This Journal of The North Texas Conference is affectionately dedicated to the late Joe J. Perkins, devoted layman, generous benefactor, lover of children, youth, the aged, and Christian gentleman of The Methodist Church.

Mr. Perkins was born in Lamar County on March 7, 1874. While still a young man he moved to Montague County and worked on farms in this area. In 1897 he opened his first store in Decatur. In 1910 he came to Wichita Falls and formed a partnership with Frank Timberlake. Out of this partnership came the establishment of many dry goods stores over Texas. Later Mr. Perkins expanded his business interests in coal, railroads, banking, real estate, and ranching. In later years he became one of the great leaders in the oil industry.

In 1918 Mr. Perkins married the former Miss Lois Craddock, who was then a teacher in the Wichita Falls public schools. Two children were born in this home. Beside Mrs. Perkins, one daughter, Mrs. Charles Prothro, and four grandchildren survive him.

Mr. and Mrs. Perkins received many honors. They were awarded degrees from Universities; elected to the Hall of Fame of the Church through the Board of Hospitals and Homes; chosen to serve on great Boards of their Church; and elected four times as delegates to General and Jurisdictional Conferences. In a memorial service for Mr. Perkins at the Methodist Home, Bishop Paul Martin told of a special occasion in Wichita Falls where hundreds of friends had gathered to honor the Perkins. On the brochure distributed that evening was this dedicatory paragraph: "Lois and Joe Perkins exemplify the spirit of service to others. Endowed with extraordinary business ability, Joe Perkins has turned his wealth into channels where it will enrich humanity for generations yet unborn. Although the influence of their good works has been felt for many years in their home town and throughout the State of Texas, the greatest good is still to come in the generations of young people who will enjoy greater opportunities because of the vision of Lois and Joe Perkins. On this occasion their friends express sincere appreciation for what they have done, but even more, for what they are."

His presiding Bishop, William C. Martin, often remarked about the loyalty of Mr. Perkins. He was loyal to his Church, to the many Boards within the Conference as well as to those outside of his own Conference. Even more significant was the profound inner quality of his life.

Bishop Paul Martin well expressed the generosity of Mr. Perkins when he said: "The love which Mr. Perkins had for the Methodist Home opened the flood gates of a realm of benefactions that covered the world. The Methodist Children's Home, Southwestern University, the Methodist Hospital in Dallas, Southern Methodist University, the Perkins' School of Theology, the retired preachers of the North Texas Conference, the Western Methodist Assembly, the missionary activities of the Church, the Perkins Lectures, are only some of his own Church benefactions, to say nothing of countless gifts to other great causes."

"The love he held for his wife and his family touched each person who knew him," said Bishop Paul Martin. "I do not remember the occasion of the presentation of any gift that he did not clear his throat in the characteristic way and say: 'I have often made the statement that I never had a good intention that my wife did not bear me out 100 per cent. Sometimes I suggest a gift; sometimes she finds a cause; but we always work together and get a thrill out of the results'."

The ministers and laymen of the North Texas Conference give thanks to God for having had the high privilege of association with Mr. Perkins. The memory and influence of his life will sustain, challenge and inspire countless friends in this present life. In the years to come many generations will continue to thank God for Mr. Joe Perkins.

REPORTS

REPORT OF THE DISTRICT SUPERINTENDENTS

Read by T. Lee Miller

This composite report is designed to cover in some detail the accomplishments of the past conference year. From the reports that have been submitted we have every reason to believe that God has been in the work of His Church this year; however, we recognize that it is impossible to evaluate everything that happens in a report such as consecration, faith, loyalty and prayer. The 285 pastors and countless dedicated lay people have been responsible for what has been accomplished. We have been very fortunate to have had the leadership of Bishop William C. Martin whose vision and deep concern at all times have been in evidence.

"Dearly beloved, the Church is of God, and will be preserved to the end of time, for promotion of his worship and the due administration of his word and ordinances, the maintenance of Christian fellowship and discipline, the edification of believers, and the conversion of the world. All, of every age and station, stand in need of the means of grace which it alone supplies." (Para. 1914, The Methodist Discipline.)

In the area of membership and evangelism, without exception, all of the churches have been active in surveys, visitation and witnessing in an effort to find the people, win them, guide them and keep them. Many revivals have been held and the work of evangelism in the Sunday Schools has been intelligently stressed. It seems that our people are more conscious now than ever before of a real compulsion to witness. A real concern for people is in evidence in all local, district and conference meetings that have had to do with evangelism. The Reverend Lee Bedford, Conference Director of Evangelism, has preached in thirteen revivals, led in district work shops and schools of evangelism. He has encouraged the work of the district committees on evangelism. There is a growing appreciation for the type of work that he is doing and we believe next year will be an even better year for him. The churches reported 3,612 additions on profession of faith and 7,672 additions by certificate and otherwise, making a total membership in the conference of 142,657. This represents a net gain of 2,015 members for the year.

The reports show that 1,801 babies have been baptized during the year.

The accomplishments of the Sunday Schools across the Conference have been most gratifying. In a special effort to emphasize the opportunities of the Sunday School in the field of evangelism, district schools of evangelism have been held which included the teachers and officers in each local church. The reports indicate that these meetings were well attended and good use made of all the materials. A local church survey was undertaken some months ago and we anxiously await the conclusions of Dr. Richard Myers, a church researcher, who has been leading us in this study. The Cabinet is convinced that there is a relationship between average Sunday School attendance and additions on profession of faith, which is to say that we are very anxious to lift the average Sunday School attendance across the Conference. Under the capable leadership of the Reverend Paul O. Cardwell and Reverend Bill Weir, leadership training has come to occupy an important place in every church's plan of work. There is a growing concern for a type of training accomplished in small schools. It is believed that more workers can be interested if more schools are held at convenient locations over the Conference. Sunday School enrollment for this year has been 102,620, with an average attendance of 52,755.

It is encouraging to know that an increasing number of our people are endeavoring to understand the real philosophy of Christian Missions. The churches across the Conference are giving careful consideration to the cause of missions as evidenced by their reports. The Woman's Societies of Christian Service have related themselves in a very helpful way in Schools of Missions and encouraging Advance Specials. There is a growing appre-

ciation of the Advance Special as a way of personalizing missions. The Church that knows the missionary being supported enjoys a distinct advantage over the church that participates through an undesignated arrangement. Churches of the Conference have paid on World Service $328,774, and on General Advance Specials $170,693. Missionary families supported by the Conference number 28 and their total support is $109,114. There are 8 single missionaries receiving a total of $24,000. It is encouraging to know that Rev. and Mrs. Kenneth McIntosh will be leaving for language school June 1, preparatory to work in Hong Kong a year from now; also, Rev. and Mrs. Robert Spencer will be leaving soon for Brazil. We would like to assure Mrs. Jack Simms, Conference President of the Woman's Society of Christian Service, of our sincere appreciation for her leadership and our desire to cooperate in every way possible.

A state-wide stewardship education program was conducted in the Fall of 1960. It is estimated that 75 per cent of the Churches followed the schedule and used some of the materials. We have every reason to believe that more of our people are sensitive to the opportunities of stewardship. We acknowledge our sincere appreciation to Mr. J. V. Folsom, Conference Lay Leader, for his dedicated leadership in all of the areas of stewardship. It would have been very difficult to have carried out a program of stewardship education if we had not had his enthusiastic leadership along with his associates. There is every indication that we have more tithers than ever before. The need for an every-member canvass is accepted as standard procedure.

In the area of Social Concerns more Churches across the Conference are becoming conscious of the work of this commission in the local Church. Some 50% of the Churches have had active commissions this year. We believe that all of the Churches have properly constituted this commission for the new year. The pastors are to be congratulated on carefully choosing the personnel of the commission looking toward the maximum that may be accomplished. We observe that this commission relates to the work of the other commissions in a very helpful way. We would like to acknowledge with appreciation the leadership of our Conference Board and assure the members of our sincere concern in all the areas of work.

Other statistics of great importance are as follows: There are 126 Men's organizations in the Conference with a total membership of 6,909. There are 255 Woman's Societies of Christian Service with a total membership of 17,976. Reports for the year indicate that 11 young men have been licensed to preach.

As to new sanctuaries and educational buildings: Reports indicate that 8 new sanctuaries have been constructed at a cost of $600,800, 15 educational or activities buildings have been completed at a cost of $1,069,872, 11 new parsonages have been built or purchased at a cost of $202,000.

Hyde to Mrs. Marjorie Hudson, Frank Jackson to Mary Nell Fletcher, Mike Walker to Martha Huddleston, Wm. K. McElvaney to Frances Owens, Ronnie Morris to Virginia Nichols, Jack Barcus to Dee Moughon, C. D. Reynolds to Mrs. Libbie Worthen.

lard Fairchild, Melissa to Rev. and Mrs. Gene Sorley, David to Rev. and Mrs. Bob Cole.

The members of the Cabinet would like to assure Bishop and Mrs. Martin of our sincere love and confidence, and pledge them our determined cooperation in the work of the new conference year. "The lines have fallen in pleasant places" for us and we are thankful to Almightly God for the privilege of serving with such noble leaders. The Heavenly Father has richly blessed us thus far and we confidently believe that greater things are ahead for His Church. "Thy kingdom come, Thy will be done, On earth as it is in heaven" is our sincere prayer.

