Composite Report Of The District Superintendents

Bishop Russell, Members of the Central Texas Annual Conference, and our guests and friends: The District Superintendents bring this report to you, grateful for the faith and works that mark this Bi-centennial year as one to be remembered and used in so many ways as a bench mark for future endeavor.

The faithful work of our churches and ministers reflect growth and forward movement in vital areas. Foremost in our prayers of thanksgiving is the acknowledgement of growth in membership across our conference for the third consecutive year. The statistician's report will give the exact figures; but we desire to point out that this conference has dared to go against the trend and shows a net increase in membership, worship attendance, church school enrollment and attendance, and fiscal records. This record is symbolic of the faith-work that is occurring within the life of our congregations under the leadership of the finest team of ministers to be found in any conference.

Further evidence of this growth is to be found in the building of new facilities for worship, education, and parsonages. Within the past year we would note the following projects:

Added to the lists above we would point out the successful endeavors of the Annual Conference Commission on Church Growth and Development. This ministry continues to thrill us with its dedication and success stories. Under the leadership of Dr. Ed Otwell, who is joined by talented laity and ministers, this unit of our future continues to labor with vision and wise planning and in the planting of new congregations. Two new churches — St. Phillip in Round Rock and Grace in Arlington — have been constituted within the last 30 days. We urge the continued support by our members and churches to this area of investment in our future. We see two areas of immediate need to which we give our full commitment:

1. The goal of ten thousand share holders is realistic, and we see as never before the necessity of attaining this mark to insure the challenge and unique opportunity that is ours. As we experience population growth, we must have the wisdom that comes through faith to prepare those sites where we will be needing new congregations.

2. The bringing together of all our resources, financial strength, and fiscal potential is a necessity. Joining these total assets to our ever pressing needs can result in strides of advancement that surpass some of our "old ways." We endorse the procedures already underway to bring together our capital funding with our future capital needs (especially within the areas of pensions, church growth, and Glen Lake Camp).

Highest praise and recognition is due our Annual Conference staff. The work, ministry, leadership, and service given to our churches is outstanding. It requires special people to coordinate the many faceted programs of our Annual Conference and move the flow of work together to meaningful results. We have such people and commend them for the confidence they give to us all. This has been a difficult year for the staff in some ways. Moving into new office facilities (with all that packing and unpacking means) was accomplished with no visible sign in the disruption of service. This accomplishment is exceptional and reflects the talented staff with which we are blessed. We also give recognition to the Arlington Heights UMC for the space provided at our former location and for Christian patience in matters of meeting our schedule needs.

The outstanding record of our Annual Conference is due in most part to the day by day dedication and labor of our ministers. We commend them for the deep dedication that results in our attainments. Our parsonage families are a constant source of blessing and inspiration to us and our churches. Joy and sorrow have both entered into our parsonage homes this past year:

Births:

Daniel Paul, born to Jerry and Liz Chism
Jessica Livia, born to John and Sidney Fiedler
Seth Phillip, born to Brian and Carol Young
Matthew Stephen, born to Dean and Diana Posey
Katie Elizabeth, born to Dale and Patti Waser
Chappell Lamar, born to Gary and Alice Torian
Erin Elizabeth, born to Eric and Susan McKinney
Christopher Daniel, born to Stephen and Susan Ramsdell
Allen Frank, born to Gary and Carol Turner

Marriages:

Gary Whitbeck to Beverly Ross Bouillion
C. W. Anderson to Celesta Scott
Leslie McClatchy to Rebecca Slate
Devin Partee to Navis Evon Mills
Barry Holmes to Margaret Anne Peters

Those whom we have lost in death will be listed in those materials and records relating to the memorial service and the Conference Journal. However, let us say that in every situation of tragic loss our affected families have been and are a source of inspiration to us all. We join with them in praise and honor of the lives that are now apart from us.

A special word of praise and prayerful appreciation is in order for our First Family — Bishop John Russell and Mary Jean. This conference marks the close of the first quadrennium for this outstanding episcopal family. By example and pastoral nature they have led us through some difficult waters and have blessed us with a patient faith that gives strength and excites us to new attainments. The past fifteen months held for us experiences never before faced by this Annual Conference. Seven ministers from within the active ranks have died while in full service. This resulted in deep sorrow upon parsonage families and impacted this Annual Conference to the very core of its faith. We humbly thank our God for the renewing faith and assurance that have come from the congregations and ministers of this Annual Conference. The test of faith has not only been met but has made a living reality for us all that we are a Resurrection People. However, we as a Conference found ourselves needing a pastor, a shepherd to minister to a body of people hurting to the very heart of our souls. We thank God who has and does provide for us John Russell and Mary Jean. We join with our delegation and the Committee on Episcopacy in unanimously requesting the Jurisdictional Conference Committee on Episcopacy to reassign Bishop and Mrs. Russell to our area for another four years.

In closing, the cabinet would note that our Annual Conference is number one in many areas. However, the one that thrills us as much as others is the fact that once more we are one of seven Annual Conferences in all of Methodism to be one hundred percent in the payment of all apportionments. We have become an example for other conferences in areas such as Church Growth, Urban Ministry projects (the largest Meals-on-Wheels ministry in the nation is within the bounds of our conference), Ethnic Minority Local Church projects, and new congregation starts, camping, and leadership training ministries. On and on our list could go; however, there is more work to be done.

The General Conference has given us a direction and a challenge of great importance. United Methodism is called upon to duble its membership by the year 1992. This must not become a shallow goal nor mere rhetoric. We are called upon to set into place those plans and ministries that would assure this taking place. Therefore, we call upon this Annual Conference to dedicate itself to becoming a leader in the winning of new life to the Church. We are located in an area that promises large population growth, we have the churches and membership, and we have the ministers and the resources to succeed. All we need is a rededication of our own wills to do the work of the evangelists. We, your cabinet, join with our Bishop and you in covenant to give our very best to this attainable challenge. May God bless us all in this portion of His vineyard.

Respectfully submitted on behalf of the Cabinet,
James E. Shuler, Chairman

Resolution Of Appreciation

Bishop and members of the Annual Conference, two hundred years ago, in the year 1784, at Lovely Lane Methodist Church, Baltimore, Maryland, a small but intrepid group of ministers and laity constituted themselves as THE METHODIST EPISCOPAL CHURCH OF THE UNITED STATES OF AMERICA. They had only recently found themselves engaged in the force of arms to gain their political freedom from England, an entitlement which they deemed to be theirs, not by the decree of government, but by the grace of God. In His name they, at Lovely Lane, also declared themselves to be free from England in regard to religion. They were to be a church constituted by their commitment to Jesus Christ and the principles of theology and administration set forth by the Rev. Mr. John Wesley, et al, not by the permission of any ecclestical or political body. At the conclusion of the organizing conference they perceived their debt to their

forebearers, as well as to those who had served them through the days at hand. Therefore, they prepared and passed resolutions of appreciation.

We, their progeny, stand on the threshhold of the next two hundred years for God. Like them, we are smaller in number today than we shall later be. Like them, we believe our potential as instruments of Jesus Christ is limited only by our availability to His inward possession of our deepest selves, and by our perception of our indebtedness to those before and now, who have served us so well. Therefore, as we pledge ourselves to always endeavor to be open to be inwardly possessed by our Lord so that we may, like St. Paul, have the mind of Christ, be compelled by his love, remember the widows, orphans and all who suffer any deprivation or ruination within this earthly life, and be renewed in our inner person, though our outer person is wasting away, so we also pledge ourselves to always gladly pay homage to our benefactors, and thus nobly discharge our debt of gratitude, without which debt we would be poor, not rich.

Therefore, be it resolved by the Central Texas Annual Conference of The United Methodist Church that:

WHEREAS, On this day, June 6, 1944, the Allied Powers landed on the bloody beaches of Normandy and thus began the liberation of Europe's population from the cruel domination of the Nazi's, and that thousands upon thousands of our men and many of our women gave themselves up to the fortunes of war, whether for life or for death, asking only in prayer that the world might be free for democracy,

AND WHEREAS, in these present days we have also become debtors to those during this Annual Conference who have aided, comforted, and encouraged us by their kindness; firstly, Dr. Barry Bailey and the staff and members of First United Methodist Church, Ft. Worth, Texas, with special gratitude to Mrs. Perry Bass for her uncommon graciousness in personally providing a seated tea for our ladies,

AND WHEREAS, many of our own conference family have extended themselves to bless us with the ministry of music, liturgy and the Word, such as Dr. Bob Weathers at the Memorial Service to our fallen comrades, who have watched these proceedings from the balcony of heaven, God permitting,

AND, WHEREAS, the choirs and instrumentalists of the First United Methodist Churches of Corsicana, Ft. Worth, Grapevine, Mansfield, and Waxahachie have brought peace, poise and beauty to our spirits through the mystery of music and thus added praise to the vocabulary of our faith,

AND, WHEREAS, our proceedings have been thoroughly and courteously reported by the representatives of The Ft. Worth Star Telegram, The Waco Tribune Herald, and The Methodist Reporter,

AND, WHEREAS, The Bi-Centennial Parade and Celebration received the special enthusiastic ministrations of the Rev. Bob Holloway, Mr. Joe Brown, Mr. Stephen Simons and The Texas Wesleyan Choir,

AND, WHEREAS, our hearts have been strangely warmed by the wit and wisdom of the preaching of Bishop Monk Bryan and the Rev. Dr. Albett C. Outler, who passed to us the spark of wonder they have caught from their relationship with Jesus Christ,

AND, WHEREAS, we have for the fourth year been shepherded through our Annual Conference by Bishop John W. Russell, who has tended this flock of God tenderly and eagerly, with genuine regard for the voice of the least while humbly exercising authority over us all,

AND, WHEREAS, Mrs. John W. Russell, Mary Jean, is to our families, a friend and sister, a lady who understands the deepest sorrows a mother can bear but who has borne them as such an example of faithfulness, motherhood and compassion, that no one of us can say we have not seen what love and determination will do to triumph in the face of adversity overcoming it for herself, her husband, her daughters and for their invalid son, whose own heroic, human spirit was in life and remains in death a challenge to each of us to attain his or her own ultimate best,

AND, WHEREAS, we are debtors to both God and to our fellow pilgrims in the churches of the Central Texas Annual Conference,

THEREFORE, BE IT RESOLVED, that posterity record that on June 6, 1984, we stood in solemn reverence, love and appreciation for all these, living and dead, who are part of the Church of Jesus Christ, our living Lord.

AND, WHEREAS, Dr. Gordon Dennis, Dist. Supt. of the Ft. Worth West District, along with his staff, ministers and the laity of the district have spent many hours of yeoman service in preparation for this conference.

Respectfully submitted:
The Committee on Courtesy & Resolutions
Rev. Wilton J. Goodwin, Chairperson
Mrs. Norman W. Bruner
Rev. Richard M. Freeman

Wyatt's Chapel Cemetery

Whereas, the Wyatt's Chapel Cemetery, a 2.64 acre tract in Mansfield, Texas, was deeded as a public burying ground to the Methodist Episcopal Church South in 1880, and

Whereas, the Wyatt's Chapel site is significant in the history of Mansfield and Tarrant County because it is believed to be the first organized Methodist Church in southeast Tarrant County, and

Whereas, First United Methodist Church in Mansfield has requested that title to the property be transferred to the church with the understanding it will be maintained by the church and that a Texas State Historical Marker will be erected,

Therefore be it resolved that 1984 Session of the Central Texas Conference authorize and direct the Conference Trustees to take the necessary steps to transfer the title of the Wyatt's Chapel Cemetery to First United Methodist Church in Mansfield.

Respectfully submitted,
Sidney Roberts, District Superintendent
Fort Worth East District

Report Of
Conference Office Committee

The Conference Office Committee approved the location of the conference offices of the Council on Ministries, the Council on Finance and Administration, and the Commission on Church Growth and Development in the Mallick Tower, One Summit Ave., Ft. Worth, Texas. The three year lease began November 1, 1983 and ends October 31, 1986. The cost is $42,350 per year.

While looking for a permanent location to purchase, or land to purchase, on which a building could be built, the committee learned the St. John's Church on University Drive in Ft. Worth was considering closing. After the church did make the decision, the committee visited the church and discovered a good, sound building in an excellent location with additional land for parking.

St. John's Church is being closed and the land and building will become the property of the Annual Conference. all indebtedness is paid in full; apportionments for 1984 are paid in full to June 1, 1984; and a sizable contribution has been given to The Methodist Home in Waco. The members of St. John are hopeful the Conference could and would use the property, including the building for a conference office center.

The building is an L shaped building with approximately 5520 sq. ft. (60'×92') in the Sanctuary and 3584 sq. ft. (32'×112') in the educational portion for a total of 9104 sq. ft. The land is 265.7' by 134' (35,603.8 sq. ft.) or .82 acre.

Therefore the Conference Office Committee moves the following motions:

1. That St. John's church at 311 University Dr. in Ft. Worth, Texas be used by the conference as their office center.
2. That the Conference Office Committee be authorized to employ an architect for the purpose of re-designing the building for conference office space.
3. That these remodeling plans, the estimated cost, and the plan of financing the project be presented for approval to the 1985 Central Texas Annual Conference.
4. That upon approval of the 1985 Central Texas Annual Conference that construction begin so as to complete the project by November 1, 1986 (end of present lease) or sooner provided the present 3 year lease of space at Mallick Tower can be terminated without financial penalty.
5. That the Central Texas Annual Conference pay the remaining 1984 (7 months) apportionment on behalf of the St. John's church. ($5,163.08)

Council On Finance And Administration

Report No. 1

1. The Council on Finance and Administration commends the members of the Annual Conference, the churches and the membership of the churches for their financial response and responsibility in 1983. Our conference has a long tradition of such financial responsibility and the Council on Finance and Administration looks forward to continuing that tradition.
2. The salary for the District Superintendents shall be an amount equal to 110% of the average of the salary and allowances paid to pastors of the top twenty (20) churches of the Conference. It shall be computed on the basis of salaries approved by the Charge Conferences which appear on the Episcopal work sheets as of April 1 prior to the meeting of the Annual Conference. The figures will be compiled by the Assistant to the Bishop and sent to the President of the Council on Finance and Administration and the Conference Director of Finance and Administration within five days. (The 1985 salary for a District Superintendent will be $47,430). The Ministerial Pension Plan Current Service amount of 12% of the Denominational Average Compensation, billed directly to the Conference, will be added to the above salary for apportionment to the districts. An allowance of $3,600 for travel outside the bounds of the district is included in the salary for the District Supt.
3. The Conference offices of Director of Finance and Administration, Director of the Council on Ministries, and Director of Church Growth and Development will receive a salary equal to that of the District Superintendents. For 1985 that salary will be $47,430. This amount includes an allowance for utilities and maintenance of $4,000 for the above named three offices. Travel allowances may be part of the respective Council's or Commission's budget.
4. The District committees on finance are authorized to prepare district budgets for presentation to the District Stewards. An amount equal to 10% of the salary for the District Superintendent may be included in the district budget to defray the utility costs of the district parsonage. In addition an amount equal to 10% of the salary may be included in the district budget for travel expenses of the District Superintendent.

   District budgets shall not include a discretionary fund, but may include a District Operation Expense item with a parenthetical explanation of its intent. The district budget shall be submitted to the Annual Conference Council on Finance and Administration for approval each year.

   The District Stewards are authorized to apportion a Connectional Contingency Fund to be used for paying in full apportionment items which may fall short within the respective district. The apportionments will not include the traditional cushion. The Connectional Contingency Fund will be administered at the district level in the same means as the District Work fund. It is understood that if a portion of the Connectional Contingency Fund is not used in any given year, it will remain in the fund and future apportionments to the fund will be reduced. Any adjustments for unusual local church situations will be made in the apportionment of the Connectional Contingency Fund only. All other apportionments will be distributed to every local church on the basis of the decimal.
5. In 1985 the Conference Claimants Fund will include the Ministerial Pension Plan Past Service amount of $834,900.
6. The Connectional Ministry amount will be $429,206. Included in this amount is the Episcopal Fund $79,661, and the District Superintendent's Fund $349,545. The District Superintendent's Fund includes the salaries and the Ministerial Pension Plan Current Service amount.
7. The Council recommends the request from the Conference Board of Higher Education and Ministry that the amount for the Texas Methodist College Association be $1.58 multiplied by the total Conference local church membership. The Council also

recommends the request from the Conference Board of Higher Education and Ministry that the amount for the Wesley Foundation fund be $1.01 multiplied by the total Conference local church membership. Both funds shall be apportioned to the districts and to the local churches on the decimal authorized by the Annual Conference.

