The Central Texas Conference

THE UNITED METHODIST CHURCH

SPECIAL SESSION
CENTRAL TEXAS ANNUAL CONFERENCE
First United Methodist Church
Fort Worth, Texas
October 16, 1988

Bishop John Russell called the special session of the Annual Conference to order and led the prayer. He stated that the purpose of the conference was to hear and act upon a recommendation from the conference Board of Trustees.

Bishop Russell then called upon Secretary Sidney Roberts for the organization of the conference. He directed the registration of all lay and clergy members. Roberts then moved that the bar of the conference be the lower floor of the sanctuary. The motion passed.

Elden Traster, chairman of the conference Board of Trustees, read the following resolution and moved its adoption:

Be it resolved that the Central Texas Annual Conference remove prior restrictions placed on the sale of the property located at the corner of Hamilton and University Streets in the City of Fort Worth, known as Lot 1, Block 1, St. John Addition to the City of Fort Worth, Tarrant County, Texas, and authorize the conference trustees to sell at the highest and best price and their discretion and consider financing for suitable clients.

Following several questions the vote was taken and the resolution was adopted.

Bishop Russell pointed out this is the first Annual Conference session of the new Fort Worth Area.

Elden Traster expressed gratitude for Bishop and Mrs. Russell and their assignment to the area. The conference applauded.

The conference was adjourned with prayer.

VI. Reports

COMPOSITE REPORT OF THE CABINET

Bishop Russell, members and friends of the Central Texas Conference, it is my high privilege, as Dean of the Cabinet, to present to you this Composite Report.

This is the first year of the 1989-1992 Quadrennium in which all United Methodism is marching under the quadrennial banner: **"CELEBRATE GOD'S GRACE - WITNESS FOR JESUS CHRIST".** This is a POSITIVE THEME and one that is typical of the Methodist Movement over the past 250 years.

It is the purpose of this Composite Report to show that the Central Texas Conference is very much alive in MINISTRY AND MISSION/CELEBRATION AND WITNESS. In fact, as we come to the Annual Conference Session of 1989, we feel that we have much reason to be **POSITIVE** about our present and future as United Methodists.

Let me share with you why we have reason to be positive---

I.

WE BELIEVE WE ARE WITNESSING THE RENEWAL OF THE CHURCH IN THE CENTRAL TEXAS CONFERENCE.

One indication of renewal is shown in an upward trend of growth that has taken place in this decade of the 1980's. This decade began with 121,996 United Methodist members within our twenty-four county area. At the end of 1988 the membership stood at 134,330. That amounts to a 12,334 net member increase or an average of 1,370 net new members per year. For the year 1988, the upward trend continued with an increase of **1,210** net new members.

How does this growth trend compare to previous decades? In the decade of the 1950's the membership increased 3778; in the decade of the 1960's the membership increased 5736; in the decade of the 1970's the membership increased 3,506 (but, had it not been for the merger of the West Texas Conference (3220) the increase would have been only 286).

BUT NOW, IN THE NINTH YEAR OF THIS DECADE, THE CONFERENCE MEMBERSHIP HAS ALREADY INCREASED AS MUCH AS THE PREVIOUS THREE DECADES COMBINED TOGETHER.

This growth trend would not be so phenominal if it only revealed an increase in members. But, the upward trend is experienced in Professions of Faith, Morning Worship Attendance, Sunday School Attendance, Lay Volunteers in Various Social Programs, and Per-capita Giving. As evidence, the statistics reveal that our Conference received 2,055 on Profession of Faith in 1988 and we have averaged about 2,000 on Profession of Faith each year of this decade. This is a marked increase over the past three decades. Morning Worship Attendance has increased by 5,642 and Sunday School Attendance has increased by 2,447.

Another interesting trend in new members has been those received from Other Denominations. Some people have complained that we are losing too many members to other denominations. But the actual records do not bear this out. For example, we received 2,228 by transfer from other denominations in 1988 and lost 1,042 by transfer to other denominations. Already for this decade, the Central Texas Conference has received 17,802 by transfer from other denominations while we have lost 8,343 by transfer to other denominations. This means that for every member we lost to other denominations we gained 2.13 from other denominations.

Another indication of renewal is expressed in the stewardship of GIVING. During the decade of the 1980's overall giving has increased from $15,890,000 in 1980 to $36,694,000 in 1988. Per-capita giving has increased from $131.33 in 1980 to $273.16 in 1988.

Signs of renewal can also be shown in an ever increasing participation of the LAITY. Today, we find many of our Churches involved in mission and ministry reaching out in everything from

tutoring to providing food and clothing for the under-privileged. Today, we are noticing a return to the organizing of United Methodist Men's Clubs. And there is a marked increase in the laity being involved in programs of visitation. We are also noticing an increase in youth activities across the districts. This is also evidenced by the increasing use of Glen Lake Camp.

Almost any Conference can show increases in occasional years, but ours has been a continued growth pattern without a single year of decrease in the 80's. For this reason, a definite growth trend has been established in the Central Texas Conference. John Naisbitt, in his book Megatrends, points out that positive trends work for you but negative trends work against you, and people respond to trends accordingly. Whenever a product (or a Church) shows a positive trend people want to buy or join. We feel that the Central Texas Conference has established a positive trend and it has caught the attention of many across the nation. Others want to know what we are doing to produce a continuous trend of upward growth and renewal.

We, the Cabinet, give much of the credit of our Church Renewal to Bishop John Russell. For the past nine years we have heard REVITALIZATION from his lips. He never misses an opportunity to stress renewal and revitalization to the laity as well as the clergy. His influence and record has caused the Council of Bishops to adopt revitalization as a definite emphasis for the quadrennium. Out of this has come a theme titled "Vital Congregations - Faithful Disciples".

When we began this new quadrennium, Bishop Russell led the Cabinet through a series of goal setting and prioritizing. As a result of that he has made visits into each of the districts, meeting with laity and clergy, in order to stress his emphasis on renewal and revitalization.

No doubt, when history is written, people will look back on the decade of the 80's and say: The people called United Methodist in the Central Texas Conference witnessed the beginning of renewal right before their eyes. "And So, We Celebrate God's Grace and Witness for Jesus Christ for the Renewal."

There is another reason we have to be POSITIVE--

II.

WE ARE EXPERIENCING A GROWING RESPONSE TO MISSIONS

In Ken Callahan's book, Twelve Keys to an Effective Church, he lists **Mission** as the most important key. Many of our Churches have used Callahan's book as a study guide in order to turn their churches around in effectiveness.

Lyle Schaller has pointed out that "If the Church is faithful to its Mission Development, it will usually be alive in other areas as well."

Bishop Russell has reminded us over the past nine years that the number one characteristic of a vital church is **Mission.**

All our leaders have placed missions first because that is squarely where Jesus placed it in His Plan for the Church. Throughout the centuries of Christian witness, churches have wrestled with this truth. Whenever they have accepted missions as their number one priority, the Church has flourished. When they have debated it, or resisted it, the Church has bogged down and declined. Today, as in years past, when individuals begin to complain about the money given for missions, little do they seem to know that their church is losing its reason for existing.

One reason we are positive about the Central Texas Conference is because we are experiencing a growing response to missions. This truth has been expressed through the commitment of our local churches to pay the apportionments in full each year. The dollar amount of apportionments paid by the 134,330 members of the Central Texas Conference in 1988 amounted to $4,431,868 or $33 per capita. The apportionments amounted to 12% of the total budgets. When we consider that some of the fastest growing churches in America give from 25% to 50% of their budgets to missions, it causes us not to

be too proud of our lowly 12%. But we are positive because we continue to move upward.

The apportionment is the mission of our Church. It is the life-line that reaches out as the hands of Christ. It is food, clothing, medicine, ministering, and the message of Christ. If we could actually see the apportionment in action we would see ministries to institutions, jails, sanitariums, hospitals, and schools. We would see the hand of Christ reaching out to the aged, abused children, unwed mothers, drug addicts, alcoholics, earthquake and other disaster victims.

And so, we are positive because we meet our apportionments 100%. Let us never fall to the level of some other Conferences who do not meet their apportionments in full. But let us urge them to come up to our level as a minimum. And so, we celebrate God's grace and witness for Jesus Christ because we move onward and upward in the mission of Jesus Christ and the United Methodist Church.

Another reason we have to be positive --

III.

WE ARE THE RECIPIENTS OF DREAMS COME TRUE

A healthy church lives out of a healthy dream. For example, the size of a dream is crucial. What we expect from life is usually what we get. In Winnie-the-Pooh, Pooh and Piglet take an evening walk. For a long time they walk in companionable silence. Finally Piglet breaks the silence and asks, "When you wake up in the morning, Pooh, what's the first thing you say to yourself?" "What's for Breakfast?" answers Pooh. "And what do you say, Piglet?" "I say I wonder what exciting thing is going to happen today?"

Small dreams yield small results. Large dreams yield large results. A church can choose a "Breakfast Dream" or an "Exciting Dream". The Central Texas Conference has been choosing "Exciting Dreams". After 123 years of history of the Central Texas Conference we have---

- A new area, the Fort Worth Area of the UMC;
- Our very own Bishop for the first time;
- A new episcopal residence;
- A new conference headquarters building;
- A new Bishop John Russell Conference Room; and
- A new Office of Planned Giving.

These did not happen by accident but are the results of sacrifice and dreams come true.

There are other dreams come true we are witnessing daily.

For instance--

- This year we are completing the **CAPITAL FUNDS CAMPAIGN** which has brought in more than $3 million in just three years. Some choose to look at this negatively and say "the goal was $10 million" but we choose to look at it POSITIVELY and thank God for the $3 million new dollars for three special causes.
- Members from across the Conference continue to respond to the **CHURCH GROWTH AND DEVELOPMENT SHARE PROGRAM**. Shares alone have brought in $2,231,289 already in this decade to start new churches. WHY? Because we believe in a dream that says: "If you want to start something that will be a spiritual blessing to an increasing number of people for a hundred years or more, start a new church in the right place at the right time."

Here, let us pause to give credit where credit is due. The **CAPITAL FUNDS CAMPAIGN** and the **CHURCH GROWTH SHARES** have come about through the sacrifice and generosity of committed members across the Conference, but the motivation came from our Bishop who gave his words of support, commendation, and his own gifts up front.

Still, there are other dreams come true out across out conference. Here is a brief summary of local church events:

So, we conclude this Composite Report with much reason to be positive about our present and future and United Methodists in the Central Texas Conference.

In his 82nd year John Wesley wrote reflectively:

> " I was considering how strangely the grain of mustard seed, planted about fifty years ago, has sprung up. It has spread through all of Great Britain and Ireland; then to America...through the whole continent...."

We believe John Wesley would be proud of how that mustard seed has grown here in the Central Texas Conference.

We are a Conference that is 123 years old, established in 24 counties in the very heart of Texas, with 134,330 members, more than 280 ordained clergy and 348 organized churches.

Through many dangers, toils and snares, we have already come. We know from whence we came, we know where we are as a church, and now we look to the future with great anticipation and commitment.

We believe we still have the blessing John Wesley gave just before his death, when he said:

> "Go on, then, in God's name, in the path to which your Savior has directed you...walk as prudently as you can, though not fearfully, and my heart and prayers are with you."

Respectfully submitted,
Dr. Edward H. Otwell
Dean of the Cabinet

ANNUAL CONFERENCE COUNCIL ON FINANCE AND ADMINISTRATION
Report No. 1

1. The Council on Finance and Administration commends the members of the Annual Conference, the churches and the membership of the churches for their financial response and responsibility in 1988. Our conference has a long tradition of such financial responsibility and the Council on Finance and Administration

looks forward to continuing that tradition. All of our General Church items were paid 100%. It is noted with regret that all of the apportioned items were not paid in full. We did not reach 100% on some annual conference items. These ministries suffered. We hope that this will be corrected in 1989.

2. The salary for the District Superintendent shall be an amount equal to 105% of the average of the salary and allowances paid to pastors of the top twenty (20) churches of the Conference. It shall be computed on the basis of salaries approved by the Charge Conferences which appear on the Episcopal work sheets as of February 1. The figures will be compiled by the Conference Director of Finance and Administration within five days. The 1990 salary for a District Superintendent will be $59,046. The Ministerial Pension Plan Current Service amount of 12% of the Denominational Average Compensation, billed directly to the Conference, will be added to the above salary for apportionment to the districts. It is understood that travel to conference meetings is included in cabinet members' salary.
3. The Conference offices of Director of Finance and Administration, Director of the Council on Ministries, and Director of Church Growth and Development will receive a salary equal to that of the District Superintendents. For 1990 that salary will be $59,046. This amount includes an allowance for utilities and maintenance of $4,000 for the above named three offices. Travel allowances may be part of the respective Council's or Commission's budget.
4. The district committees on finance are authorized to prepare budgets for presentation to the District Stewards. An amount equal to 10% of the salary for the District Superintendent may be included in the district budget to defray the utility costs of the district parsonage. In addition, an amount equal to 10% of the salary may be included in the district budget for travel expenses of the District Superintendent. District Budgets shall not include a discretionary fund, but may include a District Operations Expense item with a parenthetical explanation of its intent. The district budget shall be submitted to the Annual Conference Council on Finance and Administration for approval each year. The District Stewards are authorized to apportion a Connectional Contingency Fund to be used for paying in full apportionment items which may fall short within the respective district. The Connectional Contingency Fund will be administered at the district level in the same means as the District Work Fund. It is understood that if a portion of the Connectional Contingency Fund is not used in any given year, it will remain in the fund and future apportionment funds will be reduced. Any adjustments for unusual local church situations will be made in the apportionment of the Connectional Contingency Fund only. All other apportionments will be distributed to every local church on the basis of the decimal.
5. The Council recommends the request from the Conference Board of Higher Education and Campus Ministry that the amount for the Texas Methodist College Association be $1.60 multiplied by the total Conference local church membership. The Council also recommends the request from the Conference Board of Higher Education and Campus Ministry that the amount for the Wesley Foundation Fund be $1.16 multiplied by the total Conference local church membership. Both funds shall be apportioned to the districts and to the local churches on the decimal authorized by the Annual Conference.
6. The Council recommends that the Equitable Salary Fund be drawn from monies deposited with the Texas Methodist Foundation.
7. The Council recommends that the original request for the Ministerial Pension Plan be reduced by $78,000 from interest received on Pension Capital Funds. The 1990 budget as presented reflects this reduction.
8. The Council recommends that the original request from the Hospitalization Insurance Committee receive up to $50,000 as needed from the Operating Reserve Fund. The line item for 1990 Hospitalization Insurance already reflects this recommended reduction.

9. We recommend the appointment of Dr. Sidney Roberts as Director of Finance and Administration and as the secretary of the Central Texas Conference.

c. The Conference Treasurer, after the close of the fiscal year, shall transfer from the accounts of all boards, commissions and other agencies of the Conference into the Operating Reserve all unexpended balances of the annual appropriations for the year just closed (excepting only items specifically exempt by CF&A) making allowances for all outstanding checks. This procedure is recommended with the understanding that the Director of Finance and Administration will honor the requisitions for all necessary expenses of the new fiscal year within the limits of the appropriations.

d. To invest the funds of the Conference in government securities and federally insured depositories up to and not exceeding insurability, and/or with the Texas Methodist Foundation and to borrow on and dispose of investments at, or prior to, maturity, and to deposit the proceeds from these investments in accounts of the Conference under the guidance of the Council on Finance and Administration.

Resolution A - On Open Itinerancy
Amended and Approved 1-21-89

WHEREAS the New Testament witness is clear that in the Christian Church "There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female; for you are all one in Christ Jesus" (Galatians 3:28); and

WHEREAS the United Methodist Church is committed to a policy of "Open Itinerancy," which "means appointments are made without regard to race, ethnic origin, sex, color, or age, except for the provisions of mandatory retirement" (1988 Book of Discipline, ¶530); and

WHEREAS numerous demographic studies show that ethnic diversity is increasing rapidly in the State of Texas and is likely to continue to do so for the remainder of this century; therefore,

BE IT RESOLVED:

1. That the Central Texas Conference commend Bishop Russell and the Cabinet for progress already made in our conference toward realizing a truly open itinerancy. Specifically we commend the appointment of the Rev. J. D. Phillips to St. Andrew's Church in Killeen and the Rev. John Valles to Itasca-Osceola United Methodist Churches.

2. That the Central Texas Conference, acting out of the unity and togetherness which Christ has given his family, commit ourselves to the achievement of a true and completely open itinerancy. This means that all local congregations will work together with Bishop Russell and the Cabinet to achieve a) inter-ethnic appointments, b) appointments of women clergy, c) clergy couple appointments, and d) appointments without prejudicial regard for a person's age.

3. That this resolution be presented at every local Charge Conference and implemented in the Central Texas Conference in 1989.

Resolution B - On "Ethnic Inclusiveness Resource Team"
Approved 1-21-89

WHEREAS the New Testament witness proclaims that "just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ," (I Corinthians 12:12); and

WHEREAS the New Testament witness further proclaims that "If one member suffers, all suffer together; if one member is honored, all rejoice together," (I Corinthians 12:26); and

WHEREAS the United Methodist Church, in faithful obedience to this Scriptural witness, has historically understood itself to be a connectional Church; therefore,

BE IT RESOLVED:

1. That the Central Texas Conference acknowledge honestly that Bishop Russell and the Cabinet cannot achieve a truly Open Itinerancy in our Conference without the support and cooperation of every local congregation; and

2. That for 1990 the Central Texas Conference through its Council on Ministry, establish and fund a RESOURCE TEAM ON INCLUSIVENESS, the purpose and function of which will be to work with local congregations on the issues of racial, ethnic, and gender inclusiveness. The model for such a Resource Team already exists in our Conference, through the work of the Interconference Committee on Hispanic Ministry.

Resolution to Support Personal Freedom in the People's Republic of China

WHEREAS, We are called by our faith to affirm the dignity and worth of every human being;

WHEREAS, The students and their supporters in China have sought more open dialogue with their government leaders, have asked for basic rights, such as, free speech, truth in their own media, more personal selection in their job assignments, and changes in some of their government leaders;

WHEREAS, The government has now engaged in open warfare upon its own citizens in Beijing, killing hundreds and injuring thousands, and there is a real concern that such oppression could spread to other parts of that society;

WHEREAS, Chinese religious leaders have been present on the campus of S.M.U. and in our area, with one leader Bishop K. H. Ting, recognized as a speaker at our 1988 General Conference, and those leaders have spoken out in support of the students and their requests for more openness in society;

THEREFORE BE IT RESOLVED:

1. That we, as Christians, pray for our sisters and brothers who are suffering and struggling for freedom in the People's Republic of China;
2. That United Methodists and other Christians support these persons in their desires for basic freedom in China;
3. That the government of the United States use all diplomatic efforts to aid in the ending of such death and tragedy.

Copies to: President George Bush, United States Senators of the Foreign Policy Committee, Secretary of State Baker, other members of Congress who have constituencies within the bounds of our Conference, resident Chinese Scholars Associations in the area universities.

Ministry to Prisoners

WHEREAS, Jesus Christ called us to care for those in prison;

WHEREAS, John and Charles Wesley were in the habit of visiting in the prisons of their day to teach the Gospel;

WHEREAS, the General Conference of the United Methodist Church of 1984 sounded, "a call" to Annual Conference Councils on Ministry, District Superintendents, local congregations, and the General Board of Discipleship to explore and develop opportunities for prison ministries;

WHEREAS, the General Conference of the United Methodist Church of 1984, "commended," "Prison Fellowship (International,)" as a

"resource for guidance and training;"

WHEREAS, Prison Fellowship International, an organization dedicated to, "exhort and assist the Church of Jesus Christ in the prisons and the community in its ministry to prisoners, ex-prisoners and their families, and to work for a just and effective criminal justice system," will be in its triennial convocation June 24 through 29 in San Jose, Costa Rica;

BE IT RESOLVED that the Central Texas Annual Conference of the United Methodist Church send notice of our prayers for God's blessing on their ministry;

Harris Methodist Health System

Report No. 1

System Continues Commitment to Region's Health Care Needs

Every day hundreds of people in north central Texas use a hospital or service of the Harris Methodist Health System. The care they receive from Harris Methodist's team of professionals reflect the system's ongoing commitment to delivering the best health care available.

Harris Methodist functions as an integrated health care community, sharing technology, medical expertise and vital services. Components such as the Harris Methodist Health Plan, CareFlite and MASI help link the system's services and establish Harris Methodist as a regional health care resource.

The system strengthened its services in 1988 in several areas. The much-anticipated Sid W. Richardson Pavilion began full operations at Harris Methodist Fort Worth. The Pavilion houses 22 new surgical suites, a comprehensive physical rehabilitation center, expanded emergency and outpatient services, and a new helipad and CareFlite headquarters on the top floor.

In the coming year, Harris Methodist H-E-B will be the site of a major expansion. The hospital will add both a comprehensive cancer treatment and education center and a Psychiatric/Addition Treatment Pavilion to its campus.

