COMPOSITE REPORT OF THE DISTRICT SUPERINTENDENTS

Bishop Russell, members of the Cabinet, members and visitors of the Central Texas Annual Conference. Grace and peace from our Lord, Jesus Christ.

The work of the Cabinet, under the leadership of Bishop Russell, has had several dimensions this year. The reason for this variety is that we are at some important times in our Annual Conference. Some of our concerns have been: Growth in Central Texas is no longer a speculative, it is a fact. As a result, our responsibilities for unchurched people and new church sites has increased enormously. How do we maintain our witness in this rapid growing area? What about the existing congregations that have experienced losses due to changing population. How do we help revitalize thes needed churches? How do we cooperate with and promote the number one priority of the General Church, Ethnic Minority Local Church?

These and many other issues have caused us to be more alert to the needs of the Annual Conference and the Cabinet hopes to be a part of the answers for these questions.

A special word of recognition and thanks must go to our Espicopal leader, Bishop John Russell. We are fortunate in having Bishop and Mrs. Russell in our area. Their devotion to the total church is obvious by their lives and work.

We extend our sympathy to those clergy families who have experienced loss of loved ones. We rejoice with all those listed below who have had special events in their families:

ANNUAL CONFERENCE COUNCIL ON FINANCE AND ADMINSTRATION

Report 1

1) The Council on Finance and Administration commends the members of the Annual Conference, the churches and the membership of the churches for their financial response and responsibility in 1984. Our conference has a long tradition of such financial responsibility and the Council on Finance and Administration looks forward to continuing that tradition.
2) The salary for the District Superintendents shall be an amount equal to 110% of the average of the salary and allowances paid to pastors of the top twenty (20) churches of the Conference. It shall be computed on the basis of salaries approved by the Charge Conferences which appear on the Episcopal work sheets as of April 1 prior to the meeting of the Annual Conference.

The figures will be compiled by the Assistant to the Bishop and sent to the President of the Council on Finance and Administration and the Conference Director of Finance and Administration within five days. (The salary for a District Superintendent will be $51,235.) The Ministerial Pension Plan Current Service amount of 12% of the Denominational Average Compensation, billed directly to the Conference, will be added to the above salary for apportionment to the district. An allowance of $3,600 for travel outside the bounds of the district is included in the salary for the District Superintendent.
3) The Conference offices of Director of Finance and Administration, Director of the Council on Ministries, and Director of Church Growth and Development will receive a salary equal to that of the District Superintendents. For 1986 that salary will be $51,235. This amount includes an allowance for utilities and maintenance of $4,000 for the above named three offices. Travel allowances may be part of the respective Council's or Commission's budget.
4) The District committees on finance are authorized to prepare district budgets for presentation to the District Stewards. An amount equal to 10% of the salary for the District Superintendent may be included in the district budget to defray the utility costs of the district parsonage. In addition, an amount equal to 10% of the salary may be included in the district budget for travel expenses of the district budget for travel expenses of the District Superintendent. District Budgets shall not include a discretionary fund, but may include a District Operations Expense item with a parenthetical explanation of its intent. The district budget shall be submitted to the Annual Conference Council on Finance and Administration for approval each year. The District Stewards are authorized to apportion a Connectional Contingency Fund to be used for paying in full apportionment items which may fall short within the respective district. The apportionments will not include the traditional cushion. The Connectional Contingency Fund will be administered at the district level in the same means as the District Work fund. It is understood that if a portion of the Connectional Contingency Fund is not used in any given year, it will remain in the fund and future apportionment funds will be reduced. Any adjustments for unusual local church situations will be made in the apportionment of the Connectional Contingency Fund only. All other apportionments will be distributed to every local church on the basis of the decimal.
5) In 1986 the Conference Claimants Fund will include the Ministerial Penison Plan Past Service amount of $876,645.
6) The Connectional Ministry amount will be $466,171. Included in this amount is the Episcopal Fund $88,899 and the District Superintendent's Fund $377,272. The District Superintendent's Fund includes the salaries and the Ministrial Pension Plan Current Service amount.
7) The Council recommends the request from the Conference Board of Higher Education and Ministry that the amount for the Texas Methodist College Association be $1.58 multiplied by the total Conference local church membership. The Council The Council also recommends the request from the Conference Board of Higher Education and Ministry that the amount for the Wesley Foundation fund be $1.01 multiplied by the total Conference local church membership. Both funds shall be apportioned to the districts and to the local churches on the decimal authorized by the Annual Conference.
8) The Council on Finance and Administration requests the following for the year 1986:

1) Conference Insurance Program	$362,791
2) Texas Methodist College Association	205,368

Report 3

Proposed Motion to Conference:

1. The Central Texas Conference Council on Finance and Administration recommends to the 1985 Annual Conference that a Conference Lay Employees Benefits Committee be established.

The purpose of the Committee will be to establish a uniform policy of employee benefits including but not limited to salary schedules and insurance and retirement programs in the best interest of both the employees and the Conference.

The Committee shall be made up of nine members including the Directors of the three Conference offices, three lay employees, one selected by the governing board of each office, and three lay members of the Annual Conference nominated by the Conference Nominating Committee and elected by the Annual Conference.

Any policies established shall be brought to the governing bodies of the three groups for approval, and implementation as mutually agreed.

Request for funding and implementation shall be presented to the Council on Finance and Administration for budget requests for 1987 and years following.

2. The Council on Finance and Administration moves that the annual fair share of $94,790 allocated by the 1984 South Central Jurisdictional Conference for Perkins Endowment be accepted by the Central Texas Conference for the years 1986 through 1990 (Five years.)

The Council also moves that the $94,790 be allocated to the districts on the basis of the decimal used for allocating apportionments and that the district superintendent work out with each church and pastor in the district a mutually agreeable fair share for each church.

Resolution Concerning Charitable Deductions For Federal Income Tax:

WHEREAS, recent tax proposals within the Treasury Department may seek to severely limit or abolish the charitable deduction for federal income tax purposes; and

WHEREAS, it has been public policy for the government to encourage philanthropic giving and charitable work through the maintenance of a charitable deduction from federal income tax since the inception of the federal income tax law; and

WHEREAS, it is reported that among proposals under consideration are the elimination of the charitable deduction for non-itemizing taxpayers originally enacted in 1981, the elimination of deductions for charitable gifts for gifts under 2% of the taxpayers adjusted gross income, and the limitation of charitable deductions for gifts of appreciated property to actual costs plus an inflation factor, or actual market value, whichever is less; and

WHEREAS, studies indicate that the impact of such proposals would be to dedecrease the total of charitable gifts, as well as to significantly reduce the leadership gifts to charitable causes, on the order of an $800 million (27%) decrease in giving to institutions of higher education, and an eight billion dollar (18%) decrease in giving for gious purposes, and an overall decrease in charitable giving of 17% - 20%, or $10 - $12 billion; and

WHEREAS, in light of proposals to curtail or cut back government programs in support of education and for the provision of social services, it is expected that churches and other non-profit organizations will move to take on a greater role in these areas; and

WHEREAS, in order to assume such a role, such organizations will need to make greater demands upon their constituencies for financial support; and

WHEREAS, the tax proposals as reported would instead negatively impact upon the levels of such support, therefore

BE IT RESOLVED, that the Central Texas Conference of the United Methodist Church hereby records its strong support for maintenance of the existing rules regarding income tax deductibility for all charitable contributions, continuation of the charitable deduction for non-itemizing taxpayers, and continuation of the current rules concerning gifts for appreciated property at market value.

BE IT FURTHER RESOLVED, that the Central Texas Conference instruct the secretary to send a copy of this resolution to President Reagan, Secretary of the Treasury Baker and congressional leaders.

The 1985 budget represents a total increase over the 1984 budget of $416,108 or 11.44%.

The 1986 budget represents a total increase over the 1985 budget of $213,174 or 05.26%.

The reports to be included in the Financial Record section of the Central Texas Conference Journal (treasurer's report, Discipline 715.4.b; and auditor's report "Summary of Cash Receipts and Disbursements," for the past year) will be made available to Annual Conference delegates prior to consideration of next year's budget at Annual Conference, either by printing them in the Preliminary Reports of the Central Texas Conference or placing them on the table at Annual Conference.

CENTRAL TEXAS CONFERENCE CABINET

Report 1

Recognizing the local church as a community of believers, a redemptive fellowship and a strategic base from which the Church of Jesus Christ encounters the world to minister to the needs of persons; (p201-212) and,

Given United Methodism's specific priority of Strengthening the Ethnic Minority Local Church for Witness and Mission in the 1985-1988 Quadrennium,

The Extended Cabinet of the Central Texas Conference, in order to exercise meaningful leadership and oversight of the spiritual and temporal affairs of the conference (528.4), commits itself and thereby recommends to the Annual Conference a singular priority for the 1985-1988 Quadrennium: Revitalizing the Local Church for Witness and Mission. The Cabinet further affirms the Annual Conference theme "Century III - a Trust from Thee," and joins the Annual Conference Council on Ministries in recommending the special emphasis on stewardship for 1985-1986.

Who

The Cabinet, working together with the several boards and agencies of the conference shall serve as both guide and accountability structure for the realization of this priority. In this role the Cabinet shall function to initiate and follow through to completion certain assesments of need, suggested activities and final evaluations. We encourage conference boards and agencies to design appropriate programs for realizing this priority. District Superintendents and appropriate district structures such as the District Council on Ministries shall design and administer programs to fit the needs of local churches in the districts. Pastors of local churches shall exercise their leadership in ordering the life of the congregation through counseling, theological reflection, nurture, care, developing and revitalization of the church.

Report 2

An event designed to equip the pastors spiritually and functionally for their task shall take place at a place adequate for such renewal. The pastor's expense shall be provided by the local church. Release time shall be granted each pastor through the co-operation of the Pastor-Parish Relations Committee for this signal event.

Part I: Motivating Clergy for Mission and Ministry

Goals
1) By early fall, a conference-wide event sponsored by the Bishop and his Cabinet will be held.
2) One hundred percent (100%) attendance of all clergy will be required.
3) An inspirational speaker will be provided.

Part II: Equipping Clergy for Ministry and Mission

Goals
1) Each clergy will examine the questions on mission and ministry from The Book of Discipline (p403) as part of self-examination.
2) By the end of the event, each clergy will have identified and established a list of personal growth goals.
3) Each clergy will provide a succinct list of personal growth goals to his/her district superintendent.

ANNUAL CONFERENCE COUNCIL ON MINISTRIES

As of January 1, 1985, we have added an associate director to the Council on Ministries staff whose major responsibility is youth ministry. She is Mary Gean Cope. The ACCOM Personnel Committee has developed a covenant agreement with ACCOM staff.

The Executive Committee recommends:
1) That there be a single fall training event to be held on Friday and Saturday, September 13 and 14, 1985. Groups will be asked to provide key areas for study. Groups are asked to identify leadership.
2) That mileage for travel be: 18 cents per mile for one in a car; 21 cents per mile for two in a car; and 23 cents per mile for three or more.
3) That the ACCOM office be a clearing house for meeting dates. It is suggested that Conference events be planned for odd-numbered months, district events for even-numbered months.

AREA COMMITTEE ON PROFESSIONAL MINISTRIES

Report To The North Texas And Central Texas Conferences
Of The United Methodist Church

The goal of the Committee on Professional Ministries is to make available to the clergy and Diaconal families of the Area the best professional program that is possible. Last year we increased the total number of counselors from eight to ten. This year we have two of the counselors in the North Texas Conference because two of them moved during the year. Presently our roster of counselors is comprised of the following persons:

Dr. Dale W. Blackwell
Fort Worth, Texas
Dr. Robert E. Elliott
Dallas, Texas
Mrs. Sharon L. Grimm
Brownwood, Texas
Dr. Titus Haynes
Dallas, Texas
Dr. Charles Kemp
Fort Worth, Texas
Dr. Robert H. Lloyd
Wichita Falls, Texas
Dr. Willard J. Pannabecker
Waco, Texas
Dr. Kenneth Pepper
Dallas, Texas
Dr. Patricia Lutz Ponder
Commerce, Texas
Mr. Warren Townsend
Killeen, Texas

During 1984 there was an increase in the number of persons using the counseling program, especially in the North Texas Conference. The number of cases in each conference was as follows:

Central Texas Conference	35
North Texas Conference	50

We keep the financial reports separated for the two conferences. The financial profile for each of the conferences is as follows:

CENTRAL TEXAS		NORTH TEXAS	
Income for 1984	$13,999.20	Income for 1984	$14,206.00
Carryover from 1983	6,740.82	Carryover from 1983	1,579.62

Our committee also serves as a support and advisory group for Dr. Ervin M. Gathings, Area Assistant to the Bishop and administrative officer of counseling program. We commend him for his work and request his reappointment for another year.

Respectfully,
Dr. Bruce Weaver, Chairman

BOARD OF CHURCH AND SOCIETY

Report 1

1985 Program:

The Board of Church and Society continues to prepare for a seminar to be held this fall on militarism which will involve a dialogue about many facets, implications, and alternatives. In preparation for this emphasis, we urge local churches to hold studies from this year's U.M.W. resource book, Visions of Peace (New York: Friendship Press, 1984) or the Graded Press study book, "Faith Meets Life - Book Four" (Nashville: The United Methodist Publishing House, 1982.)

We further urge each local church to utilize "The Social Creed" during worship at least once each year as an introduction to our "Social Principles."

1986 Program:

As United Methodists we "understand families as Christian communities of faith, hope and love, like the larger church, that witness and minister to each other and to the world (1984 Book of Resolutions, p. 290)." Further, the Board of Church and Society is concerned with the pressures of family living in the 1980's and is seeking to identify causes of breakdown within the family.

Therefore, our goal for 1986 is to study the family and the resources in our faith for nurture and ministry to families (whether single persons, single parents or any other form of family unit), to equip families for dealing with social programs, and to provide Christian solutions for family living. In this way we want to more faithfully search for an answer to the question, "And who is my neighbor (Luke 10:29)?"

John H. Loggins, Chairperson

Report 2

Whereas, the 1984 General Conference of the United Methodist Church affirmed "our commitment to the just struggle of the African people to establish societies in which all can enjoy basic human rights and fundamental freedoms (1985 Book of Resolutions, p409);" and whereas, 1984 General Conference rejected apartheid, the social system of separate races, as heresy and in violation of Biblical traditions; and where, we are called as Christians to oppose concrete symbols of governments which we deem unjust, (The Social Principles, p74-E); and whereas, the 1984 General Conference "encourages United Methodist

agencies and institutions to ban with others in their communities to: 1) close accounts with and withdraw funds from banks and divest from corporations doing business in South Africa; 2) refrain from the purchase, sale and/or promotion of the "Krugerrand" coin (1984 Book of Resolutions, page 411); therefore, be it resolved that the Central Texas Conference in implementing these resolutions recommends that we:

1) Urge each local church to study the South Africa issue of Apartheid and report by December 31, the details and participants to the Conference Board of Church and Society. We suggest that the chairperson of social concerns be responsible for planning and implementing the study.

2) We further recommend that a task force be established to study the South Africa issue and make specific recommendations to the ACCOM and the Annual Conference as to appropriate actions that should be taken by the Annual Conference in response to the atrocity of apartheid.

We recommend the task force be composed of two persons from the Board of Church and Society, Conference Council on Finance and Administration, Annual Conference Council on Ministries, cabinet representative and conference staff person assigned to the Board of Church and Society.

BOARD OF DIACONAL MINISTRY

Report 1

The work of the Board of Diaconal Ministry this year has focused on becoming informed about and putting into effect the General Conference legislation affecting diaconals. Board Officers attended jurisdictional training in November.

Communication with the Board of Ordained Ministry initiated the process by which diaconals may gain access to Ministerial Education Funds. This will include grants-in-aid to persons in process who are in seminary degree programs and those who are taking graduate-level Foundation Studies in seminary. It will also include assistance for required continuing education for already consecrated diaconal ministers. Guidelines comparable to those of the ordained were set and may be found in detail in Report 2. Application forms for these funds which are administered by the Board of Ordained Ministry have been distributed. For fiscal 1985 only, continuing education of diaconals will be funded by existing diaconal budget. The Board of Diaconal Ministry will continue to administer budgeted funds to assist those persons who are certified professionals in church careers but are not consecrated diaconals.

A major concern for diaconals will come before this session of Annual Conference, i.e., the ratification of the constitutional amendment passed by General Conference allowing all diaconals to become members of Annual Conference. Participation of diaconal ministers in the Central Texas Conference the past 8 years, through lay equalization, has resulted in a better informed and more productive diaconate. We look forward to the passage of this amendment which will grant this same opportunity to all diaconals. To be ratified, the amendment must be passed by 2/3 majority of 2/3's of all annual conferences.

Requirements for entrance into the diaconate and maintenance of diaconate creditials are clearly spelled out in the Discipline. The board intends to administer those standards firmly.

Preparations for establishing a mentoring program has begun. Members of the board attended a training session; candidacy journals and other study books have been ordered. Additional training with national leadership is being planned. A mentor program is designed to match persons interested in inquiring into the diaconal calling with a trained spiritual guide. Subsequent study and relationship with the mentor may lead the potential candidate through to affirmation of his/her commitment to be consecrated into diaconal ministry. This process may be extended over several years, not to exceed eight.

Interpretive materials are being prepared to inform the conference regarding effective working models of diaconia within its area. This will be presented at Annual Conference.

A study session for diaconals with Dr. Rosalee Bentzinger, Executive Director of the Division of Diaconal Ministry, is scheduled.

Goals for 1985-1986:

1) Inform the conference on the diaconate: its history and recent development; its distinctive calling and varieties of service; and ways in which diaconals are or can be in the ministry.

2) Work with other boards and agencies, local and national, to develop new forms of diaconal service appointments designed to meet special needs. Aim at establishing at least one innovative ministry during the year.
3) Prepare printed materials and visual presentations designed to encourage persons to enter diaconal ministry and churches to consider employment as diaconals. Their use in a variety of settings will be initiated.
4) Continue working with employing agencies and conference guidelines to ensure just and productive employment practices. This will include preparations of a brochure with guidelines for employing agencies and a packet outlining available benefits for use by diaconals.
5) Plan for cooperative continuing education events with Board of Ordained Ministry and implement the special study session for diaconals with leadership from the Division of Diaconal Ministry.

Respectfully submitted,
Dorothy M. Dahl, Chairperson

Report 2

1985 Continuing Education Funding Policy:
1) Each local church is expected to provide money in its budget for continuing education. The recommendation is $200 or 1% of the salary, whichever is greater.
2) A sliding scale will be used in allotting of MEF monies:
a) Diaconal ministers earning less than $15,900 will be provided money 2:1.
b) Diaconal ministers earning from $15,900 to $20,000 will be provided money 1:1.
c) Diaconal ministers earning over $20,000 will be provided money 1:2.
d) A diaconal and an ordained minister will be treated equally in requests for funds.
Per diem costs will be supplemented on the same scale with maximum allowable grants being $150 per year for those earning below $15,900 ($600 per quadrennium), $100 per year for salaries from $15,900 to $20,000 ($400 per quadrennium) and $50 for salaries over $20,000 ($200 per quadrennium).
3) Each diaconal minster working full-time is eligible for Continuing Education funding in amounts not to exceed $200 annually or $800 quadrennially. A person may receive their entire four-year amount in one year. Such a four-year period would begin with the date funds are requested.
4) Situations requiring special consideration will be considered by the Board for approval.

