I. CONFERENCE HISTORY

United Methodism in North Texas began in 1816-17 as part of Arkansas Methodism in the Missouri Conference of the Methodist Episcopal Church. When the denomination divided in 1844-45, Methodists of this area became a part of the East Texas Conference of the Methodist Episcopal Church, South. In 1867, the approximate area of what is now this conference, was set apart as the Trinity Conference, and later (1874) renamed the North Texas Conference.

The Methodist Episcopal Church had little organized work in Texas after 1845, until 1867 when a Texas Mission was formed. Out of that Mission came the West Texas Conference (primarily Black). In 1939 the Methodist Episcopal Church, the Methodist Episcopal Church, South, and The Methodist Protestant Church united to form The Methodist Church. The West Texas Conference, while a part of The Methodist Church, was in the Central Jurisdiction (all Black). The North Texas Conference was a part of the South Central Jurisdiction, which was one of the geographical jurisdictions.

At the Uniting Conference to form the United Methodist Church held in Dallas, Texas, April 1968, a new Annual Conference was formed in North Texas including members, congregations, and ministers of the North Texas Conference of The Methodist Church of the South Central Jurisdiction(1939- 1968), and members, one congregation, and one minister of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (1886-1968).

At a merger conference held in Dallas, Texas, in May, 1970, members, congregations, and ministers of the North Texas Conference; and members, congregations, and ministers of the West Texas Conference located within the geographical boundaries of the North Texas Conference became the North Texas Conference of The United Methdist Church.

The sessions of the current North Texas Conference are numbered first from 1867, the organizational date for the North Texas Conference of the Methodist Episcopal Church, South, and the Texas Mission of the Methodist Episcopal Church and secondly from 1970, the date of merger of the former North Texas and West Texas Conferences.

A list of the Conference Sessions of these separate conferences is printed in:

(1) the 1939 Journal of the North Texas Conference, South Central Juris diction, (P.28-29) and the 1967 Journal of the North Texas Conference, South Central Jurisdiction (P.140);

(2) the 1967 Journal of the West Texas Conference of the Central Jurisdiction (P. 88);

(3) the 1967 Official Record of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (P.17); and

(4) other histories of Methodism in North Texas.

VIII. DAILY PROCEEDINGS

CLERGY SESSION
June 1, 1997

John Thornburg led the singing of "And Are We Yet Alive" to open the Clergy Session of the North Texas Annual Conference at 4 p.m., Sunday, June 1, 1997, in the sanctuary of First United Methodist Church, Dallas, with Bishop William B. Oden presiding. Lois Cooper offered the opening prayer.

Bishop Oden noted the historical significance of this Clergy Session since it would be the first to vote on persons for the new orders of ministry approved by the 1996 General Conference, particularly Deacons in Full Connection. Bishop Oden also reminded members of the spiritual formation retreat for all clergy (elders, deacons, and local pastors) which will be held October 16 - 18 in Wichita Falls, explaining the significance of the retreat to be "a time when we begin shaping our orders, the nurturing bodies through which we can grow together in grace."

Pat Beghtel-Mahle, Chair of the Board of Ordained Ministry, offered the reminder that the Residency Program has been changed from two years to three and that important dates and qualifications for candidates for ordained ministry are spelled out in the Board's report.

Beghtel-Mahle began consideration of Part II of the Business of the Annual Conference: "Pertaining to Ordained Ministers and Local Pastors" (Disciplinary Questions) by affirming that all the clergy members of the conference are blameless in their life and official administration, Question 17. Regarding membership of the Committee on Investigation and the Administrative Review Committee, Question 18, Beghtel-Mahle deferred consideration until the report of the Committee on Nominations was before the entire conference session.

Dennis Wilkinson, Candidacy Registrar, called attention to the listing of persons who have received the certificate of candidacy for ordained ministry, Question 19, and asked for corrections to the printed report. Jeff Wallace was added to Dallas Northeast; Sylvesta Shed was removed from Dallas South, and Martin McLee was added to Dallas South.

Keith Payne Boone, Chair of the Division of Local Pastors, announced that there are 88 persons serving as local pastors in the North Texas Annual Conference. Boone stressed the importance of these pastors to the work of the whole annual conference. Boone introduced Questions 20-23, noting that Maryann Meador should be removed from Question 21a.

Stan Seat, Chair of the Division of Conference Relations, presented Questions 24-27, as well as Questions 47-61. Bishop Oden offered words of appreciation for the years of faithful ministry of those who had applied to this Clergy Session requesting the retired status. They were invited to stand as the vote was taken; all were approved.

Doug Miller, Chair of the Division of Preparation and Qualifications for Elders, directed attention to Questions 28 and 29, inviting those seeking to be elected as Probationary Members under the 1992 Discipline to stand before the Clergy Session as their names were called: Terri Leigh Hale, Jerry Lee Jones, Van L. Lazaroff, Maryann McFadden Meador, Deborah A. Moon, Russell E. Noland, Vanessa Vaughter. Bishop Oden reminded those seeking election that membership is the basis of our covenant life together and that it is out of the covenant that our orders come. All were elected as Probationary Members. Vote was then taken on election to Deacon's Orders (Question 41); all were elected. Miller continued with Questions 30-32, noting the addition of Bettye Elledge to Question 31c (transferred from the North Alabama Conference, Question 39).

Justin Tull, who chaired the interview committee of the Division on Preparation and Qualifications for Deacons, invited persons seeking election and ordination as Deacons in Full Connection to stand before the Clergy Session as he read Question 33a (transitional provisions for diaconal ministers): Joy Anderson, Marilyn Atkinson, Josephine Biggerstaff, Bonnie Bridger, Karen L. Craft, Dale Daniels, Kathryn Johnson, Karan Marshall, Timothy Morrison, Laura Rothe, Paul C. Sackett, Sarah Squires, Charles Stokes, Phyllis Wilson, and Rita Yoes. Bishop Oden examined the candidates, using for the first time the questions of Paragraph 321.4d of the 1996 Discipline. Vote was taken on each individually; all were elected.

After presenting Question 34, Doug Miller invited persons seeking election to Full Connection to stand before the Clergy Session (Question 35): Daniel Dalton; Kenneth R. Dickson; Rebecca D. Frank; Julia A. Halstead; Sara Jane Hardaway; Diana Brown Holbert; William E. La Barr; Katherine G. Lyle; Debra Hobbs Mason; Janet Bell Odom; Joerg M. Rieger; Robert L. Spencer, Jr. Following Bishop Oden's examination of the candidates using the historic questions, vote was taken individually; all were elected. Vote was then taken on election to Elder's Orders, Question 42, excepting Daniel Dalton whose Elder's Orders had previously been recognized; all were elected. Willie Johnson, previously an Associate Member, was also elected to Probationary Membership (Question 42b).

Miller continued the Business of the Annual Conference with Questions 36-38 and 43-46. Joan LaBarr, Cabinet Representative to the Board of Ordained Ministry, presented Questions 39 and 40, inviting those who were being received by transfer from other annual conferences to stand. All were approved. Robert Davis clarified the listing of his former annual conference to read "West Ohio."

Willie Johnson enjoys his election to probationary membership.

Board of Laity is introduced by Conference Lay Leader.

Sarah Squires, Chair of the Division of Preparation and Qualifications for Deacons and Diaconal Ministers, presented Part III of the Business of the Annual Conference. Questions 65-71 were submitted as printed, deferring consideration of Question 65 until the report of the Committee on Nominations was before the entire conference session and noting that Alan Hitt was seeking consecration as diaconal minister (Question 67). Question 72b was corrected with the addition of Laadan Hart Smith, and Questions 73-76 were submitted as printed, except Question 75a which was corrected with the addition of Betty Crowell (effective 6/15/97).

Stan Seat moved to accept the full report of the Board of Ordained Ministry, excepting Questions 18 and 65 (pending the report of the Nominating Committee which would be voted upon by the full session of the annual conference). The motion was seconded and approved.

Bishop Oden offered the closing prayer, remembering those of our covenant connection who have entered the church triumphant and offering thanksgiving to God for their lives, faith, and families.

The Laity Session of the North Texas Annual Conference began at 4 p.m., Sunday, June 1, 1997, at First United Methodist Church, Dallas, with a great number of laity in attendance. MONDAY MORNING BUSINESS SESSION
June 2, 1997

Organization of the Conference

The business session of the 1997 North Texas Annual Conference opened in the Plano Centre, Plano, Texas, at 8:30 a.m. with the singing of "All Praise to Our Redeeming Lord," "Jesus, the Name High Over All," "Blow Ye the Trumpet Blow," "And Can It Be That I Should Gain," and "Rejoice, the Lord is King." Mike Walker led the singing, accompanied by Tim McLemore, piano. Bishop John Wesley Hardt gave words of greeting and the opening prayer.

Bishop William B. Oden called the session to order. The following names were submitted to the Conference by Larry George, Conference Secretary, for election for the coming year:

Assistant Secretaries: Ben Shinn, Carroll Caddell, Ouidga Meyers
Head Teller: Burt Palmer, Jr.
Committee on Courtesy and Resolutions: Judy Gilreath, Claire Cunningham, John Rosenburg, Raymond Williams

Nominations were accepted and elected. Attention was given to the up-dated 1997 Lay/Clergy Equalization Table which had been distributed to the conference. Larry George moved that the equalization be adopted; it was approved [LA1]. Directions were given to appointed persons to register at the district superintendents' tables by verifying information on the green-bar roster. Lay members were asked to stand in order to receive registration cards.

Order of the Day: Episcopal Address

Bishop Oden began his 1997 Episcopal Address by reflecting upon the meaning of episcopal leadership in the North Texas Conference and noting that "if a conference is to have clarity of purpose and faithfulness in mission, it must be because of shared leadership and common vision," resulting in a healthy United Methodist conference that is bishop-led but not bishop-centered.

Bishop Oden noted several questions which will be instrumental in helping the conference in discovering a common vision and a mutually owned mission:

* How do we live out our faith in United Methodist congregations?
* How do we translate our mission into common action?
* The Discipline says the annual conference is the basic body of the church. Is this really true today? If so, how?
* What is the relationship between the annual conference and the local church?
* How do we structure ourselves for faithful witness to Jesus Christ the next five and ten years?

Bishop Oden lifted up several realities he has discovered as he has listened and learned about the Conference. First, the North Texas Conference covers one of the fastest growing areas in our nation. "United Methodism has always had a strong stake in the growth of this area and will continue to do so. The resources of the church in the North Texas area are limited only by our vision, our commitment, our connectedness, and understanding of stewardship."

Second, the General Conference has clarified our mission -- to make disciples for Jesus Christ. Bishop Oden lifted up several priorities arising from our mission:

* How can our local churches become more effective in inviting, making, and nurturing disciples of Jesus Christ?
* What must we do to take seriously the reality that most new disciples are likely to come from new congregations?
* How do we reclaim our children and youth as new disciples?

As we move ahead "with boldness and in prayerful approach," Bishop Oden announced his call for three major consultations, open forums to raise consciousness and begin forming plans of action in three areas. The first will be a consultation on church planting; the second, on ministry in an urbanizing society; and the third, on our camping ministry.

"What we need," Bishop Oden said, "is a plan of action, marching orders, and a bold vision to match the times in which we live. We have the resources. Do we have the will and resolve?"

Gary Regan, who served for three years as the Conference Treasurer, was recognized for his service. Other members of the Council were also recognized.

Whitehead reported that a fidelity bond for local churches is being continued in the amount of $25,000. Included in the budget was a pension plan to fund fully the pre-1982 service years for ministers of the conference by the year 2011. The Council reported its hope that capping the 1998 budget at $7,467,330 would make more funds available in local churches for mission and ministry. The Division of Campus Ministries moved an amendment to the budget to increase the cap by $35,665; the amendment was defeated. A motion to table consideration of the budget until Wednesday morning was likewise defeated. The vote was taken on the recommended 1998 Conference Budget to Be Apportioned; the budget cap was approved [LA2].

Vote was taken; the legislation was approved [LA4].

Thalia Matherson, Chair of the Board of Church and Society, reported that, in an effort to increase its effectiveness and helpfulness to local churches and the annual conference, the Board would focus on one specific area rather than trying to address a wide spectrum of issues. David Shawver, Chair, reported for the Structure Study Task Force; other members of the Task Force were Hal Brady, Tommy Brummett, Bill Crouch, Mary Brooke Casad, Pat Deal, Fred Durham, Tom Gulick, Ron Henderson, Thalia Matherson, Gary McCain, Sheron Patterson, Don Renshaw, Alys Richards, Donna Whitehead, and Carol Woods. Shawver outlined the meetings, debates, hearings, and issues that were part of the process of the Task Force, resulting in an unfinished product that is "only the beginning of an on-going process in organizing ourselves to fulfill the mission that faces the church."

Referring to the report printed in the Conference Workbook, Shawver listed senior staff positions of the annual conference as Director of Professional Ministries, Direction of Mission and Church Planting, Treasurer and Director of Conference Administration, Area Director of Communications, and Director of Shalom Zones and Outreach.

Shawver presented for vote the items in the report which required conference action: establishing the Conference Coordinating Committee, establishing the Annual Conference Session Planning Committee, and continuing the Conference Council on Ministries Restructuring. All were approved.

Order of the Day: Lay Leader's Address

Bishop Oden introduced Alys Richards, Conference Lay Leader. Richards greeted the conference and introduced her theme, *Where Do We Go from Here?* Answering her own question with the recognition that there is an inherent human instinct to return home and that, for the Christian, "home" is Jesus Christ, Richards reflected: "As we continue working together as partners in ministry to bring people home to Christ there are four important areas we need to address:

* Commitment
* Creativity
* Communication
* Celebration."

Nominating Committee Ballot

Bishop Oden directed the Conference on the procedure for voting for members of the Conference Nominating Committee: no nominations; laity vote for laity; clergy, for clergy. Due to Jo Biggerstaff's election to Deacon's Orders and Full Connection, her 1998 term as laity on the Committee was declared vacant. Ballots were distributed; laity were instructed to vote for two persons; clergy, for one.

Council on Ministries (continued)

Don Renshaw, Chair, introduced Joe Twellman, Chair of the Budget Committee. Twellman explained the budgeting process and the Committee's efforts both to consider carefully each agency's request for funding and to honor the Council on Finance and Administration's request to reduce the 1998 budget overall by 5 percent. Twellman moved approval of the 1998 Conference Council on Ministries Apportionment Allocation as printed in the Conference Workbook. Following considerable discussion from the floor regarding whether the proposed budget truly reflected the mission of the church, the question was called, and the motion carried. Vote was taken on the proposed budget; the budget was adopted [LA6].

Renshaw moved to receive the entire report of the Conference Council on Ministries; it was approved.

Connectional Representatives

Robert Allen, Coordinator of Health and Welfare, introduced representatives of United Methodist institutions.

Ken Durand, Executive Director, brought the report of C. C. Young Memorial Home and its mission to provide its almost 600 residents with a full continuum of care and support, including independent living, personal care, and skilled nursing.

Larry Watson, Executive Director of the Methodist Mission Home, offered an overview of the Mission Home's services: emergency counseling/consultation for teen pregnancy, adoption services, maternity/adoption counseling, residential maternity services, and job training/independent living for persons who are deaf or hard of hearing.

Tom Strother presented a brief report on the Methodist Children's Home in Waco. It is the mission of the Children's Home to express God's love by providing superior services that protect, support, and enhance the lives of children, youth, and their families.

Tom Gulick shared the good news of Wesley Village, Denison. Gifts and contributions have made possible a Benevolent Fund of more than $20,000. Wesley Village is operating on the positive side of cash flow, and there is a 96 percent occupancy rate. The note at Texas Methodist Foundation in the amount of $175,000 was paid off in February, 1997.

Sarah Wilke, Executive Director, shared comments about Wesley-Rankin Community Center as it prepares for its centennial celebration in five years. Wesley-Rankin touches the lives of 300 children, youth, adults, and senior citizens each day as it fulfills its mission to provide support, education, and hope to the people of West Dallas.

Bishop Oden welcomed Bishop Ben Oliphint, President of the Texas United Methodist College Association, who brought greetings to the Conference and explained the Association's work in providing scholarship funds for college students.

TUESDAY AFTERNOON BUSINESS SESSION

Nominating Committee Ballot #2

Following Joe Twellman's leading of a hymn, Bishop Oden reported that there had been no elections on the first ballot for the Conference Nominating Committee. A motion was made, seconded, and

carried to read the names of persons, laity and clergy, who received ten or more votes. The names were read; and a second ballot, taken.

Institutional Representatives (continued)

Bishop Oden introduced Robin Lovin, Dean of Perkins School of Theology, who brought greetings to the Conference from the 13 United Methodist colleges and universities and highlighted Perkins School of Theology's commitment to innovative programs of pastoral and theological education.

Bishop Oden welcomed Ron Patterson, publisher of the United Methodist Reporter. Patterson stressed the paper's partnership with the Conference and local churches to spread the gospel. Bishop Oden recognized Gary Regan, staff of The Texas Methodist Foundation, who stated that the Foundation has $22 million in assets and continues to maintain its relationship with local churches.

Board of Ordained Ministry (continued)

Doug Miller, Chair of the Division of Preparation and Qualifications for Elders, continued the introductions of newly elected elders:

> Daniel Dalton (full connection only; orders previously recognized) serves the Mt. Zion United Methodist Church of Paris. He and his wife, Lucille, are the parents of six children.
>
> Diana Holbert's home church is First United Methodist Church in Dallas; she currently serves Trinity, Duncanville. She and her husband, John, have two children.
>
> Janet Bell Odom's home church is St. Luke's "Community" United Methodist Church; she is currently serving Lambuth United Methodist Church. She and her husband, Elzie, have three children.

Stan Seat, Chair of the Division of Conference Relations, continued the introduction of clergy who had been voted the retired status during the 1997 clergy session:

> Jimmie Mobley has 46 years of service. He and his wife, Mary Frances, are the parents of three children. His last appointment has been the Lakewood United Methodist Church, Dallas.
>
> Bob Bush has served 40 years. He concluded his ministry at the Bogata/Lone Star/Cuthand/Rosalie Charge. He is married to Tallie.
>
> Ramon Womack has served for 31 years. His last appointment was to First United Methodist Church, Dallas. He is married to Milly.

Stan Seat moved approval of the "The Policy Statement on Sexual Misconduct" which had been approved in principal Monday afternoon as part of a joint resolution from the Board of Ordained Ministry and the Commission on the Status and Role of Women. A motion was made to strike the first sentence of the next-to-last paragraph so that that paragraph would begin, "Sexual misconduct involving a clergy person ..." Seat accepted the deletion as a friendly amendment, and the policy statement was approved [LA3].

Nominating Committee Ballot (continued)

With tabulation of clergy ballots completed, Jo Biggerstaff, who had served three years as a lay member

of the committee, was elected to a one-year term as clergy, completing a four-year term on the committee according to Standing Rule2. A third ballot was taken among the laity.

Tellers tally voting on constitutional amendments.

Youth members participate in business sessions.

Board of Church Extension

Billy Ratcliff, Chair of the Board of Church Extension, highlighted the report which was printed in the Conference Workbook. Three new churches started in 1995 continue to grow and flourish -- Flower Mount, Stonebridge, and Suncreek. Other new congregations and fellowships are, likewise, growing -- Pleasant Grove Fellowship, Jubilee Fellowship, Church of the Disciple, and Vista Ridge. Hispanic ministries are also being supported.

Ratcliff recognized Dean May of the Stonebridge congregation, who shared good news of the growth in northern Collin County, and Rufus McKnight, who has given more than twenty years of legal counsel on behalf of the Board of Church Extension. Ratcliff also agreed to convey to the Board a recommendation from the floor that the Board no longer assess a fee to local churches for use of portable buildings.

Board of Trustees

Jim K. Brown, Chair of the Board of Trustees, moved the recommendations of the Board:

(1) Discontinuance of Richland United Methodist Church and their merger with St. Paul United Methodist Church, Garland, to be called Cornerstone United Methodist Church;
(2) Abandonment of Messenger Chapel United Methodist Church; and
(3) Merger of Porter's Chapel United Methodist Church with God's Kingdom United Methodist Church.

Vote was taken individually on the legislation; each recommendation was approved [LA7].

Nominee Committee Ballot (continued)

The results of the lay balloting were announced. Barbara Wiggans was elected to a four-year term; Richard Stanford to a one-year term.

Equitable Compensation

Jimmie Mobley, Chair of the Commission on Equitable Compensation, offered corrections to the report as printed in the Conference Workbook, lowering the apportionment request from $50,000 to $47,500 and

raising the IRS-allowed mileage rate from 31 ½ cents per mile to 32 cents. Mobley then moved adoption of the report; it was approved [LA8].

Board of Pensions

Merwin Turner, Chair of the Board of Pensions, presented the Board's recommendations:

(1) that 100 percent of the pension or disability benefit payments received by a minister be designated as a rental/housing-related expense; and
(2) that the pre-1982 service year rate for 1998 be established at $384; and
(3) that the 1998 Conference Board of Pensions Budget be set at $2,097,649.