Recommendations From Annual Conference Council On Ministries To The Annual Conference

Three years ago, the Annual Conference Council on Ministries requested permission from the Annual Conference to include the office of camp manager — with additional responsibilities — as part of the conference staff as an economical way of meeting program needs.

An evaluation by the Executive Committee of the Annual Conference Council on Ministries and the Conference Council on Youth Ministries has concluded that this arrangement has not adequately met our needs.

Therefore, the ACCOM requests that the Annual Conference grant permission to resume the structure in effect three years ago and recommend:

1) That responsibility of the office of camp manager be confined to the administration, maintenance and development of the camp.
2) That the source of funding for the office of camp manager be the operation budget of the camp. (During the transition period, the fee structure should reflect a small increase in fees to insure a stronger support base. Further, we recommend that the $20,000.00 "undesignated gifts" be used as a backup source as needed.)
3) That we employ a staff person in the Council on Ministries office whose major portfolio is youth ministry, and that this be done within our present funding and that the structure of three years ago be resumed.
4) That mileage for 1985 be 18¢ per mile for one in a vehicle; 21¢ for two; and 23¢ for three or more.
5) That conference boards and agencies plan their meetings and events on days other than Fridays.
6) That the Council on Ministries Office act as a clearing house for all conference- and district-related events and that, as far as possible, this office will be responsible for working out conflicts. (To implement this, it is suggested that conference events be scheduled in odd-numbered months, and district events, even-numbered months.)

Area Committee On Professional Ministries To The Central Texas And North Texas Conferences Of The United Methodist Church

The committee has striven to enhance and perfect the Professional Ministries program so as to maximize the ministry which it offers to the ministerial families of the two conferences.

The major endeavor has been the expansion of the number of counselors participating in the program so as to make this resource as easily available as practical. Presently our roster of counselors is comprised of the following persons:

Dr. Dale W. Blackwell
Ft. Worth, Texas
Dr. Robert E. Elliott
Dallas, Texas
Mrs. Sharon L. Grimm
Brownwood, Texas
Dr. Titus Haynes
Dallas, Texas
Dr. Elmer H. Howell
Wichita Falls, Texas
Dr. Charles Kemp
Ft. Worth, Texas
Dr. Willard J. Pannabecker
Waco, Texas
Dr. Kenneth Pepper
Dallas, Texas
Dr. Ann C. Rhodes
Sulphur Springs, Texas
Mr. Warren Townsend
Kileen, Texas

Our perserverance in attempting to make counselors available all across the geographical territory of the two conferences has resulted in an equal distribution of assistance as reflected in the number of cases served, as follows:

Central Texas Conference No. of cases — 34.
North Texas Conference No. of cases — 38.

We continue to exercise a responsible management of fiscal resources and are pleased to report the following financial profile for each of the two conferences:

CENTRAL TEXAS CONFERENCE		NORTH TEXAS CONFERENCE	
Income for 1983	$13,999.92	Income for 1983	$14,206.44
Carryover from 1982	1,754.63	Carryover from 1982	−4.39
Expenditures for 1983:		Expenditures for 1983:	
Counselors	−8,917.50	Counselors	−12,526.20
1/2 Misc. Expenses	−85.73	1/2 Misc. Expenses	−85.73
1/2 Rio Grande Conf.	−10.50	1/2 Rio Grande Conf.	−10.50
12-30-83 balance	$ 6,740.82	12-30-83 balance	$ 1,579.62

Finally, the committee continues to serve as a support and assessment entity for Dr. Ervin Gathings, Area Assistant to the Bishop and chief executive officer of the counseling program. We salute him for an effective performance of his duties and respectfully request of Bishop Russell reappointment for the ensuing year.

Respectfully submitted,
DR. DON M. PIKE, Chairperson

Theologians, economists, military personnel

Some of the resources to be used are various pamphlets and handouts obtained from church offices and non-profit organizations.

Calendar Schedule:

Fall 1985

Report Of Board Of Diaconal Ministry

The BODM has sponsored two gatherings of diaconal ministers this year. The first was a breakfast meeting at Annual Conference in June. Diaconal ministers were joined by those in candidacy for consecration and certification for dinner in April.

An important part of this year's work has been monitoring the Study Committee on the Ministry as it prepared legislature for General Conference. Observers from this board were present at all sessions until the adoption of the report by the Board of Higher Education and Ministry. Diaconals of this conference were kept informed of the proceedings.

A joint meeting with the Board of Ordained ministers allowed the two groups to explore existing attitudes of ordained persons toward diaconals. General Conference issues and other information from the two boards was shared.

Representatives from the Board of Diaconal Ministries planned with those from the Board of Ordained Ministries for the minister's Time of Growth and Reflection. The cost of the event on management of stress was underwritten equally by the two boards.

The BODM has tried to encourage all diaconals in their service appointments and those persons in candidacy for certification or for the diaconate. In continuation of the long-standing requirement of annual evaluation and manditory continuing education, the BODM has received and reviewed each diaconal for recommendation for continuation in the office of diaconal minister and/or recertification. The board has become aware that employing agencies may need guidance for evaluation procedures and procedures for recommending changed or improved relation with diaconal ministers. The following is in accordance with The Discipline of The United Methodist Church, paragraphs 266.2b, f3.

1. Evaluation should be by the supervising person and the Staff Parish Relations Committee.
2. Evaluation should be related to a mutually understood Job Description.
3. Objective evaluation would be made of the performance of the specifics of the Job Description.
4. Positive evaluation would assume a vote of confidence for continuation.
5. An evaluation recommending change or improvement of performance should include a performance prescription developed and agreed upon by Staff Parish Relations Committee and diaconate. A performance prescription should outline a course of action that the diaconate would undertake to correct deficiencies and meet the standards delineated in the Job Description.
6. Performance prescription should be implemented during an agreed probationary period followed by supplemental evaluations with Staff Parish Relations Committee and diaconate.
7. A positive supplemental evaluation would assume a renewed vote of confidence; a negative evaluation could result in termination of employment or repeating the probationary process.

GOALS FOR 1984-85

1. To interpret the new legislation regarding diaconates to the whole Annual Conference, to employing agencies, to laity, and to candidates and potential candidates.
2. To encourage and educate employing agencies to hire diaconal ministers and certified lay professionals so as to assure integrity, level of competence and accountability.
3. To work more closely with the Bishop and cabinet regarding employment procedures of diaconal ministers.
4. To plan and implement a continuing educational event specifically for diaconal ministers and candidates.
5. To develop a comprehensive recruitment plan to be implemented in 1985.

The Central Texas Conference Study
Of The Needs Of Older Adults
Proposal

Objective

The purpose of this project will be to determine selected residential and health related service needs of aged Methodist Church members in the Central Texas United Methodist Conference territory, to make a preliminary assessment of feasible potential service delivery options available to the Conference and to identify some services which the elderly members of the churches could constructively provide.

Scope

The Center for Community Services Planning of the Graduate School of Social Work, The University of Texas at Arlington, proposes to undertake this project under the

general direction of the Ad Hoc Committee of the Committee on Aging in the Board of Global Ministries. The following will be major areas of the study:

1. An analysis of pertinent census data;
2. Estimation of need of the Methodist Conference population for selected health, retirement, or other ministries for the aged which might be sponsored by the Methodist Church. Among the subjects to be explored will be home care, day care, group residential living (e.g., congregate living mode) and nursing home care;
3. Analysis of interests of church members in selected services;
4. Financing preferences (e.g., endowment, refundable fee, monthly rates, etc.);
5. Potential major program options;
6. Program recommendations (e.g., priorities).

Method

Experts will be consulted by the Center to identify possible service options and questions to be posed in the survey. A sample survey of people who are 45 years of age and older and who are members of Methodist congregations in the Conference will be conducted. Additionally, each church congregation will have the opportunity of completing a group response to a questionnaire in order to determine the congregation's perception of need and interests in services.

Secondary data will also be sought from various census sources and the general records of the Conference.

One complete report and twenty copies of the executive summary will be prepared and presented to the Committee. Verbal interpretation and discussion of the report will be provided at the time of delivery of the study report.

If during the course of the study the Conference elects to increase the scope of the project or significantly change this, the cost may be adjusted to cover additional expenses.

Appropriate confidentiality of individual respondents will be assured by the Center.

Special Considerations

Participation of the Conference:

1. The Committee will provide two lists from each participating church. One will list church members who are approximately 45 to 59 years of age, the other will list members who are 60 and over.
2. The Committee will be expected to make arrangements for the Bishop and other appropriate parties to provide the necessary support (by letter or otherwise) to a data collection effort in the local churches.
3. Church volunteers will be needed to assist in selecting the sample and developing the mailings.
4. The Committee may be asked to provide Conference membership and program records.
5. The Committee will be expected to arrange for various committees which may be needed within the Conference, districts, and individual churches.
6. The Center's work program assumes the active cooperation of the Methodist Conference districts and individual churches in securing the necessary data.
7. In the interest of public service, the Center for Community Services Planning would also like to have the privilege of using the service needs information developed in this study in other public service projects which may be able to use such information, with the understanding that all confidential and personal information will be safeguarded and appropriate credit given to the Conference for their part in the study.

Budget

Contribution from the Central Texas United Methodist Conference:

Personnel	$26,250.
Supplies	2,400.
Office supplies, postage, printing, copying, telephone	
Computer services	500.
Travel	
Local and out of town	850.
TOTAL	$30,000.

Estimated contribution of the Center for Community Services Planning is $14,000.

Budget Notes

This budget is predicted on a ten months project. It assumes a fairly high level of cooperation from the member churches and congregations which would not result in major losses of time.

Personnel costs include the assignment of a highly qualified project director, with support services being provided through the other professional resources of the Center. As needed, the project staff will also seek out selected technical consultants. The faculty of the Graduate School of Social Work which is nationally distinguished for its research and program expertise in gerontology will provide consultant services.

Time Period

The project will require approximately ten months from the initiation of funding.

Summary Of Project Plan

The Center for Community Services Planning will direct the project which will include the following:

1. Experts will be asked to analyze and design possible services: (1) for, and (2) from senior citizens in the Methodist Conference.
2. A scientific random sample will be selected from the lists of church members: (a) 45 to 59 years of age, (b) 60 and over.
3. A survey instrument will be developed. This questionnaire will be used to secure data in the random sample and from the local churches.
4. The volunteers who are recruited by the churches will be trained to conduct the interviews. The training sessions will be held in not more than 7 locations.
5. Teams of volunteers will be instructed in the techniques of reporting the answers provided by the local churches.
6. The survey will be conducted and responses analyzed.
7. A summary report will be developed. The summary will include:
   (1) a report of the data from the individual survey responses, and
   (2) a report of the responses from the churches.
8. Some feasible action options will be identified.
9. Recommendations for actions will be made.

Assistance in the actual implementation of the plans will be available on a brokerage basis to the Conference and/or the local churches.

For the duration of the project, the Center will look to the Ad Hoc Committee as the advisory and resource group. The project is designed with the expectation that a large majority of the local churches will cooperate and provide the needed volunteers and information.

The Committee will be provided one complete report and twenty copies of the executive summary of the project. Additional copies may be secured at cost.

We estimate that the project will require approximately ten months. We are very interested in the subject of quality of life of the elderly and appreciate your financial constraints. Therefore, we will agree to conduct the study with you for $30,000.

Board Of Global Ministries
Committee On City, Town & Country Work
Proposed Program — 1985

Program:

We are continuing to offer an award to two local churches; one award to a church with a membership from two to one hundred in membership and another award to a church having a membership of one hundred one to two hundred for the year 1985.

Concern/Need:

It is the purpose of these awards to recognize the outstanding ministry of the small local church. By restricting the churches who can submit an application by membership, we allow the small local church a greater chance of conference recognition.

Goal:

It is necessary to everyone to have a good self-image if they are to be healthy and successful. It is the observation of this committee that this is true for the smaller churches in our conference. We are in hopes that the continued recognition of their excellent ministry will foster this good health and success.

Audience:

Central Texas Annual Conference for the Award Presentation. Small churches in the Central Texas Annual Conference with the purpose of challenging them to excel in their local ministries.

Resources:

Cost of this on-going program will be approximately $750.00. Any surplus will be used for new training program for 1985. As we see it:

Award presentation expense	$550.00
Travel & postage for award	200.00

Financial Arrangement:

Annual conference line item.

Calendar Schedule:

Award is given during the Annual Conference each year. Submission of applications is by April 15 of the year the award is to be presented.

Committee On Education And The Advance

Proposed Program — 1985

Program:

To continue promotion of Advance Specials with special emphasis on World Hunger and Volunteers in Mission. (Thanksgiving offering)

Concern/Need:

Two major areas of need in our world are hunger and malnutrition. Addressing that need requires organized effort by the church. Another concern is the Jurisdictional program to recruit, train, certify and assign short term mission volunteers in designated areas in our own jurisdiction and elsewhere.

Goal:

The goal is to continue the Thanksliving offering as Advance Special giving in local churches to help address the problem of hunger and malnutrition, and to fund the Jurisdictional Volunteers in Mission program with $2,500 as we did this past year, and to set an amount of $2,500 as an Advance Special goal for local churches during the conference year.

Audience:

The audience is the annual conference delegates in session, district superintendents, pastors, local and district mission coordinators and local and conference UMW officers.

Proposed Program — 1985

Program:
To continue periodic promotion to local churches to be full-supporting congregations of individual missionaries.
Concern/Need:
Not only do our missionaries need greater financial support, we need more missionaries. Also, the local church needs a sense of personal investment and contact with missionary personnel.
Goal:
To allow local churches with memberships of less than 750 to become full-supporting congregations of a missionary by giving $3.00 per member. Larger churches are asked to give $1,000 or more as a lump sum. Missionaries on furlough could then have these sponsoring churches on their speaking itineraries and churches would get periodic updates on missionaries they help sponsor.

The Harris Methodist Health System

Annual Report — 1984

As we move into another year and continue our quest for the very best in health care, we are greatly encouraged by accomplishments of the past twelve months. It was a rewarding year with continued growth and many improvements in our services and physical facilities. This trend will continue in 1984 with important projects scheduled to start, while others commenced in 1983 will proceed toward completion.

During the past year, the Harris Methodist Health System welcomed two more hospitals to our north Texas network. Eastland Memorial Hospital and Memorial Hospital in Cleburne are valuable additions to the Harris System family.

Numerous expansion and improvement programs continued or were completed in 1983. The $70-million construction program at Harris Hospital-Methodist continues as planned, while a new six-story medical tower was opened at Harris Hospital H-E-B. Other major projects were underway or completed at the Dublin Medical Center; Meridian Hospital; Memorial Hospital, Cleburne; General Mexia Memorial Hospital and Hamilton General Hospital. You will find more on the projects in the pages ahead.

While buildings and equipment are necessary components in our endeavor, we recognize that the healing process relies on the skills and dedication of human beings. At the end of 1983, the Harris System had grown to 4,279 employees and 1,096 physicians on staff. Our member institutions provided more than 339,271 days of patient care.

We firmly believe that the Harris System, through its innovative health care concepts, is taking a leadership position in proving that carefully structured, affiliated systems are one of the future's best hopes for quality health care. The credit goes to every individual associated with us — to our fine Board of Trustees, to our dedicated employees and highly qualified physicians, and to our compassionate volunteers.

The combined efforts of all members of the Harris family will continue during 1984 and the years ahead as we seek to further improve the quality of care provided to every patient we serve.

In Pursuit of Excellence

Ours is an era in which industry projections point to the demise of many of the nation's small hospitals because of rising costs and lack of local financial strength. The Harris Methodist Health System seeks to protect the integrity, quality and operating efficiency of all of its member hospitals in the growing North Texas area.

Goals of the individual hospitals are attained through a common sharing of medical, technological and management expertise. The Harris System also provides strong financial resources which enable System members to purchase new medical equipment and to upgrade and expand their health care facilities. The success of the Harris System is an indicator that the whole is truly greater than the sum of its parts. Recent achievements have shown that member hospitals are accomplishing more through teamwork than would ever be possible if they functioned individually. Today, every member of the System is strong, fully functional and looking toward the future with optimism.

