VI. Reports

COMPOSITE REPORT OF THE DISTRICT SUPERINTENDENTS

Bishop Russell, my Colleagues in the Cabinet, Delegates, and Visitors:

The Discipline rather vividly points out the role and responsibilities of the District Superintendent by indicating that it is an extension of the Superintending function of the Bishop's office. The Extended Cabinet represents a broader understanding of that function as it relates to the coordination, implementation, and administration of our Annual Conference programming. Other responsibilities of our office entail ordering the life of the Church and enabling the gathered Church to worship and evangelize faithfully. We must remain cognizant of and faithful to the mandate of the Church and see that matters, temporal and spiritual, are properly administered.

We believe in and support the itinerant system which makes our Church unique in its polity. We are part of a world-wide connectionalism that joins together to address needs in every area of life and proclaims Jesus Christ as Savior and Lord.

It is a distinct privilege to present this Composite Report on behalf of your Cabinet. This is particularly true because of the historic and exciting year our Conference has enjoyed.

Out theme for the year: "LET THE CHURCH OBEY GOD'S VOICE - GIVING - GROWING", has been prominent in the life of our Annual Conference. We have been intentional and committed to this mandate and the manifested results are obvious.

It began with an overwhelming acceptance of some ambitious and important goals by this body at our 1985 Annual Conference session. We have dared to dream and now those dreams are being translated into remarkable results. Consequently, we have before us a panorama of opportunities that will propel this Conference into a rewarding and fulfilling future.

There are several reasons why this is true.

I.

The first reason for our positive progess lies in the dedicated, capable, and compassionate leadership of our pastor, Bishop John Russell. He has acted responsibly to the

mandates of his calling and election, and after delving into some very critical prolems facing us, he has wisely led us to the implementation of some strategic decisions that will enable our Annual Conference to continue in a place of leadership in United Methodism. He has gifts and graces to go with his outstanding ability to lead that allow him to be strong without being brutal, to be firm without being stubborn, and to be fair without being intimidated. He has the tolerance of a person who is secure in his faith in Jesus Christ and a patience born out of love and concern for others.

We are also deeply appreciative of Mrs. Mary Jean Russell, the lovely wife of Bishop Russell. She makes a definite contribution to our Conference with her talents, graciousness, commitment, and warmth. Her friendship, beauty, and spiritual depth have created a place for her in our lives. We treasure the fact that one so amiable is part of our fellowship.

II.

The second reason for our positive progress revolves around our Capital Funds Campaign. Last year, following an intensive study of the needs of our Conference, we gave the nod to a program designed to raise ten million dollars to relieve financial pressures in the areas of Camping, New Church Sites, and Pensions. Each one of these represents a field of great monetary need.

You are already aware of the tremendous success of our Campaign, and we applaud the efforts of a vast army of Central Texas lay and clergy persons who helped make it happen with personal commitments of financial resources, and endless hours of time and expense, to ensure that we would reach our goal.

Another of the significant results of our Campaign has been the spiritual growth evident in those involved. We will continue to experience a great revival in our lives and hearts because we have dared to take a leap of faith.

We were most fortunate to enjoy outstanding leadership from the Office of Field Service and Finance in carrying out our Campaign. The personnel assigned to lead us were committed, dedicated, and optimistic persons. Their knowledge enabled us to move quickly and decisively to the completion of the first phase, and the impetus they provided will help us complete our task within the projected time frame.

We have witnessed just a part of what is in store for us as a Conference when such a large number of our membership and clergy work together toward a common goal. Isn't it exciting to envision what is just ahead of us as we escalate our efforts in behalf of our faith in Jesus Christ.

III.

A third reason for our positive progess centers around our emphasis on evangelism and local church revitalization. We were privileged to participate in a conference retreat led by Dr. Ken Callahan and Dr. William Hinson in September, which was designed to be helpful and inspirational. Your Cabinet takes seriously its responsibility in the area of revitalizing the local church for mission and witness, so we brought the best persons in their field to give us some handles on doing just that. We are asking that each district plan and execute its own program of evangelism in the fall of 1986. Next year (1987), we will have Dr. Fred Craddock as our inspirational preacher and Dr. Danny Morris to lead us in the area of personal evangelism as we get back to the basic one-to-one witness for Jesus Christ, and continue our forward thrust in local church revitalization.

IV.

A fourth reason for our positive progress has to do with our continued emphasis on Church Growth and Development. You will be treated to a progress report during our Annual Conference, so I simply remind you that a great deal is going on in this area. The future is bright for Central Texas Conference as we anticipate the planting and growing of new congregations. There is still something breath-taking about the organziation of a new church like St. John The Apostle Church in Arlington. Everytime a new church is established, each of us has a direct part in new Christians being won to Jesus Christ and new avenues of service being available for those who hunger for spiritual food.

Bishop Richard B. Wilke of the Arkansas Area recently submitted an article that was published in the "Circuit Rider" in May, 1986. He pointed to some statistics which should have a sobering effect on all of us who claim the name of Jesus Christ.

He said that 42% of our churches across Methodism did not have a prospect list of any kind. Sixty percent did not have a confirmation or membership training class. Thirtyone percent of our churches did not baptize a single person last year. After some other startling statistics, he added, "Ineffective ministers will have to be weeded out, using leave of absence, disability leave and administrative location. Churches do not exist to serve ministers. No pastor can be permitted to destroy half a dozen churches as he or she flounders in personal confusion or professional ineptitude. No longer should a pastor be guaranteed a job for life. It is not good enough to send a grossly ineffective pastor to the "boondocks." The small church deserves a 'worker who needeth not to be ashamed.' A seminary degree is not a work permit."

He also pointed out that leadership is the key. Every church can progress under the dedicated leadership of a committed pastor who has the gifts and graces for ministry. He also stressed that strong cabinets, dedicated to the task before them, can change the climate of an Annual Conference. YOUR CENTRAL TEXAS CONFERENCE CABINET IS COMMITTED TO THIS PRINCIPLE!

The last thing Bishop Wilke points out is: "Leaders of our church must be concerned about the least, the last, the lost, and the lonely. We will not be doing the work of Christ if we do not invite the sinsick, the confused, the sorrowing, and the guiltridden into our community of faith and share with them the message of the work of Christ in the human heart. The times call for decisive and dramatic leadership. Someone must mind the store."

We usually practice what we believe, and our faith is normally evident in our works. We have the most impelling challenge before us that you can imagine! The red carpet to the Kingdom of God has been rolled out at our feet! We have all the machinery in place to make some enormous strides for our faith during the next few years. We need to continue to work at establishing a more solid spiritual base upon which to build a faith that will stand when tested by our children and grandchildren. Church Growth and Development provides us with the vehicle to do just that, as we help make churches and church sites available in critical areas.

V.

A fifth reason for our positive progress revolves around all the other things that are happening in the Central Texas Conference. We have a strong and growing cadre of outstanding Diaconal Ministers dedicated to service and committed to Christ.

We are blessed with a strong United Methodist Women's organization that provides strength and stability in more areas than I have time to mention.

There is the exciting possibility of a renewed and growing United Mehtodist Men's organization that has great promise and potential.

The Conference Council on Youth Ministries is providing a guiding light for our district youth groups. It is exciting to observe a revitilization evident in the ranks of our young persons.

We continue to strive for open itineracy, total inclusiveness, and peace with justice.

VI.

The sixth reason for our positive progress is evident in the new homes created by marriages and the birth of new life into several of our parsonage families:

There are those with whom we have worked who have completed their earthly journey and have achieved their heavenly reward. These will be properly memorialized at a time specified for that opportunity to express our love and appreciation.

Permit me to conclude with the observation that we are a growing conference. Again last year, we experienced a net gain in membership. We also paid our apportionments in full because we believe that the ministries we fund are worthy of our support, and we are committed to doing our part.

The bottom line of all our efforts is winning persons to Jesus Christ and enlisting their active support on behalf of His Kingdom. We should receive all the members we can by transfer of letter. We should welcome and train as many as possible from other denominations. But, we have not been faithful to the task before us as those committed to the Master until we have secured professions of faith from those who do not know the resurrected Christ!

"LET THE CHURCH OBEY GOD'S VOICE!"

Respectfully submitted:

District Superintendent

ANNUAL CONFERENCE COUNCIL ON FINANCE & ADMINISTRATION

Report No. 1

1. The Council on Finance and Administration commends the members of the Annual Conference, the churches and the membership of the churches for their financial response and responsibility in 1985. Our conference has a long tradition of such financial responsibility and the Council on Finance and Administration looks forward to continuing that tradition.
2. The salary for the District Superintendents shall be an amount equal to 110% of the average of the salary and allowances paid to pastors of the top twenty (20) churches of the Conference. It shall be computed on the basis of salaries approved by the Charge Conferences which appear on the Episcopal work sheets as of April 1 prior to the meeting of the Annual Conference. The figures will be compiled by the Assistant to the Bishop and sent to the President of the Council on Finance and Administration and the Conference Director of Finance and Administration within five days. (The 1987 salary for a District Superintendent will be $54,579.) The Ministerial Pension Plan Current Service amount of 12% of the Denominational Average Compensation, billed directly to the Conference, will be added to the above salary for apportionment to the districts. An allowance of $3600 for travel outside the bounds of the district is included in the salary for the District Superintendent.
3. The Conference offices of Director of Finance and Administration, Director of the Council on Ministries, and Director of Church Growth and Development will receive a salary equal to that of the District Superintendents. Report 3

Resolution Concerning Charitable Deductions For Federal Income Tax

WHEREAS, recent tax proposals within the Treasury Department may seek to severely limit or abolish the charitable deduction for federal income tax purposes; and

WHEREAS, it has been public policy for the government to encourage philanthropic giving and charitable work through the maintenance of a charitable deduction from federal income tax since the inception of the federal income tax law; and

WHEREAS, it is reported that amoung proposals under consideration are the elimination of the charitable deduction for charitable gifts for gifts under 2% of the taxpayers adjusted gross income, and the limitation of charitable deductions for gifts of appreciated property to actual costs plus an inflation factor, or actual market value, whichever is less; and

WHEREAS, studies indicate that the impact of such proposeals would be to decrease the total of charitable gifts, as well as to significantly reduce the leadership gifts to chartiable causes, on the order of an $800 million (27%) decrease in giving to institutions of higher education, and an eight billion dollar (18%) decrease in giving for religious purposes, and an overall decrease in charitable giving of 17% - 20%, or $10 - $12 billion; and

WHEREAS, in light of proposals to curtail or cut back government programs in support of education and for the provision of social services, it is expected that churches and other non-profit organizations will move to take on a greater role in these areas; and

WHEREAS, in order to assume such a role, such organizations will need to make demands upon their constituencies for financial support; and

WHEREAS, the tax proposals as reported would instead negatively impact upon the levels of such support, therefore

BE IT RESOLVED, that the Central Texas Conference of the United Methodist Church hereby records its strong support for maintenance of the existing rules regarding income tax deductibility for all charitable contributions, continuation of the charitable deduction for non-itemizing taxpayers, and continuation of the current rules concerning gifts for appreciated property at market value.

BE IT FURTHER RESOLVED, that the Central Texas Conference instruct the secretary send a copy of this resolution to President Reagan, Secretary of the Treasury Baker and congressional leaders.

ACCOM EXECUTIVE COMMITTEE

Recommendations

1. That there be one conference-wide training event, "Fall University." This does not bar us from having an orientation session for selected district officers.
2. That we use the policy established by ACCOM, Spring of 1978, to present our budget.

Policy, Spring of 1978

"The Annual Conference Council on Ministries will meet to:

a. Evaluate completed programs and those still in process;

b. Develop suggested goals for presentation to the next session of the Annual Con-Conference.

c. Develop a "bottom line" budget request to be presented to CF&A. (By "bottom line" we mean simply a total figure based on the experience of the prior year, anticipated needs, and the inflationary/projected goal of the CF&A.) The only budgetary breakdown at this point will be a division of the funds into three basic categories: ADMINISTRATIVE, SUPPORT and ENABLING. "Administrative" has to do with the operating costs of the boards and committees, i.e., meetings, postage, telephone, etc. "Support" has to do with those funds we presently contribute to causes or institutions which are ongoing or under the direction of directors which are not under our control, i.e., Laura Edwards, etc. "Enabling" has to do with the funding of events and enterprises which specifically equip persons and local churches to more effectively carry out ministry in their respective settings."

3. That ACCOM be a clearing house for meeting dates. It is suggested that conference events be planned for odd-numbered months and district events for even-numbered months.
4. That the mileage be set at 18 cents per mile for one; 21 cents for two; 23 cents for three to six; 35 cents for seven to fifteen persons in an appropriate vehicle.

ACCOM COMMITTEE ON RESEARCH AND PLANNING

The Committee on Planning and Research recommended to the Agenda Committee the following theme for the 1986 Annual Conference: "Let the Church Obey God's Voice - Giving, Growing." The emphasis is 1986 will be on growing - church revitalization, church school growth, new church development, etc. It is hoped that each board will incorporate the theme and recommend possible resources that can be put in the Conference Resource Library. The committee also recommends the continuation of this theme for the balance of the quadrennium, with a new emphasis added each year.

The General Council on Ministries requested a study of the document, "The Future That Can Be." This was done through the Executive Committee of ACCOM. Responses to the document were collected and forwarded to the General Council on Ministries.

The committee worked to improve the presentation of ACCOM reports to Annual Conference. This will continue to be a priority, following an evaluation of this year's reports.

The committee continues to work toward strengthening the connectionalism between the local church and the district and conference. The committee affirms each local congregation, realizing it is the arena in which and from which ministry emanates. The ACCOM continues to look for ways to help with programming, resourcing, training and support. There is a "Talent Bank" of people trained at district and conference expense who are available to local congregations. A goal of the committee is to develop a better "bridge" between the local church and available resources. One possibility is the consultative approach which would enable the ACCOM, its executive committee and/or programming agencies, to function in a consultative manner to strengthen the local church for ministry and mission. This process will continue to be studied.

Donna J. Faustian, Chairperson

Director's Report to ACCOM

One of the functions of the ACCOM staff is to provide guidance and support to local churches, districts and Annual Conference agencies. Your conference staff has been involved at each of these levels as individual statistics will reflect.

Two decisions were made early in the year that effected the way staff functions. The first decision was that all conference-sponsored training, formerly scattered throughout the year, be held over a two-day period in the fall with concentration on advance training and skill development. In September, 1985, the first Fall University was held. A total of four hundred plus participated. The primary benefit of this change was to acknowledge the work districts were already doing with the "My Job" training. Secondly, the concept of the Fall University would reduce the time clergy and laity would be away from their parishes in conference meetings or training.

The second decision was to establish a core group of persons, both lay and clergy, who would become local church consultants. There are many persons in the Annual Conference who have skills in numerous areas, but what is needed most are persons who can resource a local church as consultants as they seek to develop their ministry and mission. To date this task has not been completed, but has been given to Planning and Research for further study and recommendation.

I would like to acknowledge the work of our professional staff. Associate Director Nelda Barrett is completing an excellent year. In her role as staff representative to conference agencies, she has shown a great deal of maturity and leadership skills. Her work with the Annual Conference EMLC Task Force has been outstanding and has enabled our conference to become a leader in the development and implementation of a comprehensive plan for strengthening the ethnic minority local churches. Her skills in group dynamics, planning, consulting and goal setting has enhanced the overall effectiveness of the conference, district and local church with which she has worked.

In January, 1985, Associate Director Mary Gean Cope came aboard as a specialist in youth ministry along with many other gifts and skills. Through the efforts of Mary Gean, the conference youth program has made considerable strides. The involvement of youth and adults across the conference is an indication of the success that has been attained through her work.

The organization of the classes for Fall University has been as a result of the guidance she has given. Her skills in planning, organization, goal setting and consultation has enabled her to accomplish much quickly.

I would be remiss if I did not acknowledge the hard work and dedication of our support staff. Special thanks to Maxine Baze, Wally Bennett, Kay Clark, Mike Ford, Rosemary Lee, and Frances Nelson. Each of these persons has contributed immensely to the work of the Annual Conference.

Below is a list of my statistics for 1985. I have been involved in:

Nelda Barrett's Report to ACCOM

This year has been an exciting one filled with new and different experiences along with ongoing responsibilities. As I travel around the conference and observe people as they work in a variety of surroundings, I feel a commitment to the ministry and mission of our Lord and Savior Jesus Christ.

I continue to be called into local churches for training of Sunday school teachers. I have relied on the "Foundations for Teaching and Learning" as I work with teachers. This provided for a re-discovery of why we have a Christian education program in our local churches and allows for renewed interest and motivation.

I am also called into local churches for work with Council on Ministries and Administrative Boards in goal setting and planning and team building. These are the most popular subjects for work with local church leaders.

I am staff representative to several conference boards. The Board of Discipleship has committed members with a strong leadership team. This Board is involved in the ongoing ministries in the local churches.

I also work with the Board of Church and Society. Because of the myriad of issues that need attention, we struggle to identify an issue for our focus.

I also work with the Board of Diaconal Ministry and the Commission on the Status and Role of Women.

The Coordinating Committee for Developing and Strengthening the Ethnic Minority Local Church for Witness and Mission is another committee I work with. I have worked with this committee in developing the Comprehensive Plan and a strategy for the Ethnic Minority churches.

I worked closely with the first Fall University. It was a sucess and a design that is workable.

I had the distinct privilege and honor to be a study leader in the Conference School of Christian Mission sponsored by the United Methodist Women. I have been a participant for many years in the school as a student, but this was a new and different experience and indeed a pleasure.

Finally, I represent the conference on the General Board of Church and Society. This board meets twice a year. I serve this board as chair of the Bylaws Committee, member of the Department of Political and Human Rights and member of the Planning Team for 1987 Training Event.

I continue to speak in local churches and have the opportunity to meet lay people I would not ordinarily meet. This is a pleasure.

My job is enjoyable, and it keeps me busy. The church local is where things are happening and I am glad to be a part of that mission. The conference boards, committee, agencies and commissions continue to try to move in a positive direction as we relate to the needs in the district and the local church. It is exciting to watch this continuing ministry unfold with new goals, theme and emphasis.

Through the grace of God and our remaining faithful, we can do great things in the Central Texas Conference.

Mary Gean Cope's Report to ACCOM

This past year has been a tremendously satisfying time of working and learning for me. During 1985 I have familiarized myself with people, programs, and possibilities and have begun to determine the scope and shape of my responsibilities. Four broad area of concern have emerged.

First, I see my role as that of servant, carrying out the decisions of the Annual Conference; particularly the Conference Council on Youth Ministry, the Board of Higher Education and Campus Ministry and the Commission on Christian Unity and Interreligious Concern, all of whom I serve as staff representative. As a general part of the staff with Dr. Luther W. Henry, Sr., and Nelda Barrett, I also work with ACCOM, ACCOM Executive Committee, Committee on Coordination and Budget and Committee on Planning and Research.

Another of my roles is to provide connection. I try to help connect people, church organizational levels, geographical divisions and diverse age and ethnic groups. Regular, established communcation links as well as more personal informal channels are important as I work to connect people with information and opportunities and with each other.

At times my role is that leader or challenger, prodding vision and charting courses for turning vision into action. Finally, my role is listener, advisor, consultant to those who need for me to function in that way for them or for their work. And always I am a learner. The youth and adults with whom I work through the conference, and especially my associates in the office, provide a wonderful school of faith and activity.

Apparently because I am a candidate for ordained ministry and am attending seminary parttime, some people have asked me if my staff position is parttime. I assure you that it is not. In one fairly typical four-week period, I spent 202 hours on conference work. Some of the specific ways I have been spending that time are these:

Led sessions at four district training events
Arranged for and coordinated Fall University
Arranged for and coordinated the Gene Cotton Youth Service Fund Concert at Six Flags
Preached in nine local churches
Did workshops or training in ten local churches
Did extensive consultation with at least twenty-two individual youth workers and/or local pastors
Took a delegation to two extended jurisdiction youth meetings
Took a delegation to the week-long National Youth Minstries Organization Convocation
Arranged for and participated in five overnight CCYM meetings and one day-long meetings
Participated in one conference youth rally and in rallies or other district-level events in all seven districts
Participated in seven mid-winter retreats and one spiritual life retreat
Attended all Camps and Assemblies meetings, Deans and Directors Training and summer events evaluation and chaired the camp curriculum committee
Visited five summer camps
Helped put out four issues of Youth News and Views as well as other youth-related articles and several youth mailings
Attended at least fifty other meetings of conference boards or committees
Drove 7,000 conference business miles in my van

I remain convinced that at this time this is where God calls me and that is how I am best able to serve. Thank you for making that possible.

AREA COMMITTEE ON PROFESSIONAL MINISTRIES

Report to the North Texas and Central Texas Conferences of the United Methodist Church

The goal of the Committee on Professional Ministries is to make available to the clergy and diaconal families of the area the best professional counseling program that is possible. Last year we lost two of our counselors, one due to death and the other to normal attrition. We have replaced one of these and will soon replace the other. Presently our roster of counselors is comprised of the following persons:

Dr. James Norwood
Ft. Worth, Texas
Dr. Robert E. Elliott
Dallas, Texas
Mrs. Sharon L. Grimm
Brownwood, Texas
Dr. Titus Haynes

Dr. Charles Kemp
Ft. Worth, Texas
Dr. Robert H. Lloyd
Wichita Falls, Texas
Dr. Kenneth Pepper
Dallas, Texas
Dr. Patricia Lutz Ponder
Commerce, Texas
Mr. Warren Townsend
Killeen, Texas

During 1985 there was an increase in the number of persons using the counseling program, especially in the North Texas Conference. The number of cases in each conference was as follows:

Central Texas Conference	36
North Texas Conference	59

We keep the financial reports separate for the two conferences. The financial profile for each of the conferences is as follows:

	CENTRAL TEXAS	NORTH TEXAS
Income for 1985	$ 16,800.00	$ 16,800.00
Carry-over from 1984	6,030.87	(-)267.63
Expenditures for 1985:		
Counselors	(-)11,636.25	(-)12,962.25
1/2 Miscellaneous Expense	(-)59.01	(-)59.01
Return to CTC Treasurer	5,000.00	
BALANCE, 12/31/85	$ 6,135.61	$ 3,511.11

Our committee also serves as a support and advisory group for Dr. Ervin M. Gathings, Area Assistant to the Bishop and administrative officer of the counseling program. We commend him for his work and request his reappointment for another year.

Tim Russell, Chairman

BOARD OF CHURCH AND SOCIETY

Report No. 1

1987 Goals:

The Board intends to educate and motivate local congregations by:

1. Interpreting positions of the General Conference and the General Board of Church and Society:
2. Highlighting action projects for ministry to persons outside the church whose lives are affected by our nation's economic condition (see Section IV of The United Methodist Social Principles;)
3. Identifying priorities for Annual Conference action;
4. Holding regular consultations with ethnic minority local church representatives to identify specific issues of injustice (this will include Hispanic congregations after consultation with the Board of Church and Society of the Rio Grande Conference;) and
5. Co-sponsoring a youth leadership seminar in Washington together with the Conference Council on Youth Ministries.

Task Force To Study South Africa Issues

Recommendations:

We concur in principle with the 1984 General Conference Statement on South Africa and recommend that the Board of Church and Society establish a Standing Committee to focus the South Africa Issues.

We further recommend that the Board of Church and Society develop a packet on South Africa issues to heighten the local church awareness.

We also recommend that the fourth Sunday in June be designated as the Sunday a bulletin on South Africa be distributed by all local churches and that appropriate news releases be used in the United Methodist Reporter.

Resolution Concerning The Nuclear Crisis

WHEREAS "Peace is not simply the absence of war, a nuclear stalemate or combination of of uneasy cease-fires; it is that emerging dynamic reality envisioned by prophets where spears and swords give way to implements of peace (Isa. 2:1-4), where historic antagonists dwell together in trust (Isa. 11:4-11), and where righteousness and justice prevail...(and) there will be no peace with justice until unselfish and informed life is structured into political processes and international arrangements (Bishops' Call for Peace and the Self-Development of Peoples):" and

WHEREAS the 1984 General Conference called upon United Methodists to "explore and apply ways of resolving domestic and international differences which affirm human fulfillment rather than exploitation and violence (The Book of Resolutions, page 44);" and

WHEREAS the Council of Bishops has called upon United Methodists "to join..in a new covenant of peachmeaking; to use the Bible together with our Council's Foundation Document ("In Defense of Creation: The Nuclear Crisis and a Just peace") as basic resources for earnest and steadfast study of the issues of justice and peace;"

THEREFORE The Central Texas Annual Conference, meeting in session June 1-4, 1986, joins with the Council of Bishops in calling upon "each local pastor and lay leader to give leadership in a local church study of the issues surrounding the nuclear threat..making the ways of Jesus the model of discipleship, embracing all neighbors near and far, all friends and enemies, and becoming defenders of God's good creation."

BE IT FURTHER RESOLVED the the Board of Church and Society will provide leadership in this vital issue.

BOARD OF DIACONAL MINISTRY

Diaconal ministers understand themselves to be called by God into special ministries of service both in the church and in the world. Where the needs of the world and the church call for service in the name of Jesus Christ, diaconal ministers serve on behalf of the United Methodist Church and are authorized by the church.

As servants of Christ, they use their varied gifts to enable the congregation to fulfill its calling in the world by EQUIPPING persons to fulfill their own call to service; by FACILITATING the work the church must do; by their own SERVING - PRESENTING AGAIN THE MINISTRY OF JESUS CHRIST.

Report 1:

The Board of Diaconal Ministry has been active in the work of furthering its understanding of diaconia, sharing that understanding with the conference, providing support for diaconal ministers serving within the conference, and enabling persons who are responsible to God's call to be in those forms of ministry that are within the realm of the diaconate.

Our tasks have included:

- Preparing a slide presentation depicting Central Texas Conference diaconals and their work;
- Carrying out an October interpretational event led by Rosalee Bentzinger, Associate General Secretary of the Division of Diaconal Ministry, to which all interested persons of the conference were invited;

- Continuing dialogue with the Board of Ordained Ministry and initial planning for a joint event in August, 1986;
- Initiating the designing of a Time of Growth and Reflection for early spring, 1986, which though cancelled due to weather, is re-scheduled for 1987;
- Exploring with the Bishop and the Cabinet the developing of a mentoring program for potential candidates in each district;
- Cooperating with the formation of an innovative inter-conference special appointment for a diaconal minister;
- Formulating a packet of information regarding employment procedures and appropriate benefits to be available to agencies and churches who may employ diaconal ministers.

The annual interview day was held in April at which time continuing and potential candidates for the diaconate were examined. In addition, the board reviewed evaluative reports on all professionally certified persons serving in ministry careers. The board also monitored the continuing education of all certified and consecrated persons.

Funding support for persons in process is administered under two policies. Please refer to Central Texas Conference Journal, 1985, page 132 for details of those policies.

A number of new persons were accepted into candidacy this year. The board gratefully acknowledges those congregations who nurtured, examined, and recommended persons into the diaconate.

Goals for 1986-1987:

1. Recruit and train additional mentors to guide potential and declared candidates with fall date set for training and a winter date for achieving a full mentor system in all districts of the Annual Coference.
2. Participation of officers of the board in additional training with special emphasis on the roles of registrar and assistant registrar for more precise delineation of standards and procedures.
3. Undergird the new special diaconal appointment to the Inter-Conference Committee and continue efforts to develop additional innovative forms of diaconal ministry with special concern for church cluster or district positions.
4. Establish diaconal support groups on college and university campuses in the Central Texas area, initiating personal contact with heads of departments who deal directly with diaconal ministry careers.
5. Recruit at least three new candidates into the diaconate with special concern to discover and enable ethnic minority persons.
6. Continue to study the implications of the 1984 Discipline statement regarding employment procedures and prepare specific guidelines for the Central Texas Conference.

> "The employing agency in which a full-time diaconal minister is serving shall provide:
> 1. Adequate salaries, pensions benefits, with an opportunity to participate in the United Methodist pension and benefit funds, health-care insurance, and continuing eduation. It is expected that these will be guided by the Annual Conference standards for ordained elders.
> 2. Social security benefits as required by federal legislation."
>
> (The Book of Discipline, 1984, p315)

7. Present at the Fall University, September 12-13, 1986, an in-depth opportunity for interested persons and employing agencies to explore procedures, policies, and standards of diaconal careers.
8. Continue efforts to re-unite the ordination of elders and deacons and the consecration of diaconals into one service of worship.

This report is presented to the Central Texas Annual Conference to which this board and all diaconals are accountable.

Report No. 2

The following procedures for entrance into candidacy, request for consecration, continuation in the office of diaconal ministry and renewal of certification are presented for the information of the conference.

7. Candidates are required to be interviewed annually by the BODM.
   INTERVIEW DATE: MARCH 28-29, 1987

Completion of Candidacy and Consecration

Requirements for completion of candidacy and preparation for consecration are outlined in The Book of Discipline, 1984, p306.