Noting that the legislation would be updated to reflect the relevant paragraphs in the 1996 (rather than 1992) Discipline, Turner moved approval of the recommendations. Each was individually adopted [LA9].

Commission on Insurance

Julie Gould, Chair of the Commission on Insurance, gave the Commission's report. Gould stated that a subcommittee had been formed to work with representatives of the retirees on a plan for insurance options for that group. Dental and pharmaceutical expenses have increased in the past year. Changes in these programs may be needed in January.

Clergy Housing Committee (continued)

Gifford Long, Chair of the Clergy Housing Committee, presented an amendment to add a clause to No. 6, Part III, Moving Expenses, on Page 151 of the 1996 Journal:

", except in the case of those going on disability leave who shall be eligible to receive funds for the initial move into housing not already owned or supported by a local church, up to the maximum amount allowable."

The amendment was approved [LA5].

Constitutional Amendments

Bill Crouch briefly highlighted the rationale and potential effect of each of the seven constitutional amendments which were printed in the Conference Workbook. Bishop Oden explained that passage of the amendments was dependent upon a two-thirds affirmative vote of the aggregate number of members of the several annual conferences present and voting. The vote will be canvassed by the Council of Bishops and announced to the church. A standing vote was taken on each proposed amendment; each was approved [LA10]:

Amendment	For	Against	Abstentions
I	453	5	0
II	462	0	2
III	476	7	0
IV	452	2	0
V	436	2	2
VI	362	104	10
VII	437	22	4

Gary McCain moved that Alys Richards' speech (Laity Address) be printed and made available to the Conference. The motion was seconded and approved.

TUESDAY EVENING
SERVICE OF CONSECRATION AND ORDINATION

The Service of Consecration and Ordination was hosted by the Custer Road United Methodist Church. The standing-room-only crowd was reminded of the historic nature of the gathering. It was the first ordination of deacons in full connection, in keeping with the 1996 General Conference changes in the ordering of ministry. Ecumenical representatives participating in the service were Larry Spencer, Executive Director, Greater Dallas Community of Churches; and O. Thomas Austin, African Methodist Episcopal Church. Music was offered by the Chancel Choir of First United Methodist Church, Richardson, with Richard Fleming, directing. Tom Boyd preached on the theme, "The Power Beyond the Faltering Sanctuary." The examinations for consecration and ordination were conducted by Bishop William B. Oden. Family and friends were invited to stand in place for silent prayer during each consecration and ordination. A reception in honor of those who had been consecrated and ordained was held in the Fellowship Hall after the service.

WEDNESDAY MORNING BUSINESS SESSION
June 4, 1997

The Wednesday morning session opened with hymns and prayer. Bishop Oden introduced Paul Escamilla, Chair of the Worship Committee for the 1997 Annual Conference. Escamilla expressed appreciation for the work of the members of the Committee.

Jake Schrum, President of Texas Wesleyan University, was introduced to the Conference to bring greetings. Bishop Oden also recognized Charles Harrison and youth members of the 1997 Conference.

Bishops' Initiative: Children and Poverty

Don Barnes, Chair of the Bishops' Initiative Task Force for the North Texas Conference, began by commending the North Texas Conference for the 400-plus food boxes they had provided for hunger relief

in North Korea and challenging the conference to do more through additional cash donations.

Barnes explained that the task force was selected not to do the work of the Annual Conference with regard to the issues of children and poverty, but to resource the Annual Conference in carrying out its mission to this particular population. Barnes announced that the first meeting of the task force would be on June 21, as he read the names of the persons who had been invited to serve: Cathy Bingman, Ann Boehmer, Sheryl Burleson, Tracy Curts, Janet Dumas, Frank Estrada, Larry George, Anthony Harris, Sandra Hitz, Patsy Johnson, Levy Laguardia, Dale McEowen, David McLaurin, Jimmie Mobley, Allison Neal, Marilyn Oden, Jim Sanders, Martha Stowe, Linda Whitman, together with ex officio members Georjean Blanton, Mary Brooke Casad, Pavlon Everett, and Thalia Matherson.

United Methodist Men and Lay Speakers spread word of their programs.

Resolution on the School of the Americas

The "Resolution to Close the School of the Americas," which had been on the table for 24 hours, was introduced by Jack Soper who moved its adoption. After receiving a second, Soper spoke to the motion. Several persons rose to speak both in support of and in opposition to the resolution. A motion was made in the form of an amendment to delete Actions 1-4 and keep Action 5 as stated. The amendment was seconded and debated. A motion to close debate carried. The standing vote on the amendment also carried. The amended resolution was then placed before the Conference; it was approved as amended by deletion [LA(R)11].

Council on Finance and Administration (continued)

Donna Whitehead, Chair of the Council on Finance and Administration, moved the adoption of the complete Council on Finance and Administration Report as presented in the Conference Workbook, including the entire 1998 Conference Budget. Charles Cox made a motion to suspend the Conference Rules in order to allow reconsideration of the budget cap; the motion did not prevail. Bishop Oden acknowledged several individuals for words of personal privilege regarding the impact of the 1998 budget before the floor returned to the motion at hand. A vote was taken, and the entire Council on Finance and Administration report was accepted [LA2]

Next Annual Conference Session

Judy Gilreath moved that the site for the 1998 Annual Conference be referred to the Agenda Committee. The motion was seconded and approved.

Courtesy and Resolutions

Tony Palaganas requested that all agency meetings of the North Texas Conference be published, using all of the communications vehicles of the conference. Jim Bowden asked that Bishop Oden's Episcopal Address be printed for distribution to the conference. Judy Gilreath, Chair of the Committee on Courtesy an Resolutions, expressed appreciation to several members of the conference for their work during the sessions and offered a closing resolution:

Whereas: The North Texas Annual Conference held its annual session June 1-4, 1997, at the Plano Centre, Custer Road United Methodist Church, Plano, Texas, and First United Methodist Church, Dallas, Texas, with the theme "Sanctuary;" and

Whereas: The Conference opened with dual meetings of clergy and laity at First United Methodist Church where clergy voted into membership the largest ordinand class in recent memory and Duke Sparks lighted a fire under the laity with his address about the "Perfect Heart;" and

Whereas: The celebration on Sunday evening of "Sanctuary" was a dynamic and inclusive event as the newest, the oldest, and the in-between United Methodists of the North Texas Conference gathered in celebration of the gifts and graces in the Conference; the congregation was inspired by the witness of the SEEK campers and thrilled by the music of the Faith United Methodist Church Choir and the Variations Youth Choir of First United Methodist Church, Dallas; the many participants in this wonderful service showed that all kinds are on the ark with differences to celebrate; the San Juan Fellowship, the Kesheth, Koinonia, and Amazing Grace Dancers all came on the ark, a tabernacle in the midst of chaos; and

Whereas: The realization of a multitude of ministries and missions within the North Texas Conference showed the way of enfolding persons; the remembrance of the saints who have joined the church triumphant, the recognition of the ministry given by retiring elders and diaconal ministers and the anticipation of commitment from newly ordained and consecrated persons affirm the unbroken chain of professional ministry; and

Whereas: Our conference preacher, Dr. Tom W. Boyd, fully explored "Sanctuary," and Bishop William B. Oden in the Episcopal Address stressed that the North Texas Conference is bishop-led, not bishop-centered, as he challenged the members to a common pilgrimage of wrestling toward a common vision and common mission;

Therefore, Be It Resolved: That expressions of appreciation be extended to Bishop Oden for his leadership during Conference sessions and for securing an outstanding Conference preacher, the Cabinet, the Conference Lay Leader Alys Richards for her challenge to all to go home -- home to Jesus – Scott Smith and the Agenda Committee, the Restructure Committee, Conference staff, all conference agencies and their elected leadership (especially those whose terms of service are ending) for submitting reports and/or legislation; and

Be It Further Resolved: That gratitude be extended to all participants in worship services; the staff at Plano Centre; and the Custer Road and First United Methodist Churches, who allowed us to celebrate and rejoice in evening worship services; childcare facilities at the First United Methodist Churches of Dallas and Plano; and Bill Matthews and his staff in the printing of the North Texas Conference DAILY REPORTER; and

Be It Further Resolved: That all of us will depart committed to creating Sanctuary wherever we may be.

SENDING FORTH:
A BAPTISMAL RENEWAL AND COVENANT-MAKING SERVICE

Following an 11:15 a.m. adjournment, a Service of Baptismal Renewal and Sending Forth of pastors was held. As appointments were read by each district superintendent, pastors and laity joined in renewing vows made at their baptism. The Spirit of Jazz ensemble from Vista Ridge United Methodist Church provided music between district readings. Tom Boyd, conference preacher, offered the sermon, based on Acts 27:13-38 as text, read by Marilyn Oden.

About the
CONFERENCE THEME AND LOGO

"Sanctuary" was selected as the theme of the 1997 North Texas Annual Conference by the conference preacher, the Reverend Dr. Tom W. Boyd. The image of sanctuary holds together both the outward-reaching and inward-turning of the church's life in Christ. In the words of Dr. Boyd, there are "tensions betwen the security of the sanctuary and the demands beyond it. Thus, the 'Body of Christ' is perpetually suspended between its inner nurturing life and its compassionate encounter with the world."

Texts for preaching and worship during the conference were suggestive of this dynamic of sanctuary:

Genesis 7:1-5, 17-24
The Promise of the First Sanctuary
Jonah 1:1-17
The Peril of the False Sanctuary
Matthew 14:22-33
The Power Beyond the Faltering Sanctuary
Acts 27:13-38
The Church in the Fractured Sanctuary

From these scriptures, the symbol of the ark/rainbow logo was developed by Dottie Smith of Northaven United Methodist Church, Dallas. Ms. Smith also created a banner which, in color and texture, portrayed the theme and was displayed during the conference business sessions and worship.

FINANCE AND ADMINISTRATION LEGISLATION

FROM: COUNCIL ON FINANCE AND ADMINISTRATION

1996 RECEIPTS

BACKGROUND: The 1996 receipts from local churches for connectional causes were the highest ever in dollars. Team work across the conference was the key to our success. All but 31 of the 324 constituted churches were able to pay their apportionments in full through their own budgets.

The Council is especially grateful for the helpful support of our connectional missions and ministries by all congregations and appreciative of every contribution to connectional causes. The leadership of the District Superintendents and Bishop was especially commendable.

Total dollars ($7,179,391) received for apportionments increased $251,218 in 1996 over 1995, a 3.6% increase. The final percentage of apportionments paid in 1996 was 95.7%, a decrease of 1.3% from 1995.

Our giving to all connectional causes was $8,207,861, an increase of $188,337 (2.3%) from 1995. Receipts for non-apportioned causes totaled $1,028,470, a decrease of $62,881 (5.8%) over 1995.

For many years the Finance and Administration Council has paid close attention to the most recent statistics for local church operating expenses in determining the percent of increase or decrease in the recommended apportionments that the Annual Conference sets for the upcoming fiscal year. In 1996 these local church operating expenses used in calculating each congregation's apportionment decimal increased 5.5%.

The Council recommends that again in 1997 every church takes seriously its connectional responsibility to pay 100% of all apportionments, with 10% of the annual amount remitted monthly. Monthly payment beginning in February of at least 10% of each church's annual apportionments has been a recommended goal for many years. As more and more churches attain this goal, the budgets of Conference agencies can be managed more efficiently with less loss of investment income.

A longstanding concern must be lifted up for emphasis. The Discipline mandates that Conference Claimants, District Superintendents, Episcopal, and Equitable Compensation are apportioned funds which are to be paid on the same schedule as the pastor's salary is paid. The Cabinet joins the Council in calling attention to the necessity that every church adhere to this mandate monthly.

Another continuing opportunity exists. The assistance of all churches is needed in making contributions to the District Second Mile Apportionment Fund Advance Special, thereby assuring 100% payment of the District's total apportionments. Our excellent record of apportionment payments in 1996 was achieved in part because of these funds. Check with your District Superintendent to learn more about how your church can help.

LEGISLATION: The Council on Finance and Administration recommends the following for adoption by the North Texas Annual Conference.

SECTION I. INFORMATION AND RECOMMENDATIONS

A. Information

1. Fidelity Bond for Local Churches

Again in 1997 (annually since 1985) the Council on Finance and Administration has purchased a fidelity bond policy to cover all persons authorized to handle local church funds in every church in the Annual Conference. In the unlikely event that a responsible person makes off with the church's money, the policy covers up to a $25,000 loss.

2. United Methodist Building

Now in its tenth year of housing the offices of conference agencies, the United Methodist Building continues to provide multiple benefits for the whole Annual Conference. The budget for the operation of this facility for 1996 was covered by both earnings from the investments and our conference apportionments. The Conference Trustees have responsibility for its upkeep.

3. Investment Earnings

In 1996 our interest earnings of the Conference Treasury totaled $162,454 which represents a $26,328 decrease over 1995. From these investment earnings there are designated Trust Funds that earned $49,821. These funds are Church Extension monies (conference loan fund), Trustee monies, Health Benefit Disability Trust Fund, and smaller amounts (disability and emergency funds). The Finance and Administration office received $112,634 for operating expenses of the United Methodist Building, two small holding funds and the agenda committee for the cost of Annual Conference. The breakdowns of these funds are reported below:

UM Building	$96,518
Annual Conference Expense	15,908
Transfer to Reserves	208

The Council has voted to incorporate investment earnings as a deduction from all funds to be apportioned in 1998. The UM Building and all Annual Conference Expenses are presented in the Conference Administration Budget.

4. Information Systems

The Computer sub-committee of CF&A continues to work toward effective computerization of the work of the church while keeping in mind that not every local church has made the decision to computerize. The annual conference and district offices continue to upgrade the computer systems that were first put in place in the early 1980's. The six district offices are operating with software and hardware compatible with the United Methodist Offices.

The current system allows the Conference Journal to be produced in camera ready form for the publisher. Desktop publishing is an everyday practice and accessing the World Wide Web is a matter of pressing a few keys. The statistical tables (as seen in the back of the Conference Journal) are collected onto spreadsheets at the district offices and then merged into master files

at the Conference Office. Local church leaders' files are also computerized at the district offices and merged at the Conference Office. A program is currently under construction that will allow pastors to enter their charge conference information electronically onto a disk that will then be taken to the district on check-out day. The goal is to have the program ready for use by September 1, 1997.

The Commission on Communications has established a North Texas Conference HOMEPAGE on the Internet. The address is WWW.NTCUMC.ORG. Many services are available on the HOMEPAGE including, Bishop Oden's weekly article that appears in the UMR, Summer Events registrations, conference staff and office information, links to other web sites, important meeting and event information and the Connection for local church newsletters.

The main server in the UM Office has been upgraded to a Pentium 586 with 4 gig mirrored drives. The system operates on a NOVELL local area network (lan) managing 25 individual work stations. Next steps include connecting the Bishop's Office and the District Offices to the United Methodist Building computer which will complete a total networking system for conference operations.

5. Policy Concerning Accountability

All budgets presented to annual conference for approval shall be supported by the following documentation:

1. Identification of the specific organization or individual who will receive the apportioned monies (answering the question -Who will receive the funds?)
2. Description of the nature and purpose of the expenditure (Answering the question - For what purpose will funds be spent?)
3. Explanation of how each expenditure connects with the mission of the annual conference and the particular conference agency requesting the funding. (Answering the question - Why is this an appropriate expenditure of apportioned monies?)

This information shall be made available to the members of Annual Conference as part of the budget-approval process.

B. Recommendations for Legislative Action

1. Beginning with this Annual Conference, the Council nominates L. Marvin Guier to serve as the Conference Treasurer for the remainder of the 1997-2000 quadrennium.

In light of the agreement that the Conference Treasurer will also serve as the person responsible for many of the administrative tasks of the Annual Conference, the additional title of Treasurer/Director of Administration is recommended.

2. Auditor for the Conference Treasury

The Council recommends the selection of McGee, Haza & Company as independent auditors of Conference funds for 1997.

3. Resolution Concerning 1998 Budget

The Council's recommendation is a 2.2% increase over 1997 Conference budget.

This budget does not include approximately $400,000 which will be apportioned for district budgets. The exact amount of these budgets will be voted on in District Section meetings in May, 1997. 1996 expenditures and 1998 District budgets will be included in the 1997 Conference Journal.

This Annual Conference budget makes it possible for us to follow through with a two-year commitment on the part of the conference to address the issue of pension payments for current and future retired pastors (and spouses) with years of service prior to 1982. With the amount budgeted this year, we reached for the first time the amount needed to fund our current pension payments and begin paying on our unfunded pre-'82 service years. This is a significant accomplishment on the part of the conference, for it has involved reallocating of budgets by the North Texas Conference Council on Ministries, the Cabinet, the Conference Administrative offices, the Conference Board of Pensions, and several other Conference Agencies, along with General Conference apportionments.. The Council appreciates every effort that has been made to accomplish this goal.

Another challenge awaits us, and that involves how best to address apportioned money used for Health Insurance Supplements. This was the other item that required major increases in this year's budget. In December 1989, the Annual Conference voted to supplement the Health Insurance premiums according to appropriate guidelines. Our intent was to use Conference apportionment money to help those churches that could not pay their appointees health premium and to assist those clergy who could not pay their dependent premiums. Also the Conference pays 50% of our retirees and their spouses premiums. It is not clear when this is supposed to phase out. There has been approximately a 40% increase in these payments over last year. The Insurance Commission is considering ways to deal with these subsidies in the future.

Whereas, the Council, in responding to the desire of the Conference to prioritize its missional giving and to make available resources to be spent in the local church,

Be It Therefore, Resolved That:

The North Texas Conference, meeting in Plano Centre, June 2, 1997, set the total 1998 expense budget not to exceed $7,467,330 (a 2.2% increase from 1997 budget, in the amount to be apportioned, excluding District Budgets).

SECTION II. RECOMMENDED GOALS TO LOCAL CHURCHES

A. That local churches accept the challenge to grow in spiritual strength by designating no less than 25% of their total annual budgets for causes beyond their local churches.

B. That local churches plan to remit at least 10% of their annual apportionments before the 15th of each month beginning in January or February.

C. That apportionments be given first claim by local churches in their beyond-the-local-church payments with advance specials and other benevolences viewed as second-mile giving.

D. That local churches assist in achieving 100% payment of all apportionments for connectional ministries and missions in every district through voluntary contributions to the District Second-Mile Apportionment Fund.

E. That all charges either reimburse their local church appointees by voucher for travel as professional expenses based on mileage logs at the IRS approved mileage rate, or if travel allowances are paid, that appointees maintain a mileage log as information for the pastor-parish relations committees.

SECTION III. SALARY, BENEFITS AND EXPENSES FOR SUPERINTENDENTS AND DIRECTORS

The Council on Finance and Administration recommends that there be no changes in the superintendents and directors'(Treasurer/Director of Administration and Director of Ministry) salary ($63,102) for 1998 in keeping with the conference's desire to address the pre-1982 pension payments.

Parsonages are provided in six (6) districts. Utilities, travel, and expenses are to be reimbursed by vouchers. The housing allowance for Treasurer/Director of Administration and Director of Ministry is recommended to remain the same for 1998 as 1997 ($16,406).

SECTION V. GUIDELINES FOR COMPUTATION OF 1998 APPORTIONMENTS FOR LOCAL CHURCHES

A. Formula for Two-Part Decimal:

1/3 membership and 2/3 finance

B. Procedure for Computation of Decimal for Each Church:

The membership part is computed by dividing the total 1996 church membership of the Annual Conference (less discontinued churches and fellowships = 149,337) into the 1996 membership of each church. This becomes the church's membership decimal.

The finance part is computed by adding the amounts of the operating expenses reported paid by each church in columns 64b, 65b, 66a, 66c, and 67-72 of the 1996 Statistician's Report. (No funds reported in other statistical columns are included in this computation.) This total is then divided by the Conference total of these same columns (less discontinued churches and fellowships = $38,481,962). This becomes the local church's finance decimal.

The finance decimal is doubled. The membership decimal is added to the doubled finance decimal. This total is divided by three to become the apportionment decimal.

C. Procedure for Computation of Apportionments for Each Church:

The apportionment decimal for each church is multiplied by the Conference total of each apportionment to determine the amount that church is asked to pay toward the apportionment. The only exception is the District Administration Fund Apportionment which is at the present time computed uniquely in each district office.

D. Margin for Correction:

To assure that 100% of the amount of each apportionment will be distributed to the churches, no more than one quarter of one percent may be added to each apportionment when needed.

SECTION VI. RECOMMENDATIONS REGARDING CHURCHES WHICH DO NOT PAY FULL APPORTIONMENTS.

The Council makes the following recommendations:

1. That CF & A, the Cabinet and Bishop find ways to encourage and affirm congregations and pastors for their efforts and achievements, even when they fall short of the full payment of apportionments. We believe reprimand, embarrassment and/or a stigma attached to a pastor or a congregation is not productive, and in fact, may be counterproductive and should not be used.

2. That the Annual Conference find ways to value congregations which are in transition or in crisis by some other criteria than finances and full payment of apportionments.

3. That each District Superintendent create a team of five persons which will offer assistance to the local congregations and pastors in developing a strategy to move quickly toward paying apportionments in full. This team will work in concert with the District Superintendent.