Grant-in-Aid Program/Policy - 1985:
1) Candidates must secure all the financial aid possible through the institution that they are attending. Every effort must be made to secure maximum funds.
2) Undergraduates who have been accepted into the candidacy for Diaconal Ministry may apply for grants of $150 per semester ($300 per year).
3) Candidates who are pursuing a graduate level degree will receive aid at the following rates:
a) Those attending United Methodist graduate schools will receive $80 per semester hour.
b) Those attending non-United Methodist graduate schools will receive $35 per semester hour.
c) If further assistance is needed, special cases will be considered on the basis of need. To be considered for additional financial aid, a letter stating the amount and reasons for the request must be sent to the Chairman of the Board of Diaconal Ministry. The decision will be made by the Executive Committee of the Board of Ordained Ministry, which serves as the Grant-in-Aid Committee.
4) Candidates may receive grant-in-aid request forms from the Registrar of the Conference Board of Diaconal Ministry. Completed requests should be returned to the registrar for processing.

BOARD OF GLOBAL MINISTRIES

In 1984, the Board of Global Ministries took several steps to broaden the work of this conference board. Committee chairpersons began work on committee purpose statements, with

the Health and Welfare Committee and the City, Town and Country Committee statements now being completed. A long-range process is now under way, with committees looking ahead for 5 years to anticipate future needs and programs. Committee chairpersons are being encouraged to have on-going communication and make assignments to committee to keep them informed and to maintian their interest throughout the period for which they are elected.

A joint meeting of the Board Executive Committee and the United Methodist Women's School of Christian Missions Committee is now being held annually to evaluate the school and to explore how we can broaden participation in the cooperative School of Mission. Ways to include youth and children in mission education are also being explored.

The Board has delegated responsibility for the newly required Refugee Settlement Committee to the Committee on Education and the Advance, with a separate chairperson to oversee this work. The Urban Ministries Committee and the City, Town and Country Committee have begun to explore ways of assisting in the redevelopment of transitional congregations. The Health and Welfare Committee and the Urban Ministries Committee are preparing an information sheet listing all of the agencies accountable to these two committees as a helpful resource for local churches. The Health and Welfare Committee has begun a process of meeting with conference agencies to share information, needs, new directions and the reworking of relationship statements as required by the 1984 General Conference. In addition, the vice chairperson of the Board now heads a committee to prepare the board's annual conference report.

The Board received a request from Chaplain John Schaub for support of a new Advanced Clinical Pastoral Education Program. One-third of the funding is being provided by Harris Hospital Methodist, one-third is to be from the private sector, with the remaining one-third requested from the Conference Board of Global Ministries. The Board accepted this request for funding for 1986 with the Health and Welfare Committee to over-see and evaluate this program for the Board. The Health and Welfare Committee strongly urges that consideration be given for including United Methodist students in the program.

A request for Board's support of the 1985 Haiti Mission Project being recognized as an approved Volunteers in Mission Project was approved. The request from Southside Area Ministries for support of their increased 1986 funding requests to the National Board of Global Ministries was also approved at the 1985 Convocation of Boards.

Committee On Aging

The committee has continued to support and offer leadership for district aging workshops, as well as providing resource persons for district leadership training events. Two films and one filmstrip were also purchased and placed with the conference resource library for distribution. "Unfinished Business," a 16mm film lasting twenty-seven minutes; "Attention Must Be Paid," a 16mm film, lasting twenty-seven minutes; and "Up Golden Creek," a filmstrip lasting eighteen minutes. The proposed conferencewide study of aging was set aside as funding was not available.

1986 Goals

1) Support and offer leadership for district workshops on aging.
2) Offer an intensive workshop on "As Parents Grow Older," involving one minister and one lay person from each district.
3) Offer a conference-wide training event on "Financial Resources for Aging Persons" and "As Persons Grow Older."

Committee On City, Town And Country Work

In 1984, the committee continued the small church awards recognizing exceptional ministry in the areas of evangelism, growth, spiritual growth and church extension.

1986 Goals:

1) Continue the Small Church Awards program to be presented in three categories:
   a) Churches of two to one hundred twenty-five members;
   b) One hundred twenty-six to two hundred seventy-five members; and
   c) Two hundred seventy-six to four hundred twenty-five members.

   Awards are to be as follows: three plaques - one for each church; three plaques - one for each pastor, and three $100 gift certificates to Cokesbury for each of the three pastors.
2) Offer a conference-wide training event on "How to Understand and Celebrate the Effec- Effectiveness of the Small Church."

Committee On Education And The Advance

In 1984, the committee has promoted support of advance specials, supported and participated in the planning and program of the Cooperative School of Christian Missions, encouraged all districts to offer missional programs, promoted and provided resources for the Thanksliving Offering with $167,000 being raised by the Conference, and continued to promote the program of full support of a missionary by each local church contributing $3.00 per member or $1,000 or more.

The committee began working in the new area of refugee resettlement, with each district missionary secretary expected to attend the 1985 Cooperative Five Conference Resettlement Workshop, March 15 and 16 at Faith United Methodist Church in Austin, Texas. The request for five people to serve on the Cooperative School of Missions Committee has been accepted, along with the request that the committee cooperate with the Board of Discipleship in developing ways to offer mission education for the youth and children of our conference.

1986 Goals:

1) Continue promotion of Advance Specials with emphasis on World Hunger and Volunteers in Mission (Thanksliving Offering.)
2) Continue support of and planning of the Cooperative School of Christian Missions in 1986, encouraging participation of district missionary secretaries and local missions chairpersons.
3) Continue periodic promotion to local churches to be full-supporting congregations of individual missionaries.
4) Encourage each district to have a mission awareness program during the year.
5) Sponsor and provide financial undergirding of a missionary education tour of national dimension involving thirty-five to forty persons on a cost-shared basis.
6) Support and produce a conference bi-monthly Mission News Report of activities and events being done by the local churches and districts, to to be included in the Conference Coordinated Mailing and sent to each local chairperson and health and welfare representative.
7) Continue to promote and encourage support of the resettlement of refugees.

Uriah L. Stegman, Chairperson

Refugee Resettlement

There are more refugees than at any other time in modern history - about ten million men, women, and children. Since World War II over fifty thousand were resesttled by U.M.C.O.R. in cooperation with Church World Service. For 1985 the U.S. Immigration Service will allow seventy thousand persons to come to America. The United Methodist Church has been asked to help with three thousand of these. Every Annual Conference is being asked to get involved with U.M.C.O.R. in REFUGEE RESETTLEMENT.

The Committee on Education and the Advance met on April 24 and discussed the need and the opportunity for the Central Texas Conference to support U.M.C.O.R. in Refugee Resettlement. As a Committee we move that the Central Texas Conference accept a goal for resetttling twenty-one (21) Refugees or Refugee Families by September 1, 1986. We further ask each District to assume responsibility for three (3) refugees or refugee families.

We offer three (3) models by which Local Churches and/or Districts might become sponsors:

1. A local church could accept full sponsorship for a refugee or refugee family.
2. A cluster of three (3) or four (4) churches might jointly become a sponsor.
3. A District working through its District Council on Ministries might become a sponsor.

Details of what "Sponsorship" involves can be found in the material available by contacting this committee. Briefly, it involves; housing, furniture, beginning funds on which to live, and assistance in finding a job. This process may take only a few weeks or might require a year or longer.

There will be a section for those contemplating becoming a Refugee Sponsor at the Conference Training Event in September, 1985. Persons from U.M.C.O.R. or other Agencies that direct Refugee Resettlement will lead this class.

Committee On Health And Welfare

The committee has offered training in district leadership schools for health and welfare representatives. Information has also been sent to these representatives and to pastors informing them of the needs and concerns of the health and welfare institutions, to encourage their financial support of these institutions and to encourage every local church to have a welfare representative. The chairperson has also attended the institution's board of directors meeting, thereby maintaining an open relationship with these conference agencies.

1986 Goals:

1) Actively participate in the work of the boards of the health and welfare related institutions of the Central Texas Conference.

2) Educate local church members about health and welfare needs within the local churches, within the conference and regarding concerns of national interest.

3) Promote the needs and programs of the health-and-welfare-related institutions of the Central Texas Conference and the need for support of these institutions by:

Committee On Urban Ministries

The monitoring of urban ministry projects and the administering of financial requests continued in 1984 for the eight funded projects, with committee members being given responsibility for monitoring specific projects. The responsibility for monitoring the Summer Youth Work Camp program was transferred to the United Community Centers. The nonfunded goal to develop continuing education for pastors, district superintendents and diaconal ministers engaged in urban ministries work was presented for 1985 funding.

1986 Goals:
1) Evaluate, assist in implementation and continue support of existing urban ministries projects in the Central Texas Conference:
a) Inner City Ministry, Waco
b) Laura Edwards Early Christian Learning Center, Waco
c) North Fort Worth Cooperative Parish - Parish Newsletter and Visitor
d) Southside Area Ministries, Fort Worth
e) United Community Centers, Inc., Fort Worth
f) Urban Churches in Special Ministries: Thompson's Chapel, Fort Worth
2) Consider requests for expansion of ministries, phasing out of other ministries and encourage new avenues of mission. Cooperative enterprises will be given special consideration.
3) Offer a conference-wide training event highlighting the differences between town and country, suburban and urban ministries, "Urban Ministry: The Big Difference."

The Harris Methodist Health System

Annual Report - 1985

Report 1

Harris Methodist Health System, made up of eleven acute care hospitals and two long-term care facilities, is proud of its heritage as an extension of the health and welfare ministry of the Central Texas Conference Methodist Church. As one of the leading nonprofit systems in the Southwest, we continue to base our services on the Christian principles of ministering to the spiritual and health care needs of society, and we are dedicated to providing the highest quality health care in the industry.

The Harris Methodist Health System facilities are:

Harris Hospital - Methodist
Harris Hospital - HEB
Decatur Community Hospital
Dublin Medical Center
General Mexia Memorial Hospital
Hamilton County General Hospital
Walls Regional Hospital, Cleburne
Marks-English Hospital and Glen Rose Nursing Home
Meridian Hospital Medical Geriatric Center
Stephenville General Hospital

The Harris System has 4,200 employees, 1,096 physicians and more than 400 Volunteers. It is the continuing effort of our hospital system to exercise every possible cost control in order to make high-quality health care more afordable. The hospital industry across the nation is undergoing unprecedented change. In order to adjust to these changes we are implementing sound business practices; analyzing the market; planning our moves; and executing them in a manner that insures quality patient care. We are alive and enterprising in the midst of these winds of change, and out of it all come new and better ways to meet the needs of the people of Central Texas.

We ask the members and churches of the Central Texas Conference to join hands with us in making our Harris Methodist Health System the most progressive and effective Christian health-care institution in the State.

Report 2

Harris Hospital-Methodist:

The building program at Harris Hospital continues and is on schedule. The construction of five new buildings will bring the campus to a total of eleven buildings. Harris Center, our professional office building, will offer 60 physician's offices as a contiguous part of the Harris Hospital-Methodist Complex. A seven-story parking garage adjacent to the Center is already complete. The eight-story Harris Center will be completed in April of 1985. The completed center will provide its occupants with covered access to any part of the Harris complex. Parking space for visiting patients will be plentiful, well-lighted and secure.

A nine-story parking garage is now under construction just east of the campus, and will be completed this summer. This will provide parking for an additional 1,000 cars.

New Diagnostic and Therapeutic Techniques:

Technology plays an increasingly important role in modern medicine. Newly available items of equipment can offer substantial savings in time and cost. Some do it by facilitating accurate diagnoses, others by improving techniques.

The Harris Methodist Health System takes advantage of the benefits technology offers. But we are careful not to let technology take away from the personal relationship that must be established between patient and health provider.

Following are some representative high-tech facilities and equipment that have been integrated into the system:

1) HARRIS MEDICAL LABORATORY, a regional reference lab, provides testing services throughout North Texas. A large number of clients, ranging from medical institutions and physicians to industries and schools, have accepted the invitation to use the lab on a continuing basis. The success of the laboratory is based on quality service and a commitment to state-of technology.

2) The GAS CHROMATOGRAPH - MASS SPECTROMETER (GC-MS) is the preferred method of identifying and qualtifying the presence of toxic agents in the human system. It enables the technician to accurately identify the specific substance, whether it be a poison, a prescribed drug, or an abused drug.

3) The ELECTRON MICROSCOPE is 100 times more powerful than a traditional microscope. This advanced technology is used to identify viral infections and tumor types in order to select appropriate therapy for patient care.

4) The MAGNETIC RESONANCE IMAGING (MRI) CENTER, which will begin operations in February, 1985, is one of the most advanced diagnostic tools in medicine. It uses magnetic fields instead of radiation to produce diagnostic images. The system produces cross-sectional pictures of the human body which can reveal signs of a number of diseases and injuries. These include malignant enoplasms, circulatory and respiratory diseases, digestive system diseases, musculoskeletal diseases and intracranial injury.

5) CORONARY ANGIOPLASTY is an advanced alternative to coronary artery bypass surgery. It can save considerable time and discomfort in the treatment of some arterial blockages. In addition, cost savings are possible through reduced recovery time.

6) The CARTER CENTER FOR CLINICAL NEUROSCIENCE treats head injuries and neurological medical problems. The Center is one of the largest and most advanced in the Southwest.

7) The EKTACHEM can test the extremely small samples of blood and urine that are obtained from infants.

New and Expanded Services:

Outpatient surgery facilities have expanded. An estimated 40% of all surgical pro-

cedures can now be performed on an outpatient basis. This is true for all hospitals in the Harris System.

We have been preparing for some time for an increase in demand for outpatient surgical facilities. That is why new surgical suites in the Sid Richardson Pavilion are being designed for outpatient surgery. That is also why new specialized outpatient suites are being added in the Mary Gibbs Jones Hospital for Women.

The growth in out-patient surgical service means more convenience for the patient. Parking, check-in and check-out, and access to necessary surgical, diagnostic or radiological treatment can be accomplished in a few hours in one medical comples. In the Harris System, the outpatient service is backed up by the resources of a full-service hospital.

Hospital-based home health care has been initiated. Home health service, more than ever before, a recognized step in health care delivery. Because the patient remains in familiar surroundings, a more rapid recovery and habilitation often results.

One of the new Texas home care organizations is the Harris Home Health Agency. It is licensed in 17 counties. It provides skilled nursing, various kinds of therapy, medical social services, and home care assistance by trained home health aides.

Because it often allows early dismissal from hospital stays, home health care is a means by which the Harris System can provide cost effective, quality health care.

A comprehensive burn unit is on the way. Local victims of severe burns will soon have a comprehensive treatment unit agency of the State of Texas. Fort Worth's first comprehensive burn unit will be one of the major facilities in the new Sid Richardson Pavilion. The unit, four years in planning, is expected to handle 380 patients a year. Many of these patients will be victims of severe burns, who, without the new burn unit, would have had to go to distant cities for treatment.

Report 3

Improved Service at System Hospitals:

Memorial Hospital Cleburne, which will be named The Walls Regional Hospital, will begin construction on their new 186-bed hospital this spring. The new facility will be located on Highway 67, in Southwest Cleburne, and will be built on a 202 acre plot given by the George S. Walls family of Cleburne.

At Harris Hospital-HEB a new office building is under construction, and a Psychiatric Pavilon will be started this summer, which will improve addiction treatment services.

Additional physicians have been attracted to their communities by the medical staffs of Marks-English Hospital in Glen Rose and General Mexia Memorial Hospital in Mexia.

At EMASH and Decatur, intensive care units have been added to improve patient care in the local community.

Report 4

Pastoral Care:

The chaplains of Harris Methodist Health System are an extension of the ministry of the Central Texas Annual Conference. They seek to represent the Church's witness to the Gospel of Jesus Christ. Through their worship leadership, bed-side visitation, and counseling, the chaplains meet the special faith/theological needs of people in crisis. Through participation on hospital and medical staff committees, they contribute insights helpful to the over-all life of the hospitals of the System.

In order to meet the expanding needs of Harris Hospital-Methodist, the Department of Pastoral Care is embarking upon a significant expansion of its educational program. Whereas, in the past, programs of Clinical Pastoral Education were offered periodically, plans are now underway to provide a year-long, full-time residency program of Basic and Advanced. C.P.E. This program will provide greater patient coverage and immediate, in-house response time for on-call responsibilities. Scheduled to begin in September 1985, this residency program will require funding from several sources. Along with Harris Hospital-Methodist and the community, the Central Texas Annual Conference will be given the opportunity to contribute a third of the cost of $72,000 for student stipends for the fiscal year 1986.

We urge the Conference's investment in this important expansion of the pastoral care ministry of the hospital. By your support, the strong bonds between the Church and Harris Methodist Health System will be further enhanced.

Inner City Ministry Waco

Annual Report

Support from the Central Texas Conference enabled Inner City Ministry to continue to expand its programs in 1984.

1) Inner City Ministry has the largest volunteer Meals-on-Wheels program in the nation. Currently six hundred (600) volunteers are used to prepare and deliver 400 meals three (3) times a week to homebound individuals living in Waco. That's 62,400 meals for the year. The meals are prepared in 14 locations, 13 of which are located in church kitchens.

2) In 1981 Inner City Ministry initiated a program providing a Chaplain to nursing homes and in 1984 added a part-time Chaplain. The Chaplains serve five (5) nursing homes and 1 retirement center for a total of 20,332 contacts per year in the nursing homes.

The Chaplain to Nursing Homes is a professional service program whereby pastoral care and counseling is provided for residents of nursing homes, their families and the nursing home staff members. The specific areas for pastoral care and counseling include grief and loss, depression, terminal illness, guilt, fear and forgiveness. The chaplain combines counseling skills with theological training to fulfill the four historic pastoral functions: guiding, sustaining, reconciling, and healing to persons who are hurting spiritually and emotionally.

3) In 1973, Inner City Ministry began operating senior centers in rural McLennan County. At present, there are six (6) of these centers located in Axtell, Crawford, Mart, McGregor, Moody and West. In October of 1982, three more centers in adjacent Falls County were added. There are two (2) centers located in Marlin, the county seat, and one center in Rosebud. In 1984 a three day week center was added in Lott.

In 1984 nearly 117,545 meals were served to senior adults in the nine senior centers. Each center also provides a wide variety of support services and activities for older persons.

5) Inner City Ministry also provides transportation to medical facilities, social service agencies and senior centers for people over 60 living in rural McLennan or Falls counties. Approximately 1700 rides per month are provided, utilizing eight vehicles; two of these vehicles are wheelchair lift equipped.

6) In 1984 Inner City Ministry started a Compassionate Friends support group. The Compassionate Friends is a self-help organization offering friendship and understanding to bereaved parents. The purposes are to promote and aid parents in the positive resolution of the grief experiences upon the death of their child, and to foster the physical and emotional health of bereaved parents and siblings.

These programs could not have the impact that they currently have on the community without the help of Conference grants and contributions from individual churches in the Conference. We look forward to a continued successful association with the Central Texas Conference as we strive to meet the needs of those around us.