ADMINISTRATIVE COUNCIL REPORT NUMBER 1

The Administrative Council recommends that the financial assistance in the Conference Advance for Christ for 1961-1962 be directed in the same manner and amounts as in the year now ending. These are as follows:

Special program of Evangelism in the Conference. This program to be directed by the Conference Commission on Evangelism.....$10,000.00

The Nurses Training Program through the Methodist Hospital of the North Texas Conference in Dallas.....$7,500.00

Expendable scholarships in the Perkins School of Theology. (These scholarships are to be awarded to men within the bounds of the North Texas Conference if such applicants are available.).....$7,500.00

Development of Camping Facilities within the bounds of the North Texas Conference $15,000.00

Superannuate Endowment. This money to be directed by the Annual Conference toward a more adequate support of the retired preachers of our Conference and their dependents. Guidance in this area will be from the Conference Board of Pensions.....$60,000.00

In response to Bishop Martin's presentation of a genuine need, the Council further recommends that the churches of this conference make an effort during the coming three years, 1961-1964, to raise an additional $50,000 (total for the three-year period) as a part of the Race Relations Day offerings to be used in construction at Huston-Tillotson College. It is anticipated that three other conferences will work toward similar amounts and that other sources will provide the remaining needed amount.

REPORT CONFERENCE BOARD OF LAY ACTIVITIES

Again we must say that this year has been one of deep interest. We have had more district activities, I believe, than we have had in any previous year.

Our lay organization is doing everything possible to see that every avenue of service is kept open between our organization and our churches. District and Associate Lay Leaders and Associate Conference Lay Leaders have made every type of contact with our churches through the year and have made many of them. I am sure that from the standpoint of our lay organization's work, this has been one of the most productive years.

In my last year's report, I emphasized the progress we were making with Lay Speakers. This program is growing constantly and today we have approximately four hundred men in the Conference, who are doing lay

speaking and lay witnessing. We believe that eventually we will be able to fill every vacant pulpit each Sunday. This is not only a wonderful program but it is one that can only be filled by really dedicated men.

Our Methodist Mens Organizations, I am sure, are going to show a real increase as our National Board has a very wonderful Methodist Mens program. I sincerely hope that every church in our Conference will have a Mens Organization that is dedicated to their church.

Our Stewardship of Life and Finance Programs are moving forward on all fronts. We are hopeful that the Every Member Canvass will become an annual program in every one of our churches. In this manner, we want to deepen the spirit of sharing and giving so that it will have a greater meaning for all of us.

In keeping with our program with missions and mission interest in our Conference, we have had a very successful year. Through the close cooperation between our Conference Board of Missions and our Lay organization, we have been able to bring great speakers to our area and also enter into some of the inter-denominational activities that have also brought great men to Dallas.

Our Minister and Lay Retreat is still very meaningful in our Conference and is a great inspiration to all of us who attend. We are constantly striving to bring better programs and better speakers and we are sure that from year to year, it will be a challenge to all of us.

We hope that our father and son part of the Retreat will continue to grow. We earnestly want the young men of our Conference to know that we are anxious for them to be with us.

Our Board of Church Extension is doing a wonderful piece of work. We are hopeful that it will keep growing.

It is our sincere belief that we should have a better attendance of laymen and delegates to our Annual Conference. We know that our churches will do everything possible to get their delegates to come and remain through the entire conference.

We want to express our deep appreciation to every one in the North Texas Conference who has made a contribution to the activities of this Board. We also want to thank the loyal ministers for their understanding, their helpful prayers and their suggestions.

All of us who work in our lay activities feel that without the help and prayers of our good pastors, we would not be able to do very much.

We want to let our Cabinet know how much it has meant to us to have their counsel and the great privilege of working with them this year.

The District Superintendents of the North Texas Conference have been wonderful and we truly think they have done a great job. Their consecrated lives have done much to make a greater church. It has been a real joy to have worked with you.

I believe that I express the feelings of every Layman when I say that Bishop Martin has led us through five wonderful years. He has endeared himself to every person who really knows him and has endowed all of us with a deep sense of our responsibility to our church and to our God. For his leadership, his patience, his love for his fellow man, we shall ever be grateful.

J. V. Folsom, Conference Lay Leader

BOARD OF EVANGELISM

I. Quadrennial Emphasis

During this quadrennium Methodists will be remembering the affirmation "Jesus Christ Is Lord." Methodists are called upon to bring all of life under the leadership of the Lord of Life. Every activity in the local church ought to become an affirmation of the truth that Jesus Christ is Lord. If we have left evangelism to the local church Commission on Membership and Evangelism, now is the time for every organizatino in the local church to be aware of its evangelistic privileges and responsibilities. In every local church let the Commission on Membership and Evangelism promote and give general direction to a vigorous program of continuing evangelism. The church school (with the Commission on Education) will be a chief factor in evangelistic success. The W.S.C.S. and Methodist Men will participate to the full extent of the evangelistic potential of each. The minister who occupies the role of preacher, teacher and pastor will guide and supervise. Specifically there will be three great channels of evangelism operating as a unified endeavor within the local church:

The Pulpit (PREACH FOR CHRISTIAN COMMITMENT)

The Church School (TEACH FOR CHRISTIAN COMMITMENT)
The Church as a Whole active in evangelism under the Commission on Membership and Evangelism (WITNESS FOR CHRISTIAN COMMITMENT)

Let the Commission on Membership and Evangelism marshall the evangelistic potential of the whole church membership and of all the organizations of the church. Each Commission on Membership and Evangelism should make steady progress throughout the quadrennium in the evangelistic procedures in the "Manual for the Commission on Membership and Evangelism."

II. Quadrennium of Prayer

As an integral part of Methodism's "Quadrennium of Prayer" each of our Districts has participated in the World Wide Vigil of Prayer. The chain of prayer began in our Conference on Easter Sunday and will continue unbroken until it concludes at our Annual Conference Session. Each church is called upon to encourage its membership "to cultivate the prayer habit by purposefully praying daily, even many times daily, until prayer becomes natural, until it becomes the form and habit of the soul."

III. Period of Spiritual Enrichment

Each local church Commission on Membership and Evangelism is called upon to create and promote the Period of Spiritual Enrichment March 4 to April 22 for the deepening of the spiritual life of all church members and for preparing and sending forth of dedicated disciples to be witnesses for Christ and his Church.

IV. The District Committee on Evangelism

The Board requests that the District Committees on Evangelism be appointed and that these committees be encouraged to work out their own cooperative programs. The Dallas for Christ Crusade is a good example of what might be done by a creative District Committee.

V. Opportunities for Training and Growth

The Board is sponsoring workshops for the newly elected local church Commissions on Membership and Evangelism in June, 1961. These workshops are to be made available to each of the districts.

The Jurisdictional Conference on Evangelism at Mt. Sequoyah will be Aug. 14 to 17.

Evangelism Retreats for Ministers are planned for October 17-18 and April 24-25.

An Evangelism Retreat for Laymen is planned for October 21-22.

District Workshops on Evangelism to provide training for the Period of Spiritual Enrichment will be made available to the Districts in January, 1962.

REPORT OF WOMAN'S SOCIETY OF CHRISTIAN SERVICE

In the North Texas Conference Woman's Society of Christian Service more than 20, 042 members in 250 local societies are willing to commit themselves to winning others for Christ as they interpret the theme of the Board of Missions for the quadrennium, 1960-1964, "Our Mission Today."

We are grateful to the Bishop and the eight District Superintendents who assist in organizing churches, thereby making possible an increase in the number of societies and Wesleyan Service Guilds in our conference. We rejoice with our Wesleyan Service Guild that we now have guilds in all eight districts, Sulphur Springs District being the very newest one.

Seven missionaries are supported by four districts and the conference. Miss Jody Carmichael, Highland Park Methodist Woman's Society, and Miss Ruth Muller, Dallas Northeast District; Miss Mary Ferguson, Dallas Southwest District; Miss Marie Armenia, Floral Heights Methodist and First

Methodist Woman's Societies, Wichita Falls District, and the newest support is a joint project of the Sherman-McKinney District Woman's Society and the North Texas Conference Wesleyan Service Guild, the name of the missionary not yet available. The conference assumes the support of Miss Mary Lou Santillan and Miss Dorothy Kraft. All local societies participate as they bring a Love Offering to the Annual Meeting of the North Texas Conference Woman's Society of Christian Service.

The program carried by the three Deaconesses of our conference, Miss Mabel Whited, Wesley Community Center; Miss Darla Brown, Latin American Methodist Mission, and Miss Mary Cameron, Bethlehem Center, is gaining interest as they have contacts with the women of the districts. We continue our interest in RECRUITMENT and we were most fortunate to have Miss Miriam Parsell, a Deaconess of the Methodist Church and Field Worker for the Woman's Division of Christian Service itinerate all eight districts, speaking to the Woman's Societies and Wesleyan Service Guilds at their Annual District Meetings, April, 1961.

More than 500 women attending the Annual Meeting of the Woman's Society of Christian Service at Floral Heights Methodist Church in Wichita Falls, March 21-23, 1961, pledged their prayers, service and a total budget for 1961-1962 of $145,600.00, of this amount the PLEDGE TO MISSIONS (including W.S.G. $22,575) is $130,000.00.

We do acknowledge "Jesus Christ is Lord" and we shall strive to make this challenge to every Methodist woman in our great conference.

Mrs. Jack Simms, President, North Texas Conference Woman's Society.

WESLEYAN SERVICE GUILD

Do you have a Wesleyan Service Guild unit in your church? These are probably familiar words to you. Continuing the emphasis placed on membership, the Wesleyan Service Guilds of the North Texas Conference have been talking to all who would listen about organizing units and gaining more members in our present units. Our first report showed a loss in membership and number of guild units, but we are confidence the final report will record new gains. At present, four units have been organized and at least two more are in the process. We are rejoicing over the news from Cumby that a unit has been organized. The Sulphur Springs District has been without a guild unit for a number of years.