In addition, the BODM of Central Texas Conference makes the following requirements:

1. Systematic credo presented in writing in advance to the BODM.
   SUBMIT CREDO DATE: MARCH 1, 1987
2. Up-to-date transcript of seminary studies filed with BODM.
   TRANSCRIPTS DUE: MARCH 1, 1987
   Final semester transcript due as early as available.

Continuation in the Office of Diaconal Minister and Request for Appointment

1. All diaconal ministers are required to participate in continuing education (minimum of 1 CEU per year and cumulative of 10 CEU's per quadrennium.) Report of continuing education filed with District Superintendent at Charge Conference and with BODM.
2. All diaconals are required to report annually to Charge Conference on appropriate forms.

*3. All diaconals are required to be evaluated each year by supervisory person(s) and to file a report of the evaluation with the BODM. Appropriate forms are sent by the registrar of BODM. Please refer to Central Texas Conference Journal, 1984, page 132, for guidelines for evaluationand change procedures.
   EVALUATIONS DUE MARCH 1, 1987

*4. All diaconals are required to request appointment each year. The request includes specifics of position, agency, salary and benefits, and a statement of diaconia of that position.
   REQUEST FOR APPOINTMENT DUE MARCH 1, 1987

5. Appointments of diaconal ministers are recommended by BODM to the Bishop and Cabinet for approval. Should approval not be given, diaconals will be advised to find another place of employment or face termination of credentials.

*The Discipline requires a 90 day prior to Annual Conference notification of employment change. (p318) In accordance with that requirement, BODM has set the date of March 1. This period allows for seeking of new places of employment by the diaconate or seeking of new employee by the agency and subsequent procedures of approval prior to Annual Conference.

6. Changes of employment between Annual Conferences must be reported to BODM prior to acceptance. Notification of both district superintendents and the Bishop must be made to allow for approval or non-approval of appointment. To request transfer to another conference, the diaconal notifies the receiving Bishop, who then may approve appointment and initiate transfer with the sending Bishop and subsequent notification of board and superintendents.

Renewal of Certification

1. All certified persons are required to participate in continuing education and to report this to the BODM.

2. All certified persons employed in their field are required to seek annual evaluation and to file that evaluation with the BODM. Appropriate forms for reporting the above information are sent by the BODM registrar.

REQUEST FOR RENEWAL OF CERTIFICATION DATE: MARCH 1, 1987

Agencies Seeking to Employ Diaconal Ministers or Certified Persons

The following recommendations are made to agencies who desire to employ persons who are equipped to serve in diaconal ministry careers:

1. Notify the BODM of your employment needs. The board can inform you of any persons within the conference who may be seeking employment.

2. Request from the BODM an informational packet which includes guidelines for employment.

3. Notify district and conference offices of your employment needs. Persons seeking positions are encouraged to inform these offices of their desire.

4. Agencies wishing to make a nation-wide search can be assisted by the BODM in listing their employment needs in publications which are circulated in all conferences and in United Methodist colleges, universities, and seminaries.

5. The BODM may assist you in encouraging persons within your own congregation who may have gifts for ministry careers. The board can start that person in a process of exploration and equipping for certification or diaconal ministry, if they so desire.

BOARD OF DISCIPLESHIP

The committees of the Board of Discipleship worked this year to implement the goals that were set forth in 1985.

Several of the committees continued ongoing programs that had been carried out on an ongoing yearly basis. In keeping with new ideas and innovations initiated by our Annual Conference Council on Ministries and in an attempt to resource expressed needs of local churches, districts, and other groupings, we have moved forward with several new programs. We have worked together as a "total" board in planning, promoting and implementing programs and events that develop and equip persons to experience a wholistic embodiment of Christian discipleship.

Through our committees, we have participated in and helped to resource conferencewide events such as the 1985 Fall University. The Worship, Evangelism and Stewardship Committees, as well as the Conference Council on Youth Ministries, sponsored sections in the Fall University that were well received by those in attendance.

Ongoing events such as the Mid-Winter Retreats, Spiritual Life Retreat and the Annual Conference Youth Rally, sponsored by the CCYM, continue to provide opportunities for spiritual growth and leadership development for the youth of our conference. A new event, the Six Flags/Youth Service Fund Concert which was held in July, was very successful in providing a fellowship opportunity and raising funds for YSF. This event also gave the United Methodist Church a degree of visibility in a non-church setting. The summer camps for youth, as well as the specialty camps, received favorable evaluations from participants.

We applaud the success of the Committee on Camps and Assemblies in carrying out its newly assumed responsibility for total resourcing of the camp program. This year's program was an overall success and additional doors have been opened for new possibilities in camping ministries.

The Committee on Education and Leadership Development continued in 1985 in its active involvement in providing quality training events, as well as working to bring on line a

computerized talent bank. This bank will aid in making readily available to church leaders, a cadre of trained and experienced individuals who are able and willing to serve as resource persons.

The Committee on Evangelism continues to provide evangelism training within the districts of our conference. In 1985, two of our seven districts participated in the initial stages of this ongoing program. The other districts will be resourced in 1986. Our conference-wide focus on growth and revitalization of the local church has been and we feel will continue to be enhanced by the Evangelism Committee's sponsorship of an indepth section on the subject which was included in the 1985 Fall University.

The Worship Committee has worked to bring about a conference-wide awareness of the need to strengthen and enliven the total worship experience. This has been done specifically through local and district workshops, as well as through the networking opportunities which are provided by our conference chapter of The Fellowship of United Methodists in Worship, Music and Other Arts.

The Fall University, again, provided the setting for the Committee on Stewardship offering a section dealing with Money in the Life of the Church. New Knowledge of stewardship education resources/curriculum for the local church has been gained by the committee and will be shared with local churches/districts within our conference.

Recognizing our mission as a servant board and our role as a part of the entire church, we affirm the concept of the Fall Univeristy and look forward to participation by our committees. We thank the Central Texas Conference for making provisions to undergird the future of camping, by affirming the Capital Funds Campaign. We join hands with other boards and agencies of our conference in deliberate promotion of the quadrennial emphasis of the United Methodist Church, "Developing and Strengthening the Ethnic Minority Local Church: For Witness and Mission." We also join our ACCOM in providing programs that promote the theme, "Let the Church Obey God's Voice - Giving, Growing."

We pray for continued direction as we strive to reach out to local churches and persons both within and without - sharing ministry that will enable those individuals in making their communities more loving and just.

Nell Ramsey, Secretary

Trustees, Glen Lake - Rainbow Camps

The Trustees of the Annual Conference's Camp properties are privileged to report, according to our attorneys, Mr. Doren Askew of Austin (Askew, Muir and Bednar Law Firm) and Mr. Robert A. Sparks of Cleburne, that the Tax authorities of Somervell County Tax Appraisal District agree with us that our properties there are entitled to the exemption provided in the Texas Revised Tax Code pertaining to youth camps dedicated to

> "....the spiritual, educational (mental), and physical development of boys, girls, young men, and/or young women (which operate) in conjunction with a state or national organization that is organized and operated for the same purpose as the association."

Additionally, we are happy to report progress in all facets of the plans toward the completion of the transactions of the sale of the Rainbow Camp properties and the purchase of the adjacent 308 Glen Lake Camp expansion acres which continue to receive extensive, year-round use in nature trail explorations, mini-day-camping, and hiking.

Committee On Education and Leadership Development

The Committee on Education and Leadership Development is actively involved in the education and development of leadership throughout our Annual Conference. We have in the past year developed plans to continue this work, and have encouraged districts and local churches to do the same. We are making trained and experienced leaders available to the local churches through the use of our talent bank.

1987 Goals:

1. We will participate in the Fall University event - scheduling classes for children, youth, adult and family ministries.

Rationale: Since training events for leaders are essential to the life and ministry of the church, and since these events have been held during the Spring Skillshop, such events will now be offered through the Fall University.

2. We will offer a Laboratory School during the summer of 1987.

Rationale: Laboratory training is specialized training for teachers which needs to be offered in addition to short workshops and Fall University classes.

3. We will sponsor the Harry Hoosier event during 1987.

Rationale: This is an annual event celebrating black culture in the United Methodist Church. This event is in keeping with the quadrennial emphasis on the Ethnic Minority Local Church.

4. We will continue to implement and maintain the Conference-Wide Talent Bank.

Rationale: We feel that the Conference should have a leadership pool from which local churches, districts, and the Conference can draw for training events.

5. We will continue to encourage local churches to keep accurate records by publishing and distributing Sunday School Reporting Forms.

Rationale: Since our emphasis for 1987 is "growth," it is vital that we be accountable for our growth in Sunday School.

6. We will encourage local churches and districts to hold training events for children, youth, adult and family ministries.

Rationale: Training events are essential for the revitalization of the church.

7. We recommend that the Annual Conference adopt September 13, 1987 as Christian Education Sunday.

Rationale: It is important that local churches as well as the Annual Conference recognize and celebrate Christian Education. Funds collected on Christian Education Sunday are used throughout the year for the training of leaders in our Annual Conference.

Linda R. Miller, Chairperson

Committee On Evangelism

Report No. 1

Thus far in 1986 the Conference Committee on Evangelism has attempted to fulfill our goal of providing training events on a district basis for each of our seven districts. To date two of the districts have completed such events, and two other districts have events planned during the remainder of the year.

At last year's Annual Conference we adopted a goal of developing a pilot program to address the need for revitalization in local church situation. To date, this goal is not fulfilled. We are in the process of exploring possibilities for such a program under the leadership of persons from the General Board of Evangelism in Nashville.

The Committee on Evangelism was pleased to sponsor a seminar on "Revitalizing the Local Church" led by Dr. Dan E. Bonner, as part of our Annual Conference's Fall University in September of 1985. The participants in this seminar spoke of it as being most beneficial. We anticipate the sponsorship of another similar seminar in this year's Fall University.

The Committee on Evangelism would also like to congratulate two of our Annual Conference members for their participation in leaderhip of the National Methodist Congress on Evangelism which met in Nashville in January of this year. Dr. Vaughn Baker led the workshop on "Developing Small Groups," and Rev. Karen Greenwaldt led the group on "Single Ministries." We recognize the significant leadership of Dr. Baker and Rev. Greenwaldt, and express our appreciation to them for their hard work in the area of evangelism.

J. Eric McKinney, Chairperson

Report No. 2

Goals for 1987:

1. The implementation of a Conference-wide program of Revitization based on the model currently being utilized in the Fort Worth East District.

a. Rationale: Whereas the Council of Bishops has identified the need for Revitalization within the General Church, and whereas Bishop John Russell and the Cabinet of Central Texas Annual Conference has established Revitalization as an emphasis of our Conference, we propose a two-part program to assist our Conference in addressing this pressing need. This program would be conducted through the framework of each District Council on Ministries under the leadership of the District Coordinator of Evangelism.

b. Objectives: These are three objectives of this program:

1. One objective of this program is that each Local Church within the Conference will monitor its individual effectiveness in discipling persons in the Christian faith through a "discipling index" program.

2. A second objective of this program is that each Local Church will be involved in a serious study of the possibilities for revitalization in their specific setting for ministry.

3. An additional objective of this program is that each local church be intentional in designing and implementing programs to revitalize their life and minstry as the Body of Christ in the year 1987.

2. The implementation of a program to recognize "Churches of Excellence" within the Central Texas Annual Conference.

a. Rationale: Churches which achieve significant goals for vital ministry merit the recognition of the Annual Conference which urges churches to such ministries. Thus, we propose a Program of Church Excellence be adopted and implemented.

b. Objectives:

1. To provide meaningful, realistic objectives for vital ministry within each local church within the Annual Conference.

2. To recognize those churches who achieve these objectives.

3. To sponsor a seminar in the 1987 Fall University on the topic "Assimilation and Care of Church members."

a. Rationale: Part of the effort to revitalize local churches involves the assimilation of new church members. Studies reveal that significant numbers of new members leave the church within a 5-year period of membership. The need of training in the assimilation and care of church members will help us retain a larger percentage of members in the active body of the church.

b. Objective: To equip lay and clergy persons for the task of assimilating and caring for church members.

4. Conduct quarterly meetings of the Conference Committee on Evangelism.

a. Rationale: In order to monitor the Program of Revitalization and provide leadership within each district, regular meetings of the Conference Committee will be necessary.

b. Objective: To provide training and support for, and monitor progress of the Conference Program of Revitalization.

5. Send the Chairperson of the Committee on Evangelism, or person designated by the Committee, to the Annual National Methodist Conference on Evangelism.

a. Rationale: Training for the Committee Chairperson and Committee is vital in order to provide direction and leaderhip for our Annual Conference in the area of evangelism.

b. Objective: To provide resources and training experiences to equip the Committee on Evangelism for its task of providing leadership in our Annual Conference, and for being a resource of local churches within the Conference.

6. The development and implementation of a program to involve up to four local churches in a "pilot project" utilizing personnel from the General Board of Evangelism to facilitate revitalization in the local church.

a. Rationale: Local churches can benefit from trained consultants in an attempt to address the critical need for revitalization.

b. Objective: To develop a model for use within our Annual Conference to assist churches in the process of revitalization.

Committee On Stewardship

The Committee on Stewardship has struggled through the year. One of the most positive directions for the committee will be to involve the district stewardship chairs as members of the conference committee. This will provide for more continuity across the conference as well as an opportunity for a more wholistic approach.

The Committee on Stewardship of the Board of Discipleship fully supports the Capital Funds Campaign of the Central Texas Conference.

Two members of our committee will represent the conference at the Annual Seminar on Stewardship in Nashville, Tennessee on April 21-24, 1986.

1987 Goals:

1. Provide materials and resources to lay speakers on the district level.
2. Provide stewardship resources and materials for Sunday school classes and teachers.
3. Establish communication with DCOM and send material to local church stewardship area person.
4. Send out a stewardship newsletter in the coordinated mailing.
5. Participate in Fall University with one-hour course on budget planning and a three-hour course on estate planning.

Committee On Worship

The year 1985 saw the completion of by-laws and election of officers for the Fellowship of United Methodists in Music, Worship and Other Arts, Central Texas Chapter, and participation in the Fall University. The committee is at work this year on a scrapbook of sample bulletins from each local church in the Annual Conference. For the Fall University, we will offer training in Drama in the Church and Enriching Worship and helping worship committees implement new and broadened concepts of worship.

Goals for 1987:

1. Sponsoring a worship workshop in three bi-district or tri-district settings.
2. Assisting in the leadership of conference specialty camps like the Music, Art and Drama Camp.
3. Sponsoring two persons to attend the National Convocation of the Fellowship.
4. Continuing to compile resources shared from local churches about exciting worship experiences (indoor, outdoor, special occasion, use of different ages, etc.) in the conference library.
5. Increase emphasis on lay pastoral training for worship leading through lay speaking courses, drama, storytelling and music.
6. Offer leadership and courses for the Fall University.

BOARD OF GLOBAL MINISTRIES

The Board of Global Ministries has had a productive year in 1985, through the cooperative efforts of each board officer, each committee chairperson and each active board member. These efforts have resulted in the accompanying reports of 1985 accomplishments and 1987 goals. Of special import continues to be the combined efforts of the Conference United Methodist Women's Executive Committee and the Conference Board of Global Ministries to make the School of Christian Missions a fully cooperative event. To this end, each group has four members working on drafting new standing rules, these including Helen Marshall, Conference President of United Methodist Women; Nellie Sheldon, 1986 School of Christian Missions Dean; Edna Davis and Mary Weathers; and Uriah L. (Buddy) Stegman, Jr., Board of Global Ministries Chairperson; Hiram Johnson, 1986 School of Christian Missions Assistant Dean; Frances Bickham and Elden Traster. Both groups will be working hard to encourage greatly expanded participation in the 1986 School of Christian Missions, both lay and clergy, as we promote the mission work of the church.

The Central Texas Annual Conference will be represented at the March 17-19, 1986 General Board of Global Ministries Consultation on the Theology of Mission, meeting in San Francisco, California, by twenty-one persons, with ten of these being Conference Board of Global Ministries members. A report prepared by the participants will be provided to the Annual Conference, as well as plans made to use the information received to strengthen our mission outreach.

Uriah L. Stegman, Jr., Chairperson
Jay L. Beavers, Secretary

1987 Board Goals:

The Conference Board of Global Ministries, in an effort to increase usage of audio and video cassettes provided by the General and National Boards of Global Minstries, will replace unusuable cassettes at the Board's expense, so these cassettes can be loaned free of charge from the Conference Resource Library.

Resolutions and Recommendations to 1986 Annual Conference:

The Board of Global Ministries submits the following resolution to the Central Texas Conference for adoption:

Be it resolved that a Golden Cross offering be taken in every church in the Central Texas Conference to be forwarded to the Conference Treasurer with directives, if desired.

The Golden Cross offering can be directed to any hospital in the Harris Methodist Health System: Harris Methodist-Ft. Worth, HEB, Walls Memorial-Cleburne, E MASH, Glen Rose, Mexia General, Dublin, Hamilton, Meridian, Decatur, and Stephenville. Without directives, the Golden Cross offering will be remitted by the Conference Treasurer to Harris Methodist-Ft. Worth.

Be it further resolved that the Golden Cross Funds remitted by the local churches and funds for indigent care set forth in the budget of each hospital in the Harris System shall be administered by a three-member committee: the Hospital Financial officer, the Chaplain or Chaplain Designate, and one person from the community approved by the Conference Health and Welfare chairperson.

Be it resolved that the Central Texas Annual Conference establish a Committee of 18 persons (which shall be known as the Committee of 18) whose purpose shall be to seek support and develop plans for the establishment of a center for mildly to moderately retarded adults patterned after the Baddour Center in Senatobia, Mississippi, an entity of the North Mississippi Annual Conference. The Committee shall be appointed by the chairperson of the Conference Board of Global Ministries and shall consist of at least 1 lay person and 1 clergy person from each district. The three ex-officio members shall be: Chairperson of the conference Board of Global Ministries, Chairperson of the Conference Health and Welfare, and the Conference President of United Methodist Men.

Be it further resolved that during the Conference year 1986-1987 the Committee shall conduct a detailed review of the program to insure that required funds have been donated or pledged and that the need/residents do exist in sufficient quantity to justify the construction and operation of the Center. That the Committee shall develop cost data to support the proposed Center's construction and operation and develop plans for construction of the initial facilities to include a determination of the minimum facilities required, the size of the Center, and the initial program staff and the number of residents.

Be it further resolved that any capital funds received by this Committee for such a center will be held in trust by the Annual Conference Board of Trustees until such time as the Annual Conference approved the forming of a non-profit corporation and continues with the establishment of a permanent center. Should the conference determine that such a center is inadvisable, donated funds or property will be returned to the donor or disposed of as the donor directs.

Note: This resolution entails no request for funding from the Annual Conference. This Committee will report to the 1987 session the Central Texas Annual Conference.

Refugee Resettlement Committee

Report for 1985

At the 1985 Annual Conference meeting in Waco a goal of bringing twenty-one (21) refugees/refugee families, each District to be responsible for three (3) was adopted.

A display of posters and materials about Refugee Resettlement was provided to dispense information and spark interest.

At the Fall University there was a class on "Refugee Resettlement" led by Rev. Bill Thomas, director of the Metropolitan Board of Missions in Houston.

To encourage local churches to become sponsors for refugees/refugee families each District has been given $421 as "seed money." Local churches may apply for these funds to supplement their efforts. District Secretaries of Global Ministries are to contact local churches, clusters of local churches, and District Council on Ministries to urge them to become sponsors.

Project Encounter

Rev. John Ed Francis offered the Central Texas Conference the opportunity of having several visitors from Japan come for a visit. The purpose was to have the visitors discover what is being done in the Central Texas Conference in missions, bear witness to their faith, and to thank us for sending missionaries to Japan. With the cooperation of the District Missionary secretaries and churches in our Conference plans for the visit were completed. This resulted in a delightful and inspiring visit by Rev. and Mrs. John Ed Francis and thirteen lay and clergy persons from the West Sub-District of Tokyo of the United Church in Japan.

During their time in Texas the group divided into two teams and itinerated in every District of our Annual Conference. While learning from us, they gave us much in return. We are especially grateful for a gift of $1500 from the members of the group as an expression of their gratitude. The check was presented to Bishop John Russell.

"Project Encounter" brought two cultures closer together and was a beautiful witness to our unity in Christ.

We express our gratitude to our visitors and expecially to Rev. John Ed and Carolyn Francis for their work and time which contributed so much in making "Project Encounter" a reality.

Committee On Aging

Realizing that the area of aging is one which is emotionally laden and sometimes hard to deal with, we the members of the Aging Committee of the Board of Global Ministries stand ready to help in any way we can to program, refer, explore options for/and with older adults. We serve the conference in the ways its members request as most helpful while at the same time seeking to plan in ways which anticipate future needs. This year we have conferred with pastors and laypersons on a one-to-one basis as they sought assistance in planning local church programs. A packet of resource materials was developed at the district level and distributed to ministers within their respective districts. The purpose of this packet was to make the ministers aware of the variety of resources which are available in the area of aging. A seminar on grief we sponsored by the Aging Committee at the Fall University and the feedback from participants was positive. Workshops were planned in four districts. One was postposed until Spring 1986 and the other three were held with limited attendance. Planning for the leadership training for the "As Parents Grow Older" workshops began with the date set for April 1986 for the training. Leaders have been secured and participants are being selected for that event. We continue to encourage persons whose responsibilities include programming for adults to utilize the resources which are provided in the Conference Resource Library. We look forward to an active year in 1987 as you will see in the plans reflected in our goals.

1987 Goals:

The Aging Committee plans to direct its efforts in two specific areas of need for the year 1987.

First - in the area of a major aging disease, that of Senile Dementia Alzheimer's Type (which includes M.I.D., Parkinson's Disease, Pick's Disease, and Cruetzfield-Jacob disease) - we will:

1. Develop Support Systems such as networking, small group support, newsletter, and/or training of volunteer relief caregivers to assist in the home.
2. Provide for resource section in Conference Office Resource Center in the area of major aging disease - Alzheimer's Type. These resources will include books and audio-visuals for program development within the local churches.
3. Provide seed-money to develop a spring-board model for caregiver relief (patterned after Adult Day Care.)

Second - the area of accessibility for aging and handicapped, especially in churches.

1. Work with conference Resource Director to develop resource section on accessibility.
2. Offer workshop at Fall Event.
3. Provide churches within the conference some materials for evaluating and planning for increased accessibility.

Committee On City, Town And Country Work

City, Town and Country gave awards to three outstanding churches in the year 1984 at the 1985 Annual Conference. Both the churches and the pastors were honored during the award presentation. The churches receiving the award were:

Bethel United Methodist Church, Reverend Annette Sowell
Santa Anna United Methodist Church, Reverend Stephen Ramsdell
St. Andrews United Methodist Church, Reverend C. Frank Long

The awards presented were a plaque for each church and pastor. An additional award of $100.00 was also presented to the pastor for the growth of the pastor's personal library.

John A. Dirk, Chairperson

1987 Goals:

1. Continue the Small Church Awards to be presented in three categories:
   a. Churches of one to one hundred members,
   b. Churches of one hundred to two hundred fifty members, and
   c. Churches of two hundred fifty-one to four hundred twenty-five members.
2. Awards are to be as follows:
   a. Three plaques - one for each church;
   b. Three plaques - one for each pastor; and,
   c. Three plaques - one for each sponsor of a Holy Lands trip.
   d. Each pastor is also to receive a trip to the Holy Lands.

Committee On Education And The Advance

During 1985, as in the past, the Committee has promoted the support of Advance Specials, supported the Cooperative School of Christian Missions, encouraged district mission awareness programs and continued support of the Thanksliving Offering and the missionary support program.

The Committee has also worked in the area of refugee resettlement; coordinated the visit of John Ed and Carolyn Francis with 13 Japanese Christians in Project Encounter; and has planned a Mission Awareness Tour of the Southwestern United States for August of 1986.

1987 Goals:

1. Continue promotion of Advance Specials with emphasis on World Hunger and Volunteers in Mission.
2. Continue support of the Cooperative School of Christian Missions, encouraging participation of District Secretaries of Global Ministry, pastors and local missions chairpersons. To add a course to the Cooperative School to train local workers for mission, and a course in the Fall University for local interpreters of mission.
3. Continue promotion in local churches of the idea that each local church should become a full-supporting congregation of individual missionaries, with the goal of increasing such support by $100,000 in 1987: $50,000 for National, and $50,000 for World Division missionaries.
4. Encourage each district to have a mission awareness program during the year.
5. Sponsor and provide financial undergirding for a mission awareness tour of national dimension involving thirty-five to forty persons on a cost-shared basis.
6. Support the production of a Conference Mission News report of activities and events being done by the local churches and districts through the United Methodist Reporter.
7. Continue to promote and encourage support of the resettlement of refugees.
8. Produce a Catalog of Advance Special projects and missionary support for Conference-approved Advance Specials.
9. Hold an event for the training of District Secretaries of Global Ministry.

Recommendation:

We recommend that the following films be purchased for the promotion of Global Ministries:

"From a Dark House to One Filled with Light"

"We are a People on Mission"

Committee On Health And Welfare

During 1985 the Health and Welfare Committee expended most of its energy seeking to write relationship statements as legislated by the General Conference between the four institutions owned or partially owned by the Central Texas Conference. By the year end great progress had been made, but no institution's relationship statement was complete. The one closest to completion is Wesleyan Home.

We further sought to have a district Health and Welfare Representative appointed by each District Superintendent. At the present time this position has not been filled in every District.

Another accomplishment was the Fall University when representatives of the four institutions were present to present the causes of each institution. Although those present learned a great deal, the attendance was less than we anticipated.

Also during 1985 Harris Hospital circulted a questionnaire to the pastors in the Central Texas Conference. There was a 65% response. The question of most interest to us was, "Do you think the offering to Golden Cross will increase if churches can designate funds to hospitals in the Harris Methodist System in their area?" Thirty-five (35%) believed that it would. This questionnaire brings us to think about a change in the handling of the Golden Cross offering in 1986.

Annual Conference was a time of experimenting with a continued session of the Conference during the lunch hour with the lunch being furnished by the four institutions which the Conference owns. Each institution was allowed 10 minutes to present their cause. This was approximately five times the amount given in recent years. Each institution thought the session very helpful and we look forward to trying this agenda approach again in 1986.

Goals for 1987:

1. Actively participate in the work of the Board of Health and Welfare related institutions of the Central Texas Conference.
2. Use as many means possible to educate local church members about health and welfare needs within the Central Texas Conference and also those needs on a national level.
3. Promote the needs and programs of the health and welfare related institutions of the Central Texas Conference and the need for support of these institutions by:
   a. Making available the possibility of designating funds from churches to Golden Cross to the hospital of choice in the Harris System.
   b. Be certain that Health and Welfare ministries and concerns are uplifted in all District Training Schools.
   c. Encourage each local church to name a Health and Welfare representative.
   d. Serve as resource persons for local churches.
   e. Help each church understand the need and encourage each local church to take a special offering for the Health and Welfare Institutions.
4. Work with special committees to establish relationship statements with all of the health and welfare related institutions of the conference.
5. Support and evaluate the advanced clinical pastoral education program at Harris Hospital Methodist.
6. Support the work of the Health and Welfare Ministries Department of the General Board of Global Ministries and the United Methodist Association Health and Welfare Ministries, and attend their yearly conference.
7. Receive an annual evaluation from the Health and Welfare representative of each local church to be filed in the charge conference minutes and a copy sent to the conference committee.
8. Publicize the work of all area of Health and Welfare as well as possibility of accessability grants that may come available from conference or national.

Committee On Urban Ministries

Report for 1985

As members of the Urban Ministries Committee we have as our purpose to visit, monitor and get acquainted with the agencies connected with our committee.

We are indeed grateful for the $59,600.00 you, the Conference, provided for 1985 enabling us to carry on the work of these six agencies, and their satellites. These are the Inner-city Ministries, and Laura Edwards Early Christian Learning Center in Waco; North Fort Worth Cooperative Parish Newspaper and the Parish Visitor, Southside Area Ministry, Thompson's Chapel; and the United Community Centers in Fort Worth.

Looking to the year ahead, our committee is cooperating with the City, Town and Country Committee in sponsoring and supporting a Revitalization Workshop on April 18 and 19, 1986.

Working as a team, our committee is also compiling a booklet or brochure of information which will be helpful to the local church. This will provide a description of the location and work of the six agencies with which our committee now works.

We are likewise aware of the need to investigate new areas of vast and rapid growth in our conference, where new ministries may be developed.

Add to Report Found on Page 144 of 1985 Journal:

3. A representative from each district mission body or other appropriate agencies within the district shall be present at the January meeting of the Board of Global Ministries to make requests for any fundings within respective districts.