Harris Methodist Southwest completed its first year of operations in 1988 and is successfully establishing itself in southwest Tarrant County. A new professional office building is currently under construction to provide additional physician office space. The hospital filled its existing office building during its first year of operation.

Elsewhere in the system, Harris Methodist Affiliated Hospitals continued their commitment to quality health care by adding new equipment and service to meet their communities needs. The Harris Methodist Health Plan also extended the system's reach as more employers began offering the health maintenance organization as a benefit to their employees.

As a new year begins, the system's community hospitals and health care related services will continue their efforts to offer the latest medical care available. Harris Met3
hodist will also continue to demonstrate the strategic planning and flexibility required in today's changing health care environment.

Delivering accessible, quality health care is the challenge that faces all hospitals and health-related services. The Harris Methodist Health System has successfully met that challenge and is confident in its ability to do so for many years to come.

Report No. 2

Harris Methodist Fort Worth continues to be one of the leaders in maternity care in the Southwest. A gift of $1,500,000 from Mr. John P. Ryan of Fort Worth assures that continued leadership. This

gift will aid in remodeling current maternity rooms and creating the larger L.D.R. suites. In these state-of-the-art facilities the mother never has to be moved, for labor, delivery and recovery all take place in the same room. This new dimension in birthing is now a reality at Harris.

Because Harris is the leading Trauma Center in Tarrant County it has become necessary to double the size of our Emergency Department, and add three high-technical trauma suites.

One of the largest departments is Cardiac Care. To meet the increased demands it has become necessary to build a third Cardiac Catheterization Laboratory, and upgrade the original two units. This modernization is in excess of two million dollars.

Four major departments will compose the vast Outpatient Department located just off the Sid W. Richardson lobby. A new Medical Staff Center will house new offices, conference rooms and work rooms for the medical staff and those who serve their needs.

Secondly, a $2.3 million Breast Center will offer coordinated services to women of central and west Texas. Diagnosis, counseling, treatment, surgery and reconstruction form a complete regimen for women with breast problems. With one out of ten women developing breast cancer this new center becomes ever more crucial.

The third facility in this vast area is the Outpatient Surgery Department. With all the procedures involved with outpatient surgery now being in one major department and location these services will be delivered with greater efficiency.

The fourth dimension to the Outpatient Center is the new and enlarged Endoscopy Department. These diagnostic procedures, involving the use of flexible scopes, can detect internal problems without the use of exploratory surgery. These scopes are designed to be used in both the upper and lower extermities of the body and are equipped with lights and surgical instruments for the detection and removal of polyps.

The Sid W. Richardson Pavilion, which was dedicated last summer, houses 22 surgical suites and averages 1200 surgeries per month. Vital services such as pathology, a blood bank and an x-ray department with its own darkroom share the Pavilion's second floor, creating a complete surgical community.

Harris Methodist H-E-B is now building a comprehensive cancer center. This is the culmination of four years of planning in order to adequately serve the growing numbers of mid-cities' cancer patients and their families. The building's design will bring warm, natural light through its two floors. Private treatment and examination rooms and family waiting areas will have comfortable, home-like atmosphere. The main radiation treatment area will feature dressing rooms, lockers, patient gowns and personalized robes.

The center's second floor will provide space for support staff such as nutritionists and rehabilitation therapists. It will also have community education and meeting rooms for cancer support groups. The center will be connected to Harris Methodist H-E-B's main building by covered walkway.

The campuses at both Harris Methodist Fort Worth and Harris Methodist H-E-B provide the widest possible range of medical-surgical services in the industry, and give further support to the excellent services being rendered by the other eight hospitals in the Harris Methodist Health System.

Methodist Home

Administrator: Dr. Jack Kyle Daniels
President, Methodist Home Board of Directors: Dr. Eugene Cragg

THE EAGLE HAS LANDED! February 10, 1989, Methodist Home was designated an EAGLE facility by the United Methodist Association of Health and Welfare Ministries. The EAGLE is an acronym for Educational Assessment Guidelines Leading toward Excellence, a quality enhancement program developed by the United Methodist Association, a nationwide association of United Methodist-related geriatric facilities, hospitals and child care agencies. This achievement is in addition to the continued certification by the Council on Accreditation.

The Educational Assessment Guidelines Leading towards Excellence is a dual-thrust effort created to encourage and recognize excellence in Christian mission and ministry in keeping with the rich historical tradition of the United Methodist Church. Successful completion of the EAGLE Program signifies that Methodist Home has demonstrated it:

* Is striving to meet and exceed legal, financial, ethical and clinical standards.
* Continually monitors and evaluates its service quality, the effectiveness and quality of its staff and safety of its facilities.
* Has designed its programs to be sensitive to meeting community needs.
* Has an effective management program.
* Has a written statement of mission and program which reflects its purpose of Christian service and witness.
* Has a clear written statement of relationship with a connectional unit of The United Methodist Church

The United Methodist Association of Health and Welfare Ministries which conducts the EAGLE Program is headquartered in Dayton, Ohio, and is made up of nearly 400 members including some 178 retirement and long-term care communities, 28 hospitals, 58 child care agencies and 37 annual conferences.

The EAGLE will be with us as Methodist Home continues to meet the highest standards possible. We also believe that every child living outside of its own home deserves a minimum level of care. Through the years we have appreciated the support of the seven annual conferences of Texas and New Mexico of the United Methodist

Church in standing with Methodist Home to uphold Methodist minimum standards of care for all children needing care by someone other than their parents, to sustain the principles of state licensing. Therefore, again, we request the annual conference reaffirm this commitment to maintain the principle of state licensing.

We are indeed grateful for the tremendous effort that all of you have made in financial support of our children and youth throughout the Methodist Home December Christmas Offering.

In the face of an alarming increase in child abuse reports (up by almost 33% in Texas during the last decade), we are grateful to report to you that the combined programs of the main campus, the Boys Ranch, and Foster Care of Methodist Home have provided over 9,100 additional days of care above last year's total. We must do more. We ask every local church to join us in helping to make needy families more aware of the services of Methodist Home.

We request your continued prayers and support.

Ownership and/or Relationship to the United Methodist Church:
The Methodist MISSION HOME is owned and operated by a Board of Directors whose election is confirmed by the seven participating Annual Conferences. The CENTRAL TEXAS CONFERENCE and the Methodist MISSION HOME are bound in ministry together through our long standing tradition and our Relationship Statement has been formally adopted by Methodist MISSION HOME and the CENTRAL TEXAS CONFERENCE of the United Methodist Church in 1987. This statement is on file at the Agency, as well as in the Conference Headquarters.

Services Available: The Methodist MISSION HOME is the umbrella for two distinct ministries:

A. Southwest Maternity Center
   1. The Center gives option counseling for the pregnant unwed young woman, in both resident and non-resident settings; for those who choose to release their child for adoption we keep a reserve of some 40 couples approved who are ready to be chosen by our licensed agency as "the home the child needs."
   2. Field offices with part-time maternity counselors are located in various cities throughout the Conferences. Information regarding maternity services is always available through a toll free call any time of the day or night at 1-800-284-0410. Field offices can assist in deaf services also.
   3. In 1988, we had contact with 220 maternity clients, 88 came into our care; we cared for 69 infants and placed 58 of them, and 5 older children for adoption. We served 124 adoptive parents and 168 other parents in process.
   4. For information regarding adoption, call on Wednesdays between the hours of 9 a.m. and 4 p.m. at 512/696-7021.

B. Southwest Center for the Hearing Impaired
   This residential rehabilitation program, organized in 1974, served 83 new clients in 1988, averaging 52 clients per month. Services are for young adults, 16 years of age and older, who are handicapped by severe hearing impairment, as well as other additional vocational disabilities. The Program includes

evaluation of work abilities, aptitudes, personal/social adjustment, counseling (vocational and personal), structured residential living, life skills and work adjustment training. Toward the end of the 12-18 month residential period, there is work experience in a community employment setting and independent living experience in our on-campus apartments. Clients served represented 9 different states.

The Supported Employment Program began in November 1987, and placed 18 clients into competitive employment. These clients have the severest 8 disabling conditions, and previously often remained on welfare their entire life. Twenty-two (22) additional placements are targeted in 1989.

Late in 1988, a contract was signed with the Job Partnership Training Act through the Alamo Private Industry Council for Job Readiness Training and Job Placement of Physically Disabled Individuals - 5 placements were made with individuals receiving this service.

Thanks to the Central Texas Conference

Of the 333 churches in the Central Texas Conference, 226 gave the MISSION HOME $40,808.00, an increase of $15,056.00 over 1987. We thank you for this and urge churches to participate in some way toward this vital ministry.

Our total giving from the Conferences was $300,530.00, up $25,724.00 from 1987. Fourteen percent (14%) of our income comes from church giving, 16% from individual gifts and 3% from Endowment. The remaining 67% must come from fees for services rendered. In 1988, expenses were $2,316,082.00 and income was $2,097,028.00. The Methodist MISSION HOME has no outstanding debts, and has an Endowment of about one million dollars. The campus is on a 30-acre tract of land in Northwest San Antonio and is valued at seven million dollars.

An outside audit is performed each year, and is available to the Conference leadership as requested.

New Avenue of Service.... The Executive Committee, in its February 1989 Meeting, reviewed proposed plans for yet a third ministry, which is to be considered by the Board of Directors after this report is written. If approved, we will be making an announcement of this new service on April 1, 1989, as well as at the Annual Conference Sessions.

Strategies for new services which are within the stated purpose of our Charter and Mission Statement are periodically under review by the Board of Directors through its Program Committee.

The MISSION HOME exists to serve persons in need. As these needs change, the MISSION HOME strives to become a vital part of meeting those new needs which are within the scope of our mission and expertise.

Wesleyan Homes, Inc.

Nursing Home:

The Wesleyan Nursing Home has completed its construction and we have increased occupancy to a certain extent. The ability to fill the remaining beds of the new wing of the Nursing Home is directly affected by the national shortage of nurses. We are currently in need of caring, professional nurses who are interested in working with geriatric residents. In an effort to address this need, the Board of Trustees of Wesleyan Homes has established a Scholarship Fund for Nursing Students who are willing to serve within the Wesleyan System following the completion of their training. All gifts to this need can be made to the Wesleyan Homes Nursing Scholarship Program.

Retirement Home:

The Wesleyan Retirement Home has undergone a number of revisions to the building, and further renovations including a major redecorating project are planned for the coming year. We express

our appreciation for the gifts we have received toward this renovation project, and solicit your support in helping us complete this project.

Funding:

The Board of Trustees of Wesleyan Homes are committed to providing Benevolent Care to the Aged. In 1988, Benevolent Care totaled over $280,000. The churches of the Central Texas Conference contributed $14,071 of this total. This is the largest offering from the Annual Conference in several years; however, the number of individuals requiring Nursing Care continues to increase and the number of these residents who cannot afford the full cost of their care is also increasing. We need the help and support of the individuals and churches of the Central Texas Conference to help provide for this increasing need.

Louise McMullen, Chairman

Committee on Ethnic Local Church Concerns

The ELCC is a newly organized committee of the Central Texas Annual Conference that is responsible for fulfilling the disciplinary mandated plan to care for the needs of ethnic local church development during the 1989-92 Quadrennium. As part of this effort the committee met during the Fall University with Dr. C. Leonard Miller from the General Council on Ministries in order to get better acquainted with our assigned task. In that and subsequent inquiries with Bishop Russell and other informed persons, the committee sees the following as its primary responsibilities:

1. Enable the General Conference's aim to "Institutionalize" the work, program, and activity related to the ELCC, by participating in the ongoing life of the Annual Conference. This is further accomplished by our having been incorporated into the structure of the ACCOM. It shall be our duty to report regularly to this agency in order to facilitate better communications with other areas of the Conference.
2. The Committee is in the process of developing a Comprehensive Plan for ministry to the ethnic local church needs within our Conference. This appears to be the greatest challenge to us and yet one of the most important tasks, because it requires us to collect so much diverse, critical data. It had been our hope to collect this data and present the Comprehensive Plan to the 1989

Annual Conference; however, much of the information required has been difficult to obtain.

3. The Committee understands that as part of its role ("Institutionalization") it must use its funding in a different way than that of its predecessor (EMLC). We have been informed it is our responsibility to serve as a screening committee for other agencies of the Conference who may more appropriately address a need expressed by an ethnic local church. Our role would be to assist that agency by adding to their funds a portion of ours to help meet the need.

These are but a few of the many changes that represent the new role of this committee. It is a very critical committee to the future of our annual conference, especially when the population changes of recent years, as well as those proposed for the future, are considered. Recent population figures for the state of Texas indicate a rapidly growing Hispanic population, coupled with a larger Black population, together representing a fifty percent portion of the total population. Herein we may observe a tremendous opportunity for the future growth of the Central Texas Annual Conference.

Luther B. Felder, II

Report No. 2

For the 1989 fiscal year several projects were funded by the ELCC Committee as part of the committee's effort to strengthen and develop the ethnic minority local church. The projects are listed below with a brief description of their minstry and the amount of funding proposed for the year:

St. James, Waco **$ 5,850**

The Educational and Recreational Enrichment Program is designed to provide motivation for the community's youth and children in order to increase their academic and social skills.

Hispanic Outreach **$10,000**

Hispanic Outreach is a program sponsored by Polytechnic UMC, Ft. Worth. It is aimed at addressing the tremendous increase in the Hispanic population in that community by providing an English as a Second Language (ESL) program.

Wesley, Pelham **$3,000**

Several phases of renovation have been accomplished at the Wesley UMC over the past two years. This grant has enabled the final effort to be accomplished.

Diamond Hill, Ft. Worth **$ 5,000**

With a 70% Hispanic population now apparent, the Diamond Hill UMC is working to remain in the same community by providing outreach programs aimed at increasing the interaction of the church and community through a Spanish Language Worship service, a neighborhood newspaper, and advisory council.

Cooperative Ministry With Hispanics **$ 8,000**

The Inter-Conference Committee on Hispanic Ministry is an agent of the Central Texas and Rio Grande Annual Conferences. It continues to address needs brought on by the growing Hispanic population through providing consultative services on shared facilities, ministries, and church revitalization in transitional communities. There is also a Resource Team to assist local churches with these program areas.

Black Church Networker **$ 3,500**

BCN is a South Central Jurisdiction wide program whose emphasis is upon providing Black churches with lay and clergy leadership training, while also recruiting new leaders for the church.

Leadership Training **$1,000**

In March several members of the Central Texas Conference were provided with funds to enable them to participate in the National Black Methodists for Church Renewal annual meeting in Chicago. This is an annual training and planning meeting aimed at deepening the commitment and enriching the work of Black congregations around the church.

COMMISSION ON CHRISTIAN UNITY AND INTERELIGIOUS CONCERNS

The Commission met several times this past year. Our first action was follow-up on the request of the Annual Conference in June 1988 that the "Resolution Regarding Human Rights in the Middle East" that was adopted by this body at that time be sent to government officials at the state and federal levels. The Resolution was also sent to Mr. Joe Hale, General Secretary of the World Methodist Council. Several favorable replies were received in response.

The Commission had set the following goals for 1989:

1. Training for all Commission members with a secondary goal being to cover all districts with information on issues that concern the Commission.
   Several members of the Commission attended four different training events: the 24th Faith and Order Conference of the Conference of Churches in Texas, the Texas Assembly of Churches, Jurisdictional Training Event, and the National Conference on Jewish/Christian Dialogue.
2. An emphasis on Jewish/Christian Dialogue as a programming focus. This was accomplished in our planning for Fall University by offering a forum discussion on "Ethics and Worship" utilizing representatives of various traditions and faiths.

The Commission has set the following goals for 1990:

1. To have all of the churches in our conference use the Lenten Bible Study booklet, Liberation for Unity.
2. Daily prayer for the recognition and enhancement of all persons' human worth and dignity.

Annette Sowell, Chairperson
Amelia Mathews, Secretary

COMMISSION ON RELIGION AND RACE

This past year at Annual Conference, a motion was made "That the Annual Conference Commission of Religion and Race work with the District Councils on Ministries in consultation with ethnic minority persons in each district to examine structures, programs and attitudes in the Central Texas Conference to determine specifically where Racism exists and report their findings to the 1989 Annual Conference along with programs that specifically address each concern." In response to this, the survey that was passed out last Annual Conference entitled "Inventory of Racial Pluralism and Inclusiveness in the Local Church" was re-worded and extended to those in key positions within the local church. The survey was sent to the Pastor, Administrative Chairperson, and the Lay Leader of each church. We received 281 of these surveys back, which is a fairly sizable response in comparison to other surveys that have been sent out from the Conference Office. The results of this survey will be distributed at Annual Conference this year.

In regards to the examination of certain structures within the conference, we are doing so and have taken appropriate actions in respect to areas which are lacking in ethnic representation. One such area is the lack of ethnic representation within the Central Texas Conference Office Staff.

The Commission on Religion and Race is not a program agency but it is working with the Delegation that went to the National United Methodist Convocation on Racism to put together a conference wide workshop on Unity which will deal with the issue of prejudice in many regards. This will take place May 13th, 1989 in three simultaneous meetings. The Commission on Religion and Race is helping to sponsor this event and hopefully this will bring some of the issues to the forefront so that more programming efforts can take place from there. The specific concerns are not all known from this survey but it is giving us a place to start in dealing with the issues of Racism that do exist within our Annual Conference.

The Commission is also pleased that there is some progress as far as race relations are concerned and though there is much to be

done in this area, already some steps have been taken and the process, though slow, is working.

Barbara Johnson Arther, Chairperson

The Commission on Religion and Race requests the same amount of $3,000.00 for 1989-1990 Fiscal Year. This would include all areas within our account, especially for Administrative expense and general promotion.

The Central Texas Conference Commission on Religion and Race would like to include the following in the Annual Conference Report of the Commission on Religion and Race:

That a request be made, that the Bishop and the Bishop's Cabinet would develop and initiate an Affirmative Action plan for increasing the under-represented ethnic staff of the Central Texas Conference.

That the Bishop and the Cabinet continue to be extremely intentional in making cross-racial appointments across the Central Texas Conference.

That the Commission on Religion and Race recommends that within the coming conference year of the Central Texas Annual Conference that on the local church level there be (1) Pastor/Pulpit exchanges, (2) organizational exchanges, and (3) fellowship activities between churches of different racial and ethnic make ups.

COMMISSION ON STATUS AND ROLE OF WOMEN

The Commission's general purpose is to foster awareness of concerns and issues of women in the church and to encourage continuing commitment to the full participation of women in the total life of the church.

CTC Commission Goals:

1. Provide Seminar on "Colleagueship" for leaders in CTC including Bishop, Cabinet, representatives from Board of Ordained Ministry, and District representatives.
2. Co-sponsor with United Methodist Women sessions at District Training Events, "Women in the Church: Contributions and Opportunities."

COUNCIL ON PLANNED GIVING

The Council on Planned Giving was established for the purpose of developing financial resources for Central Texas Conference

ministries. Christian stewardship through wills, trusts and a diversity of current and deferred giving is emphasized.

Pat Sprayberry, the Director of Planned Giving, is officed at the Conference Center and is a resource to:

1. Provide assistance to any person or family in planning an effective will or meeting their estate planning objectives to benefit themselves, their family and the ministries they want to support.
2. Assist the local church in providing information to enable members to exercise their rights and privileges in stewardship.
3. Provide assistance to the professionals who participate in estate planning and other services, such as attorneys, accountants and financial advisors.

Since last June, Central Texas Conference Methodists have made gift commitments totaling $2,411,000 for churches and other ministries. These gifts are in the form of cash, homes, farms, securities, life insurance and trusts.

As awareness continues to grow throughout our Conference that assistance is available from the Office of Planned Giving, we anticipate many gifts to be made and the future resources of our churches and other ministries to increase substantially.

The Office of Planned Giving operates with an annual grant from the Central Texas Conference Foundation. The directors of the foundation have shown great vision and commitment to our churches, as well as the people of this Conference, in making these funds available to help people achieve their best in stewardship.

BOARD OF DIACONAL MINISTRY

Report No. 1

The Conference Board of Diaconal Ministry has actively sought to maintain the momentum begun during the previous quadrennium. We have provided support for diaconal ministers and certified persons serving within the Central Texas Conference. We have offered help to those persons who are responding to God's call in forms of ministry within the realm of the diaconate.

