercity Church — one unit of time; Suburban Church — one unit of time). However, either a lack of understanding, or a lack of willingness to ask members to volunteer to attend another church for a designated unit of time, deferred implementation.

Gratefully, we announce the beginning of a new association between Texas Wesleyan College and United Community Centers. The college is making housing and food service available at a minimum cost to youth groups, or adults, who will come to work in the centers. Arrangements for type of work, location, materials needed, tools, cost to local church, kinds of supervision, dates, etc. are to be made through the office of United Community Centers. Two churches are already booked for the Summer of 1981, two more are to apply.

1982 Program Goals:

1. To encourage at least three churches outside Fort Worth to visit the United Community Centers.
2. To consider and administer financial requests for urban ministry projects, involving funds from the Annual Conference, in such a manner as to meet the needs in all the districts of the conference.
3. To assist one black church and one white church to implement the program of exchanging members, on a short-term basis, for the purpose of discovery and mutual appreciation. The exchange is to be called IC-1 and SC-1.
4. To assist United Community Centers in acquiring four churches for Youth Summer Mission Work Camps for the Summer of 1982.
5. To receive a combined total of $40,368.63 of Advance Special money for United Community Centers, Laura Edwards Christian Community Center, Metropolitan Board of Missions, and Waco Innercity Ministry, during 1982.
6. To receive from the Cabinet guidelines which they feel will implement in this conference the new legislation, of 1980, referred to as Paragraph 207, **The Discipline**, 1980.
7. To prioritize funds in favor of those churches in economic and ethnic transition which are endeavoring to minister to their community, and not only to themselves. (Paragraph 207)

Rationale: Only goals 3, 5, 6, 7 require a rationale for their inclusion. The IC-1 and SC-1 Programs are the current best approach to knitting us together as one team for the Lord. Without discovering the humanness, spirituality and shared characteristics we have, black and white, we will not have mutual appreciation.

Economic hard times have hit all levels of the United Methodist Church. Federal government funds are not as abundant, nor are funds from United Methodist agencies. We must encourage Advance Special giving in order to meet current fiscal pressures. Not as many new ministries can be begun, in the near term, but we must maintain the outreach of compassion, advocacy, and early childhood education we have begun.

The decision of the United Methodist Church to relate instead of running, where there are churches in transitional communities, is overdue. It represents an enforcement of mission, by use of the fact that all local church deeds are held by the Church. Every effort must be made to serve, before shifting to another church site. Nonetheless, the best use of time, space and money for long term growth and an enlarged financial capability for mission may well dictate moving a local church. The aim ought to be ministry and mission involvement

in the name of Jesus Christ whether or not a local church transfers to a new location.

Therefore, we call the attention of the Cabinet, the Commission on Church Growth and Development and the Committee on Minimum Salary to Paragraph 207, **The Discipline, 1980.**

Respectfully,
Rev. Richard M. Freeman, Chairperson

Resolution

The Central Texas Conference is taking very seriously the need for Church Growth and Development (a program that originated with this Board) by funding and giving guidelines to the new Commission on Church Growth And Development under the leadership of Dr. Edward Otwell. To avoid needless duplication of work, be it therefore, resolved that:

The Board of Global Ministries meeting on September 21, 1980 at First United Methodist Church of Fort Worth requests that the Annual Conference transfer to the Commission on Church Growth and Development all goals, funds, and tasks formerly assigned to the Committee on Church Extension of the Central Texas Conference Board of Global Ministries. Further, that the Central Texas Conference Foundation shall be related to the new Commission on Church Growth and Development by amending its Constitution and By-Laws in every part by removing the words, "Board of Global Ministries" and substituting the words, "Commission on Church Growth and Development."

We request that this resolution be passed and become effective at the 1981 session of the Central Texas Annual Conference.

Aging Resource Models (ARM) Foundation Report To The Central Texas Conference Report No. 1

To date, twenty-two programs have been funded by the ARM Foundation. Nineteen of these continue at present. During 1977, the ARM Foundation made six initial grants totaling $21,400. In 1978, five new grants and three grant expansions totaling $17,830 were made. In 1979 through April 1, the Foundation made seven new grants and one grant expansion totaling $22,695. In 1980 through May 30, the Foundation awarded two new grants and three expansions totaling $5,400. In 1981 through May 31, the Foundation awarded 1 new grant for $2,000 and transferred the equipment from the Everman project to begin a new tape ministry at Mart. Up to October 1, 1979, grant funds have been provided jointly by the Central Texas Conference and the Texas Governor's Committee on Aging. Now funds are provided solely by the Central Texas Conference and the ARM Foundation's permanent endowment fund, which has received $5,755.50 in contributions from June 1980 through May 1981. $5,180.00 (90%) of these endowment funds has been deposited to the permanent endowment fund, and $575.50 (10%) will be used for present and future operations in keeping with the endowment campaign guidelines.

Joint Report Of The Board Of Trustees Of Harris Hospital-Methodist And The ACCOM Study Committee

During the past decade Harris Hospital-Methodist, which is owned and controlled by the Central Texas Annual Conference, has developed into a successful, well-established multi-hospital system recognized as such on a national level in the health care community. It seems appropriate, therefore, that the Annual Conference adopt a Mission Statement for Harris Hospital-Methodist which documents and supports not only the significant development of the Harris System during the past decade but also provides continuing support for this System in the future. Concurrently, as in the past, the organizational structure of the Harris System needs to continue to develop in order to effectively carry out the mission of the System.

Therefore it is recommended:

1) that a Committee of the Conference be appointed by the Bishop of at least ten persons equally divided between lay and clergy selected for their expertise and knowledge of the legal and financial implications, as well as Conference relationships, to make an indepth study of all such factors inherent in the proposed plan and the plans for growth and expansion as set out in the Mission Statement attached hereto and made a part hereof.
2) that the plan of reorganization, the Mission Statement, and findings and recommendations of the Committee be made available and presented to each district conference before the next session of the Annual Conference, regular or called.
3) During this interim period the Board of the hospital will make no further acquisition of

additional hospitals or enter into management agreements or contracts to do the same or incur any indebtedness in this regard, except where negotiations have already been initiated, or change the current operating organizational structure without the prior approval by two-thirds vote of the Committee to be appointed and the Cabinet of the Annual Conference meeting in joint session, chaired by the presiding Bishop, or by the affirmative vote of a called or regular session of the Annual Conference.

4) that adequate funds as determined by the Committee to conduct its business be made available from Conference reserve funds after approval by the Council on Finance and Administration.
5) that adequate time be provided on the agenda for discussion and consideration of this matter at the Annual Conference session considering the same.

Harris Methodist Health System Mission Statement

Harris Methodist Health System is a multi-institutional health service system. This System is owned and controlled by the Central Texas Annual Conference of The United Methodist Church. In furtherance of the outreach mission of the Central Texas Annual Conference, the System represents the physical expression, embodied in health care facilities and services, of the Church's underlying human compassion for those in need. These health care facilities and services will be provided directly or by referral on an in-patient and ambulatory basis for the primary, secondary and/or tertiary medical needs of the persons in the service area.

The System's service area is roughly defined as the western two-thirds of the Central Texas Annual Conference and the western half of the North Texas Annual Conference. It covers a geographic area with a radius of approximately 150 miles to the north, west and south of Fort Worth, Texas. Service area counties include:

Archer	Eastland	Palo Pinto
Baylor	Erath	Parker
Bell	Hamilton	Shackleford
Bosque	Hill	Somervell
Brown	Hood	Stephens
Callahan	Jack	Tarrant
Clay	Johnson	Throckmorton
Coleman	Lampasas	Wichita
Cooke	McLennan	Wilbarger
Coryell	Mills	Wise
Denton	Montague	Young

The System will provide high quality care to its patients in an economical and efficient manner. This includes maintaining and when appropriate improving, modifying or creating medical, ancillary and diversified support services; expanding shared services agreements; affiliating with other institutions through management contracts, lease agreements or purchase; developing health service delivery programs; and implementing preventive and restorative programs through health education and promotion. In the fulfillment of this objective, the Harris Methodist Health System Board of Trustees has the power to lease, sell, or transfer property within the System with the exception of the Harris Main Building, the Jones Building, the Clay J. Berry Parking Garage and the Auxiliary Building located at Harris' Fort Worth Medical Center or twenty-five percent or more of the total System's property. The authority to lease, sell or transfer these main properties of Harris Hospital — Methodist or twenty-five percent or more of the total System's property requires the approval of The Central Texas Annual Conference of The United Methodist Church.

It is recognized that assisting smaller communities in the service area in maintaining and improving their health care is an important mission of the System and the Conference. As the System continues to develop and in order to provide for a stable pattern of growth, standards and criteria will be applied to each affiliation opportunity. These standards and criteria determine the appropriateness of this affiliation opportunity by matching the needs of the affiliating institution with the resource capabilities of the System. This synthesis insures the continued viability of the System's health care mission. Overall, the System will maintain a combined debt-to-asset ratio of no more than 65%. Each proposed affiliated institution will:

* Be within approximately a 150 mile radius of Fort Worth within the traditional service area of Harris Hospital — Methodist. Primary emphasis is on the area north, west and south in order to make it possible to form a geographically integrated health care system.
* Have the clear capability to become financially viable on its own merits.
* Assure the System that there is a broad based community consensus of the desirability of affiliation.
* Have the potential to provide a quality of patient care equal to that of the other affiliated hospitals in the Harris System.
* Provide for a means to dissolve the affiliation arrangement should this be necessary.

The following institutions are included within the System through different types of organizational linkages:

1. **Harris Hospital — Methodist**, a six hundred twenty-eight bed special care and general acute care hospital in downtown Fort Worth, Texas;
2. **Hurst-Euless-Bedford Hospital (HEB)**, a two-hundred twelve bed special care and general care hospital in Bedford and Euless, Texas;
3. **Eagle Mountain Area Suburban Hospital (EMASH)**, a twenty-two bed general acute care hospital in Azle, Texas;
4. **Duncan Memorial Hospital**, a fourteen bed specialized maternity hospital in Fort Worth, Texas;
5. **Dublin Hospital, Inc.**, a twenty-seven bed general acute care hospital in Dublin, Texas; and,
6. **Decatur Community Hospital**, a fifty bed general acute care hospital in Decatur, Texas.

Recognizing that from time to time, affiliation arrangements may be changed or altered, this list is not intended to be inclusive. Rather, it is illustrative of existing affiliation arrangements.

The Central Texas Annual Conference of The United Methodist Church owns and controls Harris Hospital — Methodist. Hurst-Euless-Bedford Hospital, Inc., through lease/purchase from the Hurst-Euless-Bedford Hospital Authority, operates the Hurst-Euless-Bedford Hospital. The Board of Trustees of Harris Methodist Health System is responsible for appointing the Board Members of Hurst-Euless-Bedford Hospital. Duncan Memorial Hospital is managed by Harris Hospital — Methodist under a management agreement with the Edna Gladney Home.

Eagle Mountain Area Suburban Hospital is managed by Methodist Affiliated Hospitals through a long term lease/purchase agreement with the Azle Hospital Authority. Methodist Affiliated Hospitals is a not for profit affiliated corporation whose primary purpose is to own, lease or manage small hospitals within the System service area. Methodist Affiliated Hospitals also owns Dublin Hospital, Inc. Finally, Decatur Community Hospital is operated by Methodist Affiliated Hospitals under management agreement with the Decatur Hospital Authority.

In accordance with the Methodist Book of Discipline, the System will maintain high competency among medical, nursing, management and allied health personnel. Clinical education opportunities for medical, nursing and allied health personnel will be provided by the System in its affiliated institutions. Medical education programs at each affiliated institution will be approved by each institution's medical staff. Research projects will conform to the policies and procedures of each affiliated institution.

VISION: Progress Founded on Tradition

> "Our forebears have bequeathed to us a great child care program through their vision and sacrifice. Let us not fail the future 'Davids,' the oncoming generations of boys and girls. It will require time and energy to take the 'long look' and use the opportunity to serve these children to the fullest.
>
> We must realize a quality of child care that brings life over death, hope over despair, renewal over decay, and purpose and direction to those who are lost."
>
> — Methodist Home
> Long Range Planning Committee —

For over 90 years, children have come to the Methodist Home. They come bringing with them their loneliness, their grief, and their feelings of rejection. They come in search of security, of love, and a place they can know someone cares. The people who have opened their arms are United Methodists. More specifically, they are you and your fellow church members in the seven conferences and two states who support and are served by the Methodist Home.

Child care has changed over the years. Change in the seventies and eighties has proven to be the most rapid. Still, one particular tradition will always be maintained by the Methodist Home. It is the Christian tradition of love and charity, upholding the firm belief that Christian love can be given only through the effort and sacrifice of constant mission.

Because United Methodists in the Central Texas Conference have faithfully committed year after year to support this mission, Christian love has been effectively translated into the lives of over 18,000 young men and women. Your support has enabled Methodist Home to be consistent in its role of being "the heart of Methodism."

Today, the practitioners of child care draw upon a great body of scientific and practical knowledge. Approach, methods, and philosophy are progressive, current and relevant to contemporary problems of child care. Flexibility to meet the inevitable changes of the future and a dedication to continual growth through professional development are our daily guidelines.

Yet, the vision itself is unchanged. The purpose is to respond with action to the call for compassion, the call spoken almost two thousand years ago by the One whose kingdom we seek: "Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God . . . Come to me all ye that labor and are heavy laden and I will give you rest . . . Whosoever receives one such child in my name, receives Me."

Through the Methodist Home, United Methodists are not only hearers of the Word, but doers. Our forebears have, indeed, bequeathed to us a great child care program through their vision and sacrifice; the mandate to each of us is to continue.

PROGRAM: Today's Concept for Care

> "Life goes on, change is persistent, and human endeavor continues to issue forth new ideas and ways of service. In the 1980's we must dedicate ourselves anew to . . . continue to unite the faith, vision and compassion of the church with the knowledge and expertise of contemporary child care into an agency that still maintains the 'more excellent way' of Christ our Lord."
>
> — Report to the Methodist Home
> Board of Commissioners; October 1980

As the Methodist Home receives its mandate to continue through the support of United Methodists in Texas and New Mexico, those charged with the direct operation of this child care facility will continue to show accomplishment through complete accountability. Ours is an inheritance of quality effort, and ours must be, therefore, a demonstration of continued excellence.

Beyond the statistical report, however, United Methodist supporters deserve to know the actual philosophy of the Methodist Home in 1981. We have centered that philosophy on the theme, "Decade of Excellence." To meet the standards of that theme, we feel our program must focus on three major components or emphases:

(1) A Haven for Healing, (2) A Laboratory for Living, and (3) A Foundation for the Future.

A Haven for Healing

The hallmark of our society today is confusion, chaos and clutter. We believe that the very preservation of mankind requires that we stand on the basic Christian conviction of the family as ordained by God.

A child comes to Methodist Home because there has been disruption of the normal family patterns. Often, society creates further complications. The children who come to us out of such disruption frequently carry with them the effects of being shuffled around between various living arrangements both inside and outside the family. In many cases this instability causes scholastic problems, emotional disorders, aggressive behavior, lack of discipline, or any of a myriad of other reactions.

