COUNCIL ON FINANCE AND ADMINISTRATION

Budgeted 2001 $1,950 *Requested 2002* $2,150

Report No. 1

1. Your Council on Finance and Administration wishes to thank the Churches of the Central Texas Conference for your continued faithful support of the mission and ministry of the Church beyond each of your communities. Three-hundred and four of our 321 Churches paid 100% of their apportioned mission and benevolence items. We received 96.19% of the total apportionments. Once again we were able to pay 100% of our General and Jurisdictional commitments. This maintains our place as one of the elite conferences of Methodism. In addition, the ministries of the Central Texas Conference, the support of our retired clergy, and the various programs that support your local ministries were funded at near 100% levels. Thank you for your support.
2. The Cabinet has submitted the following requests to CFA: In light of the unusually large increase in the apportionment for health insurance for 2002 which will likely result in the biggest increase in apportionments in recent years, the cabinet requests that the salary and support for the seven District Superintendents and the three Directors remain the same for 2002 as it is for 2001. This figure is $86,108.

   Further, the Cabinet requests that CFA consider changing the formula for determining cabinet level salaries beginning in 2003 to the following: the increase in the support and compensation figure for District Superintendents will be figured each year on the average percentage increase in the worksheet salaries of all the churches served by Elders in Full Connection serving as Senior Pastors of charges within the Central Texas Conference. Thus beginning in 2002 each February the percentage increase of the above mentioned churches reflected in the new worksheet as compared to the previous year will determine the increase in the cabinet level salaries for the following year (in this case 2003). The rationale for this is to allow the raises received by the cabinet to reflect more of the whole range of the conference salaries rather than to be based just on the top 25. CFA concurs with this recommendation and wishes to thank the cabinet for their sacrifices in a tight budget time.

   This amount is to provide for the district superintendent's expense for conference meetings and additional ministerial expenses in an accountable reimbursement plan, the district superintendent's portion of the conference health benefits plan premium, for an amount requested by each district superintendent to be excluded from salary and added to the district contribution toward housing allowance, and each district superintendent's salary. The line item amount for each of these is to be determined in consultation with and approved by the Council on Finance and Administration. It is required that the accountable reimbursement plan for the district superintendent's expense for conference meetings and additional ministerial expenses be established in accordance with Sec. 62 of the Internal Revenue Code (IRC). Also, any Housing Expense Set-aside, as desired by each district superintendent, shall be established in accordance with Sec. 107 of the IRC in like manner. Further, the Ministerial Pension Plan current service amount of 12% of the Denominational Average Compensation, billed directly to the conference, will be an apportionment to the districts.
3. The amount to be budgeted annually and apportioned to the conference for the support and compensation of the conference director of Stewardship, Finance and Administration, the director of the Annual Conference Council on Ministries, and the director of Church Growth and Development is to be the same as for a district superintendent. For the year 2002 that amount is $86,108. This amount is to provide for the additional ministerial expenses of each director in an accountable reimbursement plan, for each director's portion of the conference health benefits plan premium, for an amount requested by each director to be excluded from salary and added to the Conference contribution toward housing allowance and each director's salary. The amount of these line items in each director's budget shall be determined prior to the new fiscal year by the respective executive committee to which each director reports. Also, any personal Housing Expense Set-aside, as desired by each director, shall be established in like manner. An additional amount for vouchered, reimbursed expenses related to each director's office is also a part of the respective council's or commission's budget.
4. The district committees on finance are authorized to prepare budgets for presentation to the district stewards. An amount up to 10% of the support and compensation for the district superintendent may be included in the district budget to defray the utility costs of the district parsonage. In addition, an amount up to 10% of the support and compensation may be included in the district budget for the purpose of vouchered reimbursement of travel and business-related expenses. District budgets shall not include a discretionary fund, but may include a District Operations Expense item. The district budget shall be submitted to the Annual Conference Council on Finance and Administration for approval each year. The district stewards are authorized to apportion a Connectional Contingency Fund to be used for paying in full at the district level apportioned items which may fall short within the respective district. The Connectional Contingency Fund will be administered at the district level in the same manner as the District Work Fund. It is understood that if a portion of the Connectional Contingency Fund is not used in any given year, it will remain in the fund and future apportionment funds will be reduced. Any adjustments for unusual local church situations will be made in the apportionment of the Connectional Contingency Fund only. All other apportionments will be distributed to every local church on the basis of the decimal.
5. The council recommends that the total apportionment for the Texas Methodist College Association remain at the level as suggested by TUMCA, which is $1.50 per member. The Council also recommends the request from the Conference Board of Higher Education and Campus Ministry that the amount for the Wesley Foundation Fund be apportioned to the local churches on the decimal system and based on $1.79 for each church member in the Annual Conference.
6. At the end of each fiscal year unexpended unrestricted operation funds, less the amount needed to cover deficits in conference budget accounts, shall be transferred into the operating reserve and an accounting of

all operating reserve funds shall be made at each Annual Conference.

7. Each year the use of the unspent Contingency Fund shall be reviewed by the Council on Finance and Administration and the Bishop to decide if any amount should be used for Conference, Jurisdictional and General Church apportionments before going into the Operating Reserve.

Report No. 3
Reserve Funds

In order to establish a better system of accountability, the Council on Finance and Administration, following action of the 1991 Annual Conference, implemented the following management procedures for reserve funds beginning 1/1/92: (See *1993 Journal*, page 145)

a. The operating reserve is no longer treated as a contingency fund but as a cash flow fund.

b. A separate contingency fund has been set up to cover unbudgeted expenses with accounting of these expenditures to be made to the Annual Conference.

c. A contingency fund of $50,000.

d. The goal is a permanent operating reserve fund of 10% of the current budget to be used strictly for cash flow.

e. The operating reserve will be replenished by funds unused by the conference at the end of the year.

f. The authority for the administration of these funds rests with the Council on Finance and Administration pursuant to the *Book of Discipline* of The United Methodist Church and the Standing Rules of the Central Texas Conference.

Contingency Fund Policy

1. Expenditures will be made from the Contingency Fund under one of two circumstances:
   a. Unforeseen circumstances, unpredicted, unplanned for, emergency situations which could not have been foreseen by reasonable people and reasonable committees.
   b. Failure of expected income to support a budgeted expenditure.
2. The conference treasurer may authorize up to $250; the CFA executive committee may authorize up to $5,000 either in meeting or by phone; those over $5,000 must be authorized by the full board either in meeting or by phone.
3. No disbursement will be made without the authorization signature of either the conference treasurer or the chair of CFA.

Report No. 4

Beginning 6/1/96 the accountable mileage reimbursement for conference staff shall be the IRS rate. All others shall be reimbursed at twenty cents per mile for one person, twenty-three cents per mile when two members ride in the same car, twenty-five cents when three to six members ride in the same car, and thirty-five cents for seven or more members in one vehicle for necessary travel on conference business.

Report No. 5
PROCEDURE FOR MONITORING EXPENSES

The Council on Finance and Administration, through its Director, shall monitor monies received through the apportioned funds, and keep those Boards and Agencies receiving funds from the conference advised of possible shortfalls to enable them to adjust their expenses where at all possible in order for expenditures not to exceed actual income for the year. CFA will seek to work with Boards and Agencies to allow the maximum funding of ministries and programs without creating a deficit situation in the Conference Budget.

Report No. 6

At Annual Conference CFA will present a budget in which the bold type represents the totals of projected expenditures for each standing body of the Conference. NOTE: The supporting line items which comprise the total will be shown in light face italicized type. When the Conference approves the budget, it will be voting on the bold face figures only, with the supporting figures given for informational purposes. If occasion arises to meet unforeseen and unusual expenses, or to provide for emerging ministries that could not be known at the time of budget requests, a board or agency may seek CFA approval to shift monies from one line item to another in the light face italicized portion of their budget. In faithfulness to Standing Rule V.10 this procedure will not be used simply because a board anticipates some funds will not be spent.

Report No. 7

The conference, through the Property and Administration apportionment, has bought a surety bond to cover all of the laity in our churches who handle church funds. This means that if money is proven to have been stolen, or otherwise misapplied by a lay member and the church sustains a loss, there is a surety bond which will replace the money, up to $25,000, and the perpetrator will be prosecuted. However, there is a $1,000 deductible.

Report No. 8

In these days when churches are more vulnerable to being sued than they were in the past, and for a far wider list of causes, it is imperative that each local church be incorporated. Failing to be incorporated puts each of the members of the church in jeopardy. In addition to being incorporated each church must review its property and liability insurance coverage with consideration for areas of liability not only between church staff and members or guests, and not only between the church as an entity and whomever might happen upon the premises, but also for the area of liability of employer versus employee.

Report No. 9

By action of the 1999 Annual Conference, each new church start shall be apportioned 25% of what would be its apportionment, under Standing Rule, V, 4.0, for its first year after records are available, 50% its second year, 75% its third year and 100% its fourth year and thereafter.

ANNUAL CONFERENCE COUNCIL ON MINISTRIES
2001-2004 SPECIAL EVANGELISM INITIATIVE:
Igniting Ministry

New Item: 2002 $50,000

$50,000 to apply for matching fund grants in 2002

Igniting Ministry is an exciting new kind of evangelism that uses modern technology and the common language of television to spread the Good News of Jesus Christ to a world in need. It also precisely addresses several priority needs identified in the 2000 Conference Communication Audit: effective tools and training for evangelism, positive media exposure, reaching the unchurched and re-igniting the fires for ministry. This

national evangelism initiative was approved at the 2000 General Conference with $20 million in funding, a substantial portion to be devoted to matching fund grants to annual conferences and local churches. The purpose of Igniting Ministry is to proclaim the gospel through three primary goals:

1. Increase awareness and recognition of The United Methodist Church's mission primarily among 25 to 54 year-olds.
2. Foster among unchurched a positive feeling and a willingness to visit a United Methodist Church.
3. Renew a sense of commitment within United Methodists.

These goals will be accomplished with five coordinated efforts:

- National cable/satellite network TV spots will be the centerpiece of the campaign. They will be closed-captioned, and select spots will be produced for Korean and Spanish-speaking viewers. The overarching "brand" message is intended to make "deeper meaning" and "spiritual well-being" uniquely United Methodist.
- A study by George Gallup, Jr. and D. Michael Lindsay in 1999 states: "Two of the underlying desires of the American people at this time are to find deeper meaning in life and to build deeper, more trusting relationships with other people in our often impersonal and fragmented society. If these desires are sincerely and creatively addressed, the vitality of America's churches could well be the surprise of the 21st Century."
- Matching grants to annual conferences and local churches will enable regional and local placement of the spots on local broadcast television. UM Communication is providing $1 million in matching grants each year of the campaign for conferences and local churches. There will be three grant periods per year with up to $50,000 per applicant, per period. The requested $50,000 would be used for local network spot placements specifically in the Central Texas area.
- A Planning Kit will provide a practical "how-to" guide to help local churches sharpen hospitality skills and marketing efforts.
- Regional training will be held in 33 different places throughout the United States to provide practical training on welcoming skills and how to create a media presence in the local church community. The Central Texas Conference hosted a regional training on Saturday, June 2, in Waco.
- An important part of the coordinated efforts will be a web presence for seekers. Each TV spot will be tagged with a special website address that provides a way to search for any local church and information about The United Methodist Church. Every local church in the Central Texas Conference would be included on this search site.

UM Communications has hired a marketing firm to assist annual conferences in making wise spot buys in regional and local markets. Additionally, companion radio spots and newspaper advertising materials will be available in the local church planning kits, but are not included in the matching fund grants. The grants are solely to assist in the TV spot placements.

Report No. 1

Budgeted 2001 $36,450 *Requested 2002 $37,200*

We have completed the first year of the new quadrennium and are pleased with the enthusiasm and dedication with which our boards and committees are tackling their goals. Participation and attendance have been good for the most part, and we appreciate the manner in which clergy and laity are supporting one another in their specific tasks. A special thanks is extended to the chairpersons of these groups, who have exhibited strong leadership and resolve throughout the planning and budgeting process for 2002.

I am especially grateful for the ACCOM staff members who have assisted me in numerous ways over this first year of my chairmanship: Henry Radde, Annette Williams, Rachel Sandifer, Doug Vaughn, Mike Ford, Carolyn Stephens, Barbara Howard, Janet Wood, Susan Thornburg, and Christy Grant. Several of these individuals will be moving (or have already moved) on to new responsibilities, and we shall miss their ongoing involvement in the work of ACCOM. New staff persons, on the other hand, are joining us with the same determination that we not miss a beat in providing individuals and the local churches with information and any support needed to be successful in their various ministries.

Report No. 2

a. The Conference Council on Ministries office shall maintain the calendar for the annual conference events.

Report of the Executive Director of the Conference Council on Ministries

This past year has been interesting and full. We have started a new quadrennium with new membership and officers for our boards, commissions and committees. We have excellent leadership in place who also have a love for the Church as well as excitement about the ministries entrusted to them. Their creativity is also being developed as they have great dreams and then find that great funding increases are not available to support these dreams. This also helps us be even more aware of our stewardship responsibilities as we then try to find ways to do more mission and ministry without more money. This sounds a lot like the local church, doesn't it?

The vision of the annual conference is one that is both exciting and challenging. If we take it seriously, it will not let us do ministry as usual. So, let's do some unusual ministry with some unusual people! I am encouraged as I see more and more local churches doing this very thing.

Igniting Ministries will be an initiative that will also challenge and change us as we learn how to be truly welcoming to those currently outside the church. THIS IS THE EMPHASIS THAT CAN TRULY CHANGE LIVES AND CHURCHES! Plan on being active in training and preparation.

The Annual Conference Council on Ministries will begin the transformation to the N.O.W. (Nurture, Outreach and Witness Resource Ministries) model. This will be done to better align with the General Church in how we do ministry. This will also enable local churches to have better access to resources and information for organization.

The developing use of electronic ways of communicating and resourcing with each other is just beginning for our conference. Continue to give your suggestions of ways that the needs of the local church can be met in this new arena.

We have seen staff changes in the Conference Council on Ministries. We have sorrow in having excellent people move into other areas of ministry and work. However, they each have left a strong foundation for their successors and we have pleasure in knowing that our conference has enabled them to grow to the point of going on to other ministries. We have been blessed by their presence with us.

Rev. Bobby Cullen is off to a great start as our Mission Director. By the time you read this, we will have a new Director of Glen Lake Camp and Retreat Center. We are also fortunate to have Dr. Doyle Allen as Executive Director of Connectional Ministries giving leadership to the N.O.W. part of our conference council.

I've enjoyed (mostly) my five years of serving the conference and working with the fine staff people in the Conference Center. Continue to pray for and support each other as our conference comes into new ways of serving the same Lord.

Henry Radde - henry@ctcumc.org

Director of Glen Lake Camp and Retreat Center

The guest group calendar is growing more and more each year, requiring more staff to take care of the quick turnarounds between groups. The summer camps are at almost 100% occupancy with lengthy waiting lists even though housing has been expanded to accommodate more than ever before. Cooperative planning with CCYM and CTCYM has been improved and works extremely well, allowing a better quality experience for participants. The most important segment of the master plan, the family conference center, is still stalled as we try to fund the construction costs. 2001 is going to be a year of development activity as we try to make this last piece of the puzzle a reality. And the quality of summer camp curriculum and the training of top notch volunteers reflects the talents and hard work of the professional staff responsible for those areas.

For 16 years, I have had the privilege of working with and for the Central Texas Conference as your Camp executive. The opportunity to participate in watching the dream for Glen Lake become a reality has been a blessing. As we have grown and diversified, we have had the opportunity to expand staff to handle that rapid growth. In conversations about my leaving Glen Lake, the growth of new facilities and systems is most often mentioned. And, of course, we are all extremely proud of that segment of growth on the site. However, I am most proud of the staff that we have developed during this period of growth.

The stability of operations at Glen Lake are predicated on your staff. Of course, you want a long term commitment from the executive director, but the operations of the site depend on motivated, caring, well trained staff. When I began as director, we had 6 full time staff, 3 part time food service staff, and 6 summer staffers. We now have 15 full time staff, a full time food service director overseeing 10 to 12 part time staff, and 30 summer staffers. And, although the numbers show impressive growth, I am most proud of the quality and dedication of all of our staff. Most of our full time staff have 8 or more years invested in Glen Lake. They consider themselves processionals in the field, and Glen Lake continues to invest in them by providing training and continuing education whenever possible.

Glen Lake will be busy this coming year in performing the ministry to which it is called. The vision for the future is a vision shared by the staff. As I leave, I would reassure the CTC that a strong and dedicated staff will carry on as usual. The ministry is not defined by one person, but rather by the aspirations of this annual conference. Be assured that the staff of Glen Lake Camp are dedicated to a smooth transition and continued growth and change in the way that ministry is realized by our guests.

As I leave Glen Lake after 16 years of service, I am proud of all that we, together, have accomplished. How fortunate I have been to be in the right place, at the right time. To have seen our dreams for Glen Lake

come to fruition. Glen Lake has dedicated leadership from ACCOM and the Camps and Assemblies Committee, which has been instrumental in the continued development of Glen Lake.

Thanks for the privilege of leading Glen Lake, thanks for the many friends and volunteers without whom we could not have prospered, thanks for the many words of encouragement over the years. May God continue to bless the ministry, the guests, the staff, and the leadership of Glen Lake and the Central Texas Conference.

Report of the Director of Education

Like Sam-I-Am from the Dr. Seuss book "Green Eggs and Ham", we often don't like change, don't want change, and by no means want to try something different. There is a new wind a blowing and it has to do with being more responsive to the local church. General Conference approved a new structure for local churches and some local churches have embraced the new emphasis on Nurture, Outreach and Mission, while other churches are deciding what is best for their church.

But like the theologian Sam, we must keep trying to get a taste of the new until it is palatable. "So if anyone is in Christ, there is a new creation: everything old has passed away; see, everything has become new!" 2 Cor. 5:17 There are new areas of growth and opportunities to be in mission and ministry. From family ministries to leadership development to caring for God's children, these are concerns and emphasis for the new year.

We need to be reaching out in the world and nurturing local churches to be the voice and hands of Christ. We need local church leaders who are Spirit led and spirit filled, inspired by the joy that comes in knowing God and helping others to know God's power and love.

We look for a redefinition of who and how we as Council on Ministry staff can best relate to the local churches.

Report of the Director of Youth and Young Adults

This year has been awesome! The youth and adults of the Conference Council on Youth Ministry (CCYM), the adult workers with youth, the Glen Lake Camp staff, the Campus Ministers and the Board of Higher Education and Campus Ministry have all been on fire for on going and prospective ministries for youth and young adults within our Conference.

The participation for all of the retreats that are sponsored by the CCYM is continuing to grow. Networking between the adult workers with youth has been a slow process, but we are moving ahead and adding more fellowship opportunities. The August event for workers with youth, now known as Impact, also saw an increase in participation.

A small gathering of young adults took place this past year in September at Glen Lake Camp in an effort to rekindle an event that has taken place in previous years. The group that gathered is looking for a more ideal time to offer this event in hopes to see more benefit from the spiritual growth opportunities it will provide those young adults in our conference.

The ministry projection for Youth Ministries begins with a continuation of a dream that was sparked last year. At that time I mentioned that all of our retreats (Mid-Winters and Spiritual Life Retreats) were beginning to look and feel like the same events with different themes. They were rising to the level of our Spiritual Life Retreat model. I did not want to find us behind where Youth Ministry was heading so; I began to dream about what could be done to revamp these events. The dream is now more than a dream it is beginning to look like a great possibility and becoming a reality. The first events are slated to begin in November 2001 with a "new" Junior High Spiritual Life Retreat and in April of 2002 with a "new" Senior High Spiritual Life Retreat. New names, new formats, and even a new location for the Senior High event has begun to take place. Ignite 2002 is the Senior High event which will be a Youth Rally model held in the Waco Convention Center. The steering committee working on this event is hoping for 800 – 1000 senior high youth and adult workers with youth to attend. The junior high event does not have a name yet, but will be a smaller version of Ignite and be held at Glen Lake Camp. There is a possibility that we will use the Glen Rose Convention Center. The hope is that the camp will be filled to capacity and will grow as more facilities are opened at the camp.

I am looking forward to attending the Rivers of Faith conference, which is focusing on Adult ministries with a special focus on Young Adult ministries. With that training I hope to find a way to grow a yearly retreat for Young Adults, probably around the Christmas break, as well as growing "The Call," a spring break mission experience that was offered for the first time by the conference for young adults in March of 2001.

I will also continue trying to build the network of our adult workers with youth by starting fellowships in Waco, Waxahachie, Brownwood and Weatherford Districts during this year. I have also just recently begun to dream about having a training event for summer interns within our conference. I will be looking at the need of this event within our conference over the next year.

I find it a great honor to work with the ACCOM staff in resourcing youth and young adult ministries and I look forward to the challenge of another year.

Doug Vaughn - doug@ctcumc.org

Report of the Missions Director

It is great to be a part of a wonderfully successful ministry. Over the past seven summers (1994-2000) CTCYM has seen tremendous growth from 300 to 2100 participants during that time period. During the summer of 2001 we are expecting more than 2500 participants. Through mission trips we will be serving people across the state of Oklahoma with the Sr. High trip and people across our conference with the Jr. High trip. God calls each one of us to serve one another. CTCYM gives us the opportunity to put that call into action. Mission trips can be life changing events. Through service youth and adults grow in their faith and in their relationships with one another.

I am excited that I have the privilege of serving as the Conference Missions Director. I would be happy to

talk to your group about missions. I will come to UMW, UMM, district meeting, youth group, or any other gathering.

Bobby Cullen, bobby@ctcumc.org

Report of the Director of Communications

The metamorphosis of Conference communications began in earnest in January when the Director of Communications became a fulltime position and the newly formed Commission on Communication & Interpretation began acting on the findings of the Communication Audit of 2000.

The issues and concerns that emerged from the audit provided concrete evaluation and feedback from all segments of the conference as board and committee chairs and staff progressed through the visioning session last fall. Although not always identified as specific to communications, most of the resulting goals are, in fact, dependent on it.

Realizing this, the communication arm of the Council on Ministries has organized to accomplish several clearly defined objectives: explore the cost and implementation of electronically networking all local churches, districts and the conference; provide quantity discounts to local churches for equipment used in communication and worship; resource local church leaders through a monthly program/information magazine and an upgraded web site with e-discussion groups; produce informative videos for sharing connectional and issue-related information with local congregations; and resource and equip local congregations for multi-sensory worship.

The increasingly swift evolution of communication technology presents both challenge and opportunity for the conference as well as local churches. We will need to rely on creative management to overcome the frequent barriers of high cost and continual training needs.

I am particularly pleased to be involved with the four-year "Igniting Ministry" media campaign that will be launched in September with a nationwide Open House. Igniting Ministry is probably the most exciting new adventure for evangelism our church will ever experience, and the potential for making disciples for Jesus Christ is unprecedented. It also answers the frequent appeal we heard in the Communication Audit for help with evangelism —our local churches want evangelism tools and training and Igniting Ministry delivers them.

On June 2, our conference will host one of only 33 regional training events for local church Igniting Ministry teams. Rev. Stephen Schmidt, chair of the Conference Committee on Evangelism, and I have been trained to conduct this training for our districts and clusters of churches during the next four years. We urge every church to take advantage of this opportunity to hone your congregation's hospitality skills and to learn more about reaching and welcoming the unchurched.

It is an exciting time and a great honor to be involved with moving the Conference to new levels of communicating and new ways of resourcing local churches, and I look forward to a year of great achievements with Igniting Ministry.

B. Being a resource for the Camp for Children of Incarcerated Persons led by the Board of Global Ministries' Committee on Justice and Mercy Ministries (CJAMM).
C. Support and integration of the Central Texas Annual Conference Committee on Planning and Research's goals.
D. To continue to be available to the conference as a resource in discerning and disseminating information on pressing matters of social concerns throughout the conference through educational opportunities.

Tim Boeglin, Chairperson - epworth4@juno.com

1. UN/DC Trip
   Goal: To strengthen the conference's awareness of the important national and global matters that impact the church and society.
2. Advocacy and Education

As United Methodist we value the sanctity of human life, and desire that no human being executed by capital punishment; and

attorney, nor had any state met standards developed by the American Bar Association (ABA) for appointment, performance, and compensation of counsel for indigent prisoners,

THEREFORE BE IT RESOLVED, that we in the Central Texas Conference call upon our Governor to impose a moratorium on the death penalty until this state and nation implement policies which address offender accountability and the rights of victims.

