VI. Reports

The Composite Report Of The Cabinet

Bishop Russell, colleagues in the cabinet, members and visitors to this one hundred seventeeth session of the Central Texas or its predecessor conferences, greetings in the name of our Lord, Jesus Christ.

For many years it has been customary for the cabinet, through its chairperson, to give a composite report of the state of the conference. In these reports have been listed conditions and accomplishments which were important to the life of the conference. Through the years a mini-history of the year can be perceived in each presentation. To add this year's report to those of other annual conference years gives me a sense of inadequacy and yet a feeling of deep gratitude to all who have shared in making this year's history.

Our Episcopal Family

We have been blessed by the dedicated and capable leadership of our Bishop, John W. Russell. We who are privileged to work closely with him know his unique skills, talents and commitment to the awesome responsibilities of the office to which he has been consecrated. We appreciate the way he cares for the individual and his sense of fairness and impartiality. He is a wise and good general superintendent and we are fortunate in having him as our episcopal leader. We recognize the unique contribution of Mary Jean Russell to our conference and to our individual lives. Her gifts, graces, spiritual depth and beauty make it easy to love and appreciate her.

Some Information About Our Conference

Ours is a large and diversified conference. The geographical area stretches nearly three hundred miles from north to south and almost as far from east to west. The Central Texas Conference area is cattle ranches, oil fields, rolling farm lands, busy surburbia, bustling metroplex and bursting growth centers. It is the vastness of sprawling military bases and the peace and quiet of little hamlets that have known diminishing population. Our churches reflect the lives and interests of the people who make up their membership. We are 358 congregations and about 275 pastoral appointments and seven districts. We are one in Christ.

Our church must contend with changing concepts and life styles. Where once ministers received news of where they were going to be assigned, when appointments were read, today a more humane system has superceded the old. Some contemporary trends, however, pose a serious threat to an itinerant system peculiar to Methodism since it began in our nation 200 years ago. At times a narrowed provincialism dictated by reason personal advantages has restricted ministerial assignment to a small geographical area. The danger is that a system of equality of opportunity can be harmed and a conference within the conference be the result. This problem does not give itself to simplistic answer, but doubtless the Bishop and Cabinet must continue to give it study.

We are a conference of serveral ethnic backgrounds. Fourteen years ago we became "one" with the merger of the former Central Texas and West Texas Annual Conferences. Those of Korean lineage have now been added to the conference family and within various congregations are others with differing cultural backgrounds. Overcoming those things which hinder us from being one, is a continuing matter but progress is being made. Ours is first the task of loving one another. When we love one another, we can become one.

Growth And Development

Three years ago a Commission on Growth and Development was set to work. Its task was manifold. Ours was a record of membership decline, unavailable funds with which to locate new congregations, indequate study of growth patterns and ofttimes poor choice of church sites. These inadequacies were but a portion of what the commission was called to confront.

It has not been easy. There have been hindrances and disappointments but there have been unexpected encouragement and help sources too. We believe we have seen the tide rolled back and we stand on the threshold of our greatest hour. Much credit must go to the genius and dedication of

Dr. Ed Otwell, but he would be quick to credit hundreds and hundreds of others whose labor and dedication make possible the harvest.

In a sense, 1982 was a year of proof. We have turned from diminishing membership. We have moved closer to our goal in funding Growth and Development needs through shares. We have established more new congregations than in any other like period in our modern history. The news has just come that of all the conferences in American United Methodism, the Central Texas Conference in the year just ended, led in percentage of membership increase. There are now 126,764 of us, an increase of 1.9% over 1982, and 2,328 more than a year ago. Every district in our conference showed increased membership in 1982. Attendance at worship and church school has risen too as well as our stewardship record.

Emphasis On Evangelism

One of the major emphasis items for our denomination is evangelism. This has been equated with the needs and opportunities of our conference by the Bishop and other leaders. It involves every church and each of us.

This is not something new to Methodists. Responsible evangelism has been a major part of our movement from its start. The first Methodists were Biblical, intelligent and sensitive to human needs. This is our heritage. We have an historic commitment to responsible evangelism. Responsible evangelism is incarnational in its nature, institutional in its base, relational in its methods and missional in its effect. It addresses humankind in its estrangement from its creator, lifting up the redemptive Christ.

We ought to repent for turning evangelism over to the extremists and realize that evangelism is the responsibility of every Christian and certainly every local church. It is time to stop reacting and to commit ourselves to the great commission. We can and we must articulate the Christian faith in a technological age in a way that is believable to the modern listener. This is the challenge of our hour.

John Wesley, motivated by the Holy Spirit, had the most successful church growth program in the history of the world. He specialized in GOOD NEWS, not bad. He believed in flexibility and innovation in worship. He promoted a witnessing laity. He discipled the converts and had a genuine concern for persons. He had a world wide mission and a connectional system for ministry. He has bequeathed all this to us. Should we do less? We have had a good beginning in evangelism. We hosted the bi-state Bishop's Call to Evangelism Seminar last November. This emphasis could be the most meaningful movement our conference has known in years.

Deaths

We have been saddened by the death of members of our parsonage families, including Dr. James H. Campbell, a member of the cabinet submitting this report. A full listing of them will be included in the Report of the Board of Pensions.

In Conclusion

Methodist Annual Conference sessions have traditionally begun with the singing of Charles Wesley's great hymn, "And Are We Yet Alive?". Our United Methodism should be asking itself that question as we stand upon the threshold of our bi-centennial year as a church in America. The answer to that question should be a resounding, "YES, LORD, WE ARE ALIVE AND READY TO TAKE ON GREAT CHALLENGES AND NEW DIMENSIONS OF DISCIPLESHIP."

Never has there been an age more needful of the Christian message which has been entrusted to the "people called Methodists."

Respectfully submitted for the
Extended Cabinet of Central Texas
Annual Conference.

Resolution

In addition to our present Presiding Bishop, John W. Russell, there are seven bishops who have special relationships to the Central Texas Conference.

There are three living bishops who have presided over the Conference:
Bishop William Clyde Martin
Bishop William Kenneth Pope
Bishop William McFerrin Stowe

There are three who were born within the bounds of the Conference:
Bishop Alonzo Monk Bryan
Born in Blooming Grove, July 25, 1914. Grew up in parsonages across the Conference. Licensed to preach at the old Highland Park Church in Ft. Worth.
Bishop Alsie H. Carleton
Born in Oglesby, June 22, 1910
Bishop Robert E. Goodrich, Jr.
Born in Cleburne, June 9, 1909

There is one who presently serves within the bounds of the Conference:
Bishop J. Chess Lovern
Bishop in Residence at Texas Wesleyan College

Be it resolved that these seven persons who have brought distinction to our Conference be named Honorary Members of the Central Texas Conference; that their names and addresses be listed in a special place in the journal; and that they be sent a copy of this resolution.

A Resolution Of Merger

WHEREAS the United Methodist Churches located at Bruceville and Eddy, Texas have throughout their long years of history endeavored to be citadels of faith and strong in their witness for Jesus Christ,

AND WHEREAS changing conditions have made it evident that it is more desirable to exist as one congregation than to continue to maintain separate congregations in close proximity to each other,

BE IT RESOLVED that the two congregations merge into one church of the United Methodist denomination to be known as THE FIRST UNITED METHODIST CHURCH OF BRUCEVILLE-EDDY.

BE IT FURTHER RESOLVED that the newly merged congregation receive all the assets and holdings, including property and monies, held by the two congregations concerned and that any debts of liabilities of the former churches also be assumed by the merged.

LET THE DATE of this merger be official as of March 27, 1983.

COMMITTEE ON RESOLUTIONS

As we conclude our days together in this Annual Conference we pause to express gratitude and appreciation for:

Bishop J. Chess Lovern, who reminded us that although we're earthern vessels we're ever and always more than "just human." "Almost" and "pretty good" aren't good enough.

Bishop John Russell, who so skillfully packed the eternal treasures of our Conference in Roberts Rules of Order that nothing was broken.

James Shuler, who as host District Superintendent said, "Let this be a great Conference!", and it was done;

Reverend H.F. Meier and the staff of Austin Avenue United Methodist Church whose skilled handling of the many details of an Annual Conference kept the potter's wheel turning smoothly;

the choirs of Round Rock, Mineral Wells, Belton, Austin Avenue, and the Korean Church of Killeen, whose beautiful music thrilled and inspired us and added to the dignity and beauty of each service;

Bill Goodwin whose memorial message comforted, strengthened and inspired us with assurance of God's continuing presence in life through time and eternity.

Claude Davison, whose booming voice and precise directing made us all think we could sing a little better;

the tellers whose devotion to duty will undoubtedly give them a new appreciation of the business sessions of Annual Conference in future.

Bill Vance, Jean Traster and others who reminded us so dramatically of our marvelous Methodist heritage.

We do of course regret the absence of our First Lady, Mary Jean Russell. We rejoice, however, that she was present at Oklahoma City for the birth of a new granddaughter, Meredith Marie.

The media who helped us proclaim our Conference, specifically:

Waco Tribune-Herald
Fort Worth Star Telegram
KWTX-TV, Channel 10
KCEN-TV, Channel 6
Central Texas Conference, **UNITED METHODIST REPORTER**
who gave careful and continuing coverage of our conference.

Thus we express thanks to Almighty God for these days together and go out as freshly fired earthen vessels to carry our eternal treasure to each local church and the whole world!

Council On Finance And Administration
Report No. 1

1. The Council on Finance and Administration commends the members of the Annual Conference, the churches and the membership of the churches for their financial response and responsibility in 1982. Our conference has a long tradition of such financial responsibility and the Council on Finance and Administration looks forward to continuing that tradition.
2. The salary for the District Superintendents shall be an amount equal to 110% of the average of the salary and allowances paid to pastors of the top twenty (20) churches of the Conference. It shall be computed on the basis of salaries approved by the Charge Conferences which appear on the Episcopal work sheets as of April 1 prior to the meeting of the Annual Conference. The figures will be compiled by the Assistant to the Bishop and sent to the President of the Council on Finance and Administration and the Conference Director of Finance and Administration within five days. (The 1984 salary for a District Superintendent will be $42,982). The Ministerial Pension Plan Current Service amount of 12% of the Denominational Average Compensation, billed directly to the Conference, will be added to the above salary for apportionment to the districts. An allowance of $3,600 for travel outside the bounds of the district is included in the salary for the District Supt.
3. The Conference offices of Director of Finance and Administration, Director of the Council on Ministries, and Director of Church Growth and Development will receive a salary equal to that of the District Superintendents. For 1984 that salary will be $42,982. This amount includes an allowance for utilities and maintenance of $4,000 for the above named three offices. Travel allowances may be part of the respective Council's or Commission's budget.
4. The District committees on finance are authorized to prepare district budgets for presentation to the District Stewards. An amount equal to 10% of the salary for the District Superintendent may be included in the district budget to defray the utility costs of the district parsonage. In addition an amount equal to 10% of the salary may be included in the district budget for travel expenses of the District Superintendent.

   District budgets shall not include a discretionary fund, but may include a District Operation Expense item with a parenthetical explanation of its intent. The district budget shall be submitted to the Annual Conference Council on Finance and Administration for approval each year.

   The District Stewards are authorized to apportion a Connectional Contingency Fund to be used for paying in full apportionment items which may fall short within the respective district.

The apportionments will not include the traditional cushion. The Connectional Contingency Fund will be administered at the district level in the same means as the District Work fund. It is understood that if a portion of the Connectional Contingency Fund is not used in any given year, it will remain in the fund and future apportionments to the fund will be reduced. Any adjustments for unusual local church situations will be made in the apportionment of the Connectional Contingency Fund only. All other apportionments will be distributed to every local church on the basis of the decimal.

5. In 1983 the Conference Claimants Fund will include the Ministerial Pension Plan Past Service amount of $759,000.
6. The Connectional Ministry amount will be $391,585. Included in this amount is the Episcopal Fund $73,911, and the District Superintendent's Fund $317,674. The District Superintendent's Fund includes the salaries and the Ministerial Pension Plan Current Service amount.
7. The Council recommends the request from the Conference Board of Higher Education and Ministry that the amount for The Texas Methodist College Association be $1.58 multiplied by the total Conference local church membership. The Council also recommends the request from the Conference Board of Higher Education and Ministry that the amount for The Wesley Foundation fund be $1.01 multiplied by the total Conference local church membership. Both funds shall be apportioned to the districts and to the local churches on the decimal authorized by the Annual Conference.
8. The Council on Finance and Administration requests the following for 1984:
    1. Conference Insurance Program $277,200
    2. Texas Methodist College Association 200,287
    3. Wesley Foundation 128,032
    4. Ministerial Education Fund 203,994
    5. Black Methodist Colleges 83,647
    6. Missional Priority 57,366
    7. Commission on Church Growth and Development 111,156
    8. Waco Inner City Ministry 8,250
    9. Metro Board of Missions 75,000
    10. Lydia Patterson Institute 19,435
9. The Council recommends that the Equitable Salary Fund be drawn from monies deposited with the Texas Methodist Foundation.
10. We recommend that the funds distributed to the Board of Global Ministries from the Central Texas Foundation be retained in the Foundation in order to build up the corpus.
11. We recommend the appointment of Dr. Wm. Greenwaldt as Director of Finance and Administration of the Central Texas Conference.

3. In keeping with the requirements of the Discipline, the apportionments for World Service and Conference Benevolences will be combined into one fund, namely, World Service and Conference Benevolences. This fund, along with Connectional Ministry, Conference Claimant's Fund, Minister's Insurance, Texas Methodist College Association, Wesley Foundation, Ministerial Education Fund, Black Methodist College Fund, Missional Priority Fund, Commission on Church Growth and Development, Lydia Patterson, will be apportioned to the Districts on the decimal figure, established annually, as authorized in the Standing Rules of the Conference.
4. The Director of Finance and Administration is authorized to distribute each month the receipts from local churches for World Service and Conference Benevolences among the funds included in the annual budget of the conference in proportion to their apportionments. Any deficit in remittances from the churches will be covered by payments from the Operating Reserve, upon approval by CFA or its Executive Committee.
5. All boards, commissions and agencies shall have prepared in writing their detailed budget requests for the ensuing fiscal year by February 3, 1984. The program agencies shall present their requests to the Committee on Coordination and Budget by said date. The non-program agencies shall present their requests to the CFA by the same date. A copy of all budgets must be sent to the CFA President, Director of Finance and Administration, and Director of the Council on Ministries. Requests will not be considered if received past the due date unless time extension has been requested and approved.
6. No board, commission or agency of the Central Texas Conference shall expend any money for any purpose which has not been included in the original budget, as amended and approved by CFA and the Conference and printed in the current Journal. Exceptions to this rule can only be made by CFA or its executive committee.
7. The fiscal year of all boards, commissions and other agencies operating through the Central Treasury shall begin January 1 and close on December 31.
8. The Director of Finance and Administration is authorized to pay from the Operating Reserve the following items:
   a. Expenses of printing the Journal, which may exceed budget appropriation.
   b. Expenses of the Conference Session Secretarial Staff.
   c. Expense of Fidelity Bonds for the Director of Finance and Administration and others who handle Conference Funds, as determined by CFA.
   d. Expenses of auditing the books of the Director of Finance and Administration, the treasurers of Boards, commissions and other agencies of the Conference as may be ordered by CFA. Such audits are to be made by the auditors, selected by CF&A.
   e. The moving expense of ministers of the Conference in accordance with the formula adopted by the 1982 Annual Conference upon recommendation of the Commission on Equitable Salaries and Clergy Benefits. When the next Annual Budget is prepared the CFA is authorized to place the total amount in the budget to repay the Operating Reserve for past year spending.
   f. Other expenditures as may be authorized by CFA. Expenditures not to exceed $500 may be authorized by the Executive Committee of the Council.
9. The Director of Finance and Administration is authorized:
   a. To consolidate the various funds of the Annual Conference and of the agencies into one or more bank accounts.
   b. To write all checks for the agencies of the Conference upon requisition by authorized officers of the agency and in keeping with the approved Conference Budget. He is also authorized to transmit to the authorized treasurers all other funds that are raised by the local churches in response to General, Jurisdictional and Annual Conference askings that have been approved by the appropriate body.
   c. The Conference Treasurer, after the close of the fiscal year, shall transfer from the accounts of all boards, commissions and other agencies of the Conference into the Operating Reserve all unexpended balances of the annual appropriations for the year just closed (ex-

cepting only items specifically exempt by CFA) making allowances for all outstanding checks. This procedure is recommended with the understanding that the Director of Finance and Administration will honor the requisitions for all necessary expenses of the new fiscal year within the limits of the appropriations.

d. To invest the funds of the conference in Government Securities and Federally Insured depositories up and not exceeding insurability, and to borrow on and dispose of investments at, or prior to, maturity, and to deposit the proceeds from these investments in accounts of the Conference under the guidance of CFA.

e. To deposit funds for specifically designated purposes in federally insured depositories under the joint control of the Central Treasury and the agency concerned, with the approval of the Executive Committee of the Conference Council on Finance and Administration.

Report No. 3
Report Of The
Conference Office Study Committee

The 1981 Annual Conference authorized the Council on Finance and Administration to appoint a committee to study the operational needs and cooperation possibilities of all conference offices and others who might wish to be a part of a Conference office complex. (See para. 8, page 123, 1981 Conference Journal.)

This group has met several times and received several requested surveys and information from the various offices of the Conference and district offices in Fort Worth.

The bottom line of our findings is that the Conference should immediately appoint a body to locate office space to house all the conference offices. Every opportunity to locate either with Harris Hospital or possibly T.W.C. should be explored. If this is not immediately possible then this body should find space to lease until such time that offices can be constructed and/or otherwise acquired.

Excluding the two district offices, 6,000 square feet should be ample to provide all the necessary space needed. Based on the findings of the committee any more than 6,000 square feet will be an excess unless some district office/s are included in this facility.

As to personnel, it is the opinion of the committee that certain savings can be made. There are some who are not full time employees. It is believed these part-time jobs can be put together to provide a full-time job, more efficient working environment and better use of the conference money. It is also firmly believed that effective re-organization of the work force, and their supervision should be accomplished. If this is not done then we will simply be moving three bodies together under one roof and no improved efficiency and/or effectiveness will result.

There should be savings in use of equipment, supplies and purchasing, etc. This will not come about however, unless there is definite intent to put together a more efficient, effective and cooperative Conference organization. There is ample evidence that a telephone system could be purchased saving about $7,000 per year. Printing and reproduction cost could be unified and produce a savings.

At present the conference is paying office rent at the combined annualized rate of about $13,000. Realistically the conference needs to be aware that it may have to pay $40,000 to $70,000 annually for this kind of space depending on many factors.

No attempt has been made in this report to present to the conference all the numbers, statistics and details that were gathered. It is all available for future needs.

It is our recommendation that the Conference undertake a review of the professional and lay staff and organizational alignment with a view to increasing effectiveness and efficiency as they relate to determining present and future building needs.

The C.F.A. makes a motion that Bishop Russell appoint a committee of five (5) with J. Charles Shelley as chairman and one (1) member each from ACCOM, CFA, Church Growth and Conference Committee on Episcopacy, provided that at least three of the five members be business and professional persons from the laity. The responsibility of this committee would be to find suitable office space to lease now and make plans for a permanent location and construction of a center to house the conference offices.

Annual Conference Council On Ministries

Bishop Russell, members of the Annual Conference, I am honored to bring you this report from the Annual Conference Council on Ministries.

Before I begin the report I would like to ask for a few moments of silence in memory of Dr. James Campbell, our Conference Council Director. Thank you.

This year has been a good year for the ACCOM. Many new and innovative tasks were completed by its program boards and agencies.

The ACCOM report will be presented in three parts: 1. Conference Staff, 2. Recommendations from ACCOM, 3. Reports from Boards and Committees of the ACCOM. We are grateful for the excellent work of our board and committee chairpersons.