4. That the Annual Conference continue its present practice of reviewing the financial viability of charge arrangements and pastoral appointments, taking into account specifically the impact of neighborhood transitions on the financial strengths and potential of a congregation. We encourage the cabinet to continue to seek to align charges and make appointments in ways that will minimize overhead and maximize the potential for growth and financial strength.

POLICIES AND PROCEDURES ON SEXUAL MISCONDUCT

FROM: COSROW AND THE BOARD OF ORDAINED MINISTRY

BACKGROUND: The following resolutions are submitted to the 1997 North Texas Annual Conference of the United Methodist Church jointly by the Conference Board of Ordained Ministry and the Conference Commission on the Status and Role of Women:

WHEREAS, the North Texas Annual Conference of the United Methodist Church believes that it must state clearly and forcefully its opposition to all forms of sexual misconduct and develop policies and procedures designed to prevent and respond effectively to such misconduct;

LEGISLATION: NOW, THEREFORE, BE IT RESOLVED, that the North Texas Annual Conference Policy Statement on Sexual Misconduct, in the form submitted to this 1997 Annual Conference, is hereby approved and adopted in all respects as the Conference's general statement in opposition to sexual misconduct within the Conference.

1) guidelines and procedures for reporting incidents of clergy sexual misconduct, and for the voluntary mediation or other alternative resolution of complaints, consistent with the *Book of Discipline* and the decisions of the Judicial Council;

2) guidelines and procedures for reporting and resolving incidents of sexual misconduct within the Conference by persons other than clergy, including paid staff, counselors, lay volunteers or others;

3) the continuation and enhancement of ongoing education within the Conference relating to sexual misconduct, with particular emphasis on the prevention of misconduct and the broad

dissemination of information regarding the Conference's policies and procedures and the resources available to persons who may be victims of sexual misconduct;

4) the continuation and enhancement of training for persons involved in the complaint resolution process, including those in positions of authority in accordance with the *Book of Discipline* and advocates or support teams provided to assist victims in understanding, accessing and utilizing the Conference's policies and procedures, and the clear delineation of the roles of such persons in the process; and

5) procedures for the screening of applicants for staff or volunteer positions at the Conference and local church levels, particularly for persons who will work with children and youth.

RESOLVED FURTHER, that the North Texas Annual Conference reaffirms the legislative proposal adopted by the 1995 Annual Conference relating to the creation and annual distribution, through 1998, of a comprehensive brochure relating to sexual misconduct, and requests the Division of Conference Relations to prepare and print an updated version of the brochure, entitled "Maintaining healthy relationships: What you should know about clergy sexual misconduct," and cause it to be distributed throughout the Conference in accordance with the 1995 legislative proposal.

CONFERENCE MOVING ALLOWANCE

FROM: CONFERENCE CLERGY HOUSING COMMITTEE

BACKGROUND: Texas has deregulated intrastate moves and the moving companies were exempted from forming an in-house tariff known as Tariff Max 3. This is a 66% increase over the old rates, but unlike the old rates, these new rates can be discounted. Therefore, we are working on contracts with any mover who is willing to submit a contract for a specific discount and is also willing to bill the Annual Conference directly for the moves. Another change is that we now have two kinds of intrastate moves: 1) Contiguous County moves are moves within a county or to an adjoining county, and 2) Mileage moves are moves that pass through one county to reach another. All Contiguous County moves are done at an hourly rate whereas the Mileage Moves are billed by the mile. We have no idea how to change our rate schedule until the results of the 1997 year moves are tabulated. Initial studies indicate the rates will be close to the 1996 rates, but mileage moves are now computed differently and it is difficult to determine exactly how the rates compare.

SHORT MOVES - Another problem is that a two-mile move can cost as much at the hourly rate as a 40-mile move. We believe this will cause all moves less than 40 miles to be paid at the 40-mile rate. Our hope is that the expense for all moves, whether Contiguous or Mileage, will be kept as low as possible while using professional movers.

INSURANCE - We have found Replacement Cost Insurance at the rate of $265 for $50,000 of coverage and $325 for $100,000 of coverage. We want to change the insurance stipend to $300 and have a blanket insurance coverage for all full-time appointment moves figured at the mileage rate. Insurance would not be an option, but would be provided to all full-time appointments. Replacement Cost Insurance is only valid for moves using licensed and bonded movers.

CONTRACTS - Each company with whom we have a contract can make all or nearly all of the moves we anticipate. We have no exclusive contracts, but because we are bidding a large number of moves, we have

been able to secure better rates. Any one of these companies can make any of our moves. You can call locally, but take these rates for comparison. If a local mover wants to be added to the list have them call Gifford Long at 903-784-6330.

We hope the Annual Conference will be patient in giving us another year to work with this new system. Therefore, we recommend that the following take effect at this Annual Conference for the current year and until otherwise changed by the Annual Conference.

LEGISLATION: Moving Expenses Part B. Eligibility for Funding #2 and Moving Expenses Part C. Method of Payment #1. #2, and #3 will now read:

B. Eligibility for Funding

2. Retiring ordained clergy or full-time local pastors shall be eligible to receive funds for their initial move into housing not already owned or supported by a local church upon retirement, up to the maximum amount allowable. In circumstances in which a clergy member planning to retire moves prior to the retirement date, reimbursement for a move made within one year prior to the retirement date shall be made upon retirement contingent upon the presentation of documentation of costs incurred.

C. Method of Payment

1. All moves will be paid as stated in the "Moving Allowance Chart" and Replacement Cost Insurance will be provided for all full time moves with a $300 stipend to be used for any other documented moving expenses the clergy family chooses.

2. A list of movers that will bill the Annual Conference directly will be provided by the receiving District Superintendent. All expenses that are within the Annual Conference allowance will be billed directly to the Annual Conference by those moving companies. The receiving church and moving clergy/family will not be responsible for any part of the expense that is within the Annual Conference Allowance. If a moving company is used that will not bill the Annual Conference directly, then the moving clergy/family is responsible for the bill and will be reimbursed by the Annual Conference for all documented expenses that are within the Annual Conference Allowance. Any documented expenses paid by the moving clergy/family are to be submitted to the receiving District Superintendent. The receiving District Superintendent shall then submit these documented expenses to the Annual Conference Treasurer. The Annual Conference Treasurer will be the final arbitrator concerning any question about moving costs, documentation, or payments. The Conference Treasurer shall issue payment to the moving company or the entity that incurred the expense.

3. A written estimate must be submitted to the receiving District Superintendent by May 15 for moves in June, and within one week of the announcement of a midyear move. The District Superintendent will then give approval to the moving company or the entity incurring the expense for the move. Arrangements for payment of any expense in excess of the Annual Conference Allowance will be made prior to the move. (See Allowance Addendum Chart in Conference Policies, 4. Clergy Housing Standards, III B. 5.)

RECOMENDED MOVING PROCEDURES

1. Both receiving and sending District Superintendent will give Moving Procedures, a list of moving companies that will bill the Annual Conference, and the amount of their allowance to clergy.

2. Clergy gets estimate from moving company of their choice. They can work out payment with the Annual Conference if it is not on the list by having the mover call the conference Treasurer or Gifford Long at 903-784-6330.

3. Clergy submits the estimate to the receiving District Superintendent for approval with an estimate of any other expenses that may be incurred.

4. District Superintendent approves the move and calls the moving company with that approval by May 15 or as soon as the clergy gets the estimate for a mid-year move.

5. District Superintendent mails copies of the estimate and check sheet to Conference Treasurer.

6. District Superintendent mails Conference Treasurer copies of any expenses incurred by clergy or receiving charge.

7. Conference Treasurer reimburses those expenses and pays moving companies.

8. Conference Treasurer mails copies of all payments made for moves to receiving District Superintendent.

EQUITABLE COMPENSATION ANNUAL DETERMINATION

FROM: COMMISSION ON EQUITABLE COMPENSATION (EQUITABLE SALARY)

BACKGROUND: Annual determination of equitable compensation fund

LEGISLATION: The budget for Commission on Compensation for Conference Members and Full-time Local Pastors: The Commission on Equitable Compensation requests that minimum equitable compensation support and administrative expenses be apportioned at $47,500 for 1998.

1. Guidelines for Conference Members and Full-time Local Pastors

   A. Commission on Equitable Compensation requests that $26,000 be set for the minimum equitable compensation for 1998.

      1. Minimum equitable salary (including base, utilities, amount for vouchered travel reimbursement, dependent premium payments made on behalf of the local church, dependent premium supplemental payments made at the discretion of the District Superintendent, and other subsidies received) for active members of the North Texas Conference serving full time is $26,000.

      2. Adjustments for service:

Years of Service	Equitable Compensation Amounts
0-5	$26,000
6	26,500
7	26,600
8	26,700
9	26,800
10	26,900

      3. Compensation for additional churches on a charge:

         Each charge with more than one church shall receive $200.00 additional for the second church and $100.00 each for third through fifth additional churches.

      4. Recommendation for housing, utilities, travel and pension expenses.

         a. Housing shall be provided in a church owned parsonage or provided for with a monthly allowance.
         b. Utilities shall be provided with payments made by the local church or reimbursed when paid by the pastor.
         c. Travel shall be reimbursed at the IRS rate of 32¢ per mile (with appropriate records and documentation provided to the church). The local church may opt to provide a monthly travel expense allowance.

      5. Local Pastors serving full time:

Five years or less	$20,000
Six years or more	21,700

         Recommendations for housing, utilities, travel and pension expenses are the same as above.

   B. The following policies are proposed to the North Texas Annual Conference for the distribution of equitable compensation assistance in 1998:

1. A local church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches whose pastors receive salary subsidy should be open to linkage with other churches in order to provide full-time ministerial conference members with a minimum work load of 250 members, the number believed by the Commission is necessary to support a pastor. Smaller churches should be encouraged to accept linking with each other or with larger churches to reduce the need for subsidy.

2. Equitable Compensation levels can best be met when appointments are open to all ministerial members without regard to race or sex. We continue to urge every conference member to make the subject of a fully open Conference and adequately supported ministry at the local church level a matter of daily personal prayer. Only as the love of Christ dwells in us can an Annual conference be a fellowship of caring persons.

3. Growth in stewardship should be achieved by all below-minimum remuneration churches. In making application for salary supplement, District Superintendents are to provide evidence of stewardship education and growth on forms provided by the Commission on Equitable Compensation.

4. Tenure payments are designed to honor the years of service of pastors who continue for more than five years in ministry to below minimum compensation charges because of the needs of the Conference. The Bishop and the Cabinet are urged to make every effort to move pastors to above-minimum compensation charges within five years after they begin full-time service.

5. Applications for salary subsidy to the Commission on Equitable Compensation are to be made by the District Superintendent on forms provided by the Commission and completed applications must be approved by the Commission in session or by no less than two of the three members of the Executive Committee on the Commission.

6. The Charge conference of any charge unable to pay the minimum salary set by the conference shall be informed by the District Superintendent of the guidelines for receiving equitable compensation assistance. The charge shall be informed of the amount required to bring the compensation level up to minimum and shall be challenged to move toward the goal of full self-support at the earliest possible time. On a form which shall accompany the applications for salary assistance, the District Superintendent shall certify to the Commission that the charge has been duly notified.

7. The Commission on Equitable Compensation shall notify annually the Pastor-Parish Committee Chairperson of each local charge of the goal of the Conference for every full-time pastor to have a work load of 250 members in order to get all pastors' compensation to the minimum level. The amount of the subsidy granted to a pastor shall be acknowledged annually at the Charge Conference.

8. Equitable compensation assistance is not available to pastors serving as associate pastors or in staff positions other than pastor-in-charge. In order that such person receive an equitable wage, however, the Commission recommends that local churches use Conference minimum salary standards as minimum guidelines to setting associate and staff salaries.

9. The Commission on Equitable Compensation will not consider requests for salary supplement where housing allowances exceed $7,200.

10. Pastors who decline an appointment which would reduce or eliminate the need for equitable compensation support are ineligible for equitable compensation supplement given for years of service.

11. Equitable compensation assistance is not available for a North Texas Conference member appointed to serve in another Annual Conference, nor is it available to members of other Annual Conferences serving under appointment in the North Texas Conference.

12. There shall be no lump sum payments to persons receiving equitable compensation assistance unless such sums are too small for monthly payments to be made.

13. It shall be the responsibility of the pastor receiving equitable compensation subsidy to inform the Commission of any increase in remuneration or any changes in eligibility which occur after an application for equitable compensation has been approved.

EXCEPTIONAL REQUESTS BY CABINET

All requests for exceptional support (assistance requested by the Cabinet in excess of 25% maximum) shall be submitted in writing. The request shall include the amount of assistance requested, length of time for assistance and reason(s) for exceptional request. Such a request shall be submitted on a form prescribed by the Commission and signed by the Chair of Cabinet.

RESOLUTION TO CLOSE THE SCHOOL OF THE AMERICAS

Rationale:

The Discipline of The United Methodist Church says, "Scriptural holiness entails more than personal piety; love of God is always linked with love of neighbor, a passion for justice and renewal in the life of the world." (Par. 60, 1996 Discipline)

Out of this aspect of our identity, we are compelled to respond to the alarming truth now known about the School of the Americas. The U.S. Army School of the Americas (S.O.A.) was established in Panama in 1946 under the guise of promoting stability in Latin America and the Caribbean. The school moved to Ft. Benning, Georgia, after being forced out of Panama under the terms of the 1977 Panama Canal Treaty. U.S. taxpayers now fund the school with a present annual budget of $18.4 million dollars.

Most disturbing are the atrocities, assassinations, and torture either committed or orchestrated by the graduates of the S.O.A. On March 15, 1993, the United Nations Truth Commission released its report on crimes committed in El Salvador. The report included the following:

- Two of the three officers cited in the assassination of Archbishop Oscar Romero are S.O.A. graduates, including death squad founder and leader Roberto D'Aubuisson.
- Three of five officers cited in the rape and murder of the four U.S. churchwomen are S.O.A. graduates.
- Ten of twelve officers cited as responsible for the massacre of nine hundred civilians at El Mozoto are S.O.A. graduates.
- Nineteen of twenty-six officers cited in the November, 1989, murder of six Jesuit priests, their housekeeper, and her daughter are S.O.A. graduates.

In other Central and South American countries similar atrocities have been conducted:

- The three top Peruvian officers convicted in February, 1994, of murdering nine university students and a professor are all S.O.A. graduates.
- Former dictator General Manuel Noriega, currently serving forty years in a U.S. prison for drug trafficking, is a S.O.A. graduate.
- S.O.A. graduate Leopoldo Galtieri headed Argentina's military junta during a period in which thirty thousand people were killed or disappeared.
- More than 100 of the 246 Colombian officers cited for war crimes by the international human rights tribunal in 1993 are S.O.A. graduates.

Tragically, this list names only a fragment of the appalling human rights abuses committed by those who studied at the School of the Americas. At that school students are taught how to maintain low-intensity conflict by using tactics that violate Article Five of the Universal Declaration of Human Rights which says: "No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment." Information released on September 21, 1996, by the U.S. Defense Department showed that from 1982 - 1991 U.S. Army Intelligence manuals used to train Latin American military officers at the S.O.A. advocated executions, torture, blackmail, and other forms of coercion against their own people. Tens of thousands of people, mostly poor peasants and Christians, have been the victims of this disgrace.

Action: Be it resolved that the North Texas Conference of the United Methodist Church assembled on June 2 - 4, 1997, in Plano, Texas, asks the Conference Board of Church and Society to address this matter through study and action and bring a progress report to the next session of the Annual Conference.

XI. CONFERENCE POLICIES

The following conference policies, instituted in previous years, are reprinted for the convenience of conference members. Dates and page numbers found in the brackets [ ] reflect the *North Texas Conference Journal* in which the original policies were last updated. *(Certain minor editorial changes have been made to make the guidelines stylistically consistent.)*

LEGISLATION

The following items were implemented by the vote of the conference members present and voting in the year when each was adopted.

1. LAY-CLERGY EQUALIZATION
[1984, p. 222]

The following formula is the procedure used to determine the number of lay and clergy members of the Annual Conference.

FORMULA

1. Subtract the total number of lay members prior to equalization from the total number of clergy members. The remainder is the Lay Equalization Factor (LEF).

2. Compute the District Membership Percentage (DMP). If a district has more lay members than clergy members prior to equalization, subtract the number of local church members in this district from the total of local church members for the Annual Conference. Such a district will not enter into the computation of the District Membership Fraction.

Next, for districts that have fewer lay than clergy members, divide the total number of local church members in each district by the adjusted total number of local church members in the Annual Conference (as determined above). This quotient is the District Membership Percentage.

3. Subtract the number of lay members of the Annual Conference required by *The Book of Discipline* (1980 edition, paragraph 36) from the Lay Equalization Factor.* The remainder is the Adjusted Lay Equalization Factor (ALEF).

* Lay members required by the *Book of Discipline*:

+ Conference President of United Methodist Men
+ Conference President of United Methodist Women
+ President of Conference Youth Organization
+ Two young persons under twenty-five years of age from each district
+ Conference Lay Leader
+ District Lay Leaders

These persons shall be elected to the lay membership of the Annual Conference by the District Section.

4. Multiply the Adjusted Lay Equalization Factor by the District Membership Percentage. The product is the District Adjusted Lay Equalization Factor (DALEF), (i.e., the number of additional lay members to be elected by the District Sections to effect lay/clergy equalization.) If a district already had more lay members than clergy members, it will not be included in calculating the District Adjusted Lay Equalization Factor.

5. The date for computing the Lay/Clergy Equalization shall be January 1. The number of additional lay members to be elected for equalization will be promptly forwarded to the Board of the Laity to allow it to prepare a list of possible additional lay members to be presented to the first District Section meetings.

6. If the actual number of clergy in the Conference increases after January 1, the Lay Leader of a district in which the imbalance occurs shall select a lay member(s) from within the district to equalize the increase of clergy members.

7. If this formula fails to compute the exact number of additional lay persons per district to offset the clergy of the Conference due to calculations made using fractions of a per cent, the Board of the Laity shall be authorized to correct the imbalance through negotiation.

8. So that a district that has more lay members than clergy prior to equalization may elect additional lay members in its District Section, a courtesy rearrangement of the number of lay members to be elected may be made by the Board of the Laity after the District Adjusted Lay Equalization Factor has been determined.

2. CLERGY VACATION STANDARDS

[1974, p. 105]

Minimum Vacation Standards for the Professional Ministries Personnel of the North Texas Annual Conference:

Method of Calculation

The vacation due is calculated according to the number of years of service using the following formula:

1 - 4 years of service --- two weeks	(two Sundays)
5 - 9 years of service --- three weeks	(three Sundays)
10+ years of service --- four weeks	(four Sundays)

Further Guidelines

The following points are made in explanation of the above:

1. "Years of Service" shall be determined by years served as a full-time, ordained United Methodist minister or as a full-time, consecrated lay worker [*Editor's note: consecrated lay worker = diaconal minister*].

2. The length of vacation is set by the Annual Conference, but the most suitable time for both the local church and the ministerial family must be determined by consultation between the pastor and the Pastor-Parish Relations Committee.

3. POLICIES CONCERNING CLERGY DIVORCE

[1987, pp. 141-142]

"Where marriage partners, even after thoughtful consideration and counsel, are estranged beyond reconciliation, we recognize divorce as regrettable, but recognize the right of divorced persons to remarry. We express our deep concern for the care and nurture of the children of divorced and/or remarried persons. We encourage that either or both of the divorced parents be considered for custody of minor children of the marriage. We encourage an active, accepting, and enabling commitment of the church and our society to minister to the members of divorced families," (The *Book of Discipline of the United Methodist Church*, 1984)

The *Discipline* rightly makes no distinction between divorce occurring among the laity or clergy. We recognize the possibility of congregations being nurturing communities, and, thus for Christian love to

grow in the midst of the painful circumstances surrounding a clergy or layperson's divorce.

The North Texas Conference also can be a caring and nurturing community for the clergy at divorce. The conference recognizes its responsibility to respond to divorcing clergy in as pastoral a manner as possible. To this end, the North Texas Conference of the United Methodist Church suggests the following for our members as well as their spouses in the event of divorce.

1. The conference member will have taken every action possible toward reconciliation within the marriage. This shall include extensive counseling with a reputable marriage counselor, preferably with both partners to the marriage participating but, where impossible, with at least the clergy member's participation.

2. In consultation with the District Superintendent, the divorcing clergy and/or spouse may request a meeting of the following persons:
   a. The Chairperson of the Division of Conference Relations, presider.
   b. The District Superintendent of the conference member's district.
   c. The district member of the Division of Conference Relations.
   d. Two peers chosen by the conference member involved.

3. This meeting will:
   a. Pastorally respond to the divorce
   b. Offer help/guidance, if requested, to:
      1) The conference member
      2) The divorcing spouse
      3) The conference member's peers, and/or
      4) The respective Pastor-Parish Committee
   c. Refer divorcing persons to special seminars and workshops on divorce which are available periodically in the community.

4. CLERGY HOUSING STANDARDS
[1995]

The size and make-up of clergy families, and the size, location, and type of housing provided for clergy families by local churches is a major factor in the well-being of clergy families. As such, it has an impact on the effectiveness of clergy.

