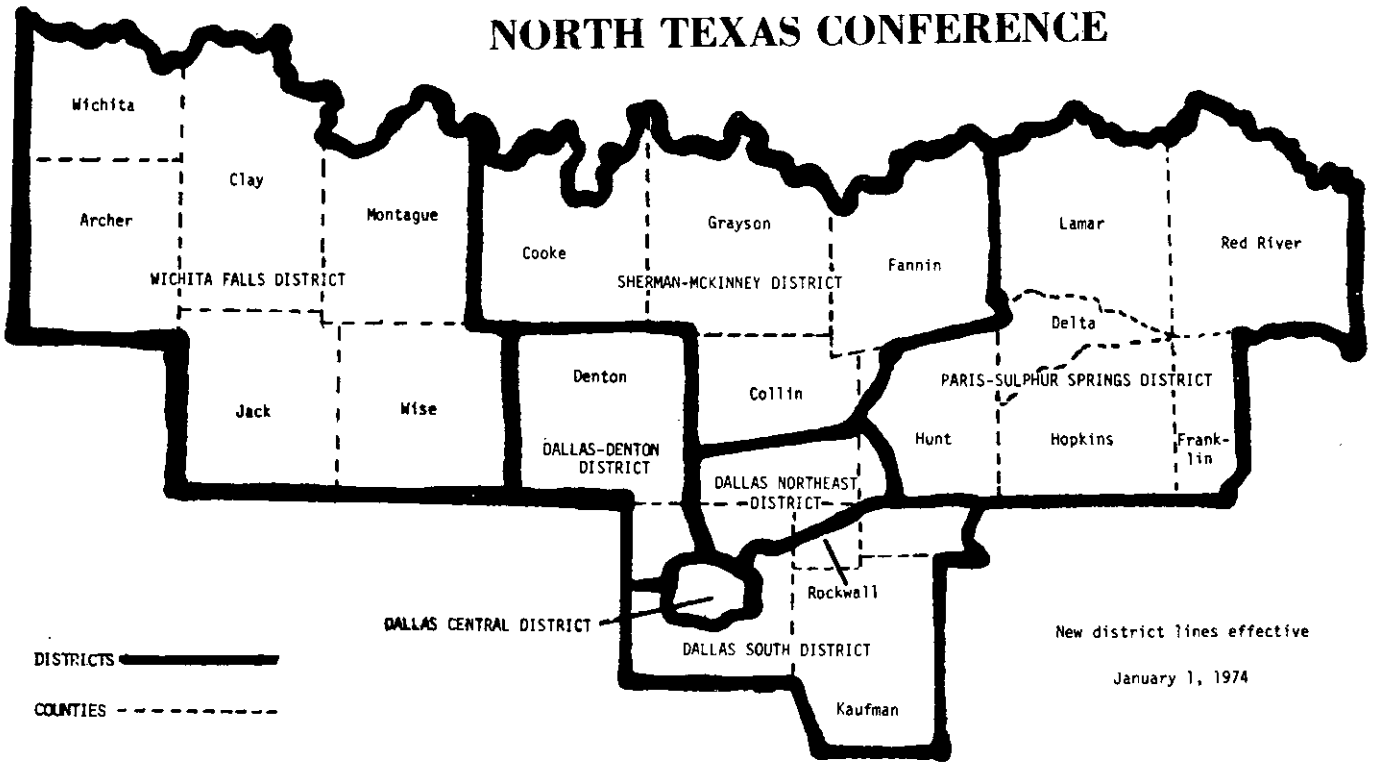
NORTH TEXAS CONFERENCE



MINUTES OF THE ADJOURNED SESSION
November 19, 1974

Bishop W. McFerrin Stowe called the Adjourned Session of the 1974 North Texas Annual Conference to order at 9:30 a. m., Tuesday, November 19, 1974, at Lovers Lane United Methodist Church in Dallas, Texas. The members of the Conference sang "Sing Praise to God," and Bishop Stowe led the opening prayer.

Bishop Stowe welcomed the conference members by stating: "As we were saying in May . . ." because this is the adjourned session, carrying on the work of the conference which was begun in May.

The secretary of the conference, Bill Morgan Smith, was called on for items of information. The secretary announced that roll call would be taken in the District sessions during the afternoon meetings. He also announced that conference journals for 1974, and Vol. II of the 1973 session, were available. He requested that any corrections that should be made in the upcoming Journal should be made known. He stated that there was some trouble this year getting the Journals to the people who needed them. Any one not receiving their copy of the Journal should notify the secretary.

Noel Bryant was recognized for the business of the Conference and moved that the Agenda, as presented to the Conference, be approved. It was seconded, and approved.

Noel Bryant called for a report on the goals development to the May Session of the Annual Conference. Wallace Chappell stated that the sub-committee had been working on the concerns that came from the 1974 Conference, and passes on to the structures of the Annual Conference the goals and concerns, coming from over 200 statements. An 11-page report was prepared and given to the structures of the conference, and made as an expression of concern to the conference rather than making specific goals. This should be the business of the Conference.

Bishop Stowe stated that the follow-up was held in a strategy conference on the changing city, from which has come some plans and goals on how to work in communities where there is change. There will be a conference in January on the expanding church. "What you did last May is bearing fruit in new plans and new structures." He expressed his appreciation to the members of the conference for their excellent ideas and recommendations.

Noel Bryant stated that some of the goals would be presented at the May, 1975 session of the Annual Conference. He announced that the May session will be in Wichita Falls, for the first time in 40 years. He called attention to information about the hotels and motels available in Wichita Falls. Bruce Weaver is the chairman of the design committee. The Conference will be Sunday, May 25 through Wednesday, May 28. Bishop Stowe stated that he wanted the conference members to determine where the sessions should be held. He said that there was much interest that next year's session of the annual conference be on the campus of SMU, but conflicts were run into, and it is hoped that these conflicts can be worked out, and have the conference at SMU in 1976.

Bishop Stowe presented Thomas J. Shipp for the report from the **Council on Connectional Ministries.**

G. W. French made nominations for Trustees and for approval of those who need to confirmed from this conference and members at large to the Texas Mission Home in San Antonio and moved the confirmation. Those nominated from the North Texas Conference:

Bishop Stowe First asked for approval of the nominations from the conference, and they were elected. He then called for a vote on those who were to be confirmed, and they were confirmed.

Thomas J. Shipp called on Glenn Scott for amendments to the Dallas Hospital Charter, (Report "A") and moved that these be adopted.

Article 1 was voted on, and approved.
Article 2 was voted on, and approved.
Article 7 was voted on, and approved.
Article 8 was voted on, and approved.
Article 9 was voted on, and approved.
Article 10 was voted on, and approved.

Thomas J. Shipp moved to amend the resolution adopted by the Annual Conference on May 29, 1974:

> "Resolved: that all boards and agencies of the Annual Conference shall report a summary of their proceedings, future agenda, and date and place of next meeting to the Conference Councils' Office *so that all interested persons may obtain this information upon request. The date and place of scheduled agencies meetings will be carried in the North Texas Methodist.*

(The Italics are the amendment to the resolution.)

In response to a question from a member of the conference, Thomas J. Shipp stated that "agencies" referred to all groups of the Boards, Councils, Divisions, Committees, etc. It does not include Methodist Hospital, etc. The amendment was approved.

Bishop Stowe stated that Robert Dillard, who was to give the report for the **Council On Local Church Ministries** was not able to attend the conference, and Bishop Stowe called on Leighton Farrell for the presentation.

Leighton Farrell moved to approve the Halfway House as a Conference Advance Special, and response to a question from George Brewer, stated that this was to be at 526 Liberty St., in Dallas. The motion was approved.

Leighton Farrell presented the Revision of Agency Structures, (Report B) and moved that the whole of section "B" of the agenda be approved.

Item 1, "To receive the Board of Campus Ministries from the Council on Connectional Ministries," was approved.

Item 2, "To create a Board of Young Adult and Campus Ministries," was approved.

Item 3, "To create a Board of Adult Ministries Resources," was discussed. Leo Baker asked about what was intended by "resources." James Hares stated that there is a Board of Program Resources, including adult resources: personnel, etc., and printed materials, etc. Item 3 was approved.

Item 4, "To create a Board of Young Persons and Family Ministries," was approved.

Item 5, "To join with the Commission on Leadership Development to create a Commission on Lay Leadership Development," was discussed. David Griffin

asked what the Commission on Leadership and Development was being joined with. James Hares stated that the present Commission is being joined with the Division of Lay Groups to create a Commission on Lay Leadership Development. The Design Committee would bring this about. Item 5 was approved.