1987 Goals:

1. Lift up the agencies which are on the Advanced Specials of the Central Texas Conference.
2. Evaluate assist in implementation and continued support of existing Urban Ministries Projects in the Central Texas Conference:
   a. Inner City Ministry, Waco
   b. Laura Edwards Early Christian Learning Center, Waco
   c. North Fort Worth Cooperative Parish - Parish Newsletter and Visitor, Fort Worth
   d. Southside Area Ministries, Fort Worth
   e. United Community Centers, Inc., Fort Worth
   f. Urban Churches in Special Ministries - Thompson's Chapel, Fort Worth
3. Have a growing sensitivity to newly developing urban needs within the Conference.
4. Actively promote cooperative and ecumenical endeavors.

Harris Methodist Health System

Annual Report - 1986

Report No. 1
Chairman - President's Report

The Harris Methodist Health System, during the past year, registered significant accomplishments in the areas of hospital operations, alternative care, financial performance and in the provision of other healthcare related services. These activities have laid a strong foundation for the remainder of the 1980's, and beyond. It is this commitment and dedication that will allow Harris to continue to meet the needs of the people we serve.

Providing inpatient and outpatient hospital-based services remains the core of the System's operations. The construction of new facilities, capital expansion, and the addition of needed services highlighted the past year. Major efforts included the construction of new facilities, capital expansion and the addition of needed services highlighted the past year. Major efforts included the construction of the Sid Richardson Pavilion at Fort Worth's Harris Hospital-Methodist. The past year also saw the completion of a professional office building and the addition of an 8-bed rehabilitation unit at Harris Hospital H.E.B. in Bedford, as well as a 26-bed expansion and addition of intensive care services at Azle's Harris Hospital-EMASH.

Other physical improvements to System facilities during the past year included the addition of needed medical services at General Mexia Memorial Hospital, Mark-English Hospital in Glen Rose, and Decatur Community Hospital.

A major step was taken when the Board of Trustees of the Harris System approved the construction of a 60-bed hospital in the rapidly expanding southwest area of Fort Worth. This new hospital, scheduled to open in early 1987, will feature an emphasis on outpatient services, and will include a professional office building and fitness center.

The Harris Methodist Health System also made significant strides in the development of both a Health Maintenance Organization (HMO) and a Preferred Provider Organization (PPO.) The System has filed an application for a Certificate of Authority to operate an HMO in its North Central Texas service area. Once approved and successfully offered to System employees, this healthcare option will be offered to area businesses as an indemnified health plan alternative. Both options will provide quality, cost-effective health care in cooperation with established local physicians.

The System achieved a strong financial performance, largely due to the hard work of System managers and employees. Harris continues to operate from a stable financial base which has been augmented by the successful sale of a $115,405,000 bond issue.

This bond issue, which received an AAA rating from Standard and Poor's and Moody's, will be used to retire the System's 1982 bond issue, to provide financing for the construction of Walls Regional Hospital and Harris Hospital-Hulen, the renovation and expansion of Stephenville General Hospital, and for the refinancing of other System projects.

The System continued to expand and develop its health related services in the past year. These activities included the purchase of Meissner-Brown Ambulance Service of Fort Worth, which effectively expands the System's ground ambulance operations to over 200,000 people in Tarrant and Johnson counties. This acquisition compliments currently existing services, such as Harris Hospital-Methodist's CareFlite air ambulance operation.

The System also continued to expand its mobile diagnostic services through Medicall Ancillary Services Inc. (MASI.) MASI now provides mobile CT Scanning and other diagnostic services to several Systems and non-System hospitals in North Central Texas and Oklahoma.

The Harris Methodist Health System looks forward to a challenging and exciting future. The System will continue to explore both existing and new healthcare services for the residents of North Central Texas. We look to the future with confidence and optimism based on the philosophy that Harris' success will be assured by providing quality community health care services in a responsible, caring, and efficient manner.

R. E. Cox, III-Chairman, Board of Trustees
Ronald L. Smith-President

Report No. 2

"Meeting Today's Health Care Needs"

The Harris System is also working to provide its communities efficient and quality medical care at an affordable cost.

The development of the Harris health Plan will provide employers and employees with comprehensive benefits at a competitive price. Organized as a Health Maintenance Organization (HMO), the System will offer a complete healthcare system that combines both the delivery and financing of family health services. Members will only pay a monthy premium plus a small co-payment when healthcare services are received. Complete coverage will include office visits, diagnostic tests, vision and hearing exams, surgery, hospitalization, physicals, well-baby exms and emergency medicl care.

As another cost-effective alternative, the Harris Methodist Health System is developing a Preferred Provider Organization (PPO) which will be offered to business as an indemnified health plan. Both alternatives will offer quality healthcare at reasonable costs through System hospitals and established local physicians.

The Harris Regional Reference Lab supplies invaluable drug screening services for area employers such as the Fort Worth Police Department, and Santa Fe Railraod. Area employers can use lab services to screen for harmful elements in the work environment. The lab periodically conducts health fairs for various industries and groups.

The Harris Fitness Center offers a special physical fitness option to area business executives. This executive package consists of a complete physical, stress testing, laboratory testing, body/fat composition, nutritional assessment and muscle/strength assessment. A physician monitors the process and provides consultation to the participant.

Report No. 3

"A Leader in Healthcare Innovation"

During the time of medical treatment, a patient experiences a variety of service needs. The Harris System is a leader in offering services that provide patients with greater choice, shorter hospital stays and cost-effective care.

Harris Home Health Services smooths the transition between hospital and home. As a home health agency with a multi-hospital system, services are offered throughout the region and can be modified to meet the patient's individual need for nursing care, physical therapy, occupational therapy and speech pathology.

An organ donor and transplant program developed by Harris Hospital-Methodist brings new hope to severely ill patients.

Over 5,600 Texas, approximately 300 of whom are in Tarrant County, suffer from kidney disease. Many must endure weekly dialysis until a donor organ becomes available. This wait for a transplant opportunity can last several years.

The Harris donor program plans to help meet the needs for the vital organs while the transplant program will allow patients to stay in Fort Worth with their families, rather than traveling to another city for surgery. Harris will also share organs with the nation's other transplant programs to help the greatest number of people.

The Harris Hospital-Methodist Outpatient Radiology Center offers residents a convenient facility for early disease detection and assessment. Stressing convenience, outpatients can park, check in and receive testing usually within an hour.

The center is equipped with mammography and ultrasound equipment which are used in the diagnosis of diseases of the breast and othermedical conditions. Ultrasound equipment transmits sound waves through body tissue to produce an image for computer analysis. When used in breast cancer testing, ultrasound can distinguish between solid masses and liquid-filled cysts without the use of radiation. A variety of other applications exist including monitoring of a fetus inside the mother, detecting gallstones, and measuring the size of the aorta. Mamographic screenings of the breast often reveal cancers too small to be detected under normal circumstances.

Patient convenience is continually stressed through the development of outpatient centers throughout the system. Outpatient services range from routine medical procedures to advanced surgery. Surgical procedures currently performed on an outpatient basis include plastic surgery, biopsies and orthoscopy.

Report No.4

"Health Education a Top Priority"

The Harris Methodist Health System recognizes and fulfills its commitment to the people of North Central Texas by offering a variety of healthcare education programs. These activities enable the public to learn more about maintaining and improving their health. Classes ranging from childbirth to nutritional counseling are available from System facilities. Harris System hospitals also sponsor "fun runs" and health fairs, which offer health and education opportunities for the entire family.

Annual health fairs provide families with valuable health facts and few health screening programs. Marks-English Hospital in Glen Rose is among the many facilities to offer annual health fairs. Screening for cardiac risk, anemia, cancer, and booths from 20 health service agencies are just part of this yearly event.

Classes for inpatients and outpatients are part of the educational programs that diabetic patients receive. These classes help prepare patients to better care for themselves at home. Participants learn the importance of a balance diet, exercise and medication. Family members are welcome to attend and learn more about diabetes and its impact on loved ones.

Individual nutritional counseling is a service available throughout the System. Patients receive instruction on the best food sources to improve their condition. Personalized counseling enables the dietitian to help clients whether their need is related to a medical condition or simply to lose weight.

"Fun runs" quicken the pace each year at several System hospitals. Harris Hospital H.E.B. sponsored the "Run for Those Who Can't" last year, with proceeds benefiting the hospital's new rehabilitation unit. Memorial Hospital in Cleburne and Hamilton General Hospital also sponsor an annual run.

Education departments at many system hospitals offer a wide range of wellness classes to communities they serve. First aid, CPR and childbirth education classes are but a few of the programs sponsored by System facilities.

Report No. 5

"Modern Facilities are Key to Patient Care"

Modern, well-equipped, patient and visitor oriented facilities are an essential element in the delivery of quality healthcare. The Harris Methodist Health System has made major commitments in this important area, many of which will be completed, or nearly finished during the next year. These commitments will lead to improvved patient care and also position System facilities to meet the growing demand for outpatient and other non-traditional services.

Walls Regional Hospital will open for the residents of Cleburne, Johnson County and the surrounding area during the summer of 1986. The hospital, which will replace Cleburne's Memorial Hospital, will open with 112 beds and include room to add additional beds as the demand dictates. Walls Regional will offer expanded inpatient and outpatient services in a modern and pleasant environment.

Southwest Fort Worth is one of the fastest growing areas in Tarrant County, and its residents must travel to downtown Fort Worth for all hospital care. A System analysis revealed this area would support a new healthcare facility offering both inpatient and outpatient services.

With these facts in mind, the Harris System has begun work on a facility which will offer family-centered medical care to the residents of southwest Fort Worth. The 60-bed hospital will be located at the intersection of Bryant Irvin Road and Oakmont Court, just southwest of Hulen Mall. It has been designed to include an "outpatient mall" which will be accessible from a first floor atrium.

The broad range of services will include medical/surgical beds, complete obstetrics and gynecological services, intensive care, comprehensive outpatient services, a fitness center, and professional office building. Completion of the newest Harris System Hospital is expected in spring, 1987.

The Sid Richardson Pavilion is the final component of Harris Hospital-Methodist's $72 million expansion project. When completed in mid-1987, the building will house a state-of-the-art surgical complex, three floors of private patients rooms and a comprehensive 30-bed rehabilitation unit. The Richardson Pavilion has been designed not only as a functional healthcare stucture, but stresses an interesting and pleasant environment for patients, family and other visitors.

A large day room will be the focal point for the Pavilion's rehabilitation unit. It has been designed for many uses, including a community dining room, and group therapy. The dayroom will also open onto a rooftop sundeck for outdoor recreation. The basement of the Pavilion will contain a large therapy gymnasium.

An outpatient services area located on the first floor will be ideal for patients who can leave their inpatient rooms, but are still in need of therapy. The team approach of the unit's staff combined with new fcilities will offer the most up-to-the date rehabilitation services in Tarrant County.

The Harris Fitness Center, currently located adjacent to the main facility, will relocate to the Pavilion for additional space and conveniently located locker room facilities.

The Castleberry Memorial Chapel, to be located on the ground floor, will be open around the clock for use by patients and families.

The Pavilion will be linked to Mary Gibbs Jones, Harris Main and Haris Center facilities by a glass-covered mall area.

During 1986 Stephenville General Hospital will begin a $3 million expansion/remodeling project which will result in improvements in the facility's emergancy room, radiology department, intensive care unit, main entrance and visitor's lobby.

Report No. 6

"The Spiritual Emphasis in Patient Care"

Close ties to the Central Texas Conference of the United Methodist Church help System hospitals meet the spiritual needs of patients and employees. Harris Hospital-Methodist was originally founded in 1930 by the United Methodist Church and Dr. Charles Houston Harris. The church saw the need for a Methodist hospital to aid the sick. As the years have passed, the Central Texas Conference has maintained an active role in the development and structure of The Harris Methodist Health System. The System's spiritual heritage is seen in many of its activities.

The Golden Cross program is an annual offering given by congregations throughout the Central Texas Conference of the United Methodist Church. Golden Cross is also the name of Harris' charity care program. The offering is contributed to the Golden Cross charity care program and distributed throughout Harris System hospitals. Last year, approximately 3 million dollars in charity care was provided by the Harris System.

Chaplains provide regular worship services for patients, visitors and staff as well as services for special occasions. Counseling is also available for patients, family, visitors and hospital employees.

A recently developed church relations program is striving to create a stronger bond between System hospitals and the Central Texas Conference of the United Methodist Church. The program focuses on the role and support of church congregations within the Harris Methodist Health System. Church relations representatives from every hospital will be used as a source of insight and ideas.

The clinical pastoral education program at Harris Hospital-Methodist recently added a new dimension. Chaplaincy interns now work throughout Harris Hospital-Methodist, ministering to patients and their families. The presence of these interns allows the hospital to have a chaplain present at all times. This new CPE program gives chaplaincy interns invaluable supervised experience while also providing an essential service to the hospital.

System hospitals that do not currently have established pastoral care departments benefit from the cooperation of community ministerial alliances. These alliances work, under the guidance of Harris Hospital-Methodist Chaplain John Schaub, to develop volunteer chaplaincy programs.

This cooperative ministry seeks to meet patients' needs by encouraging interested clergy of all faiths to participate in ministering to patients and families on behalf of the local hospital.

Report No. 7

Relationship Statement of Harris Methodist Health System:

1. INTRODUCTION. The Harris Methodist Health System is a coordinated multi-institutional health care and related services system in the north-central area of the State of Texas. The System was originally created as an expression of the health and welfare ministry of the Central Texas Annual Conference of the United Methodist Church, and it continues to share the beliefs, goals and purposes of the Conference and the Christian Church. Its work is the physical expression of the Christian Church's underlying human compassion for those in need. The health care facilities and services provided by the institutions within the System are available directly or by referral on an inpatient and ambulatory basis for the medical needs of persons in the area they serve. It is the the belief of the System that institutions of healing are an essential aspect of the ministry of the Christian Church, having its origin when a Galilean carpenter brought healing to the blind, the lame and the helpless. It is His Spirit that has been behind every effort to heal the sick, and it is still His compassion and love that brings health to the whole person. There is no healing of the human body that is complete without the healing of the human spirit, and it is this spiritual dimension that sets the Christian hospital apart from others. Medical technology, which has come through Divine guidance and is administered through a Christian health care institution which makes its services available to all in need, is mankind's hope for a healthier tomorrow.

2. THE SERVICE AREA. The area served by the System is the geographic territory extending approximately 150 miles to the north, west, and south of Fort Worth, Texas. Specifically, the System's prime service area is composed of the following counties: Archer, Baylor, Bell, Bosque, Brown, Callahan, Clay, Coleman, Comanche, Cooke, Coryell, Dallas, Denton, Eastland, Ellis, Erath, Freestone, Hamilton, Hill, Hood, Jack, Johnson, Lampassas, Limestone, McLennan, Mills, Montague, Navarro, Palo Pinto, Parker, Runnels, Shackleford, Somervell, Stephens, Tarrant, Throckmorton, Wichita, Wilbarger, Williamson, Young and Wise.

3. RELATIONSHIPS WITHIN THE SYSTEM. The System consists of an affiliated group of nonprofit and for-profit health care and health care support organizations all of which are controlled, directly or indirectly, by Harris Methodist Health System, a Texas nonprofit corporation, which is the parent organization. The System looks to the Central Texas Annual Conference of the United Methodist Church as a source of spiritual guidance and as a source of interested and qualified persons who will support the missional goals and respect the high standard of care and operation of the System. The members of the Board of Directors of the System are elected by the Central Texas Annual Conference, and 25 of the 32 members are required to be active members of the United Methodist Church. However, the Board of Directors of the System is not amenable to the Central Texas Annual Conference. The Board of Directors has exclusive authority over and responsibility for any financial or legal obligation of the System. Neither shall the System have any authority or responsibility for any financial or legal obligation of the Central Texas Annual Conference.

4. THE MEMBER HEALTH CARE INSTITUTIONS. The following health care institutions are presently included within the System:

a. Harris Hospital-Methodist, a special care and general acute care hospital in downtown Fort Worth, Texas;

b. Harris Hospital-Hurst-Euless-Bedford, a special care and general acute care hospital in Bedford and Euless, Texas;

c. Harris Hospital-Eagle Mountain Area Suburban Hospital, a general acute care hospital in Azle, Texas;
d. Dublin Medical Center, a general acute care hospital in Dublin, Texas;
e. Decatur Community Hospital, a general acute care hospital in Decatur, Texas;
f. General Mexia Memorial Hospital, a general acute care hospital in Mexia, Texas;

l. Hamilton General Hospital, a general acute care hospital in Hamilton, Texas; and
m. Memorial Hospital-Cleburne, an acute care hospital in Cleburne, Texas.

It is recognized by the System that from time to time hospital affiliations may be changed or altered. The above list is not intended to represent a limitation. Rather, it is anticipated that new health care facilities will be added to the System as its health care ministry expands.

Each proposed affiliated institutions will be within or in immediate proximity to the service area; will have the clear capability to become financially viable on its own merits; will assure the System that there is a broad-based community consensus of the desirability for affiliation; will have the potential to provide a high quality of patient care equal to that of the other affiliated hospitals in the System; and will provide for a means to dissolve the affiliation should it be necessary. It is the System's steadfast goal to produce net revenues available for debt service equal to at least 110 percent of the System's total principal and interest requirement for each fiscal year.

5.THE HEALTH CARE MISSION. The System will provide high quality health care to its patients in as economical and efficient manner as possible without regard to race, religious, or sexual status, and without regard to financial status subject to the indigent care budget of the System. This includes maintaining, and when appropriate, improving, modifying, or creating, medical, ancillary, and diversified support services; expanding shared services arrangements; affiliating with other institutions through management contracts, lease agreements or purchase; developing health services delivery programs; and implementing preventive and restorative programs through health education and promotion. The System will maintain high competency among medical, nursing, clergy, management, and allied health personnel. Clinical education opportunities for medical, nursing, clergy, and allied health personnel will be provided by the System through its affiliated institutions. Medical education programs at each affiliated institution will be approved by each institution's medical staff. Research projects will conform to the policies and procedures of each affiliated institution.

In support of this health care mission, the Central Texas Conference shall, in turn, provide moral and financial assistance to the System's charity care program (Golden Cross) through a Golden Cross offering taken annually among all of its member churches.

Methodist Home

Central Texas Conference Annual Report

Administrator: Dr. Jack Kyle Daniels
President, Methodist Home Board of Directors: Dr. James Walker

Children get one chance at childhood. And what their childhood is has much to do with the kind of adults they will become.

The hungry child, the abused child, the troubled teenager — these, and many others, are the future. Wherever there is a need, the Church has a ministry. The children of the world need the ministries of the Church. The Methodist Home is a part of this ministry. The children of the world need the ministries of the Church. The Methodist Home is a part of this ministry as we served 623 children this last year.

As this year began, we addressed some of our particular concerns. We continued to provide worship and nurturing experiences to meet the spiritual needs of our students as we have for 96 years. Also, every student who completed the school year while living at Methodist Home passed their grade inthe 1984-1985 school year. We undertook organizational restructuring so that we could use our resources more efficiently and re-allocate

resources to meet other needs. The residential campus divisions were consolidated into two divisions and the Williams Home Unit was converted into an additional reception unit to expedite the admissions process at the Fondren Reception Center.

The Boys Ranch program was expanded to a total capacity of 50 boys with the opening of the new Turner Ranch House. This program for emotionally volatile and/or delinquent boys with moderate to severe behavioral and academic problems serves the fourteen to eighteen-year-old.

The Settoon Family Treatment and Education Center opened in the fall of 1984 at the Methodist Home Children's Guidance Center. It offers family therapy to the families of the children in the Methodist Home programs and training to ministers and other professional family counselors. During the last six months, 17 different families have received therapy in 74 different therapy sessions. Eight-four social workers participated in four workshops, with 35 clergy involved in six different workshops.

The attack against State licensing Minimum Standards for out-of-the-home 24-hour child care has begun again. Some church-related agencies seek exemption from the basic standards under the guise of separation of Church and state. Exemption to these groups would make null and void the licensing law, destroying the protective provess and opening the way for any group calling itself a religious organization to have a program of child care with no way to validate the protection and quality of care for children. Every child deserves a minimum standard of care. No group involved in child care should be exempt from the minimum standards provided through licensing.

All across our Conference, caring and dedicated people must make their voices heard and their views known to stem the onslaught against basic standards needed for children. The battles are never-ending and require constant vigilance and enormous energy. We must pray that we will not be worn down.

We look forward to an intensive time of self-assessment, peer review and evaluation of the total Methodist Home child care programs by our staff and Board of Directors. Seeking re-accreditation from the Council on Accreditation of Services for Families and Children of the Child Welfare League of America, we also at the same time will work to be recognized as a member of the new EAGLE PROGRAM of the United Methodist Association of Health and Welfare Ministries.

Children get one chance at childhood. We ask for your continued prayers and help for the sake of troubled children who need the ministry of Methodist Home.

Resolution in Licensing Child Care in Texas:
Date: February 7, 1986

The Methodist Home Board of Directors and the Methodist Mission Home Board of Directors request that the seven annual Conferences in their regular annual sessions take action to affirm the need for continuing minimum standards for child care. The Administration of the Methodist Mission Home and the Methodist Home are ready, willing and eager to speak to this issue as needed.

Your kind consideration and positive stand will be most helpful to those of who represent the annual Conferences as Board members and staff members of the Methodist Mission Home and the Methodist Home.

RESOLUTION ON LICENSED CHILD CARE IN TEXAS

During the last legislative session in Texas, a strong challenge was raised against statutes that establish minimum standards for child care and child placing, under licensing by the State Department of Human Services.

Several Church-related agencies sought exclusion from the standards under the guise of alleged interference with the practice of religious education or worship. Though fully licensed, Methodist Mission, Home, San Antonio, and Methodist Home, Waco, fully subscribe to the guidelines under which licensing maintains adequate standards of service to children, and witness that they have not experienced the difficulties reported by others.

Many might prefer fewer reviews and less scrutiny by State Officers, and we sometimes disagree over procedures and even principles. Nevertheless, we prefer this to a complete lack of standards. Licensed childrens' services provide competent, ethical, high-standard service to children.

Our principles stem from our basic goals: to insure that every child be given quality care and protection regardless whether such care is provided by a non-profit private agency with religious motivations and sponsorship, a state owned institution, or by a profit-making business organization operated with corporate interests and goals in mind. Only when licensing and regulation is vested at a level remote from local interest and influence, can reasonable assurances of protection for children be expected.

Therefore, be it resolved that the Central Texas, New Mexico, North Texas, Northwest Texas, Southwest Texas, Rio Grande, and the Texas Annual Conferences of the United Methodist Church affirm the defense and protection of rights and privileges of children needing care by other than their parents, and uphold the principle of licensing agencies, for purposes of caring and placing children, to protect minimum standards of care for every child in the care of other persons.

Methodist Mission Home

San Antonio, Texas
President/Administrator: Dr. Harold D. Burkhardt, 512/696-2410
Chairman of the Board of Directors: Dr. Don Pike

In 1986 the Methodist Mission Home, serving since 1895, celebrates its 91st year!

Ownership and/or Relationship to the United Methodist Church:

The Methodist Mission Home is owned and operated by a Board of Directors whose election is confirmed by the patronizing Annual Conferences.

Services Available:

Southwest Maternity Center

1. The Center gives option counseling for the pregnant unwed young women in both resident and non-resident settings; for those who choose to release their child for adoption we keep a reserve of some 60 couples approved who are ready to be chosen by our licensed agency as "the home the child needs."

2. The 1984 General Conference of the United Methodist Church meeting in Baltimore passed a resolution urging all those connected in any way with adoption to use a licensed adoption agency. This, of course, includes United Methodist hospitals, physicians, attorneys, pastors, birth mothers and prospective adoptive parents. The Methodist Mission Home

has long been licensed for child placing and brings a full service to all who need it in the adoptive triangle: the birth parents, the adoptive parents and most importantly, the child.

3. OUTPOST offices with part-time maternity counselors are located in various cities throughout the Conferences. Information regarding maternity services is always available through a toll free call anytime of the day or night at 1-800/292-5103 in Texas, and 1-800/255-9612 in other states.

4. In 1985 we served 14 maternity clients from the Central Texas Conference and 8 infants were placed for adoption in this Conference. In total, we had contact with 282 maternity clients, 113 came into our care; we cared for 93 infants and placed 84 of them and 9 older children for adoption.

5. For information regarding adoption, call on Wednesdays and Thursdays between the hours of 9:00 a.m. and 4:00 p.m. at 512/696-7021.

Southwest Center for the Hearing Impaired

This residential rehabilitation program, organized in 1974, served 148 residents in 1985, maintaining about 65 on campus at one time. Services are for young adults, 16 years of age and older, who are handicapped by a hearing impairment. The program includes evaluation of work abilities and aptitudes, personal social adjustment, counseling, structured residential living, life skills training and work adjustment training. Toward the end of the 18 months residential period, there is on-the-job training and experience in independent living. Clients served were from 9 different states.

Individuals wishing to help in this project that wil give the Mission Home a foothold on the future should contact the Mission Home.

How can the Annual Conference help the Mission Home?

1. Promote an offering through the local churches in the Fall. Set a specific goal of $35,000.
2. Invite a representative of the Home to your District meetings to promote the work.
3. Contact the Home directly for referral of maternity and deaf clients.
4. Contact the Mission Home regarding individuals who might be interested in longrange giving through Wills and Estates.
5. Place on the calendar: May 7, 1986, and November 6, 1986, and May 6, 1987, as Board of Directors dates.

Thanks to the Central Texas Conference

We appreciate the persons from the Central Texas Conference who serve on the Board of Directors of the Methodist Mission Home. We are grateful to the many lay persons and pastors who have been supportive of the ministries of the Mission Home.

The total Conference giving (seven Conferences) for 1985 was $287,387 of which $29,835 came from the Central Texas Conference.

We urge referrals of persons needing our services, so that with your support and your interest we will minister in a special way to those who come our way in need. Thank you.

Wesleyan Homes, Inc.

Sponsored by the Central Texas Conference

Wesleyan Homes, Inc. is made up of an Intermedicate Nursing Care Facility and a Retirement Home. The Wesleyan Nursing Home is proud of the high quality of care it provides for the residents of the home. Once again, the Wesleyan Nursing Home received a Superior Rating from the Texas Department of Health.

The Wesleyan Nursing Home is in the process of adding 82 beds to our current capacity. Construction on the nursing home began on August 29, 1985 and is expected to be completed in October of 1986. This addition to the nursing home will help us to cut down our waiting list and better serve the needs of the elderly throughout the Central Texas Conference.

The cost of the new expansion will be approximately 2.3 million dollars. We have received a number of gifts to help us defray the cost of the new expansion and we appreciate all contributions to this worthy cause.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

1985 Annual Report

How do you effectively measure campus ministry? You can count the number of students who pass through the doors of each local unit. You can attempt to locate the Methodist students on each campus. You can compare this number with the number passing through the doors. But numbers are not always the answer. How are the lives of the individual students being affected? Is this a nurturing, caring ministry? Is there spiritual enrichment? These areas are not always measurable, particularly at any one given time. Your Conference Board of Higher Education and Campus Minstry feels that most areas are being touched, and that many lives are being enriched on each campus being served. Thanks to the support you give through the apportionments to Wesley Foundations, Black College Fund, Texas United Methodist College Association, and Student Day Offering, we are able to carry on a vital program in campus ministry.

At present there are five Wesley Foundation Student Centers on as many campuses within the bounds of Central Texas Conference. There are three campus ministry projects in operation, and two Methodist institutions of higher education. The Conference Board is responsible for seeing that the church is in touch with the institutions and students of these various campuses.

To be better equipped to do the job that is ours, an intensive training program was offered during the Fall University. Ten of the twenty board members attended all or a part of this training presented by Allen Burry of the staff of the General Board of Higher Education and Ministry. Mr. Burry gave us the historic perspective of campus ministry, the organization of the conference board and how it should relate to the various units of higher education, funding possibilities, financial aid available through the United Methodist Church.

The Student Day Offering made it possible for the conference to award the fifth Conference Merit Award to Becky Phillips of First United Methodist Church of Coleman. Becky entered McMurray College for the 1985 fall term. The conference receives a ten percent rebate from the Student Day Offering to offer this scholarship to a first-time student entering a United Methodist college or university. The remainder of the offering is administered by the General Board through the Methodist Scholarship and Loan program.

One new campus ministry project was launched in the fall of 1985 at Texas Wesleyan College. Polytechnic United Methodist Church is the sponsoring church. This project has taken the form of dormitory Bible study. This is a weekly meeting of small groups for study and converstaion on the scriptures. The projects at Ranger Junior College and Hill County Junior College continue to operate effectively.

Goals for 1987:

1. Continue to develop new campus ministry projects while giving support to those now in existence.
2. Make the fall session of the Board an overnight meeting including student and board representatives and campus ministers from each local unit and project for the purpose of board training, conducting business, sharing fellowship and discussing roles and relationships.
3. Promote Student Day Offering.
4. Communicate with the Bishop and Cabinet and with the Boards of the respective campus units concerning commensurate compensation of campus ministers in comparison with other clergy appointed in the Annual Conference.
5. Ask local work area chairpersons to send to campus ministers the names and addresses of students from that congregation known to be enrolled at their institutions.
6. Restructure the Board, clarifying its function and its relationships to local campus units.