We have accomplished these tasks:

1. Elected the following officers: Chairperson, Rosalind Shirley; 1st Vice-Chair, H.F. Meier, Jr.; 2nd Vice-Chair, Jeannie Trevino-Teddlie; Secretary, Brenda Weir; Treasurer, David Crim; Registrar, Melissa Nichols; 1st Assistant Registrar, Cynthia Wilson-Felder, 2nd Assistant Registrar, Mary Weathers; Cabinet Representative, Tim Russell; Staff Representative, Judy Stafford.
2. Organized the following committees that are responsible for carrying out tasks mandated by the Discipline (¶ 734): Continuing Education, Directory, Interpretation/Enlistment, Interview, and Support.
3. Met regulary each month, alternating Executive Committee and the full Board. We have had excellent attendance and good input and enthusiasm.
4. Met jointly with the Board of Ordained Ministry.
5. Provided training for our full Board which included introduction to the new handbook for this quadrennium. Leadership for this event was provided by the Division of Diaconal Ministry.
6. Six members of our Executive Committee attended the Jurisdictional Training Event in Dallas.
7. Printed stationery for use by our Board.
8. Began work on a Directory of persons and information listed in the Conference Journal.
9. Diaconal Retreat was planned, but weather forced cancellation and rescheduling was not possible.
10. Interviewed a total of 17 candidates. Two were accepted into candidacy and one was recommended for consecration and certification.

11. Supported diaconal ministers and certified persons serving within the Central Texas Conference, reviewed their work, recommended their recertification where appropriate, and recommended to Bishop Russell and the cabinet their renewal in the office and appointment to service.

Report No. 2

The Board recommends the following goals for 1989-1990:

1. Publication of a directory which will contain information about diaconals, certified persons, those in process, Conference Board members, and other information of importance to persons in process.
2. Continue to seek places of employment for persons in diaconal ministry, including innovative forms of services.
3. Seek ways to interpret and promote diaconal ministry at the college level.
4. Produce a video which will explain diaconal ministry.
5. Keep abreast of the Study of Ministry Committee and provide input where possible. (We have a Board member serving on this Committee.)
6. Look forward to meeting with the Bishop and Cabinet as mandated by the 1988 General Conference.
7. Continue annual retreat for diaconal ministers and candidates serving in our annual conference.

Report No.3

A person seeking to enter the diaconal ministry of The United Methodist Church upon hearing and heeding the call to serve, shall initiate the process toward the diaconal ministry by contacting the Conference Board of Diaconal Ministry to take the first step to qualify as a candidate. The person is thus under the care and supervision of the Conference Board of Diaconal Ministry.

To initiate this process, you may contact the Chairperson or Registrar.

BOARD OF LAITY

Aldersgate Enrichment Center, Inc.

Two years ago, the Central Texas Annual Conference authorized the establishment of this ministry to serve mildly to moderately mentally retarded adults. The Charter was approved and a Board of Trustees was elected. Last year, in the report to the Annual Conference, we were waiting approval of the application for a 501 (c) 3 exemption under the IRS Rules. Approval of the application was received in August 1988, retroactive to the charter date, June 1987.

The effort to raise the needed money to fund the project was delayed somewhat because the official approval of the 501 (c) 3 took so long to receive. However, fund-raising is underway, and much groundwork has been laid. Several churches and communities have made major contributions in funds and in other efforts. For example, the citizens of the Brownwood area have pledged over $200,000.00, in addition to the land that was given, and those pledges are being paid on schedule. The Hico Church has had a fund raiser. Several Methodist Men's groups have made contributions. The funds are really important, but also imperative is the education of the public, especially our church members, about the need and

about the fact that our United Methodist Church in the Central Texas Conference is trying to do something about this critical need.

During the Lenten season this year, our Annual Conference and many churches in our area used programs based on the theme from Matthew 25:35 "...when I was a stranger you took me in..." The neglected mentally retarded persons are, in so many of our communities, strangers to our church families. Those special people need our love, encouragement, assistance and direction.

In his Aldersgate experience, John Wesley felt his heart "strangely warmed." From that experience, he went out to minister to those on whom the "official" church had turned their backs. He ministered to the disenfranchised, the neglected, and the needy. Today, our church has an opportunity to accept the invitation of Jesus, "to take in a stranger" (some of the mentally retarded people are 'strangers' by the standards some of our society set).

We, once more, we have the opportunity to follow John Wesley's example to take the Word and Person of Christ to those who need His love. For many of those persons the Love of the Church is what they need most.

The efforts of the United Methodist Men, and all other members of our churches of this Conference, must continue and be expanded in order that Aldersgate Enrichment Center becomes a reality.

Louis Pitcock, Jr.
Chairman, Board of Trustees

For those of you who are new delegates to conference...Two years ago, the Annual Conference authorized the establishment of Aldersgate Enrichment Center - a ministry that will provide training and continuing care through an innovative Christian community for mildly to moderately retarded adults. Aldersgate will provide an environment that is designed to promote maximum growth mentally, spiritually, physically, socially, emotionally and vocationally. The Center will be located in Brownwood.

In April, an architectural firm was selected to prepare a Master Plan to project the architectural concepts, detail the land use, and provide us the approximate construction costs. We expect them to begin work early this fall.

In late April of this year, the Board selected Gary Carroll to be the Executive Director. He has already begun to oversee the increasing administrative duties and is beginning to formulate the programs Aldersgate will offer. Gary is well known to many of you. He has a knowledge of health care services in our conference and has earned national recognition working with churches in the area of Stewardship. He has had a keen interest in Aldersgate from the beginning, and possesses a knowledge of the churches and people within this conference. One of the Board's major goals is to better inform and educate persons of the conference about the mission and ministry of Aldersgate and how it will operate. We feel that Gary will be an effective spokesman for Aldersgate.

Fund Raising efforts continue. The additional funds needed to begin construction are coming as people throughout the conference have a better knowledge of what Aldersgate is and how the doors will open. Already, it has been our experience that when people are made aware of the great need that exists in their own neighborhood and community, and realize that through their church, they can participate in the establishment of this new ministry, they enthusiastically offer both their prayer and financial support.

Gary Carroll and board members are available to accept invitations into local churches, Methodist Men Groups, and other organizations both inside and outside the church, who want to know more about Aldersgate. We will not be coming to make direct appeals to churches for funds. Our purpose will be to share information about the status and progress of Aldersgate. Persons who have special interest, or who know of persons who might have a special interest in the mission will be able to talk to Gary or members of the board. No one will be asking for "fair shares," percentages, or increases in conference "askings." Let me remind you that Aldersgate has been designated as an "Advance Special" for those who wish to give through their local church.

The specific goals of Aldersgate are to:
1. Work with the United Methodist Men in their various efforts to both financially support Aldersgate and to assist with the vocational training programs and enterprises that will be a cornerstone of the overall ministry of Aldersgate.
2. Accept invitations into churches and other organizations to inform them about the ministry of Aldersgate and the financial needs for its establishment and operation.
3. We will nurture the growing relationships with individuals, church organizations, and charitable foundations who have a special interest in providing financial assistance for this ministry to retarded adults, informing those persons and entities of the purpose and programs of the Aldersgate Enrichment Center.

We wish to express our appreciation to Wally Bennett and the United Methodist Reporter for its support and excellent coverage of the progress of Aldersgate. Unfortunately, not enough of the Methodists within our conference are subscribers.

Almost daily, regional, state and national media, including an article in the Fort Worth Star Telegram, report on the needs of retarded persons. This publicity has pointed out not only the great needs, but the lack of alternatives to these persons. While Aldersgate cannot meet all the needs on a global basis, it will meet the special needs of those who elect to participate in the individually designed programs to be offered.

An old man was walking on the beach one morning when he saw a young child near the water's edge throwing things into the water. As he came closer, he saw the small boy picking up starfish that had washed up on the beach during the night. He asked the boy what he was doing.

The boy said, "These starfish will die if they are left out of the water. I'm throwing them back." "But there are thousands of them. What difference does it make?" asked the old man. The boy answered as he looked at the one he held in his hand, "It will make a lot of difference to this one."

Through you, Aldersgate will make a difference.

United Methodist Men's Fellowship

Many Ministries-One Faith

The Methodist Men are alive and making great progress as we move forward in our responsibility to the Mission of the Church.

Methodist Men in America have shown a 400% increase in membership during the past 6 years; mission projects are being accomplished far beyond your greatest imagination.

Our men are now a Unit of the United Methodists Men's Division of the General Board of Discipleship.

We had approximately 20,000 chartered Methodist Men's Clubs in 1968. With the birth of the United Methodist Church came the demise of the Methodist Men's Clubs and the birth of a new Organization for men--UNITED METHODIST MEN'S FELLOWSHIP. We are no longer a Club but a FELLOWSHIP of Christian believers bound together in Christian LOVE and FELLOWSHIP with 350,000 members.

The PURPOSE OF UMM'S FELLOWSHIP is to declare the CENTRALITY of Christ in the lives of men and all their relationships. We declare the CENTRALITY of Christ in the lives of men by helping them put Jesus Christ at the CENTER of their lives; we help them come to the realization "Jesus is Lord of my life;" we help them develop their FAITH to the extent that they can testify without hesitation and reservation to the words of the composer: "Jesus is all the world to me, MY LIFE--MY JOY--MY all."

The major concerns of our organization are:

1. To encourage knowledge of and support for the total Mission of the United Methodist Church.
2. To promote evangelism by sharing the fullness of the gospel in it's personal and social dimensions.
3. To seek commitment to discipleship.

We build men of HOPE by carrying out this PURPOSE and these OBJECTIVES and by developing within our Organization a LOVING--SHARING--CARING community.

Our job as UMM is to unwrap each other. We do this by strengthening each other in areas where we are weak, enabling men to become new creatures in Christ Jesus. We go about telling men who do not know the Christ-That:

Christ died that we might have life and have it more abundantly;

Salvation is free; the price has already been paid.

THE PRAYER MINISTRY is a Partnership of national scope in which the UMM and the Upper Room join to strengthen the ministry of prayer in the church at an annual cost of $50,000 providing a toll free number and receiving over 100,000 calls annually.

12:10 P.M. PRAYER PROGRAM: At 12:10 each day UMM **all over the world** pause to pray for the work of UMM. This is a manifestation of UNITY among believers as spoken of especially in EPHESIANS. You are invited to join us for this daily prayer period. "The most successful men's groups are based on prayer"--"God will honor our prayers!" If we are weak spiritually it is because we have a weak prayer life.

THE MOVING UNITED METHODIST MINISTRY is an evangelism outreach designed to help save the members it loses because members move and do not transfer their membership and are finally dropped from local church rolls by the Charge Conferences. The MUM program (through a computerized program) is designed to relate moved members to another UMC in their new community. When one of your families plan to move show them the same warm attention that you gave them when they joined your church. Give them a warm sending forth at a given Sunday morning service and then call 1-800-624-4130 TOLL FREE. A UMM from the nearest church in the new community will call on them immediately.

EVANGELISM: We have put in place 12 UMM committees to serve on our Evangelism team; three of the committee are ethnic minority members. We plan to be more active in the ethnic minority projects during this period in the life of the UMMF. In fact, at a recent meeting of the N.A.A.C.P., money was allocated for this effort.

SCOUTING MINISTRY: Over a half million boys participate annually in 4 Scouting programs. Scouting increased 22% in 1985--25,000 in 1986 and 13,500 in 1987. Each UMM's Unit is encouraged to sponsor a scouting program.

BOWL-A-THON: Great ministries are built on small regular gifts rather than dependence on large single contributions--We are building the UNITED METHODIST MEN'S FOUNDATION: 1987 and 1988 we raised $210,000 for this Foundation through our men bowling.

ALDERSGATE ENRICHMENT CENTER: The Annual Conference approved plans to proceed with a center for mildly retarted adults. This plan is moving forward under the direction of a Board of Trustees; they have selected the location to be in Brownwood, Texas and are presently working to fund this project.

Two of our District Presidents attended an advanced training session in Denver, September, 1988; your Conference President will be attending the N.A.C.P. meeting in Nashville, March 9-12, 1989.

Fort Worth East District's Rally, February 12, 1989, 3:00 P.M., Handley UMC.

Our Conference wide UMM Rally is scheduled for October 28, 1989 at Glen Lake, 7:30 A.M. - 3:00 P.M., $15.00 registration, breakfast, lunch. We have reactivated 10 Units and chartered 8 new Units in the past few weeks. 4 Fort Worth East District--3 Fort Worth West and 1 at Copperas Cove-Temple District.

Men do better in groups than they do alone; when God puts his hand on a man marvelous, wonderful things happen!

United Methodist Women

What does it mean to be in mission? According to the Random House Dictionary, (5.) mission is a "body of persons sent by a church to carry on religious work." This definition is consistent with the purpose of United Methodist Women which says, "The organized unit of United Methodist Women shall be a community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church."

How is United Methodist Women in mission? All our programs and projects are evaluated using our PURPOSE as our guideline. In Central Texas Conference we continue to increase our membership as an expression of our commitment to our purpose. In 1988 we reached a membership of 10,396 in 216 local units, 5 of which were organized during the year.

How are we in mission? Forty-nine district and conference officers met with three representatives from Women's Division in November for a Christian Social Responsibility Interpretation Workshop. We discussed our role and responsibility in relation to social issues, the history of the church's involvement, considered ways of dealing with conflict and controversy and practiced skills we need as change agents who work for a more just and humane society.

How are we in mission? We sent a total of $215,533.50 to Women's Division for mission in 1988.

Five of our newly elected officers attended the New Officers Training Event in New York in December. There they learned about the offices to which they have been elected as well as visiting our headquarters at 475 Riverside Drive and the United Nations. Two members of our committee on nominations attended training for that committee in Chicago in January. All of these training opportunities help us in our mission endeavors. We become better leaders and more committed to the cause of mission in our church.

Our conference DAY APART April 1 was an opportunity to put into practice some of the things we have been learning and experiencing. Leader for the event was Sandra Ruby, our Women's Division Staff in the Dallas Region.

How are we in mission? We have elected and organized a Committee on the Charter for Racial Justice Policies.

We will again participate in the Cooperative School of Christian Mission with the conference Board of Global Ministries. Dates for this year's school are July 24-27 at Texas Wesleyan University, and July 28-30 at Southwestern University. Studies are Psalms, The World of Islam, and the Philippines.

We continue to celebrate United Methodist Women's Day on the fourth Sunday of September. Churches across our conference use that day to highlight the work of UMW in worship services in various ways.

Our Annual Meeting is scheduled at Polytechnic United Methodist Church, Fort Worth on October 7. Keynote speaker is Thelma Johnson, Vice-President of the Women's Division. Everyone is invited to join us there.

What does it mean to be in mission? For United Methodist Women it is a lifestyle. We continue to grow in spirit and in

understanding that we may do God's work in the ways that are available to us and that are pleasing to God. We covet your prayers.

Joint Meeting with Board of Diaconal Ministry: A joint meeting with the Board of Diaconal Ministry was held on October 11, 1989. The purpose of the meeting was to inform both boards of the issues and agendas to be pursued during the new quadrennium.

Appointments Beyond the Local Church: The annual meeting for those serving appointments beyond the local church was held at First U.M.C., Fort Worth, on February 12, 1989. The theme of the meeting was "Word, Sacrament, and Order."

Spring Interviews: Interviews for deacon and elder candidates, and for those continuing on probation, were held at Richland Hills

U.M.C., on April 12, 13, and 18. A new format with larger interview teams and expanded interview times was implemented for deacon and elder candidates.

Grant-in-aid: In July of 1988 the Board determined that it was necessary to decrease grant-in-aid funding by an additional 20%. This means that during the past two years grant-in-aid funding has been reduced by a total of 40%. The Board is committed to the restoration of funding as soon as it is monitarily possible. The Board expresses its gratitude to the Annual Conference for its designation of "Grant-in-aid" for the special Annual Conference offering.

Residency - Mentor Program: The Residency Program included eleven participants during the past year. Revisions to the program in an attempt to control costs was implemented. The Mentor Program will be implemented during this conference year.

Effectiveness in Ministry: The Executive Committee of the Board and the Appointive Cabinet met jointly with Richard Yeager, of the Division of Ordained Ministry, in an attempt to gain insights into the issues surrounding effectiveness in ministry. The options for determining and addressing the existence of ineffectiveness in ministry were also discussed. This area will require the Board's continuing work during the quadrennium.

Evaluation of Effectiveness in Ministry: The Board of Ordained Ministry has affirmed its intention to respond to the provisions of page 733.2(o) in the 1988 Book of Discipline which calls for continuing evaluation of ministerial effectiveness. The Committe on Evaluation is developing, and will present to the Annual Conference in 1990, a program of evaluation and performance assessment. The Board of Ordained Ministry, along with the Bishop, and the Cabinet, affirms the vital nature of a continuing program in this area.

BOARD OF PENSIONS

Report No. 1

During the past year the Board members have spent a great deal of time familiarizing themselves with the information provided us by the General Board regarding our pension program. We have held quarterly meetings and most of us attended a 2 day regional meeting held by the General Board in Dallas this past October. I feel it was very helpful in understanding many of the terms which we hear when discussing the pension program. It was also very enlightening in understanding how the General Board is organized and how we can best utilize their various services. One example of the terms which we have come to better understand is the "Unfunded Liability". This term does not refer to an amount currently owed to anyone BUT to an ESTIMATE of the total dollars which would be needed IF:

A. Everyone with years of service, for which pension credit was due, prior to 1981 eventually retires, AND
B. Then lives until the current estimated life expectancy.

Our unfunded liability based on the proposed past service rate of $296 is $15,091,239. In the future, as we increase the past service rate this liability will continue to increase. Also, the General Board bi-annually recalculates this amount due to changes in:

Recommendations:

1. In keeping with the requirements set forth in the Discipline we are requesting a new past service rate of $296.
2. To fund cash flow requirements from the General Board we are requesting $1,373,369 from the conference. To this we will add the guaranteed earnings from the funds mentioned above of approximately $78,000, thus accounting for the total cash requirements of $1,451,369. This amount covers the pension and CPP requirements.
3. The Executive Committee of the Board of Pensions has reviewed the following pension records and would request confirmation of the following records:

Individual	Number of Years Recomm. for Approval	Number of Years Already Credited
Norman Wayne Bruner	1 year	
John K. McKee	2 years	2
Sidney Roberts	3 1/2 years	3 1/2
John C. Johnson	1 1/2 years	
Vester O. Blakenship	4 years	3
Edward C. Coley	1 year	
James H. Ellison	4 years	2
Cecil D. Reed	4 years	
James Edward Shuler	4 years	4
Robert Bruce Weaver	2 years	
John Wesley Platt	1 year	
Edugene B. Robertson	3 years	1
Bob F. Weathers	3 1/2 years	3
Kenneth R. Reed	2 years	
James Hopkins	3 years	2

Of these 35 years, 18 1/2 of them had already been counted in the funding process.

Resolution relating to Rental/Housing Allowances for Retired or Disabled Ministers of this Conference

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service, and

WHEREAS, the Internal Revenue Service has recognized that the Central Texas Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister, and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THERE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefits payments received by a disabled minister, during the year of 1990 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Central Texas Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained

or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of:

1. The amount of the rental/housing allowance designated by the minister's employer or other appropriate body,
2. The amount actually expended by the minister to provide his or her housing, or
3. The legally-determined fair rental value of the parsonage or other housing provided.

As specified as Rev. Rul. 71-280, 1971 C.B.92, " the only amount that will qualify for exclusion under section 109(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability payments will be taxable income to the recipient beginning in 1984.

INSURANCE

The following financial information gives last year's actual activity and the projected activity for 1989 and 1990 in the insurance program. The 1988 figures are the actual revenues and disbursements through December 31, 1988. We experienced an additional decrease in our reserves from a beginning cash balance of $202,511 to an ending balance of $55,634 which represents a loss of $146,877. Because of this, we have had to increase our premiums effective January 1, 1990 and July 1, 1990.

Effective January 1, 1989, Utilization Review became a part of your insurance plan. However, it did not change the fundamental benefits. By doing so we increased our annual fixed cost by $8,388 while reducing our maximum claims cost by $64,028.40. This in a "worst case scenario" would save the plan $55,640.40. Transport Life Insurance Company reports to us that due to the Utilization Review our first quarter savings have been $33,696. If this figure

A. Estimated life expectancy
B. Current enrollment
C. Earnings or investments
D. Etc...

The last time this calculation was performed for our conference we received an actuarial gain of $718,468. In summary, if we had cash on hand equal to our unfunded liability of $15,091,239 we would not have anyone to actually pay off.

The amounts shown below are a summary of the funds sent to our accounts at the General Board and the payments made to the General Board for pension and CPP benefits.

Amounts received from apportionments	$ 1,146,108
Payments to General Board	(1,282,523)
Difference	$ 136,415

This difference was taken from the earnings of funds currently held in various accounts for our conference at the General Board. Below you will find a summary of the activity in these accounts as well as a brief discussion of each account.

Deposit Account

This account is an accumulation of the various pension programs and prior financial campaigns prior to the establishment of the defined benefit program which was continued until 1981. It also includes special gifts which have been made in the past to the pension area. It does NOT include the funds raised in the most recent capital funds campaign.

Balance @ 12-31-87	$ 2,047,818
Additions: 1988 Earnings	294,811
Apportionments sent by Conference	1,220,399
Disbursements: Pension, CPP	(1,275,445)
Balance @ 12-31-88	$ 2,287,583

Superannuate Fund

This fund originated as a result of the merger of the Methodist Episcopal South Conferences. The principle amount of this fund ($63,986) must remain intact; however, the past and future earnings may be used based upon the conference's wishes.