Item 6, "To join with the Commission on Communications to create a Commission on Communications and Resources," was approved.

Zan Holmes, Jr. presented the report of the **Conference Council on Professional Ministries.**

Raymond Corrigan was asked to present the first section of the report. He moved to amend the Equitable Salaries Guidelines, Section V, to change item C: End sentence with the word "situations" so that it reads "Churches in Rural Areas and Large Parish situations." Add the following as item D--

> Assistance from Equitable Salaries may be granted for others than pastors-in-charge in the above, when appointment is made, and assistance requested, by the Bishop and Cabinet.

Raymond Corrigan moved the adoption of these changes, and it was approved.

David Shawver, chairman of the **Division on Conference Relations,** presented the second part of the report.

> William H. Payne has requested to be discontinued from probationary membership. David Shawver moved that this be granted, and it was approved.
>
> Roger France has requested to be discontinued. David Shawver moved that this be granted, and it was approved.

Bishop Stowe reminded the members of the Conference that only the clergy have the privilege of vote in these matters, but that anyone could ask questions.

> Fred L. Durham Jr. has requested voluntary location. David Shawver moved that this be granted. It was approved.
>
> Leon Milner is now eligible for annuity payments, and David Shawver moved that this be granted. It was approved.
>
> Edwin K. Sparkman has requested the superanuate relationship with the conference, and it was granted. Edwin K. Sparkman was presented to the conference, addressed the conference, and Bishop Stowe expressed appreciation for his ministry. His request was approved.

Leighton Farrell presented the report of the **Conference Co-ordinating Committee.** This Committee is recommending that the Conference create a Conference Council on Ministries and Administration. After explaining the Disciplinary requirement and the Conference need for this Council, it was approved.

Leighton Farrell mentioned the printed report, "Revision of Structure Summary," the new structure chart, etc., (Section "B") and moved that the structural changes be approved.

James Dean made the amendment to the report. The amendment lost.

Zan Holmes asked if this could not be implemented with some language change, so that it would not be mandatory as such, and if a compromise version be worked out, so the idea could be worked out. James Hares stated that he would consider it appropriate for this question to go to each District, and go to the District level for recommendation, rather than from the conference. James Dean stated that his main concern was that we keep this in the hands of the local church. Bishop Stowe pointed out that James Hares suggested that this be passed on to the Districts, and with the consent of the Conference it will be done.

Section "B" was approved, as originally presented.

Section "C" is the report from the research and planning committee to the standing rules committee, and this information is given to the Standing Rules Committee. Leighton Farrell said that this completes the report.

John Morphis presented the report from the **Standing Rules Committee** (Report "C") and moved the adoption of the report.

Ben Oliphint asked if this was dealing with the research and planning committee report. This was confirmed and that the conference was dealing with this. It would be instituted as part of the standing rules of the Conference. Ben Oliphint wanted to know if this report was to be before the Conference. Don Benton spoke to this, and called attention to the discussion of the guidelines on the ethical use of money at the spring conference. In order to have this as a part of the conference without having to vote on it every year, his committee suggested that this be studied by the rules committee.

Ben Oliphint moved a substitute for "I" of the Report of the Standing Rules Committee, " . . . in order to encourage local church initiative. . ." stating "That the report of the Research and Planning Committee (I) be used as a guidelines for 1976 apportionments and (II) the Council on Ministries and Administration shall appoint a special study committee or refer to the Research and Planning Committee the task to compile data and project long-term effects of this motion for conference agencies and local churches, and recommend a continuing formula for future apportionments which will fulfill the interest of our connectional system in our local church." The motion was seconded, and Ben Oliphint spoke for the motion. He stated that this will emphasize the local church participation in making the decisions. This recommendation does not mention what the effect of this would be five years from now. How will pensions, insurance, etc., look five years from now? We are making a drastic change in the way the apportionments should go without the supporting evidence necessary to maintain the tension necessary to make this work. We are about to make a major step without data to support this.

Walter Zimmerman asked what would happen if the General Conference should raise our apportionment. John Morphis stated that his committee had considered this, and accepted the fact that the Annual Conference cannot refuse the General Conference apportionments, but that the conference act in response to this. Walter Zimmerman stated that he was wondering if the Judicial Council would knock this down.

Spurgeon Dunnam spoke against the substitute, stating that this was proposed to bring the tension back into the apportionments, that Dr. Oliphint mentioned. He stated that there was no real tension now in making apportionments. This rule would freeze the ratio of money sent outside the local church and that kept within the bounds of the local church. The apportionments in the last few years have risen at an alarming rate in ratio to the amount of money raised in the local church. The effect of this is to increase Conference and General programs, and to decrease local church programs. This substitute would have the effect of making it nothing. We have had guidelines, and they were ignored. We need to make this a part of the Conference rules. If the rule is unreasonable, we can lay it aside by a 2/3 vote.

Leighton Farrell, speaking as chairman of the Council on Finance, stated that this was a problem we have been having in this conference. He stated that, in 1968, the ratio of apportionments was 10.4%. In 1973, the apportionment was 10.4%. This is not rising at an alarming rate.

Bruce Weaver stated that he was not sure he understood the original motion, but that he was sure he did not understand the amendment. He stated that the members of the conference did not have this information in their hands long enough to study it. He wanted to know if it would help us if we would refer this to the 1975 conference, and get the data which Leighton says he will give us, and have a full report at the 1975 conference.

Jerry Ott moved that the report and the amendment be tabled until the next meeting of the Annual Conference. Bishop Stowe pointed out that a matter could not be tabled until a "time," but could be referred back to the committee. Jerry Ott stated that this was agreeable. His motion carried. Bishop Stowe asked if the maker of the motion included the entire report, and Jerry Ott stated that his motion did pertain to the entire report.

Don Benton asked how far back this motion should be referred, and if Research and Planning, which initially made the proposal, be given the responsibility of bringing it to the conference. Bishop Stowe stated that this was what he was suggesting. What was referred was the amendment by Ben Oliphint and the motion by the Rules Committee.

John Morphis called attention to an additional part of the report, "Recommended Revisions of Standing Rules." (Report C) James Dean moved to add to Rule 3, to the paragraph beginning "Each District section of the Annual Conference. . ." the following: "and to the several local churches in each of our Districts." The amendment was accepted by the committee.

S. W. Seals stated that the members of the conference had not had time to read this, and moved that this be referred back also. The motion was seconded. John Morphis spoke against the motion. The motion was voted on, and lost, and the report was before the conference.

A member of the conference asked if the vice-chairpersons were elected quadrennially, as well as the chairperson. Dr. Hares said that this was not part of the standing rules.

The standing rules were approved.

William C. Crouch moved that the Annual Conference request the Council on Finance and Administration to undertake a study to determine if there is a more equitable way to apportion to the churches and that the findings and recommendations be brought to the meeting of the Annual Conference in 1975. David Shawver spoke for the amendment. The motion was referred to the appropriate committee.

Earl Kifer gave **The Conference Board Of Trustees** Report by calling attention to the printed report (Report "D") in the hands of the members. He moved the adoption of the report, and it was adopted.

Gordon Casad presented the report of the **Nominating Committee,** (Report "E") and moved its adoption after two corrections had been made. David Griffin presented an alternate slate of officers for the Division of Youth Ministries. After discussion, the vote was called, and the alternate slate lost and the original report was before the conference. It was pointed out that, under III, Chairpersons of Conference Divisions, A, Church and Society, there were only three divisions listed, and there should be four. "The Division of Alienation problems" had been omitted. Gordon Casad reported that this was corrected on the supplemental report, and Lydia Furie has been nominated for that position. Bishop Stowe said that this should be added to the correct place on the original report. The vote was called, and the nominees were elected.

James Hares was asked to make a special explanation about Rule 3 of the Standing Rules Committee, and "the immediate past president of the United Methodist Women, and the chairperson of the conference commission on the role and status of women."

Don Benton asked if it could be made a part of the Standing Rules that the persons being nominated to serve be contacted by the Nominating Committee.

Bishop Stowe asked that this be held for a moment, and the Hares proposal was approved.

Don Benton then presented his proposal again. John Morphis stated that this should be referred to the Standing Rules Committee, and he would accept

it. Bishop Stowe requested that this be a recommendation from this conference to the Standing Rules Committee. It was approved.