The Conference Board, the local Wesley Foundation Board, and the students at the various campuses are grateful for your continued support of campus ministry through prayers, gifts, and services. You make it possible for the United Methodist Church to be a visible entity on the campuses of our conference.

Apportionment Request for 1987:

The Board of Higher Education and Campus Ministry requests the following apportionments for 1987:

1. That for the Texas Methodist College Association it be increased from $1.58 to $1.60 times the membership of the conference.
2. That for the Wesley Foundation it be increased from $1.01 to $1.05 times the membership of the annual conference.

Report No. 1

WORK OF THE BOARD

Below are the areas in which the Board is working and/or will begin work this year:

Policies: You received a supplement to the 1985 Journal during the year with all policies of the Board outlined there. This is intended to be a tool for your use in all matters pertaining to qualifications and other policies of the board. We will request that it be printed in the 1986 Journal for your information. Keep it handy and use it when you have questions.

Recruitment: The board is working with the Division of Ordained Ministry in Nashville to establish a projection of ministerial needs in our conference for the next two decades. We will also meet in each district in August or September to outline the procedures for entrance into ministry in our conference.

Spiritual Development: An area of special interest in the Board has been the ministers' spiritual life. Representatives of the board attended a Spiritual Formation Seminar in Colorado this year. The Time Apart was based around this theme and the board is planning a Clergy/Spouse Spiritual Formation weekend November 28, 29. The board has also attempted to deepen our own spiritual life as we have given more attention to our spiritual life as a board and to the spiritual dimension of qualifying candidates for ministry in our conference. One outcome of this emphasis will be a two to three minute statement by each person being ordained an elder and/or coming into full connection to the conference at Annual Conference.

Candidacy: In response to a need expressed by our district committees and district superintendents we have conducted a training for supervising pastors for the candidacy process and will plan another one for 1987. We trained 69 persons as supervising pastors at this year's training.

Grant-in-Aid: Due to increased cost for seminary students the board has increased its support through grant-in-aid to $95.00 per semester hour for students in United Methodist related seminaries and to $35.00 per semester hour for students in non-United Methodist seminaries. The board continues the requirement that students who enroll in non-United Methodist seminaries must consult with the board before enrolling. All other policies for grant-in-aid remain the same.

File Policies: The policies and check lists provided last year are being organized into a consistent policy statement following the guidelines of the Division of Ordained Ministry in Nashville. These policy statements will govern the formation, use and disposition of all board files.

District Training: Last August the board trained district representatives on District Committees on Ordained Ministry and our district superintendents on the use of the check lists and qualifying procedures. We had one hundred percent participation. We will repeat this training this year for new district representatives and new district superintendents.

Candidacy Requirement: Paragraph 414.1 of the 1984 Discipline requires a person be a certified candidate (as opposed to inquiring or declared) for at least one year prior to being eligible for probationary membership. This has been a difficult paragraph to implement, but it will be followed and all persons who advise other persons entering ministry are urged to work out a time line utilizing the Discipline and the policy statements in the special supplement before informing a person seeking admission as to when and under what conditions they will qualify for particular steps. When questions arise, please contact the chairperson of the board for clarification.

Southwest Career Development: The board is a member of the Southwest Career Development Center in Arlington where clergy persons receive private, confidential counseling for career development. A member of our conference, Homer Kluck, is now a member of their Board of Directors. The Board of Ordained Ministry is also now doing all psychological testing through the center. For more information give them a call at (817) 265-5541.

Diaconal Ministry: The board continues its dialogue with the Board of Diaconal Ministry. We have met once this year in a joint executive committee meeting, sent representatives to one of their seminars and both boards will meet in a joint meeting under the leadership of consultant, Mike Murray, on August 25, 1986.

Ministerial Evaluation: The board is developing a pilot model for use by Pastor-Parish Relations Committees which will be tested this coming year and will be in place for use by all local churches by 1988.

Ministry Study: A Generative, Reflective, Educative and Theological group has been formed by Bishop Russell under guidelines of the Commission for the Study of Ministry appointed by the 1984 General Conference. This group consists of persons from the North Texas Conference and the following members of the Central Texas Conference: John Holbert, Tim Russell, William M. Longsworth, Ruth Huber-Rohlfs, Mary Weathers, J. D. Phillips and Dorothy Dahl. This group has met once to respond to the materials produced so far by the commission. The papers which we considered are printed in the May issue of the Circuit Rider. Members of the conference are urged to read those materials and make any response or suggestions to the persons listed above.

Retired Ministers: In order to meet the requirements of paragraph 453.4 of the 1984 Discipline and in order to better serve our clergy members, the board is meeting with the Board of Pensions and the retired ministers at their meeting at this Annual Conference to consider the formation of a Retired Ministers Association and to outline plans for a consultation seminar for those persons anticipating retirement.

Clergy Women - Clergy Couples: The board in cooperation with the Division of Ordained Ministry in Nashville and the cabinet has begun an exhaustive study of the status and role of clergy women and clergy couples in our conference. The study will culminate in a joint meeting of the board and cabinet on December 9, 1986.

Report No. 2

DUE PROCESS

A number of questions have surfaced since the 1984 General Conference concerning the due process for grievances. The Judicial Council has made several rulings concerning this process and we present here our understanding of the process with a glossary and flow chart:

Concerns: Although this is not a term used by the Discipline, initial concerns about the behavior or performance of clergy are usually heard as rumors, off-the-record phone calls, letters of criticism, and preliminary conversations with Pastor-Parish Relations Committee chairpersons. These are cause for attention from the district superintendent. Though these initial concerns may be off-the-record, they must not be anonymous or the district superintendent will have no way of verifying or validating the concern. Ministers especially are reminded of two important points. The first point is outlined in paragraph 404.4e, calls us to a high moral standard and growth in the grace, knowledge and love of God. The second point calls us to be a covenant body living in "mutual trust and concern" and to seek with each other "the santification of the fellowship." (paragraph 421.) Rumors and anonymous communications have little place in such a fellowship. We must also remember that throughout the process outlined in the Discipline the purpose is constantly and at all levels to be "reconciliation and restoration of the minister and strengthening of the Church." (paragraph 455.)

Grievance or Accusation: "Grievance" is a term used in paragraph 455. "Accusation" is a term used in paragraph 2623.3b. The district superintendent or other supervisory officer requests that the complaining person or group place in writing (signed) the specific nature of their concern. Experience among district superivisory personnel in the church has proven the importance of this written expression as a firm commitment to to the conern and a firm desire that there be resolution. The grievance initiates specific supervisory activity. It is the hope and intention of the United Methodist Church that the preponderance of such concerns will be handled in this first phase of supervisory response. If supervisory activity does not bring resolution of the grievance and if the district superintendent judges that the grievance is a problem which may be resolved through the administrative process described in paragraph 455, the district superintendent may refer the matter to the chairperson of the Board of Ordained Ministry who shall forward it to the Joint Review Committee. If, on the other hand, the district superintendent judges that the concern is an accusation rather than a grievance, and if one of the offenses in paragraph 2621 is specified, then the district superintendent shall take the concern in the form of a written accusation to the Committee on Investigation and the judicial process begun within 60 days. The district superintendent

may determine which process shall be initiated, depending on the nature of the grievance or accusation and the surrounding circumstances.

Complaint: This is a supervisory translation of a grievance when normal supervisory action has not produced the desired result. It is written and signed by the district superintendent. It is a more intense and involved response in order to bring about desirable change. It causes a response and action by the Joint Review Committee. A next level of intensification would be when a Joint Review Committee is unable to informally produce resolution of the matter. The complaint then is referred, perhaps with recommendations, to the Conference Board of Ordained Ministry for review and action by the "board of peers."

Charges: A formal, written, and legal statement produced by the Committee on Investigation leading to the convening of a Trial Court. Charges result when a Committee on Investigation receives material from the Board of Ordained Ministry either because the pastor in question has requested a trial or the Board of Ordained Ministry feels that is an appropriate response. Charges may also result from the presentation of an accusation from a district superintendent. Charges are not written unless the Committee on Investigation determines that there are grounds for a church trial.

MINISTERIAL CONDUCT

The Annual Conference of 1972 adopted a set of "Guidelines for Ministerial Conduct" and mandated that they be reprinted each quadrennium, assigning the task of reprinting them to the Board of Ordained Ministry. The last time they were reprinted was in 1982. Therefore, the following is a reprint from the 1972 Journal, page 110:

The United Methodist clergyperson of today considers himself/herself a professional of equal stature with the other professionals of our society. This professional image is produced by the degree of educational attainment and the competency with which the clergyperson fulfills his/her responsibilities both within the Church and community. In view of this, the following "Guidelines for Ministerial Relationships" are offered in an effort to provide the clergyperson with a definable boundary of conduct, with the intent and purpose being the strengthening of the bonds within the ministerial community, in order that all involved might render a more meaningful service within this ministry of love.

I. It is to be understood that the minister designated as "Pastor-In-Charge" (hereinafter referred to simply as "Pastor" and referring to that individual who has primary ministerial leadership responsibility while the term "minister" shall apply to any other clergyperson) shall perform or shall be in charge of all Sacraments, Acts of Worship and Rituals carried out within the parish unless circumstances prevent him/her from fulfilling this responsibility.
   A. A minister shall not perform any ministerial function for a member of a congregation without the express permission and direct personal invitation of the Pastor.
      1. If a family in a crisis situation desires the ministry of a minister other than the Pastor, said minister must be requested through the Pastor, who will arrange for his/her presence.
      2. In the case of funerals, weddings or other ministerial functions, if members desire the ministry of a minister other than the Pastor, said minister is to be requested through the Pastor, who will contact the desired member.
      3. Visiting ministers will assist the Pastor in a manner mutually acceptable to the member family and Pastor. The Pastor will be in charge of the service, NOT THE VISITING MINISTER. However, the Pastor shall retain the right not to assume direct charge as a matter of personal preference, or if he/she deems such an action as pastorally unnecessary.
      4. The Pastor shall assume the responsibility for the fulfillment of all disciplinary requirements listed in Paragraph 438.2 of The Discipline (1980 - "Duties of a Pastor"), in those instances where a visiting minister is involved.
      5. When a family which is not a member of or related to a local Church in their city calls a distant minister to conduct some ministerial function in a facility other than the local church, the minister out of loving care and concern, should contact the local Pastor before conducting the service.
   B. If a family contacts a potential visiting minister prior to consulting with the Pastor, the family shall be instructed by the potential visiting minister to consult with the Pastor, and no commitment shall be made until such a time as the visiting minister is contacted by the Pastor.
   C. If the Pastor is unavailable to minister to the needs of a family due to illness, vacation, or other extenuating circumstances, the visiting minister shall conduct himself/herself on the highest level of ethical behavior so as not to impair or injure the future ministry of the Pastor.
   D. The Pastor is to inform the Funeral Director regarding all arrangements for a service.

II. While realizing that ministers tend to build meaningful and lasting relationships with persons and families within a parish, visits in a previous pastorate should be held to a minimum especially during the first year. In turn, no minister should make suggestions as to what should or should not be done within the program or policy of a local church of which he/she is not the Pastor.

III. Retired ministers should abide by the same rules of conduct established for visiting ministers. They should accept the responsibility for the performance of any ministerial function only upon direct invitation of the Pastor.

IV. In the interest of assuring a smooth pastoral transition, the outgoing Pastor has the following obligations to his successor:
   A. Introduce him/her in a postive manner, utilizing the church newsletter and other means which are at his/her disposal.
   B. Arrange for responsible Lay Persons to meet with and acquaint the new minister with his/her new parish assignment.
   C. The outgoing Pastor should make it clear that the newly assigned Pastor will have the responsibliity of ministering to the congregation, and that he/she will no longer be available for such services.
   D. The outgoing Pastor shall explain to the local congregation, in a tasteful manner, the circumstances which produced his/her new assignment, i.e., if he/she had actively sought a new pastorate he/she should be honest enough to say so, or if he/she had agreed to a move which he/she had not sought, this, too, should be explained.
   E. In the area of finances:
      1. All church finances should be current and fiscal data file available for the new Pastor.
      2. A new Pastor moving to a new appointment following Annual Conference shall not receive salary from the local church for service after May 31.
      3. It is the Pastor's responsibility to see that all funds are expended only for the purpose for which they are contributed.
   F. All records should be in an orderly and up-to-date status.
   G. The parsonage shall be vacated by noon on "moving day." The incoming Pastor should not arrive prior to noon. The outgoing Pastor shall work with the Parsonage Committee to see that the parsonage is thouroughly cleaned inside and out, and that needed repairs are called to the attention of the committee prior to his departure.
   H. All utilities shall be paid through the departure date in those instances when the Pastor is directly responsible. In those instances where this creates a problem, the outgoing Pastor shall make arrangements with the incoming Pastor to pay his fair share.

V. If a Pastor is to be absent from his/her parish for an extended period of time, he/she should inform the congregation as to which minister(s) will be performing his/her pastoral duties. If no previous arrangements are possible due to sudden calamity, the District Superintendent should be consulted.

VI. The Pastor shall keep in confidence any privileged information which he/she should obtain.

VII. A minister shall have those rights and privileges of citizenship which are common to other citizens.
   A. A minister may hold elective or non-elective public offices of honor and trust if there is no time conflict between the holding of such office or positions and his/her relationship with his/her appointed ministry. The decision as to whether or not such a conflict does exist should be made by the minister in consultation with the Administrative Board (or equivalent governing body), the District Superintendent, and the Bishop.
   B. A responsibility of the minister is to give leadership on moral and social issues; and his/her leadership should not be circumscribed by the congregation to which he/she is assigned except in those instances where there is a direct conflict with the Discipline. Because of this leadership role, the minister should familiarize himself/herself with character-building institutions, social and professional service institutions and governmental resources in the community.
   C. In exercising citizenship rights and privileges, the minister should follow these suggestions:
      1. Be careful to identify personal positions taken on public issues as personal positions.
      2. If he/she presumes to speak for his/her congregation, he/she should be certain that his/her position is supported by action of the Administrative Board.

VIII. Although it is recognized that a certain amount of competitiveness promotes a healthy spirit of effort between local congrgations, no Pastor should make himself/herself party to an activity or undertaking which injures or detracts from the efforts of the Pastor of a nearby local church. A Pastor's discreteness at this point

should forbear his/her calling upon members of a nearby church who are actively involved or scheduling programs or activities which tear down or hinder similar programs or activities of a nearby church. In short, local church pastors serving in immediate proximities should seek to cooperate and complement each other, rather than hinder or interfere with each other's programs.

The responsibility was given to the Board of Ministries to see that the "Guidelines for Ministerial Relations" be published in the Annual Conference Journal once each quadrennium and that a copy of the "Guidelines for Ministerial Relations" be placed in the hands of each minister who transfers into this Annual Conference and each minister who is received into Probationary Membership of this Annual Conference.

   In the use of MEF monies for continuing education, priority shall be given to the funding of events held by the annual conference. Remaining funds are available to annual conference members serving full time, associate members and full-time local pastors who have completed the course of study. A diaconal and an ordained minister will be treated equally in requests for funds.

   Per diem costs will be supplemented on the same scale with maximum allowable grants being $150 per year for those earning below minimum salary ($600 per quadrennium), $100 per year for salaries up to $20,000 ($400 per quadrennium,) and $50 for salaries over $20,000 ($200 per quadrennium.)

3. Persons applying for grant-in-aid funds must complete a grant-in-aid application which includes a statement of intent.
4. The guidelines for granting monies is reviewed at least annually and includes that varying tuition scales and financial aid available at different schools, actual costs to the student, the student's income, the amount of monies available and the number of students making application.
5. Students attending schools other than United Methodist seminaries or Brite must have approval from the Board before MEF funds will be granted.
6. To be considered for additional financial aid above that established by the guidelines, a letter stating the amount and reasons for the request must be sent to the Treasurer of the Board, along with information on income. Decision will be made by the Executive Committee of the Board of Ordained Ministry which will be the Grant-In-Aid Committee.
7. Exceptions to these points may be made by 3/4 vote of the Executive Committee.

Report No. 3

The policy statements below and lists that follow are intended to help you take a look at the steps in qualifying for ministry in the Central Texas Conference of the United Methodist Church. Gathering them all together will allow you to look at the process as a whole. Listing them in order and outlining each step will allow you to look at each part of the process. It is urged that District Committees on Ordained Ministry, district superintendents, local churches and all ministers in the conference use these lists in counseling persons seeking admission into any form of ministry in our conference. In this manner we hope to present a consistent picture to these persons and perhaps prevent confusion.

Timelines

1. Anyone seeking any relation to the Annual Conference must write to the registrar of the Board of Ordained Ministry before September 1. The registrar will then provide the applicant with the appropriate forms and the specific deadline information for work to be done.

2. Psychological testing procedures are to be completed prior to December 15 and results in the hands of the registrar on December 15.
3. All materials required for completion of a candidate's file must be in the registrar's hands prior to midnight on January 15.

Report No. 5

POLICIES REGARDING CONFERENCE INTERN PROGRAM

History

The Board of Ministry in the 1976 Annual Conference first proposed the idea of a comprehensive Conference Intern Program as one of the requirements of admission into Elder's orders and Full Connection in the Central Texas Conference. The 1976 Journal (pp. 101-102) provided the ground work for that program and the 1978 Journal (pp. 107-110) described the program in more detail and gave expectations for each participant in the program: the probationer, the pastor/supervisor, the lay committee, the District Superintendent, the program consultant, and the growth group consultant.

After seven years of experience with this program several new situations have arisen which caused and will continue to cause misunderstandings between the Board and probationers who participate in the program. While the two conference journals cited above give detailed descriptions of the program, very little is included in those descriptions which guide the board in its decision-making function in regard to probationers who do not fit the expected mold.

The only guidelines present in the jouranls relate to those persons who have completed the Perkins internship: "Probationers who have completed a 2-semester Perkins internship or equivalent internship, are exempt from most of the program. However, there will be aspects in which their participation will be required." The last sentence in that quotation apparently referred to a series of three to five-day seminars in which the probationers would be introduced to the aspects of the conference's life and work. It is questionable whether or not this particular aspect of the program was ever initiated. At least since 1980 most Perkins graduates who satisfactorily completed a two-semester internship (or its equivalent in another seminary) have been exempted from all aspects of the program.

In addition to this, the board needs to address more completely the requirement for probationers who are in their second year of full-time appointment after seminary. The Conference Intern Program requirement has usually been fulfilled during the first year of full time appointment. The second year of full-time probation provides an excellent opportunity for continued growth for persons in process, but we have not yet developed a comprehensive program for this group.

This year (1984-1985) the board has created two policies which need to be grafted on to existing structures and policies. First, the board decided that a Conference Internship must be held within the bounds of the Annual Conference. Second, the board decided that persons who come from other denominations must fulfill a one-year's internship prior to their election to conference membership. These two provisions lifted up the need for a comprehensive policy statement regarding the Intern Program and, in the case of the second policy, may require a certain restructuring of program. For example, we need to deal with the question of whether our current Intern Program provides the best structure for a person who may have years of experience in the ministry of another denomination. We must remember that the program was originally designed for students fresh out of seminary training and in their first full-time appointment. The new policy may require more flexibility in the design of intern programs for persons coming to us from other denominations.

The above history requires that we ask and answer some important questions about our future dealings with probationers during their full-time appointment years:

1. Do we wish to continue the policy of giving blanket approval of the 2-semester Perkins internship in most cases? Our current policy does not allow provisions that the internship must be served in a particular setting, i.e., a local congregation.
2. What provisions will we make for a greater emphasis on the second year of full-time appointment of a probationer?
3. What provisions will we make for the "internship" served by persons coming to us from other denominations?

To answer these questions the following policy and programatic suggestions are given:

POLICIES REGARDING CONFERENCE INTERN REQUIREMENTS

I. All probationers must make written application to the Board of Ordained Ministery prior to the first full conference year after they have graduated from seminary. This application is specifically related to their participation in the Conference Intern Program.
   a. Application must include basic biographical data.
   b. Application must include a complete description of the internship that was served as a part of their seminary experience.
      1. Where the internship was served.
      2. Who the supervising pastor was.
      3. Was it a full-time position or was course work being taken while the student was employed as an intern.
      4. The name of the seminary sponsoring the internship.
      5. A complete description of the tasks performed by the intern in the setting.

II. The Intern Committee of the Board of Ordained Ministry will evaluate each application in the light of the following policies:
   a. A valid internship must be full-time and no course work may be taken during the time the student was employed in the setting.
   b. A valid internship must be at least 2 semesters in duration.
   c. A valid internship must be performed within the setting of ministry within a local church.
   d. A valid internship must have allowed the student a comprehensive opportunity to experience ministry in all aspects of the church's life and work: preaching, teaching, pastoral care, administration and the like.
   e. A valid internship must have contained supervision by a supervising pastor, a lay committee, a peer group, and a consultant from the sponsoring seminary.

III. If, in the judgement of the board's Intern Committee, the student has met the above requirements, he/she will be relieved of the requirements of participating in the Conference Intern Program. The student, however, must meet the following requirements:
   a. They will be assigned a supervising elder who will meet monthly with the probationer throughout the conference year.
   b. The agenda for these meetings will be set by the probationer and the supervising elder in light of the growth goals selected by the probationer.
   c. It will be the responsibility of the probationer to meet quarterly with his/her district superintendent to discuss their progress and growth.
   d. It will be the responsibility of the probationer to meet with other first-year, full-time probationers in at least four one-day seminars to be sponsored by the Board of Ordained Ministry. These seminars will speak to aspects of the conference's life and work such as:
      1. A seminar on the appointment-making process.
      2. A seminar with the conference council staff on the conference program.
      3. Seminars related to the institutional ministries of the conference
      4. A seminar dealing with the development of a program of continuing education for the first years of ministry.
   e. At the end of this first year these probationers must submit for their files:
      1. An evaluation by their supervising elder which reflects on the quality and content of their monthly meetings.
      2. A statement from the District Superintendent relating to the probationers functioning as a pastor in his district.
      3. A reaction paper from the probationer based on learnings from each of the one-day seminars. The papers must reflect the probationers attendance and participation in the event.

IV. If, in the judgement of the board's Intern Committee, the student has not met the above requirements for an adequate internship, he/she will be required to participate in the Conference Intern Program. That program will include the following:
   a. Assignment of a Supervising pastor with whom the student will meet in a supervisory session of 1-1 1/2 hours every week, dealing with a reflection document

written by the probationer about an act of ministry in which he/she has been engaged. This can take the shape of a verbatim, process note, critical incident, or other if so agreed upon. Of a maximum of 26 supervisory sessions a total of 20 must be completed for the probationer year.

b. Creation of a lay committee in the probationer's setting with which monthly meetings will be held to assist and assess the probationer's progress in the church.
c. The probationer will actively participate in all district meetings and meet monthly with his/her district superintendent.
d. The probationer will create a Learning Covenant with the assistance of all involved parties which will guide the process of the intern year.
e. The probationer will participate in monthly peer group meetings with the consultant.
f. The probationer's progress will be evaluated in both mid-year and final evaluations involving members of the lay committtee, the supervising pastor, the probationer, the growth group consultant, the program consultant, and members of the Board's intern committee, and the District Superintendent.
g. The student must sign a release making available to the Board of Ordained Ministry all pertinent materials from the final evaluation for the probationer's file.
h. The probationer must participate in the four one-day seminars offered during the year and prepare reaction papers based on learnings from each.
i. The probationers intern setting must be within the bounds of Annual Conference.

V. All second year probationers will be required to enter the folowing process:
a. They will be assigned a supervising elder with whom they will meet every other month during the second year of full-time probation.
b. The agenda for these sessions will be decided upon by the probationer and the supervising elder.
c. At the end of the second year the supervising elder must provide a written evaluation for the probationer's file.
d. The probationer must attend four one-day seminars throughout the year which will deal with various aspects of ministerial life and practice.
e. It will be the responsibility of the Board to design and implement these seminars.
f. The probationer must provide reaction papers based on each of these events for his/her file.

VI. All persons who apply to our Annual Conference for recognition of orders and conference membership must meet the following internship requirements:
a. They will be assigned a supervising elder with whom they will meet monthly for at least one year prior to their admission to the Annual Conference.
b. The content of these sessions will be based on United Methodist Doctrine, Policy, History, and life within the United Methodist ministry.
c. The supervising pastor will take special care that the person be helped with the filing of annual reports, Charge Conference, and other procedures unique to our system.
d. These persons will also be required to attend the four one-day seminars designed for first year full-time probationers.
e. They will provide for their file a report from their supervising elder, and a reaction paper based on each of the one-day seminars.

VII. The above would take effect with persons entering probationary membership and recognition of orders in 1985.
a. Decisions on persons currently in process will be based on the following:
1. If a probationer has completed a 2-semester Perkins internship (or its equivalent) within a local-church setting they will be relieved of the responsibility of participating in the conference intern program.
2. If persons do not meet the above criteria they will be required to participate in an internship within the bounds of our Annual Conference in a local church setting.
b. The board will begin offering the four one-day seminars in the 1985-1986 conference year for persons serving in their first and second year of full-time appointment.

VIII. Persons who seek an appointment in Methodist related churches outside the United States in one of their two years of full-time probation must submit to the following:

a. Contracting with a supervising pastor in the country where they are serving to meet with them monthly in a supervisory setting.
b. This supervisor shall provide the board an evaluation of the probationer's performance.
c. The probationer shall submit monthly reaction papers to the chairperson of the board's Intern Committee and these papers will be placed in the probationer's file.
d. The probationer shall submit a statement of his/her goals for learning in the setting prior to leaving for the overseas setting.
e. The probationer shall submit to an evaluation session with members of the Intern Committee within two months after returning from the overseas setting. The results of this evaluation session will be placed in his/her file.
f. It shall be the responsibility of the Intern Committee to maintain contact with the probationer while they are out of the country.

BOARD OF PENSIONS

Report 1

Your Conference Board of Pensions is charged with the responsibility of keeping up with conditions effecting the economic conditions of our retired ministers and spouses and making recommendations to the Conference concerning their welfare. We are charged with maintaining a Past Service rate of at least nine tenths of one percent of the Conference average salary. We are delighted to inform you that we are asking for the Past Service Rate for 1987 to be set at $251.00 per service year.

Our retired ministers and spouses continue to play an ever increasing role in the life of our churches and Conference. Many churches enjoy the warmth and support of those who have walked the road of servants of the Church for many years and are now sharing this rich experience with local churches and the Conference. Within our family of retired ministers, since our last Annual Conference, five (5) have moved from this life to life eternal and eight (8) spouses have followed to this eternal relationship. Their contributions have been immeasurable and yet they so lived and worked that their footprints shall remain with us forever. They are as follows: Reverend William L. Hankla, Reverend John Harper, Dr. Sidney Wayne Reynolds, Dr. Julian W. Sprinkle, and Chaplain Donald Welsh. Spouses: Nellie Cole, Gladys Morton, Nelda Patison, Caroline Patterson, Irene Seipp, Eloise Wormwood, Thelma Schulze, and Kate Pope.

Respectfully Submitted,
Richard E. Millsap, Chairman
Conference Board of Pensions

Report 2

At the October 30, 1985 Board of Pensions meeting a working Insurance Committee was appointed: Glen Whitley, chairperson, Richard Millsap, Kenneth Smith, Howard Robinson, Charlene Parks, Bob Beckman, William Greenwaldt and Ervin Gathings.

Since that time, the committee has met on a monthly basis.

The Insurance Plan has been changed from a Minimum Premium Plan to a Self-insured Plan. This means that a letter of credit (approximately $175,000) issued to Transport Life is no longer needed. Another reason for this change is the new laws adopted by the 1985 session of the Texas Legislature concerning benefits under group insurance. By changing to Self-insured we will be able to maintain benefits at our current levels and therefore also contain plan costs.

We recommend the following Benefit changes to be effective 1/1/87:

1. Well Baby Care - Normal nursery care during hospital confinment of the mother immediately after birth to be paid as an expense of the mother.
2. Generic Drugs - not subject to cash deductible and paid at the regular 80% level. A special claim form completed by the pharmacist verifying the following is needed: patient, physician, date, name of drug, volume/strength of drug, certification that drug is a generic equivalent.
3. Optional Second Surgical Opinion - not subject to the deductible and paid at 100%.
4. Outpatient Surgical Procedures - not subject to the deductible and paid at 100%. for both physician and facility.

5. Preadmission Testing - not subject to the deductible and paid at 100% provided that:
   A. The tests are approved by both the hospital and physician.
   B. The tests are performed on an outpatient basis within 96 hours (4 days) prior to hospital admission.
   C. The tests are performed at the hospital into which confinement is scheduled, or at a qualified facility designated by the physician who will perform the surgery.