Balance @ 12-31-87	$ 362,785
Additions: 1988 Earnings	38,357
Balance @12-31-88	$ 401,142

Capital Funds Campaign

This fund represents the amounts collected to date from our capital funds campaign. Included in the beginning balance is interest which has been earned since funds have been placed on deposit:

Balance @ 12-31-87	$ 507,561
Additions: 1988 Earnings	68,488
1988 Collections	332,960
Balance @12-31-88	$ 909,009

The Board is planning to combine the accumulated earnings from the superannuate fund of $337,156 with the amount raised as a result of the capital funds campaign and then use the earnings in the future to alleviate the annual apportionments to the conference for pension benefits. This is in keeping with the intent of the campaign as stated on page 152 of the 1985 conference journal. The General Board gives a guaranteed minimum earnings of 6.5% and this is the amount we are using to determine our apportionment request. If we earn more than 6.5%, then we will consider how to use the excess in subsequent years.

The following is a list of recommendations approved by the Board of Pensions:

is annualized, we could perhaps have a savings of over $120,000. The compliance percentage for those participating in the plan has been 93.6%, and we are hopeful that we will reach 100% compliance in the future. The intent of the Utilization Review is not to limit the quality of care or needed care, but to help eliminate excessive spending that you would pay for through higher premium payments.

In a continuing effort of fairness to the plan and to the participants, the committee is requesting that all participants who are delinquent in their premium payments make arrangements to become current. In order to remind you of information currently part of your booklet, a separate memorandum will be sent to you restating due date of premium, cancellation for non-payment, and reinstatement procedure.

The memorandum reads as follows:

MEMORANDUM

TO: The Participants of Central Texas Conference United Methodist Church
FROM: The Conference Office of Central Texas Conference United Methodist Church
SUBJECT: Guidelines for Insurance Premium Payment

DATE: May 25, 1989

It is your responsibility to submit your contribution to our Conference Office in order to keep your insurance in force continuously.

Your contribution is due on the first day of each month. Unless you have notified us that your insurance is to be discontinued, you will have a grace period of 31 days from the due date for your contribution to be received by us. You must submit your premium with remittance form monthly to Central Texas Conference Insurance, United Methodist Church, Drawer 99087, Fort Worth, Texas 76199 in the envelope provided.

If, during the grace period, you wish to have your coverage continued you may do so by paying the current month. If your contributions are still unpaid at the end of this grace period, your insurance will automatically terminate.

If your insurance should terminate because you fail to send your contribution, your insurance may be reinstated, if you provide evidence of insurability which is acceptable to the Insurance Company, at your expense, together with all payments then due.

If you are reinstated, you will have a new effective date and the pre-existing condition limitation will apply to any expenses incurred after your reinstatement date.

This notice of premium payment procedure represents information of the accounting procedures of the Central Texas Conference United Methodist Church. If you have any questions please contact the Conference Office.

(End of Memorandum)

(Report #2 continued)

The insurance committee feels that in spite of rate increases, participants still have the best plan available when considering cost, coverages, and service. It is also our belief that retired ministers are better served by staying in this plan versus medicare supplement policies available through various private insurance carriers.

BOARD OF TRUSTEES

As of June 1, 1989, the Conference Board of Trustees was custodian of 6 pieces of property:

1. St. John Church
2. Forreston Church and parsonage
3. Aquilla Church
4. Boulevard Church
5. Conference Building
6. Vacant lot at 3302 W. 4th St.

Although the first 3 properties have been made available for purchase, none has sold. We have had many inquiries regarding the St. John property, but no firm offers.

The Board of Trustees voted to ask James Shuler, Church Growth Executive Director, to be responsible for marketing property from which Church Growth receives the proceeds.

Our Conference Director of Finance and Administration, Sidney Roberts, has kept all property and people adequately insured. We appreciate his assistance in keeping the work of the Trustees current.

We have, in accordance with an agreement by the Aquilla UMC and the Lebanon UMC, deeded the parsonage in Aquilla to the Board of Trustees of Lebanon UMC and their successors in office.

We encourage all Conference churches to be incorporated and to carry adequate liability insurance.

4. This year, 1989, marks the fiftieth anniversary of the uniting of three Methodist denominations: the Methodist Protestant, the Methodist Episcopal, and the Methodist Episcopal, South. Divided for more than half a century, by the early 1890's these groups began giving serious attention to healing their differences. Another half-century of bitterness, accusation, hostility, and intemperance flamed within the churches before Union was accomplished in 1939. The Uniting Conference was held in Kansas City, Missouri. Bishop John M. Moore of Texas made the formal declaration announcing the birth of The Methodist Church. Delegates from the Central Texas area included:

   Methodist Protestant:
   Clergy: Kenneth Copeland
   Laity: George Kuykendall, A. L. Lewis

   Methodist Episcopal & Colored Methodist:
   Laity: E. M. Cooper, R. L. Smith
   Methodist Episcopal, South:
   Clergy: P. E. Riley, W. W. Ward, J. N. R. Score, F. P. Culver, M. M. Chunn, J. W. Bergin, T. E. Neal, R. O. Sory, and L. W. Seymour

5. "On Stage, 1989"

"Saint James United Methodist Church, Temple, Texas: Only a few names and a few brief sketches of history remain of those stalwart souls who with the strength of God organized under a brush arbor in 1874 and named themselves Saint James Methodist Church. The founders were all ex-slaves. The ink had scarcely dried on the document of the Emancipation Proclamation which had guaranteed their freedom before they had it in their minds to build themselves a House of God.

"The first church building was erected on Avenue C and 12th Street The year was 1898. The second bulding was built in 1923, and in 1982 the congregation moved to its present location on South 3rd Street. An Archives Room was designated and furnished. Under the direction of historian Willie F. Greene the records of the church and its people were organized for protection and preservation and for reference to the story of Saint James."
(Willie F. Greene and Saint James history)

"Springhill United Methodist Church, Central Texas: Beginning in 1865, a small group of ex-slaves gathered together regularly for worship on Wednesdays and Sundays. They met in a little log house on a hill close by a series of dripping springs. These dripping springs had sustained and provided water for the early settlers of the area.

"In 1878 W. B. Turner gave three acres of land for a 'colored' Methodist Church. The original frame building was erected in 1880. It was named Springhill Methodist, in acknowledgement of the dripping springs and the grateful hearts of the people for God's gracious provision for them.

"In the early 1900's when the flooding Brazos River left people homeless for weeks at a time, many families moved into this church and made it their temporary refuge. Nearby the church is the Springhill Cemetery, final resting place for members and non-members alike. In 1936 the Rising Sun Methodist Church merged with Springhill, giving new strength to the group. With prayer, hard work, and extra-mile giving the Springhill United Methodist Church has endured through twelve decades, proclaiming love for all persons and thankfulness for God's deliverance."
(Rev. John Elliott and Springhill history)

"Saint James United Methodist Church, Waco, Texas: The Lonnie Belle Hodges Historic Center includes among its treasured records the 1879 land deeds and official papers relating to the purchase of property and the establishment of this church. The congregation organized in 1874 on the banks of the Brazos River at Waco, and worshipped at that site for several years. The congregation built the first brick building for Negroes in the Waco area. The building was locted at Ross and Second Street. In 1922 the congregation lost its Ross Street location to a railroad freight line by right of eminent domain.

"The people of Saint James moved to Clay Street and Second where they built a temporary structure, a tabernacle, in which they worshipped for two years. With highest expression of their faith and consecration they there erected their present large three-story church building by 1924.

"Included among the archival records of the Saint James Church is a 1924 oral history interview of Saint James' last living founder, Mahalia Moore, by Rev. S. S. Keesee.

"The Saint James congregation has been awarded a Texas State Historical marker for its auspicious and well-documented history and contribution to the Waco vicinity."
(Lonnie Belle Hodges and Saint James history)

United Methodist Extraordinaire: Lonnie Belle Hodges
With great faith and foresight her great-grandparents moved into the Waco area shortly after the Civil War. The family camped out in tents at Lover's Leap, high above the Brazos River, until they could secure work and put together enough funds to buy a house. They joined the people worshipping on the banks of the Brazos and became charter members of the congregation when it organized. Their children and their children's children remained a part of Saint James.

Lonnie was baptized as a baby ninety years ago, and joined the Church at age nine. She completed her public school education in Waco, her undergraduate work at A.M.E. Paul Quinn College in Waco, and received a master's degree from the University of Denver. She taught in the Waco Public Schools for fourteen years, and at Paul Quinn College for five years.

An ardent and faithful disciple of the Church, Saint James and Lonnie are indebted to and enriched by one another inseparably.

6. We live in a rapidly changing world and society with a largely diminishing sense of the value of history to this day and time. In light of the speed with which events and attitudes are shaped, the records of the Church: local congregations, Annual Conference boards, commmissions, committees, councils, and all district and conference offices, become a stay, an anchor for a storm-tossed sea. The people of God have an imperative to preserve their story. Records of yeaterday's events, the plans and dreams of today, and how these are molded and nurtured into reality become the guideposts for the Church of tomorrow.

Jean Traster, Chairperson

COMMISSION ON CHURCH GROWTH AND DEVELOPMENT

Through 1988 the Central Texas Conference has recorded a net increase in membership since 1980 of 11,948. Our commitment to growth with integrity is evident. In 1988 we registered a net increase of 1,210 members. 550 (45%) of this increase came through new church starts since 1980 by the Commission on Church Growth and Development. 756 (61%) came through a total of both new church starts, re-locations, and "carry-over" projects of the Metropolitan Board of Missions.

In 1988 through our "Partners in Growth" Shares ministry, you were able to be the Church in ministry by making possible:

1. The construction and occupying of new facilities of St. John the Apostle in Arlington.
2. The record growth (second in the conference) of St. Philips in Round Rock: 138 net growth.
3. The Grace congregation in Arlington arriving at a "free-standing" level in congregational development.
4. The Killeen Korean U.M.C. showing excellent growth and assisting in the establishment of three other Korean congregations.
5. The creation of a Korean fellowship in Copperas Cove which will lead to the establishment of a new congregation.
6. The constituting of the Waco Korean U.M.C.
7. The enthusiasm and growth of St. Andrew's in Arlington. A building committee is in place and this new congregation is moving toward being on-site.
8. The Watauga congregation's growth and commitment with increased attendance and a 65 net growth in 1988.
9. The renewed hope and growth of the Fort Worth Korean U.M.C.
10. The beautiful facility and nearly 100 average attendance at Lake Brownwood U.M.C. The commitment and stewardship of this congregation will make it free-standing in record time.
11. The Minters Chapel congregation's turning a corner to arrive at vital ministries. With full-time minister(s) and a new parsonage, this brave church is securing a future for Methodism.

We are thankful for the nearly 5,000 Shareholders who make our work possible. You are our ability to serve. We are also grateful to the many who supported the Capital Funds Campaign, making it

possible to be in a position to purchase new church sites.

Our labor is unending and for that we thank God. By the year 2000, Texas will be the second largest state in population. God has given us this opportunity, and we must respond as faithful Disciples.

We join whole-heartedly in our Bishop's (and his cabinet's) emphasis: "Vital Congregations - Faithful Disciples". Our commitment is to assist (when called upon) to make the established congregation stronger through vitalization seminars and by establishing new congregations in growing areas.

Don Pike, Chairman
James Shuler, Executive Director

COMMISSION ON EQUITABLE SALARIES AND CLERGY BENEFITS

Report No. 1

Equitable Salary and Temporary General Aid Fund:

There shall be a program of Equitable Salary Support in the Central Texas Conference under the management of the Commission on Equitable Salaries and Clergy Benefits. This program shall be patterned after paragraph 722 of the 1988 Discipline. Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Salary and Temporary General Aid Program.

1. The Commission recognized the necessity of coordinating all salary subsidy; therefore, the Conference Treasurer shall inform the commission on any salary supplements through the Commission on Equitable Salary and Clergy Benefits for that portion not covered by any other source.
2. A prerequisite for consideration of salary supplements from the Equitable Salary Fund shall be the filing with the commission of a written application by the District Superintendent. The District Superintendent shall certify classification of the pastor and the salary (salary, travel, utilities and benefits) set by the charge. The application form will be supplied by the commission.
3. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the commission. Approved supplements shall then be paid on a pro rata basis for the part of the year actually served.
4. The following conditions must be met by the pastoral charge before it can become eligible for consideration to receive salary supplements from the Equitable Salary Fund.
   a. The pastoral charge shall have conducted a stewardship campaign for the local church budget of each of its churches during the previous conference year.
   b. All apportioned items shall have been paid in full by the local church for the previous conference year.
   c. The charge must have at least 100 members.

   In unusual situations the Commission on Equitable Salary and Clergy Benefits may waive any or all of these conditions.
5. The Commission on Equitable Salary and Clergy Benefits will pay any amount up to 1/3 of the minimum salary as set by the Annual Conference for each applicant according to his/her ministerial classification.

   If any exception under paragraphs 4 or 5 is sought, the request must be endorsed by a 2/3 vote of the Cabinet before it can be considered by the commission.
6. Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 1989. Rates for adjustment will be considered annually by the commission, rather than establishing automatic adjustments.

   a. Elder, Full Connection.....$18,745
   b. Probationary Member
      1) Non Student living on charge.....$16,275
      2) Student living on charge.....$14,700
      3) Student not living on charge.....$11,025
   c. Associate Member.....$16,275
   d. Local Pastor
      1) Full-Time Local Pastor.....$13,780
      2) Student Local Pastor living on charge.....$12,350
      3) Student Local Pastor not living on charge.....$ 9,480

7. Pastors who are appointed to less than full-time service as addressed in the 1988 Discipline, (p442.2) shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time

actually spent in pastoring the charge. For example, if the pastor is deemed as serving 1/4 of full time, his/her minimum salary eligibility would be 1/4 of the minimum of his/her conference relationship classification. The categories of 1/4, 1/2, and 3/4 will be followed in determining less than full-time eligibility for salary supplements from the Equitable Salary Fund.

B. Seminary students enrolled in the M.Div. program and approved Local Student Pastors who are serving pastoral charges and receiving Equitable Salary Supplements may be approved by the Equitable Salary and Clergy Benefits Commission to receive $1.00 per mile, round trip each quarter, for the distance from the shcool to the pastoral charge. This extra allowance shall be computed by the commission, and paid quarterly to the student pastor.

9. Ministers who are not eligible for salary supplements are:
   a. Those whose appointment is other than pastor of a charge.
   b. Those classified as part time local pastor.
   c. Retired ministers.
   d. No pastor shall be eligible to receive salary supplements from this fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in a present appointment.

Report No. 2

Moving Expenses

1. We recommend that the conference pay the greater of $200 or $3.00 per mile for the first 100 miles and $1.00 per mile additional after the first 100 miles with no maximum within the bounds of the Annual Conference. The receiving charge is expected to pay any remaining balance of the actual moving expenses.
2. We further recommend that the procedure of filing correct forms with the Conference Secretary/Treasurer be continued.
3. We do, however, expect every receiving charge in the Annual Conference to pay the moving expense of the new minister in excess of the allowances and it must be the responsibility of the District Superintendent at the time of consultation to inform the church of its share of this obligation.
4. We recommend that the conference pay the moving expenses of a retiring minister within the boundaries of the conference. This reimbursement will not exceed $500.00 over the amount paid in Article #1.

Lloyd Hagemeier, Chairperson

Committee on the Agenda

The Annual Conference Committee on the Agenda recommends:

1. That the 1989 Per Diem Allowance be granted for each day in actual attendance at the Conference for retired ministers, surviving spouses of ministers, retired deaconesses, pastors receiving a total salary of, or less than the minimum salary of the Conference and students appointed to attend school. The rate shall be $30 for those who reside within Tarrant County and $60 for those who reside outside of Tarrant County.
2. That the budget line item for the expenses of Annual Conference be raised from $25,000 to $27,000.
3. That future places for the meeting of the Annual Conference be 1990-Waco, 1991-Fort Worth and 1992-Arlington.

Luther W. Henry, Sr., Chairman

Committee on the Episcopacy

The Central Texas Conference became the Fort Worth Area at the 1988 Jurisdictional Conference. This has definitely been a great year for our church. We rejoice to welcome Bishop and Mrs. John Russell, and to have Bishop Russell as the first resident bishop assigned to the newly-formed Fort Worth Area. They are loved by the Central Texas Conference. Under his leadership, we continue to make

marvelous strides in evangelism, payment of apportionments, and the development of the congregations throughout the conference.

We are proud of the new episcopal residence, located at 4804 Brockton Court, which is a beautiful home and should serve the resident bishop for a number of years to come.

We also take great pride in the conference office at 464 Bailey Street, which was bought approximately a year before the conference became an episcopal area. The episcopal office is beautifully designed and the building serves our needs not only now, but should also meet the needs of our conference for many years. The conference room was recently dedicated in honor of Bishop Russell and hence is known as the Bishop John Russell Conference Room. The building not only provides marvelous space for the conference staff, but is appreciated throughout the conference. Dr. Sidney Roberts has done a superb job bringing together the development of the building and grounds, so that it is a real asset to Methodism in this area. Joan Bailey assisted in the decorating of this building as well as the episcopal residency.

Under Bishop Russell's leadership, the Central Texas Conference will be the host in the fall of 1990 for the Evangelism Conference of the General United Methodist Church, which will meet in Fort Worth. This selection was made for various reasons, one of which is the concern and growth of our conference in terms of evangelism. This is indeed an honor. The following week, the Council of Bishops will meet in Fort Worth and this will obviously be a significant meeting for our entire area.

The fact that these meetings will be held in the Central Texas Conference to a great extent reveals to us the nature of the church in this area, and it pays tribute to the outstanding leadership of Bishop John Russell.

Dr. Barry Bailey, Chairman

Committee on Professional Ministries

Report No. 1

With the division of the Dallas-Fort Worth Episcopal Area and the creation of the Fort Worth Episcopal Area at the Jurisdictional Conference in New Orleans, July 12-15, 1988, it is the observation of the Committee on Professional Ministries that the duties and responsibilities of the office of the Assistant to the Bishop can be cared for by other existing offices and agencies of the conference. Therefore, we recommend to the Annual Conference the dissolution of the office of Assistant to the Bishop at its meeting June 5-8, 1989, to be effective at the close of the Conference.

Report No. 2

The Counseling Program

1. This service is available to ordained conference members, diaconal and retired ministers, and persons serving full-time conference appointments, plus their spouses and dependent family members. In addition, ordained members and families of the Rio Grande Conference serving within the geographical boundaries of this episcopal area are eligible.
2. Complete confidentiality and respect for privacy will be maintained. As a client, your name will be known only to your counselor, and no information about you will go to any other person without your written consent. Trust will be vested in the integrity of the counselors, both to keep confidences with clients and to keep faith with the program by submitting accurate bills of service for payment. Such bills will list hours of service but no names.
3. There shall be a Committee on Counseling elected by the Annual Conference:
    a. The Committee shall be composed of five members. Two shall be nominated by the Board of Ordained Ministry and three shall be nominated by the Bishop. The committee shall

elect its own officers composed of a chairperson, vice-chairperson and secretary.

b. The purpose of the Committee on Counseling will be to:
   1. Monitor the Counseling Program on a regular basis and make an annual evaluation of the performance of the counselors.
   2. Secure counselors as needed.

c. The chairperson of the Committee will be charged with the responsibility of carrying out the administrative responsibilities of the Committee.

4. The Counseling Service will be limited to six visits to a Counselor in any one year.
   a. The first two visits will be paid in full by the Program.
   b. Thereafter, participants will be asked to pay a portion of the cost, scaled to income, as follows:

Family Income	Program Will Pay	Client Will Pay
1. Under $20,000	90%	10%
2. $20,000-27,500	75%	25%
3. Over $27,500	50%	50%

5. Thereafter, if counseling is still needed, an application may be made to the Insurance Program for possible payment. At this time, the symptoms must clearly indicate the need for therapy.
6. During the first six visits to the Counselor, payments from the Counseling Program and the Insurance Program simultaneously will not be allowed.
7. Payments for this program will be made only to those Counselors who have been approved as participants in the program. There shall be no exceptions.

Committee on Resolutions and Courtesy

We have gathered to celebrate and witness at this historic session of the Central Texas Conference of the United Methodist Church of the new Fort Worth Area. We have celebrated God's grace and now go out to witness to Jesus Christ because we are loved to love.

Central to our witnessing and celebrating has been our worship and praise in word and music. The tremendous power of all the choirs, soloists, instrumentalists, from every corner of the conference have harmonized our souls with the angelic chorus and inspired us to deepen our own music.

The "teached word" eloquently preached by Bishop Roy Clark and the succinct scriptures, prayer, and devotional moments, preceeding each business session set the tone for our deliberations in this historic session of our brand new Fort Worth Area of United Methodism.

The leadership of our first pastor, Bishop John Russell and graciousness of our first lady, Mary Jean Russell, at the open house of the episcopal manse prior to the conference gave us a beautiful beginning.