Moreover, current objectives will further enlarge and improve the System, assuring that patients within the Harris System's service area will be the recipients of the highest quality health care possible.

Harris Hospital-Methodist

Fort Worth's Harris Hospital-Methodist is the Harris System's tertiary care hospital. As such, it offers tremendous resources in advanced medical equipment and a staff of highly skilled professionals. The hospital's medical staff is composed of dedicated, board eligible or certified physicians whose experience extends to virtually all medical specialty and sub-specialty areas. These assets in health care form the vital hub of the Harris System and are shared with all other member hospitals.

This 628-bed, not-for-profit, acute care facility is currently undergoing an impressive $70-million expansion which will create one of the Southwest's most complete major medical centers. The heart of the expansion is the Sid W. Richardson Pavilion, a multi-level surgical tower, which will house 22 new surgical suites and provide 190 patient beds. The pavilion will also include a spacious outdoor rehabilitation deck, which will be landscaped to create a relaxing, optimistic environment for recovering patients.

Adjacent to the new surgical tower will be the Harris Center, a physicians' office building which will be connected to a new parking garage by a seven-story glass-enclosed atrium with overhead walkways at various levels. The construction will also include enclosed and landscaped access between several buildings in the complex.

When completed in the fourth quarter of 1985, the expansion will greatly enhance the entire System's capabilities.

At the Forefront of Medical Technology

Continuing technological advances, combined with highly professional medical skills, are reinforcing the strengths of Harris Hospital-Methodist. Among the many tools and techniques available at Harris Hospital-Methodist are those highlighted on these pages.

HARRIS MEDICAL LABORATORY — Recently completed, the new 24,000-square-foot laboratory serves patients in the Harris System's member hospitals and physician's offices, clinics and many non-member hospitals in North Central Texas.

MAGNETIC RESONANCE IMAGING — Construction of the Harris MRI Center is scheduled to begin in the spring. When the Center is completed, Harris will become the first hospital in the Metroplex, and one of the first in the country, to employ the MRI solely for clinical purposes.

CARTER CENTER FOR CLINICAL NEUROSCIENCE — Severe head injuries and neurological medical problems require the most up-to-date equipment and an extremely high level of professional skills. The Carter Center for Clinical Neuroscience is one of the largest and most sophisticated in the Southwest.

MARY GIBBS JONES HOSPITAL FOR WOMEN — A component facility of Harris Hospital-Methodist, the Mary Gibbs Jones Hospital for Women is among the largest women's hospital in the United States with a total of 150 beds and 98 bassinets. It is also considered one of the nation's finest critical care centers for high-risk newborns. Operated under a consortium agreement with Fort Worth Children's Hospital, the Mary Gibbs Jones Hospital maintains a 40-bed Level III Neonatal Intensive Care Unit. Each year, more than 6,000 babies are delivered at Mary Gibbs Jones.

CORONARY ANGIOPLASTY — In many cases an alternative to coronary artery bypass surgery, this medical procedure utilizes a balloon-like device to open passages in the coronary arteries. Harris was one of the first hospitals in the Southwest to perform coronary angioplasty.

EXPANDED CAREFLITE — The CareFlite airborne ambulance service links patients needing emergency treatment to all member hospitals and provides rapid transportation to that facility best able to provide the required care. With the availability of fixed wing aircraft, CareFlite has been extended beyond the former 150-mile limit.

OUTPATIENT SURGERY — Modern medicine now permits about 40% of all surgical procedures to be performed on an outpatient basis. At Harris, the most modern surgical techniques allow an ever-increasing number of patients to return home from surgery without a hospital stay.

CARBON DIOXIDE LASER — Able to perform surgery on parts of the body unreachable by conventional techniques, the CO_2 Laser performs a dual function. As it cuts, the beam sears millions of tiny blood vessels. It is surgery which is essentially bloodless and unbelievably accurate.

Harris Methodist Health Services

Shared services available to member hospitals of the Harris System include planning, marketing, architecture and construction, public relations, materials management and development.

Through Health Services, the Harris System participates in a national purchasing group. Savings from contracts negotiated with suppliers on a national and regional basis are passed on to each member hospital. The group purchasing contracts are also marketed to other hospitals in the North Texas area.

Health Services also provides financial data and office management services to physicians and clinics in North Texas. Those employing the organization's services can interface with the System's mainframe computer for efficient transmission and processing of information in a cost-efficient manner.

Additionally, Health Services through Medical Ancillary Services, Inc., combines professional technologists and state of the art equipment in providing a variety of mobile diagnostic services to areas where advanced medical testing is not otherwise available. This mobile service brings the latest diagnostic tools to the patient rather than requiring the patient to be transported to a facility in a larger community. Included are Computerized Axial Tomography (CT Scan), Nuclear Medicine, Ultrasound and Electroencephalography.

Our Mission

Formed as an expression of the health and welfare ministry of the Central Texas Conference of the United Methodist Church, and based on the Christian principles of ministering to the spiritual and health care needs of society, the Harris Methodist Health System is dedicated to providing the highest quality health care through its network of not-for-profit hospitals and long-term care facilities. The services provided by the System are the physical expression of the Church's underlying human compassion for those in need.

Inner City Ministry Of Waco

Annual Report To The Central Texas Conference Of The United Methodist Church

Support from the Central Texas Conference enabled Inner City Ministry to continue to expand its programs in 1983.

1. Inner City Ministry has the largest volunteer Meals-on-Wheels program in the nation. Currently five hundred (500) volunteers are used to prepare and deliver 400 meals three (3) times a week to homebound individuals living in Waco. That's 62,400 meals for the year. The meals are prepared in 14 locations, 13 of which are located in church kitchens.
2. In 1981 Inner City Ministry initiated a program providing a Chaplain to nursing homes, presently serving five (5) nursing homes for a total of 5,668 contacts during the year.

   The Chaplain to Nursing Homes is a professional service program whereby pastoral care and counseling is provided for residents of nursing homes, their families and the nursing home staff members. The specific areas for pastoral care and counseling include grief and loss, depression, terminal illness, guilt, fear and forgiveness. The

chaplain combines counseling skills with theological training to fulfill the four historic pastoral functions: guiding, sustaining, reconciling, and healing to persons who are hurting spiritually and emotionally.

3. In 1973, Inner City Ministry began operating senior centers in rural McLennan County. At present, there are six (6) of these centers located in Axtell, Crawford, Mart, McGregor, Moody and West. In October of 1982, three more centers in adjacent Falls County were added. There are two (2) centers located in Marlin, the county seat, and one center in Rosebud.

   In 1983 nearly 117,000 meals were served to senior adults in the nine senior centers. Each center also provides a wide variety of support services and activities for older persons.

5. Inner City Ministry also provides transportation for people over 60, living in rural McLennan or Falls counties, to medical facilities, social service agencies and senior centers. Approximately 1500 rides per month are provided utilizing eight vehicles; two are wheelchair lift equipped.

These programs could not have the impact that they currently have on the community without the help of Conference grants and contributions from individual churches in the Conference. We look forward to a continued successful association with the Central Texas Conference as we strive to meet the needs of those around us.

Respectfully submitted,

Methodist Home Mission Statement —

As an agency of the United Methodist Church, Methodist Home offers a multiple service Christian child care ministry to children and their families in Texas and New Mexico. The program facilitates normal growth and development with the goal of enabling children and their families to enhance their wholeness and freedom in order to achieve and to become more productive individuals of greater dignity and worth.

Our new Mission Statement was developed by the administrative staff of the Methodist Home, then discussed and approved by the Board of Directors. This statement provides clear direction to our program of child care.

You can be sure that we will view each individual child in our care as a child of God with potential. Our Methodist Home children's choir sings, "I am a promise; I am a possibility." We will endeavor to develop that potential to the greatest extent possible.

By your support of our program, you become a part of our mission. Thank you for our largest Christmas Offering ever. As partners in mission, let us go forth to continue our mission of Christian child care and encircle families with the love of Jesus Christ.

Methodist Mission Home

Report For Year 1983

During 1983 the Methodist Home served some 1134 persons in special ways: 133 maternity clients — resident and non-resident; 125 other maternity clients who received counseling and assistance who made other plans for their child; 133 putative fathers who were

contacted and counseled; 95 infants and 6 older children placed for adoption; 258 prospective adoptive parents receiving individual and group training; 188 hearing impaired clients, with a total of 28,703 resident days on campus of the combined two groups.

The Mission Home is owned by a Board of Trustees selected from the seven United Methodist Annual Conferences of Texas and New Mexico. The San Antonio property of 30 acres of land and buildings were valued at $1,300,000. at construction in 1968.

The Mission Home is the corporate umbrella for its two ministries: The Southwest Maternity Center, our historical maternity and adoption program since 1895; and the Southwest Center for the Hearing Impaired, since 1974.

SOUTHWEST MATERNITY CENTER

The Center gives option counseling for the pregnant unwed young lady in both resident and non-resident settings; and for those who choose to release their child for adoption we keep a reserve of some 60 couples approved who are ready to be chosen by our licensed agency as "the home a child needs."

We urge the clergy and lay members to remember that a licensed adoption agency and maternity home can provide counseling to the birth parents, anonymity and matching of placement as well as advocacy for the infant in finding the best home, even if the child for some reason is unadoptable. A petition asking for any child adoption to be done through licensed agencies was submitted to all Annual Conferences for approval at the annual sessions in 1983, and the petition was approved. (Recorded in Central Texas Conference Journal, Page 134, first paragraph.)

Adoptive Registry

The Board of Trustees of the Mission Home approved the establishment of an in-house registry in keeping with the adoptive registry legislation passed into law by the Texas Legislature in 1983.

Outpost Offices

Outpost offices with part-time counselors are located in Dallas, Lubbock, Midland, Odessa, Longview, Houston, Nacogdoches, Port Neches, Brownsville, McAllen; and Denver, Colorado.

For maternity service, call toll free, 1-800-292-5103, Texas; and 1-800-255-9612, other states. For adoption inquiry, call, (512) 696-7021.

SOUTHWEST CENTER FOR THE HEARING IMPAIRED — TEN YEARS!

This residential rehabilitation program, organized in 1974, serves some 188 residents a year, maintaining about 65 on campus at one time. Services for young adults — 16 years and older — include evaluation of work abilities and aptitudes, personal social adjustment counseling, structured residential living; Life Skills training; independent living skills and on-the-job training. 8 deaf clients were served from the Central Texas Conference in 1983.

FUNDING

The churches continue to give a significant amount of the operating budget, which in 1983, amounted to $1,840,810.00 (expense).

Sources of Operation Income for 1983		Percentage
Church Contributions	$ 247,849.00	13.5%
Individual and group gifts	65,320.00	3.5%
Adoptive contributions	522,023.00	28.3%
Resident fees — hearing impaired	849,846.00	46.1%
Resident fees — maternity	4,948.00	0.3%
Christmas/Easter letter (direct mail)	71,340.00	3.9%
Interest (Endowment & Cash flow)	80,613.00	4.4%
Total	$1,841,939.00	100.%

Endowment: $849,483.00 (Cash, $707,196. — Receivables, $109,278.00 and Securities, $33,009.00)

Indebtedness for land and buildings: $45,448.00

The books are audited annually by a CPA firm.

FUND RAISING CAMPAIGN

The Board of Trustees approved a fund raising campaign in the amount of $325,000.00 in May, 1983; however, due to the hard work on the part of the Board members and friends of the Mission Home, nearly $600,000.00 has been committed, of which $400,000.00 has been received in cash, with the remainder pledged.

Due to this overwhelming response to the campaign, the Board re-evaluated the needs of the HOME, and a separate building — a Women's Center — will be constructed. The building will house the maternity clients so it will contain dorm rooms, a counseling room, dining area, staff offices, etc. Eight efficiency apartments for the SCHI clients will be built on the back side of the present Women's dormitory, as part of the remodeling and rearrangement program. Each apartment will have a kitchen, bath and bedroom. A parking area and central meeting room will also be included in this arrangement.

No solicitation was made of churches to raise money for the Campaign.

THANKS TO CENTRAL TEXAS CONFERENCE

We appreciate the persons from the Central Texas Conference who serve on the Board of Trustees of the Methodist Mission Home, and in accordance with our By-Laws we will be electing the Trustees at the Spring Board meeting, and will forward their names to your Annual Conference for ratification.

We are also grateful to the many lay persons and pastors from the Central Texas Conference who have been supportive of the ministries of the Mission Home, and for the gifts which have enabled the ministry to continue.

The total Conference giving (7 Conferences) for the year was $247,849.00, and of this amount, $24,395.00 was contributed by the Central Texas Conference through the Conference Treasurer.

We commend all churches that participated in giving to the Methodist Mission Home this past year, and we urge all others to include this vital ministry in their giving during the remainder of this Conference Year.

HAROLD BURKHARDT, President

Wesleyan Homes, Inc.

Sponsored by
The Central Texas Conference

BACKGROUND:

The Wesleyan Retirement Center opened in September of 1962, serving the active retiree who could live independently without attendant care; and those persons requiring nursing care. The location of the Center was and still is most appropriate for retirement living as it is located in the center of town near churches and stores.

In February of 1978, the Wesleyan completed and opened its present Nursing Home directly across the street from a newly built Doctor's Clinic and the new 60 bed Georgetown Hospital.

The Wesleyan Nursing Home, a licensed 98 bed Intermediate Care Facility, (ICF), has a Superior Rating from the Texas Department of Health.

The Wesleyan Retirement Center closed the nursing care section and transferred those residents to the new Wesleyan Nursing Home. The Retirement Center is presently an independent living center for approximately 104 aging people. Historically, most of the residents of the Wesleyan Nursing Home are transferred from the Retirement Center when they are in need of nursing home care.

TODAY:

Presently, 64 of the 98 residents are transfers from the Retirement Center.

The increased needs of our aging population in the Central Texas Conference has given the Wesleyan Homes "growing pains." We have long waiting lists for our Homes.

In 1983, 27 new residents were admitted to our Retirement Center and 24 to our Nursing Home, thus maintaining full occupancy in these Homes.

On July 8th, 1983, Wesleyan Homes, Inc. received a certificate of need and authorization to proceed with plans to add 82 beds to the 98 bed Nursing Home, and renovate the existing building. This renovation will relocate administration and increase food ser-

B. Two conference meetings of the district task force members to plan overall programs and coordinate all conference programs on evangelism.
C. To promote an annual conference-wide "Call to Evangelism" for both clergy and laity, November 2-3.
D. To encourage and plan for at least two annual meetings in each district designed to help with district needs.

2) We encourage attendance at all the seminars and district meetings where we will attempt to promote programs to help reach the inactive as well as recruit new members. Because of the number of laity making the requests, we urge more fellowship among members and the use of singing as a means of evangelistic expression.

Council Of Conference Youth Ministry

Recommendations From CCYM Task Force
February 23, 1984

I. Now — more than ever — we affirm youth ministry as a priority in our Annual Conference.

II. As a result of youth hearings around the Annual Conference held by this Task Force and additional research and data collected, we see the following as goals necessary to carry out a successful youth ministry:

A. Establish comprehensive youth communication network
   1. Establish a network of people (conference, district and local church)
   2. Identify the means of vehicle for delivery
      a. Newspaper four times a year
      b. Telephone network
      c. Visit of CCYM teams to local churches
   3. All publications (i.e., brochures, announcements, etc.) go through network
   4. Meeting of all persons in network annually; district persons, regularly (at least quarterly)

B. To continue providing adequate training opportunities for youth/youth workers at the local, district and conference levels
   1. Semi-annual training for youth coordinators
   2. Annual training for CCYM and district youth coordinators
   3. Annual training for district youth coordinators and local church officers
   4. Some kind of conference-wide youth/youth workers' training (for adults in local church)
   5. Individual evaluation/consultation as needed
   6. Recognize and emphasize junior high youth ministries
   7. Youth skillshop/Sunday school training experience in the spring

C. Establish, maintain and publish a resource system for youth ministry
   1. Identify and maintain good youth resources
   2. Promotion of resources
   3. Identify persons who are resource leaders

D. Provide opportunities for youth to share at all levels of church life.
   1. Youth involvement at local church, district and conference levels — creating means or mechanisms by which youth can become full participants in the life of the church

E. Encourage and promote youth involvement in retreats, conferences and camps beyond the local church

III. Therefore, in order to provide leadership and assistance for these goals to be carried out, we recommend that a person whose major portfolio is youth ministry be employed as a staff person at the Annual Conference Council on Ministries, and that this be done within the constraints of our present structure and funding.