We have had a busy but happy year filled with rich experiences. Guilders have represented us at the South Central Jurisdiction Guild Weekend at Mt. Sequoyah, at the Texas State Council of Methodist Women, at a Government Seminar held in Austin, at the Woman's Society of Christian Service Annual Meeting and at Executive and Finance Committee meetings. We held our Guild Weekend, July 16-17, 1960, on the campus of SMU. The theme, "Living in Tune," set the pace for the presentation of the year's studies and a few hours of guided thinking and worshipping together.

The Annual Meeting of the Wesleyan Service Guild was held on the SMU campus, March 11-12, 1961, carrying out the theme, "Expanding Horizons." Good attendance was noted at a weekend program geared to the interests of the Guilder.

All committees are organized on the Conference level of the Wesleyan Service Guild and actively engaged in continuous correspondence and contacts with the units. Necessary standing committee and program committee meetings are held. The seven district secretaries are achieving their goals of visiting each unit in their district and meeting with their respective District Superintendent and attending Executive Committee meetings of the Woman's Society of Christian Service.

The studies recommend by the division are being promoted and reports show the studies are being made in the local units. And the field of Christian Relations is being pursued with diligence throughout the conference. Recommendations from the Jurisdiction and Division have been studied and acted upon.

Possibly a highlight of our year has been the decision at the Annual Meeting for the conference to give one-half support for one year to a missionary. This will be over and above our basic pledge. We continue to meet our increased pledge each year.

May I, on behalf of the Wesleyan Service Guild, say "thanks" to you for your help and interest in our work. We are aware of the challenge that faces us — that every day more women enter the business world and, as gainfully employed women, are prospective members of the Wesleyan Service Guild. We resolve to continue encouraging guilders to be active church members and to reach out and share their experiences with other women who should join the circle.

REPORT OF THE TEXAS COUNCIL OF CHURCHES COMMISSION

The Methodist Church is well represented in leadership participation, and financial support in the Texas Council of Churches. There is need, however, for a wider knowledge among the ministers and laity of the purpose and work of this council.

This commission will work this coming year toward obtaining better use in the local churches of the Texas Council mailings, specifically those concerning Texas legislative matters, as well as the matters mentioned above.

BOARD OF EDUCATION

Report No. 1

LAKE BRIDGEPORT METHODIST CAMP

Tentative plans have been adopted for the construction of a training center at Lake Bridgeport Methodist Camp to be known as the William C. Martin Training Center. These buildings, for all-weather use, will include dormitories and cottages, dining room, kitchen, class rooms, and assembly hall. This unit will be removed from the present buildings so two or more programs can be held at the same time without interference from the others. The first buildings, two dormitory-cottages to house thirty-two persons, have already been constructed. The main building of this center will be known as the Sallie Martin Hall.

The 142 acres of Lake Bridgeport Methodist Camp was leased for oil exploration five years ago. On Christmas Eve, 1960, a producing well was brought in, to be followed by two additional wells. While no great amount of money is expected from this source, the Conference Board of Education will follow the directive of the 1956 session of the North Texas Annual Conference and invest whatever income from this source in capital improvements.

The report of the camp superintendent for period of March 15 to December 2, 1960, revealed the camp had served 944 adults, 1,751 youth, and 280 children — a total of 2,975.

CHILDREN YOUTH AND ADULTS

CHILDREN: 155 churches reported 14,682 children enrolled in Vacation Church Schools in 1960. A considerable number of churches having vacation schools have not reported. Two camps for juniors are held each year at Lake Bridgeport and additional camps could be filled if the proper counselors could be secured. The Board is working with churches in the conference in moving into the field of serving mentally retarded children.

YOUTH: Summer opportunities planned for youth include eight camps for Junior Highs, three conferences and workshops at camp for Seniors and Older Youth, campus institute and trailer camp for Seniors and Older Youth, and a trail hike for Older Youth.

Our greatest concern is the decrease in giving to the Methodist Youth Fund, the mission special for youth. We feel the adult leaders could render a great service to the cause of missions if they encouraged their youth to increase their contributions to this cause.

ADULTS: A second annual Older Adult Assembly will be held this year. A Dallas-Fort Worth Area Convocation for workers with adults will be held at the Baker Hotel, Mineral Wells, on September 28-30. A workshop for workers with Young Adults will be held in Dallas early in 1962.

LEADERSHIP EDUCATION

The North Texas Conference continues to be among the top conferences in the nation in leadership education. At the time of the meeting of the Administrative Council, April 12, 74 certified schools have been set up. The North Texas Conference joined with the Rio Grande and West Texas Conferences in holding a second annual Tri-Conference School for Christian Workers at Perkins School of Theology. Conferences are held annually at Lake Bridgeport for Divisional Superintendents and Church School Administrators.

CHRISTIAN HIGHER EDUCATION

Occasionally the Church rises to meet a great challenge with a great program. This we believe is what the Methodists of Texas are doing in the current campaign for $32,000,000 for Methodist Christian Higher Education in our state. We urge full support of this endeavor, with confidence and generosity. However, it is imperative that we continue the plan of giving to the cause of higher education a minimum of one dollar per member for our educational institutions and thirty cents per member for our Wesley Foundations.

We urge our churches to increase the annual offering on Race Relations Day so as to contribute from our conference, above what we have been giving, at least $17,000 per year for the next three years in order to join the other conference in Texas in the construction of a chapel on the campus of Huston-Tillotson College.

EVANGELISM THROUGH THE CHURCH SCHOOL

The Dallas-Fort Worth Episcopal Area of The Methodist Church is now engaged in an intensive program of evangelism involving all of the facilities and organizations of each local church. This program has a special significance for the church school which is and has always been an outstanding instrument of evangelism. We call for consecrated support of this plan in the church schools, as set forth in the printed guide:

The church school has amazing evangelistic potential. The procedure is simple:

1. Get the people into church school (organize new classes and outpost schools).
2. Win them to Christ.
3. Guide them into church membership.
4. Conserve their church membership through involving them in church school activities.

This time-tested procedure works! In every church school the commission on education should make provision for the following:

Under the leadership of the membership cultivation superintendent a continuing program to bring new members into church school membership. Under the leadership of the church school superintendent an equally vigorous program to help teachers win pupils to Christ and church membership. Conserve church members by involving all new church members in the work of the church school.

MISCELLANEOUS

We earnestly ask the churches of North Texas to observe Church School Rally Day on or near September 24, 1961, and send to the conference treasurer an offering equal to 12 cents per enrolled member of the church school as reported to the most recent annual conference. This offering, required by the Discipline, is used by the Conference Board of Education for its training program and for partial support of the program of the conference director of youth work as requested by the Commission on World Service and Finance.

We recommend and urge that study classes be held in each church, using "Foundations of Christian Teaching in Methodist Churches," a state-

ment of the Curriculum Committee of the General Board of Education. Copies as needed may be obtained free from The Methodist Publishing House.

The Board of Education has cooperated, and will continue to cooperate, with other agencies in the emphasis on stewardship and on evangelism through the church school.

REPORT OF THE BOARD OF CHRISTIAN SOCIAL CONCERNS

In the first Conference year of the work of this Board under the new legislation, time has been spent in efforts to perfect the organization and the plan of operation. To further its work the Board is divided into three sections: a section on Human Relations and Economic Affairs with Sherrell Hendricks as chairman, the section on Temperance and General Welfare with Mr. Howard Lydick as chairman, and the section on Peace and World Order with William A. Cox as chairman. All members of the Board are assigned to serve on one of these sections.

Each section has had separate meetings in addition to the general meetings of the Board during the year.

The section on Temperance is at work on three special projects: 1. A bill to prohibit the advertising of alcoholic beverages in the State of Texas. Whereas the net result has been negative thus far, the communications which have gone to members of the legislature and personal efforts which have been put forth will some time bear fruit. Letters to the individual legislators went from the Board itself and from the section on Temperance.

2. Progress has been made toward the special project carried over from the previous Board of Temperance concerning education on this subject through mass communication means. A brief "spot" announcement for television is at present being planned and would be available to churches and districts during the coming year.

3. There has been communication with special scientific research being carried on in Switzerland which seems likely to establish a relationship between alcohol and "heredity." Present indications are that the social drinking — not necessarily to the point of alcoholism — is a contributing factor to both mental and physical birth defects.

The Temperance section of the Board has worked closely with TANE with much of its work and in the distribution of its educational material.

The section on Peace and World Order has had several meetings. A guide, listing materials and subjects for use by local churches or district workshops, was prepared and made available throughout the Conference.

The section on Human Relations and Economic Affairs has held several meetings and it is working on several projects. It addressed a telegram to the members of the legislature protesting the proposed bill to legalize parimutual betting. Two members of the section went to Austin to talk with members of the legislature. Rev. Mr. Hendricks attended the Conference on Race Relations, jointly sponsored by the General Board on Christian Social Concerns and the WSCS, held in Louisville, Kentucky.

The results and recommendations of this conference will be published and distributed through the general organs of the church.

The Board recommends that during the coming year workshops on Christian Social Concerns be held on at least a district basis. The Board will present plans to the cabinet for these workshops. It is hoped that every local church Commission will be involved.

At its meeting in January, the Board unanimously agreed to recommend that the North Texas Conference share in a capital fund campaign for TANE. It recommends an apportionment by the Conference through the World Service Commission of $1,200.00 annually for four years. It is requested that this amount be included in the apportionment to the Board of Social Concerns, specifically directed for capital expenditures on the part of TANE.

The Board wishes to reassure all members of the Conference and all North Texas Methodists that it welcomes inquiries concerning charges made by various groups concerning the Methodist Church and its clergy. The Board has a supply of materials and reference books available and will be glad to hear from individual members or local commissions wishing information.