These children need a calm, quiet, dependable routine . . . they need a haven . . . to get their lives back in order. Methodist Home provides this needed haven by giving each child: (1) time to work through the "separation experience," (2) a challenge to change bad habits and routines, (3) an objective place and time in which to develop an understanding of what is behind the problems that have occurred, (4) various types of testing to assess current needs, and (5) a period allowing time to establish a new outlook on life and motivation to improve.

Laboratory for Living

The haven, however, cannot realistically be provided forever. The ultimate goal of Methodist Home is to return children to family living or advance them so that they can discover their own permanent life plan. If these individuals receive only shelter, they will have none of the skills needed to deal with a contemporary, complex world when they leave our care.

Methodist Home thus follows provision of a haven with creation of a laboratory for living. Instead of creating dependency on an agency, the result of what many refer to as, "institutionalization" of children, the individuals who come to us are given the most accurate model of a home possible. That means creating cottage, school and work routines that provide a true reflection of the sort of reality that exists in the common world.

At the same time, we increase the work with the actual families since children must learn to cope with those problems associated with the relationships of their families. This means that Methodist Home must also strive to bring about positive changes in the families, too, since there must be an alteration of the situation that caused the problems in the first place.

We have begun a new emphasis on individualized programs that combine new freedoms with their subsequent responsibilities. Everything that is done must be evaluated in terms of success seen not simply while a child is in our care, but measured by the child's success in coping after he leaves our care.

Foundation for the Future

If our program is truly successful, then we are building a foundation for the future. The care and compassion of Methodist Home will go with each child for as long as he or she needs our concern and aid. Yet, our goal is to prepare the individual for independent living.

Many of our residents begin their transition toward independence while still receiving necessary support from Methodist Home. They are nonetheless able to have a good beginning through our College and Vocational Program. The creation of Independent Living Units for seniors and older high school students, along with some housing for college students, is a vital part of this program. A better monitoring system for tracking released students is developing, with an eye cast on the possibility of rendering post-release care when needed.

All together, these three programming objectives are not rigid step-by-step procedures but rather a guide for progress. Progress, however, is not always continuous, and there will

be times when regression will occur and reinforcement will be necessary. Still, the concept does undoubtedly provide a model for the delivery of child care that is true to both contemporary problems and the unchanging tradition of Christian mission and its meaning: to spread love to all, forbidding not one, receiving each as we receive the Master.

PLANNING: Foresight for Tomorrow's Needs

> "One of my goals in life is to put myself in a position where I can turn around and help the Home like it helped me."
>
> — Interview with Beverly Merritt
> Alumna of Methodist Home —

The best testimony for Methodist Home comes from whole adults who were once children looking for a place in which to piece together their lives. At Methodist Home, they found their place of love and security. Ultimately, they found their own place in the world. These are the living successes of United Methodism's effort to translate commitment to mission into real lives.

It is no secret that our success in touching lives is directly related to the success of the seven conferences in generating support for the Methodist Home. Your unselfish giving constantly reminds us of the stewardship we must carefully display in converting each dollar into the maximum amount of child care.

Part of being good stewards is being able to conserve today's resources in order to meet tomorrow's needs. Obviously, the volatility of our economy makes it difficult to meet the financial demands of the day much less plan for the future. Fortunately, Methodist Home has been able to maintain its consistent, superior facilities because of gifts to the endowment.

The future needs of children call for an increased emphasis on planned gifts through wills and charitable trusts. As increasing numbers of troubled children enter the care of Methodist Home, they must find love and kindness. They must also find the professional care that is often expensive if it is to be the quality child care of the modern decade. Much has been done for those who have entered Methodist Home; much remains; still more awaits in the unseen future. We must plan today for these children of tomorrow.

PARTNERSHIP: What the Central Texas Conference Can Do to Help

* Continue to designate December as the month in which to seek support for Methodist Home through its annual Christmas appeal. Encourage Health and Welfare representatives at each level from conference to local church to help Methodist Home make members aware of services.
* Keep Methodist Home in mind when individuals seek information regarding church programs most appropriate for long-range giving and estate planning, contacting Methodist Home's own professional staff whenever questions arise.
* Methodist Home is licensed by the State of Texas to provide child care. In keeping with the positive and decisive action taken by the seven conferences in Texas and New Mexico, Methodist Home has taken a strong stand in favor of maintaining the laws which require minimum standards for licensing qualification. Methodist Home Board members in your conference are apprised of legislative positions that Methodist Home takes on various issues. All leadership and membership in each conference are encouraged to become familiar with these issues and positions in order to further increase communication with lawmakers.
* Methodist clergy who encounter problems where child care placement is needed are encouraged to contact Methodist Home staff directly. Detailed information about each service of the Home is always available, as is assessment of the individual cases and their unique circumstances. Many times, child care cases are being handled by public agencies which may not be appropriate or which may add to a child's dislocation through multiple placements. Whenever pastors, other church officials, or members are aware of child care needs, please be mindful of both the stable placement and spiritual environment provided by Methodist Home and make direct inquiries when you feel the Home needs to be considered as an option.
* Be aware of the Methodist Home services: Methodist Home, 1111 Herring Avenue, Waco, Texas, 76708. Telephone 817/753-0181.
* Place dates on calendar: METHODIST HOME BOARD OF DIRECTORS FALL BOARD MEETING ON NOVEMBER 13, 1981; COMMISSIONERS MEETING ON OCTOBER 13-14, 1981.

Methodist Mission Home
Report No. 1

The Methodist Mission Home continues to be the corporate umbrella for providing services for young women pregnant out-of-wedlock through the Southwest Maternity Center, and vocational rehabilitation services for young adults with hearing impairments, through the Southwest Center for the Hearing Impaired.

SOUTHWEST MATERNITY CENTER

The Methodist Mission Home is entering the 86th year in providing maternity services. This ministry for the maternity residents at the Southwest Maternity Center includes counseling, medical care, room and board, provision for continuing education if in high school, and legal services when they desire to place their babies for adoption.

Out-Patient Care

The services are expanded through out-patient care. More than 50% of the placements for adoption during 1980 were from non-resident young women who want adoptive planning through a licensed agency for their child, but who do not seek the residential services. Residential services are also offered in the Permian Basin Maple House in Odessa.

Staff Across State

Young women who find themselves pregnant out-of-wedlock and who are seeking alternative counseling and/or adoptive planning are encouraged to call the HOME, and in turn they may be referred to one of the Social Workers in the out-lying areas — in Longview, Lubbock, Midland/Odessa, Nacogdoches, and Houston.

The Southwest Maternity Center also provides short and long term care for infant children, and places infants for adoption in homes approved by the Social Work Staff.

In 1980 the Maternity Center served 594 persons in a direct way — 117 babies, 217 maternity clients, 32 unwed fathers, 228 adoptive parents.

Advocate Organization — Maple

More than 700 adoptive parents and other friends of the HOME compose the Maple Organization which helps with the public relations across the States of Texas and New Mexico. The HOME was licensed for adoption in the State of Colorado during 1980, and Maple families are assisting there with public relations also.

SOUTHWEST CENTER FOR THE HEARING IMPAIRED

Services for clients at the Southwest Center for the Hearing Impaired includes a residential individualized adult basic education program that helps train the clients in functional academic subjects and communication skills, vocational counseling and training, and ultimately job placement. Each client receives comprehensive vocational evaluation. It also includes personal social adjustment, medical care, as needed; and planned semi-independent living experiences.

Scholarships

The HOME continues to give consideration to those who cannot afford the normal costs. Work scholarships are available for maternity residents. The grants which subsidized the hearing impaired program were not renewed, so the HOME is calling more on churches and soliciting funds/grants from foundations toward these vital programs. Adoptive fees are reduced for the hard to place child.

Residential Services

761 persons were served directly through the two programs during 1980, including those residents who received 28,689 days of residential treatment.

CENTRAL TEXAS CONFERENCE SUPPORT APPRECIATED

The total operating budget for the HOME in 1980 amounted to $1,538,620.00. The total Conference giving (seven Conferences) for the year was $206,551.00, and of this amount the Central Texas Conference churches contributed, $15,342.00. We commend all churches that participated in giving to the Methodist Mission Home, and urge all others to include this vital ministry in their giving during the remainder of this Conference year.

Board On Higher Education And Campus Ministry 1982 Goals

1. To advocate Higher Education and Campus Ministry by:

B. Requesting maintenance of the 1982 apportioned support for the Texas Methodist College Association at $185,082 and the Wesley Foundation Funds at $114,750 in accordance with the request of the Council on Finance and Administration — recognizing the limiting effect this action has on all institutions alike,

Committee On Communications And Interpretation

Although we are living in a significant era of communications revolution with amazing technology available, we realize that it all goes back to the fact that God loves and because He loves, He communicates. According to the scripture Hebrews 1:1, God spoke by the Prophets and later through His Son. God still communicates through persons.

Listening, sharing, transmitting, and receiving is communications in action — a process imperative to the growth of the Church. The method in the United Methodist Church is a two-way system of speaking and listening.

As United Methodists, God is expecting us to be messengers and tell the story. It is possible to multiply the results of our outreach in the United Methodist Church by the utilization of the many facets in the field of communications.

To strengthen communications at the local church level is of vital importance because this is primarily where the ministry to people is performed.

The Committee on Communications and Interpretation has placed strong focus on the District Coordinators and Local Church Coordinators of Communications because it is their responsibility to maintain a steady flow of communication to the internal Church as well as the external Church. This was a factor that prompted this Committee to compile the Handbook for Local Church Communications.

Concerns

1. Encourage more placements for United Methodist Radio program "Connection."
2. Improving participation and concern of District Coordinators.
3. More local churches select a Coordinator of Communications.
4. Encourage subscriptions to the Texas Methodist.
5. Sharing newsworthy happenings with the News Editor of the Texas Methodist at the Conference Office.
6. Urge participation in Communication Workshops on District and Conference level.
7. Encourage wider use of the Resource Library in the Conference Office.

Endeavors of the Committee

1. Compiled Communications Handbook to assist local church coordinators and pastors.
2. Committee representatives attended South Central Jurisdiction Council in Dallas.
3. Representatives of Committee participated in consultation with Cable TV representatives.

Committee On Research And Planning

> "The Central Texas Conference Annual Conference is a basic body of the United Methodist Church and, like the visible church everywhere, it exists, not for its own sake, but as an instrument for implementing the mandates of the gospel, and for discharging faithfully the powers and duties assigned to it by the constitution of the United Methodist Church."

The mission statement reflects a decision as to where the ministries of our conference need to be directed. It was the starting point of an attempt to do long-range planning by the Annual Conference. The Annual Conference Council on Ministries began this project believing that to develop a master plan represented the best stewardship of personnel and resources and was the most effective means of discovering and dealing with the needs of the local church.

The process began with a questionnaire distributed at the 1978 session of the conference. Five critical areas of concern emerged from the information given by the clergy and lay delegates. In the first months of 1979, each district developed a task force for each of the critical areas. These groups proposed specific recommendations for dealing with each area of concern and the Strategic Planning Committee received position papers which were

incorporated into a five-year master plan.

The Committee on Research and Planning believes that the information upon which the plan is based truly reflects the needs of our Annual Conference and for that reason, we recommend the plan and the process that created it. The largest portion of the plan is directed to Annual Conference boards, committees and agencies. It defines their role in taking action on the recommendations of the district task forces. While there are parts of the plan that are specifically directed to local churches and districts, it is important that they initiate their plans for joining forces with the conference in order that our efforts to achieve significant growth in these areas results from all our programming.

The Committee on Research and Planning has three items on its agenda for implementing this Five-Year Plan. First, to work with the cabinet in interpreting the plan to DCOMs and local churches and to offer training for these groups in long-range planning techniques. Second, to continue to monitor the results of the plan and to encourage the conference, districts, and local churches to use the reporting methods that have been developed. Third, we will actively seek ideas for the conference on how the plan for the succeeding years can be developed and around what areas our planning needs to be centered.

Board Of Ordained Ministry
Continuing Education Program
Report No. 1

A. General Definition

Continuing readiness for ministry requires that ministers learn how to keep learning of God and from the world for mission and ministry. In fulfillment of 1980 **Discipline** par. 423.1c the Continuing Education Program of the Central Texas Conference is a process designed and administered by the Board of Ordained Ministry for the purpose of fostering an individual's learning goals throughout a ministerial career and beyond.

Because of the uniqueness of each minister's call, ministry and background, it largely falls to the individual minister to discover his/her own areas of educational need and to plan a program of life-long education. A thoughtful plan will allow for learning experiences which, added together over time, have a cumulative effect on ministerial effectiveness rather than those which have no continuity.

The Board of Ordained Ministry has responsibility for setting minimal standards and guidelines as well as for providing access to basic learning opportunities beyond the seminary degree program.

As an unfolding process, each minister's learning program is made up of personal study, peer group learning, and participation in organized short — and long-term seminars, workshops or courses of study. Each stage of a minister's career calls for balanced growth in the areas of: a) ministerial functions; b) skill competencies; c) knowledge competencies; and d) personal growth and spiritual formation (possibly with spouse). Extended learning is also possible through a leave of absence (par. 441) or sabbatical leave (par. 442).

Above all, the purpose of continuing education is to help persons become more effective in the ministry of the church of Jesus Christ. The **Discipline** outlines many areas for possible growth (e.g. 438.2, 431, 425, 417.7, 530.2).

B. Continuing Education Credit

Credits for continuing education will be given on the basis of one unit for every 10 contact or instruction hours. It is required that each full member of the annual conference acquire at least one unit of credit each year and a total of 10 units per quadrennium. 2½ units per year will be the norm. Notice of approved study programs and agencies will be carried in the conference coordinated mailing. Credit will be given in other cases using the following guidelines:

1. Credit will be given for learning sessions of University Senate-approved theological schools, training centers and general church agencies. The Continuing Education Committee will recognize the school's own system for credit units if such exists.
2. Credit will be given for community sponsored continuing education experiences which enhance ministry. This will include institutions such as colleges, hospitals, community agencies and corporations which use a CEU credit system.
3. Credit will be given for peer group study and taped continuing education programs when: a) used as a part of organized groups for the purpose of professional growth; and b) it is a supervised concentrated study (contact the Continuing Education Committee for approval of supervisor). Credit will be granted upon receipt of a one-page report of the project undertaken, its process and conclusions.
4. Credit will be given for supervised private study provided: 1) it is part of a specific program of professional growth; and b) it is a supervised concentrated study (contact the Continuing Education Committee for approval of supervisor). Credit will be granted upon receipt of a one-page report of the project undertaken, its process and conclusions.
5. Continuing education funds and credits are not to be granted for advocacy events in or out of the United Methodist Church. An advocacy event is an event sponsored primarily for the purpose of promoting a special cause and is more solicitous in nature than a study event.
6. Events such as institutes, lectures and convocations which do not require a serious measure of involvement in serious study shall not be eligible unless: a) the sponsoring body awards CEU's; or b) attendance is part of a supervised private study program (#4 above).
7. All other requests are encouraged and will be reviewed by the Committee on Continuing Education, unless the learning experience has been approved by another annual conference.