BE IT FURTHER RESOLVED, that Central Texas Conference commit itself to restorative justice by:

- Encouraging individuals and churches to donate time and money to death row prison ministry.
- Praying and providing services for death row prisoners and their families.

Board Of Discipleship

Budgeted 2001 $41,600 *Requested 2002* $42,975

The year 2000 has been an exciting challenge for me as chairperson of the Board of Discipleship. Serving as vice-chair over the past four years was an opportunity to learn how some of the workings of the board go together, but not all. New committee members reporting for a new four-year period, pulled together and learned what must really happen. The board committees have worked hard in aligning and preparing their goals and budgets for 2002. Their goals strive to address concerns and key issues voiced through the Communication Audit and emerging key issues facing our conference from the Committee on Planning and Research, "Shaping a Vision" Retreat.

The board is excited with all the opportunities and possibilities of sharing the Good-News and Making Disciples for Jesus Christ, as "WE JOIN OUR NEIGHBORS AROUND GOD'S TABLE", during the years to come.

Pray for the leaders of this conference, as they lead the local church in so many ways helping provide ministries touching so many lives.

The Central Texas Conference Council on Youth Ministry (CCYM) spent the 2000 conference year learning, growing and showing Christ to others. CCYM has worked hard in order to provide opportunities for youth and adults to grow spiritually.

The CCYM continued to plan and present events for the youth of our conference. In February, at the four Mid-Winter Retreats, over 1100 youth and adults were able to come together in a time of fun and fellowship. The annual Senior High and Junior High Spiritual Life Retreats increased in numbers of participants, giving youth in our conference a chance to come together and learn about Christ through each other's sharing. The CCYM got the chance to attend the Jurisdictional Youth Ministry Organization Convocation at Mount Sequoyah. This event provided great training and many opportunities to learn and work together. Our conference is also sending a youth representative to the 18th World Methodist Conference in Brighton, England

in July.

We as a Council also decided to make connections to those churches in our districts that are not involved, especially of those that are of Ethnic Minority. In 2000 we raised over $3,200 for the Youth Service Fund.

We would like the Annual Conference to approve the changes notated below in the CCYM By-Laws. Changes are noted by strike-through and bold print.

We feel that these are excellent endeavors and are pleased with both the response to them and their impact on those who participate.

The Walk to Emmaus

The Walk to Emmaus is an inter-denominational spiritual renewal program intended to strengthen the local church through the development of Christian disciples and leaders. The Walk to Emmaus experience begins with a 72-hour short course in Christianity, comprised of fifteen talks by lay and clergy on the themes of God's grace, disciplines of Christian discipleship, and what it means to be the church. The course is wrapped in prayer and meditation, special times of worship and daily celebration of Holy Communion. The "Emmaus community," made up of those who have attended an Emmaus weekend, support the 72-hour experience with a prayer vigil and other acts of love and self-giving. The Emmaus Walk begins Thursday evening and concludes Sunday evening. Men and women attend separate weekends.

The Upper Room of The United Methodist Church sponsors the Walk to Emmaus. The Upper Room and The Board of Directors of the Central Texas Conference Walk to Emmaus have signed a letter or agreement to conduct Walks in this annual conference. The Emmaus Board of Directors is composed of 18 lay members and 6 clergy members elected annually by the Emmaus community.

During 2000 the Emmaus Board hired a full time Emmaus Administrator to assist the Board in conducting the activities of Emmaus. A standing committee of the Emmaus Board administers Chrysalis, the youth version of Emmaus. During 2000, 883 men and women attended a Walk to Emmaus event. Over 6500 men and women have attended one of the 186 Walk to Emmaus events conducted in the Central Texas Conference since it began in 1987.

Hold teleconference event via satellite on the importance of small group ministries.

Help local churches become more visitor friendly.

The Central Texas Conference Committee on Evangelism is excited about the prospects for continued growth in our annual conference. One of the primary tasks of our committee in the new quadrennium will be that of training and preparing local congregations for effective outreach in their communities. We will work with the Commission on Communication and Interpretation to enable churches in our conference to take advantage of the Igniting Ministry media campaign that will be launched in September of this year. Our committee will focus on helping churches create a friendly, welcoming environment for visitors that will be drawn to their church as a result of this media campaign. We will accomplish this task by holding training sessions in each of the seven districts in our conference.

The Committee on Evangelism has a concern for those in the bounds of our annual conference who remain unchurched. We hope that every church will regain a passion for the lost souls of our society. It is our desire to help congregations discover ways to reach out to these individuals, get them involved in church, and ultimately lead them to Christ.

As always, the Committee on Evangelism will support the work of the Commission of Church Growth and Development in starting new churches in growing communities throughout the Central Texas Annual Conference

HARRY HOSIER COMMITTEE

The Harry Hosier Event was held in Arlington and was the primary event of the 2000 committee. Mark Winter, our Conference Evangelistic, lead the event and several churches participated in a songfest of worship. This is a great event and should be better attended by our conference. The conference-wide event strives not only to honor the memory of the great African American Lay Preacher, Harry Hosier, but also to affirm our present day servants in lay ministry of the Central Texas Conference. The previous Harry Hosier committees are to be commended for their efforts in keeping the ministry of Harry Hosier alive in our conference.

Plans for 2001 and 2002 include the continued sponsoring of some Harry Hosier Events to celebrate our history and encourage lay persons to continue serving in the ministry of Jesus Christ. Our plan is to continue offering the Harry Hosier Scholarship Award to lay persons who desire to grow in faith and discipleship, as they fully participate in the ministry of the church.

Looking to the future, our committee is faced with continued opportunities and challenges to lead and educate our local churches in a deeper understanding of our stewardship and connectional responsibilities as being good stewards. Being part of the Methodist connectional system allows us to do bigger and greater things together as the Body of Christ.

Our goal over the next four-year period will be to help lead our local churches in a time of Stewardship Awareness. Working with the Central Texas Methodist Foundation in developing a plan to train Lay Speakers and other Laity who have a deep call and commitment for stewardship in their hearts to lead our local churches in Stewardship Awareness studies and messages.

Board Of Global Ministries

Budgeted 2001 $145,000 *Requested* 2002 $147,900

The new quadrennium of The United Methodist Church comes with a new century and a new millennium.

In these days of new technology, information can be sent, received and processed in milliseconds making a blink of the eye seem like centuries.

Yet in this fast paced world, human suffering and need continues to exist and at times it too moves in upon people with unrelenting quickness that results in tragedy and pain.

The challenge of the Board of Global Ministries is to work toward alleviating conditions that oppress God's people, and when those conditions cannot be alleviated it works to provide relief, comfort and hope.

The Board of Global Ministries for this quadrennium is prepared to accept this challenge through a wide variety of ministries and service to the people within the boundaries of the Central Texas Conference and beyond into the world which John Wesley claimed as his parish.

We ask for your support and prayers as we seek to touch lives for Christ through Christ in the year to come. Let our prayer be:

Lord grant me the serenity to accept the things I cannot change; The courage to change what I can, and the wisdom to know the difference. Amen.

COMMITTEE OF JUSTICE AND MERCY MINISTRIES

Proposed Program:

Camp (summer) for Children of Inmates

Goals: To establish an annual summer camp for children in general; To design summer camp by age group; To establish a church for released inmates; To provide a clothing program for families when the inmate was the breadwinner; Continue to encourage pastors and local churches to become involved with prison ministry.

The Restorative Justice Committee set up goals for all pastors, district superintendents, and district churches to make us aware of the plight of inmates in our prisons and their families. Our goals for each pastor:

1. Visit a prison this year
2. Become a spiritual advisor to an inmate
3. Preach a sermon on Restorative Justice
4. Form a Criminal Justice Team Leader in each church

Our goals for each District Superintendent:

District Minister's meeting emphasis on Restorative Justice once during the coming year

District Lay Speakers Training on Restorative Justice.

At last year's Annual Conference we were privileged to receive half of the conference offering to help us develop a summer camp for children of offenders. We have struggled with committee attendance to help facilitate this goal. However, we have on our committee two members who have had direct involvement with a summer camp program for this. One member, Jeff Curtis, was a committee member on the Oklahoma Conference's camp. Oklahoma Conference leads the way in this ministry and even employs a full time person for the committee. (That many become one of our long term goals.) We are still working on this camp program and hope to have it implemented soon. The camp will most likely cost more than what we have received to date, but the generous amount will help us get started.

We also support the Kairos Ministry program within our conference. As a result of this ministry, we have become acutely aware of the overwhelming need for assistance to the Christian inmate upon release to find employment, a suitable place to live, clothing, and the basic necessities as well as helping them change their prior friends. Some Kairos members are forming a group called the "Fresh Start Ministry" which is designed to address this problem.

Members of the Restorative Justice Committee have been assigned as speakers to the various districts. Our committee also awards the *Newgate Award*, which is given at Annual Conference to the lay or clergy person who demonstrates the greatest "hands on" ministry to inmates and/or prisons.

4. Scholarships for Deaf/Hard of Hearing Persons
   Goal: To provide scholarships for Deaf/Hard of Hearing Persons to attend Jurisdictional meeting of The United Methodist Congress of the Deaf.

The committee has the responsibility to motivate the district's local churches to be in ministry to persons and their families who are effected and affected by disabling conditions. We have offered training and materials on development of related ministries that promote attitudinal and architectural accessibility.

DISASTER RESPONSE COMMITTEE

Proposed Program:

Conference Disaster Response Program
Goal: To locate persons who are motivated to fill county/district positions, develop contact relationships and serve as a liaison to all involved.

As seen in Fort Worth, Jarrell, Lake Whitney, and White Settlement our conference has been anything but immune to disasters this past year. The problem, though, is that such disasters are localized, thus a heightened, general awareness and desire for adequate disaster preparedness is mostly reserved for parochial regions which have recently gone through such hardship. Contrasting such conference-wide disasters as Hurricane Andrew or the floods in Grand Rapids, our conference finds no pressing impetus to anticipate or be prepared for such large response, relief, and recovery efforts. Thus, a dilemma is created. Everyone wants to be prepared if a disaster were to strike, yet most seem to find such adequate preparedness tedious and inconsequential. It is in this context then that our conference is moving its disaster response program toward a more localized, lay driven structure, with highly motivated district and county leadership.

The long-term goal is to organize our conference around several highly motivated individuals, who in turn will have full connection into the non-Methodist disaster response channels. Without proper motivation, quite simply, our conference will most assuredly be unprepared for adequate ministry during and after disasters. With motivated individuals in positions of authority though, they will bring relevant information and non-Methodist relationships into the equation, which in turn should make our response much more efficient and effective, while avoiding negligence, overlap, or excess frustration. Although it is not yet fully determined as to the final breakdown, such individuals will be responsible for developing contacts within their given district counties, and they should be available to aid their corresponding districts in distribution of information (i.e. emergency contacts within counties, available volunteer and non-volunteer agencies), organizing with conference leadership a localized response plan, working as a liaison to district and conference contacts, etc. A county-structured, localized, yet also conference-connected system is the goal, and the engine behind that goal will be these properly motivated, informed, and trained individuals who are all ready to help churches respond to disaster at a moments notice. It is in this context then that our Disaster Response can basically be divided into the following categories: (1) recruitment; (2) training; (3) promotion, both district and occasionally conference-wide; and (4) maintenance. It is the hope that such activities will result in efficient and more substantive ministry for workers during disaster response, relief, and recovery, while necessarily those who are being ministered to might experience the full love, hope, and grace of God even in their tragedies.

In February 2001, the churches of the Central Texas Conference collected and shipped by truck to the UMCOR Sager-Brown Depot in Louisiana, approximately 6,350 health kits to be used by displaced earthquake victims in India.

Proposed Programs:

1. Cooperative School of Christian Missions
   Goal: Increase attendance and encourage more inclusive participation by offering CEU credits for clergy attending the school, advanced Lay Speaking credits and to target participation by men as part of the publicity. The amount requested represents an increase which is suggested to be directed toward scholarships for those needing financial assistance.
2. Missionary Itineration and Recognition
   Goal: To provide for uncovered expenses for missionaries who are visiting local churches while on leave as well as any costs associated with their annual conference recognition
3. Fall Training
   Goal: to provide leadership for a class at Fall Training which would challenge local churches to become more involved in mission outreach and advance specials.
4. Information sharing and Communication (Administration)
   Goal: To dispense information to local churches regarding all aspects of missions and the advance.
5. Training/Sharing of Information with District Secretaries

on how best we can be conduits of information to local churches.

6. Advance Specials Participation
   Goal: To provide local churches with information about advance giving.
7. Mission Involvement
   Goal: To increase awareness of the diverse types of mission work opportunities, full and part-time, available through the United Methodist Church.

In addition, each church is requested to take the One Great Hour of Sharing Offering in March to undergird disaster relief funds for UMCOR, and a "Thanksliving Offering" in November to help alleviate world hunger.

The year 2000 was highlighted by another successful Cooperative School of Christian Missions. Our efforts to be more inclusive was made evident through an increased need for scholarship assistance which was addressed in our budgetary planning for school expense in 2002. We hope to realize continued growth and participation by all our churches.

In addition we were pleased to be able to provide $2,400 in scholarship aid to students attending John

Wesley Seminary in Mexico. Though the need is much greater, we were pleased to be able to provide the aid we did.

As we plan for the year 2002 we hope to be able to provide needed information to local churches that will challenge them to a greater participation in mission outreach and advance specials.

A Miracle

Aldersgate Enrichment Center has had a challenging, yet great year. In a period of time when the industries we contract with are faced with downsizing and looking for ways to minimize their costs, this in turn encourages us to look for other creative ways to earn income to support the Center. God has been in charge from the beginning and He is in charge now. He has done it again. Every time we think that there is no way we are going to make it, something (read God) steps in and takes care of things. If anyone does not believe in miracles and wants to, just watch Him in action at Aldersgate.

Our residential home is full with six men and three women. Early last year two of our day workers, who were living with their mother in Brownwood, had an emergency. Mom had a stroke and was no longer able to take care of them. They had nowhere to go and were in a real bind. Aldersgate stepped in, changed the configuration of the home and moved them in. Flo and Phyllis now have another family to take care of them, their Aldersgate Family. This is the reason we are here. We have grown in the number of Associates this year because we are expanding the jobs we are doing.

Every morning, we begin the day with devotions. This is one of the most inspirational times of day. All our people worry about others and are constantly lifting them in prayer. One of the best leaders of devotions is one of our own Associates. Anthony has been with us about four years. He is a true man of God and is always available to talk to Associates and staff about how much God loves them. His prayers are from the heart and brings tears to all those who hear them. Sometimes we ask, "who is the real handicapped person"?

We say goodbye to a real friend this year. Georgia Allen is moving to a new appointment in Fort Worth. She has been with us for nearly 8 years and has become a real part of the Aldersgate family. She is loved by all and will be missed by each of us. She was sent by God. We wish her the best in her new assignment.

Aldersgate is a place where these special people are made to feel wanted and loved. Do you know anyone who needs our love? We invite all of you to come and visit our special place where miracles happen.

Report No. 1
Harris Methodist Health System – Celebrating 70 Years of Service

Harris Methodist Health System entered a new millennium by celebrating 70 years of service to the people of North Central Texas. Harris Methodist Fort Worth Hospital opened its doors in 1930. Over the years, the system has experienced great change: joining with Presbyterian Healthcare Resources hospitals and Arlington Memorial Hospital to form Texas Health Resources; adding facilities; acquiring amazing technological advances; and, increasing its geographical service area. But, one thing has remained constant over the past 70 years – the commitment and dedication of thousands of Harris Methodist Hospitals' employees to provide programs and services that improve the health care of the people who have come to depend on the Harris Methodist name for their health care needs.

Report No. 2
Harris Methodist Hospitals Focus On Their Strength – Patient Care

2000 was a year of focus for the Harris Methodist Health System. The Harris Methodist Hospitals focused on their core business of health care delivery. This focus was strengthened as the Harris Methodist Health System cemented its position as a founding member of Texas Health Resources, the largest non-for-profit health care system in Texas.

The sale of the Harris Methodist Health Plan to PacifiCare of Texas was finalized on February 1, 2000. In December 2000, the University of Texas Southwestern Medical Center purchased St. Paul Medical Center from Texas Health Resources. St. Paul had joined the Harris Methodist Health System in 1995. The sale insured St. Paul's continued role as a Catholic health care provider and brought the hospital into a closer working relationship with UT Southwestern and Zale Lipshy University Hospital.

Texas Health Resources and its founding sponsors have focused on the basics of patient care, operations improvement, strategic planning and strengthening relationships with the physicians on the hospitals' medical staffs.

Report No. 3
Recognized For Quality While Striving To Meet The Communities' Needs

The Harris Methodist Hospitals continued a long tradition of being recognized for the quality of their

services by receiving several honors. Harris Methodist Fort Worth received the Quality Choice Award from the National Research Corporation. Harris Methodist Southwest was selected as a Top 100 Hospital in the South West division by HCIA and Mercer Health Provider Consulting. The trauma service at Harris Methodist Fort Worth was verified as a Level II Center by the American College of Surgeons and by the Texas Department of Health (TDH). Harris Methodist HEB Hospital received the Commitment to Quality Award from the HEB Chamber of Commerce. Harris Methodist Walls Regional Hospital received a Level IV trauma designation from TDH. The cardiovascular program at Harris Methodist Fort Worth was recognized as a participant in the Heart Care Partnership Program by the Texas Medical Association and the American Heart Association, Texas Affiliate. In addition, HMFW's heart program was cited by the Texas Medical Foundation as a benchmark facility for indicators that reflect quick initiation of thrombolytic clot-busting drugs to heart attack patients.

Report No. 4

Improving The Health Of The Community By Reaching Beyond the Hospitals' Walls

Throughout its 70 years of service to North Texas, the Harris Methodist Health System has always looked beyond the walls of its hospitals to serve those needing care. The past year is filled with examples of this commitment – a commitment demonstrated day-in and day-out by Harris Methodist Hospitals' employees, physicians, volunteers, trustees and friends. Here are just a few examples of how Harris Methodist Hospitals reached out into the community:

- Thanks to a $5,000 grant from the Harris Methodist Fort Worth Auxiliary, the hospital sponsored "Shattered Dream," a project of CRASH – Communties for Responsible Automobile Safety Habits. This program brought the cold hard facts of automobile safety to thousands of high school students in Tarrant County.
- Harris Methodist Erath County Hospital, through its Community Health Council, identified a need to provide prescription medications or inhalers for children suffering from asthma and a need to provide transportation to those needing health care services.
- Harris Methodist HEB Hospital sponsored its 16th annual Benefit Run to benefit the Blue Bonnet Cancer Camp.
- Harris Methodist Fort Worth sponsored its second annual cancer caregiver's conference "The Gift of Humor".
- Harris Methodist Southwest Hospital introduced the Ha-Has, a group of employees whose goal is to help patients recovering in the hospital by providing humorous visits. The founder of the Ha-Has, a respiratory therapist and director of the hospital's cardiopulmonary neurodiagnostics department, accompanied Dr. Patch Adams and a group of health care humorists on a visit to hospitals in China.
- Harris Methodist Walls Regional Hospital purchased a mammography unit thanks to a $20,000 donation from its volunteer auxiliary.
- Harris Methodist Fort Worth provided a prostate cancer screening for high- risk men at St. Stephens First Baptist Church in Fort Worth.
- Harris Methodist Northwest Hospital hosted a cancer awareness day that provided a variety of cancer screenings to the community.
- Harris Methodist Walls Regional Hospital immunized more than 5,000 children in the Shots for Tots program and provided breast cancer education to almost 1,000 women in the community.
- Harris Methodist Fort Worth unveiled a new mobile health unit that will take mammography and clinical exam services into the community. This is the second mobile unit sponsored by the hospital.
- Harris Methodist Hospitals co-sponsored the second annual Hispanic Wellness Fair in Fort Worth. More than 3,700 residents visited the fair. Some 40 hospital employees and volunteers manned 15 information and health screening booths.
- The Harris Methodist Fort Worth Auxiliary provided $2,500 scholarships for study in health care related fields to 15 students.
- Harris Methodist HEB Hospital received a grant from the Harris Methodist Health Foundation to fund the Teen Court project.

Report No. 5

Build It Because They Are Coming To Us For Their Health Care

Nearly every Harris Methodist Hospital saw record inpatient volumes, outpatient encounters and emergency room visits in 2000. The result was significant capital investment in facilities to keep up with the demand. Work continued at a fast pace on the new 98,000 square foot, five-level Bloxom Critical Care Tower. The Bloxom Tower will include a 20-bed trauma intensive care unit, a 22-bed neuroscience intensive care unit, a 22-bed medical-surgical intensive care unit and a 10-bed assessment and observation area for women and infant care. Harris Methodist HEB Hospital opened the Siratt Women's Center on Mother's Day. Harris Methodist Southwest Hospital received a $499,800 grant from the state of Texas for construction of a free-standing education center. The Volunteer Auxiliary at Harris Methodist Walls Regional Hospital pledged $70,000 to renovate and expand the Physical and Occupational Therapy department. The Harris Methodist HEB Hospital Auxiliary pledged $400,000 toward construction of a new radiology department. Harris Methodist Walls Regional Hospital broke ground for the Cleburne Cancer Center.

Mission Statement: ***"To express God's love by providing superior services that protect, support and enhance the lives of children, youth and their families."***

Report 1.

We are grateful for the support of the Methodist Children's Home by the churches of the Central Texas Annual Conference. Through your investment in our ministry, every day you are involved in the care of many children, youth and their families. During our years of caring for children, the support of the local United Methodist congregations has been the foundation for our program of care and compassion.

Through the years, we have changed our programs to meet the changing needs of society. Our ministry today consists of residential group care, structured group care, Boys Ranch, foster families, partnership in parenting and college and vocational education. We feel these programs are most needed today to serve the children and families being referred to us. Our structured program has been very successful in helping us to serve the more disturbed young person who is coming to us for care. We have remodeled facilities to care for the educational program connected with the structured program.

Special programs and skills are needed to care for our residents today. It takes a competent and caring professional staff to provide these programs and skills. At the same time, we have increased our services to the family while their children are in care. We provide these services in a caring atmosphere based on our Christian convictions and our United Methodist heritage.

Our services are more expensive today and we are mindful of our stewardship responsibilities as we represent you in this ministry. We urge you to continue to make your congregations aware of their ministry at the Methodist Children's Home. We are confident that we can render superior services and maintain our reputation as the premier child-care agency of the United Methodist Church.

Report II. How You Can Help

Contact the Methodist Children's Home if you have any need for our services in Waco at the address above.

Help us promote one Sunday set aside in every local church for the Methodist Children's Home December offering. Information, brochures and envelopes are provided by the Home upon request.

Contact Cindy Vanover, Vice President for Development, when individuals indicate consideration of the Home in making long-range giving or charitable estate planning.

Please do not hesitate to call upon Dr. Jack Kyle Daniels, President, for any needs you might have related to Methodist Children's Home.

UMC Local Church Gifts.....10%
Non-UMC Gifts, Grants, Other 31%
Mission Statement: Our mission is excellence in placing children into loving, adoptive homes, and assisting people who are deaf/hard of hearing -- or have other disabilities -- to achieve independence.

What makes the MFRS ministry so unique? From our unusual beginning (founded in 1895 by a brothel owner turned Christian!) until today, MFRS has been unique.

Family Services works with birth parents and adoptive families to assist in the adoption process. We offer infant, older child, and international adoption options. MFRS was a leader in the adoption field in promoting open adoptions. Today, we are one of the few adoption agencies in Texas that offers residential housing for maternity clients in need.

Rehab. Services trains adults with disabilities to learn to live on their own. By providing job readiness, work training, and life skill training, we help adults lead independent, self-sufficient lives.

We believe MFRS is the only program IN THE NATION to offer adults with disabilities a complete array of job training, and life skill training in a residential setting. And we are one of the few to serve all disability groups, while specializing in serving the deaf/hard of hearing community.

The United Methodist Church may be the only denomination in the country that has an agency which offers the array of services offered by MFRS.

2000 IN REVIEW

Like many of the 106 years in our history, 2000 proved to be a year of great change, as well as challenges. In March of 2000, an earlier than usual budget crisis left the staff and Board of Trustees looking for ways to continue our mission. In early April, Rev. Gina Symons, MFRS Chaplain, led the staff in prayer, asking God for guidance and wisdom, and thanking God for steering the agency through its century-old history.