A recommendation was made concerning the nominations to members at large: there should be some kind of direction given if the person does not agree to participate by attendance at the meetings, that he be replaced by the Nominating Committee with approval by the conference. Bishop Stowe pointed out that this was a personal recommendation, and asked John Morphis if he had the recommendation. He stated that he did.

Bishop Stowe called Fred Kandeler to come forward, and called for a short recess.

After the recess, Bishop Stowe presented Fred Kandeler to give directions for the worship service.

The morning worship service was conducted by William J. Washington. Jack Gibson read the scripture: I Corinthians 12. Austin Lovelace was at the organ. Bishop Stowe preached on the general theme: "The true nature of the church is as a body..." Thomas J. Shipp shared the concerns of the Conference, and asked the ushers to take up the offering. The Doxology, sung to the tune "Lasst Uns Erfreun," closed the worship service.

William T. Stephenson presented the next part of the conference: a slide film with sound overview concerning the special Connectional Ministries of the North Texas Conference. The program dealt with seven areas: (1) General and Conference Funds; (2) Advance Specials and Missionary Support; (3) Community Ministries; (4) Campus Ministries; (5) Higher Education; (6) Health and Welfare; and (7) Conference Connectional Ministries. Leighton Farrell and Gordon Casad made oral presentations during the program.

Allen Simons was asked for instructions on the afternoon sessions. He stated that the format for the afternoon sessions would be District sessions. The room assignments for the several Districts were in the packet of information in the hands of the members of the Conference. He stated that a copy of the film and sound program would be available for use in the churches of the Conference.

William T. Stephenson announced that the film, "The Mending of Temples," concerning the Methodist Hospital, will be shown at 1:30 for those who would want to see it.

Bishop Stowe thanked those who put the program together, and dismissed the Conference until the District meetings at 2:00 p. m.

" with a special emphasis on "hearing the coughing in the world around us."

II. The following ethical principles for the appropriation and disbursement of funds by the North Texas Conference shall be observed:

Likewise, funds received by way of indemnity for loss or destruction of any capital assets of the annual conference, such as proceeds from property insurance, should be treated as capital assets and should be used for similar purposes if restoration of the property is not feasible.
    4. In appropriating proceeds from the sale of abandoned property, priority should be given to the most similar purpose for which the funds can be

used effectively, or to capital improvements within reasonable geographical proximity, but district lines should not be controlling and the entire community or metropolitan area should be considered.

RECOMMENDED REVISIONS OF STANDING RULES

(Report C)

Rule 2—Replace the existing rule with the following:

Rule 3—Replace the first paragraph with the following:

The bishop, the district superintendents, the chairpersons of the district councils on ministries and administration, the current and the immediate past presidents of the Conference United Methodist Women, and the chairperson of the Conference Commission on the Status and Role of Women shall constitute the Conference Nominating Committee.

Replace the third paragraph with the following:

The chairpersons of conference councils, boards, divisions, commissions, and committees are elected for a quadrennial term by the Annual Conference on nomination by the Conference Nominating Committee.

Each district section of the Annual Conference may elect one district coordinator to each of the divisions of the conference boards and to each of the conference commissions for an annual term on nomination by the district nominating committee. The district coordinators will serve as the district representatives on the conference agencies and as the liaison person for the conference agencies to the district agencies and to our several local Churches in each of our districts.

Each conference agency is granted the option to define appropriate categories of additional members for said agency and to request the Annual Conference to approve these categories. In the event that the agency prefers a second representative from each district, these members will be elected by the district sections of the Annual Conference for an annual term. Agencies members who are named by related organizations will be confirmed by the Conference Nominating Committee for an annual term. All other members at large will be elected by the Annual Conference on nomination by the Conference Nominating Committee for a quadrennial term.

BOARD OF TRUSTEES

(Report D)

The Dallas Central District reports that the Westerfeld Community Center is not organized legally as a local church and does not have the organization which

is necessary for it to be a local church.

It is therefore requested that Westerfeld not be considered as a local church, and that the following proposals and actions be approved regarding this property:

(1) That the North Texas Conference Board of Trustees be requested to serve as the trustees for that property and hold it in trust for the Dallas-Central District. We are not interested in selling the property, and the Conference Trustees would be asked to serve as the legal holders of this property.

(2) That a Board of Directors be named by the Dallas-Central District Council to superintend programs for the Westerfeld Community Center. Those programs which will be conducted through the center will be under the direction of this Board of Directors with full amenability to the Dallas-Central District Council. The Board of Directors would be responsible for budget, programs, and personnel.

If this action is approved it will be necessary for the Conference Board of Trustees to receive the deeds for this property from the First United Methodist Church. The program which is presently being carried on at Westerfeld under the direction of Billy Lee will then be assumed by the Board of Directors to be named.

The appointment of Billy Lee to the Westerfeld Community Center will be continued until Annual Conference unless there is a request for a change.

CAMPING AND RETREAT CENTERS COMMISSION

During 1974 more than 17,000 person days were served at Bridgeport and Texoma Conference Centers. This reflects the best year in the history of these two facilities. This increase is explained by the continual upgrading of facilities and services to meet the needs of many different kinds of groups.

Funds for development and operational projects are received annually from the conference. These funds are expended on priority projects and are never sufficient to do all that needs to be done. Other development projects are accomplished by funds received from advance specials through districts, local churches and individuals. 1974 was a good year for such gifts. Below is a list of projects accomplished during 1974 by conference and advance special funds.
Bridgeport:

--During the spring of 1974, churches in the Wichita Falls District agreed to finance a new 16-bed cabin in South Village. The structure was completed in

June and was used during the summer months.

–The new entrance was also a reality by funds to come from First United Methodist Church in Richardson. This has added greatly to the new image of the Bridgeport Conference Center.

–The bathhouse in North Village was remodeled to create a 16-bed, 2-bath cabin. This brings total beds available in North Village to 64 all with central heat, attic fans and indoor bath facilities.

–The manager's home, now Cardwell Lodge, is the setting for small planning groups or church staffs complete with food service, meeting rooms and lodging.

–Two arts and crafts pavilions were erected in North Village. These structures were very helpful during summer months. One of the pavilions was a work project of Wesley United Methodist Church in Greenville.

–Other developments at Bridgeport include a business office and satellite resource center in Martin Hall and an arts and crafts room in Kiker Hall.

Texoma:

–Developments at Texoma during 1974 include one remodeled cabin which now has two bedrooms, two baths and a central lounge.

–The two-car garage is now a cabin with one bedroom, one bath and a small meeting room.

–Improvements in the family camping area include a boat launch, improved campsites and more space being given to day groups for picnics and swimming.

–The remodeled cabin and the converting of the garage to a cabin was accomplished from the insurance claim received from the fire loss of 1973.

–The Assembly Facilities Commission is encouraged by the increased usage of Bridgeport and Texoma Conference Centers.

STANDING RULES

RULE 1. The Rules of Order adopted by the General Conference of the United Methodist Church shall prevail at all business sessions of the conference.

RULE 2. The Conference Council on Ministries and Administration is constituted to execute the functions detailed in paragraph 831.10 of the 1972 **Discipline** in addition to the coordinating functions in relation to the three Conference Councils on Ministries and the Conference Council on Finance and Administration.

The chairpersons and members of the Conference Committees on the Headquarters Center, Research and Planning, and Standing Rules will be elected quadrennially by the Annual Conference on nomination by the Conference Nominating Committee. The membership of the Personnel Committee will be the chairpersons of the four Conference Councils, the chairperson of the Conference Commission on Camping and Retreat Centers, and members of the Cabinet. The chairman of the Cabinet will be chairman of the Personnel Committee.

RULE 3. The bishop, the district superintendents, the chairpersons of the district councils on ministries and administration, the current and the immediate past presidents of the Conference United Methodist Women, and the chairperson of the Conference Commission on the Status and Role of Women shall constitute the Conference Nominating Committee.

The North Texas Annual Conference shall make it a policy to rotate membership on Conference agencies, limiting any person to eight (8) successive years. However, a person may be reelected to a conference agency after non-membership for four (4) years. The number of years of each person's term shall be listed after his name in the Annual Conference Journal where the membership of the agencies is listed. Membership, except ex officio, shall not be held at the same time on more than one quadrennial council, board, or division. This rule shall not be construed to apply to Trustees of Institutions.

The chairpersons of conference councils, boards, divisions, commissions, and committees are elected for a quadrennial term by the Annual Conference on nomination by the Conference Nominating Committee.