Learning is frequently enhanced when it is directly related to one's setting for ministry. This allows for easier feedback and reality-testing of results. For this reason it is hoped that significant attention will be paid to planning learning experiences which utilize in-parish case studies, colleague groups and supervision of learning (a model for this exists in the membership requirements of The Academy of Parish Clergy, 12604 Britton Dr., Cleveland, OH 44210 — a professional organization supporting professional assessment and growth for ministry).

C. Reporting Credits

Ministers shall be asked by the district superintendent in the charge conference to outline their program of continuing education for the year on the form provided by the Continuing Education Committee (par. 441.3). This is a valuable time for the superintendent to expound its significance, to encourage the minister's participation, to seek financial support and time for continuing education, and to have each program explored and evaluated. These reports will become part of the minister's personal file and credit will be kept on the "honor system."

D. Annual Conference Support

1. An ordained minister is entitled to at least one week of continuing education annually and at least one month during one year of each quadrennium (par. 441.2). Such time shall not be considered as vacation.
2. The annual conference Board of Ordained Ministry will provide one retreat annually which focuses on an area of ministerial competence and one retreat quadrennially

focusing on personal and spiritual growth (although these areas may properly become a part of any learning experience). These may be held in cooperation with other annual conferences, area churches, schools or agencies.

3. The annual conference will provide a life-planning seminar on an annual basis (par. 423.1c; 723.2j) through Southwest Career Development Center (P.O. Box 5923, Arlington, TX 76011). Ordained ministers will be encouraged to attend at least three times: a) five years beyond seminary; b) mid-career; and c) 5-10 years prior to retirement. Through our covenant with the Center, individuals may also contract for personal career assessment and guidance in career planning.
4. In determining what will be offered by the annual conference in continuing education, the Committee on Continuing Education will solicit information by:
   a. a general survey of felt needs conducted annually at district meetings and/or annual conference;
   b. input from the cabinet and director of professional ministry;
   c. a survey of needs from persons attending life-planning seminars; and
   d. a report from the Board of Diaconal Ministry.

   Planning for learning events sponsored by the annual conference shall be delegated by the Committee on Continuing Education which will design events, co-sponsor or certify already existing events. Annual Conference and District Councils on ministry will consult with the Committee when planning events which seek credit. In planning such events, relevant attention will be given to: a) learning objectives; b) teaching methods; c) input from the learner; d) relevance for the parish; and e) evaluation of the event. Whereas ordination supposes competence or adequate skills, continuing education focuses on effectiveness or the minister's ability to produce intended or expected results. From time to time, adults have needs for challenge, change, exploration, sharpening of skills and support.
5. The annual conference Committee on Continuing Education will make available lists of continuing education events outside the conference through the coordinated mailing and **Texas Methodist.**
6. The annual conference Board of Ordained Ministry will assist the cabinet each year in interpreting disciplinary requirements pertaining to continuing education and performance evaluation to the local church Pastor-Parish Relations Committee (723.2j). The evaluation process is a shared responsibility which may provide direction for continuing education.

E. Funding Policy

1. Each local church or agency is expected to provide money in its budget for continuing education in the amount of $200 or 1% of the salary, whichever is greater. Such amount applies to each person appointed to the church or agency and to diaconal ministers (315.3) and shall not be considered as salary (par. 519.4). The annual amount may be cumulative up to three years.
2. A sliding scale will be used in the allotting of MEF monies: a) ministers earning less than minimum salary will be provided money 2:1; b) ministers earning minimum salary up to $16,000 will be provided money 1:1; c) ministers earning over $16,000 will be provided money 1:2. In the use of MEF monies for continuing education, priority shall be given to the funding of events held by the annual conference. Remaining funds are available to annual conference members serving full time, associate members and full-time local pastors who have completed the course of study. A diaconal and an ordained minister will be treated equally in requests for funds.
3. Each minister under full-time appointment is eligible for MEF funding in amounts not to exceed $100 annually or $400 quadrennially. Such a four-year period would begin with the date of the first application for funds.
4. Events outside the United States (travel seminars) will be eligible for support only when the event includes a minimum of 1 CEU (equalling 10 hours of contact instruction) as part of the event. Further, such an event must pass approval of the Committee:
   a. What are the criteria for recruitment? Will participants have some commonality

in their intentionality and involvement?
b. What demands are placed on the participants as responsible students?
c. Is the monetary structure devoid of pyramiding commissions and discounts?
d. Is the setting for the working sessions compatible with the learning process?

5. The Board of Ordained Ministry, the cabinet and others shall keep alert to possible endowments, scholarships and grants to aid in financing continuing education projects, with special concern for persons earning less than $16,000 and special regard for ethnic minority persons.
6. The person receiving a continuing education grant who does not return to an appointment or employment in an approved field of ministry is expected to consider the grant as a loan to be repaid to the conference within two years after completion of the training for which the grant was awarded. Grants shall not be awarded for programs which lead to advancement in conference relationship, nor for programs leading to the acquisition of advanced degrees which do not enhance ministry.

F. Study Leave

To provide an opportunity for ministers who have been out of seminary for five years or more, an extended time of refreshment and retooling may be desirable. This should be negotiated in conjunction with the local church and district superintendent.

Arising out of the minister's definition of his/her personal and professional growth needs, the minister may develop a specific proposal for a leave of up to six months or a sabbatical leave to meet these needs. Such a proposal will be designed with the knowledge and support of the PPRC at least three and preferably six months prior to the anticipated leave.

Planning for the leave should involve arrangements for broader lay ministry involvement and administrative decisions, securing the services of a supply pastor or retired minister(s) and the means of funding such persons, setting goals for the local church during the leave, and providing for a time of re-entry and renegotiation of pastoral functions when the pastor returns. The final proposal will be subject to action by the Administrative Board. The district superintendent will approve supply pastors.

Support for such a leave will follow these guidelines:

1. The church would be expected to pay 80% of the salary of the pastor, not including travel or utility allowance.
2. The remaining 20% of the salary plus travel and utility allowance not paid to the pastor may be used by the church as an allowance for the interim minister and augmented by an amount the church deems appropriate.
3. The parsonage shall be made available for the replacement minister unless the minister's family is remaining in the parsonage in which case housing will be negotiated.

G. Follow-Up Support

Because learning often involves new self-understanding and the desire to implement new behavioral skills, it is hoped that the minister will take steps to integrate his/her continuing education in practical ministry. Key elements in supporting change might include: the minister's spouse, the district superintendent and the pastor-parish relations committee, a peer group, as well as educator's facilitators and counselors. Together they can reinforce learning and support the minister's commitment to their congregation and ministry.

Ministerial Performance Analysis And Feed-Back Report No. 3

Adopted 6/1/81

All Christians receive gifts and graces for ministry through the Holy Spirit. Those persons seeking ordained ministry as an expression of their gifts and graces recognize their specific calling and particular talents for this office. Just as scripture provides many examples of growing persons, so we desire to grow in ministry through increased ministerial effectiveness.

> The 1980 **Discipline** states (Par. 423 . . .)
> Every effective member in full connection who is in good standing shall receive an annual appointment by the bishop.

1. Growth in competence and effectiveness through continuing education is expected of conference members. These are professional responsibilities which ministerial members are expected to fulfill and which represent a fundamental part of their accountability and a primary basis of their guaranteed appointment. These shall include:

a) Continuing availability for appointment.

b) Having pastoral effectiveness evaluated annually by Pastor-Parish Relations Committees and district superintendents trained in the process of evaluation to determine the gifts, graces, health, and readiness for ministry.

c) Annual participation in continuing education programs. (Par. 427). Evaluation. — Evaluation is a continuous process which must take place in a spirit of understanding, acceptance, and with a genuine desire to embody and carry forth more effectively Christ's ministry in the world lest we create defensiveness and discouragement in the Church or the person being evaluated. Pastoral effectiveness shall be evaluated annually by the Pastor-Parish Relations Committee and district superintendent by criteria and processes developed by the Board of Ordained Ministry and the Cabinet. The Board of Ordained Ministry and/or the Cabinet shall conduct an annual training program for Pastor-Parish Relations Committee members to enable them to evaluate the gifts, graces, family needs, health, and readiness for ministry of the pastor.

The Central Texas Conference, in adopting this program of ministerial analysis and feed-back, seeks to develop better ministry and a better consensus about the mission of the church. Strengthening the mission and the ministry of the church is to be the goal, not judgment of persons or their commitment to ministry.

We understand ministerial performance analysis and feed-back to be a disciplined process of feed-back and reflection about goals, performance, and results in order to:

1) develop clear and specified goals for the local church
2) arrive at clearer understandings and agreements concerning what is expected of ministers and congregations.
3) learn from experience and provide opportunity for growth in order to improve the performance of Ministry.

In the process of ministerial performance analysis and feed-back we are considering a total ministerial relationship: the local church and its goals; the person appointed to ministry, the agreed upon responsibilities of that minister; and the feed-back, support and guidance of the district superintendent. Many opportunities for growth and self-appraisal are available to ministers and congregations when the ministerial relationship is periodically and systematically reassessed and renegotiated in the light of experiences together.

DYNAMICS AND INTERRELATIONSHIPS

Ministerial performance analysis must be based upon the development of a covenant between the minister and Pastor-Parish Relations Committee. The covenant should lift up the what, when, why, and how the analysis will be carried out as well as suggested follow-up of the analysis. The objective of performance analysis and feed-back is to help the local church and minister become more effective in producing results in the work of ministry. The approach is diagnostic rather than judgmental, and is to be carried out as part of a collaborative planning process between the minister and the local church. Energy goes into identifying and examining the forces blocking effectiveness, planning ways to diminish those forces and identifying and developing support structures for positive outcomes. Concern is for problem-solving and planning rather than "evaluating."

Five items on the minister's agenda need to be kept in dialogue and in context with one another:

1) Performance analysis and feed-back

2) Growth-assessment, personal and/or family life planning.
3) Continuing education for personal and professional growth;
4) Identify resources for ministerial support, and family support systems,
5) Spiritual formation and faith development,

STANDARDS FOR MINISTERIAL PERFORMANCE ANALYSIS AND FEED-BACK

1) . . .should match the character of the local church, its program and goal-setting process. The analysis and feed-back should include:
   a) goals adopted by the charge Conference for the congregation
   b) ministerial competencies outlined in The **Discipline** (438.2) as the Duties of the Pastor.
   c) the minister's priorities, skills and ministerial strengths
   d) the agreed upon relationship between the local church goals, the duties of the pastor, and the minister's priorities, skills, and ministerial strengths.
   e) behavorial measures or indications of acceptable performance for both congregation and minister.
   f) regular, quarterly if possible, times for affirming achievements and setting goals to improve selected areas of ministry.
   g) identifying ways the church will assist the minister in reaching new goals;
   h) the areas of ministry to be analyzed.
2) . . .assumes a helpful, supportive and cooperative relationship between minister and congregation. For this reason it may take a different form in times of stress or disrupted expectations than in other less stressful times.
3) . . . helps the pastor and laity clarify expectations of each other and to develop a commitment to mutually agreed upon goals in ministry.
4) . . . is intended to affirm and include the ministers' strengths in development of further church goals. When areas of lesser strength are identified, the local church acts to support creative change within the minister and also adjusts church goals to allow time for growth in these areas.
5) . . . is to be related to analysis by the church of its own ministry in support of the minister and of its own general ministry by the laity.
6) . . . is to be done annually, but it is unrealistic to attempt to consider everything every year. All functions shall be analyzed at least once within a three year period and the characteristics (Par. 438.2 **Discipline**) quadrennially. It could also cover selected accountabilities at regular intervals during the year.
7) . . . data and results belong to the minister though it falls to the Cabinet and Board or Ordained Ministry to provide minimum standards and guidelines as well as supervision and training for the process.
8) . . . when completed, will be summarized by the minister with copies going to members of the Pastor-Parish Relations Committee and District Superintendent.
9) . . . provides a basis for giving the District Superintendent additional information and insight to:
   a) give feed-back, support and guidance to the local church in fulfilling its needs and goals
   b) support the minister through feed-back, supervision and development of growth objectives.

ANNUAL CONFERENCE SUPPORT

The Cabinet and Board of Ordained Ministry will provide training each year to PPRC members, ministers, and district superintendents in the following areas:

1) Identification of the roles and functions of the PPRC;
2) Understanding the nature and function of ministry;
3) Resources and skill in arriving at shared perceptions of, and expectations for, ministry functions held at this time.
4) Identification, selection, and use of processes and techniques for performance analysis and shared feed-back;
5) Resources and skill in developing a ministerial performance analysis covenant between the PPRC and the minister.

The Board of Ordained Ministry will provide a variety of resources for local churches to develop performance analysis and feed-back processes which fit their needs and goals. The Board will provide resources, when requested, to assist the superintendent, local church and minister in managing the analysis process, interpreting results, suggestion of steps for change and mediating conflict.

While much of the terminology of these guidelines refers to ministers, local churches and Pastor-Parish Relations Committee, it is to be understood to include all ordained Ministers in appointment.

All members of the Annual Conference will participate in the annual ministerial performance analysis and feed-back with their appropriate committee. It is expected that the PPRC and the District Committee on the Superintendency or other committee for conference ministerial personnel function in this capacity.

These criteria shall be implemented gradually through the remainder of 1981 and 1982. The actual performance analysis will begin in '83 and '84. These criteria and processes will be evaluated in the spring of '84 by the Cabinet and Board of Ordained Ministry. This Ministerial Performance Analysis and Feed-back, with any recommended changes, shall be presented to the 1984 Annual Conference.

Commission On Lay Concerns

One of the responsibilities of the Conference Commission on Lay Concerns is the training of District Lay Leaders. This past February four of our district lay leaders attended a Jurisdictional Training Event for District Lay Leaders. Listening to the discussions in one of the sessions, I became aware of the active part our district lay leaders were taking, and I realized our people were leaders in this group of leaders. Our district lay leaders are doing an outstanding job, and several districts had very successful laity banquets this past year. You have heard reports of the fine work being done by our United Methodist Women and United Methodist Youth and today you will hear of the plans and goals of the newly reorganized United Methodist Men.

The Commission on Lay Concerns was reorganized last year, and I believe it has improved our abilities to accomplish the responsibilities assigned us. The 1980 General Conference has authorized each Annual Conference to have a board of laity, and our organization has voted to change our name to this, believing it to be a more positive title and reflects more truly what our organization is.

Laity Day will be observed on October 11 this year. Material and outlines for planning this event will be published in the July-August issue of the Interpreter magazine. The theme this year is "Laity in Leadership Means You."

This is a reminder to us of another important responsibility of our organization which is the development of a lay leadership bank. In the days ahead, with ever increasing costs, there very probably will have to be fewer meetings of our boards and committees. This will mean we will rely more and more on our conference staff personnel to carry out the programs planned and approved by the boards and committees. This also means it will be more important than ever that we have qualified, interested, and dedicated lay people who will make every effort possible to be in attendance on the boards and committees they are asked to serve. We will be working in this area to aid those who serve on the district and conference nominating committees in a continuing effort to develop the leadership in our laity.