We are happy to report that during the last eight months of the year, our programs saw significant turnarounds! Highlights include:

- In December, Rehab. Services **recorded its biggest monthly total client service hours** ever;
- Rehab. Services is currently serving 50 residential clients, an increase of 70% since last year;
- Family Services placed 45 infants into loving, adopting homes this year, a 30% increase from 1999;
- Family Services had 35 new applications from families wanting to adopt, a 40%+ increase from 1999;
- We counseled and helped more than 225 birth parents in 2000;

- The Campus Ministry Program continues to present the Good News to all that we serve. In 2000, we held the fourth annual "Walk With Jesus," a spiritual retreat for deaf clients.
- More than 20 youth groups from Texas and the Southwest contributed thousands of volunteer hours through mission projects on campus.

FREQUENTLY ASKED QUESTIONS (FAQs) ABOUT MFRS:

Does MFRS receive apportionment funds from Annual Conferences? No.

How are you funded? MFRS does receive a percentage of funding from fees for services. Families wanting to adopt an infant, pay an agency fee, based on a sliding scale. Rehab. Services clients are usually referred and funded by a state rehabilitation commission. However, program fees do not cover all the expenses of the programs. About 40% of our budget relies on gifts, donations, and grants, from individuals, churches, corporations, and foundations.

Do you have endowment fund income to help significantly with the operating budget? No. One of our goals is to greatly increase our endowment fund to provide us greater financial security.

How many clients live on your campus? During the course of a year, MFRS provides residential services to 20-30 birth mothers and 70-80 adults with disabilities.

How can MFRS help my church/community? MFRS can provide the following:

- Adoption Services - Domestic, International, Older Child Programs; Post Adoption Services
- Emergency Counseling, Maternity Services for Teen Pregnancy Situations
- Residential Maternity Services When Needed
- Job Training/Independent Living for Adults with Disabilities
- Post Adoption Services - Search/Reunion, Medical Information

The Restated Articles of Incorporation of Wesleyan Homes, Inc. appear on pages 186-191 of the 1992 *Journal* with Amendments on page 153 of the 1997 *Journal* and page 157 of the 1998 *Journal*.
The By-Laws of Wesleyan Homes, Inc. appear on pages 173-178 of the 1991 *Journal*.
The Relationship Statement Between the Central Texas Conference and Wesleyan Homes, Inc. is found on pages 178-179 of the 1986 *Journal*.

The Central Texas Conference founded Wesleyan Homes 46 years ago. Wesleyan is not related to any other conference; the Central Texas Conference elects its Board and its charitable support comes from the Central Texas Conference. We give thanks to God for the faithfulness of the Church as it supports Wesleyan Homes through the Mother's Day Offering and through volunteers giving of themselves in loving fellowship.

In 2000, Wesleyan Homes was home to 447 older adults and gave $701,068 in charitable care. Wesleyan received $18,882 from the Mother's Day Offering through the churches in the Conference.

Facilities and Services

Wesleyan Homes' facilities include an 84-unit independent living Retirement Center and a 224-bed Nursing

Care Center, both in Georgetown. Wesleyan Nursing Care Center is the only Medicare skilled nursing facility in Georgetown and is also Medicaid certified. In July of 1999, the new Alzheimer's Care Center, a 40-bed addition to the Wesleyan Nursing Care Center, opened for occupancy. This project incorporated state-of-the-art design concepts aimed at developing an environment for living, and enhancing privacy and independence within a residential setting.

Wesleyan has purchased 20 acres for a future campus adjacent to and in cooperation with the land purchase for the new Wellspring United Methodist Church on Williams Drive in Georgetown. Wesleyan's Board is presently studying facilities, services, and a master plan for that campus. We anticipate that the new campus will include independent living cottages or town-homes, retirement apartments and assisted living along with a community center that will include dining areas, arts and craft areas, library, wellness center, post office, beauty shop, country store, chapel and other amenities.

Down Payment for the new campus may have to come from the sale of the current Retirement Center located on University and Church streets in Georgetown. We have great sentimental attachment to the Retirement Center. It has served faithfully for the past 40 years. However most of the units are simply single private rooms, which is not what the older adult market currently desires. We would only sell the building with a provision for us to stay in it during the construction of the new campus. The board is also evaluating our fundraising potential, as it would be preferable to raise the equity for the new campus and keep the older facility as a ministry to serve low income elderly.

Older Adult Ministries Conference – 2001

Wesleyan Homes, in cooperation with the Conference Council on Ministries and the General Board of Discipleship, will sponsor a Conference-wide training event on "The Spirituality of Older Adults." Featured speaker for the event will be Rev. Richard Gentzler, author of "Aging: God's Challenge To Church and Synagogue." Rev. Gentzler is director of the office of adult ministries for the General Board of Discipleship. The event will be held November 10, 2001 at Central United Methodist Church in Waco.

Wesleyan Depends on Your Support

- Local volunteers, involved daily with Wesleyan residents, add Christ's love to quality facilities and care.
- Charitable care to residents who have outlived their financial resources is made possible by the Mothers Day offering and by individual gifts and bequests.
- Designated gifts help build new facilities and develop new programs.
- We believe your prayers are a necessary support to our faithfulness and success in this ministry.

Wesleyan Can Serve the Local Church

- Wesleyan can be an information resource on many topics relating to aging and long-term care.
- Even when Wesleyan is not the appropriate choice of facility because of distance, we can advise on negotiating Medicaid/Medicare or how to choose a facility.
- Wesleyan staff members are available as speakers on Aging, Alzheimer's, Long Term Care, Support of Caregivers, and related topics.

We are very grateful that the Central Texas Conference has created and nurtured the ministry of Wesleyan Homes.

REFUGEE RESETTLEMENT

Proposed Programs:

1. Resettlement Grants
2. Local Church Resourcing
3. Training

Refugee Resettlement is getting off the ground in the new millennium with anticipated excitement. I have had several meetings with the Refugee Resettlement agency in Fort Worth, as well as Susan Wersan from the General Board of Global Ministries. Plans are underway to communicate the goals and plans for Refugee Resettlement in the Central Texas Conference of The United Methodist Church.

We hope to inform all of the churches in the conference of our plans in the next few months. Of course, our focus will be in the Fort Worth area churches, as the current Church World Service restrictions/guidelines for resettlement state that the resettlements must take place within fifty (50) miles of the sponsoring agency. But we would like to offer the opportunity to assist and support resettlement to any and every church in the conference boundaries.

We will be working on a coordinated mailing with the agency to share information about the resettlement process, and offer the opportunity to have one of the agency case workers (as well as myself) come and share

more about resettlement to any interested church. We will also explore ecumenical partnerships in Fort Worth, as the agency is also heavily involved with the Evangelical Lutheran Church of America (ELCA).

VOLUNTEERS IN MISSION

Proposed Programs:

1. Annual Conference VIM Project
   Goal: Continue the ministry of the Annual Conference VIM project and seek ways to facilitate increased participation while meeting needs of various organizations and/or individuals.
2. VIM Communication
   Goal: To inform and educate persons in the Central Texas Conference about projects, needs, and possible participation in short term mission projects and updates on long range projects as well.
3. Organize and support work team projects
   Goal: To involve churches and individuals of the Central Texas Conference in VIM as well as in Disaster Relief efforts.
4. Work Team Leader Training
   Goal: Facilitate a training twice a year that outlines the goals, visions, and mission of VIM along with the details of leading a trip.

The 2000 year for VIM has been an exciting one with several celebrations to lift up. Many churches across the Annual Conference put together and collected health kits for homeless persons in the Tarrant and Bell County communities. Thank you for giving of your time and resources to reach out to others and make a Christian Difference in the simplest of ways! In addition, several local church groups have assisted in maintaining our covenant relationship with the Eastern Annual Conference of the Methodist Church in Mexico through work teams to Rio Bravo and Nuevo Laredo. A work / evangelism team traveled to Israel in the summer and several teams have made trips to other areas of Mexico through a relationship with an orphanage in Puebla, and in areas of Central America. Locally, we celebrate the short term mission that occurs in our local churches and in the Central Texas Conference. One example of the Body of Christ making a Christian difference was in the response of over 2000 volunteers assisting in the recovery effort of the March tornadoes that passed through Tarrant County and the June flooding in the Fort Worth and Brownwood areas.

The Central Texas Conference Youth in Mission program continues to grow and lives continue to be changed. In the summer of 2000, over 600 Junior High youth and adults worked in the Southwest Texas Conference where they built relationships and repaired homes. Over 1500 Senior High youth changed lives while they spread all over the state of Alabama. CTCYM continues to be a life changing experience for both youth and adult, missioner and recipient as evidenced by the spiritual growth of the participants. This program is a highlight of the Volunteers in Mission program and is a model for other conferences. I personally have been blessed to have been a part of watching this program grow from 300 to 3000 participants in 8 short years.

There is always more to do! Our mission in the Central Texas Conference has just begun if we collectively realize that each day is a new day and we can never get too comfortable in our Christian discipleship. We live in an exciting time. Opportunities abound for us to serve others radiating the love of Christ and sharing our faith - we must open our eyes to those around us. Without exception, lives are changed when individuals give of their time and resources to serve Christ. This is no less true through the Volunteers in Mission program and I anticipate that the proposed programs will assist us in moving forward.

I consider it a privilege and blessing to have worked with some wonderful volunteers over the past 4 years that I have served on the conference staff. I have grown and have witnessed the best of people as they have given of their prayers, presence, gifts, and service to make a difference in the lives of others. As I write this reflection, I am organizing these programs to hand off to my successor as I move to Overton Park UMC as Associate Pastor. Certainly, I have mixed emotions over this move - excitement as well as concern over the programs I have been involved in over the past several years. It is through this mixed emotion however that I am reminded of the challenge found in Hebrews 12:1-2a, "Therefore, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us, looking to Jesus, the author and perfecter of our faith." Let us indeed run forward, throwing that which hinders us aside, drawing on the strengths of others, and look to Christ who give us purpose for our calling and perfects our offerings.

Chair of Volunteers in Mission

Eastern Mexico Covenant Committee

I attended the Conferencia Fronteriza Oriental Mexicana in July of 2000. The session was held at Monterrey Nuevo Leon Mexico at La Trinidad Methodist Church with Bishop Raul Rosas presiding. Most of the clergy and lay delegates were in attendance. All reported carrying out their particular duties. The most interesting things about this young conference is the fact that it is made up of young leadership with high hopes and big dreams.

The morale is high in spite of the fact that most of the pastors operate under heavy obstacles to evangelize and build sites for new educational buildings, parsonages and temples. They have been very involved in obtaining land for future construction.

This young conference has finished the house of "Hope and Love" first module. Everybody is very excited and happy. By the time of the conference the house had three persons participating in an outreach care program.

The conference is also planning to remodel the Seminary for training their ministers from around the several states which cover this conference.

Every worship service was full of the Holy Spirit and well attended. The most beautiful worship service was the ordination service with almost 1,000 persons attending. This service was held at the Mercado Market Civic Center.

I was able to attend most of their meetings and was given a chair in the minister's area.

Our relationships are very important and well appreciated. Most of the ministers are willing to come and visit our conference and help to evangelize as much as they can.

May God continue to bless this conference.

RENEWAL OF THE COVENANT RELATIONSHIP
between the
Central Texas Annual Conference of The United Methodist Church
and the
Eastern Annual Conference of The Methodist Church of Mexico

PREAMBLE: It is always easier to discuss changes we would like to see occur in the church; it is something quite different to take an active step toward turning obstacles into achievements. Every conference, every church, every Christian struggles in the tension between "things hoped for" and the daily reality we encounter each morning. We seek to establish this covenant relationship because we believe that our churches, members and ministries have much to offer each other. Our goal is to establish a covenant that is dynamic, growing, expanding, and beneficial to both conferences. This action is to renew the original covenant for an additional five years, from 2001 until 2006.

THEREFORE: we encourage exchanges between our conferences (including, but not limited to):

- Reciprocal visitation
- Reciprocal work/mission teams
- Prayer requests exchanged through regular correspondence
- The exchange of pastors, youth and adults in the areas of evangelism, nurture and outreach projects
- Dialogue and education on issues of common interests
- Celebrating the creative work of the Holy Spirit at work in both conferences
- Creating partner relationships between local churches in both annual conferences

OUR COMMON GOALS:

The Mexico Covenant Committee of the Central Texas Conference and the Comisión de Enlace of the Eastern Annual conferences, desire to see a closer relationship between our two Annual Conferences. We understand participation in the covenant relationship by local churches and members in both conferences to be based on these common goals:

- Whenever possible, all financial gifts shall be channeled through the General Board of Global Ministries as Advance Specials utilizing the Partnership in Mission catalog, otherwise, financial gifts between the Central Texas Conference and the Eastern Annual Conference will be channeled through the respective conference offices and following accepted procedures, toward priority needs as identified by the respective conference.
- Volunteers in Mission or other volunteer teams shall provide labor or services only under the direction of the conference, agency, or local church of the receiving conference, and shall be sensitive to indigenous labor needs.
- Our goals of mutual sharing shall work for improving the spiritual, physical, and emotional condition of life. All programs will be socially just and ecologically sustainable. All programs are to be designed to strengthen the church.
- Changes in the covenant may be offered by either conference and negotiated between the respective designated conference representatives.
- Upon acceptance by both annual conferences, this covenant relationship will continue for five years. At the end of five years the covenant relationship would be reviewed by both conferences and appropriate recommendations exchanged for continuation or cessation of the covenant.

OUR COMMITMENT: This relationship is a covenant of prayer, a covenant of commitment, and a covenant offered to each other in response to a desire to grow in the Christian faith. May God graciously bless this covenant relationship, binding our hearts and service through the Holy Spirit.

Historical note on the "covenant relationship"

This "covenant relationship", having been approved by the Eastern Annual Conference of The Methodist Church of Mexico in July 1995 and by the Central Texas Conference of The United Methodist Church on June 5, 1996, came into force on June 5, 1996. The new "covenant relationship" was celebrated with a liturgy led by Bishop Joe Wilson. Rev. Raúl Garcia, chair of the Comisión de Enlace, represented the Eastern Annual Conference and Dr. J. Andy Fowler, chair of the Mexico Covenant Committee, represented the Central Texas Conference. Rev. Jeannie Treviño-Teddlie, who prepared the liturgy, led in the singing of "Sois La Semilla" ("You Are the Seed")

Proposed Program:

To be a catalyst for joint mission CTC/EAC Annual Conference of the Methodist Church of Mexico

Goal: To provide publicity and organizational support for projects in the Eastern Annual Conference by the Mexico Covenant Committee.

The Board of Higher Education and Campus Ministry together with the campus ministers respectfully request an increase of $0.34 per member for a total of $1.79 per apportionment figure base for the year 2002.

The below listed goals represent, for the most part, a continuation of the work of the Board of Higher Education and Campus Ministry. In October 2000, the board elected for this quadrennium had its opening meeting with excellent representation and participation of lay and clergy members from the seven districts in the conference. We received reports from campus ministers and addressed the issues of the variety of student clientele on United Methodist and state college campuses. A task force began work on developing a website that could link all local congregations and their youth directors with the campus ministries and opportunities for scholarships, participation and information for young adults. We continued our prayerful discussion of long-range facility funding.

On February 8, 2001, Perkins School of Theology celebrated the 50th Anniversary of the opening of Bridwell Library. Like our other anniversary celebrations in recent years, this one reminds us of the great resources that have been gathered on the SMU campus to prepare women and men for leadership in ministry. Bridwell has become one of America's great theological libraries, with collections that draw visitors and scholars from around the world. Under the leadership of Valerie Hotchkiss, the current director, the library is also serving the needs of a new generation of students and preparing its resources for a new era of digital information technology.

Preparation for the future has been the theme of other activities at Perkins during this year. Faculty, administrators, the Perkins Executive Board, and the Perkins Alumni/ae Council worked together to develop a new five-year strategic plan. Among the goals which this plan sets are:

1. Development of programs and courses that help our students to understand the social context of their ministry, including new emphasis on urban ministry, and strengthening our commitment to Hispanic ministries and the Mexican American Program.
2. Development of new resources that link spiritual formation, preaching, and worship in the curriculum.
3. Additional resources in church administration, church leadership, and personal financial management for future pastors.

We will also be developing a new Master of Church Ministries degree to provide specialized training for those who seek the ministry of a Deacon in The United Methodist Church.

Like other universities and theological schools, Perkins is making transitions in its faculty. Bishop John Wesley Hardt has become Bishop-in-Residence emeritus, but continues as an active participant in the Center for Methodist Studies at Bridwell Library. Professor Victor Paul Furnish and Professor James Ward have retired after spending their whole careers teaching the Bible to students at Perkins. The new faces among us

reflect some of our new emphases in the Perkins curriculum. Dr. Frederick W. Schmidt, Jr., joins us as Director of Spiritual Life and Formation after service as a canon educator at the National Cathedral in Washington, D.C. Dr. Mark Stamm has become Assistant Professor of Christian Worship, following several years of service as a pastor in the Central Pennsylvania Conference. Dr. Jaime Clark-Soles comes as Assistant Professor of New Testament after completing her Ph.D. at Yale and serving as an American Baptist pastor in Connecticut. Bishop David Lawson joins us as Bishop-in-Residence, with a mandate to develop a new emphasis on the global mission of the church.

Bridwell Library, the renovated Perkins Chapel, our new faculty members, and the ongoing strengths of our professors and intern faculty members are indications of the resources we have gathered at Perkins over more than 50 years to provide quality United Methodist theological education. We continue to work to make this education available to more students in more places. We are especially grateful for the cooperation of the Central Texas Annual Conference, with its $500,000 goal for the Prothro Matching Gift Scholarship Program. Every annual conference in the South Central Jurisdiction is participating in this effort, and when it is complete, the generosity of the churches, matched by the generosity of the Prothro family, will provide more than $13 million in new endowments for United Methodist theological students at Perkins.

Enrollment of degree students continues to be strong, with students from forty states and four countries. Course of Study School enrollment continues to grow.

Newly established **scholarships** this year aided our effort to assist students with the cost of seminary education.

Inaugural events took place last spring for the **Cleaver Program in Religion and Public Life**. Named for the former mayor of Kansas City, Missouri, and Saint Paul graduate the Reverend Emanuel Cleaver II, the program seeks to further the positive influence of religious values shared by many traditions that encourage the well-being of all citizens.

Saint Paul graduates **elected to the episcopacy** in 2000 were Rhymes H. Moncure, Jr., (assigned to Nebraska) and John Innis (assigned to Liberia).

Saint Paul received a grant from the Lilly Endowment to participate in a national program for using **technology in effective theological teaching**. The program is helping us gain access to important technological resources, train faculty and staff in their use, as well as rethink teaching practices in light of new technological possibilities.

Faculty transitions included: Judith L. Orr, associate professor of pastoral care and counseling, died March 14, 2000, following a long struggle with a congenital lung disease. Last fall, C. Jarrett Gray, Jr., joined our faculty from Duke Divinity School, teaching in church and society. Robert K. Martin came from the faculty of Yale Divinity School to assume our new faculty position in congregational leadership.

New faculty books in 2000 include: *Matthew and the Margins: A Sociopolitical and Religious Reading* by Warren Carter, Lindsey P. Pherigo professor of New Testament; *Making Disciples: Faith Formation in the Wesleyan Tradition* by Sondra H. Matthaei, professor of Christian religious education; *A Feminist Cosmology: Ecology, Solidarity, and Metaphysics* by Nancy R. Howell, academic dean and associate professor of theology and philosophy of religion.

In August, Saint Paul, along with the United Methodist Church of the Resurrection, hosted the national School of Congregational Development sponsored by the general boards of discipleship and global ministries. Attendance was the highest in the history of the program.

Please know how much your interest, prayers, and support mean to our students and to our mission of preparing **spiritual leaders for a new century**. May our common efforts lead to renewal and revitalization in all of our churches.

The year 2000 was marked by significant progress at Southern Methodist University, and new developments hold the promise of unprecedented advancement in the future. Listed below are some of the past year's highlights:

The Campaign for SMU

- Launched in April 1997, the Campaign for SMU is the most successful fund-raising effort in the University's history. Although commitments to the campaign exceed the $400 million goal, the five-year campaign will continue to its conclusion in May 2002 to address remaining University priorities. To date, campaign commitments have resulted in 52 new endowments for academic programs, 114 new student scholarships and awards, 20 new campus life initiatives, 11 new academic positions, and 12 new and/or renovated facilities.
- Completed construction and renovation projects funded through campaign gifts include Perkins Chapel renovation; the new Fondren Library Center; and the Gerald J. Ford Stadium and adjoining Paul B. Loyd Jr. All-Sports Center, including the Altshuler Learning Enhancement Center and Blanton Academic Development Complex. The new Meadows Museum, with its renowned Spanish art collection, opens in

March 2001. Construction begins in spring 2001 on the Jerry R. Junkins Electrical Engineering Building. The Dedman Life Sciences Building, including the Bob Smith, M.D. Foundation Pre-Medical Studies Center, will be ready for use in spring 2002. Plans are under development for the Laura Lee Blanton Student Services Building.

- Perkins School of Theology is the first of SMU's six degree-granting schools to surpass its goal in the Campaign for SMU. The Theology School has exceeded its goal of $36.4 million with commitments totaling $43.7 million through December 31, 2000. Co-chairs of the highly successful Perkins campaign are Dr. Mouzon Biggs Jr., pastor of Boston Avenue United Methodist Church in Tulsa, Oklahoma; Dr. Charles R. Millikan, pastor of Moody Memorial First United Methodist Church in Galveston, Texas; and the late Vin Prothro of Dallas, who died in November 2000.
- Included in the campaign is a collective total of $13.9 million for Perkins scholarships pledged to date by 15 annual conferences in the South Central Jurisdiction and several individuals, including Charles and Elizabeth Perkins Prothro of Wichita Falls, Texas, who provided a $4.7 million grant to match conference and individual pledges. The Texas Annual Conference set a high standard for other conferences with its pledge of $1 million, matched by Moody Memorial First United Methodist Church in Galveston.

Other Developments

- The Theology School's Bridwell Library celebrated its 50th anniversary in February as part of Ministers' Week 2001. A year ago, the J.S. Bridwell Foundation of Wichita Falls made a challenge grant of $1 million to match two to one each dollar raised for the library during the year preceding the anniversary.
- SMU continues to advance its goal of increased partnerships with the city and region. Programs of Perkins School of Theology serving Houston/Galveston and Oklahoma enable students to begin preparation for careers in ministry in their local settings. The new Linda and Mitch Hart E-Center will focus on Internet technology research and applications across a wide range of academic disciplines, including business, law, engineering and ethics.
- SMU Board of Trustees Chair Ruth Altshuler is providing $250,000 to establish a new distinguished teaching award program for tenured faculty. The gift will fund four annual awards of $10,000 each for the next five years. These Distinguished Teaching Faculty will serve as mentors and take part in symposia promoting teaching excellence.
- SMU's Wesley Foundation continues to provide a vibrant and inclusive United Methodist campus ministry program. We greatly appreciate the affirmation of this program at the July 2000 Jurisdictional Conference by approval of the quadrennial budget request for SMU's Wesley Foundations.

We were saddened this year by the loss of Vin Prothro, whose dedicated service has had a great impact on Perkins School of Theology and the entire university. SMU treasures its Methodist heritage, and we ask your ongoing prayers and support as we move forward in the 21st century.

Last year I received the distinct honor of being elected the 14th President of Southwestern University. Let me begin my report by stating what a great honor it is for Jane and me to serve Southwestern as we all embrace a new century of teaching and learning at Texas' first institution of higher learning. This year has been exciting, and I appreciate the welcome we have received from each of you.

The conclusion of my first year as Southwestern's President will be marked by an inauguration on April 4. Our speaker will be President Jimmy Carter, who graciously has agreed to deliver the address after doing so ten years ago for my inauguration at Texas Wesleyan University. I hope to see you in Georgetown for what promises to be a special day.

The transformation that has taken place at Southwestern over the last two decades has been all encompassing and spectacular. The commitment of the Board of Trustees, alumni, and others, coupled with the leadership of President Roy B. Shilling, Jr., has placed Southwestern in an unusually enviable position in American higher education. Presently, ours is a dynamic opportunity filled with unlimited possibilities. Briefly put, the time is right for continued dramatic institutional transformation at Southwestern. I envision the creation of an "ethos of continuous transformation."

