I. CONFERENCE HISTORY

United Methodism in North Texas began in 1816-17 as part of Arkansas Methodism in the Missouri Conference of the Methodist Episcopal Church. When the denomination divided in 1844-45, Methodists of this area became a part of the East Texas Conference of the Methodist Episcopal Church, South. In 1867, the approximate area of what is now this conference was set apart as the Trinity Conference, and later (1874) renamed the North Texas Conference.

The Methodist Episcopal Church had little organized work in Texas after 1845, until 1867 when a Texas Mission was formed. Out of that Mission came the West Texas Conference (primarily Black). In 1939, the Methodist Episcopal Church, the Methodist Episcopal Church, South, and The Methodist Protestant Church united to form The Methodist Church. The West Texas Conference, while a part of The Methodist Church, was in the Central Jurisdiction (all Black). The North Texas Conference was a part of the South Central Jurisdiction, which was one of the geographical jurisdictions.

At the Uniting Conference to form the United Methodist Church held in Dallas, Texas, April 1968, a new Annual Conference was formed in North Texas including members, congregations, and ministers of the North Texas Conference of The Methodist Church of the South Central Jurisdiction (1939-1968), and members, one congregation, and one minister of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (1886-1968).

At a merger conference held in Dallas, Texas, in May, 1970, members, congregations, and ministers of the North Texas Conference; and members, congregations, and ministers of the West Texas Conference located within the geographical boundaries of the North Texas Conference became the North Texas Conference of The United Methodist Church.

In 1988, the South Central Jurisdictional Conference, meeting in New Orleans, created two episcopacies from what had been the single Dallas-Fort Worth Episcopal Area. This action resulted in the geographical region encompassed by the North Texas Conference being designated the Dallas Episcopal Area, while the Central Texas Conference became the Ft. Worth Area. Since that time, the North Texas Conference has been served by its own bishop.

The sessions of the current North Texas Conference are numbered first from 1867, the organizational date for the North Texas Conference of the Methodist Episcopal Church, South, and the Texas Mission of the Methodist Episcopal Church and secondly from 1970, the date of merger of the former North Texas and West Texas Conferences.

A list of the Conference Sessions of these separate conferences is printed in:

(1) the 1939 Journal of the North Texas Conference, South Central Jurisdiction, (P.28-29) and the 1967 Journal of the North Texas Conference, South Central Jurisdiction (P.140);
(2) the 1967 Journal of the West Texas Conference of the Central Jurisdiction (P.88);
(3) the 1967 Official Record of the Oklahoma-Texas Conference of the Evangelical and United Brethren Church (P.17); and
(4) other histories of Methodism in North Texas.

Conference Sessions since 1968 are listed inside the back cover of this Journal.

VIII. DAILY PROCEEDINGS

SUNDAY AFTERNOON AND EVENING
June 5, 2011

Laity Session
St. Paul United Methodist Church, Dallas, Texas, 3:30 p.m.

The laity session of The North Texas Conference was held at St. Paul United Methodist Church, Dallas. Conference Lay Leader, Richard Hearne, welcomed the lay members of annual conference and opened the session with prayer.

Thalia Matherson served as mistress of ceremony, and the agenda included 3-minute speeches by those persons running for the General Conference delegation.

The closing prayer was offered by Leslie Bledsoe, wife of Bishop Bledsoe and first lady of the annual conference.

Clergy Session
Munger Place United Methodist Church, Dallas, Texas, 3:30 p.m.

The North Texas Conference clergy gathered at Munger Place United Methodist Church, Dallas, and Bishop Bledsoe called the meeting to order at 3:35 p.m. Munger's worship leader Kate Miner and the band and choir at Munger led clergy in singing familiar hymns in a way they had never sung before. It was rousing, hand-clapping, and ended with Miner's own style of "And Are We Yet Alive?"

Paul Rasmussen welcomed everyone to Munger Place, and was interrupted by himself on video to demonstrate how both the old and the new are incorporated at Munger Place. He thanked the Bishop for believing in the transformation and Highland Park UMC for investing in it. He then showed a video demonstrating who Munger Place is today and called on Andrew Forrest to pray.

Bishop Bledsoe welcomed everyone and recognized Bishop John Innis of Liberia. He thanked Munger, Paul, and Andrew for making the long journey, and for taking the Lord Jesus Christ seriously. He then called on Gary Mueller, chair of the Board of Ordained Ministry, for the Board's report. (Note: The details of the complete report can be found in Section X. BUSINESS OF THE ANNUAL CONFERENCE.)

The chairperson thanked the members of the Board of Ordained Ministry, the members of all the District Committees on Ordained Ministry, Duane VanGiesen, Karen Karch, and Janet Thompson. Mueller said that the board is constantly striving to improve, working more closely with districts, and working to shift the interview process toward fruitfulness as well as recruit younger, more diverse candidates.

Gary Mueller and the committee heads of the Board of Ordained Ministry walked the session through the reporting structure having to do with all matters of the clergy, as prescribed by the General Conference.

Jill Jackson-Sears, candidacy registrar of the Board of Ordained Ministry, noted that the names of those who were certified candidates for ministry, question 19, were printed in the handout document and asked that any corrections to the list be submitted in writing.

James Minor, chair of the Committee on Certifications, presented those in specialized ministry.

Mike Miller, chair of the Local Pastors Division, presented the names of local pastors in answer to questions 20 – 23. The names, part-time and full-time, were approved unanimously. Mueller provided information concerning Local Pastors' eligibility to vote for General and Jurisdictional Conference delegates.

Larry George, Assistant to the Bishop, presented the names of those appointed from other conferences and other Christian denominations as well as associate members and elders serving less than ¾ time. The names were approved unanimously.

Dennis Wilkinson, chair of Conference Relations, reported on all changes in clergy persons' relationships to the conference. The names of the clergy members who had died since the last conference session were read. Wilkinson announced that Jim Palmer, whose death was recent, would be memorialized in 2012 and that Kenneth Shamblin, who served the North Texas conference for many years, would be recognized in Tuesday's Memorial service. Bishop Bledsoe asked Bill Lawrence to lead a memorial prayer. (See also Memorial Service in Section VIII. DAILY PROCEEDINGS for Tuesday, June 7, and Section XIV. MEMORIALS.)

Wilkinson read the names of the clergy retiring this year, and each came forward. They were honored with applause and Bishop Bledsoe shook the hand of each retiree.

Mike Miller read the names of all local pastors retiring this year, and invited each to come forward. They were honored with applause and Bishop Bledsoe shook the hand of each.

Gary Mueller presented paragraph 361.1c, who have been suspended, and the dates of suspension. He then asked who are the ordained members on involuntary leave of absence. Bishop Bledsoe invited Derrick Wright to speak. He did, and with Ron Henderson standing with him, he thanked the Annual Conference. Motion to grant involuntary leave of absence for a year passed.

Todd Harris, chair of the Committee on Preparations and Qualifications, presented to the clergy session the candidates for provisional membership and commissioning. Harris said that for some, the process takes a long time, but the Committee on Preparations and Qualifications is always prayerful. The candidates came and stood before the Bishop and each received a favorable vote by the membership.

Patricia Miller Froehlich, Georgia McDowell Harrison, Elizabeth Ethun Moseley, and Rebecca David Walker were presented for provisional membership and commissioning for the ministry of deacon in preparation for ordination.

The following were presented for provisional membership and commissioning in preparation for ordination on the elder track: Dennis Lynn Cates, Stephen Joel Cotton, and John Jordan Wilks.

The following persons were presented for election into full membership and ordination: As a deacon: Janet Lynn Collinsworth, Paul Robert Maletic, Susan Gorham Robb; as elders: John Dixon Baldwin, Jay Frederick Cousino, Wendy Gale Curran, Christopher John Everson, Aleze Michelle Fulbright, Abril Celeste Goforth, Holly Beth Gotelli, David Morgan Lessner, Monty Lyn Moore, Stacey Lynn Piyakhun, Edilson de Assis Volfe, Preston Wayne Weaver, Jackie Lynn Wickware,

and Jessica Kay Wright. Bishop Bledsoe asked these persons the historical questions originating with John Wesley and then the vote was taken. All were approved and greeted with an extended standing ovation by the pastors.

Gary Mueller called for reports from Andy Stoker, who explained the new structure of scholarships for seminary students, granting more money for more decades of potential service; Maxie Moore, Fellowship of Local Pastors, who expressed appreciation that local pastors would be able to vote for delegates; Debbie Chapman, Order of Deacons; and Lisa Greenwood, Order of Elders, who announced the 2011 Clergy Retreat as October 17-19 and encouraged all to attend.

Gary Mueller moved passage of the entire report of the Board of Ordained Ministry and it was approved.

To conclude the meeting Bishop Bledsoe offered a word of thanks to the clergy and encouraged them to keep the light of Christ shining as the conference moves ahead. Bishop Bledsoe offered a blessing of the summer interns and the congregation recognized the interns as ambassadors of Christ and representatives of the North Texas Annual Conference. He said that he was looking forward to this Annual Conference and to changes that will energize. He then asked Bishop John Innis to offer the closing prayer.

The full reports of the divisions of the Board of Ordained Ministry are printed in this journal in Section XIII. AGENCY REPORTS under the heading, Board of Ordained Ministry.

Worship Service
First United Methodist Church, Dallas, Texas, 7:00 p.m.

At opening worship, John Thornburg, Ministry of Congregational Singing, taught the congregation responses and songs from West Africa, East Africa, and South Africa. John Fiedler welcomed everyone and introduced special guests Leslie Bledsoe, Bishop and Mrs. John G. Innis, and Fiedler's wife Sydney.

The theme of the 2011 Annual Conference, "transformation," was reflected in scripture, music, dance, and song. Bishop Innis spoke to God's doing a "new thing" in Liberia. In response to Bishop Bledsoe's statement that Bishop Innis had risked his life during the Liberian civil war, Bishop Innis said that God was with them during that time. He walked to Buchanan, Liberia, for the birth of a baby. It was a long way, and he would walk five minutes, and rest twenty minutes, for twenty-four hours. Bishop Innis related that during the civil war, a period he described as "a Dead "Sea," his district superintendents had no means of transportation to check on their churches, other than walking. Through the grace of God, a United Methodist church in Georgia responded with enough funds to purchase a dozen motorcycles for his district superintendents. Now Liberia is being transformed under a United Methodist president and the leadership of many United Methodist churches and schools as well as Ganta United Methodist Hospital. In a goodwill gesture, Bishop Bledsoe presented a Camcorder and camera to Bishop Innis to take with him back to the Liberian Conference and record all the transforming moments there in Liberia.

Bishop Bledsoe called upon Glen Blackmon, senior minister from Van Alstyne, to join him on the chancel. He asked Blackmon to share an experience. Blackmon said that he and Bishop Bledsoe had been fishing together when Bishop Bledsoe had shared his concern that a child died every 30 seconds from malaria. Blackmon said he had been diagnosed with diabetes and told to lose weight, so he decided to tie the weight loss to helping raise funds for Imagine No Malaria. He challenged his congregation to match dollar for pound, and the net result was that he presented a check for $2,800 to Bishop Bledsoe for Imagine No Malaria.

A reception following the service honored Bishop and Mrs. Innis and Bishop and Mrs. Bledsoe.

MONDAY MORNING SESSION
June 6, 2011
The Plano Centre, Plano, Texas

Organization of the Conference

The business session of the conference began with John Thornburg and Tim McLemore introducing a new song entitled "OK, I'll Ask," led and composed by Suzi Bird. Bishop Bledsoe gaveled to order the 41st session of the North Texas Annual Conference and called on Aleze Fulbright for the opening prayer. Bishop Bledsoe recognized the two guests sitting with him – Chancellor John Croft and Bishop John Innis of the Liberia Conference.

Bishop Bledsoe then called upon Conference Secretary Judith Reedy for the organizational motions. Reedy moved that the bar of the conference be the stage and all seats in front of the platform and that the visitors' section be the seats to each side of the stage with the exception of the assistant secretaries' tables on the west side. The motion was approved. Reedy moved the election of persons to serve the 2011 business sessions as assistant secretaries: Todd Bristow, Kenny Dickson, and Marsha Middleton; head teller, Mike Miller; and the teller group as appointed by each of the district superintendents; and Marvin Guier to serve as election secretary. They were elected.

Reedy moved the approval of legislative item number one in the conference workbook, **[LA 1]**, for the equalization of clergy and lay members. The motion was approved.

Episcopacy Committee

Scott Smith, chair of the committee, was accompanied on the platform by the committee members. As Mrs. Bledsoe was escorted to the podium, Smith acknowledged the blessing of having her as First Lady of the North Texas Conference. Smith then invited Mrs. Bledsoe to address the conference. He reminded the conference that Mrs. Bledsoe lost her sight as an adult and that as her physical sight waned, her spiritual sight increased. Mrs. Bledsoe addressed the conference as "holy people and all of you who are trying to get there" and expressed her love for all. Bishop Bledsoe joined them at the podium. Smith presented Bishop and Mrs. Bledsoe a travel card from their favorite airlines and expressed gratitude for their leadership. The Bishop greeted committee members as they exited the stage.

Instructions on Electronic Voting

Election Secretary Marvin Guier thanked the election company IML and their technicians present to help conduct electronic voting. He then explained how voting would be conducted, clergy and laity sharing keypads. Guier then explained eligibility of voters, clergy and laity. A sample ballot was cast and the first round of voting began.

Episcopacy Address

Bishop Bledsoe began his address with a focus on Isaiah 43:18-19: "Forget about what's happened; don't keep going over old history. Be alert, be present. God is about to do something brand-new. It's bursting out! Don't you see it?" He referred to Brian Main's Spotting the Sacred. Having spotted Sister Helen Cole in the midst of an article about violence and frightening statistics, Main had asked, "If I really take the time to notice what is going on around me, will I find opportunities to discover a glimpse of God's presence?" Bishop Bledsoe stated that what motivates

him is seeing glimpses of God's presence through the transforming work of Jesus Christ in the world today amidst the chaos of change and economic realities. He lifted up churches that are doing transforming work: St. Paul UMC whose new motto is "Soul of the Arts District;" Munger Place UMC, where over 1000 persons attended Easter services this year; First UMC Gainesville, who raised the $1.2 million necessary to restore a crumbling building; First UMC, Van Alstyne, whose pastor Glen Blackmon tied his necessary weight loss to the Imagine No Malaria campaign; The Woods UMC in Grand Prairie where two churches facing decline chose to voluntarily close and sell their properties to form a new congregation with a new vision.

Bishop Bledsoe said that all the districts are doing transformational work; the Center for Leadership Development is bursting out all over with new means of assessing how well clergy live as Christian disciples; the Center for New Church Development and Congregational Transformation has 67 churches participating in DNA transformation and 11 new churches and faith communities were started in 2010 and 2011; the Center for Missional Outreach has trained 345 persons to help with disaster response and hopes to make an exciting announcement soon about the first ever partnership with an annual conference in Africa; the Center for Connectional Resources has, for three years in a row, consistently cut the conference budget to enable more dollars to be freed up in the local church for missional vitality; the Communications center has facilitated the Bishop's presence on Twitter or Facebook to reach a new generation; the Cabinet set precedents in appointments and cluster meetings this year.

The Bishop closed with a news story about the storms and tornadoes which took the lives of many in Alabama. He shared a story about a dog named Mason, who, having been blown away by the storms, and having both front legs broken, had crawled on his knees all the way back home. The Bishop reminded the conference that there is something to celebrate – God is still at work transforming lives through the people called United Methodists. He closed with the mantra that marked his delivery. "Transformation is here! Transformation is now! Transformation is on the move!"

Laity Address

Conference Lay Leader Richard Hearne began his laity address to the Conference with a reference to Journey in the Wilderness, by Gil Rendle, who states that when events or situations do not go as planned, the first thought that people have is, "Who is responsible?" and not "What went wrong?" He said that he had wondered who was to blame for the decline in numbers in the United Methodist church, only to find that it was he. It was he who had found reasons not to witness to the love and grace of Jesus Christ to a society that sorely needs that witness. Hearne said that it occurred to him that he was a great United Methodist Christian but a lousy Disciple of Jesus Christ. A disciple, said Hearne, is someone who interprets and adopts the gospel message as a way of life in contemporary culture, not just the "warm and fuzzy" teachings but the "hard" teachings – to love our neighbors, to forgive others, to care for the widow, the orphan and the alien and be involved with the "least of these."

Hearne confessed that the only way he had been witnessed to or had witnessed to someone else was when he had a personal relationship with that person. He spoke of the transformations that his heart and life had undergone when he entered into relationships with those of different ethnicity, different gender, different lifestyle, and different socio-economic bracket. Hearne encouraged the conference to return to our roots and to attend to the Four Foci of United Methodism: developing principled Christian leaders, going outside the wall to be in ministry with the poor, continuing to start new places for new faces, and seeking cures for the diseases that impact the world. He finished with the "So what?" What is expected of each person is to take action and get involved in the four areas of focus. Hearne asked the laity if they would make a public commitment by

standing. As the laity stood, he acknowledged them and asked the clergy if they, too, would stand as a symbol of their commitment to become a United Methodist Disciple.

Core Leadership Team

Jan Davis was joined by Core Leadership team members who provided definition of the Team, a key ingredient of the Strategic Plan approved by the conference in June 2010. The Team oversees the implementation of the decisions of the Annual conference, working through the four Centers, planning, setting goals, and coordinating actions to address the mission of the church. To show how excited they are about the work of the Team, CLT showed a tongue-in-cheek video of a very boring church meeting, in direct contrast to CLT's excitement and function as a cheerleader for the ministries of the church.

The Core Leadership Team members are actively involved in the local church. They function as a Board of Directors for the North Texas Conference, having a bird's eye view of the Conference yet being a part of the grass roots of the local church. In summary, they serve as cheerleaders for the Centers, their Directors, and the local churches. In the development of the team, they learned about and embraced the concept of gracious Space, a values-rich holding environment for challenging conversations and decision-making. They are developing a system of accountability to track measurable results in each of the four areas of focus.

Each CLT meeting is open to the public. Guests are welcome and all are encouraged to be engaged in District and Conference activities as much as possible. The lines of communication with the CLT are open.

Annual Conference Revisioning Task Force

Paul Rasmussen explained why he wanted to be involved with rethinking how to improve annual conference meetings so that they were not a "had-to" but a "want-to." There is an opportunity now to examine the model itself. During this coming year, they will be evaluating how to make Annual Conference a world-class event which everyone will want to attend.

Lydia Patterson Institute

Bishop Bledsoe recognized Dr. Socorro de Anda, president of LPI. Dr. de Anda thanked the conference and introduced four interns from the Lydia Patterson Institute who will be serving within the North Texas Conference this summer. Richard Hearne announced the Kathleen Baskin-Ball Memorial scholarship at the institute. Fundraising will begin immediately. Despite the violence in Juarez, two weeks ago, 81 students graduated from LPI, and 79 of those are in college today.

Bishop Bledsoe introduced Bishop Bill Oden, who spoke about his wife Marilyn's new book and upcoming book signing at Cokesbury.

Courtesies and Resolutions

Kathy McLean-Davis requested prayers for Gregg Smith, who was involved in a car accident on Sunday on his way to the clergy session. She recognized Marcus Nyagato, an elder from the Zimbabwe Annual Conference, serving while on sabbatical leave with the Zimbabwe Ministry of First United Methodist, Richardson. Alexandra Robinson gave instructions for the ordination service in the evening and assured everyone that there was room for all.

Thalia Matherson closed the morning session with prayer.

MONDAY AFTERNOON BUSINESS SESSION

Center for Leadership Development

Keith Boone, director for the CLD, greeted the conference and introduced Aleze Fulbright, the Associate director. Fulbright emphasized that developing principled Christian leadership among clergy and laity is one of the key components of the General Church's four areas of focus. Boone explained the establishment of Congregational Assessment, Response and Transformation teams to resource pastors and churches for congregations who are in the midst of a crisis or conflict. Faith Formation is dedicated to all age-level ministries and elevates awareness of events taking place around the conference, including youth events, homebound communion training, and safe sanctuaries. Intentional Interim Ministry is a model which provides pastoral leadership to a congregation in a variety of settings. To reach a younger and more diverse membership, campus ministries are a significant frontline resource. These campuses are located at Paris Junior College, Texas A&M University Commerce, Midwestern State University and University of North Texas, Texas Women's and North Central Texas College, all of which will be working in tandem with the CLD. CLD then celebrated all who had served 40, 35, 30, 25, 20, 15, 10, and 5 years, either deacon or elder. Fifty-eight people stood. The CLD will do this every year in five-year cycles to encourage camaraderie, accountability and fruitfulness.

Lay Speaking Ministries

Keith Boone presented legislation **[LA 12]** from the Lay Speaking Ministries conference Committee, legislation which recommended a change to the standing rule and realigns the committee according to new districts. Motion carried by acclamation.

Equitable Compensation

Keith Boone moved the approval of Legislative Item 2 **[LA 2]** that Pastors Subsidies Equitable Compensation support and administrative expenses be apportioned at $65,000 for 2012 and that the minimum equitable compensation increase 1.6% in 2012 over the 2011 amount, setting the minimum equitable compensation at $43,432. The motion was adopted.

Young Person's Address

Rachel Magruder, outgoing CCYM president, thanked her father for all the experiences she has had in being a preacher's kid, here and in another country. She listed some of the things she had learned as a United Methodist Youth: it is normal to have multiple senior pastors and youth ministers, the United Methodist church is a unique organization connected to other churches, the youth of CCYM and across the conference has strong support from laity and clergy, and the people of the United Methodist church are very giving. She thanked those who had had great impact on her life – her parents and many others. She said her biggest blessing had been serving overseas with her family when they were missionaries in West Africa. She encouraged everyone to continue to pray and make decisions to go on mission trips. "The Methodist church will change you more than you will ever know." Magruder, graduating high school tomorrow, has been accepted into a four-year program abroad. Her interest is in global health and global safety, and she will pursue studies that will enable her to shine as a United Methodist.

Magruder introduced Samantha McCulley, newly elected Secretary of CCYM. McCulley talked of her experience in youth group and of becoming a family with the group, a group that loves each other and loves God, a group that is able to help make a difference in their community and around

the world. Two things have shaped her faith – her first Youth annual conference and those youth she met there, loving and welcoming, filled with the love of Christ - and Midwinter this year. McCulley thanked all the adults who have been so welcoming and helpful. She challenged the conference not to think of the youth as youth but to support their endeavors as if they were just like the rest. She plans to stay in the Methodist church for the rest of her life. She asked that CCYM become a bigger part of the conference so that the youth would not only learn but also teach. CCYM is here to stay.

Southern Methodist University Campus Ministry

Andy Roberts addressed the conference on behalf of the SMU Wesley foundation. He urged the conference to invest in campus ministry, a time when young people ask life's most important questions. He listed ways that SMU Wesley is seeing the Lordship of Jesus Christ played out at SMU Wesley – small groups, a place where students can experience people who love and support them and provide accountability; missions where students can serve the least of these; prayer; and a place to hear the call to ministry. Roberts gave examples of each and thanked the conference for their financial support through the South Central Jurisdiction.

Keith Boone introduced Legislative Item #3 **[LA 3],** a proposal to adopt SMU Wesley Foundation as a North Texas conference campus ministry. There were many questions, including why the conference would take on a responsibility currently assumed by a jurisdiction as well as what impact this would have on existing campus ministries. The responsibility would begin in 2012 and increase in 25% increments until conference was funding SMU Wesley 100%. Boone said that this would have many benefits, especially the opportunity to reach more young and diverse people and create ministry opportunities for Perkins School of Theology students. The energy and vitality happening on SMU Wesley Foundation's campus could be a great model for our conference. Motion carried.

Methodist Children's Home

Clayton Oliphint introduced Tim Brown as the new president of Methodist Children's Home. Brown said there is a sense of hope at Methodist Children's Home. This year they have served about 3600 children. Even though they work in an environment of adversity, they see the children resilient, overcoming the odds in their lives. They recently graduated 41 seniors, their largest class ever. Those children were once without hope but they now have hope. He thanked the conference for their support and asked that it continue. They are proud of their United Methodist roots. This year, they have two young people who will be entering college, training for the ministry.

Council on Finance and Administration

Bill Baxley introduced three legislative items. The first item was conference treasurer. Baxley invited the conference to join him in thanking Marvin Guier for his years of service. With Guier's move to District Superintendent, Jodi Smith will become conference treasurer. The second item was for approval of the conference treasury auditing firm of Thomas Stephens and Company. The third item was the apportionment budget, which continues to be structured to support the four centers established by the Strategic Plan. The apportionment budget has decreased over the past three years by 15.5% because reserves have been used to support the local church during the extreme economic environment that followed the market meltdown.

Baxley moved the adoption of legislative item #5 (I), **[LA** 5**]** electing Jodi Smith as conference Treasurer for the 2011-2012 year. Motion carried. Baxley moved the adoption of legislative item #5, (II), **[LA** 5**]** reappointing Thomas Stephen & company as the annual conference auditing firm

for 2011. Motion carried. Baxley moved the adoption of legislative item #5, (III), **[LA** 5**]** the 2012 apportionment budget and related materials as presented by CF&A. Motion carried.

Courtesies and Resolutions

Jackie Waiters-Lee introduced Jennifer Sample from Methodist Mission Home. She thanked the conference for their generous support and encouraged churches to invite the Methodist Mission Home into congregations to speak. John Taylor reminded the conference that D-Day was 67 years ago today. Taylor closed the afternoon session with prayer.

MONDAY EVENING

Service of Ordination
Christ United Methodist Church, Plano

Reverend Don Underwood welcomed the conference to Christ United Methodist Church, Plano for the service of ordination. Music was provided by youth choirs from FUMC, Duncanville and Floral Heights UMC, Wichita Falls. Following the processional hymn, Bishop W. Earl Bledsoe led the congregation in a remembrance of our baptism and a reaffirmation of the ministry entrusted to all God's people.

Bishop Bledsoe introduced the preacher for the service, the Rev. Morris Matthis, his former colleague in the Texas Annual Conference, and senior minister of Christ UMC in Sugar Land, Texas. Matthis addressed the 24-members being commissioned and ordained. "If I were going into the ministry," he said, "I'd try to get people to love Jesus." And, he cautioned, not everyone is going to." He advised them to forget about "getting people to love you…and don't listen to the phony baloney about an 'appointment ladder'….If you're worried about where you are going to be, you're not effective where you are…Where you are now, that's where you live!"

He ended by asking the question, "Can the church that began as a movement become a movement again, a movement on fire for Jesus Christ?" He closed to a round of applause as he said, "What's our ministry about? To be open to God's call!"

As part of the service's sending forth, Bishop Bledsoe invited anyone in the congregation who believed they may be receiving the call to come to the altar. Quiet altar conversations and prayers continued, as the congregation sang, "Here I Am, Lord." The offering was designated for church camp scholarships.

Bishop Bledsoe presided in the commissioning and ordination rituals. Four deacons and three elders were commissioned. Those commissioned as deacon were Patricia Miller Froehlich, Georgia McDowell Harrison, Elizabeth Ethun Moseley, and Rebecca David Walker. Those commissioned for the work of an elder were Dennis Lynn Cates, Stephen Joel Cotton, and John Jordan Wilks.

Three deacons and fourteen elders were received into membership in full connection. Janet Lynn Collinsworth, Paul Robert Maletic, and Susan Gorham Robb were ordained deacons. John Dixon Baldwin, Jay Frederick Cousino, Wendy Gale Curran, Christopher John Everson, Aleze Michelle Fulbright, Abril Celeste Goforth, Holly Beth Gotelli, David Morgan Lessner, Monty Lyn Moore, Stacey Lynn Piyakhun, Edilson de Assis Volfe, Preston Wayne Weaver, Jackie Lynn Wickware, and Jessica Kay Wright were ordained as elders.

A reception for the newly commissioned and ordained followed immediately after the service at Christ UMC.

TUESDAY MORNING BUSINESS SESSION
June 7, 2011

Opening Song

Eric Folkerth led the conference in "Down by the Riverside." Billy Ratcliff opened the conference with prayer.

Gulfside Association

Gary Mueller presented an amended version of Legislative Item 4 **[LA 4]** regarding Gulfside Assembly. Persons rose to ask questions about the reason for the amendment to the initial resolution – an amendment which would omit a commitment to raise $1,000,000 for Gulfside. Questions about the legacy of Gulfside were answered by Mollie Stewart, president and CEO of Gulfside United Methodist Association, in Waveland, Mississippi. A motion to amend the resolution and have each church contribute a dollar per member was defeated. Mark Craig moved the original resolution from pre-conference workbook be restored. Motion carried.

United Methodist Reporter

Deb Christian, long-time staff member at UMR Communications, reminded the conference that the Reporter is a tool of transformation, used to tell the stories of mission and ministry of the church. The staff is led by veteran reporter Sam Hodges, a member of Grace UMC. Hodges loves to write about faith and religion and their impact on lives. Christian asked for the prayers of the conference as the Reporter seeks a new CEO.

Nominations Committee

Richard Hearne presented a revised list of nominations, including the elimination of all names under the Committee on Lay Speaking, names which the committee itself will nominate. Clarification was made that the lay members of that committee have already been elected by their district superintendents and have been working all year. Hearne explained that most terms expire in 2012; therefore, next year there will be more nominations. In addition, the committee on nominations will be creating a booklet to share across the conference in which all committees, their responsibilities and required qualifications will be listed. This will also appear on the conference website. Hearne then moved the approval of the nominations. Several people expressed concerns about diversity – of gender, district, and race. Others raised the question of whether the committees on the report satisfied the requirements of the Standing Rules committees. Response from the conference ministry center confirmed that the responsibilities are covered by the appropriate center, fulfilling the disciplinary mandate. As the committees are being filled, the purpose is to fill those places with persons who are vitally interested in the particular area of ministry. With no nominations from the floor, the amended report was approved.

Ordinand Videos

As the conference began to view ordinand videos, technological difficulties occurred that prevented most of the speeches being viewed. Ordinand videos are posted on the conference website at www.ntcumc.org.

Texas United Methodist College Association

Bishop Dan Solomon, President of Texas United Methodist College Association, and bishop-in-residence at McMurry College, lifted up Ricky Harrison as an example of why we should be putting young people front and center. He thanked the conference for supporting TUMCA in providing scholarships to young people.

Bishop Bledsoe then asked the conference to greet Bishop Monk Bryan, someone who has inspired Bishop Bledsoe and with whom he maintains a relationship.

Dr. Fred Allen then greeted the conference and spoke on "Strengthening the Black Church for the 21st Century," in partnership with Perkins School of Theology, for a scholarship program for young Black men and women, working in the Black Church under supervision and tutelage for two years. The program also includes a program for reducing recidivism for young black men.

Memorial Service

The 2011 Annual Conference memorial service honored the memories of five clergy and ten clergy spouses. Conference Secretary Judith Reedy called the conference to order to the Memorial service. The cantor lead the congregation in a liturgy of light and Bishop Bledsoe lead the call to worship. Family members of those being honored processed to the hymn, "I Want to Walk as a Child of the Light," and took seats reserved for them in the front rows. Each family received a light from the Paschal Candle to place on the table. A litany was led by Edgar Bazan, and Liliana Pena read scripture.

Reverend Milton Guttierrez's memorial sermon, "A Story to Tell," focused on Hebrews 11:32-39. "Stories are powerful," said Guttierrez. Our faith as Christians is much more based on story, from Genesis to Revelation, in some of our favorite hymns. In Journey in the Wilderness, Gil Rendle talks about the power of a story. "Identity and purpose are tied to the way in which leaders and people tell the story. The story has to be true and strong and indicate a future if an organization is to survive. Hebrews tells story after story of faithfulness and commitment. Even if they just hear a phrase, or a name, the people can fill in the blanks. The movie "Of Gods and Men" is a true story of seven Trappist monks caught in the middle of an Islamic civil war in Algeria. One by one they are murdered. The Trappist martyrs lived by the stories of the Bible, mostly the stories of Jesus. They saw Jesus in the story of the ordinary people among whom they lived and they themselves made their lives an imitation of Jesus' grand narrative of rebellion against the standards of the world and renunciation of any selfish claim on life in hope of resurrection. Guttierez reminded the congregation that, as names were read, they would recall stories and fill in the blank of a time when one of those saints was there for them. "Their stories are true and strong, and their stories will help us thrive. The work shall not be left."