Melody McDermitt, Executive Director

Methodist Home

Central Texas Conference Annual Report

Administrator: Dr. Jack Kyle Daniels
President, Board of Directors: Dr. James Walker

Through the 94 years of our ministry, Methodist Home has responded to many changes in our society. From the days of an orphanage we evolved into a multi-service child care agency serving the individual needs of a broad group of children. Today, a new frontier shaped by new complexities is before us.

The children in our care are seldom alone in their troubled world. When a family is broken apart, life becomes very painful for everyone involved. Even with everyone pulling together it is difficult at best.

When you add an inability to communicate, parental or youth alcohol/drug abuse, illness, child abuse, abandonment of a spouse or any one of many other crises, the family must have help. The greatest gift of love that can be shared with a child is to reunite the family in love.

The new frontier which challenges our very best skills is the healing of a family, broken apart through years of disappointment. Answers are never simple. Solutions are often hidden and difficult to discover.

As a member of the Central Texas Conference, you play a vital role in reaching out to these children and their families. Through your remembrance in prayer and worship, through your gifts of love at Christmas and throughout the year, you offer hope for almost 400 children every day of the year. You help make a smile, wipe away the tears and teach a family the meaning of our Lord's love.

Our emphasis on the family reaches out not only to children now in our care. It also reaches out to you in your own community. Throughout this past year and in years to come we will offer the opportunity for your district to plan with us PARENTING WORKSHOP SEMINARS. In your district, trained Methodist Home child care professionals will offer classes on family life and parenting skills to members of United Methodist churches.

In addition, a new program will provide training for clergy and other professional counselors in family therapy counseling. Working as observers and participants in family therapy sessions, skills for counseling will be enhanced to the benefit of those searching for answers to family conflict.

Through every change several things must always remain the same. Methodist Home will remain true to the Christian values and principles of basic love that have touched the lives of more than 20,000 boys and girls since 1890. We pray that you will also continue the support and love which we have experienced throughout each of our 94 years of service to the United Methodist Churches of Texas and New Mexico.

a) A new Women's Center - 4 apartments in a secure complex for maternity clients, providing housing for 22 residents, a houseparents apartment, sub-houseparent sleep-in room, recreational and craft rooms, as well as a counselors and secretaries office. We welcome more referrals for the maternity service in this new facility that will serve for many years to come. We are especially grateful to Dr. and Mrs. J. P. Addison, who gave one of the buildings, and to Mr. and Mrs. Stanley Horwood, who gave the other building in this comples, and to Mr. and Mrs. Jerry Orsak and Mr. William Lenard Horwood, who have provided the swimming pool. Others have given apartments and furnishings, too....and some items are still available as Memorial Gifts.

b) A new small Maintenance Building, as the former maintenance building was remodeled in building the Women's Center.

c) Eight apartments for the Independent Living Training for the Hearing Impaired (to replace the old mobile homes) are being remodeled out of 16 dormitory rooms in the main dormitory, and will have separate entrances from the deaf dormitory students.

d) $30,000.00 toward Endowment, especially marked for Special Needs Children.

e) An upgrading of the drives and organization of the parking.

Office of Planned Giving:

The Board of Directors has established a four-year goal to underwrite through special gifts, an office for promoting Deferred Giving through Wills and Estates. It hopes to raise $240,000 over the four years to fund this office, after which it should be self-sustaining. Individuals wishing to help in this project that will give the Mission Home a foothold on the future should contact the Mission Home.

How Can The Annual Conference Help The Mission Home?

1) Promote an offering through the local churches in the Fall. Set a specific goal of $30,000.
2) Invite a representative of the Home to your District meetings to promote the work.
3) Contact the Home directly for referral of maternity and deaf clients.
4) Contact the Mission Home regarding individuals who might be interested in long-range giving through Wills and Estates.
5) Place on the calendar: May 1, 1985, and November 6, and May 7, 1986, as Board of Directors dates.

Thanks To The Central Texas Conference

We appreciate the persons from the Central Texas Conference who serve on the Board of Trustees of the Methodist Mission Home. We are also grateful to the many lay persons and pastors who have been supportive of the ministries of the Mission Home.

The total Conference Giving (seven Conferences) for 1984 was $285,831.44 of which $26,225.00 was given by the Central Texas Conference.

We urge referrals of persons needing our services, so that with your support and your interest we will minister in a special way to those who come our way in need. Thank you.

Harold Burkhardt, President

Wesleyan Homes, Inc.

Sponsored By The Central Texas Conference

Background:

The Wesleyan Retirement Home, established by the Central Texas Conference, opened its doors to the people of Central Texas in September of 1962 to serve the active retiree who could live independently without assistance or nursing care.

From the beginning, the ministry to the aged has increased to include nursing care for 98 patients, first at the original location and since February, 1978, at the present location on 2001 Scenic Drive.

The present location is complimented by a physicians' clinic and hospital directly across the street. The Wesleyan Nursing Home has received a superior rating from the state for the past five years. We do enjoy a very good reputaion which is a tribute to a dedicated staff.

The Board of Trustees saw a need for additional nursing beds and after several meetings and state approval, an addition to the nursing home was approved. April 18, 1985, was the date given for contract bid openings on the 82-bed addition. It is expected that construction will take from 9 to 12 months.

Funding:
The offerings from churches in the Central Texas Conference are:

1982	1983	1984
$16,299.31	$12,870.64	$9,151.00

The average cost for one patient in the nursing home is over $17,000 per year. Therefore, we appreciate any help that the Central Texas Conference can provide.
Expenditures for 1984 totaled $2,200,908. Nursing home patients days were 34,664 and Retirement home resident days were 34,382.

Special Report - A Procedure for Program and Program Funding Approval

The Board of Global Ministries adopts the following procedure by which Program Agencies within the Central Texas Conference shall annually submit proposals for Programs and Program Funding:

HOWEVER, a Program Agency shall have the right to submit a proposal to the Board of Global Ministries which it has first submitted to a District Committee if the proposal is not recommended by the District Committee.

The Board of Global Ministries will make the final decisilon on all proposals based on the criteria established in the questionaire it provides for annual review of all programs and program funding.

Committee on Urban Ministries

BOARD OF DISCIPLESHIP

The committees of the Board of Discipleship have had great cause for celebration because of the successes of the programs and events that were planned and implemented during 1984.

Several programs/events, such as the Summer Camping Program, The Skillshop, The Harry Hoosier Event, the Youth Mid-winter and Spiritual Life retreats, the Annual Conference Youth Rally, and Leadership Training, have been ongoing for five or more years, and con-ontinue to impact individuals in the local churches by developing, equipping, and nurturing them as disciples.

We celebrate the enthusiasm generated by the Bishop's Call to Evangelism, the Curric-U-Shop, the organizing (November 17, 1984) of the Central Texas Conference Chapter of The Fellowship of United Methodists in Music, Worship and Other Arts. We look forward to Phase ii of the Bishop's Call to Evangelism and the implementation of a pilot program to provide evangelism and the implementation of a pilot program to provide evangelism training to four local church committees on evangelism.

The Board shares with the Conference Council on Youth Ministries in applauding the Central Texas Conference in the decision to hire a full-time staff person to work with youth and feel that this will do much to raise the level of youth ministry excitement and involvement on the conference, district and local levels.

We look forward to the programs and events that are being planned for 1985 and beyond, as we work together as a "total board." As our board works in the new quadrennium, we will commit to a more intense emphasis on the total meaning of stewardship, and make a stepped-up effort to provide resources and resourcing to aid local churches in implementing effective stewardship education programs. The Summer Events Evaluation and Dean/Director Training which had in recent years been done by the Education and Leadership Development Committee, will be returned to the Camps and Assemblies Committee, with a member of the Education and Leadership Committee serving as a cross-committee link. In this, the Camps and Assemblies Committee will have complete responsibility for its programming. The Education and Leadership Development Committee will co-sponsor, with the Commission on Religion and Race, the Harry Hoosier Event.

As a board, we support the conference-wide Fall Training Event that has been approved by Annual Conference Council on Ministries and look forward to the possibilities for intense training and nurture that our committees plan to provide during this September 13-14 event.

The resources and resourcing provided by The General Board of Discipleship will hopefully become more useful to our conference, its districts, and ourlocal churches, as we plan to strengthen that link by a more intentional use of our "Nashville Connection."

The Central Texas Conference Board of Discipleship shares the spirit of Dr. Ezra Earl Jones' definition of ministry and aspires to help persons understand the primary task of congregations (by): reaching out and receiving persons as they are; relating persons to God and to each other; developing and equipping them as disciples; and sending them into their communities to make them more loving and just.

With prayer for direction and humility, and commitment to our mandate as disciples of Jesus, the Christ, we rejoice over the task that is before us.

Trustees, Glen Lake - Rainbow Camps

In the 1984 session of the Annual Conference, you were brought up to date as the status of an Ad Volarem Tax Suit, spanning a period from 1973 to the present, against the Central Texas Annual Conference by the Somervell County Tax Appraisal District.

Subsequent to a March 18, 1984, ruling, favorable to the Camps of the Annual Conference from the 249th District Court, Somervell County, Texas, the Tax Appraisal District appealed the decision. On May 18, 1984, the Tenth Supreme Judicial District of Texas that sits in Waco, Texas, upheld the previous ruling. On December 13, 1984, the Tax Appraisal District made application for A Writ of Error to the Supreme Court of Texas. That high court denied the motion, resulting, once again, in a favorable position of our Glen Lake - Rainbow Camps.

To date, the Tax Appraisal District has honored the ruling with regard to the year 1982, the year in which the suit was filed, but not with the previous or following years in question. In the matter, our Annual Conference continues to have the expert counsel and representation of Mr. Doren R. Askew, Muir, and Bednar Law Firm, Austin, Texas.

It is our priviledge to report the accomplishment of a directive of the 1984 Session of the Annual Conference to your trustees to obtain, for expansion purposes, three hundred and eight (308) acres of land immediately adjacent to the Glen Lake Camp. The purchase was consummated on June 22, 1984, at an authorized price of three hundred and seventy thousand dollars ($370,000). Immediately upon the acquisition of the property, necessary accesses and fencing for the properties were acquired. The marvelous addition began to be used immediately for nature trail exploration, mini-day-camping, and hiking by persons of various age-level and interest groups. With this added resource, we are even better equipped to continue to serve in unison with our parent organization, The United Methodist Church, (in the words of the applicable tax code):

"As a youth development association engaged primarily in promoting the threefold spiritual, educational (mental), and physical development of boys, girls, young men, and/or young women (operating) in conjunction with a state or national organization that is organized and operated for the same purpose as the association."

Finally, we are thrilled to inform you that, as of May 31, 1985, negotiations for the sale of Rainbow Camp, a one hundred and seventy-one (171) acre tract of rustic land, a portion of which fronts the Brazos River, were completed for a selling price of three hundred thousand dollars ($300,000). As agreed, this amount is to be applied toward the purchase of the acreage in the expansion of our Glen Lake Camp facility.

W. C. Taylor, Jr., Chairperson/Resident
Board of Trustee, Glen Lake-Rainbow Camps, Inc.

Committee On Education And Leadership Development

The Committee on Education and Leadership Development is actively involved in the education and development of leadership throughout our Annual Conference. We have in the past year scheduled quality training events, and have encouraged districts and local churches to do the same. We are endeavoring to make trained and experienced leaders available to local churches through the use of a computerized talent bank.

1986 Goals:

1) We will participate in the Fall Training Event set up by the Annual Conference Council on Ministries by providing classes for training workers with children, youth, adults, and families.
2) We will begin a process of holding a Conference Lab School on evennumbered years by sponsoring one during the summer of 1986. We will select a dean and an assistant dean for this school with the understanding that the assistant dean will serve as the dean of the next school.
3) We will again co-sponsor with Religion and Race the Harry Hoosier Event in 1986.
4) We will purchase a computer and a printer to implement the Conferencewide Talent Bank.
5) We will continue to encourage local churches to keep accurate records by publishing and distributing the Church School Reporting Forms.
6) We ask that the Annual Confernce approve September 7, 1986, as Christian Education Sunday.

Linda R. Miller, Chairperson

Committee On Evangelism

1986 Goals:

1) Implementation of Bishop's Call to Evangelism Phase II to be completed by December, 1986.
2) Design and implement a Pilot Program to train and involve local church committees on evangelism in not more than four churches, making available consultants from the General Board.

Committee On Stewardship

1986 Goals:

1) Promote conference-wide Stewardship Education Month with committee supplying a sample packet and outline for each participating church.
2) Write curriculum materials for age-level groups in the church school on stewardship.

Committee On Worship

The year 1984-1985 has been a productive year for our committee and goals set before us have been implemented as follows:

1) The local chapter of the Fellowship of United Methodists in Music, Worship and other Arts was organized November 17, in Hillsboro. Charter membership closes June 15, 1985, but new members are constantly being recruited. By-laws of the organization meet the approval of the Committee on Worship and comply with the constitution of the national Fellowship.

2) A task force was assigned to work with the annual conference agenda committee to assist in planning worship services of annual conference.
3) Planning is underway for a strong worship emphasis offered at the conference training event September 13, and 14, 1985. Courses include basic worship concepts, spiritual formation for children, youth, and adults, and advanced training in music.

Goals for 1986
1) Sponsor a spring workshop on worship to itinerate throughout the conference to four or five regions.
2) Establish and publish a monthly piece in the United Methodist Reporter and Coordinated Mailing listing available resources, possible leadership consultants, and new concepts of worship.
3) Sponsor two persons to attend annual national or jurisdictional convocations of The Fellowship.
4) By May, 1986, assemble in the conference resource library a scrapbook containing 4 worship bulletins from each church in the annual conference.
5) Compile a worship contact person address list from each local church by March, 1986.
6) Continue negotiations and assistance of the Agenda Committee to promote a variety of worship experiences at the Annual Conference sessions.
7) Publish an updated bibliography of worship resources with reviews of those resources by Fall, 1986.
8) A further recommendation not yet formulated as a goal is to train a conference consultant in the area of worship to work with local churches and districts to enhance our worship life.

Frank Long, Chairperson

Conference Council On Youth Ministries

1) Develop spiritual growth in the youth of our conference by introducing members to a personal relationship with Jesus Christ and by encouraging their constant growth and challenging them to share their new life with others.
2) Continue our ethnic minority inclusion with new emphasis toward Hispanics and Orientals.
3) Further advance communication between local church, district and conference levels.
4) Increase Youth Service Fund awareness and giving.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

The Conference Board of Higher Education and Campus Ministry oversees the campus ministry program at five colleges and universities and three campus ministry projects on junior college campuses within the conference. We also give support to United Methodist colleges and universities, especially those in Texas. There are seven of these in Texas including two Black colleges. We are grateful for your support through your giving to the Wesley Foundation Fund, the Black College Fund, and the Texas United Methodist College Association.

Each campus ministry unit is unique in its own way whether it is on the campus of Baylor University, Navarro College, Tarleton State University, Texas Christian University, or the University of Texas at Arlington. Each reaches out to students for Christian witness through study, work, play, and fellowship. It may be in the classroom through credit courses, in Bible study groups, fellowship suppers, counseling sessions, or retreats. Those projects on the junior college campus work through local churches and district councils on ministries. At Ranger Junior College it is an Explorer Scout troop for college students. At Hill Junior College it is the Wesley Club. At Weatherford College, where the newest project is to begin in September, the ministry will be pastoral counseling to students and personnel of the college.

Your gifts to the Student Day offering have made it possible for us to award four scholarships in the past three years the program has been in existance. The Student Day Offering goes to the United Methodist Loan and Scholarship Program which is the oldest and largest church program of its type in America.

Goals for 1986:
1) Seek to develop two new campus ministry projects while continuing to give support to the three now in existence.

2) Provide training for the Work Area Chairperson of Higher Education and Campus Ministry through district leadership events.
3) Work through the Work Area Chairperson in the local church to compile a list of high school juniors and seniors and make this list available to the United Methodist colleges and universities in Texas.
4) Ask Work Area Chairpersons to send to campus ministers the names and addresses of students known to be enrolled at their institutions.
5) Promote the Student Day Offering.
6) Work toward making salaries of campus ministers in the Central Texas Conference commensurate with other ministers in the Annual Conference.

We are involved in higher education and will continue to be involved in it because of our concern to enrich minds.

Martha E. Harris, Chairperson

BOARD OF PENSIONS

Report 1

With pride and excitement we bring you this report from your Conference Board of Pensions at this 1985 session of the Central Texas Annual Conference. One day a tiny spark began to unite our hopes until today we feel proud of the strides being taken to care for those who have served so faithfully. And, even though progress has come, we still are a long way from home. At this session of the Annual Conference we report that our Unfunded Liability for the $220 per service year rate is $11,591,528. This causes us to point more and more to the urgent need for the total amount of the Unfunded Liability to be erased through Capital Fund Campaigns. When that day happens the annual apportionments may cease.

For the year 1986 we make the following request:

Pensions:

1) The 1986 Past Service rate be set at $236.00 which will keep us maintaining a rate of at least the equivalent of nine-tenths of one percent of of the Conference average salary.
2) To accomplish this we request $876,645 from Conference apportionments. To this we add $51,601 from Interest earned to make the $928,246 needed.

Insurance:

Our Conference Health Insurance program of Self Funding has been very successful.
1) Therefore we are asking for the same amount of funding of $362,791 for 1986. The ministers and workers will be glad to know the rate for this year will remain the same as this past year.
2) We are also delighted to announce the appointment of Ms. Dawn Hobbs as Secretary of Pensions and Insurance with offices at the Conference headquarters. Dawn is very knowledgeable of our Pension program and will soon be insurance, too. Feel free to call her about your questions or problems.

Respectfully Submitted,
Richard E. Millsap, Chairman

Report 2

Resolution Relating To Rental/Housing Allowances For Retired Or Disabled Ministers Of This Conference

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensatilon and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Central Texas Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1985 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Central Texas Annual Conference at the time of his or her retirement or disability;

2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church. Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

COMMISSION ON ARCHIVES AND HISTORY

1) The Texas Methodist History Book Project, which began several years ago as a cooperative effort of the combined United Methodist Conferences of Texas under the sponsorship of the Texas Methodist Historical Society, is now history itself. The Central Texas Conference Commission on Archives and History wishes to thank each of you who sold and/or purchased books. First United Methodist Church of Arlington led the Conference in the number of books sold. There is a small number of books available for purchase at the Archives display.

2) The Archives Commission encourages each local church to defend itself against the loss of its own valuable church records. Instigated in 1984 as a Bicentennial project, the Circuit Rider Treasure Trace/Hunt is one method to help round up the scattered vital records of the local congregation. Information on this project has been sent to every local church. Certificates are available to be sent to each congregation upon completion of their Hunt.

3) An individual person or a local church group in need of Central Texas Conference Journals in order to fill in missing volumes may find that these are available through the archives excess Journals collection. Write or call for information on this.

4) Realizing how vast is the task of the local church historian who would do good work, and how brief a time together can be afforded at the District Leadership Training Seminars each year, the Archives and History Commission has devised a 6-hour Seminar/Workshop/Laboratory for local church historians Workshop has been presented already in the Waxahachie and Temple District. This extended training time has been found to be very valuable because of the particular skills necessary to records preservation.