First let me thank each of the board and committee members for their cooperation over the past three years. This will end the tenure of the ACCOM officers and committee chairpersons. I deeply appreciate the work of all these persons.

1. Conference Staff: Ms. Nelda Barrett and Mr. Maurice Wise
2. Recommendations:
   a. That the present staff structure be kept with continued evaluation by the ACCOM Executive Committee, one youth from the youth council, one district coordinator and the cabinet. We further recommend that a progress report be made to the next session of Annual Conference. One change in staff structure this year is recommended, namely, that a youth coordinator be hired to work directly with the Conference Youth Council on a contract basis. The cost for this person will be taken from Christian Education Day funds and ACCOM funds.

Bishop Russell, I move the adoption of this resolution.

   b. We recommend the mileage allowance for 1984 remain the same; 18¢ for one, 21¢ for two and 23¢ for three or more.
3. We now present our chairpersons of boards and committees for their reports.
   Board of Church and Society — Mrs. Lillie Tann
   Board of Discipleship — Dr. William P. Boyd
   Board of Global Ministries — Mr. Fred Woerner
   Board of Higher Education & Campus Ministries — Dr. John Lukert
   Committee on Communications & Interpretation — Rev. Wesley Howard
   Committee on Research and Planning — Rev. Wilma Tune for Mr. Roy Grogan

Bishop Russell, I move that the recommendations from all the reports be adopted.

Petition To General Conference

Petition to General Conference 1984 to be included in 1984 Discipline in Health and Welfare Section:

The privately arranged placement of a child for adoption without a license or placing children for adoption is frequently in violation of state laws.

All of those concerned with the placement of a child for a non-relative adoption shall abide by the laws of their state including using licensed child placing agencies.

By so doing, the need of the birth parents can be met through appropriate counseling as they make this decision regarding their life and the life of their child.

Licensed child placing agencies have a more diverse group of approved, respective, adoptive parents which enables them to serve the best interest of the child.

Board of Global Ministries

Board Of Church And Society

The Conference Board of Church and Society continues to promote programs on Christian social concerns within the limitation of the Annual Conference.

In October, 1982, a two-day seminar was held at St. Stephen United Methodist Church on Industrial Chaplaincy. We supported ministers and laity who attended this well-organized seminar.

The Board had on display at the Annual Conference leaflets, brochures, and statements concerning social issues.

In November, a workshop was held at First United Methodist Church, Cleburne on "How to Address Social Issues." Very detailed information concerning developing social issues in the local church was given by outstanding leaders.

1983 Goals

1. In the fall, a workshop will be held on jail-related ministries.

Rationale: Because of the number of prisoners on death row and over-crowding in prisons, Christian support is needed by inmates and their families.

1984 Goals

1. To conduct a Drug Abuse Clinic.

Rationale: As long as there is a problem in our various cities, it is necessary to present updated knowledge concerning this issues and ways we can alleviate the problem.

2. To encourage all churches in the Central Texas Conference to begin "Beyond our Doors" ministry.

Rationale: We are well aware that our government and community agencies are overburdened, and this is an opportunity for individuals in local churches to become involved in the ministry of helping people in need of shelter, food and clothing.

Recommendations: That each local church reaffirm the Social Principles of the United Methodist Church adopted by the 1980 General Conference as it relates to homosexuality and to war and peace.

Homosexual persons, no less than heterosexual persons, are individuals of sacred worth who need the ministry and guidance of the church in their struggles for human fulfillment, as well as the spiritual and emotional care of a fellowship which enables reconciling relationships with God, with others and with self. Further, we insist that all persons are entitled to have their human and civil rights ensured, though we do not condone the practice of homosexuality and consider this practice incompatible with Christian teaching.

War and peace. We believe war is incompatible with the teachings and example of Christ. We, therefore, reject war as an instrument of national foreign policy and insist that the first moral duty of all nations is to resolve by peaceful means every dispute that arises between or among them; that human values must outweigh military claims as governments determine their priorities; that the militarization of society must be challenged and stopped; that the manufacture, sale and deployment of armaments must be reduced and controlled; and that the production, possession or use of nuclear weapons be condemned.

Recommendation: That every Church and Society chairperson submit at least one social issue to their Charge Conference to be developed in their local church in 1984. This issue should be one that is viable for their community.

Recommendation: As a first step, church members are urged to pray for the men, women and children of the USSR, the Middle East, Cuba and Central America. Let us unleash the power of Love through prayer.

Matthew 5, verse 44: "But I say to you, Love your enemies and pray for those who persecute you."

Board Of Discipleship
Committee On Education And Leadership Development

Summary

1. To continue the conference-wide training events for teachers of children, youth and adults and for workers and administrators in the church school. In 1984, we are asking that the speaker be one who can look at "new formats to provide church school for persons not being reached by traditional church school."

2. To sponsor a Church School Growth and Renewal Workshop in the northern part of the Conference. (A pilot program, hopefully, will be sponsored in the southwest part of the Conference in fall, 1983.) Nashville leadership team will do the pilot program. Education and Leadership Development Committee will provide on-site expenses for the team.

3. Contingent on available finance, to explore with CF&A the feasibility of securing space on the Conference computer so that talent data and expertise may be entered and thus made available to all churches in the Conference. Computer program will include an experience profile on individual entry. An accurate listing of leader potential within the Conference which is maintained and made accessible will enable a more effective use of talent throughout the Conference.

4. To plan and sponsor a twenty-hour laboratory school for church school leaders working with all ages. This second lab-school (the first, a sixteen-hour, in 1983) will lead to eventual certification of leaders. The Conference needs to take the lead in providing training of this magnitude.

1983 Goals

1. By January 1, 1983, have publicity for conference training events which reflect possible continuing education units (c.e.u.).

Rationale: (a) To clarify for participants events that receive c.e.u.'s; (b) to encourage continued growth for leaders involved in Christian education; (c) to enable ministers and diaconates to keep track of their c.e.u.'s.

2. By January 15, have summer curricula for elementary, junior high and senior high camping events available for distribution.

Rationale: The Committee will continue to provide cyclical curriculum materials for elementary, junior and senior high summer camp programs. This task involved securing and paying writers as well as publishing the materials. The junior high three-year cycle will be reviewed in 1983, and the elementary three-year cycle and the senior high four-year cycle will be completed in 1983.

3. By February 1, complete the scheduling and planning of conference-wide training events for teachers of children, youth and adults and workers and administrators in the church school.

Rationale: These training events become the basis for securing persons for further training for certification and introduce new people into leadership roles. These events are the only opportunity for training for a lot of our people because it is less time consuming. Many times the conference can secure leadership better than the district and local churches.

(a) The speaker for the 1983 training events shall speak on "Using the Church School as an Evangelistic Tool."

Rationale: There is the need for church school leaders to understand how people come into and grow in the Christian faith, coming along different avenues. The Sunday school is the avenue by which most people come into the Christian faith and into the church.

4. By February 1, make recommendations to the Board of Discipleship regarding monetary resources to be included in the Board's budget for the purpose of training persons willing to work on conference and district levels.

Rationale: Plans need to be made early so as to provide financial support for training and curriculum needs.

5. By March 1, sponsor camp dean/director training and hold a summer events evaluation by October 1.

Rationale: The Committee has sponsored the camp dean/director training for summer camp leaders and will continue the program in 1983. The training insures that camp leaders understand their roles, the resources available and the mechanics of the Committee on Camps and Assemblies. We will take charge of the summer events evaluation.

6. By June 1, complete the scheduling of a conference-wide twenty-plus hour lab school with training for teachers and workers of all age levels. The lab will be held in the Fort Worth area in 1984.

Rationale: The Committee believes that effective training for teachers and workers in the church school is essential. A lab school in 1984 would provide the comprehensive training many persons are requesting.

7. By September 1, implement a sixteen-hour lab school with training for teachers and workers of all age levels.

Rationale: Leadership and certification can only be handled by regular training on the conference level.

8. By September 1, have a conference packet available for local church Sunday school classes to use in evaluating their own performance as a class. These packets will be available for a nominal fee. We recommend that the local church have a process whereby classes evaluate themselves every two years.

Rationale: Strengthening the church school requires regular evaluating and planning procedures. Support the goal of "Using Evangelism through the Church School."

9. By October 1, set date and plan the Convocation on the Black Church, the Harry Hoosier event.

Rationale: To continue to plan for a conference-wide celebration of Black ethnic diversity and heritage.

10. By November 1, encourage each district to offer a skill training workshop for teachers and leaders of each age level.

Rationale: The need continues for districts to plan ways to equip teachers and leaders in Christian education.

11. Continue to promote use of the talent bank and update periodically.

Rationale: Conference needs to have a tool whereby a talent bank is available to local churches, districts and the conference for the securing of leadership for training events.

12. Continue to publish combined Church School and Evangelism reporting forms and make them available to each local church and district in our conference.

Rationale: The purpose of the reporting process is to keep persons in our conference aware of our church school growth and growth in church membership and worship attendance.

13. Develop and implement special events for families, single adults, and older adults and continue to provide program subsidy for district camps, special trip camps, United Community Centers and the conference elementary camp.

Rationale: The Committee has the responsibility of planning and implementing conference-wide camping experiences and special events for all age levels. We will continue to provide program subsidy for the events to insure that each event has adequate program monies.

14. We request that the Annual Conference approve September 11, 1983 as the day to receive the Christian Education Sunday offering in our conference.

Rationale: The offering received on Christian Education Sunday provides additional funds for many of the training events held in district and local churches.

15. The Committee recommends that the Central Texas Conference support the Church School Growth and Renewal Workshops with leadership from Nashville with a pilot program in Ft. Worth in the fall of 1983. The Education and Leadership Development Committee of the Board of Discipleship will provide financial support for the on-site expenses of the Nashville leadership team.

Rationale: The emphasis on evangelism and the decline in membership of church schools calls us to put an emphasis on church school growth and renewal.

1984 Goals

1. By January 15, have summer curricula for elementary, junior high and senior high camping events available for distribution.

Rationale: The Committee will continue to provide cyclical curriculum materials for elementary, junior and senior high summer camp programs. This task involves reviewing each age level for the current year.

2. By February 1, complete the scheduling and planning of conference-wide training events for teachers of children, youth and adults and workers and administrators in the church school.

Rationale: These training events become the basis for securing persons for further training for certification and introduces new people into leadership roles. These events are the only opportunity for training for a lot of our people because it is less time consuming. Many times the conference can secure leadership better than the district and local churches.

(a) The speaker for the 1984 training events shall speak on "new formats to provide church school for persons not being reached by traditional Sunday School."

Rationale: There is the need for providing Christian education for those we do not reach through traditional methods.

3. The Committee recommends that the Central Texas Conference support the Church School Growth and Renewal Workshops with leadership from Nashville with a second workshop in the conference in 1984. This Committee will provide financial support for the on-site expenses of the Nashville leadership team.

Rationale: The emphasis on evangelism and the decline in membership of church schools calls us to put an emphasis on church school growth and renewal.

4. By March 1, sponsor camp dean/director training with each camp's dean then selecting curriculum by April 1st and hold a summer events evaluation by October.

Rationale: Same as listed under 1983.

5. By September 1, implement a twenty-hour lab school with training for teachers and workers for all age levels.

Rationale: The Conference needs to take the lead in providing training of this magnitude.

6. By October 1, set date and plan the Convocation of the Black Church, the Harry Hoosier event.

Rationale: To continue to plan for conference-wide celebration of Black ethnic diversity and heritage.

7. By November 1, encourage each district to offer a skill training workshop for teachers and leaders of each age level.

Rationale: The need continues for districts to plan ways to equip teachers and leaders in Christian education.

8. To continue to explore with CF&A the possibility of entering the talent bank data into the computer so that information is available to all churches in the conference. This will be contingent on available financing. The computer program would include an experience profile on individual entry.

Rationale: In order to develop more accurate listings of leadership potential within the conference which can be maintained and made accessible. This will enable those with talents and skills to put them to more effective use.

9. Review and continue to publish the church school reporting forms for districts and local churches and positive results published in the Conference newspaper.

Rationale: The purpose of the reporting process is to keep persons in our conference aware of our church school growth.

10. Develop and implement special events for families, single adults and older adults and continue to provide program subsidy for district camps, special trip camps, United Community Centers and the conference elementary camp.

Rationale: The Committee has the responsibility of planning and implementing conference-wide camping experiences and special events for all age levels. We will continue to provide program subsidy for the events to insure that each event has adequate program monies.

11. We request that the Annual Conference approve September 9, 1984 as the day to receive the Christian Education Sunday offering in our conference.

Rationale: Same as 1983.

Looking Towards 1985

Conference-wide training events for teachers of children, youth and adults and administrators in the church school; encourage each district to offer skill training for teachers of each age level; continue to update and promote use of talent bank through the conference, district and local churches. Complete scheduling of conference-wide lab school for 1986 with training for teachers and workers of all age levels; review and continue to publish the church school reporting form for districts and local churches; encourage local churches to have their Sunday school classes evaluate themselves; request Annual Conference approve the second Sunday in September as Christian Education Sunday.

Committee On Camps And Assemblies
Report I.

Summary for 1982-83

The stated goal to remodel cabins has been accomplished with the improvement of all bathroom facilities in each cabin, the replacement of shower stalls, lavatories and commodes. The cabins have been freshly painted indoors. The remodeling of the Education Building has been completed with the building of a fireplace, new window coverings and new carpet. Outdoor carpeting has been installed on the deck around the swimming pool. Also, Rainbow Camp boundary fence has been completed.

Goals for Future

1. Continue work toward a long-range plan of development for Glen Lake and Rainbow camps with the guidance of a professional camp consultant.
2. Continue to maintain and operate Glen Lake and Rainbow Camps as funds will permit.
3. Increase usage of both camp sites which will be accomplished through improved promotion and publicity.

4. Increase an awareness of need for leadership development among Camps and Assemblies Committee members by attending jurisdictional and national camp leaders' conferences.

5. Secure the best possible summer program staff — both paid and volunteer.

6. In 1984, the use of capital funds to resurface parking lots and replace cabin roll-out windows with sash windows.

7. In 1985, the use of capital funds to purchase a new camp vehicle and also to construct a recreational slab.

8. In 1986, the use of capital funds to convert the old shower house into a living cabin.

GLEN LAKE CAMP TRUSTEES

Re: Status of Tax Suit Against Glen Lake-Rainbow Camps in Somervell County, Texas

Somervell County first sued the Conference for ad valorem taxes in 1973, through the acknowledged "dean" of Texas tax lawyers, Mr. J.D. Hinsley. In 1973, Mr. Hinsley personally took the depositions of Rev. Ernest O. DeWald and Bob Shultz, whose testimony clearly showed the property was devoted to the threefold purpose of spiritual, physical, and mental development of young people. That case has never been pursued further by the county.

However, when the Tax Code became effective January 1, 1982 it required new applications to be filed. Our application for exemption for 1982 was duly filed for Glen Lake-Rainbow Camps as a "youth development association engaged primarily in promoting the threefold spiritual, educational (mental), and physical development of boys, girls, young men, or young women [operating] in conjunction with a state or national organization that is organized and operated for the same purpose as the association."

The Somervell County officials agreed that Glen Lake-Rainbow Camps met all the criteria for tax exemption, but denied the application for the reason that: "the parent association in this case appears to be a religious organization." Neither the constitution nor statute prohibit religious organizations from sponsoring spiritual, mental and physical development associations for young people, all of which was brought to the attention of the officials in a complete written legal brief. Nevertheless, the new Tax Code makes their decision conclusive unless suit is filed in district court within forty-five days to set it aside, which was done.

The tax district employed the Dallas law firm of Saner, Jack, Sallinger and Nichols to defend the suit, which is now set for pretrial hearing on July 6, 1983, with trial being set on August 10, 1983.

In the meantime, of course, application for 1983 exemption was timely filed. Tax liability for each year stands on its own, and the granting or denial in one year does not legally control other years, although it may have psychological influence.

Because some conferees may only be familiar with exemption of church property, a fuller explanation of the exemption of the threefold purpose may be helpful.

The two types of exemption stand on entirely different constitutional and statutory footings. Church exemption is based on the constitutional provision for exemption of "actual places of religious worship and property reasonably necessary as a residence (but not more than one acre of land)." This strict limitation for actual places of religious worship and the parsonage can hardly be applied to the entirety of around 200 acres of church camp property, as the Episcopal Church discovered with its Camp Crucis on Lake Granbury.

They, at first, refused to apply for threefold purpose exemption, and Camp Crucis was held not exempt as an actual place of religious worship. Thereafter, they sought exemption on the threefold basis, but did not succeed because their highest ranking witness testified that the only "muscles" the property was used to develop was "spiritual muscles."

It is critically important to all conferees to understand that they could be called as witnesses, and that while neither the constitution nor statute fix any percent or ratio of time or space which must be devoted to any of the three uses, it is clear that the exemption for body, mind, and spirit development cannot be met if either one of the three purposes is entirely lacking. Likewise, **physical development**, not mere recreation, is the essential physical element.

Our investigation and research has convinced us that the United Methodist Church and the Glen

Lake-Rainbow church camps are engaged in promoting all three kinds of development in ministering to the whole young person.

If the annual conference should take any action that could be construed as weakening or changing the threefold nature of use of the property in litigation, we request immediate notice of such action.

Our law firm is honored to be of counsel to you, and will keep you advised of significant developments which may arise.

Very truly yours,
Doren R. Eskew

Conference Council On Youth Ministry

1984 Goals

1. To increase giving to the Youth Service Fund in the Central Texas Conference.
2. To continue our ethnic minority emphasis.
3. To increase youth participation in the district and conference programs.
4. To continue to develop spiritual growth in the youth of the Central Texas Conference.
5. To develop leadership and job descriptions for youth and adult roles in the CCYM.
6. To provide resources for strengthening local church groups.
7. To develop better communication among all the districts.
8. To establish an effective long-range planning committee.
9. To raise youth awareness of peace and justice for all.

Rationale

1. Realizing that giving is an important part of the Christian life and realizing that the YSF has unbounded potential for Christian service, we make the following recommendations:

a. Establish a goal of two dollars per youth in our conference.

b. Provide written objectives for each local church and send these pledge cards to each church.

2. Because of our common belief that we are one in the body of Christ, we feel compelled to be actively involved in building a Christian community that reaches across societies, racial and ethnic barriers. As a witness to this conviction, we propose that we implement the following objectives:

a. To increase awareness and involvement in already existing conference programs that promote inclusiveness.

b. To sponsor a one-day festival of inclusiveness for the youth of our conference; to celebrate unity and diversity.

c. To request that assistant youth coordinators from ethnic minority churches be appointed by every district, to provide ethnic minority role models; and to involve more ethnic minority groups.

d. To actively recruit ethnic minority leaders from all conference youth events.

e. To continue our policy to elect at least one ethnic minority youth from each district to CCYM.

f. To diligently seek to broaden involving ethnic minority churches in conference youth programming through publicity and personal contact.

g. To explore avenues of ethnic minority youth leadership development through YSF funds.

Through these efforts, we pray that we will achieve unity not only in organization, but moreover in spirit.

3. We propose to intentionally implement and improve the operational structure of youth ministry on the local church, the district and the conference level by:

a. Strengthening communications within the conference, so that all the members are informed of opportunities and activities in the youth ministry on all levels.

1. Regular communications from CCYM to DYC or other appropriate groups.
2. Regular communications from DYC to each local church.
3. Regular communications from CCYM to the Bishop and the District Superintendent.

b. Aiding in the development of youth and adult leadership in order to strengthen youth ministry on all levels.

1. CCYM shall provide at least one training event for adult leaders.
2. CCYM shall provide at least one training event for youth leaders.