Intercessory prayers of thanksgiving were led by Nancy DeStefano and conference secretary Judith Reedy read the names of each of the saints as an ordinand moved their light from the table up into God's eternal light. With the reading of each name, persons in the congregation whose lives were touched by that minister or spouse stood in tribute. The persons being remembered were:

Clergy – Kenneth Shamblin, Chief A. Warden, Homer Noel Bryant, Douglas Ewing Jackson, Eldon M. Chester

Clergy Spouses – Ruby (Brand) Riewe, Lovell Baker, Donna E. Fraser, Betty Warden, Oma Lee Davenport, Whitty Cunninggim, Gloria Newkirk, Bobbye Chester, Frances Marie Bryant, Gloria Thornton Slack

Bishop Bledsoe sent the congregation forth, and they closed with "Siyahamba," moving in the light of God.

TUESDAY AFTERNOON BUSINESS SESSION

Marji Bishir opened the afternoon session with prayer.

Retiring Clergy

Dennis Wilkinson, chairperson of the Conference Relations Committee, introduced the retiring clergy. He reminded the conference, "We are beneficiaries of these retiring clergy."

Joyce Cravens spoke of her ordination as elder in 2001 and how unique it was that as she participated in the memorial service, she placed a rose in the vase in memory of her husband Tom. She recalled her own call to the ministry in 1992 at a youth retreat, completing her bachelor's in 1994, leaving her secular jobs. She reminded the conference that the seminary experience does not protect anyone from adversity. There were other deaths of loved ones along the way. As she started her first job in the church, her husband and partner died. Just when she thought she was getting started, she found she had to retire. She pointed out that it must be God's plan, because it was not hers. She went on to say that she raised her own children with many others and that she was not about to leave her sick child to himself even though he is an adult. Her parting words to the conference were, "Take care of the small church just like you do your children. Surround them, adopt them, save them, say to them, 'You are not on your own.' That's how Jesus did it."

John Edwards said he had always wanted to be a preacher and loved the United Methodist Church for giving him the opportunity. He urged everyone to heed the counsel of Karl Barth who said, "Jesus loves you, this I know." He said that if we remembered that and acted that out to other people, the church would do well. He shared his plans for the future. Having bought a camel suit and a large belt, he is going down to the Trinity River and see who he can dip.

Jim Goodwin said that two words illustrate his theology: gift and adventure. He lifted up a 93-year-old woman, one of the cast of characters that preachers get to meet. He quoted Dr. Rachel Naomi Remen, "Days pass and the years vanish and we walk sightless among miracles. Lord, fill our eyes with seeing and our minds with knowing. Let there be moments when your presence like lightening illumines the darkness in which we walk. Help us to see wherever we gaze that the bush burns unconsumed and we, touched by God, will reach out for holiness and exclaim in wonder how filled with awe is this place and we did not know it." He closed with a benediction which had been special to him since the moment it was introduced to him.

Milton P. Guttierrez, II spoke of his call 47 years ago at Brown Chapel in Louisiana to address the conference. What he learned is that it was impossible to be faithful by himself. "It takes an Annual Conference to raise a preacher." He lifted up three stages of mentors. The first set was those who mentored him early in the work – his campus minister Bob Tatum, James L. Stovall, and W. Trice. At the end of his ministry he again had three incredible mentors – Bishops Rhymes Moncure, Alfred Norris, and W. Earl

Bledsoe. Then there were his "reverse mentors" – those he mentored who in turn mentored to him: Katherine Lyle, Anna Hosemann-Butler, and Mary Martin. He closed with a blessing from Habbukuk, "Though the fig tree should not blossom and fruit not be on the vine, the produce of the olives fail, and the fields yield no food, the flock be cut off from the fold and there be no herd in the stall, yet I will rejoice in the Lord. I will take joy in the God of my salvation. God, the Lord, is my strength."

Diana Holbert spoke of her husband John as a symbol of what men can do for women. She recalled that as they were dating, she told him that she wanted to marry a Methodist minister and he changed his degree. She recalled the ministry of Art Spirit and Leighton Ferrell who believed in her and in an "emergent church" for the artisans. She encouraged her colleagues to support the small church, the artists. She spoke of being inspired by her fellow ministers. "Clothe yourselves in humility. To God be the power forever and ever. Amen."

Kay Hord did not realize she had so many stories to tell, having served only Wheatland her entire ministry. She offered cookbooks for sale to help raise money for Wheatland. She recounted her experience when she was first assigned to Wheatland, female circuit riders from Highland Park having paved the way for her. She recalled her visit to a homebound person, kneeling on the floor with the family and serving communion. After that, the "homebound" person started attending church. Her mother's illness was the catalyst for her retirement, but she promised to keep in touch.

Joan Gray LaBarr expressed profound honor to stand before the conference and gratitude for each person there, many who have gone on before, and for the thirty-plus years of serving the local church. Grateful to God for the call and the opportunities to serve in a variety of different ways – local churches as well as connectional appointments, she views each appointment, each church – as a gift. Eight months into retirement, she has explored new ways of serving and of being – as adjunct professor at Texas Wesleyan University, and many volunteer experiences, including serving in her husband's church in ministry with children. Her counsel to clergy was that they would view each appointment as a special gift, filled with people who will get them through the good as well as the bad. For the laity, she said that the best evangelism is to find what is good and life-affirming about their particular church and go and share that word with others. Her greatest thanks was to her family – her husband Bill, her three adult children, and the greatest loves of her life – her three grandchildren.

Katherine Glaze Lyle quoted from Exodus, pointing out that God led the people in a round-about way on their journey. She affirmed that her journey in the ministry had been the same – round-about. Having met so many different people along the way, she chose to love them all. She pointed out that this was a choice that each person has to make. She has always prayed for her churches, even when she was a Baptist growing up, and she will continue to do just that as well as continue her interim work and service on various boards. Her perfect grandchild lives in California, so she will be making many trips to see Emerson. The church that has been constant has been the Annual Conference, for which she has always prayed. Her prayer is that we will continue together and faithful on this round-about way of the wilderness through life.

Karan Marshall said she had an agenda. Early in life, her call was to serve the poor. As a pastor's wife, she taught Sunday School and realized the wonderful training opportunities involved there. Her concern today is that we have gotten too far from systematic ways for children to come to faith through an orderly method. Developing

principled Christian leaders starts in the church nursery and then Sunday School for children and youth. She had the privilege of working in her home church where she met her husband. She has had wonderful opportunities to serve the poor, to work with the poor, to become trained in teaching young children. The opportunities started with the Sunday School. She reminded the BOM that as they look at fruitfulness, hopefully, they will look at a person's effectiveness as well. John Wesley let George Whitfield preach, even if he was a Calvinist. To the deacons, she reminded them that they are called, not to be junior elders, but to serve the poor.

John C. Rosenburg said that when you are saying good-bye and you are crying and you look out and nobody else is, you just shut up and go on. He said it had been a privilege to serve in all the congregations where he had served, and to serve with the four bishops with whom he had served. He thanked the district as well and his wife Connie, the love of his life, his friend who sheltered him. He thanked Don Renshaw, Bruce Weaver, and the ghost of Will Bailey. He expressed his gratitude to the cabinet and rose to compete with previous quotes: "A kind and steady heart can mend a sorry world."

Woody Weilage expressed his gratitude for the moment, and for being able to speak "live" to the conference. Preparing for retirement, he read Barbara Brown Taylor's *Leaving Church* and shared a quote from that book from Walter Brueggeman, "That for which you have been prepared all of your life is being taken away from you by the grace of God." He affirmed that, because he has lived by the grace of God all of his life, receiving grace upon grace upon grace. He spoke of his appreciation for the faith of his parents who taught him what he needed to know for ministry, for the gentle spirit of his son Jordan whom many in the conference have nurtured, for the mother of Jordan and her love and care over the years, and for Vanessa Vaughter, whom he met and married in 1998. They have been able to do ministry together in Celebrate Recovery. He closed with a prayer from an unknown Confederate soldier, "I asked for all things so that I might enjoy life. I was given life that I might enjoy all things."

Donna Whitehead affirmed that God is good all the time and that gratitude is the deepest emotion. Her own calling, as she now discerns it, is, "God is calling. Start something!" She was in the second wave of women entering seminary at the time in 1970, and she expressed gratitude for those first women. She thanked the laity of Custer Road UMC for setting the pace for Methodism in Plano, Texas, as she worked with Mark Craig in a new church start. Eventually, she found herself at Lovers Lane United Methodist Church, a mature church, ready for that new cycle of growth. Working with visionary Stan Copeland and the laity at Lovers Lane, this has been a time of transformation and new starts. She went on to thank Paul Goodrich for his friendship and inviting her to come and share when she needed someone to listen. She thanked the North Texas Conference for what God is doing among them.

Dick Wilson received his license to preach as a junior in high school. In seminary, a professor at Texas Wesleyan taught him that teaching the word of God was a lot more fun than preaching it in the sanctuary. He has done that by using audio-visual, maps, charts, arts and crafts. He has learned a great deal from the laity. His favorite story happened in the early 1980's at First, Plano, when they started an after-school program called "My Friend's Place." He walked through the second grade class and waved at a boy whose friend asked, "Who's that?" The little boy replied, "Oh, he's okay. He's just Jesus who lives next door." He reminded the conference that all of us can be Jesus to someone who lives next door. He hopes to continue teaching the word of God as long as he can.

Wilkinson said there were three others who retired during the year but were not present for the conference session. They are Forest Duncan Graham, an elder, and local pastors, Sharon and Stanley Welch.

Charles Harrison rose to affirm the presentation of retiree and ordinand speeches in person.

Board of Trustees

Paul Goodrich directed the conference members to their workbooks for the presentation of two resolutions.

Legislative Item 6 **[LA 6]** allowed for the discontinuance of Lake Creek United Methodist Church.

Legislative Item 7 **[LA 7]** allowed for the discontinuance of Wellspring United Methodist Church. The resolutions were approved and money from the sale of said properties will go to New Church Starts.

Board of Pension and Health Benefits

Julie Gould directed the conference members to their workbooks, for the presentation of four resolutions.

Legislative Item 8 **[LA 8]** resolved to designate the rental/housing allowances for retired or disabled clergypersons of the North Texas Conference. The resolution was approved. Legislative Item 9 **[LA 9]** to establish the pre-1982 service year annuity rate was approved. **[LA 10]** the 2011 formal pre-1982 pension liability funding plan was submitted and approved. **[LA 11]** the apportionments for pensions and for insurance subsidies was presented and approved.

Board of Ordained Ministry

Gary Mueller called on James Minor to celebrate lay minister Rosemary Gagnon, who completed the requirements for certification in paraprofessional Christian education and in youth ministry.

Mueller then called on Jan Davis, vice-chair of BOM, who lifted up and prayed for the 130 local pastors serving in the conference. Davis called on the newly licensed local pastors to come forward and asked all other local pastors to stand.

Todd Harris, chair of Preparations and Qualifications, announced that ordinands' recorded messages would not be shown. He invited the conference to congratulate the newly commissioned and asked all the newly ordained to come forward and be introduced. Sheron Patterson announced that all messages would be filmed again and posted on the conference website.

Resolutions for General Conference

Gary Mueller explained that resolutions for consideration at General Conference, if recommended by the Annual Conference, would be lumped with similar resolutions at General Conference. A recommendation to present individual resolutions for a vote to be recommended to General Conference where discussion could then take place failed as did a motion to suspend the rules so that the resolutions could be voted on with discussion.

Mueller moved that the first petition entitled "Retired Local Pastors' Clergy Status" **[LA 13]** be endorsed by the conference and forwarded to General Conference for discussion. Motion passed.

Mueller explained that the second petition entitled "Required Theological Coursework for Commissioning and Provisional Membership" **[LA 14]** adds two classes – pastoral and church leadership and also preaching, both of which would add to the readiness of leadership. Motion passed.

Mueller introduced the next petition, "Requirements for Admission to Full Connection and Ordination as a Deacon," **[LA 15]** explaining that the recommended changes will help determine if people are ready and will place a new emphasis on effectiveness and fruitfulness at the full connection level.

Lengthy debate ensued; first that the weight of a conference-recommended petition (rather than individual) would carry weight and that Wesley's scripture way of salvation would be compromised in some of the suggested changes. Others supported the petition in that the omissions about which there were concerns would be covered at the commissioning level and the candidates would be accountable for fruitfulness. Todd Harris spoke to how the petition enables candidates to integrate their theology with the practice of ministry, while encouraging clarification of performance in making disciples. Motion passed 365 for, 242 against, 15 abstentions.

Courtesies and Resolutions

Rusty Hedges noted that there had been twenty youth from Christ United Methodist Church, Plano, present for two hours to be a part of the Center for Missional Outreach report earlier in the afternoon. He asked for prayers for Terry Heislen's wife Mary, who had hip replacement surgery this morning, and for Brenda Barnhart, daughter of Charlie Pierce, who sustained serious injuries in a motorcycle accident. Ray Karrer encouraged people to register for the Christian School of Cooperative Mission.

Resolutions for General Conference

Gary Mueller moved the endorsement of the petition, "Requirements for Admission to Full Connection and Ordination as an Elder," **[LA 16]** essentially the same as the previous petition about deacons. Mueller stressed that the intent in both is that no one be passed on to be commissioned until they can articulate his/her theology.

There were speeches for and against, including concern that many candidates are transferring in from other denominations and therefore need the repeated questions - as well as a newly ordained's insight that he had answered many of the same questions before ordination that he had answered before commissioning. Mueller confirmed that the same questions for ordination are very similar to the commissioning questions. In order to retain the emphasis on Wesley's Way of Salvation, Richard Dunagin moved to reinstate question number 5 (a) (5) on Wesley's Way of Salvation. Mueller accepted that as a friendly amendment. Motion passed.

Mueller moved reconsideration of "Legislative Proposal for admission to Full Connection and Ordination as a Deacon." Motion passed. Mueller then moved to include the restoration of number 5 (a) (5) on Wesley's Way of Salvation. Motion was seconded and carried.

Kathryn Strempke presented the final petition, "Who is to answer Wesley's Historic Questions for the Examiners?" **[LA 17]** found in paragraph 311.1.d. The petition takes out the requirement for the candidate to answer those questions. Wesley's intention was that the pastor parish relations committee or an equivalent body answer those questions. Motion carried.

Bishop Bledsoe announced that the business of the annual conference had concluded and that a question of law related to the structure of the North Texas Conference as it relates to Church and Society, Ethnicity in the Local Church, Global Ministry and Christian Unity and Interreligious Concerns had been presented during the conference and that he would be considering this question during the next thirty days and posting his decision.

Courtesies and Resolutions

Rusty Hedges gave the closing courtesies and resolutions. After six years of praying, fasting, fund-raising, and bell-ringing, Christ's Foundry's church building is now under construction north of

Bachman Lake, and they want to express their thanks to the Annual Conference. A resolution submitted by Eston Williams recognized the elders, church members, and musicians of the North Texas Annual Conference, all of whom freely share their gifts with no compensation and have raised the awareness of members of the conference for UMCOR, Nothin' but Nets, and Imagine No Malaria. The Lovers Lane delegation recognized Don and Barbara Wiggins for their 40 years of consecutive membership in the Annual Conference. Hedges moved that the traditional "Thank You" Resolution be published in the 2011 journal. Motion carried. Resolution follows.

WHEREAS, the North Texas Conference held its annual session June 5-7, 2011 at the Plano Centre in Plano, Texas, Texas with the theme "God is Doing a New Thing." We as an annual conference have benefited from the tireless efforts of all those who have labored to make this year's conference a success; and

WHEREAS, Mrs. Leslie Bledsoe has established herself as a vital part of our Annual Conference by her enthusiasm and abiding faith, we acknowledge her as the first lady of our conference; and

WHEREAS, Bishop W. Earl Bledsoe has provided outstanding leadership for our Annual conference as we have worked to implement our strategic plan; and

WHEREAS, Bishop John G. Innis, Revs Morris Matthis and Milton Guttierrez have inspired us with their faithfulness in proclaiming the Good News of Jesus Christ along with the challenges placed before us by our Conference Lay Leader Richard Hearne. We have celebrated the work that has been done toward removing the threat of malaria from our sisters and brothers in Africa; and

WHEREAS, we have received the reports of the boards and agencies which reported that the mission and ministry of the conference is moving forward. We listened with a profound sense of thanksgiving to the presentations of those to be ordained and those entering into a retired relationship; and

WHEREAS, we recognize the faithfulness of Dr. Larry George, Dr. Marvin Guier, Dr. Sheron Patterson and other members of the conference staff in supporting the work of our conference. We especially commend Dr. Marvin Guier for his many years of faithful stewardship of our conference's finances; and

WHEREAS, the North Texas Conference extends its thanks to all the volunteers who have given so freely of the time and talents to this conference session and to the churches and staffs who have shown us radical hospitality; therefore

BE IT RESOLVED, that we, as a covenant community will carry the good news to the world that God is indeed doing a new thing. By the grace given to us we will proclaim the Gospel of Christ to an often dark and hurting world and recommit ourselves to the task of making disciples of Jesus Christ for the transformation of the world.

Respectfully submitted,

The Committee on Courtesy and Resolutions
Rusty Hedges, chair

Shante Buckley	Jim Pledger
Sharon Coleman	Jackye Waiters-Lee

Resolution for General Conference

Richard Hearne presented a resolution for General Conference to amend Division Three-Episcopal Supervision to include the election from the Council of Bishops a Presiding Bishop for a four year term for the purpose of being the primary spokesperson for the United Methodist Church. Motion failed.

Reading of Appointments

Bishop Bledsoe called for the reading of appointments. Names were then read by district superintendents: Paul Gould, for the East district; Marvin Guier for the Northwest district; Frank Alegria for the North Central district; and Clara Reed, for the Metro district.

Closing Home and Benediction

After the appointments were read, Bishop Bledsoe asked that everyone stand and hold hands and sing the doxology. He dismissed the conference with a benediction from the Congo, "Get outa here and go do ministry."

EQUITABLE COMPENSATION ANNUAL DETERMINATION

FROM: Center for Leadership Development (CLD)

BACKGROUND: Historically, the North Texas Conference embraces the primary purpose of Equitable Compensation Pastors Funds be allocated to assist local churches in moving from part-time pastoral positions to full-time pastoral positions. These funds are meant to be transitional funds and not long-term subsidies. Some congregations have the potential to reach a sustained average worship attendance of adults to move from a part-time to a full-time pastoral position with short-term conference assistance. The time frame and benchmarks for moving from part-time to full-time should be reflected in yearly increases in worship attendance, Sunday School and small group attendance, professions of faith, those enrolled in annual confirmation classes, and annual increases in the number of individuals and families supporting the church's mission and ministry budget (operations) of the church. In essence, growing churches can move from a part-time to full-time pastoral position in three to five years. To continue receiving Equitable Compensation Funds a transitional setting congregation shall pay 100% of the annual apportionments.

The North Texas Conference also has a history of supporting missional settings where full-time pastors have been appointed to congregations not able to pay a full-time salary. Continued conversations with the pastor, congregation, District Superintendent, and Center Directors of the NTC are essential to ensure these congregations continue to be effective in reaching others, transforming lives, and sharing the gospel of Jesus Christ in word and deed. Annually, congregations in missional settings must also manifest the fruit of increases in worship attendance, small groups, professions of faith, confirmation classes, along with annual stewardship training and education. To continue receiving Equitable Compensation Funds a missional setting congregation shall pay 100% of the annual apportionments.

The Center for Leadership Development in consultation with the Bishop and the NTC Cabinet takes into consideration not only the appropriate minimum level compensation for full-time clergy of the conference but also the needs of the churches in determining whether they can afford a full-time pastor or not.

LEGISLATION: The CLD requests that Pastors Subsidies Equitable Compensation support and administrative expenses be apportioned at $65,000 for 2012.

A. Guidelines for Conference Members and Full-Time Local Pastors

1. The Commission on Equitable Compensation requests that $43,432 be set for the minimum equitable compensation (including base salary, utilities, amount for vouchered travel reimbursement, dependent premium payments made by the local church, dependent premium supplemental payments paid by the conference at the discretion of the District Superintendent, and other conference subsidies received, but excluding any reimbursement for Annual Conference expenses or grants to assist with the expenses to attend expected spiritual formation or continuing education events for all of the clergy members of the conference (e.g., the Clergy Retreat) for conference members in full connection, associate members and provisional members of the North Texas Conference serving full time for 2012.

For the fifth year we have used the same policy the 2006 Annual Conference adopted at the recommendation of CF&A for changes to the District Superintendent level compensation. The percent change to the travel & utilities amount is included in the total. The amount of change for 2012 is an increase of 1.6% from $42,748 in 2011.

2. Adjustments for years of service:

Years of Service	Equitable Compensation Amounts
0-5	$43,432
6	43,532
7	43,632
8	43,732
9	43,832
10	43,932

3. Compensation for additional churches on a charge: Each charge with more than one church shall receive $200 additional for the second church and $100 each for the third through the fifth additional churches.

4. Recommendation for housing, utilities and travel expenses:

a. Housing shall be provided in a church-owned parsonage or provided for with a monthly allowance.
b. Utilities shall be provided with payments made by the local church or reimbursed when paid by the pastor.
c. Travel shall be reimbursed at the IRS rate with appropriate records and documentation provided to the church.

5. Local Pastors serving full time:

Five years or less	$38,352
Six years or more	$38,452

Expense recommendations same as above.

6. Deacons serving under salaried appointments in a local church:

a. Are not eligible to receive Equitable Compensation support from the Annual Conference.
b. Shall be granted the same minimum salary as an elder in full connection when their primary appointment is within a local church. * **
*(Judicial Council decision #807)
**(2008 *Book of Discipline*, Paragraphs 331.14,625.4)

The following policies are proposed to the North Texas Annual Conference for the distribution of equitable compensation assistance in 2012:

1. A local church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches whose pastors receive salary subsidy should be open to linkage with other churches in order to utilize efficiently the service of full-time conference members to reduce the need for subsidy.

2. Equitable Compensation levels can best be met when appointments are open to all ministerial members without regard to race or gender. We continue to urge every conference member to make the subject of a fully open Conference and adequately supported ministry at the local church level a matter of daily personal prayer. Only as the love of Christ dwells in us can an Annual Conference be a communion of caring persons.

3. Growth in stewardship should be achieved by all below-minimum remuneration churches. In making application for salary subsidy, District Superintendents are to provide evidence of stewardship education and growth of the church.

4. Tenure payments are designed to honor the years of service of pastors who continue for more than five years in ministry to below minimum compensation charges because of the needs of the Conference. The Bishop and the Cabinet are urged to make every effort to move pastors to above-minimum compensation charges within five years after they begin full-time service.

5. Applications for salary subsidy from Equitable Compensation are to be made by the District Superintendent on the prescribed forms.

6. The Charge Conference of any charge unable to pay the minimum salary set by the Conference shall be informed by the District Superintendent of the guidelines for receiving equitable compensation assistance. The Charge shall be informed of the amount required to bring the compensation level up to the minimum and shall be challenged to move toward the goal of full self-support at the earliest possible time. On the application for salary assistance, the District Superintendent shall certify that the charge has been duly notified. The amount of subsidy granted to a pastor shall be acknowledged annually at the Charge Conference.

7. Equitable Compensation assistance is not available to pastors serving as associate pastors or in staff positions other than pastor-in-charge. In order that such persons receive an equitable wage, however, it is recommended that local churches use Conference minimum standards as minimum guidelines to setting associate and staff salaries.

8. It is expected that the minimum housing allowance that will be paid by those churches or charges that do not provide a parsonage for their pastor will be $12,000 per year, and requests for salary supplements where housing allowances exceed $12,000 will not be considered.

9. Pastors who decline an appointment which would reduce or eliminate compensation support are ineligible for the Equitable Compensation tenure payment given for years of service.

10. Equitable Compensation assistance is not available for a North Texas Conference member appointed to serve in another Annual Conference, nor is it available to members of other Annual Conferences serving under appointment in the North Texas Conference.

11. There shall be no lump sum payments to persons receiving Equitable Compensation assistance unless such sums are too small for monthly payments to be made.

12. It shall be the responsibility of the pastor receiving Equitable Compensation subsidy to inform the District Superintendent of any increase in remuneration or any changes in

eligibility which occur after an application for Equitable Compensation has been approved.

EXCEPTIONAL REQUESTS BY THE CABINET:

All requests for exceptional support (assistance requested by the Cabinet in excess of the 25% maximum standard) shall be submitted in writing to the Center Director for Leadership Development and to the Center Director for Connectional Resources. The requests shall include the amount of assistance requested, length of time for assistance and reason(s) for exceptional request.

SOUTHERN METHODIST UNIVERSITY WESLEY FOUNDATION: ADOPT AS NORTH TEXAS CONFERENCE CAMPUS MINISTRY

FROM: Center for Leadership Development (CLD)

BACKGROUND: The Wesley Foundation at Southern Methodist University has been an institution closely related to the South Central Jurisdiction and supported in part, by the apportionments given by each Annual Conference in the jurisdiction. A vital ministry full of presence and purpose on the campus of Southern Methodist University has been active throughout the years of developing principled Christian leaders.

A proposal from the Center for Leadership Development to the Core Leadership Team to seek approval to begin the conversation and groundwork to receive the SMU Wesley Foundation as a campus ministry of the North Texas Conference was adopted on December 8, 2010. A conversation with the Director of Mission & Administration for the South Central Jurisdiction occurred in March 2011. The CLD along with the SMU Wesley Foundation Director will present this adoption at the SCJ Mission Council meeting in September 2011.

LEGISLATION: The CLD requests the adoption of the SMU Wesley Foundation as a campus ministry of the North Texas Conference effective January 1, 2012.

The benefits to the North Texas Conference of the adoption are: **Location** [(1) placement on the campus of most coveted United Methodist schools in the country (2) opportunity to reach more young and diverse people (3) create ministry opportunities for Perkins School of Theology students (4) create a ministry tool and model for campus ministry] **Developing Faith Leaders** [(1) work with Perkins School of Theology to create an advance degree or certificate in campus ministry (2) become a national vehicle for training and developing campus ministers (3) raise, prepare and affirm more candidates for ministry in the North Texas Conference (4) promote understanding of United Methodist heritage and identity] **Connection** [(1) incorporate into the network of campus ministries within the North Texas Conference (2) connect with local churches for support of presence and funds (3) create a resource of churches in the North Texas Conference for students to attend after leaving campus].

The CLD is requesting that funding from the South Central Jurisdiction will continue through 2015 with a gradual reduction from the SCJ apportionments staring in 2013 and terminating January 1, 2016. The proposed annual reduction/ratio from the SCJ apportionments and the CLD budget incorporation would be as follows:

South Central Jurisdiction (gradual apportionment reduction)	
2012	100%
2013	75%
2014	50%
2015	25%
2016	0%

North Texas Conference (gradual budget incorporation)	
2012	0%
2013	25%
2014	50%
2015	75%
2016	100%

In 2016, the North Texas Conference will assume full oversight and financial responsibility for SMU Wesley Foundation. This adoption will *not* require any additional apportionment funds; rather the CLD will realign resources designated to Campus Ministry, in addition to seeking partnerships with congregations and individuals to support the ongoing work of campus ministry in the North Texas Conference.

Understanding that campus ministries are a significant frontline resource for the United Methodist church, this legislation for adoption is in line with our North Texas Conference Strategic Plan of developing young and diverse, principled Christian leaders of Jesus Christ for the transformation of the Church and world.

FINANCE AND ADMINISTRATION

FROM: Council on Finance and Administration

INTRODUCTION

In spite of the ongoing challenges of our nation's economy and the impact that has had on many and the changes that are happening all about us, the churches of the North Texas Conference had a total 2010 apportionment payout of 94.6%. That was a great indication of the faithfulness of North Texas United Methodists and the strength, vitality and pride of the churches of the North Texas Conference!

260 out of 300 churches with apportionments paid 100%, and 31 churches made Second Mile contributions to help others. We especially commend the new NORTHWEST District which carried on the tradition of the former Wichita Falls District of 100% payment for the 19th year in a row and the new EAST District which carried on the tradition of the former Paris-Sulphur Springs District (16 years in a row) for 100% payment. We are very aware that several pastors and churches from all four districts went the extra mile to make it happen and we are deeply grateful to all who made extraordinary efforts.

Total dollars received for apportionments in 2010 was $11,589,221 and the total paid for all benevolent causes was $13,303,222.

While the Council recommends that local churches strive to designate at least 25% of their total annual budgets for causes beyond their churches, it is expected that apportionments will be given first claim by churches in their beyond-the-local church payments, with advance specials and other benevolences viewed as second-mile giving.

The Council continues to expect 100% payout of our apportionments and urges every church to take seriously the recommended ten-month payment plan in which 10% of the annual apportionment amount is remitted monthly. Without doubt, making monthly payments beginning in January or February is an important step in paying apportionments in full.

Paragraph 622 of the 2008 *Discipline* states that the Board of Pension and Health Benefits apportionment, the Episcopal Fund, the District Superintendents Fund, and Equitable Compensation are apportioned funds which are to be paid on the same schedule as the pastor's salary is paid. The Cabinet joins the Council in urging each church to adhere to this mandate monthly.

All churches are also encouraged to make contributions to their District Second Mile Fund. This is an important way to assist districts and the conference as a whole to achieve 100% payment of our total apportionments.

The Council and the Conference Treasurer have made special efforts this year to update reports in order to provide the information conference leaders and members expect in a more open and

transparent way. The Council takes seriously its fiduciary responsibility and is working with conference leaders to insure faithful and effective stewardship of conference funds.

END-OF-YEAR 2010 FINANCIAL OVERVIEW

1. 2010 was the second of three years in a row of apportionment budget decreases.
2. The 2010 apportionment payout was 94.6%.
3. As planned, we spent down $413,584 of reserves to reduce apportionments and direct bill benefits premiums to churches.
4. As part of the Strategic Plan adopted by the 2010 Annual Conference session, we also transferred $1 million of apportionment beginning balances and reserves to "jumpstart" New Church Starts ($750,000) and Leadership Development ($250,000). These funds remain in their accounts and are available for use.
5. In 2010 the treasury functions of the district offices were moved to the Conference Treasurer's office and the 2011 District Administration budgets were included in the apportionment budget presented to the Annual Conference. District reserves of approximately $1.8 million were transferred to the conference treasury.
6. Although total funds held by the Conference Treasurer increased by $1,368,695 to $9,631,755 (excluding approximately $12 million held in trust for retiree pensions and our retiree medical liability at the General Board of Pension & Health Benefits), annual conference reserves actually decreased $482,247. When it is realized that the increase in the PACT (conference-wide property and liability insurance program) balance was primarily a cash flow matter, it should be noted that conference reserves were actually decreased approximately $700,000 in 2010 and another $1 million was re-designated for New Church Starts and Leadership Development.
7. Financially, 2010 was something of a "hybrid" year. While the apportionment budget was adopted at the 2009 Annual Conference session according to the previous conference structure and the first half of the year operated under that structure, the second half of the year was under the new structure. This was most evident in the Conference Benevolences Fund budget and the DS and District Administration budgets.
8. The 2010 Annual Conference session adopted a 2011 apportionment budget which begins to realign conference resources according to the priorities of our mission as delineated in the Strategic Plan. It also includes a further planned spending down of approximately $615,800 of reserves.
9. Detailed 2010 financial reports may be found in the Agency Reports section XIII of this Journal.

FURTHER INFORMATION

A. Fidelity Bond for Local Churches

Beginning in 2007, with the establishment of our Conference-Wide Property & Liability Insurance Program through PACT, a $100,000 Employee Dishonesty (Crime) Bond is provided to cover those persons authorized to handle funds in every church in the Annual Conference.

B. Electric Aggregation Program

Electric utilities in the state of Texas were deregulated effective January 1, 2002. Deregulation offered the opportunity for the churches of the North Texas Conference to join together to purchase electricity. With the encouragement of CF&A, a group of large churches in the conference initiated an effort to secure a group contract for the purchase of electricity. All of the churches of the conference have been invited to participate in this effort. The program is now in its fourth

aggregate contract and continues to be beneficial to the approximately 160 participating churches with the benefits of achieving scale, the ability to anticipate costs in budgeting, and protection against the volatility of natural gas prices and future cost increases.

An additional feature of the present contract is the inclusion of 10% renewable or "green" energy for every church, which was secured at no additional cost to the group contract. Churches may choose to increase the percentage of renewable energy for an additional cost. As reported in a December 22, 2007 feature article in the *Dallas Morning News*: "In an apparently unprecedented move for a large religious group, United Methodist churches of North Texas have joined forces to buy 'green' electricity generated by windmills in the western part of the state." Staff writer Sam Hodges went on to say, "Environmentalists say they're unaware of another conference, diocese, synod or any other body of churches that has used its economic clout to spur nonpolluting electricity production." This is a significant step as we try to live out our concern for the environment.

The current contract concludes December 31, 2011, and the Conference Treasurer has begun the process of negotiating a new contract.