   If, after hospital admission, the same tests are performed again prior to surgery, the Plan will not provide coverage for these in-hospital tests. If the tests are initially performed after hospital admission, regular plan provisions will apply.
6. Life Insurance and Accidental Death and Dismemberment Benefit increased from $5,000 each to $10,000 each.

We recommend the following to fund the program:

1. Conference Apportionment for 1987 - $362,791. This figure has remained the same since 1984.
2. A 4% increase in premiums paid by the plan participants to be effective 1/1/87: This would result in the following premiums for the indicated catagories:

   A. Lay Employees and ministers who pay the full premium

Single coverage	58.24
Family coverage	160.68
Dependent cost	102.44

   B. Ministers who pay 1/2 of the full premium

Single coverage	29.12
Family coverage	80.34
Dependent cost	51.22

   C. Ministers who receive Equitable Salary Support from the conference

Single coverage	23.30
Family coverage	64.27
Dependent cost	40.97

The committee feels that htese increases will keep the reserve at a very safe level- approximately six months of the projected cost for the Plan.

Respectfully submitted, Glen Whitley, Chairman Insurance Committee
Richard Millsap, Chairman Conference Board of Pensions

Addition to Report 2:

We further request the insurance committee of the Board of Pension to re-study the whole insurance program of the Central Texas Annual Conference so as to restore that portion of the death benefit to the retired members of the conference as recorded in the Hand Book for 1984-1985, page 2, titled "Schedule of Benefits." Such adjustment to be made in the interim of 1986 if possible and not later than the 1987 session the Central Texas Annual Conference.

An amount equal to 100% of the pension payments received by a retired minister, 100% of the disability benefit payments received by a disabled minister, during the year 1986 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church who is was a member of the Central Texas Annual Conference at the time of his or her retirement/disablility;

2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of the United Methodist Church or of any former denomination that is now a part of the United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minster's employer or other appropriate body, (2) the amount actually expended by the minster to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit will be taxable to the recipient beginning in 1984.

COMMISSION ON ARCHIVES AND HISTORY

Becoming more popular has its price! Increasing numbers of requests for archival information from local church members and ministers across the Central Texas Conference and beyond the Conference bounds are evidence of the interest in and concern for records of the churches and congregations in this area. For every letter the Commission can answer, there are four questions for which there is no record for reference. Each one of us can help to stem the loss of church records on the Conference level and in the local church. Ask about the records. See that they are kept. Provide a secure storage for them. Every step in the preservation of records today is worth a giant leap tomorrow. Though the town or community vanish, though yesteryear's church be merged or abandoned because of population shifts, each continues to live through its records and the inheritance it passes from one generation to the next. We would be much impoverished were not our ways made easier by those who shaped the paths that we might follow. Let us take care to leave accurate data, worthy hopes and plans, inspiration and courage in our written records that others coming after us may be enriched by our experience.

Care must be taken in all written records to give complete identification of persons and places, churches and meetings, reports and minutes. Churches within towns: Edge Park, Fort Worth, not Edge Park, Fort Worth West District. Churches outside city limits should add their county name for a distinguishing mark. Because districts disappear and are realigned, and circuits are rearranged regularly, churches with the same names become diffi-

cult to identify fifty to one hundred years later. Persons should use full names rather than initials, at least occasionally! Data we know all about today may be an unsolvable puzzle to records' keepers of tomorrow without our help.

The Rev. John Johnson, Vice-Chairman of the Central Texas Conference Archives and History Commission, is the newly-elected president of the Texas Methodist Historical Society. He will serve a two-year term in this important post, giving both time and leadership talent to guide the two-state seven-Conference organization. The Texas Methodist Historical Society and the South-Central Jurisdiction Archives Workshop are open to any interested persons. Each adds valuable education and information to our store of knowledge which in turn serves the Annual Conference.

During the Conference year 1985-1986 the Archives Commission authored a policy relating to the defining, accessibility, and management of restricted or sensitive records of the Annual Conference. The policy was presented to Bishop John Russell and the Cabinet members by Weatheford District Superintendent Michael Patison, Cabinet Representative for the Archives Commission. The policy was accepted as written, and is printed as follows:

Policy:

Restricted Materials in the Central Texas Conference Archives

An archives depository has a two-fold purpose:

1. To serve the corporate body, i.e., the Central Texas Annual Conference.
2. To serve the public.

Definition of Restricted Materials;

Restricted materials are those records of such a sensitive nature as to cause embarrassment, distress, or defamation of reputation to the church or to individual persons involved.

Length of Time of Restriction:

The maximum length of restriction shall be:

1. Twenty-five years after the occurrence of an incident involving a church or a church-related entity.
2. Twenty-five years after the death of the principal and spouse in an incident involving an individual person.

Access to Restricted Materials

Access shall be granted to the resident bishop of the Conference or to his authorized agent, to the principals involved, and to the immediate family members of the principal. In some cases serious researchers may have access, subject to the approval of the Conference archivist.

Disclaimer:

Neither the Central Texas Conference Commission on Archives and History nor the Conference archivist shall be held responsible for any litigation which might result from the use of restricted materials by those to whom access has been granted.

The Central Texas Conference has had the dedicated service of Mrs. Gene Allen (Pat) as major contributor to the task of compiling the Union List of Methodist Ministers and Spouses. The Union List is a directive from General Archives at Drew University, Madison, New Jersey, to all United Methodist Conferences, and all predecessor Conferences within the bounds of a present United Methodist Conference. Pat has done a monumental task of researching for biographical data on every minister, local and traveling, who has served this Conference, or any predecessor Conference within this area, since our establishment as a Conference in 1866. The same data is being gathered on each spouse. Copies of these lists will be sent to General Archives in Madison and to jurisdictional Archives, Bridwell Library, Perkins School of Theology, Dallas. The Central Texas Conference Archives will retain the Master Copy of the Union List and the original worksheets.

All Local Church Historians are urged to attend the Fall University on September 13, 1986. During the six-hour workshop each historian will work in a setting with an individual collection of archival items. Each will work from the first step of acquiring the items through the several steps of processing, describing, cross-referencing, and preservation to the final step of safe storage.

If yours is a church which has not yet conducted a Treasure Trace Round-Up to locate, assemble, and safely house its vital records which remain scattered throughout its building(s), 1986 is the year to do this. Further delay could mean loss of records. Paper is not static and unchanging. It is affected continually by the atmosphere around it, and

certainly by disasters such as fire, water, and severe drought. The people of the Church have been charged to do all they can to save their records of God's work in their midst.

Continuing goals of the Archives Commission include: preserving the records of abandoned or merged congregations/churches, preserving the records of the administrative and programming units of the Annual Conference, collecting records and papers of ministers and spouses of the Conference, and planning for permanent archival accomodation for the Annual Conference depository of records. If your local church has records fifty years old and older, and does not have adequate storage, you are invited to bring those older records into Conference Archives for safe-keeping.

Because of the recent availability of a space in the Polytechnic United Methodist Church, the Archives Depository now has a new temporary home. The Depository is open each Wednesday for research and for the systematic listing, cross-referencing, preserving, and filing of materials received. You may add historical materials to the collection by contacting any of the Commission members. We want to be of service to the Conference in the preservation of its records. We report all materials and records in the depository are safely housed and managed as of the present date.

Because celebration comes naturally to God's people and is becoming to all who dwell in His spirit, let us take the occasion of the Sesquicentennial of Texas to commemorate this 150th year by remembering our heritage as Christians and as United Methodists. Let us preserve the records which tell of the spirit of those who went before us to lay the foundations on which we build today and of which we dream tomorrow.

Jean Traster, Commission Chairman/Archivist

COMMISSION ON CHURCH GROWTH AND DEVELOPMENT

Report No. 1

The Annual Conference theme in June, 1980 was "The 80's, A Decade of Decision." It was at this Annual Conference that the Commission on Church Growth and Development was launched with the purpose of initiating, directing, and sponsoring a conference-wide plan of membership growth and church extension.

Since its inception, the Commission has been involved with carrying through its stated purposes, but also in awakening our people to the fact that we can actually shape our future for the better within our high population growth area. Dr. George Sawyer, a professor in futuristics, says: "The reason for attempting to forecast the future is to gain sufficient lead time before each event so that strategy can take effective action in advance. If we do not seek to understand the forces and events shaping the future, trends and events will of themselves create undesirable actions and reactions."

To fail to strategize, project and plan United Methodism's future would be to find ourselves in a situation described by Carl Sandburg:

"He took the wheel in a lashing roaring
hurricane
And by what compass did he steer the
course of the ship?
'My policy is to have no policy,' he said
in the early months.
'And three years later, I have been
controlled by events.'"

The Commission on Church Growth and Development has determined that the Central Texas Conference change its policy of having no policy in the shaping of our future in membership growth to one that reaches out with a plan to new people living in new communities. We are determined that as we look to the year 2,000 and beyond we will not be just "controlled by events," but we will shape our future in the name of Christ and the United Methodist Church. The strength of United Methodism in the Central Texas Conference is to be found in "making disciples" if we are to be a viable church of the future.

We now stand at the midway point in this "Decade of Decision." As we look back we can take some pride in our progress thus far. United Methodist members from all over the conference have responded to our invitation to participate in the "Partners in Growth" Share program. These United Methodist members are standing with us in providing nearly 8,000 shares at $45 each annually. It has been from these funds that seven new churches have been organized; four established churches relocated; three older churches made to be like

new; not counting the dozens who have themselves launched plans for reaching out and "making disciples" through our Church Growth Seminars. This backward look now reveals that after two decades of zero growth, our conference has moved upward by about 10,000 new members in the initial years of this decade.

A total of $1,451,803 of share funds have actually gone into these projects. Some ask, "Is new church development worth what it costs?" The only way we know to respond to this question is by taking a statistical look at these new projects.

1. Measured in number of persons reached -
   4,485 persons have united with these new churches
   956 have been professions of faith or 21% of the total
   2,092 have been transfers from other UM churches or 46% of the total
   (less than 1/3 of these have been from other local United Methodist churches)
   1,437 have been transfers from other denominations or 33% of the total
   And these churches have only just begun!
2. Measured in dollars given by these persons -
   $5,412,027 has been given for all causes (including apportionments) by these new persons through these new churches.
   And these churches have only just begun!
3. Measured in assets of these new churches -
   $10,559,913 in total evaluation (land, buildings, etc.)
   $2,390,272 is the indebtedness (owed by these churches)
   And these churches have only just begun!

IS NEW CHURCH DEVELOPMENT WORTH WHAT IT COSTS?

Try to project Items 1, 2 and 3 over the next five, ten, twenty-five, one hundred years and then ask if it is worth it.

The above has been a brief backward look at the first half of this decade, but we only look backward in order to take a forward look at the remainder of this "Decade of Decision" and beyond.

The following facts are before us:

1. We still live in one of the most favorable areas for population growth in our nation, with our conference moving toward the projected doubling of population. What this could mean to United Methodism and the mission of Christ is absolutely phenomenial, but it will take more than just organizing a new church each year in new and expanding communities - it will require each local church reaching out to new areas in vitality and outreach to people.
2. 90% of the churches in the Central Texas Conference have plateaued and are either smaller or no larger than they were at the end of their first ten years of existence. The really sad part of this is that well over half of these plateaued churches are sitting in the midst of tremendous population growth. Both ministers and lay persons must that a look at themselves to ask "Why?" and then be willing to become renewed in Christ and His Great Commission.
3. Studies reveal that the vast majority of our churches stay small because:
   1) The members and clergy like it that way.
   2) The members and clergy do not feel they have potential for growth.
   3) The members and clergy refuse adequate stewardship education and pledging.
   4) The members and clergy are "survival" oriented rather than "mission" oriented.

   These four facts of "no growth" revealed in studies are simply saying that the Great Commission of Christ is not a priority.
4. We now know that growth or "making disciples" comes through organizing new units (new classes, new small groups, and new churches) yet the fact remains that we continue to disband classes, rather than organizing new ones.
5. Pushing out from the metroplex, new communities continue to spring up where large developments hold 20,000 to 80,000 new people and no United Methodist Church. In the past we have hoped that these new people would find their way into established United Methodist Churches, but studies reveal that they do not. A new United Methodist Church built within their community does reach them quickly.

The Capital Funds Campaign now is progress within our conference will provide the purchase of some priority sites and will get us through a "site crisis" so that wise purchases can be made out ahead of where we know new communities will exist beyond the year 2,000. The need for capital funds is a must, but the continuation of shares is also a must. Capital funds will provide the needed sites, but shares enable new churches to be

formed by providing pastoral salaries, housing, worship space and congregational program support until these new church can be self-supporting.

So, the work of the Commission on Church Growth and Development is clearly outlined for us and we are committed to the task. We ask that the conference membership continue to stand with us in the shaping of our future. Our greatest accomplishments are not to be found in the first half of this decade but in the last half, and beyond. When every United Methodist becomes caught up in making disciples and becomes involved again, we will see the accomplishment of John Wesley's dream for us, "the Wesleyan vision spreading like an unquenchable flame from coast to coast."

James Shuler, Chairman, CGD
Ed Otwell, Director, CGD

Report No. 2

CHURCH GROWTH AND DEVELOPMENT GOALS BEING MET

The Commission on Church Growth and Development was launched by the Central Texas Conference in June 1980 with some specific tasks to accomplish. These tasks had to do with a conference-wide plan of church extension and revitalization and growth of our existing churches.

With these tasks in mind, the commission organized and set some specific goals. Now after six years we can say that our goals are being met.

The following is a brief summary of Church Growth and Development's accomplishments during the first half of this "Decade of Decision."

SIX NEW CHURCHES IN THIS DECADE: 1) Genesis UMC in southwest Fort Worth; 2) Campus Drive UMC in southeast Fort Worth; 3) Korean UMC in Killeen, Texas; 4) St. Philip's UMC in Round Rock, Texas; 5) Grace UMC in Arlington, Texas; and 6) St. John the Apostle UMC in south Arlington.

PLAN OF FINANCING CHURCH EXTENSION: The "Partners in Growth" Share Plan was instituted conference-wide in February 1981. This plan, providing about $1,800,000 in five years, has made church extension projects possible.

Now, we have seen the launching of the Capital Funds Campaign in 1986 in order to buy priority sites where we know new churches will be needed in the next two decades.

CENTRAL TEXAS CONFERENCE MEMBERSHIP GROWTH: A plan of Church Growth Seminars was launched in the summer of 1980. At the end of 1985, 169 local church seminars had been experienced. These seminars, along with the establishing of new congregations, and a conference-wide awareness of our possibilities has brought a membership growth of 10,000 new members to the Central Texas Conference after two decades of no growth.

REVITALIZATION OF LOCAL CHURCHES: A plan wherein a small amount of money can enable an existing congregation to revitalize with new development or relocation has helped the following churches: Watauga UMC, St. James UMC in Temple, Oakdale UMC, Early UMC, and First UMC in Round Rock.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

The Commission on Christian Unity and Interreligious Concerns met twice this past year. We felt that it was important to emphasize Christian Unity by placing two articles in "The United Methodist Reporter:" one preceding the Week of Prayer for Christian Unity and one during the Week of Prayer for Christian Unity . The Commission voted to make a video report to the Annual Conference, specially emphasizing Christian Unity events and programs throughout the conference. The Commission also began plans for the Fall University for 1986. A delegation to the Texas Conference of Churches represented the Conference in San Antonio February 17-19. The Commission has felt that it is important to emphasize the work of the Texas Conference of Churches, National Council of Churches and World Council of Churches.

Rev. Jan K. Cain, Chairperson
Rev. Edward Smith, Secretary

Place/Places: Fall University
Financial Arrangement: Budget

BE IT THEREFORE RESOLVED that the Central Texas Conference directs its Commission on Christian Unity and Interreligious Concerns to initiate dialogue with Grace Presbytery and other denominational judicatories in order to expand cooperative programs and ministries within the bounds of the Central Texas Conference.

COMMISSION ON EQUITABLE SALARIES AND CLERGY BENEFITS

Report No. 1

Equitable Salary and Temporary General Aid Fund

There shall be a program of Equitable Salary Support in the Central Texas Conference under the management of the Commission on Equitable Salaries and Clergy Benefits. This program shall be patterned after paragraph 722 of the 1984 Discipline. Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Salary and Temporary General Aid Program.

1) The commission recognizes the necessity of coordinating all salary subsidy; therefore, the Conference Treasurer shall inform the commission on any salary grants by other conference or general church agencies, so it may coordinate salary supplements through the Commission on Equitable Salary and Clergy Benefits for that portion not covered by any other source.

2) A prerequisite for consideration of salary supplements from the Equitable Salary Fund shall be the filing with the commission of a written application by the District Superintendent. The District Superintendent shall certify classification of the pastor and the salary (salary, travel, and utility) set by the charge. The application form will be supplied by the commission.

3) Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the commission. Approved supplements shall then be paid on a pro rata basis for the part of the year actually served.

4) The following conditions must be met by the pastoral charge before its pastor can become eligible for consideration to receive salary supplements from the Equitable Salary Fund.

a) The pastoral charge shall have conducted an Every Member Canvass for the local church budget of each of its churches during the previous conference year.

b) All apportioned items shall have been paid in full for the previous conference year.

c) The charge must have at least 100 members.

In unusual situations the Commission on Equitable Salary and Clergy Benefits may waive any or all of these conditions.

5) The Commission on Equitable Salary and Clergy Benefits will pay any amount up to 1/3 of the minimum salary as set by the Annual Conference for each applicant according to his/her ministerial classification.

If any exception under paragraphs 4 of 5 is sought, the request must be endorsed by a 2/3 vote of the Cabinet before it can be considered by the commission.

6) Beginning in calendar year 1984 an "Incentive Plan" was used in figuring equitable salary payments within the following clarifications and guidelines:

a) The objective of this plan, as with all minimum salary support, is to strengthen the work of the local church. The goal of this plan is to allow and encourage local churches to increase ministerial support of their pastors, allowing the pastor in the appointment to receive the benefit of increased income from the local church without losing the support from the Minimum Salary Fund.

b) Ministerial support increases by the local church during the tenure of one pastor shall be added to the total allowable income for the pastor durring the duration of the appointment relationship of that pastor with that church, subject to renegotiation with the commission at the end of a three year period.

c) Whenever a change in pastoral appointment occurs, or at the end of the Incentive Plan agreement, the charge is to maintain their local church's existing level of ministerial support. With regard to equitable salary support, at such time as a change in their appointment occurs, the charge will return to the base minimum salary for which the new minister qualifies, if such support is still below the minimum salary base.

7) Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 1986. Rates of adjustment will be considered annually by the commission, rather than establishing automatic adjustments.

	1987
a) Elder, Full Connection	$ 17,000
b) Associate Member	14,000
c) Full-Time Local Pastor	12,500
d) Probationary Member	
1) Non-student living on charge	14,000
2) Student living on charge	12,500
3) Student not living on charge	10,000
3) Student Local Pastors	
1) Living on charge	11,200
2) Living away from charge	8,600

8) Pastors who are appointed to less than full-time service as addressed in the 1984 Discipline, (p442.2) shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in pastoring the charge. For example, if the pastor is deemed as serving 1/4 of full time, his minimum salary eligibility would be 1/4 of the minimum of his conference relationship classification. The categories of 1/4, 1/2, and 3/4 will be followed in terminining less than full time eligibility for salary supplements from the Equitable Salary Fund.

9) Seminary students who are serving pastoral charges and receiving Equitable Salary Supplements are eligible to receive $1.00 per mile, round trip each quarter, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the commission, and paid quarterly to the seminary student pastor.

10) Ministers who are not eligible for salary supplements are:

a) Those whose appointment is other than pastor of a charge.

b) Those classified as part time local pastor.

c) Retired ministers.

d) No pastor shall be eligible to receive salary supplements from this fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in a present appointment.

Report No. 2

Moving Expenses

1) We recommend that the conference pay the greater of $200 or $3.00 per mile for the first 100 miles and $1.00 per mile additional after the first 100 miles with no maximum within the bounds of the Annual Conference. The receiving charge is expected to pay any remaining balance of the actual moving expenses.

2) We further recommend that the procedure of filing correct forms with the Conference Secretary/Treasurer be continued.

3) We do, however, expect every receiving charge in the Annual Conference to pay the moving expense of the new minister in excess of the allowance and it must be the responsibility of the District Superintendent at the time of consultation to inform the church of its share of this obligation.

4) We recommend that the conference pay the moving expenses of a retiring minister within the boundaries of the conference. This reimbursement will not exceed $500.00 over the amount paid in acticle #1.

Johnny L. Swaim, Chairman
Patricia Stroman, Secretary

COMMISSION ON RELIGION AND RACE

As a monitoring and advocacy agency with the conference the commission is addressing three tasks during this year and will in all probability continue into another conference year.

Three task forces were given the task to (1) develop a strategy to enable our Annual Conference to move toward open itinerancy, (2) monitor boards and agencies of our conference to determine the extent that boards and agencies of our conference are addressing the Missional Priority in our programming, (3) to develop a rational and guideline for local church in becoming inclusive in their ministry.

During the conference year 1986-87 the commission will provide a training event for district Religion and Race representatives, district superintendentts and DCOM chairpersons. The purpose of this would be to provide information and support for the work of the commission on a district level. Also the commission is recommending each district provide a training event for the local church chairperson on Religion and Race by October 1 with a response being returned to the conference commission by October 31.

Robert H. Briles, Chairperson
Annie Dobbins, Secretary

Recommendations:

1. The Commission urges the Annual Conference to continue to monitor the boards and agencies to determine if there is inclusiveness expressed in our programming.
2. The Commission urges the Annual Conference to make inclusiveness a continuing agenda item.
3. The Commission supports the EMLC comprehensive plan recommended and approved by the last Annual Conference.
4. The Commission urges the agencies of the Annual Conference to address the issues of justice, peace, adequate employment, housing, hunger and South Africa.
5. The Commission urges local church committees and agencies to develop statements on inclusiveness as related to their local community.
6. The Commission encourages exchange and cooperation among ethnic groups.
7. The Commission encourages the Annual Conference to develop a statement on open itinerancy.

COMMISSION ON STATUS AND ROLE OF WOMEN

Our commission serves to fulfill the affirmation in the Social Principles of the Book of Discipline (72,f) that "women and men are to be equal in every aspect of their common life. We therefore urge that every effort be made to eliminate sex role stereotypes in activity and portrayal of family life and in all aspects of voluntary and compensatory participation in the church and society." This affirmation continues in the Discipline, delineating more specifically the meaning in this statement.

In keeping this statement as a commission this year, we have explored the changing role of women and the impact which this has on the changing role of men. We sponsored a workshop at the Fall Event which looked very closely at the shared journey. We have also had members of COSROW speak at various meetings at local church and district levels. We are cooperating with the Commission on Religion and Race in monitoring inclusiveness within our districts and conference leadership and committee responsibilities. As persons have sought clarification from our commission on issues relating to women, we have cooperated to answer those questions or seek clarifying information with them.

On a lighter note, we will again host the hospitality room at Annual Conference at the request of those who enjoyed its quiet space and helpful handouts last year.

Our 1987 goals include developing multi-media programming resources for use with teenagers and young adults as we encourage our young leaders to fully develop their God-given gifts and to specifically consider the use of their gifts in church or church-related vocations.

To better meet the needs of all persons within the conference, we will develop and evaluate results of a survey of needs of women in the Annual Conference.

We encourage churches to continue to affirm the role of women in the local churches in leadership positions as well as at the district and Annual Conference levels. We continue to encourage the participation of local churches in "Woman in the Pulpit" Sunday and have as a goal for more than 50% of our churches to take part this year. We will offer a sem-

inar at the Fall Event which will further empower leadership in the Annual Conference, especially among women.

We thank the members of the Annual Conference - too many to name individually - who supported our Commission with their prayers, encouragement and openness to inclusiveness.

Respectfully submitted,
Rev. Jane B. Lovett

COMMUNICATION AND INTERPRETATION COMMITTEE

The Communication and Interpretation Committee was re-organized this year into six (6) sub-committees in an attempt to be more effective and intentional in overseeing the diverse communications of the Central Texas Annual Conference. Following are the primary accomplishments of each sub-committee.

Radio and Television Sub-Committee researched the feasibility of placing spots on radio and television advertising the United Methodist Church in the Central Texas Conference. The findings are that television spots (June '85 prices) per 30 seconds varies among the television stations. KXAS is $275 to $3800-$4000 (10 pm); WFAA is $400 to $5200; KDFW is $250 to $4400. Radio ads in the Metroplex run from a high of $650 to a low of $170 per spot. Newspaper ads run from $32 per column inch in the Star-Telegram to $84.38 per column inch in the Dallas Morning News. These costs far exceed our past budget requests.

This sub-committee also promoted the new UMC television program "Catch the Spirit" which airs weekly on CBN. Letters were written to the district superintendents and the district representatives to encourage them to promote this program by contacting local cable stations and by advertising "Catch the Spirit" in the local churches. Articles on "Catch the Spirit" were written in "The United Methodist Reporter." In addition, tapes of the program were secured and are available to all districts in the Conference.

The Resource Center Sub-Committee continued to promote an awareness and the availability of the resources in the Conference Office. Reports are found weekly in "The United Methodist Reporter" and in the coordinated mailings describing new resources and their availability. A list of revitalization resources pertinent to each of the four program boards has been compiled and is available in the Conference Resource Center. A list of audio-visual materials for each work area will be distributed at the 1986 Annual Conference.

The Computers Sub-Committee developed a packet for using computers in the local church. The packet contains: what a computer will do for you in your local church; some do's and don't's in buying a church computer; software possibilities designed for church use; hardware possibilities; and a listing of local churches, lay persons and pastors who are using computers. This packet will be available at the 1986 Annual Conference.

News Media Sub-Committee evaluated the current style of the Central Texas Conference edition of "The United Methodist Reporter" and suggested changes and ways to implement the changes so as to enhance the readibility. This sub-committee also evaluated the problem of limited readership of the "Reporter" in the Central Texas Conference; suggested ways to increase the reading audience; and tested the suggestions in limited market settings. The results are now being evaluated.

The Mission Interpretation Sub-Committee continued to interpret the Missional Priority, Benevolence, Missionary Support and Advance programs to the local churches within the Central Texas Conference.

The Training Events Sub-Committee sponsored a three (3)-hour workshop at the 1985 Fall University for those interested in improving their local church newspapers. This sub-committee also attempted to encourage and to support the District Communications Chairpersons sponsor training for the local church Communications Committee Chairpersons in District training events.

1987 Goals:

Communications and Interpretaion Committee: To be more intentional and effective in developing a network of local church and District Communications Committee with the Conference Committee for support, training, and information sharing. Specific goals are listed by each sub-committee.

Radio and Television Sub-Committee:

1. To have "Catch the Spirit" shown in every district in 1987;
2. To recommend that the Conference purchase and use "Catch the Spirit" bumper stickers throughout the Conference (one bumper sticker is provided in the packet available at the 1986 Annual Conference);

3. To upgrade the enthusiasm for, and the financial commitment to, television programming in the Central Texas Conference; and

4. To use public spots on radio and television (as they are already available) and to place ads on the Arlington Telecable through First UMC, Arlington and through the television programming of First UMC, Ft. Worth.

The Resource Center Sub-Committee:

COMMUNICATION INITIATIVE - RESOLUTION

Background:

1. On August 3, 1985, the ACCOM Executive Committee established the development of a program to publicize the United Methodist Church within the bounds of the Central Texas Conference in an effective and comprehensive way as a long-term goal.
2. At that time the task of research and development was assigned to our Committee on Communication and is reflected in their report.
3. At the spring meeting of ACCOM that committee presented a proposal for a modest initiative projected to cost $25,000 in 1987. The proposal was to focus on three major church seasons (Advent, Lent, Thanksgiving) and would include:
   - 3 - 1/2 page ads in the Star-Telegram
   - 10 - 30 second TV spots, 6 - 7 a.m.
   - 5 - 30 second TV spots, 5 p.m.
   - $4,000 to assist districts and/or clusters of churches in local or regional efforts.
4. ACCOM enthusiastically accepted the recommendation with one dissenting vote and included the initiative in its proposed 1987 program and budget.
5. Upon learning of the inflexible 4.5% increase adopted by the Council on Finance and Administration, the ACCOM Committee on Coordination and Budget responded with understanding by reorganizing its budget request. The one primary result was the removal of this major new initiative.

6. Because of the Executive Committee's commitment to the communication effort and because of availability of adequate reserve funds, it has voted to expend a majority of its reserves to fund this initiative if and only if the conference will endorse the program and commit itself to fund the continuation of the initiative if the evaluation of the first modest effort justifies its continuation. The Executive Committee feels it would be unwise stewardship to invest a majority of itts resources to fund an effort whose future would be doubt-filled.

Therefore, we move that the Central Texas Conference endorse

(1) initiation of a mass communication effort to be directed by the Committee on Communication beginning in 1987 utilizing ACCOM reserve funding for that year and the
(2) continuation and development of this program, if justified by evaluation, through the Annual Conference budget.

