THE NORTH TEXAS CONFERENCE

At the Uniting Conference in Dallas, Texas, April, 1968, a new Annual Conference was formed in North Texas including members, congregations, and ministers of the North Texas Conference of the former Methodist Episcopal Church, South (1867-1939) and the former Methodist Church (1939-1968) of the South Central Jurisdiction; with certain members, congregations, and ministers of the West Texas Conference (1874-1939) organized out of the former Methodist Episcopal Church (1867-1939) and the former Methodist Church, Central Jurisdiction (1939-1968); and certain members, congregations, and ministers of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (1886-1968).

At a merger conference held in Dallas, Texas, in May, 1970, members, congregations, and ministers of the North Texas Conference; and members, congregations, and ministers of the West Texas Conference located within the geographical boundaries of the North Texas Conference became the North Texas Conference of The United Methodist Church.

A list of the Conference Sessions of these separate conferences is printed in:

(1) the 1939 Journal of the North Texas Conference, South Central Jurisdiction, (P. 28-29) and the 1967 Journal of the North Texas Conference, of the North Texas Conference, South Central Jurisdiction (P. 140);

(2) the 1967 Journal of the West Texas Conference of the Central Jurisdiction (P. 88);

(3) the 1967 Official Record of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (P. 17); and

(4) other histories of Methodism in North Texas.

The current conference is numbered from the earliest date, being that of the North Texas Conference of The Methodist Episcopal Church, South; and the Texas Mission, Methodist Episcopal Church; both established in 1867.

CONFERENCE GENEALOGY

United Methodism in North Texas began in 1816-17 as part of Arkansas Methodism in the Missouri Conference of the Methodist Episcopal Church. When the denomination divided in 1844-45, Methodists of this area became a part of the East Texas Conference of the Methodist Episcopal Church, South. In 1867, the approximate area of what is now this conference, was set apart as the Trinity Conference, and later (1874) renamed the North Texas Conference.

The Methodist Episcopal Church had little organized work in Texas after 1845, until 1867 when a Texas Mission was formed. Out of that Mission came the West Texas Conference (primarily Black). In 1939 the Methodist Episcopal Church, the Methodist Episcopal Church, South, and the Methodist Protestant Church united to form The Methodist Church. The West Texas Conference, while a part of The Methodist Church, was in the Central Jurisdiction (all Black). The North Texas Conference was part of the South Central Jurisdiction, which was one of the geographical jurisdictions.

The merger of The Methodist Church and The Evangelical United Brethen Church was effected in 1968. That same year the process of dissolution of the Central Jurisdiction began, with the West Texas and North Texas conferences merging in 1970.

FORMULA FOR THE EQUALIZATION OF LAY AND CLERGY MEMBERS

That the following formula be adopted as the procedure used to determine the number of lay and clergy members of the Annual Conference.

FORMULA:

1. Subtract the total number of lay members prior to equalization from the total number of clergy members. The remainder is the Lay Equalization Factor (LEF).
2. Compute the District Membership Percentage (DMP).
   If a district has more lay members than clergy members prior to equalization, subtract the number of local church members in this district from the total of local church members for the Annual Conference. Such a district will not enter into the computation of the District Membership Fraction.
   Next, for districts that have fewer lay than clergy members, divide the total number of local church members in each district by the adjusted total number of local church members in the Annual Conference (as determined above). This quotient is the District Membership Percentage.
3. Subtract the number of lay members of the Annual Conference required by THE BOOK OF DISCIPLINE (1980 edition, paragraph 36) from the Lay Equalization Factor.* The *Lay members required by the DISCIPLINE:
   +Conference President of United Methodist Men
   +Conference President of United Methodist Women
   +President of Conference Youth Organization
   +Two Young persons under twenty-five years of age from each district
   +Conference Lay Leader
   +District Lay Leaders
   These persons shall be elected to the lay membership of the Annual conference by the District Section.
4. Multiply the Adjusted Lay Equalization Factor by the District Membership Percentage. The product is the District Adjusted Lay Equalization Factor (DALEF), i.e., the number of additional lay members to be elected by the District Sections to effect lay/clergy equalization.) If a district already had more lay members than clergy members, it will not be included in calculating the District Adjusted Lay Equalization Factor.
5. The date for computing the Lay/Clergy Equalization shall be January 1. The number of additional lay members to be elected for equalization will be promptly forwarded to the Board of the Laity to allow it to prepare a list of possible additional lay members to be presented to the first District Section meetings.
6. If the actual number of clergy in the Conference increases after January 1, the Lay Leader of a district in which the imbalance occurs shall select a lay member(s) from within the district to equalize the increase of clergy members.
7. If this formula fails to compute the exact number of additional lay persons per district to offset the clergy of the Conference due to calculations made using fractions of a per cent, the Board of the Laity shall be authorized to correct the imbalance through negotiation.
8. So that a district that has more lay members than clergy prior to equalization may elect additional lay members in its District Section, a courtesy rearrangement of the number of lay members to be elected may be made by the Board of the Laity after the District Adjusted Lay Equalization Factor has been determined.

VIII. DAILY PROCEEDINGS

SUNDAY, MAY 26, 1985
EVENING WORSHIP SERVICE

The one hundred and nineteenth session of the North Texas Conference began with the worship of God in the sanctuary of the First United Methodist Church of Dallas. Bishop John Russell extended the Episcopal Greeting and brought a word of greeting from Bishop W. McFerrin Stowe, who has been ill. Mary Chaney Hayes presented the call to worship and the congregation joined in singing the hymn "And Are We Yet Alive."

Following a litany of hope and the Gloria Patri, Judith A. Cooper led the call to confession, prayer of confession, and pronounced the words of assurance.

The choir from St. Luke's Community United Methodist Church of Dallas, under the leadership of Ken Baker, presented the anthem, "Jesus Is The Cornerstone." Walker L. Railey, pastor of First United Methodist Church of Dallas, brought the announcements before the congregation and called for the offering of gifts. Railey announced that the offering was dedicated to the use of ethnic scholarships in the Summer Events program.

The choir presented a second anthem, "I'm So Glad I Found Jesus," featuring Ken Baker as soloist.

Bishop John Russell introduced the Conference Preacher, Zan W. Holmes, Jr., Associate Professor of Preaching at Perkins School of Theology and pastor of St. Luke's Community United Methodist Church of Dallas. His text for the evening was Matthew 16:13-18, and the topic of the sermon was "Who's In Charge?" Dr. Holmes called on the members of the North Texas Conference to remember that the church belongs to Christ, "...on this rock I will build my church."

Following the presentation of a final anthem, "There Is No Way I Can Go On Without You," Charles Harper, Conference Lay Leader, led the prayer of sending forth, and the congregation joined in singing "O For a Thousand Tongues to Sing." The benediction was pronounced by Bishop Russell.

MONDAY, MAY 27, 1985
MORNING WORSHIP SESSION
SERVICE OF HOLY COMMUNION

Phil Baker presented the opening voluntary of the morning service. Dorlis Glass pronounced the greeting and then called for the congregation to join in singing the opening hymn, "Holy, Holy, Holy," and in a prayer of praise.

Jerry Overton read the scripture for his sermon, Mark 8:34-36, and introduced his topic, "Intrusions."

Charles Cook led the members of the Conference in the prayer of confession and declaration of pardon. During the presentation of the gifts of bread and wine by Georgia Allen and Gordon Taylor, the conference sang the hymn, "Bread of the World." Bishop Russell led the Great Thanksgiving and The Lord's Prayer and then presided over the distribution of the elements.

Dorlis Glass led the closing prayer; the congregation sang "We're Marching to Zion;" and Bishop Russell pronounced the dismissal.

MONDAY, MAY 27, 1985

The business session was called to order by the President of the Conference, Bishop John Russell.

Michael Nichols, Conference Secretary, established the bar of the Conference as the nave and two transcept areas of the sanctuary of Highland Park United Methodist Church.

Nichols nominated the following: ASSISTANT SECRETARIES: Larry George, Lois Cooper, George Topper, Sharon Adair, William Upchurch, Vicki Davidson, Millard Fairchild, and Walter Zimmerman; TELLERS: Dallas Central--Joe Pool, Merlyn Salapong; Dallas-Denton--Ty Kirk, Jim Pledger; Dallas Northeast--Nelda Klawetter, Byron Myrick; Dallas South--Regina Scott, Robert Williams; Paris-Sulphur Springs--Jim Rowland, Donna Simmons; Sherman-McKinney--Leighton Bearden, Gene Cantrell; Wichita Falls--Vickie Knowlden, Don Yeager; Head Teller--Chauncey Nealy.

These persons were elected as nominated.

Michael Nichols called for the collection of registration cards which were distributed at the meetings of the various District Sections: clergy (yellow), diaconal (pink), laity (blue). Following the registration of members of the conference, Nichols made announcements regarding program rehearsals and luncheons.

Agenda Committee

B. C. Robertson, Chairperson of the Agenda Committee, moved the election of the Committee on Courtesy and Resolutions. James Dorff, Alfred Roberts, David Shawver, Pat Mays, and Jean Wood were elected.

Robertson called the attention of the Conference to corrections necessary to the printed agenda and moved adoption of the agenda. It was adopted.

William Stephenson moved the election of two additional Conference Committees: JOURNAL COMMITTEE--George Topper, Margaret Wasson, Minne E. Marsh, Michael Walker; and MEMOIRS COMMITTEE--Michael Nichols, Henry Mood, Ira Thompson, John Poe Hensley.

Bishop Russell recognized the presence in the Conference session of Bishop Chess Lovern and Bishop Lance Webb.

Courtesy And Resolutions

James Dorff, Chairperson of the Committee on Courtesy and Resolutions, called on David Shawver for a special presentation. Shawver, expressing gratitude for her qualities of a loving spirit, gentleness, deep and quiet faith, presented Mary Jean Russell to the Conference and presented her with a bouquet of red roses.

Dorff recognized Dr. Jerry Bawcom, President of Texas Wesleyan College, who brought greetings to the members of the Conference. Bawcom noted that Texas Wesleyan College has been removed from probation fourteen months early and is twelve months ahead in its debt retirement.

Dorff called on Kenneth McIntosh to present Bishop Parmer of the Lucknow area of India. Bishop Parmer brought greetings from the Methodist Church in India.

Equalization Of Lay/Clergy Membership

Wm. Joseph Washington moved the adoption of the 1985 Equalization of Lay and Clergy Membership chart found in the Pre-Conference Packet. It was adopted by vote of the Conference. LA1

Bishop Russell explained the inclusion in this year's agenda of and Executive and Laity Sessions as being mandated by the 1984 General Conference. Noting that the Executive Session was to be attended only by those clergy persons in full connection plus those persons to be elected to full membership, continued in probationary membership, and elected to probationary membership, Bishop Russell excused the lay members from the floor of the Conference that they might attend their session in Perkins Chapel.

Don Renshaw moved that the Conference express its love and condolences to Ben Feemster in the death of his mother. Such an expression was offered by common consent.

Executive Session Report Of The Board Of Ordained Ministry

Ben Feemster, Chairperson of the Board of Ordained Ministry, expressed appreciation for the excellent cooperation and attendance of the members of the Board and its Divisions. In nominating persons for each division, attention has been given to the representation of women, minorities, and theological pluralism.

Feemster reported that the Board has developed a manual and has held a training session for the District Committees on Ordained Ministry. Also, training has been conducted for counseling elders for both local pastors and those in the probationary relationship. There has been a significant increase in ministerial scholarship aid. The Board is studying the possibility of conducting retreats for clergy at various career points.

Feemster noted that contained in the Board's report is the Procedure for Annual Conference's Dealing with Divorce Among the Clergy. This procedure is being reprinted so that it can be studied during this year and, if necessary, recommendations for changes can be brought to next year's session of the Conference.

Bishop John Russell presides over the Executive Session of the Conference.

Feemster reported that William Jacobs, Secretary of the Board of Ordained Ministry, has been named as liaison with retired ministers. Explaining the composition of the Joint Committee on Review, Feemster moved the election of John Ogden and Susan Monts to that Committee. They were elected.

Larry Ravert, Chairperson of the Division of Local Pastors, called attention to corrections in the listing of counseling elders for local pastors.

Barbara Siekman, Chairperson of the Division of Chaplains and Related Ministries, reported that the Division was established as a part of the Board of Ordained Ministry two years ago. The Division currently offers care and support to sixty-six persons serving appointments beyond the local church. Among the concerns of the Division are the development of collegiality among those clergy serving special appointments and those serving local congregations and the development of joint ministries between local churches and institutions served by persons in special appointment.

Justin Tull, Chairperson of the Division of Preparation and Qualifications, noted that requirements for both Deacon's Orders and Elder's Orders are contained in the Board's report. Interviews for Deacon's Orders and Probationary Membership will be held February 26 and 27; Elder's Orders and Full Connection, January 23 and 24. A goal of this Division has been to create for probationers continuing education events which will allow those persons to get to know one another and the members of the Division in a more substantive manner.

Tull noted that requests for scholarship aid by persons in seminary should be directed to Charles Cox. Undergraduates seeking to apply for scholarships should contact Barbara Marcum.

Addressing the role of counseling elder, Tull explained that while some supervision may be involved, the relationship of the counseling elder with a probationary member of the Conference is intended to be one primarily of nurture and support.

William Bryan, Chairperson of the Division of Conference Relations, reported the Division's three priorities: reprinting the procedure for dealing with clergy divorce, retreats for continuing education at turning points in United Methodist ministry, and correspondence with all clergy members of the Conference urging examination of the meaning of Paragraph 930 in the 1984 BOOK OF DISCIPLINE regarding being blameless in life and official administration.

Ben Feemster recognized John Thornburg, Chairperson of the Joint Board Committee on Continuing Education. Feemster also reported that the Board of Ordained Ministry has appointed a committee to survey the particular needs of clergy couples with report to be made to the Bishop, Cabinet, and full Board.

William Bryan reported that all presently appointed clergy are of outstanding character and blameless in their lives and official administration.

Larry Ravert read the names of those persons recommended as full-time local pastors: Darrell Glen Blackmon, Jimmy Davis, Larry Dean Davis, John J. Gaunce, Thelma Hutchens, Katy Mackenzie, Terry Price, Jim Rowland, Henry Clay Washington, Louise B. Welch, John W. White, and Wade Stanley Womack. All were approved.

As the candidates stood before the Executive Session, Bishop Russell called attention to this important milestone in their lives and ministry, noting that as they enter the Annual Conference, they enter a magnificent covenant body. Each candidate was elected individually.

Guttierrez read the names of those to be continued as Probationary Members: IN APPROVED SCHOOLS OF THEOLOGY--Kathleen Baskin; Cathy Ann Bingman; Rickey Lee Hawkins; and David Joe Turner; FOLLOWING COMPLETION OF EDUCATIONAL REQUIREMENTS--William James Allen, Jr.; John Carlyle Besse; Fred Lee Birdsong; Helen Ruth Brock Bowen; Charles Robert Carnahan; Ki Yul Chung; Judith Alzina Cooper; Lois Geiger Cooper; Harold Glenn Dangerfield; Paul Charles Lynd Escamilla; William Allison Flint; Craig Baxter Gallaway; Martha Louise Gilmore; Joel Bennett Green; Leroy Haynes, Jr.; Jo Ann Holy; Robert Grey Morton Johnson, Jr.; Karl Sherman Klaus; Larry Holland Kruger; Paul Alvin Ledbetter, Jr.; George N. William Bryan called for the approval of those persons who have been transferred from other Christian denominations as Probationary Members: John Carlyle Besse, Fred Lee Birdsong, Ki Sok Park. They were approved.

Milton Guttierrez presented the candidates for Full Connection and Elder's Orders, offering each candidate an opportunity to address the Executive Session regarding his/her call to and vision for ministry: Leighton Hicks Bearden, Georjean Hall Blanton, Keith Payne Boone, Darrell Payne Coats, Robert Reynolds Fletcher, John Dennis Gondol, Michael Alan House, Susan Bingham Monts, David Lanier Noblin, Glenn Alford Noblin, Jerry Glenn Putnam, and Sally Louise Walker Ruggia. Bishop Russell examined the candidates with the historical questions of the Methodist tradition and presented each candidate for election individually. All were elected.

William Bryan presented the names of Paul Douglas McClain and Bill W. Murray for readmission as Members in Full Connection. Readmission was approved.

Bryan read the names of ministers coming from other Christian denominations who have had their elder's orders recognized: John Carlyle Besse, Fred Lee Birdsong, Ki Sok Park. Recognition of orders was voted.

Milton Guttierrez called for the discontinuance from Probationary Membership of Dana Glenn Bruce. Discontinuance was voted.

William Bryan read the names of those who have requested honorable location: Ray H. Denton, Thomas W. Downing, Terry T. Parsons. This relationship was granted by vote of the Executive Session.

Bryan called for confirmation of the termination of conference membership by surrender of the ministerial office for George Brewer and Paul W. Jackson. Termination was confirmed.

Bryan read the names of those ministers requesting leave of absence, noting the number of consecutive years each has held this relation: John F. Allen, Sr. (3); Christian D. Amundsen (2); Joseph Dee Faram (2); John R. Fraser (2); Scott J. Jones PM (2); Gary W. Kincaid (2); Philip M Mahon (4); Jerome H. Morgan (1); William R. Nevil (4); Namiqa A. Shipman PM (1); J. Paul R. Calvary and A. D. Campbell were named by Bryan as local pastors who have retired this year, and their recognition was voted by the Executive Session.

Ben Feemster moved adoption of the entire Report of the Board of Ordained Ministry, and it was adopted.

Bishop Russell expressed appreciation to the members of the Board of Ordained Ministry for the very responsible approach they have taken toward their task. Bishop Russell further expressed a word of appreciation to all who minister in the North Texas Annual Conference as pastors in charge, in staff relationships, and in appointments beyond the local church.

Bishop Russell recognized the presence in the Executive Session of Bishop Kenneth Pope and pronounced the benediction for the morning session.

Laity Session

Charles Harper, Conference Lay Leader, called the meeting to order in Perkins Chapel. Harper asked the Board of the Laity to come to the front of the Chapel.

Harper explained that the purpose of the meeting was to discuss some of the issues coming before the Conference. Harper introduced George Boswell, Associate Chairperson of the Board of the Laity. Boswell introduced Henry Perry, who works in Bolivia and North Carolina. He spoke about Bolivia and the health problems in that country.

Harper suggested these priorities:

1. Annual Conference Composition Amendment (1984-27) 2. Lay Equalization (Standing Rule 8) 3. Resolutions of Board of Church and Society 4. Religion and Race

Speaking to the proposed Constitutional Amendment 1984-27, Ray Starnes explained that the annual conferences were mandated by the General Conference to bring this to a vote. Jo Biggerstaff spoke in favor of the amendment and urged the lay members to vote for it. Biggerstaff stressed that this only gives Diaconals membership and does not clarify how they are members.

Concerning Standing Rule 8, a possible change indicated in the Pre-Conference Packet Proposal 5h would read: "The following are lay members of the Annual Conference with voice and vote and are not elected as a lay equalization member:...."

A proposal will also be presented to the Annual Conference to request that the Judicial Council give a decision on this issue.

This change means that the Diaconals and others listed would be taken out of that number to be equalized. Implementation would possibly mean that sixty-two would be Diaconal and those specified on the list. Another sixty-two would be elected from the districts.

The question was raised as to whether the paragraph in the proposal listing lay members could be excluded. Harper said that the Board of the Laity had no problem with that.

Robert Dillard proposed a different amendment:

"The following are lay members of the Annual Conference with voice and vote, and before the equalization process is applied to the difference between the lay members and clergy members, the following names shall be deducted from such difference:...."

Fred Durham explained the changes which would take place if the proposed changes in the guidelines for the Commission on Equitable Salaries are adopted. Durham stated that most of the changes affect student pastors.

Johnnie Marie Grimes spoke to her proposal to refer this issue back to the Commission on Equitable Salaries because of the references to student pastors. Grimes wants the North Texas Conference to set up guidelines for suitable pay for equitable work by student pastors.

Charles Harper adjourned the meeting.

MONDAY, MAY 27, 1985
AFTERNOON BUSINESS SESSION

Bishop John L. Russell called the afternoon session to order. Announcements were made by Conference Secretary Michael Nichols. Bishop Russell presented the Direction '85-'88 brochure and spoke to his vision for the North Texas Conference during the next quadrennium. Bishop Russell called for listening to the needs, concerns and opportunities for ministry for the Conference. "We are called to bring wholeness into a divided and broken world," said Bishop Russell as he lifted his concern for the fact that there are more un-churched people in Texas than the total population in four other states. "The opportunity for ministry is ours. The question is whether we will settle for 'ministries of maintenance'." Bishop Russell cited a vital church as one that understands the mission of the church and is involved in that mission locally and around the world.

Bishop Russell introduced George Holcomb, who presented a Visionary Worksheet and called on those present to keep it near at hand during the Conference, filling it in as they see the vision for their church and its future. This worksheet is to be turned in at the end of the Conference to the District Superintendents and then to Bishop Russell. The planning of the quadrennium will be directly affected by these worksheets.

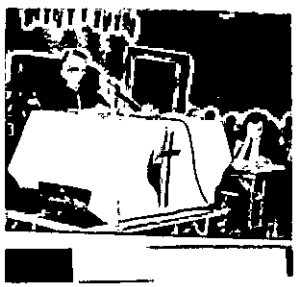
Constitutional Amendments

Walker Railey presented to the members of the Conference the three amendments that need to be voted upon at the direction of The General Conference. It is necessary that an exact count of the vote be reported by each Annual Conference.

1984-25 calls for the deletion of the words "ecclesiastical" and "legal", for clarification. There were no questions and no discussion. Vote was 496 for, 1 against, and no abstentions. LA2

1984-26 would delete "automatically vest in the United Methodist Church" and add "be held and administered in accordance with the Book of Discipline" to paragraph 6. There being no questions, vote was taken. There were 515 yes votes, 2 no votes, and 1 abstention. LA3

1984-27 calls for adding "the diaconal ministers" following "together with a lay member elected by each charge" to paragraph 35. Several questions were raised concerning the effect this amendment would have on the equalization process. Walker Railey indicated that it is his understanding that equalization would take place after ministerial, required lay delegates, and diaconal ministers (counted as lay) were determined. As pertains to this conference it should not be feared that lay members would lose representation. Bruce Weaver spoke for the issue indicating that this is only a small way in which to recognize the dedicated work of the diaconal ministers.



Bishop Russell and Mike Nichols, Conference Secretary, monitor the presentation of Constitutional Amendments.

Also speaking for the issue were Ray Starnes, Chairperson of the Board of Diaconal Ministry, Jo Biggerstaff, Diaconal Minister, and Charles Harper, Conference Lay Leader. Final vote on the amendment was 485 for, 79 against, and 8 abstaining. LA4

Council On Finance And Administration #1

Robert Campbell reported for the Council on Finance and Administration presenting items from the Pre-Conference Resource Packet. Campbell called for acceptance of the recommendations for Special Days with Offering, 1986, as well as the Special Days without offering. These recommendations were approved. LA5

Campbell called special attention to the fact that giving from local churches increased 10 percent in 1984 and that apportionments were paid in full by 84 percent of the churches in the conference.

Special emphasis was placed on the need for changing Standing Rules, for being aware of the proposed changes in Federal Income Tax Laws as pertains to charitable deductions, and in the recommended goals for local churches, especially that they plan to remit at least 10 percent of their annual apportionments before the 15th of each month beginning in February.

Perkins Endowment Fair Share

Dean James Kirby was introduced to the Conference to make a special presentation regarding the Perkins Endowment Fair Share. Kirby noted that as the Ministerial Education Fund is allocated to the thirteen United Methodist seminaries its use is restricted to operating expenses; funds cannot be used for scholarship aid.

Kirby explained that the funds raised through the Perkins Endowment Fair Share Endowment will be permanently attached to the Southern Methodist University endowment, restricted for use by the Perkins School of Theology in ways determined by the North Texas Annual Conference (e.g., scholarships, intern supplements, subsidies for interns in special placements).

Standing Rules Committee

Ira Thompson presented the report from the Standing Rules Committee. Bishop Russell reminded the Conference that amending the Standing Rules requires a two-thirds vote of the Conference.

The proposal to amend the first paragraph of Standing Rule 3 was further amended to specify "one Asian representative from the Commission on Asian Ministries." The amendment was accepted by the Standing Rules Committee and the Nominating Committee and was then approved by vote of the Conference. LA6

The proposals to amend the end of paragraph two and to restore a paragraph between the second and third paragraphs of Standing Rule 3 were approved. LA7

Ira Thompson discusses the Standing Rules while the Conference Secretaries record the work of the session.

Thompson corrected the printed proposal to amend the parts of Standing Rule 3 dealing with terms of office to read: "Temporarily suspend parts of Standing Rule 3 related to four-year terms for both members and chairpersons of all conference agencies except Trustees and Pension, so that all persons elected in 1985 be elected for a term of three years, all persons elected in 1986 be elected for a term of two years, and all persons elected in 1987 be elected for a term of one year." Concern was voiced that such a process would disrupt the continuity of representation on some of the boards and agencies. It was explained that the rationale for the proposal was to place our Conference structure on a quadrennial base. LA8

The motion was defeated by lack of a two-thirds vote.

Bishop Russell called for announcements regarding the evening service of worship and other activities of the Conference.

Courtesy And Resolutions

Jim Dorff reported that Hendrix Townsley is extremely ill at Morton Cancer Research Hospital and asked that the Conference remember Hendrix in thoughts and prayers.

Dorff recognized Harold Hughes, retired Methodist minister from the Southampton area of England and former exchange pastor at St. Paul's United Methodist Church, Garland.

Walter Vernon was also recognized by Dorff who expressed appreciation for Vernon's work in recording the history of Methodism in Texas and throughout the Southwest.

Dorff introduced Rueben Salcedo, President of Lydia Patterson Institute, who brought greetings from the faculty, staff, and students of Lydia Patterson Institute. Salcedo expressed appreciation to the North Texas Conference for its support.

Standing Rules Committee

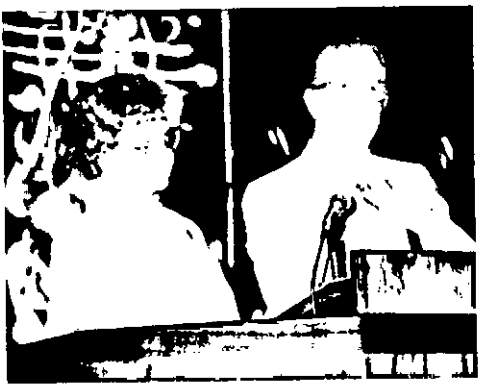
Ira Thompson continued the report from the Standing Rules Committee, moving the adoption of certain additional amendments. All were approved without debate. LA9-16

Retired Ministers Of The Conference

William Bryan, for the Board of Ordained Ministry, presented to the Conference those clergy persons and their spouses who had been granted the retired relationship during the morning session.

CHIEF and BETTY WARDEN spoke of their forty two years in ministry. Chief warned the young ministers to "watch the District Superintendents' language," such as "a good opportunity and a great experience." Chief explained that he and Betty are not retiring, just slowing down to a hard run! Their lives have been blessed through service to and with the great people of the North Texas Annual Conference. Betty thanked previous Nominating Committees who gave her the opportunity to serve on Conference boards and agencies.

Chief and Betty Warden



A. D. and Florence Campbell

A.D. and FLORENCE CAMPBELL expressed appreciation for the manner in which the status of the local pastor has been recognized and upgraded during their thirty three years of ministry. A.D. shared his conviction that personal evangelism is the key to building up the church: "Convince persons that God loves them and that you care about them and will laugh and cry with them, and chances are you will win that person."

WILMA R. (ROBBIE) and GEORGE CORSE noted that Robbie is finishing her forty-eighth year of ministry following her licensing to preach at the age of seventeen. Having served in four different states, Robbie still calls the North Texas Conference 'home.' The opportunity to be grandma and grandpa will now fill their days. Robbie reminded the members of the Conference that "we are not men and women in the ministry; we are ministers of the living Christ, working together for his kingdom on earth."

J.D. and RUTH MOORING spoke to the Conference of their blessing beyond measure by God's grace and by the love and respect of those among whom they have lived and served. Recalling the story from II Kings 2, J.D. expressed his hope that as Elisha expressed his wish for a legacy from Elijah, so too J.D. would be remembered as one from whom persons would want to receive "a double portion of his spirit." Ruth expressed her gratitude to the Conference for wonderful memories of mountain-top experiences and for the privilege of serving with J.D. in this great United Methodist Church.

Robbie and George Corse

Roscoe Nunley

ROSCOE NUNLEY was not accompanied by his wife, RUTH, because she is seriously ill. Although his career of public preaching numbers thirty two years, Roscoe really began preaching as a young boy, remembering and rehearsing his pastor's sermons in the corn field. If he had it to do over again, Roscoe shared with the Conference that he would walk down that same road of ministerial service for he is confident that as the Conference has loved and cared for him in the past, so that love and care will continue in the future.

Bishop Russell invited Don Renshaw to pronounce the benediction to conclude the afternoon session.

MONDAY, MAY 27, 1985
EVENING SERVICE OF WORSHIP

An informal service of worship opened with a call to worship and prayer by Philip McLarty in the sanctuary of First United Methodist Church of Dallas. McLarty then led the Conference Choir and the assembled congregation in a medley of familiar hymns. William Jennings Bryan III delivered a prayer and introduced the Children's Choir from LaPuerta Abierta and from the Memorial Hispanic Program. The choir sang songs in Spanish. Alfred L. Roberts read from the Book of Romans 8:1-14. The Conference Choir, the Children's Choir, soloist Cynthia Wilson Felter, and then the congregation were led together in the singing of "We Are the World" by Phil McLarty. Following the call for the offering by Royce Hardaway, the Conference Choir sang "Kum Bayah." Cynthia Wilson Felter offered the congregation a solo arrangement of "Jesus Loves Me."

Conference Preacher Zan W. Holmes, Jr., read the scripture from Jeremiah 8:18-22 and questioned the congregation as to whether there is a balm in Gilead. Holmes assured the members present that since there is a doctor in the house we can become God's instruments of healing in the world. The sermon was followed by another solo by Ms. Felter, "There Is a Balm in Gilead," in which first the Conference Choir and then the congregation joined. This selection concluded the service as the benediction.

TUESDAY, MAY 28, 1985
MORNING WORSHIP SERVICE

The morning worship service began with the singing of "Come Ye That Love the Lord." Wilma R. Corse read the scripture, John 5:2-9, telling of the man who waited at the pool for healing. Bishop Russell delivered the meditation for the morning suggesting that the United Methodist Church is the paralyzed man at the side of the pool. "God will give us a new vision of ministry that we may participate in the healing of our broken world."

TUESDAY, MAY 28, 1985
MORNING BUSINESS SESSION

Bishop John Russell called this morning business session to order. Michael Nichols made several announcements regarding luncheon meetings and lost and found items.

Standing Rules

Ira Thompson presented a proposal to bring Standing Rule 8 into compliance with the 1984 Discipline. He introduced Charles Harper, Conference Lay Leader, who amended the proposal in the Pre-Conference Packet as follows:

> The last paragraph of the proposal to read: "The following are lay members of the Annual Conference with voice and vote and before the Equalization Process is applied to the difference between Lay Members and Clergy Members, the following named shall be deducted from such differences.

The purpose of this amendment would be to make the listed persons members of Annual Conference before applying the Equalization Process. The amendment was approved by vote of the Conference members present. LA17

Margaret Tarr presented the following motion:

That all elected chairpersons within the structure of North Texas Annual Conference who are not otherwise provided for become a part of the equalization of Lay and Clergy process, and that the District Lay Leader work with the District Superintendent to implement this procedure.

William Stephenson presented a motion to amend the previous motion:

I move to amend Mrs. Tarr's motion by asking that the committee, suggested by the Board of Laity, be named by Bishop Russell to study and develop the equalization process and that the use of Conference and District lay chairpersons, not otherwise used as lay members, be considered in a new equalization process.

The motion to amend was accepted by Mrs. Tarr. The motion was approved by vote of those present, as amended.

Ethnic Minority Local Church

Ron Henderson called on pastors of EMLC churches to illustrate the effectiveness of the work of the EMLC within the local church. Philip del Rosario of the First Filipino American Church, spoke of the expansion of their church in its rather brief history. It is now served by a full-time pastor, has extensive ministries for children, adults, and families as a whole. The church reaches into the neighborhood and membership is not limited to those of Filipino descent but includes members of other races as well.

John Tatum, pastor of Warren United Methodist Church, spoke with pride of the work of this congregation. They are entering a stage of revival that calls them to be (1) faithful to the connectionalism of the United Methodist Church, paying their full apportionments; (2) serving the community as the church and as members of that church; and (3) an institution of God through all their programs.

Ron Henderson presented the report of the EMLC to the Conference, emphasizing its support of Direction '86-'88 with the hope that EMLC churches will truly be participants, becoming stronger in witness and mission and becoming equal partners with all churches in the Conference. Henderson brought highlights of the past year in the work of the Commission, stressing their growth and pointing to the problems that remain. "EMLC must become a priority of us all.

John Tatum speaks on the strengthening of the Ethnic Minority Local Church.

The load must be shared by every agency of our Conference." For Henderson the vision of the EMLC for '85-'88 is the establishment of new EMLC congregations and re-vitalization of present congregations, with strengthening of laity and clergy skills. "We will all be partners in discipleship, and we will all be made whole."

Henderson expressed a word of appreciation to the members of the EMLC, to the District Superintendents, and to Chauncy Nealey, staff representative to the EMLC.

Ron Henderson moved the adoption of the report. Vote of the membership of the Conference was in favor of adoption.

Board Of Church And Society

Martha Boyd Watson, Chairperson of the Board of Church and Society, presented its Report Number One that had been distributed to the members of the Conference on Monday morning: "Report of the Board of Church and Society to the North Texas Annual Conference Regarding Carrying the Conference's Concern Over the Sale or Distribution of Explicitly Pornographic Materials in 7-11 Stores."

Watson moved the approval of the Legislative Proposal on Nuclear Disarmament and the Search for Peace. The motion was seconded.

Ralph Smith, chaplain, spoke against the proposal on the basis that it does not include or speak to the need for a climate of trust and a balance of attention to other issues besides nuclear threat.

Martha Boyd Watson presents the report of the Board of Church and Society

Jeanine Fogwell of First United Methodist of Carrollton proposed an amendment to the proposal that would delete numbers 6, 7, and 9 of the rationale. The amendment was seconded and defeated by vote of Conference members.

Jack Soper spoke for the original proposal citing that the New Testament calls repeatedly for a stance of peacemaking and should guide our behavior as we move to our destination of bringing God's Kingdom on earth.

Ed Seargent of Trinity United Methodist Church in Wichita Falls spoke against the proposal because of what it does not say.

John Gondol, Associate Pastor First United Methodist Church, Dallas, presented an amendment to the proposal:

> Proposal: 2--that the words "and the governments of all other nations" be inserted after the word government on the first line of item 2.
> Rationale: 6--change "our" to "an" as last word of line two of rationale item 6. 7--strike out word "our" in first line of item 7. 9--strike out words "to us" in first line and add the words "to all nations". Strike out "we" at beginning of line two and add word "nation's". Strike out word "our" in line two and add word "their". Strike out word "ourselves" and add word "themselves". 10--Strike out words "within a democracy" in line one.
> Desired Implementation: 5--Strike the word "and" in line two. After the word "Conference" in line four add the words "and to the ambassadors of all nations represented at the United Nations."