Each district section of the Annual Conference may elect one district coordinator to each of the divisions of the conference boards and to each of the conference commissions for an annual term on nomination by the district nominating committee. The district coordinators will serve as the district representatives on the conference agencies and as the liaison person for the conference agencies to the district agencies and to the several local churches in each of the districts.

Each conference agency is granted the option to define appropriate categories of additional members for said agency and to request the Annual Conference to approve these categories. In the event that the agency prefers a second representative from each district, these members will be elected by the district sections of the Annual Conference for an annual term. Agencies members who are named by related organizations will be confirmed by the Conference Nominating Committee for an annual term. All other members at large will be elected by the Annual Conference on nomination by the Conference Nominating Committee for a quadrennial term.

Members of the general agencies from the North Texas Conference will be members of the corresponding conference agency.

COUNCIL ON CONNECTIONAL MINISTRIES

BOARD OF CAMPUS MINISTRIES

The Division on Program and Personnel received approval from the Board to begin a Young Adult Ministry Training Program for the North Texas Conference aimed at churches with a significant number of college or college-age young adults. Of particular interest were the churches near the community colleges in the conference. With Michael Jackson of the Wesley Foundation taking the initiative, a two-day young adult training event was held at the Wesley Foundation in Wichita Falls, October 4-5, with four churches participating. The event was led by Homer Kluck of TCU Wesley Foundation. Assisting him as leaders in training were Robert Hall, Nancy Love, Michael Nichols, Michael Jackson, Ray Alderman.

The Division has been hampered in expanding its work in this area by the lack of interest of churches in young adult ministry; and by the already heavy time commitments of campus ministers and others qualified to conduct such labs. Under our new structure as the Board of Young Adult and Campus Ministries the project can be continued, drawing upon the resources of newly created Divisions of Young Single and Young Married Adults.

The Division of Program and Personnel left several pieces of unfinished business, including: clarification of the relationships between the Board and the local Boards of Directors; the exploration of alternative models of campus Ministry; the exploration of viable ways to minister to college students in the community colleges, especially in the Greater Dallas area; the clarification of the appointive process in relation to Campus ministers.

BOARD OF CHURCH DEVELOPMENT AND COMMUNITY MISSIONS

Division on Community Ministries

The Conference Division of Community Ministries is the extension of the church into the world, carrying out the church's mission and doing a ministry of reconciliation and hope for persons in a variety of ways. The life of the church must not only affirm the gospel in words, but must witness also in deeds of love. The witness through deeds is not only needed in order that the church might serve people but the witness made as the church serves is at the very heart of the life of the church itself. The church lives by faithfulness to the gospel and the gospel is the message of good news, it is Jesus Christ.

There have been special emphases within the work of the Division as a full range of ministries and services has developed. The work of the church as carried out through these ministries reflects these special emphases and concerns. First, a serious effort was made to develop ministry in all areas of the Conference. All districts have projects which are serving with others being projected and developed. A very special effort was made to support projects based on human need. The special needs and concerns manifested in this context resulted in a sharing across racial lines. Major and dominant groups of all ethnic background are supported in their ministries to all people.

Secondly, projects were developed to provide vehicles for the church to speak in a variety of ways. The community centers and specialized ministries offer new ways of service and witnessing in days and times like these. Special note should be made of the Maple Lawn Apartment Ministry, the Telephone

Ministries (Contact, Concern Inc., Project Concern) and the community centers (Wesley-Rankin and Bethlehem Center).

Thirdly, local church ministries of outreach service became a high priority for the division. The witness of the church is not merely internal and institutional, it is reaching out and external. The principle affirmed here is that the North Texas Conference is in ministry through these (and all others) ministries of the traditional church.

Fourthly and lastly, ministries have been supported on a community service basis. The Church is the leaven in the bread, at times playing a small but a vital role in the larger community. The world hunger issue has focused on the need of all persons (local, national, international). Plans are being developed to provide for a full interdenominational and interracial emergency food program. The work of Methodism's Breadbasket as a key leader and participant is recognized. The work of senior citizen centers and day care centers as community service projects should be noted. In fact, ministry to senior citizens as a total concern is developing.

The ministry and mission of the church is truly service, service to all people in a variety of ways. There is a variety of gifts but the same Spirit who works is all. Community Ministries is where people are. Community Ministries is the church at work with God, serving in order that persons might know the beauty and joy of life; that they might know that God and we, as His people, also love and care for them.

Reports will continue in the North Texas Conference Texas Methodist on the work of this Division.

A full project description sheet and directory are available from the Conference Council office upon request.

Division Of Church Extension

The Division of Church Extension has operated since January 1, 1974, as a Division of the Board of Church Development and Community Ministries. It continues to function under its original purpose, "to promote and coordinate the work of the United Methodist Church in matters of Church Extension by studying needs and securing sites for new churches and correlating the whole program of Church Extension in the North Texas Conference."

Three sites for future churches were purchased on Blackburn Road in Sachse (Dallas Northeast District), on Schrade Road in Rowlett (Dallas Northeast District), and on Clark Road in Duncanville (Dallas South District).

Church Extension, in cooperation with the National Division, purchased a site for Grace UMC (Sherman District). Grace Church has been constituted for over two years but has not had a site on which to make plans to build. The securing of this site will make it possible for them to make plans for a permanent home.

Lucas UMC (Dallas Northeast District) is in a strategic area for population growth. They requested Church Extension to purchase two acres adjoining their present church. Church Extension agreed to purchase the additional land on a grant/loan basis. A similar agreement was made with Boyd UMC (Wichita Falls District) for land to relocate and with Mt. Calvary UMC (Wichita Falls District) for additional land for expansion.

A site on Glencliff Dr., Plano (Dallas Northeast District), purchased in 1972, was deeded to the Trustees of Christ UMC on which to build their first unit which is under construction.

Plans for 1975 include a slight change in the Conference structure involving Church Extension. There will be a Conference Board of Church Development

with a Division of Church Assistance and a Division of Church Extension. Church Extension will no longer be involved with financial support to Community Ministries. Lines will be worked out determining more specifically the responsibilities of Church Extension and Church Assistance with reference to new churches and to existing churches. Church Extension's ability to serve the future as it has in the past will depend to a great extent on the acceptance and payment of the apportionments given to the local churches and the participation in the Share Program which continues to be a very important part of Church Extension's support.

THE BOARD OF INTERPRETATION AND PROMOTION

The work of this board is done largely through the five divisions. A report from each of these division chairpersons follows.

The Board of Interpretation and Promotion has now been replaced by the Board of Connectional Institutions. There has been some rearrangement of the several divisions.

Division Of Advance Specials And Umcor

As of January 1, 1975, this Division entered a new era. In order to strengthen and utilize more the resources within our Annual Conference, our Division has been merged with two others, thus creating the new Division of National and World Outreach. This means that we have fulfilled the particular responsibility given us by the Annual Conference during these past two years, and now will be able to move into a more effective working relationship within the Annual Conference.

In these several meetings which our Division has had this year, we have continued to stress an emphasis upon education, information, and cultivation of the churches within the Annual Conference. The goals which were set up in the initial meeting of this Division have still been before us, and we feel that this report reflects some results from those goals.

During this past year all the approved Advance Specials which have been considered by the Annual Conference have continued to be channeled through this Division for assistance in promotion. The Conference page of the Texas Methodist has been very helpful in such promotion, and the District Coordinators of Missions have shared these needs very well in their own Districts. The recent visit of our own Bishop and Mrs. W. McFerrin Stowe to Malaysia and Singapore has enabled us to have a first hand report of our Conference Advance Special Goals. We look forward to more information from Bishop and Mrs. Stowe as this New Year comes that we might be challenged to respond to these needs.

There has been a continued emphasis on "personalization of Mission," as we have utilized Missionaries, and persons in Mission here on leave or furlough, in speaking in local churches. They have also served as Resource Persons in District Training Events and have done a tremendous amount of interpretation on the Mission of the Church. The District Superintendents and the District Mission Coordinators have been tremendously helpful in enabling these people to go into many District meetings and to relate to local Churches as well as District Meeting responsibilities.

We have found that the response to the Advance giving in this past year has increased above that of 1973. As of the report of Mid-November of this year,

our Conference was many Thousands of Dollars ahead of 1973 in giving the amounts across the board for support of Missionaries, persons in Mission, and Projects and Programs in Mission Around the World. We are very appreciative of the effors of Bishop Stowe, and all pastors and leaders in the local Churches for this response. It is a tremendous response, especially in view of the fact of the troubled financial picture of our Nation. Only such dedicated giving on the part of the people called United Methodist has made this possible. We are grateful for this response.