C. Conference-Wide Property & Liability Insurance Program

In response to requests for help from several local churches and after a great deal of study and discussion over many years, the 2006 Annual Conference session voted to establish a conference-wide property and liability insurance program through UM PACT, in which all of our churches, fellowships, camp and retreat centers, and other conference ministries purchase property and liability insurance through PACT effective January 1, 2007. This program is now fully deployed across all the churches and agencies of the conference.

Because of continuing concern over the vulnerability of our churches in today's litigious society and realizing that all of the other churches are at risk when some are without adequate coverage or limits, the Council is convinced that this program is the best way to protect all North Texas Conference churches in case of property losses or issues leading to liability claims. The Council desires to do everything possible to keep our churches out of harm's way and to enhance our protection of ministry and mission.

D. Pre-1982 Pension Liability

The *2008 Discipline* requires the submission of an annual formal funding plan for our pre-1982 pension liability. (See Board of Pension and Health Benefits legislative items.)

E. Retiree Medical Liability

A plan to address the conference's Retiree Medical Liability was adopted by the 2002 Annual Conference session and updated by the 2006 and 2008 Annual Conference sessions. CF&A will continue to work with the conference Board of Pension and Health Benefits to prepare regular updates to this plan.

F. Salary, Benefits and Expenses for District Superintendents

As stated in the conference's Standing Rules, "the salary of a district superintendent shall be adjusted annually by the average percentage change in the base compensation of all full-time pastors appointed to serve local churches or appointments for which the conference is responsible."

The amount of change called for in accordance with the policy for 2012 is a 1.6% increase, which brings the salary to $106,255. Parsonages are provided by the districts. Utilities, travel and expenses are reimbursed by voucher.

G. 2010 Profile of Apportionments vs. Local Church Expenditures

Total apportionments accounted for 8.1% of total local church expenditures in the North Texas Conference in 2010, compared to 8.1% in 2009 and 9.0% in 2008. Total apportionments decreased 0.8% in 2010, while local church operating expenses on the decimal increased 0.3%. Total local church expenditures in 2010 decreased 1.6%.

H. Ten-Year Profile of Apportionments vs. Local Church Expenditures

An analysis of apportionments in the North Texas Conference between 2001-2010 indicates that total apportionments increased 37.7%, while local church operating expenses on the decimal increased 40.3%. Total local church expenditures increased 36.0% during the decade.

I. Future Profile of Apportionments vs. Local Church Income

It has been suggested that a more important comparison than apportionments vs. local church expenditures would be apportionments vs. local church income. The amount of borrowing by local churches is a concern. The Council and Conference Treasurer understand the concern and are certainly willing to begin considering this information in the future. However, it must be asked again of the churches that more care be given to the reporting of income in Table III of the statistical reports. Although we have completed six years of using Table III, the data received to date is only beginning to appear to be reliable.

RECOMMENDATIONS FOR LEGISLATIVE ACTION

I. CONFERENCE TREASURER

The Council on Finance and Administration recommends Jodi S. Smith for election as the Conference Treasurer for 2011-2012.

II. AUDITOR FOR THE CONFERENCE TREASURY

The Council recommends Thomas Stephen & Company, LLP as the auditing firm for the Conference Treasury in 2011.

III. 2012 APPORTIONMENT BUDGET RECOMMENDATION

BACKGROUND:

Recognizing that many families and some churches are continuing to struggle in the uncertain and challenging times in our nation, CF&A is recommending an "essentially flat" apportionment budget for 2012 (+0.3%) after three consecutive decreases in apportionments from 2009-2011 (an overall decrease of $1,393,483 or 10.5%, which includes a decrease in Annual Conference apportionments of $1,384,438 or 15.5%).

As promised, the Strategic Plan adopted at the 2010 Annual Conference session has not caused the apportionments to increase. We have begun to realign our resources according to the priorities of our mission, as delineated in the Strategic Plan. Thus, aside from General Conference and

Jurisdictional Conference apportionments, the Episcopal Area fund and the District Superintendents Fund, the 2012 recommended apportionment budget is built around the four new centers: (1) the Center for Leadership Development, (2) the Center for New Church Development and Congregational Transformation, (3) the Center for Missional Outreach, and (4) the Center for Connectional Resources. As called for in the Strategic Plan, the District Administration Fund budgets come from the District Conferences. Although they are included in the total apportionment budget recommendation, they are not considered by CF&A.

The staff budgets are aligned with their respective centers and in the case of Communications with the Episcopal Area. It should be noted that the conference has reduced staff by one District Superintendent level position, three Associate Director level positions, and two support staff positions. According to NTC Standing Rule, the District Superintendent level salaries are calculated with a 1.6% increase. Other staff salaries are calculated with an aggregate increase of 2.0% plus a benefits cost increase of 3.5%. An additional amount for the redesign and improved maintenance of the conference website is included in the recommendation for the Communications Office.

It should be noted that $50,000 from a beginning balance in the CRSP Supplement account is planned to be used to fund that item, and $202,000 from Medicare Part D refunds and health insurance reserve funds is planned to be used to fund Appointees and Dependents Health Insurance Subsidies and part of the Current Year Benefits for Retirees.

The following other non-apportioned income related to the apportioned items is also anticipated: $42,000 from another conference to partially fund the Justice For Our Neighbors attorney position, $55,000 from C2K for that program and staff, $13,000 from youth events to fund CCYM staff, $125,000 from NTC PACT for staff, $50,000 from health insurance premiums for staff, $21,000 from a gift to the Area Office, $10,000 from GCFA for the Episcopal Residence, $1,500 from booths at the Ministry Mart for Annual Conference, and $3,000 for printed copies of the Journal. Additional other non-apportioned but related income may be received during the year.

Notes:

1. The staff budget requests include an aggregate increase of 2% plus a benefits cost increase of 3.5%.
2. The pension & health benefits budget assumes the spending of approximately $50,000 from reserves for apportioned pension supplements and $202,000 from reserves for apportioned health insurance supplements, as well as approximately $200,000 from reserves to subsidize direct bill health insurance premiums. It is anticipated that approximately $1.7 million will remain in health insurance reserves at the beginning of 2012. The target for this fund has been $1 – 1.5 million (approximately $1 million was the ending balance from the conference self-funded health insurance program upon entering the denominational program Health Flex in 1995) so as to be able to preserve the options of the conference health insurance program.
3. An additional minimum contribution of approximately $1.5 million will be required in 2011 for our unfunded pension liability due to the decline of the assets in the plan at the 1/1/09 valuation. Subsequent additional contributions should be significantly less or not

at all. GBOPHB is giving a "CPP Holiday" which we are taking in 2011-2013. Thus the amount which would have been budgeted in those years for CPP is being budgeted for the additional minimum contribution required for the unfunded liability (Past Service Funding).

4. An additional amount for maintenance of the conference website is included above the aggregate increase of 2% plus a benefits cost increase of 3.5% for other staff.
5. The amount of change called for in accordance with the Standing Rules policy for the DS level salary in 2012 is a 1.6% increase.
6. As called for in the Strategic Plan, the District Administration Fund budgets come from the District Conferences. Although they are included in the total apportionment budget recommendation, they are not considered by CF&A.

GUIDELINES FOR
APPORTIONMENTS FOR LOCAL CHURCHES

A. Formula for Two-Part Decimal:

1/3 membership and 2/3 finance

B. Procedure for Computation of Decimal for Each Church:

The membership part is computed by dividing the total 2010 church membership of the Annual Conference (less discontinued churches and fellowships = 150,332) into the 2010 membership of each church. This becomes the church's membership decimal.

The finance part is computed by adding the amounts of the operating expenses reported paid by each church in columns 53, 54, 56 – 58, and 60 - 62 of the 2010 Statistician's Report. (No funds reported in other statistical columns are included in this computation.) This total is then divided by the Conference total of these same columns (less discontinued churches and fellowships = $79,969,615). This becomes the local church's finance decimal.

The finance decimal is doubled. The membership decimal is added to the doubled finance decimal. This total is divided by three to become the apportionment decimal.

C. Procedure for Computation of Apportionments for Each Church:

The apportionment decimal for each church is multiplied by the Conference total of each apportionment to determine the amount that each church is asked to pay toward the apportionment.

D. Margin for Correction:

To assure that 100% of the amount of each apportionment will be distributed to the churches, no more than one quarter of one percent may be added to each apportionment when needed.

DISCONTINUANCE OF LAKE CREEK UMC

The Conference Board of Trustees will sell the property and place the proceeds and any current assets with the Center for New Church Development & Congregational Transformation for the purpose of starting new churches.

RESOLUTION TO DESIGNATE RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED CLERGYPERSONS OF THE NORTH TEXAS CONFERENCE

FROM: Board of Pension and Health Benefits

BACKGROUND: To be in compliance with Internal Revenue Service Revenue Ruling 75-22, 1975-1,49, as it relates to clergy housing, the North Texas Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the Conference:

LEGISLATION: WHEREAS, the religious denomination known as The United Methodist Church (the "Church"), of which the North Texas Conference is a part, has in the past functioned and continues to function through Ministers of the Gospel (within the meaning of

Internal Revenue Code section 107) who were or are duly ordained, commissioned or licensed ministers of the Church ("Clergypersons"); and

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation; and

WHEREAS, pensions or other amounts paid to active, retired and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation:

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), which includes all such payments from the General Board of Pension and Health Benefits ("GBOPHB"), during the year 2012 by each active, retired, or disabled Clergyperson who is or was a member of the Conference or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired or disabled Clergyperson's pension or disability as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107 (2) and regulations there under to the least of: (1) the amount of the rental/housing allowance designated by the Clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

PRE-1982 SERVICE YEAR RATE FOR 2012

FROM: Board of Pension and Health Benefits

BACKGROUND: Paragraph 1506.7 of the *2008 Discipline* recommends that the past service annuity rate for ministerial service rendered before 1982 be not less than 1% of the Conference Average Compensation (CAC) as calculated by the General Board of Pension and Health Benefits. In 1999 the North Texas Conference adopted 1% of the Conference Average Compensation as its policy for setting the annual pre-1982 service year rate. For 2012 the CAC is $72,088. Thus, the Board of Pension and Health Benefits recommends that 1% of that or $721 be the past service rate for 2012.

LEGISLATION: That the pre-1982 Service Year Rate for 2012 be established at $721 for approved service of clergy members in full connection, probationary members, associate members and local pastors of the conference.

LA 10

2011 FORMAL PRE-82 PENSION LIABILITY FUNDING PLAN

FROM: Board of Pension and Health Benefits

BACKGROUND: Paragraph 1506.8 of the 2008 *Discipline* requires the updating of a formal annual funding plan which has been approved by the Annual Conference and the General Board of Pension and Health Benefits (GBOPHB) for the conference's pre-82 pension liability.

The funding plan below is an update of the funding plan which has been in place since 1995 and was incorporated into the legislation adopted by the 2002, 2006 and 2008 Annual Conference sessions as part of our Retiree Medical Liability Funding Plan. It has been approved by GBOPHB.

The valuation of this funding plan will fluctuate each year. In addition to increases or decreases in assets due to stock market fluctuation, GBOPHB actuarial changes also increase or decrease the present value of benefits due.

Believing in the spring of 2008 that the Pre-1982 Pension Liability was funded to a sufficient level to protect against the necessity of unexpected future contributions, which could be required because of market and/or demographic fluctuations, it was decided to transfer $4.3 million from the conference's Pre-82 Pensions Deposit Account at GBOPHB to the conference's Retiree Medical Deposit Account at GBOPHB on December 31, 2008 and the Past Service Funding apportionment was switched from Pre-82 Pensions to Retiree Medical Liability in 2009 and reduced from $1,717,649 to $784,000. As a safeguard in the event of the need for additional funding of pre-82 pensions or for MPP annuities or for the required CRSP Defined Benefit contributions, the two previous apportionments to fund the NTC BOPHB (Board of Pensions and Insurance Subsidies) were combined beginning in 2009 to recognize that they are closely related and allow for transferring funds between the pension liability and the retiree medical liability if needed.

NOTE: While no contributions were required in 2009 and 2010, an additional contribution of $1,133,912 for the Pre-82 Plan (in addition to $355,934 for MPP Annuities and $129,013 for CRSP – DB) will be required in 2011 because of the decrease of the assets in the plan due to the market decline which began in the fall of 2008. However, a "CPP Holiday" granted by GBOPHB with a total value of approximately $1.8 million over three years in 2011-2013, during which time we will shift the CPP apportionment to Past Service Funding, will fund this additional required 2011 contribution and begin to fund any required subsequent year contributions, which will be much less

in 2012 (due to the market rebound and subsequent increase of the assets in the plan) and hopefully return to 0 soon.

LEGISLATION: North Texas Annual Conference Funding Plan for Supplement One to the Clergy Retirement Security Program as of January 1, 2011

The 2011 Past Service Rate (PSR) is $719, or 1.0% of Conference Average Compensation (CAC). The present assumption is that the Conference intends to maintain the PSR at 1.0% of CAC. In spite of a dip in 2010 and 2011, for the past several years, CAC has increased by an average of 4.5% per year, and it is conservatively assumed in this plan that future PSRs will increase by an average of about 4.5% per year.

The conference will fund the benefits through annual contributions as needed from the Conference Deposit Accounts at the General Board of Pension and Health Benefits and apportionments to be designated for Supplement One (Annual Past Service Deposit) through 2021. A contribution of $1,133,912 will be required for 2011.

The funding plan as of January 1, 2011 is summarized below.

		Funding	
	Present Value of Benefits*	Current Assets	Present Value of Future Contributions

FOR FURTHER INFORMATION ONLY: Because the 2011 Formal Pre-82 Funding Plan is based on numbers that occurred soon after the market decline in the fall of 2008 (1/1/09), the following is a preliminary 2012 funding plan based on the 1/1/10 funding status. It is anticipated that the 2013 funding plan based on 1/1/11 numbers will be further improved from this.

The preliminary funding plan as of January 1, 2012 is summarized below.

		Funding	
	Present Value of Benefits*	Current Assets	Present Value of Future Contributions

2012 BOPHB APPORTIONMENT BUDGET

FROM: Board of Pension and Health Benefits

BACKGROUND: The two previous apportionments to fund the work of the Board of Pension and Health Benefits (Insurance Subsidies and Board of Pensions) were combined beginning in 2009 to recognize that they are closely related and allow for transferring funds between the two areas as needed. The proposed 2012 apportionment budget request reflects the plans included in previous legislation regarding Clergy Retirement Security Plan (CRSP) funding, Pre-1982 Service Year Rate for 2012 and the 2011 Pre-82 Pension Liability and Retiree Medical Liability Funding Plans. The notes following each section of the apportionment offer further explanation.

As planned, $39,099 from reserves was spent for pensions and $350,306 from reserves was spent for health insurance subsidies in 2010. It is budgeted that approximately $50,000 from reserves will be spent for apportioned pension supplements, $235,800 from reserves will be spent for apportioned health insurance subsidies, and $330,000 from reserves will be spent to subsidize direct bill health insurance premiums in 2011.

It is anticipated that approximately $1.7 million will remain in health insurance reserves at the beginning of 2012. The target for this fund has been between $1 - $1.5 million (approximately $1 million was the ending balance from the conference self-funded health insurance program upon entering the denominational program HealthFlex in 1995) so as to be able to preserve the options of the conference health insurance program. In order not to increase the apportionment budget for 2012 as CF&A desires, the budget requests below assume the further spending of approximately $50,000 from reserves for apportioned pension supplements, $202,000 from reserves for apportioned health insurance supplements, as well as approximately $200,000 from reserves to subsidize direct bill health insurance subsidies.

LEGISLATION:

PENSIONS

	Anticipated Expenses	Budget Request
Pre-1982 Years Service (Unfunded Liability)	642,000	642,000 (1)
Comprehensive Protection Plan (CPP)	0	0 (1)
CRSP Supplement	50,000	0 (2)
Operating Expenses	12,000	12,000
Sub-Total	704,000	654,000 (3)

(1) An additional minimum contribution of approximately $1,500,000 will be required in 2011 for our unfunded liability due to the decline of the assets in the plan. We have been notified that subsequent required increases will be significantly less. GBOPHB will be having a "CPP Holiday" which we will take in 2011-2013. Thus the amount which would have been budgeted in those years for CPP will be budgeted for the additional minimum contribution required for the unfunded liability. No additional increase is requested at this time.

(2) The CRSP Supplement provides supplements for churches under the Denominational Average Compensation and covers pastors on incapacity leave and provides a small amount for uncollectable premiums. Nothing was budgeted for this in 2010 or 2011 due to a large beginning balance to spend down. The expenditure in 2009 was $39,392, $43,575 in 2010, and the anticipated cost in 2011 is approximately $50,000. Approximately the same amount is anticipated in 2012 and nothing additional is requested as it is proposed to use approximately $50,000 from reserves for this item.

(3) The Sub-Total is an increase of $18,000 or approximately 2.8% from the 2011 amount budgeted of $636,000.

HEALTH INSURANCE SUBSIDIES

	Anticipated Expenses	Budget Request
Appointees Subsidies	80,000	0 (1)
Dependents Subsidies	15,000	0 (2)
Retirees Medical Benefits		
Current Year Cash Basis Premium Benefits	625,000	517,800 (3)
Past Service Funding	784,000	784,000 (4)
Retiree Medical Liability for Current Retirees & Actives and Spouses	0	0 (5)

Retiree Medical for New Entrants	213,000	213,000 (6)
Sub-Total	$1,717,000	$1,514,800 (7)
TOTAL	$2,429,000	$2,168,800 (8)

(1) $78,260 was expended on this in 2010, and the anticipated cost in 2011 is approximately $80,000. Approximately the same amount is anticipated in 2012, and nothing additional is requested as it is proposed to use approximately $80,000 in available health insurance reserves for this item.

(2) $13,364 was expended on this in 2010, and the anticipated cost in 2011 is approximately $15,000. Approximately the same amount is anticipated in 2012, and nothing additional is requested as it is proposed to use approximately $15,000 in available health insurance reserves for this item.

(3) $579,672 was expended on this in 2010. The anticipated cost in 2011 is approximately $600,000. Approximately $625,000 is anticipated in 2012, but nothing additional is requested as it is proposed to use approximately $107,200 from health insurance reserve funds for this item.

(4) The Retiree Medical Liability funding plan updated by the 2008 Annual Conference session shifted the Past Service Funding apportionment at this level from Pre-82 Pensions to the Retiree Medical Liability beginning in 2009 and continuing until that liability is fully funded.

(5) The Retiree Medical Liability funding plan updated by the 2008 Annual Conference session called for this item to be eliminated when the Past Service Funding apportionment was shifted from Pre-82 Pensions to the Retiree Medical Liability, which occurred in 2009.

(6) The Retiree Medical Liability funding plan updated by the 2008 Annual Conference session calls for this item to be frozen at $213,000 until the Pre-82 Pension Plan and the Retiree Medical Liability are fully funded and the Past Service Funding apportionment is eliminated.

(7) The Sub-Total is no change from 2011.

(8) The TOTAL is an increase of $18,000 or 0.8%.

FROM: Board of Ordained Ministry

BACKGROUND: **Rationale:** The 2008 General Conference extended voting rights to retired local pastors through inclusion of ¶320.6. However, Judicial Council Decision 1101 declares that ¶320.6 is void because it conflicts with Article I of Section VI (¶32) of the Constitution. These petitions allow the 2008 General Conference's intent to be realized.

LEGISLATION: Amend ¶32 so it reads, "…The clergy membership shall consist of deacons and elders in full connection, provisional members, associate members, retired local pastors (under the provisions of 320.5) and local pastors under appointment. …"

Restore ¶320.6 as adopted by the 2008 General Conference and included in *The Book of Discipline 2008*.

Amend ¶320.5 so it reads, "… Retired local pastors may attend annual conference sessions with voice ~~but not~~ vote and such voting privileges as accorded to active local pastors."

PETITION TO GENERAL CONFERENCE REGARDING "REQUIRED THEOLOGICAL COURSEWORK FOR COMMISSIONING AND PROVISIONAL MEMBERSHIP"

FROM: Board of Ordained Ministry

BACKGROUND: **Rationale:** This clarifies the courses candidates must complete prior to being approved for Provisional Membership and requires candidates to have completed coursework in pastoral/church leadership and preaching. The elimination of the word 'liturgy' more accurately depicts course requirements that are consistent with expectations.

LEGISLATION: Amend ¶ 324.4.a so it reads, "Candidates for deacon or elder shall have completed one-half of the basic graduate theological studies in the Christian faith. These courses may be included within or in addition to a seminary degree. These basic graduate theological studies must include courses in pastoral/church leadership; Old Testament; New Testament; theology; church history; mission of the church in the world; evangelism; preaching; worship~~/liturgy~~; and United Methodist doctrine, polity and history."

PETITION TO GENERAL CONFERENCE REGARDING "REQUIREMENTS FOR ADMISSION TO FULL CONNECTION AND ORDINATION AS AN ELDER

FROM: Board of Ordained Ministry

BACKGROUND: **Rationale:** These changes will more clearly differentiate the examination for commissioning and provisional membership from the examination for ordination

as Elder and full membership. The examination for ordination and full membership will now focus much more on theological integration, effectiveness and fruitfulness.

LEGISLATION: Amend ¶ 335 so it reads, "*Requirements for Admission to Full Connection and Ordination as Elder*—Provisional members who are candidates for full connection and ordination as elders and have been provisional members for at least two years may be admitted into membership in full connection in an annual conference and approved for elder's ordination by two-thirds vote of the clergy members in full connection of the annual conference, upon recommendation by two-thirds vote of the Board of Ordained Ministry,[15] after they have qualified as follows. They shall have: (1) served full-time under episcopal appointment for at least two full annual conference years following the completion of the educational requirements specified in 3(b) below. Years of service in any ministry setting requiring the regular proclamation of the word, the administration of the sacraments, and the short or long-term ordering of the life of the community of faith may count toward the fulfillment of this requirement. Such ministry settings may include campus ministry, college and university chaplaincy, hospital and prison chaplaincy, military chaplaincy, overseas/mission work and other ministries so recognized by the Division of Ordained Ministry of the General Board of Higher Education and Ministry. Upon recommendation of the Board of Ordained Ministry, an annual conference may equate less than full-time to the requirement of full-time service.

Such equivalence is to be determined in light of the years of service involved, the quality of that service, the maturity of the applicant, and other relevant factors. Supervision is to be (a) personally assumed or delegated by the district superintendent, and (b) assumed by a mentor assigned by the Board of Ordained Ministry. Their service shall be evaluated by the Board of Ordained Ministry as effective according to written guidelines developed by the board and adopted by the clergy members in full connection.[16] In rare cases, the Board of Ordained Ministry may, by a two-thirds vote, approve years of service in an autonomous Methodist church as meeting this requirement if adequate supervision has been provided; (2) been previously elected as provisional members; (3) met the following educational requirements: (a) graduation with a Bachelor of Arts or equivalent degree from a college or university listed by the University Senate, or demonstrated competency equivalence through a process designed in consultation with the General Board of Higher Education and Ministry; (b) graduation with a Master of Divinity degree from a school of theology listed by the University Senate, or its equivalent as determined by the General Board of Higher Education and Ministry; or (c) met the education requirements of ¶ 324.6 for local pastors; (d) educational requirements in every case shall include a minimum of two semester or three quarter hours in each of the fields of United Methodist history, doctrine, and polity, provided that a candidate may meet the requirements by undertaking an independent study program provided and administered by the General Board of Higher Education and Ministry (see ¶ 1421.3d); (4) satisfied the board regarding physical, mental, and emotional health; (5) prepared and preached at least one written sermon on a biblical passage specified by the Board of Ordained Ministry; (6) presented a detailed plan and outline for teaching a ~~book or books of the Bible~~ Bible study; (7) presented a project that demonstrates fruitfulness in carrying out the church's mission of "Making Disciples of Jesus Christ for the Transformation of the World; (7) responded to a written or oral doctrinal examination administered by the Board of Ordained Ministry The candidate should demonstrate the ability to communicate clearly in both oral and written form. The candidate's reflections and the board's response should be informed by the insights and guidelines of Part II of the Discipline. The following questions are guidelines for the preparation of the examination:

~~a) Theology.~~

~~(2) What effect has the practice of ministry had on your understanding of humanity and the need for divine grace?~~

PETITION TO GENERAL CONFERENCE REGARDING "WHO IS TO ANSWER WESLEY'S HISTORIC QUESTIONS FOR THE EXAMINERS"

FROM: Board of Ordained Ministry

STANDING RULES
OF THE
NORTH TEXAS ANNUAL CONFERENCE

These standing rules are composed of three parts: 1) structure of the North Texas Annual Conference ("Annual Conference"); 2) policies of the Annual Conference; and 3) rules of procedure for the conduct of Annual Conference sessions.

I. STRUCTURE OF THE ANNUAL CONFERENCE

A. GENERAL PROVISIONS

1. *Primacy of Book of Discipline and Standing Rules.* These General Provisions apply to all Agencies except where the current version of *The Book of Discipline of the United Methodist Church* ("*Book of Discipline*") or specific Standing Rules otherwise provide.

2. "*Agency*" In these Standing Rules, the word "Agency" means a conference-level group that performs the work of the North Texas Annual Conference, whether that group is called a Council, Board, Division, Commission, Committee, Team, Group or Task Force. It does not include boards of trustees or boards of directors of Annual Conference related institutions.

3. "*Conference Year; Conference Fiscal Year*" "Conference year" means the period from the close of one regularly scheduled session of the Annual Conference through the close of the following year's regularly scheduled session of the Annual Conference. "Conference Fiscal Year" means January 1 through December 31.

4. *Election of Members.* Members and Chairs of the Agencies shall be nominated by the Conference Nominating Committee and elected by the Annual Conference. There shall be an opportunity for additional nominations from the floor. *Special 2010 transitional provisions.* In order to transition from the former system of electing the Members and Chairs of the Agencies, the current Committee on Nominations will nominate persons to fill any vacancies in the groups which are continued by the strategic plan and the Annual Conference will elect them. A new Conference Nominating Committee will be formed by the Annual Conference session upon approval of the strategic plan. (See section I (B) 7 a. [STRUCTURE OF THE ANNUAL CONFERENCE, SPECIFIC AGENCIES, *Conference Nominating Committee],* as proposed later in this legislation.)

5. *Membership Diversity.* Except where the *Book of Discipline* or these Standing Rules otherwise provide, membership on all Agencies shall include one third clergy, one third laywomen, and one third laymen insofar as possible. In addition, special attention shall be given to inclusive representation from the ethnic churches, districts, small membership churches, and town and country churches.

6. *Terms.* Persons shall be nominated to serve a four year term on an Agency. No person shall be nominated for a position without previously agreeing to serve if elected. Persons elected shall begin their terms of office at the close of the Annual Conference session at which they are elected.

7. *Failure to Attend Meetings.* Persons who are absent without cause for half or more of an Agency's meetings during the Conference Year will thereby automatically remove themselves from the membership of the Agency and shall be replaced by the Conference Nominating Committee.

8. *Vacancies*. The Conference Nominating Committee is authorized to fill any Agency vacancies between sessions of the Annual Conference, unless the *Book of Discipline* otherwise provides. Persons appointed to fill vacancies shall serve only the remainder of the Conference year in which they are appointed. They may be elected to that position at the first regularly scheduled Annual Conference session following their appointment, in which case they will serve the remainder of the term of the person they replace. If the term of the person they replace would normally expire at the Annual Conference, then they may be elected to a full term either as member or chair without the partial year they served filling the vacancy counting toward the term limit as covered in Provision 9 and Provision 10 below.

9. *Term Limits for Members*. No elected person may serve more than eight successive years on any one Agency. A person may, however, be re-elected to an Agency on which that person has previously served his or her term limit after non-membership for four years.

10. *Term Limits for Agency Chairs and Team Representatives*. No person may serve as Chair or Team Representative of any Agency for more than four consecutive years, nor may any person chair or be a team representative on any combination of Agencies for a total of more than six years in any eight year period.

11. *Limits on Multiple Agency Membership*. No person shall serve on more than two Agencies at the same time, except as an *ex officio* member. In computing these limits, membership which occurs by virtue of holding some other Agency position shall not be counted. In applying these limits, the nominators shall be guided by the policies of diffusing power throughout the Annual Conference and limiting the agency workload required of any particular individual. Therefore, both the responsibilities and the workload of the various Agencies shall be taken into consideration in making Nominations.

12. *Coordination of Nominations*. All nominations of persons to Agencies shall be reported to the Assistant to the Bishop/Director of Missional Outreach and the Core Leadership Team in order to promote inclusivity and compliance with the Standing Rules on Limits on Multiple Agency Membership.

13. *Record Keeping*. In order to assist the Annual Conference in enforcing these General Provisions, each Annual Conference *Journal* shall indicate after the name of each Agency member the year in which the person's current term expires and whether it is the person's first or second consecutive term with that Agency. Each Annual Conference Journal shall also indicate member ethnicity after the name of each Agency member. The report of the Annual Conference Nominating Committee shall indicate member ethnicity after the name of each person in its report.

14. *General Agencies*. Members of the general agencies of the United Methodist Church from the Annual Conference will be ex officio members of the corresponding Agency.

15. *Appeals*. Any Agency has the right to appeal to the Annual Conference regarding a decision affecting its work made by any other Agency, except where otherwise provided in the *Book of Discipline*.

16. *Clergy*. In these Standing Rules, the word "clergy" refers to the following members of the North Texas Annual Conference unless some specific Standing Rule otherwise provides: (1) elders in full connection; (2) deacons in full connection; (3) probationary members; (4) commissioned ministers; (5) associate members; and (6) local pastors under full-time and part-time appointment to a pastoral charge.

II. POLICIES OF THE ANNUAL CONFERENCE

1. *Conference Fiscal Year*. The fiscal year of the Annual Conference is January 1 through December 31.

2. *Apportionments to be made based on Conference Fiscal Year*. The apportionments to the local churches shall be made on the basis of the Conference Fiscal Year.

3. *Conference Books*. The Conference Treasurer's books shall be closed annually at 12:00 noon on January 11 (or the next working day, if January 11 falls on a weekend or holiday), and no funds received by the Conference Treasurer after that time shall apply toward Conference Apportionments of the year just completed.

4. *Disposition of Interest*. Interest earned on any funds (excluding designated trusts) managed by the Conference Treasurer shall be declared general funds of the North Texas Annual Conference and administered by the Conference Council on Finance and Administration.

5. *Agency Spending*. No Agency shall incur financial obligations that exceed current appropriations, and beginning balances where applicable, for any reason except by specific approval of the Core Leadership Team and the Council on Finance and Administration. New items must be submitted first to the Core Leadership Team and, if approved, must also be submitted to the Council on Finance and Administration for appraisal and consideration for the current year. No Agency shall include requests for funds other than those required for its own operation or program, except that Teams and Groups may request funds for the benefit of their own Task Forces. Requests for funds for the same cause or concern shall be granted to only one Agency.

6. *Conference-Wide Appeals*. When application is made to the Annual Conference for the privilege of special conference-wide financial appeal, whether by special collection, campaigns, or otherwise, the application shall be referred to the Council on Finance and Administration before

final action is taken thereon. The Council on Finance and Administration shall investigate the application and its possible relation to other obligations of the conference, and in light of the facts make recommendations to the Annual Conference.

7. *Auditing*. The Council on Finance and Administration shall nominate to the Annual Conference an auditing firm which shall audit the Conference Treasurer's books annually. All institutions receiving financial support from the Annual Conference, either by direct apportionment or by special offerings, shall, if requested, submit an annual auditor's report acceptable to the Council on Finance and Administration reflecting the receipt and disbursement of the financial support received from the Annual Conference. Such reports shall be provided to the Council on Finance and Administration by October 1 of each year for the previous fiscal year. Each District shall retain an auditing firm to audit the District books annually, and shall submit such annual auditor's report to the Council on Finance and Administration by October 1 of each year for the previous fiscal year.

8. *Apportionments*. The Conference Treasurer, with the assistance of the District Superintendents, shall annually compute the apportionment decimal for each church. By September 1, the Conference Treasurer shall provide the amounts for each church's apportionments for the following year.

9. *Ethical Fiscal Principles*. The following ethical principles apply to the appropriation and disbursement of funds by the Annual Conference:

a. Funds contributed for a designated purpose should be used strictly for the purpose designated, and administered efficiently, without waste or duplication, in order to obtain maximum effect from the use of available funds.

b. Net proceeds from the sale of Annual Conference property are capital funds and should be appropriated to the use which the property was intended to serve. If this is not feasible, priority should be given to the most similar purpose for which the funds can be used effectively or to capital improvements within reasonable geographical proximity; but district lines should not be controlling and the entire community or metropolitan area should be considered. Likewise, funds received by way of indemnity for loss or destruction of any capital assets of the Annual Conference should be treated as capital assets and should be used for similar purposes if restoration of the property is feasible.