The superb leadership of our retiring old white-headed "Arch-Bishop", Ervin Gathings, will never be forgotten.

A special shout of joyful appreciation to Dr. Luther Henry, host superintendent; the fastidious attention to detail of host pastor, Dr. Don Pike, and all his clergy and staff, and Linda Sloan, chairperson of local arrangements, and all the dedicated lay people of First United Methodist Church of Arlington will long be remembered. Special thanks to the Arlington Tourist Bureau of the Chamber of Commerce, Convention Center Staff, and all ancillary staff for attending to every necessary requirement. Anyone can be a host, but the work done here in creative hospitality will never be forgotten. The many breakfasts, lunches, dinners/barbecue, and social gatherings have united us in celebration and witness.

Even though we have often strayed in agenda scheduling, it is our hope that these frequent and time consuming flashes of the holy spirit will remind us that God works both through discipline and duty as well as inspiration of spontaneity. The reports of all councils, boards, commissions, committees, and representatives of our conference, jurisdiction, general church, and world, have challenged us to widen our vision and dream new dreams for the new decade of the 90's.

The great United Methodist historical celebrations of memorial, communion, retirement, ordination, reading of appointments, and sending forth will linger long in our memories as we go forward in this new year to celebrate and witness to the grace and love of Jesus Christ.

So as we go, rejoice in the words of H.G. Spafford:

"And Lord haste the day when my faith shall be sight
The clouds be rolled back as a scroll;
The trump shall resound and the Lord shall descend,
Even so, it is well with my soul."

CAPITAL FUNDING CAMPAIGN

In 1985 the Central Texas Conference authorized the Capital Funding Campaign to raise funds for unfunded pension liability, new church sites,and Glen Lake Camp. A goal of $10,000,000 was said to be divided among the causes as follows: Unfunded Pension Liability - $3,750,000 (37.5%), New Church Sites - $3,750,000 (37.5%), and Glen Lake Camp - $2,500,000 (25%). Since that time churches, individuals and foundations have made major contributions to the campaign which total $2,709,771.78 as of January 31, 1989. To date, we have disbursed the following amounts: $587,441.36 to Glen Lake Camp, $881,162.05 to Pensions and $881,162.05 to New Church Sites.

The Capital Funding Committee meets on an as-needed basis at the Annual Conference level and there are District committees in each of the respective Districts. This committee is composed of the District Superintendent, one lay and one clergy in addition to one representative of the receiving agencies. The Campaign will extend through May 31, 1989.

The following are members of the Capital Funding Committee: Dr. Timothy Walker (Chairperson), Bishop John Russell, Rev. Charles McClure, Rev. Wes Howard, Mr. W. O. Trogdon, Dr. Luther Henry, Dr. Don Pike, Mr. Don Leaman, Dr. Ben Feemster, Dr. Thomas Q. Robbins, Mr. Robert Klabzuba, Rev. Homer Kluck, Rev. Jack Riley, Mr. S. R. Greenwood, Rev. Ed Otwell, Rev. Glen Jones, Mr. Ty Herring, Rev. Tim Russell, Rev. Allen Goss, Rev. Louis Shambeck, Rev. H. F. Meier, Mr. Tim Rudolph, Mr. Mike Ford, Dr. Sidney Roberts, Rev. James Shuler, Mr. Glen Whitley, Dr. Ervin Gathings, Mr. Paul Leonard III, and Mr. Wesley Sears. Susan McKinney works for the committee serving as the Campaign accountant. Her task is to monitor the receipts and disbursements of the campaign and she is

happy to answer any questions related to the Campaign.

As the campaign moves toward its conclusion in June 1989, churches and individuals are encouraged to complete their three-year commitments. Each receiving agency is in need of our most generous support. Twenty-nine churches have already made their full contribution and we are trusting that many others will make an extra effort in giving during the final months of the campaign.

CENTRAL TEXAS CONFERENCE FEDERAL CREDIT UNION

A new area of service offered by your credit union this year for the first time was a no fee credit card with no interest if paid in 25 days. Interest for amounts carried over is 15 percent (APR). The credit committee assumed the added responsibility of checking the credit applications for these cards. They have moved very cautiously at the beginning, limiting credit and applying stringent rules. In three or four months they will review these applications for additional credit line.

Every month there are additional new applications for membership from the Harris Hospital System. The conference membership has remained fairly stable until the above credit cards generated new members. We had a very successful new car purchasing campaign after we lowered the rates for a two month period and allowed 100 percent financing.

We have had an influx of new CD money this year because our rates were competitive with other financial institutions. We have $155,000 more in CD's than at the beginning of the year.

The CTC FCU has grown in other ways this year as well. We have 1419 members as of December 31, 1988 compared with 1234 on January 1, 1988. We have 515 outstanding loans worth $1,165,587.31. We made a total of 621 loans worth $1,372,544.65. Dividend rates have remained stable as well as interest rates. The board reviews these rates every quarter to keep them competitive and allow a profit for the credit union. A few years ago we began to experience a rise in delinquent loans. The credit committee tightened its loan policies.

The board has followed an aggressive policy of collecting delinquent loans. This year the delinquent loans have remained stable at 23 compared to 22 for the close of 1988. The federal examiner requested that we raise our loan loss fund so that we are in much better shape if we were to experience higher delinquent loans.

Plans for the new year include additional space. We are stunted in growth by the absence of space - space for storage, space for a new computer terminal, and space for waiting for our customers. Your Credit Union is looking into the possibility of adding the Wesleyan Home at Georgetown as a part of the Credit Union. We are researching the possibility of opening membership to any United Methodist member in the Central Texas Conference.

The only services not offered by your Credit Union is in the area of checking accounts. A survey was conducted to see if there were sufficient interest to offer such a service. We needed 100 responses for the service to be feasible. We received only 34.

Let me say thanks to the several men and women who serve on the Board, meeting each month at their own expense. The Credit Committee meets twice a month, some driving long distances to make the decisions which mean the difference in profit or loss for your Credit Union. Many thanks to them. Thanks to the other committee members without whom we could not function. And of course, a great big thanks to Edna, our office manager, on whom we depend so much, and to Elaine, her assistant, for her tireless work to make our Credit Union a success.

It has been a pleasure to serve this year as your president. My only regret has been that we could not draw more people to our annual meetings.

HOMES FOR RETIRED MINISTERS

Report No. 1

"It was the best of times, it was the worst of times,..." So go the opening words of a well-known novel. Certainly, the year 1988 was not "the best of times" economically for the Central Texas Conference. Financial support means more in hard times, and 1988 was clearly one of those times.

Your support helped make 1988 " the best of times" for Homes for Retired Ministers. The offering received by the local churches amounted to $17,987.00. That is an increase of $2,360.00 over the previous year. That is a very significant increase, but, more importantly, 220 churches (out of 345) received the offering. That is an increase of 8% over 1987 and an increase of 11% over 1986.

There seems to be no letup in tax increases. Homes for Retired Ministers used to enjoy exemption for Ad Valorem taxes, but no longer receive this exemption in most cases. The taxes for 1988 were $15,714.00. Maintenance was somewhat lower than the previous year...$6,102.00. Insurance is one of the cost items that continues to increase...$5,033.00 for 1988.

The residents of our homes contributed $11,984.00 to assist in paying the taxes and insurance. We are grateful to them for their support.

We will have to replace some of the older homes as they become vacant. You are urged by the Trustees of Homes for Retired Ministers to place your home in your will for this purpose. We do not know what the future holds, but we do know that the time will come when there will be a minister retiring, or a spouse, upon the death of a minister, who will need a home. Help us be able to provide a home for those in need of one. Isn't that what we are here for? Since 1906 this has been our purpose.

The following is a simple breakdown of the offering by districts:

Brownwood:	$1,420.40

INTER-CONFERENCE COMMITTEE ON HISPANIC MINISTRY OF THE CENTRAL TEXAS AND RIO GRANDE CONFERENCES

Report No.1

Through this committee two annual conferences are working cooperatively. Organized in 1976, its purpose is to initiate, coordinate, and enable inter-conference ministries within the bounds of the Central Texas and Rio Grande Conferences. The major focus has been consulting at local church, district and conference levels in the development of cooperative ministries, promoting various Hispanic ministries, researching needs and developing awareness programs.

In June, 1986 both conferences adopted the "Strategic Plan for Inter-Conference Cooperative Hispanic Ministries" (see pages 222-223 of the 1986 Journal of the Central Texas Conference or page 159 of 1986 Actas Oficiales Conferencia del Rio Grande). With its adoption both conferences accepted responsibility for ministry with Hispanics. Last June both conferences approved continuation of the Strategic Plan into the next quadrennium through the work of the "Cooperative Ministry with Hispanics" project.

Through this project the committee has been on the cutting edge of ministry development with Hispanics. Our inter-conference cooperative model of ministry was pointed to at the 1988 General Conference (see Daily Christian Advocate, Advance Edition, E-40) as a model for other annual conferences to join in ministry with the Rio Grande Conference. Our learnings, insight, and experience can be offered to the general church through the special committee mandated by General Conference to develop a national comprehensive plan for Hispanic ministry so that the United Methodist Church can respond to the great challenge of being in ministry with Hispanics. The Hispanic population is already the fastest growing ethnic population and is projected to be the largest ethnic group in the country by the turn of the century.

Accomplishments for the year include the following:

1. A cadre of volunteers from both conferences have been trained to serve as Resource Team members. A team consists of four volunteers (two from each conference) who lead a Resourcing Workshop in a local congregation. The workshop's purpose is to enable a local church to gain a vision of being in mission with and witness to their community (particularly their Hispanic neighbors); to be redeveloped, revitalized, and strengthened through inter-conference cooperative ministry.
2. A Resourcing Workshop was provided last spring for La Trinidad and Diamond Hill (both in north Fort Worth). Since then they cooperated in a joint fundraising project and joint worship services. Diamond Hill made a commitment to participate in a shared ministry with the Rio Grande Conference by sharing their

facilities. La Trinidad began a process of revitalization and redevelopment. Since the workshop both churches received on-going consultation.

3. Last winter the old St. John facilities became unusable and San Pablo was faced with finding other facilities. The committee helped them connect with University (a Central Texas Conference church in south Fort Worth) which was willing to share facilities with this new congregatin. The committee provided consultation to both churches.
4. On-going consultation has been provided to Polytechnic. This church, located in southeast Fort Worth, provides outreach ministries with Hispanics through English as a second language classes, immigration referral, neighborhood fiestas, and vacation church school. Plans have begun to incorporate ministry participants into the Sunday School program and perhaps begin a worship service in Spanish.
5. The committee facilitated dialogue and cooperation between the two cabinets last Fall in a joint extended cabinet meeting.
6. Last Fall the first inter-conference cooperative worship celebration was planned and held during Fall University in which over 300 persons participated. Dr. Justo Gonzalez of the Rio Grande Conference preached the Word.
7. During Fall University the committee co-sponsored a Bible study on Jonah which enabled participants to understand that God's love knows no geographical or ethnic boundaries.

Goals for 1989-1990:

1. Revise the "Strategic Plan for Inter-Conference Cooperative Hispanic Ministries" in order to reflect General Conference action, new data, and new trends.
2. Compile updated data to identify the communities with a significant increase in Hispanic population, to identify local churches in those communities which are becoming increasingly Hispanic, and to identify Hispanic membership in Central Texas Conference churches.
3. Encourage local churches which are located in communities where there are significant increases in Hispanic population to use Resource Teams to enable them to explore ministry possibilities with Hispanics.
4. Continue to test and improve the inter-conference cooperative model of ministry.
5. Continue to recruit and train persons to serve on Resource Teams so that there is a pool of 25 persons.
6. Continue to provide courses during the Fall University of the Central Texas Conference which will resource local churches in their ministry with Hispanics.
7. Continue providing consultation to churches who are involved with cooperative ministry with Hispanics: i.e., Diamond Hill, San Pablo, University, La Trinidad, and Polytechnic (all Fort Worth); El Divino Salvador and First (both of Temple); El Buen Pastor and First (both of Moody.)
8. Encourage local churches of both conferences to provide volunteers in English as a second language classes.
9. Encourage and coordinate work team projects with Hispanic ministries.
10. Promote the Advance Special goal for San Pablo, Fort Worth.
11. Facilitate the two extended cabinets of both conferences in their annual meeting to dialogue and develop strategies about inter-conference cooperative ministry.
12. Establish a relationship with the special committee authorized by General Conference to develop a national comprehensive plan for Hispanic ministry in order to offer the learnings, insights, and experience of the Inter-Conference Committee.

Report No.2

For the next 50 years the Hispanic community is projected to be the fastest growing group in the United States. Already in the eighties the percentage increase for Hispanics in the United States was nearly four times that of the general population. Between 1980

and 1987 the Hispanic community increased by 30% (4.3 million) while the general population increased by 7% (16.3 million).

In an effort to meet the challenge for ministry with Hispanics the Inter-Conference Committee on Hispanic Ministry of the Central Texas and Rio Grande Conferences developed a strategic plan, as was referred to in Report 1, which was adopted by both conferences in 1986 and reaffirmed in 1988. With the beginning of a new quadrennium the committee determined a need to review and revise the strategic plan. The committee proposed the following revised plan.

STRATEGIC PLAN
Revised

GOAL 1: To involve local churches, district and conference groups in educational awareness building experiences in and with the Hispanic community.

Recommended Strategies:

a. At least once a year in each district and each local church an opportunity be provided to learn about the issues, challenges, and opportunities related to ministries with Hispanics. The Inter-Conference Committee on Hispanic Ministry will serve as coordinator and facilitator and will help to provide and interpret facts, data and/or information relevant to ministry with Hispanics.
b. At least once a year in each local church in the Central Texas Conference an opportunity be provided for church members to learn about the Rio Grande Conference, its beginnings, mission, and ministries and to know where Rio Grande Conference churches are located within the bounds of the Central Texas Conference.
c. By the end of the quadrennium establish on-going dialogue and fellowship between each Rio Grande Conference church and a neighboring Central Texas Conference church. Continue relationships which have already been established between Rio Grande Conference churches and Central Texas Conference churches.
d. When relationships have been established between churches of each conference and a pastoral change occurs in either church the remaining pastor takes the initiative in making contact with the newly arrived pastor. If pastoral changes occur in both churches the Inter-Conference Committee on Hispanic Ministry and/or district superintendents related to the churches will facilitate introductions.
e. In the Central Texas Conference each district be encouraged to invite someone from the Rio Grande Conference to at least one District Ministers' meeting so that the beginnings, mission, and ministries of the Rio Grande Conference can be interpreted. In the Rio Grande Conference, its members be encouraged to accept, attend, and participate in such invitations. The Inter-Conference Committee will facilitate.
f. The Inter-Conference Committee, in an effort to sensitize the Central Texas Conference to the bilingual need and to serve as a model to the conference, requests that the cabinet of the Central Texas Conference be engaged in intensive Spanish language study and in cross-cultural sensitization. The Inter-Conference Committee will assist in identifying opportunities for language study and cross-cultural ministry training.
g. In an effort to retool persons to be more prepared to be in ministry with Hispanics, ordained and diaconal ministers and lay persons be encouraged to become bilingual and receive training in cross-cultural ministries. The Inter-Conference Committee will assist in identifying opportunities for language study and cross-cultural ministry training.
h. The extended cabinets of the Central Texas and Rio Grande Conferences and representatives from the Inter-Conference Committee continue to meet at least once a year to dialogue and develop strategies about inter-conference cooperative ministry with Hispanics.

GOAL 2: To identify and assist local churches in transitional communities (those which are becoming increasingly Hispanic) to respond to the changes which are occurring in their surrounding

communities and to organize their mission and ministry accordingly as mandated in paragraph 207 in the Book of Discipline.

Recommended Strategies:

a. The Inter-Conference Committee keeps both conferences informed of the demographic data related to the Hispanic population. The Committee updates maps for each district showing communities with a significant increase in Hispanic population.
b. The Inter-Conference Committee identifies local churches located in communities which are becoming increasingly Hispanic and informs those local churches and their respective district superintendents.
c. The Inter-Conference Committee maintains and updates a survey of Hispanic membership in Central Texas Conference.
d. The Inter-Conference Committee maintains and updates an inventory of all the current ministries with Hispanics occurring in the bounds of the Central Texas Conference.
e. Once a year each district superintendent contacts representatives from each local church, which is located in a community where the Hispanic population is increasing, encouraging the local church to set up a meeting with the Inter-Conference Committee. The Committee will enable the congregations to engage in deliberate analysis of their neighborhood change so that possibilities can be explored for responding to their changing community with effective ministry (Par.207).
f. By the end of the quadrennium, each local church in transitional communities with increasing Hispanic population be helped to engage in deliberate analysis of its neighborhood change so that it can determine how to alter its program to meet the needs and cultural patterns of the new residents as mandated in paragraph 207.
g. To request that the Bishops and Cabinets lend their support encouraging local church participation.
h. The Inter-Conference Committee requests that it be included among the agencies consulted prior to a discontinuation and/or relocation of a local church that is in a community with an increasing Hispanic population in order to look at potential need for ministry in accordance with paragraph 2548.
i. The Inter-Conference Committee recommends that each conference adopt a policy of investing in the transitional community so that if a local church in a transitional community moves, relocates, or is discontinued, other avenues of ministry be developed.

GOAL 3: To provide consultant assistance to churches desiring to plan ministry with Hispanics.

Recommended Strategies:

a. The Inter-Conference Committee continues to provide resource teams comprised of persons from both Conferences to enable congregations in communities with an increasing Hispanic population to take responsibility to be in ministry with their community - especially new arrivals.
b. The Inter-Conference Committee continues to provide curriculum for use by resource teams.
c. Upon request the Inter-Conference Committee directs local churches to available resource materials such as bilingual worship resources.
d. The Inter-Conference Committee continues to make available consultative services to local churches, districts, and conferences by Committee's consultant.

GOAL 4: To plan for effective ministry with Hispanics through shared facilities between the Central Texas Conference and Rio Grande Conference.

Recommnded Strategies:

a. Using the National Division Manual on Shared Facilities as a principal resource develop a policy over shared facilities between the Central Texas and Rio Grande Conferences in accordance with paragraph 2552.
b. Identify indicators where shared facilities could happen.

c. The Inter-Conference Committee trains resource teams which can enable congregations to engage in a process of ministry design that includes the possibility of shared facilities.
d. The Inter-Conference Committee provides assistance in linking congregations interested in a shared facility ministry. The committee assists these congregations to develop a written covenant relationship which is in accordance with paragraph 2552.
e. When a congregation has a convenant of shared ministry, the cabinet(s) provide(s) the necessary support such as encouragement (especially during charge conference). The cabinet(s) also appoint(s) persons who are committed to continuing a shared ministry and have skills and training in cross-cultural ministries.

GOAL 5: To encourage both conferences to employ the most effective means for appointing personnel to local churches in target cooperative ministry areas.

Recommended Strategies:

a. Identify persons who have particular skills (bilingual-Spanish/English) and/or training (cross-cultural sensitization) and are interested in serving target cooperative ministry areas.
b. Consider a variety of appointment possibilities such as team ministry, co-pastors, joint appointments, cross conference appointments, or lay workers in order to choose the most effective leadership to enable cooperative ministry.

GOAL 6: To provide necessary financial resources through appropriate conference agencies that will enable cooperative ministry with Hispanics.

Recommended Strategies:

a. Both Conferences be committed to providing adequate resources in terms of money and personnel to ministries in transitional communities for a sufficient period of time to allow for experimentation, evaluation and mid course corrections to insure an adequate effort in ministry in those situations as set forth in Par.207.4.
b. In each local church of the Central Texas Conference lift up particular church development needs of existing Rio Grande Conference churches as an Advance Special appeal. Projects needing assistance be identified by the Inter-Conference Committee and approval secured for Advance Special listing.
c. The Inter-Conference Committee recommends that each conference adopt a policy of investing in the transitional community so that if a local church in a transitional community moves, relocates, or is discontinued, other avenues of ministry be developed.
d. Continue to secure funds for a consultant's position in order to facilitate the accomplishment of this long range strategic plan.

GOAL 7: To cooperate in supporting new church development projects directed at the Hispanic constituencies.

Recommended Strategies:

a. The Inter-Conference Committee facilitates the development of interpretive materials which lift up opportunities for ministry with Hispanics.
b. Encourage local churches and districts of both conferences to participate in supporting these projects through Advance Specials.
c. The Inter-Conference Committee facilitates the development of interpretive materials which lift up opportunities for local church work teams.
d. Encourage districts, sub-districts, or congregations of both conferences to plan and carry out district wide, sub-district wide, or city wide fund-raising events.
e. Communication be continued and maintained between the Director of Church Growth and Development (Central Texas Conference) and Coordinator of Congregational Development (Rio Grande Conference).