We have been listing new Advance Specials which are accepted by our local Churches in the Conference Page of the Texas Methodist. A brochure was prepared and shared at the called session of the Annual Conference, and occasions there were many to share with people of this Conference on needs for Advance Specials and U. M. C. O. R. The opportunity of having a team to interpret Advance Specials during that session of the Annual Conference enabled us to further personize Mission. We feel that this sharing of information which listed our Total Mission involvements in the World, National, Conference, and Community Work has assisted us in challenging our churches to be in mission.

The North Texas Annual Conference has had specific goals for three projects of the National Division, which are partially or totally supported by our Jurisdiction. These projects are: the Rio Grande Conference; the Lydia Patterson Institute; and the Oklahoma Indian Missionary Conference.

We are still seeking to reach out in Districts and local churches to further personalize mission in our Conference. There has been much opportunity of development through our "Mission Saturation," "Mission Conferences," and other Mission emphases in local churches and Districts. We seek to share in partnership with all persons of our Annual Conference in these emphases, and we see how each of us is enriched in such sharing. We pray that this coming year will enable our churches to share in even a wider manner in service to God, as we reach out to touch the lives of people around the World.

We would like to remind all of our Churches that EVERY PENNY given for Advance Specials goes to the project, program, or person so designated. No administrative costs are taken out. Thus, this voluntary, "Second-Mile Giving," enables us to amplify the basic mission support of our World Service, and the Woman's pledge to missions through the United Methodist Women, as we move into a new relationship with the Division of National and World Outreach, whose chairperson is Mary May. We look forward to this New Year of service, as we follow the leading of God as he challenges us to move outward in Mission.

Division Of Health And Welfare Ministries

During 1974 this Division feels progress has been made in interpreting to and training persons for the carrying out of the purposes and functions of the work assigned as our responsibility within the Conference. As we strive to be the "caring" arm of the church ministering to the aging, children and youth and to all who have health care needs we recognize more fully the enormous task that falls within our obligations.

The four institutions

Methodist Hospital of Dallas
C. C. Young Memorial Home
Methodist Home at Waco
Methodist Mission Home of Texas in San Antonio

are our primary concern and have been recognized throughout the year on special dates set by the Annual Conference. Each local church is urged to use

these dates, or one more acceptable to their own congregation's plans and program, as a time to inform their membership of the services and needs of these four institutions.

A comparative report of giving in 1972, 1973 and 1974 to these institutions is listed below, with district subtotals given for 1974.

A report form to be used by the Local Church Representative of Health and Welfare was made this year. By the use of the information gleaned, this Division hopes to better meet the needs of the local church and districts. We urge all local churches to complete these forms to enable this procedure.

We encourage local churches and/or districts to search out the needs of health and welfare in their communities and produce projects to meet these needs. A Health and Welfare committee in local churches can work effectively with other areas, such as Social Concerns, Missions, and Community Ministries, to enable more persons to know the United Methodist Church cares in meaningful and effective ways.

Our commission to be involved in caring for others has much biblical background. To suggest a few: Matt. 22:37-39; Matt. 25:34-40 and Luke 10:29-37. Our work is unending and we feel the challenge and the commitment for the task.

Division Of Higher Education

The apportionment for 1974 Texas Methodist Colleges was budgeted at $175,000.00. At the year's end, this fund had received $102,089.13 or 58.33 percent. The Black College Fund apportionment was $96,462.00, of which $63,095.30 was received or 65.5 percent. The combined total of both apportionments collected was $165,184.43, which is $8,227.11 less than was collected in 1973.

At the adjourned session of the North Texas Annual Conference in November, the Chairman of this division, along with the Presidents of Huston-Tillotson College and Texas Methodist College Association, met with delegates of the seven districts of the Conference. We presented and discussed the needs of the Black Colleges and Texas Methodist Colleges. This meeting provided a better understanding of the requirements and the role of these Colleges for providing higher education within a Christian context.

Division Of Special Offerings And Appeals

The Goal of this division is that every church in the North Texas Conference pay all of its apportioned benevolences, accept at least one Advance Special, and take every special offering designated. This would assure each of our North Texas churches of not being merely a LOCAL CHURCH but become a parish partner in Mission as a GLOBAL CHURCH. This would mean that each church would not be satisfied with ordinary apportioned benevolence giving, but each church dedicated to going the second and third miles. Perhaps the most concrete goal would simply be that every church have no blank spaces in their Annual Conference report each year. These guidelines are suggested to meet these Goals:

1. Point the local church Globally by taking all special offerings and appeals on or near the date specified using the special letters, bulletin inserts, and posters and special offering envelopes provided. These dates in 1975 are: Human Relations Day, January 26; One Great Hour of Sharing, March 9; and World Wide Communion, October 5.
2. Promote these special days through regular channels of Pastors and Lay groups, United Methodist Men and United Methodist Women's groups, in local and district and conference meetings, through the Conference Council Office mid-monthly mailing and the United Texas Methodist.
3. Respond generously when the special crises occur when the Board of Global Ministries, and the Council of Bishops, and our Bishop make appeal for special offerings.
4. Make sure that every authorized regular and special appeal of the United Methodist Church has priority in the local congregation. These calls of the Church have been thoroughly researched by the Council on Finance and Administration, and having passed their careful scrutiny and recommendation, then deserve our unanimous support throughout the connection.

Division Of Texas Methodist Foundation

The Texas Methodist Foundation is an investment-service corporation, operated by and for the Methodist Church in Texas. The Foundation is operated by the elected Trustees in behalf of the Methodist Church as the incorporated trust

agency for the benefit of the Methodist Church, its agencies, institutions, and churches in Texas. The elected Trustees manage and are responsible for the work of the Foundation. The Trustees meet at least annually to set policy and review the activities of the Foundation. They elect a Board of Directors of fifteen from their number, which also serves as the Executive Committee, who meet at least quarterly and give close supervision and direction to the operation of the Foundation.

The Foundation is not a fundraising organization. It is not in conflict or in competition with any agency or institution of the Church. It seeks to challenge and lead Methodism into a more active support of all the causes sponsored by the Methodist Church. It is a channel or means of aiding every Methodist-related activity. Fund management is the Foundation's purpose.

The Foundation generally receives funds in two ways: (1) those placed with the Foundation for investment purposes by the Church, its agencies and institutions. (2) Cash and properties from wills, trusts, etc. They can be placed with the Foundation for short-term, long-term or perpetual handling.

The Foundation can relate with any local church, district or conference agency that desires to make use of its services and it invites inquiries for further information. Dr. Donald R. Redmond is the Executive Director and Howard E. Taylor is the Conference Representative.

COUNCIL ON LOCAL CHURCH MINISTRIES

BOARD OF LAY GROUPS

The year 1974 has provided many opportunities for the Conference Lay Leader to represent the laity, both in the conference and on the state and national level. There have been invitations to speak in local churches, for United Methodist Men, Lay Speaking Training Programs, and to represent the laity at the National Association of Conference Lay Leaders, and the National Meeting of the United Methodist Men. Work during the year has included the Texas Planning Commission, Chairman of the Perkins Lay Advisory Council, North Texas Conference, S. M. U., member of the Board of the Texas Methodist Foundation, member of the Board of Church Development and Community Missions serving as Chairman of the nominating committee for 1974.

Other related conference laity service involves the North Texas Conference Federal Credit Union, the C. C. Young Board of Trustees, The Conference Resource Center, Laity Week at Perkins, the Conference Lay Speaking Program, the Coordinating Committee, the Jurisdictional Lay Retreat at Lake Murray with Bishop Stowe as speaker. The Conference Lay Leader participated in Lay-Clergy district meetings at Greenville, and Wichita Falls, and was speaker Laity Day in the Texas Conference.

As the designated leader of the conference laity, conferences and planning sessions with Bishop Stowe have been held during the year.

The Conference Board of Lay Groups met regularly during 1974. Serving as Chairman of the Board of Lay Groups has been Frank W. Greenhaw and Division of Lay Administrative Training Chairman is Dr. George Boswell, Division of United Methodist Men is Mr. Clay Cheek, Division of United Women Chairperson has been Mrs. Mattie Tanner, and Division of United Methodist Young Adults Chairperson has been Miss Nancy Love.