In closing, let me express my appreciation to all the fine persons serving in our organization who have done such a commendable job.

Chairman

Board Of Pensions Recommendations For Pension Program — 1982 Report No. 1

For the past several months, the members of the Central Texas Conference Board of Pensions have been studying the new pension program adopted by the 1980 General Conference. This pension program, The Ministerial Pension Plan/The Comprehensive Protection Plan (called MPP/CPP) will be in effect as of January 1, 1982.

Numerous conferences, meetings and consultations have been held with General Board of Pensions representatives, members of the Commission on Equitable Salaries and Clergy Benefits and many other conference leaders. The program has been studied from several points of view, but always with one question uppermost in our thinking: "What will be best for the Central Texas Conference and for those ministers and Local Pastors who will be participating in MPP/CPP?"

A summary of the recommendations which the Board recommends to the Central Texas Conference and proposes their adoption are as follows:

Estimated 1982 DAC **$16,738**

One of the terms which will be used in any discussion of pensions in 1982 and beyond will be **Denominational Average Compensation** (DAC).

This term means the average annual compensation of ministerial persons in The United Methodist Church, as determined each year by the General Board.

Proposed Recommendations

1. Past Service Rate $172.00
   This is the pension rate which will apply to all service rendered with Pension Credit in the Central Texas Annual Conference prior to January 1, 1982.
   It is felt that this past service rate of $172.00 (the equivalent of 1% of the 1981 Central Texas Conference Average Salary) represents the financial ability and willingness of the Central Texas Conference and will provide a fairly adequate retirement income for the retired.
2. Amortization of Unfounded Liability Related to Past Service Rate 40 Yrs.
   The board will recommend that the conference plan to pay this 1/1/1982 unfunded liability amount across a 40-year period.
3. Current Service Contributions:
   (a)To Provide Pensions for Ministers (MPP)
   12% of each minister's Plan Compensation **up to the DAC.**
   This will provide for all ministers and Local Pastors who receive at least the Equitable Salary to have identical amounts* credited to their retirement accounts. (*Includes CPP Supplement).
   (b)To Provide Protection Benefits (CPP)
   An amount equivalent to 4.4% of each minister's Plan Compensation **up to the DAC.**
4. Financing
   There are three areas for which financing must be provided.
   (a)Past Service Rate Conference Apportionment
   The board will recommend that funds for past service funding be provided through apportionment.
   (b)Current Service
   1) MPP (12%) For Pensions Direct Billing to Local Churches
   The board supports the philosophy that pensions are actually Deferred Compensation and such costs should relate directly to the salary-paying unit.
   2) CPP (4.4%) Protection Programs Conference Apportionment
   The protection benefits available through CPP may be considered as a benefit which should be provided by the Annual Conference.

Report No. 3

Adopted 6-1-81

It is a gratifying experience to present this report to the 1981 Session of the Central Texas Conference. This responsibility has been most rewarding. I have received many letters that have indicated the spirit that has motivated many who have participated but none more significant than one I received from a widow. She wrote: "I am happy to make the final payment on the pledge my husband and I made to this wonderful cause. It was very dear to his heart. We are thankful to have had a part in helping the ministers that have meant so much to us throughout the years."

As of April 30, 1981, we have on hand $1,320,192.99 toward our goal of $1,500,000.00. This leaves a balance due to reach our goal of $179,807.01. As of this date we have viable pledges still on the books of $244,476.67. There is little doubt that by the time this year is concluded we will have reached or surpassed our goal. In view of the probable action of this Annual Conference this campaign will be far more meaningful than we had ever anticipated.

The total cost of this campaign including administration, office supplies, secretarial expense, postage, and promotional expense has been $53,010.68 or 3½% of our campaign goal. This in itself is a remarkably low cost but it is even more significant that not one penny has come from money paid on pledges. The total expense has come from interest derived from the investment of these funds through the four years.

We sincerely appreciate the tremendous response of this campaign and with your continued support anticipate a great victory at the end of this current year.

Respectfully,
J. W. Sprinkle

Report Of Inter-Conference Task Force On Mexican American Relations

The Task Force met twice during the Conference year. Much work was done on establishing relationships within the Task Force and sharing of common problems among the Churches of Central Texas Conference and the Rio Grande Conference.

Discussions were held about joint utilization of facilities in changing neighborhoods throughout the Conference. Plans were made to evaluate successes and failures in this area in the hopes of arriving at a model for use in the future.

An informative dialogue took place concerning the most appropriate way to refer to those of Spanish speaking origin. The consensus was that the word "Hispanic" conveys the appropriate dignity and historic context for such reference.

In 1982, the Task Force looks forward to continued cordial relations and the development of Church Growth policies in the Central Texas Conference for Spanish speaking congregations.

Archives And History Commission

1. The Archives and History Commission of the Central Texas Conference would make a plea to all of you that you bring or send to us your conference-related historical materials. We welcome the gifts of journal, disciplines, and written materials of all kinds. Multiple duplicates of any items can be shared with those who need to complete their own files. Please do not let your own treasured conference materials get lost or destroyed. Make a note somewhere among your materials that they are to be given to the conference archives. Our history so easily disappears by our unconcerned treatment of materials we have on hand today.
2. We receive an average of four to six requests each month for historical information on persons and churches and are glad to help research in our available resources.
3. We have duplicate journals from several years back for anyone wishing to complete personal or church files. Please visit our display for these and to see several other items of historical interest.
4. The new history of Texas Methodism is now in the research and preliminary writing stage. Its authors are Drs. Robert Monk and Robert Sledge of McMurry, Norman Spellman of Southwestern, and Walter Vernon. The book will be off the press in the spring of 1984, and we will have only fifteen hundred copies available for sale in this conference. Financial support for the writing and publishing of this history is coming jointly from all the conferences in the State. The Central Texas Conference share of support is $11,800.00 of which $4,000 is needed this summer, 1981, and the remaining $7,800.00 in January of 1984. Money from the sale of the books will be returned to the conference. Our ACCOM approved this project in October of 1979, and it is also included in this year's CF and A report.
5. The Kate Warnick awards for outstanding local church histories written in 1980 were given to the following: large church — First United Methodist Church of Bay City, small church — Prairie Lea United Methodist Church, and honorable mention — First United Methodist Church of Stephenville. Please let me know if you are writing a history of your local church, and make plans to enter it in the competition this year. Information on this can be obtained through the Archives and History Commission.
6. Perhaps the most exciting event of the year happened one day in January when I knelt at the opened door of an old safe in the vault of the First United Methodist Church of Fort

Worth, and carefully pulled out onto my lap the old leather-bound volumes of conference minutes dating back to 1866. The beautifully hand-written words and precious information were pure joy to see after my two and one-half years of striving to actually locate them, not only for our conference but for the Northwest Texas Conference as well. I want you to know that I care about your materials — what they mean to you as a Conference, what they mean to me as a Methodist. They are priceless and irreplaceable treasures. Because of this concern it is a dream that the archives will one day be housed where they can be available for research with qualified personnel nearby for help, near the most heavily-concentrated number of Methodist churches in the conference, and near the conference office to meet any official need that might arise concerning archives. The first step in the realization of the dream was affirmation by Dr. Jon Fleming of Texas Wesleyan College that the archives might be given a home in the new library to be built on the campus. The second step was in the gracious reception by Mrs. Ornee, head of the library at TWC, and her staff, of all our materials and furnishings into the present library building where we are now housed comfortably and securely.

7. The Archives and History Commission has an appropriation of $700 for its work this year: $400 for administrative responsibilities, $250 for enabling responsibilities, and $50 for supportive responsibilities.

Respectfully submitted,
Jean Traster (Mrs. Elden, Jr.)
Chairman, Archives and History Commission

The Archives and History Commission of the Central Texas Conference requested, as a part of its report, an additional $600.00 (six hundred dollars) for this year only, summer, 1981, for the purpose of funding expenses to a training seminar at Lake Junaluska for conference archives chairmen and/or archivists.

Commission On Church Growth And Development
Report No. 1

Church growth and development is not just another program for local congregations to consider. It is a process, an ongoing system for maintaining the church for ministry and mission. Church growth (in both existing and new congregations) is a course of action to attain both quality and quantity of membership, not for the sake of the church, but for the people who desperately need Christ.

How we in the Central Texas Conference of The United Methodist Church carry on our work in the last eighteen years of the twentieth century will affect the lives of hundreds of thousands now and during the next century.

The population of the Central Texas Conference increased by nearly 350,000 persons in the last decade, yet we as United Methodists did not grow. If we had retained only the United Methodists who moved into our twenty-four county area, we should have grown by more than 25,000 members. Now, projections for the next two decades reveal an even more phenomenal population increase for our area. Will we have the same non-growth report at the end of the 80's and at the end of the century? The answer is "No!" This Conference determined this when it set this Commission in motion at the 1980 Annual Conference session.

The Commission on Church Growth and Development has these purposes:

1. To motivate and encourage evangelism and church growth in the Conference through renewal, expansion, extension, and ethnic growth.
2. To enable individual churches to devise strategy and bold plans for quantitative and qualitative growth.

3. To help pastors and lay persons understand their growth problems and apply reproducible principles of growth — those principles which are well grounded in Methodist theology and tradition.
4. To serve as a resource for the Bishop and his Cabinet in determining new congregational development, relocating of some churches into more desirable areas, and a continuing mission to changing communities.

These purposes are implemented through the office of the director by:

1. carrying on a program of research and development;
2. conducting seminars, workshops, and training sessions;
3. communicating through a variety of methods and media to enable churches to reach their fullest potential in growth and outreach;
4. preparing all demographic data and necessary research to recommend new congregations; and
5. gathering the needed financial resources through the Conference apportionment and a network of individual shareholders.

Although the commission has only been in existence for a few months we have come a long way in preparing for the long road ahead. Organization, research, charting the course and gathering the resources have taken much of our time during these beginning months. To do what must be done to extend and expand our church in a growing population requires great sums of money. We have a long way to go but we are clearly seeing it begin to happen. Churches are responding positively through the apportionment and thousands of individual members have joined together to be "Partners in Growth" by taking shares at $45.00 each. Now, we are ready to go forth in carrying out the task which the Annual Conference set before us. Could it be possible for our church to become a "movement" again? Will pastors and lay members get caught up in the future expansion of our church in both existing and new congregations? Believe it or not, to a small degree it's already beginning to happen. The momentum is building for a dynamic and exciting decade. **Let's hope that never again will growth failures rob the church of the power and resources needed to penetrate the world with the Gospel.**

A NEW THRUST IN EVANGELISM AND CHURCH GROWTH

Evangelism is the church's most urgent, but unfortunately, sometimes its least pressing task. It can always be postponed. A minister is never finished in his or her work with those already in the church. Attending to the Lord's "other sheep that are not of this fold" is easily put off until some "free time" becomes available — a time that never seems to come. Lay workers, too, are under unremitting pressure to complete the tasks immediately at hand — preparing for the canvas, getting teachers for the church school, and so forth. Doing something about evangelism is postponed from month to month, from year to year, even from decade to decade. Because evangelism can be so easily neglected, the work must be anchored firmly within the structure of a congregation by the appointment of a committee that **will submit regular reports to the Administrative Board,** and within the structure of the Cabinet that **will require regular reports from the pastors. THEN SOMETHING IS LIKELY TO HAPPEN.**

"A New Thrust in Evangelism and Church Growth" is a conference-wide plan which says that "evangelism and church growth are not optional in congregational life and work." It is too important to be postponed. Every district superintendent and every pastor is responsible for leading the local churches into a new strategy for winning persons to Jesus Christ and a life of discipleship.

SUPPORT for "A NEW THRUST IN EVANGELISM AND CHURCH GROWTH" from the 1980 GENERAL CONFERENCE

"The decade of the 80's should be a decade of discipleship. It should be a time of evangelism reconceived, revitalized, and released — a time of outreach, of nurture, of social reform, and service.

"This decade can see a return of ministry to the people in the inner city. This decade can see a re-emphasis on the Church School. This decade must see **both clergy** and lay persons going forth to invite others to Christ and the Church. It should see **every church** each year bringing persons to Christ. **Let no church fail.**

"This decade of discipleship means the establishing of new churches. Would this General Conference be willing to set a goal of three new churches each year during this quadrennium in every annual conference? Let us be challenged to accept this as our **minimum goal,** knowing that many will do much more."

— from the Episcopal Address
General Conference, 1980

GOAL OF "A NEW THRUST IN EVANGELISM AND CHURCH GROWTH"
That every United Methodist Church in the Central Texas Conference become a functioning center for evangelistic ministry and church growth by 1982.

Pastors of local churches shall take the lead in organizing and administering a program of evangelism and church growth that will —

1. constantly stress streams of evangelism and church growth throughout the year;
2. find and cultivate people for Christ and the Church;
3. win people to commitment and assimilate them in fellowship, service, and worship;
4. encourage faithful attendance at worship;
5. reclaim inactive members; and
6. raise to a high priority level the evangelistic — church growth consciousness of every member of the congregation.

PLANS AND PROCEDURES

Reliable research reveals that the population of the Central Texas Conference will increase by 360,000 persons during the decade of the eighties. It is safe to say that at least 50,000 of these are United Methodists moving here from other parts of our nation. It is also safe to say that another 9,000 will be very responsive to the United Methodist Church if there is a live and active local church. How many of these 59,000 ready prospects will we gain by the end of the decade?

1. District Superintendents, through District Council on Ministries and District Ministers' meeting, shall take the lead in setting District Goals and the encouraging of local churches to become functioning centers for evangelistic ministry and church growth.
2. District Superintendents may plan and set-up District or Sub-District "Church Growth Seminars" through the director of Church Growth and Development.
3. The District Superintendent may require Progress Reports from the pastors —
   — to the Administrative Board monthly
   — to the District Superintendent or Bishop quarterly
4. Helps available by the director of Church Growth and Development to districts and local churches:
   — "The Basic Goal and Purpose of Church Growth"
   — "Church Growth in the Wesleyan Tradition"
   — "Principles of Church Growth"
   — "Growth Restricting Obstacles"
   — "The Caring System"
   — "The Shepherding Plan"
5. Recognition given by the Commission on Church Growth and Development to local

churches and pastors who are successful in "Growth with Integrity," spotlighting them to the Annual Conference.

Commission On Church Growth And Development
Committee On Research And Survey
Report No. 3

This committee has the responsibility of accumulating demographic information pertaining to every segment of the Central Texas Conference for the purpose of —

a. Determining the changes in population density,
b. Discerning the areas of transition,
c. Recognizing changes in the age-sex distribution, and,
d. Calling attention to fluctuations in economics, industrialization, and other factors which might impact the life and ministry of the congregations of the Annual Conference.

Since the beginning of the commission in June, 1980, the gathering of statistical data has been a priority. During the first year, demographic and statistical data has been gathered on the cities of Temple, Round Rock, Belton, Copperas Cove, parts of Waco, Arlington and Fort Worth. Eventually the required information will be gathered on every square mile (or census tract) of the Conference.

The above information is being placed on transparencies for projection in various types of meetings. Within the first year of our existence we will be able to give a clearer picture of the population of our conference with projections for the future.