There is a palpable sense of urgency at Southwestern, not because of concerns regarding mission and visibility, but rather out of a deep sense of responsibility that Southwestern has the moral fortitude and resources to "be an inspiration to other preeminent undergraduate colleges because its innovative programs are transforming liberal arts education."

The pursuit of such a bold vision must begin with the individual undergraduate experience. Because the *student* is central to everything we do at Southwestern, we believe that the learning and living environment we envision will ignite in our students a passion for lifelong learning, a compassion for others, and a desire to accept responsibility. For this vision to succeed, our students, in turn, will inspire other people, organization, and communities through their actions and decision in life.

Under the heading of being "an inspiration to other preeminent undergraduate colleges," the following ideas and initiatives are receiving my full attention during this, my first year, at Southwestern:

- I continue to encourage the initiation of building a **"community of considerate conversations"** at Southwestern. This simply means that we will encourage and value every conversation which has meaning for Southwestern's future, both inside the University community, as well as with those not on campus but who love the University or have a stake in its future.
- We are working on the challenge of creating a community at Southwestern that is conducive to and more

inviting for racial **diversity** regarding faculty, staff, and students. I would like to note that Dr. Ronald L. Swain, Senior Advisor to me and immediate past President of Wiley College, is working with me to lead our efforts to seize every opportunity to make Southwestern more inviting because of racial diversity. These efforts will make our life richer and our students more competitive as they enter a world that is multi-racial and multi-cultural.

- I want to continue the **momentum** begun during the Shilling years: the successful completion in 1998 of Leadership 2000: The Southwestern Campaign; the work of the university community on a strategic plan for 2010; the fall visit of our "national advisors," a group representing an array of fields, who critiqued a draft of our 2010 plan; and our stated goal of being "an inspiration to other preeminent undergraduate colleges." At our April 3 Board of Trustees meeting, our Strategic Plan for 2010 will be voted on by the Board.

This year, as I have met with individuals and groups related to Southwestern, I have spoken about "conservation and conversation." The suggestion was that we will always want to **conserve** certain elements at Southwestern no matter what our current plan might be, and that through **conversations** we will enrich the Southwestern community and those who love it with ideas and visions that can teach and transform.

Our commitment to be an inspiration to other colleges is neither a decision made lightly without regard for its inherent challenges nor is it one that is out of character for Southwestern University. For more than 160 years, through periods of triumph and failure, risk and prosperity, Southwestern has been well-served by a set of Core Values – guiding principles articulated through campus-wide conversations in 1997 and 1998 – that define its essence:

- Promoting lifelong learning and a passion for intellectual and personal growth
- Fostering diverse perspectives
- Being true to one's self and others
- Respecting the worth and dignity of persons
- Encouraging activism in pursuit of justice and the common good.

Southwestern's Core Values process also declared our Core Purpose to be *"fostering a liberal arts community whose values and actions encourage contributions toward the well-being of humanity."*

Put another way, this would be the development of an institution of higher education that encourages an ethos of high intellectual standards while continuing to value the spiritual and moral dimensions of our institutional life.

It is one of our strengths that we are a United Methodist institution of higher education. Non-sectarian and diverse in its collective life, Southwestern's character is shaped by John Wesley's famous appeal: "Let learning and vital piety be joined." Dogmatic rigidity is alien to our institutional spirit. At Southwestern, we hold that ethical commitments and spiritual identities must welcome and support the swift advance of knowledge.

Believing that none has a permanent monopoly on truth, we are fundamentally committed to academic freedom, to the informed debate in which new knowledge, new ethical insights, and richer spiritualities are grounded. Southwestern also shares the traditional Methodist concern for social justice; we seek to promote a sense of social responsibility, and are committed to offering the benefits of higher education to those who confront adverse financial and social circumstances.

And, although our Methodist roots encourage us to be anti-elitist, they also encourage us to be intellectually rigorous. Wesley's values and actions grew out of the highly intellectual and rigorous scholarly activity associated with Oxford University. Few people have written more about their values, faith, actions, and their perspectives on knowledge as has Wesley.

If we succeed in becoming an inspiration to other liberal arts colleges, Southwestern University will be know nationally for providing society with an extraordinarily large percentage of graduates who are *bright, moral,* and *courageous* leaders.

By "bright" we mean curious, lifelong learners who value depth and breadth in whatever they pursue.

By "moral" we mean impartial reasoning that will aid one's ability to make decisions based upon their impact on humanity.

By "courageous" we mean possessing the confidence to make choices that are fair, visionary, and to the benefit of the common good.

After our national advisors were here last fall, one of them, Samuel Hope, Executive Director of the National Association Office for Arts Accreditation, wrote these words in his report:

"At the outset, it is important to state that Southwestern University is already a special place. It may be leading in more ways than it realizes. In matters of the mind and spirit, leadership is not measured in the same ways as in other walks of life, national rankings notwithstanding. Leadership can be holding on to important ideas when others have foolishly abandoned them. Leadership can be despised and persecuted as well as exalted and glorified. Leadership can be doing something no one else understands. I believe many of your national advisors felt a spirit of civilization at Southwestern, produced by connections with many great humanistic and spiritual traditions and oriented toward continuing and expanding that legacy in times to come. It would be a great tragedy if Southwestern University were to purse images of fame and achievement in ways that caused it to lose its civilizing force. Maintaining and developing its soul are far more important than gaining the world."

Part of our story as Methodists is found in the familiar Charles Wesley's phrase from the Kingwood school hymn, "Unite the pair so long disjoined, knowledge and vital piety." Writing an article on "Wesley and

Education" in Presidential Papers, Richard Heitzenrader says of John Wesley: "Knowledge for him, is not so much a purely intellectual attribute but rather a channel of self-understanding, which is crucial for salvation. And vital piety entails not only a devotional stance based on love of God but also a social outreach exemplified by love of neighbor."

Based on this kind of education, writes Heitzenrader, we learn to distinguish between the many claims of "truth and virtue." He quotes V.A. Smith who in 1914 told a group of new students at Oxford University, "When you finish, if you have worked hard and intelligently, you should be able to detect when someone is talking rot." "If we are truly educated," Heitzenrader reminds us, "we will no longer mistake cleverness for profundity, or dispassion for conscience. We will be able to tell the difference between sophistication and virtue, courtesy and honor. We will no longer confuse getting a degree with learning, or mistake religiosity for vital piety. In a word, we will remember, in Wesley's words, that 'all learning without love is but splendid ignorance.'"

Looking back at my own education at schools of the church, I feel they were true to this heritage. My life was opened to new knowledge, new relationships, and new spiritual and ethical growth. It was a journey of learning and value orientation that still continues to this day!

Did I mention that I also was helped by scholarships and financial aid? That is our purpose in this organization – sharing gifts from local churches for United Methodist students to discover that kind of experience in our colleges and universities!!!

Huston-Tillotson and Wiley Colleges receive support through the Black College Fund. In 2000, through the support of local churches, we gave the other colleges a total of $826,985 distributed as follows:

Lon Morris College	131,550
McMurry University	153.890
Southern Methodist University	210,510
Southwestern University	148,925

Texas Wesleyan University is honored to have as its eighteenth President, Dr. Harold (Hal) Jeffcoat. Dr. Jeffcoat has spent his entire career preparing for his role at Texas Wesleyan.

"As a student, he learned one of the most important things was the relationships he established with his professors and mentors. As a professional baseball player, he learned to build on strengths and shore up weaknesses to improve his chance for success. As a college administrator, he gained a wide range of experience in both private and public university settings. As an academician, he conducted research on the leadership style of university presidents. These combined experiences made Dr. Jeffcoat the unanimous choice as the new president of Texas Wesleyan."[1]

As an academician Jeffcoat knows that academics drives the university, but as a churchman, Jeffcoat believes it is Wesleyan's relationship with the church that gives the university its soul. In order to continue and to enhance this vital relationship, Jeffcoat frequently speaks at churches and is also seriously pursuing two specific programs.

One is a covenant agreement with Polytechnic United Methodist Church. Texas Wesleyan University would acquire the facility and take on the responsibility of maintenance and upkeep to enable the church to utilize its resources for mission and outreach to the community.

Second, Jeffcoat is pursuing the establishment of a School of Religion and Ministry as a part of Wesleyan. The school will offer undergraduate and graduate degrees as well as continuing education in the areas of religion and ministry, including Christian Education, Church Music and Church Business Administration. These programs will be offered to educate and nurture both laity and clergy.

All of us at Texas Wesleyan thank you for your support and prayers as your partner in mission.

LaGrave Field in downtown Fort Worth is being rebuilt to become the home of Texas Wesleyan baseball. This will expand Texas Wesleyan's presence in the community. Plans for the field include a restaurant, a museum, and other amenities.

Wesleyan's Fall 2000 enrollment was the second largest in our history, and the Spring 2001 enrollment is up from one year ago. We look forward to continuing this upward trend.

Facility development is ongoing on our campus. Construction of the Nenetta Burton Carter building (to house our Psychology Department) is underway with completion scheduled for November 2001. Fine details are near completion for the renovation of our Fine and Performing Arts building, and plans are underway for the improvement and addition of more art and theatre classroom and studio space.

Groundbreaking for the Boys and Girls Club new Polytechnic facility was held in February. The facility will be located on Rosedale and will benefit youth and support our mutual mission in making a difference in the lives of young people.

It has become public knowledge that Wesleyan was placed on probation last fall by the Southern Association of College and Schools (SACS). This has created some confusion and misunderstanding. This action is not a reflection on the quality of our academic programs but rather was a result of Texas Wesleyan's need to implement updated business systems and technology. In part, our challenge has been how to balance the future costs of quality, private education while keeping tuition as reasonable as possible. SACS requested that we address three items:

- Operate annually with revenues meeting expenditures.
- Develop a better system of inventory control.

- Improve out administrative technology system.

We are correcting these problems and anticipate being removed from probationary status by year's end. Our endowment has grown to over $50 million and remains strong. In fact, we have more resources than ever in the history of Wesleyan. The university continues to be a viable institution and one that will continue to serve students for many, many years.

Glen Lake Camp and Retreat Center once again had a wonderful year of growth and service in ministry to the members of the Central Texas Conference and to users from throughout the North Central Texas area. The site continues to operate at a busy level of activity, serving local churches, the annual conference, schools, universities, and other non-profit organizations.

Summer camp continues to be a prime focus of Glen Lake's ministry. For over 10 years, the numbers of youth and children served at Glen Lake have steadily risen. In fact, since 1996, summer camp enrollment has risen 62%. Unfortunately, we are still turning campers away due to lack of space. These numbers buck national trends, so we are very pleased with the continued growth and interest in the quality summer camp experience our young people receive at Glen Lake.

A new electronic lock system on all housing and meeting facilities was installed during 2000. This added a new level of security for our guests as well as allowing Glen Lake to better track meal service. This was an expensive addition to the site, but the safety and security of our guests (particularly our summer campers) was of paramount importance.

Anne Skipper, Chairperson - askip13@aol.com

Proposed Programs:

1. Learn to Use Your Bible Retreat
   Goal: To provide children with a level of confidence in using their Bibles and to encourage them to want to know more.
2. Special Needs Camp
   Goals: To provide a church-camp experience for special needs campers at Glen Lake Camp and Retreat Center; To provide a much-deserved respite for the families of these campers.

Glen Lake Camp and Retreat Center Trustees

The year 2000 was another great year at Glen Lake Camp and Retreat Center. As the body responsible for legal issues and maintenance of the properties, the Trustees did a general walk through of all the camp facilities to better understand the maintenance and preventive maintenance needs of the camp. Prioritizing and facilitating those maintenance needs and schedules will be an important part of our future growth.

This year, the major changes came in the form of a keyless lock system and a debit card style meal system. This has allowed the camp to better track spending and supplies in the cafeteria. The keyless entry system has also helped with the security of the camp and for some camps at least, helped in facilitating campers in not losing their money.

While the Dean's Cabin was constructed in 1999, it was first used in the summer of 2000 and was a great hit with the Deans.

The Trustees also focused some on how to move the final phase along to construction of the family conference center.

Other than some additions to the prayer garden and the beginning of the bricked portion of the Silent Trail, most of the work concerned long term goals and regular maintenance.

As always we thank the members of the Central Texas Annual Conference, Camps and Assemblies, ACCOM and the staff of Glen Lake Camp for the support and enthusiasm for camping in Central Texas.

Commission on Communication And Interpretation

Budgeted 2001 $93,850 *Requested 2002* $97,000

The newly established Commission on Communication and Interpretation focused first on establishing an effective organization, comprised of persons who have interest and/or experience in some form of communication. Our newfound strength and expertise will be evident as the Commission begins to act on findings of the Communication Audit conducted in the spring of 2000. The Commission formally adopted a mission to serve the local church, conference, districts and community by facilitating effective communication methodologies and technologies; by providing education in their use; and by interpreting the purpose and actions of the church at all levels.

While the Commission continues to oversee publication of the *Central Texas Conference United Methodist Reporter*, which is sent weekly to 12 pastor-identified leaders in each congregation, plans are underway to shift to a monthly magazine format in order to bring more connectional information and denominational news to those leaders.

In response to the audit findings, the Commission is researching the viability and cost of electronically linking local churches with the conference and its seven districts, for securing quantity discounts for communication and multi-media worship equipment and resources, for upgrading the conference web site and hosting e-discussion groups.

The Commission awarded $500 each to the Brownwood, Fort Worth West, Temple, Waco, and Waxahachie districts for communication projects. Also in response to the communication audit, the Commission began production and distribution of periodic video messages from the bishop to the local church.

David Leach, Chairperson - aangelcollector@aol.com

The Committee on Evaluation and Budget reviews the programs and ministries of the previous year, the present year, and the next calendar year. Members carefully evaluate ministries and funding requests in light of the mission and ministry of the United Methodist Church, the goals of the Annual Conference, and the initiatives outlines by the Bishop.

Recommendations for programming and funding to empower ministry in the Annual Conference are forwarded to ACCOM. Then upon the Council's approval the recommendations are sent to the Council on Finance and Administration.

The Annual Conference can be assured that the programming committees have the best interest of the church at heart and are making good use of the mission and ministry dollars that you have entrusted to them.

Committee on Mission Personnel

Budgeted 2001 $800 *Requested 2002 $1,200*

The Conference Committee on Mission Personnel was organized out of a mandate from the General Board of Global Ministries.

The General Board of Global Ministries defines the existence of CCMP through a commitment to a connectional approach to missions, seeking a stronger partnership with the Annual and Central Conferences, and autonomous Methodist Churches with which it affiliates. To this end, the GBGM's role is to facilitate and resource missions; while being sensitive to those circumstances where it is required by Discipline to manage missions. The GBGM seeks to work closely with the Conference to determine specific strategies in the global mission of the Church, and to identify the Resources necessary for any initiative.

The CCMP will continue to work in 2001 to identify persons for mission service, publish and share information on mission field opportunities, provide advocacy for current missionaries and mission field personnel, work with the committees of the annual conference in defining and meeting the mission needs.

Richard Reed, Chairperson - drreed@ectisp.net

Proposed Programs:

1. Screen for and recommend persons with gifts for leadership and service in the mission of Jesus Christ through the General Board of Global Ministries of The United Methodist Church
2. To recommend opportunities for mission personnel placement within the mission strategies of the Annual Conference
3. To participate in the development of connectional support for mission personnel through a program of Covenant Relationships
4. Distribute information on the work of CCMP in the annual conference

Committee on Planning and Research

Budgeted 2001 $1,300 *Requested 2002 $1,300*

The Committee on Planning and Research met at Glen Lake Camp on September 29-30, 2000, to

participate in a "Shaping a Vision" Retreat planned by Jerry Chism and led by Dr. Lovett Weems. Uplifting and inspirational worship services were planned and conducted by Sharon Tuck, assisted by various members of the Committee. Bishop Ben Chamness and members of the Extended Cabinet were active participants in the visioning and goal setting process facilitated by Dr. Weems. **It is suggested that local churches, districts and conference organizations keep these goals (and also Bishop Chamness' goals) as priorities when plans for ministry are being made.**

Following is a summary of the outcomes of the "Shaping a Vision" Retreat:

Our Mission Statement: *The mission of the Central Texas Annual Conference is to make disciples of Jesus Christ through our local churches, institutions, and connectional opportunities.*

Our Unifying Vision for 2000-2004:

After identifying emerging key issues for our Conference, goals and action items were formulated within the following areas: Evangelism, Spiritual Formation and Growth, Mission and Justice, Worship, and Openness and Diversity.

The committee met on two later occasions at the Conference Center to refine the goals and action items, assign responsibility for implementing the goals and action items during the quadrennium, and create a graphic to express the vision statement: "Joining Our Neighbors Around God's Table." COMMITTEE ON THE AGENDA

Budgeted 2001 $37,000 *Requested 2002 $36,400*

As the Central Texas Conference Family gathers for its one hundred and thirty-fifth time, we greet Bishop Ben R. Chamness. Once again, we have received an excellent episcopal leader who will guide our ship and minister to the needs of the children, youth, and adults of our Conference.

A special word of thanks is due to Henry Radde, Charles McClure, and all the boards, agencies, committees, and commissions which have cooperated in the planning and scheduling of reports that tell our story and cast a vision for our ministry together.

Annual Conference 2001 will include a time for holy conferencing, when lay and clergy members will prayerfully discuss the sin of racism in our world and in our churches. There will also be a time to participate in an act of repentance modeled after the General Conference service held in May in Cleveland, Ohio. Not only will it be an act of repentance, but it will be a call for reconciliation, as an attempt to recapture the spirit of Methodism lost when some African-Americans in the eighteenth and nineteenth centuries felt compelled to leave the church's predecessor bodies and form their own congregations.

The theme for Annual Conference is **JOINING OUR NEIGHBORS AROUND GOD'S TABLE**.

The Annual Conference Committee on the Agenda recommends:

1. That the 2001 Per Diem Allowance granted for each day in actual attendance at the conference for retired clergy, retired diaconal ministers, retired deaconesses, ministers' surviving spouses, pastors receiving a total salary of, or less than, the minimum compensation of the conference, students appointed to attend school and ministers on disability leave. The rate shall be $30 for those who reside within McLennan County and $60 for those who reside outside McLennan County. (See PER DIEM form in back of Preliminary Reports.)
2. That the budget line item for the expenses of Annual Conference for 2002 be set at $36,400. Future places for the meeting of Annual Conference will be 2002 – Fort Worth and 2003 – Waco. Thank you Waco District and Austin Avenue United Methodist Church for your hospitality!

COMMISSION ON ARCHIVES AND HISTORY

Budgeted 2001 $35,000 *Requested 2002 $35,900*

Report No. 1

The Central Texas Conference Commission on Archives and History held its annual meeting on November 11, 2000, in the West Library at Texas Wesleyan University. The Depository is now known by a new name: United Methodist Records and Archives, Central Texas Conference.

We have received 30-40 additional cubic feet of records this year. During March an adjustable tracking system was installed in the Depository at the West Library. Steel carriages, 17 feet long and 3 feet wide, were assembled to ride on the tracking. The shelving was reassembled on the carriages and all the records were restored to their designated places, greatly increasing our available space for records.

At its annual meeting, the Archives Commission voted to grant a United Methodist Historical Marker to the First United Methodist Church of Evant.

The Commission approved the following change in the United Methodist Historical Marker Application Policy: a church/congregation may apply for a marker at a 100th anniversary rather than the previously required 120 years.

Due to the work of Dr. Brad Willis of Waco, an Official Texas Historical Marker has been granted for the gravesite of Rev. William McKendree Lambdin. Rev. Lambdin, who served as pastor in the Texas Conference from 1857-1867, is buried at the First Street Cemetery in Waco. Plans are underway to hold a dedication service for the Lambdin historical marker during the June 3-6, 2001, meeting of the Central Texas Annual Conference in Waco.

Plans are underway to add a full-time, salaried Archivist to the Central Texas Conference staff. We hope to have this position filled by the end of summer 2001. Appreciation is expressed to Jean Traster who has served as archivist on a volunteer basis for 22 years.

Travis Summerlin, Chair

Report No. 2

WHEREAS an application has been received for an official Central Texas Conference Historical Site marker for the First United Methodist Church, Evant, Texas; and

WHEREAS the application has met the criteria for an official Central Texas Conference Historical Site Marker and has been approved by the Conference Commission on Archives and History; and,

WHEREAS the congregation was established in 1874; and,

WHEREAS the site has received a historical marker from the Texas Historical Commission, and;

WHEREAS its history has been written by Lorene Tomblin;

THEREFORE, BE IT RESOLVED:

THAT the Annual Conference approve this site for an official Central Texas Historic Site Marker.

Report No. 3

The records and archives of the Central Texas Annual Conference, and all predecessor conferences within the bounds of the present Central Texas Conference, 1866-present, are housed at the Eunice and James L. West Library of Texas Wesleyan University, Fort Worth, Texas. The United Methodist Records and Archives Depository space is provided through the generosity of Texas Wesleyan University, and West Library director, Cindy Swigger. The Commission on Archives and History and the people of the Central Texas Conference rejoice in the long years of relationship with the University and with the library staff persons, particularly Louis Sherwood, University archivist.

The preservation of the records of the Annual Conference for use in research, documentation of information, and response to local churches, organizations, and offices of the Annual Conference are the major priorities of the depository. Increasingly, inquiries from far beyond the Annual Conference are, also, being serviced by the CTC Depository.

The volume of records held by the depository increased by approximately 10% during the past year. The tracks/trolleys system, installed in March of 2000, doubled the storage space for records, enabling the depository to easily accommodate the increase in volume.

Without the September, 2000 conference-wide Fall University event, which has included training for Local Church Historians every year, it was necessary that training be conducted by the archivist as needed, mostly one church at a time. A Conference-wide training time for local church historians will be planned for September, 2001, hopefully connected to the Fall University setting.

Included among the projects and responsibilities of the depository and the archivist during the past year, and continuing to represent, preserve, and promote the United Methodist Records and Archives Depository of the CTC, are the following:

Survey of North American United Methodist Archives Depositories, a nation-wide project of the General Commission on Archives and History: Beverly Campbell Stevens, Louis Sherwood, and Jean H. Traster have completed the survey of the depository records of the CTC. Following the duplication of the CTC Survey data

for preservation in the CTC Depository, the original materials will be sent to the GCAH. The data from the various UM Depositories will be compiled into a Finding Guide to UM Depositories across the nation, giving access to information and increasing the visibility of each of the conference depositories.

The CTC Depository records are invaluable for use in making application for Texas State Historical markers, and in the documentation needed for acquiring the United Methodist Historical markers. Local churches across the conference use the records of the depository each year for projects relating to their history.

Indexing of Local Church Histories: for many years the Reverend Estill Allen has assisted as indexer for the records depository, spending numerous hours compiling indexes for any book received by the depository which does not have a published index included.

Representing the Central Texas Conference at various areas of United Methodism, Jean H. Traster serves as a member of the General Commission on Archives and History and as a member of the Southcentral Jurisdiction Mission Council. These connections are both supportive and informative to the work of the CTC Records and Archives Depository.

Records assistance is provided to all levels of the Annual Conference from the office of the bishop to the offices of local churches, from individuals seeking genealogical data to the various offices and agencies of the conference, and from researchers across North America to students in schools and colleges.

Counting all that is, and has been done as a "charge to keep I have/to serve the present age", I thank you, the members of the Central Texas Annual Conference, for the privilege of having served as archivist for you.

Save those records!

CABINET REPORT

It is my honor and privilege as Dean of the Extended Cabinet to give the composite Report of the Cabinet on this occasion of the 135th annual meeting of the Central Texas Conference. To prepare this report, I reviewed the Composite Cabinet Reports from the past 25 years, and found a common thread woven through them all. It is a thread that holds true today... this is a new day! A gift from God in Jesus Christ enlivened by the presence and power of the Holy Spirit in our midst. I am reminded of Paul's words recorded in II Corinthians 5:17

"So if anyone is in Christ, there is a new creation;
everything old has passed away; see, everything
has been new."

Each of the current District Superintendents was asked to reflect on those words, and some of their thoughts are shared in this report.

We awaken every morning to a new day. Today is not yesterday and is not yet tomorrow. The whole world changes with every rising sun, with every ticking of the clock. Our families change, our churches change, our Conference changes. This report is intended to reflect the remarkable changes occurring within our Conference.