Gondol offered this amendment as a reflection for the need to make our concerns known on a global basis. John Thornburg spoke against the amendment, feeling that it minimizes the original report. Charles Harper spoke for the amendment if it makes it a little more palatable for our members-at-large. Bourdon Smith spoke against the amendment because it drains the report of its poignancy. Rufus McKnight spoke for the amendment because it calls for both sides to stop the fighting.

Question was called. The amendment was approved by vote of the members of the Annual Conference.

Bert Jarvis proposed an amendment that would eliminate paragraph 2 of the proposal. This amendment failed to receive the majority vote of the Conference.

Vivian Dennis, a member of the Board of Church and Society, proposed an amendment that would strike out "Nuclear Disarmament and" from the Subject of the Proposal and also Item 2 of the Proposal. This proposed amendment failed to receive the approval of the Conference.

In order to facilitate the implementation of the proposal as amended it was recommended that rather than write letters to each of the more than 200 ambassadors to the United Nations, our Conference Secretary ask the United Methodist Mission to the United Nations to distribute the proposal to member nations.

Douglas Miller spoke against the proposal as amended, DeForrest Wiksten spoke for, and Richard Hill, a Lay delegate from Argyle, spoke against.

Question was called and vote taken. Conference members approved the proposal of the Board of Church and Society as amended. LA18

Martha Boyd Watson moved the adoption of the legislative proposal dealing with Proposed Federal High-Level Nuclear Waste Repository in Deaf Smith and Swisher Counties. Charles Harper moved to amend the motion to include the Governor of the State of Texas on the list of those persons to receive a copy of the resolution. The amendment was accepted by Watson; the vote was taken; and the proposal carried. LA19

Watson moved the adoption of the remaining legislative proposals from the Board of Church and Society regarding Clean Air and Assistance for Quality Education. Both were adopted. LA20, LA21

Joe Florence requested clarification on the report of the Board of Church and Society regarding the 1984 Annual Conference's concern over the sale of explicitly pornographic materials in 7-11 Stores. The information sought was in regard to how, when, where, by whom, and to what effect contact was made with Southland Corporation. Martha Boyd Watson responded that a member of the Board of Church and Society, who is a personal friend of the Chairman of the Board of Southland Corporation, spoke with him, expressed the Conference's concern, had him read the Conference resolution, and received the response that Southland believes it has made adequate response by selling only, not producing, the materials, and by keeping the materials in locations in the stores that are not readily accessible to the public. The Board of Church and Society will continue to express its concern for the issue of pornography by supporting the work of the Committee on Human Sexuality of the North Texas Conference.

Dennis Wilkinson asked that the Board of Church and Society compile and distribute to all local United Methodist congregations in the North Texas Conference a list of all persons trained in the area of human sexuality and other counseling professionals available in the Annual Conference. Martha Boyd Watson, for the Board of Church and Society, accepted the recommendation which will be implemented in cooperation with the Committee on Human Sexuality.

Joan Swanson expressed continuing concern that the Board of Church and Society's report does not adequately address the deep and urgent concern of the Conference over the pornography issue.

Michael Nichols offered announcements regarding the Memorial Service and the luncheons to be held today.

Memorial Service

At 11 a.m. the Memorial Service was conducted in the sanctuary of Highland Park United Methodist Church with the congregation being led in music by Philip Baker, organist. John M. Hawkins offered the greeting and announced the hymn of praise, "Servant of God, Well Done." The first lesson, Romans 8:28-30, was read by Philip del Rosario, and Earl T. Booker sang the solo, "I Want Jesus to Walk with Me."

Reading II Corinthians 4:1-6 as his text, H. Noel Bryant delivered the sermon, noting that those being honored in this service have made it easier for us to see God and God's grace. Their lives are for us that tiny little light of faith sufficient to combat the darkness around us. Ours is the task to continue their work and witness, even as they lived and died in faith in Jesus Christ.

Joan Gray led the congregation in the Affirmation of Faith and the Prayer of Thanksgiving and Remembrance. Michael Nichols, Conference Secretary, read the names of those who have died during the year, and as each name was called, a rose was placed on the altar in loving memory:

MINISTERS: Fred R. Edgar, Sr.; Bishop William C. Martin; Roger E. Ortmayer; I. B. Loud

AFTERNOON BUSINESS SESSION

Board Of Church And Society

Following Bishop Russell's call to order, discussion of the report of the Board of Church and Society continued with the Paris-Sulphur Springs District presenting a proposal asking that the Board of Church and Society address the Conference's concern for certain social issues by bringing to the floor of the 1986 Conference specific recommendations for enabling local churches effectively to confront those issues. David Rucker proposed that these recommendations also be included in the Pre-Conference Packet, and the addition was accepted by the maker of the motion. The proposal was adopted. LA22

David Rucker moved that the North Texas Annual Conference of the United Methodist Church go on record as affirming the Social Principles of the United Methodist Church which state: "We deplore all forms of commercialization and exploitation of sex with their consequent cheapening and degradation of human personality;" and that the Secretary of the Conference be instructed to send to the Chairman of the Board of the Southland Corporation a letter indicating our concerns and asking it to discontinue its commercialization of sexually exploitative material. The motion carried.

Bishop Russell called for the vote to adopt the entire report of the Board of Church and Society. It was adopted.

Cardwell presented to the Conference Joe Elmore, President of the Texas United Methodist College Association, and John Schilling, President of Southwestern University in Georgetown. Both brought greetings to the Conference from United Methodist institutions of higher education in Texas.

Shawver recognized the presence in the Conference of many clergy spouses and proposed that by common consent the Conference Secretary be requested to send the love and best wishes of the Conference to Bishop W. McFerrin Stowe during his recuperation. The Conference concurred. Shawver announced that funeral services for the mother of Ben Feemster will be held on Thursday, May 30th, in Ft. Worth.

Cokesbury Stores

Carol Robertson, representing Cokesbury stores, brought greetings from the president and publisher of the United Methodist Publishing House. Robertson read the names of members of the North Texas Conference who have served as writers and authors for the Publishing House this year. She also noted a new program developed by Cokesbury whereby the Publishing House gives a gift of hymnals, BOOK OF DISCIPLINE, church school supplies, and other denominational resources in the amount of $1,500 to new churches. Robertson called the Conference's attention to the new computer software system (UMS) which has been developed for church management.

Robertson presented for the Pension Fund of the North Texas Conference a check in the amount of $9,270.10 as allocated by the General Board of Publication.

Carol Robertson presents to Bishop Russell a Pension Fund check from the General Board of Publication.

District Superintendents

B. C. Robertson, Chairperson of the Cabinet, presented the District Superintendents' Report. The report was divided into six sections: (1) Administrative Leadership--noting that the task of the Extended Cabinet is to bring the kind and quality of administrative leadership that best expresses the quality and character of the Bishop's office, (2) Visioning Process--stressing the importance of imaging since success or failure seems to follow the flow of whatever we believe will happen, (3) Visions of Partnership--reminding the Conference that we must develop a totally inclusive approach to ministry, (4) Visions of Church Growth--recalling the words of Bishop Woodie White that "our focus has been inward, on what has been happening to us in the church, rather than directing our energies outward in a missional perspective," (5) Appointment Making--appealing for a time when the principle and commitment to open itineracy can be put into practice, and (6) Redistricting--explaining that such factors as population shifts and the need to provide a greater balance of churches, charges, membership, finances, and workload had made realignment of the districts appropriate.

B. C. Robertson offers the composite report of the District Superintendents.

Board Of Laity

Charles Harper, Conference Lay Leader, referred to the report of the Board of the Laity contained in the Pre-Conference Packet. Harper announced that, building on the success of JUBILEE 85!, planning is already underway for JUBILEE 86 with Neil Alexander of the General Board of Discipleship as the lay speaker. Harper expressed his hope that the Conference would take seriously the possibility and challenge of the 1984 General Conference goal to double our denominational membership by 1992, noting that what is required in that eight-year period is for each United Methodist to bring one additional person into the United Methodist Church.

Harper explained that the goal of the Board of the Laity is to empower the laity of the North Texas Annual Conference; and to that end, the Board plans to meet in a retreat setting with the Bishop and Extended Cabinet to talk in a positive manner about mutual goals of the clergy and laity of the Conference.

United Methodist Women

Conference President of United Methodist Women, Joanne Greening, applied the title of the current year's report of the Women's Division, "Approaching the Future Joyfully," as an apporpriate description of this year's Conference Mission Team. Citing the range of ages and interests of the women involved, the increasing financial gifts to mission, and such events as training sessions for leadership development, schools and events of Christian Mission, and publication of a Conference history, Greening shared her conviction that North Texas Conference United Methodist Women continue to be women who approach the future with joy, seeking to do God's will.

Lay Speakers

Mary Lois O'Neal, Lay Speakers Chairperson, brought greetings to the Conference from the lay speakers and expressed appreciation for the Conference's support during the past year. O'Neal noted that the 1984 General Conference expanded the role of the lay speakers. There are now two categories: those who work within their local churches and those who work in the District and Conference. Both groups of lay speakers must be trained and certified.

O'Neal listed three goals of lay speakers: (1) Proclaiming--giving verbal witness to the Word of God; (2) Leading--using leadership skills in committees, boards, and other organizations; and (3) Caring--reaching out to others in times of joy and success as well as in times of sorrow and tragedy.

Goals for the lay speakers in Direction '85-'88 were given by O'Neal as: (1) to serve as witnesses to the Gospel of Jesus Christ, realizing that the message is his and the proclamation is ours; (2) to provide leadership skills in the many aspects of the local church, District, and Conference; (3) to establish a system of caring in which lay speakers support and affirm each other and then reach out to others; and (4) to provide training on the District and Conference levels and even in local churches in order that every local church member with this special call will be equipped adequately for the work of the lay speaker.

Bishop Russell called for the vote to adopt the entire report of the Board of the Laity. It was adopted with an expression of the appreciation of the Conference.

Board Of Diaconal Ministry

Ray Starnes, Chairperson of the Board of Diaconal Ministry, expressed gratitude to the Conference for the ratification of the Constitutional Amendment seating and giving the vote to diaconal members. One of the goals for the Board in 1985 is to study what handles can be put to defining acceptable ministries of service for the diaconal ministers.

Starnes introduced Mary Hay, Chairperson of the Division of Consecration, Certification, and Conference Relations, who reported that the Division seeks to provide more guidance and affirmation for those in the process of becoming diaconal ministers through such means as the new "mentor program" and annual interviews with candidates.

Hay introduced Paul Sackett, Registrar for the Board of Diaconal Ministry. Sackett reported that the Board is responsible for all persons who are in the process of certification and/or consecration. There are ninety four such persons under the care and supervision of the Board.

Sackett presented to the Conference these persons: C. GARY FREEMAN to be certified as a Director of Music and consecrated as a Diaconal Minister; GLYNDA G. GROTH, to be certified as a Director of Christian Education and consecrated as a Diaconal Minister; CINDY PALMER SHIRLEY to be certified as a Director of Christian Education; and DEBRA DEE SMITH as a Diaconal Minister who has transferred into the North Texas Conference during the past year.

Sackett further reported that a leave of absence has been requested by Mary Chaney Hayes and Elaine M. Ward and that Dale Robinson has requested disability retirement.

Thanking the churches of the North Texas Conference for opportunities for ministry, Sackett encouraged any person interested in the diaconal ministry to read the book, THE CHRISTIAN AS MINISTER, and to read the "Steps Into Diaconal Ministry" paper which was distributed to members of the Conference.

Bishop Russell called for the vote to adopt the entire report of the Board of Diaconal Ministry. It was adopted.

Michael Nichols reported on the ballot for the three amendments to the Constitution. For amendment 1984-25, the vote was 496 for, 1 against, and no abstentions. Young, to Central Texas Conference.

Annual Conference Council On Ministries

John Beall extended thanks as he completes four years in the office of Chairperson of the ACCOM. Beall expressed appreciation to the design team that put the report together, and stressed the word "action" as the key idea of the ACCOM during the year. "Action should become a priority word in the Conference; as well as 'cooperation' and 'coordination'." Beall explained that the Council had been laying the groundwork over the past four years, and now "it is time to put the building up."

Beall introduced B. C. Robertson to put into words the Biblical basis for the work of the ACCOM. Robertson used the words of the author Letty Russell in emphasizing the scriptural "call of the Council." The key words are: "Koinonia," or partnership; "Oikonomia," or stewardship; and "Diakonia," or service. Partnership, stewardship, and service belong together, and we need to see these in a visionary mode. Robertson issued a call to remain with the Conference until it closes on Wednesday since all the work of the Conference is important. Robertson urged members to formulate their vision for the future of the Conference.

Commission On Communications And Resources

Joan Gray, Chairperson of the Commission on Communications and Resources, presented a slide portrayal of the work of that Commission. The importance of the communication of

the Word was illustrated through three vehicles: the print media, the Conference Resource Center, and telecommunications. At the close of the presentation, Gray stressed that God's Word remains the basis of our faith, and it is communication of that Word that becomes our awesome task. Gray reported that new Conference Resource Center catalogues are available in Room 145 during the Conference. She also urged members to subscribe to the UNITED METHODIST REPORTER, the edition of the North Texas Conference.

Division Of Evangelism

Jim Kimmell Brown of the Board of Discipleship quoted from the Book of Luke, chapter 4, as he urged the members of the Conference to respond to the need for evangelism in response to God's proclamation. Brown expressed concern that while the population of the area has increased, the membership of the United Methodist Church in this Conference has decreased. The Division of Evangelism will continue through the quadrennium to attempt to enable the members of the Conference to be effective in their witness and to assist in spiritual formation.

Henry Masters reported on his awareness, through a program offered by the UPPER ROOM, of the need for keeping in touch with his inner self. Masters reported on the Division's new task force on spiritual formation, seeking to provide resources for others who realize the need for a deep understanding of their inner self, whether clergy or lay. Meetings will be held in the near future, and Masters encouraged those who are interested to contact the Board in order to be a part of this important planning.

Division Of Worship

Ann Barton of the Division of Worship brought awareness of the various resources within the Conference for enhancing worship. Workshops offer lay people guidance as they work on the worship committee of their local church; training for pastors and music leaders as they seek to make worship more meaningful; and other resources for such things as acolyte training and banner making. Barton urged the members of the Conference to call on the Division to serve in the local church as resource people. Barton recognized members of the Worship Division who helped design the worship services for this session of the Annual Conference.

Division Of Education And Stewardship

Jim Kimmell Brown spoke of the work of the Division of Education as they seek to "reach, teach, care, and share" during the quadrennium. Brown also focused on the work of the Division on Stewardship as they seek to offer training for clergy and lay in stewardship planning.

Brown expressed the willingness of the Board of Discipleship to be open to the members of the local congregations, and of their willingness to assist in planning and carrying out the work of the church during the coming year.

Wood expressed particular appreciation to Lane Tunnell, staff representative to the commission, Don Renshaw, cabinet representative, and Joe Pool, a member of the General Conference COSROW. Wood celebrated the women in leadership positions of the local churches and lauded the churches that have been open to including women in these positions. Wood urged local congregations to make sure they have a COSROW representative on their administrative boards, to utilize special events to highlight the work of women in the church historically, to review the hiring policies regarding staff members of local churches, and to be aware of child care needs of women who serve and must attend meetings of boards and agencies.

Jean Wood points to women in leadership positions in the local church.

Commission On The Black Church

Marshall Hodge, Chairperson of the Commission on the Black Church, commended the Bishop and members of the Conference for asking Zan Holmes, Jr., to serve as Conference Preacher. Hodge expressed concern for the health of the black church and its growth. The black church plans to move toward fulfilling its destiny in the '80's, and Hodge called for a pooling of resources to meet the needs of those churches with limited funds and talents. Hodge expressed appreciation to those attending the services at St. Paul's United Methodist Church following the evening services at First United Methodist Church of Dallas.

Division Of Camping And Retreats

John Peel, Chairperson of the Division on Camping and Retreats, asked the following persons to express what the Conference Centers have meant to them in the past. Doyle Henderson shared what retreats for Senior Citizens have meant to members of the Wichita Falls District. Esther Zimmerman told of the Summer Events for Exceptional Kids (SEEK) program after its six years of operation. Zimmerman expressed gratitude in the name of those who have worked in the program for the growth they have experienced in their involvement. Dorlis Glass highlighted the teacher training and leadership development that has taken place at the Centers. Fred Kandeler spoke of district events for the Wichita Falls District held at the Bridgeport Conference Center. This includes Senior Citizens' events, summer camping events, and professional gatherings. Kandeler expressed appreciation to the staff at the Bridgeport Conference Center. Don Barnes spoke as pastor of a church who has used Caldwell Lodge at Bridgeport for staff retreats, sermon planning, and spiritual retreats. Fred Winslow shared a word about the availability of Texoma Conference Center for both personal family and church family retreats.

John Peel shared visions of the Commission on Camping and Retreat Centers that includes satellite transmission to enhance programming, a new sixty-four bed village at Bridgeport, a new meeting hall at Texoma, and an increase of improved camp sites at Texoma that would bring the total to fifty sites.

Commission On Asian Ministries

Philip del Rosario led a dramatization of the vision of the commission: "Ripe for Harvest." Members of the Conference brought forth a basket, representing the need to develop the Asian ministries of the North Texas Conference. Fruits and vegetables represented the harvesting of talents and skills to develop the churches serving the Asian peoples. These were gathered from the congregation and placed in the basket to illustrate the "shared" resources of the North Texas Conference.

Roberts urged the Conference to develop strong policies of inclusiveness, making it a priority item, establish related goals, and increase support of the Black Endowment Fund. Roberts urged the churches to select a Religion and Race Chairperson, to continue the inclusiveness survey included in the Religion and Race Guidelines book, and to take seriously the Religion and Race brochure included in the Pre-Conference Packet. The members of the commission were asked to stand and be recognized, and Roberts offered special thanks to Chauncey Nealey, staff representative to the Commission, and B. C. Board Of Higher Education And Campus Ministry

Robert Hasley, Chairperson of the Division of Campus Ministry, urged local church leaders to invite campus ministers to their churches to tell the story of campus ministry. Hasley introduced Wil Finnin and Thalia Matherson to complete the report.

Wil Finnin, Chaplain at Southern Methodist University, spoke of the network of persons concerned about the students of our state who make real Christ's Good News. Finnin asked members of the Conference to read again the "Direction '85-'88" brochure, and to read it this time with the eyes of a campus minister. Campus ministry is mission, and because of our chaplaincy program the United Methodist Church is boldly alive on the campuses of five universities and eight community colleges in Texas.

midst and to work with its members. del Rosario expressed gratitude for the challenge to return to his native country in mission.

Division Of Health And Welfare

Catherine Reaves, Chairperson of the Division of Health and Welfare, invited members of the conference to attend the annual Health and Welfare Banquet to be held in the Great Hall and in Wycliffe Hall. Reaves told of the Division's dreams for the understanding of holistic health with emphasis on the total person, of dreams for studies on aging, and of the Division's offer to give scholarship money to clergypersons in the Conference who can give evidence of a passing grade in a course on aging.

Division Of Community Ministries

Joanne Greening, Chairperson of the Division of Community Ministries, told of the grants to agencies supplied and directed by this Division. Greening called for members to find their places in community ministries, and to take home the brochure in the Pre-Conference Packet, placing it in the hands of the person who can use it best.

Don Waddell moved to receive the report in its entirety. Ken McIntosh asked that the approved General Advance Special for support of Philip and Espie del Rosario and their work in Manila be included in the report. This Advance Special, in the amount of $8,000/year, is listed as "Making Central Church a Center of Outreach", code #009466-7RA, and has already been included in the list of General Advance Specials. The report in its entirety was approved by vote of the Conference members.

Commission On Christian Unity And Interreligious Concerns

Mary May, Chairperson of the Commission on Christian Unity and Interreligious Concerns, called for reports on the ecumenical projects within the North Texas Conference during the past year.

Barbara Wiggins reported on the ecumenical program at Oak Lawn United Methodist Church, which is a shared ministry for senior citizens, providing a daily meal and activities as well as transportation for over thirty senior citizens. The Oak Lawn program also provides a ministry to the poor with food and health assistance.

Roger Baker reported on the Black churches in Sherman which provide fellowship and cooperative worship on a shared basis, rotating from building to building.

DeForrest Wiksten told of the effect of natural disasters and the resultant inter-denominational ministries to the victims.

Sally Ruggia presented word of the North Texas Arts Festival this past spring in Sherman participated in by many churches of differing denominations as they shared music, creative art, dance, and the symbolism of art in worship.

Barbara Wiggins discussed the North Dallas Shared Ministry program, meeting five days a week, from 10:00 to 4:00, with eighty volunteers from participating churches. This ministry includes a food pantry and limited funds for meeting needs of people of the area.

DeForrest Wiksten reported on the Ecumenical TV Ministry, responsible for the "Faith Focus" program narrated by Walker Railey. The expenses for the production of the program are shared by several churches of differing denominations. The program itself has far-reaching impact.

Mary May underlined the significance of the work of this Commission, sharing the dream that churches of the Conference will share even more deeply with other churches of their neighborhood. May reported that the Commission has plans to print a directory of available ecumenical resources and programs.

Board Of Church And Society

Martha Boyd Watson, Chairperson of the Board of Church and Society, presented the Board's Report Number Two.

Watson introduced Eugene Browder, Chairperson of the Bishop's Task Force on Drug and Alcohol Concerns, who explained that the Task Force's purpose is to provide modes of health and wholeness so that concern for the specific causes of drug and alcohol abuse might be translated into specific actions in local churches.

Browder highlighted key areas of programming being studied by the Task Force: (1) Drug/Alcohol Abuse--Family Systems and the Church, (2) A Holistic Illness--Medical/Psychological/Social/Spiritual, (3) Drug Abuse--Spiritual Illness, (4) Drug Abuse--Ethical Issues and the Church, (5) Intervention, Treatment, Rehabilitation, and Reconciliation.

Browder noted that the implementation of this program is scheduled to begin with the presentation of at least part of it to the Bishop and Cabinet for their own learning and feedback. It will then go to district professionals' meetings for similar dialogue and feedback, and then to those local churches that choose to respond to this need.

An excellent slide presentation was offered by Jan Sanders promoting in local congregations the study of our denomination's Social Principles.

John Soper presented the Peace with Justice Program, reminding the Conference that our Social Principles speak of war as "incompatible with the teachings of Christ." Through the Peace with Justice Program, the Board of Church and Society seeks to provide resources whereby this concern of our denomination can be implemented in local churches. A leadership team is available to make a presentation on Peace with Justice in cooperation with the leadership of any local church in the Conference. The multi-media portion of that presentation was shown to the Conference. A resource packet is available at no charge by contacting Chauncey Nealy in the Conference Council on Ministries office.

Bishop Russell called for the vote to accept the entire report of the Annual Conference Council on Ministries. It was adopted.

B. C. Robertson moved that the Conference staff be instructed to go over all of the material presented at the Annual Conference to lift out the visions and action items and run them in a summary form in the UNITED METHODIST REPORTER during the summer. On voice vote, the motion carried.

Commission On Insurance

Mark Schooler, Chairperson of the Commission on Insurance, reported to the Conference that 1984 was the most active year thus far for our North Texas Conference self-funded medical program. More persons were enrolled (826 units), more claims were processed (4,334), and more benefits were paid ($801,227) than in either of the two previous years. Nevertheless, administrative costs continue to be low, 6 percent of the total claims paid as compared to an insurance industry average of 21 percent.

Schooler appealed for the Conference's approval of the 1986 Conference Insurance Apportionment of $898,500 which will be included in the report of the Council on Finance and Administration.

Board Of Pensions

Bruce Weaver, Chairperson of the Board of Pensions, noting that the amount to be set for the 1986 Conference Claimants apportionment will be included in the report of the Council on Finance and Administration, moved the adoption of Items 1, 2, and 3 of the Board's printed report which had been distributed to the Conference.

Stanley Mays expressed concern that our North Texas Board of Pensions divest itself of any stock in corporations doing business in the Republic of South Africa as a means of

implementing our opposition to that nation's system of apartheid. Boyd Sawyer asked for clarification regarding the actual investment procedures of the Conference Board of Pensions. Weaver responded by explaining that the North Texas Pension funds are in the hands of the General Board of Pensions.

David Shawver referred the Conference's attention to the recent Annual Report of the General Board of Pensions which stated that Board's careful attention to this matter and its consistent decision not to make such investments. Robert Dillard pointed out that black leaders within the Republic of South Africa are of varying opinions as to whether divestiture is in the best interest of the black peoples of that nation.

By common consent the Conference affirmed our support of the General Board of Pensions' policy of divestiture with regard to firms doing business in the Republic of South Africa.

Weaver reported that the Conference Board of Pensions has set 1985-86 as a planning year in which to develop strategies for a capital funds campaign to increase the endowment for the unfunded portion of the Conference's pension liability.

Conference members pause for refreshment and conversation.

Weaver recognized the work of Randal James and noted that James will be available to implement during the year the Board's objective of holding a series of financial planning seminars throughout the Conference.

Board Of Trustees

Claire Cunningham, Chairperson of the Board of Trustees, reported that the Board has continued to monitor and oversee mergers, property sales, and acquisitions. The White Shed and Clark Memorial churches of the Sherman-McKinney District have been consolidated with the name of the new church being the White Shed-Clark Memorial United Methodist Church, Bonham, Texas.

As of April 30, 1985, the Board of Trustees' financial report showed a balance in the general account of $31,173.22. Disbursement of the Trinity Church fund has been completed.

The Board has held extremely successful training sessions in the various districts and is appealing to local churches to locate, copy, and file with the Office of Church Growth and Development the deeds to all local church-owned properties. The Board also requested that the Process for Merger, Abandonment, Transfer and/or Sale of Church Property be reprinted in the 1985 JOURNAL.

Cunningham moved abandonment of Kanawaha United Methodist Church in the Paris-Sulphur Springs District. The motion carried. LA25

Cunningham then moved abandonment of Rosser United Methodist Church in the Dallas South District. The motion carried. LA26 Bishop Russell called for the vote to adopt the entire report of the Board of Trustees. It was adopted.

Invitation For The 1985 Session Of The Annual Conference

Charles Harper, representing the churches of the Wichita Falls District, moved that the Conference meet in Wichita Falls in 1986 with business sessions to be held in the Wichita Falls Activities Center and worship services to be held at First United Methodist Church.

The motion carried.

Commission On Equitable Salaries

Michael Walker, Chairperson of the Commission on Equitable Salaries, presented the Commission's report and moved that for minimum equitable salary support, pension, years of service, and administrative expenses, the amount of $110,000 be set for 1986. The motion carried.

Walker moved that $18,545 be set for the minimum equitable salary for 1986 according to the schedule set forth in the Board's report contained in the Pre-Conference Packet. The motion carried.

Walker moved the adoption of the policies for the distribution of equitable salary assistance for 1986 as printed in the Pre-Conference Packet but with the following correction and deletions: Correct Line 2 of Paragraph A to read "larger" rather than "large" and delete Paragraphs H and Q.

Johnnie Marie Grimes moved to amend the motion to delete the references to student pastors in Paragraph I and to include the recommendation that the issue of student salary assistance be referred back to the appropriate committee for the purpose of considering the establishment of a separate fund to be used for salary assistance for student pastors assigned to North Texas Conference charges irrespective of the Annual Conference from which they come. The amendment was accepted by Walker and the consent of the Conference.

Douglas Miller initiated discussion regarding mileage assistance for all student pastors but withdrew his motion.

Tom Brown questioned whether the deletion of Paragraph Q would precipitate a rise in the apportionment for equitable salaries. Michael Walker responded that such an increase was not anticipated.

Royce Riley recommended that the Commission on Equitable Salaries review Paragraph J of the report and consider the development of cooperative and extended parishes which may necessitate the extended appointment of persons in associate pastor positions. The recommendation to study was accepted by the Chairperson of the Commission.

Fred Kandeler expressed concern for the change in wording regarding Student Appointments (Item D4) in the 1986 Equitable Salary Compensation detailed schedule. Kandeler recommended the following substitute language:

B. Lives on charge 3 nights or more weekly
C. Lives on charge 2 nights or less weekly

The substitute wording was accepted by the Chairperson of the Commission. LA 33

Health And Welfare Luncheon

The Health and Welfare Luncheon was held in the Great Hall and Wycliffe Reynolds Hall in Highland Park United Methodist Church, Dallas. Catherine Reaves presided over the gathering in The Great Hall, and Ellen Palmer led the group in Wycliffe Reynolds Hall. Following the grace, awards were made to:

East Dallas Cooperative Parish, Oak Cliff Health Clinic, Allie Davenport for his support on the board, Bill Wilson of the Methodist Hospital program, and to Dr. & Mrs. Jim Addison, who funded a wing at the San Antonio home.

Speakers for each of the agencies brought word of their program:

UNITED METHODIST RETIREMENT HOMES: Julian Thomas reported on the retirement home being built in the Sherman-McKinney District and the C. C. Young/Blanton Gardens Homes.

METHODIST HOME IN WACO: Tom Strother introduced Don Gibson, director of the Boys' Ranch who told of the progress of the ranch and its work with troubled boys. Gibson introduced seven young men of the ranch as examples of the ministry being done in our name in Waco. All seven boys are graduating Seniors, due to receive their diplomas on Saturday, June 1. One of the young men spoke of what the ranch has meant to him and the change it has facilitated in his life.

METHODIST HOSPITAL: Chaplain Bill Wilson told of the work of Golden Cross at Methodist Hospital as it seeks to minister to those in need of special and expensive care. Wilson introduced a former patient who was provided surgery that he might walk again. This young man told of his experience as he was referred to the hospital by Tom Peel, his pastor. He expressed gratitude to the churches who make possible the Golden Cross program.

METHODIST MISSION HOME: Ted Richardson brought special guests to share their experience with the Home. Richardson introduced a foster mother, an adoptive mother, and a birth mother. The adoptive mother and the birth mother each shared her experience and the enrichment of her life through the work of the Home. Richardson introduced the director of the Southwest Center for the Hearing Impaired who told of the experience of the deaf as they try to relate to a world that doesn't understand their "language". The director read responses written by the deaf to the question, "What has the hearing center meant to you?"

The luncheon was dismissed following the benediction.

WEDNESDAY, MAY 29, 1985
AFTERNOON BUSINESS SESSION

Commission On Equitable Salaries

Continuing discussion of the report of the Commission on Equitable Salaries, Phil McLarty moved that Paragraph N of the report conclude with the addition of the following phrase: "under Paragraph 425 of the 1984 DISCIPLINE." This addition was accepted by the Chairperson of the Commission.

Philip Hudson requested clarification of the use of the 250-member church as the base for equitable salary assistance. Michael Walker responded that that figure was the result of a study requested by the Conference some years ago and reflects a minimum membership for the charge rather than church. Marvin Judy reminded the Conference that when the study was done, the will of the Conference was to exclude minority churches from this 250-member minimum. John Tatum and William T. Stephenson recommended the addition of the word "goal" to Paragraph 3A of the report so that it would read in part as follows:

> "....Churches whose pastors receive salary subsidy should be open to linkage with other churches in order to provide full-time ministerial conference members with a work load goal of a minimum of 250 members,...."

The recommendation was accepted by the Chairperson of the Commission on Equitable Salaries.

Ernie Martin asked for clarification as to whether a student from another Annual Conference might be classified under Paragraph N of the report. Michael Walker responded that Paragraph N does not apply to students.

Johnnie Marie Grimes moved that, in the interest of the Methodist connectional principle, the North Texas Annual Conference give leadership within the South Central Jurisdiction to establish an acceptable range of comparable support for comparable service for the student pastors who serve our pastoral charges regardless of the Conference from which they come. The motion was accepted by the Chairperson of the Commission on Equitable Salaries and consent of the Conference.

Bishop Russell called for the vote on the entire report of the Commission on Equitable Salaries, and it was adopted.

Board Of Church Development

William Crouch, Chairperson of the Board of Church Development, challenged the Conference with the idea that the work of the Annual Conference really ought to be to inspire one another to do the work of church development. Church Development strives to enable persons to cope and survive--new people coming into the cities, persons in changing neighborhoods, people in town and country settings. Crouch called the Conference to repentance for one thing--not caring enough about the people who are

trying to cope--reminding the Conference that if we go away from worship or from Annual Conference just glad that we have been there, we have only been playing church. When survival is the issue, we cannot just "play church."

Frank Yates, Chairperson of the Division of Church Assistance, reminded the Conference that this Division is funded entirely by apportionments and is a grant-making entity providing local churches with financial assistance beyond the limits of their resources. First priority is given to emergency needs resulting from fire, storm, or other unforeseen disasters. At least ten percent of the Division's funds are retained during the year to meet these needs. During 1984, Church Assistance made 24 grants in 6 districts for a total of $45,100. Thus far in 1985, grants have been made to 10 churches in all 7 districts, totaling $28,750. Church Assistance is not intended as an "hand out" but as a "hand up."

Don Wiggans, Chairperson of the Division of Church Extension, noted that the report contained in the Pre-Conference Packet highlights some of the work of the Division during the past year. It concludes with some wants and dreams for the coming year. Wiggans thanked the members of the Division and remarked that the Conference is blessed to have so many talented professionals serving on this Division.

Paul Goodrich, Chairperson of the Town and Country Division, reported that the Division had sponsored two training events during the year, one for clergy and one for laity. The Division assisted in the establishment of seven new cooperative projects involving twenty-four congregations and two new forms of cooperative ministry--Extended Ministry and Group Ministry. The total number of Visionaries shares pledged to Town and Country has surpassed 1,200. And 1986 plans are already underway for assisting cooperative projects in four districts involving fifty-seven congregations.

Goodrich announced the creation of an annual Marvin T. Judy Award to be granted to an outstanding town and country congregation/parish of the North Texas Conference. Both First United Methodist Church of Whitewright and the Hopkins Country Larger Parish were nominated for the award. The award was presented to the Hopkins Country Larger Parish.

Joyce Merz, Chaipreson of the Division of Transitional Communities, called the Conference to celebrate that we have United Methodist churches in strategic locations throughout the city of Dallas, that our Annual Conference has given specific encouragement and support to those churches, that churches in East Dallas and Oak Cliff have been willing to take the risks necessary to witness in their areas, and that other congregations are catching that vision.

Merz reported that the Division's "Direction '85-'88" affirms these projects: (1) Continued support for the East Dallas Cooperative Parish, Oak Cliff Group Ministries, Oak Cliff Cluster, and Trinity North Cluster (specifically Warren Church); (2) Development of a far east Dallas cluster; and (3) Leadership Development.

William Crouch, Chairperson of the Board of Church Development, reminded the members of the Annual Conference that the Visionaries logo was printed on each one's name badge, signifying that each one is a part of church develoment. Crouch expressed appreciation to retiring Division chairpersons, Paul Goodrich and Joyce Merz, for their work during the past four years.

Crouch called the Conference to (1) care about church development in the sense of caring about the people who are struggling to survive, (2) encourage clergy to participate in the Effective Pastor's Seminar, (3) pledge to the Visionaries program. Crouch moved adoption of the entire report; it was adopted.

Voting reflects a difference of opinion among conference members.

Conference Statistician

Walter Zimmerman expressed his appreciation to the district auditors and to James Hares for the work of his office. Zimmerman appealed to pastors to be careful in filling out

the end-of-year financial reports to insure that amounts are entered on the proper lines of the report forms.

Zimmerman reported to the Conference some of the trends in the United Methodist Church since 1970 including a decline in membership of 9.8 percent between 1970 and 1980. The majority of United Methodist churches have fewer than 200 members, and ethnic membership accounts for 4.7 percent of the total.

At the 1984 session of the Annual Conference, Zimmerman reported that an an Annual Conference North Texas showed an increase in all four person categories of church membership, worship attendance, church school membership, and church school attendance. This year, however, a loss is reported in all four of these person areas. That decline is significant because the figures represent persons. Zimmerman encouraged the Conference to think not about numbers, but about persons.