Although it is clear that no one single provision for housing will completely satisfy all the needs of every clergy family and every local church, the goal is to best satisfy the needs of all.

The following standards are to apply to those churches that have full-time ordained clergy and are not receiving any equitable salary support.

I. HOUSING ALLOWANCES

While parsonages have been the traditional means of providing housing for clergy families, there are those local church settings and situations where a housing allowance can be an effective and efficient means of providing housing for clergy families.

However, it must be understood that if a house is purchased by a clergy family, there is the potential for financial hardship and difficulties related to the sale of a house when an appointment change is made.

It must also be understood that a housing allowance will have no effect on the tenure of a pastor, neither increasing nor decreasing the potential length of a pastorate.

A. If a housing allowance is provided by a local church, the amount shall be sufficient to allow for the rental\lease\purchase of housing that meets the parsonage standards of the annual conference.

B. A utility allowance shall be paid in addition to the housing allowance.

C. The amount of the housing allowance and of the utility allowance shall be reviewed on an annual basis to ensure that the amount is adequate.

D. The District Superintendent, in consultation with the pastor and the Pastor-Parish Relations Committee, shall be responsible for ensuring that these standards are met.

II. PARSONAGES

A. Size

1. In order to accommodate all family sizes as reasonably as possible, and to allow for the greatest flexibility in meeting the needs of clergy families, the parsonage shall contain at least three bedrooms, with four recommended.
2. There shall be at least two full baths.
3. There shall be at least one large living area, with two living areas recommended.
4. There shall be at least one dining area.
5. There shall be a garage or covered carport adjacent to the house.
6. The total area of living space shall be approximately 2,000 sq. ft. or more.

B. Location

1. The parsonage shall be located in a residential neighborhood. (It should not be on a major thoroughfare, nor adjacent to commercial businesses.)
2. The parsonage shall be located where it will allow for adequate privacy for the clergy family.

C. Interior

1. The kitchen shall include all standard modern appliances (oven, cooktop, dishwasher, disposal, and refrigerator).
2. There shall be a washer and dryer for laundry.
3. There shall be adequate heating and cooling, with central air and heat whenever possible.
4. The parsonage shall have window treatments in every room (e.g., blinds, drapes, or shutters).
5. The clergy family shall be responsible for all other furnishings.

D. Exterior

1. The outside of the parsonage shall be landscaped to complement the house, with adequate shrubs, bushes, and trees.
2. A safe, fenced area shall be provided in the backyard for children and/or pets.
3. The mowing and the upkeep of the yard are to be negotiated between the pastor and the Board of Trustees.

E. Utilities

1. The local church shall pay for the cost of all utilities, except for personal long distance phone calls.

2. In order to minimize fees and deposits, the utilities, including the telephone, shall be in the name of the local church, unless this results in a higher rate schedule.

F. Maintenance

1. The local church Board of Trustees is responsible for the upkeep and repair of the parsonage, including the appliances, and there shall be an annual inspection of the parsonage and property by the Trustees, with a written report made at the local church's annual Charge Conference.

2. The clergy family is responsible for minor upkeep and repairs, and for any damage done to the parsonage by a member or pet of the clergy family, including that caused by smoking.

G. Change of Pastors

1. When there is an impending change of pastors, the pastor shall notify the local church Board of Trustees, and the clergy family and Trustees shall ensure that the parsonage is as clean as possible. Major repairs should be made before the new clergy family arrives.

2. The Trustees shall contact the new clergy family before any painting or refurbishing is done, in order to have their preferences, needs, and suggestions incorporated into any work done on the parsonage.

H. Disposition of Church Owned Furniture

1. Following the 1994 Annual Conference, churches will begin the process of providing unfurnished parsonages, except for the items listed above in C. This will allow clergy families to begin acquiring furniture of their own, and it will also remove an item of potential concern on the part of the local church. The disposition of the local church's parsonage furniture will be a matter for each local church's Board of Trustees to decide, on or before June 4, 1995, with due consideration being given to the needs of the resident clergy family.

I. Compliance

1. The Board of Trustees of each local church shall make a written report on or before its Charge Conference in 1996, demonstrating either compliance with these standards or specific plans to come into compliance with these standards.

2. The District Superintendent, in consultation with the pastor, the Board of Trustees, and the Pastor-Parish Relations Committee shall be responsible for ensuring that these standards are met.

3. Lay member(s) of Annual Conference is(are) responsible for taking these standards back to every local church Board of Trustees.

III. MOVING EXPENSES

A. Funding

1. The North Texas Conference shall establish a "Moving Fund" to be assessed through a Conference apportionment. This fund shall be of sufficient amount to pay for the number of qualifying moves in any given year.

B. Eligibility for Funding

1. Those ordained clergy or full-time local pastors, who are appointed to a local church in the North Texas Conference, and other ordained clergy for whom the North Texas Conference is the salary paying unit (such as District Superintendents, Conference Council Directors, Wesley Foundation Directors, etc.) shall be eligible to receive funds.

2. Retiring ordained clergy or full-time local pastors shall be eligible to receive funds for their initial move into housing not already owned or supported by a local church upon retirement, up to the maximum amount allowable. In circumstances in which a clergy member planning to retire moves prior to the retirement date, reimbursement for a move made within one year prior to the retirement date shall be made upon retirement contingent upon the presentation of documentation of costs incurred.

3. Less than full-time appointments to local churches with parsonages will be allocated up to the $500 per move.

4. If an ordained clergy member or a full-time local pastor from another Conference is to be appointed to a local church in the North Texas Conference, the North Texas Conference will pay the cost of the move from the border of the North Texas Conference, up to the maximum amount allowed.

5. If an ordained clergy member or a full-time local pastor of the North Texas Conference transfers to another Conference, and the receiving Conference does not pay the full cost of the move, the North Texas Conference will pay the cost of the move up to the border of the North Texas Conference, up to the maximum amount allowed.

6. Those ordained clergy who go on Leave of Absence, or who surrender their credentials, either voluntarily or involuntarily, will not be eligible to receive any North Texas Conference moving funds, except in the case of those going on disability leave who shall be eligible to receive funds for the initial move into housing not already owned or supported by a local church, up to the maximum amount allowable.

7. Those persons who change or move houses, but who do not change appointments, will not be eligible to receive any North Texas Conference moving funds.

8. Those persons who change appointments, but who do not change houses, will not be eligible to receive any North Texas Conference moving funds.

9. If either or both clergy or a clergy couple living in one house change appointments, and move to one house, they will be eligible to receive funds for only the cost of the one move, up to the maximum amount allowable. If two houses are involved, at either the beginning point or ending point, they will be eligible to receive funds for both moves, each up to the maximum amount allowable.

10. In no case shall the Conference pay more than the actual documented expense of any eligible move.

C. Method of Payment

1. All moves will be paid as stated in the "Moving Allowance Chart" and Replacement Cost Insurance will be provided for all full time moves with a $300 stipend to be used for any other documented moving expenses the clergy family chooses.

2. A list of movers that will bill the Annual Conference directly will be provided by the receiving District Superintendent. All expenses that are within the Annual Conference Allowance will be billed directly to the Annual Conference by those moving companies. The receiving church and moving clergy/family will not be responsible for any part of the expense that is within the Annual Conference Allowance. If a moving company is used that will not bill the Annual Conference directly, then the moving clergy/family is responsible for the bill and will be reimbursed by the Annual Conference for all documented expenses that are within the Annual Conference Allowance. Any documented expenses paid by the moving clergy/family are to be submitted to the receiving District Superintendent. The receiving District Superintendent shall then submit these documented expenses to the Annual Conference Treasurer. The Annual Conference Treasurer will be the final arbitrator concerning any question about moving costs, documentation, or payments. The Conference Treasurer shall issue payment to the moving company or the entity that incurred the expense.

3. A written estimate must be submitted to the receiving District Superintendent by May 15 for moves in June, and within one week of the announcement of a midyear move. The District Superintendent will then give approval to the moving company or the entity incurring the expense for the move. Arrangements for payment of any expenses in excess of the Annual Conference Allowance will be made prior to the move.

D. Implementation

1. In order to build an adequate base for the "Moving Fund," the Conference shall include the "Moving Fund" apportionment in the 1996 Conference budget.

2. Payments based on these guidelines will begin for the appointment changes made at the 1997 Annual Conference.

3. These guidelines shall be reviewed each year from 1997 until 2001 by the Clergy Housing Committee, in consultation with the Conference's Council on Finance and Administration, to ensure that they are equitable and adequate.

E. Other

1. The eligible individual or family shall decide how their household goods are to be moved, but all are encouraged to use professional moving companies.

2. Even though the rates for moving are set by the Texas Railroad Commission, each District Superintendent shall have a list of "recommended" moving companies in her/his District to give to the incoming individual or family.

3. The estimated cost to the Conference is $110,850. (A yearly average of 50 moves at an average cost of $1,617, a 100 mile move, totals $80,850, PLUS 50 moves X $600 stipend totaling $30,000, equals an annual grand total of $110,850.

4. For the 1996 North Texas Conference Budget, it is recommended that $100,000 be included for the Conference Moving Fund.

5. Beginning in 1995, the receiving District Superintendents shall compile a record of

each move into their Districts, that qualifies under these guidelines, indicating the mileage, weight, and total cost. These records shall be shared with the Clergy Housing Committee each year to assist them in their work.

5. POLICY STATEMENT ON SEXUAL MISCONDUCT

The North Texas Annual Conference of the United Methodist Church affirms the *1996 Book of Resolutions,* Sexual Abuse Within the Ministerial Relationship and Sexual Harassment Within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the Church are incompatible with biblical teachings of hospitality, justice and healing. In accordance with the *1996 Book of Discipline,* ¶ 65.F, we affirm that all human beings, both male and female, are created in the image of God, and thus have been made equal in Christ. As the promise of Galatians 3:26-26 states all are one in Christ, we support equity among all persons without regard to ethnicity, situation or gender.

Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker or volunteer.

Sexual harassment is any unwelcome sexual advance or demand, either verbal or physical, that is reasonably perceived by the recipient as demeaning, intimidating or coercive. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender (*Book of Discipline* ¶ 65.I).

Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue.

Misconduct of a sexual nature within the life of the Church interferes with its moral mission. The North Texas Annual Conference stands in opposition to the sin of misconduct of a sexual nature in the Church and society at large and commits itself to fair and expedient investigation of any charge of sexual misconduct within the Church and to take action deemed appropriate and in compliance with the *Book of Discipline*. Further, the Conference bears affirmative responsibility to create an environment of hospitality for all persons, male or female, which is free of misconduct of a sexual nature and encourages respect, equality and kinship in Christ.

Because experiencing sexual abuse or harassment, and reporting such misconduct, can be difficult and frightening, we believe that the availability of trained advocates or support teams to assist victims of sexual misconduct is important, and we are committed to continuing support for the training and availability of such advocates or support teams.

We recognize that in any incident of sexual misconduct there may be many victims, including the family, friends, and congregation of the direct victim and of the person who has engaged in the misconduct. We therefore affirm as continuing goals for the Conference not only the resolution of complaints and the reconciliation of persons directly involved, but also the healing of all such indirect victims of the misconduct.

Sexual misconduct involving a clergy person should be reported to the clergy person's district superintendent or the presiding bishop. Misconduct involving paid staff, volunteers or other nonclergy persons should be reported to the pastor-in-charge, if any, or to other appropriate persons in accordance with guidelines and procedures that may be adopted by the Conference, by local churches or by other appropriate bodies within the Church.

The North Texas Annual Conference is committed to the continuing, broad dissemination of this Policy Statement and of any guidelines and procedures adopted by the Conference, and to the continuing education of clergy and lay persons within the Conference for the purpose of preventing sexual misconduct and increasing awareness and understanding of the Conference's relevant policies and procedures.

BOARD OF CHURCH EXTENSION

Annual Report
1997

Our three new churches started in 1995 continue to grow and flourish. The **Flower Mound United Methodist Church** has hired an architect and hopes to break ground May 4th on the 8.1 acres of land that Church Extension recently purchased for them. The pastor of this growing church is Reverend Jim Dean. The **Stonebridge United Methodist Church** in McKinney, Texas has grown so quickly that Church Extension is in the process of acquiring 4.3 more acres for this church. The Reverend Don Smith is their pastor and this church has likewise hired an architect and plans to begin construction in 1998. The **Suncreek United Methodist Church** in Allen, Texas also has hired an architect. This church, pastored by Reverend Burt Palmer, is planning to remodel and enlarge a house located on their 12.5 acres purchased for them by Church Extension. The Board has worked hard on this property site this past year in the areas of re-zoning problems and the widening of a major road that the property fronts onto. We are blessed with capable Board members who have expertise in these areas.

The **Pleasant Grove Fellowship**, pastored by Reverend Elzie Odom, meets in the Pleasant Mound UMC. Church Extension continues to fund this Fellowship and it is also supported by St. Luke's UMC.

Jubilee Fellowship, located in Duncanville and pastored by Reverend Sheron Patterson, while not a Church Extension start-up is funded by Church Extension. We continue to monitor the progress of these two fellowships.

The Board continues to take pride in the progress of **United Methodist Church of the Disciple** in DeSoto, pastored by the Reverends Matt and Cammy Gaston. They have instigated a land cost pay-back program to Church Extension and to date have sent in more than $9,000.

The **Vista Ridge United Methodist Church** in Louisville likewise continues to grow. This church is pastored, by Reverend Tim McLemore. Church Extension has moved two portable buildings to their property this past year and they are still bursting at the seams.

Hispanic Ministries that we supported this past year were at Axe UMC in Garland; First UMC, Plano; and the San Juan Fellowship at St. John's UMC in Dallas.

Church Extension conveyed 13 acres to Asbury United Methodist Church in Denton. This property was purchased many years ago for Asbury to re-locate to. This past year also saw the unfortunate burning of a church we had sold to another congregation (non-Methodist) in Wichita Falls. Church Extension was carrying the note on this purchase and we are still working with the insurance company in the resolution of this matter.

There are currently 16 portable buildings that Church Extension maintains and provides for churches within the North Texas Conference.

The Visionaries Program continues to help fund the land debt retirement at Texas Methodist Foundation for site purchases. This past year saw the first time that we had to go into our reserves to cover the costs.

The Board of Church Extension has also been caught up in the Conference re-structuring. While we do not know what our future will be our task has always been to aid and abet the start-up of new churches,

both in the expertise of our Board members and our funds. We have been proud to be a part of many of these "births" and to see Methodism expand in the North Texas Conference.

The Board honored Rufus N. McKnight, Jr. for his more than twenty (20) years of legal counsel on behalf of Church Extension. Billy Ratcliff presented Mr. McKnight with a plaque expressing the gratitude of the Board.

Thank you to all our Board members who have worked hard this past year and played such a dynamic role in these new and on-going churches.

Billy Ratcliff, Chair

1997 CONFERENCE BOARD OF TRUSTEES ANNUAL REPORT

The Board met four times this past conference year, with other business being handled by mail and results duly noted in the minutes.

The Board continues to hold in trust for the Annual Conference properties at Westview, Savannah Springs (jointly owned with the Baptist church), McKenzie Chapel, Mt. Pleasant and Bethlehem.

Local church property matters dealt with during the year included:

1. Sale of New Aldersgate property to Word of Knowledge Church.
2. Disbursement of the funds from the sale of the Monkstown church to the Sherman/McKinney District.

In January the Trustees met in a special called meeting in Denton regarding the relocation of the Wesley Foundation located on the University of North Texas Campus. The University had made an offer to purchase the property that the Wesley Foundation sits on for $535,000. The Foundation would then relocate to property leased from the University that sits across the street from their present location. This would be a thirty (30) year lease. Also attending this meeting was the Conference Board of Higher Education and Campus Ministry, as well as Bishop Oden. At the March meeting of the Conference Trustees, with the joint approval of the other groups involved in the decision of this move, the Conference Trustees also voted to approve the sale and relocation of the Denton Wesley Foundation.

The Board honored Rufus N. McKnight, Jr. for his twenty (20) years of service as legal counsel to the Conference Board of Trustees. Reverend Jim K. Brown presented Mr. McKnight with a plaque expressing the Board's gratitude.

The Conference Trustees manage a Reserve Fund set up for capital improvements to the United Methodist Building.

The Board recommends for Annual Conference action the following items:

1. The discontinuance of Richland UMC and the merger of that congregation with the St. Paul UMC, Garland. The new church will be called Cornerstone UMC (Northeast District).

2. The abandonment of Messenger Chapel in the Sherman-McKinney District.

3. The merger of God's Kingdom UMC and Porters Chapel UMC in the Dallas South District.

We have audited the combined statements of assets, liabilities and net assets-modified cash basis of North Texas Conference of The United Methodist Church as of December 31, 1996, and the related combined statements of receipts, disbursements, and changes in net assets-modified cash basis for the year then ended and have issued our report thereon. In our report, dated May 6, 1997, on the financial statements of the North Texas Conference, we expressed an unqualified opinion that the financial statements were presented fairly, in all material respects, on the modified cash basis of accounting.

Our report on the financial statements of the Board of Church Extension, dated May 6, 1997, indicated that in our opinion the statement of assets, liabilities and net assets as of December 31, 1996 was presented fairly, in all material respects; however, we did not express an opinion on the statement of receipts, disbursements and changes in net assets.

The financial statements referred to above are not included in this Journal. A complete copy of the financial statements and our audit reports thereon are available for review during normal business hours at the Conference offices located at 13959 Peyton Drive, Dallas, Texas 75240.

CONFERENCE COUNCIL ON MINISTRIES

The Annual Conference Council on Ministries has continued and expanded the work of ministry and mission during a time of upheaval and transition. The action of the 1996 General Conference granting each Annual Conference the freedom to organize itself for ministry according to its own vision for mission prompted the organization of a study committee on re-structuring which will continue to be at work through conference year 1997-98. The work of this committee was put "on hold"pending the report of the Bishop's Committee on Structure and Ministry. With the conclusion of that committee's work, the Council on Ministries group is once again resuming its work, and will continue on the next 9-12 months in a posture of listening, gathering data, and planning toward an organization that will move into the twenty-first century with the ability to do the work of ministry efficiently and effectively in the North Texas Conference.

Our Highlights of ministry this past year have been:

- The addition of two part time staff members in youth ministry and camping ministry. We welcome Natalie Woods as Conference Camping Coordinator, and Andy Lewis as our Conference Youth Minister.
- The expansion of Shalom Zones into 6 sites currently ministering in various communities serving all age levels and diverse groups.
- The development of the Methodist Warehouse, under the direction of Larry Cox, a ministry of training in the construction trades and a means of "hands on" mission in building and refurbishing homes for indigent persons.
- *Bring A Friend Sunday* was celebrated by about 200 congregations this spring with support from 432 thirty-second spots on 12 radio stations and 24, one-quarter page ads in a dozen daily newspapers across the conference.

  More than 500 persons have been trained in small group ministry (DISCIPLE Bible Study, SERENDIPITY Small Group Ministry, "Basic Christianity," and Lenten Pilgrimage '97) during the first four months of the year. A second DISCIPLE Bible Study training is set for July 10-12 in Dallas and a second "Basic Christianity" training is scheduled for July 11-12 in Denton.

  These **Making Disciples 2000** programs are scheduled to continue through the year 2000, and be joined in 1998 with *Discovery Sunday* and in 2000 by *Great Days of Service.*
- *North Texas Conference Interactive,* www.ntcumc.org, is the name of our new Home Page on the World Wide Web. The page features "This Week with Bishop William B. Oden," commentary that is also carried in our conference edition of *The United Methodist Reporter.* Additional links include: Calendar, Children's Ministries, Hands-on Ministries, Making Disciples 2000, Publications, Staff, Summer Camps, UMM, UMW, Video Resources, and Youth Ministries. Also, there are links to local United Methodist churches and related agencies.
- The North Texas Conference Resource Center is to supply the North Texas Conference churches with consulting services and assistance in developing programs for ministry in all areas of congregational life, consistent with the social standards of the Discipline. The center will do this by providing a wide selection of video resources.

Thanks to all the members of the Council on Ministries who have each represented their causes well, and who continue to give dynamic leadership in the diverse areas in which the Volunteers in Mission (VIM) of the North Texas Annual Conference carries on the work commissioned by our Lord to "Make Disciples in All Nations".

Don F. Renshaw, Chair

The following is an update on the three emphases being coordinated by Rick Hawkins:

SHALOM ZONE

The Conference Council on Ministries voted at its December 8, 1994 meeting to pursue becoming a Shalom Zone Conference and commissioned a task force to examine the process and make recommendations as to the best means to proceed. The eventual legislation was that the North Texas Conference will become a Shalom Zone Conference and will become involved in a mission-evangelism endeavor.