A major leadership change came to pass in September 2000. Our Conference was blessed to receive a new Episcopal leader and a new first lady, Bishop Ben and Joye Chamness. In these nine months the Bishop and Joye have traveled within the conference bounds to visit 119 local churches. They have listened attentively to the churches' stories and have shared their own spiritual journey.

Indeed, we are twice blessed. We have already seen their grace and poise and we have been recipients of their warmth and love. We give thanks for them both; they have befriended us and loved us. They have brought with them a contagious faith and optimism and hope that in Christ all things are possible.

At his Investiture Service, Bishop Chamness challenged us with ten new goals in this new quadrennium:

- Empower the laity to be engaged in ministry along with clergy
- Strengthen the current fine clergy pool of the Conference.
- Affirm inclusiveness for women and ethnic minorities.
- Understand our common mission to make disciples for Jesus Christ.
- Make every church a mission station.
- Discover many approaches to evangelism.
- Develop efforts to communicate better with churches and the world.
- Improve the connection.
- Start 1 new Sunday School class in every church, plant 20 new churches with at least one in every district, and to reach a Conference membership of 175,000 persons in 8 years.
- Couple personal faith and social justice.

Ten new goals. All of which are realizable, but only as clergy and laity partner together in ministry with commitment, determination, trust, and prayer seizing the power of the Holy Spirit in this new day.

Indeed, our Central Texas Conference has a glorious past. Its record of continued membership gain, its remarkable stewardship record, and its mission involvement at home and abroad are indicative of a people whose hearts have been touched by God, a people who have responded to the saving love of Christ, and have stepped forward in faith led by the Holy Spirit. Let us give thanks for those wonderful yesterdays, and build

upon them so that today and the coming tomorrows will be reflective of a faithful people who lived out the call to make disciples of Jesus Christ.

Signs of a new day in our Conference surround us. It takes only a glance to see them

1. Vigorous strides toward inclusiveness are being taken. The Holy Conferencing and the participation in the Act of Repentance and Healing at this Annual Conference meeting, though long overdue, has brought a fresh new wind into our lives. We have committed ourselves to go from this place with a new way of living.

   We see this new commitment take visible form in the emerging emphasis on Hispanic Ministry. The Cabinet is committed to the task; each of the seven districts is in process of developing a strategic plan of action. We have already seen it in the Ft. Worth East District's "Intercambio" event...a Hispanic blitz with 47 Methodists from our sister Conference of Eastern Mexico. Consider too the Georgetown project and relationship building between Rio Grande Conference Churches.
2. The new General Conference initiative "Igniting Ministry" brings to us an encouragement and a challenge to better share our faith thus making new disciples of Jesus Christ. We view this as one of the finest programs offered in many years. It will take shape as our local churches become "welcoming" congregations.
3. New church starts are indicative of a new and growing population. Two new church starts in Central Texas will be announced at the reading of the appointments. One new start will begin in the Possum Kingdom Lake area of the Weatherford District. The other will be in the Cedar Park/Round Rock area of the Temple District.
4. New and faster methods of communication abound. These challenge us as individuals and local churches to design and implement strategies to incorporate them in ways that will enhance our communication of the gospel of Jesus Christ in this new day.
5. A new day has emerged as children, youth, and adults flock to Glen Lake Camp for spiritual nurture and then to participate in mission opportunities to make a positive impact on others as they themselves mature in the Christian faith.
6. The new day has also brought the dawning of a dwindling clergy supply in our Conference as we experience continued growth in membership. Perhaps one of the greatest challenges we face in this new day is the recruitment of men and women for full time ministry. Our Conference Board of Ordained Ministry, Committee on Mission Personnel, and the Cabinet will encourage local congregations to be attuned to the call of God in People's lives for full time ministry.
7. We celebrate with our local churches, clergy, and diaconal ministers the following special events of the past year that have enhanced life and ministry in this new day.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

Budgeted 2001 $17,150 *Requested 2002* $17,650

Your Commission on Christian Unity and Interreligious Concerns defines its work during this quadrennium by the word, "Relationships." We take seriously our relationships with our brothers and sisters in the traditional

African-American Methodist churches, our ecumenical partners in the World Council of Churches, the national Council of Churches of Christ in the USA, the Texas Conference of Churches and the local ecumenical agencies throughout the Central Texas Conference. We expect to continue to pursue dialogues around the paper, "In Search of Unity" published by the general commission of our church.

The commission is honored to continue offering the Bishop's Award for Excellence in Ecumenism. The 2000 recipient of the award was Zoe Wilson for her work on behalf of all the children of the world.

The commission is pleased to have played a part in the Christian conferencing during our conference session in 2001. We plan to compile a booklet using the information collected from the questionnaire distributed during the Annual Conference session. The booklet will be a directory of ecumenical projects and events through which our conference lives out these relationships..

COMMISSION ON CHURCH GROWTH AND DEVELOPMENT

Budgeted 2001 $130,870 *Requested 2002 $176,703*

The Growth Continues

Twenty-seven consecutive years of growth is a claim that only two conferences in United Methodism can make. Those two are the Central Texas Conference and the North Georgia Conference. Central Texas, like North Georgia, has had a structured program of new church starts for over 30 years. Now United Methodist conferences all over the country have started new church programs, and worship attendance is on the rise in American United Methodism. Hopefully membership will soon follow. This reverse toward growth has occurred because of the vision and modeling of such conferences as ours when Dr. Gil Ferrell and Rev. Ed Otwell led us in the early years of this endeavor.

During the year 2000 twenty-five hundred, seventy (2570) were added to the total membership of the Central Texas Conference United Methodist Church. A total of 7853 members joined our churches in the year 2000 with 2395 of those being by profession of faith. This fact is to be celebrated, for this is our purpose according to the Great Commission of Matthew 28:18-20. The Central Texas Conference appreciates the opportunity to be a part of this record of evangelism as we add new churches in growing areas to the 166 local churches in our conference who grew in membership during 2000. We congratulate all of these local congregations for mission accomplished for the year.

Hispanic ministry continues to command our attention as 2000 census figures demonstrated that we have been too conservative in our estimates of growth for this demographic group. Figures below in the report will show the picture and the critical need to be reaching for Jesus Christ our Spanish speaking brothers and sisters. They are moving in the direction of becoming the majority in Texas; we as the church need to be there. Funding continues to be a major issue with poor, immigrant communities. Attention and prayer needs to be directed here as we as a conference continue to discern God's leading in how to effectively carry out the mission and ministry among this growing people.

Projects

The Central Texas Conference Commission on Church Growth and Development currently has 12 churches and evangelistic projects in which it is investing funding. The projects whose start up costs are supported by Shares include the following:

Abundant Life Ministries of Fort Worth/Arlington (June 2000) is our newest project with its inaugural worship service scheduled for Easter Sunday, April 15, at the Lowery Road Elementary School on Lowery Road at Cook's Lane north of Interstate 30. One hundred sixty (160) adults are prospects for membership in this new project, and the goal is to have 200 plus in worship at their first worship service. Small groups and community breakfast meetings have been a source of gathering the 200 prospects for this new church.

Arlington Inner-City Ministry (June 1997) is an award winning ministry of bringing Sunday School for children to the Arlington laundromats on Sunday morning and reaching out to children and their parents. This ministry also has an after-school tutoring program using many volunteers and the facilities of Arlington Aldersgate and Arlington Good Shepherd United Methodist Churches. This ministry of the Metropolitan Board of Missions for Tarrant County also sponsors a sidewalk Sunday School in order to reach the unchurched children of the area.

Celebration United Methodist Church of Fort Worth (June 1995) is a congregation which meets in the Wedgwood Dollar Movie Theatre each Sunday morning. The worship is a contemporary style with a praise band and overhead projection. Celebration now averages around 60 in worship compared to 50 one year ago. They continue to creatively reach out to the apartments and new residents in their area, and they are targeting mainly Generation X-ers even though all age groups are represented. This year they are making huge strides toward financial independence only 2 years after Church Growth and Development put out a plea to the conference for help.

Community of Hope United Methodist Church of Arlington (June 1998) has moved its worship space from Morris Elementary School (Mansfield school in the city of Arlington) to Mansfield High School North campus. Since changing locations in December of 2000, their average attendance has grown from 120 to 160. They celebrated their second anniversary as a congregation by chartering in a big celebration on February 4, 2001. They are still pursuing the purchase of adequate land for a growing and permanent location for their congregation. They have particularly been successful in reaching totally unchurched families using an informal and contemporary worship style.

(Discovery) Hutto United Methodist Church (June 1997) has grown from an attendance of 17 to 70 since receiving its first full time pastor in over 50 years. It is in a very fast growing area between Round Rock and Taylor, and the church is looking to buy land during the next year. Their vision is to become a regional church with outstanding ministry for children and youth. Several of their new members have professed their faith in Jesus Christ for the first time. They have an active men's group with meets weekly for breakfast (averaging 18), and one of their projects has been the building of a nursery at the historic Hutto sanctuary.

Foundation United Methodist Church of Lakewood (June 1996) is a church located near Lake Belton. Last year they completed a successful capital campaign in order to be able to build their first unit on the land across the street from the elementary school where they currently worship. Plans have been approved, and groundbreaking will happen soon. Membership has also continued to grow.

First United Methodist Church South Campus in Killeen (June 1999) is the commission's second satellite congregation to support and is located in a growing residential neighborhood. The campus has added to the numbers of First UMC Killeen without taking worshippers from the downtown and main campus. South Campus is bringing new folk into the United Methodist Church. The preaching pastor is the associate pastor at the downtown Killeen church, and the worship style is informal and contemporary. The worship center is also a family life center where community volleyball and basketball leagues are hosted. This pilot program hopefully will be the first of many satellite congregations opened within the Central Texas Conference.

Mi Casa, Su Casa United Methodist Church in Arlington (June 1994) is an Hispanic congregation of 52 members who worship in the Vandergriff Chapel of First United Methodist Church of Arlington. Most recently they and First UMC are providing English as a second language and Spanish as a second language classes. Through worship, Sunday school, Bible study, outreach ministries, and the five faith communities the congregation has started, 300 Hispanics are being reached.

Open Arms United Methodist Church of Temple (June 1994) continues to reach out to the homeless in the Eastern Bell County area. This church works at fulfilling the total needs of its members and constituency. Clothing closets and food pantries are maintained, and worship and spiritual nurturing are a regular part of this church. This unique United Methodist Church struggles with a very transient congregation, and self sufficiency is a goal that will be accomplished with only a lot of creativity and Spirit work.

St. Andrews United Methodist Church of Corsicana (June 1996) is a predominantly African American congregation which has become multi-racial and whose worship style has become multi-cultural. A CG&D grant and a vast number of volunteers from the Waxahachie District enabled this congregation to move into a new facility in East Corsicana and has given new life to this historic congregation. New members continue to join the congregation, and its membership once more has optimism and hope for being in mission and ministry in East Corsicana.

Tarrant Urban Ministries (1999) is a project of the Metropolitan Board of Missions which reaches out in ministry among the poor and marginalized. The Commission on Church Growth and Development participates in the ministry to the homeless of Fort Worth and is a supportive partner in the Metro Board's efforts to network and coordinate a variety of evangelistic ministries to our poor. The Commission on Church Growth and Development will continue to pray about and seek training in how to start communities of faith among the poor of our areas. Reaching these "Jesus' people" is not easy, but we disciples of the Central Texas Conference will struggle with it until we succeed.

The Vietnamese United Methodist Church of East Fort Worth (June 1996) continues to worship in its present location of Riverside United Methodist Church. A working partnership has evolved within their ministries, and one of the outstanding programs they had this year was their second annual multi-cultural and multi-language Christmas music program in December. They are continuing to reach out to the growing number of Vietnamese people in Tarrant County.

During 2000, none of our congregations became **financially independent of CTC Church Growth & Development**. However, several are getting very close. It is in our bylaws that all projects must move toward independence so that other churches can be started. We are being faithful to that concept, Church Growth and Development will celebrate with those who will take this successful step toward becoming not only a vital and growing congregation but also one which stands solid and partners in becoming supporters of new church starts.

Hispanic Church Growth Projects

During the year 2001, our Hispanic church growth projects went from being funded by Shares to being supported and funded by all Central Texas churches through the apportionments. Among our projects are the following:

El Buen Samaritano of Fort Worth (June 1995) is a mission of about 40 members in Southeast Fort Worth. Through Sunday morning and evening worship services, Friday evening worship, Sunday School, youth group, marriage counseling, Bible study, and outreach ministries such as English as a second language classes, El Buen Samaritano reaches approximately 200 Hispanic persons. This mission is one the sponsors of the Justice For Our Neighbors Immigration Clinic, which provides a free legal clinic once a month.

Getsemani Ministry of Georgetown (June 1999) is a joint venture with the Rio Grande Conference, the Georgetown churches and community, the Temple District, the Central Texas Conference, and the General Board of Global Ministries. A once closed church and parsonage have been renovated with contributions from the Central Texas Conference and many individuals and churches. During the past year outreach ministry and spiritual development were begun with children, youth, adults, and families. Trust is beginning to grow as the leadership of the center has become integrated into the neighborhood. The vision is that Getsemani will be a place where people can come together in community to be the persons God created them to be.

Communidad de Fe of Ballinger (June 1994) is a small bilingual congregation whose primary focus is with Hispanic children, youth, and young adults. Being somewhat isolated and supported locally by youth and immigrant families has made this mission very vulnerable. Our prayers and nearby help is desperately needed.

Trinity United Methodist Church of Ennis had been renting space to an Hispanic church from another denomination until 1997 when the Hispanics decided to become members of Trinity Church. They have a joint Sunday School and two worship services (one in English and one in Spanish). This local church involves a growing number of Hispanic members who now outnumber the Anglo members. Church Growth and Development furnishes housing and program expense for the Hispanic, assistant local pastor who is reaching out to the Spanish speaking community.

New Projects

At the 2001 session of the annual conference, a pastor will be appointed to start a new congregation in Williamson County, west of Round Rock and east of Cedar Park. The general area will be around FM Road 1341 close to Parmer Lane. This new church will have the potential to become a large, regional congregation with high growth potential in this the second fastest growing county in the State of Texas.

A second pastor will be appointed part time to start our first new church start in the Weatherford District. The target will be on Lake Possum Kingdom where a small lakeside community is forming with no local United Methodist Church. Our vision is that this start will settle into a church much like Lakeside UMC near Eureka (Waxahachie District) and Lake Brownwood UMC near the city of Brownwood (Brownwood District).

Funding

At the 1999 session of the annual conference, Church Growth and Development presented its funding goals as set by the commission in October 1998. Below are listed the goals and the results of our previous two years.

Source	Goal	2001 (projected)	2000
SHARES	$400,000	$ 303,000	$266,000
APPORTIONMENTS	100,000	60,000	40,000
GRANTS	60,000	10,000	20,000
INTEREST	100,000	23,400	31,900
DISTRICTS	120,000	25,000	25,000

New brochures have been distributed for the 2001 Share campaign. They were designed by Roger Partridge of the Central Texas Methodist Foundation at a great savings for this ministry. It is the vision of the commission that each local church will use these brochures in their Administrative Board / Council meeting as well as worship, all Sunday School classes, and other various church settings. In addition, the Church Growth and Development director continues to seek to host in each district a celebration lifting up the successes and discipling occurring in each of the various projects. With renewed commitment and vitality, the Share income is definitely beginning to rise.

The Commission on Church Growth and Development is grateful for the vision of CFA to boldly move forward to recommend to the conference increased funding of these instruments of effective evangelism in our conference. With the skyrocketing cost of health care, this year has been a particularly difficult one for them. Their commitment to continue to encourage proven and effective ministries fulfilling the Great Commission is laudable and deserves our appreciation and admiration.

One point of concern still is the inability to help with land purchases while the land is affordable. A capital campaign can help to return our permanent funding account to $2,000,000 and help us purchase land in advance of the rapid growth when prices escalate. The commission looks forward to a successful capital funds campaign so that we can move forward with bold creations of new church starts. We are committed to doing our part. Being one of the fastest growing conference areas in the nation, we cannot do less than our best to disciple and to evangelize the people.

Vision for the Future

The director of Church Growth and Development shared his vision for the future with the 2000 Annual Conference. There has been progress, but more can be accomplished!

Adequate funding for new church starts was a major priority for this year and next. Starting 20 new churches in 8 years needs to be funded well if the starts are to become healthy congregations able to look beyond survival to effectiveness in evangelistic outreach. Being able to financially aid satellite congregations connected with existing congregations is a cost effective and futuristic means of planting new churches. Several are in the planning stage. Thanks needs to go to the Fort Worth East, Fort Worth West, Waxahachie, and Weatherford Districts for hosting events which built excitement and inspiration for Share ownership. Our dream is to have one in *every* district during the coming year. A capital funds campaign can be the spark that underwrites several new worshipping communities. Much time has been invested to analyze the census data from the 2000 census. The commission will be ready at this 2001 Annual Conference to recommend tentative sites for our next 20 church starts.

Increasing conference-wide support of Hispanic ministries is critical for meeting the challenge of the Great Commission in Central Texas. The fastest growing section of our population is the Hispanic population. The 2000 census data shows that the very optimistic projections for Hispanics in the Central Texas Conference were inadequate. The growth is surpassing all expert projections. It is critical that the United Methodist Church be on the front line of evangelism. The goals of our commission are that at least 1% of the Hispanic population in the Central Texas Conference will be members of the United Methodist Church. Our vision for the end of this quadrennial is to have 25 faith communities; 50 lay missioners recruited, trained, and deployed; 60 outreach ministries developed; 10 new church school extension programs begun, and one new Hispanic congregation begun. All of our churches with 25% percent of their surrounding population being Hispanic are called into service and mission with Hispanics. In addition to our conference missionary based in Fort Worth and our missioner at Getsemani in the Temple District, we are now seeing the need for districtwide Hispanic missionaries in the Brownwood, Waxahachie, and Weatherford Districts. Creative thinking and prayer action is going forward in an attempt to accomplish this dream. Much appreciation is due the very active Conference Committee on Hispanic Ministries and their efforts to evangelize the fastest growing demographic group in the Central Texas Conference.

Local church revitalization throughout our conference is critical for conference-wide growth. The director of Church Growth and Development has been in many of our churches throughout the conference

doing consultations and training for local church leaders who are committed to increase their effectiveness in evangelistic ministries. The director is also trying to keep local church pastors aware of training available for transformational leaders and for effective evangelistic ministries.

One of the models for local church revitalization being developed in this area is in Arkansas where they are beginning a school for local church revitalization. They had hoped to start this school last year, but a lack of funding caused them to postpone it for a year. They are now funded and starting their first class of 24 pastors and 6 lay leaders from each of the 24 churches. The director of CG&D will be monitoring this model closely to see its effectiveness and feasibility for importing it to the Central Texas Conference individually or in partnership with the North Texas Conference. The senior pastor and 6 key lay people from each church attend regular training over two years. The pastors go for 4 one-week long sessions over the 2 years, while the laity attend 8 weekend sessions over that same 2 years. The training is in transformation leadership skills, retooling a local church for growth, and getting churches off of plateaus or out of decline. The best denominational leadership from around the country will be brought in for the schools. Each and every year a new 2-year cycle is begun according to the Arkansas plan. Evaluation of this and other models will be done as we explore the best way to offer the skills needed for growth to ocal churches.

COMMITTEE ON COUNSELING

Budgeted 2001 *$15,000*

Requested 2002 *$15,000*

Report No. 1

This year the counseling committee continued its effort to offer a good program. We feel that our counseling program offers a wide range of experience and resources to the clergy and diaconal ministers and families of the conference. We commend all our counselors for the valuable service which they are providing to our conference members. In addition to the confidential counseling available, they are also available for seminars and workshops.

Report No. 2

1. This service is available to ordained conference members, diaconal, and retired ministers, and persons serving full-time conference appointments, plus their spouses and dependent family members. In addition, ordained members and families of the Rio Grande Conference serving within the geographical boundaries of this episcopal area are eligible.
2. Complete confidentiality and respect for privacy will be maintained. As a client, your name will be known only to your counselor, and no information about you will go to any other person without your written consent. Trust will be vested in the integrity of the counselors, both to keep confidences with clients and to keep faith with the program by submitting accurate bills of service for payment. Such bills will list hours of service but no names.
3. The Counseling Service will be limited to six visits to a counselor in any one year.
   a. The first two visits will be paid in full by the program.
   b. Thereafter, participants will be asked to pay a portion of the cost, scaled to income, as follows:

Family Income	Program Will Pay	Client Will Pay
1. Under $20,000	90%	10%
2. $20,000 - 27,500	75%	25%
3. Over $27,500	50%	50%

   Family income includes combined incomes of spouses, excluding housing or parsonage allowance.
4. Thereafter, if counseling is still needed, an application may be made to the Health Benefits Program for possible payment. At this time, the symptoms must clearly indicate the need for therapy.
5. During the first six visits to the counselor, payments from the Counseling Program and the Health Benefits Program simultaneously will not be allowed.
6. Payments for this program will be made only to those counselors who have been approved as participants in the program. There will be no exceptions.

COMMISSION ON EQUITABLE COMPENSATION AND CLERGY BENEFITS

Budgeted 2001 $1,000 *Requested 2002* $1,000

Report No. 1

The commission has met as needed and has carried out its responsibilities of overseeing the Minimum Compensation program for the Annual Conference. Because of the changes in appointments from time to time which often changes the number of persons and the amount needed for supplements, it is extremely difficult to project the financial needs as far in advance as required. The Commission seeks to be responsible to the churches of the Annual Conference in not requesting more than is needed in Apportionments, and at the same time provide adequately for the program. The commission is also very much aware of the financial constraints that produce the need for equitable compensation in some appointments. The commission is therefore willing to not only provide financial assistance, but provide educational assistance to help all equitable compensation entities with the tools and help to rise above the minimum compensation levels for their clergy.

We are recommending that Equitable Compensation levels for all categories of supplements be increased by 4.5% for the 2002 Conference financial year (6.7% for Full-time Local Pastor's in order to bring this compensation up to the minimum level necessary to provide CPP coverage for that pastor). Additionally, we recommend that the 2002 budget for Equitable Compensation be $40,000.00 in Salary Compensation and that the Committee's budget be $1,000.00 for Committee expenses.

The Commission adopted a policy related to Workers' Compensation allowing churches to purchase workers' compensation at a reduced rate. The committee's policy states **"the Equitable Compensation Committee of the Central Texas Conference will offer to participate with those churches receiving equitable compensation in obtaining workers' compensation insurance for lay and clergy employees through the Conference-wide insurance program, up to $250.00 per policy."**

Report No. 2
Equitable Compensation Fund:

There shall be a program of equitable compensation support in the Central Texas Conference under the management of the Commission on Equitable Compensation and Clergy Benefits. This program shall be patterned after ¶ 623 of the 2000 *Discipline*. Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Compensation Program.

1. A prerequisite for consideration of salary supplements from the Equitable Compensation Fund shall be the filing with the Commission of a written application (Form EQ1/1999) by the District Superintendent **each January 1 or anytime an appointment change occurs in an Equitable Compensation appointment**. The District Superintendent shall certify classification of the clergy and the salary (using Pastoral Compensation and Support Worksheet figures) set by the charge.
2. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between the Annual Conference session, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro-rata basis for the part of the year actually served.
3. The following conditions must be met by the pastoral charge before it can become eligible for consideration to receive supplements from the Equitable Compensation Fund:
   a. The pastoral charge shall have conducted a stewardship campaign for the local budget of each of its churches during the previous calendar year. The Commission will assist in such a campaign upon written request from the charge pastor or district superintendent.
   b. All apportioned items shall have been paid in full by the local church for the previous calendar year.
   c. The charge must have at least 100 members.

   In unusual situations the Commission on Equitable Compensation and Clergy Benefits may waive any or all of these conditions.
4. The Commission on Equitable Compensation and Clergy Benefits will pay any amount up to 1/3 of the minimum salary set by the Annual Conference for each applicant according to his/her ministerial classification. If any exception under paragraph 3 or 4 is sought, the request must be endorsed by a 2/3 vote of the Cabinet before it can be considered by the Commission.
5. Persons of the following ministerial relationships are eligible for consideration for salary supplements at the level indicated for 2002. Rates for adjustment will be considered annually by the commission, but no less than the same percentage increase as the previous year's average support and compensation for full time clergy assigned to our local churches, rather than establishing automatic adjustments. The amounts reflected include the pastor's support and compensation amounts according to the cabinet worksheet, exclusive of parsonage considerations or a housing allowance.