Zimmerman moved adoption of the report; it was adopted.

Conference Office Housing Committee

Jack Gibson reported that the Committee which was appointed last year has interviewed all conference directors, recognizing the advantages of shared office equipment and systems, joint stocking of supplies and use of quantity pricing discounts, increased use of computer systems, and development of uniform personnel policies.

Gibson reported that the Committee will continue to work during the coming year to bring a further report to the 1986 session of the Annual Conference.

Committee On The Episcopacy

Leighton Farrell reported that the Committee meets annually with Bishop Russell and on other occasions at his pleasure. The Committee is very pleased to report that Bishop Russell continues to provide our Annual Conference with effective and positive leadership, and the Committee commends such programs as "Direction '85-'86."

Farrell reported that Bishop and Mrs. Russell have provided pastoral care and episcopal leadership of the highest quality. They have truly been examples of the type of spiritual guidance expected from the Episcopal Office. Bishop Russell continues to give outstanding leadership on the level of the Council of Bishops and is growing in stature with his contemporaries.

On behalf of the Committee, Farrell expressed to Bishop and Mrs. Russell the continuing support of the Annual Conference and extended to them the deepest appreciation of the Conference for their love and care.

Area Committee On Professional Ministries

Ervin Gathings reported on the work of the Area Committee on Professional Ministries for the Chairperson, Bruce Weaver. Gathings told of the work of the counseling program. Ben Feemster moved to adopt the report of the Committee. Adoption was approved.

Ervin Gathings expressed appreciation for the support he has received in his position as Assistant to the Bishop, as well as appreciation to Bishop Russell with whom Gathings works closely. Gathings told of his concern to carry out the work assigned him and the oversight of the counseling program.

Bruce Weaver expressed appreciation to Ervin Gathings for his leadership and his support of the Conference.

Bishop Russell extended a word of appreciation to Ervin Gathings.

Nominating Committee

William Joseph Washington presented the report of the Nominating Committee for approval by the Conference (LA27). Vote for approval was conducted by section of the report, with the following changes:

Section I. Agency Chairpersons: add "J. United Methodist Men, Daryl Cordell 85/89B". The section was approved as amended.

Section II. Conference Representatives: change years of Ken Shamblin and Zan Holmes to "85/88A" and add at the bottom of the page "2. Division of Preparation and Qualifications: Noel Bryant, 85/88A; Henry Masters, 85/88A; Robert Spencer, 85/88A". The section was approved as amended.

Section III. District Representatives. Washington asked for and received approval for the District Superintendents to make the necessary nominations following changes resulting from changes of appointment. Section III was approved as reported.

Section IV. Conference Committees, items D and E. The section was approved as submitted.

Section V. Institutional Trustees/Directors. Change "(Districts)" to "(Conference)," add "D. Methodist Mission Home, Mrs. Saunder J. Warfield; E. United Methodist Retirement Homes of North Texas, Joe Dusek, 85/86; Dr. James P. Addison, 85/88; Robert L. Dillard, 85/88; C. Michael Haynes, 85/88; Wm. T. Stephenson, 85/88. Section V was approved as amended.

Boards of Higher Education, p.18-E1. Add Southwestern University; Conference Members, Jerry S. Farrington and W. Forrest Smith; Supplementary Members, Annette G. Wilkes and Robert G. Vial. The board members were approved as amended.

Council On Finance And Administration

David Shawver, Vice-Chairperson of the CF&A, reported that the Council sometimes finds itself looking at the wonderful plans and goals of the Conference and wondering how they can keep up with the funding. Shawver called for adoption of the apportionments recommended in the report "Section IV. Recommended Apportionments," section C. Annual Conference. The report was adopted.

Shawver moved adoption of the Perkins Endowment Fair Share plan (4b). Henry Masters expressed the concern of the Black constituency of United Methodists within the North Texas Conference that Perkins School of Theology has recently failed to give tuenure to one of the Black professors and has not given tenure to a Black professor. Masters moved that Perkins School of Theology be asked to give a report to the Conference regarding the issue of tenure for a Black professor in light of this significant endowment. The motion was seconded. David Shawver accepted the motion and assured Masters that CF&A will transmit this concern to Perkins and to Dean Kirby. The recommendation of the CF&A was adopted. LA28

David Shawver asked the members of the Conference to join him in a special recognition of the work of Dr. James Hares, Conference Treasurer. Shawver then moved the adoption of the report of the Council on Finance and Administration as a whole. Adoption was granted by vote of the Conference.

Bill Crouch moved that due to the lateness of the hour debate on the remaining four resolutions to be considered be limited to one person speaking "for" and one speaking "against." The motion carried.

Johnnie Marie Grimes presented a Legislative Proposal on the Republic of South Africa, calling for congregations in the North Texas Conference to become informed about

proposed legislation to bring economic pressure on corporations to influence them to be a part of the solution to the problem. Grimes moved adoption of the resolution. An amendment was offered from the floor to add a sixth implementation requesting that the General Board of Global Ministries' resolution on the Republic of South Africa be read in every local church in the North Texas Conference during 1985. Grimes accepted the amendment as part of her orignial motion. The proposal was accepted as amended by vote of the Conference. LA29

John Soper presented a resolution, "Concern for Central American Refugees". The resolution, signed by Soper, William J. Washington, William C. Crouch, Martha Boyd Watson, Walker L. Railey, and John Ogden, addressed the plight of the struggle to survive in refugee camps by persons unable to flee to the United States or doing so at the risk of not being given asylum. Encouragement and support of local churches to assist the victims and refugees is sought by the resolution, as well as contact with the President of the United States and elected officials from the North Texas area. The resolution was adopted by vote of the Conference members. LA30

Charles Harper, Conference Lay Leader, presented a Legislative Proposal from the Annual Conference Board of Laity requesting a Judicial Council decision regarding the meaning of the term, "lay membership" in paragraph 35 of the constitution. The proposal was adopted by vote of the Conference members. LA31

Gifford Long presented a Legislative Proposal from the Wichita Falls District Conference calling for an Annual Conference review and study of UMC Doctrine and Doctrinal statements. Walker Railey explained that this is an attempt to move the United Methodist Church in the direction of clarifying where the church stands on doctrinal issues. David Rucker asked for an amendment to the resolution, striking the word "a" in line three of paragraph one and adding "an up to" in its place ("establish an up to three-hour format,"). Gifford Long accepted the amendment, and the proposal was approved as amended. LA32

B. C. Robertson expressed appreciation to Wm. J. Washington and the members of the staff of the Conference Council on Ministries as Washington leaves that position.

George Topper of the Journal Committee reported approval of the minutes of Sunday, Monday, and Tuesday, and authorized the secretary and staff to approve the minutes of today (Wednesday).

James Dorff of the Courtesy and Resolutions committee read a resolution expressing apprection to Bishop Russell, Mary Jean Russell, and all those who have provided leadership during this one hundred and nineteenth session.

Margaret Tarr moved "that the 1986 Agenda Committee use a timing device for all reports during business sessions of Annual Conference, the time allotted to each report to be agreed upon prior to Annual Conference." The motion was seconded and approved by vote of the Conference members.

B. C. Robertson and George Holcomb led the "Direction '85-'88" service, calling for each member (clergy and lay) to fill in the Visions Worksheet and bring it forward to be placed in the hands of his or her District Superintendent with prayers for the future of the Conference. During the singing of "Be Thou My Vision" members participated fully in the offering of their visions. The District Superintendents together presented the worksheets to Bishop Russell.

Bishop Russell expressed gratitude to the work of the tellers who came early each morning and spent much time during each session distributing materials to Conference members and to the Conference Secretaries for their work. Bishop Russell called for a brief break while preparations were made for the "Sending Forth" service.

Sending Forth Service

The closing service of the one hundred and nineteenth session of the North Texas Annual Conference was opened by Don Waddell reading the scripture sentence and the congregation singing "Come, Let Us Use the Grace Divine." Waddell led the prayer for the grace to follow Christ more closely, and Ron Henderson read the scripture: John 15:1-18. The congregation sang "A Charge to Keep I Have." Bishop Russell addressed the Conference, reminding those present of the symbolism of the reading of the appointments

and of the District Superintendent standing with the Bishop during the reading. The appointments are "fixed" by the Bishop according to the DISCIPLINE, but the Cabinet works together in accomplishing this. Bishop Russell reminded the lay persons present that appointments are made to the church, and that effort is made to match the needs of the church at that moment in time with the gifts and graces of a minister within the Annual Conference.

Bishop Russell led the reading of the appointments with the assistance of the District Superintendents. The Bishop then led the Conference in reading the Covenant and the service was closed with the singing of "Blest Be the Tie That Binds."

LA 8 — AMENDMENT TO STANDING RULE 3 — PARAGRAPH OMISSION IN 1984

ACTION: Correct Standing Rule 3 by inserting between the second and third paragraphs the following:

"The North Texas Annual Conference shall make it a policy to rotate membership on conference agencies, limiting any person to eight (8) successive years on any one agency. However, a person may be re-elected to that conference agency after non-membership for four (4) years. The number of years of each person's term shall be listed after that person's name in the annual conference journal where the membership of the agencies is listed. Membership, except ex-officio, shall not be held at the same time on more than one quadrennial council, board, or division. This rule shall not be construed to apply to trustees of institutions."

RATIONALE: This paragraph was inadvertently omitted from the 1984 Journal, and this legislation will replace it in its proper place in the Standing Rule.

"UNITED METHODIST WOMEN....1984 BOOK OF DISCIPLINE...."

RATIONALE: These editorial changes will bring the current Standing Rules into compliance with the current Book of Discipline.

LA 12 — AMENDMENT TO STANDING RULE 10 — MEMORIALS

ACTION: Amend Standing Rule 10 by making certain punctuation mark changes and by adding after "photograph of the deceased.." the following:

"...date of entrance or transfer into the conference; list of appointments in the North Texas Conference; the conference from which transferred, if applicable; and, if possible, appointments in other conferences."

The entire Standing Rule would then read:

"The minister, who shall be in charge of the funeral services of any minister of the North Texas Conference, or the spouse, widow, or widower of a minister of the North Texas Conference, will supply the secretary of the conference with a memoir containing: the date of birth; the date of death; the date of final rites; the place of burial; a recent photograph of the deceased; date of entrance or transfer into the conference; the conference from which transferred, if applicable; and if possible, appointments in other conferences. In the event that the dates required are not supplied, they shall be added by the sec-

retary of the conference, if possible. All of this information is to be sent to the secretary of the conference immediately following the funeral."

FROM: Standing Rules Committee

LA 13 — AMENDMENT TO STANDING RULE 14 — DELETION OF SENTENCE

ACTION: Amend Standing Rule 14, Section A, by deleting all of the second sentence:

"Pastors must have receipts or vouchers to verify all amounts which have been paid to connectional causes but are not listed on print-out sheets supplied by the Conference Treasurer."

RATIONALE: Because Statistical Table 11-B is now provided each pastor from the computer in the office of the Council on Finance and Administration, verification vouchers are no longer needed.

FROM: Standing Rules Committee
Council on Finance and Administration

LA 14 — AMENDMENT TO STANDING RULE 19 — DELETION OF SECTION B

"Section B: Any unexpended sums remaining at the end of the year in the appropriation from the Conference Program Apportionment to any agency of the Conference shall be retained by the Conference Treasurer for the Conference Reserve Fund."

"The Council on Ministries is responsible for presenting to the Conference Council on Finance and Administration a proposed budget incorporating program and administrative items for its agencies and related district agencies. This report is to be submitted on or before the date set annually by the Conference Council on Finance and Administration."

RATIONALE: Because the annual budgets of all Conference agencies based on other apportionments are permitted beginning balances, an inequity exists for those agencies affected by this rule.

FROM: Standing Rules Committee
Council on Finance and Administration

LA 15 — AMENDMENT TO STANDING RULE 23 — TO FOLLOW RULE 14

ACTION: Amend the Standing Rules by placing Standing Rule 23 immediately folloing Standing Rule 14, and renumber all subsequent Standing Rules.

FROM: Standing Rules Committee

LA 16 — AMENDMENT TO STANDING RULE 26 — TO FOLLOW RULE 10

ACTION: Amend the Standing Rules by placing Standing Rule 26 immediately following Standing Rule 10 in the current Standing Rules, and renumber the Standing Rules so that it becomes Standing Rule 11. Renumber all subsequent Standing Rules.

RATIONALE: This would place the Standing Rule concerning parsonage use by the family of a deceased clergy member of the conference closer to the Standing Rule concerning the memorial for the deceased clergy member.

FROM: Standing Rules Committee

LA 17 — AMENDMENT TO STANDING RULE 8 — LAY/CLERGY MEMBERSHIP

ACTION: To define the nomination and election process for Lay Equalization of the Annual Conference, and to define exceptions and bring Standing Rule 8 into compliance with the 1984 Book of Disciple, Standing Rule 8 is printed below in its full form with the new words CAPITALIZED and in (parenthesis) and words that are to be deleted [bracketed]

"Rule 8: The Lay Member to the Annual Conference may be elected (ANNUALLY OR) quadrennial at the Charge Conference preceding the regular quadrennial meeting of the General Conference. If, for any reason, the Charge Conference is delayed until after January 1, their term of office shall begin immediately upon election. Lay Members elected under the equalization process by the District [Section] (CONFERENCE) shall take office immediately and shall serve until the District [Section] (CONFERENCE) elects Lay Members for the succeeding year. (THE EQUALIZATION LAY MEMBERS SHALL BE ELECTED BY THE LAY MEMBERS PRESENT AT THE DISTRICT CONFERENCE FROM NOMINATIONS MADE BY THE DISTRICT LAY LEADER, THE DISTRICT SUPERINTENDENT AND THE LAY MEMBERS OF THE DISTRICT NOMINATING COMMITTEE. 5) PRESIDENT OF THE CONFERENCE YOUTH ORGANIZATION
6) THE DISTRICT LAY LEADERS
7) TWO YOUNG PERSONS UNDER TWENTY-FIVE YEARS OF AGE
8) ALL DIACONAL MINISTERS WHO ARE IN FULL TIME SERVICE APPOINTMENT)"

RATIONALE: The concept of the Laity only voting for Laity in this office has beeen discussed in past sessions of the Annual Conference and generally accepted, but is not found in the Standing Rules or in printed legislation in clear and concise form. Since Rule 8 is related to this subject, it is the logical place for this clarification and change.

LA 18 — NUCLEAR DISARMAMENT AND THE SEARCH FOR PEACE

ACTION: 1. That this annual assembly of the North Texas Conference of the United Methodist Church meeting in session May 26-29, 1985 in Dallas, Texas reaffirm a scriptural faith by making a commitment to relentless peacemaking.

2. That the North Texas Conference calls on the United States government and the governments of all other nations to work with courage, imagination, and sensitivity for an international verifiable freeze on all testing, production, and deployment of nuclear weapons, leading to the reduction and eventual elimination of all nuclear weapons.

3. That the North Texas Conference affirms every initiative of the United States government within the realm of arms reduction negotiations.

4. That we continue to uphold one another in prayer relying on the Holy Spirit as our counsellor and upon the resurrected Christ as our source of courage.

RATIONALE:

1. The scriptures declare that the meaning of God's Kingdom is "righteousness and peace and joy in the Holy Spirit", and that to serve Christ is to "pursue what makes for peace and for mutual upbuilding." (Romans 14:17-19.)

2. In God's name the scriptures proclaim, "I have set before you life and death, blessing and curse; therefore choose life, that you and your descendants may live..." (Deuteronomy 30:19.)

3. The resurrected Christ is revealed through the Body of Christ by acts of love and healing.

4. Nuclear weapons and their threatened use remain an impediment to the healing power of God by our utter desregard for God's authority over creation.

5. The danger of a nuclear holocaust that could end human life on this planet and turn created order back into chaos remains as a pervasive imposition on any vision for a future.

6. The new generation of weapons known as Strategic Defense Initiatives or "Weapons in Space" may well prove only to be instruments of an escalating arms race that will decrease security and stability.

7. The focus of weapons technology and development is moving beyond deterrence to a first-strike posture.

8. The increasing practice of terrorism by nations and individuals becomes more frightening with the potential use of nuclear weapons.

9. The voices of the hungry and oppressed cry out to all nations for justice while nations continue to spend hundreds of billions of dollars to make credible their threat to defend themselves even if it means the destruction of humanity.

10. The Church's most responsible influence can be realized through a prophetic witness and a courageous proclamation.

DESIRED IMPLEMENTATION:

1. That the Board of Church and Society of the North Texas Conference empower a group within the Conference to produce an educational program for the purpose of assisting local churches in studying and responding to the issue of nuclear disarmament.

2. That the Board of Church and Society plan conference-wide events on Peace with Justice to be presented prior to the 1986 Annual Conference.

3. That each local church define and enact a ministry of peacemaking, and establish a task force on Peace with Justice, realizing that the Board of Church and Society will continue to make appropriate resources available.

4. That August 4, 1985, that Sunday closest to the anniversary of the nuclear bombing of Hiroshima, be set aside as Peace with Justice Sunday (a day of Shalom), and that a special offering be received for Peace with Justice ministries.

5. That this resolution be sent to the President of the United States of America, to United States senators of Texas, to all United States representatives who serve constituencies within the North Texas Conference and to the ambassadors of all nations represented at the United Nations.

LA 19 — NUCLEAR WASTE REPOSITORY IN DEAF SMITH AND SWISHER COUNTIES

ACTION: That this annual assembly of the North Texas Conference of the United Methodist Church meeting in session May 26-29, 1985 in Dallas, Texas oppose state authorization for the testing, construction, and operation of a high-level nuclear waste repository in Deaf Smith and Swisher Counties be denied on the grounds that such a nuclear waste repository would be contrary to the public interest.

RESOLUTION: Because of these concerns, we urge that the Texas Water Commission deny any permit for a shaft drilled or mined for purposes connected with high-level nuclear waste repository studies or high-level nuclear waste disposal until such time as all safety, environmental, and public interest issues are resolved.

We urge that the Governor of Texas and the Texas Legislature pursue all legal means to eliminate the possibility that Deaf Smith and Swisher Counties will be subjected to the environmental damages and risk to health and safety that will accompany the testing for and construction and operation of a high-level nuclear waste repository.

RATIONALE: Our United Methodist Social Principles affirm that "All creation is the Lord's and we are responsible for the ways in which we use and abuse it" (Para. 70, The Book of Discipline,1984). Believing this to be true, we express concern about the proposed establishment of a high-level nuclear waste repository in Deaf Smith and Swisher Counties.

The prime agricultural land of Deaf Smith and Swisher Counties helped make these the second and sixth leading Texas counties in crops and livestock in 1983. The testing, construction, and operation of a repository at the proposed sites in Texas would threaten the local and regional underground water supplies by depositing dangerous nuclear wastes beneath two major regional aquifers, the Ogallala and Santa Rosa, which are the only available sources of water for drinking and irrigation for Texas high plains communities and farms in the vicinity of the sites.

Furthermore, the construction of large exploratory and repository shafts would have potentially severe impacts on the surrounding region since millions of tons of salt would be stored on the land surface, threatening massive water and soil pollution of nearby farmland and aquifers.

DESIRED IMPLEMENTATION:

That copies of this resolution be sent to:
-Members of the Texas Water Commission
-The Speaker of the Texas State House of Representatives
-The Lieutenant Governor of the State of Texas
-The Northwest Texas Annual Conference.

That the North Texas Conference Board of Church & Society remain in contact with the Northwest Texas Conference Board of Church and Society regarding this issue and support them as appropriate.

LA 20 — CLEAN AIR

ACTION: That the North Texas Conference of the United Methodist Church seek improvement of air quality in Dallas, Denton, and Tarrant Counties, and in other North Texas counties not meeting EPA standards.

RESOLUTION: Because of these concerns, we urge the Environmental Protection Agency to reject the inadequate plan proposed by the Texas Air Control Board for the control of hydrocarbon emissions in Dallas, Denton and Tarrant Counties.

We urge the Texas Air Control Board to adopt sufficiently strong measures to control the hydrocarbon, nitrogen oxides, sulphur dioxide and particulate emissions from cars, trucks, buses, smokestacks, and places of business such as gasoline service stations and dry cleaning establishments, in order to restore and protect the air quality of this area.

We urge each city and town government in the North Texas Conference to support the creation and enforcement of strong pollution control laws for the area.

RATIONALE: We support a resolution of the 1984 General Conference of the United Methodist Church which states that, "...All persons have the right to breathe clean air. Where the air quality is now poor, steps should be taken to improve its quality including the elimination of toxic pollutants from cars, trucks and buses, the clean-up of smokestack emissions. Special attention should be given to such long-range air quailty problems as the depletion of the ozone layer, the heating of the atmosphere, and acid rain" (pp. 336-37, The Book of Resolutions, 1984).

The air quality of Dallas, Denton and Tarrant Counties cannot meet Environmental Protection Agency standards for ozone; and acid rain is now falling in the Dallas-Fort Worth metroplex.

DESIRED IMPLEMENTATION:
That copies of this resolution be sent to:
-Texas Air Control Board
-Town and city governments in Dallas, Denton and Tarrant Counties
-Environmental Protection Agency

That each local church work area on Church and Society study and act on this issue during the conference year.

LA 21 — ASSISTANCE FOR QUALITY EDUCATION

ACTION: That the North Texas Conference recognize the need for assisting local schools in meeting the educational needs of Texas young people.

RESOLUTION: The North Texas Conference of the United Methodist Church directs the Conference Board of Church and Society to develop a program for local church assistance to local schools and school districts to assist in the education of Texas children with special reference to problems with reading skills.

RATIONALE: The ability to attain educational goals is directly affected by the reading skills of students. An educated society provides a quality of life that will further the pursuit for a Christian life. Today, it has been reported that over 27.000,000 Americans are unable to read. Early Methodism used its resources to assist in building literacy in Britain and the United States, as well as in other countries.

DESIRED IMPLEMENTATION:
Adoption by each local church of one or more elementary schools for the purpose of providing free educational assistance (such as tutoring, media resources, books, etc.) to students in need of reading skill improvement.

FROM: Board of Church and Society
Martha Boyd Watson, Chairperson

LA 22 — EXPANDING AND IMPLEMENTING THE OBJECTIVES OF THE BOARD OF CHURCH AND SOCIETY

ACTION: 1. That the Board of Church and Society will offer specific proposals for Conference action regarding violence against persons, chemical abuse, pornography, and family crisis; that the North Texas Annual Conference may inform society of this Conference's stance in relation to these specific social issues.

2. That the Board of Church and Society will offer specific proposals for the North Texas Annual Conference that will enable the local church to effectively confront these issues.

RATIONALE: 1. "The scriptures declare that the meaning of God's Kingdom is 'righteousness and peace and joy in the Holy Spirit' and that to serve Christ is to 'pursue what makes for peace and for mutual upbuilding.' (Romans 14:17-19)"

2. "In God's name the scriptures proclaim, 'I have set before you life and death, blessing and curse; therefore choose life, that you and your descendants may life...(Deuteronomy 30:19)."

3. "The resurrected Christ is revealed through the Body of Christ by acts of love and healing."

4. That we should make every effort to be consistent with the DISCIPLINE which defines the purpose and objectives of the Board of Church and Society to be:

> "1102. Purpose.- The purpose of the board shall be to relate the gospel of jesus Christ to the members of the church and to the persons and structures of the communities and world in which they live. It shall seek to bring the whole of human life, including all activities, possessions, and community and world relationships, into conformity with the will of God. It shall show the members of the church and the society that the reconciliation which God effected through Christ involves personal, social and civic righteousness."
>
> "1103. Objectives.-To achieve its purpose, the board shall project plans and programs that challenge the members of the United Methodist Church to work through their own local church, through ecumenical channels, and through society toward personal, social and civic righteousness; to assist the District and Annual Conferences with needed resources in areas of such concerns; to analyze the issues which confront the person, the local community, the nation, and the world, and to encourage Christian lines of action which assist humankind to move toward a world where peace and justice are achieved."

DESIRED IMPLEMENTATION:
That the Board of Church Society will include in the Pre-Conference Packet and bring to the floor of the 1986 session of the North Texas Annual Conference its recommendations concerning the specific issues of violence against persons, chemical abuse, pornography and family crisis.

FROM: Paris-Sulphur Springs District Section of the Annual Conference

LA 23 — INCLUSIVENESS IN THE NORTH TEXAS CONFERENCE

ACTION: That the North Texas Conference of the United Methodist Church continue efforts to address the issue of total inclusiveness.

The Commission on Religion and Race is charged with the responsibility to address the issue of total inclusiveness in the North Texas Annual Conference.

In the Gospel of John we find Jesus saying, "A new commandment I give to you, that you love one another." (13:34) We are to love as he loved--without reservations. "By this all [humanity] will know that you are my disciples, if you have love for one another." (13:35)

Inclusiveness is another way of assessing whether we have lived and are living by the the above Commandment. The United Methodist Church is one of the most diverse denominations in the nation. We must affirm our diversity and work to understand, preserve, and support it with all the resources God has given us.

"For by one Spirit we were all baptized into one body, and all were made to drink of one Spirit." (I Cor.12:13)

If one member suffers (or is not included), all suffer together. If one member is honored, all rejoice together. Now we are the body and each members of it.

RESOLUTION: Because of these concerns,
-We urge the North Texas Annual Conference to develop policies on inclusiveness and implement the same.

-Support audits of inclusiveness (Inventories sent to boards, agencies, etc.)

-Develop plans to address deficiencies revealed by the audits.

-Develop plans to ensure ethnic minority representation on all conference boards, agencies, commissions, and committees, and minority representation in key leadership roles (chairpersons) on more than the traditional commissions (Religion and Race, Black Church, and EMLC).

-Develop plans to ensure ethnic participation/representation in the planning and conducting of all conference worship services, and other related events.

-Provide opportunities for multiracial/interethnic dialogue and meetings throughout the Conference.

-Provide resources to strengthen the Ethnic Minority Local Churches (existing and new congregations).

-Develop strong theological premises to be included in the Vision Document for this quadrennium.

-Support (financially and philosophically) human life issues: justice, peace, employment, adequate housing, shelter, hunger health care, education, nurturing of children, aged, etc.

-We urge the local churches to develop a statement on inclusiveness and share it with the congregation.

-Conduct the "Inventory of Racial Pluralism and Inclusiveness in the Local Church."

-Develop a program to address inclusiveness. This is critical whether you have ethnic minorities attending your church or not.

Some examples follow:

1. Church School curriculum should reflect ethnic pluralism.
2. Community services should be offered by your church to other ethnic groups.
3. Worship Services
   a. Speaker from a different ethnic group, choirs, etc.
   b. Worship resources: include hymns, prayers, etc. from other ethnic groups.
   c. Evangelism/Witness to individuals of different ethnic groups.

DESIRED IMPLEMENTATION:

-Report to be submitted to the 1986 Annual Conference related to progress toward total inclusiveness.

-Plan of action developed for each board, agency, commission and committee.

-During the 1986 Annual Conference, we hope we can rejoice and say "our time has come" because United Methodists in the North Texas Annual Conference have addressed some of the issues of inclusiveness and have them as continuing agenda items. Love is a continuing agenda item.

"By this all [humanity] will know that you are my disciples, if you have love one for another." (John:13:35)

LA 24 — PROACTIVE CHURCH DEVELOPMENT

ACTION: The Board of Church Development and the Commission on Religion and Race, the Commission on the Black Church, the Commission on Asian Ministries, and the Committee on the Ethnic Minority Local Church unite resources and spirits in all efforts to develop and strengthen the ethnic minority local congregations for witness and mission, especially related to the development of new minority churches.

RESOLUTION: Because of this concern
-Together, we accept the challenge to identify new church sites and areas in transition for establishing minority churches.

-We shall pursue with renewed diligence the possibility of establishing a Black Church in the Pleasant Grove area.

RATIONALE: During the 1984 Annual Conference, Dr. Douglas Jackson, professor at SMU, reminded us that "We have a charge to make local churches more effective than they have been in the past." He noted that there is a great potential for church growth in the Black community.

The General Conference of 1984 has challenged United Methodists to work to increase the overall membership by 1988. We commit to work diligently to achieve this goal.

The Board of Church Development should play a crucial role in anticipating and targeting areas of the city, suburbs, and towns for new minority church growth. Specifically, some areas of Dallas have changed in terms of ethnic population from predominantly White to Black (or other minorities) or to an increased number of Blacks (or other minorities.) Efforts should be intensified to be more proactive rather than reactive because of the economics of being reactive of the economics of being reactive (once an area has been populated, land values soar). Some other denominations are more proactive than the United Methodist Church in establishing churches in areas of Black population (i.e.Pleasant Grove).

We are aware of efforts to establish a Black United Methodist Church in the Pleasant Grove area. We commend these efforts. In the future, hopefully, we can be more proactive and competitive in terms of church development for Blacks and other minorities as we strive to increase our membership in this quadrennium.

DESIRED IMPLEMENTATION:
Be it further proposed that the Chairpersons of the Commission on Religion and Race, the Commission on the Black Church, the Commission on Asian Ministries and the Committee on the Ethnic Minority Church, and one lay member from each of these groups, meet with the Executive Committee of the Board of Church Development to do long range, as well as short range, planning, and assign shared responsibility toward implementation. The results shall be reported next year at the Annual Conference.

LA 25 — ABANDONMENT OF KANAWAHA UNITED METHODIST CHURCH

ACTION: The Congregation of Kanawaha UMC, meeting on February 27, 1985, at 6:00 p.m., unanimously agreed to disband as an active church. Kanawaha UMC, its land and buildings are to be sold to the Kanawaha Cemetery Association for the sum of one dollar ($1.00.)

RATIONALE: The congregation of Kanawaha UMC has grown small in number and resources, and the small number of faithful makes it impossible to continue as an active congregation. The average attendance at Sunday services has dwindled to four persons.

DESIRED IMPLEMENTATION:
North Texas Annual Conference Board of Trustees recommends the abandonment of the Kanawaha UMC of the Paris-Sulphur Springs District and that the land and buildings be sold as proposed.

FROM: North Texas Annual Conference Board of Trustees

LA 26 — ABANDOMENT OF ROSSER UNITED METHODIST CHURCH

ACTION: On August 7, 1984, the Rev. J.D. Mooring, district superintendent of the Dallas South District; the Rev. Ernest Jackson, Jr., pastor of Warren Chapel and Rosser United Methodist Churches; Mrs. Jo Nell Franklin, surviving member of Rosser UMC; and Rev. Jim Gatlin, pastor of First UMC, Lancaster and Chairman of the District Board of Church Location and Building, met at the Rosser UMC at 7:30 p.m. to discuss and scrutinize the abandoning and selling of said property.

The price for the lot and building was set at $2,000.00. The contents were to be sold and the money to go to the Trustees of Warren Chapel UMC, Terrell, Texas.

RATIONALE: The building is old and in great need of repair. No one attends the services, as there are no members present. It was agreed and voted by those present that the property and contents of the church building be sold.

DESIRED IMPLEMENTATION:
North Texas Conference Board of Trustees recommends the abandonment of the Rosser United Methodist Church, Dallas South District, and that the proceeds of the sale of the lot and building go to the Trustees of Warren Chapel UMC, Terrell, Texas.

LA 28 — COUNCIL ON FINANCE AND ADMINISTRATION REPORT

PREFACE

Giving from local churches to all connectional causes in 1984 increased 10%, a total of $545,925. Apportionments were paid in full by 299 churches (84%). A special word of thanks is in order for the churches with the higher decimals because these churches continue to pay an even greater percentage of their apportionments than those churches with lower decimals.

Receipts in 1984 for non-apportioned causes increased 26% primarily because $100,769 were contributed for the Food Crisis in Ethiopia,$49,011 for the Bishops' Hunger Appeal in Africa,and $51,942 for Texan's Valley Disaster Relief.

The Council's work is continuing in this quadrennium with all Council members related to standing committees: Audit, Conferences, Funds Development, Investments, Local Church, Professional Ministries Agencies.

Administrative services to Conference agencies as well as local churches are being expanded in response to needs such as the purchasing of a Conference-wide fidelity bond policy to cover treasurers and other personnel who handle funds in every local church. Group insurance policies have been made available for local churches to buy into for a variety of their program events.

The cooperation of local churches and Conference agencies made possible the Council's success last year in finance and administration for the North Texas Annual Conference.

SECTION I. RECOMMENDATIONS FOR CONFERENCE ACTION

A. Standing Rules Changes

1. That the entire second sentence of Standing Rule 14A be deleted.

   Reason: Because Statistical Table II-B is now provided each pastor from the computer in the office of the Council on Finance and Administration, verification vouchers are no longer needed.

2. That the entire Section B of Standing Rule 19 be deleted.

   Reason: Because the annual budgets of all Conference agencies based on other apportionments are permitted beginning balances, an inequity exists for those agencies affected by this rule.

B. Perkins Endowment Fair Share

1. That the annual Fair Share of $125,660 allocated by the 1984 South Central Jurisdictional Conference for Perkins Endowment be accepted by the North Texas Conference for fiscal years 1986 through 1990.

2. That the $125,660 be allocated to the districts and that each district superintendent work out with each church and pastor a mutually agreeable Fair Share for each church.

C. Charitable Deductions for Federal Income Tax

WHEREAS, recent tax proposals within the Treasury Department may seek to severely limit or abolish the charitable deduction for federal income tax purposes; and

WHEREAS, it has been public policy for the government to encourage philanthropic giving and charitable work through the maintenance of a charitable deduction from federal income tax since the inception of the federal income tax law; and

WHEREAS, it is reported that among proposals under consideration are the elimination of the charitable deduction for non-itemizing taxpayers originally enacted in 1981, the elimination of deductions for charitable gifts for gifts under 2% of the taxpayers adjusted gross income, and the limitation of charitable deductions for gifts of appreciated property to actual costs plus an inflation factor, or actual market value, whichever is less; and

WHEREAS, studies indicate that the impact of such proposals would be to decrease the total of charitable gifts, as well as to significantly reduce the leadership gifts to charitable causes, on the order of an $800 million (27%) decrease in giving to institutions of higher education, and an eight billion dollar (18%) decrease in giving for religious purposes, and an overall decrease in charitable giving of 17% - 20%, or $10 - $12 billion; and

WHEREAS, in light of proposals to curtail or cut back government programs in support of eduction and for the provision of social services, it is expected that churches and other non-profit organizations will move to take on a greater role in these areas; and

WHEREAS, In order to assume such a role, such organizations will need to make greater demands upon their constituencies for financial support; and

WHEREAS, the tax proposals are reported would instead negatively impact upon the levels of such support, therefore

BE IT RESOLVED, that the North Texas Annual Conference of the United Methodist Church hereby records its strong support for maintenance of the existing rules regarding income tax deductibility for all charitable contributions, continuation of the charitable deduction for non-itemizing taxpayers, and continuation of the current rules concerning gifts for appreciated property at market value.

BE IT FURTHER RESOLVED, that the Conference Secretary be instructed to send a copy of this resolution to President Reagan, Secretary of the Treasury Baker, Senators Bentsen and Gramm, and the members of Congress representing United Methodists in North Texas.

SECTION II. RECOMMENDED GOALS TO LOCAL CHURCHES

A. That a minimum of 25% of the total annual budgets of the local churches be designated for causes beyond the local church.

B. That local churches consider the challenge to advance in spiritual strength toward the long-term goal of "one dollar for us and one dollar for others" in establishing the operating and the beyond-the-local-church portions of their annual budgets.

C. That local churches plan to remit at least 10% of their annual apportionments before the 15th of each month beginning in February.