Many charges are constantly being made without foundation in fact. An example occurred recently in a card addressed to the chairman of the Board stating that "thirty-one of the translators of the Revised Standard Version of the Bible had communist connections." The statement was attributed to J. Edgar Hoover. The chairman sent the card to Mr. Hoover who immediately replied in this way, "For your information, similar literature of the type you forwarded has been previously brought to the attention of the FBI. Of course, I have made no such absurd statement." signed J. Edgar Hoover.

In this connection the recently published study by Philip Wogaman entitled "The Methodist Ministry and Communism: The Truth Behind the Charges" published by Eugene L. Smith and A. Dudley Ward will be available at the Board's booth during the Annual Conference session and by mail request throughout the coming year. It gives the facts concerning the charges made by the "Circuit Riders" in their book, "A Compilation of Public Records of 2,109 Methodist Ministers." This is a thorough job and reveals the facts about this distorted presentation. Copies of the book may also be secured from A. Dudley Ward, 740 North Rush Street, Chicago 11, Illinois.

The Board of Christian Social Concerns appreciates the support and confidence of the Conference. It expects to present additional material during the session of the Conference.

Report No. 2

We request Governor Daniel to submit to the forthcoming special session of the legislature of the State of Texas, the question or subject of control of the advertising of all alcoholic beverages in Texas, including beer.

Concerning the film "Operation Abolition" we recommend to the Conference the following findings of the Division on Human Rights: "An evaluation of either or both of the articles concerning the film and the film itself involve the evaluator in a very complex situation. This was evident at all times in our meetings from the fact that our ten person committee was unable to come to a common agreement. Thus, we recommend that anyone interested in either or both the film and the articles, study carefully the issues involved in them. The Texas Methodist has been asked to publish a list of articles dealing with both sides of this issue."

A STATEMENT AND RECOMMENDATIONS CONCERNING THE NATIONAL COUNCIL OF CHURCHES OF CHRIST IN THE UNITED STATES OF AMERICA

Recent events have caused much concern about the position of the National Council of Churches of Christ in the United States of America. In order to clarify the position of the Council we are making the following factual observations by citing these articles from the Constitution of the Council.

1. Article IV, section d, states, "All representatives of a communion **shall be elected by that communion** in such manner as it shall determine. Of the total number of representatives at least one-half shall be nominated by the boards and agencies of that communion cooperating in the work of the divisions of the Council, on such basis **as the communion shall determine;** having regard to the interests of the several age groups and the various functions of the Council."
2. Article VII, section 2 states, "The Council shall have **no authority or administrative control over the churches** which constitute its membership. It shall have no authority to prescribe a common creed, or form of church government, or form of worship, or to limit the autonomy of the churches co-operating under it."
3. Article IX, section 4 states, "Each member of the General Board shall be **a member in good standing of a communion** which is a constituent member of the council."

We have lifted out these constitutional provisions of the Council to show that the intent and purpose of the Council is in fact controlled by the member communions. If representatives of the communion do not represent the view of the constituent churches, the task of clarifying that situation lies not in the Council but in the member communions. No one is a member of the Council unless he has been so elected by his own denomination and no one can continue as a member of the Council if he is not a member in good standing in his own communion. Any measures which would change the nature of the Council must be taken by the constituent members of the Council because the Council without such members has no identity or factual corporate personality.

May we now say a word to our Methodist brethren concerning our heritage and our tradition. In 1784 the historic Christmas Conference declared that the purpose of the Methodist Church is to reform the continent and to spread scriptural holiness over these lands. Reform of the continent carried with it a dynamic, one aspect of which is described by Alfred North Whitehead in his book **Adventure of Ideas** in these words:

> "In America (the Methodists) appealed to the toiling, isolated groups of pioneers. They brought hope, fear, emotional release, spiritual insight. They stemmed the inroads of revolutionary ideas. Also, allowing for many qualifications, **they must be credited with one supreme achievement.** They made the conception of the brotherhood of man and of the importance of man a vivid reality. They had produced the final effective force which hereafter made slavery impossible among progressive races."

To the glory of our Church it can be said that we have taken seriously the petition in the Lord's Prayer, "Thy will be done on earth as it is in heaven." Methodism does not view the span of human life as a mere period of spiritual preparation of the soul for eternity, but it views the purpose of human life as the fulfillment of God's will.

The passion of Methodism for justice and righteousness rings with the clarion call of Amos and Micah, the compassionate concern of our Lord and Saviour and the contrite confession of Peter who had to declare that "you yourselves know how unlawful it is for a Jew to associate with or to visit any one of another nation; but God has shown me that I should not call any man common or unclean."

Therefore, in keeping with the spirit of concern which is the historic tradition of our church, we recommend that the North Texas Conference adopt the following resolutions and that each resolution be forwarded to the proper bodies and be made a matter of public record:

1. The North Texas Conference of the Methodist Church most heartily reaffirms its support of the aims and purposes of the National Council as set forth in its constitution. As Methodist people we are committed to a spirit of co-operation with Christians of other denominations as outlined in Para. 1596 and 1597 of the Discipline. We believe that this spirit of unity can best be accomplished by the idea and the concept of the Council.

2. Notwithstanding our affirmation of the National Council, the North Texas Conference of the Methodist Church hereby requests the Council to refrain from speaking with a voice of finality and ultimate authority on any issue. We do encourage the Council to speak to any social, political, or economic problem which confronts our nation, but we urge the Council to refrain from endorsement of specific solutions when alternative answers can be held by men of Christian persuasion. We do encourage the Council to raise its voice of challenge to the Churches when prophetic insight is needed especially in areas where clear cut moral or ethical concepts are involved. However, we insist upon the right of individual Christians to find their involvement with the world in accordance with their own responsiveness to Almighty God.

3. The North Texas Conference of the Methodist Church requests that steps be taken to assure full representation of the Methodist Church at all significant meetings of study conferences and policy making committees, as well as executive sessions of the various councils to which we belong. We further urge our representatives to be in attendance at all such meetings and to vote on all matters brought before them in accordance with their conscience and their Methodist heritage.

Report No. 3

At its meeting on Tuesday, May 30, 1961, the Commission on Christian Social Concerns unanimously voted that the following Resolution be presented to the North Texas Annual Conference:

Pursuant to the provisions of Amendment IX of the Constitution, the recommendations of the 1960 General Conference, and the urging of the Commission on Inter-Jurisdictional Relations in its first report to the Council of Bishops, the Conference and the Church: BE IT RESOLVED,

1. That the North Texas Annual Conference join the Southwest Texas Annual Conference in requesting other Conferences of the South Central Jurisdiction to join in an invitation to the Louisiana, Texas and West Texas Conferences of the New Orleans area of the Central Jurisdiction to merge as a possible new area in the South Central Jurisdiction;

2. That the same invitation be extended to the Southwest Conference of the Central Jurisdiction and those portions of the Central West Conference of the Central Jurisdiction situated within the geographical boundaries of the South Central Jurisdiction under such re-alignment of Annual Conference and Episcopal Area boundaries as may be approved by the Colleges of Bishops of the Central and the South Central Jurisdiction, the Council of Bishops and the Commission on Inter-Jurisdictional Relations.

TELEVISION, RADIO AND FILM COMMISSION

During the present conference year the Television, Radio and Film Commission of the North Texas Conference has completed the production of the color filmstrip with sound record entitled "The North Texas Story." The purpose of this filmstrip is to dramatize the causes represented by the conference benevolent dollar. The needs of each board, commission and institution of the conference are represented in this audio-visual presentation. Our aim is to make clear to laymen and ministers alike what the conference benevolent dollar does and for what purposes it is used. We hope also that the presentation of "The North Texas Story" will result in a new sense of stewardship that will be reflected in increased support of our benevolent program.

We are pleased to report that in spite of a low budget allotted for this project, this filmstrip is both professionally written and professionally produced. We are indebted to three members of our commission: Mrs. Howard Grimes, who wrote the script; Mr. Hammond Coffman, who produced the film; and Mr. Bill Wolfard, who is the primary narrator.

"The North Texas Story" may be secured without cost from the Television, Radio and Film office at 1928 Ross Avenue, Dallas, Texas, from any one of the district superintendents, or from the Conference Executive Secretary.

It is the fervent desire of your Television, Radio and Film Commission that "The North Texas Story" will be seen in every church in the conference during the coming year. We will keep a record of the number of churches which make use of the film. The production of such materials can be justified only on the basis of usage.

To this end we are encouraging the larger churches in each district to make their audio-visual equipment available to the smaller churches in the district. This will give each church the opportunity to make use of "The North Texas Story."

Your Conference Television, Radio and Film Commission continues to work in the areas of radio, television, and audio-visual materials. The pastors of the conference have been provided with the list of films which are available for in-church use through our commission. One new film has been added to our library during the year. It is the 16 mm. sound documentary of the 1960 South Central Jurisdictional Conference meeting in San Antonio, Texas. This film may be secured by writing to TRAFCO, 1928 Ross Avenue, Dallas, Texas.

We request the continuation of our conference's responsibility to the national Television Ministry Fund, which is now making possible the nationwide series of "Talk Back" and also a children's television series.

We are indebted to many persons who have helped to make possible the work of our commission during this year. We express our special gratitude to the conference boards, commissions, and institutions which have cooperated in making possible the production of "The North Texas Story."

NORTH TEXAS CONFERENCE DEACONESS BOARD

The past year has been one of fruitful service and concern as the deaconesses of North Texas Conference have attempted to witness for Christ in their several fields of endeavor. Lay people and members of the cabinet, who are a part of this board, have been a real source of inspiration.