	1 - 1 - 2002
a. Elder in Full Connection	$27,449
b. Probationary member (92 Disc.) or Probationary Elder (96 Disc.)	
1) Non-student	$23,829
2) Student	$21,527
c. Associate Member	$23,829
d. Local Pastor	
1) Full-time Local Pastor	$20,178
2) Student Local Pastor	$18,086

   In the event that the salary level above in any category falls below the level required for Death, Disability, and Pension Buildup features of the CPP program for a pastor otherwise qualified for these benefits the Commission may authorize a supplement to the level necessary to provide CPP coverage for that pastor. The Commission will continue to pay to the Church an amount equal to 12% of the supplement amount for the purpose of paying the MPP amount for that pastor.
6. Pastors who are appointed to less than full-time service as addressed in the 2000 *Discipline*, (¶ 329.2) shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in pastoring the charge. For example, if the pastor is deemed as serving 1/4 of full time, his/her minimum salary eligibility would be 1/4 of the minimum of his/her conference relationship classification. The categories of 1/4, 1/2, and 3/4 will be followed in determining less than full-time eligibility for salary supplements from the Equitable Salary Fund.
7. Ministers who are not eligible for salary supplements are:
   a. Those whose appointment is other than pastor of a charge.
   b. Those classified as part-time local pastor.
   c. Retired ministers.
   d. No pastor shall be eligible to receive salary supplements from this fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in a present appointment.
   e. Associate Pastors

Moving Expenses

1. We recommend that upon proper documentation of actual expenses for moving provided to the conference secretary/treasurer, the conference pay the amount of actual moving expenses incurred up to the greater of $400 or $4.00 per mile for the first 100 miles and $2.00 per mile additional after the first 100 miles within the bounds of the annual conference. The receiving charge is expected to pay any remaining balance of the actual moving expenses.
2. We further recommend that the procedure of filing correct forms with the conference secretary/treasurer be

continued and that proper documentation be made at the time reimbursement is requested. Request for moving expense must be submitted to the conference secretary/treasurer within 90 days of the effective date of an appointment (see also Item # 5 below).

3. We do, however, expect every receiving charge in the Annual Conference to pay the moving expense of the new minister in excess of the allowances and it must be the responsibility of the district superintendent at the time of consultation to inform the church of its share of this obligation.
4. We recommend that the conference pay the moving expenses of a retiring clergy person within the boundaries of the conference, or one being placed on Disability Leave, or the surviving spouse and family of a clergy person who dies while under appointment, within the boundaries of the conference. This reimbursement will not exceed $500 over the amount paid in Article #1.
5. Moving pastors should consult with receiving church or Pastor/Staff Parish Relations Committee or its equivalent before entering into a contract that would bind the church. A moving expense form will be provided by the conference and must be submitted with receipts before any reimbursement can be made by the conference Treasurer.
6. Clergy whose salary is below the annual conference average compensation will be able to request, if they desire to do so, an advance on the portion of moving expense to be paid by the annual conference. Such advance shall be based on estimates of actual costs, shall be in writing and shall be signed by the minister and the district superintendent of the sending charge. In the event that the advance given by the annual conference should exceed the annual conference's actual responsibility, the overage shall be refunded to the annual conference within 30 days.

The Commission is studying ways in which Equitable Salary funds may be used to supplement unusual situations beyond the Conference minimum scale to provide assistance for pastors who remain in churches for missional purposes at the request of the cabinet. Proposed Constitutional Amendment – I

On May 9, 2000, at a session of the General Conference of The United Methodist Church held in Cleveland, Ohio, the following Constitutional Amendment was made by a recorded vote of 864 Yes, 57 No. It is now presented to the Annual Conferences for vote.

Amend the Preamble to the Constitution, beginning with the third paragraph, as follows:

Insert "The United Methodist Church and its predecessors," after "The prayers and intentions of" in the first sentence of the third paragraph and "The United Methodist Church has adopted and amended the following Constitution" following "Therefore," in the fifth paragraph.

Delete "In harmony with these prayers and intentions, these churches do now propose to unite, in the confident assurance that this act is an expression of the oneness of Christ's people" from the end of the third paragraph, the entire fourth paragraph and all, except the first word, of the fifth paragraph.

If voted and so declared by the Council of Bishops, the Preamble to the Constitution would read:

The church is a community of all true believers under the Lordship of Christ. It is the redeemed and redeeming fellowship in which the Word of God is preached by persons divinely called, and the sacraments are duly administered according to Christ's own appointment. Under the discipline of the Holy Spirit the church seeks to provide for the maintenance of worship, the edification of believers, and the redemption of the world.

The church of Jesus Christ exists in and for the world, and its very dividedness is a hindrance to its mission in that world.

The prayers and intentions of The United Methodist Church and its predecessors, The Methodist Church and The Evangelical Brethren Church, have been and are for obedience to the will of our Lord that his people be one, in humility for the present brokenness of the Church and in gratitude that opportunities for reunion have been given.

Therefore, The United Methodist Church has adopted and amended the following Constitution.

Title to Properties—Titles to properties formerly held by The Evangelical United Brethren Church and The Methodist Church shall be held and administered in accordance with the *Book of Discipline*. Nothing in the Plan of Union at any time after the union is to be construed so as to require any local church or any other property owner of the former The Evangelical United Brethren Church or the former The Methodist Church to alienate or in any way change the title to property contained in its deed or deeds at the time of union and lapse of time.

HOMES FOR RETIRED MINISTERS

Budgeted 2001 $30,404 *Requested 2002 $34,364*

There are sixteen homes owned by Homes for Retired Ministers as of January 1, 2001. The house in Rising Star will be sold hopefully before Annual Conference meets leaving us with fifteen. The Annual Conference sets the date for each church to take an offering to support this ministry in June of each year. Many pastors do not choose to present this cause to their congregations so our support from the conference is about one-half the amount it should be. We urge lay delegates and pastors to see to it that this cause is presented in each congregation as a communion offering the first Sunday in June. Each District Superintendent is given a supply of envelopes sufficient for distribution in the churches of his/her district. The Board emphasizes the need for the support of this humanitarian cause.

Lay Speaking Ministries

The program of Lay Speaking Ministries is celebrating the beginning of a new millennium and a new quadrennium. In our Conference our districts having Laity Banquets are showing the strength and purpose of our lay leadership. The Temple District alone had over 900 laity and clergy taking part in the opportunity to praise God and the work of the Church. United Methodism is transforming lives through its many opportunities. The many calls received to explore the Lay Speaking Ministries Program is exciting. Laity and pastors both are encouraging others to experience the Basic Course and then advance to the certified level. The new courses for Advanced credit include an updated look at leading worship, a secondary preaching course, and a new look at leading small groups.

The National Association of Lay Speaking Ministries has placed a slate of officers before the body. With communication being a priority, over 50 persons attended the weekend of planning and preparation for an increased role in the future of Lay Speaking Ministries. General Conference has addressed the wording in the *Discipline* to help clergy and laity see with more clarity the purpose of Lay Speaking Ministries across the nation. As ministry takes on many forms, so does the face of Lay Speaking Ministries. We continue to be a body of laity that touch lives in the name of Jesus Christ through leading, caring and communicating.

As each church has a different need, each lay speaker is called in a different way. We celebrate those many lay speakers who make visits, those who teach, those who clean, those who preach, those who write, those who chair meetings, those who plan events, those who do anything and everything they are asked or that they see needs to be done. To borrow a quote, "So much more would get accomplished if no one cared who received the credit". Let the lay speakers not say, "We did it", but be enablers of the sharing and spreading of the love of God through Jesus Christ.

The contact at the General Board of Discipleship for Lay Speaking Ministries is Tim Moss. He can be reached at P.O. Box 340003, Nashville, TN 37203-0003, 615-340-7179 or tmoss@gbod.org.

United Methodist Men

It has been another exciting year on the United Methodist Men journey. Men throughout the United Methodist Church are rising to the challenge of becoming servant leaders for Christ. Some of the highpoints along the way that have helped challenge men in their spiritual lives are:

This year we have witnessed men's groups getting out of the box and seeking spiritual growth in the activities and programs being designed and implemented. The CTC UMM is working with The Depression Challenge Team, to help bring this vital educational resource on mental health issues into our churches to promote healing and support. We have been involved in helping to organize and promote the "Releasing Heaven Prayer Celebration" and have seen tremendous growth and excitement in this ecumenical prayer gathering. There are many men's groups that have organized prayer, Bible study, and accountability gatherings to help keep focused on spiritual growth and support.

We continue to see new United Methodist Men groups being formed in our Conference. It is exciting to see men and Pastors seeking to revive or establish men's ministries in their local church. There is a growth in new-chartered United Methodist Men's units in the Central Texas Conference. The EMS (Every Man Shares in Evangelism Mission and Spiritual life) program continues to grow as individual men join in this great opportunity. This year our focus is on helping the district teams of UMM organize and grow.

The Men's Expedition April 20-21 at Glen Lake will prove to be another special and unique time for spiritual renewal for men and pastors. We are excited to have with us a team of Conference leaders to guide and share the model of Christian unity for our Conference and to lead the weekend experience.

The United Methodist Men's program in Central Texas gratefully acknowledge all of the pastors who have taken the initiative to develop leadership among the men of their churches and establish a men's ministry and we openly offer to help them all we can. It is exciting to see pastors and laymen come together and work as a team focused on church growth and spiritual vitality.

It has been a journey with new horizons and opportunities and the path ahead holds many more exciting possibilities for men's ministry.

United Methodist Women

United Methodist Women exceeded its pledge to missions in the year 2000. $199,900 was sent to Women's Division undesignated and an additional $21,000 as designated. The Schools of Christian Mission were well attended with a large group of children. Classes were offered in both English and Spanish.

Our Annual Meeting and District Officer training was held at First UMC, Arlington. Mary Lee Hafley, Director of Women's Shelter of Arlington, was the featured speaker. The 2001 budget was adopted and new officers were elected. Thank you Babe Goad for your leadership during the past four years.

In November, Myrtis Parker, Dyann Ketcham, Marlene Morgan, Cindy Damon, Alma Bruton, Maxine Clements and Edna Davis attended the Women's Division new officer training in St. Louis. In December, Fara Rives and Beth Meng, along with adult sponsors Cynthia Rives and Cindy Damon attended "Young Women Rise Up! A National Gathering of Teens and College/University Women in UMW" sponsored by Women's Division. These two young women came home and started a college unit at Tarleton State University where they are both students.

In January I attended the President's Consultation in Nashville. Some twenty women traveled to Austin for the 2001 Legislative Event. Jane Goodspeed, CTC Social Action Coordinator, was elected to lead the Texas UMW Legislative Event to be held January 27-29, 2002. Rainbow 2001, our annual multi-cultural event was held in at Glen Lake.

In March we had TIME APART at Glen Lake. Rev. Nancy Schusler led "Seeking the Bible Through Music and Drama." This event is always a highlight of the year. Liz Williams, Staff Person of Women's Division, met with the executive committee for a session on team building in April.

A group will be attending the West Gulf School of Christian Mission in Oklahoma City, June 15-19. The CTC Schools of Christian Mission will be held at Glen Lake July 27-29 and July 30-August 1. The studies are "Jesus and Courageous Women," "Vietnam, Cambodia and Laos" and "Global Health and Christian Response-Ability."

The next four-year emphases are Mission Today Units, District Visitation and Membership. Everything we do is done to achieve our purpose. The organized unit of United Methodist Women shall be a community of women whose PURPOSE is to know God and to experience freedom as whole persons though Jesus Christ; to develop a creative, supportive fellowship, and to expand concepts of mission through participation in the global ministries of the church.

Edna Davis, President

LYDIA PATTERSON INSTITUTE
PO Box 11
El Paso, TX 79940
Phone: 915.533.8286

It is with deep appreciation and gratitude that I bring this report to you, the heart and core of this ministry on the U.S. – Mexico border. Over a century ago, Lydia Patterson received a calling for service with the poor Mexican families in south El Paso; a calling later assumed by the greater church upon the death of this kind woman of God. Lydia Patterson Institute is living testimony of the mission of the United Methodist Church and its connectionalism. The ministry of Lydia Patterson Institute owes its existence to the kindness and commitment of every United Methodist within the South Central Jurisdiction and beyond. It is with this thought in mind and heart that I wish to thank the Bishops, conference leaders, ministers and, especially, the local church members, for their apportionments, contributions to the endowment, their leadership, and their prayers.

We began the 2000-01 school year with 23% increase in enrollment. This was the result of a more vigorous recruiting process and increased promotion and visibility. The increased number of supporters

participating in our scholarship program enabled us to serve more students from the "barrios" and orphanages in Juarez.

Our academic standards continue to improve with the addition of honors classes to our curriculum. SAT scores are higher and 90% of our graduating seniors are going to college. Fifty-percent of the college students are attending United Methodist institutions. At present, LPI graduates are attending McMurry University, Texas Wesleyan University, Southern Methodist University, Wiley College, Lon Morris College, Southwestern College, Kansas Wesleyan University, Simpson College, Philander Smith, and Oklahoma City University. This year we hope to place students at Hendrix College and Albion College as well.

The first two students of the student lay ministry program will graduate this year. While they attend college, these students will serve in an internship in a local church or college campus doing Hispanic ministry. The religious life on our campus is a fundamental part of our program. Students participate in weekly chapel services, Bible classes and community services. As a Thanksgiving project the students delivered food baskets to twenty-five needy families in our neighborhood. For Christmas, they collected over 500 toys that were handed out at Christmas parties prepared for the children of one orphanage and one highly impoverished colonia in Juarez.

Lydia Patterson goes beyond its ministry with the students and into the life of the church. We serve as a link between the New Mexico, Rio Grande and the North Central Conference in Mexico by bringing the three together and providing workshops in English and Spanish. We have hosted meetings for jurisdictional and national United Methodist agencies and organizations and will welcome here the United Methodist Women of the New Mexico Conference for their annual meeting in October.

Lydia Patterson has moved from a life of uncertainly to one of vision and promise. We have completed a strategic plan that will guide us through the first part of this century. We now look forward to working towards enhanced programs, a continuing growth of our enrollment, a healthier endowment, renovation of our buildings, and academic excellence. We have established a development office to continue to bring Lydia Patterson to a level unprecedented in its history. Mr. Carlos Guevara has filled the position of Development Officer. He is a graduate of Lydia Patterson and recently earned a degree in International Marketing from Oklahoma City University.

On behalf of the faculty and staff who work hard to make good things happen, I thank you for being our partners in this ministry which serves as an inspiring instrument of God's love.

Respectfully,
Dr. Socorro Brito de Anda, President

Mount Sequoyah is a unique learning center where all persons are welcomed and encouraged to learn, to discover meaning and hope and to develop tools for effective Christian living and witness.

For seventy-eight years of ministry as an institution of The United Methodist Church, Mount Sequoyah has been a gathering and learning place. Persons from The South Central Jurisdiction, and literally from all over the world, come to "The Mountain" to participate in programs that enable them to grow intellectually and spiritually.

The special ministry of "The Mountain" as the Older Adult Program Center for our Jurisdiction is programs for persons of fifty and more years and training for persons who work with older adults. This service to the largest population group of our church is built around an understanding of positive aging and an affirmation of God's gift of long life.

Along with the older adult ministry, Mount Sequoyah is host to a number of other jurisdictional programs including Weekend 2001, The Jurisdictional Singles annual event, Jurisdictional Youth Ministry Organization (JYMO) and organizational gatherings of Volunteers in Mission (VIM). National events include United Methodist Congress of the Deaf and Native American Awareness Week.

"The Mountain" is also a place of hosting and hospitality offering a quality learning environment for the resident programs of groups within and beyond the United Methodist denomination. All together, during the past year, some 5,938 persons involved in 236 programs contributed to the rich life of Mount Sequoyah. Thirty-eight percent of the participants in events during the year 2000 were United Methodists. The remainder were persons from other denominations, schools and community organizations.

In order to continue and expand the work of "The Mountain", considerable progress is being made toward renovating the facilities. All facilities used for programs have received some repair and upgrade. New interiors have been created by VIM teams in the Oklahoma, Edwards, Louisiana, Arkansas, Missouri and Bishops Cottages. In progress are the Nebraska, Kansas and Barnett Cottages along with a major renovation and addition to the Texas Cottage.

Mount Sequoyah, "the learning place," is serving with enthusiasm, optimism and strong faith in the work God has given to us.

GUIDELINES FOR MINISTERIAL RELATIONSHIPS
APPROVED BY THE CENTRAL TEXAS CONFERENCE
JUNE, 1972

LATEST REVISION JUNE, 2001

The United Methodist clergyperson of today considers himself/herself a professional of equal stature with the other professionals of our society. This professional image is produced by the degree of education attainment and the competency with which the clergyperson fulfills his/her responsibilities both within the Church and the community. In view of this, these GUIDELINES FOR MINISTERIAL RELATIONSHIPS are set forth in an effort to provide the clergyperson with a definable boundary of conduct, with the intent and purpose being the strengthening of the bonds within the ministerial community, in order that all involved might render a more meaningful service within this ministry of love.

I. It is to be understood that the minister designated as "Pastor-In-Charge" [hereinafter referred to simply as "Pastor" and referring to that individual who has the primary ministerial leadership responsibility while the term "minister" shall apply to any other clergyperson] shall perform or shall be in charge of all Sacraments, Acts of Worship, and Rituals carried out within the parish unless circumstances prevent him/her from fulfilling this responsibility.

A. A minister shall not perform any **MINISTERIAL FUNCTION** for a member of a congregation without the express permission and direct personal invitation of the Pastor.***[paragraph 332.4, 2000 Discipline]***

1. If a family in a crisis situation desires the ministry of a minister other than the Pastor said minister must be requested through the Pastor, who will arrange for his/her presence.
2. In the case of funerals, weddings or other ministerial functions, if members desire the ministry of a minister other than the Pastor, said minister is to be requested through the Pastor, who will contact the desired minister.
3. Visiting ministers will assist the Pastor in a manner mutually acceptable to the member family and Pastor. The Pastor will be in charge of the service, not the visiting minister. However, the Pastor shall retain the right not to assume direct charge as a matter of personal preference, or if he/she deems such an action as pastorally unnecessary.
4. The Pastor shall assume the responsibility for the fulfillment of all disciplinary requirements listed in Paragraph 331 of the 2000 DISCIPLINE in those instances where a visiting minister is involved.
5. When a family which is not a member of, or related to, a local church in their city calls a distant minister to conduct some ministerial function in a facility other than the local church, the minister, out of a loving care and concern, should contact the local Pastor before conducting the service.
6. If a family contacts a potential visiting minister prior to consulting with the Pastor, the family shall be instructed by the potential visiting minister to consult with the Pastor, and no commitment shall be made until such a time as the visiting minister is contacted by the Pastor.
7. If the Pastor is unavailable to minister to the needs of a family due to illness, vacation, or other extenuating circumstances, the visiting minister shall conduct himself/herself on the highest level of ethical behavior so as not to impair or injure the future ministry of the Pastor.
8. The Pastor is to inform the Funeral Director regarding all arrangements for a service.

II. While realizing that ministers tend to build meaningful and lasting relationships with persons and families within a parish, visits in a previous pastorate should be held to a minimum especially during the first year. In turn, no minister should make suggestions as to what should or should not be done within the program or policy of a local church of which he/she is not the Pastor.

III. Retired ministers should abide by the same rules of conduct established for visiting ministers. They should accept the responsibility for the performance of **any** ministerial function **only** upon direct invitation of the Pastor.

[The following section, Roman numeral "IV" is new material]

IV. If a Pastor believes that a colleague, either active or retired, has violated the Guidelines for Ministerial Relationships as adopted by the Central Texas Conference, the matter shall be resolved in the following manner:

A. The Pastor is encouraged to *diplomatically* remind the alleged offending minister of the terms of the Guidelines for Ministerial Relationships. If the situation persists the Pastor shall request a meeting of the Staff/Pastor Parish Relations Committee and share with those present his/her concerns relative to the performance of Ministerial Functions by someone other than himself/herself.

B. Upon completion of the discussion with the Staff/Pastor Parish Relations Committee, if the committee concurs there is a problem, representatives of the committee shall be named for the purpose of making contact with the alleged offending party. If the problem continues to exist after meeting with the alleged offending party, the committee shall request a meeting with the District Superintendent for the purpose of filing with that office notice that a conference policy is being violated.

C. If the members of the Staff/Pastor Parish Relations Committee do not concur that a problem exists or they are unwilling to name representatives to meet with the alleged offending party, the Pastor may request a meeting with the District Superintendent, the alleged offending party, and as many members of the Staff/Pastor Parish Relations Committee as are able to attend.

D. If there is no resolution of the matter to the mutual satisfaction of the Pastor and the Staff/Pastor Parish Relations Committee, then a meeting shall be held at which time there is present the

presiding bishop of the area, the plaintiff pastor, the alleged offending party, representative membership of the local church's Staff/Pastor Parish Relations Committee, and the District Superintendent of the district in which the local church is located. This meeting shall have as its purpose the establishment of a strategy by which the matter can be resolved under the Discipline in effect at that time.

E. In the event that this procedure does not result in resolution of the problem, the Pastor or other parties may elect to bring charges against the alleged offending minister under paragraph 2702, 1[g] of the 2000 Discipline, entitled CHARGEABLE OFFENSES and reads as follows: "relationships and/or behavior that undermines the ministry of another pastor."

V. In the interest of assuring a smooth pastoral transition, the outgoing Pastor has the following obligations to his/her successor:

A. Introduce him/her in a positive manner, utilizing the church newsletter and other means that are at his/her disposal.

B. Arrange for responsible lay persons to meet with and acquaint the new Pastor with his/her new parish assignment.

C. The outgoing Pastor should make it clear that the newly assigned Pastor will have the responsibility of ministering to the congregation, and that he/she will not be available for such services.

D. The outgoing Pastor shall explain to the local congregation, in a tactful manner, the circumstances which produced his/her new assignment, i.e., if he/she had actively sought a new pastorate he/she should be honest enough to say so, or if he/she had agreed to move which he/she had not sought this, too, should be explained.

E. In the area of finances:

1. All church finances should be current and fiscal data file available for the new Pastor.
2. A Pastor moving to a new appointment following Annual Conference shall not receive salary, *expense reimbursement or other remuneration* from the local church, for service after May 31st.
3. It is the Pastor's responsibility to see that all funds are expended only for the purpose for which they were contributed [Paragraph 258.4e,The 2000 Discipline].

F. All records should be in an orderly and up-to-date status.

G. The parsonage shall be vacated by noon on "moving day." The incoming Pastor should not arrive prior to noon. The outgoing Pastor shall work with the *Trustees/Staff Parish Relation Committee/Parsonage Committee* to see that the parsonage is thoroughly cleaned inside and out, and that needed repairs are called to the attention of the committee prior to his/her departure.

H. All utilities shall be paid through the departure date in those instances when the Pastor is directly responsible. In those instances where this creates a problem, the outgoing Pastor shall make arrangements with the incoming Pastor to pay his/her fair share.

VI. If a Pastor is to be absent from his/her parish for an extended period of time, he/she should inform the congregation as to which minister[s] will be performing his/her pastoral duties. If no previous arrangements are possible due to sudden calamity, the District Superintendent should be consulted.

VII. The Pastor shall keep in confidence any privileged information that he/she should obtain.

VIII. A minister shall have those rights and privileges of citizenship which are common to other citizens:

A. A minister may hold elective or non-elective public offices or positions of honor and trust if there is no time conflict between the holding of such offices or positions and his/her relationship with his/her appointed ministry. The decision as to whether or not such a conflict does exist should be made by the minister in consultation with the Administrative Board [or equivalent governing body], the District Superintendent, and the Bishop.

B. A responsibility of the minister is to give leadership on moral and social issues; and his/her leadership should not be circumscribed by the congregation to which he/she is assigned except in those instances where there is a direct conflict with The Discipline. Because of this leadership role, the minister should familiarize himself/herself with character-building institutions, social and professional service institutions and governmental resources in the community.

C. In exercising citizenship right and privileges, the minister should follow these suggestions:

1. Be careful to identify personal position taken on public issues as personal positions.
2. If he/she presumes to speak for his/her congregation, he/she should be certain that his/her position is supported by action of the Administrative Board or equivalent decision-making local church entity.