The North Texas Conference is now a Shalom Zone Conference ministering in several communities throughout the area. The current sites are as follows:

1. Mt. Calvary Wichita Falls working in ministry with the Salaam Center at First UMC, Wichita Falls.
2. Southeast Dallas Cooperative Parish: Shalom Churches consisting of Filipino-American Centenary , Pleasant Mound, and Urban Park
3. The United Methodist Warehouse in West Dallas
4. Haven Chapel in Denison
5. Jubilee in Duncanville serving the Grand Prairie community where once the church was located
6. Dallas South Alliance: Shalom Churches consisting of Crest-Moore-King, Lambuth and Warren

The above Shalom sites are ministering in the various communities serving all age-levels and diverse groups.

We have taken on the national slogan: "Shalom is on the loose."

John Schol of the General Board of Global Ministries in the Office of Shalom Zone and Urban Ministries, led an initial training workshop for the first new sites. Will Dent, one of the National Shalom Zone trainers, is currently conducting the required five training workshops. Attendance has been great.

Haven Chapel United Methodist Church, Denison is in the process of becoming certified as The North Town Community Development Corporation. The area of the Shalom Community has been defined as a cooperative community with area Methodist, Baptist, Church of God in Christ and Catholic working to develop Mission, Vision, Strategies, Goal and Objectives.

The North Town CDC Community of Shalom has held a series of meetings to gather community input and to look for ways for the many different churches, businesses and organizations to work together. The Shalom has support from the Herald Democrat newspaper, Texoma Council of Government, and the Director of the Texoma Medical Center. Jobs have been acquired due to information given at meetings of this group.

The concern of this Shalom Community is for the development of a healthy neighborhood free of many of its social problems where the residents feel safe, business owners are productive and adequate housing opportunities exist.

HISPANIC MINISTRIES

The North Texas Conference has developed twelve(12) Spanish speaking congregations within the Dallas regional area. Each group of worshipers has begun outreach into its surrounding community, from developing "home church" groups to having a month long revival to establishing Disciple Bible Study groups and other outreach activities. These congregations and their pastors are as follows:

Urban Park - SE Dallas Cooperative Parish	David Arturo Gonzales
San Juan (St. Johns)	Javier Escalera
Oak Cliff	Ruben Saenz
Nueva Esperanza	Beatrice Pacheco
FUMC Plano	Norma Salinas
Axe Memorial	Francisco Hernandez
Oak Lawn	Justin Tull
Brooklyn Avenue	Tony Reyes
Brandon Avenue	Jack Meyers
Spring Valley	Carlos Nacimiento
St. Luke's Love Field (in English)	Isobel Gomez

The Mexican American studies program at Perkins will place an intern at St. Lukes Love Field to develop strategies to revitalize a church.

Two events to enhance Hispanic Ministry: The event on Reaching Immigrants was held April 13, and an Urban Ministry event will be held at Perkins on October 20-23, 1997.

Planning is under way to have a convocation of those in Hispanic Ministry early in September 1997.

The churches of the Rio Grande Conference will be invited to participate in various activities.

BOARD OF CHURCH AND SOCIETY

The Board of Church and Society has utilized this conference year to reassess goals, objectives and program emphasis for implementation during the next four years. After much discussion and deliberation, it was determined that the greatest participation, impact and positive effects would probably be made from having a concentrated emphasis for the conference.

The Board has selected "*Children and Poverty*" which will lend itself to respond and/or collaborate with

any task force or committee designed to develop and implement the Council of Bishop's Initiative on the same subject. The Board has begun to assemble a bank of ideas and suggestions of ways that local congregations will be able to become involved in addressing this emphasis.

Thalia F. Matherson, Chair

BOARD OF DISCIPLESHIP

COUNCIL ON YOUTH MINISTRY

The Conference Council on Youth Ministry (CCYM), is the youth council for the annual conference. The CCYM has charge of setting up conference programs for youth, implementing those programs, offering leadership for those programs, and offering guidance and example for youth in the conference for visionary youth leadership.

A year of great transition has kept the CCYM extremely active. Our year of transition took us from a reliance upon a full time conference staff person who acted as coordinator, educator, and trainer for various youth events to reliance upon the voluntary adult leadership of the Youth Division of the Board of Discipleship and the CCYM for complete coordination of all conference youth events. Beginning in January of 1997, Mr. Andy Lewis was hired by the conference on a half time basis to become the Conference Youth Ministries Coordinator. He is primarily responsible for the coordination, communication, and implementation of all conference youth events. He works directly with the CCYM and the Director of the Council on Ministries. It is hoped that Mr. Lewis position can become a full time position by 1998.

Our year of transition also included a major restructuring of the leadership of the conference youth program. During late 1996, it was decided that the Youth Division, which had as its major responsibility to offer procedural and programmatic policy for youth ministry, would disband. The Youth Division was comprised entirely of adult workers with youth. It was felt that the presence of the Youth Division was detracting from the authority, leadership, and strengths of the youth influence found in the CCYM. The Youth Division has slowly been handing over control of policy issues to the CCYM during 1997. As the annual conference year, 1997-1998 begins, the CCYM will have complete control of all policy and programmatic issues related to youth ministry in the conference. The CCYM wishes to thank Mr. Charles Harrison, chair of the Youth Division, for his outstanding leadership and visionary advocacy for youth ministry in the conference in taking the initiative to implement this transition.

It is hoped that as more youth have authority to make more decisions on behalf of the youth ministry of the conference that the vision for youth ministry in the conference can be fulfilled. The vision for youth ministry in the North Texas Annual Conference is: ***More Kids Experiencing God's Love.*** More youth in Christian leadership, leading youth in Christian discipleship will certainly lead to more youth experiencing God's love.

It is hoped that during the year 1997-1998, the CCYM can enter into dialogue with the Perkins School for Youth Ministry staff and design team, along with select youth directors and ministers in the annual conference to develop a cooperative and comprehensive plan for a national youth ministry training program called, Perkins Institute for Youth Ministry. This training program would combine the Perkins School of Youth Ministry with several other comprehensive and visionary youth ministry training opportunities to become a national leader in youth ministry training.

METHODIST CHILDREN'S HOME

Mission Statement: To express God's love by providing superior services that protect, support and enhance the lives of children, youth and their families.

REPORT I

The dream in 1890: Northwest Texas Conference **Orphan's Home.**

Preparations with a site: **Texas Methodist Orphan's Home** in 1892.

Dream became reality as David, the first child, is admitted to **Methodist Home.**

1996 "children" is added to name to identify **Methodist Children's Home** as an agency that serves children, youth and their families.

The Board of Directors voted not to contract with the Texas Department of Protective and Regulatory Services. The major impact of this decision was in the Houston Foster Care program. We have continued to have a good relationship with the Department, agreeing to keep several children in the custody of the Department who were on the campus and needed to stay with us for their best interest. This was done with a written agreement with the Department and has been very successful.

The redefinition and ultimate development of the Boys Ranch program to focus on younger boys has been completed. The program now better meets the needs of the community, as shown by the creation of a waiting list for the ranch program.

The reorganization of the campus program is being implemented with the creation of a one-campus system for child care on the main campus. Our strength based, psychoeducational model is now well defined and in place. We feel this will, in time, lead to a more united employee group and a more focused program for children, youth and their families.

Essential to the new child care model has been the strengthened integration of the spiritual life component into the daily activities of the campus and Boys Ranch. The religious education staff meets regularly with campus and Boys Ranch staff for planning and coordination. The weekly religious activities and services, and daily devotions in the living units are developed within the philosophy of our child care model.

We have operated with the limits of the same budget figures for the past three years. In the new year we anticipate a modest $100,000 increase in a $12.9 million dollar budget. The endowment fund has grown this year with the growth of the stock market. The change in our investment portfolio to allow for the inclusion of international investments decreased our risks while positioning us for future gains as smaller investors realize the importance of a global economy. The Methodist Children's Home December Christmas Offering continues as one of our most significant sources of revenue.

Our goals for 1997-98 are to complete the transition of the campus program to the new model with the further integration of the Family Services and Counseling Center in the campus program. We will begin a pilot project on a mother-infant program. The Howard Building will be utilized as the facility for this

program. This would not involve any major new programs for the Methodist Children's Home as this program uses community facilities and services already in existence.

We will explore expansion of Methodist Children's Home services to incorporate a regional emphasis. This would include possible expansion of the outreach offices or adding new outreach offices. It could also include adding intake workers in the out-reach offices so that intakes could be done in the homes of referring families and consider a more regional idea of fund raising to generate more local funds for local programs. Remodeling of the Ranch living units and renovation of the Daisy Meredith home on the Waco campus should be completed this year.

The Council of Bishops of the United Methodist Church believes that God is calling the Church to a new level of dedication and commitment for children and the impoverished. We join with the Council of Bishops in a call to re-examine our Wesleyan heritage regarding children and the impoverished.

Now, with that next telephone call from a pastor about a hurting family, that inquiry from a school counselor about a troubled student, or the referral from the social worker, we are committed to continue making a difference with children and families. Your prayers, interest and financial support has been essential. We are grateful that you help make our ministry possible. Please continue to remember the children, youth and families of the Methodist Children's Home.

REPORT II - HOW YOU CAN HELP

1. Promote Methodist Children's Home's December Christmas Offering in each local church.

2. Reaffirm the defense and protection of rights and privileges of children needing care by someone other than their parents, and uphold the principle of licensing agencies, for purposes of caring for and placing children, to protect minimum standards of care for every child in the care of other persons.

3. Pastors are encouraged to contact Methodist Children's Home Services regarding child placement needs. Call the Home's Office located at 13140 Coit Road, Ste. 401, Lock Box 20, Dallas, Texas 75240, 972-480-8772.

4. Contact Ty Herring, vice-president for Development of Methodist Children's Home when individuals indicate consideration of the Home in making their long-range giving and charitable estate planning.

5. Please do not hesitate to call upon Reverend Tom Strother, vice-president for Church and Community Relations, or Dr. Jack Kyle Daniels, president, for any needs you might have related to Methodist Children's Home.

METHODIST MISSION HOME

1996 IN REVIEW

MMH started out strong in '96 by receiving the EAGLE accreditation, an award earned from the United Methodist Association of Health and Welfare Ministries. We are one of 42 organizations out of 300 nationwide to achieve this recognition for excellence.

By the close of 1996, MMH will have served over five thousand people over the course of a very full year. Babies were placed in adoptive homes, birth parents received the support they needed and young people who are deaf are well on their way to becoming independent, self-sufficient adults.

As we move into our second century of ministry, we know our future depends upon a clear vision, creative planning, delivery of quality services and an ability to inspire others to join us in this service ministry. We are continually developing new programs and approaches to better serve our clients and community. Some of the most recent accomplishments are listed below:

- MMH has opened branch offices in Houston and Santa Fe, NM. Plans are underway to strengthen offices and services in Arlington, Lubbock and Lufkin.

- MMH is working in partnership with the State of Texas to find stable, adoptive homes for children who are in state custody due to abuse and neglect.
  MMH and Bryce Hatch, Vice President of Family and Children's Services, were honored for leadership in a state-wide conference for innovation in adoption practice.

Our Pastor Partnership Program is working with local pastors and congregations to make MMH's resources and expertise available to the local churches.

Forty-five youth pastors from throughout Texas and New Mexico attended the MMH 1996 Symposium, "New Beginnings: Solutions for Adolescent Pregnancy."

- Over twenty MMH staff and clients have been pilgrims on the Walk to Emmaus.

- In September, MMH hosted the United Methodist South Central Jurisdictional Congress for the Deaf geared to helping churches establish deaf ministries/services.

- MMH is participating with the UT/Austin Department of Psychology in the largest adoption study ever undertaken in the U.S.

- MMH now provides emergency shelter for teen parents via a new partnership with high school Teen Parenting Programs.

SERVICE PROGRAMS

Fifty-four infants were placed with adoptive families in 1996. Birthparents and adoptive parents received comprehensive adoption services and 151 Rehabilitation/SCHI clients received the full range of comprehensive training services. C. C. YOUNG MEMORIAL HOME

C. C. Young is dedicated to the elderly, their families and the community, providing programs and facilities in a continuum of care extending from home and community-based services to residential housing and full time nursing care. Reflecting the Christian traditions of love and service, we strive to enhance the physical, mental, social and spiritual well being of the elderly.

1997 marks C.C. Young's 75th year of care and service to the seniors of North Texas. Consistent with its mission, C.C. Young is able to provide its almost 600 residents a full continuum of care and support. This continuum allows our residents to choose the level of care best suited to their needs.

- Independent living accommodations afford residents the benefits of living on their own without the worry of keeping up with household duties and responsibilities while allowing easy access to services in the community.
- Personal care units provide residents with the type of support they require, while allowing them to maintain a more nearly independent level that is comfortable for them.
- The skilled nursing center and staff provide 24-hour care in a setting that offers residents dignity and respect.

A recent addition to the campus is a medical clinic staffed by physicians and a geriatric nurse practitioner provided through the Baylor Healthcare System. These services are available to residents as well as seniors in the community.

Situated on a beautiful 22 acre campus setting, C.C. Young is able to offer its residents a quiet country-like setting with large trees and lovely landscaped grounds. Overlooking White Rock Lake, C.C. Young is only minutes away from major Dallas attractions and shopping centers. North Park Mall, the Dallas Arboretum, Dallas Museum of Art and the Meyerson Symphony Center are all within easy driving distance. For our residents who prefer not to drive, scheduled bus trips to these and other locations are provided by C.C. Young.

C.C. Young has a modest waiting list in some of the areas for admittance. You can usually gain admission within a few days after applying. However, we recommend you plan several months in advance, as the move to any retirement setting is a most important decision.

C.C. Young's plans for the future include construction of 100 new assisted living units and major renovation and remodeling of current structures. To continue to provide the best environment possible for our residents these plans also include a new senior center for residents and community members and an adult day services center.

Since 1922 C.C. Young has been a leader in the field of long-term health care and today is regarded as one of Texas' premier facilities for providing retirement living for older adults. C.C. Young is a non-profit organization and is proud to offer its services to everyone through its non-sectarian, equal housing admittance policy.

WESLEY VILLAGE

It is generally conceded that adolescence is the roughest period in our growing-up process, a time of real change and decision making that affects our whole future. Wesley Village, now entering its tenth year of ministry, is truly at that adolescent stage. The future looms before us, and decisions must be made if we are to fulfill our mission and achieve our potential in our ministry to the aging population of the Texoma area.

Our Long Range Task Force, under the chairmanship of Dr. Tom Graves, has worked with our consultant over the past year, resulting in a feasibility study with very favorable results for a new 60 bed Assisted Living Unit, modification of the present Assisted Living units to reconfigure them to readily marketable Independent Living apartments, and an initial look at the possibility for cottages for active senior adults. Other areas of need evidenced within our area include adult day services (Day Care), low-income housing, and home health services. All of these need to be considered and addressed.

The potential for growth is very favorable for Wesley Village due to a number of factors. We have 60+ acres of land that is available for expansion. We have an excellent reputation that has been built up over the past years by the excellence of our service and the caring, home-lifestyle we offer. We are the only not-for-profit, church related retirement and assisted living facility in our market area. Our residents, their families, and those who are in positions to make referrals know and appreciate the stability of our management and staff, and that we truly exist to serve the people of Texomaland.

Wesley Village is definitely at a crossroads. We must grow if we are to survive and succeed in this ministry to our aging population. The present base must be enlarged if we are to provide and maintain the services and facilities needed, and ultimately be able to say "We never turn anyone out because they have exhausted their assets." Our good friend, Tom Gulick, started the funding toward this goal last year by raising over $10,000 with his "River Run Express" and other "Tactics". Thanks, Tom! And thanks to all who participated. We are always open to such gifts and legacies.

METHODIST HOSPITALS OF DALLAS

This year Methodist Hospitals of Dallas celebrates its 70th anniversary. Throughout the years the dedication of this hospital system to the health related needs of our community, its commitment to Christian concepts and its desire to merit identification with the United Methodist Church has never wavered. Today our Methodist hospitals have modern new facilities, state-of-the-art equipment and an exceptional staff of physicians and employees. They look to the future with confidence and a renewed commitment to the communities they serve.

Methodist Hospitals of Dallas consists of Methodist Medical Center, a 463 bed regional referral center and teaching hospital, and Charlton Methodist Hospital, a 190 bed general hospital serving Southwest Dallas and the growing cities of Duncanville, DeSoto, Lancaster and Cedar Hill. The Medical Center is a leading transplant center providing kidney, heart and pancreas transplantation. Its Level III Neonatal Intensive Care Unit and high-risk perinatal service serve greater North Texas. With outstanding programs in heart, cancer and stroke, the hospital is also recognized for being one of only three facilities in Dallas capable of treating critically injured trauma patients. It is a major teaching hospital, providing training for more than 60 physicians through its residency training programs as well as training opportunities for nurses, technicians, health care administrators and other allied health personnel. Charlton Methodist Hospital provides medical, surgical and obstetrical services as well as

outpatient diagnostic, day surgery and 24 hour emergency services. Charlton provides one of only three family practice medical training programs in all of Dallas.

In fiscal year 1996 Methodist Hospitals of Dallas:

- treated 20,951 adult and pediatric inpatients,
- delivered 3,501 babies,
- performed 5,993 inpatient and 7,735 day surgeries,
- completed 560,111outpatient tests, treatments and procedures,
- treated 77,325 trauma and emergency room patients,
- recorded 25,259 visits in the teaching clinics.

The relationship between the North Texas Conference and Methodist Hospitals of Dallas is established by a Covenant agreement through which United Methodist clergy and laypersons are afforded many opportunities to express their faith through Christian service. Methodist clergy and laypersons are representatives on the Board of Directors and Boards of Trustees of the respective hospitals. Every United Methodist congregation is urged to designate a representative to the Medical Center Auxiliary. Other persons from each church are encouraged to participate in Auxiliary activities. The Volunteer Program offers additional opportunities for service in many vital areas of hospital operations. Volunteers are needed and interested persons are encouraged to call Methodist Medical Center (214/947-2975) and Charlton Methodist Hospital (947-7676) to learn of the many volunteer opportunities which are available.

Dallas Methodist Hospitals Foundation is another arm of mission that helps to support Methodist Hospital of Dallas. Christian persons who wish to extend their stewardship over future generations for the benefit of Methodist Hospitals of Dallas are given the opportunity to do so through the Foundation. The Foundation can also provide special programs on health issues, screenings and referral services. Programs can also be arranged on planned giving and estate planning for churches and groups within the Conference. Your support is encouraged and greatly appreciated.

As we celebrate the 70th anniversary of Methodist Hospitals of Dallas, we do so with profound appreciation for our heritage and for our continuing strong relationship with the United Methodist Church. The cross atop Methodist Medical Center symbolizes the caring and concern that are the daily standard of service for Methodist Hospitals of Dallas.

GOLDEN CROSS

The Golden Cross program continues to serve those who are without funds, who are ill and who are referred for care at Methodist Medical Center by a minister in the North Texas Conference. The program is directed by Chaplain Carole Somers-Clark at the Medical Center and referrals may be directed to her attention at 214/947-2470. The program is supervised by the Golden Cross Division Board of the Dallas Methodist Hospitals Foundation. We are pleased to recognize the following members of the Golden Cross Division Board who establish policies and oversee the administration of the program:

Rita Clinton, Chairperson
Rev. James B. Bowden
William E. Collins
T.R. "Russ" Delatour
John W. Evans
Michael L. Hutton
Mary Ruth Leavell
William H. Pierce
Alys Richards
James Stansell
Richard Steele
Darrell Thigpen, M.D.
William E. Weatherford

During 1996, 62 persons received services through Golden Cross. These patients represented referrals from 39 churches in the North Texas Conference and reflected an expenditure of $234,000 from the Golden Cross Fund. The actual value of these services however is substantially greater since physicians at Methodist Hospitals of Dallas provide their services without charge and no medical fees are included. Forty-one percent of the value of care given was provided to patients referred by ministers from churches in the Dallas-South District. Thirty percent were referred by ministers in the Dallas-Denton District and 17 percent from the Sherman-McKinney District.

This past year a total of $43,288 was contributed by churches in the conference. We are particularly thankful for those churches which met the conference goal by contributing $1 per member. These 100% churches were:

Axe Memorial UMC
Birthright UMC
Button Memorial UMC
Chambersville UMC
Church of Disciple UMC
Copeville UMC
Cumby UMC
Dike UMC
First Garland UMC
Filipino American Centenary UMC
Forestburg UMC
Greenland Hills UMC
Highland Park UMC
Hopewell UMC
Lake Highlands UMC
Nelta UMC
Oak Cliff UMC
Old Saltillo UMC
Peacan Gap UMC
Pleasant Mound UMC
Saltillo UMC
Shooks Chapel UMC
Southwood UMC
Tira UMC
Trietsch Memorial UMC
Williams Chapel UMC

A total of 88 churches made contributions to Golden Cross during 1996. The remainder of funds utilized by Golden Cross represented earnings from the Golden Cross Endowment Fund, the Nelle Norrell Foundation, the Noland Estate of the Texas Methodist Foundation and from miscellaneous memorials and contributions. The Golden Cross Division Board continues to encourage individuals to remember Golden Cross in their wills and provide for gifts to the Golden Cross Endowment Fund through their estates. In this manner, the Golden Cross program can continue to provide care and services to those in need in future years.