The director has met with several city planners, community developers, superintendents of schools and utility companies in order to gather the best information possible. This information will be shared with our Committee on Church Extension, the Cabinet, the National Division on Church Extension, and the commission in order to help make proper decisions on the planting of new congregations.

We are in the process of gathering an inventory of all abandoned church property within the Conference. This is a large undertaking but we are discovering that this information will be worthwhile. Eventually, decisions can be made on the sale of these properties, hopefully with proceeds used for the purchase of new sites in growing areas.

Commission On Church Growth And Development
Committee On Church Extension
Report No. 4

The responsibility of this committee is to recommend to the commission, District Boards of Church Location and Buildings, and churches, strategies for congregational development (new and existing congregations). This involves —

a. The need to purchase new church sites,
b. The need to relocate existing congregations,
c. The merger of existing congregations,
d. The closing of churches,
e. The remodeling of existing facilities in order to accommodate changes in circumstances and conditions,
f. Redevelopment of existing congregations in areas of transition,
g. Provide guidance and counsel in the establishment of new congregations or the relocation of an existing congregation by . . .
   — Helping secure qualified architectural assistance,

— Assisting in the preparation of necessary legal documents,
— Providing guidance in the acquisition of available loans or grants
— Recommending reputable construction firms,
— Providing counsel in the design of facilities relative to required and recommended standards of city, county, state, and federal governments,
— Calling attention to perceived needs to which the congregation should be prepared to respond.

h. Provide guidance and counsel in the redevelopment of existing congregations in areas of transition by . . .
— Enabling the congregation to accurately assess the needs and resources which co-exist in their immediate area,
— Helping to sensitize the congregations regarding ways their resources can be used to meet those needs,
— Making available information and assistance regarding skills and aid available throughout every level of the church and society.

This committee has established a new committee to study the Southeast area of Fort Worth for the purpose of determining the need for a new black congregation. This project was begun under the Metropolitan Board of Missions but no decision was reached prior to the establishment of the Commission on Church Growth and Development. Hopefully, a decision will be reached in the near future as to the direction we will recommend to the commission and the Cabinet. A sum of $54,000 has been set aside by the National Division for this project.

The 1981 budget contains several items we recommend for new and existing congregational development. Some of these items are a continuation of the Metropolitan Board of Missions and some are new. The new items have to do with the purchase of church sites in several areas of the Conference.

The commission is in the process of preparing valuable guidelines and policies for future use. These helps include —

a. Prioritizing — the order in which new congregations will begin
b. A step-by-step procedure for authorizing new congregations
c. A process design for congregational development
d. Building program check-list
e. Selecting a site
f. Fund raising — financing
g. Loan applications

Committee On Shares
Report No. 5

At the time this report is being prepared in order to meet the Conference time line for the Preliminary Reports, we are in a Conference-wide Share Campaign called "Partners in Growth." At this time we do not have a report on the number of shares received. However, by the time we come to the Annual Conference session a full report will be made.

It appears that we will not reach our 10,000 goal this first year, but the response will be good. We cannot stress enough the importance of reaching our goal as soon as possible. We urge every pastor and lay person to keep moving toward the goal of one share for every twelve members in every local church.

Shares are based on $45.00 each.

Metropolitan Board Of Missions — The United Methodist Church Fort Worth, Texas

Metropolitan Board of Missions of The United Methodist Church, Fort Worth, Texas, is the research, planning and development agency working with and on behalf of all the United Methodist congregations, community centers, and other entities in the Fort Worth metropolitan area. It is an agency of both the Central Texas Conference and the Rio Grande Conference. From its beginning the purpose was clear: to keep the church strategically positioned and effectively in mission to all people in all areas of the metropolis.

In 1980 Metropolitan Board of Missions accomplished the following:

Site Purchase and Capital Improvement: 1. Property payments continued on a 4.5 acre site purchased for the new congregation in southwest Fort Worth, Genesis UMC.

Congregational Development: 2. Support continued for new congregations — Covenant UMC, established in 1975 and Kingswood UMC, established in 1973.

3. The new congregation in southwest Fort Worth, Genesis UMC, was begun in January with the appointment of the Rev. Richard Penna. At the end of the year its membership of 380 had established a complete church school program, and adult choir, and a five day a week Christian pre-school program.

4. The old Wedgwood Church property was sold and the proceeds will enable Genesis UMC to construct its first unit in 1981.

5. Salary support continued for the established congregations of Watauga UMC and Ministers Chapel UMC.

6. Support of ethnic minority local churches continued through salary and/or program support of black churches in Fort Worth (Eastwood UMC, Cogswell UMC, Thompson Chapel UMC).

7. In keeping with the Book of Discipline of UMC in the belief ". . . that the Lord of the Church is calling Christians everywhere to strive toward unity . . ." (Par. 5), the Metropolitan Board of Missions has sought and worked for unity at all levels of church life through the development and support of several ecumenical clusters: Northside Inter-Church Agency (NICA), Southeast Area Churches (SEARCH), and Southside Area Ministries (SAM). These clusters provide congregations and individuals of various denominations the opportunity to minister more effectively to their community by working cooperatively.

Support of Conference Commission on Church Growth and Development

8. Our 14 year experience in and commitment to church development was used in the establishment of a conference wide program for church development. Metropolitan Board's commitment to the success of the new Conference Commission on Church Growth and Development was evidenced by the following gifts:

- Providing free office space and secretarial support during the summer to the new conference director.
- Granting $7,907 towards salary and expenses of the new conference director.
- Redirecting two sources of funding which were developed over the last 14 years. In 1967 Metropolitan Board began the SHARE program ($30 a SHARE per year) with an income of $26,600. At the end of 1980 the SHARE income was over $90,000 to be converted in 1981 to the Conference Partners in Growth Program. The District Mission income began as voluntary contributions from local churches in the Fort Worth East and West Districts and it totaled $33,700 in 1967. Through persistence and hard work these contributions developed into an apportionment based on membership and then finally to an apportionment figured on the decimal. At the end of 1980 the apportion amount was $74,000 to be converted in 1981 to the Conference program.
- Making available five sites totaling almost 30 acres and valued at over $300,000 for future new church development.
- Furnishing 14 years experience in church development, establishing and supporting

six new congregations (New World, Eastwood, Kingswood, Covenant, St. Barnabas, and Genesis). St. Barnabas is a successful model for cooperative church development with another denomination (Presbyterian).

Special Ministries Support and Development: Support continued for several agencies who play a vital role in providing special ministries.

9. Grants were given to: United Community Centers, Inc. for support of their five centers and for camperships; to Meals on Wheels, Inc. for support of their delivery of hot lunches to over 250 homebound older adults; to Fort Worth Urban Ministries for support of a night ministry, direct aid — counseling referral center, and youth program; and to CONTACT for support of a 24-hour a day crisis ministry.

10. A small grant sustained an evening child care program for children of Southeast Asian parents who attended English and job placement classes.

11. A grant to Englewood UMC enabled the purchase of a Personal PA Broadcasting System which benefited those in that congregation who have a hearing impairment.

12. Working together with the Coalition of Good Neighbors, we succeeded in getting the Fort Worth schools to admit the children of undocumented immigrants immediately after the favorable court ruling. The issues of exploitation and injustice faced by these immigrants will continue to be addressed by the Board.

13. The concept of providing cost-effective publicly subsidized housing which will be disbursed throughout the city of Fort Worth was publicly supported by the Board, in the belief that such housing is an urgent need for our citizens who may be elderly, handicapped, on fixed income, or on low to moderate income.

In 1981 Metropolitan Board of Missions will continue to work in the area of congregational development, serving in an advisory, consultative, and initiatory role to the Commission on Church Growth and Development in the following areas:

1. The redevelopment of congregations, which might include relocation to a new site if needed, or providing funds for a church in a transitional area to stay where they are to continue in ministry if needed;
2. The determination of areas of mission where non-traditional approaches to ministry is needed; and
3. The determination of sites where new congregations are needed. This will be the primary responsibility of the Commission on Church Growth and Development, but the Metropolitan Board expects to have input into these considerations.

Also in 1981 the Board will concentrate its energies and resources on specialized ministries such as those developed and supported in 1980. New ministries envisioned are:

1. Working cooperatively with the Rio Grande Conference in developing a comprehensive plan for Hispanic ministries in the Fort Worth/Tarrant County area;
2. Developing a model begun by the Bridge Association which seeks to help a congregation discover, identify, and catalogue their enormous wealth of gifts, talents, and skills which can be shared within the congregation to nurture itself and outside the congregation to be the church as mission;
3. Linking resources with other judicatories and Southside Area Ministries to begin an outreach program which will address the injustices and exploitation of undocumented immigrants;
4. Providing a small grant to enable the development of day homes in the Riverside area for children of Southeast Asian refugees.

Everything is geared to one dominant purpose: that the church may be the church, in ministry wherever people are!

Commission Equitable Salaries And Clergy Benefits
Report No. 1
Equitable Salary Program

There shall be a program of Equitable Salary Support in the Central Texas Conference under the management of the Commission on Equitable Salaries and Clergy Benefits. This program shall be patterned after paragraph 935 of the 1980 **Discipline.** Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Salary Program.

1. The Commission recognizes the necessity of coordinating all salary subsidy; therefore, the Conference Treasurer shall inform the Commission of any salary grants by other Conference or General Church agencies, so it may coordinate salary grants with such agencies. Any pastor receiving such grants and whose salary is still below the Conference minimum shall be eligible for consideration of salary supplements through the Commission on Equitable Salary and Clergy Benefits for that portion not covered by any other sources.
2. A prerequisite for consideration of salary supplements from the Equitable Salary Fund shall be the filing with the Commission a written application by the District Superintendent. The District Superintendent shall certify classification of the pastor and the salary (salary, travel, and utility) set by the charge. The application form will be supplied by the Commission.
3. Salary grants shall be made for a calendar year with payments made quarterly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro rata basis for the part of the year actually served.
4. The following conditions must be met by the pastoral charge before its pastor can become eligible for consideration to receive salary supplements from the Equitable Salary Fund.
   (a) The pastoral charge shall have conducted an Every Member Canvas for the local church budget of each of its churches during the previous conference year.
   (b) All apportioned items shall have been paid in full for the previous conference year.
   (c) The charge must have at least 100 members.

   In unusual situations the Commission on Equitable Salary and Clergy Benefits may waive any or all of these conditions.
5. The Commission on Equitable Salary and Clergy Benefits will pay any amount up to ⅓ of the minimum salary as set by the Annual Conference for each applicant according to his/her ministerial classification.

   If any exception under paragraphs 4 or 5 is sought, the request must be endorsed by a ⅔ vote of the Cabinet before it can be considered by the Commission.
6. Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 1982, with following years based upon percentages of the average salary of the Conference. The salary supplements, based upon the fixed percentage rate, will change automatically with any changes in the average salary:

	1982	Following Years
(a) Elder, Full Connection	12,000	80%
(b) Associate Member	10,000	66.6%
(c) Full Time Local Pastor	9,000	60%
(d) Probationary Member		
1) Non-Student Living on Charge	10,000	60.6%
2) Student Living on Charge	9,000	60%
3) Student Living Away from Charge	7,000	46.6%

(e) Student Local Pastors

1) Living on Charge	8,000	53.3%
2) Living Away from Charge	6,000	40%

7. Pastors who are appointed to less than full time service as addressed in the 1980 **Discipline**, paragraph 438.3b shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in pastoring the charge. For example, if the pastor is deemed as serving ¼ of full time his minimum salary eligibility would be ¼ of the minimum of his Conference relationship classification. The categories of ¼, ½, ¾ will be followed in determining less than full time eligibility for salary supplements from the Equitable Salary Fund.
8. Seminary students who are serving pastoral charges and receiving Equitable Salary Supplements, are eligible to receive $2.00 per mile, one way, one time per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor receiving the charge at the end of the third quarter of the Conference year.
9. Ministers who are not eligible for salary supplement are:
   (a) Those whose appointment is other than pastor of a charge within the Central Texas Conference.
   (b) Those classified as part time local pastors.
   (c) Retired ministers.
   (d) No pastor shall be eligible to receive salary supplements from this Fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in a present appointment.

1. Temporary General Aid will be considered on an individual basis by the Commission on Equitable Salary and Clergy Benefits upon receipt of the proper written request.
2. The application form for Temporary General Aid shall be supplied by the Commission on Equitable Salary and Clergy Benefits.
3. The District Superintendent in consultation with the individual involved shall complete the request form and forward it to the Chairperson of the Commission of Equitable Salary and Clergy Benefits.

Commission On Equitable Salaries And Clergy Benefits
Report No. 3
Conference Insurance Program

In pursuance of our responsibilities as the Insurance Committee, being a part of the Commission on Equitable Salaries and Clergy Benefits, we submit the following report —

Your committee has worked this past 12 months concentrating our efforts on two main concerns. First, we have made every reasonable effort possible, from our perspective, to resolve differences and receive back claims due our members from Ministers Benefit Trust administered by the Browning Company. Ministers Benefit Trust has now gone into receivership and the appropriate state agency is now in the process of receiving all outstanding Proof of Claims against Ministers Benefit Trust. We have indications from Karen Carchia of the appropriate state agency that we might recoup approximately fifty

cents on the dollar in lost claims. We understand and anticipate that this could take two or more years to finalize. Taking this into consideration, along with other ineffectual dealings with the Ministers Benefit Trust, your Committee requested and was given approval from CFA to loan conference members funds equal to those unpaid claims from the period while we were under coverage from Ministers Benefit Trust. When members receive some portion of their unpaid claims from the state agency, those payments should be forwarded to the conference office to help replenish the conference insurance fund.

The second major consideration for our Committee has been to oversee our conference insurance program administered by the Prudential Insurance Company of America. We have had excellent experience with this company and are most appreciative of the way they have handled our claims. We have appreciated the proficient manner in which Mike Millsap has represented our interest with Prudential and the many hours he has spent attempting to attend one district pastor's meeting in every district to explain our program. We feel more information must be given to our members so that we all may better understand our insurance program.

During the year 12/1/79 to 12/1/80, we have paid health insurance premiums amounting to $252,434. Over that same period Prudential has paid out over $264,645 in incurred claims. As is obvious, this is going to necessitate a considerable adjustment in our insurance premiums. Taking into consideration those figures along with estimated inflation, pooling charges and administrative expenses, they have projected a medical premium increase of from 62% to 75%. This projects an increase in monthly premiums for families of $53 to $64 per month. Our monthly premium for health care would then be from $138.72 to possibly as high as $149.85.

In other developments regarding our insurance program, at our last General Conference it was mandated that all United Methodist Conferences must participate in the Pension program administered by the General Board. Our conference must enter that program by January of 1982. Under their program, life insurance and disability insurance will be included. This has been a part of our insurance program.

At present our life insurance coverage is in the amount of $25,000 for all ministers until age 65. Under the General Board's plan, death benefits are based upon the average denominational salary based upon a percentage that decreases annually following a minister's 47th birthday.

Also, at present our disability coverage is $200 per month after disability has lasted 52 weeks. Under the General Board's plan a minister would receive 40% of the average denominational salary, approximately $558 per month payable when disability will presumably last six months.