3. CCYM shall provide leadership training events offered on the jurisdictional and national levels.

4. CCYM shall establish a task force to develop a job description for the position of district youth coordinator.

c. Establishing a standing committee, whose purpose shall be long-range goal setting for youth ministry on the conference level. Membership of said committee shall include, but not be limited to, the Conference Youth Coordinator and the Conference YSF coordinator. Said committee shall maintain regular dialogue with the youth directors/youth coordinators on the local church level.

4. To develop spiritual growth in the youth of our conference by introducing them to a personal relationship with Jesus Christ and by encouraging their constant growth and challenging them to share their new life with others.

This goal will be developed by the following means;

a. By the annual Spiritual Life Retreat

b. By the living example of the CCYM members

c. By the atmosphere created in all CCYM events

5. To establish a better understanding among youth for peace and justice by having a three-day Mid Winter in February, 1984.

Committee On Evangelism

The Committee on Evangelism has taken its work seriously and has planned an interesting program for 1983 and hopefully will be able to expand it in 1984.

The Committee has proposed the following:

1. Continue the spirit and structure begun by the "Bishop's Call to Evangelism" by having a Central Texas Conference Call to Evangelism. This would be a conference-wide gathering where clergy and laity would hear an outstanding leader in evangelism. We ask for the sum of $500.00 for this first step. This would be done annually.

2. We plan to have two meetings with those who have been elected to the District Task Force on Evangelism. We have asked each district superintendent to appoint five or six persons from each district to compose the Conference Task Force and represent the districts in conference planning. Also, these people will be responsible for promoting evangelism in their districts. For these two meetings, we are asking $2,400.00.

3. If the programs and inspiration do not reach the grass roots level, then the program will not be a success! We are proposing that each District Task Force have a spring and fall seminar to promote evangelism in each local church with one seminar focused upon inspiration and the other for practical instruction. In order to insure that each District Task Force has funds to begin these district programs so it can be perpetual, we are asking $4,200.00 or $600.00 for each district to establish the district programs. We believe each district should be able to continue the programs if, in their opinion, they are receiving sufficient inspiration and direction from the Conference Task Force. We plan to provide this! The district workshops are important; however, we believe that they just do not give adequate time or inspiration to build the momentum necessary to make evangelism a priority in each local church.

4. We plan to have several meetings of the Committee on Evangelism during the year.

Committee On Stewardship

The Committee has one main goal for 1984 and that is to sponsor a conference-wide Stewardship Education Month. Each church would be asked to emphasize the total meaning of stewardship in worship, churchwide Sunday school study and weekly study groups in the home. Our Committee will design a sample packet and outline for each participating church.

Committee On Worship

Goals for 1984

1. Continue to publicize and promote membership for the conference chapter of United Methodist Fellowship of Worship, Music and Other Arts.

2. Work in conjunction with the Lenten Time Apart for ministers or sponsor separately a seminar on "The Bible in the Pulpit."

Goals for 1985

1. Work in conjunction with the Agenda Committee to plan the worship services for Annual Conference.
2. Plan, implement, and evaluate a major workshop on worship.

Goals for 1986

1. Continue to plan an annual preaching workshop.

WILLIAM P. BOYD, Chairperson
MYRTIS PARKER, Secretary

Board Of Global Ministries

In addition to our ongoing program it is proposed that several new activities be commenced in 1984. These are in areas for which this Board has responsibility, where present efforts are deemed to be absent or inadequate, and where reasonable effort and reasonable expense can produce beneficial results. A brief description of the proposed new programs is given below.

1. Conduct a comprehensive study into the identity, location and needs of the aging people in the Central Texas Conference area.

2. Furnish assistance to small churches in the conference to enable them to better minister to their communities. A questionnaire was directed to pastors of small churches to determine their problems and needs, and a return rate of more than 80% was realized. A conference-wide training event is proposed for 1984 for pastors and laypeople from small churches, to address the needs identified in the questionnaire.

3. Provide financial support to the South Central Jurisdiction for creation of a regional office for recruitment, training and certification of short-term mission volunteers in designated areas within the jurisdiction and beyond. This program is to supplement permanent mission programs of the General Board. It will need financial help from every annual conference in our jurisdiction.

4. Increase the capabilities of existing organizations by making available specialized personnel. A parish visitor will greatly expand the usefulness of the North Fort Worth Parish, and a chaplain to nursing homes in Waco will fill a need in the Waco Ministries area.

Committee On Aging

This committee has spent its first full year getting organized and acquainted with its area of responsibility. In fulfillment of the 1982 goals, the committee has: acquainted itself with the work being done through the ARM Foundation; co-sponsored, with ARM, a 1982 Spring Workshop; and helped to publicize the conference-wide assistance program offered by the ARM Foundation through grants to local churches.

1984 Goals

1. A study to be made on the retirement home and nursing home needs of the Central Texas Conference. This should be a part of a comprehensive study concerning the needs of older adults within this conference. Cost for survey has not been established.

2. Conduct a Workshop on Aging, with information that is applicable to older adults in any area of our conference, not just metropolitan areas.

3. Consider a spin-off of above-mentioned workshop to be held within each district.

4. Each local church is requested to appoint one member to be responsible for the concerns and interests of older adults and to become aware of projects available to them.

Rationale: Because of the increase in the number of older adults who are members of the United Methodist Church, Central Texas Conference, it is important to be aware of their needs, concerns and interests, and to stimulate actions in those areas.

Committee On City, Town And Country Work

The awards program to small churches was continued in 1982. United Methodism is a denomination comprised primarily of churches under 250 members in size. Our small churches should be affirmed for their faithfulness and effectiveness in ministering to the needs of persons through small church settings.

The committee has also developed and implemented a questionnaire to determine the needs of

small churches in an effort to determine future directions for program by the City, Town and Country Committee. The questionnaire was implemented in January 1983, with a return rate of over 80% responding. The results of the survey have been compiled and currently planning is under way to provide a conference-wide event to address the area of greatest need as indicated by the responses.

The City, Town and Country Committee is committed to the small churches of the Central Texas Annual Conference and pledges its continued efforts to strengthen them for effective ministry.

Goals for 1984

1. To continue the Small Church Awards program to be presented in two categories: a) churches of two to one hundred members; b) churches of 101-250 members.

The basis for the award will be in five areas: 1) numerical growth; 2) physical improvement to church and parsonage; 3) spiritual growth ministries, i.e.: prayer groups, special worship services, Bible study, etc.; 4) outreach ministry to community and conference, i.e.: missions, special days and causes, special day observances, etc.; 5) finances — growth, debt retirement, etc. A picture of the church, parsonage and pastor should accompany all applications.

Rationale: A majority of the churches in the Central Texas Annual Conference have a membership of less than 250 members. These churches remain faithful in ministering to their local communities while participating fully in the ministries of United Methodism's connectional system.

2. To sponsor, or assist in sponsoring a conference-wide event designed to assist small churches of our conference to better do ministry in their communities. Issues addressed in this event will be determined on the basis of responses to the survey done in January, 1983.

Rationale: The Committee on City, Town and Country Work acknowledges the need to assist small churches to be better able to minister in their particular settings. In January, 1983, a survey was conducted to determine the areas of ministry in which additional help and training are needed.

The proposal is that the Central Texas Conference Committee address the needs identified in the January, 1983 questionnaire by providing a 1984 conference-wide training event for pastors and laypersons from the small churches.

Committee On Education And The Advance

During the conference year, 1982-83, the work of the committee focused upon promotion of advance specials, support and participation in the planning and program of the School of Christian Mission, emphasis upon mission resources at the Conference Resource Center, encouragement of all districts in the area of mission education and events, and to promote the program of full support of a missionary by each local church by contributing $3.00 per member, or the contribution of $1,000 or more.

These areas have all received attention through conference committee meetings, personal contact, telephone, correspondence and the coordinated mailing. The committee's responsibility is to make the initial promotion and contact, but the districts and local churches are responsible for implementation.

1984 Goals and Rationale

1. To continue promotion of Advance Specials with special emphasis on World Hunger, Volunteers in Mission and Africa.

Rationale: Two major areas of ongoing need are alleviation of hunger and malnutrition, here and abroad, and the expanding influence of the African Church. The "Thanksliving" offering and African Advance Special Projects are means of addressing those needs. Our South Central Jurisdiction is attempting to set up a regional office for recruitment, training and certification of short-term mission volunteers in designated areas within the jurisdiction and beyond. It is a volunteer program supplementing permanent mission programs of the General Board. The program cannot begin without financial help from every annual conference in our jurisdiction.

2. To continue support of and planning of the School of Christian Mission in 1984.

Rationale: The School of Christian Mission is currently the major tool of education of the laity in the area of missions.

3. To encourage each district to have some type of mission awareness program during the conference year.

Rationale: To make the local church more aware of the mission of our church and the work of our missionaries.

4. To continue promotion of local church as full-supporting congregations of missionaries.

Rationale: To allow local churches with memberships of less than 750 to become full-supporting congregations of a missionary by contributing $3.00 per member — thus entitling them to schedule that missionary (on furlough) to speak in that church. They would also receive periodic updates as to work in the field. Large churches are requested to contribute $1,000 or more.

Committee On Health And Welfare

Ground work was laid with local Health and Welfare representatives to inform and encourage their participation in the church in terms of health programs and aid to the agencies of the Central Texas Conference.

A seminar was held in October at Glen Lake with Mr. Donovan Gardner, from the Chicago office, leading the board members of the agencies: Harris Methodist Health System; Methodist Mission Home; The Methodist Home; Wesleyan Homes, Inc., and informing them of their responsibility as board members both to the agencies and their pastoral accountability for legislation passed within the agency they are serving.

The National Health and Welfare Convention was attended at Louisville, Kentucky in March. The emphasis was on "Aging for 1984," and pertinent information was gained from this assembly to help in the ministry of older members.

1984 Goals and Rationale

1. To emphasize the ministry and needs of the Health-and-Welfare-related agencies of the Central Texas: Harris Methodist Health System; Methodist Mission Home of Texas, San Antonio; Methodist Home, Waco; and Wesleyan Homes, Inc., Georgetown.

It is proposed to accomplish this by: a) sending agency promotional material to local health and welfare representatives through the coordinated mailing and personal newsletters, b) assure coverage of these ministries through articles in the **United Methodist Reporter.**

Rationale: The Health and Welfare Committee is responsible to the Board of Global Ministries for the following: transmittal of material and information to the local church regarding the agencies.

2. To encourage through the local church the financial support of these Methodist institutions with financial planning and annual offerings — April — Golden Cross, Harris Methodist Health System; May — Wesleyan Homes, Inc.; November — Methodist Mission Home of Texas; December — Methodist Home. It is only through financial commitment that these agencies can responsibly plan for future growth. This is to be accomplished by the following: a) a written reminder to each health and welfare representative of these special offering dates and the encouragement of total church participation in this specified time of giving, b) request that the local representative publicize these dates through local newsletters, bulletins, announcements and posters. Also, encourage the utilization of promotional materials available through the agencies.

Rationale: The responsibility of the Health and Welfare Committee to the conference and the agencies is to seek commitment for these offerings.

3. Education and development of leadership among the laity concerning Health and Welfare needs on a national, international, as well as, a local level.

4. Continue the awareness of the ministry to the handicapped, the aged and a deepened sensitivity to the 1983 national focus "Women and Health."

Rationale for Goals 3 and 4: It is only through knowledge and education of the laity that the needs of suffering humanity can be met. It is important to be an informed church.

Committee On Urban Ministries

The program of evaluating need and measuring accountability of budget requests was continued in 1982.

During that year, fourteen churches located outside Fort Worth visited and/or participated in the Youth Summer Mission Program.

1984 Goals

1. To consider and administer financial requests for urban ministry projects.
2. To establish procedures for review and evaluation of all projects.
3. To assist United Community Centers in acquiring churches for Youth Summer Mission Work Camps for the summer of 1984.
4. To prioritize funds in favor of those churches in economic and ethnic transition which are endeavoring to minister to their communities and not only to themselves. (¶ 207, The Book of Discipline).
5. To care for, review and evaluate all local churches which are considered by the Annual Conference to be non-self-supporting, yet necessary to meet the needs of people in their areas; and are, by action of the Conference, assigned to the Board of Global Ministries. This would include the linking of weaker churches with stronger ones.
6. To encourage education of people in seminaries with new courses, internships, etc. on needs of urban churches, and to provide continuing education for district superintendents and pastors who find themselves assigned to urban areas.

DONNA PAUSTIAN, Secretary

The Harris Methodist Health System

In June, 1982, our Central Texas Conference adopted a total plan for incorporation and organizational structure for Harris Hospital-Methodist and its related institutions, thus creating one of the most important health care institutions in all of North and West Texas — "The Harris Methodist Health System."

Numbers alone cannot demonstrate the tremendous healing ministry of the Harris Methodist Health System, but they do indicate the magnitude and outreach of this new multi-hospital system.

Acute Care Facilities..... 11

Long Term Care Facilities	2
Acute Care Beds	1,407
Long Term Care Beds	134
Physicians	1,074
Employees	4,221
Volunteers	648

The System began in 1973, when Hurst-Euless-Bedford Hospital affiliated with Harris Hospital-Methodist. Affiliations have increased, and today include eleven acute care facilities, two long-term care nursing homes, and several health-related service firms. Each institution is an important element in the community it serves. Through affiliation with the Harris System, hospitals share the latest in medical technology, financial management and administrative expertise. Each hospital offers its community the finest in patient care, cost containment, and planned growth. By working together in our multi-hospital system, each institution is strengthened.

Harris Hospital-Methodist

Plans are currently being developed for a surgical tower, professional building, additional parking garage, and a three-story laboratory building. The Sid W. Richardson Foundation of Fort Worth has awarded our hospital a $4,000,000.00 grant for this building program. The surgical tower will thus be named "The Sid W. Richardson Pavilion." This building will have six patient floors, as well as new surgical suites and dietary facilities. This addition, which would increase the hospital's bed capacity to 728, will be built next to the main building on the east side.

Hurst-Euless-Bedford Hospital

Hurst-Euless-Bedford Hospital (HEB) brings modern medical technology to the heart of the mid-cities area. Established in 1973 as a sixty-seven-bed facility, HEB Hospital continues to add services as it expands. At present, the two hundred-twelve-bed facility is undergoing a $28 million expansion and renovation program which will increase the bed capacity to 313.

A six-story tower will add 121,000 square feet to the current HEB North facility. The tower will include a forty-bed intensive care floor, three floors of thirty private patient rooms each and a new main entrance and public lobby. Surgery, laboratory, dietary and pharmacy departments also will be housed in the new tower.

Additionally, approximately 25,000 square feet of HEB North will be remodeled. The OB/GYN facilities will relocate to HEB North during the final phase of the expansion program.

Hurst-Euless-Bedford Hospital is the first in the community to offer the services of a CT Scanner.

Decatur Community Hospital

An attitude of preventive medicine underlies the philosophy of the Decatur Community Hospital. As a result, a Parcourse Fitness Center stands on the hospital grounds. Donated by two members of the Decatur community to promote good health, the fitness center offers around-the-clock exercise programs to persons of all ages. Decatur is the only community of its size with public access to self-paced Parcourse Fitness Center.

Decatur Community Hospital joined MAH and the Harris System in 1980. Today, the fifty-bed hospital continues to provide progressive medical expertise to a service area of more than 20,000.

The hospital offers area residents medical services including emergency care, isolation, laboratory, pharmacy, radilogy, physical therapy, respiratory therapy, surgery and surgical recovery. The hospital treats more than 1,500 patients annually.

Decatur is located thirty-five miles north of Fort Worth. The facility serves Decatur and the outlying communities of Justin, Springtown and Rhome.

Dublin Medical Center

Growth and expansion exemplify the philosophy of the Dublin Medical Center.

Construction is underway for a 17,000 square foot hospital renovation and expansion program which will enlarge each of the hospital's departments and increase bed capacity to thirty-six.

The new structure is designed with two thoughts foremost: maximum efficiency today and room for expansion in services, equipment and space tomorrow.

The radiology department will double in size to accommodate new X-ray equipment. Plans also include expansion and relocation of the emergency room facilities.

The obstetrical and neonatal care areas will be enlarged with the addition of infant isolettes and

nursery beds. Ancillary and laboratory departments will expand and move to the new wing.

Dublin has recently added a minor emergency outpatient clinic to keep pace with the community's needs for prompt medical care.

Located eighty miles west of Fort Worth, the facility extends the Harris System to approximately 5,000 people in the Dublin area.

Eagle Mountain Area Suburban Hospital

A primary care facility serving Tarrant, Parker and Wise counties, Eagle Mountain Area Suburban Hospital (EMASH) has one of the most progressive medical staffs available for a hospital of comparable size.

The eleven-member medical staff includes specialists in cardiology, pediatrics, obstetrics/gynecology, dentistry, general surgery and family practice.

Hospital employees, attuned to community needs, provide twenty-four-hour emergency care and an extensive clinical out-patient program.

An active advisory board paired with enthusiastic community support ensure EMASH a bright progressive future.

The facility is located in Azle, a resort community on Eagle Mountain Lake northwest of Fort Worth.

Since joining the Harris System in 1977, the facility has grown from sixteen to twenty-two beds with an additional twenty-eight-bed expansion proposed for the future.

General Mexia Memorial Hospital

Technological advancements enhance patient care at General Mexia Memorial Hospital. Cardiac monitoring devices are located in the hospital's twenty-four-hour emergency room, and the facility's clinical laboratory is one of the most progressive of its size. It houses an Automated Clinical Analyzer and a computerized EKG monitoring system. These sophisticated instruments represent a new dimension in patient care.

Nuclear diagnostics, respiratory care, pharmacy, surgery, surgical recovery and radiology are expanding to meet community needs. Plans also are underway to broaden services and renovate the hospital's obstetrical and neonatal care units.

General Mexia Memorial, a seventy-seven-bed primary care facility, is accredited by the Joint Commission on Accreditation of Hospitals. The Mexia facility joined MAH and the Harris System in the fall of 1982.

Located ninety-five miles southwest of Fort Worth and serving Limestone and Freestone counties, the hospital is available to a population of more than 14,000.

Hamilton General Hospital

Wellness and preventive medicine programs advance the hospital's role as a total health care provider. Cardiopulmonary resuscitation, health screening, childbirth and nutrition classes are a few examples of Hamilton's responsiveness to the community.

Hamilton General Hospital, forty-nine-bed primary care facility, also keeps pace with changing technology and medical advances. The clinical laboratory is in the early stages of automation with modern equipment replacing manual techniques. Recently expanded pharmaceutical services also enhance patient care.

Hamilton General Hospital joined MAH and the Harris System in the summer of 1982. Located 115 miles southwest of Fort Worth, the facility serves Hamilton, Comanche, Coryell and Bosque counties.

Marks-English Hospital

The number of persons who benefit from the compassionate patient care offered at Marks-English Hospital in Glen Rose is increasing. The Comanche Peak Power Plant, a nuclear facility, has brought both economic and population growth during the past few years.

This growth demands a strong health care facility. Marks-English Hospital provides expanded medical services, including emergency room care, to meet this growing need.

The medical staff and hospital personnel meet the challenges of today's increasingly competitive health care environment.

Marks-English Hospital began as a privately-owned medical facility. The twenty-six-bed hospital joined MAH and the Harris System in the fall of 1982.

Glen Rose is located fifty miles southwest of Fort Worth in Somervell County. The community has a service area population of more than 9,000 persons.

Meridian Hospital

The medical staff at Meridian Hospital assures a patient's well-being throughout the hospital stay. Accordingly, a professional office building is proposed for construction adjacent to the present medical complex. The 6,000-square-foot clinic will house up to five physicians.

The proposed single-story structure includes an additional 2,400-square-foot plaza and a covered walkway connecting the clinic to both the hospital and nursing home.

Meridian Hospital, a thirty-two-bed primary care facility, affiliated with MAH and the Harris System in the fall of 1982. The hospital provides Meridian residents with medical expertise including obstetrics, respiratory care, surgery and surgical recovery. A radiology department, a pharmacy and the newly acquired nuclear diagnostic services add to the hospital's health care capabilities.