The Board of Lay Groups recommended guidelines for the presentation of names for the Election of Delegates to the General and/or Jurisdictional Conference. This was approved by the Annual Conference in May, 1974.

Laity Sunday was observed in many churches throughout the conference. Churches were encouraged to celebrate Laity Sunday through the Texas Methodist and by personal contact with ministers and lay leaders in the local churches.

Division of United Methodist Men

The United Methodist Men sponsored the Conference Annual Laymen's Retreat, May 17, 18, at Lake Bridgeport. Theme of the retreat was "Living as God's Stewards," with renewed emphasis on stewardship. Interest groups were held at Bridgeport on Wills, and Estate Planning led by Mr. Robert L. Dillard, Jr., United Methodist Men, led by Mr. Clay Cheek, Laymen-Preachers Dialogue led by Mr. J. J. Cupples, Dr. Ben Oliphint, and Rev. Paul Morell, Conference Concerns led by Dr. James Hares, Perkins Lay Advisory Council led by Mr. Leo Baker, Bridgeport Development Projects led by Mr. Tommy Christian. Speakers were Bishop W. McFerrin Stowe, Mr. Alex Bickley, Mr. James Davis, and Dr. Arlington Talbot. The Bible Study, "Stewardship," under the sponsorship of the Willson Foundation, was led by Rev. DeForrest Wiksten. The musicians and entertainers were Mr. Art Greenhaw and his Band.

Division of United Methodist Women

The year 1974 was an exciting and busy time for the United Methodist Women of the North Texas Conference as we planned, and worked, and prayed together, seeking to make the new organization come alive in each local church.

We selected with great care the following goals which we felt would help us to fulfill our purpose and foster our spiritual growth to develop, promote and activate an intense educational process toward new and/or changing concepts of

FINANCIAL SUPPORT
INCREASE IN MEMBERSHIP
CHRISTIAN PERSONHOOD
SUPPORTIVE COMMUNITY
CHRISTIAN SOCIAL INVOLVEMENT
CHRISTIAN GLOBAL CONCERNS

that women of the North Texas conference might have the opportunity to participate in experiences that would enlarge their concepts of the missionary outreach of the church.

Workshops were planned for all seven districts with the needs of the local women as focal points. Meeting places were selected for accessibility so that local units could attend without traveling too great a distance. All were well-attended and repeat sessions were given upon request. Conference and district officers were available for programs, workshops, or resource persons to the local units.

A special effort was made to increase our pledge to missions by 5%. At our Annual Meeting held in Duncanville on October 5th, Mrs. Cleon Thomasson was elected to serve as the second president of United Methodist Women and will assume these duties on January 1, 1975, serving two years. Ruth is completely dedicated to her Lord and her many Christian graces will enhance the office of president and be an inspiration to every woman in the North Texas Conference. I covet for her the loyalty, cooperation, and prayers that have supported me the past four years.

BOARD OF PROGRAM RESOURCES

Section A

During January of 1974 the district coordinators of the six divisions which make up Section A, Education, Evangelism, Mission, Social Concerns, Stewardship, and Worship, served as leaders in their district local church leaders training events. Two of the divisions–Missions and Social Concerns–were part of the sponsoring agencies of the Annual Christian Citizenship Seminar to Washington, D. C., and New York City. This event held each February had 49 participants. All would testify that the Seminar was a major learning experience of their life.

Division of Evangelism: During January the National Council on Evangelism was held in Dallas. All division members participated in the meeting, as well as some helping with local arrangements. A project was started of compiling different evangelism models used in local churches in the Conference. We anticipate making these models available to all churches within the Conference.

Division of Missions: This division was the co-sponsor of the Cooperative Mission School held at the Bridgeport Conference Center in September. This was a first-time event for our Conference and was evaluated to be successful. Just over 100 persons participated in the weekend event.

Division of Social Concerns: The Division of Social Concerns was occupied in 1974 with a number of changes, not the least being the conversion to Board status by the May session of Annual Conference, effective January 1, 1975. The Board, to be called the Board of Church and Society, will have four Divisions. Each Division will have a chairperson and a district coordinator from each district. This automatically quadruples the work force of the preceding Divisional entity. The Divisions of the new Board, as presented to Annual Conference, are as follows:

Division of Alienation Problems–This Division will deal with the whole area of alienation, including such diverse subjects as Drug Abuse, Race, and Criminal Rehabilitation.

Division of Christian Ethics–This Division will concern itself with Social Principles and the application to such matters as Amnesty, Sexuality, Abortion, Divorce and Homosexuality.

Division of Environmental Concerns–A concern for the deteriorating environment prompts a Christian appraisal of such matters as Pollution, Recycling, Population Control, and Energy needs as balanced against Ecological needs.

Division of Social Structures and Institutions–The proper function and structure of institutions, including the church, is a legitimate concern of many church people. The study of use and abuse of power leads to an examination of armed force and its limitations.

A Resolution was adopted by the Division of Social Concerns in January 1974 and sent to the national Board of Church and Society. The subject of the Resolution had to do with proper function of Church agencies, including limitations of such functions. Copies of this Resolution, coupled with a response from Dr. Dudley Ward, Executive Secretary of the Board, were circularized at Annual Conference for information purposes. The new Division of Social Structures and Institutions is the ideal vehicle with which to continue this dialogue.

The 1973 Annual Conference assigned the Division the task of studying Amnesty and reporting back to the 1974 Annual Conference. A blue ribbon Task Force, chaired by Judge Spencer Carver, developed a scholarly "Examination of

the Subject of Amnesty," copies of which were distributed at Annual Conference. While all aspects of the subject were examined, every effort was made to avoid a polarizing position statement. The hope is that the document will enable church people to become informed and thereby take a responsibly informed stance.

The Division's major project since its organization has been the promulgation of a halfway house for state ex-convicts. This house, named The Way Back, is in operation at 526 Liberty, Dallas. Phone 827-2181. The Chairman of the Board and the moving force behind the house is Woodfin Henderson, an attorney and a member of University Park United Methodist Church. The Executive Director of The Way Back is Claude Behn, an Episcopal priest. Father Behn was presented to each district meeting at the November session of Annual Conference. Statistical data will be developed, particularly relative to recidivism, and will be reported regularly.

A major portion of the Division's work these past two years has been accomplished by Task Forces, recruited from within and without the church. A word of gratitude is in order for these people who have performed yeoman service, with little recognition. The Task Force concept will not be abandoned, but as their functions are assimilated by the new Divisions of the Board, there will be less demands on the Task Forces.

Division of Stewardship: The primary thrust of the division during 1974 was to call attention to, encourage use of, and distribution of the Alternate Christmas Catalogue. The catalog suggests many different ways of celebrating Christmas and other special times of the year. One of the suggestions in the catalog was to give money for one of the Advance Specials in place of or in addition to the usual gift to a friend or relative. The friend or relative would be made aware that the gift to Advance Specials was being made in honor of him or her. Reports already indicate that General Advance Specials increased greatly during the last two months of the year. It is not known just how much of the increase was due to the suggestion in the Alternate Christmas Catalogue, but it can be assumed that it played a major role.

Division of Worship: The Division, as is necessary each year, focused most of its energies upon the responsibility of planning and resourcing the worship services for Annual Conference sessions. With the adjourned session in the fall, this meant additional preparation. Prayer breakfasts were continued as a most welcomed event by laypersons and ministers alike. The major evening worship services were planned to offer diverse experiences of the celebrative, the spirit and involvement of Black worship tradition, and the full richness of the ordination liturgy. Worship for the adjourned session featured an outdoor service of commitment to mission. Throughout all these events, an emphasis was placed on a fully inclusive participation in worship leadership by lay and ministerial members of the conference.

Additional work was done on the proposed development of a Manual on Worship for local church pastors and worship work area chairpersons. However, due to the complexity and costs of this undertaking and the need to maintain the development of the ever-growing and changing manual, the decision to publish the initial documents was not ready to be made. Continued use of the mid-monthly mailings as a means of providing leaders with worship resources will be maintained at present.

Section B

Division of Children's Ministries

In 1974, the Division of Children's Ministries worked to become an enabler of workers with children. Sponsored entirely by the division or in cooperation with the districts, a total of eleven training enterprises were held.

Vacation Church School workshops offered at different times of day and in various places throughout the conference gave assistance to some 400 potential directors, teachers and workers.

The annual Workshop for Workers with Younger Children at Bridgeport Conference Center was a time of training and sharing for 122 persons. Its focus was primarily for weekday persons, but Sunday morning teachers, coordinators and workers found it equally useful.