5) Far from being unused or irretrievable the records in the Central Texas Conference depository are increasingly more important every day. Without these records as a frame of reference we would have little sense of direction or accomplishment as a Conference. Indeed, without realizing or acknowledging it, we recall many times each day our recent or more-distant past as a tool to give us a starting point for our schedule of the day. And that recall of our "history" is very vital and alive, essential to our well-being.

With all their own unique vitality and life the archives of the Central Texas Conference are housed in the library of Texas Wesleyan College. We are indebted to the College for sharing graciously its library space with us. Any of you can have access to these materials for research by contacting me for an appointment.

You can add materials to the archives collection by notifying any of the Commission members. We rejoice in being of service to you in the in preservation of your records. We report that all materials in the depository are safely stored and managed as of the present date.

STEERING COMMITTEE FOR CAPITAL FUNDS

Report Number 1

At the session of the Central Texas Annual Conference in 1984 there were three reports given by three different agencies suggesting the need for Capital Funds. They were Church Growth and Development, Camps and Assemblies, and the Board of Pensions. Church Growth and Development cited the need for capital funds for the purchasing of new church sites indicating that in order to purchase church sites at a reasonable cost it would be necessary to look ahead for several years and to purchase the land before it was fully developed. They estimated that to do this properly would take several million dollars. The Board of Pensions pointed out the ever increasing apportionment for the unfunded liability for the conference. In 1976 the apportionment was $560,000.00 in 1985 the apportionment for the same fund was $834,900.00. It was estimated that within the next two or three years this amount will continue to rise to $1,000,000.00 per year. A Capital Funds campaign has been suggested for pensions. This would be to alleviate the ever increasing apportionment to the local churches. It is understood that a Capital Funds campaign would not eliminate the need for an apportionment for the unfunded liability completely. It would simply reduce it. Also, at the 1984 session of the Conference the committee on Camps and Assemblies brought in a report indicating the need for improvement and expansion of Glen Lake Camp. They stipulated that the needs would cost about $4,605,000.00. This would be for the purchasing of new land, improvement of the present facilities, and the building of an all year round lodge. Following the meeting of the Annual Conference the Extended Cabinet took the matter of the need for Capital Funds for the Annual Conference into consideration. Out of this a Study Committee was appointed from the Extended Cabinet to look into the matter and bring a report back. The Study Committee met on July 27, 1984 and August 27, 1984 and out of this study they formulated a program to recommend to the Extended Cabinet in order to alleviate the Capital Funds needs of the Conference. Their recommendation indicated that there was a Capital Funds need in the Conference in the amount of approximately twenty or twenty-one million dollars. It would be divided in the following manner: Church Sites - $6,000,000.00; Pensions - $10,500,000.00; Glen Lake Camp - $4,500,000.00. The study recommended to the Extended Cabinet that we have a Feasibility Study in order to discover more scientifically whether or not we could have a Capital Funds campaign and how much could we be expected to receive. On October 1, 1984 this recommendation for a feasibility study was presented to the Council on Finance and Administration. The CF & A authorized such a feasibility study. On October 3, 1984, the Study Committee was enlarged to a Steering Committee for the feasibility study. At this time we went into contract with the Church Development Center to make a thorough study of the Central Texas Conference. The study was made in November, December and January and a report was presented to the Steering Committee on February 27, 1985.

During the study approximately 135 people were interviewed including clergy and lay. The study indicated there is a good and positive attitude in the Conference and the Conference as a whole is ready to engage in a Capital Funds campaign. They indicated from their findings if the campaign is conducted properly we could reach a goal of $10,000,000.00 for the three causes represented in the campaign. It is the feeling and decision of the Steering Committee that the Central Texas Conference must have a Capital Funds campaign. We realize that this will not cover all of the Capital Funds needs that we have but that it would be a good start in the right direction. We feel that if we do not have a campaign that the future of the Central Texas Conference will be jeopardized for years to come.

We, therefore, present to the Central Texas Annual Conference for your approval the recommendation that you authorize a Capital Funds Campaign for $10,000,000 divided among the three causes as follows: Unfunded Pension Liability – $3,750,000.00; Church Sites – $3,750,000.00; Glen Lake Camp – $2,500,000.00. (If we do not reach the $10,000,000 goal the same ratio would be used to distribute the amount received – 37.5% to the unfunded Pension Liability, 37.5% to Church Sites, and 25% to Glen Lake Camp.) It is understood that the Campaign would extend from June 1, 1985 through May 31, 1986 and that the paying period would be from June 1, 1986 through May 31, 1989. We further recommend for your approval that we contract with the Office of Finance and Field Service, an arm of the General Board of Global Ministries, to conduct the campaign.

Outline Of Proposed Central Texas Conference Fund-Raising Campaign

An effective fund-raising campaign in the Central Texas Conference should enable the Conference to raise the funds indicated for New Church Sites, Unfunded Pension Liability, and Glen Lake Camp, and also benefit the on-going program of the local churches, especially in the area of financial stewardship. The Office of Finance and Field Service will seek to utilize and incorporate the ideas and suggestions from the Feasibility Study in designing the campaign structure and in implementing the fund-raising venture. With the experience of the Feasibility Study to draw upon, the following campaign proposal is presented.

I. The Conference Fund-Raising Campaign will require the support of the local churches and is based on the following premises:

1. That the Annual Conference give thoughtful and enthusiastic approval of the fund-raising campaign.
2. That there be active participation in the campaign by the Resident Bishop, District Superintendents, Conference Staff, Pastors, and Lay Leadership and other members of the local churches.
3. That the methods, leadership and basic program offered by the Office of Finance and Field Service be followed.
4. That all local churches engage in an unified effort to secure financial commitments to meet the campaign goal.

II. The Conference Campaign would be carried out in three elements:

1. PREPARATION ELEMENT – June through December, 1985
   a) Resident Director and Associate Director from the Office of Finance and Field Service assigned to work with the Conference.
   b) Office set up, calendar established, promotional/interpretation/ guidance materials prepared.
   c) Conference Campaign Committee organized and begins functioning, and process of securing Leadership Commitments (Clergy and Lay) will begin.
   d) District and Local Church Committees organized.

2. INTENSIVE ELEMENT – January through May, 1986
   a) Rallies and workshops for information, inspiration and training. In cluster settings, local church committees will receive training in three workshops to implement campaign, with leadership of three additional staff members of Office of Finance and Field Service.
   b) Completion of securing of Leadership Committee.
   c) Local Church Committees function to implement campaign to secure financial commitments.
   d) Reports will be shared with churches and conference.

3. FOLLOW-UP ELEMENT – June 1, 1986 to May 31, 1989
   a) Payment period of financial commitments.
   b) Conference Follow-Up Committee will function to moniter the payment of commitments, distribute regular "record of giving" reports, inform the conference membership of campaign progress, cultivate and secure additional Leadership Commitments, and provide assistance to churches needing/desiring additional help to meet their campaign goal.

III. Conference Campaign causes and goal:

1. The causes to be included in the Campaign are New Church Sites, Unfunded Pension Liability, and Glen Lake Camp.

2. The Campaign Goal will be $10,000,000.00 to be divided as follows: Unfunded Pension Liability – $3,750,000.00; Church Sites – $3,750,000.00; Glen Lake Camp – $2,500,000.00.

Report Number 2

It was the recommendation of the Feasibility Study that the Central Texas Annual Conference take steps to put into place an Office of Planned Giving with an Executive Director. The proposed Capital Funds Campaign will alleviate the short term capital fund needs of the conference but it must be recognized that we have long range needs that demand long range plans. It was the decision of the Steering Committee that we recommend to the Annual Conference that such a position be created to be voted on at the 1985 Session of the Annual Conference and to be set into place at such time that adequate funding can be secured and a qualified person can be found.

We recommend this position to the Conference with the understanding that the financing of the office would largely come from sources other than the Conference budget. It is the whole hearted recommendation of the Feasibility Study that we have such an office in order to alleviate our capital fund needs in the many years to come. This person would be in contact with individuals, local churches and districts to train and explore possibilities regarding planned giving, wills and legacies, trusts, tax benefits, etc.

It is perceived that this person and this office would work closely with the Central Texas Conference Foundation and the Texas Methodist Foundation. This has been presented to the Central Texas Conference Foundation for their endorsement and financial support. In a meeting of the Foundation Board on April 17, 1985, those present voted unanimously to endorse the creation of the office and to provide most of the funding. The only financial support being requested from the Central Texas Conference is $8,000 for office space and telephone expenses.

Conference Finance and Administration will study the matter of creating a Council for Office of Planned Giving together with the existing Conference structure, and the possible realignment of structure, and/or change of job description in order to properly carry out the needs of the Conference.

COMMISSION ON CHURCH GROWTH AND DEVELOPMENT

REPORT NO. 1

The task of congregational development is as old as Methodism. On May 12, 1739, John Wesley laid the cornerstone for the first Methodist Church in Bristol, England. The building was opened for worship on June 3, 1742, and it carried a debt. The Christmas Conference, organizing the Methodist Church in the United States, decreed during its 1784 session that a regular subscription would be taken on the circuits for the organizing of new churches and for the relief of debts on existing meeting houses. From that point on to 1939 there was a strong and continuing program to reach out to every community with a congregation. In Texas alone, between 1866 and 1900, the Methodists erected over 2400 churches through a priority plan of church extension and evangelism. No doubt, Methodism in our own Central Texas Conference today would be virtually nil had it not been for this concerted effort.

With the merger of 1939, which established The Methodist Church as the largest Protestant denomination in America, there came a period of de-emphasis of church extension and evangelistic outreach. Gradually, our age-old plan of church extension received less and less attention as we shifted priorities to a more socially active church. No one can fault our church for its social concerns but without Methodism's age-old plan of balance between the two, our future becomes very bleak.

The following data indicates where we in the Central Texas Conference have placed our own priorities between 1970 and 1984 – a 14 year period:

CTC Population: 2,034,496 in 1984; up 602,404 or a 42% increase in numbers of people from 1970.

UM Membership: 129,980; up 9,033 or a 7.4% increase. (Methodism's fair share of the population increase should have been a minimum of 54,000 new members instead of 9,033.)

Sunday School Attendance: averaged 25,929; down 5,271 since 1970, or a 17% decrease.

Morning Worship Attendance: up 2,418 or a 6.5% increase.

Number of UM Churches: 361 in 1984, down 22 or a 5.5% decrease. (30 churches were abandoned, 8 were organized.)

- - - - -

Pastoral Salary Support: $5,419,103; up by $3,698,868 or a 215% increase.

Value of Property-Assets: $204,363,892; up by $149,796,619 or a 275% increase.

World Service & Conference Benevolences: $1,169,786; up $947,167 or a 425% increase.

All benevolences: $3,344,086; up $2,132,703 or a 176% increase.

Total Raised: $28,620,324; up $19,525,549 or a 215% increase.

These trends in dollar expenditures depict a church whose membership has made a significant statement about locally controlled benevolences; has experienced substantially increased costs in local church operating expenses; has maintained a high level of commitment to facility care; has delivered large increases in the area of ministerial support and benefits, and has provided tremendous increases in benevolent programs. While the above depicts a denomination that has done an exceptional job in taking care of itself, it also depicts a clear picture of a denomination that has had no plans, programs, or priorities for projecting its future growth and strength into the next century. We seem to be living mainly upon our momentum of the past and when that momentum is gone the future does become very bleak.

Many reasons can be given for the decline in United Methodist membership over the past 3 decades. But one factor most difficult to escape is failure to reach those persons without a church affiliation. Basically, we have failed in two critical areas. We have not maintained a strong program for placing new congregations in developing areas and we have failed in the motivation and training of our clergy and laity to reach persons in their communities who have no relationship with a church. This second group is overwhelmingly large.

There are those who over the last 40 years have believed that the task of new church development is completed. But, we know now, it will never be completed. Perhaps our responsibility would be near an end if our population were not increasing, if people were not moving, and if congregations did not lose their strength and die.

Since our population is still increasing and we are moving at an ever increasing pace, we must go where the people are. The church in the early years of American history kept up with the frontiers. It established missions, preaching posts, Sunday Schools, classes, and societies where people lived. These frontiers have now changed - but the need for church extension has not changed. For the most part, our new frontiers are the ever expanding suburbs, new cities, new towns, new communities, new ethnic populations, and changing communities.

Clearly the time has arrived to renew our commitment in tangible ways to the development of new UM churches and the revitalization of our existing congregations. The Commission on Church Growth and Development is commited to help our Conference to be faithful to the biblical imperative of "Go, and make disciples." We call upon every UM congregation to strive for a minimum of 10% growth during the last half of this decade. This will mean adding over 13,000 new persons to the Body of Christ - not for numbers sake - but because it is the Commission from Christ Himself and because numbers represent persons - persons who bring life and strength to themselves and to the church.

So, the task of congregational development continues - it continues because we have no choice. Our very future as a church is at stake. God will do His job without us, but it will mean that He will raise up others to accomplish what Methodism once did and can continue to do.

A BRIEF SUMMARY OF OUR CHURCH EXTENSION PROJECTS
Sponsored by "Partners in Growth Shares"

Listed below is a brief summary of projects the Share Funds are making possible....

I. OUR MOST RECENT PROJECTS.

1. Purchase of a 7 acre site in South Arlington.
   -Purchased on December 21, 1984 in the very center of great population growth! A minimum of 87,000 persons will live within a 2½ mile radius of the new church by the year 2000. A new church will be organized here in 1985.
2. Grace UMC, Arlington.
   -Officially organized on May 27, 1984. Share funds made possible the down payment on an existing church building and will assist the new congregation in its initial stage of development.
3. St. Philip's UMC, Round Rock.
   -Officially organized on April 29, 1984. Share funds purchased a 4-acre site in 1982 and are assisting the new congregation during it's beginning stages. Presently they are meeting in an elementary school, but construction on the first unit will begin in early 1985.

II. OUR CONTINUING SUPPORT PROJECTS.

4. Watauga UMC, Watauga.
   -Instead of organizing a new church in this rapidly growing area, Church Growth and Development joined forces with this congregation to help it meet the population growth. The building was remodeled and expanded. A modular building was place on the lot for educational purposes. Already the facilities are outgrown and the church in 1984 has its first full-time pastor.
5. Korean UMC, Killeen, Texas.
   -Officially organized on July 18, 1981 through share support. It is now a self-supporting church and needing to expand or re-locate to take care of the

growth. Share funds still make payments on the building which is owned by Church Growth and Development.

6. Campus Drive UMC, Fort Worth.
   -Officially organized in the summer of 1982. Share funds purchased a 5-acre site and construction will begin on the first unit in early 1985.
7. Covenant UMC, Arlington.
   -The church is now self-supporting. However, share funds provide the payment on the site which was purchased on a long-term basis by our National Division at a low interest rate.

III. OUR SELF-SUPPORTING PROJECTS..(No longer require share funds)

8. St. Barnabas, Arlington
9. Genesis UMC, Fort Worth
10. 1st UMC, Round Rock
11. Kingswood UMC, Burleson
12. St. James UMC, Temple
13. Oakdale UMC, Stephenville

CHURCH GROWTH – REVITALIZATION
REPORT NO. 4

It is exciting to note what has taken place in Church Growth and Development over the past five years, and equally exciting to observe what we are doing now.

The care and concern of the membership of the Central Texas Conference for church extension is evident and many are involved. With all that we have done and are doing, it is true that we have only scratched the surface. Nevertheless, more persons are catching the vision of the potential impact of United Methodism in the Central Texas Conference and are responding. So long as we remain faithful to the direction God leads us, then doors will continually open in this particular area.

It would be relatively easy for us to become locked into a one-faceted program if we are not careful. While it is evident that we are making progress in church extension, we now desperately need to expand our concept of church growth to include the revitalization of the existing local churches who have been responsible for our progress in years past.

We are blessed with many fine churches and an abundance of outstanding leadership in our Annual Conference. It is at this point that we need to take a look at where we have been, where we are, and to dream where we intend to go.

In the past, we have developed a strong Conference with a deep loyalty among our lay members and clergy. We have been sensitive to the various trends that have emerged over the years and attempted to be in the forefront in addressing the needs that arise at any given time and in any given situation.

Today, we stand poised to launch ourselves into a future that will enable us to more nearly fulfill the great commandment of our Lord, Jesus Christ.

We dream of a tomorrow with a strong United Methodist presence in every area of Central Texas. We want to be present in every community, preaching the unsearchable riches of Jesus Christ and lead others to a strong personal commitment to our Lord. We can do this, if we have all of the right ingredients in place.

Too many of our churches project the feeling that they are not important and that they must just exist until such time as they close their doors. Obviously they believe that they have no vital contribution to make and they leave the impression that they just wish to be left alone to die.

What a tragic waste! There are very few churches in our Conference who cannot have a fruitful and exciting future. The one problem in most churches afflicted with the "death-wish" syndrome, is a negative response to almost everything.

Their "no can do" attitude needs to be transformed into a "can do" attitude. This involves a recommitment to Jesus Christ, the adoption of church growth principles, and the willingness to become personally involved.

There are several avenues that we may follow in order to effect this:

1. Visitation – pastoral and lay, built on the newer concepts of saturation by publicity and minute contacts by church members to community residents.
2. Evangelism – vital worship services with a strong emphasis on preaching. A need to preach for decisions for Jesus Christ.
3. "I Care" Programs – the willingness to share facilities, ministry, leadership, etc. with others.
4. Outreach Involvement – a strong commitment to mission outreach, with a commitment from every church to support a missionary and Advance Special Projects.
5. Personal Involvement – being present at worship services, giving time where needed, etc.
6. Continued Personal Spiritual Growth – daily Bible study, prayer, personal devotions, sharing groups with others.

These are simply a few suggestions. The list seems to be limitless and the possibilities endless.

We have made such a good beginning in Church Growth and Development, wouldn't it be

great to put Church Revitalization into place in 1985-1986? If we did this, no doubt we would surpass our goal of 10,000 shareholders and fulfill our needs for the establishing of new churches.

RECOMMENDATION TO THE CENTRAL TEXAS ANNUAL CONFERENCE

The Cabinet of the Central Texas Conference and the Commission on Church Growth and Development recommends the tenure of the Director be changed from the six years stated on page 149 of the 1980 Journal to a term of eight years. This will make the tenure of all Conference Directors equal.

COMMITTEE ON COURTESY AND RESOLUTIONS

This is Station WUMC - We're United Methodist Christians - interrupting our regular programming to bring you a special weather report from the Central Texas Conference of United Methodism meeting this week in the city of Waco with some 351 local churches represented.

A definite weather pattern has developed during this conference session. The jet stream of preparation has been quite obvious through the work of various agencies, boards, and committees in arranging the conference. Hosts for the conference, James Shuler, Waco district superintendent, and Richard Freeman, pastor of First UMC, are to be lauded for for their excellent planning along with all the staff people who carried out their demanding responsibilities. A very favorable climate has resulted due to the efforts of all these people and others, including Nystrom's Office Supply for the bishop's chair and Convention Center personnel.