D. That apportionments be given first claim by local churches in their beyond-the-local-church payments with advance specials and other benevolences viewed as second-mile giving.

E. That local churches assist in achieving 100% payment of all apportionments in every district through voluntary contributions to the District Second-Mile Apportionment Fund.

2.	Apportionments from Jurisdictional Conference	5.0%
3.	Apportionments from Annual Conference	6.4%
4.	Apportionments from District Sections	4.1%
	Total All Causes	6.6%

F. Explanations of Proposed Changes

1. General Conference
The total dollar increase of the eight general funds voted for 1986 by General Conference amounts to 5.2%; but because of the growth factors which affect our Conference decimal, the percent of increase for the North Texas Conference in 1986 is 7.8%.

2. Jurisdictional Conference
In 1984 the South Central Jurisdiction added Volunteers in Mission as an additional apportionment to all of the annual conferences of the Jurisdiction. Our Conference share is $4,084 each year of the quadrennium. This new apportionmment was coupled with Jurisdictional Administration and named Jurisdictional Funds.

3. Annual Conference
   a. Conference Claimaints
   The apportionment for 1986 is recommended with the expectation that unexpended balances in Unfunded Liability, Comprehensive Protection, and Operating Expenses would be carried forward for these budgets in 1987 and that the Board of Pensions will continue to share with the Council on Finance and Administration their plans for a capital funds drive for the Unfunded Liability Reserve.
   b. District Superintendents
   The recommended increase for district superintendents in 1986 is 5% in keeping with the cost of living increase.
   c. Equitable Salaries
   Although a 5% increase is recommended for the 1986 minimum salary, the 1986 apportionment is decreased by $50,000 resulting from the decrease in persons receiving Equitable Salary funds.
   d. Conference Insurance
   The 21.3% increase is recommended in view of the sharp increases in claims during the past year. The Council expects to continue to work closely with the Commission on Insurance in their search for cost containment possibilities in addition to the Council's providing mutually agreed upon administrative services to reduce costs.
   e. Conference and Area Staff
   A 5% increase in staff remuneration is recommended; but no increase in the apportionment will be necessary because of balances projected.
   f. Conference Program
   The Budget Worksheet for the Conference Program Apportionment is $15,000 higher than the recommended apportionment because the projected balance is expected to provide for the additional $15,000.
   g. Camping and Retreat
   No increase has been requested in 1986.
   h. Texas Methodist Colleges
   A small decrease is recommended to accommodate the necessary increase for Campus Ministries.
   i. Campus Ministries
   The 1985 apportionment was not increased although a 9% increase was approved for 1985 Campus Ministries budget because of projected balances. The 9% apportionment increase this year is a catch up.

j. Church Development
The 7.4% increase is recommended to support future church growth and development. In agreement with the Board of Church Development dialogue will continue regarding guidelines for expenditure of balances and current receipts from apportionments and other sources of funds.

k. Community Ministries
A 5% increase is recommended.

4. District Sections
Each of the seven district sections is authorized to set the amount as needed for each District Fund apportionment.

SECTION VI. GUIDELINES FOR COMPUTATION OF 1986 APPORTIONMENTS FOR LOCAL CHURCHES

A. Formula for Two-part Decimal:

1/3 membership and 2/3 financial

B. Procedure for Computation of Decimal for Each Church:

The membership part is computed by dividing the total 1984 church membership of the Annual Conference (less the discontinued churches = 151,058) into the 1984 membership of each church. This becomes the church's membership decimal.

The financial part is computed by adding the amounts of the operating expenses reported by each church in columns 35, 36a, 38b, 39b, 40a and b, 41a and b of the 1984 Statistician's Report. This total is then divided by the Conference total of these same columns (less the discontinued churches = $23,648,551). This becomes the local church's financial decimal. (Funds reported on building and indeptedness in columns 33 and 34 are not included in the computation of the decimal.)

The finance decimal is doubled. The membership decimal is added to the doubled finance decimal. This total is divided by three to become the apportionment decimal.

C. Procedure for Computation of Apportionments for Each Church:

The apportionment decimal for each church is multiplied by the Conference total of each apportionment to determine the amount that church is asked to pay toward the apportionment.

D. Margin for Correction:

To assure that 100% of the amount of each apportionment will be distributed to the churches, no more than one quarter of one percent may be added to each apportionment when needed.

SECTION VII. INVESTMENT PROCEDURES AND POLICIES

In accord with paragraph 709.5 of the 1984 DISCIPLINE the following statement is presented:

All funds received from all sources for all purposes are deposited immediatedly in the Council's interest-bearing checking account and become a part of the Conference Investment Portfolio. Records of transactions within the multiple but discreet funds and accounts are maintained daily in the Remittance and Agencies Budgets Computer Systems and their satellites.

Only a minimum daily working balance is maintained in the interest-bearing checking account. Transfers are made as needed to money market checking accounts in several financial institutions to accommodate a monthly cash flow of several hundred thousand dollars. Jumbo certificates of deposit are maintained in area banks, savings and loans, and the Texas Methodist Foundation. Purchases of jumbo certificates of deposit are limited to one in each savings and loan institution.

LA 29 — REPUBLIC OF SOUTH AFRICA

WHEREAS: The CONSTITUTION of the Republic of South Africa (known hereafter as R.S.A.) claims that nation to be a Christian nation governed by biblical principles, supported by the Dutch Reformed Church;

WHEREAS: The "Christian" nation of R.S.A. is ruled by an economic, political and cultural system known as APARTHEID, a system based on the social superiority of the white race, rooted in a pervision of religion.

WHEREAS: The land of the R.S.A. is divided: 87% to the white race to be used as they choose - and 13% to the black population; the gold and diamond mines and other great mineral wealth is to be found in the white section; the 13%, known as "the homelands" for the blacks, is not economically viable; poor farming has ruined much of the land, cholera is in epidemic proportions increased by the forced movement of black populations without adequate infrastructure. The white population has all the power, the best paying jobs; they live well, protected by massive military arms and a tight police force.

WHEREAS: The complexity of the racial problems in the R.S.A. is intensified by the population imbalance, with 22 million blacks increasing at the rate of over 600,000 a year; the white population of 4 1/2 million increasing at approximately 75,000 a year. (Indians, 1 million; colored 2 1/2 million)

WHEREAS: For decades the black freedom movement has sought to effect change at first through peaceful means. Its leaders were banned or imprisoned. Increasingly, through the years, the black freedom movement has met with tightening repression of dissent and police action against defenseless crowds.

WHEREAS: The R.S.A. is a nation of great wealth, much of it still in the gold and diamond mines and other valuable minerals. This wealth continues to invite large investments on the part of American and other foreign businesses whose profitable operations are secured by the security forces of the R.S.A. government. The profitable presence of these corporations will continue, either as a part of the problem or, for moral or selfish principles, become a part of a civilized solution.

WHEREAS: There are agonizing tensions among Christians: within white Christian churches over the issue of white security Vs black liberation; between the World Federation of Reformed Churches and the Dutch Reformed Churh of the R.S.A.; between the Dutch Reformed Church of S.A. and other historic churches, the Methodist, the Roman Catholic, the Anglican, the Lutheran. And the greatest tragedy of all is that so many devout and faithful Christians in South Africa disagree. In a message, dated May 7, 1985, The Methodist Conference of South Africa sent this message to its Methodist people:

> "We are living in a time of tragically fulfilled prophesy. Ever since the introduction of APARTHEID, the Methodist Church has pleaded for its abandonment, warning that this policy would bring South Africa to disaster. Our pleas and warnings went unheeded, and we must now minister in the chaos and suffering which has resulted. The fact that our stand has been vindicated brings no joy - only a deep sadness at the blindness which has brought a nation to the brink of civil war."

THEREFORE BE IT RESOLVED:

1. THAT, while we as a Christian body deplore every instance of oppression or exploitation anywhere, we are obliged in a special way to speak out against those who in the name of Christ and with biblical justification deny ordinary human rights to fellow human beings. Further, we declare that to ally the government and the church in preventing citizens from realizing their legitimate rights is to seriously misuse both political and religious

institutions.

2. THAT, while we deplore APARTHEID as a brutal and demonic system, we acknowledge that the most effective strategy for us to follow is not so clear.
3. THAT, we urge Congregations in the North Texas Annual Conference to become informed about proposed LEGISLATION before the 99th CONGRESS (HRs 997, 1460, 1133, 1135 and S 635) choosing those that are appropriate in the judgment and conviction of the local congregation. Such actions may well include bringing economic pressure on corporations to be a part of the solution.
4. THAT, our prayers and support go to those Christian persons and groups in the R.S.A. who are striving against frightening odds, to support non-violent change and to relieve human suffering.
5. THAT, we speak only after confessing that we as American citizens, stand under the judgment of God for the less than Christian witness we have made for justice and basic human rights in our own history.

I MOVE THE ADOPTION OF THIS RESOLUTION.

LA 30 — CONCERN FOR CENTRAL AMERICAN REFUGEES

RATIONALE: Because refugees from Central America are fleeing to the United States in order to escape religious persecution, torture and murder in their own countries;

because thousands more who are unable to flee, must struggle to survive in the many refugee camps sponsored by the Church in Central American countries;

because the United States does not accord refugee or asylum status to these people and because survival has become tentative for these people in their homelands;

because the scriptures command that, "the stranger who sojourns with you shall be to you as the native among you and you shall love him as yourself,...(Lev.19:34)and Christ declared that love for the least is love for him(Mt.25:31ff);

because the 1984 General Conference of the United Methodist Church passed a strong resolution, entitled "Concern for Human Rights in Central America" (The Book of Resolutions 1984, pp. 313-18) wherein the United Methodist Church stands in solidarity with Central American refugees;

And because our Social Principles affirms that, war does not lead to peace (The Book of Discipline 1984, ## 75-C)

RESOLUTION: We the members of the 1985 session of the North Texas Conference of the United Methodist Church meeting in Dallas, Texas on May 29, 1985 resolve to:

1. Encourage and support local churches of our conference in their efforts to assist the victims and refugees of Central America as they are led by their faith.

2. Call upon the government of the United States to: grant "extended voluntary departure status" for persons fleeing war in Central America; participate only in non-military solutions to conflict in that region; and follow the United Nations' definition of refugees (persons who cannot return to their countries of origin because of persecution or fear of persecution, for reasons of race, religion, nationality, membership in a particular social group or political opinion).

3. Pray without ceasing that peace and justice will prevail in Central America.

4. Send copies of this resolution to the President of the United States, the United States Senators from Texas, all members of the U.S.Congress who are representatives from the geographical area of the North Texas Conference, and to each local church in the North Texas Conference.

LA 31 — JUDICIAL COUNCIL DECISION REQUEST

ACTION: That the North Texas Conference officially request a decision of the Judicial Council on the meaning of the term, "lay membership" in Paragraph 35 of the constitution (page 30, 1984 Book of Discipline) and whether those lay members elected to Annual Conference by office or as Diaconals (if the constitutional amendment on diaconals is approved) can be excluded from the count of lay members prior to equalization of clergy and laity.

RATIONALE: The Standing Rule 8 of the North Texas Conference needs to be brought into compliance with the Book of Discipline. This judicial decision is necessary to enable this action. If the North Texas Conference has 135 fewer lay members elected by local churches than clergy members, are our 62 lay officers and diaconals included or excluded from the 135 in the equalization process? The answer to this question significantly effects the number of laity to be elected as equalization members.

DESIRED IMPLEMENTATION:
The Annual Conference will petition the Judicial Council for a formal decision.

FROM: Board of Laity

LA 32 — REVIEW AND STUDY OF DOCTRINE AND DOCTRINAL STATEMENTS

ACTION: Beginning in 1986 and for each year of the remainder of the present quadrennium, the North Texas Annual Conference Agenda Committee will establish up to a three hour format, prior to the consideration of proposed legislation, for the review and study of UMC Doctrine and Doctrinal Statements under the leadership of our Bishop.

RATIONALE: The basic doctrine and doctrinal statements in the Methodist tradition were formulated, reviewed and studied at each of the original Annual Conferences under the leadership ofJohn Wesley. During the remainder of the present quadrennium, while the General Conference's mandate for a new statement of current basic United Methodist theology is being accomplished, it is appropriate that our Annual Conference rediscover and reflect upon our Wesleyan theological tradition in the context of our contemporary situation. A renewed emphasis on and affirmation of our doctrine and doctrinal statments and guidelines for doing theology (Scripture, tradition, reason and experience) will empower our Annual Conference with a new sense of identity and an ability to make legislative decisions more in keeping with our theological tradition.

LA 33 — EQUITABLE SALARIES REPORT

1. The Commission on Equitable Salaries requests for minimum equitable salary support, pension, years of service and administrative expenses, the amount of $110,000 for 1986.

Rationale: Due to the hard work of the local churches of the conference, the bishop, the Cabinet and the Commission on Equitable Salaries, a reduction of $50,000 for 1986 has been achieved. This reduction does not require the removal from eligibility of any church currently receiving assistance. This reduction also anticipates a 5% increase in the minimum salary levels.

2. The Commission on Equitable Salaries moves that $18,545 be set for the minimum equitable salary for 1986 (see detailed schedule).

Rationale: The commission feels that a 5% raise in the minimum salary level is in line with recent inflationary levels and at the same time is not so big an increase that charges cannot make progress toward self-sufficiency in salary support. It is also consistent with the salary increase recommended by CFA for district superintendents and conference staff.

3. The Commission on Equitable Salaries moves that the following policies be adopted for the distribution of equitable salary assistance for 1986: (significant changes from 1985 are underlined)

A. A local church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches whose pastors receive salary subsidy should be open to linkage with other churches in order to provide full-time ministerial conference members with a work load goal of a minimum of 250 members, the number believed by the commmission to be necessary to support a pastor. Smaller churches should be encouraged to accept couplings with each other or with larger churches to reduce the need for subsidy.

B. Equitable salary levels can best be met when appointments are open to all ministerial members without regard to race and sex. We continue to urge every conference memeber to make the subject of a fully open conference and adequately supported ministry at the local church level a matter of daily personal prayer. Only as the love of Christ dwells in us can an Annual Conference be a fellowship of caring persons.

C. Growth in stewardship should be achieved by all below minimum renumeration churches. In making application for salary supplement, district superintendents are to provide evidence of stewardship education and growth on forms provided by the Commission on Equitable Salaries.

D. Tenure payments are designed to honor the years of service of pastors who continue for more than five years in ministry to below-minimum salary charges because of the needs of the conference. The bishop and the Cabinet are urged to make every effort to move pastors to above minimum charges within five years after they begin full-time service.

E. All applications for salary subsidy to the Commission on Equitable Salaries are to be made by the district superintendent on forms provided by the commission , and completed applications must be approved by the commission in session or by no less than two of the three members of the executive committee of the commission.

F. All charges unable to pay the minimum set by the Conference shall make formal request for salary supplement at a Charge Conference at which the district superintendent shall call attention to the fact that the Conference expects each charge to aim toward the goals of full self-support at the earliest time possible. This action shall be certified on a form provided by the Commission on Equitable Salaries and shall be submitted by the district superintendent with the application for salary assistance.

G. The Commission on Equitable Salaries shall notify annually the Administrative Board chairperson, the Council on Ministries chairperson, the treasurer, and the Pastor-Parish Committee chairperson of each local charge of the goal of the conference for every full-time pastor to have a work load of 250 members in order to get all pastors' salaries to the minimum level. The amount of subsidy granted to a pastor shall be acknowledged annually at the Charge Conference. Kay local church leaders will also be informed of commission policies and recommendations by lthe printed report of the commission.

H. EQUITABLE SALARY ASSISTANCE IS NOT AVAILABLE TO PASTORS SERVING AS ASSOCIATE PASTORS OR IN STAFF POSITIONS OTHER THAN PASTOR IN CHARGE. IN ORDER THAT SUCH PERSONS RECEIVE AN EQUITABLE WAGE, HOWEVER, THE COMMISSION RECOMMENDS THAT LOCAL CHURCHES USE CONFERENCE MINIMUM SALARY STANDARDS AS MINIMUM GUIDELINES IN SETTING ASSOCIATE AND STAFF SALARIES.

Rationale for H: This also has been commission policy for several years, and we are putting it into writing for 1986.

I. The Commission on Equitable Salaries will not consider requests for salary supplement where housing allowances exceed $7,200.

J. Pastors who decline an appointment which would reduce or eliminate the need for equitable salary support are ineligible for equitable salary supplement given for years of service.

K. SUBSIDY FOR YEARS OF SERVICE SHALL NOT BE GRANTED FOR THOSE SERVICE YEARS ACCUMULATED OUTSIDE THE BOUNDS OF THE NORTH TEXAS CONFERENCE (EXCEPT IN A LOCAL CHURCH), OR IN AN AGENCY NOT DIRECTLY A PART OF THE NORTH TEXAS ANNUAL CONFERENCE.

Rationale for K: Since years of service payments administered by the commission are designed to recognize years of service in the local church and conference, the commission does not feel the Conference is obligated to supplement salaries of persons who have served in institution or agencies beyond the Conference.

L. EQUITABLE SALARY ASSISTANCE IS NOT AVAILABLE FOR A NORTH TEXAS CONFERENCE MEMBER APPOINTED TO SERVE IN ANOTHER ANNUAL CONFERENCE. NOR IS IT AVAILABLE TO MEMBERS OF OTHER ANNUAL CONFERENCES SERVING UNDER APOINTMENT IN THE NORTH TEXAS CONFERENCE, UNDER ## 425 OF THE 1984 DISCIPLINE.

Rationale for L: When a person accepts an appointment under paragraph 425 of the 1984 DISCIPLINE, we believe that he/she has no claim against equitable salary levels of the North Texas Annual Conference.

M. There shall be no lump sum payments to persons receiving equitable salary assistance unless such sums are too small for monthly payments to be made.

N. IT SHALL BE THE RESPONSIBILITY OF THE PASTOR RECEIVING EQUITABLE SALARY SUBSIDY TO INFORM THE COMMISSION OF ANY INCREASE IN RENUMERATION WHICH OCCURS AFTER AN APPLICATION FOR EQUITABLE SALARY SUBSIDY HAS BEEN APPROVED, OR ANY CHANGES IN ELIGIBILITY.

Rationale for N: Occasionally changes in income or eligibility for equitable salary assistance occur after an application for assistance has been approved. This needs to be reported to the commission.

SALARY COMPENSATION FOR 1986 (Detailed Schedule)

A. The Commission on Equitable Salaries has considered various ways of computing minimum equitable salaries. The conclusion was that we are better off by remaining with the percentage increase based on inflation. The 5% raise proposed for 1986 is based on the rate of inflation of the latest year of record, 1984.

B. Minimum Equitable Salary Growth

1984	+7%	1985	+5%	1986
16,507	1,155	17,662	883	18,545

5. When students do not serve the charge full-time during the summer, there shall be a $1,000 reduction in the minimum amount, making the scale as follows:

Resident full-time on charge	$11,054
Lives off charge 2 nights or less	8,273
Lives off charge 3 nights or more	6,418

6. North Texas students serving student appointments receive the annual $20 one-way mileage allowance subject to following criteria:

a. Student shall be licensed or ordained and under appointment.

b. Student shall be enrolled in an accredited college or seminary.

c. When taking less than nine hours, $20 mileage rate will be reduced proportionate to number of hours taken (6 hours--$14, 3 hours--$7).

d. No mileage allowance will be provided during a seminary internship.

DISTRICT SUPERINTENDENTS' REPORT

Let me preface my report with two comments:

1. The District Superintendents' report is a COMPOSITE report.

   I extended an invitation to the members of the Extended Cabinet to make suggestions as to the content of the report.

   One of two things is true. Either my colleagues trusted me implicitly, or they did not want to have anything to do with it.

   Therefore, the remarks I make are generally out of my own perceptions based on my interaction with the Cabinet and the Annual Conference.

   In short, I do not hold my colleagues responsible for what I am about to say.

2. I do not wish to rehearse statistics with you, I will leave that to the Conference Statistician.

I. ADMINISTRATIVE LEADERSHIP

Acts 20:28 "Take heed to yourselves and to all the flock, in which the Holy Spirit has made you guardians, to feel the church of the Lord which he obtained with his own blood."

The DISCIPLINE defines the role of the District Superintendent as representing the extension of the superintending function of the bishop's office. The extended cabinet represents a broader understanding of function as it relates to the coordination, implementation and administration of conference program.

The bishop initiates many of his ideas, not only through the district superintendents, but also through the conference directors. The bishop is dependent upon the extended cabinet to carry many of these ideas to fruition. The task of the extended cabinet is to bring the kind and quality of administrative leadership that best expresses the quality and character of the bishop's office. That is a sober responsibility.

In Paul's list of gifts, the gift of administration falls below the other gifts. It may well be the last of the gifts. Yet, all of the gifts for ministry are needed if the mission of the church is to be acomplished, even the gift of administration.

The cabinet is not a program body. The programming function belongs to various agencies of the annual conference. However, the cabinet does have an administrative coordinating function. This is not a role that the cabinet assumes arbitrarily, it is a role give by the nature of our connection. This is the way the bishop's office is designed to function. The extended cabinet brings together superintending and administrative functions, under the leadership of the bishop, who defines and interprets the perimeters of our appointments.

The Bishop has designed and initiated a process, introduced to the Annual Conference on Monday afternoon, with his presentation of the "Directions" brochure or "visioning" document. In a deliberate process the Bishop has listened to countless numbers of clergy and lay persons within district settings, he has observed and studied the needs of the churches in our Annual Conference, in a variety of ways. The "Directions" brochure is a response to the listening, observing and studying of the needs of our conference. The brochure is an attempt to reflect back to the members of the annual conference and to local churches what the bishop and the cabinet perceive the priority needs are, based on the input received.

The process encompasses the personnel needs, the needs of the local churches to be revitalized, and to be in mission, and to initiate a visioning process that encourages us to "image" or "vision" how we may achieve these priority needs.

The Bishop has made it clear to the Cabinet that we are to administer, to coordinate this process. The Cabinet has the administrative responsibility to guide, instruct, encourage, and to monitor this process until action goals are adopted and completed. The Cabinet is committed to provide the leadership within the perspective outlined by our Bishop.

II. VISIONING PROCESS

I have said that the process that has been initiated links vision with concerns or needs.

IMAGING is a powerful concept. The term is derived from IMAGINATION. There is a deep tendency in human nature to ultimately become precisely like that which we IMAGINE ourselves as being.

Imaging is kind of a laser beam of the imagination, a shaft of mental energy in which a desired goal or outcome is pictured so vividly by the conscious mind, that the unconscious mind accepts it and is activated by it. The changes are that we will not be able to achieve anything until we have first IMAGED it. IF we can image something, IF we can keep it within our focus, and IF we pray over it deliberately, somehow divine energy begins to move us toward the desired goal.

I have heard it said, "that the annual conference does not appear to be going anywhere", or "there seems to be a lack of direction". For several months the cabinet, under the leadersip of the bishop, has been working on a process that will establish a direction. The direction at this point is to initiate a visioning process that begins with the needs and enables us to dream, or as one writer has put it, "to invent our future".

The "Directions" brochure outlines the needs of the annual conference in essentially three categories; Congregational Development, Leadership Development and Missional Outreach. The leadership of the annual conference is asked to dream great dreams about how to accomplish these goals.

The thrust of the annual conference, as I perceive it, is an attempt to bring local churches on board with their own visioning process that will enable them "to invent their own future" and at the same time enable the annual conference toward the fulfillment of its highest expectations.

Success or failure seem to follow the flow of whatever we believe will happen. There is a Brazilian proverb quoted in the"Directions" brochure that says, "When we dream alone it is only a dream. But when we dream together it is the beginning of reality." And from the Gospel of Mark we read, "...whatever you ask in prayer, BELIEVE that you will receive it, and YOU WILL."

III. VISIONS OF PARTNERSHIP

Our age calls for PARTNERSHIP. Partnership takes many forms; between clergy and laity; between male and female; individuals coming together within local churches; between different racial and cultural groups coming together within the annual conference - - - in PARTNERSHIP representing our unity in Christ.

Dr. Ritchey Hogg reminded us during ministers' week that one of the greatest transitions taking place within Christianity today is the massive, steady shift to Third World countries. He reminded us that in 1900, 83% of the world's Christians lived in the Western world. In 1985, 52% of the world's Christians live in Third World countries. By the year 2000, 60% of the world's Christians will reside in Third World countries. If God is the God of history, we must see this transition as the work of God.

The North Texas Conference has a rapidly growing ethnic presence. A massive transition is taking place within our conferece boundaries as many of these Third World people are moving into our area. There are significant and growing numbers of Asian persons living in the metroplex. There are a notable number of persons from the African Nations. There are refugees from Central and South America. Link these with the established black and hispanic presence, one discovers a surprising number of ethnic persons from a multitude of nations and cultures from both the Western world and Third World countries. The character of our annual conference is changing more rapidly than most of us realize. More than ever we need to realize and affirm the kinship of humanity around the world, because in our own annual conference we relate specifically to many persons whose origins are in these countries.

We are called to live triumphantly in a pluralistic, ethnically diverse world. We need to celebrate the uniqueness of each culture and to claim the gifts that each culture brings into our annual conference.

Old patterns will not fit new models. We must vision new models for ministry where PARTNERSHIP becomes central. We are indeed PARTNERS IN DISCIPLESHIP, a definition broader than sex, race, class, or national origin. We must develop a totally inclusive approach to ministry, in a way that our annual conference might become a model for the world community.

Connectionalism is our denominations unique way of talking about partnership. From appointment making to world mission, we function as partners in ministry. "Partners in Discipleship" is part of our theme. To me this means marshalling all of the resources of the connection in order to bring individuals to Christ, and to enable them to mature as disciples of the Lord Jesus Christ. It is with great intentionality that we "image" PARTNERSHIP as a goal of the annual conference.

IV. VISIONS OF CHURCH GROWTH

In 1984 General Conference passed what I call the Wrigley Chewing Gum Principle to church growth, that is "doubling our pleasure by 1992" as we seek to double our membership within the United Methodist Church. Is this vision realistic? Perhaps not. Yet it presupposes a growth mindset, which we in North Texas have not. In order to respond to the General Church's challenge, perhaps we need to re-image what we will become and what it will take for us to get there. I am convinced that we will not grow until we image growth.

For the past 20 years, either by design or default, we have placed more emphasis upon social action ministry than we have on membership recruitment. I am not saying that social action ministry is unimportant. We will always need to link the Gospel message with the various needs of persons and groups and find creative and effective ways to address certain issues and meet specific needs.

If our perception of ministry is limited to social action, that is fine as long as we have a congregational base to provide and support such ministries. If we persist with diminishing numbers, do we not, at the same time, have diminishing ministries? Now, I am not arguing for membership recruitment or social action ministry, I am advocating that we must have both, to a greater degree than we have evidenced.

When I began my ministry we lived in a "churched culture". It was the "in" thing to belong to the church. Membership growth was relatively simple and easy. Today we live in an "unchurched culture". We can no longer be smug about our strength - - we must become intentional about church growth. When I talk about church growth, I mean it from the broadest possible perspective. Growth from a spiritual development perspective, growth in ministry development, and growth in a larger base of operations. Growth from recruitment to ultimate discipleship must be our focus.

Bishop Woodie White, in an address to the Central Illinois Conference on September 22, 1984 had these remarks which stimulated my throught processes: Bishop White said, "our emphasis has been upon saving the church. We have emphasized membership loss - not lost souls. We have emphasized attendance declines. We have emphasized institutional standards. Our focus has been inward, on what has been happening to us IN the church, rather than directing our energies outward in a missional perspective." He said the questions we have been asking are, "How can we save the church, rather than what can we do to save humanity?" He said, "that we are asking institutional questions rather than theological questions. We use an institutional approach rather than a missional approach. The real tragedy of our failure to be efective witnesses for Christ is not that we have fewer members, but that Christ has fewer disciples."

I think it is time in our annual conference that we begin to IMAGE, DREAM, VISION, and PLAN for church growth and development.

The Texas - New Mexico Committee on Evangelism issued a statement: "Church growth will come about as the result of appropriate ministry and revitalization, but will not occur simply because of a desire for more members." A VISION of church growth alone will not do it. But a vision which includes a plan with committed individuals and churches will do it.

When other churches around us are growing at mushrooming proportions, we applaud ourselves if we have a net gain of one memberor more. As we vision growth, what does it look like? How does it happen? That is for every local church to decide for itself, and that is for the appropriate annual conference agencies to decide for themselvs how they are going to strategize for it and seek to implement a plan.

V. APPOINTMENT MAKING

One of the most time consuming tasks of the cabinet is that of appointment making. Paragraph 529 of the 1984 DISCIPLINE includes this statement:

> "Appointments are to be made with consideration of the gifts and graces of those appointed, to the needs, characteristics and opportunities of congregations and institutions, and with faithfulness to our commitment to an open itineracy."

Is this a hoped for ideal never to be achieved, or can we vision a time in which it can become a reality with mutual cooperation and commitment to the connectional system?

The clergy often talk about themselves in terms like "occupation", "profession", or "career". We vision a time that we will talk about CALLING. Not calling misunderstood. Congregations do not CALL their pastor and senior pastors do not CALL their associates. God calls us into ministry and the bishop and cabinet send or appoint.

The cabinet has the responsibility to study the needs of a congregation, to consult with the appropriate committee, to study the unique gifts of each clergy, and then to match them as closely as possible.

We vision a time in which the clergy is more interested in itineration than escalation, and a time in which congregations are more interested in service than sexuality.

We vision a time in which we can weed out all of the extraneous factors that prohibit us from truly matching the gifts and graces of the clergy with the needs of the congregation.

We vision the time when we can put the principle and commitment to open itineracy into practice. Morton Kelsey reminds us that what we practice is more nearly what we believe. The cabinet has made a commitment to open itineracy. We call upon the pastors and especially the local churches to work diligently toward the acceptance and adoption of this principle.

VI. REDISTRICTING

In 1980 a committee was appointed to study the number of districts. The committee also studied district alignment in the event the districts were reduced from seven to six. The proposal to reduce the number of districts was defeated at the 1981 Annual Conference. Since 1981 the annual conference has, in some way, discussed the need to redraw district lines.

It has been eleven years since the last redistricting. During this time one district has declined 23%, while another district has increased 30%, with varying fluctuations within the remaining five districts. Since there is no perfect way to draw district lines, after 18 months of intensive study the cabinet presented to the bishop an imperfect solution.

In the light of several factors, it seemed appropriate to re-district. The following factors seemed significant:

1. Population shifts
2. Maintain parish lines and include proposed parish models within given districts
3. Provide a greater balance of churches, charges, membership, finances, workload, etc.

4. Allow more districts to participate in growth opportunities

5. Re-districting designs in certain strength factors as opposed to developed strengths

CONCLUSION

Let me conclude my report with a challenge to all of the members of the annual conference to accept the visioning process that is being presented to you. Begin your own process of "IMAGING" what you perceive the annual conference and your local church can become, under the guidance of the Holy Spirit.

"A task without a vision is drudgery;
A vision without a task is a dream;
A task with a vision is victory."

May we develop our visions into concrete, specific, action plans that will enable us to be effective witnesses for the Lord Jesus Christ.

CHURCH GROWTH AND DEVELOPMENT

REPORT OF THE BOARD OF CHURCH DEVELOPMENT

The report of the Board of Church Development ought always to be a celebration of the faithful stewardship of the people whose work has been the work of the Board in this past year. It ought also, however, to be an occassion for repentance. There is so much that should have been done, and we have not been able even to imagine it all. At this writing the population of the area that we serve is growing so rapidly that it frightens most of the government officials who must provide services to these new residents. They represent a continuing parade of people who need to see the light of the Gospel shining on their lives. We repent that we have done so little.

Our repentance is the repentance of those who deeply desire to live out the one relationship to God in Christ that makes any work meaningful. We offer what we have done and even dare to celebrate what we have done, because it is evidence of our desire of that relationship.

Larger Parishes and Group Ministries have begun to flourish. The people served by them are growing in numbers, but more importantly, they are growing in Grace. We celebrate the work of our rural parishes and the encouragement that they give to so many. We celebrate the work of Dr. Marvin T. Judy, who is being honored this year in the creation of the Marvin T. Judy Award of Excellence for rural churches or parishes.

We celbrate the work of our cooperative parishes in transitional communities. Their work in East Dallas and in Oak Cliff has been noted not only among the Methodists, but also among their neighbors and among the community leaders.

We celebrate the continuing work of all the people called Methodists in North Texas in the area of Church Extension. The starting of new churches is the most expensive enterprise we are involved in, and we can accomplish what needs to be accomplished only with the help of many persons.

At this writing we have passed the 6,000 share mark underwritten by the people of the North Texas Conference.

Church Extension	2682
Church Development	1404
Town and Country	1284
Transitional Communities	635
Grand Total of	6005

Finally, we especially celebrate the work of two persons who have chaired divisions for the last four years. Paul Goodrich has chaired the Division of Town and Country, and Joyce Merz has chaired the Division of Transitional Communities. Their work has been untiring and the evidence of their devotion to Christ is abundant. We say thanks to them.

William C. Crouch
Chairperson
Board of Church Growth & Development

DIVISION OF CHURCH ASSISTANCE

This division has a very different function from the Board's other three divisions.

Church Assistance is entirely funded by apportionments and is a grant-making entity to provide local churches with financial assistance beyond the limits of their resources. Therefore, the first priority is given to emergency needs caused by fire, storm, or other unforeseen disasters. We retain at least 10% of our funds to meet these needs during the year.

Beyond the emergency needs, grants are made to assist congregations become self-supporting. Most grants are made for capital improvements and repairs by local churches. In isolated cases, grants are approved for debt retirement.

All regular applications for grants must be received by October 1, each year, and are considered usually in early December. All other applications are considered emergency grants and must be so classified by the cabinet before they are considered by the division.

During 1984, Church Assistance made 24 grants in 6 districts for a total of $45,000. So far in 1985, we have made grants to 10 churches in 7 districts for a total of $28,750.

Frank E. Yates
Chairperson
Division of Church Assistance

DIVISION OF CHURCH EXTENSION

The Division of Church Extension moves into the next quadrennium with anticipation of successes yet to come!

In October, 1984, First United Methodist Church of Coppell moved into its new facility (relocation) and is studying the feasibility of a second-phase building program to begin in late 1985 or early 1986.

Trietsch Memorial United Methodist Church, Flower Mound, has completed the framework of their facility and anticipates being into the building in August, 1985. These two communities of faith are examples of churches in rapid-growth areas experiencing the need to expand and build more classroom space.

First Korean United Methodist Church, Richardson, moved into the West Shore UMC facility when the West Shore congregation voted to disband in late 1984. The congregation of West Shore UMC wanted the church to

continue its mission in witness and turned the church over to the First Korean community which was then meeting at Preston Hollow UMC. The building, parsonage, and indebtedness was turned over to the First Korean congregation in January, 1985.

Wesley Korean United Methodist Church, Garland, is experiencing the joy of the first year in their new facility. The congregation continues to grow and prosper.

There is a new church starting in Sachse, Texas. A pastor will be appointed at the close of Annual Conference. A "gathering" building will be ready for the new church in the fall of 1985. There has already been an expressed interest in the new church at Sachse by 30 families in the area.

The Division of Church Extension celebrates the "parenting" of the new church at Sachse, Texas, by the First United Methodist Church, Garland, Texas. Other local congregations in the North Texas Conference are urged to thoughtfully and prayerfully consider their opportunities to be in mission to new established congregations.

Trinity United Methodist Church, Denton, and New Covenant United Methodist Church, Sunnyvale, leased portable buildings from the Division of Church Extension. These portables will assist both churches in providing much needed classroom space, and it is anticipated that these portables will be moved again in three years to assist other congregations.