The deaconesses of the conference participated on two panels during the year concerning deaconess work. One was for the Conference Wesleyan Service Guild meeting at Southern Methodist University; the other was for the Northeast District Woman's Society of Christian Service meeting. Some messages have also been given that should help to promote the work of the deaconess.

Six hundred copies of several pieces of literature about the deaconess relationship have been purchased and are being mailed to pastors and to conference and district officers of the Woman's Society of Christian Service.

Members of the Conference Deaconess Board are hearty in their support of the Conference Commission on Christian Vocations and wish to help in any way possible to give youth an opportunity to choose a church related vocation.

Two of our deaconesses attended the National Deaconess Convocation at Purdue University in May. This is a time of planning and inspiration by the Commission on Deaconess Work and is held only once in each four-year period. It is a wonderful opportunity for all of the deaconess in the United States to receive instruction and guidance for their future service.

Mabel Whited, President, Conference Deaconess Board

HEALTH AND WELFARE COMMISSION

Your Health and Welfare Committee is pleased to make the following report: 243 Ministers in the North Texas Conference are covered by a total of $563,000 life insurance. This amount of insurance has been a source of satisfaction to all people concerned in that we were assured that these Ministers would have sufficient insurance to care for their last needs.

Two hundred and eleven active men, 59 retired men and 11 widows of retired men are insured under our Blue Cross-Blue Shield Hospital Insurance Group which gives a stability to the North Texas Conference in that we can be assured that our Brother Minister will not be faced with a hospital bill that they could not pay.

We recommend to the Annual Conference of the North Texas Conference that they continue to support this work.

REPORT OF CONFERENCE COMMISSION ON CHRISTIAN VOCATIONS

The Conference Commission on Christian Vocations recognizes its responsibility toward our enlistment and recruitment emphasis for the quadrennium. We are concerned that youth, students, and adults be made aware of the potential sacredness of all vocations and useful work, and that they be challenged with the call to church related vocations. To this end we have made the following action:

1. The commission has had two meetings plus several committee meetings to study and plan for the needs within our conference.

2. A packet of materials was sent to each local church dealing with how to organize the local church committee on Christian Vocations and giving resources that are available for their work.
3. A packet of materials was sent to each director of Wesley Foundation and MSM within our conference to help them in counseling students for vocations and summer work.
4. Members of the Commission sought to speak at each District Conference and lift up the need for ecah local church having an active committee on Christian Vocations.

As a result of study and plans we propose for 1961-62:

1. To emphasize the call to Christian vocations in all the senior-older youth summer workshops and institutes.
2. To continue in setting up the new record system for all youth who have made commitments for Church-related vocations.
3. To conduct a Christain Vocations Workshop for senior highs January 5-6, 1962. This Workshop, which had become an annual affair, was not held in 1960-61 because the Commission felt that the needs of our youth could just as well be met by having the workshop on alternate years and avoid the duplication of efforts.
4. To conduct Lay Christian Vocations Retreat for a small group of young adult couples for the week-end of October 13-15, 1961. We have resource people in our conference to lead in this. Those attending would seek to find the Christian relevance of their everyday work. This would be an "exploratory group" of concerned young laymen of our conference.
5. To bring Dr. Richard Bauer, the Executive Secretary of the Interboard Committee on Christian Vocations, here for a conference-wide Workshop on Vocations for local church and district committees on Christian vocations.

COMMITTEE TO STUDY CAMPING

We believe in the future of church camping. From our study during the past year we are convinced that Methodism's program of camping, as developed by the General Board of Education, can make a vital contribution in Christian education. Camping helps children, youth, and adults achieve growth in Christian living. Camping brings an increased awareness of God and his creative process. Camping gives a growing sense of Christian fellowship which is the foundation of the church as the Body of Christ. Camping enables persons to more fully experience the saving presence of Jesus Christ.

There are many facets to the program of church camping. We believe that the North Texas Conference will endeavor to move ahead on all fronts within Methodism's camping program —

1) That this Conference Camping Committee be authorized to continue negotiations with the Sherman-McKinney District for assuming responsibility for the Texoma Methodist Camp now owned and operated by that District, and if and when these negotiations shall have been consumated that the Administrative Council be the designated body to complete all legal details.
2) That the 1960-61 Conference Advance Camping item of $15,000 be directed to the North Texas Conference Board of Education for camping purposes, and that the $15,000 for 1961-62 Conference Advance Camping be held in abeyance pending further study by this committee.
3) That the North Texas Conference Board of Education work toward the development of these camps for our Conference camping program:
   a) Lake Bridgeport Methodist Camp for small group camping for children and youth.

b) Texoma Methodist Camp, upon completion of negotiations, for institute camping, retreats, and varied use by local churches and districts.
c) William C. Martin Training Center for year-round use as a leadership training center.
d) A fourth campsite of approximately 500 wooded acres in the East part of North Texas Conference for pioneer camping.

4) That with the increasing use of camping facilities by other Conference Boards and groups, it is recommended that the conference consider carefully the needs of these groups as it develops conference camp facilities.
5) That the North Texas Conference be encouraged to provide adequate financing for this expanded camping program.

W. L. Carter, Jr., Chairman

REPORT OF THE COMMITTEE ON URBAN WORK

We commend the churches in the urban area for the remarkable work they are doing. An effective job is being done in absorbing the steady flow of people into the life of the church in the areas for which they are responsible. In order to strengthen this work your Committee makes the following recommendations:

1. Since the coming year is to be one with special emphasis on evangelism, we urge the urban churches to join in this effort to win the unattached to Christ and the church. Simultaneous revivals, evangelistic visitation, community surveys and all other means acceptable to our church are encouraged.

2. In view of the fact that over 56% of the members of the Methodist Church in the North Texas Conference live in Dallas County, we recommend full co-operation with the Dallas Board of Church Extension, in helping establish new churches in areas that are being developed. The 50c per member plan and the share program are worthy of our full support.

3. We make a special appeal to pastors and laymen to attend the Quadrennial Convocation on Urban Work to be held at St. Louis, Missouri, February 20-22, 1962.

Finally, in our desire to use every feasible means to promote the work of the suburban church, we must also remember those who live in the inner city. The Protestant Church is going to be weakened if it assumes an attitude of aloofness from this great mass of people oftentimes separated from us by poverty, color of skin or class. Greater Methodism for Dallas has been rendering a fine service in this regard. As the city grows the needs are becoming more urgent. Therefore, any ministry that can be extended to these areas will be fulfilling the command of our Lord when he said, "Go ye."

REPORT OF TOWN AND COUNTRY COMMISSION

EMPHASIS IN TOWN AND COUNTRY 1960-1961:

Serving in ADVISORY CAPACITY, and doing RESEARCH and SURVEY. PROMOTION of Group Ministries, larger parish, larger charge, extended ministries, lay speaking bureaus, and leadership training. Total stewardship, and the stewardship of possessions through Every Member Financial Canvas, and the Lord's Acre-Lord's Hour Plan.

WORKSHOPS AND INSTITUTES: On Conference, District, County, and Natural area levels.

COMMENDATION of District Superintendents, Ministers, and church congregations, for their support of group ministries, larger parishes, larger charges, extended ministries, lay speaking bureaus, local, county-wide and area Methodist Men's Fellowship. To the Woman's Society of Christian Service, and the Conference Board of Lay Activities for appointing lay women and men as members to the District Staff on town and country work. All these have undergirded the church program and quickened the spirit of the laity, and recruited men to the ministry.

QUADRENNIAL EMPHASIS FOR 1961-1964:

1. A quarterly publication to provide information, inspiration, and challenge to town and country as a joint effort by boards and agencies.

2. Seeking a more direct and simple approach to total Stewardship Education in the local church.

3. Emphasizing the opportunity offered for greater service to all Methodist as local "RESIDENT MEMBERS."

4. Creating stronger multiple church charges rather than station churches with small membership and weak financial potential.

5. Raising minimum pastoral load in support of the Minimum Salary Commission's recommendation, "For a church to receive minimum salary aid, a membership of 250 shall be a normal minimum load for a full-time pastor and 150 members for a student.

6. That Group Ministries be established in all counties as sub-districts or larger natural areas.

7. WORKSHOPS and INSTITUTES: Annually on an AREA or CONFERENCE level for ministers and the seminary faculty as a means of creating greater coordination and cooperation in program emphasis and training approach, semi-annual meetings of student and supply preachers under the leadership of the District Superintendent, the seminary Field Education Staff, and the executive committee of the Town and Country Commission. Also semi-annual workshops for district secretaries of town and country work.

8. Training of responsible laymen or certified Lay Speakers as resource persons in training local church leadership on sub-district county level.

9. All church congregations in city, town and country recognizing Rural Life and Soil Conservation Sunday, and commanding the leadership in these governmental agencies.

RECOMMENDATIONS:

1. Any church congregation desiring the status of a "Station" must qualify in resident membership, potential prospective membership constituency, and to the minimum salary as relates to the status of the pastor in the conference. And that all station churches paying less than $4,500 salary be encouraged to include at least one adjoining church congregation in their total ministry.

2. That the Field Education Staff of the Seminary, the Board of Missions, the Town and Country Commission, and the respective district superintendents examine specific areas as amendable to "supervised ministries" as a possible means of expediting the "in training on the field" of students, supply, local preachers, and certified lay speakers, and serving more effectively a group of small membership church congregations, and providing a greater service outreach for stronger city and town churches.

3. The Board of Missions, Education, Evangelism, Lay Activities, and the Town and Country Commission work with the district superintendents in assisting the local church congregations and pastors in extending the service outreach of the church in city, town and country in an effort to reach all people as prospective members.