Meridian Hospital is located sixty miles south of Fort Worth. The well-known vacation area rests at the foot of the Texas Hill Country near Lake Whitney and Meridian State Park.

Long Term Care

Improving the quality of life while providing compassionate health care is the philosophy of the two long term care facilities of the Harris System.

These long term care facilities take pride in providing nutritious and enjoyable meals for everyone, even those on restricted diets.

Organized recreation periods and crafts classes offer residents educational, yet enjoyable, activities.

The forty-two-bed Glen Rose Nursing Home adjoins Marks-English Hospital and has served the community since 1971.

The ninety-two-bed Meridian Geriatric Center, founded in 1964, is adjacent to the Meridian Hospital.

Stephenville General Hospital

Stephenville General Hospital, a ninety-eight-bed facility, is emerging as an important referral center for surrounding communities. Through modern technology and a progressive staff, quality patient care is assured.

Since joining the Harris System in the spring of 1982, the facility has undergone the initial steps in a major remodeling and renovation program. New flooring, wall covering and additional lighting have been added to the hospital's older wing.

Additional renovations are underway in the obstetrical/neonatal area. Plans include the construction of a new facility adjacent to the present hospital complex.

Stephenville General Hospital's twenty-two-member medical staff furnishes a broad range of expertise including general surgery, pathology, obstetrics/gynecology, anesthesiology, internal medicine and cardiology.

The medical staff utilizes a progressive intensive care program featuring advanced heart monitoring equipment. CareFlite Helicopter Ambulance Service, based at Harris Hospital-Methodist, is accessible to transport critically ill patients.

CareFlite also is used to transport critically ill premature infants. A newly purchased transport isolette provides the sterile environment necessary for the flight.

Stephenville, a university community, is located sixty miles west of Fort Worth and treats an estimated 3,300 patients annually.

Johnson County Memorial Hospital

Johnson County Memorial Hospital of Cleburne joined MAH this last December, and marks the eleventh medical facility in the organization. This brings the total Harris System bed capacity to more than 1,500.

Johnson County Memorial Hospital opened its doors in 1948, as a forty-seven-bed medical institution. Johnson County residents approved a bond issue to construct the original hospital which has seen five additions and has a current bed capacity of one hundred-eighty-six.

Johnson County Memorial Hospital offers a broad spectrum of medical and community-oriented services. Medical services include surgery, surgical recovery, radiology, pathology, respiratory care, physical therapy, anesthesia, a blood bank, and a twenty-four-hour emergency room with a full staff of competent nurses and physicians.

Financial Position of The Harris Methodist Health System

Harris Methodist Health System achieved record revenues and assets in fiscal year 1982. The continued growth of revenues and assets is primarily the result of hospital acquisition activities by Methodist Affiliated Hospitals and expansion of existing services by Harris Hospital-Methodist and Hurst-Euless-Bedford Hospital.

Operating revenues were $113,238,000, an increase of 27% over the previous year. This is due to an increase in the number of days of patient care provided at facilities acquired in 1982 and at facilities with improved occupancy rates. Hospital charges were also increased to counteract general inflation and increased operating costs.

Operating costs increased at approximately the same rate as revenues, to $102,057,000, or 24%. Contributing to this increase were the operating costs of newly acquired hospitals, and the increased cost of labor, fee, and supplies.

The increase in the excess of revenues over expenses reflects management and operating efficiencies achieved by the System. The excess of revenues over expenses as a percent of operating revenues grew from 4.6% in fiscal 1981 to 5.7% in 1982.

Assets grew to $101,921,000, up 16% from the previous year, with a 27% increase in current assets and a 25% increase in fixed assets.

The motivating force in the Harris Methodist Health System is the basic conviction that medical science, administered through a regional health care system under the direction of the United Methodist Church, is mankind's hope for a healthier tomorrow.

Methodist Home

You have shared your love and enabled Methodist Home to serve as a shelter providing quality child care with a multi-faceted umbrella of services. Through the compassion of United Methodists, experiences of love, kindness and discipline are offered to children and their family when their needs are so great.

We are very grateful, not only for the heritage we have as a ministry supported through the church, but for the love we continue to find as we face the future together.

Can Help The Methodist Home Perform Its Role

1. Designate Methodist Home as December Christmas Offering Recipient and accept a goal of $192,000.
2. Direct local church and district Health and Welfare Representatives to inform members of the Home's services provided for children and families, assume advocacy role with legislative issues affecting children and families and encourage individuals and churches to respond to the Home's financial needs.
3. Contact Methodist Home when individuals indicate consideration of Methodist Home in their long range giving and charitable estate planning.
4. Pastors are encouraged to contact Methodist Home directly regarding child placement needs.
5. The Methodist Home Services Office for the Central Texas Conference is located at the Methodist Home, 1111 Herring Avenue, Waco, Texas 76708, (817) 753-0181. This office is located in your conference to help pastors and members with all matters related to Methodist Home's various programs, including admissions, referrals, counseling and coordination of foster homes in the area.
6. Please place the following dates on the conference calendar: Methodist Home Board of Directors Fall Board Meeting on November 11, 1983, and the Methodist Home Commissioners Meeting on October 11-12, 1983. Designate December as Methodist Home Christmas Offering Month.

Petition To The General Conference Of 1984
Baltimore, Maryland

To be included in the 1984 DISCIPLINE in the Health and Welfare Section, suggested to follow Paragraph 1518.4:

"The privately arranged placement of a child for adoption without a license to place children for adoption is frequently in violation of State laws."

"All those concerned with the placement of a child for a (non-relative) adoption shall abide by the laws of their state in using only licensed child placing agencies."

"By so doing the needs of the birth parents can be met through appropriate counseling as they make this decision regarding their life and the life of their child."

"Licensed child placing agencies have a more diverse group of approved prospective adoptive parents which enables them to serve the best interest of the child."

* * *

This petition from the Board of Directors of the Methodist Home is connected to each of the participating seven Annual Conferences, and urges each of them to process it through its appropriate committee and/or Boards and pass it as a petition to the General Conference of the United Methodist Church.

Methodist Mission Home

During 1982, the Methodist Mission Home served 647 persons in a direct way: 102 maternity clients, eighty-six putative fathers, ninety-six infants, 172 adoptive parents, and 167 hearing impaired adults, with a total of 24,559 resident days on campus. Under contract with the **Texas Department of Human Resources,** we also placed fifteen older children into seven homes.

The Mission Home is owned by a Board of Trustees selected from the seven United Methodist Annual Conferences of Texas and New Mexico and its San Antonio property consists of thirty acres of land, with buildings valued at $1,300,000 at construction in 1968.

The Mission Home is the corporate umbrella for its two ministries: The Southwest Center for the Hearing Impaired (since 1974) and the Southwest Maternity Center, our historic maternity and adoption program since 1895.

SOUTHWEST MATERNITY CENTER

The Center gives option counseling for the pregnant unwed young lady in both residential and non-resident settings, and for those who choose to release their child for adoption we keep a reserve of some sixty couples approved who are ready to be chosen by our licensed agency as "the home a child needs."

We urge our clergy and lay members to remember that a licensed adoption agency and maternity home can provide counseling to the birth parents, anonymity and matching of placement as well as advocacy for the infant in finding the best home, even if the child for some reason is unadoptable.

For maternity service, call toll free — 1-800-292-5103 (Texas) and 1-800-255-9612 (other states).

For adoption inquiry, call (512) 696-7021.

Outpost offices with part-time counselors are located in Dallas, Lubbock, Midland, Odessa, Longview, Houston, Nacogdoches, Port Neches, Brownsville, McAllen, and Denver, Colorado.

Six maternity clients came from the Central Texas Conference, and nine infants were placed for adoption in this conference.

SOUTHWEST CENTER FOR THE HEARING IMPAIRED

This residential rehabilitation program, organized in 1974, serves some 150 residents a year, maintaining about sixty-five on campus at one time. Services for young adults (sixteen years and older) include evaluation of work abilities and aptitudes, personal social adjustment counseling, structured residential living; Life Skills training; work adjustment training; independent living skills and on-the-job training; eight deaf clients were served from the Central Texas Conference.

The churches continue to give a significant amount of our operating budget, which in 1982, was an 11% increase over 1981.

CHANGES FOR THE 80's

The November 1982 Board of Trustees meeting voted to embark upon a limited rearrangement of our campus. It will include changing one of the three wings of the woman's dormitory into apartments for clients that are in independent living training, a family counseling center, and improvement and organization of drives and parking. During 1983, the Department of Finance and Fields Services of the United Methodist Church has been engaged to assist in the raising of funds for this $325,000. project from individuals and foundations. (This is a reduction of the amount reported in the 1979 Conference Journal.)

GENERAL CONFERENCE PETITION

We especially urge the passage of two petitions to the General Conference of 1984 which will be presented separately, one regarding the use of only licensed agencies for placing children into adoption, and the other to help defray the adoptive expenses to couples, lay and clergy, who are covered by the conference health insurance program in the amount of the average medical expenses for a normal new born delivery.

THANKS TO THE CENTRAL TEXAS CONFERENCE

Lay persons, pastors, and others from the Central Texas Conference have been very supportive of the ministries of the Mission Home. We are especially grateful to the Board members who have served from within the bounds of the Central Texas Conference, and for the support of concern and gifts which has enabled the ministry to continue.

The total operating budget for the HOME in 1982 amounted to $1,761,133. The total Conference giving (seven Conferences) for the year was $266,387., and of this amount the Central Texas Conference contributed $22,728.88 through the Conference Treasurer. We commend all churches that participated in giving to the Methodist Mission Home this past year, and we urge all others to include this vital ministry in their giving during the remainder of this Conference year.

HAROLD BURKHARDT
President

Wesleyan Homes, Inc.

Wesleyan Homes, Inc. began its twenty-first year of service to the elderly of the Central Texas Conference in February of 1983. The purpose of the home is "to provide sheltered care for aged persons; and to use its funds, property, and assets to relieve, aid, and administer in any way to the relief of persons when in want or by reason of old age who are unable to provide for themselves." Such assistance is limited only by the contributions given by individuals and annual offerings taken by local churches within the bounds of the Central Texas Conference. Since **Wesleyan Homes, Inc.** is supported by only one annual conference, we rely upon every congregation to help provide the financial assistance that is needed each year.

The 1980 census confirms the projections of the Texas 2000 Project of the growing number of older Americans. By the year 2000, projections place the number of persons in the State of Texas sixty years of age and older to be 3,200,000 — a dramatic increase within the short span of twenty years. It is only logical that **Wesleyan Homes, Inc.** and other providers of services to the elderly plan now for this eventuality.

Part of our planning involves the present expansion program which the Annual Conference gave tentative approval last year. Plans will provide for the increase of an additional eighty-two beds in the Health Care Center, bringing the total number of beds to on hundred-eighty. Completion of preliminary architectural drawings and the finalization of financial arrangements are in progress at this time.

The administration, staff, and residents would like to express their appreciation to the Annual Conference and to the local congregations and pastors for the record offering given to the home in 1982. This recognition of the needs of our elderly is encouraging to those who work with the elderly as well as to those who are considering changing their life-styles and making use of such church-related facilities as we have in the city of Georgetown.

The Board of Trustees recognizes the need for facilities similiar to those in Georgetown to be established in other parts of the Conference. Congregate housing for the elderly is a growing option for those in their retirement years. The Home's Office of Development is working closely with the Conference Committee on Aging to investigate the needs of elderly Methodists within the Conference.

WESLEYAN HOME NEEDS

Wesleyan Homes, Inc. is limited in its ability to help the elderly who are in financial need. However, no person is ever turned away because of insufficient funds. The staff works closely with families who need financial aid and helps them to find adequate sources of funding. At the present time, the Home is assisting fifty residents at the Health Care facility at a cost of over $90,000. per year. The offerings from the churches in 1982 totaled $16,299. for this purpose. The balance is made up from our operational budget.

HOW CAN THE CONFERENCE HELP?

1. Every congregation contribute an amount equal to 50¢ per member to help offset the cost of financial aid.
2. Each local health & welfare representative inform his/her congregation about Wesleyan Home services and promote a generous offering each year.
3. Refer members of your congregation to investigate Wesleyan Homes when they have need for its services.
4. Include **Wesleyan Homes, Inc.** in your estate planning for charitable gifts.
5. Encourage church groups to tour Wesleyan Homes and see first-hand the exceptional facilities your Conference is offering to the elderly.
6. Support the Charitable Gift Fund which, as it grows, will provide adequate income to cover the costs of financial aid.

The Board Of Higher Education And Campus Ministry

Summary

The basic goals of the Board of Higher Education and Campus Ministry for 1984 will remain unchanged. The Board will (1) develop several methods to advocate higher education and campus ministry and its related causes, (2) seek to evaluate United Methodist programs of higher education and campus ministries within the bounds of the Central Texas Conference with a concern for the quality of performance and integrity of mission, (3) seek to request and allocate financial resources for our Texas Methodist College Association, Central Texas Conference Wesley Foundations, and for funding new ministries on the expanding community college campuses in Central Texas, and (4) be responsible for sponsoring a Conference-wide Campus Ministry Retreat, maintaining the Central Texas Conference Merit Scholarship Program, and for fostering the development of new ministries to the community colleges. No new directions of ministry are proposed for 1984. The significant proposed changes are in the area of financial support. The Board requests that $10,000.00 be designated for the development of campus ministries, that the Wesley Foundation base be established at $1.01 per member which compares to the current $.93 per member and that the apportionment base for the Texas Methodist College Association be set at $1.58 per member compared to the current base of $1.50 per member.

1982-1983 Year Report

Much of the work of the Board in 1982-83 was ongoing and lacking in drama. In the past year money has been requested and allocated, causes interpreted, ministries evaluated, training events supported, and the legal and property rights of our institutions udated and guarded. These are no small matters.

The most exciting work of the Board was the initiation of the first conference-supported new ministry to a campus since 1957. This was accomplished through the work and cooperation of the Weatherford District Council on Ministries and the First United Methodist Church of Ranger, Texas. The local church project which was recommended by the Weatherford District Council utilizes a church-sponsored Explorer Scout Post on the campus of Ranger Junior College as the vehicle for providing the organization and relationship between church and campus. The Board authorized a $2,000.00 grant to support the emergence of this project.

On August 1, 1982 Miss Nita Evans of Bracks Chapel United Methodist Church, Waco was identified as the first recipient of the Central Texas Conference Merit Scholarship award. Nita is a first year student at Texas Wesleyan College, Fort Worth. It is expected sufficient funds will be available to offer two such awards to newly enrolling students in United Methodist Institutions from congregations which received the United Methodist Student Day Offering in 1982. The funds for these awards are provided by a 10% rebate to the Conference Board of the total Central Texas Conference offering for the United Methodist Student Day Offering.

Finally the Board would like to report the sponsorship and success of the third annual Conference-wide Campus Ministry retreat which was held at Glen Lake Camp on March 11-12, 1983. The event attracted strong support from each unit of campus ministry related to the Conference Board as well as from students from other institutions.

Goals for 1984

In 1984 the Board of Higher Education and Campus Ministry proposes to **advocate** United Methodist higher education and campus ministry, by striving to gain 100% participation of the churches of Central Texas in the United Methodist Student Day offering. To do so letters will be addressed to each district superintendent prior to September 1984 requesting agenda time at a fall pastors' meeting to review the offering and its goals, a release will be issued in the conference coordinated mailing concerning the Central Texas Conference Scholarship program and its relationship to the Student Day Offering, and articles will be prepared for use in the United Methodist Reporter. The Board will stand ready to advocate the Black College Fund and programs of United Methodist loans and scholarships by maintaining adequate accurate information for distribution to interested persons or churches.

In 1984 the Board of Higher Education and Campus Ministry proposes to **evaluate** United Methodist higher education and campus ministries which exist within the bounds of the Central Texas Conference by (1) requiring each local unit of the Wesley Foundation submit a description of its program and a report on its budget and property for review in September, (2) encouraging each local Wesley Foundation Board to engage in an in-depth yearly evaluation of ministry, (3) responding to the leadership of the resident bishop and respective college presidents in the evaluation of the institutional/church relationship of the two United Methodist Colleges within the bounds of the conference, (4) inviting United Methodist higher education representatives from the Texas Commission on Campus Ministry, the Texas Methodist College Association, Texas Wesleyan College, and Southwestern University to present institutional concerns in September for the purpose of dialogue and advocacy, and (5) reviewing the Conference Board's own goals and objectives in January, 1985, for revision and presentation to the 1985 Annual Conference.

In 1984 the Board of Higher Education and Campus Ministry propses to **recommend** and **allocate** financial resources for the perpetuation and expansion of higher education and campus ministry by (1) requesting that the 1984 Wesley Foundation apportionment be based upon the figure of $1.01 per member, (2) requesting that the 1984 apportionment for the Texas Methodist College Association be based upon the figure of $1.58 per member, and that a sum of $10,000 be established in the conference budget for the formation of new ministries on the campuses of several Central Texas community colleges as such programs are designed and recommended by the respective District Council on Ministries, (3) encouraging increased district support for campus ministry programs by the intentional contact of every pastor and every local church chairperson of Higher Education and Campus Ministry by the campus minister most closely related to that church for the purpose of clarifying and interpreting campus ministry, (4) distributing and anticipated income of the Wesley Foundation apportionment according to established procedures at the September meeting, and (5) by recognizing and thanking the churches of Central Texas in appropriate ways for their strong, consistent support.

It shall also be the purpose of the Board of Higher Education and Campus Ministry to **initiate and maintain** conference-level programming by (1) strengthening the local church office of Higher Education and Campus Ministry using the coordinated mailing to provide clear job descriptions to the Committees on Nominations of the local churches prior to the 1984 charge conferences and by assisting local District Councils on Ministries provide adequate orientation and training in their yearly officer training events, (2) sponsoring a conference-wide retreat for all campus ministry units within the bounds of the Conference and supporting the same with a $500 budget allocation, (3) maintaining the Central Texas Conference Merit Scholarship Program by reviewing criteria, distributing applications, publicizing the program and presenting recipients to the Annual Conference, and (4) advocating the initiation of new campus ministries on community college campuses in Central Texas by raising awareness of the need and potential, communicating with each District Council on Ministries regarding the research related to campuses within each, and by requesting $10,000 seed money to be used in cooperation with the several District Councils on Ministries to establish such programs.

Board Of Pensions

Report No. 1

Recognizing the necessity of maintaining a Past Service Rate that is at least 9/10 of 1% of the Conference Annual Salary, the Board of Pensions recommends that $205 be the Past Service Rate for the year 1984. The rate is based on a projected Conference Average Salary of $21,800 in 1984, and the $205 would be 94/100 of 1%. The total Annual Deposit to fund a rate of $205 is $803,676; we propose to meet this need by seeking an increase in apportionments from $690,000 to $759,000 — an increase of $69,000 or 10% — and to fund $44,676 out of interest earned on the $1,000,000 plus on hand as a result of the Capital Funds Drive.

It should be noted that as long as the Conference Average Salary continues to increase then we must increase the Past Service Rate in the same proportion. This not only protects our future pension rate, but maintains a sense of integrity in relation to those whose pension is derived totally or mostly under the old program of defined benefits.

Respectfully submitted,
WARREN OLLIFF, Chairman

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Central Texas Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference:

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension paid to any retired minister or any amount in excess of the first $5,200 of disability payments received during the year be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Central Texas Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment of any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE: In explanation it means that any retired minister can designate up to 100% of his pension for housing. In terms of those who receive disability payments, the first $5,200 of disability benefit is automatically excluded from gross income, therefore the housing designation is 100% of all disability funds in excess of the above amount. This ruling has been confirmed in a specific ruling for the

Central Texas Conference dated March 11, 1981 and this confirmation of the ruling under the Internal Revenue Service Ruling 75-22.