A similar retreat, the Workshop for Teachers of Elementary Children, was held in the fall with 80 in attendance.

The first division-sponsored laboratory school was held in late July. Highland Park was the scene of much activity with all the children and teachers in classes for nursery, kindergarten, elementary I-II, III-IV, V-VI, as well as in special sections for through-the-week nursery-kindergartens and workers with retarded children. Eighty-three persons attended the 3-day enterprise.

Summer events for elementary children continue to grow in the North Texas Conference. While they are sponsored and staffed by district personnel, the division provides curriculum resources, equipment and supplies. This year a new curriculum, "Jesus Christ, the Gang and Me," was written by a division task force. The new curriculum will be alternated with the previous unit, "God's Universe." Following the lead of curriculum materials, the division in joint decision with youth ministries endorsed the policy that campers be placed in the grade completed during the spring semester prior to the camping season. (See accompanying chart.)

The Children's Choir Directors Training event was a good session, though it was attended by only 39 persons.

Four leaders completed their requirements for certification for leadership in the conference, and another became fully certified in a course on self-directed, non-graded laboratory methods. Several others are currently in the process of working for such certification.

Division of Family Ministries

The Division of Family Ministries looks to 1975 as a key year. To that end, much of its work consisted of laying the foundations important to its success.

Each year the division will sponsor a weekend at one of the conference centers which deal with family-life. While the program specifically will begin in 1975, with a Parent-Child Relationships retreat, the division adopted certain standards and projected possibilities for leadership during 1974.

In its outreach to stimulate and develop community of family life, the division sponsored with the youth division the intergenerational canoe trip during the summer of 1974.

The division has also begun the process of providing resources for the local church. These will be placed quarterly in the Mid-Monthly Resource Packet

coming from the Conference Councils Office. The first was released during October and was entitled "Planning for Family Ministries." The multiple-page resource was aimed at beginning such a program in the local church and explained needs and concerns of families. A useful bibliography was also provided.

Division of Youth Ministries

The Division of Youth Ministries had a busy year during 1974. Beginning in late May, a pattern which divided responsibilities within the division was adopted. Basically, the design allowed the youth the creation of a Youth Council which would meet at least twice a year to suggest and approve programs for the ensuing year, to make priorities for the Youth Service Fund as well as to find ways to increase local church support, and to assign youth as members of the design team to the various quarterly events. Two youth members elected from each district as well as the district coordinators form the Youth Council. Broadening its base of support, the Youth Council also invited members of the Rio Grande and the Oklahoma Indian Missionary conferences to participate.

The adults within the division have met often. In addition to the task of implementing and supplementing plans drawn up and approved by the youth council, they also provide for training for adult leaders.

Youth events are maximized in the North Texas Conference. Quarterly events, sponsored by the division, were wide and varied during the past year. Three Mid-Winter Institutes were designed to permit the large number of youth to participate. The theme of the Weekend was "Stop the Church! I Want to Get On!" encouraged the youth and their adult sponsors to discover the meaning of faith by reinterpreting the practices of the Church. Directed by David Black, John Tatum and Milton Guitterrez, the events had an attendance of 84, 128 and 138 respectively.

Spring Training, entitled "Walk A Mile in My Shoes," was a retreat in which the participants attempted to gain insights and perspectives not normally experienced. Simulation games provided the means whereby all learned how other persons lived and felt. The event was led by Allen Simons and was attended by 86 youth and adults.

The Summer Retreat, directed by George Lewis, was "A Jesus Weekend." Its four sessions on nativity, ministry, crucifixion and resurrection offered a way for all to know Jesus the Christ in an unusual way. A total of 143 persons were a part of the event.

"Dealing with Differences" was the title of the Fall Round-Up. Clarifying issues, setting out a common history, and finding new ways to affirm other persons were just part of the things that happened at this weekend directed by David Griffin. The best attendance of all 1974 was in this event, with 156 sharing and learning from each other.

But such events are only the beginning. Two trip camps were sponsored by the division. A Pioneer camp which went to Colorado and New Mexico was more than a beautiful trip and a great study of nature. Under the leadership of Ron Underwood, the group proved the tremendous potential for ministry to young persons such an event has. Likewise, the intergenerational canoe trip sponsored by the divisions of youth and family ministries, provided both a good time and some valuable interpersonal interchange. This event was directed by Bob Bush.

In addition, the division participated in the sponsorship of the district summer events (see the accompanying chart), the Christian Citizenship Seminar and the Bishop's Conference on Ministry.

Perhaps one of the most exciting events during 1974 was the new Junior High Weekend held in April at the Bridgeport Conference Center. The weekend was "A Monastic Retreat." The first event of its kind for junior high youth of the conference, 155 youth and their sponsors greeted the weekend enthusiastically and hailed it a success. It has since been written up in a national publication and requests for its design have come from conference and local church offices from all over the United States. The leader of the retreat was Royce Riley.

Youth Service Fund was down during 1974, totalling only $805.10. However, its missionary quality was not lost. One third of the money received was applied to the Mexican American ministry at Grace Church, Dallas. An additional third was sent to the Dental Clinic sponsored by the Oklahoma Indian Missionary Conference. Additional funds were used in sending North Texas Conference youth to the Youth Ministry Enterprise at Mt. Sequoyah in July.

Committee on Conference Resource System

In November of 1973 the Conference Resource System was established as a service to local churches, and district and conference agencies. Therefore, 1974 was the first complete year for operation of the System. A major part of the Resource System is the Conference Resource Center (CRC). The Conference Resource System has to do with the entire structure of providing resources. The CRC deals with the particular location, distribution and production of resources.

The Resource Center had a year of continuous growth. A major reason for the growth had to do with the local church membership plan. This plan permitted any United Methodist Church within the bounds of the North Texas Conference to pay a membership fee, based on the size of the local church membership, and become a member of the Conference Resource System. Member churches have free use of the loan resources in the CRC. Non-member churches pay a rental fee on all loan resources, but do have the same access as member churches to the services of the Resource System.

The membership fee is annual ranging from $5.00 to $20.00. There were 140 churches which joined the Conference Resource System during 1974. That breaks down in the following manner:

32 paid	$ 5.00 fee	=	$ 175.00
45 paid	10.00 fee	=	450.00
31 paid	15.00 fee	=	465.00
32 paid	20.00 fee	=	640.00
	Total		$1730.00

Funds for operation of the Conference Resource System came from many conference agencies, all seven district boards of local church ministries, membership fees, sales and rentals. The total amounting to approximately $10,500. Expenditures amounted to $10,000. The major expenditure was the purchase of the 16mm film series "Learning to Live." This eight-film series cost $2,500.

The major production of the CRC during the year was a slide program entitled "Connectional Ministries of the North Texas Conference." The program was used at the adjourned session of the Annual Conference.

During July four film previewing sessions were conducted throughout the Conference whereby participants viewed as many as eighteen 16mm films and then evaluated them for usefulness in their local church.

The Committee on Conference Resource System ceased to function at the end of 1974. With the growth of the System and the need to be related to all conference agencies, a new Conference Commission on Communications and Resources will assume the responsibilities the Committee has had.

COUNCIL ON PROFESSIONAL MINISTRIES

BOARD OF PROFESSIONAL GROWTH

Each of the divisions of the Board of Professional Growth have been challenged with the responsibilities and opportunities to meet needs that are theirs. Each division, under the capable leadership of the three chairpersons—John Roberson, John Taylor and Don Benton, continue to work at expanding the plans to meet the ever-present needs of persons. One detriment to the effectiveness of the work of the divisions, as well as the Board, has been the changing membership of the divisions. We hope that the new revisions to the conference structure will solve most of this problem.

Enlistment With the encouragement and endorsement of Bishop Stowe, a task force was named to plan and carry out the Bishop's Conference on the Ministry. The task force, chaired by Jack Gibson, decided to hold the first overnight conference. The conference was held on March 8-9 at Bridgeport Conference Center for high school and college students in the North Texas Conference who are interested in investigating and making a commitment to a full-time church vocation. Total attendance was 137 with 88 students (26 female, 62 male) and 49 adults making up the total.

The Division on Enlistment set up a committee which met with the Perkins faculty to discuss the enlistment needs of the United Methodist Church for the next ten years. The information received has been shared with a conference committee that is making a study of the needs for the next ten years.

During the year the Division has released ten undergraduate scholarships to help students where there is a need in preparing for full-time church ministry.