4. Since the Perkins School of Theology and six other theological schools in the Southwest are cooperatively supporting an "Institute on the Church in Town and Country" at S.M.U. on June 26-July 14, 1961, that the North Texas Conference support this Institute with at least one full scholarship of $109.00, and if possible, pay the $25 registration fee for two or three who may commute.

5. That the North Texas Conference give the necessary financial support to conduct a comprehensive study of the conference as to trends that effect the local church now, and in the future. That this responsibility be placed in the hands of a committee, and to be accomplished in 1961-1962.

POLICIES AND PROCEDURES:

I. That town congregations in population areas under 10,000 extend their ministry to include any adjacent small church congregation in their total ministry to be known as an "ASSOCIATE CHURCH" with such relationship that both retain their identity through individual reports to the annual and quarterly conferences.

II. That the Group Ministry Plan be adopted as a disciplinary and practical policy of expediting the work of the local church in the district on a sub-district county, or natural area level in such ways as:

(1) Providing consistent and regular sessions for local church leaders, boards, commissions and committees to be informed as to their functional opportunity and responsibility, and taught the most effective ways and means to discharge this responsibility, under the leadership of district, conference and local church resource leadership. These sessions should be held in June, October and February or the equivalent.

(2) As a means of "in training on the field" for student, supply, local preachers, and certified lay speakers in a cooperative effort.

(3) Offering opportunity for senior conference ministers to make themselves available for counseling sessions with student, supply, local preachers, and lay speakers individually or in groups as they may desire.

(4) That the opportunity be provided for the town and country executive secretary to meet with the bishop and the cabinet immediately after the annual conference for the purpose of studies, policies and procedures in orienting the district superintendents newly appointed to the districts that are largely rural. This can make a tremendous difference in the progress of town and country work and its effectiveness.

The Town and Country Commission recommends that O. B. Rogers, Sr., be appointed as Conference Executive Secretary for the year 1961-1962.

Rev. Ed T. Hayes, Chairman
Dr. C. H. Johnson, Vice-Chairman

REPORT OF THE COMMISSION ON WORLD SERVICE AND FINANCE

1. We wish to commend the Churches of the North Texas Conference for the very fine way in which they have adjusted to the new basis of askings, both to the Districts and to the local church. While not every District paid all items in full for the year just closing, the total received from all the Districts was several thousand dollars above the total apportioned to all the Districts. To those Districts, and to those local Churches, which have gone "the second mile" in their giving, we extend our gratitude, and commendations.

In accordance with the plans adopted when this system of apportioning the askings was put into effect, a restudy of the apportionments will be made prior to the meeting of the next regular session of the Annual Conference. As you may recall, such a study was to be made each two years.

2. We recommend that the apportionments to the Districts for World Service and Conference Benevolences, District Superintendent Funds, and Conference Advance be based on the two decimal system as was done last year.

3. The Board of Pensions has requested $190,000.00 for the work intrusted to them for the coming Conference Year. It is further recommended that this amount, again this year, be apportioned to the Districts on the same two decimal system as are the other askings. Hence, such asking has been included in the askings allocated to the Districts.

4. We recommend that all other askings to the Districts remain the same for this coming year as they were last year.

Contingency Fund

1. As reported in the Journal of last year, $12,080 was paid to the Television, Radio and Film Commission on an asking of $32,000 for the Quadrennium. The apportionate amount per year should have been but $8,000. We recommend, therefore, that an amount be taken from the Contingency Fund to make the total for the two years to equal $16,000 — this amount being $3,920.
2. We recommend that a sum of $1,719 be transferred to the Benevolence budget from the Contingency Fund so as to meet the total askings of the several Boards and Commissions.
3. We further recommend that the amount of $200 be paid out of the Contingency Fund to Bishop Martin for the Area Evangelism meetings.

Procedure for Next Year

1. The Conference Boards and Agencies are to sumbit to the Conference Treasurer requisitions for the money allocated to them by the World Service and Finance Commission immediately following the close of the session of Annual Conference.

2. Not later than one week prior to the opening of the Annual Conference each Board and Agency receiving money from the World Service and Finance Commission shall submit a report to the Conference Treasurer and to the Secretary of the Commission on World Service and Finance. This report is necessary for the central audit by the Certified Public Accountant who audits the Conference Books and must contain an itemized statement of receipts and disbursements. To this report they shall attach all cancelled checks, a list of checks not at that date returned by the bank and a cashier's check payable to the North Texas Conference Treasurer for the unused balance of the funds.

3. No allocation of funds will be paid to any Conference Board or Commission until the Conference Treasurer has received a written statement from the Conference Auditor that the books and records of said Board, Committee, or Commission are in his hands for audit.

4. All Boards and Agencies receiving funds from the Commission on World Service and Finance shall place in the hands of the Secretary of the Commission a written statement of their askings for the coming year. TEXAS METHODIST

The Annual Conferences of Texas have a commission making a study on which to base the future development of The Texas Methodist. The commission will report to the Board of Publication in its annual meeting in October.

The circulation of the paper stands at 60,000.

The committee commends Carl Keightley for his work as editor and requests his reappointment to that position.

J. Daniel Barron, Chairman John Willis McGee, Secretary

HISTORICAL SOCIETY

The Texas Methodist Historical Society brought to completion this year its **History of Texas Methodism — 1900-1960,** under the editorship of Olin W. Nail, with the publication of 3,000 copies.

Inasmuch as the North Texas Conference will observe its 100th anniversary in 1967; and,

Inasmuch as it has had a great history during that 100-year period; and,

Inasmuch as it appears to be possible for the conference to publish a history of the North Texas Conference covering one century for an honorarium cost of $1800, travel and secretarial expense of $1500, and a printing cost of 1,500 volumes of $3500, which can be offset by the sale of the book, or a subsidy of $3300, $550 a year for six years.

Therefore, be it resolved that the North Texas Annual Conference assign Walter N. Vernon the task of writing a history of this conference, to be completed by the spring of 1967, the centennial year of the conference;

That the North Texas Conference provide an annual honorarium of $300 to Walter N. Vernon, and an expense account of $250 annually — a total of $3300 for the six years;

That the North Texas Conference, from its contingency fund, provide $300 for Walter N. Vernon during the 1961-1962 conference year to get the

history project under way, and that the enterprise be referred to the Commission on World Service and Finance for consideration in its budget of 1962-1963 and thereafter until 1967.

J. Daniel Barron, Chairman Thomas E. Hardy, Secretary

BOARD OF MISSIONS

We, your Board of Missions, have felt the call of missions throughout the world. This has been a very difficult year for our missionaries, with the pressure of Communism and world tension mounting by the day. We urge every Methodist Christian to pray daily for these dedicated persons in the mission field. We request that the needs of these missionaries be given top priority in the Budget of every church. Many churches have accepted new mission specials along with their increased askings in Benevolences. We express our very deep appreciation to every church who without exception accepted big increases in Benevolences for this Quadrennium.

Your Board of Missions recognizes that the success of its work this year has been possible because of the very fine cooperation from the other boards and agencies in the Conference, as well as other officers of the Conference and its individual members. We are very grateful for this.

Again your Conference Board of Missions has tried to understand the needs of our new churches and the problems of some old churches whose members are moving into urban areas of our city. Therefore, we have assisted five old churches and eight new churches. We feel that more of this should be done.

We heartily approve the program of missions outlined by our South Central Jurisdiction. Here are some highlights of this program for you to remember:

A. 1. Adopted goals for North Texas Conference:

Central Jurisdiction, $10,000; Indian Missions, $12,000; Rio Grande Conference, $17,500; Parker College, India, $15,000.

As you know, in the area of our Cedarcrest Church, the Federal Government is turning the whole housing unit to our Negro population. Our church would like to give the Cedarcrest Church to our Central Jurisdiction Methodists. The property has been appraised for $120,000. The Cedarcrest Church will sell for $80,000. Our National Board of Missions will give $40,000. This leaves $40,000 to be raised in the North Texas Conference as Advance Specials. We approve this project and commend it to our church on District levels.

We hope the Indian Mission need of $12,000 and the Rio Grande Conference need of $17,500 will be presented on District levels as Advance Specials also.

We further recommend that our Advance Special of Parker Intermediate College in Maradabad, India, for $30,000 be completed by 1963. Some of our District accepted a proportionate share this year and we recommend all Districts do the same the next two years.

2. Put in the Budget of the Conference Board of Missions for 1961-62 amount of $100, or more if needed, to send its chairman and Conference secretary of missions on a five-day tour of the Rio Grande Conference in the fall of 1961.

3. Repeat this in 1962-63. Budget to send some one on a tour of the Indian missions in July, 1962. In turn, these people shall accept the responsibility of presenting this information to the churches.

B. Authorize area or Conference workshop in missionary opportunities.

C. Promote attendance at:

1. Jurisdiction missionary Conference at Mt. Sequoyah, August 22-25 by the following people:
   (a) Board of Missions chairman
   (b) Conference missionary secretary
   (c) Cabinet representative
   (d) President of Conference W. S. C. S.
   (All expenses paid by Jurisdictional Board)
   (e) One and one-half cents per mile of expense for District missionary secretary will be paid by General Board, other expense by Conference.
   (f) Lay activities provide for one layman
2. Week-end Laymen's Workshop for Local Church Commission on Missions at Mt. Sequoyah, August 25-27.

We wish to commend the increased interest in our church-wide study book. We feel many churches have done an excellent job, such as Lover's Lane Methodist that had three nights on the study of "Stumbling Block," with more than 3,000 in attendance.

We urge every church to have at least one World and one Conference missionary Special.