Knowing that that part of our existing program would be handled by the General Board, your Insurance Committee felt it appropriate to look into the possibility of going into the General Board's health and medical insurance program. Their coverage is underwritten by The Travelers Insurance Company. Under our identical plan, with the exception that their program gives 24 hour accident protection for ministers, the monthly premiums for health plan benefits for a family is $119.28. This is from 16% to 25% lower than Prudential's bid and is an increase of 28% over our present health care portion of our present plan. The General Board's bid for the health plan benefits becomes effective 1/1/82 or any date earlier. Our Prudential bid is effective 7/1/81 and would only be effective for the following six months.

The Commission recommends to the annual conference that all death, disability and medical insurance be transferred to the General Board of Pensions as of July 1, 1981. In the event our death and disability coverage cannot be adequately transferred, we will negotiate with a company that might carry our program until such coverage is provided by the General Board January 1, 1982.

Commission On Equitable Salaries And Clergy Benefits
Report No. 4
Insurance Premium Payment

The Commission recommends that those ministers in the Central Texas Conference receiving as much as Denominational Average Compensation (DAC) as figured by the General Board of Premiums pay 50% of the total cost of death disability and medical insurance. Those ministers receiving less than the DAC will pay 40% of the cost of said insurance.

It is also recommended that a plan be instituted whereby ministers will make payments monthly to the Insurance Office without receiving statements. In the event the payment is not received within 10 days after due date a reminder will be sent.

Report No. 5
Transfer Of Insurance Responsibilities

The Commission recommends that all responsibilities for the oversight and administration of the Conference Insurance Program be given to the Conference Board of Pensions effective January 1, 1982.

Report No. 6
Moving Expense

The Commission recommends the following changes for the Moving Expense Fund as found on page 129 of the 1979 Journal, Section B:

B. MOVING EXPENSE FUND

1. We recommend that the conference pay the greater of $100 or $3.00 per mile with no maximum within the bounds of the Annual Conference and the receiving charge is expected to pay any remaining balance of the actual moving expenses.
2. We further recommend that the procedure of filing correct forms with the Conference Secretary/Treasurer be continued.
3. We do, however, expect every receiving charge in the Annual Conference to pay the moving expense of the new minister in excess of the allowance and it must be the responsibility of the District Superintendent at the time of consultation to inform the church of its share of this obligation.

Commission On Religion And Race
1982 Report

After many hours of careful deliberation, the Commission on Religion and Race is content with the method it had devised for monitoring, consulting and examining ethnic minority representation, participation and programming on all the conference boards, agencies, commissions and committees, as well as the governing boards of related institutions. Commission members will be attending meetings of all the Conference boards, agencies, commissions and committees to monitor their functions.

The Convocation on the Black Church, the Harry Hoosier event, was held during the month of September at St. James United Methodist Church, Waco, Tx. This program had an emphasis on leadership development, stewardship, evangelism, education and preaching. This program while being conference-wide, was a celebration of Black ethnic diversity and heritage.

The third annual Religion and Race consultation Workshop was held at First United Methodist Church, Hillsboro, Texas in November. The purpose of the Workshop was:
(1) to assist district and local work area Religion and Race chairpersons to understand and accept the concept of pluralism and work toward inclusiveness in all areas of the Church life:
(2) to encourage multi-racial dialogue at every level in the Church through pulpit exchange, through worship services, fellowships, and study so as to encourage a better understanding of ethnic diversity and heritage in local churches; and
(3) to develop an awareness of and sensitivity to the special concerns of ethnic minority groups.

The Commission on Religion and Race presented a "Celebration of Unity — One in the Spirit" in April, with emphasis on the meaning of a racial and ethnic pluralistic United Methodist Church.

Representatives attended the Cooperative Event in Dallas, Texas; Partners in Ecumenism National Conference in Washington, D.C.; Black Methodist for Church Renewal in Philadelphia, Pa.

RECOMMENDATIONS FOR 1982

1. Each local Church elect chairperson on Religion and Race at the Charge Conference.
2. Each district(s) schedule a workshop on Religion and Race in consultation with District Secretary of Religion and Race and the Conference Commission on Religion and Race to deal with the pressing issue of open itineracy, racism, minority group empowerment and reconciliation between the races.
3. ACCOM continue progress in the elimination of discrimination and racism within its organizational structures and institutions by providing adequate representation on all boards and agencies.
4. Development of multi-ethnic staffs in changing neighborhoods to better meet the needs of the persons in those neighborhoods.
5. Each district be sensitive to the shifting centers of black population and effect congregational development to the needs for emerging minority neighborhood churches.
6. ACCOM develop a program aimed at bringing about regular inter-ethnic conversation and other exchanges to facilitate the building of bridges of trust.
7. Cabinet and program staff development programs designed to prepare both congregations and pastors for cross-racial appointments.
8. Bishop send a "pastoral letter" to each congregation and pastor affirming his/her commitment to cross-racial appointments as a part of the regular appointment process.
9. Cabinet go on record stating that its appointments will be made in the context of an open itinerancy.
10. Annual Conference Board of Ordained Ministry discuss with each candidate the meaning of open itinerancy in the United Methodist Church and the Central Texas Annual Conference.
11. Each district superintendent explain the meaning and desirability of an open itinerancy to each Charge Conference, citing biblical and theological authority as well as the position of the United Methodist Church, encouraging questions, responses and open discussions.
12. Annual Conference develop ongoing recruitment programs for ethnic minority pastors, not only to meet present or particular "supply" crises, but to challenge faithful Christians to consider the call of the ministry on a continuing basis. To visit theological schools and recruit minority pastors for our conference.
13. CCYM review its projects, discover ethnic youth needs, and evaluate and discover what programs to sponsor in order to meet the needs of ethnic conference youth.
14. District secretaries of Religion and Race will monitor the progress of the local church and serve as a liaison between the local church and the Conference Commission of Religion and Race.
15. Celebration of wholeness be continued as an annual event.
16. All Conference boards, agencies, commissions and Committees will be visited by

Commission on Religion and Race members to monitor their goals, proposals, purposes, objectives and programs to face the issue of open itinerancy and move in the direction of commitment to inclusiveness.

17. Local congregations examine their feelings and attitudes about persons of different races and cultures.

18. Local congregations plan for joint worship services, fellowship dinners, discussion and study groups, and services and community projects with congregations of another ethnic or racial background.

Report Of The Commission On The Status And Role Of Women Report No. 1

Adopted 6-3-81

The year 1980-81 has been an eventful year for the Commission on the Status and Role of Women. This year the commission did a mini-study within the membership of the commission in order to determine what we wanted to give and get from the commission and to see what we'd like to see our commission do. These are some of our findings.

(1) Working in and through COSROW we wanted to give ourselves, our time, our talents, our skills. We wanted to give input as resource persons, to be accessible to persons in the conference, to share our ideas, give support and increasing credibility to women and their place in professional ministry in the Church.

(2) We hoped to get support and friendship from the commission, sharing of common concerns, establish new and diverse relationships conference-wide, to gain new perspectives for implementing change on a large scale, get the feeling we've made a difference and accomplished something, to get a feeling of belonging, to understand the conference, to know what other churches are doing within and outside our conference, and to get experience within the conference structure.

(3) We wanted to see COSROW be the sensitizing force as to women's concerns, establish a liaison with the conference leadership, to call the conference leadership to accountability, to call the Church to provide places for women to serve to the fullness of their abilities, to play the role of women's advocate, to provide educational resources for all persons, build trust and confidence within the conference, make people aware that COSROW exists. We intend to be a forum for women's concerns, to aid women in entering the mainstream of the conference and the local church, to be the conscience of the church on all kinds of discrimination (race, age, sex) particularly as affects women. We determined that COSROW must take itself seriously; we must act carefully and with impact, but we must act now!

The Commission on the Status and Role of Women drew up a first draft of "guidelines to aid in the use of inclusive language at all levels of the Conference." Our long range plan for this "inclusive language tool" is to present it as a proposal to the 1982 Annual Conference. The Discipline clearly calls us to use inclusive language. We hope the use of inclusive language will shortly be the rule in our conference rather than the exception to the rule.

It is not our desire to raise our voices in empty rhetoric in our Conference, it is not our desire to create unnecessary tension in our Conference, nor do we intend to merely be its peace keeping force helping to maintain basic inequities and injustice that are so much a part of the very fiber of our culture and our system. We do intend to be a moving force working constructively within the Conference in order to bring about change. Therefore we submit the following goals for 1982.

(1) Present interesting, constructive, professional images of women in ministry in all that is done.

(2) Make the use of inclusive language a reality in the Central Texas Conference.
(3) Ask the cabinet to set a goal for the appointment of a woman district superintendent.
(4) Do a workshop to inform COSROW members as to the role and function of the commission followed by a seminar to inform and enlighten the conference (with a representative from each church present). This would specifically include education in expanding biblical meanings that our more conservative brothers and sisters use to exclude women.
(5) Continue to support divorced clergy spouses.

A visit with Bishop Russell was arranged so that he and COSROW representatives could sit down and dialogue together. This was a "get acquainted" visit. From this visit the commission prepared a list of qualified women, a sort of talent bank, which we hope will make the job of finding good women for leadership positions in our conference much easier for our Annual Conference Nominating Committee.

Our work has just begun.

The Commission on the Status and Role of Women in the United Methodist Church is charged with responsibility to:

> Challenge the United Methodist Church, including its general boards and agencies, its institutions and its connectional structures to a continuing commitment to the full and equal responsibility and participation of women in the total life and mission of the Church, sharing fully in the power and policy making at all levels of the Church's life. (Par. 2101, Discipline)

In order to fulfill this mandate in the Central Texas Conference, we are committed to act as **advocate** with and on behalf of women individually and collectively, to act as **catalyst** to initiate creative methods to redress past inequities, and prevent future inequities against women in the United Methodist Church, to act as **monitor** to ensure inclusiveness in programming and administrative functioning in the United Methodist Church.

We want to eliminate sexism, in all its manifestations, from the total life of the Church. But in addition to that we want to help in some way to bring about concern, acceptance, and respect for all our people male and female alike. We intend to continue to make all of us aware of issues, problems, concerns related to the status of women in the Central Texas Conference. We intend to continue to be our conscience pointing out injustices and inequities within our system. Women must be a part of the total life of this conference giving of our time and talent in order to help create the wholeness we all talk so much about. In order to be whole each individual must stand up and take his/her rightful place within the life of our conference.

Each year COSROW sponsors an emphasis month highlighting women in ministry. May was set aside this year as "women in the pulpit month." We are happy to report that 24 churches have participated in "women in the pulpit emphasis month." Thirty-two women have been the speaker or worship leader in a principal worship service. We thank these churches who have made this year's emphasis a success. We invite and urge the participation of all our churches in this joint effort to affirm the contribution that women make to the life and leadership of our conference.

Clearly we are an integral part of this conference and not a separate entity working from without. We want to see genuine openness and receptivity to women's role in the church, particularly those in changing roles — clergy and lay professional women, racial and ethnic minority women and those experiencing changing lifestyles.

Inclusiveness is our goal. We move forward with faith, determination, and love.

Georgia Allen, Chairperson
COSROW

EMLC Task Force

The Missional Priority of Strengthening the Ethnic Minority Local Church will be dealt with in a different manner for the quadrennium of 1980-84. A Conference Task Force will be responsible for overseeing of both programming and funding. The Central Texas Conference Task Force will be made up of district representatives, cabinet representative, conference council staff representative, and officers. Funding will come from General Boards and agencies through requests that are submitted through the task force and from 30% of the apportioned fund raised with the Central Texas Conference. The latter funds will be administered under guidelines to be developed by the Conference Task Force. We have been in existence about six months and are in the midst of finding all of the new criteria and regulations from the General Boards and agencies. We are moving as quickly as possible to spread the information because of deadlines for submission to the proper agencies.

Several concerns have evolved as we begin our work that will be dealt with in the next 60-90 days.

1. An effective format must be determined for finding the issues to be dealt with.
2. Proper criteria for granting funds and conference support to individual churches and districts.
3. Determining methods of:
   a) strengthening existing ministries of local churches.
   b) establishing new ministries in existing congregations or new congregations.

There are many more general concerns, but these have surfaced in our preliminary work.

The mood of the task force is to seek answers from local congregations. We have no ready-made solutions for the development of new ministries. It is our feeling that the genius of the connectional systems is to find ministries that are needed and ask a congregation or several congregations to work on the solution with the support of the Annual Conference and district organizations. As these ministries are developed, the congregations that have developed them will share their successes with the rest of our church. They will be asked to carefully log their progress so that their success will be easy to follow and any pitfalls will be clearly marked. We will be making these known as time progresses. Several are contemplated as this report is written, but none are far enough along to report.

As we seek to strengthen existing ministries, we will look to local churches to be willing to commit time and talent to making the program work. A simple infusion of funds will not solve the problem of apathy and lack of planning.

It would serve no purpose to simply reproduce here the discussions of the task force, but we will be looking to each local church of The Central Texas Conference for support. We seek from you not just funding, as important and necessary as that is, but your ideas and methods for ministry.

We are asking that each local church look around the community where you are and see if there are those not ministered to by the church. We are a diverse church and our talents will

be sufficient for any task if we will but open our eyes and see the need; then, open our hearts and respond.

The South Central Jurisdiction — The United Methodist Church

Adopted 6-3-81

The calendar year, 1980, was a very exciting time for the South Central Jurisdiction. Five new bishops were elected at the Jurisdictional Conference held in Little Rock, Arkansas, July 15-18. The bringing together of lay and clergy delegates from the seventeen annual conferences to participate in the election of the new bishops, the consecration service, the assignment of the bishops to their respective areas, the hearing of reports and the election of persons to the general boards and agencies of the church, was a most meaningful experience.

Providing training opportunities for Sunday School workers continues to be a prime concern of the Jurisdictional Council on Ministries. The Sunday School is a basic source for church membership and attendance. No apologies should ever be made for the quality of United Methodist Church curriculum resources. Every effort should be made to equip our teachers in the use of these materials. Laboratory/Seminars held throughout the jurisdiction have made possible additional qualified leaders for annual conferences and districts.

Local churches with memberships under two hundred are very prevalent in the South Central Jurisdiction. There are approximately 4,000 such churches in this jurisdiction. The Jurisdictional Council on Ministries has taken seriously the task of providing helps designed specifically for this size congregation. **"The Effective Small Membership Church"** has become an annual training event that attracts workers from this size church.

Leadership training opportunities were afforded annual conference/district/local church leaders at workshops, consultations, laboratory/seminars and other types of events as plans were made for a new quadrennium.

A consultation for Bishops/District Superintendents/Conference Staffs was held at Mt. Sequoyah providing the opportunity for cabinets to do team building, setting of goals and designing leadership procedures for the new quadrennium.

A very active and vital youth program brings together young people from across the eight state area providing opportunities for fellowship, study and Christian growth. For the first time youth observers attended the Jurisdictional Conference session in Little Rock.

Bishops' Week, sponsored by the College of Bishops and the Jurisdictional Council on Ministries, continues to draw attendance of both lay and clergy from the annual conferences each summer.