As the geographical area of the North Texas Conference continues to grow and expand, the churches of the once rural areas are now experiencing the influence of this growth. In the next few years, the division will not only be looking at starting regional churches, and new-neighborhood churches, but also at the impact of growth in areas of existing churches.

The Division anticipates the building of a new Black church in the Pleasant Grove, Dallas, area. Demographic studies have been done and at the present time, a site selection effort is taking place. Sites are also being studied in Duncanville (Mountain Villages), in northwest Plano (Highway 544), Trophy Club (Roanoke), Highway 2181, and in the south Lewisville/Coppell area.

The work of the Division of Church Extension is challenging and rewarding, and the Division will continue to serve the growing population of the North Texas Conference.

DIVISION OF TOWN AND COUNTRY

The year, 1984-85, was a very active year for the Division of Town and Country churches. Local congregations throughout the Conference were assisted in sponsoring two training events in the Sherman-McKinney District. One was to help clergy plan for cooperative ministries. The other event was held for the laity of the District on teacher training and volunteer management.

This past Conference year, the Division also committed its energies and funds to the establishment of seven new cooperative projects involving twenty-four congregations. In addition to a new larger parish, two new forms of cooperative ministry were begun: Extended Ministry and Group Ministry. As in the past, the emphasis was on new and specific ministries within each congregation involved, and how these ministries could meet the needs of the communities the churches serve.

In the last twelve months, the division saw the total number of Town and Country shares surpass 1,200. This is a significant sign of support from the people of the North Texas Conference that will allow the work of the Division to continue at a rapid pace.

For 1986 and beyond, the Divison has already completed the preliminary work for assisting cooperative projects in four districts involving fifty-seven congregations. There is every indication that this is just the beginning of a tremendous ministry to and for the town and country churches of our conference.

Finally, this is my last report to make as chairperson of this Division. It has been my distinct privilege and honor to work with the dedicated members of this Division for the past four years, and to see the dream of significant ministry with town and country churches become a reality.

I wish to express a special word of gratitude and appreciation for the tireless and outstanding work of Dr. Marvin Judy and Rev. Phil Mercer, without whom little would have been accomplished in the last four years.

In closing, I am proud to announce the creation of an annual award to be granted to an outstanding town and country congregation/parish of our Conference. It is called The Marvin T. Judy Award of Excellence.

DIVISION OF TRANSITIONAL COMMUNITIES

Committed to strengthening the witness of the United Methodist Church in the inner city, the Division of Transitional Communities continued its encouragement and support on several fronts.

With the East Dallas Cooperative Parish (EDCP) going into its third year and Oak Cliff Group Ministries (OCGM) its second, the Division was able to devote time and funding toward development of a cluster of Black churches in South and Southwest Dallas County, provide some program assistance to Warren, provide leadership training for pastors, and produce a slide story to be used for the February Church Development Banquet and subsequent public relations as to the opportunities for witness through this Division.

The annual Church Development banquet program was expanded even further this year to five separate banquets. The one for the Dallas Central and Dallas South Districts provided an excellent opportunity to highlight the work of the Division of Transitional Communities for the hundreds of Visionaries shareholders in attendance. Dr. Zan W. Holmes, Jr. preached a challenging sermon to an enthusiastic congregation of lay and clergy.

Inner city pastors were among the first to register for the conference-wide Effective Pastor's Seminar in September. Sponsored by the Board of Church Development and led by Dr. Ken Callahan, the seminar has been widely acclaimed. The Division is pleased to have been able to assist in providing funding for this first-rate leadership training event. The Central District Superintendent followed up by meeting with each of the pastors from the District who attended to map out plans for implementing the steps outlined.

Some financial assistance has been provided for Warren UMC and the Division intends to continue to work with that congregation and newly appointed pastor in strengthening that church.

An on-going dialogue with a group of Black churches (formerly called Trinity South Cluster) and the commitment by the Division of a block of George Holcombe's time to work with those congregations has culminated in the formal organizing of the Oak Cliff Cluster (OCC). The governing board consists of the pastsor and three laypersons from each church. Comprehensive planning has already been done by one congregation, Lambuth UMC, and the planning process has begun for the Cluster.

The OCGM completed the steps necessary to bring the primary health care clinic into being. Funding over a period of eight years totaling more than 1.1 million dollars has been secured from non-church sources, a fulltime doctor and fulltime nurse have been hired, an office has been set up and the opening day scheduled for June 1. Some 75 volunteers will be needed from the churches to successfully run this much needed facility in that community. Other outreach efforts of OCGM are focusing on a Fix-It program for minor home repairs at Brooklyn UMC, a job bank headed by a former employee of the Texas Employment Commission, a child care center at Oak Cliff UMC to open in the fall, and an Hispanic ministry at Cockrell Hill UMC. At the same time there is a renewed sense of excitement in the churches exemplified by the organizing of United Methodist Men groups, new Sunday School classes and a general increase in Sunday School and worship attendance.

Each of the EDCP congregations is doing yearly comprehensive planning with some beginning to complete five year plans. Increased membership and attendance records in these churches where declining figures had been the norm for years prior to the organization of the parish are good barometers of the revitalization being experienced here. Outreach ministries of EDCP include emergency services (14,310 persons served at Munger Place UMC alone in 1984); youth ministry (Anglo, Asian, Black and Hispanic youth participating); Asian ministry (over 50 Cambodians in Sunday School at Grace UMC with baptisms taking place regularly); Hispanic ministry (language classes and worship services held at Memorial) ; the Agape Clinic (a health care clinic located at Grace serves 15-35 people each Saturday morning); the Legal Aid Clinic (also at Grace, serves an average of 35 people each Saturday morning); the Legal Aid Clinic (also at Grace, serves an average of 35 people per month); Elder Power Home Help, Inc. (a small business which places domestic helpers and nurses in the homes of older adults serves an average of 20 clients a month and employs 12 home helpers); The Eye of the Needle (a sewing center employing Asian women produces dresses, stuffed dolls, doll clothing, kitchen towels and shirts); a documentation center (assisting undocumented persons to obtain resident status); and a job bank (placing dozens of persons in jobs each month).

Projects for the quadrennium are for continued support of EDCP, OCGM, OCC, and Trinity North Cluster (specifically Warren); development of a far east Dallas cluster; and leadership development.

The opportunities to witness for Christ here in the inner city are virtually unlimited. The decision by the Conference to give specific encouragement and support to those churches already there in the midst of our changing communities was a giant step forward. Those churches are making a significant difference in the lives of people.

GUIDELINES DIVISION OF CHURCH ASSISTANCE
NORTH TEXAS CONFERENCE

The Division of Church Assistance has the responsibility to assess and aid local churches in the North Texas Conference beyond their fifth anniversary date. Grants shall be limited to repairs, remodeling, new building, in dire financial situations--debt retirement, and emergencies caused by flood, fire, wind, and other catastrophic occurrences. The purpose of each request must be for local church development. The following guidelines are set forth to assure efficiency in making available funds usable to specific churches.

1. All requests for Church Assistance must originate in the District and be processed by the District Representative. As a policy, all requests to the Conference Division must have the endorsement of the District Superintendent and the District Representative.

2. All church requests for Church Assistance should be made to the District Representative and the District Superintendent. Accompanying each request, which must be on proper forms supplied by the Office of Church Growth and Development, should be:
   a. Statement of need.
   b. Objectives and proposed budget.
   c. Copy of budget (current).
   d. Complete disclosure of all sources of income, District, Conference, and National.
   e. A resolution and financial plan shall be attached from the Administrative Board.
   f. Bids for projected work should be attached with the application.

3. All requests should be sent to the Office of Church Growth and Development, 1928 Ross Avenue, Dallas, Texas 75201. Copies will be made and forwarded to the Chairperson of the Division of Church Assistance. The chairperson will communicate each request to all members of the Division.

4. All requests of Church Assistance will be considered on an annual basis. Each request will be reviewed and evaluated annually.

5. An emergency fund is available and is requested by recommendation of the Extended Cabinet. A 10% emergency request fund will be held until December 15 of each year.

6. Each individual request will be considered on its own merit and the amount approved will be consistent with the need and funds available.

7. The District Superintendent, District Representative, and the local representative to Church Development, and the local pastor will be notified by mail concerning the action of the Division of Church Assistance.

8. Funding of specific projects end with termination of such projects. Funds may not be diverted to other projects.

GUIDELINES DIVISION OF CHURCH EXTENSION
NORTH TEXAS CONFERENCE

I. Relocations

   A. "Conditional Grants" of $15,000.00 may be made available upon request and as recommended by the District Superintendent and approved by the Division of Church Extension.

   B. The Board of Trustees of any local church receiving a "Conditional Grant" will sign a promissory note in favor of Church Extension before the funds of such grant are made available. The "Conditional Grant" is to be paid back by the local church over a period of 15 years, without interest, through participation in the SHARE PROGRAM, with all Share Funds being applied against the balance of the grant.

II. New Churches

   A. Church Extension will provide the site as an initial grant (to be deeded over to the church prior to first unit construction).

   B. The Division of Church Extension provides a $60,000 missional start-up grant payable directly to the church to help supplement its total budget during the first five years of development. The disposition of the grant shall be determined by the District Superintendent and the Division of Church Extension.

   C. The New Church Grants as above are only guidelines and may be altered at the discretion and vote of the Board of Directors of Church Extension.

D. It is specifically understood that any new United Methodist Church receiving grants from Church Extension be made aware of the need to actively support the Church Extension SHARE PROGRAM and APPORTIONMENT SYSTEM.

III. Other Grants and Loans

A. Requests for other grants and loans will be accepted and considered on an individual basis by the Board of Directors of Church Extension, keeping in mind the purpose for which the corporation was established.

IV. Applications

Applications for grants, loans, and conditional loans must be made one month in advance of a regular meeting of the Division of Church Extension. These must be in writing, giving purpose of project, total cost, amount requested and rationale. All applications should be submitted to the Director of Church Growth and Development, 1928 Ross Avenue, Dallas, Texas 75201.

V. General

A. The policies set forth in these Guidelines are for the general guidance of the officers and committees of the Division of Church Extension and may, if deemed advisable, be changed to meet special situations and needs without amending the by-laws of the Division of Church Extension.

B. No action of the Board of Directors will be considered as establishing a precedent with regard to future assistance to churches. Each request will be considered on its own merits and acted on in the best judgment of the Board of Directors. In each case, the Board of Directors will determine the amount of assistance and decide whether the assistance will be in the form of an outright grant or a loan to be repaid.

C. It is the intention that all Church Extension VISIONARIES Share monies will be expended toward the purchase of new church sites.

GUIDELINES DIVISION OF TOWN AND COUNTRY
NORTH TEXAS CONFERENCE

The Division of Town and Country Churches has the responsibility for the development, support, and nurture of congregations in the non-urban areas (50,000 population or less) of our Conference.

The Division receives its funding through its share of the Church Development apportionment of our Annual Conference. The Division will consider requests for funds from local congregations of our Conference for the support of ongoing ministries or the establishment of new ministries.

The following guidelines are to assist local congregations in making requests for funds.

1. Application forms for financial assistance can be secured through contacting the District Superintendent, District Representative of the Division of Town and Country, the Chairperson of the Division, or the Director of Church Development.

2. The completed application form must be sent to both the District Representative and the District Superintendent for their endorsement.

3. Applications for funding will be considered on an annual basis, and all requests for the ensuing year must be received by October 1 for inclusion in the Division's budget.

4. Applications will be considered and prioritized in relation to available funds, and after consultation with the pastor of the local church and the District Superintendent.

5. Approved Town and Country funds will not be released to a local church until a documented statement of immediate need is received for those funds in the office of the Director of Church Growth and Development, 1928 Ross Avenue, Dallas, Texas 75201.

6. Town and Country funds may not be used for any purpose other than the specific project for which they were allocated.

7. The Division determined that all of the Town and Country VISIONARIES Share money will be used for cooperative ministry projects.

GUIDELINES DIVISION OF TRANSITIONAL COMMUNITIES
NORTH TEXAS CONFERENCE

The Division of Transitional Communities expects to be involved in researching, strategizing, and encouraging ministries in areas of transition in the North Texas Conference. In some instances, financial undergirding will also be possible under the following guidelines:

1. Requests should come only from church(es) located in communities either currently experiencing or having been through transition (1980 DISCIPLINE, Paragraph 207, 1980 North Texas Conference Journal, Page 255).

2. Specific, written, plans for ministry must be submitted and should include:
   --goals
   --geographical area
   --time period
   --steps for implementation
   --budget
   Particular emphasis on ethnic inclusiveness is essential.

3. Approval of the request by responsible laypersons in the congregation and by the District Superintendent and the District Representative is required.

4. Requests for financial support will be prioritized and such support made available as funds permit.

5. Renewal of funds beyond the initially approved time period will be considered, but not automatically ensured.

6. The Director of Church Growth and Development will provide staff assistance for facilitating the process and will document all expenditure of funds.

7. The application and administration of these guidelines will be by the Division of Transitional Communities working under the guidance and direction of the Director of Church Growth and Development.

8. Transitional Communities VISIONARIES share money will be used to develop and implement pilot projects to revitalize United Methodist presence and ministries in inner city areas.

NORTH TEXAS CONFERENCE BOARD OF TRUSTEES REPORT, 1984 - 1985

The Board of Trustees has continued to monitor and oversee mergers, property sales, and acquisitions. At this time, the Trustees wish to express their appreciation to Rev. John Rentfro, District Superintendent of Sherman-McKinney District, for his direction in the consolidation (merger) of the White Shed and Clark Memorial United Methodist Churches. The name of the new church will be The White Shed - Clark Memorial United Methodist Church, Bonham, Texas.

The Trustees would also like to affirm and celebrate the newly chartered Dallas Korean United Methodist Church which continues to use the Clearview property held by the Conference Board of Trustees.

The financial report for April 30, 1985, shows a balance in the general account of $31,173.22. This comes from the reserve balance, payment for Westerfeld Church, and year-end distribution. The Hughey Estate of obligated funds is $80,281.44. Disbursement from the Trinity Church funds has been made to First Korean United Methodist Church, Richardson, for $10,000. The balance of the Trinity Church fund, consisting of $16,027.11 in interest, has been transfered to the Division of Transitional Communities, as previously directed by action of Annual Conference, to promote inner-city ministries. The St. Matthew account of obligated funds is $73,694.76. The total of all combined funds held in trust is $185,149.42

The districts' training sessions for Trustees were extremely successful. The Board of Trustees is working diligently in locating properties held by The United Methodist Church in the North Texas Conference which have been previously unaccounted.

The Process for Merger, Abandonment, Transfer and/or Sale of Church Property (located at the conclusion of this report) has proved successful, and we wish to thank the District Superintendents for their support and willingness to follow the approved process.

At this time, the Trustees wish to enlist the help of the laity and clergy of this Annual Conference. We need a copy of all the deeds to all the properties owned by the local church. This will aid in keeping the records of our local churches in a central filing system at the Office of Church Growth and Development. We appreciate your cooperation in this endeavor.

The Conference Board of Trustees recommends the abandonment of the Kanawaha UMC, Paris-Sulphur Springs District and that the land and the buildings be sold as proposed. The congregation of Kanawaha UMC agreed to disband as an active church. Kanawaha UMC, its land and building are to be sold to the Kanawaha Cemetery Association for the sum of one dollar ($1.00).

The North Texas Conference Board of Trustees recommends the abandonment of the Rosser UMC, Dallas South District. The proceeds of the sale of the lot and building go to the Trustees of Warren Chapel UMC, Terrell, Texas. (Both legislative proposals passed.)

COUNCIL ON MINISTRIES

REPORT OF AGE LEVEL MINISTRIES
DIVISION OF CHILDREN'S MINISTRY

One of the purposes of the Division of Children's Ministries is to promote the welfare of children in the North Texas Annual Conference by serving as their advocates. Furthermore, it promotes and/or brokers events which train those who work with children (parents, teachers, and other workers) from birth through sixth grade.

A series of events are planned annually by the division for teachers of children. They range from a weekend retreat/training at the Bridgeport Conference Center for teachers in weekday programs to consultations done on a one-to-one basis with persons in individual local churches. Some of these events happen in the Metroplex while others take place a hundred or more miles away in the outlying districts. The records of the division show that nearly one thousand persons participated in such events in the past year. A conservative estimate would indicate that if each teacher impacts the life of but four children, four thousand children in the North Texas Conference have benefited from the work of the division.

Believing that its leadership needs nurture, many of us will be attending Focus 85 - Children, the Word and the World, a conference on ministries to and with children in the summer of 1985. At this time 25 persons from North Texas are scheduled to attend. This will include five of the seven district coordinators, three at-large members of the division chairperson, two ethnic minority members, and others active in their local churches in the area of children's ministries. A special follow-up event will be scheduled to highlight the conference in hopes that we can share with the conference the highlights of the event.

We continue to hear from churches with great numbers of children and from churches with but a handful of young. The division seeks to serve both and will continue to listen and to respond in this new year.

DIVISION OF YOUTH MINISTRY

The Youth Division sponsored a new program entitled Conference Forum on Youth Ministry in September of 1984. The target audience was Sunday Evening Adult Workers with youth. In addition a Lab School for Sunday School teachers was offered in November. Both of these events were outstanding, well attended, and helped fulfill the Youth Division's definition of that agency which trains and enables Adult Workers with youth.

The Division was also instrumental in establishing the Human Sexuality Committee of the Board of Age Level Ministry. The committee was conceived and in large part funded by the Division. In its early days the Division provided a large majority of the committees' leadership.

In further work we have before the Annual Conference a motion to be added to the Standing Rules that will define our function and nature. The Discipline does not know of a Youth Division so we have defined ourselves to assist future Youth Divisions as to their function and nature.

DIVISION OF ADULT MINISTRIES

The Adult Division of the Board of Age Level Ministries has had a three-pronged emphasis during the 1984-85 Conference year. The emphases include: a) church school teacher training, b) leadership development, c) providing resources for effective adult ministries.

A primary task of the Division has been the creation of an Adult Ministries Resource Book for use by local church Adult Co-ordinators, Education chairpersons, and pastors. The format for the preparation of this Resource Book is now complete. Every church in the Conference has received an information form on which to submit to the Division by June 15 annotated program descriptions for inclusion in the Resource Book. This information form has been distributed through the mid-monthly packet and the district superintendent's offices. The Resource Book itself will be a comprehensive listing of programs, activities, and ideas that have worked effectively in local churches across the Conference. Through the Adult Ministries Resource Book a wealth of effective programming ideas will be available for any church to try. The anticipated publication date for the book is Sept. 15, 1985.

During 1984-85 the Division of Adult Ministries has purchased several audio-visuals for placement in the Conference Resource Center. Included in these are two video tapes, "On The Aging of Parents," and four video tapes from the regional event, "Adult Learning in Texas."

The Division has provided both financial support and personnel for the "Church School Growth and Renewal Workshop" held at First Church, Richardson on Sept. 29, 1985. Financial support has also been provided for the new Human Sexuality Committee of the Board of Age Level Ministries.

Considerable effort has been put into planning for three teacher training events to be held this summer. Laboratory Training Schools for teachers of adult church school classes are scheduled for Aug. 23-25 at Nocona and at First Church, Commerce. On Aug. 25-28 another Lab School will be held at First Church, Richardson. These events will assist teachers of adult classes in the local church to increase their teaching skills and their knowledge of the content to be taught. It is also an excellent training opportunity for the novice or prospective teacher.

THE DIVISION OF OLDER ADULT MINISTRY: REALITIES NOW - VISIONS FOR THE FUTURE

The work of the Division of Older Adult Ministry this year has centered around the concerns of ministry that call for a revitalization of congregations, an empowering of the laity, and engaging the needs of local communities. In looking to the future, these concerns of ministry will also give direction to the Division's continuing work.

The Division has, and will continue to, "revitalize congregations" by sensitizing and enhancing local awareness of the Older Adult population. Older adults are a highly experienced resource which most congregations ignore. This sensitizing can be done through surveys and demographic studies, models of which are available from the Division. Films, books, and other resources have been purchased for use through the Conference Resource Center.

The Division will continue to "empower the laity" by advocating the need in every local church to appoint an Older Adult Coordinator. An important concept in Older Adult Ministry is to work "with" not "to" or "for" Older Adults. "Working with " Older Adults enables them to be in ministry to others and gives them a feeling of purpose and responsibility. This empowering of the laity can be done by continuing the relationship with the Greater Lakewood Shepherd Center, an ecumenical min-

istry that embraces this concept. Also, the Shepherd Center serves as a model of Older Adult Ministry to other local communities and can provide a source for leadership training.

The Division has "engaged the needs of local communities" by stressing the needs of Older Adults. Statistically, the number of people over the age of 65 in the general population is growing every year. This growth spawns needs that must be met by the Church. Community brainstorming by Older Adults can identify the specific needs of Older Adults in a local community. The engaging of the needs at the grassroots level has been and will be supported by the Division in offering training opportunities with the laity. Involvement in the human sexuality committee, the Handbook of Ideas for Programming, and scholarships to various training and enrichment opportunities shows the variety that this support can take. Because of scholarships available from the Division, some Older Adults were able to participate in the Jurisdictional events at Mt. Sequoyah. Division members were sent to training events in Older Adult Ministry. This fall, the Division will offer an Older Adult Retreat that centers around the theme "Stewardship of Life." Supporting activities such as these enhance the potential of ministry with Older Adults at the local level as people catch the vision of what Older Adult ministry is all about.

DIVISION OF SINGLE ADULT MINISTRY

The last year has been an exciting one for the Division of Single Adult Ministry. The division has made substantial strides in helping to enable ministry to single adults in a variety of settings within the bounds of the North Texas Conference.

The highlight of the year was a conference sponsored by the division March 22-24, 1985. The training event, "Creating and Nurturing a Single Adult Ministry," was attended by nearly 400 persons representing 14 of 17 annual conferences in the South Central Jurisdiction. Over 150 persons from the North Texas Conference participated. Through input sessions from Ann Alexander Smith, workshops, consultations, and informal sharing, participants honed their skills for working in singles' ministry.

The division intends to continue this type of leadership training in local churches, clusters, districts, and the Annual Conference.

DIVISION OF FAMILY MINISTRIES

Family ministries has focused on parent effectiveness during this conference year. A list of persons available for leadership has been compiled and a new video resource, "Active Parenting," has been purchased for the Conference Resource Center.

CAMPING COMMITTEE

The summer camping program ministered to over 1,350 boys and girls from the third through twelfth grades who attended thirty District and Conference Camps at the Texoma and Bridgeport campsites. These thirty camps were staffed by 285 lay and clergy volunteers who gave a week of their time to provide a week long Christian experience for the boys and girls.

The Camping Committee of the BOALM provided training for all directors at a three day event at Camp Gilmore in east Texas. In 1984 the Committee planned to add two additional camps for 1985 to take care of the demand for another Choir Camp and for a 3-4 camp for Wichita Falls.

COMMITTEE ON HUMAN SEXUALITY

The committee on Human Sexuality was created by the Board of Age Level Ministries to enable the North Texas Annual Conference to continue offering opportunities for churches to be involved in the instruction of human sexuality and the Christian life. The committee was given five tasks in order that this might happen:

(1) Define a process for the certification of leaders in the area of human sexuality and the Christian life
(2) Provide the program for the certification of leaders
(3) Approve and/or develop courses for all age levels
(4) Provide the Board of Age Level Ministries a recommendation for structure and function of the committee
(5) Assess other needs in the area of human sexuality and design programs to meet those needs.

The committee has responded to these tasks by developing and implementing a process for certification. An orientation retreat for those interested in certification was sponsored by the committee with the result of twenty-two people pursuing their certification. The committee has approved a course for younger adolescents and has begun prioritizing other courses for approval. A recommendation for the structure and function of the Committee on Human Sexuality was given to and approved by the Board of Age Level Ministries. The organization of the present committee meets with the approved structure. In addition to the committee's work on the above tasks, a request was made by the Board of Church and Society for the Committee on Human Sexuality to make a statement concerning their board work in "The Church's Role in Providing for a Responsible Media." The requested statement was made with the committee's pledge to continue its support and aid to the work of the Board of Church and Society.

The agenda for 1985-86 continues to grow and become more exciting as the committee attempts to proclaim God's gift of human sexuality.

- Encourage participation in Project SMART. (Stop Marketing Alcohol on Radio and Television.)

BISHOP'S TASK FORCE ON DRUG AND ALCOHOL CONCERNS

At the 1983 meeting of the North Texas Annual Conference a resolution was adopted that the Bishop appoint a Task Force on Drug and Alcohol Abuse to work in co-operation with the Board of Church & Society. (The resolution was initiated by Martha Boyd Watson and The Board of Church and Society.) In February of 1984, the Bishop's Task Force on Drug & Alcohol Concerns officially came into being, and the names of the members are listed below. The Task Force has met a number of times, and chairperson Gene Browder has consulted both with Bishop Russell and Martha Watson and the Board of Church and Society. This report represents the findings and recommendations of the Task Force.

The Task Force felt that the charge it had received addressed the complexity of the issues and requested something workable - not just another report. We learned, through Task Force members, of other groups - school districts and churches - who had made commendable attempts with similar goals, and yet had discouraging results.

If the following program format is to be productive, it will require the best in local church leadership, both lay and clergy. Bishop Russell has already indicated support by him and the cabinet, specifically for a special meeting on this project next fall. If this program is to succeed, it will require that the local churches in particular give it some of their "prime time."

The following list of program headings represents key dimensions or categories that the Task Force feels are fairly comprehensive and are workable. It is anticipated that each category could involve from 2 to 4 sessions, with both lectures and workshop types of structures.

DRUG/ALCOHOL ABUSE - FAMILY SYSTEMS - AND THE CHURCH

What attitudes and behaviors make for a healthy family, and what attitudes and behaviors contribute toward an unhealthy family system? Isn't there an important connection when grandfather, father, and son all have problems with alcohol? Other important issues include: communication styles characteristic of each family, trust levels, respect for self-esteem, a sense of isolation, and availability of forgiveness between family members.

A HOLISTIC ILLNESS: MEDICAL-PSYCHOLOGICAL-SOCIAL-SPIRITUAL

What are some of the important facts in each of these components of addiction, and how do they weave together?

DRUG ABUSE - A SPIRITUAL ILLNESS

Christian thinkers and addiction authorities alike speak of the importance of a spiritual center in people's lives. If a drug abuser is to recover, he/she must confront his/her own helplessness, hopelessness, self-rejection, and sense of alienation from God, others, and him/herself. Needless to say, he/she needs to feel loved and forgiven and to find hope and help beyond him/herself, e.g., all of these being spiritual concerns.

DRUG ABUSE - ETHICAL ISSUES - AND THE CHURCH

How can the Church be faithful to its role as prophet and "wounded healer"? How can we teach our society and ourselves the important distinctions between one role in which we are seen as condescending moralists and another role in which we speak the truth in love and demonstrate both by deed and word that we value all human life, affirming forces that enhance life, and opposing those that demean and destroy. How can we share our own human finitude and frailty so that we convey the message of our identification with them, our suffering with them, yet refusing to repeatedly rescue them from their own irresponsible behavior?

INTERVENTION - TREATMENT - REHABILITATION & RECONCILIATION

Is there a constructive way to interrupt the destructive addiction cycle? Let's look at the difference between exasperated nagging, blunt and unfeeling confrontation, and the expression of "tough love" in a planned "intervention." Let's learn what holistic treatment can offer, that hasn't been offered before. What is involved in convincing someone that they truly are accepted and affirmed, not because of their accomplishments or credentials, but because they are a child of God? Can we teach our society that a sick spirit and body has a real chance for recovery if we can touch the whole family and not just the identified patient? Can we convey to our world that the United Methodist Church is ready to intervene helpfully, to demonstrate the love of God incarnate by our presence, our acceptance, and our commitment to reconciliation?

The implementation of this program is scheduled to begin with the presentation of at least part of it to the Bishop and Cabinet for their own learning, and the feedback that they can give. Then it will go to district clergy meetings, for similar dialogue and feedback; and then it will go to those local churches who choose to respond to the need.

Although the presentation of this report today completes a large portion of the Task Force's assignment, we recognize that the processing and coordination of trainers and information still needs to go on. We request the support and direction of the Conference and its leaders in the implementation of the program.

REPORT OF THE BOARD OF CHURCH AND SOCIETY TO THE NORTH TEXAS ANNUAL CONFERENCE REGARDING CARRYING THE CONFERENCE'S CONCERN OVER THE SALE OR DISTRIBUTION OF EXPLICITLY PORNOGRAPHIC MATERIALS IN 7-11 STORES

Pursuant to request of the North Texas Annual Conference, the Board of Church and Society has carried the concern of this Conference to Southland Corporation regarding the sale or distribution of explicitly pornographic materials in 7-11 stores. A member of this Board made direct, personal contact with the Chairman of the Board of Southland Corporation and conveyed our concerns.

This assignment caused the Board of Church and Society to remember not only the sellers and distributors of pornography, but also persons who are members of this United Methodist Church who purchase this pornography and for whom this material meets a need.

We feel the Church must focus on the cause of pornography. Henri J.M. Nouwen has suggested:

> "The contemporary society in which we find ourselves makes us acutely aware of our loneliness. We become increasingly aware that we are living in a world where even the most intimate relationships have become part of competition and rivalry.
>
> Pornography seems one of the logical results. It is intimacy for sale. In the many "porno shops" hundreds of lonely young and old men, full of fear that anyone will recognize them, gaze silently at the pictures of nude girls, drawing their minds into intimate, closed rooms where some stranger will melt away their loneliness....
>
> Loneliness is one of the most universal sources of human suffering today...." REACHING OUT, Nouwen, Henri J.M., p. 15

THE BOOK OF RESOLUTIONS OF THE UNITED METHODIST CHURCH, 1984, in its Study Document on Human Sexuality, at page 201, states:

> "Current discussions in our churches concerning sexuality indicate much fear, misconception, ignorance, hostility, or indifference, making evident the need for the Gospel's message of forgiveness and renewal in this crucially important area of human relationships. We are not as caring for each other as the Gospel calls us to be...Too often teenagers and adults search for adequate sex education resources only to have the church respond by saying the subject is "too controversial." Too often men and women struggling with problems in their sexual relationships or with ambivalences in their sexual orientation have had their concerns met with rigidity and simple moralisms, if met at all."

In a report prepared at the request of the Board of Church and Society, the Committee on Human Sexuality for the North Texas Conference states:

"The Social Principles of the United Methodist Church make a statement similar to that of our Annual Conference,

> "We deplore all forms of commercialization and exploitation of sex with their consequent cheapening and degradation of human personality. We call for stern enforcement of laws prohibiting the sexual exploitation or use of children by adults. We call for the establishment of adequate protective services, guidance, and counseling opportunities for children thus abused."

This statement of belief and its call to action are followed by a one sentence paragraph that I believe brings to light the most important and effective avenue in confronting the problem of pornography.

> "We recognize the continuing need for full and frank sex education opportunities for children, youth and adults."

Pornography is a reality in our world. As hard as we might try to eliminate it from convenience store shelves and airwaves, this approach is an inadequate means of dealing with the problem. A few reasons why this is true:

First of all, if we were ever able to cause such pornography to vanish (which is unlikely), it would be years before we would see the fruits of our labors. With this approach we still live in a world full of pornography for a long period of time, if not an eternity. What will be our strategy for this interim time?

Secondly, even if we were able to "clean up" our reading materials, television sets, movie theaters, etc., we would still be left with the pornography that comes through our actions and our speech. This pornography can be found on every school ground, in jokes, in sexist comments, in human relationships, etc. It is the pornography that cannot be abolished by legislative actions that will be the continual concern of the Church. Pornography is a present and future reality, but it is one that can be overcome. It can be overcome by helping people to understand their faith and their sexuality. It can be overcome by implementing a full-scale program on human sexuality in our Conference...Human Sexuality Training, as it looks at us and our society in totality, must be our way of confronting the problem of pornography."

The Board of Church and Society agrees with the statement of the Committee on Human Sexuality and is committed to support the work of the Committee in every way possible.

REPORT OF THE BOARD OF DISCIPLESHIP

Jim K. Brown, Chairperson

The following cumulative reports reflect both the work of the Board of Discipleship and visions for the year 1985-86.

REPORT OF THE DIVISION OF EVANGELISM

Jim Dorff, Chairperson

The Division of Evangelism focused its work this year in two specific areas:

I. Bishop's Call to Evangelism

The Area-Wide Bishop's Call to Evangelism convocation was held at First UMC in Fort Worth on November 2-3, 1984. Laity and clergy from both Annual Conferences were challenged to respond to the task of Evangelism in their local churches. Leadership for the event included Dr. Zan Holmes, Bishop Lance Webb, Dr. John Yarrington, Mrs. Gloria Thomas, and Dr. Leroy Howe. The event was well attended and well received.

II. Ongoing concerns:

Reviewing and refining our work as a Conference Division was a continuing theme. A task force from our Division met with those seeking recommendation as Conference Approved Evangelists. Plans are in progress to present the Deman Award in Evangelism to a lay person and a clergy person at the 1986 Annual Conference session. IN ADDITION, A TASK FORCE WAS CREATED TO STUDY THE WHOLE AREA OF SPIRITUAL FORMATION AND HOW WE MIGHT BEST SERVE THIS ANNUAL CONFERENCE AS ENABLERS IN THIS AREA.

During this coming year we envision having seminars in areas of the Conference which would model examples of evangelism utilized by local churches. Providing models from growing churches in the Conference may enable other local churches to develop a model and methodology which would help them to reach out and grow.

REPORT OF THE DIVISION OF WORSHIP

Dr. John Yarrington, Chairperson

I. The main function of the division has been to plan for and carry out worship-related events during each Annual Conference. Traditionally, these includes services on Sunday, Monday, and Tuesday evenings, a service of Holy Communion, morning meditations, a Memorial Service, and a final Sending Forth Service at which time appointments are read. This planning and preparing of a printed worship booklet has occupied most of the spring of 1985. Additionally, the Division co-sponsored a preaching workshop and contributed toward expenses of the North Texas Liturgical Arts Festival held in Sherman, Texas on April 27, 1985.

II. In the future, the Division should take a more active role in sponsoring events relating to preaching, using the lectionary, and the like, and seek to provide printed materials for Conference-wide use. Listed below is a list of ten possible workshop subjects:

1) Advent Workshops (or other season) Preaching, Music
2) Musicians and Ministers Dialogue
3) Workshop for non-professionals
4) The LANGUAGE of Worship
5) The LOOK of Worship
6) The SOUND of Worship
7) Creative Hymn Singing
8) A Hymn writing contest
9) Visiting teams to interact with local church worship need
10) Printed materials for all of the above

REPORT OF THE DIVISION OF STEWARDSHIP

Dr. Carl McGee, Chairperson

Report:

The Stewardship Division has sponsored workshops on the meaning of stewardship, funding the local church and providing leadership for district training events as requested.

Advanced training was provided for conference stewardship leadership.

GOALS FOR THE STEWARDSHIP DIVISION ARE:

1. Develop competent leaders in the field of stewardshisp at the Conference level.

An absence of trained leadership has hampered the Division for several years. Two members of the Division will attend the NASL annual training event each year. These will include the chairperson and one member.

2. Develop competent leaders in the field of stewardship at the local church level.

The Division will provide trained leadership in the area of stewardship at the District level on request.

The Division will sponsor a workshop each year on local church funding.

The Division will work with the EMLC Committee and the Town and Country Commission in the area of local church funding.

3. Develop competent leadership at both the Annual Conference and Local Church level in the areas of deferred giving, wills, and estate planning.