Board Of Pensions

Report No. 3

Hospitalization And Medical Expense Program

It is the recommendation of the Board of Pensions that the Central Texas Conference move from a conventional health insurance program to a Minimum Premium (or a Split Funded) type of health insurance. This type of coverage is a combined insured and self-funded arrangement whereby the maximum amount of protection is retained while giving to the Conference the benefit of timing and directing our cash outlay to our utmost advantage. In essence, it means that premiums are split two-ways; the one part goes to an insurance carrier to administer the program and the other portion is retained by the Conference in a Claim Fund Account out of which normal claims are paid.

The Minimum Premium Plan is one in which the monthly premium is split two ways. First, a fixed amount, determined by bid from various insurance carriers, is paid to the selected carrier for administration costs — processing and paying claims, printing booklets, issuing cards, etc. — and for coverage above a specified, or "stop-loss," amount. Second, the balance of the premium is deposited in a Conference-controlled bank account out of which are paid the claims previously processed by the carrier. For example, under our current proposal, the "stop-loss" amount, or the maximum amount of claims for which we will be responsible, for a month is $34,650. or $415,800. per year. Should claims exceed either the monthly or annual "stop-loss" figure, claims above that amount would be paid out of the pooled coverage carried by the carrier. Should claims be less, the money stays with the Conference.

With the above brief explanation as to the type of plan, it is the recommendation of the Board of Pensions that the Minimum Premium Plan be adopted for the following reasons:

1. Identical coverage can be had immediately at a reduced cost. Under the current program the premium for a minister and dependents is $159.94 per month; under the new program, the estimated cost would be $130.85 per month, or a savings of $29.09 per month. The total estimated savings for the Conference in the first year is estimated to be $100,000.
2. We gain considerable flexibility in both planning for our cash outlay and in monetary investment. All interest, savings in claims, etc., accrue to our benefit and not to the carrier.
3. A part of the recommended program is a mandatory Life insurance program with a $5,000. life insurance policy and a $5,000. Accidental Death and Dismemberment Policy for each minister and with a total additional cost of $4.80 per month. In addition, an optional life insurance program is included which enables any member of the plan to purchase up to $50,000. in coverage without evidence of insurability. The total cost of this additional coverage would be borne by the member and paid to the conference.

Thus, BE IT RESOLVED, that the Central Texas Conference approve the Minimum Premium Plan presented by Dike Company, Inc., and that the Annual Conference grant to the Board of Pensions the following:

1. The right to negotiate and contract with various carriers in order to achieve the best possible cost factor in the split funding method; PROVIDED, HOWEVER, that all such negotiations shall always be within the financial guidelines established by the Conference Council on Finance and Administration and approved by the Annual Conference, and FURTHER PROVIDED, that benefits cannot be changed in any way without approval of the annual Conference.
2. That the establishment of, and the administration of, The Insurance Claim Fund Account be jointly shared by The Board of Pensions, The Council on Finance and Administration, and the Director of Finance and Administration.
3. That retired ministers, because of changes in Federal regulations under the Tax Equity and Federal Responsibility Act of 1982, be included in the shared premium program currently applied only to active ministers, and whereby retired ministers would pay 50% of the premium and the Conference the other 50%.
4. AND, that local congregations, on a 100% cost basis, be encouraged to provide coverage to their lay employees through this program.

Board Of Ordained Ministry
Introduction

In addition to its traditional functions of recruiting, guiding, and qualifying persons for conference membership and ordination, the Board of Ordained Ministry has responsibility for assisting members of the conference in fulfilling their calling to continuing effectiveness in ministry.

Evaluation (Para. 427) and continuing education (Para. 423.1) are the ways by which the United Methodist Church has decided to judge growth in competence and effectiveness of its ministerial members. Evaluation and continuing education have focused energies and resources of the board during the year. The Board of Ordained Ministry and the Cabinet have submitted policies (adopted by the annual conference), provided training in evaluation methods, and assisted in training of Pastor Parish Relations Committees in the evaluation process. The board has continually provided information, guidance, and continuing education events to enable ministerial members of the conference in planning for and achieving growth through continuing education. The board also administers that portion of Ministerial Education Funds available to ministerial members of the conference for continuing education. (See attached policy statement for details.) Evaluation and continuing education are priority agenda items for the board throughout the 1980-1984 quadrennium.

This report of the board's work for 1982-83 is submitted to the annual conference to which it is directly responsible.

A person may receive their entire four-year amount in one year.

Per diem costs will be supplemented on the same scale with maximum allowable grants being $150 for those below minimum salary ($600 quadrennium), $100 for salaries up to $20,000 ($400 quadrennium) and $50 for salaries over $20,000 ($200 quadrennium).

Archives And History Commission

1. The writing and publishing of the new Texas Methodist history book is a cooperative project of all the annual conferences in Texas. The project is sponsored by the Texas Methodist Historical Society. It was endorsed by the Texas United Methodist Planning Commission in 1978, and approved by the Central Texas Conference Council on Ministries in 1979. The Central Texas Conference Council on Finance acknowledged the $11,800.00 project in 1981, and it was accepted by the Conference that year. In January of 1982 the amount of $4,000.00 was sent to Dr. James Hares of Dallas, treasurer of the project. This amount was designated for the four authors of the history: Drs. Norman Spellman of Southwestern University, Robert Monk and Robert Sledge of McCurry College, and Walter Vernon of Nashville, Tennessee. The final allocation of $7,800.00 to cover the printing and publishing costs of the book is to be sent in January of 1984, to Dr. Hares. All moneys received from the sale of the books will be returned to the Conference Reserve Funds.
2. The Local Church Annual Historical Up-Date forms were distributed in January of this year for the first time. They will be invaluable in years to come in describing the important events of your particular church in each calendar year. The 1983 forms will be distributed in early January, 1984, at the district meetings of the pastors. The forms are to be completed in the local church, and returned by the pastors to the district superintendent on Conference Check-out Day in January. They will then be mailed to the archives for a permanent record of each local church in the Conference.

Commission On Christian Unity And Interreligious Concerns

The Commission on Christian Unity and Interreligious Concerns met at Glen Lake UMC Camp on January 29, 1983. These goals were projected for 1983-84:

1. Encourage local congregations to hold joint services with other local and ethnic congregations (rotating pulpit, target specific denominations).

2. Request colleges and universities to add local ministers to their mailing lists and notify the United Methodist Reporter of Ministers' Week opportunities.

3. Join together with other denominations in pastoral care centers, shared use of church facilities, joint youth centers and other community services.

4. Commission to provide resources to facilitate the above goals.

It was decided that to implement the goals a planning guide would be developed which would make suggestions for ecumenical projects and for community observance of Christian Unity Week in 1984. A publicity campaign will be developed through the United Methodist Reporter and through the conference coordinated mailing.

A delegation from the Central Texas Conference attended the Texas Conference of Churches in Austin on February 21-23, 1983.

The Conference voted in favor of continued strong support of Nuclear Disarmament, requesting that member denominations develop statements of support. United Methodist Bishop James Armstrong spoke to the Conference on the **Reader's Digest** and "60 Minutes" attack of the National Council of Churches. Bishop Armstrong urged members to educate their denominations and celebrate the many effective ministries of N.C.C. rather than participate in the publicizing of false distortions.

Commission On Church Growth And Development

Report No. 1

Finally, after more than two decades, the people called United Methodists in the Central Texas Conference are finding their way forward in the area of church growth. After experiencing much frustration over little or no membership growth in the midst of great population explosion, we are beginning to see the dawn of a new day.

No doubt, the organizing of new churches in the last half of the decade of the seventies and the first part of the decade of the eighties, plus an intensified emphasis on church growth among our

existing churches is bringing about some desired results.

In 1982, our Conference membership increased by 2,328 members, the largest single increase since the year 1947. Every district in the Conference had a membership increase for the first time since 1950. Since the beginning of this decade, the Conference has now increased 4,798; the highest continued growth of any three years since the end of World War II.

There may be several contributing factors for these increases, but one thing we know for certain: statistical reports from the last eight new churches organized count for 55.4 per cent of the membership growth in this decade. Also, statistical reports from the churches involved in the Church Growth Seminars count for 11.3 per cent of the growth in this three-year period.

Dr. Lyle Schaller points out that when a local church, district, conference, or denomination begins to **TALK** about growth, **PLAN** for growth, and **WORK** for growth, it always happens regardless of whether it is in town and country or metropolitan areas.

The members of the Commission on Church Growth and Development wonder what kind of growth we could experience for our church if every pastor and every local church would become GROWTH **MINDED** — not for the sake of numbers, but for the sake of discipleship and mission.

Hopefully, never again will growth failures rob the Church of the power and resources needed to penetrate the world with the gospel of Jesus Christ.

Report No. 3

During the year 1982, the Commission on Church Growth and Development sponsored or participated in the following projects:

1. St. Barnabas Church, Arlington: Paid off the church site.
2. Covenant UMC, Arlington: Made payments on the church site and participated in congregational development.
3. Genesis UMC, Ft. Worth: Paid off the church site and participated in congregational development.
4. Korean UMC, Killeen: Made payments on the new building.
5. Campus Drive UMC, Ft. Worth: Made down payment on church site and participated in congregational development.
6. Hillside UMC, Copperas Cove: Made down payment on church site and participated in congregational development.
7. St. James UMC, Temple: Participated in the re-location of the church.
8. Watauga UMC: Participated in the construction of a new building and congregational development.
9. Brushy Creek, Round Rock: Made payments on the site for a future new church.
10. Kingswood UMC, Burleson: Participated in congregational development.
11. Early UMC, Brownwood: Participated in the re-location of the church.
12. Oakdale UMC, Stephenville: Participated in the re-location of the church.

As we've made projections for future new church projects, a minimum of eleven sites should be purchased **now** in areas of present and projected population growth. Cost of land in these specific areas is escalating rapidly. Realistically, we cannot make the purchase of these needed sites except one at a time as funds are available. No doubt, if our Conference-wide program of church extension could have been in existence over the past two decades, we would be much further along today at a lesser cost. Though we geared up late, good progress is being made as we take it step by step to the year 2,000 when a minimum of 1,000,000 additional persons will be living in the growth areas of the Central Texas Conference.

Commission Equitable Salaries And Clergy Benefits

Report No. 1

Equitable Salary And Temporary General Aid Fund

There shall be a program of Equitable Salary Support in the Central Texas Conference under the management of the Commission on Equitable Salaries and Clergy Benefits. This program shall be patterned after paragraph 935 of the 1980 Discipline. Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Salary and Temporary General Aid Program.

1. The Commission recognizes the necessity of coordinating all salary subsidy; therefore, the Conference Treasurer shall inform the Commission of any salary grants by other Conference Treasurer shall inform the Commission of any salary grants by other Conference or General Church agencies, so it may coordinate salary supplements through the Commission on Equitable Salary and Clergy Benefits for that portion not covered by any other sources.

2. A prerequisite for consideration of salary supplements from the Equitable Salary Fund shall be the filing with the Commission a written application by the District Superintendent. The District Superintendent shall certify classification of the pastor and the salary (salary, travel, and utility) set by the charge. The application form will be supplied by the Commission.
3. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro rata basis for the part of the year actually served.
4. The following conditions must be met by the pastoral charge before its pastor can become eligible for consideration to receive salary supplements from the Equitable Salary Fund.
   (a) The pastoral charge shall have conducted an Every Member Canvass for the local church budget of each of its churches during the previous conference year.
   (b) All apportioned items shall have been paid in full for the previous conference year.
   (c) The charge must have at least 100 members.

In unusual situations the Commission on Equitable Salary and Clergy Benefits may waive any or all of these conditions.

5. The Commission on Equitable Salary and Clergy Benefits will pay any amount up to ⅓ of the minimum salary as set by the Annual Conference for each applicant according to his/her ministerial classification.

   If any exception under paragraphs 4 or 5 is sought, the request must be endorsed by a ⅔ vote of the Cabinet before it can be considered by the Commission.
6. Beginning in calendar year 1984, an "Incentive Plan" will be used in figuring equitable salary payments with the following clarifications and guidelines:
   (a) The objective of this Plan, as with all Minimum Salary support, is to strengthen the work of the local church. The Goal of this Plan is to allow and encourage local churches to increase ministerial support of their pastors, allowing the pastor in the appointment to receive the benefit of increased income from the local church without losing the support from the Minimum Salary Fund.
   (b) Ministerial Support increases by the local church during the tenure of one pastor shall be added to the total allowable income for the pastor during the duration of the appointment relationship of that pastor with that church, subject to renegotiation with the commission at the end of a three year period.
   (c) Whenever a change in pastoral appointment occurs, or at the end of the Incentive Plan agreement, the charge is to maintain their local church's existing level of ministerial support. With regard to equitable salary support, at such time a change in their appointment occurs, the charge will return to the base minimum salary for which the new minister qualifies, if such support is still below the minimum salary base.
7. Persons of the following ministerial relationship are eligible for consideration for salary supplements at the level indicated for 1984. Rates of adjustment will be considered annually by the Commission, rather than establishing automatic rate adjustments.

	1984
(a) Elder, Full Connection	$14,400
(b) Associate Member	12,000
(c) Full Time Local Pastor	10,800
(d) Probationary Member	
(1) Non-student living on charge	12,000
(2) Student living on charge	10,800
(3) Student not living on charge	8,400
(e) Student Local Pastors	
(1) Living on charge	9,600
(2) Living away from charge	7,200

8. Pastors who are appointed to less than full time service as addressed in the 1980 Discipline, paragraph 438.3b shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the

Cabinet's interpretation of time actually spent in pastoring the charge. For example, if the pastor is deemed as serving ¼ of full time his minimum salary eligibilty would be ¼ of the minimum of his Conference relationship classification. The categories of ¼, ½, ¾ will be followed in determining less than full time eligibility for salary supplements from the Equitable Salary Fund.

9. Seminary students who are serving pastoral charges and receiving Equitable Salary Supplements, are eligible to receive $2.00 per mile, on way, one time per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor receiving the charge at the end of the third quarter of the Conference year.
10. Ministers who are not eligible for salary supplement are:
    (a) Those whose appointment is other than pastor of a charge.
    (b) Those classified as part time local pastors.
    (c) Retired ministers.
    (d) No pastor shall be eligible to receive salary supplements from this Fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in a present appointment.

Report No. 2
Moving Expense

1. We recommend that the conference pay the greater of $100 or $3.00 per mile for the first 100 miles and $1.00 per mile additional after the first 100 miles with no maximum within the bounds of the Annual Conference and the receiving charge is expected to pay any remaining balance of the actual moving expenses.
2. We further recommend that the procedure of filing correct forms with the Conference Secretary/Treasurer be continued.
3. We do, however, expect every receiving charge in the Annual Conference to pay the moving expense of the new minister in excess of the allowance and it must be the responsibility of the District Superintendent at the time of consultation to inform the church of its share of this obligation.

Commission On Religion And Race

Moving the Church closer to the Biblical mandate of oneness in Christ is the objective of the Commission on Religion and Race in Central Texas. This concerned Group has convened frequently to seek ways for planning and promoting acceptance and understanding of our Methodist heritage of interracial participation of all cultures. There can be no exclusiveness in true Christian belief. This Commission urges every local Church to become involved in exchange or interchange with other races of people in the area.

Performance of Commission:

1. Three full meetings plus numerous small committee meetings during the Conference year.
2. Sponsored Conference-wide Workshop to provide information and suggestions to assist local Church Chairmen understand their responsibilities.
3. Three Religion and Race Commission members served on the Committee jointly with Board of Discipleship to plan the Hoosier Extravaganza held in Waco, Texas in November, 1982.
4. Two representatives from the Commission attended the Conference of Black Methodists for Church Renewal in Los Angeles, California, March, 1983.
5. Four members of the Commission were elected to attend the Jurisdictional Religion and Race Workshop at the American Airlines Learning Center in September, 1982.
6. Advocating the practice of inclusiveness this Commission extended a special invitation to the Rio Grande Conference and the Oklahoma Indian Missionary Conference to provide a representative for our meetings and special events.
7. The Commission supported and encouraged participation in Human Relations Day, February 13, 1983.
8. Sponsored the annual Celebration of Wholeness, April 9. 1983.

9. The Commission was privileged to provide leadership for several District Workshops.

10. The Commission was gratified to learn of newly organized committees and appointment of new Chairmen in this work area in many local churches.

11. The Commission supported the request for a grant from the General Commission on Religion and Race through the Self Determination Fund to the Korean U.M.C. in Killeen, Texas; the purpose for improvement in education and a better understanding of the American lifestyle.

CONTINUING OBJECTIVE OF THE COMMISSION:

1. Each local Church elect chairperson on Religion and Race at the Charge Conference.

2. ACCOM continue progress in the elimination of discrimination and racism within its organizational structures and institutions by providing adequate representation on all boards and agencies.

3. Each district superintendent explain the meaning and desirability of an open itinerancy to each Charge Conference, citing biblical and theological authority as well as the position of the United Methodist Church, encouraging questions, responses and open discussions. Also explore the possibility of the willingness of the congregations and pastors to accept interracial appointments.

4. Annual Conference develop ongoing recruitment programs for ethnic minority pastors, not only to meet present or particular "supply" crises, but to challenge faithful Christians to consider the call of the ministry on a continuing basis. To visit theological schools and recruit minority pastors for our Conference.

5. Celebration of Wholeness be continued as an annual event.

6. Local congregations plan for joint worship services, fellowship dinners, discussion and study groups, and services and community projects with congregations of another ethnic racial background with the local pastor taking the lead in this endeavor.

CONCLUSION:

Since the responsibility of this Commission is to combat racism, we submit this challenge that action and witnessing in the area of inclusiveness must begin in the local church congregation. We, as individual United Methodists, have an important role to play in the future. With God leading us we can become good citizens of the Kingdom in the development of a society which provides great opportunities for all people.

Commission On Status And Role Of Women

The Commission on Status and Role of Women continues to be the advocate of women clergy and of women in leadership roles in the church at all levels.

Work has been in three main areas this year: 1) We have continued the emphasis on "Women in the Pulpit" designating January 30, 1983 as the Sunday to be highlighted, but at the same time, asking that another Sunday be selected if January 30 could not be set aside for this observance. This year a list of women available to fill pulpits was compiled and made available to each local congregation through the minister. The purpose is to make local congregations aware that there are women — lay and clergy — ready to fill the pulpit and to help congregations become acquainted with our women clergy.

2) We continue to monitor women in leadership roles at all levels of church organization. A committee is at work assessing the participation of women in leadership positions in Central Texas Conference. This information will help the commission evaluate the trends, to note what areas of leadership women fill, and to look at what the next steps should be.

3) We advocate the inclusiveness in the election process of the church. With the election of delegates to General Conference and Jurisdictional Conference, it is our concern that delegates be elected for their ability and for their faithfulness to the church and its principles. We feel that often we elect with little or no knowledge as to where delegate candidates stand on given issues which will come before the conferences. We are seeking some means of informing the Annual Conference delegates of the qualifications of the candidates. We seek a means of election that becomes meaningful and inclusive, and not a popularity contest.

Nine clergywomen from Central Texas Conference attended the Consultation of Clergywomen held at Glorieta, New Mexico. COSROW was able to help with expenses for some of those attending

from our conference. This was a time for evaluation, enrichment and consultation on issues facing the woman minister.

Some Commission members also had the opportunity to attend a conference with Bishop Marjorie Matthews sponsored by the North Texas Conference Commission on Status and Role of Women. Bishop Russell also took part in the conference. This event provided time for dialogue on such issues as competition between women themselves, women and men clergy, issues faced by the Cabinet in the placement of women clergy in the local church, the role of the pastor-parish relations committee.

We seek to expand our knowledge of the role of the Commission and the role of women in the church that together we may grow in our commitment to our Lord and Saviour.