10. The salary of a district superintendent shall be adjusted annually by the average percentage change in the base compensation of all full-time pastors appointed to serve local churches or appointments for which the conference is responsible as calculated by the conference treasurer. This adjustment shall begin in 2008, using the 2007 base compensation level as the initial base. In addition, the compensation level is to be evaluated by the Council on Finance and Administration every five years in relationship to North Texas Conference pastoral salaries and other annual conferences.

11. The effective date for Annual Conference moves and clergy retirements is July 1. Thus when a pastoral change comes at Annual Conference, the salary of the previous appointment shall be paid through June 30, and the salary in the new appointment shall begin July 1.

B. REPORTING REQUIREMENTS

1. *Death Records*. The minister who is in charge of the funeral services of any clergy member of

the Annual Conference, or the spouse, widow, or widower of a clergy member of the Annual Conference, will supply the Conference Secretary with a memoir containing the date of birth, date of death, date of final rites, and place of burial of the deceased. To the extent possible, the minister will also supply a recent photograph of the deceased and date of entrance into the Annual Conference. For clergy members who transferred into the Annual Conference, the minister will, if possible, inform the Conference Secretary the deceased's date of transfer into the Annual Conference, the conference from which transferred, and appointments in other conferences. If the minister in charge of the funeral cannot supply this information, the Conference Secretary will use his or her best efforts to supply the missing information. All of this information should be sent to the Conference Secretary immediately following the funeral.

2. *Biographical Information*. Each member of the clergy and each diaconal minister shall file with the Conference Secretary a historical sketch of his or her life on a form to be furnished by the Conference Secretary. This document will become that person's record.

3. *Legal Descriptions of Conference Property*. Each District Superintendent shall furnish to the Secretary of the Board of Trustees a legal description of each piece of property in his or her District on or before December 1 of each year. The District Superintendents shall also provide a statement as to where the deeds evidencing ownership of these properties are kept. The information provided annually shall be accurate as of December 1.

4. *Statistics*. Each District Superintendent shall furnish the required district statistics to the Conference Statistician. In order to facilitate these reports, the following procedures will be followed:

a. Each church and pastor shall submit the Annual Conference report for auditing on the Check-Out Day specified by the Cabinet. Check-Out Day is the date when local churches turn in statistical information for the preceding year on forms provided by the Conference Statistician. The Annual Conference report shall be submitted to the District Statistician (see below).

b. Each District Superintendent shall appoint a District Statistician. The District Statistician shall check each Annual Conference report for accuracy, consistency, and completeness. The District Statistician then forwards the Annual Conference reports to the District Secretary, who in turn forwards them to the Conference Statistician.

c. Each pastor in charge shall also report to his or her District Superintendent on Check-Out Day any money borrowed necessary to pay current church obligations for the Conference Fiscal Year, or any delinquent church bills which have not been paid by the close of the Conference Fiscal Year.

C. VACATION STANDARDS

The following are minimum vacation standards for clergy and diaconal ministers of the North Texas Annual Conference.

1. Method of Calculation

The vacation is calculated according to the number of years of service, using the following formula:

1 - 4 years of service --- two weeks (two Sundays)
5 - 9 years of service --- three weeks (three Sundays)
10+ years of service --- four weeks (four Sundays)

2. Further Guidelines

In applying the standards:

a. "years of service" shall be determined by years served as a full-time United Methodist commissioned minister, probationary member, diaconal minister, local pastor, associate member, deacon in full connection, or elder in full connection. In computing a person's "years of service," time spent in all categories shall be cumulated and all shall count toward the person's total "years of service."

b. The length of vacation is set by the Annual Conference, but the most suitable time for both the employing entity and the clergy or diaconal ministers and their families must be determined by consultation between the clergy or diaconal minister and the employing entity.

D. CLERGY DIVORCE

"Where marriage partners, even after thoughtful consideration and counsel, are estranged beyond reconciliation, we recognize divorce as regrettable, but recognize the right of divorced persons to remarry. We express our deep concern for the care and nurture of the children of divorced and/or remarried persons. We encourage that either or both of the divorced parents be considered for custody of minor children of the marriage. We encourage an active, accepting, and enabling commitment of the church and our society to minister to the members of divorced families," (The *Book of Discipline of the United Methodist Church*, 1984)

The *Discipline* rightly makes no distinction between divorce occurring among the laity or clergy. We recognize the possibility of congregations being nurturing communities, and, thus for Christian love to grow in the midst of the painful circumstances surrounding a clergy or layperson's divorce.

The North Texas Conference also can be a caring and nurturing community for the clergy at divorce. The conference recognizes its responsibility to respond to divorcing clergy in as pastoral a manner as possible. To this end, the North Texas Conference of the United Methodist Church suggests the following for our clergy as well as their spouses in the event of divorce.

1. The clergy member will have taken every action possible toward reconciliation within the marriage. This shall include extensive counseling with a reputable marriage counselor, preferably with both partners to the marriage participating but, where impossible, with at least the clergy member's participation.

2. In consultation with the District Superintendent, the divorcing clergy and/or spouse may request a meeting of the following persons:
   a. The Chairperson of the Division of Conference Relations, presider.
   b. The District Superintendent of the clergy member's district.
   c. The district member of the Division of Conference Relations.
   d. Two peers chosen by the clergy member involved.

3. This meeting will:
   a. Pastorally respond to the divorce
   b. Offer help/guidance, if requested, to:
      1) The clergy member
      2) The divorcing spouse
      3) The clergy member's peers, and/or
      4) The respective Pastor-Parish Committee
   c. Refer divorcing persons to special seminars and workshops on divorce which are available periodically in the community.

E. CLERGY HOUSING

1. In the event of the death of a member of the clergy occupying a parsonage, the surviving spouse and family shall be granted the privilege of using the parsonage for a period of time not to exceed sixty (60) days.

2. Housing Standards for Elders in Full Connection.

In this section on Housing Standards for Elders in Full Connection, including Housing Allowances and Parsonage standards, the word "clergy" means "elders in full connection." The standards on Housing Allowances and parsonages apply to those churches that have elders in full connection and that are not receiving an equitable salary support.

The size and make-up of clergy families, and the size, location, and type of housing provided for clergy families by local churches is a major factor in the well-being of clergy families. As such, it has an impact on the effectiveness of clergy.

Although it is clear that no one single provision for housing will completely satisfy all the needs of every clergy family and every local church, the goal is to best satisfy the needs of all.

Housing Allowances

While parsonages have been the traditional means of providing housing for clergy families, there are those local church settings and situations where a housing allowance can be an effective and efficient means of providing housing for clergy families.

However, it must be understood that if a house is purchased by a clergy family, there is the potential for financial hardship and difficulties related to the sale of a house when an appointment change is made.

It must also be understood that a housing allowance will have no effect on the tenure of a pastor, neither increasing nor decreasing the potential length of a pastorate.

1. If a housing allowance is provided by a local church, the amount shall be sufficient to allow for the rental\lease\purchase of housing that meets the parsonage standards of the annual conference.

2. A utility allowance shall be paid in addition to the housing allowance.

3. The amount of the housing allowance and of the utility allowance shall be reviewed on an annual basis to ensure that the amount is adequate.

4. The District Superintendent, in consultation with the pastor and the Pastor-Parish Relations

Committee, shall be responsible for ensuring that these standards are met.

Parsonages

1. Size

   a. In order to accommodate all family sizes as reasonably as possible, and to allow for the greatest flexibility in meeting the needs of clergy families, the parsonage shall contain at least three bedrooms, with four recommended.

   b. There shall be at least two full baths.

   c. There shall be at least one large living area, with two living areas recommended.

   d. There shall be at least one dining area.

   e. There shall be a garage or covered carport adjacent to the house.

   f. The total area of living space shall be approximately 2,000 sq. ft. or more.

2. Location

   a. The parsonage shall be located in a residential neighborhood. (It should not be on a major thoroughfare, nor adjacent to commercial businesses.)

   b. The parsonage shall be located where it will allow for adequate privacy for the clergy family.

3. Interior

   a. The kitchen shall include all standard modern appliances (oven, cooktop, dishwasher, disposal, and refrigerator).

   c. There shall be adequate heating and cooling, with central air and heat whenever possible.

   d. The parsonage shall have window treatments in every room (e.g., blinds, drapes, or shutters).

   e. The clergy family shall be responsible for all other furnishings.

   f. All interiors of newly built parsonages shall be accessible for persons with disabilities, including a minimum of (1) one bathroom that has an accessible shower, commode, and lavatory, (2) passageways, garage, rooms, and entrances that are accessible, and (3) consideration is given to the landscaping of the yard.

   g. When an appointment is made in which a member of the parsonage family has a disability, the District Superintendent shall see that the existing parsonage be fitted with aids that will enable it to be suitable for persons with disabilities to the extent that the structure of the existing parsonage can be renovated. Consideration for grant moneys from conference agencies shall be given to these churches.

4. Exterior

a. The outside of the parsonage shall be landscaped to complement the house, with adequate shrubs, bushes, and trees.

b. A safe, fenced area shall be provided in the backyard for children and/or pets.

c. The mowing and the upkeep of the yard are to be negotiated between the pastor and the Board of Trustees.

5. Utilities

a. The local church shall pay for the cost of all utilities, including basic television access, except for personal long distance phone calls.

b. In order to minimize fees and deposits, the utilities, including the telephone, shall be in the name of the local church, unless this results in a higher rate schedule.

6. Maintenance

a. The local church Board of Trustees is responsible for the upkeep and repair of the parsonage, including the appliances, and there shall be an annual inspection of the parsonage and property by the Trustees, with a written report made at the local church's annual Charge Conference. It is suggested that all parsonages have an inspection by an engineering or contracting inspector every five years, starting ten years after they have been purchased or built.

b. The clergy family is responsible for minor upkeep and repairs, and for any damage done to the parsonage by a member or pet of the clergy family, including that caused by smoking.

7. Change of Pastors

a. When there is an impending change of pastors, the pastor shall notify the local church Board of Trustees, and the clergy family and Trustees shall ensure that the parsonage is as clean as possible. Major repairs should be made before the new clergy family arrives.

b. The Trustees shall contact the new clergy family before any painting or refurbishing is done, in order to have their preferences, needs, and suggestions incorporated into any work done on the parsonage.

8. Disposition of Church Owned Furniture

c. Lay member(s) of Annual Conference is(are) responsible for taking these standards back to every local church Board of Trustees.

Annual Conference Moving Fund

1. Funding
   a. The North Texas Conference shall establish a "Moving Fund" to be assessed through a Conference apportionment. This fund shall be of sufficient amount to pay for the number of qualifying moves in any given year. In this section on Annual Conference Moving Fund, "clergy" refers to those entitled to funding from the moving fund, as described more specifically in section 2 below.

   b. For eligible full-time moves, payment will be made as follows:
      (1) for the actual cost up to 45% of the Texas Max 3 Tariff as stated in the "Moving Allowance Chart" (which shall automatically reflect any changes in the Texas Max 3 Tariff);
      (2) Replacement Cost Insurance for an estimated value of the shipment up to $50,000 will be provided for all full-time moves. (The additional cost of a shipment value of $50,001-100,000 may be taken out of the stipend);
      (3) A $300 stipend is also available which may be used for other documented moving expenses the clergy family incurs.

   c. For eligible part-time moves, payment up to a total of $500 will be made for a moving company and personal expenses.

2. Eligibility for Funding

   c. Less than full-time appointments to local churches with parsonages will be allocated up to the $500 per move.

   d. If an elder in full connection, probationary member, commissioned minister preparing for ordination as elder in full connection, associate member, or full-time local pastor from

e. If an elder in full connection, probationary member, commissioned minister preparing for ordination as elder in full connection, associate member, or full-time local pastor of the North Texas Annual Conference transfers to another Conference, and the receiving Conference does not pay the full cost of the move, the North Texas Conference will pay the cost of the move up to the border of the North Texas Conference, up to the maximum amount allowed.

All expenses that are within the Annual Conference Allowance will be billed directly to the Annual Conference by those moving companies. The receiving church and moving clergy/family will not be responsible for any part of the expense that is within the Annual Conference Allowance. If a moving company is used that will not bill the Annual Conference directly, then the moving clergy/family is responsible for the bill and will be reimbursed by the Annual Conference for all documented expenses that are within the Annual Conference Allowance. Any documented expenses paid by the moving clergy/family are to be submitted to the receiving District Superintendent. The receiving District Superintendent shall then submit these documented expenses to the Annual Conference Treasurer. The Annual Conference Treasurer will be the final arbitrator concerning any question about moving costs, documentation, or payments. The Conference Treasurer shall issue payment to the moving company or the entity that incurred the expense.

b. A written estimate must be submitted to the receiving District Superintendent by June 15 for moves in July, and within one week of the announcement of a midyear move. F. SEXUAL MISCONDUCT

1. **POLICY STATEMENT FOR DEFINING SEXUAL MISCONDUCT**

The North Texas Conference of the United Methodist Church affirms the *2000 Book of Resolutions,* Sexual Abuse Within the Ministerial Relationship and Sexual Harassment Within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the Church are incompatible with biblical teachings of hospitality, justice and healing. In accordance with the current *Book of Discipline,* ¶161(F), we affirm that all human beings, both male and female, are created in the image of God, and thus have been made equal in Christ. As the promise of Galatians 3:26 states all are one in Christ, we support equity among all persons without regard to ethnicity, situation or gender.

Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker or volunteer.

Sexual harassment is any unwelcome sexual advance or demand, either verbal or physical, that is reasonably perceived by the recipient as demeaning, intimidating or coercive. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender (2008 *Book of Discipline* ¶161(I)).

Sexual abuse within the ministerial relationship involves a betrayal of sacred trust, a violation of the ministerial role and exploitation of those who are vulnerable. Similarly, sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue.

Misconduct of a sexual nature within the life of the Church interferes with its moral mission. The North Texas Conference stands in opposition to the sin of misconduct of a sexual nature in the Church and society at large and commits itself to fair and expedient investigation of any charge of sexual misconduct within the Church and to take action deemed appropriate and in compliance with the *Book of Discipline*. Further, the Conference bears affirmative responsibility to create an environment of hospitality for all persons, male or female, which is free of misconduct of a sexual nature and encourages respect, equality and kinship in Christ.

Because experiencing sexual abuse or harassment, and reporting such misconduct, can be difficult and frightening, we believe that the availability of trained advocates or support teams to assist victims of sexual misconduct is important, and we are committed to continuing support for the training and availability of such advocates or support teams.

We recognize that in any incident of sexual misconduct there may be many victims, including the family, friends, and congregation of the direct victim and of the person who has engaged in the misconduct. We therefore affirm as continuing goals for the Conference not only the resolution of complaints and the reconciliation of persons directly involved, but also the healing of all such indirect victims of the misconduct.

Sexual misconduct involving a clergy person should be reported to the clergy person's district superintendent or the presiding bishop. Misconduct involving paid staff, volunteers or other non-clergy persons should be reported to the pastor-in-charge, if any, or to other appropriate persons in accordance with guidelines and procedures that may be adopted by the Conference, by local churches or by other appropriate bodies within the Church.

The North Texas Conference is committed to the continuing, broad dissemination of this Policy Statement and of any guidelines and procedures adopted by the Conference, and to the continuing education of clergy and lay persons within the Conference for the purpose of preventing sexual misconduct and increasing awareness and understanding of the Conference's relevant policies and procedures.

2. PROCEDURES FOR REPORTING CLERGY SEXUAL MISCONDUCT

INTRODUCTION

The North Texas Conference will not tolerate and is committed to the eradication of sexual misconduct by its clergy. The ministerial office is a position of great trust, power and responsibility, offering the opportunity for unique relationships of grace and caring. Sexual misconduct is one of the gravest violations of this trust.

These Procedures provide a process for reporting incidents of clergy sexual misconduct within the North Texas Conference. They seek to create a safe, non-threatening environment in which aggrieved persons will feel comfortable revealing allegations of sexual misconduct. It is a continuing goal of these Procedures to provide an opportunity for a reconciliation and resolution that respects and protects the rights of all parties and that acknowledges the sacred trust between clergy and the persons they serve. They are not intended to supplant or substitute for the formal complaint process set forth in the 2008 *Book of Discipline*. The use of these Procedures is voluntary, and the failure to utilize or follow them is not a chargeable offense nor can it be used as grounds for an appeal of the result of any formal complaint, review, investigation, or trial process.

The implementation of these Procedures shall be under the supervision and control of the Bishop and District Superintendents, who shall have the authority to interpret and apply the Procedures.

STANDARDS OF PASTORAL CONDUCT

Pastors are accountable for their behavior with respect to the emotional, spiritual and physical well-being of persons who come to them for help or over whom they have any kind of authority. Breach of this pastoral relationship through sexual misconduct is unethical and abusive, even when sexual activity is initiated by the person to whom the pastor is ministering. Because of the trust and imbalance of power in such relationships, the person being ministered to must be presumed to be unable to give meaningful consent to any sexual activity with the pastor.

Because pastors often deal with individuals who are emotionally fragile and vulnerable, it is imperative that pastors:

1. be healthy psychologically, emotionally, and spiritually themselves;
2. have adequate preparation and education for helping individuals under their care;
3. have continued supervision in dealing with the inherent risks caused by dependency and/or transference; and
4. have the information necessary to make appropriate referrals.

Pastoral self-discipline requires self-awareness and takes the Christian standards and ordination vows seriously. Personal integrity and mature professional conduct must be brought to all relationships by every pastor in the North Texas Conference. The highest ethic of the pastor similarly prohibits any sexual behavior with a parishioner entrusted to his or her sacred care.

All clergy, single or married, have the responsibility of developing healthy personal relationships. Married clergy have covenanted to nurture and maintain their marriage relationship. When relational or sexual difficulties are present in a pastor's life, appropriate measures to address the difficulties should be taken.

Pastors who are appointed to parishes where there has been alleged sexual misconduct of their predecessor find themselves burdened with the inevitable consequences arising from the misconduct of a colleague. There is a tension between caring for a colleague and caring for the covenant of the pastoral ministry. By "protecting" a colleague, we risk perpetuating a relationship or pattern of abuse and victimization. This compromises the credibility and practice of Christian faith and ministry. Thus the present pastor should take immediate steps, consistent with these Procedures, to address the alleged misconduct.

The procedures for dealing with clergy sexual misconduct place an unfair and unavoidable burden on the victim of such misconduct. It is in the best interest of the church to empower the laity through education and open discussion about what standards of conduct they may expect from their pastors.

DEFINITIONS

For purposes of these Procedures, the following definitions shall apply:

"Sexual misconduct" includes sexual abuse and sexual harassment, as such terms are defined in the Policy Statement. Sexual misconduct may include inappropriate physical contact or verbal behavior, including, for example, behavior that creates a hostile or intimidating environment and the explicit or implicit use of power or authority to coerce someone into sexual contact. Because of the imbalance of power inherent in ministerial relationships, sexual contact between a pastor and someone with whom he or she has a ministerial relationship constitutes sexual abuse even if the other person consents to or initiates the contact. More subtle behavior not involving physical contact may also constitute sexual misconduct. Further discussion and examples of sexual misconduct are included in the brochure entitled "*Maintaining Healthy Relationships: What You Should Know About Clergy Sexual Misconduct,*" prepared and distributed by the Division of Conference Relations of the Board of Ordained Ministry of the North Texas Conference.

An "allegation" is an initial report, either verbal or written, of an alleged incident of clergy sexual misconduct.

A "complaint" is a written and signed statement claiming misconduct, as set forth in ¶361.1(a) of the 2008 *Book of Discipline*.

An "aggrieved person" is a person who has experienced sexual misconduct by a pastor.

The terms "clergy" and "pastor" shall refer to all persons described in ¶361.1(a) of the 2008 *Book of Discipline*, which includes "local pastors, associate members, probationary members, and full members" of the North Texas Conference, "including those on leaves of all types, honorable or administrative location, or retirement."

A "Resource Person" is a trained lay volunteer person made available by the North Texas Conference to assist and support aggrieved persons in bringing an allegation or complaint of sexual misconduct, as more fully described in the North Texas Conference Procedure for Reporting Incidents of Clergy Sexual Misconduct.

The Core Leadership Team is the group given responsibility by the bishop to maintain the Resource Person program and lend guidance and accountability to the North Texas Conference in regards to abiding by the Sexual Misconduct Policies and Procedures.

CONFIDENTIALITY AND REPORTING

Allegations of sexual misconduct should be kept in the strictest of confidence and disclosed only at the times and under the circumstances specifically provided in these Procedures. The spread of such allegations or accusations between colleagues in ministry or within congregations is harmful to the aggrieved person, the accused and to the integrity of the processes outlined in these Procedures and in the current *Book of Discipline*.

However, when clergy sexual misconduct occurs, the protection of victims, both past, present, and potential, requires that the misconduct be reported. Because of the covenant with the church which is an integral part of the pastoral office, it is a pastor's responsibility to call an offending pastor into account by immediately reporting information about sexual misconduct to his or her District Superintendent, the District Superintendent of the accused or the Bishop.

Pastors who become aware of an alleged incident of sexual misconduct by another pastor are to do their utmost to encourage and support aggrieved persons and to assist in the initiation of an allegation as provided in these Procedures. Every allegation of sexual misconduct must be taken seriously, and in no case should a pastor judge the validity of the allegation.

The requirement of confidentiality shall not prevent the Bishop or the District Superintendents from discussing allegations and related information with affected congregations, Staff Pastor-Parish Relations committees or others to whom it is necessary to make such disclosure, in accordance with the *Book of Discipline*, in order to protect actual or potential victims, to promote healing or for other appropriate purposes.

Although truth-telling is essential, respect must also be given to the role of pastors in receiving confessions and the sanctity of confidential relations. Nothing in these Procedures shall be deemed to require or permit a pastor to report or reveal information received in confidence as contemplated by ¶341.5 of the 2008 *Book of Discipline* and relevant decisions of the Judicial Council.

PROCEDURES

When sexual misconduct is alleged against a pastor, persons bringing allegations will be received in a respectful and caring manner. All allegations will be considered worthy of full investigation, with due respect for the presumption of innocence. Care will be taken to deal fairly and promptly with all those involved. This includes the aggrieved and his/her family, the accused and his/her family and the congregation or other institution.

The following procedures are established to facilitate the reporting of allegations of clergy sexual misconduct:

1. Aggrieved persons are encouraged to contact a District Superintendent, the Bishop or the designated representative of the Core Leadership Team. Any of these contacts may refer the aggrieved to a Resource Person. An allegation may be brought by the aggrieved person or by anyone who has verifiable knowledge or reasonable indication of sexual misconduct and is willing to pursue a resolution. This may include, for example, a pastor or lay person in whom the aggrieved person has confided or who has reliable information from other sources about the misconduct.

2. The District Superintendent, the Bishop to whom the allegation is brought or the Resource Person to whom the aggrieved has been referred shall explain these Procedures to the aggrieved person or other person bringing the allegation and advise them that use of the Procedures is not a prerequisite to an aggrieved person's ability to bring a formal complaint.

3. If an allegation is brought initially to a District Superintendent, the District Superintendent shall advise the Bishop that the allegation has been received. If the aggrieved person has not requested a Resource Person and desires one, the Bishop may assign one to assist and support the aggrieved person.

4. The Resource Person assigned shall provide full assistance to the aggrieved person throughout the process, including the following:

a. confirming that the aggrieved person understands these Procedures and the procedures contained in the *Book of Discipline*;

b. verifying and clarifying the allegation with the aggrieved person; and

c. requesting the aggrieved person to prepare, with the assistance of the Resource Person as needed, a written statement of the allegation, which shall include a description, in reasonable detail, of the alleged sexual misconduct and related events, circumstances, and dates.

5. If a complaint is forwarded to the Bishop or a District Superintendent, ¶361 of the 2008 *Book of Discipline* shall determine the process to be followed. These Procedures are not intended to limit in any way the actions the Bishop or District Superintendents may take in connection with their supervisory response to a complaint of sexual misconduct or to impose any duties on them inconsistent with the 2008 *Book of Discipline* or relevant decisions of the Judicial Council. The Resource Person may continue to assist and support the aggrieved person throughout the complaint process and may attend all meetings held in connection with the process.

6. Strict confidentiality shall be maintained before, during and after the conduct of the process outlined in these Procedures, and information regarding allegations shall be disclosed only in such manner and to such persons as specifically provided herein.

7. Because of the pain and disruption that necessarily accompany sexual misconduct, it may be necessary for certain actions to be taken following the conclusion of the processes outlined in these Procedures and in the 2008 *Book of Discipline*. The Bishop and District Superintendents are encouraged to take or require such actions as they deem necessary and appropriate in their best judgment, which actions may include, for example, processes for healing within the affected congregation or institution, further resolution of unresolved conflicts and support or counseling

for aggrieved persons or accused pastors.

These Procedures establish a process for reporting incidents of sexual misconduct by any pastor (as defined above). They are not designed to address allegations or complaints of sexual misconduct by the Bishop or a District Superintendent. Persons who believe they have been affected by sexual misconduct by the Bishop or a District Superintendent may contact one of the Resource Persons for information and assistance in bringing a complaint in accordance with procedures contained in the current *Book of Discipline*.

RESOURCE PERSONS ON THE ISSUE OF SEXUAL MISCONDUCT

Resource Persons are volunteer laypersons who have been trained to provide assistance to persons who believe they have been victims of clergy sexual misconduct. Resource Persons represent the interest of aggrieved persons at all times and shall support the aggrieved persons throughout the process. Resource Persons are expected to work cooperatively with the Bishop, the district superintendents and the Core Leadership Team.

Resource Persons shall be the initial point of contact with those procedures for any persons who desire to use them. A Person who believes that s/he may have been the victim of clergy sexual misconduct need not register an allegation or complaint and does not have to identify her/himself when requesting a Resource Person and making an initial contact.

Functions performed by Resource Persons shall include:

1. Explaining the church's processes and procedures
2. Providing resources and referrals
3. Helping the aggrieved person prepare a written summary of the allegation and if necessary, a formal complaint when requested by the aggrieved person.
4. Accompany the aggrieved person to meetings held in connection with the Procedures or in connection with the complaint process as allowed in the current *Book of Discipline*.
5. Calling to attention of the Bishop and the Core Leadership Team any hostile, vindictive, or insensitive situations that arise during the process or any failure to properly follow the Procedures or the complaint process outlined in the current *Book of Discipline*.
6. Giving feedback to the Core Leadership Team regarding the process.

CORE LEADERSHIP TEAM

Under the direction of the Bishop or persons acting at the Bishop's direction, the Core Leadership Team shall have the authority and responsibility for administering the Resource Person Program, to recruit volunteers to serve as Resource Persons, to provide training and continuing education for Resource Persons, to provide annual training for the chairpersons of Staff Parish Relations Committees of the North Texas Annual Conference, and to broadly disseminate and make readily available information about the Resource Person Program.

RECRUITING AND TRAINING OF RESOURCE PERSONS

The Core Leadership Team recruits individuals to become Resource Persons who are known to have the qualities needed for this sensitive volunteer role. The Core Leadership Team delegates one of its members to speak with the district Superintendent of the applicant's home church prior to

discussing the invitation with the individual. Then the Core Leadership Team invites the individual to complete an application form, which includes education, work history and an authorization for a criminal background check. All applicants are interviewed by a subcommittee of the Core Leadership Team prior to being recommended to the Bishop, who writes a letter appointing the Resource Person.

The North Texas Conference is committed to the continuing education and proper training of Resource Persons. Initially, Resource Persons shall attend training recommended and planned by the Core Leadership Team, which will include the following areas:

1. roles and expectations of the Resource Person(s);
2. local organization of the United Methodist Church;
3. leaders and their leadership positions in the North Texas Conference;
4. church and community resources;
5. the North Texas Conference Policy Statement on Sexual Misconduct and Procedures for Reporting Incidents of Clergy Sexual Misconduct; and
6. The *Book of Discipline* and relevant Judicial Council rulings.

The Core Leadership Team will maintain contact with the Resource Persons and offer periodic education and training.

3. EDUCATION WITHIN THE CONFERENCE RELATING TO SEXUAL MISCONDUCT

DISSEMINATION OF POLICIES AND PROCEDURES

The Bishop, District Superintendents, and Resource Person(s) shall each have a copy of and thoroughly know the Policy Statement on Sexual Misconduct, Procedures for Reporting Clergy Sexual Misconduct in the North Texas Conference and be responsible for distributing such Policy and Procedures to clergy and local church chairs of Staff Parish Relations Committees, Administrative Councils, United Methodist Men, and United Methodist Women annually as these persons are elected. The clergy and the chair of the Staff Parish Relations Committee of every local church in the North Texas Conference shall have a copy of and be familiar with the Policy Statement on Sexual Misconduct, Procedures for Reporting Clergy Sexual Misconduct in the North Texas Conference and the complaint process outlined in the current *Book of Discipline*.

The Policy and Procedures of the North Texas Conference will be available to anyone who requests a copy.

Local churches will make available to their congregations copies of the brochure entitled "Maintaining Healthy Relationships: What You Should Know About Clergy Sexual Misconduct" and publish the name and telephone numbers of the District Superintendents and Core Leadership Team contact (s). Throughout the year, copies of the brochure will be placed in accessible locations within local churches. (An electronic copy of the brochure can be found on the North Texas Conference website at http://www.ntcumc.org under Clergy Ethics.)

TRAINING AND EDUCATION

The North Texas Conference shall provide annual training to educate the clergy and laity about the complaint process in the event of allegations of sexual misconduct and to heighten awareness of the clergy and laity about the seriousness of the problem of sexual misconduct, thereby aiding in the prevention of this problem in our local churches.

The goals of the training include the following:

1. to explain the abuse of power and dynamics of trust in abusive relationships;
2. to provide behavioral definitions of sexual abuse and sexual harassment;
3. to describe the impact on the victim, the perpetrator, the families, and the church;
4. to explain the Policy and Procedures of the North Texas Conference and the United Methodist Church regarding sexual misconduct;
5. to explain legal responsibilities regarding minors;
6. to introduce the Resource Person(s) and clarify their role;
7. to define the risk to church vitality, attendance and giving, liability to individuals, congregations, and the annual conference;
8. to discuss the importance of healing and how the church is an agent in the healing process;
9. to explain the need for preventative measures;
10. to discuss the importance of local church policies and procedures addressing issues of sexual misconduct;
11. to distribute copies of the brochure entitled "Maintaining Healthy Relationships: What You Should Know About Clergy Sexual Misconduct," and to explain its purpose and educational use; and
12. to provide resources for local churches

Training will be provided separately for clergy and laity. Professionals from the General Commission on the Status and Role of Women and/or others trained and knowledgeable about the issues of sexual misconduct will conduct the training.

The Board of Ordained Ministry, specifically the Committee on Conference Relations and the Residency Committee (who may choose to seek help from the chairs of the Order of Deacons, Order of Elders, Fellowship of Local Pastors, Fellowship of Diaconal Ministers, the Core Leadership Team and/or the Cabinet), will be responsible for planning and organizing the training for clergy and diaconal ministers. Pastors and diaconal ministers from every local church or charge in the North Texas Conference and those in extension ministries and the District Superintendents will receive an announcement regarding the clergy training. Clergy and diaconal ministers will be expected to attend training a minimum of once every four years. Particular attention will be given to insuring the training of new pastors in the conference (through the residency program and district training events).

With the help of the Board of Laity, and the District Superintendents, the Core Leadership Team will offer training to the laity through the District Training events in January.

4. RESPONSIBILITY OF THE LOCAL CHURCH

Each local church shall establish its own policy statement on sexual misconduct, consistent with the *Book of Discipline* and the policy statement of the North Texas Annual Conference, and shall establish guidelines and procedures for resolving incidents of sexual misconduct by persons other than clergy, including paid staff, counselors, lay volunteers and others.

5. PRIORITY OF THE BOOK OF DISCIPLINE

If any provision of these Procedures is in conflict with the 2008 *Book of Discipline*, the current *Book of Discipline* shall prevail.

G. MISCELLANEOUS

1. *Conflict of Interests*. In order to avoid conflicts of interest, the following rules shall apply:
a. No one shall be a voting member of an Agency who is in the salaried employment of an institution that receives support from that Agency.

b. No member of an Agency shall participate in that Agency's deliberation of or vote on a proposed grant to his or her local church.

c. Each member of an Agency shall disclose to all other members of that Agency all potential conflicts of interest in which they find themselves placed because of church, business, or personal relationships with persons affected by the decisions of the Agency.

d. No clergy member or diaconal minister member of this Annual Conference who is a salaried employee of any institution to which this conference contributes shall be a member of the board of trustees of the institution by which that person is employed.