This goal is a cooperative goal including the Stewardship Division, Association of Professional Church Administrators (North Texas Annual Conference), and C.F.& A. This will be a multi-year program.

The first event is directed at pastors and attorneys, those most likely to influence deferred giving, wills, and estate planning. This seminar is set for the fall of 1985.

REPORT OF THE DIVISION OF EDUCATION

Mrs. Irene Means, Chairperson

I. With a churchwide emphasis on SUNDAY SCHOOL GROWTH and RENEWAL, the DIvision of Education this year seeks to open greater channels of communication to every Sunday School in the North Texas Conference.

WORKING WITH AGE LEVEL MINISTRIES, the Division hopes to coordinate and provide helps in every area of the quadrennium's education theme: REACHING, CARING, SHARING with special emphasis on the second dimension of the theme: teaching.

II. The Division seeks to focus on the importance of empowering the laity, equipping teachers with training opportunities, resources and ideas that will enable them to better proclaim Christ through Word and Deed.

Christian Education Sunday is September 29 - a time to affirm and celebrate educational ministries in each local church. The Division on Education will provide helps that will encourage Sunday Schools to recognize and support those who teach and provide leadership in Christian Education.

14.7% decline in Sunday School

2.5% decline in membership

Numbers are important not in and of themselves but because they represent the people whom God loves.

BOARD OF GLOBAL MINISTRIES
ANNUAL CONFERENCE 1985

Bishop Russell, and members of the Cabinet of the North Texas Annual Conference, I wish to express my profound appreciation for the effort which you have formulated which calls this Conference to become PARTNERS IN DISCIPLESHIP. We, lay and clergy, understand that we have responsibilities in the areas of MINISTRY, WITNESS, and MISSION. However, we need to hear from you and to know that we will be given leadership to accomplish this as God's People.

The Board of Global Ministries has unique responsibilities in accomplishing the task before us. Through its divisions of National and World Outreach, Community Ministries, and Health and Welfare, this conference is enabled to respond to the numerous crises and

to meet the various needs of our communitites and of our world. Each local church is involved, through its payment of conference apportionments, in the myriad tasks of ministry, witness, and mission. Church school classes, and individuals provide Advance Special gifts for ministries in our institutions. United Methodist Women are much engaged in missions through pledges, and undesignated giving.

A new era of mission activitiy is being observed as we begin to coordinate the many local church "work camp" projects. The Volunteers In Mission (VIM) program will give each pastor and local church Mission Work Area the opportunity to be informed about potential projects and be assisted in putting together a team. The South Central Jurisdiction and the General Board of Global ministries are jointly engaged in coordinating this VIM Program. A conference VIM coordinator will be available locally to inform about possibilities for work camps and projects. The Jurisdictional office in Dallas will provide information about location of project needs and will attempt to coordinate the work teams from this Jurisdiction. The General Board of Global Ministries will assist the persons who wish to volunteer for longer periods of time in both national and international settings.

The adoption of a "Mission Life-Style" by churches of the Annual Conference is becoming apparent. LINKED MINISTRIES are being developed which promise to assist the churches in becoming engaged with each other across racial, ethnic, and geographic barriers. Volunteer work and financial assistance seem to go hand-in-hand as churches reach out to each other in ministry. We have become increasingly aware that the result of this cooperation is a two-way street. As the churches become linked in ministry we come to appreciate and learn from each other. This Missional Life-Style holds great promise for the renewal of the church today.

As new churches are formed and the older churches are revitalized, this Annual Conference has the opportunity to direct the efforts of these congregations into a vital missional thrust. It is my experience that in the moments of birth and rebirth that Christian people become most open to new directions. Let us as a conference communicate an expectation and model a performance which motivates pastor and lay membership to a deep commitment to serve God and to minister to others.

As we conclude the Year of the TRAG we are challenged to a new conference commitment. Chile, a land wracked by violent earthquakes this year, has reached out for help. In October of 1984, I visited the Chilean Church. In March, 1985, fifteen of these churches and pastors' homes were materially damaged. Several must be rebuilt and others extensively repaired. This Board proposes that the North Texas Conference enter into a conference project during the next twelve months to contribute funds to the Chilean Church, assisting them in their reconstruction efforts.

The North Texas Annual Conference has always contributed well to programs which meet the special needs of persons: the elderly, the indigent, the child in crisis, the person with handicapping conditions. Volunteers from our churches are busily engaged in giving personal attention to persons in all of our institutions. We may take justifiable satisfaction in the countless efforts generated within the local churches to provide food for emergency aid and to reach out in compassion to those who come to us in need. Still, needs continue to arise. Golden Cross gives emergency assistance to indigent persons in our Methodist Hospitals of Dallas, but an ever increasing need is apparent. Blanton Gardents - C.C. Young Home has served well to meet the needs of elderly persons in the Dallas area. Now we are called upon by other areas of the conference to create new centers to serve the elderly of the whole North Texas area.

Is there a church too small to do something to better the world in which we live? Is there a church so impoverished that it cannot reach out and lend a hand? Is there a minister so burdened with other responsibilities who cannot give leadership to a congregation to arouse it to caring compassion? Is there a congregation in this Annual Conference which has sensed the excitement of a common cause, that cannot rise once again to heights of noble service and rejoice in a new sense of purpose.

The cause of Christ is not without cost. I propose that ministers join hands with the laity in setting new goals and in taking training. Priorities must be set. The agency must be clear to everyone and a rallying call must be given by the leadership. In the name of Jesus Christ let this be our finest hour.

REPORT
METHODIST HOME
1984

Through the 94 years of our ministry, Methodist Home has responded to many changes in our society. From the days of an orphanage, we evolved into a multi-service child care agency serving the individual needs of a broad group of children. Today, a new frontier shaped by new complexities is before us.

The children in our care are seldom alone in their troubled world. When a family is broken apart, life becomes very painful for everyone involved. Even with everyone pulling together, it is difficult at best.

When you add an inability to communicate, parental or youth alcohol/drug abuse, illness, child abuse, abandonment of a spouse, or any one of many other crises, the family must have help. The greatest gift of love that can be shared with a child is to reunite the family in love.

The new frontier which challenges our very best skills is the healing of a family, broken apart through years of disappointment. Answers are never simple. Solutions are often hidden and difficult to discover.

As a member of the North Texas Conference, you play a vital role in reaching out to these children and their families. Through your remembrance in prayer and worship, through your gifts of love at Christmas and throughout the year, you offer hope for almost 400 children every day of the year. You help make a smile, wipe away the tears and teach a family the meaning of our Lord's love.

Our emphasis on the family reaches out not only to children now in our care. It also reaches out to you in your own community. Throughout this past year and in years to come we will offer the opportunity for your district to plan with us PARENTING WORKSHOP SEMINARS. In your district, trained Methodist Home child care professionals will offer classes on family life and parenting skills to members of United Methodist churches.

In addition, a new program will provide training for clergy and other professional counselors in family therapy counseling. Working as observers and participants in family therapy sessions, skills for counseling will be enhanced to the benefit of those searching for answers to family conflict.

Through every change several things must always remain the same. Methodist Home will remain true to the Christian values and principles of basic love that have touched the lives of more than 20,000 boys and girls since 1890. We pray that you will also continue the support and love which we have experienced throughout each of our 94 years of service to the United Methodist Churches of Texas and New Mexico.

Dr. Jack Kyle Daniels, administrator
Dr. James Walker, president, Methodist Home Board of Directors

HOW THE NORTH TEXAS CONFERENCE
CAN HELP THE METHODIST HOME PERFORM ITS ROLE

1. Designate the Methodist Home December Christmas Offering and accept a goal of $150,000.

2. Utilize the SUNSHINE TREE television special to share the ministry of Methodist Home. Available in the Conference AV Resource Center in 1/2 inch VHS video tape or 16mm film.

3. Direct local church and district Health and Welfare representatives to inform members of the Home's services provided for children and families, assume advocacy role with legislative issues affecting children and families and encourage individuals and churches to respond to the Home's financial needs.

4. Contact Methodist Home when individuals indicate consideration of Methodist Home in their long range giving and charitable estate planning.

5. Pastors are encouraged to contact Methodist Home directly regarding child placement needs.

1984-1985 REPORT
METHODIST HOSPITALS OF DALLAS RELIGIOUS MINISTRIES PROGRAM

Methodist Hospitals of Dallas is one of Dallas' most dynamic health care institutions. The private not-for-profit system has served Dallas since 1927 when Methodist Hospital opened as a 100-bed hospital.

Today, Methodist Hospitals of Dallas include three hospitals, Methodist Medical Center, Southeastern Methodist Hospital and Charlton Methodist Hospital with programs and services that have expanded dramatically through the system's 58-year history. Recent accomplishments and future plans have created an air of pride and anticipation at the three hospitals.

To meet patients' spiritual needs, the hospital's chaplaincy program has existed for more than 37 years under the direction of Chaplain James N. Swafford, a member of the North Texas Conference. Currently, four full-time and several part-time chaplains offer 24 hour in-house coverage to patients, families and staff.

The United Methodist Church's Golden Cross program is administered by the chaplains department and MHD. The program continually demonstrates the Methodist Church's 200 years of commitment to those who are sick and in financial need.

Golden Cross provides medical services for all ages, races and illnesses. Day after day, month after month, a steady stream of patients draw on the Golden Cross funds.

After an aggressive fundraising campaign in 1984, more than $76,843 was raised for the Golden Cross program. This represents a 35 percent increase for 1983 figures.

A total of 43 Methodist churches will recieve a certificate for achieving the desired goal of donating $1 per member to the Golden Cross fund.

Methodist Hospitals of of Dallas' Religioius Ministries program continues to grow and add new programs. In 1984, more than $19,500 was raised for the Religious Ministries program. MHD Religious Ministries programs include ministering to MHD patients and their families, guest preaching at local churches and developing timely community outreach programs on topics such as "Spiritual Aspects of Total Health", "Developing a Prayer Life", "Spiritual Growth", "The Art of Communication", "Bible Studies", Grief: A Therapeutic Process" and more.

MHD's Clinical Pastoral Education program is another dimension of Religious Ministries. The program netted more than $14,000 in 1984.

Clinical Pastoral Education students are given the opportunity to develop and refine their skills in the art of pastoral care. Internships and residencies are offered in a setting which provides the opportunity for ministry service, inderdisciplinary involvement and learning through supervisory review of experience.

During the summer of 1984, five full-time students were enrolled in the Basic CPE Internship which ran from June-August. Three full-time and seven part-time Residents were enrolled in the program during 1984-85. Approximately 15 new CPE students are expected next year.

The program is under the leadership of Chaplain Richard Stewart, an Affiliate Member of the North Texas Conference of the United Methodist Church.

A full-time Oncology Chaplain and Chaplain to Staff are two relatively new additions to the Methodist Hospitals of Dallas' extensive religious ministries program.

Oncology Chaplain, Linda Cox, brings a spiritual dimension to the Oncology unit at Methodist Medical Center. Her work centers around a type of pastoral care called "spiritual direction", which involves growth of the soul.

Chaplain Cox visits each cancer patient and their family on a daily basis. She places special emphasis on critical phases of cancer such as prediagnosis, diagnosis and treatment. In the cases where death is imminent, she helps both the patient and family deal with the terminal phases of the disease and is also accessible to the family after the patient's death.

Chaplain Cox also works with the "I Can cope" program at Methodist Medical Center. "I Can Cope" brings cancer patients and their families together to share their feelings and experiences. She is also with "Cansurmount", a new program which trains cancer patients how to help other cancer victims cope with their illness.

The position of Oncology Chaplain was created at the oncology committee's request. The concept of a cancer ministry at the hospital has been supported and endorsed by Bishop John Russell, Bishop of the North Texas Conference.

Chaplain to Staff, Rev. Bill Wilson, ministers to the needs of all MHD employees. As a religiously oriented institution, MHD has a humanitarian concern for its employees, which is the primary reason for establishing the employee counseling program.

Chaplain Wilson, an Affiliate Member of the North Texas Conference, provides short-term counseling with referral to other counseling agencies, if necessary. He handles an average of 25-30 individual counseling sessions each month. In 1984, he counseled more than 15 percent of all hospital employees. He also makes daily rounds to every unit in the hospital and conducts support groups for Intensive Care Unit and CareFlight nurses who are subject to high stress levels.

Methodist Hospitals of Dallas' involvement with the pastoral counseling program demonstrates their concern for their employees -- their most important asset.

The Religious Ministries program at MHD is thriving and adds personnel and programs as the need arises. This illustrates Methodist Hospitals ofDallas' firm commitment to carrying out a total health care ministry.

Other exciting happenings over the past year at MHD include new programs, building dedications and ground breaking ceremonies.

Perhaps the most dramatic accomplishment in recent months in the system's expansion of outpatient services. For example, a newly designed Outpatient/Day Surgery Centers at Methodist Medical Center, Charlton Methodist Hospital and Southeastern Methodist Hospital, patients enjoy convenience, comfort and low cost plus the immediate backup of a full-service hospital in case of unexpected difficulty.

Since the centers opened, the number of day surgery patients has increased by 59%. Patients have verified the programs' success by writing comments such as "the nurses were superb" and "I coun't have asked for a more pleasing stay."

Life-saving organ transplants and exceptional emergency, maternity and heart services characterize Methodist Medical Center, the largest and oldest hospital in the MHD system. Good Housekeeping Magazine recently recognized the quality of its services by naming the hospital as one of the "14 best General Hospitals in America."

A $13.8 million dollar addition will soon streamline and expand the Emergency Department, Intensive Care Unit and Coronary Care Unit at Methodist Medical Center. New private patient rooms are also included.

The Emergency Center will triple insize, adding three critical care rooms for seriously ill or injured patients and a separate area for patients with minor injuries. As a level I Trauma Center and CareFlite home base, these improvements will support the hospital's growing emergency services.

New monitoring capabilities and an efficiently designed unit will significantly enhance patient care in the new Intensive Care Unit. The unit will double in size to one of the largest in the city.

Heart patients will benefit from a new Coronary Care Unit with eight critical care rooms and ten rooms for patients who are not critical but still require close monitoring and supervision.

Cardiac diagnostic capabilities will be greatly enhanced with the addition of the only bi-plane cardiac catherization equipment in Dallas. This equipment provides doctors with a three-dimensional view of the patient's heart and therefore, much greater diagnostic capabilities.

Recovering heart patients regain their strength in the Folsom Fitness and Rehabilitation center which opened in October. The sounds of bicycles, treadmills and exercise classes fill the exercise facility located in a peaceful wooded area near the hospital.

In April, Methodist Medical Center's tiniest patients settled into the hospital's new 32-bed Special Care Nursery, designed for premature and critically ill babies. having just doubled in size, the nursery is already filled to capacity. With the help of a specially trained flight team, babies from throughout North Central Texas are transported by CareFlite to Methodist's top-level unit.

Whether it's helping heart patients regain strength and return to work or giving premature babies a chance at life, Methodist Medical Center is dedicated to providing patients with the advanced technology and old fashioned caring they need to return to healthy lifestyles.

Since joining Methodist Hospitals of Dallas in 1980, Southeastern Methodist Hospital has added obstetric, cardiac rehabilitation and alcohol dependency services to its general medical and surgical services. Each program has achieved success thanks to Southeastern Methodist's emphasis on the personal touch. Chaplain Rayburn Floyd, a retired Southern Baptist minister, provides chaplaincy service at Southeastern.

The staff at the Maternity Care Center makes special efforts to include the family into the birth experience. Grandparents can hold the baby just moments after its birth. Brothers and sisters follow a stairway decorated with cartoon characters and then dress in tiny scrub suits to visit their mother and the new baby. Babies and mothers are allowed to spend lots of time together on their OWN schedules.

In its first few months, the cardiac rehabilitation program at Southeastern has generated enthusiastic support from employees, doctors and patients.

In emergency care, Southeastern has demonstrated excellence in treating both minor and serious emergencies. For example, when a freak December tornado struck Balch Springs and Mesquite, the Southeastern emergency staff cared for six injured victims, more than any other hospital. Also, the professional manner in which the Southeastern Methodist Hospital staff cared for 11 Mesquite students injured in a bus accident prompted a letter from Mesquite school officials, praising the staff's professional and compassionate care.

Southeastern's success has been built not only on careful planning and implementation, but also on its commitment to taking time to do the little things for patients that can mean so much.

Charlton Methodist Hospital opened in 1975 to serve the rapidly growing Southwest Dallas suburbs of Duncanville, DeSoto, Cedar Hill and Lancaster. Chaplain Gene Browder, a member of the North Texas Conference, is Chaplain Manager at Charlton. Chaplain Browder, who has been with Methodist Hospitals for 18 years, provides expertise as chaplain for the Alcohol and Drug Unit at the hospital.

Construction recently began on a new wing of the hospital which will offer maternity services, a new emergency room and expanded X-ray facilities.

Upon completion of the radiology expansion, Charlton will offer the most comprehensively equipped radiology service in Southwest Dallas. Two new types of diagnostic equipment will be added and existing services will be expanded. The new radiology suite will be more accessible and comfortable to patients, with separate areas for inpatient and outpatient care.

The Maternity Center will feature a birthing room, four private labor rooms, delivery rooms and a 12-bassinet nursery. Like all Charlton patients, mothers will recover in private rooms.

The new emergency center will double in size and enhance the care of seriously ill patients.

METHODIST MISSION HOME
1984

In 1985 The Methodist Mission Home celebrates its 90th year! Serving since 1895.

President: Dr. Harold D. Burkhardt, 512/696-2410
Chairman of the Board of Directors: Dr. Don Pike
Ownership and/or Relationship to the United Methodist Church: The Methodist Mission Home is owned and operated by a Board of Directors whose election is confirmed by the patronizing Annual Conferences.

SERVICES AVAILABLE: The Methodist Mission Home is the Umbrella for two distinct ministries:

A. SOUTHWEST MATERNITY CENTER

1. The Center gives option counseling for the pregnant unwed young woman, in both resident and non-resident settings; for those who choose to release their child for adoption, we keep a reserve of some 60 couples approved who are ready to be chosen by our licensed agency as "the home a child needs."

2. The 1984 General Conference of the United Methodist Church meeting in Baltimore passed a resolution urging all those connected in any way with adoption to use a licensed adoption agency. This, of course, includes United Methodist hospitals, physicians, attorneys, pastors, birth mothers, and prospective parents. The Methodist Mission Home has long been licensed for child placing and brings a full service to all that need it in the adoptive triangle - the birth parents and adoptive parents, and most importantly, the child.

3. OUTPOST offices with part-time maternity counselors are located in various cities throughout the Conferences. Information regarding maternity services is always available through a toll free call any time of the day or night at 1-800-292-5103 in Texas, and 1-800-255-9612 in other states.

4. In 1984 we served 9 maternity clients from the North Texas Conference, and 10 infants were placed for adoption in this conference. In total, we had contact with 268 maternity clients, 109 came into our care, and we placed 88 infants and 7 older children for adoption.

5. For information regarding adoption, call on Wednesdays and Thursday between the hours of 9 a.m. and 4 p.m. at 512/696-7021.

B. SOUTHWEST CENTER FOR THE HEARING IMPAIRED

This residential rehabilitation program, organized in 1974, served 174 residents in 1984, maintaining about 65 on campus at one time. Services are for young adults, 16 years of age and older, who are handicapped by a hearing impairment. The program includes evaluation of work abilities and aptitudes, personal social adjustment,

counseling, structured residential living, life skills training, and work adjustment training. Toward the end of the 18 month residential period, there is on-the-job training and experience in independent living. Fifteen clients were served from the North Texas Conference.

OFFICE OF PLANNED GIVING

The Board of Directors has established a four-year goal to underwrite through special gifts, an office for promoting Deferred Giving through wills and estates. It hopes to raise $240,000. over the four years to fund this office, after which it should be self-sustaining. Individuals wishing to help in this project that will give the Mission Home a foothold on the future should contact the Mission Home.

HOW CAN THE ANNUAL CONFERENCE HELP THE MISSION HOME?

1. Promote an offering through the local churches in the fall. Set a specific goal of $50,000.

2. Invite a representative of the Home to your District meetings to promote the work.

3. Contact the Home directly for referral of maternity and deaf clients.

4. Contact the Mission Home regarding individuals who might be interested in long-range giving through wills and estates.

5. Place on the calendar May 1, 1985; November 6 and May 7, 1986, as Board of Directors dates.

As a result of the Capital Funds Campaign since 1982, gifts from individual pledges have totalled $650,000., with $623,000. collected as of 1-31-85. This has provided:

A. A new Women's Center - four apartments in a secure complex for maternity houseparents/clients, providing housing for 22 residents, a houseparents apartment, a sub-houseparent sleep-in room, recreational and craft rooms, as well as an office for counselors and secretaries. We welcome more referrals for the maternity service in this new facility that will serve for many years to come. We are especially grateful to Dr. and Mrs. J.P. Addison, who gave one of the buildings, and to Mr. and Mrs. Stanley Horwood, who gave the other building in this complex, and to Mr. and Mrs. Jerry Orsak and Mr. William Lenard Horwood who have provided the swimming pool. Others have given apartments and furnishings too...and some items are still available as memorial gifts.

B. A new small maintenance building, as the former maintenance building was remodeled in building the Women's Center.

C. Eight apartments for the Independent Living Training for the Hearing Impaired (to replace the old mobile homes) are being remodeled out of 16 dormitory rooms in the main dormitory, and will have separate entrances from the deaf dormitory students.

D. $30,000. toward Endowment, especially marked for Special Needs children.

E. An upgrading of the drives and organization of the parking.

THANKS TO THE NORTH TEXAS CONFERENCE

We appreciate the persons from the North Texas Annual Conference who serve on the Board of Trustees of the Methodist Mission Home. We are also grateful to the many lay persons and pastors who have been supportive of the ministries of the Mission Home.

The total Conference Giving (seven conferences) for 1984 was $285,831.44 of which $46,585. was given by the North Texas Annual Conference.

We urge referrals of persons needing our services, so that with your support and your interest we will minister in a special way to those who come our way in need. Thank you.

Harold Burkhardt, president

DIVISION OF COMMUNITY MINISTRY

The Division of Community Ministry through an apportioned amount provides an opportunity for each local church to support mission in all parts of the North Texas Conference. The ministries are varied, reflecting the diverse needs present in our conference. In 1985, grants in the amount of $80,410 are being given to 39 agencies. Approximately 100,000 family units will be touched in some way by agency programs.

But the real story of community ministries is told by the people who make this local mission happen: the lawyer who saw need for legal aid in the community around Bethlehem Center in Dallas and gathered a group of lawyers to go on Tuesday evening to help with legal problems; devoted volunteers who tutor English at Wesley Rankin Community Center; in McKinney, the group who heard of the need for an evening out expressed by parents of handicapped children, volunteered to assist, and from that beginning are developing a community-wide program for persons with handicapping conditions; the local churches and ministerial alliance of Paris who have been the instigators of Family Haven, a shelter for abused women and children open to those in that Northeast Texas area. Interfaith Ministry in Wichita Falls made up of 37 churches who minister to needs of the elderly, oppressed and needy of Wichita Falls; many other local congregations who operate day care centers, food banks, senior citizen programs, and assist refugees. The list is long.

To be involved in witness and mission is to be vital and growing toward wholeness in Christ. During this quadrennium, the Division of Community ministries will continue to prayerfully and responsibly consider funding applications. But we plan to enlarge our role by seeking to encourage local congregations to develop a missional life style, to inform local churches of opportunities for mission networking, to encourage the development of new ministry endeavors, to assist Sunday School classes, youth groups and individuals to participate in the outreach in existing mission agencies, and to inform the United Methodist people of what we as a conference are doing to follow Christ's command to love and serve others.

DIVISION OF NATIONAL AND WORLD OUTREACH
NORTH TEXAS CONFERENCE UNITED METHODIST CHURCH

1984-85 has been a year of evaluation of what has been done by National and World Outreach in the past and the direction we need to be taking as we go into the Third Century.

The goal set by the Division is to provide information and training to the local church and district leaders in Outreach and Mission Workareas.

We began immediately after last conference to plan training session for local work area chairpersons at the Cooperative School of Missions at the Bridgeport Conference Center and about 30 people attended the training. We want to encourage local churches to take advantage of the Cooperative Event to train leaders for Church-wide Bible Study, Geographic Study and Social Issues Study. Please remember these are not just UMW studies, but studies approved for church-wide use and materials for programming are for all age levels. September 13,14, and 15 the Study training will be the book of Daniel, Native North Americans, and Caring for God's earth. Plan to have your leaders attend. Accredited teachers and missionaries are going to be there and it will be an excellent mission event to become imformed as well as re-inspired.

The Division assembled an insert for the Methodist Reporter giving an overview of a variety of information about outreach opportunities for the local church. You have also received this insert at this annual conference. Let imagination be the only limiting factor in truly becoming Missional Outreach Churches.

Volunteers in Missions is one of the directions this Division is suggesting for personal involvement that not only serves others, but enriches the lives of those serving. You will be hearing more about VIM from this Division in the days to come.

We hope you all are doing one or more Advance Specials and we encourage you to go one step further when you give Advance Specials - become a Partner with the place you provide the special. Give your money, yes, but also give yourselves. Get to know the country, its people and some of their needs, correspond with them. or even go to them. My church does an advance with Starr & Christina Bowen in Equador and sending money didn't seem to be enough; now a workcamp is going to Equador to stay in the home of the President of the Equadorian Church and labor along with the members of a small rural church to improve the church and its grounds. That is Partnership.

Many of you have given money for TRAGS and I want to thank you. Now I want to challenge you to find out what community has the vehicle, get to be their friends and find out how they are using the gift. That's Partnership.

This coming year think seriously about becoming a Partner with churches in Chile. There are 15 Methodist churches in Chile that have been seriously damaged by recent earthquakes. Be a Partner to help this South American country repair and continue its work to parishioners who are so poverty stricken they cannot possibly repair their buildings.

Bishop Russell, may I ask that you say a special prayer for two wonderful people who have been in our midst and are taking a bold step in faith to serve in the Philippines. The preconference packet has a flyer about Philip and Espie del Rosario. It is interesting how their mission's three-fold objective relates with the three-fold thrust of Direction '85-'88, Partners in Discipleship, which are: 1) congregational development as Philip will help provide pastoral leadership to Central Church in Manila;

2) leadership development as he helps train pastors in counseling; and 3) mission outreach as Espie facilitates community development in a resettlement of former slum dwellers. I know that each of you join me in wishing the del Rosarios well in their new place of service and will want to be in Partnership with them in a significant manner.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY
ANNUAL CONFERENCE 1985

At a planning retreat in August the board adoped goals for the quadrennium. Each district has been requested to secure two representatives for the divisions who have special interest in the work of higher education and campus ministry.

The names of high school juniors and seniors are to be secured and sent to Texas Association of United Methodist Colleges, who will forward the names to colleges and universities for recruitment. Other efforts are being determined in order to increase the awareness level of conference persons to the importance of our UM related colleges and universities.

The local church is the lifeblood of campus ministry. It is the local church that provides the majority of funding for campus ministry, through apportionments and through special gifts. It is from the local church that students come and to the local church that they return. Countless hours of service are given to campus ministry by local churches and local church groups, and without assistance campus ministry could not survive. Indeed, many ministry programs on individual campuses were given birth out of a concern for ministry which was conceived in a local church and nurtured through their own program. In order for the relationship between local church and campus ministry to remain strong, the following strategy has been adopted:

1. That the Division of Campus Ministry request each local church who does not have a chairperson of higher education to designated the co-ordinator of young adult ministries, the youth co-ordinator, or the education chairperson to act as campus ministry co-ordinator, whose purpose would include being (a) an advocate for campus ministry, (b) a contact between church and campus ministry units, and (c) a source of information regarding the needs and expectations of the local church.

2. That the Division create, prepare and distribute an information packet to the local church co-ordinators, pastors, and other interested persons which interprets the overall program of campus ministry within the North Texas Conference and how that program may best be supported by the local church.

3. That the Division designate lines of responsibility between individual ministry units and districts within the conference in order to facilitate a flow of information, and that those districts which do not have campus ministry units within their geographical bounds be assigned to the nearest unit. The individual campus ministers would then be responsible to their designated districts with regard to the sharing of information and needs. It is also recommended that the campus ministers take a pro-active role within their own district, making themselves available to serve responsibly on district committees and in district programs as a means of increasing the visibility of the campus ministers and creating supportive relationships. Furthermore, it is recommended that individual campus ministers take an active role in making themselves available to local churches, to do special studies, preach, or to interpret the overall program of campus ministry.

4. That the Division institute a routine procedure for the dissemination of information, the exact means of which is yet to be determined.

A task force is currently studying new policies and guidelines for campus ministry. The Board endorsed Covenant Community '85, and a camp for college-aged youth which is being sponsored for the first time this year by the Division of Youth Ministry.

Two campus ministers were sent to Nashville for training, and the executive committee of the Board participated in quadrennial training provided for the jurisdiction in December.

Dr. Robert E. Hayes, Sr., President of Wiley College in Marshall, spoke to the Board at its February meeting.

A special offering was promoted at the 1984 Annual Conference for Huston-Tillotson College. $5,009 was collected. The Board also promoted the financial support of Texas United Methodist Colleges and the Black College fund with a letter sent late in 1984 to all pastors-in-charge urging them to pay those line items in full.

The Board has been represented on a newly formed United Methodist Consortium for Hispanic Education whose purpose is to create cross-cultural communion between Anglos and Hispanics in the Southwest.

With the money received from the United Methodist Student Day offering the Board awarded a $500 scholarship to a graduating senior, Diana Merry, of White Rock UMC.

REPORT
TEXAS UNITED METHODIST COLLEGE ASSOCIATION
1984

Greetings from the Texas United Methodist College Association and the seven United Methodist colleges and universities in Texas: Huston-Tillotson College, Lon Morris College, McMurry College, Southern Methodist University, Southwestern University, Texas Wesleyan College, and Wiley College. On behalf of all seven institutions, I thank you for your support during the last year.

The North Texas Annual Conference contributed $173,199.46 to the Association in 1984, which is 86.6% of the apportionment ($200,000). The Conference also paid $114,997 to the Black College Fund, 90% of the apportionment. These funds are very important to our institutions; most of the money goes to pay financial aid to enable students to attend our colleges and universities, so the funds are even more important to the students!

Within one year after the first official Methodist missionaries were sent to Texas in 1836, the Methodists of Texas had established academies for the education of their young, and by 1840 they had chartered and opened the first college in Texas, Rutersville College. One hundred and forty years later, in the fall of 1984 our seven colleges and universities enrolled 14,558 students. They had endowments exceeding 278 million dollars and their physical plant assets exceeded 380 million dollars. To me, and even more impressive figure is the fact that over 60% of the students in our institutions in the fall of 1984 received financial aid!

Two hundred years ago, not long after the Christmas Conference of December, 1784, Bishop Francis Asbury wrote to all the Methodists in America, and in his letter he urged them to establish a school near every church "...to give the Key of Knowledge in a general way to your children, and those of the poor in the vicinity of your small towns and villages." It is important that we pay heed to Bishop Asbury's admonition in our circumstances today, as our forefathers did in the varying circumstances of their time. Your apportionments help our church-related colleges and universities to do so.

Through the past two centuries, the major themes of higher education related to the Methodist Church have been (in the words of the National Commission on Higher Education):

> Education should be available to all people regardless of social standing, ethnic identity, or gender. Education should appropriately relate faith and reason. Education should help individuals make full use of their capabilities and experience for service. Therefore, liberal and classical learning is critical along with professional and vocational training and neither is subservient to the other.

Stated more succinctly, the single dominant theme has been loving God by meeting human needs in education, particularly unmet human needs. Your financial support helps us continue this worthy tradition!

We need your support in another way too, namely to spread the word that our colleges and universities want to educate more United Methodists! While it is true that our institutions "cost" more than state-supported institutions (i.e. the tuitions must be higher because we do not receive a state appropriation), it is ALSO true that many persons can attend our institutions and it will not "cost" them much, if any, more than many state institutions (because of financial aid they may receive.) It depends on a variety of factors. We will appreciate your help in encouraging prospective students and their parents to get in touch with the Admissions Offices of our institutions to see what arrangements can be made for them to attend.

Joe E. Elmore, president

COMMISSION ON ASIAN MINISTRIES

This is the second report of the Commission on Asian Ministries. Like the new kid on the block, he wonders whether the other boys have accepted his presence and recognized his worth. The Commission has tried to be responsible toward achieving its purpose, which is:

> to address the unique and urgent developmental needs of Asian congregations in the Annual Conference....compile and make known to the leadership of Asian congregations a list of resources and assistance available through other Conference and general Church agencies, serve as a forum where survival and self-development issues related to Asian congregations are discussed, with conclusions and recommendations transmitted to other Conference Agencies for action..., develop a master plan for meeting the growth, development, and programming needs of Asian congregations for presentation to Annual Conference.

The Commission studied the quadrennial missional priority, "Developing and Strengthening the Ethnic Minority Local Church for Witness and Mission" and wants to help implement this missional mandate in our conference.

Leadership development and organization of fellowships and churches have brought good results. Three Asians will be received into the Conference: Eduardo Cajiuat from the Philippines Annual Conference; Rev. Ki Suk Park from Korea; and Pa Nous Pan, a former Cambodian Buddhist monk, now a student at Perkins on the first stage toward the Methodist ministry. These three are working with organized churches and fellowship.

The Wesley Korean United Methodist Church in Garland dedicated their church building on September 30, 1984. The First Korean United Methodist Church moved to its new facilities in Richardson in January, 1985. The Korean Fellowship in Oak Cliff was constituted as the Dallas Korean United Methodist Church on April 28, 1985 and uses the facilities of the former Clearview United Methodist Church. The Commission sponsored an Asian Festival in September, 1984, at Lovers Lane United Methodist Church which was attended by about 500 persons. The diversity of Asian and Pacific cultures was celebrated within a worship experience. A similar celebration will be held this year, and the Commission hopes that more of you will be present.

A leadership event for Asians was held in December 1984, at Preston Hollow United Methodist Church. Over 100 pastors, lay persons and youth were present.

Ten delegates went to the General Assembly of Asian-American United Methodist Churches in San Francisco from January 31 to February 2, 1985. The delegates represented their churches and our conference well, and came home with a new appreciation of the connectional nature of our church. We thank the Commission on Religion and Race for the financial assistance that enabled the delegates to attend this meeting.

Philip and Espie del Rosario (my wife and I) will go as special missionaries to the Philippines in July, 1985 - in response to a request from the Philippine Central Conference to the General Board of Global Ministries. The facilitative actions of Bishop Russell and his Cabinet, and the enthusiastic response of local churches who have pledged Advance Special support for this mission, are understood by the Commission as our Conference's support of the participation of Asian-Americans in the overall mission of our Church.

The Commission has focused on the development of a master plan. It divided into teams to visit and survey the needs of Asian congregations and fellowships, in order to develop this master plan, and adapted the theme, "Ripe for Harvest" as title of this plan. One outstanding feature of this plan is an Asian-American Coordinator who would help the Asian churches and fellowships with their unique needs for growth, development, programming and outreach. Envisioned are a Korean church in Irving, another in Carrollton, a Formosan church, a Chinese church, and another Filipino church.

Even as we propose plans, we ask God to dispose God's Will and Purpose in and through us.

This will be my last report as chairperson of the Commission. I want to express appreciation to each member of the Commission for their trust and cooperation. I want to make special mention of Rev. Bill Stephenson's wise counsel and Chauncey Nealy's staff support.

THE FIRST FILIPINO AMERICAN UNITED METHODIST CHURCH

The First Filipino American United Methodist Church is one of four Asian American Churches of the North Texas Annual Conference.