Older adults and retirees look forward to special programs planned for them at Mt. Sequoyah each year. Approximately seven hundred and fifty people participate in such programs as: **Dogwood Time at Mt. Sequoyah; Autumn Time at Mt. Sequoyah; The Best Is Yet To Be.** Participants come from across the entire jurisdiction for these events.

The jurisdiction office serves to coordinate concerns of the general church as well as concerns related to the annual conferences of the jurisdiction. Opportunities have been afforded through the office for sharing successful programs done by the various annual conferences.

A very important venture begun during the past year is the VIDEO CASSETTE EXCHANGE program. This program will allow annual conference resource centers and local churches to exchange video cassette training and inspirational programs. A very favorable response has already been seen in this ministry.

The jurisdiction is responding to those opportunities for leadership training which are common to all of the annual conferences and to those types of training which can better be done on a jurisdictional level to involve several annual conferences rather than just one annual conference.

Report Of The Texas Methodist Foundation To The Central Texas Annual Conference

The report of the activities of The Texas Methodist Foundation for the past year could be divided — as most reports could be divided — into good news and bad news. Let us begin with the good news.

We are appreciative of the support which the Central Texas Annual Conference provides us for the operation of our organization. Secondly, we are very pleased with those who have been designated as trustees, and then elected directors from this Annual Conference. We are glad that in addition to Bishop John Russell, Mr. Jerry Secrest, Mr. S. Ross Greenwood, Mr. George Crews, and Dr. Sidney Roberts serve as directors of our Foundation. Thirdly, we would like to report to you that we have made significant progress in obtaining capital funds over the last year and our audited Fund Balance as of December 31st, 1980 was in excess of $6 million. It is our hope that we can continue to expand and develop our services to people called Methodists in Texas through being of service to institutions and agencies in addition to becoming a depository for those funds which are directed as the donor desires. We believe that we have been good stewards of the funds which have been entrusted to us, and we hope that your judgment will be the same.

The bad news is the very limited capacity with which we try to meet the demands which are ever present in terms of providing funds for capital improvements for Methodist churches in Texas. We are convinced that this is a crisis in the life of our Church. Literally, millions of dollars must be made available from some source/sources for Methodist churches to continue their expansion and their building. We find ourselves in a very difficult position, with rising construction costs and high interest rates, rapidly expanding growth creates problems for us, but aren't these problems much better than learning how to deal with a declining membership rather than expansion? While these problems are more easily identified in metropolitan areas, they are widespread and no particular geographic boundaries. We pledge ourselves through our elected officials to work as diligently as we

can for the next year to try to be a part of the answer which confronts the United Methodist Church.

We covet your prayers and your support as we face this most challenging year ahead.

Respectfully submitted,
Charles E. Laing, Executive Director

United Methodist Men's Report To Annual Conference June 3, 1981

A year ago the United Methodist Men were set on their own to "sink or swim": We were no longer amenable to the Commission on Lay Concerns, yet we are still a part of that body. Now, we report to this body and we believe this was a wise move for C.T.C. and U.M.M.

We are here to report to you today that the UMM have not "Sunk" but rather have reached the shore with the help of our Lord and several committed men in the C.T.C. As we stand on the shore of our new opportunity we are excited about the possibilities of the future AND pleased with our progress so far.

We have begun our organization, elected officers, composed a basic constitution and by laws. The districts have begun their organizations and all the time this has been going on, the District Presidents have been developing and assisting new local church fellowships to become chartered and get organized.

Most of 1980 was spent in getting a basic organization together. There was a small group which met at Glen Lake during the Men's Rally in August 1980. From that group came the idea of a spring meeting of UMM. We had wistfully hoped for a 1,000 to 1,500 to be present. When the smoke cleared we were about 250 for a one day business meeting spiced by Dr. Tom Haggai's excellent and timely message on "Bridging the Generation Gap." Some of us were disappointed that we didn't have more present but we were convinced that everyone there was supposed to be there AND more particularly that everyone there wants the UMM to be a vital force in Central Texas for the Church.

While we were at Glen Lake on April 25, we elected conference officers and got our Districts organized along the new lines. Every district was represented, some more than others, but it was a start and a good one.

Our attention is next turned toward a Conference Men's Retreat sponsored by the UMM. Our August meeting this year will be held on August 14-15 at Glen Lake. Registration blanks are before you. If you will notice we are strongly encouraging preregistration prior to or no later than July 31. Preplanned programming and scheduling is a must these times of high food and travel costs. Our own Bishop Russell will be our Spiritual Leader for this weekend. Make your commitment now and register now. We expect a good crowd. Will you be a part of it?

We seem to be moving in the direction of two meetings a year. A spring meeting or convocation of strictly UMM Men and then to an August retreat which will be sponsored by UMM but opens to all the men of the CTC whether they are part of a chartered Men's Group or not. And ladies while we don't want to be rude or unsociable please don't come unless you have a specific invitation.

A leadership training event will be held at Glen Lake on the weekend of September 12, 1981. Jim Snead from the Board of Discipleship in Nashville will be here with the District and Conference officers. Our purpose during this event will be to equip the leadership of the CTC UMM to make the purposes of the UMM come about in the CTC.

We will be planning another meeting of the UMM in the Spring of 1982. We are beginning to see this meeting as a time to plan, project, report, elect, and be inspired by a speaker bringing a timely message to the UMM of the CTC.

We ask that the Conference acting through its appropriate officers and agencies move as soon as possible and practicable to insure that the UMM are fairly and properly represented

in and on all boards, agencies, commissions, and committees that the Book of Discipline and the Rules of this Conference prescribe and to change or modify any rules of the Conference or memberships in order to comply therewith.

Prayerfully submitted,
Bill Palm
Conference President
United Methodist Men

Central Texas Conference Federal Credit Union

The Central Texas Conference Federal Credit Union continues to serve its members in a very fine way. We still offer the benefits of automatic loan insurance without charge, and automatic life insurance on share deposits of $2,000 and above. All deposits are insured for the maximum accorded by Federal law.

Our assets now stand at more than $575,000, with outstanding loans in excess of $525,000. We have over 700 members of the Credit Union and urge every member of the Conference, their families, and church employees to join and begin a systematic savings program.

The Credit Union is a cooperative venture — friends banded together to help friends — providing loans at better than average rates and paying the best rate of interest available for this type of account. We also have available a Share Certificate available at ¼% above the current rate paid by Savings and Loan Companies.

The more members we have making share deposits regularly, the better your Credit Union can serve. The membership fee is $5.25. Start with that and build.

We commend our Manager, J. W. Sprinkle, for the fine work he does in managing our Credit Union. The address is: P.O. Box 8552, Fort Worth, Texas 76112. Telephone No. 731-3852.

The Reverend Robert Mark Cope

The Reverend Robert Mark Cope, a graduate of Sul Ross University and Brite School of Divinity, was ordained deacon in 1972. He was welcomed into full membership of the Central Texas Conference in 1976.

His experiences in ministry included organization of the Kingswood Church in Burleson, pastoring and serving on the staff of some of our larger churches. At the time of his death he was Program Coordinator at Westcliff. His fertile mind and creative enthusiasm explored puppet ministry, children's church, curriculum formation, radio and tape communications.

He had the ability to draw out the shy and to shame the overbearing, always being sensitive to what was happening within a group. His good humor, Christian judgment and willingness to spend himself wherever needed caused him to be loved and missed by many. To know him was to have a unique experience in friendship.

His wife, Mary Gean, and their children John Robert, Andy and Elizabeth, remain in our love and care. He is also survived by his mother and brother.

Funeral services were at Westcliff September 3, 1980. Dr. Sidney Roberts, the Rev. Arthur Digby, Jr. and Dr. Robert Turner led the worship celebrating his life. Bob was a blending of love, grace and buoyancy. Let us be thankful to have ministered with him in the Discipleship of Jesus Christ.

Dr. Robert Turner

Warren A. Flynn

Reverend Flynn was born on November 8, 1901 in Fayetteville, Tennessee. While working for the railroad as a brakeman, he felt God's call to enter the full time ministry in 1925 and was appointed to the to the Bluff Dale Church. In 1929 he was ordained a Deacon and in 1931 he received his elder's orders. During the next forty years he was to serve over fifteen churches in the Central Texas Conference including Trinity, St. Paul, and St. Mark in Fort Worth. He served his conference in many capacities, and was one of the original Committee which secured Glen Lake Camp for our Conference camping program. After his retirement in 1926 he continued to serve God and the church as Associate Minister of Arlington Heights United Methodist Church.

Warren was married to Modena Mae Cox and this marriage of over 50 years produced five sons: Warren, Jr., James L., John N., Wayman B., and Doyle, who preceded his father in death.

After a brief illness in Fort Worth, Warren Flynn entered the Church Triumphant on April

13, 1981. At the time of his death he was still an active participant in St. Mark United Methodist Church, the Southside Lion's Club, and was a fifty-year member of the Southside Masonic Lodge. His Memorial Service was held April 15, 1981 at the St. Mark Church with Dr. Michael Young and Mr. David Harkrider participating. Burial was in Laurel Land Cemetery in Fort Worth.

He was survived by his wife, Mrs. Modena Mae Flynn of Fort Worth; by his sons Warren, Jr. of Dallas, James L. of Cleburne, John N. of Charlotte, North Carolina, and Wayman B. of Fort Worth; by two sisters: Mrs. Jane Barrett of Waco and Mrs. Thelma Gayleon of Austin; by two brothers Homa and Bill, both of Waco; and by numerous grandchildren and great grandchildren.

Throughout his ministry Warren Flynn faithfully responded to the advice that Paul gave to the young Timothy: "As for you, always be steady, endure suffering, do the work of an evangelist, fulfill your ministry." (II Timothy 4:5) He had, indeed, fought the good fight, he had finished his race, and he had always kept the faith.

Reverend Marcus Antonio Lucas Freeman

Reverend Marcus Antonio Lucas Freeman was born in Gonzales County in the vicinity of Hoods Chapel United Methodist Church.

It was in this church that he was baptized as a small boy. In this community he also attended the public school until the age of twelve years.

His devoted Christian parents carried him, at the age of twelve years, to Austin, Texas and enrolled him in the academy at Samuel Houston College (now Huston Tillotson College). He finished high school there and entered the college department and received a degree.

Reverend Freeman also studied at Garrett Biblical Institute of Northwestern University. He joined the West Texas Annual Conference in 1928. Some of his appointments were: St. James, Temple, Texas; St. Paul, Columbus, Texas; Emmanuel Chapel, Brownwood, Texas; East St. Paul, San Antonio, Texas; Simpson, Austin, Texas, Superintendent of the Western District, West Texas Conference; St. James, Waco, Texas; Gonzales Parish, St. Peters, Austin, Texas and Corinth-Dale.

He was a faithful laborer in his Master's Vineyard. The record of his dedication, work as a church builder, evangelist, leader of young people, promptness and dependability in supporting the total claims of the church wherever he served, reflects his contribution to the church.

His warm personality, humble dignity, and executive ability combined to make him a most remarkable man, a loving, devoted father and husband.

Early in his ministry, Reverend Freeman married Miss Willie B. Jones (deceased) of Smithville, Texas. To this union three children were born, who survive him: Eddie Will Freeman, New York City, N.Y.; Marcus A. L. Freeman, Jr., Dallas, Texas; and Mrs. Willie Beatrice Newman, Houston, Texas.

Reverend Freeman was united in marriage to Miss Barbara Nell Scales who was a faithful and devoted wife until he closed the Sunday morning services where he had preached and administered Holy Communion. After dismissing the Congregation he walked into his office, leaned his head on his desk and whispered: "Father, I am coming home."

To this union three children were born who survive him: Barbara Antonia Freeman, Marcus A. L. Freeman, III, and Patience Angelica Freeman.

There are also eight grandchildren, and two great grandchildren.

Services were held from Simpson United Methodist Church in Austin, Texas on October 9, 1980.

Ira B. Loud, officiated, Assisting ministers were: Dr. Ralph Seiler, Reverend J. L. Houston, Reverend Taylor Stewart, Reverend J. A. C. Grattan, Reverend J. H. Carruthers and Reverend J. L. Wattley.

Reverend Abraham McGill

Rev. Abraham McGill was born May 12, 1919 in the community of Piney Woods between the towns of Anderson and Richards, Grimes County, Texas. His parents were Major and Bessey Maxey McGill.

He attended the public schools of Grimes County. From his childhood he was a member of the Yarber's Chapel United Methodist Church in his home community. He was an Exhorter, Local Preacher, Ordained Deacon, Ordained (local) Elder and an Accepted Supply Pastor for more than thirty-five years. He completed the undergraduate course for ministers twice. In the Texas Conference he served the following appointments: Jewett Ct., Leona Ct., Caldwell Ct., and College Station; in the West Texas Conference he served as pastor of St. Luke, Dallas; and Cogswell, Fort Worth; in the Central Texas Conference he served at St. Andrews, Corsicana. It was his last appointment and he left in the middle of the year because of the failure of his health.

He was united in holy wedlock to Miss Victoria Jacobs in 1944. To this union seven children were born.

Reverend McGill loved people and was faithful to his task. People also loved him and whoever heard him pray always remembered it.

Even though his appointments were small and his family was large he was thrifty enough to take good care of his family, buy and pay for his home in Dallas, Texas and acquired other property. An injury received while working on an outside job to "make ends meet" caused his fatal illness. He is survived by his faithful wife, Victoria, four daughters and three sons and eleven grandchildren.

Funeral services were held at his home Church — Yarber's Chapel, Grimes County; Reverends Joseph Shepherd, pastor of Yarber's and I. B. Loud, Dallas, officiated.

He was buried in the Piney Woods, and sleeps with the fathers.

Dr. Alice W. Wonders

Dr. Alice W. Wonders was born in Waterbury, Vermont, and her distinguished career in the life and work of the United Methodist Church took its first, pioneering step when she received her license as a lay minister while an eighteen year old high school senior, the youngest person to be so recognized at that time. After graduation from high school, she worked her way through Ohio Northern University by serving as a lay preacher in a number of churches. She received her doctorate in 1961 from North Texas State University and was granted an honorary degree from Ohio Northern in 1976. She became a part-time faculty member of Texas Wesleyan College in 1945. In 1947 she became a full-time member of the Wesleyan faculty, subsequently being named acting director of the division of religion and philosophy in 1956 and head of the division in 1961. In this capacity she made a direct and important impact upon a vast number of United Methodist ministers who participated in her classes and responded to her winsome and provocative instruction. Her name will be remembered by these men and women for many years to come.

In addition to her illustrious teaching career, she was actively involved in the life of the United Methodist Church, particularly in the Central Texas Conference. She was a delegate to General and Jurisdictional Conferences in 1976 and 1980 and, at the of her death, had just been elected to membership on the Board of Higher Education and Ministry. She had served as chairperson of the Council on Ministries of the Fort Worth East District and was the first woman to serve as lay leader of the Polytechnic United Methodist Church. In 1976, she was consecrated as a Diaconal Minister.