Continuing Education Approximately 120 ministers and lay workers attended the second Four R's Retreat on September 10-12 at Bridgeport. Dr. Robert Thornburg, Associate General Secretary of the Board of Higher Education and Ministry both spoke and lead seminars for the retreat. In addition, participants could participate in a variety of workshops, seminars, discussions, leisure activities and total group fellowship.

The Division has granted $1,947 during the last seven months of the year to nine individuals and two groups (the cabinet and CEF) for continued education events. It is hoped that the availability of continuing education funds will encourage more clergy and consecrated lay workers to participate in continuing education events for their professional and personal growth and development.

Two events have been endorsed this year: the Edinburgh Continuing Education Conference held August 7-22 and the Conference on Apartment Ministry held at Perkins on October 16-17. In addition, $1,000 was contributed to the Conference Resource Center towards the purchase of 8 transactional analysis films for use in the annual conference.

Career Assessment The Division on Career Assessment had as a primary goal the implementation and testing of the instrument for the evaluation of profes-

sional ministry personnel. Each of the seven districts held a training session on the use of the instrument with the minister and representative of the Pastor-Parish Committee of the participating local churches. Approximately 80 ministers participated in this first phase.

When the process is completed in each of the districts, the instruments and the information on and concerning it will be evaluated. Improvements will then be made for more effective use in the future.

The three divisions continue to be concerned for and committed to serving persons. We trust that 1975 will provide an increasing opportunity to reach out and help persons find ministry challenging and exciting.

CONFERENCE COMMISSIONS

COMMISSION ON ARCHIVES AND HISTORY

The Commission continues to encourage local churches, various agencies of the church and individuals to: provide adequate location for church records; keep records in proper order; to be aware that the date, month and year, the name of the church, the town location, the staff members names are printed on bulletins, letters church newsletters and directories; pictures be taken, labeled with names dates and places. Bridwell Library at Perkins School of Theology, Dallas, Texas, is the Depository for our Annual Conference.

The General Commission sets aside May 18, 1975, for Heritage Sunday (Worldwide Wesley Day). Also publishes the quarterly **Methodist History** from Box 488, Lake Junaluska, N. C. 28745.

The Commission participated in various District activities. Dinner at Annual Conference had as its speaker Dr. George Younkin, chief of the Federal Archives Branch, Ft. Worth. The Regional Conference of the World Methodist Historical Society was held at Kansas City, Mo. Walter Vernon and Bradley Sue Howell attended. The South Central Jurisdiction Archives and History Workshop in Oklahoma City was attended by Bradley Sue Howell, Walter Vernon, Louise and Bill Morgan Smith, and Robert Pinckney. The card file index of Methodist Ministers for Nashville continues work by Miss Elsa Cook. Methodist Heritage Tour to England or Europe April 1975 provided travel opportunity. The Commission looks to the future as local churches through the General Conference level plan for Bicentennial celebrations.

COMMISSION ON ECUMENICAL RELATIONS

Activities of the members of this commission began with the 1974 Workshops in the various districts in January. Then, in February, at the Annual Assembly of the Texas Conference of Churches in Fort Worth our delegates were, in addition to Bishop W. McFerrin Stowe, Zan Holmes, Royce Hardaway, Helen Piercy, Dwight Judy, Myrtle Beard, Margaret Estes, Dorothea Stark, Edgar Huffstutler and Byron Myrick. The theme of this, the Fifth Annual Assembly, Bet Your Life–Believe! Be!! Do!!! was the subject of the lectures delivered by the Rev. Dr. James A. Wharton. The four Divisions made reports and appropriate action was voted on their recommendations. The representatives from our conference on these four divisions of the TCC have attended many meetings during the year. They are as follows: Division of Research and Planning, Edgar Huffstutler; Division for Christian Unity, Myrtle Beard; Division of Education, Royce Hardaway;

Division of Church and Society, Dwight Judy. If you have questions concerning TCC, contact these people.

In September, we participated in the Updated Resources Workshop with Helen Piercy as the leader for the group on Ecumenical Affairs for the Central Texas Conference and North Texas Conference delegates. Several of our members were in attendance. The leadership for this Regional Workshop was from National Staffs of General Agencies and the new resources presented should be helpful in our conference activities. A new "Guidelines for Ecumenical and Interreligious Concerns" and several new leaflets will be available.

The October Conference on Faith and Order was held at MO Ranch beginning on Monday the 21st and ending on Wednesday at noon and was well attended. Our delegation was composed of Bill Stephenson, Pete Robertson, Edgar Huffstutler, John Clarke, Myrtle Beard and Helen Piercy. We participated in discussion groups on "The Holy Spirit As Liberator–when? where?" The guest speakers were the Rev. Dr. Robert E. Terwilliger and Dr. Jorge Lara-Braud. The Faith and Order Conference is a major program of the Division for Christian Unity, Texas Conference of Churches with Dr. Sidney Roberts as chairman.

With the changes in structure at Annual Conference, we are now a division of the Board of Connectional Institutions, but will continue to function much the same as before, except that now we have just one representative from each district.

COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race continues to serve the program concerns of the North Texas Conference. In 1974, program emphases developed and continued on matters of high priority as issues emerged.

The program emphases of the Commission are highlighted:

(1) The Commission continued to work on the issue of minority representation on Conference Boards and agencies. In a majority of these agencies, there are now more minorities in the leadership of the Conference. In groups where representation is inadequate, formulas are now being suggested in order to insure participation.

(2) The Commission has continued to support the development of the Stowe-Tate Minority Scholarship Program. The program is designed to provide, based on need, support for minority students who meet the entrance requirements of SMU and desire to attend the University.

(3) The Commission was responsible for a mini-consultation with selected general church leaders. This was done in an effort to set direction for the Commission and to deal with minority concerns within the Conference.

(4) The Commission has responded to a number of concerns of the Asian-American Committee, Inter-Conference Commission for Mexican-American Ministries and Black leadership in the Conference. Plans call for additional concerns to be addressed.

(5) The Commission continued its support for minority employment-related projects.

(6) The Commission projected a continuation of research on employment of minorities in United Methodist supported institutions with plans for an annual report to the Conference.

The direction of the Commission will be further programmed in a retreat for the group in early 1975. We solicit the prayers and support of the Conference in all of our undertakings.

NORTH TEXAS CONFERENCE FEDERAL CREDIT UNION

The purpose of the North Texas Conference Federal Credit Union is to promote thrift among its members by affording them an opportunity to accumulate their savings, and to create for them a source of credit for provident or productive purposes. The Credit Union's assets were well in excess of half a million dollars on November 30, 1974. The trememdous growth in such a short period of time is due to the participation of the membership in saving and borrowing. All profits are returned to members in the form of dividends paid semiannually. A maximum of 7% allowed by law for Federal Credit Unions was paid to 555 members at the last two semiannual dividend periods. In addition to paying the maximum dividend, as an added incentive to encourage members to save, the Credit Union provides life insurance based upon the insurable amount a member saves up to the $2,000 maximum. Savings are insured up to $40,000 by the National Credit Union Administration, an independent agency of the Federal Government.

Membership is made up of ministers, associates, lay and cleric employees of local churches or church-related agencies, and members of their immediate families.

Fifteen directors, members of loan, supervisory and credit committees, serve without compensation and have general direction and control of the affairs of the Credit Union. Directors' meetings are held monthly and an Annual Meeting is held to which all members are invited and urged to attend. Directors and credit committee members are elected at the Annual Meeting.

Inquiries are invited and may be made to Mrs. Patsy Johnson, 112 McKinney Street, Farmersville, Texas 75031—Telephone number (214) 782-6612.

BOARD OF PROFESSIONAL SUPPORT SYSTEMS

DIVISION OF PENSIONS

The North Texas Conference Division of Pensions made pension payments, based on $90.00 per service year, to 457 claimants during 1974. There were 73 ministers, 78 widows, and 13 children, a total of 164 claimants directly related to the North Texas Conference. In addition, we made payments to 141 ministers, 144 widows, and 8 children, a total of 293 claimants retired in other annual conferences.

We received $37,198.16 for the Pension Foundation through the $1.00 per member plan. We express our appreciation to the local churches for their support and urge all churches to strive to reach the goal of $1.00 per member in 1975.

We are truly grateful for the Joe and Lois Perkins Fund and the support it provides for our retired ministers and widows. The distributable income this year was $47,140.38. $41,600.00 has been distributed to the retired ministers and widows of the conference. The balance of $5,540.38 will be distributed as need arises during the year.