COMMITTEE ON CONFERENCE LAY EMPLOYEEE BENEFITS

We recommend that a Standing Committee for Conference Lay Employee Benefits be established (Annual Conference Council on Ministries office; Church Growth and Development office; Council on Finance and Administration office; hereafter referred to as Conference Lay Employees).The purpose of the Committee will be to recommend a uniform policy of employee benefits including, but not limited to, salary schedules and insurance and retirement programs in the best interest of both the employees and the Conference. Any policies recommended shall be brought to the governing bodies of the three groups - ACCOM, Church Growth and Development and Finance and Administration - for approval, and implementation as mutually agreed. Request for funding and implementation shall be presented to the Council on Finance and Administration for budget requests for 1987 and years following.

We recommend that the Committee be made up of nine members including the directors of the three conference offices; three conference lay employees to be selected by the governing board of each office; and three lay persons nominated by the Conference Nominating Committee and elected by the Annual Conference.

We recommend that the three lay persons and three conference employees be divided into classes as follows:

1986: 3 conference lay employees - two to serve a two-year term; one to serve a four-year term;
3 lay persons - one to serve a two-year term; two to serve a four-year term
1988: 2 conference lay employees to serve a four-year term
1 lay person to serve a four-year term
1990: 1 conference lay employee to serve a four-year term
2 lay persons to serve a four-year term

No person can serve for more than two consecutive terms.

It is also recommended that the chairperson be nominated by the Annual Conference Nominating Committee and that the remaining officers be elected by the Committee.

It is moved that those lay employees of the Annual Conference not now covered by the Pension Plan administered by the General Board of Pensions, be included in that program effective on January 1, 1987 and that all lay employees of the Annual Conference be included in the Hospitalization Insurance Plan, with the premium for the employee only be paid by the conference and this also to be effective Janaury 1, 1987.

COMMITTEE ON COOPERATIVE CHURCH DEVELOPMENT - SOUTH ARLINGTON

RESOLUTION TO THE CENTRAL TEXAS CONFERENCE

Whereas, in 1975 The Grace Presbytery of the Presbyterian Church and The Central Texas Conference of the United Methodist Church adopted a covenant, as a guide for the purpose of estblishing new churches in South Arlington; and

Whereas, the covenant provided for the establishing of a United Methodist Church first under United Methodist administration and a policy with everyone uniting with the church becoming United Methodist; and under these guidelines St. Barnabas Church was established; and

Whereas, the covenant further provided the same guidelines for the establishing of future churches, with the stipulation that the next one would be a Presbyterian Church

under Presbyterian administration and polity with everone uniting becoming Presbyterian; and

Whereas, at some point the covenant was changed and, without casting blame on anyone for the alterations, the resulting church is not what was originally approved by the two denominations; and

Whereas, each of the denominations has established other churches in South Arlington without regard to the original covenant, invalidating the covenant; and

Whereas, the Committee on Cooperative Church Development met on February 18, 1986, and voted unanimously to recommend to the two judicatories the dissolution of the covenant between the Presbyterian and the United Methodist Church for the establishing of churches in South Arlington; there

Be it resolved, that the Covenant, adopted in 1975 by the Grace Presbytery of the Presbyterian Church and the Central Texas Conference of the United Methodist Church be dissolved, and

Be it further resolved, that this recommendation will be presented to both judicatories for their action to become effective 180 days following the meetings and affirmative vote of the two denominations with the further understanding that, according to Paragraph 3, Section H, of the Covenant, the Covenant may be dissolved by the action of either participating denomination.

Those present and voting at the meeting on February 18, 1986 were: Reverend Wm. Gould, Reverend Billy Newton, Mr. B. F. Carroll, Reverend Ed Otwell, Reverend Ervin Gathings.

Those presenting this resolution to the Central Texas Conference are: B. F. Carroll, Ed Otwell and Ervin M. Gathings.

COMMITTEE ON COURTESY AND RESOLUTION

In coming to the City of Arlington we of the Central Texas Conference knew of its reputation as an entertainment center. We has heard of Wet and Wild. We found out about being "wet and wild" Sunday evening. We had heard of the Texas Rangers and their rise to early season prominence, but alas, we discovered they had skipped town. And we had heard of the great fun park "Six Flags Over Texas."

But now for your consideration the Committee on Resolutions presents another "Super Extravaganza," SIX FLAGS OVER CONFERENCE. They are first the flag of Hospitality. Fort Worth East District and the Arlington churches, their staffs and their members who have diligently prepared so wonderfully well the arrangements for this Annual Conference Session. We also express our gratitude for the child day-care arrangements that have been a blessing and for the very good way the ministers wives were provided for at their luncheon. Nor can we overlook what First Church Arlington has meant to us these days through the use of their facilities.

There is also the flag of Episcopal Direction. We gratefully acknowledge the leadership of Bishop John Russell in the flow of conference activities. We have been blessed by the presence of the conference's first lady, Mary Jean Russell. We express our warmest feelings for our first family.

Let us also be thankful for the flag of Worship. We will remember the challenging sermons of the conference Preacher, Bishop James Thomas. We have derived high inspiration from the music of the choirs and soloists. We became as one in the Memorial and Service of Holy Communion. The daily devotional services and their participants have enabled us to combine business and worship and we were the better for it.

Consider too, the flag of Business Sessions. Business is the heart of an Annual Conference and so we likewise remember and give thanks for the reports of the various staffs, boards and agencies of the Central Texas Conference. We are thankful for the belief in open debate. It is a good useful vehicle in the process of conference procedures. We say thank you to those who presented reports in creative fashion and to those who were considerate of time elements which enabled the conference to proceed to its most crucial matters.

We would also unfurl the flag of the Local Churches. Indeed, "Glorious Things of These Are Spoken, Zion, City of Our God." With deep gratitude, we have celebrated the participation of the local churches within the bounds of the Annual Conference. Those churches, here represented by their lay delegates, are the grass roots of the conference. They are where the action is. They are the congregations who supply the people power and their material substance to causes like the Capital Funds Campaign and who take care of budgets

and sundry financial responsibilities. Whether they are in infancy or are very old, whether they are located in small hamlet or teeming city, the local churches support the cause of Christ. They are yet alive!

And finally, there is the flag of Devine Inspiration. The banner of God is high over all. In communion with the Holy Spirit we return to our home church, assured there is, in the final sence, one flag over Conference - that ensign which says to each of us - "Let the Church obey God's voice."

Respectfully submitted,

INTER-CONFERENCE COMMITTEE ON HISPANIC MINISTRY OF THE CENTRAL TEXAS AND RIO GRANDE CONFERENCES

Report 1

The Inter-Conference Committee was first organized in 1976. The purpose of the Committee is to initiate, coordinate and enable inter-conference ministries within the bounds of the Central Texas and Rio Grande Annual Conferences. The objectives are as follows:

1. Develop strategies for Hispanic church extension and programs for the organization of new congregations and the expansion of congregations already established.
2. Consult with and enable local church, district, and conference agencies in the development of inter-conference ministries.
3. Interpret and promote the various Hispanic ministries within their respective geographical boundaries for financial and personal support.
4. Research existing conditions and needs in the Hispanic community for the development of more effective ministries.
5. Develop awareness programs for church and community groups in order to create a climate of mutual appreciation, respect and understanding.

Work of the Committee

1. The Committee has developed a strategic plan for the implementation of cooperative ministries found in Report 2.
2. The Committee has developed an initial design for resource teams whose purpose is to enable congregations to establish cooperative ministry with Hispanics. A curriculum is currently being developed which will be used by the resource teams.
3. The Committee has co-sponsored a "Cross Cultural Cooperative Ministries Conference" with the General Commission on Religion and Race and Diamond Hill UMC of Fort Worth on February 15, 1986.
4. The Committee continued providing encouragement, consultation and assistance to Polytechnic UMC and Diamond Hill UMC, Fort Worth, in their ministry with Hispanics.
5. San Pablo continued to meet in the former St. John UMC, Fort Worth, sharing space with a newly developing Korean congregation.
6. The Committee postponed the planning and implementation of an inter-conference celebration of worship. One will be planned in 1987 for the purpose of celebrating the inter-conference cooperative efforts which were started during this quadrennium.

Report 2

In keeping with the purpose set forth in the By-Laws as found in the beginning of Report 1, and in response to the request made at the joint cabinet meeting (Central Texas and Rio Grande Conferences) last year that this Committee develop a strategic plan, the following goals and strategies are proposed for the remainder of the quadrennium:

Strategic Plan for Inter-Conference Cooperative Hispanic Ministries

Goal:

1. To involve local churches, district and conference groups in educational/awareness building experiences in and with the Hispanic Community.

Recommended Strategies:

a. At least once a year in each local church in the Central Texas Conference an opportunity be provided for church members to learn about the Rio Grande Conference, its beginnings, mission and ministries and to know where Rio Grande Conference churches are located within the bounds of the Central Texas Conference.

b. By the end of the quadrennium, at least one Central Texas Conference Church in a district where a Rio Grande Church is located establish on-going dialogue and fellowship with that Rio Grande Church. When there are pastoral changes in either church, the remaining pastor takes the initiative in making contact with the newly-arrived pastor.

c. In the Central Texas Conference each district be encouraged to invite someone from the Rio Grande Conference to at least one District Ministers' meeting so that the beginnings, mission and ministries of the Rio Grande Conference can be interpreted. In the Rio Grande Conference, its members be encouraged to accept, attend and participate in such invitations.

d. The Inter-Conference Committee, in an effort to sensitize the Central Texas to the bilingual need and to serve as a model to the conference, requests that the cabinet of the Central Texas Conference be engaged in intensive language study of Spanish and cross-cultural sensitization.

e. In an effort to re-tool persons to be more prepared to be in ministry with Hispanics, ministers and lay persons be encouraged to become bilingual and receive training in cross-cultural ministries.

f. The extended cabinets of the Central Texas and Rio Grande Conferences and representatives from the Inter-Conference Committee continue to meet at least once a year to dialogue and strategize about inter-conference cooperative ministry with Hispanics.

2. To identify and assist local churches in transitional communities (those which are becoming increasingly Hispanic) to respond to the changes which are occurring in its surrounding community and to organize its mission and ministry accordingly as mandated in paragraph 207 in The Book of Discipline.

Recommended Strategies:

a. By Fall, 1986, maps be made for each district in the Central Texas Conference showing the communities with a signicifant increase in Hispanic population.

b. By Fall, 1986, the Inter-Conference Committee identifies local churches in transitional communities which are becoming increasingly Hispanic.

c. By Fall, 1986, the Inter-Conference Committee completes a survey of Hispanic membership in Central Texas Conference churches.

d. By Fall, 1986, the Inter-Conference Committee completes an inventory of all the current ministries with Hispanics occuring in the bounds of the Central Texas Conference churches.

e. By Fall, 1986, each district superintendent contacts representatives from at least one local chuch (which is located in a community where the Hispanic population is increasing) encouraging the local church to set up a meeting with the Inter-Conference Committee. The Committee will enable the congregations to engage in deliberate analysis of their neighborhood change so that possibilities can be explored for responding to their changing community with effective ministry (Par. 207.)

f. By the end of the quadrennium, each local church in transitional communities with increasing Hispanic population be helped to engage in deliberate analysis of their program to meet the needs and cultural patterns of the new residents as outlined in paragraph 207.

g. To request that the Bishops and Cabinets lend their support encouraging local church participation.

h. The Inter-Conference Committee requests that it be included among the agencies consulted prior to a discontinuation of a local church that is in a community with an increasing Hispanic population in order to look at potential need for ministry in accordance with paragraph 2546.

i. The Inter-Conference Committee recommends that each conference adopt a policy of investing in the transitional community so that if a local church in a traditional community moves or is discontinued, other avenues of ministry be developed.

3. To provide consultant assistance to churches desiring to plan ministry with Hispanics.

Recommended Strategies:

a. By Fall, 1986, a resource team comprised of persons from both Central Texas and Rio Grande Conferences be recruited by the Inter-Conference Committee and be trained to enable congregations in communities with an increasing Hispanic population to take re-

sponsibility to be in ministry with their community - especially the new arrivals.

b. By Fall, 1986, a curriculum be designed by the Inter-Conference Committee for use by the resource team.

c. By Fall, 1986, bilingual worship resources be made available by the Inter-Conference Committee to local churches on request.

d. By the end of the quadrennium to resource as many as five local congregations.

4. To plan for effective ministry with Hispanics through shared facilities between the Central Texas Conference and Rio Grande Conferences.

Recommended Strategies:

a. Using the National Division Manual on Shared Facilities as a principal resource develop a policy over shared facilities between the Central Texas and Rio Grande Conferences.

b. Train a resource team who can enable congregations to engage in a process of ministry design that includes the possibility of shared facilities.

c. Identify indicators where shared facilities could happen.

d. When a congregation has a covenant of shared ministry, the cabinet(s) provide(s) the necessary support such as encouragement (especially during charge conference) and the appointment of persons who are committeed to continuing a shared ministry and have skills and training in cross-cultural ministries.

5. To encourage both conferences to employ the most effective means for appointing personnel to local churches in target cooperative ministry areas.

Recommended Strategies:

a. Identify persons who have particular skills (bilingual - Spanish/English) and/or training (cross-cultural sensitization) and are interested in serving target cooperative ministry areas.

b. Consider a variety of appointment possibilities such as team ministry, co-pastors, joint appointments, cross conference appointments, in order to choose the most effective leadership to enable cooperative ministry.

6. To provide necessary financial resources through appropriate conference agencies that will enable cooperative ministry with Hispanics.

Recommended Strategies:

a. Both Conferences be committed to providing adequate resources in terms of money and personnel to ministries in transitional communities for a sufficient period of time to allow for experimentation, evaluation and mid course corrections to insure an adequate effort in ministry in those situations as set forth in Par.207.4.

b. In each local church of the Central Texas Conference lift up particular church development needs of existing Rio Grande Conference churches as an Advance Special appeal. Projects needing assistance be identified by the Inter-Conference Committee and approval secured for Advance Special listing.

c. The Inter-Conference Committee recommends that each conference adopt a policy of investing in the transitional community so that if a local church in a transitional community moves or is discontinued, other avenues of ministry be developed.

d. Explore the possibility of securing funds for the remainder of the quadrennium for a part-time staff position in order to facilitate the accomplishment of this long range strategic plan.

7. To cooperate in supporting new church development projects directed at the Hispanic constituencies.

Recommended Strategies:

a. Encourage local churches and districts to participate in supporting these projects through Advance Specials.

b. Encourage districts, sub-districts, or congregations to plan and carry out district wide, sub-district wide, or city wide fund-raising events.

c. Communication be established and continued between the Director of Church Growth and Development (Central Texas Conference) and the Coordinator of Congregational Development (Rio Grande Conference.)

Report 3

The Central Texas Conference continues to lead all other annual conferences in Texas and New Mexico in inter-conference cooperation with the Rio Grande Conference. The sending of a Fraternal Delegate to the Rio Grande Conference celebrates the close relationship

which has developed between our conferences. Therefore the Inter-Conference Committee recommends that Wanda Kile-Smith be sent as a Fraternal Delegate to the Rio Grande Annual Conference which will meet June 5-8, 1986, in Georgetown, Texas.

Fred Vidauri, Chairperson
Wanda Kile-Smith, Vice-Chairperson

STUDY COMMITTEE FOR CONFERENCE STRUCTURE

The Study Committee for Conference Structure met several times during the year for the purpose of studying the Conference Structure to see if there were any adjustments that needed to be made and also to ascertain whether or not the proposed office for planned giving might be worked into the existing structure in order to carry out the needs of the Conference.

After careful consideration it was determined that only slight changes are needed in the present structure. We would recommend that the job description of the Conference Director of Finance and Administration be amended to indicate that this person would have the responsibility for the purchasing of supplies and equipment for the Conference Office; this person would also have the responsibility of the allocation of space within the confines of the Conference Offices.

After investigating the responsibilities of the present executive structure of the conference, we determined that the expansion of responsibilities of the present staff to include the work of planned giving would not be feasible. We believe and therefore recommend to the Conference that we proceed with the establishment of an office for Planned Giving as was presented to the 1985 Annual Conference.

B. F. Hank Carroll, Chairperson

The following suggested guidelines concerning the proposed Office of Planned Giving are being printed to help answer questions about the job description, council, budget, etc.

(REPRINT OF REPORT TO 1985 ANNUAL CONFERENCE)

STEERING COMMITTEE FOR CAPITAL FUNDS

Report No. 2

It was the recommendation of the Feasibility Study that the Central Texas Annual Conference take steps to put into place an Office of Planned Giving with an Executive Director. The proposed Capital Funds Campaign will alleviate the short term capital fund needs of the conference but it must be recognized that we have long range needs that demand long range plans. It was the decision of the Steering Committee that we recommend to the Annual Conference that such a position be created to be voted on at the 1985 Session of the Annual Conference and to be set into place at such time that adequate funding can be secured and a qualified person can be found.

We recommend this position to the Conference with the understanding that the financing of the office would largely come from sources other than the Conference budget. It is the whole hearted recommendation of the Feasibility Study that we have such an office in order to alleviate our capital fund needs in the many years to come. This person would be in contact with individuals, local churches and districts to train and explore possibilities regarding planned giving, wills and legacies, trusts, tax benefits, etc.

It is perceived that this person and this office would work very closely with the Central Texas Conference Methodist Foundation and the Texas Methodist Foundation. This has been presented to the Central Texas Conference Methodist Foundation for their endorsement and financial support. In a meeting of the Foundation Board on April 17, 1985, those present voted unanimously to endorse the creation of the office and to provide most of the funding. The only financial support being requested from the Central Texas Conference is $8,000 for office space and telephone expenses.

Conference Finance and Administration will study the matter of creating a Council for Office of Planned Giving together with the existing Conference structure, and the possible realignment of structure, and/or change of job description in order to properly carry out the needs of the Conference.

B. F. Carroll, Chairperson

Suggested Job Description for The Executive Director of The Office of Planned Giving

The office of Planned Giving in the Central Texas Conference could more than pay for itself the first year, and over a several year period could generate millions of dollars. The following breakdown in charitable giving for the year 1983 indicates the possibility and the areas of needed emphasis:

1983 Contributions	In Billions	% of Total	1983 Distributions	in Billions	% of Total
Individuals	$53.85	82.9	Religion	$31.03	47.8
Bequests	4.52	7.0	Health & Hospitals	9.15	14.1
Foundations	3.46	5.3	Education	9.04	13.9
Corporations	3.10	4.8	Social Welfare	6.94	10.7
			Arts & Humanities	4.08	6.3
			Civic & Public	1.80	2.8
			Other	2.89	4.4

Planned Giving is not only fund-raising, but the ongoing effort to promote the total image and needs of the church. Fund raising is the activity of gaining monetary support for the needs of the total program.

The Director of Planned Giving does not have to be a tax-authority, estate planner or an attorney. He surrounds himself with experts in these fields and draws on them for advice in regard to the proper approach of each prospective donor. The Director needs to be an authority in the history, growth and needs of the conference, and have a total perspective of the church and its ministry in Central Texas. The expertise of the Planned Giving office lies in knowing his product, being enthusiastic about the church's role in the community, and being diplomatic enough to win the ongoing interest and support of all the communities in the bounds of the conference.

The Planned Giving officer must acquaint himself with the different types of gifts and realize that they all carry real tax advantages for the donor. There are memorial and honorary gifts, gifts of cash, gifts of securities, gifts of real estate, deferred gifts of all kinds. There are gifts that provide generous life income for the donor such as the Charitable Remainder Unitrust, the Charitable Remainder Annuity Trust, the Life Income Contract or Pooled Income fund, the Charitable Gift Annuity, and the Deferred Payment Gift Annuity.

The amount of money that can be generated for the Conference from Foundations will be limited. The Director of Planned Giving must concentrate on individual donors and on Corporate gifts.

The Executive Director of the Office of Planned Giving

1. Must visit every community and, through the assistance of the pastor and leading laypersons, develop an ever growing list of prospective donors with an evaluation of each.
2. Must establish a Council made up of key leaders from each District. This Council will assist in further establishing a growing list of prospects, and give guidance in the proper approach to many of them.
3. Must develop skills in preparing grant and gift requests that will present the cause in an effective and dignified manner.
4. Will cultivate individual donors and guide them and inspire them in giving the type of maximum gift best suited to their financial status.
5. Will develop effective pieces of literature that will be major aids in the cultivation of these prospects.
6. Must set up an efficient office that will develop proper files to perpetuate the work and records of development, and that will be a diplomatic arm reaching into every community of the Conference.
7. Must realize the truth of fund raising: that money is not given, it has to be raised; money is not offered, it has to be asked for; and that money does not come in, it must be "gone after".

8. Must be a diplomat, not a high-pressure agent, that wins new and continuing donors for the conference.
9. Must be willing to devote himself to continued personal growth and knowledge in the field of development and financial planning, for this is a process in which we never arrive, but are always en route.
10. Must win the confidence of both ministers and laypeople and solicit their enthusiastic assistance in this all-important mission for the church.
11. Must bring enthusiasm and a sense of excitement to this urgent Conference task, and assure the effectiveness of his efforts through humility, honesty, patience and perseverance. This type of ministry involves long-range planning and wise energetic follow-through year after year.

CAPITAL FUNDING CAMPAIGN

In 1985 the Central Texas Conference authorized a Capital Funding Campaign to raise funds for Unfunded Pension Liability, New Church Sites, and Glen Lake Camp. A goal of $10,000,000.00 was set to be divided among the causes as follows: Unfunded Pension Liability - $3,750,000.00 (37.5%); Church Sites - $3,750,000.00 (37.5%); Glen Lake Camp - $2,500,000.00 (25%). A contract was entered into with the Office of Finance and Field Service, an arm of the General Board of Global Ministries, to conduct the campaign.

The Office of Finance and Field Service assigned Mr. Robert Powell as Resident Director and Rev. Wesley Allen as Associate Director for the campaign. A Capital Funding Compaign Executive Committee provided leadership and supervised various aspects of the campaign. They were supported by a Capital Funding Campaign Committee which included, among others, the District Superintendents and representatives for each of the three causes.

The campaign organization consisted of three sub-campaigns: Clergy Commitments, Local Church Commitments and Major Gifts. The Major Gifts sub-campaign is just beginning and will continue throughout the 3-year follow-up period. The other two sub-campaigns have met with great success and regular payment of commitments will begin June 1, 1986 and continue through May 31, 1989. The results of the campaign, thus far, are summarized below.

The Campaign Follow-Up perriod will extend from June 1, 1986 through May 31, 1989. Mr. Dana Sullivan has been named the Campaign Follow-Up Director. The Follow-Up Office is located in the Conference Office. A Follow-Up Committee has also been selected consisting of the following persons:

Mr. Kenneth Smith, Chairperson
Mr. B. F. Hank Carroll
Dr. Ervin Gathings
Mr. Obie Paul Leonard, III
Rev. Charles McClure
Mr. Wilburn Newsom
Dr. Edward Otwell
Dr. Don Pike
Mr. Wesley Sears
Dr. Timothy Walker

The Follow-Up Committee and Follow-Up Director will monitor the payment of commitments, distribute regular "record of giving" reports, inform the conference membership of campaign progress, cultivate and secure additional Major Gifts, and provide assistance to churches needing/desiring additional help to meet their campaign goal.

CENTRAL TEXAS CONFERENCE FEDERAL CREDIT UNION

Our credit union continues to serve the needs of its members providing a safe place for savings and investments and providing for loans when approved.

During 1985 there has been growth in membership and in investments. Membeship increased by 231 to a total of 902 members. The total amounts in savings, shares, and deposits increased $159,432.63 to a total of $751,576.94. The total number of loans made during the year was 363, double the number made in 1984. Loan losses have been eight tenths of one percent of the loans outstanding. While we do not commend persons who fail to repay their loans, our losses are less than most commercial financial institutions.

Members of the conference who do not belong to the credit union are invited to begin a savings program through joining. Write to "Central Texas Conference Federal Credit Union, Edna Davis, Manager, 1418 W. Rosedale, Fort Worth, TX 76104" for an enrollment form and information.

LYDIA PATTERSON INSTITUTE

El Paso

The Lydia Patterson family extends a warm hand of "amistad" and a cordial "saludo" to the Conference. The following is our report on the educational mission of Lydia Patterson Institute during 1985.

Spanish classes for church leadership were held on August 12-23, 1985. This initial program uder the new Center for Cross-Cultural Educational Ministries, involved participants over a two-week period in language instruction, cultural awareness workshops, lectures, city tours and an excursion to Chihuahua City, Mexico. The program will be repeated in the summer of 1986.

Forty-four students received LPI High School diplomas on May 23rd. Ceremonies were conducted at the Chamizal National Theatre in El Paso. Mrs. Maria Elena Flood, a member of the Texas State Board of Education and a civic leader in El Paso for many years, was the Commencement speaker.

One hundred and fifty students enrolled in a six-week ESL summer session; in addition, forty-five students from El Paso attended an eight-week educational compensatory program, sponsored by the State of Texas, at Lydia Patterson Institute.

The total number of students who have enrolled for the school year 1985-1986 are 327: 112 are in high school, 28 are in junior high and 187 are in ESL department. This enrollment is slightly higher than last school year. Twenty-two FTE teachers, seven support staff and three administrative staff are giving leadership to the Institute program. Fourteen faculty have Bachelor degrees, nine have Masters and one has a Doctorate. Sixty-seven per cent of our teachers are certified. We are proud of the progress being made towards the goal of having all teachers certified by 1988. Significant curricular accomplishments have been made and strong improvement has taken place in student academic achievement during the last year as evidenced by grade point averages and the size of the Honor Roll. Mr. Gonzalo LaFarelle is the school principal.

Major renovations have been made in recent months to our facilities. First, the roofs on the main building and the gymnasium are being completely renovated at a cost of $102,000. This was an urgent necessity and we are thankful that we have been able to move ahead to complete this important project. Another necessary renovation was made to our gymnasium floor this summer. Mrs. Socorro De Anda is Business Manager in charge of facilities.

As we work together to shape the future of this historic institution, it is imperative that we do so with courage and with vision. We will continue to work for the development of a high quality preparatory Christian school, a model for public and private educational institutions alike. Both the need and the potential for such a ministry are still present in our LPI context.

Lydia Patterson Institute is the only remaining Hispanic academic institution of the United Methodist Church in the United States. Its future as an academic institution must be preserved and developed. There are many needs among the Hispanic peoples of our country and Mexico. But certainly one of the most vital is the need for the development of the human mind. The high drop-out rates of Mexican-American teenagers from high schools in El Paso and all over this country, as well as growing educational needs in Mexico, tell us

that literally millions of minds are being wasted every year. We have a crucial secondary school academic mission at LPI and a very significant ministry is taking place presently with young persons every hour of every day. Ours is a commitment to the development of Hispanic young lives, wholistically. Yet we have a special calling and responsibility to care for the mind of these youths: to teach them the intellectual love of God, that they are to love God with all their minds, with the fullness of that intellectual potential which God has given to them.

Furthermore, we are moving forward to further develop the Center for Cross-Cultural Education Ministries at LPI. We all believe that the church needs leadership having that rare combination of knowledge and vital piety - leadership with a passion for the souls of Hispanic peoples and with the knowledge and skills to affect Christian ministry mong them. These two elements, so seldom found together in our individual and collective life, will be integrated in the curriculum and mission of our new Center.

Our "Road Show" ends with the words "But what of LPI? Its story is not yet finished. Its future has been placed in your hands." Let us move forward together in faith to shape a greater and brighter future for Lydia Patterson, knowing that God has placed this unique ministry in our hands, indeed.

HOMES FOR RETIRED MINISTERS

The Central Texas Conference set a record in 1984 by giving $19,148.00 for the ministry of Homes for Retired Ministers. You broke that record in 1985 by giving $19,464.00! You not only increased your financial support, you have also shown new interest and support by personal inquiry as to the status of the Homes. It is rewarding to have you express your interest. Your Trustees and the residents of the homes thank you.

There seems to be no letup in the tax increases. Homes for Retired Ministers used to enjoy exemption from Ad Valorem taxes, but no longer receive this exemption in most cases. Maintenance of the homes continues to rise ($14,153). Insurance went up from $2,918 to $4,191.

We will have to replace some our older homes as they become vacant. Because we are not able to buy replacements, you are urged by your Trustees to place your home in your will for this purpose. We do not know what the future holds. But we do know that the time will come when there will be ministers retiring, or a spouse, upon the death of a minister, who will need a home. Help us be able to provide a home for those in need of one.

The following is a simple breakdown of the offering by districts:

District	Amount	Number of Homes
Brownwood	$1,570.61	5
Ft. Worth - East	4,841.75	1
Ft. Worth - West	5,963.69	7
Temple	1,537.06	1
Waco	1,935.02	4
Waxahachie	1,796.82	2
Weatherford	1,809.50	6

The Trustees are Luther Henry, Sr. (1987), Bob Weathers (1987), Charles Hearn (1987), E. J. Hughes (1988), William Greenwaldt (1988), Warren Fuller (1988), Jack Hopkins (1989), Mervin Spitzer (1989), Charles McClure (1989).