Committee On Communications And Interpretation

Summary

Your Annual Conference Committee on Communications and Interpretation will continue to promote programs which deal with new and effective ways of communicating the gospel.

The newest method of telling the story of the church is through the Wesleyan Satellite Network "which is the telecommunications ministry of the United Methodist Communications Council, serving Texas and New Mexico."

The United Methodist Reporter continues to offer religious news that is not available in local papers.

We must continue to explore new ways of reaching the members of our church and the unchurched of our community and the world.

Committee On Communications And Interpretation

When the first American Astronaut landed on the surface of the moon, the world waited in eager anticipation for the sight and sound of a man on the moon. In the garbled transmission from outer space, we think that we heard, "One small step for man. One giant leap for mankind." Through the centuries, the world and its people have received many confusing messages. The church has stood to interpret the sights and sounds in the light of God's love.

At the Bishops' Call to Evangelism in Fort Worth, Texas, United Methodists of Texas and New Mexico took a giant step into the future in giving the world a clearer picture of the Christ. The keynote address on Tuesday, November 23, 1982, was beamed by the Wesleyan Satellite Network to cable companies across the United States and video taped for presentations to other cable viewers at a later time. This dream of world wide evangelism which was conceived by the United Methodist Communications Council of Texas and New Mexico became a reality.

The Wesleyan Satellite Network of WSNet, as it is called, "is an effort by the denomination in Texas and New Mexico to harness the modern technology of a satellite delivery system for services including television and radio programming, computer-to-computer teleconferencing, teletraining, videotex, and research and development."

Today, WSNet stands ready to provide a ministry to United Methodists around the world. We are proud, as an Annual Conference, to be part of this endeavor. At a later time, colleges, hospitals, and other religious institutions of this Annual Conference will be given opportunities to provide programming for the world. We ask this Annual Conference to continue its support of the WSNet.

While we have entered space in the race for men's minds, we must not forget the traditional means of communication.

The Committee on Communications and Interpretation recommends the following programs to keep United Methodists informed of the ministry of the church.

(1) The United Methodist Reporter
   a. The Central Texas Conference Edition and the Local Church Edition of the United Methodist Reporter offer religious news which is not found in many local papers. The UMR provides a forum for those who wish to respond to an article or item of interest.
   b. Local Church Communications Coordinator's should be aware of news worthy events at the local church level and send these items with pictures to the UMR News Editor in Fort Worth.

c. District Superintendents should emphasize both the free issues which are provided by the Annual Conference to key officers in the church and the necessity for all elected officers in the church to receive this paper.
d. The church should be encouraged to at least match the number of free subscriptions with paid subscriptions.
e. Local pastors should encourage the members of their congregations to read and keep informed of the church at work in the world.
f. District Training Events should offer training for local church communications coordinators.
g. Overall promotion
   1. October should be designated as the month to renew or receive new subscriptions to the UMR. Subscription lists and money should be sent to the District Office by October 31st.
   2. Presentations will be planned for district ministers' meetings to promote the UMR.
   3. Each district will be encouraged to have a monthly edition of the UMR which deals specifically with the activities and events of that district.

(2) Workshop — "Getting Results with Direct Mail For Your Church"
   a. This workshop will be held in the Fall of 1983. We recommend that Continuing Education Credit be given for those pastors attending and completing the workshop.

(3) Workshop — "How to Start a Television Ministry Through Local Cable Networks"
   a. This workshop will be held in the Fall of 1984.

Your committee will continue to examine new ways of communicating the church's story as we minister to the world.

JAN RHINEFORT, Secretary

Committee For Mexican American Affairs

The Inter-Conference Committee For Mexican American Affairs met in February, 1983, with the intent to maintain an avenue of communication between the Central Texas Conference and the Rio Grande Conference of The United Methodist Church.

As we see our task, at least in part, it is to be sensitive to areas of need and cooperation particularly in the realm of developing Hispanic Churches where shared use of facilities with Non-Hispanic Congregations seems feasible.

An attempt is made to be aware of population trends within the Conference and to anticipate needs for churches and ministries in neighborhoods where the ethnic make-up is in the process of change.

Education of Non-Hispanics and Hispanics in the area of culture, language and unique worship forms is also seen as a part of the task of the Committee. Plans are in the formative stage to conduct a workshop or workshops in September of 1983, to acquaint Methodists with differences and commonalities within the two ethnic groups.

Of particular concern to the Committee is the language barrier that exists, throughout the Districts, hampering communications in local communities which in turn severly limit outreach ministries to those who speak Spanish and perhaps have immigrated in small, isolated family units very recently. Bilingual facility would enable local Non-Hispanic services and opportunities in the area for those who do not speak English.

One way this situation might be addressed is for each District to designate and sponsor an individual or group of individuals who are trained in Spanish language and culture to be charged with reaching out to Hispanic families to offer information and to facilitate their acclimation into our various communities. This would undoubtedly necessitate training in languages for these persons which perhaps would be accomplished through the two Methodist related colleges within the Conference. Any input from individuals and Churches within the Conference concerning the feasibility and interest in such a program would be appreciated.

Motivation within the two Conferences for cultural intercourse between Non-Hispanics and Hispanics is also a part of our mission. To reach outside of one's own ethnic group frequently takes very intentional action on the part of individuals and institutions. But Non-Hispanic and Hispanic Christians have that motivation in Christ Jesus. Need knows no particular language or culture, and

we are enjoined to offer hospitality in every form to the "stranger."

This Committee can point to no dramatic accompishments this year; but we do exist. Because the Committee exists, it can be a vehicle for ministry within our Conference if we want it to be. To continue in dialogue with the Rio Grande Conference this Committee recommends to the Conference that Jeannie Trevino-Teddlie be designated as a fraternal delegate to the Rio Grande Conference in 1983, and that Sandra Lumpkin be designated as alternate.

In the February 1983 meeting, Jeannie Trevino-Teddlie was elected Chairperson of the Committee and The Rev. Jan Cain was elected Secretary.

Report Of The Committee On The Episcopacy

The Committee on the Episcopacy has sought during the course of the year to provide support, encouragement and advice to our Bishop. In this regard, we have been involved in the following endeavors:

(1) We completed the distribution of the brochures "Know Our Bishop" which were originally introduced at the 1982 session of the annual conference;

(2) The committee met with Bishop Russell for dinner and a period of discussion on November 29, 1982, at the First United Methodist Church of Arlington. Bishop Russell shared with the committee some of his experiences of his mission itineration and his own personal goals for this annual conference. Following this time of the committee, per his request, shared with the Bishop its ideas relative to the areas where he needed to exert his influence and leadership;

(3) On April 19, 1983, the Committees on the Episcopacy from the Central and North Texas Annual Conferences met at the First United Methodist Church of Arlington, for a time of fellowship and the conducting of several matters of business related to our disciplinary mandates, especially in the area of evaluation of the Bishop.

(4) Members of the committee have been readily available to the Bishop and have striven in every way to offer him support and information as it was needed, ranging from the provision of extra funding for his mission itineration trip to various matters of concern on behalf of our annual conference.

Lay and clergy members of the annual conference are encouraged to be in contact with the committee relative to matters which you feel need to be brought to the attention of our resident Bishop.

Respectfully submitted,
DON M. PIKE,
Chairperson

Committee On Research And Planning

This is the first report on the "Evergreening Process," adopted by the Annual Conference in June, 1982, for the purpose of implementing, modifying and updating the Strategic Plan.

On or about September 1, 1982, a questionnaire developed by the Committee on Research and Planning to identify the most critical issues and areas of need in the local church was distributed to each local church through the offices of the district superintendents. The completed questionnaires were returned to the district offices in October where they were reviewed and considered by the District Council on Ministries for the purpose of establishing priorities and recommending to the Committee on Research and Planning the areas and needs deemed most critical.

In February, the Committee on Research and Planning met to review and study the reports received from the districts in order to coordinate the results and to interpret those priorities to the Annual Conference Council on Ministries for their consideration.

The top four areas of need identified by the questionnaires were (in order of selection by the districts): 1) to develop a program of reactivation of church members; 2) to develop a strategy for a strong church school; 3) to create a closer fellowship among the members; 4) to recruit new members for the upbuilding of the congregation and disseminating more effectively the Christian message to the unchurched and unconcerned.

The Committee therefore recommends to the Annual Conference Council on Ministries for presentation and adoption by the Annual Conference: 1) that a board, agency or ad hoc committee be assigned to address the issue of reactivation of church members; 2) that a similar group be assigned the responsibility to develop additional options and strategies to help local churches create a closer fellowship among their members; 3) that the Annual Conference Council on Ministries develop strategies for a strong church school, to be implemented on a district level by the District Council on Ministries during 1984; 4) that the district and conference Task Force on Evangelism be assigned the responsibility to develop program and strategies for recruitment of new members and disseminating the Christian message more effectively to the unchurched and unconcerned.

We believe the increase in church membership, worship attendance, church school membership and attendance is a direct result of the magnificent effort of so many people put forth in the creation, development and implementing of the strategic plan. In this regard, we are pleased to report that a slightly higher number of local churches have submitted church school reports this year — an increase from 40% to 44%. Further, that all the districts have reported either up-to-date, or ahead of compliance with timeline requirements of the strategic plan.

It has been a good year, but our sincere hope is that more churches will become involved and participate at the various levels of opportunities provided by the strategic plan, particularly in the planning process, and the formulation of goals and objectives and in leadership training. It will not only strengthen the life of the local church, but the district and conference as well.

Para. 19.1 Add the Conference President of United Methodist Men.

Add the Conference President of United Methodist Men to the membership of the Commission of Church Growth and Development.

Chairman

Central Texas Conference Federal Credit Union

Your Credit Union continues to maintain a strong and sound financial basis upon which we serve the needs of our members. In the midst of the changing interest and credit picture, your Credit Union has made important adjustments which have allowed it to continue to maintain its strength while serving its members.

In keeping with federal guidelines, we have maintained the 80% share-loan ratio. Remembering our primary purpose is to serve all our members, we have made several adjustments. We have increased the loan limit for automobiles to $5,000 signature loan limit is now ten times the share balance not to exceed $1,500 ($100 in shares entitles the member to a $1,000 signature loan). We have kept the multi-level interest rates of 12%, 14% and 16% on the loans. The automatic life insurance on share deposits up to $2,000 is still our policy. This life insurance is of no cost to the member.

All deposits are insured to $100,000 by the National Credit Union Administration, a U.S. Government Agency.

Our assets as of December 31, 1982 were $509,635. The outstanding loans were $336,009. During 1982, 105 loans were written for a total of $143,987. Since organization we have written off $34,220 of this amount $8,066 has been recovered. This may seem to be a matter of concern and it is, through continued efforts the number of delinquent accounts have been reduced. However, our record is still well ahead of the general public.

At the end of 1982 our membership was 677. We encourage all members to use the Credit Union for savings as well as loans, for without savings we are unable to make loans.

We are very excited about the MULTI-RATE DIVIDEND program that will begin July 1. This program will enable your Credit Union to pay higher dividends. The rates will be as follows: Shares $25-$500 will earn 6%, Shares $501-$2,000 will earn 6¼%, Shares $2,001-$5,000 will earn 6½%, Shares $5,001-$7,500 will earn 6¾%, and Shares $7,501 and above will earn 7%. We feel that this plan will enable the Credit Union to better serve all members.

On July 1, 1983 the par value of a share in your Credit Union will become $25.00. What this means is in order to become a member of the Credit Union the minimum deposit will be $25.00. Those members that do not have this amount in shares will be given to September 1, 1983 to increase their accounts to that amount.

Your Credit Union remains one of the most competitive places you can find for investing funds, or in borrowing money for loans. Our greatest problem in meeting the demands of a fluctuating economy and the needs of our members is a lack of resources. We are here to help our members in this difficult economic time. We need your support in this endeavor. We urge members, especially those with small deposits, to establish a systematic savings plan. And we urge borrowers to include a deposit with their monthly payment. This will help others get the loans they need and help the borrower down the line when additional funds are needed. We want to serve as many members as possible in as complete a way as possible.

The Board of Directors are: Joe Fagg, Eric McKinney, Barbara Vaughan, Ben Marney, J.W. Sprinkle, Walter Black, Nelda Barrett, Judy Wenzel and Tim Russell. John Down serves as chairman of the Supervisory Committee; Walter Black our Credit Committee; Frank Leach our Collection Committee; and Judy Wenzel our Educational Committee.

Lydia Patterson Institute

Lydia Patterson Institute shares with Southern Methodist University the distinction of being the only educational institutions owned by the Central Texas Conference and the other conferences of the South Central Jurisdiction. It is governed by a Board of Trustees which includes a layperson and a minister and the Presiding Bishop of the Central Texas Conference.

L.P.I. was begun as a mission project to assist those who fled to the United States from Mexico during the Mexican Revolution, and it has continued as Methodism's primary mission to the people on the border between these two countries. Its locations in El Paso puts it in a uniquely advantageous position; at the crossroads between the countries, the cultures, and the languages of these two nations. Its experience as a Christian catalyst has been producing good results for generations.

Many people in leadership of Mexican business, government, religion, education, and social service received education at L.P.I. And the school has been a prime supplier of United Methodist ministers to preach and serve in churches where bi-lingual ministry is required.

L.P.I. is a secondary school. A major thrust of its work is its English Second Language (ESL) study. Primarily aimed at students who are citizens of Mexico, ESL is enabling the future decision makers of that country to develop skills both in the language of its neighbor to the north, and in understanding and appreciating Anglo culture. All this is done in a Christian setting where courses are offered in religion and where Chapel services are a requirement.

Teachers at L.P.I. are state qualified, but they serve for less salary than they would receive from public school teaching because they do it from a sense of commitment. A number of them have

been US-2 missionaries.

Another aspect of L.P.I.'s involvement is its Barrio (neighborhood) program. Located in one of the neediest areas of El Paso, the school is in the perfect place to minister to the deprived children and youth. Sixty local youth and children between the ages of 8 and 13 have been actively involved in this program.

The school has a program not only for the deprived of the neighborhood, but one which reaches adults all across the area. It conducts night classes for professional people, primarily United Methodists, who wish to learn Spanish. It thus teaches the English language to one group and the Spanish language to another.

Even broader service has been rendered through the Summer Work Project which has given youth and young adults from United Methodist Churches across the Jurisdiction the opportunity to spend time in Christian service while away from home. In 1982 there were 110 people who participated. They not only did physical work for the school, but were used in the Barrio Project and to help with the ESL classes.

In the Spring of 1982 there were 511 students enrolled in the day school and 25 at night. There were also a record 415 in the summer ESL session. Then Mexico began a devaluation of its peso. It lowered the value six different times. Whereas a dollar's worth of schooling could be purchased by a Mexican student for 27 pesos last summer, it now costs 150 pesos. This has put such schooling out of reach of a vast number of those who formerly were enrolled and those who would have been matriculating. Last year's enrollment of 511 has shrunk to 319, a 36% decrease, and 88% of this decrease has been in the ESL students from Mexico. Since the budget of the School has been based on receiving tuition income, we now are faced with an estimated deficit of $248,000 by August 31, 1983. This projected deficit threatens the continued existence of your school.

L.P.I.'s only sources of income are from tuition, from apportionments to the churches of the Jurisdiction, from Advance Special gifts from these churches, from gifts from concerned individuals, and from any possible grants from the Board of Global Ministries. Because of the emergency, Annual Conferences have been asked to give additional support. Some have responded.

Because of the emergency, Annual Conferences have been asked to give additional support. Some have responded.

The Central Texas Conference traditionally has been generous. In 1982 its churches paid $19,257 of their $19,415 apportionment. Many have included L.P.I. as an Advance Special Project, and some have sent money for scholarships at $815 each. Inasmuch as the apportionments were established prior to the devaluation of the peso and such a crisis was not anticipated, a significant increase in the number and amount of Advance Special gifts will be required to keep L.P.I. alive.

We thank you for the help that you have given your School throughout the years of its life, and we are particularly grateful for your response during the emergency of the last nine months. We hope that you will continue to remember L.P.I. in your prayers as well as in your giving.

Homes For Retired Ministers

Your trustees of Homes for Retired Ministers are happy to report another good year. Since last conference we have sold one of the older homes and at present time have 27 homes.

The special offering for Homes for Retired Ministers this past year amounted to $12,469.65, for which we are truly grateful. We hope that this special offering can increase in future years since our insurance premiums, taxes and cost of repairs continue to climb.

We are grateful for the contributions made by the residents of the homes which makes the difference in whether we could maintain as good a program as we have. The residents contributed $5,815.50.

Of interest to the Conference are the amounts disbursed for:

Insurance	$2,568.00
Ad Valorem taxes	6,132.42
Maintenance	7,584.89

HAROLD EASTLAND, President

Perkins School Of Theology
Southern Methodist University

Greetings from the Perkins Dean

Dear Friends:

As we begin this new year, I am pleased to have an opportunity to acquaint you with some of the background of Perkins School of Theology and to update you on our current situation.

The School of Theology came into being with the founding of the university in 1915. It occupies eight attractive buildings located on the southwest corner of the SMU campus. Since its founding, Perkins has grown steadily in stature and in service to the Church, the region, and the nation. Its graduates now number 3,556, and the faculty has been ranked by its peers as being among the top six seminary faculties in the United States. Operating expenditures for 1981-82 were nearly $5,000,000.

Last fall 437 degree students were enrolled from 35 states and 12 foreign countries, representing 17 religious denominations. Most of our students are preparing for the pastoral ministry, though

some are following courses of study which will lead to work as missionaries, directors of religious education, directors of church music, chaplains, and workers and ministers in other specialized fields. Today's Perkins students are more diverse than ever before; they are older, and many have had other careers. There is more to learn than ever before; they are older, and many have had other careers. There is more to learn than ever before and there are higher expectations of the clergy than ever before. Yet the students of today are persons of ability and maturity who bring enthusiasm and optimism to their demanding tasks.

A seminary is no less subject to economic pressures than any other educational enterprise. Theological education is expensive. Moreover, students preparing to enter the ministry often have fewer personal financial resources with which to cover the cost of the education than those students planning to enter other professions. That is certainly the case with students at Perkins. This year, tuition and fees at Perkins School of Theology are $3,600 for two semesters. The added cost of room and board brings this amount to $7,361. On the average, every Perkins student will need approximately $1,740 in financial aid to meet the cost of tuition and fees alone.

Priority Need For Scholarship Support

As one of the 13 United Methodist seminaries, we are grateful for the generous support of United Methodists through the Ministerial Education Fund, which provided $823,955 to Perkins last year. While this money accounted for three-fourths of our annual giving in 1981-82, the funds from the Ministerial Education Fund are for current operating support only, and may not be used for scholarship aid. As a result, a top priority during the coming five years is to do all possible to secure funding for scholarship aid and to underwrite fully the general scholarship program at Perkins. This would require an endowment of 7 million dollars.

Perkins School of Theology is proud of its long standing relations with the Central Texas Annual Conference. Among its clergy members are 173 Perkins alumni/ae.

We need your support, and hope you will consider a gift to Perkins. Your contribution to the scholarship program may be given in a variety of ways, including memorial funds, and will go a long way to help maintain the quality education that has become synonymous with the Perkins School of Theology.

When you are in the Dallas area, please come by for a visit to our campus. Or, should you have any questions regarding the Perkins School of Theology, don't hestitate to contact me at:

Southwestern University

Almost a decade ago The National Commission on United Methodist Higher Education, of which I was a part, identified several critical reasons for the Church's being in higher education. Among these reasons were: 1) that we are part of a total Christian tradition which sees God as a source of human freedom and in which learning is the acknowledgement of God's purpose for humanity; 2) that we are a part of a Wesleyan tradition which seeks to "unite the pair so long disjoined — knowledge and vital piety"; and 3) that we are a part of a national cultural tradition which maintains that a strong independent sector in higher education is absolutely essential to preserve our dual system of state and independent higher education.