2. *Local Church Officers*. The term of office of local church officials elected by the Fall Charge Conference shall begin on January 1 and run for the length of their term.

3. *Amending or Suspending Standing Rules*. It shall require a two-thirds vote of all lay and clergy members present and voting to suspend or to amend any of these Standing Rules.

III. PROCEDURES FOR MEETINGS OF THE ANNUAL CONFERENCE

A. PRE-CONFERENCE PROCEDURES

1. *Lay-Clergy Equalization*. The following formula is the procedure used to determine the number of lay and clergy members of the Annual Conference.

a. Subtract the total number of lay members prior to equalization from the total number of clergy members. In making this calculation, the lay members required by section III(A)(1)(c) below shall be included. These people are described in section (c) below. The remainder is the Lay Equalization Factor (LEF).

b. Compute the District Membership Percentage (DMP) for each district as follows. If a district has *more* lay members than clergy members prior to equalization, subtract the number of local church members in this district from the total of local church members for the Annual Conference. Such districts will not compute a DMP. The resulting number is the Adjusted Lay Membership (ALM). Next, for each district that has *fewer* lay than clergy members, divide the total number of local church members in each district by the ALM. The resulting quotient is the DMP for that district.

c. The *Book of Discipline* provides that certain persons shall be lay members to Annual Conference. According to &32 of the 2008 *Book of Discipline*, these are: President of United Methodist Women; President of United Methodist Men; Lay Leader; District Lay Leaders; President of the Council on Youth Ministries; and two young persons under twenty-five years of age from each district. In addition, all Diaconal Ministers who are in

full-time service appointment, all members of the Core Leadership Team not otherwise provided for, and all elected Chairs of Agencies of the Annual Conference not otherwise provided for are lay members of the Annual Conference with voice and vote. These persons shall be elected to the lay membership of the Annual Conference by the District Section.

d. For each district with fewer lay than clergy members, multiply the LEF by the DMP. The product is the District Adjusted Lay Equalization Factor (DALEF). The DALEF is the number of additional lay members to be elected by the District Section to achieve lay/clergy equalization. Districts with more lay than clergy members do not calculate a DALEF.

e. The DALEF shall be computed as of January 1. The equalization lay members shall be elected by the lay members present at the District Conference from nominations made by the District Lay Leader, the District Superintendent, and the Lay members of the District Nominating Committee. Nominations may also be made from the floor of the District Section.

f. If the actual number of clergy in the Annual Conference increases after January 1, the District Lay Leader of a district in which the imbalance occurs shall select lay member(s) from within the district to equalize the increase of clergy members.

g. If the formula fails to compute the exact number of additional lay persons per district to equalize lay and clergy numbers (due to the use of fractions in calculations), the Board of Laity shall be authorized to correct the imbalance through negotiation.

h. After the DALEF has been determined, the Board of Laity as a courtesy may rearrange among districts the number of lay members to be elected, in order that a district that has more lay members than clergy prior to equalization may elect additional lay members in its District Section.

i. Lay members elected under an equalization process by the District Section shall take office immediately and shall serve until the District Section elects lay members for the succeeding year.

2. *Election of Local Church Lay Members to Annual Conference*. The lay members to the Annual Conference may be elected annually or quadrennially at the Charge Conference preceding the regular quadrennial meeting of the General Conference. The term of office of lay members to Annual Conference shall begin on January 1 after their election at the Fall Charge Conference. If, for any reason, the Charge Conference is delayed until after January 1, their term of office shall begin immediately upon election.

3. *Notice of Legislative Items*. Agencies shall submit reports and legislation to the conference office in the form requested no later than April 1 for inclusion in the *Conference Workbook*. Any Annual Conference member or Agency may initiate legislative items at Annual Conference concerning matters which are not part of the *Conference Workbook* only if they are duplicated and distributed to Annual Conference members by the beginning of the day they are to be considered. This rule shall not be construed so as to preclude proper subsidiary motions or privileged motions.

4. *Proposed Amendments to Standing Rules*. In order that the Standing Rules Committee have time to consider proposals and forward them to the conference office by the April 1 deadline, proposed new standing rules and proposed changes in existing standing rules shall be submitted to the Standing Rules Committee no later than March 1.

5. *Notice of Procedural Rules*. Each year, the charts entitled "Common Motions: Ranking and Requirements (by function)" and "Motions: Ranking and Requirements (by rank)" shall be included in the Pre-Conference Workbook.

B. RULES OF ORDER FOR ANNUAL CONFERENCE SESSIONS

1. *Purpose of Rules of Order*. These rules of order are intended to allow the orderly consideration of the business of the Annual Conference, extend courtesy and fairness to all, ensure the right of the majority, protect the rights of the minority, and defend the rights of individual members.

2. *Definitions*. As used in these Standing Rules, the following definitions shall apply.

a. Adjourn. End a meeting officially. Adjournment is accomplished either by direct majority vote or by unanimous consent.

b. Agenda. List of items of business that the members of Annual Conference will consider. An agenda has a specific arrangement and content.

c. Amend. Change a resolution or motion by adding, striking out, or substituting a word or phrase.

d. Appeal. A question that occurs when a member of Annual Conference questions (appeals) a decision by the presiding bishop because the member believes that an error in procedure has occurred. An appeal must have a second. The decision of the presiding bishop is sustained by a majority vote or a tie vote.

e. Call for orders of the day. A motion that brings to the presiding bishop's attention the fact that a specific item of business was due to come up in the meeting at a specified time.

f. Dividing the question. Separation of the parts of a motion to be considered and voted on as if they were separate motions.

g. Floor. The right of a person to address the Annual Conference and have the members' undivided attention.

h. Main motion. Method of introducing new business to the Annual Conference session. Only one main motion can be under consideration at a time.

i. Majority. More than half of the members present and voting on an issue. Those who do not vote are not counted in the final tally.

j. Motion. Proposal for action by the Annual Conference. A motion is introduced with the words, "I move that _____," (with the wording intended to become the Annual Conference's official statement of action taken if the motion is passed).

k. Parliamentary inquiry. A request for an immediate answer to a question concerning the rules of procedure. It is directed to the presiding bishop.

l. Point of information. A request directed to the presiding bishop for an immediate answer to a question concerning the background or content of a motion or resolution. The information requested does not pertain to procedure.

m. Point of order. A point raised against any proceeding or motion that the member believes is a violation of the rules. It must be raised at the time of the alleged infraction. The presiding bishop rules on the validity of the point of order. This ruling can be appealed.

n. Precedence of motion. Claim of a motion to the "right of way" over another motion. The attached charts summarize the precedence of various motions.

o. Presiding bishop. The Bishop of the North Texas Annual Conference, or another bishop designated by that Bishop, shall preside over sessions of the Annual Conference.

p. Previous question. Motion to close debate and vote immediately on a motion. Moving the previous question requires a second, is not debatable or amendable, and needs a two-thirds vote for adoption.

q. Question of privilege. If there is something wrong with the physical surroundings or a situation arises that affects the rights of the entire assembly, any individual member can interrupt the motion under consideration to bring the matter to the attention of the presiding bishop. If the situation cannot be resolved informally, then the presiding bishop rules on whether the matter is a question of privilege and should be considered before business is resumed.

r. Reconsider. Motion to review a previous decision and vote on it again. It must be made by a person who voted on the prevailing (winning) side, and it requires a majority vote. Reconsideration may not be moved more than once on the same motion.

s. Second. Indication that a member wants a motion discussed by the members. The member says, "I second the motion" or "Second."

t. Table. Motion to place a main motion and all pending amendments aside temporarily, with the intention of bringing them back at a later time for action. Tabling a motion requires a second, is not debatable, cannot be amended, and requires a majority vote.

u. Take from the table. Motion to bring a previously tabled motion back before the Annual Conference. It requires a second, is not debatable, cannot be amended, and requires a majority vote.

v. Two-thirds vote. This occurs when there are twice as many people voting "Yes" as those who are voting "No."

w. Withdraw a motion. Take back a motion one has made. A person may withdraw a motion by merely requesting to do so up until the time it is stated by the presiding bishop.

After the presiding bishop has stated the motion, the person who made it can withdraw it only by the consent of the members.

3. *Order of Business.* The order of business of the meeting of Annual Conference shall be determined by the Annual Conference Planning Committee, which shall set an Agenda. The session shall open with a period of devotion, followed by a call of the roll, including the roll of the local pastors.

4. *Authority of the Presiding Bishop.*
Calling the Conference to order. When the presiding bishop stands in his or her place and calls the Annual Conference session to order, no member shall speak, address the chair, or stand while the presiding bishop stands.

Raising points of order. Any member of Annual Conference may raise a point of order. In order to do so, the member must cite specifically the rule he or she judges to have been violated.

Ruling on points of order. The presiding bishop shall decide points of order, whether raised by a member or by the presiding bishop, as necessary to conform to these Standing Rules.

Appealing a ruling on a point of order. Any member may appeal a decision on a point of order to the Annual Conference. In the event of such an appeal, there shall be no debate. However, the presiding bishop shall have five minutes to make a statement in support of his or her position, and then the person appealing shall have five minutes to make a statement in support of his or her position. Following the statements, the Annual Conference shall vote on the appeal; a tie vote shall sustain the presiding bishop.

Recessing the session. The presiding bishop shall have the right to recess a session of the Annual Conference at any time at his or her discretion and to reconvene at such times as he or she shall announce.

5. *Opening a Question for Debate.* Before any subject is open to debate, three things must happen. First, a member must actually make a motion that the Annual Conference consider a particular issue. Second, in most instances, the motion must also be seconded. (Calls for orders of the day, calling a member to order, Agency recommendations, nominations, parliamentary inquiries, points of information, and withdrawal of motions do not require a second.) Third, the presiding bishop must restate the motion. For example, the presiding bishop may say, "A motion has been made and seconded that _____. The motion is open to debate."

6. *Obtaining the Floor.* When a member desires the floor, he or she shall proceed to a microphone and wait to be recognized by the presiding bishop. Each speaker should begin by stating his or her name and the church, charge, or other entity he or she represents. A member with the floor may be interrupted only to call for orders of the day, a point of order, a point of information, a parliamentary inquiry, or an appeal of the decision of the chair. A person who cuts off another speaker must state the reasons for the interruption. It is the sense of the Annual Conference that a speaker with the floor should not be interrupted, even for these listed reasons, unless the issue cannot wait until the speaker yields the floor.

7. *Limits on Speakers.* A member may speak for up to five minutes at one time on any question under discussion and only twice on the same question. No member shall speak for the second time until all members seeking recognition have had the opportunity to speak. The Annual Conference, by two-thirds vote, may change the rules about how often and how long members can speak during a debate.

8. *Types and Precedence of Motions.* There are four main types of motions: (1) main motions; (2) subsidiary motions; (3) incidental motions; and (4) privileged motions. Each type of motion accomplishes a different purpose and is treated differently.

a. *Main motions.* A main motion introduces a new item of business. Only one main motion can be considered at a time. Generally, main motions are secondable, debatable, amendable,

require a majority vote, and can be reconsidered.

b. *Subsidiary Motions*. Subsidiary motions are motions applied to other motions to help the members dispose of the main motion. Here are the five subsidiary motions: table; previous question; postpone to a certain time; refer to Agency or committee; amend. These subsidiary motions fit into an order of precedence. This means that some subsidiary motions take precedence over others, and all subsidiary motions must be decided before the members can act on the main motion. This is the order of precedence for the subsidiary motions: 1) to table; 2) to move the previous question; 3) to postpone to a certain time; 4) to refer to committee; and 5) to amend. You can make any of these subsidiary motions when a lower order motion is on the floor, but you cannot make a subsidiary motion if a higher order one is being considered.

c. *Incidental Motions and Inquiries*. Incidental motions must relate directly to the business on the floor. Incidental motions take precedence over all other motions except privileged ones. They are: appeals; divisions of the question; and suspending the rules. In addition, incidental inquiries are proper and have precedence over main and subsidiary motions. Parliamentary inquiries, points of order, and points of information fall into this category. All three are answered by the presiding bishop.

d. *Privileged Motions*. Privileged motions are different from subsidiary and incidental motions, because they do not deal with business on the floor. Rather, they deal with special matters of pressing importance. The three privileged motions (in order of precedence) are: adjourning, questions of privilege, and orders of the day.

The attached charts set out the precedence of motions and specify which motions need a second, which can be debated, which can be amended, and what vote is necessary for passage.

9. *Tabling Related Motions*. No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

10. *Referring Matters to Agency*. It shall be proper for the Annual Conference to refer to an Agency or specially created committee a motion, resolution, report, or a part of a motion, resolution, or report which is before the Annual Conference for consideration, or any amendment offered thereto.

11. *Substitutes*. When a motion, resolution or Agency report is properly before the Annual Conference for consideration and action, even if amendments have been proposed, a substitute motion, resolution, or report may be offered by any member moving that the same be substituted for the report or resolution under consideration. The Annual Conference shall then proceed first to perfect the original motion, resolution or report, including consideration and action upon any amendments which may be offered to it. The same perfecting process shall then be followed with respect to the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the motion, resolution, or report. However, a motion for the previous question shall not be in order on the adoption of the report or recommendation or on making the proposed substitution until opportunity has been given for at least two members to speak on each side of the question of substitution or adoption.

12. *Moving for a Vote on the Previous Question*. No member may call for a vote on the previous question until at least three members have been given the opportunity to speak on each side of a

question. When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), that member shall indicate the question to which they intend it to apply. If the movant does not so indicate, the motion shall apply only to the immediately pending question. A motion for a vote on the previous question is not debatable. It requires a vote of two-thirds of those present and voting for its adoption. If the motion for a vote on the previous question passes, the vote shall be taken on the previous question without further debate.

13. *No Motion After Speech*. It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

14. *Reconsideration*. A motion to reconsider an action of the Annual Conference shall be in order at any time, but only if offered by a member who voted with the prevailing side. If the motion proposed for reconsideration is non-debatable, the motion to reconsider may not be debated.

15. *Voting Generally*. Voting rights shall be governed by the *Book of Discipline*. Voting procedures shall be determined by the Annual Conference Planning Committee, depending on the technology available at the site of the Annual Conference session. If the method generally used is not already secret, a vote by secret ballot may be ordered on call of any member, supported by one-third of the members present and voting. No other business shall be in order when a vote is being taken or when the previous question has been called until the voting process is completed, except such as relates to the vote itself, or business that can be appropriately fitted into the time while waiting for the report on the vote.

16. *Dividing the Question*. Before a vote is taken, any member shall have the right to call for a division of any question, if it is subject to such division as they indicate. If no member objects, the division shall be made. If any member objects and is seconded, the presiding bishop shall put the question of division to vote.

17. *Robert's Rules of Order*. Questions of procedure not answered by these Standing Rules shall be determined in accordance with *Robert's Rules of Order Newly Revised (2000)*, except when they are inconsistent with these Standing Rules or the *Book of Discipline*.

CORE LEADERSHIP TEAM

The creation of the Core Leadership Team was a key ingredient of the Strategic Plan approved by the North Texas Conference in June 2010 (See diagram). The purpose of the Core Leadership Team is to oversee the implementation of the decisions of the Annual Conference, working through the four Centers in accordance with the mission and strategic priorities. The Core Leadership Team is responsible for planning, setting goals and coordinating actions to address the priorities of the strategic plan. It holds the Center Directors and conference groups accountable for fruitfulness in these priorities.

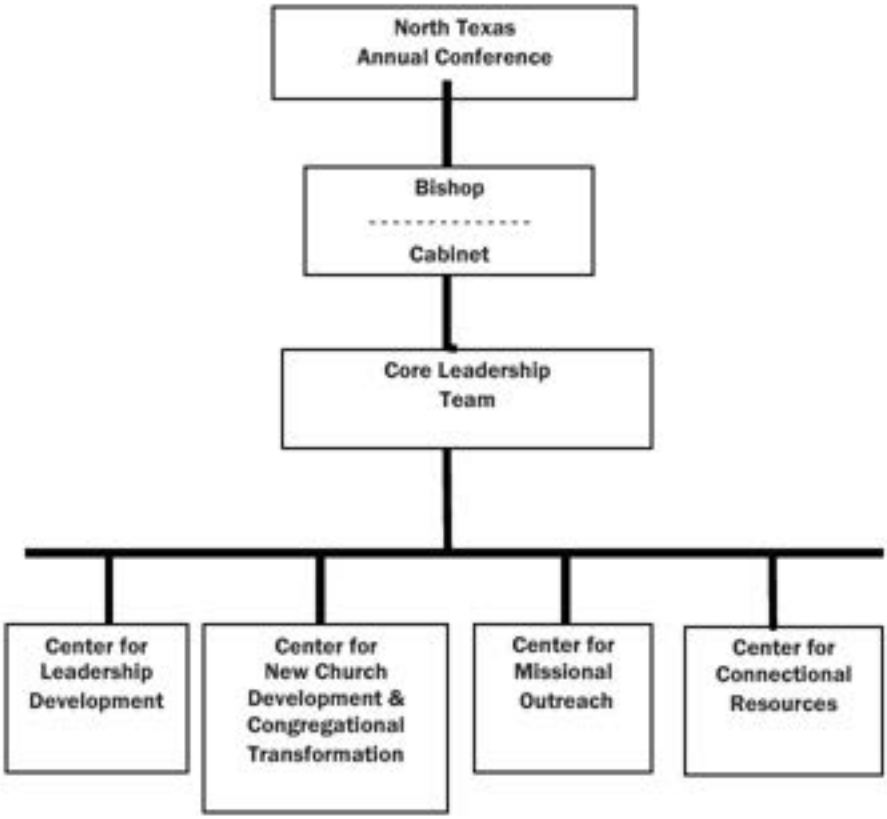
The Core Leadership Team is convened by Bishop Bledsoe and includes:

Conference Lay Leader - Richard Hearne
Lay member elected by each district - Alfred White - North Central, Thalia Matherson – Metro, Tom Talbert – East, Linda Parks - Northwest
Three at-large members appointed by the Bishop- Levy Laguardia, Ruth Robinson, Jan Davis
One District Superintendent - Milton Guttierrez
The Center Directors – Marvin Guier, Keith Boone, Jim Ozier, Larry George
Also attend: Sheron Patterson, Director of Conference Communications and John Croft Conference Chancellor

The Core Leadership Team has made progress toward reaching the strategic goals this first year. They acknowledge that there still is much work to do, but are confident they have made a strong beginning. The development of the four conference centers, appointment of new leaders and realignment of resources has enabled the progress.

The Core Leadership Team convened six times in the past year, at different locations around the Annual Conference. The meetings are open to anyone. Frequently members of the Annual Conference attend to observe the proceedings. The CLT has witnessed the birth of the centers and helped them launch plans to reach established goals. The Core Leadership Team defined the following core values to guide their work:

Faithful Integrity
Joyful Commitment
Loving Service



CENTER FOR LEADERSHIP DEVELOPMENT

www.ntcleadingfromthecenter.org

The Center for Leadership Development (CLD) exists to help clergy and laity live into God's call to live out our mission "to make disciples of Jesus Christ for the transformation of the world." As the CLD forms clergy and laity, young and diverse, principled Christian leaders, they will be sent to transform the church and the world. "*Leading from the Center*" has been adopted as our branding. Leading from the Center essentially conveys whatever or whomever you have placed at the center of your heart, mind, soul and body which informs the way you lead. We all lead from our center. We affirm that Christ Jesus is the center for developing principled Christian leaders. The CLD provides opportunities to grow Godly leaders even as we seek young and diverse leaders for God.

From its inception the CLD has been forming teams comprised of laity and clergy to dialogue, vision and implement disciple making ministries to transform individuals, local churches and communities. We have been blessed with numerous laity and clergy who have offered their "gifts

and grace" by forming collaborative teams (platforms) to advance the cause of Christ through leadership development. (***Appendix 1***)

CLD Advisory Team – A CLD Advisory Team has been established to guide the work of the CLD Staff giving direct feedback, visioning, planning, and working on procedures and protocols. Members of the CLD Advisory Team include: Rev. Billy Echols-Richter, Navolia Bryant, Rev. David Lessner, Rev. Edgar Bazan, Dale Cherry, Rev. Lisa Greenwood, Lisa Tichenor, and the CLD Staff.

Platforms

1) Faith Formation

There is a platform for all age-level ministries under Faith Formation, which include Children, Youth and CCYM, Camping and Retreat, along with Campus Ministries. With the new alignment, these ministries have been just as active as ever.

Children:

The Children's Directors of the North Texas Conference have been meeting monthly throughout the school year at various churches within the conference. Under the leadership of Allyson George, the average attendance is 17, where they are connecting, sharing ideas and encouraging one another at each gathering. Another notable celebration is that at the February Children's Ministry Forum in San Antonio, the North Texas Conference was represented with the second largest group in attendance with over 10 churches and around 25 Children's Directors. Children's Directors who would like to join this network group should contact Allyson George at ageorge@fumcr.com .

Youth/CCYM:

Highlighted are a few programs and events that nurture the transformative work of developing principled Christian leaders, young and diverse:

Annual Conference 2010

At Annual Conference 2010, there were 15 CCYM (Conference Council on Youth Ministry) youth who attended. Their presence was welcome and celebrated by all in attendance. CCYM has taken the initiative to make this a yearly occasion; because they understand they are not only the church of tomorrow, but the church of today.

Jurisdictional Youth Ministry Organization 2010

Last summer, the North Texas Conference had 32 youth attend JYMO, the Jurisdictional Youth Ministry leadership event. This event gathers youth from around the Jurisdiction for leadership training.

ZOE Hope Walk

CCYM assisted in the planning of the ZOE Hope Walk in December 2010, which brought together youth from around the conference for an overnight lock-in to support ZOE ministries. The best part of the event was the opportunity to Skype with ZOE orphans in Africa. The youth also connected via Skype with others in sites in the United States who had the common goal of raising funds and awareness for the ministry.

Midwinters 2011

The theme for the Conference Youth Midwinter retreats in 2011 was "live faith, imagine hope, and love like crazy." In spite of the weather conditions, the two Midwinters yielded over 400 students to a time of learning and growing.

Youth Annual Conference 2011
The annual event is held as an opportunity for youth from all over the Conference to come together and claim leadership for ministry. Over 95 youth leaders attended YAC with the focus on the core value of Outreach with the theme *If We Are the Body*.

Future Dates and Events for Youth
Youth 2011 – July 13-17, 2011
Midwinters 2012- January 27-29, 2012 and February 17-19, 2012
Youth Leadership Conference 2012 – March 2-4, 2012

Youth and Youth Leaders are encouraged to connect with others in the Conference. If you or your church would like more information about Youth and CCYM programs or events, please contact the CCYM Coordinator Georgia Harrison at georgia@mcyouth.org

C2K:

Connect 2 The Kingdom www.c2kdallas.org is a ministry of The Conference Council on Youth Ministry (CCYM) who provide governing oversight and direction for Urban Mission opportunities. C2K is located on the beautiful campus of **Tyler Street UMC** in Oak Cliff in a two-story building directly across from the sanctuary. C2K has the capacity to house **48** people in bunk beds and provide **6** showers and a full kitchen. Summer weeks, C2K provides full mission oriented programming for weekly groups run by a trained team of interns who live on campus. Work includes: reading with children through **Project Transformation** in the mornings, working on housing through **People Helping People, City of Dallas**, and through painting and repair of over 30 UMC buildings in the Dallas area. Teams work for 4 days, are fed 3 delicious meals a day, are provided with opening and closing worship services, daily curriculum to process the experience, and 2 nights of group building games and activities. In non-summer weeks, C2K provides meeting space for training, overnight accommodations, and connection to various urban mission projects with the support of supplies and equipment. C2K has become the number 1 serving organization over time with the City of Dallas for helping to provide year-around volunteers for the People Helping People program. In addition, C2K hosts 2-3 NTX **CCYM** retreats per year as well as 2-3 **South Central Jurisdiction UMC Youth Team** (JYT) meetings per year.

In the summer of 2010 we served over 15 families, hundreds of children, and 5 churches with the help of over 200 team members from all over the South Central Jurisdiction. The summer of 2011 will mark the 10th year since FUMC Richardson and FUMC Dallas in partnership with Tyler Street UMC started the summer venture aimed primarily at Junior High Youth but open to mixed age groups, High School and College as well as Confirmation Retreats and Adult Leadership retreats throughout the year.

Campus Ministry

An Overarching Vision for Campus Ministry is to realign resources to eventually develop a national campus ministry incubator in the North Texas Conference utilizing the assets of our Wesley Foundations and partnering with Perkins and/or Brite Divinity to develop younger, more diverse, principled Christian leaders and disciples of Jesus Christ who transform the world. Also in the vision is to reach out to create more opportunities for Campus Ministry, in partnership with churches and individuals to bring this vision to reality. There is serious conversation to embrace SMU Wesley Foundation as a ministry belonging, nurtured, and resourced by the NTC.

The work of Campus Ministry is celebrated within the Conference as they strive to develop younger, more diverse, principled Christian leaders and disciples of Jesus Christ who transform the world.

UNT/TWU – DWF is the light of Christ shining brightly throughout three campuses in the Denton area. They hold a worship service on Tuesday nights that reaches over 140 students. On average they serve 125 students with their free lunch on Thursdays. In addition, they are educating students on the campus about the various mission projects that burn the heart of the United Methodist Church (including; Heifer Project, Domestic Violence Awareness, No More Malaria, etc.).

Texas A&M Commerce – Wesleyan Campus Ministry is being the salt of the earth throughout Texas A&M University-Commerce. They live by the mission of making disciples of Christ by Connecting, Growing and Serving. These three areas of focus are what make the ministry vital on the campus. By "connecting" they serve over 100 students a week through the Wednesday and Thursday lunch program. With "growing" they provide bible study/small group opportunities on Wednesday nights to over 25 students. And by "serving", WCM has a presence in the Commerce and campus community assisting with mission projects.

Midwestern State University- MSU is building lasting relationships on the campus in Wichita Falls. As a result of these relationships, they have gained inroads to have access to shepherd new international students on the campus. This rich diversity provides an opportunity to be an influential place for all students on the college campus as they seek to nurture their faith. This is beneficial for the viability of this ministry's ability as they serve over 140 students on a weekly basis through their lunch program and other ministry events.

Paris Junior College – Wesley Campus Ministry is demonstrating the service of Christ through the act of providing hot lunches to the students on the campus of Paris Junior College. They have created a partnership with the local Habitat for Humanity chapter to paint homes in the area that are in need. In addition, they are campaigning for Imagine No Malaria by collecting change and bringing awareness to the students. They live by the mission of "Feeding Mind, Body and Soul."

The forward view of Campus Ministry in the North Texas Conference is one of great excitement and expectation. The CLD in concert with the Wesley Foundation Directors/Campus Ministers will develop a comprehensive Campus Ministry Plan for the North Texas Conference. This will include but is not limited to: 1) explore and identify characteristics/benchmarks of fruitful ministry on campuses 2) develop and implement a fair and faithful system of mutual accountability 3) equip and train local campus ministry boards and campus ministers 4) review and realign funding for existing campus ministries, which could include partnerships with congregations where students/campuses are in their mission field 5) extend the reach of campus ministry to students on campuses without a United Methodist presence.

As the work of the comprehensive plan is further developed, more information will be vetted with the Core Leadership Team, with the final plan presented at the 2012 Annual Conference.

Children, Youth and SEEK Camping at Bridgeport

Children, Youth and SEEK Camps experienced another great year in 2010. All Children, Junior High and Senior High Camps had a unified theme and curriculum for the second year,

which creates a better camping experience and more efficient planning on the parts of the Camp Directors.

A highlight of camping season 2010, welcomed campers to the new Creekside Cabins, which were completed in late June 2010. This cabin is a duplex style cabin that can house 32 campers and 4 counselors. It also has two large covered porches and a community room for gathering and meeting. The new Creekside Cabin increases Bridgeport's capacity for SEEK Camp by 16 more campers! Along with the Creekside Cabins, other improvements occurred: Martin Hall received a much needed upgrade to the heating and cooling system. All HillTop Cabins received new mattresses and were painted. South Cabin interiors were painted, and the main water line was replaced.

Below are the overall 2010 highlights from Children, Youth and SEEK Camps:

- Total Campers and Volunteers participating: 2,273; with overall Camp participation showing a slight decline from 2009
- Children's Camp Sessions grew by 73 campers and still had waiting lists.
- Senior High Camps participation was down by 82 campers
- Junior High Camps participation was down by 40 campers
- SEEK Camps stayed steady with enrollment and long waiting lists
- Project Transformation camp also stayed steady with a full camp.

For more information about the great opportunities at Bridgeport Camping and Retreat Center, please contact Executive Director Trueman Hoffmeister at trueman@bridgeportcamp.com or visit their website www.bridgeportcamp.com

2) Congregational Assessment, Resource and Transformation (CART) Teams

The CLD is a resource for District Superintendents, clergy and congregations of the NTC in the midst of crisis or conflict. Congregational Assessment, Response and Transformation (CART) Teams are equipped to assist District Superintendents, clergy and congregations move through the difficult work of grief, anger, mistrust, loss and change.

The CLD has the responsibility to provide trained and skilled teams of clergy and laity to engage congregations in crisis or in conflict. With the incorporation of the members from the former Bishop's Committee on Sexual Ethics and other individuals gifted and educated in this area, both laity and clergy, the work of the CART Team will be embraced to begin the work of healing and transformation within congregations in the Conference.

The initial process follows the procedures and protocols set forth in the 2008 Book of Discipline to establish clear and concise boundaries of consultation, conversation and resourcing. The Bishop and Cabinet in consultation with the CLD Director determine when a CART Team is deployed, the scope of work, specific outcomes and the context for confidentiality for all parties involved during the process.

It is essential to differentiate between a crisis situation and a conflicted situation. A ***crisis*** by definition is something that arises in a congregation over which they had no control, i.e., the illness or death of a pastor; sexual, fiscal or immoral misconduct by the pastor, a staff member (clergy or lay), or a key individual in lay leadership. With regard to alleged sexual misconduct the CLD will provide a resource person to walk alongside an aggrieved person for support and information regarding the process. Under the direction of the Bishop and the NTC Cabinet the CLD may send a CART Team to assess, respond and minister to individuals, small groups and/or the entire congregation. The CLD will pay for the assessment and response plan at no cost to the congregation. The main task of the CART Team in a ***crisis*** situation is to provide spiritual care in

the midst of grief, anger, loss or broken trust. A caring, listening, compassionate response is the modus operandi for a CART Team involved with congregational ***crisis***.

A congregation in the midst of ***conflict*** does have a share of control in what has transpired. Though the emotions are similar to that of a crisis, i.e., anger, pain, mistrust, loss, etc., there must be some ownership of both symptoms and causation of the ***conflict***. At the direction of the Bishop and the NTC Cabinet the CLD may send a CART Team to assess, respond and coordinate opportunities for individuals, small groups and the entire congregation to work toward mediation and reconciliation. The CLD will pay one half the costs associated with the on-site assessment, response and a transformation plan. The systems model for a CART Team working with congregational conflict is one of communication, mediation and conflict management. The goal is always transformative reconciliation as the "body of Christ."

3) Intentional Interim Ministry (IIM)

Our historic Wesleyan tradition provided pastoral and pulpit leadership by circuit riding preachers. These pioneers were intent on "spreading scriptural holiness throughout the land." Today's setting calls for this same pioneering spirit to care for the special needs of congregations. Interim ministers are experienced clergypersons, committed to the Wesleyan Way and the UMC, and have proven effective and fruitful in their service to Christ and the church. Intentional Interim Ministers adapt well to a congregation's context and particular needs, are highly relational, and provide pastoral leadership and management for a season of ministry. IIMs possess many of the following characteristics and may share in some of the following scenarios:

- **Quick Starter**: An interim minister hits the ground running and is not attempting to cultivate long- term relationships. Some clergypersons have the gift of getting down to the deepest concerns of the congregation from the very start.
- **Problem-Solver**: Pastors with enough self-differentiation to engage technical and adaptive work without getting stuck along the way. With a new set of eyes, new directions for the church can be proposed.
- **Calm Presence**: Congregations in crises or extended conflict or going through a time of grief can benefit immensely from a pastor who demonstrates incarnational grace and love.
- **Early Retiree/Retiree/Half-Year Worker**: Some pastors consider working part-time in retirement. An interim minister, available to serve mid-year openings until the annual conference session, may work full or part-time for three to six months or more year in year out.
- **Non-Itinerate**: Some pastors, particularly those in urban settings, are hesitant to move into unfamiliar areas. If there are 35 churches within 50 miles of one's home, an entire lifetime could be spent as an interim minister with no residential moves.
- **Two-Career Family**: Relocation is increasingly difficult for two-career families. If a clergyperson were willing to serve only part of a year or receive an interim assignment of one or two years duration, relocation would not be an issue.
- **Financially Secure**: "By earning all you can, saving all you can…," or inheritance, multiple incomes, or other fiscal means, some clergy can afford to focus on where and how they serve than solely rely on the income from the church. Interim ministry could offer challenging opportunities and wondrous service to Christ and the church.