W. B. Slack, Chairman R. C. Calvert, Secretary

RESOLUTION

WHEREAS the influences of widespread use of alcohol have caused indeterminable harm and damages to the people of Texas,

TO WIT: a minimum of one-third of all highway traffic deaths are directly attributable to drinking drivers,
the rate of alcoholics is on a constant increase, over one-half of all crime costs have been attributed directly to the use of alcohol,
a large percentage of the dependent neglected children of our state come from homes where alcohol has created a major problem, and reputable judges attest to the fact that alcohol is a major contributing factor in our high divorce rate

BE IT THEREFORE RESOLVED that the North Texas Conference of the Methodist Church, meeting in its annual session at Dallas, Texas, May 30 to June 2, 1961, respectfully request and sincerely urge Governor Price Daniel to submit to the forthcoming special session of the legislature of the State of Texas, the question or subject or control of the advertising of all alcoholic beverages, including beer.

Bishop Wm. C. Martin, President of the Conference
Rev. Henry Mood, Secretary of the Conference
Robert E. Goodrich, Jr., Chairman
Conference Commission on Christian Social Concern

RESOLUTION

WHEREAS House Bill 533, "The Carling Brewery Bill," which recently passed the Texas House and Senate with only a two (2) vote majority, with several Senators unavoidably absent, and

WHEREAS, if this bill becomes law will abrogate the rights of a local community to stop the erection of a brewery by Local Option, and,

WHEREAS H. B. 533 would authorize by law the manufacture of alcoholic products illegal to sell in the State of Texas and would specifically exempt these products so manufactured and packaged in our State from taxation by our State,

BE IT THEREFORE RESOLVED that the NORTH TEXAS CONFERENCE OF THE METHODIST CHURCH, meeting in its annual session at Dallas, Texas, May 30 to June 2, 1961, respectfully request and urge Governor Price Daniel, Governor of Texas, to veto said House Bill 533 for the protection of the health, welfare, and protection of the citizens of our great State.

Bishop Wm. C. Martin, President of the Conference
The Rev. Henry Mood, Secretary of the Conference
Dr. Robert E. Goodrich, Jr., Chairman
Conference Commission on Christian Social Concerns

REPORT OF THE BOARD OF MINISTERIAL TRAINING ON THE MINISTER'S SEMINAR AND RETREAT

The First Annual Minister's Seminar and Retreat for ministers in full connection in the North Texas Conference was held April 17-20 at Lake Sharon.

Sponsored jointly by the Conference Board of Ministerial Training and the Department of Ministerial Training of the General Board of Education, the purpose of the Seminar was to deepen the roots of our faith in the Lordship of Jesus Christ, examine the foundations of our preaching and Christian Faith, and to experience more profoundly the power of the Word of God to speak with relevence and effectiveness to the real challenges and needs of men today.

In a belief that Evangelism, to be effectual and lasting, must have solid unshakeable theological roots, and that the church to speak with any authority in these days must be grounded in the Word of God, "The Minister's Seminar" was instituted.

Without strain or exaggeration it could be said that the Seminar met every objective for which it was designed. It was stimulating intellectually and spiritually, it was invigorating as the challenges of thought were considered and evaluated, it was a re-orientation in the basic beliefs and foundations of our Christian Heritage, and was at every turn recreative in the fellowship shared amid the peaceful setting of the splendid facilities of the Highland Park Methodist Church, at Lake Sharon.

The Board of Ministerial Training would like to thank especially the resource personnel that made the Seminar the inspiration it was.

The date for the Seminar next year is to be April 30 to May 3 at Lake Sharon.

Invited again are all the ministers of the North Texas Conference in the full connection relationship. We trust that many will be interested and able to attend.

Gordon D. Casad, Chairman Kenneth McIntosh, Registrar

REPORT OF THE RESOLUTIONS COMMITTEE

As the 96th session of the North Texas Annual Conference draws to a close, our thoughts turn to the days ahead when our labor and prayer shall be directed toward bringing to fruition the plans that have been laid here and especially those plans toward deepening evangelistic fervor which has been our heritage as Methodist Christians. For the greatness of our church through her service of her risen Lord we give thanks and rejoice that we have been chosen as vessels for his indwelling Spirit. We would commit ourselves and all our actions to the judgment of God and pray that wherever we have been unprofitable servants in the past we may be continually transformed by His grace and led by His Spirit into an evermore effective future.

THEREFORE BE IT RESOLVED:

That we express our sincere appreciation to all who have, in any way contributed to the life and effectiveness of this conference, especially

— to First Methodist Church of Dallas for its generosity which year after year has provided so adequately for the conference session. For the manner in which details and courtesies were handled. We commend Dr. Robert E. Goodrich, Jr., his staff, and members.

— to those who have made possible our worship through music, to Mr. Fred Mayer, Mrs. George Soderstrom, Mr. Bill Mann, the massed choir of youth of the North Texas Conference, and the massed choir from the churches of Dallas conducted by Mr. Roy Johnson, and the chancel choir of First Methodist Church in Dallas.

— to Dr. William F. Dunkle, Jr., our Conference preacher, for the true greatness of his presentation of the challenge and power of our faith. It has been of help to us new strength to do the work of the Master.

— to Dr. Lawrence Lacour for his challenge to all of us and for imparting to us his own deep concern for all men for whom Christ died.

— to the representatives from general boards, and other agencies of the Church, who have helped us to understand the vast enterprise and vision of our church and its unity in diversity as it seeks to make Christ relevant to areas of life.

— to the various boards and committees of our conference, whose reports and recommendations have helped us to go into the task ahead with a new understanding and purpose.

— to the laity of the conference under the leadership of Jack V. Folsom whose dedication to the task of the church has helped to make the Methodist Church an effective part of the Body of Christ.

— to all who have given their time, statisticians, auditors, tellers, and others who have expedited the work of this conference.

— to Nina McCain of the Dallas Morning News, David Yates of the Dallas Times Herald, Reverend Carl Keightley, editor of the Texas Methodist and Methodist Information and the All Church Press for news coverage and service rendered.

— to the cabinet whose long and often late hours of work have been given to the making of appointments in the best interest of both the pastors of this conference and the churches they serve.

— and that we express our sincere appreciation to Bishop William C. Martin for the excellent manner in which he has led us in the business sessions of this conference, for the purposeful messages he has brought us, but most of all for the things for which he stands. Under his leadership we look forward to a great quadrennium and for the prospering of our labors in all areas of our work and especially in the work of evangelism, the area of our quadrennial emphasis. We pray that God out of His abundant grace may continue to bless his life and work.

Respectfully submitted,
Wayne Dunson, Chairman
Jack McNabb
Fred Mooring
Robert Ridley
Kenneth C. Smith, Secretary

REVEREND CHRISTOPHER COLUMBUS CHILDRESS

The Reverend C. C. Childress was born January 5, 1873, in Freestone County, near Birdston, Texas. His parents were William Preston and Salina Ann Catherine Childress. Brother Childress' mother passed away when he was less than three weeks old, but before her death, she placed her hand upon the child's head and prayed God's benediction on her babe. None can doubt that that prayer was heard and answered and that the life of this servant of the Lord brought joy to this Mother's heart. Brother Childress married Miss Ellena Bowen, at Myrtistown, Louisiana, October 4, 1896. Their home was blessed with four children, three of whom are still living: Mrs. R. G. Hendrick, R. P. Childress, and Clovis C. Childress.

The Reverend Childress joined the Methodist Church at Chamber's Springs on the Duffan Circuit, Earth County, Texas, in 1892. In his own words (written in 1911), Brother Childress describes his subsequent life: "After living a consistent Christian for some months I became indifferent and even wicked in which backslidden state I lived for several years, till in 1902 I was gloriously reclaimed and at the same time impressed to preach." The M. E. Church, South, had no local organization at that time, so Brother Childress was licensed to preach by the Methodist Protestant Church. Later, Brother Childress was licensed by the M.E. Church, South. He was received on trial by the Texas Conference, 1903, and, in 1906, into full connection. In 1909, Brother Childress transferred to the North Texas Conference. For three years, 1925-1928, he was a member of the West Oklahoma Conference. Brother Childress served his church for over forty-one years, before his retirement in 1945. He served the following charges: Texas Conference — Bellville, Giddings, Glen Flora and Matagorda; North Texas Conference — Kemp, Myra and Hood, Anna and Melissa, Caddo Mills and Floyd, Lee Street, Greenville, Whitewright, Mesquite, Whitesboro, Bridgeport; West Oklahoma Conference — Grandfield; North Texas Conference — Pecan Gap, Valley View, Bogata, Enloe and Ben Franklin, Jecobia, Collinsville, and Ector. Brother Childress died November 18, 1960. Funeral services were held at First Methodist Church, Whitewright, conducted by Reverend C. J. Graves and the writer, November 20, 1960.

Although I knew Reverend Childress for only a short time, I was greatly impressed by the brightness and joy that seemed to radiate from deep within. He was greatly loved by the churches where he had served and by those who had served with him across the years. We give thanks to God for the life and ministry of C. C. Childress.

REV. ALBERT T. COCKE

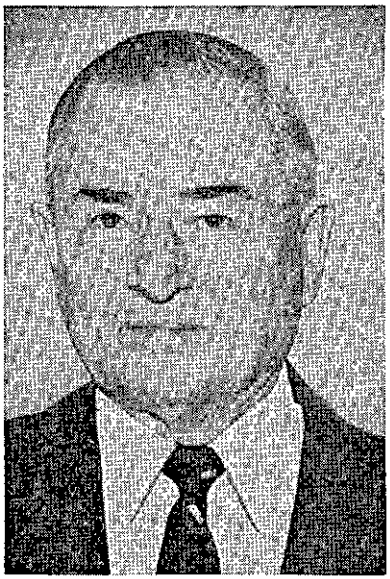

Brother Cocke was born in Rancho, May 6, 1869. His parents were James R. and Grace E. Bartlet Cocke. He was married to Mrs. Docia B. Johnson in 1934.