When I was installed Pastor of the First Filipino American United Methodist Church in 1981, we were sharing the chapel and fellowship hall of Munger Place United Methodist Church. We thank Munger Place for sharing their facilities during our early formative years.

In 1982, the Conference deeded to us the facilities of the former Glendale United Methodist Church, and like a family in its own home, our church has felt freer to live out its congregational life, witness and mission.

We continue to be a small church, but we have tripled our attendence at worship, established 7 Sunday School classes, 2 choirs, and a string musical group. After supporting a part-time pastor for two years, we now support a full-time pastor.

We started a special ministry for Filipino children and have held a children's summer music ministry in the past three years. We are starting a ministry for senior citizens. Our annual Pista sa Nayon (or Barrio Fiesta) is an attempt to nurture our cultural heritage and help persons understand our culture. We invite you to the Pista sa Nayon this year, planned for July 27 and 28.

Every Sunday we share a buffet lunch to which each family brings its favorite dish, and spend the rest of Sunday doing our work as a church family.

Every year we review and re-state our mission. For the coming year we have set the objective of reaching out into the immediate neighborhood of our church facility, which is predominantly Anglo taking leadership in neighborhood concerns such as Crime Watch, etc. Although our church name has "Filipino" in it, and our membership is predominantly Filipino, we do serve and have members who are white, and black, as well as yellow and brown.

Our Mission Statement this year reads thus: "We the First Filipino American United Methodist CHurch, empowered by the Holy Spirit, are a caring congregation who, in expression of our commitment to Jesus Christ as Savior and Lord and seeking to grow in His grace, will reach out to others through witness and service, in order that they too may experience the love of God in Christ and become His disciples."

I think our church dramatizes the fact that when the ethnic minority local church is encouraged and strengthened for witness and mission, it is empowered to become the community of many colors, the rainbow colors of the Church of Jesus Christ.

REPORT ON THE BLACK CHURCH COMMISSION

Bishop Russell, North Texas Conference Delegates:

The Commission on the Black Church wishes, first of all, to commend your choice of Dr. Zan Holmes, Jr., as our 1985 Conference Preacher. You were wise and just in your decision. Dr. Holmes has been prophetic, compassionate and relevant in his preaching!

Instructions on Agency Reports to this Conference specifically rule out our reference, at this point to what has been done and make elaboration on what is to be done. With a slight digression, I shall endeavor to comply with that guideline.

The Commission does have sincere concern for a healthy Black Church Growth within our Conference. The context of this statement is the North Texas Conference, West Texas joint Merger.

For 2/3 of the past 15 years we have addressed the question of the "Myth or the Reality of our Merger." We would urge Research and Planning to thoroughly study, in an evaluative sense, the question of Merger, its current status and a future projection for the Conference Year 1986 hence. Some points of concern would be:

1) The North Texas Conference was to have become the new North Texas Conference changing the names of all entities involved...is this on the horizon?

2) Will open itineracy become a serious agenda item in our lifetime after 15 years?

3) To what extent did assets and liabilities figure in the whole process of merger?

4) Is there any justification to facts of absorption rather than merger being our lot?

The Commission does feel that there is a bright light ahead. The Black Church, despite obstacles and difficulties, plans to move toward a fulfilling destiny during the mid 80's. We plan to be supportive thusly:

We do have positive dreams and aspirations for the Lord's Church to become that Church of all people under one Lord....Our focus on the immediate future is to plan a year's program which includes model projects:

I. Model Projects where learning "how to's" may take place in:
   A. Evangelistic Seminars
   B. Local Church Revivals to be supported by:
      1. Conference
      2. Local Church via Seed Funding
      3. Music Workshops
      4. Youth revivals/varying areas - Districts, etc.
   C. "Church partnerships"

Ii. Enable Churches of all economic circumstances to experience an Evangelistic Outreach which will revitalize its programs of Salvation in every category of the Church's being...to sustain a cadre of Preachers committed to preaching, teaching testifying in every crack and corner wherever a United Methodist Church is and to further underwrite musical and choral support for such projections. (Para-Professionals, etc. THIS is essential while our Committee continues to experience ECONOMIC FLIGHT.)

In areas such as Wichita Falls, Paris-Sulphur Springs, Denison, Sherman McKinney, plus small towns and Dallas rural areas we envision evening workshops tailored to meet the needs of Churches clustered for revivals, but also fruitfully equippable for skilled workers, to make known resource relief, grants and proposals to keep dimly lit dreams alive and to resurrect the life of the Black Church which has the spiritual potency greatly needed by the Total Church.....

We have Conference-wide special concern for clustering youth programs in our inner cities which may involve forming church partnerships with job opportunity programs being sponsored by both governmental and private sectors. And we wish to encourage firms working on the District and Annual Conference level.

We shall dare to dream dreams in this respect. We shall continue to ally our efforts with Religion and Race, EMLC,and BMCR in our endeavor to avoid duplication.

Finally, the Commission feels that the greatest resource needed is the one yet to be created, the resource of bringing together in a coordinated way the leadership, planning, and financial resources of the North Texas Conference as needed to impact the key areas of need as expressed by the Black Churches. COMMITMENT TO CHURCH GROWTH IN THE BLACK CHURCH IS THE FIRST PRIORITY. HOW we achieve it should be SECONDARY. Let us then work toward a pool of shared resources, available on the basis of need to those doing Christ's work in the world.

WE SOLICIT YOUR PRAYERS AND PARTICIPATION.

THERE WILL BE AN ANNOUNCED CONFERENCE-WIDE PROGRAM FAIR FOR BLACK CHURCHES ACROSS THE CONFERENCE.

Respectfully submitted,
DR. MARSHALL E. HODGE
Chairman
Commission on the Black Church

REPORT OF THE COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

At the 1984 session of the Annual Conference attention was called to the World Council of Churches' document: BAPTISM, EUCHARIST, AND MINISTRY. Congregations were urged to study it during the year.

Three churches of each conference were asked to submit written reports on their study of the document to the General Commission on Christian Unity and Interreligious Concerns. These reports from local churches are being considered in the General Commission's response to the World Council on this document. Grace (Dallas), University Park (Dallas), and First (Wichita Falls) were the three churches in our conference selected to study the document and submit their reports. All three carried out this commitment.

Our commission has been represented at the Faith and Order Conference sponsored by the Texas Conference of Churches and at the Annual Assembly of the Texas Conference of Churches.

REPORT OF THE COMMISSION ON RELIGION AND RACE

Bishop John Russell, Members of the North Texas Annual Conference, Visitors, Ladies and Gentlemen, this has been one of the best Annual Conferences I have attended. First, let me commend the DESIGN, AGENDA, and WORSHIP COMMITTEES for venturing out and presenting a different design, a unique design. Let me express appreciation to the Bishop and Cabinet for approving this design. Let me express appreciation to the Conference Preacher, Rev. Zan W. Holmes, Jr., for magnificently challenging us to be partners in Mission for Christ.

The District Superintendent's report yesterday was VERY, VERY visionary. Again, I must commend the cabinet for challenging this conference to action. You may recall Rev. Robertson said, "What we practice is what we believe." He challenged us to set our sights not on just saving/rescuing the Church, but on rescuing humanity. That is like saying, "Don't tell me you love me. Show me you love me." The Bishop's meditations have been powerful, thought provoking, and challenging.

The Commission on Religion and Race is charged with the responsibility to address the issue of total inclusiveness in the North Texas Annual Conference. Another major responsibility is monitoring the implementation of the Missional Priority for 1985-88, "Developing and Strengthening the Ethnic Minority Local Church for: Witness and Mission."

BECAUSE OF THESE CONCERNS the visions projected to you for 1985-88 are where -

WE URGE THE CONFERENCE TO:

1) develop strong theological premises/policy statements on "Inclusiveness"

2) conduct an audit every two (2) years of Boards/Agencies related to inclusiveness

3) make inclusiveness a continuing agenda item, not just for this Annual Conference

4) establish priority goals related to the Missional Priority

5) provide financial support for human life issues: justice, peace, adequate employment, housing, hunger, health care, and anti-apartheid in South Africa

6) encourage proactive church development in minority areas

7) encourage strong support of the Perkins Endowment Fund - strongly encourage Perkins to employ a Black tenured professor

8) I commend the cabinet for its statement in support of open itinerancy; we encourage it to develop specific time tables for action.

WE URGE THE DISTRICT TO:
1) elect Religion and Race chairs for each district

2) develop a district training program

WE URGE THE LOCAL CHURCH TO:
1) develop a statement on inclusiveness sanctioned by the Council on Ministries and the Administrative Board

2) select a Religion and Race chair

3) conduct the inclusiveness inventory (back of Guidelines for Religion and Race)

4) plan appropriate programs - ethnic diversity in church school literature and worship resources, speakers, and other events

5) look at the Religion and Race Brochure found in your Conference Packet for specific suggestions on assistance

Thanks to members of the Commission on Religion and Race for your involvement this year (stand if present). I would, also, like to express appreciation to Chauncey Nealy, staff person to the committee, and Rev. Pete Robertson, Cabinet Liaison.

Charles Dickens Words in his TALE OF TWO CITIES best describe our situation today:

1. It was the best of times; it was the worst of times:

2. An Age of Wisdom, An Age of Foolishness;

3. A Season of Light, A Season of Darkness;

4. A Spring of Hope, A Winter of Despair.

IT IS THE BEST OF TIMES, A SPRING OF HOPE IN THE NORTH TEXAS ANNUAL CONFERENCE BECAUSE DURING 1985 WE HAVE:

1. Committed leadership at the Cabinet level

2. Some important strides have been made in terms of beginning to address critical issues - inclusiveness in worship services and ethnic representation on conference boards and agencies.

IT IS A SEASON OF DARKNESS, A WINTER OF DESPAIR BECAUSE:

Our mission is so overwhelming. According to the 1968 Kerner Commission Report:

The Nation is rapidly moving toward two increasingly separate Americas (one Black and one White). Within two decades, this division could be so deep that it would be almost impossible to unite (Whites in suburbs, smaller towns, cities; Blacks and other minorities in the central cities).

WE ARE THREE YEARS AWAY, 1968-1988.

The National Urban League Report released recently validates that the gap has widened between the two Americas. The issue of color/race has become negatively reinforced.

1. In a society plagued by problems of racism, classism, and sexism --the church often perpetuates the MALADY. In other words, churches can be a microcosm of society. Notice, I said can be. Question, should they be a microcosm?

2. IN TERMS OF LOSING CHURCH MEMBERSHIP - 600 families move to Dallas a week. I read with great interest sermons by Rev. Walker Railey. When I go to First Methodist Church for meetings, I USUALLY OBTAIN COPIES. He did a sermon during the Christmas Season and begged the question: Where would our own Lord and Savior, Jesus Christ most likely go if he visited Dallas--would He go to Texas Stadium, New Museum of Art, South Fork, etc.? He proposed that Jesus would be among the oppressed people, the poor and needy. Maybe He would go to South Dallas, West Dallas, East Dallas - among the Hispanics, Blacks, Whites, Native Americans. As United Methodists, in order to experience growth, we must intensify our efforts and become the Church in World Ministering to the needs of the oppressed people just as Christ did.

United Methodists in North Texas are a diverse group -- in colors of red, yellow, black, white, and brown -- we are a rainbow. The challenge before us is to utilize this pluralism constructively as we engage in the tasks of Christian ministry. Our God-given diversity can enrich the Church if we will share the richness of ethnic heritages in an environment of mutual acceptance and love.

IN SUMMARY
One of this Nation's most powerful and committed leaders of this century has stated:

"We should be HEADLIGHTS POINTING THE WAY, rather than TAILLIGHTS FOLLOWING BEHIND."

As United Methodists we can become Headlights for the CITY OF DALLAS, WICHITA FALLS, ARTHUR CITY AND OTHER PLACES pointing the way, providing models for justice, peace, the eradication of racism, etc.

United Methodists must prick the conscience of the nation to remind us that one God created us all. One God loves us ALL -- Black, White, Yellow, Brown, Red. We are a rainbow linked by a common destiny.

THE FAMOUS AMERICAN QUOTED EARLIER has also stated that we must learn to live together as sisters and brothers or perish separately as fools. THE CHOICE IS OURS.

The Commission on Religion and Race funds two caucuses to facilitate the work in this area. I am delighted to present the chairpersons for a statement:

James Belt, Chair, Black Methodist for Church Renewal
Mr. Mauro Requilman, Asian Caucus, could not be present.

THE COMMISSION ON THE STATUS AND ROLE OF WOMEN

We began this Conference year by getting acquainted as a commission. Ouf first meeting was a dinner where we introduced ourselves by telling how we each came to be involved in women's issues and then we spent time brainstorming ideas for where CSRW needed to be involved at the local church level. Then in October we used that information to set the year's goals for our Conference Commission's work:

1. Compile local church representative list and contact each person.
2. Encourage leadership development by providing training and material for women.
3. Provide support, networking and programming for a variety of groups concerned with women's issues.
4. Continue to support clergywomen - assist in publicizing the availability of a panel for local church presentations concerning clergywomen and appointments.

Throughout the year we have come back to the issue of inclusiveness. Are women's talents being recognized and utilized in the church? Is the leadership in worship and administration shared? Where can we support ethnic minority women, particularly in regard to economic justice? What kind of programming would be most effective and meet local leader's needs?

In February, we again held an evening gathering honoring women in ministry. This program was attended by clergywomen, diaconals, local CSRW representatives and Commission members.

In April, we sponsored a seminar, "Changes in Authority and Tradition." Our keynote speaker was an artist from Albuquerque, Meinrad Craighead, who showed slides and spoke about her latest work. The pictures and commentary will be included in a book about "Images of God the Mother." Workshops were offered on several interesting topics including Scripture and women and the changing roles of men and women in today's society.

It has been a productive and fulfilling year. We look forward to continued success in achieving our goals as we work with and for all persons in the North Texas Annual Conference.

EMLC COMITTEE REPORT ON THE MISSIONAL PRIORITY

Developing And Strengthening the Ethnic Minority Local Church for: Witness and Mission

To Bishop Russell and members of the North Texas Annual Conference, this is the EMLC Committee's report on the Missional Priority - Developing and Strengthening the Ethnic Minority Local Church for: Witness and Mission.

The Extended Cabinet's vision - Direction '85-'88: a Vision of Wholeness in Christ...through witness and mission appears to be both inclusive and encompassing of the goals of the Missional Priority. Therefore, the EMLC Committee embraces and supports Direction '85-'88 with the hope that the majority churches and ethnic minority churches will truly be partners in discipleship.

In past years, some of the Ethnic Minority local churches have received financial grants, not as a hand-out, but as assistance so that these churches might become stronger for witness and mission, and also become EQUAL PARTNERS in our Annual Conference. Testimonies, good testimonies, have been given of good productivity of those churches that have received assistance of some kind. It is important to note that financial assistance is not a mere hand-out. It is not some churches trying to get all they can get. Rather, assistance of any kind is an effort to strengthen the EMLC churches so that they will be more effective in continuing the work of our Lord. It is a commitment to move toward partnership. Thus, the Missional Priority is not the majority churches in mission to the minority churches. More accurately, the Missional Priority is the majority churches in mission with the minority churches. Therefore, as we move toward full implementation of the Missional Priority, the real beneficiaries will be the North Texas Annual Conference and the peoples of our various communities.

First, a word about where we are today. Many churches that received some aid in the past for a new program or to strengthen an existing program no longer have need for assistance, but fully support the program or ministry themselves. In addition, almost ALL EMLC churches pay their conference apportionments in full. Some have experienced and met the challenge of increases in their apportionments. This demonstrates a commitment to the goals and mission of the United Methodist Church and more particularly commitment to the North Texas Annual Conference.

Yet, all is not well. Otherwise, there would be no need to develop and strengthen the Ethnic Minority churches. In short, there is still much more work to be done. It is crucial that we move beyond rhetoric by both majority and minority members in order that we all might be made whole in Christ.

The EMLC Committee is currently devising an instrument to fully assess the strengths and lesser strengths of all ethnic minority churches. After the inventory is completed by mid July, the data will be analyzed. After the analysis, the EMLC Committee hopes to present its findings along with proposed recommendations to the Extended Cabinet during its retreat in September.

If the Missional Priority, "Developing and Strengthening the Ethnic Minority Local Churches: for Witness and Mission" is to be a dream come true in our conference, then EMLC must become the priority of us all. Therefore, the EMLC commitment cannot and must not be expected to carry the entire load. It will take the caring, sensitivity, commitment and active involvement of every agency of our Annual Conference. Then and only then will we move toward real partners in discipleship.

An observation of past actions suggests that whenever there was a need of a proposal for assistance by the EMLC church, that proposal was labeled EMLC and referred to the committee, seemingly without any consideration of the proper agency that should have undertaken the responsibilty. Consequently, Partners in Discipleship is so fitting for our time, for it suggest that we will work together. As an example, EMLC can not take the full responsibility for developing and revitalizing congregations by itself. But, the EMLC Committee can be a partner with Church Development in establishing new churches and revitalizing congregations. The challenge is whether the proper agency will choose to be partners with its ethnic minority members.

Bishop Russell, the EMLC Committee also has a vision for '85-'88 that encompasses our conference's vision. During the next four years, we envision the establishment of new ethnic minority congregations and revitalization of stable and dying congregations.

As partners, there is a need of participation by racial and ethnic minorities and the assistance of the program agency to conduct demographic research and analysis for projecting the ethnic minority church. Each Ethnic Minority Local Church is encouraged to develop a "Covenant of Growth", indicating its expectations in stewardship, evangelism and community ministries, reporting annually to the Charge Conference.

Further, as partners in discipleship, we may expand and accelerate the development, production and utilization of racial and gender-inclusive materials for ethnic minority constituencies. Our conference, through appropriate agencies, may design and implement lay leadership training experiences sensitive to cultural traditions and practices of the ethnic minority group served. Each district should encourage and support multi-cultural, multi-racial settings for laity training.

In terms of outreach, we will assess issues and congregations, identifying ethnic minority leadership, empowering them and assisting them in eliminating racism, poverty and other oppressions experienced by individuals and communities. Specialized ministries, such as hunger programs, counseling centers and street ministries should be established where appropriate.

Finally, if we are to be partners in discipleship through witness and mission, each local church may make a witness by having an EMLC chairperson to interpret the Missional Priority to its COM and congregation, and by every church of our conference paying 100% of the Missional Priority. Then, we shall join hand-in-hand and be real partners in discipleship for our Lord.

LAY ORGANIZATIONS

THE BOARD OF THE LAITY

The Board of the Laity has met monthly (or more often) with very good attendance and a very full agenda. The Board met early in the Conference year with Bishop Russell and the Board of the Laity of the Central Texas Conference. Bishop Russell presented his thoughts and prioities for the future of the Area (Dallas/Fort Worth Area). The Board has had several meetings working on the Standing Rules especially Standing Rule No. 8) to bring them into compliance with the Discipline and the desires of the Conference (or at least the desires of the Board of the Laity.) We ran into several problems. One big one is the Constitutional Ammendment to be voted and hopefully ratified by 2/3 of the Annual Conferences this spring. It concerns the status of Diaconal Ministers. The ammendment will set up a new Annual Conference Membership category: diaconal and certain lay members---that do not require equalization. This controversial ammendment has been thoroughly researched, even to consultation with the Judicial Council Chair, Tom Methaney. We have presented to the Standing Rules Committee a revision to Standing Rule No. 8 that will bring our Conference into a correct being with the DISCIPLINE and hopefully the with the wishes of the Conference. We will know by their voting!

We spent a large part of the year planning the First Annual JUBILEE!! (known this year as JUBILEE 85!-A Third Century of Methodist Lay Ministry). It was held on the night of 11 April 1985, at the Hyatt-Regency Hotel in Dallas. Any excess proceeds of the $25.00/plate affair went to the North Texas Conference Retirement Homes. The program included both a lay speaker and a clergy speaker. The program included: the SMU Jazz Ensemble, MC Roy Eaton, John Criswell, Joanne Greening, John Hobert, Bishop John Russell, Dr. Walker Railey, Ken Dickson, Dr. William Hinson (Pastor of FUMC, Houston), Alfred Roberts, and Conference Lay Leader, Charles Harper. The Board was greatly assisted (or maybe vice versa) by Tom Christian of the Conference Council Office and Fred Kandeler, DS Wichita Falls District, Cabinet liason to the Board. A full house (approximately 500 - not a ministerial estimate) attended. The Second Annual Jubilee - JUBILEE 86! - is already in the planning stages for next spring!

The BOL sponsored several District meetings with the General and Jurisdictional Conference Delegates. The meetings were sparsly attended by both the laity and clergy, but the quality was there so we feel they were worthwhile.

Goals for the Board for the next year include:
1) To meet with the Bishop,
2) To meet with the Cabinet in a retreat setting to discuss the Conference in an open and positive way and to find the match to set the Conference on fire with the Gospel of Jesus Christ!
3) To promote healing across the Conference,
4) To continue working with the District Boards of the Laity, enabling and generating them to help the laity in lay ministries,
5) To have a weekend training session this fall with Neil Alexander from the General Board of Discipleship,
6) To plan and produce JUBILEE 86!

ANNUAL CONFERENCE REPORT ON CONFERENCE COUNCIL ON YOUTH MINISTRY

The CCYM has completed another successful year of programs, ministry, and mission. In the area of mission the CCYM set a goal of $10,004 in '84 for Youth Service Fund. The conference total exceeded the goal with receipts of $10,807. This total represents the efforts of 37 local churches, 7 districts, and 7 conference-wide events. We ranked 16th nationally in dollars given to YSF. We moved up from 19th last year.

Our goal for YSF is $11,005 in '85. This year's YSF contributions are directed to Lydia Patterson Institute in El Paso and scholarship aid for ethnic minorities to the UN-Washington Seminar Trip. YSF "fever" is at an all-time high. We believe we will reach our goal for '85.

The CCYM has planned and executed its usual diverse program events-Fall Round-ups for local church council training, mid-winters for spiritual development, a Rally for a sign of gathered strength, and a Youth Annual Conference for a discussion of issues relevant to youth.

Of course, there were also the fun events of Six Flags Day and the SMU Vs. Houston football game, but even these events raised money for YSF. Our thanks to the co-sponsoring institutions for their cooperation with the CCYM & YSF.

The CCYM is to be commended for its faithful service and discipleship.

Yours.....His+,
Fred A. Winslow

REPORT OF LAY SPEAKERS TO
NORTH TEXAS ANNUAL CONFERENCE 1985

Bishop Russell and members of the Conference, I bring you greetings from the Lay Speakers of the North Texas Conference and express gratitude for your support. Most of us realize the importance of lay speakers in the history of our church - that they are special United Methodists called by God to serve others. They are people who seek to use their gifts and skills in helping people know the love God has for them. All of us, however, may not know that the 1984 General Conference expanded the concept of lay speakers so that more is involved than in the past. There are two categories of lay speakers: those who work only in the local church and those who work also in the district and conference. Both are trained but on different levels. Both are recommended by the local church pastor and charge conference but certified lay speakers also meet and are approved by the district or conference committee on lay speaking.

The definition has been enriched to include ways of witnessing beyond proclaiming God's message in the spoken word although this is still the first of three major functions. The second is leading and involves the use of leadership skills in committees, boards, classes and organizations, where much of the work is done. The third function is caring and involves reaching out to others in times of joy and success as well as times of sorrow and tragedy. Across United Methodism lay speakers are not only participating in but initiating ministries of caring, in providing leadership for study and service and by speaking in worship seervices and group meetings. They prepare themselves through study and practice with emphasis on the disciplines of daily prayer and Bible study and growth in discerning God's presence in daily life. With these guidelines from the General Conference and the Board of Discipleship, our goals for Direction '85-'88 are fourfold:

First of all, to serve as witnesses to the gospel of Jesus Christ realizing the message is His and the proclamation is ours. This witness will take many forms ranging from conducting worship services to witnessing to the faith in everyday conversations and contacts.

Second, to provide leadership skills in the many aspects of the local church, district, and conference including administrative boards, work-area commissions, age-level committees, church school and participation as leaders in the district and conference.

Third, to establish a system of caring in which lay speakers support and affirm each other and then reach out to others in faith in times of joys and concerns.

Finally, to provide training on the district and conference levels available to every local church member with this special calling to adequately equip them for their work as a missional and evangelistic witness who sees the world as our parish and every person as a person for whom Christ died.

UNITED METHODIST WOMEN

APPROACHING THE FUTURE JOYFULLY is the title of the current year's report of the Women's Division. These words could be used to describe the feeling of this year's Conference Mission Team as we began to prepare for our work As always, the Women's Division provided good leadership training, and in December, 1984, seven newly elected officers went to new York where they received new information and toured the Board of Global Ministries headquarters and the church center at the United Nations. Further training took place on February 15-17 at Lake Sharon Assembly when a Women's Division Team led our mission team in In-Conference Leadership Training.

With twelve full or part-time employed women out of a mission team of twenty and interests ranging from a new baby to retirement possibilites, the Conference Mission Team reflects the ages and interests of the twelve thousand United Methodist Women in our Conference. Although interests, time, and talents may differ, we are united in working toward our PURPOSE: to be a community of women whose purpose is to know God and experience freedom as whole persons through Jesus Christ, to be a creative, supportive fellowship and to expand concepts of mission through participation in the global ministry of the church.

We approach the future more joyfully because of the leadership of the past four years. At the Conference Annual Meeting last September, our retiring President Bobbie Mankey was presented with a sustaining mission recognition pin, representing over $2,000 which had been given to mission in her name by local units of the Conference in appreciation of her service. Bobbie continues to be involved, co-chairing the United Methodist Women's history task force as it readies for publication the book MISSION MILESTONES OF NORTH TEXAS WOMEN.

Our work goes on with the School of Christian mission scheduled for July 8-11 at Lovers Lane United Methodist Church followed on the weekend of September 13 by the Mission Event held in cooperation with the Division of National and World Outreach. Conference Annual Meeting will be at Floral Heights United Methodist Church on September 28 with the featured speaker May Lou Baert. All of you are invited to attend.

During this quadrennium, the jurisdiction will focus on leadership development in the districts with "Share the Vision, Say Yes" workshops. Our Wichita Falls district officers attended the pilot workshop on May 17-19 in Dallas. In our conference an event celebrating our inclusiveness and a workshop on younger women's concerns are in the planning stages.

We successfully reached our pledge to mission for 1984 sending undesignated monies in the amount of $154,249.95 and total monies of $211,034.36 to the Women's Division. We are prayerfully striving to reach our 1985 undesignated pledge of $160,965.

We continue to be women organized for mission with a special concern for the needs of women and children, convicted by the gospel, speaking out for peace with justice, and advocating for the poor, oppressed and dispossessed of our world. We approach the future with joy, seekinng to do God's will with the lives we have been given.

REPORT OF THE BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry, and more especially all Diaconals of the Conference would be less than grateful if we did not say "thank you" for the ratification of the Constitutional Amendment seating and giving the vote to Diaconal members. And whatever happens in other conferences, you have again affirmed your support, and care, and concern for those who have felt God's call to the Diaconate form of representative ministry not only in the North Texas Conference, but perhaps your vote will have its influence felt in other conferences.

This has been a year of learning for this Board with a new chairperson, and new Division Chairpersons in our three divisions: The Division of Professional Growth - Barbara Edwards; The Division of Salaries, Insurance, and Pensions - Doris Manning; The Division of Consecration, Certification and Conference Relations - Mary Hayes. The work begun by these three divisions will be carried into this new year. One of our larger tasks has been to address the issue of what constitutes a service appointment.

The DISCIPLINE states in paragraph 310 that Diaconal ministers may serve:

1. Within a local congregation or larger parish,

2. Through church related agencies, or

3. Through other ministries which extend the witness and service of Christ's love and justice in the world.

Thus one of our tasks for 1985 is to consciously study what handles we can put to defining acceptable ministries of service for the Diaconal.

The Chairperson of the Division of Consecration, Certification, and Conference Relations, Mary Hayes, is taking a leave of absence. We will miss her leadership on the Board. Mary will present her report, in turn introduce the Registrar, Mr. Paul Sackett, and at the end of his presentation and appropriate action that will conclude our report.

Upon receipt of formal application for consecration, receipt of answers to 306.5, completion of any psychological testing, recommendation from the Conference Counselor, and completion of all ten steps above, you shall be interviewed by the Conference Board of Diaconal Ministry. This interview may be in a retreat setting."

12. They must receive the favorable vote of the Annual Conference.

13. They must be consecrated as a Diaconal Minister by the bishop in a session of the Annual Conference. (This consecration is the church's recognition of God's call, the individual's response to that call, and the authorization of such persons for designated service and ministry through the United Methodist Church.

14. Consecrated Diaconal Ministers are seated in the annual conference and granted the appropriate benefits such a relationship makes possible. "See #309. Consecrated Diaconal Minsters must make an annual report to the Conference Board of Diaconal ministry and receive a favorable annual review by that Board."

These are the basic steps into diaconal ministry required by the BOOK OF DISCIPLINE of the United Methodist Church. An annual conference may make additional requirements.

Paul Sackett
Registrar
Board of Diaconal Ministry

All of the divisions of the Board of Diaconal ministry of the North Texas Conference have met regularly and tried to meet all the expectations of the diaconals, certified personnel, and those in process of certification and consecration.

We are happy with where we as lay employees are now in the United Methodist Church, and look to the future with anticipation and excitement as the Mentor Program and Candidacy Journal are implemented. We feel that it will make all persons entering the diaconal ministry, better ministers because of the study and work it requires.

We hope each of you will take time to read "steps into Diaconal Ministry" (the pink sheet) that was passed out earlier. We also hope you will go by room 322, the Zwingli Auditorium, just above the library, and look at the display on the Diaconal Ministry.

The North Texas Conference Board of Diaconal Ministry is responsible for all persons who are in the process of certification and/or consecration. To date we have 16 persons who are in the process of pursuing consecration and 10 in the process of certification. We have 5 persons certified in music, and 9 certified in education (2 of which are retired), 2 Ministers of Music, 7 Ministers of Education, 5 Diaconal Ministers in church administration (1 of which is retired), 9 Diaconal Ministers in music, 30 Diaconal Ministers in education (3 of which are retired), 1 Diaconal Minister on special assignment, 5 Diaconal Ministers on leave of absence, and 1 Diaconal Minister certified in music and education. Thus the Board is now responsible for a total of 94 persons.

The Board of Diaconal Ministry makes the following recommendations to the conference:

1. Having met all of the qualifications for Diaconal Ministry, and been interviewed by the Division of Consecration, Certification, and Conference Relations, and the entire Board of Diaconal Ministry, we recommend C. Gary Freeman be certified as a Director of Music and be consecrated as a Diaconal Minister, and we recommend Glynda G. Groth be certified as a Director of Christian Education and be consecrated as a Diaconal Minister.

2. The Division and Board have also interviewed the following person and we recommend her for certification:
Cindy Palmer Shirley - Director of Christian Education

3. A Diaconal Minister who has transferred into the North Texas Conference during this year is:
Debra Dee Smith, effective June 1, 1984 from the Iowa Conference. She is Assistant Director of Elementary Ministries at Highland Park United Methodist Church in Dallas.

4. The following persons have requested leave of absence:
Mary Chaney Hayes and Elaine M. Ward

5. Dale Robinson has requested disability retirement.

We thank God for the churches of the North Texas Conference and the opportunities we have to be in ministry through them. We hope you, the annual conference, will encourage any lay employees not now a part of this ministry to give serious consideration to the Diaconal Ministry. Any persons interested in the Diaconal Ministry are encouraged to read THE CHRISTIAN AS MINISTER to help them with that decision.

This concludes our report. Thank you!

Ray L. Starnes
Chairperson
Board of Diaconal Ministries

DIVISION OF LOCAL PASTORS

The Local Pastor's Division has several basic functions: the examination of the candidates seeking Local Pastor status to evaluate their suitability, to oversee and assist them in qualifying for their License, and to assist Local Pastors to advance in their studies and, for some, into Conference Membership. We uphold the integrity of the Local Pastor category of ministry and the role they fill in the ministry of the United Methodist Church. It is the purpose of this division to provide fully qualified candidates for appointment within our Conference structure, and to see that the rights of these persons are fully protected, and that they are accorded all the benefits entitled them under the DISCIPLINE and rules of the North Texas Conference.

Attached is a list of Approved Local Pastors. The Local Pastor's Division recommends that only those names appearing on this list be appointed under Episcopal appointment for second or subsequent year in accordance with paragraphs 406-411 of THE BOOK OF DISCIPLINE 1984. Those who will be selected to serve their first year as Local Pastors during the Conference year 1985-86 will be interviewed during the spring of 1986 and may serve the first year without appearing before the Local Pastor's Division. All persons presently serving as Local Pastors were duly notified as to the need to meet with the Local Pastor's Division and their respective district superintendents have been notified as to whether these have appeared for examination before the Local Pastor's Division.

For those who will be appointed but have not qualified for their license as a local pastor, there will be a Licensing School at the Methodist Camp at Lake Texoma the week of August 17-22, 1986, in conjunction with the Central Texas Conference. Additional required seminars may be held during the year. Our educational program for licensing is in agreement with the guidelines published by the Division of Ordained Ministry in Nashville.

Interviews for Local Pastors by Division of Local Pastors:
March 18, 1986 Highland Park United Methodist Church, Dallas
March 25, 1986 Trinity United Methodist Church, Denison, TX

All district Committees on Ordained Ministry shall have met and submitted their recommendations for Local Pastors to the Division Chairperson by March 15, 1986.

THE REPORT ON COUNSELING ELDERS
BY
THE DIVISION OF LOCAL PASTORS
THE BOARD OF ORDAINED MINISTRIES
THE NORTH TEXAS ANNUAL CONFERENCE

1. Our Conference has been lax in fulfilling the disciplinary requirement for Counseling Elders for Local Pastors (See paragraph 411).

2. This Counseling Elder Program should focus on a personal relationship which will nurture, encourage, discern areas of need, and generally embrace the Local Pastor, bringing that person into the family of the Conference. Local pastors sometimes feel that they are treated as second class citizens. There is probably a basis for this feeling, hence, the need for a nurturing family relationship. We do not feel that a specific "check list" should lbe prescribed for this relationship. although a number of resources might be employed so that the counseling process is more than a friendly chat.

3. Counseling Elders should be familiar with the general process and expectations for Local Pastors, but they should not be expected to serve as authorities to guide Local Pastors through the process. Specific questions of this sort should always be directed to the Division of Local Pastors.

4. Counseling Elders should be selected from the following groups:

1) approved Supervising Pastors, and 2) selected others who preferably meet several of the following requirements: served on the Board of Ministry, especially the Division of Local pastors; served in the North Texas Conference as an Elder for several years; have had some training in supervision; have the recommendation of their Distsrict Superintendent; and are not currently serving as Counseling Elder to Probationary members. This last stipulation is in conjunction with the Division of Preparation and Qualifications. Because processes and relationships differ for Local Pastors and Probationers, it is felt that less confusion will result from not counselilng persons in both programs at the same time.

5. Each Counseling Elder should have two and not more than three Local Pastors. If a Counseling Elder is also serving as a Supervising Pastor, this number should be reduced. They should meet not less than quarterly, but some meetings might be informal over lunch, with families, etc.

6. Initial assignment of a local Pastor to a Counseling Elder should be generated out of the initial interview of the Local Pastor with the District Committee on Ordained Ministry. District Representatives to the Division of Local Pastors would keep current lists of Local Pastors assigned to each Counseling Elder. Counseling Elders will be assigned by the District Committee from the approved list as submitted by the Board of Ministry and approved by the Annual Conference. Counseling Elders may serve without regard to district Lines. Notification of assignments should be given to the Chairperson of the Division of Local Pastors. Between sessions of Annual Conference the Division of Local Pastors may approve additional Counseling Elders when needed.