In the light of these premises, Southwestern University is more than a learning community shaped in the traditions of the academy. It is also a faith community as that term is best understood within the Judeo-Christian tradition. As a faith community, it like other United Methodist institutions, strives to be a nurturing, caring fellowship in which such concepts as love, justice, mercy, repentance, and forgiveness have substantial and continuing impact on the patterns of human interaction.

Therefore, the basis on which the young people in your church are accepted into our community of learning and faith is not only that they have performed well as high school students, but also that we want to meet their need for acceptance as human beings as that is understood in our faith

perspective. As a learning community, we have standards which make us refuse to countenance slovenly or shoddy work or be soft in our demands of each other. As a faith community, we do not tolerate prejudice, bigotry, ignorance, deceit, or dishonesty. We accept each student as a person of infinite worth and dignity who is loved and accepted, not because he or she is worthy of that acceptance, but because each one of us needs it as a person created in the image of One whose nature is love, whose purposes are goodness, justice and mercy, and whose ends are the achievement of full human potentiality.

In line with our Master Plan for the future, Southwestern is seeking to become an institution of recognizable quality. We do not, however, conceive of this goal solely in quantitative terms. A noted scholar has written about the concept of excellence or quality in colleges and universities, noting that it usually is measured with reference to in-put, rather than out-puts. Specifically, he asserted that the traditional way to determine the excellence of an institution has been by in-puts such as faculty-student ratios, faculty salaries, the member of PhD's on the faculty, the number of books in the library, the range of our facilities and equipment, or in the academic qualifications of our students. He said that the out-puts, the outcomes in the form of learning and personal development in the lives of our students, have on the whole been unexamined and only vaguely discerned.

As a church-related university, our thrust toward excellence in the 80's will be defined by both in-put and out-put criteria. We will be concerned not only about the qualifications of students and faculty, first-rate facilities, and adequate support services, but we will also be concerned about the authentic development of the whole person. We expect the Southwestern experience to be focused on the whole person.

The Southwestern experience should be open and ecumenical. It must be cosmopolitan in nature in recognition of the diversity, pluralism, and heterogeneity coming from the many cultures of our world. We want our students to develop a planetary awareness and to prepare to become citizens of the 21st century.

We believe that the Southwestern experience should nurture critical thinking abilities and develop communications skills in speaking, listening, and writing. It must be concerned about fostering leadership within a global community, and it must enable persons to be adaptable and flexible in order to be able to cope adequately with rapidly accelerating change.

In short, the Southwestern experience must deal with knowing and being — all that one is capable of knowing and being. It must equip each student to push back the frontiers of human experience, understanding, and knowledge. It must infuse in each person the vision of his or her place in the life and work of a world which has been, is, and is in the process of becoming. It must help each one to become more than he or she ever dreamed possible.

We appreciate the support we have received from countless individuals and United Methodist churches all across Texas during the past year as we have tried to emphasize these principles in the life of the University. Because of the generous philanthropy of the Houston Endowment ($5,000,000), the Mabee Foundation ($1,000,000), and the Moody Foundation ($250,000), we are now in the process of upgrading our physical facilities by renovating our current residence halls and planning the construction of a new one.

Our student body of approximately 1,000 students is improving in quality each year. Income from our endowment of approximately $43 million and gifts of approximately $2,000,000 to our operating budget during 1982 have made it possible for us to keep the cost of attending the University at a reasonable level commensurate with the quality of the education offered. We are glad to say that we will meet 100% of the demonstrated financial need of students who apply for aid. We want to make certain that any student who wishes to attend Southwestern University and who is qualified to do so is not denied that privilege for financial reasons. Your generous support is helping us to make this possible.

Respectfully submitted,
ROY B. SHILLING, JR.,
President

United Methodist Men

1982 completed another year of growth in both numbers and quality. From a low of 15 Chartered United Methodist Mens Fellowships in 1978 we had recorded 45 at the end of October 1982. Most of that growth has come in 1980, 1981 and 1982 with 10.7, and 12 being added respectively each year. Since October of '82 we know of 8 more that have been formed.

We continue to meet with some resistance but we understand that not all men become members of the United Methodist Men and that is O.K. We do expect Lay Leaders and Pastors to inform their men about the new thrust of United Methodist Men and what an active group of committed Christian men can mean to the life and witness of the church.

Our speaker at the April 16, 1983 UMM Convocation at Glen Lake was Brigadier General Charles Duke. Gen. Duke is the astronaut who drove the moon rover on America's moon exploration. Next year's date will be in late March or early April of 1984.

In August of '82 our Spiritual Leader was Bishop Chess Lovern who lives in our Conference. The men particularly enjoyed his delightful wit as well as his witness and messages.

August of '83 we will have a special program entitled "Helping Men Get A Grip On Life." The program will be led by Dr. Ross Freeman, Executive Director of the Southeast Jurisdiction. This new program is designed to help men better understand their place and role in the church and how they can become more comfortable and effective in their work in and with the church. It will also be available for us in District and local church after August.

If we all want the Central Texas Conference to grow, one of the best things we can do is to get our men more active. And what better way than thru and with a United Methodist Mens Fellowship!!

In love,
BILL PALM
Conference President UMM

United Methodist Women

Another successful year has been accomplished by the United Methodist Women of Central Texas Conference. Reports from the districts show an increase of membership of only eight-four, however, we overpaid our pledge to mission by a good amount, with a total amount sent to the Women's Division of $171,987.49. In-Conference expenditures were $54,645.43. This included sending nine members to the Assembly of United Methodist Women held in Philadephia, Pennsylvania.

The year-long study of World Development was concluded with the Annual Meeting in October. Mrs. Ruth Daugherty, President of the Women's Division was the keynote speaker. Having visited many of the countries we were studying, she was able to bring us a comparative report of progress made and the difference between the third world countries and our own. She lifted up some of the things the Women's Division and the Board of Global Ministries were doing to alleviate suffering and to better conditions in other countries as well as our country.

A new slate of officers was elected to continue the work of the mission team in Central Texas Conference. Seven of these newly elected officers attended training in New York City and Cincinnati. The Women's Division believes in concentrated training for the conference officers. In depth training was received at the Regional School of Christian Mission by those attending.

A multi-purpose workshop was held in March. Members of the Mission Team, past and present, who had attended workshops conducted by the Women's Division, were thus able to pass knowledge received to the district and local woman. Topics covered were: Corporate Responsibility, Legislative Affairs, Financial Interpretation and Women as Consumers.

Planning is underway for the School of Christian Mission to be held in July. The Board of Global Ministries cooperates with us in conducting the schools. Subjects for study during the year 1983-1984 are: Central Africa, The World's Uprooted, and Luke. There is information and registration blanks in the individual packets. It is hoped that more people from the churches will attend this year. The majority of the participants continue to be members of United Methodist Women.

Goals for the term 1982-1984 are to increase membership and giving, deepen spiritual growth and awareness, broaden concepts of mission, establish better communication, and better the conditions of women and children. Although this sounds stilted and imaginative, United Methodist Women have been successful in these endeavors for over one hundred years.

The official observance of **Centennial Celebration** will be continued for four years within the organization nationwide. This is not to be confused with the bi-centennial of the church.

The main problem, which we continue to confront is the siphoning of funds by the local church and outside "askings". The Discipline of the United Methodist Church gives our organization the authority to raise money for uses according to our purpose and for the fulfillment of this purpose. We undertake the training of the local unit to this end. However, we are unable to reach all of them. Unfortunately, the local pastor and administrative board as well as outside agencies have a more direct way of reaching the individual unit.

If each local church would stop to consider how much more it would be asked to contribute to the mission program, it would soon realize the amount of time, energy and finances United Methodist Women contribute each year.

Members of United Methodist Women in Central Texas Conference continue to be active in the mainstream of church life on all levels. The person who is involved on the conference level is often, and sometimes always, involved on the district level and the local level of the church. She is usually also involved in her community.

This has been a tremendous year in the work of United Methodist Women in Central Texas Conference.

All of these training events were designed to give helps to annual conference leadership.

Long range planning has been done by the Jurisdictional Council on Ministries, projecting programs for the 1980's.

Work has been done in designing a Volunteers in Mission program for the South Central Jurisdiction.

This would call for a Jurisdiction director to coordinate and give guidance to individuals and groups desiring to do short term mission work with the jurisdiction and beyond.

The Jurisdictional Council on Ministries has authorized the purchase of a computer for the office. The use of this machine will facilitate communication with annual conference and general personnel.

Plans have begun for the 1984 Jurisdictional Conference to be held July 16-19, 1984, the Convention Center, Lubbock, Texas. The Northwest Texas-New Mexico Area along with the Rio Grande Annual Conference will be hosting this conference.

A quarterly communication paper has been inaugurateed, "S.C.J. Mix," and is being distributed to approximately 1,000 persons across the Jurisdiction. This edition will include brief stories of "good things" happening in the various conferences of the Jurisdiction, models of which can be made available.

Individual convocations of the four ethnic minority groups in the South Central Jurisdiction were held during 1982 and plans were made for an Inter-Ethnic Convocation to be held February 17-19, 1983. At the writing of this report, approximately 250 people attended a very successful event.

The committee on Inter-Ethnic Concerns, administered a scholarship fund through the Jurisdictional office. These funds were made available by the Division of the Ordained Ministry.

Approximately 93% of the apportioned items for Jurisdiction Administration was paid by the respective annual conferences.

The South Central Jurisdictional office located at 8035 East R.L. Thornton Freeway, Suite 408, Dallas, Texas 75228, Telephone 214/321-7077, serves as a communication center for concerns of the Jurisdictional and relationships to general agencies. Reports from the three institutions owned by the South Central Jurisdiction: Mt. Sequoyah, Southern Methodist University, and Lydia Patterson Institute, will be made by each of these institutions.

We express our appreciation to the bishops, the council directors and staff, the district superintendents and the following persons who serve from your Conference:

The 1978 Journals of the North Texas and Central Texas Conferences contain reports adopted by both Annual Conferences indicating the need for a new direction for the Counseling Program available for ministers and their families, and the need for a "systems facilitator, coordinating and expediting the present network of support services in the conferences, in matters of recruitment, admissions, evaluation, insurance and pensions programs, retirement, continuing education and other concerns of professional ministries." It was recommended and adopted by the conferences that the office of Administrative Assistant to the Bishop would be expanded to meet the above described needs and that the title would be Area Director of Professional Ministries and Administrative Assistant to the Bishop.

With the inception of the Ministerial Pension Plan on January 1, 1982 and the change to a self insurance hospitalization program in the North Texas Conference, the actual daily operation and administration of the pension and insurance programs were brought into the office of the Director

of Professional Ministries. At this point the office began to take on a staff relationship to the various Boards and Agencies rather than a systems facilitator. After some experience it became apparent that if this direction continued the Office of Professional Ministries would increasingly become the Office of Pensions and Insurance; and the experiences of being forced into other staff responsibilities to the related Boards and Agencies and Annual Conferences would be such that the original intent of "counselor," "facilitator," and "coordinator" would be lost or neglected.

The scope and the functions of the office have expanded beyond all expectations of the original Study Committee and the Area Committee on Professional Ministries. Specifically in the area of pensions and insurance, the functions which must be done both to manage the programs and administrate them on a day to day basis were unknown factors. Experience and careful study have proven that in order for the jobs to be done effectively and efficiently to meet the needs of the persons involved, one individual could not accomplish the tasks.

Therefore, in order to clarify the original intent of the Office of Area Director of Professional Ministries and Administrative Assistant to the Bishop, the Area Committee on Professional Ministries recommends:

(1) The name shall be changed from Area Director of Professional Ministries to Area Assistant to the Bishop.

(2) The Area Assistant to the Bishop shall not serve as a staff member of either Annual Conference but as a resource person and facilitator designated to administer episcopal matters under the supervision and direction of the Bishop and the Area Committee on Professional Ministries.

The Bishop is vitally interested and concerned with all of the areas related to the professional ministry from candidacy through retirement and death. Practically, his presence can only be felt through representation — thus, the Area Assistant to the Bishop. This clarification of the office would make it more related to the office of the bishop and less related to either annual conference as a staff position.

Mt. Sequoyah

Bishop Russell and members of the Annual Conference, a brochure from Mt. Sequoyah is in your packet.

On behalf of the trustees and management of Mt. Sequoyah, I would like to say thanks for the excellent support you have given this past year.

In 1982 Mt. Sequoyah celebrated its 60th anniversary. The facility, valued at approximately 3.75 million, has a total of 40 buildings including dormitories and cottages, an auditorium seating 400, a chapel seating 120, a cafeteria seating 350, a Cokesbury Book Store and numerous classrooms and meeting places.

The trustees have a long range study committee looking at new ways to make the assembly more useful to the Jurisdiction.

Thanks for your support.

Task Force On The Ethnic Minority Local Church

Operating under its established guidelines, The Central Texas Conference Task Force on Ethnic Minority Local Church has continued its role of support and encouragement. (Those guidelines may be found on page 232-233 of the 1982 Journal.) We have funded a variety of events and programs in the year 1982/83. Included were a choir clinic, missional support in the Waxahachie District that will continue into the second half of 1983, a scholarship grant to a Perkins student, and a major financial commitment to a trial multi-racial staff at Forest Hill UMC. Some of these efforts have met with better results than others; but when you work on the cutting edge, there are no guarantees or absolutes. Several programs are being readied for submission to the Task Force for its consideration. You will be seeing the results of these in the months ahead.

It may be that some are feeling that the Missional Priority is not causing enough to happen. We need only to look at the increase in membership of several of the ethnic churches in the conference,

the increased strength and viability of others and the undertaking of major financial efforts of still others to know that progress is happening. In this conference, like any conference, the progress takes place because the people of the conference want it to happen. You have supported this priority with your finances, your votes and your moral support. The local churches have taken initiative to cause things to happen. The district and conference agencies have seen programs through that have moved us forward. Let us celebrate the progress that has been made and commit ourselves to a new effort. With your continued support, we can work through all of the needs that this family of churches has.

Reverend Samuel Marvin Franklin

Reverend Samuel Marvin Franklin was born November 20, 1891 in Quitman, (Wood County) Texas. He was the elder son of Ben and Rosie Franklin. He attended the public schools of Quitman. He served honorably with the U.S. Armed forces during World War I.

Brother Franklin was married to Miss Eula Wesley and from this union his son, Rev. Dr. N.H. Franklin survives him. Samuel Marvin Franklin joined the West Texas Annual Conference on credentials in 1946. He served the conference faithfully until he retired in 1964. Some of his appointments were: Waxahachie Ct.; Milford-Italy Ct.; Wharton Ct.; Kingsville, Scott Chapel; and Georgetown Ct. His second marriage was to Miss Mabel Young of Calvert, Texas. She preceded him in death May 1978.

Sam Franklin, as the bretheren referred to him in reverence was a beloved man. He was loved by the people that he served; and in each community where he lived he was admired and respected by all ages and races. He never saw a lost Church or a lost boy. He would rather see a challenge to use his courage and faith. One person described him by saying that Rev. Franklin's word is as dependable as the sunrise. He died October 6, 1981 in Amarillo, Texas.

He is survived by his widow, Mrs. Evalyn F. Franklin; Mexia, Texas; a son, Rev. Dr. N.H. Franklin, Amarillo, Texas; three step-sons, five step-daughters, two nephews, four nieces; eleven grandchildren; thirteen great grandchildren. Memorial services were held October 9, 1981 from St. Luke United Methodist Church, Mexia. Burial was in Cotton Gin Cemetery of Freestone County.

Officiating ministers were; Dr. Ervin M. Gathings, district superintendent; Rev. H.W. Curtis, pastor and his son, Dr. N.H. Franklin, pastor of Johnson Chapel A.M.E. Church Amarillo, delivered the eulogy.

Anthony J. Miller

Anthony J. Miller was born in Says-Gorn, Germany on March 16, 1889. He was one of nine children born to A.J. and Theresa Miller. His father was a shoemaker.

The Miller family moved to America when Anthony was still a small child. They lived in several places in the greater Kansas City area. One of Anthony's elementary school playmates was the late President Harry S. Truman.

Anthony was baptized and confirmed in the Roman Catholic faith. He and his wife Arvilla were married in 1912. He was well established in a business career in a large Kansas City department store when he was converted to the Protestant faith. He joined the Evangelical Church. After a few years as an active layman, he responded to God's call to the pastoral ministry.

He returned to school and graduated from Yaeger school and Kansas City College. He was licensed

to preach in 1924. He accepted his first pastoral assignments to The Evangelical Church in Atchison, Kansas in 1926 when he was 37 years of age. He served other churches in Kansas and Missouri until 1951, when they moved to Texas in an effort to improve Mrs. Miller's health. Rev. Miller served churches in the Southwest Texas, Central Texas, and Texas Conferences until his retirement in 1957.

After remaining in Texas for several years following retirement, Rev. and Mrs. Miller returned to Kansas, where they took up residence in the Friendly Acres Retirement home at Newton, Kansas. She died there in 1976.

Although Brother A.J. took official retirement in 1957, he continued to witness to his faith and thoroughly enjoyed his one-to-one relationships with many friends and associates. He especially appreciated opportunities to sing in the chapel services.

His health began to fail and he died on Tuesday, December 14, 1982, at the age of 93. Memorial services were held in Newton under the leadership of the Reverend Leroy Butt, pastor of First United Methodist Church.

Wallace J. "Jack" Shelton

Wallace J. Shelton was born November 24, 1909, in Frost, Navarro County, Texas. In his first pastorate at Mosheim-Lane's Chapel-Cayote, he met and married Marguerite Bagley, July 21, 1934. To them two children were born: Jack and Margaret.

Jack was born for the Christian ministry, obeying God's call in 1929. By hard work and personal sacrifice he was educated at Hillsboro College and Southern Methodist University, Dallas, Texas. Texas Wesleyan College, Fort Worth, recognized his effective ministry to Christ and the church by honoring him with a Doctor of Divinity degree in 1962.

He was first admitted to the Central Texas Conference on Trial in 1934, was ordained Deacon in 1936 and Elder in 1938. For 41 years in the active relationship and 8 years in retirement, Jack Shelton was a "good Minister of Jesus Christ" and faithful Servant of the Methodist Church, serving with distinction the following appointments: Mosheim-Lane's Chapel-Cayote; Carlton-Purvis; Bruceville-Rosenthall-Mooreville; Sparks Memorial, Waco; Couts Memorial, Weatherford; First, Olney; First, Waco; First, Mineral Wells; District Superintendent of the Brownwood District; Riverside, Fort Worth; First, Killeen.

An interesting fact is that Jack in all this itinerancy had not a single one-year tenure. Deeply loved by lay persons, as both Pastor and District Superintendent he was affectionately called "Brother Jack." He loved those whom he served, was a good administrator, incessant visitor, indefatigable worker, "always prepared" preacher. His was no "marginal" Ministry — just getting by — but his was an "all-out", unselfish Servanthood, giving 110% support to the Conference program, the Bishops and District Superintendents. In retirement he became a good "Follower", Apostle (Helper) to his pastor, the Men's Bible Class and the Ministry of the Arlington Heights United Methodist Church, Ft. Worth, teaching and serving numerous Sunday School classes and other groups.

Jack Shelton was a good man of unquestionable integrity, deeply devoted to his dear wife, Marguerite, his son, Jack (a fine Medical Doctor), his loving daughter, Margaret, and his six grandchildren. "Living life on tip-toe" almost to the very end, he entered the next phase of Life Eternal by a heart attack on January 21, 1983. A memorial service was conducted at the Arlington Heights United Methodist Church, Ft. Worth by his pastor, Henry Radde and Maggart B. Howell. Burial was in Laurel Land Memorial Park, Ft. Worth.