Intentional Interim Ministry in the NTC is well underway. We have a corps of 15 IIMs either trained or progressing toward certification. IIMs are vetted by the Bishop and NTC Cabinet, trained and certified through an accreditation process, and may be deployed across conference boundaries.

Some of the contexts for IIM serving include:

- Sabbatical, Renewal or Study Leave
- District Superintendent Transitions
- Conflict Management
- Disability, Terminal Illness or Death of a Pastor
- Clergy Misconduct
- Transformation and/or Cultural Context

For more information on IIM training or considering time away for a sabbatical, renewal or study leave but don't know where to turn – contact your District Superintendent or the Center for Leadership Development of the NTC.

4) Mentoring, Coaching, Consulting and Life-Long Learning

The need for mentoring, coaching, consulting and life-long learning is important to develop for both laity and clergy. The Book of Discipline (¶351.1) states that throughout their careers, clergy shall engage in continuing education for ministry, professional development, and spiritual formation and growth in order to lead the church in fulfilling the mission of making disciples for Jesus Christ. The CLD is researching with other Conferences and congregations to develop best practices for leadership training. Below is one event progressing within this platform:

- Young Clergy Initiative- the Bishop's initiative to cultivate relationships with young pastors under the age of 38 years. The team of young clergy is planning an event that will launch this year called *Presence*. This is a time of coaching, mentoring and life-long learning with the Presence of God, Bishop, Community and Establishing a Presence in the North Texas Conference. The event will take place August 25-27, 2011.

After conducting the initial research of best practices, gaining information from congregations and individual survey results, the CLD will develop opportunities to include: Mentoring Groups, a Residency Program and Leadership Development Training/Certifications.

5) Transitional Care

The future of "guaranteed appointments" is receiving considerable conversation by the Call To Action, proposed and/or pending legislation to the 2012 General Conference, and other UM agencies/boards. The CLD will continue to vet a transitional care protocol for clergy leaving/exiting the appointive process (with due attention to developing a sound fiscal plan, pastoral care, and other procedural matters). Implementation of the Clergy Fruitfulness Initiative and the use of Bullseye will allow for the difficult conversations with the clergyperson involving the Bishop, Cabinet, District Superintendents, Board of Ordained Ministry, and the Center Directors, we have not always had in the past. Subsequently, we have erred on the side of grace rather than holding someone accountable for living, leading and developing fruitfulness in their life, the life of the congregations served and the mission-field.

6) Covenant Partnerships

The Centers for Leadership Development, New Church Development and Transformation, and Missional Outreach have entered into a Covenant Partnership with Christ's Foundry. These three centers will provide $10,000 for 2011 and 2012. $60,000 will provide partial funding for Christ's Foundry to launch a National Incubator for Hispanic Ministries, Church Leadership, and other vital discipleship and outreach ministries in the Bachman area.

The CLD is seeking new avenues of partnering with local churches and ministry settings including but not limited to: best practices for adopting a neighborhood school; seeding a National Incubator for training campus ministers with our NTC state-based and faith-based campus ministries in partnership with Perkins School of Theology; and utilizing technology for online training, development, and sharpening skills.

7) BOM and BOL Conversations

Five substantive sessions with persons from the Board of Ordained Ministry and the Board of Laity have achieved remarkable dialogue about the process of recruiting, assessing, engaging and retaining clergy leadership. These conversations will inform and enhance the required disciplinary work of the BOM (recruiting, vetting, Preparations and Qualifications, etc.) and the BOL (training SPRC's, best leadership practices, etc.).

Gaining clarity about expectations for clergy and lay leadership, ways to assess and hold one another accountable, and then integrating these new ways of behaving into a comprehensive and strategic plan has been our goal from the outset. These two interrelated diagrams reveal the expectations for clergy and lay leadership in the NTC. Living, Leading and Developing Fruitfulness among clergy and laity emerges from mature disciples and congregations intent on reaching the mission-field for Christ in word and deed. (***Appendix 2***).

Two projects are emerging from the BOL/BOM Conversation. First, an online assessment system to increase awareness and performance through feedback, provide resources for online training, and enhance a life-long growth plan is under construction. Bullseye is an integrated online self-evaluation and performance program that allows clergy, the SPRC/PPRC, District Superintendent, peers, colleagues, and other persons through a 360* assessment to offer formative feedback to nurture, support and help assist the leadership development of clergy from ordination to retirement (and beyond). Along a parallel track a congregational dashboard is also under construction. This dashboard will show key indicators of vitality and performance across an array of data. These are not just measurement for institutional information, but key indicators showing how deeply invested the congregation is in making disciples of Jesus Christ to transform the world. In addition to the ongoing indicators of worship and Sunday school attendance, small groups, professions of faith, confirmation class (all previewed in the COB CTA), other indicators like how diverse the congregation is becoming, number of mission projects/events, number of new persons in mission or added to small groups, are new ways of focusing on outcomes rather than measuring inputs. A Bullseye and dashboard approach requires a change in culture, perception and accountability for our clergy and laity.

The second project in concert with the BOM is a 5 year Clergy Fruitfulness Initiative to undergird the life-long journey of developing clergy leadership and their spiritual growth. Starting with those in their 5th year following ordination and every 5 years proceeding, clergypersons will join with their classmates in a time of reflection and renewal, resourcing and realignment, and recognition and celebration. A beta group will be launched late summer or early fall 2011 to guide 18-21 clergypersons in the 5-30 years of service range through the CFI process of reflection, resourcing and recognizing. A substantial investment will be required from the CLD and the BOM to provide this ongoing clergy leadership development process in the NTC. The CFI will be the key interface for mentoring (peer, formative, core competencies), coaching (executive, performance, presentation), and consulting (individual, group, affinity) to develop clergypersons as principled Christian leaders.

The eventual goal of the BOM and BOL Conversation is to provide guiding principles and benchmarks in the NTC so we can reach the outcomes of living, leading and developing fruitful

clergy and laity as principled Christian leaders who have a share in transforming the church and the world for Jesus Christ.

BOARD OF ORDAINED MINISTRY REPORT

The Board of Ordained Ministry exists to enable the churches of the North Texas Conference to carry out our mission of making disciples of Jesus Christ for the transformation of the world. We do this through recruiting, credentialing and supporting those serving as pastors in the North Texas Conference from the time they sense God's call to their retirement and beyond.

Since the conference's adoption of a new strategic plan last year, the board has entered into an exciting collaboration with the Center for Leadership Development and its director, Keith Boone. This new relationship promises to bear much fruit as it unfolds in the coming years.

The board is charged by *The Book of Discipline* with carrying out many critical tasks and, through its various teams and committees our members fulfill their responsibilities in an outstanding

manner. These include the Executive Committee, the Committee on Preparation and Qualifications for Elders and Deacons, the Director of Local Pastor Education, the Committee on Local Pastors, the Committee on Certification, the Committee on Clergy Effectiveness, the Committee on Recruitment, the Committee on Transfer Review, the Committee on Conference Relations, the Committee on Chaplains and Related Ministries and the Committee on Provisional Membership.

The board has embraced several noteworthy initiatives during the past year as we have:

- partnered with the Board of Laity through the Center for Leadership Development in an historic dialogue concerning clergy fruitfulness. The resulting document, "Living, Leading and Developing Clergy Fruitfulness" will provide clarity about the gifts, qualities, characteristics and skills the North Texas conference is looking for in candidates for ministry as we carry out our mission of making disciples of Jesus Christ for the transformation of the world.

- worked with the chairs of the new District Committees on Ministry to develop a common process that all district committees will use in carrying out their work so that the often cumbersome process for entering ministry is clearer, simpler and easier to navigate.

- continued to fine-tune the process from initial inquiries about candidacy through ordination and full membership. This work, which will continue with Staff Parish Relations Committees, District Committees on Ministry and the Committee on Preparation and Qualifications, will result in a more effective, transparent and fair process.

- unveiled a new website (www.ntcumcbom.org) to provide clear and consistent information in an easily accessible manner.

- begun using "Pathways to Ministry" software that will allow candidates, district committees and the board to track progress through the process online.

- taken steps to initiate a significant change in the use of the Ministerial Education Fund money as we move from dispersing scholarships to investing in the future. One of the primary goals of this new approach will be to ensure that younger persons entering ministry will not be saddled with burdensome student loans.

- continued to develop means for recruiting younger and more diverse clergy.

The members of the Board of Ordained Ministry are deeply appreciative of the staff that assists us in carrying out our responsibilities, Duane VanGiesen and Janet Thompson. Their expertise and hard work greatly enhance our work and effectiveness.

Respectfully submitted,
Gary E. Mueller, Chair

LAY SPEAKING MINISTRIES

Reorganization of the Lay Speaking Ministries program within the North Texas Conference went well. We were able to realign our participants from their former districts to the new districts with a minimum of disruption. Training within the new districts has been accomplished with a sense of ease. Each of the districts has seen an increase in the number of participants.

In September, the North Texas Conference Lay Speaking Ministries program joined with the Missouri Annual Conference Lay Speaking Ministries program to engage in an on-line preaching course. This is the first time an on-line cross-conference training effort has been undertaken, and it worked out quite well. The North Texas Conference had six participants in the course and each undertook the training effort which was very intense and informative. Practice sermons were offered and critiqued by Rev. Reid Fade, one of our clergy coordinators. Video recordings were also made with disks being provided to the participants.

This Conference Year will see the nomination of a new Conference Director. Also, in accordance with the Conference's reorganization, we are submitting a recommendation for a revised legislative action which will increase the number of Clergy Coordinators from three to four – one for each district.

The Conference Committee is programming a revising of the United Methodist Church Organization and Polity course, scheduled for a post-conference date. This effort is being initiated with the encouragement of Bishop Bledsoe. Announcements will be forthcoming.

SAFE SANCTUARY: UPDATE ON 2008 LEGISLATION POLICY AND PROCEDURE

Center for Leadership Development

Background: The 2008 North Texas Annual Conference adopted the three-year plan for all local churches to fully activate training and certification for all staff and volunteer adult leaders of children and youth. It was resolved that by North Texas Annual Conference 2011, all local churches should have established, implemented and aligned Safe Sanctuaries policy within the framework of their specific church programming needs as the specific local church strives to make disciples of Jesus Christ, in a safe, loving environment.

Update: The Center for Leadership Development would like to remind all congregations that it is important to locate and review annually the local church's Safe Sanctuary policy. In order to have an effective policy, each member must be educated and trained, in order for proper compliance. It is also encouraged that each staff and volunteer adult leaders have proper background checks completed annually.

There are a host of resources available within the North Texas Conference. If you need assistance with Safe Sanctuaries, the following resources are available:

UNITED METHODIST WOMEN

Powered and empowered by the grace of our God and ignited by the spirit of the love of our Lord and Savior, Jesus Christ, the United Methodist Women of the North Texas Conference have completed milestone after milestone of mission during the past year.

Through the service of our collective ministries, we have put Faith, Hope, and Love into action.

We have worked through the challenges of going beyond ourselves seeking and searching for new means of reaching out to the millennials, Generation X's, Generation Y's, Baby Boomers and recent retirees. We have focused a great deal of our energy on welcoming the strangers/immigrants into our communities advocating for systems that afford peace and tolerance for a multitude of complex needs that exist in a diverse society. We aligned our efforts with other faith-based groups to provide health insurance for all of Texas' children.

Through our conference mission projects, we have been diligent in selecting and addressing issues that are common to all of our North Texas communities. This has allowed all local units to be in mission in their own communities while acting in concert with other United Methodist Women across the conference.

Assembly 2010 in St. Louis, Missouri afforded the North Texas Conference the privilege of witnessing and participating in the commissioning of our first deaconess in twenty years in the person of Sandy Wickberg from the Lake Highlands UMC.

With a great deal of prayer and planning, we transitioned along conference lines into the newly established four districts of the NTC. This accomplishment was programmed practically and thoughtfully during our 37th Annual Meeting that was held at First UMC Dallas. Our culminating worship was highlighted by the powerful presentation by Women's Division Executive Secretary for Spiritual Growth, Glory Dharmaraj. Our gathering was blessed by the presence of Bishop Bledsoe and our conference Lay Leader, Richard Hearne and special guest Dr. Socorro Brito de Anda, president of the Lydia Patterson Institute in El Paso, TX.

We closed our meeting and our year with prayers for the new leader, Rebecca Maddox and the leadership team for 2011 and the women of Grace who are known as United Methodist Women.

CENTER FOR NEW CHURCH DEVELOPMENT AND CONGREGATIONAL TRANSFORMATION

The Center for New Church Development and Congregational Transformation is energetically working to build "New Places for New People" which is its responsibility under the new strategic plan. Our priorities remain the same – 1) starting new faith communities, and 2) transforming existing congregations. Our goal is to reach those people that have been turned off by church as they know it, and spread the gospel of Jesus Christ in a new and compelling way.

NEW CHURCH DEVELOPMENT

"Bearing Fruit" is the mandate of not only the new Strategic Plan, but more importantly, the gospel! For the first time in many years, the North Texas Conference reports an increase in average attendance. Not much of an increase (1%)…but it's a start! The average attendance at our churches is up by 601 from last year, thanks in large part to our new churches, which average over 1300 in worship each Sunday.

However, our objective is not to just get more people into our churches; it is to get our churches into our mission field. To that end, we are excited that 4 new churches were planted by our existing churches last year, and 4 more Mother churches are planning to plant a daughter church this year.

The churches planted in 2010 are:

1. Cross Way (A Daughter of Grace Avenue) – pastored by Chris Yost
2. St Andrew Frisco (an extension campus of St Andrew) – pastored by Edlen Cowley
3. Munger Campus (an extension of Highland Park) – pastored by Andrew Forrest
4. Nuevo Dia (a New Day Community at Wesley Rankin) – led by Shellie Ross

The Mother churches that have, or are scheduled to plant in 2011 are:

1. Allen, FUMC
2. Korean Central
3. Rowlett, FUMC
4. McKinney, FUMC

Each of the new church pastors are trained through the New Church Leadership Institute, and assessed by our Conference Assessment Team before they are appointed by the Bishop. They also attend New Church "Boot Camp" and each one is assigned a personal trained coach to give the new start and the pastor the best possible advantage to succeed.

Of course, the Center continues to support our successful plants from previous years:

1. The Woods – (Grand Prairie; a Vital Merger, 2008) - pastored by Jill Jackson-Sears
2. Connecion Hispanic at Oak Cliff - (an intentional transformation by Oak Cliff UMC into an Hispanic Faith Community, 2008) - pastored by Edgar Bazan
3. St Luke South (DeSoto; an extension campus of St Luke "Community", 2008) – pastored by Derek Jacobs
4. Faithbridge – (Rockwall; Daughter church of FUMC Rockwall, 2008) – pastored by Frank Rahm
5. Falls Chapel – (Wichita Falls; Restart with new name, 2009) – pastored by Louis Pearce
6. FUMC Krum – (Restart, relocation, new name; 2009) – pastored by Christy Thomas

We are sad to report that two of our newer church starts – New Beginnings Christian Fellowship, and Journey of Faith—were closed this past year. While neither was able to grow to self-sufficient viability, we thank God for their mission and ministry: lives were touched, people were changed, new people came to Christ and became involved in a faith community. Please keep the planters and the people of these churches in your prayers.

CONGREGATIONAL TRANSFORMATION

The Center is now 18 months into the 3 year Congregational Transformation process, with 67 churches participating in the process. Each year *all* the churches in the Conference are monitored on 13 key elements of church life:

1. Worship attendance
2. Hospitality
3. First-time guests
4. Guest follow-up
5. Small groups
6. Professions of faith
7. Youth and children's ministries
8. Young adults
9. Missional ministries
10. Marketing and outreach
11. Leadership development
12. Rotation of leadership
13. Apportionments

The churches, both pastors and laity, in the "transformation" process participated in several on-site visits by consultant Don Nations, Jim Ozier, and the respective District Superintendents. During these visits churches had opportunities to attend the following seminars given by both Don Nations and Jim Ozier and receive both group and one-on-one coaching from Don Nations.

THE WORK OF THE CENTER

In 2011, the Center has been working diligently to help our churches, both new and transforming, to connect with their communities in more fruitful ways. Since the Center is only in its first year, we tackled three major areas to make us more effective:

1. In an effort to help *all* of the churches in the Conference reach their mission field more effectively, the Center made a significant change in our demographic provider. MissionInsite is a highly effective, flexible web based information system that provides comprehensive socioeconomic and lifestyle data for all areas within the Conference. Churches can easily access this information for specified areas around their geographical area. It provides an interactive mapping platform and has a responsive system to answer individual questions. MissionInsite updates its demographic information twice a year, so churches can be assured that they have the latest information. The Center has and will continue to provide trainings toward the goal of 100% participation in this invaluable tool for outreach in our communities.

2. The Center recognized the need for clear policies and procedures for new church starts, to protect both the planter and the interests of the Annual Conference. Apportionment dollars are used to start new churches, and we must use those dollars wisely and with

accountability. Consequently a series of meetings were held with our 4 newly formed Function Teams:

a. Property and Locations
b. Recruitment
c. Ethnic/Language
d. Finance

Dr. Mont Duncan, a recognized leader in new church development from the Florida Annual Conference, was flown in to meet with the Teams and discuss how to write a comprehensive set of policies and procedures. Having been written and approved, the Center has published them on its new website which is accessible through the North Texas Conference website.

3. Our new website, accessible by clicking the "Center For New Church Development & Congregational Transformation" link on the NTC's site, is up and running. All forms for new church starts, online registration and payment for Center sponsored seminars, as well as *all* Center information will be easily available and accessible through the site. We recognize that we live in an increasingly technological world and we must keep up in order to stay relevant.

Understanding that our Conference demographics are changing, the Center will be sponsoring 4 one day events this year to plan strategies for planting new ethnic/language churches. These events will be held on Saturdays to encourage both clergy and lay to participate. Specialists from Path1 (the General Board of Discipleship agency in charge of starting new churches) will facilitate these consultations. They are:

1. Sam Rodriquez – Hispanic Consultations; October 15th, 2011
2. Candace Lewis – African American Consultations; September 24th, 2011
3. Bener Agtarap – Asian Consultations; January 28th, 2012
4. Hyo Kim - Korean Consultation – May 7th, 2011

2011 has proven to be a year of big and exciting changes for the Center for New Church Development and Congregational Transformation, and with God's help we are working to meet the challenges of Christ's commandment to spread his gospel. We know that much work is left to be done. We must reach those young adults and others out there looking for meaning and purpose in life; we must make new places for new people, and we must transform our new and existing churches into churches of true transformation for more fruitful ministry. We embrace God's call wholeheartedly!

BRIDGEPORT CAMP AND CONFERENCE CENTER

This past year the Bridgeport Camp and Conference Center continued to grow the program opportunities as well as camper accommodations. The first of the new Creekside Village cabins was completed in July. Two of the old South Village cabins were torn down while the rest of the South Village was painted. The new Creekside cabin will accommodate two separate groups of 16 campers with two counselors. The two groups will share a common meeting room/lounge. The cabin is very pleasing to the eye, spacious, and is fully ADA compliant. This will also help expand the offering of SEEK Camp. Around the property, several trails have been revitalized and re-

claimed. This will open up more recreation opportunities such as hiking, nature study, and mountain biking.

Bridgeport's Summer Camp program continues to see growth in the Children's camp areas; several sold out with waiting lists. The camp's school year programs have also seen some new connections. Several groups were hosted from UNT, SMU, & TCU, and more of our churches are looking to Bridgeport for their youth retreats.

THE PROTHRO CENTER AT LAKE TEXOMA

The year 2010 marked our 7th year of operation for the Prothro Center. We have continued to provide outstanding dining services, beautiful lodging/meeting spaces, and improve our overall outdoor experience by expanding beachfronts, adding numerous walking trails, and creating spaces that take advantage of our strongest visual amenity, "Lake Texoma!"

With the recent addition of the adjacent "Presbyterian Property" (32 acres), we now have a total of approximately 100 acres for future development. This outstanding piece of land provides an additional waterfront and a long buildable ridge buffered from the roadway by heavy woods. Since there was no value to the existing buildings on the new property, we have already taken the necessary step of demolition and removal.

Groups from the local churches of the North Texas Conference make up the largest share of our business. In addition, The Prothro Center continues to host numerous North Texas Conference programs such as the Adult and Young Adult S.E.E.K Camps, Clergy Spouses Retreat, NTC Licensing School, NTC Anti-Racism Training, Clergywomen Retreat, The Bishop's Cabinet, and The Board of Ordained Ministry.

"Wellness Initiative" participation continues to bring new clergy and families to the Prothro Center to enjoy a needed break from the regular and dedicated routines they face each day. The Renewal House, Wildwood Cabin, and the Oasis Cottage have seen continued growth in reservations. We are truly proud to be able to provide these unique and welcoming facilities.

The feedback from each group in attendance during 2010 has been overwhelmingly positive, as it has become one of the nation's most desired Conference and Retreat Centers. Our great staff is extremely proud of everything that this beautiful place has become, and we look forward to hosting your next event or personal retreat.

BOARD OF PENSION AND HEALTH BENEFITS

HEALTH BENEFITS POLICIES
June 2011

INTRODUCTION

The North Texas Conference provides a conference health insurance program designed to provide its eligible employees (defined herein) with a comprehensive plan for major medical insurance. The

program is administered through a group plan overseen by the conference Board of Pension and Health Benefits. The North Texas Annual Conference participates in HealthFlex, the health benefits program of the General Board of Pension and Health Benefits of The United Methodist Church.

All full-time clergy appointed to local churches within the conference or as District Superintendents or to the conference staff (ordained elders, deacons in full connection, deacons on track to become elders, commissioned persons on track to become elders or deacons, full-time local pastors, members of other conferences or denominations appointed according to Paragraphs 346.1 or 346.2) **are required** to be enrolled in the conference health insurance plan and their respective church or salary-paying unit is responsible for the premium for the appointee. Coverage for spouses and dependents is optional, and the premium for an appointee's spouse and dependents is the responsibility of the appointee.

ELIGIBILITY

The following are eligible for coverage under the program and in accordance with the adoption agreement between the North Texas Conference and The General Board of Pension and Health Benefits:

1. Ordained elders and deacons and commissioned persons on track to become elders or deacons (including those with full conference membership, probationary membership and associate membership), and full-time local pastors appointed full-time to local churches within the conference and their eligible dependents.

2. Clergy serving as district superintendents and conference staff.

3. Clergy from other United Methodist annual conferences and ordained ministers from other denominations employed full-time and under episcopal appointment to a local church or charge of the North Texas Annual Conference under the provisions of Paragraphs 346.1 or 346.2 of the 2008 *Book of Discipline*.

4. Clergy appointed beyond the local church within the connectional structure to a General Agency, to other than a unit of a conference or other than a General Agency, an ecumenical agency and extension ministry endorsed by the General Board of Higher Education and Ministry under the provisions of Paragraph 344.1a(2), 344.1a(3), 344.1a(4) and 344.1b, only if they are listed specifically in the annual GBOPHB adoption agreement.

5. Clergy appointed to Leave of Absence or Sabbatical (eligible for one year only).

6. Diaconal ministers appointed full-time to local churches within the conference.

7. Lay persons who are full-time (at least 30 hours per week) employees of the annual conference and their eligible dependents.

8. Full-time (at least 30 hours per week) lay employees and their eligible dependents of local churches or connectional agencies in the North Texas Annual Conference which offer the conference group insurance program to all of their full-time lay employees, if the church has a sub-adoption agreement with the General Board of Pension and Health Benefits and meets the 75% participation rule.

9. Retired clergy members of the conference immediately eligible to receive pension from the General Board of Pension and Health Benefits at the beginning of the month following the month

in which the retired relation takes place, and who had a minimum of five (5) continuous and consecutive years of active participation in the North Texas Annual Conference group health program at the time of retirement, and their respective dependents. Retired Clergy can retain future rights to HealthFlex coverage if at the time of retirement coverage was declined because the clergy had other employer sponsored group health insurance.

10. Disabled clergy members of the conference (who were enrolled in HealthFlex at the time of their disability) immediately eligible to receive disability benefits from the General Board of Pension and Health Benefits at the beginning of the month following the month in which the disability leave with disability benefits takes place, as granted by the Division of Conference Relations, and their respective dependents.

11. Retired lay employees of the conference or a local church within the conference at the beginning of the month following the month in which the retired relation takes place, and who had a minimum of five (5) continuous and consecutive years of active participation in the North Texas Annual Conference group health plan at the time of retirement, and their respective dependents, if the church selects that category in the sub-adoption agreement with GBOPHB.

12. Disabled lay employees of the conference or a local church within the conference (who were enrolled in HealthFlex at the time of their disability) at the beginning of the month following the month in which the disability leave takes place as granted by the General Board of Pension and Health Benefits, and their respective dependents.

13. Surviving dependents of a deceased active participant as long as the participant and dependent were covered participants at the time of death.

14. Surviving dependents of a deceased retired participant as long as the participant and dependent were covered participants at the time of death. If the surviving dependents declined coverage at the time of the participant's retirement due to having other **employer sponsored group health insurance,** that dependent retains future rights to coverage as long as the other employer sponsored group health remains in effect.

15. Eligible dependent children include any unmarried child under the age of 19, unmarried full-time students under the age of 25, including all natural, legally adopted and step-children for whom the participant has court ordered legal guardianship. Children who do not live with the participant can be eligible as long as the participant is responsible by legal decree for the majority of financial support.

16. A divorced spouse of an active participant is eligible provided the participant is responsible by legal decree for the majority of financial support of the former spouse or specifically responsible for the medical or other health care expenses of the former spouse.

17. Continuation health benefits are available for a period of one year for any participant who becomes ineligible providing they have been on the plan for at least three months. The plan and premium is the same and is billed directly to the participant. Notification of ineligibility must occur within 30 days and application for continuation benefits must occur within 60 days of becoming ineligible and the continuation benefits begin the day after the participant became ineligible.

Eligible persons must complete a HealthFlex enrollment form and return it to the conference Office of Administration within 30 days of their date of hire, date of newly acquired eligibility or family status change. Family status changes which allow late enrollment are: birth, death, marriage,

divorce, or loss of other coverage. There is also an open enrollment period every year in November for coverage to begin in January of the following year.

MEDICAL BENEFITS PROGRAM FOR ACTIVE PARTICIPANTS

A Preferred Provider Organization (PPO) plan is the base plan for active participants and their dependents. This plan is currently administered by Blue Cross/Blue Shield of Illinois. The lifetime maximum coverage for each eligible insured and eligible dependent shall be limited to $3,000,000. Prescription drugs are covered for active participants through Medco and the prescription plan has an annual deductible and co-pay amounts for three tiers of drugs. A mail order program is also available to obtain 90-day supplies of maintenance drugs at a lesser cost and is required for all maintenance prescriptions.

Mental health and chemical dependency benefits are provided through United Behavioral Health (UBH). A participant must call UBH at 1-800-788-5614 before receiving inpatient or outpatient treatment either in-network or out-of-network. There is also a Pastoral Consultation Hotline for clergy available for both active and retired clergy at no charge. The number is 800-842-2869.

Vision benefits are available through VSP. A basic vision examination is provided and discounts for eyeglasses and contact lenses are available.

Term life insurance is provided through Hartford Life and Accident Insurance Company as a part of the health benefit. The amount of insurance is as follows: $5,000 for lay employees; $10,000 for all other clergy to age 65; $5,000 for clergy age 65 to 70; $1,000 for clergy over age 70. This benefit is for both life insurance and accidental death, dismemberment and loss of sight. Dependent insurance is provided in the following amounts for covered dependents: $2,000 for spouses; $1,000 for children ages 6 months to 25; $100 for children ages 14 days to 6 months.

Medical Reimbursement Accounts (MRA) and Dependent Care Accounts (DCA) are also available to active participants through Ceridian. A participant may select annual MRA/DCA amounts between $300 and $5000 to be deducted by the salary paying unit on a monthly basis as a salary reduction. This money may be used for medical expenses which are not covered by the plan such as deductibles, co-pays, dental, vision and other qualified costs. The DCA may be used to pay for qualified child or parent daycare expenses. Forms to be used to submit claims are available at www.gbophb.org or in the conference Office of Administration.

CONFERENCE FUNDING POLICIES FOR ACTIVE HEALTH BENEFITS

1. The entire premium for full-time clergy appointed to local churches within the conference or as district superintendents or to the conference staff (ordained elders, deacons in full connection, deacons on track to become elders, commissioned persons on track to become elders or deacons, full-time local pastors, members of other conferences or denominations appointed according to Paragraphs 346.1 or 346.2) is to be paid by the local church or salary paying unit.

2. The premium for the appointee's spouse and dependents is the responsibility of the appointee. An optional agreement may be made between the church or salary paying unit and the appointee for the church or salary paying unit to pay the family premium.

3. The Conference will pay the premium for lay employees of the annual conference. The premium for dependents is the responsibility of the employee.

4. Responsibility for the premium for eligible lay employees of local churches or institutions within the connectional structure will be determined by the employer and the employee.

5. The Conference pays the active premium for disabled clergy members of the conference who were appointed to a local church or as district superintendent or to the conference staff and were enrolled in HealthFlex at the time of disability. Approval by the Division of Conference Relations and eligibility to receive disability benefits from the General Board of Pension and Health Benefits is also required. Payment begins the month following the month in which the disability leave with disability benefits takes place. The premium for dependents is the responsibility of the clergyperson.

6. Subsidies are available on a sliding scale for those churches whose pastor's Total Compensation is below the Denominational Average Compensation for the appointee's premium and those pastors whose compensation is below the DAC for their dependents. The guidelines for application are as follows:

2. Pastors must submit to their district superintendent a written application for dependent supplements.

3. The pastor's Total Compensation for Insurance Supplement Eligibility (line IX from the 2011 Ministerial Compensation Report turned in at Charge Conference) must be below $61,716 (the 2011 Denominational Average Compensation).

4. If the need exists in the judgment of the district superintendent and funds are available, appointee supplements may be awarded to churches on the following scale (annual amount shown - paid monthly):

Pastor's Total Compensation	% DAC	Church Pays	Amount of Supplement
$61,716 and above	100%	$8,616	$ 0

$37,029 and below		5,170	3,446

5. If the need exists in the judgment of the district superintendent and the funds are available, dependent supplements may be awarded to pastors on the following scale (annual amount shown - paid monthly):

Pastor's Total Compensation	% DAC	One Dependent		Two or More Dependents	
		Pastor Pays	Amount of Supplement	Pastor Pays	Amount of Supplement
$61,716 and above	100%	$7,740	$ 0	$12,036	$ 0
$61,715 - 58,630	95%	7,353	387	11,434	602

6. If the pastor's Total Compensation for Health Insurance Supplement Eligibility is above $61,716 but extraordinary circumstances exist in the judgment of the district superintendent, an appointee supplement may be awarded to the church and/or a dependent supplement may be awarded to the pastor at the lowest level on the scales above if funds are available. Likewise, superintendents are not obligated to award any supplements even though an applicant may be eligible, if they determine that no need exists.

7. District superintendents are asked to distribute these Guidelines and the supplement application forms to churches and pastors who may be eligible as soon as possible. Additional application forms will be available in the District and Conference Offices.

8. District Superintendents are asked to fax or mail the approved Health Insurance Supplement Application Forms to the Office of Administration by December 1 of each year. No supplements will be processed until the approved Application Forms are received in the Office of Administration. Forms received after the deadline will be processed for the following month's billing and they will not be done retroactively.

9. All supplements cease when a pastoral change occurs. New applications are to be submitted to the Office of Administration by the 1st day of the month following the move. A supplement may be processed one month retroactively only in the event of a mid-year move.

MEDICAL BENEFITS PROGRAM FOR RETIRED PARTICIPANTS

The conference medical benefits program for retired participants, dependents and surviving spouses assumes participation in Medicare Parts A and B. The program is designed to extend certain benefits beyond what Medicare pays and, in addition, provide a pharmacy benefit and other additional benefits not covered under Medicare. It is assumed that all retired participants shall enroll in Medicare Parts A and B at their own expense. The amount of conference funding available to clergy that opted out of Social Security and consequently are not eligible for Medicare, and their dependents and surviving spouses, will not exceed that of those who have Medicare benefits.