Report No. 3

The inter-conference cooperation between the Central Texas Conference and the Rio Grande Conference is not matched by any other annual conference in Texas and New Mexico. The sending of fraternal delegates to each other's annual conferences celebrates the close relationship which has developed between our conferences. Therefore, the Inter-Conference Committee on Hispanic Ministry recommends that Jeannie Trevino-Teddlie be designated as the fraternal delegate to the Rio Grande Annual Conference which will meet June 8-11, 1989 in McAllen, Texas.

LYDIA PATTERSON INSTITUTE

The year 1988 has been an exciting one for the Administration, Faculty, Staff and Student Body at Lydia Patterson Institute.

This year marked our 75th Anniversary, and was highlighted by numerous activities which included a full week of Homecoming Activities, a vigorous Diamond Jubilee Financial Campaign in which many alumni and friends participated and a highly successful Christmas Matching Fund Campaign. We have experienced an unprecedented level of renewed alumni interest in Lydia Patterson.

Our enrollment has grown by 21% and has climbed to 350. This has necessitated new classes and additional staff. The turnover rate in our teaching staff was only one this year. This fact bespeaks the commitment that our teachers have to the purposes for which Lydia Patterson Institute has traditionally stood.

Lydia Patterson Institute's personnel are committed to an uncompromised academic standard that is demanding, and will enable our graduates to compete at the collegiate level. We undergird these high academic standards by very intentional spiritual nurture that will challenge our student body not only to acknowledge Christ in their lives but to adopt His standards in their lives.

Our financial circumstances have varied, month by month, from stable to critical. We are, however, grateful for the commitment of many individuals and congregations from across the entire Jurisdiction whose regular support have enabled us to fulfill our ministry and to meet our obligations...at times under considerable stress. It has been nothing short of amazing to see how God has provided for all our needs, and how the connectionalism of our South Central Jurisdiction has come into play with blessed consistency.

The Mission for which God brought Lydia Patterson Institute into being in 1913 continues to be our mandate today. It is:

A. To represent the Christian faith as understood by the United Methodist Church;
B. To provide quality bi-lingual, cross-cultural, academic education;
C. To provide a center where local church leaders, clergy and lay, may receive training and experience in effecting Christian witness and ministry with persons of other ethnic and racial backgrounds; and
D. To develop leadership skills in persons interested in cross-cultural and international positions in Christian Ministry.

I trust that even as our friends from across the Jurisdiction and around the world faithfully remember us in their daily prayers and with the financial resources, that they will plan to visit us and see the fruit of their trust in the Ministry that is being lived out each day at Lydia Patterson Institute.

In Christ's love

MOUNT SEQUOYAH

The Olin C. Bailey Center has been completed and is serving the needs of the South Central Jurisdiction. Mount Sequoyah was favored

by the jurisdiction in its 1988 session in New Orleans with the approval of funding for the construction of this 5,000 square foot building. It serves as a place for 250 persons to meet in a seminar setting.

Funding for this new addition will be apportioned to the churches in 1990 which will raise the $300,000 cost of the building in four years. This will be in addition to the present apportionment of $60,000 per year which is used to support the existing program of Mount Sequoyah.

New Trustees were introduced to the board this year after election by the jurisdiction. Outstanding persons from all seventeen Annual Conferences of the jurisdiction serve on this board along with three bishops. From the Central Texas Annual Conference we have the able assistance of Dr. Barry Bailey who will serve as Chairman of the Promotion and Publicity Committee and Robert Young as Secretary of the Board of Trustees.

A theme was selected for 1989 which features the rose. A new event will be held in August 1989, called the "Festival of Roses." New roses have been planted near the cafeteria to augment the two hundred roses already growing on the grounds.

In conjunction with the University of Arkansas, Mount Sequoyah will hold its first Elderhostel program. This fine educational program has been around for more than a decade but in recent years has increased in importance. We are pleased to offer this addition to programming for retired persons.

A jurisdictional work camp was planned for 1989 with the intention of joining all of the annual conferences into one week of work in support of this facility which serves the entire area.

The Trustees have started a Bishop's Club to gain support for Mount Sequoyah. Persons who are able to generate $1,000 or more of new support are to be honored during Bishop's Week. Such generosity is the life's blood of the institution helping to insure its future place of importance, serving the seventeen conferences of the South Central Jurisdiction.

Mount Sequoyah reaches out to all of the members of the churches in the Central Texas Annual Conference. You are invited to seek the presence of God, to deepen your faith, and to define more clearly your ministry and mission as you join into events held on the mountain top in this "Year of the Rose."

PERKINS SCHOOL OF THEOLOGY

Concern over the effect on seminary education of the increasing number of "second career" students was raised during the year with the observation that this population now represents 65% of enrollments. This involves more part-time students who choose courses for convenience as much as content. Previous life experiences are difficult to credit for these persons. Broader interpretations by the church of study requirements for ministerial qualification burdens seminaries with responding to these factors with integrity, while aiding the church in meeting increasing demands to train persons adequately for ministry.

Student enrollment this year maintained a balance with last year, with 271 in the Master of Divinity degree program and distribution among other degrees totaling 417 for the fall, with a small rise to 423 in the spring. Women constitute 38% of the students in all programs and the combination of Asian Americans, African American, and Hispanic students reaching a total of 63, with 31 internationals. The age of students showed the largest segment in ages 25-34, though a significant number are in the 40-49 age range.

Renewal of a sort other than theological has been the norm this year as the Perkins Chapel and the Bridwell Library have undergone redecoration and major renovation. The Chapel received its regular face-lift, with general painting and cleanup accomplished during December and January.

The Bridwell Library has functioned "in exile" for almost the whole year, while total renovation of the building has been accomplished. Circulating collections were shifted to a dormitory

basement, while staff dispersed to other office locations. With the re-opening in March, services of the library for students and researchers will be vastly improved. Carefully designed reading rooms, private study carrels, conservation facilities, galleries, and archival storage will constitute one of the foremost research and knowledge facilities in this part of the world.

Emphasis on the Ministerial Education Fund remains crucial as the annual base of local church support for ministerial studies in the seminary. The Jurisdiction "Fair Share Goal" campaign continues for Perkins as we seek to improve the endowment that is essential to the perpetuity of support for student financial assistance, the Intern program, and other important facets of education for ministers in training. Several significant estate gifts were gratefully received, including $65,000 for the Fern Woodhull-Oden Memorial Scholarship Fund, $500,000 for a lectureship on the arts as interpreters of religious faiths and practices, and $160,000 for the Faculty Development Program funded jointly by the Lilly Endowment. A new program, Partners With Perkins, seeks special gifts with an emphasis on International students and general scholarship support from persons able and interested in this type of investment.

New faculty this year include Dr. Thomas William Spann and the Rev. Marilyn Spurrell Atkins in the Intern Program; Dr. Yap Kim Hao of Malaysia and Singapore has been Visiting Professor of World Christianity. Bishop James S. Thomas retired from the East Ohio Conference and came as Distinguished Visiting Professor of Practical Theology. Bishop John Wesley Hardt became Bishop in Residence upon retirement from the Oklahoma Area. Dr. Ruth Tiffany Barnhouse retires this year. We were saddened by the death of Bishop W. McFerrin Stowe, who had served eight years as Bishop in Residence, following retirement from the episcopacy.

Search committees for five faculty positions that are coming open due to retirements began early in 1989, driven by inspiring visions that Perkins may equip itself and its students to meet the challenges of ministry in the 21st century.

SOUTH CENTRAL JURISDICTION

The Thirteenth Session of the South Central Jurisdictional Conference was held July 12-15, 1988 in New Orleans, LA. Three new bishops were elected: William B. Oden, Bruce P. Blake and Dan E. Solomon. A new Episcopal Area was created - the Fort Worth Area. The charters of Mt. Sequoyah and Southern Methodist University were revised and trustees were elected to the Boards of those two institutions and to the Board of Lydia Patterson Institute. Persons were also elected to membership on the General Boards and Agencies of the Church.

The Jurisdictional Council on Ministries approved twenty-four programs for 1988 - including two lab schools and seminars, seven retiree events, an ethnic ministry church development consultation, youth ministry, volunteers in mission workshop, town and country ministry consultation and several other events.

Two new positions were added to the Jurisdictional staff: Volunteers in Mission Coordinator with Rev. Max Marble of the Missouri East Conference; and Korean Mission Director with Rev. Bon Woong Koo of the Texas Conference. Mr. Marble's office is at 2144 Swallow, Lewisville, TX 75067, phone 214/317-3606. Mr. Koo's address is at 6155 Samuell Blvd., Dallas, TX 75228, phone 214/321-7077.

The Jurisdictional Convocation on Racism/Joint Training Event was held November 30-December 1 & 2 in Dallas, TX with over 350 persons in attendance. The Consultation focused on the evils and remedy of individual and institutional racism and provided skill training and information for annual conference leaders.

The South Central Jurisdiction is very grateful to the annual conferences and local churches of the Jurisdiction for the support and leadership they provide in the ministry and mission of the church.

Earl B. Carter, Executive Director

South Central Jurisdiction Volunteers in Mission

The Volunteers in Mission office of the South Central Jurisdiction offers individuals and groups with time, talent, and resources the opportunity to share those gifts with specific mission projects, locally, nationally, and internationally. Groups or individuals who would like to volunteer their time and skills and United Methodist programs and agencies that need volunteers for their ministries may contact the Volunteers in Mission office to become linked up.

SUPERSERVE, the Annual Volunteers in Mission celebration and training event, is for everyone who has been or who is considering being a volunteer in mission. It is also for persons in local churches charged with responsibility for Volunteers in Mission who are seeking information about how to get their church involved. The dates for SUPERSERVE 89 are September 1-3, Labor Day weekend. The event is held each year at Mount Sequoyah in Fayetteville, Arkansas. To register, contact the Volunteers in Mission office given below.

The Reverend Max Marble, member of the Missouri East Conference, is the new coordinator of the South Central Jurisdiction Volunteers in Mission program. You may contact him at his office located in the Dallas metropolitan area at 2144 Swallow Lane, Lewisville, Texas 75067. Phone 214/317-3606.

Korean Mission in South Central Jurisdiction

1. Korean Mission work in South Central Jurisdiction was started on February 15, 1989. Its primary purpose is to enable congregational development among the growing Korean immigrant communities. The key concept of MISSION is to enable new congregational birthing and incubation which is described in the DISCIPLINE (P.663-664). Until the new congregations have been chartered (the Organization of the Charge Conference) within the Annual Conference and District, the proceeding conditions call for much closer relationship between the Korean Mission and Annual Conferences and Districts in which the work is carried on.
2. The mission work is facilitating and coordinating for the development of Korean-American ministries and new church development, especially consultation for redeveloping the designated Korean churches.
3. The mission projects presently carried on are six congregations: Springdale-Hanmaum (N. Arkansas), Wichita-Sarang (Kansas W.), Jacksonville (N. Arkansas), Copperas Cove (C. Texas), Waco (C. Texas), Enid (Oklahoma), and ongoing projects are five: Irving (N. Texas), Kansas City (Kansas E.), Corpus Christi (S.W. Texas), Waynsville (Missouri E.), Ft. Smith (N. Arkansas), and surveying projects are as follows: Houston Second (Texas), Shreveport (Louisiana), College Station (Texas), Abilene (N.W. Texas), Lake Charles (Louisiana), Laredo (S.W. Texas), Topeka (Kansas E.), Omaha (Nebraska), and Denton (N. Texas).
4. The mission leadership development is very important for the new church development and nurturing with the Korean churches, especially recruitment and training of mission pastors.

Your understanding and continued support is appreciated.

SOUTHERN METHODIST UNIVERSITY

This has been an important year of self-study, transition, and progress in the life of the University. The academic mission of SMU is being refined and clarified through a series of internal committees and the work of a Task Force on Academic Priorities. A Task Force on Financial Feasibility and one on Diversity will also report this Spring. Based upon these deliberations, I shall make recommendations to the faculty and ultimately to the Board of

Trustees this Fall. I can assure you that our mission, and my vision, will be in tandem with our fiscal ability to make our plan a reality. Southern Methodist University is a strong university that must continue to do well what it can do best, namely, teach undergraduate students through a broad-based program of education in a personalized living and learning environment. At the same time, we must continue the outstanding tradition of the Perkins School of Theology and the School of Law, as well as a limited number of graduate programs.

The Board of Trustees, elected in July 1988, has functioned superbly. The Board has proved to be a hard-working, hands-on governing body. Its committee structure provides members with a broad understanding of policies and procedures, the opportunity for meaningful discussion, and with those, a real sense of responsibility for and to the institution. As chairperson of the Board, Ray Hunt continues to provide outstanding service and leadership.

Several initiatives have been set in motion this year that should, over the next few years, strengthen our important United Methodist ties. For example, we have increased our involvement with TUMCA by participating in its new brochure, as well as hosting a "Day at SMU" for chairpersons of the Boards of Higher Education and Ministry. We have produced for the first time at SMU a poster with tear-off forms requesting more information, which has been sent to all episcopal appointments in the South Central Jurisdiction. Southern Methodist University will be the host institution for the 1990 Jurisdictional Youth Rally, in which some 2,000 United Methodist young people from throughout the Jurisdiction will be on the SMU campus July 13-19, 1990.

The Task Force on Church Relatedness, which I appointed in the fall of 1988, has made its report, which reinforces the importance of SMU's United Methodist connections and reaffirms the positive steps we are taking.

I would be remiss if I did not talk about athletics. I have been very pleased at the direction in which Athletics Director Doug Single is moving our overall program. In particular, I believe we are on the right track in renewing our football program with integrity and in a manner that is consistent with the mission of the University.

After almost two years as SMU's president, I am pleased to report that we continue to make progress in meeting our current challenges, and we pursue with increased vitality our quest toward excellence as an outstanding United Methodist institution of higher learning.

SOUTHWESTERN UNIVERSITY

A Quiet Revolution

Southwestern University has undergone a quiet revolution in the last decade. Among other things, it has increased both the faculty and student body by 25%, improved the average SAT score of entering freshmen by 140 points, raised faculty salaries by 130% percent, and increased endowment by 250%. Retention to graduation for entering students has improved by 12 percentage points, so that now almost 2/3 of our entering freshmen graduate with a Southwestern degree. During this same period, we have built a new library equipped with the latest in electronic technology, constructed a magnificent residence hall, and eliminated most of the deferred maintenance problems which were a heavy burden.

This "quiet revolution" has not gone unnoticed by the outside world. The University has been recognized by other institutions and by those who regularly evaluate the quality of institutions of higher education. Two years ago, Southwestern was invited to participate in the relatively exclusive Tufts-Educom Data Sharing group of colleges and universities as a peer institution. Southwestern is also regularly identified by most of the major guides to higher education, such as The Fiske Guide to Colleges and U.S. News & World Report. Some of our special events, such as the

annual Brown Symposium, receive national attention, and our educational program produces curricular events, such as the "Asia Year," which receive major funding (nearly $200,000 from the National Endowment for the Humanities).

Resisting Current Trends

Surprisingly, Southwestern's emergence on the national scene has occurred during the most severe period of economic decline in Texas since the 1930s. Precisely during a time when the Texas economy has been on a downward trend, the academic reputation of Southwestern has been trending upward. It might be said that a decade ago the Texas economy was stronger than our reputation. Now, ironically, the two lines have crossed and the opposite is true - as the Texas economy has deteriorated, the standing of Southwestern has improved.

A Strong Foundation

The basic reason Southwestern fared so well during bad times is that it had a strong foundation on which to build. It was undergirded by competent faculty, trustee, and administrative leadership. Southwestern had a strong endowment, was free of debt, and practiced pay-as-you-go budget procedures. Its spending was directed by a Master Plan toward those priorities best determined to enhance the central academic purpose of the University. In summary, innovative but realistic ideas, dedicated but efficient service, and prudent but creative management served Southwestern well in getting us to where we are.

Stretching Our Resources

In spite of this success, we must recognize that the going is tougher than it used to be. A great deal of discretionary money has been removed from the Texas economy, and it is more difficult for us to raise funds than it once was. Both "capital giving" for special projects and "unrestricted giving" revenues have declined, and only the magic of The Brown Challenge, the loyalty of dedicated trustees and friends, and tenacious fundraising efforts have made it possible for us to maintain giving at anything resembling an adequate level. In the face of these problems, the $7.3 million that the University raised from all sources last year was a little short of miraculous.

Because of the state's poor economic climate, we have been forced to rethink several of our planning and financial procedures. We have extended the timeline on some of our earlier projections for accomplishment of Master Plan goals, utilized some of the capital gains from our endowment for the operational budget, and scrutinized each year's operating budget intensively in order to maximize every expenditure and save every penny possible. In other words, we have taken up all the slack we possibly could rather than cut back in order to sustain the momentum which the University has gained over the decade. We simply cannot afford to lose the advances we have made.

Measures for the Future

The successful completion of most of the goals in the old Master Plan means that we are currently at work writing a new one. A new statement of principles has already been adopted and will become the introduction to that document. The entire Master Plan will be completed this spring.

In the meantime, there are a number of critical points which we are addressing.

1. **Recruiting a Strong Contingent of New Trustees.** Southwestern has been fortunate over the years in the strength and character of its Trustees. They are as much the reason for the success of the University as any other single element. Bylaw provisions, however, stipulate that a number of Trustees must relinquish their posts in the near future. Recruiting new Trustees --

powerful, influential, and motivated to join forces for the future of higher education and Southwestern University -- must become one of our top priorities in the next few years. The Board of Trustees provides critical leadership for the University, and it is essential that we engage our strongest efforts in recruiting effective persons.

2. **Deploying Trustees Effectively for Planning and Fundraising.** The strength of our Trustees will not be adequately tapped unless we devise effective ways for members to lend their expertise and energy to the University on a continuing basis. Regular meetings of the Board are necessary for informational and policy-making reasons, but they will be little more than showpieces of what others are doing unless Trustees are linked to University efforts on a more regular basis. We hope to strengthen Trustee efforts by involving them more closely in the next several years in specific activities in which they can help the University on an ongoing basis.
3. **Placing a New Emphasis on Deferred Giving in Our Fundraising Program.** Our fundraising efforts to this point have been remarkable for low overhead in relationship to the amount of money raised. We compare favorably with any college or university in the country in this respect. This has meant, however, that we have left some fruitful sources of revenue largely untapped. One of them is deferred giving. We have had some success in this direction, but we have not built deferred giving into our development operation as a regular responsibility.
4. **Addressing Our Capital Needs.** In addition to our regular fundraising program in the unrestricted gifts area, we want to consider our capital resource needs as well. We must do so from two standpoints: 1) that of cultivating and maintaining sources for capital grants; and 2) that of setting priorities for grant requests. In terms of the first, we know that certain foundations and persons have helped Southwestern in the past and need to be reminded of our progress and gratitude. There are other persons and foundations which can and should be offered the opportunity to learn about Southwestern. In terms of the second, we already have certain projects, such as that of the Fine Arts center, on the drawing boards. Other possibilities have been identified and need to be assessed.

A New Foundation

By recruiting dynamic additional trustees, effectively utilizing the strengths of our Board members, adding deferred giving to our development operations, and addressing our capital needs, we will be building a new foundation for Southwestern. As we approach the 150th year in the history of Southwestern, we will be setting in place those commitments and resources which will take Southwestern to the year 2000 as a strong, vibrant, flourishing, church-related University. It is a challenge worthy of our efforts.

TEXAS UNITED METHODIST COLLEGE ASSOCIATION

In 1988 the Central Texas Conference again led the way for all the conferences in Texas by paying $200,558.82 to Texas Methodist Colleges, 95% of the total apportioned, and $120,791.00 to the Black College Fund, 100% of the total apportioned. On behalf of the seven United Methodist colleges and universities who received these monies, I thank you for your support.

All of the funds received by Lon Morris, McMurry, S.M.U., Southwestern, and Texas Wesleyan from the Texas Methodist College apportionment, and most of the funds received by Huston-Tillotson and Wiley from the Black College Fund, go to financial aid for students. So I most especially thank you on behalf of the students who have received these funds last year. When I think of the "thanks" these students have expressed for your help, I think especially of these words spoken by Curtis Smith, a United

Methodist from Chicago: "College was only a vision until I found that someone cared. To get out of the neighborhoods of Chicago to attend college was like a gift from God. I am very pleased that I was given the chance to become something. Most people just need a chance. Thanks to the Lord, mine finally came! I am one proud and grateful student! The United Methodist Scholarship Fund made it possible for me to be here at Huston-Tillotson College in Austin, Texas. My prayer is that I will prove to be a worthy choice."

These apportioned funds you give are important to our colleges and to the students who receive them. The following figures for the fall of 1988 provide an indication of that importance.

	Percentage of Undergraduate Students Receiving Aid	Average Amount of Aid
Huston-Tillotson College	93%	$5,158
Lon Morris College	90%	2,993
McMurry College	78.5%	2,205
Southern Methodist University	50%	4,000
Southwestern University	66%	7,500
Texas Wesleyan University	79%	3,900
Wiley College	92%	5,128

In other words, almost 65% of the undergraduates attending our seven institutions receive aid and the average aid ranges from just under $3000 to $7500 per student per year. Thanks to you and other supporters, our colleges work hard to make it possible for deserving students, regardless of their economic circumstances, to get an education at a United Methodist institution.