We present these further weather facts about the conference:

1. A lingering warm front has been personiffied by the amiable leadership of Bishop John Russell and by the graciousness of his wife, Mary Jean.
2. Delegates and visitors, splashed by the sunshine of Dr. Walker Railey's stylish preaching, have had their spirits uniquely warmed.
3. They have received showers of blessings from the inspired ministry of music provided by the choirs, soloists, and musicians.
4. At the same time, the conference has been marked by a vast low - the memory of the deaths of fallen colleagues in Christ. Let it be hastily added, however, that there was a similar vast high - our rejoicing with their families in the assurance of their ultimate triumph and the fact that we celebrated this faith in the partaking of the Holy Communion.
5. A few scattered clouds hovered for awhile, brought on by honest debate over important issues on the floor of the conference, but those clouds quickly drifted away, burnt off by the heat of patience and good will.

As United Methodist Christians, we realize that we live amid storms of dismay and doubt, in a world deluged by confusilon and mistrust, an icy world shivering for lack of justice and compassion.

Nevertheless, we believe the forecast for the future is sure - that the same refreshing wind of the Holy Spirit which has blown in keen inspiration from Almighty God during this conference will yet again cause us to venture out as Christ's people to be the Church in the world - serving, caring, and loving as God has loved us in Jesus Christ.

We are caught up in a grand display of United Methodist weather, and no end is in sight! AMEN.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

The Commission met twice during 1984-1985. It was decided that there is a need to communicate to the conference the many ecumenical and interreligious affairs now taking place on a regular basis within our conference boundaries.

In order to do this, every pastor in each district has filled out a form which gives information on ecumenical and interreligious involvement within their community. The Commission will be sharing this at Annual Conference.

A delegation of ten persons attended the Texas Conference of Churches February 25-27 in Austin. Strong resolutions were passed on support for sanctuary movement for Central American refugee persons. Another resolution was passed expressing support for Bishop John Fitzpatrick of the Roman Catholic Diocese of Brownsville who has addressed intense

human needs in the poorest part of the state and who has supported the ministry of Casa Oscar Romero (center for Central American refugees.) A strong statement was passed urging Congress to reaffirm its previous position denying aid "contras" in Nicaragua and military aid in Honduras.

COMMISSION ON EQUITABLE SALARIES AND CLERGY BENEFITS

Report 1

Equitable Salary and Temporary General Aid Fund

There shall be a program of Equitable Salary Support in the Central Texas Conference under the management of the Commission on Equitable Salaries and Clergy Benefits. This program shall be patterned after paragraph 722 of the 1984 Discipline. Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Salary and Temporary General Aid Program.

1) The Commission recognizes the necessity of coordinating all salary subsidy; therefore, the Conference Treasurer shall inform the Commission on any salary grants by other Conference or General Church agencies, so it may coordinate salary supplements through the Commission on Equitable Salary and Clergy Benefits for that portion not covered by any other source.

2) A prerequisite for consideration of salary supplements from the Equitable Salary Fund shall be the filing with the Commission of a written application by the District Superintendent. The District Superintendent shall certify classification of the pastor and the salary (salary, travel, and utility) set by the charge. The application form will be supplied by the Commission.

3) Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro rata basis for the part of the year actually served.

4) The following conditions must be met by the pastoral charge before its pastor can become eligible for consideration to receive salary supplements from the Equitable Salary Fund.

a) The pastoral charge shall have conducted an Every Member Canvass for the local church budget of each of its churches during the previous conference year.

b) All apportioned items shall have been paid in full for the previous conference year.

c) The charge must have at least 100 members.

In unusual situations the Commission on Equitable Salary and Clergy Benefits may waive any or all of these conditions.

5) The Commission on Equitable Salary and Clergy Benefits will pay any aamount up to 1/3 of the minimum salary as set by the Annual Conference for each applicant according to his/her ministerial classification.

If any exception under paragraphs 4 or 5 is sought, the request must be endorsed by a 2/3 vote of the Cabinet before it can be considered by the Commission.

6) Beginning in calendar year 1984 an "Incentive Plan" was used in figuring equitable salary payments within the following clarifications and guidelines:

a) The objective of this Plan, as with all Minimum Salary support, is to strengthen the work of the local church. The Goal of this Plan is to allow and encourage local churches to increase ministerial support of their pastors, allowing the pastor in the appointment to receive the benefit of increased income from the local church without losing the support from the Minimum Salary Fund.

b) Ministerial Support increases by the local church during the tenure of one pastor shall be added to the total allowable income for the pastor during the duration of the appointment relationship of that pastor with that church, subject to renegotiation with the commision at the end of a three year period.

c) Whenever a change in pastoral appointment occurs, or at the end of the Incentive Plan agreement, the charge is to maintain their local church's existing level of ministerial support. With regard to equitable salary support, at such time as a change in their appointment occurs, the charge will return to the base minimum salary for which the new minister qualifies, if such support is still below the minimum salary base.

7) Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 1986.

Rates of adjustment will be considered annually by the Commission, rather than establishing automatic rate adjustments.

	1986
a) Elder, Full Connection	$ 17,000
b) Associate Member	14,000
c) Full-Time Local Pastor	12,500
d) Probationary Member	
1) Non-student living on charge	14,000
2) Student living on charge	12,500
3) Student not living on charge	10,000
e) Student Local Pastors	
1) Living on charge	11,200
2) Living away from charge	8,600

8) Pastors who are appointed to less than full-time service as addressed in the 1984 Discipline, (p442.2) shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in pastoring the charge. For example, if the pastor is deemed as serving 1/4 of full time, his minimum salary eligibility would be 1/4 of the minimum of his Conference relationship classification. The categories of 1/4, 1/2, and 3/4 will be followed in determinining less than full time eligibility for salary supplements from the Equitable Salary Fund.
9) Seminary students who are serving pastoral charges and receiving Equitable Salary Supplements are eligible to receive $1.00 per mile, round trip each quarter, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid quarterly to the seminary student pastor.
10) Ministers who are not eligible for salary supplement are:
a) Those whose appointment is other than pastor of a charge.
b) Those classified as part time local pastors.
c) Retired ministers.
d) No pastor shall be eligible to receive salary supplements from this Fund who has been offered appointments with higher salary, but who persistantly prefers for personal reasons to remain in a present appointment.

Report 2

Moving Expenses

1) We recommend that the conference pay the greater of $200 or $3.00 per mile for the first 100 miles and $1.00 per mile additional after the first 100 miles with no maximum within the bounds of the Annual Conference. The receiving charge is expected to pay any remaining balance of the actual moving expenses.
2) We further recommend that the procedure of filing correct forms with the Conference Secretary/Treasurer be continued.
3) We do, however, expect every receiving charge in the Annual Conference to pay the moving expense of the new minister in excess of the allowance and it must be the responsibility of the District Superintendent at the time of consultation to inform the church of its share of this obligation.
4) We recommend that the Conference pay the moving expenses of a retiring minister within the boundaries of the Conference. This reimbursement will not exceed $500.00 over the amount paid in article #1.

COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race for the Central Texas Annual Conference exists by action of the General Conference of the United Methodist Church to foster a ministry of racial and ethnic reconciliation within the Methodist Church. We approach our brokenness and our separateness with the knowledge and experience of Christ healing for his Church. The ultimate goal of the Commission is that the United Methodist Church become an inclusive fellowship, that no racial or ethnic barriers affect our life or our witness.

The Commission sees its work as sensitizing, monitoring and enabling our great church. We will be holding out experiences whereby the leaders of our church will become more conscious of the inclusive nature of Christ's church. Though Committee out of the Commission plan to monitor membership on boards and agencies of the Anual Conference, as well as to act as an advocate for the Missional Priority, "Developing and Strengthening the Ethnic Minority Local Church for Witness and Mission."

Budget Request for 1986:
Total Request: $3,960.00, to be used for meetings, programs and workshops.

COMMISSION ON STATUS AND ROLE OF WOMEN

This has been a year in which COSROW has sought to clarify and renew our focus. We have met twice in full committee and numerous times as an executive committee.

Our accomplishments include training of four commission members at Jurisdictional training in Dallas. The knowledge gained there will be shared with the churches at local and district level.

Woman in the Pulpit Sunday is growing in acceptance. Churches are including women in worship on many occasions during the year. In addition to that, clergy family issues discussed by COSROW in previous years were addressed in the retreat held by the clergy wives organization. COSROW supported seed money for that very successful project.

In our role as monitor, we have looked inwardly and are making recomcendations for nominations that will make us more inclusive as a commission. Members of the commission monitor language in all meetings and services which they attend. A short film, "Included Out," which deals with inclusive language in a humorous manner has been added to the conference resource library. We hope the film will be used widely within the conference.

The commission is providing a quiet haven to catch one's breath during the hectic pace of the Annual Conference sessions. The room is located next to the Main Office of the Convention Center.

COSROW's goals for 1986 reflect the concern that the power of Gospel come to life through the working of the Holy Spirit for the empowerment of all people. The goals include;

1) Strengthening the ties between COSROW and all women and men, both clergy and lay, of the Annual Conference. (Advocacy Role)
2) Providing a workshop which will be part of the conference-wide Fall Event (Catalyst Role)
3) Monitoring leadership in boards and agencies at both district and conference levels which include providing leadership training. (Monitor Role)
4) To continue existing programs such as Women in the Pulpit Sunday. As a catalyst for women's concerns, we share the COSROW Creedal Statement:

"We are unique human beings linked with all of creation and gathered from diverse places to share a ministry faithfully, to raise questions hopefully, to work for justice lovingly."

In Whom and in What do We Believe?

We believe in God, eternal yet ever-moving One, who creates and is creating, who keeps covenant with human kind, who sets before us the ways of life and of death.

We believe in Jesus, the Servant-Advocate, who lived the way of dying/rising, who embodied justice and reconciliation, who, with authority, calls us to share this way and this embodying.

We believe in the Holy Spirit, sustaining Presence and transforming Power, who dwells among us in clarity and in mystery, who inspires us individually and corporately, who challenges, prods, emboldens.

We believe in the Church, community of faith and caring, covenant and promise, which nurtures our pilgrimage and through which we are called to be witnesses to God's truth, love and justice.

We believe our believing affects our daily walking and talking, our doubting and struggling, our decisions and choice-making, our responses to persons and systems.

We intend in this community in these days to raise questions hopefully, to work for justice lovingly, to share a ministry faithfully, and, by God's grace, passionately!

COMMITTEE ON COMMUNICATIONS AND INTERPRETATION

The Committee on Communications and Interpretation operates under the premise that we help the church tell its story. The church at all levels, whether it be the local church, Annual Conference or General Conference has a story worth telling.

The committee has used numerous means of communication to help tell the story. The United Methodist Reporter remains as one of the most effective resources of our Conference. This past year we have subscribed to 4,359 copies of the Conference Edition and 14,412 copies of the Local Church Edition in 12 churches over the Conference. We urge every local church to continue support of the United Methodist Reporter with subscriptions and to send to the Conference News Editor feature stories and news items that help tell our story. Several churches in our Conference are using the electronic media to tell the story. The Committee on Communications supports these efforts and encourages others to seek opportunities through television, cable, and other tele-communication ministries.

Hundreds of local churches send out weekly newsletters. This is a very effective way for a local church to tell its story and we encourage their continuing. The committee pledges to offer leadership and training to assist local editors to do a better job.

The responsibility of the committee is communications and interpretation. Communication is the challenge of the 80's, the era of electronic revolution. We pledge ourselves to provide leadership in the field of communication. Responsibility for promoting church funds and explaining the United Methodist Benevolence Program is lodged with our committee.

Shouting from the rooftops what our church and conference is doing in "Missions" is another way to help the church tell its story.

It's the story of the Gospel of Jesus Christ and the story of service to people in His name. It's a story handed down to us through generations of oral and written communication. That's our job and we pledge ourselves to do the best we can to tell the story.

To be more effective in the future the committee is being restructed in the following divisions:

1) News Media/United Methodist Reporter
2) Radio/Television/Telecommunications
3) Computers
4) Training Events
5) Mission Interpretations
6) Resources

COMMITTEE ON THE EPISCOPACY

The committee met for the first time of this quadrennium in October, 1984, at the First United Methodist Church in Fort Worth. Several members are serving for the first time, and were welcomed to the committee. After dinner, the bishop presented a report to the committee detailing much of his goals for the next twelve months. The committee responded to the bishop's remarks, and complimented him on the fine leadership he has given to this given to this conference. Various members expressed to the bishop and the committee their own feelings of concerns of the conference that need special direction and guidance.

The committee continues to invite the lay and clergy to give input to this committee regarding their viewpoints as they relate to the office of the bishop of our area.

B. F. Hank Carroll, Chairman

Episcopal Residence Committee

This new committee has met for its organizational meeting as set forth by action of the 1984 General Conference. The responsibility of the committee as its name implies is to make recommendations to the annual conference regarding the episcopal residence. No later than 1992, the annual conference or conferences constituting the episcopal area shall be responsible for providing an episcopal residence in which the bishop shall reside.

This committee, consisting of four members from the Central and North Texas Conferences, is recommending a housing allowance amount which will be in each conference's budget be paid to Bishop Russell as he is now living in a home which he purchased when he was assigned to this area.

The committee also recommends an amount of $3,000 be placed into each conference's budget beginning in 1986 to accrue in an interest-bearing account for the purpose of a down payment and furnishings for a residence to be provided for the next and succeeding bishops, no later than 1992.

The Committee was first organized in 1976. The purpose of the Committee is to initiate, coordinate, and enable inter-conference ministries within the bounds of the Central Texas and Rio Grande Annual Conferences.
The objectives are as follows:
1) Develop strategies for Hispanic church extension and programs for the organization of new congregations and the expansion of congregations already established.
2) Consult with and enable local church, district, and conference agencies in the development of inter-conference ministries.
3) Interpret and promote the various Mexican American community for the development of more effective ministries.
4) Research existing conditions and needs in the Mexican American community for the development of more effective ministries.
5) Develop awareness programs for church and community groups in order to create a climate of mutual appreciation.

Work of the Committee

1) The newly elected quadrennial committee was organized with its initial meeting June 30, 1984.
2) The committee provided assistance to San Pablo in securing the facilities of the former St. John's UMC, Fort Worth, for temporary use.
3) The Committee has provided consultation with Polytechnic UMC in a need assessment survey of the neighborhood Hispanic population and the establishment of an English as a Second Language Program. The Committee assisted securing grants for this ministry from the Missional Priority Coordinating Committee (EMLC.)
4) A Workshop on cooperative ministry, "Ministerios Hispanos En Esta Nueva Era" (Hispanic Ministries in This New Age) was held in Temple on February 16, 1985. The outcome was:
a) There was more attention and involvement by pastors, laity, and the cabinets of both conferences than ever before. Attention was focused on the need for inter-conference cooperative ministry with Hispanics.
b) It provided a good format for needed dialogue particularly between cabinets of both conferences.
c) It enabled participants to explore possibilities and opportunities for inter-conference cooperative ministries.
d) It gave vitality to the Committee, bringing clarity of direction for the Committee's next steps and helping the Committee to formulate specific goals.
5) The committee has initiated dialogue between Cabinets of both conferences on the subject of ministry with Hispanics and inter-conference cooperative ministry.

1985-86 Goals and Objectives
1) Facilitate the Polytechnic UMC venture of ministry with Hispanics.
2) Facilitate another cooperative ministry in the Temple/Waco area.
3) Continue to raise visibility of the work of the committee before both Central Texas and Rio Grande Conferences.
4) Identify particular congregations where there is interest in cooperative ministry or where there is a viable possibility for cooperative ministry with Hispanics.
5) Develop several inter-conference resource teams to enable congregations to establish cooperative ministry with Hispanics.
6) Begin to develop a master plan for the implementation of cooperative ministry with Hispanics.
7) Plan and implement an inter-conference celebration of worship.
8) Produce a brochure about the work of the Committee to be distributed at the annual conferences of the Central Texas and Rio Grande Conferences.

Report 2

In 1982 the Central Texas and Rio Grande Conferences adopted the Constitution and By-Laws for the Inter-Conference Committee for Mexican American. There is provision for the

Constitution and By-Laws to be amended or revised upon the recommendation of the Committee and vote of the Central Texas and Grande Conferences.

Though the greatest increase in the Hispanic population is Mexican American, the Committee does not see its purpose to be limited to that group. Therefore, the Committee recommends the following:

1) That the Committee's name be changed to Inter-Conference Committee on Hispanic Ministry.

2) That objective number three (found in the beginning of Report 1) be revised to read: Interpret and promote the various Hispanic ministries within their respective geographical boundaries for financial and personal support.

THE MISSIONAL PRIORITY COORDINATING COMMITTEE

"Developing and Strengthening the Ethnic Minority Local Church for Witness and Mission"

"Developing and Strengthening the Ethnic Minority Local Church: For Witness and Mission" is the Missional Priority of The United Methodist Church in 1985-1988. This Missional Priority seeks to involve the total church in its implementation.

In addition to some new expressions of responding to the goals, it also continues to address the unfinished tasks of providing resources, recruitment leadership development, training and support for the church's mission racial and ethnic minority local churches.

This Committee has been organized for the 1985-1988 quadrennium. Officers have been elected:

Chairperson - Rev. Patrick Williams
Vice Chairperson - Marjorie Burns
Secretary - Gene Kile-Smith

The committee has developed its application form, and has also set priorities for funding request which include:

1) Witness: Evangelism, new congregational development, revitalization;
2) Discipleship: Training and resourcing for mission;
3) Liturgy: Develop the church's racially diverse liturgical resources;
4) Outreach: Empower ethnic minority local churches to facilitate mission interaction in domestic and global dimensions, and foster ecumenical concerns;
5) Leadership: Enlist and deploy lay leaders;
6) Structures: Promote adapting United Methodist Church structures to facilitate mission and ministry; insure adequate minority representation; equitable access to processes and benefits of The United Methodist Church;
7) Facilities: Improve existing facilities and promote comprehensive utilization; plan for future use and acquisition.

C. Leonard Miller from the General Council on Ministries was in Central Texas Conference to lead the committee through an orientation session. He will also be with us at the Annual Conference session in June to help kick off the new missional priority.

We have funded several proposals that have been before us:
1) An Hispanic Ministries program at Polytechnic United Methodist Church. This program is basically geared around teaching English as a second language.
2) A Music Ministry at Grace United Methodist Church in Arlington;
3) A partially funded Hispanic program at Diamond Hill in Fort Worth which will use an intern from Perkins to evangelize the community surrounding the church.

The Temple District received funds for a staff person for children's ministries at the Korean United Methodist Church in Killeen. Waxahachie District requested funds to do some work on church facilities at the black church in Hillsboro.

The committee has set as one of its major emphases promotion and the development of a comprehensive plan for the Central Texas Conference.

The committee commends our conference for its support of Ethnic Minority Local Church and hopes that the same full support will continue.

CENTRAL TEXAS CONFERENCE FEDERAL CREDIT UNION

Our Credit Union was begun with the goal of being a means by which members could help one another. We could put in money for savings to earn a rate of interest higher than regular bank savings account, and those needing to borrow from the assets of the Credit Union could do so at rates of interest lower than comparable bank rates. This goal has been met and will continue to be the policy that the Board of Directors uses to direct the business of the institution.