Brother Cocke joined the Methodist Church when quite a young man and remained a faithful member until his death.

He was licensed to preach at Nixon at the District Conference of the Cuero District of the West Texas Conference in 1910; Admitted on Trial at the Conference held in Austin in 1910. He was admitted into Full Connection at the West Texas Conference held at Beeville in 1912. Brother Cocke was ordained Elder in 1914. Some of the charges to which he was appointed were: Ganado, Hope, Barnhart, Smiley. In 1923 he transferred to the North Texas Conference and was appointed to Mabank. He later served Vashti, Chisholm, Heath, Roanoke, Dexter and Scurry. He retired in 1934. At the time of his death he was living in Gonzales, Texas. On July 2, 1960, he entered his home "not made with hands but eternal in the heavens." He is survived by his wife, four brothers, three sisters and a number of nieces and nephews.

Because of his long and faithful service for his Lord and the Church, many boys and girls, men and women came to find a new life in Christ. Surely Brother Cocke found much joy in serving his Lord but found even greater joy as he heard, "Well done good and faithful servant, Enter into the joy of thy Lord."

ROBERT J. LaPRADE

To begin a story about Robert J. LaPrade is to select a few high points in an extraordinary Christian life. When a teen-age Southern boy walks out with a dream of something better and a determination to find it, we at once see in the making a man of courage and high pursuits. This lad's dream was on the way to realization some years later when he crossed the platform to receive his bachelor of divinity degree and opened for himself the doorway to a marvelous ministry.

While pursuing his studies he convinced a lovely young lady to join him in his venture, and well did his wife, who remains with us, carry a full share on through the "Valley" we call death.

Bob LaPrade exalted the ministry because he was an evangelist, a man of holy dignity and a deep conviction of right, a man of high honor and integrity.

He was a man educated for a purpose in life.

From circuit pastor to district superintendent, from the informal to the classic, he was a gentleman.

His infant baptism services were Christian, unique, and beautiful.

Bob was a family man first; he provided his three sons and a daughter the opportunity to graduate from universities, with most of them going beyond graduation in educational honors.

Brother LaPrade was forced to retire at the 1960 North Texas Conference and made his final roll call at midnight, June 28th. Proper services were conducted at Cox Memorial Chapel, Highland Park Methodist Church, on June 30th. Leslie W. Seymour said at the service: "To know him was to know a man of deep principles." Jackson C. Oglesby said: "I always felt honored to be with him and his family."

My relations with him in the Central Texas Conference for a quarter of a century were ideal, and how happy it was to renew them in the North Texas Conference, even though briefly.

Bob LaPrade, who attended East Texas State College, Wesleyan College, and Southwestern University, received his two diplomas from Southern Methodist University; his bachelor of arts degree in 1917, and a bachelor of divinity degree in 1919. He joined the Conference in 1917, serving pastorates as student supply. In 1918 he became a deacon, and in 1919 was admitted into full connection. He became an elder in 1922. His first regular pastorate was Stroud, Oklahoma, in 1919; a year later he transferred to the Central Texas Conference, where he served at Midway-Cedar Creek, Newcastle, Granger, Comanche, Arlington Heights, Fort Worth, Graham, Waxahachie, Temple, Breckenridge, Main Street, Cleburne; Brownwood Central, Riverside, Fort Worth, and Killeen. In 1957 he transferred to Brooklyn Avenue of the North Texas Conference, where he retired a few weeks before his death. He had also served the Waxahachie District from 1944 to 1950.

Bob LaPrade leaves his faithful wife, the former Mary Buford Snoddy, the daughter of a Methodist minister; three sons and one daughter, all of Dallas: Robert J. LaPrade, Jr., Dr. William H. LaPrade, John H. LaPrade, and Mrs. Roger R. Webster, and nine grandchildren.

RULE 3: Section A: Each church and pastor shall submit the Annual Conference Report to the conference treasurer for auditing on the day specified by the District Superintendent and the World Service and Finance Commission. **Pastors must have receipts or vouchers** to verify all amounts which have been paid to conference treasurer. Immediately following the conference treasurer's audit, the reports to the Annual Conference shall be turned in to the district auditor for his audit and report to the conference statistician.

Section B: The conference treasurer's books shall be closed the same day on which the pastors check their reports with the conference treasurer and the district auditors. No more funds will be accepted to apply on the conference year's apportionments after that day. All monies after that date shall be credited to the next year's apportionments. (See report of Commission on World Service and Finance for dates of district "Check Up" for the year.)

Every clerical member of the conference shall file with the secretary a historical sketch of his life on the registration blank to be furnished by the conference secretary. This report shall be revised every four years.

RULE 5: The District Superintendents shall be required to report district parsonage statistics to the statistical secretary.

RULE 6: All reports of committees, boards, etc., shall be submitted in duplicate. These reports shall be typewritten, double spaced, and on one side of the page only.

RULE 7: Section A: No one shall be a member of a conference board if he is in the salaried employment of an institution that receives support from the board (par. 791).

Section B: No member of this conference who is a salaried employee of any institution to which this conference contributes shall be a member of the Board of Trustees of the institution by which he is employed.

Section C: No member of the Commission on World Service and Finance shall be a member of any conference committee or commission, or a trustee of a conference institution that is supported, either partially or totally, by the Commission on World Service and Finance. (Par. 791).

RULE 8: Section A: A District Conference shall be held annually in each district of the Annual Conference. The elective members of the District Conference shall consist of one layman for every sixty members, or major fraction thereof in the local church, provided that each pastoral charge shall have at least one elective delegate to the District Conference.

Section B: These delegates shall be elected by the Quarterly Conference of the charge; or by a session of the Church Conference if such authority is delegated to it by the Quarterly Conference.

RULE 9: At the first session of the Annual Conference succeeding the General Conference, a conference treasurer shall be elected by the Conference on nomination of the Commission on World Service and Finance to serve for the current quadrennium, whose duties shall be defined in the Discipline, and, at the same time, and on nomination of the Commission on World Service and Finance, the Annual Conference shall designate a conference depository for all conference funds.

RULE 10: All interest on funds held by the Commission on World Service and Finance shall be added to the balance of the Commission on World Service and Finance; and shall be directed as the afore stated commission, and the Annual Conference so specifies.

RULE 11: Section A: The Commission on World Service and Finance shall nominate to the Annual Conference an auditing firm, to be employed to audit the conference treasurer's book and the books of all committees, boards, and commissions receiving support from the World Service and Finance Commission, within forty days after the adjournment of Annual Conference.

Section B: An auditing committee shall be elected on nomination of the Commission of World Service and Finance to check the statistical reports on general and conference benevolences of all pastoral charges within the report of the conference treasurer and to secure proper adjustments of any discrepancies where possible, and failing in this, to report all such discrepancies to the presiding Bishop, and the District Superintendent in whose district such charges may be located, for further handling in whatever manner is deemed advisable and proper.

Section C: Each institution receiving financial support from the conference either by direct apportionment or special offerings, shall submit an auditor's report made by a certified accountant to the Conference Commission on World Service and Finance. (Par. 793).

RULE 12: Section A: In the report of each conference board asking for an apportionment it shall read "The board has requested the Commission on World Service and Finance to recommend the following apportionments."

Section B: All requests for conference funds, which by law are required to be presented to the Commission on World Service and Finance, shall be presented in writing, to the chairman or secretary of the commission not later than thirty (30) days prior to the opening of the Annual Conference Session.

RULE 13: It shall require a two-thirds (⅔) vote of all lay and clerical delegates present and voting, to suspend or to amend any of these standing rules.

RULE 14: Each University or College shall submit an auditor's report, made by a certified public accountant, to the Conference Board of Education before financial aid is granted to applicant.

RULE 15: When application is made to the conference for the privilege of a special conference-wide financial appeal, whether by special collections, campaigns, or otherwise, the application shall be referred to the Commission on World Service and Finance before final action is taken thereon. The commission shall investigate the application and its possible relation to other obligations of the conference, and in the light of the facts make recommendation to the Annual Conference. (Par. 811).

RULE 16: All pastors reporting salaries and benevolences to the Annual Conference, any part of which is borrowed money, shall report the portion which is borrowed funds for record in the Conference Journal.

RULE 20: The Committee on Conference Relations and Ministerial Qualifications shall inquire of each District Superintendent about the life and official administration of each member of the conference in his district and report to the conference as to whether all the ministerial members of the conference are blameless in their life and official administration.

RULE 21: Each District Superintendent shall supply the Treasurer and Secretary of the Conference with a list for all churches (and total of churches, when more than one church is on a charge) of all apportionments accepted for the conference year, the said lists to be furnished four months after adjournment of Annual Conference. These apportionments shall be recorded by the Secretary and Treasurer of the Conference as the official assessments against the several charges of the Annual Conference.

RULE 22: The Minister, who shall be in charge of the funeral services of any member of the North Texas Conference, will supply the Secretary of this conference with an obituary and picture of the deceased member, immediately after the funeral services are held. The minister conducting the funeral services of any minister's wife of the North Texas Conference will immediately after the funeral service supply the secretary of the conference with the name of the minister's wife, and dates of birth and death.

RULE 23: The North Texas Annual Conference shall make it a policy to rotate memberships on all quadrennial boards and commissions, limiting any person to two successive four-year terms of service on any one board. However, a person may be re-elected to membership on a board or commission after non-membership thereon for a quadrennium.

Two years or less on Board or Commission shall not count against the two Quadrenni.

The date of each person's expiration of service shall be listed after his name in the Annual Conference Journal where the commissions and boards are listed.