Again, we wish to thank those who have made contributions to the Golden Cross Fund and to the Golden Cross Advocates who represent the Golden Cross ministry in your church. We also thank the physicians and staff of Methodist Hospitals of Dallas who provide their services in a most caring and compassionate manner.

The call of our Lord to bring healing to the poor is profoundly answered through the Golden Cross ministry. For over 70 years Methodists of North Texas have said to those at a time of perhaps their greatest need, "In the name of Christ, we are here for you". Please join us in helping to extend the Golden Cross ministry through your prayers and your support in future years.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

Our board has met twice since June 1996. The main agenda was to complete Annual Conference instructions as to the future of Campus Ministry at the University of North Texas/Texas Wesleyan University.

Tim Crouch and the Wesley Foundation spent many hours and meetings evaluating Campus Ministry's future at UNT/TWU. The Wesley Foundation recommended to our board to sell our present thirty year building to UNT for $535,000.00. We will lease land from University of North Texas for 30 years across the street, and build a new, smaller, more efficient, and more useful building for approximately $350,000.00. A $100,000.00 maintenance fund will be established. Our new structure will be adjacent to a new campus chapel which should also increase visibility and enhance ministry.

The other campus ministries all report increased activity. Your conference supports Campus Ministries at: Dallas County Community Colleges, Texas A & M at Commerce, University of North Texas, Texas Women's University, Midwestern State University, Paris Junior College, and Southern Methodist University.

Both Higher Education and Campus Ministries have been represented at all Conference Council on Ministries meetings. Our conference was represented at the Texas United Methodist College Association breakfast in February, at which our Bishop Oden spoke. Our board was true to the 1998 budget request to reduce spending. Our $100,000.00 apportioned dollars to TUMCA helps support scholarships for North Texas Conference students to attend: SMU, Lon Morris, McMurry University, Southwestern University, and Texas Wesleyan University.

Lastly, the chairperson attended the Leadership Training Event at DFW Airport January 17-19. We sent three representatives to a statewide meeting in Fort Worth April 10, 1997 to discuss improving Campus Ministry and Higher Education. The Board invites all North Texas Conference Methodists interested in Campus Ministries and Higher Education to volunteer for service in this vital area of ministry.

Jerry L. Chapman, Chair

TEXAS UNITED METHODIST COLLEGE ASSOCIATION

Our seven institutions feel privileged to be a part of the United Methodist family in Texas. We serve in the spirit of John Wesley's call to join knowledge with vital piety. All of us have Bible and religious studies as a part of our curriculum. All of us have chaplains who are engaged in the full life of the campus, sponsoring a rich program of worship, study and opportunities for spiritual and moral growth with our students.

But all this is only the foundation for a wide variety of ministries we pursue as partners with the church. Here are only a few examples which show the kind of ways we seek to fulfill our roll in that partnership.

Seventeen students at Texas Wesleyan serve as interns in local churches as a part of their studies in the School of Christian Careers.

- Twenty students at Wiley spend two hours tutoring 7th and 8th graders each school day afternoon.
- Each year McMurry's faculty conducts "Servant Leaders" seminars for clergy and laity in district training events.
- The Director of Religious Life, at Southwestern, enlists over 50 students in "Destination-Service," a program for mission work, primarily for children in local churches.
- Huston-Tillotson's 25-member "Gospel Choir" performs in and works with local churches in building youth music activities throughout the year.
- "Inner-Community Experience" is a partnership between SMU, Habitat for Humanity and Munger Place United Methodist Church, in Dallas, involving over a hundred students in daily tutoring and programs at Munger Place Church.

We are grateful for your support. That support takes many forms, especially your encouragement of young people to attend one of our institutions. And it certainly includes your financial support, which is a great help with the cost of scholarships we provide to the United Methodist students.

Huston-Tillotson and Wiley College receive scholarship support through the Black College Fund. In 1996, through the support of local churches, we gave to the other five institutions a total of $849,824 distributed as follows:

Lon Morris College	136,668
McMurry College	162,701
Southern Methodist University	221,827
Southwestern University	161,652
Texas Wesleyan University	166,976

We hope that our efforts - the search for truth, and the commitment to God's reign - have strengthened the important connections between the church and its colleges in Texas. And we hope that the mutual respect and strengthened connections will only grow in the future.

SOUTHERN METHODIST UNIVERSITY CAMPUS MINISTRY

Reaching Around The World

What's the best way to change the lives and world views of a bunch of college students? According to the members of the United Methodist Ministry at Southern Methodist University, the answer is short-term mission trips! "There is a great need today for Christians to be globally aware, to understand and see the love of God in a culture that's not their own," says UMCM Assistant Director Amy Mistelske. "Too often, we think of Christianity as an American thing. It is important to recognize that we serve a God who is bigger than national boundaries." For this reason, UMCM began their mission and service program, Southern Methodist University-Reaching Around the World (SMU-RAW).

SMU-RAW seeks, as their mission statement says, "to provide the SMU community with cross-cultural, educational, and ministerial experiences that encourage growth toward maturity in Christ." Only in its third year, the program has already sent teams to Kenya, Guyana, Virginia, Colorado, Kentucky, and New Mexico. This summer, SMU students are setting out again; this time to Ireland and Nigeria.

In Kenya last summer, seven SMU students spent a month living with Kenyan students studying to be Methodist pastors and working with street children. "The trip to Nairobi last summer changed my world," SMU sophomore Deanna Driggers enthusiastically says. "I learned so much about the nature of service, and came away with a passion for it!" It is this passion that UMCM Director Greg Ligon and Mistelske hope to facilitate in the hearts of UMCM members. And among the students of UMCM, that passion is spreading. "We've had more student interest in outreach and service this year than ever before, "Ligon commented. "Students are looking beyond their own daily lives to the community beyond, and desiring to serve in whatever way needed."

This is a chief goal of the SMU-RAW program. As Kenya team member Sean Vanlandingham explains, "I received much more in Kenya than I could have ever given. Seeing poverty in another country really opened my eyes to the need in my own country." Team leader Amy Berg agrees, "I have a much better understanding now of the need for service in our own backyards, much less in other countries."

As far as the future of the program, the sky's the limit. Ultimately, Mistelske says, UMCM hopes to offer four mission trips over spring break, two over Christmas, and four during the summer. "There has been

tremendous growth this last year," she says. "Student response has been very enthusiastic, and SMU-RAW will continue to grow to meet that enthusiasm."

And the rest of the ministry continues to grow as well. Rev. Ligon reports that over 250 students are involved in some aspect of the United Methodist Campus Ministry's multi-faceted program. Whether it's Hardcore Bible Study on Thursdays (over 100 in attendance weekly) or one of UMCM's 15 small groups or one of the five local weekly service opportunities or intramurals or parties or...you name it...there's always something going on at the United Methodist Campus Ministry-Southern Methodist University. Thanks for your assistance in reaching our campus and around the world.

Greg Ligon, Campus Minister

BOARD OF LAITY

The Board of Laity of the North Texas Conference is organized and functions in accordance to *The Book of Discipline.*

The 1996-97 Board of Laity recognized that our purpose is to heighten an awareness of the role of the laity within the local congregation and through their ministries in the home, work place, community and world in achieving the mission of the Church to "make disciples of Jesus Christ."

The Board has met on a regular basis through the year to plan, to promote programs, and to share information from each individual area of responsibility. Bishop William Oden met with the Board in February. Several members of the Board spoke at various services celebrating Laity Sunday and at other church related events during the year including the two Making Disciples 2000 Kick-Off Gatherings. The board planned the training of Lay Members at the Laity Session of Annual Conference and the Laity Celebration Dinner and revised the Reporting Guide for Lay Members to Annual Conference.

Alys Richards, Conference Lay Leader attended the South Central Jurisdictional Training Session in the Dallas area and the National Association of Annual Conference Lay Leaders (NAACL) in Nashville where the emphasis was on "partners in ministry" among laity and clergy. "Partners in Ministry - Making Disciples of Jesus Christ in the Church" will be the emphasis and theme for Laity Sunday (3rd Sunday in October) for 1997.

The Board of Laity will continue its role of energizing the laity as we go forth to serve in our daily lives.

COMMISSION ON ASIAN MINISTRIES

According to a recent report prepared for The Texas Legislative Council, Texas's population will become increasingly ethnically diverse. The report projects an increase in Asian population in Texas nearing 650 percent by the year 2030. We believe that the Conference will be faced with the formidable challenge of ministering to this escalating Asian growth and that preparation and planning must be done in the present to prepare us for the future. To this end the Commission on Asian Ministries has committed itself to promote: Lay leadership training; congregational involvement in Bible studies; strengthening of local church youth ministries; and fellowship among Asian congregations.

Program ministry supported by this Commission includes funding for the following: an ESL program targeting Asians in the Garland community; materials for Children's Sunday School and worship at the Cambodian Fellowship and Emmanuel Korean; support of the Indian Radio Ministry; Asian Youth Scholarships; an Annual retreat for Youth if Asian churches; assistance for both lay members and clergy

to attend Perkins Lay School of Theology and Ministers Week, and the annual Asian Forum, a gathering for representatives of all Asian congregations in the Conference.

We appreciate the commitment of the North Texas Conference to minister to an emerging Asian presence and we encourage both lay and clergy leadership to consider ways to expand that ministry, especially through the planting of new Asian United Methodist congregations.

Don Lee, Chair

COMMISSION ON NATIVE AMERICAN MINISTRY

The North Texas Conference is applauded nationally for being the first conference in the nation to adopt a Conference Commission for Native American Ministry. American Indian people appreciate the support provided by this Conference for the approximately 36,000 American Indians in North Texas. They realize this support is long-standing, intentional, significant, and ministers to the spiritual needs of the people by offering American Indians Christ.

The commission lauds the many local congregations which celebrate Native American Awareness Sunday, collect a Native American offering, host American Indian speakers, sponsor mission trips to American Indian populations, support the Oklahoma Indian Missionary Conference, and conduct programs geared toward identifying and ministering to unchurched or non-Christian Indians. We encourage you to ask for our participation or support with any of these efforts, or others

On behalf of the North Texas Conference, this commission during the past year has...

- Participated in design and implementation of the exhibit at the International Museum of Cultures entitled American Indians in Contemporary Urban Culture which celebrated the Methodist presence;
- Collected 141 out of a goal of 400 dictionaries for use by Indian children in North Texas;
- Assisted Nancy Billy and Alvin Roughface, two people facing hard times;
- Participated in the Dallas Caucus, the American Indian Chamber of Commerce, the Dallas Indian Education Program, the American Indian Cultural and Business Council, the Dallas Task Force for American Indian Higher Education.
- Laid groundwork for a healing weekend for North Texas alumni of Indian Boarding Schools.
- Represented the North Texas Conference at the Annual Conference of the Oklahoma Indian Missionary Conference in Antlers, OK, the South Central Jurisdiction Training Event for American Indian Ministry, and the United Methodist Consultation on American Indian Gaming; and at the Dallas Indian United Methodist Church(OIMC) located in Oak Cliff at 1201 Hollywood, Dallas.
- Unsuccessfully worked to begin a Dallas Indian After school Program;
- Focused the church on identification of American Indians in every congregation of the conference.
- Began dialogue with the Missions director to support missions with American Indian people;
- Outfitted three teams for the Dallas Indian Youth Basketball Tournament and
- Began advertising for the Church in American Indian media.

For these things we give thanks to the creating God and pray that His love and the promise of His resurrection are seen by the things He does through us.

UNITED METHODIST WOMEN

The emblem of United Methodist Women, the cross and the flame, symbolizes our organization. The cross and the flame are ancient symbols of the church and appear on the United Methodist Church emblem, "....I now remind you to stir into flame the gift of God which is within you..." (II Timothy 1:5, New English Bible.) Both remind us of our PURPOSE of growing in our understanding of and willingness to participate in the global ministries of the church. The shape is fluid and free-flowing, suggesting change and mobility. The women who came before us, serving the church at home and in other countries, were at the forefront of movements for changes. Always aware of the time, we move into the twenty-first century aware of the opportunities and obligation of discipleship. We are a group of Christian women with many gifts who are unified by one Spirit. We participate in God's mission in all areas of life ready to make a difference.

1997 is certainly a year of new beginnings, offering challenges and opportunities to make a difference in God's mission throughout the world. As a growing organization we continue to meet the needs of women, children and youth in our churches and communities. The Women's Division of the Global Ministries of the United Methodist Church presents a new organizational structure which went into effect January of this year. The new structure will streamline some of our mission teams and enable us to meet the needs of our local units and permit full participation in areas of Spiritual Growth, Mission Education, Christian Social Involvement, and Conference and District programs. This is a time to reflect on "who we are" and our accomplishments in mission. Working together through the Women's Division and joining other units of the General Board of Global Ministries, we share in God's mission. Through Undesignated giving, members of United Methodist Women provide a board base of support fort mission throughout the world. N As advocated in God's mission, United Methodist Women ensures continuity of ministry with women, children and youth in some 262 projects in Africa, Asia, Pacific Islands, Latin and Central America, Europe, the Caribbean and Middle East. In the United States, our prayers and gifts have supported 96 community centers, residence for women, counseling centers, schools and colleges.

We continue to stir into the flame our talents and gifts through the "School of Christian Mission" provided for persons to study and bring together their faith and their understanding of the world. General, geographic and spiritual growth studies are offered each year for in depth study. In July 1996 School of Christian Mission was attended by some 343 men, women, children and youth and several clergy members and non members.

Studies presented were: JOHN WESLEY
LIVING IN A MULTICULTURAL SOCIETY
CHINA AND HONG CONG

Throughout the year, local units and local churches are involved in the studies. Thanks to Mary Ann Lovell, Duana Yates, Ella Williams, Patsy Morris, and Rev. Gregory S. Neal, for their leadership in bringing a source of personal inspiration and motivation for mission and all their hard work which makes the school and co-op event a joy.

Duana Yates, Dean of the North Texas Conference School of Christian Mission has attended the Regional Schools in preparation for July 21-24, 1997 school. The United Methodist Women of Lovers Lane UMC will host this year's school. Study groups are "Joshua and The Land", "Brazil", and "Christian Living In The Midst of a Violent Society," with study sessions for our children and youth. Rev. Gregory S. Neal, Dean of the Cooperative School and Barbara Krohn, Assistant Dean and committee have completed the program for July 26-27, 1997 and will meet at the North Central Texas College in Gainesville, Texas.

January 1997 the Texas Legislature Event for United Methodist Women was attended by sixteen women from the North Texas Conference at Austin, Texas. During the Texas Legislative Event we had the

opportunity to address issues concerning the welfare of our women, children and youth. We visited with the State Senators and Representatives. As a follow-up to the legislative event the United Methodist Women of the North Texas Conference formed a committee consisting of the women who attended the event. With enthusiasm and excitement the committee will be available to share information acquired with district and local units. Attending the event were Betty Bedwell, Betty Eddy, Gloria Walker, Mary Joyce Huggins, Betty Hyde, Robbye Williams, Barbara Johnson, Leila James, Ruth Robinson, Rachel Mays, Linda L. Mooter, Liz Shorey, Anne Todd and Sylvia Graham.

The North Texas Conference United Methodist Women's Membership Committee hosted a Membership Event on April 5, 1997 at St. Luke's "Community" United Methodist Church, Dallas. The theme was "How do you check up?" A HEALTH FAIR was presented featuring: Walk A Mile for Mission; Mammogram Unit; Blood Pressure Check; Cholesterol Check; Health Information Booths; Diabetes Screening; Hearing and Vision Screening; Health Food Samples; Stress Management; and Osteoporosis Workshops. Thanks to Duana Yates, Membership Chairperson and committee members.

WHY BE IN MISSION? As we are reminded in Matthew 26:34-45 "...Inasmuch as you did not do it to one of the least of these, you did not do it to Me." As United Methodist Women of the North Texas Conference we are very excited with much enthusiasm in answering God's call to His mission.

My daily prayers are for all God's children to experience freedom as whole persons in Jesus Christ, and knowing that our gifts and talents are making a difference in God's mission.

Sylvia A. Graham, President

UNITED METHODIST MEN

I am happy to report that the organization of United Methodist Men for the North Texas Conference of the United Methodist Church is making substantial progress in our reorganization efforts.

We now have 67 identified units of men's groups working in the churches of the conference. Not all are chartered, but we are working to recharter 1997 fellowships and involve the others with the national organization.

We also have district presidents in place and these organizations are beginning to function.

As a conference, we have accepted a major project of funding "Wesley Inn" a facility open to homeless teenage mothers who love and want to keep their children. Our goal is $50,000.00 from men's fellowships and individuals for three years. As of April 5th, we have $47,000.00 now in contributions and pledges. A grant from the Hillcrest Foundation helped immensely in the first year of the project. The Inn should be ready for occupancy by mid-summer.

Organized conference work days at Camp Texoma and the Bridgeport Conference Center were held during the spring.

We are working to have a large group of men at the International Congress of United Methodist Men at Purdue in July. Robert Hamer of Walnut Hill UMC is coordinating this effort.

We have had 14 of our groups participating in the Austin Street Shelter, serving breakfast on a regular basis.

Individual groups are working with the Volunteers in Mission program.

A gleaning project to assist the Society of St. Andrew is scheduled for October. Food pantries and shelters will benefit from the gleaning.

Methodist Men will serve as ushers and assist with parking during the annual conference.

Our quarterly publication, "Men in Mission" is distributed to all United Methodist Men officers. We appreciate the continued support of Bob Robertson in this ministry.

Quarterly executive meetings with the officers, steering committee and district presidents are held and the conference was represented at national meetings by officers of United Methodist Men.

As additional fellowships are formed throughout the conference, I feel that the organization of United Methodist Men will soon be making a larger contribution to the work of the local church and of the North Texas Conference.

Churches may contact the conference office for representatives who will assist any church in organizing a Men's Fellowship.

Jack McGee, Conference President UMM

WESLEY-RANKIN COMMUNITY CENTER

In celebration of ninety-five years of Methodist mission in Dallas, Wesley-Rankin Community Center has established a Century Club. We have set a goal of 2000 supporters from the North Texas Conference United Methodist Churches to lead us into our centennial celebration in 2002. We are seeking 2,000 individual donors to commit to gifts of $500, payable at $100 a year over the next five years. These gifts would establish an endowment fund of one million dollars to ensure a strong funding base for our ministry Wesley-Rankin has taken many steps through our history to be the presence of the church in the suffering community. As a ministry of the conference we seek to minister in our West Dallas neighborhood with both supportive and innovative programming. We also have set a goal of collaboration with other United Methodist institutions and local churches in order to share and strengthen our ability to serve.

Each day we reach into the lives of 300 children, youth, adults, and senior citizens. Our educational efforts include a state-of-the-art/internet accessible computer lab which provides teaching, training, and tutoring classes. Our parent/child education program has been recognized as a model program for helping young mothers develop life changing skills and personal growth. We are providing alternatives to the violence and hopelessness that pervades in the lives of our young people through UMYF groups, a mentoring program for young boys, teen-age Bible study, summer Bible School, our scholarship and "bridge to college" programs.

In 1996 we took over our Senior Citizens lunch and fellowship program, when county funds were designated elsewhere. We also continue to work with volunteer youth and adults to provide home repair for our elderly.

The ministry of Wesley-Rankin is the realization of decades of commitment and leadership from the North Texas Conference. Each communion offering, craft fair proceed, ticket purchased to our annual benefit, pledge, and gift to mission is applied to our common goal to live out our faith by providing support, education, and hope to the people of West Dallas.

As local churches, United Methodist Women, and individuals who support this vital ministry we have much to celebrate. We also have an abundance of opportunities to touch the wounds of Christ in the lives

of those who suffer in our community. Together we can build a strong foundation for service in the Twenty-first Century.

NTC Local Pastor Formation Weekend: February 21-22, 1998 is the tentative date for a Local Pastor Formation Weekend at the Bridgeport Conference Center. This Saturday/Sunday event for all NTC student, part-time and full-time local pastors will provide workshops, worship and fellowship events to enhance the ministry of all local pastors. Provided by the NTC Board of Ordained Ministry, this event is intended to highlight the calling and ministry of local pastors. The event will also serve as the primary date for updating files, interviews and other administrative matters. Among other workshops offered Saturday afternoon would be one for those exploring or seeking more information about serving as a local pastor. In concert with each District Lay Speakers corps it is hoped that every local pastor's pulpit would be covered so every student, part-time and full-time local pastor may attend this continuing formation event.

Respectfully submitted,Keith Payne Boone
Chairperson, NTC Committee on Local Pastors
Division of Elders

REPORT IV: DIVISION OF CONFERENCE RELATIONS

The Division of Conference Relations makes the following motion regarding the matter of conference procedures on clergy sexual misconduct and harassment:

A. That the current journal statement be dropped;

B. That a brochure be prepared and thoroughly distributed through the local churches describing in detail the disciplinary process to be followed in case of clergy sexual misconduct or harassment.

C. That the North Texas Conference Board of Ordained Ministry petition the 1996 General Conference to include laity in the joint review process;

D. That the Division of Conference Relations be empowered to work with the Bishop in clarifying the role of and fully empowering the lay advocates trained by the General Church.

REPORT V: DIVISION CONTINUING EDUCATION

Rick Hawkins, Chair, at P.O. Box 516069, Dallas, TX 75251- 972-490-3438.