Report No. 3

Proposed Hill Junior College Club

NAME:	Wesley Club
PURPOSE:	To provide Sunday night food and fellowship for students at Hill Junior College.
ACTIVITIES:	Some of the activities proposed are regular meetings with a meal, seminar retreats and field trips.
SPONSORS:	Faculty — Ray Roberts and Mary Alice Eastland Students — Jean Posey and Benny M. Sitole

The first session of the newly formed "Wesley Club" at Hill Junior College was held this past Sunday, February 26, with 24 students present for a meal and program. Those attending were largely on-campus resident students with two students from nearby congregations. The meal was served by the UMW of FUMC Hillsboro and the program presented by Reverend Dale Schultz of Abbott-Brandon Charge.

The ministry was initiated under the guidance of a steering committee with representatives from Methodist churches in Abbott, Hillsboro, and Whitney. The steering committee elected to establish the ministry in the form of a recognized campus organization and found the administration Hill Junior College cooperative. A copy of the proposal for recognition of the Wesley Club as a formal campus organization is attached. There you will find listed the name, purpose, activities, and sponsors of the Club.

As the program emerges, it is hoped that all churches in Hill County will choose to participate by the occasional provision of the evening meal and by the encouragement of students from local churches to participate. Student sponsors include Jean Posey of Abbott and Benny M. Sitole of FUMC Hillsboro.

The 1984 grant of $2,000 from the Central Texas Conference Board of Higher Education and Campus Ministry has been received and will be administered by the steering committee in consultation with student officers as they are elected. The meeting place is provided at no cost to the club by the Hill Junior College.

The initial group was multi-racial and ecumenical in nature including local and resident students. Foreign students were also represented. Increasingly it is the plan for the group to control its life and determine the most fitting programming for the good of its life.

Board Of Ordained Ministry
1984 Report
Central Texas Conference

Introduction

In addition to its traditional functions of recruiting, guiding, and qualifying persons for conference membership and ordination, the Board of Ordained Ministry has responsibility for assisting members of the conference in fulfilling their calling to continuing effectiveness in ministry.

Evaluation (Para. 427) and continuing education (Para. 423.1) are the ways by which the United Methodist Church has decided to judge growth in competence and effectiveness of its ministerial members. Evaluation and continuing education have focused energies and resources of the board during the year. The Board of Ordained Ministry and the Cabinet have submitted policies (adopted by the annual conference), provided training in evaluation methods, and assisted in training of Pastor Parish Relations Committees in the evaluation process. The board has continually provided information, guidance, and continuing education events to enable ministerial members of the conference in planning for and achieving growth throughout continuing education. The board also administers that portion of Ministerial Education Funds available to ministerial members of the conference for continuing education. (See attached policy statement for details.) Evaluation and continuing education are priority agenda items for the board throughout the 1980-1984 quadrennium. A simplified evaluation procedure designed especially for our Conference is in the process of being implemented.

This report of the board's work for 1983-84 is submitted to the annual conference to which it is directly responsible.

Report No. 3
1984 Continuing Education Funding Policy
Revising 1981 Journal, Page 165

1. Each local church is expected to provide money in its budget for continuing education. The recommendation is $200 or 1% of the salary, whichever is greater. This applies to ordained and diaconal ministers.
2. A sliding scale will be used in allotting of MEF monies: a) ministers earning less than minimum salary will be provided money 2:1; b) ministers earning minimum salary up to $20,000 will be provided money 1:1; c) ministers earning over $20,000 will be provided money 1:2. In the use of MEF monies for continuing education, priority shall be given to the funding of events held by the annual conference. Remaining funds are available to annual conference members serving full time, associate members and full-time local pastors who have completed the course of study. A diaconal and an ordained minister will be treated equally in requests for funds.

   Per diem costs will be supplemented on the same scale with maximum allowable grants being $150 per year for those earning below minimum salary ($600 per quadrennium), $100 per year for salaries up to $20,000 ($400 per quadrennium) and $50 for salaries over $20,000 ($200 per quadrennium).
3. Each minister under full-time appointment is eligible for MEF funding in amounts not to exceed $200 annually or $800 quadrennially. A person may receive their entire four-year amount in one year. Such a four-year period would begin with the date funds are requested.

Board Of Pensions

Report No. 1

Your Board of Pensions has spent much time and study concerning the future Pension program for the Central Texas Conference. We have looked at where we have been, where we are now, and where we hope to be at the end of the next four years. We recognize that when we raise the past service rate, it is usually swallowed up by inflation before the year ends. Therefore, we submit the following report.

Subject: **1985 Past Service Rate**

Recognizing the necessity of maintaining a Past Service Rate that is at least the equivalent of nine-tenths of one percent of the conference average salary, which percentage level the conference was privileged to attain in 1982 and to maintain in both 1983 and 1984, the Board of Pensions is recommending a 1985 Past Service Rate equivalent to nine-tenths of one percent of the projected 1985 Central Texas Conference average salary of $24,435.

The Board recommends that the Central Texas Annual Conference 1985 Past Service Rate be $220.

Funding of 1985 Past Service Rate

The plans for the funding of the 1985 Past Service Rate must be made in conjunction with our plans for funding the projected Past Service Rate through 1988. During this 1984 session we can only adopt a Past Service Rate for 1985. However, we can initiate in 1984 at this session, planning for Past Service Funding which funding will be impacted by the 1986, 1987, and 1988 projected Conference average salaries.

The Conference Board is recommending that the Central Texas Conference apportionment for past service in 1985 be increased from the 1984 apportionment of $759,000 by ten percent to $834,900.

For the information of the Conference it should be reported that the Conference Board of Pensions also has voted a ten percent increase over the 1984 expenditures for Past Service from the interest earnings on the Pensions Capital Fund and will dedicate and make available from 1985 interest earnings for Past Service costs the amount of $49,143.

The first phase in this projected Past Service Rate structure and past Service Funding costs is:

(a) 1985 Past Service Rate	$ 220
(b) 1985 Past Service Funding	$806,361

We note how the Conference Average Salary continues to increase and as this happens we must keep faith with those retired and those retiring. Our sense of integrity compels us to work toward this goal. It is also very apparent that in the very near future we will be compelled to participate in a Capital Funds Campaign in order to keep faith with our long range commitment when we entered the Pension program of the General Board of Pensions.

Respectfully Submitted,
RICHARD MILLSAP, Chairman

Report No. 2
Hospitalization and Medical Insurance

At the June, 1983 session of the Central Texas Annual Conference we voted to begin our own Hospitalization and Medical Insurance Program called Minimum Premium (Split Funding). Although we have not had a full year in this program, we are glad to report it is going to be a very good program for the Conference. We shall be the first to admit like all new programs, there have been a few problems. Nothing which we haven't been able to handle. We do feel over the long haul, the program will be a savings to the members of the Conference.

The rates for 1984-85 are as follows:

	Monthly Total	Conference Pays	You Pay
Couple with Children	$ 151.16	$ 75.58	$ 75.58
Single Person with Children	151.16	75.58	75.58
Single Person	58.40	29.20	29.20
Surviving Spouse under age 65	58.40	29.20	29.20
Retired (couple)	151.16	75.58	75.58
Retired (single)	58.40	29.20	29.20

The new rates for 1984-85 will require $362,791 from Conference Apportionments and an equal amount from the Employees of the Conference. As you can well see this is a very small percentage increase over the previous year.

Due to some misunderstandings with the optional life Insurance Program as reported at last years Conference we are pleased to announce that this will be reopened at this session of the Conference for those who did not choose to participate or were turned down for various reasons.

Respectfully Submitted,
RICHARD E. MILLSAP, Chairman

Report No. 3

CENTRAL TEXAS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Central Texas Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1985 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Central Texas Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by

the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

Report No. 4
Disability Benefits

(a) **Eligibility.** An Active Participant, who becomes disabled, as defined in paragraph (b) below, shall be entitled to a disability benefit under this subsection 5.4 under the following conditions:
   (1) If the disability results from sickness, the Active Participant must have been an Active Participant for at least 180 days before the disability occurred;
   (2) If the disability results from sickness, no disability benefits will be paid for the period of time encompassed by the first 30 days following the occurrence of the disability;
   (3) If the disability results from an accident, disability benefits shall be payable from the date of the disability (without regard to the passage of 180 days as provided in subsection (1) above).
   (4) No disability benefits shall be payable for any disability which results from a condition of health or sickness which existed as of the date of the Active Participant became an Active Participant.
   (5) No disability benefits shall be payable for any period of time when the Active Participant is still receiving a salary from his or her salary-paying unit.
   (6) Even if the Active Participant is otherwise eligible to receive disability benefits, no disability benefit shall be approved, on a retroactive basis, for any period of time in excess of 365 days from the date the payment of disability benefits is approved.
   (7) The subsection 5.4(a) above becomes effective at the close of the 1984 General Conference.

Commission On Archives And History

1. The Texas Methodist History Book Project, originated in 1978 as a cooperative venture of the combined United Methodist Conferences of Texas through the auspices of the Texas Methodist Historical Society, can today be described as a well-met challenge. No worthwhile project can be accomplished without limitless hours of toil and effort, the talents of many people, and the constancy and cooperation of those who would see it through. This book project has had all of that. We heartily recommend **The Methodist Excitement in Texas** to everyone. Copies are available at the Archives display during Annual Conference, or by sending an order to Texas Methodist History Book, 3805 Walton, Fort Worth 76133.
2. Commission member John Elliott is collecting materials from the former West Texas Conference and from other predecessor Conferences in this area. This project will receive special attention during the year of Bicentennial Celebration. Central Texas Conference archives has very limited materials from German, Swedish, Northern Methodist, Methodist Protestant, and Evangelical United Brethren work in this locale. Please do not let this material be discarded inadvertantly. Help preserve the heritage for today's inspiration and tomorrow's knowledge and guidance.
3. The Commission is pleased to announce the sharing of our capable Vice-Chairman John Johnson with the state-wide Texas Methodist Historical Society in the position of Vice-President and Program Director for that organization. One of John's areas of responsibility in this Conference is the oral history interviews and tape-recording of retiring ministers and wives.

4. A major Commission undertaking for the Bicentennial Year is the project of providing more permanent preservation and restoration for the original hand-written minutes of the Conference which date from 1866-1901. Micro-filming services have been offered by General Archives and indications of the same possibility from Jurisdictional Archives at Perkins School of Theology have been mentioned. New housing with more humidity control and regular care to safeguard against further deterioration are essential if we are to preserve these valuable documents.
5. Local churches are urged to shore-up their own defenses against valuable record losses by conducting Circuit Rider Treasure Trace Hunts to rescue and collect vital church records from hiding places all around the church premises. Information on the conducting of the Treasure Hunt has been sent to each local church. Certificates are available to each church upon completion of their effort to preserve their history.
6. In keeping with the growing awareness of the value of historical records as they relate to the present and point toward the future, the Central Texas Conference archives collection grows more valuable every week because of materials brought and sent by many of you. Research requests are received by mail and by telephone. Researchers can have access to the materials by contacting me for an appointment. The depository is located in the Texas Wesleyan College Library here in Fort Worth. The Commission is prepared to receive historical records as we are notified and to serve the Conference in the preservation of these records. All materials in the depository are safely stored and efficiently managed as of the present date.

1984 Report

The Commission on Christian Unity and Interreligious Concerns met twice this year. One was a work session to prepare the brochure for the Week of Christian Unity. The other meeting was for evaluation and planning for 1985. We discussed new ministries in the conference that are ecumenical or interreligious. Some examples are the Waco Counseling Center, Worship services for allegy person at University United Methodist church in Fort Worth, People Helping People which is emergency aid in Grandbury, N.E.E.D. (emergency aid) in Northeast Fort Worth, and Caritas in Waco. We also approved a projected 1985 budget and organized our goals for 1985.

Goals for 1985 with implementation plans are listed below:

1. Network to share ideas
   a. Communication to District Superintendents
   b. Personal contacts (after receiving information from the District Superintendents)
   c. Develop form for pastors to share ideas
2. Present ideas in light of what small membership local churches can develop.
3. Suggest to National staff that a training be done on the jurisdictional or regional level for what can be done in Christian Unity for the small church.
4. Raise awareness of what Texas Conference of Churches is doing.

A delegation of seven from the Central Texas Conference attended the Texas Conference of Churches February 20-22, 1984. Resolutions were approved on the Valley appeal, child abuse prevention, and the need for church support of Salvadoran and Guatemalan refugees.

The chairperson of the commission reported that she is serving on a National United Methodist taskforce appointed by the Conference of Bishops to develop a response to the World Council of Churches' document, "Baptism, Eucharist, and Ministry."

JANICE KEITNER CAIN, Chairperson

Commission On Church Growth And Development

Report No. 1

The organizing conference of Methodism in 1784 provided "that a subscription should be taken each year for the beginning of NEW CHURCHES." We are here because our founders kept faith with this mandate — establishing congregations across the frontier. Every member was expected to contribute something to help establish a church for someone else.

Frontiers change and methods are modified; however, the mandate is the same. Four years ago our Annual Conference established the Commission on Church Growth and Development. Our immediate goal was to secure 10,000 United Methodists willing to become share investors in our future. We are nearing the three quarter point with nearly $300,000.00 contributed in 1983. New congregations have been established, our Annual Conference has shown a net increase in membership for the 1980's, carry-over ministries from past responsibilities have been maintained, and we witness this Annual Conference once more on the "frontier" of opportunity and radical population change. The effectiveness of these efforts is now the envy of many, the model for others, and the exact guide for Annual Conferences across Methodism. With this measure of success comes new frontiers and challenge. More needs to be done — specifically in three areas:

1. It is imperative that we reach our minimal goal of 10,000 shareholders. We are very near the actual time when this is the amount ($450,000.00) to establish a single congregation.
2. Capital funding is needed from those who have been especially blessed and share the burning desire to witness their beloved church grow. We therefore recommend a more personalized approach by Church Growth to those who could make gifts of lands for church sites or large financial gifts for the purchase of same. We seek the approval of this Annual Conference for such personal solicitation. The resulting funds from new "Founders" or "Frontier People" used for purchasing property, would free more church growth funds for parsonages, ministers' salaries and first-unit meeting places.
3. Capital financing is an ever-pressing need. We therefore request that Church Growth and Development lead in a study that involves all capital components of this Annual Conference — Church Growth and Development, Central Texas Conference Foundation, Annual Conference Trustees, and Conference Finance and Administration. This study should cover every possibility of utilizing the full financial strength of this Conference (reserves, capital worth, lines of credit, guarantor) to create capital loan funds and/or serve as guarantor of same.

We are told that the population of our Annual Conference geographical area will double by the year 2000. This being true, means that we (like our founders) should tripple our efforts NOW to be in ministry on these new frontiers.

BRIEF SUMMARY OF CHURCH EXTENSION PROJECTS SPONSORED BY "PARTNERS IN GROWTH" SHARES

The "Partners in Growth" Share Program was begun in February 1981. The members of the Commission on Church Growth and Development felt it would take three years for the program to produce enough income to begin to meet our goals in church extension. However, the program and goals have far exceeded the commission's expectations.

Listed below is a brief summary of projects the share funds are making possible.

1. **Covenant UMC, Arlington.** Organized in 1976 with Metro Board share funds. Partners in Growth Share funds have made payments on the 4½ acre site the past three years and have undergirded the church congregation financially. 1984 will be the last year of congregational support from share funds though payments on the site will continue through this decade.