He is survived by: his wife, Marguerite, who continues to live in their lovely home in Ft. Worth; his son and wife, Dr. Jack Shelton, M.D., Dallas; his daughter, Mrs. Margaret Shearer, North Richland Hills, Ft. Worth; six grandchildren; a brother, Edwin Shelton, Nocona, Texas; a sister, Winona Dowdy, Garland; other relatives and many friends.

Maggart B. Howell

Rev. Daniel Boone Baker

Rev. Daniel Boone Baker died on February 19, 1983 and was buried on February 23 with funeral services at the St. James United Methodist Church in Temple. Rev. Billy Chavers was in charge and he was assisted by the District Superintendent, Dr. Jack Payne and Rev. J.L. Wadley.

A veteran of thirty-four years in the Methodist ministry, Bro. Baker served twenty of that in the Central Texas Conference. He was a former member of the West Texas Conference of the Central Jurisdiction. He had spent his final years in a convalescent home in Temple and died at the age of 97, outliving all of his immediate family, but being tenderly cared for by two step-daughters, Mrs. Ruth Ward and Mrs. Charlotte Boston.

Rev. Dale Eugene Yant

Dale Eugene Yant was born in Crete, Nebraska, October 6, 1925. He married Joyce Harriss June 14, 1947. Two children blessed this union. An infant daughter, Tracey Dee preceded him in death on December 28, 1956. A son, Martin and Joyce survive him. He is also survived by his mother, two brothers and a sister.

A Naval veteran of World War II and the Korean conflict, Dale also served for thirty two years in the accounting department of Texas Electric Service Company in Ft. Worth.

He answered the call to the ministry and received his Local Preacher's credentials in 1959. After serving on the staffs of the Benbrook, Riverside and Central Methodist Churches of Ft. Worth, he was appointed Pastor of Cayote-Mosheim Circuit in Bosque County in 1963. In June of 1965, he was transferred to the Iredell-Cranfills Gap Charge where he served first as a part time and then full time pastor upon retirement from the electric company. He remained the beloved shepherd of that charge for fourteen years.

Appointed to the Evant Parish on June, 1979, Dale led the three churches of this charge to renewal. Each of them experienced growth and spiritual uplift. He was pastor to more than the people of his congregation. The town and community recognized him as their pastor and friend. He was revered by all.

Dale E. Yant's untimely death brought grief not only to those to whom he had been pastor, but to the entire conference.

Memorial services were held in the Evant United Methodist Church and burial was in Iredell Cemetery. Dr. Jack Payne, Temple District Superintendent, conducted and he was assisted by Rev. Bob Weathers, Dr. Eugene Robertson and Dr. Dean Franklin.

John H. McDaniels

Reverend John H. McDaniels was born in Eastland, Texas, on October 29, 1919, and died on April 26, 1983, in Fort Worth, Texas. John was one of three children born to Will Jackson McDaniels and Beulah Trigg McDaniels. He married Juanita Obenhaus on August 22, 1943. Their son, John Timothy McDaniels was born September 27, 1954. Two special grandchildren survive: Leigh Ann McDaniels and John William McDaniels. John was an active member of the Richland Hills Methodist Church when he decided to enter the ministry action was officially taken during the District Conference of the Fort Worth East meeting at the Handley Church on December 4, 1961 where a License To Preach was granted. Dr. W.V. Vane presided over the meeting — W.C. Martin was Bishop of the area. John qualified for Conference membership through the Course of Study program and was ordained for Conference membership through the Course of Study program and was ordained Deacon at the 1967 Annual Conference. He then attended Hill Junior College and received the AA Degree. In one of those rare situations, Perkins School of Theology admitted John into the Master of Theology Degree programs without a Bachelor's Degree and he graduated in 1972, with his Elder's orders coming in 1973.

John was a Master Mason and a member of Moslah Shrine in Fort Worth. He was a Navy veteran of World War II and a member of the Lion's Club. His first appointed pastorage was Watauga, followed by Italy-Avalon, Joshua, Red Oak, Ferris Heights-Milford, Keller, Davis Memorial and Wesley of Fort Worth.

A memorial service was conducted in the sanctuary of Wesley United Methodist Church by Dale Hunt, Bob Young, Luther Henry and Walter Black. Interment in the Oddfellows Rest Cemetery in Columbus, Texas.

Dr. James H. Campbell

The Rev. Dr. James H. Campbell, Sr. died on Wednesday, May 18, 1983, at Harris Hospital in Fort Worth, Texas. At the time of his death he was the Director of the Central Texas Conference Council on Ministries and a member of the Bishop's Cabinet.

Funeral services were held on Saturday, May 21, 1983, at the First United Methodist Church in Fort Worth. Bishop John W. Russell officiated at the services assisted by Dr. Barry Bailey, Dr. Lively Brown and Dr. Thomas Tribble. The graveside service was led by Dr. Edward H. Otwell in the Greenwood Cemetery.

Dr. Campbell was a native of Lockney, Texas, and a graduate of Plainview High School. He graduated from Texas Wesleyan College and Perkins School of Theology at Southern Methodist University. While attending T.W.C., he married Stella Green on August 23, 1946. To this marriage came three children; James H., Jr., Beverly, and William Franklin. To Beverly were born two children, Brandon and Jason.

Dr. Campbell enlisted in the U.S. Army Air Corps at the beginning of World War II serving in the 13th Air force as a gunner on a B-24 bomber. He survived a crash on take-off while participating in bombing missions against Japanese forces. During service to his country he received several battle stars.

James was first licensed to preach in 1946 and was assigned to Saginaw as his first pastorate. He preached his last sermon in that church the Sunday before his death, having been invited by the congregation to preach for the Lord's Acre Celebration.

He had entered the Central Texas Conference on Trial in 1948 and was received into Full Connection and Ordained Deacon in 1950. Ordaination to Elder came in 1951. James spent his entire ministerial career in the Central Texas Conference and in addition to the Saginaw church had been assigned to churches in Benbrook, Euless, Taylor, Eastland, Ridglea, Hurst, and Arlington Heights; also serving as Temple District Superintendent, and Director of Conference Program Council.

Dr. Campbell was awarded an honorary Doctor of Divinity degree from Texas Wesleyan College in 1978. He was a delegate to the Jurisdictional Conference in 1980. For many years Jim served as Chairman of the Retired Ministers Homes in the Central Texas Conference.

Jim Campbell was a warm, caring, loving minister who served his Church in an outstanding way. His love for Christ and The United Methodist Church was evident to all who knew him by his words and deeds. All of us who had the privilege of working closely with Jim will remember how he brought hope and vitality to his parishes because of his unyielding loyalty to Jesus Christ and his love and commitment to his people.

Dr. Edward H. Otwell

Bonnie Faye Pressley Lovern

The Lovern family and a host of friends gathered together in First United Methodist Church of Fort Worth on the afternoon of October 14, 1982 for a service of worship in memory of Faye Lovern. Participants in the service were Dr. C.C. Sessions, Bishops W. Kenneth Pope, W. McFerrin Stowe, O. Eugene Slater and Dr. Jon Hugh Fleming. The Texas Wesleyan chorale presented appropriate music.

Faye, a native of Georgia, graduated from high school in Smyrna, Georgia, the valedictorian of her class. She attended Monroe A & M College for a time. Then, for some years, she worked in Detroit.

Faye Pressley and J. Chess Lovern were married on June 5, 1935. Then came a succession of pastoral appointments from San Angelo to the Rio Grande Valley, to San Antonio, Lubbock, Oklahoma City, and Tulsa. In 1976 at the South Central Jurisdictional Conference in Lincoln, Nebraska, Dr. Lovern was elected to the Episcopacy and assigned to the San Antonio Area. Upon his retirement in 1980 he was invited to be the Bishop in Residence at Texas Wesleyan College. In each and all these appointments Faye's gifts and graces were graciously given and gratefully received. Although in pain often, she lived through the last three and one-half years of her life without complaint. She continued to be active in the ministry she had always shared with her husband.

During their pastorate at Laurel Heights Church in San Antonio Faye enrolled in Incarnate Word College. She majored in diatetics, and was graduated with honors. Her principal interests, outside her family and church, were sewing, interior decorating and gourmet cooking. Also, she did volunteer work with senior citizens.

Faye Lovern was an altogether lovely and loving person, gentle and genuine, unassuming and unselfish. Always she showed regard for the other person. She never clamored for place or position. She never demanded recognition. She was an authentic human being.

Faye's earthly journey ended on October 12, 1982. We praise God for her beautiful Christian life. With her husband and her children, Mark and Lindy, we thank God that her life touched ours. And we are grateful for the faith that she lives eternally in our Heavenly Father's House.

Bishop O. Eugene Slater

Mrs. Augusta Burton Johnson

"Her children arise up and call her blessed," says the writer of Proverbs. That is just what the children of Mrs. Augusta Burton Johnson did on the occasion of her death and burial. Several of her relatives related the good qualities of this fine lady, adding that too much can not be said.

Augusta Burton was born August first, 1891, in Riesel, Texas. She was married to Edgar Horace Johnson on January 1, 1912. He was then a young attorney, but responded to a call to ministry in 1925. Rev. and Mrs. Johnson served for 19 years in Texas and New Mexico conferences, beginning in the Northwest Texas Conference and retiring in the Central Texas Conference. They also served five additional years as Supply Pastor and wife following his retirement.

Mrs. Johnson is survived by her six children; E.H. Johnson, Jr., Juanita (Mrs. Douglas) Johnson, Helen (Mrs. W.F.) Collins, Elizabeth (Mrs. J.A.) Burleson, Faye (Mrs. J. Bond) Johnson, and Jean (Mrs. Arlon) Causey.

Death claimed Mrs. Johnson on April 28, 1983. Funeral Service was held by Rev. Lloyd Sansom on April 30 in Mart, Texas, with interment at Riesel Cemetery.

Lloyd Sansom

Mrs. Edith Norine (nee Simmons) Holt

Mrs. Edith Norine (nee Simmons) Holt was born in Rockdale, Texas, March 29, 1897 to Enoch Simmons and Mollie Modesett Simmons. She became a member of the Methodist Church when she was thirteen years old.

As a young lady, she attended school at what was then called a Normal School in San Marcos, Texas. Here she received her qualifications as a teacher and was in the teaching profession for nine years.

On June 1, 1927 she was married to Ira B. Jay. The couple moved to Erath County near Stephenville. Mr. Jay died in 1934; the wife continued to live in Erath County.

In 1940 she married Ervin W. Holt. Mr. Holt was first a lay preacher. After a time preaching in the Baptist Church, he was encouraged to fulfill a lifelong desire — to become a Methodist minister. It was under the influence of his wife, Norine, he studied and was accepted as a supply pastor. He continued to answer his call into the ministry as a supply pastor for the next fifteen years. In 1945 he was admitted as a supply pastor into the Central Texas Conference. He served as minister at Huckabay, Clairette, Bunyan, DeLeon, Gustine and Comanche Circuits. He served Huckabay Circuit Green Creek until ill health forced him to retire in January 1961.

In 1962, Mrs. Holt returned to Rockdale, Texas where she resided until her death on April 2, 1983. She was a loyal member of St. John's United Methodist Church, Rockdale, Texas. She maintained a deep interest in the life of the church until her death. Funeral services were held from St. John's on April 4, 1983, the Reverend Donald R. Box, Pastor, officiating.

1.1 The purpose of the District Conference shall be: (a) to elect district representatives to the Annual Conference Council on Ministries; (b) to elect district representatives to the conference agencies; (c) to elect members of the District Council on Ministries; (d) to elect two persons under age twenty-five to serve as members of the Annual Conference; and (e) such other business as it shall determine.

1.3 The District Conference records, where kept, are not to be reported to the Annual Conference.

2. There shall be a District Committee on Nominations in each district of the Annual Conference for the purpose of nominating to the District Caucus the best qualified persons within the district for the various positions are required by the Annual Conference.

2.1 The membership shall be the district superintendent, who shall be the chairperson, and such other persons as determined by the District Council on Ministries.

Interim vacancies may be filled by the District Council on Ministries in lieu of the District Conference.

3.2 The officers shall be a chairperson and such other officers as the council shall determine who shall be elected by the Council upon nomination of the District Committee on Nomination.

VI. LOCAL CHURCHES

1. Each congregation shall annually give attention to its vacation policy, using as the guideline for its discussion the statement contained in the Pastor-Parish Relations Committee Manual as issued by the General Church.
2. In the event of death of a minister residing in a parsonage, the family of the deceased minister will be allowed thirty days to find other housing and vacate the parsonage.

VII. DISCONTINUED OR ABANDONED CHURCHES

1. When a local church has been discontinued or abandoned and the property disposed of as directed by the Book of Discipline in accordance with Paragraph 2441, the proceeds derived therefrom, if any, shall be first applied to the retirement of pension deficits, and the satisfaction of any claims against ministerial pension annuities which may have arisen out of failure of that church to make proportionate payment for ministerial support. The Trustees of the Conference shall recommend to the next session of the Annual Conference the disposition of any remaining proceeds.

EQUITABLE SALARY PROGRAM

There shall be a program of Equitable Salary Support in the Central Texas Conference under the management of the Commission on Equitable Salaries and Clergy Benefits. This program shall be patterned after paragraph 935 of the 1980 **Discipline.** Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Salary Program.

1. The Commission recognizes the necessity of coordinating all salary subsidy; therefore, the Conference Treasurer shall inform the Commission of any salary grants by other Conference or General Church agencies, so it may coordinate salary grants with such agencies. Any pastor receiving such grants and whose salary is still below the Conference minimum shall be eligible for consideration of salary supplements through the Commission on Equitable Salary and Clergy Benefits for that portion not covered by any other sources.
2. A prerequisite for consideration of salary supplements from the Equitable Salary Fund shall be the filing with the Commission a written application by the District Superintendent. The District Superintendent shall certify classification of the pastor and the salary (salary, travel, and utility) set by the charge. The application form will be supplied by the Commission.
3. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro rata basis for the part of the year actually served.
4. The following conditions must be met by the pastoral charge before its pastor can become eligible for consideration to receive salary supplements from the Equitable Salary Fund.
   (a) The pastoral charge shall have conducted an Every Member Canvas for the local church budget of each of its churches during the previous conference year.
   (b) All apportioned items shall have been paid in full for the previous conference year.
   (c) The charge must have at least 100 members.

   In unusual situations the Commission on Equitable Salary and Clergy Benefits may waive any or all of these conditions.
5. The Commission on Equitable Salary and Clergy Benefits will pay any amount up to ⅓ of the minimum salary as set by the Annual Conference for each applicant according to his/her ministerial classification. If any exception under paragraphs 4 or 5 is sought, the request must be endorsed by a ⅔ vote of the Cabinet before it can be considered by the Commission.
6. Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 1982, with following years based upon percentages of the average salary of

the Conference. The salary supplements, based upon the fixed percentage rate, will change automatically with any changes in the average salary:

		1982	Following Years
(a)	Elder, Full Connection	12,000	80%
(b)	Associate Member	10,000	66.6%
(c)	Full Time Local Pastor	9,000	60%
(d)	Probationary Member		
	1) Non-Student Living on Charge	10,000	66.6%
	2) Student Living on Charge	9,000	60%
	3) Student Living Away from Charge	7,000	46.6%
(e)	Student Local Pastors		
	1) Living on Charge	8,000	53.3%
	2) Living Away from Charge	6,000	40%

7. Pastors who are appointed to less than full time service as addressed in the 1980 **Discipline,** paragraph 438.3b shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in pastoring the charge. For example, if the pastor is deemed as serving ¼ of full time his minimum salary eligibility would be ¼ of the minimum of his Conference relationship classification. The categorized ¼, ½, ¾ will be followed in determining less than full time eligibility for salary supplements from the Equitable Salary Fund.
8. Seminary students who are serving pastoral charges and receiving Equitable Salary Supplements, are eligible to receive $2.00 per mile, one way, one time per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor receiving the charge at the end of the third quarter of the Conference year.
9. Ministers who are not eligible for salary supplements are:
   (a) Those whose appointment is other than pastor of a charge within the Central Texas Conference.
   (b) Those classified as part time local pastors.
   (c) Retired ministers.
   (d) No pastor shall be eligible to receive salary supplements from this fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in a present appointment.

Committee On Sustentation

Report No. 1

OPERATIONAL PROCEDURE FOR SUSTENTATION
Plan of Operation

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of the Executive Committee of the Board of Pensions.
   This committee will have charge of and promote all the interests of the Sustentation program and shall be the determining factor in the final approval of any candidate for participation in this program.
2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.
3. We recommend further that the following shall be eligible for participation:
   1. All ministers of the Central Texas Conference who have been admitted on trial, or have been received into full connection, provided they have not reached the age of voluntary retirement, which is sixty-five (65) years of age.
   2. An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in the Central Texas Conference.
   3. Any Minister, meeting the above requirements, who is relieved of his pastoral duties and granted a leave of absence from his charge by the Bishop and Cabinet any Conference year for physical or psychological reasons shall be eligible for sustentation for the portion of the year that remains until the next meeting of the Annual Conference.
4. We recommend the following procedure:
   1. The applicant shall make his desire known, in writing, to the Committee on Sustentation.

2. The applicant must submit to a complete examination of the Clinic of The Harris Hospital in Fort Worth, Texas and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number eight (8) of the Certificate of Disability which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"
3. In extreme emergencies, the Committee will consider the diagnosis and recommendations of a duly qualified physician, but not the claimant's personal physician.
4. When the applicant is approved by the Committee, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With the approval of the Committee on Conference Relations and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.
5. We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.
6. All payments shall be made to the claimant monthly.

5. We recommend the following financial plan:
   1. The Committee shall be given authority to draw upon the Operating Reserve Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested price.
   2. After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the Council on Finance and Administration for the inclusion of that amount in the Conference Budget for the ensing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if the plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

Members of the Council on Finance and Administration
CENTRAL TEXAS CONFERENCE of the UNITED METHODIST CHURCH
Fort Worth, Texas

I have examined the Summary of Cash Receipts and Disbursements of W. M. Greenwaldt, Secretary-Treasurer, Central Texas Conference of the United Methodist Church, for the year ended December 31, 1982. My examination was made in accordance with generally accepted auditing standards, and accordingly, included such tests of the accounting records and such other procedures as I considered necessary in the circumstances.

As described in Note 1, the Central Texas Conference's policy is to prepare this summary on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present results of operations in conformity with generally accepted accounting principles, since such accounting principles require the accrual of income and expenses.

The Supplementary Information included in this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of my examination was limited to a review on auditing procedures with regard to the Supplementary Information, except to confirm the balances shown.

In my opinion, the accompanying Summary of Cash Receipts and Disbursements referred to above, present fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year then ended, on the basis described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.

CORRECT NAMES AND ADDRESSES

All personnel of the Conference whose names and addresses must appear in the Journal should always communicate any changes to the Conference Secretary. The only exception to this policy is at the time of ministerial appointment, wherein the new appointee occupies the same address as the previous appointee. Your assistance will insure that both the Conference Secretary and the Conference Office have the accurate addresses and telephone numbers for all persons who are related to the Annual Conference.

Interpretation
Of The 1983
Conference Theme And Logo

God has entrusted His eternal treasure of the Gospel in forms of clay . . . especially the vessel of the Church of Jesus Christ.

The logo is a visible reminder of the earthen vehicles of ministry available to the Church including the opened word, the administered sacraments, and the performed basin and towel ministries of individuals, congregations, and institutions. Most importantly and central, however, the persons of the Church, lay and clergy, are the vessels of God's choice.

The 1983 theme, "Eternal Treasures in Earthen Vessels" is drawn from Paul's description of himself found in II Corinthians 4:7. It helps us remember the high calling and the essential stewardship of the Church. May the decisions, elections, actions, and attitudes of the 1983 Central Texas Conference session prepare us to be more fitting vessels for God's use.

The 1983 logo was designed by Dr. John M. Lukert and perfected and made ready for print by Becky Wiseman Cliett of First United Methodist Church, Hillsboro, Texas.