Her quiet, yet hard-nosed, approach to matters of inequity related to women can serve as an example for all women who struggle for equality. She did not participate in the militant approaches to this issue. When told she couldn't because she was a woman, she simply worked harder and excelled in such a way that she could no longer be ignored. As a result, additional "firsts" she realized were election as one of the first women to serve as

chairperson of a college religion department and the first woman ever elected to the Southwest Society of Biblical Literature and Exegesis, which she served as president.

She made an impact on the Dallas-Fort Worth area as a panelist and moderator for 15 years on the television program "Planning For Tomorrow," a program which attempted to help Sunday School teachers prepare themselves adequately to teach the lesson the next day.

Also, at the time of her death, she was Chairperson of the Committee on Aging of the Tarrant Area Community of Churches and was on the Governor's Committee on Aging. She is listed in "Who's Who In Methodism," "Who's Who in American Women," and "Who's Who in Women of the World." She held memberships in The Daughters of the American Revolution, The American Academy of Religion and The Directors of the American Scholars.

She is survived by her two daughters, Gayle Carr of Germantown, Tenn. and Carol Wolverton of Salem, Oregon, and four grandchildren.

A memorial service was held on August 4, 1980, in the sanctuary of the Polytechnic United Methodist Church. The ministers for the service were Rev. Gilbert Ferrell and Dr. Don M. Pike.

She touched more lives than most ever will — and we are glad we had the opportunity to share life with her. Life is far better than it ever could have been without her.

Don M. Pike

On October 27, 1909, she and Enoch Marvin Daily were married. Mrs. Daily served devotedly with her husband in the numerous appointments where he was assigned all of which were in the Central Texas Conference. She was one of three daughters and three sons of D. P. and Minnie Bell McClanahan. She married Frank T. Fisher on August 14, 1910, at Comanche, Texas. They were blessed with seven sons and two daughters.

Mrs. Fisher was always at her husband's side while he served as a minister in the Central Texas Conference from 1935 to 1959, when they retired and moved to Waxahachie. They both continued their work in the First United Methodist Church of Waxahachie until ill health struck them in 1978. Mrs. Fisher was a life member of the former Women's Society of Christian Service.

She followed her husband in death nine months to the day on June 24, 1980. Memorial services were held in the sanctuary of the First United Methodist Church of Waxahachie, with The Reverends Robert W. Richmond and Joseph R. Saylor, Jr. officiating. Date of this service was Thursday, June 26, 1980, at 2:00 p.m.

Frank and Myrtle's epitaph was — "Together Forever."

— Joe Saylor, Jr.

Eunice Bruner Patterson

Eunice Bruner Patterson became the wife of the late Reverend J. Fred Patterson, long time member of the Central Texas Conference, on August 2, 1953. She received nurse's training at Harris Hospital-Methodist and practiced her profession faithfully through the years. She died on March 4, 1981. She is survived by her three children, Dixie McFadden of Annapolis, MD, Jim Roberts of Fort Worth and Mrs. Nena Tollott of Pratsville, Alabama. Her memorial service was held at First United Methodist Church of Lampasas, Texas and was buried in Oak Hill Cemetery of that city. Her pastor, The Reverend Robert L. Blackwell conducted the service.

Mrs. Maurine Slayden

Mrs. Maurine Slayden was born June 30, 1898 in Dallas. While teaching school in Cleburne, she met and married Milton C. Slayden. That was May 27, 1931 and a few months later they entered the ministry of The Methodist Church together.

Pastorates they served were Aquilla, Evant, Putnam, Tehuacana, Hubbard, Whitney, Dawson, Frost, Everman, Itasca, Lakeview in Waco, Rising Star and Kennedale. Following Milton's retirement in 1968, the Slaydens were active in First United Methodist Church in Hurst. They were greatly loved by persons of all ages in the congregation.

Death occurred for Maurine at the W. C. Tenery Hospital in Waxahachie November 28, 1980. A Memorial Service was held in Pirtle Chapel of First United Methodist Church in Hurst with A. E. Habgood, Hubert Foust, Randy Wild and Sidney Roberts officiating. Burial was in Oakwood Cemetery in Waco.

Praise and thanks to God for the life of Maurine Slayden.

Mrs. Walter E. Williams

Mrs. Walter E. Williams was the wife of the late Rev. Williams who died February 6, 1975 in Mexia, Texas. She was born Edna Pearl Silknitter, the third of four children of William Miller Silknitter and Clara Alice Milliken, in Tower Hill, Illinois on July 1, 1900. Her parents and grandparents were from Huntington County, Pennsylvania of German-Dutch, Scotch, and Irish ancestry. Mrs. Williams died June 8, 1980 in Mexia, Texas.

Following graduation from high school in Shelbyville, Illinois in 1920, she attended Charleston State Teachers College, Charleston, Illinois and became a school teacher. She was married to Rev. Walter E. Williams on June 24, 1925. They had two daughters, Elizabeth Ruth and Alice Rachel, both of whom are married to ordained ministers.

They made their home in Arizona and southern California until 1961 when they returned to Texas to serve churches at Moody-Leon, Thornton, and Tehuacana. Rev. Williams retirement in 1964 led to their move to Mexia where they lived in a conference residence at 815 E. Palestine.

Mrs. Williams loved being a pastor's wife. During her final years, she was loyal and faithful in her support of First UMC, Mexia. She was a life member of United Methodist Women, a member and teacher of the Friendship Class, an active quilter in the Talent Circle, and a volunteer at Mexia State School.

The contributions of Mrs. Williams as teacher, pastor's wife, loving mother and grandmother, and her unique spirit as a friend to all are shining examples of her devotion to the kingdom and an inspiration for the lives she has touched. With her pleasant smile, quiet manner and strong religious faith, she could lift a fainting heart. Especially so for the clergy in the midst of stress. She was an ideal United Methodist layperson.

She is survived by two daughters: Mrs. William W. (Elizabeth Ruth) Huffman of Nampa, Idaho; Mrs. Ralph L. (Alice Rachel) Smith of Irving, Texas; three grandsons and three granddaughters.

Funeral services were held in the sanctuary of the First United Methodist Church of Mexia on June 11, 1980 with burial in Restland Memorial Park, Dallas, Texas. Rev. J. W. Sellers of Mexia officiated at the service. Donald Alan Smith, a grandson and pre-ministerial student at Southwestern University, Georgetown, Texas, read scripture. Rev. Robert Warden of Little River led the congregation in singing hymns. Rev. David Shawver of Irving assisted Rev. Sellers at graveside.

Mary Jo-Ann Holden

Mary Jo-Ann Holden was born on April 10, 1935 in Thornton, Texas. Thus, began a beautiful life within the Church. The Church at Thornton was where she expressed her faith and dedicated her life to service in His name. She received Christian baptism, sang in the choir, and supported every ministry of the Church. It was at the altar of the Church that she married Richard Ellis Holden, Jr. and journeyed with him in the life of the United Methodist Ministry.

She prepared herself for this ministry and fulfilled it completely. She provided well for her family as wife, mother, homemaker. She served her communities as teacher, worker, and participant in those things that make life meaningful. She served her Church with dedication as singer, teacher, worker, and lively lover to others.

Jo-Ann died on October 20, 1980 and her life was celebrated on October 22, 1980 in the Line Street United Methodist Church in Hillsboro, Texas. Her life and ministry continue through her husband, The Reverend Ellis Holden, Jr. and her sons, Wendell Lane and Winfred Dale.

Interim vacancies may be filled by the District Council on Ministries in lieu of the District Conference.

VI. LOCAL CHURCHES

1. Each congregation shall annually give attention to its vacation policy, using as the guideline for its discussion the statement contained in the Pastor-Parish Relations Committee Manual as issued by the General Church.

2. In the event of death of a minister residing in a parsonage, the family of the deceased minister will be allowed thirty days to find other housing and vacate the parsonage.

VII. DISCONTINUED OR ABANDONED CHURCHES

1. When a local church has been discontinued or abandoned and the property disposed of as directed by the Book of Discipline in accordance with Paragraph 2441, the proceeds derived therefrom, if any, shall be first applied to the retirement of pension deficits, and the satisfaction of any claims against ministerial pension annuities which may have arisen out of failure of that church to make proportionate payment for ministerial support. The Trustees of the Conference shall recommend to the next session of the Annual Conference the disposition of any remaining proceeds.

EQUITABLE SALARY PROGRAM

There shall be a program of Equitable Salary Support in the Central Texas Conference under the management of the Commission on Equitable Salaries and Clergy Benefits. This program shall be patterned after paragraph 935 of the 1980 **Discipline**. Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Salary Program.

1. The Commission recognizes the necessity of coordinating all salary subsidy; therefore, the Conference Treasurer shall inform the Commission of any salary grants by other Conference or General Church agencies, so it may coordinate salary grants with such agencies. Any pastor receiving such grants and whose salary is still below the Conference minimum shall be eligible for consideration of salary supplements through the Commission on Equitable Salary and Clergy Benefits for that portion not covered by any other sources.
2. A prerequisite for consideration of salary supplements from the Equitable Salary Fund shall be the filing with the Commission a written application by the District Superintendent. The District Superintendent shall certify classification of the pastor and the salary (salary, travel, and utility) set by the charge. The application form will be supplied by the Commission.
3. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro rata basis for the part of the year actually served.
4. The following conditions must be met by the pastoral charge before its pastor can become eligible for consideration to receive salary supplements from the Equitable Salary Fund.
   (a) The pastoral charge shall have conducted an Every Member Canvas for the local church budget of each of its churches during the previous conference year.
   (b) All apportioned items shall have been paid in full for the previous conference year.
   (c) The charge must have at least 100 members.

   In unusual situations the Commission on Equitable Salary and Clergy Benefits may waive any or all of these conditions.
5. The Commission on Equitable Salary and Clergy Benefits will pay any amount up to ⅓ of the minimum salary as set by the Annual Conference for each applicant according to his/her ministerial classification.

   If any exception under paragraphs 4 or 5 is sought, the request must be endorsed by a ⅔ vote of the Cabinet before it can be considered by the Commission.
6. Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 1982, with following years based upon percentages of the average salary of the Conference. The salary supplements, based upon the fixed percentage rate, will change automatically with any changes in the average salary:

	1982	Following Years
(a) Elder, Full Connection	12,000	80%
(b) Associate Member	10,000	66.6%
(c) Full Time Local Pastor	9,000	60%
(d) Probationary Member		
1) Non-Student Living on Charge	10,000	66.6%
2) Student Living on Charge	9,000	60%
3) Student Living Away from Charge	7,000	46.6%
(e) Student Local Pastors		
1) Living on Charge	8,000	53.3%
2) Living Away from Charge	6,000	40%

7. Pastors who are appointed to less than full time service as addressed in the 1980 **Discipline**, paragraph 438.3b shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in pastoring the charge. For example, if the pastor is deemed as serving ¼ of full time his minimum salary eligibility would be ¼ of the minimum of his Conference relationship classification. The categorized ¼, ½, ¾ will be followed in determining less than full time eligibility for salary supplements from the Equitable Salary Fund.
8. Seminary students who are serving pastoral charges and receiving Equitable Salary Supplements, are eligible to receive $2.00 per mile, one way, one time per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the

Commission, and paid in one payment to the seminary student pastor receiving the charge at the end of the third quarter of the Conference year.

9. Ministers who are not eligible for salary supplements are:
   (a) Those whose appointment is other than pastor of a charge within the Central Texas Conference.
   (b) Those classified as part time local pastors.
   (c) Retired ministers.
   (d) No pastor shall be eligible to receive salary supplements from this fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in a present appointment.

Committee On Sustentation

Report No. 1

OPERATIONAL PROCEDURE FOR SUSTENTATION
Plan of Operation

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of the Executive Committee of the Board of Pensions.
   This committee will have charge of and promote all the interests of the Sustentation program and shall be the determining factor in the final approval of any candidate for participation in this program.
2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.
3. We recommend further that the following shall be eligible for participation:
   1. All ministers of the Central Texas Conference who have been admitted on trial, or have been received into full connection, provided they have not reached the age of voluntary retirement, which is sixty-five (65) years of age.
   2. An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in the Central Texas Conference.
   3. Any Minister, meeting the above requirements, who is relieved of his pastoral duties and granted a leave of absence from his charge by the Bishop and Cabinet any Conference year for physical or psychological reasons shall be eligible for sustentation for the portion of the year that remains until the next meeting of the Annual Conference.
4. We recommend the following procedure:
   1. The applicant shall make his desire known, in writing, to the Committee on Sustentation.
   2. The applicant must submit to a complete examination of the Clinic of The Harris Hospital in Fort Worth, Texas and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number eight (8) of the Certificate of Disability which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"
   3. In extreme emergencies, the Committee will consider the diagnosis and recommendations of a duly qualified physician, but not the claimant's personal physician.
   4. When the applicant is approved by the Committee, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With the approval of the Committee on Conference Relations and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.
   5. We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.
   6. All payments shall be made to the claimant monthly.
5. We recommend the following financial plan:
   1. The Committee shall be given authority to draw upon the Operating Reserve Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested practice.
   2. After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the Council on Finance and Administration for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most

practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if the plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

CENTRAL TEXAS CONFERENCE of the UNITED METHODIST CHURCH W. M. GREENWALDT, SECRETARY — TREASURER FORT WORTH, TEXAS

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS FOR THE YEAR ENDED DECEMBER 31, 1980 TOGETHER WITH AUDITOR'S REPORT

ROBERT L. HANSEN
CERTIFIED PUBLIC ACCOUNTANT

June 26, 1981

Members of the Council on Finance and Administration
CENTRAL TEXAS CONFERENCE of the UNITED METHODIST CHURCH
Fort Worth, Texas

I have examined the Summary of Cash Receipts and Disbursements of W. M. Greenwaldt, Secretary-Treasurer, Central Texas Conference of the United Methodist Church, for the year ended December 31, 1980. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other procedures as I considered necessary in the circumstances.

As described in Note 1, the Central Texas Conference's policy is to prepare this summary on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present results of operations in conformity with generally accepted accounting principles, since such accounting principles require the accrual of income and expenses.

The Supplementary Information included in this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of my examination was limited to a review on auditing procedures with regard to the Supplementary Information except to confirm the balances shown.

In my opinion, the accompanying Summary of Cash Receipts and Disbursements

referred to above present fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year then ended, on the basis described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.

STATEMENT of CASH RECEIPTS and DISBURSEMENTS FOR THE YEAR ENDED DECEMBER 31, 1980 TOGETHER WITH AUDITOR'S REPORT

ROBERT L. HANSEN
CERTIFIED PUBLIC ACCOUNTANT

June 17, 1981
Central Texas Conference
Council on Ministries
P.O. Box 9168
Fort Worth, Texas 76107

I have examined the Statement of Cash Receipts and Disbursements of the Central Texas Conference Council on Ministries for the year ended December 31, 1980. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

As described in Note 1, the Council on Ministries' policy is to prepare this statement on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present results of operations in conformity with generally accepted accounting principles, since such accounting principles require the accrual of income and expense.

In my opinion, the accompanying Statement of Cash Receipts and Disbursements referred to above presents fairly the recorded cash receipts and disbursements of the Central Texas Conference Council on Ministries for the year then ended, on the basis described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.