The Division of Continuing Education exists to develop spiritually mature and effective pastors. The Division does its work in three ways. First, it provides individual grants to members in full connection for continuing education enterprises. An individual may apply for up to one-third of the cost of an event, not to exceed $300. An individual may draw up to $1,000 in a three-year period. The cost of international travel is excluded.

An additional $1,500 may be granted by the Division to individual conference members every seven to nine years of ministry, for, in the opinion of the Division of Continuing Education, a significant continuing education enterprise.

The Division designs continuing education events and assists the district in their continuing education enterprise.

The third element of the Division is the Center for Advanced Pastoral Studies. This event is open to all who qualify for continuing education, is usually an intense study experience of four days, then a follow up session of four days three months later. Fifty pastors in the Conference have participated in these events. It is the hope of the Division that all pastors in the Conference will at some point in their ministry participate in one of these events.

The John Winn Center for Pastoral Studies in New Orleans will be attended by a group of 20 plus clergy members from the North Texas Conference from May 5-8, 1997 and August 11-14, 1997. Other clergy have previously attended.

For information regarding continuing education guidelines and policies please contact Rick Hawkins, Chair

REPORT VI: DIVISION OF DEACONS, PREPARATIONS AND QUALIFICATIONS

Sarah Squires, Chair: 1928 Ross Ave., Dallas, TX 75201, 214-220-2727

The Conference year 1996-97 has been a time of great change, some trial and much joy. The Board of Diaconal Ministry no longer exists and all church professionals, certified, consecrated, and ordained now function under the Disciplinary rule of the new Board of Ministry. The changes in legislation from the 1996 General Conference have challenged us to lift up the ministry of all Christians and to set apart persons from among the baptized to be servant leaders. Diaconal Ministry exists now only as those who entered under the previous Book of discipline make their way to complete the process and those who remain Diaconal continue to serve. The Division of Deacons now carries the responsibility for the continuing Diaconal Ministers as well as those certified, and ordained deacon.

The following report is submitted in reference to the current status of persons in the Diaconal Ministry, process toward Diaconal Ministry, as well as those who will transition from Diaconal to Ordained Deacon in full connection.

There are currently 33 active Diaconal Ministers, 15 of whom will be presented for ordination as Deacon in full connection.

There are 13 persons in process toward consecration by 2000.

There are 16 Retired Diaconal Ministers.

There are 6 Diaconal Ministers on Leave of Absence.

Two Diaconal Ministers have died during the passed year.

Estelle Blanton Barber
Frances Whaley

At the 1997 Annual Conference session, there is one person to be presented for consecration as Diaconal Minister.

Alan Edward Hitt

There are two Diaconal Ministers who will retire.
Margaret Robinson
Richard Howell

There are two persons to be Certified as Associates in Christian Education.
Lynda Whitman
Linda Wheeler

COMMISSION ON INSURANCE

Health insurance continues to be provided through the Health Flex Program of the General Board of Pensions and Health Benefits of the United Methodist Church. Metra Health, our original vendor, merged with United Health Care in the Fall of 1997. This merger was reflected in a change in the participant's identification card, but the services received remained the same.

Cost of health care within our conference as well as across the nation continues to rise. Premiums for 1998 are projected to increase approximately 10% for actives.

Our Conference plan experienced significant cost increases in the areas of dental, pharmaceutical, and Medicare claims. To address these challenges and to provide an affordable health care program, the Commission and Health Flex will implement several plan design changes effective January 1, 1998. One of the design changes being considered is to add a Medicare HMO option for retirees. Retirees could continue with the existing plan or switch to the Medicare HMO. Details of those changes will be available in the Fall of 1997.

THE SOUTH CENTRAL JURISDICTION

The South Central Jurisdiction witnessed major change in the last quadrennium: new chief executive officers were chosen for Lydia Patterson Institute, Southern Methodist University and Mount Sequoyah. The Jurisdictional office adapted from a three-executive office to an office in which one executive carried all responsibilities. Though the Jurisdiction continues some strategic programming, a trend continued toward networking as the Jurisdiction's primary source. At the end of the quadrennium, the Jurisdiction had eighteen functioning networks, and four new networks were created during the quadrennium: District Superintendents, District Superintendents' Spouses, Conference Volunteers in Mission Coordinators and Hispanic. The Jurisdictional Conference session will be held in Albuquerque in 2000, and in Corpus Christi in 2004.

SpiLiRa, the quadrennial Spiritual Life Rally sponsored by the Jurisdictional Youth Ministry Organization, will be held July 7-11, 1997, in Fayetteville AR. Up to eight hundred youth have attended these events previously.

The Jurisdiction, through the Jurisdictional College of Bishops, is sponsoring a series of events on September 26-27, 1997 to lift up the call to ministry for persons twenty-five years of age and older. These events will be in Dallas, San Antonio, Lubbock, Little Rock and Kansas City.

Persons from across the Jurisdiction are invited to Jurisdictional VIM Rally at Columbia, MO, on November 14-15, 1997. Participants will meet mission leaders from across the world, and conference VIM leaders will participate in a workshop on making effective use of computer technology for mission.

The Executive Director continues to provide field service as requested. Up-to-date information on VIM mission opportunities may be obtained at any time by calling the Jurisdictional office.

HUSTON-TILLOTSON COLLEGE

Huston-Tillotson College is "Focused on the Future"! In an address to our Board of Trustees, Bishop Ray Owen, chair of the Board, introduced that theme and noted that "it's never very far from the acceptable to the exceptional, but in between that short distance is a lot of hard work and probably pain. But it's worth it." Bishop Owen has called Huston-Tillotson to focus on the future. The Administration is proud to accept the challenge of our chair as he leads the Board's support in our unified efforts to establish a premier institution. A few of the highlights of the past year are presented here for your review.

During the 1996-97 academic year, Huston-Tillotson College was selected as one of only 32 colleges and universities nationwide to be part of the 1996-97 CASE National Media Fellowship. CASE is the Council for Advancement and Support of Education, an international nonprofit education association. The Media Fellowship is a three- to five-day session held on campus on issues and areas of interest to journalists at newspapers and magazines with circulations of more than 200,000 and radio and television stations in major media markets. The program is designed to offer journalists opportunities to interact with leading scholars and their pupils, investigate new concepts and frameworks, and explore the nuances of important issues. Huston-Tillotson's fellowship is entitled "Teaching Teachers and Teaching Children: The Role of Historically Black Colleges in Developing Tomorrow's Leaders," recognizing that Huston-Tillotson houses an outstanding teacher education program.

Last October, in the culmination of several months of dedicated work by a group of alumni, a Texas State Historical Marker was placed at the site of the former Samuel Huston College, the southeast corner of East 12th Street and IH 35. The text of the marker reads:
Samuel Huston College traces its history to 1876 when the Rev. George W. Richardson founded a college in Dallas for the education of African American youth. St. Paul's Methodist Episcopal Church was leased for the private school, named Andrews Normal School. The school moved to Austin in 1878 and held classes in the Wesley Chapel Methodist Episcopal Church. The West Texas Conference of the Methodist Episcopal Church, with the help of the Freedman's Aid Society, adopted Andrews Normal School in 1878 and the name was changed to West Texas Conference School. Nearly six acres were acquired on East 12th Street in 1880 for the original campus. The school was renamed in 1887 in honor of Samuel Huston of Marengo, Iowa, who donated property worth $10,000. Funding difficulties caused the school to close several times in the 1880s. It reopened in 1900 at the same site. Organized as a private educational corporation in 1910, it became a senior college in 1926, and merged with Tillotson College in 1952. Relocated to the Tillotson College campus on Chicon Street, the school was renamed Huston-Tillotson College. It continues a distinguished history of education.

The original Samuel Huston campus was razed because of highway construction, but now the historical marker stands at the site as a permanent reminder of the influence and importance of Methodists in education in Austin.

In March the Huston-Tillotson Concert Choir performed in New York City during the 53rd Anniversary Banquet of The College Fund/UNCF. Huston-Tillotson is a founding member of this 40-institution consortium, and the choir's trip gave H-T additional visibility and support among its sister institutions as well as among New York area alumni and the general public. The choir also performs each year in United Methodist churches at several sites around Texas, including Dallas in the North Texas Conference. We believe we have an exceptional group of young singers.

From July 31-August 3, 1997, the campus will host the national meeting of United Methodists in Campus Ministry. Under the theme "Watching Over One Another in Love," we expect to welcome almost 200 UM campus ministers and others to H-T and to Austin, and to show them the hospitality for which we are known. Our United Methodist roots are our heritage -- and our future -- as a small liberal arts college.

Enhancing campus technology has been our top priority this year. Already we have begun to install a new campus-wide administrative software system; provide Internet access for all faculty, staff, and students; purchase more than 60 PCS for faculty, staff, and students; and expand computer access in student labs in the Divisions of Natural Sciences, Social Sciences, and Education, as well as in the library and both residence halls.

We thank your for your faithful support of the Texas United Methodist College Association and the Black College Fund. TUMCA helps sustain the work of five UM-related higher education institutions in our state, and the Black College Fund provides additional support for Wiley College and Huston-Tillotson College. Both avenues of stewardship and support are important. We urge you to give generously. Thank you especially for your continued support of Huston-Tillotson College.

We look forward to many more years of partnership with the North Texas Conference. Together we will remain "focused on the future" of preparing young men and women for leadership and service in the 21st century.

Joseph T. McMillan, Jr.President

LYDIA PATTERSON INSTITUTE

On behalf of the administration, faculty, staff, and student body, I bring you this report with a warm "abrazo" from your institution on the U.S. Mexico border. We bring our most sincere appreciation for your work and commitment to this institution which has carried out the teachings of John Wesley through its mission of educating and nurturing the children of God.

I begin my report by thanking the Bishops and all United Methodists in every position of leadership and in every local church for the apportionment giving which has made our daily work possible.

The world that we live in is constantly changing, though many times it may not be in the direction that we feel may be pleasing to God. Our institutions, the church, and our entire society are in constant change. Lydia Patterson is no exception, and as a part of the United Methodist Church, is working in ministry to bring these changes in harmony with the love of Christ. The ministry of Lydia Patterson is embedded in the core of our future world: our youth who are caught in the midst of this web of changes. Real lives are touched by you daily, and, every single day at Lydia Patterson, young men and women are becoming better people, both spiritually and academically, thanks to the love and commitment of you, United Methodists.

During the past year, we have educated 300 more students, many of whom might have stopped their education at the sixth grade level. We continue to extend a hand to many students that come from impoverished homes with a desire to learn English, to be prepared for life in a multi-cultural society, and to make a difference in our world. Ninety percent of those that graduate from LPI continue their college education. At present, we have students attending Texas Wesleyan University, Oklahoma City University, Lon Morris College, McMurry University, Central Methodist College, and many other non-Methodist institutions. We are grateful to those United Methodist institutions that are continuing our ministry which is so vital to our students and so pleasing to God.

Life on the border is not an easy one; especially for those that rely on a minimum wage of $20 per week on the Mexican side while having a cost of living comparable to ours in the U.S. Our greatest challenge is to provide financial help for those students that are so deserving of an education but whose parents cannot meet a $150 monthly tuition expense. The number of students in need of help is greater than ever as it becomes harder for parents to send them to school. Our challenge rests in a very simple truth as we carry out our mission and continue the legacy of Mrs. Patterson. We must provide more scholarships and allow the students the opportunity to work for their education. Students, parents, faculty and administration are extremely grateful to the many United Methodists (conferences, churches, groups and individuals alike), who are always there for us providing scholarships. For instance, this year we were fortunate to have volunteers pay the tuition for students from the "colonias" of "Proyecto Hogar", a mission of building houses for the homeless, headed by one of our own Lydia Patterson graduates.

The capital campaign for endowment has begun to make a difference in our daily operation. For the first time in the history of LPI, we have raised $1.6 million in endowment funds and future pledges of $550,000 for a total of $2 million dollars. A total of $910,000 has been raised from the annual conferences alone. Four years ago, we saw this as simply a dream; today thanks to you, it is a reality. More importantly and as a result, we have been able to increase teachers salaries and their pension funds, provide better classroom equipment, and add new programs. For the first time, we have begun a program of honors classes for students with special talents. Our computer lab is now tied to the Internet, and we will soon bring the educational channel to every classroom. Also, for the first time students in the religion classes have been given their own personally engraved Bible. Students are now in uniforms and the pride of the school continues to be reflected in our sports program.

We have come a long way in bringing some financial security for the future of this great ministry. We still have a long walk ahead of us, but we are not alone. In the midst of all our needs as well as our blessings,

you have walked hand in hand with us. Our connection to you makes our ministry your ministry. A strategic plan is in progress in order that we may be better prepared to meet all our challenges. Together we will place before God, in the year 2000, one of the finest institutions worthy of carrying forth the legacy of Mrs. Lydia Patterson by touching even more lives.

MOUNT SEQUOYAH

1996 was a year of major challenge and of considerable success. We **followed the vision** of our trustees and moved forward in the revitalization of the ministry of The Mountain.

There is **a new spirit at Mount Sequoyah**. Simple but important improvements in our practice of Christian hospitality have continued an environment that enhances spiritual and intellectual growth and an increasing number of persons are attending programs on The Mountain.

While we serve a wide range of programs our **special ministry** is with **senior adults**. We have been able to add many new components to our retiree events and we are well on the way toward being a major contributor of high quality older adult programs in our Jurisdiction. Current registrations indicate another significant increase in attendance in 1997.

We can report progress toward **improving our facilities** with quality repair and renovation. Through the generosity of conferences and individuals we have embarked upon a program to remodel all our sleeping accommodations over the next 24 months.

A major accomplishment of the past year has been the **development of administrative systems** that allow us to **maximize our financial resources**. We are practicing good stewardship while holding firm to our commitments to warm hospitality and a quality environment. We are firmly committed to a plan which calls for operational self support by the end of 1997. Our goal is to generate our operating costs through earned revenue so that all of our contributed funds can be used for programs and capital improvements. It is a formidable challenge which we believe can be reached.

In 1996 we will celebrate **Mount Sequoyah's 75th Year of Ministry**. **Remembering our past** we are **living in the present** and **planning the future**. Our goal is to move into the new century as a major contributor to the ministry of The United Methodist Church.

Dr. Charles Wallace, President

PERKINS SCHOOL OF THEOLOGY

The mission of Perkins School of Theology is to prepare women and men for effective leadership in the church, and to engage in theological reflection on the church's faith, life and mission in the world.

Over 3,000 persons prepared for their leadership in the church with the help of Perkins School of Theology in 1996-97. These persons enrolled in degree programs, participated in continuing education events, attended seminars and viewed exhibitions. They are lay persons, clergy persons, persons who work with youth, church musicians, Christian educators and candidates for ministry. They come from all over the world and speak many different languages. All of them seek to know more about their place in the church's faith, life and mission.

We are committed to innovative programs at Perkins. Our Houston-Galveston Program (or "Perkins South") enables students to begin their theological education close to where they serve and live. Perkins South enrolled 80 students in the fall and serves as a model for future offerings of quality United Methodist theological education to persons unable to travel to the Dallas campus. Overall enrollment for Fall 1996, was 479 students, the highest in 10 years.

A key to innovation at Perkins is **expansion of our already strong programs**. Under the leadership of Rev. Minerva Carcano, the Mexican-American Program at Perkins will begin to train English-speaking persons for ministry in the Hispanic church by adapting its already strong Spanish language curriculum. The Intern Program celebrates 25 years of partnership with the local church in the training of new pastors. Sixteen hundred persons have experienced the Perkins Intern Program and have learned first hand how to bridge the gap between the study of theology and the practice of ministry. Bridwell Library continues to develop one of the strongest theological research facilities in the United States and encourages pastors to use its great collections.

We celebrate the many gifts of our faculty who continue to publish books and articles of significant importance for the church and the academy, and who spend countless hours teaching and coaching all kinds of persons preparing for leadership in the church. Patricia Howery Davis of our pastoral care faculty has been named a Henry Luce III Fellow to support her sabbatical research on the spiritualities of adolescent girls. The Luce fellowship is one of the most prestigious awards in theological studies. Since 1993, 28 persons have been named fellows and three of those have been Perkins faculty. Awards in previous years have gone to Ellen T. Charry, Assistant Professor of Systematic Theology and Ruben L.F. Habito, Professor of World Religions and Spirituality.

And finally, **we give thanks to the many donors** who have a vision of what is possible in the church through places like Perkins. For all the churches who paid their apportioned MEF funds, we give thanks. To all the alumni/ae and friends who responded to our annual fund campaign, we give thanks. And to Charles and Elizabeth Prothro of Wichita Falls, TX, who have pledged $7 million to Perkins in support of our capital campaign initiatives, we give thanks.

Robin W. Lovin, Dean

SAINT PAUL SCHOOL OF THEOLOGY

A student captured the spirit of Saint Paul well during a luncheon conversation: "Despite all the diversity of Saint Paul, what impresses me is that everything is always centered in Jesus Christ." It is from this clear foundation that we seek to prepare a new generation of leaders in the Wesleyan tradition.

The 1996-97 school year saw the largest enrollment in the history of the seminary. Students come from 35 states as well as several countries and territories.

The Reverend Donna Allen joined the faculty in preaching and worship. She is completing her Ph.D. at Vanderbilt University. In addition to their classroom teaching, which is highly rated by students, faculty published many books in the past year. Saint Paul faculty have the most research projects underway per capita among the United Methodist seminaries according to a recent denominational survey. In both their teaching and writing, Saint Paul faculty always focus their efforts toward the renewal of God's church. Faculty member Edward A. Kail recently shared a dream that could be affirmed by us all.

I dream of a church of vibrant congregations of joyful disciples of Christ where
everyone is welcomed into a community of love,
everyone experiences a life-changing touch of God,
everyone comes to know how gifted and special they are,
and everyone is helped to use their gifts in ministry.

For this to happen, we will need faithful, wise, informed, creative, spirit-empowered leaders.

Saint Paul now offers a new specialization in Black Church Ministries which seeks to strengthen the seminary's commitment to preparation for leadership in the African-American church. In addition, Saint Paul is one of five United Methodist seminaries forming a consortium to provide theological education in Russia.

Of course, our ministry is possible because of you. Please know how grateful we are. Last summer three Saint Paul students gave the seminary's report at the South Central Jurisdictional Conference. They concluded their report with these words:

We wish to express our appreciation to all of the committed laity and clergy across United Methodism who make possible our theological education. Because of your love of Jesus Christ, your commitment to his gospel message, and your hopes and dreams for the United Methodist Church across the world, we have been privileged to begin a lifetime of learning -- learning what it means to be in ministry with the people of God.

Lovett H. Weems, Jr., President

SOUTHERN METHODIST UNIVERSITY

I am pleased to share with you a number of exciting developments at SMU during the past year. The state of the University is very good and the anticipated future is even brighter.

Since my last report to you, the Board of Trustees has approved a Strategic Plan for the University and has set April 18, 1997, as the date for the kick-off of the Capital Campaign.

The six goals of the Strategic Plan are:

1. Teaching and Learning - Enhancement of teaching and learning through faculty development, curricular review, and expansion of learning support for students.

2. University Research - Strengthening of University research capability by encouraging development and maintenance of interdisciplinary research and by broadening sources of support.

3. International Dimensions - Enhancement of the international dimensions of the curriculum, faculty, and student body.

4. Partnerships and Outreach - Enhancement of institutional partnerships and outreach by strengthening selected program areas (such as tele-communications) and by geographically expanding the University's instructional locations.

5. Success After Graduation - Enhancement of programs that help prepare students for success after graduation.

6. Student Development - Enhancement of programs that promote student development toward personal, ethical, spiritual, and civic maturity and that support student life at the university.

As SMU continues efforts to embrace and serve the Dallas community, we opened a North Dallas Center which will provide continuing education and degree programs beyond our campus boundaries. Perkins School of Theology conducts an extensive program in Houston and Galveston and has had a wonderful reception from leaders in the Church in the Houston-Galveston area. The School of Engineering and Applied Science sponsors a center in Richardson, and Cox MBA courses are offered in Plano.

We will implement a new General Education Curriculum in Fall 1997, which will include courses in cultural formations, informational technology and human diversity. We hope to implement the language requirement as resources become available. Dr. Ross Murfin, former Dean of Arts and Sciences as the University of Miami, has assumed the post of Provost and Vice President for Academic Affairs and is doing an outstanding job of planning and implementation of our academic programs.

Other important academic initiatives include the opening of the William P. Clements Center for Southwest Studies, which sponsored an inaugural symposium in the fall. The Cary M. Maguire Center of Ethics and Public Responsibility sponsored another major conference this year, this time on the important topic of media ethics.

We are making excellent progress in the search process to name permanent deans to Dedman College, the Cox School of Business, and the School of Law. Each search committee has identified a strong pool of candidates and is proceeding at this time with interviews and campus visits.

A great step forward for the Perkins School of Theology has been made, thanks to the continuing generosity of Charles and Elizabeth Perkins Prothro of Wichita Falls. Their latest gift is $7 million to provide scholarship endowment, facility improvement and library enhancement, including a magnificent collection of rare Bibles.