You can help us by encouraging persons in your church to get in touch with the Admission office of the United Methodist college or university in which they might be interested, even if they think there is no way they could attend that institution. Give the college a chance at least! Our colleges want to educate more United Methodist students; help us by encouraging people in your church to consider United Methodist colleges and universities.

Our colleges are different. To be sure, each one is different than the other six, but all seven are different than public institutions. Some of the differences with public institutions are:

* Size and personal attention and sense of community

* Emphasis on good teaching, and beginning courses are taught by full Professors and other experienced faculty rather than graduate student assistants

* Freedom to advocate values and to strive to create an environment congruent with a Christian understanding of life

* Teaching of religion courses and of the Christian faith and traditions and scriptures and ethics

Videotapes are available about each of our seven colleges and universities in Texas, and a 15 minute videotape contains a brief introduction to each institution and to the Texas United Methodist College Association. It can also be arranged for someone to visit your church or district and make a presentation and answer questions about our colleges. Please get in touch with the Association office to make arrangements.

TEXAS WESLEYAN UNIVERSITY

The 1990-91 academic year marks the 100th year of Texas Wesleyan University. Through its four schools of Business, Education, Fine Arts, and Science and Humanities, the University offers fifty-six undergraduate degrees in a variety of fields and two graduate degrees in education and nurse anesthesia. Texas Wesleyan University continues to serve the United Methodist Church and the north Texas area by graduating students whose education and career

preparation is firmly founded upon values and a liberal arts tradition enhanced and strengthened by the University's relationship with the United Methodist Church. Continuing in the tradition of excellence exhibited in the past, Texas Wesleyan University is pleased to report another successful year.

Most significant to the 1988-89 academic year is what is perhaps the most visible change. On October 14, 1988, the Board of Trustees voted unanimously to change the name of Texas Wesleyan College to Texas Wesleyan University in recognition of the achievements and status already accomplished. The name now appropriately reflects the variety and quality of the faculty, curriculum, and degrees available to the students of this institution.

In keeping with the quality education offered, the University took pride in dedicating the newly constructed Eunice and James L. West Library on October 21, 1988. With Bishop John W. Russell performing the service of dedication and H. Ross Perot, Sr., bringing the keynote address, a crowd of more than 500 people were witness to the University's commitment to advancing the cause of higher education on the historic East Fort Worth campus. The West Library serves as the cornerstone of the University's Master Plan for the campus.

Following the master plan, the University has now completed funding for the renovation of the old library into the George W. Armstrong Business Center which will house the School of Business. Renovations will begin in the near future.

Demonstrative of the University's commitment to excellence, of course, are its faculty and students. Associate Professor of Biology Donn D. Martin received a 1988-89 National Science Foundation grant to establish computerized laboratories for physiology research. Texas Wesleyan is one of two colleges and universities in Texas receiving a third three-year grant from the Robert A. Welch Foundation for undergraduate chemistry research. Graduates of the University's Pre-Professional Program experience a 94 percent acceptance rate to medical, dental, theology, and graduate schools, and Texas Wesleyan graduates taking the Certified Public Accountants' examination for the first time average a 23.1 percent pass rate compared to the national pass rate of 20.8 and the Texas rate of 18.6 percent.

Alumni of Texas Wesleyan University continue to be a source of pride. Through their accomplishments and endeavors, they demonstrate the quality of leadership, skill, and competence indicative of the education offered by the University.

Texas Wesleyan University, due to the untiring efforts of its Board of Trustees, is able to report a balanced operating budget of $10.3 million and an endowment of $26.3 million. Tuition cost is $2,250 per semester, and 79 percent of Texas Wesleyan students receive some form of financial aid with the average annual award being $3,000. The future of the University, though it is affected by current economic conditions, is bright.

Excellence is evident throughout the University, and excellence is not without its rewards. In October, U.S. News and World Report (October 10, 1988 issue) named Texas Wesleyan as one of the top five small comprehensive colleges in the United States in terms of resources. That recognition was given largely due to the completion of the Eunice and James L. West Library and the size of endowment relative to the size of the student body.

It is with hopeful anticipation that the University looks upon its second century. The founders of the University had a vision of an institution of higher education firmly rooted in the United Methodist tradition. With that vision came a promise; it was a promise of excellence, it was a promise of quality leadership, and it was a promise of a well-qualified faculty with a strong curriculum. Today that promise is being fulfilled as the University continues to dream and envision the future of United Methodist-related higher education for the people whose lives have been and will be touched by this institution, Texas Wesleyan University.

GLEN LAKE/RAINBOW UNITED METHODIST CAMPS

TRUSTEES REPORT, JUNE 1989

Trustees of Glen Lake - Rainbow Camps invite the Annual Conference to celebrate the properties' enjoyment of an accumulated total of twenty-three thousand, five hundred "individual user days" on a year-round basis since our report last year. Of this number, ten thousand camper days represent the presense of over fifteen hundred girls and boys, young women and young men of our local churches in camping programs dedicated to their physical. mental, and spiritual development. The remainig thirteen thousand, five hundred "camper days" were accured from September through May by additonal children, youth, and adult usage in outdoor exploration, learning and living settings, in retreats, workshops, seminars, rallies, meetings and other endeavors and activities.

It is in a spirit of rejoicing, then, that we commend the near approaching June 17 **CELEBRATE 50!** Glen Lake Camp reunion to your individual and collective attention, support and presence. The celebration will appropriately commemorate our Central Texas Conference's continous ownership, development and usage of what has been, and is, "holy ground" to literally thousands of persons, dating back to 1939 when a dream was realized and the property was acquired.

The festive **CELEBRATE 50!** setting will be most appropriate for a "groundbreaking ceremony" for a third new all-season lodging and meeting facility to be known as the "Graham Lodge." We applaud the generosity of The First United Methodist Church, Graham, in this gift. The Jones, Mabee and Graham Lodges, which are equipped to accomodate year-round retreat settings, plus a down payment for the camp "expansion properties" represent a bulk of the Camp's portion of the Capital Funds Campaign. For this and the annual Capital Improvements appropriation in the Annual Conference budget in amount of twenty thousand dollars, we are grateful.

Numerous persons in our hearing can recall a progression of improvements and acquisitions in the camp properties and facilities:

The '40s and early '50s -- New permanent kitchen/dining room (now the Educational Building), fifteen rock cabins, two central "rest room/bath houses", improved Vesper Point, Camp Manager's residence;

Mid '50s -- Recreational Building, Siceloff Auditorium, a "first time" office building, a paved front entrance and parking area;

Early '60s -- Acquisition of Rainbow Camp, "new" Olympic quality swimming pool, present Dining Hall built, Siceloff Auditorium air-conditioned;

Late '60s -- Erection of two buildings recently used as Health Center and Staff Center, erection of Lodge and limited improvements at Rainbow Camp;

'70s - Mid '80s -- Renovation of Educational Building and limited refurbishment and addition of equipment in the Dining Hall and Siceloff Auditorium;

Mid '80s to the present -- New lodges and Administrative Building, remodeling of #23 Cabin as a memorial to Kyle Crews, an enthusiastic youth/camper of First Methodist Church, Brownwood, which will serve as a model for future cabin maintenance and modernization.

All of the above is given to say that, with the exception of the most recent building additions, practically every other roof, window, fan, electrical wire, pipe, and other visible and invisible component of the camp buildings and permanent facilities, such as the swimming pool, are from ten to twenty or more years old, and are in need of extensive repair, refurbishment or replacement.

The above is complicated by the fact that, as reported last year, it became necessary for the Annual Conference to reassume ownership of the Rainbow Camp properties, causing us to fail to benefit from anticipated receipts in the sale's completion. The 171 acre, Brazos River frontage, property has been unsuccessfully on the market to date. The annual terms of the Expansion Property acquisition continue. At present, the Camps and Assemblies

Committee and the Camp Trustees are assessing all the Camp's tangible assets and liabilities, all available avenues for revenue and funding, and sources for financing, to reach a feasible, suitable solution to the Annual Conference Outdoor Christian Education financial challenge.

And, a challenge it is, because, not since many years ago when individual persons, groups, families, and Districts rose to pledge and deliver what were then sacrifices for the facilities that have been richly enjoyed for so long, have we seen such interest, concern, support, expertise in professional and volunteer staffing, broad-ranged expertise among the membership of the Camp Committee and Trustees, and usage potential for our Glen Lake Camp.

...This one further word...In 1986, the Glen Lake-Rainbow Camps were recognized by the highest courts of the State of Texas as being properly entitled to a city, school district, and county tax exemption status; however, the Somervell Country Tax Appraisal District fails to honor the ruling. The issue, therefore, continues to be observed and overseen by the counsel of Mr. Doren Askew, of the Askew, Muir, and Bednar Law Firm of Austin, Texas.

Again, your interest, enthusiastic support and presence is solicited for the golden anniversary and next century launching of Glen Lake Camp in **CELEBRATE 50!**, all day Saturday, June 17, at the Camp.

W.C. Taylor, Jr., Chairperson/President
Board of Trustees, Glen Lake-Rainbow Camps, Inc.

THE UNITED METHODIST CHURCH

Proposed Constitutional Amendment

On Friday evening, May 6, 1988, at a session of the General Conference of The United Methodist Church held in St. Louis, Missouri, the following Constitutional Amendment was made by a recorded vote of 783, yes; 85, no; 3, abstaining. It is now presented to the Annual Conferences for vote.

In Section VII, Paragraph 35, Article I, insert the following words:

<u>In the Annual Conferences of the Central Conferences, the four-year participation and the two-year membership requirements may be waived by the Annual Conference for young persons under twenty-five (25) years of age. Such persons must be members of the United Methodist Church and active participants at the time of election.</u>

If voted and so declared by the Council of Bishops, Par. 35 would then read:

The Annual Conference shall be composed of ministerial members as defined by the General Conference, together with a lay member elected by each charge, the diaconal ministers, the conference president of United Methodist Women, the conference president of United Methodist Men, the conference lay leader, district lay leaders, the president or equivalent officer of the conference young adult organization, the president of the conference youth organization, and two young persons under twenty-five (25) years of age from each district to be selected in such manner as may be determined by the Annual Conference. In the Annual Conferences of the Central Conferences, the four-year participation and the two-year membership requirements may be waived by the Annual Conference for young persons under twenty-five (25) years of age. Such persons must be members of the United Methodist Church and active participants at the time of election. Each charge served by more than one minister shall be entitled to as many lay members as there are ministerial members. The lay members shall have been for the two years next preceding their election members of The United Methodist Church and shall have been active participants in The United Methodist Church for at least four years next preceding their election.

If the lay membership should number less than the ministerial members of the Annual Conference, the Annual Conference shall, by its own formula, provide for the election of additional lay members to equalize lay and ministerial membership of the Annual Conference.

THE GENERAL CONFERENCE
THE UNITED METHODIST CHURCH

Resolution

(A resolution, "Affirming a Diversity of Language Usage in the United States and Opposing a Constitutional Amendment Making English the Official Language," which is commended by General Conference "to all Annual Conferences for promotion and interpretation.")

Affirming a Diversity of Language Usage in the United States and Opposing a Constitutional Amendment Making English the Official Language

The United States is a land whose inhabitants are enriched by diverse traditions, language, and cultures. While English is the commonly used or primary language of the country, there have always been other languages present throughout the history of the nation. Native American languages and Spanish were already spoken when the first English colonists arrived at Plymouth. Throughout that same history, there have been various efforts to prescribe the use of English and proscribe the use of other languages. These efforts sometimes resulted in legislation which had the effect of legalizing discrimination against various language minority groups. However, such legislation was eventually overcome by the constitutional principles of equal rights for all. The acknowledgement of English as the primary language of the United States does not deny the right and contribution of other languages or the inherent right of people to retain and speak their mother tongues.

In recent years there have been renewed efforts in different parts of the country to make English the official language of the nation. We are concerned that the movement to declare English constitutionally as the official language of the nation is not based upon any real need but, in fact, may be motivated by an effort to deny the pluralistic foundation of the country; and to deny the dignity and wholeness of persons from different racial and ethnic groups who rightly considered their languages an integral part of their cultures. We fear the real purpose of some may be not

so much to make English the official language of the U.S. as to make English the exclusive language of the nation.

For example, there is an English-only "movement" which has, with the last year, gained more national recognition. Organizations, such as "U.S. English" and "English First," continue gaining support through active national activities and local English-only campaigns. In addition to promotion of their principles through the media, they are also involved in various legislative and lobbying activities. Those include: efforts to pass a constitutional amendment making English the official language of the United States; opposition to federal legislation for bilingual education, voting rights bills, and the FCC licensing applications for Spanish language broadcasts.

These efforts and their implications are another manifestation of the systemic racism which has infected this country for generations. The English-only movement blames the deterioration of the American fabric on immigration and the use of languages other than English. It contends that the nations's unity rests upon the use of an official language. It defines multi-culturalism and multi-lingualism as "anti-unity." Consequently, the movement, if successful, could further discriminate and segregate the racial/ethnic population of the U.S. Essential information such as the 911 emergency telephone number, hospital emergency rooms, police, fire fighters, language services, bilingual education, and interpreters in the judicial system might be denied.

As Christians, we believe that we are children of God, created in God's image, and members of the family of God.

We believe that diversity is a gift of the creative genius of God and that languages are an expression of the wisdom of God;

We believe that competence in the English language is important to participate fully in the life of the United States, but that we also live in a global context, the global Family of God, where people and nations experience interdependency at all levels;

We believe that our nation needs to take advantage of the rich contributions that the ethnic/language groups bring to this country by preserving those languages and encouraging North Americans to learn other languages;

We believe that it is the will of God that each human being is affirmed as a whole person and that it is in the acceptance and interchange of our uniqueness that we find Oneness--total wholeness--Shalom;

We condemn the attempt to rob a person of his/her language as dehumanizing and as a denial of that person's wholeness;

We condemn the English-only movement as a manifestation of the sin of racism; therefore,

The General Conference shall:

1. Express in writing to the President of the United States its support for practices and policies which permit provision of information in languages appropriate to the residents of communities and its opposition to the movement which seeks to make English the only language of the United States, which movement is discriminatory and racist;
2. Forward this resolution to members of Congress, governors and the legislatures of the fifty states and territories;
3. Commend this resolution to all Annual Conferences for promotion and interpretation within the Annual Conferences; and
4. Ask that the General Board of Church and Society make this resolution an urgent item in their agenda for lobbying, constituency education and advocacy.

RESOLUTION
MEMORIALIZING THE GENERAL CONFERENCE

WHEREAS, the cost and complexity of the administration of the church at large is a great concern to United Methodists everywhere; and

WHEREAS, the same concerns exist on the Annual Conference level as well as the local church; and

WHEREAS, there is a continuing problem with local churches and Annual Conferences achieving their goals in terms of the

apportionments assigned;

BE IT RESOLVED that we send a petition to the General Conference requesting that there be no increase in the apportionments.

RATHER, that all levels of the church seek to achieve their goal of 100% payment of the apportionments already assigned with the end result a greater success, not only in terms of the total amount of money raised, for the work of Jesus Christ in the church, but also a better use of the stewardship of time, talent, and money.

BE IT FURTHER RESOLVED that this resolution be sent to the General Conference, the Council of Bishops, and the various Annual Conferences.

BISHOP W. MCFERRIN STOWE

January 28, 1913 - November 24, 1988

Bishop W. McFerrin Stowe became the Presiding Bishop of the Central Texas Conference in June of 1972 and gave eight years of dynamic leadership to it and the North Texas Conference which also was under his episcopal authority.

He was instrumental in establishing the Commission on Church Growth and Development with a full-time cabinet-level director. He encouraged and assisted in restructuring the annual conference organization into the present day form of our Conference Council on Ministries. He supervised a reduction of the number of districts from eight to seven in order to have a more efficient conference organization. He was an eager participant in the building of the Wesleyan Nursing Home in Georgetown. He was untiring in planning and bringing to a successful conclusion, a Pension Capital Funding Campaign which resulted in a reduction of the Conference's unfunded liability by a million and a half dollars.

Bishop Stowe was not one to make changes without reason, but he made many changes, for he lived up to his oft-quoted dictum, "No matter how well we are performing the Lord's work, there is bound to be a better way. Let's do the best we can while looking for and adopting that better way to do it."

He was a man of prayer, of disciplined Bible study, of commitment to Christ and His Church, and of compassion for individuals and all humanity. He took the spiritual responsibilities of his role seriously, always expecting great things from the clergy and the laity of the Conference, yet always demonstrating by his own example more than he called for from others. He had an amazing way of inspiring others to accomplish more than they would have dreamed possible.

Some of his words from the 1977 State of the Church address to the Conference indicate the breadth of his concern and the depth of his

devotion. "I want us to focus more and more on Bible study, the teaching and preaching of the Bible...I want us to become sensitized to the hungers and the hurts, the loneliness and the defeated condition of so many persons, and go, like Christ, to bring them face to face with love; to give them bread for their bellies and compassion and caring for each of them. ...I want us to become sensitized to those big problems of humankind that need the Spirit of Christ...freedom...human rights...stewardship of all of life."

The son of a Methodist minister, Bishop Stowe followed a family tradition of ministry. His grandfather and great-grandfather were Methodist clergymen, as were his brother and several uncles. In fact, there have been twenty-six of the McFerrin family who have served in the ranks of Methodist preachers.

A native of Franklin, Tennessee, he received his BA degree from Hendrix College, the BD degree from Duke Divinity School, and he earned his PhD at Boston University. He served the Alta Loma and Arcadia churches in the Texas Conference, and the Garden Villas church in Houston before becoming a staff member of the General Board of Education in Nashville. Subsequently, he had distinguished pastorates at First Methodist Church in Stillwater, Oklahoma, and at St. Luke Methodist Church in Oklahoma City.

He was elected to the episcopacy at the 1964 jurisdictional conference in Dallas and served eight years as bishop of the Kansas Area. In 1972, he was assigned to the Dallas/Fort Worth Area and served the following eight years until his retirement. From 1980 until June of 1988 he served as Bishop-in-Residence at Perkins School of Theology.

Bishop Stowe was chosen by his colleagues on the Council of Bishops to deliver the Episcopal Address on their behalf at the 1980 General Conference. Four of his books have been published by Abingdon, and another is awaiting final editing before publication. He was Program Chairman of the 1981 World Methodist Conference meeting in Honolulu, Hawaii, President of the Texas Conference of Churches, Chairman of the Board of Lydia Patterson Institute, and officer and member of countless institutions and organizations.

After a gallant three year battle with leukemia, Bishop Stowe died on November 24, 1988, in his 75th year. A celebration of his life took place at the Highland Park United Methodist Church in Dallas on November 28, 1988. Celebrants were Bishops Bruce P. Blake, O. Eugene Slater, Jack Tuell, Dwight Loder, and Kenneth Goodson, Reverend James T. Carter, Dr. Leighton Farrell, Dean James E. Kirby, and friends enough to fill and overflow the sanctuary. There was no interment, for in keeping with his preaching and his living, Bishop Stowe willed his body to the Southwest Medical College for research, serving God's people in death as he had served them in life.

FRED GEORGE BENKLEY

October 15, 1894 - March 5, 1989

Fred George Benkley was born in West, McLennan County, Texas on October 15, 1894. He died in a Cleburne, Texas hospital on March 5, 1989. His life spanned 94 years. Reverend Robert Lindsey and Reverend Quay Parmer conducted the funeral service on March 8, 1989 at St. Mark United Methodist Church in Cleburne. Interment was in Laurel Land Mausoleum, Fort Worth, Texas.

Fred married Carolena Emma Hovermann, August 15, 1920. On August 15, 1989, they would have celebrated their 69th anniversary. It was a long and happy marriage. From their union they had two sons; Fred George Benkley of Lexington, Massachusetts and Carl Robert Benkley of Duncan, Oklahoma. He is survived by Carolena, his sons, nine grandchildren and nine great-grandchildren. The Benkley family is a caring and supportive family.

When Fred returned from World War I, he knew God had called him to preach and also to prepare to preach. He earned the following degrees: A.A. from Weatherford College, A.B. from S.M.U. and an A.B. and B.D. from the School of Theology, S.M.U.

Fred was admitted to the Central Texas Conference in 1934 and became a full member in 1938. His service record lists twenty-six years of service in twelve churches and charges. The list is as follows: Granbury Circuit, Forreston, Evant, China Spring/Speegleville, China Spring, Riesel, Alvarado, Ferris, Handley, Bartlett, Clifton and Wortham. His beloved Carolena's health deteriorated to such an extent that he sought and secured the retired relationship from the Conference that he might adequately care for her. During the last twenty-eight years he lived in several places in Johnson County.

The Gospel that Fred preached was real to him and he wanted his church members and friends to have that same reality in their relationship with the Master. He was a faithful and dedicated minister.