Through broadening of our field of membership to include other agencies within the bounds of our conference we have increased our membership and increased our assets to over $650,000. The field of membership now includes ministers of the Central Texas Conference and their families; employees of the United Methodist Churches within the Central Texas Conference; employees of Southwestern University; employees of United Community Centers; and employees of Harris Methodist Health System.

The Credit Union is paying dividends on regular share accounts at a variable rate depending upon the amount of the individual's total deposit. The rate varies from 6% to 7%. Share Certificates earn interest at at a rate of 1/4% more than savings and loan institutions are currently paying.

Individual Retirement Accounts have begun to be offered this year at the Credit Union. Your Credit Union can help you get maximum benefit from IRA tax-deferred deposits.

This year we have added another employee so your Credit Union may better serve its members. You may reach someone in the office from 9:00 a.m. 4:00 p.m. each day, Monday through Friday. The phone number is 332-3751 and the office is located at 1418 West Rosedale in Fort Worth.

LYDIA PATTERSON INSTITUTE

El Paso, Texas

Lydia Patterson Institute has a unique and important mission on the U.S./Mexico border in El Paso. The institute provides a bi-national, bicultural Christian environment where faith and knowledge interact to enrich hundreds of young lives yearly. A fully accredited

Pre-collegiate school, L.P.I. offers a quality educational ministry to Juarez and El Paso students.

The majority of the 325 students attending L.P.I. commute from Juarez daily. Approximately 25% are El Paso residents. All have a need of the quality Christian education and environment which the institute provides. Many begin their education at L.P.I. with English-as-a-Second Language classes and then proceed to complete their pre-collegiate education. Everyone receives the full benefit of L.P.I.'s academic and Religious Life Program and environment. Twenty-five teachers and staff are providing outstanding leadership to this mission at the present time.

Academic standards have been strengthened during the last year according to guidelines set by the Texas Education Agency and student support services have been increased. A new Office of Student Life provides counseling services, social activities, spiritual life programs and student recruitment activities. Tuition Assistance Grants are made to needy students, those who are still being impacted by the continuation of the peso devaluation in Mexico. Having as a primary purpose to prepare students for higher education, L.P.I. is participating enthusiastically in the newly formed Consortium for Hispanic Education in the Southwest, a group composed of United Methodist-related educational institutions and Conference representatives.

We are also proud that the Board of Trustees has now also established a second major program at the institute. This will be the Center for Cross-Cultural Educational Ministries. The purpose of this Center will be to provide the United Methodist Church with expertise and training for crosscultural and international ministry and evangelism. Plans are to open the Center in the summer of 1985.

Lydia Patterson is the only United Methodist, predominantly Hispanic, educational institution remaining in the United States. The South Central Jurisdictional Conference affirmed L.P.I.'s strategic and unique mission at its 1984 session in Lubbock by recommending that each annual conference designate L.P.I. a Missional Priority for 1985-1988. We are thankful for this strong support from the Church and for the many local churches, groups and individuals who have given generously to this ministry over the years. Presently 66% of the budget is met through church gifts. Sam Martinez, is Director of a new Office of Development established last fall. We are also grateful for the Work Camp groups who visited and worked at L.P.I. last summer.

You have been a vital part of this educational mission in the past year and we look forward to our continued partnership in ministry in the year ahead. On behalf of our students and staff, I say, "muchas gracias."

HOMES FOR RETIRED MINISTERS

Report 1

At the present time the over-all view of the Homes for Retired Ministers about the same as it was a year ago. We are still maintaining 25 homes in 14 counties of the Central Texas Conference, but thanks to your suppport of this ministry, your Trustees are enabled to keep a higher standard of maintenance of the homes.

You responded to the Trustees' plea for a renewed interest in our program by giving $19,147.90 in 1984. This is a record in giving to Homes for Retired Ministers, and is a 56% increase over 1983! Your Trustees and the residents of our homes thank you.

The following is a simple breakdown of the offering by districts:

District	1983	1984	% Increase	Homes
Brownwood	1,865.49	2,150.76	.15	5
Ft Worth East	2,680.89	5,006.44	.86	1
Ft Worth West	1,827.80	3,198.29	.74	6
Temple	1,437.16	1,941.50	.35	1
Waco	1,396.28	2,420.62	.73	4
Waxahachie	1,343.50	2,550.71	.89	2
Weatherford	1,707.00	1,879.58	.10	6
	12,258.12	19,147.90		25

It is imperative that we continue to support this area of outreach/ministry of the

church. Taxes continue to increase ($11,267). Because most of our homes are older, maintenance cost is extremely high ($10,392), and insurance is no small cost ($2,918). With your increased giving and the contributions of our residents ($8,163), we feel that in 1985 we will be able to do a better job of caring for those under our ministry.

Please be reminded that time takes its toll on our properties. Some of the homes will have to be replaced in the near future. Because we are not financially able to buy replacements, you are urged by your Trustees to consider putting your home in your will for those who gave the best years of their lives for Christ's Church.

The Trustees are James Hopkins (1986), Mervin Spitzer (1986), Charles McClure (1986), Luther Henry, Sr. (1987), Ray Elliott (1987), Charles Hearn (1987), E. J. Hughes (1988), William Greenwaldt (1988), Warren Fuller (1988).

Report 2

The Board of Trustees for the Homes for Retired Ministers presented an amendment to its By-Laws to the Annual Conference last year. It was approved by vote of the Annual Conference but failed to be included in the report found on page 193 of the 1984 Journal.

The following is the amendment to the By-Laws as approved:

We move that the By-Laws of our Corporation, Section 10, "Eligibility," printed in the 1981 Central Texas Conference Journal, page 178, be amended by adding No. 3, which will read: "To retired ministers or their spouses who do not now own or are buying a living unit."

Edis R. Sluder, Superintendent

TEXAS UNITED METHODIST COLLEGE ASSOCIATION

Greetings from the Texas United Methodist College Association and the seven United Methodist colleges and universities in Texas: Huston-Tillotson College, Lon Morris College, McMurry College, Southern Methodist Southwestern University, Texas Wesleyan College, and Wiley College. On behalf of all seven institutions, I thank you for your support during the last year.

The Central Texas Conference contributed $200,340.00 to the Association in 1984, which was more than the amount apportioned of $200,287.00 The Conference also paid $83,647.00 to the Black College Fund, 100% of the apportionment of $83,647.00. The Central Texas Conference is the only Conference in Texas to pay 100% of apportionments; we congratulate you and commend you These funds are very important to our institutions; most of the money goes to pay financial aid to enable students to attend our colleges and universities, so the funds are even more important to the students!

Within one year after the first official Methodist missionaries were sent to Texas in 1836, the Methodists of Texas had established academies for the education of their young, and by 1840 they had chartered and opened the first college in Texas, Rutersville College. One hundred and forty years later, in the fall of 1984 our seven colleges and universities enrolled 14,588 students. They had endowments exceeding 278 million dollars and their physical plant assets exceeded 380 million dollars. To me, an even more impressive figure is the fact that over 60% of the students in our institutions in the fall of 1984 received financial aid!

Two hundred years ago, not long after the Christmas Conference of December, 1784, Bishop Francis Asbury wrote to all the Methodists in America and in his letter urged them to establish a school near every church..."to give the Key of Knowledge in a general way to your children, and those of the poor in the vicinity of your small towns and villages." It is important that we pay heed to Asbury's admonition in our circumstances today, as our fathers did in the varying circumstances of their time. Your apportionments help our church-related colleges and universities to do so.

Through the past two centuries, the major themes of highed education related to the Methodist Church have been (in the words of the National Commission on United Methodist Higher Education):

> "Education should be available to all people, regardless of social standing, ethnic identity, or gender. Education should appropriately relate faith and reason. Education should help individuals make full use of their capabilities and experience for service. Therefore, liberal and classical learning is critical along with professional and vocational training and neither is subservient to the other. Education should aim at high standards of student achievement based on a deep concern for what is best for the person."

Stated more succinctly, the single dominant theme has been loving God by meeting human needs in education, particularly unmet human needs. Your financial support helps us continue this worthy tradition!

We need your support in another way, too, namely to spread the word that our colleges and universities want to educate more United Methodists! While it is true that our institutions "cost" more than state-supported institutions (i.e., the tuitions must be higher because we do not receive a state apporpriation), it is also true that many persons can attend our institutions and it will not "cost" them much if any more than many state institutions (because of financial aid that they may receive.) It depends on a variety of factors. We will appreciate your help in encouraging prospective students and their parents to get in touch with the Admissions Offices and our institutions to see what arrangements can be made for them to attend one of our institutions.

Joe E.Elmore, President

PERKINS SCHOOL OF THEOLOGY, S. M. U.

The summer of 1984 was productive as Perkins School of Theology at S.M.U. received three large gifts and the Jurisdictional Conference voted to accept "Fair Share Goals" for theological education jointly for Perkins School of Theology. An anonymous $1 million gift was received to support Bridwell Library operations. Longtime faculty member James Seehorn Seneker named Perkins beneficiary of income from a trust in support of a Christian education professorship, programming and scholarships for M.R.E. students. A bequest from the estate of Gertrude Thompson has been used to establish an endowed fund for M.S.M. students.

"Fair Share Goals" are being accepted by Annual Conferences in the Jurisdiction for endowments to further strengthen scholarship aid for students, to endow the Perkins Intern Program, and to enhance the Perkins Continuing Education program.

With enrollment last fall at an all-time high of 524 students, Perkins commits the highest dollar amounts of all United Methodist seminaries to student aid for all purposes, with over $1 million paid out. Tuition charges for the typical student enrolled full time were $3,800, with average scholarship support of $1,900. These figures do not include fees, room and board, books, or personal expenses.

The Perkins Alumni Loyalty Fund has continued significant growth, with a national phonathon and an active campaign among graduates which is expected to exceed the 1984-1985 goal of $75,000. Four years ago, the drive netted just over $29,000. Rev. Kelly Williams, senior pastor at Chapelwood United Methodist Church in Houston, is this year's Loyalty Fund chairman.

In the second year of the new curriculum, reactions have been generally positive. The question about time required for graduation from Perkins was addressed in a survey showing that 87.5% of Perkins students completed their work and graduated within four years. Five persons in this class elected to take longer for various reasons, such as our residency program the British Methodist Conference. Eighty percent (80%) of our students elect to take a full year's internship, explaining the extended time for degree completion.

Joining the staff this year were the Rev. Beverly Sawyer from Little Rock, Arkansas, Associate Dean for Community Life, and Mr. Jim Lewis from Dallas, Director of Perkins Development. De. Stanley J. Menking from Drew University became Director of Continuing Education and the Doctor of Ministries program, and Dr. David Maldonado from Arlington, Associate Professor of Church and Society, accepted that faculty appointment in early 1985. A specialist in gerontology, who has worked particularly with aging in the Hispanic family, he is Chair of the Texas Governor's Coordinating Council on Health Delivery Systems for the Aging. Dr. Richard P. Heitzenraer was named Albert Cook Outler Professor of Wesley Studies effective September 1, 1985. In addition, he continues as Director of the Bridwell Library Center for Methodist Studies.

Active worship life in the community, with three regular daily services and the second year of formation groups, to which each first-year student is assigned, have enriched the Perkins community. In addition to the study program, an outstanding series of convocations and workshops have centered on "The Practice of Ministry." Emphasis Weeks for Women, for Hispanics, the Black Seminarians, and International students have been added dimensions to training for the ministry at Perkins. Dean James E. Kirby,

SOUTH CENTRAL JURISDICTION

1984

Nineteen hundred eighty-four marked the closing of one quadrennium and the beginning of another. Persons with responsibilities for 1980-1984 quadrennium were completing their work and making recommendations for the new quadrennium. General Conference met and left for all units of the church suggestions and challenges for ministry. Leadership training opportunities were designed to support and give helps to annual conference, district and local church leadership.

Many responsibilities were assumed by various leaders of the Jurisdiction during the Jurisdictional Conference session meeting in July of 1984. Three new bishops were elected at this conference: Bishop J. Woodrow Hearn, Walter L. Underwood and Bishop Richard B. Wilke.

A very successful rally and workshop experience was provided by the leadershipi of the Jurisdictional Youth Committee. Approximately 2,000 young people and their counselors participated in "Reclamation '84," held at Kansas City, Missouri.

The Joint Training Event was held with all of the general boards and agencies of the church providing leadership. The purpose of this event was to give helps and direction to persons assuming responsibilities in their respective annual conference for the new quadrennium.

The Volunteers in Mission program has attracted interest across the Jurisdiction. A number of work groups, especially youth groups, are making plans for ministry during the summer months of 1985.

Annual Conferences have been supportive of the Jurisdictional Fund. Seven conferences paid "in full" their apportionments for the calendar year 1984. Ninety-four point four percent (94.4%) of the total apportionments was paid, the total amount being the largest given of any year in the Jurisdiction. Of the $205,000 apportioned for the Jurisdictional Administration Fund, $139,584.63 was paid. Dr. Luther W. Henry, Sr. has represented the Central Texas Annual Conference on the Jurisdictional Council on MInistries, and Mr. Bill Palm has served on the Jurisdictional Council on Finance and Administration. We are grateful for their work and support.

I would like to express my appreciation to many people across the Jurisdiction for the support and work during the time of my service as the Jurisdictional Executive Director. The position has multiple responsibilities that touch all ministries of the church. I would like to commend to you Dr. Earl B. Carter who has been selected to serve as the new Executive Director on my retirement. You will find him knowledgeable and dedicated to the various ministries of the church.

UNITED METHODIST WOMEN

The history of the Methodist Church would not present a true historical picture without including supportive contributions of the women. The portrait of the future of Church and Society must also envision the women continuing to accept the challenge of being in mission. We know that being in mission means more than sending missionaries, it is ministry in the name of Christ wherever it is needed. United Methodist Women understand that mission is twofold: to others and to ourselves.

At the conclusion of the year 1984 the seven Districts of Central Texas reported a membership total of 10,715 members which indicates a small increase. This Conference of United Methodist Women sent $189,279.22 to the Women's Division and retained $45,578.00 for administration and development in the Districts and Conference.

Opportunity of learning and development for our Conference women began as Conference Officers led the Training Classes for the District Officers. This was a new format because the event was held in a Local Church.

We sent six officers for New Officer Training to New York and two members received training in Chicago for Nominating Committee work.

Additional educational and spiritual enrichment events include a Financial Interpretation Workshop at Glen Lake March 15, 16, and 17, with a team from the Women's Division providing leadership. All Conference Officers and five designated District officers were in attendance pattern.

A Conference-wide Day Apart offered to all women of Central Texas was held March 23 at Glen Lake.

Of major importance, an ecumenical event was held March 29-30, World Federation of Methodist Women state-wide seminar to promote better understanding of our sisters in mission.

The Coordinator for Christian Social Involvement received an invitation to attend the Congressional Impact Briefing in Washington, D.C.

Since we are still celebrating the Centennial Era, we have a membership emphasis one-day event in three locations over the Conference called "Catching the Vision.....Called to Grow."

A new leadership development program is being launched by the Women's Division. The purpose is to create a deeper understanding of mission and to strengthen leaderhip skills among the District mission team members.

The year 1985 is seeing a variety of changes and some experiments. For the first time all three levels of United Methodist Women (local, District and Conference) assumed the duties of their office on January 1.

Another change is holding the Conference School of Christian Mission in two locations-the weekend School at Georgetown on July 12-14 and the midweek School at T.W.C. in Fort Worth on July 16-19. The studies are Daniel, Caring for God's Earth, and Native People of North America. Our Schools of Mission are a cooperative effort of United Methodist Women and the Board of Global Ministries. Any person interested in learning more about mission and United Methodist Women is invited to attend one or both of the schools. Child care is provided.

We look forward to a highlight of our year, the Annual Conference Meeting on October 5, 1985, in Stephenville, and extend a special invitation to each person here to join us.

The United Methodist Women are in mission and are always eager to share their time and efforts in any functions which are essential to the growth and well-being of the total church.

UNITED METHODIST MEN

The United Methodist Men of Central Texas Conference sponsored The Conference Men's Retreat August 10 and 11, 1984. Mr. Art Husband spoke on Friday evening, August 10 and Dr. Ronald Ballard brought three stirring messages on Saturday, August 11. The theme for the weekend was "Get Involved." Attendance was about 140.

United Methodist Men of Central Texas Conference have joined the National United Methodist Men thrust of enabling and organizing Scout units (GSA, BSA, Cubs and Explorer Posts). The UMM Conference Scout representative is Mr. H. D. (Bones) Keller of Bedford, Texas.

The thrust for 1985-86 will be the continuing emphasis of a United Methodist Men's unit in every charge. The theme title is "Where Two or More Are Gathered." Further organizing at the district level is necessary to bring United Methodist Men to the level of service and mission that the organization should occupy in the Central Texas Conference.

Plans are being made for the Summer Men's Retreat, August 9-10, 1985.

COMMITTEE ON PLANNING AND RESEARCH

Recognizing the fine line that exists between "failing to plan" and planning overkill, the Committee on Planning and Research intends to focus upon a specific area of need for the upcoming year. Each segment of our Annual Conference is engaged in extensive short-term and long-range planning for the future. An observed need for coordination among the bodies of the Annual Conference will be addressed by the committee for the upcoming year.

LAY SPEAKING ACTIVITY - 1984-1985

The 1984 General Conference adopted legislation establishing two categories of lay speakers. Formerly only one category existed. In doing so the General Conference created circumstances which require additional clarifying direction from the Annual Conference.

On March 9, 1985, the Conference and District Directors of Lay Speaking met to discuss the problems inherent in this bi-level program. Our meeting produced the following findings and recommendations.

FINDINGS

1) There are two categories of lay speaker. A Local Church Lay Speaker serves within the congregation or charge where he or she is a member. A Certified Lay Speaker serves at cluster, district or conference levels in addition to serving the local congregation or charge.

2) The training requirements for each category are different. A Local Church Lay Speaker must complete only the basic training course required of all lay speakers. Anyone seeking status as a Certified Lay Speaker must also complete an advanced course prior to being approved.

3) Approval of status for each category is also different. Each applicant must submit a written request to his or her authorizing entity. For a Local Church Lay Speaker, the Administrative Council/Board of Charge Conference is the approving body. A Certified Lay Speaker must be recommended through the local church approval process, then appear, if circumstances warrant, before an appropriate committee. This committee may be either at the conference or district level.

4) Renewal of status is required for a Certified Lay Speaker. This renewal must be accomplished annually. The four elements of the recertification process require the candidate to:

a. Make application for renewal.
b. Submit an annual performance report to his or her charge conference and to the appropriate committee.
c. Be recommended by the pastor and the local church administrative body or charge conference.
d. Complete at least once every three years an approved advanced course.

5) There is no provision or requirement for annual renewal of status as a Local Church Lay Speaker. This designation is the sole responsibility of the local church.

Recommendations:

1. The Committee on Lay Speaking (Committee) as defined in Paragraph 276.1 of the Book of Discipline 1984 shall be established at the District level of authority.

2. The Committee shall be composed of, at least, the District Superintendent, the District Director of Lay Speaking (and Associate if applicable), the District Lay Leader and the Conference Director of Lay Speaking. Additional members may be added at the discretion of the district.