Our United Methodist Campus Ministry program continues to grow under the leadership of Reverend Greg Ligon. Thursday night Bible study and summer mission trips have become hallmarks of this remarkable ministry. We thank the South Central Jurisdiction for your continuing support of this vital ministry program.

We continue to need and appreciate your interest, prayers, leadership, and gifts as we reaffirm SMU's founding vision through our achievements of today and tomorrow.

R. Gerald Turner, President

SOUTHWESTERN UNIVERSITY

A Quiet Revolution

Southwestern University has undergone a quiet revolution in the last two decades. Though it holds the oldest charter of any college or university in Texas, it is, in one sense, a new institution. Significant changes have occurred in the life of the University during the last twenty years which make it a very different place from what it was then. Though alumni returning to the University often express amazement at it was then. Though alumni returning to the University often express amazement at the changes in the physical aspect of the campus, where practically every building is new or has been renovated, other changes are perhaps more fundamental.

* The University's endowment has grown from $23.7 million in 1977 to more than $230 million today.
* Southwestern's student enrollment, at 964 in 1977, has reached 1,226 this year.
* The 11.2 student-to-faculty ratio guarantees individualized attention for students from a committed faculty.
* An annual average SAT score of almost 1200 for entering freshmen gives Southwestern a challenging student body each year.

This "quiet revolution" has not gone unnoticed by the outside world. In recent years the University has been reclassified by the Carnegie Foundation from a regional to a national liberal arts institution, been awarded a Phi Beta Kappa chapter, and won a $6.8 million grant for the construction of a new classroom building from the F.W. Olin Foundation in competition with dozens of other fine schools.

Major Changes but Abiding Values

One of the basic reasons Southwestern has fared so well during the last twenty years is that it has had a strong educational foundation on which to build. A core of permanent values from the past has undergirded the major changes which have occurred. We are consciously dedicated to preserving the best of the past, participating actively in the creation of the new, and educating young people who can successfully bring together the old and the new in their personal lives and in their work experience.

Another way of saying this is that we try to combine the traditional role of the liberal arts with an appreciation for the high technology of the present. We interpret the liberal arts in terms of the original meaning of the Latin word *liber*, from which the term comes, meaning "to free."
The liberal arts are the "freeing" arts, those things which give us perspective on the world in which we live and enable us to take a comprehensive, rather than a parochial, view of what is happening around us. We interpret the new technology of the times as having the potential, if used responsibly, to enhance, rather than diminish, thus freeing the individual for full service. We try to place career preparation in the context of a broad-based education in which not only the cognitive, but also the affective elements, are taken into account.

A Concern for High Ethical Endeavor

Especially important to us, in providing a link with our past and with the United Methodist Church, is a concern for high ethical endeavor. This concern is often seen in the business and political world to conflict with the need to show immediate results and to achieve efficiency at any cost. The sad stories often emanating from Wall Street and Washington, where some of our most prominent leaders have been convicted of crimes and misdemeanors are cases in point. The end does not justify the means, and we take seriously our responsibility at Southwestern to provide an education which does more than train the mind. "As our students face the complex ethical dilemmas and questions of a rapidly changing world, we challenge them to remember that our Judeo-Christian heritage calls us to responsible decision-making, decisive and intentional action, and committed and continued leadership in improving the human condition within the global *community [quotation from the Southwestern University Master Plan*]. We try to refurbish the essential values of our founders and revitalize them for our time.

TEXAS WESLEYAN UNIVERSITY

Texas Wesleyan University, located in a city of 450,000 people, in a metropolitan area encompassing approximately 4 million, was the first structure in southeast Fort Worth just a few years after the close of the Chisholm Trail. The Polytechnic Heights neighborhood grew up, and grew old, around us, and for a long time we were caught up in our own struggle for survival. Many people suggested we move to a more economically stable area of Fort Worth, but we chose to stay and to take ownership of the urban problems around us, to make a difference in the community, and to show our students how to make a difference. This is where we are taking our stand against apathy and cynicism and self-destruction.

We have taken ownership of our role as a "New Urban University, "a concept which emanates from our relationship to the United Methodist Church.

* The Church Internship Program places pre-ministerial students in area churches to be exposed to and gain experience in ministry. Because of the willingness of churches to be involved in this program, the internship experienced a 130% increase in participation
* We are proud to host the BLC meeting and the School of Christian Missions
* Wesleyan houses the archives of the Central Texas Conference
* We have entered into an articulation agreement with Lon Morris College
* We maintain partnerships with Methodist Colleges and Universities in Brazil
* Our annual Spring Break work trip involved students, staff and alumni, building a 13" X 26' cinder block home in Juarez, Mexico through Operacion Hogar
* Through our partnership with the Poly Network Collaborative we are helping to establish neighborhood resource houses in support of community revitalization through youth education, community education, links to neighborhood business, and links to social service agencies...*Texas Wesleyan* continues to build partnerships with the Fort Worth business community
* We are moving our law school from Irving to downtown Fort Worth this summer and we are developing collaborative projects with various departments and services within the legal community
* The MBA program began last fall and our students are already making a name for the Wesleyan MBA in the community. They have been involved with the Chamber of Commerce of Fort Worth on a retention study and on a Berry Street initiative. They also assisted the City of Arlington's department of transportation on a study of the Handitran.
* On campus, the Chaplaincy program, which is being endowed by Dr. Evie Joe Wilson, provides guidance for campus and community service
* Weekly chapel service is held on both the main campus and the law school campus
* The Willson Lecture Series featured Dr. William Willimon who challenged us with the meaning of "following Jesus in the modern world."
* Contrary to national and local trends, our spring enrollment is up for the fifth year in a row. Total head count is 2,713 students, representing a 5.1% increase over last spring...*This increase* brings additional parking difficulties and crowded classrooms, but also greater participation in community and campus activities.

* To address some of the facilities needs, plans are underway for a new 200-student housing village on campus. The Baker-Martin Welcome Center, housing Freshman Admission center, will be completed this fall...

The educational mission of the United Methodist Church has always been strong, but never so important as in today's society where individuals are confronted with such isolation and despair that, though constantly surrounded by people, they lose touch with humanity. We continue to teach our students to do well in life and to do good, encouraging them to combine knowledge with a vital faith. Thank you for your continued support of higher education.

OTHER REPORTS

COMMITTEE ON EPISCOPACY

1. Since the Conference met last the Committee had the great privilege of supporting our former Bishop, Bruce P. Blake and his wife Karen as they experienced the process of reassignment. Both before and after the Jurisdictional Conference last July the Blakes relied heavily on the Committee and its individual members for personal and professional advice and support.

   The Committee was pleased to represent the Conference as a caring presence to the Blakes during that time of transition for them and for us. The Committee hosted a celebration of the Ministry of the Blakes last August at First United Methodist Church in Denton. The event proved to be meaningful to the Blakes and to the Conference as a concrete way of saying "Thank You" and "Goodby." While the Committee was helping to celebrate the ministry of the Blakes as they left for Oklahoma, we were also busy celebrating the assignment of the Odens as they arrived from Louisiana.

2. From the moment of their assignment to the North Texas Conference, Bill and Marilyn Oden have proven to be open, caring, and committed people. Our challenge has been to find ways to be as gracious to them as they have been to us!

   Various Committee members eagerly volunteered to find ways to help the Odens feel welcome. The Odens have graciously reciprocated by finding various avenues to let us know that they are glad to be here.

   A worship service welcoming Bishop Oden was planned and implemented by our Committee last October at Custer Road United Methodist Church. The service proved especially meaningful as a means by which we begin our mutual ministries, relying upon our unity in Christ. Bishop Oden shared with us his vision of our ministry which set the tone for our life together.

3. The Committee has met with Bishop Oden (and often Marilyn) four times since his arrival in September. We anticipate meeting at least four times next year.

   Bishop Oden has used the Committee and its members to reflect upon the nature of our Conference, the nature of the Episcopacy, and the nature of North Texas.

   Our meetings have been mutually beneficial, rewarding, and hopefully helpful to our Bishop and his family. We plan to continue the dialogue as we all seek ways of enhancing the effectiveness of the Episcopal Office in North Texas.

4. It is very much in order to say "Thank You" in two specific ways:

First, to our Jurisdictional Conference delegation and specifically our Jurisdictional Committee on the Episcopacy representatives, Ron Henderson and Pat Deal. Ron and Pat spent countless hours in prayer and conversations regarding the most effective way to provide episcopal leadership for the church, the jurisdiction, and the North Texas Area.

Although we as clergy get anxious every year, your Jurisdictional representatives and Episcopal Committee are thankful that Bishops are reassigned only every four years.

Second, a "Thank You" to God. Your Committee is thankful to God for being present in the Episcopal assignment process which brought us Bill and Marilyn Oden.

We thank God for their graciousness, their enthusiasm, their willingness to be flexible, and their clear commitment to Christ and the church.

We thank God for the leadership of Marilyn Oden. We so deeply appreciate her genuine sense of hospitality, her sensitivity to the people of this area, and her willingness to share her Christian insight with the church and the world through her writing.

We thank God for the leadership of Bill Oden in the general church. We're thankful for his leadership at Southern Methodist University, as a trustee at Africa University, as the chairperson of the General Board of Higher Education and Ministry, as the Methodist Chairperson of the World Methodist/Anglican Dialogue, as a member of the World Methodist Council Executive Committee, as the Council of Bishops representative to the Oxford Institute, and as chair of the Committee for the Training Institute for new District Superintendents and Conference Council Directors.

We especially thank God for Bishop Oden's leadership in this Annual Conference. We're thankful for his thoughtful and insightful view of the mission and role of the church. We're thankful for his willingness to listen, his willingness to talk, and his willingness to make decisions with sensitivity and grace.

We're thankful to God that we can look forward to at least four years of shared leadership, led by the Bishop, and centered in Christ.

The Episcopal Committee is thankful to God for the opportunity to serve the Conference and the Episcopal family. We look forward to another year of dialogue and growth together in ministry.

REPORT OF THE MINISTRY, MISSION AND STRUCTURE TASK FORCE

In October, 1996, Bishop William B. Oden created a Ministry, Mission and Structure Task Force. David Shawver chaired the group, composed of laity and clergy from across the conference. UNITED METHODIST COMMUNICATIONS

"I think UMR is great. It is open to modification, upgrade and change. It's greatest need is to appropriate use of emerging technology to assist local churches in making disciples of Christ."

–The Rev. Bob Robertson
North Texas Annual Conference
An early contributor to
The Texas Methodist

It is indeed a privilege and a blessing to submit this report to the North Texas Annual Conference–especially during 1997, when *The United Methodist Reporter* celebrates 150 years of a great publishing ministry.

"First published in 1847, the newspaper began as *The Texas Christian Advocate*. It was a private initiative, but soon came under the auspices of the church. Over 150 years, the newspaper was changed to *The Christian Advocate* and then *The Texas Methodist*. Today, it proudly carries the name of *The United Methodist Reporter*, the flagship publication of UMR Communications in Dallas.

Our sesquicentennial offers an opportunity to review the wide range of products and services offered by UMR Communications. We publish congregational newspapers for many local churches in the North Texas Conference. We stand ready to assist you, our partners in ministry, to enhance church communication ministries in all possible ways. We have expanded to serve The United Methodist Church from coast to coast and around the globe. Serve other denominational groups, and also offer special media services and educational opportunities.

We invite you to visit our beautiful new building, completed in the fall of 1995. We invite you to see our commissioned stained glass windows, as well as our commissioned painting of the first Methodist printing press in Texas by the Rev. Kenneth Wyatt.

"We are proud that the North Texas Annual Conference is one of our owner conferences, and are blessed to be partners with North Texas United Methodists in communicating the Gospel."

(The Book of Discipline, ¶244). Additionally, the Council shall connect local congregations to do together what they cannot do individually in order to strengthen their mission and ministry throughout the world.

All proposals related to the Conference program shall be submitted to the Council on Ministries for discussion prior to their submission to the Annual Conference. The Council on Ministries may choose to endorse, oppose or take no position regarding such proposals. Lack of endorsement by the Council on Ministries does not prohibit a Conference agency from submitting a proposal to the Annual Conference.

The Council on Ministries shall not assume for itself responsibilities which belong to the Annual Conference. In cases of urgent necessity the Council on Ministries may approve, by a two-thirds vote, changes, additions or deletions from the Conference program between sessions of the Annual Conference provided that, if funding is involved, prior approval shall also be received from the Council on Finance and Administration. ROBERT EDWIN ELLIOTT

Robert Elliott died peacefully at home on March 21, 1997, at the age of 75. A memorial service was held March 25, 1997, at St. Stephen United Methodist Church in Mesquite, Texas.

Born in Edmonton, Alberta, Canada in 1921, he was valedictorian of Stadium High School in Tacoma, Washington, and a graduate of the College of Puget Sound. He piloted a B-24 bomber during World War II and received several medals for his actions, notably including the Distinguished Flying Cross. Post-war, he attended Yale Divinity School and was ordained as a Methodist minister. He then spent a few years in parish ministries in Seattle and Chicago, finally receiving his Ph.D. in Religion and Personality at the University of Chicago. In 1955 he accepted a position teaching pastoral counseling at Perkins School of Theology at Southern Methodist University, and he was to remain there for 24 years, teaching many if not most of the Methodist clergy in the area. However, in the late 1970's he finally left academia to concentrate on what he realized he really loved best, and he entered private practice as a marriage and family therapist.

In 1980 Bob was diagnosed with multiple myeloma, a rare form of cancer, but through a combination of traditional and alternative therapies, he remained symptom-free and overall in astonishingly good health

until the final months of his life. In 1995 he wrote and published Dancing with Cancer: A Healing through Visualization, the story of his amazing journey through his own illness. Finally when the inevitable approached, he faced it courageously, with grace, dignity and humor. True to his own nature to the end, he was an island of calm and acceptance, soothing the fears and tears of those around him.

He is survived by his wife Dorothy, children Bruce, Marla and John, brothers Jim and Charles, grandchildren Max and Miranda, and an uncountably huge extended family of in-laws, friends, neighbors, colleagues, students and clients, all of whose lives were touched by this gentle, funny and altogether remarkable man.

MARVIN T. JUDY

The memorial service honoring the memory of Dr. Marvin T. Judy was held on December 22, 1996. Participating in the service which was hosted by University Park United Methodist Church were the Reverend Dr. James Kirby, the Reverend Dwight Judy, the Reverend Jim Wilson, the Reverend Melvin West, the Reverend Thomas Q. Robbins and the Reverend Thomas R. Peel.

Dr. Judy is survived by his wife Murlene, two sons, Marvin Garrett and Dwight. There were also four grandchildren, John, Allison, Joseph and Daniel.

Dr. and Mrs. Judy, whose ministry spanned more than sixty years, always worked as a team. They came to the faculty of Perkins in the early fifties. This career move was preceded by distinguished service in both of the Missouri Conferences. Dr. Judy fortified his expertise in Town and Country Ministries by receiving a degree in Sociology at Iowa State University.

At one time he pastored 27 churches which made up the Harrison Country Parish in Missouri. His experience in rural ministries prepared him for leadership in this field. He was the author of numerous featured articles which were helpful to many ministers for several decades. Of course, many are familiar with his publication entitled The Multiple Staff Ministry.

Dr. Judy faithfully taught and shepherded the "Mr. and Mrs. Sunday School Class" at University Park United Methodist Church for more than thirty-two years.

As a man who was indeed both scholar and pastor, this stalwart Christian will long be appreciated for his role as professor and practitioner while on the faculty of Perkins. Thousands of students are indebted to him for his assistance in their studies and the preparation for their own ministries. Indeed he left a legacy that will never fade.

As an elder and as a former student of Dr. Judy's, I can only offer a comment on St. Paul's admonition found in his letter to the Philippians: "Rejoice in the Lord always; again I say rejoice. Let your gentleness be known to everyone." It is a joy and a cause for celebration to remember a man whose gentleness served to inspire many of us in our journeys as Methodist pastors.

Paul concluded this portion of his letter by boldly speaking of his certainty and confidence, for which

Marvin no doubt was qualified: "Keep on doing the things that you have learned and received and heard and seen in me, and the God of peace will be with you."

Interment was in Hillcrest Memorial Park of Dallas, Texas.

Myong Gul came into the North Texas Conference in 1976 by transfer. He had been ordained an elder in 1956 and admitted into Full Connection in 1960. Dr. Son had served with the General Board of Global Ministries in New York from 1974 until his retirement in 1996. His transfer, in 1976, was from the Central Conference of The Korean Methodist Church.

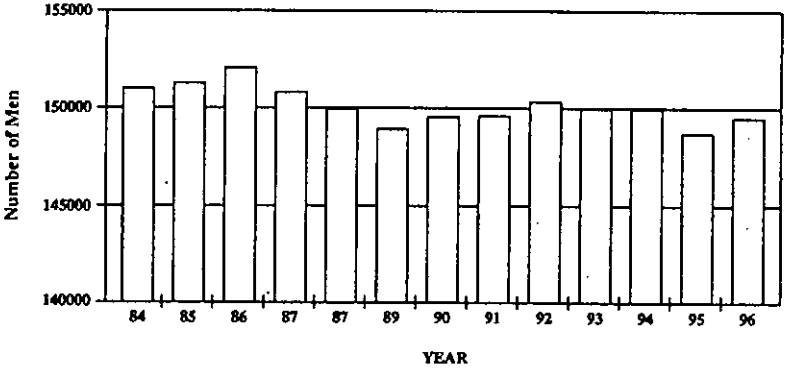
STATISTICIAN'S REPORT

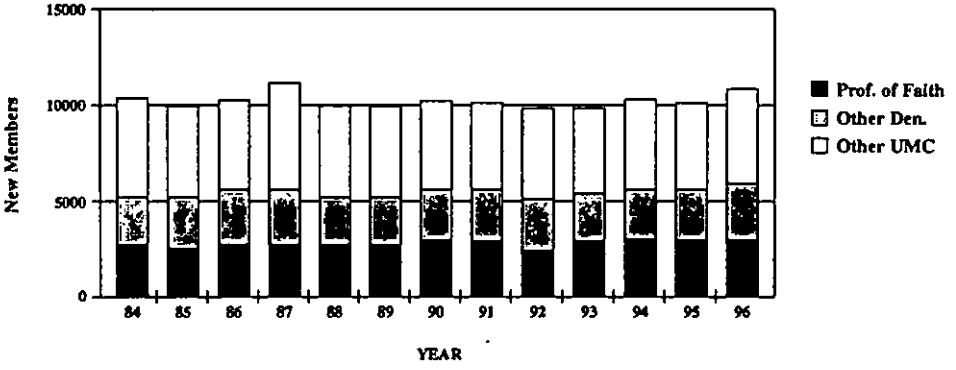
Nineteen ninety six was a banner year for the churches of the North Texas Annual Conference. The decline of 1995 was reversed in all of the categories used to determine the health of the Conference, demonstrating growth in membership, attendance and giving.

TOTAL MEMBERSHIP



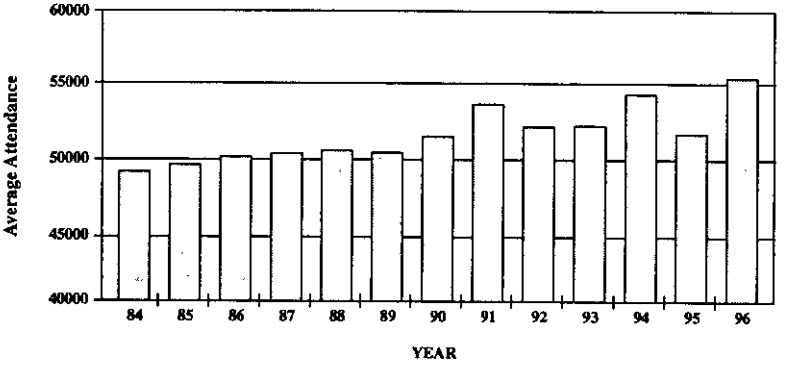
In 1996, the total membership of the Conference was reported to be 149,465 which is a net gain of 943 members and an increase of 0.63%. This membership was the result of a record setting addition of new members: those received by Profession of Faith were 3,857 an increase of 5%; those received from other denominations were 3,082, an increase of 9%; and those received from other United Methodist Churches were 442 an increase of 16%. The combination of these totals represents 11,381 new members received into the churches of the North Texas Conference, the highest number in at least a decade.

NEW MEMBERS RECEIVED



In addition to the members received, the churches experienced an increase in attendance at worship. The average worship attendance was 55,910 an increase of 5% over 1995 and the highest reported in the last decade. This figure indicates that the ratio of membership to attendance also rose to 37.4%. This is also the highest figure in the last decade.

AVERAGE WORSHIP ATTENDANCE



The Sunday School also experienced growth in membership and attendance. Membership increased to 82,496 an increase of 2.5% while attendance increased to 34,807 up 3.9%.

All of these increases are reflected in the giving of the Conference. The total amount reported by the churches of the North Texas Conference in 1996 was $70,371,625 which represents an increase of 8.7% over the amount reported for 1995. In all, it was a very good year for the Conference and the churches have cause to celebrate.