DR. GASTON FOOTE

September 6, 1902 - February 25, 1989

The sanctuary was full when people came together to celebrate the life of Dr. Gaston Foote. Those who respected, admired and loved the man who served First United Methodist Church as Senior Minister for 21 years gathered to pay him tribute.

Dr. Foote excelled as a preacher, author and lecturer, and he was a minister who was very much a part of the lives of the members of his congregation.

Praising Dr. Foote, Dr. Barry Bailey said, "He was one of the outstanding preachers in the United Methodist Church, and he had the courage to speak out on unpopular issues, including racial and economic justice. "And," Dr. Bailey continued, "Gaston was just genuinely loved by people. He had a keen sense of humor and was delightful company."

In 1918 Dr. Foote enrolled at Southern Methodist University, where he worked his way through school to earn a Bachelor of Divinity Degree. Later, he earned his doctorate from Iliff School of Theology in Denver.

His ministry began in White Deer, and was followed by pastorates in Haskell and Amarillo. Then Dr. Foote went to Little Rock, Arkansas; Montgomery, Alabama and, in 1945, to Grace Methodist Church in Dayton, Ohio. It was from there that he came to First United Methodist Church in Fort Worth.

Dr. Foote's tenure at First Church is marked by numerous accomplishments, only a few of which are the construction of Epworth Hall, the transformation of an open court into what we now know as the Garden, the development of a community outreach program, the purchase of the northwest parking lot, the gift of Lyle Lodge, the purchase of a Reuter organ, and the construction of the Armstrong Children's Wing.

When Dr. Foote retired in 1972, an appreciation dinner, attended by more than 1,000 people was held to honor him and his wife, Lucy Lee. Mrs. Foote, always a partner in her husband's ministry, was also much loved by church members and friends. Of her, Dr. Foote once said, "She has been with me every step of the way."

The author of eight books, Dr. Foote also wrote a weekly column for the Fort Worth Star-Telegram for many years. His last book, titled More Footnotes, was published in 1986 and contains 150 of his columns.

Active in civic life, Dr. Foote was president of the Knife and Fork Club in 1954, and was a member of the Downtown Rotary Club and the Fort Worth Club.

He received honorary degrees from Texas Wesleyan College, now Texas Wesleyan University, where he delivered the Willson Lectures for two years and was a long-time trustee; Miami University in Oxford, Ohio; and Wilberforce University in Xenia, Ohio.

Dr. Foote served his congregation, his church and his city. He served in an exemplary manner, tirelessly and courageously. We extend our love and appreciation to his family and express grateful appreciation for his life.

JAMES N. JOHNSON

August 12, 1989 - December 24, 1988

James N. Johnson ("Bro. Jim") was born August 12th, 1918 to the late John O. and Gertie B. Johnson in Durant, Oklahoma, the ninth of ten children. At the age of eight years, Jim's parents moved the family in a covered wagon to Breckenridge, Texas.

In 1939 on December 20th he married Lillie Maud Martin from Haskell, and they started their beautiful life of forty-nine years together which netted them two sons, Larry M. of Albuquerque, NM and James N. of Campbell, CA and one daughter, Toni S. Kelly of Waco, TX; six grandchildren and four great-grandchildren.

Jim was a butcher in his early years. During World War II, he served in the U.S. Army, Pacific Theatre as a cook and military policeman. Upon his discharge from the Army, he returned to his family and his job as a butcher in Wichita Falls where he started attending Grant Street Methodist Church. In 1951, he felt that he could serve God and country more effectively by becoming a minister.

In mid-1951 he was accepted as a student minister in the North Texas Conference. From Midwestern University in Wichita Falls, he obtained his high school diploma through the GED program. He attended several colleges and universities in the North Texas area, culminating with his theological training through the Perkins School of Theology at Southern Methodist University in Dallas, Texas.

Reverend Johnson's appointments were: Spanish Fort Circuit, Joy Circuit, Adams Street Charge and Sanger Circuit in the North Texas Conference. Appointments in the Central Texas Conference led him to Breckenridge, St. Paul's Extended Ministry, Lake Worth, Valley Mills, Coolidge and Moody. He retired at the 1985 Annual Conference in Waco.

Upon their retirement, Jim and his wife, Lillie, moved to Colorado Springs, Colorado and became very active in the St. Paul's United Methodist Church there. In mid-1987 Jim's condition started to deteriorate and they felt that they would like to move to a warmer climate. He had been diagnosed as having leukemia in 1980, while in Coolidge. In May of 1988, they decided to move to Roswell, New Mexico, where they lived until Jim's death. As was stated by Monseigneur Mark Deering of Waco when told of "Bro Jim's" passing, "God received the best gift of all this Christmas - he got Jim."

ERNEST DUNCAN PIOTT

March 16, 1906 - March 10, 1989

Ernest Duncan Piott was born at Myra, Texas, March 16, 1906 into a Methodist family. One of his most cherished memories was ringing the church bell each Sunday for a call to worship for the community. After his graduation from Myra High School, he finished Wesley College, Greenville, Texas. He returned to Myra as a teacher and coach for two years.

He then enrolled at Southern Methodist University where he received his A.B. and B.D. degrees from Perkins School of Theology.

Ernest was pastor in the North Texas Conference and the Central Texas Conference for 40 years. Upon his retirement in 1973, he served as part-time pastor for 12 years at the Handley United Methodist Church in charge of pastoral care. In all of his ministerial responsibilities he was faithful, and understanding of other people's hopes, dreams and problems.

Ernest Piott was a growing person. He grew flowers and a garden each year. He gave his children the best education available. He has made it possible for others to have the best education available by endowing a scholarship fund that will give the succeeding generations a chance to grow and develop in mind and spirit. The world is a better place because of Ernest Piott's presence among us. His plans for others will be a real blessing down through the years.

The memorial service for Ernest Duncan Piott was held at the Handley United Methodist Church with Dr. Jim Abel, Dr. Bill Boyd and Dr. C.C. Sessions officiating.

He is survived by his wife Louanna of Arlington; a son, Joseph Ernest Piott of Seattle, Washington; a daughter, Mary O'Neill, of Lorena, Texas; two sisters, Oneita Hill and Adaline Blanton, both of Gainesville, Texas; and four grandchildren.

Burial was in the Fairview Cemetary in Gainesville, Texas.

LEVI STANLEY WILLIAMS

July 13, 1909 - June 27, 1988

Levi Stanley Williams was born July 13, 1909, the son of James Anderson and Perneace Williams. His place of birth was Young County, Texas. He was educated at Weatherford College, and Daniel Baker College, and was awarded the Doctor of Divinity degree by Texas Wesleyan College.

In 1935 he was married to Gladys Louise Banks, who preceded him in death in 1965. He is survived by a son and daughter-in-law, Stanley Carrol and Jill Williams of Midland, Texas; a granddaughter, Wendy Williams of Austin, Texas; a grandson, Stan Alan Williams of Midland; and a sister, Bernice Thomas of Weatherford.

He was admitted to the Central Texas Conference in 1935 and served for more than 42 years as a Methodist minister. Churches he served included Sipe Springs, Carbon, Alvarado, Dublin, Hamilton, Cleburne Main Street, Temple First, and Fort Worth Polytechnic. He served three terms as a District Superintendent, serving the Waxahachie, Waco, and Fort Worth West Districts. He also served as the Conference Director of Missions and Evangelism, and as the Superintendent of Retired Ministers Homes.

He was elected by his peers to represent the Conference to five General Conferences, and six Jurisdictioanl Conferences, leading the clergy delegation on three occasions.

Following his retirement from a long and productive service to his Master in the Central Texas Conference, he had lived in Hillsboro and Georgetown before moving to Midland where he died June 27th, 1988. A service of celebration and thanksgiving was held at First United Methodist Church in Temple on June 29th, 1988, led by Reverend Charles McClure and Dr. Jack Riley. He was buried in Waco Memorial Park, Waco, Texas.

With the passing of L. Stanley Williams, the Central Texas Conference has truly lost one of its giants, with his ministry having stretched over nearly half a century. Few have been held in such esteem by their colleagues as was Stanley Williams. His influence on the lives of lay and clergy alike will persist for some time to come.

MARGARET CARTER

March 27, 1907 - January 9, 1989

Mrs. Margaret Carter was born to the union of William and Mary Wright in Crockett, Texas.

She confessed faith in Christ at an early age and received her early religious training at Mayfield Baptist Church and attended The American

Baptist Seminary. She was a faithful member of Mayfield Baptist Church until her marriage to the late Rev. E. H. Carter, a Methodist minister. She then became a faithful and active member of the Methodis Church, serving in various capacities such as pianist, church school teacher, an officer in the United Methodist Women's organization, chair of the Committee on Education, and librarian.

As a member of the Morningside United Methodist Church, she was quite diligent in her mission. She was consistently present and loved the church very much.

Mrs. Carter was a member of the Ladies Delight Court No. 171 of the Heroines of Jericho where she served in many offices including Most Ancient Matron and secretary.

Mrs. Carter died on the night of Monday, January 9, 1989 in Fort Worth, Texas.

Barnes, Jr. of Los Angeles, California; one sister, Gladys Bell of Fort Worth; two nephews, Mr. T. L. Jordan of Fort Worth and Mr. W. C. Jordan of Dallas, Texas; and a host of other relatives and friends.

A service of celebration for the life of Mrs. Carter was held on Saturday, January 14, 1989 at 12:00 noon at Mayfield Baptist Church in Fort Worth. The Reverend Rick L. Hawkins officiated and offered the eulogy. Assisting Reverend Hawkins in the service were the Reverends Raymond Jones, C. W. Anderson, and James Caruthers.

MARY STELLA CONNELL

January 14, 1893 - August 1, 1988

Mary Stella Warren Connell, widow of Reverend William Lee Connell, passed away August 1, 1988 at age 95 in Forest Hill Nursing Center, Fort Worth, Texas. Her husband had preceeded her in death in 1963. Together they served in the ministry of the Methodist Church for forty-seven years. They were married in 1912 and served 27 churches until his retirement in 1952. They continued to serve in the Cisco District while living in the superannuate home in Cisco, Texas.

Possessed of many talents, both in music and in artistic ability, she made full use of them in church and home life wherever they were sent. With few material possessions but with great energy and determination, she did indeed, know how "to make a house a home". Her flower gardens were her joy and a true expression of her love of God and His creations. This poem, found among her effects, in her own handwriting although author is unknown, reads: "If thou of fortune be bereft and in thy store there be but left two loaves, sell one and with the dole--Buy hyacinths to feed thy soul".

Interment was on August 3, 1988 by the side of her husband in Laurel Land Memorial Park in Fort Worth with the Reverend Gary A. Lindley of Edge Park United Methodist Church officiating.

She is survived by two daughters, Dorothy McClister Wilkes and Juanita Heitman Avery, both of Fort Worth; a son, William L. Connell, Jr. of Dallas, Texas; five grandchildren; eleven great-grandchildren; and three great-great-grandchildren.

The Kupferle family and a large group of friends gathered at Overton Park United Methodist Church, Fort Worth, on Tuesday afternoon, April 18, 1989, to celebrate the life of Doris Gene Kupferle. Officiating ministers were Dr. Eugene B. Robertson and Dr. Richard E. Millsap.

Doris was born in Fort Worth, Texas on September 26, 1922 and died on Sunday morning, April 16, 1989, following a lengthy illness.

She graduated from Arlington Heights High School, Texas Wesleyan College, and Texas Christian University, all in Fort Worth, and had done extensive study toward her doctorate at North Texas State University in Denton.

She had been employed by the Fort Worth Public School system as a Supervisor/Diagnostician until her retirement in 1986. She was skilled in the area of special education and a specialist in the field of autism.

Doris and Nick met in the first grade, and on June 27, 1942, they were married. Their home was blessed with two sons: Nick H. Kupferle III of San Antonio and Holt Kupferle of Fort Worth. Other immediate family members include a daughter-in-law, Glenda Kupferle and one grandson, Nick H. Kupferle IV, both of San Antonio, and one brother, J. Douglas Bauer of Fort Worth.

Doris and Nick served several appointments in the Central Texas Conference: Austin Avenue, Waco; First, Corsicana; and Handley, Arlington Heights, Matthews Memorial and University, all in Fort Worth. They also served at Weatherford College; Southwestern University, Georgetown, and Harris Hospital-Methodist for the past twelve years.

Doris had a deep love for music. She directed children and youth choirs in churches where she and Nick served.

She was an active member of Overton Park United Methodist Church, where she served on the Children's Center Committee, as a member of United Methodist Women, and the Quester's Class. She was also active in the Harris Methodist Hospital Auxiliary and local, state, and national teacher's organizations. Doris was a person of deep faith and a delightful Christian!

"O blest communion, fellowship divine!
We feebly struggle, they in glory shine;
Yet all are one in thee, for all are thine!
Alleluia, Alleluia!"

GLADYS EUBANK SHULER

June 22, 1902 - August 1, 1988

Gladys Eubank Shuler was born June 22, 1902 in Whitney, Texas, the second child and only daughter among three children. She graduated from Whitney High School and attended Texas Woman's University. She received her permanent teaching certificate on July 25, 1925 and taught for twelve years in Hill County (eight years in Whitney).

She married the Reverend Phillip Lester Shuler on January 2, 1936 and spent the next 13 years as the wife of an active minister in the Central Texas Conference. Before his death in 1949, Gladys and P.L. served the church together at Alvarado, West, Ferris, Valley Mills, and Bangs, Texas. Her love for children, music, and the church flourished during this period and found expression in every community in which these two served.

Gladys enrolled in Daniel Baker College in the Fall of 1949 and served as matron of the girl's dorm and school dietician until the completion of her B.A. degree in May 1950. She then joined the Brownwood Independent School District, and was appointed as first grade teacher at North Ward Elementary until her retirement in the Spring of 1987. During this period, she actively served in this "ministry," and helped pioneer the Head Start Program in Brownwood and served as chairman of the first grade teachers in the Brownwood schools. She gave 32 years to the teaching profession. Of her work, the following was written:

> Mrs. Shuler is, and has been throughout her entire career, one of the most pleasant and cooperative teachers I have ever known. She is thoroughly appreciated by her principal and her colleagues. She has very genuine feeling for children and their needs and is adept at meeting them.

Gladys loved her two ministries of church and teaching. After her retirement from the public schools, she continued faithfully to serve her churches in Brownwood and Whitney, holding various positions in the church school, Administrative Board, and women's organizations. In addition, she was a member of Delta Kappa Gamma and the Order of the Eastern Star, having served as Worthy Matron.

She died August 1, 1988 at the Clifton Lutheran Sunset Home where she had lived since 1983. She is survived by one son, Philip L. (minister and teacher) of Abilene, Texas; four step- sons: James (minister in the Central Texas Conference) of Arlington, Texas; John (retired minister in the North Texas Conference) of Dallas, Texas; Bill of Pomona, California; and Bob of Brownwood, Texas; and one step-daughter, Helen of Paint Rock, Texas. In addition, she leaves behind three grandchildren, a host of very close friends, and countless former students who benefited from her work as teacher both in the school and the classroom.

JOSIE BELL VANDERPOOL

December 29, 1908 - December 30, 1988

Mrs. Josie Bell Vanderpool was the widow of Reverend LaRue Vanderpool. They were married on July 27, 1931, while LaRue was serving the church at Blanchard, Oklahoma. The following year they were transferred to the Central Texas Conference and served the following churches: Italy, Coolidge, Glen Rose, Hubbard, Bartlett, Fort Worth Trinity, Fort Worth Wichita Avenue, and Fort Worth College Heights. Due to failing eyesight, Reverend Vanderpool retired in 1957. After retiring, both he and Josie taught adult Sunday School classes at Polytechnic United Methodist Church in Fort Worth. After the death of her husband in 1970, Mrs. Vanderpool continued teaching an adult class at Polytechnic for several years.

Mrs. Vanderpool taught in the Fort Worth Public Schools for many years. When she retired, she was a biology teacher at R.L. Paschal High School. She was a wonderful teacher both in the public schools and in the church.

It was my privledge to know and work with LaRue and Josie both at Wichita Avenue and later at Polytechnic. Josie was interested in all of the young ministers of the Conference. We often talked about them and the churches they were serving.

As her parents Mr. and Mrs. Bell grew older, they came to live with Josie and LaRue in their home at 2910 Burchill Road in the Poly Area. In knowing them, I came to understand how she became such a gracious lady.

Through her work in the public schools and in the church, Mrs. Josie Bell Vanderpool touched many lives for the Lord.

She died on December 30, 1988. Services were held at Polytechnic United Methodist Church on January 3, 1989, with Reverend Hiram Johnson and Reverend Michael Phillips officiating. Burial was in the Annetta Cemetery near Weatherford.

KATHERINE ANN FRANK YOUNG

October 10, 1928 - March 11, 1989

Katherine Ann Frank Young was born on October 10, 1928 in Fort Worth, and died on March 11, 1989 in Grand Prairie.

Katherine graduated from the Fort Worth Public Schools and received a Bachelor's Degree of Music Education at Texas Christian University, where she met her husband, Robert. Katherine grew up in the Disciples of Christ (Christian) Church. Soon after becoming a Methodist minister's spouse, she told Bishop William C. Martin, "I was a Christian before I became a Methodist." Bishop Martin replied, "Young Lady I hope you still are a Christian." Katherine was, indeed, a committed Christian. She served with Robert in many churches in the Central Texas and North Texas Annual Conferences. She was a talented musician working mainly with children's music in their congregations.

Despite health difficulties throughout most of her life, she was an optimistic, cheerful, happy person. She was a person whom everyone enjoyed and all who knew her considered her a friend.

Katherine is survived by her husband, Robert E. Young of Fort Worth; her mother, Mrs. Monica Morris Montgomery Frank of Hillsboro; her sister, Mrs. Francine Conaway of Hillsboro; three children, Robert E. Young, Jr. of Dallas, Monika J. Young of Los Angeles and Rebecca Young Elder of Bedford, Texas; and four grandchildren, Christopher and Lacey Young of Dallas and Paige and Blake Elder of Bedford.

Katherine's outlook on life is symbolized by this poem which she wrote in 1986:

"I've known a whole lot of gravy in my life
Notwithstanding some turmoil and strife
When all is said and done, in the long, long, run,
I've known a whole lot of gravy in my life.

I've known a whole lot of chocolate sauce and nuts
Notwithstanding some "ifs" and "ands" and "buts"
When all is said and done, in the long, long, run,
I've known a whole lot of chocolate sauce and nuts.

I've known a whole lot of icing on the cake
Notwithstanding one or two heartbreaks
When all is said and done, in the long, long, run,
I've known a whole lot of icing on the cake.

I've known a whole lot of rainbows in my skies
Notwithstanding one or two good cries
When all in said and done, in the long, long, run,
I've known a whole lot of rainbows in my skies."

1.3.1 To equalize the number of lay and clergy members of the Annual Conference, the following will be members by virtue of the offices held: each district United Methodist Women's president, each district lay leader, each district United Methodist Men's president, each District Council on Youth Ministry president or designate and one additional youth officer appointed by the District Council on Youth Ministry, and conference board, commission, or committee chairperson who is a lay person not otherwise a member, the diaconal ministers of the Conference not otherwise members, and Jurisdictional Council on Ministries, General Council on Ministries and General Church Board and Agency representatives not otherwise members of Annual Conference; and one additional lay member from the charges of the Conference whose membership is above the number, set annually by the conference secretary required to equalize the ratio between clergy and lay members. This figure will be revised annually. 1.3.2 Each charge of the Annual Conference is responsible for defraying expenses of its lay and clergy members while in attendance at the Conference.

1.4 All matters to be presented to the Annual Conference which pertain to the work of one of the conference boards, commissions, committees, or councils before action can be taken by the Annual Conference, shall be reported back to the Conference for action prior to the close of the Conference Session, unless otherwise directed by the Annual Conference.

1.5 All papers, resolutions, obituaries and reports coming to the Conference, not included in the Pending Report book, must be typewritten in triplicate and two copies of said report must be in the hands of the secretary before they are presented to the Conference. Central Texas Conference Of The
United Methodist Church
Fort Worth, Texas

Members of the Council on Finance and Administration Central Texas Conference of the United Methodist Church, Fort Worth, Texas.

I have examined the Summary of Cash Receipts and Disbursements with Cash and Certificate of Deposit Balances, of Dr. Sidney Roberts, Secretary/Treasurer Central Texas Conference United Methodist Church, for the year ended December 31, 1988. My examination was made in accordance with generally accepted auditing standards, and accordingly, included such test of the accounting records and such other procedures as I considered necessary in the circumstances.

As described in Note 1, the Central Texas Conference policy is to prepare this summary on the basis of cash receipts and disbursement; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present results of operation in conformity with generally accepted accounting principles, since accounting principles require the accural of income and expense.

In my opinion, the accompanying Summary of Cash Receipts and Disbursements with Cash and Certificate of Deposit Balances referred to above, present fairly the recorded such receipts and disbursements of the Conference Treasurer for the year then ended, on the basis described in Note 1, which basis has been applied consistent with that of the preceding year.