2. **St. Barnabas Church, Arlington.** Organized in 1977 by Metro Board and became self-supporting in two years. Partners in Growth Shares made payments in 1980, 1981 and paid off the 8½ acre site in 1982.
3. **Genesis UMC, SW Fort Worth.** This was the first new church to be organized in the decade of the 80's. The financing for the church came from the discontinued Wedgwood UMC and Partners in Growth Shares. The Share funds paid off the 4½ acre site in 1982. The church is now self-supporting.
4. **Korean UMC, Killeen, Texas.** The Korean congregation was organized as a United Methodist Church in 1982. Partners in Growth Shares made possible the purchase of a department store which was remodeled into a beautiful church building. This new church is already self-supporting. Share funds continue to make payments on the building.
5. **Campus Drive UMC, SE Fort Worth.** This new church was organized in the fall of 1981. A five-acre site was purchased at one-fifth the appraised value through shares. On January 6, 1984 ground was broken for the first building of this new church. In 1985 the church will be self-supporting and site paid completely in August, 1984.
6. **Watauga UMC, Watauga.** This church was organized several years ago when the Conference had no plan for financing Church extension. As a result, the church struggled for its very existence. Church Growth and Development made a choice to join with this church in an endeavor to give it financial undergirding. The building was remodeled and since June, 1983 the church has had its first full-time pastor and program.
7. **New Church, Copperas Cove.** Share funds made possible the purchase of a five-acre site at one-fifth the appraised value. An attempt was made at organizing a new church during 1983, but failed to gain enough membership strength to meet projected expectations. In a community of nearly 30,000 we believe a new church is needed and we will study the situation thoroughly during the coming months.
8. **St. Philip's UMC, Round Rock.** Share funds made possible the purchase of a four-acre site in 1981. In the fall of 1983 a pastor was appointed and within these past two months a large congregation has formed and the new church is well on its way.
9. **1st UMC, Round Rock.** The Commission on Church Growth and Development has worked with the 1st UMC in their decision to move to a more desirable location. Though only a small amount of Share funds has gone into the re-location, we feel we have had a part in helping a church move to a new site so they can meet the challenge of this fast growing area.
10. **St James UMC, Temple.** This church was in too poor a location to ever experience growth. A small amount of share funds gave the church the boost needed to purchase a building and acreage in a choice neighborhood in Temple.
11. **Oakdale UMC, Stephenville.** This church made a choice to re-locate into a more desirable area of the city. A new site was purchased and a new building erected by the congregation. A small amount of share funds is assisting this congregation during this initial stage.
12. **Early UMC, Brownwood.** The old Johnson Memorial Church of Brownwood made a decision to re-locate into the Early Community. A site was purchased and a new building was erected by the congregation. A token amount of share funds has given them a means of support during these early years.
13. **Grace UMC, Arlington.** This new church will be constituted on May 27, 1984. The congregation gathered because of the need and presently are meeting in the 7th Day Adventist Church at Pioneer Parkway and Fielder Road. The Commission on Church Growth and Development has joined with this congregation in their endeavor and will help undergird them financially during their beginning years. The National Division has pledged their support with Ethnic Minority Local Church funds in both capital financing and salary support.

So, we have made a start and the results in new members are really remarkable. In each situation clergy and lay have expressed they could not have become a church without

the financial undergirding and planning of Church Growth and Development. These first three years have been a beginning. Now, we know what can be accomplished in this decade and to the year 2000 as we continue our efforts. The best is out ahead of us. Right now we have at least six areas where we must buy sites within the next two years or we will lose our opportunity to be represented as United Methodists in these residential communities of 25,000 to 75,000 persons each.

Commission On Equitable Salaries And Clergy Benefits

Report No. 1

Equitable Salary And Temporary General Aid Fund

There shall be a program of Equitable Salary Support in the Central Texas Conference under the management of the Commission on Equitable Salaries and Clergy Benefits. This program shall be patterened after paragraph 935 of the 1980 Discipline. Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Salary and Temporary General Aid Program.

1. The Commission recognizes the necessity of coordinating all salary subsidy; therefore, the Conference Treasurer shall inform the Commission on any salary grants by other Conference or General Church agencies, so it may coordinate salary supplements through the Commission on Equitable Salary and Clergy Benefits for that portion not covered by any other sources.
2. A prerequisite for consideration of salary supplements from the Equitable Salary Fund shall be the filing with the Commission a written application by the District Superintendent. The District Superintendent shall certify classification of the pastor

and the salary (salary, travel, and utility) set by the charge. The application form will be supplied by the Commission.

3. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro rata basis for the part of the year actually served.
4. The following conditions must be met by the pastoral charge before its pastor can become eligible for consideration to receive salary supplements from the Equitable Salary Fund.
   (a) The pastoral charge shall have conducted an Every Member Canvass for the local church budget of each of its churches during the previous conference year.
   (b) All apportioned items shall have been paid in full for the previous conference year.
   (c) The charge must have at least 100 members.

In unusual situations the Commission on Equitable Salary and Clergy Benefits may waive any or all of these conditions.

5. The Commission on Equitable Salary and Clergy Benefits will pay any amount up to 1/3 of the minimum salary as set by the Annual Conference for each applicant according to his/her ministerial classification.
   If any exception under paragraphs 4 or 5 is sought, the request must be endorsed by a 2/3 vote of the Cabinet before it can be considered by the Commission.
6. Beginning in calendar year 1984 an "Incentive Plan" will be used in figuring equitable salary payments with the following clarifications and guidelines:
   (a) The objective of this Plan, as with all Minimum Salary support, is to strengthen the work of the local church. The Goal of this Plan is to allow and encourage local churches to increase ministerial support of their pastors, allowing the past in the appointment to receive the benefit of increased income from the local church without losing the support from the Minimum Salary Fund.
   (b) Ministerial Support increases by the local church during the tenure of one pastor shall be added to the total allowable income for the pastor during the duration of the appointment relationship of that pastor with that church, subject to renegotiation with the commission at the end of a three year period.
   (c) Whenever a change in pastoral appointment occurs, or at the end of the Incentive Plan agreement, the charge is to maintain their local church's existing level of ministerial support. With regard to equitable salary support, at such time a change in their appointment occurs, the charge will return to the base minimum salary for which the new minister qualifies, if such support is still below the minimum salary base.
7. Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 1985. Rates of adjustment will be considered annually by the Commission, rather than establishing automatic rate adjustments.

	1985
(a) Elder, Full Connection	$15,900
(b) Associate Member	13,200
(c) Full Time Local Pastor	11,900
(d) Probationary Member	
(1) Non-student living on charge	13,200
(2) Student living on charge	11,900
(3) Student not living on charge	9,300
(e) Student Local Pastors	
(1) Living on charge	10,600
(2) Living away from charge	8,000

8. Pastors who are appointed to less than full time service as addressed in the 1980 Discipline, paragraph 438.3b shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in pastoring the charge. For example, if the pastor is deemed as serving 1/4 of full time his minimum salary eligibility would be 1/4 of the minimum of his Conference relationship classification. The categories of 1/4, 1/2, 3/4 will be followed in determining less than full time eligibility for salary supplements from the Equitable Salary Fund.
9. Seminary students who are serving pastoral charges and receiving Equitable Salary Supplements, are eligible to receive $2.00 per mile, one way, one time per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor receiving the charge at the end of the third quarter of the Conference year.
10. Ministers who are not eligible for salary supplement are:
    (a) Those whose appointment is other than pastor of a charge.
    (b) Those classified as part time local pastors.
    (c) Retired ministers.
    (d) No pastor shall be eligible to receive salary supplements from this Fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in a present appointment.

Report No. 2
Moving Expense

1. We recommend that the conference pay the greater of $100 or $3.00 per mile for the first 100 miles and $1.00 per mile additional after the first 100 miles with no maximum within the bounds of the Annual Conference and the receiving charge is expected to pay any remaining balance of the actual moving expenses.
2. We further recommend that the procedure of filing correct forms with the Conference Secretary/Treasurer be continued.
3. We do, however, expect every receiving charge in the Annual Conference to pay the moving expense of the new minister in excess of the allowance and it must be the responsibility of the District Superintendent at the time of consultation to inform the church of its share of this obligation.
4. Recommend that the Conference pay the moving expenses of a retiring minister within the boundaries of the Conference. This reimbursement will not exceed $500.00 over the amount paid in article #1.

The programs and planning of this Commission have the primary concern of being intentional toward improving relationships so that there is harmony among all cultures. The Conference Commission continuously offers assistance and suggestions which would create a climate of better understanding and acceptance to the local churches.

Concerns

Concerns continue to arise in determining the interest of our clergy members since they set the tone or tempo which will be followed on the Local, District, and Conference level in confronting racial issues. The need is to spread the gospel of oneness and wholeness with Christian love. Scripture 2 Corinthians 5:19-20.

Goals

1. Establish a communication network for purpose of providing information and education from the Conference Commission to the District and Local church level.
    a. Designate a contact person in each church.
    b. Distribute mailings from the Commission.

2. At least two churches in each District participate in a member exchange for one year to promote better understanding and appreciation of all people.
3. Each District Council on Ministries study the needs of the Ethnic Minority Churches within their boundaries and provide a written report to Religion and Race Commission identifying the concerns.
   a. If no Ethnic Minority Church is within their boundary of the District, the District Council on Ministries is requested to become sensitive to all racial groups in the area and submit a written report to Religion and Race to recommend potential ministries.

Audience

The Conference Commission endeavors to establish and maintain education for and communication with the Local Church, especially the Chairperson of Religion and Race.

Commission On Status And Role Of Women

The Commission on Status and Role of Women has met as a full commission four times this conference year. Our work has been through seven committees, some of them short term and some on-going committees.

The Commission continues to sponsor and urge participation in "Women in the Pulpit Sunday" with increased participation and response each year.

A Committee is working on a training event or seminar which will give helps on the purpose of COSROW on the conference level to the local level, how to function in the local church, how to develop leadership of women. This seminar will probably be held in the spring of 1985.

A survey has been made of women in leadership in the United Methodist Churches of our conference. The statistics cover the past three years, but it does show a slow, steady increase in the number of women serving in key leadership positions. It also shows that women are still rather limited in the areas they serve.

For instance, the number serving as trustees and on finance committees is still small. The Commission feels much untapped leadership and expertise is still not being utilized at all levels of the church. But again, strides have been made; small but steady strides.

A statement on inclusive language is being developed. Members of the commission have monitored language usage at various church levels. It is felt that all of us need to be aware of our language and to be more conscientious in being inclusive when we speak or write.

Goals for 1985 are:

1. to encourage use and understanding of inclusive language.
2. to continue women in the pulpit program with a 10% increase in participation.
3. to present a seminar in the Spring of 1985 on the future of women in the church.

Report No. 2

A Statement On Inclusive Language

Language is a powerful tool in the human community. Words reflect reality as we see and understand it; words reveal our attitudes, our values, our committments; words reflect our concern for and sensitivity to others; words can be used either for oppression or liberation, to hurt or to heal. Language helps shape society — words are used, especially by those with power to define and establish the worth and role of human beings. However, language not only shapes society, but is shaped by society as that society changes. Language is not a dead, stagnant, never-changing medium carved upon stone tablets and handed down for eternity. Rather, language is living, dynamic, constantly evolving to reflect changes in human understanding, experience, and consciousness. Thus we must be concerned with whether our words truly reflect our beliefs and understandings.

As Christians we believe that in Christ all persons are equal and are called to freedom, wholeness and unity; yet, the language many of us continue to use does not reflect this belief. Instead, the language we use in worship, in our hymns, preaching and liturgy, as well as the language we use in educational settings, publications, and even in everyday conversation still tends, consciously or unconsciously, to exclude women and to define women as inferior.

Many women are feeling excluded and separated from the Christian community, experiencing pain and hurt by the continual use of such words as "men", "mankind", "brotherhood", and "sons of God" when the entire community is intended. Some say these words are generic and therefore not exclusive but inclusive of everyone; however, "everyone is included only in the sense that man is the norm for what is human." These words come out of centuries of patriarchal domination and reflect the beliefs of the powerful, male ruling groups of those times; times in which women were considered inferior to men, somewhat less than fully human, creatures with limited capacities, persons to be excluded from important functions such as religion and government, persons who were assigned definite roles and statuses based solely upon their sex.

Today, women are no longer willing to be excluded, to be considered inferior or unequal, to be limited to sex-role stereotyping, or to be defined by men. Hopefully, we have all come to the point of enlightenment where we recognize and believe in the equality of all persons, regardless of sex or race or anything else. Our language should reflect this belief and new understanding of humanity.

Some will insist on continuing the use of gender-exclusive language using words in a generic sense, not intending to be exclusive; others think the whole idea of sexist language is absurd and something that radical feminists are trying to force on them. To this we lift up the following fact: Many people are offended, hurt and separated from others by sexist language. It is not our intent to be critical or judgmental of those who have not become sensitive to this issue; rather, to point out that using inclusive language, for the sake of all persons, is a ministry in which we may all participate.

WORKSHOP: HOW TO START A TELEVISION MINISTRY ON CABLE

Rather than have a Conference-wide workshop to present the possibility of "Starting A Television Ministry Through Local Cable Networks," we propose that a committee meet in each district during their regular district pastor's meeting to present the possibilities of churches getting on local cable networks for ministry.

The committee would make arrangements to present to the pastors some of the possibilities that are available for local T.V. ministry. Equipment would be demonstrated so that each pastor would be able to see opportunity for his or her local church to own and operate equipment necessary for T.V. ministry.

Suggestions on how to contact cable companies and ways to secure contracts for televising local originated programming would be presented.

The Wesleyan Satellite Network would be emphasized as a possibility for extended programming. Additional programming resources would be made available for churches that want to offer more than just a worship service on Sunday morning.

Committee On The Episcopacy

Our committee has continued to meet with our bishop, John Russell, twice each year, once in the fall and once in the spring.

Our fall meeting was held in early December at the First United Methodist Church in Arlington. After dining together the committee went over a report which the bishop had prepared relative to his assessment of past work and his personal goals for the future. The committee affirmed his analysis and projections. As a part of the discussion the committee urged him to allow more time for his personal and family health, sharing the opinion that he was over-committing himself in terms of his calendrical responsibilities.

As a part of the fall meeting the committee voted unanimously to join with the conference delegation in requesting that Bishop Russell be reappointed to our area at the forthcoming jurisdictional conference.

The second meeting of the committee was in early March and was a joint meeting with our North Texas counterpart, as has become our custom, and was a time of sharing and fellowship, hosted by the North Texas committee. We look forward to hosting this joint meeting in our conference next spring.

We continue to invite lay and clergy of the conference to make input to our committee regarding their viewpoints as they relate to the office of the bishop of our area.

Inter-Conference Committee For Mexican American Work

Report 1

The purpose of this Committee is to initiate, coordinate and enable inter-conference ministries within the bounds of the Central Texas and Rio Grande Annual Conferences. The Committee was first established in 1976 but had difficulty getting itself organized and its mission defined. Through a slow but persistent process formal by-laws and mission statement were established in 1982. An avenue of communication between the two annual conferences was established and the work of the committee was begun.

Accomplishments

1. **Report of Hispanic Population in the Central Texas Conference.** During the conference year 1982-83, the work of the Committee focused on developing a report showing the Hispanic population trends within the bounds of the Central Texas Conference and exploring some of the implications for ministry. Dr. David Maldonado (Associate Professor, Graduate School of Social Work, University of Texas at Arlington) produced the report based on 1980 census data, a summary of which is below. The complete report has been distributed to the bishops, the cabinets and the Annual Conference Council on Ministries of both conferences. A complete report can be obtained from the Committee.

It is evident that there is a significant increase in the Hispanic population within the bounds of the Central Texas Conference. The prediction is that this population will continue to grow significantly. United Methodists have an exciting opportunity to respond through cooperation between both the Central Texas and Rio Grande Annual Conference. The job is too big for either conference to do alone.

2. **Workshop on the Challenges and Opportunities for Inter-Conference Ministries.** A workshop was held in November, 1983, in Fort Worth to enable local churches to examine where the significant increases in Hispanic populations are occuring, what the implications for ministry are, and why inter-conference cooperative ministries with Hispanics are imperative. The workshop concentrated on the Fort Worth East and West District churches that are in areas where the Hispanic population is increasing. The 28 participants also had an opportunity to gain insight and appreciation for the Hispanic culture, to understand that the social context must be looked at before cooperative ministry can occur, and to learn some of the priorities of the Hispanic community, particularly self-development.
3. **Models for cooperative inter-conference ministries.** In the Committee's role of enabling local church, district, and conference agencies in the development of inter-conference ministries, the Committee calls attention to the cooperative venture of St. Paul UMC, Fort Worth (Central Texas Conference) and the newly organized congregation of San Pablo (Rio Grande Conference). For the last three years St. Paul has made available its facilities for the development of a new Hispanic congregation. St. Paul is located in south Fort Worth, where the second largest Hispanic population in Fort Worth can be found, is ideally located for ministry with Hispanics. San Pablo also received initial financial support from other Central Texas Conference church and agencies: First UMC, Fort Worth; Metropolitan Board of Missions; Church Growth and Development; and the Task Force on Ethnic Minority Local Church. The Committee heartily commends this cooperative venture and encourages other cooperative ventures throughout the Central Texas Conference.