TEXAS UNITED METHODIST COLLEGE ASSOCIATION

I write on behalf of the seven United Methodist colleges in Texas to thank you for your support this past year! The Central Texas Conference contributed $203,752.25 to the Association in 1985, which supported Lon Morris College, McMurry College, Southern Methodist University, Southwestern University, and Texas Wesleyan College. These funds are very important to our institutions, and they will be even more important in the future as federal (and perhaps also state) funds for higher education are cut back. The Presidents of the five colleges and universites listed above have decided that all of the apportioned funds they receive will be used henceforth as financial aid for students. Your funds not only help our colleges but help students - persons who need aid in order to attend one of our institutions and get a value-centered education.

The Central Texas Conference also contributed $93,532.00 to the Black College Fund in 1985. These funds support Huston-Tillotson College and Wiley College and the ten other historically black colleges of the United Methodist Church. These colleges continue to educate persons who would receive no higher education if it were not for them, and they do so with meager resources. The funds you provide through the Black College Fund keep the colleges going and enable many worthy young people to go to college. We thank you for your support of all our colleges and universities and the people who attend them!

Our seven colleges and universities in Texas enrolled 14,644 students in the fall of 1985. I think it is important to note that approximately 60% of the undergraduate students in our institutions receive financial aid. The figures will demonstrate why your funds are vital to the institutions and the students who receive aid.

	% of (Undergraduate) Students Receiving Aid	Average Amount of Aid per Student
Huston-Tillotson College	94%	$ 4,554
Lon Morris College	89%	2,643
McMurry College	80%	2,863
Southern Methodist University	50%	5,500
Southwestern University	65%	5,194
Texas Wesleyan College	80%	2,000
Wiley College	92%	4,000

I hope more churches in the Central Texas Conference will choose to participate in the Bicentennial Scholars Program. One thousand United Methodist youth graduating from high school each year during this quadrennium will be chosen as Bicentennial Scholars. The scholarship will provide up to $3,000 a year to enable the student to attend a United Methodist college or university. During the first year, the local church provides up to $1,000 of the aid, the college provides up to $1,000, and the General Board of Higher Education and Ministry matches that contribution with up to $1,000. The next year the college provides the student's unmet need. The third year the General Board contributes another $1,000, and the college meets the remainder of the unmet need. The final year the college meets all unmet need. Any high school student graduating in 1987 and 1988 who is a U.S. Citizen and an active member of a United Methodist Church is eligible.

For further information, get in touch with one of our seven college or universities or with the Association office in Austin.

Report to the Annual Conference

Special "Fair Share" endowment goals for Perkins and St. Paul School of Theology were adopted by the South Central Jurisdictional Conference in July, 1984. Thirteen of the seventeen annual conferences in the Jurisdiction were included in this effort. The Missouri and Kansas conferences were excluded because of a separate effort already underway exclusively for St. Paul. A total of $6 million was approved by the Jurisdictional Conference and conference goals were determined according to the decimal used in calculating apportionments.

Since Jurisdictional Conference approval of the "Fair Share Goals" campaign for Perkins and St. Paul Schools of Theology, virtually every annual conference has taken action to adopt the goals. Dean James E. Kirby and staff representatives have visited 40 district meetings to discuss the need for endowment growth to support student scholarship aid, to augment the intern program, and to enhance the quality at Perkins.

In 1985, almost every participating annual conference voted to take immediate action on their goal.

Gifts from the North Texas Conference will go towards the establishment of the William C. Martin Endowed Chair in Field Education for support of the Perkins Intern Program. While the Central Texas Conference voted to leave their gifts to Perkins undesignated, all churches are encouraged to designate their gifts to the Martin Chair. If 100% of the two conference goals is achieved over the five years of the Fair Share Campaign, the gifts would equal $1.1 million, enough to fully endow the chair.

"We are very pleased with the progress the conferences have made," said Dean Kirby. "We have every reason to believe that a great majority of the goals will actually be raised. The support of the Bishops and other conference leaders has been gratifying to us, due to their efforts and to the fact that people understand that their gifts will help their conference and the church as well as the seminary."

The Perkins Alumni Loyalty Fund promises to exceed this year's goal of $90,000, augmented by two challenge grants made by Mrs. Annette Wilkes of Dallas and another made anonymously by a Perkins alumnus. These gifts go towards annual operating budget support of the school, in an amount equal to the proceeds of $1 million in endowment funds.

Enrollment for the 1985-1986 academic year was down from the all-time high of a year ago, with conscious effort to more effectively manage admissions in degree programs other than the Master of Divinity, the basic ministerial degree. Anticipation of revisions of the Doctor of Ministry degree, which was adopted in December to begin in the summer of 1986, kept entrance low in this area. Of a total of 387 enrollments in all Masters programs, 279 are in the M. Div. degree.

New faculty appointments in place for the year included holders of three endowed chairs: the new Lois Craddock Perkins Chair in Homiletics, Dr. James A. Wharton; the LeVan Chair in Worship and Preachig, Dr. William K McElvaney; the the McCreless Professor of Evangelism, Dr. William J. Abraham. Renewed emphasis on the importance of preaching reflects in these appointments and in the new curricular provision that essentially doubles the preaching opportunities for students.

Active search committees have worked diligently to fill professorial vacancies in New Testament, Old Testamet, Church and Society, and the directorship of Bridwell Library, with announcements of appointments anticipated by Conference time.

Perkins this year adopted a four-day class schedule, in respose to needs expressed by student pastors and the large number of other students who find it necessary to work while in school. The plan will be evaluated at year's end, to determine the effects. One noticeable change has been in community life, where time for "extra" meetings has been limited. Despite the apparent difficulty, very effective emphasis weeks have been held by Women students, Hispanic and International students, and by Black Seminarians.

The diversity of the student body is evidenced by the presence of seventeen denominational groups, of twenty-seven international students from fifteen nations, and of one-third women and two-thirds men students in the Masters program. Fourteen Merit Scholars, selected for academic and personal qualities pursued their studies with support grants conferred by the school from special gift funds.

Continuing Education took new shape with wide expansion of offerings within categories of Spiritual Formation, Conflict Management, and Stewardship training. Two Liturgy and Lectionary Workshops were offered for the Advent and Lenten seasons. And pilot programs for Lay Academies were held, leading to scheduling of some twenty weekend study opportunities for laypersons to be held in as many cities during 1986-1987, coordinated by a Lay Advisory Committee.

A newly formed Executive Board made up of Trustees of S.M.U. and other lay and ministerial leaders held an effective meeting in early 1986, with addition sessions planned periodically.

SOUTH CENTRAL JURISDICTION

The purpose of the South Central Jurisdictional Council on Ministries is primarily to respond to needs and requests originating with Annual Conference Councils on Ministries. I wish to share some of the areas of ministry in which the Jurisdiction sought to respond to those needs and concerns in 1985.

THE FARM CRISIS: The Jurisdictional Council on Ministries respectfully requested that the Council of Bishops at its November meeting in Wichita expand on their Spring 1985 pastoral letter on the rural crisis by urging the President of the United States and the Congress to support action to alleviate problems related to the crisis and to support programs that address the human service needs of rural families. The Bishops responded forcefully in a statement urging action in two areas - the farm credit system and rural human service programs.

VOLUNTEERS IN MISSION: The first workshop on Volunteers In Mission was held in April with a large attendance and excellent participation. Mrs. Jo Ann Small, a former missionary,

became the first employed director of the program. A cursory check of five institutions in the Jurisdiction indicated that last summer 89 work teams involving more than 1500 people worked in those institutions. Other work groups served in Mexico, Latin America, Haiti and other islands in the Caribbean, as well as in Africa. The office and promotion is supported by a $40,000 Jurisdictional apportionment.

LEADERSHIP DEVELOPMENT: Jurisdictional Laboratory Schools and Seminars were held at Mt. Sequoyah, AR, Sacramento, NM, and San Antonio, TX. The school at Mt. Sequoyah had a 5% decrease in participants while the Sacramento school showed a slight increase. An amount of $7,500 from the Jurisdiction fund apportionment supported the three schools.

RETIREE EVENTS: There were 5 of these events held at Mt. Sequoyah in 1985 - one in the spring and four in the fall. The Fall events were filled to or near capacity. These events are self-supported.

BISHOP'S WEEK: This event is planned and sponsored by the College of Bishops and was held at Mt. Sequoyah in June. It is a time of Bible study, preaching, the Willson Lectures, and leisure. It is always filled to or near capacity.

YOUTH MINISTRY: The Jurisdictional Youth Ministry Enterprise (JYME) was held last summer at Oklahoma City. Attendance was down from the last meeting in 1983. Our youth ministry program has been excellent and the emergence of new leadership will insure an even greater program in the future. Youth ministry is supported by an amount of $3,300.

PROTESTANT RADIO HOUR: The year 1985 was the 40th anniversary for this program. The program is carried by 72 stations in the Jurisdiction, 28 are in Texas and is partly supported by a yearly grant of $17,000 from Jurisdictional funds.

OTHER AREAS: The Jurisdiction was also involved in the Ecumenical Missions Conference at Mt. Sequoyah, Communications and Archives & History workshops at Oklahoma City, and a Congregational Development workshop in Dallas. Grants totaling $3,200 supported these events.

A PERSONAL WORD: The year 1985 was a year of change in the Jurisdiction. Dr. S. Duane Bruce retired after 12 years as the Executive Director and was replaced by Dr. Earl B. Carter of the North Arkansas Conference. Dr. & Mrs. Lee Cate retired as superintendents of Mt. Sequoyah Assembly and were replaced by Rev. & Mrs. Don Waddell of Duncanville, Texas. Mr. Roy Stewart completed his tenure as Jurisdictional Youth Coordinator and was succeeded by Ms. Jan Bond of Kansas City, Mo, and the Rev. Ms. Lynn Dyke of Topeka, KS.

As already noted, Mrs. Jo Ann Small became our first staff person in Volunteers in Mission.

MOUNT SEQUOYAH

Report to Central Texas Conference

Bishop Russell, lay and clergy members of the Central Texas Annual Conference and friends, it is with genuine pleasure that we report from your Jurisdiction Conference and Retreat Center, Mount Sequoyah.

This is our first report as the administrators, having been appointed to this work in June of 1985. We are Don and Constance Waddell. Constance, the former Mrs. Ferris Norton, and I were married four years ago and have begun a third career in ministry. During Don's early ministry, he spent fourteen years as an agricultural missionary in Chile. His second career was to spend twenty-one years as minister and district superintendent in the North Texas Annual Conference. Both of us were drawn to Mount Sequoyah out of a deep love for the church and a desire to be helpful to ministers and laypersons seeking assistance in doing ministry.

During the year of 1985, we were privileged to host a total of 10,900 persons on the mountain. Most of these persons stayed for a period of approximately three days and were in attendance at an event planned by a local church or a Judicatory body. Many other denominations used the facilities as well. With a capacity of more than three hundred persons we believe that in 1986 we may attract about thirty percent more than last year. New programs have been developed and good publicity has been given so that we are encouraged to believe that many will respond. Among those new programs we include the Jurisdiction Youth, the training of UMW district leaders, the General Commission on Religion and Race, and the jurisdictional Volunteers in Missions meetings.

Many persons from the Central Texas Conference have attended the events for retirees in the Spring and Fall. Now we hope to attract younger persons, youth, and families to use the facilities. Mount Sequoyah, located on the top of a mountain, with thirty acres of grounds and seventy acres of wilderness is an attractive setting for a wide variety of church groups. Trees and flowers are being planted to enhance the already beautiful grounds. The cottages and meeting rooms are being remodeled and refurbished to meet the expectations and needs of our guests. A well trained and increased staff is endeavoring to create a pleasant and joyful environment.

Many persons have volunteered to help on the mountain. Workcamps and individuals have assisted in a variety of ways. Volunteers are being sought now for 1987 to assist us in the library, in the Cokesbury book store, in maintenance work, and on the grounds. Persons interested are invited to be in contact with us as soon as possible.

The 1985 budget for Mount Sequoyah was $312,535. Income is derived 70 percent from sale of services (room and meals), 18 percent as support from the churches of the Jurisdiction, and 12 percent from other gifts, interest and miscellaneous sources. The budget for 1986 does not include the major funds neseded for refurbishing the cottages. The sum of $100,000 has been approved to be sought as additional support from the annual conferences of the Jurisdiction. It is our hope that the Central Texas Conference will assist us in this effort.

It is with considesrable satisfaction that I report to you that this sixty-three year old conference and retreat center, which belongs to each of you and all of the other United Methodists of the South Central Jurisdiction, is flourishing, is solvent, and is projecting itself into the twenty-first century with bold new programs. Come and see us on the mountain in Fayetteville, Arkansas. Help us to tell the story and share the excitement.

Donald W. Waddell, Administrator
Constance Waddell, Assistant Administrator

Bob Young, Marjorie Burns and Luther W. Henry, Sr. are the Central Texas Conference representatives to the Mt. Sequoyah Board of Trustees.

UNITED METHODIST WOMEN

United Methodist Women place strong emphasis on the meaning of United. We are joined together in a common concern of ministry and mission working in harmony enjoying fellowship.

From a book by Elton Trueblood the statement that the New Testament calls us to minister to one another readily applies to the very heart and purpose of the United Methodist Women and their endeavors.

At the conclusion of 1985, the seven districts of United Methodist Women in Central Texas reported a membership count of 10,237, which is a decrease, although new units were organized in the Waxahachie and Waco Districts. other units found it necessary to merge or disband. At this time, we have 209 local units with strong indication of the reactivation of several who are inactive.

Even though our conference experiences a decrease in membership, our Pledge to Mission of $162,941.00 was met and even overpaid. Our total sent to the Women's Division was $173,809.91 for which we are grateful.

The calendar is filled every year with events and opportunities for United Methodist Women to become more knowledgeable as well as share Christian witness and concerns. Listed below are some of these occasions.

Of significant importance was the training of district officers by the conference officers in October, 1985, which was most successful and well attended.

The conference president was invited to attend the Fall Meeting of the Women's Division in New York in October, 1985.

Two conference officers were involved in the New Officer Training in New York December 1985; also two members from the Nominating Committee participated in the training for members of the Nominating Committee in November 1985 in Chicago.

A Spiritual Enrichment Day Apart, March 22, 1986, led by Rev. Ruth Huber-Rohlfs, held at Glen Lake, is a popular gathering.

The highlight of 1986 is definitely the Assembly in Anaheim, California, April 17th-20th, which will culminate the Centennial Celebration. Approximately 35 women will be in attendance from Central Texas, celebrating the festivities with the theme "Into the Future by Faith." Scripture reference: Hebrews 10:32-39.

Opportunities continue as we prepare for the Conference School of Christian Mission which is set at two locations again: July 11, 12 and 13 in Georgetown, and July 14, 15, 16 and 17 in Fort Worth at Texas Wesleyan College. For years the School has been a cooperative effort of the United Methodist Women and the Conference Board of Global Ministries. The studies for 1986 include:

1. Technology in Tension with Human Values
2. Crossroads in Southern Asia
3. Suffering and the Community of Faith

Following numerous meetings of the Executive Committees of the United Methodist Women and the Conference Board of Global Ministries, a mutual agreement was reached to restructure the Standing Rules. The rationale for this action is to insure continual growth and progress of the conference schools. The new structure will be set in motion at the July schools in 1987. Credits for continuing education will be granted. Evaluations of the restructuring by both boards will be made at the conclusion of the schools in 1988.

Another outstanding event is the Annual Meeting to be held in Fort Worth at First UMC on October 4, 1986. The keynote speaker is to be Barbara Campbell, Assistant General Secretary of the Women's Division.

As we move into late fall,(November) the Central Texas UMW will participate in a Leadership Development Workshop, led by a team from the Women's Division. The pattern of attendance includes Conference Officers and the District Presidents.

No other group in the world can equal the United Methodist Women with their determination and dedication. We are grateful and blessed with the members and leaders on all the connecting levels; however, we are proud of our heritage and concur with the Chinese proverb, "While drinking the water, never forget who dug the well."

Helen Marshall, Conference Presdient

UNITED METHODIST MEN

The United Methodist Men of the Central Texas Conference sponsored the conference men's retreat August 9 and 10, 1985. The speaker was Allen Brown of the national office of United Methodist Men, from Nashville, Tennessee. The theme for the weekend was "Building Men of Hope."

A major national project of United Methodist Men is the Moving Methodist program. Every week there are five thousand Methodists on the move, and half of these are lost to the United Methodist Church. UMM has a program which, when fully implemented, will provide the names of the people to the district superintendent in the area to which they have moved. The thrust for the following year will be to implement this program in as many churches as possible in the Central Texas Conference.

Plans for the 1987 men's retreat are being made at this time.

PROGRAM OF REVITALIZATION FOR THE 1987 CALENDAR YEAR

RATIONAL: The instruction of Jesus Christ to his disciples in Matthew 28:19-20 provides the church in every age with its basic mission. "Go therefore and make disciples of all nations, baptizing them in the name of the Father, and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you; and lo, I am with you always, to the close of the age."

The basic task of the church is to make disciples. This involves two basic tasks: the recruitment of persons to the cause of the Christian faith (i.e., conversion), and the disciplining of those persons committed to the Christian faith.

As United Methodists we are a people who have addressed both of these tasks. The field preaching and personal witnessing of the Wesleys and the early Methodists earnestly sought to present the Gospel message of God's redemptive action in Jesus Christ to every person. At the same time, Wesley's emphasis on discipline in the lives of those who were members of the Methodist societies was constant. The demand for serious study of the Christian faith, the responsible stewardship of all of life, the demand for social outreach ministries and prophetic ministries to the society of the day was made to every member of the Methodist societies.

In recent years United Methodism has experienced a decline in both membership, and in the level of participation in worship and church school opportunities. Believing that there is a need to address this decline, re-affirming the validity of our fulfilling the two-fold tasks of winning people to the faith and assisting them in their personal discipline of the Christian faith, and believing that the Central Texas Conference is in the most favored position within United Methodism to see renewal occur, we propose a two phase program of Revitalization for the church within the Fort Worth East District.

THE PROPOSALS:

1. That a concerted effort be made by each church within our Annual Conference to increase our effectiveness through the use of a "Discipling Index."

Definition: A "Discipling Index" is designed to work as equitable as possible as does the "Decimal System" operating with our conference's financial life. By combining certain essential ingredients, (1) new members added to a congregation, (2) average worship attendance during the Sunday morning worship service of the congregation, and (3) average Church School attendance for the congregation, a church cannot operate on the assumption that the addition of new members to the church roll is the total sole criterion by which the evangelism ministry of a congregation can be judged. The Discipling Index is an attempt to say that regular attendance in the worship and study life of the church is essential both before and after a person "joins the church." As United Methodists we are in a unique position to affirm that all of us are "going on to perfection and its object, a perfect union with God." This is surely done, not merely by standing at the chancel to join the church but by years of faithful attendance and growth in public worship and group study. This broad understanding of the discipling events in a local church is a key ingredient in the Discipling Index formula.

This formula for computing the Discipling Index takes the sum of the three ingredients mentioned above and divided it by the membership of the congregation at the beginning of each quarter.

Members Received in a quarter
+
Average worship attendance in a quarter
+
Average Church School for all ages in a quarter
+
(Sum of these three)
- DIVIDED BY -
Membership at the beginning of the quarter
=
EQUALS THE DISCIPLING INDEX FOR THAT QUARTER

The Discipling Index will be determined at the beginning of each quarter beginning in April 1987 (based on statistics compiled in the Jan. - March 1987 quarter). At the beginning of each quarter a report form will be filed with the District Superintendent's office within 15 days following the close of the quarter. (By April 15, 1987, July 15, 1987, Oct. 15, 1987, and Jan. 15, 1988).

The sole intent of the report by churches is to give each local church a picture of how it is doing in comparison to itself in previous quarters, and to enable us, as a conference, to join together in a common program for the upbuilding of quality ministry to and with persons who look to us for assistance in the development of vital faith.

No church is without opportunity to develop and strengthen worship and Church School attendance. While some settings are more conducive to transfer growth from other United Methodist churches, the Discipling Index does not reward this kind of membership growth as being in any way more important than the regular attendance of a person in the key events of the congregation's life. For this reason the Discipling Index functions as a "leveler" among churches attempting to quantitatively measure the relative strength of discipling within one congregation from year to year.

New member growth, a relatively easy thing in some churches, is an important factor but not the most important factor in the discipling process. Only as people are nurtured into active participatlion in the church can we say we are faithfully making disciples of Jesus Christ. The Discipling Index is one attempt at giving quantification to the goal of making disciples...

2. The development and implementation of an "Emphasis on Evangelism" for use by all churches within our Annual Conference during Lent of 1987.

At its Charge Conference in the fall of 1986, each local church shall elect a Local Church Committee on Revitalization. An existing committee may be designated to serve in this capacity, or an entirely new committee may be elected. By January 1987, each member of the LCCR shall have read The Contagious Congregation by Dr. George G. Hunter, III.

During Lent (March 4 - April 18, 1987) the ministerial staff of each local church will lead the LCCR in a study of Hunter's book using the Study Guidelines as a suggested resource for the committee's study.

At the study's completion, a written report will be made by the LCCR for presentation to (1) the local church's Council on Ministries and Administrative Board (or Administrative Council); and (2) to the District's Clusters on Revitalization. The study will provide the basis for developing specific goals for implementation in the second half of 1986.

3. The development of District Cluster Groups comprised of at least the senior pastor of each local church in the Central Texas Annual Conference, who will meet three times during 1987 for the expressed purpose of addressing the need for revitalization within their respective local churches. The time-line and agenda for these cluster meetings will be as follows:

a. By January 30, 1987 the clusters will meet to (1) determine their beginning "Discipling Index"; (2) to project plans and goals for the first half of 1987; (3) and to discuss questions related to the Study Guide for use with the LCCR.

b. By July 30, 1987 the clusters will meet to (1) review their church's Discipling Index for the first two quarters of the year; (2) to review activities for the first half of 1987 in light of the established plans and goals for the church formulated in the first Cluster meeting; (3) to establish plans and goals for the remainder of 1987; (4) and to suggest directions for the District Committee on Revitalization's use in planning for 1988.

c. By January 15, 1988 the clusters will meet to (1) review their church's Discipling Index for the last two quarters of the year; (2) to review activities for the second half of 1987 in light of the established plans and goals for the church formulated in the second cluster meeting; (3) to evaluate the effectiveness of the 1987 emphasis on Evangelism by composing a written report to be given to the District Committee on Revitalization by February 15, 1988.

The District Evangelism Coordinator shall recruit a District Committee on Revitalization to assist in coordinating this program within the district. Members of the District Committee on Revitalization shall be responsible for initiating and leading the three cluster meetings, and for reporting back to the committee the written evaluation of this program. The District Committee on Revitalization will, in turn, give a composite written report to the District Council on Ministries by the second DCOM meeting of 1988.

A PROGRAM FOR "CHURCHES OF EXCELLENCE"
CENTRAL TEXAS ANNUAL CONFERENCE 1987
FROM THE CONFERENCE COMMITTEE ON EVANGELISM

RATIONAL:

In view of the past membership decline of United Methodism, and in light of our conference's record of minimal growth at this time when much greater growth seems highly possible, we propose a program for "Churches of Excellence" for the local churches within the Central Texas Annual Conference during the calendar year 1987.

The five criteria which are listed below are proposed for three basic reasons: (1) we believe there is a connection between the strength of a church's Christian education program and the vitality of a congregation's total ministry; (2) we believe that the need to make new disciples must be given high priority in the life of every local congregation; and (3) we believe a church in vital ministry has a missional commitment to the world as well as to its local setting.

THE PROGRAM:

During the 1987 calendar year "Churches of Excellence" will:

1. Begin a minimum of one new adult Church School Class
2. Experience an increase of at least 5% in Church School attendance
3. Conduct a Confirmation Class
4. Receive at least one new member by profession of faith for every 75 members of the church based on 1986's year-end membership.
5. Pay 100% of all apportioned items and an amount equaling to 10% or more of apportioned items to advanced special causes.

At the Annual Conference meeting in 1988 those churches that have met the above criteria will be recognized with an appropriate award from the Annual Conference, and shall be recognized by their District Superintendents at the meeting of their Charge Conferences in the fall of 1988.

NATIONAL CONSULTATION OF PASTORS OF GROWING CHURCHES

St. Louis, Missouri May 12 - 14, 1986

Pastors from 60 growing congregations, ranging in size from 34 to nearly 12,000 members, met to suggest ways the United Methodist Church might halt its 22-yearr membership decline. Participants chosen to attend from the Central Texas Conference were Gary Lindley, Round Rock St. Philip's; James Abel, Grapevine First; Weldon Haynes, Fort Worth First.

The pastors came as consultants to a special 14-member committee on membership chaired by Bishop Richard Wilke created by the 1984 General Conference.

The consultation featured presentations from pastors representing small (under 500), medium (between 500 and 1500), and large (more than 1500) churches, as well as, ethnic minority congregations. Participants also met in small groups according to church size to share experiences and formulate recommendations for Bishop Wilke's committee.

Some of the essential issues submitted were the following:

1. CALL TO PRAYER - That our entire denomination be called to prayer immediately, and to use the Annual Conferences this year to spread the call - to confess that we have been lax in our Wesleyan zeal to make new disciples, to wait in silence for absolution, and to pray for the empowerment of the Holy Spirit to regenerate our Church.
2. WORSHIP - From the beginning, Methodists have been a people of dynamic, spirited worship. The time has come to recapture our fervor for worship that meets the hurts, needs, and joys of people in a personal way. We see one reason for our decline in making disciples/church growth has been in worship services that are dead, dull, and boring. Therefore:
   a. Preaching must be simply expressed, but not shallow.
   b. Hymns must be singable, and music should be inclusive of all styles and flavors of our faith, and follow these criteria: Does it glorify God? Does it make disciples?
3. NATIONAL PUBLIC PRESENCE - We need a new image of national public presence, achieved through prime time network television, including professionally prepared, 30 second spots, featuring personal statements from grassroots people, who's hurts, needs, and joys have been met by Jesus Christ through a local United Methodist Church - regardless of cost.

In this process, the general Church would assist the local church in the development of media packages tailor made for the individual United Methodist local churches. Such packages should include: signage, billboards, print media, and other instruments of advertising.

We believe that "Catch the Spirit," and other significant programming of this nature should be moved to major network prime time television.

4. THE MINISTRY - In being set apart for ministry, the clergy join the laity in the privilege of disciple making and nurturing. We urge that all clergy be held accountable for our competence in discipling. To this end, each District Superintendent shall annually ask for each pastor's plan for disciple making.

   We call for a formal re-evaluation of the District Superintendency, with a focus on these issues:

   a. Shifting their duties from an emphasis on administration, to an emphasis on pastoral care, and the equipping of clergy and laity for disciple making.
   b. Seriously look at alternative criteria for appointment making, based less on salary, and more on competency.
   c. Requiring the District Superintendents to annually receive collective comments from the pastors of their districts on the role of the District Superintendent, and to share their expectations of each of the pastors.

These things are shared with love and concern for our great Church, and for our parish - the world. We <u>are</u> alive. The best is yet to be!

CONFERENCE PRAYER

At a time when your Church had lost its first love...when ministry had been left to the distracted clergy while the laity dozed in the pews....

You, O God - our heavenly
Father, reached out to the
heart of a young man
at Aldersgate.

Do it again, Lord!

Make this convention center an Aldersgate in my life...in each of our lives... And, thus to the whole of our beloved United Methodist Church.

Do it again, Lord!

By your grace and power rekindle our passion to risk sharing the Good News of Jesus Christ and for the nurturing and equipping of His disciples.

Energize us for this bold adventure.

Do it again, Lord!

In the Master's strong name, we pray AMEN!

Bishop Goodrich graduated from Centenary Academy, played football at Centenary College and received his Bachelor of Arts degree from Birmingham-Southern in 1933. While attending Perkins School of Theology he was ordained deacon and elder by Bishop A. Frank Smith and joined the Texas Conference.

He was program director of Radio Station KTBS and directed the SMU Mustang Band. He inaugurated the first professional radio program broadcast over a Texas network and in 1950 began a pioneering work in the field of religious television. "The Pastor Calls," a TV drama, was broadcast by more than 300 TV stations nation-wide. He gave eight series of sermons on the Protestant Hour. Two of his sermons were recorded: "The Day the President Was Killed" and "The Fugitive." He wrote several books, including, "Reach for the Sky" and "On the Other Side of Sorrow."