3. The Conference Director of Lay Speaking will have full voting authority as a member of the Committee. Overview and coordination of the programs shall continue to be a responsibility of that office.

4. The District Director of Lay Speaking shall be chairperson of the Committee with the responsibility for administering the Lay Speaking Program within the district.

5. The Committee shall meet at least once each year, preferably after the completion of the applicable district's charge conferences, to act upon all requested certifications and recertifications. Additional meetings shall be held as determined necessary by the Chairperson or warranted by circumstances.

6. Pastors and District Superintendent shall be encouraged to utilize the talents and dedication of all lay speakers, local and certified, to the fullest degree possible. Lay Speakers commit themselves to witnessing to the Christian faith through spoken communications, church and community leadership and care-giving ministries. Their commitment as lay persons must be nurtured by the clergy to the benefit of spreading the Good News of the Christian faith.

Arthur C. Husband
Conference Director of Lay Speaking

BISHOP WILLIAM CLYDE MARTIN

July 28, 1893 **August 30, 1984**

On Tuesday, September 4, 1984, the family and a large number of friends gathered in the sanctuary of the First United Methodist Church of Little Rock, Arkansas for the service of worship in memory of Bishop William Clyde Martin whose death on August 30 removed from the Council of Bishops the last number to have been elected by a General Conference. We came together to praise God for His wonderful works, and, on this occasion, to praise Him especially for the life and ministry of Bishop William Clyde Martin.

Sixteen bishops were among those present for the service. Ben Oliphint read the opening sentences and made the statement for the South Central Jurisdiction College; Kenneth W. Hicks gave the invocation; W. McFerrin Stowe read the Old Testament Lesson, the 23rd Psalm; Paul V. Galloway offered the pastoral prayer; Paul W. Milhouse read the New Testament Lesson, Romans 8:18-25; Dr. Clint D. Burleson made the statement for First United Methodist Church; James S. Thomas, President of the Council of Bishops, made the statement for the Council of Bishops; Roy H. Short gave a personal recollection; O. Eugene Slater gave the message; Lance Webb offered a prayer and a reading, Tennyson's "Crossing the Bar"; Richard B. Wilke gave the benediction.

Once in a long while one lives among us in such manner as to shame our littleness, inspire us to nobler living, assure us that we are God's handiwork, strengthen our resolve to walk in the pathway of righteousness, and bear witness to the truth that, in spite of all evidence to the contrary, "The Lord God omnipotent reigneth."

William Clyde Martin was born in Randolph, Tennessee, July 28, 1893. He was a student at the University of Arkansas in 1913, 1914. He graduated from Hendrix College with the B.A. degree in 1918. He served in the Army Medical Corps in World War I. In 1919 he attended the United Free Church College, Aberdeen, Scotland. In 1921 Southern Methodist University's School of Theology conferred the Bachelor of Divinity degree upon him. Honorary degrees were given Bishop Martin by Nebraska Wesleyan, Baker University, Southern Methodist University, Central College, Hendrix College, University of Denver and Texas Christian University. SMU's Alumni Association honored him with the Distinguished Alumnus Award in 1952.

On July 1, 1918 he was married to Sally Katherine Beene. To this union were born three children, Donald Hankey, Mary Catherine and John Lee. His wife and children survive him; also nine grandchildren and seven great grandchildren.

Bishop Martin's pastorates included Grace Church, Houston, 1921-1925; First Church, Port Arthur, 1925-1928; First Church, Little Rock, 1928-1931 and First Church, Dallas, 1931-1938.

William Clyde Martin was elected to the episcopacy at the last General Conference of the Methodist Episcopal Church, South, meeting in Birmingham, on May 3, 1938. He was assigned to the Pacific Coast Area of the M.E. Church, South, where he served until the Uniting Conference in 1939, at which time he was assigned to the Kansas-Nebraska Area of the Methodist Church. He was the episcopal leader of this area until 1948; the South Central Jurisdictional Conference of this year assigned him to the Dallas-Fort Worth Area which, at that time comprised the Central Texas, the North Texas and the Northwest Texas Conferences. In 1960 the Northwest Texas Conference was included in another area. Bishop Martin presided over the Dallas-Fort Worth Area until his mandatory retirement in 1964.

Bishop Martin served the church well in many important positions. He was named chairman of the "Advance for Christ and His Church" for the 1948-1952 quadrennium. He held membership in the boards of Evangelism, Education and Missions. He was president of the World Division of the Board of Missions, 1960-1964. He was an active participant in the

formation of the World Council of Churches in Amsterdam in 1948, and he held membership on the Council of the Churches of Christ in the U.S.A., 1952-1954. His participation in, and dedication to the conciliar movement at every level was constant. He was President of the Council of Bishops, 1953-1954. His trusteeships include Southern Methodist University, Southwestern University, McMurry College and Methodist Home. His episcopal colleagues chose him to write and deliver the episcopal address at the 1960 General Conference in Denver.

Following retirement in 1964, Dean Joseph D. Quillian, Jr. invited Bishop Martin to be Bishop-in-Residence at Perkins School of Theology. Here he taught Methodist Polity and Discipline.

At the beginning of his episcopal career our colleague asked himself:

How can I increase my stature?

How can I keep my body in fit condition?

How can I enlarge the borders of my mind?

How can I help my soul to grow?

Through spiritual discipline, physical exercise - largely walking, the constant reading of great books, and careful writing, he found answers to these basic questions. "And he grew in wisdom and stature and in favor with God and man." He was teacher, preacher, author, administrator, and always a brother beloved. Numerous articles and two books, "To Fulfill This Ministry" and "Proclaiming the Good News," are products of his faith and wisdom. Upon his retirement in June 1964, Bishop Martin said, "If I am to confess to the activity that has given me the greatest degree of satisfaction I must say that it has been the preparation for preaching and the joy of giving to a congregation, large or small, the good news of God's mercy and grace."

Bishop Martin understood the human condition. He knew that a woman or man, separated from God, is less than human; but that a person joined to God through Jesus Christ is capable of fulfilling God's purpose and achieving the destiny God intended for his children.

Bishop Martin always appeared as able and adequate for every responsibility entrusted to him. He did his work without complaining. He faced criticism without striking out against his critics. In his response to the tribute paid him at retirement by his beloved colleague, Bishop Paul E. Martin, he said, "I have a strong belief that the church is going to recognize more fully its responsibility to interpret and demonstrate the will and mind of Christ in all areas of human relations."

Bishop Martin's acceptance of, and obedience to Jesus Christ was the primary element of his faith and practice. The Arkansas Methodist of May 19, 1977 records an interview with Bishop Martin. In answer to the question directed to him, "If you had one sermon to preach what would be your theme?" Bishop Martin said, "Jesus is Lord." This was the theme of his life and ministry. In William Clyde Martin the Wesleyan challenge that we unite the two so long divided, knowledge and vital piety, found consistent and redemptive expression.

We join with his dear wife, Sally, his children, Donald, Catherine and John, and his grandchildren and great grandchildren in acknowledging our loss. But with his family we unite in praise and thanksgiving to Almighty God for the life and Christian witness of William Clyde Martin. And together we shout "Hallelujah! The Lord God Omnipotent reigneth."

REVEREND PAUL WITCHER UTLEY

June 16, 1891

December 13, 1984

Paul Witcher Utley, one of seven children, was born June 16, 1891, to William Witcher Utley and Edmonia Alice Utley in Fort Worth, Texas.

Paul was admitted to the Central Texas Conference on Trial in 1923, ordained as Deacon in 1925, and Elder in 1927. His appointments included Nolanville, Kerens Circuit, Corsicana, Mexia, Graford, Bangs, Blooming Grove, Waco and Fort Worth.

His most rewarding work, he felt, was at Wesley Waco. His compassion and love for the less fortunate children suffering from the depression years directed his talents in establishing a vacation church school for the entire summer months for four years. The church building was used, but funding was secured from the business sector of Waco. The children received instructions in Bible study, crafts and music; also milk was supplied in the mornings and a complete balanced noon meal for the 200 to 250 children each day. Trained workers were furnished by the NYA and WPA government program, but the administrative duties were Paul's responsibility. Many letters of commendation were received from public school administrators, local business persons, and other churches in the area.

During his leave of absence from the Conference, Paul continued to use his ministerial talents while working as Director of Safety and Training for the MKT Railroad. In many ways his work there was parallel to that of an Industrial Chaplain.

He was called upon by the Presbyterian body of Dallas to assist in the establishment of a church in the Pleasant Grove area. He accepted this challenge and was minister in charge, working every weekend, for some two years. Bishop William C. Martin gave his

blessings on this work and also commended his work performed with the MKT Railroad.

Death came on December 13, 1984, and funeral services held in Dallas, Texas on December 17, 1984, with Bishop Robert E. Goodrich, Jr. and Dr. Walker L. Railey officiating. Burial was in Oakwood Cemetary, Waco, with Dr. H. Loyd Brown officiating. He is survived by wife, Fay; daughters - Willette Lawrence, Fort Worth; Margie Ann Garrison, Odessa; Nancy Marcus, Dallas; 14 grandchildren; 18 great-grandchildren; and a brother, W. C. T. Utley, Fort Worth, Texas.

Paul's goal in life was "Help Somebody Today." Wording he had place on his gravestone - Gloria in Excelsis Deo Nunc Dimittis.

REVEREND J. W. WHITEFIELD

August 28, 1902

October 6, 1984

Rev. J. W. Whitefield was a native born Texan, having been born in Waxahachie on August 28, 1902. In 1928 he completed his collegiate education, graduating from Trinity University and entered the membership of the Central Texas Annual Conference from which he retired in 1965. In 1929 he married Osce Davis of Waxahachie.

J. W. received his first appointment as the pastor of the Waco Circuit and in successive years he was appointed to the following: Ireland and Jonesboro, Oglesby, Blooming Grove, West, Moody, Midlothian, Comanche, Coleman, Temple First, the Weatherford and Brownwood Districts, and Mineral Wells First.

He had a great love for his annual conference and The United Methodist Church. This love was evident in his leadership within the Central Texas Conference. As a superintendent, he was extremely loyal to the ministers, often helping them out of his own personal funds. At the same time, he was genuinely concerned for the welfare of each church, striving to send them the most qualified and caring minister he could possibly provide.

His greatest love, however, was people in general. In the true spirit of the Christ he served he was always sensitive to the hurt and despair which people were feeling although they might be on the other side of the globe. Through his finanacial resources and his own personal energy he sought to do "for the least."

J. W. was a pastor who loved the simple things of life - family and friends, the outdoors, and a good fishing trip to the coast. It was while on a fishing trip that he became ill and had to return to Arlington for surgery to which he succumbed.

Funeral services were held on November 8, 1984, in the sanctuary of the First United Methodist Church of Arlington and his body was laid to rest in a quiet cemetery on the western outskirts of Waxahachie. He is survived by his wife, Osce; his daughter, Mrs. Bill (Lila) Atkins; two granddaughters, Elizabeth Atkins Pirkey and Suzanne Atkins; and three sisters, Rheda Mae Maxwell, Alice Medford, and Myrtle Morris. Others who mourn his passing are pastors and lay people of the conference who were touched by his warmth and were the recipients of his tenderness.

REVEREND LUCKIE ELDER MUSE

December 31, 1888

December 8, 1984

Reverend Luckie Elder Muse was born to Mr. and Mrs. Jerry Muse of Luling, Caldwell County, Texas – the eighth child of seven boys and one girl. He was educated in the public schools of Luling and was converted at the age of twelve.

Luckie married Miss Maudie Branch and together these two served God seventy-one years. Four years following marriage Luckie answered the call to preach and set out to prepare himself for an effective ministry. This journey took him to Gammon Theological Seminary where he completed his theology degree. His ministry included appointments at Wichita Falls, Pelham Circuit, Mexia Circuit, Denison, Mt. Zion (Waco), Warren Chapel (Dallas), Jacob Chapel (San Antonio), St. James (Waco), Wesley Chapel (San Angelo), Jones Chapel/ Wesley (Waco).

This ministry was highlighted in the building of several new church facilities and receiving more than two thousand members into the life of the church. At the time of his death, Rev. Muse was ninety-four years of age. He served, saw, lived through, and ministered within much changing history, customs, wars, depressions, successes and defeats. This only served to deepen his faith and resolve to proclaim the truth of God through the Gospel of Jesus Christ.

Memorial services were held at Wesley United Methodist Church, Waco, on December 14, 1984. The Reverend Roger Woods officiated assisted by Bishop Ernest T. Dixon (Southwest Texas Conference) and Reverend James E. Shuler, Superintendent, Waco District.

REVEREND HALDOR DUNCAN

September 16, 1914

February 3, 1985

Haldor "Hal" Duncan is honored and remembered by family and associates as a "unique" man of God with unique gifts and graces.

Born on September 16, 1914, Hal entered into a life that held a variety of pathways and professions. Twenty years of his life was spent in active service to his country as a member of the U. S. Navy. This was followed with another career as a computer programmer in industry. It was during this time that Hal answered the call to preach and prepared himself as a Full Time Local Pastor.

Hal's ministry in the Central Texas Conference was marked by a tireless energy and pastoral concern for people. His varied background provided him with a straight forward ability to converse with people in all levels of life. He was likely to be present at the town rodeo, Ministers Weeks at SMU, the Dallas Symphony, or traveling to distant places. Within all of life he was able to apply the ministry. He desired to live and proclaim.

Hal referred to himself as the "most retired person you ever met." This may be true as far as professions go; however, he never ceased his ministry - we are the stronger for that.

Hal died on February 3, 1985. He is survived by his wife, Margaret Hill Duncan, His daughter, Margaret Ann Kennedy, and his sister, Mrs. Joseph Nelson. His life was celebrated on February 5, 1985 at First United Methodist Church, Clifton; Reverend Johnny Miller and Reverend James E. Shuler officiating.

REVEREND GEORGE FRED SILER

November 29, 1885

May 25, 1985

George Fred Siler was born November 29, 1885 near Batesville, Arkansas. He lived a vigorous and eventful life in faith until his death on Saturday, May 25, 1985 just six months prior to his 100th birthday. His death occurred after a brief illness aggravated by a single-vehicle automobile accident in which he was the injured driver. Funeral services were held at First United Methodist Church, Moody, Texas with burial in Moody Cemetery on Tuesday, May 28, 1985. Officiating ministers were James Johnson, pastor of First United Methodist Church, Moody, and Homer R. Kluck, District Superintendent of the Temple District.

One of nine children he moved with his parents to the Stampede Valley five miles west of Moody, Texas near the turn of of the century. Nearby was Stockton Chapel Church where George first attended as a child in the year 1900. He was converted as a young man at a camp meeting revival. Years later Brother George, as he was more familiarly known, became pastor of Stockton Chapel Methodist Church. He served that church as pastor for 55 years until the time of his death. Earlier after his call to preach in 1914 he was for ten years a lay evangelist. As lay pastor in the Methodist Church he served churches at Flat, Pearl, Kenner Chapel, Topsey and Brown's Chapel. But Stockton Chapel always

drew him. Fifty years ago he and two carpenters built the present building from lumber salvaged from an abandoned schoolhouse. The building stands as a symbol of his ministry to that congregation

Brother George was married to his first wife, Ruth Meador, in 1910. Following her death in 1969 he was married to Evarene Siler in 1970. Evarene survives him in death along with several nephews and nieces.

Many people remember Brother George as a pioneer preacher/evangelist. His first love was preaching. He once remarked "I'll preach the Gospel until I die even if I have to do it in a rocking chair." The rocking chair was never necessary because he maintained amazing mental, spirtual, and physical vitality until the time of his death.

LUCY LEE FOOTE

December 16, 1903 **April 14, 1985**

The very mention of someone's name whom we know quite well brings numerous pictures to our minds. The moment I say "Lucy Lee Foote," you think of so many marvelous qualities. She was a thoughtful, caring, compassionate person. Her life was spent in devotion to her family and the church. Gaston Foote, to me, has rendered one of the most marvelous services to the church with his preaching, especially in terms of social consciousness. He was the public figure, and he would be the first to say that with him was Lucy Lee. There is no way of knowing how many supportive, unassuming, marvelous ways she has served her church.

Lucy Lee had a natural honesty that was almost disarming and it helped us to see ourselves more clearly. Lucy Lee made a great contribution to the church, but even more than that, she made a loving contribution to the church, but even more than that, she made a loving contribution to so many of us personally. - Barry Bailey

The Trustees of the Conference shall recommend to the next session of the Annual Conference the disposition of any remaining proceeds.

EQUITABLE SALARY PROGRAM

There shall be a program of Equitable Salary Support in the Central Texas Conference under the management of the Commission on Equitable Salaries and Clergy Benefits. This program shall be patterned after paragraph 935 of the 1980 **Discipline**. Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Salary Program.

1. The Commission recognizes the necessity of coordinating all salary subsidy; therefore, the Conference Treasurer shall inform the Commission of any salary grants by other Conference or General Church agencies, so it may coordinate salary grants with such agencies. Any pastor receiving such grants and whose salary is still below the Conference minimum shall be eligible for consideration of salary supplements through the Commission on Equitable Salary and Clergy Benefits for that portion not covered by any other sources.
2. A prerequisite for consideration of salary supplements from the Equitable Salary Fund shall be the filing with the Commission a written application by the District Superintendent. The District Superintendent shall certify classification of the pastor and the salary (salary, travel, and utility) set by the charge. The application form will be supplied by the Commission.
3. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro rata basis for the part of the year actually served.
4. The following conditions must be met by the pastoral charge before its pastor can become eligible for consideration to receive salary supplements from the Equitable Salary Fund.

If any exception under paragraphs 4 or 5 is sought, the request must be endorsed by a 2/3 vote of the Cabinet before it can be considered by the Commission.
6. Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 1982, with following years based upon percentages of the average salary of the Conference. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in pastoring the charge. For example, if the pastor is deemed as serving 1/4 of full time his minimum salary eligibility would be 1/4 of the minimum of his Conference relationship classification. The categorized 1/4, 1/2, 3/4 will be followed in determining less than full time eligibility for salary supplements from the Equitable Salary Fund.
8. Seminary students who are serving pastoral charges and receiving Equitable Salary Supplements, are eligible to receive $2.00 per mile, one way, one time per year, for the distance from the seminary to the pastoral charge. COMMITTEE ON SUSTENTATION

Report No. 1

OPERATIONAL PROCEDURE FOR SUSTENTATION
Plan of Operation

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of the Executive Committee of Board of Pensions.
   This committee will have charge of and promote all the interests of the Sustentation program and shall be the determining factor in the final approval of any candidate for participation in this program.
2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.
3. We recommend further that the following shall be eligible for participation:
   1. All ministers of the Central Texas Conference who have been admitted on trial, or have been received into full connection, provided they have not reached the age of voluntary retirement, which is sixty-five (65) years of age.
   2. An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in Central Texas Conference.
   3. Any minister, meeting the above requirements, who is relieved of his pastoral duties and granted a leave of absence from his charge by the Bishop and Cabinet any Conference year for physical or psychological reasons shall be eligible for sustentation for the portion of the year that remains until the next meeting of the Annual Conference.
4. We recommend the following procedure:
   1. The applicant shall make his desire known, in writing, to the Committee on Sustentation.
   2. The applicant must submit to a complete examination of the Clinic of The Harris Hospital in Fort Worth, Texas and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number eight (8) of

the Certificate of Disability which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"

3. In extreme emergencies, the Committee will consider the diagnosis and recommendations of a duly qualified physician, but not the claimant's personal physician.