Although it is recognized that a certain amount of competitiveness promotes a healthy spirit of effort between local congregations, no Pastor should make himself/herself party to an activity or undertaking that injures or detracts from the efforts of the Pastor or a nearby local church. A Pastor's discreetness at this point should forbear his/her calling upon members of a nearby local church who are actively involved, or scheduling programs or activities which tear down or hinder similar programs or activities of a nearby church. In short, local church Pastors serving in immediate proximity should seek to cooperate and compliment each other, rather than hinder or interfere with each other's programs.

1. (n accordance with the *Discipline*, which requires that the Past Service Rate (PSR) be at least 9/10 of 1% of the Conference Average Compensation (CAC), for those clergy with pre-1982 service years who qualify for annuity), the Conference Board of Pensions recommends that the PSR for 2002 be $435. This is above the minimum requirement.
2. Based on the past service rate of $435 for 2002 we request from the Conference the following amounts:

Conference Claimants requirement	*$800,000
CPP	500,000
Total 2002 Request	$1,300,000

3. We further request $1,198,388 to provide for CTC Health Benefits Plan for 2002.

In Summary	2002 Request	
CC & CPP	$1,300,000	(an increase of $48,000)

In the case of Family Leave, the board recommends that the conference make CPP contributions of 3.4% of the Denominational Average for Full Members, Associate Members, and Probationary Members.

Report No. 3

The board recommends that it continue to actively pursue the issue of pension arrearage utilizing a very fair but stringent examination of each situation to determine what steps need to be taken to assure the integrity of the affected minister's future pension benefits.

The board recommends the following procedure for dealing with current and future pension contributions:

a.) Each January the General Board of Pensions will be requested to send a list of accounts showing arrearage for the previous year.

b.) Letters will be sent to the following lay leaders of the churches involved: Administrative Board/ Council Chair, Pastor/Staff Relations Committee Chair, Finance Committee Chair, and Treasurer. The pastor and the district superintendent will also receive the letter. The letter will emphasize the importance of this issue and urge them to bring their contributions current by sending their check to the General Board of Pensions office by the June 15 deadline. Arrearage payments must be in The General Board of Pension and Health Benefits offices by June 15, not postmarked by that date to

arrive later.

c.) Each church which does not meet its obligation will report this fact to its Charge Conference and give an explanation. The district superintendent will keep a record of this action.

The resolution declaring the local church's obligation to contribute 12% of the clergy's Plan Compensation, up to the Denominational Average Compensation (DAC), is found on page 205 of the *1996 Journal*. This resolution is to be part of the stated business of the regular, annual Charge Conference.

Report No. 4

In keeping with the guidelines previously approved by the Annual Conference the Board recommends the following persons be granted additional years of Pre-82 service:

Michael Ramsdell	2 years
Sharon McIntyre Watt	1 year
Thomas Connally	2 years

Report No. 5
Conference Committee on Life and Health Benefits

There is no good news about our self-funded health benefits program. We have seen a dramatic rise in claims from 1.3 million in 1998 to 2.1 million in 1999 to 2.9 million in 2000. The causes of this appear to be a combination of factors: sharply rising costs in the delivery of services which began in 1998 following several years of relatively stable pricing; the dramatic rise in prescription drug costs, and the aging of our group (We are told that our average age is nearly 15 years above most medical group plans.)

As a result of the inability to have foreseen these increases, and to plan for them as far ahead as we must project premiums and budget requests, we have seen our reserves decline at an alarming rate. In 2000 alone we lost over $1,000,000 on our program. In order to keep our program from bankruptcy and to continue to provide a quality medical and prescription program, it is necessary to make some drastic alterations at this time.

First of all your Board changed PPO networks March 1, 2001. Feeling that the Galaxy network did not provide broad enough coverage across our Conference, resulting in only about 65% in-network usage, we have switched to using two networks: to PHCS for those persons in Tarrant, Parker, Palo Pinto, Johnson, and Ellis Counties, and to HealthSmart for the remainder of the Conference. These networks appear to offer better network coverage and in most cases better discounts than the previous network. We have also changed our Prescription drug provider to USIRx. We anticipate savings from both of these moves.

However, your Board still faced the need for $1,000,000 new revenue for 2002 in order to minimally maintain the program without further erosion of our now dangerously low reserves. This would have required a 49% increase in premiums and in the apportionment figure. Your Board felt like this was an impossible request at this time. Instead it seemed wise to balance the burden between an increase in premiums and some changes in the benefit structure that shifts some of the costs to the users of the program.

In looking at the history of our Conference Program your Board remembered a previous time (1988-90) when circumstances dictated semi-annual raises in premiums. Following this precedent, we are proposing an increase in premiums effective August 1, 2001 of 14% with another 14% increase to take effect on January 1, 2002. These increases are reflected in the premium schedule below. It may be helpful to note that even with the two increases, the 2002 rates are only 17% above what was charged in 1993.

In terms of changes in the benefit structure we have voted for the following changes which will be effective January 1, 2002:

1) Change the in-network deductible from $500 per person/$1,000 per family to $500 for one person, $500 for the second person, and a maximum of $1,500 per family.
2) Change the out of network deductible to $1,000 per person and $2,000 maximum per family.
3) Change the co-insurance provision from 90% in network/80% out of network to 85% in network/65% out of network. In addition the out of network out of pocket maximum would increase to $3,000 per person/$5,000 per family.
4) Change the out of pocket maximum for in network usage from $2,000 per person/$3,000 per family to $2,000 per person/$4,000 per family.

It should be noted that most of the changes are designed to encourage in network usage which is where our greatest savings are found.

Your Board offers these changes only because we see no other alternatives before us to save our program and to keep it solvent. We are currently sending data to several other companies, including our General Board of Pensions Healthflex program for quotes on our Conference. However we do not really expect these to be a cheaper alternative—only that they would get us out of the self-funded business. For example the North Texas Conference is a Healthflex Conference and currently their premiums are considerably higher than ours, and are scheduled for a 23% increase for 2002. Nevertheless, we will look at all options, and if something better than what we are proposing here for 2002 becomes a viable option we could ask the Bishop to call a special session of the Annual Conference to consider another type of program.

Current Health Benefit Coverage

The Committee on Life and Health Benefits wants to remind members of the Annual Conference about the Wellness Benefit, which continues at $250 annually per covered person. Participants are encouraged to take advantage of this provision which allows for first dollar coverage of routine physical exams, immunizations, vision exams, cancer detection tests, smoking cessation treatment and weight control prescribed by and under the supervision of a physician. Claims submitted for payment under the wellness benefit should be notated to reflect that intent.

In addition, the Health Benefits Committee continues to hear examples of situations where lay persons employed by a Central Texas Conference church may not be aware of the availability of health benefits through the conference. The local church and any other Conference entity which employs individuals who work at least 20 hours a week must make the employee(s) aware of the availability of the conference's group health benefits. Every employer entity (whether contributing or not to the cost of the employee's health benefits) also has the responsibility to notify the Benefits Plan and the Conference Office when the participating employee is no longer eligible.

Participants are reminded of their responsibility (as explained in the Benefits Plan booklet) to submit a change form within 31 days of his or her acquiring a new dependent if the dependent is to be added to the health benefit plan. One's children cease to be covered at age 19 unless one makes the proper report concerning educational status. Change forms are available from the conference office.

RETIREE HEALTH BENEFITS

We took action effective January 1, 2001 as per action at the last session of the Annual Conference to begin enforcing the provisions of our plan that require Medicare eligible retirees to move from our full plan to a medicare supplement plan. In addition, last July1, when we lost the former Harris Medicare Supplement plan which was dropped by Pacificare, we moved our retirees to the AARP Health Care options Plan I. Both of these transitions have gone fairly smoothly. We appreciate the understanding and patience of all involved. So far we have been pleased with the services of the AARP program. We continue to pay one-half of the premium for those on this program.

In addition you will recall the lengthy discussion at the last Conference concerning the opportunity for clergy who had previously opted out of Social Security to opt back in during either the 2000 or 2001 tax year. Our primary concern continues to be the health insurance coverage for those who are not medicare eligible for having dropped out of the program. Our plan has always had a provision in it that indicated persons could not remain on the full program after full retirement. Many have reportedly taken advantage of the opt-in opportunity, which is strongly encouraged not only by your Conference Board, but also by the legal department of GCFA and the General Board of Pensions and Health Benefits. It should be noted that the GBOPHB states in its policies that all retirement and health benefits provided through that agency are designed to work in co-ordination with Social Security and Medicare. This is also true of the new Disability Benefits program that begins January 1, 2002.

It should be noted that some persons who opted out of Social Security may still be eligible for benefits either through previous employment, or through their spouse. However, your Conference Board again strongly encourages those who have this opportunity to opt in to take it at this time. We expect to continue to enforce these provisions of our plan, and cannot assure coverage to those who failed to take advantage of this opt in provision. It might also be noted that should we cease to be self-funded we would not have the option of providing health coverage to replace Medicare. For example the HealthFlex program of the GBOPHB, which is an option being considered for our Conference, assumes medicare coverage for retirees.

Summary

Questions regarding coverage under the Central Texas Conference Health Benefits Plan can be directed to the administrator at 800-759-0101 or (817) 737-1700. The conference office will also be happy to discuss the program with you or clarify benefits available.

Report No. 6
Resolution relating to Rental/Housing Allowances for Retired or Disabled Ministers of this Conference

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired and disabled ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service, and

WHEREAS, the Internal Revenue Service has recognized that the Central Texas Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this conference;

NOW THERE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received during the year of 2002 be and is hereby designated as a rental/housing allowance respectively for each retired and disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Central Texas Annual Conference at the time of his or her retirement.
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relation or placed on disability leave by the Central Texas Conference and whose name and relationship to the conference is recorded in the *Journal* of the Central Texas Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be the pension or payment resulting from all service of such retired and disabled ordained or licensed minister from all employment by any local church, Annual Conference or institution of The United Methodist Church or any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of:

- the amount of the rental/housing allowance designated by the minister's employer or other appropriate body,
- the amount actually expended by the minister to provide his or her housing, or
- the legally-determined fair rental value of the parsonage or other housing provided.

As specified in Rev. Rul. 71-290, 1971 C.B.92, "the only amount that will qualify for exclusion under Section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

Report No. 7
Section 125 Cafeteria Plan

For the purpose of paying for health care without having to pay taxes on the money which one spends, the conference established a Cafeteria plan under Section 125 of the Internal Revenue Code for all lay and clergy employees working 1040 hours per year, who work in our churches, as Conference staff, in the CTC Foundation, at Glen Lake, or who are appointed to extension ministries within the bounds of the Conference.

The Cafeteria Plan has an automatic feature and three optional features. The automatic feature, for which one does not need to fill out an enrollment form is the exclusion from one's wages, on a pre-tax basis, of one's premium for one's medical insurance coverage. One needs only to tell one's treasurer to exclude each

month's premium and send it to the proper address. The three optional features require filling out an enrollment form and paying the proper administrative and posting charges which apply. These also are paid with pre-tax dollars.

The optional features one may select to exclude from wages include:

1. Unreimbursed Medical Expenses up to $3,000
   (on a use-it-or-lose-it basis)
2. Dependent Day Care up to $5,000
   (whether for a young or old dependent, use-it-or-lose-it)
3. Supplemental Medical Insurance from AFLAC:
   a. Cancer & Dread Diseases (22)
   b. ICU Indemnification
   c. General Hospital Indemnification
   d. Accident & Disability

Our AFLAC agent handles all enrollments, whether or not an AFLAC policy is purchased. Employers, please contact Mr. Bobby Clark, 972.625.5954, for all new enrollees and as soon as possible upon the termination of an employee.

Budgeted 2001 $150 *Requested 2002 $900*

Greetings in the name of Jesus Christ, our redeemer and advocate.

The Conference Personnel Committee has continued efforts to dialogue with Conference Directors and Staff on annual evaluations and compensation – benefits. At present, the committee is conducting an employee handbook review. An early assessment of the current handbook establishes a need for some re-write including additions and alignment. Therefore a Personnel Steering Committee has been organized to dialogue and draft new, revised and alignment suggestions for discussion, change and adoption by the full committee. The Steering Committee is thought to be more fiscal user friendly and responsible. With God's blessings and membership trust, loyalty and love we expect to complete our work in time for distribution December 31, 2002. Two new positions approved at Annual Conference 2000 are being advertised and hopefully filled by December 2001. The new positions are full time Director of Communications and Archivist.

Peace and Joy,
Burnham Robinson, chair.

This is a great opportunity each year at Annual Conference time to, again, communicate with you and provide information about the Jurisdictional office. Since this is the first year within the quadrennium, let me share with you a little about the **Mission Council** of the South Central Jurisdiction/UMC. It is the policy-making body for the Jurisdiction, and makes decisions for the Jurisdiction during the time that the Jurisdictional Conference is not in session. Each conference has at least one representative on the council, and each member of the Council is assigned to at least one of the teams. The Council is composed of a total of six standing teams (committees): three administrative teams, three ministry teams, and an executive committee. If you do not know your representative, get acquainted and begin to be in dialogue about your visions for the Jurisdiction. By action of the 2000 Jurisdictional Conference, the South Central Jurisdiction has selected a full time **Korean Ministries** Director who is projected to be on board full time July 2001. We look forward to the additional ministries that will take place within the life of our Korean churches and those yet to be formed.

Conference (unaudited) **financial support of the jurisdiction** through the total giving for institutions, missionary conferences and the administration fund for 2000, totaled 89.50% pay out (2.51% less than 1999): *Mission and Administration* 90.19% (four conferences paying 100% or above, four conferences in the 93.02%-97.27% range).

Lydia Patterson Institute 92.80% (two conferences paying 100% or above, nine conferences paying in the 90.27%-97.58% range). *Mt. Sequoyah Assembly* 93.34% (seven conferences paying 100% or more, four conferences paying in the 91.49%-97.03%). *Wesley Foundation at SMU* 82.01% (two conferences paying 100%, eight conferences paying in the 91.93%-97.80% range).

The most exciting occurrence in the jurisdictional office has taken place with the arrival of two new employees, the **Volunteers-in-Mission Assistant Coordinator** who began October 2000, and the **Executive Assistant/Office Manager** who began November 2000. Each brings a level of expertise, dedication and love for the church and its people that is most gratifying.

The **2000 Jurisdictional Conference Journal** has been delivered to the specified offices, and a limited number of copies are available to others upon request. We continue to coordinate with the jurisdictional networks and other efforts of the jurisdiction, as requested. So, whether you need assistance with a mission team trip, or other information regarding the jurisdiction, contact us and we are ready to serve you. Thanks are extended to you for your continued support and commitment of the jurisdiction.

At the Texas Methodist Foundation we are always looking for ways to provide the churches, individuals and institutions we serve with resources that help them carry out their mission and meet the needs of their communities. To better serve our constituents' educational needs, we formed a partnership in 2000 with the Alban Institute, a national resource for congregations. This newly formed venture has the potential to bring a wealth of educational seminars to Texas. Our first event was a congregational leadership focus group facilitated by Alban staff. Clergy and laity from thriving churches with clearly defined identities and purposes discussed ways to help United Methodist churches strengthen their sense of purpose.

In 2001, we have two sessions of the seminar *Senior Pastors: Leading Multiple Staff Teams* scheduled. We will continue to offer these and other educational seminars to our constituents as innovative and effective ways to help United Methodists advance Christian ministry. The Foundation, located in Austin, provides assistance through loans, investments, grants, stewardship services and guidance on endowments. We serve United Methodists churches, individuals and institutions within the six Texas Annual Conferences.

We are pleased to report to you the assistance we provided in 2000:

Within the Central Texas Annual Conference:

- The Grants Committee awarded $188,500 in grants to Central Texas Annual Conference institutions.
- Loans from the Foundation to churches in the Central Texas Annual Conference totaled $35 million, an increase of $4 million over 1999.
- Churches and related agencies within the Central Texas Annual Conference had $18 million invested with the Texas Methodist Foundation.

Throughout the state:

- As of December 2000, total assets under management by the Foundation stood at $206 million, up from $185 million at the beginning of that year. This represents a growth rate of 12 percent for the year. The Texas Methodist Foundation continues as the largest United Methodist Foundation in the United States.
- In 2000, the Foundation funded grants totaling $1.8 million. $1.3 million of these funds came from donor advised funds and $565,000 came from endowment funds designated for grants. These grants benefited various human services projects, such as community outreach centers, campus ministries and inner-city childcare programs.
- The Foundation's Grants Committee, in support of the Bishops' Initiative, gave priority to funding programs that address the needs of children in crisis and poverty. Approximately $660,000 of the $1.8 million in grants went to children's programs in 2000.
- Foundation Stewardship staff made more than 100 consultative visits to churches, providing stewardship training or assistance. We were chosen as consultants for 28 annual stewardship campaigns and 24 capital campaigns, in which more than $32 million was pledged.
- The Foundation serves nearly 400 United Methodist churches and institutions through loans. During the

year, loans increased by 16 percent to nearly $153 million.

- Foundation staff assisted churches and individuals by providing guidance on establishing permanent endowment funds and other planned giving services and made close to 500 consultative visits to churches, pastors, donors and potential donors.

The following people residing in the Central Texas Annual Conference serve as board members to the Texas Methodist Foundation in either an elected or advisory capacity:

Bishop Ben Chamness	Mr. Gary W. Cumbie
Dr. K. Wayne Day	Ms. Bliss Dodd
Reverend L. Michael McKee	Mr. Bill Messer
Reverend Henry W. Radde	Dr. Sidney Roberts
Mr. Jake M. Schrum	Mr. Jerry Secrest

Tom Locke, President

BOARD OF TRUSTEES

Budgeted 2000 $175 *Requested 2001 $175*

The Conference Board of Trustees is currently the custodian for the following property:

1. Conference Center, Tarrant County
2. Vacant lot on 4th across from Center, Tarrant County
3. Episcopal Residence, Tarrant County
4. Brandon United Methodist Church, Hill County
5. Northside United Methodist Church, Williamson County
6. Rice: Haynie Memorial United Methodist Church, Ellis County
7. Penelope United Methodist Church, Hill County

The trustees are pleased with the continuing results of offering a Conference wide property and liability insurance program. As of this writing 241 churches, six districts, several Wesley Foundations, and other institutions have chosen the Conference wide program. These churches have indicated significant savings through this program. In addition, another twenty churches have written Workers' Compensation Insurance through the program. It is believed that many of the churches are awaiting anniversary dates of their policies to come on to the Conference program. The Conference is always ready to provide information to churches when called upon in this area.

We remind all the churches that Conference policy requires that churches carry Workers' Compensation Insurance on pastors and other employees. If a pastor (or other worker) receives a work-related injury, their health insurance will not pay on what should be a worker's compensation claim. In addition, regular liability insurance will not pay or protect a church against such a gap in coverage. Please if you do not have workers' compensation coverage, check with our Conference agent, L.T. Barton Agency in Fort Worth, or any agent of your choosing.

We will be asking that each church make a report on all insurance coverage to the Charge Conference in the Fall, and that this report be signed by the chair of the Trustees.

Thelma Jean Moore Buchanan
August 6, 1928 – May 8, 2000

Thelma Jean Buchanan was born to Ernest and Maggie Ellis Moore on August 6, 1928 in Bryan, Texas - Brazos County. She graduated from E.A. Kemp High School in Bryan, Texas and also received a Bachelor's degree in mathematics from Huston-Tillotson College of Austin in September 1948. She did further advanced studies at both Texas A&M University and North Texas State University. She also attended Perkins School of Theology until failing health made it necessary for her to discontinue her studies one semester short of graduation.

She served as a full-time local pastor at St. Andrews United Methodist Church in Corsicana from 1985 -1988 and the Mexia Union Memorial-Rocky-Lawson Chapel charge from 1988 until her retirement in 1995. After her retirement, she lived in her home in Hillsboro until ill health made it necessary that she reside in Dallas.

Thelma received her final appointment to enter fully into the presence of God on May 8,2000. Memorial services were held in Dallas, Texas under the leadership of Dr. Ervin Gathings and Rev. Eugenio Raphael.

Thelma had an early call to ministry, but did not respond to it, as she felt that women could not be called to ministry. She assisted and supported her husband, James Buchanan, in his call and work in ministry as a pastor. After his death, she responded to her own call into ministry. She was a good pastor, caring for the church and the individual members with patience, compassion and dignity. She was proud to be a United Methodist minister and worked diligently to always be prepared and doing her job of ministry and administration carefully and thoroughly. She prepared her sermons well and presented them with quiet conviction and dignity. She guided and led with love and dignity and would not allow members to quarrel but insisted that they respect each other as members of the body of Christ. One goal that was important to her was to complete her education and requirements to become a full member of the annual conference. Ill health prevented her reaching that goal before United Methodist requirements directed her into retirement, but her family and friends celebrated her being received into full connection with God on May 8, 2000.

Written by Henry Radde for Dr. Ervin Gathings, deceased.

Lloyd Coker
March 31, 1911 – October 2, 2000

Lloyd Thomas Coker was born to David Thomas and Zulah Emmitt McDonald Coker in Hassee, Texas. He graduated from Proctor High School. Lloyd married Mary Louise Capell on September 19, 1933 in Comanche, Texas. Together they had three children: Venetia Nell Coker Scott, Reva Louise Coker Horton and Melba Irene Coker Manley.

Lloyd was licensed to preach in 1954, and served as an associate member of the Conference from 1954 thru 1958. He became a probationary member in 1959, graduated from Howard Payne University in Brownwood in 1960 and was ordained elder in 1963.

Lloyd served a variety of churches in Central Texas: the Mt. View circuit included the five churches of Mt. View, Rockwood, Winchell, Trickham and Cleveland; Planket Station, Bethel Station, Cleburne: St. Paul, Blooming Grove, Dresden, Cross Plains, Burkett, Palo Pinto, Graford, Rising Star, Wesley, Cisco, Glen Rose and Walnut Springs. After his retirement, he continued to supply churches, serving: Coleman: First, Brownwood: Central, and Dublin: First and Laurel Street.

Rev.Coker retired in June 1976 and lived in a retired minister's home in DeLeon until 1987. He lived in Cleburne until 1989 and then in Corsicana until his death. A memorial service was held for him at the St. Luke United Methodist Church in Corsicana. Rev. Gene Cravens officiated. Internment was at the Indian Creek Cemetery with Rev. Cravens, Rev. Billy Reed, and Howard Johnson officiating.

Rev. Lloyd Coker served his Lord to the end. After he became critically ill, he continued to preach in the hospital where he was resting. On May 27, 2000 he preached at the St. Luke church from a chair, even though Terry Smith had to carry him to the altar. Rev. Coker was faithful wherever he was called to serve.

Simon Wells Curtis
June 9, 1906 – January 27, 2001

Sunrise for Rev. S.W. Curtis was on June 9, 1906 to Samuel and Pearlie Barrett Curtis in Marlin, Texas and sunset was on January 27, 2001 in Waco, Texas at the age of 94. The scripture that describes his life best was printed on the front of the bulletin for his memorial service, "The steps of a good man are ordered by the Lord: and he delighteth in his way though he fall, he shall not be utterly cast down: for the Lord upholdeth him with his hand. I have been young, now am old; yet have I not seen the righteous forsaken, nor his seed begging bread. He is ever merciful and lendeth; and his seed is blessed." (Psalm 37:23-26 KJV).

Before the merger into the Central Texas Annual conference Rev. Curtis was an effective Elder in the West Texas Annual Conference. In both Conferences his strength was in building comfortable and beautiful edifices of worship, having completed buildings at West Point United Methodist Church in Valley Mills, Saint Luke United Methodist Church in Mexia, Springhill United Methodist Church in Riesel and Brack's United Methodist Church in Waco. S.W. attended elementary school and Booker T. Washington High School in Marlin, Texas. He completed his ministerial requirements for the Methodist Church in Waveland, Mississippi, in 1947.

Brother Curtis was a family man, married to Inez Banks, and together they had nine children. His wife, Inez, and four children, Lois, Simon, and two infants preceded him in death. Their surviving children are Rev. Henry Curtis, Etta Evans, Eula Robinson, Ethel Curtis and Pearlie Isaac, all of Waco. After the passing of Inez he married Mamie Lee Jones of Perry, who also preceded him in death. His strong family values were evident when at the age of 93 he performed the wedding ceremony for his youngest grandson. He enjoyed Family Reunions and chose the theme for the 2000 reunion: "Unity in the Curtis Family". The reunion T-shirt featured a picture of the house he built where he reared his children.