DR. J. W. SPRINKLE

August 11, 1914 July 24, 1985

Dr. J. W. Sprinkle, minister and leader in the Central Texas Conference, died July 24, 1985 after a long illness. J. W. was a native of Fort Worth. He graduated from Central High School, Texas Christian University, Perkins School of Theology at Southern Methodist University, and received a doctorate from Southwestern University.

Dr. Sprinkle began his ministry in 1938 and was ordained a deacon in 1940 and an elder in 1942. His local church appointments included the Alvarado Circuit, Covington-Osceola, Morgan-Kopperl, St. Luke's Haltom City, Kerens, Gatesville, Meadowbrook, Kessler Park in Dallas, and Handley. He was also an Army Chaplain and was superintendent of the Cleburne District and the Temple District. Before retiring in 1980, he also served for eight years as secretary-treasurer of the Central Texas Conference.

Dr. Sprinkle was instrumental in guiding the Conference to expand the pension program for retired ministers, and even after his retirement worked part-time to complete the $1.5 million fund-raising effort for pensions.

Though he enjoyed his work in the superintendency and in conference administration, it was serving the local church which gave to J. W. the most joy and pleasure. He is remembered as one who was a friend and pastor to many, having served some 8,000 Methodists in his 42 years of active ministry. J. W. will be remembered for his love of life and his commitment to Jesus Christ.

He is survived by his wife, Myra; a son, Stephen Sprinkle of Irving; a daughter, Sherelyn Mitchell of Arlington; a sister, Mary Outlaw of Jackson, Mississippi; and two grandchildren.

A Service of Celebration was held at Meadowbrook United Methodist Church, Fort Worth. Dr. Sidney Roberts, Reverend James R. Porter, Reverend Mike McKee, Reverend Plez Todd, Dr. C. C. Sessions and Dr. Ervin Gathings officiated.

REVEREND WILLIAM LEE HANKLE

July 25, 1899 August 11, 1985

The Hankla Memorial Carillons pealed out the music of the faith in the tower at First United Methodist Church in Fort Worth as funeral services were conducted August 16, 1985 for the Reverend William Lee Hankla. Born July 25, 1899 in San Marcos, Texas, interment was at the Greenwood Memorial Park in Fort Worth with the Reverend H. Barry Bailey, pastor, the Reverend Dr. Robert L. Robertson, pastor of New World United Methodist Church in Garland, and the Reverend A. B. McCown, former associate pastor at the Fort Worth Church, conducting the service.

Six months earlier the telephone rang at the Garland parsonage....it was Bill Hankla reminding me of my commitment to participate in his funeral service whenever it came. Bill Hankla planned in advance, which many of his friends called the mark of his ministry in the Central Texas Conference.

A graduate of Main Avenue High School in San Antonio, he attended Southwestern University at Georgetown and the University of Texas.

After entering the Methodist ministry in 1923, he was associate pastor of First Methodist Churches in Austin and Fort Worth. He served as pastor of Arlington Heights, Riverside, St. Mark's and Grace Methodist in Fort Worth, He also pastored First Methodist Churches in Stephenville, Breckenridge, Gatesville, Waxahachie and Winters.

He began reporting Methodist meetings for the "Fort Worth Star-Telegram" newspaper in 1938 and covered the last General Conference of the old Methodist Episcopal Church, South in Birmingham, Alabama in that year. The following year he reported the Uniting Conference of the Methodist Church from Kansas City, Missouri.

Bill was for several years editor of the Central Texas Conference news page of the "Texas Methodist" newspaper. He served as press secretary for the Central Texas Conference for many years.

It was at the 1964 General Conference in Pittsburg, Pennsylvania, that I saw Bishop William C. Martin rush out of a meeting room to announce that the 1968 General Conference was to come to Dallas...and by his side was Bill Hankla who himself was rushing to a telephone to call the "Fort Worth Star-Telegram" and give them the story he already had prepared for the afternoon editions of the newspaper. Bill Hankla planned in advance.

Bill was a journalist of the old school who got his facts correct and then filed the story. He seldom ever had to correct his stories after they appeared in print. When the pastoral appointments ran in the "Star Telegram" they were correct because he devised a written form that each district superintendent filled out with the exact details and then sent to him with the date for the release of the appointments. He planned in advance.

Bill and Edwina, his wife of over 62 years, established a scholarship fund at Southwestern University, a fund to help youth at The Methodist Home in Waco and a scholarship fund at Palestine High School in memory of their son, Walter V. Hankla, who died of a heart attack in 1971.

Survivors include his wife, four grandchildren and three great grandchildren.

- Robert L. Robertson

REVEREND JOHN HARPER

Reverend John Harper, born August 17, 1918 in Kearny, New Jersey, died November 6, 1985 at Harris Hospital, Fort Worth, after a lengthy illness.

John was given his Local Preachers license at the Louisville, Kentucky District Conference May 11, 1945 and from that moment to the moment of his death was a true and tested servant of Jesus Christ through the United Methodist Church. John was one of those who reminds us of the "Circuit Rider out with no one else but the crows." He gave it his all and his best.

John was pastor at Saginaw, Briston-Trumbull, Waxahachie Circuit, Blanket, Evant, Chaplain U. S. REVEREND SIDNEY WAYNE REYNOLDS

September 30, 1914 **February 21, 1986**

Hundreds of clergy and laity gathered Monday, February 24, 1986 at the University United Methodist Church in Fort Worth for the Memorial Service for Dr. Sidney Wayne Reynolds. The service of memorial was planned in the spring of 1985 by Dr. Reynolds and his children. Son John, pastor of the Trinity United Methodist Church of McAllen, Texas, was clergy consultant guiding the service.

Wayne was born September 30, 1914 in Holly Springs, Camp County, Texas and was educated at Pittsburg, Texas. When Pastor Watson of Pittsburg and President Brabham of Texas Wesleyan College came to the Reynolds' home, they recruited Wayne to come to Texas Wesleyan College, provided Wayne could raise ten dollars for deposits and his father, Sidney Rey-

nolds, would provide lumber for the post office, co-op and other small buildings on the campus. Wayne also had part-time campus jobs of painting and dishwashing, that enabled him to finish his undergraduate education. He received his Bachelor of Divinity from Perkins School of Theology at Southern Methodist University in 1945. McMurry College of Abilene awarded him the honorary Doctor of Divinity Degree in 1955.

He began his ministry as Associate Pastor of Matthews Memorial Methodist Church from January, 1938 through November, 1939 under the tutelage of the late Frank Turner and Rosamond Stanford. It was at Matthew Memorial (now University United Methodist Church) where he met Jane Berry who became his bride and helpmate for more than 40 years in the active ministry. To this union they had son, John Wayne, now pastor of Trinity United Methodist Church of McAllen, Texas; son, Richard, of Bryan, Assocate Director of the Student Center at Texas A & M University; and daughter, Betty Jane of Cisco, where she teaches the second grade and her husband, Olin Odom III, is connected with Cisco Junior College. There are five grandchildren.

His ministry, all in the Central Texas Conference, included: Lake Worth Methodist Church, 1939-1942, Mansfield Methodist Church, 1942-1945, Grapevine Methodist Church, 1945-1950, Englewood Methodist Church of Fort Worth, 1950-1951, Couts Memorial Methodist Church of Weatherford, 1951-1953, First Methodist Church of Ballinger, 1953-1956, Herring Avenue Methodist Church of Waco, 1956-1959, First Methodist Church of Weatherford, 1959-1962, Cisco District Superintendent, 1962-1968, Administrator, Wesleyan Home, Inc. of Georgetown, 1968-1978, and First United Methodist Church of Killeen, 1978-1983.

He retired at Conference in June, 1983, after 43 1/2 years in the active ministry.

From staff, pastorates, District Superintendency, and Administrator of the Wesleyan home of Georgetown, Wayne served effectively in his own unique way. Also, he served as Chairman of Texas Alcohol Narcotic Education from 1970 until death, Conference Secretary of Evangelism, 1959-1961, and Trustee of his alma mater, Texas Wesleyan College, for 28 years, as well as many conference boards and agencies.

His memorial service included favorite hymns and poems used by him in his many services of memory for others. Son John gave the opening greetings and words of grace of celebration of his death and resurrection. The congregation joined in singing of "Holy, Holy, Holy, "How Firm a Foundation," and "For All the Saints." Congregational participation in the liturgy included responsive psalter and lectionary. Rev. Kester Hearn, former TWC classmate and longtime friend read the epistle and Dr. Eric McInney, close friend of minister son John read the gospel. Pastor Robert E. Young of University United Methodist Church gave the sermon followed by twenty-five family members and friends that expressed acts of grace of God to them by Wayne Reynolds. These included words from nearly every congregation and ministry served by Dr. Reynolds and from Dr. R. R. Holaton, Executive of TANE, and Dr. Jerry Bawcom, President of Texas Wesleyan College.

Final graveside services were conducted at Oakwood Cemetary in Weatherford, a city where they had served two terms of ministry, and active pallbearers were seven nephews. Ministers and spouses sat in the choir loft and were honorary pallbearers.

The words of John Chadwick reflect our feeling for Wayne:

> "Tis hard to take the burden up, when these have laid it down;
> They brightened all of joy of life, they softened every frown.
> But Oh, tis good to think of them, when we are troubled sore,
> Thanks be to God that such have been, through they are here no more."

NELDA SHIRLENE JOHNSON PATISON

March 21, 1936 July 9, 1985

Nelda Johnson Patison was born in Winchell, Texas, on March 21, 1936, the youngest of the four children of Mr. and Mrs. H. T. Johnson. Nelda died on July 9, 1985, at the district parsonage in Weatherford, and was buried at Mt. Olivet Cemetary in Fort Worth. The memorial service was held in the University United Methodist Church of Fort Worth, with Bishops John Russell and W. McFerrin Stowe, Rev. Don Scott, her pastor, and Rev. Verne Fuqua participating. Pallbearers were the members of the extended Cabinet of the Central Texas Conference.

Nelda Johnson and John Michael Patison were married March 8, 1958. Two children were born to Michael and Nelda, Pamela Renee and John Michael, Jr., both now graduates of SMU and living in Dallas and Fort Worth, respectively.

Nelda was an important part of the ministry of Michael as they together served Moody, Arlington Good Shepherd, Temple Seventh Street, Richland Hills, the Temple District, Fort Worth University and the Weatherford District. Indeed, she was "the queen of the parsonage."

Nelda graduated from Hillsboro High School, attended Baylor University and graduated from Texas Wesleyan after her children finished school. For four years she was a volunteer teacher in the Eastwood Center, and for three years she taught kindergarten at the Sam Houston Public School in Weatherford. There the parents and faculty planted an oak tree as a living memorial to Nelda and to the warmth of her love for the children and her magnificent courage in the face of her illness. In El Paso the Lydia Patterson Institute paid high tribute by renaming their library the "Nelda Patison Memorial Library."

Nelda held many offices in local churches, district and conference organization, including the presidency of the Fort Worth East Minsters' Wives and the Central Texas Conference Ministers' Wives.

Many words were used at the Memorial Service seeking to describe Nelda's faith and courage, her love for her family and her friends. None was adequate, for she was an uniquely lovely person, but one statement came close:

> Our Catholic friends pray saying, "Hail Mary, full of grace," and it is no sacrilege as we say of Nelda, "Hail Nelda, full of grace," for this is a true description of her.

Nelda is survived by her husband, Michael, the children, Pamela and John Michael, her father, H. T. Johnson, her sister, Jo Ann Sides, and her brothers, Terrell and Thomas Johnson, and many who "have loved and lost awhile."

Eloise felt herself very much a part of her husband's ministry which began in the Central Texas Conference in June, 1958. Eloise was a talented musician teaching music for many years.

A quiet strength characerized her entire life; in spite of her sufferings and confinement, Eloise never lost touch with the world around her. She was totally alive until death came quietly July 23.

Eloise is buried in Memorial Gardens Cemetery, Weatheford, Texas beside her beloved eldest son, Richard.

IRENE A. SEIPP

October 7, 1985

On May 15, 1930 Irene Ardene Selzer became the bride of George Maxwell Seipp. Together they established a Christian home that served as a model over the forty years of their life together.

When in 1954 Brother Seipp felt the call to the ministry it was a call that they answered together. Irene walked by his side through the years of preparation and schooling that preceded his ordination. There being no children of their own, their home and hearts were opened not only to the young but to the older ones to whom they ministered over the years.

During the fifteen years of their service they served the Valera Circuit, Brownwood Johnson Memorial (now Early UMC,) Trinity Coleman Parish and Blanket and May, all of which are in the Brownwood District. Her life was always a compliment to the ministry of the Church. Following her death she was laid to rest in the Restland Memorial Park in Dallas.

KATE SAYLE POPE

On November 19, 1985 at eleven o'clock in the morning the family and friends of Kate Sayle Pope gathered in the sanctuary of Highland Park United Methodist Church, Dallas, for the service of praise and thanksgiving for Kate Sayle Pope. Her pastor, Dr. Leighton Farrell, associate pastor, Dr. Kenneth Dickson, Bishops John W. Russell, W. McFerrin Stowe, O. Eugene Slater and J. Chess Lovern participated in the service. Dr. Barry Bailey conducted the service of entombment at the Sparkman Hillcrest mausoleum.

Kate's home in her early years was Breckenridge, Texas. Breckenridge was more than a pastoral appointment for young W. Kenneth Pope; it was also the place where Kenneth met Kate. He courted her and persuaded her to change her role from that of parishioner to pastor's wife. Through years in both the pastorate and the episcopacy, Kate and Kenneth served Christ and His Church in their own distinctive and creative manner. Who can measure the far-reaching influence of their ministry?

While her father served as superintendent of the Texas Prison System at Huntsville, Kate attended the Samuel Houston State University from which she graduated. Later, during Kenneth's pastorate at First Methodist Church, Georgetown, Kate attended classes at Southwestern University. She was particularly interested in studies in political science taught by the distinguished professor, Dr. George Hester.

Kate's family occupied a central place in her life. She supported her husband through his long ministry. At the same time she was a wonderful mother to her two children, Katherine Victoria and Kenneth Sayle. She encouraged them in their educational pursuits and she had justifiable pride in their unusual achievements.

Kate loved the beautiful qualities in life as represented in persons, in nature, and even in the appointments of her home.

Kate was a loyal citizen of her community and country. She was an interested and involved citizen. She was a people-oriented person. She kept up with what was happening in the world. She was an omniverous reader.

The church was an integral part of her life. She could be critical of the church when she thought it unfaithful to its Christian mission. She had little patience with smooth cliches as substitutes for a fresh and vital word about truth and love. She understood the Christian life as having to do with justice, mercy, compassion and respect for persons. She did not talk over-much about her faith; she lived it!

Kate was an authentic human being. She could sit down with friends in a "fast food" restaurant and enjoy a hamburger with as much ease as she enjoyed a meal with friends in an elegant dining room.

Isaac Watt's hymn, "O God Our Help in Ages Past," particularly the last stanza, is a prayer appropriate to Kate's faith:

O God, our help in ages past,
Our hope for years to come;
Be Thou our guide while life shall last,
and our eternal home!

We bless the memory of Kate Sayle Pope and we thank God for her good life.

NELLIE LEE HILL COLE

September 29, 1895 **November 30, 1985**

Nellie Lee Hill Cole was born in Houston, Texas, on September 29, 1895, but lived most of her life in Waco, Texas. After graduation from Waco Public Schools, she attended Baylor University. She graduated in 1916 in a special field of study that in those days was called "Expression." She did further study in the School of Expression in Boston, Massachusetts before returning to Waco and Baylor University where she was a teaching assistant. She also taught in Rusk Junior College, Rusk, Texas.

On June 24, 1919, she was married to the Rev. William H. Cole, and for 47 years with her husband served the churches of the Central Texas Conference. She was a professional in her own right, serving the Central Texas Conference in the conference office for eight years. At one time she was a member of the staff of Austin Avenue United Methodist Church as the Director of Children's Ministries.

Mrs. Cole was a multi-talented person who was always ready to use the talents God had given her wherever and whenever she was needed. In her later years as she served as a layperson in Austin Avenue United Methodist Church, she was an example of a life beautifully and well lived.

On November 30, 1985, Nellie Lee Cole moved from this life into the next after having been on this side for 90 years. Her continued life was celebrated in a service of worship at Austin Avenue United Methodist Church on December 2, 1985.

CAROLINE ANDERSON WHITE PATTERSON

November 8, 1892 **January 14, 1986**

Caroline Anderson White Patterson died peacefully in her sleep on Tuesday, January 14, 1986 at her home in Fort Worth, Texas after a brief illness. She was 93. Caroline was born November 8, 1892 to James Garrett White and Mary Carpenter White. She was one of eight children born on Anchorage Farm, Red Hill, Albemarle County, Virginia.

She attended the Longwood School in Virginia. She met and married Joseph Isham Patterson when he was a student at the University of Virginia, and came to Texas as a Methodist preacher's wife—a life she enjoyed fully.

During the active ministry of Brother Joe, which spanned 40 years, they served churches in Corsicana, Bynum, Maypearl, Santa Anna, Stephenville, Hillsboro, Cisco, Meadowbrook in Fort Worth, Graham, Mexia, Olney, Seventh Street Church in Temple, and Boulevard in Fort Worth.

After Brother Joe's retirement he became minister of visitation at Meadowbrook. The Pattersons spent much of their time visiting hospitals and nursing homes, encouraging the ill and elderly, and comforting their families.

Caroline is remembered by her family and the church family as one who liked to be dressed up, so that she might be always be prepared and ready for life's encounters. She had her trademarks. She never went anywhere without her hat and gloves. In later years, if she were without her hat, we knew she was not feeling well that day.

Caroline ws a partner in ministry with her husband. She opened her home to the members of the churches they served. She loved people, all kinds, and could identify so easily the beauty of the inner person regardless of their external situation.

She is remembered by her children for the home she created, and the love of her family. She knew hope and encouraged others to be hopeful. She would often say to her sons before bed, "Thank the Lord you have a clean place to sleep and people that love you."

She loved Virginia, and year after year, she returned with her family to the home of her birth.

She loved the Church. She loved her Lord. She served her church in so many ways whether it be entertaining the Board of Stewards or making cancer bandages with her Thursday morning Fellowship Club.

She is survived by three sons: Joseph Redwine Patterson of Dallas, James White Patterson of Austin, Julian Culver Patterson of Temple; one sister, Mrs. B. P. Teal of Charlottesville, Virginia; a sister-in-law, Mrs. Russell Rice; seven grandchilden, one great-grandson; and many nieces and nephews and a host of friends.

Her life was celebrated on January 17, 1986 at Meadowbrook United Methodist Church, Fort Worth with a graveside service in DeLeon, Texas. Reverend James R. Porter, Reverend Ben Marney, and Reverend David Mosser officiated.

GLADYS CHARLOTTE MORTON

October 13, 1903 — January 16, 1985

Since coming to Clifton, one of the great delights in this community has been having the opportunity to be pastor to five retired pastors and their families. Their lives and encouragement have been a source of strength and wisdom, and one who was always ready to offer a compliment or a word of encouragement was Gladys Morton. It was always a delight to visit with Gladys. When there seemed to be little good about something, Gladys always seemed to be able to pick out the great possibilities of a situation as one might spot a bud about to break into bloom. And as with so many, she was able to possess a concern for others when her attention could have been rightfully directed toward herself. That simple word of hope, that new perspective, those little stuffed animals shall long be remembered.

We do remember and give thanks for the gift of life that was ours through Gladys Morton. Gladys was born to Wallace and Helen Helleson Moody on October 13, 1903, in Bosque-

ville. She attended school in China Spring and Bosqueville. She married James Earl Morton on October 10, 1923, in China Spring. They had two children, Dwayne and Charles. Always at J. E.'s side, Gladys lived in Waco, Lorena, Riesel, Crawford, Weatherford, Drasco, Talpa, Wortham, and Salado. Their retirement home was in Clifton, where J. E. still resides. Fulfilling her ministry as a pastor's wife and homemaker, Gladys was always active in all aspects of the church, but especially the W.S.C.S. in which she gave so much of herself and her talents of handwork. Through her life, the Church has been blessed and enriched in so many ways. We give thanks.

Gladys Charlotte Morton, 82, died at 12 noon on Thursday, January 16, 1986, in her home. Funeral services were held at 2:30 p.m. on Sunday, January 19, at First United Methodist Church in Clifton. Rev. Johnny Miller and Rev. William Greenwaldt officiated. Burial was in the Clifton Lutheran Cemetary.

Survivors included her husband, Rev. J. E. Morton; two sons, Edward Dwayne of Ogden, Utah, and Charles L. of Clifton; three brothers, Haden Moody and Dwight L. Moody, both of Waco, and T. J. Moody of Houston; five grandchildren and four great-grandchildren.

MINNIE GARDNER

April 22, 1892 — April 23, 1986

Minnie Marie Gardner was born April 22, 1892, in Cisco, Texas, to J. H. and Mary Womack Rogers. After entering business college, she met a young teacher who had come to Texas, from Ruskin Cave College in Tennessee, to teach. This teacher, greatly impressed with one of his students, and this student, deeply impressed with her new teacher, found time to be with one another as much as possible other than at school. After a period of courtship had expired, the two exchanged wedding vows on December 19, 1919. To this union was born two fine children, James T. Gardner, Jr. and Vida Margaret.

Shortly after their marriage, her husband decided to leave the teaching profession and enter the full time ministry of the church. Minnie Marie had no problem with this transition. Her personality and dedication to her family and church was a good example for all ministers' wives. She was supportive of her husband's high and holy ambition and was willing to make any sacrifice needed. And in her quiet dignified manner, she won the respect of all whom she met. Some of the parsonages in which she lived left much to be desired, but she always had a way of making it look like a home. Her needle work and arts and crafts always added a touoch of beauty and charm wherever she lived. It was said, "She always raised the lovliest flowers in town."

She and her husband, James, retired from the active ministry in Georgetown in 1956, after serving a number of churches in the Central Texas Conference. Their last three churches were Hubbard, Italy, and St. John's of Georgetown.

Minnie Marie slipped away from her earthly bonds at Santa Rosa Hospital in San Antonio, April 23, 1986. Her body was laid to rest in the I.O.O.F. Cemetary in Georgetown. Her useful life and good influence will live on in the hearts of those who knew her and loved her so much. We praise God for the life she lived and the faith she so proudly embraced.

"Lossed is the cord of silver,
Broken the golden bowls,
These flowers are faith's immortal,
At home with God, the soul."

VI. LOCAL CHURCHES

2. In the event of death of a minister residing in a parsonage, the family of the deceased minister will be allowed thirty days to find other housing and vacate the parsonage.

VII. DISCONTINUED OR ABANDONED CHURCHES

1. When a local church has been discontinued or abandoned and the property disposed of as directed by the Book of Discipline in accordance with Paragraph 2441, the proceeds derived therefrom, if any, shall be first applied to the retirement of pension deficits, and the satisfaction of any claims against ministerial pension annuities which may have arisen out of failure of that church to make propor-

tionate payment for ministerial support. The Trustees of the Conference shall recommend to the next session of the Annual Conference the disposition of any remaining proceeds.

EQUITABLE SALARY PROGRAM

There shall be a program of Equitable Salary Support in the Central Texas Conference under the management of the Commission on Equitable Salaries and Clergy Benefits. This program shall be patterned after paragraph 935 of the 1980 **Discipline.** Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Salary Program.

1. The Commission recognizes the necessity of coordinating all salary subsidy; therefore, the Conference Treasurer shall inform the Commission of any salary grants by other Conference or General Church agencies, so it may coordinate salary grants with such agencies. Any pastor receiving such grants and whose salary is still below the Conference minimum shall be eligible for consideration of salary supplements through the Commission on Equitable Salary and Clergy Benefits for that portion not covered by any other sources.
2. A prerequisite for consideration of salary supplements from the Equitable Salary Fund shall be the filing with the Commission a written application by the District Superintendent. The District Superintendent shall certify classification of the pastor and the salary (salary, travel, and utility) set by the charge. The application form will be supplied by the Commission.
3. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro rata basis for the part of the year actually served.
4. The following conditions must be met by the pastoral charge before its pastor can become eligible for consideration to receive salary supplements from the Equitable Salary Fund.
   (a) The pastoral charge shall have conducted an Every Member Canvas for the local church budget of each of its churches during previous conference year.
   (b) All apportioned items shall have been paid in full for the previous conference year.
   (c) The charge must have at least 100 members.
   In unusual situations the Commission on Equitable Salary and Clergy Benefits may waive any or all of these conditions.
5. The Commission on Equitable Salary and Clergy Benefits will pay any amount up to 1/3 of the minimum salary as set by the Annual Conference for each applicant according to his/her ministerial classification. If any exception under paragraphs 4 or 5 is sought, the request must be endorsed by a 2/3 vote of the Cabinet before it can be considered by the Commission.
6. Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 1982, with following years based upon percentages of the average salary of the Conference. The salary supplements, based upon the fixed percentage rate, will change automatically with any changes in the average salary:

	1982	Following Years
(a) Elder, Full Connection	12,000	80%
(b) Associate Member	10,000	66.6%
(c) Full Time Local Pastor	9,000	60%

(d) Probationary Member		
1) Non-student Living on Charge	10,000	66.6%
2) Student Living on Charge	9,000	60%
3) Student Living Away from Charge	7,000	46.6%
(e) Student Local Pastors		
1) Living on Charge	8,000	53.3%
2) Living Away from Charge	6,000	40%

7. Pastors who are appointed to less than full time service as addressed in the 1980 **Discipline**, paragraph 438.3b, shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in pastoring the charge. For example, if the pastor is deemed as serving 1/4 of full time his minimum salary eligibility would be 1/4 of the minimum of his Conference relationship classification. The categorized 1/4, 1/2, 3/4 will be followed in determining less than full time eligibility for salary supplements from the Equitable Salary Fund.

8. Seminary students who are serving pastoral charges and receiving Equitable Salary Supplements, are eligible to receive $2.00 per mile, one way, one time per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor receiving the charge at the end of the third quarter of the Conference year.

9. Ministers who are not eligible for salary are:
(a) Those whose appointment is other than pastor of a charge within the Central Texas Conference.
(b) Those classified as part time local pastors.
(c) Retired ministers
(d) No pastor shall be eligible to receive salary supplements from this fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in a present appointment.

COMMITTEE ON SUSTENTATION

OPERATIONAL PROCEDURE FOR SUSTENTATION
Plan of Operation

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of the Executive Committee of Board of Pensions.
This committee will have charge of and promote all the interests of the Sustentation program and shall be the determining factor in the final approval of any candidate for participation in this program.
2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.
3. We recommend further that the following shall be eligible for participation:
1. All ministers of the Central Texas Conference who have been admitted on trial, or have been received into full connection, provided they have not reached the age of voluntary retirement, which is sixty-five (65) years of age.
2. An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in Central Texas Conference.
3. Any minister, meeting the above requirements, who is relieved of his pastoral duties and granted a leave of absence from his charge by the Bishop and Cabinet any Conference year for physical or psychological reasons shall be eligible for sustentation for the portion of the year that remains until the next meeting of the Annual Conference.

4. We recommend the following procedure:
   1. The applicant shall make his desire known, in writing, to the Committee on Sustentation.
   2. The applicant must submit to a complete examination of the Clinic of The Harris Hospital in Fort Worth, Texas and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number eight (8) of the Certificate of Disability which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"
   3. In extreme emergencies, the Committee will consider the diagnosis and recommendations of a duly qualified physician, but not the claimant's personal physician.
   4. When the applicant is approved by the Committee, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With the approval of the Committee on Conference Relations and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.
   5. We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.
   6. All payments shall be made to the claimant monthly.
5. We recommend the following financial plan:
   1. The Committee shall be given authority to draw upon the Operating Reserve Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested price.
   2. After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the Council on Finance and Administration for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if the plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

Members of the Council on Finance and Administration
Central Texas Conference of the United Methodist Church
Fort Worth, Texas

I have examined the Summary of Cash Receipts and Disbursements of W. M. Greenwaldt, Secretary-Treasurer, Central Texas Conference of the United Methodist Church, for the year ended December 31, 1985. My examination was made in acccordance with generally accepted auditing standards, and accordingly, included such tests of the accounting records and such other procedures as I considered necessary in the circumstances.

As described in Note 1, the Central Texas Conference's policy is to prepare this summary on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present results of operations in conformity with generally accepted accounting principles, since such accounting principles require the accrual of income and expenses.

The Supplementary Information included in this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of my examination was limited to a review on auditing procedures with regard to the Supplementary Information, except to confirm the balances shown.

In my opinion, the accompanying Summary of Cash Receipts and Disbursements referred to above present fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year then ended, on the basis described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.

CORRECT NAMES & ADDRESSES

All personnel of the Conference whose names and addresses must appear in the Journal should always communicate any changes to the Conference Secretary. The only exception to this policy is at the time of ministerial appointment, wherein the new appointee occupies the same address as the previous appointee. Your assistance will insure that both the Conference Secretary and the Conference Office have the accurate addresses and telephone numbers for all persons who are related to the Annual Conference.