7. Except where distance becomes a major factor in continuing the relationship, it felt that the same Counseling Elder should be with the same Local Pastor as long as possible, without regard to movement across district lines. When possible, the Supervision Pastor should continue as Counseling Elder. If either of the parties involved believes that a new assignment would be beneficial to the relationship, the District Committee on Ordained Ministry should consult with the parties involved, and make an appropriate recommendation. When the Local Pastor moves on to associate or probationary relationship, the person would then be beyond the jurisdiction of the Division of Local Pastors.

8. We do not wish to list the myriad of possible subjects which might be covered during the Counseling Elder Program. We believe intelligent probing and counseling will help to discover these areas of personal, pastoral and professional strengths and weaknesses of candidates.

9. There should be an orientation training meeting for Counseling Elders under able leadership. We recognize that time pressure will be a factor and that many persons lare already actie in various supervisory roles for the candidates. The interworking of the D.S., Supervising Pastor, District Committee, Field Instructor, Counseling Elder and Board of Ministry members must be clarified for each person involved so the process works smoothly for the candidate.

10. The foregoing suggest intensive personal counseling relationships rather than group meetings. Perhaps there should also be a quarterly meeting of all Local Pastors with Counseling Elders, perhaps with resource people to deal with various topics. The desire and need for this program idea will be explored at a later date.

11. Counseling Elders should be welcome to be present with the Local pastor at the annual interviews with the Local Pastor. The role of the Counseling Elder would be one of observer who can help interpret the dynamics of the interview. The Counseling Elder should not play the role of either advocate or accuser, but be a realistic sounding board for the Local Pastor.

I. PROCEDURE FOR ANNUAL CONFERENCE'S DEALING WITH DIVORCE AMONG THE CLERGY

> ("In marriages where the partners are, even after thoughtful consideration and counsel, estranged beyond reconsiliation, we recognize divorce and the right of divorced persons to remarry, and express our concern for the needs of the children of such unions"--The Book of Discipline of The United Methodist Church, 1976, Para. 71:C.)

The Discipline rightly makes no distinction between divorce occurring among the laity and among the clergy. However, we would be deceiving ourselves to deny that divorce within the clergy has a greater impact upon a congregation than divorce within the laity. We point out the adverse and disruptive feelings that often accompany divorce proceedings and are felt and shared by friends and family of the parties involved. This is amplified with divorce proceedings among the clergy because of stereotypical modeling which has become a part of the tradition of our society. We also recognize the possibility of congregations being nurturing communities and, thus, for Christian love to grow even under the unpleasant conditions which exist when the clergy family is in the process of divorce.

In an attempt to promote the most redemptive and therapeutic support of its clergy in the event of divorce, the following is the procedure which shall be followed in the North Texas Annual Conference of The United Methodist Church.

1. The Conference member will have taken every action possible toward reconciliation within the marriage. This shall include extensive counseling with a reputable marriage counselor, preferable with both partners to the marriage participating but, where impossible, with at least the clergy member's participation.

2. After counseling, the chairperson of the Division of Conference Relations shall be notified, and shall in turn call a meeting of the following persons:

a. The Chairperson of the Division of Conference Relations, presider.
b. The Distsrict Superintendent of the Conference member's District.
c. The District member of the Division on Conference Relations.
d. Two peers chosen by the Conference member involved.

3. At this meeting, the following shall be considered:

a. The reasons for the need for the divorce.
b. The desirability or necessity of meeting with the member, the respective Pastor-Parish Relations Committee, the spouse, and/or other parties.
c. The needs of other family members for emotional, financial and other support.

4. This committee shall make its report to the Cabinet.

5. Copies of this report shall be sent to the ministerial member and filed with the Bishop and Chairperson of Conference Relations.

II. QUESTION OF DIVORCE AND MINISTERIAL ORDERS

1. If a couple finds that their marriage has taken the course of separation and/or divorce, and the ministerial lmember has made every effort possible to strengthen and sustain the marriage, we will accept the spouse who is a ministerial member as acceptable for appointment, except:

a. When the ministerial member has been unfaithful to the marriage vows through adultery or other clearly immoral behavior and when divorce is secured as a result, this person will be considered unappointable by the Cabinet, or:

b. When the ministerial member and the partner in marriage have come to the place of separation and, when there is evidence that a marriage occurs closely after divorce with a person who figured even marginally in the separation, and the party remarrying is a ministerial member, then we would consider this person unappointable for a period of time.

2. When a ministerial member has been deemed unappointable, reinstatement may be possible when the individual desires to be re-established in ministry, has secured ministerial counseling and has taken psychological examination that will support their return to ministerial duties. The District and Conference Board of Ministry and the Cabinet must recommend and approve the action in accordance with the Discipline.

3. We acknowledge that each case must be considered personally and individually and no guideline can be developed or considered unquestionably.

REPORT
PERKINS SCHOOL OF THEOLOGY, S.M.U.
1984

The summer of 1984 was productive as Perkins School of Theology at S.M.U. received three large gifts and the Jurisdictional Conference voted to accept "Fair Share Goals" for theological education jointly for Perkins and St. Paul School of Theology. An anonymous $1 million gift was received to support

Bridwell Library operations. Longtime faculty member James Seehorn Seneker named Perkins beneficiary of income from a trust in support of a Christian education professorship, programming, and scholarships for M.R.E. students. A bequest from the estate of Gertrude Thompson has been used to establish an endowed fund for M.S.M. students.

"Fair Share Goals" are being accepted by Annual Conferences in the Jurisdiction for endowments to further strengthen scholarship aid for students, to endow the Perkins Intern Program, and to enhance the Perkins Continuing Education program.

With enrollment last Fall at an all-time high of 524 students, Perkins commits the highest dollar amounts of all United Methodist seminaries to student aid for all purposes, with over $1 million paid out. Tuition charges for the typical student enrolled full time were $3,800, with average scholarship support of $1,900. These figures do not include fees, room and board, books, or personal expenses.

The Perkins Loyalty Fund has continued significant growth, with a national phonathon and an active campaign among graduates which is expected to exceed the 1984-85 goal of $75,000. Four years ago, the drive netted just over $29,000. Rev. Kelly Williams, senior pastor at Chaplewood United Methodist Church in Houston, is this year's Loyalty Fund chairman.

In the second year of the new curriculum, reactions have been generally positive. The question about time required for graduation from Perkins was addressed in a survey showing that 87.5% of Perkins students completed their work and graduated within four years. Five persons in this class elected to take longer for various reasons, such as our residency program in the British Methodist Conference. 80% of our students elect to take a full year's internship, explaining the extended time for degree completion.

Joining the staff this year were the Rev. Beverly Sawyer from Little Rock, Arkansas, Associate Dean for Community Life, and Mr. Jim Lewis from Dallas, Director of Perkins Development. Dr. Stanley J. Menking from Drew University became Director of Continuing Education and the Doctor of Ministries program, and Dr. David Maldonado from Arlington, Associate Professor of Church and Society, accepted that faculty appointment in early 1985. A specialist in gerontology who has worked particularly with aging in the Hispanic family, he is Chair of the Texas Governor's Coordinating Council on Health Delivery Systems for the Aging. Dr. Richard P. Heitzenrater was named Albert Cook Outler Professor of Wesley Studies effective September 1. In addition he continues as Director of the Bridwell Library Center for Methodist Studies.

Active worship life in the community, with three regular, daily services, and the second year of formation groups, to which each first-year student is assigned, have enriched the Perkins community. In addition to the study program, an outstanding series of convocations and workshops have centered on "The Practice of Ministry." Emphasis weeks for women, for Hispanics, the Black Seminarians, and International Students have been added dimensions to training for the ministry at Perkins.

BOARD OF PENSIONS

In 1984, the North Texas Conference Board of Pensions continued on its schedule to reduce our unfunded liability while at the same time providing the best possible retirement benefits. The General Board of Pensions, on behalf of the Conference, paid a total of $799,370 in pension benefits to our retired ministers, widows, and dependents this past year.

In looking ahead to 1986, we make the following recommendations:

1. That the Service Year Rate for 1986 be $230 for Full Members of the Conference and $172.50 for Local Pastors.

2. That the following Special Grants be renewed:

   $183.34 per month for David Milam
   $172.06 per month for H. P. Williamson
   $ 3.91 per month for Shirley Johnson

3. That an amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year 1986, be and is hereby designated as a rental/housing allowance.

4. That the 1986 Conference Claimants apportionment be:

   $550,000 for Unfunded Liability
   $251,000 for the Comprehensive Protection Plan
   $ 35,359 for Board of Pensions Operating Expenses

As approved by the 1984 Annual Conference Session, the Board has established an independent Pension Office (in conjunction with the Commission on Insurance) and that office will be totally separated from Agency Service as of June 1.

We express our thanks to all of you, ministers, laypersons, and local churches for your continued support of the pension program. It is this support that prompted one of our recently retired ministers to say: "I may be a new 'retiree,' but I have already learned what a wonderful thing it is to have a pension plan like ours. It gives one such a feeling of assurance to know that our retired ministers are loved and cared for. I am really grateful to this wonderful church and Conference of ours and am proud to serve it."

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the North Texas Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disable ordained or licensed minister who is a member of this Conference;

NOW THEREFORE, BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year 1986 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the North Texas Annual Conference at the time of his or her retirement or disability;

2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or diabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to THE LESSER OF (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

COMMISSION ON INSURANCE

1984 was the most active year yet for our North Texas Conference self-funded medical program. We have more people enrolled, processed more claims, and paid more money in medical benefits than in either of the previous two years.

As of December 31, 1984, we had 826 units enrolled. 524 of these were clergy and 302 were lay employees. A total of 4334 claims were processed in 1984 compared to 3554 processed in 1983. Of the 1984 total, 3318 were for the clergy and 1016 were for lay employees.

In calendar 1984, we paid $593,171 in clergy benefits, a 40% increase over 1983, and $208,056 in lay employee benefits, a 20% increase over 1983. However, in January, February, and March of 1985, most of which was for medical service received in 1984, we spent another $223,978 for clergy medical benefits, and another $98,711 for lay employee medical benefits. With the first three months of 1985 added to calendar 1984, the Conference spent $817,149 in clergy medical benefits and $306,767 in lay employee medical benefits. Therefore, for medical service received in 1984, the Conference paid a total of $1,123,916.

In calendar 1984 the largest increase in amount of money spent for medical claims was for clergy dependents. That increase was 70% over 1983.

The Conference will be pleased to know that our administrative costs for the Conference Insurance office and for the company which administers our claims (James Benefits) continue to be low. Our administrative cost in 1984 was 6% of our total claims paid amount. The insurance industry average is 21%.

Three other items of significance have occurred since our last report to you:

1. As approved by the 1984 Annual Conference Session an independent Conference Insurance Office has been established (in conjunction with the Board of Pensions) and that office will be totally separated from Agency Service as of June 1.

2. The Commission is examining the possibility of establishing a Wellness Program as means for encouraging good health practices, thereby reducing our medical claims cost.

3. James Benefits has moved their office to Houston. They have assured us that the move will result in much better efficiency in the processing of your claims. All of you who are covered by our medical plan should have received a packet of materials detailing what this move means to you.

Finally, the Commission on Insurance recommends a 1986 Conference Insurance Apportionment of $898,500. We ask your approval of this apportionment when the Council on Finance and Administration makes its report.

REPORT
SOUTH CENTRAL JURISDICTION
1984

Nineteen hundred eighty-four marked the closing of one quadrennium and the beginning of another. Persons with responsibilities for 1980-1984 quadrennium were completing their work and making recommendations for the new quadrennium. General Conference met and left for all units of the church, suggestions and challenges for ministry. Leadership training opportunities were designed to support and give helps to annual conference, district, and local church leadership.

Many responsibilities were assumed by various leaders of the Jurisdicition during the Jurisdictional Conference session meeting in July of 1984. Three new bishops were elected at this conference: Bishop J. Woodrow Hern, Bishop Walter L. Underwood and Bishop Richard B. Wilke.

A very successful rally and workshop experience was provided by the leadership of the Jurisdictional Youth Committee. Approximately 2000 young people and their counselors participated in "Reclamation '84," held at Kansas City, Missouri.

The Joint Training Event was held with all of the general boards and agencies of the church providing leadership. The purpose of this event was to give helps and direction to persons assuming responsibilities in their respective annual conference for the new quadrennium.

The Volunteers in Mission program has attracted interest across the Jurisdiction. A number of work groups, especially youth groups, are making plans for ministry during the summer months of 1985.

Annual Conferences have been supportive of the Jurisdictional Fund. Seven conferences paid "in full" their apportionments for the calendar year 1984. Ninety-four point four (94.4%) percent of the total apportionments was paid, the total amount being the largest given of any year in the history of the Jurisdiction. Of the $205,000.00 apportioned for the Jurisdictional Administration Fund, $193,584.63 was paid. Dr. Donald E. Barnes and Mr. John G. Beall have represented the North Texas Annual Conference on the Jurisdictional Council on Ministries, and Dr. R. Bruce Weaver has served on the Jurisdictional Council on Finance and Administration. We are grateful for their work and support.

I would like to express my appreciation to many people across the Jurisdiction for the support and work during the time of my service as the Jurisdictional Executive Director. The position has multiple responsibilities that touch all ministries of the church. I would like to commend to you Dr. Earl B. Carter who has been selected to serve as the new Executive Director on my retirement. You will find him knowledgeable and dedicated to the various ministries of the church.

REPORT
LYDIA PATTERSON INSTITUTE
1984

Lydia Patterson Institute has a unique and important mission on the U.S./Mexico border in El Paso. The institute provides a bi-national, bi-cultural Christian environment where faith and knowledge interact to enrich and nurture hundreds of young lives yearly. A fully accredited pre-collegiate school, LPI offers a quality educational ministry to Juarez and El Paso students.

The majority of the 325 students attending LPI commute from Juarez daily. Approximately 25% are El Paso residents. All have a need of the quality Christian education and environment which the institute provides. Many begin their education at LPI with English-as-a-second-language classes, and then proceed to complete their pre-collegiate education. Everyone receives the full benefit of LPI's academic and religious life programs and environment. Twenty five teachers and staff are providing outstanding leadership to this mission at the present time.

Academic standards have been strengthened during the last year according to guidelines set by the Texas Education Agency, and student support services have been increased. A new Office of Student Life provides counseling services, social activities, spiritual life programs and student activities.

Tuition Assistance Grants are made to needy students, primarily those who are still being impacted by the continuation of the peso devaluation in Mexico. Having as a primary purpose to prepare students for higher education, LPI is participating enthusiastically in the newly formed Consortium for Hispanic Education in the Southwest, a group composed of United Methodist related educational institutions and conference representatives.

We are proud that the Board of Trustees has now also established a second major program at the Institute. This will be the Center for Cross-Cultural Educational Ministries. The purpose of this Center will be to provide the United Methodist Church with expertise and training for cross-cultural and international ministry and evangelism. Plans are to open the Center in the summer of 1985.

Lydia Patterson is the only United Methodist, predominantly Hispanic, educational institution remaining in the United States. The South Central Jurisdictional Conference affirmed LPI's strategic and unique mission at its 1984 session in Lubbock by recommending that each annual conference designate LPI a Missional Priority for 1985-88. We are thankful for this strong support from the Church and for the many local churches, groups and individuals who have given generously to this ministry over the year. Presently, 66% of the budget is met through church gifts. Sam Martinez has been named Director of a new Office of Development established last fall. We are also grateful for the Work Camp groups who visited and worked at LPI during last summer.

You have been a vital part of this educational mission in the past year, and we look forward to our continued partnership in ministry in the year ahead. On behalf of our students and staff, I say muchas gracias.

Ruben Salcido, president

XIV. STANDING RULES

RULE 1.

The Rules of Order adopted by the General Conference of the United Methodist Church shall prevail at all business sessions of the conference.

RULE 2.

The Conference Council on Ministries is constituted to execute the functions detailed in the current BOOK OF DISCIPLINE in addition to the coordinating functions in relation to the Conference Council on Finance and Administration.

RULE 3.

The membership of the Annual Conference Nominating Committee shall include: the bishop; the district superintendents; the conference lay leader; the district lay leaders; the chairpersons of Religion and Race, Ethnic Minority Local Church, and Status and Role of Women; one Asian representative from the Commission on Asian Ministries; the presidents of United Methodist Women, United Methodist Men, and United Methodist Youth Council. The conference directors and conference secretary shall be added as consultants (voice - no vote).

Nominations for persons to serve for a four-year term on the conference's various councils, boards, commissions and committees shall be made by the Conference Nominating Committee. The nominating committee shall seek to nominate persons who are qualified for and interested in the work to be addressed. No person shall be nominated for a position without previously agreeing to serve if elected. Persons who are absent without cause from half or more of an agency's meetings during the conference year have thereby automatically removed themselves from the membership roll of that agency and shall be replaced by the Conference Nominating Committee. The Conference Nominating Committee is authorized to provide for filling of such vacancies in the personnel of conference agencies between sessions of Annual Conference, unless otherwise provided for in the DISCIPLINE.

The North Texas Annual Conference shall make it a policy to rotate membership on conference agencies, limiting any person to eight (8) successive years on any one agency. However, a person may be re-elected to that conference agency after non-membership for four (4) years. The number of years of each person's term shall be listed after that person's name in the annual conference journal where the membership of the agencies is listed. Membership, except ex-officio, shall not be held at the same time on more than one quadrennial council, board, or division. This rule shall not be construed to apply to trustees of institutions.

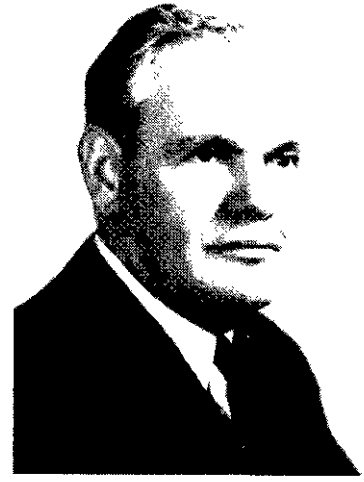
BISHOP WILLIAM CLYDE MARTIN



On Tuesday, September 4, 1984, the family and a large number of friends gathered in the sanctuary of the First United Methodist Church of Little Rock,Arkansas for the service of worship in memory of Bishop William Clyde Martin whose death on August 30 removed from the Council of Bishops the last member to have been elected by a General Conference. We came together to praise God for His wonderful works, and,on this occasion, to praise Him especially for the life and ministry of Bishop William Clyde Martin.

Sixteen bishops were among those present for the service. Ben Oliphint read the opening sentences and made the statement for the South Central Jurisdiction College; Kenneth W. Hicks gave the invocation; W. McFerrin Stowe read the Old Testament Lesson, the 23rd Psalm; Paul V. Galloway offered the pastoral prayer; Paul W. Milhouse read the New Testament Lesson, Romans 8:18-25; Dr. Clint D. Burleson made the statement for First United Methodist Church; James S. Thomas, President of the Council of Bishops, made the statement for the Council of Bishops; Roy H. Short gave a personal recollection; O. Eugene Slater gave the message; Lance Webb offered a prayer and a reading, Tennyson's "Crossing the Bar"; Richard B. Wilke gave the benediction.

Once in a long while one lives among us in such manner as to shame our littleness, inspire us to nobler living, assure us that we are God's handiwork, strengthen our resolve to walk in the pathway of righteousness, and bear witness to the truth that, in spite of all evidence to the contrary, "The Lord God omnipotent reigneth."

William Clyde Martin was born in Randolph, Tennessee, July 28, 1983. His early years were spent in East Texas and Helpstead County,Arkansas. He was a student at the University of Arkansas in 1913, 1914. He graduated from Hendrix College with the B. A. degree in 1918. He served in the Army Medical Corps in World War I. In 1919 he attended the United Free Church College, Aberdeen, Scotland. In 1921 Southern Methodist University's School of Theology conferred the Bachelor of Divinity degree upon him. Honorary degrees were given Bishop Martin by Nebraska Wesleyan, Baker University, Southern Methodist University, Central College, Hendrix College, University of Denver and Texas Christian University. SMU's Alumni Association honored him with the Distinguished Alumnus Award in 1952.

On July 1, 1918 he was married to Sally Katherine Beene. To this union were born three children, Donald Hankey, Mary Catherine and John Lee. His wife and children survive him; also nine grandchildren and seven great grand-children.

Bishop Martin's pastorates included Grace Church, Houston, 1921-1925, First Church, Port Arthur, 1925-1928, First Church, Little Rock, 1918-1931 and First Church, Dallas, 1931-1938.

William Clyde Martin was elected to the episcopacy at the last General Conference of the Methodist Episcopal Church, South, meeting in Birmingham, on May 3, 1938. He was assigned to the Pacific Coast Area of

the M. E. Church, South, where he served until the Uniting Conference in 1939, at which time he was assigned to the Kansas-Nebraska Area of the Methodist Church. He was the episcopal leader of this area until 1948; the South Central Jurisdictional Conference of this year assigned him to the Dallas-Fort Worth Area which, at that time comprised the Central Texas, the North Texas and the Northwest Texas Conferences. In 1960 the Northwest Texas Conference was included in another area. Bishop Martin presided over the Dallas-Fort Worth Area until his mandatory retirement in 1964.

Bishop Martin served the church well in many important positions. He was named chairman of the "Advance for Christ and His Church" for the 1948-1952 quadrennium. He held membership in the boards of Evangelism, Education and Missions. He was president of the World Division of the Board of Missions, 1960-1964. He was an active participant in the formation of the World Council of Churches in Amsterdam in 1948, and he held membership on the Council's Central Committee, 1954-1961. He served as President of the National Council of the Churches of Christ in the U.S.A., 1952-1954. His participation in, and dedication to the conciliar movement at every level was constant. He was President of the Council of Bishops, 1953-1954. His trusteeships include Southern Methodist University, Southwestern University, McMurry College and Methodist Home. His episcopal colleagues chose him to write and deliver the episcopal address at the 1960 General Conference in Denver.

Following retirement In 1964, Dean Joseph D. Quillian, Jr. invited Bishop Martin to be Bishop-in-Residence at Perkins School of Theology. Here he taught Methodist Polity and Discipline.

At the beginning of his episcopal career our colleague asked himself:

> How can I increase my stature?
> How can I keep my body in fit condition?
> How can I enlarge the borders of my mind?
> How can I help my soul to grow?

Through spiritual discipline, physical exercise--largely walking, the constant reading of great books, and careful writing, he found answers to these basic questins. "And he grew in wisdom and stature and in favor with God and man." He was teacher, preacher, author, administrator, and always a brother beloved. Numerous articles and two books, "To Fulfill This Ministry" and "Proclaiming the Good News," are products of his faith and wisdom. Upon his retirement in June 1964, Bishop Martin said, "If I am to confess to the activity that has given me the greatest degree of satisfaction I must say that it has been the preparation for preaching and the joy of giving to a congregation, large or small, the good news of God's mercy and grace."

Bishop Martin understood the human condition. He knew that a woman or man, separated from God, is less than human; but that a person joined to God through Jesus Christ is capable of fulfilling God's purpose and achieving the destiny God intended for His children.

Bishop Martin always appeared as able and adequate for every responsibility entrusted to him. He did his work without complaining. He faced criticism without striking out against his critics. In his response to the tribute paid him at retirement by his beloved colleague, Bishop Paul E. Martin, he said, "I have a strong belief that the church is going to recognize more fully its responsibillity to interpret and demonstrate the will and mind of Christ in all areas of human relations."

Bishop Martin's acceptance of, and obedience to Jesus Christ was the primary element of his faith and practice. The ARKANSAS METHODIST of May 19, 1977 records an interview with Bishop Martin. In answer to the question directed to him, "If you had one sermon to preach what would be your theme?" Bishop Martin said, "Jesus is Lord." This was the theme of his life and ministry. In William Clyde Martin the Wesleyan

challenge that we unite the two so long divided, knowledge and vital piety, found consistent and redemptive expression.

We join with his dear wife, Sally, his children, Donald, Catherine and John, and his grandchildren and great grandchildren in acknowledging our loss. But with his family we unite in praise and thanksgiving to Almighty God for the life and Christian witness of William Clyde Martin. And together we shout "Hallelujah! The Lord God Omnipotent reigneth."

FRED RUSSELL EDGAR, SR.

Standing Rule 10 in the 1984 North Texas Conference Journal states among other things that the Date of Birth and Death should be indicated in the obituary. This data should be easy enough to determine. The appropriate certificates plainly indicate October 7, 1911, and June 9, 1984. Everybody,though, who knew Fred knows those dates don't tell the whole truth. He did come into this world at Bossier City, Louisiana, on October 7, 1911, but he had a truly unique capacity to find new life, new worlds to experience,and new dimensions dimensions of being Fred Edgar. Fred did in fact provide us a truly unique, thoroughly proven model of "born again"...and again... and again....His date of birth and death then do not measure the scope of his life. As Don Benton said in his sermon for Fred,"For Christians, there doesn't have to be 'all complete here.' In fact, there can't be. And so his ministry continues as a part of his eternal life."

Fred died very unexpectedly (while working) the 9th of June of 1984. But very little Christian reflection is required to know that very much of the true spirit of Fred is alive still AND working in his family and friends...most assuredly in the people he served in the North Texas Conference at Highland Park, Oak Lawn, and Lake Highlands. When one thinks of those whose lives were so influenced in the New England Conference, the Army Chaplaincy and New York, one can only begin to imagine the scope of his ministry. Many of those people probably don't know of his death. It could be they're closer to the "whole" truth than we are.

The Apostle Paul said that he was never "knocked out." Fred never "burned out." Like his Lord, Fred was "acquainted with grief" especially in the loss of his beloved Reba, but also like his Lord, Fred was well acquainted with joy and through his life and ministry shared joy in quantum proportions. As a fellow staff member at this church I, along with numerous others at this church and other congregations and groups, are all recipients of that joy.

To his dying day he was preaching, teaching, and building. His latest mission being the support of Alaska Pacific University. A good deal of his spirit is working today through a committee building a Scholarship Fund in his name. The above is mentioned because Fred would NEVER miss an opportunity to make a pitch for someone or something he believed in -- even in his "obituary."

The Journal also asked us to indicate the place of the burial and where and when the "final rites were held." The celebration of Fred Edgar's life and ministry was held at Highland Park Church on June 12, 1984. The service of interment at Restland Cemetary. But, Fred's final RITES are celebrated in all the "Rights" he supported and nurtured in people. Those "Rights" will go on forever.

ELLA LAMB BEARD

On 8 January services were held in Clarksville, Texas with burial in the Detroit cemetery. She is survived by her daughter, Ellen Beard of the English, Texas community near Clarksville.

For the four years that I knew Ella Beard she was very seriously incapacitated, yet there was always a beautiful sense of"shinning through" that let you know that her lovely spirit was intact and waiting patiently to be released from her infirmities. On several occasions while visiting her, her very countenance would light up as she recalled old friends of days gone by. Many times she would quietly begin to sing some of her old favorite hymns.

She bore her illness with a wonderful sense of dignity to the very last. You always knew that you were in the presence of a lady who possessed a telling sense of the Grace of God in her own life.

Her life was characterized by gracious dignity and a serene and unshakeable faith in God. Many rise up to call her blessed.

LENA MAJOR HOY

Lena Hoy was born in Washington County, Missouri, on July 1, 1902. She was living with her sister's family in St. Louis, Missouri, when she met Harry C. Hoy, then serving an appointment with Grace Church. They were married in 1934.

Lena served with Harry in his ministry in the St. Louis Conference and later as they moved to Texas where appointments included Owenwood Church in Dallas, Wesley Church in Dallas, Kavanaugh Church in Greenville, superintendent of the Paris District,First Church in Grand Prairie, and First Church in McKinney. Following her husband's retirement they remained actively involved in the work of the church, first in Dallas and later in McKinney, where Lena remained following her husband's death in 1975.

Lena was a marvelous example of Christian Faith for those who knew her. She was proud of the work she shared with her husband and took great joy in sharing memories of those years together. Services were conducted at First United Methodist Church of McKinney on August 18, 1984, by Chief Warden and Lois Cooper.

SUSIE JANE HUGHES SMITH

Susie Hughes Smith was born in Hopkins County,Texas on November 10,1898 to William W. and Sarah E. Hughes who were originally from Alabama. She joined The Methodist Church at Old Saltillo when a young girl.

In November, 1928, she married the Rev. Grover C. Smith, a Methodist minister. After his death in 1954, she lived in Gainesville for twenty-four years where she was active in the work of the Woman's Society of Christian Service.

In March, 1978, Mrs. Smith entered Blanton Gardens, the retirement section of the C. C. Young Memorial Home for the elderly in Dallas. She enjoyed those latter years where she was able to live independently until the last few weeks of her life. Susie made friends easily and was a friend in her last home.

Susie was a person with down-to-earth common sense and no pretense. She was a stable, good person. Her Christian faith was a very integral part of her life.

Susie Hughes Smith was buried February 18, 1985 at the Old Saltillo Cemetery. She was survived by a number of nieces and nephews.

XVII. REPORT OF THE CONFERENCE STATISTICIAN 1984 REPORTING YEAR

1984 is the closing year in our SECOND CENTURY of Methodism in the United States. As we close this Second Century, let me share with you some of the trends in The United Methodist Church since 1970.

Between 1970 and 1980 the United Methodist Church has experienced a decline in membership of 1,026,293 which is a decline of 9.8% over that 10 year period. This decline has continued since 1980, but at a slower rate of decline.

The majority of United Methodist Churches have fewer than 200 members. At the end of 1982, 65.3% of the churches were in that catagory. Church size was as follows:
--19.3% of the churches had less than 50 members
--22.9% of the churches had between 50 and 99 members
--23.1% of the churches had between 100 and 199 members
--22.9% of the churches had between 200 and 499 members
-- 8.8% of the churches had between 500 and 999 members
-- 3.7% of the churches had 1,000 or more members

At the end of 1982 the United Methodist Church had a total membership of 9,457,012. Ethnic membership made up 4.7% of that total membership.

Between 1974 and 1982 the following changes took place in the ethnic membership:
--Black membership increased by 0.6% to a total number of 361,389 or 3.8% of the total membership.
--Hispanic membership increased by 0.6% to a total number of 37,518 or 0.4% of the total membership.
--Native American membership decreased by 4.4% to a total of 13,472 or 0.1% of the total membership.
--Asian membership increased by 116.0% to a total number of 36,601 or 0.4% of the total membership. From 1974 to 1982 the number of Asian congregations increased from 67 to 202.

During these years our South Central Jurisdiction was losing membership, but at only half the rate of the loss of the General Church.

Not all Conferences were experiencing a loss, though. In our Jurisdiction the Texas Annual Conference, the Conference to the east and southeast of our Conference, showed a 7.4% increase from 1971 to 1981. The Central Texas Conference, our sister Conference in the Dallas - Ft. Worth Area, and the Conference to the south of us, showed a 3.1% increase during those 10 years. The Louisiana Conference showed a 2% increase, and the Rio Grande Conference showed a 19% increase in membership during that time. Our North Texas Conference had a decline of 2.5% in those 10 years.

The SC Jurisdiction also showed a loss in Average Attendance at Sunday Worship Services, though this loss was less than the national average. North Texas Conference posted a 4.5% increase in Worship from 1971 to 1981.

Our Jurisdiction showed a 18.3% decline in Church School Membership during that period, and our North Texas Conference showed a 14.7% decline.

The Jurisdiction showed a decline in Church School Attendance of 26.7% from 1971 to 1981, and North Texas showed a decline of 22.6%. The national decline was 31.2% for that period.

During this 10 year period in our Jurisdiction there was an overall addition of 44 pastoral charges, but there was an overall loss of 256 churches. The North Texas Conference showed an increase of 17 charges, but a decrease of 6 churches.

In comparison to the other Conferences in our South Central Jurisdiction at the end of 1981, our North Texas Conference was below the Jurisdictional average in both Morning Worship Attendance and in Church School Attendance. We were, however, above both the Jurisdictional and National average in Per Capita Giving.

One last note before the report of our Conference for last year. The United States Census Bureau shows that between 1970 and 1980, Texas had a 27.1% growth rate in population, or an increase of 3,030,000 new persons in our State.

Now I come to the report for our North Texas Annual Conference for 1984, the closing year in our Second Century of Methodism. REMEMBER, this report is merely the combining of your individual church reports, the records of what you in your own congregation have written for 1984. It will not cause a standing ovation, nor will it cause our voices to be lifted in shouts of joy or praise.

At Annual Conference last year we all rejoiced when this report showed that we, as an Annual Conference, showed an increase in all 4 person catagories of: CHURCH MEMBERSHIP, WORSHIP ATTENDANCE, CHURCH SCHOOL MEMBERSHIP, and CHURCH SCHOOL ATTENDANCE.

In 1984 we show a loss in all 4 of these person areas in our Conference.

--Church Membership	151,303	a loss of 271	
--Morning Worship Attendance	48,951	a loss of 74	
--Church School Membership	75,957	a loss of 1,357	>2%
--Church School Attendance	34,423	a loss of 1,128	<3%

Our finances showed an increase. The GRAND TOTAL SPENT in 1984 was $43,311,590. This is an increase of $3,836,044. Our per capita giving increased by $26 to $286 Per Capita. Other financial amounts include:

--Paid on Indebtedness	$ 4,105,368	increase of $ 356,190
--Paid on Building	4,797,380	Decrease of - 175,306
--Paid on Program & Church Sch.	5,890,489	increase of 514,679
--Paid on Other Operating Exp.	10,894,799	increase of 1,491,287
--Paid on Direct Benevolences	2,756,125	increase of 542,817
--Paid on World Service	958,219	increase of 58,774
--Paid on General Adv. Specials	367,852	increase of 159,478
--Paid on Conf. Advance Specials	672,962	increase of 142,503
--Paid by UMW for Missions	242,484	increase of 22,135

The most important part of this report deals with persons. The most important work of the church is dealing with persons.

We are almost half way through the 1985 reporting year. We cannot do anything about 1984, but this is certainly an appropriate time to go back home and take time to find out what has happened so far in your church these first 5 months. Then set about the work of reaching out to persons in the months ahead.

DO NOT THINK ABOUT NUMBERS..... THINK ABOUT PERSONS!!!!!!

Think about the newcomer to your community; the children; the shut-in the single parent family; the children; the teen-agers; the long time resident who does not attend a church; the children.

Reach out to the individuals in your community in love in the name of Jesus Christ. The numbers will take care of themselves.

It is a fact that each Sunday in your community there are far more persons OUTSIDE the walls of your church than there are INSIDE. The opportunity is there, Bishop Russell noted earlier in our Conference that there are more unchurched persons in Texas than there is total population in each of 40 other States.

Perhaps we will be wise enough to talk to our 2 sister Conferences which almost surround us, and find out why their Conferences are grow-

ing and what they are doing to reach persons in the name of Jesus Christ.

Perhaps we will be wise enough to listen to the words of our Lord and take them seriously:
--"Go into all the world and make disciples..."
--"Suffer the little children to come unto me..."
--"Go out into the highways and hedges and bring them in..."
--"Feed my sheep..."
--"Even as you have done it to one of the least of these, you have done it unto me..."

Our Lord is interested in persons, not in numbers. Jesus died for persons, not for numbers. We live in one of the fastest growing areas in the nation, and yet, we either are not willing or able to take care of our own, much less reach out in love to all these persons who fill our growing communities.

I believe the Lord plans for the Church to grow in grace and to grow in numbers, not to wither and die. If this is true, then something must happen. The Church must take a new direction. A change must happen, and that change must begin within each of us as an individual. I pray for that change this year.