1984-85 Goals

1. Before the end of the summer organize the newly elected Committee, providing necessary orientation session. The Committee is elected quadrennially and will have new members.
2. Continue to facilitate communication and locate and provide resources for the cooperative ministry between St. Paul and San Pablo.
3. Enable and assist with another cooperative ministry with another local congregation.
4. Raise visibility of the work of the Committee before both Annual Conferences.
5. Continue to interpret "The Report of Hispanic Population in the Central Texas Conference" developing strategies for Hispanic ministry.
6. Plan a workshop for Spring, 1985 for the Temple/Waco area which will explore the challenges and opportunities for inter-conference ministries similar to the workshop held in Fort Worth in 1983.

   Focus:

   1. To examine the census data and determine where significant increases of the Hispanic population are occuring
   2. To explore what the implications are such as anticipating the need for churches and ministries in neighborhoods where the ethnic make-up is increasingly Hispanic
   3. Explore possible models for inter-conference cooperative ministries
   4. Begin a dialogue and fellowship between local churches, districts and cabinets of both conferences. In communities where congregations from both conferences exist there often is no communication between them.

   Audience:

   Pastors and laypersons from both Conferences with special emphasis on those from the Temple/Waco area. The cabinet of the Central Texas Conference and the two District Superintendents of the Rio Grande Conference whose jurisdiction covers the bounds of the Central Texas Conference.

   Resources:

   The bishops of both conferences, the Inter-Conference Committee on Mexican American Work, and Dr. David Maldonado.

Place:

The workshop will be in Waco or Temple.

Report 2

To continue the dialogue with the Rio Grande Conference this Committee recommends that Jeannie Trevino-Teddlie be sent as a representative of the Inter-Conference Committee for Mexican American Work and as a Fraternal Delegate to the Rio Grande Annual Conference which meets June 7-10, 1984, in Georgetown, Texas.

We further recommend that Sandra Lumpkin be designated as an Alternate Fraternal Delegate.

Committee On Research And Planning

At Charge Conference this year, each local church was asked to identify critical issues and areas of need in that particular church. These statements were returned to the Conference Office. The Committee on Research and Planning met and studied the District Council on Ministries' reports and found the six critical issues and areas to be:

1) Evangelism
   a. How to increase membership and attendance
   b. Motivation and training for lay visitations
   c. Recruitment of new members
   d. Assimilation of new members
   e. Evangelism in zero-growth community
2) Church School
   a. Increase in Sunday school attendance
   b. Recruitment of teachers and counselors
   c. Reactivation of inactives
   d. Attracting children to a church poor in children
   e. Attracting youth to church school
3) Spiritual Growth
   a. Deepen spiritual awareness through Bible study, revivals and fellowship opportunities
4) Stewardship
   a. Increase financial giving
   b. Broaden concept of stewardship
5) Worship
   a. Music
   b. Fellowship
6) Skill Development
   a. Goal setting
   b. Conflict resolutions
   c. Leadership development

The Committee therefore recommends to ACCOM for presentation and adoption by the Annual Conference these critical areas and issues and that they be assigned to the appropriate committee or task force to develop program or strategies that will enable the local churches and/or districts to do their work more effectively in these areas.

The Committee also recommends to ACCOM that these are some areas of concern in which it will be doing some further work and study:

1) The need for a systematic approach to planning
   a. to deal with turnovers of leadership in the local church of lay and clergy
   b. To look at the need for trained teams in each district
      — beginning with pilot programs

- being invited to do the program in other churches after pilot projects have been conducted
- follow up by the team in the local church after six months

2) How do we communicate what is available to local churches?
   a. How do we use district coordinators at every level to be more effective?
3) How much volunteer help can we rely upon for the bulk of work, training and going out?
4) Considering what is needed, do we need to rethink number on staff, job portfolios, etc.

WILMA S. TUNE, Chairperson

Central Texas Conference Federal Credit Union

The Credit Union continues to offer the best possible service to its members. We have kept the interest rates below the national average for credit unions and at the same time increased the dividend rates. We continue the life insurance program on share deposits up to $2,000 at no cost to the member. All accounts are fully insured up to $100,000 by the National Credit Union Administration. The par value of a share was increased to $25.00. Some accounts were because the minimum balance was not reached. This action was taken because these accounts were costing too much to maintain. Members were notified and given six months to increase the balance. The policy on signature loans was changed to: Unsecured loan limit is 10 times the share balance not to exceed $1,500.00.

Assets as of December 31, 1983 were $484,546.54. Outstanding loans were $351,745.06. 124 loans were made in 1983 totaling $279,593.76. $26,617.47 was paid in dividends. At the end of 1983 our membership was 628.

Your credit union is audited twice each year according to federal regulations. Once by the federal auditor and once by the supervisory committee. Any problem areas are located, discussed and corrected if necessary. Each audit of 1983 determined that the records are accurate and that the books are in balance.

In the fall of 1982 your Board of Directors began to consider the possibility of including Harris Hospital in our membership since we had learned that the administrators there were considering beginning a credit union and were looking at their options. After six months studying the issues involved and reviewing and updating our by-laws, your Board of Directors drew up a formal proposal and presented it to the Harris Methodist Health System administration. In November of 1983, following several months of negotiation, Harris accepted our proposal. In December of 1983 we presented our recommendation to the National Credit Union Administration in Austin and it now appears that over 4,000 employees of the Harris Methodist Health System will be eligible to join you in our Central Texas Conference Federal Credit Union. Your Board of Directors feels this will enable your credit union to offer a greater variety of options in investment and credit, maintain a strong and growing financial base and better serve the needs of all our members.

The current Board of Directors are: Joe Fagg, Eric McKinney, Barbara Vaughan, Ben Marney, J. W. Sprinkle, Walter Black, Nelda Barrett, Judy Wenzel and Tim Russell. John Dowd, Chairman Supervisory Committee; Walter Black, Chairman Credit Committee; Frank Leach, chairman Collection Committee, and Judy Wenzel, Chairs the Education Committee. Edna Davis is Manager.

Lydia Patterson Institute

The Central Texas Annual Conference has earned the appreciation of Lydia Patterson Institute for the unprecedented response to the financial crisis which faced the school last year because of the devaluation of the Mexican peso. The churches of the Conference contributed $36,584 in Emergency Funds after being asked for $15,301. This was the most generous response of any of the seventeen conference of the Jurisdiction, and demonstrated once again both the benevolence of this Conference's members and their

commitment to the work of the Master. The students, faculty, administration, and Board of Trustees all join to express a heart-felt thank you to every person and every church which had a part.

This generosity was matched by the Conference whose churches overpaid the L.P.I. apportionment by a significant amount, and by those churches who have directed Advance Special funds to the School.

We are happy to report that the immediate crisis was met successfully and the School still is very much involved in carrying out its mission. Its enrollment is up, and we are operating "in the black." At the same time, it is important for you who own the School to realize that continued support both in apportioned and second-mile giving is absolutely necessary. It is hoped that each local church will seriously consider including an L.P.I. Special in its budget.

The need for L.P.I. was never greater. The United States is experiencing greater growth among its Hispanic citizens than in any other segment of its population. At present one of every five persons in Texas is Hispanic, and demographic predictions are that this trend will continue. L.P.I. is at the forefront of ministry to this distinctive group on behalf of United Methodism.

L.P.I. has been serving for seventy one years, and through that period it has undergone a number of changes in order to effectively meet the changing needs of the Hispanic community. It began as a ministry to children who were refugees from the Mexican Revolution. What that crisis ended, the School began to educate students from El Paso/Juarez through its English Second Language and high school programs, to train individuals in preparing for Christian Ministry through its Ministerial Department, and to serve resident students through its dormitory facilities. These were years when a high school diploma was viewed as a worthwhile achievement for Hispanics and other minorities in the United States. Hispanic Ministerial candidates received what was accepted as the best preparation for Church leadership and Ministry.

The social changes begun in the 1960's brought about alterations which affected L.P.I.'s mission. A high school diploma no longer was viewed as a major achievement for a minority student, and the higher education standards for professional ministry caused the School to establish a college scholarship program that enabled pre-ministerial students to attend Texas Western College (now UTEP) and to take theology classes at L.P.I. Many of the present Rio Grande Conference leadership belong to this generation.

Later, several forces required a change of direction. First, the new building program closed the dormitories. Second, equal opportunity programs made it possible for Hispanic ministerial candidates to attend college closer to home. Third, the college scholarship program ceased to be needed and was discontinued. This limited the service to local El Paso/Juarez students and led to the present mission of providing educational services in a Christian environment in English Second Language and High School. This has been a valid and important mission, and it addresses vital educational and spiritual needs for hundreds of students every year.

L.P.I. now proposes to accept the challenge of a new time to move in new directions. With the dramatic growth in the number of Hispanic people, the School recognizes an urgent need to provide the United Methodist Church with expertise and training for evangelism and ministry. Without neglecting its present important ministry, the School has recommended changes in governance and mission which will make it United Methodism's leader in two different areas: first, in serving as a laboratory to develop new and effective ways of reaching and ministering to a Hispanic population which presently virtually is unreached by the Church, and second, in training persons from the Southwestern United States, Mexico, and other parts of Latin America for positions of Christian leadership and responsibility.

This is a venture of which you are a part, and since The Central Texas Conference has always been a pioneer in matters of Spirit and of Ministry, we thank you for your past support and expect your continued involvement with us in achieving that to which we are all committed.

Homes For Retired Ministers

Your Trustees of Homes for Retired Ministers are happy to report another good year. There have been some changes since last conference. Two of the homes have been sold; one was an older home, the other was no longer a desireable location for retired persons because of conjested traffic. At present we have 25 homes scattered over 14 counties.

The special offering for Homes for Retired Ministers this past year amounted to $12,258.12 which is $211.53 less than the previous year. Of the 358 local congregations of our conference, 157 did not receive the offering or did not designate the money to Homes for Retired Ministers. That means 43% of the churches did not participate in the program. We are grateful for your support, but the following figures will show we cannot long afford a decrease in giving. Maintenance of the homes was $15,128.72; Ad Valorem Taxes were $10,292.41; insurance will exceed $2,900. These major items continue to climb each year.

We are grateful for the contributions made by the residents of the homes. Without their support we would not be able to maintain as good a program as we have. The residents contributed $7,679.70.

In 1906 the Central Texas Conference began to accept the gifts of homes to house its retired ministers and/or their widows who could not provide a home of their own. The need for such gifts is still very real today. Your Trustees urge you to consider putting your home in your will for those who gave the best years of their lives for the cause of Christ and his Church.

The Trustees are E. J. Hughes (1985), Warren Fuller (1985) William M. Greenwaldt (1985), James A. Hopkins (1986), Mervin Spitzer (1986), Charles McClure (1986), Luther W. Henry, Sr. (1987), Ray Elliott (1987), Charles Hearn (1987).

Texas United Methodist College Association

Greetings, from the Texas United Methodist College Association and the seven United Methodist institutions that make up the Association: Huston-Tillotson College, Lon Morris College, McMurry College, Southern Methodist University, Southwestern University, Texas Wesleyan College, and Wiley College.

The Central Texas Conference contributed $186,715 to the Association in 1983, which was 100% of the apportionment of $186,654. You also contributed $80,431 to the Black College Fund in 1983, which was 100% of the apportionment of $80,431. We thank you for this support which goes partly to financial aid to enable students to attend our colleges and universities. Your financial support is very important to the students at our colleges and universities, as well as to the institutions themselves, and we appreciate it.

The National Commission on United Methodist Higher Education, established by General Conference in the 1970's, listed six reasons why the United Methodist Church has its own colleges and universities:

1. We are to love God with heart, soul, mind and strength, and it is of the nature of the church to love God with our minds.
2. The Wesleyan tradition and heritage in higher education are strong and distinguished.
3. We wish to have a liberally educated laity and clergy.
4. We have a concern for value-centered inquiry, for education as a moral enterprise.
5. We desire to empower individuals through liberal arts education.

6. We are committed to cultural pluralism and educational diversity.

Because our forefathers in Texas believed in a college-related church, we have inherited a rich legacy in our seven institutions. In the fall of 1983, they enrolled 14,944 students, an increase of 356 from the fall of 1982. Their endowments totalled $230 million and their plant assets were $348 million in 1983. The combined 1983-84 budgets of the seven were $138 million. Almost 60% of the students in our institutions in 1983 received financial aid, an impressive figure! This means that your dollars assisted 8858 students to attend our colleges and universities.

There is considerable misunderstanding about the actual costs of attending United Methodist Colleges. Many people assume that they cannot manage the costs; because of that assumption, many do not even explore the possibilities. Remember: only two out of five pay the listed costs to attend our seven institutions in Texas, and that number is one out of five or one out of ten at some of our institutions! Many people can attend one of our colleges or universities at no more cost to them than attending a state-controlled institution. The message is: give our institutions a chance! Get in touch with one or more of them and see what kind of financial arrangements can be worked out! The admissions and financial aid officers will be glad to work with you.

If the Texas United Methodist College Association can be of assistance to you in any way, please let me know.

JOE E. ELMORE, President

Perkins School Of Theology

As I complete my third year as Dean of Perkins, it seems appropriate to review important changes that have occurred in curriculum, in community life, in our student body, and in support.

1. By the time I arrived in 1981, the Perkins Senate had begun an extensive review of the curriculum which resulted in recommendations and revisions that have now been implemented. An emphasis on the integrated study of the Bible, taught jointly by Old and New Testament faculty, is in place. A comprehensive course on Introduction to Ministry engages incoming students in a better understanding of both person and nature of ministry. The Intern Program was affirmed and strengthened in the context of overall curriculum. Each year 80 or more of our students are assigned to situations of practical ministry for experience and evaluation.

   Even with the changes in curriculum design, a full-time student can still graduate with three full-time years of study plus one semester of internship. Restrictions on student pastors have been lifted to enable capable students to graduate more swiftly.
2. Essential to any effective educational program is an outstanding faculty and administrative staff. In the past four years, nine of our leaders have retired or departed, including C. Wayne Banks, L. Howard Grimes, H. Grady Hardin, J. B. Holt, Douglas E. Jackson, Claus H. Rohlfs, David Lowes Watson, James F. White, and our long-time Dean, Joseph D. Quillian, Jr.

   Coming to Perkins in various capacities have been Assistant Professors Susanne Johnson and Marjorie Proctor-Smith; Bert Affleck, Director of the Intern Program; Guy D. Garrett, Director of Academic Procedures; John C. Holbert, Director of D.Min. and Continuing Education; James E. Kirby, Dean and Professor of Church History; Roger L. Loyd, Associate Director of Bridwell Library; Lynn Mims, Associate Director of the Intern Program; Laura Randall, Catalog Librarian, Bridwell Library; Linn Richardson, Director of Recruitment and Admissions; Patty Evans, Assistant in Community Life. Bishop W. McFerrin Stowe continues a second term as Bishop-in-Residence, carrying also professorial duties in Church Administration.
   acred music.
3. The level of support from our Ministerial Education Fund has continued to be a significant part of Perkins' finances for which we are deeply grateful. Response by our graduates participating in the Perkins Alumni/ae Loyalty Fund has grown from $29,000

in 1981 to over $70,000 this year. Though the dollar income is significant, the level of participation is our most important achievement, having grown from 22% participation to better than 50% of alumni/ae making gifts on an annual basis.

Seeing the establishment of a professorial chair is a rare thrill for a school. Yet in the space of a little over a year, Perkins has seen the creation of three chairs, fully endowed and funded. First, the Lehman Chair in Christian Doctrine was announced in the spring of 1983; then the family of Lois Craddock Perkins announced their intention to establish a memorial chair in homiletics early in this year. The Texas Annual Conference fulfilled its pledge in response to the Bishop's Challenge of several years ago by establishing the Albert Cook Outler Chair in Wesley Studies in February.