Rev. Curtis was active in the Wesley United Methodist Church in Waco after his retirement and as a faithful member was in attendance on Sunday, January 7, 2001, just a day before his stroke. His memorial service was February 3, 2001 at 11:00 A.M. at St. James United Methodist Church in Waco with interment in Doris Miller Memorial Park, Waco, Texas. Presiding ministers at the memorial service were Rev. Alcee Chriss, Jr. of Wesley United Methodist Church, Rev. Carol Grant Gibson of Bracks United Methodist Church and Rev. Arthur Shaw of Rocky Creek Baptist Church. Rev. J. Allen Goss, Superintendent of the Waco District was the Eulogist.

H Gordon Dennis
August 22, 1923 – June 16, 2000

Rev. H. Gordon Dennis was born in Mineral Wells, the son of Harold Earl and Addie Bitner Dennis. He graduated from Mineral Wells High School in 1940 and married Jean Kennedy on November 12, 1943 in Grenada MS. After their marriage, Gordon attended Texas Wesleyan University, graduating in 1954 with a BS. He went on to Perkins School of Theology, and graduated in 1957 with a Masters of Theology. Gordon was ordained a deacon in 1956 and an elder in 1957.

Gordon and Jean served a variety of churches in the Central Texas Conference. These included Venus, Cross Plains, Fort Worth: St. Johns, as Secretary to the Board of Education in Cleburne, Fort Worth: Edge Park, Brownwood District Superintendent, Temple, Fort Worth East District Superintendent, Fort Worth West District Superintendent, and as the Conference Director of Finance and Administration.

Gordon and Jean had three children: Harold Gordon "Hal" Dennis, David Riley Dennis and James Kennedy Dennis (who died in 1993).

Gordon was proud to be elected as a delegate to General Conference in 1972 and to be given a Doctor of Divinity degree from Texas Wesleyan College in 1973. He retired from active service in 1981 and moved to Temple.

Dr. H. Gordon Dennis was a leader and a stalwart in the Conference for over 40 years. As a young minister, I can remember Gordon on the conference floor, always in command and always a gentleman. To me he was one to be admired and looked up to and to pattern oneself after in ministry. Little did I realize that some day I would not only get to be his colleague, but even his pastor. Moving to First UMC in Temple, Carlene and I were welcomed with open arms by Gordon and Jean and even though his health was failing, Gordon was there every Sunday, cheering me on. I don't suppose he realized what that meant to this preacher, but when he would introduce me as "my preacher" it was a high moment in my ministry. Gordon contributed so much to the conference, in the field of education and music, as well as the preaching ministry. It was my privilege to know him and to call him "friend". I personally miss him, as I know thousands in this annual conference do. God blessed us with Gordon's life and ministry, and we are grateful.

Memorial services were held at the First United Methodist Church in Temple with Bishop Joe Wilson, Dr. Jack Riley and the Reverend Connally Dugger officiating.

Connally Dugger

A. Bailey Duncan
January 8, 1926 – December 9, 2000

A. Bailey Duncan was born in Floyd county, Texas; the son of Arthur and Lethel Courtney Duncan Bailey. At the age of two he moved with his family to Canyon, Texas where he graduated from high school in 1943. He served in the U.S. Army Air Corps during World War II and then went on to receive a Bachelor of Science degree in Chemistry from West Texas State University in Canyon in 1948 and a Master's degree in Theology from Southern Methodist University in Dallas in 1951. He married Louellyn Pennington on October 30, 1949 at First Methodist Church in Borger, Texas.

Brother Duncan joined the North Texas Conference in 1950 and was ordained as an Elder of the Methodist Church in 1952.

He served as an itinerant Methodist minister for 35 years, serving churches in the North Texas Conference at Marysville and Sivells Bend; Chico and Park Springs; Kemp and Becker; Roxton; Plymouth Park in Irving; Frisco; Henrietta and Ringgold; and Centenary United Methodist Church in Pleasant Grove.

In 1968, A. Bailey transferred to the Central Texas Conference where he served in Taylor and

Thrall; Hubbard and Mt. Calm; Wortham, Kirvin and Richland; Rio Vista and Kopperl. His pastoral ministry included 21 pulpits in 11 charges and numerous revival venues. He retired to Hillsboro in 1984.

Following retirement, Brother Duncan was a flight instructor and math teacher at Texas State Technical Institute in Waco for four years. He was active in the Civil Air Patrol for 30 years serving ultimately as Chaplain for the Texas Wing with the rank of Lieutenant Colonel. He was a volunteer with the Hill Regional Hospital Auxiliary in Hillsboro and served in that hospital's Chaplain rotation.

A. Bailey Duncan died in December in Hillsboro following a short battle with cancer. Survivors include his wife Louellyn; one son and daughter-in-law, Courtney and Viann Owens Duncan of LaCanada, California; one daughter, Wilda Duncan, Petty Officer First Class, serving aboard the U.S.S. Theodore Roosevelt (CVN 71) and three grandchildren, Viannah, Katherine, and John Duncan, all of LaCanada, California.

Services were held in Hillsboro with Brother Leonard Lewis of Covenant Baptist Church, Hillsboro and Rev. Charles Wallace of Cumberland Presbyterian Church, Hubbard, officiating. Burial was at Panhandle Cemetery in Panhandle, Texas with Rev. Kathryn Boren of the Panhandle United Methodist Church officiating.

Bailey's ministry and influence extended well beyond the local church. He served in local service clubs as well as the public schools where he often took temporary, part time assignments as a math or science teacher. His duties as Chaplain and Check Pilot in the Civil Air Patrol included search and rescue missions, ministry to families of those lost in crashes, and training programs and encampments. He was a good friend, leader, and mentor to many of the pilots and cadets in the program.

He was a leader in each community where he served, bringing people of all faiths and persuasions together for causes of common good. He was instrumental in establishing and maintaining small local congregations throughout his retirement often acting as supply or alternate pastor. His friends spanned people in all walks of life and his trademark laugh, stories, and overt friendliness will be remembered by any who ever encountered him. He was direct about his faith in Christ and led many to join in that faith, yet avoided making its particulars a stumbling block to relationships.

Bailey has now gone to join the company of his treasure in heaven, the many brothers and sisters, saints in Christ who have gone on before him. His constant intercession with the Father on behalf of many who the Lord put on his heart is greatly missed. He now waits with Christ for those of us who remain behind, for now. "For I shall see Him face to face, and tell the story, 'saved by grace.'"

Conference Procedure

1.0 The Central Texas Conference shall be organized according to the Book of Discipline (2000 ¶¶ 30, 31) and shall meet annually at the time appointed by the Bishop (2000 ¶ 603.2) and the place chosen by the conference (2000 ¶ 603.3).

1.1 Adjourned or special sessions shall be called in the manner set forth in the Book of Discipline (2000 ¶ 603.5).

1.2 The business of the Annual Conference shall be conducted according to the current edition of Roberts Rules of Order.

1.2.1 There shall be a Preliminary Report that shall include all matters for consideration by a session of Annual Conference received in accordance with the Conference Calendar. The Preliminary Report shall be mailed to the members of the Annual Conference at least one month prior to the session of the Annual Conference.

1.3 Lay members and alternate lay members of the Annual Conference shall be elected at the Charge Conference for a one-year term to begin on January 1, following their election, subject however, to the Book of Discipline (2000 ¶ 602.4).

1.3.1 To equalize the number of lay and clergy members of the Annual Conference, the following will be members by virtue of the offices held: each district lay leader, each district United Methodist Women's president, each district United Methodist Men's president, each district Council on Youth Ministry president or designee and one additional youth officer appointed by the district Council on Youth Ministry, any chairperson of any Annual Conference board, commission or committee, the directors of the Stewardship, Finance and Administration and Commission on Church Growth and Development (CG&D), and the director and associate directors of the Annual Conference Council on Ministries (ACCOM) who is a lay person not otherwise a member, the conference archivist/historian who is not otherwise a member, and Jurisdictional Council on Ministries, General Council on Ministries and General Church board and agency representatives not otherwise members of Annual Conference; and one additional lay member from the charges of the conference whose membership is above the number, set annually by the conference secretary required to equalize the ratio between clergy and lay members. This figure will be revised annually. The conference secretary will notify each district superintendent by September 1 as to the churches that will elect additional members preceding the next Annual Conference.

1.3.2 Each charge of the Annual Conference is responsible for defraying expenses of its lay and clergy members while in attendance at the conference.

1.4 All resolutions and petitions for consideration of Annual Conference shall be submitted to the Conference Secretary by 30 days prior to the deadline set for inclusion in the Preliminary Report prior to regular session of Annual Conference for referral to the Committee on Resolutions. These resolutions and petitions shall then be sent by the Resolution Committee to the appropriate standing body. The appropriate standing body shall then report a recommendation of concurrence or non-concurrence and/or any revisions to the annual conference.

1.4.1 All matters to be presented to the Annual Conference in session which pertain to the work of one of its standing bodies, and which were not received and duly processed so as to be printed in the Preliminary Report, shall be referred to the Committee on Resolutions and then to a Legislative Committee of the corresponding standing body consisting of its members present at the conference, chaired by its chairperson or designee, and shall be reported back to the Conference with recommendation for concurrence or non-concurrence and/or any revisions prior to the close of the conference session, unless otherwise directed by the Annual Conference.

1.4.2 All other papers, resolutions or reports presented to Annual Conference which may not pertain directly to the work of one of its standing bodies must also be referred to the Committee on Resolutions and then to a study committee nominated by the Bishop and elected by the Annual Conference and shall be reported back to the conference with recommendation for concurrence or non-concurrence and/or any revisions prior to the close of the conference session, unless otherwise directed by the Annual Conference.

1.5 All papers, resolutions, obituaries and reports coming to the conference, not included in the preliminary report, must be typewritten in triplicate and two copies of said report must

be in the hands of the secretary before they are presented to the conference. Any reports requiring approval of the Annual Conference, not in the preliminary report, shall be reproduced for members of the conference by the proponent so that all may follow the report as it is being presented.

1.6 Per diem allowance for each day in actual attendance at Annual Conference will be granted, according to their status when they arrive at Annual Conference, to retired clergy, retired diaconal ministers, retired deaconesses, ministers' surviving spouses, pastors receiving a total compensation of, or less than the minimum compensation of the conference, students appointed to attend school and ministers on disability leave.

1.7 There shall be a Committee on Memoirs composed of the secretary of the conference and the secretary of the Board of Pensions to insure suitable memoirs of the deceased clergy, widows or widowers of clergy. The clergy in charge of the funeral of such persons shall be responsible for preparing the memoir and filing it with the committee immediately after the funeral.

1.8 Any of the standing rules may be amended or suspended by a two-thirds vote of those present and voting at a session of Annual Conference, provided that any motion to amend the conference standing rules must lie on table at least one day before the conference can vote to amend.

1.9 Vacancies on all conference boards, councils, commissions, and committees shall be filled by nominations by and selected by the appropriate body. Those persons elected to fill vacancies shall serve the remainder of the tenure of the original member. A person who has been elected to fill an unexpired term of four years or less may be nominated to serve an additional four year term, provided the total tenure does not extend beyond eight consecutive years. However, when the chairperson of the committee has been transferred to another district and, in the opinion of the appropriate body, unusual circumstances require the continued services of such chairperson, the body shall have the right to retain that person in its membership for the remainder of that person's tenure. Such persons shall not be counted as district representatives.

1.9.1 Any member of the conference boards, councils, commissions, and committees who is absent without excuse from any two consecutive meetings of the board, council, commission, or committee shall thereby forfeit membership on the agency and their vacancy shall be filled in accordance with 1.9 above.

1.10 Members of General and Jurisdictional boards, councils, commissions, or committees within the Annual Conference shall be ex officio members of corresponding conference agencies.

1.11 Boards, commissions, committees, and other groups formed by Annual Conference must organize within 21 days of the closing session of Annual Conference, and report their officers to the Office of Stewardship, Finance and Administration by July 1 of that year.

1.12 Mailing lists maintained by Conference and District offices shall be used only for purposes of mailings relating to conference business.

4.0 All budget items allocated to the districts and local churches of the conference shall be based on the decimal arrived at by the following formula: Determine the base amount for each district or church by taking the total of the following items: (58) pension & benefit funds (MPP) paid directly to the General Board of Pensions, (64) Pastor's base compensation, (65) Associate(s) base compensation, (66a) Utilities and housing paid to/for pastor, (66b) Utilities and housing paid to/for associate(s), (67a) Travel paid to/for pastor, (67b) Travel paid to/for associate(s), (68a) Other allowances paid to/for pastor, (68b) Other allowances paid to/for associate(s), (69) Diaconal minister(s) compensation, (70) Other staff compensation, (71) Current expenses for program, (72) Other current operating expenses. Add the above thirteen (13) expenditures for each district to get the "district total expenditure". Divide each "district total expenditure" by the "conference total expenditure" to get the district decimal. (Each decimal is rounded off to four places.) Multiply the district decimal by each Conference Apportionment to get the District Apportionment. Add the above thirteen (13) expenditures for each local church to get their "local total expenditure". Divide each "local total expenditure" by the "district total expenditure" to arrive at the local church decimal. (Each decimal is rounded off to four places.) Multiply the local church decimal by each District Apportionment allocation to get the Local Church Apportionment. (Each apportionment is rounded off to the nearest dollar.)

5.0 It shall be the duty of the conference Council on Finance and Administration to compute the decimal annually, using the latest statistics (corrected, if necessary) and furnish the table of apportionments to the districts. The district superintendent and the district stewards shall distribute the askings to the local church on the same basis.

6.0 Items to be distributed under the formula are the Episcopal Fund, District Superintendent Salaries & Pension, Conference Claimants and C.P.P., Clergy Health Insurance, Equitable Compensation, Other Clergy Benefits, Property and Administration, World Service/Conference Benevolences, Interdenominational Cooperation, Ministerial Education, Black Colleges, Africa University, Mission Initiatives, Mount Sequoyah, Lydia Patterson Institute, SMU Campus Ministry, Texas Methodist College Association, Wesley Foundations, and Glen Lake Camp Improvements. Others may be added by the action of the Annual Conference.

7.0 The auditing firm appointed by the conference Council on Finance and Administration shall audit all books of treasurers of boards whose auditing is not provided for in the Book of Discipline, and report the results to the conference Council on Finance and Administration, which council will send a statement of these audits to the conference secretary for inclusion in the minutes.

8.0 Annually each board, commission, agency, or special interest, shall make requests to the Council on Finance and Administration through the Annual Conference Council on

Ministries for any special day offering, except where set by the Book of Discipline. No such day shall be recommended to the Annual Conference for any agency, cause, or institution, nor shall such a day be listed on the printed conference calendar, unless such agency, cause or institution has presented a full financial statement and audit, including current annual income and expense, together with its report to the appropriate board.

9.0 The Council on Finance and Administration shall recommend the mileage reimbursement for necessary travel to conference meetings for all members of boards, commissions, committees and council of the conference and, upon recommendation of the Personnel Committee, also recommend mileage for Annual Conference staff.

10. The conference treasurer, after the close of the fiscal year, shall transfer from the accounts of all boards, commissions and other agencies of the conference into the Operating Reserve all unexpended balances of the annual appropriations for the year just closed (excepting only items specifically exempt by CFA) making allowances for all outstanding checks. This procedure is recommended with the understanding that the conference treasurer will honor the requisitions for all necessary expenses of the new fiscal year within the limits of the appropriations.

INDEPENDENT AUDITOR'S REPORT

To the Council on Finance and Administration
Central Texas Conference of the
United Methodist Church
Fort Worth, Texas

We have audited the accompanying statement of cash and cash equivalents and investments of Central Texas Conference of the United Methodist Church as of December 31, 2000, and the related statement of cash receipts and disbursements for the year then ended. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles, and exclude the accounts of Glen Lake United Methodist Camp, Inc., (the "Camp"), a division of the Conference.

In our opinion, except for the effect of not including the accounts of the Camp in the financial statements, the financial statements referred to above present fairly, in all material respects, the statement of cash and cash equivalents and investments of Central Texas Conference of the United Methodist Church as of December 31, 2000, and its cash receipts and disbursements for the year then ended, on the basis of accounting described in Note 1.

NOTE 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Central Texas Conference of the United Methodist Church (the "Conference") is a state level agency of the United Methodist Church. The primary financial responsibility of the Conference is to serve as a conduit for monies contributed by individual church members through their local churches for the programs of the United Methodist Church at district, conference, jurisdictional, and national levels.

Basis of Accounting

The accounting records and financial statements are maintained and prepared on the cash basis of accounting; consequently, revenue is generally recognized when received rather than when earned and expenses and purchases of assets are generally recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and revenues and expenses in conformity with generally accepted accounting principles. The effects of this departure from generally accepted accounting principles have not been determined.

The accompanying financial statements do not include the accounts of Glen Lake United Methodist Camp, Inc. The Camp is a division of the Conference. The effects of this departure from generally accepted accounting principles have not been determined. During 2000, the Conference remitted $183,760 and $128,900 for debt retirement and camp operations assistance, respectively.

Management Estimates and Assumptions

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could vary from the estimates that are used.

Cash Equivalents

The Conference considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Investments

Investments represent funds on deposit with the Texas Methodist Foundation. The deposits have been borrowed from the Foundation by the Conference to finance the purchases of church and church-related properties. The investments bear interest at 6.35% and are repaid as the related notes payable to the Foundation are retired.

Donated Services

No amounts have been reflected in the financial statements for donated services since no objective basis is available to measure the value of such services. However, a number of volunteers donated significant amounts of their time to the Conference during the year.

Income Taxes

The Conference is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is not considered a private foundation within the meaning of Section 509(a) of the Code.

CENTRAL TEXAS CONFERENCE OF THE
UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS

NOTE 2. RETIREMENT PLANS

The Conference moved from a defined benefit plan to a defined contribution plan affective January 1, 1982. The Conference has the obligation to contribute an amount equal to 12% of the plan compensation as determined by The General Board of Pensions and Health Benefits and as calculated by the Conference Pension Officer. The Conference voted in June of 1981 that the 12% figure would in no case be higher than 12% of the denominational average compensation in any year for any given minister. The contribution to the plan is billed directly to the churches within the Conference by the General Board of Pensions and Health Benefits.

The Conference offers its employees the opportunity to participate in a defined contribution retirement plan under IRS code section 403(b), administered by the General Board of Health and Pension Benefits of the United Methodist Church. To qualify, the employees must work 1040 hours each year. Under the plan guidelines, the employees must contribute 3% of their salary in order for the Conference to contribute 9% of the employee' salary. For the year ended December 31, 2000, the Conference' contribution to the plan was $95,814.

NOTE 3. CONTINGENCY

The Conference has a self-insured health insurance plan for ministers and employees. The liability associated with this obligation has not been computed at December 31, 2000.

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Glen Lake United Methodist Camp, Inc.
Glen Rose, Texas

I have audited the accompanying statement of financial position of the Glen Lake United Methodist Camp, Inc, (a non-profit corporation) as of December 31, 2000, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Camp's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards . Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Glen Lake United Methodist Camp, Inc. as of December 31, 2000 and the changes in its net assets and its cash flows for the year then ended, in conformity with generally accepted accounting principles.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of

The Central Texas Methodist Foundation:

We have audited the accompanying statements of financial position of The Central Texas Methodist Foundation (a Texas Non-Profit Corporation) as of December 31, 2000 and 1999, and the related statements of activities and changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of the management of The Central Texas Methodist Foundation. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Central Texas Methodist Foundation as of December 31, 2000 and 1999, the changes in its net assets and its cash flows for the years then ended, in conformity with generally accepted accounting principles.

THE CENTRAL TEXAS METHODIST FOUNDATION

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2000 AND 1999

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Central Texas Methodist Foundation (the "Foundation"), a Texas non-profit corporation, was organized to make loans to local churches and agencies of the Central Texas Conference ("CTC") for the acquisition and improvement of properties and facilities, to agencies and boards of the Central Texas Conference, and to be donee and manager for gifts and endowments.

The Foundation receives unrestricted gifts from donors to help cover the cost of providing services and to enable the Foundation to fulfill their program objectives. Unrestricted gifts, grants, and bequests are reported as income in the operating fund. Additionally, the Foundation may be designated as a charitable beneficiary of wills, trusts, annuities and other unrestricted gifts which will be reflected as revenue and support in the statement of activity in the year realized.

No part of the assets of the Foundation can be used by or subjected to the obligations of the Central Texas Conference or any of its local churches or agencies, except in connection with and to the extent of the CTC's agencies or local church's deposits or other funds held by the Foundation on its behalf.

Basis of Presentation

The Foundation's financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted Operating Net Assets - Represents the portion of expendable funds that is available for support of Foundation operation. This includes outstanding loans to local churches and conference agencies. The interest earnings and principal receipts are available for support of foundation operations.

THE CENTRAL TEXAS METHODIST FOUNDATION

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2000 AND 1999

Temporarily Restricted Net Assets:

Managed Investment Funds

Managed Funds - Represent funds invested for a temporary or indefinite period for the benefit of the depositors. The Foundation makes all investment decisions related to these deposits and pays interest at rates established on a monthly basis.

Charitable Gift Annuities

Annuity funds represent a gift of money or other property given to the Foundation on the condition that the Foundation bind itself to make periodic stipulated payments, that terminate at a specified time, to the donor or other designated individuals.

Certificates of Participation

In January of 1997, the Foundation initiated a $1,000,000 offering of sale of Certificates of Participation to members and friends of United Methodist Churches and Agencies within the State of Texas. Effective July 1, 1998 the foundation modified this offering to unlimited principal. The one-year Certificates are issued as general debt obligations of the Central Texas Methodist Foundation in increments of $1,000, and the 2000 and 1999 rate of annual interest paid to investors ranged from 6.375% to 7.0%.

Proceeds from the sale of Certificates of Participation are used to make loans to United Methodist Churches, Agencies or Institutions within the Central Texas Conference area. These securities are not registered with the Securities and Exchange Commission or the Texas Securities Commission, being exempt under Paragraph (4) Section 3(a) of the Securities Act of 1933, as amended, and Section 6-J of the Texas Securities Act.

FOR THE YEARS ENDED DECEMBER 31, 2000 AND 1999

Permanently Restricted Net Assets:

Endowment and Life Estate Funds

Endowment and other life estate funds represent funds which are either currently restricted or funds that are subject to restrictions of gift instruments requiring in perpetuity that the principal be invested. Certain endowment funds allow the Foundation to determine the ultimate use of life estate property upon the death of the donor. The property is valued at $1.00 until the Foundation obtains ultimate use of the corpus upon the death of the donor. At December 31, 2000 there were three Life Estate Funds included in temporarily restricted funds in net assets.

Fixed Assets

Fixed assets are stated at cost. The Foundation has a policy whereby property additions below a minimum amount are expensed as incurred. Depreciation is computed using the straight-line method. The annual depreciation rates for buildings and furniture and equipment are based on 30, 7 and 5 year useful lives.

Interfund Revenue And Expenses

The Foundation generally receives a fund management fee of .35% to 1.0% of invested assets from each managed account. The management fee is recorded as an expense in each fund and as revenue in the operating fund.

Federal Income Taxes

The foundation is exempt from federal income taxes, under Section 501(c)(3) of the Internal Revenue Code.

Financial Statement Presentation

In 1995, the Central Texas Methodist Foundation adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the Central Texas Methodist Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, and temporarily restricted net assets and permanently restricted net assets. In addition, the Central Texas Methodist Foundation is required to present a statement of cash flows. As permitted by SFAS No. 117, the Foundation has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present classes of net assets.

NOTE 2 - INVESTMENTS

The Foundation currently utilizes one investment manager. At December 31, 2000, $5,350,064 was under management. The Foundation paid approximately $24,794 in investment fees, which is reflected as an expense in the accompanying financial statements. Life estate property represents real estate conveyed to the Foundation with the donor reserving a life estate in the property. Each property is valued at $1.00 until the Foundation obtains ultimate use of the corpus upon the death of the donor. During 2000 and 1999, included in the capital gains are $(1,356,071) and $(325,925) of unrealized gains (losses) and $168,652 and $271,270 of realized gains, respectively.

We are each given a special gift to share. Ours is ...

To improve health.

For more than 60 years, Harris Methodist has been providing health care with Christian compassion and love. Beginning in the 1930s with a single Fort Worth hospital, the Harris Methodist Health System now encompasses nine special care and general acute care hospitals and one of the fastest growing health plans in North Texas, providing health care services to the residents and communities in 41 counties.