Clergy in the retired relationship with the annual conference who continue to work full time continue in the active plan. Retired clergy who opted out of Social Security and their dependents and surviving spouses continue in the active plan if they continue working.

A dependent spouse may be eligible for HealthFlex retiree benefits even if not a covered dependent at the time of the participant's retirement. If the spouse is covered by another **employer sponsored group health insurance plan,** he/she may decline HealthFlex coverage while still maintaining future rights to coverage. The retiring participant may also decline HealthFlex coverage at the time of his/her retirement while maintaining future rights to coverage if he/she can be covered under a spouse's **employer sponsored group health insurance plan.** Future coverage rights can be exercised at any open enrollment opportunity or within thirty days of losing the other employer sponsored group health coverage as long as the other coverage was maintained up to the day the HealthFlex coverage is to begin.

The divorced spouse of a retiree may retain coverage or future rights to coverage as described above if it is declared in the divorce decree that the participant is responsible for health coverage or is responsible for a majority of the financial support of the divorced spouse. Future rights to coverage will end when the specified period in the legal decree has expired or upon the death of the participant (providing the decree provides for termination of the participant's responsibility at that time).

A new spouse or dependent acquired by a retiree after retirement is not an eligible dependent with the exception of a dependent child gained through court ordered legal guardianship.

After retirement, if a retiree, dependent or surviving spouse terminates HealthFlex coverage, they will no longer retain any future rights to coverage.

CONFERENCE FUNDING POLICIES FOR RETIREE HEALTH BENEFITS

The North Texas Annual Conference through its Insurance Subsidies apportionment shares the funding of the health benefit for eligible retired clergy participants, dependents and surviving spouses with the retirees and spouses.

1. For those eligible clergypersons enrolled in the conference health insurance plan who retire after January 1, 2003, and their eligible spouses, the conference will pay from 15 - 50 % of the HealthFlex Medicare Supplement Plan 2 premium for those retiring at age 65 (or full retirement age) based on their years of ministerial service (which qualify for retirement credit) in The United Methodist Church in which they were appointed to a local church or within the connectional structure as defined in the 2008 *Discipline* Paragraphs 344.1(a)(1) and (2), or partial years of like service for less than full-time appointments, as follows.

For those eligible clergypersons enrolled in the conference health insurance plan who retired before January 1, 2003, and their eligible spouses, the North Texas Conference will continue to pay 50 % of the HealthFlex Medicare Supplement Plan 2 premium.

2. For those clergy who retire who are at least 62 years of age (but not 65) or have 30 years of service, and their eligible spouses, the conference will pay the same benefit as for those in the Regular Retirement category above (15 - 50 % of the Medicare Supplement Plan 2 premium). These participants will pay the remainder of the Medicare Supplement Plan 2 premium (50 - 85 %) plus the difference between the active plan (which they must be on until they are eligible for Medicare) and the Medicare Supplement plan. Those retiring under "the twenty year rule" (i.e., are not 62 and have at least 20 years but not 30 years of service) are eligible to remain on the conference insurance plan. These participants must pay the entire active premium until they reach 65 (or full retirement age). At that time the conference will pay the same level of benefits as for those in the Regular Retirement category above.

3. For retirees who continue to serve local churches in the North Texas Conference the conference will pay the same benefit as for those in the Regular Retirement category above (15 - 50 % of the Medicare Supplement Plan 2 premium for both retiree and spouse) and the retiree will be responsible for the balance of the premium (50 - 85 % of the Medicare Supplement Plan 2 premium) for retiree and spouse. The retiree will be required to pay any additional cost due to the employment (i.e., the difference between the active plan which the working retiree might have to be on according to the anti-discrimination laws and the retiree plan) for the spouse. (A local church or other salary paying unit can opt to pay the participant and spouse's cost.) The local church employing a retired participant will be required to pay any additional cost due to the employment (i.e., the difference between the active plan which the working retiree might have to be on according to the anti-discrimination laws and the retiree plan) for the retiree.

4. Surviving spouses of deceased retired clergy are eligible for coverage as long as the participant was a covered participant at the time of death. The health plans available to surviving spouses are the same as those available to retiree participants and conference funding is the same as for the retiree.

5. The health plans available to retired Diaconal Ministers are the same as for retired clergy and the conference funding is the same as for retired clergy.

6. The health plans available for retired lay employees of the annual conference are the same as for retired clergy. Conference funding for the retired lay employee of the annual conference with 10 or more years of service (not including spouse or dependents) is based on the same scale of service as that for retired clergy beginning at the 10 years of service level.

7. Retired lay employees of a local church or qualified agency within the conference are eligible to participate in any of the health insurance plans available to retired clergy, if the church or agency

has a sub-adoption agreement with the GBOPHB. The premiums are the same as for the retired clergy, but the responsibility for payment remains entirely with the retired lay participant.

ADMINISTRATIVE PROCEDURES

Enrollment material can be obtained from the conference Office of Administration. Enrollment forms must be completed, signed and returned to that office within 30 days of the employee's date of hire or family status change. If the 30-day time period is not met, an election of "No Coverage" is assigned **(although the salary paying unit is still responsible for payment of the appointee's premium in the case of mandatory categories of participants)** and the employee would be eligible for coverage at the next open enrollment opportunity. Upon receipt of enrollment forms, the General Board of Pension and Health Benefits will inform the insurance provider and the participant should receive election material and appropriate insurance cards within a reasonable period of time.

The monthly health insurance billing is mailed to the appropriate local church, agency, or individual on the 1st of each month and the payment is due in the conference office by the 20th of that month. Premiums not received by the next billing period are considered "past due"and so marked on the next month's bill. Termination procedures begin for any accounts more than 60 days in arrears. District Superintendents are informed each month of those churches with past due balances.

Participants will receive annual election materials each fall prior to the Open Enrollment period from the General Board of Pension and Health Benefits with instructions for changing or maintaining health coverage for the next calendar year. GBOPHB will also provide claim forms, MRA and DCA forms at the beginning of each calendar year. Additional forms may be obtained at www.gbophb.org or from the conference Office of Administration.

Denial of benefits policies and appeals procedures are those of the HealthFlex insurance carrier and GBOPHB.

HEALTH BENEFITS POLICY STATEMENT FOR INDIVIDUALS COVERED THROUGH 20-YEAR RULE RETIREMENT, EXTENSION MINISTRY APPOINTMENTS, CONTINUATION INSURANCE, AND RETIREES AND SURVIVING SPOUSES PAYING PREMIUMS DIRECTLY TO THE NORTH TEXAS CONFERENCE

The North Texas Conference makes health insurance available to clergy who have retired under the 20-year rule and to some clergy who are appointed to extension ministry positions. (Special arrangements for health coverage can be made in some cases for those appointed under ¶344.1b, and ¶344.1d.) The premiums must be paid by the individual one month in advance and are due on the 20th of every month. Accounts are past due if not received by the 20th and if two payments are due on the 20th of any month, a letter will be sent to the individual with notification of insurance cancellation. In addition, an attempt will be made to schedule a meeting with the participant and a member of the conference staff to explain the termination of coverage. Any account that is two payments past due will be terminated if payment has not been received in the conference office by the end of the month. The termination date will be retroactive to the first of the month of unpaid premium. (For example: The premium for February is billed on January 1 and is due by January 20. The premium for March is billed on February 1 and is due by February 20. If neither February nor March premium is paid by February 20, the insurance will be terminated retroactive to February 1.)

The North Texas Conference offers continuation health insurance to participants who have been terminated or have lost eligibility if they have been covered for at least three consecutive months

prior to loss of eligibility. The continuation coverage can extend up to one year following the loss of coverage date. The first month's premium is due with the application for coverage and future premiums are due one month in advance on the 20th of every month. Accounts are past due if not received by the 20th and if two payments are due on the 20th of any month, a letter will be sent to the individual with notification of insurance cancellation. In addition, an attempt will be made to schedule a meeting with the participant and a member of the conference staff to explain the termination of coverage. Any account that is two payments past due will be terminated if payment has not been received in the conference office by the end of the month. The termination date will be retroactive to the first of the month of unpaid premium.

The North Texas Conference offers a Medicare supplement health insurance plan to retirees (who have been enrolled in the active health plan the five years immediately preceding retirement), their spouses and surviving spouses of eligible clergy. The conference pays a portion of the premium based on years of service and the scale which appears in the report section of the North Texas Conference Journal each year. The remainder of the premium is the responsibility of the retiree or spouse and is usually paid by pension deduction. Those retirees or spouses who pay their portion of the premium by check directly to the conference must remit the payment one month in advance by the 20th of every month. Accounts are past due if not received by the 20th and if two payments are due on the 20th of any month, a letter will be sent to the individual with notification of insurance cancellation. In addition, an attempt will be made to schedule a meeting with the participant and a member of the conference staff to explain the termination of coverage. Any account that is two payments past due will be terminated if payment has not been received in the conference office by the end of the month. The termination date will be retroactive to the first of the month of unpaid premium.

If anyone in the above categories has extenuating circumstances which prevent them from making timely payments, a hearing may be scheduled with the conference Board of Pension and Health Benefits to appeal the scheduled termination and request a payment plan.

This policy will be effective July 1, 2009.

RETIREE MEDICAL LIABILITY

In 2002 the North Texas Conference took initial steps to establish a plan to fund our liability for promised retiree health insurance benefits. An update to the Retiree Medical Liability Funding Plan may be found in Section IX., LA 16 (2008 *Journal*). We continue to be confident that we will be able to provide the benefits promised to our retirees and spouses as well as our active participants.

COMMUNICATIONS REPORT

The Strategic Plan reminds us that, "The mission is not about us, but about those who have yet to experience the transformative power and love of God. Decisions must be based upon the needs of the mission field and Jesus' compassion and commitment to all."

In order to bring the Strategic Plan to fruition, the Communications Office has worked to increase and enhance the communications among North Texas United Methodists and reach out to the mission field. In essence, we worked to hold on and reach out.

The strategy of the Communications Office includes research, redesign and action. These three elements lead to improved communications that will enable us to reach the mission field.

Research
We recognized the need to understand the audience we wanted to reach and we constructed an online survey on the ntcumc.org website. Over several hundred persons took part in the survey. In summary, the participants asked for briefer articles, more articles about faith, and were open to receiving information via new technology. The research contributed to the redesign.

Redesign
The newspaper, *The North Texas Reporter*, was redesigned. The new layout infused color, graphic art and new uses of space. New writers were featured and voices of the laity were included. The goal is to keep the existing audience engaged, and attract additional readers.

The video newscast, *NTC News*, was redesigned and given a fresh look. The newscast is filmed on locations across the annual conference from Sulphur Springs to Nocona to capture relevant events and connect them to the United Methodist audiences. The newscast also gives Bishop Bledsoe a vehicle to connect the United Methodists of North Texas.

Website
The ntcumc.org website was redesigned to more effectively meet the needs of clergy and lay who visit the site for information, education, inspiration and direction. The online newspaper was retained, as well as links to various organizations. Videos are also accessible on the website.

Social Media
Facebook
The Annual Conference Facebook page is a place to share ideas and listen to the pulse of United Methodist thought. New conversational topics are introduced on a regular basis.

Bishop Bledsoe's Communication
Twitter
The decision by our Episcopal leader to join the ranks of Twitter was a major move of the annual conference. Our Bishop started to Tweet in February 2011 and has attracted a number of followers. The Bishop sends two to three messages or tweets daily. The Bishop's messages inspire - with Scripture that inspires him. The Bishop's messages educate – with statistics about UM actions around the globe. The Bishop's messages highlight the good news of events from our Four Centers. The Bishop's messages invite readers to join him at events around the Annual Conference where he will be speaking, teaching and preaching.

The Bishop maintains his own Facebook page.
Texting

Bishop Bledsoe also uses the vehicle of text to reach out to the Annual Conference and the mission field. In January the Bishop sent text messages of gratitude and congratulations to the pastors who paid 100 percent of apportionments. In March, the Bishop used text to send 30 second commercials to invite clergy and lay to his tour of the districts.

A Communications Workshop is scheduled for June 18, 2011 to help lay and clergy effectively communicate their messages. The workshop will be held at the Ministry Center from 10:00 am-1:00 pm and is free of charge.

Dr. Sheron C. Patterson, Communications Officer

LYDIA PATTERSON INSTITUTE

It is my privilege to submit this report to you and to bring greetings and a word of appreciation for the support, prayers, and commitment to the ministry of Lydia Patterson Institute.

Life on the border becomes more difficult by the moment. The life of Lydia Patterson has become more than a place where students receive a strong education and leaders are formed. Today, Lydia Patterson is also a safe haven for students crossing the border looking for safety from the violence and unrest that plagues the city of Juarez, Mexico.

Although we have been able to maintain our enrollment in the past two years, we have seen a decline from the past years. The reason is obvious. Parents have lost their jobs; consequently, we have had to provide more scholarships than ever before. Parents who might have had a small business or a taco stand or a modest way of making a living have had to close down due to the threats of the mob that they either pay them or pay with their lives. People, women and children, are being murdered daily. Over 4,000 lives were lost last year as the result of the violence and many more went unreported. Students at Lydia Patterson have been directly affected. Many have lost parents or other members of their families. We have buried several former students and comforted many victims of kidnappings.

In 1913, Lydia Patterson opened its doors for the first time to minister to the young children of families crossing the border and fleeing from a revolution in Mexico. Families were looking for a safe place for their children and escaping the unrest in our neighboring country. Mrs. Lydia Patterson recognized the need for ministry to these displaced children and began her work in this impoverished neighborhood in El Paso. Almost 100 years later, Lydia Patterson is, again, serving as a refuge to young children escaping the threat of violence and bloodshed that they are exposed to daily. Many of our students make a two hour trip from their homes to Lydia Patterson daily by riding two or more buses from their homes to downtown Juarez. They then cross the international bridge on foot and walk the eight blocks to Lydia Patterson. One student, when asked about her sentiments as she made this daily trip, stated that she was in fear. She prayed and said that when she set foot on the American side, she could breathe easily again. Another student, as he was being interviewed by a local TV channel for a special on the work of Lydia Patterson, talked about his fears as well. He talked about the emptiness during the holidays as they mourned the loss of family members who had lost their lives to the violence. He also stated that he prayed a lot and then smiled and said that he still had hopes.

In the midst of all, Lydia Patterson is more committed than ever to bringing hope to its students. It continues to equip the students with that which can remove them from such a hostile

environment…a good education. The spiritual life on our campus strengthens their hope for a future free of threats and injustice. Through our Student Lay Ministry Program, we continue to form leaders for the church. Students are serving in internships in local United Methodist Churches throughout the country. Students are graduating from seminary and others are making their way to a life in ministry. In spite of all the challenges, in the last two years, 100% of our graduating seniors have gone on to college. Lydia Patterson Institute, its administrators, faculty and staff, strongly believe that the fate of its students lies in the heart of our ministry.

I invite you to visit our new web page and learn about how you are already a part of this ministry by virtue of your relationship to your church, conference, and the jurisdiction. I encourage you to visit our campus in El Paso and personally experience the life of ministry with direct interaction with our students. We welcome work teams, mission groups, agency meetings, and personal visits. In as much as Juarez, Mexico, is a very dangerous city today, by national standards, El Paso is the safest city of its size to live in. We hope to see you here soon, and please keep our students in your daily prayers.

Respectfully,
Socorro Brito de Anda, President

METHODISM'S BREADBASKET
SHARING CHRIST'S BLESSINGS

Methodism's Breadbasket continues to meet a vital need in the North Texas Conference. 2010 was our 40th year of service and we are very grateful to all the churches and individuals in the NTC who continue to partner with us to meet our mission of *sharing Christ's blessings with our brothers and sisters in need of food, clothing, and resources*. With your help we provided food, clothing, and emergency assistance for 4,768 individuals and families, of which 1,556 were children, 783 were senior citizens and over 600 were new clients. In addition to our regular monthly services, we were blessed to provide backpacks, school supplies, and uniforms for over 150 children during our annual *Back-to-School Backpack Giveaway,* sponsored by Highland Park UMC-Crossroads; turkeys and Thanksgiving 'fixins' for 237 families at our Thanksgiving Basket Giveaway sponsored by Highland Park and St. Luke *"Community"* with additional donations from St. Luke Girl Scouts, Alpha Kappa Alpha, Inc. Omicron Mu Chapter, and Tatum Elementary School; and our *Christmas Gift-Away* with toys and gift items for 43 families. Methodism's Breadbasket observed the milestone of forty years of service with a *Luncheon of Appreciation* in September. Rev. John W. Tatum, Jr., founder of Methodism's Breadbasket was honored along with long serving volunteers and supporters. Over 200 persons from throughout the North Texas Conference gathered in the St. Luke Zan W. Holmes, Jr. Community Life Center to join in the celebration.

2011 begins a new decade of service for Methodism's Breadbasket. In this our 41st year we find that the need for the services we provide continues to increase at a rapid pace. With the support of churches such as St. Luke *"Community"*, Highland Park, Cornerstone, University Park, Lovers Lane, Chapel Hill, FUMC Duncanville, FUMC Richardson, along with schools, social and civic groups, community organizations and many others, we are able to provide much needed support for families, the elderly, disabled, homeless and our working poor in the south, southeast Dallas, and Pleasant Grove neighborhoods. We are surrounded by blessings and we count it all joy. We are thankful for the ongoing partnership of the Hope Community Garden providing fresh produce for our clients. We thank God for the opportunity to serve as a mission of the North Texas Conference and continue to rely on your prayers, donations of food and clothing, volunteer support, and financial contributions to meet the ever increasing need of those we are called to serve. In 2010,

we held our first *Cans to the Van!* A mobile food drive, this effort provides an opportunity for your ministry or church to fill the Methodism Breadbasket van with food donations! There are many ways in which you can help support our mission. Each October, we are a beneficiary of Macy's ***Shop for a Cause***; daily you can support us by using ***GoodSearch*** and ***GoodShop*** for all your internet searches to the benefit of Breadbasket. Board and advisory board members are needed. We are seeking those with a passion for our ministry who have expertise in one or more of the following areas: public relations, human resources, social services, and fundraising. With our ever increasing need, we always welcome food donations, financial contributions, and individual and group volunteers. We invite you to find us on Facebook and be our friend! To receive more information about any of these areas of support, please contact Methodism's Breadbasket board chair, Ramsey Burke Patton at ramseyburkepatton@gmail.com.

Cynthia Martin, Executive Director

METHODIST CHILDREN'S HOME

Methodist Children's Home continues to press on toward our mission of offering hope to children, youth and families through a nurturing, Christian community. I am honored to have been selected as the tenth President of MCH in June 2010. When I accepted this position, I knew MCH has always had the potential to do great things for children and families. I assured our Board of Directors and United Methodist congregations throughout Texas and New Mexico that we would diligently work to find the highest and best use of the resources entrusted to us. In this process, MCH will continue to discover new and more effective ways to partner with local churches to reach hurting children, youth and their families. In order to do so, MCH must continually challenge ourselves and rely on the generosity of our friends in the North Texas Annual Conference.

Our first step in this process was to participate in several accreditation reviews. I decided this would be an effective way to thoroughly examine our operations and services, and identify our strengths and new opportunities. I am confident Methodist Children's Home is meeting the highest best-practice standards as determined by the Council on Accreditation (COA) and Coalition for Residential Education (CORE). I am pleased with the hard work of our staff and volunteers who took on these duties in addition to their daily responsibilities serving our children.

At the same time, I worked with the MCH Board of Directors to commission a new strategic plan. The strategic priorities and goals of this five-year plan will enable our ministry to increase its impact on children and families across Texas and New Mexico. One of our goals is to develop new opportunities for MCH to work with churches to help meet needs in their communities and congregations. We received valuable input during our strategic planning process from our Commissioners, a group of clergy and laypersons who serve as advocates for Methodist Children's Home in their local churches.

As we focused on our recent growth and where we believe God is leading our ministry, I was made aware of troubling information about potential theft at MCH. I immediately contacted members of our Board of Directors, and we initiated an internal investigation and independent audit. I trust our actions will set a good example of integrity for our children, one of the more important qualities we help youth develop in their lives. I also hope our actions always honor the trust of benefactors like those we have in the North Texas Annual Conference. I assure our many friends that my colleagues and I are working hard to make sure that if theft is confirmed, it will never happen again (particularly in this manner), no matter how complex the deception may turn out to be. I am

convinced Methodist Children's Home will become a stronger organization as we learn from this unfortunate situation.

While many people want to focus on the investigation, the real story at Methodist Children's Home centers on the lives that are being changed. Supporters, like those we have in the North Texas Annual Conference, help MCH do great things. Guided by our core values of Christian Principles, Relationships, Responsibility, Growth, Service and Hope, MCH provided services for nearly 1,600 children during the year. In addition to our work through residential campuses in Waco and Waxahachie, we also increased the services offered through our Dallas Outreach Office and the Wesley Rankin Community Center that serve the North Texas Annual Conference.

The future will provide the Home with as many, if not more, opportunities to positively impact the lives of children, youth and families. The Home's staff remains passionate about our work with young people, as we seek to prepare and empower them to one day be productive members of society and this faith community.

Our achievements in the past, and those yet to come, are directly related to the men and women who give their time, talents and resources to bless our children. We are grateful to the following individuals from the North Texas Annual Conference for their service on the Home's Board of Directors:

Dr. Ouida Lee, DeSoto, TX
Dr. J. Clayton Oliphint, Richardson, TX
Mrs. Betty Vilven, Allen, TX
Mr. Scott Wallace, Dallas, TX

These individuals, along with the Home's Commissioners and benefactors, enable our ministry to achieve our mission. As a result, MCH is helping transform our communities, one child at a time.

On behalf of Methodist Children's Home, thank you for sharing our story in your churches and communities. If you would like to schedule a speaker, arrange a tour or need resources to designate a Methodist Children's Home offering, contact Trey Oakley, vice president for development, at 1111 Herring Avenue, Waco, Texas 76708 or by phone at (254) 750-1213 or (800) 853-1272. I also encourage you to visit our web site at www.methodistchildrenshome.org to download stories and resources to help educate your congregation on the Home's ministry.

I believe great things are on the way for MCH and the congregations of the North Texas Annual Conference. Thank you for your continued trust and support of our ministry. May God bless you and Methodist Children's Home.

Tim Brown, President, Methodist Children's Home

METHODIST HEALTH SYSTEM

Through our covenant relationship between the North Texas Conference and Methodist Health System (Methodist) we proudly reaffirm that the care of the sick and injured, as well as the education of people to care for them, are important ministries for our community.

The Church and Methodist influence one another in many varied areas. Essential to the values and mission of Methodist is our commitment to provide direct services on behalf of the Conference, such as pastoral care and educational opportunities, and to render charity services including those

provided through the Golden Cross Program. We know these activities are designed to reflect our mutual continuing commitment to Christian life and learning. Central to that, the Bishop, Methodist ministers, and laypersons carry out leadership roles on Methodist's governing and advisory committees. Another central philosophy to our mission is that Methodist Health System treats people from all walks of life with respect and dignity. At each facility, we strive to conduct our ministry of caring and healing in a compassionate way that brings recognition and credit to the United Methodist Church.

Methodist Dallas Medical Center is a 515-bed hospital located just southwest of downtown Dallas, which serves as the teaching and referral hospital of Methodist Health System. Among Methodist Dallas Medical Center's many areas of expertise are cancer treatment, cardiology, day surgery, emergency/trauma care, gastroenterology, intensive care, maternity, neonatal intensive care, neurosciences, orthopedics, outpatient services, radiology, transplantation, and urology. The Methodist Dallas Transplant Institute has performed 121 transplants in 2010 and has done 2,800 procedures since its founding in 1981, including adult kidney, pancreas, and liver transplants. Methodist Dallas Medical Center made medical history in 1992 when it performed the world's first successful simultaneous heart-kidney-pancreas transplant.

Methodist Charlton Medical Center, with 309 beds, serves the residents of the suburban communities in southwest Dallas County. Methodist Charlton provides a variety of exceptional programs, including cancer treatment, cardiology, day surgery, emergency care, general medicine and surgical care, radiology, and women's services. In September 2009, Methodist Charlton completed a $116 million renovation and expansion, adding a new patient bed tower, additional surgical services, and physician offices.

The 168-bed Methodist Mansfield Medical Center opened in December 2006 and offers high-quality care to the growing areas of Mansfield and the surrounding communities. The hospital recently completed an expansion including a 36-bed medical-surgical unit, additional operating suites, and an expanded emergency department. Services include cancer treatment, cardiology, emergency care, gastroenterology, general surgery, intensive care, maternity, neurology, nephrology, obstetrics and gynecology, orthopedics, pulmonology, and radiology.

Methodist Family Health Centers extend family health care and general medical services in 11 locations in the Methodist service area. Additional family health centers are planned to open over the next several years. Methodist Midlothian Health Center offers diagnostic imaging to serve the needs of the growing Ellis County community. The 40-bed Methodist Rehabilitation Hospital, in affiliation with Centerre Healthcare, provides inpatient and outpatient physical rehabilitations services for patients recovering from traumatic brain injury, trauma, stroke, orthopedic surgery, and other conditions.

In June 2009, the 209-bed Methodist Richardson Medical Center was added into our family of facilities. We welcome this full-service general acute care community hospital, which includes a cancer center, accredited cycle III chest pain center, sleep disorder center, and center for women's health with digital mammography, fellow-trained breast surgeon, and patient navigator. Specialty services at this facility include orthopedics, neurosurgery, and cardiology.

A partnership between Methodist and area physicians, the 16-bed Methodist McKinney Hospital opened in February 2010 to serve Collin County and the surrounding communities. Methodist Hospital for Surgery in Addison is a joint venture in partnership with a physicians group. The facility opened in December 2010 and is a center of excellence for spine and orthopedic surgery and the only facility of its kind in North Texas.

In the fiscal year 2010, Methodist Health System:

- Treated **41,088** adult and pediatric inpatients
- Delivered **7,022** babies
- Performed **10,279** inpatient and **9,822** day surgeries
- Treated **202,072** trauma and emergency room patients
- Recorded **30,254** visits in the teaching clinics

We present our commitment to the people in our community in part through the number of activities and services we provide. The beautifully renovated Methodist Dallas Medical Center Golden Cross Academic Clinic trains medical residents in obstetrics and gynecology, internal medicine, and general surgery, while providing quality care for disadvantaged families. Other important Methodist programs include: Senior Access, which provides health-related services and information to over 37,000 area seniors; Methodist's Mobile Mammography program which provides early detection and treatment for breast cancer to underserved women and has screened 35,000 women since 2000; Methodist's Congregational Health Ministry, which provides health resources to churches throughout our community; and the Methodist Prostate Cancer Screening and Awareness Program, which provides education and early detection for prostate cancer for minority men. In March 2010, this program screened over 60,000 men since 2000, more than any other hospital-based program in the U.S. Methodist was also one of the founding members 33 years ago of CareFlite air and ground ambulance. Methodist annually exceeds the 5 percent charity care ratio required by the state for non-profit organizations. Our hospitals provided $82.6 million in uncompensated charity care in 2010, for a total of 9.7 percent of net revenue.

Once again this year, Methodist was the benefactor of a variety of awards and acknowledgments (a few are listed below) that serve to underscore the strengths of the health system:

- **2010 Best Places to Work in Dallas–Fort Worth — *Dallas Business Journal*** For the seventh consecutive year, Methodist Health System has been named a top winner in the Best Places to Work employee survey.
- **Top Performance Status — Medicare, Premier Healthcare Alliance Pay-for-Performance Project** Methodist Dallas and Methodist Charlton Medical Centers have been named top performers in a Centers for Medicare & Medicaid Services (CMS), Premier healthcare alliance value-based purchasing (VBP) project that rewards hospitals for delivering high quality care in five clinical areas – Acute Myocardial Infarction, Coronary Artery Bypass Graft, Heart Failure, Hip and Knee, Pneumonia, and Surgical Care Improvement Project.
- **Primary Stroke Center Certification — The Joint Commission** Methodist Dallas, Methodist Charlton, and Methodist Richardson earned The Joint Commission's Primary Stroke Center Certification after demonstrating that their stroke care programs follow national standards and guidelines that can significantly improve outcomes for stroke patients.

Methodist Charlton received the 2010/2011 HealthGrades Maternity Care Excellence Award™.
- **2009/2010 Outstanding Patient Experience Award™ — HealthGrades®** Methodist Mansfield ranks among the best in the nation in patient satisfaction, according to HealthGrades® the nation's leading independent health care ratings organization. Methodist Mansfield ranked in the top 10 percent of hospitals nationwide for outstanding patient experience in 2009/2010.

- **Cycle III Accredited Chest Pain Center — Society of Chest Pain Centers** Methodist Richardson and Methodist Mansfield Medical Centers are now Accredited Chest Pain Centers — two of only a few hospitals in the Dallas area to be named Cycle III Chest Pain Centers, the highest level of accreditation.
- **Pathway to Excellence™ — American Nurses Credentialing Center (ANCC)** Methodist Richardson Medical Center achieved the Pathway to Excellence™ designation from the American Nurses Credentialing Center (ANCC), given to health care organizations that create work environments in which nurses can flourish and substantiates the professional satisfaction of nurses working at the facility.

An ever-present and central part of the architecture of our hospitals is the cross at each one that symbolizes the Christian compassion and concern that are the daily standard of service for Methodist Health System. Methodist laypersons are encouraged to become active participants in the programs and services provided by the hospitals through auxiliary activities or participation in the volunteer services programs. Every United Methodist congregation is also urged to become an active participant in the Golden Cross Program by contributing one dollar per member annually. Together, with the North Texas Conference, Methodist Health System will continue to serve as a beacon of Christian caring throughout the region as we work daily to save and improve lives.

GOLDEN CROSS

Mission Statement: "*Golden Cross is a faith-based program of Methodist Health System and the North Texas Conference of the United Methodist Church. Its purpose is to provide health care to persons who cannot afford it.*" (Revised, November 2005) The mission of Golden Cross is to revolutionize the delivery of health care for the neediest members of the North Texas community.

Background: For over 85 years Golden Cross has been a powerful ministry at Methodist Dallas Medical Center serving the entire North Texas Conference. Founders of the Golden Cross ministry united the North Texas Conference and Methodist Dallas Medical Center in a partnership dedicated to the vision of providing free medical care. Golden Cross brings together Methodist congregations, dedicated physicians, and caring individuals to provide medical care for those in need. As the needs of the community have changed in recent years, so, too, has the Golden Cross ministry. Through resourceful initiatives such as the Golden Cross Academic Clinic of Methodist Dallas Medical Center, the program has expanded to serve thousands of North Texas residents.

Guided by the original vision of mission and health care ministry, the Board of the Golden Cross Division of Methodist Health System Foundation is charged with governing and directing the Golden Cross ministry. The Golden Cross Board is comprised of dedicated clergy and lay members of congregations throughout the North Texas Conference.

Expansion of Benefits for North Texas Conference: In 2005 the Golden Cross Board voted to modify how the changing needs of communities served by Golden Cross are addressed, while broadening the reach of its ministry within the North Texas Conference. Recognizing that changes in government funding of healthcare for the poor and elderly would require changes in Golden Cross policy, the Board implemented several new programs in order to more efficiently address the increasing crisis of the uninsured and underinsured.

MedAssist: To expand the reach of Golden Cross and better leverage available funds, the Board considered two major health challenges for uninsured residents in the North Texas Conference: high prescription drug prices and chronic disease management. As its first new program, in 2006 the Board unanimously recommended that all available Golden Cross funds be allocated to the development of a prescription medication program. The MedAssist program serves patients of the Golden Cross Academic Clinic of Methodist Dallas Medical Center. Through this revolutionary prescription delivery program, qualified patients receive medications at no cost.

Golden Cross also provides social services, nutrition services, and education programs to help patients remain well and active in the workplace and the community. When needed, short-term counseling services are provided to help patients learn better ways to cope with chronic illness.

Over 2,604 patients have received free services and medication through Med Assist and other Golden Cross programs since their inception. Golden Cross is making a difference in the quality of life of each patient.

Congregational Nurses: The Golden Cross Board also voted to provide funding to the Golden Cross Academic Clinic for its Congregational Health Ministry. In partnership with North Texas Conference churches and other area churches, the Congregational Health Ministry works to improve the physical and spiritual health of the community of faith by providing guidance, sharing resources, and assisting church leaders with congregational wellness needs.

Prenatal Program: In October 2009 the Life Shines Bright Pregnancy Program was initiated. This exciting, innovative program provides comprehensive care and support to patients at risk for pre-term delivery. Patients are recruited for the Life Shines Bright Pregnancy Program through community outreach seminars held monthly at area churches. Those assessed as at risk for pre-term delivery are then referred to physicians through the Golden Cross Academic Clinic. High-risk patients from the Los Barrios Clinic are also eligible for the program. A bilingual nurse practitioner and prenatal health care educator administer the program. To date, the statistical improvement in outcomes has been dramatic.