4. When the applicant is approved by the Committee, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With the approval of the Committee on Conference Relations and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.

5. We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.

6. All payments shall be made to the claimant monthly.

5. We recommend the following financial plan:

1. The Committee shall be given authority to draw upon the Operating Reserve Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested price.

2. After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the Council on Finance and Administration for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if the plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

Members of the Council on Finance and Administration CENTRAL TEXAS CONFERENCE of the UNITED METHODIST CHURCH Fort Worth, Texas

I have examined the Summary of Cash Receipts and Disbursements of W. M. Greenwaldt, Secretary-Treasurer, Central Texas Conference of the United Methodist Church, for the year ended December 31, 1984. My examination was made in acaccordance with generally accepted auditing standards, and accordingly, included such tests of the accounting records and such other procedures as I considered necessary in the circumstances.

As described in Note 1, the Central Texas Conference's policy is to prepare this summary on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present results of operations in conformity with generally accepted accounting principles, since such accounting principles require the accrual of income and expenses.

The Supplementary Information included in this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of my examination was limited to a review on auditing procedures with regard to the Supplementary Information, except to confirm the balances shown.

In my opinion, the accompanying Summary of Cash Receipts and Disbursements referred to above, present fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year then ended, on the basis described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.

BOARD OF ORDAINED MINISTRY

1985 REPORT

Introduction

This first year of the new quadrennium has been spent by the Board in organizational, policy and qualifications issues. We have restructured the Board in order to better serve persons who are entering the process of qualifying for ministry in the United Methodist Church. In the coming year this will mean a closer relationship between the Board and the District Committees on Ordained Ministry. The purpose of this area of work is to help each person feel support and continuity in the process as well as keep track of persons in their progress from beginning to end. Future developments in this area involves a centralization of our files and a computerization of lists and information to keep more comprehensive records. The Board has also reviewed the 1984 Discipline and the policies of the Board established over the last several quadrennia. This has resulted in this year's reports attempting to pull together policy statements in an inclusive manner for your use in the year to come. In the third area of our work we have included in our reports this year lists of qualifying steps necessary for each stage of the process in qualifying for ministry in this conference. It is suggested that this section of your Journal be used by candidates as a guidebook for policy statements of the Board and for researching the Discipline as they seek to qualify for particular steps in ministerial relation to this conference. It is also hoped that the reports to follow and the lists of qualifying steps will assist ordained elders, local churches, district superintendents and others in guiding persons into ordained ministry in our conference.

Other issues which are before the Board for consideration in the coming year include dialogue with the Board of Diaconal Ministry and study of the Quadrennial Study on Min-Ministry, development of a comprehensive survey of supply and demand issues in ministry in our conference, evaluation/assessment, women and clergy couples in ministry in our conconference, legal and liability issues facing the Board, comprehensive policy on Board files and records. We covet the prayers of the entire conference as your Board seeks to fulfill its role in ministry in our conference.

This report of the Board's work for 1984-1985 is submitted to the Annual Conference to which it is directly responsible:

Report No. 1

MINISTERIAL CONDUCT

The Annual Conference of 1972 adopted a set of "Guidelines for Ministerial Conduct" and mandated that they be reprinted each quadrennium, assigning the task of reprinting them to the Board of Ordained Ministry. The last time they were reprinted was in 1982. Therefore, the following is a reprint from the 1972 Journal, page 110:

The United Methodist clergyperson of today considers himself/herself a professional of equal stature with the other professionals of our society. This professional image is produced by the degree of educational attainment and the competency with which the clergyperson fulfills his/her responsibilities both within the Church and community. In view of this, the following GUIDELINES FOR MINISTERIAL RELATIONSHIPS are offered in an effort to provide the clergyperson with a definable boundry of conduct, with the intent and purpose being the strengthening of the bonds within the ministerial community, in order that all involved might render a more meaningful service within this ministry of love.

I. It is to be understood that the minister designated as "Pastor-In-Charge" (hereinafter referred to simply as "Pastor" and referring to that individual who has primary ministerial leadership responsbility while the term "minister" shall apply to any other clergyperson) shall perform or shall be in charge of all Sacraments, Acts of Worship and Rituals carried out within the parish unless circumstances prevent him/her from fulfilling this responsibility.
   A. A minister shall not perform any ministerial function for a member of a congregation without the express permission and direct personal invitation of the Pastor.
      1. If a family in a crisis situation desires the ministry of a minister other than the Pastor, said minister must be requested through the Pastor, who will arrange for his/her presence.
      2. In the case of funerals, weddings or other ministerial functions, if members desire the ministry of a minister other than the Pastor, said minister is to be requested through the Pastor, who will contact the desired minister.
      3. Visiting ministers will assist the Pastor in a manner mutually acceptable to the member family and Pastor. The Pastor will be in charge of the service, NOT THE VISTING MINISTER. However, the Pastor shall retain the right not to assume direct charge as a matter of personal preference, or if he/she deems such an action as pastorally unnecessary.
      4. The Pastor shall assume the responsibility for the fulfillment of all disciplinary requirements listed in Paragraph 438.2 of The Discipline (1980-"Duties Of A Pastor"), in those instances where a visiting minister is involved.
      5. When a family which is not a member of, or related to a local Church in their city calls a distant minister to conduct some ministerial function in a facility other than the local church, the minister out of loving care and concern, should contact the local Pastor before conducting the service.
   B. If a family contacts a potential visiting minister prior to consulting with the Pastor, the family shall be instructed by the potential visiting minister to consult with the Pastor, and no commitment shall be made until such a time as the visiting minister is contacted by the Pastor.
   C. If the Pastor is unavailable to minister to the needs of a family due to illness, vacation, or other extenuating circumstances, the visiting minister shall conduct himself/herself on the highest level of ethical behavior so as not to inpair or injure the future ministry of the Pastor.
   D. The Pastor is to inform the Funeral Director regarding all arrangements for a service.

II. While realizing that ministers tend to build meaningful and lasting relationships with persons and families within a parish, visits in a previous pastorate should be held to a minimum especially during the first year. In turn, no minister should make suggestions as to what should or should not be done within the program or policy of a local church of which he/she is not the Pastor.

III. Retired ministers should abide by the same rules of conduct established for visiting ministers. They should accept the responsibility for the performance of any of any ministerial function only upon direct invitation of the Pastor.

IV. In the interest of assuring a smooth pastoral transition, the outgoing Pastor has the following obligations to his successor:
   A. Introduce him/her in a postive manner, utilizing the church newsletter and other means which are at his/her disposal.
   B. Arrange for responsible Lay Persons to meet with and acquaint the new minister with his/her new parish assignment.

C. The outgoing Pastor should make it clear that the newly assigned Pastor will have the responsibility of ministering to the congregation, and that he/she will no longer be available for such services.

D. The outgoing Pastor shall explain to the local congregation, in a tasteful manner, the circumstances which produced his/her new assignment, i.e., if he/she had actively sought a new pastorate he/she should be honest enough to say so, or if he/she had agreed to a move which he/she had not sought this, too, should be explained.

E. In the area of finances:
   1. All church finances should be current and fiscal data file available for the new Pastor.
   2. A new Pastor moving to a new appointment following Annual Conference shall not receive salary, from the local church for service after May 31.
   3. It is the Pastor's responsibility to see that all funds are expended only for the purpose for which they are contributed.

F. All records should be in an orderly and up-to-date status.

G. The parsonage shall be vacated by noon on "moving day". The incoming Pastor should not arrive prior to noon. The outgoing Pastor shall work with the Parsonage Committee to see that the parsonage is thoroughly cleaned inside and out, and that needed repairs are called to the attention of the committee prior to his departure.

H. All utilities shall be paid through the departure date in those instances when the Pastor is directly responsible. In those instances where this creates a problem, the outgoing Pastor shall make arrangements with the incoming Pastor to pay his fair share.

V. If a Pastor is to be absent from his/her parish for an extended period of time, he/she should inform the congregation as to which minister(s) will be performing his/her pastoral duties. If no previous arrangements are possible due to sudden calamity, the District Superintendent should be consulted.

VI. The Pastor shall keep in confidence any priviledged information which he/she should obtain.

VII. A minister shall have those rights and priviledges of citizenship which are common to other citizens.

A. A minster may hold elective or non-elective public offices or honor and trust if there is no time conflict between the holding of such offices or positions and his/her relationship with his/her appointed ministry. The decision as to whether or not such a conflict does exist should be made by the minister in consultation with the Administrative Board (or equivalent governing body), the District Superintendent, and the Bishop.

B. A responsibility of the minister is to give leadership on moral and social issues; and his/her leadership should not be circumscribed by the congregation to which he/she is assigned except in those instances where there is a direct conflict with the Discipline. Because of this leadership role, the minister should familiarize himself/herself with character-building institutions, social and professional service institutions and governmental resources in the community.

C. In exercising citizenship rights and priviledges, the minister should follow these suggestions:
   1. Be careful to identify personal positions taken on public issues as personal positions.
   2. If he/she presumes to speak for his/her congregation, he/she should be certain that his/her position is supported by action of the Administrative Board.

VIII. Although it is recognized that a certain amount of competitiveness promotes a healthy spirit of effort between local congregations, no Pastor should make himself/herself party to an activity or undertaking which injures or detracts from the efforts of the Pastor of a nearby local church. A Pastor's discreteness at this point should forbear his/her calling upon members of a nearby church who are actively involved or scheduling programs or activities which tear down or hinder similar programs or activities of a nearby church. In short, local church pastors serving in immediate proximities should seek to cooperate and complement each other, rather than hinder or interfere with each other's programs.

The responsibility was given to the Board of Ministeries to see that the Guidelines for Ministerial Relationship be published in the Annual Conference Journal once each quadrennium and that a copy of the Guidelines for Ministerial Relationships be placed in the hands of each minister who transfers into this Annual Conference and each minister who is received into Probationary Membership of this Annual Conference.

POLICIES REGARDING CONFERENCE INTERN PROGRAM
Report No. 8

HISTORY

The Board of Ministry in the 1976 Annual Conference first proposed the idea of a comprehensive Conference Intern Program as one of the requirements of admission into Elder's orders and Full Connection in the Central Texas Conference. The 1976 Journal (pp. 101-102) provided the ground work for that program and the 1978 Journal (pp. 107-110) described the program in more detail and gave expectations for each participant in the program: the probationer, the pastor/supervisor, the lay committee, the District Superintendent, the program consultant, and the growth group consultant.

After seven years of experience with this program several new situations have arisen which caused and will continue to cause misunderstandings between the Board and probationers who participate in the program. While the two conference Journals cited above give detailed descriptions of the program, very little is included in those descriptions which guide the Board in its decision-making function in regard to probationers who do not fit the expected mold.

The only guidelines present in the Journals relates to those persons who have completed the Perkins Internship: "Probationers who have completed a 2-semester Perkins internship or equivalent internship, are exempt from most of the program. However, there will be aspects in which their participation will be required." The last sentence in that quotation apparently referred to a series of three to five day seminars in which the probationers would be introduced to the aspects of the Conference's life and work. It is questionable whether or not this particular aspect of the program was ever initiated. At least since 1980 most Perkins graduates who satisfactorily completed a two-semester internship (or its equivalent in another seminary) have been exempted from all aspects of the program.

In addition to this, the Board needs to address more completely the requirement for probationers who are in their second year of full-time appointment after seminary. The Conference Intern Program requirement has usually been fulfilled during the first year of full time appointment. The second year of full-time probation provides an excellent opportunity for continued growth for persons in process, but we have not yet developed a comprehensive program for this group.

This year (1984-1985) the Board has created two policies which need to be grafted on to existing structures and policies. First, the Board decided that a Conference Internship must be held within the bounds of the Annual Conference. Second, the Board decided that persons who come from other denominations must fulfill a one year's internship prior to their election to Conference membership. These two provisions lifted up the need for a comprehensive policy statement regarding the Intern program and, in the case of the second policy, may require a certain restructuring of program. For example, we need to deal with the questions of whether our current intern program provides the best structure for a

person who may have years of experience in the ministry of another denomination. We must remember that the program was originally designed for students fresh out of seminary training and in their first full-time appointment. The new policy may require more flexiblity in the design of "intern" programs for persons coming to us from other denominations.

The above history requires that we ask and answer some important questions about our future dealings with probationers during their full-time appointment years:

1. Do we wish to continue the policy of giving blanket approval of the 2-semester Perkins internship in most cases? Our current policy does not allow provisions that the internship must be served in a particular setting, i.e. a local congregation.
2. What provisions will we make for a greater emphasis on the second year of full-time appointment of a probationer?
3. What provisions will we make for the "internship" served by persons coming to us from other denominations?

To answer these questions the following policy and programatic suggestions are given.

POLICIES REGARDING CONFERENCE INTERN REQUIREMENTS

I. All probationers must make written application to the Board of Ordained Ministry prior to the first full conference year after they have graduted from Seminary. This application is specifically related to their participation in the Conference Intern Program.
   a. Application must include basic biographical data.
   b. Application must include a complete description of the internship that was served as a part of their seminary experience.
      1. Where the internship was served.
      2. Who the supervising pastor was.
      3. Was it a full-time position or was course work being taken while the student was employed as an intern.
      4. The name of the seminary sponsoring the internship.
      5. A complete description of the tasks performed by the intern in the setting.

II. The Intern Committee of the Board of Ordained Ministry will evaluate each application in the light of the following policies:
   a. A valid internship must be full-time and no course work may be taken during the time the student was employed in the setting.
   b. A valid internship must be at least 2 semesters in duration.
   c. A valid internship must be performed within the setting of ministry within a local church.
   d. A valid internship must have allowed the student a comprehensive opportunity to experience ministry in all aspects of the church's life and work: preaching, teaching, pastoral care, administration and the like.
   e. A valid internship must have contained supervision by a supervising pastor, a lay committee, a peer group, and a consultant from the sponsoring seminary.

III. If, in the judgement of the Board's Intern Committee, the student has met the above requirements, he/she will be relieved of the requirements of participating in the Conference Intern Program. That student, however, must meet the following requirements:
   a. They will assigned a supervising elder who will meet monthly with the probationer through-out the conference year.
   b. The agenda for these meetings will be set by the probationer and the supervising elder in light of the growth goals selected by the probationer.
   c. It will be the responsibilty of the probationer to meet quarterly with his/her District Superintendent to discuss their progress and growth.
   d. It will be the responsility of the probationer to meet with other first year, full-time probationers in at least four one-day seminars to be sponsored by the Board of Ordained Ministry. These seminars will speak to aspects of the Conference's life and work such as:
      1. A seminar on the appointment making process
      2. A seminar with the Conference Council staff on the Conference Program.

3. Seminars related to the institutional ministries of the Conference
4. A seminar dealing with the development of a program of continuing education for the first years of ministry.

e. At the end of this first year these probationers must submit for their files:
1. An evaluation by their supervising elder which reflects on the quality and content of their monthly meetings.
2. A statement from the District Superintendent relating to the probationers functioning as a pastor in his district.
3. A reaction paper from the probationer based on learnings from each of the one-day seminars. The papers must reflect the probationers attendance and participation in the event.

IV. If, in the judgement of the Board's Intern Committee, the student has not met the above requirements for an adequate internship, he/she will be required to participate in the Conference Intern Program. That program will include the following:
a. Assignment of a Supervising pastor with whom the student will meet in a supervisory session of 1-1 1/2 hours every week, dealing with a reflection document written by the probationer about an act of ministry in which he/she has been engaged. This can take the shape of a verbatim, process note, critical incident, or other if so agreed upon. Of a maximum of 26 supervisory sessions a total of 20 must be completed for the probationer year.
b. Creation of a lay committee in the probationer's setting with which monthly meetings will be held to assist and assess the probationer's progress in the church.
c. The probationer will actively participate in all district meetings and meet monthly with his/her district superintendent.
d. The probationer will create a Learning Covenant with the assistance of all involved parties which will guide the process of the intern year.
e. The probationer will participate in monthly peer group meetings with the consultant.
f. The probationer's progress will be evaluated in both mid-year and final evaluations involving members of the lay committee, the supervising pastor, the probationer, the growth group consultant, the program consultant, and members of the Board's intern committee, and the District Superintendent.
g. The student must sign a release making available to the Board of Ordained Ministry all pertinent materials from the final evaluation for the probationer's file.
h. The probationer must participate in the four one-day seminars offered during the year and prepare reaction papers based on learnings from each.
i. The probationers intern setting must be within the bounds of Annual Conference.

V. All second year probationers will be required to enter the following process:
a. They will be assigned a supervising elder with whom they will meet every other month during the second year of full-time probation.
b. The agenda for these sessions will be decided upon by the probationer and the supervising elder.
c. At the end of the second year the supervising elder must provide a written evaluation for the probationer's file.
d. The probationer must attend four one-day seminars throughout the year which will deal with various aspects of ministerial life and practice.
e. It will be the responsibility of the Board to design and implement these seminars.
f. The probationer must provide reaction papers based on each of these events for his/her file.

VI. All persons who apply to our Annual Conference for recognition of orders and conference membership must meet the following internship requirements:
a. They will be assigned a supervising elder with whom they will meet monthly for at least one year prior to their admission to the Annual Conference.
b. The content of these sessions will be based on United Methodist Doctrine, Polity, History, and life within the United Methodist ministry.
c. The Supervising pastor will take special care that the person be helped with the filing of annual reports, Charge Conference, and other procedures unique to our system.
d. These persons will also be required to attend the four one-day seminars designed for first year full-time probationers.

e. They will provide for their file a report from their supervising elder, and a reaction paper based on each of the one-day seminars.

VII. The above would take effect with persons entering probationary membership and recognition of orders in 1985.

a. Decisions on persons currently in process will be based on the following:
   1. If a probationer has completed a 2-semester Perkins internship (or its equivalent) within a local-church setting they will be relieved of the responsibility of participating in the conference intern program.
   2. If persons do not meet the above criteria they will be required to participate in an intership within the bounds of our Annual Conference in a local church setting.

b. The Board will begin offering the four one-day seminars in the 1985-1986 Conference year for persons serving in their first and second year of full-time appointment.

VIII. Persons who seek an appointment in Methodist related churches outside the United States in one of their two years of full-time probation must submit to the following:

a. Contracting with a supervising pastor in the country where they are serving to meet with them monthly in a supervisory setting.

b. This supervisor shall provide the Board an evaluation of the probationer's performance.

c. The probationer shall submit monthly reaction papers to the chairperson of the Board's Intern Committee and these papers will be placed in the probationer's file.

d. The probationer shall submit a statement of his/her goals for learning in the setting prior to leaving for the overseas setting.

e. The probationer shall submit to an evaluation session with members of the Intern Committee within two months after returning from the overseas setting. The results of this evaluation session will be placed in his/her file.

f. It shall be the responsibility of the Intern Committee to maintain contact with the probationer while they are out of the country.