Plans are still underway to appeal to individuals to help build an adequate endowment for the operation of our Intern Program. Delegates to the Jurisdictional Conference will be given the opportunity to respond to a joint appeal by St. Paul and Perkins to further the cause of theological education in the South Central Jurisdiction.

4. Coordinated within the area of community life and the new curriculum, patterns of worship in the Perkins community have been enhanced with the establishment of four daily opportunities for worship, beginning with Morning Eucharist, a service at noon and at 5:00 p.m., and a Compline service at 10:00 p.m. in the chapel. Students and faculty work together in leadership for each service. Another added dimension is the Interethnic Experience, designed to give each student the opportunity to be involved in a congregation of a different cultural background than his/her own. Each junior student has also been assigned to a formation group that provides for spiritual guidance and support by peers and faculty facilitators. High levels of participation attest to the importance of this format for personal and professional growth.
5. Bridwell Library continues its growth toward the foremost resource center in theological research, adding 21,000 volumes to the collection in the past year alone. Unusual support from alumni/ae and friends provided for the acceleration of additions.
6. This past year's total enrollment of 492 is the largest in three decades, reflecting the renewed efforts in the area of recruitment and admissions, and reversing a trend that had been established in the past decade. Enrollment is up in almost every degree category, but especially in the D.Min. and M.T.S. programs. In this year's class are 372 men and 120 women; 34 are Black, 15 are Hispanic, one is Native American, and 23 are International. Students represent 18 denominations, with 349 United Methodist students from 46 conferences. Significant is the decline in the total number of women enrolling in each of the past three years, in contrast with the average of the United Methodist seminaries.

   Perkins continues to make a significant commitment to the financial aid budget, comparable to the highest among 13 United Methodist seminaries.
7. Perkins Continuing Education opportunities featured both residential and group guided study enterprises involving over a thousand clergy persons each year, as the church increased awareness of lifelong education for its pastoral leadership.

We are aware of the many ways in which former students and the lay constituency of the church have made significant contributions to the life of our community. The process by which we find new and better ways to educate persons for ministry continues to be challenging. Results come only through long and consistent work. Your support in all forms gives me a renewed sense of optimism about our ability to successfully complete the task.

JAMES E. KIRBY, Dean

The South Central Jurisdiction — The United Methodist Church

Report For 1983

The major purpose of the jurisdiction is that of leadership development. During the calendar year of 1983 the Jurisdictional Council on Ministries, the program unit of the jurisdictional structure, has made possible a variety of leadership training and inspira-

tional events. These included a workshop for senior pastors; Inter-Ethnic Minority Convocation; training and sharing of ideas for campus ministers; Bishops' Week at Mt. Sequoyah; ecumenical missions conference; laboratory/seminars for workers in the church school; workshop for administrators of weekday schools for children; workshop on the use of the computer in the local church; tele-communications workshops; four retreats at Mt. Sequoyah for retirees; workshop for training of lay leaders; workshop for persons involved in churches with few members; training event for camp administrators and their staffs and another one planned for 1984; workshop for United Methodist Men giving emphasis to the work of Boy Scouts and taking leadership in this ministry; workshop for persons interested in archives and history where plans were made to better catalogue archives and history of the South Central Jurisdiction in the Bridwell Library of Perkins School of Theology. One of the most active units in the Jurisdiction is the youth organization. More than 300 young people from the seventeen annual conferences participated in the J.Y.M.E. held at Centenary College, Shreveport, LA last summer. The Jurisdiction Youth Conference was held at Bridgeport Conference Center in March of 1983. Plans are being made for "Reclamation 84" to be held in Kansas City, August 13-17, 1984 where more than 3000 young people and their leaders are expected to participate. Task forces have been at work planning training events for the calendar year 1984.

During 1983 the J.C.O.M. began a Volunteers in Mission program, making possible a way to coordinate short term volunteer work programs within the jurisdiction and beyond the borders of the United States. A number of local church groups have been involved in ministry to the medical needs of people in Mexico, Haiti and other countries. Other groups have been involved in the construction and repairing of church parsonages and church buildings in the jurisdiction and Mexico. Rev. Hans Aurbakken serves as the jurisdictional coordinator for this program. Persons or groups interested in becoming personally involved in volunteer work or who are seeking a worthy project, should contact the VIM office, 6155 Samuell Blvd., Dallas, TX 75228, telephone 214-321-7077.

The Jurisdictional office has worked with the General Board of Higher Education and Ministry in administering scholarship funds to approximately 150 ethnic minority students who were working toward the fully ordained ministry. A total of $33,550 was awarded during the calendar year 1983. The jurisdiction also participated in the establishment of The Indian Center at Oklahoma City University in 1983.

The Protestant Hour, a radio program supported by the South Central Jurisdiction, the Southeastern Jurisdiction, the United Methodist Communications and other groups continues to be a vital ministry throughout the nation. The Jurisdiction office serves as a communications link between the seventeen annual conferences and general boards and agencies. During 1983 a news sheet, "SCJ Mix," was inaugurated that carries news about "good things" happening in districts and annual conferences. The "SCJ Mix" is a media through which program ideas are shared.

The Jurisdictional office was moved into office space made available in a new suburban Cokesbury Book Store, 6155 Samuell Blvd., Dallas, TX in 1983. We are grateful to Cokesbury for including this comfortable and attractive office space, plus affording a meeting room that is available for us by the jurisdiction.

Work was begun during 1983 in making plans for the 1984 Jurisdictional Conference Session to be held in Lubbock, Texas, July 16-19, 1984. A re-structure study committee has been at work preparing recommendations for changes in the jurisdiction structure. A copy of these recommendations will be carried in "The Christian Advocate" and mailed to all delegates before the Jurisdictional Conference Session.

Annual Conferences have been supportive of the Jurisdictional Administration Fund. Eight of the conferences have paid their apportionments "in full" for 1983. Ninety-four (94%) percent of the total apportionment was paid, the total amount being the largest given of any year in the history of the jurisdiction. Of the $205,000 apportioned for the Jurisdictional Administration Fund, $193,276.46 was paid. We express our appreciation and thanks for the support given to the jurisdiction by the seventeen annual Conferences.

Dr. Luther Henry and Ms. Helen Marshall have represented the Central Texas Annual Conference on the Jurisdictional Council on Ministries and Mr. Bill Palm has served on the Jurisdictional Council on Finance and Administration. We are grateful for their support. We are also grateful to the College of Bishops for their support and work through the Jurisdictional structure of the church.

United Methodist Women

On December 31, 1983, the seven districts of Central Texas Conference United Methodist Women reported a membership total of 10,526. $184,575.26 was sent to the

Womens Division of the General Board of Global Ministries. $43,863.42 was spent within the conference for Administration and Membership Development of the conference and districts. The monetary figures are in addition to the amount spent by the local units for work within the local church and community.

Events attended during the year outside the conference were: National Seminar (6); Quadrennial Meeting of the South Central Jurisdiction United Methodist Women (8 voting delegates, and 5 others); New Officer Training Event (1); and Training for Committee on Nominations (2); Seminar on World Federation of Meth. Women (1).

Opportunities for learning and development held within the conference were: Officer Training for District Officers; Conference Retreat at Glen Lake; A Christian Disciplines Workshop led by members of Womens Division for the elected leaders of the conference plus three district officers from each district.

Myrtis Parker was elected to serve on the South Central Jurisdiction Core Planning Group Committee on Nominations for the quadrennium.

Jane Hill, Helen Marshall and Frances Bickham were nominated by our conference as nominees for election to the Womens Division at the Quadrennial Meeting of the Jurisdiction United Methodist Women.

Dorothy Crockett has served as Dean of the Planning Team for the West Gulf Regional School of Christian Missions for the 1984 school. All elected conference officers, dean, assistant deans, as well as study group leaders attend the Regional School of Christian Missions for study and training.

All women elected as lay delegates from Central Texas Conference to General Conference and Jurisdictional Conference are active members of United Methodist Women.

The Conference School of Christian Missions will be held July 6-12, 1984 at Texas Wesleyan College. The Board of Global Ministries co-sponsors the school. Studies this year are: Korea, Swords Into Plowshares and Ephesians. More detailed information is included in your packets.

We continue our Centennial Celebration by striving to increase membership and giving. There is a special Centennial Fund which local units are encouraged to support by contributing one dollar per member per year for three years.

The Discipline of the United Methodist Church states that there shall be an organized unit of United Methodist Women in each local church. Our conference falls far short of this requirement. The district leadership continues to strive to organize a unit in each local church. We pray for the support of the local pastor and the district superintendent in this endeavor.

The pastor of the local church is a member of the executive committee of the local unit of the United Methodist Women.

Therefore:

I challenge each local pastor of a church that does not have a unit of United Methodist Women in your church to organize one or reactivate one.

If you already have an active unit in your church — I challenge you to meet with them, encourage increased membership, and encourage the president to make accurate and timely reports to you and to her district president at the end of each year so that the statistical reports will be accurate for both United Methodist Women and the Annual Conference.

Task Force On The Ethnic Minority Local Church Report To The 1984 Conference

This report brings to a close the 1980-84 Quadrennial Missional Priority on The Ethnic Minority Local Church. A review of the past reports and activities of this task force and conference will show that the Central Texas Conference is stronger today than it was in 1980 as a result of this Missional Priority effort. Increased membership in ethnic churches, new ethnic congregations, multi-racial staff has been a reality, an ethnic intern at

a Wesley Foundation, stronger leadership because of training within the conference and on the General Church level, and many other evidences of growth and strength that are the results of day-to-day efforts by you in the local churches. It has been said before, but it bears repeating. This Conference has responded as a whole to the Priority and has left the Task force with a role of support and encouragement. We thank each of you for making sure that the finances were raised to enable us to support these needs in these years that have been so productive. We call once again for a sense of celebration and a dedication to the continuing task for the days ahead.

Report Of United Methodist Men To The Central Texas Conference

There has been continued growth in the number of United Methodist Men's fellowships in the Central Texas Conference due primarily to the efforts of District Presidents aided by Conference officers when requested. The continuing effort is to get the word out.

In August of 1983 we had a special program entitled "Helping Men Get a Grip on Life" led by Dr. Ross Freeman, Executive Director of the Southeast Jurisdiction. The intent of this program was to help men better understand their place and roll in the church and how they can become more comfortable and effective in their work in and with the church. This program is available for use in District and local U.M.M. work.

The April 1984 meeting at Glen Lake Camp was a business session at which a new slate of Conference officers was elected. A major emphasis of United Methodist Men in the short term and the long term planning of the Conference is support and promotion of scouting. To this end, a scouting coordinator has been appointed.

The 36th Annual Central Texas Conference Men's Retreat will be held at Glen Lake United Methodist Camp Friday and Saturday, August 10-11, 1984. Plans are not yet complete, but will appear soon in the United Methodist Reporter. A strong and active Conference, District, and local United Methodist Men would greatly improve the health and growth potential of the United Methodist Church in the Central Texas Conference.

Mt. Sequoyah Report

I wish to thank Central Texas Conference for the support of Mt. Sequoyah.

During the coming months, a Search Committee will be seeking a replacement for Rev. Lee Cates who will retire in January, 1985. The Board has also established a special committee to study and recommend a job description that will include programmatic responsibilities. Also, it will relate the management of Mt. Sequoyah more closely to the Jurisdictional Council on Ministries.

A list of events to be held at Mt. Sequoyah will be sent through the Coordinated Mailing this summer.

Thanks for your support.

Chaplain Salyer entered the United States Navy immediately following his graduation from SMU in 1942. After ordination by Bishop W. C. Martin in September 1942, Chaplain Salyer transferred to the Chaplain Corps and served until July 30, 1972. After his retirement from the Central Texas Conference and the Navy, Chaplain Salyer taught in the Los Angeles Unified School District.

Chaplain Salyer is survived by his wife, the former Frances Helen Pyeatt of Olney, Texas, and by four children. He is also survived by nine grandchildren.

Memorial services were held at First United Methodist Church in Canoga Park, California. Interment was at the Los Angeles National Cemetery.

Reverend Leslie Warren Olliff

Leslie Warren Olliff was born in Kerrville, Texas, the son of John and Mary V. Olliff. Funeral services were held at Meadowbrook United Methodist Church, July 9, 1983.

Warren spent most of his young life in Taft, Texas, where he attended elementary and high school. His undergraduate degree was from Trinity University in San Antonio. Upon graduation, Warren worked in several areas of sales and promotion. On November 12, 1949, Warren was married to Mary Elizabeth Bovelle. The Olliffs were blessed with two children, Terry Lee and Sherri Louise and two grandchildren, Timothy Warren and Jonathan Wayne.

The decision for full-time ministry came in 1960 to Warren while he was involved in the business world. Warren entered Perkins School of Theology and achived an outstanding record. He was presented the special award for preaching. Additional academic work earned Warren a Master of Sacred Theology degree.

In addition to outstanding pastoral skills, Warren was involved in many community activities such as establishing counseling centers. He was a pastor and counselor to many college students while living in Stephenville. Countless numbers of young people interested in full-time ministry sought Warren's counsel.

Warren served as an Associate Minister at University United Methodist Church during his seminary experience. Other appointments were: Bethel in Fort Worth for four years, Stephenville First for nine years, Trinity in Arlington for four years, and was in his fourth year at Meadowbrook in Fort Worth.

There were many areas of service to which Warren gave his time. He served on the Conference Board of Ordained Ministry, numerous committees, and was chairperson of the Board of Pensions at the time of his death. Warren was an active participant in Yokefellow, a national support group organization.

The ministry and talents of Warren will be greatly missed.

Jack Smith Payne

The Apostle Paul wrote the young minister: "...do the work of an evangelist..." (II Timothy 4:5)

Jack Payne was born in the state of Arkansas on July 7, 1924, and was reared in Mineola, Texas. He married Lillie Richards of Clifton, Texas, on September 16, 1949.

Following his high school graduation at Mineola, Jack served three years in the US Navy. He answered the call to preach and prepared himself by graduation from Texas Wesleyan College and Perkins School of Theology at SMU. His pastoral assignments included Meadowbrook (Associate), Alba Circuit (Texas Conference), Weatherford Circuit, Asbury (Fort Worth), Santa Anna, Ferris Heights (Waxahachie), McGregor, Westcliff, Arlington First, Weatherford District Superintendent, Temple District Superintendent, and Hurst First. Annual Conference leadership positions served were Chairman, Board of Higher Education; Chairman, Camps and Assemblies; Chairman, Board of Evangelism and the Board of Pensions. Jack also served as Trustee to Harris Hospital, Texas Wesleyan College, Scarritt College, and Wesleyan Homes. He was a delegate to the World Methodist Conference in 1966, Reserve Delegate to Jurisdictional Conference 1972, 1976, a Jurisdictional Conference Delegate in 1980 and had been elected a Delegate to the 1984 General Conference. Also, with more than thirty years of service and rank of Captain, Jack was the ranking United Methodist Naval Reserve Chaplain at the time of his death. In 1967 Texas Wesleyan College honored him with an honorary Doctor of Divinity Degree.

With all of the honors received, elections to leadership gained, great pastoral assignments given, Jack placed greater value in wanting to serve as missionary and evangelist. Thus, his life and ministry touched spiritual needs not only in his parish, but throughout the world. Every year in every appointment showed a net gain in membership and a strong growth in missionary support. His day knew no hours in labor for his Master, no distance was too far to go to reach that one who stood in need, no person was unworthy of his help, and no conviction was worth leaving if to Jack it meant something right and good for the Kingdom.

Jack moved from this life into the next on September 25, 1983; and we celebrated his life on September 27, 1983, at First United Methodist Church, Hurst. Reverend Randy Wild and Bishop John Russell officiated and were assisted by Dr. Eugene Robertson and Dr. John Tudor. Burial was in the Clifton Cemetery with Reverend James Shuler officiating and was followed with full military honors by the US Navy. Jack is survived by his wife, Lillie; his daughters, Dana and Shauna; his sons, Bryan and Barry; and his grandson, Joshua.

The Apostle Paul wrote the minister: "...do the work of an evangelist, fulfill your ministry..." (II Timothy 4:5) Timothy and our brother Jack both did that.