Oversight: The Golden Cross Board reviews each program annually in order to determine highest and best use of available funds. The Board takes seriously its responsibility to successfully manage the sacred trust of donors. Golden Cross needs your support to realize its mission. Each church is encouraged to commit to or maintain its pledge of one dollar ($1.00) per member per year.

The Future: The goal and mission of Golden Cross is to grow and strengthen its ministries in the visionary spirit of its founders. Exciting cooperative opportunities to expand the capabilities of the Golden Cross ministry into underserved geographic areas of the North Texas Conference are in development.

Call for More Information: To access these services, please call the Golden Cross Academic Clinic at 214-947-6700.

The mission of Golden Cross answers the call of Christ, "Heal the sick…Freely you have received; freely give" (Matthew 10:8). Through the prayers and generous support of the North Texas Conference, Golden Cross will continue its ministry to those in need of quality health care.

PERKINS SCHOOL OF THEOLOGY

A. Major Accomplishments

Perkins School of Theology exists because we are missionally driven "as a community devoted to theological study and to teaching in the service of the church of Jesus Christ … to prepare women and men for faithful leadership in Christian ministry" (from the *SMU: Perkins School of Theology 2009-2011 Catalog*, p. 9).

A vital recognition of our mission-driven commitment occurred in 2010, when the Association of Theological Schools (ATS) renewed our accreditation for another 10 years.

In a meeting with one of our senior administrative directors during the ATS site visit, the discussion turned to the challenges facing us in the second decade of the twenty-first century. Some of those challenges are well-known: we are a denominationally affiliated school in a post-denominational era; we are a university-based school in an anti-intellectual era; and we are dependent on earnings from endowments and gifts from individuals whose capacity to generate revenue has been significantly impacted by the great recession. During the discussion, one of the ATS visitors made this observation: "You probably do not realize how many theological school administrators across North America would gladly trade places with you now."

One of the things that we learned through the review process, from the first steps in drafting the self-study to the final actions of bidding the visiting team goodbye, was the unbreakable connection

between our mission as a school and the professional or academic activities we conduct as a school. Everything derives from that mission: our curriculum, our hiring decisions about faculty and staff, our admission procedures for recruiting and matriculating students, our standards of conduct, our placement goals for those who complete programs of study toward Perkins degrees, our public advertising, our non-degree programming, our budgeting process, and our self-assessments.

In that regard, we are tremendously blessed.

B. Opportunities, Plans and Challenges

1. **Faculty**. The productivity of the Perkins faculty is impressive both in qualitative and quantitative published work. The leadership that members of our faculty provide in academic guilds continues to grow. When we evaluate faculty members' achievements each semester, we view teaching as equal in importance to research. And at the end of their degree programs, when students submit their responses to the graduation survey, they consistently identify the faculty as the first or second most important facet of their experience at Perkins.

We keep these things clearly in mind as we embark upon searches for new colleagues. Searches in worship and in theology began in 2010 to replace our retiring colleagues, Marjorie Procter-Smith (LeVan Professor of Preaching and Worship) and Charles Wood (Lehman Professor of Christian Doctrine). It will be challenging to meet all of our own expectations for excellence in scholarship and teaching in these two positions.

We have been both committed to a policy of enhancing diversity on the faculty and careful in our processes for making new appointments to the faculty. Here are some data points:

- At the rank of associate professor, we have achieved gender equity, for we have exactly the same number of women as men ranked as tenured associate professors;
- Among our tenured professors, approximately one-third are identified as ethnic minority or non-white – which means that, in ethnicity, the faculty is leading the diversification of the school even more rapidly than the student body.

2. **Facilities**. The massive attention that we have given to improving our facilities during the past several years was actually necessitated by our own mission. By attending to these extensive improvements in the buildings where we work, we have strengthened our means for engaging in theological study and teaching to prepare women and men for faithful leadership in Christian ministry. These improvements also include making Perkins' facilities fully accessible and LEED certified. (LEED certification is the recognized standard for measuring building sustainability in terms of environmental responsibility.)

During the planning process for the construction of Prothro Hall and the renovation of both Kirby and Selecman Halls, we made a commitment to the University that by the end of fiscal year 2010 (May 31, 2010) we would have sufficient cash and pledges to cover the total. I was very pleased to report to the President and the Provost of the University that we reached that goal. However, while we have celebrated the completion of construction and fund raising, the critical task of collecting the dollars pledged still remains for the coming years.

3. **Formative Scholarship**. At the University commencement in the spring of 2010, approximately one-third of all the doctoral degrees awarded at SMU went to men and women from the Graduate Program in Religious Studies. The GPRS, a cooperative program of Perkins School of Theology and SMU's Dedman College of Humanities and Sciences, has long been the highest rated Ph.D. program on the SMU campus. The GPRS also marked its fortieth anniversary since the first Ph.D. was awarded through the GPRS in 1970.

One of our strategic plan goals is to secure the future of the program by finding permanent endowments to support adequate student stipends. We have succeeded in getting multi-year gifts from individuals who are committed to the program and some additional annual support from the Provost as well as from the Associate Vice President for Research and Dean of Graduate Studies. These contributions, together with some funds from a Luce Foundation grant to the Latino Center and from the Ministerial Education Fund of The United Methodist Church, have made our stipends reasonably competitive for first-rate doctoral students. But the only way to ensure the excellence of the program is to have permanently endowed support.

Two other events of note in the GPRS this year involve structural relationships and student admissions.

- Perkins now occupies a seat at the table as a charter member of the Hispanic Theological Initiative Consortium. Among the other institutions represented are Emory, Fuller, Princeton Theological Seminary, and about seven more.
- The GPRS welcomed Julian Gonzalez, its first doctoral candidate funded through the Luce grant to the Center for the Study of Latino/a Christianity and Religions.

All Perkins students continue to benefit from the exceptional faculty and staff of Bridwell Library and its substantial resources.

4. **Finances**. Beginning in 2010 and continuing through 2012, each unit of SMU has had to develop a budget plan that takes necessary reductions. For us at Perkins, the first of those three years we managed to take a cut of about 2.2% without noticeably affecting any of our operations. No staff position had to be eliminated. No employees were terminated. No research or travel funds were reduced.

But next year, we expect to have to take another cut of similar size. And again, preparing for the year after that, we expect to have to add a similar cut. By the time we finish absorbing the impact of the great recession, we will have had to make reductions totaling about 6.7%.

5. **Enrollment**. Data compiled recently by the Association of Theological Schools show the total enrollment in all ATS schools for the M. Div. degree, which is designed for persons who feel called to the professional ministry of the church, has declined by about five percent. Nevertheless, in the fall of 2010, we recruited an entering master's class that is 27% larger than the one in 2009. Additionally, counting the students who are enrolled in our Singapore D.Min. cohort, we have 15 new D.Min. students this year. For the sake of our mission, we will need the commitment of our friends and partners to the ongoing task of continuing to recruit outstanding cohorts of students.

C. Conclusion

The state of our school is strong. But so are the challenges facing us.

I recently spent one evening a week leading a home Bible study with a group of folks, more than half of whom I did not know until the Bible study began. We read the book of Esther together. One memorable evening we dealt with the verse where Mordecai tries to persuade Esther that her silence will not provide her with safety. Then he pleads with her through a rhetorical question and comment: "Who knows? Perhaps you have been put in this position for just such a time as this."

Perhaps the state of our school is strong for just such a time as this.

Grace and Peace,
William B. Lawrence, Dean and Professor of American Church History

Saint Paul School of Theology is a seminary of the United Methodist Church that educates leaders to make disciples for Jesus Christ, renew the Church, and transform the world. We are one institution with two campuses, a free-standing seminary campus in Kansas City and a university partnership seminary on the campus of Oklahoma City University.

During the 2010-2011 academic year, 214 students from 26 annual conferences, 24 denominations and 7 countries were enrolled in degree programs at Saint Paul School of Theology in Kansas City. Fifty-four students were enrolled in the Master of Divinity program at Saint Paul at Oklahoma City University. The Course of Study School at Saint Paul served 311 students from 22 annual conferences. Classes took place in Kansas City, Missouri, and for the first time two courses were offered in Springfield, Missouri. Course of Study classes will begin on the Saint Paul at Oklahoma City University campus in the fall of 2011.

Saint Paul School of Theology at Oklahoma City University will celebrate its first commencement convocation in 2011. The first graduating class of Master of Divinity students will be hooded in a special ceremony in August on the Oklahoma City University campus. Each graduate will have completed 90 hours of study.

Sixteen South Korean students graduated in May from the Korean Doctor of Ministry Track in Wesleyan Spirituality and Congregational Renewal. The international program included teaching by Methodist professors from the United States and South Korea. Class sessions took place in the U.S., England, and South Korea. A second Korean DMin track began in January 2011.

A Doctor of Ministry cohort track focusing on Revitalizing Congregations is slated to begin January 2012. It will focus on biblical preaching, vibrant and meaningful worship, visionary leadership, diverse communities, social justice, and contextual ministry. The DMin track relates directly to the United Methodist Council of Bishops initiatives (the “Four Foci”) for the Church.

The Saint Paul youTheology program expanded to include youth from the Lydia Patterson Institute in El Paso, Texas. It will start a new pod in Nebraska in 2011. YouTheology is funded primarily by Lilly Endowment, Inc. for youth to continue to explore their faith and calling through worship, service, study, travel, and a mentoring relationship.

It was the third year for Laity School of Theology. Each Laity School Saturday Session was taught by seminary faculty and presented in an accessible manner. Lay attendees came from diverse ecumenical and educational backgrounds. Topics included worship, Bible, ethics, church history, and theology. Laity School was offered in Missouri and Oklahoma.

The seminary restructured its continuing education lectures to become Community Reads. Students, faculty, staff and outside guests were encouraged to read topical books such as *No Rising Tide* by Joerg Rieger and *Pedagogy of the Bible: An Analysis and a Proposal* by Dr. Dale Martin. Community Reads cultivated early discussion and provoked deeper questioning during author lectures.

Saint Paul at OCU held its second LEAD seminar on the Oklahoma City University campus. The seminar covered topics to improve and strengthen ministerial leadership. The seminars are a collaborative educational project of the Oklahoma Area of the United Methodist Church, Oklahoma City University and Saint Paul.

The trustees, faculty, staff, and students of Saint Paul thank you for your interest, prayers and support.

SOUTH CENTRAL JURISDICTION ANNUAL REPORT

The Nineteenth Session of the South Central Jurisdiction will begin on Wednesday evening July 18, 2012 in Oklahoma City, OK. The conference will actually span the 17th through the 21st, with committee meetings on the 17th and 18th, and the opening worship and memorial service the evening of the 18th at St. Luke's UMC in Oklahoma City. Delegates and alternates are expected ……visitors are welcome.

There will be 256 delegates, plus alternates. The number of delegates will be 40 fewer than in 2008, due to additional Annual Conferences in the Central or international conferences. That means it will take 154 votes, if all delegates are present and voting, and all ballots are valid, to elect a new bishop.

The Conference will be held near the Bricktown area of Oklahoma City, a great place for family fun. Also it will provide ample eating venues for delegates and friends.

The Oklahoma Indian Missionary Conference and the Oklahoma Conference, co-hosts of the Conference, along with Bishop Robert Hayes, Jr., resident bishop, invite you to be in Oklahoma City in July of 2012.

We thank you for your continued support of Lydia Patterson Institute, Mt. Sequoyah Assembly, the Wesley Foundation at SMU, and the Jurisdictional Administrative Office.

The SMU Wesley community gathers every week for "the Well" at 8 pm on Wednesdays at Perkins Chapel for student-led worship, Biblical teaching, prayer, and weekly communion.

Small Groups at SMU Wesley are the heart of SMU Wesley and they are truly modified Wesleyan Class Meetings. Each week students gather together for a brief discussion on Scripture and then answer the question, "How is it with your soul?" or "How is your life in God?" These intimate groups become support groups where SMU students can grow in their relationships with God and with one another.

Taking John Wesley's words to heart that "God does nothing apart from prayer," SMU Wesley has started a much more robust effort in regards to intercessory prayer. The SMU Wesley house has a prayer room where each leadership team member takes an hour a week to pray for the ministry, the campus, and the needs of the world. This April, we will be participating in 72 Hours of Unceasing Prayer that will be hosted upstairs in the Wesley house for all the campus ministries at SMU. One of our students has initiated this effort and we are expecting God to do great things in response to the prayers of SMU Wesley students and other campus ministries.

SMU Wesley participates in missions locally on campus, in the Dallas community and beyond. SMU Wesley participates in missions on campus through prayer walks, acts of servant evangelism, and through relational hospitality. We seek to be a light on campus through personal relationships. In the Dallas community this year the SMU Wesley has served: Cornerstone Baptist Church homeless ministry, the North Texas Food Bank, the Ronald McDonald House, the Alzheimer's Walk through the Dallas Zoo and through prayer walks through downtown Dallas. Later this semester we will be participating in Relay for Life, the MS Walk, and the Habitat for Humanity Blitz build. Every Spring Break for the past 3 years, SMU Wesley has taken a mission trip to work with UMCOR on the Gulf Coast to work with continued disaster relief efforts. This year, the SMU Wesley Foundation returned to New Orleans to work in a church damaged by Hurricane Katrina as well as ministering to elderly and homeless in this city.

We take Leadership at SMU Wesley very seriously. Leadership at SMU Wesley has two sides to it: spiritual and theological development and a commitment to service. Every student on Wesley Leadership commits to serve in one of three ministry areas: worship, discipleship, and missions. In addition to meeting with and serving on one of these teams, Wesley leadership team members meet every week for a time of training and equipping. This semester our student leadership team has been taught by SMU Chaplain, Dr. Steve Rankin, PhD candidate Kevin Watson, and Dr. Elaine Heath, professor of evangelism at SMU.

Of the 18 students currently on our Leadership team, 4 of them are in the process of candidacy in the United Methodist Church and two others are considering missions and ministry in other denominational or parachurch settings. Our current intern, Robert Perales, has expressed a calling specifically to campus ministry and we celebrate the recent hiring of last year's intern, Megan Davidson, as the director of the TCU Wesley Foundation. Two of our recent graduates are now attending United Methodist seminaries and another is serving with the General Board of Global Ministries in Mongolia. Several other recent alumni are serving as youth pastors. God is truly raising up a new generation of Christian leaders and we are excited to play a role in what God is doing!

On the horizon, we are excited about hiring a new associate director, Caren Dilts, this August to direct our Women's Small Groups, missions, and development. Caren has been one of the associate directors of the University of Georgia Wesley Foundation, one of the most exciting Wesley Foundations in the country and we are thrilled to have her on our team. Additionally, we are overjoyed to have had conversations with administration at SMU regarding the acquisition of more property and the building of a new Wesley Foundation center at SMU which will not only be our home-base for ministry but a place where students live in intentional community as they pursue and serve Christ at SMU. We are optimistic about the future and believe that God has greater things in store for us and this campus as we rely and trust in God's grace. We covet your prayers as we are fully aware that we can do nothing in our own power. Glory be to God!

TEXAS METHODIST FOUNDATION

Texas Methodist Foundation further explored ways to effectively serve United Methodist individuals, churches, and institutions in Texas during 2010, which included extending $300,000 in special grant funding to the six annual conferences in Texas and New Mexico. Recognizing that additional funding would go far in serving communities still being impacted by economic strains, we provided these funds for special initiatives as identified by the presiding bishops in each conference and outreach ministries for critical needs – food, shelter, emergency assistance, and ministries of care and support – to those who have endured the devastating loss of a home or job.

Additionally, we are pleased to report that the Foundation ended 2010 with $373 million in assets under management, showing an $8 million growth over 2009. As a financial institution we remain strong and capable as we sow seeds for ministry by providing investments, loans, stewardship services, grants, and gift planning guidance to United Methodists across the state. Looking deeper into what those services really provide, we view the mission and ministry we set in motion through our work as the heart of our service to God.

As well as providing financial and consulting services, we continue to advocate strong pastoral and congregational leadership to build vital communities of faith. As more and more pastors gather around the common table provided by peer learning groups, our TMF Institute for Clergy and Congregational Excellence remains committed to supporting and developing courageous clergy leaders. Finding crucial spiritual renewal and key leadership tools required to serve the local church alongside the members of their congregations, who can also benefit from the Institute's Holy Conversations Communities of Learning, together they more fully answer their unique call to extend the hope of Christ in service to the world.

The Texas Methodist Foundation, located in Austin, serves United Methodist individuals, churches and agencies within the five geographic annual conferences in Texas and the Rio Grande Conference of Texas and New Mexico. We appreciate the opportunity to report some of the ways we enabled United Methodists last year.

How can we help you bring God's dreams for ministry to life?

We are pleased to report to you the assistance we provided in 2010:

Within the North Texas Annual Conference:

- Loans from the Foundation to churches in the North Texas Annual Conference totaled $85 million.
- Churches and related agencies within the North Texas Annual Conference had $48.5 million invested with the Foundation's Methodist Loan Fund.

Throughout the state:

- As of December 31, 2010, total assets under management by the Foundation were approximately $373 million.
- Methodist Loan Fund investments grew overall, including new Individual Fund accounts of $3.6 million. Methodist Loan Fund investments support the Foundation's loan program which currently funds 446 loans to United Methodist churches and agencies. Our loan balance ended 2010 at $295.3 million.
- The TMF Institute for Clergy and Congregational Excellence ministry supported 87 pastors from the Texas annual conferences participating in 10 Clergy Development Groups. The Institute also welcomed 43 District Superintendents from around the state and across the South Central Jurisdiction, and the 11 active Bishops serving in the South Central Jurisdiction who were involved in group processes. Senior pastors and laity from five congregations also participated in two Holy Conversations Communities of Learning, focusing on spiritually-based strategic planning. And more than 60 judicatory leaders, pastors and laity also attended special gatherings of entrepreneurial leaders hosted by the Institute.
- During 2010, the Foundation funded grants in excess of $620,000 including several from donor-advised funds. These grants benefited a variety of programs managed by local churches, community outreach centers, and conference ministries. The Foundation's Grants Ministry continues to give priority to programs that address the root causes of poverty as it affects children.
- The Foundation distributed approximately $820,000 from permanent endowments, predominantly to United Methodist causes in Texas.
- Our Stewardship staff consulted on 20 capital campaigns and Miracle Sundays, resulting in pledges totaling more than $13.6 million to support the missions of United Methodist congregations across the state. They made more than 398 consultation visits to churches offering counsel and guidance in areas of specific need related to funding ministry. Stewardship staff also conducted 12 annual and year-round stewardship workshops in local churches and 21 district and conference level workshops.
- Charitable Services staff guided leaders of more than 100 churches in initiating or revitalizing Permanent Endowment Fund programs. Staff also organized and facilitated peer group gatherings of congregational leaders from a number of churches. These groups exchange ideas and learn best practices for growing endowments to provide resources for future ministry. A number of planned giving workshops designed to promote bequests and legacy giving were conducted in congregations across the state. Staff also worked with individuals in establishing donor-advised funds which enable donors to receive an immediate tax deduction for

irrevocable gifts and provide additional means of accomplishing their charitable objectives over an extended time.

TEXAS UNITED METHODIST COLLEGE ASSOCIATION

Shouts of "thank you" are echoing in our midst today as your college students are responding to your payment of the TUMCA Apportionment for the North Texas Conference. Your giving has opened the door for your students to receive scholarship help to attend one of our fine United Methodist schools in Texas.

One of our TUMCA scholarship recipients says it this way, "Given my family's financial situation, it would not be possible for me to pursue a degree of any kind without the help of TUMCA funds. Thank you for your generous support."

A sixty-year old lay leader in one of our strong United Methodist congregations informed TUMCA that she is leading the effort in her congregation to pay TUMCA funds in full. "Without TUMCA funds, I would not have been successful in my vocation or in my church leadership skills. My education depended on TUMCA and so did the rest of my life!"

TUMCA scholarship funds make it possible for Lon Morris, Texas Wesleyan, McMurry, Southwestern and SMU to add that vital difference to a student's tuition to help them attend their chosen school. One of our students commented, "Since I was a little girl I felt like Southwestern was my school. Because of TUMCA funds, now it is!" TUMCA is about students having an opportunity to attend one of our United Methodist schools!

A United Methodist pastor wrote a lengthy letter to TUMCA that included these words, "I want to thank TUMCA on behalf of my church family. To see one of our own, who models faithful Christian witness, go beyond the valley schools of South Texas and succeed is a real blessing. It is an encouragement to families who are in extreme circumstances."

YOUR GIVING IS AN ENCOURAGEMENT TO YOUR STUDENTS TO PURSUE THEIR DREAMS!

Listed below is information as to your students' names, churches, and schools they attend. Thank you again for the giving that makes this list more than names. Here is a list of hopes, dreams, and blessed sighs of thankfulness.

UMR COMMUNICATIONS

UMR Communications has continued to be flexible and adaptable as we work to meet the continuing challenges facing many faith-based organizations. We've met financial challenges related to the difficult economic times the churches, conferences, boards and agencies that are our customers have experienced. Serving these groups and the larger Church by providing the communication services and telling the stories of mission and ministry of the United Methodist Church has been and will continue to be our mission.

The United Methodist Reporter, our flagship publication, continues to win awards for the coverage of the UMC, for the design of the newspaper, and for individual stories and issues produced by our staff. The ***Reporter*** carries on its historic purpose to provide a combination of local church, conference and national news in one publication. We help enable the connection so important to the Church.

UMR's Board of Directors consists of 19 members who have gifts, graces and talents in fields from administration, to finance, to sales, to technology, to church scholars, to business including clergy and laypersons. All are committed to seeing UMR continue to serve the Church. In late 2010, the board adjusted the management structure of UMR from having a CEO to using a four-person management team. This action allowed UMR to stabilize its finances, take stock of our direction and prepare for new leadership in 2011.

Besides the ***Reporter***, UMR has capabilities to produce materials such as brochures, posters, postcards, booklets, supplements and other printed materials. Our staff offers a yearly training event for church and conference-level communicators and is available to assist as churches seek to communicate with their congregations and the greater community. We work closely with the Women's Division of the UMC to fulfill their work with the United Methodist Women as they seek to promote missions for the Church.

The year 2011 brings a new Managing Editor, Sam Hodges, to lead our news staff. Later in the year, a new CEO will be added to the staff. We anticipate new opportunities; ideas and energy will accompany these additions.

We ask you to keep us in your prayers, to give us feedback, to let us serve you through the ministry of communications as we work together to spread the word of God and the mission of the church.

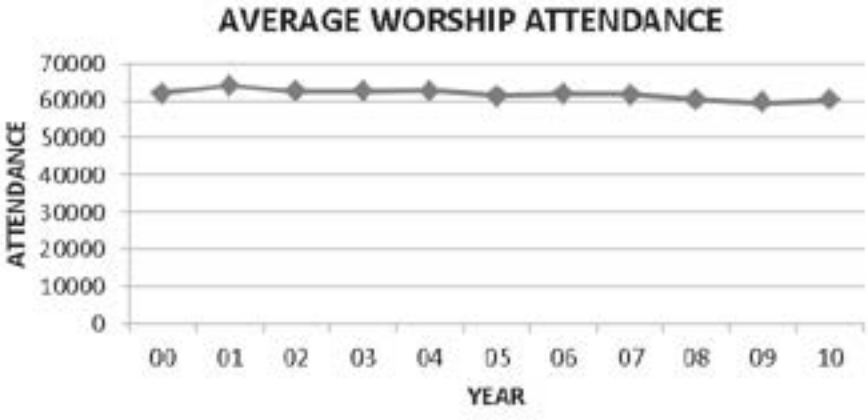
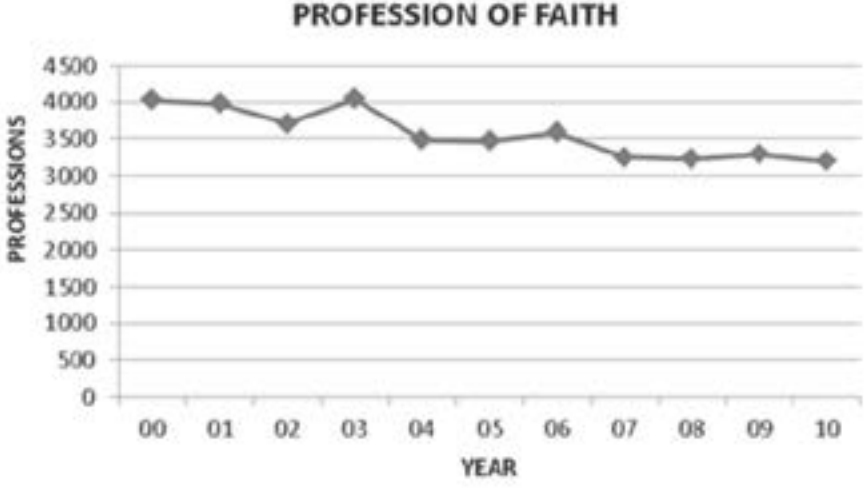
XVI. REPORT OF CONFERENCE STATISTICIAN

Finally, we as an Annual Conference have something to celebrate in the preceding year's statistical report other than an increase in the amount of money we spent! **In 2010 the churches of the conference had an increase of 601 persons or 1.0% in average worship attendance!** While only a beginning, this is a significant step because many regard average worship attendance as our most important statistical indicator.

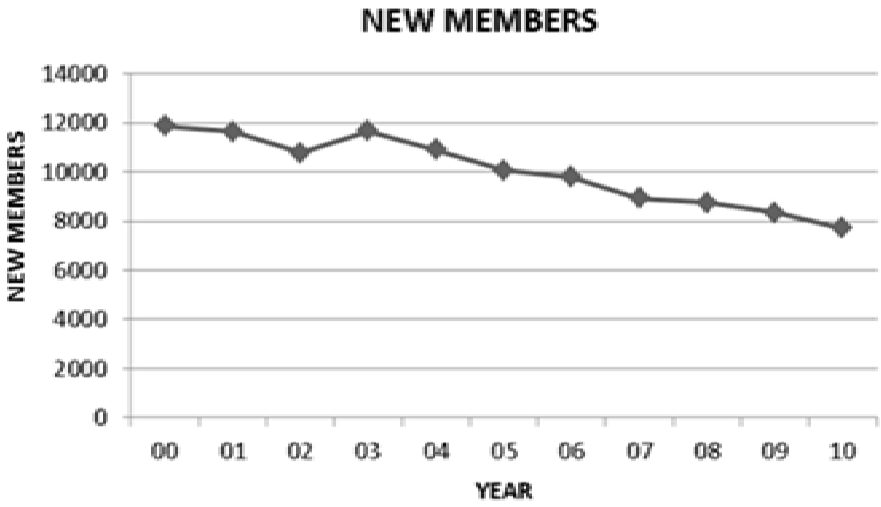
The ratio between worship attendance and membership also increased from 38.1% to 39.9%.



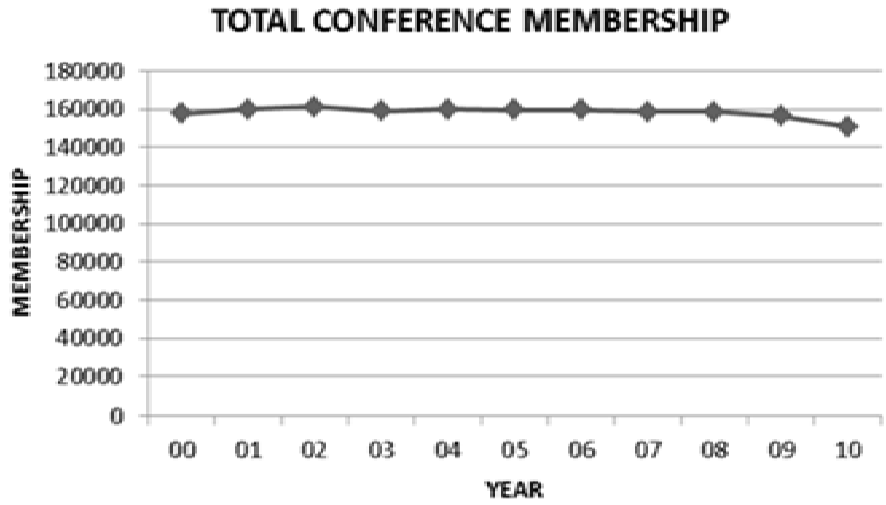
We also rejoice and give thanks for the 3,192 persons who came to know Christ and joined our churches by profession of faith last year, although the number of professions of faith decreased in 2010 by 3.0%.



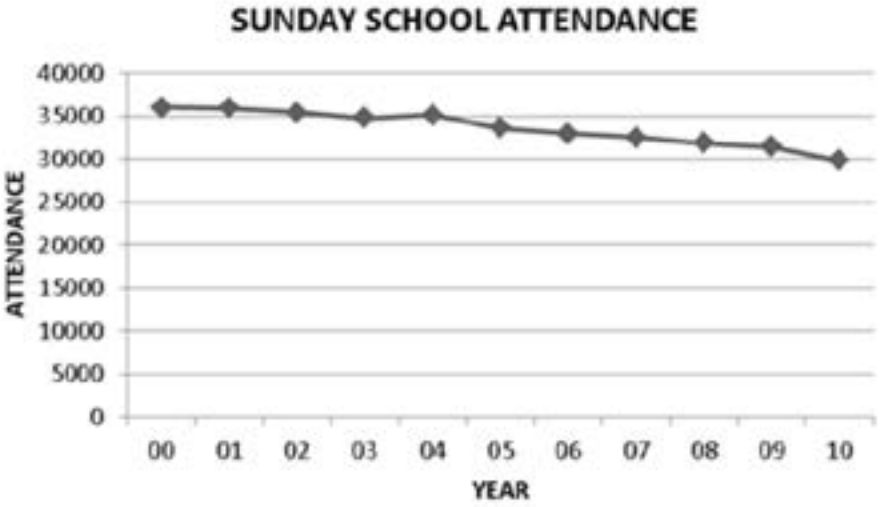
The number of new members received by our churches decreased to 7,710 in 2010, a drop of 621 persons or 7.5% from 2009. Although we understand the apparent reluctance to "joining" churches in our society today, this was the lowest number of new members received in more than a decade.



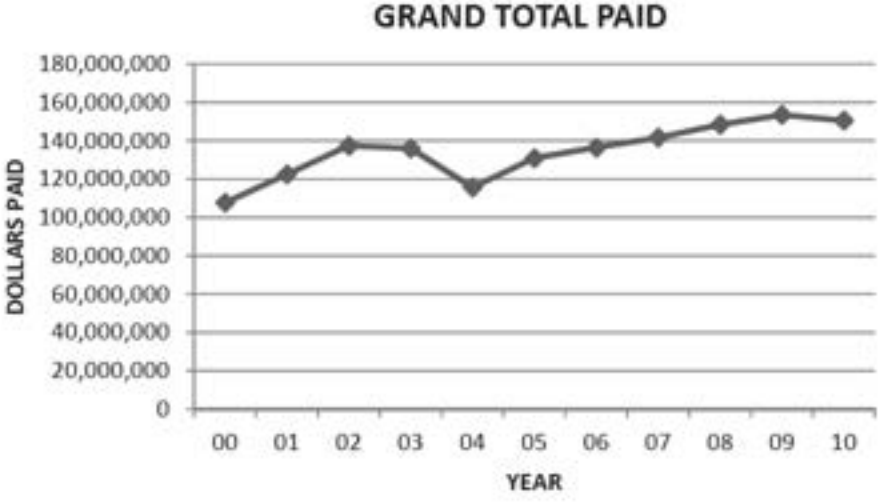
The total conference membership at the close of 2010 was 150,859; a decrease of 5,425 persons or 3.5% from 2009 and the sixth year in a row of decline. However, it is also important to note that 6,866 persons were removed from membership rolls by Charge Conference action in 2010, an increase of 2,490 persons or 56.9% over the previous year.



The average Sunday School attendance decreased to 29,807, a decrease of 1,642 persons or 5.2%. We continue to hope that participation in other small groups for learning accounts for some of the difference.



The grand total paid to all causes, in a year of continued economic challenge and uncertainty, decreased by 1.6% to $150,520,342. Yet we continue to be thankful for the faithful generosity of United Methodists in North Texas!



We have taken an important step. The increase in average worship attendance is significant and worthy of celebration. As we live further into the Strategic Plan adopted at last year's Annual Conference, we will continue to take other steps to increase our effectiveness in making disciples of Jesus Christ for the transformation of the world.