– James Shuler

He was Chairman of the Conference Program Council of the Central Texas Conference at the time of his retirement in 1972.

As a member of the General Board of Evangelism, Maggart made a great contribution to Methodism. He also served as chaplain in the US Army during World War II.

While serving as pastor at Arlington Heights UMC he was stricken with a severe heart attack. This made it necessary for him to go on disability leave from his active ministry.

Dr. Howell was a real friend, and he made friends easily all over the country. The final tribute of love for this man of God was held at Arlington Heights United Methodist Church October 5, 1983. Ministers involved in the worship service were Dr. Mike Young, Dr. William Greenwaldt, Dr. Gordon Dennis, Reverend Henry Radde, and Reverend Barbara Gaugl.

The Reverend Thadieth Edward Son, Sr., died Friday, December 30, 1983, in a Grand Prairie, Texas, nursing home. Family and friends gathered at the First United Methodist Church of Mansfield on January 1, 1984, for a funeral service and a celebration of his Home Going. The service was conducted by Dr. B. Thomas Tribble, Mansfield pastor.

Rev. Son was born May 21, 1903, in Granite, Oklahoma. However, most of his adult life was spent in Texas.

Rev. Son attended Southwestern University in Georgetown. He then graduated from Perkins School of Theology, SMU, in 1936. Thad was received into the Central Texas Conference in 1933. Before his retirement from the itinerant ministry in 1968, Thad served eight pastoral appointments in the Central Texas Conference. Rev. Son served as a chaplain in the US Air Force from 1942 until 1958, and attained the rank of Lt. Colonel.

Those who knew Thad remember his infectious humor and brotherly attitude. He had a deep feeling for the baptism and dedication of infants and small children. Because of this, he was able to affect a strong ministry to families, particularly those with children.

He is survived by his wife, the former Ruth Harmon, to whom he was married July 6, 1939. He is also survived by a son, Thad, Jr., and two grandchildren.

About the Rev. Thad Son, it can truly be said, "Well done, thou good and faithful servant...enter thou into the joy of thy Lord."

– B. Thomas Tribble

Reverend Roy Edgar Stanley

The Reverend Roy Edgar Stanley was born October 15, 1921, in Waco, Texas, to the late Arthur J. and Bessie Stanley. Roy was the fifth of six children born to this union. As a youth Roy joined the St. James Methodist Church in Waco. He attended the Waco public schools, Paul Quinn College, and Gammon Extension School at Gulfside for Pastors. He served in our armed forces for a brief time and served both Church and country with devotion and loyalty. On August 18, 1951, Roy and Lovie Lee Stephens were married and were blessed with four daughters and two sons.

Following a brief ministry in the A.M.E. Church, Roy joined the West Texas Conference of the Methodist Church. He pastored Perry Chapel (Crawford), Dennis Chapel (Groesbeck), St. James (Bremond) and Mt. Zion (Waco). Declining health required that he take early leave of active ministry though never apart from it in spirit, support, or service.

Roy was most active with Waco Inner City Ministries as the director of Friendship House and helped to formulate the meals-on-wheels ministry. Roy was a "giver" and expressed concern and support of any who stood in need. The Church and the city of Waco are stronger because of his stewardship of

life.

Roy Stanley was transferred from this life to the next on January 30, 1984. He leaves to honor his life, his wife, Lovie; four daughters: Jackie, Roye, Dian, Tully; two sons: Bobby and Stephen.

The Church and the city of Waco celebrated his life on February 4, 1984, with the Reverend Ernestine Scott and the Reverend James Shuler officiating.

– James E. Shuler

Quay Parmer officiated and was assisted by Rev. Bob F. Weathers. John was buried in Rose Hill Cemetery in Fort Worth, Texas. John attended Polytechnic High School in Fort Worth where he was a star athlete. He entered SMU in the fall of 1945 and played on the SMU football team during the glory years of the late 1940's. He served the Central Texas Conference in the following pastorates: Rice; Florence; Whitney; Saginaw; Glen Rose; DeLeon; Boulevard, Fort Worth; Midlothian; Trinity, Waco; Epworth, Arlington; Olney; Azle; and Dublin Parish.

John had strong relational skills and was dearly loved by his parishioners. He established life-long friendships everywhere he served. John was an exceptionally fine preacher of the Good News of Jesus Christ and made a significant impact on people's lives by this great gift. We thank God for all the goodness which proceeded from John's life into the lives of others.

– Bob F. Weathers.

Reverend Jimmie Ray Scott

Jimmie Ray Scott was born at Smithfield on November 14, 1924. His parents were the late Joe M. and Jesse E. Scott. His grandfather was the Reverend J. M. Scott, who was an early pastor in the area.

Jimmie graduated from Riverside High School in 1942. He attended Texas Wesleyan College, receiving his B.S. degree there in 1957. He received his B.D. degree from Brite Divinity School at Texas Christian University in 1961. He joined the Central Texas Conference on trial and was ordained a Deacon in 1959. He was received into full connection and ordained an Elder in 1961. Reverend Scott served pastorates at Minter's Chapel, White's Chapel, Mt. View-Trickham, Haslet, Kennedale and First, Bedford.

His funeral service was held in the sanctuary of his beloved First United Church in Bedford, where he served for 20 years. As he had requested, it was conducted by members of the staff there. District

Superintendent Sidney Roberts and Associate Pastor Scott McDermott led in the service at the grave in Smithfield Cemetery.

Ava Pace Crawford

Ava Pace Crawford, widow of Reverend Roy L. Crawford, was born November 20, 1898, in Salado, Texas. She died on July 29, 1983.

She married Reverend Crawford on January 14, 1917, in Pumphrey, Texas, Together they served at Palmer, Graford, West, Crawford, and Saginaw. It is interesting to note their shortest tenure at any church was five years.

Even in retirement Ava continued to serve the church. She was chairperson of the Worship Committee for many years, and served faithfully in the choir. The Winters' community also benefited from her energy and interest. She was a past Worthy Matron of the Eastern Star and worked on the Runnels County Historical Commission.

Ava's commitment to Christ was obviously the primary motivating force in her life. It gave her a sense of optimism and enthusiasm for living and serving that she never lost. It was a delightful experience to share her stories of her life in the ministry. There were times of struggle, but she remembered them always with a sense of triumph, as well as, with a wonderful sense of humor that enabled her to laugh at the unusual situations that parsonage families face.

It was with that sense of triumph that the church gathered on August 31, 1983, to celebrate the victory of her faith, and to give thanks to God for the unique quality of her life. Reverend Bob Weathers, Brownwood District Superintendent, and Reverend Bob Holloway, pastor at Winters, officiated.

She is survived by two sisters-in-law, Mrs. Rankin Pace and Mrs. J. B. Pace of Austin, a nephew, J. B. Pace, Jr. of Austin, and a niece, Mrs. Sue Pace Placke of Giddings.

Mrs. J. N. R. Score

Mrs. J. N. R. Score, nee Ruth Smith, died September 12, 1983, in Georgetown. Her memorial service was held in the Lois Perkins Chapel on the campus of Southwestern University on September 16, with Dr. Farley Snell, Dr. B. F. Jackson, and the writer officiating.

Mrs. Score was born June 6, 1900, in Wynne, Arkansas, the daughter of Ella Hughes and James Emmet Smith. She was married to John Nelson Russell Score in January, 1921. They served a church in Wynne and then one in Berkeley, California, where the Reverend Mr. Score completed his doctorate in 1925.

From 1926-1934 they served St. Paul's Methodist Church in Houston during the time that beautiful edifice was planned and constructed. From 1934-1942 Dr. Score was pastor of First Methodist Church in Fort Worth.

In 1942 the Scores moved to Georgetown when Dr. Score accepted the Presidency of Southwestern University. During the Score administration the aims and objectives were redefined, the course was set for the university which

still is in place, the academic program was restructured, the university's buildings and facilities were greatly upgraded, and the endowment base was established. Among the outstanding accomplishments were the permanent endowment; the inauguration of the Navy V-12 program during the war years; the funding of the Fondren Science Building; and the securing of the Perkins gift for the construction of the Lois Perkins Chapel.

On September 23, 1949, Mrs. Score represented her husband for the groundbreaking of the Chapel, and on that same day Dr. Score signed the transfer papers for the W-K-M gift. On September 26, Dr. Score died at the age of 53.

During the years in the parish ministry and at Southwestern University, Ruth Score was a working partner with her husband. She was involved in the W.S.C.S., serving in a Conference office, and was a Secretary of Student Work in the Jurisdiction.

Following her husband's death, Ruth moved to Dallas. For twenty-five years the TMCA was a vital element in her life.

Ruth Score was a beautiful Christian lady whose joy and high spirit for life and work was contagious. She loved her Lord and served His Church with fidelity and devotion.

Lou Emma Barnes

Lou Emma Barnes lived a rich and full 81 years. Sixty-three of those years she was married to the Reverend D. L. Barnes, a retired member of the Central Texas Conference.

Lou Emma was born on May 2, 1902, in Blackwell, Texas, the daughter of Mr. and Mrs. John Craft. She married the Reverend D. L. Barnes in November 1920. Together they served fifty-seven fruitful years in the ministry.

Lou Emma was a very active pastor's wife with a tremendous love for her Master and her Church. She was most noted for her abilities as a Sunday School teacher, and her many years of loyal commitment to she was a lifetime member. Wherever she and D. L. served, folks always relied on Lou Emma for strength and support.

While faithfully serving her church, she never neglected her family. Her two fine children are a living testimony of her love and care and dedication. Lou Emma was the quiet, calm, steady force which was the underlying strength of her family. Lou Emma was perhaps a little shy, but yet so very warm. Her dry sense of humor often provided the lift needed by family and friends. She always conducted herself in a most dignified manner. Even as her life was reaching its conclusion, she still maintained a sense of quiet and graceful beauty. She was simply elegant.

Lou Emma Barnes died on October 11, 1983, in Abilene, Texas. Services were conducted on October 14 at the St. James United Methodist Church by the pastor, the Reverend Thomas Nagle, assisted by the Reverend James Holdridge and the Reverend Randon Ely. Burial was in Elmwood Memorial Park, Abilene. She is survived by her husband, D. L., a son, John, of Houston,

Texas, a daughter, Mary Vanderveer, of Abilene, Texas, 3 grandchildren and 4 great-grandchildren.

Mrs. Corn lived the last few years of her life in the Haven Nursing Home in Mexia, Texas, where she was an inspiration to residents and staff.

Mary Margaret Powell Siceloff
August 11, 1886 - December 19, 1983

Mary was born in Streeter, Illinois, one of seven children. She began teaching in rural Illinois at age 17 and later taught Greek and Latin at Central Methodist College, Fayette, Missouri, where she had earned her degree.

Mary Powell and John Andrew Siceloff were married in 1915 and began their ministry in Dallas at Trinity/First Methodist Church. Subsequently they served Texas pastorates in Jarrell, Bartlett, Belton, Hemphill Heights (now University) in Fort Worth, Weatherford First, Coleman, Midlothian and DeLeon. While John was Conference Executive Secretary in Fort Worth, Polytechnic became church home for the family.

After the death of John in 1945, Mary worked the following years as staff person and volunteer in various social agencies and churches, including, in Fort Worth, the Wesley Community Center, Volunteers of America home for unwed mothers, the Suicide Prevention Center, and the St. Marks United Methodist Church - where she was secretary and church visitor for fourteen years. Later residing in San Francisco, she helped organize the Suicide Prevention Center there and conducted literacy classes for Chinese and Korean groups. Returning to Fort Worth, she continued to be active in the Prayer Fellowship Group and in Church School teaching, frequently being guest lecturer in classes she previously had taught. In early 1983 she moved from Friendship House in Fort Worth to the Juliette Fowler Homes in Dallas, joining a nearby church. She had a daily visitation program at Juliette Fowler and continued to teach in the Church School until the fall of 1983.

She was preceded in death by her daughter, Mildred Siceloff Carter, and a granddaughter, Susan Harkey. She is survived by the following four families of children:

Anna Marie and Jarrott Harkey of Dallas and their children, Anita Harkey and Jim Cooksey of Dallas; John and Virginia Harkey with Abigail and Jeremy in Providence, Rhode Island.

The Reverend Robert C. Carter of Baton Rouge, Louisiana, and children, Bill and Leslie Carter and David Carter of Austin.

Courtney and Elizabeth Siceloff of Atlanta, Georgia, and their children, John in Costa Rica and Mary in Los Angeles.

John Siceloff of San Francisco.

Mary is also survived by a sister, Martha Powell Moulton of Grand Junction, Iowa, and a brother, John E. Powell of Fayette, Missouri.

According to her instructions, her body was cremated after the donation of organs for the benefit of the living. A family service was held at graveside in Rose Hill Cemetery the morning of January 14, 1984, followed at 2:00 o'clock by a memorial service at the Polytechnic United Methodist Church. Gilbert Ferrell, Polytechnic pastor, conducted the service. Mary's daughter, Anna Marie, her son-in-law, Robert C. Carter, and a long-time friend, Betty (Mrs. John) Hildebrand, participated. The service included a time of collective remembrance when, from all over the large congregation, persons stood and spoke of her profound influence on their lives. It seemed appropriate that the service conclude with the choir singing the Hallelujah Chorus. It was an occasion of great gratitude and joy.

Mrs. Claude P. Jones
June 4, 1898 - January 9, 1984

Mrs. Claude P. Jones was born Estelle Lazenby on June 4, 1898, in Harrisville, Mississippi. Her parents were prominent Rankin Countians, George and Ella Pierce Lazenby.

Her husband, Claude Parke Jones, Sr., entered the Methodist Ministry in the Mississippi Conference where he served 15 years before transferring to the Central Texas Conference where he served 23 years before retiring. Claude and Estelle were married December 5, 1916, in Gulfport, Mississippi. They had one child, Claude Parke Jones, Jr., who died in action in Bastogne, Belgium, on December 22, 1944. They were awarded the Purple Heart but never got over their son's death.

Mrs. Jones served faithfully with her husband in ministry as a very talented and devoted wife. She received a Master of Music degree from Texas Wesleyan College in 1954. Her husband often very affectionately referred to her as "the perfect preacher's wife."

Claude died in 1975 and she remained in Fort Worth, Texas, a member of Meadowbrook United Methodist Church. After several years of declining health she was returned by Frank Jones to Richton, Mississippi, and then to Bay St. Convalescence Home in Hattiesburg, Mississippi, where she died January 9, 1984.

Frank Jones, son of Henry L. Jones of Richton, Mississippi, who was a half first cousin to her husband, had her returned to Mississippi since she had no other relatives. Frank Jones has a son named for Claude and Estelle's son who died in the war.

Her funeral was preached in Jones Funeral Home by Jimmy B. Elam, pastor of Richton United Methodist Church, Richton, Mississippi, and she was buried by her husband in Hattiesburg.

May the memories of her loving service of Christian Ministry live on through those who knew her.

- Jimmy B. Elam

   3. In extreme emergencies, the Committee will consider the diagnosis and recommendations of a duly qualified physician, but not the claimant's personal physician.
   4. When the applicant is approved by the Committee, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With the approval of the Committee on Conference Relations and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.
   5. We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.
   6. All payments shall be made to the claimant monthly.
5. We recommend the following financial plan:
   1. The Committee shall be given authority to draw upon the Operating Reserve Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested price.
   2. After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the Council on

Finance and Administration for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if the plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

Members of the Council on Finance and Administration
CENTRAL TEXAS CONFERENCE of the UNITED METHODIST CHURCH
Fort Worth, Texas

I have examined the Summary of Cash Receipts and Disbursements of W. M. Greenwaldt, Secretary-Treasurer, Central Texas Conference of the United Methodist Church, for the year ended December 31, 1983. My examination was made in accaccordance with generally accepted auditing standards, and accordingly, included such tests of the accounting records and such other procedures as I considered necessary in the circumstances.

As described in Note 1, the Central Texas Conference's policy is to prepare this summary on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present results of operations in conformity with generally accepted accounting principles, since such accounting principles require the accrual of income and expenses.

The Supplementary Information included in this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of my examination was limited to a review on auditing procedures with regard to the Supplementary Information, except to confirm the balances shown.

In my opinion, the accompanying Summary of Cash Receipts and Disbursements referred to above, present fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year then ended, on the basis described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.
